

1
00:00:21,420 --> 00:00:17,010
the corner of that field there goes

2
00:00:26,550 --> 00:00:21,430
along that it's that way around and we

3
00:00:30,060 --> 00:00:26,560
are here so so David saw I saw you mark

4
00:01:07,529 --> 00:00:30,070
saw I figured two figures walk in that

5
00:01:13,380 --> 00:01:07,539
way arms up in the gate and you couldn't

6
00:01:14,820 --> 00:01:13,390
remember notice in the okay we're on

7
00:01:17,430 --> 00:01:14,830
location and emmalin's going to now

8
00:01:19,620 --> 00:01:17,440
explain us this map here that explains

9
00:01:24,330 --> 00:01:19,630
the layout where they the corner of that

10
00:01:31,440 --> 00:01:24,340
field there just along that it's that

11
00:01:35,460 --> 00:01:31,450
way runs and we are here so so David saw

12
00:01:37,410 --> 00:01:35,470
so he mark saw I figured two figures

13
00:01:38,729 --> 00:01:37,420

walk in that way one of which had his

14

00:01:41,309 --> 00:01:38,739

arms up in the air or they were right by

15

00:01:43,249 --> 00:01:41,319

this spot here Emlyn and Mike are gonna

16

00:01:46,469 --> 00:01:43,259

try and reenact the path that these two

17

00:01:48,510 --> 00:01:46,479

the two humanoid figures two humanoid

18

00:02:01,780 --> 00:01:48,520

figures were walking when they were in

19

00:02:20,020 --> 00:02:06,260

so this is roughly the path that they

20

00:02:34,580 --> 00:02:27,050

yeah smile boys you described what they

21

00:02:36,530 --> 00:02:34,590

were wearing it was all grey suits all

22

00:02:41,270 --> 00:02:36,540

grey suits completely covered in the

23

00:02:43,460 --> 00:02:41,280

heads and buddy it was at dusk so there

24

00:02:52,130 --> 00:02:43,470

was diminishing light okay so so parts

25

00:02:53,780 --> 00:02:52,140

of my body then okay the legs just

26
00:02:55,430 --> 00:02:53,790
basically they were wearing clothes that

27
00:02:59,360 --> 00:02:55,440
were not normal attire for this area

28
00:03:01,160 --> 00:02:59,370
were they not to mention traveling in a

29
00:03:02,630 --> 00:03:01,170
vehicle with a UFO can be done alone

30
00:03:04,790 --> 00:03:02,640
yeah not traveling in a vehicle you

31
00:03:05,479 --> 00:03:04,800
would expect to see on a road or a field

32
00:03:09,410 --> 00:03:05,489
yeah

33
00:03:23,090 --> 00:03:09,420
and Pat Owen saw three figures in the

34
00:03:25,190 --> 00:03:23,100
corner of Patricia Patricia hats

35
00:03:43,310 --> 00:03:25,200
yeah pull it up laughter can you tell us

36
00:03:46,580 --> 00:03:43,320
exactly what you saw in the other field

37
00:03:50,289 --> 00:03:46,590
yeah feels a bit better yeah what do

38
00:03:54,320 --> 00:03:50,299

these figures look like I don't know

39

00:03:56,449 --> 00:03:54,330

obviously it's an foot 7 foot yeah what

40

00:04:06,649 --> 00:03:56,459

were they wearing like a silver sorts

41

00:04:06,659 --> 00:05:20,270

the other thing is horses

42

00:05:25,800 --> 00:05:24,089

Pat Owen lived in that house heard the

43

00:05:26,909 --> 00:05:25,810

kids came up to us she was 10 let's say

44

00:05:28,920 --> 00:05:26,919

the house and said oh there's a flying

45

00:05:32,219 --> 00:05:28,930

saucer and she ran into the house

46

00:05:35,219 --> 00:05:32,229

upstairs and that's when she saw the

47

00:05:37,529 --> 00:05:35,229

three tall men walking parallel to a

48

00:05:42,000 --> 00:05:37,539

Hawthorne edge which is here that's

49

00:05:44,730 --> 00:05:42,010

that's Hawthorne and she she observed

50

00:05:47,520 --> 00:05:44,740

them for two minutes walking side by

51
00:05:50,070 --> 00:05:47,530
side up an Inc inclined field which is

52
00:05:51,360 --> 00:05:50,080
that field there I mean again in there

53
00:05:53,490 --> 00:05:51,370
she doesn't say oh it was just the

54
00:05:55,620 --> 00:05:53,500
farmer or kids messing around this is

55
00:05:55,820 --> 00:05:55,630
definitely something you don't see every

56
00:05:58,140 --> 00:05:55,830
day

57
00:06:00,930 --> 00:05:58,150
especially in your local area file he's

58
00:06:03,060 --> 00:06:00,940
not that far behind far away people in

59
00:06:04,529 --> 00:06:03,070
the area of familiar with seeing

60
00:06:11,920 --> 00:06:04,539
military aircraft and helicopters flying

61
00:06:34,930 --> 00:06:11,930
around so mm-hmm so boys are living here

62
00:06:41,230 --> 00:06:34,940
and socket nothing it's upstairs so the

63
00:06:45,939 --> 00:06:41,240

military were in the area no way our

64

00:06:48,330 --> 00:06:45,949

scene no emotion yeah reminds me of

65

00:06:52,980 --> 00:06:48,340

brought Haven to a degree because

66

00:06:56,409 --> 00:06:52,990

humanoids had been seen in a field mmm

67

00:06:58,029 --> 00:06:56,419

similar somewhere in what way what do

68

00:07:03,570 --> 00:06:58,039

you well

69

00:07:06,430 --> 00:07:03,580

like where it suits advocated in a field

70

00:07:09,490 --> 00:07:06,440

like the were dead boredom was just up

71

00:07:13,770 --> 00:07:09,500

from Haven for hotel that was a similar

72

00:07:14,980 --> 00:07:13,780

case that was in a field timeline 8:15

73

00:07:18,520 --> 00:07:14,990

mark

74

00:07:19,839 --> 00:07:18,530

Hesketh saw the like descending 2021 he

75

00:07:23,490 --> 00:07:19,849

saw the two figures walking across the

76

00:07:26,529 --> 00:07:23,500

field six foot tall

77

00:07:27,700 --> 00:07:26,539

alright then by saw Mike just made a

78

00:07:30,310 --> 00:07:27,710

valid point when we were doing that

79

00:07:32,529 --> 00:07:30,320

little reenactment but if this is the

80

00:07:34,120 --> 00:07:32,539

direction they turned towards the most

81

00:07:37,029 --> 00:07:34,130

likely direction they were heading its

82

00:07:39,850 --> 00:07:37,039

towards maybe there's a gate just down

83

00:07:41,800 --> 00:07:39,860

by there so that's most likely the

84

00:07:45,129 --> 00:07:41,810

direction they were heading probably

85

00:07:49,089 --> 00:07:45,139

most likely back to their craft or means

86

00:07:53,050 --> 00:07:49,099

of transport for that day all right so

87

00:07:56,020 --> 00:07:53,060

this is roughly the field where the

88

00:07:59,379 --> 00:07:56,030

witnesses said they saw the craft is it

89

00:08:03,790 --> 00:07:59,389

or the lights that the lights that had

90

00:08:05,290 --> 00:08:03,800

that white below shaped oh that's right

91

00:08:10,500 --> 00:08:05,300

yeah they said they saw something coming

92

00:08:13,810 --> 00:08:10,510

down and it was bullet shaped and it was

93

00:08:16,260 --> 00:08:13,820

one was a boy twelve years old alien

94

00:08:17,409 --> 00:08:16,270

Williams and this was rockin evening

95

00:08:20,500 --> 00:08:17,419

okay

96

00:08:23,379 --> 00:08:20,510

we saw circular craft emitting a bright

97

00:08:25,210 --> 00:08:23,389

light descending fifteen minutes later

98

00:08:28,210 --> 00:08:25,220

that's when mark esketh

99

00:08:30,700 --> 00:08:28,220

his France saw this bullet-shaped bright

100

00:08:33,159 --> 00:08:30,710

white light with a glowing red bander on

101
00:08:36,250 --> 00:08:33,169
the perimeter with red lights across the

102
00:08:38,380 --> 00:08:36,260
breadth of the object near nearing

103
00:08:41,140 --> 00:08:38,390
ground level you notice there are two

104
00:08:43,320 --> 00:08:41,150
protrusions one each side landing behind

105
00:08:45,640 --> 00:08:43,330
trees which would have been those trees

106
00:08:48,880 --> 00:08:45,650
there's no distance oh yeah

107
00:08:53,080 --> 00:08:48,890
at the same time as that a Patricia

108
00:08:57,040 --> 00:08:53,090
Perry was 27 living in the estate so on

109
00:09:02,290 --> 00:08:57,050
all the lights silver white descending

110
00:09:05,680 --> 00:09:02,300
and revolving slowly moving off to the

111
00:09:15,580 --> 00:09:05,690
southwest I'm descending slowly so she

112
00:09:21,370 --> 00:09:15,590
probably saw the same object does about

113
00:09:25,570 --> 00:09:21,380

six o'clock her husband told me you were

114

00:09:29,200 --> 00:09:25,580

quite shaken up with the incident there

115

00:09:31,390 --> 00:09:29,210

was not military activity in two or

116

00:09:33,100 --> 00:09:31,400

three days fallen in MA so this is

117

00:09:34,840 --> 00:09:33,110

another case where a little first of

118

00:09:37,030 --> 00:09:34,850

September in the evening and on the

119

00:09:39,250 --> 00:09:37,040

early morning of the 3rd of September it

120

00:09:41,140 --> 00:09:39,260

was a loud explosion here again another

121

00:09:45,190 --> 00:09:41,150

man who didn't want to give his name at

122

00:09:46,840 --> 00:09:45,200

the time so if we just clarify something

123

00:09:48,190 --> 00:09:46,850

op there's a lot of activity happening

124

00:09:50,740 --> 00:09:48,200

down there yeah we just clarify

125

00:09:53,230 --> 00:09:50,750

something there we've seen a lot of

126

00:09:54,730 --> 00:09:53,240

cases now all totally different from

127

00:09:56,770 --> 00:09:54,740

each other but a couple of similarities

128

00:09:59,220 --> 00:09:56,780

and things that correspond military loud

129

00:10:03,280 --> 00:09:59,230

explosions and lights in the sky in

130

00:10:04,840 --> 00:10:03,290

occasionally you know you see people

131

00:10:06,910 --> 00:10:04,850

maybe strange people walking in the

132

00:10:10,300 --> 00:10:06,920

field but what it all means

133

00:10:11,829 --> 00:10:10,310

who knows but well it's not something

134

00:10:30,120 --> 00:10:11,839

that is something random there is

135

00:10:32,800 --> 00:10:30,130

definitely a pattern to it on that one

136

00:10:36,220 --> 00:10:32,810

that's know the rest of them could have

137

00:10:38,140 --> 00:10:36,230

been there and there was some

138

00:10:40,840 --> 00:10:38,150

investigators

139

00:10:54,170 --> 00:10:40,850

yeah

140

00:10:56,540 --> 00:10:54,180

I'll be the first wants to bother you

141

00:11:00,380 --> 00:10:56,550

after the event no no no well there's

142

00:11:03,950 --> 00:11:00,390

been a few of the girls they read the

143

00:11:07,060 --> 00:11:03,960

film aa few weeks ago the girl is living

144

00:11:18,230 --> 00:11:07,070

here now she was in the film which was

145

00:11:21,800 --> 00:11:18,240

taking the kids sides yeah do you

146

00:11:33,370 --> 00:11:21,810

remember the title of the film no have
