

**Otherworld Journeys**

PROBE INTERNATIONAL

Conference

7<sup>th</sup> October, 2006

Dean Warwick

1  
00:00:05,510 --> 00:00:04,070

[Music]

2  
00:00:07,110 --> 00:00:05,520

okay

3  
00:00:09,750 --> 00:00:07,120

bit about our speaker tonight ellis

4  
00:00:13,030 --> 00:00:09,760

taylor is a west australian-born

5  
00:00:14,470 --> 00:00:13,040

british writer and mystic in his work

6  
00:00:16,390 --> 00:00:14,480

he's an outspoken

7  
00:00:18,070 --> 00:00:16,400

acknowledged an uncompromising

8  
00:00:21,189 --> 00:00:18,080

consciousness explorer

9  
00:00:22,950 --> 00:00:21,199

and commentator who combines his studies

10  
00:00:25,150 --> 00:00:22,960

and observations with insights and

11  
00:00:27,670 --> 00:00:25,160

knowledge gained through his much

12  
00:00:28,790 --> 00:00:27,680

authentic authenticated intrinsic

13  
00:00:30,390 --> 00:00:28,800

lifetimes

14

00:00:32,950 --> 00:00:30,400

interactions with other worlds and the

15

00:00:34,950 --> 00:00:32,960

others sent us

16

00:00:37,830 --> 00:00:34,960

ellis is a lover of nature and a

17

00:00:39,830 --> 00:00:37,840

proponent of feminine wisdom

18

00:00:41,350 --> 00:00:39,840

a seventh generation australian he was

19

00:00:42,869 --> 00:00:41,360

born in bridgetown on the banks of the

20

00:00:45,430 --> 00:00:42,879

blackwood river

21

00:00:47,830 --> 00:00:45,440

in the southwest of australia his

22

00:00:53,430 --> 00:00:47,840

ancestral origins are cornish welsh

23

00:00:57,510 --> 00:00:55,750

he's an author of three printed books

24

00:01:01,990 --> 00:00:57,520

living in the matrix

25

00:01:05,509 --> 00:01:02,000

in these signs conquer

26  
00:01:09,109 --> 00:01:05,519  
and dog days and the author of an ebook

27  
00:01:13,109 --> 00:01:11,190  
besides his other worldly lessons ellis

28  
00:01:16,749 --> 00:01:13,119  
has studied tarot hypnosis

29  
00:01:19,990 --> 00:01:16,759  
and numerology since 1967

30  
00:01:20,710 --> 00:01:20,000  
1996 he has been developing what he

31  
00:01:23,749 --> 00:01:20,720  
calls

32  
00:01:24,390 --> 00:01:23,759  
new more numero symbology a new and

33  
00:01:30,710 --> 00:01:24,400  
potent

34  
00:01:34,310 --> 00:01:30,720  
that combines numerology symbology

35  
00:01:36,069 --> 00:01:34,320  
etymology and phonetics

36  
00:01:38,830 --> 00:01:36,079  
ellis now works mainly as a writer of

37  
00:01:40,950 --> 00:01:38,840  
articles colored and informed by his own

38  
00:01:43,429 --> 00:01:40,960

experiential perceptions

39

00:01:44,149 --> 00:01:43,439

and often peppered with arcane and

40

00:01:50,389 --> 00:01:44,159

numero

41

00:01:53,429 --> 00:01:52,710

ellis has presented lectures in scotland

42

00:01:56,469 --> 00:01:53,439

ireland

43

00:01:58,069 --> 00:01:56,479

wales australia and england and has been

44

00:01:59,910 --> 00:01:58,079

interviewed on several tv and radio

45

00:02:03,190 --> 00:01:59,920

stations across the world

46

00:02:04,550 --> 00:02:03,200

as well as for newspapers and magazines

47

00:02:13,910 --> 00:02:04,560

so without further ado can you put your

48

00:02:18,150 --> 00:02:17,030

is it still working yeah thanks everyone

49

00:02:21,510 --> 00:02:18,160

for turning up

50

00:02:24,150 --> 00:02:21,520

it's a pleasure to be here and

51  
00:02:25,830 --> 00:02:24,160  
my first talk is about my experiences

52  
00:02:29,190 --> 00:02:25,840  
really

53  
00:02:32,229 --> 00:02:29,200  
and um i've changed it a little bit from

54  
00:02:37,190 --> 00:02:32,239  
the advertised talk but um

55  
00:02:40,309 --> 00:02:37,200  
we'll still get into some of that so

56  
00:02:42,869 --> 00:02:40,319  
i've not met emilyn before

57  
00:02:49,430 --> 00:02:42,879  
coming here but i think i've met his

58  
00:02:52,630 --> 00:02:51,430  
that was in loughlin nevada when i went

59  
00:02:55,350 --> 00:02:52,640  
there and um

60  
00:02:57,190 --> 00:02:55,360  
that's san andreas anybody knows al

61  
00:03:01,030 --> 00:02:57,200  
andrews

62  
00:03:04,630 --> 00:03:01,040  
yeah in fact you know get ready to talk

63  
00:03:07,110 --> 00:03:04,640

she's got a very interesting story um

64

00:03:08,630 --> 00:03:07,120

and of course robbie williams and uh he

65

00:03:11,589 --> 00:03:08,640

was there

66

00:03:12,550 --> 00:03:11,599

and probably when we were there he was

67

00:03:14,309 --> 00:03:12,560

probably uh

68

00:03:16,949 --> 00:03:14,319

better than i've ever seen to be honest

69

00:03:20,070 --> 00:03:16,959

and had a good job with it etc

70

00:03:21,990 --> 00:03:20,080

but anyway um i'll talk about laughlin

71

00:03:26,100 --> 00:03:22,000

later so if we can

72

00:03:27,589 --> 00:03:26,110

on to the next one right really memories

73

00:03:29,430 --> 00:03:27,599

[Music]

74

00:03:31,110 --> 00:03:29,440

i'll start off by telling you you've

75

00:03:33,750 --> 00:03:31,120

heard a little bit about my background

76

00:03:35,509 --> 00:03:33,760

as well but um

77

00:03:37,190 --> 00:03:35,519

other things that are interesting to

78

00:03:39,030 --> 00:03:37,200

researchers is when people have

79

00:03:41,910 --> 00:03:39,040

experiences

80

00:03:43,270 --> 00:03:41,920

certain factors and aspects come up and

81

00:03:45,350 --> 00:03:43,280

one of them is

82

00:03:48,070 --> 00:03:45,360

what your blood group is well i'm just

83

00:03:49,750 --> 00:03:48,080

big standard who are age positive

84

00:03:52,949 --> 00:03:49,760

but i have no normal life because i was

85

00:03:56,390 --> 00:03:52,959

told that no one can have my blood

86

00:03:58,149 --> 00:03:56,400

and i went and gave blood one day

87

00:04:00,470 --> 00:03:58,159

and the next thing i went down without

88

00:04:03,190 --> 00:04:00,480

with um jaundice

89

00:04:03,670 --> 00:04:03,200

and that's thrown away so i'm not

90

00:04:07,030 --> 00:04:03,680

allowed

91

00:04:14,710 --> 00:04:10,229

um yeah as i was saying before as

92

00:04:17,830 --> 00:04:14,720

emily was saying earlier i come from

93

00:04:20,870 --> 00:04:17,840

the ancient british lines of

94

00:04:22,950 --> 00:04:20,880

the people here and my

95

00:04:24,390 --> 00:04:22,960

on my mother's side they were led in

96

00:04:27,110 --> 00:04:24,400

scotland

97

00:04:28,070 --> 00:04:27,120

and they also came from ireland and

98

00:04:32,390 --> 00:04:28,080

cornwall

99

00:04:38,150 --> 00:04:34,290

anyway we've gone to the early memories

100

00:04:42,469 --> 00:04:40,710

so in about 1960 i was a kid and we were

101  
00:04:46,230 --> 00:04:42,479  
playing in the fields with my mates and

102  
00:04:47,749 --> 00:04:46,240  
um just standing there well just playing

103  
00:04:49,430 --> 00:04:47,759  
around and everything awesome

104  
00:04:51,670 --> 00:04:49,440  
no it's my magnus just standing there

105  
00:04:54,830 --> 00:04:51,680  
looking we look around

106  
00:04:55,990 --> 00:04:54,840  
and helicopter had appeared there's no

107  
00:04:58,150 --> 00:04:56,000  
noise

108  
00:04:59,110 --> 00:04:58,160  
but there was a helicopter there and it

109  
00:05:02,870 --> 00:04:59,120  
was only

110  
00:05:05,590 --> 00:05:02,880  
50 yards away really

111  
00:05:07,430 --> 00:05:05,600  
and we all stopped and looked at it

112  
00:05:20,550 --> 00:05:07,440  
these two guys got out

113  
00:05:25,749 --> 00:05:23,670

us on the side of the helicopter

114

00:05:27,350 --> 00:05:25,759

but what got me is when they walked out

115

00:05:29,350 --> 00:05:27,360

of the helicopter there was none of this

116

00:05:30,390 --> 00:05:29,360

crouching down and hair blowing and god

117

00:05:33,510 --> 00:05:30,400

knows what else

118

00:05:35,189 --> 00:05:33,520

they walk straight out there they

119

00:05:37,270 --> 00:05:35,199

particularly talk to me and a friend of

120

00:05:43,990 --> 00:05:37,280

mine

121

00:05:44,000 --> 00:05:48,710

we can remember

122

00:05:53,270 --> 00:05:51,909

after that should i just speak loudly or

123

00:06:04,790 --> 00:05:53,280

something can hear me if i talk like

124

00:06:07,990 --> 00:06:06,710

after that we never discussed it we

125

00:06:11,270 --> 00:06:08,000

never talked to each other about

126

00:06:15,670 --> 00:06:14,230

now that's odd as well isn't it because

127

00:06:18,230 --> 00:06:15,680

you'd tell everybody wouldn't you you'd

128

00:06:20,309 --> 00:06:18,240

be so excited

129

00:06:21,430 --> 00:06:20,319

but we never discussed it and every now

130

00:06:23,590 --> 00:06:21,440

and again

131

00:06:26,150 --> 00:06:23,600

i'd think about this thing but only when

132

00:06:28,390 --> 00:06:26,160

i was on my own never with anybody

133

00:06:31,670 --> 00:06:28,400

so i never got to actually ask anybody

134

00:06:40,070 --> 00:06:35,749

and then a lot of years later

135

00:06:43,590 --> 00:06:40,080

i was um i moved into a village

136

00:06:44,150 --> 00:06:43,600

that's been about 30 years moved into a

137

00:06:47,749 --> 00:06:44,160

village and

138

00:06:50,070 --> 00:06:47,759

i drove through the village i noticed

139

00:06:52,629 --> 00:06:50,080

this guy going to this shop that he was

140

00:06:55,510 --> 00:06:52,639

my man he used to he was that one

141

00:06:56,469 --> 00:06:55,520

going into the shop hauled on the

142

00:06:59,670 --> 00:06:56,479

anchors and

143

00:07:00,950 --> 00:06:59,680

waited for him to come out and he was

144

00:07:02,390 --> 00:07:00,960

living in the village as well

145

00:07:04,710 --> 00:07:02,400

and i haven't seen him since i was about

146

00:07:06,870 --> 00:07:04,720

20.

147

00:07:08,309 --> 00:07:06,880

and anyway we arranged to go to the pub

148

00:07:09,589 --> 00:07:08,319

we went to the pub

149

00:07:12,950 --> 00:07:09,599

standing there on a drink and i

150

00:07:17,189 --> 00:07:15,670

i said do you do you remember that

151  
00:07:18,469 --> 00:07:17,199  
incident when we were kids playing in

152  
00:07:19,909 --> 00:07:18,479  
the field and there was a helicopter

153  
00:07:21,830 --> 00:07:19,919  
there

154  
00:07:23,189 --> 00:07:21,840  
he kind of looked at me and he looked a

155  
00:07:26,150 --> 00:07:23,199  
bit odd

156  
00:07:27,430 --> 00:07:26,160  
it was like someone was clicking off how

157  
00:07:30,950 --> 00:07:27,440  
to explain

158  
00:07:34,230 --> 00:07:30,960  
but he said yeah i do i haven't thought

159  
00:07:34,240 --> 00:07:38,469  
i said do you remember what happened

160  
00:07:42,390 --> 00:07:40,710  
i couldn't remember anything about it

161  
00:07:45,510 --> 00:07:42,400  
nothing

162  
00:07:48,629 --> 00:07:45,520  
and then a few years later i went with

163  
00:07:49,990 --> 00:07:48,639

another mate to another pub

164

00:07:51,909 --> 00:07:50,000

and the landlord of this pub just

165

00:07:54,150 --> 00:07:51,919

happened to be another one of these kids

166

00:07:56,950 --> 00:07:54,160

who was there

167

00:07:57,670 --> 00:07:56,960

and i said to him hey nick do you

168

00:07:58,710 --> 00:07:57,680

remember

169

00:08:02,629 --> 00:07:58,720

when we were kids and there was a

170

00:08:03,990 --> 00:08:02,639

helicopter oh yeah i said what happened

171

00:08:06,070 --> 00:08:04,000

he said i don't know probably run away

172

00:08:07,670 --> 00:08:06,080

didn't we

173

00:08:09,270 --> 00:08:07,680

that was like really weird didn't it

174

00:08:10,070 --> 00:08:09,280

you'd remember everything about it

175

00:08:12,070 --> 00:08:10,080

wouldn't you

176  
00:08:13,909 --> 00:08:12,080  
you just tell everybody and it'd be the

177  
00:08:16,550 --> 00:08:13,919  
most exciting thing but nobody

178  
00:08:26,230 --> 00:08:20,790  
and i was thinking about when

179  
00:08:28,150 --> 00:08:26,240  
before this happened this this incident

180  
00:08:29,350 --> 00:08:28,160  
some american servicemen came to our

181  
00:08:30,790 --> 00:08:29,360  
school and taught us how to play

182  
00:08:32,709 --> 00:08:30,800  
softball

183  
00:08:34,469 --> 00:08:32,719  
and they made a real fuss of us they

184  
00:08:36,230 --> 00:08:34,479  
were from upper aphid

185  
00:08:37,829 --> 00:08:36,240  
they made a real fussing list i remember

186  
00:08:39,509 --> 00:08:37,839  
sitting on this guy's knee and he was

187  
00:08:40,630 --> 00:08:39,519  
like putting these out on me and all

188  
00:08:42,790 --> 00:08:40,640

this sort of stuff and it's really

189

00:08:45,030 --> 00:08:42,800

exciting

190

00:08:50,470 --> 00:08:45,040

and then i recorded these guys had

191

00:08:55,910 --> 00:08:52,070

and they said they'd actually said the

192

00:08:59,910 --> 00:08:57,990

because when we were kids then cowboys

193

00:09:03,350 --> 00:08:59,920

and indians was the rage

194

00:09:04,949 --> 00:09:03,360

so they this way of talking

195

00:09:07,110 --> 00:09:04,959

we would have recognized you know

196

00:09:11,670 --> 00:09:07,120

probably made us feel a bit more

197

00:09:15,030 --> 00:09:11,680

evil i did get regressed about this by

198

00:09:18,070 --> 00:09:15,040

mary rodwell if anybody knows her

199

00:09:20,150 --> 00:09:18,080

and what came out was that that wasn't a

200

00:09:23,670 --> 00:09:20,160

helicopter

201  
00:09:24,870 --> 00:09:23,680  
it was a craft you know an ant craft or

202  
00:09:27,190 --> 00:09:24,880  
whatever

203  
00:09:29,350 --> 00:09:27,200  
but i've never been absolutely sure that

204  
00:09:31,269 --> 00:09:29,360  
that's right either

205  
00:09:32,949 --> 00:09:31,279  
because i've got a feeling it's a screen

206  
00:09:35,030 --> 00:09:32,959  
memory

207  
00:09:37,030 --> 00:09:35,040  
and as i get older more and more i think

208  
00:09:39,509 --> 00:09:37,040  
it's a screen memory

209  
00:09:43,750 --> 00:09:39,519  
and i think that this was a military

210  
00:09:48,790 --> 00:09:47,110  
so but i'm not sure that's why where i'm

211  
00:09:54,310 --> 00:09:48,800  
thinking at the moment

212  
00:09:59,269 --> 00:09:56,870  
okay my earliest recollection i'm about

213  
00:10:01,190 --> 00:09:59,279

two i'm in australia

214

00:10:03,430 --> 00:10:01,200

all of a sudden i'm in bed all sudden

215

00:10:04,230 --> 00:10:03,440

they're like the rooms lit up like you

216

00:10:06,150 --> 00:10:04,240

can see

217

00:10:07,910 --> 00:10:06,160

the curtains are waving i look at the

218

00:10:10,069 --> 00:10:07,920

curtains does it start bigger standing

219

00:10:13,350 --> 00:10:10,079

there

220

00:10:19,509 --> 00:10:16,550

and i don't know who it is what's going

221

00:10:21,350 --> 00:10:19,519

on i'm really confused

222

00:10:22,630 --> 00:10:21,360

and i could remember this it was

223

00:10:25,190 --> 00:10:22,640

something that popped into me

224

00:10:27,269 --> 00:10:25,200

all my life as well then mary regrets me

225

00:10:29,590 --> 00:10:27,279

about this as well

226

00:10:30,829 --> 00:10:29,600

but it didn't really fill in any details

227

00:10:34,389 --> 00:10:30,839

more than i

228

00:10:39,829 --> 00:10:37,670

except then i started

229

00:10:40,870 --> 00:10:39,839

recollecting that this this sort of

230

00:10:44,069 --> 00:10:40,880

thing that's happened

231

00:10:45,670 --> 00:10:44,079

has happened throughout my life not just

232

00:10:48,710 --> 00:10:45,680

for another kid

233

00:10:50,550 --> 00:10:48,720

doing the next one because after this

234

00:10:58,310 --> 00:10:50,560

i was taken on board by these people

235

00:11:03,910 --> 00:11:01,430

and not just me other kids as well

236

00:11:07,110 --> 00:11:03,920

they're not just kids you go to the next

237

00:11:10,630 --> 00:11:08,630

sitting there and i saw this old man

238

00:11:13,430 --> 00:11:10,640

being pulled through

239

00:11:15,110 --> 00:11:13,440

he was fast asleep and they just dropped

240

00:11:17,269 --> 00:11:15,120

him through

241

00:11:18,790 --> 00:11:17,279

who these people were or whatever they

242

00:11:23,190 --> 00:11:18,800

were

243

00:11:28,790 --> 00:11:23,200

no idea they didn't take their hoodie

244

00:11:30,150 --> 00:11:28,800

things off whatever

245

00:11:31,750 --> 00:11:30,160

okay has anybody heard about this

246

00:11:34,710 --> 00:11:31,760

incident at the probe international

247

00:11:34,720 --> 00:11:39,190

right okay

248

00:11:43,110 --> 00:11:41,590

the organizer sent out this message i

249

00:11:45,590 --> 00:11:43,120

was speaking at this conference and the

250

00:11:48,790 --> 00:11:45,600

organizer sent out this message saying

251

00:11:55,269 --> 00:11:52,069

his um cv was

252

00:11:58,470 --> 00:11:55,279

so long that she couldn't write it

253

00:12:01,430 --> 00:11:58,480

but basically he was a

254

00:12:02,069 --> 00:12:01,440

former intelligence officer he was a

255

00:12:05,590 --> 00:12:02,079

former

256

00:12:08,829 --> 00:12:05,600

olympian he was a bodyguard

257

00:12:10,230 --> 00:12:08,839

for robert kennedy loads of different

258

00:12:12,550 --> 00:12:10,240

things

259

00:12:14,710 --> 00:12:12,560

and that he was going to be this extra

260

00:12:17,269 --> 00:12:14,720

speaker

261

00:12:19,269 --> 00:12:17,279

so nobody knew who he was nobody never

262

00:12:22,310 --> 00:12:19,279

seen him or anything

263

00:12:25,590 --> 00:12:22,320

so at the talk

264

00:12:27,350 --> 00:12:25,600

i give my talk and

265

00:12:29,750 --> 00:12:27,360

some of what i'm showing on here i've

266

00:12:32,790 --> 00:12:29,760

showed it that talk

267

00:12:34,389 --> 00:12:32,800

went in oh forgotten something actually

268

00:12:35,750 --> 00:12:34,399

when i first got there i went into the

269

00:12:37,110 --> 00:12:35,760

tea room got a cup of tea

270

00:12:38,790 --> 00:12:37,120

there's no one else in there and the

271

00:12:40,230 --> 00:12:38,800

room is kind of i don't know from here

272

00:12:43,430 --> 00:12:40,240

to

273

00:12:44,310 --> 00:12:43,440

not quite as far as about i'm right at

274

00:12:46,150 --> 00:12:44,320

that end

275

00:12:48,069 --> 00:12:46,160

making a cup of tea nobody else is in

276

00:12:49,990 --> 00:12:48,079

there

277

00:12:52,550 --> 00:12:50,000

i make the tea all i've got to do is

278

00:12:55,030 --> 00:12:52,560

stir it i put the spoon in the cup

279

00:12:56,230 --> 00:12:55,040

the door opens i look round two guys

280

00:12:58,150 --> 00:12:56,240

walking

281

00:12:59,990 --> 00:12:58,160

i go like that put up there suddenly

282

00:13:04,870 --> 00:13:00,000

those blokes are there

283

00:13:08,230 --> 00:13:04,880

in that time it freaks me out

284

00:13:09,590 --> 00:13:08,240

give me goosebumps now and i just sort

285

00:13:13,509 --> 00:13:09,600

of looked at him and

286

00:13:13,519 --> 00:13:17,910

anyway um later on

287

00:13:23,509 --> 00:13:21,030

i'd given my talk

288

00:13:25,190 --> 00:13:23,519

and then there was going to be these two

289

00:13:26,629 --> 00:13:25,200

guys from before are going to be giving

290

00:13:30,310 --> 00:13:26,639

a talk

291

00:13:34,310 --> 00:13:32,150

so i missed that one but got in at the

292

00:13:35,590 --> 00:13:34,320

end and my mate said to me oh you should

293

00:13:37,030 --> 00:13:35,600

have seen that they showed a flying

294

00:13:38,230 --> 00:13:37,040

saucer and they showed how it worked and

295

00:13:40,710 --> 00:13:38,240

lifted off and everything it was

296

00:13:42,150 --> 00:13:40,720

fantastic

297

00:13:44,949 --> 00:13:42,160

i said where do they do that he said

298

00:13:47,670 --> 00:13:44,959

just there on that table

299

00:13:47,990 --> 00:13:47,680

okay anyway there's a break again and we

300

00:13:50,389 --> 00:13:48,000

all went

301  
00:13:52,310 --> 00:13:50,399  
out came back in and i just missed the

302  
00:13:53,829 --> 00:13:52,320  
beginning of dean's talk he was talking

303  
00:13:57,269 --> 00:13:53,839  
about 9 11

304  
00:13:59,110 --> 00:13:57,279  
and how that happened um but i missed

305  
00:14:01,030 --> 00:13:59,120  
what he was saying about that but we sat

306  
00:14:04,949 --> 00:14:01,040  
down

307  
00:14:08,230 --> 00:14:04,959  
dean was pretty animated he was

308  
00:14:09,829 --> 00:14:08,240  
walking around doing this in the other

309  
00:14:11,509 --> 00:14:09,839  
and he said oh and then i was going to

310  
00:14:12,870 --> 00:14:11,519  
do bloody go oh i was going to talk

311  
00:14:19,509 --> 00:14:12,880  
about robert kennedy

312  
00:14:23,430 --> 00:14:22,550  
now i saw the spirit go out of him but

313  
00:14:27,670 --> 00:14:23,440

everybody

314

00:14:30,069 --> 00:14:27,680

just sat there they did

315

00:14:31,910 --> 00:14:30,079

part of the blurb for the talk was that

316

00:14:33,030 --> 00:14:31,920

he was going to do something surprising

317

00:14:34,550 --> 00:14:33,040

so whether

318

00:14:36,710 --> 00:14:34,560

people sat there and thought it was an

319

00:14:37,350 --> 00:14:36,720

act or what i don't know but nobody

320

00:14:40,069 --> 00:14:37,360

moved

321

00:14:42,230 --> 00:14:40,079

and then all of a sudden everybody ran

322

00:14:43,829 --> 00:14:42,240

to help him

323

00:14:45,430 --> 00:14:43,839

but i'd seen the spirit go out and so i

324

00:14:49,590 --> 00:14:45,440

didn't

325

00:14:49,600 --> 00:14:53,910

a guy who used to be in the

326

00:15:00,310 --> 00:14:58,069

um secret military then

327

00:15:01,430 --> 00:15:00,320

who some of you know but i won't say his

328

00:15:05,269 --> 00:15:01,440

name

329

00:15:07,750 --> 00:15:05,279

um was sitting at the

330

00:15:08,629 --> 00:15:07,760

at the back wall looking out on the

331

00:15:12,150 --> 00:15:08,639

audience and

332

00:15:14,710 --> 00:15:12,160

he said straight away that was a hip

333

00:15:16,870 --> 00:15:14,720

you can buy this i think he said it was

334

00:15:18,790 --> 00:15:16,880

10 grand there's this

335

00:15:22,550 --> 00:15:18,800

machine you can get that can cause a

336

00:15:26,230 --> 00:15:24,829

anyway that that was a very surprising

337

00:15:29,030 --> 00:15:26,240

incident

338

00:15:32,150 --> 00:15:29,040

but what had happened before that was

339

00:15:35,269 --> 00:15:33,910

my friend who i'd gone up there with

340

00:15:38,389 --> 00:15:35,279

who's ex

341

00:15:42,230 --> 00:15:38,399

power and a few other

342

00:15:43,829 --> 00:15:42,240

things including naughty things um

343

00:15:46,230 --> 00:15:43,839

he was in the tea room with loads of

344

00:15:47,350 --> 00:15:46,240

other people and i was in there at the

345

00:15:49,829 --> 00:15:47,360

beginning

346

00:15:51,829 --> 00:15:49,839

and this this guy had approached me

347

00:15:55,269 --> 00:15:51,839

after my talk and he said to me

348

00:15:55,990 --> 00:15:55,279

ellis i gotta brilliant presentation i

349

00:15:57,030 --> 00:15:56,000

love it

350

00:15:59,350 --> 00:15:57,040

but there's something there i've got to

351

00:16:00,870 --> 00:15:59,360

talk to you about

352

00:16:03,269 --> 00:16:00,880

and i said you know what then this other

353

00:16:07,990 --> 00:16:03,279

guy came up he said i have to leave

354

00:16:11,110 --> 00:16:08,000

that turned out to be dean warwick

355

00:16:12,389 --> 00:16:11,120

now i left then but everybody else is in

356

00:16:17,509 --> 00:16:12,399

this room

357

00:16:22,949 --> 00:16:20,389

dean who i now know to be dean said to

358

00:16:24,870 --> 00:16:22,959

my friend i know you

359

00:16:27,749 --> 00:16:24,880

said no you don't know i never forget

360

00:16:29,590 --> 00:16:27,759

the fact he said yeah i know you he said

361

00:16:32,230 --> 00:16:29,600

i remember where soon and then he came

362

00:16:34,150 --> 00:16:32,240

back in and he said

363

00:16:35,749 --> 00:16:34,160

you were working in the islands in

364

00:16:36,470 --> 00:16:35,759

scotland said no i've never been to

365

00:16:43,430 --> 00:16:36,480

scotland

366

00:16:49,990 --> 00:16:46,389

he said you worked on blue streak have

367

00:16:52,069 --> 00:16:50,000

you had a blue streak

368

00:16:53,829 --> 00:16:52,079

it was like uh an end of the world

369

00:16:55,670 --> 00:16:53,839

weapon and they buried it in warmer in

370

00:16:59,110 --> 00:16:55,680

the end

371

00:17:02,870 --> 00:17:01,110

when he mentioned when dean mentioned

372

00:17:04,630 --> 00:17:02,880

blue streak

373

00:17:06,069 --> 00:17:04,640

one of these guys who'd come into the

374

00:17:09,669 --> 00:17:06,079

room earlier

375

00:17:11,429 --> 00:17:09,679

who just appeared in no time next to me

376

00:17:12,710 --> 00:17:11,439

launched at him with the most vicious

377

00:17:15,669 --> 00:17:12,720

assault and said

378

00:17:17,990 --> 00:17:15,679

when the lord marduk returns you will be

379

00:17:24,309 --> 00:17:18,000

one of the first

380

00:17:28,150 --> 00:17:27,110

and everybody was like what's going on

381

00:17:32,950 --> 00:17:28,160

here

382

00:17:36,070 --> 00:17:32,960

and then i carried on talking and then

383

00:17:37,830 --> 00:17:36,080

dean said something about oh i've got to

384

00:17:39,990 --> 00:17:37,840

move away from the window because i'm

385

00:17:42,230 --> 00:17:40,000

expecting a red dot on my forehead

386

00:17:55,830 --> 00:17:42,240

any minute because i've been told i will

387

00:17:59,270 --> 00:17:57,270

anyway you can read about that on the

388

00:18:02,310 --> 00:17:59,280

internet there's people written boat

389

00:18:05,510 --> 00:18:02,320

including me on the internet

390

00:18:09,270 --> 00:18:05,520

but yeah dangerous going to

391

00:18:09,280 --> 00:18:12,870

we've gone backwards

392

00:18:16,950 --> 00:18:15,510

so what did what do i think that dean

393

00:18:20,710 --> 00:18:16,960

wanted to talk to me about

394

00:18:25,350 --> 00:18:23,190

because this was this photograph a very

395

00:18:26,710 --> 00:18:25,360

famous photograph was taken in somewhere

396

00:18:28,390 --> 00:18:26,720

first

397

00:18:33,270 --> 00:18:28,400

which is where some of the work on blue

398

00:18:39,430 --> 00:18:36,549

and whimera wanted to know

399

00:18:41,510 --> 00:18:39,440

how come they had to photograph this guy

400

00:18:44,150 --> 00:18:41,520

behind it

401  
00:18:45,990 --> 00:18:44,160  
when people like that have been walking

402  
00:18:52,630 --> 00:18:46,000  
backwards and forwards over the landing

403  
00:19:00,310 --> 00:18:56,549  
it looks very similar to

404  
00:19:01,830 --> 00:19:00,320  
whatever they were that were taking me

405  
00:19:07,350 --> 00:19:01,840  
so that's my guess as to what he was

406  
00:19:11,350 --> 00:19:10,310  
so beginning 30th you know a little bit

407  
00:19:14,630 --> 00:19:11,360  
before

408  
00:19:16,710 --> 00:19:14,640  
march like 47 days and nights of

409  
00:19:22,789 --> 00:19:16,720  
constant stuff

410  
00:19:28,549 --> 00:19:26,950  
okay march 1996. um this began with me

411  
00:19:31,190 --> 00:19:28,559  
just all of a sudden had this feeling

412  
00:19:36,310 --> 00:19:31,200  
you ought to report that ufo

413  
00:19:36,320 --> 00:19:46,310

forgot the name

414

00:19:49,270 --> 00:19:47,590

so i'm looking through the telephone

415

00:19:51,190 --> 00:19:49,280

book see if there's a ufo group can i

416

00:19:54,230 --> 00:19:51,200

find one for argument

417

00:19:58,710 --> 00:19:57,750

and then that next morning or something

418

00:20:01,750 --> 00:19:58,720

i think it was

419

00:20:03,990 --> 00:20:01,760

um doing this one

420

00:20:07,510 --> 00:20:04,000

i was in the shower i noticed my leg had

421

00:20:10,070 --> 00:20:07,520

been shaved over a scar

422

00:20:13,190 --> 00:20:10,080

oh it's a little bit weird i didn't

423

00:20:19,830 --> 00:20:17,510

and then my step-daughter

424

00:20:20,870 --> 00:20:19,840

kept waking up really kind of

425

00:20:23,430 --> 00:20:20,880

constrained

426  
00:20:27,190 --> 00:20:23,440  
like screaming and stuff we never shed

427  
00:20:31,669 --> 00:20:30,390  
and i said to my partner the first time

428  
00:20:36,149 --> 00:20:31,679  
she had a red circle

429  
00:20:39,909 --> 00:20:37,750  
anyway that's just the beginning of it

430  
00:20:46,070 --> 00:20:39,919  
so the next

431  
00:20:49,669 --> 00:20:46,080  
next thing come 30th of april 1996.

432  
00:20:53,510 --> 00:20:49,679  
i woke up went to the loo came back

433  
00:20:55,190 --> 00:20:53,520  
got into bed my partner good

434  
00:21:00,630 --> 00:20:55,200  
chucked the covers off me what's that

435  
00:21:07,590 --> 00:21:05,590  
so on me i had all these strange

436  
00:21:10,789 --> 00:21:07,600  
patterns and designs or whatever i was

437  
00:21:28,830 --> 00:21:14,710  
um painting

438  
00:21:28,840 --> 00:21:36,630

um

439

00:21:42,630 --> 00:21:40,230

it was like radiation bones

440

00:21:45,110 --> 00:21:42,640

and this space whatever it is i'm still

441

00:21:51,270 --> 00:21:45,120

not really sure what it is

442

00:22:00,310 --> 00:21:54,310

and these finger marks on my

443

00:22:03,830 --> 00:22:02,230

this is my partner talking about it do

444

00:22:09,110 --> 00:22:03,840

you want to hear it we've got times

445

00:22:12,870 --> 00:22:11,029

so anyway all these designs and things

446

00:22:13,350 --> 00:22:12,880

are all over my body etc and this

447

00:22:17,350 --> 00:22:13,360

happened

448

00:22:19,909 --> 00:22:17,360

like over 47 days loads of times

449

00:22:21,110 --> 00:22:19,919

and every night things will happen talk

450

00:22:22,870 --> 00:22:21,120

about in a minute but

451  
00:22:25,029 --> 00:22:22,880  
i just wanted to point this out has

452  
00:22:26,789 --> 00:22:25,039  
anybody seen taken

453  
00:22:29,110 --> 00:22:26,799  
it's really good it's worth watching

454  
00:22:32,710 --> 00:22:29,120  
it's it's very accurate

455  
00:22:34,630 --> 00:22:32,720  
um and the thing is that during it

456  
00:22:35,909 --> 00:22:34,640  
in taking there's this guy wakes up for

457  
00:22:38,950 --> 00:22:35,919  
these things

458  
00:22:41,750 --> 00:22:38,960  
now i'd add my photographs on the

459  
00:22:43,990 --> 00:22:41,760  
on my website for a while so i think

460  
00:22:47,430 --> 00:22:44,000  
their researchers saw them

461  
00:22:48,950 --> 00:22:47,440  
and used the same sort of thing

462  
00:22:50,630 --> 00:22:48,960  
part of our work we've met through

463  
00:22:52,710 --> 00:22:50,640

people who have been abducted with

464

00:22:54,630 --> 00:22:52,720

exactly the same

465

00:22:56,230 --> 00:22:54,640

things on their answer finger mobs don't

466

00:23:00,070 --> 00:22:56,240

surprise me

467

00:23:03,110 --> 00:23:00,080

well this was back in 1996

468

00:23:04,470 --> 00:23:03,120

and they went on my website and their

469

00:23:07,990 --> 00:23:04,480

research is obviously

470

00:23:10,149 --> 00:23:08,000

wanting to be accurate look around and

471

00:23:12,230 --> 00:23:10,159

i think there wasn't hardly anything on

472

00:23:14,390 --> 00:23:12,240

the internet then but

473

00:23:16,950 --> 00:23:14,400

the other thing was that i i'd also

474

00:23:20,830 --> 00:23:16,960

channeled this drawing

475

00:23:20,840 --> 00:23:23,909

so

476

00:23:27,270 --> 00:23:25,990

i think i think that just goes you know

477

00:23:29,430 --> 00:23:27,280

that's off to him for

478

00:23:30,310 --> 00:23:29,440

doing such good research because it's a

479

00:23:58,950 --> 00:23:30,320

really really

480

00:24:02,390 --> 00:24:00,789

yes that reminds me of that on the

481

00:24:25,029 --> 00:24:02,400

left-hand side

482

00:24:29,990 --> 00:24:27,269

okay now a lot of people sort of dismiss

483

00:24:32,630 --> 00:24:30,000

this guy but i don't

484

00:24:33,510 --> 00:24:32,640

and the reason i don't is because those

485

00:24:36,710 --> 00:24:33,520

hands

486

00:24:38,310 --> 00:24:36,720

that he's showing there look

487

00:24:41,669 --> 00:24:38,320

too much like those fingerprints on

488

00:24:41,679 --> 00:24:45,590

and next one

489

00:24:51,510 --> 00:24:48,870

oh there should be another one john

490

00:24:53,510 --> 00:24:51,520

go back maybe that comes later sorry

491

00:24:56,230 --> 00:24:53,520

about that

492

00:24:58,230 --> 00:24:56,240

yeah so anyway when this happened my

493

00:25:01,029 --> 00:24:58,240

partner was freaked out

494

00:25:02,870 --> 00:25:01,039

no end on this 13th of april the first

495

00:25:07,029 --> 00:25:02,880

time it happened

496

00:25:11,510 --> 00:25:07,039

she she was kind of inconsolable

497

00:25:16,230 --> 00:25:11,520

and she was scared out of her way

498

00:25:18,310 --> 00:25:16,240

and some reason i i wasn't but

499

00:25:20,870 --> 00:25:18,320

i wanted to help her and i didn't know

500

00:25:24,950 --> 00:25:20,880

what i could do to help her

501  
00:25:28,070 --> 00:25:26,950  
who might know about this sort of stuff

502  
00:25:31,029 --> 00:25:28,080  
to talk to her

503  
00:25:34,390 --> 00:25:31,039  
who was like a psychologist or something

504  
00:25:38,230 --> 00:25:36,149  
and then i remembered that i'd phoned up

505  
00:25:41,430 --> 00:25:38,240  
this ufo group i thought oh

506  
00:25:44,230 --> 00:25:41,440  
i wonder if they know anybody so

507  
00:25:45,269 --> 00:25:44,240  
i phoned him up and this guy called

508  
00:25:46,789 --> 00:25:45,279  
brian answered

509  
00:25:48,390 --> 00:25:46,799  
and i told him what happened he said oh

510  
00:25:52,310 --> 00:25:48,400  
don't worry he said it only ever happens

511  
00:25:59,510 --> 00:25:57,029  
he said it don't happen again

512  
00:26:01,350 --> 00:25:59,520  
he said i told him that she'd taken

513  
00:26:04,950 --> 00:26:01,360

these photographs

514

00:26:09,669 --> 00:26:07,269

they lasted for about 10 minutes caught

515

00:26:11,430 --> 00:26:09,679

an hour ago sort of like that

516

00:26:13,590 --> 00:26:11,440

after we noticed them but then they

517

00:26:15,510 --> 00:26:13,600

faded how long they'd been on there

518

00:26:18,390 --> 00:26:15,520

before we woke up i don't know but

519

00:26:20,710 --> 00:26:18,400

that's that's what happened and he said

520

00:26:24,950 --> 00:26:20,720

oh we've got a meeting this friday

521

00:26:27,110 --> 00:26:24,960

could you bring the photographs along

522

00:26:29,110 --> 00:26:27,120

yeah i said but have you got anybody

523

00:26:30,630 --> 00:26:29,120

there who could kind of cancel my

524

00:26:34,630 --> 00:26:30,640

partner because she's terrified

525

00:26:37,350 --> 00:26:35,909

he said but you never know who's going

526

00:26:38,390 --> 00:26:37,360

to come they might be you know somebody

527

00:26:40,390 --> 00:26:38,400

might turn up

528

00:26:42,870 --> 00:26:40,400

and they held it at murdoch university

529

00:26:44,710 --> 00:26:42,880

in perth and and it was like

530

00:26:46,870 --> 00:26:44,720

loads of academics there but they were

531

00:26:49,029 --> 00:26:46,880

academics who were very interested in

532

00:26:50,789 --> 00:26:49,039

the paranormal and ufos and all that

533

00:26:52,070 --> 00:26:50,799

kind of stuff

534

00:26:54,149 --> 00:26:52,080

and they were quite a good bunch of

535

00:26:56,789 --> 00:26:54,159

people actually

536

00:26:58,390 --> 00:26:56,799

but i went along there and i'm talking

537

00:27:03,190 --> 00:26:58,400

to

538

00:27:03,669 --> 00:27:03,200

this guy called simon harvey wilson he's

539

00:27:06,789 --> 00:27:03,679

done

540

00:27:09,590 --> 00:27:06,799

quite a lot he's passed away now but

541

00:27:10,230 --> 00:27:09,600

he did a lot of work on consciousness

542

00:27:12,870 --> 00:27:10,240

spirit

543

00:27:13,590 --> 00:27:12,880

and all that kind of stuff and and

544

00:27:17,029 --> 00:27:13,600

ukraine

545

00:27:18,310 --> 00:27:17,039

became quite well known anyway i'm

546

00:27:20,310 --> 00:27:18,320

talking to him and he's looking at

547

00:27:22,149 --> 00:27:20,320

photographs et cetera my ear starts

548

00:27:23,830 --> 00:27:22,159

itching like anything else

549

00:27:26,950 --> 00:27:23,840

i've been bitten by a mosquito which is

550

00:27:29,750 --> 00:27:26,960

a regular currency in australia

551  
00:27:31,430 --> 00:27:29,760  
and it was itching like anything anyway

552  
00:27:33,110 --> 00:27:31,440  
and i thought if i went home

553  
00:27:34,870 --> 00:27:33,120  
got back and i said i'm sorry love there

554  
00:27:37,269 --> 00:27:34,880  
wasn't anybody who could help us but

555  
00:27:39,350 --> 00:27:37,279  
we'll keep looking

556  
00:27:41,110 --> 00:27:39,360  
and i said oh have i bitten by a

557  
00:27:45,430 --> 00:27:41,120  
mosquito and i showed you the back of my

558  
00:27:52,389 --> 00:27:49,110  
that's me pulling the lobe there

559  
00:27:56,789 --> 00:27:52,399  
the next morning is the next one this is

560  
00:28:04,950 --> 00:28:00,830  
um that was what it was like in the

561  
00:28:09,750 --> 00:28:07,269  
is what it looked like without being

562  
00:28:12,870 --> 00:28:09,760  
pulled out like that

563  
00:28:15,430 --> 00:28:12,880

there's a circle around it the cuts

564

00:28:17,110 --> 00:28:15,440

down there and these were like stitches

565

00:28:20,630 --> 00:28:17,120

but they weren't thread they were like

566

00:28:25,029 --> 00:28:23,510

then i remembered that like for a couple

567

00:28:26,630 --> 00:28:25,039

of weeks before and every now and again

568

00:28:27,029 --> 00:28:26,640

i got look and i could feel something

569

00:28:32,789 --> 00:28:27,039

like

570

00:28:39,269 --> 00:28:36,950

now what happened was that that morning

571

00:28:41,029 --> 00:28:39,279

before i'd gone to the meeting i felt

572

00:28:44,310 --> 00:28:41,039

like i wanted to have a meditate so i

573

00:28:47,029 --> 00:28:44,320

went and laid down in bed

574

00:28:48,549 --> 00:28:47,039

almost as soon as i lay down something

575

00:28:51,350 --> 00:28:48,559

clamped around my ankles

576  
00:28:52,710 --> 00:28:51,360  
i could feel someone's hands holding my

577  
00:28:55,830 --> 00:28:52,720  
shoulders down

578  
00:28:57,909 --> 00:28:55,840  
and out i went and i could feel this

579  
00:28:59,590 --> 00:28:57,919  
something whizzing around in my mouth

580  
00:29:01,909 --> 00:28:59,600  
like a ball wasn't around really fast in

581  
00:29:04,149 --> 00:29:01,919  
my mouth

582  
00:29:05,909 --> 00:29:04,159  
and the next thing i knew i came to and

583  
00:29:07,909 --> 00:29:05,919  
i was like really groggy like i've been

584  
00:29:11,350 --> 00:29:07,919  
running over by a truck or something

585  
00:29:15,029 --> 00:29:11,360  
just couldn't come together you know

586  
00:29:17,510 --> 00:29:15,039  
took ages to sort of come round

587  
00:29:18,630 --> 00:29:17,520  
so i think that's when that cut was done

588  
00:29:22,710 --> 00:29:18,640

is in

589

00:29:22,720 --> 00:29:30,230

so yeah

590

00:29:33,909 --> 00:29:31,830

this is some of the things that i

591

00:29:35,430 --> 00:29:33,919

remember when i was there i remember in

592

00:29:37,390 --> 00:29:35,440

the morning what had happened and all

593

00:29:38,710 --> 00:29:37,400

sometimes during the day as well

594

00:29:41,269 --> 00:29:38,720

[Music]

595

00:29:42,470 --> 00:29:41,279

um i'm just on this craft and there's

596

00:29:44,630 --> 00:29:42,480

these two

597

00:29:46,149 --> 00:29:44,640

two beards it took absolutely no notice

598

00:29:48,950 --> 00:29:46,159

of me

599

00:29:49,830 --> 00:29:48,960

huge white bright place and they just

600

00:29:51,909 --> 00:29:49,840

kind of

601  
00:29:53,750 --> 00:29:51,919  
yeah didn't tell you that's me i just

602  
00:29:58,310 --> 00:29:53,760  
wandered around the crowd

603  
00:30:02,470 --> 00:30:00,789  
and i came across this great big bank of

604  
00:30:03,990 --> 00:30:02,480  
like an appliance like

605  
00:30:07,430 --> 00:30:04,000  
fridges all on top of each other or

606  
00:30:10,310 --> 00:30:07,440  
something you know that shiny white

607  
00:30:12,630 --> 00:30:10,320  
these red stick handles every single one

608  
00:30:14,389 --> 00:30:12,640  
there was stick handles look red

609  
00:30:17,909 --> 00:30:14,399  
it says something about the way they

610  
00:30:23,990 --> 00:30:22,549  
and i remember pulling one out

611  
00:30:26,630 --> 00:30:24,000  
and there were all his body parts in

612  
00:30:34,710 --> 00:30:26,640  
there then someone said to me

613  
00:30:34,720 --> 00:30:44,710

got told

614

00:30:44,720 --> 00:30:48,070

now this craft

615

00:30:54,870 --> 00:30:52,870

went up and when it was high enough

616

00:30:57,909 --> 00:30:54,880

the walls that were you couldn't see

617

00:30:59,590 --> 00:30:57,919

through became seasoned

618

00:31:01,750 --> 00:30:59,600

and you can see everything all around

619

00:31:03,430 --> 00:31:01,760

you

620

00:31:05,269 --> 00:31:03,440

i remember this guy he wasn't actually

621

00:31:07,190 --> 00:31:05,279

sitting on the seat he was kind of

622

00:31:09,669 --> 00:31:07,200

suspended it was like weird and we were

623

00:31:14,070 --> 00:31:09,679

heading towards this planet and

624

00:31:20,389 --> 00:31:14,080

all these crafts were coming towards us

625

00:31:27,669 --> 00:31:23,350

now the times i could remember going up

626

00:31:27,679 --> 00:31:34,230

other times what i remember is going up

627

00:31:38,710 --> 00:31:35,830

and every time it goes like that it's

628

00:31:40,389 --> 00:31:38,720

like a ring of smoke it looks like

629

00:31:59,029 --> 00:31:40,399

obviously not smoke that's what it looks

630

00:31:59,039 --> 00:32:03,110

in bed and uh

631

00:32:03,120 --> 00:32:08,230

i could feel something behind me

632

00:32:12,070 --> 00:32:10,070

but i couldn't move i was trying to see

633

00:32:15,669 --> 00:32:12,080

what was behind me but in the

634

00:32:18,789 --> 00:32:15,679

mirror i could see this being

635

00:32:19,990 --> 00:32:18,799

and then i could see other things moving

636

00:32:22,950 --> 00:32:20,000

around

637

00:32:25,350 --> 00:32:22,960

as well and then something jumped on the

638

00:32:28,070 --> 00:32:25,360

bed and it was like

639

00:32:29,509 --> 00:32:28,080

wasn't heavy it was like an apple say if

640

00:32:32,149 --> 00:32:29,519

you dropped an apple on the bed the

641

00:32:36,389 --> 00:32:32,159

weight without hardly any weight at all

642

00:32:40,230 --> 00:32:36,399

i felt it and i was sort of like that

643

00:32:44,950 --> 00:32:40,240

and then i could feel

644

00:32:47,110 --> 00:32:44,960

something holds my elbow like that

645

00:32:48,149 --> 00:32:47,120

and it felt and i never felt a dolphin

646

00:32:50,149 --> 00:32:48,159

but at the time

647

00:32:52,549 --> 00:32:50,159

i thought to myself that feels like a

648

00:32:55,990 --> 00:32:52,559

dolphin would feel

649

00:33:01,830 --> 00:32:56,000

like the texture and etc there was no

650

00:33:04,070 --> 00:33:01,840

pressure but i found myself sitting up

651  
00:33:05,830 --> 00:33:04,080  
and i'd said to myself before this one

652  
00:33:07,990 --> 00:33:05,840  
right i'm not going to be scared

653  
00:33:09,190 --> 00:33:08,000  
if they take me again i'm going and

654  
00:33:12,310 --> 00:33:09,200  
under the towel

655  
00:33:15,830 --> 00:33:12,320  
right leave me alone

656  
00:33:21,669 --> 00:33:15,840  
and i sat i was sitting up

657  
00:33:25,029 --> 00:33:24,470  
next thing i'm lying back down my part

658  
00:33:26,870 --> 00:33:25,039  
says

659  
00:33:28,070 --> 00:33:26,880  
what's up i should have been again now

660  
00:33:31,110 --> 00:33:28,080  
they haven't she said i went

661  
00:33:32,710 --> 00:33:31,120  
back to sleep i had all these circles

662  
00:33:35,190 --> 00:33:32,720  
and things all over

663  
00:33:36,470 --> 00:33:35,200

and and finger marks and all that sort

664

00:33:39,590 --> 00:33:36,480

of stuff

665

00:33:42,230 --> 00:33:39,600

in the morning i said to her

666

00:33:44,470 --> 00:33:42,240

they did come last night look i'm still

667

00:33:45,590 --> 00:33:44,480

on me something

668

00:33:47,509 --> 00:33:45,600

what are you talking about i said well

669

00:33:49,909 --> 00:33:47,519

you when i told you last night that i've

670

00:33:52,389 --> 00:33:49,919

been said dad

671

00:33:53,029 --> 00:33:52,399

and he said no they didn't no i didn't i

672

00:33:54,710 --> 00:33:53,039

didn't

673

00:33:57,269 --> 00:33:54,720

i don't remember talking to your toddler

674

00:34:03,029 --> 00:34:00,389

anyway this one if you just

675

00:34:03,909 --> 00:34:03,039

press on the picture you might see it

676  
00:34:06,470 --> 00:34:03,919  
but i

677  
00:34:09,510 --> 00:34:06,480  
this is this is how they manifest i'm

678  
00:34:09,520 --> 00:34:13,270  
will it

679  
00:34:19,109 --> 00:34:17,349  
no i don't do anything

680  
00:34:21,669 --> 00:34:19,119  
i just kind of come out of nothing and

681  
00:34:23,349 --> 00:34:21,679  
it's like

682  
00:34:25,349 --> 00:34:23,359  
snow or something like that it's just

683  
00:34:28,149 --> 00:34:25,359  
sort of

684  
00:34:29,349 --> 00:34:28,159  
near a beam so they come into this

685  
00:34:32,829 --> 00:34:29,359  
dimension that way

686  
00:34:34,149 --> 00:34:32,839  
other times what you find is like i just

687  
00:34:35,750 --> 00:34:34,159  
said

688  
00:34:38,550 --> 00:34:35,760

but on this particular occasion it

689

00:34:42,069 --> 00:34:38,560

fizzled into the air

690

00:34:43,750 --> 00:34:42,079

but yeah they're interdimensional

691

00:34:45,190 --> 00:34:43,760

i'm absolutely convinced they're

692

00:34:51,430 --> 00:34:45,200

interdimensional

693

00:34:54,550 --> 00:34:52,950

so that was the other thing i wanted to

694

00:34:55,270 --> 00:34:54,560

show no one draws the thing no one talks

695

00:34:57,829 --> 00:34:55,280

about the thing

696

00:35:00,390 --> 00:34:57,839

we're going to do now they never used to

697

00:35:02,069 --> 00:35:00,400

but that's what they don't like

698

00:35:05,829 --> 00:35:02,079

and there's a picture of boyd bush was

699

00:35:10,470 --> 00:35:09,190

i think the guy's genuinely and this is

700

00:35:14,829 --> 00:35:10,480

the death pen

701  
00:35:20,870 --> 00:35:17,670

okay

702  
00:35:23,030 --> 00:35:20,880

that was uh me in the garden i

703  
00:35:25,109 --> 00:35:23,040

just take a picture sort of a picture

704  
00:35:29,430 --> 00:35:25,119

there's

705  
00:35:32,630 --> 00:35:31,270

and you see all the energy's got funny

706  
00:35:36,390 --> 00:35:32,640

around anyway

707  
00:35:39,430 --> 00:35:37,750

that was something that i print that

708  
00:35:40,630 --> 00:35:39,440

looks like a little baby's hand or

709  
00:35:43,910 --> 00:35:40,640

something and i

710  
00:35:49,190 --> 00:35:43,920

we didn't have a little baby it's a tiny

711  
00:35:55,030 --> 00:35:51,670

yeah when one night i felt really ill

712  
00:35:57,030 --> 00:35:55,040

and my heart was hurting

713  
00:35:59,750 --> 00:35:57,040

and i was thinking that like something's

714

00:36:01,910 --> 00:35:59,760

gonna happen to me in the night and um

715

00:36:03,190 --> 00:36:01,920

so i before i went to sleep i prayed

716

00:36:05,589 --> 00:36:03,200

that i took healed

717

00:36:07,910 --> 00:36:05,599

i woke up in the morning feeling great

718

00:36:10,069 --> 00:36:07,920

but i had that on me

719

00:36:11,349 --> 00:36:10,079

like someone cut me open and done

720

00:36:16,390 --> 00:36:11,359

something to my

721

00:36:16,400 --> 00:36:37,349

more strange fingerprints

722

00:36:41,190 --> 00:36:39,750

now this is getting into the realms of

723

00:36:47,670 --> 00:36:41,200

what i'm doing now

724

00:36:53,349 --> 00:36:50,950

and that's always well

725

00:36:55,670 --> 00:36:53,359

that's who they are and they're me up

726

00:37:00,150 --> 00:36:55,680

into this light box

727

00:37:03,670 --> 00:37:00,160

um that's me up in the air going in

728

00:37:06,950 --> 00:37:03,680

the lots of the houses below

729

00:37:10,069 --> 00:37:08,790

yeah lovely i went to laughlin to the

730

00:37:14,310 --> 00:37:10,079

ufo conference

731

00:37:21,109 --> 00:37:17,910

i went with paul and andrews and also

732

00:37:23,670 --> 00:37:21,119

mike aurum and franny's partner

733

00:37:26,630 --> 00:37:23,680

does anybody know these people that's

734

00:37:28,390 --> 00:37:26,640

i've um corresponded with my core um

735

00:37:29,910 --> 00:37:28,400

i think they come here but um they're

736

00:37:32,950 --> 00:37:29,920

not well as he's worked quite well

737

00:37:36,470 --> 00:37:32,960

that's right yeah yeah back to next year

738

00:37:37,750 --> 00:37:36,480

but lovely people and very interesting

739

00:37:39,430 --> 00:37:37,760

people as well

740

00:37:41,349 --> 00:37:39,440

lots of strange things have happened to

741

00:37:43,430 --> 00:37:41,359

them so off we

742

00:37:44,470 --> 00:37:43,440

well we didn't go together but we met up

743

00:37:48,829 --> 00:37:44,480

when we got there

744

00:37:48,839 --> 00:37:58,470

yeah i had a horrendous time

745

00:38:08,230 --> 00:38:02,069

they gave me a room in in this hotel

746

00:38:11,430 --> 00:38:10,150

the first like i'd only been in there a

747

00:38:13,109 --> 00:38:11,440

few minutes and

748

00:38:15,750 --> 00:38:13,119

i went in the front door and there was

749

00:38:20,069 --> 00:38:15,760

like a door there to the bathroom and

750

00:38:21,430 --> 00:38:20,079

i was just in there just washing my face

751  
00:38:24,710 --> 00:38:21,440  
look around there this woman walking

752  
00:38:28,710 --> 00:38:27,510  
went out the door nobody there and then

753  
00:38:30,230 --> 00:38:28,720  
every single night

754  
00:38:32,470 --> 00:38:30,240  
you could hear like there's a party

755  
00:38:35,030 --> 00:38:32,480  
going on there all this talking about

756  
00:38:36,790 --> 00:38:35,040  
noises clattering glasses it's just a

757  
00:38:37,270 --> 00:38:36,800  
racket all the time i never got any

758  
00:38:39,750 --> 00:38:37,280  
sleep

759  
00:38:42,630 --> 00:38:39,760  
i was just i was knackered from the

760  
00:38:45,589 --> 00:38:42,640  
minute i got there to the minute i left

761  
00:38:47,349 --> 00:38:45,599  
but other things that happened as well i

762  
00:38:50,710 --> 00:38:47,359  
was sitting in the audience watching

763  
00:38:52,230 --> 00:38:50,720

listening to a speaker and i was

764

00:38:53,990 --> 00:38:52,240

chatting to these two people sitting

765

00:38:55,670 --> 00:38:54,000

here and

766

00:38:57,109 --> 00:38:55,680

there's like hundreds of people in this

767

00:39:00,150 --> 00:38:57,119

place

768

00:39:03,990 --> 00:39:00,160

and the floor started

769

00:39:08,150 --> 00:39:04,000

these people next to me looked at me

770

00:39:09,510 --> 00:39:08,160

i don't know anyway the talk was soon

771

00:39:12,790 --> 00:39:09,520

over and out we went

772

00:39:14,550 --> 00:39:12,800

and i i said to paula harris do you know

773

00:39:17,990 --> 00:39:14,560

paralyzed she's another

774

00:39:19,990 --> 00:39:18,000

she's a ufo journalist anyway i said

775

00:39:21,589 --> 00:39:20,000

i said what do you think that was an

776

00:39:23,270 --> 00:39:21,599

earthquake he said what

777

00:39:25,990 --> 00:39:23,280

nobody else had felt this thing except

778

00:39:28,870 --> 00:39:26,000

just for you sitting there

779

00:39:31,349 --> 00:39:28,880

next day another in the audience again

780

00:39:32,630 --> 00:39:31,359

but sitting in a different place

781

00:39:33,990 --> 00:39:32,640

and the people who are sitting next to

782

00:39:38,550 --> 00:39:34,000

me were sort of sitting two rows in

783

00:39:44,790 --> 00:39:42,710

these two people were oh my god

784

00:39:45,990 --> 00:39:44,800

i sort of shouted over to these two here

785

00:39:50,390 --> 00:39:46,000

like i said

786

00:39:54,550 --> 00:39:52,550

so whether it was me or what i don't

787

00:39:55,430 --> 00:39:54,560

know but this was definitely around me

788

00:39:59,670 --> 00:39:55,440

anyway

789

00:40:01,910 --> 00:39:59,680

and it was it was very uncomfortable

790

00:40:04,309 --> 00:40:01,920

but i saw people shape shifting i saw a

791

00:40:06,309 --> 00:40:04,319

well-known speaker shake shift well he

792

00:40:06,790 --> 00:40:06,319

actually walked in he was a reptilian

793

00:40:10,550 --> 00:40:06,800

then

794

00:40:11,990 --> 00:40:10,560

shifted into a human being and all these

795

00:40:15,270 --> 00:40:12,000

weird things are going on

796

00:40:17,270 --> 00:40:15,280

all the time paul and alan had weighed

797

00:40:19,349 --> 00:40:17,280

things up and might confront that weird

798

00:40:23,349 --> 00:40:19,359

for example

799

00:40:29,349 --> 00:40:26,710

paul and myself and their two friends we

800

00:40:35,990 --> 00:40:29,359

decided we'd go early and we went to

801

00:40:39,750 --> 00:40:38,309

so we win that look at area 51 and all

802

00:40:41,270 --> 00:40:39,760

that sort of stuff paul and i

803

00:40:43,030 --> 00:40:41,280

have been there before and mike had been

804

00:40:45,430 --> 00:40:43,040

there before as well because he talks

805

00:40:49,430 --> 00:40:48,069

um and yeah there's a jeep up there on

806

00:40:50,950 --> 00:40:49,440

the

807

00:40:55,589 --> 00:40:50,960

sand dune or whatever it is with

808

00:40:59,750 --> 00:40:57,670

so we looked around there and then we

809

00:41:03,030 --> 00:40:59,760

went to

810

00:41:06,630 --> 00:41:03,040

las vegas which i hated

811

00:41:09,430 --> 00:41:06,640

again all sorts of problems

812

00:41:11,510 --> 00:41:09,440

i left there to go to sydney so i had to

813

00:41:14,870 --> 00:41:11,520

catch a plane from vegas to

814

00:41:18,870 --> 00:41:14,880

los angeles i think it was and then

815

00:41:22,550 --> 00:41:18,880

off to sydney but when i got to

816

00:41:24,710 --> 00:41:22,560

um the airport in vegas

817

00:41:25,670 --> 00:41:24,720

standing in this queue for the passport

818

00:41:28,470 --> 00:41:25,680

etcetera

819

00:41:29,190 --> 00:41:28,480

now there's this huge guy sitting there

820

00:41:31,190 --> 00:41:29,200

again

821

00:41:32,950 --> 00:41:31,200

like checking people's passports he had

822

00:41:36,069 --> 00:41:32,960

this screen in front of him

823

00:41:38,550 --> 00:41:36,079

and all sort of shuffled and

824

00:41:39,349 --> 00:41:38,560

i got there gave me a passport he was

825

00:41:40,630 --> 00:41:39,359

like

826

00:41:42,950 --> 00:41:40,640

you know he couldn't care less about his

827

00:41:48,710 --> 00:41:46,230

gave him a passport i've got one i've

828

00:41:52,390 --> 00:41:48,720

got one oh thank you

829

00:41:53,910 --> 00:41:52,400

got what anyway these plunks come

830

00:41:56,470 --> 00:41:53,920

rushing out with no uniforms

831

00:41:57,510 --> 00:41:56,480

they grab me and take me around about

832

00:42:02,470 --> 00:41:57,520

search me and

833

00:42:04,710 --> 00:42:02,480

everything else and um

834

00:42:05,829 --> 00:42:04,720

i never i said what's this about he says

835

00:42:11,190 --> 00:42:05,839

just

836

00:42:15,430 --> 00:42:13,270

anyway so they did all that in the other

837

00:42:22,470 --> 00:42:15,440

and

838

00:42:32,870 --> 00:42:22,480

sydney my luggage didn't arrive

839

00:42:36,870 --> 00:42:35,270

yeah and in my bag when i got it was

840

00:42:38,550 --> 00:42:36,880

this nice little note from homeland

841

00:42:42,829 --> 00:42:38,560

security

842

00:42:45,109 --> 00:42:42,839

um and i had i stupidly in my

843

00:42:47,910 --> 00:42:45,119

confusion confused state from this

844

00:42:50,390 --> 00:42:47,920

horrible experience like that

845

00:42:51,270 --> 00:42:50,400

i'd left my money in my suitcase and i

846

00:42:54,470 --> 00:42:51,280

had

847

00:42:59,589 --> 00:42:54,480

australian money and english money

848

00:43:01,910 --> 00:42:59,599

and american

849

00:43:04,470 --> 00:43:01,920

when i got my suitcase back the money

850

00:43:05,829 --> 00:43:04,480

was all gone set for the australian mode

851

00:43:07,829 --> 00:43:05,839

i think they probably thought it was toy

852

00:43:10,630 --> 00:43:07,839

money because at the time it was plastic

853

00:43:13,109 --> 00:43:10,640

and all the rest of it

854

00:43:15,430 --> 00:43:13,119

but it wasn't nice and the other thing

855

00:43:19,270 --> 00:43:15,440

is i was picked up by my daughter

856

00:43:25,270 --> 00:43:19,280

and her uh husband

857

00:43:32,790 --> 00:43:28,550

in sydney and uh

858

00:43:36,150 --> 00:43:32,800

turned out to be yeah very fortunate

859

00:43:37,829 --> 00:43:36,160

but next next one

860

00:43:39,270 --> 00:43:37,839

missing time i had tons and tons of

861

00:43:43,670 --> 00:43:39,280

missing time in my life

862

00:43:52,829 --> 00:43:43,680

and no idea what's happened in it but

863

00:43:52,839 --> 00:43:57,670

um

864

00:44:02,230 --> 00:43:59,829

when we left australia to come to live

865

00:44:07,990 --> 00:44:02,240

in england i was

866

00:44:10,230 --> 00:44:08,000

between two and three and um

867

00:44:12,309 --> 00:44:10,240

i went missing on board when we were in

868

00:44:14,150 --> 00:44:12,319

the gulf of aden

869

00:44:15,910 --> 00:44:14,160

everybody was looking for me everybody

870

00:44:19,190 --> 00:44:15,920

was panicking where he is he got over

871

00:44:21,109 --> 00:44:19,200

wearing and then i just

872

00:44:22,790 --> 00:44:21,119

turned up in a place where everybody had

873

00:44:25,430 --> 00:44:22,800

looked anyway

874

00:44:28,390 --> 00:44:25,440

i don't know what had happened that's

875

00:44:33,910 --> 00:44:28,400

what happened and then

876

00:44:37,510 --> 00:44:36,470

yeah so there's the old gulp of alien

877

00:44:41,270 --> 00:44:37,520

and everything

878

00:44:45,670 --> 00:44:41,280

so but before we've been to

879

00:44:53,670 --> 00:44:45,680

um two and then we

880

00:44:58,309 --> 00:44:56,150

that's a picture of me my sister and my

881

00:45:03,430 --> 00:44:58,319

mum at colombo

882

00:45:07,510 --> 00:45:05,349

so whether he was watching us or not i

883

00:45:08,630 --> 00:45:07,520

don't know but it looks like i was kind

884

00:45:12,150 --> 00:45:08,640

of

885

00:45:13,670 --> 00:45:12,160

looking at what was happening as well

886

00:45:21,280 --> 00:45:13,680

that was before i went missing on the
