

SWANSEA UFO NETWORK

1
00:00:08,870 --> 00:00:06,789
right we're here today in with church in

2
00:00:10,470 --> 00:00:08,880
cardiff while on the border with church

3
00:00:12,070 --> 00:00:10,480
and clandeuff north

4
00:00:13,190 --> 00:00:12,080
to talk to keith robbins who had an

5
00:00:15,509 --> 00:00:13,200
experience in

6
00:00:17,189 --> 00:00:15,519
in late september 1991

7
00:00:19,189 --> 00:00:17,199
uh me and steve are here today uh to

8
00:00:20,310 --> 00:00:19,199
talk to keith and

9
00:00:23,590 --> 00:00:20,320
keith would you like to tell us what

10
00:00:27,990 --> 00:00:26,070
back in 1991 and me and two of my

11
00:00:29,189 --> 00:00:28,000
friends crystal friends since all this

12
00:00:31,349 --> 00:00:29,199
hallway

13
00:00:35,270 --> 00:00:31,359

we went out to camping when even i had

14

00:00:37,030 --> 00:00:35,280

to nag my parents to death to follow

15

00:00:39,430 --> 00:00:37,040

the tent off my brother because my

16

00:00:42,310 --> 00:00:39,440

brother's birthday on september 9th

17

00:00:45,029 --> 00:00:42,320

and it was a couple of weeks after after

18

00:00:46,470 --> 00:00:45,039

i borrowed this tent so i had to look

19

00:00:49,029 --> 00:00:46,480

after it

20

00:00:51,830 --> 00:00:49,039

anyway we're looking for a camping spot

21

00:00:53,430 --> 00:00:51,840

to think we've got the car parked

22

00:00:55,990 --> 00:00:53,440

just over by where the second tree is

23

00:00:58,229 --> 00:00:56,000

over there

24

00:00:59,510 --> 00:00:58,239

westbourne crescent than with church and

25

00:01:01,189 --> 00:00:59,520

yeah yeah yeah it's the land of

26

00:01:02,069 --> 00:01:01,199

wichita's border

27

00:01:05,109 --> 00:01:02,079

and

28

00:01:06,789 --> 00:01:05,119

um as we as we were looking we just just

29

00:01:08,710 --> 00:01:06,799

on the corner by there this all happened

30

00:01:10,630 --> 00:01:08,720

in two three minutes we've only just

31

00:01:12,390 --> 00:01:10,640

roamed the corner just by there look

32

00:01:14,390 --> 00:01:12,400

looking looking way to

33

00:01:16,390 --> 00:01:14,400

pitch our attendant

34

00:01:18,870 --> 00:01:16,400

and then basically basically but we're

35

00:01:20,870 --> 00:01:18,880

baffled to to where the car's gone

36

00:01:22,789 --> 00:01:20,880

because it all happened so so thing it

37

00:01:25,030 --> 00:01:22,799

was a datsun chatty and we had our

38

00:01:27,109 --> 00:01:25,040

pitbull dog in the back and the and the

39

00:01:29,749 --> 00:01:27,119

tents and

40

00:01:31,749 --> 00:01:29,759

we're walking down the road baffles

41

00:01:34,390 --> 00:01:31,759

completely lost on all what the hell has

42

00:01:36,230 --> 00:01:34,400

just gone on and as as i'm walking

43

00:01:37,749 --> 00:01:36,240

across there

44

00:01:39,670 --> 00:01:37,759

over you can see over there you can see

45

00:01:42,469 --> 00:01:39,680

the mountain tops of the horizon and

46

00:01:43,990 --> 00:01:42,479

above the horizon you could see

47

00:01:46,149 --> 00:01:44,000

i thought they were pink flamingos

48

00:01:48,149 --> 00:01:46,159

flying south for the summer but my two

49

00:01:50,469 --> 00:01:48,159

mates were laughing their heads off and

50

00:01:52,710 --> 00:01:50,479

my one mate said to me he said keeps

51

00:01:55,429 --> 00:01:52,720

their fireflies and then i start

52

00:01:56,870 --> 00:01:55,439

laughing to him but they were

53

00:01:59,109 --> 00:01:56,880

they would i was looking for the

54

00:02:00,550 --> 00:01:59,119

flapping motion on the birds like like

55

00:02:03,030 --> 00:02:00,560

pink flamingos because they were in a

56

00:02:06,069 --> 00:02:03,040

formation of a triangle

57

00:02:09,910 --> 00:02:06,079

they were pink luminous orange

58

00:02:12,869 --> 00:02:09,920

like in a set of a pool game of pool the

59

00:02:14,150 --> 00:02:12,879

triangle bay but like an inch apart and

60

00:02:16,390 --> 00:02:14,160

i could see them go

61

00:02:18,630 --> 00:02:16,400

no noise there was total silence it

62

00:02:20,309 --> 00:02:18,640

wasn't a plane it wasn't an helicopter

63

00:02:23,350 --> 00:02:20,319

then i can verify that with sylvan

64

00:02:26,070 --> 00:02:23,360

salway and mr christopher french

65

00:02:28,309 --> 00:02:26,080

so far away did with these objects um as

66

00:02:30,550 --> 00:02:28,319

we were walking i prefer the dong as you

67

00:02:32,150 --> 00:02:30,560

as you see because the cars disappeared

68

00:02:34,830 --> 00:02:32,160

we're baffled because it all happened

69

00:02:37,509 --> 00:02:34,840

within two two three four minutes

70

00:02:39,270 --> 00:02:37,519

maximum and as we're walking down i

71

00:02:41,670 --> 00:02:39,280

don't think there was as much hedge in

72

00:02:44,150 --> 00:02:41,680

bushes there but if behind that tree

73

00:02:46,150 --> 00:02:44,160

tree line and the houses you could see

74

00:02:48,309 --> 00:02:46,160

all the mountain ridges all that the

75

00:02:50,150 --> 00:02:48,319

backs of the thing

76

00:02:52,070 --> 00:02:50,160

that you could see like the mountain

77

00:02:53,509 --> 00:02:52,080

lion like and they were just

78

00:02:54,949 --> 00:02:53,519

just about there you're looking between

79

00:02:56,710 --> 00:02:54,959

the houses right yeah

80

00:02:58,070 --> 00:02:56,720

if we if we can walk up by here you can

81

00:02:59,110 --> 00:02:58,080

see that right

82

00:03:00,869 --> 00:02:59,120

but like you say

83

00:03:03,430 --> 00:03:00,879

go for it i can't even see it from the

84

00:03:05,190 --> 00:03:03,440

gap by there but all along here and like

85

00:03:07,190 --> 00:03:05,200

you say this it was years ago there

86

00:03:08,790 --> 00:03:07,200

might have been a lot more bushes and

87

00:03:10,229 --> 00:03:08,800

bro

88

00:03:11,990 --> 00:03:10,239

it might be a favorite dog stoner

89

00:03:14,390 --> 00:03:12,000

forever but you could see the horizon of

90

00:03:16,470 --> 00:03:14,400

the mountains if you want if you want to

91

00:03:19,190 --> 00:03:16,480

walk down it's up to you so you've

92

00:03:20,869 --> 00:03:19,200

associated the missing car on the dog

93

00:03:22,949 --> 00:03:20,879

with with the lights

94

00:03:24,869 --> 00:03:22,959

it's it did happen at the same time yeah

95

00:03:27,110 --> 00:03:24,879

it all happened it all unfolded more or

96

00:03:29,030 --> 00:03:27,120

less the car disappeared a couple of

97

00:03:30,789 --> 00:03:29,040

minutes

98

00:03:33,670 --> 00:03:30,799

we were just baffled just standing in

99

00:03:35,030 --> 00:03:33,680

the road and then what shape did you say

100

00:03:37,750 --> 00:03:35,040

the lights were

101
00:03:41,190 --> 00:03:37,760
they were a luminous orangey pink

102
00:03:43,830 --> 00:03:41,200
like a fiery orangey luminous pink

103
00:03:46,470 --> 00:03:43,840
in the formation of a triangle

104
00:03:47,830 --> 00:03:46,480
yeah how many lights about 12 to 15 of

105
00:03:49,750 --> 00:03:47,840
them like you said like a pokemon it was

106
00:03:52,229 --> 00:03:49,760
a fleet a fleet

107
00:03:55,509 --> 00:03:52,239
i thought i thought the alif ali

108
00:03:57,110 --> 00:03:55,519
af base in saint athens i thought it

109
00:03:59,030 --> 00:03:57,120
could be red arrows did that even come

110
00:04:01,030 --> 00:03:59,040
to my mind what time it did there was no

111
00:04:02,630 --> 00:04:01,040
noise or there was no what time of day

112
00:04:05,270 --> 00:04:02,640
was that yeah this was out perhaps one

113
00:04:07,110 --> 00:04:05,280

in the morning was it any sound

114

00:04:08,789 --> 00:04:07,120

sunny was there any sound no song

115

00:04:11,190 --> 00:04:08,799

whatsoever yeah

116

00:04:12,390 --> 00:04:11,200

no i see the car disappeared within a

117

00:04:14,789 --> 00:04:12,400

couple of minutes

118

00:04:16,789 --> 00:04:14,799

yeah three minutes

119

00:04:19,749 --> 00:04:16,799

it was mind-boggling you can't drive

120

00:04:21,909 --> 00:04:19,759

your way no i i i like i said my mates

121

00:04:23,670 --> 00:04:21,919

walked a bit further down unless i

122

00:04:24,870 --> 00:04:23,680

stayed just literally on the corner by

123

00:04:25,990 --> 00:04:24,880

there

124

00:04:27,270 --> 00:04:26,000

and

125

00:04:29,030 --> 00:04:27,280

they were saying to me where's the car

126
00:04:31,110 --> 00:04:29,040
they thought mr thought i was playing a

127
00:04:32,469 --> 00:04:31,120
trick on them but no i wasn't when you

128
00:04:35,350 --> 00:04:32,479
had the keys with you did you yeah

129
00:04:37,110 --> 00:04:35,360
christopher i love the keys yeah

130
00:04:38,550 --> 00:04:37,120
like like i said this was no sign of

131
00:04:40,710 --> 00:04:38,560
that yeah we ended up yeah we ended up

132
00:04:42,390 --> 00:04:40,720
just

133
00:04:43,990 --> 00:04:42,400
good job my father never asked me about

134
00:04:45,590 --> 00:04:44,000
the tens because i would probably either

135
00:04:47,189 --> 00:04:45,600
beat him or without the car and the dog

136
00:04:49,030 --> 00:04:47,199
would never seen again never seen again

137
00:04:52,150 --> 00:04:49,040
we phoned the police the next morning

138
00:04:54,710 --> 00:04:52,160

and traceable and we never ever

139

00:04:57,350 --> 00:04:54,720

heard anything ever since about the car

140

00:05:01,590 --> 00:04:57,360

or the dog how old was the dog the dog

141

00:05:03,350 --> 00:05:01,600

was he was only a it was a pup about

142

00:05:04,950 --> 00:05:03,360

three to six months maybe

143

00:05:05,990 --> 00:05:04,960

yeah it's a puppy they said these lights

144

00:05:07,510 --> 00:05:06,000

were in the right in the form of a

145

00:05:09,670 --> 00:05:07,520

triangle yeah and how many likes were

146

00:05:10,710 --> 00:05:09,680

there yeah about 12 or 15 and you said

147

00:05:13,110 --> 00:05:10,720

you mentioned something about a pool

148

00:05:14,790 --> 00:05:13,120

table like the yeah into the formation

149

00:05:17,270 --> 00:05:14,800

of a triangle just before you're about

150

00:05:19,670 --> 00:05:17,280

to smash them over an inch apart if

151

00:05:21,189 --> 00:05:19,680

that's like that's what i meant like

152

00:05:23,029 --> 00:05:21,199

what shape was each light if you could

153

00:05:24,629 --> 00:05:23,039

remember oh

154

00:05:27,909 --> 00:05:24,639

like a disc shape

155

00:05:31,189 --> 00:05:29,110

yeah i've seen the drawing you did the

156

00:05:32,230 --> 00:05:31,199

drawing for the for the movie yeah

157

00:05:41,909 --> 00:05:32,240

it was

158

00:05:43,749 --> 00:05:41,919

just

159

00:05:45,990 --> 00:05:43,759

i like when i think

160

00:05:48,150 --> 00:05:46,000

that there was a there was a oh

161

00:05:51,749 --> 00:05:48,160

how can i put it

162

00:05:53,909 --> 00:05:51,759

basically it was just a fiery arm but

163

00:05:55,270 --> 00:05:53,919

there must have been some solid metallic

164

00:05:57,909 --> 00:05:55,280

or something like

165

00:05:59,990 --> 00:05:57,919

but i i i said it looked like most

166

00:06:02,550 --> 00:06:00,000

people's drawings when they draw the

167

00:06:04,469 --> 00:06:02,560

average disc shape with maybe like a

168

00:06:06,390 --> 00:06:04,479

little dome on the top they wasn't like

169

00:06:07,670 --> 00:06:06,400

that they were like

170

00:06:09,430 --> 00:06:07,680

they were like

171

00:06:11,590 --> 00:06:09,440

as my finger is you could see like it's

172

00:06:13,909 --> 00:06:11,600

like a mad shape yeah like a like a

173

00:06:16,070 --> 00:06:13,919

teardrop yeah the other way

174

00:06:17,590 --> 00:06:16,080

and they were all in formation like that

175

00:06:19,270 --> 00:06:17,600

that's that's moving one direction all

176

00:06:21,670 --> 00:06:19,280

moving one direction all staying in the

177

00:06:25,430 --> 00:06:21,680

same formation which which direction

178

00:06:29,029 --> 00:06:26,710

well you're looking that way they were

179

00:06:31,350 --> 00:06:29,039

going from west to east

180

00:06:33,510 --> 00:06:31,360

from west to east that's what made me

181

00:06:35,270 --> 00:06:33,520

that's westeros yeah

182

00:06:36,629 --> 00:06:35,280

yeah well well i've gotta be mixed up

183

00:06:37,990 --> 00:06:36,639

then yeah because i was thinking like

184

00:06:40,629 --> 00:06:38,000

the alif

185

00:06:43,590 --> 00:06:40,639

with them after the pink flamingos and

186

00:06:45,350 --> 00:06:43,600

uh if you look up there now and see

187

00:06:46,629 --> 00:06:45,360

the triangular shape of the formation

188

00:06:49,830 --> 00:06:46,639

how big do you think the formation would

189

00:06:51,749 --> 00:06:49,840

be in that space for instance well

190

00:06:54,550 --> 00:06:51,759

because we was a little bit further down

191

00:06:56,230 --> 00:06:54,560

i may try yeah we can't we can see the

192

00:06:57,830 --> 00:06:56,240

the hilltops

193

00:07:01,350 --> 00:06:57,840

because we was a little bit further down

194

00:07:02,150 --> 00:07:01,360

yeah and they were above should we walk

195

00:07:02,870 --> 00:07:02,160

through that

196

00:07:04,629 --> 00:07:02,880

like

197

00:07:06,710 --> 00:07:04,639

as we was walking down the lights come

198

00:07:08,870 --> 00:07:06,720

from like from that area we sort of

199

00:07:09,830 --> 00:07:08,880

thing and they were just

200

00:07:11,189 --> 00:07:09,840

gone

201
00:07:13,189 --> 00:07:11,199
but but like like you say you could see

202
00:07:18,710 --> 00:07:13,199
them going across there

203
00:07:21,430 --> 00:07:20,550
as high as the mountain range i wouldn't

204
00:07:23,670 --> 00:07:21,440
uh

205
00:07:25,589 --> 00:07:23,680
i can't be sure hundred percent i'd i

206
00:07:27,830 --> 00:07:25,599
really can't sure but it seemed like

207
00:07:29,029 --> 00:07:27,840
they were flying the same height as the

208
00:07:31,430 --> 00:07:29,039
mountains

209
00:07:33,670 --> 00:07:31,440
give or take maybe a couple of

210
00:07:35,749 --> 00:07:33,680
or you know maybe 100 meters away you

211
00:07:37,189 --> 00:07:35,759
said you were 15 or 16 at the time 16 i

212
00:07:39,670 --> 00:07:37,199
think i was yeah

213
00:07:40,629 --> 00:07:39,680

yeah and just a couple of weeks after

214

00:07:42,230 --> 00:07:40,639

brother's birthday because he had the

215

00:07:44,790 --> 00:07:42,240

10th for his birthday yeah

216

00:07:46,629 --> 00:07:44,800

yeah on the 9th of september yeah

217

00:07:49,110 --> 00:07:46,639

so you report you reported it to the

218

00:07:51,670 --> 00:07:49,120

police the following day yeah but by the

219

00:07:54,230 --> 00:07:51,680

car and the dog we report reported

220

00:07:55,909 --> 00:07:54,240

because because uh silver and christian

221

00:07:58,390 --> 00:07:55,919

takes three and for the dog they wanted

222

00:07:59,749 --> 00:07:58,400

their dog back and the car and did you

223

00:08:01,350 --> 00:07:59,759

mention the

224

00:08:03,270 --> 00:08:01,360

the ufos to the police when you told

225

00:08:04,869 --> 00:08:03,280

them about the car missing

226

00:08:06,469 --> 00:08:04,879

i don't think i did because they would

227

00:08:07,270 --> 00:08:06,479

have laughed at me probably me they

228

00:08:08,390 --> 00:08:07,280

would probably

229

00:08:10,230 --> 00:08:08,400

thought there was a hoax call or

230

00:08:13,029 --> 00:08:10,240

something i'm not sure

231

00:08:15,670 --> 00:08:13,039

no because we would have phoned up

232

00:08:18,629 --> 00:08:15,680

above the car and the dog so we we're

233

00:08:20,950 --> 00:08:18,639

not going to mention we've seen so

234

00:08:22,550 --> 00:08:20,960

ufos when we're trying to track

235

00:08:24,390 --> 00:08:22,560

you said a few years later then you you

236

00:08:25,830 --> 00:08:24,400

wrote the letter to the mod yeah the

237

00:08:27,909 --> 00:08:25,840

minister's advisor what made you write

238

00:08:30,390 --> 00:08:27,919

the letter

239

00:08:33,670 --> 00:08:30,400

it was something it stuck in my head it

240

00:08:34,630 --> 00:08:33,680

sort of scared me because it seems to

241

00:08:37,589 --> 00:08:34,640

like

242

00:08:39,589 --> 00:08:37,599

i seen something i should have seen i

243

00:08:41,750 --> 00:08:39,599

should have been at home in bed

244

00:08:43,589 --> 00:08:41,760

and i happen to be in the wrong place or

245

00:08:45,269 --> 00:08:43,599

the right place at the right time to see

246

00:08:48,070 --> 00:08:45,279

what i've seen that night

247

00:08:50,150 --> 00:08:48,080

i can't explain only once i've seen her

248

00:08:52,070 --> 00:08:50,160

and i'd be willing to have a light

249

00:08:53,750 --> 00:08:52,080

attack the test to say what happened

250

00:08:56,630 --> 00:08:53,760

that night

251
00:08:59,910 --> 00:08:56,640
exactly what really did happen but some

252
00:09:01,910 --> 00:08:59,920
people say a lie detector only proves

253
00:09:03,509 --> 00:09:01,920
if you believe it yourself apparently i

254
00:09:05,750 --> 00:09:03,519
don't really know understand how they

255
00:09:07,990 --> 00:09:05,760
work and that but i would be willing to

256
00:09:10,470 --> 00:09:08,000
have one because i'm not lying i got a

257
00:09:12,389 --> 00:09:10,480
daughter i swear on her life that's

258
00:09:14,470 --> 00:09:12,399
exactly what happened that night

259
00:09:16,630 --> 00:09:14,480
and only once it ever happened that i

260
00:09:17,590 --> 00:09:16,640
have never seen anything like it in my

261
00:09:19,670 --> 00:09:17,600
life

262
00:09:21,750 --> 00:09:19,680
i have people come up to me mock me and

263
00:09:23,910 --> 00:09:21,760

i laugh at me i have people come up to

264

00:09:25,590 --> 00:09:23,920

me and pull me to the side and tell me

265

00:09:28,470 --> 00:09:25,600

keith i got i got a story i wouldn't

266

00:09:29,350 --> 00:09:28,480

tell anybody else but i'm gonna tell you

267

00:09:31,430 --> 00:09:29,360

and

268

00:09:34,150 --> 00:09:31,440

they'd have trusted me because i'm not

269

00:09:36,230 --> 00:09:34,160

gonna laugh about their experience

270

00:09:37,829 --> 00:09:36,240

because something really strange

271

00:09:40,790 --> 00:09:37,839

happened in my life

272

00:09:42,389 --> 00:09:40,800

whether whether it was a ufo or

273

00:09:44,150 --> 00:09:42,399

something paranormal

274

00:09:46,230 --> 00:09:44,160

i don't know what it was it was

275

00:09:47,509 --> 00:09:46,240

absolutely phenomenal i don't know what

276

00:09:48,790 --> 00:09:47,519

it was but

277

00:09:50,710 --> 00:09:48,800

the car

278

00:09:51,829 --> 00:09:50,720

and the dog just vanished off the face

279

00:09:54,230 --> 00:09:51,839

of the earth

280

00:09:56,070 --> 00:09:54,240

for the sake of a walk around the corner

281

00:09:58,070 --> 00:09:56,080

and i was because they were a bit

282

00:10:00,070 --> 00:09:58,080

further down i was more more close to

283

00:10:03,190 --> 00:10:00,080

the car and i didn't hear so chris had

284

00:10:06,230 --> 00:10:03,200

the keys yes um then you're driving off

285

00:10:08,470 --> 00:10:06,240

i i i i would earned the door open the

286

00:10:10,310 --> 00:10:08,480

dog could possibly have backed

287

00:10:11,590 --> 00:10:10,320

anything make that money i'm only here

288

00:10:13,509 --> 00:10:11,600

three minutes away that's a good point

289

00:10:15,990 --> 00:10:13,519

actually yeah it was a it was a pit bull

290

00:10:27,110 --> 00:10:16,000

yeah in the car in the car

291

00:10:30,550 --> 00:10:28,790

pinching it or something they're going

292

00:10:33,190 --> 00:10:30,560

to be beware you have a pitbull dog in

293

00:10:35,030 --> 00:10:33,200

the back inning so that's what i mean it

294

00:10:36,389 --> 00:10:35,040

really baffles me to this day but i

295

00:10:38,069 --> 00:10:36,399

don't i don't know what happened but

296

00:10:39,990 --> 00:10:38,079

i'll always believe what happened that

297

00:10:42,790 --> 00:10:40,000

night and i'll take it to the grave with

298

00:10:44,230 --> 00:10:42,800

me as well i mean
