

1  
00:00:41,270 --> 00:00:39,229  
whether the vendor meter simple and so

2  
00:00:44,650 --> 00:00:41,280  
that we have the pleasure to announce to

3  
00:00:47,510 --> 00:00:44,660  
some members of Josephus Wales

4  
00:00:49,820 --> 00:00:47,520  
now go seekers whales are a dedicated

5  
00:00:52,910 --> 00:00:49,830  
group of paranormal investigators and

6  
00:00:55,040 --> 00:00:52,920  
psychic mediums the carry out

7  
00:00:57,229 --> 00:00:55,050  
investigations involved in the patient's

8  
00:01:00,290 --> 00:00:57,239  
throughout the UK searching for evidence

9  
00:01:02,660 --> 00:01:00,300  
of paranormal activity using specialist

10  
00:01:06,289 --> 00:01:02,670  
equipment and conduct conduct in

11  
00:01:08,630 --> 00:01:06,299  
scientific experiments their findings

12  
00:01:10,280 --> 00:01:08,640  
are documented and they then determine

13  
00:01:11,719 --> 00:01:10,290

whether they have discovered something

14

00:01:14,600 --> 00:01:11,729

there's logical or Pratt's or

15

00:01:16,700 --> 00:01:14,610

supernatural course a little LEGO Group

16

00:01:18,980 --> 00:01:16,710

then in as much as when we have an

17

00:01:22,010 --> 00:01:18,990

unexplained UFO sighting we firstly try

18

00:01:24,830 --> 00:01:22,020

to find a plausible explanation for

19

00:01:27,200 --> 00:01:24,840

what's being observed now it's available

20

00:01:28,970 --> 00:01:27,210

to address you about their group of its

21

00:01:31,400 --> 00:01:28,980

activities and the equipment that they

22

00:01:33,320 --> 00:01:31,410

use so hopefully they may know to

23

00:01:36,620 --> 00:01:33,330

discuss any comments that exists between

24

00:01:38,630 --> 00:01:36,630

our two subjects now I almost many of

25

00:01:39,950 --> 00:01:38,640

you looking forward to tonight's talk so

26

00:01:41,600 --> 00:01:39,960

will you please put hands together and

27

00:02:18,690 --> 00:01:41,610

give a warm super welcome to dawn

28

00:03:15,400 --> 00:03:13,000

we've got some other things we quite

29

00:03:17,500 --> 00:03:15,410

often get when we take pictures in it is

30

00:03:19,030 --> 00:03:17,510

we go back and we look at them nothing

31

00:03:19,720 --> 00:03:19,040

appears to be there like but we took the

32

00:03:23,410 --> 00:03:19,730

picture

33

00:03:23,920 --> 00:03:23,420

days later or back to that seven thing

34

00:03:25,750 --> 00:03:23,930

yes

35

00:03:27,850 --> 00:03:25,760

well almost look as though they're still

36

00:03:29,949 --> 00:03:27,860

developing within the digital cameras

37

00:03:32,560 --> 00:03:29,959

yeah so the same yourselves when you go

38

00:03:35,380 --> 00:03:32,570

out don't discard you pick your speed

39

00:03:39,610 --> 00:03:35,390

away go back to them a few days later or

40

00:04:53,469 --> 00:04:50,050

I see sometimes people will say to us

41

00:04:55,300 --> 00:04:53,479

oh there's shadows on the storm yeah and

42

00:04:57,190 --> 00:04:55,310

it's like yourselves if you're there you

43

00:05:00,010 --> 00:04:57,200

see if and there is no shadow no storm

44

00:05:01,659 --> 00:05:00,020

is not dark marks understood that's when

45

00:05:02,950 --> 00:05:01,669

it comes up to you and when you tell you

46

00:05:05,170 --> 00:05:02,960

again quite often you take the original

47

00:05:07,060 --> 00:05:05,180

picture you look at the original picture

48

00:05:08,529 --> 00:05:07,070

there is nothing there but a couple days

49

00:05:11,409 --> 00:05:08,539

later you look at that picture and

50

00:05:13,480 --> 00:05:11,419

there's something why don't we overlook

51  
00:05:48,939 --> 00:05:13,490  
in the first instance or whatever I

52  
00:07:16,540 --> 00:07:04,890  
the same time we stood in the window

53  
00:08:00,420 --> 00:07:16,550  
it was days actually until you turn

54  
00:08:07,240 --> 00:08:04,390  
by drones available to go to college was

55  
00:08:09,880 --> 00:08:07,250  
available in 1971 on this particular

56  
00:08:13,300 --> 00:08:09,890  
place with some were used to cause

57  
00:08:16,960 --> 00:08:13,310  
teenagers the flag is a cellular all

58  
00:08:23,200 --> 00:08:16,970  
rest of it as you didn't end in that

59  
00:09:19,420 --> 00:08:23,210  
room plane was accessible they use it

60  
00:10:19,970 --> 00:09:20,990  
on the roads

61  
00:10:23,930 --> 00:10:19,980  
I couldn't see any potential stairs yeah

62  
00:10:55,819 --> 00:10:23,940  
when I put my hands in and I actually

63  
00:11:02,629 --> 00:11:01,860

taking pictures it wasn't raining or

64

00:11:11,699 --> 00:11:02,639

anything

65

00:11:15,030 --> 00:11:11,709

yeah these pictures we've had some with

66

00:11:16,860 --> 00:11:15,040

Wait if you locking them into it

67

00:11:24,420 --> 00:11:16,870

properly there's actually faces as a

68

00:11:26,730 --> 00:11:24,430

base here see this basis you can

69

00:11:41,040 --> 00:11:26,740

actually see the faces actually in the

70

00:11:42,809 --> 00:11:41,050

smoke yeah but we can't we don't

71

00:11:46,049 --> 00:11:42,819

continue to baby in one of these

72

00:11:48,420 --> 00:11:46,059

ellipses one that's your baby's face you

73

00:11:50,040 --> 00:11:48,430

can see nothing

74

00:11:51,660 --> 00:11:50,050

well we have quite a few of these two

75

00:11:54,030 --> 00:11:51,670

here equipments with you all to meet the

76

00:12:09,069 --> 00:11:54,040

people those had no distinct

77

00:12:17,660 --> 00:12:14,449

taking the guns out cathedral in the

78

00:12:19,910 --> 00:12:17,670

bridge as I was coming over the bridge -

79

00:12:22,129 --> 00:12:19,920

I don't like the feeling of edges we

80

00:12:24,889 --> 00:12:22,139

horrible horrible theater and actually

81

00:12:28,429 --> 00:12:24,899

done a little investigation as we walked

82

00:12:52,280 --> 00:12:28,439

on the parade he's had feeling to me and

83

00:12:56,660 --> 00:12:52,290

actually didn't know every digital

84

00:12:59,479 --> 00:12:56,670

camera that's got filtered it UV light I

85

00:13:02,329 --> 00:12:59,489

are like infrared light our eyes can

86

00:13:04,579 --> 00:13:02,339

only see in the minutes back and we

87

00:13:06,619 --> 00:13:04,589

can't see the fire ends of it so we do

88

00:13:08,900 --> 00:13:06,629

through the camera has got a filter to

89

00:13:10,429 --> 00:13:08,910

bring those lights into the spectrum

90

00:13:12,829 --> 00:13:10,439

that we could see so when you take a

91

00:13:15,590 --> 00:13:12,839

picture that's what you see is what your

92

00:13:19,069 --> 00:13:15,600

eyes can see well this camera has had

93

00:13:20,479 --> 00:13:19,079

the filter taken out so you see that

94

00:13:23,869 --> 00:13:20,489

that's why I spent a rectal and that's

95

00:13:26,030 --> 00:13:23,879

perfectly like that myself and dormant

96

00:13:27,319 --> 00:13:26,040

down the wrong I should tell us the

97

00:13:28,189 --> 00:13:27,329

story all right thought he was feeding

98

00:13:29,780 --> 00:13:28,199

on the county yeah

99

00:13:33,049 --> 00:13:29,790

what happened was people but we posted

100

00:13:34,939 --> 00:13:33,059

those - he's from that's great so I've

101  
00:13:38,989 --> 00:13:34,949  
never been that nothing walked in signed

102  
00:13:42,559 --> 00:13:38,999  
up I had a sense we knew Sarah she wants

103  
00:13:43,970 --> 00:13:42,569  
me to follow her in all different

104  
00:13:48,350 --> 00:13:43,980  
directions and she was telling me about

105  
00:13:50,809 --> 00:13:48,360  
the boy that was buried with her so I

106  
00:13:52,579 --> 00:13:50,819  
actually asked her to take me to your

107  
00:13:55,519 --> 00:13:52,589  
grave there's awesome exactly what you

108  
00:13:57,530 --> 00:13:55,529  
don't know I did see her and she took me

109  
00:13:58,340 --> 00:13:57,540  
to this grave and on the grave was her

110  
00:14:04,090 --> 00:13:58,350  
name's Sarah

111  
00:15:31,269 --> 00:15:30,410  
yeah you can see to it so I just pick up

112  
00:15:34,730 --> 00:15:31,279  
on anything

113  
00:15:37,430 --> 00:15:34,740

yeah this there's a lot in that but then

114

00:15:39,949 --> 00:15:37,440

again it's like a lot places we lose

115

00:15:41,420 --> 00:15:39,959

somewhere yeah she does in a good spirit

116

00:15:43,819 --> 00:15:41,430

in yeah

117

00:15:47,720 --> 00:15:43,829

now we went there every weeks mark I'm

118

00:15:49,760 --> 00:15:47,730

coming across those wires and I was

119

00:15:52,180 --> 00:15:49,770

picking things up obviously when you've

120

00:15:54,140 --> 00:15:52,190

got public

121

00:15:56,210 --> 00:15:54,150

tell them what you're hearing what

122

00:15:58,430 --> 00:15:56,220

you're seeing if they're not seeing it

123

00:16:01,310 --> 00:15:58,440

as well so it can be hard to be gone

124

00:16:03,470 --> 00:16:01,320

apparently event so we do try and do a

125

00:16:04,940 --> 00:16:03,480

lot got a lot of equipment before

126  
00:16:07,850 --> 00:16:04,950  
tonight maybe chocolate someone later

127  
00:16:22,010 --> 00:16:07,860  
brevin something go out so we've got

128  
00:16:51,200 --> 00:16:22,020  
spirit box yeah we're going to try and

129  
00:16:58,720 --> 00:16:51,210  
do that with the you have to use no

130  
00:17:14,000 --> 00:17:01,370  
you see that it does appeal into the

131  
00:17:15,950 --> 00:17:14,010  
little face you go to the next one maybe

132  
00:17:17,720 --> 00:17:15,960  
once understand that's why go to the

133  
00:17:19,820 --> 00:17:17,730  
cobia this is a horrible picture of me

134  
00:17:24,080 --> 00:17:19,830  
guys right it's just saying but what

135  
00:17:26,720 --> 00:17:24,090  
happened was we were in dubbing them

136  
00:17:29,380 --> 00:17:26,730  
pass over me I can't have it spirit

137  
00:17:32,470 --> 00:17:29,390  
touching my face

138  
00:17:35,450 --> 00:17:32,480

all I said was it you know I feel like

139

00:17:45,440 --> 00:17:35,460

someone should put a mask for me into

140

00:17:52,680 --> 00:17:45,450

the picture are about felt like give me

141

00:18:14,170 --> 00:18:10,780

it was horrific pictures I want to go

142

00:18:16,260 --> 00:18:14,180

with that one redwood I guess with us on

143

00:18:21,820 --> 00:18:16,270

that night I was taking pictures

144

00:18:24,970 --> 00:18:21,830

infrared against one of the guests has

145

00:18:26,920 --> 00:18:24,980

to use the camera and she took three

146

00:18:28,810 --> 00:18:26,930

pictures click click click as fast as

147

00:18:30,610 --> 00:18:28,820

you could take him and where you see

148

00:18:33,040 --> 00:18:30,620

that there was a bit of a Squatch and

149

00:18:35,580 --> 00:18:33,050

you be sort of me the next two pictures

150

00:18:39,280 --> 00:18:35,590

the next one was a bit clearer and the

151  
00:18:40,900 --> 00:18:39,290  
next one was a prophet like I thought it

152  
00:18:42,550 --> 00:18:40,910  
was a Muji north of the wall I

153  
00:18:48,010 --> 00:18:42,560  
understood more there than she just went

154  
00:19:22,070 --> 00:18:48,020  
click click click an exactly the same at

155  
00:19:22,080 --> 00:20:05,280  
well there's nothing

156  
00:20:14,970 --> 00:20:07,380  
and again there's nothing to me like

157  
00:20:23,690 --> 00:20:14,980  
there's no notes explain that that was

158  
00:20:30,200 --> 00:20:23,700  
quite good in this Lane is in there yeah

159  
00:20:34,260 --> 00:20:30,210  
that was that was when we had a lot of

160  
00:20:38,010 --> 00:20:34,270  
sounds going on in this whatever

161  
00:20:47,580 --> 00:20:38,020  
and it's actually horse hooves have cart

162  
00:20:50,549 --> 00:20:47,590  
wheels people who don't normally here

163  
00:21:06,410 --> 00:20:50,559

usually prefer that actually hear that

164

00:21:21,419 --> 00:21:09,090

this is here this is a house we've got

165

00:21:29,310 --> 00:21:21,429

called in because a lady's having this

166

00:21:30,990 --> 00:21:29,320

Teddy there's no motion sensors in the

167

00:21:33,360 --> 00:21:31,000

leader lights up if somebody walked past

168

00:21:35,790 --> 00:21:33,370

it well the other lights and the arms

169

00:21:40,250 --> 00:21:35,800

and the feet light up if there's EMF

170

00:21:46,220 --> 00:21:42,860

I went upstairs and we have cameras

171

00:21:49,430 --> 00:21:46,230

going off try taking pictures you found

172

00:21:52,210 --> 00:21:49,440

this to be really really weird but we

173

00:21:56,000 --> 00:21:52,220

have all these lights

174

00:21:58,220 --> 00:21:56,010

attendee I mean we can't really explain

175

00:22:02,840 --> 00:21:58,230

what it is but we thought right maybe it

176  
00:22:10,270 --> 00:22:02,850  
was to do the cameras but then as I'm

177  
00:22:24,409 --> 00:22:14,539  
ya know you see above my head

178  
00:22:26,570 --> 00:22:24,419  
it'll linked up which you couldn't think

179  
00:22:27,350 --> 00:22:26,580  
you can see until I actually walk down

180  
00:22:28,610 --> 00:22:27,360  
the stairs

181  
00:22:31,039 --> 00:22:28,620  
that's over some fiction went on the

182  
00:22:34,390 --> 00:22:31,049  
page you'll see the teleport follow me

183  
00:22:36,799 --> 00:22:34,400  
down the stairs and this is what this is

184  
00:22:39,530 --> 00:22:36,809  
which obviously comes from the child's

185  
00:22:43,610 --> 00:22:39,540  
room because that was where the Teddy

186  
00:22:46,760 --> 00:22:43,620  
and beanie so we did not capture Teddy

187  
00:22:54,860 --> 00:22:46,770  
slightly multiple times we found that

188  
00:23:12,380 --> 00:22:54,870

there's a child that in one kind of

189

00:23:18,799 --> 00:23:12,390

house he came to watch me on some small

190

00:23:21,650 --> 00:23:18,809

thing yeah yeah he wanted a message

191

00:23:23,419 --> 00:23:21,660

given to someone in the street so he

192

00:23:26,900 --> 00:23:23,429

actually came through it was quite nice

193

00:23:28,940 --> 00:23:26,910

to help pass the message on with his

194

00:23:31,450 --> 00:23:28,950

little the child that was there as well

195

00:23:34,539 --> 00:23:31,460

was apparently a child

196

00:23:36,459 --> 00:23:34,549

that is a few years before actually in

197

00:23:39,430 --> 00:23:36,469

the house and that's this is why I think

198

00:23:44,739 --> 00:23:39,440

is the new lights as we do know we find

199

00:23:46,659 --> 00:23:44,749

it got old city see pale blue I always

200

00:23:49,869 --> 00:23:46,669

find a more neutral zone and more things

201  
00:23:51,940 --> 00:23:49,879  
about black gloss we don't need to get

202  
00:23:54,070 --> 00:23:51,950  
made officers away which we don't want

203  
00:23:57,519 --> 00:23:54,080  
this is not a night

204  
00:23:59,019 --> 00:23:57,529  
well I do think the blue lights is

205  
00:24:16,570 --> 00:23:59,029  
actually the child is coming down with

206  
00:24:18,999 --> 00:24:16,580  
us actually yeah yeah I had to liquidate

207  
00:25:25,630 --> 00:24:19,009  
you surrounded up she came to me a

208  
00:26:31,970 --> 00:26:30,620  
so it's not human we have some and we

209  
00:26:36,320 --> 00:26:31,980  
actually have our hands on it

210  
00:26:39,860 --> 00:26:36,330  
actually actually started breathing that

211  
00:26:44,050 --> 00:26:39,870  
there's something inside is moving on

212  
00:26:47,060 --> 00:26:44,060  
the stethoscope it also asked the doctor

213  
00:26:51,250 --> 00:26:47,070

he was present there was anybody that

214

00:26:56,000 --> 00:26:51,260

bill that he could help severe trouble

215

00:26:58,490 --> 00:26:56,010

27 function by three times on command to

216

00:27:00,530 --> 00:26:58,500

moved towards in it yeah with us all I

217

00:27:03,790 --> 00:27:00,540

mean all hands on it and at the same

218

00:27:06,140 --> 00:27:03,800

time was pulsing like a heartbeat

219

00:27:37,659 --> 00:27:06,150

like I said on there that itself wasn't

220

00:27:44,959 --> 00:27:42,709

this is this is them in the setup in

221

00:27:50,319 --> 00:27:44,969

this warehouse I've heard the paranormal

222

00:28:18,709 --> 00:28:11,779

this is the mihrab just on the back of

223

00:28:20,989 --> 00:28:18,719

the shop maybe just taking runs and

224

00:28:24,859 --> 00:28:20,999

pictures around and it was until a few

225

00:28:31,099 --> 00:28:24,869

days later but actually in yeah you can

226

00:28:33,349 --> 00:28:31,109

actually see the man's face yeah yeah

227

00:28:36,139 --> 00:28:33,359

yeah we do do spray we do a lot of

228

00:28:39,199 --> 00:28:36,149

spraying with public we have lots of

229

00:28:41,539 --> 00:28:39,209

pictures of the spraying it's quite hard

230

00:28:46,219 --> 00:28:41,549

to see and there she stands in front of

231

00:28:48,049 --> 00:28:46,229

it to take pictures of it but in the

232

00:28:55,759 --> 00:28:48,059

spirit house where we don't missus cry

233

00:28:56,779 --> 00:28:55,769

you now yeah we're describes anybody

234

00:29:00,409 --> 00:28:56,789

ever try sprayed

235

00:29:04,459 --> 00:29:00,419

yeah yeah those who have it described is

236

00:29:07,539 --> 00:29:04,469

basically you're looking to a clear

237

00:29:14,169 --> 00:29:07,549

objective never doing water or anything

238

00:29:17,830 --> 00:29:16,029

when you're looking missus favorite

239

00:29:30,100 --> 00:29:17,840

actually changes will place to this

240

00:29:32,289 --> 00:29:30,110

third base so when you you're looking to

241

00:29:34,539 --> 00:29:32,299

change it's still read for sometimes you

242

00:29:36,940 --> 00:29:34,549

totally changeable beards and the

243

00:29:39,610 --> 00:29:36,950

stashes you actually looking in the

244

00:29:41,740 --> 00:29:39,620

mirror you're actually changing the

245

00:29:42,909 --> 00:29:41,750

spirit it's there which is quite

246

00:29:44,799 --> 00:29:42,919

interesting it's quite good for the

247

00:29:46,630 --> 00:29:44,809

public to see as well especially for

248

00:29:49,060 --> 00:29:46,640

people who don't see it in here and the

249

00:30:26,049 --> 00:29:49,070

things like that it's really we've got a

250

00:30:28,539 --> 00:30:26,059

lot in the spirit house they all said I

251  
00:30:30,310 --> 00:30:28,549  
was possessed we were using a Ouija

252  
00:30:32,529 --> 00:30:30,320  
board yeah

253  
00:30:37,510 --> 00:30:32,539  
the view point is there are you using

254  
00:30:39,970 --> 00:30:37,520  
particular glass from whilst I was on

255  
00:30:41,409 --> 00:30:39,980  
Ouija board it seemed to be reacting to

256  
00:30:43,870 --> 00:30:41,419  
the questions I was asking so they tell

257  
00:30:47,430 --> 00:30:43,880  
me to continue but while I was

258  
00:30:50,620 --> 00:30:47,440  
continuing you know with my voice change

259  
00:30:52,060 --> 00:30:50,630  
my face down the change they Vitaliy me

260  
00:30:54,039 --> 00:30:52,070  
them to being possessed that I didn't

261  
00:30:54,630 --> 00:30:54,049  
believe them cuz I couldn't he did it to

262  
00:30:57,880 --> 00:30:54,640  
myself

263  
00:30:58,480 --> 00:30:57,890

the only sensation I had was at emia

264

00:31:00,340 --> 00:30:58,490

megalith

265

00:31:02,140 --> 00:31:00,350

there's electric tingling right that we

266

00:31:05,350 --> 00:31:02,150

done the back of my body although my

267

00:31:06,760 --> 00:31:05,360

arms legs at all I think continued the

268

00:31:08,620 --> 00:31:06,770

tingling came through me

269

00:31:11,320 --> 00:31:08,630

almost like an electric current to the

270

00:31:18,580 --> 00:31:11,330

front of me she was your mental would me

271

00:31:22,570 --> 00:31:18,590

to tell it to leave so I did and what I

272

00:31:24,789 --> 00:31:22,580

did I sweat it all the way sadly the

273

00:31:25,680 --> 00:31:24,799

tingling went from head to toe and they

274

00:33:24,590 --> 00:31:25,690

could all see it

275

00:33:39,450 --> 00:33:26,940

it sounds in the mood to buy because

276

00:33:41,880 --> 00:33:39,460

actually story I just had the message a

277

00:33:48,840 --> 00:33:41,890

week before he died to do realize it's

278

00:33:51,750 --> 00:33:48,850

actually him a few times in different

279

00:33:55,200 --> 00:33:51,760

investigations he's actually comes

280

00:33:57,360 --> 00:33:55,210

through on the Ouija board through the

281

00:34:13,830 --> 00:33:57,370

spirit box through the ports or trying

282

00:34:20,369 --> 00:34:13,840

to give message there's anybody else has

283

00:34:29,849 --> 00:34:20,379

any strange things with as a spirit yeah

284

00:34:40,480 --> 00:34:29,859

why do you want me to start just once I

285

00:35:12,320 --> 00:34:49,250

you can see just some strange

286

00:35:14,840 --> 00:35:12,330

so that's a yes for me I don't know it

287

00:35:16,280 --> 00:35:14,850

was the Ouija boards yeah I would die if

288

00:35:17,720 --> 00:35:16,290

anyone's even gonna recognize this

289

00:35:21,070 --> 00:35:17,730

because I have to actually look it up

290

00:35:27,650 --> 00:35:21,080

right I came to us Watson in it's a do n

291

00:35:32,030 --> 00:35:27,660

q IX OTE right Don coyote it's a

292

00:35:33,740 --> 00:35:32,040

fictitious character he was doing a

293

00:35:36,190 --> 00:35:33,750

for chivalry and he was so good with a

294

00:35:39,650 --> 00:35:36,200

sword he would quite win medals right

295

00:35:42,050 --> 00:35:39,660

whoa oh is that but anyway they said

296

00:35:44,420 --> 00:35:42,060

buddy who's gonna be the coolest because

297

00:35:48,110 --> 00:35:44,430

this video is oh yeah whose look at the

298

00:35:49,700 --> 00:35:48,120

ghouls and I met Gary Gary Gary um my

299

00:35:51,080 --> 00:35:49,710

mother's palace it alright we get the

300

00:35:54,620 --> 00:35:51,090

message believe on three weeks in a row

301

00:36:01,900 --> 00:35:54,630

yeah so I'm like yeah so what's good

302

00:36:06,890 --> 00:36:05,390

sometimes say it could mean something

303

00:36:10,280 --> 00:36:06,900

totally different it might not be that

304

00:36:12,320 --> 00:36:10,290

that person because someone say the film

305

00:36:13,880 --> 00:36:12,330

character that might be it's like

306

00:36:15,890 --> 00:36:13,890

recognizing that I'm trying to give you

307

00:36:17,810 --> 00:36:15,900

a validation something for that person

308

00:36:40,150 --> 00:36:17,820

so could be that all you get a lot of

309

00:36:44,840 --> 00:36:43,100

but we have had a few way trying to come

310

00:36:46,820 --> 00:36:44,850

in and then let's just say goodbye to

311

00:37:06,940 --> 00:36:46,830

them and move them on because I don't

312

00:37:23,000 --> 00:37:16,160

look it's actually not in demand which

313

00:37:24,980 --> 00:37:23,010

is in southern freaked me out and

314

00:37:29,090 --> 00:37:24,990

there's a lots of spirits going on and

315

00:37:47,750 --> 00:37:29,100

also most all these look like stick

316

00:37:51,470 --> 00:37:47,760

people not being the party they be seen

317

00:37:54,680 --> 00:37:51,480

by so many people and exactly as I saw

318

00:37:56,330 --> 00:37:54,690

them all sorted definitely not like

319

00:38:39,230 --> 00:37:56,340

berries thank you think it was all

320

00:39:36,289 --> 00:39:33,930

it's it's until again I let my leash and

321

00:39:38,940 --> 00:39:36,299

I try to escape Swansea UFO network

322

00:39:41,280 --> 00:39:38,950

running into the night like and every

323

00:39:43,260 --> 00:39:41,290

time I try to escape all these weird

324

00:39:44,760 --> 00:39:43,270

things start happening in the house it's

325

00:39:48,770 --> 00:39:44,770

almost like as if it's an indication

326

00:39:51,990 --> 00:39:48,780

that I'm supposed to be back here

327

00:39:54,180 --> 00:39:52,000

because the number 36 every time I

328

00:39:55,559 --> 00:39:54,190

looked at that god damn clock is 36 with

329

00:40:00,000 --> 00:39:55,569

this passage you know what it means and

330

00:40:01,559 --> 00:40:00,010

it drives me crazy yeah yeah but what

331

00:40:02,460 --> 00:40:01,569

what does it mean up you to the worker

332

00:40:05,339 --> 00:40:02,470

for 12 years

333

00:40:07,770 --> 00:40:05,349

what does 30secs mean and the cat's tail

334

00:40:11,530 --> 00:40:07,780

goes like a fox for no apparent reason

335

00:40:25,330 --> 00:40:15,190

trying to get to which I'd say and trade

336

00:40:27,790 --> 00:40:25,340

a trap every single person here can

337

00:40:29,470 --> 00:40:27,800

actually do what I do it's just

338

00:40:32,080 --> 00:40:29,480

children if you think it shows are a lot

339

00:40:35,080 --> 00:40:32,090  
of children and sis for it and they

340

00:40:39,880 --> 00:40:35,090  
talking a little all the time you talk

341

00:40:41,530 --> 00:40:39,890  
to them they start forgetting and how to

342

00:40:43,990 --> 00:40:41,540  
do it enough when it starts changing

343

00:40:46,870 --> 00:40:44,000  
where you're not believing and it's like

344

00:40:50,020 --> 00:40:46,880  
that where with myself it actually got

345

00:40:53,500 --> 00:40:50,030  
stronger and I was able to see you hear

346

00:40:55,480 --> 00:40:53,510  
things from so young the other thing I

347

00:40:57,580 --> 00:40:55,490  
do is not just spirits I actually see

348

00:40:59,680 --> 00:40:57,590  
things that have happened or I can go

349

00:41:04,570 --> 00:40:59,690  
into a place and I might see what it was

350

00:41:09,070 --> 00:41:04,580  
like before hands like when I was

351  
00:41:10,780 --> 00:41:09,080  
tiniest thing I had my remember was I

352  
00:41:12,670 --> 00:41:10,790  
used to speak to the man in the flow

353  
00:41:15,310 --> 00:41:12,680  
question for me about that

354  
00:41:18,130 --> 00:41:15,320  
I just sitting the girls and talking to

355  
00:41:20,620 --> 00:41:18,140  
him and it turns out he was later than

356  
00:41:21,910 --> 00:41:20,630  
my card was actually looks graveyard and

357  
00:41:24,630 --> 00:41:21,920  
actually the man that you saw in the

358  
00:41:27,670 --> 00:41:24,640  
Turk was actually one of the monks so I

359  
00:41:31,270 --> 00:41:27,680  
used to see him all the time he lives

360  
00:41:34,530 --> 00:41:31,280  
were grateful it like did like you said

361  
00:41:41,260 --> 00:41:37,540  
well I I questioned Austin Charles about

362  
00:41:42,640 --> 00:41:41,270  
a new hood of obstacles and I described

363  
00:41:43,360 --> 00:41:42,650

the experience and he said it was

364

00:41:46,240 --> 00:41:43,370

negative

365

00:41:48,060 --> 00:41:46,250

he said your chakras were putting your

366

00:41:50,620 --> 00:41:48,070

chakras were up to something and it was

367

00:42:03,540 --> 00:41:50,630

being realigned and all that stuff but

368

00:42:10,470 --> 00:42:08,300

that night from back when it says that I

369

00:42:13,580 --> 00:42:10,480

thought he walked into the mooses

370

00:42:20,310 --> 00:42:13,590

picture after reporting to the room I

371

00:42:22,950 --> 00:42:20,320

realized and pulled it back we could see

372

00:42:25,860 --> 00:42:22,960

two figures and all of a sudden I have

373

00:42:27,180 --> 00:42:25,870

this like pounding pushing me down push

374

00:42:29,880 --> 00:42:27,190

me down pushing down till I actually

375

00:42:30,900 --> 00:42:29,890

couldn't speak able to scream I must

376

00:42:34,500 --> 00:42:30,910

have passed out

377

00:42:37,140 --> 00:42:34,510

and when I came around then but the

378

00:42:56,220 --> 00:42:37,150

spirit box on the next day and we

379

00:42:58,980 --> 00:42:56,230

actually asked it for me it was it hid

380

00:43:02,490 --> 00:42:58,990

my arms to my chest and they tried to

381

00:43:04,770 --> 00:43:02,500

scream and it sort of blocked the link

382

00:43:06,090 --> 00:43:04,780

so I couldn't scream and I was just

383

00:43:08,670 --> 00:43:06,100

reaching out it to the point where my

384

00:43:10,410 --> 00:43:08,680

throat was sore and I just thought it's

385

00:43:12,930 --> 00:43:10,420

just easier just to give up I'm I passed

386

00:43:15,210 --> 00:43:12,940

out and I walk up and I can know to call

387

00:43:16,280 --> 00:43:15,220

I just convinced myself that it didn't

388

00:43:33,360 --> 00:43:16,290

happen

389

00:43:35,910 --> 00:43:33,370

I woke up one afternoon and there was an

390

00:43:37,800 --> 00:43:35,920

entity like a black shadow figure next

391

00:43:42,720 --> 00:43:37,810

standing next to the bed and I goes to

392

00:43:44,640 --> 00:43:42,730

the state of all the paralysis so I

393

00:43:46,440 --> 00:43:44,650

again I just went to sleep but when I

394

00:44:21,770 --> 00:43:46,450

woke up and it gone so I don't know if

395

00:44:21,780 --> 00:46:50,780

I mean thinking about if they were wrong

396

00:46:59,520 --> 00:46:56,640

my belief every single one of us is the

397

00:47:02,270 --> 00:46:59,530

dominant dot but if I believe that when

398

00:47:10,370 --> 00:47:02,280

this planet was ready to be inhabited by

399

00:47:13,140 --> 00:47:10,380

any human form and eventually interbred

400

00:47:14,130 --> 00:47:13,150

that's why I'll bring this will be a big

401

00:47:16,410 --> 00:47:14,140

part of it we don't

402

00:47:18,660 --> 00:47:16,420

uses full capacity they still don't

403

00:47:21,329 --> 00:47:18,670

understand reading exactly what those

404

00:47:22,859 --> 00:47:21,339

are in certain places I just think it's

405

00:47:28,230 --> 00:47:22,869

skills that we've all forgotten about

406

00:47:32,819 --> 00:47:28,240

the used on the tomb into it and again

407

00:47:35,160 --> 00:47:32,829

upon the death where the you know where

408

00:47:36,779 --> 00:47:35,170

the surrenders death or whatever in

409

00:47:41,750 --> 00:47:36,789

actual defense um whatever in our body I

410

00:47:44,819 --> 00:47:41,760

think these throw out and pick up on

411

00:47:46,950 --> 00:47:44,829

with its short way you listen you above

412

00:47:48,740 --> 00:47:46,960

radio waves that we can pick up on all

413

00:48:02,099 --> 00:47:48,750

equipment or whatever else I don't know

414

00:48:24,779 --> 00:48:02,109

but because they change do they change

415

00:48:27,390 --> 00:48:24,789

and they they change no I see myself in

416

00:48:29,970 --> 00:48:27,400

places you know about the full of

417

00:48:32,490 --> 00:48:29,980

creatures and just human like diggin

418

00:48:38,100 --> 00:48:32,500

isn't okay it took me a while they're

419

00:48:43,090 --> 00:48:41,320

I'm sorry gentleman back there was

420

00:48:45,490 --> 00:48:43,100

talking about a black shadow thing about

421

00:48:48,130 --> 00:48:45,500

this exact same thing anyway

422

00:48:53,080 --> 00:48:48,140

the room might be over take the picture

423

00:48:58,450 --> 00:48:55,900

misawa's all like very sharp static and

424

00:48:59,980 --> 00:48:58,460

broken I saw myself of the Bobby

425

00:49:15,490 --> 00:48:59,990

chanting you know I'd like to these

426

00:49:32,520 --> 00:49:15,500

things I've been down their house or

427

00:49:36,850 --> 00:49:33,940

sure

428

00:49:38,110 --> 00:49:36,860

I did not start to do what I call my own

429

00:49:41,110 --> 00:49:38,120

I thought I was dreaming

430

00:49:42,460 --> 00:49:41,120

I'm seeing when I came out the next day

431

00:49:45,160 --> 00:49:42,470

if I thought it'd be to my daughter

432

00:49:55,870 --> 00:49:45,170

those guys I actually saw my

433

00:49:58,660 --> 00:49:55,880

granddaughter she's already he was so

434

00:50:01,120 --> 00:49:58,670

sick last night she's sick everyone okay

435

00:50:10,570 --> 00:50:01,130

and that's my first time that that

436

00:50:16,240 --> 00:50:10,580

happened it is pieces immediate acts on

437

00:50:20,350 --> 00:50:16,250

the body experiences she died afterwards

438

00:51:42,290 --> 00:51:39,530

and she was like oh I nearly drowned in

439

00:51:45,590 --> 00:51:42,300

a pool and I like to go to the bottom

440

00:51:47,480 --> 00:51:45,600

very aware of what was done I was told

441

00:51:49,640 --> 00:51:47,490

not to go in and I went in because

442

00:51:52,210 --> 00:51:49,650

everyone else was so as I was floating

443

00:51:54,500 --> 00:51:52,220

down I then started floating up and

444

00:51:56,390 --> 00:51:54,510

hiring hiring to look at the ceiling

445

00:51:57,710 --> 00:51:56,400

yeah and then I was aware that I was

446

00:51:59,540 --> 00:51:57,720

gonna go outside of the building so I

447

00:52:01,370 --> 00:51:59,550

was really kind of quite a bit worried

448

00:52:04,010 --> 00:52:01,380

but I can see this can crowd on the

449

00:52:06,350 --> 00:52:04,020

floor on the side the fool yeah and a

450

00:52:08,180 --> 00:52:06,360

lot of people and all of a sudden I was

451  
00:52:09,860 --> 00:52:08,190  
did not want to go any further

452  
00:52:12,710 --> 00:52:09,870  
cuz I felt very uncomfortable and this

453  
00:52:14,080 --> 00:52:12,720  
didn't feel right and then there I was

454  
00:52:17,900 --> 00:52:14,090  
underneath this crowd of people

455  
00:52:18,960 --> 00:52:17,910  
spewing up lots of water but do you lose

456  
00:52:20,849 --> 00:52:18,970  
your kind of conscious

457  
00:52:29,180 --> 00:52:20,859  
lose consciousness is that when you

458  
00:52:33,720 --> 00:52:29,190  
thought New York detaches yeah I mean I

459  
00:52:45,059 --> 00:52:33,730  
was actually seven years old and I was

460  
00:52:46,859 --> 00:52:45,069  
on seventh and eighth note on it because

461  
00:52:49,109 --> 00:52:46,869  
I knew it does something stupid so I

462  
00:52:51,510 --> 00:52:49,119  
took it all on board yeah I use my fault

463  
00:52:52,050 --> 00:52:51,520

if I was naughty I can like this must be

464

00:52:54,180 --> 00:52:52,060

it Tuesday

465

00:52:58,109 --> 00:52:54,190

I wasn't panicking I've seen the rapes

466

00:53:00,390 --> 00:52:58,119

just go over I was calm absolutely calm

467

00:53:02,849 --> 00:53:00,400

until my brother pick me up and pull

468

00:53:05,069 --> 00:53:02,859

yeah then also makes it look come to and

469

00:53:07,710 --> 00:53:05,079

that's when the panic but it was just

470

00:53:09,569 --> 00:53:07,720

capsule yeah I don't know Baxter Carlo

471

00:53:11,099 --> 00:53:09,579

because I think you speak to a lot of

472

00:53:12,990 --> 00:53:11,109

people about same things it's similar

473

00:53:15,599 --> 00:53:13,000

type experiences it's just like very

474

00:53:17,579 --> 00:53:15,609

calm and you actually see these things I

475

00:53:19,559 --> 00:53:17,589

don't believe it happens like if you

476  
00:53:21,569 --> 00:53:19,569  
imagine I read everything that happens

477  
00:53:23,309 --> 00:53:21,579  
could you speak to a lot of people and

478  
00:53:25,680 --> 00:53:23,319  
they say the same things I think I

479  
00:53:27,510 --> 00:53:25,690  
really do I scientists are excited

480  
00:53:30,030 --> 00:53:27,520  
respect was well he didn't experiment

481  
00:53:32,400 --> 00:53:30,040  
untucked a really high shelf but when I

482  
00:53:35,910 --> 00:53:32,410  
see you yeah and what would something

483  
00:53:37,980 --> 00:53:35,920  
everyone respond to money super 20 pom

484  
00:53:40,020 --> 00:53:37,990  
walked on that I need Chris people would

485  
00:53:42,510 --> 00:53:40,030  
died and come back he said there's a

486  
00:53:43,620 --> 00:53:42,520  
seventy three percent rate which I just

487  
00:53:50,180 --> 00:53:43,630  
think it's amazing because you thought

488  
00:53:57,049 --> 00:53:54,799

oh yeah essentially most studies me dump

489

00:54:00,620 --> 00:53:57,059

it could be Sun definitely probably yeah

490

00:54:02,539 --> 00:54:00,630

I know I told you that I really just

491

00:54:04,130 --> 00:54:02,549

happen twice our ovens many lots of

492

00:54:06,410 --> 00:54:04,140

people said is thinning you'll say

493

00:54:33,890 --> 00:54:06,420

exactly the same thing it will have this

494

00:54:37,029 --> 00:54:33,900

carbon this is a cross because it was

495

00:54:44,210 --> 00:54:37,039

the be topless remove us from our body

496

00:54:48,170 --> 00:54:44,220

that's romantic experience I like to

497

00:54:50,660 --> 00:54:48,180

something so the audio is good I joined

498

00:54:52,599 --> 00:54:50,670

this say the boats do gonna attack

499

00:54:56,329 --> 00:54:52,609

talking boys that were you gonna sail

500

00:55:01,640 --> 00:54:56,339

around gonna the Spain portico come back

501  
00:55:04,000 --> 00:55:01,650  
and let me across the docks I was lying

502  
00:55:06,920 --> 00:55:04,010  
in my bunk were like that after all I

503  
00:55:09,349 --> 00:55:06,930  
wonder what would happen then we'll

504  
00:55:11,750 --> 00:55:09,359  
assume that this image of the boat

505  
00:55:13,339 --> 00:55:11,760  
Hitler a tin box ha

506  
00:55:15,890 --> 00:55:13,349  
that's strange why would rocks the

507  
00:55:19,220 --> 00:55:15,900  
entity so anyway I don't think back on

508  
00:55:22,220 --> 00:55:19,230  
that and about three months later then

509  
00:55:25,039 --> 00:55:22,230  
we actually left Gloucester we sailed

510  
00:55:30,980 --> 00:55:25,049  
down on the Bristol Channel we'd come up

511  
00:55:34,160 --> 00:55:30,990  
to Swansea open in Swansea and the bunch

512  
00:55:37,190 --> 00:55:34,170  
of guys it's a kind of long a sort of

513  
00:55:39,380 --> 00:55:37,200

thing but we might put a few couple of

514

00:55:42,950 --> 00:55:39,390

jumped on the side boat and it is about

515

00:55:45,279 --> 00:55:42,960

eight of us to jump off off the bow on

516

00:55:47,539 --> 00:55:45,289

throw to be talking about a 25-foot drop

517

00:55:48,980 --> 00:55:47,549

but the boat was going like this all the

518

00:55:51,339 --> 00:55:48,990

time let's break it up it took about

519

00:55:57,109 --> 00:55:51,349

five minutes about to be macho basically

520

00:55:57,710 --> 00:55:57,119

I do cuz I'm a surfer I know what to

521

00:56:00,859 --> 00:55:57,720

look for

522

00:56:02,579 --> 00:56:00,869

I didn't with the state of the sea so I

523

00:56:05,009 --> 00:56:02,589

use it all lacks knowledge

524

00:56:07,109 --> 00:56:05,019

you know the neighbors and I say like

525

00:56:11,009 --> 00:56:07,119

come on the boats over like that jump so

526

00:56:12,900 --> 00:56:11,019

at the time people jump in just about it

527

00:56:14,549 --> 00:56:12,910

impossible to say and are either making

528

00:56:16,170 --> 00:56:14,559

the sale you have a fight get all that

529

00:56:19,370 --> 00:56:16,180

off and there's three of us left on the

530

00:56:21,839 --> 00:56:19,380

on the bow of the boat I said right okay

531

00:56:23,789 --> 00:56:21,849

gotta time it now because the boat was

532

00:56:26,999 --> 00:56:23,799

breaking up a lot it was only like that

533

00:56:29,969 --> 00:56:27,009

I said so I said right we gotta go jump

534

00:56:31,859 --> 00:56:29,979

and the girl says B says I can't except

535

00:56:35,700 --> 00:56:31,869

no you got no choice you've got to jump

536

00:56:38,609 --> 00:56:35,710

today I jumped off the boat as I learned

537

00:56:41,339 --> 00:56:38,619

it the boat had gone back like that the

538

00:56:43,709 --> 00:56:41,349

water was coming through and the first

539

00:56:46,559 --> 00:56:43,719

person I came to be in the dream was

540

00:56:49,650 --> 00:56:46,569

going going in the water and the water

541

00:56:52,289 --> 00:56:49,660

put her arms up so we're not that's a

542

00:56:54,900 --> 00:56:52,299

class I can't go and say that because if

543

00:56:56,459 --> 00:56:54,910

I do I put myself in danger I put other

544

00:56:59,430 --> 00:56:56,469

people in danger I'd say laughter try

545

00:57:01,979 --> 00:56:59,440

and save me so again I got lifeguard

546

00:57:03,779 --> 00:57:01,989

traded so smooth the moment I can't do

547

00:57:07,289 --> 00:57:03,789

it but it's all kept alive when she went

548

00:57:09,509 --> 00:57:07,299

and then thought right

549

00:57:13,109 --> 00:57:09,519

the Tigers covered in the sea was rough

550

00:57:13,559 --> 00:57:13,119

right everybody get everybody off the

551  
00:57:16,920 --> 00:57:13,569  
boat

552  
00:57:19,109 --> 00:57:16,930  
oh yeah I thought this was good woman

553  
00:57:21,450 --> 00:57:19,119  
I've been washed down I looked up and

554  
00:57:23,400 --> 00:57:21,460  
the second person in the dream she was

555  
00:57:26,609 --> 00:57:23,410  
on still on the bow of the boat she

556  
00:57:27,539 --> 00:57:26,619  
comes she's wouldn't jump everything

557  
00:57:29,219 --> 00:57:27,549  
about five minutes

558  
00:57:31,709 --> 00:57:29,229  
you're lucky you're looking at it again

559  
00:57:34,589 --> 00:57:31,719  
you're looking up I did it can somebody

560  
00:57:38,849 --> 00:57:34,599  
help but chances are you can't so it

561  
00:57:40,650 --> 00:57:38,859  
goes like okay then so that line is

562  
00:57:41,459 --> 00:57:40,660  
about eight the ten of a standard oxygen

563  
00:57:43,019 --> 00:57:41,469

God God

564

00:57:44,969 --> 00:57:43,029

you know we've got to get out of here

565

00:57:46,979 --> 00:57:44,979

because of the Roxas there was so rough

566

00:57:50,609 --> 00:57:46,989

and we have to climb up the cliff face

567

00:57:53,870 --> 00:57:50,619

basically to get safety now it came to

568

00:58:00,059 --> 00:57:53,880

this gully and I've been back there of

569

00:58:03,059 --> 00:58:00,069

literally sex seven times since and I'd

570

00:58:05,999 --> 00:58:03,069

say this guy he was 20 foot wide 15 to

571

00:58:08,849 --> 00:58:06,009

20 foot wide on the day it was about

572

00:58:11,759 --> 00:58:08,859

eight foot and we could jump across for

573

00:58:13,769 --> 00:58:11,769

months a leg Ally to the other we've

574

00:58:14,549 --> 00:58:13,779

even thought about doing it every time

575

00:58:15,330 --> 00:58:14,559

we were down there

576

00:58:17,400 --> 00:58:15,340

even Christ

577

00:58:20,100 --> 00:58:17,410

nice to jump across ass it's just

578

00:58:22,110 --> 00:58:20,110

impossible but for me to give away but

579

00:58:24,960 --> 00:58:22,120

on the day of question it was actually a

580

00:58:27,780 --> 00:58:24,970

big launch earlier on the rock and some

581

00:58:30,180 --> 00:58:27,790

you'd follow us at today and I was alas

582

00:58:32,640 --> 00:58:30,190

is to us now the Larson's jump across

583

00:58:34,920 --> 00:58:32,650

surgery of course because because the

584

00:58:36,390 --> 00:58:34,930

Tigers the waves are coming in it was

585

00:58:39,030 --> 00:58:36,400

you know he's washing through so you

586

00:58:40,710 --> 00:58:39,040

have to take your time and time it so I

587

00:58:41,850 --> 00:58:40,720

did was dropping back to jump across and

588

00:58:43,950 --> 00:58:41,860

get the safety

589

00:58:48,090 --> 00:58:43,960

so he's two of us now we jumped across

590

00:58:51,060 --> 00:58:48,100

and as we jumped across guys put on DUP

591

00:58:55,740 --> 00:58:51,070

and I felt water just big wave come over

592

00:58:57,000 --> 00:58:55,750

we all rest like you know hang on so

593

00:58:59,160 --> 00:58:57,010

hang on to that I hung on to that

594

00:59:02,730 --> 00:58:59,170

Mexican I've dragged over literally 30

595

00:59:06,090 --> 00:59:02,740

to 40 foot the rocks we're down in water

596

00:59:08,810 --> 00:59:06,100

sinner fists alright okay alright I know

597

00:59:11,370 --> 00:59:08,820

my I am little swam back out too

598

00:59:16,860 --> 00:59:11,380

so you get something floating basically

599

00:59:18,900 --> 00:59:16,870

to help me and I try to swim into the

600

00:59:21,090 --> 00:59:18,910

rocks swim in to climb up again and

601  
00:59:22,740 --> 00:59:21,100  
still too rough so I swam back out or

602  
00:59:25,320 --> 00:59:22,750  
all the time I was quite aware what was

603  
00:59:27,540 --> 00:59:25,330  
going on looking you know I see what

604  
00:59:29,730 --> 00:59:27,550  
there's any other stuff to hang onto it

605  
00:59:30,300 --> 00:59:29,740  
with bet what I thought I was holding

606  
00:59:32,760 --> 00:59:30,310  
onto

607  
00:59:34,980 --> 00:59:32,770  
I could see all the people of make up on

608  
00:59:37,080 --> 00:59:34,990  
the on the cliff because he might climb

609  
00:59:39,210 --> 00:59:37,090  
up yeah I know it's all pointed to me

610  
00:59:42,650 --> 00:59:39,220  
there's a helicopter above you know

611  
00:59:45,780 --> 00:59:42,660  
beneath it nobody went in gear so I

612  
00:59:49,850 --> 00:59:45,790  
didn't realize I got wedged up go take

613  
00:59:53,520 --> 00:59:49,860

it on top to the on top of the cliff and

614

00:59:55,620 --> 00:59:53,530

I did I'd say at the time I didn't know

615

00:59:57,540 --> 00:59:55,630

that the guy I got swept off with was

616

01:00:04,440 --> 00:59:57,550

the last person that won't be up in the

617

01:00:05,010 --> 01:00:04,450

thing that he died it up yeah this is

618

01:00:08,460 --> 01:00:05,020

what I get

619

01:00:10,350 --> 01:00:08,470

what again to eyes I've done a solo

620

01:00:12,720 --> 01:00:10,360

Facebook ad but what are these groups

621

01:00:15,390 --> 01:00:12,730

acts do something similar like you know

622

01:00:20,070 --> 01:00:15,400

post a picture so I just posted a

623

01:00:22,770 --> 01:00:20,080

picture of my face as it is and it was

624

01:00:25,580 --> 01:00:22,780

the it was straight for this girl but I

625

01:00:31,770 --> 01:00:28,800

it's a little boy there it's a little

626

01:00:33,240 --> 01:00:31,780

boy look enough over you and he said oh

627

01:00:34,110 --> 01:00:33,250

it's name is it something to do it then

628

01:00:36,450 --> 01:00:34,120

you think it is

629

01:00:38,970 --> 01:00:36,460

I haven't told her anything nothing

630

01:00:41,400 --> 01:00:38,980

whatsoever and I said although I told

631

01:00:43,140 --> 01:00:41,410

her I said well I got shipwrecked and I

632

01:00:45,900 --> 01:00:43,150

thought you know I dragged over rocks

633

01:00:48,840 --> 01:00:45,910

about 30 30 40 feet and there's no way

634

01:00:51,240 --> 01:00:48,850

if I he's got no rocks is for me I'd be

635

01:00:55,260 --> 01:00:51,250

torn to shreds I did have one mark on me

636

01:00:57,090 --> 01:00:55,270

no ma I she said but he was looking

637

01:00:59,250 --> 01:00:57,100

after you at the time and he was the one

638

01:01:02,130 --> 01:00:59,260

that give you that the message is back

639

01:01:06,290 --> 01:01:02,140

to you gonna be okay and you know it's

640

01:01:10,590 --> 01:01:06,300

all it's all that sort of thing now

641

01:01:14,070 --> 01:01:10,600

before I was born my mom and dad my mum

642

01:01:16,680 --> 01:01:14,080

that she gave birth but one of them was

643

01:01:19,290 --> 01:01:16,690

stillborn I have one one site that poor

644

01:01:22,020 --> 01:01:19,300

son died like you know before they were

645

01:01:24,510 --> 01:01:22,030

born and it turns out now that's I've

646

01:01:30,660 --> 01:01:24,520

more less conveys that the child at save

647

01:01:33,650 --> 01:01:30,670

it what a like what my yeah yeah but

648

01:01:37,680 --> 01:01:33,660

there's so many odd things that happens

649

01:01:53,310 --> 01:01:37,690

since that you know I think if I like

650

01:01:56,400 --> 01:01:53,320

synchronicities yeah people say oh you

651  
01:01:58,380 --> 01:01:56,410  
make it I didn't you know I say that 10

652  
01:02:01,320 --> 01:01:58,390  
people are thinking well I think maybe I

653  
01:02:04,550 --> 01:02:01,330  
just use my knowledge but will become

654  
01:02:15,550 --> 01:02:04,560  
when we come back to this country and

655  
01:03:20,890 --> 01:02:51,280  
so come to me suddenly they get pictures

656  
01:03:27,320 --> 01:03:25,040  
can you stop it the better his diaper

657  
01:03:29,030 --> 01:03:27,330  
stayin always was saying that you're

658  
01:03:30,860 --> 01:03:29,040  
going to be okay and yet in I've got

659  
01:03:33,710 --> 01:03:30,870  
lived through this but can you actually

660  
01:03:44,830 --> 01:03:33,720  
event stuff that's happening let's go

661  
01:03:52,280 --> 01:03:47,960  
what you do where you are and that's my

662  
01:03:55,370 --> 01:03:52,290  
name and you can't change change that

663  
01:04:23,349 --> 01:03:55,380

just that's what I need anybody but I do

664

01:04:31,400 --> 01:04:28,280

it's quite because I don't dream or I

665

01:04:39,670 --> 01:04:31,410

don't think I did but this when I do

666

01:05:47,450 --> 01:05:31,550

but they after you actually left your

667

01:05:49,250 --> 01:05:47,460

body and they feel dream if they were

668

01:06:41,700 --> 01:05:49,260

and if you're tired when you've gone

669

01:06:41,710 --> 01:09:00,600

did you

670

01:09:10,510 --> 01:09:04,140

perhaps in all kind of things Tennessee

671

01:09:15,420 --> 01:09:10,520

have you not the window for us can you

672

01:09:27,670 --> 01:09:15,430

give me I need from the table

673

01:09:46,169 --> 01:09:27,680

the Lord has something to say Rufus

674

01:09:50,320 --> 01:09:48,459

if this is through here that wants to

675

01:10:06,629 --> 01:09:50,330

talk to a family member can you give

676

01:10:34,640 --> 01:10:18,729

Balinese I do want to understand you can

677

01:10:34,650 --> 01:13:18,800

not at fo Griffiths they fill their

678

01:13:18,810 --> 01:13:43,570

please

679

01:14:53,280 --> 01:14:16,190

using our energy you have to be aliens

680

01:16:09,180 --> 01:16:07,080

I do see them sorry

681

01:16:18,060 --> 01:16:09,190

thanks for coming through for us by the

682

01:16:19,880 --> 01:16:18,070

way choosing Jones as funny about angels

683

01:16:22,170 --> 01:16:19,890

coming through because quite often

684

01:16:24,450 --> 01:16:22,180

investigations who get an interaction

685

01:17:48,710 --> 01:16:24,460

and somewhere through the interaction
