

1  
00:00:57,500 --> 00:00:53,000

[Music]

2  
00:01:30,719 --> 00:01:28,020

thank you so much love taking only

3  
00:01:35,100 --> 00:01:30,729

observation rakaats it was that

4  
00:01:39,000 --> 00:01:35,110

everything repulsive of a scene have

5  
00:01:42,120 --> 00:01:39,010

found line running to it to get a little

6  
00:01:43,740 --> 00:01:42,130

cops anything deliver this with

7  
00:01:48,060 --> 00:01:43,750

obviously found us

8  
00:01:51,210 --> 00:01:48,070

I'm going to do it and I think it's a

9  
00:01:54,840 --> 00:01:51,220

person activist kata believe nothing

10  
00:01:57,330 --> 00:01:54,850

will never get these are yields is a

11  
00:02:01,969 --> 00:01:57,340

timelines to get in quick view the

12  
00:02:05,700 --> 00:02:01,979

mythical circles everywhere you know

13  
00:02:07,830 --> 00:02:05,710

they can make them in any deals so we

14

00:02:10,260 --> 00:02:07,840

will be at least selling popsicles in

15

00:02:13,080 --> 00:02:10,270

fear that they do not be summoned and it

16

00:02:16,080 --> 00:02:13,090

hasn't does about European real life and

17

00:02:20,930 --> 00:02:16,090

why we can't waste so why they always

18

00:02:25,800 --> 00:02:23,120

[Music]

19

00:02:29,130 --> 00:02:25,810

yeah I think you can written nuts for

20

00:02:32,850 --> 00:02:29,140

the farms do believe the village is for

21

00:02:34,860 --> 00:02:32,860

feeding yes crazy set to Zionism or tell

22

00:02:36,300 --> 00:02:34,870

them where you're right in some

23

00:02:39,900 --> 00:02:36,310

countries they don't do that's just a

24

00:02:48,150 --> 00:02:43,830

no time line racing I live it everywhere

25

00:02:51,510 --> 00:02:48,160

area really lots of farms and is all the

26

00:02:54,540 --> 00:02:51,520

fields around that no longer are sadly

27

00:02:57,360 --> 00:02:54,550

we hit world regulators ever need an X

28

00:02:59,820 --> 00:02:57,370

Express they feel like that when he said

29

00:03:02,820 --> 00:02:59,830

only an feels the sort of life and

30

00:03:04,740 --> 00:03:02,830

assess nestled on the market would have

31

00:03:07,770 --> 00:03:04,750

said when he hears this are my spaghetti

32

00:03:10,830 --> 00:03:07,780

to refuse or doesn't even a trail David

33

00:03:13,500 --> 00:03:10,840

who sells me it crops it was all gnarly

34

00:03:15,750 --> 00:03:13,510

well I believe around the world have

35

00:03:17,910 --> 00:03:15,760

been one or two in feels like that was

36

00:03:20,910 --> 00:03:17,920

and I'm Tom lines yeah I just got off

37

00:03:24,510 --> 00:03:20,920

the top of every call some so as you say

38

00:03:27,210 --> 00:03:24,520

that there's no signs and get busy

39

00:03:29,160 --> 00:03:27,220

lapses of feet damaging the crop to get

40

00:03:31,890 --> 00:03:29,170

to that some of those crops and I can't

41

00:03:32,120 --> 00:03:31,900

remember where as well in the past you

42

00:03:35,130 --> 00:03:32,130

know

43

00:03:39,180 --> 00:03:35,140

so finally not had any in your region

44

00:03:41,160 --> 00:03:39,190

what suggest this the hoaxes are not

45

00:03:43,500 --> 00:03:41,170

usually not feel to the obvious reason

46

00:03:47,330 --> 00:03:43,510

deep stated no but if I search on Google

47

00:03:50,580 --> 00:03:47,340

Images crop circles I just go without

48

00:03:52,920 --> 00:03:50,590

the time right yeah the job G the dishes

49

00:03:54,660 --> 00:03:52,930

will zoom to something there may be a

50

00:03:57,840 --> 00:03:54,670

difference or between a man-made one

51  
00:03:59,250 --> 00:03:57,850  
yeah that's allegedly not with not yes I

52  
00:04:03,120 --> 00:03:59,260  
mean of the way the crops have been

53  
00:04:05,790 --> 00:04:03,130  
through oh yes and many other things of

54  
00:04:08,699 --> 00:04:05,800  
use a lot of damage v and growing stems

55  
00:04:11,400 --> 00:04:08,709  
stems bent took it all seed rape which

56  
00:04:12,110 --> 00:04:11,410  
just cannot bend it 45 degrees in a

57  
00:04:16,620 --> 00:04:12,120  
smart way

58  
00:04:19,410 --> 00:04:16,630  
celery and so the hoaxes tend to avoid

59  
00:04:21,660 --> 00:04:19,420  
what the policy room setting the very

60  
00:04:25,590 --> 00:04:21,670  
young and the implants and soft and

61  
00:04:28,310 --> 00:04:25,600  
malleable had been one or two so in my

62  
00:04:32,190 --> 00:04:28,320  
book the ones you consider seriously

63  
00:04:34,050 --> 00:04:32,200

would shield else's rape was drops up to

64

00:04:38,400 --> 00:04:34,060

your chest it's just wine to go and have

65

00:04:41,010 --> 00:04:38,410

been covered in the yellow pollen and

66

00:04:44,130 --> 00:04:41,020

with China Robert and I appoint could be

67

00:04:47,470 --> 00:04:44,140

yards and shadow will see rightful in

68

00:04:50,560 --> 00:04:47,480

the past as Rob was filmed and

69

00:04:53,260 --> 00:04:50,570

others that can do this in one famous

70

00:04:55,450 --> 00:04:53,270

one that my first crop circle in 97

71

00:04:59,830 --> 00:04:55,460

the engine status windin their boundary

72

00:05:02,080 --> 00:04:59,840

castle and this missive bringable i mean

73

00:05:05,740 --> 00:05:02,090

i was all new to it then she noticed

74

00:05:07,870 --> 00:05:05,750

that on the outer ring of the standing

75

00:05:11,980 --> 00:05:07,880

crop just immediately out of the lake

76

00:05:14,260 --> 00:05:11,990

drop about two and so rolls of stem

77

00:05:17,440 --> 00:05:14,270

specifically the ones at the edge we're

78

00:05:19,990 --> 00:05:17,450

all mooted suggesting that some sort of

79

00:05:23,470 --> 00:05:20,000

heat being applied by some energy which

80

00:05:26,440 --> 00:05:23,480

in dehydrated the plant also on the in

81

00:05:29,080 --> 00:05:26,450

stem wall facing inwards the crop

82

00:05:33,280 --> 00:05:29,090

circles are brown staining about that

83

00:05:35,380 --> 00:05:33,290

long like it was scorched so i thought

84

00:05:44,680 --> 00:05:35,390

that was a good clue in a particular

85

00:05:47,860 --> 00:05:44,690

case well you're quite right not just

86

00:05:50,470 --> 00:05:47,870

early in my book the last real crop

87

00:05:53,200 --> 00:05:50,480

circles in 2005 and all seed renovate

88

00:05:56,190 --> 00:05:53,210

build and bull hilda which build bets

89

00:06:01,030 --> 00:05:56,200

went in recorded as a schoolmaster

90

00:06:01,540 --> 00:06:01,040

commanded the yellow flowers in the late

91

00:06:04,330 --> 00:06:01,550

bids

92

00:06:07,720 --> 00:06:04,340

we're on damaged as well you know it was

93

00:06:10,480 --> 00:06:07,730

just amazing so if you lay a flowering

94

00:06:13,930 --> 00:06:10,490

crop circle down the plank you smash the

95

00:06:17,260 --> 00:06:13,940

flowers and such a mess so all this

96

00:06:20,200 --> 00:06:17,270

fancy geometric shapes where people

97

00:06:22,300 --> 00:06:20,210

postulate oh there's a message here and

98

00:06:24,270 --> 00:06:22,310

the crack assad's and think the

99

00:06:27,520 --> 00:06:24,280

americans in all the research stuff

100

00:06:30,280 --> 00:06:27,530

where i think this will entertain the

101  
00:06:32,740 --> 00:06:30,290  
drop is is a message vision so the clip

102  
00:06:38,410 --> 00:06:32,750  
topics or shapes that people will then

103  
00:06:40,240 --> 00:06:38,420  
interpret wrong in most cases and if you

104  
00:06:42,970 --> 00:06:40,250  
go on the crop circle collector website

105  
00:06:45,720 --> 00:06:42,980  
there's loads of this stuff with

106  
00:06:48,040 --> 00:06:45,730  
comments with these logical experts who

107  
00:06:50,380 --> 00:06:48,050  
interpreting what the meaning is and so

108  
00:06:52,780 --> 00:06:50,390  
notice robots

109  
00:06:56,130 --> 00:06:52,790  
these instances were these crop circles

110  
00:06:58,510 --> 00:06:56,140  
we make very quickly very effective

111  
00:07:02,250 --> 00:06:58,520  
because I know there's been a few were

112  
00:07:05,350 --> 00:07:02,260  
one where pilots flew over an area yes

113  
00:07:07,450 --> 00:07:05,360

nothing yes sir I'm going back there

114

00:07:09,430 --> 00:07:07,460

they made saw a while ago is it really

115

00:07:12,940 --> 00:07:09,440

complex yes it was a Julian that said

116

00:07:15,940 --> 00:07:12,950

shame and true within 30 minutes he he

117

00:07:18,700 --> 00:07:15,950

flow over wasn't even then flew back and

118

00:07:22,450 --> 00:07:18,710

it was then there was a daylight nobody

119

00:07:25,510 --> 00:07:22,460

visiting Stonehenge seen anything but

120

00:07:28,720 --> 00:07:25,520

there were nice swirls and shapes so if

121

00:07:32,640 --> 00:07:28,730

it flows and it looks nice thermal are

122

00:07:35,710 --> 00:07:32,650

to be see these sharp geometric angles

123

00:07:38,650 --> 00:07:35,720

it's plunked plenty of evidence from the

124

00:07:41,800 --> 00:07:38,660

air when you look at him on the computer

125

00:07:44,320 --> 00:07:41,810

screen whatever and if you go into crop

126

00:07:46,090 --> 00:07:44,330

formation mylar and get me hands in

127

00:07:47,560 --> 00:07:46,100

these which most people don't bother to

128

00:07:50,500 --> 00:07:47,570

do because they don't want to in some

129

00:07:51,820 --> 00:07:50,510

cases you will find the board marks

130

00:07:54,490 --> 00:07:51,830

where the hitch is the point that hit

131

00:07:57,490 --> 00:07:54,500

the stem every heart half step away

132

00:08:01,750 --> 00:07:57,500

where the guys thanks and they're their

133

00:08:04,450 --> 00:08:01,760

own sort of station and that that's the

134

00:08:08,170 --> 00:08:04,460

damning evidence and the recent ones

135

00:08:10,750 --> 00:08:08,180

went into collision Robert holes have

136

00:08:12,850 --> 00:08:10,760

been in some last year and immediately

137

00:08:15,850 --> 00:08:12,860

within five minutes if you know what to

138

00:08:17,980 --> 00:08:15,860

look for or their subordinates it done

139

00:08:19,980 --> 00:08:17,990

shame really because but people are

140

00:08:22,360 --> 00:08:19,990

making a business now it's becoming a

141

00:08:25,480 --> 00:08:22,370

you know selling - sighing

142

00:08:27,220 --> 00:08:25,490

t-shirts of in photos and even rip

143

00:08:29,460 --> 00:08:27,230

appreciable putable

144

00:08:32,170 --> 00:08:29,470

researches in the past by losing Pringle

145

00:08:35,950 --> 00:08:32,180

go to their website she's just making a

146

00:08:37,960 --> 00:08:35,960

business went to Brazil doing a lecture

147

00:08:39,490 --> 00:08:37,970

for AJ eval and we don't have a hand in

148

00:08:41,440 --> 00:08:39,500

recommending and for doing that because

149

00:08:43,480 --> 00:08:41,450

she has done was a good research

150

00:08:45,790 --> 00:08:43,490

particularly with medical and

151  
00:08:48,310 --> 00:08:45,800  
psychological effects of people who've

152  
00:08:51,370 --> 00:08:48,320  
got elements in genuine crop circles of

153  
00:08:53,650 --> 00:08:51,380  
benefiting from being in one but then

154  
00:08:55,620 --> 00:08:53,660  
she's destroys all I could work by

155  
00:09:00,569 --> 00:08:55,630  
showing in calendars open

156  
00:09:02,519 --> 00:09:00,579  
and you know carrying on about writing

157  
00:09:06,269 --> 00:09:02,529  
lovely words about this magnificent

158  
00:09:08,699 --> 00:09:06,279  
effect this crop circle and it's been

159  
00:09:11,400 --> 00:09:08,709  
planned for these rollers another

160  
00:09:13,980 --> 00:09:11,410  
Dumanis essence roll over and it's just

161  
00:09:15,660 --> 00:09:13,990  
I make the ministries events that we

162  
00:09:23,879 --> 00:09:15,670  
delight in these days because they've

163  
00:09:26,069 --> 00:09:23,889

just done the job yes actually only yeah

164

00:09:29,699 --> 00:09:26,079

back on the yoga on the cross label a

165

00:09:31,499 --> 00:09:29,709

22nd those thoughts on that but it does

166

00:09:33,660 --> 00:09:31,509

go deeper than that now now the majority

167

00:09:35,430 --> 00:09:33,670

of crop formations these days are our

168

00:09:37,920 --> 00:09:35,440

hopes they're big groups hoaxes in these

169

00:09:39,569 --> 00:09:37,930

things the fact that the shakes have

170

00:09:41,370 --> 00:09:39,579

been getting more and more complex as

171

00:09:43,829 --> 00:09:41,380

the years go on would tell you that yet

172

00:09:45,749 --> 00:09:43,839

because aside off with single circles

173

00:09:48,240 --> 00:09:45,759

men's league circles and then these

174

00:09:49,860 --> 00:09:48,250

really complex patterns now you have to

175

00:09:51,629 --> 00:09:49,870

argue the point that if it was ET when

176

00:09:54,990 --> 00:09:51,639

they become lit from the start which is

177

00:09:56,430 --> 00:09:55,000

it which is a valid point however what's

178

00:09:58,860 --> 00:09:56,440

going on behind the scenes with crop

179

00:10:01,699 --> 00:09:58,870

circles is the crop circle reads the

180

00:10:04,559 --> 00:10:01,709

crop circle hoaxes are actually having

181

00:10:06,629 --> 00:10:04,569

unusual experiences while making the

182

00:10:09,120 --> 00:10:06,639

crop formations you can see videos of

183

00:10:12,269 --> 00:10:09,130

this online they're genuine they

184

00:10:14,249 --> 00:10:12,279

genuinely convinced that through making

185

00:10:15,809 --> 00:10:14,259

these formations that they're being

186

00:10:17,850 --> 00:10:15,819

directed in some way to make these

187

00:10:19,920 --> 00:10:17,860

formations and they're and there's been

188

00:10:21,540 --> 00:10:19,930

many cases on record now where they've

189

00:10:23,309 --> 00:10:21,550

come out to the field to make circle in

190

00:10:25,590 --> 00:10:23,319

the middle of the night and they've seen

191

00:10:27,480 --> 00:10:25,600

these tall shadowy figures amongst the

192

00:10:29,309 --> 00:10:27,490

corn and there's even some cases where

193

00:10:31,259 --> 00:10:29,319

they've actually stopped making a circle

194

00:10:33,420 --> 00:10:31,269

so they've got halfway through the

195

00:10:35,309 --> 00:10:33,430

formation and you're so scared by what

196

00:10:36,929 --> 00:10:35,319

they witnessed they've got after that

197

00:10:38,579 --> 00:10:36,939

and then you get at the end up with that

198

00:10:40,410 --> 00:10:38,589

harper formation which is created really

199

00:10:41,790 --> 00:10:40,420

confusing because it looks a very odd

200

00:10:44,100 --> 00:10:41,800

shape but that's because it's just part

201  
00:10:45,960 --> 00:10:44,110  
of the formation again there's stuff you

202  
00:10:47,400 --> 00:10:45,970  
can look into online and it's a whole

203  
00:10:49,199 --> 00:10:47,410  
other angle to the crop formation

204  
00:10:50,910 --> 00:10:49,209  
phenomenon that there may be something

205  
00:10:51,900 --> 00:10:50,920  
real and paranormal going on with it

206  
00:10:53,939 --> 00:10:51,910  
behind the scenes

207  
00:10:56,759 --> 00:10:53,949  
despite the fact that the majority of

208  
00:10:58,560 --> 00:10:56,769  
hopes suddenly feel that deep down

209  
00:11:00,420 --> 00:10:58,570  
there's a reality to this

210  
00:11:02,910 --> 00:11:00,430  
and it is connected with the subject and

211  
00:11:04,500 --> 00:11:02,920  
but obviously it's very easy to dismiss

212  
00:11:06,360 --> 00:11:04,510  
especially when large groups are

213  
00:11:08,070 --> 00:11:06,370

claiming to help them and they've shown

214

00:11:09,990 --> 00:11:08,080

valid evidence I mean you can actually

215

00:11:12,000 --> 00:11:10,000

join from circle hikes and groups if you

216

00:11:14,190 --> 00:11:12,010

want and go out and help them but make

217

00:11:16,230 --> 00:11:14,200

these things again highly illegal oh and

218

00:11:17,000 --> 00:11:16,240

I wouldn't recommend it and say yeah

219

00:11:20,400 --> 00:11:17,010

come

220

00:11:22,920 --> 00:11:20,410

yeah just save Matthew Williams actually

221

00:11:25,350 --> 00:11:22,930

retired now as a crop circle maker and I

222

00:11:28,020 --> 00:11:25,360

think he got over to actually being in

223

00:11:30,990 --> 00:11:28,030

the field and he dare take leave yet

224

00:11:33,180 --> 00:11:31,000

exactly so AAT heating out a lot of the

225

00:11:34,980 --> 00:11:33,190

drugs regiment and very good for joining

226

00:11:38,190 --> 00:11:34,990

there was a crop circle it just just as

227

00:11:40,650 --> 00:11:38,200

I came down and I know I placed a lot on

228

00:11:42,090 --> 00:11:40,660

from the Facebook groups I'm one of crop

229

00:11:45,480 --> 00:11:42,100

circles loving to a number of them

230

00:11:48,270 --> 00:11:45,490

myself I do believe that there is a

231

00:11:50,910 --> 00:11:48,280

reality to a some sort of communication

232

00:11:52,380 --> 00:11:50,920

aspect to the phenomena I don't know

233

00:11:56,100 --> 00:11:52,390

what percentage would mean the mind to

234

00:11:57,960 --> 00:11:56,110

guess Israel once hosts and you know the

235

00:12:00,960 --> 00:11:57,970

reasons behind their butts not

236

00:12:02,910 --> 00:12:00,970

informations you know just sort runs you

237

00:12:04,980 --> 00:12:02,920

know that I've talking earlier today you

238

00:12:07,470 --> 00:12:04,990

know about the milk Hill famous

239

00:12:09,900 --> 00:12:07,480

formation from 2000 2001 or a was

240

00:12:11,850 --> 00:12:09,910

on my laptop you might seen that and the

241

00:12:14,580 --> 00:12:11,860

new spiral galaxy one I think it was

242

00:12:16,770 --> 00:12:14,590

called me I was just for me even in

243

00:12:19,530 --> 00:12:16,780

general John Limburg it was part of

244

00:12:21,960 --> 00:12:19,540

clean Satan and circlemakers you know

245

00:12:24,150 --> 00:12:21,970

when I asked him about in Las Vegas he

246

00:12:25,860 --> 00:12:24,160

was saying no he was in all that as

247

00:12:27,930 --> 00:12:25,870

someone who made crop circles and we

248

00:12:31,140 --> 00:12:27,940

just thought that was you know it was

249

00:12:33,360 --> 00:12:31,150

out as well so I mean you've got you

250

00:12:37,110 --> 00:12:33,370

know this in so many formations over the

251  
00:12:39,420 --> 00:12:37,120  
years which I find you know very context

252  
00:12:41,190 --> 00:12:39,430  
I mean things like the a.m. face and you

253  
00:12:42,530 --> 00:12:41,200  
know the information about the SD code

254  
00:12:45,510 --> 00:12:42,540  
and it's you know it's interesting

255  
00:12:47,040 --> 00:12:45,520  
interesting stuff I'm not 100% sure

256  
00:12:49,110 --> 00:12:47,050  
what's going on and what the actual

257  
00:12:50,820 --> 00:12:49,120  
messages but I get the feeling that

258  
00:12:53,100 --> 00:12:50,830  
there will be some of that in the future

259  
00:12:55,680 --> 00:12:53,110  
that might make sense of all that's gone

260  
00:12:58,080 --> 00:12:55,690  
before it so I kind of think that maybe

261  
00:13:00,710 --> 00:12:58,090  
they're giving this part of some message

262  
00:13:03,170 --> 00:13:00,720  
and maybe some features and

263  
00:13:05,090 --> 00:13:03,180

you might be able to declare observer

264

00:13:06,950 --> 00:13:05,100

what's actually being said here and I'm

265

00:13:09,050 --> 00:13:06,960

not you know I'm not take me down let

266

00:13:10,100 --> 00:13:09,060

you know all hoaxes and stuff and

267

00:13:12,740 --> 00:13:10,110

certainly there's been some good

268

00:13:14,270 --> 00:13:12,750

formations issue and but that's not the

269

00:13:17,120 --> 00:13:14,280

say also there's also some nefarious

270

00:13:19,730 --> 00:13:17,130

people trying to bit like he knows with

271

00:13:21,350 --> 00:13:19,740

the alien autopsy and them you know

272

00:13:23,630 --> 00:13:21,360

putting out this information on

273

00:13:25,460 --> 00:13:23,640

traveling things and so it can be very

274

00:13:28,850 --> 00:13:25,470

hard to get to the truth in manner but

275

00:13:30,050 --> 00:13:28,860

I'd recommend anyone and I mean we say a

276

00:13:31,250 --> 00:13:30,060

lot of culture will do a clear and

277

00:13:32,930 --> 00:13:31,260

wheelchair so you're not going to say

278

00:13:34,490 --> 00:13:32,940

that actually well as I've had in the

279

00:13:37,460 --> 00:13:34,500

crop circles I might be wrong but and

280

00:13:38,630 --> 00:13:37,470

we'll share does here but mainly room

281

00:13:40,760 --> 00:13:38,640

chair there seem to be a lot of crop

282

00:13:42,080 --> 00:13:40,770

circles there but if I would recommend

283

00:13:44,300 --> 00:13:42,090

anyone if they have any doubts about

284

00:13:45,950 --> 00:13:44,310

checking out the funnel for themselves

285

00:13:48,040 --> 00:13:45,960

because it's sometimes only when you

286

00:13:50,510 --> 00:13:48,050

truly go into the crop circle that you

287

00:13:53,300 --> 00:13:50,520

know even if it isn't some sort of

288

00:13:55,310 --> 00:13:53,310

supernatural or alien origin when you're

289

00:13:57,110 --> 00:13:55,320

going to experience or being in nature

290

00:13:59,270 --> 00:13:57,120

like a nice quiet place and for a lot of

291

00:14:01,880 --> 00:13:59,280

people in London know which is where I

292

00:14:03,740 --> 00:14:01,890

live it can be very healing and

293

00:14:06,350 --> 00:14:03,750

beneficial just to be out in on a nice

294

00:14:07,310 --> 00:14:06,360

summer's day taking children out there I

295

00:14:09,950 --> 00:14:07,320

mean I know some of you have had some

296

00:14:11,180 --> 00:14:09,960

negative effects from you know crop

297

00:14:13,730 --> 00:14:11,190

circles what's also some positive

298

00:14:15,410 --> 00:14:13,740

effects you know but some you know if

299

00:14:17,210 --> 00:14:15,420

you're into revocation you know what

300

00:14:18,860 --> 00:14:17,220

could be better than my son and stay as

301  
00:14:21,110 --> 00:14:18,870  
long as I've been in pharma getting

302  
00:14:23,750 --> 00:14:21,120  
permission in a lot of these places are

303  
00:14:24,940 --> 00:14:23,760  
like donation boxes and stuff and it

304  
00:14:27,020 --> 00:14:24,950  
ought to be a bit cynical about that

305  
00:14:28,910 --> 00:14:27,030  
stuff on us getting some money back

306  
00:14:31,310 --> 00:14:28,920  
about you know people were entering into

307  
00:14:33,380 --> 00:14:31,320  
the land and seeing these things and I

308  
00:14:35,360 --> 00:14:33,390  
mean a lot of on synchronicities you

309  
00:14:37,700 --> 00:14:35,370  
know obviously get researches there and

310  
00:14:39,830 --> 00:14:37,710  
you'll meet people bump into people you

311  
00:14:41,090 --> 00:14:39,840  
start you know it like going to the pub

312  
00:14:43,250 --> 00:14:41,100  
or guests or something you're suddenly

313  
00:14:45,590 --> 00:14:43,260

entering a dialogue or someone you've

314

00:14:47,060 --> 00:14:45,600

never met before and obviously if you're

315

00:14:49,940 --> 00:14:47,070

in a crop circle you a little bit on to

316

00:14:52,730 --> 00:14:49,950

sort of paranormal and you know UFO

317

00:14:54,230 --> 00:14:52,740

types in so bases are sort people surely

318

00:14:55,460 --> 00:14:54,240

you would want to meet so I actually

319

00:14:57,530 --> 00:14:55,470

think in the future there will be more

320

00:14:58,720 --> 00:14:57,540

people to entities or maybe they'll be

321

00:15:01,509 --> 00:14:58,730

more even more made

322

00:15:03,490 --> 00:15:01,519

patents for this year so I definitely

323

00:15:05,680 --> 00:15:03,500

recommend anyone make a journey we

324

00:15:08,680 --> 00:15:05,690

endorse it and places where they are

325

00:15:13,030 --> 00:15:08,690

here so you know very interesting

326

00:15:15,730 --> 00:15:13,040

answers it is sort of interesting the

327

00:15:18,720 --> 00:15:15,740

club our club has got two trips planned

328

00:15:21,490 --> 00:15:18,730

this year to crop circles if we get any

329

00:15:23,290 --> 00:15:21,500

and also the Stonehenge and a three

330

00:15:25,150 --> 00:15:23,300

circles so if anyone's interested in

331

00:15:29,740 --> 00:15:25,160

that than to stay tuned and we'll go

332

00:15:32,319 --> 00:15:29,750

from there really okay the college it

333

00:15:34,720 --> 00:15:32,329

means people lie minds together and lots

334

00:15:38,050 --> 00:15:34,730

of friendships are made in crop circles

335

00:15:42,009 --> 00:15:38,060

I just when I mentioned part of my job I

336

00:15:43,600 --> 00:15:42,019

was responsible financing radiations in

337

00:15:45,699 --> 00:15:43,610

the whole factory radiation safety

338

00:15:48,250 --> 00:15:45,709

because of what we would do a gallon

339

00:15:50,740 --> 00:15:48,260

isotope we use occasionally and mikata

340

00:15:52,720 --> 00:15:50,750

radiography truly in the hangars

341

00:15:57,449 --> 00:15:52,730

so all this sort of thing so have access

342

00:16:00,340 --> 00:15:57,459

to ionizing radiation monitors in 2001

343

00:16:06,059 --> 00:16:00,350

done wheelchair and I had a borrowed

344

00:16:09,670 --> 00:16:06,069

question from factory super duper

345

00:16:12,639 --> 00:16:09,680

monitor thing probe which was very very

346

00:16:17,199 --> 00:16:12,649

sensitive probe which would pick up beat

347

00:16:21,100 --> 00:16:17,209

again ran alpha waves and amazing this

348

00:16:24,280 --> 00:16:21,110

huge formation behind Silbury Hill and

349

00:16:25,480 --> 00:16:24,290

use the money said no effects and assure

350

00:16:28,720 --> 00:16:25,490

a man major

351  
00:16:30,340 --> 00:16:28,730  
but as I came out to the car park there

352  
00:16:33,220 --> 00:16:30,350  
was a couple of what people called

353  
00:16:37,809 --> 00:16:33,230  
satellite or tests swirls about a metre

354  
00:16:40,600 --> 00:16:37,819  
in diameter and I desire as a walk past

355  
00:16:43,030 --> 00:16:40,610  
I think this is the proper put it is

356  
00:16:46,870 --> 00:16:43,040  
into the crop circle and on the

357  
00:16:49,420 --> 00:16:46,880  
instrument design an audio section

358  
00:16:51,819 --> 00:16:49,430  
switching on off as well as watching the

359  
00:16:55,350 --> 00:16:51,829  
needle on the meter and it is shut over

360  
00:16:58,600 --> 00:16:55,360  
to maximum it sounds freedom means

361  
00:17:02,080 --> 00:16:58,610  
mm counts for second Plus and it

362  
00:17:05,800 --> 00:17:02,090  
destroys that probe never work ugly

363  
00:17:08,290 --> 00:17:05,810

after that and about another instance

364

00:17:11,550 --> 00:17:08,300

where two sorts of drunk guys urban

365

00:17:15,610 --> 00:17:11,560

genders and had strange on-and-off

366

00:17:18,819 --> 00:17:15,620

effects in in the formation but not out

367

00:17:24,809 --> 00:17:18,829

of this and the one occasion there was a

368

00:17:29,310 --> 00:17:24,819

Tim a lot another why or see which ones

369

00:17:35,650 --> 00:17:29,320

no it didn't matter it was like a

370

00:17:39,300 --> 00:17:35,660

seashell shape and I'm just Wharton with

371

00:17:41,350 --> 00:17:39,310

pop the camera bag on the ground and

372

00:17:44,530 --> 00:17:41,360

flatten the batteries of the camera

373

00:17:46,030 --> 00:17:44,540

haven't used it and after a humanist

374

00:17:49,000 --> 00:17:46,040

restriction gauge and one of these

375

00:17:51,760 --> 00:17:49,010

readings on background radiation from me

376

00:17:55,390 --> 00:17:51,770

because one it's only started to react

377

00:17:55,840 --> 00:17:55,400

about a hundred Kemp's see so this is

378

00:17:59,410 --> 00:17:55,850

strange

379

00:18:02,860 --> 00:17:59,420

so I walked out of the down the tram

380

00:18:06,280 --> 00:18:02,870

line from a formation about ten fifteen

381

00:18:08,220 --> 00:18:06,290

paces and suddenly went off so a

382

00:18:11,410 --> 00:18:08,230

sheltered Robert Allsup who had a

383

00:18:13,390 --> 00:18:11,420

camcorder and said I come over here oh

384

00:18:16,180 --> 00:18:13,400

I've been to stand down to mark the

385

00:18:18,310 --> 00:18:16,190

position where the radiation dropped to

386

00:18:20,950 --> 00:18:18,320

normal background from what it was

387

00:18:23,410 --> 00:18:20,960

reading so it says you stand behind me

388

00:18:25,990 --> 00:18:23,420

but it's camera and shoulder focused on

389

00:18:28,240 --> 00:18:26,000

the on the instrument so it slowly walk

390

00:18:30,360 --> 00:18:28,250

back doctor the pollen where and bent

391

00:18:33,700 --> 00:18:30,370

the plant nothing missing change

392

00:18:36,490 --> 00:18:33,710

impacting the formation and did we occur

393

00:18:38,110 --> 00:18:36,500

and the basic invented another one which

394

00:18:42,040 --> 00:18:38,120

was stubble the farm but actually clips

395

00:18:44,650 --> 00:18:42,050

as you just doubled the Avery a good

396

00:18:48,280 --> 00:18:44,660

shows Loeb and it was going on and off

397

00:18:51,490 --> 00:18:48,290

so it was like some transient energy has

398

00:18:53,380 --> 00:18:51,500

been switched on and off which is

399

00:18:57,460 --> 00:18:53,390

affecting the instrument as it also

400

00:18:58,570 --> 00:18:57,470

affects people's electrostatic misses

401

00:19:02,860 --> 00:18:58,580

lotta people have left

402

00:19:05,799 --> 00:19:02,870

Jesus so what I thought are they aliens

403

00:19:10,269 --> 00:19:05,809

monitoring the human interaction or

404

00:19:12,700 --> 00:19:10,279

responses to this thing by some unseen

405

00:19:15,490 --> 00:19:12,710

means and people suggested is like a

406

00:19:18,490 --> 00:19:15,500

invisible bubble up something

407

00:19:22,360 --> 00:19:18,500

that's 50 feet above the formation which

408

00:19:24,880 --> 00:19:22,370

spilled over to soundside so it's all a

409

00:19:28,000 --> 00:19:24,890

guess there but wondering if it's a way

410

00:19:31,930 --> 00:19:28,010

of them seeing how are we ready for an

411

00:19:33,460 --> 00:19:31,940

interacting calm contact real contact by

412

00:19:36,610 --> 00:19:33,470

the landing on the bloody right as long

413

00:19:40,779 --> 00:19:36,620

as they say so if we can't respond

414

00:19:44,049 --> 00:19:40,789

properly to crop circle effects not

415

00:19:47,700 --> 00:19:44,059

saying message message that we're not

416

00:19:54,070 --> 00:19:47,710

ready but just just an idea I mean

417

00:20:02,980 --> 00:19:54,080

through in okay here's the question

418

00:20:13,169 --> 00:20:02,990

Keith survey done wrong we are subscribe

419

00:20:25,080 --> 00:20:18,340

yes it's very big venture here every

420

00:20:27,009 --> 00:20:25,090

little galactic like even me and Kiki

421

00:20:30,340 --> 00:20:27,019

yeah I'll look into that

422

00:20:33,070 --> 00:20:30,350

yeah sunrise now we didn't actually

423

00:20:34,930 --> 00:20:33,080

focus on jazz at all until my talk and

424

00:20:36,519 --> 00:20:34,940

you know you'd go looking obviously you

425

00:20:38,620 --> 00:20:36,529

know what are you when I start to

426

00:20:46,629 --> 00:20:38,630

research into UFO music and see what was

427

00:20:50,600 --> 00:20:46,639

out there I'm doing processing sounds

428

00:20:52,910 --> 00:20:50,610

right and the became degree

429

00:20:56,180 --> 00:20:52,920

yes yeah and I've got their own jet I

430

00:21:02,480 --> 00:20:56,190

made which they use a flat 666 so used

431

00:21:04,490 --> 00:21:02,490

to fly to different venues and that's

432

00:21:06,590 --> 00:21:04,500

not correct here because with

433

00:21:09,340 --> 00:21:06,600

interesting ligament I don't I don't

434

00:21:14,240 --> 00:21:09,350

think it's directly in a tandem wheel I

435

00:21:15,290 --> 00:21:14,250

think it's just two engines adios the

436

00:21:17,299 --> 00:21:15,300

weekend

437

00:21:20,299 --> 00:21:17,309

Sandra played the graphic Jazz Festival

438

00:21:22,040 --> 00:21:20,309

is the same weekend that is the UFO

439

00:21:24,560 --> 00:21:22,050

winces which of the halls looking about

440

00:21:27,110 --> 00:21:24,570

the Brecon Beacons that is so creepy and

441

00:21:29,210 --> 00:21:27,120

increase it's a bit odd yeah the urine

442

00:21:31,250 --> 00:21:29,220

relation cover-ups Don fiance Levin I

443

00:21:33,950 --> 00:21:31,260

want shows the past nine and very very

444

00:21:36,200 --> 00:21:33,960

dark documentary which which feeds back

445

00:21:38,750 --> 00:21:36,210

into the human human means to her don't

446

00:21:40,760 --> 00:21:38,760

stop me I do on very young for

447

00:21:42,350 --> 00:21:40,770

disturbing angle of the subject that if

448

00:21:44,120 --> 00:21:42,360

it's real and it suddenly appears to be

449

00:21:46,150 --> 00:21:44,130

it could be one of the prime reasons

450

00:21:48,710 --> 00:21:46,160

that you for the ongoing cover-up

451  
00:21:50,630 --> 00:21:48,720  
because I'd say there's absolutely no

452  
00:21:52,280 --> 00:21:50,640  
way that they would want the general

453  
00:21:54,620 --> 00:21:52,290  
public knowing that that was going on

454  
00:21:58,850 --> 00:21:54,630  
absolutely knowing it created world like

455  
00:22:00,500 --> 00:21:58,860  
okay I write panic really would so yeah

456  
00:22:03,130 --> 00:22:00,510  
look and play we haven't seen a human

457  
00:22:06,260 --> 00:22:03,140  
relation cover-up by him rich at all

458  
00:22:08,720 --> 00:22:06,270  
it's very dark stuff but suddenly what

459  
00:22:11,030 --> 00:22:08,730  
the watch if you look in the door angle

460  
00:22:43,040 --> 00:22:11,040  
of the subject and what reality doing

461  
00:22:45,230 --> 00:22:43,050  
that and yes even say it

462  
00:22:47,919 --> 00:22:45,240  
yeah I Spade see a - she didn't do the

463  
00:22:52,180 --> 00:22:47,929

postmodern it was let them and

464

00:22:55,640 --> 00:22:52,190

eventually college fair the north in

465

00:22:57,130 --> 00:22:55,650

Nottingham shape and interesting but I

466

00:23:01,010 --> 00:22:57,140

need any teachers

467

00:23:03,980 --> 00:23:01,020

Swedish and I spoke to on the phone a

468

00:23:08,600 --> 00:23:03,990

couple of times and she wouldn't reveal

469

00:23:12,350 --> 00:23:08,610

anything because the RSPCA is better has

470

00:23:15,320 --> 00:23:12,360

to get permission so I tried to ask her

471

00:23:17,510 --> 00:23:15,330

more recently was what was the blood

472

00:23:22,100 --> 00:23:17,520

state was all the blood removed did he

473

00:23:26,840 --> 00:23:22,110

do blood tests and she answered

474

00:23:30,410 --> 00:23:26,850

questions unless inspector Dave managed

475

00:23:34,550 --> 00:23:30,420

his name boss Bostock inspector Bostock

476

00:23:38,690 --> 00:23:34,560

gives their okay so it sounds like the

477

00:23:42,650 --> 00:23:38,700

confidentiality with it it's just coming

478

00:23:46,460 --> 00:23:42,660

up since she was already see it's

479

00:23:49,190 --> 00:23:46,470

shortened whether something was read to

480

00:23:52,550 --> 00:23:49,200

her from government or viable stunts

481

00:23:55,880 --> 00:23:52,560

from death row she's very pleasant

482

00:23:57,620 --> 00:23:55,890

Megan English and I printed off lots of

483

00:24:01,430 --> 00:23:57,630

online and printed off a lot of my

484

00:24:04,280 --> 00:24:01,440

backgrounds were very good so we sold

485

00:24:07,910 --> 00:24:04,290

something someone has since given me his

486

00:24:10,790 --> 00:24:07,920

private mobile phone number I'll pass it

487

00:24:13,220 --> 00:24:10,800

to Rich's ambassador mean so I tried

488

00:24:15,170 --> 00:24:13,230

I've run twice planning went into answer

489

00:24:17,690 --> 00:24:15,180

phones I thought I'm not going to say

490

00:24:19,250 --> 00:24:17,700

initially Who I am and what subject is

491

00:24:24,170 --> 00:24:19,260

because it's not the end time to think

492

00:24:26,090 --> 00:24:24,180

how to respond for ring back but him

493

00:24:29,600 --> 00:24:26,100

around nine in the back thinking one

494

00:24:31,400 --> 00:24:29,610

who's this number is so uh Richard keeps

495

00:24:34,340 --> 00:24:31,410

cheating me saying everyone bossed up

496

00:24:36,050 --> 00:24:34,350

again I mean found that number so I was

497

00:24:38,660 --> 00:24:36,060

going to pretend certain things

498

00:24:41,030 --> 00:24:38,670

forgetting on the phone because he's

499

00:24:43,250 --> 00:24:41,040

bound to say okay bloody number you know

500

00:24:45,910 --> 00:24:43,260

hustled first thing and the person who

501  
00:24:49,730 --> 00:24:45,920  
gave it obviously works with the RSPCA

502  
00:24:51,920 --> 00:24:49,740  
who know was Bostock so he wouldn't give

503  
00:24:55,760 --> 00:24:51,930  
Richard his name for fear of getting in

504  
00:24:57,110 --> 00:24:55,770  
lousiest job so that's how we deep it

505  
00:25:00,140 --> 00:24:57,120  
get you know it

506  
00:25:17,000 --> 00:25:00,150  
it's very difficult to extract the

507  
00:25:26,390 --> 00:25:17,010  
proper information she pen words

508  
00:25:29,230 --> 00:25:26,400  
everywhere yes one location Oh in case

509  
00:25:39,470 --> 00:25:29,240  
we went down to in Gloucestershire

510  
00:25:43,460 --> 00:25:39,480  
nearly 35 keep catching them with

511  
00:25:46,220 --> 00:25:43,470  
strange injuries not always classic like

512  
00:25:48,380 --> 00:25:46,230  
the one that one had a a couple down

513  
00:25:49,130 --> 00:25:48,390

from his skill that portorage wide like

514

00:25:52,010 --> 00:25:49,140

a slot

515

00:25:55,010 --> 00:25:52,020

I can see machine slot right down to his

516

00:25:57,770 --> 00:25:55,020

nose the poor animal was still alive he

517

00:26:00,080 --> 00:25:57,780

was breathing through this slot the

518

00:26:02,960 --> 00:26:00,090

farmer had to shoot it twice to put it

519

00:26:03,490 --> 00:26:02,970

down so I mean I've never seen that

520

00:26:06,860 --> 00:26:03,500

before

521

00:26:10,520 --> 00:26:06,870

so some had the draws shipment one to

522

00:26:13,550 --> 00:26:10,530

add the tongue cut off and that's the

523

00:26:16,310 --> 00:26:13,560

biggest number I've researched with

524

00:26:26,330 --> 00:26:16,320

ashes the mutilation case one on the

525

00:26:28,790 --> 00:26:26,340

missing piece not particularly no it was

526

00:26:32,120 --> 00:26:28,800

on my arm foster tipped me off

527

00:26:33,740 --> 00:26:32,130

we wasn't even know who super guard the

528

00:26:38,060 --> 00:26:33,750

universe was incident it had been on the

529

00:26:42,770 --> 00:26:38,070

local Bristol Southwest television and

530

00:26:47,090 --> 00:26:42,780

radio and I actually got the farmers

531

00:26:49,970 --> 00:26:47,100

London from the TV folk go around

532

00:26:53,920 --> 00:26:49,980

circles you know he gave the number on

533

00:26:57,290 --> 00:26:53,930

him so can you somebody and he had the

534

00:26:59,810 --> 00:26:57,300

total moves and he said have no idea so

535

00:27:02,300 --> 00:26:59,820

he he said right I'll ring you back

536

00:27:05,060 --> 00:27:02,310

again the number and I never expected to

537

00:27:05,720 --> 00:27:05,070

hear from him and withered about half an

538

00:27:08,810 --> 00:27:05,730

hour

539

00:27:11,930 --> 00:27:08,820

rebound death surprise saying for he

540

00:27:14,240 --> 00:27:11,940

right how did he know that that you know

541

00:27:16,700 --> 00:27:14,250

he's opened the mouth one or two of them

542

00:27:18,560 --> 00:27:16,710

and they said they're also asking about

543

00:27:21,280 --> 00:27:18,570

a drill strip and it was wrong as you're

544

00:27:23,810 --> 00:27:21,290

sure which was on that slideshow early

545

00:27:27,590 --> 00:27:23,820

so we went down to see I'm going to bury

546

00:27:30,050 --> 00:27:27,600

the moment they held up burying them and

547

00:27:32,000 --> 00:27:30,060

CID involved because of someone said the

548

00:27:37,010 --> 00:27:32,010

imagining gunshots and not to be shot

549

00:27:39,830 --> 00:27:37,020

and then we were there and CID again has

550

00:27:46,060 --> 00:27:39,840

had a chat but it got buried off then

551  
00:27:48,770 --> 00:27:46,070  
that events woman appeared from chest oh

552  
00:27:51,260 --> 00:27:48,780  
and be paid by the police

553  
00:27:55,040 --> 00:27:51,270  
supposedly to do some post mortem some

554  
00:27:56,900 --> 00:27:55,050  
radiography to see was evidence of metal

555  
00:28:02,470 --> 00:27:56,910  
fragments and skulls that proved the

556  
00:28:05,780 --> 00:28:02,480  
beam shot and she appeared in four drone

557  
00:28:08,060 --> 00:28:05,790  
you loaded well on the battered plumbing

558  
00:28:10,310 --> 00:28:08,070  
heavy things so I helped the Lord woman

559  
00:28:12,860 --> 00:28:10,320  
and herb garbage and she got a big knife

560  
00:28:13,430 --> 00:28:12,870  
and cut the heads off to just to x-ray

561  
00:28:16,370 --> 00:28:13,440  
their heads

562  
00:28:19,490 --> 00:28:16,380  
so she said when your lights and follow

563  
00:28:21,890 --> 00:28:19,500

us back to the veterinary practice I'm

564

00:28:24,650 --> 00:28:21,900

doing so which rule what a Chancellor

565

00:28:28,490 --> 00:28:24,660

yes please and so we were there and

566

00:28:30,260 --> 00:28:28,500

actually but Robert had a camera he got

567

00:28:32,690 --> 00:28:30,270

shattered to one of the young girls and

568

00:28:36,650 --> 00:28:32,700

so she put the camera and she's we're

569

00:28:40,250 --> 00:28:36,660

working away with a an Australian lady

570

00:28:43,910 --> 00:28:40,260

was training and you play investment we

571

00:28:46,310 --> 00:28:43,920

didn't work and she's gone away they're

572

00:28:50,090 --> 00:28:46,320

just who we might be doing after was a

573

00:28:52,640 --> 00:28:50,100

in autopsy she said I've seen she said

574

00:28:54,430 --> 00:28:52,650

that and he unfortunately didn't record

575

00:28:57,200 --> 00:28:54,440

it inconvenient was camera running

576

00:28:59,450 --> 00:28:57,210

so that was ruptured there's no

577

00:29:02,480 --> 00:28:59,460

repercussions from anybody on that

578

00:29:04,070 --> 00:29:02,490

and in any problem the flower was most

579

00:29:07,159 --> 00:29:04,080

annoyed in the end because the police

580

00:29:09,860 --> 00:29:07,169

soon as he found there's no evidence of

581

00:29:12,080 --> 00:29:09,870

firearms be used they lost interest and

582

00:29:14,000 --> 00:29:12,090

then the vest bill would tried to get

583

00:29:16,909 --> 00:29:14,010

the farmer to pay the pastor bill to the

584

00:29:26,480 --> 00:29:16,919

Varnum and he lost 35 animals and they

585

00:29:39,380 --> 00:29:26,490

wanted in frankly the vet school of the

586

00:29:40,880 --> 00:29:39,390

person yeah it's very hard to quantify

587

00:29:43,010 --> 00:29:40,890

so if you've got a lot of different

588

00:29:45,769 --> 00:29:43,020

researchers and investigators looking

589

00:29:47,659 --> 00:29:45,779

into looking into their own sightings to

590

00:29:49,100 --> 00:29:47,669

example eyes you know I deal with a lot

591

00:29:51,200 --> 00:29:49,110

of sightings around II in a West

592

00:29:53,090 --> 00:29:51,210

Midlands building area but also some

593

00:29:54,649 --> 00:29:53,100

further afield and some of those that

594

00:29:55,700 --> 00:29:54,659

come in at historical sightings are

595

00:29:57,409 --> 00:29:55,710

straight away you'd have to put that

596

00:30:00,620 --> 00:29:57,419

into question you don't have to look at

597

00:30:02,630 --> 00:30:00,630

new ones but again because I'm primarily

598

00:30:04,399 --> 00:30:02,640

focusing on ones around Birmingham I'm

599

00:30:06,620 --> 00:30:04,409

less aware of ones that are going on

600

00:30:08,419 --> 00:30:06,630

elsewhere in the country there is no one

601  
00:30:09,860 --> 00:30:08,429  
organisation as far as I'm aware no than

602  
00:30:12,080 --> 00:30:09,870  
the future gents know any difference

603  
00:30:14,120 --> 00:30:12,090  
which trying to collaborate between all

604  
00:30:16,039 --> 00:30:14,130  
those different groups and try to do

605  
00:30:18,200 --> 00:30:16,049  
some sort of counter of what's going on

606  
00:30:20,149 --> 00:30:18,210  
with this all I can say is still very

607  
00:30:22,279 --> 00:30:20,159  
prevalent any claims you've heard of

608  
00:30:24,350 --> 00:30:22,289  
anybody David Clark over saying that

609  
00:30:26,600 --> 00:30:24,360  
you're followed is dead and the signs

610  
00:30:27,440 --> 00:30:26,610  
aren't going on anymore is not cut down

611  
00:30:29,480 --> 00:30:27,450  
on the ground

612  
00:30:32,180 --> 00:30:29,490  
people like as erdan is the research and

613  
00:30:33,889 --> 00:30:32,190

we wouldn't we have nothing to do if

614

00:30:41,480 --> 00:30:33,899

there was no cases can one then really

615

00:30:42,169 --> 00:30:41,490

are yeah we want for yourself than

616

00:30:43,800 --> 00:30:42,179

ourselves

617

00:30:46,060 --> 00:30:43,810

it wouldn't be

618

00:30:47,890 --> 00:30:46,070

yeah that's another problem you see in

619

00:30:49,630 --> 00:30:47,900

trying to quantify is that yes the

620

00:30:51,820 --> 00:30:49,640

majority of sightings don't get reported

621

00:30:53,500 --> 00:30:51,830

to the media even some there even some

622

00:30:55,960 --> 00:30:53,510

of the bigger more impressive cases

623

00:30:57,280 --> 00:30:55,970

involve multiple witnesses contract

624

00:31:00,220 --> 00:30:57,290

cases that sort of thing how they ever

625

00:31:01,900 --> 00:31:00,230

appears in the papers usually the cases

626

00:31:03,400 --> 00:31:01,910

of dope here in the papers that you'll

627

00:31:06,490 --> 00:31:03,410

read about usually ones that can be

628

00:31:09,580 --> 00:31:06,500

other easily explained away as a Chinese

629

00:31:12,160 --> 00:31:09,590

lanterns or third such you know to try

630

00:31:13,390 --> 00:31:12,170

to solve installed apps or then you know

631

00:31:15,100 --> 00:31:13,400

the might talk about it like it's a

632

00:31:16,750 --> 00:31:15,110

positive slant but then and then tweet

633

00:31:19,450 --> 00:31:16,760

round and say I'll with an Arab load

634

00:31:23,430 --> 00:31:19,460

after all no worries go go about your

635

00:31:27,640 --> 00:31:25,930

okay so people I go I'll know to the

636

00:31:30,160 --> 00:31:27,650

triangles which appeared eighty-three

637

00:31:32,110 --> 00:31:30,170

years it in then eighty-three yeah I

638

00:31:35,290 --> 00:31:32,120

mean that that is an absolutely massive

639

00:31:38,110 --> 00:31:35,300

social involved in many many triangle

640

00:31:39,910 --> 00:31:38,120

shaped craft and dozens and dozens of

641

00:31:43,840 --> 00:31:39,920

witnesses must be one of the biggest

642

00:31:45,610 --> 00:31:43,850

things in Britain surely but it was

643

00:31:47,950 --> 00:31:45,620

reported on with the local newspaper for

644

00:31:49,900 --> 00:31:47,960

one not two nights and it's never been

645

00:31:51,850 --> 00:31:49,910

spoken about sensory but that's an

646

00:31:54,070 --> 00:31:51,860

actually massive cited an army people

647

00:31:56,680 --> 00:31:54,080

claim to see you know that among the

648

00:31:59,280 --> 00:31:56,690

witnesses that amount of crafts so there

649

00:32:01,210 --> 00:31:59,290

you go any other questions John

650

00:32:04,330 --> 00:32:01,220

follow-on from the last question really

651  
00:32:06,790 --> 00:32:04,340  
the mo D UFO FILES the final transfer

652  
00:32:08,530 --> 00:32:06,800  
sort of speeds now after the election

653  
00:32:10,570 --> 00:32:08,540  
and all the third appeal is gone to make

654  
00:32:13,000 --> 00:32:10,580  
there be any interesting revelations and

655  
00:32:15,400 --> 00:32:13,010  
absence it's supposedly all the five

656  
00:32:17,650 --> 00:32:15,410  
ministerial questions and all the other

657  
00:32:19,900 --> 00:32:17,660  
takeover has been conveniently lost

658  
00:32:21,130 --> 00:32:19,910  
until now and I'll think of it I think

659  
00:32:22,510 --> 00:32:21,140  
they'll do some interesting cases that

660  
00:32:25,840 --> 00:32:22,520  
will come out from it yeah

661  
00:32:27,880 --> 00:32:25,850  
I don't believe there'll be any so big

662  
00:32:29,890 --> 00:32:27,890  
one or you could sway the general

663  
00:32:32,080 --> 00:32:29,900

public's view I think some of the cases

664

00:32:33,730 --> 00:32:32,090

with a big evidence in would certainly

665

00:32:36,410 --> 00:32:33,740

be held back or there may reveal certain

666

00:32:37,760 --> 00:32:36,420

information when they say there it was

667

00:32:39,860 --> 00:32:37,770

revealing everything releasing

668

00:32:42,860 --> 00:32:39,870

everything how could you honestly 100%

669

00:32:45,800 --> 00:32:42,870

trust us as fact they can quite happily

670

00:32:47,930 --> 00:32:45,810

keep cases back and not release them and

671

00:32:48,950 --> 00:32:47,940

continue to investigate them for example

672

00:32:51,290 --> 00:32:48,960

they claim that they're no longer

673

00:32:55,130 --> 00:32:51,300

looking into the UFO subject I find that

674

00:32:56,420 --> 00:32:55,140

very very very unlikely and because if

675

00:32:58,060 --> 00:32:56,430

they've been looking into the subject

676

00:32:59,660 --> 00:32:58,070

since the forties or even before then

677

00:33:03,020 --> 00:32:59,670

why stop now

678

00:33:03,860 --> 00:33:03,030

and then know a lot more that's going on

679

00:33:06,620 --> 00:33:03,870

behind the scenes

680

00:33:08,390 --> 00:33:06,630

yeah but they they put it out that

681

00:33:10,430 --> 00:33:08,400

they've started so again so everybody

682

00:33:12,740 --> 00:33:10,440

can just think oh there's nothing in

683

00:33:14,330 --> 00:33:12,750

after all and then looking behind the

684

00:33:17,150 --> 00:33:14,340

scenes they can continue to do what they

685

00:33:18,650 --> 00:33:17,160

like and there's still big cases that

686

00:33:20,390 --> 00:33:18,660

you know they have evidence is covered

687

00:33:22,250 --> 00:33:20,400

up there are cases where people to send

688

00:33:24,860 --> 00:33:22,260

us suddenly claiming to be from the mi

689

00:33:27,080 --> 00:33:24,870

Dios es ein remember we'll turn up and

690

00:33:29,270 --> 00:33:27,090

we'll take away the key evidence radar

691

00:33:31,070 --> 00:33:29,280

recordings that sort of thing that is

692

00:33:32,030 --> 00:33:31,080

out there somewhere that's lots of ye in

693

00:33:33,830 --> 00:33:32,040

the depth of the bender going to

694

00:33:35,840 --> 00:33:33,840

wherever I put all this stuff there are

695

00:33:37,340 --> 00:33:35,850

groups of individuals right now who know

696

00:33:39,140 --> 00:33:37,350

about those who have their evidence and

697

00:33:40,460 --> 00:33:39,150

I'm pretty sure that they're not just

698

00:33:42,230 --> 00:33:40,470

putting it in a cardboard box and

699

00:33:44,000 --> 00:33:42,240

pretending that it doesn't exist is

700

00:33:45,590 --> 00:33:44,010

they'll be very very interested in

701  
00:33:47,630 --> 00:33:45,600  
trying to get to the bottom of what's

702  
00:33:50,300 --> 00:33:47,640  
going on with this and behind the scenes

703  
00:33:52,610 --> 00:33:50,310  
we have no clue really as to how have

704  
00:33:56,300 --> 00:33:52,620  
far long they've got with that and then

705  
00:33:59,660 --> 00:33:56,310  
a few Muller yeah I just think if we go

706  
00:34:02,720 --> 00:33:59,670  
anything literally crumbs from in a

707  
00:34:05,180 --> 00:34:02,730  
table really nothing substantial you

708  
00:34:08,060 --> 00:34:05,190  
know all the top evidence it secreted

709  
00:34:10,370 --> 00:34:08,070  
away places like I'm coming to know Leah

710  
00:34:12,649 --> 00:34:10,380  
right house and Air Force biopsy know

711  
00:34:15,110 --> 00:34:12,659  
where originally you know materials

712  
00:34:17,990 --> 00:34:15,120  
bodies or stored and various other

713  
00:34:20,450 --> 00:34:18,000

places and there was an archivist are

714

00:34:22,669 --> 00:34:20,460

done in fear of him was watch TM Project

715

00:34:25,700 --> 00:34:22,679

Camelot when Kerry Cassidy and bill

716

00:34:27,409 --> 00:34:25,710

rounded an interview of mister X we

717

00:34:30,050 --> 00:34:27,419

strangely died like within a couple of

718

00:34:32,840 --> 00:34:30,060

years and he was at the UFO crash

719

00:34:35,389 --> 00:34:32,850

retrieval conference again in Vegas and

720

00:34:38,750 --> 00:34:35,399

he claimed but he was an archivist and

721

00:34:40,940 --> 00:34:38,760

he you know was involved with storing

722

00:34:42,710 --> 00:34:40,950

all this information he even watched a

723

00:34:46,970 --> 00:34:42,720

15 other video in youtube he just

724

00:34:48,799 --> 00:34:46,980

tightens the X and you know each

725

00:34:50,569 --> 00:34:48,809

stranger died like within a couple years

726

00:34:52,819 --> 00:34:50,579

coming forward and interview is privy to

727

00:34:56,119 --> 00:34:52,829

all these files II had to log and

728

00:34:58,910 --> 00:34:56,129

looking at materials and photos yeah

729

00:35:02,809 --> 00:34:58,920

there's lots of sensational claims out

730

00:35:04,069 --> 00:35:02,819

there but the press you know I don't

731

00:35:07,069 --> 00:35:04,079

think we're ever going to get much from

732

00:35:10,670 --> 00:35:07,079

terms of you know really Jesus stories

733

00:35:13,370 --> 00:35:10,680

and I know Richard Doty steam-driven

734

00:35:16,430 --> 00:35:13,380

ebook which I'm partially ribs or

735

00:35:20,569 --> 00:35:16,440

sanctum really extravagant things about

736

00:35:24,500 --> 00:35:20,579

you know UFOs and you know such as the

737

00:35:27,529 --> 00:35:24,510

famous Ke\$ha London UFO into them in

738

00:35:29,620 --> 00:35:27,539

nineteen eighty you know saying like

739

00:35:32,589 --> 00:35:29,630

that was a back engineered your fire and

740

00:35:35,000 --> 00:35:32,599

you know they outfitted it of a nuclear

741

00:35:36,920 --> 00:35:35,010

reactor device so there is some

742

00:35:38,960 --> 00:35:36,930

interesting stories where we believe the

743

00:35:42,140 --> 00:35:38,970

evening either disinformation lies but

744

00:35:44,720 --> 00:35:42,150

yeah going back to the main story like I

745

00:35:46,880 --> 00:35:44,730

don't think we'll be seeing anything too

746

00:35:49,819 --> 00:35:46,890

spectacular it all seems to be very much

747

00:35:51,710 --> 00:35:49,829

controlled it is information information

748

00:35:53,510 --> 00:35:51,720

release but that's not the saver there

749

00:35:55,130 --> 00:35:53,520

might be people kind of took pressure on

750

00:35:57,529 --> 00:35:55,140

to get some information out there but I

751

00:36:02,029 --> 00:35:57,539

don't think we can seem to be

752

00:36:03,799 --> 00:36:02,039

sensational it's well cases I spoke

753

00:36:05,870 --> 00:36:03,809

about today are the missing

754

00:36:06,430 --> 00:36:05,880

documentation from Judge roll band for

755

00:36:08,960 --> 00:36:06,440

that month

756

00:36:11,630 --> 00:36:08,970

that's Avengers so they've obviously had

757

00:36:14,289 --> 00:36:11,640

to write or than someone and Roger Bank

758

00:36:16,609 --> 00:36:14,299

people and team were involved realize

759

00:36:18,380 --> 00:36:16,619

documented what had happened and what

760

00:36:20,420 --> 00:36:18,390

has happened to the rock the project

761

00:36:22,400 --> 00:36:20,430

they were using it at the time how it

762

00:36:24,890 --> 00:36:22,410

have been offensive that is obviously of

763

00:36:27,230 --> 00:36:24,900

interest so that's some technical

764

00:36:30,200 --> 00:36:27,240

hard evidence for the perils of being of

765

00:36:33,200 --> 00:36:30,210

the effects of UFOs being hovering over

766

00:36:36,109 --> 00:36:33,210

their facility and the RF cases from the

767

00:36:38,510 --> 00:36:36,119

1950s including runs and tourists case

768

00:36:41,269 --> 00:36:38,520

with 57 I mean that's dynamite

769

00:36:44,260 --> 00:36:41,279

here we've got a roadie ordering pilots

770

00:36:47,350 --> 00:36:44,270

to shoot down a UFO in our a space

771

00:36:49,900 --> 00:36:47,360

that's a way to move from i from

772

00:36:52,870 --> 00:36:49,910

tip switch on to the sea before we can

773

00:36:54,670 --> 00:36:52,880

risk firing as weapons at it and their

774

00:36:56,830 --> 00:36:54,680

answer is all the nineteen-fifties

775

00:37:00,130 --> 00:36:56,840

documentation is being destroyed so

776  
00:37:02,350 --> 00:37:00,140  
those are nothing in the mode to get to

777  
00:37:06,310 --> 00:37:02,360  
the ER I cube that's lots of the same

778  
00:37:08,800 --> 00:37:06,320  
and I don't believe that so the group

779  
00:37:12,670 --> 00:37:08,810  
captain Burgess is chatting with in

780  
00:37:14,410 --> 00:37:12,680  
shackles and Orleans Bloods within that

781  
00:37:15,670 --> 00:37:14,420  
with another one that disappeared and

782  
00:37:17,350 --> 00:37:15,680  
they're all interviewed all our

783  
00:37:20,770 --> 00:37:17,360  
interviews and reports were sent to

784  
00:37:24,210 --> 00:37:20,780  
London from Walter at the time and very

785  
00:37:28,350 --> 00:37:24,220  
forever as public incident on the media

786  
00:37:30,820 --> 00:37:28,360  
that's right you're against all the time

787  
00:37:32,590 --> 00:37:30,830  
it isn't to the advert I mean I don't

788  
00:37:33,940 --> 00:37:32,600

think authorities are more concerned

789

00:37:36,220 --> 00:37:33,950

that I mean they can probably accept

790

00:37:38,200 --> 00:37:36,230

people with counting stories but it's

791

00:37:41,080 --> 00:37:38,210

when people come forward as harder

792

00:37:42,940 --> 00:37:41,090

evidence of actual you know impressive

793

00:37:46,420 --> 00:37:42,950

your flow through it all but you know

794

00:37:49,030 --> 00:37:46,430

like the alien autopsy or something by

795

00:37:50,800 --> 00:37:49,040

that way if you do and I know it's

796

00:37:52,840 --> 00:37:50,810

controversial case like Stan Roman they

797

00:37:54,790 --> 00:37:52,850

would come up with some you know a very

798

00:37:56,620 --> 00:37:54,800

controversial character but when people

799

00:37:58,480 --> 00:37:56,630

seem to have like really strong evidence

800

00:38:00,280 --> 00:37:58,490

that's when men in black seems to shower

801  
00:38:02,080 --> 00:38:00,290  
all these government ages and they get

802  
00:38:04,210 --> 00:38:02,090  
harassed and some intimidated and

803  
00:38:06,310 --> 00:38:04,220  
threats are made so I think they're okay

804  
00:38:08,020 --> 00:38:06,320  
with people telling stories of the past

805  
00:38:10,320 --> 00:38:08,030  
and stuff of when you start you know

806  
00:38:14,350 --> 00:38:10,330  
actually presenting hardcore evidence of

807  
00:38:17,950 --> 00:38:14,360  
radar tapes gun camera footage and you

808  
00:38:19,780 --> 00:38:17,960  
know actual photos of aliens if you know

809  
00:38:21,190 --> 00:38:19,790  
something that could be proved like that

810  
00:38:24,160 --> 00:38:21,200  
that's when they get very sort of

811  
00:38:26,800 --> 00:38:24,170  
jumping and they actually start you know

812  
00:38:28,750 --> 00:38:26,810  
become a target person basing on that's

813  
00:38:31,150 --> 00:38:28,760

why I think happened in the end or alien

814

00:38:33,720 --> 00:38:31,160

autopsy my so he no one was speaking to

815

00:38:38,640 --> 00:38:33,730

speak to me about the other than this

816

00:38:42,120 --> 00:38:38,650

and yeah just wanted an exam point so

817

00:38:43,530 --> 00:38:42,130

I'm not from the other um the cases that

818

00:38:45,090 --> 00:38:43,540

tend to cover up yeah whether the

819

00:38:47,880 --> 00:38:45,100

military involvement might after that

820

00:38:50,340 --> 00:38:47,890

details of hundreds of UFO sightings UFO

821

00:38:53,190 --> 00:38:50,350

landings concert experiences and that's

822

00:38:55,500 --> 00:38:53,200

just put out there freely and I've had

823

00:38:57,240 --> 00:38:55,510

very very little backlash up there

824

00:38:59,250 --> 00:38:57,250

there's been a couple of small signs

825

00:39:01,020 --> 00:38:59,260

that we've been monitored but that's not

826

00:39:02,640 --> 00:39:01,030

surprising at all because if there is a

827

00:39:04,860 --> 00:39:02,650

cover-up involved they're going to be

828

00:39:07,950 --> 00:39:04,870

monitoring your folks such as the suit

829

00:39:09,390 --> 00:39:07,960

on and and just just to see how things

830

00:39:11,550 --> 00:39:09,400

are taking over see the information is

831

00:39:13,230 --> 00:39:11,560

going out there however it's a known

832

00:39:14,700 --> 00:39:13,240

fact if you look back from the cases

833

00:39:16,530 --> 00:39:14,710

where there has been trouble and people

834

00:39:18,570 --> 00:39:16,540

have been threatened it's usually got a

835

00:39:20,820 --> 00:39:18,580

military connection someone and what

836

00:39:22,530 --> 00:39:20,830

they don't like is the idea that they

837

00:39:25,200 --> 00:39:22,540

that there's information out there that

838

00:39:26,850 --> 00:39:25,210

this shows that they're covering up that

839

00:39:28,740 --> 00:39:26,860

they're there implicitly and they in a

840

00:39:30,270 --> 00:39:28,750

cover-up as if those cases well as

841

00:39:32,070 --> 00:39:30,280

military involvement does they'll

842

00:39:34,830 --> 00:39:32,080

generally try to put a lid on and clamp

843

00:39:36,240 --> 00:39:34,840

down on and depending on how how much

844

00:39:39,690 --> 00:39:36,250

they don't want that into the public

845

00:39:41,870 --> 00:39:39,700

will will determine how much force

846

00:39:43,830 --> 00:39:41,880

they're going to apply on that front and

847

00:39:45,450 --> 00:39:43,840

they usually don't do things like

848

00:39:48,690 --> 00:39:45,460

actually shoot people though they've

849

00:39:50,250 --> 00:39:48,700

said to threaten them with that but then

850

00:39:52,650 --> 00:39:50,260

if they're releasing information anyway

851

00:39:54,660 --> 00:39:52,660

then if they go in the head and shoot

852

00:39:55,650 --> 00:39:54,670

them then it works the opposite effects

853

00:39:57,240 --> 00:39:55,660

because it makes them look like a

854

00:39:58,680 --> 00:39:57,250

mushroom is another most of them must

855

00:40:00,900 --> 00:39:58,690

have been talking about something real

856

00:40:03,450 --> 00:40:00,910

and if they've been shot and that would

857

00:40:04,590 --> 00:40:03,460

work against them so if they're brave

858

00:40:06,780 --> 00:40:04,600

enough and they're released information

859

00:40:09,660 --> 00:40:06,790

anyway they can't do a thing about it so

860

00:40:10,920 --> 00:40:09,670

it's usually just threat that they're

861

00:40:12,570 --> 00:40:10,930

going to do something if some news

862

00:40:14,100 --> 00:40:12,580

doesn't shut up and we don't know about

863

00:40:16,020 --> 00:40:14,110

the Amanar cases out there that may have

864

00:40:18,660 --> 00:40:16,030

gone to the public but people have been

865

00:40:20,250 --> 00:40:18,670

just contacted bustling in the military

866

00:40:22,350 --> 00:40:20,260

and it's just been clamped down and

867

00:40:24,330 --> 00:40:22,360

we're never going to hear about that

868

00:40:26,520 --> 00:40:24,340

please better they were being worried

869

00:40:28,350 --> 00:40:26,530

about their pensions suddenly italy and

870

00:40:30,210 --> 00:40:28,360

all the witnesses in the military

871

00:40:31,590 --> 00:40:30,220

community they're too scared to come

872

00:40:33,360 --> 00:40:31,600

forward what they know because they're

873

00:40:36,660 --> 00:40:33,370

scared of ramifications for them and

874

00:40:38,320 --> 00:40:36,670

their family with a financial or or on

875

00:40:40,540 --> 00:40:38,330

their life

876

00:40:46,350 --> 00:40:40,550

fantasy but it's what we what would

877

00:40:51,010 --> 00:40:46,360

constantly fighting against so to say

878

00:40:53,890 --> 00:40:51,020

and disenchanted with Americans I'm

879

00:40:55,630 --> 00:40:53,900

talking about Americanized Brits and

880

00:40:58,870 --> 00:40:55,640

Nick Redford's one unfortunately and

881

00:41:01,330 --> 00:40:58,880

here in well when he was the chairman of

882

00:41:05,170 --> 00:41:01,340

strategy UFO group and I gave a talk

883

00:41:08,440 --> 00:41:05,180

there on crops ins on UFOs emotions and

884

00:41:11,410 --> 00:41:08,450

there's a conference in Leeds of Graham

885

00:41:16,600 --> 00:41:11,420

versus in 2001 with suffering having a

886

00:41:19,330 --> 00:41:16,610

Chinese meal with the two son brother

887

00:41:24,040 --> 00:41:19,340

China the dad and son who investigated

888

00:41:27,130 --> 00:41:24,050

ender intron for books yes and Nate

889

00:41:28,990 --> 00:41:27,140

sis's oppositely saying however it sort

890

00:41:32,080 --> 00:41:29,000

of the military Indian boots I mean I

891

00:41:36,460 --> 00:41:32,090

did a lecture dreams tingling hug people

892

00:41:38,080 --> 00:41:36,470

that live in Delhi and he came out on

893

00:41:39,850 --> 00:41:38,090

that and I think because he's very

894

00:41:42,760 --> 00:41:39,860

living in America now is my Road

895

00:41:48,010 --> 00:41:42,770

American Lance you get him along with

896

00:41:51,130 --> 00:41:48,020

other animal researchers and what say oh

897

00:41:53,020 --> 00:41:51,140

it's military operations most of it and

898

00:41:55,930 --> 00:41:53,030

the worst offender is to talk to Steven

899

00:41:58,330 --> 00:41:55,940

Greer now he doesn't want people to

900

00:42:00,790 --> 00:41:58,340

think aliens are danger them and help

901  
00:42:02,860 --> 00:42:00,800  
them unhappy and they're you know bad

902  
00:42:06,550 --> 00:42:02,870  
bad guys because he there lots of

903  
00:42:08,620 --> 00:42:06,560  
dollars really need citing communication

904  
00:42:10,360 --> 00:42:08,630  
trips in them are emails from you know

905  
00:42:13,660 --> 00:42:10,370  
he's doing all the time which is a good

906  
00:42:17,380 --> 00:42:13,670  
financial think of him and here's

907  
00:42:19,870 --> 00:42:17,390  
another one who's saying the the risen

908  
00:42:25,360 --> 00:42:19,880  
by aliens mutilating animals are worthy

909  
00:42:27,460 --> 00:42:25,370  
of human beings and it's American

910  
00:42:29,800 --> 00:42:27,470  
influence I mean they call shots and

911  
00:42:34,120 --> 00:42:29,810  
what the policy is all this sort of

912  
00:42:36,340 --> 00:42:34,130  
Concord and Greer is I don't trust it

913  
00:42:42,979 --> 00:42:36,350

you know I think has got also very

914

00:42:49,380 --> 00:42:47,880

anybody else before we close no I just

915

00:42:50,999 --> 00:42:49,390

like to thank every one of you for

916

00:42:53,039 --> 00:42:51,009

cotillion out today thank you very much

917

00:42:54,269 --> 00:42:53,049

indeed and I'd really like to thank

918

00:42:56,670 --> 00:42:54,279

these three gentlemen you'll catch

919

00:42:58,529 --> 00:42:56,680

travel some not inconsiderable distance

920

00:43:00,160 --> 00:42:58,539

that they could be with us so thanks so

921

00:43:00,400 --> 00:43:00,170

much Andy Chen
