The Broad Haven Conference

1
00:00:00,700 --> 00:00:22,690

[Music]

2
00:00:22,700 --> 00:00:30,560

you

3
00:00:38,010 --> 00:00:35,550

yes Neil hello for myself

4
00:00:40,200 --> 00:00:38,020

how many I'd like to know is dumb

5
00:00:48,840 --> 00:00:40,210

question so bended me how many other

6
00:00:53,229 --> 00:00:50,830

okay thank you

7
00:00:56,110 --> 00:00:53,239

and the other question is these superior

8
00:00:59,049 --> 00:00:56,120

beings which the OCR this will their

9
00:01:01,229 --> 00:00:59,059

craft fair line around in why don't they

10
00:01:04,270 --> 00:01:01,239

actually try to make more intelligent

11
00:01:08,830 --> 00:01:04,280

contact with us Robin are abducting us

12
00:01:10,830 --> 00:01:08,840

or or sightings and why are they hanging

13
00:01:25,090 --> 00:01:10,840

around why don't they just do something

14

00:01:27,969 --> 00:01:25,100

meet I don't think that's an agenda at

15

00:01:31,029 --> 00:01:27,979

all I mean for years a lot of people who

16

00:01:33,580 --> 00:01:31,039

believe that these beings they are

17

00:01:39,010 --> 00:01:33,590

highly advanced they may not necessarily

18

00:01:40,660 --> 00:01:39,020

be as hardly advanced as we think so and

19

00:01:42,999 --> 00:01:40,670

a lot of things say well why don't they

20

00:01:46,359 --> 00:01:43,009

land because they've got absolutely no

21

00:01:48,850 --> 00:01:46,369

interest really in the affairs of Man

22

00:01:51,700 --> 00:01:48,860

that's in my opinion they they have

23

00:01:54,130 --> 00:01:51,710

their influence they still man because

24

00:01:56,649 --> 00:01:54,140

we know looking back to many years how

25

00:01:59,830 --> 00:01:56,659

many visitations manifestations I mean

26

00:02:02,370 --> 00:01:59,840

how would you describe a UFO in 1300 or

27

00:02:05,410 --> 00:02:02,380

whatever and these things have been seen

28

00:02:07,359 --> 00:02:05,420

and we've labeled them in the 20th

29

00:02:09,580 --> 00:02:07,369

century they come from the source of

30

00:02:12,039 --> 00:02:09,590

light sources but that was easy

31

00:02:15,460 --> 00:02:12,049

yeah we we label in the affirmative that

32

00:02:18,130 --> 00:02:15,470

could mean bugger-all really but these

33

00:02:21,310 --> 00:02:18,140

says again in my opinion they've been

34

00:02:23,949 --> 00:02:21,320

here for a long time they're probably as

35

00:02:27,280 --> 00:02:23,959

we were seeing immortal they certainly

36

00:02:30,069 --> 00:02:27,290

have no interest in us generally but

37

00:02:32,080 --> 00:02:30,079

they do utilize man's presence on this

38

00:02:34,509 --> 00:02:32,090

planet and there's a dangerous point

39

00:02:36,280 --> 00:02:34,519

about what's at least of any so many

40

00:02:40,210 --> 00:02:36,290

people I've come across about these

41

00:02:42,610 --> 00:02:40,220

experiences but that small tiny number

42

00:02:43,250 --> 00:02:42,620

of people of course and comparison to

43

00:02:46,009 --> 00:02:43,260

the vigil

44

00:02:47,899 --> 00:02:46,019

the public you just look upon people

45

00:02:50,300 --> 00:02:47,909

like deities and so many others and

46

00:02:51,770 --> 00:02:50,310

think they look stop limiting I mean

47

00:02:56,030 --> 00:02:51,780

notice we get involved in the subject

48

00:03:16,309 --> 00:02:56,040

but we be here for a long time they

49

00:03:20,300 --> 00:03:16,319

don't have to you know somewhere else

50

00:03:22,910 --> 00:03:20,310

well again you know I don't know where

51
00:03:26,660 --> 00:03:22,920
they come from that's more likely they

52
00:03:29,660 --> 00:03:26,670
are welcome to us we are the aliens

53
00:03:32,229 --> 00:03:29,670
because these things these things are

54
00:03:34,960 --> 00:03:32,239
existing what we perceive to be another

55
00:03:38,000 --> 00:03:34,970
dimension of time and that's just a

56
00:03:40,759 --> 00:03:38,010
rough Lee hewed conception because we

57
00:03:42,920 --> 00:03:40,769
can only speak we are with our turkey

58
00:03:44,869 --> 00:03:42,930
conceptions about things that really we

59
00:03:47,210 --> 00:03:44,879
don't understand these things have been

60
00:03:49,370 --> 00:03:47,220
here for a long time a hell of a long

61
00:03:51,830 --> 00:03:49,380
time they don't seem to advance any

62
00:03:54,949 --> 00:03:51,840
further so maybe they're part and parcel

63
00:04:03,170 --> 00:03:54,959

maybe they were put here on earth with

64

00:04:03,180 --> 00:04:16,800

[Music]

65

00:04:25,200 --> 00:04:22,170

a lot of people generally speaking if

66

00:04:27,240 --> 00:04:25,210

you get close to these objects most of

67

00:04:30,780 --> 00:04:27,250

us consider there either malevolent or

68

00:04:33,330 --> 00:04:30,790

benevolence they appear to be benevolent

69

00:04:37,380 --> 00:04:33,340

if you like rather than the Netherlands

70

00:04:40,260 --> 00:04:37,390

most people that get get close to these

71

00:04:42,810 --> 00:04:40,270

sites in fact some people speculated you

72

00:04:45,270 --> 00:04:42,820

see a UFO sighting there isn't

73

00:04:48,330 --> 00:04:45,280

interaction the closer you get the

74

00:04:50,040 --> 00:04:48,340

bigger the interaction and some people

75

00:04:52,620 --> 00:04:50,050

have any interactions and they've

76
00:04:56,210 --> 00:04:52,630
changed completely they their whole life

77
00:05:00,300 --> 00:04:56,220
start speed chase but you do get people

78
00:05:03,840 --> 00:05:00,310
they cannot come to terms with the the

79
00:05:09,210 --> 00:05:03,850
horrifying experiences involving these

80
00:05:09,570 --> 00:05:09,220
things you know it seems to continue to

81
00:05:12,390 --> 00:05:09,580
happen

82
00:05:30,440 --> 00:05:12,400
all the time and they do embark on spit

83
00:05:47,570 --> 00:05:33,570
somebody once said to me all we are is

84
00:05:51,450 --> 00:05:47,580
on the shopping list so if the ladies

85
00:05:54,530 --> 00:05:51,460
you refer to them as advance beers now

86
00:05:58,860 --> 00:05:54,540
that might be the case technologically

87
00:06:00,210 --> 00:05:58,870
however morally if you like to say

88
00:06:04,170 --> 00:06:00,220

spiritually it's not telling that I do

89

00:06:05,850 --> 00:06:04,180

but whatever we're not certain whether

90

00:06:08,730 --> 00:06:05,860

they are a deal it was something that is

91

00:06:12,630 --> 00:06:08,740

morally and spiritually more advanced

92

00:06:14,610 --> 00:06:12,640

than we are we have intelligent species

93

00:06:17,760 --> 00:06:14,620

on this planet that live alongside us

94

00:06:20,400 --> 00:06:17,770

such as dolphins the higher primates

95

00:06:23,520 --> 00:06:20,410

cetera we study them on a daily basis

96

00:06:25,080 --> 00:06:23,530

however I don't believe that anybody has

97

00:06:36,990 --> 00:06:25,090

ever gone up to a dolphin and tried to

98

00:06:41,610 --> 00:06:37,000

explain why we're studying them we we

99

00:06:53,129 --> 00:06:41,620

sadly judge advancement on this planet

100

00:06:56,129 --> 00:06:53,139

as technology but I mean War of the

101
00:06:59,309 --> 00:06:56,139
Worlds we're right at the beginning when

102
00:07:05,100 --> 00:06:59,319
it states that they watched us as we

103
00:07:22,020 --> 00:07:05,110
would watch insects or microbes in this

104
00:07:29,180 --> 00:07:22,030
could be the same situation I honestly

105
00:07:38,909 --> 00:07:33,240
there's almost they have no

106
00:08:03,649 --> 00:07:38,919
consideration with regards that way how

107
00:08:06,740 --> 00:08:03,659
we feel about the situation and people

108
00:08:09,689 --> 00:08:06,750
are generally looked on as being

109
00:08:15,170 --> 00:08:09,699
spiritually died in there's the greys

110
00:08:24,080 --> 00:08:15,180
who range from either malevolent to just

111
00:09:27,050 --> 00:09:09,930
okay and was it was religion something

112
00:09:35,519 --> 00:09:33,000
friend Reverend Reverend Paul legally he

113
00:09:38,880 --> 00:09:35,529

felt the saying about them being demonic

114

00:09:41,910 --> 00:09:38,890

and you know they were a threat to

115

00:09:43,949 --> 00:09:41,920

mankind and but with regular jump you of

116

00:09:47,670 --> 00:09:43,959

course one shouldn't forget that he's

117

00:09:53,699 --> 00:09:47,680

had one or two sightings in Spain which

118

00:09:54,750 --> 00:09:53,709

terrifying and he I'm not surprised that

119

00:09:57,449 --> 00:09:54,760

he went that way

120

00:10:00,540 --> 00:09:57,459

perhaps with prostration practices and

121

00:10:03,470 --> 00:10:00,550

inability to come to terms with

122

00:10:06,569 --> 00:10:03,480

something that he considered maybe not

123

00:10:08,790 --> 00:10:06,579

extraterrestrial but denying I suppose

124

00:10:13,090 --> 00:10:08,800

it is all depends I mean when we went to

125

00:10:15,610 --> 00:10:13,100

see him he was he was insistent

126

00:10:17,829 --> 00:10:15,620

you know reason you you've got to take

127

00:10:22,629 --> 00:10:17,839

communion you've got to get protection

128

00:10:24,280 --> 00:10:22,639

from these things and who knows but

129

00:10:28,269 --> 00:10:24,290

that's the way you went and they did

130

00:10:33,220 --> 00:10:28,279

bernal with his stuff because he was he

131

00:10:35,259 --> 00:10:33,230

was terrified and that's how it wasn't

132

00:10:38,530 --> 00:10:35,269

about cutting robbing you knew him

133

00:10:43,420 --> 00:10:38,540

better than me but that's how some

134

00:10:46,180 --> 00:10:43,430

people perhaps deal with it these folks

135

00:10:48,939 --> 00:10:46,190

many people in the church are like UFO

136

00:11:57,639 --> 00:10:48,949

experiences and they believe Gotham is

137

00:12:01,269 --> 00:11:57,649

demonic well I don't think so because

138

00:12:05,130 --> 00:12:01,279

first of all we mean to rip us when we

139

00:12:10,620 --> 00:12:07,829

and my god that man would have had to

140

00:12:12,630 --> 00:12:10,630

stand up steps because you couldn't have

141

00:12:14,880 --> 00:12:12,640

seen him otherwise I mean I've talked

142

00:12:17,310 --> 00:12:14,890

about somebody seven or eight nine foot

143

00:12:18,509 --> 00:12:17,320

tall and when you sit in the lounge and

144

00:12:23,090 --> 00:12:18,519

you go claps of the window

145

00:12:26,400 --> 00:12:23,100

that's impossible and the thing is I

146

00:12:29,730 --> 00:12:26,410

there was serpent not necessarily in

147

00:12:33,240 --> 00:12:29,740

South Wales but for years the the

148

00:12:36,480 --> 00:12:33,250

sightings of these beings without faces

149

00:12:40,829 --> 00:12:36,490

or silver suited bodies they that they

150

00:12:44,460 --> 00:12:40,839

are lead to UFO history all over the

151
00:12:46,650 --> 00:12:44,470
world and so amazing you know when

152
00:12:51,000 --> 00:12:46,660
somebody comes forward and claims that

153
00:12:53,639 --> 00:12:51,010
he or I think people automatically

154
00:12:56,340 --> 00:12:53,649
assumed it was him a producer but

155
00:12:58,590 --> 00:12:56,350
Pauline Kuhn said I believe you know any

156
00:13:02,160 --> 00:12:58,600
chance to listen to it today but Pauline

157
00:13:05,400 --> 00:13:02,170
comes she said well if that was the case

158
00:13:07,380 --> 00:13:05,410
she said I've asked him what did you see

159
00:13:18,689 --> 00:13:07,390
when you look through the window and he

160
00:13:20,550 --> 00:13:18,699
can't tell me he can't write why but I

161
00:13:24,509 --> 00:13:20,560
mean I'd spoke to the police officers

162
00:13:25,920 --> 00:13:24,519
that went there and there's no doubt

163
00:13:31,889 --> 00:13:25,930

they obviously saw some that was

164

00:13:36,060 --> 00:13:31,899

terrifying and you know sitting areas we

165

00:13:41,790 --> 00:13:36,070

talk about these things but you know if

166

00:13:45,960 --> 00:13:43,439

they seem to do happen and they happen

167

00:13:48,960 --> 00:13:45,970

quite far more freedom than we perhaps

168

00:13:51,060 --> 00:13:48,970

consider but it was the same in

169

00:13:53,670 --> 00:13:51,070

Rendlesham forest when some lunatic said

170

00:13:54,450 --> 00:13:53,680

then he he set fire to a lorry load of

171

00:13:56,579 --> 00:13:54,460

Virgil

172

00:13:59,550 --> 00:13:56,589

which was the result you know but

173

00:14:03,300 --> 00:13:59,560

rubbish but yeah but he's just by the

174

00:14:07,260 --> 00:14:03,310

rich tapestry South Wales folklore there

175

00:14:09,450 --> 00:14:07,270

is me I detected that actually I think

176

00:14:12,180 --> 00:14:09,460

that you look back to the history it's

177

00:14:13,829 --> 00:14:12,190

really interesting by the these these

178

00:14:15,300 --> 00:14:13,839

silver see the entities do can crop up

179

00:14:16,949 --> 00:14:15,310

and then quite often see in twos they

180

00:14:19,320 --> 00:14:16,959

quite often holding a staff between them

181

00:14:21,660 --> 00:14:19,330

they're quite these things do reimagine

182

00:14:23,370 --> 00:14:21,670

I don't know how to explain that but as

183

00:14:25,620 --> 00:14:23,380

I said my was surprising my perfect came

184

00:14:27,810 --> 00:14:25,630

through it very much as a story that was

185

00:14:30,600 --> 00:14:27,820

one that I had to include these things

186

00:14:34,320 --> 00:14:30,610

in I remember having a conversation with

187

00:14:36,480 --> 00:14:34,330

this chap you mention going back some

188

00:14:39,329 --> 00:14:36,490

time now I've been about 15 17 years ago

189

00:14:40,290 --> 00:14:39,339

and I wish I could sit I'm afraid I

190

00:14:41,610 --> 00:14:40,300

don't have my notes from that

191

00:14:44,250 --> 00:14:41,620

conversation with me so I wish I could

192

00:14:46,199 --> 00:14:44,260

say to sit here and say what he said he

193

00:14:47,790 --> 00:14:46,209

was and wasn't responsible for but he

194

00:14:51,600 --> 00:14:47,800

definitely said there was one incident

195

00:14:53,010 --> 00:14:51,610

that he was not responsible for and I

196

00:14:56,730 --> 00:14:53,020

might be tallying with what you're

197

00:15:07,640 --> 00:14:56,740

saying that of course that's not to say

198

00:15:15,210 --> 00:15:12,769

it's it's yeah it's a strange place

199

00:15:17,910 --> 00:15:15,220

there were people there I think in sighs

200

00:15:28,800 --> 00:15:17,920

I don't know I didn't speak to anybody

201
00:15:30,180 --> 00:15:28,810
but but we had some visitors down here

202
00:15:32,640 --> 00:15:30,190
with us from London today and they

203
00:15:40,570 --> 00:15:32,650
wanted to see it and I think the

204
00:15:40,580 --> 00:15:43,889
[Music]

205
00:15:50,639 --> 00:15:47,460
say it's recite he drove down there

206
00:15:53,610 --> 00:15:50,649
they'd be of the lights and a machine

207
00:16:11,160 --> 00:15:53,620
you know to get there it's not easy is

208
00:16:14,819 --> 00:16:11,170
it the reason while I'm walking as a

209
00:16:21,780 --> 00:16:14,829
word at this stage is that the family

210
00:16:25,850 --> 00:16:21,790
that we saw there the that there was but

211
00:16:29,460 --> 00:16:25,860
one of the girls I think or boys was

212
00:16:32,780 --> 00:16:29,470
terminally ill and it was quite

213
00:16:37,139 --> 00:16:32,790

upsetting but they they made us welcome

214

00:16:40,679 --> 00:16:37,149

they told us strange things were

215

00:16:43,829 --> 00:16:40,689

happening there I mean this was like 10

216

00:16:47,040 --> 00:16:43,839

years ago so no doubt saying it before

217

00:16:59,189 --> 00:16:47,050

Haven Hotel whoever takes over that or

218

00:17:00,840 --> 00:16:59,199

ripest and fun starts again but I said

219

00:17:02,850 --> 00:17:00,850

you today about the couple that came out

220

00:17:03,860 --> 00:17:02,860

and were terrified they said they

221

00:17:07,819 --> 00:17:03,870

stopped over

222

00:17:10,280 --> 00:17:07,829

and I think this paper mentioned other

223

00:17:12,710 --> 00:17:10,290

thing we say is maybe it's something to

224

00:17:14,689 --> 00:17:12,720

do with me little bit with not so much

225

00:17:18,439 --> 00:17:14,699

with the property but what the property

226

00:17:25,970 --> 00:17:18,449

occupies you know means so many

227

00:17:28,730 --> 00:17:25,980

questions and very few ones a white

228

00:17:32,960 --> 00:17:28,740

figure in connection with the havenport

229

00:17:36,140 --> 00:17:32,970

hotel which goes back far far before the

230

00:17:38,000 --> 00:17:36,150

events of 1977 this machine it's

231

00:17:41,660 --> 00:17:38,010

normally described as the white lady and

232

00:17:47,330 --> 00:17:41,670

I've been seen in myself birds in broad

233

00:17:54,919 --> 00:17:47,340

daylight she's she's a major part of it

234

00:17:56,330 --> 00:17:54,929

so I mean this like like speakers

235

00:17:58,580 --> 00:17:56,340

mentioned earlier on that there are

236

00:18:02,990 --> 00:17:58,590

certain elements with regards for the

237

00:18:05,660 --> 00:18:03,000

UFO phenomenon where you start crossing

238

00:18:08,090 --> 00:18:05,670

over into what becomes the paranormal

239

00:18:09,799 --> 00:18:08,100

now I get I get really nervous crossing

240

00:18:11,570 --> 00:18:09,809

over into that because as I explained

241

00:18:15,770 --> 00:18:11,580

earlier on I am very scientifically

242

00:18:18,770 --> 00:18:15,780

minded but sitting in the case of the

243

00:18:22,910 --> 00:18:18,780

ripest important case there were things

244

00:18:26,840 --> 00:18:22,920

which bore more resemblance to

245

00:18:38,630 --> 00:18:26,850

poltergeist activity then actually most

246

00:18:39,830 --> 00:18:38,640

people regard as UFO activity and Chuck

247

00:19:10,820 --> 00:18:39,840

has run the place though they're

248

00:20:22,919 --> 00:20:19,139

now it's not the house now I know

249

00:20:25,680 --> 00:20:22,929

certain parts Roman Catholicism do do

250

00:20:27,810 --> 00:20:25,690

understand exorcism um plans in whereas

251
00:20:32,430 --> 00:20:27,820
other what's wrong horses and thumb and

252
00:21:16,680 --> 00:20:32,440
it strictly sort of to do so so there is

253
00:21:51,880 --> 00:21:50,950
for them many people talk about alien

254
00:21:55,330 --> 00:21:51,890
abductions

255
00:21:56,710 --> 00:21:55,340
we can't from my own point of view I

256
00:21:59,860 --> 00:21:56,720
can't prove that an alien abduction

257
00:22:03,100 --> 00:21:59,870
takes place well I can prove through

258
00:22:07,350 --> 00:22:03,110
through through my research is talking

259
00:22:11,320 --> 00:22:07,360
to enough people and the have been on

260
00:22:15,550 --> 00:22:11,330
lonely country road so many cases

261
00:22:17,140 --> 00:22:15,560
involving trucks families people that

262
00:22:20,110 --> 00:22:17,150
have been out for an evening out and

263
00:22:22,690 --> 00:22:20,120

then taking motorists something will

264

00:22:25,600 --> 00:22:22,700

chase them something will interact and

265

00:22:27,700 --> 00:22:25,610

their whole lives will be changed and

266

00:22:31,660 --> 00:22:27,710

immediately after what they consider to

267

00:22:34,240 --> 00:22:31,670

be a UFO encounter it starts a few weeks

268

00:22:35,060 --> 00:22:34,250

later things happen in the house they

269

00:22:37,970 --> 00:22:35,070

see those

270

00:22:43,159 --> 00:22:37,980

what they perceive LIGO but they don't

271

00:22:46,430 --> 00:22:43,169

associate them with the UFO sighting you

272

00:22:48,860 --> 00:22:46,440

know I for years I find original to

273

00:22:51,289 --> 00:22:48,870

believe that surely alien abductions

274

00:22:53,389 --> 00:22:51,299

time time can't take place but when you

275

00:22:57,139 --> 00:22:53,399

speak to people that show you that the

276

00:22:59,180 --> 00:22:57,149

marks and the scars and the physical

277

00:22:59,539 --> 00:22:59,190

things they think that has happened to

278

00:23:02,950 --> 00:22:59,549

them

279

00:23:06,049 --> 00:23:02,960

you obviously treated with far more

280

00:23:09,529 --> 00:23:06,059

seriousness but what people are actually

281

00:23:12,619 --> 00:23:09,539

witnesses and experience generally is

282

00:23:15,830 --> 00:23:12,629

the same throughout all of these if you

283

00:23:20,029 --> 00:23:15,840

like abduction experiences involved

284

00:23:23,180 --> 00:23:20,039

similarly described beings and medical

285

00:23:25,249 --> 00:23:23,190

maladies that follow afterwards and some

286

00:23:28,549 --> 00:23:25,259

of them are quite serious somebody once

287

00:23:33,080 --> 00:23:28,559

said to me they thought every time

288

00:23:35,950 --> 00:23:33,090

anybody sees a UFO it's a prelude to an

289

00:23:39,169 --> 00:23:35,960

abduction and maybe they're right

290

00:23:42,230 --> 00:23:39,179

maybe they are you know most people get

291

00:23:44,629 --> 00:23:42,240

away with it but people that are very

292

00:23:47,060 --> 00:23:44,639

close to the the energies that these

293

00:23:49,100 --> 00:23:47,070

things give off will report some

294

00:24:02,290 --> 00:23:49,110

horrendous experience

295

00:24:49,030 --> 00:24:37,990

I think if you want to call being able

296

00:24:59,890 --> 00:24:49,040

to cease but how do you determine that

297

00:25:05,320 --> 00:24:59,900

is difficult okay I do I've got I didn't

298

00:25:05,330 --> 00:25:41,580

[Music]

299

00:26:12,349 --> 00:25:50,710

[Applause]

300

00:26:33,029 --> 00:26:28,499

and on John's original Drogheda zeros

301
00:26:38,310 --> 00:26:33,039
like a page of an exercise little sketch

302
00:26:44,090 --> 00:26:38,320
and your report was that long before the

303
00:26:44,100 --> 00:26:52,770
[Music]

304
00:26:52,780 --> 00:27:01,800
it wasn't taking over this pressure

305
00:27:53,410 --> 00:27:49,810
right I mean I believe that I think the

306
00:27:59,440 --> 00:27:53,420
distance between me and their their

307
00:28:03,640 --> 00:27:59,450
sighted on the same gives me a different

308
00:28:09,310 --> 00:28:03,650
perspective on that I wasn't fond of the

309
00:28:12,430 --> 00:28:09,320
group someone who could operate it with

310
00:28:17,890 --> 00:28:12,440
their story right and I was going out

311
00:28:22,480 --> 00:28:17,900
there to prove they were so so the fact

312
00:28:27,310 --> 00:28:22,490
that I had my separate cited that that

313
00:28:32,750 --> 00:28:27,320

does give a and yeah I can approach it

314

00:28:32,760 --> 00:28:53,260

yeah I think just about David was

315

00:28:59,590 --> 00:28:56,510

sharing a story there look like to thank

316

00:29:04,640 --> 00:28:59,600

all my fellow super members Steve

317

00:29:05,660 --> 00:29:04,650

Nathalie salvation Dana might seem Oh

318

00:29:20,830 --> 00:29:05,670

Sean

319

00:29:25,640 --> 00:29:23,540

hopefully I am NOT sir the question yes

320

00:29:27,800 --> 00:29:25,650

I really wanted to see that but they

321

00:29:31,580 --> 00:29:27,810

were pulling rooms which we just did not

322

00:29:35,900 --> 00:29:31,590

the time but later on we got to be

323

00:29:39,440 --> 00:29:35,910

obvious disappoint ever got round to

324

00:29:46,030 --> 00:29:39,450

show you the film on their cardiff pilot

325

00:29:49,370 --> 00:29:46,040

right a few years ago and he you know

326

00:29:54,740 --> 00:29:49,380

tom the same atomic carry public a

327

00:29:59,630 --> 00:29:54,750

McKenna's friend named debris and he

328

00:30:02,270 --> 00:29:59,640

said he was on a run a flight over the

329

00:30:04,820 --> 00:30:02,280

UK and all of a sudden they saw this

330

00:30:07,160 --> 00:30:04,830

object like a steel ball shoot across

331

00:30:09,110 --> 00:30:07,170

the sky terrific speed and stopped dead

332

00:30:11,780 --> 00:30:09,120

in front of the plane so that they

333

00:30:14,090 --> 00:30:11,790

banker playing dive down land and

334

00:30:15,440 --> 00:30:14,100

reported it he said the few months later

335

00:30:20,450 --> 00:30:15,450

he was at

336

00:30:23,120 --> 00:30:20,460

oops and a couple of pieces most harrier

337

00:30:25,280 --> 00:30:23,130

jump jet pilots that they came in and

338

00:30:27,530 --> 00:30:25,290

they were talking in the mess about UFOs

339

00:30:29,900 --> 00:30:27,540

so you went over introduced himself they

340

00:30:31,760 --> 00:30:29,910

sourced got it in with you explain what

341

00:30:33,050 --> 00:30:31,770

happened and they said that's the

342

00:30:34,850 --> 00:30:33,060

biggest kept secret

343

00:30:37,850 --> 00:30:34,860

they said those things are going to come

344

00:30:39,560 --> 00:30:37,860

to you all the time and you said where

345

00:30:43,100 --> 00:30:39,570

the hell did they come from and he said

346

00:30:43,640 --> 00:30:43,110

well the exact words were there's a

347

00:30:45,740 --> 00:30:43,650

mothership

348

00:30:48,740 --> 00:30:45,750

bottom on the channel or the north

349

00:30:49,310 --> 00:30:48,750

sanitizer and these things come at me

350

00:30:54,980 --> 00:30:49,320

all the time

351

00:31:04,740 --> 00:30:54,990

and the same very evening guy would you

352

00:31:13,080 --> 00:31:07,630

[Applause]
