

1  
00:00:14,549 --> 00:00:09,930  
by today's Thursday the 18th of October

2  
00:00:17,850 --> 00:00:14,559  
2018 and we come down to the Masons Arms

3  
00:00:19,590 --> 00:00:17,860  
in Manali in Swansea to do an interview

4  
00:00:22,650 --> 00:00:19,600  
the gentleman who had a strange sighting

5  
00:00:24,600 --> 00:00:22,660  
some time ago my name's Steve truce and

6  
00:00:27,240 --> 00:00:24,610  
Swansea UFO network and I'm accompanied

7  
00:00:30,090 --> 00:00:27,250  
by co-founders Henry Williams and Mike

8  
00:00:32,660 --> 00:00:30,100  
maunder so we've come to have a chat

9  
00:00:35,850 --> 00:00:32,670  
with a gentleman called mr. Neil Vaughn

10  
00:00:40,200 --> 00:00:35,860  
so Neil if you'd like to come down tell

11  
00:00:43,080 --> 00:00:40,210  
us a little bit about it great can you

12  
00:00:45,810 --> 00:00:43,090  
start by telling us a time and where you

13  
00:00:48,600 --> 00:00:45,820

were okay I was in the Masons Arms in

14

00:00:52,319 --> 00:00:48,610

when our life on the 13th of September

15

00:00:55,650 --> 00:00:52,329

1995 I had just returned from visiting

16

00:00:59,639 --> 00:00:55,660

my mum in Swansea pray to the death of

17

00:01:02,100 --> 00:00:59,649

my uncle and she'd been quite upset so I

18

00:01:03,780 --> 00:01:02,110

decided on the way home to stop off at

19

00:01:05,639 --> 00:01:03,790

the pub and have a couple of drinks I

20

00:01:07,830 --> 00:01:05,649

wouldn't have normally drunk in the

21

00:01:09,630 --> 00:01:07,840

Masons I went out the car because I

22

00:01:11,430 --> 00:01:09,640

things to catch the Passover as it was

23

00:01:13,050 --> 00:01:11,440

living English lightning but on this

24

00:01:15,330 --> 00:01:13,060

particular evening I thought I'll just

25

00:01:18,210 --> 00:01:15,340

have a couple and I'll get back home to

26  
00:01:21,450 --> 00:01:18,220  
my no ex-partner alley and be in a good

27  
00:01:25,350 --> 00:01:21,460  
box so I sat in the language bar which

28  
00:01:27,890 --> 00:01:25,360  
is just situated to my left until just

29  
00:01:31,289 --> 00:01:27,900  
before 10 o'clock I had two pints and

30  
00:01:33,719 --> 00:01:31,299  
left the building to move to my car

31  
00:01:35,100 --> 00:01:33,729  
which is parked where it is now on my

32  
00:01:39,990 --> 00:01:35,110  
right-hand side to the bottom end of the

33  
00:01:43,580 --> 00:01:40,000  
carpark and my next recollection was

34  
00:01:46,050 --> 00:01:43,590  
arriving home in Park Road in co-sign on

35  
00:01:48,539 --> 00:01:46,060  
getting up to the car or police and

36  
00:01:50,070 --> 00:01:48,549  
myself thinking that my partner be happy

37  
00:01:54,510 --> 00:01:50,080  
with me cos I came home early for once

38  
00:01:56,280 --> 00:01:54,520

and an opening the door she said to me

39

00:01:58,140 --> 00:01:56,290

and where the hell do you think you've

40

00:01:59,820 --> 00:01:58,150

been to less time a night I don't give a

41

00:02:01,830 --> 00:01:59,830

monkey's if you shark in the round but

42

00:02:03,359 --> 00:02:01,840

just at least have the courtesy to give

43

00:02:07,020 --> 00:02:03,369

me a ring and let me know you'd be home

44

00:02:09,149 --> 00:02:07,030

late I said it's not late left it's just

45

00:02:11,970 --> 00:02:09,159

gone tempers 10 look there's my watch

46

00:02:15,510 --> 00:02:11,980

and my watch said just between 10 past

47

00:02:18,660 --> 00:02:15,520

and past 10:00 she said no it's not this

48

00:02:20,220 --> 00:02:18,670

mine it's ten to one now she played

49

00:02:22,770 --> 00:02:20,230

games with me before with

50

00:02:24,660 --> 00:02:22,780

clocks and times hmm put them all on

51  
00:02:26,880 --> 00:02:24,670  
them back so I thought she was just

52  
00:02:28,470 --> 00:02:26,890  
mocking me about so I went in the living

53  
00:02:31,110 --> 00:02:28,480  
room and sure enough the clock they said

54  
00:02:35,699 --> 00:02:31,120  
ten to one but to make sure I put on the

55  
00:02:38,520 --> 00:02:35,709  
TV and but BBC see facts on and yeah

56  
00:02:41,490 --> 00:02:38,530  
sure as sure as I'm standing here at the

57  
00:02:45,210 --> 00:02:41,500  
time was twelve fifty we'll just go on

58  
00:02:50,339 --> 00:02:45,220  
12:51 cell 52 I don't remember anything

59  
00:02:53,400 --> 00:02:50,349  
from ten o'clock until twelve fifty when

60  
00:02:56,670 --> 00:02:53,410  
I arrived home absolutely no idea

61  
00:02:59,780 --> 00:02:56,680  
I told by my partner she didn't believe

62  
00:03:02,460 --> 00:02:59,790  
me I didn't know what to think

63  
00:03:07,500 --> 00:03:02,470

you know where's where's my life I was

64

00:03:13,339 --> 00:03:07,510

gone then the following day no that

65

00:03:16,319 --> 00:03:13,349

would have been 17th but an article

66

00:03:19,500 --> 00:03:16,329

which I believe super on having a

67

00:03:22,710 --> 00:03:19,510

possession the Satan had been made by

68

00:03:25,949 --> 00:03:22,720

two witnesses of a UFO hovering over

69

00:03:28,020 --> 00:03:25,959

when all is rugby club which if you pan

70

00:03:36,990 --> 00:03:28,030

your camera you will see the red be

71

00:03:42,750 --> 00:03:37,000

ground is directly many years later

72

00:03:52,620 --> 00:03:42,760

after we think in the work I firmly

73

00:03:54,569 --> 00:03:52,630

believe that I was impacted yeah that's

74

00:03:56,819 --> 00:03:54,579

like crashing in the day he was actually

75

00:03:58,680 --> 00:03:56,829

two two days after the three days after

76

00:04:00,210 --> 00:03:58,690

was it was the focus is that it's just

77

00:04:02,400 --> 00:04:00,220

Friday the 15th of September and even

78

00:04:04,800 --> 00:04:02,410

imposed lives in the post right if so

79

00:04:05,550 --> 00:04:04,810

your missing time occurred on the night

80

00:04:07,949 --> 00:04:05,560

of Wednesday

81

00:04:15,229 --> 00:04:07,959

well mr. Dean that's correct which is

82

00:04:20,310 --> 00:04:18,270

sighting happened on Swansea above

83

00:04:22,290 --> 00:04:20,320

Swansea woods where we are now around

84

00:04:24,020 --> 00:04:22,300

10:00 p.m. and Wednesday which is fits

85

00:04:26,790 --> 00:04:24,030

in exactly with the Ole Miss and time

86

00:04:29,580 --> 00:04:26,800

and basically they what this described

87

00:04:33,120 --> 00:04:29,590

was a pulsating giant transparent and

88

00:04:33,659 --> 00:04:33,130

jellyfish which is didn't to to teach

89

00:04:35,640 --> 00:04:33,669

them what

90

00:04:38,809 --> 00:04:35,650

but they thought they strike me when he

91

00:04:42,209 --> 00:04:38,819

look like one that's I didn't see it

92

00:04:48,989 --> 00:04:42,219

yeah we don't remember seeing it I don't

93

00:04:54,480 --> 00:04:50,279

journey home how long does it normally

94

00:04:58,860 --> 00:04:54,490

take maybe said you live in cosine then

95

00:05:04,769 --> 00:04:58,870

the time is right by the th ten minute

96

00:05:10,140 --> 00:05:04,779

drive yeah so okay so we will have a

97

00:05:11,700 --> 00:05:10,150

word with your current wife who's got

98

00:05:13,140 --> 00:05:11,710

some in públicas back in February this

99

00:05:13,679 --> 00:05:13,150

year you had some memories coming back

100

00:05:15,839 --> 00:05:13,689

India

101  
00:05:28,909 --> 00:05:15,849  
I did okay so we know we're gonna have a

102  
00:05:33,260 --> 00:05:31,219  
when you got home and I understand that

103  
00:05:35,360 --> 00:05:33,270  
the pop your partner were you were then

104  
00:05:37,429 --> 00:05:35,370  
you're no longer with her spike this is

105  
00:05:40,399 --> 00:05:37,439  
you present wife Donna that's right hey

106  
00:05:43,100 --> 00:05:40,409  
come to you in a minute but so so you

107  
00:05:45,890 --> 00:05:43,110  
left the pub and you you got home and

108  
00:05:47,899 --> 00:05:45,900  
what did you partners say where you read

109  
00:05:50,510 --> 00:05:47,909  
to this ten minute what time was it

110  
00:05:51,249 --> 00:05:50,520  
ten to one woods and he left the pub at

111  
00:05:57,080 --> 00:05:51,259  
ten o'clock

112  
00:05:59,300 --> 00:05:57,090  
do you remember driving back I need to

113  
00:06:01,249 --> 00:05:59,310

tell you my didn't remember did you

114

00:06:02,899 --> 00:06:01,259

think I knew the journey well until you

115

00:06:04,969 --> 00:06:02,909

watch any sittings ten minutes past

116

00:06:06,860 --> 00:06:04,979

10:00 yeah but he was actually ten to

117

00:06:09,649 --> 00:06:06,870

one you know my watch said 10 past 10

118

00:06:11,089 --> 00:06:09,659

tell ya how much misses the actual time

119

00:06:16,670 --> 00:06:11,099

was ten to one hunt

120

00:06:32,779 --> 00:06:16,680

Susan was your first recollection yes

121

00:06:35,119 --> 00:06:32,789

like a girlfriend or just did she wonder

122

00:06:36,829 --> 00:06:35,129

where you'd been outside you say where

123

00:06:40,550 --> 00:06:36,839

she went what have been up to and I said

124

00:06:43,519 --> 00:06:40,560

I've been up to anything and I just let

125

00:06:45,170 --> 00:06:43,529

me know if you're gonna relay it which

126

00:06:47,029 --> 00:06:45,180

was surprising in itself because their

127

00:06:48,950 --> 00:06:47,039

normal attitude was as long as you're

128

00:06:53,510 --> 00:06:48,960

moving and I don't care what you do it

129

00:06:55,100 --> 00:06:53,520

that's the way she decided to go off on

130

00:06:59,480 --> 00:06:55,110

one than this predict of the night - I

131

00:07:00,920 --> 00:06:59,490

don't know she said it's not what time

132

00:07:02,749 --> 00:07:00,930

do you normally get home then from the

133

00:07:04,579 --> 00:07:02,759

pub where it was at the state's knocked

134

00:07:07,640 --> 00:07:04,589

up I think in these days wasn't it

135

00:07:09,379 --> 00:07:07,650

wasn't every it right but I think you

136

00:07:12,409 --> 00:07:09,389

determine if either you did leave at 10

137

00:07:14,029 --> 00:07:12,419

o'clock which is a little bit normally

138

00:07:17,450 --> 00:07:14,039

when I was living in it was Satan and I

139

00:07:19,159 --> 00:07:17,460

would have gone and bus over at 10th and

140

00:07:21,050 --> 00:07:19,169

think I never used to work before 9

141

00:07:25,740 --> 00:07:21,060

o'clock and then catch the last bus home

142

00:07:29,460 --> 00:07:25,750

and the last bus was 20 to 25

143

00:07:31,350 --> 00:07:29,470

in 2011 they believe at the time so that

144

00:07:33,300 --> 00:07:31,360

was my routine so this was a completely

145

00:07:34,680 --> 00:07:33,310

able to in anyway and your new username

146

00:07:37,140 --> 00:07:34,690

is doing that was because have been over

147

00:07:40,500 --> 00:07:37,150

to see my mum because my uncle had died

148

00:07:41,070 --> 00:07:40,510

the day before and she was she to be

149

00:07:43,440 --> 00:07:41,080

really badly

150

00:07:45,930 --> 00:07:43,450

yeah so I went over to see she's okay

151  
00:07:49,140 --> 00:07:45,940  
and I just saw the popping of the Masons

152  
00:07:50,100 --> 00:07:49,150  
another quick when only yeah how much

153  
00:07:51,060 --> 00:07:50,110  
did you drink

154  
00:07:57,300 --> 00:07:51,070  
I know you were driving when so you

155  
00:07:58,620 --> 00:07:57,310  
Andrew homeless just as devices so two

156  
00:08:02,280 --> 00:07:58,630  
days later there was something Evening

157  
00:08:06,750 --> 00:08:02,290  
Post yeah that a couple walking the dog

158  
00:08:08,760 --> 00:08:06,760  
and a neighbor and another friend saw a

159  
00:08:10,710 --> 00:08:08,770  
huge UFO over the rugby field which is

160  
00:08:12,150 --> 00:08:10,720  
right next to the pub that's right when

161  
00:08:16,020 --> 00:08:12,160  
they reported that they'd seen it about

162  
00:08:19,040 --> 00:08:16,030  
10:00 p.m. on that night so what did you

163  
00:08:22,740 --> 00:08:19,050

think when you saw that in the post

164

00:08:25,140 --> 00:08:22,750

that's right Ben you couldn't you see

165

00:08:26,940 --> 00:08:25,150

like Dave's tank when mrs. Lowe is

166

00:08:27,990 --> 00:08:26,950

missing time as you connected that to

167

00:08:30,570 --> 00:08:28,000

him I suppose something to do with the

168

00:08:36,149 --> 00:08:30,580

UFO yeah what did you support the

169

00:08:43,350 --> 00:08:36,159

department's a potluck so that was back

170

00:08:45,990 --> 00:08:43,360

in 1995 and they say she sort of yeah I

171

00:08:49,370 --> 00:08:46,000

don't really remember she knew there was

172

00:08:52,550 --> 00:08:49,380

a lot of weird things happened around me

173

00:08:56,310 --> 00:08:52,560

she's experienced it's mainly first

174

00:08:58,230 --> 00:08:56,320

beginning with me pray and so she knew

175

00:09:00,960 --> 00:08:58,240

that there was something different

176  
00:09:08,070 --> 00:09:00,970  
things happened to me that you couldn't

177  
00:09:10,410 --> 00:09:08,080  
explain but you know it's back in those

178  
00:09:13,920 --> 00:09:10,420  
days there wasn't a big big interest or

179  
00:09:15,300 --> 00:09:13,930  
is now in the UFO phenomena it was you

180  
00:09:20,790 --> 00:09:15,310  
know it was some people didn't really

181  
00:09:23,400 --> 00:09:20,800  
talk about and just before the internet

182  
00:09:24,550 --> 00:09:23,410  
heroes next movie yeah so there was

183  
00:09:26,380 --> 00:09:24,560  
sightings reported

184  
00:09:28,780 --> 00:09:26,390  
I paid them it was not sold but there

185  
00:09:31,600 --> 00:09:28,790  
was nothing Boston that's writing an

186  
00:09:34,060 --> 00:09:31,610  
essay wedding book bought books or you

187  
00:09:41,680 --> 00:09:34,070  
weren't gonna see anything much about it

188  
00:09:43,840 --> 00:09:41,690

there was your old film so that's I mean

189

00:09:46,150 --> 00:09:43,850

you thought I got all this missing time

190

00:09:48,700 --> 00:09:46,160

there's a UFO sighting the same time in

191

00:09:49,480 --> 00:09:48,710

the same place dead and I put two and

192

00:09:50,920 --> 00:09:49,490

two together

193

00:09:54,880 --> 00:09:50,930

did you do anything about that after

194

00:09:57,329 --> 00:09:54,890

that to do report it was no I told other

195

00:10:00,310 --> 00:09:57,339

people then it is what I was party yeah

196

00:10:02,829 --> 00:10:00,320

and I do know that people in the club

197

00:10:05,590 --> 00:10:02,839

yeah we you come to know I know with a

198

00:10:06,940 --> 00:10:05,600

friend of mine no CEO and he said well

199

00:10:09,160 --> 00:10:06,950

you should go and see this guy in the

200

00:10:12,010 --> 00:10:09,170

club beats you mean maintains that he's

201  
00:10:13,840 --> 00:10:12,020  
been on board the craft and well yes I

202  
00:10:15,850 --> 00:10:13,850  
had a regulation they came back did

203  
00:10:17,530 --> 00:10:15,860  
opine on that so you can all feel about

204  
00:10:20,019 --> 00:10:17,540  
people taking it to keep because you

205  
00:10:22,360 --> 00:10:20,029  
spend a sticky buddy goes oh I know what

206  
00:10:25,600 --> 00:10:22,370  
I know it but I am I might know what I

207  
00:10:27,460 --> 00:10:25,610  
know what I've seen I and well other

208  
00:10:29,170 --> 00:10:27,470  
people now are who you would probably

209  
00:10:34,810 --> 00:10:29,180  
interview in the future have come

210  
00:10:36,370 --> 00:10:34,820  
forward know that I Dave explodes with

211  
00:10:39,880 --> 00:10:36,380  
your admin a lot of people wouldn't do

212  
00:10:43,090 --> 00:10:39,890  
that well so update this know over the

213  
00:10:45,430 --> 00:10:43,100

years has anything else happens to do

214

00:10:47,320 --> 00:10:45,440

with that as anything any memories come

215

00:10:50,010 --> 00:10:47,330

back apart from what you told me what

216

00:10:52,660 --> 00:10:50,020

happened this year not not of not no i

217

00:10:55,650 --> 00:10:52,670

I've got funny feelings I could have

218

00:10:58,060 --> 00:10:55,660

happened didn't when I was a child you

219

00:11:00,250 --> 00:10:58,070

know I thought bad I didn't like

220

00:11:01,890 --> 00:11:00,260

sleeping in my back bedroom in Westeros

221

00:11:08,260 --> 00:11:01,900

where we lived

222

00:11:10,150 --> 00:11:08,270

I have paranormal experiences but in the

223

00:11:12,579 --> 00:11:10,160

back of my mind it but I really like

224

00:11:17,140 --> 00:11:12,589

being outside the window but there was a

225

00:11:19,169 --> 00:11:17,150

really really really really young at the

226

00:11:21,639 --> 00:11:19,179

time

227

00:11:24,939 --> 00:11:21,649

unless we're was that that was in

228

00:11:29,109 --> 00:11:24,949

Westeros Westeros yeah just in Swansea

229

00:11:30,429 --> 00:11:29,119

Bay yeah so um tell me about you said

230

00:11:32,799 --> 00:11:30,439

you had a dream back in February this

231

00:11:34,989 --> 00:11:32,809

year yeah you brother drank the Jade way

232

00:11:36,910 --> 00:11:34,999

and you were good daughter then I was

233

00:11:37,359 --> 00:11:36,920

half awake but it was like some good

234

00:11:39,340 --> 00:11:37,369

girl

235

00:11:43,199 --> 00:11:39,350

that's it's like somebody put in a

236

00:11:48,489 --> 00:11:43,209

screen or a curtain Alton I was I

237

00:11:51,309 --> 00:11:48,499

assumed Shep I was it was the lightning

238

00:11:54,729 --> 00:11:51,319

didn't work right and I was I all I can

239

00:12:00,189 --> 00:11:54,739

say is interfaced on a panel was another

240

00:12:08,789 --> 00:12:00,199

human being next to me up against some

241

00:12:14,939 --> 00:12:12,729

well I felt that I was controlling were

242

00:12:20,289 --> 00:12:14,949

having an effect on what was happening

243

00:12:22,150 --> 00:12:20,299

but it was just all being interface with

244

00:12:24,280 --> 00:12:22,160

me even why not to be touching it we

245

00:12:25,809 --> 00:12:24,290

actually touch and contact with it are

246

00:12:31,600 --> 00:12:25,819

there was somebody else next year there

247

00:12:34,629 --> 00:12:31,610

was somebody else next to me and I had a

248

00:12:36,879 --> 00:12:34,639

little bridge standing behind me mm-hmm

249

00:12:39,730 --> 00:12:36,889

they were on the ship and they was

250

00:12:41,530 --> 00:12:39,740

terrified yeah they were big but I can't

251

00:12:44,559 --> 00:12:41,540

remember it's just sort of blanked it

252

00:12:46,239 --> 00:12:44,569

out they were terrifying but the big

253

00:12:54,030 --> 00:12:46,249

ones a big winter there's a little green

254

00:12:56,590 --> 00:12:54,040

so benign but it's you know I didn't

255

00:12:58,329 --> 00:12:56,600

recollection of him doing something with

256

00:13:01,119 --> 00:12:58,339

my eyes and them telling me that that's

257

00:13:02,949 --> 00:13:01,129

how they the program just basically was

258

00:13:06,449 --> 00:13:02,959

the quickest way into their brain was

259

00:13:11,829 --> 00:13:09,549

I don't have any recollection never

260

00:13:13,119 --> 00:13:11,839

being coordinated to have an any medical

261

00:13:17,049 --> 00:13:13,129

practice you know

262

00:13:19,359 --> 00:13:17,059

performing to me but it's that it's the

263

00:13:24,609 --> 00:13:19,369

big the big things as I was part of this

264

00:13:27,110 --> 00:13:24,619

and I I felt I'd been on the ship but

265

00:13:31,310 --> 00:13:27,120

the third years comes into me

266

00:13:32,870 --> 00:13:31,320

but thinking you know what it's this I

267

00:13:35,780 --> 00:13:32,880

had this experience with the 30 years

268

00:13:38,090 --> 00:13:35,790

prior in Westeros or was a on the ship

269

00:13:40,640 --> 00:13:38,100

for 30 years but that number just was in

270

00:13:42,800 --> 00:13:40,650

my head I thought I hadn't been there

271

00:13:44,540 --> 00:13:42,810

I've been to the shippers who I was I've

272

00:13:49,600 --> 00:13:44,550

been there for 30 years

273

00:13:52,720 --> 00:13:49,610

and they brought me back some time right

274

00:13:56,030 --> 00:13:52,730

and this is why people like mr. tiny

275

00:14:00,710 --> 00:13:56,040

because they can't quit they can't quite

276

00:14:01,940 --> 00:14:00,720

get it right to the minute they can get

277

00:14:03,890 --> 00:14:01,950

you close

278

00:14:07,010 --> 00:14:03,900

maybe they're not that they're good but

279

00:14:11,750 --> 00:14:07,020

they're not that good things get you

280

00:14:13,730 --> 00:14:11,760

within hours and well it's just my mouth

281

00:14:17,960 --> 00:14:13,740

so you think is long you been knowing

282

00:14:20,030 --> 00:14:17,970

that it is to get you back the gap is in

283

00:14:21,920 --> 00:14:20,040

your to you thinking this just short the

284

00:14:23,960 --> 00:14:21,930

three hours that you were away in your

285

00:14:25,940 --> 00:14:23,970

in your time frame it was suctioning

286

00:14:32,660 --> 00:14:25,950

about 30 years yeah but you're on the

287

00:14:34,460 --> 00:14:32,670

aged in that but my body was riddled

288

00:14:36,290 --> 00:14:34,470

with arthritis and I'm a man that we

289

00:14:39,080 --> 00:14:36,300

might dispense started in May early

290

00:14:43,130 --> 00:14:39,090

fifties late forties the sources on my

291

00:14:47,900 --> 00:14:43,140

body has done that their life but I

292

00:14:49,580 --> 00:14:47,910

don't have the physical and it's just

293

00:14:51,260 --> 00:14:49,590

that one that's just those two little

294

00:14:53,360 --> 00:14:51,270

memories that you have yes nothing at

295

00:14:56,450 --> 00:14:53,370

this point I really haven't played stand

296

00:14:58,850 --> 00:14:56,460

in it right just wait like you can you

297

00:15:01,550 --> 00:14:58,860

sense its fear from the at all because

298

00:15:02,990 --> 00:15:01,560

terrible yet and you were put in seven

299

00:15:07,400 --> 00:15:03,000

in your honor would do it something into

300

00:15:09,500 --> 00:15:07,410

my a I I don't know if you'd be doing

301  
00:15:11,440 --> 00:15:09,510  
something but may I use and it was

302  
00:15:16,490 --> 00:15:11,450  
pregnant was it both legs at this point

303  
00:15:18,350 --> 00:15:16,500  
just whether they couldn't it's an

304  
00:15:21,740 --> 00:15:18,360  
impressive impression not actual vision

305  
00:15:24,740 --> 00:15:21,750  
okay it's not as I'm not so rebind

306  
00:15:27,080 --> 00:15:24,750  
dignity like a video it's just things

307  
00:15:33,379 --> 00:15:27,090  
that have come into me just just a flash

308  
00:15:40,470 --> 00:15:36,840  
so not so you're in bed when you had

309  
00:15:45,780 --> 00:15:40,480  
this revelation yes take a half a week

310  
00:15:47,160 --> 00:15:45,790  
drink yes watch out for we thought you

311  
00:15:48,870 --> 00:15:47,170  
were like next him in the bed at the

312  
00:15:51,360 --> 00:15:48,880  
time minute absolutely did he wake you

313  
00:15:53,579 --> 00:15:51,370

up if you've never straightaway no it

314

00:15:56,310 --> 00:15:53,589

waited for me to wake up but I know he

315

00:15:57,509 --> 00:15:56,320

was anxious to tell me because it was

316

00:15:59,939 --> 00:15:57,519

the first thing that came out of his

317

00:16:01,290 --> 00:15:59,949

mouth I mean he was a bit worried as

318

00:16:03,030 --> 00:16:01,300

well he might have yeah I think he

319

00:16:06,389 --> 00:16:03,040

thought that I was gonna think there was

320

00:16:09,329 --> 00:16:06,399

something wrong with it but it came out

321

00:16:12,629 --> 00:16:09,339

and explained it and wow I couldn't

322

00:16:15,509 --> 00:16:12,639

believe it myself Wow and to be

323

00:16:17,759 --> 00:16:15,519

interfaced into something it's and not

324

00:16:18,930 --> 00:16:17,769

to move at all obviously the brain was

325

00:16:21,750 --> 00:16:18,940

doing all the work

326

00:16:27,290 --> 00:16:21,760

oh it's incredible and everything what

327

00:16:35,400 --> 00:16:31,050

not when the examination was I remember

328

00:16:40,710 --> 00:16:35,410

really really thin you know absolutely

329

00:16:44,100 --> 00:16:40,720

skint like spandex and it was wet so you

330

00:16:46,079 --> 00:16:44,110

will examine as well but I had the idea

331

00:16:50,490 --> 00:16:46,089

Bobby yeah but I couldn't tell you a

332

00:16:53,730 --> 00:16:50,500

theater you know I don't remember what

333

00:16:56,939 --> 00:16:53,740

to do think will you partly to his

334

00:16:58,500 --> 00:16:56,949

previous story but the miss insight we

335

00:17:00,449 --> 00:16:58,510

first met he didn't say anything at all

336

00:17:02,610 --> 00:17:00,459

but after we were married I think he

337

00:17:06,000 --> 00:17:02,620

thought he knew me and a fountain to

338

00:17:08,800 --> 00:17:06,010

tell me the story when he told me I was

339

00:17:10,990 --> 00:17:08,810

bit of a skeptic and

340

00:17:12,790 --> 00:17:11,000

[Music]

341

00:17:16,690 --> 00:17:12,800

maybe even Ellen there when they came

342

00:17:20,340 --> 00:17:16,700

out with this dream gosh it's got to be

343

00:17:24,490 --> 00:17:20,350

absolutely got to be and of course it's

344

00:17:27,100 --> 00:17:24,500

ex-partner also as an interaction in a

345

00:17:29,410 --> 00:17:27,110

way with the story so it wasn't just the

346

00:17:33,870 --> 00:17:29,420

one person there was two people involved

347

00:17:36,180 --> 00:17:33,880

so I'm totally turned around me yeah so

348

00:17:38,320 --> 00:17:36,190

you think he's more than a dream

349

00:17:39,700 --> 00:17:38,330

obviously we all dream did you think it

350

00:17:41,890 --> 00:17:39,710

was just a dream or do you think it was

351

00:17:43,900 --> 00:17:41,900

memories but no I like I definitely

352

00:17:47,260 --> 00:17:43,910

believe there was abducted you know I

353

00:17:49,240 --> 00:17:47,270

don't know whether that was what I dread

354

00:18:04,420 --> 00:17:49,250

was the actual what did actually happen

355

00:18:07,060 --> 00:18:04,430

but I firmly believe that so I told you

356

00:18:10,140 --> 00:18:07,070

this story years ago and this year these

357

00:18:12,520 --> 00:18:10,150

are this very vivid recollection yes

358

00:18:14,980 --> 00:18:12,530

even just believing before what we I

359

00:18:18,370 --> 00:18:14,990

didn't believe in UFOs didn't believe in

360

00:18:20,820 --> 00:18:18,380

all this paranormal stuff and so many

361

00:18:22,720 --> 00:18:20,830

things have come out - no I mean he's

362

00:18:25,990 --> 00:18:22,730

it's just amazing

363

00:18:35,170 --> 00:18:26,000

she's a first-time experience is not

364

00:18:42,250 --> 00:18:38,350

it was Kennedy keep the impression of

365

00:18:45,670 --> 00:18:42,260

the size of it no because my vision was

366

00:18:47,440 --> 00:18:45,680

just stuck on this machine but you did

367

00:18:47,920 --> 00:18:47,450

say to me that you felt you were on the

368

00:18:56,660 --> 00:18:47,930

mothership

369

00:18:56,670 --> 00:19:02,740

we were still interface with this movie

370

00:19:12,920 --> 00:19:05,120

laying on my back would have been laying

371

00:19:16,850 --> 00:19:12,930

on my back that's a main memory we've

372

00:19:18,650 --> 00:19:16,860

got luck came before the instance no no

373

00:19:20,510 --> 00:19:18,660

that was the first signal came to be an

374

00:19:21,950 --> 00:19:20,520

ominous be a purpose that is the first

375

00:19:23,990 --> 00:19:21,960

thing the first thing that came back was

376

00:19:25,460 --> 00:19:24,000

the stories of this sound in there so do

377

00:19:28,280 --> 00:19:25,470

you think the examination the ice was

378

00:19:38,540 --> 00:19:28,290

before or after that before so you've

379

00:19:59,390 --> 00:19:38,550

only come back in the role you told me

380

00:20:02,150 --> 00:19:59,400

that yeah I know there's something

381

00:20:07,730 --> 00:20:02,160

different about me I you know I always

382

00:20:09,650 --> 00:20:07,740

out being different it was a dead mouse

383

00:20:12,020 --> 00:20:09,660

with my confidence it took my parents

384

00:20:14,150 --> 00:20:12,030

have 2,000 children in this school or

385

00:20:15,590 --> 00:20:14,160

agree to to be seven and you didn't want

386

00:20:16,580 --> 00:20:15,600

to do it there was nothing that was

387

00:20:24,169 --> 00:20:16,590

gonna change my mind

388

00:20:25,850 --> 00:20:24,179

I like company but I really alone now

389

00:20:27,770 --> 00:20:25,860

and you've got a technical background

390

00:20:29,870 --> 00:20:27,780

Ernie because I was a mechanical

391

00:20:32,660 --> 00:20:29,880

engineer and I'm the aircraft engineer

392

00:20:36,700 --> 00:20:32,670

in Swansea airport and Ranjan Cardiff

393

00:20:42,519 --> 00:20:36,710

and soon Athens right so you see no

394

00:20:46,279 --> 00:20:44,629

let me tweet about this sir you said it

395

00:20:48,259 --> 00:20:46,289

was another it was a man standing next

396

00:20:51,349 --> 00:20:48,269

year life itself and the sound of a

397

00:20:52,699 --> 00:20:51,359

human another human being was what see

398

00:20:54,289 --> 00:20:52,709

impressions of him do you think he was

399

00:20:57,199 --> 00:20:54,299

let yourself oh yes you think he's

400

00:20:59,499 --> 00:20:57,209

another 50 never looked at II can't

401  
00:21:02,479 --> 00:20:59,509  
remember anything about his features I

402  
00:21:05,269 --> 00:21:02,489  
just planted the same as me all in this

403  
00:21:08,119 --> 00:21:05,279  
way - no thank you it's retro give your

404  
00:21:10,729 --> 00:21:08,129  
face just yeah so what do you think you

405  
00:21:12,919 --> 00:21:10,739  
were there no idea would they do you

406  
00:21:15,109 --> 00:21:12,929  
think they were well you tell me I

407  
00:21:18,229 --> 00:21:15,119  
really have no idea way with wait I

408  
00:21:20,839 --> 00:21:18,239  
think they would pick me what you were

409  
00:21:22,609 --> 00:21:20,849  
doing I said you know feeling that you

410  
00:21:25,339 --> 00:21:22,619  
controlling the property says I had a

411  
00:21:42,129 --> 00:21:25,349  
feeling I was yeah oh I was certainly

412  
00:21:50,749 --> 00:21:47,209  
to the door I was mistaken eleven never

413  
00:21:53,119 --> 00:21:50,759

really used to be about seem the people

414

00:21:54,979 --> 00:21:53,129

in the bar I'd sit in the corner in the

415

00:21:56,589 --> 00:21:54,989

Masons might be that why'd you come into

416

00:22:00,019 --> 00:21:56,599

the lunge behind the door in the corner

417

00:22:01,609 --> 00:22:00,029

lo least effect to that corner so I knew

418

00:22:07,249 --> 00:22:01,619

came out it would have been dark yes oh

419

00:22:13,489 --> 00:22:07,259

yes best technology was clear perfectly

420

00:22:15,019 --> 00:22:13,499

clear night yet it won't rain in hmm so

421

00:22:17,329 --> 00:22:15,029

you the lasting memories coming to the

422

00:22:19,279 --> 00:22:17,339

door last thing I remember was getting

423

00:22:23,199 --> 00:22:19,289

up to go into the door yeah and then

424

00:22:25,519 --> 00:22:23,209

next memory is very little in the car

425

00:22:29,329 --> 00:22:25,529

come over get into the car getting in

426

00:22:30,559 --> 00:22:29,339

the drive over do you think that no

427

00:22:33,439 --> 00:22:30,569

recollection of that do you think that

428

00:22:36,409 --> 00:22:33,449

could be because it's so long ago or DZ

429

00:22:38,419 --> 00:22:36,419

can you remember can you remember at

430

00:22:46,059 --> 00:22:38,429

that time thinking I don't remember

431

00:22:49,120 --> 00:22:46,069

getting in car no I said Jason today I

432

00:22:52,610 --> 00:22:49,130

just didn't think about it

433

00:22:53,950 --> 00:22:52,620

yes no recollection of getting into the

434

00:22:56,990 --> 00:22:53,960

car driving home

435

00:22:58,730 --> 00:22:57,000

they just remember first thing I

436

00:23:03,080 --> 00:22:58,740

remember was go into the open in the

437

00:23:05,180 --> 00:23:03,090

door when 11 ago yeah you told me that

438

00:23:06,799 --> 00:23:05,190

she showed you the clock yeah and you

439

00:23:08,539 --> 00:23:06,809

watch had stopped yeah obviously got the

440

00:23:13,640 --> 00:23:08,549

watch no [h\_\_h]

441

00:23:18,799 --> 00:23:13,650

did it ever work again yeah so did what

442

00:23:20,830 --> 00:23:18,809

kind of watch was it it was the one you

443

00:23:24,350 --> 00:23:20,840

go with hands on it was this digital

444

00:23:26,390 --> 00:23:24,360

tiny mixer so I think it was that one

445

00:23:28,010 --> 00:23:26,400

that one was it the battery yeah I think

446

00:23:39,620 --> 00:23:28,020

it was or anything so when the kids for

447

00:23:41,180 --> 00:23:39,630

me so there's a wind-up problem okay not

448

00:23:44,659 --> 00:23:41,190

really on that particular issue

449

00:23:46,430 --> 00:23:44,669

no definitely not I'm sure if he comes

450

00:23:49,010 --> 00:23:46,440

across anything in these dreams he will

451  
00:23:53,600 --> 00:23:49,020  
tell me lieutenant

452  
00:23:56,510 --> 00:23:53,610  
absolutely no that was what I remembered

453  
00:23:58,549 --> 00:23:56,520  
was him telling me about this particular

454  
00:24:02,030 --> 00:23:58,559  
dream that he'd had and that how

455  
00:24:03,380 --> 00:24:02,040  
frightened he was and he told me the

456  
00:24:05,330 --> 00:24:03,390  
same as he's just say that there was

457  
00:24:07,100 --> 00:24:05,340  
something next to him but the little

458  
00:24:10,430 --> 00:24:07,110  
greys been behind and being afraid of

459  
00:24:14,180 --> 00:24:10,440  
the larger ones I know just as much as

460  
00:24:28,669 --> 00:24:14,190  
the young man said can we do this the

461  
00:24:32,999 --> 00:24:30,960  
that was their attitude towards it I

462  
00:24:42,349 --> 00:24:33,009  
told them I didn't actually tell them I

463  
00:24:45,749 --> 00:24:45,090

mother what was it well at that time was

464

00:24:48,659 --> 00:24:45,759

the engineer

465

00:24:51,479 --> 00:24:48,669

I fixed the lead aircraft I had a

466

00:24:54,269 --> 00:24:51,489

license to operate the tower it was a

467

00:24:56,849 --> 00:24:54,279

junior fire officer so basically it was

468

00:24:59,609 --> 00:24:56,859

just with everything it was just a few

469

00:25:02,820 --> 00:24:59,619

manager but it wasn't generally open at

470

00:25:04,499 --> 00:25:02,830

that time was it not for not for the

471

00:25:19,430 --> 00:25:04,509

commercial aviation but it was opened

472

00:25:22,830 --> 00:25:19,440

for because he said to commercial pilots

473

00:25:24,299 --> 00:25:22,840

husband and wife they were both captain

474

00:25:26,399 --> 00:25:24,309

so on the adversities and they fought

475

00:25:28,560 --> 00:25:26,409

each other reflect on the vampire right

476

00:25:30,479 --> 00:25:28,570

yeah we had two vampires and one of the

477

00:25:32,009 --> 00:25:30,489

games with Greg vested in fluid was that

478

00:25:34,859 --> 00:25:32,019

you'd paid that and then there was

479

00:25:37,440 --> 00:25:34,869

another guy called Marcus Edwards was an

480

00:25:39,330 --> 00:25:37,450

actually fearsome vixen hey listen he

481

00:25:42,089 --> 00:25:39,340

was the other pilot so they were there

482

00:25:45,180 --> 00:25:42,099

and all the Outland entourage who

483

00:25:48,210 --> 00:25:45,190

maintained that the aircraft support

484

00:25:50,820 --> 00:25:48,220

they were there with all because of this

485

00:25:54,839 --> 00:25:50,830

couple so because it was a coma they

486

00:25:56,609 --> 00:25:54,849

kept about well when we find the depress

487

00:25:59,420 --> 00:25:56,619

coupling busy Susanna pay but when we

488

00:26:08,570 --> 00:26:01,940

you actually saw the helicopter coming

489

00:26:10,070 --> 00:26:08,580

in a little faster but wasn't you didn't

490

00:26:11,870 --> 00:26:10,080

see the UFO that has been chasing oh

491

00:26:13,700 --> 00:26:11,880

yeah you saw that as well

492

00:26:16,520 --> 00:26:13,710

I didn't I just saw them chasing eight

493

00:26:23,540 --> 00:26:16,530

legs back before the bit from farewell

494

00:26:27,530 --> 00:26:23,550

yeah yeah yeah yeah it was about

495

00:26:30,500 --> 00:26:27,540

grunting fish you can butcher see things

496

00:26:31,760 --> 00:26:30,510

over chasin after we can sprint down low

497

00:26:35,630 --> 00:26:31,770

again I think it's it could be the

498

00:26:37,730 --> 00:26:35,640

cinema cuffs tough to gauge the

499

00:26:40,400 --> 00:26:37,740

identification of alley copters one or

500

00:26:42,320 --> 00:26:40,410

two good seeking it could be my

501  
00:26:44,390 --> 00:26:42,330  
recollection of the case I'm assuming

502  
00:26:47,360 --> 00:26:44,400  
come in because that sounds about right

503  
00:26:52,820 --> 00:26:47,370  
doctor but I'm not what I mean about the

504  
00:27:00,680 --> 00:26:52,830  
time like 98 it's wrong certainly going

505  
00:27:02,960 --> 00:27:00,690  
to battle no matter what he do you go to

506  
00:27:09,290 --> 00:27:02,970  
a movie or to speak to I do forbid they

507  
00:27:11,450 --> 00:27:09,300  
will just say no when I spoke to the

508  
00:27:13,790 --> 00:27:11,460  
year I think they came from Chiba and

509  
00:27:17,180 --> 00:27:13,800  
Wendy can I do any sea kings over it in

510  
00:27:18,080 --> 00:27:17,190  
in the area yeah and any we have any of

511  
00:27:19,760 --> 00:27:18,090  
any squadron

512  
00:27:28,660 --> 00:27:19,770  
they probably another transponders are

513  
00:27:34,690 --> 00:27:32,080

at the end of the airport we were coming

514

00:27:36,730 --> 00:27:34,700

home ticking one of the boys trimco

515

00:27:38,700 --> 00:27:36,740

who's the little napkin on the airfield

516

00:27:41,160 --> 00:27:38,710

he you'll meet one of the vampire jets

517

00:27:46,360 --> 00:27:41,170

and we've been toned and you large

518

00:27:48,970 --> 00:27:46,370

clapping as we're coming across okay we

519

00:27:51,760 --> 00:27:48,980

could see this shaft of lint come in

520

00:27:54,100 --> 00:27:51,770

from the sky would break down over every

521

00:27:57,970 --> 00:27:54,110

what was he was the airport so as we

522

00:28:00,610 --> 00:27:57,980

were driving along and there's this

523

00:28:04,480 --> 00:28:00,620

massive massive beam of light coming up

524

00:28:10,030 --> 00:28:04,490

from the crowds and I said it's bloody

525

00:28:13,930 --> 00:28:10,040

UFO it's got to be the old Walter might

526

00:28:18,940 --> 00:28:13,940

find in cloud radar that we deserve a

527

00:28:20,980 --> 00:28:18,950

thing didn't work this is shiny search

528

00:28:23,860 --> 00:28:20,990

waked up onto the cloud and we got to

529

00:28:26,049 --> 00:28:23,870

see altar like tinder in the talent we

530

00:28:28,810 --> 00:28:26,059

know the distance from the base and you

531

00:28:30,880 --> 00:28:28,820

shine this obviously the sent to we're

532

00:28:34,750 --> 00:28:30,890

in the cloud and you can work on to the

533

00:28:36,909 --> 00:28:34,760

clothes betray yeah so we went into the

534

00:28:40,960 --> 00:28:36,919

past it you could see this beam it was

535

00:28:48,640 --> 00:28:40,970

like from you to say yeah you're just

536

00:28:56,100 --> 00:28:48,650

seeking some s I got the table and

537

00:29:01,840 --> 00:28:59,500

tonight because well obviously afraid of

538

00:29:05,500 --> 00:29:01,850

anything because it was Betty to darken

539

00:29:09,630 --> 00:29:05,510

him so anyway we left we went so we came

540

00:29:16,960 --> 00:29:12,580

so we're not it have to be coming down

541

00:29:18,640 --> 00:29:16,970

didn't it but what did but there was no

542

00:29:24,549 --> 00:29:18,650

bubble business in this thing what is

543

00:29:27,039 --> 00:29:24,559

that the same thing was as the

544

00:29:29,380 --> 00:29:27,049

helicopters bit maybe a year so after

545

00:29:33,610 --> 00:29:29,390

all they were things all the time on

546

00:29:37,150 --> 00:29:33,620

that a few the tunas of at the time they

547

00:29:40,709 --> 00:29:37,160

used to stay there when was Marvin Jones

548

00:29:44,409 --> 00:29:42,999

designing the advanced passenger train

549

00:29:46,719 --> 00:29:44,419

that never went and you know the

550

00:29:49,149 --> 00:29:46,729

pentamer numbers the design knew about

551  
00:29:53,169 --> 00:29:49,159  
him but you know they took him to change

552  
00:29:56,229 --> 00:29:53,179  
that you work now mr. Martin bone so he

553  
00:29:57,969 --> 00:29:56,239  
was a mining engineer in Yorkshire but

554  
00:30:00,159 --> 00:29:57,979  
they were both aircraft engineers after

555  
00:30:01,709 --> 00:30:00,169  
steeply change their business we're

556  
00:30:04,719 --> 00:30:01,719  
talking with like evil guys now not

557  
00:30:09,070 --> 00:30:04,729  
prone to fantasy so they were still in

558  
00:30:10,810 --> 00:30:09,080  
there one night and they started you and

559  
00:30:13,690 --> 00:30:10,820  
transmissions coming over there over the

560  
00:30:15,789 --> 00:30:13,700  
PA well we turn Oliver yourself from you

561  
00:30:18,759 --> 00:30:15,799  
shut the tower that was first single

562  
00:30:20,469 --> 00:30:18,769  
rings off reflectors and they were

563  
00:30:23,049 --> 00:30:20,479

listening and they could hear and it was

564

00:30:25,239 --> 00:30:23,059

war ten called see where so they weren't

565

00:30:28,599 --> 00:30:25,249

using the phonetic alphabet that we use

566

00:30:32,139 --> 00:30:28,609

it was G for George and not not the

567

00:30:35,200 --> 00:30:32,149

stand at finet and they could hear an

568

00:30:36,609 --> 00:30:35,210

engine or four engines of thinking they

569

00:30:38,799 --> 00:30:36,619

went up the tower and they could hear

570

00:30:41,649 --> 00:30:38,809

what they said was they what they

571

00:30:43,539 --> 00:30:41,659

thought was a four-engine bomber I've

572

00:30:44,919 --> 00:30:43,549

done the tarmac but they couldn't see

573

00:30:46,839 --> 00:30:44,929

because the fog was done to the ground

574

00:30:49,690 --> 00:30:46,849

and then these transmissions were coming

575

00:30:51,609 --> 00:30:49,700

out that's what all these us could live

576

00:30:53,379 --> 00:30:51,619

in a bomber station there was there was

577

00:30:55,450 --> 00:30:53,389

there was an x-factor station smoking

578

00:30:58,119 --> 00:30:55,460

right it was head yeah they both factors

579

00:31:03,310 --> 00:30:58,129

there with a Habitrail to find the

580

00:31:05,859 --> 00:31:03,320

Bombers no but they did have a crafter

581

00:31:07,930 --> 00:31:05,869

but Halifax is operated out today

582

00:31:09,700 --> 00:31:07,940

they had one crack ah it crashed the

583

00:31:13,239 --> 00:31:09,710

Hawley box isn't as big as a like mi

584

00:31:18,519 --> 00:31:13,249

casa yeah yeah it's exactly the same for

585

00:31:20,200 --> 00:31:18,529

engine budget and one crashed and into

586

00:31:25,149 --> 00:31:20,210

the wax quarters which is over with a

587

00:31:26,919 --> 00:31:25,159

golf club is we would these two with a
