

1
00:00:11,030 --> 00:00:09,620
hello we've here we've troubled me Mike

2
00:00:13,129 --> 00:00:11,040
you're troubled all we have to Connors

3
00:00:15,650 --> 00:00:13,139
key the northeastern wheels you can't

4
00:00:19,460 --> 00:00:15,660
get further than northeast in wheels the

5
00:00:23,240 --> 00:00:19,470
cars key and we come to the home of Lynn

6
00:00:24,800 --> 00:00:23,250
Murphy under Sun to Jason and they've

7
00:00:26,840 --> 00:00:24,810
had a few experiences some in the area

8
00:00:33,799 --> 00:00:26,850
and some at the opposite end the whales

9
00:00:37,819 --> 00:00:33,809
in carving a share some holiday and very

10
00:00:41,630 --> 00:00:37,829
interesting sighting report this or yes

11
00:00:46,279 --> 00:00:41,640
well no I mean make some Jason C we were

12
00:00:48,919 --> 00:00:46,289
and going down to get some more stuff up

13
00:00:51,979 --> 00:00:48,929

to the flap I was moving out of it was

14

00:00:57,680 --> 00:00:51,989

in the sort it was in September because

15

00:01:00,289 --> 00:00:57,690

in winter yeah when we were traveling

16

00:01:07,840 --> 00:01:00,299

down towards Flint so we were on the

17

00:01:12,920 --> 00:01:07,850

coast wrote in you this was in 2014 and

18

00:01:14,929 --> 00:01:12,930

we both seem something which I don't

19

00:01:19,219 --> 00:01:14,939

know what Jason saw but I seen a silver

20

00:01:22,940 --> 00:01:19,229

ball but it was hovering at the ends of

21

00:01:25,849 --> 00:01:22,950

the peninsula so we went down to Flint

22

00:01:27,349 --> 00:01:25,859

we went down onto the river and we sort

23

00:01:31,999 --> 00:01:27,359

of dumped the car didn't we and just

24

00:01:33,859 --> 00:01:32,009

warm to the end of this platform yeah it

25

00:01:35,179 --> 00:01:33,869

was on the end of the widow put inch and

26
00:01:37,910 --> 00:01:35,189
we just sucked down we couldn't figure

27
00:01:39,289 --> 00:01:37,920
out what it was only there for a couple

28
00:01:41,510 --> 00:01:39,299
of minutes I think and it just

29
00:01:45,830 --> 00:01:41,520
disappeared wasn't we trying to figure

30
00:01:48,169 --> 00:01:45,840
out what it wasn't and what we didn't

31
00:01:53,209 --> 00:01:48,179
know what it was or it was just a silver

32
00:01:55,700 --> 00:01:53,219
spear right at the end how big would you

33
00:01:57,679 --> 00:01:55,710
say was I wouldn't actually cuss it as a

34
00:02:00,319 --> 00:01:57,689
sphere with the my perspective and what

35
00:02:01,880 --> 00:02:00,329
I sing you know my bitter spirit but I'm

36
00:02:05,959 --> 00:02:01,890
up in the light like it looked more

37
00:02:08,380 --> 00:02:05,969
present no I [h__\h] up in the moon but the

38
00:02:10,999 --> 00:02:08,390

moon doesn't have right angles on it

39

00:02:12,230 --> 00:02:11,009

there's definitely metallic yeah you

40

00:02:12,800 --> 00:02:12,240

wouldn't see the moon in the northwest

41

00:02:15,230 --> 00:02:12,810

anyway

42

00:02:17,180 --> 00:02:15,240

no but that's where it was it was right

43

00:02:18,740 --> 00:02:17,190

out there in look moon shape but it

44

00:02:19,640 --> 00:02:18,750

wasn't maybe both present but it was

45

00:02:22,069 --> 00:02:19,650

Miss Holly but I

46

00:02:23,119 --> 00:02:22,079

badges or a definite definite

47

00:02:25,009 --> 00:02:23,129

definitions the edges

48

00:02:26,899 --> 00:02:25,019

what do you say we write down the end of

49

00:02:33,649 --> 00:02:26,909

the prints levels it was at nighttime

50

00:02:36,380 --> 00:02:33,659

no I'm sorry yeah September 2014 it was

51

00:02:38,479 --> 00:02:36,390

set in September bender

52

00:02:41,330 --> 00:02:38,489

yeah because I was I knew I was moving

53

00:02:43,490 --> 00:02:41,340

out of the flats and Jason was coming

54

00:02:48,490 --> 00:02:43,500

down to help me get some money stuff cuz

55

00:02:54,229 --> 00:02:52,009

and when we see that we were in color

56

00:02:55,759 --> 00:02:54,239

schemes and we went down but we were

57

00:02:59,210 --> 00:02:55,769

traveling down there anyway because

58

00:03:01,160 --> 00:02:59,220

we're going up to Holly well but I'll

59

00:03:03,860 --> 00:03:01,170

see you on the coastal miss coast road

60

00:03:05,750 --> 00:03:03,870

yeah and that's when we seen it so we

61

00:03:09,140 --> 00:03:05,760

decided to go and have a look to see

62

00:03:11,210 --> 00:03:09,150

what it was oh yeah yeah yeah the thing

63

00:03:14,140 --> 00:03:11,220

itself couldn't have been more than two

64

00:03:16,879 --> 00:03:14,150

to half mile away from everywhere what

65

00:03:18,649 --> 00:03:16,889

an expose on quite good of vehicle

66

00:03:21,890 --> 00:03:18,659

recognition anyway it's part of my job

67

00:03:23,119 --> 00:03:21,900

all right I'll see you knock miles away

68

00:03:24,800 --> 00:03:23,129

but the side of the things here not

69

00:03:29,300 --> 00:03:24,810

miles away it mostly Palance about 200

70

00:03:32,119 --> 00:03:29,310

meters in length I play two points so

71

00:03:33,789 --> 00:03:32,129

easy on the music and a couple of maybe

72

00:03:36,199 --> 00:03:33,799

maybe 20 meters across

73

00:03:39,080 --> 00:03:36,209

what shape is it a crescent shape

74

00:03:43,520 --> 00:03:39,090

present sure it's not bright or flat on

75

00:03:45,680 --> 00:03:43,530

an angle whether a crescent angled you

76
00:03:47,930 --> 00:03:45,690
got to see the angles up on top but you

77
00:03:50,300 --> 00:03:47,940
know so it's definitely present it was

78
00:03:53,210 --> 00:03:50,310
literally tune up our way to shake like

79
00:04:05,599 --> 00:03:53,220
that yeah but more square as a software

80
00:04:06,319 --> 00:04:05,609
not rather curved yes yeah yeah I say

81
00:04:09,140 --> 00:04:06,329
about three o'clock

82
00:04:13,550 --> 00:04:09,150
no three three floor cook is it any

83
00:04:17,020 --> 00:04:13,560
flashing lights on it no no no sound no

84
00:04:20,089 --> 00:04:17,030
flashing lights are there a second down

85
00:04:22,339 --> 00:04:20,099
why this is the Blake's go hey I just

86
00:04:26,600 --> 00:04:22,349
did you see flyweight always know it

87
00:04:29,360 --> 00:04:26,610
just is just like it they just go just

88
00:04:31,670 --> 00:04:29,370

setting off just evaporated ya know them

89

00:04:32,180 --> 00:04:31,680

up done so what was the duration of this

90

00:04:34,600 --> 00:04:32,190

like

91

00:04:38,240 --> 00:04:34,610

while we watched it come from here

92

00:04:39,670 --> 00:04:38,250

another coach rode through Vulcan oh no

93

00:04:41,930 --> 00:04:39,680

okay okay

94

00:04:44,570 --> 00:04:41,940

luckily first I don't know you see all

95

00:04:45,920 --> 00:04:44,580

the way down there when free Flint's got

96

00:04:48,560 --> 00:04:45,930

off to the castle and we're that a

97

00:04:50,120 --> 00:04:48,570

couple of minutes in the West got those

98

00:04:52,670 --> 00:04:50,130

wins this guy is clear

99

00:04:55,910 --> 00:04:52,680

it was cold but it was still daylight

100

00:04:56,600 --> 00:04:55,920

yeah not clouded in the sky so the cloud

101

00:04:59,120 --> 00:04:56,610

would have gotten away

102

00:05:01,010 --> 00:04:59,130

Oh looking at the clouds hmm you will

103

00:05:07,760 --> 00:05:01,020

see that with so absorbing so you were

104

00:05:10,640 --> 00:05:07,770

leaving college key we first saw it just

105

00:05:13,250 --> 00:05:10,650

as got near the castle a couple of

106

00:05:15,410 --> 00:05:13,260

minutes without leverage there's no just

107

00:05:16,790 --> 00:05:15,420

sure might say about God think of it and

108

00:05:19,700 --> 00:05:16,800

you think it was stationary oh

109

00:05:21,260 --> 00:05:19,710

definitely yeah definitely station and I

110

00:05:24,380 --> 00:05:21,270

know that this path thinking you've got

111

00:05:29,720 --> 00:05:24,390

planes coming over you constantly and

112

00:05:31,100 --> 00:05:29,730

mending into the Mersey to go to well

113

00:05:33,950 --> 00:05:31,110

just be careful is to make room for that

114

00:05:35,810 --> 00:05:33,960

yeah yeah yeah mister mister baby room

115

00:05:41,080 --> 00:05:35,820

for that so we all received come over it

116

00:05:47,450 --> 00:05:41,090

every day 10 20 30 times a day my my

117

00:05:49,670 --> 00:05:47,460

yeah yeah yeah

118

00:05:52,070 --> 00:05:49,680

why said don't quite good me vehicle

119

00:05:56,180 --> 00:05:52,080

recognition that's weak give me job and

120

00:05:57,740 --> 00:05:56,190

I know something that's no I wish money

121

00:06:01,060 --> 00:05:57,750

buddy else's just to get something old

122

00:06:03,320 --> 00:06:01,070

people's vehicles at the same time and

123

00:06:06,050 --> 00:06:03,330

now this finger stage me must have been

124

00:06:11,170 --> 00:06:06,060

true free on defeat off off the off the

125

00:06:14,990 --> 00:06:11,180

water I was definitely able to do yeah

126

00:06:16,430 --> 00:06:15,000

yeah saved by the first I'm a ISIL

127

00:06:17,900 --> 00:06:16,440

infants in the first time I've seen

128

00:06:20,090 --> 00:06:17,910

stuff down there all over the day

129

00:06:22,250 --> 00:06:20,100

so what elevation was it know if you put

130

00:06:30,680 --> 00:06:22,260

you on the 0 degrees and that's 90

131

00:06:34,010 --> 00:06:30,690

degrees was nothing more weather degrees

132

00:06:37,400 --> 00:06:34,020

we do job is also about 50 55 55 degrees

133

00:06:38,180 --> 00:06:37,410

360 that saw the elevation from where we

134

00:06:40,790 --> 00:06:38,190

were standing

135

00:06:43,140 --> 00:06:40,800

yeah yeah but there was no pitch or

136

00:06:45,480 --> 00:06:43,150

shift no

137

00:06:46,170 --> 00:06:45,490

after station it wasn't even it was a

138

00:06:47,790 --> 00:06:46,180

little please

139

00:06:50,010 --> 00:06:47,800

but because he sees me but it was

140

00:06:52,260 --> 00:06:50,020

nothing don't even

141

00:06:53,909 --> 00:06:52,270

nothing yourself no I said they space

142

00:06:57,240 --> 00:06:53,919

just builds out a few things to make

143

00:06:58,170 --> 00:06:57,250

cooking an escape blue she did not see

144

00:07:01,710 --> 00:06:58,180

blues these days

145

00:07:03,240 --> 00:07:01,720

yeah no foil might happen seems like for

146

00:07:05,850 --> 00:07:03,250

yet so wasn't would actually you'd see

147

00:07:08,730 --> 00:07:05,860

it you see the movement sideways neck

148

00:07:14,909 --> 00:07:08,740

where we witness I do understand it

149

00:07:17,850 --> 00:07:14,919

exactly yeah you suck that sunshine

150

00:07:18,840 --> 00:07:17,860

clear day please win today is it

151
00:07:25,560 --> 00:07:18,850
possible it could have been something

152
00:07:28,230 --> 00:07:25,570
reflected in the Sun especially

153
00:07:29,850 --> 00:07:28,240
especially who's got edges to it I might

154
00:07:32,340 --> 00:07:29,860
use your pizzettes you know

155
00:07:35,100 --> 00:07:32,350
wait finger says with definitely sets it

156
00:07:39,840 --> 00:07:35,110
set into it obviously on how far away

157
00:07:41,939 --> 00:07:39,850
from you do you think it was far away it

158
00:07:43,230 --> 00:07:41,949
was just a sizer it was a mystery minis

159
00:07:46,320 --> 00:07:43,240
in the music so if it was something

160
00:07:47,940 --> 00:07:46,330
reflecting the Sun yeah obviously your

161
00:07:49,740 --> 00:07:47,950
angle changes and the reflection goes

162
00:07:52,860 --> 00:07:49,750
off you can still see an object at that

163
00:07:54,600 --> 00:07:52,870

distance yeah yeah it's a pretty big

164

00:07:56,700 --> 00:07:54,610

object which especially is a is clear

165

00:07:58,020 --> 00:07:56,710

conditions so lady clear conditions and

166

00:08:01,170 --> 00:07:58,030

a lot of side diamonds down the s sweet

167

00:08:03,420 --> 00:08:01,180

way even a bit over Cassidy it's hard to

168

00:08:05,790 --> 00:08:03,430

get to see right out my daughter you

169

00:08:06,570 --> 00:08:05,800

know just this is where our office

170

00:08:10,879 --> 00:08:06,580

offered sir

171

00:08:15,029 --> 00:08:10,889

I said it's it was a bizarre shape

172

00:08:18,060 --> 00:08:15,039

completely bizarre somebody people say

173

00:08:24,240 --> 00:08:18,070

the just disappears yeah a lot of people

174

00:08:28,830 --> 00:08:24,250

say they fainted because come get that

175

00:08:31,230 --> 00:08:28,840

we know of our main can do that not

176
00:08:33,990 --> 00:08:31,240
unless they've got technology that they

177
00:08:35,010 --> 00:08:34,000
keep in secret away from walls but why

178
00:08:37,170 --> 00:08:35,020
would they just stop it at the end of

179
00:08:38,250 --> 00:08:37,180
the peninsula down there and yeah so

180
00:08:41,159 --> 00:08:38,260
there's just the two of you in the car

181
00:08:42,449 --> 00:08:41,169
yeah yeah that's that's not the first

182
00:08:45,990 --> 00:08:42,459
I've seen something down there is no

183
00:08:47,430 --> 00:08:46,000
nice didn't flee lights go outside

184
00:08:49,290 --> 00:08:47,440
outside these smoke house and they smoke

185
00:08:51,449 --> 00:08:49,300
outside stunning the wall I could look

186
00:08:53,280 --> 00:08:51,459
over yesterday night sight and effing

187
00:08:55,380 --> 00:08:53,290
coming up you see things coming in you

188
00:08:57,870 --> 00:08:55,390

know the planes that place also

189

00:09:00,510 --> 00:08:57,880

I'll say it's a puffing or What's it

190

00:09:02,580 --> 00:09:00,520

saying - they can't open things my

191

00:09:04,650 --> 00:09:02,590

little one come in go out definitely

192

00:09:08,870 --> 00:09:04,660

when you got to stop coming in dropping

193

00:09:10,830 --> 00:09:08,880

down and going across the river yeah

194

00:09:13,230 --> 00:09:10,840

ball red light you see that something

195

00:09:18,000 --> 00:09:13,240

it's dropping it proving the helicopter

196

00:09:19,950 --> 00:09:18,010

or helicopters yeah yeah well BJ oh they

197

00:09:24,750 --> 00:09:19,960

got the Smurfs my own are away from it

198

00:09:25,830 --> 00:09:24,760

BJ for helicopters yeah well you still

199

00:09:28,080 --> 00:09:25,840

[h__\h] owe me

200

00:09:51,090 --> 00:09:28,090

you could yo heavy copper for couple of

201
00:09:51,420 --> 00:09:51,100
miles away yes I'm going out to the

202
00:09:55,160 --> 00:09:51,430
water

203
00:10:04,080 --> 00:09:55,170
what is it when you are in the deep

204
00:10:06,030 --> 00:10:04,090
Nathan going in or coming out no she'd

205
00:10:07,740 --> 00:10:06,040
play a little Buffalo here at the war

206
00:10:19,560 --> 00:10:07,750
that's all right Mike let's see see what

207
00:10:23,880 --> 00:10:19,570
we do I bought cardigan Caravan camping

208
00:10:28,590 --> 00:10:23,890
site but a labyrinth everything ghupat

209
00:10:34,650 --> 00:10:28,600
Penn Park rules go in the Caroline

210
00:10:40,610 --> 00:10:34,660
Caroline coming slightly cool but still

211
00:10:45,750 --> 00:10:40,620
need yeah okay let's cup is the coast

212
00:10:49,560 --> 00:10:45,760
cardigan control the 84 87 at the Penn

213
00:10:52,260 --> 00:10:49,570

Park and there's a caravan and campsite

214

00:10:54,480 --> 00:10:52,270

there I reckon that's the one it could

215

00:10:56,850 --> 00:10:54,490

have been one of them yeah this might be

216

00:10:59,070 --> 00:10:56,860

a few there but anyway and that's where

217

00:11:00,710 --> 00:10:59,080

we decided to go camping I was with me

218

00:11:04,730 --> 00:11:00,720

ax besides

219

00:11:08,150 --> 00:11:04,740

mr. preach then it's when Prince William

220

00:11:11,809 --> 00:11:08,160

got married and we went down a long day

221

00:11:17,090 --> 00:11:11,819

which was the 25th and there was only

222

00:11:18,110 --> 00:11:17,100

one down there and they barely stayed

223

00:11:22,340 --> 00:11:18,120

the one night

224

00:11:23,660 --> 00:11:22,350

so people who own the place said we'll

225

00:11:24,860 --> 00:11:23,670

give you the whole puppy maze we'll have

226

00:11:27,910 --> 00:11:24,870

a whole cook because we never has a

227

00:11:31,119 --> 00:11:27,920

hookup so we'd be the only ones on the

228

00:11:33,710 --> 00:11:31,129

right well they just have brand-new

229

00:11:37,340 --> 00:11:33,720

shower facilities and everything built

230

00:11:39,259 --> 00:11:37,350

in there and so we were like two fields

231

00:11:42,199 --> 00:11:39,269

away because we weren't on the electric

232

00:11:48,470 --> 00:11:42,209

then from the actual toilets enough and

233

00:11:51,920 --> 00:11:48,480

on the Tuesday night and God spared and

234

00:11:53,960 --> 00:11:51,930

I got woken up by screaming and I lay

235

00:11:57,519 --> 00:11:53,970

there I thought what the hell was up I

236

00:12:00,439 --> 00:11:57,529

was listening sheep and they were

237

00:12:02,780 --> 00:12:00,449

squealing like I've never done before

238

00:12:04,400 --> 00:12:02,790

like they were being tortured oh my god

239

00:12:07,639 --> 00:12:04,410

what's that I was bursting to go to the

240

00:12:10,100 --> 00:12:07,649

toilets and I thought it was wake up and

241

00:12:12,110 --> 00:12:10,110

I thought I'm not going out all the way

242

00:12:15,910 --> 00:12:12,120

all those fields but I love screaming's

243

00:12:19,730 --> 00:12:15,920

going on so I went behind the tent and

244

00:12:21,769 --> 00:12:19,740

the screen got less and less so what I

245

00:12:26,420 --> 00:12:21,779

decided to do because it was getting

246

00:12:28,069 --> 00:12:26,430

less than that I walked to the end of

247

00:12:31,490 --> 00:12:28,079

this field so it's like the side of the

248

00:12:33,110 --> 00:12:31,500

field so where a lot of the screaming

249

00:12:35,420 --> 00:12:33,120

was coming from and went up a little of

250

00:12:39,559 --> 00:12:35,430

embankment like two steps up and there

251
00:12:40,869 --> 00:12:39,569
was a little head I looked over no it's

252
00:12:44,660 --> 00:12:40,879
after 2:00 in the morning

253
00:12:46,549 --> 00:12:44,670
and I was trying to figure out what this

254
00:12:48,410 --> 00:12:46,559
noise wasn't wearing well where it was

255
00:12:50,389 --> 00:12:48,420
coming from I knew it was sheep it was

256
00:12:55,179 --> 00:12:50,399
getting less and less and I started

257
00:12:58,309 --> 00:12:55,189
locked down for this into this valley I

258
00:13:00,199 --> 00:12:58,319
was looking and looking at something in

259
00:13:02,949 --> 00:13:00,209
the distance it could have been maybe I

260
00:13:06,350 --> 00:13:02,959
don't know I couldn't be distant maybe

261
00:13:08,480 --> 00:13:06,360
between 2 and 3 or 4 miles away but it

262
00:13:11,700 --> 00:13:08,490
was a white whale and I look and I

263
00:13:17,490 --> 00:13:11,710

thought what was the sea in London

264

00:13:20,250 --> 00:13:17,500

what's that what is that and what I was

265

00:13:21,690 --> 00:13:20,260

looking at and what I don't I looked

266

00:13:25,980 --> 00:13:21,700

everywhere to see if there was anything

267

00:13:29,250 --> 00:13:25,990

reflected to make this this shape and it

268

00:13:32,010 --> 00:13:29,260

it could have been round but all I seen

269

00:13:36,720 --> 00:13:32,020

was like a big giant horseshoe shape

270

00:13:40,019 --> 00:13:36,730

from this shape they are big giant white

271

00:13:42,389 --> 00:13:40,029

lights maybe seven to nine that I was

272

00:13:46,350 --> 00:13:42,399

looking at and what it was doing its

273

00:13:50,100 --> 00:13:46,360

pulsating white and shrinking into red

274

00:13:53,639 --> 00:13:50,110

and it was doing it

275

00:13:56,130 --> 00:13:53,649

each liderman together all together so

276

00:13:59,040 --> 00:13:56,140

well they were growing white and then

277

00:14:02,460 --> 00:13:59,050

shrinking down to red and it was oh it

278

00:14:04,710 --> 00:14:02,470

was doing it and continuing what is it

279

00:14:06,870 --> 00:14:04,720

and you know you don't know what you're

280

00:14:10,199 --> 00:14:06,880

looking up and I couldn't figure out

281

00:14:11,970 --> 00:14:10,209

what it was so I was looking around out

282

00:14:14,490 --> 00:14:11,980

in the countryside there was no car

283

00:14:15,420 --> 00:14:14,500

lights on lanes of anything like there

284

00:14:17,340 --> 00:14:15,430

was nothing

285

00:14:20,100 --> 00:14:17,350

and I probably figured out what it was

286

00:14:22,380 --> 00:14:20,110

and then something caught me I'm from

287

00:14:26,340 --> 00:14:22,390

North the Northeast unless I got down

288

00:14:31,710 --> 00:14:26,350

with them I seen a big hill miles away

289

00:14:33,930 --> 00:14:31,720

and it had a television mast on it so

290

00:14:37,730 --> 00:14:33,940

you've got all these red lights on this

291

00:14:38,940 --> 00:14:37,740

television mast but as I'm up doing

292

00:14:43,350 --> 00:14:38,950

something

293

00:14:50,190 --> 00:14:43,360

swung around this hill and it was a red

294

00:14:53,610 --> 00:14:50,200

ball of lights and this ball of light

295

00:14:56,130 --> 00:14:53,620

came down now these noises of sheep

296

00:14:58,620 --> 00:14:56,140

hours listening to got quieter and

297

00:15:01,110 --> 00:14:58,630

quieter they're still going on but it

298

00:15:07,460 --> 00:15:01,120

got quieter this ball of light came and

299

00:15:11,100 --> 00:15:07,470

it landed went next to this big shape

300

00:15:13,050 --> 00:15:11,110

then I started thinking I I hope I'm not

301
00:15:15,180 --> 00:15:13,060
watching what I'm thinking I'm watching

302
00:15:16,800 --> 00:15:15,190
here because I've started to get it if

303
00:15:21,210 --> 00:15:16,810
he really scared about the camera

304
00:15:24,319 --> 00:15:21,220
looking over at you and it went it sort

305
00:15:27,960 --> 00:15:24,329
of shrunk and waited a couple of second

306
00:15:31,170 --> 00:15:27,970
the red regretful of light that came out

307
00:15:33,030 --> 00:15:31,180
and next door to this big big thing what

308
00:15:37,110 --> 00:15:33,040
was the post that was still pulsating

309
00:15:38,759 --> 00:15:37,120
and then it sort of I don't know it sort

310
00:15:42,360 --> 00:15:38,769
of kind of hopped on to the pulsating

311
00:15:47,579 --> 00:15:42,370
the rhythm of that so it was mine and

312
00:15:51,600 --> 00:15:47,589
then want to read and within six to

313
00:15:54,120 --> 00:15:51,610

seven seconds maybe eight it sort of

314

00:15:58,530 --> 00:15:54,130

shuddered and then it wolf and there was

315

00:16:01,110 --> 00:15:58,540

another one of them shapes and I thought

316

00:16:03,240 --> 00:16:01,120

oh my it was to model I thought oh my

317

00:16:05,460 --> 00:16:03,250

god what the hell's it what they say

318

00:16:07,199 --> 00:16:05,470

Crusaders they were side by side and

319

00:16:11,100 --> 00:16:07,209

that was awesome

320

00:16:14,699 --> 00:16:11,110

so the set will appear as I was looking

321

00:16:16,980 --> 00:16:14,709

at it to the left of it yeah so okay the

322

00:16:19,110 --> 00:16:16,990

ball came the red light came from the

323

00:16:23,690 --> 00:16:19,120

left and it went next the left it's a

324

00:16:26,610 --> 00:16:23,700

base and then it was like that for what

325

00:16:30,870 --> 00:16:26,620

ten seconds twenty seconds and it seemed

326

00:16:34,530 --> 00:16:30,880

to go back in and then all these sheep

327

00:16:38,430 --> 00:16:34,540

went silent and I liked it I liked it I

328

00:16:41,310 --> 00:16:38,440

had this overwhelming finger and I liked

329

00:16:45,150 --> 00:16:41,320

it I went back in the tent zip the

330

00:16:47,130 --> 00:16:45,160

tencil not don't stop anything and I got

331

00:16:50,130 --> 00:16:47,140

back in and I covered myself up so how

332

00:16:52,019 --> 00:16:50,140

far away was this big object maybe two

333

00:16:53,220 --> 00:16:52,029

between two and four miles I couldn't

334

00:16:58,819 --> 00:16:53,230

tell the difference because it was in

335

00:17:03,770 --> 00:17:01,350

strobe light I like flashy anything

336

00:17:06,600 --> 00:17:03,780

no no flushing it was just this small

337

00:17:09,120 --> 00:17:06,610

pulsating how many of these big white

338

00:17:12,710 --> 00:17:09,130

lights but what I could see on the first

339

00:17:15,750 --> 00:17:12,720

one that was about I don't know about

340

00:17:18,000 --> 00:17:15,760

between aids and I'd say about eight or

341

00:17:20,549 --> 00:17:18,010

nine oh I see

342

00:17:22,890 --> 00:17:20,559

Aboudi arranged evenly yeah or were they

343

00:17:25,199 --> 00:17:22,900

looking clumps they were even little

344

00:17:27,059 --> 00:17:25,209

even around the edge is actually the

345

00:17:28,500 --> 00:17:27,069

bottom as well I didn't see the bottle

346

00:17:29,700 --> 00:17:28,510

so I don't know whether that was there

347

00:17:30,190 --> 00:17:29,710

that's why I thought you could have been

348

00:17:33,669 --> 00:17:30,200

a ball

349

00:17:35,740 --> 00:17:33,679

and I wasn't sure what it was

350

00:17:38,080 --> 00:17:35,750

so it was sort of straight sides then

351

00:17:39,279 --> 00:17:38,090

rather than the straight just round it

352

00:17:43,990 --> 00:17:39,289

was round but he couldn't see the bottom

353

00:17:46,629 --> 00:17:44,000

yeah and I was petrified and so if you

354

00:17:48,430 --> 00:17:46,639

want to hold if you were to sort of hold

355

00:17:51,549 --> 00:17:48,440

it between your fingers your arms length

356

00:17:53,740 --> 00:17:51,559

public between your fingers would it be

357

00:17:57,909 --> 00:17:53,750

no just gives the size of it in your

358

00:18:00,370 --> 00:17:57,919

vehicle right it was about that big so

359

00:18:01,960 --> 00:18:00,380

it would have been massive yeah and

360

00:18:03,519 --> 00:18:01,970

that's why I couldn't figure out what it

361

00:18:14,330 --> 00:18:03,529

was where I couldn't see anything

362

00:18:28,540 --> 00:18:20,890

you

363

00:18:30,100 --> 00:18:28,550

would have been massive yeah and that's

364

00:18:32,170 --> 00:18:30,110

why I couldn't figure out what it was

365

00:18:37,120 --> 00:18:32,180

where I was gonna see anything it was in

366

00:18:39,480 --> 00:18:37,130

lines to the say yeah inland in love you

367

00:18:43,450 --> 00:18:39,490

it was in life yeah let's see Barry yeah

368

00:18:45,430 --> 00:18:43,460

so you were facing south southeast you

369

00:18:49,150 --> 00:18:45,440

see this other red light came from the

370

00:18:51,010 --> 00:18:49,160

Northeast yeah so if you were to point

371

00:18:56,140 --> 00:18:51,020

at the red light where would you the

372

00:18:58,330 --> 00:18:56,150

point of and where is the object here so

373

00:19:03,540 --> 00:18:58,340

that was northeast yeah that was that

374

00:19:07,240 --> 00:19:03,550

yeah she looking southeast oh yeah

375

00:19:09,880 --> 00:19:07,250

southeast of where with you were so it

376

00:19:17,710 --> 00:19:09,890

would have been in somewhere by there

377

00:19:20,919 --> 00:19:17,720

between that grids and yeah towards the

378

00:19:25,180 --> 00:19:20,929

direction of Newcastle and then from in

379

00:19:28,600 --> 00:19:25,190

that direction yeah you got a mount in

380

00:19:35,890 --> 00:19:28,610

there with too much there's quite a

381

00:19:38,530 --> 00:19:35,900

legal there isn't it yes I'm only

382

00:19:47,290 --> 00:19:38,540

looking at for the duration time forming

383

00:19:49,090 --> 00:19:47,300

four to five or six minutes five or six

384

00:19:50,740 --> 00:19:49,100

miles yeah if that because I was trying

385

00:19:51,669 --> 00:19:50,750

to figure it out but it was it's doing

386

00:19:53,169 --> 00:19:51,679

the editing because where you walk

387

00:19:55,330 --> 00:19:53,179

you're watching this big off gentleman

388

00:20:01,540 --> 00:19:55,340

how long before the red light appeared

389

00:20:03,010 --> 00:20:01,550
and maybe about three minutes

390

00:20:05,560 --> 00:20:03,020
no it's about three minutes and then

391

00:20:07,000 --> 00:20:05,570
that came in yeah I'm things started I

392

00:20:09,669 --> 00:20:07,010
think what sort of speed did that red

393

00:20:11,770 --> 00:20:09,679
mockumentaries it wasn't massively fast

394

00:20:14,669 --> 00:20:11,780
but it was fast enough to get their dead

395

00:20:16,060 --> 00:20:14,679
quick from where it came from was it

396

00:20:18,070 --> 00:20:16,070
called

397

00:20:20,890 --> 00:20:18,080
yeah what did he go over though no

398

00:20:24,520 --> 00:20:20,900
didn't go up and down it came down the

399

00:20:27,010 --> 00:20:24,530
valley just went in spit yeah that's

400

00:20:28,419 --> 00:20:27,020
quite scary so I don't know what he was

401
00:20:31,720 --> 00:20:28,429
Russian on this radio mast

402
00:20:33,620 --> 00:20:31,730
yeah we're the red lights up it yeah

403
00:20:37,460 --> 00:20:33,630
just

404
00:20:40,130 --> 00:20:37,470
yeah my heart expand but this was the

405
00:20:43,040 --> 00:20:40,140
same the same day that William William

406
00:20:44,480 --> 00:20:43,050
got married no this was on the twos this

407
00:20:47,210 --> 00:20:44,490
was on the Wednesday early hours

408
00:20:51,140 --> 00:20:47,220
Wednesday morning so it was the 27th of

409
00:20:53,600 --> 00:20:51,150
April we were going home the next day

410
00:20:56,120 --> 00:20:53,610
and then we'll young got married on the

411
00:21:00,410 --> 00:20:56,130
Friday all right so this was the

412
00:21:01,160 --> 00:21:00,420
Wednesday you said yeah boy yeah after

413
00:21:05,320 --> 00:21:01,170

2:00 in the morning

414

00:21:07,430 --> 00:21:05,330

yes he woke up cuz these sheep yeah yeah

415

00:21:10,670 --> 00:21:07,440

interest in the do you think it was a

416

00:21:12,680 --> 00:21:10,680

link between the sheep and it was doing

417

00:21:13,700 --> 00:21:12,690

something with sheep I don't know I

418

00:21:17,120 --> 00:21:13,710

haven't got a clue

419

00:21:20,660 --> 00:21:17,130

I mean then she screamed I wouldn't have

420

00:21:22,010 --> 00:21:20,670

gone another walk did he say when when

421

00:21:23,360 --> 00:21:22,020

the red light went into it that's when

422

00:21:25,460 --> 00:21:23,370

the Sheep stopped or was it when this

423

00:21:26,770 --> 00:21:25,470

the second big object went behind when

424

00:21:29,810 --> 00:21:26,780

it went behind

425

00:21:32,990 --> 00:21:29,820

he just went silent everything was just

426

00:21:37,880 --> 00:21:33,000

silent and I was liking it back down to

427

00:21:38,720 --> 00:21:37,890

the 10th seriously scaring each other

428

00:21:41,540 --> 00:21:38,730

buddy officer

429

00:21:45,020 --> 00:21:41,550

yeah I did I waited I told the family

430

00:21:49,850 --> 00:21:45,030

didn't I and I waited for a while and I

431

00:21:51,950 --> 00:21:49,860

think I contacted and the British UFO

432

00:21:54,350 --> 00:21:51,960

and they said oh yeah it happens a lot

433

00:21:58,070 --> 00:21:54,360

bad and I thought well I didn't make

434

00:22:00,700 --> 00:21:58,080

sure before up beautiful

435

00:22:04,850 --> 00:22:00,710

yes I didn't feel like that was

436

00:22:06,320 --> 00:22:04,860

answering anything no no I think know

437

00:22:08,510 --> 00:22:06,330

what you this was there's a couple years

438

00:22:12,860 --> 00:22:08,520

ago it's just absolutely laughing was it

439

00:22:14,900 --> 00:22:12,870

really that long ago it was a really it

440

00:22:17,510 --> 00:22:14,910

was a really it was a problem huh yeah I

441

00:22:21,550 --> 00:22:17,520

think it was like summer it's beautiful

442

00:22:36,620 --> 00:22:27,200

that weekend yeah it was like summer yes

443

00:22:38,360 --> 00:22:36,630

good week to go camping really right I'm

444

00:22:42,440 --> 00:22:38,370

gonna be watch the video yeah it's the

445

00:22:46,609 --> 00:22:42,450

27th of April 2008

446

00:22:49,820 --> 00:22:46,619

2:30 in the morning that's when it can't

447

00:22:51,139 --> 00:22:49,830

get more I'll spend that happen because

448

00:22:52,609 --> 00:22:51,149

it's stuck at me out but you know things

449

00:22:54,859 --> 00:22:52,619

eat it away because you cannot get

450

00:22:56,810 --> 00:22:54,869

anybody to believe you because I think

451
00:22:59,119 --> 00:22:56,820
around Twitter's when you talk about

452
00:23:02,529 --> 00:22:59,129
stuff like this people are scared and

453
00:23:05,869 --> 00:23:02,539
not knowing and they're afraid of

454
00:23:08,779 --> 00:23:05,879
finding things that they've been brought

455
00:23:11,570 --> 00:23:08,789
up not to believe in it's just a

456
00:23:14,359 --> 00:23:11,580
religion and they get they get brought

457
00:23:16,729 --> 00:23:14,369
up this suit my nothing's trash isn't it

458
00:23:18,220 --> 00:23:16,739
so you can't talk about it a lot because

459
00:23:21,859 --> 00:23:18,230
people don't want to know

460
00:23:23,539 --> 00:23:21,869
yeah and I sort of been hanging in the

461
00:23:24,979 --> 00:23:23,549
air about this for a long long time

462
00:23:32,180 --> 00:23:24,989
because of quite a few things that

463
00:23:33,889 --> 00:23:32,190

happened when Jason was when I had Jason

464

00:23:37,129 --> 00:23:33,899

he was 15 months old may have meal the

465

00:23:42,349 --> 00:23:37,139

song and I was on my own this is when

466

00:23:43,940 --> 00:23:42,359

something furnace happened to and well I

467

00:23:48,769 --> 00:23:43,950

don't know what it was that happened to

468

00:23:52,249 --> 00:23:48,779

me right I got woken up I had been the

469

00:23:56,869 --> 00:23:52,259

baby in the car yeah next to me Jason

470

00:23:59,960 --> 00:23:56,879

was in his cot in his own room and I got

471

00:24:03,619 --> 00:23:59,970

woken up it must have been half one and

472

00:24:05,269 --> 00:24:03,629

it was like a vibration and I got quite

473

00:24:08,389 --> 00:24:05,279

but didn't know what it was so I went

474

00:24:10,399 --> 00:24:08,399

through to your room and looked through

475

00:24:13,999 --> 00:24:10,409

the back window because there's a

476

00:24:16,999 --> 00:24:14,009

railway line well behind that is all

477

00:24:19,840 --> 00:24:17,009

it's just devil it blonde this isn't

478

00:24:23,899 --> 00:24:19,850

College it isn't a promise came and

479

00:24:26,330 --> 00:24:23,909

there was no trains and nothing well it

480

00:24:28,909 --> 00:24:26,340

was fibrous what picked him up and I put

481

00:24:33,529 --> 00:24:28,919

him in bed with me because I felt unsafe

482

00:24:35,389 --> 00:24:33,539

oh he was 15 months old so I can you can

483

00:24:42,940 --> 00:24:35,399

take that I can take when I was that

484

00:24:46,519 --> 00:24:42,950

that was 78 78 and it was it was about

485

00:24:49,999 --> 00:24:46,529

November 78130

486

00:24:50,790 --> 00:24:50,009

excuse me drugs the Simon was six weeks

487

00:24:53,280 --> 00:24:50,800

old and he

488

00:24:56,820 --> 00:24:53,290

so his vibration really felt this way

489

00:24:57,720 --> 00:24:56,830

yeah oh I couldn't see what it was

490

00:25:00,780 --> 00:24:57,730

couldn't hear

491

00:25:03,840 --> 00:25:00,790

I could feel what it felt like there was

492

00:25:05,700 --> 00:25:03,850

I felt energies in the house and it

493

00:25:07,350 --> 00:25:05,710

scared me so I picked him up put him in

494

00:25:09,360 --> 00:25:07,360

bed with me and I got the baby big and I

495

00:25:12,980 --> 00:25:09,370

put the baby in bed so I had the baby

496

00:25:17,550 --> 00:25:12,990

begin yeah and they are Jason like this

497

00:25:20,340 --> 00:25:17,560

and I close I can feel energies this is

498

00:25:21,780 --> 00:25:20,350

before I knew about being then path

499

00:25:24,960 --> 00:25:21,790

that's been happening if you didn't know

500

00:25:27,390 --> 00:25:24,970

didn't know didn't know what it was but

501

00:25:29,730 --> 00:25:27,400

I was I close my eyes and it felt like

502

00:25:31,800 --> 00:25:29,740

the whole there was things in the house

503

00:25:33,750 --> 00:25:31,810

and doing what it was and my heart was

504

00:25:36,630 --> 00:25:33,760

pounding and I'm scared to death

505

00:25:40,620 --> 00:25:36,640

and that only went on for about ten

506

00:25:43,830 --> 00:25:40,630

minutes and then it sort of I felt

507

00:25:46,650 --> 00:25:43,840

something above the house it was like as

508

00:25:48,630 --> 00:25:46,660

a vibration and I wouldn't go another

509

00:25:52,320 --> 00:25:48,640

look so I kept the kids in bed with me

510

00:25:54,480 --> 00:25:52,330

and this this thing that was almost been

511

00:25:56,640 --> 00:25:54,490

because it was a phrase it just went I

512

00:25:59,400 --> 00:25:56,650

don't know what it was that was the

513

00:26:03,210 --> 00:25:59,410

first thing that scared me and then

514

00:26:08,760 --> 00:26:03,220

years later I lived down the street down

515

00:26:10,170 --> 00:26:08,770

here and I went through a period of if

516

00:26:14,070 --> 00:26:10,180

I'd gone out at night to bring the

517

00:26:17,700 --> 00:26:14,080

Washington and I diss overwhelming

518

00:26:20,220 --> 00:26:17,710

feeling that there was things there I

519

00:26:22,350 --> 00:26:20,230

don't know what it was what the kid

520

00:26:24,420 --> 00:26:22,360

least some of me daughter and then would

521

00:26:26,580 --> 00:26:24,430

you come out with me get the Washington

522

00:26:30,390 --> 00:26:26,590

going but it was there all the time and

523

00:26:32,970 --> 00:26:30,400

then one day when one night and meal

524

00:26:34,980 --> 00:26:32,980

spoon come home after darts it was

525

00:26:38,610 --> 00:26:34,990

Wednesday night it's quarter past 11

526

00:26:39,870 --> 00:26:38,620

I've stayed or and he came in he said

527

00:26:43,380 --> 00:26:39,880

you better come out here and have a look

528

00:26:44,580 --> 00:26:43,390

at this I said what you said just go out

529

00:26:46,380 --> 00:26:44,590

to you and have a look at there's no

530

00:26:49,800 --> 00:26:46,390

sort of guy he doesn't believe in

531

00:26:51,240 --> 00:26:49,810

anything you see something you'll pull

532

00:26:55,950 --> 00:26:51,250

it out of his mind is he scared

533

00:26:56,790 --> 00:26:55,960

yeah so and I slaughtered in the street

534

00:26:59,310 --> 00:26:56,800

with him at the gate

535

00:27:02,139 --> 00:26:59,320

freezing cold walking up and down the

536

00:27:04,959 --> 00:27:02,149

streets going mad

537

00:27:10,959 --> 00:27:04,969

he said look up and looked up and there

538

00:27:17,139 --> 00:27:10,969

was a big giant black triangle in the

539

00:27:17,949 --> 00:27:17,149

sky and it must have been 84 top it was

540

00:27:20,019 --> 00:27:17,959

huge

541

00:27:20,909 --> 00:27:20,029

bigger than the football field it was

542

00:27:27,159 --> 00:27:20,919

massive

543

00:27:32,079 --> 00:27:27,169

there was three very dimly lit lights on

544

00:27:36,879 --> 00:27:32,089

each corner and an even like him like I

545

00:27:37,569 --> 00:27:36,889

know an Onix call it in the middle notes

546

00:27:39,279 --> 00:27:37,579

onyx

547

00:27:42,099 --> 00:27:39,289

like a gnarly phonics color like an

548

00:27:45,389 --> 00:27:42,109

orange a very very old pup if you want

549

00:27:49,089 --> 00:27:45,399

very very very dull light in the middle

550

00:27:51,309 --> 00:27:49,099

never made no noise there was no noise

551
00:27:57,459 --> 00:27:51,319
whatsoever just like in the middle was

552
00:27:59,829 --> 00:27:57,469
it no no it is a small no it was the

553
00:28:01,209 --> 00:27:59,839
same as yours no it wasn't the same as

554
00:28:04,809 --> 00:28:01,219
the others it was a bit bigger to think

555
00:28:07,329 --> 00:28:04,819
and but I stopped downward oh my god

556
00:28:09,579 --> 00:28:07,339
what's that and he said what it was

557
00:28:12,639 --> 00:28:09,589
by the next day you denied seeing it

558
00:28:15,009 --> 00:28:12,649
right but this thing floats it there was

559
00:28:16,449 --> 00:28:15,019
no vibration it just floated and I

560
00:28:18,519 --> 00:28:16,459
thought oh I said to him do you think

561
00:28:22,059 --> 00:28:18,529
its own and a hair balloon was something

562
00:28:24,549 --> 00:28:22,069
it wasn't and it floated up to the top

563
00:28:28,149 --> 00:28:24,559

over there went to the top of the field

564

00:28:30,549 --> 00:28:28,159

and then it's sort of tuned very slowly

565

00:28:33,849 --> 00:28:30,559

Kenny when both gone versus to the

566

00:28:37,329 --> 00:28:33,859

southwest of course be yeah I mean when

567

00:28:38,829 --> 00:28:37,339

so I roll into their bedroom which way

568

00:28:41,589 --> 00:28:38,839

did it go it went to the end of the

569

00:28:43,569 --> 00:28:41,599

peninsula again so across the deep yeah

570

00:28:46,199 --> 00:28:43,579

so I went in their bedroom because it

571

00:28:49,479 --> 00:28:46,209

was facing that way to try and see it

572

00:28:58,359 --> 00:28:49,489

and I did see it and then it just went

573

00:29:00,339 --> 00:28:58,369

that way fast like oh yeah so and but my

574

00:29:03,129 --> 00:29:00,349

ex I mean ask you what date this was

575

00:29:05,709 --> 00:29:03,139

that I got I'm a big thing today right

576

00:29:09,459 --> 00:29:05,719

it's like I brought some tryouts of

577

00:29:13,790 --> 00:29:09,469

things come out there again and it was

578

00:29:18,780 --> 00:29:16,770

have you know you stole know not even

579

00:29:21,330 --> 00:29:18,790

know have more nothing you're flashing

580

00:29:24,960 --> 00:29:21,340

what's on it know if you look in this

581

00:29:26,220 --> 00:29:24,970

map here that's where you live in Queens

582

00:29:27,600 --> 00:29:26,230

open you yeah

583

00:29:31,050 --> 00:29:27,610

there's the school as a school field

584

00:29:34,560 --> 00:29:31,060

here okay yeah so he put it the oven

585

00:29:37,800 --> 00:29:34,570

sees it that way and we are just over

586

00:29:41,130 --> 00:29:37,810

here yeah I just got that on camera no

587

00:29:43,830 --> 00:29:41,140

we are just here this is where we used

588

00:29:45,840 --> 00:29:43,840

to live Union here's the school this is

589

00:29:49,920 --> 00:29:45,850

the school field yeah she was floated

590

00:30:00,420 --> 00:29:49,930

from here say here yeah and then he shot

591

00:30:03,060 --> 00:30:00,430

that way I realize I knew what I was

592

00:30:07,200 --> 00:30:03,070

saying then I did know what that was

593

00:30:17,130 --> 00:30:07,210

Jason starts with you no no no it's me

594

00:30:18,450 --> 00:30:17,140

tall just when you say he denied seeing

595

00:30:21,690 --> 00:30:18,460

it did he actually believe that he

596

00:30:23,730 --> 00:30:21,700

didn't see it or was he just saying well

597

00:30:28,230 --> 00:30:23,740

that's why he doesn't like anything

598

00:30:30,750 --> 00:30:28,240

paranormal and to be generally what I

599

00:30:32,700 --> 00:30:30,760

mean is did he genuinely not remember it

600

00:30:39,000 --> 00:30:32,710

or will he just do you think he was just

601
00:30:41,670 --> 00:30:39,010
saying he was right so he was denying it

602
00:30:43,970 --> 00:30:41,680
yes yeah and yet he got me to come

603
00:30:46,650 --> 00:30:43,980
outside so I followed creamer

604
00:30:48,270 --> 00:30:46,660
we're only one case you take on thing

605
00:30:53,340 --> 00:30:48,280
you know where that piss with the

606
00:31:01,710 --> 00:30:53,350
witnesses I forgot about generally

607
00:31:03,660 --> 00:31:01,720
forgot yeah yeah didn't want anybody to

608
00:31:05,520 --> 00:31:03,670
know we'd seen it because he didn't want

609
00:31:07,080 --> 00:31:05,530
the embarrassment right that's what it

610
00:31:09,090 --> 00:31:07,090
that's a vibe that at least in the

611
00:31:11,610 --> 00:31:09,100
Israel his chance and be about their

612
00:31:13,950 --> 00:31:11,620
psyche their father saw exactly what

613
00:31:16,200 --> 00:31:13,960

they saw but he just flat-out denying

614

00:31:18,240 --> 00:31:16,210

the sword yeah the day after

615

00:31:20,130 --> 00:31:18,250

no didn't see it yeah because he did

616

00:31:21,350 --> 00:31:20,140

what

617

00:31:23,899 --> 00:31:21,360

[Music]

618

00:31:28,659 --> 00:31:23,909

of the stigma or being laughed at

619

00:31:31,399 --> 00:31:28,669

because east it's what he saw exactly do

620

00:31:33,649 --> 00:31:31,409

just like a flat fight the more profound

621

00:31:34,220 --> 00:31:33,659

the experience the more people will try

622

00:31:38,269 --> 00:31:34,230

and deny it

623

00:31:50,239 --> 00:31:38,279

yeah yeah some people just can't accept

624

00:31:53,599 --> 00:31:50,249

like well it's a disposal yeah it's

625

00:31:55,460 --> 00:31:53,609

always a materiality exactly what I've

626

00:31:58,970 --> 00:31:55,470

been brought up with really isn't it

627

00:32:04,190 --> 00:31:58,980

and then when was a lot I see while in

628

00:32:08,359 --> 00:32:04,200

April that's good yeah and I was with

629

00:32:15,169 --> 00:32:08,369

two friends right and we were in heart

630

00:32:16,970 --> 00:32:15,179

and um we were taking her sister home so

631

00:32:21,080 --> 00:32:16,980

we come out of heart and turned left and

632

00:32:23,389 --> 00:32:21,090

went towards wrong and you go down and

633

00:32:26,090 --> 00:32:23,399

then you can cut through the lane to

634

00:32:29,440 --> 00:32:26,100

Sandy Croft that's where and a sister

635

00:32:32,239 --> 00:32:29,450

lived so as we were coming into the lane

636

00:32:32,899 --> 00:32:32,249

this sister said oh my god what's up

637

00:32:38,029 --> 00:32:32,909

there

638

00:32:40,159 --> 00:32:38,039

and we stopped on me lots of my friends

639

00:32:41,629 --> 00:32:40,169

at CUA folks was it might get down the

640

00:32:44,210 --> 00:32:41,639

lane oh [h__\h]

641

00:32:49,190 --> 00:32:44,220

we went down the lane and we chased it

642

00:32:51,590 --> 00:32:49,200

down and it was it was triangle and it

643

00:32:55,149 --> 00:32:51,600

was moving extremely slowly but it was

644

00:32:58,340 --> 00:32:55,159

on an angle like that extremely slowly

645

00:33:00,019 --> 00:32:58,350

so a sister got a bit scared we took her

646

00:33:02,960 --> 00:33:00,029

home dropped it off me won't know we

647

00:33:06,259 --> 00:33:02,970

chased it and we went down on to the

648

00:33:08,659 --> 00:33:06,269

industrial state down there and then it

649

00:33:11,169 --> 00:33:08,669

just didn't roblem no this is now in

650

00:33:16,239 --> 00:33:11,179

Sandy Croft right down from Harden and

651
00:33:18,830 --> 00:33:16,249
we chased it down and we just watched it

652
00:33:29,989 --> 00:33:18,840
going very slowly at the back end of

653
00:33:31,560 --> 00:33:29,999
airspace now I was talking to Saudi I

654
00:33:34,889 --> 00:33:31,570
know

655
00:33:37,619 --> 00:33:34,899
this lady and she was saying and I

656
00:33:41,340 --> 00:33:37,629
talked about this experience now she

657
00:33:43,950 --> 00:33:41,350
lives down in Broughton and salty she

658
00:33:46,289 --> 00:33:43,960
lives down there area chitlin she said

659
00:33:49,129 --> 00:33:46,299
you need to tell somebody about this she

660
00:33:51,719 --> 00:33:49,139
said because they've had that many

661
00:33:54,659 --> 00:33:51,729
people following up and there's been

662
00:33:58,349 --> 00:33:54,669
witnesses to different these triangles

663
00:34:00,119 --> 00:33:58,359

all around outer space and this it's

664

00:34:04,909 --> 00:34:00,129

getting more and more like you look they

665

00:34:11,369 --> 00:34:07,229

quite soon you should say that because

666

00:34:14,940 --> 00:34:11,379

I'm pretty sure we had some new contact

667

00:34:20,089 --> 00:34:14,950

with this it could be lethal March April

668

00:34:22,589 --> 00:34:20,099

about a triangle but they do they're

669

00:34:24,770 --> 00:34:22,599

from North Wales I can't know we're from

670

00:34:28,379 --> 00:34:24,780

North Wales but it was quite close to

671

00:34:34,680 --> 00:34:28,389

you know like Kerry guy Rose so

672

00:34:37,049 --> 00:34:34,690

available party started and I chanted

673

00:34:39,089 --> 00:34:37,059

it's only after one of them realize it

674

00:34:41,609 --> 00:34:39,099

was like a teenage girl

675

00:34:43,289 --> 00:34:41,619

she said oh I saw it with my mum I'd

676

00:34:46,680 --> 00:34:43,299

really no doubt that it was definitely

677

00:34:48,349 --> 00:34:46,690

of trying she described it as you know

678

00:34:50,159 --> 00:34:48,359

what a classic triangle looks like yeah

679

00:34:52,619 --> 00:34:50,169

actually ask me a present

680

00:34:57,809 --> 00:34:52,629

but like any other sightings and I said

681

00:35:00,450 --> 00:34:57,819

no so I had to look around to see if I

682

00:35:01,859 --> 00:35:00,460

could see any other side okay but so

683

00:35:06,900 --> 00:35:01,869

it's interesting you should to say it

684

00:35:08,880 --> 00:35:06,910

was not on the site embossed yeah but

685

00:35:11,549 --> 00:35:08,890

yeah it's interesting that you said that

686

00:35:15,109 --> 00:35:11,559

he saw anybody April so we don't you can

687

00:35:17,609 --> 00:35:15,119

come up back on yes I saw photographs

688

00:35:19,559 --> 00:35:17,619

what they were medical could be moving

689

00:35:21,690 --> 00:35:19,569

in the car so you've got a lot of the

690

00:35:25,500 --> 00:35:21,700

street lights yeah you know you get that

691

00:35:30,359 --> 00:35:25,510

dragged on the light yeah but you can

692

00:35:32,460 --> 00:35:30,369

see on one of it this light on it but

693

00:35:35,700 --> 00:35:32,470

you can't make it out properly on on the

694

00:35:39,420 --> 00:35:35,710

actual photograph I know what it is my

695

00:35:41,460 --> 00:35:39,430

friend knows well yeah one day what we

696

00:35:44,710 --> 00:35:41,470

earn because last year just on the close

697

00:35:46,660 --> 00:35:44,720

to it where guys start going for

698

00:35:48,630 --> 00:35:46,670

on the other side of a foggy something

699

00:35:50,860 --> 00:35:48,640

and he filmed it for ten minutes

700

00:35:52,780 --> 00:35:50,870

dying me show you what that was in the

701
00:35:53,320 --> 00:35:52,790
papers nothing around here you filled up

702
00:35:55,630 --> 00:35:53,330
for seven minutes

703
00:35:58,090 --> 00:35:55,640
Thank You say one gets a little bit

704
00:36:01,030 --> 00:35:58,100
tapered daily post daily post no yeah

705
00:36:02,800 --> 00:36:01,040
yeah a really good for publishing yeah

706
00:36:04,990 --> 00:36:02,810
it was definitely deftly done the coach

707
00:36:08,890 --> 00:36:05,000
the area's been left to lose lots of

708
00:36:10,570 --> 00:36:08,900
last year if I had died mutate what he

709
00:36:11,830 --> 00:36:10,580
was definitely dying me [h__\h] I hear the

710
00:36:13,990 --> 00:36:11,840
guys took a couple stops really film

711
00:36:15,700 --> 00:36:14,000
that but he was there about ten minutes

712
00:36:18,780 --> 00:36:15,710
my ramen you ask that

713
00:36:21,370 --> 00:36:18,790

what's a minute ago last year yeah

714

00:36:24,520 --> 00:36:21,380

around that side we filmed if bus

715

00:36:26,710 --> 00:36:24,530

terminus missed I agree she ate one it's

716

00:36:28,150 --> 00:36:26,720

just something I think that up in a

717

00:36:30,790 --> 00:36:28,160

couple days and the Rochus or people

718

00:36:32,950 --> 00:36:30,800

have seen it a few days just hoping

719

00:36:40,780 --> 00:36:32,960

around the same area or close up but we

720

00:36:43,960 --> 00:36:40,790

are in Swansea people always think no

721

00:36:45,820 --> 00:36:43,970

place I mean everywhere yeah this seems

722

00:36:48,520 --> 00:36:45,830

to be really busy place as well it's no

723

00:36:53,950 --> 00:36:48,530

a moody basis yeah yeah they used to be

724

00:36:55,690 --> 00:36:53,960

an Oreo Zealand yes it's still used but

725

00:36:58,860 --> 00:36:55,700

I think it is a lot of money shut don't

726

00:37:01,330 --> 00:36:58,870

know and do a lot of the army training

727

00:37:04,150 --> 00:37:01,340

it's not Nana cos it you know on the den

728

00:37:06,460 --> 00:37:04,160

be rolled yeah it's an army training

729

00:37:08,770 --> 00:37:06,470

base up that it's not base but it's a

730

00:37:10,240 --> 00:37:08,780

training area so lots of apples up there

731

00:37:12,250 --> 00:37:10,250

as well like see a lot guys probably

732

00:37:16,150 --> 00:37:12,260

shooting them falling off the hillock

733

00:37:18,400 --> 00:37:16,160

loser obviously RAF Ali you can have

734

00:37:20,230 --> 00:37:18,410

smaller places I want to see your dad in

735

00:37:26,650 --> 00:37:20,240

the ground up this is just outside these

736

00:37:29,020 --> 00:37:26,660

in value self the ice see I've seen

737

00:37:32,830 --> 00:37:29,030

quite a few things nothing too

738

00:37:34,540 --> 00:37:32,840

extravagant like I mean no I was living

739

00:37:36,460 --> 00:37:34,550

Holly when I was 16

740

00:37:38,350 --> 00:37:36,470

it's one my most profound moments her

741

00:37:40,120 --> 00:37:38,360

lungs to me we were walking back off

742

00:37:42,220 --> 00:37:40,130

myself to the immunity in the summer as

743

00:37:44,080 --> 00:37:42,230

well and where we where you could look

744

00:37:45,460 --> 00:37:44,090

over Flint mountain so feel hollow now

745

00:37:48,400 --> 00:37:45,470

you can look all these you're awfully

746

00:37:49,930 --> 00:37:48,410

moment I see the dish because we because

747

00:37:52,870 --> 00:37:49,940

a link at the site what he remembers us

748

00:37:54,970 --> 00:37:52,880

it's my house he can sell his desk she

749

00:37:56,290 --> 00:37:54,980

was completely flat but was going across

750

00:37:58,160 --> 00:37:56,300

20 you can sell it was all but Flynn

751

00:38:02,110 --> 00:37:58,170

mountains it was not far away

752

00:38:05,420 --> 00:38:02,120

was his head in the direction of mold

753

00:38:08,150 --> 00:38:05,430

now around so I was living inside and I

754

00:38:10,460 --> 00:38:08,160

wrote my mates meal you actually visible

755

00:38:12,350 --> 00:38:10,470

I said may you never guess what I just

756

00:38:14,510 --> 00:38:12,360

seen you know guess what I was a scene

757

00:38:17,630 --> 00:38:14,520

it was I've seen this this coming over

758

00:38:18,950 --> 00:38:17,640

but had nuts was there what the hell is

759

00:38:20,540 --> 00:38:18,960

optimal towards equality in the health

760

00:38:23,000 --> 00:38:20,550

of our way just sitting there sixteen

761

00:38:24,650 --> 00:38:23,010

exactly the same came with me yeah it's

762

00:38:26,420 --> 00:38:24,660

a minister part of its eminence my voice

763

00:38:27,950 --> 00:38:26,430

as well as limit I said that actually

764

00:38:30,620 --> 00:38:27,960

was called and I won't get met to see

765

00:38:32,450 --> 00:38:30,630

this after see exactly the same thing

766

00:38:33,670 --> 00:38:32,460

they told me you describe the same

767

00:38:36,770 --> 00:38:33,680

colored outfit

768

00:38:39,530 --> 00:38:36,780

this was literally caught 26 years ago

769

00:38:41,180 --> 00:38:39,540

I was 16 for him I was about written

770

00:38:44,720 --> 00:38:41,190

Neil said yeah I've seen is like the

771

00:38:47,720 --> 00:38:44,730

same thing just see a corner well do you

772

00:38:57,260 --> 00:38:47,730

be 1993 something that something like

773

00:38:58,910 --> 00:38:57,270

that and do you know that I was

774

00:39:07,160 --> 00:38:58,920

definitely don't feel I was I was you I

775

00:39:09,230 --> 00:39:07,170

wasn't anything and if we had one but

776

00:39:09,680 --> 00:39:09,240

I've been in like mini place about two

777

00:39:13,130 --> 00:39:09,690

years now

778

00:39:14,510 --> 00:39:13,140

soon after the first year was yeah

779

00:39:16,340 --> 00:39:14,520

obviously means a place kind of things

780

00:39:17,870 --> 00:39:16,350

so I said you loved playing that Canadia

781

00:39:19,090 --> 00:39:17,880

pain anyway I was getting on my

782

00:39:21,530 --> 00:39:19,100

neighbor's all right

783

00:39:24,620 --> 00:39:21,540

back doors offing some pain and washing

784

00:39:27,170 --> 00:39:24,630

a me some super JS JS prior quit crying

785

00:39:29,720 --> 00:39:27,180

a quick he's always in the back come on

786

00:39:31,730 --> 00:39:29,730

sy and he goes look alright only thing I

787

00:39:32,540 --> 00:39:31,740

could see there's this red light and it

788

00:39:35,630 --> 00:39:32,550

was zip

789

00:39:38,270 --> 00:39:35,640

Bartman stopped he was just a little bit

790

00:39:41,660 --> 00:39:38,280

I only just time I wrote it yeah right

791

00:39:43,670 --> 00:39:41,670

sorry it's not my left he went from

792

00:39:45,230 --> 00:39:43,680

right to left and stopped it was quite

793

00:39:47,540 --> 00:39:45,240

big bright red white I've ever seen

794

00:39:50,690 --> 00:39:47,550

anything left and his spot escape yeah

795

00:39:53,960 --> 00:39:50,700

honey and it stopped

796

00:39:56,900 --> 00:39:53,970

Olivia few seconds back the way he came

797

00:40:01,970 --> 00:39:56,910

now this song thought wasn't a Joel no

798

00:40:04,070 --> 00:40:01,980

even the white was too big the inertia

799

00:40:06,770 --> 00:40:04,080

and a drum going out faster there's

800

00:40:09,020 --> 00:40:06,780

knocking over a plague jobs and what guy

801

00:40:11,870 --> 00:40:09,030

just as the racing drones are the goal

802

00:40:13,970 --> 00:40:11,880

it's come from that and stopped that the

803

00:40:17,390 --> 00:40:13,980

speed was going from there

804

00:40:20,360 --> 00:40:17,400

puggy stopped from that to that and it

805

00:40:24,080 --> 00:40:20,370

shut down this way white lightning

806

00:40:26,480 --> 00:40:24,090

go bow bow history

807

00:40:27,800 --> 00:40:26,490

look more use remove the water bound the

808

00:40:29,960 --> 00:40:27,810

coach but it wasn't that fast it

809

00:40:32,960 --> 00:40:29,970

disappeared in second life so he

810

00:40:38,870 --> 00:40:32,970

remembers that this was you know two

811

00:40:41,090 --> 00:40:38,880

years ago it 2017 yeah but each CD it's

812

00:40:43,220 --> 00:40:41,100

why he showed me but he'd seen it but

813

00:40:47,210 --> 00:40:43,230

you've watched it do a couple more

814

00:40:48,560 --> 00:40:47,220

movies before he shot me yeah because

815

00:40:49,760 --> 00:40:48,570

I've just watched it come from there it

816

00:40:52,100 --> 00:40:49,770

stopped firing

817

00:40:54,890 --> 00:40:52,110

stop there BAM boots that button to that

818

00:40:57,560 --> 00:40:54,900

bank to that and gone when I see it I

819

00:41:00,650 --> 00:40:57,570

don't know something might in the core

820

00:41:04,580 --> 00:41:00,660

of it was my backhoe but why you might

821

00:41:07,400 --> 00:41:04,590

as a white right there look all I've

822

00:41:09,380 --> 00:41:07,410

ever bright yeah right you think I've

823

00:41:13,820 --> 00:41:09,390

seen wasn't John Jones don't go that

824

00:41:17,000 --> 00:41:13,830

fast John's time I saw the ocean we stop

825

00:41:20,180 --> 00:41:17,010

they just flip all that he's full of it

826

00:41:25,220 --> 00:41:20,190

was just ridiculous how fast nothing new

827

00:41:28,970 --> 00:41:25,230

and believe it full stop move full stop

828

00:41:30,800 --> 00:41:28,980

move no and I mean even Rockets it down

829

00:41:31,930 --> 00:41:30,810

that couple seconds couldn't you see in

830

00:41:34,880 --> 00:41:31,940

the world

831

00:41:36,710 --> 00:41:34,890

it wasn't like he was he was quite upset

832

00:41:39,200 --> 00:41:36,720

about Bob hundred fifty something me

833

00:41:41,210 --> 00:41:39,210

look but it's the speed it went down

834

00:41:45,370 --> 00:41:41,220

there he must have gone found the coast

835

00:41:49,280 --> 00:41:45,380

in seconds gone that fast

836

00:41:51,980 --> 00:41:49,290

nothing times that fasted it definitely

837

00:41:53,570 --> 00:41:51,990

no elected sir w bite sergeant that's

838

00:41:55,130 --> 00:41:53,580

her o'clock yeah nothing troubles are

839

00:42:05,770 --> 00:41:55,140

faster nor fish that was our first

840

00:42:12,580 --> 00:42:05,780

lady's a helicopter hates anybody people

841

00:42:20,270 --> 00:42:15,440

so yeah the other thing we spotted

842

00:42:20,280 --> 00:43:42,800

yeah yeah yeah they're just beautiful

843

00:43:42,810 --> 00:44:20,150

the similarity with other objects yeah

844

00:44:20,160 --> 00:45:43,580

so I think you know it's not yeah yeah I

845

00:45:55,950 --> 00:45:50,870

visit business it's quite a case but I

846

00:45:58,110 --> 00:45:55,960

looked into it he was in France or a

847

00:45:59,940 --> 00:45:58,120

vote right you see realized in the

848

00:46:01,080 --> 00:45:59,950

newspaper at the time as well I remember

849

00:46:03,570 --> 00:46:01,090

hearing something I can't remember

850

00:46:05,490 --> 00:46:03,580

exactly what it was about I mean you

851
00:46:07,260 --> 00:46:05,500
know you can go on on websites and look

852
00:46:10,560 --> 00:46:07,270
at forms and I mean they've seen and

853
00:46:13,610 --> 00:46:10,570
will get new love and on the bypass in

854
00:46:15,990 --> 00:46:13,620
the fog what that was it's the lights

855
00:46:17,910 --> 00:46:16,000
because we took a picture of it and

856
00:46:20,670 --> 00:46:17,920
they're trying to say that it was a UFO

857
00:46:22,220 --> 00:46:20,680
it wasn't it's the lights but both of

858
00:46:23,990 --> 00:46:22,230
them provide paths

859
00:46:26,930 --> 00:46:24,000
there's a shape like that and it was

860
00:46:28,790 --> 00:46:26,940
probably so you know things like yeah

861
00:46:31,910 --> 00:46:28,800
yeah it's good not to just jump into
