

1
00:00:12,709 --> 00:00:10,950
hello welcome to another edition of

2
00:00:15,270 --> 00:00:12,719
knight of the triangles i'm emily

3
00:00:16,550 --> 00:00:15,280
williams mike munder's behind the camera

4
00:00:18,070 --> 00:00:16,560
there and

5
00:00:20,790 --> 00:00:18,080
we're looking again at the night of the

6
00:00:23,029 --> 00:00:20,800
19th of january 1983.

7
00:00:25,429 --> 00:00:23,039
now up to now we've contacted some

8
00:00:27,830 --> 00:00:25,439
witnesses from the swansea area

9
00:00:29,349 --> 00:00:27,840
but apparently on that night reports

10
00:00:31,750 --> 00:00:29,359
were made in cardiff

11
00:00:32,549 --> 00:00:31,760
cambron and even martha tidwell but

12
00:00:34,709 --> 00:00:32,559
today we're

13
00:00:36,790 --> 00:00:34,719

here at a place called underwood which

14

00:00:38,869 --> 00:00:36,800

is on the east side of newport

15

00:00:39,830 --> 00:00:38,879

to meet jonathan davis who's got a very

16

00:00:43,430 --> 00:00:39,840

interesting case

17

00:00:46,470 --> 00:00:43,440

uh report from when he was 15 years old

18

00:00:49,750 --> 00:00:46,480

and uh jonathan's here today

19

00:00:52,790 --> 00:00:49,760

meeting us at the exact place he was

20

00:00:53,350 --> 00:00:52,800

when he had his sighting so here's

21

00:00:55,670 --> 00:00:53,360

jonathan

22

00:00:56,470 --> 00:00:55,680

can you tell us what all about it yeah

23

00:01:00,389 --> 00:00:56,480

sure

24

00:01:02,229 --> 00:01:00,399

um yeah like i say i was 15 years old um

25

00:01:04,710 --> 00:01:02,239

i can tell you why i know the dates et

26

00:01:08,310 --> 00:01:04,720

cetera but we can go into that later um

27

00:01:11,910 --> 00:01:08,320

basically i found myself in this field

28

00:01:14,070 --> 00:01:11,920

um on a cold night 19th january was

29

00:01:15,830 --> 00:01:14,080

freezing cold

30

00:01:18,630 --> 00:01:15,840

there was a mist on the ground just

31

00:01:20,950 --> 00:01:18,640

below my knees

32

00:01:23,109 --> 00:01:20,960

very cold night and i had no idea how i

33

00:01:26,230 --> 00:01:23,119

got you i had no memory of the day

34

00:01:27,749 --> 00:01:26,240

at all i didn't know i mean i was 15 i

35

00:01:28,870 --> 00:01:27,759

was still in school i didn't remember

36

00:01:30,950 --> 00:01:28,880

going to school that day

37

00:01:33,190 --> 00:01:30,960

i didn't have any memory i literally was

38

00:01:36,310 --> 00:01:33,200

in this field

39

00:01:39,749 --> 00:01:36,320

and i was stood looking at the woods

40

00:01:41,190 --> 00:01:39,759

on the opposite side and thinking what

41

00:01:43,350 --> 00:01:41,200

the hell am i doing in this field

42

00:01:44,310 --> 00:01:43,360

yeah how did i get here and then there's

43

00:01:48,630 --> 00:01:44,320

i'm looking

44

00:01:50,149 --> 00:01:48,640

them thinking wow look at them stars

45

00:01:52,710 --> 00:01:50,159

and just as i'm thinking look at them

46

00:01:54,710 --> 00:01:52,720

stars all these stars moved

47

00:01:56,149 --> 00:01:54,720

every single one of them the whole sky

48

00:01:57,830 --> 00:01:56,159

was what i thought was stars they

49

00:02:01,190 --> 00:01:57,840

weren't stars at all

50

00:02:03,910 --> 00:02:01,200

um it was literally um

51
00:02:05,590 --> 00:02:03,920
either one wedge-shaped craft a giant

52
00:02:08,229 --> 00:02:05,600
wedge street craft that was

53
00:02:08,710 --> 00:02:08,239
as far as i could see that direction and

54
00:02:11,830 --> 00:02:08,720
it was

55
00:02:14,869 --> 00:02:11,840
overlapping the woods that direction

56
00:02:16,630 --> 00:02:14,879
it must be miles wide basically right um

57
00:02:19,510 --> 00:02:16,640
no i'm not sure if it was three of these

58
00:02:20,550 --> 00:02:19,520
craft or one because it was like banks

59
00:02:23,750 --> 00:02:20,560
of

60
00:02:26,470 --> 00:02:23,760
you know lights like that one two

61
00:02:27,270 --> 00:02:26,480
small white lights in a wedge shape but

62
00:02:29,190 --> 00:02:27,280
there was one

63
00:02:30,790 --> 00:02:29,200

two three like that so it was either one

64

00:02:32,390 --> 00:02:30,800

giant craft

65

00:02:34,309 --> 00:02:32,400

i mean i couldn't see stars between them

66

00:02:37,030 --> 00:02:34,319

so it might have been one giant craft or

67

00:02:38,710 --> 00:02:37,040

three wedge-shaped crafts inverted

68

00:02:40,390 --> 00:02:38,720

so that basically i'm i'm still going to

69

00:02:42,150 --> 00:02:40,400

be pointing upwards like that

70

00:02:43,910 --> 00:02:42,160

no they were pointing towards that

71

00:02:45,830 --> 00:02:43,920

direction

72

00:02:47,830 --> 00:02:45,840

like that and plugged in west yeah

73

00:02:51,030 --> 00:02:47,840

pointing towards newport

74

00:02:51,990 --> 00:02:51,040

yeah so i'm looking at this thinking oh

75

00:02:53,350 --> 00:02:52,000

my god what

76

00:02:57,270 --> 00:02:53,360

you know i didn't have a clue where it

77

00:02:58,790 --> 00:02:57,280

would have happened that day um

78

00:03:01,030 --> 00:02:58,800

anyway i watched i watched the lights

79

00:03:01,830 --> 00:03:01,040

move away and they were going very

80

00:03:05,350 --> 00:03:01,840

slowly it was

81

00:03:06,710 --> 00:03:05,360

it was absolute silence not a whisper it

82

00:03:07,910 --> 00:03:06,720

was like i was in a bubble

83

00:03:09,270 --> 00:03:07,920

you know when i watched these where i

84

00:03:10,390 --> 00:03:09,280

thought originally were stars they

85

00:03:13,190 --> 00:03:10,400

weren't they were

86

00:03:15,110 --> 00:03:13,200

small lights in the shape of a wedge

87

00:03:17,509 --> 00:03:15,120

move away it was huge

88

00:03:19,350 --> 00:03:17,519

and and i look to my right and i realize

89

00:03:21,190 --> 00:03:19,360

where i am because the leisure center or

90

00:03:23,910 --> 00:03:21,200

the old leisure center as it now

91

00:03:25,270 --> 00:03:23,920

was had the outside lights were on so i

92

00:03:28,630 --> 00:03:25,280

got my bearings then

93

00:03:29,990 --> 00:03:28,640

and i literally pegged it to run home

94

00:03:31,830 --> 00:03:30,000

and then as i'm running there's like

95

00:03:32,869 --> 00:03:31,840

mist you know you can imagine it around

96

00:03:34,070 --> 00:03:32,879

my feet as i'm running

97

00:03:35,990 --> 00:03:34,080

i mean there's a riverboat that's been

98

00:03:37,350 --> 00:03:36,000

really scary for a 15 year old oh you're

99

00:03:39,270 --> 00:03:37,360

on your own i didn't have a clue

100

00:03:40,869 --> 00:03:39,280

i mean i was literally so what was he

101
00:03:42,309 --> 00:03:40,879
recording what was the last recollection

102
00:03:44,869 --> 00:03:42,319
of what was before that

103
00:03:46,309 --> 00:03:44,879
i didn't have any i didn't even remember

104
00:03:47,670 --> 00:03:46,319
the day before well you said you

105
00:03:49,350 --> 00:03:47,680
you knew it was a wednesday because the

106
00:03:50,309 --> 00:03:49,360
following morning your mother asked you

107
00:03:51,589 --> 00:03:50,319
about cleaning your

108
00:03:53,190 --> 00:03:51,599
football boots yeah that's right my

109
00:03:54,390 --> 00:03:53,200
rugby boots you're right rugby on a

110
00:03:54,869 --> 00:03:54,400
wednesday on a wednesday so then

111
00:03:57,350 --> 00:03:54,879
wednesday

112
00:03:59,190 --> 00:03:57,360
places that's the only reason that i

113
00:04:01,270 --> 00:03:59,200

knew that it was a wednesday that this

114

00:04:02,390 --> 00:04:01,280

occurred so you did because of that you

115

00:04:03,830 --> 00:04:02,400

know you've been in school

116

00:04:05,589 --> 00:04:03,840

you've finished school well i assume

117

00:04:07,350 --> 00:04:05,599

i've obviously been to school

118

00:04:09,190 --> 00:04:07,360

i've got no memory of going to school

119

00:04:09,910 --> 00:04:09,200

but i didn't have my school uniform on i

120

00:04:12,470 --> 00:04:09,920

was um

121

00:04:13,270 --> 00:04:12,480

i'd obviously gone home from school got

122

00:04:14,949 --> 00:04:13,280

changed

123

00:04:16,550 --> 00:04:14,959

and either gone out or something else

124

00:04:19,030 --> 00:04:16,560

had happened and i

125

00:04:20,390 --> 00:04:19,040

i was in a jeans and a t-shirt but i was

126

00:04:20,949 --> 00:04:20,400

but it was a middle of winter and i had

127

00:04:22,710 --> 00:04:20,959

a t-shirt

128

00:04:24,710 --> 00:04:22,720

did you have rugby did you do rugby that

129

00:04:26,150 --> 00:04:24,720

no i've got no idea i've got no idea but

130

00:04:27,830 --> 00:04:26,160

i must have done rugby because my rugby

131

00:04:29,030 --> 00:04:27,840

boots were dirty so he must have been

132

00:04:31,590 --> 00:04:29,040

after you

133

00:04:33,430 --> 00:04:31,600

after the rugby yeah i played i've got i

134

00:04:35,350 --> 00:04:33,440

played rugby in school that day

135

00:04:37,189 --> 00:04:35,360

and i've got the bus home and i've come

136

00:04:38,710 --> 00:04:37,199

home and then after that

137

00:04:40,950 --> 00:04:38,720

nothing i've got nothing for the whole

138

00:04:42,150 --> 00:04:40,960

day what time is it when he got home

139

00:04:45,270 --> 00:04:42,160

can you remember it would have been

140

00:04:48,870 --> 00:04:47,430

caldecott schools that is the comp so it

141

00:04:49,830 --> 00:04:48,880

would have been about 40 minutes to get

142

00:04:51,430 --> 00:04:49,840

back so

143

00:04:53,189 --> 00:04:51,440

through about four o'clock i would have

144

00:04:56,550 --> 00:04:53,199

been home yeah and then

145

00:04:58,310 --> 00:04:56,560

um get changed half four say i must have

146

00:05:00,469 --> 00:04:58,320

had food as well because my mum didn't

147

00:05:02,150 --> 00:05:00,479

say where were you for tea last night

148

00:05:03,909 --> 00:05:02,160

you know so i must have had food and

149

00:05:04,710 --> 00:05:03,919

then whatever happened after that i

150

00:05:06,550 --> 00:05:04,720

haven't got a clue

151
00:05:07,990 --> 00:05:06,560
oh i got my memory so then you're here

152
00:05:10,710 --> 00:05:08,000
and then you run home what yeah what

153
00:05:12,550 --> 00:05:10,720
time was it when you got home um

154
00:05:14,070 --> 00:05:12,560
well i don't know what time it was but i

155
00:05:15,510 --> 00:05:14,080
didn't see anyone it was there was

156
00:05:16,950 --> 00:05:15,520
nobody out i mean it must have been

157
00:05:19,350 --> 00:05:16,960
fairly late in the evening but all the

158
00:05:21,029 --> 00:05:19,360
lights are still on in the houses

159
00:05:22,950 --> 00:05:21,039
but i as i'm running home and you've

160
00:05:24,710 --> 00:05:22,960
seen this quite a big estate

161
00:05:26,150 --> 00:05:24,720
you'd expect to see people i didn't see

162
00:05:26,870 --> 00:05:26,160
a single person and i run all the way

163
00:05:31,270 --> 00:05:26,880

home

164

00:05:32,710 --> 00:05:31,280

get up by my front door and thinking

165

00:05:34,070 --> 00:05:32,720

i'm going to get in trouble here i must

166

00:05:35,110 --> 00:05:34,080

have because i've got no memory i might

167

00:05:37,110 --> 00:05:35,120

have done something

168

00:05:39,189 --> 00:05:37,120

so i think i'll go around the back so i

169

00:05:40,230 --> 00:05:39,199

went around the back of the house

170

00:05:42,070 --> 00:05:40,240

because you can go around the back of

171

00:05:43,110 --> 00:05:42,080

the house in the woods and then into my

172

00:05:44,790 --> 00:05:43,120

garden

173

00:05:46,469 --> 00:05:44,800

i used whenever i was naughty i'd climb

174

00:05:47,830 --> 00:05:46,479

up the drain pipe and i'd sneak in

175

00:05:49,350 --> 00:05:47,840

through the bathroom window that's

176

00:05:50,469 --> 00:05:49,360

exactly what i did so because i didn't

177

00:05:53,350 --> 00:05:50,479

want my mum

178

00:05:54,150 --> 00:05:53,360

catching me out yeah so i climbed very

179

00:05:57,029 --> 00:05:54,160

pipe

180

00:05:58,309 --> 00:05:57,039

uh got in went to bed and i thought i'm

181

00:05:59,670 --> 00:05:58,319

gonna get it in the morning

182

00:06:01,110 --> 00:05:59,680

and i was expecting to get it in the

183

00:06:02,230 --> 00:06:01,120

morning you know i must have done

184

00:06:04,830 --> 00:06:02,240

something i was thinking

185

00:06:08,309 --> 00:06:04,840

so five minutes how far is the house

186

00:06:11,270 --> 00:06:08,319

well uh maybe a mile and a half

187

00:06:11,990 --> 00:06:11,280

maybe a mile and a half but literally i

188

00:06:15,350 --> 00:06:12,000

got no

189

00:06:17,270 --> 00:06:15,360

no memory of this at all apart from

190

00:06:19,189 --> 00:06:17,280

standing here at that point and then

191

00:06:21,029 --> 00:06:19,199

seeing that craft

192

00:06:22,309 --> 00:06:21,039

seeing my environment suddenly feeling

193

00:06:28,950 --> 00:06:22,319

cold

194

00:06:31,270 --> 00:06:28,960

silent

195

00:06:32,870 --> 00:06:31,280

yeah and um it was like this thing

196

00:06:35,430 --> 00:06:32,880

didn't make a sound

197

00:06:36,710 --> 00:06:35,440

not a sound there was no wind there was

198

00:06:38,309 --> 00:06:36,720

there was literally i mean this

199

00:06:39,990 --> 00:06:38,319

year the birds never i mean okay it was

200

00:06:42,390 --> 00:06:40,000

an evening so maybe the birds don't

201
00:06:43,909 --> 00:06:42,400
chatter then but not so it was a clear

202
00:06:45,830 --> 00:06:43,919
sky but you couldn't see stars

203
00:06:47,029 --> 00:06:45,840
yeah i could see stars until after it

204
00:06:48,870 --> 00:06:47,039
had moved away

205
00:06:50,629 --> 00:06:48,880
but you couldn't see them between these

206
00:06:53,909 --> 00:06:50,639
no sort of chevron which is why

207
00:06:54,950 --> 00:06:53,919
i've said was it one craft giant or was

208
00:06:59,589 --> 00:06:54,960
it

209
00:07:01,189 --> 00:06:59,599
three wedge i'm not sure i'm not sure so

210
00:07:02,309 --> 00:07:01,199
these rows of lights were shaped like

211
00:07:03,110 --> 00:07:02,319
that and they were they were all

212
00:07:04,710 --> 00:07:03,120
pointing that way

213
00:07:07,029 --> 00:07:04,720

yeah if you if you think of the phoenix

214

00:07:07,430 --> 00:07:07,039

lights but think of the lights as being

215

00:07:10,550 --> 00:07:07,440

a lot

216

00:07:12,390 --> 00:07:10,560

packed

217

00:07:15,189 --> 00:07:12,400

that's exactly what it was like so wedge

218

00:07:18,230 --> 00:07:15,199

shaped like the phoenix lights

219

00:07:19,510 --> 00:07:18,240

but two rows of them two rows yeah

220

00:07:20,710 --> 00:07:19,520

there's one so i can see the shape

221

00:07:21,990 --> 00:07:20,720

that's why i could see the shape of the

222

00:07:23,589 --> 00:07:22,000

wedge because there were

223

00:07:25,029 --> 00:07:23,599

literally a bang flight and then another

224

00:07:27,990 --> 00:07:25,039

bank of lights yeah

225

00:07:29,350 --> 00:07:28,000

and then was there anything on the ends

226

00:07:31,350 --> 00:07:29,360

i couldn't really see the ends

227

00:07:32,950 --> 00:07:31,360

because it was it was so far that way

228

00:07:34,629 --> 00:07:32,960

and so far that way i couldn't really

229

00:07:36,629 --> 00:07:34,639

see the ends but

230

00:07:38,309 --> 00:07:36,639

so over the over the houses that way and

231

00:07:41,350 --> 00:07:38,319

as far as the woods were there

232

00:07:44,790 --> 00:07:41,360

past the woods huge

233

00:07:46,150 --> 00:07:44,800

yeah so i mean and it was very high

234

00:07:48,390 --> 00:07:46,160

as well it wasn't that's why i thought

235

00:07:50,230 --> 00:07:48,400

originally it was stars

236

00:07:51,909 --> 00:07:50,240

yeah but it was so high so if it was

237

00:07:53,029 --> 00:07:51,919

that high and it covered that sort of

238

00:07:55,189 --> 00:07:53,039

bit of skull yeah

239

00:07:56,710 --> 00:07:55,199

it was even bigger than that like if

240

00:07:58,790 --> 00:07:56,720

you'd been like 100 foot up

241

00:08:00,309 --> 00:07:58,800

that's big colossal it's really high

242

00:08:00,950 --> 00:08:00,319

it's even bigger like 50 aircraft

243

00:08:04,550 --> 00:08:00,960

carriers

244

00:08:06,710 --> 00:08:04,560

size that's so big it was colossal

245

00:08:08,390 --> 00:08:06,720

yeah i think um so far in the night of

246

00:08:11,589 --> 00:08:08,400

the triangles all the witnesses that's

247

00:08:14,070 --> 00:08:11,599

by far the biggest scene

248

00:08:16,150 --> 00:08:14,080

yeah there's been a few big ones

249

00:08:18,950 --> 00:08:16,160

mentioned some yeah

250

00:08:19,589 --> 00:08:18,960

yeah um natalie said it was over the

251
00:08:22,790 --> 00:08:19,599
streets

252
00:08:25,510 --> 00:08:22,800
yeah and it was big and she only saw the

253
00:08:26,309 --> 00:08:25,520
center of it yeah and she said it was

254
00:08:28,309 --> 00:08:26,319
very quiet

255
00:08:29,350 --> 00:08:28,319
and she didn't feel cold until after it

256
00:08:31,110 --> 00:08:29,360
had gone

257
00:08:32,630 --> 00:08:31,120
that's when she did could you feel cold

258
00:08:34,469 --> 00:08:32,640
when it was there

259
00:08:36,149 --> 00:08:34,479
no there was no there was nothing it was

260
00:08:36,630 --> 00:08:36,159
like i was in a bubble like it was like

261
00:08:39,909 --> 00:08:36,640
yeah

262
00:08:40,550 --> 00:08:39,919
i was away from everything and i was

263
00:08:42,949 --> 00:08:40,560

just like

264

00:08:44,470 --> 00:08:42,959

in a dull sort of days looking at this

265

00:08:46,070 --> 00:08:44,480

thing

266

00:08:48,070 --> 00:08:46,080

and then and then it's when i walk sort

267

00:08:51,430 --> 00:08:48,080

of thing if you know i i was alert like

268

00:08:52,710 --> 00:08:51,440

it's going it's gone i can move yeah and

269

00:08:53,990 --> 00:08:52,720

that's when i looked to my right and i

270

00:08:54,310 --> 00:08:54,000

saw where i was that's when you felt

271

00:08:56,310 --> 00:08:54,320

cold

272

00:08:57,910 --> 00:08:56,320

and then i was freezing it's just like

273

00:09:00,070 --> 00:08:57,920

and then i said i realized

274

00:09:01,269 --> 00:09:00,080

yes what's going on i got my t-shirt on

275

00:09:04,070 --> 00:09:01,279

in the middle of winter

276
00:09:04,710 --> 00:09:04,080
yeah and i've never had a memory about

277
00:09:05,990 --> 00:09:04,720
it since

278
00:09:07,990 --> 00:09:06,000
you know people say well that sounds

279
00:09:09,509 --> 00:09:08,000
like an abduction experience but i've

280
00:09:10,550 --> 00:09:09,519
got no memory of being on board or

281
00:09:12,870 --> 00:09:10,560
anything or seeing

282
00:09:13,750 --> 00:09:12,880
anything on board or any of that apart

283
00:09:15,670 --> 00:09:13,760
from studio

284
00:09:17,110 --> 00:09:15,680
looking up can i ask you when it when it

285
00:09:18,470 --> 00:09:17,120
was going did you actually see it move

286
00:09:20,949 --> 00:09:18,480
off in the existence yeah i did

287
00:09:22,389 --> 00:09:20,959
yeah i did but i literally see where

288
00:09:25,509 --> 00:09:22,399

that cloud is there now the dark

289

00:09:28,630 --> 00:09:25,519

cloud it got to about that spot

290

00:09:29,430 --> 00:09:28,640

and i liked it right so you didn't

291

00:09:31,990 --> 00:09:29,440

actually see it

292

00:09:33,750 --> 00:09:32,000

today no i didn't wait i didn't wait i i

293

00:09:41,190 --> 00:09:33,760

literally

294

00:09:48,710 --> 00:09:45,590

and it's difficult so imagine this

295

00:09:50,710 --> 00:09:48,720

dark and cold misty

296

00:09:52,310 --> 00:09:50,720

it's very similar to what that we

297

00:09:54,630 --> 00:09:52,320

experienced

298

00:09:56,389 --> 00:09:54,640

but the mist came from the river i mean

299

00:09:56,949 --> 00:09:56,399

i thought about it later of oh the

300

00:09:59,670 --> 00:09:56,959

stream

301
00:10:02,710 --> 00:09:59,680
may have come from that but it was it

302
00:10:02,720 --> 00:10:06,790
it was very eerie

303
00:10:09,990 --> 00:10:07,990
yeah you can't remember what happened

304
00:10:12,550 --> 00:10:10,000
when he got home

305
00:10:13,670 --> 00:10:12,560
was he mother no well i i i never told

306
00:10:15,590 --> 00:10:13,680
my mother

307
00:10:17,110 --> 00:10:15,600
all right we moved i mean i never said a

308
00:10:18,389 --> 00:10:17,120
word because my mum and dad didn't say a

309
00:10:18,870 --> 00:10:18,399
word i thought i got away with it

310
00:10:20,230 --> 00:10:18,880
whatever

311
00:10:21,509 --> 00:10:20,240
was my friends in school did you mention

312
00:10:22,230 --> 00:10:21,519
it in school with your friends no

313
00:10:24,230 --> 00:10:22,240

because i

314

00:10:26,230 --> 00:10:24,240

we we literally moved i thought i was

315

00:10:28,230 --> 00:10:26,240

going nuts to be honest with you

316

00:10:29,910 --> 00:10:28,240

you know i i didn't know i didn't have a

317

00:10:31,910 --> 00:10:29,920

memory of the day

318

00:10:33,110 --> 00:10:31,920

and i didn't know what all i had a

319

00:10:34,470 --> 00:10:33,120

memory afterwards because i couldn't

320

00:10:36,630 --> 00:10:34,480

stop thinking about it

321

00:10:38,069 --> 00:10:36,640

no it was it was really getting to me in

322

00:10:39,590 --> 00:10:38,079

it but then we moved literally a few

323

00:10:41,030 --> 00:10:39,600

weeks later

324

00:10:43,350 --> 00:10:41,040

and i felt that i didn't have to say

325

00:10:46,630 --> 00:10:43,360

anything you know what i mean i didn't

326

00:10:49,670 --> 00:10:46,640

have to tell my friends and i didn't

327

00:10:50,949 --> 00:10:49,680

yeah so i never did i mean literally i

328

00:10:53,829 --> 00:10:50,959

told my mother about it

329

00:10:54,550 --> 00:10:53,839

nine months ago really yeah i said to my

330

00:10:56,069 --> 00:10:54,560

mum because i

331

00:10:57,269 --> 00:10:56,079

because now i've been the last two years

332

00:10:58,550 --> 00:10:57,279

i've been getting into this i hadn't

333

00:11:01,269 --> 00:10:58,560

even told her i've been getting into

334

00:11:05,350 --> 00:11:03,990

how long after the event weeks few weeks

335

00:11:07,030 --> 00:11:05,360

that's another reason why i know

336

00:11:09,030 --> 00:11:07,040

did you ever come back here i haven't

337

00:11:10,710 --> 00:11:09,040

been back here since we came back

338

00:11:12,630 --> 00:11:10,720

no i came back here i came back here

339

00:11:14,630 --> 00:11:12,640

yesterday to check the place out

340

00:11:16,470 --> 00:11:14,640

to make sure we could park and i haven't

341

00:11:18,230 --> 00:11:16,480

been back here since the day of that wow

342

00:11:19,590 --> 00:11:18,240

it's amazing yeah and it hasn't changed

343

00:11:20,949 --> 00:11:19,600

a bit apart from the weather hasn't

344

00:11:22,790 --> 00:11:20,959

changed a bit apart from the

345

00:11:24,230 --> 00:11:22,800

center shutting down it hasn't changed a

346

00:11:27,030 --> 00:11:24,240

bit

347

00:11:28,069 --> 00:11:27,040

yeah no no no difference at all there is

348

00:11:31,269 --> 00:11:28,079

one report

349

00:11:32,389 --> 00:11:31,279

that was from ilfracombe that there was

350

00:11:33,990 --> 00:11:32,399

a massive one

351

00:11:35,509 --> 00:11:34,000

seeing going up the bristol channel

352

00:11:38,389 --> 00:11:35,519

towards cardiff

353

00:11:40,710 --> 00:11:38,399

we haven't been able to confirm that

354

00:11:43,910 --> 00:11:40,720

it's just secondhand news we were given

355

00:11:45,829 --> 00:11:43,920

so we like to confirm do research to

356

00:11:47,269 --> 00:11:45,839

confirm that it was in the papers et

357

00:11:49,590 --> 00:11:47,279

cetera et cetera

358

00:11:51,110 --> 00:11:49,600

enough but we but we can't uh i'd love

359

00:11:52,870 --> 00:11:51,120

to hear that if somebody could tell me

360

00:11:55,030 --> 00:11:52,880

that they saw the same thing yeah

361

00:11:56,230 --> 00:11:55,040

apparently it was two witnesses so it

362

00:11:59,430 --> 00:11:56,240

was a fisherman

363

00:12:02,310 --> 00:11:59,440

fishing on officium off the rocks

364

00:12:03,110 --> 00:12:02,320

and somebody else apparently saw it as

365

00:12:05,750 --> 00:12:03,120

well so it's two

366

00:12:06,870 --> 00:12:05,760

separate witnesses but we can't confirm

367

00:12:08,470 --> 00:12:06,880

because we can't

368

00:12:10,710 --> 00:12:08,480

can't find them and get all you know

369

00:12:13,430 --> 00:12:10,720

can't we even went to a

370

00:12:14,389 --> 00:12:13,440

balanceable library to do research to me

371

00:12:16,150 --> 00:12:14,399

about it

372

00:12:18,230 --> 00:12:16,160

we couldn't find anything but we were

373

00:12:21,269 --> 00:12:18,240

told it was in the papers

374

00:12:24,389 --> 00:12:21,279

over the next few days

375

00:12:27,670 --> 00:12:24,399

yeah did this event sort of

376

00:12:28,949 --> 00:12:27,680

uh start any interest in ufo subject

377

00:12:30,629 --> 00:12:28,959

with you i'd already been

378

00:12:32,069 --> 00:12:30,639

um and that this was this wasn't my

379

00:12:33,590 --> 00:12:32,079

first

380

00:12:35,670 --> 00:12:33,600

you know i'd i've been since a little

381

00:12:38,389 --> 00:12:35,680

child i've been seeing things

382

00:12:40,230 --> 00:12:38,399

i would um you know i'd float to the

383

00:12:43,269 --> 00:12:40,240

ceiling in my bedroom

384

00:12:46,069 --> 00:12:43,279

mm-hmm i know it says you know

385

00:12:47,590 --> 00:12:46,079

but i'd i'd have always followed me

386

00:12:49,509 --> 00:12:47,600

around i wouldn't have

387

00:12:51,190 --> 00:12:49,519

many friends when i was a kid because it

388

00:12:53,030 --> 00:12:51,200

was um it was too strange

389

00:12:54,230 --> 00:12:53,040

i'd be i'd go out on my own in the

390

00:12:56,550 --> 00:12:54,240

fields and

391

00:12:57,990 --> 00:12:56,560

i'd have white orbs following me around

392

00:12:59,509 --> 00:12:58,000

i go into the woods and they change

393

00:13:02,230 --> 00:12:59,519

color the red

394

00:13:03,190 --> 00:13:02,240

you know i had an appendice um incident

395

00:13:04,870 --> 00:13:03,200

where i

396

00:13:06,870 --> 00:13:04,880

literally i was out shooting my air gun

397

00:13:09,990 --> 00:13:06,880

in the middle of the forest

398

00:13:11,190 --> 00:13:10,000

and um i collapsed because my penis was

399

00:13:12,949 --> 00:13:11,200

about to burst

400

00:13:14,310 --> 00:13:12,959

and as i'm on the floor i get surrounded

401
00:13:17,190 --> 00:13:14,320
by orbs

402
00:13:17,670 --> 00:13:17,200
you know so i've i've always seen orbs

403
00:13:19,190 --> 00:13:17,680
but

404
00:13:21,430 --> 00:13:19,200
strangely enough the little ones i

405
00:13:22,870 --> 00:13:21,440
haven't seen since the appendicitis

406
00:13:24,150 --> 00:13:22,880
thing happened i've never i've never

407
00:13:25,670 --> 00:13:24,160
seen the little one since i only see the

408
00:13:27,590 --> 00:13:25,680
big ones now

409
00:13:28,949 --> 00:13:27,600
yeah don't see the like chris bledsoe

410
00:13:30,710 --> 00:13:28,959
forever saying

411
00:13:32,389 --> 00:13:30,720
he sees all these little orange orbs

412
00:13:34,470 --> 00:13:32,399
just in the trees coming down to him and

413
00:13:37,590 --> 00:13:34,480

think i don't see any of those

414

00:13:40,710 --> 00:13:37,600

but i do see these giant fan size

415

00:13:43,110 --> 00:13:40,720

orange ones red ones white ones i

416

00:13:44,389 --> 00:13:43,120

do know there was uh you did report one

417

00:13:46,230 --> 00:13:44,399

back in 2010

418

00:13:48,389 --> 00:13:46,240

isn't it you were living in landing more

419

00:13:50,949 --> 00:13:48,399

than north carolina yeah and um

420

00:13:52,150 --> 00:13:50,959

i think we'll be doing a follow-up film

421

00:13:55,350 --> 00:13:52,160

about that

422

00:13:56,629 --> 00:13:55,360

yes yeah we'll do it another day uh

423

00:13:58,230 --> 00:13:56,639

just obviously jonathan is actually

424

00:13:59,509 --> 00:13:58,240

joining us as a researcher because he's

425

00:14:02,550 --> 00:13:59,519

uh he's very

426

00:14:03,269 --> 00:14:02,560

active in his own research and being at

427

00:14:07,430 --> 00:14:03,279

this

428

00:14:09,509 --> 00:14:07,440

to have somebody looking at

429

00:14:10,870 --> 00:14:09,519

stuff done this way so welcome to

430

00:14:14,230 --> 00:14:10,880

souffon brilliant

431

00:14:15,990 --> 00:14:14,240

thanks guys can i just ask you when

432

00:14:17,430 --> 00:14:16,000

you would sort of woke up if you like in

433

00:14:19,509 --> 00:14:17,440

this field and you saw this thing

434

00:14:21,189 --> 00:14:19,519

yeah what sort of duration of time was

435

00:14:23,350 --> 00:14:21,199

it between then and when

436

00:14:24,550 --> 00:14:23,360

when you ran away it was going really

437

00:14:26,870 --> 00:14:24,560

slowly so

438

00:14:28,389 --> 00:14:26,880

i mean to get to that spot it would have

439

00:14:30,150 --> 00:14:28,399

literally taken a couple of minutes

440

00:14:31,670 --> 00:14:30,160

it was literally hanging and hanging in

441

00:14:34,230 --> 00:14:31,680

the sky

442

00:14:35,829 --> 00:14:34,240

and just drifting sort of thing and then

443

00:14:37,829 --> 00:14:35,839

it finally get there and i'm just

444

00:14:39,189 --> 00:14:37,839

i've watched it in total and then it

445

00:14:40,870 --> 00:14:39,199

suddenly hit me

446

00:14:42,310 --> 00:14:40,880

hang on this is a bit dodgy i'd rather

447

00:14:43,990 --> 00:14:42,320

go

448

00:14:45,509 --> 00:14:44,000

sorry literally that's when i pegged it

449

00:14:46,230 --> 00:14:45,519

so a couple of minutes couple of minutes

450

00:14:48,389 --> 00:14:46,240

and then

451
00:14:49,590 --> 00:14:48,399
i don't know five minutes ten minutes

452
00:14:53,430 --> 00:14:49,600
max to get home

453
00:14:54,710 --> 00:14:53,440
and i'm in bed and that was it and then

454
00:14:57,030 --> 00:14:54,720
and literally i haven't been back here

455
00:15:00,230 --> 00:14:58,550
it sounds like you had a couple of hours

456
00:15:04,069 --> 00:15:00,240
missing there really

457
00:15:05,829 --> 00:15:04,079
because you've you can't remember be

458
00:15:07,829 --> 00:15:05,839
getting there and then you can remember

459
00:15:09,350 --> 00:15:07,839
going home and then going to bed so

460
00:15:10,710 --> 00:15:09,360
i've told this story to a couple of

461
00:15:12,230 --> 00:15:10,720
people and they seem to think that i

462
00:15:13,590 --> 00:15:12,240
should get hypnotized but i've always

463
00:15:15,269 --> 00:15:13,600

wanted to avoid that

464

00:15:16,949 --> 00:15:15,279

you've got to be quite i want to avoid

465

00:15:19,350 --> 00:15:16,959

it yeah you know because

466

00:15:20,790 --> 00:15:19,360

people will think i'm lying because i

467

00:15:22,230 --> 00:15:20,800

don't want to hear anything bad

468

00:15:23,910 --> 00:15:22,240

yeah you've got to be the moment i

469

00:15:25,670 --> 00:15:23,920

haven't got a bad experience

470

00:15:26,870 --> 00:15:25,680

and i prefer to keep it that way yes you

471

00:15:28,710 --> 00:15:26,880

know what i mean i don't want to be

472

00:15:31,350 --> 00:15:28,720

waking up in the middle of the night

473

00:15:33,509 --> 00:15:31,360

yeah yeah yeah yeah we've met quite a

474

00:15:35,590 --> 00:15:33,519

few people now we're missing simon

475

00:15:36,710 --> 00:15:35,600

a lot of saying the same thing we don't

476

00:15:39,189 --> 00:15:36,720

really really

477

00:15:40,710 --> 00:15:39,199

dig in too deep because i've only ever

478

00:15:43,350 --> 00:15:40,720

had good experiences you know

479

00:15:45,030 --> 00:15:43,360

yeah i will discuss another time with

480

00:15:46,230 --> 00:15:45,040

when we're not off camera

481

00:15:49,670 --> 00:15:46,240

something that happened that wasn't a

482

00:15:51,350 --> 00:15:49,680

good experience but um

483

00:15:53,430 --> 00:15:51,360

yeah every other experience been great

484

00:15:54,150 --> 00:15:53,440

i've had no issues and i enjoy seeing

485

00:15:58,069 --> 00:15:54,160

them

486

00:15:59,509 --> 00:15:58,079

see a video of mine you hear my voice

487

00:16:01,910 --> 00:15:59,519

and my breathing go up because i get

488

00:16:03,269 --> 00:16:01,920

excited by seeing it okay you know i do

489

00:16:05,910 --> 00:16:03,279

i can't help it

490

00:16:06,550 --> 00:16:05,920

i enjoy it i literally i'm smiling i'm

491

00:16:09,509 --> 00:16:06,560

thanking them

492

00:16:10,389 --> 00:16:09,519

and i'm in my head yeah yeah yeah yeah

493

00:16:12,389 --> 00:16:10,399

yeah

494

00:16:14,069 --> 00:16:12,399

so you would you class yourself with a

495

00:16:16,230 --> 00:16:14,079

very spiritual person

496

00:16:18,150 --> 00:16:16,240

yeah spiritually not religious do you

497

00:16:22,069 --> 00:16:18,160

need psychic abilities

498

00:16:24,150 --> 00:16:22,079

um i'm i'm very very

499

00:16:25,670 --> 00:16:24,160

good at guessing let's put it that way

500

00:16:28,069 --> 00:16:25,680

yeah intuition

501
00:16:29,749 --> 00:16:28,079
ridiculously good i guess intuition yeah

502
00:16:32,069 --> 00:16:29,759
i'll know if there's a hint of a story

503
00:16:34,470 --> 00:16:32,079
coming out i'll know what it is before

504
00:16:35,670 --> 00:16:34,480
anyone else and i'll tell that person

505
00:16:38,629 --> 00:16:35,680
that i know what it is and

506
00:16:40,069 --> 00:16:38,639
i'll say how did you know that and that

507
00:16:41,990 --> 00:16:40,079
happens all the time

508
00:16:43,910 --> 00:16:42,000
yeah and the big stories as well before

509
00:16:47,189 --> 00:16:43,920
the triangle story came out

510
00:16:49,189 --> 00:16:47,199
um with tim mcmullen on twitter i knew

511
00:16:50,230 --> 00:16:49,199
a month before and i heard the story

512
00:16:52,550 --> 00:16:50,240
don't go t

513
00:16:54,230 --> 00:16:52,560

every bit of it in fact i've even got

514

00:16:55,670 --> 00:16:54,240

the bits that the unreleased but i know

515

00:17:04,390 --> 00:16:55,680

they're true
