

1  
00:00:13,610 --> 00:00:09,110  
okay good evening ladies and gentlemen

2  
00:00:14,990 --> 00:00:13,620  
welcome to the June meeting of sofa I'm

3  
00:00:16,760 --> 00:00:15,000  
afraid we don't have the pleasure of

4  
00:00:19,010 --> 00:00:16,770  
Emlyn with us tonight he's apparently

5  
00:00:21,560 --> 00:00:19,020  
putting on makeup and ladies dresses

6  
00:00:23,720 --> 00:00:21,570  
again he tells me it's for a dress

7  
00:00:25,099 --> 00:00:23,730  
rehearsal freeze latest stage production

8  
00:00:27,230 --> 00:00:25,109  
but I don't know it all seems to be

9  
00:00:29,870 --> 00:00:27,240  
getting a little bit too frequent for my

10  
00:00:33,140 --> 00:00:29,880  
liking anyway you should show up about

11  
00:00:36,410 --> 00:00:33,150  
10-ish so keep an eye out for leftover

12  
00:00:38,479 --> 00:00:36,420  
lipstick on his face okay now if

13  
00:00:40,729 --> 00:00:38,489

anyone's a palace sky watch shall

14

00:00:43,100 --> 00:00:40,739

certainly be a Kevin Bryn 9:00 p.m. the

15

00:00:45,020 --> 00:00:43,110

Saturday evening

16

00:00:47,780 --> 00:00:45,030

if you want to come down for a few hours

17

00:00:51,259 --> 00:00:47,790

you'll be made very welcome it'll be by

18

00:00:53,119 --> 00:00:51,269

King Arthur stone just done by there

19

00:00:54,710 --> 00:00:53,129

just a reminder there's a voluntary

20

00:00:56,270 --> 00:00:54,720

donation box at the back of the hall

21

00:00:59,840 --> 00:00:56,280

that's how we managed to bring you the

22

00:01:02,689 --> 00:00:59,850

guest speakers that we do so let's turn

23

00:01:05,299 --> 00:01:02,699

to tonight's event tonight I have the

24

00:01:08,510 --> 00:01:05,309

pleasure of introducing you to mr. Andy

25

00:01:10,760 --> 00:01:08,520

Thomas now I know that a few you already

26  
00:01:12,530 --> 00:01:10,770  
seen Andy at other venues and therefore

27  
00:01:15,110 --> 00:01:12,540  
you'll know what to expect for those of

28  
00:01:18,230 --> 00:01:15,120  
you who don't I'll tell you a little bit

29  
00:01:21,740 --> 00:01:18,240  
about our guest if I get it wrong I do

30  
00:01:22,160 --> 00:01:21,750  
apologize beforehand well where do we

31  
00:01:26,060 --> 00:01:22,170  
start

32  
00:01:27,740 --> 00:01:26,070  
Andy is renowned around the world for us

33  
00:01:29,990 --> 00:01:27,750  
being one of Britain's most prolific

34  
00:01:35,200 --> 00:01:30,000  
authors and lecturers on unexplained

35  
00:01:39,620 --> 00:01:35,210  
mysteries conspiracies global cover-ups

36  
00:01:41,149 --> 00:01:39,630  
histories and British folklore those

37  
00:01:42,800 --> 00:01:41,159  
delivered literally thousands of

38  
00:01:46,670 --> 00:01:42,810

lectures around the world including

39

00:01:50,660 --> 00:01:46,680

America Australia Brazil Peru Denmark

40

00:01:52,670 --> 00:01:50,670

and several European countries he's

41

00:01:55,670 --> 00:01:52,680

appeared on many television programs in

42

00:01:57,620 --> 00:01:55,680

court including GMTV the one show

43

00:01:59,230 --> 00:01:57,630

Richard and Judy I think now right isn't

44

00:02:02,149 --> 00:01:59,240

it yeah thank you

45

00:02:04,100 --> 00:02:02,159

and he's also the author of over a dozen

46

00:02:04,620 --> 00:02:04,110

best-selling books including the truth

47

00:02:07,410 --> 00:02:04,630

again

48

00:02:10,889 --> 00:02:07,420

the conspiracies and introduction to

49

00:02:13,430 --> 00:02:10,899

crop circles and vital signs which is a

50

00:02:17,790 --> 00:02:13,440

complete guide to the crop circle

51  
00:02:20,309 --> 00:02:17,800  
phenomena now there'll be some books

52  
00:02:22,440 --> 00:02:20,319  
that you can have a look at on the table

53  
00:02:24,180 --> 00:02:22,450  
to my left your right there in that

54  
00:02:27,780 --> 00:02:24,190  
intermission if you want have a look at

55  
00:02:31,110 --> 00:02:27,790  
those I think I'm right in saying that

56  
00:02:34,530 --> 00:02:31,120  
he himself has actually had a few

57  
00:02:37,350 --> 00:02:34,540  
strange visual experiences whilst being

58  
00:02:38,970 --> 00:02:37,360  
present in crop circles and he's also

59  
00:02:41,009 --> 00:02:38,980  
undergone a number of paranormal

60  
00:02:42,630 --> 00:02:41,019  
experiences so what he's going to talk

61  
00:02:43,650 --> 00:02:42,640  
about those tonight I don't know but if

62  
00:02:46,770 --> 00:02:43,660  
you want to have a chat with him in the

63  
00:02:49,020 --> 00:02:46,780

break I'm sure you the light knew and

64

00:02:51,420 --> 00:02:49,030

he's the co emcee for the annual

65

00:02:53,280 --> 00:02:51,430

Glastonbury symposium at which I know a

66

00:02:56,250 --> 00:02:53,290

few of you have been in attendance in

67

00:02:58,080 --> 00:02:56,260

the past now I know there's quite a few

68

00:02:59,910 --> 00:02:58,090

people here know loved our part of the

69

00:03:04,259 --> 00:02:59,920

country as much as I do there's one

70

00:03:06,449 --> 00:03:04,269

sitting over there the conference covers

71

00:03:10,979 --> 00:03:06,459

such subjects as crop circles UFOs

72

00:03:13,080 --> 00:03:10,989

conspiracies metaphysics etc if anyone's

73

00:03:16,380 --> 00:03:13,090

interested go to this year's it's been

74

00:03:19,830 --> 00:03:16,390

held from Friday the 27th to Sunday the

75

00:03:21,539 --> 00:03:19,840

29th of July I think Gandhi you'll be

76

00:03:24,330 --> 00:03:21,549

doing the introductions there and he's

77

00:03:26,940 --> 00:03:24,340

actually talking himself on the Saturday

78

00:03:27,960 --> 00:03:26,950

I think it is isn't it yeah right so

79

00:03:29,670 --> 00:03:27,970

that hopefully that'll give you a little

80

00:03:32,250 --> 00:03:29,680

bit of an insight as to what you might

81

00:03:34,890 --> 00:03:32,260

expect tonight so without further ado as

82

00:03:39,270 --> 00:03:34,900

they say may I present you with mr. Andy

83

00:03:49,650 --> 00:03:47,340

oh well thank you very much for inviting

84

00:03:52,140 --> 00:03:49,660

me here I appreciate that

85

00:03:54,690 --> 00:03:52,150

now I understand and would imagine that

86

00:03:57,150 --> 00:03:54,700

you're fairly kind of all-knowing about

87

00:03:59,190 --> 00:03:57,160

many of these subjects already you've

88

00:04:01,860 --> 00:03:59,200

been running for a while and some of

89

00:04:05,370 --> 00:04:01,870

what I'm gonna do today will be familiar

90

00:04:08,010 --> 00:04:05,380

to you but what I hope to do is to give

91

00:04:09,300 --> 00:04:08,020

it a bit of a wider context and we're

92

00:04:12,660 --> 00:04:09,310

going to talk about all kinds of stuff

93

00:04:15,620 --> 00:04:12,670

and trying to see where it all joins

94

00:04:18,870 --> 00:04:15,630

together and one of the things that I do

95

00:04:21,900 --> 00:04:18,880

which I think he is perhaps not done

96

00:04:24,390 --> 00:04:21,910

enough is I tried desperately to get

97

00:04:27,030 --> 00:04:24,400

this kind of material out to the wider

98

00:04:30,300 --> 00:04:27,040

world and I'm lucky enough to be able to

99

00:04:32,190 --> 00:04:30,310

address all kinds of audiences who are

100

00:04:34,920 --> 00:04:32,200

generally skeptical because they are

101  
00:04:36,630 --> 00:04:34,930  
trained to be skeptical and that's one

102  
00:04:38,730 --> 00:04:36,640  
of the issues that we've got the

103  
00:04:40,820 --> 00:04:38,740  
mainstream media as most of you here

104  
00:04:43,350 --> 00:04:40,830  
know for instance is heavily biased

105  
00:04:46,260 --> 00:04:43,360  
against anything that is considered

106  
00:04:48,510 --> 00:04:46,270  
alternative and what I want to do as I

107  
00:04:49,980 --> 00:04:48,520  
threat my way through this is look at

108  
00:04:52,469 --> 00:04:49,990  
some of the evidence some of which you

109  
00:04:56,370 --> 00:04:52,479  
will know as I say some of which may

110  
00:04:59,540 --> 00:04:56,380  
also be new and see to a large degree

111  
00:05:03,750 --> 00:04:59,550  
how this has been treated culturally and

112  
00:05:06,630 --> 00:05:03,760  
perhaps to try to solidify why it is

113  
00:05:09,180 --> 00:05:06,640

that we don't talk about it enough and

114

00:05:11,640 --> 00:05:09,190

it's interesting to see how all of that

115

00:05:12,480 --> 00:05:11,650

work so that's the essence of what we're

116

00:05:14,279 --> 00:05:12,490

doing tonight

117

00:05:16,920 --> 00:05:14,289

and the reason I'm beginning with the

118

00:05:19,409 --> 00:05:16,930

pyramids is just to make a simple point

119

00:05:21,420 --> 00:05:19,419

now we can be here all night and talk

120

00:05:23,240 --> 00:05:21,430

about ancient aliens and all of this and

121

00:05:27,090 --> 00:05:23,250

we'll do a bit of that later on but

122

00:05:30,420 --> 00:05:27,100

let's just take one very basic thing

123

00:05:31,770 --> 00:05:30,430

about the crop circles and the UFOs and

124

00:05:34,320 --> 00:05:31,780

the pyramids and all of these things

125

00:05:36,480 --> 00:05:34,330

right that we will be talking about and

126

00:05:39,750 --> 00:05:36,490

just sort of look at one aspect of them

127

00:05:43,140 --> 00:05:39,760

so here we see something that we're all

128

00:05:45,690 --> 00:05:43,150

told that we understand we know when

129

00:05:46,110 --> 00:05:45,700

pyramids were made we know why they were

130

00:05:51,480 --> 00:05:46,120

made

131

00:05:53,730 --> 00:05:51,490

yeah of course there is so much we

132

00:05:56,070 --> 00:05:53,740

simply don't know but that's not the way

133

00:05:57,930 --> 00:05:56,080

that itself it's sold to us but it's all

134

00:05:59,700 --> 00:05:57,940

very easily explained and let's just

135

00:06:03,629 --> 00:05:59,710

take the hell never mind anything else

136

00:06:06,390 --> 00:06:03,639

that's how we were usually told that the

137

00:06:11,640 --> 00:06:06,400

pyramids were made we always see these a

138

00:06:14,340 --> 00:06:11,650

huge ramps gigantic masonry ramps going

139

00:06:15,990 --> 00:06:14,350

up to the tops of the pyramids and you

140

00:06:18,930 --> 00:06:16,000

see all these people hauling them up

141

00:06:21,360 --> 00:06:18,940

there now the issue around that is that

142

00:06:23,460 --> 00:06:21,370

of course therefore these ramps would

143

00:06:25,320 --> 00:06:23,470

have been almost as big as the pyramids

144

00:06:27,300 --> 00:06:25,330

themselves so you would have thought

145

00:06:30,420 --> 00:06:27,310

they would have left some kind of trace

146

00:06:32,400 --> 00:06:30,430

or at least some you know foundation

147

00:06:35,310 --> 00:06:32,410

mark that an infrared camera might pick

148

00:06:37,110 --> 00:06:35,320

up well no no actually if there's

149

00:06:39,779 --> 00:06:37,120

nothing but when they've looked around

150

00:06:41,490 --> 00:06:39,789

the pyramids with all kinds of scanning

151  
00:06:46,439 --> 00:06:41,500  
equipment there's nothing there's no

152  
00:06:48,210 --> 00:06:46,449  
trace of any such ramp so of course you

153  
00:06:51,210 --> 00:06:48,220  
know many people believe there are lost

154  
00:06:53,310 --> 00:06:51,220  
arts but even when engineers come along

155  
00:06:56,370 --> 00:06:53,320  
gentlemen like this man the

156  
00:06:59,600 --> 00:06:56,380  
award-winning engineer the the frenchman

157  
00:07:02,370 --> 00:06:59,610  
jean pierre who damn now even when he

158  
00:07:03,839 --> 00:07:02,380  
came along and questioned this theory

159  
00:07:05,969 --> 00:07:03,849  
about external ramps

160  
00:07:09,390 --> 00:07:05,979  
it didn't get treated very well and this

161  
00:07:12,240 --> 00:07:09,400  
is a really good illustration of how the

162  
00:07:14,490 --> 00:07:12,250  
mainstream treats anybody that comes out

163  
00:07:17,550 --> 00:07:14,500

with something that appears to question

164

00:07:20,909 --> 00:07:17,560

the status quo so he has come up with a

165

00:07:23,640 --> 00:07:20,919

theory that a kind of a spiral ramp was

166

00:07:25,950 --> 00:07:23,650

built and they then built around the

167

00:07:28,439 --> 00:07:25,960

pyramids now there is actually more

168

00:07:30,659 --> 00:07:28,449

physical evidence to support that theory

169

00:07:33,029 --> 00:07:30,669

and it's only a theory yes but there's

170

00:07:34,830 --> 00:07:33,039

more evidence to support that than the

171

00:07:36,150 --> 00:07:34,840

external ramps theory and we're leaving

172

00:07:38,700 --> 00:07:36,160

aside for the time being

173

00:07:40,770 --> 00:07:38,710

levitation on all of that although many

174

00:07:43,290 --> 00:07:40,780

people of course believe that may well

175

00:07:45,570 --> 00:07:43,300

have been involved but now even this

176

00:07:48,480 --> 00:07:45,580

seemingly reasonable theory was not

177

00:07:51,240 --> 00:07:48,490

heard out so he has been treated as a

178

00:07:53,040 --> 00:07:51,250

heretic and a maverick and that word

179

00:07:54,480 --> 00:07:53,050

they like to reserve for anybody that

180

00:07:58,560 --> 00:07:54,490

comes up with this kind of stuff

181

00:08:00,149 --> 00:07:58,570

appear immediate which is it says it all

182

00:08:02,430 --> 00:08:00,159

doesn't it really that the fact that

183

00:08:04,740 --> 00:08:02,440

they can even have that term tells you a

184

00:08:07,830 --> 00:08:04,750

lot about the attitude so this is

185

00:08:10,230 --> 00:08:07,840

typical even reasonable alternative

186

00:08:13,440 --> 00:08:10,240

theories to mainstream stuff that they

187

00:08:15,659 --> 00:08:13,450

don't generally get heard out so we're

188

00:08:17,670 --> 00:08:15,669

always seeing a strange position of

189

00:08:20,879 --> 00:08:17,680

seeing this stuff get rejected and yet

190

00:08:23,159 --> 00:08:20,889

culturally we're really fascinated with

191

00:08:26,100 --> 00:08:23,169

this kind of stuff I mean take for

192

00:08:28,860 --> 00:08:26,110

instance the success of the x-files so

193

00:08:32,430 --> 00:08:28,870

I'm assuming most of you here know the

194

00:08:34,620 --> 00:08:32,440

x-files and probably have watch them a

195

00:08:37,020 --> 00:08:34,630

thousand times but it's funny isn't it

196

00:08:39,630 --> 00:08:37,030

this has been usually successful over

197

00:08:41,550 --> 00:08:39,640

the years but it seems that some people

198

00:08:45,540 --> 00:08:41,560

can be comfortable with this kind of

199

00:08:47,519 --> 00:08:45,550

material that he covers and yet in

200

00:08:50,940 --> 00:08:47,529

fiction they can be comfortable and yet

201  
00:08:52,620 --> 00:08:50,950  
not when it comes to considering that

202  
00:08:53,610 --> 00:08:52,630  
that might be going on in the real world

203  
00:08:55,710 --> 00:08:53,620  
and there have been a number of

204  
00:08:57,930 --> 00:08:55,720  
conspiracy theories of course over the

205  
00:09:00,510 --> 00:08:57,940  
years that the creator of the x-files

206  
00:09:03,269 --> 00:09:00,520  
Chris Carter might actually be trying to

207  
00:09:06,000 --> 00:09:03,279  
seed real ideas out there it's certainly

208  
00:09:09,240 --> 00:09:06,010  
got to be close to the bone on a few

209  
00:09:11,610 --> 00:09:09,250  
occasions in what is shown us so some

210  
00:09:13,350 --> 00:09:11,620  
say there is an agenda behind some of

211  
00:09:16,050 --> 00:09:13,360  
this stuff because they know that people

212  
00:09:17,430 --> 00:09:16,060  
can accept it through fiction when the

213  
00:09:19,920 --> 00:09:17,440

court seemed to accept that it might

214

00:09:22,650 --> 00:09:19,930

really be going on around them and yet

215

00:09:24,120 --> 00:09:22,660

that said we'll see as we go through

216

00:09:26,910 --> 00:09:24,130

that there are some things that actually

217

00:09:28,920 --> 00:09:26,920

the general public is fairly dubious

218

00:09:31,590 --> 00:09:28,930

about but they don't necessarily have a

219

00:09:33,900 --> 00:09:31,600

context into which to you know into

220

00:09:35,970 --> 00:09:33,910

which they can express that so this is

221

00:09:37,199 --> 00:09:35,980

one of the issues that we've got so

222

00:09:39,240 --> 00:09:37,209

we're going to be looking in the way of

223

00:09:41,460 --> 00:09:39,250

some real x-files here and we'll come

224

00:09:43,680 --> 00:09:41,470

back to this briefly because we'll see

225

00:09:46,319 --> 00:09:43,690

later on how the x-files did manage to

226

00:09:49,470 --> 00:09:46,329

predict at least one thing which did

227

00:09:51,060 --> 00:09:49,480

then come true in the real world so

228

00:09:54,030 --> 00:09:51,070

here's something that would definitely

229

00:09:55,560 --> 00:09:54,040

be classified as an X file is there

230

00:09:58,199 --> 00:09:55,570

anybody here that's not seen this before

231

00:10:01,390 --> 00:09:58,209

we're not familiar with this okay as it

232

00:10:04,690 --> 00:10:01,400

says a few people have not seen it well

233

00:10:08,620 --> 00:10:04,700

let me introduce here to it this was in

234

00:10:11,170 --> 00:10:08,630

the news in 2009 it was widely reported

235

00:10:13,300 --> 00:10:11,180

even in the mainstream and yet

236

00:10:15,490 --> 00:10:13,310

astonishingly many people no longer

237

00:10:17,170 --> 00:10:15,500

remember it I think the reason they

238

00:10:20,710 --> 00:10:17,180

don't remember it is that they've been

239

00:10:22,770 --> 00:10:20,720

effectively programmed to forget it so

240

00:10:25,780 --> 00:10:22,780

what we're looking at here is a strange

241

00:10:28,180 --> 00:10:25,790

apparition over the skies of Norway and

242

00:10:30,520 --> 00:10:28,190

we know it's real because there are

243

00:10:32,500 --> 00:10:30,530

thousands of different images taken by

244

00:10:35,110 --> 00:10:32,510

lots of different people and if you go

245

00:10:37,960 --> 00:10:35,120

onto YouTube there are videos of it it

246

00:10:40,510 --> 00:10:37,970

spirals it then so there walks down into

247

00:10:43,180 --> 00:10:40,520

this very eerie black hole in the sky

248

00:10:46,300 --> 00:10:43,190

and then spirals out again it's Theory

249

00:10:49,420 --> 00:10:46,310

odd so this didn't make the mainstream

250

00:10:51,310 --> 00:10:49,430

news and yeah it's very strange you

251

00:10:53,620 --> 00:10:51,320

think we'd all remember that but most

252

00:10:56,620 --> 00:10:53,630

people don't remember it and no

253

00:11:00,190 --> 00:10:56,630

speculation was it atmospheric phenomena

254

00:11:02,020 --> 00:11:00,200

was it UFO phenomena was it a secret

255

00:11:04,810 --> 00:11:02,030

weapon being tested was it the HAARP

256

00:11:07,720 --> 00:11:04,820

project and so forth well then we were

257

00:11:09,910 --> 00:11:07,730

told what it was quietly you know in the

258

00:11:11,800 --> 00:11:09,920

way that they always do and they said oh

259

00:11:13,960 --> 00:11:11,810

that thing yeah don't worry about that

260

00:11:18,370 --> 00:11:13,970

that's just a Russian missile going

261

00:11:21,220 --> 00:11:18,380

wrong well okay let's have a look at a

262

00:11:23,790 --> 00:11:21,230

bit of film that they showed ironically

263

00:11:27,460 --> 00:11:23,800

of an American missile going wrong and

264

00:11:30,160 --> 00:11:27,470

so they said well there you go now all

265

00:11:33,100 --> 00:11:30,170

right this kind of spirally bit here

266

00:11:36,370 --> 00:11:33,110

maybe that could explain that but there

267

00:11:39,100 --> 00:11:36,380

is certainly no footage anywhere of a

268

00:11:40,620 --> 00:11:39,110

spiral going round around coming over

269

00:11:44,020 --> 00:11:40,630

the back of the missile of that

270

00:11:46,120 --> 00:11:44,030

perfectly and I mean if it was a Russian

271

00:11:48,370 --> 00:11:46,130

missile why didn't that trigger some

272

00:11:52,390 --> 00:11:48,380

major international incident I mean what

273

00:11:55,150 --> 00:11:52,400

today wouldn't it but in 2009 no people

274

00:11:57,910 --> 00:11:55,160

seemed it's very easy with that but also

275

00:12:00,150 --> 00:11:57,920

if it was a Russian missile how then do

276

00:12:02,500 --> 00:12:00,160

we explain this that in the years since

277

00:12:04,810 --> 00:12:02,510

several other spirals have been seen

278

00:12:07,230 --> 00:12:04,820

around the world the Gold Coast in

279

00:12:09,780 --> 00:12:07,240

Australia Mexico

280

00:12:12,600 --> 00:12:09,790

over the Middle East this is now a

281

00:12:15,420 --> 00:12:12,610

recurring phenomenon and what is I think

282

00:12:18,510 --> 00:12:15,430

a particular note is it's no longer

283

00:12:21,780 --> 00:12:18,520

mainstream news so the first spiral was

284

00:12:23,790 --> 00:12:21,790

mainstream news now no I mean yes you

285

00:12:25,410 --> 00:12:23,800

know the kind of place that we know we

286

00:12:27,300 --> 00:12:25,420

can go to find out about this sort of

287

00:12:30,240 --> 00:12:27,310

stuff you'll see them getting reported

288

00:12:31,560 --> 00:12:30,250

but in terms of now it being culturally

289

00:12:34,920 --> 00:12:31,570

acknowledged no it's gone

290

00:12:37,199 --> 00:12:34,930

and that's very typical of course of how

291

00:12:39,630 --> 00:12:37,209

a lot of this kind of stuff gets treated

292

00:12:43,050 --> 00:12:39,640

and of course that leads to accusations

293

00:12:45,240 --> 00:12:43,060

or cover-ups so you can explain mystery

294

00:12:47,490 --> 00:12:45,250

but it does look like it's now being

295

00:12:49,260 --> 00:12:47,500

covered up and nobody wants to discuss

296

00:12:52,050 --> 00:12:49,270

this publicly and we still don't know

297

00:12:54,389 --> 00:12:52,060

for sure what it is but many people do

298

00:12:56,400 --> 00:12:54,399

think it is related to the HAARP project

299

00:12:56,880 --> 00:12:56,410

and if you don't know what that is by

300

00:12:59,100 --> 00:12:56,890

now

301  
00:13:01,290 --> 00:12:59,110  
it's an American military project or

302  
00:13:04,470 --> 00:13:01,300  
began as such it's now been farmed out

303  
00:13:08,070 --> 00:13:04,480  
to more sort of civilian their companies

304  
00:13:09,240 --> 00:13:08,080  
but originally for it would seem at

305  
00:13:11,819 --> 00:13:09,250  
least they claimed military

306  
00:13:14,639 --> 00:13:11,829  
communications in theory it could also

307  
00:13:16,620 --> 00:13:14,649  
be used for weather control mind control

308  
00:13:19,290 --> 00:13:16,630  
and of course some people wonder that

309  
00:13:22,170 --> 00:13:19,300  
they're not using it to do stuff like

310  
00:13:25,590 --> 00:13:22,180  
this or some kind of experiment well we

311  
00:13:28,620 --> 00:13:25,600  
shall see this is very typical if the

312  
00:13:29,850 --> 00:13:28,630  
way that we treat stuff like this and as

313  
00:13:31,260 --> 00:13:29,860

you heard at the beginning now I'm a

314

00:13:33,750 --> 00:13:31,270

little passion I've had over the years

315

00:13:36,750 --> 00:13:33,760

which is deeply unfashionable these days

316

00:13:39,090 --> 00:13:36,760

it is for the crop circle mystery and

317

00:13:40,310 --> 00:13:39,100

I'm in the crop circle mystery even in

318

00:13:43,380 --> 00:13:40,320

the realms of paranormal research

319

00:13:46,110 --> 00:13:43,390

doesn't get treated that well and the

320

00:13:48,569 --> 00:13:46,120

general view of course in the public eye

321

00:13:50,670 --> 00:13:48,579

is well it's all a big joke you know and

322

00:13:53,930 --> 00:13:50,680

they're all made by mainly bits of wood

323

00:13:56,760 --> 00:13:53,940

and guard rollers and NASA it basically

324

00:13:59,400 --> 00:13:56,770

but it's not it because you look at the

325

00:14:01,800 --> 00:13:59,410

evidence and there is simply no way that

326

00:14:04,440 --> 00:14:01,810

you can explain every crop circle that

327

00:14:07,260 --> 00:14:04,450

way I mean yes son no question some of

328

00:14:10,139 --> 00:14:07,270

manmade absolutely but are all man-made

329

00:14:11,190 --> 00:14:10,149

I mean remember you've got reports going

330

00:14:13,949 --> 00:14:11,200

back centuries

331

00:14:15,800 --> 00:14:13,959

you've got eye witness accounts of these

332

00:14:18,230 --> 00:14:15,810

appearing within seconds

333

00:14:21,679 --> 00:14:18,240

in front of people's eyes you've got

334

00:14:24,679 --> 00:14:21,689

light phenomena you've got exquisite

335

00:14:26,960 --> 00:14:24,689

geometry incredible mathematics embedded

336

00:14:28,879 --> 00:14:26,970

into them biological anomalies it would

337

00:14:31,519 --> 00:14:28,889

seem occurring in the plants and so on

338

00:14:32,960 --> 00:14:31,529

and they don't compare to the manmade

339

00:14:34,999 --> 00:14:32,970

formations when you look at the very

340

00:14:38,150 --> 00:14:35,009

best of them so there's there's a gray

341

00:14:40,639 --> 00:14:38,160

area still with crop circles near the

342

00:14:42,769 --> 00:14:40,649

general view is now it's all finished

343

00:14:45,650 --> 00:14:42,779

isn't it most people in the public I

344

00:14:47,660 --> 00:14:45,660

think it's all over well it isn't and

345

00:14:49,249 --> 00:14:47,670

indeed just to show you some from this

346

00:14:51,710 --> 00:14:49,259

year I mean these are some we've had

347

00:14:54,259 --> 00:14:51,720

just in the last few weeks and it's

348

00:14:56,239 --> 00:14:54,269

still going long so this is a phenomenon

349

00:14:58,579 --> 00:14:56,249

that the public thinks has ended well it

350

00:15:00,949 --> 00:14:58,589

hasn't and it's still very much alive

351  
00:15:03,530 --> 00:15:00,959  
and you know believe what you will about

352  
00:15:05,239 --> 00:15:03,540  
it but let's not misrepresent it the

353  
00:15:07,280 --> 00:15:05,249  
fact that most people don't even know

354  
00:15:09,889 --> 00:15:07,290  
it's going on is I think a very good

355  
00:15:12,920 --> 00:15:09,899  
example of how we push this stuff away

356  
00:15:15,499 --> 00:15:12,930  
and we do that with a lot of things and

357  
00:15:18,049 --> 00:15:15,509  
of course just on a basic factual level

358  
00:15:21,920 --> 00:15:18,059  
well it's a line and people are being

359  
00:15:23,689 --> 00:15:21,930  
fed a faucet so you know if you still a

360  
00:15:26,030 --> 00:15:23,699  
little bit in the middle about crops

361  
00:15:28,069 --> 00:15:26,040  
separate it's worth looking more into

362  
00:15:31,730 --> 00:15:28,079  
the evidence because in my view that

363  
00:15:33,379 --> 00:15:31,740

cannot all be man-made and and you know

364

00:15:36,530 --> 00:15:33,389

the interest still goes on in at least

365

00:15:38,480 --> 00:15:36,540

some areas so look at some other mystery

366

00:15:40,490 --> 00:15:38,490

areas then because it's interesting to

367

00:15:43,670 --> 00:15:40,500

compare the way they're all treated so

368

00:15:47,150 --> 00:15:43,680

what about cryptozoology the study of

369

00:15:49,910 --> 00:15:47,160

strange creatures so you've got of

370

00:15:52,009 --> 00:15:49,920

course classics like bigfoot them the

371

00:15:53,809 --> 00:15:52,019

yeti which might look like that the yes

372

00:15:56,629 --> 00:15:53,819

he lives in the himalayas apparently

373

00:15:59,329 --> 00:15:56,639

Bigfoot lives in you know the North

374

00:16:01,220 --> 00:15:59,339

American mountains and I mean the

375

00:16:03,590 --> 00:16:01,230

traditional view to the famous film the

376

00:16:07,160 --> 00:16:03,600

Bigfoot is well it's a guy in a gorilla

377

00:16:08,960 --> 00:16:07,170

suit clearly but then you look at the

378

00:16:10,999 --> 00:16:08,970

evidence and there's much more to it and

379

00:16:13,280 --> 00:16:11,009

you know there are many sides is you've

380

00:16:15,769 --> 00:16:13,290

got the Sasquatch as well you've got all

381

00:16:17,660 --> 00:16:15,779

these related creatures that maybe one

382

00:16:20,629 --> 00:16:17,670

of the same species and again in the end

383

00:16:23,329 --> 00:16:20,639

you think well easy impossible that

384

00:16:26,059 --> 00:16:23,339

there could be some strange unusual

385

00:16:27,340 --> 00:16:26,069

maybe species of creature abroad in

386

00:16:30,070 --> 00:16:27,350

these places

387

00:16:32,740 --> 00:16:30,080

mean if we just look at the Yeti some

388

00:16:34,990 --> 00:16:32,750

quite well-known people have been

389

00:16:36,640 --> 00:16:35,000

looking for the Yeti and one of the

390

00:16:38,980 --> 00:16:36,650

people that's been on expeditions to

391

00:16:41,820 --> 00:16:38,990

find their which surprises a number of

392

00:16:43,360 --> 00:16:41,830

people it's the actor Brian Blessed

393

00:16:48,760 --> 00:16:43,370

Brian brushwood

394

00:16:50,350 --> 00:16:48,770

that Brian Blessed sobriety is somebody

395

00:16:53,200 --> 00:16:50,360

that takes this seriously now a few

396

00:16:55,360 --> 00:16:53,210

years ago I did the Esther Rantzen TV

397

00:16:56,710 --> 00:16:55,370

show if you remember that and there

398

00:16:58,840 --> 00:16:56,720

Brian was one of the other guests so

399

00:17:01,000 --> 00:16:58,850

we're quite long chat and in between the

400

00:17:03,790 --> 00:17:01,010

swear words had an interesting

401  
00:17:05,980 --> 00:17:03,800  
conversation and absolutely he is

402  
00:17:07,420 --> 00:17:05,990  
convinced the Yeti exists and of course

403  
00:17:10,030 --> 00:17:07,430  
over the years other people have been

404  
00:17:12,190 --> 00:17:10,040  
gathering things like first samples from

405  
00:17:14,830 --> 00:17:12,200  
claimed sightings and just in the last

406  
00:17:17,050 --> 00:17:14,840  
two or three years a lab in America has

407  
00:17:20,650 --> 00:17:17,060  
declared they do think the Yeti is real

408  
00:17:23,130 --> 00:17:20,660  
but the what it is is an unusual species

409  
00:17:26,530 --> 00:17:23,140  
of bribe blessing

410  
00:17:28,390 --> 00:17:26,540  
some people they he might be the Yeti no

411  
00:17:32,080 --> 00:17:28,400  
they believe it might be an unusual

412  
00:17:34,630 --> 00:17:32,090  
species of bear now probably a cross

413  
00:17:37,870 --> 00:17:34,640

between a grizzly bear and a polar bear

414

00:17:39,400 --> 00:17:37,880

now okay if that's correct and you know

415

00:17:42,100 --> 00:17:39,410

of course there's still arguments around

416

00:17:44,530 --> 00:17:42,110

this all right it's not an alien but

417

00:17:46,720 --> 00:17:44,540

maybe there's something you know people

418

00:17:49,030 --> 00:17:46,730

are trying to get a context to something

419

00:17:51,850 --> 00:17:49,040

they're seeing and they've called it the

420

00:17:54,730 --> 00:17:51,860

Yeti well why not and I mean of course

421

00:17:57,730 --> 00:17:54,740

in terms of cryptozoology what about a

422

00:18:00,190 --> 00:17:57,740

strange creature a bit nearer well the

423

00:18:01,630 --> 00:18:00,200

good old alot Ness monster I mean you

424

00:18:04,120 --> 00:18:01,640

may have heard recently they're trying

425

00:18:06,460 --> 00:18:04,130

to take DNA samples from the water now

426

00:18:08,710 --> 00:18:06,470

to try to see if they can sieve out you

427

00:18:10,930 --> 00:18:08,720

know some species though we don't know

428

00:18:12,670 --> 00:18:10,940

about I mean here's one of the classic

429

00:18:15,880 --> 00:18:12,680

Loch Ness monster pictures which were

430

00:18:17,740 --> 00:18:15,890

always told is a known hoax photograph

431

00:18:19,360 --> 00:18:17,750

but on the other hand you will then meet

432

00:18:22,180 --> 00:18:19,370

people that will tell you the hoax story

433

00:18:23,920 --> 00:18:22,190

is the hoax so how do you know and

434

00:18:25,810 --> 00:18:23,930

there's some of you know already you

435

00:18:28,480 --> 00:18:25,820

know in these realms it's often very

436

00:18:31,030 --> 00:18:28,490

difficult to get to the bottom of what's

437

00:18:33,010 --> 00:18:31,040

going on here a token of getting to the

438

00:18:35,260 --> 00:18:33,020

bottom of things submarines of course

439

00:18:36,840 --> 00:18:35,270

have been down into the lock trying to

440

00:18:41,340 --> 00:18:36,850

find a creature

441

00:18:43,770 --> 00:18:41,350

this was taken in 1975 and again the

442

00:18:46,680 --> 00:18:43,780

cynics say well it's a bit of driftwood

443

00:18:50,430 --> 00:18:46,690

or something but others say well you

444

00:18:53,460 --> 00:18:50,440

know what that doesn't look quite a lot

445

00:18:55,560 --> 00:18:53,470

like a plesiosaur now I mean again we

446

00:18:59,460 --> 00:18:55,570

imagine plesiosaurs died out with the

447

00:19:02,280 --> 00:18:59,470

dinosaurs 65 million years or so ago but

448

00:19:04,590 --> 00:19:02,290

is the impulse of all the prehistoric

449

00:19:06,030 --> 00:19:04,600

species could have survived somewhere

450

00:19:08,090 --> 00:19:06,040

down there because it can't just be one

451  
00:19:11,610 --> 00:19:08,100  
monster I mean it's got to be an ongoing

452  
00:19:13,740 --> 00:19:11,620  
species well in my view it is possible

453  
00:19:17,300 --> 00:19:13,750  
and the reason is because we have things

454  
00:19:21,030 --> 00:19:17,310  
like this here is the coelacanth fish

455  
00:19:22,890 --> 00:19:21,040  
believed for years to be a species of

456  
00:19:26,880 --> 00:19:22,900  
fish that died out again with the

457  
00:19:29,070 --> 00:19:26,890  
dinosaurs all we had were fossils until

458  
00:19:30,900 --> 00:19:29,080  
in the last couple of decades or so

459  
00:19:33,450 --> 00:19:30,910  
they've started to find them swimming

460  
00:19:36,090 --> 00:19:33,460  
around and the coelacanth is alive and

461  
00:19:36,720 --> 00:19:36,100  
well and has barely changed in millions

462  
00:19:39,990 --> 00:19:36,730  
of years

463  
00:19:42,240 --> 00:19:40,000

so can we rule out that there might be

464

00:19:44,430 --> 00:19:42,250

other species around which haven't

465

00:19:46,740 --> 00:19:44,440

changed much yeah I think they are there

466

00:19:49,230 --> 00:19:46,750

what makes sense to me and certainly

467

00:19:50,850 --> 00:19:49,240

cannot be ruled out but again trying to

468

00:19:53,670 --> 00:19:50,860

get this over in the mainstream is a

469

00:19:56,460 --> 00:19:53,680

very difficult thing even with blatant

470

00:20:00,420 --> 00:19:56,470

examples like this that show that there

471

00:20:02,220 --> 00:20:00,430

is a case to be made and I get a lot of

472

00:20:04,230 --> 00:20:02,230

talks and I meet a lot of people on one

473

00:20:07,980 --> 00:20:04,240

of the market there's two areas actually

474

00:20:10,830 --> 00:20:07,990

I hate constant right constant reports

475

00:20:14,250 --> 00:20:10,840

of one is UFOs which will come to the

476

00:20:16,680 --> 00:20:14,260

other is people have seen ghosts this is

477

00:20:19,920 --> 00:20:16,690

one of the most prevalent and explained

478

00:20:22,650 --> 00:20:19,930

mysteries in our society and yet again

479

00:20:24,990 --> 00:20:22,660

it's not treated seriously I mean here

480

00:20:26,730 --> 00:20:25,000

are some claimed classic ghost

481

00:20:28,980 --> 00:20:26,740

photographs I don't know if they're real

482

00:20:30,360 --> 00:20:28,990

or not but in more recent times of

483

00:20:32,910 --> 00:20:30,370

course you've got CCTV everywhere

484

00:20:35,460 --> 00:20:32,920

they're often being photographed on

485

00:20:37,770 --> 00:20:35,470

multiple cameras from different angles

486

00:20:40,440 --> 00:20:37,780

you got poltergeist activity being

487

00:20:43,350 --> 00:20:40,450

caught and you get to a point where you

488

00:20:45,960 --> 00:20:43,360

say this come all be fraud surely

489

00:20:48,810 --> 00:20:45,970

and when I put that together with the

490

00:20:51,600 --> 00:20:48,820

amount of people that I've met you know

491

00:20:53,789 --> 00:20:51,610

just reasonable qualified professional

492

00:20:55,889 --> 00:20:53,799

people who told me about the ghosts

493

00:20:58,619 --> 00:20:55,899

they've seen I would say there's around

494

00:21:01,200 --> 00:20:58,629

1 in 10 people who believe they've seen

495

00:21:03,479 --> 00:21:01,210

a ghost and that's a lot of people I

496

00:21:06,419 --> 00:21:03,489

mean ghost stories go back you know

497

00:21:08,729 --> 00:21:06,429

yawns as Roman ghost stories

498

00:21:11,129 --> 00:21:08,739

even the Bible refers to go see is

499

00:21:14,159 --> 00:21:11,139

something that's been in our psyche for

500

00:21:16,080 --> 00:21:14,169

a long time but we told these days

501  
00:21:18,930 --> 00:21:16,090  
though they're both young ghosts don't

502  
00:21:21,029 --> 00:21:18,940  
exist clearly they don't because and

503  
00:21:22,799 --> 00:21:21,039  
that's where it ends because yeah what

504  
00:21:23,489 --> 00:21:22,809  
and you won't get a good reason why they

505  
00:21:25,409 --> 00:21:23,499  
don't exist

506  
00:21:27,470 --> 00:21:25,419  
you'll just be told on the likes of

507  
00:21:29,999 --> 00:21:27,480  
Radio 4 that it's it's probably

508  
00:21:32,849 --> 00:21:30,009  
hallucination you know trick of the mind

509  
00:21:34,489 --> 00:21:32,859  
and the problem with that is hey that

510  
00:21:38,159 --> 00:21:34,499  
doesn't explain all the visual evidence

511  
00:21:40,979 --> 00:21:38,169  
and B what that doesn't explain is why

512  
00:21:44,009 --> 00:21:40,989  
very often many different people will

513  
00:21:46,739 --> 00:21:44,019

report seeing the same ghost in the same

514

00:21:48,960 --> 00:21:46,749

place a completely different times

515

00:21:51,450 --> 00:21:48,970

never knowing that anybody else had ever

516

00:21:54,509 --> 00:21:51,460

seen them so that's not one thing in one

517

00:21:57,419 --> 00:21:54,519

person's mind I mean it can't be weather

518

00:22:00,840 --> 00:21:57,429

then these are spirits trapped between

519

00:22:03,570 --> 00:22:00,850

worlds as some people believe or is some

520

00:22:06,330 --> 00:22:03,580

strange crack in time replaying over and

521

00:22:08,960 --> 00:22:06,340

over or portals between dementia let's

522

00:22:12,090 --> 00:22:08,970

call it well you well we don't know but

523

00:22:13,619 --> 00:22:12,100

anybody that says ghosts don't exist

524

00:22:15,960 --> 00:22:13,629

without ever having looked at the

525

00:22:17,669 --> 00:22:15,970

evidence to me it's been foolish because

526

00:22:20,430 --> 00:22:17,679

it is absolutely clear it is a

527

00:22:22,440 --> 00:22:20,440

phenomenon wherever they come from and

528

00:22:25,139 --> 00:22:22,450

it's something that I think we should be

529

00:22:28,229 --> 00:22:25,149

treated more seriously but you don't

530

00:22:30,180 --> 00:22:28,239

necessarily need to be dead to find that

531

00:22:32,700 --> 00:22:30,190

your consciousness can exist outside of

532

00:22:36,769 --> 00:22:32,710

your body because another recurring

533

00:22:39,840 --> 00:22:36,779

phenomena is the out-of-body experience

534

00:22:41,119 --> 00:22:39,850

anybody here ever had one of these yep

535

00:22:44,340 --> 00:22:41,129

several well there you go

536

00:22:46,830 --> 00:22:44,350

is again more common than you might know

537

00:22:48,450 --> 00:22:46,840

because it's something which people are

538

00:22:50,549 --> 00:22:48,460

afraid to talk about a very personal

539

00:22:52,019 --> 00:22:50,559

thing but also they know they're gonna

540

00:22:54,269 --> 00:22:52,029

get ridicule

541

00:22:56,070 --> 00:22:54,279

it's absolutely clear this is now real

542

00:22:58,200 --> 00:22:56,080

phenomenon the projection of

543

00:23:00,509 --> 00:22:58,210

consciousness would seem to be possible

544

00:23:03,239 --> 00:23:00,519

and often people are experiencing this

545

00:23:04,919 --> 00:23:03,249

either in sleep or under a general

546

00:23:06,570 --> 00:23:04,929

anaesthetic and they're having an

547

00:23:09,389 --> 00:23:06,580

operation and the line down there on the

548

00:23:12,180 --> 00:23:09,399

slab and suddenly it's as if basemap to

549

00:23:14,190 --> 00:23:12,190

wait but there could be a wake away

550

00:23:16,109 --> 00:23:14,200

because they're often there hovering up

551  
00:23:18,119 --> 00:23:16,119  
there somewhere looking down on their

552  
00:23:20,940 --> 00:23:18,129  
body which is still lying down there on

553  
00:23:22,799 --> 00:23:20,950  
the slab and many people have found that

554  
00:23:24,299 --> 00:23:22,809  
they can waft around and go through

555  
00:23:26,430 --> 00:23:24,309  
walls and go and have a look in other

556  
00:23:28,320 --> 00:23:26,440  
rooms and then they finally come back

557  
00:23:30,509 --> 00:23:28,330  
into their body and when they come to

558  
00:23:32,639 --> 00:23:30,519  
they're telling doctors and nurses about

559  
00:23:34,469 --> 00:23:32,649  
things that they couldn't have ever seen

560  
00:23:36,269 --> 00:23:34,479  
from lying down there in the slap the

561  
00:23:37,889 --> 00:23:36,279  
describing saying things in other parts

562  
00:23:40,649 --> 00:23:37,899  
of the hospital that they couldn't have

563  
00:23:42,529 --> 00:23:40,659

ever got to and some hospitals are now

564

00:23:46,259 --> 00:23:42,539

treating this seriously as a study in

565

00:23:48,389 --> 00:23:46,269

Southampton hospital for instance so it

566

00:23:50,729 --> 00:23:48,399

is such a recurring phenomenon now that

567

00:23:53,159 --> 00:23:50,739

we need to understand this but it does

568

00:23:55,289 --> 00:23:53,169

look like our minds and our physicality

569

00:23:57,930 --> 00:23:55,299

are not necessarily one of the same

570

00:24:00,269 --> 00:23:57,940

thing and I mean of course over the

571

00:24:03,180 --> 00:24:00,279

years there have been many studies made

572

00:24:05,099 --> 00:24:03,190

into psychic phenomena of all kinds and

573

00:24:07,709 --> 00:24:05,109

I think you could call that a kind of

574

00:24:09,119 --> 00:24:07,719

psychic phenomenon and it's pretty clear

575

00:24:10,979 --> 00:24:09,129

if you look at what the likes of the

576

00:24:12,989 --> 00:24:10,989

Russian military and the American

577

00:24:15,690 --> 00:24:12,999

military have done just to give you two

578

00:24:18,479 --> 00:24:15,700

examples they know there is a phenomenon

579

00:24:20,279 --> 00:24:18,489

here except of course they're probably

580

00:24:23,759 --> 00:24:20,289

trying to use it for their own dubious

581

00:24:26,399 --> 00:24:23,769

ends so they won't shout too much about

582

00:24:28,589 --> 00:24:26,409

any positive results but there are lots

583

00:24:32,700 --> 00:24:28,599

of other more public positive results

584

00:24:34,789 --> 00:24:32,710

you can cite for several years these two

585

00:24:37,769 --> 00:24:34,799

gentlemen Robert John and Dean Radin

586

00:24:40,979 --> 00:24:37,779

professors at Princeton University did a

587

00:24:43,469 --> 00:24:40,989

whole series a series of experiments to

588

00:24:44,999 --> 00:24:43,479

try to put a psychic phenomena of all

589

00:24:48,959 --> 00:24:45,009

kinds to the test everything from

590

00:24:51,810 --> 00:24:48,969

telepathy telekinesis and in the end

591

00:24:55,649 --> 00:24:51,820

when they did amateur analysis as you

592

00:24:57,299 --> 00:24:55,659

call it of all the results and they were

593

00:24:59,279 --> 00:24:57,309

you know sure at all what they would

594

00:25:00,310 --> 00:24:59,289

come up with but in the end they had to

595

00:25:03,249 --> 00:25:00,320

conclude the

596

00:25:06,070 --> 00:25:03,259

they had so many positive results that

597

00:25:09,279 --> 00:25:06,080

the odds of those positive results just

598

00:25:13,330 --> 00:25:09,289

being chance were an incredible 35

599

00:25:14,830 --> 00:25:13,340

trillion to one against Marren if that

600

00:25:18,249 --> 00:25:14,840

was a 1 million to one

601  
00:25:22,389 --> 00:25:18,259  
or I'd be impressive 35 trillion is an

602  
00:25:24,610 --> 00:25:22,399  
almost unimaginable number and yet based

603  
00:25:26,649 --> 00:25:24,620  
on that you say well why don't we all

604  
00:25:29,200 --> 00:25:26,659  
walk round going we're all psychic and

605  
00:25:31,690 --> 00:25:29,210  
you turn on the tallien is today is

606  
00:25:34,060 --> 00:25:31,700  
psychic news and it's all normal but

607  
00:25:37,450 --> 00:25:34,070  
it's not like they said no because we're

608  
00:25:39,249 --> 00:25:37,460  
in hideous denial about this side of us

609  
00:25:41,230 --> 00:25:39,259  
in the way that we're in denial of so

610  
00:25:43,600 --> 00:25:41,240  
much other so-called paranormal

611  
00:25:45,610 --> 00:25:43,610  
phenomena and one of the reasons though

612  
00:25:47,850 --> 00:25:45,620  
we don't hear from people like this is

613  
00:25:50,499 --> 00:25:47,860

instead we hear from people like this

614

00:25:53,139 --> 00:25:50,509

people like Richard Dawkins Brian Cox

615

00:25:55,960 --> 00:25:53,149

rubber Winston and Professor Chris

616

00:25:58,269 --> 00:25:55,970

French the arch skeptic is a nice chap

617

00:26:00,490 --> 00:25:58,279

but always on the news basically saying

618

00:26:03,460 --> 00:26:00,500

no there's no reality to any of this

619

00:26:05,409 --> 00:26:03,470

alleged paranormal stuff and we have a

620

00:26:06,610 --> 00:26:05,419

problem here because these types of

621

00:26:09,340 --> 00:26:06,620

people and there are others we could

622

00:26:12,940 --> 00:26:09,350

mention have enormous influence over the

623

00:26:14,649 --> 00:26:12,950

medium and you know people are Dawkins

624

00:26:16,360 --> 00:26:14,659

and Cox they don't believe in the spirit

625

00:26:18,490 --> 00:26:16,370

they don't believe in ghosts they don't

626

00:26:20,850 --> 00:26:18,500

believe in anything that is not

627

00:26:23,619 --> 00:26:20,860

immediately in front of their eyes and

628

00:26:25,210 --> 00:26:23,629

scientifically verifiable but the

629

00:26:27,940 --> 00:26:25,220

problem is they don't really apply this

630

00:26:29,860 --> 00:26:27,950

sighs properly to look at these things

631

00:26:31,810 --> 00:26:29,870

they just assume there's nothing to it

632

00:26:34,889 --> 00:26:31,820

and so they don't get investigated and

633

00:26:37,389 --> 00:26:34,899

yet when real science like the Princeton

634

00:26:39,460 --> 00:26:37,399

University science comes forward they

635

00:26:41,680 --> 00:26:39,470

don't want to know they dismiss those

636

00:26:43,990 --> 00:26:41,690

people as mavericks and that's a problem

637

00:26:46,419 --> 00:26:44,000

in the world of scientism as soon as

638

00:26:48,340 --> 00:26:46,429

somebody starts to study something that

639

00:26:50,830 --> 00:26:48,350

the likes of these people believe is not

640

00:26:53,409 --> 00:26:50,840

credible that's it they are considered

641

00:26:55,779 --> 00:26:53,419

no longer scientists and so you can say

642

00:26:57,310 --> 00:26:55,789

there is no scientific evidence for this

643

00:26:58,869 --> 00:26:57,320

or that because you've just declared

644

00:27:02,230 --> 00:26:58,879

those over there are no longer

645

00:27:05,019 --> 00:27:02,240

scientists it's very wrong and it's very

646

00:27:07,990 --> 00:27:05,029

unfair and it's creating a completely

647

00:27:09,730 --> 00:27:08,000

full view of the reality that we're

648

00:27:11,919 --> 00:27:09,740

living and then yeah most people in

649

00:27:12,549 --> 00:27:11,929

mainstream say this they don't see the

650

00:27:14,230 --> 00:27:12,559

guys are in

651  
00:27:16,690 --> 00:27:14,240  
in university and I'm just using them as

652  
00:27:17,999 --> 00:27:16,700  
but one example and let me show you how

653  
00:27:20,830 --> 00:27:18,009  
this works in practice

654  
00:27:23,430 --> 00:27:20,840  
Europe remember they found their rich at

655  
00:27:27,789 --> 00:27:23,440  
the Third's body two or three years ago

656  
00:27:29,649 --> 00:27:27,799  
under a car park in Leicester so here on

657  
00:27:31,419 --> 00:27:29,659  
the left is the lady who was

658  
00:27:34,509 --> 00:27:31,429  
instrumental in finding Richard that

659  
00:27:36,340 --> 00:27:34,519  
third Philippa Langley and when you

660  
00:27:38,019 --> 00:27:36,350  
watch the original television programs

661  
00:27:39,909 --> 00:27:38,029  
about the discovery of Richard the third

662  
00:27:42,700 --> 00:27:39,919  
you will see a lot of Philippa Langley

663  
00:27:45,820 --> 00:27:42,710

though she is chatting away and telling

664

00:27:48,549 --> 00:27:45,830

you very openly about what it was that

665

00:27:50,499 --> 00:27:48,559

led her to know exactly where the body

666

00:27:53,649 --> 00:27:50,509

was oh yes there were clues to the

667

00:27:56,200 --> 00:27:53,659

general area that's true but she says in

668

00:27:59,200 --> 00:27:56,210

those original programs what led her to

669

00:28:02,889 --> 00:27:59,210

the exact spot in the car park was that

670

00:28:06,489 --> 00:28:02,899

she had a psychic intuition she was led

671

00:28:09,159 --> 00:28:06,499

there by some feeling and of course that

672

00:28:10,779 --> 00:28:09,169

is all very embarrassing to all the

673

00:28:13,119 --> 00:28:10,789

scientists in the white coats that want

674

00:28:15,249 --> 00:28:13,129

to talk about the bones and now you look

675

00:28:16,960 --> 00:28:15,259

at the modern programs made about the

676

00:28:18,999 --> 00:28:16,970

discovery of the body of Richard the

677

00:28:21,190 --> 00:28:19,009

third and guess what poor old Philip is

678

00:28:22,840 --> 00:28:21,200

hardly in it she's absolutely been

679

00:28:25,629 --> 00:28:22,850

pushed to the bag you don't hear about

680

00:28:27,759 --> 00:28:25,639

the psychic intuition now she's been

681

00:28:30,519 --> 00:28:27,769

written out of history and that is very

682

00:28:33,340 --> 00:28:30,529

typical of the way it gets dealt with

683

00:28:36,070 --> 00:28:33,350

that doesn't fit the scientism view so

684

00:28:38,499 --> 00:28:36,080

it doesn't get reported and I mean what

685

00:28:40,419 --> 00:28:38,509

I find ironic here is that I mean when

686

00:28:43,720 --> 00:28:40,429

the world of academia is proved to be

687

00:28:45,789 --> 00:28:43,730

wrong it never apologizes it's very

688

00:28:47,049 --> 00:28:45,799

critical of everybody else but when they

689

00:28:49,659 --> 00:28:47,059

get something wrong there's no

690

00:28:52,210 --> 00:28:49,669

correction or apology for example the

691

00:28:53,769 --> 00:28:52,220

way Richard the third looked when they

692

00:28:55,989 --> 00:28:53,779

got the skull they said right we're

693

00:28:58,119 --> 00:28:55,999

gonna reconstruct it but we must warn

694

00:29:01,509 --> 00:28:58,129

you that he will look nothing like the

695

00:29:04,330 --> 00:29:01,519

old Tudor pictures bletchley look why

696

00:29:06,009 --> 00:29:04,340

not buy the old truth pictures but then

697

00:29:07,720 --> 00:29:06,019

they move on nobody corrects they don't

698

00:29:09,549 --> 00:29:07,730

say oh my god we were wrong though just

699

00:29:13,450 --> 00:29:09,559

they pretend they never said what they

700

00:29:15,730 --> 00:29:13,460

said so many people believe that they're

701

00:29:18,489 --> 00:29:15,740

a whole store is just being literally

702

00:29:20,590 --> 00:29:18,499

removed from our sight on a daily basis

703

00:29:24,020 --> 00:29:20,600

as we've seen where the spy rose in the

704

00:29:26,330 --> 00:29:24,030

sky crop circles and to a degree UFOs

705

00:29:28,400 --> 00:29:26,340

yes it occasionally appears in the press

706

00:29:31,730 --> 00:29:28,410

but not to the degree that it should

707

00:29:33,830 --> 00:29:31,740

given how much of it is going on so the

708

00:29:37,100 --> 00:29:33,840

problem with that is it starts to lead

709

00:29:40,010 --> 00:29:37,110

you into the world of cover-ups and

710

00:29:43,670 --> 00:29:40,020

conspiracy theories because you're left

711

00:29:45,740 --> 00:29:43,680

with no choice and some people say well

712

00:29:47,300 --> 00:29:45,750

you know that's very paranoid isn't it I

713

00:29:49,640 --> 00:29:47,310

mean how can you prove there's a

714

00:29:51,230 --> 00:29:49,650

cover-up well you don't really need me

715

00:29:53,060 --> 00:29:51,240

to go through this but I'll just whisk

716

00:29:54,620 --> 00:29:53,070

through this briefly because I do think

717

00:29:57,670 --> 00:29:54,630

one area you can absolutely prove

718

00:30:01,160 --> 00:29:57,680

cover-ups going on it's the area of UFOs

719

00:30:03,710 --> 00:30:01,170

so you know the UFOs have been you know

720

00:30:07,160 --> 00:30:03,720

in the news since at least the 1940s

721

00:30:08,450 --> 00:30:07,170

Roswell and all of that and culturally

722

00:30:10,010 --> 00:30:08,460

it's funny isn't it most people have

723

00:30:11,870 --> 00:30:10,020

heard of Roswell

724

00:30:13,970 --> 00:30:11,880

ask them what it's all about and they

725

00:30:17,300 --> 00:30:13,980

won't always remember but their name

726

00:30:20,000 --> 00:30:17,310

Roswell is Albert and should anybody new

727

00:30:23,390 --> 00:30:20,010

be here tonight you don't know this is

728

00:30:24,950 --> 00:30:23,400

of course where in 1947 it was reported

729

00:30:27,590 --> 00:30:24,960

that a place called Roswell in New

730

00:30:30,680 --> 00:30:27,600

Mexico that a flying saucer had been

731

00:30:32,900 --> 00:30:30,690

found crashed into the desert dry alien

732

00:30:34,640 --> 00:30:32,910

bodies were lying nearby of course the

733

00:30:35,930 --> 00:30:34,650

military held a press conference and

734

00:30:38,480 --> 00:30:35,940

said it was a weather balloon there's

735

00:30:41,000 --> 00:30:38,490

famous made you just seen Marcel but of

736

00:30:43,160 --> 00:30:41,010

course when Marcel then retired he

737

00:30:44,530 --> 00:30:43,170

completely turned the story around and

738

00:30:46,850 --> 00:30:44,540

said no I believe it was

739

00:30:48,590 --> 00:30:46,860

extraterrestrial and the Roswell

740

00:30:50,690 --> 00:30:48,600

whistleblowers have said the same thing

741

00:30:52,910 --> 00:30:50,700

and getting to the bottom arose well as

742

00:30:55,970 --> 00:30:52,920

most of you here know as well as anybody

743

00:30:57,890 --> 00:30:55,980

is now very hard but you know clearly it

744

00:30:59,480 --> 00:30:57,900

was more than a weather balloon I mean

745

00:31:01,790 --> 00:30:59,490

the weather blew never explained the

746

00:31:04,700 --> 00:31:01,800

claims of the alien bodies anyway which

747

00:31:07,430 --> 00:31:04,710

we have doctors nurses on record as

748

00:31:10,220 --> 00:31:07,440

claiming they saw this bodies and only

749

00:31:12,320 --> 00:31:10,230

about 25-30 years ago the US military

750

00:31:13,850 --> 00:31:12,330

then tried to explain that they're

751

00:31:16,490 --> 00:31:13,860

saying well they were just crash test

752

00:31:18,320 --> 00:31:16,500

dummies well you like to hope that you

753

00:31:19,990 --> 00:31:18,330

nurses can tell the difference between

754

00:31:22,220 --> 00:31:20,000

bodies in crash tests I've never

755

00:31:24,530 --> 00:31:22,230

apparently not if I've understood that

756

00:31:25,970 --> 00:31:24,540

right so the rosewater phenomena goes on

757

00:31:28,040 --> 00:31:25,980

but the point I'm making here is it's

758

00:31:29,240 --> 00:31:28,050

still in the public consciousness even

759

00:31:31,820 --> 00:31:29,250

though you're not meant to take it

760

00:31:32,440 --> 00:31:31,830

seriously and most people today have

761

00:31:35,350 --> 00:31:32,450

heard of it

762

00:31:38,400 --> 00:31:35,360

area 51 there's an aerial shot of it you

763

00:31:41,130 --> 00:31:38,410

know the military test zone in Nevada

764

00:31:43,390 --> 00:31:41,140

many people say they've got

765

00:31:45,190 --> 00:31:43,400

extraterrestrial technology and hangars

766

00:31:47,130 --> 00:31:45,200

under the ground they're trying to copy

767

00:31:49,600 --> 00:31:47,140

it to create modern military technology

768

00:31:51,790 --> 00:31:49,610

you can say that to people and most

769

00:31:54,130 --> 00:31:51,800

people have kind of grasp that that is a

770

00:31:55,870 --> 00:31:54,140

kind of athenaeus have belief even if

771

00:31:58,600 --> 00:31:55,880

they don't believe it themselves so you

772

00:32:01,060 --> 00:31:58,610

know the UFO phenomenon is very much out

773

00:32:05,380 --> 00:32:01,070

there in the collective psyche but still

774

00:32:07,390 --> 00:32:05,390

were in massive denial so ghost is one

775

00:32:08,890 --> 00:32:07,400

thing I keep coming across people come

776

00:32:10,480 --> 00:32:08,900

up to me and share the ghost stories

777

00:32:12,880 --> 00:32:10,490

because they know I'm not going to

778

00:32:15,220 --> 00:32:12,890

really cure them UFO sightings is the

779

00:32:17,320 --> 00:32:15,230

other one I mean so many people you know

780

00:32:19,570 --> 00:32:17,330

this there's so many people that

781

00:32:21,700 --> 00:32:19,580

wouldn't normally talk about it see UFOs

782

00:32:24,750 --> 00:32:21,710

and whether you want to argue they're

783

00:32:27,010 --> 00:32:24,760

alien military hybrid whatever they are

784

00:32:28,570 --> 00:32:27,020

there's something clearly flying around

785

00:32:30,190 --> 00:32:28,580

and there's no question about that

786

00:32:32,400 --> 00:32:30,200

but most of the people that speak to

787

00:32:35,440 --> 00:32:32,410

mean by the way many of them are pilots

788

00:32:37,660 --> 00:32:35,450

military commercial you know sensible

789

00:32:39,970 --> 00:32:37,670

people it's always the same thing yeah I

790

00:32:41,860 --> 00:32:39,980

don't need the hassle or I don't want

791

00:32:43,990 --> 00:32:41,870

the ridicule or I thought somebody would

792

00:32:46,090 --> 00:32:44,000

laugh for me and that's how clever we've

793

00:32:48,280 --> 00:32:46,100

been in our society we've encouraged the

794

00:32:50,200 --> 00:32:48,290

world to laugh at it and then that's

795

00:32:52,000 --> 00:32:50,210

Moses found conversations because then

796

00:32:54,490 --> 00:32:52,010

people are very afraid of coming forward

797

00:32:57,850 --> 00:32:54,500

and again then you get this false view

798

00:33:00,460 --> 00:32:57,860

of the world and when you apply what in

799

00:33:02,380 --> 00:33:00,470

my book I called the truth agenda you

800

00:33:04,060 --> 00:33:02,390

start to look at what stacks up as

801  
00:33:06,400 --> 00:33:04,070  
evidence and what doesn't you realize

802  
00:33:09,250 --> 00:33:06,410  
the truth is here there is something

803  
00:33:10,690 --> 00:33:09,260  
going on the freedom of information that

804  
00:33:11,980 --> 00:33:10,700  
doesn't get you anywhere because of

805  
00:33:15,880 --> 00:33:11,990  
course even if they do release a

806  
00:33:17,770 --> 00:33:15,890  
document that's what you can't and so we

807  
00:33:20,440 --> 00:33:17,780  
have to turn to civilian testimony of

808  
00:33:23,260 --> 00:33:20,450  
which there is of course a lot and you

809  
00:33:26,620 --> 00:33:23,270  
know I mean it's endless every year more

810  
00:33:29,080 --> 00:33:26,630  
claims and I mean I mean I did find

811  
00:33:32,140 --> 00:33:29,090  
interest in the late john mack who of

812  
00:33:34,810 --> 00:33:32,150  
course was a professor at harvard i mean

813  
00:33:36,910 --> 00:33:34,820

he tried to do a study into alien

814

00:33:39,760 --> 00:33:36,920

abduction and the people who claimed to

815

00:33:42,400 --> 00:33:39,770

man these beings when he was a Harvard

816

00:33:45,160 --> 00:33:42,410

and he took a lot of flack for doing it

817

00:33:47,650 --> 00:33:45,170

and indeed he began just out of interest

818

00:33:49,960 --> 00:33:47,660

really to see what's this all about even

819

00:33:51,760 --> 00:33:49,970

just as a psychological phenomenon but

820

00:33:54,760 --> 00:33:51,770

you know after putting people through

821

00:33:56,770 --> 00:33:54,770

hypnotic regression and psychological

822

00:33:59,170 --> 00:33:56,780

analysis he had to conclude at the other

823

00:34:01,150 --> 00:33:59,180

end of it that most of the people he

824

00:34:03,760 --> 00:34:01,160

interviewed he believed that they

825

00:34:05,200 --> 00:34:03,770

believed it they weren't just fantasies

826

00:34:07,660 --> 00:34:05,210

they weren't having a laugh that they

827

00:34:09,760 --> 00:34:07,670

personally truly believed in it and so

828

00:34:11,770 --> 00:34:09,770

of course he crossed to the other side

829

00:34:13,630 --> 00:34:11,780

but by god the flack I mean he nearly

830

00:34:15,430 --> 00:34:13,640

got thrown out of Harvard for doing that

831

00:34:17,320 --> 00:34:15,440

and that's the problem the minute

832

00:34:19,960 --> 00:34:17,330

somebody even dares to study something

833

00:34:22,090 --> 00:34:19,970

like this no they've put themselves out

834

00:34:23,440 --> 00:34:22,100

on a limb and a mainstream no longer

835

00:34:27,820 --> 00:34:23,450

will acknowledge them and I think that's

836

00:34:29,770 --> 00:34:27,830

stupid very very small minded but I want

837

00:34:31,780 --> 00:34:29,780

to kind of take this talk on to a

838

00:34:33,490 --> 00:34:31,790

slightly different level here so what

839

00:34:35,610 --> 00:34:33,500

I've done here is just kind of plow

840

00:34:38,080 --> 00:34:35,620

through a few famous mysteries but

841

00:34:39,640 --> 00:34:38,090

there's another element that comes out

842

00:34:42,040 --> 00:34:39,650

of this and some of you will be familiar

843

00:34:45,010 --> 00:34:42,050

with this already I mean there are

844

00:34:47,620 --> 00:34:45,020

recurring phenomena with this of like

845

00:34:49,720 --> 00:34:47,630

operations and implants and strange

846

00:34:51,370 --> 00:34:49,730

things but the other recurring phenomena

847

00:34:53,950 --> 00:34:51,380

that I don't things talked about enough

848

00:34:54,570 --> 00:34:53,960

is when these beings whatever they may

849

00:34:58,030 --> 00:34:54,580

be

850

00:34:59,290 --> 00:34:58,040

give prophecies to people so you know

851  
00:35:01,360 --> 00:34:59,300  
there are many people over the years

852  
00:35:03,040 --> 00:35:01,370  
people like you know witty streamer and

853  
00:35:05,560 --> 00:35:03,050  
John King they've been told that these

854  
00:35:07,510 --> 00:35:05,570  
beams gave them prophecies of things

855  
00:35:09,400 --> 00:35:07,520  
that would happen in in our world and

856  
00:35:11,500 --> 00:35:09,410  
they've watched some of them come true

857  
00:35:13,240 --> 00:35:11,510  
and again and again over the years of

858  
00:35:16,270 --> 00:35:13,250  
the last few decades there's been this

859  
00:35:18,610 --> 00:35:16,280  
recurring theme of change that our world

860  
00:35:21,910 --> 00:35:18,620  
where we are now is about to go through

861  
00:35:24,190 --> 00:35:21,920  
change and upheaval and transformation

862  
00:35:26,440 --> 00:35:24,200  
which of course ties in with a lot of

863  
00:35:29,110 --> 00:35:26,450

other stuff so the element of prophecy I

864

00:35:30,520 --> 00:35:29,120

think's been underdone in the UFO world

865

00:35:32,800 --> 00:35:30,530

and what I have a little look at this

866

00:35:34,300 --> 00:35:32,810

because this is something that might go

867

00:35:38,350 --> 00:35:34,310

back a little bit earlier than you might

868

00:35:40,300 --> 00:35:38,360

know one of the famous mysteries of the

869

00:35:43,900 --> 00:35:40,310

early 20th century that I've always been

870

00:35:47,530 --> 00:35:43,910

fascinated by is the Fatima apparitions

871

00:35:50,380 --> 00:35:47,540

so if you're not aware of this Fatima is

872

00:35:53,540 --> 00:35:50,390

village in Portugal and these three

873

00:35:55,850 --> 00:35:53,550

Shepherd children claim in 1917

874

00:35:58,700 --> 00:35:55,860

that they make festival an angel and

875

00:36:02,540 --> 00:35:58,710

then a glowing female being that they

876  
00:36:04,060 --> 00:36:02,550  
believed to be the Virgin Mary and this

877  
00:36:07,220 --> 00:36:04,070  
being started to give them information

878  
00:36:10,040 --> 00:36:07,230  
that they were asked to pass on to the

879  
00:36:11,930 --> 00:36:10,050  
church authorities at the time and the

880  
00:36:14,570 --> 00:36:11,940  
first bit of information was the

881  
00:36:16,460 --> 00:36:14,580  
prediction of a second world war this of

882  
00:36:19,130 --> 00:36:16,470  
course was during the first world that

883  
00:36:21,110 --> 00:36:19,140  
came true the second was a prediction of

884  
00:36:23,420 --> 00:36:21,120  
a cold war and the rise of communism

885  
00:36:24,500 --> 00:36:23,430  
which of course also occurred and the

886  
00:36:27,890 --> 00:36:24,510  
third secret

887  
00:36:30,800 --> 00:36:27,900  
well that was kept very quiet for many

888  
00:36:33,920 --> 00:36:30,810

years by the Vatican and yet Vatican

889

00:36:36,530 --> 00:36:33,930

officials like Cardinal Ratzinger who

890

00:36:39,860 --> 00:36:36,540

would go on to become pope benedict xvi

891

00:36:41,990 --> 00:36:39,870

he dropped very heavy hints the third

892

00:36:44,450 --> 00:36:42,000

secret was all about big changes and

893

00:36:47,450 --> 00:36:44,460

stuff all due to occur cleaned up now in

894

00:36:49,670 --> 00:36:47,460

our lifetimes here today but when he

895

00:36:50,930 --> 00:36:49,680

became Pope he then shut up I wouldn't

896

00:36:54,380 --> 00:36:50,940

say anything more about it

897

00:36:56,390 --> 00:36:54,390

and I think religious agendas again if

898

00:36:58,340 --> 00:36:56,400

you're gonna look at global cover-ups I

899

00:37:00,470 --> 00:36:58,350

think there are more things to say about

900

00:37:02,330 --> 00:37:00,480

religious agendas then currently get

901  
00:37:03,680 --> 00:37:02,340  
talked about understand a little bit

902  
00:37:06,380 --> 00:37:03,690  
more about that in a minute

903  
00:37:08,570 --> 00:37:06,390  
but you could say okay yeah but on the

904  
00:37:09,350 --> 00:37:08,580  
other hand surely they just made this up

905  
00:37:12,590 --> 00:37:09,360  
they were kids

906  
00:37:14,420 --> 00:37:12,600  
obviously invented it well the reason I

907  
00:37:17,060 --> 00:37:14,430  
don't think that that's true is because

908  
00:37:20,300 --> 00:37:17,070  
there are thousands of accounts of what

909  
00:37:22,760 --> 00:37:20,310  
was called the miracle of the Sun now if

910  
00:37:24,980 --> 00:37:22,770  
you go to Fatima today there is a side

911  
00:37:26,530 --> 00:37:24,990  
chapel and they don't shout about this

912  
00:37:30,110 --> 00:37:26,540  
window but there's a window there

913  
00:37:31,790 --> 00:37:30,120

commemorating the miracle of the Sun so

914

00:37:34,430 --> 00:37:31,800

this is where the children asked this

915

00:37:36,110 --> 00:37:34,440

being for a sign because reasonably they

916

00:37:38,120 --> 00:37:36,120

were worried nobody would listen to them

917

00:37:40,730 --> 00:37:38,130

and the being said yeah fair enough well

918

00:37:43,630 --> 00:37:40,740

bring lots of people here at this time

919

00:37:47,480 --> 00:37:43,640

on this date which was 13th of October

920

00:37:50,060 --> 00:37:47,490

1917 and I will perform a miracle and

921

00:37:51,380 --> 00:37:50,070

there are literally thousands of

922

00:37:54,500 --> 00:37:51,390

accounts of people who claim they saw

923

00:37:56,900 --> 00:37:54,510

the Sun flying around the sky performing

924

00:37:59,360 --> 00:37:56,910

acrobatics throwing our beautiful colors

925

00:38:02,750 --> 00:37:59,370

doing strange things the Sun doesn't

926  
00:38:05,120 --> 00:38:02,760  
normally do and what is very unusual is

927  
00:38:08,029 --> 00:38:05,130  
that we have photographs of the event

928  
00:38:10,249 --> 00:38:08,039  
there is a photograph porting to show at

929  
00:38:13,220 --> 00:38:10,259  
least the object taken from a few miles

930  
00:38:15,799 --> 00:38:13,230  
away it looks like an eclipse there but

931  
00:38:17,539 --> 00:38:15,809  
no eclipse was due that day here old

932  
00:38:20,029 --> 00:38:17,549  
people waiting they've been told to

933  
00:38:21,410 --> 00:38:20,039  
gather for a sign what I think's

934  
00:38:24,200 --> 00:38:21,420  
interesting is that you look up there

935  
00:38:26,480 --> 00:38:24,210  
you see what the bran is up and it was

936  
00:38:29,180 --> 00:38:26,490  
raining really heavily during all of

937  
00:38:31,220 --> 00:38:29,190  
this now the very last thing this object

938  
00:38:33,079 --> 00:38:31,230

is so this went on for a while doing all

939

00:38:35,240 --> 00:38:33,089

this incredible spinning stuff it

940

00:38:37,130 --> 00:38:35,250

suddenly came down very low over the

941

00:38:39,049 --> 00:38:37,140

heads of the crowd who by now of course

942

00:38:41,930 --> 00:38:39,059

would terrify they thought it was now

943

00:38:45,170 --> 00:38:41,940

the end of the world but as he did that

944

00:38:48,109 --> 00:38:45,180

the rain stopped instantly the puddles

945

00:38:51,049 --> 00:38:48,119

fiddles as it fizzled into steam and the

946

00:38:54,049 --> 00:38:51,059

clothes were instantly dry like that and

947

00:38:57,499 --> 00:38:54,059

that's it no because some have said when

948

00:39:00,559 --> 00:38:57,509

standing near UFOs water could suddenly

949

00:39:02,630 --> 00:39:00,569

dry up but all right personally you may

950

00:39:02,870 --> 00:39:02,640

remember was very keen on pointing that

951

00:39:06,170 --> 00:39:02,880

out

952

00:39:08,329 --> 00:39:06,180

so there's a connotation here now I am

953

00:39:10,670 --> 00:39:08,339

NOT saying the Virgin Mary was or wasn't

954

00:39:12,200 --> 00:39:10,680

involved I cannot speak for that but if

955

00:39:14,420 --> 00:39:12,210

you got reported today it would

956

00:39:16,700 --> 00:39:14,430

certainly go down as if of course a

957

00:39:18,759 --> 00:39:16,710

major UFO sighting and again you've got

958

00:39:21,680 --> 00:39:18,769

the connotation of prophecy and that

959

00:39:24,049 --> 00:39:21,690

binds it together with with many other

960

00:39:26,089 --> 00:39:24,059

things briefly back to crop sir where

961

00:39:28,279 --> 00:39:26,099

some of you may know some of them have

962

00:39:32,029 --> 00:39:28,289

shown over the years clear references to

963

00:39:33,859 --> 00:39:32,039

the the ancient great cycle the people

964

00:39:36,859 --> 00:39:33,869

at the Maya you know had these

965

00:39:38,809 --> 00:39:36,869

prophecies around and it's a cycle of

966

00:39:41,029 --> 00:39:38,819

time that is embedded into many ancient

967

00:39:46,519 --> 00:39:41,039

calendrical systems not just the Maya

968

00:39:48,650 --> 00:39:46,529

and it's a cycle of 5125 years and the

969

00:39:51,470 --> 00:39:48,660

prophecy said when that cycle ended and

970

00:39:54,710 --> 00:39:51,480

began again as it did in December 2012

971

00:39:57,769 --> 00:39:54,720

it would herald the beginning of a huge

972

00:40:00,349 --> 00:39:57,779

time of upheaval transformation change

973

00:40:02,390 --> 00:40:00,359

and so forth well of course many would

974

00:40:06,109 --> 00:40:02,400

argue we've had nothing but upheaval

975

00:40:07,970 --> 00:40:06,119

since 2012 and we're now living in the

976

00:40:09,589 --> 00:40:07,980

new era of change according to the

977

00:40:11,539 --> 00:40:09,599

ancients so wasn't the end of the world

978

00:40:13,770 --> 00:40:11,549

as some talked it might be but it was in

979

00:40:15,930 --> 00:40:13,780

a way the beginning of a new world

980

00:40:18,150 --> 00:40:15,940

and they'll make some people wonder well

981

00:40:21,150 --> 00:40:18,160

what was it the ancients knew about that

982

00:40:22,950 --> 00:40:21,160

maybe we'd all forgotten so I mean if

983

00:40:25,380 --> 00:40:22,960

you just look at you know the ancients

984

00:40:27,150 --> 00:40:25,390

like the Meyer on that of course you

985

00:40:30,180 --> 00:40:27,160

know then you get all the themes of

986

00:40:35,000 --> 00:40:30,190

ancient aliens and it's now quite a wide

987

00:40:37,230 --> 00:40:35,010

belief that we were visited long ago by

988

00:40:39,630 --> 00:40:37,240

extraterrestrials maybe the same ones

989

00:40:41,610 --> 00:40:39,640

that are visiting today and of course

990

00:40:44,070 --> 00:40:41,620

you know you will know much about this

991

00:40:45,960 --> 00:40:44,080

as far as I'm aware the first person to

992

00:40:49,170 --> 00:40:45,970

really go pick on this was a good old

993

00:40:51,570 --> 00:40:49,180

Erich von däniken always made fun of on

994

00:40:54,360 --> 00:40:51,580

the telly is you know mad eccentric but

995

00:40:57,420 --> 00:40:54,370

to be fair to him his book Chariots of

996

00:41:00,390 --> 00:40:57,430

the Gods hasn't been a multi-billion

997

00:41:01,740 --> 00:41:00,400

Besser for years for nothing there's

998

00:41:04,080 --> 00:41:01,750

something in the collective their

999

00:41:06,000 --> 00:41:04,090

response to it and you can't knock some

1000

00:41:09,750 --> 00:41:06,010

of the observations what really were the

1001  
00:41:11,550 --> 00:41:09,760  
Nazca lines in Peru they runways some of

1002  
00:41:13,620 --> 00:41:11,560  
the old cave paintings did not look like

1003  
00:41:14,280 --> 00:41:13,630  
what you'd call an alien if you saw it

1004  
00:41:16,950 --> 00:41:14,290  
today

1005  
00:41:19,050 --> 00:41:16,960  
the Oscar is we don't know for sure but

1006  
00:41:21,660 --> 00:41:19,060  
there's a great appetite for this you

1007  
00:41:24,120 --> 00:41:21,670  
know again the success of the American

1008  
00:41:26,010 --> 00:41:24,130  
TV series ancient aliens is not for

1009  
00:41:28,470 --> 00:41:26,020  
nothing it's something that we respond

1010  
00:41:31,590 --> 00:41:28,480  
to and I think it should be acknowledged

1011  
00:41:34,200 --> 00:41:31,600  
more in the mainstream and of course

1012  
00:41:36,680 --> 00:41:34,210  
this gives rise to various conspiracy

1013  
00:41:39,600 --> 00:41:36,690

theories that they seeded an

1014

00:41:43,710 --> 00:41:39,610

extraterrestrial gene because you've got

1015

00:41:45,660 --> 00:41:43,720

so many references in old writings like

1016

00:41:48,240 --> 00:41:45,670

the book of Genesis chapter 6 and the

1017

00:41:50,670 --> 00:41:48,250

Sumerian legends of a race of beings

1018

00:41:53,070 --> 00:41:50,680

from the sky who come down and

1019

00:41:55,560 --> 00:41:53,080

interbreed with mankind and in the Bible

1020

00:41:58,410 --> 00:41:55,570

it says that they then gave birth to a

1021

00:42:00,750 --> 00:41:58,420

hybrid race known as the Nephilim and

1022

00:42:03,330 --> 00:42:00,760

you know you've got this story in many

1023

00:42:05,730 --> 00:42:03,340

ancient texts of us mingling with

1024

00:42:08,640 --> 00:42:05,740

something else and of course from that

1025

00:42:10,650 --> 00:42:08,650

you also get at least part of the

1026  
00:42:13,770 --> 00:42:10,660  
conspiracy theory about the reptilian

1027  
00:42:16,980 --> 00:42:13,780  
agenda the the bloodline that was seeded

1028  
00:42:18,810 --> 00:42:16,990  
back then basically maintained itself in

1029  
00:42:21,000 --> 00:42:18,820  
a ruling elite which is of course now

1030  
00:42:22,790 --> 00:42:21,010  
has it it stopped the British royal

1031  
00:42:25,950 --> 00:42:22,800  
family who are of course

1032  
00:42:28,660 --> 00:42:25,960  
extraterrestrial lizard

1033  
00:42:30,910 --> 00:42:28,670  
and many people believe that seems

1034  
00:42:32,980 --> 00:42:30,920  
reasonable and I'm not here to make fun

1035  
00:42:35,080 --> 00:42:32,990  
of anyone who knows I don't know but

1036  
00:42:37,900 --> 00:42:35,090  
David Icke certainly takes it seriously

1037  
00:42:40,060 --> 00:42:37,910  
and many people take him seriously worth

1038  
00:42:42,130 --> 00:42:40,070

noting that many prime ministers and

1039

00:42:50,680 --> 00:42:42,140

presidents are said to also carry the

1040

00:42:52,270 --> 00:42:50,690

same extraterrestrial gene and yes can

1041

00:42:54,400 --> 00:42:52,280

we have that conversation at the end do

1042

00:42:56,590 --> 00:42:54,410

I well quick answer yeah I think David I

1043

00:42:59,260 --> 00:42:56,600

don't agree with everything he believes

1044

00:43:01,510 --> 00:42:59,270

but I think he's right about enough that

1045

00:43:03,730 --> 00:43:01,520

he shouldn't be just instantly made fun

1046

00:43:05,500 --> 00:43:03,740

of that's how I feel yeah okay but

1047

00:43:08,530 --> 00:43:05,510

hopefully we'll have a time for chat

1048

00:43:11,440 --> 00:43:08,540

later but I mean here's an interesting

1049

00:43:13,330 --> 00:43:11,450

thing so it is true that most presidents

1050

00:43:16,030 --> 00:43:13,340

and prime ministers apparently have

1051  
00:43:18,160 --> 00:43:16,040  
strong genealogical links to the British

1052  
00:43:20,290 --> 00:43:18,170  
royal family I don't know about Trump

1053  
00:43:23,500 --> 00:43:20,300  
but some saying even that's in there but

1054  
00:43:26,020 --> 00:43:23,510  
it's interesting it may well be that

1055  
00:43:27,420 --> 00:43:26,030  
even if it's not an alien bloodline that

1056  
00:43:30,100 --> 00:43:27,430  
there is something special about

1057  
00:43:32,290 --> 00:43:30,110  
maintaining bloodlines I mean how wars

1058  
00:43:33,940 --> 00:43:32,300  
have been fought over bloodlines of

1059  
00:43:37,090 --> 00:43:33,950  
course never more so than in this

1060  
00:43:40,060 --> 00:43:37,100  
country and I mean you know when you

1061  
00:43:42,190 --> 00:43:40,070  
look just at ancient symbols you can

1062  
00:43:44,770 --> 00:43:42,200  
certainly show that things from ancient

1063  
00:43:48,280 --> 00:43:44,780

times still matter in the world today

1064

00:43:49,960 --> 00:43:48,290

there's still denote power so just put

1065

00:43:52,660 --> 00:43:49,970

alien genes aside for a minute that may

1066

00:43:54,910 --> 00:43:52,670

or may not be true but say the pyramid

1067

00:43:57,280 --> 00:43:54,920

or various ancient Egyptian symbolism

1068

00:44:00,340 --> 00:43:57,290

any Freemasons will tell you this is

1069

00:44:01,840 --> 00:44:00,350

still used as markers of power now and

1070

00:44:03,400 --> 00:44:01,850

we keep building pyramids they're all

1071

00:44:06,070 --> 00:44:03,410

over the world are in China they're in

1072

00:44:08,590 --> 00:44:06,080

India they're in Peru they're in Vietnam

1073

00:44:10,120 --> 00:44:08,600

different coins yes the Mayans have

1074

00:44:12,820 --> 00:44:10,130

their own coins of Pyramus many

1075

00:44:14,950 --> 00:44:12,830

centuries later some believe the

1076

00:44:17,440 --> 00:44:14,960

original pyramids were created by the

1077

00:44:20,470 --> 00:44:17,450

survivors of Atlantis or the muriël or

1078

00:44:23,890 --> 00:44:20,480

mu you know there are many legends about

1079

00:44:26,530 --> 00:44:23,900

a lost once enlightened civilization but

1080

00:44:28,360 --> 00:44:26,540

it persists the pyramid to the point

1081

00:44:29,980 --> 00:44:28,370

where of course if you're in America

1082

00:44:32,410 --> 00:44:29,990

today you probably got one in your

1083

00:44:35,170 --> 00:44:32,420

pocket because the Great Seal of America

1084

00:44:37,590 --> 00:44:35,180

is the Eye of Providence which again is

1085

00:44:39,660 --> 00:44:37,600

a Masonic symbol founded in 1776

1086

00:44:41,730 --> 00:44:39,670

two-six the Freemason say it's very

1087

00:44:44,550 --> 00:44:41,740

lovely symbol as the Divine Being and

1088

00:44:46,200 --> 00:44:44,560

looking after everybody there below but

1089

00:44:49,080 --> 00:44:46,210

the conspiracy view says it's very

1090

00:44:51,270 --> 00:44:49,090

sinister it is the all-seeing eye with

1091

00:44:52,980 --> 00:44:51,280

everybody trapped below it so the

1092

00:44:53,640 --> 00:44:52,990

arguments about that go on but we do

1093

00:44:56,910 --> 00:44:53,650

Kemp

1094

00:44:59,520 --> 00:44:56,920

keep building pyramids glass pyramids at

1095

00:45:01,290 --> 00:44:59,530

the Louvre in Paris for instance Canary

1096

00:45:03,990 --> 00:45:01,300

Wharf tower right the heart of our

1097

00:45:06,960 --> 00:45:04,000

financial center in Greenwich and London

1098

00:45:09,510 --> 00:45:06,970

we have a glass pyramid on the top it is

1099

00:45:11,700 --> 00:45:09,520

rumoured and I've never been up there a

1100

00:45:14,130 --> 00:45:11,710

mission it but it's rumored that if you

1101  
00:45:16,320 --> 00:45:14,140  
follow the lines of the pyramid down as

1102  
00:45:18,780 --> 00:45:16,330  
if they then come to the ground level of

1103  
00:45:20,820 --> 00:45:18,790  
the tower it is said to then give you

1104  
00:45:24,360 --> 00:45:20,830  
the exact dimensions of the Great

1105  
00:45:26,490 --> 00:45:24,370  
Pyramid of Giza so if so that's very

1106  
00:45:28,380 --> 00:45:26,500  
curious indeed because that would

1107  
00:45:30,660 --> 00:45:28,390  
suggest again they are then linking

1108  
00:45:32,040 --> 00:45:30,670  
ancient power with modern power and

1109  
00:45:32,640 --> 00:45:32,050  
things like that don't happen by

1110  
00:45:34,110 --> 00:45:32,650  
accident

1111  
00:45:35,580 --> 00:45:34,120  
so if anybody wants to get out there

1112  
00:45:36,150 --> 00:45:35,590  
with the tank measure we can put this to

1113  
00:45:39,180 --> 00:45:36,160

the test

1114

00:45:41,310 --> 00:45:39,190

but I do think that the Olympics you

1115

00:45:43,560 --> 00:45:41,320

know were fantastic for this symbolism

1116

00:45:46,320 --> 00:45:43,570

some of you might have noticed at the

1117

00:45:49,410 --> 00:45:46,330

time that we have mascots for the 2012

1118

00:45:51,810 --> 00:45:49,420

Olympics with a single I really are very

1119

00:45:53,250 --> 00:45:51,820

like the eye over the pyramid and even

1120

00:45:55,500 --> 00:45:53,260

the lighting contra is a very

1121

00:45:56,910 --> 00:45:55,510

reminiscent of the aya Providence and

1122

00:45:59,820 --> 00:45:56,920

some thought that given that this was

1123

00:46:01,770 --> 00:45:59,830

2012 the year of the beginning of the

1124

00:46:04,460 --> 00:46:01,780

new era of change well maybe they were

1125

00:46:06,510 --> 00:46:04,470

trying to see their symbols out there

1126  
00:46:08,640 --> 00:46:06,520  
subliminally knowing that lots of people

1127  
00:46:10,920 --> 00:46:08,650  
would be watching Italian there they're

1128  
00:46:13,920 --> 00:46:10,930  
putting their stamp on the beginning of

1129  
00:46:17,550 --> 00:46:13,930  
the new era of change but we do know

1130  
00:46:21,420 --> 00:46:17,560  
that secret societies especially do like

1131  
00:46:23,340 --> 00:46:21,430  
signs and symbols the Bohemian Club is a

1132  
00:46:25,410 --> 00:46:23,350  
secret society that's not actually very

1133  
00:46:29,040 --> 00:46:25,420  
secret anymore but the mainstream won't

1134  
00:46:30,900 --> 00:46:29,050  
touch it and they begun in California

1135  
00:46:33,120 --> 00:46:30,910  
for those that are new to this in the

1136  
00:46:37,080 --> 00:46:33,130  
late 18-hundreds Boursin woods up

1137  
00:46:38,820 --> 00:46:37,090  
christened and Bohemian Grove and people

1138  
00:46:41,430 --> 00:46:38,830

rich and famous from around the world

1139

00:46:43,820 --> 00:46:41,440

began to gather and once a year would do

1140

00:46:46,380 --> 00:46:43,830

this ritual called the cremation of care

1141

00:46:48,310 --> 00:46:46,390

where they sacrifice the effigy of a

1142

00:46:51,550 --> 00:46:48,320

child to a giant stone now

1143

00:46:54,130 --> 00:46:51,560

as you do and this is the thing these

1144

00:46:57,190 --> 00:46:54,140

cells are something of Victoriano gone

1145

00:46:59,530 --> 00:46:57,200

man but it's still going on now so the

1146

00:47:01,930 --> 00:46:59,540

same ceremony goes on every year as well

1147

00:47:04,090 --> 00:47:01,940

recognize protesters even show up at the

1148

00:47:06,670 --> 00:47:04,100

gates but you won't hear about this in

1149

00:47:09,400 --> 00:47:06,680

the mainstream the nearest we got was

1150

00:47:11,410 --> 00:47:09,410

when the author Jon Ronson broke into

1151

00:47:13,660 --> 00:47:11,420

the Bohemian Grove compound with Channel

1152

00:47:15,520 --> 00:47:13,670

four cameras and film the ceremony then

1153

00:47:19,060 --> 00:47:15,530

you can watch you on YouTube that's how

1154

00:47:20,470 --> 00:47:19,070

our there it is and yes still 98 percent

1155

00:47:22,900 --> 00:47:20,480

of the world's population there's no

1156

00:47:24,430 --> 00:47:22,910

idea that this is going on and he even

1157

00:47:27,310 --> 00:47:24,440

wrote into a chapter in his best-selling

1158

00:47:30,010 --> 00:47:27,320

book then so this can be going on very

1159

00:47:32,230 --> 00:47:30,020

overtly and still most of the world

1160

00:47:33,790 --> 00:47:32,240

won't notice and I find that very sad

1161

00:47:36,370 --> 00:47:33,800

can I say question at the end of that's

1162

00:47:38,500 --> 00:47:36,380

right I'll give you chance I mean when

1163

00:47:40,570 --> 00:47:38,510

you look at the group's they have

1164

00:47:43,060 --> 00:47:40,580

enormous influence like the bilderbergs

1165

00:47:45,460 --> 00:47:43,070

and the trilateral commission and all

1166

00:47:48,400 --> 00:47:45,470

these unelected think tanks and windows

1167

00:47:50,590 --> 00:47:48,410

and weird kind of meetings what is so

1168

00:47:53,170 --> 00:47:50,600

incredible is how obvious they are our

1169

00:47:55,960 --> 00:47:53,180

mainstream politicians go monarchs go

1170

00:47:57,940 --> 00:47:55,970

people I've Rupert Murdoch go and yet

1171

00:47:59,380 --> 00:47:57,950

still hardly ever mentioned I think the

1172

00:48:00,760 --> 00:47:59,390

Daily Mail ran a feature on the

1173

00:48:01,480 --> 00:48:00,770

Bilderberg this year and that was

1174

00:48:03,370 --> 00:48:01,490

unusual

1175

00:48:05,770 --> 00:48:03,380

The Guardian had got in there a couple

1176

00:48:07,900 --> 00:48:05,780

of years ago too but on the whole they

1177

00:48:09,670 --> 00:48:07,910

are clearly making decisions which

1178

00:48:12,460 --> 00:48:09,680

influenced Parliament's around the world

1179

00:48:14,500 --> 00:48:12,470

and yet we're told that we have no say

1180

00:48:16,210 --> 00:48:14,510

with the wit hole we're not even allowed

1181

00:48:18,520 --> 00:48:16,220

to know exactly what it is they talk

1182

00:48:20,950 --> 00:48:18,530

about and of course that just leads to

1183

00:48:23,500 --> 00:48:20,960

conspiracy theories they don't like

1184

00:48:25,840 --> 00:48:23,510

conspiracy theorists that you know we're

1185

00:48:29,260 --> 00:48:25,850

all being basically operated like

1186

00:48:30,670 --> 00:48:29,270

puppets by some secret ruling elite well

1187

00:48:34,420 --> 00:48:30,680

maybe they'd like to be a little bit

1188

00:48:36,670 --> 00:48:34,430

more open about this and I mean this is

1189

00:48:38,380 --> 00:48:36,680

how the equation works out which again I

1190

00:48:40,090 --> 00:48:38,390

think about David I was one of the first

1191

00:48:42,610 --> 00:48:40,100

to point out if you can keep the

1192

00:48:44,590 --> 00:48:42,620

population in fear all the time of

1193

00:48:46,810 --> 00:48:44,600

course we're always then begging for

1194

00:48:48,340 --> 00:48:46,820

distraction and while we're all

1195

00:48:50,170 --> 00:48:48,350

distracted because we don't want to be

1196

00:48:52,150 --> 00:48:50,180

worried about terrorism and global

1197

00:48:54,910 --> 00:48:52,160

warming and god knows what we're all

1198

00:48:55,620 --> 00:48:54,920

giving into control without noticing so

1199

00:48:58,560 --> 00:48:55,630

the more

1200

00:49:01,200 --> 00:48:58,570

fearful we are the less informed we are

1201  
00:49:03,000 --> 00:49:01,210  
the more easily controlled we are and

1202  
00:49:04,860 --> 00:49:03,010  
you know now we're getting into the

1203  
00:49:07,440 --> 00:49:04,870  
realms are talking about microchip in

1204  
00:49:10,380 --> 00:49:07,450  
the population which was last out 25

1205  
00:49:12,320 --> 00:49:10,390  
years ago and now it's begun in America

1206  
00:49:15,870 --> 00:49:12,330  
and Sweden and it'll be here soon enough

1207  
00:49:18,450 --> 00:49:15,880  
unless people stand up and say no so

1208  
00:49:20,550 --> 00:49:18,460  
it's quite extraordinary also that you

1209  
00:49:24,540 --> 00:49:20,560  
know you've got religious agendas going

1210  
00:49:26,970 --> 00:49:24,550  
on too in America bear in mind we have

1211  
00:49:29,070 --> 00:49:26,980  
many people that are wanting the Battle

1212  
00:49:30,780 --> 00:49:29,080  
of Armageddon they believe that they are

1213  
00:49:32,610 --> 00:49:30,790

living in the end times but more than

1214

00:49:35,270 --> 00:49:32,620

that they want to bring the end times

1215

00:49:37,740 --> 00:49:35,280

about I mean read some very over

1216

00:49:38,760 --> 00:49:37,750

evangelical stuff but again you're not

1217

00:49:40,860 --> 00:49:38,770

going to read about that in the

1218

00:49:43,680 --> 00:49:40,870

mainstream even though it's plainly

1219

00:49:45,870 --> 00:49:43,690

motivating mainstream politics we are

1220

00:49:48,480 --> 00:49:45,880

endlessly about Trump you don't hear

1221

00:49:50,190 --> 00:49:48,490

much about Mike Pence to you some people

1222

00:49:50,490 --> 00:49:50,200

think pence is more important than meets

1223

00:49:53,640 --> 00:49:50,500

the eye

1224

00:49:56,910 --> 00:49:53,650

he is seriously an entire evangelical

1225

00:49:58,560 --> 00:49:56,920

and some people think that he really is

1226  
00:49:59,070 --> 00:49:58,570  
possibly one of the powers behind the

1227  
00:50:00,690 --> 00:49:59,080  
throne

1228  
00:50:03,330 --> 00:50:00,700  
and yet of course we're always looking

1229  
00:50:05,010 --> 00:50:03,340  
at what Trump's up to so it's worth

1230  
00:50:07,290 --> 00:50:05,020  
checking this out it wouldn't have gone

1231  
00:50:09,210 --> 00:50:07,300  
much differently had Hillary won because

1232  
00:50:09,900 --> 00:50:09,220  
Hillary is said to be a member of the

1233  
00:50:12,660 --> 00:50:09,910  
family

1234  
00:50:14,550 --> 00:50:12,670  
another key and tiny evangelical

1235  
00:50:16,320 --> 00:50:14,560  
movement so I'm not saying these people

1236  
00:50:17,670 --> 00:50:16,330  
shouldn't have their beliefs absolutely

1237  
00:50:20,340 --> 00:50:17,680  
everybody's free to believe what they

1238  
00:50:23,340 --> 00:50:20,350

will but this is clearly influencing

1239

00:50:25,530 --> 00:50:23,350

global politics and yet nobody's talking

1240

00:50:27,990 --> 00:50:25,540

about it and that's next to many of

1241

00:50:31,050 --> 00:50:28,000

cover up but it certainly smacks of

1242

00:50:33,960 --> 00:50:31,060

unfairness if nothing else and it leads

1243

00:50:36,270 --> 00:50:33,970

of course ultimately all of this to make

1244

00:50:39,000 --> 00:50:36,280

people question everything they believe

1245

00:50:42,180 --> 00:50:39,010

and that's when people started look at

1246

00:50:44,850 --> 00:50:42,190

even very mainstream events and start to

1247

00:50:47,730 --> 00:50:44,860

wonder that maybe we shouldn't believe

1248

00:50:49,830 --> 00:50:47,740

anything were told anymore so what I

1249

00:50:51,990 --> 00:50:49,840

want to do is have a break here and

1250

00:50:53,700 --> 00:50:52,000

we'll come back and we'll kind of try

1251  
00:50:56,040 --> 00:50:53,710  
and tie all of this up in the second

1252  
00:50:58,230 --> 00:50:56,050  
half so gonna have a beer have a drink

1253  
00:50:59,490 --> 00:50:58,240  
there are some of my books here some of

1254  
00:51:02,280 --> 00:50:59,500  
the leaflets about the glass bridge

1255  
00:51:03,290 --> 00:51:02,290  
symposium and it's a website leafless is

1256  
00:51:05,300 --> 00:51:03,300  
that you come and have a load

1257  
00:51:11,510 --> 00:51:05,310  
I see you surely you're right thanks

1258  
00:51:15,020 --> 00:51:11,520  
very much thank you we've established

1259  
00:51:17,060 --> 00:51:15,030  
shops now that you know there are very

1260  
00:51:19,160 --> 00:51:17,070  
good reasons to doubt the version of the

1261  
00:51:21,170 --> 00:51:19,170  
world that we are presented with it's

1262  
00:51:23,390 --> 00:51:21,180  
absolutely obvious that we are lied to

1263  
00:51:26,120 --> 00:51:23,400

and it's absolutely obvious therefore

1264

00:51:29,360 --> 00:51:26,130

that we shouldn't necessarily ever take

1265

00:51:31,160 --> 00:51:29,370

anything at face value so there's a

1266

00:51:33,530 --> 00:51:31,170

whole talk that I gave about the history

1267

00:51:35,300 --> 00:51:33,540

of conspiracy theories and I don't want

1268

00:51:37,820 --> 00:51:35,310

to go too far down that route today but

1269

00:51:41,510 --> 00:51:37,830

I thought I would focus on two

1270

00:51:43,580 --> 00:51:41,520

conspiracy theories because this kind of

1271

00:51:46,130 --> 00:51:43,590

thinking can lead you down interest in

1272

00:51:48,200 --> 00:51:46,140

parts and the next term I think

1273

00:51:52,340 --> 00:51:48,210

illustrates some of the interesting gray

1274

00:51:54,440 --> 00:51:52,350

areas that come up when you look at the

1275

00:51:56,210 --> 00:51:54,450

claims of cover-ups and conspiracy so

1276

00:51:58,190 --> 00:51:56,220

let's start with one that's great fun

1277

00:52:01,160 --> 00:51:58,200

and many of you will be familiar with it

1278

00:52:04,040 --> 00:52:01,170

the one that questions whether we really

1279

00:52:06,590 --> 00:52:04,050

went to the moon now I mean next year

1280

00:52:09,020 --> 00:52:06,600

you are gonna get so much NASA

1281

00:52:11,480 --> 00:52:09,030

propaganda because of course is 50 years

1282

00:52:13,280 --> 00:52:11,490

next year since man first allegedly

1283

00:52:15,470 --> 00:52:13,290

landed on the moon so they're gonna

1284

00:52:17,270 --> 00:52:15,480

really sell it big time and yeah I don't

1285

00:52:20,240 --> 00:52:17,280

think that's gonna make the conspiracy

1286

00:52:21,800 --> 00:52:20,250

theories go away at the last count in

1287

00:52:23,960 --> 00:52:21,810

Britain anyway cos speak for the world

1288

00:52:26,000 --> 00:52:23,970

but I took a poll in Britain for the

1289

00:52:29,060 --> 00:52:26,010

40th anniversary of the moon landings

1290

00:52:32,000 --> 00:52:29,070

and roughly 25 percent of British people

1291

00:52:35,030 --> 00:52:32,010

believe they were faked that's a lot of

1292

00:52:37,280 --> 00:52:35,040

people so again that's not just one or

1293

00:52:38,750 --> 00:52:37,290

two cranks you can brush your sight you

1294

00:52:40,580 --> 00:52:38,760

know if you brush that aside and make

1295

00:52:43,040 --> 00:52:40,590

fun of people that's 25 percent of the

1296

00:52:46,640 --> 00:52:43,050

population you're basically dismissing

1297

00:52:48,740 --> 00:52:46,650

and the reasons that they doubt are many

1298

00:52:50,810 --> 00:52:48,750

but I'm just going to look at some of

1299

00:52:52,880 --> 00:52:50,820

the reasons today because this is

1300

00:52:55,100 --> 00:52:52,890

important because this is held up very

1301  
00:52:58,100 --> 00:52:55,110  
often as one of the great achievements

1302  
00:52:59,330 --> 00:52:58,110  
have been kind and yet if you can show

1303  
00:53:01,730 --> 00:52:59,340  
that they've not been straight about

1304  
00:53:04,520 --> 00:53:01,740  
this well of course then what else have

1305  
00:53:07,040 --> 00:53:04,530  
they not been straight about so the

1306  
00:53:08,720 --> 00:53:07,050  
criticisms are this number one some

1307  
00:53:10,280 --> 00:53:08,730  
people say you've only got three bits of

1308  
00:53:12,520 --> 00:53:10,290  
evidence that we went to the moon you've

1309  
00:53:17,050 --> 00:53:12,530  
got the astronauts testimony

1310  
00:53:18,640 --> 00:53:17,060  
so you know they say they went but did

1311  
00:53:21,010 --> 00:53:18,650  
you know they often contradict each

1312  
00:53:23,170 --> 00:53:21,020  
other I mean some say for instance

1313  
00:53:24,940 --> 00:53:23,180

they're looking out the stars were

1314

00:53:26,380 --> 00:53:24,950

amazing another said I couldn't really

1315

00:53:28,840 --> 00:53:26,390

see the stars it was a bit disappointing

1316

00:53:31,300 --> 00:53:28,850

well somebody's right and somebody's

1317

00:53:33,940 --> 00:53:31,310

wrong there's no clouds up there so how

1318

00:53:37,260 --> 00:53:33,950

do we explain this um they could be

1319

00:53:40,510 --> 00:53:37,270

lying under threat under oath maybe um

1320

00:53:42,310 --> 00:53:40,520

we've got moon rock but that could have

1321

00:53:44,680 --> 00:53:42,320

been brought back by automated probes

1322

00:53:46,390 --> 00:53:44,690

well the Russians did that they brought

1323

00:53:49,510 --> 00:53:46,400

back moon dust and they never stood on

1324

00:53:51,520 --> 00:53:49,520

the moon nobody's seen by the way the

1325

00:53:52,660 --> 00:53:51,530

the all of NASA would have been in on

1326

00:53:55,240 --> 00:53:52,670

this now most of them would have

1327

00:53:57,280 --> 00:53:55,250

believed they went to the moon rockets

1328

00:53:59,020 --> 00:53:57,290

took off and clearly the people in

1329

00:54:01,060 --> 00:53:59,030

Mission Control probably all thought it

1330

00:54:03,790 --> 00:54:01,070

was real the question is where do those

1331

00:54:05,830 --> 00:54:03,800

images come from and in the end it boils

1332

00:54:09,070 --> 00:54:05,840

down to the images because if you can't

1333

00:54:10,870 --> 00:54:09,080

trust the astronauts testimony and moon

1334

00:54:14,290 --> 00:54:10,880

rock doesn't necessarily prove anything

1335

00:54:16,990 --> 00:54:14,300

it's the visual record that is the main

1336

00:54:19,360 --> 00:54:17,000

evidence that we stood there and yet of

1337

00:54:21,400 --> 00:54:19,370

course many critics say this is not

1338

00:54:23,470 --> 00:54:21,410

quite right and famously people like

1339

00:54:25,780 --> 00:54:23,480

Marcus Allen who's been a photographer

1340

00:54:28,210 --> 00:54:25,790

himself has raised many objections so

1341

00:54:31,750 --> 00:54:28,220

let's have a look at some of this this

1342

00:54:34,690 --> 00:54:31,760

is the most possibly famous photograph

1343

00:54:36,670 --> 00:54:34,700

ever taken this is Buzz Aldrin standing

1344

00:54:38,470 --> 00:54:36,680

on the moon Armstrong a lot of people

1345

00:54:39,820 --> 00:54:38,480

think is Armstrong Armstrong took the

1346

00:54:43,000 --> 00:54:39,830

picture in fact we'll see him in a

1347

00:54:45,460 --> 00:54:43,010

minute um or did he take the picture

1348

00:54:47,770 --> 00:54:45,470

well we'll come to that so what have we

1349

00:54:50,230 --> 00:54:47,780

got here we've got sunlight coming from

1350

00:54:52,510 --> 00:54:50,240

behind him and is casting a jet-black

1351  
00:54:54,190 --> 00:54:52,520  
shadow on the ground fair enough now

1352  
00:54:56,320 --> 00:54:54,200  
there's a lot of discussion about shadow

1353  
00:54:58,330 --> 00:54:56,330  
anomaly as an angles and all of that I'm

1354  
00:55:02,020 --> 00:54:58,340  
going to leave most of it aside but here

1355  
00:55:03,670 --> 00:55:02,030  
is an interesting point so why is the

1356  
00:55:05,920 --> 00:55:03,680  
shadow black but the body of the

1357  
00:55:07,780 --> 00:55:05,930  
astronaut that you would reasonably

1358  
00:55:09,820 --> 00:55:07,790  
assume might be in silhouette is not

1359  
00:55:12,730 --> 00:55:09,830  
it's quite well lit up you can see all

1360  
00:55:13,510 --> 00:55:12,740  
the detail on the suit why is he not

1361  
00:55:16,360 --> 00:55:13,520  
black as well

1362  
00:55:18,700 --> 00:55:16,370  
now nASA says well the reason is because

1363  
00:55:21,700 --> 00:55:18,710

lights bouncing off the surface and it's

1364

00:55:23,290 --> 00:55:21,710

spilling in the detail however there's a

1365

00:55:24,280 --> 00:55:23,300

number of critics have said well if

1366

00:55:26,290 --> 00:55:24,290

there's that much

1367

00:55:28,900 --> 00:55:26,300

collected light to light see my bat

1368

00:55:30,550 --> 00:55:28,910

brightly you should see some detail on

1369

00:55:33,730 --> 00:55:30,560

the ground and you don't miss jetpack

1370

00:55:36,130 --> 00:55:33,740

many images have the same anomaly right

1371

00:55:40,060 --> 00:55:36,140

this is just a good example you can find

1372

00:55:41,890 --> 00:55:40,070

this in many of the NASA images so ok

1373

00:55:45,130 --> 00:55:41,900

the next thing that you could do is

1374

00:55:47,260 --> 00:55:45,140

raise the exposure of the camera so ok

1375

00:55:49,420 --> 00:55:47,270

fair enough you raise it up and then yes

1376

00:55:52,360 --> 00:55:49,430

you'd get the detail on the suit but it

1377

00:55:53,770 --> 00:55:52,370

can then you should have detail visible

1378

00:55:56,890 --> 00:55:53,780

on the ground but you don't

1379

00:55:58,570 --> 00:55:56,900

there's nothing is jet black so that's

1380

00:56:00,550 --> 00:55:58,580

when the critics say ok that's

1381

00:56:03,760 --> 00:56:00,560

artificial lighting this has been

1382

00:56:05,380 --> 00:56:03,770

artificially lit but that then creates a

1383

00:56:07,510 --> 00:56:05,390

problem because nASA says they didn't

1384

00:56:09,820 --> 00:56:07,520

use any artificial lighting there was no

1385

00:56:13,390 --> 00:56:09,830

film of any lighting gantry's there so

1386

00:56:14,890 --> 00:56:13,400

how do we explain it and here's the

1387

00:56:17,320 --> 00:56:14,900

other thing I mean if you did raise the

1388

00:56:19,600 --> 00:56:17,330

exposure of the camera up together that

1389

00:56:21,640 --> 00:56:19,610

should all be gleaming very very bright

1390

00:56:24,760 --> 00:56:21,650

but actually there's an uneven light

1391

00:56:26,770 --> 00:56:24,770

quality in this picture and you can see

1392

00:56:29,230 --> 00:56:26,780

there there's a bright pool of light

1393

00:56:31,590 --> 00:56:29,240

around the astronaut but it starts to

1394

00:56:35,470 --> 00:56:31,600

fall off into shadow towards the horizon

1395

00:56:38,140 --> 00:56:35,480

but of note it's also falling off into

1396

00:56:40,570 --> 00:56:38,150

shadow even 4 or 5 feet in the

1397

00:56:42,520 --> 00:56:40,580

foreground which is very long because

1398

00:56:45,430 --> 00:56:42,530

this is on the moon this should be a

1399

00:56:47,110 --> 00:56:45,440

bright uniform light and it's not and it

1400

00:56:49,270 --> 00:56:47,120

looks like he's standing in a pool of

1401  
00:56:52,870 --> 00:56:49,280  
light which of course the critics say

1402  
00:56:54,580 --> 00:56:52,880  
well that's the spotlight so here's

1403  
00:56:56,260 --> 00:56:54,590  
something else you might not have

1404  
00:56:58,810 --> 00:56:56,270  
noticed about this picture look at where

1405  
00:57:01,090 --> 00:56:58,820  
the horizon line goes it's going through

1406  
00:57:03,580 --> 00:57:01,100  
the helmet there ok now let's see Neil

1407  
00:57:05,590 --> 00:57:03,590  
Armstrong if you zoom into the helmet

1408  
00:57:08,080 --> 00:57:05,600  
there you'll see on strim and he's

1409  
00:57:11,050 --> 00:57:08,090  
taking this picture with a camera

1410  
00:57:11,680 --> 00:57:11,060  
strapped to the chest standing on flat

1411  
00:57:15,400 --> 00:57:11,690  
ground

1412  
00:57:17,710 --> 00:57:15,410  
ok now that means it's very unlikely

1413  
00:57:20,860 --> 00:57:17,720

that he could have taken this picture

1414

00:57:22,990 --> 00:57:20,870

because if he took it many people have

1415

00:57:25,300 --> 00:57:23,000

calculated the horizon line should go

1416

00:57:27,850 --> 00:57:25,310

through Waldron's middle there not

1417

00:57:29,980 --> 00:57:27,860

through the helmet and you can see the

1418

00:57:32,320 --> 00:57:29,990

top of the backpack there so this

1419

00:57:34,540 --> 00:57:32,330

clearly was taken by the camera about 5

1420

00:57:36,520 --> 00:57:34,550

6 feet up angled downwards

1421

00:57:39,970 --> 00:57:36,530

and could not have been taken from down

1422

00:57:41,890 --> 00:57:39,980

here at ground level so this is the kind

1423

00:57:44,110 --> 00:57:41,900

of thing that is very visible in a

1424

00:57:46,780 --> 00:57:44,120

number of these images there's another

1425

00:57:49,030 --> 00:57:46,790

shadow anomaly another horizon anomaly

1426

00:57:50,980 --> 00:57:49,040

but you can see the camera is quite

1427

00:57:54,370 --> 00:57:50,990

clearly they're strapped to the chest

1428

00:57:56,410 --> 00:57:54,380

now they had no viewfinders they never

1429

00:57:57,970 --> 00:57:56,420

pick them up and look through them so

1430

00:58:01,240 --> 00:57:57,980

they were just walking around going

1431

00:58:02,770 --> 00:58:01,250

click click and hoping finally enough

1432

00:58:04,950 --> 00:58:02,780

they've got a lot of masterpieces that

1433

00:58:07,690 --> 00:58:04,960

way but that aside

1434

00:58:09,850 --> 00:58:07,700

they were good cameras in their way but

1435

00:58:11,860 --> 00:58:09,860

one missing element that's never really

1436

00:58:14,800 --> 00:58:11,870

been explained they have minimal

1437

00:58:17,050 --> 00:58:14,810

radiation protection if any this is my

1438

00:58:18,880 --> 00:58:17,060

child about they would code to the

1439

00:58:20,430 --> 00:58:18,890

various things but many people have said

1440

00:58:23,200 --> 00:58:20,440

that wouldn't have kept the x-rays out

1441

00:58:25,180 --> 00:58:23,210

now you may or may not remember years

1442

00:58:28,000 --> 00:58:25,190

ago when he came back from your holidays

1443

00:58:30,610 --> 00:58:28,010

with a film and a canister of all your

1444

00:58:33,340 --> 00:58:30,620

holiday snaps they would often say don't

1445

00:58:35,260 --> 00:58:33,350

put it through the airport scanner why

1446

00:58:38,110 --> 00:58:35,270

because the x-rays that the scanner

1447

00:58:40,540 --> 00:58:38,120

would fog the film well on the moon I

1448

00:58:43,660 --> 00:58:40,550

mean it is awash with x-rays nor coins

1449

00:58:47,380 --> 00:58:43,670

about the cosmic radiation how did the

1450

00:58:49,510 --> 00:58:47,390

film survive maybe they did go to the

1451

00:58:51,010 --> 00:58:49,520

moon and they could never make the films

1452

00:58:53,560 --> 00:58:51,020

come out there but they got back they

1453

00:58:56,080 --> 00:58:53,570

were blink they had to show this obvious

1454

00:58:58,780 --> 00:58:56,090

something so maybe they then had to re

1455

00:59:01,030 --> 00:58:58,790

station but I was go even further and

1456

00:59:03,250 --> 00:59:01,040

say yeah but actually how did the

1457

00:59:05,080 --> 00:59:03,260

astronauts survive the radiation it's

1458

00:59:06,970 --> 00:59:05,090

never really been explained either I

1459

00:59:09,250 --> 00:59:06,980

mean the suit keep out a certain amount

1460

00:59:11,530 --> 00:59:09,260

but how much and many say the exposure

1461

00:59:14,980 --> 00:59:11,540

they had should have left them extremely

1462

00:59:17,110 --> 00:59:14,990

vulnerable to cancer and whatnot later

1463

00:59:19,570 --> 00:59:17,120

on but there seems no higher statistical

1464

00:59:22,300 --> 00:59:19,580

rate amongst the astronauts so there's

1465

00:59:24,940 --> 00:59:22,310

many others the question says let's just

1466

00:59:27,010 --> 00:59:24,950

kick over the pictures for a minute is

1467

00:59:31,630 --> 00:59:27,020

the lunar lander there's the Sun jet

1468

00:59:33,130 --> 00:59:31,640

black shadow but again so much light in

1469

00:59:36,070 --> 00:59:33,140

what ought to be in silhouette the

1470

00:59:39,250 --> 00:59:36,080

astronauts glowing he's got a lens flare

1471

00:59:40,570 --> 00:59:39,260

coming off of him and if you zoom in you

1472

00:59:41,920 --> 00:59:40,580

go online you can look at the

1473

00:59:44,650 --> 00:59:41,930

high-resolution shots

1474

00:59:46,660 --> 00:59:44,660

if you zoom in you can see the lights

1475

00:59:48,910 --> 00:59:46,670

acting light coming directly in from the

1476

00:59:51,069 --> 00:59:48,920

side it is not bouncing off of the

1477

00:59:54,039 --> 00:59:51,079

surface it's not earth light because the

1478

00:59:57,039 --> 00:59:54,049

earth directly up here somewhere it's

1479

00:59:59,349 --> 00:59:57,049

artificial lighting so this is of course

1480

01:00:02,589 --> 00:59:59,359

where then you start to think okay why

1481

01:00:04,859 --> 01:00:02,599

why then would they need to do that what

1482

01:00:08,650 --> 01:00:04,869

else don't you see in this picture a

1483

01:00:12,039 --> 01:00:08,660

saline from the rubbish sack in all six

1484

01:00:14,910 --> 01:00:12,049

missions you never see any crater any

1485

01:00:17,140 --> 01:00:14,920

big disturbance of moon dust or any cert

1486

01:00:19,299 --> 01:00:17,150

underneath these craft which came down

1487

01:00:21,400 --> 01:00:19,309

on several thousand pounds worth of

1488

01:00:24,099 --> 01:00:21,410

thrust now if you watch the videos

1489

01:00:25,809 --> 01:00:24,109

because NASA says ah well we cut the

1490

01:00:27,549 --> 01:00:25,819

motors slightly before we touch ground

1491

01:00:29,230 --> 01:00:27,559

you watch the video is they clearly

1492

01:00:31,240 --> 01:00:29,240

didn't or you know there's enough that

1493

01:00:34,059 --> 01:00:31,250

it would have created a serious

1494

01:00:36,130 --> 01:00:34,069

displacement of the dust and yet we see

1495

01:00:39,339 --> 01:00:36,140

no evidence of this at all on the moon

1496

01:00:41,440 --> 01:00:39,349

now let's go to Mars for a minute a few

1497

01:00:43,690 --> 01:00:41,450

years ago the Curiosity rover got

1498

01:00:47,829 --> 01:00:43,700

lowered down from a platform which

1499

01:00:51,730 --> 01:00:47,839

hovered 70 feet up and even 70 feet up

1500

01:00:53,859 --> 01:00:51,740

the jets scalded the ground and on the

1501  
01:00:55,809 --> 01:00:53,869  
moon I was connected now let me talk

1502  
01:00:58,390 --> 01:00:55,819  
about there you can just see the

1503  
01:01:01,000 --> 01:00:58,400  
scalding there so they scalded the

1504  
01:01:03,430 --> 01:01:01,010  
ground very notably on the moon there's

1505  
01:01:06,029 --> 01:01:03,440  
not only no scalding but not even any

1506  
01:01:08,559 --> 01:01:06,039  
dust is blown onto the feet of the craft

1507  
01:01:11,289 --> 01:01:08,569  
it's almost like somebody's come in and

1508  
01:01:14,019 --> 01:01:11,299  
vacuumed afterwards and that's where

1509  
01:01:16,329 --> 01:01:14,029  
some say this is too sterile this looks

1510  
01:01:18,670 --> 01:01:16,339  
like scenery compared to another Mars

1511  
01:01:20,980 --> 01:01:18,680  
Lander have a look at the Phoenix lander

1512  
01:01:23,920 --> 01:01:20,990  
showing what you'd expect dirt and dust

1513  
01:01:25,839 --> 01:01:23,930

on the feed but on the moon we're told

1514

01:01:27,940 --> 01:01:25,849

that moon dust went everywhere by the

1515

01:01:29,890 --> 01:01:27,950

way here the amount of accounts moon

1516

01:01:31,839 --> 01:01:29,900

dust by gaudí once it was up it took

1517

01:01:34,089 --> 01:01:31,849

ages it came down all over everything

1518

01:01:36,160 --> 01:01:34,099

well there is no visual record of that

1519

01:01:38,710 --> 01:01:36,170

anywhere and when you see the lunar

1520

01:01:40,630 --> 01:01:38,720

rover by the way driving around watch

1521

01:01:43,180 --> 01:01:40,640

watch the dust it just pops straight

1522

01:01:44,859 --> 01:01:43,190

back down like heavy sand it doesn't do

1523

01:01:48,789 --> 01:01:44,869

what they said it did so it's all very

1524

01:01:50,950 --> 01:01:48,799

odd and one last word about the lunar

1525

01:01:53,450 --> 01:01:50,960

lander when it takes off what don't you

1526

01:01:56,780 --> 01:01:53,460

see there's no clue

1527

01:01:58,460 --> 01:01:56,790

there's no evidence of any thrust coming

1528

01:02:01,760 --> 01:01:58,470

out of that was going up while several

1529

01:02:03,860 --> 01:02:01,770

thousand pounds worth of thrust so some

1530

01:02:06,290 --> 01:02:03,870

of said well maybe because it's in a

1531

01:02:08,390 --> 01:02:06,300

vacuum you wouldn't see it well you

1532

01:02:10,850 --> 01:02:08,400

would and you can prove that you work

1533

01:02:13,370 --> 01:02:10,860

because only a few years later the Space

1534

01:02:16,520 --> 01:02:13,380

Shuttle used exactly the same for your

1535

01:02:17,150 --> 01:02:16,530

mix and when that fired its thrusters in

1536

01:02:20,390 --> 01:02:17,160

space

1537

01:02:23,150 --> 01:02:20,400

it was very visible on the moon nothing

1538

01:02:25,850 --> 01:02:23,160

the moon it looks like it's going up on

1539

01:02:28,760 --> 01:02:25,860

a wire which is of course exactly what

1540

01:02:31,340 --> 01:02:28,770

some argue it's a model shop Stanley

1541

01:02:32,990 --> 01:02:31,350

Kubrick had shown very convincing model

1542

01:02:35,600 --> 01:02:33,000

shots just the year before the first

1543

01:02:37,490 --> 01:02:35,610

moon landing in the 2001 film course

1544

01:02:39,410 --> 01:02:37,500

many have accused him have been involved

1545

01:02:41,660 --> 01:02:39,420

with faking I don't personally subscribe

1546

01:02:44,990 --> 01:02:41,670

to that but some of the techniques yeah

1547

01:02:47,090 --> 01:02:45,000

may well have been used some people say

1548

01:02:50,330 --> 01:02:47,100

yeah but NASA wouldn't lie died never

1549

01:02:51,590 --> 01:02:50,340

lie what date when I would I mean here

1550

01:02:53,900 --> 01:02:51,600

for instance have you not seen this

1551  
01:02:55,730 --> 01:02:53,910  
before this is a good one for years this

1552  
01:02:58,790 --> 01:02:55,740  
was out in the public domain as a

1553  
01:03:01,160 --> 01:02:58,800  
picture of Michael Collins space walking

1554  
01:03:04,490 --> 01:03:01,170  
from one of the Gemini craft it's even

1555  
01:03:06,830 --> 01:03:04,500  
in his autobiography but then some years

1556  
01:03:09,320 --> 01:03:06,840  
later on somebody was going through the

1557  
01:03:11,180 --> 01:03:09,330  
NASA image Bank and they found this

1558  
01:03:14,480 --> 01:03:11,190  
picture of Michael Pollan's in a test

1559  
01:03:16,940 --> 01:03:14,490  
airplane and they cut him out and

1560  
01:03:19,010 --> 01:03:16,950  
they've stuck him on black and it's not

1561  
01:03:20,480 --> 01:03:19,020  
cheap and nasty and there's a number of

1562  
01:03:22,880 --> 01:03:20,490  
other images you can prove a

1563  
01:03:25,490 --> 01:03:22,890

cut-and-paste jobs because you can find

1564

01:03:28,610 --> 01:03:25,500

the original source material which they

1565

01:03:30,080 --> 01:03:28,620

seem not to bother to then hide so the

1566

01:03:32,330 --> 01:03:30,090

point is if they can do their four or

1567

01:03:35,900 --> 01:03:32,340

five times how do we know they didn't do

1568

01:03:37,460 --> 01:03:35,910

it four or five thousand times now we

1569

01:03:38,930 --> 01:03:37,470

could be here all day here are just a

1570

01:03:40,040 --> 01:03:38,940

few other questions about the moon

1571

01:03:42,260 --> 01:03:40,050

landings I'm not even going to go

1572

01:03:44,030 --> 01:03:42,270

through them look it up if you don't

1573

01:03:46,280 --> 01:03:44,040

know where to start again take a website

1574

01:03:48,320 --> 01:03:46,290

leaflet look it up it's really worth

1575

01:03:50,630 --> 01:03:48,330

looking at I'm not saying we didn't go

1576

01:03:53,810 --> 01:03:50,640

to the moon or I was not there and I

1577

01:03:57,430 --> 01:03:53,820

can't say that does the evidence which

1578

01:04:00,020 --> 01:03:57,440

is presented seem entirely convincing no

1579

01:04:01,850 --> 01:04:00,030

that that's what we're saying here and

1580

01:04:03,620 --> 01:04:01,860

it's one of those gray areas there's

1581

01:04:05,480 --> 01:04:03,630

something not right about

1582

01:04:08,960 --> 01:04:05,490

evidence that they present and therefore

1583

01:04:10,460 --> 01:04:08,970

of course that leaves a big hole because

1584

01:04:12,800 --> 01:04:10,470

it makes you wonder what it is they

1585

01:04:15,710 --> 01:04:12,810

might be lying about and that of course

1586

01:04:18,110 --> 01:04:15,720

then leads to mistrust in authority now

1587

01:04:20,720 --> 01:04:18,120

let's zoom forward a few decades from

1588

01:04:24,110 --> 01:04:20,730

this because the other example I want to

1589

01:04:26,720 --> 01:04:24,120

give of a conspiracy stroke cover-up

1590

01:04:29,870 --> 01:04:26,730

which is blatant when you look at it and

1591

01:04:31,550 --> 01:04:29,880

if you've not seen this before well it

1592

01:04:36,380 --> 01:04:31,560

might seem shocking to everyone else

1593

01:04:38,510 --> 01:04:36,390

you're probably on but 9/11 9/11 is now

1594

01:04:41,390 --> 01:04:38,520

one of the biggest conspiracy theories

1595

01:04:44,210 --> 01:04:41,400

of all time I think at the last poll

1596

01:04:46,850 --> 01:04:44,220

roughly speaking around 50% of the

1597

01:04:49,040 --> 01:04:46,860

world's population does not believe the

1598

01:04:52,040 --> 01:04:49,050

official story that's a lot of people

1599

01:04:54,590 --> 01:04:52,050

and of that percentage around thirty to

1600

01:04:57,410 --> 01:04:54,600

thirty five percent believed that it was

1601

01:05:00,230 --> 01:04:57,420

basically at least partially staged by

1602

01:05:02,570 --> 01:05:00,240

somebody within America itself in the

1603

01:05:05,210 --> 01:05:02,580

command and control structure so that's

1604

01:05:07,130 --> 01:05:05,220

a massive accusation of course now that

1605

01:05:09,380 --> 01:05:07,140

doesn't mean how kinda wasn't involved

1606

01:05:10,910 --> 01:05:09,390

you always need patsies you'd have

1607

01:05:14,060 --> 01:05:10,920

somebody to blame so they probably aware

1608

01:05:17,120 --> 01:05:14,070

on some level but how was 9/11 as

1609

01:05:18,740 --> 01:05:17,130

successful as it was and this is one of

1610

01:05:21,140 --> 01:05:18,750

those things that the mainstream will

1611

01:05:22,700 --> 01:05:21,150

not touch so bill other moon landings

1612

01:05:24,290 --> 01:05:22,710

know that they're laughing it but they

1613

01:05:28,250 --> 01:05:24,300

generally won't go there by the old

1614

01:05:31,460 --> 01:05:28,260

channel five documentary this no they

1615

01:05:33,560 --> 01:05:31,470

cannot go there and if you try to they

1616

01:05:35,330 --> 01:05:33,570

wall demolish it there on invent stupid

1617

01:05:37,390 --> 01:05:35,340

theories which they can then knock down

1618

01:05:41,360 --> 01:05:37,400

which are nothing to do with the real

1619

01:05:43,340 --> 01:05:41,370

criticisms of the evidence it's so

1620

01:05:45,350 --> 01:05:43,350

obvious that this story is a lie now a

1621

01:05:48,320 --> 01:05:45,360

way the truth is that's another matter

1622

01:05:50,540 --> 01:05:48,330

and I can't decide that for you but you

1623

01:05:52,670 --> 01:05:50,550

can easily show that what they say

1624

01:05:54,380 --> 01:05:52,680

happened didn't happen in the way that

1625

01:05:56,770 --> 01:05:54,390

they say it did which immediately makes

1626  
01:05:59,480 --> 01:05:56,780  
you I know why they not being straight

1627  
01:06:02,330 --> 01:05:59,490  
I'll just very briefly scratched the

1628  
01:06:05,510 --> 01:06:02,340  
surface of this for instance at the

1629  
01:06:07,340 --> 01:06:05,520  
Pentagon right the main aeroplane which

1630  
01:06:10,030 --> 01:06:07,350  
we're told that hit the Pentagon had a

1631  
01:06:12,190 --> 01:06:10,040  
wingspan of 164 feet and you

1632  
01:06:15,310 --> 01:06:12,200  
main entry point is barely 20 feet

1633  
01:06:17,470 --> 01:06:15,320  
across now the official explanation for

1634  
01:06:20,260 --> 01:06:17,480  
this is that the wings vaporized on

1635  
01:06:22,620 --> 01:06:20,270  
impact that's the first feet perusing

1636  
01:06:25,210 --> 01:06:22,630  
error plane in the whole of history

1637  
01:06:27,610 --> 01:06:25,220  
that's a pretty desperate claim to me

1638  
01:06:29,410 --> 01:06:27,620

the people in the pentacle know the time

1639

01:06:32,110 --> 01:06:29,420

said it was really weird it was minimal

1640

01:06:35,350 --> 01:06:32,120

debris hardly any luggage there was no

1641

01:06:37,990 --> 01:06:35,360

bodies lying around some believe that

1642

01:06:40,630 --> 01:06:38,000

what hit it was a small craft or even a

1643

01:06:42,970 --> 01:06:40,640

missile certainly there's no evidence

1644

01:06:44,740 --> 01:06:42,980

that this plane hit it now what did hit

1645

01:06:46,630 --> 01:06:44,750

it you know it could be a road a what I

1646

01:06:48,850 --> 01:06:46,640

have to the real plane there's a lot of

1647

01:06:50,590 --> 01:06:48,860

speculation about that there's much more

1648

01:06:51,940 --> 01:06:50,600

about this in the truth agenda book

1649

01:06:53,860 --> 01:06:51,950

especially if you want to have a look

1650

01:06:55,630 --> 01:06:53,870

later we haven't got the time tonight

1651  
01:06:57,280 --> 01:06:55,640  
there's a lot of reasons for where those

1652  
01:06:59,500 --> 01:06:57,290  
planes might have gone we're not going

1653  
01:07:02,110 --> 01:06:59,510  
to get into hologram theory here but

1654  
01:07:04,390 --> 01:07:02,120  
there are certainly reasons to doubt

1655  
01:07:05,890 --> 01:07:04,400  
that the planes that we're told hit the

1656  
01:07:08,590 --> 01:07:05,900  
buildings were the real planes and

1657  
01:07:10,630 --> 01:07:08,600  
certainly there are issues and here is

1658  
01:07:12,370 --> 01:07:10,640  
we're told the flight path that that

1659  
01:07:13,990 --> 01:07:12,380  
aeroplane took to come in and hit the

1660  
01:07:14,640 --> 01:07:14,000  
Pentagon notice anything strange about

1661  
01:07:20,200 --> 01:07:14,650  
it

1662  
01:07:23,020 --> 01:07:20,210  
there's a really tiny curve dropping

1663  
01:07:24,700 --> 01:07:23,030

like hundreds of feet very quickly the

1664

01:07:25,390 --> 01:07:24,710

speed we're told was about five hundred

1665

01:07:28,690 --> 01:07:25,400

feet across

1666

01:07:30,310 --> 01:07:28,700

now I've had pilots tell me that is not

1667

01:07:33,340 --> 01:07:30,320

possible in one of those planes

1668

01:07:35,230 --> 01:07:33,350

he should have broken up in the air and

1669

01:07:37,030 --> 01:07:35,240

even if it was possible there are other

1670

01:07:38,980 --> 01:07:37,040

issues number one why didn't they just

1671

01:07:41,020 --> 01:07:38,990

head straight down and take up the half

1672

01:07:43,360 --> 01:07:41,030

that block but it went out of its way to

1673

01:07:46,210 --> 01:07:43,370

hit the one block there was under

1674

01:07:48,160 --> 01:07:46,220

renovation at that's right I didn't have

1675

01:07:51,210 --> 01:07:48,170

that many people in it you know they

1676  
01:07:52,690 --> 01:07:51,220  
want not too much carnage there

1677  
01:07:55,300 --> 01:07:52,700  
interesting isn't it

1678  
01:07:58,450 --> 01:07:55,310  
and who performed this extraordinary

1679  
01:08:02,170 --> 01:07:58,460  
feat of aerial acrobatics well let's

1680  
01:08:04,810 --> 01:08:02,180  
have a look honey I'm sure this is the

1681  
01:08:07,930 --> 01:08:04,820  
man and I'll play a hijacker that we

1682  
01:08:10,300 --> 01:08:07,940  
were told even by the flight school that

1683  
01:08:12,790 --> 01:08:10,310  
inadvertently trained him they said he

1684  
01:08:15,610 --> 01:08:12,800  
was the worst pilot they'd ever had he

1685  
01:08:17,620 --> 01:08:15,620  
could barely handle a Cessna and yet

1686  
01:08:18,980 --> 01:08:17,630  
we're being asked to believe a 911 he

1687  
01:08:21,020 --> 01:08:18,990  
did this

1688  
01:08:23,030 --> 01:08:21,030

none of it makes sense there's so much

1689

01:08:26,570 --> 01:08:23,040

more we could say I'm just giving you

1690

01:08:28,730 --> 01:08:26,580

pin pricks here the Twin Towers collapse

1691

01:08:31,430 --> 01:08:28,740

it seems that maximum carnage was

1692

01:08:33,500 --> 01:08:31,440

desired that and there are so many

1693

01:08:35,390 --> 01:08:33,510

anomalies about how they collapse you

1694

01:08:37,430 --> 01:08:35,400

know we're told the fire and the damage

1695

01:08:40,220 --> 01:08:37,440

brought them down but there are now so

1696

01:08:42,500 --> 01:08:40,230

many architects so many engineers that

1697

01:08:44,540 --> 01:08:42,510

are questioning that just saying that is

1698

01:08:46,580 --> 01:08:44,550

not possible at least not without some

1699

01:08:48,860 --> 01:08:46,590

unevenness of clap so you know you

1700

01:08:51,560 --> 01:08:48,870

expect not to see them go down like

1701

01:08:53,240 --> 01:08:51,570

packs of cars and of course many people

1702

01:08:54,890 --> 01:08:53,250

have pointed out that it's very visible

1703

01:08:57,500 --> 01:08:54,900

that you get these strange sub

1704

01:08:59,600 --> 01:08:57,510

explosions going down the tower which

1705

01:09:01,640 --> 01:08:59,610

have nothing to do with the collapses

1706

01:09:04,810 --> 01:09:01,650

when you see the collapses they are

1707

01:09:08,510 --> 01:09:04,820

collapsing it effectively freefall speed

1708

01:09:10,150 --> 01:09:08,520

okay so nothing can fall faster than

1709

01:09:12,860 --> 01:09:10,160

that so what are these they think to be

1710

01:09:14,990 --> 01:09:12,870

independent if you look at footage of a

1711

01:09:18,530 --> 01:09:15,000

real demolition as a block of flats

1712

01:09:20,540 --> 01:09:18,540

going down in Philadelphia they do look

1713

01:09:22,820 --> 01:09:20,550

rather like demolition charges is as

1714

01:09:26,150 --> 01:09:22,830

many demolition experts have said it

1715

01:09:27,710 --> 01:09:26,160

looks like they pre place charges in the

1716

01:09:30,340 --> 01:09:27,720

building to make it go down which of

1717

01:09:32,960 --> 01:09:30,350

course is very anomalous who why what

1718

01:09:36,170 --> 01:09:32,970

the evidence is very strong you even see

1719

01:09:38,060 --> 01:09:36,180

molten something rolling down the sides

1720

01:09:41,450 --> 01:09:38,070

of the towers a lot of debate about what

1721

01:09:43,190 --> 01:09:41,460

that is it can't be molten metal or if

1722

01:09:45,170 --> 01:09:43,200

it is something's been introduced into

1723

01:09:47,690 --> 01:09:45,180

that building to make something burn

1724

01:09:49,280 --> 01:09:47,700

hotter than any of the officially

1725

01:09:51,560 --> 01:09:49,290

acknowledged fires could possibly a

1726

01:09:53,750 --> 01:09:51,570

burnt her the temperature information

1727

01:09:56,140 --> 01:09:53,760

they give makes no sense if that's

1728

01:09:59,030 --> 01:09:56,150

molten metal there are many anomalies

1729

01:10:02,180 --> 01:09:59,040

again the evidence that these charges is

1730

01:10:04,220 --> 01:10:02,190

strong visually whether it's some new

1731

01:10:06,560 --> 01:10:04,230

strange technology like Judy wood

1732

01:10:08,210 --> 01:10:06,570

believes whether it's some conventional

1733

01:10:09,980 --> 01:10:08,220

demolition technology who knows the

1734

01:10:11,510 --> 01:10:09,990

arguments go on I don't know I'm no

1735

01:10:13,580 --> 01:10:11,520

expert there is something very wrong

1736

01:10:16,790 --> 01:10:13,590

with what we see in these collapses and

1737

01:10:18,560 --> 01:10:16,800

remember that on the day firemen risky

1738

01:10:20,180 --> 01:10:18,570

workers people being brought out of the

1739

01:10:22,760 --> 01:10:20,190

building said there were bombs in the

1740

01:10:24,200 --> 01:10:22,770

buildings you'll see the famous footage

1741

01:10:26,810 --> 01:10:24,210

of the firemen going it's going boom

1742

01:10:28,260 --> 01:10:26,820

boom boom like bombs even before the

1743

01:10:29,970 --> 01:10:28,270

collapses began

1744

01:10:32,550 --> 01:10:29,980

that you will never see that on

1745

01:10:35,150 --> 01:10:32,560

mainstream TV now or you find on YouTube

1746

01:10:38,300 --> 01:10:35,160

just until that all gets thrown off soon

1747

01:10:41,040 --> 01:10:38,310

it's extraordinary the way they have now

1748

01:10:42,660 --> 01:10:41,050

misrepresented this to the public and of

1749

01:10:45,510 --> 01:10:42,670

course where all of this gets really

1750

01:10:48,270 --> 01:10:45,520

peculiar is the fact that after all the

1751  
01:10:50,850 --> 01:10:48,280  
carnage at the Twin Towers some hours

1752  
01:10:53,150 --> 01:10:50,860  
later this building a couple of blocks

1753  
01:10:56,370 --> 01:10:53,160  
away from their building number seven

1754  
01:10:58,680 --> 01:10:56,380  
which house the American Secret Service

1755  
01:11:01,460 --> 01:10:58,690  
and many other important departments in

1756  
01:11:05,130 --> 01:11:01,470  
the u.s. stay for no reason whatsoever

1757  
01:11:07,230 --> 01:11:05,140  
suddenly decides to do this which is

1758  
01:11:10,200 --> 01:11:07,240  
it'd be odd even that it was never hit

1759  
01:11:11,940 --> 01:11:10,210  
by an airplane and I can see from some

1760  
01:11:13,650 --> 01:11:11,950  
faces here that some of you a nutriment

1761  
01:11:15,660 --> 01:11:13,660  
some of you you've never seen this

1762  
01:11:18,900 --> 01:11:15,670  
before others you go oh god not building

1763  
01:11:21,830 --> 01:11:18,910

seven again but the mainstream will not

1764

01:11:24,570 --> 01:11:21,840

talk about it or only only to knock it

1765

01:11:26,580 --> 01:11:24,580

there are scientific reports which

1766

01:11:29,010 --> 01:11:26,590

purport to explain why this building

1767

01:11:31,230 --> 01:11:29,020

fell down they are widely considered to

1768

01:11:34,410 --> 01:11:31,240

be scientific fraud in many circles

1769

01:11:36,510 --> 01:11:34,420

because they simply make no sense what

1770

01:11:41,370 --> 01:11:36,520

brought that Bell was apparently fire

1771

01:11:44,580 --> 01:11:41,380

here is the fire not a lot really if

1772

01:11:47,940 --> 01:11:44,590

that little fire brings down a 47-story

1773

01:11:50,520 --> 01:11:47,950

steel frame building why didn't they

1774

01:11:52,500 --> 01:11:50,530

evacuate every similarly built building

1775

01:11:54,660 --> 01:11:52,510

around the world the next day because

1776

01:11:56,490 --> 01:11:54,670

there are many other buildings made that

1777

01:11:57,810 --> 01:11:56,500

way and funnily enough several of them

1778

01:12:00,660 --> 01:11:57,820

had caught fire and nobody's ever

1779

01:12:03,150 --> 01:12:00,670

thought they would suddenly collapse the

1780

01:12:05,820 --> 01:12:03,160

general view in the conspiracy world is

1781

01:12:08,100 --> 01:12:05,830

that 9/11 was at least partially if not

1782

01:12:10,560 --> 01:12:08,110

wholly coordinated from this building

1783

01:12:12,810 --> 01:12:10,570

and they had to bring the evidence down

1784

01:12:14,790 --> 01:12:12,820

at the end of the day and isn't it

1785

01:12:18,080 --> 01:12:14,800

interesting that when we had the grand

1786

01:12:20,970 --> 01:12:18,090

full tragedy a building cheaply made

1787

01:12:23,010 --> 01:12:20,980

burnt for something like 24 hours but it

1788

01:12:25,560 --> 01:12:23,020

didn't collapse and nobody thought that

1789

01:12:27,210 --> 01:12:25,570

was an anomalous when building seven

1790

01:12:28,590 --> 01:12:27,220

built to withstand everything did but

1791

01:12:31,230 --> 01:12:28,600

nobody raised that in the mainstream

1792

01:12:33,299 --> 01:12:31,240

funny that isn't it because that should

1793

01:12:35,729 --> 01:12:33,309

have been a major feature

1794

01:12:37,979 --> 01:12:35,739

the CIA would be investigated for the

1795

01:12:39,899 --> 01:12:37,989

loss of trillions of dollars the

1796

01:12:45,529 --> 01:12:39,909

paperwork copy was kept in building

1797

01:12:48,510 --> 01:12:45,539

seven the IT copy was kept in a Pentagon

1798

01:12:54,089 --> 01:12:48,520

in the exact place and they lost them

1799

01:12:55,649 --> 01:12:54,099

all oh well I'm in building number 70

1800

01:12:57,750 --> 01:12:55,659

and we're on investigator member the be

1801  
01:12:59,580 --> 01:12:57,760  
Enron scandal was being investigated

1802  
01:13:02,459 --> 01:12:59,590  
there and again they lost a lot of key

1803  
01:13:04,109 --> 01:13:02,469  
papers funnily enough on that day again

1804  
01:13:05,700 --> 01:13:04,119  
it's like the moon landings I'm not

1805  
01:13:09,330 --> 01:13:05,710  
gonna go through all these there are so

1806  
01:13:11,580 --> 01:13:09,340  
many unanswered questions about 9/11 if

1807  
01:13:14,430 --> 01:13:11,590  
you believe the official story you are

1808  
01:13:16,529 --> 01:13:14,440  
believing it very bravely in the face of

1809  
01:13:19,169 --> 01:13:16,539  
enormous amounts of evidence to clearly

1810  
01:13:22,410 --> 01:13:19,179  
contradict it again have a look at the

1811  
01:13:24,750 --> 01:13:22,420  
books take a leaflet look online it you

1812  
01:13:26,399 --> 01:13:24,760  
need to know more if this is new to you

1813  
01:13:28,729 --> 01:13:26,409

you owe it to yourselves to find out

1814

01:13:31,470 --> 01:13:28,739

more because I cannot in five minutes

1815

01:13:33,750 --> 01:13:31,480

explain why this you know is the way it

1816

01:13:35,790 --> 01:13:33,760

is when you see the detail though you'll

1817

01:13:37,459 --> 01:13:35,800

realize immediately there's something

1818

01:13:39,870 --> 01:13:37,469

very very wrong

1819

01:13:41,700 --> 01:13:39,880

here's the thing I mean some people say

1820

01:13:43,529 --> 01:13:41,710

well why would they do that well I can

1821

01:13:46,950 --> 01:13:43,539

think of a lot of reasons it gave them

1822

01:13:49,260 --> 01:13:46,960

the mandates for all the wars if you you

1823

01:13:51,479 --> 01:13:49,270

know look at the New World Order project

1824

01:13:53,430 --> 01:13:51,489

and the unfolding of that which I trace

1825

01:13:56,129 --> 01:13:53,440

in the book conspiracies and in my

1826

01:13:58,589 --> 01:13:56,139

conspiracies tall you realize that they

1827

01:14:00,750 --> 01:13:58,599

needed Wars they needed reasons to be in

1828

01:14:02,790 --> 01:14:00,760

the places it led them it of course

1829

01:14:05,910 --> 01:14:02,800

opened the door to the control and

1830

01:14:09,000 --> 01:14:05,920

surveillance agenda of the back of 9/11

1831

01:14:11,010 --> 01:14:09,010

we lost fundamental liberties people

1832

01:14:14,850 --> 01:14:11,020

don't realize how much Liberty we lost

1833

01:14:16,379 --> 01:14:14,860

because of 9/11 and you know pence back

1834

01:14:18,419 --> 01:14:16,389

to where we left off in the first half

1835

01:14:20,279 --> 01:14:18,429

now they're talking about microchipping

1836

01:14:23,220 --> 01:14:20,289

everybody and they can sell it because

1837

01:14:24,990 --> 01:14:23,230

we'll all be safer we'll be safe from

1838

01:14:27,000 --> 01:14:25,000

terrorists and all of this and every

1839

01:14:29,819 --> 01:14:27,010

time there's a new terror attack of

1840

01:14:33,029 --> 01:14:29,829

course that's just register fine so once

1841

01:14:34,500 --> 01:14:33,039

again the more that we're afraid the

1842

01:14:36,419 --> 01:14:34,510

more we are then open to being

1843

01:14:38,700 --> 01:14:36,429

controlled and this would be another

1844

01:14:40,439 --> 01:14:38,710

very good reason to mount something like

1845

01:14:41,430 --> 01:14:40,449

9/11 there's plenty of people in the

1846

01:14:42,380 --> 01:14:41,440

world who wouldn't think twice about

1847

01:14:44,540 --> 01:14:42,390

doing that

1848

01:14:46,190 --> 01:14:44,550

sadly they're in laughs live minority

1849

01:14:48,650 --> 01:14:46,200

most people are very nice and very good

1850

01:14:50,630 --> 01:14:48,660

but he get big powerful people they

1851  
01:14:53,990 --> 01:14:50,640  
would in some way in their minds justify

1852  
01:14:57,590 --> 01:14:54,000  
why that had to be done but sadly most

1853  
01:14:59,330 --> 01:14:57,600  
of us don't agree or happily look at the

1854  
01:15:01,190 --> 01:14:59,340  
mainstream could the mainstream

1855  
01:15:04,130 --> 01:15:01,200  
cover-ups that have been revealed in

1856  
01:15:06,820 --> 01:15:04,140  
recent years Hillsboro weapons of mass

1857  
01:15:10,190 --> 01:15:06,830  
destruction bank scandals MPs expenses

1858  
01:15:11,750 --> 01:15:10,200  
the Jimmy Savile debacle I mean Jimmy

1859  
01:15:14,450 --> 01:15:11,760  
Savile was named as a pedophile on

1860  
01:15:16,910 --> 01:15:14,460  
conspiracy websites about a decade

1861  
01:15:18,440 --> 01:15:16,920  
before it all came out well think what

1862  
01:15:20,420 --> 01:15:18,450  
could have been stopped in that time has

1863  
01:15:23,330 --> 01:15:20,430

somebody listened but no they were just

1864

01:15:25,790 --> 01:15:23,340

bad conspiracy theorists and in the news

1865

01:15:29,030 --> 01:15:25,800

again recently we have it with Snowden

1866

01:15:30,800 --> 01:15:29,040

back Snowden's revelations that we were

1867

01:15:32,870 --> 01:15:30,810

all under mass surveillance wouldn't be

1868

01:15:35,180 --> 01:15:32,880

a surprise to people already in the

1869

01:15:37,640 --> 01:15:35,190

conspiracy world but you know it was a

1870

01:15:39,230 --> 01:15:37,650

revelation to a lot of people and sadly

1871

01:15:40,460 --> 01:15:39,240

the world was now shrugged and said oh I

1872

01:15:41,690 --> 01:15:40,470

suppose we are under mass surveillance

1873

01:15:43,960 --> 01:15:41,700

oh well never mind

1874

01:15:46,370 --> 01:15:43,970

and that also is a worrying response

1875

01:15:48,920 --> 01:15:46,380

we've been very nice I'll about that

1876

01:15:51,380 --> 01:15:48,930

instead of getting I'm going crazy we've

1877

01:15:54,620 --> 01:15:51,390

just sort of shrugged it off but should

1878

01:15:56,150 --> 01:15:54,630

we and by the way it won't surprise you

1879

01:15:57,830 --> 01:15:56,160

to learn that you're not gonna find many

1880

01:15:59,870 --> 01:15:57,840

people that study this kind of thing

1881

01:16:02,690 --> 01:15:59,880

believing the whole story about the sort

1882

01:16:04,670 --> 01:16:02,700

spree nerve gas attack many people think

1883

01:16:06,710 --> 01:16:04,680

we're now being led into a new Cold War

1884

01:16:09,650 --> 01:16:06,720

that doesn't mean a Russian to whiter

1885

01:16:11,240 --> 01:16:09,660

than white course they're not but did

1886

01:16:12,890 --> 01:16:11,250

they do this in exactly the way we're

1887

01:16:15,680 --> 01:16:12,900

told because if they did that evidence

1888

01:16:17,630 --> 01:16:15,690

has not been presented and this is the

1889

01:16:20,660 --> 01:16:17,640

kind of thing we're led into war were

1890

01:16:23,270 --> 01:16:20,670

led into hating basically other

1891

01:16:25,550 --> 01:16:23,280

countries on the back of war limp the

1892

01:16:30,170 --> 01:16:25,560

claims which they haven't yet backed up

1893

01:16:32,480 --> 01:16:30,180

and sadly this goes on a lot so back to

1894

01:16:34,070 --> 01:16:32,490

the x-files the x-files over the years

1895

01:16:36,860 --> 01:16:34,080

has covered a lot of this kind of ground

1896

01:16:38,240 --> 01:16:36,870

under the guise of fiction and people

1897

01:16:40,790 --> 01:16:38,250

watching oh that's exciting

1898

01:16:42,350 --> 01:16:40,800

I enjoyed that not everybody makes the

1899

01:16:44,000 --> 01:16:42,360

leap to think

1900

01:16:46,250 --> 01:16:44,010

yeah but what if actually this is

1901

01:16:48,859 --> 01:16:46,260

basically what's really going on in so

1902

01:16:51,169 --> 01:16:48,869

many words the phrase of course the

1903

01:16:53,270 --> 01:16:51,179

x-files used to use was the truth is out

1904

01:16:56,060 --> 01:16:53,280

there and yeah the truth is out there

1905

01:16:58,189 --> 01:16:56,070

you have to look for it a bit some of

1906

01:17:01,340 --> 01:16:58,199

you might recall that there was a brief

1907

01:17:03,500 --> 01:17:01,350

spin-off series from the x-files called

1908

01:17:06,109 --> 01:17:03,510

the lone gunman and in one of the

1909

01:17:09,080 --> 01:17:06,119

episodes of the lone gunman an aeroplane

1910

01:17:11,780 --> 01:17:09,090

is hijacked by remote control and flown

1911

01:17:13,550 --> 01:17:11,790

towards the World Trade Center million

1912

01:17:16,070 --> 01:17:13,560

months before it that actually happened

1913

01:17:18,680 --> 01:17:16,080

and then of course when he did happened

1914

01:17:20,359 --> 01:17:18,690

George Bush and Coe said well we could

1915

01:17:22,609 --> 01:17:20,369

never ever mention that ever happening

1916

01:17:23,750 --> 01:17:22,619

well if they watch the telly nine months

1917

01:17:27,200 --> 01:17:23,760

before they could have seen you on the

1918

01:17:29,359 --> 01:17:27,210

telly and this is the kind of ridiculous

1919

01:17:32,330 --> 01:17:29,369

statement that they put out and it makes

1920

01:17:34,669 --> 01:17:32,340

no sense sometimes I'm afraid life

1921

01:17:36,140 --> 01:17:34,679

imitates art but was somebody trying to

1922

01:17:37,090 --> 01:17:36,150

warn us of what was gonna have any

1923

01:17:39,740 --> 01:17:37,100

belief sir

1924

01:17:41,780 --> 01:17:39,750

sometimes there are limitation life I

1925

01:17:44,930 --> 01:17:41,790

sometimes think about a many black

1926

01:17:47,479 --> 01:17:44,940

movies very silly movies you know the

1927

01:17:49,459 --> 01:17:47,489

men in black movies and I mean so these

1928

01:17:52,669 --> 01:17:49,469

are of course a parity of the real

1929

01:17:55,609 --> 01:17:52,679

alleged real men in black who allegedly

1930

01:17:57,439 --> 01:17:55,619

this is CCTV of real many black who tend

1931

01:18:00,970 --> 01:17:57,449

to come and find you if you've seen a

1932

01:18:03,410 --> 01:18:00,980

UFO war start blabbing about aliens and

1933

01:18:06,859 --> 01:18:03,420

basically very quietly but in a very

1934

01:18:08,090 --> 01:18:06,869

sinister way tell you to shut up and if

1935

01:18:10,879 --> 01:18:08,100

you know what's good for you you

1936

01:18:12,500 --> 01:18:10,889

probably then do but it's funny isn't it

1937

01:18:15,500 --> 01:18:12,510

so in the mainstream where we treat this

1938

01:18:18,439 --> 01:18:15,510

a funny joke in the movies it's much

1939

01:18:20,570 --> 01:18:18,449

easier than real life pads so they have

1940

01:18:22,490 --> 01:18:20,580

this device and they flash it at you and

1941

01:18:25,520 --> 01:18:22,500

then you forget everything you saw or

1942

01:18:28,280 --> 01:18:25,530

anyway but through all the kinds of

1943

01:18:32,149 --> 01:18:28,290

things that we've seen this evening and

1944

01:18:35,120 --> 01:18:32,159

indeed this may be it is happening in

1945

01:18:39,020 --> 01:18:35,130

real life everyday the distraction of

1946

01:18:41,850 --> 01:18:39,030

Trofeo mind-numbing money dewatering

1947

01:18:43,649 --> 01:18:41,860

madness that we are fed

1948

01:18:46,379 --> 01:18:43,659

every day go look at the magazine

1949

01:18:49,200 --> 01:18:46,389

shelves and WH Smith he's the mind what

1950

01:18:51,209 --> 01:18:49,210

you don't hear about spirals in the sky

1951

01:18:53,970 --> 01:18:51,219

but you hear about Pippa Middleton's

1952

01:18:55,830 --> 01:18:53,980

bottom and people know more about that

1953

01:18:57,450 --> 01:18:55,840

then spirals in this guy you can't

1954

01:19:00,660 --> 01:18:57,460

compete with Freddie Star eating

1955

01:19:03,060 --> 01:19:00,670

hamsters and unfortunately it has just

1956

01:19:06,090 --> 01:19:03,070

enough effect to keep most people just

1957

01:19:07,919 --> 01:19:06,100

out of harm's way they haven't got the

1958

01:19:09,840 --> 01:19:07,929

time anyway to do much about all this

1959

01:19:11,760 --> 01:19:09,850

stuff you know they're trying to earn a

1960

01:19:13,560 --> 01:19:11,770

living and raise families and it's all

1961

01:19:16,590 --> 01:19:13,570

too difficult but I'll have time to sit

1962

01:19:18,600 --> 01:19:16,600

and read eat and this is the problem and

1963

01:19:21,810 --> 01:19:18,610

I think the powers that be rely on this

1964

01:19:23,669 --> 01:19:21,820

they rely on our inertia and they foster

1965

01:19:25,200 --> 01:19:23,679

our inertia but we should really be

1966

01:19:27,390 --> 01:19:25,210

aware of that because this is the

1967

01:19:29,550 --> 01:19:27,400

classic conjurer's trick because all the

1968

01:19:31,430 --> 01:19:29,560

time we're all looking at that of course

1969

01:19:34,680 --> 01:19:31,440

the important stuffs going on over there

1970

01:19:36,209 --> 01:19:34,690

we need to be very careful this and I

1971

01:19:38,220 --> 01:19:36,219

know many of you here the fact that

1972

01:19:39,870 --> 01:19:38,230

you'll come here and you'll talk about

1973

01:19:42,240 --> 01:19:39,880

these kinds of subjects you were already

1974

01:19:44,729 --> 01:19:42,250

to some degrees alert to this but we

1975

01:19:46,620 --> 01:19:44,739

need to help other people to wake up and

1976

01:19:49,379 --> 01:19:46,630

see what's going on even just

1977

01:19:50,939 --> 01:19:49,389

conversations in the pub the whole fake

1978

01:19:54,510 --> 01:19:50,949

news thing of course has been a

1979

01:19:57,600 --> 01:19:54,520

fantastic way of muddy new orders so

1980

01:20:00,030 --> 01:19:57,610

fake news and the shock horror around

1981

01:20:01,919 --> 01:20:00,040

that is now of course being used to

1982

01:20:04,859 --> 01:20:01,929

close down perfectly legitimate

1983

01:20:07,890 --> 01:20:04,869

alternative inquiry and that is a

1984

01:20:09,899 --> 01:20:07,900

serious problem if the faint news issue

1985

01:20:11,370 --> 01:20:09,909

has been the biggest gift to the

1986

01:20:13,890 --> 01:20:11,380

authorities that they've had for years

1987

01:20:15,629 --> 01:20:13,900

because now they found a way of making

1988

01:20:18,479 --> 01:20:15,639

everybody doubt anything they're told

1989

01:20:21,510 --> 01:20:18,489

well we all know fake news is deeply

1990

01:20:24,060 --> 01:20:21,520

subjective fake them the BBC is

1991

01:20:26,010 --> 01:20:24,070

basically a propaganda channel you want

1992

01:20:28,140 --> 01:20:26,020

fake news but a BBC one you see better

1993

01:20:30,090 --> 01:20:28,150

faint news there but that's not what

1994

01:20:31,770 --> 01:20:30,100

many people believe the hope perhaps

1995

01:20:35,220 --> 01:20:31,780

though is that of course increasingly

1996

01:20:36,990 --> 01:20:35,230

many people are no longer looking at ITN

1997

01:20:37,979 --> 01:20:37,000

a BBC they're using their own social

1998

01:20:39,780 --> 01:20:37,989

media feeds

1999

01:20:41,640 --> 01:20:39,790

although the danger there is you get to

2000

01:20:43,649 --> 01:20:41,650

the echo chamber effect you never hear

2001  
01:20:46,379 --> 01:20:43,659  
anybody challenging your view which can

2002  
01:20:49,010 --> 01:20:46,389  
also be an issue but what's going on at

2003  
01:20:52,430 --> 01:20:49,020  
the moment is trying to shut people down

2004  
01:20:53,930 --> 01:20:52,440  
I think that is off concern let's go

2005  
01:20:56,300 --> 01:20:53,940  
back to unexplained mysteries for a

2006  
01:20:59,420 --> 01:20:56,310  
minute this is something that the years

2007  
01:21:01,640 --> 01:20:59,430  
was ridiculed people said you know what

2008  
01:21:03,680 --> 01:21:01,650  
if you see a thunderstorm but from a

2009  
01:21:06,020 --> 01:21:03,690  
long long way away often hundreds of

2010  
01:21:09,200 --> 01:21:06,030  
miles away and you look above the

2011  
01:21:11,650 --> 01:21:09,210  
thunderclaps you can see weird lightning

2012  
01:21:14,510 --> 01:21:11,660  
coming up coming up into space and

2013  
01:21:16,850 --> 01:21:14,520

Sciences laughter these people thing is

2014

01:21:19,610 --> 01:21:16,860

they said I will drinking usual or

2015

01:21:21,590 --> 01:21:19,620

dismiss he's seeing things well until

2016

01:21:24,590 --> 01:21:21,600

that is the space shuttle starts to film

2017

01:21:27,050 --> 01:21:24,600

them and now we call them sprites and

2018

01:21:28,820 --> 01:21:27,060

now there are a known scientific

2019

01:21:31,250 --> 01:21:28,830

phenomenon then there present about many

2020

01:21:33,710 --> 01:21:31,260

thunderstorms so that's something that's

2021

01:21:36,260 --> 01:21:33,720

now just real it's just science but they

2022

01:21:40,400 --> 01:21:36,270

laugh for how long that people who claim

2023

01:21:42,860 --> 01:21:40,410

they've seen more obscurely but also I

2024

01:21:45,020 --> 01:21:42,870

think of worth in the science of fluid

2025

01:21:48,200 --> 01:21:45,030

dynamics have it have been declared you

2026

01:21:50,810 --> 01:21:48,210

cannot have a hexagon in the atmosphere

2027

01:21:52,970 --> 01:21:50,820

of a planet but then they fly the

2028

01:21:55,730 --> 01:21:52,980

Cassini craft over the pole of Saturn

2029

01:21:58,250 --> 01:21:55,740

and look at that the biggies hexagons in

2030

01:22:00,320 --> 01:21:58,260

the whole of the solar system considered

2031

01:22:03,590 --> 01:22:00,330

impossible until the day they took that

2032

01:22:05,030 --> 01:22:03,600

picture so very often they are shown to

2033

01:22:08,630 --> 01:22:05,040

be wrong but of course nobody ever

2034

01:22:10,700 --> 01:22:08,640

apologizes the people that we look up to

2035

01:22:14,030 --> 01:22:10,710

is the founders of modern science like

2036

01:22:16,760 --> 01:22:14,040

Copernicus and Galileo that's not how it

2037

01:22:18,050 --> 01:22:16,770

was in their day no in that day they

2038

01:22:21,170 --> 01:22:18,060

were the Mavericks they were the

2039

01:22:23,510 --> 01:22:21,180

heretics believing ridiculous things

2040

01:22:25,130 --> 01:22:23,520

like maybe the earth goes round the Sun

2041

01:22:28,010 --> 01:22:25,140

rather than the other way around but

2042

01:22:30,920 --> 01:22:28,020

who'd believe a well now we do believe

2043

01:22:33,650 --> 01:22:30,930

it and now that's just science but it's

2044

01:22:36,710 --> 01:22:33,660

sad that what hamda scientism has come

2045

01:22:38,690 --> 01:22:36,720

along now and that's unfortunate but it

2046

01:22:41,120 --> 01:22:38,700

may well be that some of the things that

2047

01:22:44,600 --> 01:22:41,130

you know we are having ridiculed today

2048

01:22:46,880 --> 01:22:44,610

could be the science of tomorrow and be

2049

01:22:50,720 --> 01:22:46,890

accepted as such because sometimes you

2050

01:22:53,810 --> 01:22:50,730

do get vindication yeah do you know what

2051

01:22:55,670 --> 01:22:53,820

you get it enough that I don't see how

2052

01:22:58,340 --> 01:22:55,680

the mainstream media can justify the

2053

01:22:59,660 --> 01:22:58,350

continual dismissal of people that are

2054

01:23:01,520 --> 01:22:59,670

trying to talk about mister

2055

01:23:04,340 --> 01:23:01,530

and cover-ups because they've been shown

2056

01:23:06,380 --> 01:23:04,350

to be right enough times in history that

2057

01:23:09,490 --> 01:23:06,390

is madness not to at least hear them out

2058

01:23:13,280 --> 01:23:09,500

hence that's why people fear and agenda

2059

01:23:15,080 --> 01:23:13,290

well soon that stuff about prophecies so

2060

01:23:17,360 --> 01:23:15,090

again and again you saw in the first

2061

01:23:20,390 --> 01:23:17,370

half there's talk of these times that

2062

01:23:23,330 --> 01:23:20,400

were in now being tides of great change

2063

01:23:25,939 --> 01:23:23,340

upheaval transformation the good news is

2064

01:23:28,250 --> 01:23:25,949

some say it leads to a Golden Age of you

2065

01:23:29,930 --> 01:23:28,260

know everything being quite nice but

2066

01:23:32,360 --> 01:23:29,940

it's probably going to be unsettling

2067

01:23:34,459 --> 01:23:32,370

while we can it through it so some of

2068

01:23:37,250 --> 01:23:34,469

course say wow you know it's just all in

2069

01:23:40,189 --> 01:23:37,260

the mind really but is it there might be

2070

01:23:43,250 --> 01:23:40,199

a tangible cause for these kind of

2071

01:23:46,430 --> 01:23:43,260

shifts it's been noticed in recent times

2072

01:23:49,490 --> 01:23:46,440

that the Sun has been breaking records I

2073

01:23:51,229 --> 01:23:49,500

mean over the last 35 40 years it's done

2074

01:23:53,419 --> 01:23:51,239

all kinds of things we didn't know he

2075

01:23:54,860 --> 01:23:53,429

could do although it's suddenly falling

2076

01:23:58,340 --> 01:23:54,870

very quiet in the last two or three

2077

01:24:00,320 --> 01:23:58,350

years this makes some people think that

2078

01:24:02,479 --> 01:24:00,330

we're going through an unusual cycle

2079

01:24:05,300 --> 01:24:02,489

some scientists are now talking about a

2080

01:24:07,640 --> 01:24:05,310

roughly 5,000 year cycle on the Sun that

2081

01:24:09,620 --> 01:24:07,650

we didn't know about too recently which

2082

01:24:11,419 --> 01:24:09,630

then would tie in reasonably well with

2083

01:24:16,520 --> 01:24:11,429

those ancient prophecies and the whole

2084

01:24:19,700 --> 01:24:16,530

2012 stuff and it may well be that the

2085

01:24:22,640 --> 01:24:19,710

changed electromagnetic environment that

2086

01:24:25,490 --> 01:24:22,650

this cycle creates every roughly 5,000

2087

01:24:28,100 --> 01:24:25,500

years or so is changing us that it

2088

01:24:30,800 --> 01:24:28,110

creates leaps in evolution because there

2089

01:24:32,660 --> 01:24:30,810

are some people like Rick Strassman and

2090

01:24:34,360 --> 01:24:32,670

Michael Persinger that have done a lot

2091

01:24:36,830 --> 01:24:34,370

of experiments we're looking at how

2092

01:24:40,040 --> 01:24:36,840

electromagnetic charge has changed the

2093

01:24:41,740 --> 01:24:40,050

brain that can rewire DNA and something

2094

01:24:43,700 --> 01:24:41,750

that we are now in a changed

2095

01:24:46,930 --> 01:24:43,710

electromagnetic space in our solar

2096

01:24:49,520 --> 01:24:46,940

system and it's changing us and maybe

2097

01:24:51,200 --> 01:24:49,530

that's why things currently feel like

2098

01:24:53,689 --> 01:24:51,210

they're suddenly very fluid there is a

2099

01:24:55,340 --> 01:24:53,699

lot of changing on me to thickness it's

2100

01:24:56,390 --> 01:24:55,350

not breaking out everywhere that you

2101  
01:24:59,000 --> 01:24:56,400  
know you wouldn't have imagined

2102  
01:25:00,770 --> 01:24:59,010  
happening five years ago and maybe it's

2103  
01:25:02,209 --> 01:25:00,780  
just stuff that now needs to come out

2104  
01:25:05,240 --> 01:25:02,219  
but you might get bored were reading

2105  
01:25:07,160 --> 01:25:05,250  
about it it needs to happen and some

2106  
01:25:11,129 --> 01:25:07,170  
people think we are literally at the new

2107  
01:25:12,689 --> 01:25:11,139  
dawn of a new stage in our evolution

2108  
01:25:14,959 --> 01:25:12,699  
that maybe it's not happening fast

2109  
01:25:18,239 --> 01:25:14,969  
enough and the powers that be are

2110  
01:25:21,060 --> 01:25:18,249  
withholding it from us and that's why

2111  
01:25:23,729 --> 01:25:21,070  
there is a breakout of seemingly very

2112  
01:25:26,549 --> 01:25:23,739  
overt paranormal phenomena whether it be

2113  
01:25:29,040 --> 01:25:26,559

crop circles or UFOs or more and more

2114

01:25:30,540 --> 01:25:29,050

people reporting ghosts and discovering

2115

01:25:34,770 --> 01:25:30,550

ancient knowledge because what that's

2116

01:25:37,259 --> 01:25:34,780

doing is waking people up irrespective

2117

01:25:39,330 --> 01:25:37,269

of which path you follow most people

2118

01:25:41,939 --> 01:25:39,340

seem to find that they're being led into

2119

01:25:43,979 --> 01:25:41,949

an understanding that they've been lied

2120

01:25:46,830 --> 01:25:43,989

to number one and that there are bigger

2121

01:25:48,569 --> 01:25:46,840

things going on and yeah of course the

2122

01:25:49,589 --> 01:25:48,579

people at the tops of the pyramids don't

2123

01:25:51,689 --> 01:25:49,599

want that to happen

2124

01:25:55,560 --> 01:25:51,699

it's in their interest to keep us as

2125

01:25:58,379 --> 01:25:55,570

stupid as possible and yet these somehow

2126  
01:26:00,929 --> 01:25:58,389  
wake people up so I'll explain mysteries

2127  
01:26:03,149 --> 01:26:00,939  
I think serve a purpose because it just

2128  
01:26:05,359 --> 01:26:03,159  
makes you think and you realize that the

2129  
01:26:07,259 --> 01:26:05,369  
world you're living in is perhaps being

2130  
01:26:10,020 --> 01:26:07,269  
misrepresented and the world of

2131  
01:26:13,919 --> 01:26:10,030  
communication has changed beyond belief

2132  
01:26:16,469 --> 01:26:13,929  
in the last 60 70 years now the truth is

2133  
01:26:17,189 --> 01:26:16,479  
out there you can't get to it if you

2134  
01:26:19,439 --> 01:26:17,199  
know where to look

2135  
01:26:20,969 --> 01:26:19,449  
yeah there's a load across on the net

2136  
01:26:23,399 --> 01:26:20,979  
but there's a load of draw since myth

2137  
01:26:25,350 --> 01:26:23,409  
since we've seen its drops in libraries

2138  
01:26:27,060 --> 01:26:25,360

you need to discern any

2139

01:26:28,439 --> 01:26:27,070

cross-referencing you need to use your

2140

01:26:31,020 --> 01:26:28,449

head in your heart have been a wisdom

2141

01:26:34,080 --> 01:26:31,030

you can't find your way to what's going

2142

01:26:35,639 --> 01:26:34,090

on but of course that's why I think the

2143

01:26:38,159 --> 01:26:35,649

authorities around the world are now

2144

01:26:40,109 --> 01:26:38,169

terrified of the internet which was the

2145

01:26:41,609 --> 01:26:40,119

genie out of the bottle and now they're

2146

01:26:45,239 --> 01:26:41,619

trying to shut it down by saying all

2147

01:26:47,969 --> 01:26:45,249

fake news and we need to be very wary of

2148

01:26:50,279 --> 01:26:47,979

that but if you are still one of those

2149

01:26:53,370 --> 01:26:50,289

people that only get your news from the

2150

01:26:55,799 --> 01:26:53,380

mainstream sources like the BBC and you

2151  
01:26:58,350 --> 01:26:55,809  
know the Daily Express or whether you're

2152  
01:27:00,810 --> 01:26:58,360  
probably only getting a fraction of

2153  
01:27:03,270 --> 01:27:00,820  
what's really going on if any of it at

2154  
01:27:05,399 --> 01:27:03,280  
all and we've seen tonight how things

2155  
01:27:07,169 --> 01:27:05,409  
are just easily removed you don't hear

2156  
01:27:08,520 --> 01:27:07,179  
about spires and the sky don't hear

2157  
01:27:10,799 --> 01:27:08,530  
about Philippa Langley you don't hear

2158  
01:27:12,449 --> 01:27:10,809  
about crop circles very often and so on

2159  
01:27:14,370 --> 01:27:12,459  
you can believe what you want about all

2160  
01:27:15,399 --> 01:27:14,380  
of these things but they are good

2161  
01:27:18,189 --> 01:27:15,409  
examples of

2162  
01:27:20,049 --> 01:27:18,199  
easily things are taken away from us and

2163  
01:27:23,439 --> 01:27:20,059

why we always have to be ever vigilant

2164

01:27:25,149 --> 01:27:23,449

that we it falls to those of us that

2165

01:27:27,040 --> 01:27:25,159

know about this kind of thing have a

2166

01:27:30,029 --> 01:27:27,050

responsibility to put them back out

2167

01:27:32,529 --> 01:27:30,039

there wherever we can to whoever we can

2168

01:27:36,310 --> 01:27:32,539

this is how we always get shown isn't it

2169

01:27:39,009 --> 01:27:36,320

mystery researchers silly cartoon people

2170

01:27:41,709 --> 01:27:39,019

running around doing silly things well

2171

01:27:44,379 --> 01:27:41,719

yeah but sometimes as we've shown today

2172

01:27:46,719 --> 01:27:44,389

I'm in there sometimes right and the

2173

01:27:49,509 --> 01:27:46,729

right enough that this should be a

2174

01:27:51,370 --> 01:27:49,519

hearing of this stuff closing it down to

2175

01:27:55,419 --> 01:27:51,380

pretending it's not going on does not

2176  
01:27:57,339 --> 01:27:55,429  
serve anybody so I hope though what I've

2177  
01:27:58,959 --> 01:27:57,349  
done tonight is draw together a lot of

2178  
01:28:02,319 --> 01:27:58,969  
threads which I know some of you are

2179  
01:28:04,239 --> 01:28:02,329  
already familiar with but what I hope I

2180  
01:28:07,629 --> 01:28:04,249  
suppose above all is that they might get

2181  
01:28:09,640 --> 01:28:07,639  
over NIH's you to risk taking this out

2182  
01:28:12,159 --> 01:28:09,650  
there even if it's a conversation of

2183  
01:28:13,810 --> 01:28:12,169  
work tomorrow or on the bus about what

2184  
01:28:16,959 --> 01:28:13,820  
you were doing last night what you were

2185  
01:28:20,290 --> 01:28:16,969  
sitting here listening to get the Cape

2186  
01:28:22,330 --> 01:28:20,300  
back take the ridicule that's just their

2187  
01:28:24,489 --> 01:28:22,340  
program to do that and you'll often find

2188  
01:28:26,319 --> 01:28:24,499

actually when you show your conviction

2189

01:28:29,529 --> 01:28:26,329

and as to why you believe in something

2190

01:28:31,179 --> 01:28:29,539

people change and in the end it's funny

2191

01:28:33,520 --> 01:28:31,189

they will come back with an odd kind of

2192

01:28:35,350 --> 01:28:33,530

respect even if it's just sort of

2193

01:28:37,659 --> 01:28:35,360

intrigue oh why do you believe that then

2194

01:28:39,759 --> 01:28:37,669

and the day they ask you a question

2195

01:28:42,310 --> 01:28:39,769

about it right you're onto something and

2196

01:28:43,659 --> 01:28:42,320

you tip the dominoes all the time we

2197

01:28:45,429 --> 01:28:43,669

don't say anything about what we're

2198

01:28:47,439 --> 01:28:45,439

interested in because we fear ridicule

2199

01:28:50,379 --> 01:28:47,449

with them falling into the control

2200

01:28:52,479 --> 01:28:50,389

agenda oh we mustn't do that we can't do

2201

01:28:55,449 --> 01:28:52,489

that especially now though freedom of

2202

01:28:56,949 --> 01:28:55,459

speech is under such danger for some of

2203

01:28:59,799 --> 01:28:56,959

the reasons we've covered here and of

2204

01:29:00,339 --> 01:28:59,809

course many others so I hope that's been

2205

01:29:02,770 --> 01:29:00,349

of some use

2206

01:29:04,569 --> 01:29:02,780

thank you very much coming out have a

2207

01:29:06,549 --> 01:29:04,579

look at the table take a leaflet if you
