

Time is not linear

In our psychic investigations we have been taking photographs of what exists there are scenes of the past and future.

1
00:00:16,960 --> 00:00:37,110
[Applause]

2
00:00:46,960 --> 00:00:41,680
we go to the lights in town to see their

3
00:00:48,910 --> 00:00:46,970
screen I've been a lot of surf you

4
00:00:51,460 --> 00:00:48,920
questions I didn't think I'd answer to

5
00:00:55,570 --> 00:00:51,470
follow you when the gentleman said who

6
00:01:00,340 --> 00:00:55,580
are they I have many guides but have

7
00:01:04,390 --> 00:01:00,350
helped me and one particular one I don't

8
00:01:05,980 --> 00:01:04,400
get on with that I don't get on with do

9
00:01:07,990 --> 00:01:05,990
you recommend to all of you remember

10
00:01:10,930 --> 00:01:08,000
when huniepop was in the sky that was

11
00:01:24,640 --> 00:01:10,940
going back sometime how many years ago

12
00:01:26,950 --> 00:01:24,650
was that 30s 97 they did ask I watch all

13
00:01:30,790 --> 00:01:26,960

the web logs behind us and they have the

14

00:01:33,520 --> 00:01:30,800

telescope's at watching howdy Bob and it

15

00:01:37,090 --> 00:01:33,530

was my first introduction to a true

16

00:01:39,070 --> 00:01:37,100

cosmic guides that has been with me on

17

00:01:43,900 --> 00:01:39,080

and off for a long time

18

00:01:46,600 --> 00:01:43,910

his name is called Malachi and he had

19

00:01:50,050 --> 00:01:46,610

great delight he boomed in my year on

20

00:01:55,780 --> 00:01:50,060

that top of the way lot I have thrown on

21

00:01:58,360 --> 00:01:55,790

the wings that become my thought and it

22

00:02:01,870 --> 00:01:58,370

turns out that he's an old cosmic guide

23

00:02:03,610 --> 00:02:01,880

that has had many hundreds or thousands

24

00:02:08,229 --> 00:02:03,620

of lifetime's on the earth but also

25

00:02:12,009 --> 00:02:08,239

other places his biggest fault is he

26

00:02:15,130 --> 00:02:12,019

loves to play and he has one of the

27

00:02:17,050 --> 00:02:15,140

investigations we did in Croydon that's

28

00:02:19,630 --> 00:02:17,060

where he came when he was playing with

29

00:02:20,640 --> 00:02:19,640

her beautifully and had them doing left

30

00:02:23,070 --> 00:02:20,650

right and center

31

00:02:25,619 --> 00:02:23,080

flying things going through the air and

32

00:02:28,039 --> 00:02:25,629

all the TV cameras even there as well

33

00:02:30,210 --> 00:02:28,049

made a program about all the paranormal

34

00:02:35,070 --> 00:02:30,220

events that were happening the young

35

00:02:38,009 --> 00:02:35,080

lads went to bed one day naked and woke

36

00:02:38,550 --> 00:02:38,019

up on the lawn outside all the doors

37

00:02:41,520 --> 00:02:38,560

were locked

38

00:02:43,309 --> 00:02:41,530

I would have to be get out oh we have

39

00:02:45,569 --> 00:02:43,319

fun and he had them sitting and they

40

00:02:47,309 --> 00:02:45,579

they follow me because they were in

41

00:02:51,420 --> 00:02:47,319

trouble because they couldn't get into

42

00:02:53,849 --> 00:02:51,430

their gym because he had blocked it just

43

00:02:57,240 --> 00:02:53,859

couldn't open the door and they had to

44

00:02:58,979 --> 00:02:57,250

fly in statues which were so happy they

45

00:03:01,199 --> 00:02:58,989

can't think about flying through coming

46

00:03:03,150 --> 00:03:01,209

down the stairs and everything can you

47

00:03:05,220 --> 00:03:03,160

come and help we've got this guy this

48

00:03:07,619 --> 00:03:05,230

person the spirit Ernie's well he's

49

00:03:09,119 --> 00:03:07,629

terrible and we've got to sit down a

50

00:03:10,920 --> 00:03:09,129

simple time I thought I'm not sitting

51
00:03:13,170 --> 00:03:10,930
down a sentence I mean you know I'll be

52
00:03:16,259 --> 00:03:13,180
there when I'm ready and we've had

53
00:03:17,699 --> 00:03:16,269
fights Monica and ie but I've come to

54
00:03:21,809 --> 00:03:17,709
respect him and the work that he does

55
00:03:24,449 --> 00:03:21,819
and he works with me and he has the

56
00:03:29,460 --> 00:03:24,459
biggest of egos but he doesn't call it

57
00:03:31,170 --> 00:03:29,470
ego he calls it confidence and he says I

58
00:03:35,670 --> 00:03:31,180
need her flown on the wings of the

59
00:03:39,119 --> 00:03:35,680
because my half I have got a part in the

60
00:03:41,099 --> 00:03:39,129
Bible and he has he said it's only one

61
00:03:43,920 --> 00:03:41,109
worker one page agreed but I got a

62
00:03:45,839 --> 00:03:43,930
chapter in the Bible he is called a

63
00:03:48,659 --> 00:03:45,849

Messenger of God in the Bible but he has

64

00:03:51,089 --> 00:03:48,669

been with me a long time and he tells me

65

00:03:53,309 --> 00:03:51,099

an awful lot of things and it's not just

66

00:03:55,949 --> 00:03:53,319

to do with the earthly things it's to do

67

00:03:57,930 --> 00:03:55,959

with the cosmic energy is cosmic what's

68

00:04:00,390 --> 00:03:57,940

going on so I get to hear everything

69

00:04:05,039 --> 00:04:00,400

well not everything that's what he wants

70

00:04:07,949 --> 00:04:05,049

me to hear I've done the place where I

71

00:04:09,689 --> 00:04:07,959

work is called the circle and they keep

72

00:04:11,309 --> 00:04:09,699

a record of everything that I do and

73

00:04:11,809 --> 00:04:11,319

everything whatever you ever read at us

74

00:04:14,619 --> 00:04:11,819

and

75

00:04:17,360 --> 00:04:14,629

only so many of us is about to 200 of us

76

00:04:18,890 --> 00:04:17,370

approximately we do all the work for all

77

00:04:21,590 --> 00:04:18,900

the magazines and everything up and down

78

00:04:25,129 --> 00:04:21,600

the country Oh No

79

00:04:26,600 --> 00:04:25,139

I've done over 32,000 readings I can't

80

00:04:28,879 --> 00:04:26,610

believe it but they keep a record and

81

00:04:30,890 --> 00:04:28,889

it's shown on the site and they keep a

82

00:04:33,379 --> 00:04:30,900

record of all the actual regions that we

83

00:04:37,909 --> 00:04:33,389

do but he helps me with a hell of a lot

84

00:04:39,409 --> 00:04:37,919

of them you would be shocked who I've

85

00:04:42,080 --> 00:04:39,419

spoken to on that line

86

00:04:45,080 --> 00:04:42,090

and literally the kind of people that

87

00:04:47,029 --> 00:04:45,090

come so in some respects I were doing

88

00:04:49,159 --> 00:04:47,039

their work through the people that come

89

00:04:51,920 --> 00:04:49,169

that were directed to me and he brings

90

00:04:53,480 --> 00:04:51,930

and well it's one of them for him it's

91

00:04:55,969 --> 00:04:53,490

like I just got to get what I get and

92

00:04:59,180 --> 00:04:55,979

that's who half that stuff comes from

93

00:05:06,980 --> 00:04:59,190

his name is Malik I just thought you'd

94

00:05:08,870 --> 00:05:06,990

like to know this one really this is an

95

00:05:10,550 --> 00:05:08,880

investigation I wasn't going to do

96

00:05:13,310 --> 00:05:10,560

because it breaks my heart every time I

97

00:05:15,680 --> 00:05:13,320

do it if I end up crying I am I've got

98

00:05:19,370 --> 00:05:15,690

to apologize straight away it broke my

99

00:05:20,839 --> 00:05:19,380

heart when I when this one happened Tim

100

00:05:22,730 --> 00:05:20,849

breaks though it was fate and fortune

101
00:05:24,260 --> 00:05:22,740
take a break Nessa to the take a break

102
00:05:27,050 --> 00:05:24,270
privacy and I tried two investigations

103
00:05:30,770 --> 00:05:27,060
for the magazine and they fo Mia and

104
00:05:33,310 --> 00:05:30,780
they said can you do something for us is

105
00:05:37,990 --> 00:05:33,320
that what you want an investigation over

106
00:05:42,320 --> 00:05:38,000
it's the eighth 404 to road from

107
00:05:44,800 --> 00:05:42,330
remember idly from Radhika to Albert

108
00:05:48,950 --> 00:05:44,810
give any anybody been on that road

109
00:05:51,770 --> 00:05:48,960
anybody know it there's a truck there

110
00:05:54,260 --> 00:05:51,780
and she said I don't want to tell you

111
00:05:57,379 --> 00:05:54,270
anything all I wanted to do is

112
00:05:58,490 --> 00:05:57,389
investigate and see what you get we go

113
00:06:01,730 --> 00:05:58,500

to the next slide

114

00:06:04,520 --> 00:06:01,740

oh that's that's it all taken in like

115

00:06:07,249 --> 00:06:04,530

that garden that's a hydrangea bush that

116

00:06:09,080 --> 00:06:07,259

shows you how big they can get those

117

00:06:13,820 --> 00:06:09,090

little ones coming out of it and the

118

00:06:15,709 --> 00:06:13,830

next photo that's it just dr. be gone

119

00:06:20,510 --> 00:06:15,719

but you can see the little ones still

120

00:06:22,690 --> 00:06:20,520

coming out and the next photograph you

121

00:06:24,510 --> 00:06:22,700

see when I do the

122

00:06:26,980 --> 00:06:24,520

twenty years around the church services

123

00:06:28,990 --> 00:06:26,990

burns are taking clairvoyant mediumship

124

00:06:31,450 --> 00:06:29,000

demonstrations for over 20 years and

125

00:06:36,370 --> 00:06:31,460

Chris does take photographs now and then

126

00:06:39,370 --> 00:06:36,380

on the next one and this is au foaming

127

00:06:40,900 --> 00:06:39,380

Lavina in Kinkos where a friend of ours

128

00:07:00,940 --> 00:06:40,910

opened the back door and that was above

129

00:07:05,410 --> 00:07:00,950

his house he don't he won't he is such a

130

00:07:18,060 --> 00:07:05,420

shiny Chris it's Dave he will not tell

131

00:07:59,340 --> 00:07:56,940

at the time he was quite dark

132

00:08:00,900 --> 00:07:59,350

it was you couldn't see the scar you

133

00:08:20,630 --> 00:08:00,910

said you only could see was the enemies

134

00:08:29,610 --> 00:08:24,290

until we have the next one please

135

00:08:32,310 --> 00:08:29,620

as another all over that was in Brecon

136

00:08:34,380 --> 00:08:32,320

way if you go close up you could see the

137

00:08:37,290 --> 00:08:34,390

face I think the next one is close up

138

00:08:39,620 --> 00:08:37,300

one yeah what's your face actually

139

00:08:42,210 --> 00:08:39,630

that's where a plane came down

140

00:08:44,580 --> 00:08:42,220

so I think that sort of ghostly kind of

141

00:08:47,310 --> 00:08:44,590

thing rather than the UFO thing and

142

00:08:49,020 --> 00:08:47,320

that's where a plane came down and you

143

00:08:55,860 --> 00:08:49,030

can definitely see the face in that one

144

00:08:57,810 --> 00:08:55,870

coming and the next one the sky watch go

145

00:09:02,190 --> 00:08:57,820

on a sky watch they're always attracted

146

00:09:04,110 --> 00:09:02,200

next one yeah they always come in a sky

147

00:09:06,960 --> 00:09:04,120

watch take cameras if you're going on a

148

00:09:09,390 --> 00:09:06,970

sky watch take your cameras with you

149

00:09:12,770 --> 00:09:09,400

high energy if I energy is there then

150

00:09:21,180 --> 00:09:12,780

I'm taking photographs on the next one

151

00:09:23,580 --> 00:09:21,190

now this is this investigation it runs

152

00:09:27,480 --> 00:09:23,590

from popsicle to our you've led a forum

153

00:09:30,450 --> 00:09:27,490

before on for two and this is what the

154

00:09:32,310 --> 00:09:30,460

magazine had told me two policemen had

155

00:09:35,580 --> 00:09:32,320

seen something and apparently were very

156

00:09:37,320 --> 00:09:35,590

upset over this experience I asked take

157

00:09:39,060 --> 00:09:37,330

a fortune for only the time of the

158

00:09:40,680 --> 00:09:39,070

occurrence as I have worked with spirit

159

00:09:42,750 --> 00:09:40,690

for over 30 years and I trust them I

160

00:09:43,960 --> 00:09:42,760

found that this is the best way to go

161

00:09:46,629 --> 00:09:43,970

into any investigation

162

00:09:48,999 --> 00:09:46,639

knowing nothing which is true we've got

163

00:09:50,499 --> 00:09:49,009

to do that because I find in

164

00:09:52,660 --> 00:09:50,509

investigations you go back time and time

165

00:09:55,240 --> 00:09:52,670

again and gets get parts the story each

166

00:09:57,600 --> 00:09:55,250

and every time and by the way in where

167

00:10:02,019 --> 00:09:57,610

that's big

168

00:10:04,960 --> 00:10:02,029

the club has cross Ely where they

169

00:10:07,569 --> 00:10:04,970

actually were the pilots saw that tanker

170

00:10:09,340 --> 00:10:07,579

a lady opened the curtains in the

171

00:10:11,800 --> 00:10:09,350

morning that was a youthful staring in

172

00:10:21,210 --> 00:10:11,810

there's a lot of activity going on over

173

00:10:25,119 --> 00:10:21,220

there you know okay next one this

174

00:10:27,939 --> 00:10:25,129

investigation I went to the trough -

175

00:10:31,360 --> 00:10:27,949

psychic artists so I find that if I do

176

00:10:33,069 --> 00:10:31,370

drawings the spirit covers clothes and

177

00:10:35,470 --> 00:10:33,079

they come in and they literally give me

178

00:10:40,030 --> 00:10:35,480

sittings and you know there was quite a

179

00:10:45,519 --> 00:10:40,040

few spirit there but we went to actually

180

00:10:51,100 --> 00:10:45,529

visit there was a robbery a highway

181

00:10:54,639 --> 00:10:51,110

robbery but the actual one is that I've

182

00:10:57,879 --> 00:10:54,649

got it was a very young soul that came

183

00:10:59,650 --> 00:10:57,889

from so tragic hoping the ways were so

184

00:11:01,540 --> 00:10:59,660

clear he spoke to me through tears and

185

00:11:04,319 --> 00:11:01,550

you can see the tears in the psychic art

186

00:11:09,490 --> 00:11:04,329

portrait it's always the actual website

187

00:11:13,809 --> 00:11:09,500

but this was in 2006 he was crying he

188

00:11:15,639 --> 00:11:13,819

was but he told me he was 21 22 and he

189

00:11:19,179 --> 00:11:15,649

just kept saying I'm sorry mom I'm so

190

00:11:27,340 --> 00:11:19,189

sorry please please forgive me he died

191

00:11:31,329 --> 00:11:27,350

on and what happened was that he had

192

00:11:35,499 --> 00:11:31,339

bought a motorcycle of his friends and

193

00:11:38,379 --> 00:11:35,509

he was in the middle of violence and he

194

00:11:39,940 --> 00:11:38,389

was in the pub and the keys were on the

195

00:11:44,860 --> 00:11:39,950

table so he stole

196

00:11:49,630 --> 00:11:44,870

jeez it didn't have a motorcycle helmet

197

00:11:52,030 --> 00:11:49,640

on and his parents were split up and he

198

00:11:55,240 --> 00:11:52,040

used to go from principal to Alberta

199

00:11:57,460 --> 00:11:55,250

penny where his dad moved so he got on

200

00:11:59,950 --> 00:11:57,470

the motorbike he stole it merely and but

201

00:12:01,900 --> 00:11:59,960

he got on the motorbike to drive to his

202

00:12:03,820 --> 00:12:01,910

dad's he was gonna buy the bike anyway

203

00:12:05,530 --> 00:12:03,830

degree but it was just he didn't do any

204

00:12:09,640 --> 00:12:05,540

of the rights we didn't have about

205

00:12:13,000 --> 00:12:09,650

chance he drove around the roundabout to

206

00:12:15,160 --> 00:12:13,010

go up once the airport for a for - but

207

00:12:18,160 --> 00:12:15,170

what he didn't know because he was

208

00:12:22,420 --> 00:12:18,170

driving away fast because he was elated

209

00:12:24,310 --> 00:12:22,430

he just stolen the body he was driving

210

00:12:27,640 --> 00:12:24,320

fast what he didn't know when the road

211

00:12:30,970 --> 00:12:27,650

was closed and they put a line across

212

00:12:38,940 --> 00:12:30,980

its of Rover crosses as he went up the

213

00:12:47,590 --> 00:12:43,840

I'm sorry it's just that when they

214

00:12:53,140 --> 00:12:47,600

coming close and I had all the emotion

215

00:12:55,180 --> 00:12:53,150

of he was so upset he was so he didn't

216

00:13:00,790 --> 00:12:55,190

know what to say or do to put him riders

217

00:13:02,770 --> 00:13:00,800

and he really couldn't say much more all

218

00:13:07,590 --> 00:13:02,780

I did was the psychic art photograph I

219

00:13:14,800 --> 00:13:07,600

don't know if we've got it forward

220

00:13:17,530 --> 00:13:14,810

no that's the truck but I did photograph

221

00:13:24,610 --> 00:13:17,540

the artwork we've got the next one is it

222

00:13:29,440 --> 00:13:24,620

there is it really upset me and then all

223

00:13:31,120 --> 00:13:29,450

I could see was a month and because this

224

00:13:33,340 --> 00:13:31,130

is really upset me and I started crying

225

00:13:35,320 --> 00:13:33,350

with him I had to close we had to close

226
00:13:37,960 --> 00:13:35,330
down and I thought I'd have to come back

227
00:13:40,090 --> 00:13:37,970
at the time of when the actual thing

228
00:13:42,220 --> 00:13:40,100
magazine said to actually come back

229
00:13:45,400 --> 00:13:42,230
which is the incident happened at 4 a.m.

230
00:13:48,910 --> 00:13:45,410
in the morning the two policemen had

231
00:13:50,949 --> 00:13:48,920
drove down the road that's 4 a.m. so I

232
00:13:54,400 --> 00:13:50,959
wanted to be on the road at 4 a.m. just

233
00:13:59,019 --> 00:13:54,410
to be at the same time I did a church

234
00:14:02,499 --> 00:13:59,029
service in Quantico by coincidence just

235
00:14:06,429 --> 00:14:02,509
that we could see later and I put this

236
00:14:09,369 --> 00:14:06,439
as part 2 of this investigation from the

237
00:14:11,350 --> 00:14:09,379
a 4-4-2 for particle to albumin and if

238
00:14:14,619 --> 00:14:11,360

anything I didn't expect it to happen

239

00:14:17,590 --> 00:14:14,629

but I do these church services so I went

240

00:14:19,600 --> 00:14:17,600

into the church service and started it's

241

00:14:21,369 --> 00:14:19,610

just like a normal church service until

242

00:14:23,650 --> 00:14:21,379

the end where you get messages from

243

00:14:27,879 --> 00:14:23,660

spirit to prove that life exists you

244

00:14:29,439 --> 00:14:27,889

know it carries on and I started giving

245

00:14:33,309 --> 00:14:29,449

a lot of details I couldn't nobody could

246

00:14:35,170 --> 00:14:33,319

take it and there was an Alsatian talk I

247

00:14:37,119 --> 00:14:35,180

always get the animals are stationed on

248

00:14:39,069 --> 00:14:37,129

a retriever a golden retriever in the

249

00:14:40,720 --> 00:14:39,079

family then the names came through and

250

00:14:44,410 --> 00:14:40,730

nobody could take it and they were so

251
00:14:46,210 --> 00:14:44,420
definite about all of it and then

252
00:14:48,340 --> 00:14:46,220
somebody came in and I always take my

253
00:14:49,780 --> 00:14:48,350
dog there because she didn't mind me

254
00:14:51,549 --> 00:14:49,790
taking my little dog and she started

255
00:14:54,819 --> 00:14:51,559
barking at them so I told him to sit

256
00:14:56,619 --> 00:14:54,829
down I gave them all the details and

257
00:14:59,980 --> 00:14:56,629
they took every bit so putting the dogs

258
00:15:02,429 --> 00:14:59,990
that they were in the family she came up

259
00:15:04,749 --> 00:15:02,439
to me and afterwards because they

260
00:15:05,980 --> 00:15:04,759
started to give her a message

261
00:15:08,049 --> 00:15:05,990
and in fact she'd never go through

262
00:15:11,110 --> 00:15:08,059
something ever again and that she was

263
00:15:15,160 --> 00:15:11,120

brave and that a lot of things happened

264

00:15:17,110 --> 00:15:15,170

by coincidence and that you know it was

265

00:15:19,869 --> 00:15:17,120

a young act that was crying and it

266

00:15:21,850 --> 00:15:19,879

struck me that we weren't far from the

267

00:15:24,910 --> 00:15:21,860

truth whether the young wife was crying

268

00:15:26,799 --> 00:15:24,920

as the psychic are photographing so I

269

00:15:30,129 --> 00:15:26,809

said to her can you hang on just a

270

00:15:30,660 --> 00:15:30,139

second after the service and I just want

271

00:15:33,750 --> 00:15:30,670

to see

272

00:15:38,520 --> 00:15:33,760

got something to show you I showed her

273

00:15:40,920 --> 00:15:38,530

me out that was her son and that's how I

274

00:15:45,420 --> 00:15:40,930

got all the details of what happened and

275

00:15:46,860 --> 00:15:45,430

how he died and only motherless not even

276

00:15:48,240 --> 00:15:46,870

if anybody else is getting the he's

277

00:15:51,930 --> 00:15:48,250

probably around because we're talking

278

00:15:54,990 --> 00:15:51,940

about him but he died too young and

279

00:15:56,730 --> 00:15:55,000

literally she told me the story that had

280

00:16:01,170 --> 00:15:56,740

stolen the motorbike going to see his

281

00:16:04,370 --> 00:16:01,180

father you know of the fact that it was

282

00:16:07,710 --> 00:16:04,380

a tragic tragic accident

283

00:16:09,390 --> 00:16:07,720

her son was 6 foot 2 tall was considered

284

00:16:11,550 --> 00:16:09,400

very handsome patias that was not

285

00:16:14,010 --> 00:16:11,560

wearing a helmet when he died the

286

00:16:15,630 --> 00:16:14,020

inquest into his fellows death has not

287

00:16:18,600 --> 00:16:15,640

happened yet estar was pulled out of

288

00:16:20,310 --> 00:16:18,610

Anthony Jones he was wearing a white

289

00:16:22,020 --> 00:16:20,320

t-shirt or blue trousers when she

290

00:16:22,500 --> 00:16:22,030

visited him in the hospital after the

291

00:16:25,080 --> 00:16:22,510

event

292

00:16:29,250 --> 00:16:25,090

Adam was already dead and I didn't see

293

00:16:31,110 --> 00:16:29,260

the accident this it was the same high

294

00:16:36,210 --> 00:16:31,120

cheekbones and dimple and the Chairman

295

00:16:38,670 --> 00:16:36,220

he was younger because you can imagine

296

00:16:41,510 --> 00:16:38,680

this was so upsetting and I thought I've

297

00:16:45,330 --> 00:16:41,520

got to go back because I started doing

298

00:16:47,520 --> 00:16:45,340

the first part of the investigation and

299

00:16:49,200 --> 00:16:47,530

this was part of the second part for the

300

00:16:51,660 --> 00:16:49,210

magazine so I thought I got to go back

301

00:16:58,370 --> 00:16:51,670

one more time at the time of when the

302

00:17:04,380 --> 00:16:58,380

policeman had the incident so I went and

303

00:17:06,060 --> 00:17:04,390

before I did Pam said Pam Jones mum told

304

00:17:09,930 --> 00:17:06,070

me that there was an article in the

305

00:17:12,240 --> 00:17:09,940

newspaper about his son and if I wanted

306

00:17:13,920 --> 00:17:12,250

to I could go to the magazine and she

307

00:17:17,699 --> 00:17:13,930

was willing for me to have a photograph

308

00:17:20,160 --> 00:17:17,709

of him from the the Gazeta quasi-neutral

309

00:17:23,460 --> 00:17:20,170

so I got the Gazette and they sent me

310

00:17:26,380 --> 00:17:23,470

the photograph and the article is in

311

00:17:28,840 --> 00:17:26,390

that tomb and this is being

312

00:17:37,180 --> 00:17:28,850

I just can't believe what what happened

313

00:17:40,030 --> 00:17:37,190

next but the photograph attacks him from

314

00:17:43,110 --> 00:17:40,040

the article I didn't get until after

315

00:17:46,420 --> 00:17:43,120

we've been back at 4 a.m. in the morning

316

00:17:48,370 --> 00:17:46,430

so then we were this is scientific

317

00:17:51,100 --> 00:17:48,380

investigations you've got one inside you

318

00:17:51,810 --> 00:17:51,110

know and it was cold it was freezing one

319

00:17:55,110 --> 00:17:51,820

Icarus

320

00:17:58,030 --> 00:17:55,120

he went to the childhood we sat down and

321

00:17:59,860 --> 00:17:58,040

all this stuff in the car door opens and

322

00:18:01,300 --> 00:17:59,870

suddenly settled in and it wasn't Chris

323

00:18:02,950 --> 00:18:01,310

might say there was gonna talk to

324

00:18:06,670 --> 00:18:02,960

Kristin somebody else was there it was a

325

00:18:10,030 --> 00:18:06,680

month so I took him and I started to

326

00:18:12,640 --> 00:18:10,040

talk to him and he started to give me

327

00:18:14,470 --> 00:18:12,650

the impression of who he was and what it

328

00:18:17,260 --> 00:18:14,480

was all about it was very urgent and he

329

00:18:19,600 --> 00:18:17,270

told me that the car the police car I've

330

00:18:22,870 --> 00:18:19,610

ever driven through him and all the rest

331

00:18:25,030 --> 00:18:22,880

and I thought Frankie you know and the

332

00:18:29,010 --> 00:18:25,040

actual party was there we investigated

333

00:18:31,840 --> 00:18:29,020

after we found the army but

334

00:18:34,540 --> 00:18:31,850

unfortunately my husband the big skeptic

335

00:18:36,670 --> 00:18:34,550

altered the Doris sat on him so that's

336

00:18:42,910 --> 00:18:36,680

the end of that I said you like this

337

00:18:44,470 --> 00:18:42,920

somebody there it says my seats the

338

00:18:46,090 --> 00:18:44,480

monkey had told me that the ground which

339

00:18:47,950 --> 00:18:46,100

was a normal burial grounds have been

340

00:18:49,540 --> 00:18:47,960

disturbed and of course the energy to go

341

00:18:52,510 --> 00:18:49,550

out of balance and was the reason why

342

00:18:54,520 --> 00:18:52,520

the doorway was opened and spirit could

343

00:18:56,710 --> 00:18:54,530

come through in the first investigation

344

00:18:58,870 --> 00:18:56,720

we took parallel Road to cross off the

345

00:19:00,670 --> 00:18:58,880

building site next the police station

346

00:19:01,510 --> 00:19:00,680

and I wondered whether this was the

347

00:19:04,270 --> 00:19:01,520

Disturb sign

348

00:19:05,740 --> 00:19:04,280

I never assume anything with spirits but

349

00:19:08,500 --> 00:19:05,750

this was just a few hundred yards from

350

00:19:09,880 --> 00:19:08,510

where we were sitting and that's the

351

00:19:11,470 --> 00:19:09,890

next big night making all of a sudden

352

00:19:13,120 --> 00:19:11,480

the door open a Kris started to talk

353

00:19:15,490 --> 00:19:13,130

about how cold where there was a crowd I

354

00:19:20,500 --> 00:19:15,500

don't sit down and then he sat on him so

355

00:19:25,110 --> 00:19:20,510

clear so when I took the art photograph

356

00:19:27,430 --> 00:19:25,120

of the monk for me go to the next one

357

00:19:29,670 --> 00:19:27,440

well that was one of those things I

358

00:19:32,370 --> 00:19:29,680

stories were never the doorway was

359

00:19:35,280 --> 00:19:32,380

open it was really open the police were

360

00:19:37,380 --> 00:19:35,290

convinced it was a person it was as

361

00:19:38,760 --> 00:19:37,390

physical as you were I think I'm not

362

00:19:40,680 --> 00:19:38,770

going to argue with them because at the

363

00:19:43,050 --> 00:19:40,690

end of the day I think was best if these

364

00:19:44,730 --> 00:19:43,060

two policemen had gone to turn imagines

365

00:19:46,650 --> 00:19:44,740

who's not going to take a break plate

366

00:19:49,770 --> 00:19:46,660

before which a magazine and say this is

367

00:19:52,830 --> 00:19:49,780

what happened to us explain it so can he

368

00:19:55,130 --> 00:19:52,840

go to the next one that's another one

369

00:19:59,850 --> 00:19:55,140

from the investigation and the next one

370

00:20:00,800 --> 00:19:59,860

there she'll monk Wow he was he wasn't

371

00:20:03,120 --> 00:20:00,810

at me

372

00:20:05,330 --> 00:20:03,130

he was absolutely lovely can you notice

373

00:20:07,320 --> 00:20:05,340

the next one

374

00:20:08,790 --> 00:20:07,330

Darla next well there was a lot of

375

00:20:11,010 --> 00:20:08,800

paranormal photographs taken

376

00:20:14,040 --> 00:20:11,020

there's the policeman I'm going to read

377

00:20:16,200 --> 00:20:14,050

out their story anyway I went back and

378

00:20:18,150 --> 00:20:16,210

explained about it explained about the

379

00:20:20,250 --> 00:20:18,160

Lancome that the disturbed energy and

380

00:20:21,930 --> 00:20:20,260

that's why the monk was there and it was

381

00:20:28,050 --> 00:20:21,940

probably the month that the policemen

382

00:20:30,450 --> 00:20:28,060

sing so this is their article from tech

383

00:20:33,300 --> 00:20:30,460

break Faison fortune please sergeant

384

00:20:34,860 --> 00:20:33,310

Makai from multiple hacked with PC John

385

00:20:37,010 --> 00:20:34,870

Williams on the rights of trained to

386

00:20:40,080 --> 00:20:37,020

keep cool under pressure

387

00:20:41,820 --> 00:20:40,090

but what Makai store on duty one night

388

00:20:43,530 --> 00:20:41,830

was more chilling than anything he'd

389

00:20:46,500 --> 00:20:43,540

ever seen in his 10 years of fighting

390

00:20:48,180 --> 00:20:46,510

crime glancing down at the clock on the

391

00:20:49,200 --> 00:20:48,190

dashboard I was surprised to see it was

392

00:20:51,390 --> 00:20:49,210

already 4 a.m.

393

00:20:53,190 --> 00:20:51,400

my fellow police officer John Williams

394

00:20:55,920 --> 00:20:53,200

and I were driving back to the neck in

395

00:20:58,710 --> 00:20:55,930

our monthly scoring timer to swim by

396

00:21:00,180 --> 00:20:58,720

it's been a busy on like John I said as

397

00:21:03,120 --> 00:21:00,190

we headed along the deserted

398

00:21:06,360 --> 00:21:03,130

8404 to from a big advantage Awards

399

00:21:09,030 --> 00:21:06,370

pontypool in South Wales we went on the

400

00:21:10,170 --> 00:21:09,040

77 shift we've been involved in a

401
00:21:12,270 --> 00:21:10,180
situation

402
00:21:15,630 --> 00:21:12,280
in a fairly enough to put sweetheart a

403
00:21:17,970 --> 00:21:15,640
debrief at the local station rather we

404
00:21:20,790 --> 00:21:17,980
were on our way back to base with John

405
00:21:22,950 --> 00:21:20,800
at the wheel loyalists were tired

406
00:21:26,160 --> 00:21:22,960
in fact the adrenaline from the blast

407
00:21:28,320 --> 00:21:26,170
job that left us more alert than normal

408
00:21:31,350 --> 00:21:28,330
we were passing through the run-over

409
00:21:33,000 --> 00:21:31,360
area doing about 40 miles per hour while

410
00:21:35,880 --> 00:21:33,010
I saw her hooded figure right in the

411
00:21:37,860 --> 00:21:35,890
middle of the road and we got closer I

412
00:21:39,990 --> 00:21:37,870
saw that that the person I couldn't tell

413
00:21:43,140 --> 00:21:40,000

whether he was a he or she was standing

414

00:21:44,970 --> 00:21:43,150

dead still there back to us just inside

415

00:21:47,520 --> 00:21:44,980

the central white lines the figure was

416

00:21:51,300 --> 00:21:47,530

wearing a long brown cloak with a hood

417

00:21:53,760 --> 00:21:51,310

over its head so that it rose to a sharp

418

00:21:56,760 --> 00:21:53,770

point it realizing the other ones have

419

00:22:00,120 --> 00:21:56,770

it you see all sorts of things in this

420

00:22:01,740 --> 00:22:00,130

job that it struck very hard what is the

421

00:22:03,990 --> 00:22:01,750

how is someone doing out here at Florida

422

00:22:05,850 --> 00:22:04,000

adjusting their mouths habits and

423

00:22:07,890 --> 00:22:05,860

wonderful job break in any moment I

424

00:22:09,860 --> 00:22:07,900

thought but he didn't he kept on going

425

00:22:12,930 --> 00:22:09,870

are you going to slow down I asked him

426
00:22:14,790 --> 00:22:12,940
my heart was beating faster as we drove

427
00:22:18,180 --> 00:22:14,800
towards the figure why what's wrong

428
00:22:19,560 --> 00:22:18,190
replied John can't you see it I started

429
00:22:21,300 --> 00:22:19,570
trying not to panic

430
00:22:22,800 --> 00:22:21,310
we were almost upon the figure the car

431
00:22:25,500 --> 00:22:22,810
was heading straight for it

432
00:22:27,120 --> 00:22:25,510
see what he asked against all our

433
00:22:29,940 --> 00:22:27,130
training I almost grabbed the wheel to

434
00:22:31,680 --> 00:22:29,950
try and swerve but it was too late we

435
00:22:34,140 --> 00:22:31,690
cleared right through the figure I

436
00:22:36,390 --> 00:22:34,150
braced myself for the impact but there

437
00:22:39,270 --> 00:22:36,400
was no sound no job nothing John drove

438
00:22:42,150 --> 00:22:39,280

on stop by yells you're hit Smith hit

439

00:22:44,310 --> 00:22:42,160

just hit him it don't look like stopping

440

00:22:48,000 --> 00:22:44,320

Karen looked at me I could see he was

441

00:22:50,160 --> 00:22:48,010

totally confused I don't understand look

442

00:22:52,110 --> 00:22:50,170

like John I didn't see end nevertheless

443

00:22:53,850 --> 00:22:52,120

he's Spanish ground back at the spot

444

00:22:54,210 --> 00:22:53,860

where there's no trace of the person or

445

00:22:57,210 --> 00:22:54,220

any

446

00:23:00,060 --> 00:22:57,220

an accident it didn't make sense I told

447

00:23:02,520 --> 00:23:00,070

him I was pretty spooked and John to see

448

00:23:04,890 --> 00:23:02,530

for my expression it was no wonder he

449

00:23:06,630 --> 00:23:04,900

drove towards pond school but a few

450

00:23:08,010 --> 00:23:06,640

months later we decided to go back to

451
00:23:11,250 --> 00:23:08,020
the spot for another look he's a

452
00:23:14,159 --> 00:23:11,260
policeman just in case as we approach

453
00:23:16,049 --> 00:23:14,169
the second time I froze it's right back

454
00:23:18,210 --> 00:23:16,059
are the figures still accompany come

455
00:23:21,020 --> 00:23:18,220
back to this but kaya can't see a thing

456
00:23:24,000 --> 00:23:21,030
said John poor guy was totally baffled

457
00:23:25,440 --> 00:23:24,010
suddenly the cold icy cold as I stared

458
00:23:29,640 --> 00:23:25,450
out to the figure I felt an overwhelming

459
00:23:31,560 --> 00:23:29,650
sense of despair it was so intense that

460
00:23:34,020 --> 00:23:31,570
tears welled up in my eyes I've never

461
00:23:35,850 --> 00:23:34,030
experienced anything like you'd see in

462
00:23:37,710 --> 00:23:35,860
the state I was seeing and realizing

463
00:23:40,020 --> 00:23:37,720

that something was terribly wrong

464

00:23:41,669 --> 00:23:40,030

John accelerated away within a minute

465

00:23:43,890 --> 00:23:41,679

the temperature in the car was back to

466

00:23:46,049 --> 00:23:43,900

normal temperatures go down very low

467

00:23:51,360 --> 00:23:46,059

when this activity of anybody noticed

468

00:23:52,890 --> 00:23:51,370

that the girls like icy but though John

469

00:23:54,990 --> 00:23:52,900

hadn't seen the figure with his own eyes

470

00:23:56,460 --> 00:23:55,000

he didn't doubt me one side recovered I

471

00:23:58,080 --> 00:23:56,470

wanted to go back and look for a third

472

00:23:58,880 --> 00:23:58,090

time it's a glycol isn't it for

473

00:24:01,110 --> 00:23:58,890

punishment

474

00:24:02,520 --> 00:24:01,120

John agreed but just what we got a

475

00:24:06,480 --> 00:24:02,530

call-out and I had to go back to

476

00:24:08,340 --> 00:24:06,490

Quantico this happened a 91 survived

477

00:24:10,680 --> 00:24:08,350

different past the spot many times since

478

00:24:15,000 --> 00:24:10,690

both on and off duty but never seen

479

00:24:20,000 --> 00:24:15,010

anything strange like that this happened

480

00:24:23,340 --> 00:24:20,010

before Adam was decapitated

481

00:24:27,120 --> 00:24:23,350

he not only appeared to the policeman he

482

00:24:30,720 --> 00:24:27,130

came to the mother prior to the event

483

00:24:34,830 --> 00:24:30,730

two weeks prior to the events she told

484

00:24:37,520 --> 00:24:34,840

me that she was getting so sad stories

485

00:24:40,260 --> 00:24:37,530

and she was crying and she didn't know I

486

00:24:43,530 --> 00:24:40,270

she tried to get hold of the chair

487

00:24:47,430 --> 00:24:43,540

she for Christmas but it was closed the

488

00:24:49,530 --> 00:24:47,440

first time that she could go back to the

489

00:24:53,400 --> 00:24:49,540

church was when I was there after the

490

00:24:56,460 --> 00:24:53,410

event she didn't understand why that she

491

00:24:59,570 --> 00:24:56,470

had this feeling of despair and dreaming

492

00:25:03,720 --> 00:24:59,580

of her son and the songs that he loved

493

00:25:08,190 --> 00:25:03,730

prior to the event come here the next

494

00:25:12,720 --> 00:25:08,200

photograph that's their article on the

495

00:25:18,000 --> 00:25:12,730

next one now that's there is a

496

00:25:22,710 --> 00:25:18,010

photograph of Adam when he dies that

497

00:25:24,090 --> 00:25:22,720

husband he was 20 21 because they can't

498

00:25:27,169 --> 00:25:24,100

be the only close up from you could

499

00:25:33,440 --> 00:25:27,179

clean out the next one it perhaps it is

500

00:25:36,500 --> 00:25:33,450

anyway one of the same in fact I was

501
00:25:47,400 --> 00:25:36,510
literally told can we go back to the

502
00:25:54,090 --> 00:25:50,919
hmm my conclusion is a strange one on my

503
00:25:56,320 --> 00:25:54,100
first visit to this place I remarked to

504
00:25:59,680 --> 00:25:56,330
think of Fortune magazine that a vehicle

505
00:26:01,049 --> 00:25:59,690
went straight to the ghost of Adam it

506
00:26:05,500 --> 00:26:01,059
didn't leave went through the moat

507
00:26:11,620 --> 00:26:05,510
either one woman could wanted to say now

508
00:26:14,440 --> 00:26:11,630
time is not strange it's like this it's

509
00:26:17,919 --> 00:26:14,450
wavy it's like that sign sometimes not

510
00:26:21,220 --> 00:26:17,929
spent Linea it's like that clay noticed

511
00:26:26,320 --> 00:26:21,230
that when we take photographs I could be

512
00:26:28,060 --> 00:26:26,330
at the top loop of that first sitting

513
00:26:31,180 --> 00:26:28,070

there with my camera going click and

514

00:26:33,460 --> 00:26:31,190

time has traveled on all the way down so

515

00:26:35,620 --> 00:26:33,470

that people gone back up and I'm taking

516

00:26:37,650 --> 00:26:35,630

the photograph at the second loop the

517

00:26:40,480 --> 00:26:37,660

time difference could be a hundred years

518

00:26:45,430 --> 00:26:40,490

but it's just like a doorways opening up

519

00:26:49,210 --> 00:26:45,440

just in front of human paddle Enomoto

520

00:26:52,030 --> 00:26:49,220

the same he came back to warn hadn't

521

00:26:55,930 --> 00:26:52,040

warned the mother be with the police

522

00:26:59,230 --> 00:26:55,940

prior to the event to stop it happening

523

00:27:01,360 --> 00:26:59,240

any couldn't you can't stop something

524

00:27:04,480 --> 00:27:01,370

that's going to happen I had realized

525

00:27:06,310 --> 00:27:04,490

that if something is destiny we can

526

00:27:08,740 --> 00:27:06,320

interfere to a certain extent but you

527

00:27:13,360 --> 00:27:08,750

can tend to feel like this and that's

528

00:27:15,640 --> 00:27:13,370

why it never happened later on reading

529

00:27:17,860 --> 00:27:15,650

Rico story he confirms at the police car

530

00:27:19,390 --> 00:27:17,870

went through the ghost of the monk he

531

00:27:21,910 --> 00:27:19,400

also felt that the trough meant

532

00:27:23,740 --> 00:27:21,920

something this was where we had a large

533

00:27:25,950 --> 00:27:23,750

or with a purple tinge to the air to

534

00:27:28,750 --> 00:27:25,960

associate with parties and churches

535

00:27:32,790 --> 00:27:28,760

Makai felt an overwhelming feeling of

536

00:27:36,610 --> 00:27:32,800

despair and death prior to article time

537

00:27:39,070 --> 00:27:36,620

that Jung wrote that note it's almost

538

00:27:44,230 --> 00:27:39,080

like the monk was trying to warn himself

539

00:27:46,030 --> 00:27:44,240

in the future not to do it it's affected

540

00:27:46,940 --> 00:27:46,040

the energy system when we went there on

541

00:27:48,620 --> 00:27:46,950

the first page

542

00:27:50,840 --> 00:27:48,630

the energy was all over the place it was

543

00:27:53,840 --> 00:27:50,850

you would feel it on your feet it was

544

00:27:56,029 --> 00:27:53,850

all over the place and when we blew up

545

00:27:58,820 --> 00:27:56,039

some of the office we could see a lot of

546

00:28:02,480 --> 00:27:58,830

things but the two photographs is tight

547

00:28:04,820 --> 00:28:02,490

besides in the actual website time is

548

00:28:07,159 --> 00:28:04,830

not linear the soul of an atom in the

549

00:28:10,190 --> 00:28:07,169

month are one and the same just

550

00:28:11,870 --> 00:28:10,200

different times if we only own requests

551

00:28:13,840 --> 00:28:11,880

we go back into our past lives

552

00:28:16,490 --> 00:28:13,850

why not the future I've seen this happen

553

00:28:18,259 --> 00:28:16,500

the most understood the energy system

554

00:28:20,750 --> 00:28:18,269

and as the energies were so fired by the

555

00:28:23,180 --> 00:28:20,760

truck for one precious moment in time

556

00:28:25,549 --> 00:28:23,190

thought that perhaps the symptoms of a

557

00:28:31,100 --> 00:28:25,559

traumatic event in his future I'm trying

558

00:28:33,139 --> 00:28:31,110

to stop it and March 2006 I met Alan

559

00:28:34,909 --> 00:28:33,149

Jones Adam's mother to hand over the

560

00:28:37,549 --> 00:28:34,919

Friends of original artwork of a son

561

00:28:39,470 --> 00:28:37,559

this was a very emotional meeting and I

562

00:28:43,399 --> 00:28:39,480

know I put salt right on this event for

563

00:28:51,139 --> 00:28:43,409

some time clear there was unconditional

564

00:28:51,889 --> 00:28:51,149

love between such a tragedy was 21 years

565

00:28:54,860 --> 00:28:51,899

old

566

00:28:56,750 --> 00:28:54,870

such a tragedy but I can't go wrong with

567

00:28:58,789 --> 00:28:56,760

this one but I have to say as it

568

00:29:01,549 --> 00:28:58,799

affected me a great deal but not only

569

00:29:03,769 --> 00:29:01,559

that to realize there's more to life

570

00:29:07,639 --> 00:29:03,779

than what we could ever understand and

571

00:29:11,149 --> 00:29:07,649

these dimensional doors open up and when

572

00:29:13,039 --> 00:29:11,159

things go wrong you know I don't know if

573

00:29:16,370 --> 00:29:13,049

it's right or wrong with the monks knew

574

00:29:18,289 --> 00:29:16,380

how to manipulate the energy system and

575

00:29:20,480 --> 00:29:18,299

they're the only ones when I see people

576

00:29:23,060 --> 00:29:20,490

who've got a time T which is very rare

577

00:29:26,570 --> 00:29:23,070

event a tiny key is when you can

578

00:29:28,600 --> 00:29:26,580

manipulate and open these doorways but

579

00:29:31,570 --> 00:29:28,610

you have

580

00:29:34,330 --> 00:29:31,580

you cannot do that and that's one of the

581

00:29:37,450 --> 00:29:34,340

things he overstepped the line but if

582

00:29:45,370 --> 00:29:37,460

you can go back to the photograph the

583

00:29:48,100 --> 00:29:45,380

two together and actually see the

584

00:29:53,669 --> 00:29:48,110

likeness it seems that when we

585

00:30:09,659 --> 00:30:05,289

between can we go to the next one any

586

00:30:37,180 --> 00:30:09,669

questions on that one

587

00:30:40,240 --> 00:30:37,190

any other monks understood the energy

588

00:30:41,680 --> 00:30:40,250

system they can't go back and forth like

589

00:30:43,960 --> 00:30:41,690

they're not suppose we're not supposed

590

00:30:46,090 --> 00:30:43,970

to anybody is supposed to interfere but

591

00:30:50,500 --> 00:30:46,100

what I have noticed with people who have

592

00:30:53,019 --> 00:30:50,510

been in the church months knows etc that

593

00:30:54,879 --> 00:30:53,029

have high energy and the innocent energy

594

00:30:57,250 --> 00:30:54,889

that the can open the doorway said do

595

00:31:00,340 --> 00:30:57,260

this kind of work and warn people have

596

00:31:02,860 --> 00:31:00,350

helped people and guide people I have

597

00:31:04,870 --> 00:31:02,870

noticed one or two things sometimes they

598

00:31:09,070 --> 00:31:04,880

are reincarnation and they your own

599

00:31:13,090 --> 00:31:09,080

guide purely because they took vows of

600

00:31:16,750 --> 00:31:13,100

poverty and chastity and sometimes those

601
00:31:19,450 --> 00:31:16,760
vows go on to other lifetimes and they

602
00:31:22,149 --> 00:31:19,460
shouldn't interfere in other lifetimes

603
00:31:23,740 --> 00:31:22,159
but they do and so it's like getting rid

604
00:31:28,450 --> 00:31:23,750
of a little bit not of a curse but of

605
00:31:29,610 --> 00:31:28,460
what you did explanation I have the fear

606
00:31:33,210 --> 00:31:29,620
of the dentist

607
00:31:35,760 --> 00:31:33,220
have an overcrowding were 14 and my

608
00:31:37,200 --> 00:31:35,770
mother took me to the dentist and I

609
00:31:39,210 --> 00:31:37,210
screamed the place down something worse

610
00:31:42,299 --> 00:31:39,220
than the kitty screaming the place down

611
00:31:43,620 --> 00:31:42,309
in inner dentists I student place down

612
00:31:45,210 --> 00:31:43,630
my mother couldn't get over it I went

613
00:31:48,990 --> 00:31:45,220

from dentist to dentist and there woke

614

00:31:53,430 --> 00:31:49,000

up she goes she started screaming and I

615

00:31:55,350 --> 00:31:53,440

have a request did I ever realize why if

616

00:31:58,440 --> 00:31:55,360

you drown one lifetime we've got a fear

617

00:32:04,049 --> 00:31:58,450

of water in the next it is no reason

618

00:32:06,450 --> 00:32:04,059

friends I have a fear of the gas well

619

00:32:09,810 --> 00:32:06,460

they took out teeth when I was young it

620

00:32:13,200 --> 00:32:09,820

was my gas I wanna have a regression I

621

00:32:18,930 --> 00:32:13,210

saw myself as a little girl then kids in

622

00:32:21,180 --> 00:32:18,940

the gets jealous so in some respects I

623

00:32:23,600 --> 00:32:21,190

couldn't do it because as I said she

624

00:32:26,430 --> 00:32:23,610

went to the very beginning of his talk

625

00:32:29,549 --> 00:32:26,440

when you're younger you are more

626

00:32:32,250 --> 00:32:29,559

susceptible to remembering things that

627

00:32:34,620 --> 00:32:32,260

ever happened to you from past lives

628

00:32:36,150 --> 00:32:34,630

you're not really it's when you're

629

00:32:38,250 --> 00:32:36,160

younger and you're innocent and you're

630

00:32:41,250 --> 00:32:38,260

sensitive that you do pick up things yes

631

00:32:43,140 --> 00:32:41,260

but that's really shocked because only

632

00:32:46,169 --> 00:32:43,150

when I had any question did I realize

633

00:32:48,690 --> 00:32:46,179

that's the reason why I'm a dentist with

634

00:32:51,660 --> 00:32:48,700

months they took those vows which

635

00:32:54,150 --> 00:32:51,670

affected them I've done so many readings

636

00:32:57,510 --> 00:32:54,160

with people who were being abused in a

637

00:32:59,820 --> 00:32:57,520

very big karmic ties that have affected

638

00:33:04,830 --> 00:32:59,830

many many many many many lifetimes and

639

00:33:08,419 --> 00:33:04,840

it's why people certain people accept

640

00:33:11,340 --> 00:33:08,429

abuse as the no and even what the hell

641

00:33:13,620 --> 00:33:11,350

you know but each lifetime they come

642

00:33:16,919 --> 00:33:13,630

back to learn it's not right healing

643

00:33:20,460 --> 00:33:16,929

going to this cycle again and accept

644

00:33:22,860 --> 00:33:20,470

abuse because in one huge lifetime

645

00:33:25,320 --> 00:33:22,870

that's when it started Lia first

646

00:33:27,960 --> 00:33:25,330

original sin when the first one happened

647

00:33:28,989 --> 00:33:27,970

that's when the trouble started and that

648

00:33:31,509 --> 00:33:28,999

caused the scar

649

00:33:33,759 --> 00:33:31,519

and the world opens up every time until

650

00:33:36,819 --> 00:33:33,769

you break the cycle and you figure it

651
00:33:39,279 --> 00:33:36,829
out and you work it out and there's only

652
00:33:41,289 --> 00:33:39,289
one way of doing that that I've learned

653
00:33:43,809 --> 00:33:41,299
the hard way and you learned with

654
00:33:46,119 --> 00:33:43,819
somebody who I knew for a long time who

655
00:33:48,009 --> 00:33:46,129
I loved and that's unconditional - is

656
00:33:50,379 --> 00:33:48,019
its happy however how can you love

657
00:33:52,929 --> 00:33:50,389
somebody that is murdered you in another

658
00:33:55,119 --> 00:33:52,939
lifetime and you go home - that are made

659
00:33:58,329 --> 00:33:55,129
with there any grabber they put you into

660
00:34:00,119 --> 00:33:58,339
your family you could be yourself next

661
00:34:01,989 --> 00:34:00,129
lifetime he's your son

662
00:34:07,029 --> 00:34:01,999
unconditionally you forgive him

663
00:34:08,919 --> 00:34:07,039

everything so I hope that's all said it

664

00:34:11,379 --> 00:34:08,929

could be you in the previous ayah but

665

00:34:15,720 --> 00:34:11,389

because you're susceptible to it because

666

00:34:23,970 --> 00:34:15,730

the 2008 Spain why poverty and chastity

667

00:34:28,539 --> 00:34:26,319

they do have yes but they they

668

00:34:30,249 --> 00:34:28,549

understand the energy system more in

669

00:34:32,379 --> 00:34:30,259

those days I sometimes I wonder if

670

00:34:34,869 --> 00:34:32,389

that's why all Henry in the agent did

671

00:34:42,040 --> 00:34:34,879

what he did because they were getting

672

00:34:47,150 --> 00:34:44,360

sorry I can't see you can you put your

673

00:34:48,850 --> 00:34:47,160

hand up please oh there you go sorry

674

00:35:16,760 --> 00:34:48,860

yeah

675

00:35:19,970 --> 00:35:16,770

direction it being with being here the

676

00:35:22,360 --> 00:35:19,980

parts of my body is hot yeah and then

677

00:35:27,530 --> 00:35:22,370

the other part of my body is home

678

00:36:37,680 --> 00:36:19,000

[Music]

679

00:36:43,109 --> 00:36:40,740

chris is one chris is one of the biggest

680

00:36:45,750 --> 00:36:43,119

skeptics going and they done everything

681

00:36:48,299 --> 00:36:45,760

they pushed him as well devezin will be

682

00:36:50,010 --> 00:36:48,309

there pushed he will have the fact that

683

00:36:53,250 --> 00:36:50,020

he was pushed and they try to prove to

684

00:36:55,079 --> 00:36:53,260

him but he tries to find the how many

685

00:37:09,359 --> 00:36:55,089

kind an explanation will be important is

686

00:37:14,589 --> 00:37:13,120

I think a lot of people in this room are

687

00:37:18,279 --> 00:37:14,599

here because you've had your own

688

00:37:20,799 --> 00:37:18,289

experiences and you because you not only

689

00:37:23,079 --> 00:37:20,809

had your own UFO experiences but you've

690

00:37:24,579 --> 00:37:23,089

also had spiritual experiences yourself

691

00:37:52,950 --> 00:37:24,589

you've probably seen or heard something

692

00:37:52,960 --> 00:38:04,049

[Music]

693

00:38:10,479 --> 00:38:07,630

they want to they want to give you proof

694

00:38:11,829 --> 00:38:10,489

that there and they really want you to

695

00:38:13,959 --> 00:38:11,839

know that they're there because some of

696

00:38:16,089 --> 00:38:13,969

the investigations we've just been

697

00:38:17,709 --> 00:38:16,099

blowing their minds we should relieve

698

00:38:20,140 --> 00:38:17,719

some of them on the website because they

699

00:38:21,999 --> 00:38:20,150

are really unbelievable because they

700

00:38:30,420 --> 00:38:22,009

improving dimensional things are we

701
00:38:42,630 --> 00:38:39,960
oh no I happened but I've heard of them

702
00:38:43,980 --> 00:38:42,640
I've investigated one of them and there

703
00:39:45,420 --> 00:38:43,990
was a reason for it

704
00:39:48,720 --> 00:39:45,430
respects because anybody else like to

705
00:39:50,609 --> 00:39:48,730
ask a question about the dimensional

706
00:39:53,609 --> 00:39:50,619
stuff is that's interesting so a lot of

707
00:39:56,430 --> 00:39:53,619
the handed out leaflets to the website

708
00:39:58,109 --> 00:39:56,440
Alissa awful lot apparently the website

709
00:40:00,539 --> 00:39:58,119
there's an awful lot of photographs and

710
00:40:02,460 --> 00:40:00,549
dimensional photographs there too was

711
00:40:13,940 --> 00:40:02,470
could when you open those doorways that

712
00:40:19,440 --> 00:40:17,190
the one that was abused the Karman

713
00:40:22,769 --> 00:40:19,450

relates to Australia and I've had a lot

714

00:40:25,410 --> 00:40:22,779

of people come through they stayed was

715

00:40:29,460 --> 00:40:25,420

about a few centuries ago where young

716

00:40:31,130 --> 00:40:29,470

people were taken off the coasts of boys

717

00:40:33,680 --> 00:40:31,140

out of homes taken off

718

00:40:37,100 --> 00:40:33,690

the Australian Australian clubs take

719

00:40:39,170 --> 00:40:37,110

them to a place which was a hot interior

720

00:40:41,990 --> 00:40:39,180

and they were held underground in the

721

00:40:43,760 --> 00:40:42,000

dark and what happened was that they

722

00:40:45,140 --> 00:40:43,770

were abused and that's how I got this

723

00:40:47,780 --> 00:40:45,150

passionately wants to live in those

724

00:40:51,020 --> 00:40:47,790

temperatures it was a lining community

725

00:40:53,600 --> 00:40:51,030

and I'd find the people and I talked to

726

00:40:55,700 --> 00:40:53,610

because as I said I don't know 32,000

727

00:40:58,040 --> 00:40:55,710

reasons that that are connected they all

728

00:41:01,100 --> 00:40:58,050

seem to have mining connections in their

729

00:41:03,500 --> 00:41:01,110

family and connections to Australia but

730

00:41:05,330 --> 00:41:03,510

they were sexually and physically abused

731

00:41:09,950 --> 00:41:05,340

and that's they fell in love with their

732

00:41:13,190 --> 00:41:09,960

abuser but I won a reincarnated it's

733

00:41:15,590 --> 00:41:13,200

still stuck in their minds it still was

734

00:41:18,110 --> 00:41:15,600

there because then they couldn't go into

735

00:41:19,700 --> 00:41:18,120

a relationship and as a normal

736

00:41:21,470 --> 00:41:19,710

relationship they had to go into an

737

00:41:23,960 --> 00:41:21,480

abusive relationship because they

738

00:41:27,590 --> 00:41:23,970

understood that they weren't healed from

739

00:41:29,990 --> 00:41:27,600

it just like they come back to heal from

740

00:41:32,060 --> 00:41:30,000

it and to experience it and to forgive

741

00:41:35,480 --> 00:41:32,070

and once they forgiven it was all over

742

00:41:38,570 --> 00:41:35,490

but it was a case of it's karma has to

743

00:41:43,280 --> 00:41:38,580

balance those people were reincarnated

744

00:41:53,890 --> 00:41:43,290

into that karma have been both sides

745

00:41:59,780 --> 00:41:56,360

working with you had experiences with

746

00:42:03,410 --> 00:41:59,790

angels work with angels particularly one

747

00:42:05,510 --> 00:42:03,420

Michael he always seems to come when

748

00:42:07,010 --> 00:42:05,520

people are in crisis he's the best one

749

00:42:09,680 --> 00:42:07,020

because he always puts people into a

750

00:42:11,240 --> 00:42:09,690

great time and then he just holds them

751
00:42:12,620 --> 00:42:11,250
there and they hate it because people

752
00:42:14,809 --> 00:42:12,630
come on the line and they said well

753
00:42:16,159 --> 00:42:14,819
nothing is happening and I say no

754
00:42:18,319 --> 00:42:16,169
what happened because you've got metal

755
00:42:19,880 --> 00:42:18,329
in your system and when you've got

756
00:42:22,039 --> 00:42:19,890
Michael there he works on the whole of

757
00:42:23,959 --> 00:42:22,049
your aura system but it's only one fat

758
00:42:26,449 --> 00:42:23,969
one I particularly work with a Monica

759
00:42:30,289 --> 00:42:26,459
but working with Monica has been

760
00:42:31,789 --> 00:42:30,299
interesting with everything I'll tell

761
00:42:34,819 --> 00:42:31,799
you about that one it was amazing

762
00:42:36,589 --> 00:42:34,829
because we went down there and I took an

763
00:42:39,199 --> 00:42:36,599

insurance friend and she was all

764

00:42:44,120 --> 00:42:39,209

semester we went into their house which

765

00:42:46,939 --> 00:42:44,130

is a big house and had swimming pool and

766

00:42:49,969 --> 00:42:46,949

a jacuzzi in the gym Malakai has

767

00:42:52,159 --> 00:42:49,979

actually put the gym in the shape of a

768

00:42:55,699 --> 00:42:52,169

cross big heavy weights and everything

769

00:42:57,499 --> 00:42:55,709

was put into the shape of a cross and he

770

00:43:01,039 --> 00:42:57,509

had them we really had them running

771

00:43:03,469 --> 00:43:01,049

around when I'd like anything and when

772

00:43:08,150 --> 00:43:03,479

he said direct saw these I said why he

773

00:43:10,400 --> 00:43:08,160

said what I want to show you anyway

774

00:43:13,669 --> 00:43:10,410

there was it was a bit like predator the

775

00:43:15,799 --> 00:43:13,679

background moved the summerhouse result

776

00:43:18,229 --> 00:43:15,809

was he was bigger than the Southern

777

00:43:20,709 --> 00:43:18,239

house and this was his reincarnation in

778

00:43:24,380 --> 00:43:20,719

another place and he was huge and

779

00:43:26,449 --> 00:43:24,390

literally the how he did it was the

780

00:43:28,099 --> 00:43:26,459

background moved in the shape of him big

781

00:43:31,909 --> 00:43:28,109

predator the only way I can describe it

782

00:43:34,039 --> 00:43:31,919

I went Wow and then even all the way

783

00:43:35,149 --> 00:43:34,049

home evening she made out the love

784

00:43:38,989 --> 00:43:35,159

suggested I thought she was very

785

00:43:41,299 --> 00:43:38,999

sensible and very calm about its ghosts

786

00:43:42,979 --> 00:43:41,309

and all and has some very spiritual but

787

00:43:44,659 --> 00:43:42,989

she couldn't take it because there was a

788

00:43:46,729 --> 00:43:44,669

lot of activity in that place it was on

789

00:43:49,009 --> 00:43:46,739

television there's so much activity

790

00:43:50,959 --> 00:43:49,019

she ran out and she said I have the keys

791

00:43:52,159 --> 00:43:50,969

in my pocket I was going I could have

792

00:43:57,019 --> 00:43:52,169

left you there was them I said wasn't

793

00:43:59,260 --> 00:43:57,029

right but she was that scared that was

794

00:44:01,460 --> 00:43:59,270

an interest in investing

795

00:44:07,090 --> 00:44:01,470

there we go but they look the house

796

00:44:16,160 --> 00:44:09,470

any other question if anybody tried to

797

00:44:20,030 --> 00:44:16,170

us the dimensional saying is it's very

798

00:44:22,040 --> 00:44:20,040

interesting when friends of mine took

799

00:44:23,900 --> 00:44:22,050

photographs of one investigation in 2d

800

00:44:28,640 --> 00:44:23,910

carrying the actual purpose of what was

801
00:44:30,920 --> 00:44:28,650
it called eager arms or something Paul

802
00:44:32,690 --> 00:44:30,930
took a photograph analyst Jennifer there

803
00:44:34,790 --> 00:44:32,700
was an autumn of a blue except there was

804
00:44:38,780 --> 00:44:34,800
the family the actual house was the

805
00:44:40,880 --> 00:44:38,790
steel work or coal miner the family and

806
00:44:42,560 --> 00:44:40,890
there was the actual family and it was

807
00:44:44,870 --> 00:44:42,570
amazing because they would all like

808
00:44:46,250 --> 00:44:44,880
housing and Joe sat on their chairs and

809
00:44:49,520 --> 00:44:46,260
all family was there that was an

810
00:44:51,590 --> 00:44:49,530
interesting one so they came forward in

811
00:44:53,230 --> 00:44:51,600
time to give you that to have that

812
00:44:55,820 --> 00:44:53,240
clearance

813
00:44:57,950 --> 00:44:55,830

we've actually got photographs they've

814

00:45:00,320 --> 00:44:57,960

only got one and it scares the living

815

00:45:02,150 --> 00:45:00,330

daylights of me I put it on our website

816

00:45:06,110 --> 00:45:02,160

I think I've taken it off it moves

817

00:45:07,220 --> 00:45:06,120

inside the old photograph the moves and

818

00:45:09,290 --> 00:45:07,230

it's off the future

819

00:45:10,580 --> 00:45:09,300

no it scares me because makes me wonder

820

00:45:15,650 --> 00:45:10,590

what the hell is going on are we in

821

00:45:16,250 --> 00:45:15,660

water or what I can so that when I turn

822

00:45:19,580 --> 00:45:16,260

ornament

823

00:45:31,390 --> 00:45:19,590

photograph moves my suspension I took it

824

00:45:37,579 --> 00:45:34,940

yes I saw the twin towers come down

825

00:45:42,890 --> 00:45:37,589

before it happens I think if you're

826

00:45:44,599 --> 00:45:42,900

around these kind of UFOs and they were

827

00:45:47,989 --> 00:45:44,609

talking to you in your mind you see and

828

00:45:50,209 --> 00:45:47,999

it's like we kept more psychic you

829

00:45:51,859 --> 00:45:50,219

people have been around have you noticed

830

00:45:53,959 --> 00:45:51,869

this with your investigations that

831

00:45:57,259 --> 00:45:53,969

people would be an analogy where I was

832

00:45:58,640 --> 00:45:57,269

seen to be no sidekick and it changes

833

00:46:00,979 --> 00:45:58,650

their life and it certainly happens for

834

00:46:02,269 --> 00:46:00,989

me I see the future yes I saw the before

835

00:46:04,579 --> 00:46:02,279

I thought it was inadequate

836

00:46:06,319 --> 00:46:04,589

I saw the Twin Towers fall about a

837

00:46:08,539 --> 00:46:06,329

fortnight Chris was it before it

838

00:46:10,219 --> 00:46:08,549

happened about a fortnight before it

839

00:46:13,459 --> 00:46:10,229

happens yeah I just didn't know what

840

00:46:17,180 --> 00:46:13,469

thought it down I didn't see the

841

00:46:19,519 --> 00:46:17,190

planners yes

842

00:46:21,529 --> 00:46:19,529

do you know lots of people who have

843

00:46:24,380 --> 00:46:21,539

dreams of the future it's like you've

844

00:46:26,059 --> 00:46:24,390

been shown things for a reason and I

845

00:46:27,680 --> 00:46:26,069

couldn't understand why I used to pick

846

00:46:30,410 --> 00:46:27,690

on me to do all this kind of thing I'm

847

00:46:33,890 --> 00:46:30,420

just a normal person but to be honest

848

00:46:36,229 --> 00:46:33,900

the work that I do I close I like some

849

00:46:38,239 --> 00:46:36,239

shocks that who comes through the

850

00:46:41,239 --> 00:46:38,249

scientists have come through to talk to

851
00:46:45,739 --> 00:46:41,249
me and said well we improve in what

852
00:46:47,900 --> 00:46:45,749
you're doing you're living we're

853
00:46:50,029 --> 00:46:47,910
interested in you because you literally

854
00:46:52,579 --> 00:46:50,039
are seeing that always opening the

855
00:46:54,049 --> 00:46:52,589
doorways and in the bedroom when there

856
00:46:55,999 --> 00:46:54,059
was higher energy one of the doors

857
00:46:57,680 --> 00:46:56,009
opened and I didn't go through because

858
00:46:58,640 --> 00:46:57,690
it just changed the scenery the bed

859
00:47:01,980 --> 00:46:58,650
could have gone through I could have

860
00:47:04,349 --> 00:47:01,990
walked through that where the hell

861
00:47:08,820 --> 00:47:04,359
would I have disappeared so did this you

862
00:47:11,670 --> 00:47:08,830
know they took get interested yes some

863
00:47:14,760 --> 00:47:11,680

of the phone calls I get where their

864

00:47:17,099 --> 00:47:14,770

headaches because the car industry is of

865

00:47:19,859 --> 00:47:17,109

this one it's going to change as you

866

00:47:22,109 --> 00:47:19,869

it's changing now but also some of my

867

00:47:24,330 --> 00:47:22,119

clients are trying to change solar

868

00:47:26,849 --> 00:47:24,340

energy and batteries at the moment and

869

00:47:28,530 --> 00:47:26,859

it comes to me as well so these are

870

00:47:31,980 --> 00:47:28,540

people that the hell are they doing with

871

00:47:34,500 --> 00:47:31,990

me you know why do they come into me but

872

00:47:36,630 --> 00:47:34,510

I think Malachi works with me through me

873

00:47:39,810 --> 00:47:36,640

to them and gives them what they need to

874

00:47:41,490 --> 00:47:39,820

know because they're gonna change this

875

00:47:44,160 --> 00:47:41,500

world and they're doing it subtly around

876

00:47:46,620 --> 00:47:44,170

people's backs like this which is

877

00:47:48,570 --> 00:47:46,630

interesting isn't it but I think you'll

878

00:47:51,450 --> 00:47:48,580

find that those people are get involved

879

00:47:53,640 --> 00:47:51,460

with UFOs also it raises a lot of things

880

00:47:56,370 --> 00:47:53,650

makes them aware of energy centers

881

00:47:59,130 --> 00:47:56,380

energy spirits they know more spiritual

882

00:48:01,550 --> 00:47:59,140

and understand quantum physics and get

883

00:48:27,510 --> 00:48:01,560

interested in their home yeah

884

00:48:43,400 --> 00:48:39,060

how many in this room is seen a UFO how

885

00:48:51,270 --> 00:48:46,109

is it the same hands coming up first

886

00:48:56,609 --> 00:48:51,280

it's also seen a UFO how many of you is

887

00:48:58,920 --> 00:48:56,619

zelos see this quite a few here and how

888

00:49:05,880 --> 00:48:58,930

many you really feel odds talking to

889

00:49:13,080 --> 00:49:05,890

normal people never talk to normal

890

00:49:21,030 --> 00:49:13,090

people it does change your life it

891

00:49:25,500 --> 00:49:21,040

really does sorry I was four years old

892

00:49:27,680 --> 00:49:25,510

my mother took me to church and the

893

00:49:31,410 --> 00:49:27,690

minister there put his hand on my head

894

00:49:34,950 --> 00:49:31,420

and blessed me and I felt it go right

895

00:49:37,560 --> 00:49:34,960

through me it was the energy first time

896

00:49:39,450 --> 00:49:37,570

I felt it it went right through me and I

897

00:49:42,320 --> 00:49:39,460

thought wow this is why people come to

898

00:49:47,490 --> 00:49:42,330

church and I walked away your light is

899

00:49:49,170 --> 00:49:47,500

and then I found out what because that

900

00:49:54,180 --> 00:49:49,180

was the best time you don't think that

901
00:49:56,390 --> 00:49:54,190
my crown chakra that's what he did yeah

902
00:49:59,970 --> 00:49:56,400
[Music]

903
00:50:03,390 --> 00:49:59,980
yeah it was the first experience I had a

904
00:50:05,010 --> 00:50:03,400
very well I think that all of you can

905
00:50:07,260 --> 00:50:05,020
relate to this because you're different

906
00:50:09,480 --> 00:50:07,270
you all remember all of you a different

907
00:50:11,430 --> 00:50:09,490
issue here but when you were in school

908
00:50:13,470 --> 00:50:11,440
you probably stood out and you could

909
00:50:14,099 --> 00:50:13,480
read people and I couldn't read you you

910
00:50:16,320 --> 00:50:14,109
were different

911
00:50:20,060 --> 00:50:16,330
how many of you have a fact growing up

912
00:50:22,170 --> 00:50:20,070
you feeling all this one we actually do

913
00:50:25,289 --> 00:50:22,180

so in some respects

914

00:50:28,859 --> 00:50:25,299

since the case of them I was different I

915

00:50:31,380 --> 00:50:28,869

did stand out but it was until 14 then I

916

00:50:33,750 --> 00:50:31,390

had first come here to experience I went

917

00:50:36,120 --> 00:50:33,760

on holiday with my friends and I knew

918

00:50:38,970 --> 00:50:36,130

somebody just fallen out of the window

919

00:51:05,029 --> 00:50:38,980

and committed suicide so and the girl

920

00:51:09,000 --> 00:51:05,039

was in when you're coming from in this

921

00:51:10,920 --> 00:51:09,010

because I think that we really went out

922

00:51:15,240 --> 00:51:10,930

to describe this is for persons

923

00:51:17,250 --> 00:51:15,250

experience my friends um had cancer in

924

00:51:19,440 --> 00:51:17,260

the back she was the beautiful character

925

00:51:22,650 --> 00:51:19,450

they called a seeker and she used to

926

00:51:24,809 --> 00:51:22,660

help a lot of people and she had to go

927

00:51:28,950 --> 00:51:24,819

through an emergency operation on her

928

00:51:33,210 --> 00:51:28,960

back and when she went on that operation

929

00:51:36,420 --> 00:51:33,220

and then in house yet she died on the

930

00:51:38,700 --> 00:51:36,430

table she came out as a body she was

931

00:51:40,559 --> 00:51:38,710

able to see the things on the cupboard

932

00:51:43,410 --> 00:51:40,569

at the top and then they she was zoomed

933

00:51:45,750 --> 00:51:43,420

out she went to see her family she went

934

00:51:49,250 --> 00:51:45,760

to come see me apparently let me go I

935

00:51:54,870 --> 00:51:49,260

was working at the time and insurance

936

00:51:58,109 --> 00:51:54,880

then she was had a past and the a deaf

937

00:51:59,309 --> 00:51:58,119

experience she was dragged in backwards

938

00:52:02,490 --> 00:51:59,319

and it was the most surreal experience

939

00:52:04,980 --> 00:52:02,500

she'd ever had she saw her Harley was a

940

00:52:09,089 --> 00:52:04,990

black tunnel it was horrific if she saw

941

00:52:10,620 --> 00:52:09,099

all horrible things faces and demons and

942

00:52:12,299 --> 00:52:10,630

all the rest and she came out and her

943

00:52:14,660 --> 00:52:12,309

grandmother was there instead of it

944

00:52:16,680 --> 00:52:14,670

being loving and duggie and all the rest

945

00:52:17,760 --> 00:52:16,690

literally told her off and told her to

946

00:52:21,359 --> 00:52:17,770

go back and look after

947

00:52:25,410 --> 00:52:21,369

children's next thing she knew she was

948

00:52:27,480 --> 00:52:25,420

back inside her body she related all of

949

00:52:30,000 --> 00:52:27,490

this to the search of her she saw

950

00:52:32,190 --> 00:52:30,010

afterwards including the fact that he

951
00:52:35,100 --> 00:52:32,200
needed an hour English clocks to stand

952
00:52:37,080 --> 00:52:35,110
on to do the operation because she

953
00:52:39,300 --> 00:52:37,090
thought it was so funny when she came

954
00:52:42,030 --> 00:52:39,310
back into body she noticed it he was so

955
00:52:43,800 --> 00:52:42,040
shocked of historians shock because it

956
00:52:49,170 --> 00:52:43,810
was all true he did start on an orange

957
00:52:53,010 --> 00:52:49,180
box where as a party when some people

958
00:52:55,440 --> 00:52:53,020
have these antibodies experiences I mean

959
00:52:57,450 --> 00:52:55,450
I think that we visit people mean we

960
00:52:58,920 --> 00:52:57,460
talk about time slips I things that we

961
00:53:03,150 --> 00:52:58,930
literally cannot visit our relatives

962
00:53:06,270 --> 00:53:03,160
from previous times and future times I

963
00:53:08,580 --> 00:53:06,280

taking photographs of events that were

964

00:53:10,680 --> 00:53:08,590

in the future when I can't understand it

965

00:53:13,950 --> 00:53:10,690

and it's one photographs that I've taken

966

00:53:18,180 --> 00:53:13,960

in my local park a little girl looking

967

00:53:19,020 --> 00:53:18,190

down from a tree and later on you know I

968

00:53:20,970 --> 00:53:19,030

was dark

969

00:53:23,340 --> 00:53:20,980

later on I went blog because I have gray

970

00:53:25,680 --> 00:53:23,350

hairs I tried to disguise them so I went

971

00:53:30,359 --> 00:53:25,690

blonde I was telling a blonde when I go

972

00:53:31,770 --> 00:53:30,369

gray and that photograph I really

973

00:53:35,310 --> 00:53:31,780

related so because I'm looking minute I

974

00:53:36,800 --> 00:53:35,320

thinking that's me yeah I totally agree

975

00:53:38,609 --> 00:53:36,810

anything's possible

976
00:53:40,650 --> 00:53:38,619
that's what they talk that's what

977
00:53:42,300 --> 00:53:40,660
quantum fixes is all about it's opening

978
00:53:44,030 --> 00:53:42,310
these doorways to pass them and to the

979
00:53:46,500 --> 00:53:44,040
future I remember then of the wavy line

980
00:53:48,210 --> 00:53:46,510
the wave behind we can go forward you

981
00:53:49,920 --> 00:53:48,220
see those always open

982
00:53:52,590 --> 00:53:49,930
you've seen the orbs in respect it's the

983
00:53:56,420 --> 00:53:52,600
first and most always open they're open

984
00:54:03,990 --> 00:53:56,430
in the future as well as the past yes

985
00:54:06,630 --> 00:54:04,000
yes yes there is that one very well

986
00:54:08,130 --> 00:54:06,640
looked after young Souls they come on

987
00:54:10,290 --> 00:54:08,140
the line then when I get an old stone

988
00:54:12,070 --> 00:54:10,300

boy feel the energy straightaway and I

989

00:54:13,900 --> 00:54:12,080

go oh that somebody who's been

990

00:54:24,640 --> 00:54:13,910

before probably their mum and dad have

991

00:54:26,860 --> 00:54:24,650

said that when we learn to play the

992

00:54:28,000 --> 00:54:26,870

piano one lifetime we take that talent

993

00:54:30,070 --> 00:54:28,010

they're called keys

994

00:54:33,790 --> 00:54:30,080

that's what they've taught me is they're

995

00:54:36,100 --> 00:54:33,800

keys their reward keys I call them it

996

00:54:38,080 --> 00:54:36,110

means you can have another life tyranny

997

00:54:41,350 --> 00:54:38,090

props these reward keys that you've

998

00:54:43,420 --> 00:54:41,360

earned from previous lives and they come

999

00:54:45,250 --> 00:54:43,430

back as talents so when you complete it

1000

00:54:47,800 --> 00:54:45,260

your karmic debt and credit what you're

1001

00:54:49,720 --> 00:54:47,810

supposed to do this lifetime they say

1002

00:54:51,310 --> 00:54:49,730

it's the balance you get your keys back

1003

00:54:53,650 --> 00:54:51,320

and you have your talents back and then

1004

00:54:55,180 --> 00:54:53,660

you go down the road of passion that's

1005

00:54:56,980 --> 00:54:55,190

explained it to me

1006

00:55:01,540 --> 00:54:56,990

there's keys are the world keys that

1007

00:55:03,040 --> 00:55:01,550

you've earned from previous life you can

1008

00:55:05,560 --> 00:55:03,050

play the piano and pick it up it's like

1009

00:55:25,300 --> 00:55:05,570

it's a talent yes because you've done

1010

00:55:27,610 --> 00:55:25,310

all the work in another lifetime oh gosh

1011

00:55:29,530 --> 00:55:27,620

yes I had a tea don't run a circle for a

1012

00:55:32,350 --> 00:55:29,540

long time in my house and there was one

1013

00:55:35,170 --> 00:55:32,360

particular lady in charge of a lot of

1014

00:55:37,360 --> 00:55:35,180

people in a very big government

1015

00:55:39,760 --> 00:55:37,370

organization and she could have 50

1016

00:55:44,260 --> 00:55:39,770

pieces make a man cry and she had done

1017

00:55:46,390 --> 00:55:44,270

and we went back and we realized that

1018

00:55:49,240 --> 00:55:46,400

she was a witch queen in one of these

1019

00:55:50,920 --> 00:55:49,250

places and she decided to literally go

1020

00:55:53,260 --> 00:55:50,930

to have a look at this and she realized

1021

00:55:54,910 --> 00:55:53,270

that these things are happening to me

1022

00:55:56,350 --> 00:55:54,920

you know she wouldn't have it any other

1023

00:55:58,120 --> 00:55:56,360

way they were happening I being a witch

1024

00:56:01,180 --> 00:55:58,130

Queen so I said Bharat calm we'll go and

1025

00:56:03,790 --> 00:56:01,190

find out what this is all about and we

1026
00:56:05,349 --> 00:56:03,800
went to a place which she knew she lived

1027
00:56:08,230 --> 00:56:05,359
and was over

1028
00:56:11,140 --> 00:56:08,240
so we're going back a few cemeteries now

1029
00:56:15,730 --> 00:56:11,150
she took the purest thing from a local

1030
00:56:18,819 --> 00:56:15,740
community a girl she builds a box that

1031
00:56:19,329 --> 00:56:18,829
was made of words and she made this

1032
00:56:21,339 --> 00:56:19,339
build

1033
00:56:25,000 --> 00:56:21,349
dirty town in this box and she put a

1034
00:56:27,039 --> 00:56:25,010
great great big slab stone over the box

1035
00:56:29,770 --> 00:56:27,049
breaking her back not killing her

1036
00:56:31,690 --> 00:56:29,780
breaking her back so she's in agony and

1037
00:56:33,370 --> 00:56:31,700
electric performance satanic rites she

1038
00:56:37,120 --> 00:56:33,380

killed a lot of people and then all she

1039

00:56:39,819 --> 00:56:37,130

could see was leaves in those days they

1040

00:56:42,460 --> 00:56:39,829

didn't use to hang you by their neck

1041

00:56:46,180 --> 00:56:42,470

they used to hang you by the feet so all

1042

00:56:47,829 --> 00:56:46,190

she saw us was leaves and a hammer well

1043

00:56:49,870 --> 00:56:47,839

as shield with the door tossed her

1044

00:56:51,730 --> 00:56:49,880

forgiveness she still was crying she was

1045

00:56:53,770 --> 00:56:51,740

one of the biggest boxes in her not

1046

00:56:55,480 --> 00:56:53,780

gonna say where she was because give the

1047

00:56:56,130 --> 00:56:55,490

game away but she was in charge of

1048

00:56:58,720 --> 00:56:56,140

hundreds

1049

00:57:00,970 --> 00:56:58,730

she was prioritized out so when she

1050

00:57:04,270 --> 00:57:00,980

opened that box and the spirit flew back

1051
00:57:07,390 --> 00:57:04,280
the pain I had in my neck and back when

1052
00:57:09,910 --> 00:57:07,400
I think I loved her and I forgave them

1053
00:57:12,220 --> 00:57:09,920
how the hell could I not her because I

1054
00:57:12,940 --> 00:57:12,230
might it's also another lifetime how to

1055
00:57:19,059 --> 00:57:12,950
do it

1056
00:57:30,420 --> 00:57:19,069
who knows yeah I come across them any

1057
00:57:37,540 --> 00:57:33,850
elusive protections so those are

1058
00:57:39,640 --> 00:57:37,550
predictions but I like finding things

1059
00:57:42,430 --> 00:57:39,650
about fighting animals and I've done

1060
00:57:45,220 --> 00:57:42,440
that many many times and that's what I

1061
00:57:46,210 --> 00:57:45,230
feel it's a great success because when

1062
00:57:48,040 --> 00:57:46,220
you've got a little lost

1063
00:57:51,040 --> 00:57:48,050

so that's lost its mum when it's a baby

1064

00:57:52,210 --> 00:57:51,050

captain and you know you're on the

1065

00:57:55,210 --> 00:57:52,220

line and you're talking to this

1066

00:57:57,790 --> 00:57:55,220

distraught one mother to put posters up

1067

00:58:00,880 --> 00:57:57,800

everywhere trying to find this little

1068

00:58:03,190 --> 00:58:00,890

poor little mite and I told the waiter

1069

00:58:06,160 --> 00:58:03,200

girl I said there is a man looking after

1070

00:58:07,960 --> 00:58:06,170

but he's in a box and apparently in term

1071

00:58:09,970 --> 00:58:07,970

only was the security guard that was

1072

00:58:12,340 --> 00:58:09,980

feeding the little kid but it was half

1073

00:58:14,350 --> 00:58:12,350

the size but she went to this place that

1074

00:58:17,680 --> 00:58:14,360

they just ran into each other's hours

1075

00:58:27,730 --> 00:58:17,690

and crying but she was so delighted with

1076
00:58:31,270 --> 00:58:27,740
me well not really you know but if I get

1077
00:58:32,680 --> 00:58:31,280
anything they'll let you know about

1078
00:58:36,520 --> 00:58:32,690
what's happening to the ears and

1079
00:58:39,400 --> 00:58:36,530
everything like that there's one thing

1080
00:58:44,380 --> 00:58:39,410
that happened in Singapore when they had

1081
00:58:46,240 --> 00:58:44,390
a very big financial problem that's a

1082
00:58:49,630 --> 00:58:46,250
nice way of putting it and the market

1083
00:58:52,780 --> 00:58:49,640
was very stable I foresaw it because

1084
00:58:55,710 --> 00:58:52,790
they come to me for financial help and

1085
00:58:58,210 --> 00:58:55,720
this is accountant in Singapore asked me

1086
00:59:01,270 --> 00:58:58,220
whether to buy this property and

1087
00:59:06,010 --> 00:59:01,280
literally I said it will be stable for

1088
00:59:08,460 --> 00:59:06,020

about six years whatever but it won't go

1089

00:59:11,110 --> 00:59:08,470

up we won't go down and we'll just stay

1090

00:59:13,930 --> 00:59:11,120

it might slightly come up site to go

1091

00:59:15,280 --> 00:59:13,940

down but it means if you invest

1092

00:59:18,100 --> 00:59:15,290

you'll get your money back but he will

1093

00:59:20,950 --> 00:59:18,110

take time she did invest exactly that

1094

00:59:48,760 --> 00:59:20,960

happened and do feel this is happening

1095

00:59:53,800 --> 00:59:48,770

okay twice twice the Negro's one once

1096

00:59:56,230 --> 00:59:53,810

was a young big play with me they will

1097

00:59:58,240 --> 00:59:56,240

play a government they won't allow me to

1098

01:00:01,480 --> 00:59:58,250

to give me the lottery members for the

1099

01:00:03,579 --> 01:00:01,490

big prizes but there was a girl over in

1100

01:00:05,530 --> 01:00:03,589

Ireland that I talked directly and she

1101

01:00:08,620 --> 01:00:05,540

spent a fortune she's beautiful she's

1102

01:00:12,240 --> 01:00:08,630

got she's a psychologist and she's going

1103

01:00:15,339 --> 01:00:12,250

in the criminal psychology profiler and

1104

01:00:17,170 --> 01:00:15,349

she spent a fortune on talking to me so

1105

01:00:18,700 --> 01:00:17,180

I felt so guilty and she asked for the

1106

01:00:21,010 --> 01:00:18,710

lottery number so I gave them and she

1107

01:00:22,780 --> 01:00:21,020

won't pay back the money she she fell we

1108

01:00:26,460 --> 01:00:22,790

she said hold a lottery spend for this

1109

01:00:31,300 --> 01:00:28,960

and the other one was the same it was

1110

01:00:32,859 --> 01:00:31,310

very similar it was over in single point

1111

01:00:34,390 --> 01:00:32,869

was the account because she asks for a

1112

01:00:38,079 --> 01:00:34,400

lot remember so she got the lottery

1113

01:00:42,130 --> 01:00:38,089

numbers and she won - yes but not big

1114

01:00:47,160 --> 01:00:42,140

amounts are really so you can't go

1115

01:00:55,240 --> 01:00:52,750

and here's a question no well I should
