1  
00:00:16,300 --> 00:00:11,920  
meeting all su phone time to have the

2  
00:00:18,280 --> 00:00:16,310  
mr. Tony topping now it's only many of

3  
00:00:20,320 --> 00:00:18,290  
you may be familiar with he's a

4  
00:00:24,280 --> 00:00:20,330  
well-known UFO investigator and

5  
00:00:27,010 --> 00:00:24,290  
contactee I was from Selby in North

6  
00:00:32,260 --> 00:00:27,020  
Yorkshire but he's South Poles like

7  
00:00:34,750 --> 00:00:32,270  
Southport I was in SMB Authority Wilson

8  
00:00:36,549 --> 00:00:34,760  
right he's in Southport now he's expect

9  
00:00:38,410 --> 00:00:36,559  
some considerable time live in London

10  
00:00:41,799 --> 00:00:38,420  
where he attended stage school pursuing

11  
00:00:43,840 --> 00:00:41,809  
his ambition to become an actor

12  
00:00:46,030 --> 00:00:43,850  
now since the age of two tony has been

13  
00:00:50,020 --> 00:00:46,040

subjected to extreme paranormal

14

00:00:52,540 --> 00:00:50,030

experiences and in 1992 whilst in London

15

00:00:53,950 --> 00:00:52,550

he had his first UFO encounter and that

16

00:00:57,760 --> 00:00:53,960

was followed some time later by the

17

00:01:02,170 --> 00:00:57,770

further wall in Paddington he moved back

18

00:01:05,530 --> 00:01:02,180

to his hometown there in 1996 where as

19

00:01:08,260 --> 00:01:05,540

paranormal experiences increased and in

20

00:01:11,620 --> 00:01:08,270

1996 he began to have encounters with

21

00:01:14,440 --> 00:01:11,630

UFOs at the Union over I suppose I'm

22

00:01:16,660 --> 00:01:14,450

between May and November 1999 he filmed

23

00:01:19,359 --> 00:01:16,670

the UFO coming in over his house which

24

00:01:21,340 --> 00:01:19,369

appeared on numerous occasions in fact

25

00:01:22,960 --> 00:01:21,350

he successfully filmed a number of UFOs

26

00:01:26,230 --> 00:01:22,970

and has had many interesting unique

27

00:01:28,240 --> 00:01:26,240

interviews with people involved in UFO

28

00:01:30,520 --> 00:01:28,250

encounters and he himself has been

29

00:01:33,700 --> 00:01:30,530

subject to extraterrestrial contact I

30

00:01:36,100 --> 00:01:33,710

believe now as a result he's also been

31

00:01:39,340 --> 00:01:36,110

subjected to incidents of being followed

32

00:01:40,690 --> 00:01:39,350

by helicopters and covert agents and a

33

00:01:43,630 --> 00:01:40,700

lot of other things that stood out in

34

00:01:46,719 --> 00:01:43,640

Italia Rome now Tony in being a witness

35

00:01:48,070 --> 00:01:46,729

to so many UFO encounters is whether the

36

00:01:50,140 --> 00:01:48,080

UK's was recognized

37

00:01:52,810 --> 00:01:50,150

TV and radio guests appeared many times

38

00:01:57,120 --> 00:01:52,820

on both television and radio including

39  
00:02:00,300 --> 00:01:57,130  
BBC News BBC two channel for Sky TV and

40  
00:02:03,460 --> 00:02:00,310  
Quran Idcm heart radio

41  
00:02:05,440 --> 00:02:03,470  
so a good cross-section there Don his

42  
00:02:07,719 --> 00:02:05,450  
fascinating tour titled take us on a

43  
00:02:09,130 --> 00:02:07,729  
journey of image analysis saga

44  
00:02:12,430 --> 00:02:09,140  
communication with the

45  
00:02:15,240 --> 00:02:12,440  
where's that fly over him so please put

46  
00:02:19,770 --> 00:02:15,250  
your hands together mr. Tomita

47  
00:02:21,990 --> 00:02:19,780  
[Applause]

48  
00:02:24,240 --> 00:02:22,000  
turned out it really is a credit to

49  
00:02:27,020 --> 00:02:24,250  
yourselves to the people here if you

50  
00:02:30,060 --> 00:02:27,030  
have no objections I'm just sitting

51  
00:02:31,620 --> 00:02:30,070  
tonight but normally I would stand I

52  
00:02:33,900 --> 00:02:31,630  
might have a blonde around we're gonna

53  
00:02:35,880 --> 00:02:33,910  
do a little audience participation thing

54  
00:02:37,890 --> 00:02:35,890  
later very small thing just to

55  
00:02:39,540 --> 00:02:37,900  
demonstrate something but I'm just

56  
00:02:41,550 --> 00:02:39,550  
sitting for now it's just a bit easier

57  
00:02:44,520 --> 00:02:41,560  
for me of course you can get fatigued

58  
00:02:46,920 --> 00:02:44,530  
doing this whoa what this shot was

59  
00:02:50,310 --> 00:02:46,930  
actually called was a walk through the

60  
00:02:52,050 --> 00:02:50,320  
c-5 encounter a visual walk actually

61  
00:02:54,199 --> 00:02:52,060  
which is what it is but it's also to

62  
00:02:58,560 --> 00:02:54,209  
communicate with you from a UK

63  
00:03:00,990 --> 00:02:58,570

perspective what really goes on behind

64

00:03:04,110 --> 00:03:01,000

the scenes to a non remember the public

65

00:03:07,140 --> 00:03:04,120

like myself when you have contact with

66

00:03:10,170 --> 00:03:07,150

UFOs that are coming in our house when

67

00:03:13,440 --> 00:03:10,180

you have agencies coming at you to all

68

00:03:16,470 --> 00:03:13,450

intents and purposes you've got to

69

00:03:19,740 --> 00:03:16,480

remember that the the people concerned

70

00:03:21,900 --> 00:03:19,750

are following an agenda that is no

71

00:03:23,670 --> 00:03:21,910

accountable it's not accountable to to

72

00:03:26,430 --> 00:03:23,680

either people and if you look at the

73

00:03:30,030 --> 00:03:26,440

work of colleague old David Wilcox and a

74

00:03:32,039 --> 00:03:30,040

few others you will find that there's a

75

00:03:33,960 --> 00:03:32,049

very big difference ladies and gentlemen

76

00:03:35,850 --> 00:03:33,970

to what is written on the internet what

77

00:03:38,670 --> 00:03:35,860

goes on in real life as you will

78

00:03:43,259 --> 00:03:38,680

discover an eye of being to the gates of

79

00:03:44,880 --> 00:03:43,269

hell and back with all this as you will

80

00:03:47,039 --> 00:03:44,890

see as we go through it and what

81

00:03:50,539 --> 00:03:47,049

happened to me in the UFO footage and so

82

00:03:53,250 --> 00:03:50,549

on and so forth my mother what I want to

83

00:03:55,620 --> 00:03:53,260

talk about is my mother because it's as

84

00:03:57,600 --> 00:03:55,630

if my mother took to self in front of an

85

00:03:59,220 --> 00:03:57,610

express train form and she didn't really

86

00:04:04,259 --> 00:03:59,230

but what I want to show you is a

87

00:04:07,410 --> 00:04:04,269

contrast of the cost the held the

88

00:04:09,600 --> 00:04:07,420

insights the questions as to why this

89

00:04:11,550 --> 00:04:09,610

has happened to me and I will probably

90

00:04:13,199 --> 00:04:11,560

give you a perspective like no other eye

91

00:04:15,600 --> 00:04:13,209

because there's a lot with not the

92

00:04:18,000 --> 00:04:15,610

Internet that's a lot of BS people are

93

00:04:20,340 --> 00:04:18,010

not getting answers to questions and the

94

00:04:23,010 --> 00:04:20,350

big the big conferences in the UK the

95

00:04:26,310 --> 00:04:23,020

big UFO conference is 10.2 they're just

96

00:04:28,110 --> 00:04:26,320

attempt to kind of avoid is not the word

97

00:04:29,850 --> 00:04:28,120

but they tend not to bother with me but

98

00:04:31,650 --> 00:04:29,860

small groups like yourself won't call

99

00:04:33,360 --> 00:04:31,660

this a small gathering this evening but

100

00:04:36,360 --> 00:04:33,370

small groups right across the UK in

101  
00:04:38,939 --> 00:04:36,370  
people's houses at truth groups and so

102  
00:04:40,560 --> 00:04:38,949  
on it's a privilege for me to turn over

103  
00:04:42,930 --> 00:04:40,570  
I normally pack them out you see because

104  
00:04:44,730 --> 00:04:42,940  
of my story my mother so let's set a

105  
00:04:47,430 --> 00:04:44,740  
contrast ladies and gentlemen's to what

106  
00:04:50,240 --> 00:04:47,440  
we're talking about here my mother she I

107  
00:04:52,830 --> 00:04:50,250  
look after her for nearly eight years

108  
00:04:56,040 --> 00:04:52,840  
tragically lost her in March to to our

109  
00:04:58,950 --> 00:04:56,050  
Simas disease it's shut down for three

110  
00:05:00,810 --> 00:04:58,960  
years of that she was incontinence and

111  
00:05:03,270 --> 00:05:00,820  
we couldn't get help and I started

112  
00:05:06,029 --> 00:05:03,280  
bearing on the UFO situation that I went

113  
00:05:08,250 --> 00:05:06,039

through as we will discover its if it

114

00:05:10,650 --> 00:05:08,260

wasn't for her in a way the escalation

115

00:05:13,230 --> 00:05:10,660

of contact encounters will not have

116

00:05:15,060 --> 00:05:13,240

increased but it did if you can imagine

117

00:05:16,439 --> 00:05:15,070

it's quite heartbreaking for a son to

118

00:05:19,770 --> 00:05:16,449

look after his mother in that condition

119

00:05:22,770 --> 00:05:19,780

but that's what I did and I believe I do

120

00:05:24,060 --> 00:05:22,780

believe that she was targeted if you

121

00:05:26,310 --> 00:05:24,070

could just move to the next slide

122

00:05:29,760 --> 00:05:26,320

but look serious somebody changing

123

00:05:32,159 --> 00:05:29,770

slides this is it so really anyway this

124

00:05:33,540 --> 00:05:32,169

is official explanation exploration

125

00:05:37,290 --> 00:05:33,550

should I say Oh Mike you have four and

126

00:05:39,779 --> 00:05:37,300

ce-5 experiences and there is a loss to

127

00:05:42,450 --> 00:05:39,789

this and I will show you what the ce-5

128

00:05:44,850 --> 00:05:42,460

encounter is really about over the skies

129

00:05:47,460 --> 00:05:44,860

of the UK there is a warning and this is

130

00:05:49,230 --> 00:05:47,470

interesting because you have within the

131

00:05:51,870 --> 00:05:49,240

public domain you have Tom belong to

132

00:05:53,400 --> 00:05:51,880

this team and Lewis Elizondo I was on

133

00:05:56,820 --> 00:05:53,410

top really on the other Mike talking

134

00:05:58,980 --> 00:05:56,830

about all blasts and he has a kind of a

135

00:06:00,570 --> 00:05:58,990

mindset of what's in the hangers dude

136

00:06:02,969 --> 00:06:00,580

what would look what we've got in the

137

00:06:05,010 --> 00:06:02,979

Hammers dew's antique cool antique

138

00:06:06,900 --> 00:06:05,020

fabulous and really that's that's

139

00:06:10,260 --> 00:06:06,910

leading us nowhere and of course

140

00:06:12,629 --> 00:06:10,270

Louis Amazon no the DIA guy he stood up

141

00:06:14,370 --> 00:06:12,639

and he said that in front of a new font

142

00:06:15,689 --> 00:06:14,380

but he was turned him about what his

143

00:06:17,010 --> 00:06:15,699

department did do and what his

144

00:06:18,719 --> 00:06:17,020

department didn't do and what is

145

00:06:21,230 --> 00:06:18,729

Department for the flashing lights in

146

00:06:23,600 --> 00:06:21,240

the sky but at no point no

147

00:06:25,820 --> 00:06:23,610

did he mention that the DIA and other

148

00:06:28,939 --> 00:06:25,830

agencies are aware of the alien presence

149

00:06:31,129 --> 00:06:28,949

especially in our oceans at no point did

150

00:06:32,600 --> 00:06:31,139

he say that because long day and then

151  
00:06:33,050 --> 00:06:32,610  
you'll hear that they're draining the

152  
00:06:35,629 --> 00:06:33,060  
swamp

153  
00:06:38,450 --> 00:06:35,639  
they're making arrests this this is not

154  
00:06:40,790 --> 00:06:38,460  
true either the entrenchment of the UFO

155  
00:06:43,640 --> 00:06:40,800  
cover-up lysa firmly within the Nazi

156  
00:06:45,279 --> 00:06:43,650  
Germany Operation Paperclip and believe

157  
00:06:48,260 --> 00:06:45,289  
it or not possibly under the Nixon

158  
00:06:50,930 --> 00:06:48,270  
administration as well when Tom DeLonge

159  
00:06:52,670 --> 00:06:50,940  
steam they are the CMAs spooks there to

160  
00:06:54,469 --> 00:06:52,680  
back him up one of them stood up and

161  
00:06:58,219 --> 00:06:54,479  
said oh yes that the mix aircraft

162  
00:07:00,860 --> 00:06:58,229  
carrier group hostile of UFOs wet the

163  
00:07:03,080 --> 00:07:00,870

question is this where is the hostile

164

00:07:04,760 --> 00:07:03,090

UFO interaction or whether these UFOs

165

00:07:06,800 --> 00:07:04,770

appear in which the cluster saw start

166

00:07:09,110 --> 00:07:06,810

they are in fact warning so over the

167

00:07:11,210 --> 00:07:09,120

skies of the UK we see a warning and the

168

00:07:13,219 --> 00:07:11,220

story that I'm going to tell you is what

169

00:07:15,700 --> 00:07:13,229

happens when you have an ongoing liaison

170

00:07:18,350 --> 00:07:15,710

with them move to the next one

171

00:07:21,559 --> 00:07:18,360

this for example is typical of the

172

00:07:24,020 --> 00:07:21,569

interaction that I have with UFOs this

173

00:07:26,629 --> 00:07:24,030

is a typical one where is courted her by

174

00:07:29,330 --> 00:07:26,639

her I say her and welcome to her in a

175

00:07:31,610 --> 00:07:29,340

minute but basically that is a UFO and

176

00:07:33,680 --> 00:07:31,620

it is not an aircraft the thing is is

177

00:07:36,200 --> 00:07:33,690

that I have just English to thank free

178

00:07:39,080 --> 00:07:36,210

from UFO only I would highly recommend

179

00:07:39,560 --> 00:07:39,090

it as a speaker that clear he's a great

180

00:07:43,490 --> 00:07:39,570

guy

181

00:07:45,980 --> 00:07:43,500

life that one on the right wave is

182

00:07:47,779 --> 00:07:45,990

objector but it's a plasma tight UFO the

183

00:07:49,879 --> 00:07:47,789

background of it is very very

184

00:07:52,189 --> 00:07:49,889

interesting as to who they are and that

185

00:07:55,640 --> 00:07:52,199

one there is being escorted home by a

186

00:07:58,279 --> 00:07:55,650

whether a height of my irassman now this

187

00:08:00,290 --> 00:07:58,289

is it you see I was targeted ladies and

188

00:08:03,409 --> 00:08:00,300

gentlemen by all cannot be described as

189

00:08:05,659 --> 00:08:03,419

MK ULTRA style technology while at the

190

00:08:07,370 --> 00:08:05,669

same time it's happened over a long

191

00:08:10,879 --> 00:08:07,380

period of years while at the same time

192

00:08:13,200 --> 00:08:10,889

trying to care for my mother who had our

193

00:08:14,670 --> 00:08:13,210

scientists so I've got all this going on

194

00:08:16,830 --> 00:08:14,680

we are having to look after my mother

195

00:08:19,860 --> 00:08:16,840

aware as well and this perverts believe

196

00:08:22,830 --> 00:08:19,870

in all those gentlemen from these people

197

00:08:25,290 --> 00:08:22,840

in the UFOs this provoked a reaction

198

00:08:27,090 --> 00:08:25,300

from them an angry reaction which I'll

199

00:08:29,159 --> 00:08:27,100

come to later that won't they allow

200

00:08:31,200 --> 00:08:29,169

subjects on the right is merely under

201  
00:08:32,880 --> 00:08:31,210  
the festival I'm just about to go in and

202  
00:08:35,100 --> 00:08:32,890  
give a talk all of a sudden they appear

203  
00:08:36,510 --> 00:08:35,110  
luckily we spotted it my second or third

204  
00:08:39,060 --> 00:08:36,520  
so I said look everyone isn't that

205  
00:08:40,440 --> 00:08:39,070  
scenic and so Jess and spotted it out

206  
00:08:41,940 --> 00:08:40,450  
there they spotted it I've no idea

207  
00:08:48,449 --> 00:08:41,950  
and he's amplified it oh but it's the

208  
00:08:50,400 --> 00:08:48,459  
plasma tight UFO so in the course of my

209  
00:08:52,230 --> 00:08:50,410  
work believe it or not anybody would

210  
00:08:54,990 --> 00:08:52,240  
think although I feel like among friends

211  
00:08:56,280 --> 00:08:55,000  
this evening but anybody would feel that

212  
00:08:58,560 --> 00:08:56,290  
I'm the facts assist

213  
00:09:00,389 --> 00:08:58,570

I'm the trackball in general do you guys

214

00:09:03,030 --> 00:09:00,399

and girls sat in the audience who have

215

00:09:04,620 --> 00:09:03,040

you ever experienced 'as you might

216

00:09:07,199 --> 00:09:04,630

consider yourself that you might want to

217

00:09:08,970 --> 00:09:07,209

just keep quiet about it because it's

218

00:09:10,410 --> 00:09:08,980

kind of I got that shock or fax from the

219

00:09:12,180 --> 00:09:10,420

ridicule facts of the case a very

220

00:09:16,010 --> 00:09:12,190

serious issue there's a very serious

221

00:09:18,840 --> 00:09:16,020

cost to it my biggest biggest

222

00:09:21,030 --> 00:09:18,850

occupational hazards is cracks couse

223

00:09:23,190 --> 00:09:21,040

people who think that they work for the

224

00:09:25,650 --> 00:09:23,200

intelligence service we undergo from

225

00:09:27,449 --> 00:09:25,660

rule or manner who after every sentence

226

00:09:30,060 --> 00:09:27,459

said that's classified I can't talk

227

00:09:32,760 --> 00:09:30,070

about it we also had a man who cleared

228

00:09:35,070 --> 00:09:32,770

that mi5 had arrested the duck man in

229

00:09:38,100 --> 00:09:35,080

Birmingham which was absolutely

230

00:09:39,930 --> 00:09:38,110

hilarious and he indicated and also what

231

00:09:42,449 --> 00:09:39,940

he done as well as he draws some dodgy

232

00:09:44,730 --> 00:09:42,459

material in a notebook and showed me

233

00:09:46,680 --> 00:09:44,740

what the aliens did and it wasn't very

234

00:09:48,900 --> 00:09:46,690

nice well he drew the organizers asked

235

00:09:50,370 --> 00:09:48,910

him to leave we had the Guardian clearly

236

00:09:53,010 --> 00:09:50,380

were look for more sound and sampled

237

00:09:54,990 --> 00:09:53,020

from New York to Germany and therein

238

00:09:55,380 --> 00:09:55,000

lies the rub of Germany I'll come to

239

00:09:58,860 --> 00:09:55,390

that

240

00:10:01,530 --> 00:09:58,870

welcome Germany then he went to London

241

00:10:03,710 --> 00:10:01,540

contrary from London to York met me for

242

00:10:05,600 --> 00:10:03,720

an hour to these pastels and clear

243

00:10:08,210 --> 00:10:05,610

word for the masa where the guy who

244

00:10:10,519 --> 00:10:08,220

claim to be booked for a USAF air

245

00:10:12,800 --> 00:10:10,529

intelligence Sofia certainly this

246

00:10:14,360 --> 00:10:12,810

beautiful looking email with a photo of

247

00:10:16,340 --> 00:10:14,370

him saying that they wanted to be the

248

00:10:18,230 --> 00:10:16,350

Air Force we want to know about UFOs

249

00:10:20,240 --> 00:10:18,240

blah blah blah turned out that he was

250

00:10:23,449 --> 00:10:20,250

actually convicted for child pornography

251  
00:10:25,999 --> 00:10:23,459  
on the base somewhere in Miami we don't

252  
00:10:28,490 --> 00:10:26,009  
know that we've also had I've also had

253  
00:10:30,740 --> 00:10:28,500  
offers from the Illuminati an agency

254  
00:10:33,290 --> 00:10:30,750  
Percy free when you turn around to them

255  
00:10:35,809 --> 00:10:33,300  
and say there's actually nothing you can

256  
00:10:37,490 --> 00:10:35,819  
surely not offer me because I've got all

257  
00:10:38,990 --> 00:10:37,500  
this information coming at me from those

258  
00:10:42,019 --> 00:10:39,000  
from the stars I thought they normally

259  
00:10:44,449 --> 00:10:42,029  
go berserk berserk and they threaten

260  
00:10:46,340 --> 00:10:44,459  
some kind of bizarre violent Sonya we've

261  
00:10:47,960 --> 00:10:46,350  
also got the people from the Foreign

262  
00:10:49,610 --> 00:10:47,970  
Office who I met in London who claimed

263  
00:10:51,679 --> 00:10:49,620

after a fruitless is a wine that they

264

00:10:53,540 --> 00:10:51,689

work for a classified advocacy in the

265

00:10:56,269 --> 00:10:53,550

Foreign Office and they were sent out to

266

00:10:58,100 --> 00:10:56,279

Iraq so when Saddam's nukes for some

267

00:10:59,960 --> 00:10:58,110

strange reason they claimed they'd gone

268

00:11:02,660 --> 00:10:59,970

to Germany and they couldn't find them

269

00:11:06,139 --> 00:11:02,670

so this is this this constant kind of

270

00:11:09,350 --> 00:11:06,149

crank theme this is going on with people

271

00:11:11,650 --> 00:11:09,360

who think that they work for agencies

272

00:11:14,449 --> 00:11:11,660

and then you've got the real McCoy

273

00:11:16,429 --> 00:11:14,459

coming after you you've got the unmarked

274

00:11:19,460 --> 00:11:16,439

helicopters you've got the MK ULTRA

275

00:11:22,189 --> 00:11:19,470

style technology going on and the fact

276

00:11:24,889 --> 00:11:22,199

of the matter is this how many of you

277

00:11:27,230 --> 00:11:24,899

have heard of mgx wells I'm sure you

278

00:11:28,549 --> 00:11:27,240

have you have all heard across trucks

279

00:11:31,490 --> 00:11:28,559

evolve we're going to cover another

280

00:11:34,429 --> 00:11:31,500

agency lane of mj-12 but the fact of the

281

00:11:36,740 --> 00:11:34,439

matter is this mj-12 should the members

282

00:11:38,600 --> 00:11:36,750

always have their heads in shared over

283

00:11:40,460 --> 00:11:38,610

what is going on behind the scenes you

284

00:11:42,319 --> 00:11:40,470

will find that there's a lot of talk and

285

00:11:43,460 --> 00:11:42,329

waffle about disclosure but the fact of

286

00:11:45,019 --> 00:11:43,470

the matter is nothing is really

287

00:11:47,540 --> 00:11:45,029

happening because nobody dare tell the

288

00:11:49,579 --> 00:11:47,550

truth about the lousy stinking circus

289

00:11:52,699 --> 00:11:49,589

that goes on behind the scenes and the

290

00:11:55,850 --> 00:11:52,709

fact that men gave their lives on the

291

00:11:58,400 --> 00:11:55,860

Normandy beaches not for this circus to

292

00:12:00,410 --> 00:11:58,410

happen behind the scenes that sets a

293

00:12:02,660 --> 00:12:00,420

kind of like a backdrop to the UFO

294

00:12:06,170 --> 00:12:02,670

cover-up I do feel and it greatly

295

00:12:08,569 --> 00:12:06,180

concerns even the ETS in the UFOs I've

296

00:12:09,670 --> 00:12:08,579

read the concern about what they see we

297

00:12:11,829 --> 00:12:09,680

develop

298

00:12:13,840 --> 00:12:11,839

Rochelle's depart this latest submarine

299

00:12:16,300 --> 00:12:13,850

but suddenly we still can't seem to

300

00:12:18,300 --> 00:12:16,310

control the pollution of our oceans just

301  
00:12:21,610 --> 00:12:18,310  
move on thank you

302  
00:12:24,490 --> 00:12:21,620  
in my early childhood I began AIDS to

303  
00:12:28,570 --> 00:12:24,500  
which something there that was my first

304  
00:12:31,750 --> 00:12:28,580  
visit to it was a paranormal vision and

305  
00:12:33,010 --> 00:12:31,760  
it was Hindu related and it's known as

306  
00:12:36,130 --> 00:12:33,020  
he has passed

307  
00:12:39,370 --> 00:12:36,140  
yes mass is its own given by the EC's of

308  
00:12:42,310 --> 00:12:39,380  
the UFOs to actually describe what you

309  
00:12:45,220 --> 00:12:42,320  
sow you reap what your work does now as

310  
00:12:47,860 --> 00:12:45,230  
verifications in the future technically

311  
00:12:49,960 --> 00:12:47,870  
speaking it's like a form of time travel

312  
00:12:52,360 --> 00:12:49,970  
where I've caused this myself

313  
00:12:54,250 --> 00:12:52,370

unknown to me that's the thing what

314

00:12:54,970 --> 00:12:54,260

you're about to see and witness I caused

315

00:12:57,790 --> 00:12:54,980

myself

316

00:12:59,740 --> 00:12:57,800

unknown to make yes Matt it also means

317

00:13:01,870 --> 00:12:59,750

Royal German bloodline as well as a

318

00:13:03,760 --> 00:13:01,880

third respected Germany I'm going to

319

00:13:05,949 --> 00:13:03,770

come to that later but well that was a

320

00:13:07,930 --> 00:13:05,959

it was he doing nature it was like the

321

00:13:10,120 --> 00:13:07,940

vision of Lord Ganesha going through the

322

00:13:13,500 --> 00:13:10,130

wall two elephants going through the

323

00:13:15,519 --> 00:13:13,510

wall of speed my father blessing try to

324

00:13:17,530 --> 00:13:15,529

understand what was going on

325

00:13:19,180 --> 00:13:17,540

that's me pointing but I'm going

326

00:13:20,949 --> 00:13:19,190

hysterical because I assumed these

327

00:13:23,680 --> 00:13:20,959

things go through the wall I'm two years

328

00:13:25,449 --> 00:13:23,690

of age and they've constantly throughout

329

00:13:27,760 --> 00:13:25,459

the forty years of dealing with this

330

00:13:29,350 --> 00:13:27,770

they constantly reference to it and a

331

00:13:34,930 --> 00:13:29,360

reference to it because he has a hidden

332

00:13:37,870 --> 00:13:34,940

meaning I'm not sure why that's my

333

00:13:39,850 --> 00:13:37,880

father my father was a miraculous healer

334

00:13:42,310 --> 00:13:39,860

and I mean that this is no life that he

335

00:13:44,860 --> 00:13:42,320

could he have the capability was almost

336

00:13:46,449 --> 00:13:44,870

Jesus like he had the capability to heal

337

00:13:48,370 --> 00:13:46,459

he healed

338

00:13:50,650 --> 00:13:48,380

that's his new Roger the woman came to

339

00:13:52,960 --> 00:13:50,660

the house screaming in agony and I mean

340

00:13:55,449 --> 00:13:52,970

swinging in pain with the Healing Hands

341

00:13:57,430 --> 00:13:55,459

that he had he healed her Leah Roger

342

00:13:59,530 --> 00:13:57,440

he brought a cat back from the dead in

343

00:14:00,880 --> 00:13:59,540

his eyes uncle bill in an ambulance so

344

00:14:04,050 --> 00:14:00,890

the ambulance crew were absolutely

345

00:14:06,850 --> 00:14:04,060

baffled and he was approached by the KGB

346

00:14:09,070 --> 00:14:06,860

so he said in Vienna

347

00:14:11,020 --> 00:14:09,080

fifteen the thing about my father well

348

00:14:12,910 --> 00:14:11,030

the thing about Vienna sorry was there

349

00:14:14,740 --> 00:14:12,920

was aspiring running by the Russians in

350

00:14:16,090 --> 00:14:14,750

Vienna in nineteen fifty and they

351

00:14:18,280 --> 00:14:16,100

approached him

352

00:14:19,960 --> 00:14:18,290

each never really never really told me

353

00:14:22,960 --> 00:14:19,970

what he what they approached him about

354

00:14:24,850 --> 00:14:22,970

but needless to say what wonders with

355

00:14:26,830 --> 00:14:24,860

the nature of time and the space time

356

00:14:29,380 --> 00:14:26,840

consider woman UFOs in general whether

357

00:14:31,270 --> 00:14:29,390

people even in nineteen fifty certain

358

00:14:34,030 --> 00:14:31,280

parties possibly the Russians actually

359

00:14:35,560 --> 00:14:34,040

knew what was going on I'll come to the

360

00:14:38,320 --> 00:14:35,570

Russians as well during the course of

361

00:14:40,300 --> 00:14:38,330

this go to this talk what we seen there

362

00:14:42,220 --> 00:14:40,310

is ability to heal but also and this

363

00:14:44,590 --> 00:14:42,230

this kind of like to stab people he

364

00:14:47,020 --> 00:14:44,600

would never hit me when I was not see he

365

00:14:49,270 --> 00:14:47,030

have the capability to let me Sparkle on

366

00:14:52,420 --> 00:14:49,280

the bed with a headache when I was in

367

00:14:54,640 --> 00:14:52,430

his eighty seven whatever that was not

368

00:14:57,670 --> 00:14:54,650

very nice the second thing about it was

369

00:15:00,760 --> 00:14:57,680

abuse was going on real some real abuse

370

00:15:03,370 --> 00:15:00,770

went on with me and you cannot help but

371

00:15:05,290 --> 00:15:03,380

wonder whether because of his ability he

372

00:15:09,220 --> 00:15:05,300

was targeted by negative forces

373

00:15:10,870 --> 00:15:09,230

resulting in an ordinary kind man doing

374

00:15:12,970 --> 00:15:10,880

things that he should have really been

375

00:15:14,890 --> 00:15:12,980

doing it's quite bizarre what happened

376

00:15:16,420 --> 00:15:14,900

with our family so what it is lesser

377

00:15:18,760 --> 00:15:16,430

Jeffers for some reason I have been

378

00:15:20,350 --> 00:15:18,770

trapped and targeted so I'm a man who's

379

00:15:22,360 --> 00:15:20,360

tried to get to the bottom of his

380

00:15:24,970 --> 00:15:22,370

paranormal experiences and can't quite

381

00:15:26,980 --> 00:15:24,980

seem to understand and then the UFOs

382

00:15:30,010 --> 00:15:26,990

turn up kind of fingers to answer the

383

00:15:31,840 --> 00:15:30,020

phone it's one great big a mystery that

384

00:15:33,970 --> 00:15:31,850

I'm trying to resolve and I get everyday

385

00:15:39,960 --> 00:15:33,980

I get closer to it all the time as to

386

00:15:43,090 --> 00:15:39,970

why it's going on next door backing in

387

00:15:45,160 --> 00:15:43,100

1992 I moved to I went to Strama school

388

00:15:47,740 --> 00:15:45,170

I got myself a top place at a London

389

00:15:49,150 --> 00:15:47,750

state school the manner of my father's

390

00:15:51,819 --> 00:15:49,160

Awards this was a shrimp

391

00:15:53,530 --> 00:15:51,829

shoulders and roll really really are

392

00:15:55,420 --> 00:15:53,540

great just like that which I never

393

00:15:57,610 --> 00:15:55,430

really forgave him for move to London

394

00:15:59,860 --> 00:15:57,620

and that's when the first well

395

00:16:01,930 --> 00:15:59,870

absolutely no it was 92 really when the

396

00:16:04,509 --> 00:16:01,940

first UFO began it cannon over the house

397

00:16:06,579 --> 00:16:04,519

I was coming back from rehearsal 91 yeah

398

00:16:08,860 --> 00:16:06,589

can we doing that from rehearsal in the

399

00:16:11,110 --> 00:16:08,870

UFO Kevin like something other Close

400

00:16:12,910 --> 00:16:11,120

Encounters and then he flew off again

401  
00:16:15,040 --> 00:16:12,920  
well it fast and I'm thinking to myself

402  
00:16:18,550 --> 00:16:15,050  
what the hell is that all about in

403  
00:16:20,530 --> 00:16:18,560  
London I began drama school left drama

404  
00:16:22,150 --> 00:16:20,540  
school worked in them worked in an

405  
00:16:24,819 --> 00:16:22,160  
office in perhaps three planets and I

406  
00:16:27,879 --> 00:16:24,829  
first saw them the UFO came in over a

407  
00:16:29,740 --> 00:16:27,889  
block of flats and it was as if it was

408  
00:16:31,749 --> 00:16:29,750  
going to crash into a block of flats and

409  
00:16:34,449 --> 00:16:31,759  
I'm about to run to a fire engine and

410  
00:16:36,519 --> 00:16:34,459  
say look like that play but by the time

411  
00:16:38,379 --> 00:16:36,529  
Adam having advanced and they will be

412  
00:16:39,790 --> 00:16:38,389  
pulling in a lot more appearances in the

413  
00:16:41,860 --> 00:16:39,800

years ahead cup all the way the

414

00:16:45,429 --> 00:16:41,870

communication like no other with them

415

00:16:47,860 --> 00:16:45,439

which was very very revealing that Blair

416

00:16:50,319 --> 00:16:47,870

is actually accurate a very accurate

417

00:16:52,990 --> 00:16:50,329

drawing of one of the extraterrestrials

418

00:16:54,550 --> 00:16:53,000

that I witnessed more about her leg so

419

00:16:57,370 --> 00:16:54,560

that let us just say that we wouldn't

420

00:17:00,069 --> 00:16:57,380

have we lived in an environment with my

421

00:17:01,960 --> 00:17:00,079

father a mother we're in the answers in

422

00:17:04,059 --> 00:17:01,970

a victorian-style house with no a

423

00:17:06,549 --> 00:17:04,069

bathroom and an outside toilet and no

424

00:17:08,439 --> 00:17:06,559

heating and we lived in poverty in fact

425

00:17:10,569 --> 00:17:08,449

it's true to say that when I was at the

426

00:17:12,760 --> 00:17:10,579

local school of ridicule and severely

427

00:17:15,340 --> 00:17:12,770

bullied for looking like a zipper and

428

00:17:18,010 --> 00:17:15,350

looking mucky which is a disgraceful

429

00:17:20,770 --> 00:17:18,020

term to use and it had an effect on me

430

00:17:22,360 --> 00:17:20,780

the bullying was quite unpleasant so we

431

00:17:23,980 --> 00:17:22,370

lived in this old house and then we

432

00:17:27,490 --> 00:17:23,990

moved to the other side of town better

433

00:17:29,260 --> 00:17:27,500

accommodation and I'm asleep next minute

434

00:17:30,789 --> 00:17:29,270

now I know I'm dreaming and also I'm

435

00:17:33,940 --> 00:17:30,799

back in my old house and there's this

436

00:17:36,850 --> 00:17:33,950

woman with a back to me time buck a hair

437

00:17:38,649 --> 00:17:36,860

and then she turns around and says how

438

00:17:40,340 --> 00:17:38,659

do I look

439

00:17:42,380 --> 00:17:40,350

imagine that

440

00:17:45,590 --> 00:17:42,390

is a bit more pointed the hair color is

441

00:17:47,690 --> 00:17:45,600

spot-on the eyes of green and it caught

442

00:17:51,140 --> 00:17:47,700

the fear of government I thought what

443

00:17:53,570 --> 00:17:51,150

the hell are you looking at me what is

444

00:17:55,940 --> 00:17:53,580

amazing about this is if anybody if

445

00:17:57,169 --> 00:17:55,950

anybody has contact with UFOs and they

446

00:17:58,700 --> 00:17:57,179

say oh well I welcome them with open

447

00:18:00,500 --> 00:17:58,710

arms I've kind of put the landing

448

00:18:03,320 --> 00:18:00,510

landing strip out and welcome them with

449

00:18:05,060 --> 00:18:03,330

my ambassador robes in real life it's

450

00:18:07,190 --> 00:18:05,070

not like that I was deeply shocked by

451  
00:18:09,890 --> 00:18:07,200  
what I saw a deeply shocked that was

452  
00:18:12,049 --> 00:18:09,900  
upon my return from London My dear

453  
00:18:14,299 --> 00:18:12,059  
mother was a woman when they first

454  
00:18:15,950 --> 00:18:14,309  
appeared over the house it was quite

455  
00:18:18,320 --> 00:18:15,960  
bizarre there was an orange flash of

456  
00:18:21,200 --> 00:18:18,330  
light it woke my mother up and then I

457  
00:18:23,029 --> 00:18:21,210  
heard this hello from nowhere as if the

458  
00:18:25,610 --> 00:18:23,039  
garden had a signaling pretty might you

459  
00:18:27,740 --> 00:18:25,620  
see when you communicate with these UFOs

460  
00:18:30,500 --> 00:18:27,750  
they leave a signal imprints it's like

461  
00:18:32,870 --> 00:18:30,510  
it's not just hurling their hand it's

462  
00:18:35,149 --> 00:18:32,880  
heard all around you outside of you you

463  
00:18:37,460 --> 00:18:35,159

know that that there there is no

464

00:18:39,740 --> 00:18:37,470

mistaking it you see and that's what she

465

00:18:43,000 --> 00:18:39,750

looked like and I would later have a

466

00:18:45,289 --> 00:18:43,010

liaison with that lady a very cryptic

467

00:18:46,909 --> 00:18:45,299

kindergarten liaison only going there

468

00:18:49,520 --> 00:18:46,919

piece that I could handle which is

469

00:18:51,350 --> 00:18:49,530

similar to UFO disclosure there's a lot

470

00:18:52,520 --> 00:18:51,360

going on about UFO disclosure but

471

00:18:56,360 --> 00:18:52,530

there's actually nothing happening

472

00:18:58,220 --> 00:18:56,370

because aliens only go aliens is the

473

00:19:00,649 --> 00:18:58,230

wrong word people who look like us or

474

00:19:03,200 --> 00:19:00,659

the worlds or we go at the place you

475

00:19:08,240 --> 00:19:03,210

might see can handle I'll come to that

476

00:19:10,760 --> 00:19:08,250

later extra what would happen with this

477

00:19:13,430 --> 00:19:10,770

lady in the early days when I first is

478

00:19:16,310 --> 00:19:13,440

that we would have very strange visions

479

00:19:18,549 --> 00:19:16,320

coming at me that's an early example of

480

00:19:22,039 --> 00:19:18,559

one of the visions that I had of a

481

00:19:24,740 --> 00:19:22,049

submarine being literally at maneuvered

482

00:19:27,320 --> 00:19:24,750

by a UFO a friend of mine who I used to

483

00:19:29,120 --> 00:19:27,330

when I was a supervisor a friend of mine

484

00:19:31,100 --> 00:19:29,130

who was ex-royal there he worked on the

485

00:19:33,980 --> 00:19:31,110

submarines even Achates I mean he works

486

00:19:36,950 --> 00:19:33,990

on radar the sub race he said that he

487

00:19:38,960 --> 00:19:36,960

was tracking UFOs with sonar and other

488

00:19:41,930 --> 00:19:38,970

gadgets that they had and the speed of

489

00:19:43,730 --> 00:19:41,940

these undersea ufos was nothing like the

490

00:19:45,740 --> 00:19:43,740

Americans and the British hat there was

491

00:19:47,419 --> 00:19:45,750

nothing that could compare and what was

492

00:19:48,980 --> 00:19:47,429

happening was the communication from

493

00:19:51,830 --> 00:19:48,990

these bishops indicated that they were

494

00:19:54,649 --> 00:19:51,840

monitoring closely nuclear matters that

495

00:19:56,690 --> 00:19:54,659

they are maritime mateys this is the big

496

00:19:58,549 --> 00:19:56,700

secret it's not a secret really true but

497

00:19:59,690 --> 00:19:58,559

there's a lot going on in our oceans

498

00:20:02,029 --> 00:19:59,700

with the because that's where they're

499

00:20:04,999 --> 00:20:02,039

coming from our bases in the oceans are

500

00:20:06,850 --> 00:20:05,009

come to later some major UFO researchers

501  
00:20:09,919 --> 00:20:06,860  
would dismiss that as a new-age

502  
00:20:12,049 --> 00:20:09,929  
platitude kind of like in the sense is

503  
00:20:14,210 --> 00:20:12,059  
where we're all doing hey let's make

504  
00:20:16,039 --> 00:20:14,220  
peace kind of thing and there's 50 to be

505  
00:20:18,619 --> 00:20:16,049  
a new age class acute but it is not

506  
00:20:21,470 --> 00:20:18,629  
these are highly intelligent beings and

507  
00:20:24,200 --> 00:20:21,480  
facts technology about 700 years ahead

508  
00:20:25,490 --> 00:20:24,210  
and they are warming continually warming

509  
00:20:27,379 --> 00:20:25,500  
because they know what it's all about

510  
00:20:29,419 --> 00:20:27,389  
and they've probably made the same

511  
00:20:31,340 --> 00:20:29,429  
disasters we have but they look around a

512  
00:20:33,049 --> 00:20:31,350  
little longer just to see things through

513  
00:20:35,180 --> 00:20:33,059

when they're here there's very real and

514

00:20:38,600 --> 00:20:35,190

they're here and that is what happened

515

00:20:40,669 --> 00:20:38,610

to me that's 97 when I had that vision

516

00:20:42,860 --> 00:20:40,679

and I couldn't understand why but all

517

00:20:48,619 --> 00:20:42,870

all became clear as I as I went along

518

00:20:51,980 --> 00:20:48,629

with it so the journey begins with me

519

00:20:55,100 --> 00:20:51,990

and as we can see that's in 1999 before

520

00:20:57,470 --> 00:20:55,110

the dr. Strangelove antics began you see

521

00:20:59,480 --> 00:20:57,480

ladies and gents when you have contact

522

00:21:01,460 --> 00:20:59,490

with UFOs in real life there is a

523

00:21:03,710 --> 00:21:01,470

distinct possibility that you don't know

524

00:21:06,080 --> 00:21:03,720

who is looking in the woodwork and sure

525

00:21:08,240 --> 00:21:06,090

enough there are classified information

526  
00:21:09,889 --> 00:21:08,250  
groups out there you might want to call

527  
00:21:11,720 --> 00:21:09,899  
them a modern version of mnx well

528  
00:21:13,820 --> 00:21:11,730  
whatever you want to call them that take

529  
00:21:16,490 --> 00:21:13,830  
a keen interest in certain people have

530  
00:21:18,470 --> 00:21:16,500  
contact with UFOs you see the large

531  
00:21:21,350 --> 00:21:18,480  
circle up there in the upper left that's

532  
00:21:24,440 --> 00:21:21,360  
known as a dropper UFO the other thing

533  
00:21:26,509 --> 00:21:24,450  
that's arrived is a pencil thin slice

534  
00:21:28,850 --> 00:21:26,519  
looks like a white that serves it's very

535  
00:21:30,860 --> 00:21:28,860  
pencil thin it's going to come round the

536  
00:21:32,990 --> 00:21:30,870  
side of the house and they go or rather

537  
00:21:35,960 --> 00:21:33,000  
fly around the house and present itself

538  
00:21:37,580 --> 00:21:35,970

as a triangle craft that's it

539

00:21:41,540 --> 00:21:37,590

excellent job they are just showing what

540

00:21:44,480 --> 00:21:41,550

is now a dropper Stone UFO is evidence

541

00:21:46,340 --> 00:21:44,490

in China and it flies in the vertical

542

00:21:48,470 --> 00:21:46,350

configuration of rising like a vertical

543

00:21:50,510 --> 00:21:48,480

configuration that across the skies and

544

00:21:56,990 --> 00:21:50,520

that's them again showing their presence

545

00:21:59,240 --> 00:21:57,000

which began in 1999 this would provoke a

546

00:22:01,160 --> 00:21:59,250

reaction from dr. Strangelove so what

547

00:22:04,070 --> 00:22:01,170

you've got here with excellent analysis

548

00:22:08,030 --> 00:22:04,080

by Jason is you've got the first other

549

00:22:10,970 --> 00:22:08,040

flight of them over my house the craft

550

00:22:14,090 --> 00:22:10,980

illuminates a TV antenna because the

551  
00:22:16,730 --> 00:22:14,100  
theme from them is communication the

552  
00:22:18,350 --> 00:22:16,740  
feed from them is signaling so what

553  
00:22:21,830 --> 00:22:18,360  
they're doing is they're signaling to a

554  
00:22:24,590 --> 00:22:21,840  
third party that made the kind of move

555  
00:22:26,600 --> 00:22:24,600  
it involves them it involves a very

556  
00:22:28,610 --> 00:22:26,610  
bizarre block operation that's going on

557  
00:22:32,750 --> 00:22:28,620  
around me and as we can see would

558  
00:22:34,790 --> 00:22:32,760  
provoke a very strange reaction from the

559  
00:22:36,560 --> 00:22:34,800  
intelligence services is the wrong word

560  
00:22:37,850 --> 00:22:36,570  
because some of the intelligence

561  
00:22:39,890 --> 00:22:37,860  
services who are protecting us from

562  
00:22:41,930 --> 00:22:39,900  
terrorism and all that kind of finger of

563  
00:22:43,880 --> 00:22:41,940

a stretch these guys are something else

564

00:22:45,980 --> 00:22:43,890

these cameras are classified information

565

00:22:47,960 --> 00:22:45,990

groups probably involved with the

566

00:22:50,480 --> 00:22:47,970

military-industrial complex as

567

00:22:52,550 --> 00:22:50,490

Eisenhower warned and he clearly warned

568

00:22:54,620 --> 00:22:52,560

that there was only an alert and

569

00:22:55,820 --> 00:22:54,630

knowledgeable citizenry consumers from

570

00:22:56,810 --> 00:22:55,830

what is going on and he was absolutely

571

00:22:58,430 --> 00:22:56,820

done right

572

00:23:00,500 --> 00:22:58,440

and I remember interviewing his

573

00:23:03,860 --> 00:23:00,510

great-granddaughter Laura Eisenhower for

574

00:23:06,470 --> 00:23:03,870

my radio show she said to me affair that

575

00:23:08,000 --> 00:23:06,480

he had had two heart attacks eisenhower

576

00:23:10,130 --> 00:23:08,010

drug great-granddaddy no two heart

577

00:23:13,220 --> 00:23:10,140

attacks because he knew the truth about

578

00:23:15,290 --> 00:23:13,230

what was going on with the UFO phenomena

579

00:23:18,260 --> 00:23:15,300

and it's quite a disgusting service when

580

00:23:21,080 --> 00:23:18,270

you drill down anyway UFOs coming in in

581

00:23:23,120 --> 00:23:21,090

illuminates a TV antenna and that will

582

00:23:26,120 --> 00:23:23,130

provoke a reaction from certain quarters

583

00:23:29,120 --> 00:23:26,130

because I just put it online on this

584

00:23:30,560 --> 00:23:29,130

website that pretends to know what is

585

00:23:32,210 --> 00:23:30,570

going on when I don't quite know but

586

00:23:34,990 --> 00:23:32,220

nevertheless I put it that was back in

587

00:23:37,779 --> 00:23:36,340

pointed out to me you just don't know

588

00:23:41,890 --> 00:23:37,789

what's watching you you just don't know

589

00:23:45,010 --> 00:23:41,900

what's in the woodwork and as we can see

590

00:23:48,010 --> 00:23:45,020

that's the that's the TV antenna being

591

00:23:50,140 --> 00:23:48,020

illuminated by the UFO the UFO is a

592

00:23:52,450 --> 00:23:50,150

small we could describe it as a small

593

00:23:53,799 --> 00:23:52,460

mini helicopter or even a drum but it

594

00:23:56,380 --> 00:23:53,809

ain't from around here

595

00:23:58,840 --> 00:23:56,390

that's a police helicopter that's the

596

00:24:01,210 --> 00:23:58,850

UFO that carried and illuminated the TV

597

00:24:04,120 --> 00:24:01,220

antenna quite intentionally quite on

598

00:24:06,190 --> 00:24:04,130

purpose from bases in our oceans they

599

00:24:07,720 --> 00:24:06,200

don't come from the other planets what

600

00:24:09,549 --> 00:24:07,730

they do but when they're doing

601  
00:24:11,169 --> 00:24:09,559  
operations like this they're coming from

602  
00:24:16,000 --> 00:24:11,179  
the oceans so I'm told

603  
00:24:18,180 --> 00:24:16,010  
next well that's an early image of the

604  
00:24:21,960 --> 00:24:18,190  
u.s. Navy plane that camera over me

605  
00:24:25,510 --> 00:24:21,970  
submits an electronic warfare aircraft

606  
00:24:28,060 --> 00:24:25,520  
ec3 I think it is carefully in an area

607  
00:24:29,620 --> 00:24:28,070  
where I was filming UFOs and it's not US

608  
00:24:32,049 --> 00:24:29,630  
Navy on the side of it although you

609  
00:24:33,880 --> 00:24:32,059  
can't see it there now also what is

610  
00:24:35,710 --> 00:24:33,890  
interesting in the early days when I put

611  
00:24:37,210 --> 00:24:35,720  
up this website when I didn't quite know

612  
00:24:39,279 --> 00:24:37,220  
what was going on and dangerously

613  
00:24:41,320 --> 00:24:39,289

assumed that I did and not only that

614

00:24:44,409 --> 00:24:41,330

became a bit dangerously obsessed with

615

00:24:46,960 --> 00:24:44,419

filming UFOs everything was a UFO until

616

00:24:48,940 --> 00:24:46,970

they all kind of began it's took me

617

00:24:51,520 --> 00:24:48,950

years to understand what's going on

618

00:24:54,549 --> 00:24:51,530

around me and that's the early image of

619

00:24:58,899 --> 00:24:54,559

the u.s. Navy playing in the area next

620

00:25:02,200 --> 00:24:58,909

one but of course what that happened was

621

00:25:04,750 --> 00:25:02,210

UFO contactees in the UK and I'm one of

622

00:25:07,690 --> 00:25:04,760

them and I make no apology for that they

623

00:25:10,659 --> 00:25:07,700

are what's the word that we are targeted

624

00:25:14,440 --> 00:25:10,669

by a secret police in the UK that knows

625

00:25:16,330 --> 00:25:14,450

about UFOs and has it's links into what

626

00:25:19,149 --> 00:25:16,340

Eisenhower warned about and I will

627

00:25:20,890 --> 00:25:19,159

stress again my disgust and distaste at

628

00:25:23,529 --> 00:25:20,900

what I have witnessed and the fact that

629

00:25:24,940 --> 00:25:23,539

men will all to give their lives so that

630

00:25:27,760 --> 00:25:24,950

we could have freedom and none of

631

00:25:31,899 --> 00:25:27,770

mind-control circus like this if you can

632

00:25:35,260 --> 00:25:31,909

imagine being targeted at 3:00 and 4:00

633

00:25:37,930 --> 00:25:35,270

in the morning by gunfire alarm clocks

634

00:25:41,980 --> 00:25:37,940

how much salary they were on that's kind

635

00:25:44,740 --> 00:25:41,990

of like the cost not only that I was

636

00:25:45,250 --> 00:25:44,750

targeted while being a carer which was

637

00:25:48,070 --> 00:25:45,260

quite

638

00:25:50,020 --> 00:25:48,080

- so I'm having to cope with a lot I

639

00:25:54,040 --> 00:25:50,030

really are having to cope with a lot it

640

00:25:57,460 --> 00:25:54,050

will provoke a reaction from the UFOs in

641

00:26:00,010 --> 00:25:57,470

that photo is actually an actor but

642

00:26:02,830 --> 00:26:00,020

however he looks like the man who

643

00:26:05,470 --> 00:26:02,840

targeted me he looks like the man who is

644

00:26:08,590 --> 00:26:05,480

using neural monitoring on me and what

645

00:26:12,010 --> 00:26:08,600

I'm doing is I'm setting a backdrop to

646

00:26:13,630 --> 00:26:12,020

you of spiritual faith in adversity

647

00:26:15,940 --> 00:26:13,640

which is what it's all about an

648

00:26:18,250 --> 00:26:15,950

understanding of the grace of cosmos a

649

00:26:20,620 --> 00:26:18,260

connection to the divine that's what

650

00:26:23,110 --> 00:26:20,630

it's all about but that man was very

651

00:26:25,210 --> 00:26:23,120

curious he's probably retired now but

652

00:26:26,800 --> 00:26:25,220

the thing is that one last time I was at

653

00:26:29,310 --> 00:26:26,810

let's say when I first started out in

654

00:26:32,920 --> 00:26:29,320

the conference seat I would probably

655

00:26:35,320 --> 00:26:32,930

stand up especially a probe or whatever

656

00:26:36,280 --> 00:26:35,330

go on and on and on about what they do

657

00:26:37,480 --> 00:26:36,290

but what they didn't they would you

658

00:26:39,250 --> 00:26:37,490

could feel the energy in the room go

659

00:26:40,870 --> 00:26:39,260

down but I thought that was not where it

660

00:26:43,450 --> 00:26:40,880

was that ladies and gentlemen where it

661

00:26:45,580 --> 00:26:43,460

was that was contact with the UFOs and

662

00:26:48,130 --> 00:26:45,590

wearing his leading and I'm soo Seri

663

00:26:48,940 --> 00:26:48,140

glad to say that that bastard and he

664

00:26:51,160 --> 00:26:48,950

knows what he did

665

00:26:52,870 --> 00:26:51,170

I'm sincerely glad to say that he

666

00:26:54,910 --> 00:26:52,880

hopefully reaches for the drinks cabinet

667

00:26:55,390 --> 00:26:54,920

at the sound of my name and the thought

668

00:26:57,700 --> 00:26:55,400

of me

669

00:27:00,220 --> 00:26:57,710

because he was deploying my control away

670

00:27:01,960 --> 00:27:00,230

from an unknown source you might say

671

00:27:03,670 --> 00:27:01,970

that you you couldn't make it up and

672

00:27:06,010 --> 00:27:03,680

that is correct you could not make this

673

00:27:08,350 --> 00:27:06,020

up because it actually happened this is

674

00:27:11,740 --> 00:27:08,360

the kind of unaccountable thing that

675

00:27:13,920 --> 00:27:11,750

goes on and we had an incident just

676  
00:27:17,200 --> 00:27:13,930  
moved to the next slide if you would pop

677  
00:27:18,940 --> 00:27:17,210  
yeah okay so what happened is that I

678  
00:27:21,940 --> 00:27:18,950  
actually had an incident with him in a

679  
00:27:23,710 --> 00:27:21,950  
local pub and I have been having psychic

680  
00:27:25,510 --> 00:27:23,720  
visions and dreams of Arabic for quite a

681  
00:27:27,820 --> 00:27:25,520  
while as to who was doing this to me

682  
00:27:30,280 --> 00:27:27,830  
I was ladies and gentleman awoke and all

683  
00:27:32,980 --> 00:27:30,290  
that was by gunfire screen saw because

684  
00:27:34,930 --> 00:27:32,990  
they're testing minding visit technology

685  
00:27:35,720 --> 00:27:34,940  
and there are some very important

686  
00:27:38,990 --> 00:27:35,730  
national

687  
00:27:40,279 --> 00:27:39,000  
to issues around such matters but that's

688  
00:27:43,250 --> 00:27:40,289

what was going on and that's what you

689

00:27:46,100 --> 00:27:43,260

see this is my first black unmarked

690

00:27:48,590 --> 00:27:46,110

helicopter incidents but any mind that

691

00:27:51,019 --> 00:27:48,600

we've had the UFO illuminates a TV

692

00:27:53,210 --> 00:27:51,029

antenna bearing in mind that I started

693

00:27:55,700 --> 00:27:53,220

getting strange phone calls the phone

694

00:27:57,789 --> 00:27:55,710

would ring and be happy the phone would

695

00:28:00,889 --> 00:27:57,799

ring I'm picking up some things going

696

00:28:03,529 --> 00:28:00,899

I'm putting the phone down on me but

697

00:28:05,330 --> 00:28:03,539

that is an area of security and

698

00:28:07,220 --> 00:28:05,340

intelligence that is completely out of

699

00:28:09,289 --> 00:28:07,230

that depth with the situation that is

700

00:28:11,899 --> 00:28:09,299

going on completely and this is what

701  
00:28:14,029 --> 00:28:11,909  
happens later gentlemen our military is

702  
00:28:15,529 --> 00:28:14,039  
straining to understand what is going on

703  
00:28:18,080 --> 00:28:15,539  
around it but there was no excuse for

704  
00:28:20,240 --> 00:28:18,090  
any of this anyway that's the unmarked

705  
00:28:22,730 --> 00:28:20,250  
helicopter it's bristling with camera

706  
00:28:28,159 --> 00:28:22,740  
gear and all kinds of things and it

707  
00:28:32,000 --> 00:28:28,169  
flies over I stand up it flies ladies

708  
00:28:34,789 --> 00:28:32,010  
and gents above us there in the picture

709  
00:28:37,519 --> 00:28:34,799  
there it poppers over the world so he's

710  
00:28:39,139 --> 00:28:37,529  
level with me and he would do that if

711  
00:28:40,970 --> 00:28:39,149  
he's trying to do something called

712  
00:28:43,129 --> 00:28:40,980  
signal measurement analysis or he's

713  
00:28:45,350 --> 00:28:43,139

trying to analyze something he hovers

714

00:28:47,450 --> 00:28:45,360

across the road the cars are beeping the

715

00:28:48,799 --> 00:28:47,460

horns the fisherman on the other side of

716

00:28:50,720 --> 00:28:48,809

the canal backward going nuts because

717

00:28:52,970 --> 00:28:50,730

the Fisher disturb and then he swings

718

00:28:55,639 --> 00:28:52,980

round that you can see there we got this

719

00:28:58,190 --> 00:28:55,649

we got this analyzed oh sorry I got this

720

00:28:59,990 --> 00:28:58,200

analyzed by James Defence weekly of all

721

00:29:01,610 --> 00:29:00,000

people who were very helpful because

722

00:29:03,649 --> 00:29:01,620

they were surprised because that

723

00:29:07,190 --> 00:29:03,659

helicopter is not on this issue to the

724

00:29:09,470 --> 00:29:07,200

RAF it is on issue to Brazilian American

725

00:29:11,629 --> 00:29:09,480

and Canadian Forces and it's a Finnick

726

00:29:13,250 --> 00:29:11,639

triple five which I understand from what

727

00:29:15,950 --> 00:29:13,260

James would tell them in the RAF dog

728

00:29:18,259 --> 00:29:15,960

news but of course it's a pipe

729

00:29:23,779 --> 00:29:18,269

observation helicopter move along

730

00:29:26,450 --> 00:29:23,789

citizens next so what we have going on

731

00:29:28,639 --> 00:29:26,460

here what we have got going on here is

732

00:29:30,320 --> 00:29:28,649

there has been in the past which are

733

00:29:32,790 --> 00:29:30,330

seriously studied and I do a remote

734

00:29:34,830 --> 00:29:32,800

viewing now a remote viewing course

735

00:29:36,870 --> 00:29:34,840

you an evening absolutely and it goes

736

00:29:39,150 --> 00:29:36,880

down the storm with with audience it's

737

00:29:41,040 --> 00:29:39,160

all across the UK or into this but

738

00:29:43,530 --> 00:29:41,050

basically what we aren't going on was a

739

00:29:46,170 --> 00:29:43,540

black operation across the space-time

740

00:29:48,540 --> 00:29:46,180

continuum and as we can see there were

741

00:29:50,700 --> 00:29:48,550

several organizations and groups that

742

00:29:54,150 --> 00:29:50,710

have started the remote viewing and

743

00:29:57,090 --> 00:29:54,160

psychic warfare operations the UFO

744

00:29:59,430 --> 00:29:57,100

phenomena contact with UFOs disclosure

745

00:30:02,250 --> 00:29:59,440

with UFOs all end up in this environment

746

00:30:04,170 --> 00:30:02,260

called the space-time continuum and as

747

00:30:06,150 --> 00:30:04,180

we can see there are quite a few names

748

00:30:08,610 --> 00:30:06,160

there we've got stargates

749

00:30:09,930 --> 00:30:08,620

we've got Dragoon absorb we've got the

750

00:30:12,240 --> 00:30:09,940

war essentially

751

00:30:14,430 --> 00:30:12,250

all the remote viewing programs that

752

00:30:16,740 --> 00:30:14,440

went on we've now got Russell Targ on

753

00:30:19,140 --> 00:30:16,750

the scene Russell Targ was somebody who

754

00:30:21,900 --> 00:30:19,150

set up the u.s. psychic warfare program

755

00:30:24,270 --> 00:30:21,910

Project Star Gate and in his Russell

756

00:30:26,760 --> 00:30:24,280

targets now in Tom DeLonge steam who is

757

00:30:28,920 --> 00:30:26,770

talking about UFOs and all that was

758

00:30:31,410 --> 00:30:28,930

going on now with these classified

759

00:30:33,630 --> 00:30:31,420

programs to do with psychic warfare we

760

00:30:36,000 --> 00:30:33,640

can actually guarantee that there would

761

00:30:39,420 --> 00:30:36,010

be a communication across space-time

762

00:30:40,860 --> 00:30:39,430

with the minds of ETS and the minds of

763

00:30:44,220 --> 00:30:40,870

the people who are out there in the

764

00:30:47,130 --> 00:30:44,230

universe and it is not a lie we are

765

00:30:48,060 --> 00:30:47,140

being white soon but these men Joseph

766

00:30:49,560 --> 00:30:48,070

mcmoneagle

767

00:30:51,750 --> 00:30:49,570

I'll come to it later a guy called

768

00:30:54,630 --> 00:30:51,760

Alexey Saavik David Morehouse a song

769

00:30:58,140 --> 00:30:54,640

will at some point of the Proceedings of

770

00:31:01,620 --> 00:30:58,150

an interaction with UFOs because why

771

00:31:04,050 --> 00:31:01,630

have radio astronomy when the mind is

772

00:31:08,850 --> 00:31:04,060

that the first class communication to

773

00:31:11,700 --> 00:31:08,860

all across the universe next one so what

774

00:31:13,890 --> 00:31:11,710

happened with me I'm I decided after all

775

00:31:16,980 --> 00:31:13,900

this crazy stuff was going on with the

776

00:31:18,660 --> 00:31:16,990

UFOs and all that kind of thing it is

777

00:31:21,000 --> 00:31:18,670

true to say that I looked at something

778

00:31:23,470 --> 00:31:21,010

called the assessment by Staff Sergeant

779

00:31:28,390 --> 00:31:23,480

Robert Dean have you all heard of NATO

780

00:31:31,480 --> 00:31:28,400

assessment no nobody yes okay what was

781

00:31:33,850 --> 00:31:31,490

NATO did an assessment probably in the

782

00:31:35,590 --> 00:31:33,860

nineteen seventies and Staff Sergeant

783

00:31:37,690 --> 00:31:35,600

Robert Dean stood up and told everyone

784

00:31:39,160 --> 00:31:37,700

that he was in the ship headquarters and

785

00:31:41,980 --> 00:31:39,170

that they still carried out an

786

00:31:43,930 --> 00:31:41,990

assessment on UFOs because the Russians

787

00:31:45,580 --> 00:31:43,940

for the NATO were flying into their

788

00:31:48,130 --> 00:31:45,590

airspace at night so fought the Russians

789

00:31:52,300 --> 00:31:48,140

were flying into their airspace but it

790

00:31:54,670 --> 00:31:52,310

was in fact UFOs and so I ran share pet

791

00:31:56,890 --> 00:31:54,680

quarters to ask do they have such a

792

00:31:58,870 --> 00:31:56,900

document called the assessment the lady

793

00:32:02,080 --> 00:31:58,880

was very nice he said there was no such

794

00:32:04,270 --> 00:32:02,090

thing with that strange things started

795

00:32:06,340 --> 00:32:04,280

to go on the phone starts become taps

796

00:32:08,590 --> 00:32:06,350

people turned up at the telephone line

797

00:32:10,690 --> 00:32:08,600

all this kind of thing what was

798

00:32:13,660 --> 00:32:10,700

interesting about what Robert doob says

799

00:32:16,540 --> 00:32:13,670

was that about the ETS was this they

800

00:32:18,760 --> 00:32:16,550

look like us and we look like them and

801  
00:32:20,950 --> 00:32:18,770  
what we see fearless Kroos was the alien

802  
00:32:23,800 --> 00:32:20,960  
that so was that the Admirals and the

803  
00:32:25,690 --> 00:32:23,810  
generals were all very alarmed because

804  
00:32:28,120 --> 00:32:25,700  
you could have one of these aliens

805  
00:32:30,520 --> 00:32:28,130  
walking down there and walking down the

806  
00:32:33,790 --> 00:32:30,530  
White House corridor and you would never

807  
00:32:36,370 --> 00:32:33,800  
know you would literally never know and

808  
00:32:38,110 --> 00:32:36,380  
I can assure you in 40 years of dealing

809  
00:32:40,360 --> 00:32:38,120  
with them that they're more like us that

810  
00:32:42,910 --> 00:32:40,370  
we would know and they also have their

811  
00:32:45,670 --> 00:32:42,920  
own judiciary and infrastructures and so

812  
00:32:47,950 --> 00:32:45,680  
on and so forth we are being lied to for

813  
00:32:49,810 --> 00:32:47,960

very nefarious reasons that I don't

814

00:32:52,180 --> 00:32:49,820

quite understand why but I'm now

815

00:32:54,460 --> 00:32:52,190

understanding after all these years so I

816

00:32:57,160 --> 00:32:54,470

was put through to my local council I

817

00:33:00,310 --> 00:32:57,170

wanted to ring my local council in 2016

818

00:33:02,800 --> 00:33:00,320

right of all this going on so I was put

819

00:33:04,690 --> 00:33:02,810

through and all of a sudden I heard

820

00:33:08,080 --> 00:33:04,700

somebody on the phone in American accent

821

00:33:10,750 --> 00:33:08,090

oh hello hello oh oh because they knew

822

00:33:12,580 --> 00:33:10,760

that my phone had been picked up the

823

00:33:14,320 --> 00:33:12,590

American accent could be disappeared and

824

00:33:16,000 --> 00:33:14,330

then it was like I had the capsule that

825

00:33:18,610 --> 00:33:16,010

was good fruit to somebody in Germany

826

00:33:21,490 --> 00:33:18,620

who started just talking

827

00:33:24,340 --> 00:33:21,500

fluent German at me for some reason and

828

00:33:25,629 --> 00:33:24,350

then I thought it was very odd but this

829

00:33:27,969 --> 00:33:25,639

is a bear is

830

00:33:29,589 --> 00:33:27,979

bearing on my situation that I was

831

00:33:33,729 --> 00:33:29,599

mysteriously cooked through to Germany

832

00:33:35,949 --> 00:33:33,739

it was quite baffling next one of course

833

00:33:38,199 --> 00:33:35,959

what happens is when you are

834

00:33:40,359 --> 00:33:38,209

esoterically targeted in some very

835

00:33:42,940 --> 00:33:40,369

bizarre way for example I told you about

836

00:33:45,219 --> 00:33:42,950

the incident in the pub what happened

837

00:33:47,619 --> 00:33:45,229

was this guy had been having psychic

838

00:33:49,869 --> 00:33:47,629

dreams about him and he walks into the

839

00:33:53,259 --> 00:33:49,879

pub and I know it's him and I've been

840

00:33:56,319 --> 00:33:53,269

targeted by MKULTRA technology and he

841

00:33:59,139 --> 00:33:56,329

mentioned something about what he is

842

00:34:01,930 --> 00:33:59,149

doing that only I would know it was

843

00:34:04,869 --> 00:34:01,940

quite intentional and then next minute I

844

00:34:06,759 --> 00:34:04,879

know his colleague Louise with she looks

845

00:34:09,309 --> 00:34:06,769

at big backwards in a mirror and says

846

00:34:11,740 --> 00:34:09,319

why is its accident speaking to us and

847

00:34:15,819 --> 00:34:11,750

he says I don't know come on let's go

848

00:34:18,250 --> 00:34:15,829

that was in about 98 so what we've got

849

00:34:20,200 --> 00:34:18,260

is some kind of unaccountable agency of

850

00:34:23,559 --> 00:34:20,210

individuals wandering around doing this

851  
00:34:25,690 --> 00:34:23,569  
stuff and not only that just recently as

852  
00:34:28,329 --> 00:34:25,700  
part of the saga that I'm about to tell

853  
00:34:30,669 --> 00:34:28,339  
you we had this happen this is filling

854  
00:34:34,149 --> 00:34:30,679  
them that calls me online mobile firm

855  
00:34:38,169 --> 00:34:34,159  
because I'm quite quite astute in the

856  
00:34:41,499 --> 00:34:38,179  
world of the esoteric that number that

857  
00:34:43,990 --> 00:34:41,509  
Kenan is quite relevant to Genesis 46:30

858  
00:34:47,200 --> 00:34:44,000  
fruit guy on the phone goes can't speak

859  
00:34:49,089 --> 00:34:47,210  
to param just like that intentionally

860  
00:34:50,919 --> 00:34:49,099  
quite intentional it's not the first

861  
00:34:53,169 --> 00:34:50,929  
time that I've received mysterious phone

862  
00:34:54,490 --> 00:34:53,179  
calls on my phone but actually I was

863  
00:34:57,220 --> 00:34:54,500

looking at the number because I'm you

864

00:34:59,289 --> 00:34:57,230

little mermaid something 46:30 fruit and

865

00:35:03,069 --> 00:34:59,299

that means it's briefly Genesis means

866

00:35:06,490 --> 00:35:03,079

the Pharaoh is asking what is your

867

00:35:06,880 --> 00:35:06,500

occupation that's what it that's what it

868

00:35:08,740 --> 00:35:06,890

was

869

00:35:10,299 --> 00:35:08,750

and that's actually just incidentally

870

00:35:13,690 --> 00:35:10,309

that's actually from a Charlie Chaplin

871

00:35:14,620 --> 00:35:13,700

film that's a possible time traveller on

872

00:35:16,599 --> 00:35:14,630

a mobile phone

873

00:35:18,910 --> 00:35:16,609

it's a classic on YouTube do look it up

874

00:35:21,700 --> 00:35:18,920

but that was that the esoteric call from

875

00:35:25,059 --> 00:35:21,710

France that mimicked Genesis 46 43

876

00:35:27,609 --> 00:35:25,069

because the UFO phenomenon is biblically

877

00:35:28,200 --> 00:35:27,619

linked it is linked to the demonic it is

878

00:35:29,550 --> 00:35:28,210

linked

879

00:35:31,589 --> 00:35:29,560

you might see a greater understanding

880

00:35:34,349 --> 00:35:31,599

and another mist of consciousness but it

881

00:35:36,660 --> 00:35:34,359

is also oppression it is also control

882

00:35:39,089 --> 00:35:36,670

and what I'm communicating with you is

883

00:35:41,160 --> 00:35:39,099

the serious game that we're in and the

884

00:35:43,770 --> 00:35:41,170

cost of what it's really like to be a

885

00:35:46,230 --> 00:35:43,780

close encounter experience in the UK

886

00:35:48,660 --> 00:35:46,240

without that you will get you do get the

887

00:35:50,670 --> 00:35:48,670

truffle factor coming at you and what

888

00:35:52,620 --> 00:35:50,680

I'm trying to say is what really goes on

889

00:35:57,210 --> 00:35:52,630

I'm sure you get that just move to the

890

00:36:00,870 --> 00:35:57,220

next slide car so what happened is on

891

00:36:02,640 --> 00:36:00,880

the day of the actual I was doing

892

00:36:05,730 --> 00:36:02,650

something for channel 4 and this is

893

00:36:07,740 --> 00:36:05,740

really I've had years of the UFOs coming

894

00:36:10,079 --> 00:36:07,750

in going out me being obsessed with the

895

00:36:12,120 --> 00:36:10,089

me filming them in a field we are want

896

00:36:14,970 --> 00:36:12,130

incidents in the field where he was like

897

00:36:17,130 --> 00:36:14,980

gunfight at the OK Corral whereby the

898

00:36:19,920 --> 00:36:17,140

UFO is is stood in the field hovering

899

00:36:22,050 --> 00:36:19,930

and I'm looking back at it and he kind

900

00:36:24,750 --> 00:36:22,060

of like burns my leg in super barbers

901  
00:36:26,910 --> 00:36:24,760  
our way and flies off what is an

902  
00:36:28,890 --> 00:36:26,920  
interesting observation to nerves is

903  
00:36:31,950 --> 00:36:28,900  
that some of these UFOs that turned up

904  
00:36:34,440 --> 00:36:31,960  
are simply dot of white UFOs but what

905  
00:36:37,079 --> 00:36:34,450  
can also happen is other UFOs can turn

906  
00:36:39,270 --> 00:36:37,089  
up and chase them off this is a very

907  
00:36:41,130 --> 00:36:39,280  
important observation from the UFO point

908  
00:36:43,800 --> 00:36:41,140  
of view because it means that you're

909  
00:36:45,870 --> 00:36:43,810  
dealing with some sort of Cold War which

910  
00:36:48,089 --> 00:36:45,880  
you are there's some sort of cold war

911  
00:36:51,120 --> 00:36:48,099  
going on with the UFOs that humanity

912  
00:36:52,770 --> 00:36:51,130  
appears blind to but another elements of

913  
00:36:55,079 --> 00:36:52,780

humanity which is stooped in the

914

00:36:58,829 --> 00:36:55,089

esoteric and the mystery skills know

915

00:37:00,450 --> 00:36:58,839

what is going on you see so during the

916

00:37:03,000 --> 00:37:00,460

night he was doing some work for channel

917

00:37:04,920 --> 00:37:03,010

4 and it is very interesting to know

918

00:37:07,230 --> 00:37:04,930

that this was near the Royal Institute

919

00:37:09,990 --> 00:37:07,240

of International Affairs there's a

920

00:37:13,230 --> 00:37:10,000

contact experience so called Alec newald

921

00:37:14,970 --> 00:37:13,240

who wrote a book called co-evolution and

922

00:37:16,530 --> 00:37:14,980

within that book he was driving to

923

00:37:19,140 --> 00:37:16,540

Auckland in New Zealand

924

00:37:20,789 --> 00:37:19,150

he then kaif the road it would have been

925

00:37:22,620 --> 00:37:20,799

and thought he was dead and he had super

926  
00:37:24,749 --> 00:37:22,630  
girly figures come towards him but they

927  
00:37:27,150 --> 00:37:24,759  
weren't to us there were actually aliens

928  
00:37:30,720 --> 00:37:27,160  
who explained to him that they were his

929  
00:37:32,309 --> 00:37:30,730  
nearest dimensional neighbors what

930  
00:37:34,739 --> 00:37:32,319  
happened was he said that he would be

931  
00:37:37,140 --> 00:37:34,749  
came back ten days later didn't know

932  
00:37:39,539 --> 00:37:37,150  
where he was a hundred miles from where

933  
00:37:41,220 --> 00:37:39,549  
he should have been a few months later a

934  
00:37:43,440 --> 00:37:41,230  
few weeks later there was a knock at the

935  
00:37:45,359 --> 00:37:43,450  
door the knock at the door was from

936  
00:37:47,609 --> 00:37:45,369  
somebody alleged to be from the

937  
00:37:50,579 --> 00:37:47,619  
Australian Defence agency who defense

938  
00:37:53,400 --> 00:37:50,589

intelligence agency said the Royal

939

00:37:55,049 --> 00:37:53,410

Institute of International Affairs but

940

00:37:57,660 --> 00:37:55,059

he didn't know who they were and so the

941

00:37:59,279 --> 00:37:57,670

guys show these ID to him I don't know

942

00:38:02,130 --> 00:37:59,289

whether that is correct but what is

943

00:38:04,440 --> 00:38:02,140

interesting is that Alex car and he does

944

00:38:06,870 --> 00:38:04,450

not know how they knew this they wanted

945

00:38:09,569 --> 00:38:06,880

to take Alex car away because it had

946

00:38:13,349 --> 00:38:09,579

been subjected to high electrical

947

00:38:15,989 --> 00:38:13,359

voltage he refused they ended up to be a

948

00:38:17,670 --> 00:38:15,999

right who are with Alec Alec now lives

949

00:38:19,620 --> 00:38:17,680

the peaceful life in New Zealand after

950

00:38:21,690 --> 00:38:19,630

all after the ordeal that happened to it

951  
00:38:23,549 --> 00:38:21,700  
you see there's a cost to it when you

952  
00:38:25,979 --> 00:38:23,559  
have contact with each cities and UFOs

953  
00:38:30,329 --> 00:38:25,989  
there is a cost to it just move to the

954  
00:38:33,059 --> 00:38:30,339  
next slide so what happened was during

955  
00:38:35,309 --> 00:38:33,069  
the filming for channel 4 on that

956  
00:38:37,440 --> 00:38:35,319  
morning for the first time ever you've

957  
00:38:39,900 --> 00:38:37,450  
seen that the RUC me show you that the

958  
00:38:42,450 --> 00:38:39,910  
UFOs are coming in you've seen assure

959  
00:38:44,609 --> 00:38:42,460  
you that I am the first incident in 97

960  
00:38:46,920 --> 00:38:44,619  
and they all kind of went a bit bizarre

961  
00:38:49,529 --> 00:38:46,930  
that you were first coming in me being

962  
00:38:53,009 --> 00:38:49,539  
targeted strange phone calls etc etc

963  
00:38:55,920 --> 00:38:53,019

then in about could disrupt 2014 or 2015

964

00:38:58,380 --> 00:38:55,930

something like that I was filming going

965

00:39:01,200 --> 00:38:58,390

to film for channel 4 near the Royal

966

00:39:02,729 --> 00:39:01,210

Institute of International Affairs not

967

00:39:05,910 --> 00:39:02,739

that I'm saying that involved in any way

968

00:39:07,700 --> 00:39:05,920

shape or form but it's odd because I was

969

00:39:10,099 --> 00:39:07,710

at well I wasn't a walk and I was

970

00:39:13,220 --> 00:39:10,109

sleep at the time and they ended up with

971

00:39:15,380 --> 00:39:13,230

me actually how can I predict seeing

972

00:39:17,900 --> 00:39:15,390

this spectacular vision that has been

973

00:39:19,760 --> 00:39:17,910

brought by my artist friend like cunning

974

00:39:22,220 --> 00:39:19,770

and the friend of mine called Peter

975

00:39:24,680 --> 00:39:22,230

Brennan who did an excellent job an

976

00:39:27,800 --> 00:39:24,690

excellent rendition of the Nordic easy

977

00:39:31,250 --> 00:39:27,810

that I saw the hair length is absolutely

978

00:39:33,560 --> 00:39:31,260

spot-on and what he did this guy is he

979

00:39:37,490 --> 00:39:33,570

stood there and he was speaking to

980

00:39:38,930 --> 00:39:37,500

somebody like this now I can hear that

981

00:39:40,849 --> 00:39:38,940

you come here come here but he was

982

00:39:42,680 --> 00:39:40,859

speaking to somebody and the thing is is

983

00:39:45,170 --> 00:39:42,690

that only on the right there there's a

984

00:39:47,630 --> 00:39:45,180

flashing signal of like an avatar symbol

985

00:39:50,329 --> 00:39:47,640

and there are two clocks one says 5 to

986

00:39:52,640 --> 00:39:50,339

12 the other says water 12 because this

987

00:39:55,070 --> 00:39:52,650

was at the height of the Ukraine crisis

988

00:39:56,900 --> 00:39:55,080

where Russia and America were heating up

989

00:39:58,670 --> 00:39:56,910

with each other and it is as if there

990

00:40:00,920 --> 00:39:58,680

was some sort of intervention going on

991

00:40:04,070 --> 00:40:00,930

by Nordic Easy's into human affairs

992

00:40:07,460 --> 00:40:04,080

which there is now the thing is is that

993

00:40:09,109 --> 00:40:07,470

you note the field that will be very

994

00:40:11,359 --> 00:40:09,119

important in this presentation

995

00:40:12,950 --> 00:40:11,369

note that field that's the thing so keep

996

00:40:14,660 --> 00:40:12,960

an eye on that field that's their

997

00:40:17,300 --> 00:40:14,670

triangles that's their clocks that

998

00:40:20,660 --> 00:40:17,310

listen was absolutely spectacular for

999

00:40:22,849 --> 00:40:20,670

the use of this man has saved my life

1000

00:40:26,240 --> 00:40:22,859

twice I'm very serious about it

1001  
00:40:27,920 --> 00:40:26,250  
he's actually intervened in my affairs

1002  
00:40:29,990 --> 00:40:27,930  
twice because I've been going through

1003  
00:40:30,290 --> 00:40:30,000  
how and we'll all come to all that in a

1004  
00:40:33,620 --> 00:40:30,300  
minute

1005  
00:40:35,630 --> 00:40:33,630  
next slide please med you'll notice by

1006  
00:40:38,089 --> 00:40:35,640  
the word of it says speaking to parties

1007  
00:40:39,920 --> 00:40:38,099  
that cross a continuum because it's like

1008  
00:40:42,170 --> 00:40:39,930  
protects stargates

1009  
00:40:43,400 --> 00:40:42,180  
does anybody by the way anybody know

1010  
00:40:45,950 --> 00:40:43,410  
Project stargates

1011  
00:40:47,480 --> 00:40:45,960  
yeah yeah okay projects target the

1012  
00:40:49,880 --> 00:40:47,490  
American remote viewing programs this

1013  
00:40:51,829 --> 00:40:49,890

was like something on steroids and as

1014

00:40:53,960 --> 00:40:51,839

you can see that's a journal and the

1015

00:40:57,500 --> 00:40:53,970

vision that's my journal entry of what I

1016

00:40:59,839 --> 00:40:57,510

saw and Lloyd canning brings it to life

1017

00:41:00,650 --> 00:40:59,849

brilliantly with the clocks the clocks

1018

00:41:03,440 --> 00:41:00,660

are just

1019

00:41:05,539 --> 00:41:03,450

exact as to what I saw never forget the

1020

00:41:06,260 --> 00:41:05,549

vision it will be one of the few more to

1021

00:41:09,920 --> 00:41:06,270

come with it

1022

00:41:12,440 --> 00:41:09,930

next slide please where does the actual

1023

00:41:13,760 --> 00:41:12,450

marvelous painting by Lloyd canonical in

1024

00:41:15,589 --> 00:41:13,770

its all its glory

1025

00:41:18,170 --> 00:41:15,599

note the clocks that's exactly what I

1026  
00:41:20,510 --> 00:41:18,180  
saw I mean he's done a splendid job not

1027  
00:41:22,250 --> 00:41:20,520  
the field very important that field was

1028  
00:41:25,789 --> 00:41:22,260  
in the vision as well and there's a

1029  
00:41:28,190 --> 00:41:25,799  
flashing flashing light simple and 5 to

1030  
00:41:30,289 --> 00:41:28,200  
12 that flashing light simple as the

1031  
00:41:33,440 --> 00:41:30,299  
simple of a big job and it possibly

1032  
00:41:36,020 --> 00:41:33,450  
means intervention in human affairs that

1033  
00:41:38,120 --> 00:41:36,030  
these nada keepsies are very smart

1034  
00:41:40,220 --> 00:41:38,130  
they're very clever if you look at

1035  
00:41:41,660 --> 00:41:40,230  
Chinese academia you will discover it's

1036  
00:41:44,329 --> 00:41:41,670  
widely acknowledged among chinese

1037  
00:41:45,829 --> 00:41:44,339  
academics that Nordics were in china it

1038  
00:41:47,990 --> 00:41:45,839

is there is a rumor that they were in

1039

00:41:50,240 --> 00:41:48,000

Ireland there is a rumor in Zulu

1040

00:41:52,460 --> 00:41:50,250

folklore that the Western European male

1041

00:41:54,650 --> 00:41:52,470

was not the first person the Zulu people

1042

00:41:56,029 --> 00:41:54,660

met the first person the Zulu people

1043

00:41:58,130 --> 00:41:56,039

back were the people from the stars

1044

00:41:59,690 --> 00:41:58,140

above the people of you who came in were

1045

00:42:02,089 --> 00:41:59,700

Nordics they were the first people in

1046

00:42:04,990 --> 00:42:02,099

Zulu folklore who saw people who were

1047

00:42:07,549 --> 00:42:05,000

different to that next slide placement

1048

00:42:09,559 --> 00:42:07,559

so what happened is this is at the

1049

00:42:11,390 --> 00:42:09,569

artist rendition by Paula it's a good

1050

00:42:13,400 --> 00:42:11,400

example of the eating appearing in the

1051

00:42:15,980 --> 00:42:13,410

symbolic vision there's a particular

1052

00:42:17,809 --> 00:42:15,990

you'll be a loss all the internet about

1053

00:42:19,970 --> 00:42:17,819

the Normans coming from here the Nordics

1054

00:42:21,470 --> 00:42:19,980

coming from there but my professional

1055

00:42:23,569 --> 00:42:21,480

reputation on it but they come from

1056

00:42:25,640 --> 00:42:23,579

Andromeda and then they were explorers

1057

00:42:28,099 --> 00:42:25,650

of the sea and then that manages

1058

00:42:31,279 --> 00:42:28,109

scientists 32 earth years of age and

1059

00:42:34,069 --> 00:42:31,289

they will return to me in November of

1060

00:42:35,960 --> 00:42:34,079

last year which they did after an

1061

00:42:37,579 --> 00:42:35,970

important operation I went through the

1062

00:42:39,859 --> 00:42:37,589

gates of Hell map ladies and gentlemen I

1063

00:42:42,349 --> 00:42:39,869

was looking after my mother and I have

1064

00:42:45,079 --> 00:42:42,359

earlier problems and all kinds of things

1065

00:42:47,000 --> 00:42:45,089

going on but because I managed to get

1066

00:42:48,260 --> 00:42:47,010

help from my mother and I would a few

1067

00:42:50,000 --> 00:42:48,270

seemed to put her in a home because

1068

00:42:51,230 --> 00:42:50,010

we've been through enough hell with our

1069

00:42:54,270 --> 00:42:51,240

father without me

1070

00:42:56,040 --> 00:42:54,280

you didn't want to I know so we battled

1071

00:42:57,750 --> 00:42:56,050

to the bitter end with the outsiders

1072

00:42:59,760 --> 00:42:57,760

element and the dimension element and

1073

00:43:01,620 --> 00:42:59,770

then we had all this going on around me

1074

00:43:03,240 --> 00:43:01,630

it's a lot to deal with and so he said

1075

00:43:05,490 --> 00:43:03,250

he would return to me in November and

1076

00:43:08,849 --> 00:43:05,500

they did the liaison with this man is

1077

00:43:10,980 --> 00:43:08,859

present he's around and I would suggest

1078

00:43:13,620 --> 00:43:10,990

that he is believe it or not ladies and

1079

00:43:16,770 --> 00:43:13,630

gentlemen I would suggest is the

1080

00:43:19,109 --> 00:43:16,780

equivalent of like a provost marshal he

1081

00:43:20,820 --> 00:43:19,119

is part of something called command

1082

00:43:22,589 --> 00:43:20,830

structure that they have they have

1083

00:43:26,040 --> 00:43:22,599

defense command explore issue command

1084

00:43:29,520 --> 00:43:26,050

from what he said now this is real and

1085

00:43:31,500 --> 00:43:29,530

it unbelievable now you might think some

1086

00:43:34,050 --> 00:43:31,510

people I don't think you do but some

1087

00:43:35,820 --> 00:43:34,060

people might go always a fantasies oh

1088

00:43:37,830 --> 00:43:35,830

well it's not the loss of his brother so

1089

00:43:39,450 --> 00:43:37,840

he's making this earth just too so that

1090

00:43:41,880 --> 00:43:39,460

it could push he can't cope with normal

1091

00:43:44,970 --> 00:43:41,890

reality and therefore is just [h\_\_h]

1092

00:43:47,910 --> 00:43:44,980

this up so they can cope with it all not

1093

00:43:50,310 --> 00:43:47,920

true none of that is true what is going

1094

00:43:52,200 --> 00:43:50,320

on is real and it's a very great cost

1095

00:43:54,060 --> 00:43:52,210

and we're being warned by them for some

1096

00:43:56,490 --> 00:43:54,070

reason there's a warning in this these

1097

00:43:58,380 --> 00:43:56,500

Nordic eat seas do not mess around and

1098

00:44:02,280 --> 00:43:58,390

they're very real as we will restore

1099

00:44:05,400 --> 00:44:02,290

just for the next slide what happened

1100

00:44:07,950 --> 00:44:05,410

was this so I've told you that I've got

1101

00:44:09,930 --> 00:44:07,960

liaison with Nordic aliens I told I

1102

00:44:12,750 --> 00:44:09,940

haven't told you about that triangle

1103

00:44:15,359 --> 00:44:12,760

craft are artificially intelligent nor

1104

00:44:17,370 --> 00:44:15,369

did I mention to you that the triangle

1105

00:44:19,650 --> 00:44:17,380

craft in particular are actually

1106

00:44:22,320 --> 00:44:19,660

according to the Nordic et's dated gear

1107

00:44:25,109 --> 00:44:22,330

and need upgrades that technology can be

1108

00:44:26,760 --> 00:44:25,119

dated like human standards so they're

1109

00:44:28,470 --> 00:44:26,770

developing technology all the time

1110

00:44:31,890 --> 00:44:28,480

they're very real and they are in our

1111

00:44:35,640 --> 00:44:31,900

ocean so their bases it's all during a

1112

00:44:37,349 --> 00:44:35,650

talk I gave in Watford which was I get

1113

00:44:38,780 --> 00:44:37,359

this talking wall for talking about the

1114

00:44:41,310 --> 00:44:38,790

Nordic eat seeds and I thought to myself

1115

00:44:43,440 --> 00:44:41,320

you see ladies and gentlemen when you're

1116

00:44:45,000 --> 00:44:43,450

under observation you know you're under

1117

00:44:47,430 --> 00:44:45,010

observation when you have an instinct

1118

00:44:49,609 --> 00:44:47,440

for it so I knew that I was being

1119

00:44:50,960 --> 00:44:49,619

followed and I was being watched

1120

00:44:53,299 --> 00:44:50,970

this particular conference you're not

1121

00:44:55,910 --> 00:44:53,309

burning watford where I was asked to

1122

00:44:58,609 --> 00:44:55,920

speak it was quite clear to me there was

1123

00:45:00,799 --> 00:44:58,619

a lot of German speakers there a mile

1124

00:45:03,049 --> 00:45:00,809

Klaxons were going off in my head I was

1125

00:45:05,779 --> 00:45:03,059

being observed I thought just feel it

1126

00:45:07,910 --> 00:45:05,789

don't know why it's all courtesy of

1127

00:45:10,730 --> 00:45:07,920

Kelly Cassidy who's been a wonderful

1128

00:45:12,380 --> 00:45:10,740

support to me did the talk went back

1129

00:45:14,569 --> 00:45:12,390

home to look after my dear mother

1130

00:45:16,609 --> 00:45:14,579

because I put her in that's fine I've

1131

00:45:19,640 --> 00:45:16,619

sat there on my computer after him the

1132

00:45:22,430 --> 00:45:19,650

phone girl's private number guy on the

1133

00:45:24,920 --> 00:45:22,440

other end of it German accents told me

1134

00:45:27,109 --> 00:45:24,930

his name was Klaus from the Defense

1135

00:45:29,960 --> 00:45:27,119

Intelligence blah blah parts of the

1136

00:45:33,410 --> 00:45:29,970

security of the Constitution of Germany

1137

00:45:36,170 --> 00:45:33,420

what got my back up was he ran a private

1138

00:45:37,519 --> 00:45:36,180

irani private number and that got my

1139

00:45:39,319 --> 00:45:37,529

back up because I found it utterly

1140

00:45:40,880 --> 00:45:39,329

disrespectful to be grid on a private

1141

00:45:43,670 --> 00:45:40,890

number and not be fearless number not

1142

00:45:46,249 --> 00:45:43,680

tell me how he got my number buddy there

1143

00:45:48,890 --> 00:45:46,259

he was and he proceeds to sell me this

1144

00:45:50,809 --> 00:45:48,900

quite Johnny English type conversation

1145

00:45:53,150 --> 00:45:50,819

that his office was a little cafe in

1146

00:45:54,739 --> 00:45:53,160

Frankfurt hilariously I suppose if you

1147

00:45:56,029 --> 00:45:54,749

are a secret agent why would you tell

1148

00:45:57,769 --> 00:45:56,039

someone where you were but that's what

1149

00:45:59,599 --> 00:45:57,779

he said and then he ethically said you

1150

00:46:02,089 --> 00:45:59,609

must look me up when you're in Frankfurt

1151

00:46:05,120 --> 00:46:02,099

which was unbelievable he then proceeded

1152

00:46:07,759 --> 00:46:05,130

though to get he had quite a panic on

1153

00:46:09,410 --> 00:46:07,769

him that was the word a bank and he

1154

00:46:11,170 --> 00:46:09,420

started asking me questions about my

1155

00:46:13,400 --> 00:46:11,180

interaction with Nordic

1156

00:46:14,989 --> 00:46:13,410

extraterrestrials about the fact that

1157

00:46:17,329 --> 00:46:14,999

their craft were artificially

1158

00:46:20,720 --> 00:46:17,339

intelligent and what was it that I was

1159

00:46:23,089 --> 00:46:20,730

not talking about about my UFO contact

1160

00:46:25,849 --> 00:46:23,099

experiences there is an element to this

1161

00:46:27,859 --> 00:46:25,859

that I cannot talk about for safety

1162

00:46:29,839 --> 00:46:27,869

reasons of security reasons and so I

1163

00:46:31,609 --> 00:46:29,849

said he said to me you're not selling

1164

00:46:33,839 --> 00:46:31,619

we're all friends now we're all friends

1165

00:46:35,729 --> 00:46:33,849

the Cold War is over and I'd like to

1166

00:46:37,410 --> 00:46:35,739

what it is the job you're not talking

1167

00:46:39,089 --> 00:46:37,420

about regarding UFOs and then I'm

1168

00:46:41,549 --> 00:46:39,099

surrounds you and said this is my I

1169

00:46:43,680 --> 00:46:41,559

don't care who you are but if I deem it

1170

00:46:45,390 --> 00:46:43,690

after 40 years experience of something

1171

00:46:47,279 --> 00:46:45,400

to be classified I'm not going to tell

1172

00:46:49,319 --> 00:46:47,289

you you can be God Almighty I'm not

1173

00:46:51,120 --> 00:46:49,329

going to tell you yes the mr. topling

1174

00:46:53,519 --> 00:46:51,130

why you know we're all friends now do

1175

00:46:55,529 --> 00:46:53,529

you do you believe that the royal family

1176  
00:46:57,089 --> 00:46:55,539  
are the Chilean shapeshifters and I just

1177  
00:46:58,890 --> 00:46:57,099  
went no I'm a fan of Prince Holly I

1178  
00:47:00,930 --> 00:46:58,900  
don't believe that at all it doesn't

1179  
00:47:02,880 --> 00:47:00,940  
matter what I believe but at the time I

1180  
00:47:04,620 --> 00:47:02,890  
do like being treated and then it

1181  
00:47:06,449 --> 00:47:04,630  
happened three days later phone goes

1182  
00:47:08,130 --> 00:47:06,459  
again another German guy on the end of

1183  
00:47:09,689 --> 00:47:08,140  
it and this time I put the phone down

1184  
00:47:11,069 --> 00:47:09,699  
with him because I was frankly

1185  
00:47:13,019 --> 00:47:11,079  
disgusting after what I've been through

1186  
00:47:15,329 --> 00:47:13,029  
that I was getting all this [h\_\_h]

1187  
00:47:17,969 --> 00:47:15,339  
circus coming up the food for the

1188  
00:47:20,609 --> 00:47:17,979

theories is that Germany has a very rich

1189

00:47:23,729 --> 00:47:20,619

history of dispute to the next slide if

1190

00:47:28,249 --> 00:47:23,739

you would Park Germany has a very rich

1191

00:47:29,880 --> 00:47:28,259

history of interaction with UFOs if we

1192

00:47:33,209 --> 00:47:29,890

maria orsic

1193

00:47:35,219 --> 00:47:33,219

or Zak I think he's pronounced she was

1194

00:47:37,680 --> 00:47:35,229

one of the key players in the fuel

1195

00:47:39,420 --> 00:47:37,690

society I think I've got that right

1196

00:47:40,949 --> 00:47:39,430

correct me if I'm wrong on which society

1197

00:47:43,499 --> 00:47:40,959

oops you belong to Reza Jets but

1198

00:47:45,449 --> 00:47:43,509

basically there is a situation that went

1199

00:47:48,420 --> 00:47:45,459

on with her where she understood that

1200

00:47:50,939 --> 00:47:48,430

long hair could act as an antenna to

1201

00:47:53,609 --> 00:47:50,949

pick up UFOs but what the mystery is is

1202

00:47:56,130 --> 00:47:53,619

that she can also information to do to

1203

00:47:57,809 --> 00:47:56,140

do with the UFO this was sent to

1204

00:47:59,999 --> 00:47:57,819

somebody very senior in the Third Reich

1205

00:48:01,680 --> 00:48:00,009

it was an engineer who deemed the

1206

00:48:03,920 --> 00:48:01,690

information to be quite accurate and

1207

00:48:08,249 --> 00:48:03,930

quite correct she mysteriously

1208

00:48:09,779 --> 00:48:08,259

disappeared did did this lady the rumor

1209

00:48:11,489 --> 00:48:09,789

mill reports back something or somebody

1210

00:48:14,459 --> 00:48:11,499

has reported back something that one of

1211

00:48:16,890 --> 00:48:14,469

her relatives lives in Austria and it

1212

00:48:19,259 --> 00:48:16,900

will be interesting if I met her from

1213

00:48:20,910 --> 00:48:19,269

what I was told but basically the woman

1214

00:48:21,450 --> 00:48:20,920

basically banished but the other thing

1215

00:48:25,950 --> 00:48:21,460

that

1216

00:48:27,870 --> 00:48:25,960

were going on in Germany but the side

1217

00:48:29,940 --> 00:48:27,880

that drew my attention to why this man

1218

00:48:32,700 --> 00:48:29,950

might be panicking is because there is

1219

00:48:36,660 --> 00:48:32,710

to the UFO elements a biblical element

1220

00:48:38,460 --> 00:48:36,670

to it there is a warning to do with

1221

00:48:40,319 --> 00:48:38,470

nuclear issues and all that kind of

1222

00:48:43,109 --> 00:48:40,329

thing and that sets us to something

1223

00:48:45,480 --> 00:48:43,119

called the Gulf Breeze six an excellent

1224

00:48:48,660 --> 00:48:45,490

book called unbroken promises before it

1225

00:48:51,930 --> 00:48:48,670

was there that the men of a NSA

1226  
00:48:54,569 --> 00:48:51,940  
listening station in Germany decided to

1227  
00:48:57,780 --> 00:48:54,579  
go absent without leave claiming an

1228  
00:48:59,970 --> 00:48:57,790  
indication of war that was coming any

1229  
00:49:01,859 --> 00:48:59,980  
character in fact what they did is they

1230  
00:49:04,200 --> 00:49:01,869  
went to the Gulf Breeze in Florida to

1231  
00:49:05,280 --> 00:49:04,210  
film UFOs because that's where the UFOs

1232  
00:49:07,200 --> 00:49:05,290  
were turning up and they were

1233  
00:49:09,030 --> 00:49:07,210  
communicating with them how the hell

1234  
00:49:11,430 --> 00:49:09,040  
that happen how they communicated with

1235  
00:49:13,470 --> 00:49:11,440  
that I'm not too sure but the situation

1236  
00:49:15,690 --> 00:49:13,480  
was that is what had gone and it

1237  
00:49:18,870 --> 00:49:15,700  
appeared that they had changed their

1238  
00:49:20,819 --> 00:49:18,880

lives any guys and girls who were

1239

00:49:23,099 --> 00:49:20,829

involved in the remote viewing program

1240

00:49:25,620 --> 00:49:23,109

including the Russians who the remote

1241

00:49:28,730 --> 00:49:25,630

viewing program known as new cosmology

1242

00:49:32,099 --> 00:49:28,740

these people have great spiritual

1243

00:49:34,470 --> 00:49:32,109

realizations as did I it's as if we are

1244

00:49:36,900 --> 00:49:34,480

being shown esoterically the way forward

1245

00:49:38,970 --> 00:49:36,910

but this guy from Germany he was

1246

00:49:41,069 --> 00:49:38,980

panicking and he wanted to know all

1247

00:49:43,049 --> 00:49:41,079

about the Nordic triangles and the

1248

00:49:45,210 --> 00:49:43,059

artificial intelligence I sent him on

1249

00:49:46,470 --> 00:49:45,220

his way but I have reason to suspect

1250

00:49:48,630 --> 00:49:46,480

that there was something far bigger

1251

00:49:51,089 --> 00:49:48,640

going on in Germany involved in the UFOs

1252

00:49:52,680 --> 00:49:51,099

that he wasn't talking about I've also

1253

00:49:54,420 --> 00:49:52,690

reason to suspect that he may have had

1254

00:49:56,490 --> 00:49:54,430

lie detector software and the other end

1255

00:49:58,380 --> 00:49:56,500

of the phone just to sound me out see

1256

00:50:00,569 --> 00:49:58,390

what I was all about there is no

1257

00:50:02,280 --> 00:50:00,579

investment thing lying people spotted

1258

00:50:04,020 --> 00:50:02,290

bullshit's or a mile away I'm just

1259

00:50:05,670 --> 00:50:04,030

telling it like it is and to me being

1260

00:50:07,500 --> 00:50:05,680

referred to sometimes as a UFO

1261

00:50:09,839 --> 00:50:07,510

journalist I'm just telling my

1262

00:50:11,490 --> 00:50:09,849

experiences exactly as they happened as

1263

00:50:13,740 --> 00:50:11,500

a man I'm just trying to piece together

1264

00:50:18,329 --> 00:50:13,750

what has gone on with my next slide

1265

00:50:20,370 --> 00:50:18,339

please so what we move into is the

1266

00:50:22,010 --> 00:50:20,380

Russians and they had a unit called

1267

00:50:25,640 --> 00:50:22,020

troops and flowers

1268

00:50:28,640 --> 00:50:25,650

free Joseph mcmoneagle was one of the

1269

00:50:30,710 --> 00:50:28,650

top US military remote viewers he held

1270

00:50:34,760 --> 00:50:30,720

the medal the US Congressional Medal of

1271

00:50:36,590 --> 00:50:34,770

Honor and he also had the the kindly he

1272

00:50:39,170 --> 00:50:36,600

was reviewing Russian submarine bases

1273

00:50:40,850 --> 00:50:39,180

and all that kind of thing during their

1274

00:50:43,700 --> 00:50:40,860

history of America's scientific remote

1275

00:50:45,470 --> 00:50:43,710

viewing courses so operations there was

1276

00:50:47,510 --> 00:50:45,480

one man whose report viewer called Pat

1277

00:50:50,210 --> 00:50:47,520

price a policeman former police when he

1278

00:50:52,820 --> 00:50:50,220

was that good at interviewing he drew by

1279

00:50:54,830 --> 00:50:52,830

a psychic subconscious things a Russian

1280

00:50:58,130 --> 00:50:54,840

submarine base that was being built it

1281

00:51:00,890 --> 00:50:58,140

is rumored that the KGB going there's a

1282

00:51:03,500 --> 00:51:00,900

friend of mine who worked in mi6 will

1283

00:51:05,870 --> 00:51:03,510

not a friend but a subject worked in mi6

1284

00:51:08,270 --> 00:51:05,880

who also did remote viewing as well was

1285

00:51:10,280 --> 00:51:08,280

very shot because that soon as happened

1286

00:51:11,960 --> 00:51:10,290

during the Falklands War where she was

1287

00:51:13,940 --> 00:51:11,970

telling me that she was remote viewing a

1288

00:51:15,890 --> 00:51:13,950

target which was the sinking of the

1289

00:51:18,170 --> 00:51:15,900

Belgrano she saw it first

1290

00:51:20,180 --> 00:51:18,180

from what shocked her was the sailor in

1291

00:51:21,680 --> 00:51:20,190

the Walther was looking up at her before

1292

00:51:24,590 --> 00:51:21,690

he drowned and that sugar look very

1293

00:51:27,110 --> 00:51:24,600

deeply even to this day my friend in

1294

00:51:29,780 --> 00:51:27,120

Luzerne lives a [h\_\_h] way no such luck

1295

00:51:31,970 --> 00:51:29,790

she still got the cameras the docks the

1296

00:51:34,730 --> 00:51:31,980

fence because the KGB old guard are

1297

00:51:37,610 --> 00:51:34,740

still active but yet the kid what his

1298

00:51:39,650 --> 00:51:37,620

bizarre is that the CIA helped fund

1299

00:51:42,020 --> 00:51:39,660

Russia's remote viewing program there's

1300

00:51:43,970 --> 00:51:42,030

a small reference to it and Joseph but

1301  
00:51:45,260 --> 00:51:43,980  
illegal pointed me to this man another

1302  
00:51:46,610 --> 00:51:45,270  
wonder that sit at the phones I think

1303  
00:51:48,950 --> 00:51:46,620  
that might be a lousy sighting I'm not

1304  
00:51:52,310 --> 00:51:48,960  
too sure but basically you will know the

1305  
00:51:55,580 --> 00:51:52,320  
Russian remote viewers and that drawing

1306  
00:51:58,130 --> 00:51:55,590  
of a female extraterrestrial you see

1307  
00:52:00,860 --> 00:51:58,140  
ladies and gentlemen alexei salmon and

1308  
00:52:03,290 --> 00:52:00,870  
this unique suit 10,000 freely he

1309  
00:52:06,410 --> 00:52:03,300  
believed that women were the best remote

1310  
00:52:08,720 --> 00:52:06,420  
viewers he used women only and he met

1311  
00:52:10,040 --> 00:52:08,730  
sure with these women that they prefer

1312  
00:52:11,960 --> 00:52:10,050  
leaned on things and remote view

1313  
00:52:14,420 --> 00:52:11,970

correctly with certain techniques and

1314

00:52:16,850 --> 00:52:14,430

the thing about it is is that he used

1315

00:52:18,019 --> 00:52:16,860

women because they had an intuition he

1316

00:52:21,259 --> 00:52:18,029

says in

1317

00:52:24,799 --> 00:52:21,269

it's a proffer that his remote viewing

1318

00:52:26,899 --> 00:52:24,809

team could remote few things would ruin

1319

00:52:27,979 --> 00:52:26,909

communication with extraterrestrials who

1320

00:52:31,009 --> 00:52:27,989

was killed and the extraterrestrials

1321

00:52:33,079 --> 00:52:31,019

were only giving medical information

1322

00:52:35,029 --> 00:52:33,089

only they were not giving military

1323

00:52:38,539 --> 00:52:35,039

information and they had a site called

1324

00:52:40,459 --> 00:52:38,549

new cosmology and as we can see he did

1325

00:52:42,919 --> 00:52:40,469

this operation to do with influencing

1326

00:52:44,659 --> 00:52:42,929

the American equivalent of reports

1327

00:52:47,869 --> 00:52:44,669

psychic influences is known as Dragoon

1328

00:52:50,689 --> 00:52:47,879

absorb these guys call it walked in mind

1329

00:52:53,749 --> 00:52:50,699

operations and if you are psychic enough

1330

00:52:55,549 --> 00:52:53,759

as I have been and still am I said there

1331

00:52:57,319 --> 00:52:55,559

was at some level now but if you are

1332

00:52:59,599 --> 00:52:57,329

psychic enough to be powerful enough to

1333

00:53:02,599 --> 00:52:59,609

manipulate power you are going to get a

1334

00:53:05,059 --> 00:53:02,609

recoil a real recoil from a force that

1335

00:53:06,589 --> 00:53:05,069

over rules this world that people do not

1336

00:53:08,719 --> 00:53:06,599

see that has been around as for

1337

00:53:09,559 --> 00:53:08,729

centuries and it must be treated with

1338

00:53:12,079 --> 00:53:09,569

respect

1339

00:53:14,029 --> 00:53:12,089

so we've got when you come through the

1340

00:53:15,709 --> 00:53:14,039

story of me being targeted we've gone

1341

00:53:18,049 --> 00:53:15,719

through the story of my mother possibly

1342

00:53:20,749 --> 00:53:18,059

being targeted at my father having

1343

00:53:27,079 --> 00:53:20,759

mysterious goings on my father

1344

00:53:28,669 --> 00:53:27,089

especially and became if a point of

1345

00:53:30,679 --> 00:53:28,679

moral outrage actually but that's

1346

00:53:33,049 --> 00:53:30,689

another story but this technology is

1347

00:53:35,059 --> 00:53:33,059

real or less different the target of

1348

00:53:37,609 --> 00:53:35,069

Technology that mind control it's all

1349

00:53:39,469 --> 00:53:37,619

real and where we seem to be able to

1350

00:53:42,019 --> 00:53:39,479

develop this wonderful technology to

1351

00:53:44,119 --> 00:53:42,029

kill is wonderful technology to invade

1352

00:53:46,399 --> 00:53:44,129

the human mind in the most nastiest of

1353

00:53:48,529 --> 00:53:46,409

ways but somehow as the aliens have

1354

00:53:52,009 --> 00:53:48,539

pointed out we can't seem to get on top

1355

00:53:53,869 --> 00:53:52,019

of plastic contaminants in our oceans we

1356

00:53:55,189 --> 00:53:53,879

can't seem to get on top of a thousand

1357

00:53:56,629 --> 00:53:55,199

and more matters and we've got well

1358

00:53:59,679 --> 00:53:56,639

what's on the streets all that kind of

1359

00:54:04,039 --> 00:53:59,689

thing but there is a very epic and moral

1360

00:54:06,379 --> 00:54:04,049

spiritual background to these ETS who

1361

00:54:09,649 --> 00:54:06,389

are visiting not all of them are hostile

1362

00:54:11,029 --> 00:54:09,659

but soon some are unfriendly toward

1363

00:54:13,009 --> 00:54:11,039

mankind it can't happen

1364

00:54:14,670 --> 00:54:13,019

so we just moved to the next slide we've

1365

00:54:17,190 --> 00:54:14,680

gone through the river

1366

00:54:20,130 --> 00:54:17,200

program and what I put this with me

1367

00:54:21,570 --> 00:54:20,140

that's me to give you an example I won't

1368

00:54:23,820 --> 00:54:21,580

call it an agenda but we're just going

1369

00:54:26,850 --> 00:54:23,830

to get now into the kinda the alien

1370

00:54:30,150 --> 00:54:26,860

stuff this year is a plasmid site UFO

1371

00:54:33,360 --> 00:54:30,160

and the findings are basically admitted

1372

00:54:36,000 --> 00:54:33,370

it is a new science there is a a fifth

1373

00:54:38,280 --> 00:54:36,010

sighting in India or rather there was a

1374

00:54:42,210 --> 00:54:38,290

fake attack in India the equivalent of a

1375

00:54:45,600 --> 00:54:42,220

majestic 12 who decided to do some of

1376

00:54:47,760 --> 00:54:45,610

its information on the India daily blink

1377

00:54:50,010 --> 00:54:47,770

and you miss it but it was fascinating

1378

00:54:52,590 --> 00:54:50,020

stuff but there was an indication that

1379

00:54:55,320 --> 00:54:52,600

these plasma type UFOs may be made -

1380

00:54:57,450 --> 00:54:55,330

sonic booms when they turn up this

1381

00:54:59,490 --> 00:54:57,460

Indian kind of report believed that the

1382

00:55:02,970 --> 00:54:59,500

plasma was very real they are they have

1383

00:55:05,040 --> 00:55:02,980

plasma there is those allegedly makes a

1384

00:55:06,840 --> 00:55:05,050

V plasma life in the universe but

1385

00:55:09,870 --> 00:55:06,850

they've kept that covered up as well and

1386

00:55:11,970 --> 00:55:09,880

that's a very fine shots of the UFO

1387

00:55:13,800 --> 00:55:11,980

that's a plasma type UFO it could be an

1388

00:55:17,370 --> 00:55:13,810

early Island just as I'm about to give a

1389

00:55:19,920 --> 00:55:17,380

talk like I am doing tonight the origins

1390

00:55:22,410 --> 00:55:19,930

of that plasma type you FL are

1391

00:55:24,630 --> 00:55:22,420

absolutely fascinating and form part of

1392

00:55:28,290 --> 00:55:24,640

my contact story we just move to the

1393

00:55:30,030 --> 00:55:28,300

next slide thank you what we've got

1394

00:55:33,930 --> 00:55:30,040

going on here is something called

1395

00:55:35,640 --> 00:55:33,940

Project Hezbollah in Norway in Norway it

1396

00:55:38,310 --> 00:55:35,650

would appear that was flashing lights

1397

00:55:40,440 --> 00:55:38,320

everywhere of strange lights that were

1398

00:55:43,200 --> 00:55:40,450

in the sky and the Norwegian governments

1399

00:55:44,610 --> 00:55:43,210

wanted to do research on it the British

1400

00:55:48,540 --> 00:55:44,620

government of doing something called

1401  
00:55:51,150 --> 00:55:48,550  
project condign on UAP in air defense

1402  
00:55:54,000 --> 00:55:51,160  
region - as it's actually known what

1403  
00:55:57,930 --> 00:55:54,010  
they were monitoring was plasma UFOs

1404  
00:56:00,210 --> 00:55:57,940  
louis salads on go in his talk to MUFON

1405  
00:56:01,950 --> 00:56:00,220  
talks about the PIAA that he talked

1406  
00:56:05,160 --> 00:56:01,960  
about all the research that don't not

1407  
00:56:07,470 --> 00:56:05,170  
once not once did they mention contact

1408  
00:56:10,020 --> 00:56:07,480  
with aliens not once did they mention

1409  
00:56:13,080 --> 00:56:10,030  
that extraterrestrials exist they dare

1410  
00:56:14,589 --> 00:56:13,090  
not for some reason but there you go

1411  
00:56:17,229 --> 00:56:14,599  
but on one of these individual

1412  
00:56:19,329 --> 00:56:17,239  
have this go on that is typical that

1413  
00:56:21,430 --> 00:56:19,339

what I like to talk about I'll talk

1414

00:56:23,829 --> 00:56:21,440

about later is that is a triangle UFO

1415

00:56:26,140 --> 00:56:23,839

lower right similar to something I

1416

00:56:29,259 --> 00:56:26,150

accepted to film over the moringa lake

1417

00:56:32,440 --> 00:56:29,269

they're gone in a few seconds all part

1418

00:56:34,450 --> 00:56:32,450

of the saga of contacts we go I think we

1419

00:56:36,700 --> 00:56:34,460

aim to finish you 3/4 of an hour later

1420

00:56:38,999 --> 00:56:36,710

gentlemen and then we move to Q&A you

1421

00:56:41,650 --> 00:56:39,009

just move to the next slide thanks mate

1422

00:56:43,479 --> 00:56:41,660

but what happened was is that article in

1423

00:56:47,109 --> 00:56:43,489

an appearance on the One Show for the

1424

00:56:48,670 --> 00:56:47,119

BBC last year after the and that's when

1425

00:56:54,249 --> 00:56:48,680

we had the call from Germany and all

1426  
00:56:57,160 --> 00:56:54,259  
that said that because I said Oh said I

1427  
00:57:04,089 --> 00:56:57,170  
you need to put the findings of this guy

1428  
00:57:05,769 --> 00:57:04,099  
on I need to talk about it and it says

1429  
00:57:08,650 --> 00:57:05,779  
if I'm not saying that there isn't

1430  
00:57:10,210 --> 00:57:08,660  
agenda but if they want to be a

1431  
00:57:12,279 --> 00:57:10,220  
committee that didn't want anything that

1432  
00:57:15,190 --> 00:57:12,289  
was truthful included but this guy stuck

1433  
00:57:17,410 --> 00:57:15,200  
his neck out he's must mr. masseur he is

1434  
00:57:19,599 --> 00:57:17,420  
an astrophysicist from Italy he said

1435  
00:57:21,579 --> 00:57:19,609  
this about these whites and about the

1436  
00:57:23,829 --> 00:57:21,589  
UFO that you just saw that I filmed that

1437  
00:57:28,209 --> 00:57:23,839  
burly arm it was this the conclusions

1438  
00:57:31,150 --> 00:57:28,219

are that 95% are thermal plasma 5% aside

1439

00:57:34,359 --> 00:57:31,160

objects of the intelligent control which

1440

00:57:37,779 --> 00:57:34,369

would suggest a higher dimension by

1441

00:57:39,789 --> 00:57:37,789

learns before my mother died what they

1442

00:57:43,450 --> 00:57:39,799

were all about I did learn just move to

1443

00:57:45,729 --> 00:57:43,460

the next slide thank you this is what

1444

00:57:47,440 --> 00:57:45,739

the findings that they didn't wish to be

1445

00:57:49,450 --> 00:57:47,450

supposed to be shown but basically the

1446

00:57:52,599 --> 00:57:49,460

findings of the plasma UFOs with this

1447

00:57:54,609 --> 00:57:52,609

their thermal temperature is constant we

1448

00:57:57,249 --> 00:57:54,619

would ask you to an increase of

1449

00:57:58,269 --> 00:57:57,259

radiating area I have witnessed these

1450

00:58:03,729 --> 00:57:58,279

UFOs

1451  
00:58:05,289 --> 00:58:03,739  
away from air traffic there are under

1452  
00:58:07,690 --> 00:58:05,299  
intelligent control and they will be

1453  
00:58:09,819 --> 00:58:07,700  
respectful around an air traffic one

1454  
00:58:12,130 --> 00:58:09,829  
particular instance or a UFO just

1455  
00:58:14,090 --> 00:58:12,140  
suddenly disappear military helicopter

1456  
00:58:16,490 --> 00:58:14,100  
was flying around it disappear than

1457  
00:58:18,470 --> 00:58:16,500  
when the culture had gone and there are

1458  
00:58:21,650 --> 00:58:18,480  
many components that vibrate around the

1459  
00:58:24,260 --> 00:58:21,660  
common center the scientists findings

1460  
00:58:25,730 --> 00:58:24,270  
was quite simply that they appeared to

1461  
00:58:27,320 --> 00:58:25,740  
be under intelligent control and they

1462  
00:58:29,630 --> 00:58:27,330  
would move up the way around craft if

1463  
00:58:31,340 --> 00:58:29,640

they saw them and he believed more

1464

00:58:34,670 --> 00:58:31,350

importantly if you just moved to the

1465

00:58:38,000 --> 00:58:34,680

next slide part he believed more

1466

00:58:41,150 --> 00:58:38,010

importantly that there was a situation

1467

00:58:43,100 --> 00:58:41,160

going on where some sort of advanced eg

1468

00:58:45,860 --> 00:58:43,110

civilization and he said missing public

1469

00:58:50,540 --> 00:58:45,870

could control plasma like we could

1470

00:58:54,230 --> 00:58:50,550

control DNA and there has been a number

1471

00:58:56,780 --> 00:58:54,240

of agencies around going on there has

1472

00:59:00,160 --> 00:58:56,790

been a number of agencies that have been

1473

00:59:02,150 --> 00:59:00,170

out there we've all heard of mj-12

1474

00:59:06,230 --> 00:59:02,160

except there was something called the

1475

00:59:09,620 --> 00:59:06,240

UFO air war of 1950 where UFOs were

1476  
00:59:12,440 --> 00:59:09,630  
being was shooting American aircraft and

1477  
00:59:15,770 --> 00:59:12,450  
the American government wanted to know

1478  
00:59:18,860 --> 00:59:15,780  
why rather comically the the hearts of

1479  
00:59:21,080 --> 00:59:18,870  
all this Winston Churchill wrote to the

1480  
00:59:22,610 --> 00:59:21,090  
US presidents and I think the u.s.

1481  
00:59:24,260 --> 00:59:22,620  
president responding and we're always

1482  
00:59:26,540 --> 00:59:24,270  
and there's nothing to worry about don't

1483  
00:59:29,180 --> 00:59:26,550  
worry about it there's nothing in this

1484  
00:59:31,580 --> 00:59:29,190  
meanwhile in the Washington Post

1485  
00:59:33,440 --> 00:59:31,590  
there was recruitment efforts for ever

1486  
00:59:36,110 --> 00:59:33,450  
anti-aircraft batteries there was an

1487  
00:59:38,510 --> 00:59:36,120  
increase in military troops and also

1488  
00:59:41,660 --> 00:59:38,520

typically one of his books reported in

1489

00:59:43,940 --> 00:59:41,670

the 1950s a mysterious increase in air

1490

00:59:46,580 --> 00:59:43,950

accidents they couldn't understand why

1491

00:59:47,090 --> 00:59:46,590

this was going on but there is a star

1492

00:59:49,130 --> 00:59:47,100

fire

1493

00:59:51,890 --> 00:59:49,140

I think it's a star fighters at it it's

1494

00:59:54,050 --> 00:59:51,900

a star fire jet fighter they were using

1495

00:59:55,940 --> 00:59:54,060

those jet fighters against them ever

1496

00:59:58,490 --> 00:59:55,950

against that UFOs that were coming in

1497

01:00:00,380 --> 00:59:58,500

via space time the Americans wanted to

1498

01:00:02,240 --> 01:00:00,390

know why the UFOs were shooting at their

1499

01:00:04,540 --> 01:00:02,250

aircraft and what would happen is that

1500

01:00:08,750 --> 01:00:04,550

aircraft there was capable of firing

1501

01:00:11,240 --> 01:00:08,760

twelve rockets in one go or the UFO

1502

01:00:14,540 --> 01:00:11,250

Baxter turn by the book

1503

01:00:16,970 --> 01:00:14,550

Shiina shoot them down a career ere is

1504

01:00:18,380 --> 01:00:16,980

reported in the book rather darkly

1505

01:00:20,720 --> 01:00:18,390

comically that it was something out of

1506

01:00:22,640 --> 01:00:20,730

row brother and coyote whereby

1507

01:00:24,590 --> 01:00:22,650

roadrunner is trying to bike in the

1508

01:00:26,540 --> 01:00:24,600

middle of a cliff he looks down and

1509

01:00:29,450 --> 01:00:26,550

suddenly realizes he's in the thin air

1510

01:00:32,510 --> 01:00:29,460

and falls according to the testimony of

1511

01:00:34,550 --> 01:00:32,520

this career heiress the UFO turned up it

1512

01:00:36,620 --> 01:00:34,560

ripped off the wings ripped off the

1513

01:00:38,270 --> 01:00:36,630

undercarriage ripped off the canopy and

1514

01:00:40,280 --> 01:00:38,280

this korean arrow says that all he

1515

01:00:41,780 --> 01:00:40,290

nodded midair was his control stick and

1516

01:00:43,640 --> 01:00:41,790

control panel and nothing else

1517

01:00:45,950 --> 01:00:43,650

who was looking to be alive he said and

1518

01:00:47,930 --> 01:00:45,960

he jets in he kind of got the the

1519

01:00:50,390 --> 01:00:47,940

parachutes and safely went on his way

1520

01:00:52,910 --> 01:00:50,400

what happened was in response to this

1521

01:00:54,950 --> 01:00:52,920

the Americans back in the early days

1522

01:00:57,380 --> 01:00:54,960

they develop project Stargate in

1523

01:01:00,320 --> 01:00:57,390

response to Czechoslovakia the psychic

1524

01:01:02,120 --> 01:01:00,330

warfare they knew did the Americans that

1525

01:01:04,310 --> 01:01:02,130

Czechoslovakia of develop ability

1526

01:01:06,500 --> 01:01:04,320

psychics during the Cold War and they

1527

01:01:08,240 --> 01:01:06,510

had to counter that so the Americans

1528

01:01:09,140 --> 01:01:08,250

also for that agency called the

1529

01:01:11,090 --> 01:01:09,150

Consulate's

1530

01:01:13,730 --> 01:01:11,100

it's called the coins elites after a

1531

01:01:15,680 --> 01:01:13,740

district in New York and The Vicar that

1532

01:01:17,660 --> 01:01:15,690

they went to see you specialize within

1533

01:01:20,000 --> 01:01:17,670

the demonic because they are a Christian

1534

01:01:24,170 --> 01:01:20,010

agency and they believed that there is a

1535

01:01:27,140 --> 01:01:24,180

demonic components to UFOs yes there is

1536

01:01:29,260 --> 01:01:27,150

but not in the way we would think when

1537

01:01:31,640 --> 01:01:29,270

Alec New World was abducted in

1538

01:01:35,030 --> 01:01:31,650

co-evolution he writes that the alien

1539

01:01:37,130 --> 01:01:35,040

said to him that there was a form of

1540

01:01:40,550 --> 01:01:37,140

life that ruled the planet that had to

1541

01:01:41,780 --> 01:01:40,560

be respected and this UFO type invasion

1542

01:01:44,450 --> 01:01:41,790

tourism with our collective

1543

01:01:46,640 --> 01:01:44,460

consciousness we are being manipulated

1544

01:01:48,890 --> 01:01:46,650

as nations it's very odd ladies and

1545

01:01:50,960 --> 01:01:48,900

gentlemen that the American psychic

1546

01:01:53,810 --> 01:01:50,970

warfare people know about all this the

1547

01:01:55,610 --> 01:01:53,820

written psychic warfare do the Americans

1548

01:01:59,000 --> 01:01:55,620

funded beside there is a psychic warfare

1549

01:02:01,550 --> 01:01:59,010

but yet we're still jostling for war

1550

01:02:03,110 --> 01:02:01,560

with still war mongering Russia America

1551

01:02:05,870 --> 01:02:03,120

they're all still warming through

1552

01:02:08,140 --> 01:02:05,880

because nations are manipulated and as

1553

01:02:11,099 --> 01:02:08,150

soon as part time via via the

1554

01:02:12,609 --> 01:02:11,109

perfect extraterrestrial affairs

1555

01:02:15,460 --> 01:02:12,619

extraterrestrials it's appearing in

1556

01:02:17,650 --> 01:02:15,470

affairs of man I think by the time we

1557

01:02:18,849 --> 01:02:17,660

realize that we are being manipulated it

1558

01:02:21,490 --> 01:02:18,859

would hopefully make the world a better

1559

01:02:24,010 --> 01:02:21,500

place but that was the UFL our war on

1560

01:02:25,859 --> 01:02:24,020

the coins Elise we're a very specialist

1561

01:02:28,240 --> 01:02:25,869

agency is the net system severe

1562

01:02:30,849 --> 01:02:28,250

investigating the demonic component

1563

01:02:34,569 --> 01:02:30,859

regarding UFOs just move to the next

1564

01:02:37,059 --> 01:02:34,579

slide what happened was is the Alec

1565

01:02:40,599 --> 01:02:37,069

Newell's book coevolution that there is

1566

01:02:43,000 --> 01:02:40,609

known as an elbow there was also a Marie

1567

01:02:45,430 --> 01:02:43,010

she and zina five of their seemingly

1568

01:02:47,650 --> 01:02:45,440

were all hybrid aliens but but there is

1569

01:02:50,140 --> 01:02:47,660

an elder and according to Alex book

1570

01:02:52,510 --> 01:02:50,150

called evolution what are the

1571

01:02:54,760 --> 01:02:52,520

conclusions a very important conclusion

1572

01:02:57,279 --> 01:02:54,770

drawn by the aliens was the fact that

1573

01:03:01,779 --> 01:02:57,289

these are dimensional aliens there is a

1574

01:03:04,299 --> 01:03:01,789

reverse side to us we are radiating it

1575

01:03:06,250 --> 01:03:04,309

appears in another dimension the fact of

1576

01:03:08,440 --> 01:03:06,260

the matter is some of our most highly

1577

01:03:10,839 --> 01:03:08,450

classified military service so they said

1578

01:03:13,089 --> 01:03:10,849

he's not telling us that they are on the

1579

01:03:15,160 --> 01:03:13,099

reverse side of NASA they are like a

1580

01:03:17,019 --> 01:03:15,170

reverse way of life of matter and

1581

01:03:19,630 --> 01:03:17,029

electrons and so on the form their world

1582

01:03:22,660 --> 01:03:19,640

but the most important thing that they

1583

01:03:25,240 --> 01:03:22,670

said so Alec was this but the world is

1584

01:03:29,289 --> 01:03:25,250

ruled by a dark force and it should be

1585

01:03:33,670 --> 01:03:29,299

treated with respect and I collided with

1586

01:03:36,549 --> 01:03:33,680

this about three years ago where it came

1587

01:03:38,559 --> 01:03:36,559

at me because I was having an Iron Man

1588

01:03:41,430 --> 01:03:38,569

and some unusual goings-on and I am not

1589

01:03:43,930 --> 01:03:41,440

as I appear to be I do not make any

1590

01:03:46,660 --> 01:03:43,940

what's the worst sweeping kind of

1591

01:03:48,370 --> 01:03:46,670

grandiose remarks about my abilities

1592

01:03:50,950 --> 01:03:48,380

because I'm exhausted with it all that I

1593

01:03:53,349 --> 01:03:50,960

don't but it happened where this thing

1594

01:03:55,809 --> 01:03:53,359

that though the rules our planet came to

1595

01:03:57,819 --> 01:03:55,819

visit me and you treats it with respect

1596

01:03:59,769 --> 01:03:57,829

and it was hair-raising it was very

1597

01:04:01,660 --> 01:03:59,779

frightening it was like something out of

1598

01:04:03,940 --> 01:04:01,670

lord of the rooms where the horsemen are

1599

01:04:06,150 --> 01:04:03,950

after the hobbit that kind of thing but

1600

01:04:08,620 --> 01:04:06,160

it but because you've got higher

1601

01:04:10,690 --> 01:04:08,630

celestial intelligence at work the

1602

01:04:13,240 --> 01:04:10,700

affairs of the future of man appeared to

1603

01:04:15,640 --> 01:04:13,250

be navigated when a such a force would

1604

01:04:17,319 --> 01:04:15,650

like it or not and that was a very

1605

01:04:19,569 --> 01:04:17,329

important remark that was set by the

1606

01:04:21,760 --> 01:04:19,579

alien it was an implication as well by

1607

01:04:23,980 --> 01:04:21,770

the aliens that time travel does exist

1608

01:04:25,210 --> 01:04:23,990

and is very real but they tended to keep

1609

01:04:27,579 --> 01:04:25,220

quiet about that

1610

01:04:30,069 --> 01:04:27,589

and that's a typical craft that I drew

1611

01:04:31,870 --> 01:04:30,079

there he was targeted as I say by what

1612

01:04:32,829 --> 01:04:31,880

he believed to be the Royal Institute of

1613

01:04:35,740 --> 01:04:32,839

International Affairs and other

1614

01:04:37,539 --> 01:04:35,750

organizations once again I indicate that

1615

01:04:40,089 --> 01:04:37,549

there's nobody's hearsay so I have no

1616

01:04:41,440 --> 01:04:40,099

idea but his car was complicated as I

1617

01:04:44,620 --> 01:04:41,450

said earlier that was a typical drawing

1618

01:04:46,900 --> 01:04:44,630

of what alec drew of an elder alien in

1619

01:04:49,900 --> 01:04:46,910

another dimension and they were trying

1620

01:04:52,180 --> 01:04:49,910

to get back to earth because their

1621

01:04:53,079 --> 01:04:52,190

planet was going wrong was going

1622

01:04:56,589 --> 01:04:53,089

horribly wrong

1623

01:04:58,029 --> 01:04:56,599

what these aliens do is that they are

1624

01:05:01,870 --> 01:04:58,039

with the technology that they have they

1625

01:05:04,720 --> 01:05:01,880

shifted their earth flying into another

1626

01:05:06,579 --> 01:05:04,730

dimension during my time of looking at

1627

01:05:08,620 --> 01:05:06,589

stuff on the India daily from this

1628

01:05:10,480 --> 01:05:08,630

so-called think tank there was an

1629

01:05:11,589 --> 01:05:10,490

article that they abducted me in their

1630

01:05:14,019 --> 01:05:11,599

daily that said that it was

1631

01:05:16,329 --> 01:05:14,029

mathematically possible that you could

1632

01:05:18,849 --> 01:05:16,339

ship the pie into another dimension the

1633

01:05:21,220 --> 01:05:18,859

math said it could be done just a very

1634

01:05:27,010 --> 01:05:21,230

interesting observation just move to the

1635

01:05:30,279 --> 01:05:27,020

next slide facts right UFOs is a theme a

1636

01:05:31,470 --> 01:05:30,289

field of communication illumination of a

1637

01:05:34,150 --> 01:05:31,480

TV antenna

1638

01:05:35,829 --> 01:05:34,160

maneuvering in the skies above as if

1639

01:05:39,099 --> 01:05:35,839

with technology that we don't possess

1640

01:05:42,220 --> 01:05:39,109

for example is a very fine example of a

1641

01:05:45,279 --> 01:05:42,230

usual flight movement in the area where

1642

01:05:46,660 --> 01:05:45,289

the US Navy playing served up as we can

1643

01:05:48,519 --> 01:05:46,670

see there and I'll probably play the

1644

01:05:50,799 --> 01:05:48,529

clip at the end of the presentation

1645

01:05:51,760 --> 01:05:50,809

there's a small cup of wine that comes

1646

01:05:54,640 --> 01:05:51,770

in from the left

1647

01:05:58,210 --> 01:05:54,650

it brought six and what it does is it

1648

01:06:00,190 --> 01:05:58,220

rotates 360 degrees like that around the

1649

01:06:02,740 --> 01:06:00,200

triangle craft and then flies off at

1650

01:06:03,660 --> 01:06:02,750

speed there's a possibility that it is a

1651

01:06:05,700 --> 01:06:03,670

touch to the

1652

01:06:07,950 --> 01:06:05,710

it's some sort of pearl but as Jayce has

1653

01:06:11,220 --> 01:06:07,960

might be seen there that's a triangle

1654

01:06:13,500 --> 01:06:11,230

craft when you look top right there the

1655

01:06:16,290 --> 01:06:13,510

picture looks like similar to the UFO

1656

01:06:19,200 --> 01:06:16,300

that illuminated a TV antenna and in the

1657

01:06:20,670 --> 01:06:19,210

years ahead I learned who they were the

1658

01:06:22,500 --> 01:06:20,680

conversation of dialogue is very

1659

01:06:24,870 --> 01:06:22,510

kindergarten with them but it's an honor

1660

01:06:27,150 --> 01:06:24,880

to get to know them it really is but the

1661

01:06:29,010 --> 01:06:27,160

cover-up is there and I repeatedly

1662

01:06:31,320 --> 01:06:29,020

undisciplined to the peg died on the

1663

01:06:34,170 --> 01:06:31,330

beaches of be there just so that this

1664

01:06:35,880 --> 01:06:34,180

circus could oppress just so that we

1665

01:06:38,420 --> 01:06:35,890

were not told the truth about what is

1666

01:06:41,430 --> 01:06:38,430

going on just move to the next slide

1667

01:06:44,340 --> 01:06:41,440

this is another theme of communication

1668

01:06:47,580 --> 01:06:44,350

so we've got TV antenna illuminated by

1669

01:06:49,980 --> 01:06:47,590

the UFO and that's my ham radio antenna

1670

01:06:53,430 --> 01:06:49,990

and what happens is I'm a radio ha

1671

01:06:56,010 --> 01:06:53,440

that's my HF radio antenna and the UFO

1672

01:06:58,500 --> 01:06:56,020

is coming over the garden and it has

1673

01:07:00,420 --> 01:06:58,510

actually morphed itself and flow

1674

01:07:03,360 --> 01:07:00,430

straight through the antenna and out the

1675

01:07:05,610 --> 01:07:03,370

other side again and moved on there's a

1676

01:07:09,710 --> 01:07:05,620

possible evidence of technology being

1677

01:07:12,390 --> 01:07:09,720

used but the female antenna the feem is

1678

01:07:16,110 --> 01:07:12,400

communicating across a time continuum

1679

01:07:18,840 --> 01:07:16,120

the themes of is clops triangles the

1680

01:07:21,030 --> 01:07:18,850

field that we saw earlier very important

1681

01:07:21,780 --> 01:07:21,040

the field just make a note of that and

1682

01:07:23,550 --> 01:07:21,790

there it is again

1683

01:07:25,680 --> 01:07:23,560

we've got a theme of communication a

1684

01:07:27,780 --> 01:07:25,690

theme of Arab dammit but new maneuvering

1685

01:07:30,330 --> 01:07:27,790

that our technology does not possess

1686

01:07:34,860 --> 01:07:30,340

they are present in the skies above that

1687

01:07:36,450 --> 01:07:34,870

very real next cycling and of course we

1688

01:07:37,950 --> 01:07:36,460

have a showing of presence this is

1689

01:07:41,070 --> 01:07:37,960

absolutely one of my favorite it's a

1690

01:07:42,750 --> 01:07:41,080

favorable what we've got here is during

1691

01:07:45,690 --> 01:07:42,760

the course of me looking after my mother

1692

01:07:47,700 --> 01:07:45,700

bless her when she was coming with what

1693

01:07:51,120 --> 01:07:47,710

she had to deal with and when I was

1694

01:07:53,760 --> 01:07:51,130

coping that was appearing all the time

1695

01:07:56,070 --> 01:07:53,770

I believe that's every a UAV I believe

1696

01:07:58,050 --> 01:07:56,080

it to be a recon drone there was sonora

1697

01:08:00,780 --> 01:07:58,060

on my Facebook page there is a jet

1698

01:08:03,180 --> 01:08:00,790

airliner it isn't it's a lot smaller

1699

01:08:04,859 --> 01:08:03,190

than that and it's not far away from me

1700

01:08:08,339 --> 01:08:04,869

I'm in the gown that's only a few

1701  
01:08:10,470 --> 01:08:08,349  
thousand feet off me but the note we did

1702  
01:08:13,019 --> 01:08:10,480  
analysis we're an analysis we can twist

1703  
01:08:15,359 --> 01:08:13,029  
on this to discover an elongating

1704  
01:08:18,899 --> 01:08:15,369  
objects that great speed of her right

1705  
01:08:21,269 --> 01:08:18,909  
it comes past it at great speed in fact

1706  
01:08:23,789 --> 01:08:21,279  
when we slow the film footage down the

1707  
01:08:25,950 --> 01:08:23,799  
VLC player its slowest bird can't even

1708  
01:08:28,229 --> 01:08:25,960  
keep up with it just cannot keep up with

1709  
01:08:30,599 --> 01:08:28,239  
it but it is an interesting question I

1710  
01:08:33,149 --> 01:08:30,609  
think that springs to mind a bit is this

1711  
01:08:35,760 --> 01:08:33,159  
what do you think of this remark during

1712  
01:08:38,550 --> 01:08:35,770  
the course of my experiences that I'm

1713  
01:08:42,649 --> 01:08:38,560

told at 3:00 in the morning that now I

1714

01:08:45,629 --> 01:08:42,659

was awoken that's such that they can do

1715

01:08:48,809 --> 01:08:45,639

England to America in ten minutes

1716

01:08:49,499 --> 01:08:48,819

and Antarctica in 20 minutes isn't that

1717

01:08:53,010 --> 01:08:49,509

fascinating

1718

01:08:54,510 --> 01:08:53,020

you don't think yeah do you think that's

1719

01:08:56,970 --> 01:08:54,520

costly what is wrong with that remark

1720

01:08:58,220 --> 01:08:56,980

can anybody guess I've just said this to

1721

01:09:01,890 --> 01:08:58,230

you

1722

01:09:04,680 --> 01:09:01,900

no no not evidence no no no it's not

1723

01:09:06,390 --> 01:09:04,690

evidence no no missing the point no it's

1724

01:09:08,309 --> 01:09:06,400

not to do with evidence the evidence is

1725

01:09:10,079 --> 01:09:08,319

all around us the evidence is all around

1726

01:09:12,990 --> 01:09:10,089

us elsewhere on the Internet not uh no

1727

01:09:14,610 --> 01:09:13,000

evidence no I said very carefully I was

1728

01:09:17,099 --> 01:09:14,620

a walk and at three in the morning by

1729

01:09:19,890 --> 01:09:17,109

somebody telling minutes and this is the

1730

01:09:23,220 --> 01:09:19,900

Flyn there's an ethical issue around it

1731

01:09:25,530 --> 01:09:23,230

an ethical issue around this it's

1732

01:09:28,410 --> 01:09:25,540

unethical what is going on and it raises

1733

01:09:29,849 --> 01:09:28,420

serious causes for concern as to what if

1734

01:09:31,979 --> 01:09:29,859

something is going on the you get my

1735

01:09:34,849 --> 01:09:31,989

drift but we are served at the point I'm

1736

01:09:37,950 --> 01:09:34,859

making sometimes we can be served or

1737

01:09:39,840 --> 01:09:37,960

self-obsessed and absorbed with what is

1738

01:09:42,090 --> 01:09:39,850

going on around us that we missed a

1739

01:09:45,149 --> 01:09:42,100

point of the reality I think of what is

1740

01:09:47,070 --> 01:09:45,159

going on around us there is an

1741

01:09:49,950 --> 01:09:47,080

indication to me that that elongated

1742

01:09:51,959 --> 01:09:49,960

object is for the true basis in the

1743

01:09:55,169 --> 01:09:51,969

Pacific Ocean they told me just move to

1744

01:09:57,479 --> 01:09:55,179

the next slide this is only suppose the

1745

01:09:59,340 --> 01:09:57,489

elongated object there great speed and

1746

01:10:00,930 --> 01:09:59,350

I'm Ingrid speaking of Jason's done a

1747

01:10:02,850 --> 01:10:00,940

good job of actually capturing

1748

01:10:06,750 --> 01:10:02,860

there as we can see just move to the

1749

01:10:09,090 --> 01:10:06,760

next one that's actually then the same

1750

01:10:11,160 --> 01:10:09,100

type of object taken in the Pacific

1751

01:10:12,930 --> 01:10:11,170

which correlates with remarks made

1752

01:10:15,270 --> 01:10:12,940

during the course of my experiences that

1753

01:10:18,150 --> 01:10:15,280

they are coming specifically from the

1754

01:10:20,250 --> 01:10:18,160

Pacific the mystery is why and the

1755

01:10:22,200 --> 01:10:20,260

mystery that eludes me constantly is why

1756

01:10:24,689 --> 01:10:22,210

is this happening to me Who am I what's

1757

01:10:26,520 --> 01:10:24,699

going on is it more than one person

1758

01:10:29,610 --> 01:10:26,530

that's telling this data and it would

1759

01:10:31,140 --> 01:10:29,620

appear it is tonight I was informed of a

1760

01:10:33,270 --> 01:10:31,150

similar researchers are super

1761

01:10:35,130 --> 01:10:33,280

experiences somebody else has come up to

1762

01:10:37,290 --> 01:10:35,140

me I'm similar experiences because

1763

01:10:39,479 --> 01:10:37,300

they're signalling across a collective

1764

01:10:42,000 --> 01:10:39,489

consciousness that's what seems to be

1765

01:10:44,520 --> 01:10:42,010

going on that is the UFO at second in

1766

01:10:46,560 --> 01:10:44,530

the Pacific and one of the presidents of

1767

01:10:49,800 --> 01:10:46,570

one of the Pacific Islands voiced his

1768

01:10:52,650 --> 01:10:49,810

concern that both Russia America Britain

1769

01:10:54,840 --> 01:10:52,660

of even France actually know that UFOs

1770

01:10:56,520 --> 01:10:54,850

are out there in his Pacific Island that

1771

01:10:58,500 --> 01:10:56,530

he's getting quite sick and tired of it

1772

01:11:00,000 --> 01:10:58,510

all that was a forgot his name but he

1773

01:11:02,070 --> 01:11:00,010

was the president of one of the islands

1774

01:11:06,390 --> 01:11:02,080

of the South Pacific and that correlates

1775

01:11:08,040 --> 01:11:06,400

if you go back to the previous slide if

1776

01:11:09,570 --> 01:11:08,050

you were dead could you see and then

1777

01:11:12,060 --> 01:11:09,580

forward to the next one thank you very

1778

01:11:13,500 --> 01:11:12,070

much can you see what I'm saying so

1779

01:11:15,810 --> 01:11:13,510

we've got something that's at great

1780

01:11:19,110 --> 01:11:15,820

speed that's flying around that the

1781

01:11:21,390 --> 01:11:19,120

really on purpose must have military UAV

1782

01:11:23,490 --> 01:11:21,400

and a guinea quite intentionally because

1783

01:11:25,830 --> 01:11:23,500

it's signalling they are similarly there

1784

01:11:27,510 --> 01:11:25,840

wanted communication and that seems to

1785

01:11:30,600 --> 01:11:27,520

be how it's developing just move to the

1786

01:11:32,850 --> 01:11:30,610

next slide that's actually the torpedo

1787

01:11:34,709 --> 01:11:32,860

you wear fur that I also saw although I

1788

01:11:37,590 --> 01:11:34,719

didn't film that but that's an example

1789

01:11:39,959 --> 01:11:37,600

of one the camera that was seen all over

1790

01:11:42,180 --> 01:11:39,969

the UK and also came into my garden as

1791

01:11:46,439 --> 01:11:42,190

well across my garment speed just could

1792

01:11:48,120 --> 01:11:46,449

be quite catchy on camera next slide so

1793

01:11:50,459 --> 01:11:48,130

the billets reappear this is the

1794

01:11:52,410 --> 01:11:50,469

question here he is again the man and

1795

01:11:55,140 --> 01:11:52,420

interaction with and the military up

1796

01:11:57,810 --> 01:11:55,150

again and the question is why I've had

1797

01:12:01,200 --> 01:11:57,820

numerous military related incidents

1798

01:12:04,110 --> 01:12:01,210

there was one incident in 2001 and I'm

1799

01:12:06,530 --> 01:12:04,120

trying to locate the pilots of the craft

1800

01:12:10,070 --> 01:12:06,540

in question and what happened was

1801

01:12:11,840 --> 01:12:10,080

in 2001 I was being targeted I was

1802

01:12:14,210 --> 01:12:11,850

having a bloody hard time of it and I

1803

01:12:16,640 --> 01:12:14,220

had the responsible job very responsible

1804

01:12:18,650 --> 01:12:16,650

job at that time and I was at the end of

1805

01:12:21,050 --> 01:12:18,660

my taser and one evening I went to the

1806

01:12:23,990 --> 01:12:21,060

river bank on a winter's night and 2001

1807

01:12:25,550 --> 01:12:24,000

January according to my journals and

1808

01:12:27,620 --> 01:12:25,560

what was going on there was quite

1809

01:12:30,020 --> 01:12:27,630

interesting because I'm looking out

1810

01:12:32,690 --> 01:12:30,030

across the river and there are tornado

1811

01:12:34,460 --> 01:12:32,700

Jets on exercise with the RAF too

1812

01:12:37,630 --> 01:12:34,470

expensive or somewhere around there

1813

01:12:40,940 --> 01:12:37,640

Samaras a tornado flies over me and

1814

01:12:43,550 --> 01:12:40,950

flushes his lights certainly is it to

1815

01:12:45,350 --> 01:12:43,560

say are you okay because it's all NATO

1816

01:12:47,180 --> 01:12:45,360

has got a little speed handling it can

1817

01:12:49,160 --> 01:12:47,190

slow itself down quite dramatically

1818

01:12:51,410 --> 01:12:49,170

actually it can a low-speed handling

1819

01:12:52,880 --> 01:12:51,420

capability next thing I know the the

1820

01:12:54,620 --> 01:12:52,890

aircraft the other aircraft that's

1821

01:12:57,380 --> 01:12:54,630

further in the field because this

1822

01:12:59,420 --> 01:12:57,390

afterburners on and goes like hell down

1823

01:13:02,270 --> 01:12:59,430

the field only just moved to the next

1824

01:13:05,240 --> 01:13:02,280

slide pal funky only to discover that

1825

01:13:08,180 --> 01:13:05,250

the UFO let me just demonstrate what

1826  
01:13:11,870 --> 01:13:08,190  
you've got is the RAF Tornado like this

1827  
01:13:13,970 --> 01:13:11,880  
and the UFO flying alongside it like

1828  
01:13:16,310 --> 01:13:13,980  
that's quite flying alongside so the

1829  
01:13:18,830 --> 01:13:16,320  
flying together it was quite a sight to

1830  
01:13:21,260 --> 01:13:18,840  
see and I've still to this day trying to

1831  
01:13:23,660 --> 01:13:21,270  
trace the pilot involved because it's as

1832  
01:13:25,490 --> 01:13:23,670  
if one Air Force was signaling to

1833  
01:13:27,920 --> 01:13:25,500  
another Air Force and this is where we

1834  
01:13:32,030 --> 01:13:27,930  
come to the field and the vision that I

1835  
01:13:34,520 --> 01:13:32,040  
had on that field and that field was the

1836  
01:13:38,300 --> 01:13:34,530  
cause over my town of one of the biggest

1837  
01:13:40,850 --> 01:13:38,310  
air air operational exercises I have

1838  
01:13:43,640 --> 01:13:40,860

ever seen on our say in our area it also

1839

01:13:46,220 --> 01:13:43,650

involved the Luftwaffe and they were

1840

01:13:48,140 --> 01:13:46,230

from Germany and they were clocking that

1841

01:13:49,550 --> 01:13:48,150

field that very field where I had the

1842

01:13:51,470 --> 01:13:49,560

vision that very field where there has

1843

01:13:53,600 --> 01:13:51,480

been UFO activity they were there and

1844

01:13:55,880 --> 01:13:53,610

they were having aerial dogfights in the

1845

01:13:56,240 --> 01:13:55,890

sky and was typhoon Jets and then there

1846

01:14:02,210 --> 01:13:56,250

was

1847

01:14:05,060 --> 01:14:02,220

peak this is six eight three squadrons

1848

01:14:06,050 --> 01:14:05,070

special aviation wing that came all over

1849

01:14:08,660 --> 01:14:06,060

the town

1850

01:14:11,210 --> 01:14:08,670

it's bristling with antenna and that was

1851  
01:14:13,760 --> 01:14:11,220  
that was coming in everywhere and they

1852  
01:14:16,040 --> 01:14:13,770  
were doing short takeoff and landing at

1853  
01:14:18,980 --> 01:14:16,050  
Byrne aerodrome as a military exercise

1854  
01:14:21,230 --> 01:14:18,990  
the place was alive with aircraft just

1855  
01:14:23,870 --> 01:14:21,240  
moved to the next one mate but what's

1856  
01:14:27,860 --> 01:14:23,880  
happening here is this guy passes my

1857  
01:14:28,580 --> 01:14:27,870  
house approximately five times and waves

1858  
01:14:30,260 --> 01:14:28,590  
of me

1859  
01:14:32,750 --> 01:14:30,270  
it was unbelievable and that's the

1860  
01:14:35,810 --> 01:14:32,760  
Hercules he's going one way then he goes

1861  
01:14:38,390 --> 01:14:35,820  
the other way what he's doing is he's

1862  
01:14:41,390 --> 01:14:38,400  
got visual from where he is on the very

1863  
01:14:43,520 --> 01:14:41,400

field where I have spotted the UFOs

1864

01:14:45,290 --> 01:14:43,530

for all I know and there's a distinct

1865

01:14:47,470 --> 01:14:45,300

possibility there have been UFO activity

1866

01:14:49,820 --> 01:14:47,480

because these UFOs are capable of

1867

01:14:51,740 --> 01:14:49,830

intentionally illuminating our radar

1868

01:14:53,750 --> 01:14:51,750

systems if they wish and they're also

1869

01:14:57,680 --> 01:14:53,760

capable of being cloaked as well and

1870

01:15:00,470 --> 01:14:57,690

that Hercules craft is flying around

1871

01:15:03,530 --> 01:15:00,480

he's waved at me these past seven times

1872

01:15:04,880 --> 01:15:03,540

I contact this and I said Jessie have a

1873

01:15:08,900 --> 01:15:04,890

look at this Hercules

1874

01:15:14,480 --> 01:15:08,910

I bet is being shadowed by a UFO next

1875

01:15:16,640 --> 01:15:14,490

slide boom there's a UFO that's actually

1876

01:15:18,020 --> 01:15:16,650

shadowing that Hercules that Hercules is

1877

01:15:20,420 --> 01:15:18,030

on approach to what they're doing a

1878

01:15:23,060 --> 01:15:20,430

short takeoff online practice during the

1879

01:15:26,300 --> 01:15:23,070

air operation over our sound and if we

1880

01:15:27,980 --> 01:15:26,310

just move to the next slide I think

1881

01:15:30,470 --> 01:15:27,990

you'll find the chase is done a very

1882

01:15:32,630 --> 01:15:30,480

good job there and illuminating the UFO

1883

01:15:37,250 --> 01:15:32,640

there is put a three different sonic

1884

01:15:39,350 --> 01:15:37,260

move to the next one she is calm and

1885

01:15:43,190 --> 01:15:39,360

that's the full analysis of it looks

1886

01:15:46,160 --> 01:15:43,200

similar to a plasma type UFO but that so

1887

01:15:49,400 --> 01:15:46,170

therefore our Air Force is technically

1888

01:15:51,320 --> 01:15:49,410

being shadowed by another Air Force it's

1889

01:15:54,020 --> 01:15:51,330

quite intentional it's about

1890

01:15:56,650 --> 01:15:54,030

communication and that Hercules is being

1891

01:15:58,690 --> 01:15:56,660

shadowed and you have got as I said it

1892

01:16:00,670 --> 01:15:58,700

Oh Jeff's going around you've got the

1893

01:16:02,920 --> 01:16:00,680

look what for the acting tornado jets

1894

01:16:05,530 --> 01:16:02,930

flying about you might have f-16s flying

1895

01:16:08,950 --> 01:16:05,540

around as well it is interesting to note

1896

01:16:11,890 --> 01:16:08,960

the Belgium UFO triangle flap in the

1897

01:16:14,440 --> 01:16:11,900

nineties where there are general Wilfred

1898

01:16:17,980 --> 01:16:14,450

Dubrow was saying in public that his

1899

01:16:19,300 --> 01:16:17,990

f-16 fighters were tracking aircraft

1900

01:16:21,880 --> 01:16:19,310

that were not of this world

1901

01:16:24,280 --> 01:16:21,890

he said that publicly there has put some

1902

01:16:26,710 --> 01:16:24,290

classic things of these triangle craft

1903

01:16:29,800 --> 01:16:26,720

travelling to speeds of Mach 12 and

1904

01:16:31,990 --> 01:16:29,810

stopping dead literally death stop and

1905

01:16:34,600 --> 01:16:32,000

there's such a thing as well in the

1906

01:16:37,780 --> 01:16:34,610

India daily that I was reading about not

1907

01:16:41,350 --> 01:16:37,790

only an arms race but a race a secret

1908

01:16:44,640 --> 01:16:41,360

race called flash travel the secret

1909

01:16:47,740 --> 01:16:44,650

technology far behind speed without

1910

01:16:49,300 --> 01:16:47,750

acceleration is quite a kind of thing

1911

01:16:50,590 --> 01:16:49,310

that's going on behind the scenes as

1912

01:16:52,660 --> 01:16:50,600

well at the moment just for your

1913

01:16:55,810 --> 01:16:52,670

interest anyway let's move on to the

1914

01:16:57,910 --> 01:16:55,820

next slide thank you so what happens

1915

01:17:00,150 --> 01:16:57,920

this is that when you are a contact

1916

01:17:02,260 --> 01:17:00,160

experienced sir you will have

1917

01:17:04,360 --> 01:17:02,270

communications with extraterrestrials

1918

01:17:06,490 --> 01:17:04,370

and it doesn't happen what they say is

1919

01:17:08,980 --> 01:17:06,500

it happens with radio telescopes of

1920

01:17:10,480 --> 01:17:08,990

communicating like they do it happens is

1921

01:17:13,780 --> 01:17:10,490

something called the space-time

1922

01:17:16,030 --> 01:17:13,790

continuum in joint space and time into a

1923

01:17:17,950 --> 01:17:16,040

single idea as we can see and what

1924

01:17:20,980 --> 01:17:17,960

happens these with me and others is that

1925

01:17:24,880 --> 01:17:20,990

eetzi encounters are heard and seen in

1926

01:17:27,250 --> 01:17:24,890

time time is an element time is

1927

01:17:29,140 --> 01:17:27,260

collapsed time travel with it is quite

1928

01:17:32,290 --> 01:17:29,150

real at a very rudimentary level it's

1929

01:17:34,060 --> 01:17:32,300

not as HG Wells as you might think but

1930

01:17:37,000 --> 01:17:34,070

it's quite real just move to the next

1931

01:17:39,910 --> 01:17:37,010

one treatment and what's happening here

1932

01:17:41,860 --> 01:17:39,920

is that we've got bio time continually

1933

01:17:43,870 --> 01:17:41,870

my professional opinion an alien

1934

01:17:46,120 --> 01:17:43,880

disclosure to mankind

1935

01:17:49,850 --> 01:17:46,130

what's happening is it would appear that

1936

01:17:51,890 --> 01:17:49,860

we currently are not ready to

1937

01:17:54,229 --> 01:17:51,900

like handle it but it would appear that

1938

01:17:56,780 --> 01:17:54,239

we are bypassing the channels of the

1939

01:17:59,990 --> 01:17:56,790

usual cover-up that is going on and the

1940

01:18:01,910 --> 01:18:00,000

governments in the years ahead that we

1941

01:18:03,740 --> 01:18:01,920

have elected will possibly be learning

1942

01:18:04,280 --> 01:18:03,750

from them and will be in communication

1943

01:18:06,709 --> 01:18:04,290

with them

1944

01:18:08,390 --> 01:18:06,719

now I just need three volunteers from

1945

01:18:10,129 --> 01:18:08,400

the audience please if you wouldn't mind

1946

01:18:11,689 --> 01:18:10,139

just to demonstrate something to you if

1947

01:18:13,220 --> 01:18:11,699

you wouldn't mind but there are three

1948

01:18:26,240 --> 01:18:13,230

people but the front is that all right

1949

01:18:27,859 --> 01:18:26,250

anybody at all that would be great it's

1950

01:18:28,939 --> 01:18:27,869

just a damn straight something to you to

1951

01:18:30,800 --> 01:18:28,949

do with the delivery of information

1952

01:18:32,930 --> 01:18:30,810

nobody has to do anything other than

1953

01:18:35,689 --> 01:18:32,940

just stand there that's the big red bag

1954

01:18:38,540 --> 01:18:35,699

thank you oh thank you oh especially in

1955

01:18:41,870 --> 01:18:38,550

fact young lady you can go there a [h\_\_\h]

1956

01:18:42,740 --> 01:18:41,880

the year 2140 yeah so you stand there

1957

01:18:44,570 --> 01:18:42,750

okay

1958

01:18:46,760 --> 01:18:44,580

let's imagine that this gentleman is

1959

01:18:49,760 --> 01:18:46,770

fighting to come up here it's me

1960

01:18:53,750 --> 01:18:49,770

unless the imagine that this guy here is

1961

01:18:56,479 --> 01:18:53,760

as observed my work in the year 2019 and

1962

01:18:59,330 --> 01:18:56,489

he's in the year and let us say sorry

1963

01:19:02,180 --> 01:18:59,340

she's in the year 21 whatever and she's

1964

01:19:05,300 --> 01:19:02,190

observed my work in 2019 and researched

1965

01:19:09,740 --> 01:19:05,310

it only to discover that it is a paradox

1966

01:19:12,109 --> 01:19:09,750

in that I you this UFO group our work as

1967

01:19:14,660 --> 01:19:12,119

Klaus the resonance in time a signal in

1968

01:19:16,370 --> 01:19:14,670

time we are signaling they are signaling

1969

01:19:18,229 --> 01:19:16,380

for some reason at this moment in time

1970

01:19:20,270 --> 01:19:18,239

that they are here and they are there

1971

01:19:22,040 --> 01:19:20,280

further down the line in the years ahead

1972

01:19:24,439 --> 01:19:22,050

it would appear that we grasp and

1973

01:19:26,209 --> 01:19:24,449

understanding of them but currently at

1974

01:19:29,300 --> 01:19:26,219

the moment in terms of trying travel

1975

01:19:31,490 --> 01:19:29,310

because it's a space-time continuum that

1976

01:19:34,280 --> 01:19:31,500

means that this man who is from another

1977

01:19:35,729 --> 01:19:34,290

universe is not bound by the rules of

1978

01:19:37,649 --> 01:19:35,739

time and can commute

1979

01:19:40,229 --> 01:19:37,659

across the time continuum with

1980

01:19:44,660 --> 01:19:40,239

information it also means that me in the

1981

01:19:47,100 --> 01:19:44,670

year 2019 early it's 140 the time

1982

01:19:51,660 --> 01:19:47,110

continuum is collapsed so the time

1983

01:19:54,569 --> 01:19:51,670

merges and therefore 2019 tops - 2140

1984

01:19:57,029 --> 01:19:54,579

quite easily as if on radio

1985

01:19:58,680 --> 01:19:57,039

communication and that's the technology

1986

01:20:00,209 --> 01:19:58,690

that they have developed and it's

1987

01:20:03,750 --> 01:20:00,219

truthful and in that within that

1988

01:20:05,669 --> 01:20:03,760

technology this person in 21:40 because

1989

01:20:08,160 --> 01:20:05,679

of the the work that has been going on

1990

01:20:10,620 --> 01:20:08,170

now communicates with mr. knowledge who

1991

01:20:13,200 --> 01:20:10,630

starts disclosing information in a way

1992

01:20:15,149 --> 01:20:13,210

that we can understand to be talking and

1993

01:20:18,000 --> 01:20:15,159

disclosure in a hundred year timeframe

1994

01:20:20,100 --> 01:20:18,010

kind of situation you won't see that on

1995

01:20:21,989 --> 01:20:20,110

the internet that's learnt first time

1996

01:20:24,419 --> 01:20:21,999

from my own experience if you can make

1997

01:20:27,450 --> 01:20:24,429

about what you will but basically time

1998

01:20:30,600 --> 01:20:27,460

is collapsed and the disclosure will

1999

01:20:32,759 --> 01:20:30,610

only go other place we can handle you

2000

01:20:34,799 --> 01:20:32,769

are estimating a disclosure at a rate of

2001  
01:20:42,840 --> 01:20:34,809  
about one hundred and thirty years with

2002  
01:20:46,079 --> 01:20:46,069  
[Applause]

2003  
01:20:52,739 --> 01:20:50,489  
as you can see it just explains the next

2004  
01:20:54,930 --> 01:20:52,749  
return travel the next of communication

2005  
01:20:58,439 --> 01:20:54,940  
with extraterrestrials the involvement

2006  
01:21:00,870 --> 01:20:58,449  
of denied forces mankind in the next

2007  
01:21:03,870 --> 01:21:00,880  
millennium is gonna have his work cut

2008  
01:21:06,120 --> 01:21:03,880  
out to be on the path of realization and

2009  
01:21:09,410 --> 01:21:06,130  
of spiritual understanding I do believe

2010  
01:21:12,509 --> 01:21:09,420  
just go to the next slide I'll thank you

2011  
01:21:14,669 --> 01:21:12,519  
she is right and that there is an

2012  
01:21:16,950 --> 01:21:14,679  
extraordinary vision that happens event

2013  
01:21:18,959 --> 01:21:16,960

now make of it what you will

2014

01:21:21,089 --> 01:21:18,969

even I on second back by it but

2015

01:21:22,770 --> 01:21:21,099

basically that is a very good drawing of

2016

01:21:26,250 --> 01:21:22,780

an extraterrestrial done by a police

2017

01:21:28,010 --> 01:21:26,260

officer in Dallas very Norbit very

2018

01:21:31,580 --> 01:21:28,020

blonde very like that the face

2019

01:21:33,950 --> 01:21:31,590

exactly like the lady I saw in 97 and

2020

01:21:36,590 --> 01:21:33,960

that there because of a demonstration of

2021

01:21:38,810 --> 01:21:36,600

the time continuum collapse when I said

2022

01:21:41,180 --> 01:21:38,820

that that year to my whole 50 can

2023

01:21:43,790 --> 01:21:41,190

communicate with this year 2019 I've

2024

01:21:49,280 --> 01:21:43,800

created a yes romantic paradox whereby

2025

01:21:50,930 --> 01:21:49,290

when they see this in 2150 they will

2026

01:21:53,360 --> 01:21:50,940

want to come back inside and find out

2027

01:21:55,820 --> 01:21:53,370

what's going on yes that paradox means

2028

01:21:58,160 --> 01:21:55,830

that somehow you have created this

2029

01:22:01,100 --> 01:21:58,170

situation and that's what the ETS men

2030

01:22:05,150 --> 01:22:01,110

yes Matt you saw you read that's what it

2031

01:22:07,580 --> 01:22:05,160

means it's Sanskrit the guy who informed

2032

01:22:10,910 --> 01:22:07,590

me from Germany he knew Sanskrit as well

2033

01:22:12,770 --> 01:22:10,920

it's a Sanskrit the aliens know Sanskrit

2034

01:22:16,910 --> 01:22:12,780

and that's kind of like a very dramatic

2035

01:22:18,530 --> 01:22:16,920

drawing of from Neal's kiddies war did

2036

01:22:21,110 --> 01:22:18,540

an excellent job and I recommend him to

2037

01:22:24,320 --> 01:22:21,120

come here as a speaker but he did not

2038

01:22:26,960 --> 01:22:24,330

join for me of what I saw about the

2039

01:22:30,040 --> 01:22:26,970

defense that may or may not happen in

2040

01:22:34,100 --> 01:22:30,050

the future regarding UFO disclosure and

2041

01:22:35,990 --> 01:22:34,110

communication with UFOs make up that

2042

01:22:37,940 --> 01:22:36,000

what you will I'm just sharing it as a

2043

01:22:41,540 --> 01:22:37,950

vision to you just move to the next

2044

01:22:45,560 --> 01:22:41,550

slide thank you but what we are what

2045

01:22:47,360 --> 01:22:45,570

happens to a UFO contact experience is

2046

01:22:49,640 --> 01:22:47,370

this there are some things that go on

2047

01:22:52,910 --> 01:22:49,650

what you're not told you can cross the

2048

01:22:55,760 --> 01:22:52,920

bridge into their world forward from

2049

01:22:57,860 --> 01:22:55,770

current time and therefore you have time

2050

01:22:59,450 --> 01:22:57,870

travel so the guy who communicates

2051

01:23:00,860 --> 01:22:59,460

remains in a different year is

2052

01:23:03,080 --> 01:23:00,870

lightyears ahead of me

2053

01:23:05,480 --> 01:23:03,090

he's in a position like in a barrage

2054

01:23:07,990 --> 01:23:05,490

balloon to see the future is in that

2055

01:23:11,180 --> 01:23:08,000

position and you kind of like feel

2056

01:23:13,550 --> 01:23:11,190

displaced there's a thing in the New Age

2057

01:23:15,380 --> 01:23:13,560

movement about past life but in some

2058

01:23:17,350 --> 01:23:15,390

cases you're dealing with your future

2059

01:23:19,000 --> 01:23:17,360

life we're in a time consuming

2060

01:23:20,620 --> 01:23:19,010

future incarnation of you is looking

2061

01:23:22,840 --> 01:23:20,630

back at you which can be very strange

2062

01:23:25,260 --> 01:23:22,850

but with the concept experience that you

2063

01:23:27,910 --> 01:23:25,270

can have bizarre time displacement where

2064

01:23:29,770 --> 01:23:27,920

you feel you in this year but you're

2065

01:23:32,020 --> 01:23:29,780

actually elsewhere in the future it's a

2066

01:23:33,580 --> 01:23:32,030

very bizarre thing these are the things

2067

01:23:35,980 --> 01:23:33,590

that can happen that we're not talked

2068

01:23:37,930 --> 01:23:35,990

about and the thing is what is even more

2069

01:23:40,120 --> 01:23:37,940

aggravating sometimes is that the

2070

01:23:42,220 --> 01:23:40,130

information from the ETS is drip drip

2071

01:23:44,740 --> 01:23:42,230

drip it's kind of like not on the level

2072

01:23:48,070 --> 01:23:44,750

you can grasp it's constantly eluding

2073

01:23:50,650 --> 01:23:48,080

you but yet sometimes it is best that

2074

01:23:52,440 --> 01:23:50,660

you don't know too much it really is

2075

01:23:54,910 --> 01:23:52,450

next slide please

2076

01:23:57,160 --> 01:23:54,920

and what happened to me at the heights

2077

01:24:00,280 --> 01:23:57,170

of looking after mine yet my mother was

2078

01:24:02,110 --> 01:24:00,290

that on this particular day I had a

2079

01:24:03,670 --> 01:24:02,120

situation go on where I had what

2080

01:24:06,010 --> 01:24:03,680

appeared to be flu and I couldn't look

2081

01:24:08,230 --> 01:24:06,020

after and how the hell she can get it I

2082

01:24:10,720 --> 01:24:08,240

have no idea but I said brother I've got

2083

01:24:13,330 --> 01:24:10,730

to go to bed I'm not feeling right I'm

2084

01:24:15,760 --> 01:24:13,340

unwell we couldn't get care cover a dad

2085

01:24:17,590 --> 01:24:15,770

was not well and I ended up going to bed

2086

01:24:19,630 --> 01:24:17,600

I ended up laying on the bed going

2087

01:24:22,810 --> 01:24:19,640

delirious with my temperature

2088

01:24:25,030 --> 01:24:22,820

I started hallucinating oh oh he's

2089

01:24:26,800 --> 01:24:25,040

hallucinating all that means he's old

2090

01:24:29,440 --> 01:24:26,810

obviously these elusive issues as bed I

2091

01:24:31,720 --> 01:24:29,450

don't know it's more precise than that

2092

01:24:34,030 --> 01:24:31,730

we've seen the aerial photographs of

2093

01:24:36,220 --> 01:24:34,040

them coming in we seen the communication

2094

01:24:37,930 --> 01:24:36,230

we've seen the military stuff go on I've

2095

01:24:39,880 --> 01:24:37,940

heard the strange events happen it's

2096

01:24:42,880 --> 01:24:39,890

more precise than that you could make it

2097

01:24:45,670 --> 01:24:42,890

up our delirious on the bed are not well

2098

01:24:47,470 --> 01:24:45,680

Authority idea mother was about level

2099

01:24:49,630 --> 01:24:47,480

she was just coping with everything I

2100

01:24:52,330 --> 01:24:49,640

could just leave her for an hour sir

2101  
01:24:54,400 --> 01:24:52,340  
next minute I was disarmed asleep and as

2102  
01:24:56,410 --> 01:24:54,410  
I say it's like a space-time continuum

2103  
01:24:59,140 --> 01:24:56,420  
there's a knock at the door and he is

2104  
01:25:02,020 --> 01:24:59,150  
stood there it was bizarre and he said

2105  
01:25:05,260 --> 01:25:02,030  
he said hello Tony to me next minute I

2106  
01:25:07,870 --> 01:25:05,270  
know there's a wah wah wah sound as if

2107  
01:25:10,260 --> 01:25:07,880  
power is being applied to a craft and I

2108  
01:25:13,150 --> 01:25:10,270  
whisked off to the ripple head Valley

2109  
01:25:16,150 --> 01:25:13,160  
area where the river led by an artist I

2110  
01:25:16,939 --> 01:25:16,160  
distinctly remember losing one man stood

2111  
01:25:19,419 --> 01:25:16,949  
with me look

2112  
01:25:22,729 --> 01:25:19,429  
the structure going turning that is a

2113  
01:25:24,650 --> 01:25:22,739

magnificent structure a few months

2114

01:25:27,050 --> 01:25:24,660

previously there was UFO sightings in

2115

01:25:30,020 --> 01:25:27,060

the ripple head fireworks area what he

2116

01:25:32,930 --> 01:25:30,030

was actually doing he was doing although

2117

01:25:34,970 --> 01:25:32,940

I saw the ripple head human thought I

2118

01:25:36,709 --> 01:25:34,980

saw the riddle head violence is a

2119

01:25:39,590 --> 01:25:36,719

possibility that he was a visual

2120

01:25:41,300 --> 01:25:39,600

metaphor and the fact was I was aboard

2121

01:25:43,189 --> 01:25:41,310

this craft having medical attention

2122

01:25:45,050 --> 01:25:43,199

he's clearly indicating something in the

2123

01:25:46,550 --> 01:25:45,060

communication that spanned a few years

2124

01:25:48,500 --> 01:25:46,560

now on and off on and off but in

2125

01:25:49,880 --> 01:25:48,510

kindergarten at one point you didn't

2126  
01:25:51,410 --> 01:25:49,890  
indicate to me that he was concerned

2127  
01:25:54,050 --> 01:25:51,420  
that if you really revealed himself to

2128  
01:25:55,430 --> 01:25:54,060  
me blood pressure problems and what

2129  
01:25:58,189 --> 01:25:55,440  
these words were I'd have to go into

2130  
01:26:01,270 --> 01:25:58,199  
sick bay on this craft now you've got to

2131  
01:26:03,680 --> 01:26:01,280  
think being my own critique is somebody

2132  
01:26:06,169 --> 01:26:03,690  
illegally experimenting with artificial

2133  
01:26:09,260 --> 01:26:06,179  
reality on me or is this true I believe

2134  
01:26:11,330 --> 01:26:09,270  
it to be fully true and the my camera

2135  
01:26:13,939 --> 01:26:11,340  
will not lie in the weeks ahead where I

2136  
01:26:17,600 --> 01:26:13,949  
filmed them again I was put back in the

2137  
01:26:19,580 --> 01:26:17,610  
room three hours of the elapsed my

2138  
01:26:21,770 --> 01:26:19,590

mother was in order and mysteriously

2139

01:26:23,959 --> 01:26:21,780

after a few hours I was completely

2140

01:26:25,610 --> 01:26:23,969

healed of my fever and I was able to

2141

01:26:27,290 --> 01:26:25,620

look after and that would be there would

2142

01:26:29,000 --> 01:26:27,300

be a second intervention that happened

2143

01:26:33,350 --> 01:26:29,010

medically with them as well go to the

2144

01:26:35,209 --> 01:26:33,360

next slide so this disappeared over the

2145

01:26:37,580 --> 01:26:35,219

ruble head fire books make of it what

2146

01:26:38,959 --> 01:26:37,590

you will I just find it very strange I

2147

01:26:41,030 --> 01:26:38,969

shouldn't really put in the slides

2148

01:26:42,530 --> 01:26:41,040

showing of the UFOs that were seen there

2149

01:26:45,709 --> 01:26:42,540

the ripple had fired up would have been

2150

01:26:47,780 --> 01:26:45,719

film that I want my UFOs as well but the

2151  
01:26:49,400 --> 01:26:47,790  
presence is here that they are Nordic

2152  
01:26:54,050 --> 01:26:49,410  
you see they are present there is a

2153  
01:26:56,180 --> 01:26:54,060  
reason for it next slide player so what

2154  
01:26:58,910 --> 01:26:56,190  
we got going on is back to this lady

2155  
01:27:00,740 --> 01:26:58,920  
again at the height of trying to look

2156  
01:27:03,439 --> 01:27:00,750  
after my mother who has our Simas

2157  
01:27:05,780 --> 01:27:03,449  
disease I'm trying to curb with a lot

2158  
01:27:08,120 --> 01:27:05,790  
we've got care help coming in but I

2159  
01:27:10,160 --> 01:27:08,130  
believe I am being targeted and I

2160  
01:27:13,250 --> 01:27:10,170  
believe that my mother was targeted as

2161  
01:27:15,919 --> 01:27:13,260  
well and what happened was was that this

2162  
01:27:18,200 --> 01:27:15,929  
woman appeared again told me it was a

2163  
01:27:20,879 --> 01:27:18,210

number of years but what fascinates me

2164

01:27:23,979 --> 01:27:20,889

is that

2165

01:27:25,839 --> 01:27:23,989

she was morally outraged by what you

2166

01:27:27,729 --> 01:27:25,849

were seeing so basically you're dealing

2167

01:27:29,229 --> 01:27:27,739

with an ET that he's coming in over the

2168

01:27:31,509 --> 01:27:29,239

house that he's pissed off with what

2169

01:27:33,549 --> 01:27:31,519

she's seen really pissed off with it

2170

01:27:36,339 --> 01:27:33,559

she knows far more obviously than what I

2171

01:27:38,410 --> 01:27:36,349

know but she is the source who told me

2172

01:27:40,870 --> 01:27:38,420

that targeting and where it was coming

2173

01:27:43,149 --> 01:27:40,880

from which I can't talk about but they

2174

01:27:46,149 --> 01:27:43,159

are kids who tall whites if you've read

2175

01:27:47,560 --> 01:27:46,159

Charles my words everybody whose name

2176

01:27:50,020 --> 01:27:47,570

millennial hospitality

2177

01:27:51,490 --> 01:27:50,030

Charles forgot his name anyway he

2178

01:27:54,520 --> 01:27:51,500

brought this book called well let me

2179

01:27:56,290 --> 01:27:54,530

know hospitality about the race kind of

2180

01:27:58,060 --> 01:27:56,300

like in America the secret aliens in

2181

01:28:00,700 --> 01:27:58,070

America who were akin to tall whites

2182

01:28:02,290 --> 01:28:00,710

that's what she looks like and she came

2183

01:28:03,279 --> 01:28:02,300

in and indicated so they just moved to

2184

01:28:06,939 --> 01:28:03,289

the next slide

2185

01:28:09,790 --> 01:28:06,949

she indicated to me that she was

2186

01:28:12,160 --> 01:28:09,800

maritime aliens she came from the oceans

2187

01:28:14,589 --> 01:28:12,170

but not our oceans oceans from another

2188

01:28:17,169 --> 01:28:14,599

universe and there's an interesting

2189

01:28:19,120 --> 01:28:17,179

thing on that channel I think it's

2190

01:28:20,709 --> 01:28:19,130

called for Channel or Fortran or

2191

01:28:22,770 --> 01:28:20,719

something like that but there's an

2192

01:28:25,589 --> 01:28:22,780

interesting chat that went on there

2193

01:28:29,709 --> 01:28:25,599

allegedly about an alien who was

2194

01:28:31,299 --> 01:28:29,719

communicating on that forum and what she

2195

01:28:33,250 --> 01:28:31,309

was communicating was the fact that she

2196

01:28:34,959 --> 01:28:33,260

was lost she lost her bearings with a

2197

01:28:37,569 --> 01:28:34,969

craft that she didn't know where she was

2198

01:28:39,759 --> 01:28:37,579

she's super fertile of herself and but

2199

01:28:41,919 --> 01:28:39,769

what was my god was she stuck up a false

2200

01:28:42,850 --> 01:28:41,929

overworld so he's alleged which was very

2201

01:28:45,189 --> 01:28:42,860

snow-covered

2202

01:28:46,870 --> 01:28:45,199

like a big like Antarctica and that was

2203

01:28:49,180 --> 01:28:46,880

the business I was seeing as well and

2204

01:28:51,700 --> 01:28:49,190

that's her that's actually her of six

2205

01:28:54,040 --> 01:28:51,710

o'clock in the morning coming in having

2206

01:28:56,950 --> 01:28:54,050

a look at me saying hello I've got the

2207

01:28:59,080 --> 01:28:56,960

clip of me and it's also in one area

2208

01:29:01,509 --> 01:28:59,090

where the Jets were regularly flying

2209

01:29:04,000 --> 01:29:01,519

around there were typhoon Jets over the

2210

01:29:06,040 --> 01:29:04,010

estate often the roar objects when they

2211

01:29:08,500 --> 01:29:06,050

appeared would would often come they are

2212

01:29:11,350 --> 01:29:08,510

they communicating or watching over me

2213

01:29:12,759 --> 01:29:11,360

and to be frank I'm still baffled that

2214

01:29:15,339 --> 01:29:12,769

haven't quite got an answer that I'm

2215

01:29:17,760 --> 01:29:15,349

doctor going all these experiences not

2216

01:29:20,550 --> 01:29:17,770

only that UFOs

2217

01:29:22,290 --> 01:29:20,560

see it's quite spectacular yet still

2218

01:29:24,180 --> 01:29:22,300

going to mention happened on my mother

2219

01:29:25,860 --> 01:29:24,190

and I lost her and I can't get my head

2220

01:29:27,600 --> 01:29:25,870

around that to this day I'll be honest

2221

01:29:30,510 --> 01:29:27,610

with you I can't and the loss of my

2222

01:29:32,130 --> 01:29:30,520

mother traumatize me I was torn sighs by

2223

01:29:36,510 --> 01:29:32,140

if she died distant it was just

2224

01:29:38,730 --> 01:29:36,520

horrendous carry on but this see this

2225

01:29:40,620 --> 01:29:38,740

alien lady for some reason was keeping

2226

01:29:42,660 --> 01:29:40,630

an eye on me was morally outraged about

2227

01:29:45,420 --> 01:29:42,670

what was happening because I was being

2228

01:29:47,460 --> 01:29:45,430

targeted and still I I have to be

2229

01:29:48,960 --> 01:29:47,470

careful be careful what I say but

2230

01:29:51,330 --> 01:29:48,970

basically that was what's going on and

2231

01:29:54,540 --> 01:29:51,340

that's her exam cases for the good job

2232

01:29:56,970 --> 01:29:54,550

plasma type UFO comes in from our oceans

2233

01:30:00,570 --> 01:29:56,980

there she is just go to the next slide

2234

01:30:03,330 --> 01:30:00,580

pal vacuum and of course in November I

2235

01:30:05,820 --> 01:30:03,340

went through an operation at your

2236

01:30:08,670 --> 01:30:05,830

district hospital if you just seen me a

2237

01:30:11,340 --> 01:30:08,680

few months ago I was trying to look

2238

01:30:12,270 --> 01:30:11,350

after my mother I did some fixes for

2239

01:30:14,610 --> 01:30:12,280

channel 4

2240

01:30:16,620 --> 01:30:14,620

efore and you could see it there and if

2241

01:30:19,490 --> 01:30:16,630

you can see later on I've got a beer

2242

01:30:22,140 --> 01:30:19,500

barrel belly up here and there earlier

2243

01:30:24,810 --> 01:30:22,150

an umbilical hernia that's sticking out

2244

01:30:27,390 --> 01:30:24,820

like a sore thumb it was absolutely

2245

01:30:29,280 --> 01:30:27,400

unbelievable and I'm trying to look

2246

01:30:31,680 --> 01:30:29,290

after my mother all at the same time and

2247

01:30:33,390 --> 01:30:31,690

eventually I moved to South Pole and

2248

01:30:35,700 --> 01:30:33,400

then I have to go back to your district

2249

01:30:37,740 --> 01:30:35,710

hospital for an operation of hernia

2250

01:30:41,070 --> 01:30:37,750

operation which did a very good job of

2251

01:30:43,320 --> 01:30:41,080

but I've got to say it's I'm just trying

2252

01:30:45,240 --> 01:30:43,330

to communicate what goes on when you're

2253

01:30:48,750 --> 01:30:45,250

a contact experience so because you can

2254

01:30:50,880 --> 01:30:48,760

be absolutely baffled by it all and I

2255

01:30:54,210 --> 01:30:50,890

know that after I was recovering from my

2256

01:30:55,920 --> 01:30:54,220

operation I know that I was targeted

2257

01:30:58,560 --> 01:30:55,930

around about 1:00 2:00 in the morning

2258

01:30:59,280 --> 01:30:58,570

I started getting hit and I am thinking

2259

01:31:01,020 --> 01:30:59,290

to myself

2260

01:31:03,810 --> 01:31:01,030

ladies and gentlemen I am NOT gonna

2261

01:31:06,390 --> 01:31:03,820

survive I think I'm not gonna make it I

2262

01:31:08,070 --> 01:31:06,400

felt that my life was in danger with it

2263

01:31:09,780 --> 01:31:08,080

all but I was being targeted after this

2264

01:31:12,210 --> 01:31:09,790

operation they were not letting me rest

2265

01:31:14,580 --> 01:31:12,220

it is interesting to know that what they

2266

01:31:17,490 --> 01:31:14,590

said they returned in the van where I

2267

01:31:20,070 --> 01:31:17,500

started and they intervened once again

2268

01:31:21,869 --> 01:31:20,080

with the vision of that woman there who

2269

01:31:24,629 --> 01:31:21,879

appeared to be something too

2270

01:31:27,629 --> 01:31:24,639

with their law and their enforcement of

2271

01:31:30,029 --> 01:31:27,639

law and had a Hebrew sounding name I got

2272

01:31:32,279 --> 01:31:30,039

a first name which was either but then I

2273

01:31:34,319 --> 01:31:32,289

do get the survey which is very he bring

2274

01:31:36,029 --> 01:31:34,329

sounding and very nice sounding name I

2275

01:31:39,060 --> 01:31:36,039

didn't get that but it was like my

2276

01:31:41,339 --> 01:31:39,070

awareness was being altered to like a as

2277

01:31:43,139 --> 01:31:41,349

if the cosmos itself was in my head it

2278

01:31:45,689 --> 01:31:43,149

was quite bizarre what you field who she

2279

01:31:47,250 --> 01:31:45,699

was but she reveal that many of the

2280

01:31:49,739 --> 01:31:47,260

things that have been going on that I

2281

01:31:51,479 --> 01:31:49,749

have no subconscious dolly job that have

2282

01:31:54,509 --> 01:31:51,489

been happening salutely once again

2283

01:31:56,129 --> 01:31:54,519

they saved my life Chris Collins at this

2284

01:31:59,669 --> 01:31:56,139

save my life just moved to the next

2285

01:32:02,909 --> 01:31:59,679

flight and of course you see this

2286

01:32:05,339 --> 01:32:02,919

technology is is all around as we've

2287

01:32:08,040 --> 01:32:05,349

discussed that technology this is

2288

01:32:10,560 --> 01:32:08,050

courtesy of wind how we discuss the

2289

01:32:13,020 --> 01:32:10,570

technology of illuminating a TV antenna

2290

01:32:15,119 --> 01:32:13,030

we've discussed the technology of flight

2291

01:32:17,849 --> 01:32:15,129

maneuverability like we don't have of

2292

01:32:19,979 --> 01:32:17,859

UFOs coming in at tremendous speed and

2293

01:32:23,520 --> 01:32:19,989

this is another example of it in Brazil

2294

01:32:25,049 --> 01:32:23,530

this guy yes he's been discredited but I

2295

01:32:27,359 --> 01:32:25,059

believe the stories to be correct so

2296

01:32:30,629 --> 01:32:27,369

what you've got there is a nylon [h\_\_h]

2297

01:32:33,239 --> 01:32:30,639

and it's an abduction by abductees but

2298

01:32:36,449 --> 01:32:33,249

he claims that he's been taken by Nordic

2299

01:32:38,429 --> 01:32:36,459

extraterrestrials by quite if you look

2300

01:32:39,869 --> 01:32:38,439

at South America and Peru if you ask

2301  
01:32:42,599 --> 01:32:39,879  
anyone in Peru in a village somewhere

2302  
01:32:44,580 --> 01:32:42,609  
ago where are the aliens they'll go over

2303  
01:32:46,369 --> 01:32:44,590  
there there's a famous story which you

2304  
01:32:49,529 --> 01:32:46,379  
might not have heard over the galleys in

2305  
01:32:50,729 --> 01:32:49,539  
Ladakh in India there is a claim by the

2306  
01:32:53,549 --> 01:32:50,739  
owner that carries through his

2307  
01:32:55,679 --> 01:32:53,559  
television sets of the car and the woman

2308  
01:32:57,089 --> 01:32:55,689  
speaking Urdu who looked alien

2309  
01:32:58,739 --> 01:32:57,099  
indicates it that they will be flying

2310  
01:33:00,330 --> 01:32:58,749  
around the area please don't be

2311  
01:33:02,669 --> 01:33:00,340  
disturbed by them thank you very much

2312  
01:33:04,859 --> 01:33:02,679  
and comically that's how it goes in

2313  
01:33:07,080 --> 01:33:04,869

those countries very comical but what

2314

01:33:10,679 --> 01:33:07,090

happened is you see that's an imprint of

2315

01:33:13,439 --> 01:33:10,689

him on the bed sticks but what you don't

2316

01:33:15,060 --> 01:33:13,449

see is kind of like two foot forward of

2317

01:33:16,979 --> 01:33:15,070

an improvement on the ceiling and

2318

01:33:20,129 --> 01:33:16,989

according to him that's where they

2319

01:33:21,869 --> 01:33:20,139

lifted him up and forward they were

2320

01:33:23,369 --> 01:33:21,879

telling him with these Nordics that they

2321

01:33:24,700 --> 01:33:23,379

are a base up in the hills in the

2322

01:33:27,320 --> 01:33:24,710

mountains and there was

2323

01:33:29,689 --> 01:33:27,330

environmental issues but this is what is

2324

01:33:32,030 --> 01:33:29,699

fascinating this is an example of heat

2325

01:33:34,070 --> 01:33:32,040

technology what's happening is you could

2326

01:33:37,040 --> 01:33:34,080

see the fibers their lives in gentlemen

2327

01:33:38,600 --> 01:33:37,050

summer playing summer scoffs what

2328

01:33:40,340 --> 01:33:38,610

something is it would appear is that the

2329

01:33:43,939 --> 01:33:40,350

heating technology is something that we

2330

01:33:46,910 --> 01:33:43,949

don't have whereby one fiber has been

2331

01:33:49,400 --> 01:33:46,920

illuminated by very high temperature and

2332

01:33:52,250 --> 01:33:49,410

the fiber next to it has been elevated

2333

01:33:55,580 --> 01:33:52,260

by very cold temperature precision

2334

01:33:58,220 --> 01:33:55,590

heating each one precision a technology

2335

01:34:00,560 --> 01:33:58,230

that we do not possess so you've got

2336

01:34:02,630 --> 01:34:00,570

this constant theme of technology being

2337

01:34:05,959 --> 01:34:02,640

displayed towards this constant presence

2338

01:34:07,610 --> 01:34:05,969

of them leaving us away perhaps from

2339

01:34:08,450 --> 01:34:07,620

conflicts I didn't believe just go to

2340

01:34:11,060 --> 01:34:08,460

the next time

2341

01:34:15,020 --> 01:34:11,070

that's what our lives going on and of

2342

01:34:17,600 --> 01:34:15,030

course you see I lost my mother and it

2343

01:34:20,290 --> 01:34:17,610

was not good the poor girl outside was

2344

01:34:22,970 --> 01:34:20,300

eventually brought up and shut her down

2345

01:34:25,370 --> 01:34:22,980

it was not it was not nice

2346

01:34:27,050 --> 01:34:25,380

Cecilia mother in the hospital was not

2347

01:34:29,570 --> 01:34:27,060

nice either and I ended up having to

2348

01:34:33,020 --> 01:34:29,580

move to South walk and I was suffering

2349

01:34:34,370 --> 01:34:33,030

and severe fatigue there was a couple of

2350

01:34:36,439 --> 01:34:34,380

times in the afternoon where I don't

2351

01:34:39,740 --> 01:34:36,449

literally have to collapse all the bed

2352

01:34:41,570 --> 01:34:39,750

with fatigue I went to the doctors got

2353

01:34:43,850 --> 01:34:41,580

some medical advice but it was still

2354

01:34:47,180 --> 01:34:43,860

going on and I had a chat with a woman

2355

01:34:49,430 --> 01:34:47,190

in the u.s. who I will call her code

2356

01:34:51,590 --> 01:34:49,440

named Elsa because her mother would for

2357

01:34:54,080 --> 01:34:51,600

NASA and she claims to be a contact

2358

01:34:56,060 --> 01:34:54,090

experience and what something there

2359

01:34:58,729 --> 01:34:56,070

lives in gentleman is that's like a UFO

2360

01:35:01,010 --> 01:34:58,739

that I filmed at the Marine Lake however

2361

01:35:03,830 --> 01:35:01,020

the other one is a beautiful emerald

2362

01:35:06,860 --> 01:35:03,840

green UFO that sees Southport there that

2363

01:35:10,010 --> 01:35:06,870

came in from nowhere gracefully appeared

2364

01:35:11,930 --> 01:35:10,020

hovered looked at me when left went

2365

01:35:12,530 --> 01:35:11,940

right and then silently flew off at

2366

01:35:14,959 --> 01:35:12,540

speed

2367

01:35:17,030 --> 01:35:14,969

it is also know that this lady could

2368

01:35:19,189 --> 01:35:17,040

named Elsa said that she was a contact

2369

01:35:21,649 --> 01:35:19,199

experience but she would have a word

2370

01:35:23,870 --> 01:35:21,659

with the ETS that are that she

2371

01:35:26,899 --> 01:35:23,880

communicating with and they turned up a

2372

01:35:29,390 --> 01:35:26,909

beautiful emerald green area woman turn

2373

01:35:31,640 --> 01:35:29,400

up over than the replay when that UFO

2374

01:35:32,899 --> 01:35:31,650

came over me some bizarre adjustment

2375

01:35:35,479 --> 01:35:32,909

happened to me so that I wasn't

2376

01:35:36,979 --> 01:35:35,489

exhausted anymore and the explanation I

2377

01:35:39,229 --> 01:35:36,989

got from them was all because we are

2378

01:35:41,899 --> 01:35:39,239

aliens not technology we sometimes do

2379

01:35:43,699 --> 01:35:41,909

not know all that is going on but there

2380

01:35:46,100 --> 01:35:43,709

was a dramatic escalation in my

2381

01:35:48,319 --> 01:35:46,110

protection from the targeting because he

2382

01:35:50,209 --> 01:35:48,329

sees a contact experience so you've got

2383

01:35:52,969 --> 01:35:50,219

to be very careful with what we say what

2384

01:35:54,859 --> 01:35:52,979

you do you be monitored by nefarious

2385

01:35:56,479 --> 01:35:54,869

forces so you've got to be careful but

2386

01:35:57,859 --> 01:35:56,489

that's an excellent example the one on

2387

01:35:59,899 --> 01:35:57,869

the left that's the thoughts one I took

2388

01:36:01,850 --> 01:35:59,909

of a beautiful emerald green UFO that

2389

01:36:03,439 --> 01:36:01,860

Kamino herself bought the last

2390

01:36:05,330 --> 01:36:03,449

communication from them was an

2391

01:36:08,509 --> 01:36:05,340

indication to me that I would film them

2392

01:36:10,580 --> 01:36:08,519

I know where I don't know when and I

2393

01:36:13,069 --> 01:36:10,590

know what the UFO craft will look like

2394

01:36:15,109 --> 01:36:13,079

similar to the TV antenna one where I

2395

01:36:17,029 --> 01:36:15,119

connects about it and you exactly what

2396

01:36:19,100 --> 01:36:17,039

it looked like before it appeared so

2397

01:36:21,020 --> 01:36:19,110

this is the story of my life today with

2398

01:36:22,179 --> 01:36:21,030

the UFOs just move to the next slide to

2399

01:36:24,529 --> 01:36:22,189

you man

2400

01:36:26,689 --> 01:36:24,539

and as we can see it's just repeats

2401  
01:36:29,089 --> 01:36:26,699  
began a do biggie plan but that's yeah

2402  
01:36:31,759 --> 01:36:29,099  
so that's the it was taken recently the

2403  
01:36:34,609 --> 01:36:31,769  
green emerald beautiful one absolutely

2404  
01:36:38,029 --> 01:36:34,619  
gorgeous it was a caring poverty didn't

2405  
01:36:39,799 --> 01:36:38,039  
make a sound next like that so what we

2406  
01:36:42,439 --> 01:36:39,809  
can see is a quick estimate of the

2407  
01:36:44,029 --> 01:36:42,449  
situation in that in perhaps closing

2408  
01:36:46,549 --> 01:36:44,039  
this ladies and gentlemen we can see

2409  
01:36:48,469 --> 01:36:46,559  
there's some exaggerated claims on the

2410  
01:36:50,359 --> 01:36:48,479  
internet that this technology is

2411  
01:36:52,009 --> 01:36:50,369  
thousands of years ahead but according

2412  
01:36:53,779 --> 01:36:52,019  
to them it's seven to eight hundred

2413  
01:36:55,699 --> 01:36:53,789

years ahead of us and there are

2414

01:36:57,319 --> 01:36:55,709

continual sense of communication from

2415

01:36:59,120 --> 01:36:57,329

them I do believe that the Royal Air

2416

01:37:01,339 --> 01:36:59,130

Force is being signal to buy them for

2417

01:37:03,859 --> 01:37:01,349

some reason and there is a shadowing of

2418

01:37:05,750 --> 01:37:03,869

our military by UFOs there is of course

2419

01:37:07,250 --> 01:37:05,760

a religious understanding of a higher

2420

01:37:09,560 --> 01:37:07,260

intelligence known as the highest

2421

01:37:11,659 --> 01:37:09,570

Celesteville there's a nuclear warning

2422

01:37:15,500 --> 01:37:11,669

from them from the UFOs attempt to

2423

01:37:18,080 --> 01:37:15,510

communication and serve et groups how

2424

01:37:21,709 --> 01:37:18,090

concerned reference the abduction of

2425

01:37:24,649 --> 01:37:21,719

human beings it's a war issue believe me

2426

01:37:26,320 --> 01:37:24,659

it's an issue ethical and moral issue

2427

01:37:28,510 --> 01:37:26,330

regarding what is happening

2428

01:37:30,850 --> 01:37:28,520

with humanity because what is not known

2429

01:37:32,590 --> 01:37:30,860

is that these ETS are we look like them

2430

01:37:35,110 --> 01:37:32,600

they look like us and they mimic our

2431

01:37:37,990 --> 01:37:35,120

infrastructure or rather we mimic their

2432

01:37:39,730 --> 01:37:38,000

infrastructure so they have judiciary

2433

01:37:41,230 --> 01:37:39,740

they have technical infrastructure like

2434

01:37:43,450 --> 01:37:41,240

us it's all present military

2435

01:37:46,930 --> 01:37:43,460

infrastructure as well just move to the

2436

01:37:49,810 --> 01:37:46,940

next slide map but you've seen just in

2437

01:37:52,630 --> 01:37:49,820

closing this lecture we see that what

2438

01:37:57,760 --> 01:37:52,640

happens 84 miles out of one northwestern

2439

01:38:00,520 --> 01:37:57,770

Las Vegas stays in Las Vegas that is

2440

01:38:02,710 --> 01:38:00,530

very defending us and I'll just say this

2441

01:38:05,130 --> 01:38:02,720

after all I've been through certain

2442

01:38:07,720 --> 01:38:05,140

people should hang their heads in share

2443

01:38:09,820 --> 01:38:07,730

this is the life of what it's like those

2444

01:38:14,050 --> 01:38:09,830

two gentlemen to be a contact experience

2445

01:38:16,330 --> 01:38:14,060

in the UK you don't you cherish every

2446

01:38:19,030 --> 01:38:16,340

moment you don't know how long your life

2447

01:38:20,860 --> 01:38:19,040

expectancy is you don't know what could

2448

01:38:22,810 --> 01:38:20,870

be around the corner next but what I can

2449

01:38:25,480 --> 01:38:22,820

say is this is that they're real they're

2450

01:38:27,790 --> 01:38:25,490

here and my camera will fill them again

2451

01:38:30,790 --> 01:38:27,800

soon and I think that it's going to be

2452

01:38:34,180 --> 01:38:30,800

footage of a very good nature so I hope

2453

01:38:37,540 --> 01:38:34,190

that I've shown you a contrast like no

2454

01:38:39,640 --> 01:38:37,550

other about the ordeal the struggle the

2455

01:38:42,340 --> 01:38:39,650

contacts that's probably nothing like

2456

01:38:44,620 --> 01:38:42,350

you've read on the Internet even I as I

2457

01:38:46,510 --> 01:38:44,630

speak some time spent to me is this

2458

01:38:49,180 --> 01:38:46,520

really happening to you it well yes it

2459

01:38:51,250 --> 01:38:49,190

is and even I have sometimes trouble

2460

01:38:53,560 --> 01:38:51,260

just grasping the enormity of what I'm

2461

01:38:57,250 --> 01:38:53,570

seeing and what is going on around me I

2462

01:38:59,320 --> 01:38:57,260

really do but I hope that this is giving

2463

01:39:02,020 --> 01:38:59,330

you some insights of my life and what

2464

01:39:03,580 --> 01:39:02,030

happens as a contact experience in the

2465

01:39:05,620 --> 01:39:03,590

UK and I hope you found it of interest

2466

01:39:13,290 --> 01:39:05,630

it's been an honor to speak to you thank

2467

01:39:26,050 --> 01:39:17,670

any questions please fire away yeah

2468

01:39:29,740 --> 01:39:26,060

questions how long do you think these US

2469

01:39:45,240 --> 01:39:29,750

was going to be why and why but also we

2470

01:39:49,390 --> 01:39:47,560

yes so I mean help with my health

2471

01:39:51,610 --> 01:39:49,400

problems on civic issues why didn't I

2472

01:39:54,250 --> 01:39:51,620

help with my mother I don't know the

2473

01:39:55,990 --> 01:39:54,260

answer to that is I don't know in all

2474

01:39:57,610 --> 01:39:56,000

the state I am gonna ask them why

2475

01:40:00,910 --> 01:39:57,620

because these people are highly

2476

01:40:03,850 --> 01:40:00,920

intelligent and no fools so we need to

2477

01:40:05,500 --> 01:40:03,860

know why but my mother bless her it said

2478

01:40:07,060 --> 01:40:05,510

at one point in the proceedings that a

2479

01:40:07,750 --> 01:40:07,070

blonde blue-eyed man kept coming to

2480

01:40:11,290 --> 01:40:07,760

visit sir

2481

01:40:13,540 --> 01:40:11,300

so I do believe that somehow my mother

2482

01:40:16,900 --> 01:40:13,550

was being targeted I have no idea why

2483

01:40:18,790 --> 01:40:16,910

and I can't answer that question you

2484

01:40:21,100 --> 01:40:18,800

know UNAC deeply upsets me that I have

2485

01:40:23,260 --> 01:40:21,110

four years of this and they're just you

2486

01:40:26,020 --> 01:40:23,270

know there's just this standoffish miss

2487

01:40:27,580 --> 01:40:26,030

about them that irritates me I just

2488

01:40:29,200 --> 01:40:27,590

can't get to the bottom of it perhaps

2489

01:40:31,570 --> 01:40:29,210

they will tell me in the weeks ahead

2490

01:40:33,430 --> 01:40:31,580

have no idea but the next question was

2491

01:40:45,460 --> 01:40:33,440

sorry about aliens being around for a

2492

01:40:47,740 --> 01:40:45,470

long time I think you know why once

2493

01:40:49,600 --> 01:40:47,750

again the why allows Minh but I have

2494

01:40:51,730 --> 01:40:49,610

reason to suspect that we are raising

2495

01:40:53,170 --> 01:40:51,740

I've reason to suspect that we came from

2496

01:40:55,450 --> 01:40:53,180

another flier and to all the pyramids

2497

01:40:59,050 --> 01:40:55,460

and everything like that we are more

2498

01:41:02,350 --> 01:40:59,060

like them than we realize and yes we

2499

01:41:04,779 --> 01:41:02,360

pose a danger we pose a danger because

2500

01:41:08,709 --> 01:41:04,789

we are under control of

2501  
01:41:11,290 --> 01:41:08,719  
we do not quite understand I think et

2502  
01:41:13,359 --> 01:41:11,300  
finding a Boris that human beings as

2503  
01:41:15,310 --> 01:41:13,369  
nations go to war with each other so but

2504  
01:41:17,649 --> 01:41:15,320  
it issue with them because they were at

2505  
01:41:21,339 --> 01:41:17,659  
a level of advancements

2506  
01:41:23,859 --> 01:41:21,349  
I do feel that's not beyond us that is

2507  
01:41:25,060 --> 01:41:23,869  
evolved over the top that is if you get

2508  
01:41:27,580 --> 01:41:25,070  
what I'm saying it's kind of like an

2509  
01:41:30,009 --> 01:41:27,590  
eeveelution my thing these what you

2510  
01:41:32,919 --> 01:41:30,019  
asked a quite baffling questions as to

2511  
01:41:35,890 --> 01:41:32,929  
why that that is but we know that there

2512  
01:41:38,350 --> 01:41:35,900  
at the UFO cover-up is definitely with

2513  
01:41:40,779 --> 01:41:38,360

its tentacles in Nazi with the Nazi

2514

01:41:44,140 --> 01:41:40,789

Germany in the World War two most area

2515

01:41:47,109 --> 01:41:44,150

51 veterans indicate that we the Allies

2516

01:41:50,799 --> 01:41:47,119

won the love the low-tech war but

2517

01:41:52,569 --> 01:41:50,809

Germany won the high-tech war you know

2518

01:41:54,549 --> 01:41:52,579

sub excellence of area 51 I've actually

2519

01:42:08,549 --> 01:41:54,559

said that I totally concur with that

2520

01:42:13,270 --> 01:42:11,859

question the to the Stars Academy where

2521

01:42:16,029 --> 01:42:13,280

do I see that all going and is he

2522

01:42:19,330 --> 01:42:16,039

disclosure you're asking every to what

2523

01:42:22,029 --> 01:42:19,340

degree it's not disclosure its

2524

01:42:24,790 --> 01:42:22,039

disclosure of Secrets aerospace

2525

01:42:27,160 --> 01:42:24,800

developments they dare not mention the

2526

01:42:29,500 --> 01:42:27,170

word alien they dare not say of the

2527

01:42:31,120 --> 01:42:29,510

involvements of eighty they may not say

2528

01:42:32,919 --> 01:42:31,130

anything like that at all for some

2529

01:42:34,740 --> 01:42:32,929

bizarre reason because they just haven't

2530

01:42:37,750 --> 01:42:34,750

got the balls as far as I'm concerned

2531

01:42:39,879 --> 01:42:37,760

and I'm that I'm the messenger aren't

2532

01:42:42,430 --> 01:42:39,889

going to get shot at but they they just

2533

01:42:44,410 --> 01:42:42,440

seen whether it's this kind of attitude

2534

01:42:46,209 --> 01:42:44,420

of look what we've got in the hands too

2535

01:42:48,339 --> 01:42:46,219

and we're all spooks and we know what

2536

01:42:50,049 --> 01:42:48,349

we're talking about I don't trust it I

2537

01:42:53,080 --> 01:42:50,059

don't want the look of it and there are

2538

01:42:56,340 --> 01:42:53,090

people including myself who are being

2539

01:42:58,410 --> 01:42:56,350

targeted in very nefarious ways

2540

01:43:00,150 --> 01:42:58,420

is unethical but there's not one word

2541

01:43:02,130 --> 01:43:00,160

about that either cuz they don't have

2542

01:43:03,360 --> 01:43:02,140

the balls that's what I think and I tell

2543

01:43:04,770 --> 01:43:03,370

them that's the first with other lights

2544

01:43:39,960 --> 01:43:04,780

it up knob you know they just don't have

2545

01:43:45,120 --> 01:43:39,970

the balls that's what I think anyway yes

2546

01:43:47,880 --> 01:43:45,130

okay I yes okay I referencing that from

2547

01:43:50,220 --> 01:43:47,890

my own experiences that it was described

2548

01:43:53,340 --> 01:43:50,230

what was going on around me was happened

2549

01:43:54,780 --> 01:43:53,350

in a space-time continuum it described

2550

01:43:58,290 --> 01:43:54,790

to me the fact that definitely

2551  
01:44:00,690 --> 01:43:58,300  
definitely time is collapsed so that one

2552  
01:44:03,570 --> 01:44:00,700  
year so for example the year 2019 can

2553  
01:44:05,100 --> 01:44:03,580  
communicate with the year 2140 and

2554  
01:44:07,950 --> 01:44:05,110  
that's what I was taught from my

2555  
01:44:10,590 --> 01:44:07,960  
experiences I need to look into that

2556  
01:44:12,030 --> 01:44:10,600  
then since the point you raised because

2557  
01:44:13,740 --> 01:44:12,040  
she's certainly not out to get me I

2558  
01:44:15,360 --> 01:44:13,750  
don't believe that of course but I need

2559  
01:44:16,800 --> 01:44:15,370  
to look at that as a very valid point of

2560  
01:44:18,450 --> 01:44:16,810  
research to just see where I might have

2561  
01:44:20,400 --> 01:44:18,460  
gone wrong with that so I will look into

2562  
01:44:22,950 --> 01:44:20,410  
that definitely this is what's been

2563  
01:44:24,450 --> 01:44:22,960

coming up me from my experiences but I

2564

01:44:35,750 --> 01:44:24,460

might need to look into that further

2565

01:44:38,190 --> 01:44:35,760

yeah yes works better yes of course yeah

2566

01:44:51,250 --> 01:44:38,200

yes

2567

01:45:19,860 --> 01:45:01,800

[Music]

2568

01:45:25,120 --> 01:45:22,930

no actually I don't agree with that I'm

2569

01:45:26,800 --> 01:45:25,130

absolutely finger it's one of those I've

2570

01:45:28,270 --> 01:45:26,810

seen that much to believe that it's

2571

01:45:29,439 --> 01:45:28,280

actually one of the hairs and the fact

2572

01:45:31,959 --> 01:45:29,449

of the matter is is that we're

2573

01:45:34,450 --> 01:45:31,969

struggling to try and get a grasp on

2574

01:45:36,669 --> 01:45:34,460

their technology as far as I'm concerned

2575

01:45:38,770 --> 01:45:36,679

they're again on saying that that's the

2576

01:45:39,879 --> 01:45:38,780

kind of secret research that we the

2577

01:45:42,280 --> 01:45:39,889

government we the elected government

2578

01:45:44,410 --> 01:45:42,290

because as your friend said there is

2579

01:45:46,510 --> 01:45:44,420

been rich there is the stunt works there

2580

01:45:48,040 --> 01:45:46,520

is the deep classified stuff that goes

2581

01:45:50,470 --> 01:45:48,050

on isn't there and there's a little

2582

01:45:53,020 --> 01:45:50,480

level what it clearly shows is a tier

2583

01:45:55,060 --> 01:45:53,030

level of compartmentalised security

2584

01:45:56,770 --> 01:45:55,070

doesn't have a secrecy that's going on

2585

01:45:58,270 --> 01:45:56,780

where one hand doesn't know what the

2586

01:45:59,830 --> 01:45:58,280

other hands doing and that has been

2587

01:46:01,300 --> 01:45:59,840

disastrous for the American government

2588

01:46:03,640 --> 01:46:01,310

with their cover-up of all this

2589

01:46:04,209 --> 01:46:03,650

absolutely disastrous I think for all

2590

01:46:06,669 --> 01:46:04,219

mankind

2591

01:46:09,010 --> 01:46:06,679

considering that men died on the beaches

2592

01:46:10,450 --> 01:46:09,020

of Normandy for our freedom I find it

2593

01:46:12,610 --> 01:46:10,460

absolutely disgusting actually

2594

01:46:14,500 --> 01:46:12,620

and I've seen this and witness I've

2595

01:46:18,040 --> 01:46:14,510

witnessed the apparatus behind the

2596

01:46:19,780 --> 01:46:18,050

covering first and shameful absolutely

2597

01:46:24,140 --> 01:46:19,790

shameful what's going on as far as I'm

2598

01:46:24,150 --> 01:46:31,700

[Music]

2599

01:47:00,890 --> 01:46:59,270

I know yes I still just real loud but

2600

01:47:07,820 --> 01:47:00,900

some of it is easy and some of it is

2601  
01:47:09,920 --> 01:47:07,830  
ours yeah is that what is the absolute

2602  
01:47:11,720 --> 01:47:09,930  
problem and not only that as well if you

2603  
01:47:14,750 --> 01:47:11,730  
notice my comment of earlier where I

2604  
01:47:17,660 --> 01:47:14,760  
indicated that you have a type of UFO

2605  
01:47:19,790 --> 01:47:17,670  
being chased away like Seward the UFOs

2606  
01:47:22,640 --> 01:47:19,800  
that look entirely different there's an

2607  
01:47:24,410 --> 01:47:22,650  
indication going on of some as you have

2608  
01:47:27,590 --> 01:47:24,420  
rightly said some technical knowledge

2609  
01:47:30,140 --> 01:47:27,600  
base that is in conflict with itself or

2610  
01:47:31,940 --> 01:47:30,150  
some sort of cold war going on with it I

2611  
01:47:33,770 --> 01:47:31,950  
know as I said earlier from the India

2612  
01:47:35,900 --> 01:47:33,780  
daily which I found fascinating that one

2613  
01:47:37,880 --> 01:47:35,910

of the not the arms race but one of the

2614

01:47:39,320 --> 01:47:37,890

technological races his blast travel

2615

01:47:41,450 --> 01:47:39,330

they called it speed without

2616

01:47:43,310 --> 01:47:41,460

acceleration which is what they're

2617

01:47:45,979 --> 01:47:43,320

working on at the moment fascinating

2618

01:47:48,560 --> 01:47:45,989

stuff isn't it so yeah I think you've

2619

01:47:50,420 --> 01:47:48,570

raised some very validated points and I

2620

01:47:52,340 --> 01:47:50,430

must check out the accuracy of

2621

01:47:53,870 --> 01:47:52,350

space-time consume and look into that

2622

01:47:55,310 --> 01:47:53,880

it's got to be right as maybe let's be

2623

01:47:56,030 --> 01:47:55,320

right about it it's gotta be right when

2624

01:48:00,700 --> 01:47:56,040

I'm presenting

2625

01:48:04,940 --> 01:48:00,710

so definitely what I'm showing you there

2626

01:48:07,010 --> 01:48:04,950

just sums up the UFO cover-up quite

2627

01:48:08,720 --> 01:48:07,020

beautifully and I can't say any more

2628

01:48:09,380 --> 01:48:08,730

about it but it's disgusting they

2629

01:48:10,700 --> 01:48:09,390

disgust me

2630

01:48:12,200 --> 01:48:10,710

after what I've been through and that's

2631

01:48:15,880 --> 01:48:12,210

probably all I'm going to say on that

2632

01:48:26,300 --> 01:48:15,890

matter any other questions that's all oh

2633

01:48:26,310 --> 01:48:29,600

[Music]

2634

01:48:46,470 --> 01:48:44,760

yes I just asked you do you mean Billy

2635

01:48:49,380 --> 01:48:46,480

Maya or is he told that with Maya I

2636

01:49:10,560 --> 01:48:49,390

thought it was called Billy is another

2637

01:49:12,480 --> 01:49:10,570

try again yes yes knocking Jen yes it is

2638

01:49:14,970 --> 01:49:12,490

may yet you could describe me as being a

2639

01:49:17,100 --> 01:49:14,980

bit billy meier actually but whatever it

2640

01:49:18,480 --> 01:49:17,110

suits me is the elusiveness of it and

2641

01:49:21,600 --> 01:49:18,490

the fact that I can't get to the bottom

2642

01:49:23,190 --> 01:49:21,610

of why and why and I've got to be

2643

01:49:24,900 --> 01:49:23,200

careful when they tell me something that

2644

01:49:26,460 --> 01:49:24,910

it's accurate and all this kind of thing

2645

01:49:28,830 --> 01:49:26,470

so there's a lot going on with it but

2646

01:49:30,900 --> 01:49:28,840

I'm convinced in the weeks ahead that my

2647

01:49:32,910 --> 01:49:30,910

camera will not lie I am quite convinced

2648

01:49:34,680 --> 01:49:32,920

that I'll film something pretty good I'm

2649

01:49:41,700 --> 01:49:34,690

hoping so anyway that in the days ahead

2650

01:49:44,100 --> 01:49:41,710

most definitely definitely sir yes yes

2651  
01:49:46,590 --> 01:49:44,110  
the future is what we're being warned

2652  
01:49:49,050 --> 01:49:46,600  
about it would appear a mankind is

2653  
01:49:50,910 --> 01:49:49,060  
really going understand and cooperate

2654  
01:49:52,230 --> 01:49:50,920  
with itself better I think all the

2655  
01:49:54,870 --> 01:49:52,240  
future is going to be quite uncertain

2656  
01:49:57,050 --> 01:49:54,880  
with us as far as I'm concerned but you

2657  
01:49:59,130 --> 01:49:57,060  
do have this classified

2658  
01:50:01,530 --> 01:49:59,140  
compartmentalization system in place

2659  
01:50:05,100 --> 01:50:01,540  
that is covering up the UFO situation

2660  
01:50:07,140 --> 01:50:05,110  
most definitely sir and that is very

2661  
01:50:08,850 --> 01:50:07,150  
worrying very worrying indeed and you

2662  
01:50:09,950 --> 01:50:08,860  
are not going to get any world leaders

2663  
01:50:11,420 --> 01:50:09,960

standing up there

2664

01:50:13,130 --> 01:50:11,430

telling us what's going on because they

2665

01:50:14,959 --> 01:50:13,140

fear it Eisenhower was right the

2666

01:50:16,940 --> 01:50:14,969

military-industrial complex it's it's

2667

01:50:21,560 --> 01:50:16,950

real isn't it so there we go

2668

01:50:23,990 --> 01:50:21,570

any any other questions at all no okay

2669

01:50:26,510 --> 01:50:24,000

well thank you very much indeed and I

2670

01:50:29,570 --> 01:50:26,520

hope you enjoyed the insight that I gave

2671

01:50:32,000 --> 01:50:29,580

you into my life as a contact experience

2672

01:50:34,100 --> 01:50:32,010

I'm still learning I don't know it all

2673

01:50:35,750 --> 01:50:34,110

but I can honestly say to you that these

2674

01:50:38,570 --> 01:50:35,760

events happened and I try to be as

2675

01:50:40,880 --> 01:50:38,580

realistic as possible in giving you this

2676

01:50:42,680 --> 01:50:40,890

information I just hope you enjoyed the

2677

01:50:45,229 --> 01:50:42,690

presentation I hope I just give you some

2678

01:50:46,470 --> 01:50:45,239

insights as to what really goes on thank
