

1
00:00:08,070 --> 00:00:04,710
hello

2
00:00:09,509 --> 00:00:08,080
welcome to aberdeen a lovely september

3
00:00:13,030 --> 00:00:09,519
evening

4
00:00:15,110 --> 00:00:13,040
a week ago today at 3am

5
00:00:16,710 --> 00:00:15,120
it was a guy fishing all the way up

6
00:00:19,910 --> 00:00:16,720
there the tide was right out

7
00:00:22,950 --> 00:00:19,920
barry was there on his own fishing

8
00:00:24,710 --> 00:00:22,960
but there were two other guys nearby who

9
00:00:27,429 --> 00:00:24,720
also saw what he saw

10
00:00:27,910 --> 00:00:27,439
and uh part over the barrier was gonna

11
00:00:30,710 --> 00:00:27,920
tell us

12
00:00:31,109 --> 00:00:30,720
exactly what he saw basically he reached

13
00:00:34,229 --> 00:00:31,119

about

14

00:00:36,790 --> 00:00:34,239

4 a.m he was also a fishing

15

00:00:38,869 --> 00:00:36,800

pitch black um no street fighter yet

16

00:00:40,630 --> 00:00:38,879

there's no reflections

17

00:00:42,069 --> 00:00:40,640

we just saw glow in the water up first

18

00:00:44,549 --> 00:00:42,079

before it's a crawling here just put his

19

00:00:47,270 --> 00:00:44,559

lights on and see what's in the water

20

00:00:47,830 --> 00:00:47,280

and then just it got right there it

21

00:00:51,910 --> 00:00:47,840

stayed

22

00:00:56,830 --> 00:00:51,920

up by a second there was a shot here

23

00:00:56,840 --> 00:01:09,350

noise

24

00:01:09,360 --> 00:01:38,830

wednesday and we could go

25

00:02:10,869 --> 00:01:52,830

is

26

00:02:15,670 --> 00:02:10,879

first time i don't know if you haven't

27

00:02:19,030 --> 00:02:17,190

is there any possibility this could have

28

00:02:20,630 --> 00:02:19,040

been a flare because you know you're hot

29

00:02:21,350 --> 00:02:20,640

you're about half a mile away could it

30

00:02:25,110 --> 00:02:21,360

have been a small

31

00:02:27,110 --> 00:02:25,120

boat not a flare i'm not glad the place

32

00:02:32,550 --> 00:02:27,120

come up and they come back down yeah

33

00:02:32,560 --> 00:02:43,270

did it disappear

34

00:02:46,630 --> 00:02:44,550

what were the weather conditions like

35

00:03:25,350 --> 00:02:46,640

was it foggy mystery or anything

36

00:03:30,149 --> 00:03:28,470

what color what color was it in the

37

00:03:39,509 --> 00:03:30,159

water when you noticed the lights

38

00:03:43,190 --> 00:03:41,670

you just see a line in the water you can

39

00:03:44,070 --> 00:03:43,200

see the liquid light on top of the water

40

00:03:52,869 --> 00:03:44,080

that's required

41

00:03:58,630 --> 00:03:56,710

so it just it just became a bit more uh

42

00:04:00,229 --> 00:03:58,640

reality than jack lake what the hell was

43

00:04:03,509 --> 00:04:00,239

that there was a bright

44

00:04:05,429 --> 00:04:03,519

lovely starry sky funny

45

00:04:07,110 --> 00:04:05,439

and it just chopped if you could put

46

00:04:09,030 --> 00:04:07,120

your finger on the water

47

00:04:11,030 --> 00:04:09,040

and then move your hand up sort of

48

00:04:22,800 --> 00:04:11,040

illustrate the speed it went i came up

49

00:04:25,909 --> 00:04:24,710

[Applause]

50

00:04:28,070 --> 00:04:25,919

did you carry on watching it until it

51

00:04:33,110 --> 00:04:28,080

disappeared or did it

52

00:04:39,270 --> 00:04:36,150

i just got off the globe like a dark red

53

00:04:49,510 --> 00:04:39,280

there's any sun no sun

54

00:05:36,469 --> 00:04:51,189

yeah so if you were to walk up to it if

55

00:05:40,390 --> 00:05:39,189

nothing at all there no shadow nothing

56

00:05:42,710 --> 00:05:40,400

at all no problem

57

00:05:44,230 --> 00:05:42,720

it started off as white a white light

58

00:06:04,830 --> 00:05:44,240

and then by the time it started to

59

00:06:10,469 --> 00:06:07,510

yeah i'm like

60

00:06:11,189 --> 00:06:10,479

nothing don't try anything my flask how

61

00:06:13,990 --> 00:06:11,199

did you come

62

00:06:14,710 --> 00:06:14,000

to find out how did he get involved i

63

00:06:17,830 --> 00:06:14,720

was talking

64

00:06:33,990 --> 00:06:17,840

about it he said he said anything

65

00:06:37,430 --> 00:06:35,830

yeah it's quite weird actually because

66

00:06:41,749 --> 00:06:37,440

at the time i was writing up

67

00:06:44,070 --> 00:06:41,759

um reports of people who were fishing

68

00:06:46,270 --> 00:06:44,080

seeing your folks and i was writing them
