

1
00:00:05,650 --> 00:00:15,000
see please put your hands together

2
00:00:28,560 --> 00:00:25,830
I take that off there wow this is a

3
00:00:31,650 --> 00:00:28,570
fantastic what a great turnout thank you

4
00:00:36,060 --> 00:00:31,660
all for coming thank you to Emmeline for

5
00:00:38,220 --> 00:00:36,070
inviting me and I hope I can keep you

6
00:00:41,060 --> 00:00:38,230
interested I've got quite a lot to get

7
00:00:45,720 --> 00:00:41,070
through tonight so I'm going to get on

8
00:00:52,560 --> 00:00:45,730
pretty quickly it's going to be a

9
00:01:02,299 --> 00:00:52,570
personal journey tonight you know I am

10
00:01:14,969 --> 00:01:07,010
I'm not sure myself actually good so

11
00:01:17,310 --> 00:01:14,979
let's get started okay so basically you

12
00:01:20,250 --> 00:01:17,320
know I've been involved with a subject

13
00:01:23,970 --> 00:01:20,260

for many many years I've been taken

14

00:01:28,170 --> 00:01:23,980

since I was a child and it runs in my

15

00:01:32,250 --> 00:01:28,180

family both my sisters my mother my

16

00:01:35,520 --> 00:01:32,260

grandmother niece nephew we've all been

17

00:01:39,990 --> 00:01:35,530

taken we all have events that happen to

18

00:01:42,990 --> 00:01:40,000

us and it's ongoing and it continues and

19

00:01:45,590 --> 00:01:43,000

it will always be so I guess so I've

20

00:01:49,200 --> 00:01:45,600

done a great deal of thinking about this

21

00:01:52,020 --> 00:01:49,210

I'm just going to give you a little

22

00:01:54,570 --> 00:01:52,030

rundown of some of my experience because

23

00:02:00,530 --> 00:01:54,580

most of you won't have a clue who I am

24

00:02:04,620 --> 00:02:00,540

I've kept a low profile because my wife

25

00:02:09,839 --> 00:02:04,630

who passed away just over five years ago

26
00:02:12,509 --> 00:02:09,849
she hated the whole subject and it made

27
00:02:15,010 --> 00:02:12,519
life extremely difficult we were married

28
00:02:18,760 --> 00:02:15,020
for almost 40 years and

29
00:02:23,580 --> 00:02:18,770
I want to bring that that aspect of

30
00:02:26,320 --> 00:02:23,590
abductions to you tonight the fact that

31
00:02:30,430 --> 00:02:26,330
where you get one person that's involved

32
00:02:33,580 --> 00:02:30,440
and the partner is not involved or is

33
00:02:36,130 --> 00:02:33,590
not aware of it it creates terrible

34
00:02:39,820 --> 00:02:36,140
problems and the number of people who

35
00:02:44,950 --> 00:02:39,830
are abductees who end up being divorced

36
00:02:48,640 --> 00:02:44,960
or separated is way above average now

37
00:02:55,620 --> 00:02:48,650
this is a place that many of you will

38
00:03:00,880 --> 00:02:55,630

know it's it's a Riverstone farm and

39

00:03:04,510 --> 00:03:00,890

that is a memorial stone to the events

40

00:03:06,910 --> 00:03:04,520

that happened back in the late 1970s I

41

00:03:12,010 --> 00:03:06,920

know you went to broad haven didn't you

42

00:03:14,380 --> 00:03:12,020

and you had a time there you can see

43

00:03:21,040 --> 00:03:14,390

stacks rocks there in the background

44

00:03:23,440 --> 00:03:21,050

I call this memorial stone because it's

45

00:03:28,960 --> 00:03:23,450

been deliberately placed there directly

46

00:03:31,650 --> 00:03:28,970

in a line between stacks rocks and the

47

00:03:35,460 --> 00:03:31,660

farmhouse where the Coombs family lived

48

00:03:38,860 --> 00:03:35,470

and I reckon it's probably where Pauline

49

00:03:41,830 --> 00:03:38,870

Pauline Coombs I think where she saw the

50

00:03:44,410 --> 00:03:41,840

first UFO go down over the cliff when

51
00:03:47,980 --> 00:03:44,420
the whole event started and that's just

52
00:03:51,930 --> 00:03:47,990
a closer point and you can see that the

53
00:03:55,090 --> 00:03:51,940
stone has been drilled through Connolly

54
00:03:59,950 --> 00:03:55,100
through both sides it's the same on both

55
00:04:01,750 --> 00:03:59,960
sides so it's it's going smaller as it

56
00:04:03,430 --> 00:04:01,760
gets towards the middle and then it goes

57
00:04:09,340 --> 00:04:03,440
out again at the other side and this is

58
00:04:14,050 --> 00:04:09,350
red granite so it's extremely hard and I

59
00:04:19,120 --> 00:04:14,060
hope you can see that's just about here

60
00:04:22,630 --> 00:04:19,130
in the middle that there looks to be an

61
00:04:25,379 --> 00:04:22,640
area where the the granite has flowed

62
00:04:29,670 --> 00:04:25,389
maybe you know

63
00:04:34,260 --> 00:04:29,680

has it become molten by whatever has got

64

00:04:38,129 --> 00:04:34,270

this so who has who was placed this

65

00:04:42,209 --> 00:04:38,139

stone there is it the ETS that are

66

00:04:43,260 --> 00:04:42,219

placed it there I don't know but anyway

67

00:04:48,450 --> 00:04:43,270

it's interesting

68

00:04:50,790 --> 00:04:48,460

so crop circles I'm quite well known for

69

00:04:53,489 --> 00:04:50,800

my crop circle research have been

70

00:04:57,600 --> 00:04:53,499

involved with it for I don't know well

71

00:05:00,839 --> 00:04:57,610

over 20 years now every summer I've gone

72

00:05:03,839 --> 00:05:00,849

down to well sure for the last 18 years

73

00:05:07,920 --> 00:05:03,849

anyway and I've been in hundreds of crop

74

00:05:09,990 --> 00:05:07,930

circles some most mostly man-made but

75

00:05:13,679 --> 00:05:10,000

just the odd world the genuine and that

76

00:05:16,040 --> 00:05:13,689

one is a genuine crop circle this one

77

00:05:21,719 --> 00:05:16,050

occurred bit Bishop scannings

78

00:05:25,279 --> 00:05:21,729

near devices in 1999 you can see that

79

00:05:31,369 --> 00:05:25,289

the the extraordinarily extraordinary

80

00:05:35,700 --> 00:05:31,379

basket weave designed to the thing and

81

00:05:41,070 --> 00:05:35,710

such a thing has never been repeated but

82

00:05:45,570 --> 00:05:41,080

it's it's an absolute beauty and sorry

83

00:05:45,839 --> 00:05:45,580

wrong way and there's my partner in

84

00:05:48,119 --> 00:05:45,849

crime

85

00:05:51,540 --> 00:05:48,129

Dave Katyn many of you will probably

86

00:05:56,219 --> 00:05:54,450

Dave done a great deal on the animal

87

00:05:58,320 --> 00:05:56,229

mutilations stuff and I know he came

88

00:06:01,339 --> 00:05:58,330

down here and spoke about that he sends

89

00:06:06,659 --> 00:06:01,349

his best wishes to you all by the way

90

00:06:09,679 --> 00:06:06,669

yeah great guy that one crop circle I

91

00:06:12,779 --> 00:06:09,689

never went into her thing tonight 2004

92

00:06:14,909 --> 00:06:12,789

furs and all again their devices and I

93

00:06:20,129 --> 00:06:14,919

want to just put it in just to show you

94

00:06:27,749 --> 00:06:20,139

the beautiful swirling of the of the

95

00:06:30,869 --> 00:06:27,759

crop perfect no deviations and it's been

96

00:06:34,469 --> 00:06:30,879

created by energy so that's the real

97

00:06:36,090 --> 00:06:34,479

thing that one was the what we call the

98

00:06:43,050 --> 00:06:36,100

hubcap formation

99

00:06:45,420 --> 00:06:43,060

I was that was 2001 that came about a

100

00:06:48,420 --> 00:06:45,430

fortnight no less maybe seven days

101
00:06:51,720 --> 00:06:48,430
before the real big one the the galaxy

102
00:06:56,700 --> 00:06:51,730
formation on milk Hill which is the

103
00:06:58,860 --> 00:06:56,710
famous one that is often shown I was the

104
00:07:03,800 --> 00:06:58,870
first person to set foot in that crop

105
00:07:11,720 --> 00:07:07,280
that's Dave in the crop circle

106
00:07:19,260 --> 00:07:15,150
and there's the lay of the crop in the

107
00:07:21,630 --> 00:07:19,270
in the outer ring its barley and you can

108
00:07:24,030 --> 00:07:21,640
see how well it's not actually flattened

109
00:07:26,670 --> 00:07:24,040
to the ground it's it's a bit like

110
00:07:29,910 --> 00:07:26,680
feathers in fact that's what Dave said

111
00:07:33,050 --> 00:07:29,920
on the on the day there's one of the

112
00:07:36,300 --> 00:07:33,060
centres again beautifully swirled and

113
00:07:40,950 --> 00:07:36,310

there's the centre of the crop circle

114

00:07:45,150 --> 00:07:40,960

and that's my hand and I want you to

115

00:07:50,010 --> 00:07:45,160

notice how tightly this has been swirled

116

00:07:52,110 --> 00:07:50,020

around here and it's obviously a vortex

117

00:07:57,090 --> 00:07:52,120

of energy which is which is created

118

00:08:00,870 --> 00:07:57,100

though so I just thought had show you a

119

00:08:03,060 --> 00:08:00,880

little bit about crop circles UFO

120

00:08:07,560 --> 00:08:03,070

sightings have been researching notes

121

00:08:11,910 --> 00:08:07,570

for god knows how long 30 odd years this

122

00:08:16,080 --> 00:08:11,920

particular craft was photographed by my

123

00:08:19,830 --> 00:08:16,090

friend Eric Thomason Muslim beach in

124

00:08:23,910 --> 00:08:19,840

Australia I went over to Australia

125

00:08:26,550 --> 00:08:23,920

especially to meet Eric and to go to the

126
00:08:29,070 --> 00:08:26,560
location where this this took place and

127
00:08:32,760 --> 00:08:29,080
these photographs are ones which I

128
00:08:38,240 --> 00:08:32,770
fetched back from Australia these are

129
00:08:41,760 --> 00:08:38,250
the best quality that anybody has and I

130
00:08:44,760 --> 00:08:41,770
actually gave them to Richard Hall who

131
00:08:48,840 --> 00:08:44,770
we've helped we actually helped to get

132
00:08:51,150 --> 00:08:48,850
him started really I'll explain it in

133
00:08:53,640 --> 00:08:51,160
little little while Bella so Richard

134
00:08:55,410 --> 00:08:53,650
does a good job so I gave him these

135
00:09:01,740 --> 00:08:55,420
pictures so that he could show them on

136
00:09:04,560 --> 00:09:01,750
his his tours and it's showing you the

137
00:09:07,200 --> 00:09:04,570
large craft here which is about a

138
00:09:10,590 --> 00:09:07,210

hundred feet in diameter and there's a

139

00:09:14,100 --> 00:09:10,600

small one here which is actually coming

140

00:09:16,110 --> 00:09:14,110

in and it's going to dock with the large

141

00:09:18,240 --> 00:09:16,120

craft this is I think there were there

142

00:09:20,850 --> 00:09:18,250

were four photographs in total and this

143

00:09:22,560 --> 00:09:20,860

is the last one of them and if you can

144

00:09:26,160 --> 00:09:22,570

expect wonder if I've got a close-up of

145

00:09:31,160 --> 00:09:26,170

that yeah you can actually see the

146

00:09:34,680 --> 00:09:31,170

tractor beams underneath the large craft

147

00:09:40,290 --> 00:09:34,690

where this disc is being pulled up into

148

00:09:43,079 --> 00:09:40,300

a hole in them in the middle you'll be

149

00:09:48,000 --> 00:09:43,089

able to see that much more clearly when

150

00:09:52,829 --> 00:09:48,010

when the film of this is it's done but

151
00:09:56,310 --> 00:09:52,839
an amazing thing came up out of the sea

152
00:09:59,340 --> 00:09:56,320
and Eric SOI come up out of the sea and

153
00:10:03,870 --> 00:09:59,350
it flew over him and dripped water on

154
00:10:06,150 --> 00:10:03,880
him as it has they joined together and

155
00:10:09,060 --> 00:10:06,160
then just shot up into the sky within

156
00:10:13,950 --> 00:10:09,070
seconds it was you know lost his sight

157
00:10:17,430 --> 00:10:13,960
and that that's that's me with Pauline

158
00:10:21,530 --> 00:10:17,440
and Eric Thomason absolutely wonderful

159
00:10:26,160 --> 00:10:21,540
chap he's dead now Eric but he was a

160
00:10:27,000 --> 00:10:26,170
world war two fighter bomber pilot who

161
00:10:37,920 --> 00:10:27,010
flew

162
00:10:42,120 --> 00:10:37,930
Westland whirlwind which were fighter

163
00:10:42,960 --> 00:10:42,130

bomber Spitfires hurricanes typhoons and

164

00:10:45,660 --> 00:10:42,970

Tempest

165

00:10:51,449 --> 00:10:45,670

right to the end of the war so very

166

00:10:54,269 --> 00:10:51,459

brave man got shot down injured and so

167

00:10:57,420 --> 00:10:54,279

smashing guy now animal mutilations I've

168

00:10:59,939 --> 00:10:57,430

been involved with with that quite a bit

169

00:11:05,699 --> 00:10:59,949

I've helped David Katyn with his work

170

00:11:08,519 --> 00:11:05,709

there have been with him filming the

171

00:11:11,970 --> 00:11:08,529

animals not going to show you any nasty

172

00:11:15,030 --> 00:11:11,980

animal mutilations tonight that's Dave's

173

00:11:18,809 --> 00:11:15,040

dog though he'll that'd be more

174

00:11:22,740 --> 00:11:18,819

appropriate so yes so I've done a fair

175

00:11:23,699 --> 00:11:22,750

bit and there's the man himself on his

176

00:11:27,629 --> 00:11:23,709

80th birthday

177

00:11:33,720 --> 00:11:27,639

I think Dave's 82 now heart of gold

178

00:11:37,170 --> 00:11:33,730

absolutely Superman so the two films

179

00:11:39,900 --> 00:11:37,180

that my film is included in his silent

180

00:11:41,999 --> 00:11:39,910

killers which was about the animal

181

00:11:44,850 --> 00:11:42,009

mutilations and crop circles the hidden

182

00:11:48,629 --> 00:11:44,860

truth both by Richard Hall a lot of my

183

00:11:51,749 --> 00:11:48,639

films in there so we you know I was very

184

00:11:53,939 --> 00:11:51,759

happy to to a give Richard a bit of a

185

00:11:57,900 --> 00:11:53,949

helping hand to start him off he doesn't

186

00:11:59,480 --> 00:11:57,910

need it anymore and then abductions

187

00:12:02,639 --> 00:11:59,490

that's another aspect of my

188

00:12:05,639 --> 00:12:02,649

investigations this is the thing that

189

00:12:09,329 --> 00:12:05,649

really I'm interested in above all else

190

00:12:11,519 --> 00:12:09,339

because I am an abductee and just like

191

00:12:13,470 --> 00:12:11,529

any other abductee I've been trying to

192

00:12:18,150 --> 00:12:13,480

find the answers you know what's it all

193

00:12:22,199 --> 00:12:18,160

about that that is at an actual

194

00:12:24,240 --> 00:12:22,209

photograph of an alien I don't know

195

00:12:28,499 --> 00:12:24,250

whether you can see here can you see the

196

00:12:31,829 --> 00:12:28,509

face here this was taken by my friend

197

00:12:36,720 --> 00:12:31,839

Carol when she lived in New Zealand I

198

00:12:40,499 --> 00:12:36,730

think and yeah she has a heck of a lot

199

00:12:43,319 --> 00:12:40,509

of abduction experience unfortunately

200

00:12:46,559 --> 00:12:43,329

hers a lot of it isn't very good because

201
00:12:48,660 --> 00:12:46,569
she's what we call a my lab so that

202
00:12:49,340 --> 00:12:48,670
means she's been taken by the military

203
00:12:52,910 --> 00:12:49,350
as

204
00:12:56,690 --> 00:12:52,920
ETS and the military and certain not

205
00:12:58,250 --> 00:12:56,700
very current deities work together have

206
00:13:04,730 --> 00:12:58,260
a lot of knowledge and experience of

207
00:13:08,420 --> 00:13:04,740
that so regarding the abductions these

208
00:13:11,710 --> 00:13:08,430
are a lot of the things that abductees

209
00:13:14,720 --> 00:13:11,720
get as you probably aware many of you

210
00:13:19,520 --> 00:13:14,730
Scoob marks puncture marks triangle

211
00:13:23,590 --> 00:13:19,530
marks being levitated paralysis missing

212
00:13:29,360 --> 00:13:23,600
time gaining time I've had all of those

213
00:13:33,290 --> 00:13:29,370

more than once I've met four different

214

00:13:36,170 --> 00:13:33,300

types of ET two of them spoke to me and

215

00:13:41,200 --> 00:13:36,180

one of them embraced me I'll come to

216

00:13:44,990 --> 00:13:41,210

that later on so I'm quite used to them

217

00:13:48,110 --> 00:13:45,000

and not afraid of them by the way we

218

00:13:51,770 --> 00:13:48,120

want you to think that I'm looking for

219

00:13:53,900 --> 00:13:51,780

sympathy or I can't cope with this or

220

00:13:57,860 --> 00:13:53,910

anything like that because I can you

221

00:13:59,840 --> 00:13:57,870

know this is part of my everyday world

222

00:14:01,550 --> 00:13:59,850

and I know that they're involved with me

223

00:14:03,800 --> 00:14:01,560

and I wouldn't be surprised if they here

224

00:14:10,480 --> 00:14:03,810

tonight actually just to give me a

225

00:14:14,030 --> 00:14:10,490

helping hand often needed now abductees

226

00:14:18,500 --> 00:14:14,040

spirituality and psychic gifts go hand

227

00:14:22,910 --> 00:14:18,510

in hand it's just one of those things

228

00:14:27,800 --> 00:14:22,920

and most abductees have psychic

229

00:14:30,020 --> 00:14:27,810

abilities and some some more than others

230

00:14:35,050 --> 00:14:30,030

I've got some but I have friends who

231

00:14:39,740 --> 00:14:35,060

have even more by a long lunch or Hawk

232

00:14:43,780 --> 00:14:39,750

one of the psychic abilities they all do

233

00:14:47,810 --> 00:14:43,790

regular thing of bending spoons that

234

00:14:50,930 --> 00:14:47,820

little girl is my young sister for

235

00:14:53,500 --> 00:14:50,940

thirteen years younger than me and and

236

00:14:55,790 --> 00:14:53,510

she was indeed bending the large

237

00:14:59,210 --> 00:14:55,800

old-fashioned spoon and that's many many

238

00:15:01,070 --> 00:14:59,220

years ago and she was only a little tot

239

00:15:03,410 --> 00:15:01,080

but it didn't make it didn't make any

240

00:15:06,050 --> 00:15:03,420

difference we just watched the thing

241

00:15:09,050 --> 00:15:06,060

just bend over you know like as if it

242

00:15:11,410 --> 00:15:09,060

was putty you know so that's one of the

243

00:15:14,860 --> 00:15:11,420

things I've never been able to do that

244

00:15:18,710 --> 00:15:14,870

although I've tried but there you go it

245

00:15:20,960 --> 00:15:18,720

but I want you to think it's all doom

246

00:15:23,600 --> 00:15:20,970

and gloom and you know I like a bit of

247

00:15:28,370 --> 00:15:23,610

fun and there's a little cartoon that I

248

00:15:30,290 --> 00:15:28,380

like the the a being asked by Mike here

249

00:15:32,030 --> 00:15:30,300

that's a really good question Mike the

250

00:15:34,550 --> 00:15:32,040

reason we've never landed on the White

251
00:15:37,160 --> 00:15:34,560
House lawn is because we don't want to

252
00:15:44,720 --> 00:15:37,170
be shocked plus we're really only

253
00:15:46,700 --> 00:15:44,730
interested in intelligent life so there

254
00:15:50,660 --> 00:15:46,710
we go so that's a few years ago there's

255
00:15:55,010 --> 00:15:50,670
me and Dave Katyn down at in in Torquay

256
00:15:57,920 --> 00:15:55,020
with visit visiting friend Roy Dutton

257
00:16:01,580 --> 00:15:57,930
who sadly died two or three weeks ago

258
00:16:05,120 --> 00:16:01,590
and he was his funeral last week Roy was

259
00:16:07,790 --> 00:16:05,130
a huge figure in the crop circle world

260
00:16:11,390 --> 00:16:07,800
working with Colleen Andrews the boss

261
00:16:11,960 --> 00:16:11,400
detail at Delgado and it'll be sadly

262
00:16:15,860 --> 00:16:11,970
missed

263
00:16:21,760 --> 00:16:15,870

I don't really recognize this guy here

264

00:16:26,570 --> 00:16:21,770

on the right that's Toni Dodd the ex

265

00:16:27,560 --> 00:16:26,580

policeman who wrote the book alien

266

00:16:31,910 --> 00:16:27,570

investigator

267

00:16:35,000 --> 00:16:31,920

I knew Tony and we spent the afternoon

268

00:16:37,010 --> 00:16:35,010

that day in his conservatory and I've

269

00:16:39,230 --> 00:16:37,020

actually got some film of Tony talking

270

00:16:41,000 --> 00:16:39,240

on that day which nobody's ever seen and

271

00:16:44,810 --> 00:16:41,010

it's really quite good

272

00:16:48,410 --> 00:16:44,820

I might might show it one day but it was

273

00:16:52,910 --> 00:16:48,420

a smashing guy some of you may recognize

274

00:16:54,530 --> 00:16:52,920

this fella on the left professor John

275

00:16:58,340 --> 00:16:54,540

Mac

276

00:17:03,170 --> 00:16:58,350

who's been a great help to abductees

277

00:17:06,110 --> 00:17:03,180

over the years I met John in in a crop

278

00:17:06,590 --> 00:17:06,120

circle of Pusey and this photograph was

279

00:17:10,370 --> 00:17:06,600

taken

280

00:17:11,390 --> 00:17:10,380

oh I don't know maybe about four months

281

00:17:15,410 --> 00:17:11,400

before he died

282

00:17:18,380 --> 00:17:15,420

killed in a car accident in London but a

283

00:17:21,020 --> 00:17:18,390

super guy super guy he listened

284

00:17:24,650 --> 00:17:21,030

patiently to my abductee sort of

285

00:17:28,190 --> 00:17:24,660

encounters you know nice guy and maybe

286

00:17:32,120 --> 00:17:28,200

some of you may even recognize and hear

287

00:17:35,150 --> 00:17:32,130

and Andrews and a husband pour this on

288

00:17:40,340 --> 00:17:35,160

Jason Andrews books been written about

289

00:17:42,290 --> 00:17:40,350

him and we stayed with Anne and Paul and

290

00:17:45,940 --> 00:17:42,300

there's Dave back in the back there in

291

00:17:50,260 --> 00:17:45,950

the corner we have back behind us there

292

00:17:52,730 --> 00:17:50,270

yes Jason's a special guy those are

293

00:17:56,630 --> 00:17:52,740

their dogs Pyrenean mounting dogs

294

00:17:59,360 --> 00:17:56,640

massive but wonderful and maybe you

295

00:18:01,460 --> 00:17:59,370

might recognize this lady that's Linda

296

00:18:04,370 --> 00:18:01,470

Moulton Howe who has the earthfiles web

297

00:18:06,080 --> 00:18:04,380

site in America spent a lot of time with

298

00:18:08,300 --> 00:18:06,090

Linda in the early days in the crop

299

00:18:12,040 --> 00:18:08,310

circles so I'm only just showing you

300

00:18:15,470 --> 00:18:12,050

this to you just give you an idea that

301

00:18:18,440 --> 00:18:15,480

you know I'm I'm well rounded in in the

302

00:18:19,940 --> 00:18:18,450

in the job you know I've I've been doing

303

00:18:23,030 --> 00:18:19,950

this a long time even though I've kept a

304

00:18:26,960 --> 00:18:23,040

low profile deliberately you know in

305

00:18:29,240 --> 00:18:26,970

order to keep peace at home but now my

306

00:18:33,440 --> 00:18:29,250

wife is gone I feel free to do whatever

307

00:18:35,510 --> 00:18:33,450

I feel so and that guy they're smashing

308

00:18:39,320 --> 00:18:35,520

fella Phil Hoyle lives in Shrewsbury

309

00:18:40,310 --> 00:18:39,330

probably one of the best researchers in

310

00:18:42,320 --> 00:18:40,320

the whole country

311

00:18:46,160 --> 00:18:42,330

unfortunately Phil's not very well at

312

00:18:47,900 --> 00:18:46,170

the moment so that's curtailed his his

313

00:18:52,400 --> 00:18:47,910

work but I've spent quite a bit of time

314

00:18:53,830 --> 00:18:52,410

with Phil and a lovely guy and this

315

00:18:57,730 --> 00:18:53,840

couple here you

316

00:19:04,210 --> 00:18:57,740

we'll recognize my friend David and

317

00:19:07,450 --> 00:19:04,220

Linda have spent many happy hours with

318

00:19:13,440 --> 00:19:07,460

them right there's me and Linda in the

319

00:19:16,720 --> 00:19:13,450

church but killed back in Herefordshire

320

00:19:19,149 --> 00:19:16,730

say I think yeah Herefordshire where

321

00:19:21,100 --> 00:19:19,159

laughing Dave took the photograph and

322

00:19:24,130 --> 00:19:21,110

the the thing that's really interesting

323

00:19:26,769 --> 00:19:24,140

is this thing above our heads here we

324

00:19:30,070 --> 00:19:26,779

get strange phenomena around us fairly

325

00:19:31,810 --> 00:19:30,080

often but when people like Linda gets

326

00:19:34,149 --> 00:19:31,820

together with with me you know and

327

00:19:38,610 --> 00:19:34,159

anything can happen and there's a

328

00:19:46,180 --> 00:19:38,620

blow-up of this thing it looks

329

00:19:48,220 --> 00:19:46,190

three-dimensional it's I have a feeling

330

00:19:50,760 --> 00:19:48,230

it's connected with Mary Magdalene the

331

00:19:56,500 --> 00:19:50,770

church at kill Peck is dedicated to her

332

00:19:58,659 --> 00:19:56,510

I say this because I've seen a

333

00:20:01,659 --> 00:19:58,669

photograph they're not [h__h] offer a

334

00:20:04,899 --> 00:20:01,669

painting of Mary Magdalene in Indonesia

335

00:20:08,430 --> 00:20:04,909

and superimposed in the air ovary is

336

00:20:10,690 --> 00:20:08,440

this exact shape and color of things so

337

00:20:14,470 --> 00:20:10,700

Mary Magdalene seems to be the

338

00:20:18,130 --> 00:20:14,480

connection now I live pretty close to

339

00:20:19,720 --> 00:20:18,140

Java Bank radio telescope when I live in

340

00:20:23,590 --> 00:20:19,730

mapless field it's only about I have no

341

00:20:26,100 --> 00:20:23,600

six miles from my home and of course

342

00:20:32,320 --> 00:20:26,110

they get plenty of UFO activity around

343

00:20:34,389 --> 00:20:32,330

george'll bank we have had that exact

344

00:20:38,409 --> 00:20:34,399

scenario even that's just an artist

345

00:20:42,580 --> 00:20:38,419

impression that really has happened and

346

00:20:45,850 --> 00:20:42,590

a lot more besides total Bank know full

347

00:20:48,580 --> 00:20:45,860

well that eighties are often flying

348

00:20:50,710 --> 00:20:48,590

around there but they pretend that

349

00:20:53,799 --> 00:20:50,720

that's not the case but I know otherwise

350

00:20:55,120 --> 00:20:53,809

because I've invested various cases

351
00:20:57,280 --> 00:20:55,130
where people have seen them flying in

352
00:21:00,850 --> 00:20:57,290
the fields

353
00:21:04,840 --> 00:21:00,860
around the jungle bangle so so I set up

354
00:21:08,560 --> 00:21:04,850
the mattress filled UFO society just

355
00:21:11,050 --> 00:21:08,570
couple of three years ago maybe really

356
00:21:13,780 --> 00:21:11,060
just to get all the sightings and cases

357
00:21:16,000 --> 00:21:13,790
out of my head had them written down but

358
00:21:17,680 --> 00:21:16,010
they kept going through my head and I

359
00:21:20,410 --> 00:21:17,690
didn't want to forget all the details so

360
00:21:22,960 --> 00:21:20,420
I put all the cases on macalister

361
00:21:25,840 --> 00:21:22,970
mattress value for society so if you

362
00:21:28,270 --> 00:21:25,850
just put that in Google you'll see all

363
00:21:33,060 --> 00:21:28,280

the cases that we have round around my

364

00:21:35,170 --> 00:21:33,070

plus field it's a busy area this is a

365

00:21:37,720 --> 00:21:35,180

map showing the

366

00:21:39,820 --> 00:21:37,730

ley-line major ley line distribution

367

00:21:45,730 --> 00:21:39,830

throughout the country I've not done

368

00:21:48,760 --> 00:21:45,740

this map somebody else did and sorry

369

00:21:50,170 --> 00:21:48,770

about that one button so this big one

370

00:21:52,390 --> 00:21:50,180

going straight through here's the

371

00:21:55,570 --> 00:21:52,400

blindness line from sort of the Isle of

372

00:21:58,780 --> 00:21:55,580

Wight area where David Icke lives

373

00:22:02,650 --> 00:21:58,790

Englund right up to Scotland then we've

374

00:22:05,620 --> 00:22:02,660

got one from Newport going up to this

375

00:22:10,930 --> 00:22:05,630

area here one going from here across

376

00:22:15,460 --> 00:22:10,940

North Wales and another one coming down

377

00:22:19,150 --> 00:22:15,470

here towards the hips which Rendlesham

378

00:22:21,550 --> 00:22:19,160

forest area yeah and another one going

379

00:22:23,650 --> 00:22:21,560

off towards bridlington where we've had

380

00:22:26,140 --> 00:22:23,660

a lot of sightings over here and another

381

00:22:29,140 --> 00:22:26,150

one up towards Blackpool again we've had

382

00:22:33,840 --> 00:22:29,150

loads of sightings there they all seem

383

00:22:39,490 --> 00:22:33,850

to converge here which is where I live

384

00:22:42,490 --> 00:22:39,500

Macclesfield roughly speaking so so no

385

00:22:47,860 --> 00:22:44,500

first thing cleaves there was something

386

00:22:50,050 --> 00:22:47,870

slightly different about me that's

387

00:22:52,240 --> 00:22:50,060

that's me as a baby and my granddad's

388

00:22:55,420 --> 00:22:52,250

garden that's my cousin

389

00:22:59,050 --> 00:22:55,430

Alfred was a big family with big spread

390

00:23:00,970 --> 00:22:59,060

of years so and the thing that I noticed

391

00:23:02,300 --> 00:23:00,980

was that this is a ball of light here

392

00:23:04,550 --> 00:23:02,310

above my head

393

00:23:11,630 --> 00:23:04,560

directly in line with the with the crown

394

00:23:13,340 --> 00:23:11,640

of my head I just got back this is me on

395

00:23:16,370 --> 00:23:13,350

the angel mountain we'll talk about

396

00:23:23,030 --> 00:23:16,380

angel mounting a little later on with

397

00:23:26,360 --> 00:23:23,040

David and again above my head you can

398

00:23:29,090 --> 00:23:26,370

see there's this ball directly in line

399

00:23:35,450 --> 00:23:29,100

with the crown of my head I don't know

400

00:23:37,810 --> 00:23:35,460

what it is but I think it's unusual this

401
00:23:44,210 --> 00:23:37,820
picture was taken by David at the

402
00:23:46,310 --> 00:23:44,220
lighthouse at us down that way Emily

403
00:23:52,310 --> 00:23:46,320
knew being here haven't you permit I

404
00:23:56,900 --> 00:23:52,320
know yeah yeah yeah yeah and that's a

405
00:23:58,880 --> 00:23:56,910
very flattering photograph of me but the

406
00:24:00,920 --> 00:23:58,890
thing of interest is this thing above my

407
00:24:04,520 --> 00:24:00,930
head here if you notice there no other

408
00:24:09,530 --> 00:24:04,530
orbs in the room at all so there's a

409
00:24:13,490 --> 00:24:09,540
closer look at it and there's an even

410
00:24:17,630 --> 00:24:13,500
closer look and I hope you can see that

411
00:24:19,730 --> 00:24:17,640
it's it's shaped like a head the front

412
00:24:25,550 --> 00:24:19,740
of the head here this is the nose mouth

413
00:24:27,650 --> 00:24:25,560

here I forehead hair and all that okay

414

00:24:31,160 --> 00:24:27,660

but there are other faces here can you

415

00:24:34,040 --> 00:24:31,170

see this face here okay and then there's

416

00:24:36,920 --> 00:24:34,050

another face here and there's probably

417

00:24:40,970 --> 00:24:36,930

another face there a bit faint I've

418

00:24:42,710 --> 00:24:40,980

actually counted about 16 so you know

419

00:24:46,250 --> 00:24:42,720

what's all that about

420

00:24:51,620 --> 00:24:46,260

I have a feeling he might be connected

421

00:24:56,680 --> 00:24:51,630

with my past lives and maybe those were

422

00:25:00,470 --> 00:24:56,690

me who knows but I just have a feeling

423

00:25:05,659 --> 00:25:00,480

okay so my first sighting that's me was

424

00:25:08,690 --> 00:25:05,669

to I was put outside my auntie's house

425

00:25:13,330 --> 00:25:08,700

those are her steps my mum went back

426
00:25:17,330 --> 00:25:13,340
inside to get my little sister and a

427
00:25:20,510 --> 00:25:17,340
ball of not a ball of light a a light

428
00:25:23,659 --> 00:25:20,520
bulb shaped but a light came down into

429
00:25:26,169 --> 00:25:23,669
the street in front of me it was shaped

430
00:25:30,580 --> 00:25:26,179
with with the bulbous part at the bottom

431
00:25:33,169 --> 00:25:30,590
it was a yellow a white light and it

432
00:25:36,830 --> 00:25:33,179
came down into the street and hovered

433
00:25:40,640 --> 00:25:36,840
just a few feet away from me maybe five

434
00:25:43,970 --> 00:25:40,650
feet off the ground if that and I will

435
00:25:46,130 --> 00:25:43,980
just watched it and and then gradually

436
00:25:49,159 --> 00:25:46,140
body just sort of dissipated and just

437
00:25:51,590 --> 00:25:49,169
went well there's no no suggestion of

438
00:25:53,600 --> 00:25:51,600

you know like these silly ideas about

439

00:25:55,490 --> 00:25:53,610

ball lightning and stuff like that but

440

00:26:00,860 --> 00:25:55,500

most of that is complete rubbish by the

441

00:26:04,220 --> 00:26:00,870

way it I mean that I the amazing thing

442

00:26:07,220 --> 00:26:04,230

about when you have a sighting like that

443

00:26:09,770 --> 00:26:07,230

is that it impresses on your mind the

444

00:26:13,010 --> 00:26:09,780

memory even though I was - I can still

445

00:26:14,720 --> 00:26:13,020

see the houses across the road I know

446

00:26:17,720 --> 00:26:14,730

what the weather conditions were like on

447

00:26:19,789 --> 00:26:17,730

that day it was calm it was still little

448

00:26:21,289 --> 00:26:19,799

bit dull and maybe it touched drizzly

449

00:26:24,380 --> 00:26:21,299

but nothing much

450

00:26:29,210 --> 00:26:24,390

so absolutely not conditions for ball

451
00:26:31,760 --> 00:26:29,220
whining right now some of these things

452
00:26:34,310 --> 00:26:31,770
might not seem very important but they

453
00:26:37,580 --> 00:26:34,320
they are they're all connecting with my

454
00:26:44,500 --> 00:26:37,590
experiences through my life when I was

455
00:26:47,510 --> 00:26:44,510
five I woke up to see the head of a bald

456
00:26:50,210 --> 00:26:47,520
African elephant in the corner of my

457
00:26:52,789 --> 00:26:50,220
bedroom and it filled the entire corner

458
00:26:57,940 --> 00:26:52,799
of the bedroom I was absolutely

459
00:27:00,440 --> 00:26:57,950
petrified huge white tusks big ears

460
00:27:02,780 --> 00:27:00,450
moving from side to side in a menacing

461
00:27:05,300 --> 00:27:02,790
manner

462
00:27:06,770 --> 00:27:05,310
and I couldn't speak at first just

463
00:27:10,310 --> 00:27:06,780

couldn't get the words out of my mouth

464

00:27:13,940 --> 00:27:10,320

eventually I managed to call my mom who

465

00:27:18,380 --> 00:27:13,950

was in the next bedroom she came and

466

00:27:22,340 --> 00:27:18,390

stood in the doorway and I thought mom I

467

00:27:23,480 --> 00:27:22,350

need you you know but she just stood

468

00:27:27,170 --> 00:27:23,490

there I said what's the matter

469

00:27:30,140 --> 00:27:27,180

and I said the elephant and she couldn't

470

00:27:32,090 --> 00:27:30,150

see the elephant but I could and so I

471

00:27:34,940 --> 00:27:32,100

looked at my mom and I looked at the

472

00:27:36,290 --> 00:27:34,950

elephant and looked at my mom I looked

473

00:27:40,010 --> 00:27:36,300

at the elephant and he was still there

474

00:27:41,630 --> 00:27:40,020

and obviously your reason well if my

475

00:27:44,990 --> 00:27:41,640

mom's there then the elephant's there

476

00:27:47,330 --> 00:27:45,000

and it's real so you know it's

477

00:27:50,150 --> 00:27:47,340

absolutely scared me to death eventually

478

00:27:54,320 --> 00:27:50,160

it did disappear and monk got in bed and

479

00:27:57,890 --> 00:27:54,330

comforted me but I have no doubt at all

480

00:27:59,870 --> 00:27:57,900

that this was a visitation that it was

481

00:28:01,580 --> 00:27:59,880

no nightmare or anything like that I

482

00:28:05,470 --> 00:28:01,590

might not even have seen a broken air

483

00:28:07,960 --> 00:28:05,480

life elephant by that age of five but

484

00:28:14,000 --> 00:28:07,970

back in those days that would have been

485

00:28:15,830 --> 00:28:14,010

1957 then an oak tree incident just a

486

00:28:18,050 --> 00:28:15,840

small thing I used to go and sit under

487

00:28:20,660 --> 00:28:18,060

an oak tree in the field near our house

488

00:28:24,260 --> 00:28:20,670

and on this occasion I was trying to

489

00:28:26,900 --> 00:28:24,270

make a bird's nest out of mud and bits

490

00:28:28,400 --> 00:28:26,910

of twig bluegrass and stuff like that

491

00:28:30,770 --> 00:28:28,410

and I wasn't doing a very good job at

492

00:28:33,970 --> 00:28:30,780

all then these two people came walking

493

00:28:39,110 --> 00:28:33,980

over to me dressed in the silver suits

494

00:28:42,830 --> 00:28:39,120

quite or one-piece suits and spoke to me

495

00:28:46,550 --> 00:28:42,840

I haven't got a clue what they said but

496

00:28:48,980 --> 00:28:46,560

I just found myself walking back to my

497

00:28:49,970 --> 00:28:48,990

house which is only a few yards away and

498

00:28:54,200 --> 00:28:49,980

in my hand

499

00:28:55,430 --> 00:28:54,210

I got a perfectly formed bird's nest now

500

00:28:57,680 --> 00:28:55,440

there's no way on earth I could have

501
00:29:01,160 --> 00:28:57,690
made it so how that happened I don't

502
00:29:03,230 --> 00:29:01,170
know but it was just another thing not

503
00:29:06,390 --> 00:29:03,240
just a normal kid that's me and my

504
00:29:09,870 --> 00:29:06,400
sister Jane school picture

505
00:29:12,660 --> 00:29:09,880
and together with Jane we were abducted

506
00:29:17,220 --> 00:29:12,670
on two occasions that we know about for

507
00:29:23,070 --> 00:29:17,230
sure one in 1959 and the other in 1961

508
00:29:28,410 --> 00:29:23,080
in North Wales the first one was over

509
00:29:31,800 --> 00:29:28,420
here at prostatic italica Warren camp

510
00:29:34,920 --> 00:29:31,810
Caravan campsite place and the second

511
00:29:37,140 --> 00:29:34,930
was in 61 on the by the great on the

512
00:29:39,090 --> 00:29:37,150
great or when we were staying at one

513
00:29:44,160 --> 00:29:39,100

don't know so this is a press sat in one

514

00:29:47,640 --> 00:29:44,170

that's er this this area here is is the

515

00:29:51,240 --> 00:29:47,650

is to like a Warren as you can see it

516

00:29:55,140 --> 00:29:51,250

says to lacquer their I've got to don't

517

00:29:58,020 --> 00:29:55,150

go in a bit closer so I'd only can see

518

00:29:59,850 --> 00:29:58,030

there's the where the caravan was there

519

00:30:06,990 --> 00:29:59,860

was just this single road going through

520

00:30:09,030 --> 00:30:07,000

which was only a narrow road and we we

521

00:30:11,040 --> 00:30:09,040

went through the sand dunes and we were

522

00:30:13,430 --> 00:30:11,050

on the beach here

523

00:30:17,610 --> 00:30:13,440

my parents were with us at the time and

524

00:30:20,540 --> 00:30:17,620

they said we're going to go back to make

525

00:30:22,890 --> 00:30:20,550

some sandwiches for dinner you know so

526

00:30:25,020 --> 00:30:22,900

Jane and I said well can we stay here

527

00:30:28,470 --> 00:30:25,030

for a little while and then we'll come

528

00:30:33,720 --> 00:30:28,480

to you my dad was very strict so we we

529

00:30:36,750 --> 00:30:33,730

did as we were told and but seven to

530

00:30:39,350 --> 00:30:36,760

four hours later we found ourselves

531

00:30:46,710 --> 00:30:39,360

walking up and down this road

532

00:30:49,050 --> 00:30:46,720

very disorientated when they left us on

533

00:30:53,250 --> 00:30:49,060

the pond on the beach it was a beautiful

534

00:30:54,780 --> 00:30:53,260

sunny day but now it was raining and my

535

00:31:01,440 --> 00:30:54,790

parents were absolutely frantic with

536

00:31:03,150 --> 00:31:01,450

worry and and we couldn't explain what

537

00:31:05,160 --> 00:31:03,160

had happened to us we were taken in by a

538

00:31:08,460 --> 00:31:05,170

kind family and my parents were then

539

00:31:11,700 --> 00:31:08,470

found I suppose my parents thought we'd

540

00:31:13,049 --> 00:31:11,710

be naughty but this is a problem that

541

00:31:17,190 --> 00:31:13,059

hub dog tease house

542

00:31:18,720 --> 00:31:17,200

they have missing periods of time which

543

00:31:20,730 --> 00:31:18,730

that can't be explained and I'm sure

544

00:31:23,399 --> 00:31:20,740

there's plenty of youngsters have been

545

00:31:25,499 --> 00:31:23,409

taken and the parents have given me a

546

00:31:27,029 --> 00:31:25,509

thick air because they thought they were

547

00:31:29,310 --> 00:31:27,039

being naughty when in fact they'd been

548

00:31:33,090 --> 00:31:29,320

taken by ETS that's exactly what

549

00:31:41,249 --> 00:31:33,100

happened to us so so that was there and

550

00:31:44,100 --> 00:31:41,259

and then in 1961 when I was nine my dope

551
00:31:48,029 --> 00:31:44,110
on my my sister was seven we were taken

552
00:31:50,999 --> 00:31:48,039
from our dicks in in in London oh here

553
00:31:55,070 --> 00:31:51,009
and we were placed at the bottom of the

554
00:31:59,970 --> 00:31:55,080
cliff around great or round Marine Drive

555
00:32:02,310 --> 00:31:59,980
and with no idea how he got there and

556
00:32:07,019 --> 00:32:02,320
our parents had got no idea that any of

557
00:32:09,269 --> 00:32:07,029
this had taken place so that's a picture

558
00:32:10,950 --> 00:32:09,279
of a Marine Drive with the wall going

559
00:32:12,690 --> 00:32:10,960
around it and they dropped down to the

560
00:32:15,419 --> 00:32:12,700
seats probably about a hundred feet and

561
00:32:18,210 --> 00:32:15,429
these cliffs and these bits of ledges

562
00:32:20,879 --> 00:32:18,220
and what have you and when we were down

563
00:32:25,460 --> 00:32:20,889

there my sister saw what she thought was

564

00:32:26,820 --> 00:32:25,470

a carousel spinning round on the sea

565

00:32:32,340 --> 00:32:26,830

anyway

566

00:32:35,220 --> 00:32:32,350

we climbed up up the rocks and I managed

567

00:32:36,659 --> 00:32:35,230

to get my sister over the wall and I

568

00:32:40,200 --> 00:32:36,669

made the mistake then I'm looking back

569

00:32:43,350 --> 00:32:40,210

down and I froze because it was a heck

570

00:32:46,019 --> 00:32:43,360

of a height and it was my sister my

571

00:32:49,850 --> 00:32:46,029

seven-year-old sister who had talked me

572

00:32:54,180 --> 00:32:49,860

over the wall and got over the wall we

573

00:32:57,749 --> 00:32:54,190

started to walk on the tarmac all along

574

00:32:59,789 --> 00:32:57,759

here and we'd only taken a few steps and

575

00:33:04,080 --> 00:32:59,799

the next second we were back in the digs

576

00:33:07,049 --> 00:33:04,090

again my sister's perfect recollection

577

00:33:13,669 --> 00:33:07,059

of all that happening so there was no

578

00:33:17,720 --> 00:33:13,679

doubt about it at all it happened they

579

00:33:21,920 --> 00:33:17,730

this was followed by intense nosebleeds

580

00:33:23,570 --> 00:33:21,930

which lasted for a couple of weeks you

581

00:33:26,680 --> 00:33:23,580

know every time I wash my face in the

582

00:33:28,940 --> 00:33:26,690

sink and through the water up to my face

583

00:33:32,320 --> 00:33:28,950

there have been a huge amount of blood

584

00:33:38,900 --> 00:33:32,330

came out of my nose and into the sink

585

00:33:40,340 --> 00:33:38,910

and I'd never had a nosebleed before as

586

00:33:44,360 --> 00:33:40,350

far as I knew and I've never had one

587

00:33:47,270 --> 00:33:44,370

since so I'm absolutely certain I had an

588

00:33:52,550 --> 00:33:47,280

implant put inside my nose which of

589

00:33:52,940 --> 00:33:52,560

course is commonplace for abductees yeah

590

00:33:55,280 --> 00:33:52,950

so I

591

00:33:57,260 --> 00:33:55,290

apart from this had a very normal life

592

00:34:00,920 --> 00:33:57,270

that's my granddad and this is lovely

593

00:34:02,780 --> 00:34:00,930

garden which is where I was born down at

594

00:34:07,190 --> 00:34:02,790

the cottage my granddad was gamekeeper

595

00:34:09,950 --> 00:34:07,200

so we lived in the country that's me

596

00:34:14,899 --> 00:34:09,960

with my uncle receiving the prize for

597

00:34:17,780 --> 00:34:14,909

winning the local mattis field juvenile

598

00:34:23,120 --> 00:34:17,790

fishing competition on the canal I've

599

00:34:26,300 --> 00:34:23,130

still got that real and so just a normal

600

00:34:28,810 --> 00:34:26,310

kid I was head boy at me junior school

601
00:34:33,169 --> 00:34:28,820
went to grammar school got married at 21

602
00:34:34,909 --> 00:34:33,179
to songs by the age of 25 I was working

603
00:34:39,200 --> 00:34:34,919
my socks off in my own little business

604
00:34:42,760 --> 00:34:39,210
but I was aware of no et activity during

605
00:34:47,000 --> 00:34:42,770
that period until 28th of December 1918

606
00:34:49,430 --> 00:34:47,010
now 28 December 1980 is a day that some

607
00:34:56,419 --> 00:34:49,440
of you might recognize as the date of

608
00:35:01,430 --> 00:34:56,429
the Rendlesham forest incident and I was

609
00:35:06,630 --> 00:35:01,440
going home one evening in my car from

610
00:35:09,660 --> 00:35:06,640
Atlas field going towards Leake and my

611
00:35:11,640 --> 00:35:09,670
my one of my son's was with me he would

612
00:35:14,190 --> 00:35:11,650
only be very young perhaps but I don't

613
00:35:16,470 --> 00:35:14,200

know five something like that and my

614

00:35:18,329 --> 00:35:16,480

other son was with my wife in her car

615

00:35:24,240 --> 00:35:18,339

following on behind some distance behind

616

00:35:28,019 --> 00:35:24,250

and first I saw a red light a big red

617

00:35:30,509 --> 00:35:28,029

light up the road maybe quarter of a

618

00:35:33,420 --> 00:35:30,519

mile in front of me and I knew

619

00:35:35,759 --> 00:35:33,430

immediately that it was it was not an

620

00:35:39,299 --> 00:35:35,769

aeroplane he was far too low with the

621

00:35:41,640 --> 00:35:39,309

hills surrounding and it was too big to

622

00:35:42,990 --> 00:35:41,650

be a farmer's Lantern or anything so I

623

00:35:45,990 --> 00:35:43,000

just knew there was something strange

624

00:35:48,720 --> 00:35:46,000

about it and I followed it as far as I

625

00:35:51,299 --> 00:35:48,730

could then I lost it came out on the

626

00:35:53,700 --> 00:35:51,309

straight and at the end of this Strait

627

00:35:55,259 --> 00:35:53,710

was a lay-by and I pulled into the

628

00:35:57,150 --> 00:35:55,269

lay-by and I thought I just feels like

629

00:36:00,470 --> 00:35:57,160

he's here somewhere got out of the car

630

00:36:03,180 --> 00:36:00,480

and and there and there it was just

631

00:36:09,059 --> 00:36:03,190

right above me and this was a

632

00:36:14,519 --> 00:36:09,069

disc-shaped craft possibly worth 90 feet

633

00:36:17,339 --> 00:36:14,529

in diameter and it was totally silent

634

00:36:19,049 --> 00:36:17,349

when I first got out of the car but I'm

635

00:36:25,079 --> 00:36:19,059

quite certain we have some missing time

636

00:36:26,549 --> 00:36:25,089

experience and at first thought I could

637

00:36:28,259 --> 00:36:26,559

see I was just looking up at this thing

638

00:36:30,359 --> 00:36:28,269

because it was right over the top of me

639

00:36:34,069 --> 00:36:30,369

and I could just see a black circle in

640

00:36:36,749 --> 00:36:34,079

the sky like looking over a suti tunnel

641

00:36:40,079 --> 00:36:36,759

and all I could see were the twinkling

642

00:36:43,589 --> 00:36:40,089

stars in between the base of the rim and

643

00:36:45,749 --> 00:36:43,599

the top of the hills this was about nine

644

00:36:49,859 --> 00:36:45,759

o'clock in the evening 28th December

645

00:36:54,630 --> 00:36:49,869

1980 same night as Larry Warren's and

646

00:36:57,990 --> 00:36:54,640

count major encounter down there which

647

00:36:59,759 --> 00:36:58,000

they're doing a film about called cable

648

00:37:00,890 --> 00:36:59,769

green which will be coming out next year

649

00:37:04,430 --> 00:37:00,900

and

650

00:37:06,080 --> 00:37:04,440

I was asked to be part of that so I'm

651
00:37:10,010 --> 00:37:06,090
looking forward to seeing that when he

652
00:37:11,660 --> 00:37:10,020
comes out obviously I didn't take those

653
00:37:14,000 --> 00:37:11,670
photographs they were taken by a guy

654
00:37:15,970 --> 00:37:14,010
called Paul Villa at Albuquerque in New

655
00:37:20,120 --> 00:37:15,980
Mexico

656
00:37:23,750 --> 00:37:20,130
Paul was a super guy apparently totally

657
00:37:26,450 --> 00:37:23,760
honest I had the great pleasure of

658
00:37:30,710 --> 00:37:26,460
meeting Wendell Stevens who some of you

659
00:37:32,780 --> 00:37:30,720
may have heard of and he was a friend of

660
00:37:35,450 --> 00:37:32,790
Paul's and he confirmed to me that the

661
00:37:37,940 --> 00:37:35,460
sighting of Paul's was absolutely

662
00:37:40,940 --> 00:37:37,950
genuine which I knew it was anyway and

663
00:37:45,710 --> 00:37:40,950

the reason was I just go back a second

664

00:37:47,900 --> 00:37:45,720

that around that the the base here there

665

00:37:50,120 --> 00:37:47,910

are what I thought there were windows

666

00:37:53,600 --> 00:37:50,130

because there was soft light coming from

667

00:37:56,210 --> 00:37:53,610

within these windows and as this thing

668

00:37:59,660 --> 00:37:56,220

flew away from me I mean it was only

669

00:38:01,040 --> 00:37:59,670

about 150 feet above my head anyway but

670

00:38:02,870 --> 00:38:01,050

I couldn't see them when when it was

671

00:38:05,240 --> 00:38:02,880

over the top of me but as it flew away

672

00:38:09,890 --> 00:38:05,250

flew away horizontally didn't fly off

673

00:38:11,780 --> 00:38:09,900

into this go up into the sky then I

674

00:38:14,120 --> 00:38:11,790

could camp I could see there were

675

00:38:17,180 --> 00:38:14,130

windows on the side and I counted the

676
00:38:19,850 --> 00:38:17,190
windows three times so I knew there was

677
00:38:23,810 --> 00:38:19,860
11 and a half windows visible from a

678
00:38:25,490 --> 00:38:23,820
side-on view and if you count them you

679
00:38:27,410 --> 00:38:25,500
know that that's exactly how many there

680
00:38:32,170 --> 00:38:27,420
are obviously they carry on round the

681
00:38:35,930 --> 00:38:32,180
other side so I knew that when I counted

682
00:38:38,540 --> 00:38:35,940
the windows on the photographs that Paul

683
00:38:40,370 --> 00:38:38,550
Paul Villard taken exactly the same 11

684
00:38:42,590 --> 00:38:40,380
and a half windows not saying he was the

685
00:38:45,170 --> 00:38:42,600
same craft but it was certainly exactly

686
00:38:47,360 --> 00:38:45,180
the same design and the second morning

687
00:38:50,780 --> 00:38:47,370
the morning after that I was driving to

688
00:38:53,180 --> 00:38:50,790

work in broad daylight and another UFO

689

00:38:56,600 --> 00:38:53,190

flew out of the field about a quarter of

690

00:38:58,760 --> 00:38:56,610

a mile past where I seen this big one if

691

00:39:03,060 --> 00:38:58,770

flew across the road in front of me it

692

00:39:06,390 --> 00:39:03,070

was about the size of a small car

693

00:39:09,960 --> 00:39:06,400

shaped like a big tin can with with

694

00:39:13,110 --> 00:39:09,970

silver no markings nor windows no

695

00:39:16,410 --> 00:39:13,120

protuberances of any kind and they flew

696

00:39:20,070 --> 00:39:16,420

off to altar Hills so I thought well you

697

00:39:22,740 --> 00:39:20,080

know that was something and of course I

698

00:39:24,360 --> 00:39:22,750

I told my I told my friends my colleague

699

00:39:27,660 --> 00:39:24,370

work colleagues about it and of course

700

00:39:29,970 --> 00:39:27,670

they thought I was crackers but about

701

00:39:33,210 --> 00:39:29,980

three or four days later one of them

702

00:39:36,150 --> 00:39:33,220

brought a free newspaper in the stock

703

00:39:38,100 --> 00:39:36,160

board messenger and the front page of

704

00:39:41,520 --> 00:39:38,110

that was covered in reports of UFO

705

00:39:45,120 --> 00:39:41,530

sightings at Hazel Grove which is only

706

00:39:49,800 --> 00:39:45,130

about five or six miles away from where

707

00:39:51,000 --> 00:39:49,810

I had my sighting so and so were there

708

00:39:53,220 --> 00:39:51,010

any more sightings at the town when

709

00:39:56,460 --> 00:39:53,230

Rendlesham incident yes there's five

710

00:39:58,890 --> 00:39:56,470

more around where I live this down here

711

00:40:01,650 --> 00:39:58,900

is Apes which and Rendlesham forest and

712

00:40:05,700 --> 00:40:01,660

this is where I live up here I'll just

713

00:40:07,320 --> 00:40:05,710

quickly go through these these are all

714

00:40:11,160 --> 00:40:07,330

sightings and I think I'm going to have

715

00:40:14,580 --> 00:40:11,170

to sort of motor on a bit quickly

716

00:40:17,820 --> 00:40:14,590

through these but actually Dave Katyn

717

00:40:19,440 --> 00:40:17,830

lives there this is near Hazel Grove a

718

00:40:24,030 --> 00:40:19,450

friend of mine Kath who was a retired

719

00:40:26,370 --> 00:40:24,040

teacher she had a new over UFO that came

720

00:40:28,680 --> 00:40:26,380

down it in the at the back here which

721

00:40:34,950 --> 00:40:28,690

lit off her bedroom up and that was the

722

00:40:37,920 --> 00:40:34,960

same weekend again the location may be

723

00:40:40,350 --> 00:40:37,930

important because we have British

724

00:40:43,200 --> 00:40:40,360

Aerospace at Waterford we have

725

00:40:46,230 --> 00:40:43,210

Manchester Airport here we have Jodrell

726

00:40:48,870 --> 00:40:46,240

Bank radio telescope here this is Mathis

727

00:40:51,930 --> 00:40:48,880

field my home now but at the time I

728

00:40:55,550 --> 00:40:51,940

lived over in Compton and there's two

729

00:40:58,920 --> 00:40:55,560

more sightings down here including mine

730

00:41:03,120 --> 00:40:58,930

that's that's mine that's where I was

731

00:41:06,240 --> 00:41:03,130

when I saw my UFO on the 28th evening of

732

00:41:07,109 --> 00:41:06,250

28th December 1980 but on New Year's Eve

733

00:41:09,029 --> 00:41:07,119

just

734

00:41:11,370 --> 00:41:09,039

two hours later three other people

735

00:41:15,390 --> 00:41:11,380

witnessed it the tremendous UFO sighting

736

00:41:18,089 --> 00:41:15,400

just here in that car so it's a real hot

737

00:41:18,420 --> 00:41:18,099

spot you know that's what I want to tell

738

00:41:20,459 --> 00:41:18,430

you

739

00:41:23,640 --> 00:41:20,469

and of course abnormal re for a long

740

00:41:26,849 --> 00:41:23,650

time and I thought old saying probably

741

00:41:34,469 --> 00:41:26,859

about 2000 2001 at the lead UFO

742

00:41:36,239 --> 00:41:34,479

conference yes so Shell Island 81 to 85

743

00:41:40,440 --> 00:41:36,249

that's my wife and my two sons and my

744

00:41:43,200 --> 00:41:40,450

daughter and stuff happened Shell Island

745

00:41:46,319 --> 00:41:43,210

you know any dismay of barmouth near

746

00:41:49,769 --> 00:41:46,329

harlech sure some of you know most of

747

00:41:52,529 --> 00:41:49,779

you probably know where it is anyway but

748

00:41:57,690 --> 00:41:52,539

we went on holiday there in May 8th May

749

00:41:59,670 --> 00:41:57,700

81 that's bear in mind that's only five

750

00:42:01,799 --> 00:41:59,680

months after the big UFO sighting had

751

00:42:06,299 --> 00:42:01,809

had it which my health wasn't great

752

00:42:07,920 --> 00:42:06,309

after that and I was really very ill we

753

00:42:12,109 --> 00:42:07,930

have to call the holiday Shore and I was

754

00:42:16,259 --> 00:42:14,309

so they have to take my ambulance to

755

00:42:19,019 --> 00:42:16,269

hospital with urinary infection which

756

00:42:23,940 --> 00:42:19,029

urinary infections are quite common with

757

00:42:28,380 --> 00:42:23,950

abductors both male and female and I

758

00:42:31,469 --> 00:42:28,390

also discovered later that my mom had

759

00:42:37,769 --> 00:42:31,479

had a needle inserted into a navel at

760

00:42:42,799 --> 00:42:37,779

the same time which is what the ETS do

761

00:42:47,489 --> 00:42:42,809

when they're removing X from women and

762

00:42:53,519 --> 00:42:47,499

so the penny began to drop that you know

763

00:42:56,130 --> 00:42:53,529

I really was an abductee and so that sir

764

00:43:00,059 --> 00:42:56,140

my friend Roy Dalton down at Toki or I

765

00:43:01,910 --> 00:43:00,069

say had died about three weeks ago and

766

00:43:04,670 --> 00:43:01,920

I've recently spent five days we

767

00:43:06,589 --> 00:43:04,680

actually what he was in it he was not it

768

00:43:10,970 --> 00:43:06,599

was not well and so it's a blessing

769

00:43:12,500 --> 00:43:10,980

naturally now in I spent a lot of time

770

00:43:14,180 --> 00:43:12,510

with Roy when he lived up in Mathis

771

00:43:18,589 --> 00:43:14,190

field while he lived in points in which

772

00:43:22,160 --> 00:43:18,599

his near massless field in 1991 arrived

773

00:43:24,620 --> 00:43:22,170

home from Roy's house about quarter to

774

00:43:26,569 --> 00:43:24,630

1:00 in the morning as you do when

775

00:43:29,390 --> 00:43:26,579

you're talking about these things you

776

00:43:31,460 --> 00:43:29,400

get carried away and and the next

777

00:43:33,289 --> 00:43:31,470

morning my next-door neighbor there's

778

00:43:36,620 --> 00:43:33,299

another day if I seem to be surrounded

779

00:43:39,140 --> 00:43:36,630

by Dave's he told me that there'd been a

780

00:43:41,660 --> 00:43:39,150

got up in the night and he saw powerful

781

00:43:45,260 --> 00:43:41,670

white light beaming down on the roof of

782

00:43:48,470 --> 00:43:45,270

my house so that was another indication

783

00:43:53,030 --> 00:43:48,480

that I was being followed he said he

784

00:43:57,650 --> 00:43:53,040

wasn't the moon by the way so late

785

00:44:00,920 --> 00:43:57,660

August 98 after a holiday a birth with

786

00:44:02,630 --> 00:44:00,930

my family I was I was levitating in bed

787

00:44:06,160 --> 00:44:02,640

and that's a strange feeling when you

788

00:44:09,230 --> 00:44:06,170

suddenly feel yourself floating up and I

789

00:44:12,170 --> 00:44:09,240

I didn't like it at all it's the first

790

00:44:14,349 --> 00:44:12,180

time I've been levitated and it's just

791

00:44:18,020 --> 00:44:14,359

that lack of control that's not very

792

00:44:20,750 --> 00:44:18,030

uncomfortable and I had the feeling if I

793

00:44:22,760 --> 00:44:20,760

could somehow just move a finger because

794

00:44:24,920 --> 00:44:22,770

there's an element of paralysis involved

795

00:44:27,349 --> 00:44:24,930

with this as well and just touch my wife

796

00:44:29,450 --> 00:44:27,359

that the spell would be broken somehow

797

00:44:31,309 --> 00:44:29,460

and indeed it was and I fell back onto

798

00:44:33,020 --> 00:44:31,319

the bed and I looked around the bedroom

799

00:44:35,359 --> 00:44:33,030

to thinking oh it's gotta be one in

800

00:44:41,750 --> 00:44:35,369

years now you know but didn't see

801
00:44:44,170 --> 00:44:41,760
anything so I went to sleep and next

802
00:44:46,370 --> 00:44:44,180
morning got in the shower and

803
00:44:49,120 --> 00:44:46,380
[Applause]

804
00:44:54,160 --> 00:44:49,130
as the hot water from the shower hit me

805
00:44:58,180 --> 00:44:54,170
on the older you know John Thomas oh

806
00:45:03,590 --> 00:44:58,190
yeah I noticed that there was a triangle

807
00:45:10,640 --> 00:45:03,600
printed on on it only a small triangle I

808
00:45:12,470 --> 00:45:10,650
hasten to watch well nevertheless it was

809
00:45:14,870 --> 00:45:12,480
there and it was just the outline of the

810
00:45:24,380 --> 00:45:14,880
triangle it wasn't filled in if you like

811
00:45:27,380 --> 00:45:24,390
with with red and so as I say now there

812
00:45:30,620 --> 00:45:27,390
was a UFO sighting near Jodrell Bank and

813
00:45:32,390 --> 00:45:30,630

then a couple of weeks later dedicated

814

00:45:34,160 --> 00:45:32,400

and I went to the Leeds UFO conference

815

00:45:36,290 --> 00:45:34,170

and one of the speaker's was a bomb

816

00:45:39,020 --> 00:45:36,300

Smith from America who's a quite a

817

00:45:40,520 --> 00:45:39,030

famous abductee researcher and you know

818

00:45:44,540 --> 00:45:40,530

hidden a therapist and what have you and

819

00:45:46,310 --> 00:45:44,550

she she'd been dealing with the the

820

00:45:48,620 --> 00:45:46,320

wiener twins from the allagash

821

00:45:53,330 --> 00:45:48,630

abductions over there which you may have

822

00:45:57,650 --> 00:45:53,340

heard of and she she showed on the

823

00:46:00,710 --> 00:45:57,660

screen this was mostly denim actually a

824

00:46:02,870 --> 00:46:00,720

big piece of denim with a square cut out

825

00:46:05,690 --> 00:46:02,880

of it with some skin behind it

826

00:46:07,130 --> 00:46:05,700

with a red triangle on the skin and she

827

00:46:10,820 --> 00:46:07,140

said you'll never guess where that is

828

00:46:12,320 --> 00:46:10,830

and of course everybody did and and I

829

00:46:16,700 --> 00:46:12,330

nearly fell off the chair because it was

830

00:46:19,070 --> 00:46:16,710

identical to what I'd had on me seen her

831

00:46:20,390 --> 00:46:19,080

for tonight before and I've told David

832

00:46:23,510 --> 00:46:20,400

annealing Lee fell off the chair is

833

00:46:26,240 --> 00:46:23,520

about the interesting thing about it is

834

00:46:29,990 --> 00:46:26,250

that I didn't make a fuss about it man

835

00:46:32,480 --> 00:46:30,000

and when it happened It was as if you

836

00:46:34,550 --> 00:46:32,490

know okay right you know but we are

837

00:46:36,080 --> 00:46:34,560

conditioned to accept these things and

838

00:46:41,060 --> 00:46:36,090

that's not that's another thing that

839

00:46:42,890 --> 00:46:41,070

people must understand 98 saw you for

840

00:46:44,690 --> 00:46:42,900

both the the golf course

841

00:46:47,630 --> 00:46:44,700

amethyst field I was a member of mothers

842

00:46:48,860 --> 00:46:47,640

feel Golf Club so I'm just trying to get

843

00:46:51,320 --> 00:46:48,870

across to the fact that I'm a just an

844

00:46:54,200 --> 00:46:51,330

ordinary guy just normal in many

845

00:46:56,430 --> 00:46:54,210

respects and I watched he fly into a

846

00:46:58,710 --> 00:46:56,440

cloud a small cloud whose

847

00:47:00,839 --> 00:46:58,720

a hot white clouds with a lot of blue

848

00:47:01,260 --> 00:47:00,849

sky I thought raha watch it come out the

849

00:47:03,510 --> 00:47:01,270

other side

850

00:47:05,640 --> 00:47:03,520

but he didn't and I stood there for five

851
00:47:07,470 --> 00:47:05,650
minutes watching this cloud and then he

852
00:47:09,210 --> 00:47:07,480
came out and he went up in a different

853
00:47:13,550 --> 00:47:09,220
direction and hid behind another cloud

854
00:47:17,309 --> 00:47:13,560
so I thought yes I know what you are

855
00:47:20,490 --> 00:47:17,319
then try having home one day just a

856
00:47:23,099 --> 00:47:20,500
normal working day from a midday meal

857
00:47:24,720 --> 00:47:23,109
I was actually passing a church but I

858
00:47:29,190 --> 00:47:24,730
don't whether that was significant or

859
00:47:34,170 --> 00:47:29,200
not but a voice spoke to me so clearly

860
00:47:37,559 --> 00:47:34,180
and it said love is the answer that's

861
00:47:41,160 --> 00:47:37,569
all but it was so clear it was just like

862
00:47:44,370 --> 00:47:41,170
somebody was sat there you know and I've

863
00:47:51,109 --> 00:47:44,380

listened to that advice ever since and

864

00:47:55,440 --> 00:47:51,119

indeed it is the answer another occasion

865

00:47:58,410 --> 00:47:55,450

this is just my thought on it I was in

866

00:48:00,420 --> 00:47:58,420

bed when I was levitated again I floated

867

00:48:04,980 --> 00:48:00,430

up out of my body and there was this

868

00:48:06,510 --> 00:48:04,990

person above me facedown didn't seem to

869

00:48:09,780 --> 00:48:06,520

have any clothes on but that didn't

870

00:48:12,450 --> 00:48:09,790

matter and I merged with his body it was

871

00:48:14,760 --> 00:48:12,460

a man and I had the feeling that he was

872

00:48:20,280 --> 00:48:14,770

Jesus and I have to sir tell you I'm not

873

00:48:23,520 --> 00:48:20,290

a religious person I but that was the

874

00:48:25,500 --> 00:48:23,530

feeling that I got and the following and

875

00:48:28,500 --> 00:48:25,510

after that I don't remember anything

876

00:48:30,780 --> 00:48:28,510

following morning I got up and did the

877

00:48:33,569 --> 00:48:30,790

normal things a showered got dressed and

878

00:48:35,760 --> 00:48:33,579

everything but I was naked

879

00:48:37,800 --> 00:48:35,770

I it felt as if I hadn't slept for about

880

00:48:40,530 --> 00:48:37,810

five or six days I could have just got

881

00:48:42,530 --> 00:48:40,540

back into bed but what happened that

882

00:48:47,309 --> 00:48:42,540

night not a clue

883

00:48:50,960 --> 00:48:47,319

so and another thing was that I went

884

00:48:53,579 --> 00:48:50,970

through a period around that time where

885

00:48:57,180 --> 00:48:53,589

when I was even when I was driving I'd

886

00:49:00,450 --> 00:48:57,190

see a list of laws in the air and these

887

00:49:02,599 --> 00:49:00,460

were the laws of the galaxy and I knew

888

00:49:08,630 --> 00:49:02,609

them

889

00:49:10,220 --> 00:49:08,640

were my memories although in this life I

890

00:49:12,499 --> 00:49:10,230

haven't got a clue what the laws of the

891

00:49:16,220 --> 00:49:12,509

garret that galaxies are but in some

892

00:49:19,670 --> 00:49:16,230

other aspect of me perhaps I don't know

893

00:49:22,519 --> 00:49:19,680

what the laws of the galaxies are the

894

00:49:24,079 --> 00:49:22,529

galaxy is so you know there were man

895

00:49:26,239 --> 00:49:24,089

memories and it happened several times

896

00:49:30,049 --> 00:49:26,249

it could happen anytime they didn't seem

897

00:49:33,289 --> 00:49:30,059

to be any ran no reason to it October

898

00:49:36,739 --> 00:49:33,299

2000 I gave a talk at the spiritualist

899

00:49:40,989 --> 00:49:36,749

Church in Stockport and after I'd given

900

00:49:43,910 --> 00:49:40,999

the talk on crop circles a lady in the

901
00:49:46,789 --> 00:49:43,920
audience came up to me who turned out to

902
00:49:49,039 --> 00:49:46,799
be a medium and I didn't know and she

903
00:49:53,390 --> 00:49:49,049
said I have to speak to you so we we sat

904
00:49:55,819 --> 00:49:53,400
in the church area after after everybody

905
00:49:57,140 --> 00:49:55,829
had moved off and she said I have to

906
00:50:01,160 --> 00:49:57,150
tell you you weren't alone

907
00:50:05,349 --> 00:50:01,170
on the platform there were about five

908
00:50:07,460 --> 00:50:05,359
little guys around you and there was one

909
00:50:10,279 --> 00:50:07,470
similar but much taller than you

910
00:50:13,249 --> 00:50:10,289
standing right behind you and above your

911
00:50:16,670 --> 00:50:13,259
head there was a triangle-shaped object

912
00:50:19,400 --> 00:50:16,680
and they were using the triangle to

913
00:50:23,150 --> 00:50:19,410

influence your thoughts and they were

914

00:50:24,890 --> 00:50:23,160

helping you and they were calling you

915

00:50:26,900 --> 00:50:24,900

they're all [h__h] she said they were

916

00:50:31,160 --> 00:50:26,910

pleased with you very pleased with you

917

00:50:34,160 --> 00:50:31,170

and they were calling you brother so you

918

00:50:36,319 --> 00:50:34,170

can make about what you will but I kind

919

00:50:38,210 --> 00:50:36,329

of got the indication from that that I

920

00:50:41,720 --> 00:50:38,220

was definitely connected to these people

921

00:50:44,420 --> 00:50:41,730

so there's you know there's more

922

00:50:47,539 --> 00:50:44,430

puncture marks and stuff going on with

923

00:50:51,220 --> 00:50:47,549

feet and I showed them to my next door

924

00:50:55,489 --> 00:50:51,230

neighbor who told me that they've been a

925

00:50:58,519 --> 00:50:55,499

huge thud like a pressure wave over the

926
00:51:01,430 --> 00:50:58,529
house that night now my wife is a very

927
00:51:03,229 --> 00:51:01,440
light sleeper and my children but none

928
00:51:05,520 --> 00:51:03,239
of none of us had heard a damn thing

929
00:51:08,109 --> 00:51:05,530
that night

930
00:51:10,350 --> 00:51:08,119
David got to check the windows in door

931
00:51:13,150 --> 00:51:10,360
because he felt sure something that

932
00:51:15,100 --> 00:51:13,160
broken and even my mom who lived 500

933
00:51:16,780 --> 00:51:15,110
yards away even heard it but we heard

934
00:51:21,850 --> 00:51:16,790
nothing and I wrecked now was being

935
00:51:24,600 --> 00:51:21,860
dropped off by by the craft and the next

936
00:51:27,940 --> 00:51:24,610
day I found a circular patch on the lawn

937
00:51:29,500 --> 00:51:27,950
probably about two feet across where all

938
00:51:35,280 --> 00:51:29,510

the chlorophyll had been taken out to

939

00:51:37,830 --> 00:51:35,290

the grass and I had a beautiful tall

940

00:51:40,570 --> 00:51:37,840

thin conifer which must have been about

941

00:51:42,160 --> 00:51:40,580

10 to 10 feet high anyway there was an

942

00:51:44,859 --> 00:51:42,170

absolute beauty at the bottom of the

943

00:51:50,490 --> 00:51:44,869

garden in a perfect in position for it

944

00:51:54,810 --> 00:51:50,500

and it died from the top down it just

945

00:51:57,640 --> 00:51:54,820

there see no reason for it whatsoever

946

00:52:00,609 --> 00:51:57,650

much in the same way that billy meier

947

00:52:05,020 --> 00:52:00,619

reported in switzerland where the tree

948

00:52:08,260 --> 00:52:05,030

where the UFO was a flew around died and

949

00:52:11,440 --> 00:52:08,270

had to be taken down I had to dig my

950

00:52:13,480 --> 00:52:11,450

conifer out sometime later and when I

951
00:52:16,359 --> 00:52:13,490
did the roofs were in perfect condition

952
00:52:17,470 --> 00:52:16,369
no nothing wrong with it at all so I can

953
00:52:21,609 --> 00:52:17,480
only assume it was some kind of

954
00:52:25,030 --> 00:52:21,619
radiation now I show you a few pictures

955
00:52:27,910 --> 00:52:25,040
here this isn't my mom my mom's arm and

956
00:52:30,490 --> 00:52:27,920
you can see these this sort of flattened

957
00:52:33,160 --> 00:52:30,500
triangle shape of puncture marks on her

958
00:52:37,390 --> 00:52:33,170
arm there and you probably can notice

959
00:52:39,940 --> 00:52:37,400
bruising around it too that's a bit more

960
00:52:42,070 --> 00:52:39,950
of a close so you could actually see in

961
00:52:45,490 --> 00:52:42,080
this top one a kind of a track mark of

962
00:52:52,210 --> 00:52:45,500
blood very whatever needles they use

963
00:52:53,980 --> 00:52:52,220

must be extremely fine but this is the

964

00:52:56,980 --> 00:52:53,990

kind of thing that we have this is my

965

00:52:59,230 --> 00:52:56,990

next-door neighbor Dave Randall at the

966

00:53:01,359 --> 00:52:59,240

same time as my mom was getting that he

967

00:53:04,810 --> 00:53:01,369

was getting this Dave and my mom were

968

00:53:06,309 --> 00:53:04,820

very close friends pathways and you can

969

00:53:08,109 --> 00:53:06,319

see that

970

00:53:09,699 --> 00:53:08,119

his arm here there's a triangle shape

971

00:53:12,069 --> 00:53:09,709

within the bruise and he's got more

972

00:53:14,140 --> 00:53:12,079

bruising down here it just got to bed

973

00:53:15,339 --> 00:53:14,150

with these go to bed normal and he

974

00:53:18,609 --> 00:53:15,349

caught me wake up with these things

975

00:53:22,140 --> 00:53:18,619

that's just showing you the triangle

976
00:53:26,679 --> 00:53:22,150
shape inside the bruise there on his arm

977
00:53:28,719 --> 00:53:26,689
and again we it's out of focus I'm

978
00:53:30,130 --> 00:53:28,729
afraid there's a puncture mark there one

979
00:53:34,179 --> 00:53:30,140
there and I think there's another one

980
00:53:36,189 --> 00:53:34,189
down here and bruising have to take it

981
00:53:38,799 --> 00:53:36,199
very quickly because my wife was in the

982
00:53:41,799 --> 00:53:38,809
garden with us and she hated the whole

983
00:53:45,150 --> 00:53:41,809
business with a passion as I said in

984
00:53:49,419 --> 00:53:45,160
spring of 2003 my eyesight was affected

985
00:53:51,969 --> 00:53:49,429
for a period of two weeks everything

986
00:53:55,979 --> 00:53:51,979
that looks at had a diamond shaped mesh

987
00:54:01,299 --> 00:53:55,989
pattern on it the walls the the ceiling

988
00:54:03,729 --> 00:54:01,309

even the the porcelain of the toilet had

989

00:54:05,890 --> 00:54:03,739

this diamond-shaped mesh on it and it

990

00:54:08,559 --> 00:54:05,900

was very much like that I mean that's on

991

00:54:11,319 --> 00:54:08,569

leaded windows a friend's house but it

992

00:54:15,039 --> 00:54:11,329

gives you an idea what it looks like and

993

00:54:15,969 --> 00:54:15,049

I have since learned that people called

994

00:54:19,839 --> 00:54:15,979

something similar

995

00:54:22,809 --> 00:54:19,849

indras net and unless I'm quite sure

996

00:54:25,899 --> 00:54:22,819

what the obviously ETS have done that to

997

00:54:27,459 --> 00:54:25,909

me to give me an idea of something

998

00:54:28,959 --> 00:54:27,469

different and I think what they're

999

00:54:31,359 --> 00:54:28,969

showing me is that the nature of reality

1000

00:54:33,849 --> 00:54:31,369

is not what we think it is you know it's

1001

00:54:37,269 --> 00:54:33,859

a bit like of the holodeck on this on

1002

00:54:40,509 --> 00:54:37,279

the enterprise you know that kind of

1003

00:54:43,299 --> 00:54:40,519

thing the thing is I told my uncle about

1004

00:54:46,899 --> 00:54:43,309

this and he was the one person that I

1005

00:54:49,749 --> 00:54:46,909

really confided in about it about all my

1006

00:54:53,499 --> 00:54:49,759

UFO stuff because at home I didn't dare

1007

00:54:55,749 --> 00:54:53,509

talk about it at all and he didn't

1008

00:54:58,359 --> 00:54:55,759

really listen and I was really very

1009

00:55:01,929 --> 00:54:58,369

disappointed with him and I felt a bit

1010

00:55:07,140 --> 00:55:01,939

alone at once more which abductees can

1011

00:55:10,479 --> 00:55:07,150

often do and so anyway after a fortnight

1012

00:55:12,780 --> 00:55:10,489

this condition left me woke up one

1013

00:55:14,970 --> 00:55:12,790

morning wasn't there anymore

1014

00:55:17,130 --> 00:55:14,980

later I went to see my uncle he was at

1015

00:55:18,390 --> 00:55:17,140

arrive state he said Rob Roebuck I've

1016

00:55:20,520 --> 00:55:18,400

gotta make an appointment and the

1017

00:55:22,050 --> 00:55:20,530

doctors said what's the matter he said

1018

00:55:25,020 --> 00:55:22,060

there's a diamond-shaped mesh on

1019

00:55:26,940 --> 00:55:25,030

everything I look at and I said well I

1020

00:55:30,060 --> 00:55:26,950

told you uncle

1021

00:55:33,540 --> 00:55:30,070

they're just done that to you in order

1022

00:55:36,720 --> 00:55:33,550

for you to know that what I was saying

1023

00:55:38,400 --> 00:55:36,730

was the truth so you don't need to worry

1024

00:55:42,180 --> 00:55:38,410

give it a couple of weeks and it'll go

1025

00:55:46,080 --> 00:55:42,190

and it did so I mentioned that because I

1026
00:55:48,420 --> 00:55:46,090
want to just let you know how how they

1027
00:55:55,070 --> 00:55:48,430
do help me sometimes it's not all bad

1028
00:55:58,290 --> 00:55:55,080
not by any means ok so again more

1029
00:56:00,510 --> 00:55:58,300
puncture marks on my mom's arm but of

1030
00:56:04,170 --> 00:56:00,520
course this is that's a different time

1031
00:56:05,640 --> 00:56:04,180
that was 2005 that's 2008 and he said in

1032
00:56:11,640 --> 00:56:05,650
a slightly different position on her arm

1033
00:56:13,350 --> 00:56:11,650
so unnaturally she'd had she had one in

1034
00:56:16,110 --> 00:56:13,360
between there but I didn't know need to

1035
00:56:19,470 --> 00:56:16,120
take a photograph of that then we get

1036
00:56:22,250 --> 00:56:19,480
scoot marks on the arm here that's just

1037
00:56:26,480 --> 00:56:22,260
a bit of a better picture of it I think

1038
00:56:33,750 --> 00:56:26,490

I've got the same scoot marks on me

1039

00:56:36,630 --> 00:56:33,760

that's a scoop mark on my on this left

1040

00:56:40,250 --> 00:56:36,640

arm here had that one since I was very

1041

00:56:45,540 --> 00:56:40,260

young that shows it a bit more clearly

1042

00:56:51,270 --> 00:56:45,550

there many abductees have this exact

1043

00:56:52,490 --> 00:56:51,280

same mark on them you know we we we have

1044

00:56:57,450 --> 00:56:52,500

fun

1045

00:57:00,000 --> 00:56:57,460

showing each other's marks and that one

1046

00:57:04,650 --> 00:57:00,010

also is on the on the back of my arm

1047

00:57:08,520 --> 00:57:04,660

here that's another scoop mark that's a

1048

00:57:11,580 --> 00:57:08,530

bit bit unusual because it used to be a

1049

00:57:15,000 --> 00:57:11,590

concave for depressed and it was kind of

1050

00:57:16,470 --> 00:57:15,010

not colored like that but when an event

1051
00:57:17,160 --> 00:57:16,480
happened not talked about about that

1052
00:57:19,080 --> 00:57:17,170
later on

1053
00:57:19,670 --> 00:57:19,090
it seemed that I got a new blood supply

1054
00:57:23,270 --> 00:57:19,680
too

1055
00:57:26,240 --> 00:57:23,280
and this the this the skin in it sort of

1056
00:57:28,100 --> 00:57:26,250
thickened and Inca knee went higher than

1057
00:57:31,160 --> 00:57:28,110
the level of my arm

1058
00:57:33,650 --> 00:57:31,170
he went pink and now it's Ashley dropped

1059
00:57:38,030 --> 00:57:33,660
back to normal and it looks like I've

1060
00:57:40,250 --> 00:57:38,040
been repaired is what I'm saying that's

1061
00:57:42,860 --> 00:57:40,260
another thing that I was abductors have

1062
00:57:44,690 --> 00:57:42,870
sometimes this is the back of my hand I

1063
00:57:49,340 --> 00:57:44,700

don't they can just about make out this

1064

00:57:52,100 --> 00:57:49,350

v-shaped scar they're very very thin

1065

00:57:56,900 --> 00:57:52,110

white scars and a lot of abductees have

1066

00:58:01,580 --> 00:57:56,910

them on the backs of their hands again

1067

00:58:06,950 --> 00:58:01,590

some more bruising from punctures that's

1068

00:58:07,340 --> 00:58:06,960

on my mom's arm and that's my arm over

1069

00:58:11,540 --> 00:58:07,350

there

1070

00:58:15,860 --> 00:58:11,550

so you know sometimes they visit visited

1071

00:58:19,040 --> 00:58:15,870

moment visited may as well that one is a

1072

00:58:22,070 --> 00:58:19,050

double puncture mark on the inside of my

1073

00:58:25,280 --> 00:58:22,080

right bicep which was a favorite place

1074

00:58:27,760 --> 00:58:25,290

for them they they used to visit me

1075

00:58:31,250 --> 00:58:27,770

probably every six months I would say

1076

00:58:34,160 --> 00:58:31,260

and give me that particular injection

1077

00:58:37,430 --> 00:58:34,170

not always on the right palm sometimes

1078

00:58:39,530 --> 00:58:37,440

left bicep sometimes and the other place

1079

00:58:47,570 --> 00:58:39,540

they can do it is inner thigh both sides

1080

00:58:49,480 --> 00:58:47,580

and the reason for that is because I'm

1081

00:58:56,180 --> 00:58:49,490

also a shapeshifter

1082

00:59:01,220 --> 00:58:56,190

so and that injection is done to keep me

1083

00:59:06,080 --> 00:59:01,230

in this form and it needed to be done

1084

00:59:08,600 --> 00:59:06,090

every six month because if it wasn't

1085

00:59:13,360 --> 00:59:08,610

then it might happen and I didn't want

1086

00:59:16,760 --> 00:59:13,370

it to happen but since my wife passed

1087

00:59:20,870 --> 00:59:16,770

and far more relaxed I'm able to be

1088

00:59:24,740 --> 00:59:20,880

myself and I haven't had that injection

1089

00:59:25,809 --> 00:59:24,750

since I know that's what it's for

1090

00:59:30,519 --> 00:59:25,819

because I was

1091

00:59:31,589 --> 00:59:30,529

old quite definitely there's one on the

1092

00:59:35,049 --> 00:59:31,599

other arm

1093

00:59:37,150 --> 00:59:35,059

and upon another occasion they also take

1094

00:59:41,609 --> 00:59:37,160

blood from me and it's always the same

1095

00:59:43,989 --> 00:59:41,619

place it's on the left arm just here and

1096

00:59:47,019 --> 00:59:43,999

quite often I'll get they'll take the

1097

00:59:48,549 --> 00:59:47,029

blood and then a few days later I'll get

1098

00:59:51,699 --> 00:59:48,559

the puncture marks so it's like they're

1099

00:59:56,589 --> 00:59:51,709

testing me to see how I'm doing and then

1100

01:00:00,779 --> 00:59:56,599

they'll do something else with me that's

1101
01:00:05,079 --> 01:00:00,789
my right nipple sorry about that

1102
01:00:06,789 --> 01:00:05,089
but I put it on there because they'd

1103
01:00:11,529 --> 01:00:06,799
give me an injection around here

1104
01:00:14,380 --> 01:00:11,539
somewhere and the the the the nipple

1105
01:00:17,620 --> 01:00:14,390
blistered up on that side and it was

1106
01:00:19,870 --> 01:00:17,630
really very painful and my friend David

1107
01:00:23,739 --> 01:00:19,880
he's had exactly the same thing which I

1108
01:00:26,199 --> 01:00:23,749
didn't find out about until yesterday so

1109
01:00:28,359 --> 01:00:26,209
we get all sorts of things double

1110
01:00:35,609 --> 01:00:28,369
puncture marks we get them in different

1111
01:00:38,650 --> 01:00:35,619
places that one was on my right calf and

1112
01:00:41,499 --> 01:00:38,660
bad gaudy itched it was it was really

1113
01:00:44,439 --> 01:00:41,509

really bad I had that six months later

1114

01:00:46,870 --> 01:00:44,449

and it was still the same unfortunately

1115

01:00:53,680 --> 01:00:46,880

now it's gone thank goodness that's the

1116

01:00:57,549 --> 01:00:53,690

same thing that's my friend David sorry

1117

01:00:59,620 --> 01:00:57,559

where are we there we go and you can see

1118

01:01:04,989 --> 01:00:59,630

he's got the double puncture on his leg

1119

01:01:07,660 --> 01:01:04,999

unfortunately he seems to eat a great

1120

01:01:10,660 --> 01:01:07,670

deal more with these things than I do so

1121

01:01:13,329 --> 01:01:10,670

I was able to resist scratching it but I

1122

01:01:14,769 --> 01:01:13,339

can assure you that if I had scratched

1123

01:01:19,959 --> 01:01:14,779

it mine would have look like that

1124

01:01:23,559 --> 01:01:19,969

without a shadow of a doubt I was also

1125

01:01:27,549 --> 01:01:23,569

up with the Devereaux family who were in

1126
01:01:30,820 --> 01:01:27,559
the film the real 4400 which some of you

1127
01:01:35,350 --> 01:01:30,830
may have seen some years ago

1128
01:01:38,070 --> 01:01:35,360
I was explaining that not all the marks

1129
01:01:40,180 --> 01:01:38,080
that we get are very easy to see

1130
01:01:41,320 --> 01:01:40,190
deliberately they don't want you know

1131
01:01:43,450 --> 01:01:41,330
they don't want to put a big sign on

1132
01:01:45,670 --> 01:01:43,460
you're saying et was here or something

1133
01:01:47,260 --> 01:01:45,680
do they you know so I was saying that I

1134
01:01:52,210 --> 01:01:47,270
had a double puncture on the inside of

1135
01:01:56,200 --> 01:01:52,220
my left knee so Rachel and Ben here and

1136
01:01:58,870 --> 01:01:56,210
his brother Alex and and grandma and we

1137
01:02:01,990 --> 01:01:58,880
were rolling trouser-legs up checking to

1138
01:02:05,320 --> 01:02:02,000

see and sure enough Ben had got exactly

1139

01:02:09,400 --> 01:02:05,330

the same double puncture on the inside

1140

01:02:11,170 --> 01:02:09,410

of his knee exactly the same as me so it

1141

01:02:13,750 --> 01:02:11,180

made me think that perhaps the beings

1142

01:02:15,670 --> 01:02:13,760

that had taken and the devrel family

1143

01:02:20,290 --> 01:02:15,680

were the same ones who were taking me I

1144

01:02:26,230 --> 01:02:20,300

don't know maybe there's one of the

1145

01:02:28,390 --> 01:02:26,240

injections in the inner thigh that's

1146

01:02:33,640 --> 01:02:28,400

another one in the other thigh and

1147

01:02:40,000 --> 01:02:33,650

that's a bit of a beauty in take that

1148

01:02:42,070 --> 01:02:40,010

one occurred in October 2013 just about

1149

01:02:45,370 --> 01:02:42,080

three months after my wife died they

1150

01:02:47,890 --> 01:02:45,380

came and and gave me that absolute

1151
01:02:49,990 --> 01:02:47,900
beauty and that one I'm glad I wasn't

1152
01:02:56,380 --> 01:02:50,000
awake when they did it because it would

1153
01:02:58,720 --> 01:02:56,390
have bloody hurt there you go now I'd

1154
01:03:00,730 --> 01:02:58,730
never seen one like that before in all

1155
01:03:07,540 --> 01:03:00,740
my abduction research but then I

1156
01:03:10,320 --> 01:03:07,550
discovered that my friend also had

1157
01:03:13,780 --> 01:03:10,330
something very similar in the same place

1158
01:03:18,390 --> 01:03:13,790
and I found this chart from a guy in

1159
01:03:21,550 --> 01:03:18,400
Australia and these were marks that that

1160
01:03:24,940 --> 01:03:21,560
abductees have on their body and looking

1161
01:03:27,490 --> 01:03:24,950
down the list coming down here I could

1162
01:03:31,810 --> 01:03:27,500
see something that looked a bit familiar

1163
01:03:34,530 --> 01:03:31,820

so just blow that up again and here we

1164

01:03:39,570 --> 01:03:34,540

have the mark arm inside right bicep

1165

01:03:42,580 --> 01:03:39,580

four inch heart-shaped mandelbrot so I

1166

01:03:43,180 --> 01:03:42,590

think that qualifies is a 4 inch how

1167

01:03:47,170 --> 01:03:43,190

shape man

1168

01:03:48,640 --> 01:03:47,180

and in inside right bicep so I'm just

1169

01:03:51,220 --> 01:03:48,650

showing you that so that you realize

1170

01:03:53,770 --> 01:03:51,230

that this is a worldwide phenomenon it's

1171

01:03:56,640 --> 01:03:53,780

not just happening here or in America

1172

01:04:04,870 --> 01:04:01,710

now I also have this is another common

1173

01:04:09,250 --> 01:04:04,880

puncture that abductees get and it's on

1174

01:04:11,410 --> 01:04:09,260

the on the the just below the base of

1175

01:04:13,960 --> 01:04:11,420

the the thumb in between the wrists and

1176

01:04:20,260 --> 01:04:13,970

the base of the thumb and it's a double

1177

01:04:24,130 --> 01:04:20,270

puncture mark here I have got I have an

1178

01:04:28,960 --> 01:04:24,140

implant in in my left hand in that

1179

01:04:32,430 --> 01:04:28,970

location and it's gone into a lump it's

1180

01:04:38,920 --> 01:04:32,440

a hard lump now and it gives me pain and

1181

01:04:41,130 --> 01:04:38,930

from time to time and it it also has the

1182

01:04:44,800 --> 01:04:41,140

effect of weakening the thumb

1183

01:04:48,460 --> 01:04:44,810

significantly so that the grip on this

1184

01:04:52,210 --> 01:04:48,470

hand is all crikey it's a third what it

1185

01:04:55,450 --> 01:04:52,220

should be and I know other people who

1186

01:05:00,760 --> 01:04:55,460

have the same problem my friend

1187

01:05:04,870 --> 01:05:00,770

David here and Linda also have the same

1188

01:05:07,390 --> 01:05:04,880

thing we got the same double puncture

1189

01:05:13,710 --> 01:05:07,400

well we were together driving back from

1190

01:05:17,500 --> 01:05:13,720

Angel Mountain back to st. David's so

1191

01:05:19,900 --> 01:05:17,510

and David was in his right hand mine in

1192

01:05:24,280 --> 01:05:19,910

the left and he has the same problem

1193

01:05:26,170 --> 01:05:24,290

with his right thumb so I don't whether

1194

01:05:28,390 --> 01:05:26,180

you can see there's a kind of a look

1195

01:05:33,579 --> 01:05:28,400

there it's easier to see just looking at

1196

01:05:36,540 --> 01:05:33,589

it in real life but this these these

1197

01:05:39,640 --> 01:05:36,550

marks this one he is in the same place

1198

01:05:41,960 --> 01:05:39,650

this hand belongs to dr. Mary Helen

1199

01:05:46,880 --> 01:05:41,970

Hensley

1200

01:05:48,079 --> 01:05:46,890

who lives in Ireland and a speaker on

1201

01:05:52,730 --> 01:05:48,089

this on the subject

1202

01:05:54,800 --> 01:05:52,740

not so much abductions but she gets

1203

01:06:01,339 --> 01:05:54,810

exactly the same thing and we're in

1204

01:06:05,000 --> 01:06:01,349

contact quite often so and those two

1205

01:06:08,540 --> 01:06:05,010

punctures were on her left arm she sent

1206

01:06:13,390 --> 01:06:08,550

me that picture and those two on her

1207

01:06:15,470 --> 01:06:13,400

back so stuff happens around me and

1208

01:06:19,040 --> 01:06:15,480

neighbors have watched the ball of light

1209

01:06:20,750 --> 01:06:19,050

above our houses for ages people get fed

1210

01:06:22,069 --> 01:06:20,760

up of it you know they'll stand there

1211

01:06:24,109 --> 01:06:22,079

watching for three quarters of an hour

1212

01:06:26,770 --> 01:06:24,119

and then think it's not doing anything

1213

01:06:29,000 --> 01:06:26,780

I'm going in and that's it you know

1214

01:06:30,829 --> 01:06:29,010

another occasion I was in the house on

1215

01:06:33,260 --> 01:06:30,839

my own having a shower and the shower

1216

01:06:35,690 --> 01:06:33,270

was turned off on me and when I say

1217

01:06:39,770 --> 01:06:35,700

turned off it was a big electric switch

1218

01:06:41,510 --> 01:06:39,780

that had done clicked off so had a cold

1219

01:06:46,400 --> 01:06:41,520

shower they were just having a bit of

1220

01:06:48,980 --> 01:06:46,410

fun in the night we've had sharp bangs

1221

01:06:51,710 --> 01:06:48,990

on the bedroom windows and I mean really

1222

01:06:53,140 --> 01:06:51,720

sharp bang you know and really loud you

1223

01:06:55,280 --> 01:06:53,150

thought the windows coming through

1224

01:06:57,920 --> 01:06:55,290

strange humming noise above the house

1225

01:07:01,480 --> 01:06:57,930

and knocked on the front door when

1226

01:07:07,780 --> 01:07:05,450

that's not very clear but across here

1227

01:07:11,690 --> 01:07:07,790

you can just about make out two red

1228

01:07:12,800 --> 01:07:11,700

marks see them a bit more clearly there

1229

01:07:15,530 --> 01:07:12,810

there and there

1230

01:07:17,059 --> 01:07:15,540

that's what I woke up with I think I've

1231

01:07:18,099 --> 01:07:17,069

been strapped down on that particular

1232

01:07:21,829 --> 01:07:18,109

occasion

1233

01:07:24,980 --> 01:07:21,839

obviously I hadn't gone quietly and of

1234

01:07:27,640 --> 01:07:24,990

course the bruises from the finger marks

1235

01:07:30,260 --> 01:07:27,650

they're a bit heavy and II sometimes

1236

01:07:34,400 --> 01:07:30,270

that was another occasion where

1237

01:07:38,030 --> 01:07:34,410

I was on holiday in Morcom and I'd have

1238

01:07:40,280 --> 01:07:38,040

a problem with my right knee and I fancy

1239

01:07:41,600 --> 01:07:40,290

doing a bit of cycling again so I asked

1240

01:07:43,790 --> 01:07:41,610

them for a bit of help I said will you

1241

01:07:46,060 --> 01:07:43,800

come and fix it for me and sure enough

1242

01:07:49,250 --> 01:07:46,070

got up the next morning and they'd

1243

01:07:51,260 --> 01:07:49,260

they'd actually operated on me and

1244

01:07:53,750 --> 01:07:51,270

that's the scar there and this was

1245

01:07:56,930 --> 01:07:53,760

another thing where they stuck a needle

1246

01:08:00,109 --> 01:07:56,940

in me I guess that's the scar most

1247

01:08:04,520 --> 01:08:00,119

unusual-looking thing I mean it was

1248

01:08:07,940 --> 01:08:04,530

better by the way I also noticed that my

1249

01:08:10,820 --> 01:08:07,950

wife Jenny had got this bruise on the

1250

01:08:14,150 --> 01:08:10,830

inside of a bison right bicep here so

1251

01:08:15,410 --> 01:08:14,160

they obviously took her as well she was

1252

01:08:20,420 --> 01:08:15,420

none too pleased when she caught me

1253

01:08:22,880 --> 01:08:20,430

taking that picture August 2005 I was

1254

01:08:24,499 --> 01:08:22,890

down with with dead Cayton or in

1255

01:08:27,890 --> 01:08:24,509

Wiltshire during the crop circle

1256

01:08:33,050 --> 01:08:27,900

research and I was taken from his

1257

01:08:35,720 --> 01:08:33,060

Caravan taken in a craft to location I

1258

01:08:38,320 --> 01:08:35,730

believe it was tours made cops which is

1259

01:08:44,059 --> 01:08:38,330

nearby where I'm quite certain there's

1260

01:08:48,050 --> 01:08:44,069

there is an alien base so I'm positive

1261

01:08:51,410 --> 01:08:48,060

of that and I was aware of being in the

1262

01:08:55,460 --> 01:08:51,420

craft on this occasion and aware of

1263

01:08:59,240 --> 01:08:55,470

being brought back I was put in a room

1264

01:09:02,210 --> 01:08:59,250

with a machine which vibrates the body

1265

01:09:05,960 --> 01:09:02,220

at a tremendously high frequency and it

1266

01:09:08,510 --> 01:09:05,970

makes a buzzing sound and it starts low

1267

01:09:11,649 --> 01:09:08,520

but then it's so intense it's just like

1268

01:09:14,079 --> 01:09:11,659

having your head inside the bees nest

1269

01:09:16,390 --> 01:09:14,089

and and and so with that I believe

1270

01:09:18,519 --> 01:09:16,400

they're able to pass you through solid

1271

01:09:20,890 --> 01:09:18,529

material and so they passed me back into

1272

01:09:22,510 --> 01:09:20,900

the caravan this would be about four

1273

01:09:25,629 --> 01:09:22,520

o'clock in the morning or just a bit

1274

01:09:30,189 --> 01:09:25,639

after and everything should be perfect

1275

01:09:32,200 --> 01:09:30,199

quiet but I could still hear it I was

1276

01:09:34,329 --> 01:09:32,210

wide awake in the bed hearing this

1277

01:09:36,879 --> 01:09:34,339

tremendous buzzing noise Dave was in the

1278

01:09:40,919 --> 01:09:36,889

bed and the side there and he couldn't

1279

01:09:45,939 --> 01:09:40,929

hear a damn thing so the sound is is

1280

01:09:47,590 --> 01:09:45,949

held within the person interesting thing

1281

01:09:50,079 --> 01:09:47,600

was that ten minutes later we were both

1282

01:09:52,959 --> 01:09:50,089

sound asleep and we should not have been

1283

01:09:54,970 --> 01:09:52,969

you know so because it was in an

1284

01:09:59,770 --> 01:09:54,980

agitated state but that's what happens

1285

01:10:01,930 --> 01:09:59,780

they put you to sleep and so I had so we

1286

01:10:03,430 --> 01:10:01,940

had the shower in the morning and I

1287

01:10:07,479 --> 01:10:03,440

found a puncture mark here pancha mark

1288

01:10:09,760 --> 01:10:07,489

here I also had a cut on my John Thomas

1289

01:10:16,180 --> 01:10:09,770

again so they've been down there again I

1290

01:10:18,760 --> 01:10:16,190

blighters this is me here filming on

1291

01:10:22,810 --> 01:10:18,770

another occasion and this is tours made

1292

01:10:25,030 --> 01:10:22,820

cops where the bases and the entrance to

1293

01:10:27,520 --> 01:10:25,040

the base is actually near this tree here

1294

01:10:31,240 --> 01:10:27,530

sticks up here I've seen UFOs go down

1295

01:10:32,729 --> 01:10:31,250

there with witnesses so he's another

1296

01:10:36,430 --> 01:10:32,739

story altogether

1297

01:10:38,290 --> 01:10:36,440

but there came to that photograph and I

1298

01:10:42,070 --> 01:10:38,300

don't have noticed but in the sky above

1299

01:10:44,110 --> 01:10:42,080

here there's a blinking UFO it's not

1300

01:10:46,050 --> 01:10:44,120

quite over the base entrance there's

1301

01:10:50,320 --> 01:10:46,060

getting a bit closer and there's a

1302

01:10:52,870 --> 01:10:50,330

blow-up of it and these small craft

1303

01:10:55,990 --> 01:10:52,880

little cylinder things are commonplace

1304

01:10:58,450 --> 01:10:56,000

down and we'll sure there's areas where

1305

01:11:00,280 --> 01:10:58,460

I know you can go and and just take

1306

01:11:02,850 --> 01:11:00,290

photographs randomly of the sky and

1307

01:11:09,910 --> 01:11:02,860

practically guarantee you'll catch him a

1308

01:11:14,040 --> 01:11:09,920

soul 2007 st. Davids abduction with my

1309

01:11:21,990 --> 01:11:17,440

yes so that's a picture I took of Dave

1310

01:11:29,290 --> 01:11:22,000

on Angel mountain and in the sky

1311

01:11:31,720 --> 01:11:29,300

he has ringed UFOs out there oh yes I

1312

01:11:34,450 --> 01:11:31,730

put it there because it was driving back

1313

01:11:35,860 --> 01:11:34,460

from Angel mounting that day that the

1314

01:11:40,080 --> 01:11:35,870

three of us got the double puncture

1315

01:11:44,170 --> 01:11:40,090

marks in the implants in our hands

1316

01:11:45,820 --> 01:11:44,180

so there's Dave and in the sky although

1317

01:11:48,730 --> 01:11:45,830

we didn't see anything at the time

1318

01:11:53,380 --> 01:11:48,740

there's UFOs there's three up here and

1319

01:11:55,960 --> 01:11:53,390

there's one down here and I think he's

1320

01:11:57,910 --> 01:11:55,970

probably the bottom one is it yeah

1321

01:12:03,030 --> 01:11:57,920

that's an enhancement of the bottom

1322

01:12:07,810 --> 01:12:03,040

craft which is rather good I think and

1323

01:12:11,800 --> 01:12:07,820

now the top three there so there we are

1324

01:12:13,480 --> 01:12:11,810

one two three so we were not alone and

1325

01:12:16,960 --> 01:12:13,490

we weren't alone as we were driving back

1326

01:12:20,500 --> 01:12:16,970

from Davey from Fishguard that day what

1327

01:12:22,990 --> 01:12:20,510

were we it's another occasion then with

1328

01:12:27,040 --> 01:12:23,000

Roy Dalton I stayed at Roy's house in

1329

01:12:31,080 --> 01:12:27,050

Torquay one or two occasions on this

1330

01:12:37,720 --> 01:12:35,010

got a lovely bedroom overlooking Torbay

1331

01:12:40,270 --> 01:12:37,730

the moon on this on the sea there at or

1332

01:12:41,890 --> 01:12:40,280

bay it was lovely I got the curtains

1333

01:12:47,440 --> 01:12:41,900

wide open so he's quite bright in the

1334

01:12:49,750 --> 01:12:47,450

bedroom and all of a sudden I felt my

1335

01:12:51,810 --> 01:12:49,760

body start to vibrate and that's another

1336

01:12:54,910 --> 01:12:51,820

thing that happens with us abductees we

1337

01:12:58,480 --> 01:12:54,920

vibrate we think it's an earthquake but

1338

01:13:00,520 --> 01:12:58,490

it's it's also and my heel started to

1339

01:13:03,490 --> 01:13:00,530

tingle so I reached down the bed to see

1340

01:13:05,680 --> 01:13:03,500

what what the problem was but I couldn't

1341

01:13:07,600 --> 01:13:05,690

find anything at all so I just laid

1342

01:13:12,070 --> 01:13:07,610

there and then the next thing there was

1343

01:13:16,000 --> 01:13:12,080

this pressure on my stomach pushing down

1344

01:13:18,700 --> 01:13:16,010

hard and then paralysis set in he

1345

01:13:21,730 --> 01:13:18,710

started moved down from my stomach down

1346

01:13:22,479 --> 01:13:21,740

to my feet and then and then from my

1347

01:13:24,399 --> 01:13:22,489

stomach

1348

01:13:26,979 --> 01:13:24,409

to the top of my head and the only thing

1349

01:13:29,410 --> 01:13:26,989

I could move was my eyeballs and again

1350

01:13:34,060 --> 01:13:29,420

this is typical of what happens to us

1351

01:13:37,149 --> 01:13:34,070

and I knew the ETS were there obviously

1352

01:13:39,040 --> 01:13:37,159

I knew was them and at this time I

1353

01:13:42,330 --> 01:13:39,050

wanted to I wanted to talk to them you

1354

01:13:45,580 --> 01:13:42,340

know I get sick of being a blinking

1355

01:13:47,919 --> 01:13:45,590

guinea pig or whatever and I was trying

1356

01:13:50,049 --> 01:13:47,929

to say please speak to me but nothing

1357

01:13:51,540 --> 01:13:50,059

would come out of my mouth the the vocal

1358

01:13:54,069 --> 01:13:51,550

combs don't work

1359

01:13:55,779 --> 01:13:54,079

everything's paralyzed if your if your

1360

01:13:57,669 --> 01:13:55,789

eyelids are closed when you're paralyzed

1361

01:14:00,339 --> 01:13:57,679

you can't open them but if they're open

1362

01:14:02,709 --> 01:14:00,349

at the time you can move your eyeballs

1363

01:14:05,049 --> 01:14:02,719

that's the only thing fortunately your

1364

01:14:08,770 --> 01:14:05,059

autonomic nervous system works and your

1365

01:14:11,200 --> 01:14:08,780

heart keeps pumping and you keep

1366

01:14:14,379 --> 01:14:11,210

breathing but even that sometimes it

1367

01:14:21,549 --> 01:14:14,389

doesn't work very well and that can be a

1368

01:14:24,970 --> 01:14:21,559

bit of a problem so what I saw in the in

1369

01:14:34,720 --> 01:14:24,980

the corner of the bedroom by the by the

1370

01:14:37,419 --> 01:14:34,730

Wardrobe was a light being now this

1371

01:14:38,410 --> 01:14:37,429

picture I've taken from a screenshot on

1372

01:14:40,950 --> 01:14:38,420

my laptop

1373

01:14:45,850 --> 01:14:40,960

obviously it's taken from the afterlife

1374

01:14:49,660 --> 01:14:45,860

investigations the skull experiments and

1375

01:14:53,739 --> 01:14:49,670

during the experiments what they did

1376

01:14:56,319 --> 01:14:53,749

they rigged the camera up with a film in

1377

01:14:57,819 --> 01:14:56,329

it which was pointing at a mirror which

1378

01:15:00,069 --> 01:14:57,829

pointed back to another mirror which

1379

01:15:02,319 --> 01:15:00,079

pointed back into the eyepiece of the

1380

01:15:04,959 --> 01:15:02,329

camera so it shouldn't have been filming

1381

01:15:07,060 --> 01:15:04,969

anything but the mediums did their stuff

1382

01:15:10,239 --> 01:15:07,070

and then when the scrutineers looked at

1383

01:15:13,060 --> 01:15:10,249

the film they found there were faces on

1384

01:15:17,890 --> 01:15:13,070

it that was writing on it and there was

1385

01:15:21,040 --> 01:15:17,900

this being so this is really very

1386

01:15:25,989 --> 01:15:21,050

interesting because what it means is

1387

01:15:28,299 --> 01:15:25,999

that beings that look similar to what we

1388

01:15:28,990 --> 01:15:28,309

think of as greys except because of the

1389

01:15:31,640 --> 01:15:29,000

eyes

1390

01:15:35,360 --> 01:15:31,650

but their light beams they made out of

1391

01:15:39,530 --> 01:15:35,370

light are actually in our spirit world

1392

01:15:41,860 --> 01:15:39,540

as well so they're interdimensional and

1393

01:15:51,320 --> 01:15:41,870

I think that's a really important

1394

01:15:53,450 --> 01:15:51,330

finding yeah okay so yeah so I didn't

1395

01:15:55,850 --> 01:15:53,460

have chance to speak to the little fella

1396

01:15:58,670 --> 01:15:55,860

he was only about three and a half four

1397

01:16:02,450 --> 01:15:58,680

feet tall most he saw that I could see

1398

01:16:04,160 --> 01:16:02,460

him him her whatever and it just went

1399

01:16:07,010 --> 01:16:04,170

through the wall and then the paralysis

1400

01:16:09,040 --> 01:16:07,020

left me got out of bed quickly looked up

1401

01:16:12,700 --> 01:16:09,050

at the sky but I couldn't see anything

1402

01:16:16,010 --> 01:16:12,710

but yeah so it's an interesting

1403

01:16:17,540 --> 01:16:16,020

experience when he paralyzed by them

1404

01:16:20,090 --> 01:16:17,550

that's another photograph taken by a

1405

01:16:22,250 --> 01:16:20,100

friend of mine up near where I live she

1406

01:16:24,680 --> 01:16:22,260

was just walking her dog and she's had

1407

01:16:27,260 --> 01:16:24,690

quite a few strange pictures I don't

1408

01:16:29,570 --> 01:16:27,270

know what it is really got these eyes

1409

01:16:32,090 --> 01:16:29,580

and this sort of shape look a bit

1410

01:16:38,620 --> 01:16:32,100

familiar to thee but similar to what the

1411

01:16:40,670 --> 01:16:38,630

other one yeah Phil Hoyles I was down in

1412

01:16:46,160 --> 01:16:40,680

Wiltshire with Phil during the crop

1413

01:16:49,310 --> 01:16:46,170

circle investigations we we've been on

1414

01:16:50,990 --> 01:16:49,320

the campsite with we were staying with

1415

01:16:55,420 --> 01:16:51,000

James millon and his brother-in-law

1416

01:16:58,840 --> 01:16:55,430

David James millon used to run the the

1417

01:17:04,070 --> 01:16:58,850

magazine for abductees called a report

1418

01:17:06,830 --> 01:17:04,080

or report and a very dear old friend of

1419

01:17:11,290 --> 01:17:06,840

mine James he's had plenty of et

1420

01:17:15,650 --> 01:17:11,300

experiences through his life so me and

1421

01:17:17,960 --> 01:17:15,660

Phil and James and David who were sat

1422

01:17:23,270 --> 01:17:17,970

outside watching the sky doing a bit of

1423

01:17:27,780 --> 01:17:26,250

nothing much happened at all so in the

1424

01:17:30,870 --> 01:17:27,790

end I got a bit fed up and I said I'm

1425

01:17:33,600 --> 01:17:30,880

going to bed Phil so we he came with me

1426

01:17:35,280 --> 01:17:33,610

and we went into our damdi trailer tent

1427

01:17:37,800 --> 01:17:35,290

he got in his bed no going in mine

1428

01:17:43,770 --> 01:17:37,810

and we haven't been in Bedford for very

1429

01:17:48,900 --> 01:17:43,780

long when we heard this the sound and it

1430

01:17:52,880 --> 01:17:48,910

sounded like the engine from a World War

1431

01:17:55,980 --> 01:17:52,890

two bomber plane but there was no

1432

01:17:59,760 --> 01:17:55,990

variation in the pitch of the the notes

1433

01:18:02,490 --> 01:17:59,770

of this thing and very very quickly it

1434

01:18:07,050 --> 01:18:02,500

grew in intensity so it was actually

1435

01:18:09,990 --> 01:18:07,060

hurting our ears and then it just went

1436

01:18:10,440 --> 01:18:10,000

away so I don't know what happened

1437

01:18:16,010 --> 01:18:10,450

really

1438

01:18:18,510 --> 01:18:16,020

we we went to we must have gone to sleep

1439

01:18:24,420 --> 01:18:18,520

so maybe something did happen I don't

1440

01:18:26,880 --> 01:18:24,430

know but anyway the next morning we we

1441

01:18:29,070 --> 01:18:26,890

went to James and David and and said

1442

01:18:32,330 --> 01:18:29,080

well you're still out yeah we stayed out

1443

01:18:35,010 --> 01:18:32,340

and did you hear that thing yeah we did

1444

01:18:37,110 --> 01:18:35,020

but we couldn't say anything we could

1445

01:18:38,580 --> 01:18:37,120

hear it but the sky was clear but we

1446

01:18:42,660 --> 01:18:38,590

couldn't we couldn't see a damn thing

1447

01:18:45,570 --> 01:18:42,670

so anyway Phil had to ring his wife just

1448

01:18:47,970 --> 01:18:45,580

to her to check in sort of thing and so

1449

01:18:52,230 --> 01:18:47,980

he pulled his brand-new phone out and

1450

01:18:55,470 --> 01:18:52,240

the screen was smashed and they and the

1451

01:18:56,820 --> 01:18:55,480

phone was completely bugged so we had

1452

01:19:00,750 --> 01:18:56,830

to go into Swindon and get him a new

1453

01:19:05,310 --> 01:19:00,760

phone so somehow that thing had actually

1454

01:19:08,480 --> 01:19:05,320

damaged the damaged his phone so a lot

1455

01:19:11,820 --> 01:19:08,490

of stuff happens down in Wiltshire

1456

01:19:15,030 --> 01:19:11,830

that's how many Masson I'm a friend Gary

1457

01:19:17,250 --> 01:19:15,040

from Australia at the silent circle the

1458

01:19:19,530 --> 01:19:17,260

crop circles so I'm just wondering where

1459

01:19:21,960 --> 01:19:19,540

that might be a good good moment just to

1460

01:19:24,340 --> 01:19:21,970

stop and then I'll go on to medical

1461

01:19:36,030 --> 01:19:24,350

matters afterwards jelly okay

1462

01:19:39,460 --> 01:19:36,040

thank you tell me Thank You marshal so

1463

01:19:42,310 --> 01:19:39,470

medical matters that's a bit of a

1464

01:19:44,320 --> 01:19:42,320

problem isn't it you know you get

1465

01:19:49,510 --> 01:19:44,330

scooped marks you get puncture marks you

1466

01:19:54,420 --> 01:19:49,520

get implants can you go to the doctor

1467

01:19:56,860 --> 01:19:54,430

and tell them about that and I think not

1468

01:20:00,220 --> 01:19:56,870

you probably end up in a psychiatric

1469

01:20:04,090 --> 01:20:00,230

ward yes in fact I'm quite sure a lot of

1470

01:20:06,360 --> 01:20:04,100

people over the years that have been put

1471

01:20:09,640 --> 01:20:06,370

in psychiatric wards have actually been

1472

01:20:12,430 --> 01:20:09,650

just relating the true stories of what

1473

01:20:15,250 --> 01:20:12,440

has actually happened to them but

1474

01:20:19,410 --> 01:20:15,260

unfortunately it's been kept quiet by

1475

01:20:21,280 --> 01:20:19,420

governments for so many years and so

1476

01:20:23,890 --> 01:20:21,290

generally speaking the medical

1477

01:20:26,530 --> 01:20:23,900

profession isn't aware that this takes

1478

01:20:32,730 --> 01:20:26,540

place but there are people I'm quite

1479

01:20:36,610 --> 01:20:32,740

certain positioned in within hospitals

1480

01:20:40,870 --> 01:20:36,620

and other facilities that are aware of

1481

01:20:42,520 --> 01:20:40,880

this and I know that from experience not

1482

01:20:46,300 --> 01:20:42,530

my own but from other people I know

1483

01:20:49,300 --> 01:20:46,310

right so here we are in Wiltshire and

1484

01:20:52,750 --> 01:20:49,310

the crop circle front as me there's

1485

01:20:57,790 --> 01:20:52,760

James millon Superguy James and here's

1486

01:21:01,780 --> 01:20:57,800

my friend Gary from Australia Gary has

1487

01:21:03,700 --> 01:21:01,790

been taken many many times his his life

1488

01:21:07,570 --> 01:21:03,710

story would be probably the best film

1489

01:21:10,840 --> 01:21:07,580

ever on this subject but he tries to

1490

01:21:14,320 --> 01:21:10,850

keep it quiet for his family's sake just

1491

01:21:18,370 --> 01:21:14,330

as many of us do it's only now that I've

1492

01:21:22,950 --> 01:21:18,380

got them coming out but the thing about

1493

01:21:27,750 --> 01:21:22,960

Gary is that the secret services in

1494

01:21:32,729 --> 01:21:27,760

Australia marched into his doctors

1495

01:21:37,800 --> 01:21:32,739

and demanded his medical records which

1496

01:21:41,880 --> 01:21:37,810

they then talk the the doctor has no

1497

01:21:45,240 --> 01:21:41,890

alternative but to give them to them and

1498

01:21:48,320 --> 01:21:45,250

they and exactly the same thing happened

1499

01:21:51,240 --> 01:21:48,330

to James millon who lives in London

1500

01:21:54,180 --> 01:21:51,250

where his doctor was an old friend of

1501
01:21:56,520 --> 01:21:54,190
his and he he did tell him the mo D had

1502
01:21:58,530 --> 01:21:56,530
been in or people have said they were

1503
01:22:02,970 --> 01:21:58,540
for them from the mo D and they took

1504
01:22:06,900 --> 01:22:02,980
James villains records as well so what

1505
01:22:10,770 --> 01:22:06,910
that implies is that the Secret Service

1506
01:22:13,560 --> 01:22:10,780
is know exactly who we are and there's

1507
01:22:16,350 --> 01:22:13,570
no point in trying to hide from it I

1508
01:22:17,820 --> 01:22:16,360
mean you know many of us abductees know

1509
01:22:20,630 --> 01:22:17,830
that we've had our phones tapped

1510
01:22:25,110 --> 01:22:20,640
over the years certainly happened to me

1511
01:22:27,690 --> 01:22:25,120
without a doubt but that's a interesting

1512
01:22:32,060 --> 01:22:27,700
footsteps in the caravan TT in my face

1513
01:22:35,220 --> 01:22:32,070

yes it was on this occasion actually

1514

01:22:37,440 --> 01:22:35,230

Gary had been with us all day with david

1515

01:22:38,940 --> 01:22:37,450

kaynor myself talking because i always

1516

01:22:43,380 --> 01:22:38,950

go by when you're talking about this

1517

01:22:48,030 --> 01:22:43,390

stuff you know and the time came when he

1518

01:22:49,770 --> 01:22:48,040

had to go back to his digs so so Dave

1519

01:22:51,900 --> 01:22:49,780

volunteered to go and opened the gate at

1520

01:22:55,410 --> 01:22:51,910

the top of the field to let Gary out

1521

01:22:59,760 --> 01:22:55,420

with his car so that left me in the

1522

01:23:01,979 --> 01:22:59,770

caravan so I was bursty for a P so I

1523

01:23:03,990 --> 01:23:01,989

dived into the toilet and I'm in there

1524

01:23:05,940 --> 01:23:04,000

having a pee and then I can hear these

1525

01:23:11,070 --> 01:23:05,950

footsteps running up and down inside the

1526

01:23:16,310 --> 01:23:11,080

caravel I thought was Dave doing he mean

1527

01:23:20,370 --> 01:23:16,320

he can't be back already you know and

1528

01:23:22,979 --> 01:23:20,380

then when it came out Dave wasn't there

1529

01:23:24,600 --> 01:23:22,989

and he came back a few minutes later

1530

01:23:27,179 --> 01:23:24,610

which would have been the right timing

1531

01:23:30,350 --> 01:23:27,189

for him the following day

1532

01:23:34,529 --> 01:23:30,360

Gary came again and he told me that

1533

01:23:36,209 --> 01:23:34,539

before I said anything he said that he

1534

01:23:38,429 --> 01:23:36,219

got that got up the field and then he

1535

01:23:41,129 --> 01:23:38,439

realized or he thought that he left

1536

01:23:44,699 --> 01:23:41,139

something in the caravan so he left Dave

1537

01:23:46,259 --> 01:23:44,709

walked down the field to the caravan as

1538

01:23:48,120 --> 01:23:46,269

he got near the caravan he heard

1539

01:23:51,799 --> 01:23:48,130

footsteps running up and down inside the

1540

01:23:54,000 --> 01:23:51,809

caravan after he'd heard the footsteps

1541

01:23:57,120 --> 01:23:54,010

he realized that he hadn't forgotten

1542

01:23:59,609 --> 01:23:57,130

anything at all and so he went back got

1543

01:24:02,189 --> 01:23:59,619

in his car and drove off so what I'm

1544

01:24:06,890 --> 01:24:02,199

saying to you is that we had ETS in the

1545

01:24:11,129 --> 01:24:06,900

caravan at night and that Gary was

1546

01:24:13,140 --> 01:24:11,139

influenced to come back to hear them

1547

01:24:15,689 --> 01:24:13,150

running up and down to the caravan so

1548

01:24:17,640 --> 01:24:15,699

that he could give me confirmation the

1549

01:24:22,520 --> 01:24:17,650

following day that he dad hatch Lee

1550

01:24:25,890 --> 01:24:22,530

happened and that is the face from the

1551

01:24:28,140 --> 01:24:25,900

book in communion but that night as I

1552

01:24:32,270 --> 01:24:28,150

lay in my bed a very same night that

1553

01:24:36,830 --> 01:24:32,280

face was right there in front of me

1554

01:24:41,729 --> 01:24:36,840

looking at me and it wasn't threatening

1555

01:24:45,060 --> 01:24:41,739

but it was saying to me without saying

1556

01:24:49,199 --> 01:24:45,070

anything of course are you okay with

1557

01:24:53,969 --> 01:24:49,209

this can you take this and I could and I

1558

01:24:55,469 --> 01:24:53,979

stared straight back at him so no no not

1559

01:24:58,290 --> 01:24:55,479

something everybody can do there's

1560

01:25:00,659 --> 01:24:58,300

another 80 that was taken in my friend

1561

01:25:02,069 --> 01:25:00,669

Carol's bedroom in in New Zealand you

1562

01:25:04,939 --> 01:25:02,079

can just about make it out it's a

1563

01:25:09,060 --> 01:25:04,949

strange-looking thing but there we go

1564

01:25:11,520 --> 01:25:09,070

and there's that one again which she

1565

01:25:12,719 --> 01:25:11,530

took I think there was more than one in

1566

01:25:14,520 --> 01:25:12,729

the bedroom at the time and I think

1567

01:25:16,919 --> 01:25:14,530

there might be one in front of the one

1568

01:25:21,270 --> 01:25:16,929

behind this kind of masking it a bit

1569

01:25:24,179 --> 01:25:21,280

there that's a bit closer but it doesn't

1570

01:25:25,919 --> 01:25:24,189

show it any better I don't think okay

1571

01:25:28,550 --> 01:25:25,929

that one's a bit of a strange one Syd

1572

01:25:30,920 --> 01:25:28,560

sent to me by a lady up in Scotland

1573

01:25:34,430 --> 01:25:30,930

she she has photographed a lot of

1574

01:25:36,170 --> 01:25:34,440

interesting stuff and on this occasion

1575

01:25:38,330 --> 01:25:36,180

she felt something was at the side of

1576

01:25:40,190 --> 01:25:38,340

her she took a photograph she couldn't

1577

01:25:42,770 --> 01:25:40,200

see anything in the photograph when I

1578

01:25:45,790 --> 01:25:42,780

enhanced it I kind of got the impression

1579

01:25:49,070 --> 01:25:45,800

that there's a reptilian head here and

1580

01:25:52,400 --> 01:25:49,080

here here's an eye and here's an eye

1581

01:25:54,830 --> 01:25:52,410

this is the nostrils and this is the jaw

1582

01:25:57,050 --> 01:25:54,840

the mouth down here I don't whether any

1583

01:25:58,970 --> 01:25:57,060

of you can see that but there it is

1584

01:26:01,820 --> 01:25:58,980

anyway just thought it was interesting

1585

01:26:05,420 --> 01:26:01,830

so I went over to Australia and I gave a

1586

01:26:07,910 --> 01:26:05,430

talk in Adelaide went on the ABC radio

1587

01:26:12,920 --> 01:26:07,920

live which was quite a good experience

1588

01:26:15,950 --> 01:26:12,930

so now I'll get a bit personal hope you

1589

01:26:18,080 --> 01:26:15,960

don't mind but this is the important

1590

01:26:22,280 --> 01:26:18,090

part of the whole abduction phenomenon

1591

01:26:26,360 --> 01:26:22,290

and that is the 2010 worsening relations

1592

01:26:29,930 --> 01:26:26,370

between me and my wife finally a left

1593

01:26:35,180 --> 01:26:29,940

hole almost suffering from a nervous

1594

01:26:41,390 --> 01:26:35,190

breakdown and I went to Ireland to stay

1595

01:26:43,700 --> 01:26:41,400

with a lady who had met me in a crop

1596

01:26:49,910 --> 01:26:43,710

circle with another group of a group of

1597

01:26:54,530 --> 01:26:49,920

Irish people the year before and her

1598

01:26:57,170 --> 01:26:54,540

reaction to me was completely abnormal I

1599

01:27:00,680 --> 01:26:57,180

didn't even know she was there I never

1600

01:27:03,860 --> 01:27:00,690

even saw her but she ended up going back

1601
01:27:05,990 --> 01:27:03,870
to the the vehicle that they were all in

1602
01:27:11,060 --> 01:27:06,000
and she was scratching her arm and she

1603
01:27:14,390 --> 01:27:11,070
was in tears and now what I'm gonna say

1604
01:27:16,910 --> 01:27:14,400
here is that there is a phenomenon

1605
01:27:19,640 --> 01:27:16,920
called the alien love bite this lady

1606
01:27:23,030 --> 01:27:19,650
evil organ has written a book about the

1607
01:27:23,870 --> 01:27:23,040
subject alien interference in human love

1608
01:27:28,589 --> 01:27:23,880
relations

1609
01:27:33,600 --> 01:27:28,599
and they in do indeed do interfere

1610
01:27:36,859 --> 01:27:33,610
in a the love relationships and I'm

1611
01:27:40,560 --> 01:27:36,869
absolutely certain because of the

1612
01:27:44,520 --> 01:27:40,570
intensity of what was to what was taking

1613
01:27:47,580 --> 01:27:44,530

place that this has actually happened it

1614

01:27:49,890 --> 01:27:47,590

happened to me big time anyway I came

1615

01:27:53,580 --> 01:27:49,900

back home and got back together again

1616

01:27:55,890 --> 01:27:53,590

with my wife and everything was great

1617

01:28:02,760 --> 01:27:55,900

for a while anyway until she got cancer

1618

01:28:09,229 --> 01:28:02,770

and sadly died but this mark on my lady

1619

01:28:13,350 --> 01:28:09,239

friend in Ireland is was the final straw

1620

01:28:19,260 --> 01:28:13,360

that the ETS did that to her and that

1621

01:28:23,490 --> 01:28:19,270

was the time to leave Ireland so I came

1622

01:28:28,470 --> 01:28:23,500

back to England and when I got back with

1623

01:28:30,180 --> 01:28:28,480

my wife she asked me to go back I was

1624

01:28:31,740 --> 01:28:30,190

walking I've been sitting in the

1625

01:28:34,229 --> 01:28:31,750

conservatory reading a book The

1626

01:28:37,470 --> 01:28:34,239

Celestine prophecies which some of you

1627

01:28:39,660 --> 01:28:37,480

may know so I fancied a water walked up

1628

01:28:42,359 --> 01:28:39,670

to the canal and I bumped into another

1629

01:28:44,550 --> 01:28:42,369

friend and we walked along the canal

1630

01:28:46,919 --> 01:28:44,560

towpath and it was winter winter time

1631

01:28:48,899 --> 01:28:46,929

and there was mud it was muddy the canal

1632

01:28:51,540 --> 01:28:48,909

talk line and I was telling her that

1633

01:28:52,950 --> 01:28:51,550

from now on I'm not going to try and

1634

01:28:55,379 --> 01:28:52,960

push my life in any particular direction

1635

01:28:59,250 --> 01:28:55,389

I'm going to go with the flow

1636

01:29:02,520 --> 01:28:59,260

okay so without taking a further step I

1637

01:29:07,859 --> 01:29:02,530

looked down and there in the mud I could

1638

01:29:11,069 --> 01:29:07,869

see this the shiny disc so I reached

1639

01:29:12,510 --> 01:29:11,079

down and picked it up and took the mud

1640

01:29:17,129 --> 01:29:12,520

off it and I could see a phone number

1641

01:29:19,410 --> 01:29:17,139

and I said oh yes sir it's a dog tag and

1642

01:29:21,660 --> 01:29:19,420

she said well I said well what she said

1643

01:29:26,879 --> 01:29:21,670

well what's the dog called and I turned

1644

01:29:29,850 --> 01:29:26,889

it over and the dogs call flow so it's

1645

01:29:31,750 --> 01:29:29,860

just yet another example of how my

1646

01:29:35,489 --> 01:29:31,760

friends are with me you know

1647

01:29:37,779 --> 01:29:35,499

on a regular basis so I went home and

1648

01:29:41,439 --> 01:29:37,789

sat in the conservatory picked my book

1649

01:29:43,509 --> 01:29:41,449

up again had finished that a chapter end

1650

01:29:48,669 --> 01:29:43,519

of the chapter hadn't looked at what the

1651

01:29:51,250 --> 01:29:48,679

next chapter called so I turned the page

1652

01:29:55,449 --> 01:29:51,260

and the next chapter was called engaging

1653

01:29:57,009 --> 01:29:55,459

the flow so I think you know it's kind

1654

01:29:59,529 --> 01:29:57,019

of telling you something so from then on

1655

01:30:02,549 --> 01:29:59,539

I just go with the flow and it works for

1656

01:30:05,739 --> 01:30:02,559

me right here I am at Glastonbury Tor

1657

01:30:07,120 --> 01:30:05,749

the photograph taken by my friend David

1658

01:30:09,279 --> 01:30:07,130

here the first time I'd ever been up

1659

01:30:10,600 --> 01:30:09,289

Glastonbury Tor actually but I don't

1660

01:30:14,430 --> 01:30:10,610

know if you can notice in the sky up

1661

01:30:15,540 --> 01:30:14,440

here there's something really strange so

1662

01:30:18,729 --> 01:30:15,550

[Music]

1663

01:30:22,689 --> 01:30:18,739

that's a bit of a bit getting a bit

1664

01:30:27,069 --> 01:30:22,699

closer and then if we darken it a bit

1665

01:30:31,179 --> 01:30:27,079

more we can see that and is that better

1666

01:30:34,299 --> 01:30:31,189

yes just about and what you can see what

1667

01:30:37,379 --> 01:30:34,309

it is it's a serpent eating its tail and

1668

01:30:41,199 --> 01:30:37,389

a serpent eating its tail is Norah Boris

1669

01:30:44,290 --> 01:30:41,209

which is an ancient Egyptian and

1670

01:30:47,080 --> 01:30:44,300

possibly even older symbol and what it

1671

01:30:48,569 --> 01:30:47,090

concerns is reincarnation and it's

1672

01:30:52,169 --> 01:30:48,579

strange because that's what I had been

1673

01:30:56,709 --> 01:30:52,179

concentrating on quite a bit at the time

1674

01:30:59,649 --> 01:30:56,719

I think I'm pretty certain that there

1675

01:31:02,319 --> 01:30:59,659

are two beings above the order of Boris

1676

01:31:07,419 --> 01:31:02,329

there's one here on the left and there's

1677

01:31:11,799 --> 01:31:07,429

another one here on the right there's an

1678

01:31:15,209 --> 01:31:11,809

eye there's an eye nostrils and I think

1679

01:31:18,459 --> 01:31:15,219

it's almost well I don't know like a

1680

01:31:20,739 --> 01:31:18,469

lion or a cross B is you know it's it's

1681

01:31:22,779 --> 01:31:20,749

a strange thing but anyway I have a

1682

01:31:25,770 --> 01:31:22,789

feeling that those beings were

1683

01:31:27,179 --> 01:31:25,780

responsible for creating that Horeb Oris

1684

01:31:34,160 --> 01:31:27,189

okay

1685

01:31:41,009 --> 01:31:37,770

my friend David told me that this had

1686

01:31:44,669 --> 01:31:41,019

been done specifically for me I just go

1687

01:31:47,009 --> 01:31:44,679

back to the or divorce not something

1688

01:31:49,229 --> 01:31:47,019

that they would do often but they

1689

01:31:52,979 --> 01:31:49,239

thought about it and they thought I

1690

01:31:56,209 --> 01:31:52,989

needed to be given this message and and

1691

01:32:02,969 --> 01:31:56,219

the message was this is the key to your

1692

01:32:06,419 --> 01:32:02,979

understanding and so I came home from

1693

01:32:08,429 --> 01:32:06,429

his home in Newport went home and a few

1694

01:32:11,910 --> 01:32:08,439

days later got a phone call from him and

1695

01:32:15,870 --> 01:32:11,920

he said I had the weirdest experience

1696

01:32:20,549 --> 01:32:15,880

had been taken in a kind of vision back

1697

01:32:26,250 --> 01:32:20,559

to Glastonbury to look at this this this

1698

01:32:28,589 --> 01:32:26,260

picture and I was taken there by

1699

01:32:33,810 --> 01:32:28,599

somebody who called himself a saint a

1700

01:32:36,359 --> 01:32:33,820

Bieber and he said he said we've missed

1701

01:32:39,029 --> 01:32:36,369

something in the photograph well I think

1702

01:32:41,939 --> 01:32:39,039

I might have found it now but it's not

1703

01:32:43,379 --> 01:32:41,949

terribly important but he was very

1704

01:32:47,219 --> 01:32:43,389

insistent we missed something in the

1705

01:32:48,750 --> 01:32:47,229

photograph but David was reluctant to

1706

01:32:50,790 --> 01:32:48,760

give it to say this fellow's name because

1707

01:32:53,699 --> 01:32:50,800

Saint Abebe whoever's heard of Saint

1708

01:32:55,410 --> 01:32:53,709

Abebe I certainly hadn't and David

1709

01:33:00,209 --> 01:32:55,420

hadn't either but we looked him up and

1710

01:33:03,330 --> 01:33:00,219

found out that he indeed was a saint a

1711

01:33:08,910 --> 01:33:03,340

Coptic saint from the fourth century in

1712

01:33:12,179 --> 01:33:08,920

Egypt and his his best mate the only

1713

01:33:17,100 --> 01:33:12,189

person he's ever mentioned with is Saint

1714

01:33:18,990 --> 01:33:17,110

Apollo and that's another big big story

1715

01:33:22,140 --> 01:33:19,000

but

1716

01:33:23,820 --> 01:33:22,150

that we there's no question at all that

1717

01:33:28,650 --> 01:33:23,830

my friend David also has a connection

1718

01:33:32,070 --> 01:33:28,660

with Apollo so it is this is this trying

1719

01:33:35,760 --> 01:33:32,080

to say that perhaps I was saying to

1720

01:33:39,660 --> 01:33:35,770

Beebe and he was saying to Paulo I don't

1721

01:33:43,920 --> 01:33:39,670

know but I wouldn't rule it out anyway

1722

01:33:47,520 --> 01:33:43,930

moving on shape-shifting yeah that's

1723

01:33:49,350 --> 01:33:47,530

something that happens to me probably I

1724

01:33:52,640 --> 01:33:49,360

don't know 15 or more people have seen

1725

01:33:54,990 --> 01:33:52,650

it happen basically my face changes I

1726

01:33:58,170 --> 01:33:55,000

didn't believe it at first when I was

1727

01:34:02,160 --> 01:33:58,180

told because more often than not I'm not

1728

01:34:05,300 --> 01:34:02,170

aware of it at all but it was not until

1729

01:34:10,460 --> 01:34:05,310

I spoke to a guy called Tom Trubridge

1730

01:34:14,550 --> 01:34:10,470

who's from Trowbridge I think [\h__\h]

1731

01:34:16,920 --> 01:34:14,560

interesting and and he and he took us

1732

01:34:20,580 --> 01:34:16,930

took David and I on one side and told us

1733

01:34:23,130 --> 01:34:20,590

about his face changing which his wife

1734

01:34:25,080 --> 01:34:23,140

had seen and it was there now I nearly

1735

01:34:28,860 --> 01:34:25,090

fell off the chair and then I realized

1736

01:34:30,420 --> 01:34:28,870

it was real it happened to me in in

1737

01:34:33,330 --> 01:34:30,430

France and the dog died when my

1738

01:34:37,370 --> 01:34:33,340

brother-in-law took me away down to his

1739

01:34:41,070 --> 01:34:37,380

place in the dodo I scared him to death

1740

01:34:45,150 --> 01:34:41,080

usually it's it's kind of a gray type

1741

01:34:48,210 --> 01:34:45,160

entity but the last time that I know it

1742

01:34:50,580 --> 01:34:48,220

happened which is probably about 3 3 4

1743

01:34:54,540 --> 01:34:50,590

years ago it was actually a reptilian I

1744

01:34:56,460 --> 01:34:54,550

turned into and I lost one of my friends

1745

01:34:58,530 --> 01:34:56,470

but fortunately we've become friends

1746

01:35:01,230 --> 01:34:58,540

again now but he changed his phone

1747

01:35:04,710 --> 01:35:01,240

number and he wouldn't speak to me for a

1748

01:35:06,510 --> 01:35:04,720

while but it's me I'm still the same

1749

01:35:08,940 --> 01:35:06,520

person you know just that I have this

1750

01:35:11,990 --> 01:35:08,950

ability and I don't really understand it

1751

01:35:14,430 --> 01:35:12,000

but I do know that he happens for sure

1752

01:35:15,960 --> 01:35:14,440

and I know other people it happens too

1753

01:35:19,280 --> 01:35:15,970

which is most important you know it's

1754

01:35:23,000 --> 01:35:19,290

not just me yeah

1755

01:35:29,630 --> 01:35:23,010

okay two years two and a half years ago

1756

01:35:31,610 --> 01:35:29,640

now I was lying in bed and I felt this

1757

01:35:34,450 --> 01:35:31,620

tugging on the bedclothes at the side of

1758

01:35:37,790 --> 01:35:34,460

the bed I've got a big king-size bed and

1759

01:35:41,180 --> 01:35:37,800

lay on my stomach looking towards the

1760

01:35:43,930 --> 01:35:41,190

other the other side of the bed and so

1761

01:35:49,100 --> 01:35:43,940

the tugging came on my on this side and

1762

01:35:50,720 --> 01:35:49,110

so I turned my head to look at whoever

1763

01:35:54,460 --> 01:35:50,730

it was because I thought hello I've got

1764

01:35:58,700 --> 01:35:54,470

company you know it's it's what happens

1765

01:36:00,800 --> 01:35:58,710

so I wasn't afraid but as I was moving I

1766

01:36:04,910 --> 01:36:00,810

realized I was moving in slow motion and

1767

01:36:10,100 --> 01:36:04,920

when I came to look at what was there

1768

01:36:13,460 --> 01:36:10,110

there was a being and I got picture yeah

1769

01:36:16,850 --> 01:36:13,470

the being looked remarkably like this

1770

01:36:18,770 --> 01:36:16,860

one which I'm told is from the series

1771

01:36:20,270 --> 01:36:18,780

Stargate Atlantis but I didn't even I

1772

01:36:23,630 --> 01:36:20,280

couldn't remember where I'd got it from

1773

01:36:26,210 --> 01:36:23,640

but very similar and main thing being

1774

01:36:31,010 --> 01:36:26,220

there's a it has a ridge on the head

1775

01:36:34,670 --> 01:36:31,020

from front to back my being had very

1776

01:36:37,070 --> 01:36:34,680

deep wrinkles over the nose here three

1777

01:36:38,420 --> 01:36:37,080

or four very very deep wrinkles like

1778

01:36:41,840 --> 01:36:38,430

when you screw your nose oh you know

1779

01:36:47,540 --> 01:36:41,850

that kind of thing the eyes were were

1780

01:36:50,870 --> 01:36:47,550

identical the the orbit of the eye you

1781

01:36:55,760 --> 01:36:50,880

know that the skull is runt is round but

1782

01:36:59,750 --> 01:36:55,770

the eyelids close from top and bottom

1783

01:37:03,230 --> 01:36:59,760

here so it can give the impression that

1784

01:37:05,420 --> 01:37:03,240

the eye is slanted upwards but if you

1785

01:37:07,070 --> 01:37:05,430

look very carefully you can see that

1786

01:37:10,700 --> 01:37:07,080

it's got around out it hasn't got the

1787

01:37:12,770 --> 01:37:10,710

grey slanty eyes you know and I stared

1788

01:37:16,310 --> 01:37:12,780

at this being for what I don't know 30

1789

01:37:20,780 --> 01:37:16,320

seconds and and it wasn't frightened you

1790

01:37:23,510 --> 01:37:20,790

know and and then he spoke to me clear

1791

01:37:25,820 --> 01:37:23,520

was about in my head and said the time

1792

01:37:27,260 --> 01:37:25,830

has come for you to know more of the

1793

01:37:30,470 --> 01:37:27,270

truth

1794

01:37:31,820 --> 01:37:30,480

then then that was it I thought hope I

1795

01:37:34,340 --> 01:37:31,830

thought great yeah I'm up for that I

1796

01:37:38,090 --> 01:37:34,350

want to know next thing I knew it was

1797

01:37:39,890 --> 01:37:38,100

morning so that was that but since that

1798

01:37:43,430 --> 01:37:39,900

time a heck of a lot of information has

1799

01:37:45,260 --> 01:37:43,440

come to me but the strangest thing that

1800

01:37:46,940 --> 01:37:45,270

has happened to me and this is another

1801
01:37:50,210 --> 01:37:46,950
thing you know can you go and tell your

1802
01:37:53,300 --> 01:37:50,220
doctor about this no is the answer is

1803
01:37:56,720 --> 01:37:53,310
that I got about a week after this

1804
01:38:01,820 --> 01:37:56,730
happened a pain in the in the crown of

1805
01:38:05,980 --> 01:38:01,830
my head and it was quite sharp and and

1806
01:38:10,460 --> 01:38:05,990
then my skull started to change shape

1807
01:38:12,830 --> 01:38:10,470
for real so where I used to have a

1808
01:38:15,980 --> 01:38:12,840
completely flat head across the top I

1809
01:38:18,500 --> 01:38:15,990
now have a ridge developing from front

1810
01:38:23,480 --> 01:38:18,510
to back and it's also happening to my

1811
01:38:25,880 --> 01:38:23,490
friend as well so the time has come for

1812
01:38:34,400 --> 01:38:25,890
me to know more of the truth am I one of

1813
01:38:38,240 --> 01:38:34,410

those beings I don't know maybe I was

1814

01:38:39,920 --> 01:38:38,250

you know I just don't know but all I can

1815

01:38:41,990 --> 01:38:39,930

tell you is that this is a real event

1816

01:38:44,750 --> 01:38:42,000

it's really happening the top of my

1817

01:38:46,190 --> 01:38:44,760

skull is tender to the touch my friend

1818

01:38:48,550 --> 01:38:46,200

had his hair cut the other day

1819

01:38:51,410 --> 01:38:48,560

and had to stop the hairdresser from

1820

01:38:53,600 --> 01:38:51,420

combing his hair because it was hurting

1821

01:39:03,500 --> 01:38:53,610

too much when she combed through where

1822

01:39:06,070 --> 01:39:03,510

the ridges okay so that actually is the

1823

01:39:10,090 --> 01:39:06,080

last slide it's one of my favorite

1824

01:39:12,650 --> 01:39:10,100

sayings let brotherly love continue

1825

01:39:15,560 --> 01:39:12,660

being off-again forgetful to entertain

1826

01:39:18,020 --> 01:39:15,570

strangers for thereby some have

1827

01:39:22,190 --> 01:39:18,030

entertained angels unawares

1828

01:39:24,680 --> 01:39:22,200

it's from Isaiah in the Bible and you

1829

01:39:29,600 --> 01:39:24,690

never know who's walking about you know

1830

01:39:32,600 --> 01:39:29,610

do you really but now I just want to ask

1831

01:39:36,200 --> 01:39:32,610

friend david to talk about another

1832

01:39:38,150 --> 01:39:36,210

incident that happened which i think

1833

01:39:42,470 --> 01:39:38,160

you'll find very very interesting and

1834

01:39:44,750 --> 01:39:42,480

I'll just tell you what happened I was

1835

01:39:46,690 --> 01:39:44,760

down in Wilshire with my friend Gary

1836

01:39:50,690 --> 01:39:46,700

from Australia staying in The Dandy

1837

01:39:53,960 --> 01:39:50,700

2 friends Mary and Tanya who both habit

1838

01:39:55,730 --> 01:39:53,970

of teas came to visit as well as David

1839

01:40:01,990 --> 01:39:55,740

and Linda so there were the six of us

1840

01:40:05,060 --> 01:40:02,000

there and I thought we were in The Dandy

1841

01:40:07,460 --> 01:40:05,070

talking about our stuff

1842

01:40:10,940 --> 01:40:07,470

tanya was showing me a book of drawings

1843

01:40:13,520 --> 01:40:10,950

that she'd done of what she remembered

1844

01:40:16,690 --> 01:40:13,530

of being taken by the ETS and the

1845

01:40:21,590 --> 01:40:16,700

operations the stuff that she enjoyed

1846

01:40:25,910 --> 01:40:21,600

which sadly she is not very it's had a

1847

01:40:28,700 --> 01:40:25,920

bad effect on her but anyway I thought

1848

01:40:31,010 --> 01:40:28,710

we could idea to make a cup of tea now I

1849

01:40:32,570 --> 01:40:31,020

don't have a fridge or electric hookup

1850

01:40:34,970 --> 01:40:32,580

with the dandy so I kept the milk

1851

01:40:38,240 --> 01:40:34,980

underneath underneath the dandy to keep

1852

01:40:40,010 --> 01:40:38,250

it cool so and I didn't have a step hi

1853

01:40:41,960 --> 01:40:40,020

there so you know not too bright

1854

01:40:43,450 --> 01:40:41,970

sometimes and now we're under was

1855

01:40:47,020 --> 01:40:43,460

wearing sandals

1856

01:40:49,430 --> 01:40:47,030

and the grass was a little bit long and

1857

01:40:52,150 --> 01:40:49,440

in the winter time the doubt horses in

1858

01:40:54,800 --> 01:40:52,160

the field and there were the great big

1859

01:40:57,290 --> 01:40:54,810

flippin hoof marks hidden in the grass

1860

01:40:59,840 --> 01:40:57,300

which I didn't know about so I put my

1861

01:41:02,390 --> 01:40:59,850

foot down and went over in one of these

1862

01:41:06,260 --> 01:41:02,400

horse hoof print things and there was

1863

01:41:09,410 --> 01:41:06,270

this tremendous bang like a gun going

1864

01:41:13,090 --> 01:41:09,420

off and I fell to the floor on my back

1865

01:41:17,080 --> 01:41:13,100

and I knew that I'd broken my ankle I

1866

01:41:21,130 --> 01:41:17,090

didn't need to see it believe me it was

1867

01:41:25,070 --> 01:41:21,140

horrendous but as I was falling down I

1868

01:41:28,490 --> 01:41:25,080

just accepted it which sounds ridiculous

1869

01:41:31,280 --> 01:41:28,500

but I did and I just thought it is what

1870

01:41:32,840 --> 01:41:31,290

it is even before I hit the ground it

1871

01:41:37,830 --> 01:41:32,850

was almost like being in slow motion so

1872

01:41:44,490 --> 01:41:40,670

The Dandy and he saw me on the ground

1873

01:41:49,320 --> 01:41:44,500

with blood on the grass and my white

1874

01:41:53,600 --> 01:41:49,330

bone sticking out the side of my leg so

1875

01:41:55,770 --> 01:41:53,610

it was then that he he came out and

1876

01:41:59,520 --> 01:41:55,780

first he couldn't come out apparently

1877

01:42:02,130 --> 01:41:59,530

because David see spirit is one of the

1878

01:42:07,170 --> 01:42:02,140

gifts that he has as an abductee he also

1879

01:42:10,560 --> 01:42:07,180

sees et's just as easily and they were

1880

01:42:12,060 --> 01:42:10,570

all surrounding me apparently and the it

1881

01:42:15,960 --> 01:42:12,070

was almost as if he had to get the nod

1882

01:42:19,800 --> 01:42:15,970

before he came out to help me but they

1883

01:42:26,090 --> 01:42:19,810

did give him the nod and so he did come

1884

01:42:34,500 --> 01:42:33,030

we're brothers first of all thanks for

1885

01:42:36,660 --> 01:42:34,510

having us back again you know I've been

1886

01:42:39,480 --> 01:42:36,670

here last year and they obviously had a

1887

01:42:40,920 --> 01:42:39,490

good time it's always nice to come back

1888

01:42:42,270 --> 01:42:40,930

and be some lovely people that's

1889

01:42:46,260 --> 01:42:42,280

interested in the stuff I'm interested

1890

01:42:50,030 --> 01:42:46,270

in well some of it anyway before I start

1891

01:42:52,140 --> 01:42:50,040

again thank you lemon and Steve and Mike

1892

01:42:54,510 --> 01:42:52,150

also decided to see that

1893

01:43:01,260 --> 01:42:54,520

Edna's lost three stone my buddy please

1894

01:43:03,660 --> 01:43:01,270

the book that I caught it yeah first of

1895

01:43:05,640 --> 01:43:03,670

all before he came to promises and let

1896

01:43:08,460 --> 01:43:05,650

me just quickly say that over the years

1897

01:43:12,450 --> 01:43:08,470

I been many very much involved

1898

01:43:15,510 --> 01:43:12,460

accomplices 19 well I didn't get

1899

01:43:18,290 --> 01:43:15,520

involved to the boat 92 I think but my

1900

01:43:20,160 --> 01:43:18,300

wife was involved in probably the late

1901

01:43:22,650 --> 01:43:20,170

90s into 81

1902

01:43:24,660 --> 01:43:22,660

and it's quite funny that and had that

1903

01:43:28,650 --> 01:43:24,670

interview with a lady called magnify is

1904

01:43:31,080 --> 01:43:28,660

it and unimportant leave she passed in

1905

01:43:34,590 --> 01:43:31,090

me all a lot and in there was a mention

1906

01:43:36,750 --> 01:43:34,600

of her talking to Linda about what

1907

01:43:38,730 --> 01:43:36,760

happened to us and how I wouldn't get

1908

01:43:40,770 --> 01:43:38,740

involved so obviously is most to have

1909

01:43:42,630 --> 01:43:40,780

things to fight because in those days I

1910

01:43:44,310 --> 01:43:42,640

didn't want to get involved but it has

1911

01:43:45,970 --> 01:43:44,320

to say that like Robert I've had a long

1912

01:43:49,030 --> 01:43:45,980

journey 28 years

1913

01:43:51,010 --> 01:43:49,040

a lot of things happening and in the

1914

01:43:52,870 --> 01:43:51,020

conferences they do talking that I've

1915

01:43:54,970 --> 01:43:52,880

always tried to keep a little profile

1916

01:43:56,800 --> 01:43:54,980

I don't always win I've been caught on

1917

01:43:58,479 --> 01:43:56,810

camera cut the times I must sign up a

1918

01:44:00,280 --> 01:43:58,489

cabinet by the way I get on stage and

1919

01:44:03,280 --> 01:44:00,290

sing so I'm not but I like you know

1920

01:44:05,440 --> 01:44:03,290

frightened of stage either but I don't

1921

01:44:06,700 --> 01:44:05,450

want to my children to be ridiculed on

1922

01:44:10,210 --> 01:44:06,710

my grandchildren so that's why I told

1923

01:44:14,170 --> 01:44:10,220

nasty the camera be right back to back

1924

01:44:17,229 --> 01:44:14,180

to Robert what happened is quite it's

1925

01:44:19,210 --> 01:44:17,239

quite incredible really because as he

1926

01:44:21,040 --> 01:44:19,220

said we went down ed I got together I

1927

01:44:22,479 --> 01:44:21,050

got Tania and Mary to come and join us

1928

01:44:26,200 --> 01:44:22,489

because they had a lovely story to tell

1929

01:44:28,690 --> 01:44:26,210

and Gauri was obviously interesting guy

1930

01:44:31,240 --> 01:44:28,700

as Robert said he's a what even through

1931

01:44:33,040 --> 01:44:31,250

his just incredible I'm here and a

1932

01:44:36,100 --> 01:44:33,050

little chat and then Robert said I'll

1933

01:44:38,229 --> 01:44:36,110

make a cup of tea as he just said and of

1934

01:44:40,930 --> 01:44:38,239

course I think the winning called the

1935

01:44:42,670 --> 01:44:40,940

donkey dawn it flew open as well I think

1936

01:44:44,890 --> 01:44:42,680

you got it over the dam to get the milk

1937

01:44:47,680 --> 01:44:44,900

which is correct and I heard the bang

1938

01:44:49,360 --> 01:44:47,690

what we all you did in The Dandy and

1939

01:44:50,920 --> 01:44:49,370

when you hear that sort of crack you

1940

01:44:54,070 --> 01:44:50,930

know something seriously has happened

1941

01:44:55,630 --> 01:44:54,080

you know and I was reluctant to even go

1942

01:44:56,740 --> 01:44:55,640

out there you know I thought God Norse

1943

01:45:01,390 --> 01:44:56,750

happened to Robert like you said you

1944

01:45:03,750 --> 01:45:01,400

okay Bob no was the answer so anyway I

1945

01:45:05,560 --> 01:45:03,760

looked at and as Robert said there was a

1946

01:45:07,840 --> 01:45:05,570

little fellas

1947

01:45:10,090 --> 01:45:07,850

around him which like I can see that

1948

01:45:12,910 --> 01:45:10,100

sometimes you know this I can see spin

1949

01:45:14,530 --> 01:45:12,920

it I can see them and basically I think

1950

01:45:16,450 --> 01:45:14,540

they were just telling me wait a minute

1951

01:45:18,520 --> 01:45:16,460

see what we can do I think that's what

1952

01:45:21,220 --> 01:45:18,530

was happening but then they give you the

1953

01:45:23,830 --> 01:45:21,230

nod they could get out and help so I

1954

01:45:26,890 --> 01:45:23,840

climbed out that the dandy went to

1955

01:45:28,840 --> 01:45:26,900

Robert and I'm a first aider but I'm not

1956

01:45:30,370 --> 01:45:28,850

a doctor I knew a little bit about first

1957

01:45:31,870 --> 01:45:30,380

aid and they thought the third first

1958

01:45:34,000 --> 01:45:31,880

thing to do is stop the bleeding because

1959

01:45:36,970 --> 01:45:34,010

it was bleeding quite badly and this

1960

01:45:38,590 --> 01:45:36,980

ball was protruding out his leg so what

1961

01:45:41,290 --> 01:45:38,600

I did I basically hooked my hands around

1962

01:45:44,380 --> 01:45:41,300

his this bone and press down on his leg

1963

01:45:47,200 --> 01:45:44,390

and then Linda came out just after and

1964

01:45:49,120 --> 01:45:47,210

said oh my god you know and that Gabi

1965

01:45:50,950 --> 01:45:49,130

poked his nose out of the dandy and I

1966

01:45:53,080 --> 01:45:50,960

can't I can repeat what he said because

1967

01:45:56,379 --> 01:45:53,090

he swore but he went back in the Danny

1968

01:45:58,959 --> 01:45:56,389

as fast as he come out and they

1969

01:46:01,029 --> 01:45:58,969

came over and she joined me and she put

1970

01:46:02,379 --> 01:46:01,039

her hands on my hands as well and we

1971

01:46:03,580 --> 01:46:02,389

were just pressing it don't stop the

1972

01:46:07,689 --> 01:46:03,590

bleeding that's all we were trying to do

1973

01:46:08,529 --> 01:46:07,699

I was about to say to Gary or to Mary or

1974

01:46:10,239 --> 01:46:08,539

to Tonya

1975

01:46:12,850 --> 01:46:10,249

you know forged omelets for goodness

1976

01:46:17,350 --> 01:46:12,860

sake this guy's in trouble and then with

1977

01:46:19,479 --> 01:46:17,360

that this light hit me took my head it

1978

01:46:21,189 --> 01:46:19,489

really was a powerful beam of the light

1979

01:46:23,889 --> 01:46:21,199

I could feel it it's like like it was

1980

01:46:25,810 --> 01:46:23,899

like a very warm but at the same time

1981

01:46:28,419 --> 01:46:25,820

when it passed the skull it was cool and

1982

01:46:30,069 --> 01:46:28,429

I went into a funny mold I just didn't

1983

01:46:31,839 --> 01:46:30,079

know what I was doing I was like what

1984

01:46:34,449 --> 01:46:31,849

the hell's this other boat and then I

1985

01:46:38,529 --> 01:46:34,459

looked down and I could feel something

1986

01:46:40,239 --> 01:46:38,539

moving between my hands and I thought it

1987

01:46:42,459 --> 01:46:40,249

was plus Robert moving there trying to

1988

01:46:44,229 --> 01:46:42,469

say you know he's heard in a bed or

1989

01:46:46,810 --> 01:46:44,239

whatever you know I honestly thought it

1990

01:46:48,909 --> 01:46:46,820

was you Robby and it didn't hurt but he

1991

01:46:52,419 --> 01:46:48,919

wasn't screaming with pain so I thought

1992

01:46:54,040 --> 01:46:52,429

he should have been and then I held onto

1993

01:46:56,319 --> 01:46:54,050

that under his leg and Linda's are say

1994

01:46:59,409 --> 01:46:56,329

who's joining me and then I looked down

1995

01:47:02,259 --> 01:46:59,419

I thought what the bloody hell's going

1996

01:47:07,120 --> 01:47:02,269

on this poem was starting to go down

1997

01:47:08,830 --> 01:47:07,130

through my fingers I thought oh oh and

1998

01:47:10,600 --> 01:47:08,840

of course I thought Robert would be

1999

01:47:12,489 --> 01:47:10,610

trained up again with pain because this

2000

01:47:15,310 --> 01:47:12,499

thing was moving but it's something

2001
01:47:15,819 --> 01:47:15,320
between my fingers and mother was just

2002
01:47:20,709 --> 01:47:15,829
laying there

2003
01:47:23,770 --> 01:47:20,719
and the next thing I can remember

2004
01:47:28,080 --> 01:47:23,780
looking down and Linda where all the

2005
01:47:30,639 --> 01:47:28,090
blood was all my hands he started to go

2006
01:47:33,069 --> 01:47:30,649
it travelled up my wrists into my

2007
01:47:36,459 --> 01:47:33,079
fingers and then down through my fingers

2008
01:47:37,779 --> 01:47:36,469
I I looked at me and she looked at me

2009
01:47:39,969 --> 01:47:37,789
she said just carry on whatever you

2010
01:47:41,259 --> 01:47:39,979
doing carry on so I just kept my hand I

2011
01:47:43,239 --> 01:47:41,269
didn't need to cut their hand on it and

2012
01:47:46,239 --> 01:47:43,249
then eventually when it wasn't that long

2013
01:47:48,189 --> 01:47:46,249

was not really oh I took my hands off

2014

01:47:50,109 --> 01:47:48,199

and there's nothing there there was

2015

01:47:52,779 --> 01:47:50,119

literally nothing there the blood on the

2016

01:47:55,120 --> 01:47:52,789

graph said to also disappear the blood

2017

01:47:58,239 --> 01:47:55,130

on my hands on Linda's hands and his leg

2018

01:47:59,859 --> 01:47:58,249

are disappear and indeed he got up and

2019

01:48:00,709 --> 01:47:59,869

made a cover to you come and come back

2020

01:48:03,169 --> 01:48:00,719

into the family

2021

01:48:05,239 --> 01:48:03,179

I don't think it was quite it was out

2022

01:48:06,140 --> 01:48:05,249

but eventually what I had I don't think

2023

01:48:11,390 --> 01:48:06,150

I made the cup of tea

2024

01:48:13,279 --> 01:48:11,400

Oh Danny made it yeah well well yeah I

2025

01:48:15,469 --> 01:48:13,289

mean you helped me back in the Dandy I

2026

01:48:17,000 --> 01:48:15,479

did you and I lay on the bed

2027

01:48:18,620 --> 01:48:17,010

because what you did because like

2028

01:48:19,850 --> 01:48:18,630

Nathaniel either yeah but the other

2029

01:48:22,969 --> 01:48:19,860

thing that was interesting was that

2030

01:48:25,040 --> 01:48:22,979

while this was going on I was changing

2031

01:48:26,600 --> 01:48:25,050

also he was changing you as well

2032

01:48:28,160 --> 01:48:26,610

and of course an interesting thing that

2033

01:48:31,879 --> 01:48:28,170

happened usually on the bed which is

2034

01:48:33,469 --> 01:48:31,889

true I was basically the second

2035

01:48:35,629 --> 01:48:33,479

Wentworth second person in there was

2036

01:48:38,839 --> 01:48:35,639

Galya I was there

2037

01:48:41,930 --> 01:48:38,849

Robert on the bed Linda Tania and Mary

2038

01:48:46,580 --> 01:48:41,940

on the other side of a dandy and then

2039

01:48:48,759 --> 01:48:46,590

Aditi sat between me and Gabi and I'm

2040

01:48:50,989 --> 01:48:48,769

looking at the CT and thinking although

2041

01:48:52,520 --> 01:48:50,999

so other thing because obviously they

2042

01:48:54,020 --> 01:48:52,530

don't Frank me no more ghosts on

2043

01:48:56,089 --> 01:48:54,030

frighten me they used to but they don't

2044

01:48:57,709 --> 01:48:56,099

anymore I've seen so many I've seen so

2045

01:49:00,020 --> 01:48:57,719

many T's it doesn't frighten me no more

2046

01:49:01,399 --> 01:49:00,030

I said when they come and visit me and

2047

01:49:03,709 --> 01:49:01,409

put me through pain with needles that

2048

01:49:05,180 --> 01:49:03,719

like they did two weeks ago because 7-7

2049

01:49:08,629 --> 01:49:05,190

occupant what I could punch it on my

2050

01:49:10,640 --> 01:49:08,639

legs they call them but anyway so I'm

2051

01:49:14,779 --> 01:49:10,650

looking around thinking can anybody else

2052

01:49:16,279 --> 01:49:14,789

see the CT and no one did obviously good

2053

01:49:18,620 --> 01:49:16,289

because it's obviously not gone said a

2054

01:49:22,069 --> 01:49:18,630

word I'm looking at Gary I thought well

2055

01:49:25,549 --> 01:49:22,079

shorty can see it and there's obviously

2056

01:49:26,509 --> 01:49:25,559

not one that was said so I thought right

2057

01:49:28,819 --> 01:49:26,519

hang on a minute

2058

01:49:31,459 --> 01:49:28,829

I said I think I said and they can't get

2059

01:49:36,950 --> 01:49:31,469

no no Gary did everybody coated us right

2060

01:49:39,620 --> 01:49:36,960

yeah one two three four five six seven

2061

01:49:42,319 --> 01:49:39,630

yeah can I just say it they said how

2062

01:49:43,969 --> 01:49:42,329

nice it is that they that we're all here

2063

01:49:46,489 --> 01:49:43,979

together because we're all that I see

2064

01:49:49,189 --> 01:49:46,499

then he proceeded to count and he

2065

01:49:50,660 --> 01:49:49,199

counted to seven I said I said golly I

2066

01:49:53,149 --> 01:49:50,670

couldn't couldn't could you the urn

2067

01:49:53,569 --> 01:49:53,159

repeat that Gary and he did you repeated

2068

01:49:55,759 --> 01:49:53,579

it again

2069

01:49:58,250 --> 01:49:55,769

yeah yeah and then I said of course then

2070

01:50:00,770 --> 01:49:58,260

eventually this this et disappeared and

2071

01:50:03,300 --> 01:50:00,780

then all they can say is any of the

2072

01:50:05,550 --> 01:50:03,310

other I think about a cup of tea but

2073

01:50:09,750 --> 01:50:05,560

didn't make it this way lazy buggers he

2074

01:50:11,310 --> 01:50:09,760

is so of course then the next was it the

2075

01:50:13,290 --> 01:50:11,320

next thing you can do the seal or the

2076

01:50:16,980 --> 01:50:13,300

day after that well you came back you

2077

01:50:22,050 --> 01:50:16,990

come back the scene if you know what

2078

01:50:22,620 --> 01:50:22,060

happened was you and Linda Mary Antonio

2079

01:50:24,620 --> 01:50:22,630

left

2080

01:50:33,750 --> 01:50:24,630

later in the afternoon he didn't even

2081

01:50:37,110 --> 01:50:33,760

and okay I think yes and so Gary's a

2082

01:50:39,330 --> 01:50:37,120

real talker and he kept talking and

2083

01:50:42,150 --> 01:50:39,340

talking late into the evening and

2084

01:50:45,480 --> 01:50:42,160

eventually I said Gary I gotta go to

2085

01:50:49,770 --> 01:50:45,490

sleep I'm tired so he said yeah fine Rob

2086

01:50:54,930 --> 01:50:49,780

I understand so no sooner had he stopped

2087

01:50:59,550 --> 01:50:54,940

talking then I saw at the bottom of my

2088

01:51:04,770 --> 01:50:59,560

bed a person giving me healing on my

2089

01:51:08,880 --> 01:51:04,780

ankle and I recognized this person as

2090

01:51:12,360 --> 01:51:08,890

being my cousin Brenda who was a healer

2091

01:51:14,660 --> 01:51:12,370

in life but she had been dead for a few

2092

01:51:18,120 --> 01:51:14,670

years but we were very very close

2093

01:51:22,500 --> 01:51:18,130

hmm but I could see her long red hair

2094

01:51:24,060 --> 01:51:22,510

was very obviously her but I have no

2095

01:51:26,640 --> 01:51:24,070

doubt that if she returned her face

2096

01:51:28,710 --> 01:51:26,650

towards me it would not have been the

2097

01:51:35,000 --> 01:51:28,720

normal face that I would have recognized

2098

01:51:39,690 --> 01:51:35,010

I say that because she also was a

2099

01:51:42,240 --> 01:51:39,700

shape-shifter and et her face changed to

2100

01:51:45,750 --> 01:51:42,250

mately as well it actually happened as

2101
01:51:49,080 --> 01:51:45,760
she was passing away and her daughter

2102
01:51:52,260 --> 01:51:49,090
saw that happening so I know that to be

2103
01:51:54,450 --> 01:51:52,270
true so I knew this was happening Brenda

2104
01:51:57,090 --> 01:51:54,460
was there giving me healing wonderful

2105
01:51:59,989 --> 01:51:57,100
thank you meanwhile Gary could see

2106
01:52:02,330 --> 01:51:59,999
somebody by the door and

2107
01:52:06,649 --> 01:52:02,340
this person was insisting to gallery

2108
01:52:09,979 --> 01:52:06,659
that he he say something to me

2109
01:52:11,239 --> 01:52:09,989
and of course Gary was he didn't want to

2110
01:52:13,909 --> 01:52:11,249
say anything because he thought I'd be

2111
01:52:16,310 --> 01:52:13,919
annoyed you know because I was so tired

2112
01:52:18,979 --> 01:52:16,320
but this person in test insisted again

2113
01:52:21,259 --> 01:52:18,989

and then again and eventually Gary gave

2114

01:52:22,969 --> 01:52:21,269

in and he said Rob I'm so sorry but I

2115

01:52:25,100 --> 01:52:22,979

have to say this I've just got to say

2116

01:52:29,750 --> 01:52:25,110

doesn't make any sense whatsoever but

2117

01:52:33,589 --> 01:52:29,760

I've got to say 1 2 3 4 5 6 7 and I said

2118

01:52:35,870 --> 01:52:33,599

Gary it makes perfect sense the seventh

2119

01:52:41,899 --> 01:52:35,880

person is with me now and she's giving

2120

01:52:44,719 --> 01:52:41,909

me healing on my ankle so it was in the

2121

01:52:47,299 --> 01:52:44,729

nicest world yes and and and what

2122

01:52:49,459 --> 01:52:47,309

happened was that within about four or

2123

01:52:52,009 --> 01:52:49,469

five days I was driving my car again oh

2124

01:52:56,449 --> 01:52:52,019

and it was a manual car with a heavy

2125

01:52:59,979 --> 01:52:56,459

clutch so it was a miracle

2126
01:53:04,189 --> 01:52:59,989
in the field and you know these things

2127
01:53:05,569 --> 01:53:04,199
do happen so they go and of course you

2128
01:53:07,100 --> 01:53:05,579
know over the years we've you know we

2129
01:53:10,219 --> 01:53:07,110
like some fantastic journeys together

2130
01:53:11,689 --> 01:53:10,229
you know and you know as he said earlier

2131
01:53:13,790 --> 01:53:11,699
you know some of the max that Robbie

2132
01:53:16,310 --> 01:53:13,800
gets I get it but on the offensive and

2133
01:53:18,049 --> 01:53:16,320
in most cases anyway yeah and of course

2134
01:53:20,120 --> 01:53:18,059
this rich thing then I'm afraid I've got

2135
01:53:23,299 --> 01:53:20,130
mine it was glorious so it is quite

2136
01:53:31,910 --> 01:53:23,309
strange anyway I did obviously I had my

2137
01:53:39,390 --> 01:53:35,060
okay well I mean basically I think

2138
01:53:41,100 --> 01:53:39,400

that's all I want to say for now but I'd

2139

01:53:44,040 --> 01:53:41,110

be very happy to take any questions

2140

01:53:47,570 --> 01:53:44,050

anybody's got if anybody like to ask

2141

01:53:55,880 --> 01:53:52,280

you mentioned military involvement yes

2142

01:54:00,770 --> 01:53:55,890

yes yes

2143

01:54:05,310 --> 01:54:00,780

well well Gary for instance in Australia

2144

01:54:11,430 --> 01:54:05,320

when he was a boy he lives in Adelaide

2145

01:54:13,710 --> 01:54:11,440

he was taken in a in a craft he would be

2146

01:54:16,430 --> 01:54:13,720

about seven years of age and he was sat

2147

01:54:19,530 --> 01:54:16,440

down at the controls of the craft and

2148

01:54:23,640 --> 01:54:19,540

the controls of the craft are like a

2149

01:54:28,290 --> 01:54:23,650

molded hand which you put your hand on

2150

01:54:31,890 --> 01:54:28,300

into the molded thing these these molds

2151
01:54:34,500 --> 01:54:31,900
had six fingers and gary said well I've

2152
01:54:37,080 --> 01:54:34,510
only got five will it work okay and they

2153
01:54:39,980 --> 01:54:37,090
assured him it would these work great by

2154
01:54:42,660 --> 01:54:39,990
the way that were with him and

2155
01:54:45,030 --> 01:54:42,670
apparently there are sensors that which

2156
01:54:47,100 --> 01:54:45,040
pick up the nerve impulses from the ends

2157
01:54:49,620 --> 01:54:47,110
of your fingers and there's also one in

2158
01:54:52,710 --> 01:54:49,630
the palm of the hand as well which picks

2159
01:54:56,550 --> 01:54:52,720
up with it and just by thought alone

2160
01:54:59,190 --> 01:54:56,560
you're able to move the craft and he was

2161
01:55:02,190 --> 01:54:59,200
instructed oh he said the seats were

2162
01:55:04,350 --> 01:55:02,200
only little for them because they were

2163
01:55:06,270 --> 01:55:04,360

only small which he said was a good job

2164

01:55:11,130 --> 01:55:06,280

because I was only I was only young you

2165

01:55:13,860 --> 01:55:11,140

know anyway he said there's no window so

2166

01:55:16,500 --> 01:55:13,870

I can't see so they said well just

2167

01:55:21,410 --> 01:55:16,510

imagine there's a window there and there

2168

01:55:25,020 --> 01:55:21,420

it was so they said we want you to fly

2169

01:55:27,420 --> 01:55:25,030

up to Mount Lofty which is the the big

2170

01:55:31,049 --> 01:55:27,430

mountain at the back of Adelaide and fly

2171

01:55:32,970 --> 01:55:31,059

around the telecommunications tower sort

2172

01:55:35,790 --> 01:55:32,980

there's about three of them I think and

2173

01:55:39,600 --> 01:55:35,800

so he did and he flew in between them

2174

01:55:44,939 --> 01:55:39,610

and then they said fly towards the sea

2175

01:55:46,979 --> 01:55:44,949

to learn elk and when he got over the

2176
01:55:51,660 --> 01:55:46,989
sea they said right now die be straight

2177
01:55:53,339 --> 01:55:51,670
down into the sea so he balks at this

2178
01:55:55,589 --> 01:55:53,349
because he thought well if we hit the

2179
01:55:57,569 --> 01:55:55,599
water we're all going to be killed but

2180
01:55:59,939 --> 01:55:57,579
they said you won't be killed everything

2181
01:56:02,069 --> 01:55:59,949
will be fine so they convinced him so he

2182
01:56:04,069 --> 01:56:02,079
dived into the sea went through the

2183
01:56:06,479 --> 01:56:04,079
water without feeling anything at all

2184
01:56:08,810 --> 01:56:06,489
and then he could see the seabed coming

2185
01:56:11,729 --> 01:56:08,820
up because the water is very clear there

2186
01:56:14,250 --> 01:56:11,739
he went through the seabed and now

2187
01:56:17,850 --> 01:56:14,260
Gary's a pilot so he knows about speed

2188
01:56:20,160 --> 01:56:17,860

and distance and he reckoned the length

2189

01:56:23,010 --> 01:56:20,170

of time it took them to come into this

2190

01:56:24,810 --> 01:56:23,020

huge cavern below he reckoned and the

2191

01:56:29,669 --> 01:56:24,820

speed they were travelling up that they

2192

01:56:33,359 --> 01:56:29,679

must have been maybe a mile down so they

2193

01:56:35,160 --> 01:56:33,369

came to this huge cabin and he said he

2194

01:56:36,919 --> 01:56:35,170

you've just got no idea of the size of

2195

01:56:39,450 --> 01:56:36,929

these places you've just got to

2196

01:56:42,959 --> 01:56:39,460

completely change your views on what's

2197

01:56:45,240 --> 01:56:42,969

possible you know and it was then that

2198

01:56:49,589 --> 01:56:45,250

the 80s took over they flew it to the

2199

01:56:54,330 --> 01:56:49,599

other end of this cabin where there were

2200

01:56:59,939 --> 01:56:54,340

other UFOs docked and it was there that

2201
01:57:03,990 --> 01:56:59,949
he was handed over to a man with a kind

2202
01:57:06,240 --> 01:57:04,000
of a would recognise it as a as an iPad

2203
01:57:10,770 --> 01:57:06,250
kind of thing you know these days but

2204
01:57:12,270 --> 01:57:10,780
this was about 1963 for something like

2205
01:57:14,819 --> 01:57:12,280
that so there weren't such things in

2206
01:57:16,350 --> 01:57:14,829
those days and you know this man was

2207
01:57:18,510 --> 01:57:16,360
saying well who's this and they said

2208
01:57:24,779 --> 01:57:18,520
they said yes right okay come with me

2209
01:57:28,140 --> 01:57:24,789
and this was American military and they

2210
01:57:30,990 --> 01:57:28,150
walked past through rooms offices like

2211
01:57:33,040 --> 01:57:31,000
and there was a American military

2212
01:57:36,460 --> 01:57:33,050
personnel working in these rooms

2213
01:57:38,620 --> 01:57:36,470

gary was delighted because he thought

2214

01:57:41,020 --> 01:57:38,630

thank god they gonna save me they're

2215

01:57:44,350 --> 01:57:41,030

gonna look after me but no they didn't

2216

01:57:46,360 --> 01:57:44,360

they treated him very badly and there

2217

01:57:49,720 --> 01:57:46,370

were other children there who were also

2218

01:57:53,260 --> 01:57:49,730

treated badly so and I know there's a

2219

01:57:56,170 --> 01:57:53,270

lot more to this story but all I can

2220

01:58:02,950 --> 01:57:56,180

tell you is that the certain faction

2221

01:58:06,850 --> 01:58:02,960

within the secret government which is

2222

01:58:08,740 --> 01:58:06,860

basically a nasty government which can

2223

01:58:11,170 --> 01:58:08,750

which is all connected with the New

2224

01:58:13,230 --> 01:58:11,180

World Order connected with the Twin

2225

01:58:15,400 --> 01:58:13,240

Towers and all that kind of stuff

2226

01:58:16,590 --> 01:58:15,410

they're all they're responsible for all

2227

01:58:21,370 --> 01:58:16,600

this

2228

01:58:25,960 --> 01:58:21,380

they work together with a certain

2229

01:58:28,210 --> 01:58:25,970

faction of the eov ETS not all grades

2230

01:58:34,360 --> 01:58:28,220

are bad you know they just it's just

2231

01:58:37,270 --> 01:58:34,370

it's just this particular type and so

2232

01:58:40,270 --> 01:58:37,280

and and people like Gary are what we

2233

01:58:42,430 --> 01:58:40,280

call my labs so what that means is they

2234

01:58:45,580 --> 01:58:42,440

get taken by ETS and then they get

2235

01:58:48,370 --> 01:58:45,590

retaken by military which is part of

2236

01:58:49,620 --> 01:58:48,380

this American thing and it doesn't

2237

01:58:53,130 --> 01:58:49,630

matter that he lives in Australia

2238

01:58:55,570 --> 01:58:53,140

because the Americans basically run

2239

01:59:01,360 --> 01:58:55,580

Australia there's no question about that

2240

01:59:03,910 --> 01:59:01,370

at all and and they have a horrendous

2241

01:59:06,790 --> 01:59:03,920

time of it I'm afraid I feel that I'm

2242

01:59:12,220 --> 01:59:06,800

fortunate that I'm not part of that

2243

01:59:15,250 --> 01:59:12,230

MyLab thing I know others who are and

2244

01:59:19,150 --> 01:59:15,260

it's horrendous really is horrendous I'd

2245

01:59:21,460 --> 01:59:19,160

like to think that my a teaser are okay

2246

01:59:24,340 --> 01:59:21,470

but I don't think we're the exclusive

2247

01:59:27,940 --> 01:59:24,350

property of one particular race of ETS

2248

01:59:31,240 --> 01:59:27,950

and you know like you know David here

2249

01:59:33,700 --> 01:59:31,250

you know he's had really incredible

2250

01:59:35,560 --> 01:59:33,710

wonderful experiences but he's also had

2251

01:59:40,319 --> 01:59:35,570

some pretty bad ones particularly

2252

01:59:43,620 --> 01:59:40,329

recently which I'm glad I don't have so

2253

01:59:47,339 --> 01:59:43,630

yeah military definitely working with

2254

01:59:52,169 --> 01:59:47,349

certain faction of the 80s but just on a

2255

01:59:53,609 --> 01:59:52,179

good note I'm told reliably from a

2256

01:59:56,399 --> 01:59:53,619

friend of mine who goes aboard ship

2257

01:59:58,979 --> 01:59:56,409

fairly often that there's a huge battle

2258

02:00:03,229 --> 01:59:58,989

going on in in space around in this

2259

02:00:06,870 --> 02:00:03,239

solar system and people have come from

2260

02:00:11,609 --> 02:00:06,880

far and wide to put an end to this state

2261

02:00:13,890 --> 02:00:11,619

of affairs some of the good people are

2262

02:00:17,640 --> 02:00:13,900

the cab people the lion people as we

2263

02:00:21,209 --> 02:00:17,650

might think of them and I'm told that

2264

02:00:24,060 --> 02:00:21,219

they are actually winning the battle the

2265

02:00:26,870 --> 02:00:24,070

battle is between a couple of reptilian

2266

02:00:29,510 --> 02:00:26,880

factions the Draco's and the Orion

2267

02:00:33,419 --> 02:00:29,520

reptilians who work with a particular

2268

02:00:38,310 --> 02:00:33,429

faction of grace but and they of course

2269

02:00:41,370 --> 02:00:38,320

other ones who influence the leading

2270

02:00:44,879 --> 02:00:41,380

politicians and bankers and you know the

2271

02:00:49,109 --> 02:00:44,889

Rothschilds and all these people to do

2272

02:00:52,799 --> 02:00:49,119

the evil things that they do so so it's

2273

02:00:55,049 --> 02:00:52,809

a positive note I'm just leaving you

2274

02:00:57,569 --> 02:00:55,059

with there as far as that's concerned

2275

02:00:59,669 --> 02:00:57,579

the battle is being won it might take a

2276

02:01:14,740 --> 02:00:59,679

while but we'll get rid of these pockets

2277

02:01:14,750 --> 02:01:18,200

[Music]

2278

02:01:25,410 --> 02:01:23,100

yeah well ETS most definitely are able

2279

02:01:27,330 --> 02:01:25,420

to move in different dimensions and

2280

02:01:31,379 --> 02:01:27,340

quite sure that's how they manage to

2281

02:01:33,120 --> 02:01:31,389

travel so quickly through space they

2282

02:01:34,990 --> 02:01:33,130

don't have the problem of dealing with

2283

02:01:37,330 --> 02:01:35,000

mass

2284

02:01:40,420 --> 02:01:37,340

you know Einstein's theory of relativity

2285

02:01:45,040 --> 02:01:40,430

doesn't hold water at all when it comes

2286

02:01:47,650 --> 02:01:45,050

to these guys whatever field it is that

2287

02:01:53,830 --> 02:01:47,660

they put around the craft is able to

2288

02:01:55,110 --> 02:01:53,840

negate the problem of mass and like I

2289

02:01:58,510 --> 02:01:55,120

was saying with the afterlife

2290

02:02:01,300 --> 02:01:58,520

investigations the light being which was

2291

02:02:03,760 --> 02:02:01,310

definitely on that film showing

2292

02:02:07,660 --> 02:02:03,770

supposedly people within the spirit

2293

02:02:10,750 --> 02:02:07,670

world was in my bedroom that was

2294

02:02:13,150 --> 02:02:10,760

connected with an ET thing so the same

2295

02:02:15,160 --> 02:02:13,160

beings actually those light beams

2296

02:02:19,470 --> 02:02:15,170

actually are in our spirit world and

2297

02:02:22,240 --> 02:02:19,480

they may have a lot to do with our

2298

02:02:32,620 --> 02:02:22,250

incarnations if you like you know

2299

02:02:35,940 --> 02:02:32,630

there's definitely connected yes I did

2300

02:02:39,420 --> 02:02:35,950

have psychic ability well mine's to do

2301

02:02:40,590 --> 02:02:39,430

its various things precognition

2302

02:02:50,310 --> 02:02:40,600

[Music]

2303

02:02:55,510 --> 02:02:50,320

telepathy yeah okay of those things I

2304

02:03:00,520 --> 02:02:55,520

think that the vast majority of

2305

02:03:06,480 --> 02:03:00,530

abductees have psychic abilities it's

2306

02:03:11,260 --> 02:03:06,490

absolutely certain that the the

2307

02:03:13,000 --> 02:03:11,270

abductions run in families you know as

2308

02:03:16,300 --> 02:03:13,010

I've told you for my sister's my mother

2309

02:03:18,940 --> 02:03:16,310

grandmother and other relatives we've

2310

02:03:24,010 --> 02:03:18,950

all been taken on and so it's definitely

2311

02:03:25,250 --> 02:03:24,020

to do connecting with genetics you know

2312

02:03:29,479 --> 02:03:25,260

people

2313

02:03:32,630 --> 02:03:29,489

think about you know the you know the

2314

02:03:37,040 --> 02:03:32,640

Sumerian stuff with zecharia sitchin

2315

02:03:41,090 --> 02:03:37,050

saying that we were created by the

2316

02:03:43,070 --> 02:03:41,100

Anunnaki and this kind of thing well

2317

02:03:46,729 --> 02:03:43,080

people make the mistake of thinking that

2318

02:03:49,190 --> 02:03:46,739

that tinkering has finally finished then

2319

02:03:51,680 --> 02:03:49,200

all those years ago well it hasn't it

2320

02:03:58,280 --> 02:03:51,690

continues to this day and people are

2321

02:04:02,450 --> 02:03:58,290

being altered and it may be that certain

2322

02:04:04,850 --> 02:04:02,460

bloodlines are more capable of being

2323

02:04:12,020 --> 02:04:04,860

altered you know so that's that's it

2324

02:04:15,740 --> 02:04:12,030

yeah people that's a bit of an awkward

2325

02:04:21,760 --> 02:04:15,750

one I would think it's almost a

2326

02:04:25,070 --> 02:04:21,770

certainty we don't talk about it my

2327

02:04:27,410 --> 02:04:25,080

youngest son has told me of certain

2328

02:04:29,479 --> 02:04:27,420

things that have happened to him which I

2329

02:04:38,830 --> 02:04:29,489

can interpret quite easily as being

2330

02:04:41,030 --> 02:04:38,840

connected with et's not in great detail

2331

02:04:44,630 --> 02:04:41,040

this is what I was trying to bring out

2332

02:04:47,930 --> 02:04:44,640

in the talk the problem that we have

2333

02:04:51,140 --> 02:04:47,940

with family members to be honest we have

2334

02:04:54,740 --> 02:04:51,150

less problem with dealing with the 80s

2335

02:04:59,000 --> 02:04:54,750

than we do with family and friends and

2336

02:05:02,240 --> 02:04:59,010

the people that we would look to most

2337

02:05:03,860 --> 02:05:02,250

obviously for support because you know

2338

02:05:08,900 --> 02:05:03,870

we're struggling to deal with this

2339

02:05:11,720 --> 02:05:08,910

ourselves are often the people who shun

2340

02:05:14,400 --> 02:05:11,730

you you know

2341

02:05:17,430 --> 02:05:14,410

because they don't want it to be part of

2342

02:05:21,060 --> 02:05:17,440

their life they want a normal life they

2343

02:05:25,680 --> 02:05:21,070

don't want term you know this this

2344

02:05:32,390 --> 02:05:25,690

getting in the way and I'm afraid get in

2345

02:06:18,979 --> 02:05:57,180

[Music]

2346

02:06:29,540 --> 02:06:20,990

they've got the ability to switch off

2347

02:06:31,520 --> 02:06:29,550

these these memories I know that yeah

2348

02:06:33,140 --> 02:06:31,530

yeah thanks thanks Dave's

2349

02:06:35,570 --> 02:06:33,150

his chemist can ask about their

2350

02:06:45,470 --> 02:06:35,580

relationships and breakups in your

2351

02:06:46,310 --> 02:06:45,480

presentation crikey me well um my wife

2352

02:06:48,800 --> 02:06:46,320

hated it

2353

02:06:50,840 --> 02:06:48,810

she knew I mean she was with me when we

2354

02:06:55,940 --> 02:06:50,850

stood on to the big craft back in 1980

2355

02:07:00,920 --> 02:06:55,950

she couldn't deny the fact I I found out

2356

02:07:03,950 --> 02:07:00,930

from an old auntie later on that who she

2357

02:07:05,720 --> 02:07:03,960

confided in that she was afraid that I

2358

02:07:09,770 --> 02:07:05,730

was going to be taken because she knew I

2359

02:07:13,150 --> 02:07:09,780

got taken and not brought back and she

2360

02:07:15,620 --> 02:07:13,160

was frightened of that happening and

2361

02:07:17,510 --> 02:07:15,630

unfortunately I didn't see that hope you

2362

02:07:19,220 --> 02:07:17,520

know I was so engrossed in what was

2363

02:07:25,760 --> 02:07:19,230

happening to me I didn't see from her

2364

02:07:31,340 --> 02:07:25,770

point of view so so gradually we became

2365

02:07:35,690 --> 02:07:31,350

further and further apart and you know

2366

02:07:37,790 --> 02:07:35,700

the wall of hatred for the subject which

2367

02:07:41,930 --> 02:07:37,800

I could feel because I'm an empath as

2368

02:07:44,330 --> 02:07:41,940

well so you know I feel energies you

2369

02:07:45,080 --> 02:07:44,340

know if there's auras around people that

2370

02:07:48,320 --> 02:07:45,090

kind of thing

2371

02:07:53,390 --> 02:07:48,330

standing stones ley lines I don't meet

2372

02:07:56,360 --> 02:07:53,400

dowsing rods you know and the wall of

2373

02:07:59,180 --> 02:07:56,370

hatred that came that energy it was so

2374

02:08:01,729 --> 02:07:59,190

bad I could never even dare speak of it

2375

02:08:05,060 --> 02:08:01,739

in the house and so it just drove a

2376

02:08:09,350 --> 02:08:07,189

particularly things like that it just

2377

02:08:12,080 --> 02:08:09,360

sounds like a natural reaction to me to

2378

02:08:13,430 --> 02:08:12,090

the thing itself but he said he was all

2379

02:08:15,470 --> 02:08:13,440

about Metis getting in the way out just

2380

02:08:18,859 --> 02:08:15,480

wondering how I was confident and I know

2381

02:08:20,270 --> 02:08:18,869

the experiences but were they denying

2382

02:08:28,879 --> 02:08:20,280

relationships or where they sort of like

2383

02:08:34,160 --> 02:08:28,889

interfere well you know you get known

2384

02:08:35,600 --> 02:08:34,170

don't you go to parties and the because

2385

02:08:38,589 --> 02:08:35,610

you're so engrossed in the subject you

2386

02:08:40,669 --> 02:08:38,599

might start talking about this stuff and

2387

02:08:42,560 --> 02:08:40,679

then they and then they just sort of

2388

02:08:46,760 --> 02:08:42,570

groan it's all god no it's the eighty

2389

02:08:49,280 --> 02:08:46,770

you fall man again you know so it makes

2390

02:08:51,319 --> 02:08:49,290

you feel more and of course the the

2391

02:08:55,550 --> 02:08:51,329

family was kind of a bit religious there

2392

02:08:56,870 --> 02:08:55,560

were Methodists and you know so what I

2393

02:09:00,229 --> 02:08:56,880

was talking about didn't go down that

2394

02:09:02,839 --> 02:09:00,239

well with them so you just become

2395

02:09:06,939 --> 02:09:02,849

ostracized away from family and then

2396

02:09:10,520 --> 02:09:06,949

what happens is that you meet other

2397

02:09:14,240 --> 02:09:10,530

abductees and instantly you recognize

2398

02:09:17,180 --> 02:09:14,250

something about them and you and they

2399

02:09:23,030 --> 02:09:17,190

then are your family you know like David

2400

02:09:24,709 --> 02:09:23,040

and Linda you know my family and you're

2401

02:09:27,200 --> 02:09:24,719

comfortable you don't have to explain

2402

02:09:31,490 --> 02:09:27,210

yourself anymore to people because they

2403

02:09:33,050 --> 02:09:31,500

already know you know and I have thank

2404

02:09:34,939 --> 02:09:33,060

goodness saying I'm so lucky I've got

2405

02:09:37,129 --> 02:09:34,949

friends all over the world who have also

2406

02:09:40,370 --> 02:09:37,139

been taken you know I probably know as

2407

02:09:41,560 --> 02:09:40,380

much about this subject as anybody

2408

02:09:46,810 --> 02:09:41,570

[Music]

2409

02:09:49,150 --> 02:09:46,820

that information has come to me it's not

2410

02:09:52,870 --> 02:09:49,160

like I've gone out looking for it it's

2411

02:09:57,610 --> 02:09:52,880

like it's like upstairs the 80s it they

2412

02:09:58,540 --> 02:09:57,620

that it's important that I I need to

2413

02:10:01,930 --> 02:09:58,550

know this stuff

2414

02:10:02,800 --> 02:10:01,940

because I'm gonna be I'm gonna be doing

2415

02:10:05,230 --> 02:10:02,810

stuff with it

2416

02:10:07,860 --> 02:10:05,240

in due course and maybe tonight is just

2417

02:10:10,780 --> 02:10:07,870

you know just another stepping stone to

2418

02:10:13,690 --> 02:10:10,790

spreading this message you know and

2419

02:10:18,760 --> 02:10:13,700

because it's time the truth was told

2420

02:10:23,530 --> 02:10:18,770

about abductions you know even then in

2421

02:10:25,450 --> 02:10:23,540

big conferences you seldom get abductees

2422

02:10:28,690 --> 02:10:25,460

speaking because the people who

2423

02:10:31,090 --> 02:10:28,700

organized these conferences are often

2424

02:10:33,790 --> 02:10:31,100

very uncomfortable when it comes to out

2425

02:10:36,070 --> 02:10:33,800

dog tease they're okay talking about

2426

02:10:38,920 --> 02:10:36,080

UFOs lights in the sky and stuff like

2427

02:10:41,980 --> 02:10:38,930

that but that's kid stuff compared to

2428

02:10:45,790 --> 02:10:41,990

actually looking at an ET in the face

2429

02:10:51,100 --> 02:10:45,800

without being afraid and a lot of these

2430

02:10:52,930 --> 02:10:51,110

big blustery guys they can't do it and

2431

02:10:56,560 --> 02:10:52,940

I'm not going to mention any names but I

2432

02:10:58,090 --> 02:10:56,570

know people who organize conferences and

2433

02:10:58,860 --> 02:10:58,100

they're not comfortable with this stuff

2434

02:11:01,870 --> 02:10:58,870

at all

2435

02:11:06,660 --> 02:11:01,880

but it's time it came out because well

2436

02:11:11,410 --> 02:11:09,070

people are gonna suffer because people

2437

02:11:14,890 --> 02:11:11,420

do suffer I mean I cope with it pretty

2438

02:11:17,970 --> 02:11:14,900

damn well but other people like our

2439

02:11:21,000 --> 02:11:17,980

friend I won't mention their name again

2440

02:11:24,130 --> 02:11:21,010

she must be in the forties I guess and

2441

02:11:26,530 --> 02:11:24,140

you know she's severely anorexic and

2442

02:11:29,490 --> 02:11:26,540

she's been on a rep sick for most of her

2443

02:11:33,220 --> 02:11:29,500

life since being taken as a child and

2444

02:11:34,930 --> 02:11:33,230

she's had to live with this and can't

2445

02:11:37,330 --> 02:11:34,940

share it with the doctor she can't tell

2446

02:11:40,540 --> 02:11:37,340

the doctor what's actually wrong but

2447

02:11:43,260 --> 02:11:40,550

it's her way of of having some control

2448

02:11:44,940 --> 02:11:43,270

over her body

2449

02:11:46,890 --> 02:11:44,950

whereas with the TV I haven't got any

2450

02:11:51,600 --> 02:11:46,900

damn control if they want to take you

2451

02:11:54,030 --> 02:11:51,610

they take you and that's it so I'm

2452

02:12:12,200 --> 02:11:54,040

making a stand for a froze abductees is

2453

02:12:18,630 --> 02:12:12,210

really what I'm doing you know yeah yeah

2454

02:12:19,650 --> 02:12:18,640

yeah I don't know I think that's

2455

02:12:24,080 --> 02:12:19,660

entirely possible

2456

02:12:29,490 --> 02:12:24,090

yeah I think it's more than likely that

2457

02:12:32,130 --> 02:12:29,500

that have been an ET in another life and

2458

02:12:33,870 --> 02:12:32,140

maybe that is so strong that he bleeds

2459

02:12:42,780 --> 02:12:33,880

through into this life somehow or

2460

02:12:44,580 --> 02:12:42,790

another I don't know I I I don't I don't

2461

02:12:50,480 --> 02:12:44,590

look at this with rose-tinted glasses

2462

02:12:57,120 --> 02:12:55,560

you know the there are people who who

2463

02:13:02,310 --> 02:12:57,130

are not prepared to look at the dark

2464

02:13:06,390 --> 02:13:02,320

side of this but and there is a darker

2465

02:13:10,910 --> 02:13:06,400

side for sure but generally speaking I'm

2466

02:13:13,320 --> 02:13:10,920

happy and getting happier every day I

2467

02:13:21,130 --> 02:13:13,330

can't really say much more on that one

2468

02:13:27,460 --> 02:13:24,110

it's in our genetics histar bloodline

2469

02:13:31,670 --> 02:13:27,470

family bloodline for sure

2470

02:13:36,140 --> 02:13:31,680

they could go back thousands of years

2471

02:13:42,200 --> 02:13:36,150

I'm told that they that the ETS don't

2472

02:13:44,510 --> 02:13:42,210

just follow people through maybe three

2473

02:13:47,150 --> 02:13:44,520

or four generations they followed them

2474

02:13:50,690 --> 02:13:47,160

through hundreds hundreds of generations

2475

02:13:56,270 --> 02:13:50,700

and all the incarnations that they that

2476

02:14:00,680 --> 02:13:56,280

they have so of course they are

2477

02:14:03,110 --> 02:14:00,690

absolutely and you know my daughter's

2478

02:14:10,010 --> 02:14:03,120

really not happy with me at all and I'm

2479

02:14:13,130 --> 02:14:10,020

very sad that yeah but but it ain't my

2480

02:14:16,690 --> 02:14:13,140

fault you know I mean would she rather

2481

02:14:19,220 --> 02:14:16,700

not have been born you know at least

2482

02:14:24,890 --> 02:14:19,230

it's it just comes with the territory

2483

02:14:27,920 --> 02:14:24,900

I'm afraid and maybe as long as we do

2484

02:14:30,860 --> 02:14:27,930

something good with it then something

2485

02:14:35,110 --> 02:14:30,870

really really good can come of it and a

2486

02:14:38,270 --> 02:14:35,120

better human being will develop you know

2487

02:14:39,950 --> 02:14:38,280

certainly like the gifts like with David

2488

02:14:43,760 --> 02:14:39,960

with the healing of my uncle I mean

2489

02:14:46,430 --> 02:14:43,770

that's just incredible but it's real and

2490

02:14:49,240 --> 02:14:46,440

it really happened you know so I'm

2491

02:15:01,580 --> 02:14:49,250

optimistic I'm not pessimistic at all

2492

02:15:03,620 --> 02:15:01,590

yeah anybody else yes yes yes yes I'm

2493

02:15:06,500 --> 02:15:03,630

glad you mention that I forgot to say in

2494

02:15:11,450 --> 02:15:06,510

the in the talk when I went to when I

2495

02:15:14,479 --> 02:15:11,460

went to Australia they gave a talk to an

2496

02:15:17,870 --> 02:15:14,489

Australian group

2497

02:15:21,200 --> 02:15:17,880

and before I started the talk I noticed

2498

02:15:24,140 --> 02:15:21,210

this chap and he was he was sort of

2499

02:15:27,229 --> 02:15:24,150

fella tall athletic looking looked like

2500

02:15:29,120 --> 02:15:27,239

he was in his 30s but he was bald and he

2501

02:15:30,799 --> 02:15:29,130

sat by the window and he looked very

2502

02:15:36,890 --> 02:15:30,809

uncomfortable in the room with all the

2503

02:15:39,080 --> 02:15:36,900

other people and anyway I gave the talk

2504

02:15:40,700 --> 02:15:39,090

and during the talk people asked me what

2505

02:15:44,680 --> 02:15:40,710

I thought the purpose of the crop

2506

02:15:47,870 --> 02:15:44,690

circles was and I said that I thought

2507

02:15:51,339 --> 02:15:47,880

just my opinion that they were a means

2508

02:15:59,479 --> 02:15:51,349

of infusing energy into the ley line

2509

02:16:01,580 --> 02:15:59,489

system because that energy is essential

2510

02:16:04,370 --> 02:16:01,590

for all life on the planet it

2511

02:16:08,750 --> 02:16:04,380

invigorates all life on the planet and

2512

02:16:09,979 --> 02:16:08,760

without it everything will die okay so

2513

02:16:14,419 --> 02:16:09,989

so that's what I said

2514

02:16:16,069 --> 02:16:14,429

so after the talk several people waited

2515

02:16:17,870 --> 02:16:16,079

for me and they told me about their

2516

02:16:19,759 --> 02:16:17,880

encounters or whatever and this fella

2517

02:16:22,700 --> 02:16:19,769

waiting patiently then he came up to me

2518

02:16:25,040 --> 02:16:22,710

and he said all he said was you are

2519

02:16:27,770 --> 02:16:25,050

right about the crop circles and the

2520

02:16:30,729 --> 02:16:27,780

different patterns allow for different

2521

02:16:36,049 --> 02:16:30,739

frequencies of energy to be infused

2522

02:16:41,780 --> 02:16:36,059

that's all he said then he took my left

2523

02:16:45,200 --> 02:16:41,790

hand and he started to move his his his

2524

02:16:47,570 --> 02:16:45,210

hand over it and in in a circular motion

2525

02:16:50,330 --> 02:16:47,580

and then I could start and then I felt

2526

02:16:52,549 --> 02:16:50,340

the energy and then he he moved his arm

2527

02:16:55,160 --> 02:16:52,559

hand up my arm I felt it go up my arm

2528

02:16:57,860 --> 02:16:55,170

and then back down again then he started

2529

02:16:58,490 --> 02:16:57,870

to tease the energy off the ends of my

2530

02:17:01,910 --> 02:16:58,500

fingers

2531

02:17:03,650 --> 02:17:01,920

okay that was with this right hand then

2532

02:17:05,929 --> 02:17:03,660

with his left hand he was moving the

2533

02:17:07,339 --> 02:17:05,939

energy across my solar plexus and this

2534

02:17:10,250 --> 02:17:07,349

guy I've never seen before in my life

2535

02:17:12,169 --> 02:17:10,260

and nobody else had either at this at

2536

02:17:13,209 --> 02:17:12,179

this group and they've never seen him

2537

02:17:16,029 --> 02:17:13,219

since either

2538

02:17:21,339 --> 02:17:16,039

and so and they were doing this and and

2539

02:17:23,830 --> 02:17:21,349

then all the sudden the the energy went

2540

02:17:27,250 --> 02:17:23,840

up like a hundred times more than

2541

02:17:28,239 --> 02:17:27,260

anything I've ever felt and it was just

2542

02:17:31,330 --> 02:17:28,249

incredible

2543

02:17:34,059 --> 02:17:31,340

but he wasn't uncomfortable and I just

2544

02:17:36,910 --> 02:17:34,069

looked across look to this guy and I

2545

02:17:39,250 --> 02:17:36,920

beamed a huge smile at him and he'd

2546

02:17:42,489 --> 02:17:39,260

beamed a huge smile back at me it was a

2547

02:17:50,620 --> 02:17:42,499

smile of recognition I knew who he was

2548

02:17:53,859 --> 02:17:50,630

hi news and et and he reached forward he

2549

02:17:55,469 --> 02:17:53,869

embraced me he turned around and walked

2550

02:17:58,120 --> 02:17:55,479

out the building never said another word

2551

02:18:02,679 --> 02:17:58,130

nobody's ever seen him since and I'm

2552

02:18:05,889 --> 02:18:02,689

quite certain that he came to give me a

2553

02:18:07,479 --> 02:18:05,899

little pat on the back and to say you

2554

02:18:10,419 --> 02:18:07,489

know well done you're doing the right

2555

02:18:13,239 --> 02:18:10,429

thing keep keep on and we'll be we're

2556

02:18:16,059 --> 02:18:13,249

here with you and we'll keep helping you

2557

02:18:18,429 --> 02:18:16,069

and I'm certain that I still have never

2558

02:18:20,649 --> 02:18:18,439

seen him since but I'm sure I still have

2559

02:18:23,080 --> 02:18:20,659

that connection with that being so yes I

2560

02:18:25,089 --> 02:18:23,090

have met I haven't been embraced by one

2561

02:18:34,000 --> 02:18:25,099

wonderful experience thank you for

2562

02:18:36,219 --> 02:18:34,010

asking that question yes yes no no it

2563

02:18:40,179 --> 02:18:36,229

was nothing to take a picture of because

2564

02:18:44,469 --> 02:18:40,189

when it had been healed well well we

2565

02:18:48,309 --> 02:18:44,479

couldn't know I mean there is no there's

2566

02:18:51,580 --> 02:18:48,319

nothing there's nothing no the ball went

2567

02:18:53,199 --> 02:18:51,590

back in the blood disappeared and five

2568

02:18:56,080 --> 02:18:53,209

days four or five days later of driving

2569

02:18:59,319 --> 02:18:56,090

the car I mean I can I can you know I

2570

02:19:00,910 --> 02:18:59,329

can only give you what Dave saw because

2571

02:19:02,500 --> 02:19:00,920

I didn't see what was happening all I

2572

02:19:04,559 --> 02:19:02,510

knew was that I'd busted man core

2573

02:19:07,899 --> 02:19:04,569

because when you hear a bang like that

2574

02:19:09,339 --> 02:19:07,909

there's no doubt about it you know so no

2575

02:19:11,080 --> 02:19:09,349

I'm afraid there's not pictures because

2576

02:19:13,620 --> 02:19:11,090

once he did heal there was nothing to

2577

02:19:17,469 --> 02:19:13,630

show yeah there we go

2578

02:19:21,380 --> 02:19:17,479

anybody else is that heard it okay

2579

02:20:05,961 --> 02:20:03,511

yes yes well some of the Americans are

2580

02:20:10,051 --> 02:20:05,971

this is it it's a Sikh I mean they're up

2581

02:20:12,690 --> 02:20:10,061

it's only a faction that are involved

2582

02:20:16,500 --> 02:20:12,700

but they're very powerful and they've

2583

02:20:20,120 --> 02:20:16,510

been working for a very long time to put

2584

02:20:23,370 --> 02:20:20,130

themselves in certain positions within

2585

02:20:25,921 --> 02:20:23,380

the military and the CIA FBI all these

2586

02:20:28,591 --> 02:20:25,931

different places and they're not easy to

2587

02:20:30,600 --> 02:20:28,601

get rid of but I think it's HAP I'm sure

2588

02:20:35,930 --> 02:20:30,610

is happening actually I know it's

2589

02:20:38,250 --> 02:20:35,940

happening so but they but the main

2590

02:20:41,671 --> 02:20:38,260

fighters in the battle are beings from

2591

02:20:43,261 --> 02:20:41,681

from other worlds who have also suffered

2592

02:20:46,820 --> 02:20:43,271

at the hands of the reptilians and

2593

02:20:49,500 --> 02:20:46,830

they're determined to put an end to it

2594

02:20:56,511 --> 02:20:49,510

that they're in cahoots with with the

2595

02:21:05,991 --> 02:20:59,091

you know yeah we obviously didn't like

2596

02:21:07,940 --> 02:21:06,001

them yeah but also we almost almost got

2597

02:21:10,251 --> 02:21:07,950

to be aware that there's the bad guys as

2598

02:21:12,140 --> 02:21:10,261

well yeah because we do no not freaking

2599

02:21:15,140 --> 02:21:12,150

anybody know that but we do know they're

2600

02:21:18,350 --> 02:21:15,150

taking any and even you know that's

2601
02:21:21,440 --> 02:21:18,360
happened I mean thank God we're ever

2602
02:21:22,371 --> 02:21:21,450
contacted us and took us yes I then come

2603
02:21:25,791 --> 02:21:22,381
back ever since

2604
02:21:27,680 --> 02:21:25,801
are they still coming back yeah yeah I

2605
02:21:30,440 --> 02:21:27,690
think that's what frightens people the

2606
02:21:32,060 --> 02:21:30,450
most because when you talk about people

2607
02:21:33,621 --> 02:21:32,070
like us it's been abducted years old

2608
02:21:35,421 --> 02:21:33,631
thought yeah straight away you know

2609
02:21:36,801 --> 02:21:35,431
they're looking at it oh my god if they

2610
02:21:39,291 --> 02:21:36,811
take me what happened to me

2611
02:21:42,261 --> 02:21:39,301
you know sometimes nothing is something

2612
02:21:43,970 --> 02:21:42,271
that it's good yes younger then yes okay

2613
02:21:45,621 --> 02:21:43,980

you get max was a bloody nuisance but

2614

02:21:52,341 --> 02:21:45,631

also never story yes

2615

02:21:54,801 --> 02:21:52,351

yeah it's I'm glad that I am Who I am I

2616

02:21:57,110 --> 02:21:54,811

wouldn't like to be anybody else and you

2617

02:21:59,511 --> 02:21:57,120

know wherever this is leading me I'm
