The Welsh Triangle

1
00:02:30,380 --> 00:00:51,280

[Music]

2
00:02:32,990 --> 00:02:30,390

right we got mr. Dave Davis here who's

3
00:02:34,910 --> 00:02:33,000

all grown up now who was a pupil at the

4
00:02:56,990 --> 00:02:34,920

school when this incident occurred so

5
00:02:59,390 --> 00:02:57,000

he's gonna come across right someone who

6
00:03:01,670 --> 00:02:59,400

followed this case over the last 40

7
00:03:03,770 --> 00:03:01,680

years might realize and identified me

8
00:03:08,150 --> 00:03:03,780

from having given numerous interviews

9
00:03:09,800 --> 00:03:08,160

over the years despite these interviews

10
00:03:11,930 --> 00:03:09,810

I've never actually done any public

11
00:03:13,370 --> 00:03:11,940

speaking on on the subject so I hope

12
00:03:15,020 --> 00:03:13,380

you'll be with me you know if I start

13
00:03:17,300 --> 00:03:15,030

boarding you just books just start

14

00:03:22,640 --> 00:03:17,310

throwing things and I resent the

15

00:03:25,670 --> 00:03:22,650

implication that I've grown up but 4th

16

00:03:28,190 --> 00:03:25,680

February 1977 anybody who's in the area

17

00:03:30,980 --> 00:03:28,200

yesterday will appreciate the weather

18

00:03:36,170 --> 00:03:30,990

that we had on a particular day it was

19

00:03:40,000 --> 00:03:36,180

abysmal never be in one who's been a

20

00:03:43,400 --> 00:03:40,010

great lover of being cold and wet I

21

00:03:45,350 --> 00:03:43,410

wasn't particularly I wasn't out that

22

00:03:48,740 --> 00:03:45,360

day with the rest of the children while

23

00:03:50,390 --> 00:03:48,750

they were playing football I much

24

00:03:59,630 --> 00:03:50,400

prepared to stay in the classroom read

25

00:04:01,790 --> 00:03:59,640

in doing my own work throughout the day

26

00:04:04,480 --> 00:04:01,800

the children will be coming in from the

27

00:04:06,650 --> 00:04:04,490

playground during break times and

28

00:04:08,930 --> 00:04:06,660

reporting that they've seen something

29

00:04:13,220 --> 00:04:08,940

strange in me in the play field

30

00:04:15,560 --> 00:04:13,230

surrounding the school I've always been

31

00:04:18,890 --> 00:04:15,570

a natural-born skeptic I don't do belief

32

00:04:20,840 --> 00:04:18,900

systems I don't believe in things I even

33

00:04:23,129 --> 00:04:20,850

know what I don't know simple as that

34

00:04:24,990 --> 00:04:23,139

and one thing that I was pretty

35

00:04:29,189 --> 00:04:25,000

at the time was the flying sources

36

00:04:30,149 --> 00:04:29,199

didn't exist at a long fascination with

37

00:04:36,240 --> 00:04:30,159

science fiction

38

00:04:38,959 --> 00:04:36,250

deals with humanity's place in the

39

00:04:41,399 --> 00:04:38,969

future etc and nothing to do with

40

00:04:44,909 --> 00:04:41,409

spaceships coming from Mars and invade

41

00:04:47,189 --> 00:04:44,919

in nothing's like that so the other

42

00:04:50,429 --> 00:04:47,199

natural-born skeptic that I was at the

43

00:04:52,550 --> 00:04:50,439

end of the day I decided that I was

44

00:04:56,159 --> 00:04:52,560

going to debunk this once and for all

45

00:04:59,309 --> 00:04:56,169

talking nonsense so at the end of the

46

00:05:01,439 --> 00:04:59,319

day and the final bell went I walked to

47

00:05:05,490 --> 00:05:01,449

the top playing field which you'll see

48

00:05:07,170 --> 00:05:05,500

when you go there later and there was

49

00:05:12,929 --> 00:05:07,180

absolutely nothing in sight it was

50

00:05:14,820 --> 00:05:12,939

drizzling like mad wind horrible but

51
00:05:16,320 --> 00:05:14,830
despite this and despite the fact that

52
00:05:18,059 --> 00:05:16,330
it was a bit of a quagmire I thought I

53
00:05:20,159 --> 00:05:18,069
wasn't going to get this debunked

54
00:05:22,230 --> 00:05:20,169
properly unless I actually got to the

55
00:05:26,640 --> 00:05:22,240
the location with the children and said

56
00:05:28,409 --> 00:05:26,650
they'd seen something so despite it

57
00:05:30,149 --> 00:05:28,419
being a little bit against the school

58
00:05:32,820 --> 00:05:30,159
rules I thought I'd make my way over the

59
00:05:35,820 --> 00:05:32,830
fence perimeter of the school and cross

60
00:05:41,820 --> 00:05:35,830
a small street well I've only managed to

61
00:05:45,899 --> 00:05:41,830
get my leg over when I've suddenly drawn

62
00:05:48,329 --> 00:05:45,909
to a large object which is appeared from

63
00:05:55,550 --> 00:05:48,339

behind a group of trees which is still

64

00:05:57,540 --> 00:05:55,560

there about 45 feet long silver an

65

00:05:59,399 --> 00:05:57,550

expression I didn't use at the time

66

00:06:01,920 --> 00:05:59,409

because it wasn't in my vocabulary

67

00:06:05,779 --> 00:06:01,930

but the silvery the silver finish had a

68

00:06:10,619 --> 00:06:05,789

pearlescent sort of feel to it it was

69

00:06:12,119 --> 00:06:10,629

almost difficult to focus on but not a

70

00:06:15,240 --> 00:06:12,129

sort of mother-of-pearl mother-of-pearl

71

00:06:17,640 --> 00:06:15,250

effect it had a central dome that

72

00:06:21,990 --> 00:06:17,650

covered the top

73

00:06:24,030 --> 00:06:22,000

they're of the vehicle and a read I

74

00:06:27,960 --> 00:06:24,040

described it at the time as a flashing

75

00:06:29,790 --> 00:06:27,970

light now again not good that wasn't in

76
00:06:31,409 --> 00:06:29,800
my vocabulary at the same time and I'll

77
00:06:34,650 --> 00:06:31,419
correct that now I would say there's

78
00:06:36,180 --> 00:06:34,660
pulsating more than more than flashing

79
00:06:40,100 --> 00:06:36,190
rather than a flash like you'd see on an

80
00:06:43,200 --> 00:06:40,110
emergency vehicle it was more sort of a

81
00:06:50,960 --> 00:06:43,210
very slow that's warm

82
00:06:55,469 --> 00:06:53,700
obviously complete what I saw on the

83
00:07:00,379 --> 00:06:55,479
sighting of the lasted for the matter of

84
00:07:04,020 --> 00:07:00,389
about 10 seconds at the very most and

85
00:07:06,420 --> 00:07:04,030
the object virtually motionless but it

86
00:07:11,460 --> 00:07:06,430
appeared to be given a slight tug in

87
00:07:16,080 --> 00:07:11,470
motion away from the trees and then went

88
00:07:21,629 --> 00:07:16,090

behind the tree trees again now for some

89

00:07:23,670 --> 00:07:21,639

reason my natural curiosity did let me

90

00:07:26,040 --> 00:07:23,680

point out that this time there's no fear

91

00:07:28,260 --> 00:07:26,050

at all in the sight in it was pure

92

00:07:32,629 --> 00:07:28,270

amazement of this thing runs in front of

93

00:07:35,100 --> 00:07:32,639

me but one thing I've never been able to

94

00:07:36,450 --> 00:07:35,110

explain since and it's brought to me

95

00:07:40,890 --> 00:07:36,460

it's more important than the actual

96

00:07:45,860 --> 00:07:40,900

sight in itself to I mean five to 10

97

00:07:48,750 --> 00:07:45,870

seconds and sight in its memorable but

98

00:07:51,779 --> 00:07:48,760

there's also a psychological aspect as

99

00:07:54,689 --> 00:07:51,789

well because I found myself running away

100

00:07:56,580 --> 00:07:54,699

from where I've seen it as I said

101
00:08:00,120 --> 00:07:56,590
there's no fear at all and to this day I

102
00:08:05,129 --> 00:08:00,130
can't explain why I felt the urge to run

103
00:08:07,110 --> 00:08:05,139
away but I the speed at which I moved it

104
00:08:10,680 --> 00:08:07,120
was almost as if my life depended on

105
00:08:12,029 --> 00:08:10,690
that and I keep thinking about this time

106
00:08:14,580 --> 00:08:12,039
and time again over the last 40 years

107
00:08:16,680 --> 00:08:14,590
and the other thing I can think of is

108
00:08:20,850 --> 00:08:16,690
that some sort of suggestion was put

109
00:08:24,159 --> 00:08:20,860
there that I had to get away anyway I

110
00:08:29,279 --> 00:08:24,169
got in the taxi that we

111
00:08:33,480 --> 00:08:29,289
- takes it on from skill and got home

112
00:08:36,550 --> 00:08:33,490
mama they realized I was very agitated I

113
00:08:38,350 --> 00:08:36,560

think I think she described described it

114

00:08:40,329 --> 00:08:38,360

more as frightened but it wasn't it

115

00:08:43,629 --> 00:08:40,339

wasn't frightened it was literally

116

00:08:45,280 --> 00:08:43,639

agitated with what I'd say and the fact

117

00:08:48,340 --> 00:08:45,290

that I've had my world turned up on it

118

00:08:52,569 --> 00:08:48,350

on its end because to me these things

119

00:08:55,840 --> 00:08:52,579

didn't exist Randall Jones people you

120

00:08:59,829 --> 00:08:55,850

mentioned in the talk Brandon Jones pew

121

00:09:05,470 --> 00:08:59,839

had recently retired as the local vet

122

00:09:07,150 --> 00:09:05,480

for the area living on a farm we've been

123

00:09:08,860 --> 00:09:07,160

very well at least my mother did so she

124

00:09:13,230 --> 00:09:08,870

got in touch with him knowing the

125

00:09:16,629 --> 00:09:13,240

interest that that he had in UFOs

126

00:09:19,870 --> 00:09:16,639

so Randall appeared quite quickly and

127

00:09:21,400 --> 00:09:19,880

later on that night we came back down to

128

00:09:24,990 --> 00:09:21,410

the school probably about 6 or 7 o'clock

129

00:09:27,129 --> 00:09:25,000

and evening but by that time it was

130

00:09:31,900 --> 00:09:27,139

totally impossible to get where we'd

131

00:09:34,840 --> 00:09:31,910

seen it is a quagmire and the light had

132

00:09:36,220 --> 00:09:34,850

gone completely so we came down the

133

00:09:37,540 --> 00:09:36,230

following morning with a reporter from

134

00:09:40,660 --> 00:09:37,550

the Western Telegraph called Hugh

135

00:09:44,740 --> 00:09:40,670

Turnbull and managed to get to the spot

136

00:09:49,300 --> 00:09:44,750

where with the object of the pig there's

137

00:09:51,340 --> 00:09:49,310

no evidence that any other vehicle had

138

00:09:54,490 --> 00:09:51,350

been involved like I said the area was

139

00:09:57,460 --> 00:09:54,500

an absolute quagmire and subsequent

140

00:09:59,860 --> 00:09:57,470

investigations with Welsh water or well

141

00:10:02,980 --> 00:09:59,870

no sewage treatment was just further up

142

00:10:05,829 --> 00:10:02,990

the up the hill and the local farmers

143

00:10:09,750 --> 00:10:05,839

revealed that no vehicles of any type of

144

00:10:16,090 --> 00:10:09,760

been in May in that area on the day or

145

00:10:18,699 --> 00:10:16,100

from any time in previous to that day so

146

00:10:21,490 --> 00:10:18,709

a little bit a little bit further

147

00:10:23,650 --> 00:10:21,500

investigation revealed birds near the

148

00:10:26,150 --> 00:10:23,660

site the only physical evidence which

149

00:10:29,960 --> 00:10:26,160

could be taken that there was

150

00:10:33,290 --> 00:10:29,970

something to what we had seen was that a

151
00:10:37,189 --> 00:10:33,300
recently erected and repaired telegraph

152
00:10:39,650 --> 00:10:37,199
pole the cross-section which has been

153
00:10:47,900 --> 00:10:39,660
product dated only a few days earlier

154
00:10:53,600 --> 00:10:47,910
had been not to angle like that from

155
00:10:55,879 --> 00:10:53,610
then it just went crazy the school

156
00:10:57,680 --> 00:10:55,889
erupted into a media circus the the

157
00:11:01,400 --> 00:10:57,690
likes of which amber tree was probably

158
00:11:03,050 --> 00:11:01,410
never seen its it's certainly a

159
00:11:05,420 --> 00:11:03,060
headmaster at Sydney never seen anything

160
00:11:07,660 --> 00:11:05,430
like it because he got to the point in

161
00:11:10,639 --> 00:11:07,670
the amber is that the phone off the hook

162
00:11:13,220 --> 00:11:10,649
decided to put an end to this once and

163
00:11:15,319 --> 00:11:13,230

for all but in that time we'd we'd

164

00:11:18,019 --> 00:11:15,329

attracted media attention all around the

165

00:11:19,939 --> 00:11:18,029

world there were even rumors of going

166

00:11:25,490 --> 00:11:19,949

over to the states to film a documentary

167

00:11:32,170 --> 00:11:25,500

which of course never transpired now 40

168

00:11:35,870 --> 00:11:32,180

years on over over the last 40 years

169

00:11:36,920 --> 00:11:35,880

I've always been referred to as the boys

170

00:11:43,280 --> 00:11:36,930

and small dysplasia

171

00:11:45,980 --> 00:11:43,290

I have never at any time in the last 40

172

00:11:52,429 --> 00:11:45,990

years not then not now ever claimed that

173

00:11:53,150 --> 00:11:52,439

oscillation I saw a UFO it was a flying

174

00:11:55,220 --> 00:11:53,160

object

175

00:11:58,120 --> 00:11:55,230

it was unidentified that's simple as

176

00:12:00,769 --> 00:11:58,130

that if there is a terrestrial

177

00:12:02,179 --> 00:12:00,779

terrestrial explanation for this UFO I'm

178

00:12:04,749 --> 00:12:02,189

quite willing to accept that

179

00:12:07,610 --> 00:12:04,759

but after 14 years of research and

180

00:12:10,910 --> 00:12:07,620

thousands of pounds spent on literature

181

00:12:14,540 --> 00:12:10,920

various other work I am still none the

182

00:12:17,749 --> 00:12:14,550

wiser to what we saw I could go into the

183

00:12:20,809 --> 00:12:17,759

into the little details of how the

184

00:12:26,389 --> 00:12:20,819

theories of how these crafts are powered

185

00:12:32,330 --> 00:12:26,399

how they fly but with regards to the

186

00:12:36,960 --> 00:12:35,130

so I don't want to sensational eyes

187

00:12:40,740 --> 00:12:36,970

things at all and I never have

188

00:12:42,060 --> 00:12:40,750

sensational eyes you've probably you've

189

00:12:45,330 --> 00:12:42,070

probably seen the reports that the

190

00:12:46,920 --> 00:12:45,340

children made at the time now there's

191

00:12:48,990 --> 00:12:46,930

been a few comments that the pictures

192

00:12:50,730 --> 00:12:49,000

weren't all identical in all but you

193

00:12:54,030 --> 00:12:50,740

have to accept as well the children are

194

00:12:56,490 --> 00:12:54,040

notoriously unreliable witnesses if you

195

00:12:58,640 --> 00:12:56,500

if children words with if charmander

196

00:13:00,780 --> 00:12:58,650

what small child words with mr. Klein a

197

00:13:02,880 --> 00:13:00,790

simple robbery by the time the police

198

00:13:04,560 --> 00:13:02,890

get doing that to interview them

199

00:13:06,240 --> 00:13:04,570

afterwards you'll of the robbers and

200

00:13:11,840 --> 00:13:06,250

strike jumpers wearing masks and

201
00:13:16,050 --> 00:13:11,850
carrying guns so they're them certainly

202
00:13:19,140 --> 00:13:16,060
possibly combined with or artistic

203
00:13:24,019 --> 00:13:19,150
talent there was also certainly an

204
00:13:26,130 --> 00:13:24,029
element of understandable juvenile

205
00:13:30,780 --> 00:13:26,140
elaboration that some of the accounts

206
00:13:32,130 --> 00:13:30,790
I'll leave it to you not to to work that

207
00:13:34,200 --> 00:13:32,140
for yourselves when you think that

208
00:13:37,560 --> 00:13:34,210
multiplicative but what you have to

209
00:13:39,420 --> 00:13:37,570
remember is don't look at the

210
00:13:42,810 --> 00:13:39,430
differences between the pictures look at

211
00:13:46,500 --> 00:13:42,820
the similarities give them the fact that

212
00:13:50,150 --> 00:13:46,510
14 children were all put into exam

213
00:13:52,560 --> 00:13:50,160

situations with no chance of

214

00:13:54,150 --> 00:13:52,570

collaborating on a story or a novel or

215

00:13:56,490 --> 00:13:54,160

on the description whatsoever

216

00:13:59,579 --> 00:13:56,500

we have the weekend since the site in

217

00:14:03,300 --> 00:13:59,589

before Monday what we did when we make

218

00:14:05,850 --> 00:14:03,310

these pictures and descriptions but this

219

00:14:08,280 --> 00:14:05,860

was a time when there's no Skype there's

220

00:14:10,710 --> 00:14:08,290

no Facebook mobile phones having come

221

00:14:12,240 --> 00:14:10,720

along and if you wanted that used to

222

00:14:14,250 --> 00:14:12,250

have sprung they even have to have a

223

00:14:16,530 --> 00:14:14,260

damn good reason for your parents and

224

00:14:21,260 --> 00:14:16,540

even then they were year wiggling on

225

00:14:23,520 --> 00:14:21,270

watching you say to your friends so

226

00:14:26,550 --> 00:14:23,530

after we did the duck out of the pages

227

00:14:29,400 --> 00:14:26,560

and the descriptions the headmaster at

228

00:14:35,280 --> 00:14:29,410

school Ralph Llewellyn a lovely very

229

00:14:37,010 --> 00:14:35,290

very strength no-nonsense man I suppose

230

00:14:39,620 --> 00:14:37,020

if you would if you would live

231

00:14:41,990 --> 00:14:39,630

a Victorian teacher a Victorian

232

00:14:46,130 --> 00:14:42,000

headmaster ruff Llewellyn would fit the

233

00:14:51,380 --> 00:14:46,140

bill perfectly quite stressful fantastic

234

00:14:53,900 --> 00:14:51,390

warm sense of humor as well now he had

235

00:14:57,800 --> 00:14:53,910

been skeptical all along but the moment

236

00:15:01,220 --> 00:14:57,810

that he saw the pictures and read the

237

00:15:04,880 --> 00:15:01,230

descriptions his attitude change he

238

00:15:10,130 --> 00:15:04,890

never accepted birds what we saw was a

239

00:15:12,950 --> 00:15:10,140

UFO because he didn't want to but he did

240

00:15:15,140 --> 00:15:12,960

accept that the children had seen

241

00:15:18,350 --> 00:15:15,150

something out of the ordinary but they

242

00:15:20,270 --> 00:15:18,360

couldn't explain the other thing books

243

00:15:22,760 --> 00:15:20,280

have got to accept is that a lot of

244

00:15:25,330 --> 00:15:22,770

suggestions that we made as I said about

245

00:15:29,960 --> 00:15:25,340

tankers wealth water tankers

246

00:15:32,180 --> 00:15:29,970

agricultural equipment most the children

247

00:15:33,860 --> 00:15:32,190

who attended school in broad haven can

248

00:15:37,280 --> 00:15:33,870

provide the cultural backgrounds myself

249

00:15:41,150 --> 00:15:37,290

included any piece of agricultural

250

00:15:43,400 --> 00:15:41,160

equipment silage equipment tankers we'd

251
00:15:47,090 --> 00:15:43,410
have recognized like a short there there

252
00:15:48,290 --> 00:15:47,100
was no there's no possibility that it

253
00:15:51,590 --> 00:15:48,300
could have been anything like that at

254
00:15:53,210 --> 00:15:51,600
all also the fact that sewage hangers

255
00:15:58,190 --> 00:15:53,220
don't tend to hire a 50 feet off the

256
00:16:01,070 --> 00:15:58,200
ground the other suggestion was that it

257
00:16:03,170 --> 00:16:01,080
might possibly have been a helicopter or

258
00:16:05,930 --> 00:16:03,180
I think I've heard a Harrier Jump Jet

259
00:16:07,670 --> 00:16:05,940
mentioned in recent days as well well

260
00:16:09,380 --> 00:16:07,680
besides the noise that a helicopter in

261
00:16:12,680 --> 00:16:09,390
our area John Kerr obviously makes when

262
00:16:15,350 --> 00:16:12,690
taking off a man there we have broadly

263
00:16:16,970 --> 00:16:15,360

on the doorstep and the school had a

264

00:16:20,390 --> 00:16:16,980

very good relationship with poverty

265

00:16:22,910 --> 00:16:20,400

itself in fact I've been two sets of

266

00:16:25,430 --> 00:16:22,920

encyclopedias that we had in in the

267

00:16:28,790 --> 00:16:25,440

school the Encyclopedia Britannica which

268

00:16:30,710 --> 00:16:28,800

was donated by RAF broad day and we also

269

00:16:33,930 --> 00:16:30,720

had a full sentence like

270

00:16:35,880 --> 00:16:33,940

americana which was donated from the US

271

00:16:39,030 --> 00:16:35,890

Naval facility so we had a close

272

00:16:41,760 --> 00:16:39,040

relationship in the base and all the

273

00:16:44,280 --> 00:16:41,770

children we were so familiar with

274

00:16:47,280 --> 00:16:44,290

practically every NATO aircraft in the

275

00:16:50,040 --> 00:16:47,290

sky we were so used to Falcon bombers

276

00:16:51,690 --> 00:16:50,050

flying overhead light men's effort every

277

00:16:54,470 --> 00:16:51,700

type of military hardware that you could

278

00:16:55,740 --> 00:16:54,480

imagine that we we couldn't name it

279

00:16:57,750 --> 00:16:55,750

immediately

280

00:17:00,120 --> 00:16:57,760

Peter Padgett who wrote the Welsh

281

00:17:02,640 --> 00:17:00,130

triangle actually Spectre states in his

282

00:17:06,780 --> 00:17:02,650

book that he arrived with a little bit

283

00:17:09,690 --> 00:17:06,790

of skepticism in his mind on whether we

284

00:17:11,640 --> 00:17:09,700

identified it properly however when he

285

00:17:16,370 --> 00:17:11,650

arrived he had a very very nice sports

286

00:17:19,020 --> 00:17:16,380

car not I've got another common one and

287

00:17:20,510 --> 00:17:19,030

the fact that we identified it

288

00:17:22,770 --> 00:17:20,520

immediately as a Lotus Europa

289

00:17:29,970 --> 00:17:22,780

immediately made in think these kids

290

00:17:34,410 --> 00:17:29,980

know what they what they say the local

291

00:17:36,240 --> 00:17:34,420

community have been very supportive I

292

00:17:40,140 --> 00:17:36,250

will say that there's a lot of

293

00:17:41,820 --> 00:17:40,150

skepticism in the area and possibly that

294

00:17:43,710 --> 00:17:41,830

there possibly stir this and it's not

295

00:17:45,690 --> 00:17:43,720

helped in recent times by the amount of

296

00:17:52,370 --> 00:17:45,700

nonsense that's on the internet about

297

00:17:55,620 --> 00:17:52,380

the UFO subject so and the moment people

298

00:17:58,740 --> 00:17:55,630

think of the word UFO instantly they

299

00:18:01,320 --> 00:17:58,750

think I mean which isn't what is about

300

00:18:05,670 --> 00:18:01,330

it couldn't been an alien I don't know I

301

00:18:07,710 --> 00:18:05,680

honestly can't give you any further

302

00:18:11,760 --> 00:18:07,720

information at this day on that subject

303

00:18:13,830 --> 00:18:11,770

now I'm gonna stop waffling now because

304

00:18:16,530 --> 00:18:13,840

I've actually reached pretty much the

305

00:18:22,020 --> 00:18:16,540

point of what I want to do explain so if

306

00:18:23,610 --> 00:18:22,030

emma nor anybody else would like to any

307

00:18:34,480 --> 00:18:23,620

anything you'd like to be like that that

308

00:18:34,490 --> 00:18:39,430

whatever I'll do some Q&A session but

309

00:18:43,940 --> 00:18:42,680

that that's my counterpart as far as I

310

00:18:45,980 --> 00:18:43,950

can tell you and like I said I'm not

311

00:18:48,710 --> 00:18:45,990

used to public speaking so I hope we

312

00:18:52,760 --> 00:18:48,720

don't mind the posture crack it up now

313

00:18:55,310 --> 00:18:52,770

so I let pass the mic back and hopefully

314

00:18:57,080 --> 00:18:55,320

if you have got any questions that I

315

00:19:00,530 --> 00:18:57,090

haven't covered and I'll be quite happy
