7
00:00:23,990 --> 00:00:22,880
but for those of you who are face twit

00:00:27,750 --> 00:00:26,000
i will no doubt you'll see many

10
00:00:30,150 --> 00:00:27,760
interesting posts that he's put up on

11
00:00:32,310 --> 00:00:30,160
the simphone site over the last sort of

12
00:00:34,150 --> 00:00:32,320
couple of months

13
00:00:37,030 --> 00:00:34,160

now jonathan used to reside in the

14

00:00:39,110 --> 00:00:37,040

landmark area of gower

15

00:00:41,270 --> 00:00:39,120

and it's an incident that occurred over

16

00:00:44,389 --> 00:00:41,280

that area back in 2010 and he's going to

17

00:00:46,389 --> 00:00:44,399

talk to you about tonight

18

00:00:47,750 --> 00:00:46,399

uh i believe one of our members steve

19

00:00:49,670 --> 00:00:47,760

griffiths who actually we haven't seen

20

00:00:51,750 --> 00:00:49,680

for quite some time uh he interviewed

21

00:00:53,510 --> 00:00:51,760

jonathan about the incident but tonight

22

00:00:56,709 --> 00:00:53,520

john is going to tell you in detail

23

00:00:58,310 --> 00:00:56,719

about it firsthand

24

00:01:00,630 --> 00:00:58,320

he's also had a number of other

25

00:01:03,670 --> 00:01:00,640

sightings and is another witness to our

26
00:01:06,070 --> 00:01:03,680
famous knight of the triangles incident

27
00:01:08,550 --> 00:01:06,080
back in 1983

28
00:01:10,830 --> 00:01:08,560
um and he actually had missing time

29
00:01:13,990 --> 00:01:10,840
scenario at that time as

30
00:01:15,910 --> 00:01:14,000
well um now it's been quite some time

31
00:01:18,550 --> 00:01:15,920
since we had a monthly meeting actually

32
00:01:20,870 --> 00:01:18,560
devoted to the main topic of our group's

33
00:01:22,310 --> 00:01:20,880
interest which is ufos

34
00:01:23,560 --> 00:01:22,320
so i'm sure you're all going to enjoy

35
00:01:25,030 --> 00:01:23,570
tonight's presentation

36
00:01:27,429 --> 00:01:25,040
[Music]

37
00:01:29,109 --> 00:01:27,439
anyway i believe this is his first talk

38
00:01:30,550 --> 00:01:29,119

with a live audience although he's in

39

00:01:32,550 --> 00:01:30,560

lots of other things

40

00:01:42,389 --> 00:01:32,560

so please give a very warm welcome

41

00:01:46,550 --> 00:01:43,749

thanks steve

42

00:01:49,429 --> 00:01:46,560

good evening everyone um it is my first

43

00:01:50,870 --> 00:01:49,439

presentation so bear with me guys

44

00:01:52,710 --> 00:01:50,880

be nice

45

00:01:57,429 --> 00:01:52,720

um

46

00:02:02,310 --> 00:01:59,990

i'm involved in the ufo scene i've been

47

00:02:04,230 --> 00:02:02,320

an experimenter all my life literally

48

00:02:07,030 --> 00:02:04,240

since i was a child

49

00:02:08,389 --> 00:02:07,040

um i can't remember when it started i

50

00:02:10,229 --> 00:02:08,399

would be um

51
00:02:12,869 --> 00:02:10,239
i would see things in the fields as i

52
00:02:15,030 --> 00:02:12,879
was wandering around fields like orbs a

53
00:02:18,390 --> 00:02:15,040
small tent sized ball

54
00:02:20,470 --> 00:02:18,400
size orbs different colors reds orange

55
00:02:22,470 --> 00:02:20,480
white

56
00:02:25,030 --> 00:02:22,480
i would wander around and they'd be

57
00:02:26,229 --> 00:02:25,040
about 100 meters away from me

58
00:02:28,790 --> 00:02:26,239
um

59
00:02:30,390 --> 00:02:28,800
they never interacted with me really

60
00:02:31,990 --> 00:02:30,400
um i would just see them my friends

61
00:02:34,229 --> 00:02:32,000
wouldn't see them and it used to cause

62
00:02:36,470 --> 00:02:34,239
me a bit of an issue when i was a child

63
00:02:38,470 --> 00:02:36,480

and i tried to tell my friends what i

64

00:02:39,589 --> 00:02:38,480

was seeing and um

65

00:02:41,350 --> 00:02:39,599

you know and i used to get the mick

66

00:02:42,710 --> 00:02:41,360

telling me taking them basically i

67

00:02:44,550 --> 00:02:42,720

stopped talking about it i didn't tell

68

00:02:46,070 --> 00:02:44,560

my family about it

69

00:02:47,830 --> 00:02:46,080

um

70

00:02:49,589 --> 00:02:47,840

it was a big issue for me

71

00:02:50,949 --> 00:02:49,599

so i didn't really get involved in this

72

00:02:51,910 --> 00:02:50,959

topic at all

73

00:02:53,910 --> 00:02:51,920

um

74

00:02:55,430 --> 00:02:53,920

but i was seeing things you know i would

75

00:02:57,670 --> 00:02:55,440

um

76

00:02:59,589 --> 00:02:57,680

i'd be in bed and i'd i'd wake and my

77

00:03:01,430 --> 00:02:59,599

mouth would be wide open and i couldn't

78

00:03:03,750 --> 00:03:01,440

move and

79

00:03:06,229 --> 00:03:03,760

i'd be floating up to the ceiling

80

00:03:07,910 --> 00:03:06,239

and then i'd black out and i'd wake

81

00:03:10,070 --> 00:03:07,920

and i'd find myself in a room and i'd

82

00:03:13,589 --> 00:03:10,080

have eyes all around me

83

00:03:17,190 --> 00:03:13,599

like large black bull like eyes just

84

00:03:22,470 --> 00:03:20,149

again no messages no downloads nothing

85

00:03:24,070 --> 00:03:22,480

like that just um

86

00:03:26,229 --> 00:03:24,080

an ongoing

87

00:03:27,910 --> 00:03:26,239

interference in my life

88

00:03:31,030 --> 00:03:27,920

you know this is which is all going on

89

00:03:35,270 --> 00:03:33,750

a bit of a um i stayed away from

90

00:03:36,710 --> 00:03:35,280

everyone i supposed to go out into the

91

00:03:38,070 --> 00:03:36,720

fields i'd be on my own because i

92

00:03:41,670 --> 00:03:38,080

couldn't you know nobody else would see

93

00:03:43,670 --> 00:03:41,680

these things i would see these things

94

00:03:45,509 --> 00:03:43,680

and i didn't know what they were

95

00:03:46,789 --> 00:03:45,519

i didn't think they were ufos i was too

96

00:03:48,470 --> 00:03:46,799

young at that time i didn't know what it

97

00:03:51,110 --> 00:03:48,480

was you know i didn't

98

00:03:51,910 --> 00:03:51,120

and even now are there ufos orbs i don't

99

00:03:55,190 --> 00:03:51,920

know

100

00:03:56,869 --> 00:03:55,200

answers that some people might ask me

101
00:03:58,229 --> 00:03:56,879
later if i got the answers i haven't got

102
00:03:59,670 --> 00:03:58,239
answers

103
00:04:01,670 --> 00:03:59,680
i just see these things and i don't

104
00:04:03,429 --> 00:04:01,680
really know why i see these things and

105
00:04:06,350 --> 00:04:03,439
i've always seen it since

106
00:04:06,360 --> 00:04:11,030
[Music]

107
00:04:14,789 --> 00:04:12,869
so i mean

108
00:04:15,910 --> 00:04:14,799
and an incident that happened when i was

109
00:04:18,789 --> 00:04:15,920
um

110
00:04:20,229 --> 00:04:18,799
13 i was out again on my own when i used

111
00:04:21,749 --> 00:04:20,239
to go into the woods these things would

112
00:04:23,590 --> 00:04:21,759
be white when they'd be out in the field

113
00:04:25,670 --> 00:04:23,600

these orange orbs about the

114

00:04:27,189 --> 00:04:25,680

sort of white oaks would be

115

00:04:29,749 --> 00:04:27,199

outside of the tennis ball and they

116

00:04:30,950 --> 00:04:29,759

would follow me into the woods and they

117

00:04:33,110 --> 00:04:30,960

go into the woods and they change color

118

00:04:34,870 --> 00:04:33,120

to red they always change color red i

119

00:04:37,430 --> 00:04:34,880

have absolutely no idea right but they

120

00:04:38,870 --> 00:04:37,440

used to but it was it was quite a nice

121

00:04:40,390 --> 00:04:38,880

thing for me because i'd be on my own

122

00:04:42,230 --> 00:04:40,400

but i always knew these things were

123

00:04:45,030 --> 00:04:42,240

around me sort of thing i was never on

124

00:04:47,510 --> 00:04:45,040

my own if you like

125

00:04:50,710 --> 00:04:47,520

one time when i was 13

126

00:04:54,150 --> 00:04:50,720

i literally collapsed in the woods and

127

00:04:56,310 --> 00:04:54,160

my appendix had burst in i was in agony

128

00:04:58,790 --> 00:04:56,320

i was on floor and these things

129

00:05:00,230 --> 00:04:58,800

literally started surrounding my head

130

00:05:01,990 --> 00:05:00,240

all different colors these were this

131

00:05:03,510 --> 00:05:02,000

time of several weeks but i was in so

132

00:05:05,830 --> 00:05:03,520

much pain

133

00:05:07,350 --> 00:05:05,840

um i didn't pay that much attention i

134

00:05:12,870 --> 00:05:07,360

literally crawled home and i had my

135

00:05:19,029 --> 00:05:15,990

when i was 15 then

136

00:05:20,790 --> 00:05:19,039

i had the night of the triangles

137

00:05:25,420 --> 00:05:20,800

incident

138

00:05:25,430 --> 00:05:46,740

[Music]

139

00:05:46,750 --> 00:05:56,070

[Applause]

140

00:06:00,469 --> 00:05:58,390

1983

141

00:06:03,830 --> 00:06:00,479

i literally found myself in a field

142

00:06:05,189 --> 00:06:03,840

about a mile and a half from my home

143

00:06:07,909 --> 00:06:05,199

and

144

00:06:09,350 --> 00:06:07,919

i had no idea how i got there

145

00:06:12,230 --> 00:06:09,360

um

146

00:06:13,110 --> 00:06:12,240

you're gonna try and fix that it goes

147

00:06:17,189 --> 00:06:13,120

yeah

148

00:06:19,189 --> 00:06:17,199

i'm in this field no idea i got there

149

00:06:20,950 --> 00:06:19,199

it's freezing cold 19th january as you

150

00:06:23,189 --> 00:06:20,960

know is middle of winter i have a

151

00:06:24,790 --> 00:06:23,199

t-shirt a pair of jeans on

152

00:06:26,390 --> 00:06:24,800

and as i'm in this field i'm just

153

00:06:29,270 --> 00:06:26,400

looking up at the sky and as i'm looking

154

00:06:32,070 --> 00:06:29,280

at the sky the whole sky just moved

155

00:06:33,029 --> 00:06:32,080

yeah it was it was like a

156

00:06:36,469 --> 00:06:33,039

giant

157

00:06:37,510 --> 00:06:36,479

miles wide boomerang shaped um

158

00:06:39,189 --> 00:06:37,520

craft

159

00:06:40,710 --> 00:06:39,199

i think of three to be honest with like

160

00:06:41,990 --> 00:06:40,720

one two three

161

00:06:43,029 --> 00:06:42,000

inverted

162

00:06:44,550 --> 00:06:43,039

um

163

00:06:46,230 --> 00:06:44,560

so i'm looking at this thing and i'm in

164

00:06:49,110 --> 00:06:46,240

like a bubble

165

00:06:51,430 --> 00:06:49,120

like i'm away from the rest of the world

166

00:06:54,230 --> 00:06:51,440

there's no sound there's no i couldn't

167

00:06:55,990 --> 00:06:54,240

feel the cold at that point it was um

168

00:06:58,390 --> 00:06:56,000

it's just me looking at the sky watching

169

00:07:01,110 --> 00:06:58,400

this thing move and as soon as it moved

170

00:07:03,270 --> 00:07:01,120

um the bubble bursts sort of thing and i

171

00:07:04,870 --> 00:07:03,280

i realize i look around

172

00:07:06,870 --> 00:07:04,880

i'm in the field

173

00:07:08,309 --> 00:07:06,880

say a few miles from home i recognize

174

00:07:10,150 --> 00:07:08,319

where i am because i look to my right

175

00:07:12,710 --> 00:07:10,160

and there's a leisure center

176

00:07:14,790 --> 00:07:12,720

a half mile to my right and i realize

177

00:07:15,670 --> 00:07:14,800

where i am all the fields got like a

178

00:07:17,670 --> 00:07:15,680

miss

179

00:07:19,110 --> 00:07:17,680

very low mist below my knees there's a

180

00:07:20,230 --> 00:07:19,120

screen behind me though so that's

181

00:07:21,670 --> 00:07:20,240

probably come from that i'm not going to

182

00:07:22,920 --> 00:07:21,680

say that's coming from this object or

183

00:07:24,309 --> 00:07:22,930

anything like that

184

00:07:27,990 --> 00:07:24,319

[Music]

185

00:07:29,589 --> 00:07:28,000

so this thing moves and i suddenly

186

00:07:32,070 --> 00:07:29,599

feel uncomfortable

187

00:07:34,469 --> 00:07:32,080

and i run home um

188

00:07:37,189 --> 00:07:34,479

a few miles uh home

189

00:07:39,029 --> 00:07:37,199

and i lived on a council estate and

190

00:07:41,670 --> 00:07:39,039

there wasn't a person to be seen on this

191

00:07:44,390 --> 00:07:41,680

really busy council estate normally

192

00:07:46,230 --> 00:07:44,400

um it's a sort of a state where everyone

193

00:07:48,230 --> 00:07:46,240

stands outside and talks you know it's a

194

00:07:49,909 --> 00:07:48,240

really nice community type of state

195

00:07:51,670 --> 00:07:49,919

where you stand outside in the old days

196

00:07:52,629 --> 00:07:51,680

you know it's not like that these days i

197

00:07:54,309 --> 00:07:52,639

know but

198

00:07:57,110 --> 00:07:54,319

and that's what it was like but all the

199

00:07:58,629 --> 00:07:57,120

curtains were shut on the homes

200

00:08:00,390 --> 00:07:58,639

and the

201
00:08:02,390 --> 00:08:00,400
but all the lights are still on so it's

202
00:08:05,110 --> 00:08:02,400
early evening late evening i don't

203
00:08:08,150 --> 00:08:05,120
actually know the time so i get home

204
00:08:09,749 --> 00:08:08,160
not seeing a person not seen a car

205
00:08:11,029 --> 00:08:09,759
and i get to the front door and i think

206
00:08:13,350 --> 00:08:11,039
to myself i'm going to be in trouble

207
00:08:15,749 --> 00:08:13,360
because i literally had no idea where

208
00:08:16,550 --> 00:08:15,759
i'd been that day or even the previous

209
00:08:19,110 --> 00:08:16,560
day

210
00:08:21,430 --> 00:08:19,120
my memory was just gone yeah all i know

211
00:08:22,150 --> 00:08:21,440
is i was in that field and i'd run home

212
00:08:23,749 --> 00:08:22,160
so

213
00:08:24,869 --> 00:08:23,759

um i get to my front door and i think

214

00:08:26,710 --> 00:08:24,879

i'm gonna be in trouble so i go around

215

00:08:28,629 --> 00:08:26,720

the back of the house when i was when i

216

00:08:29,909 --> 00:08:28,639

was a kid and i was naughty

217

00:08:31,430 --> 00:08:29,919

i would remember i'd go around the back

218

00:08:33,029 --> 00:08:31,440

of the house and i'd literally climb up

219

00:08:34,790 --> 00:08:33,039

the drain pipe

220

00:08:36,630 --> 00:08:34,800

and get me through the bathroom window

221

00:08:37,990 --> 00:08:36,640

and that's exactly what i did like going

222

00:08:38,870 --> 00:08:38,000

through the bathroom window or went to

223

00:08:40,469 --> 00:08:38,880

bed

224

00:08:42,469 --> 00:08:40,479

and i've i thought to myself i'm going

225

00:08:44,149 --> 00:08:42,479

to be in trouble the next day with my

226

00:08:46,070 --> 00:08:44,159

parents because i must have done

227

00:08:47,750 --> 00:08:46,080

something you know because i've i've got

228

00:08:49,750 --> 00:08:47,760

no memory so something must have

229

00:08:52,790 --> 00:08:49,760

happened but i didn't know what it was

230

00:08:55,670 --> 00:08:52,800

so anyway next day i'll go downstairs

231

00:08:57,910 --> 00:08:55,680

like i say i'm 15 so i'm still in school

232

00:09:00,230 --> 00:08:57,920

i'm dressed at school i go downstairs my

233

00:09:02,070 --> 00:09:00,240

parents don't say a word about it apart

234

00:09:04,230 --> 00:09:02,080

from my mum telling me that i haven't

235

00:09:05,910 --> 00:09:04,240

cleaned my rugby boots why didn't i

236

00:09:07,750 --> 00:09:05,920

clean my rugby boots from school the day

237

00:09:08,710 --> 00:09:07,760

before so at that point i straight away

238

00:09:11,030 --> 00:09:08,720

i knew

239

00:09:12,230 --> 00:09:11,040

we played rugby on wednesday

240

00:09:14,310 --> 00:09:12,240

night of the triangles it was a

241

00:09:15,590 --> 00:09:14,320

wednesday we actually moved house about

242

00:09:16,949 --> 00:09:15,600

two weeks after the night of the

243

00:09:18,790 --> 00:09:16,959

triangles

244

00:09:20,870 --> 00:09:18,800

and that's how i know the dates i worked

245

00:09:22,710 --> 00:09:20,880

it all out from the dates it was the

246

00:09:23,750 --> 00:09:22,720

same like that all the people

247

00:09:25,269 --> 00:09:23,760

this way

248

00:09:26,230 --> 00:09:25,279

the rest of south wales were seeing

249

00:09:28,070 --> 00:09:26,240

things

250

00:09:31,110 --> 00:09:28,080

unfortunately nobody saw this thing that

251

00:09:34,829 --> 00:09:33,190

so my mum didn't say anything to me

252

00:09:37,829 --> 00:09:34,839

apart from that

253

00:09:39,110 --> 00:09:37,839

um i didn't

254

00:09:40,550 --> 00:09:39,120

want to say anything because i didn't

255

00:09:42,070 --> 00:09:40,560

want to get in trouble so i never said a

256

00:09:44,470 --> 00:09:42,080

word to her about what i thought had

257

00:09:46,550 --> 00:09:44,480

happened or you know where what had

258

00:09:49,190 --> 00:09:46,560

happened for the last few days i knew

259

00:09:50,790 --> 00:09:49,200

because we were moving i was moving home

260

00:09:52,710 --> 00:09:50,800

i didn't need to say anything to my

261

00:09:54,070 --> 00:09:52,720

friends in school

262

00:09:55,430 --> 00:09:54,080

because we were moving and i thought i'm

263

00:09:57,509 --> 00:09:55,440

not going to want to look an idiot again

264

00:09:58,790 --> 00:09:57,519

here we go again without seeing things

265

00:10:00,710 --> 00:09:58,800

you know

266

00:10:02,470 --> 00:10:00,720

and this was this was giant i mean i

267

00:10:04,310 --> 00:10:02,480

couldn't see it was huge it was

268

00:10:05,990 --> 00:10:04,320

literally miles wide i couldn't see to

269

00:10:07,829 --> 00:10:06,000

the left how big it was i couldn't see

270

00:10:10,949 --> 00:10:07,839

to the right how big it was yeah i knew

271

00:10:12,389 --> 00:10:10,959

the area so i knew it was literally over

272

00:10:13,829 --> 00:10:12,399

the right hand side it was over the

273

00:10:16,870 --> 00:10:13,839

forest and the forest was a couple of

274

00:10:18,710 --> 00:10:16,880

miles wide and this was past the forest

275

00:10:20,230 --> 00:10:18,720

yeah because it was so high up i mean

276

00:10:21,670 --> 00:10:20,240

that's why i thought initially i was

277

00:10:24,389 --> 00:10:21,680

looking at the stars to be honest with

278

00:10:25,990 --> 00:10:24,399

you but then as soon as it moved i saw

279

00:10:27,750 --> 00:10:26,000

the rose of light if you think of the

280

00:10:29,829 --> 00:10:27,760

phoenix lights

281

00:10:31,670 --> 00:10:29,839

in america if any of you have seen that

282

00:10:33,990 --> 00:10:31,680

it'll give you an idea of the sort of

283

00:10:36,150 --> 00:10:34,000

thing that i saw but this wasn't

284

00:10:37,829 --> 00:10:36,160

large white lights like we saw on

285

00:10:39,990 --> 00:10:37,839

phoenix lights there was

286

00:10:40,949 --> 00:10:40,000

six or seven on each side of the phoenix

287

00:10:46,790 --> 00:10:40,959

lights

288

00:10:49,190 --> 00:10:46,800

um

289

00:10:50,470 --> 00:10:49,200

in a boom around shape but one two three

290

00:10:51,750 --> 00:10:50,480

four meringues

291

00:10:52,870 --> 00:10:51,760

like that

292

00:10:54,470 --> 00:10:52,880

um

293

00:10:57,110 --> 00:10:54,480

yeah so i mean that's that's the knight

294

00:10:58,870 --> 00:10:57,120

of the tar angle saying i moved

295

00:11:00,949 --> 00:10:58,880

two weeks after that we moved into the

296

00:11:02,870 --> 00:11:00,959

oldest house in newport

297

00:11:04,310 --> 00:11:02,880

and up until that point i've never seen

298

00:11:07,430 --> 00:11:04,320

ghosts

299

00:11:09,990 --> 00:11:07,440

and this house was um built in 1580 it

300

00:11:12,069 --> 00:11:10,000

was a large old mansion house

301
00:11:14,550 --> 00:11:12,079
and as soon as we moved in literally

302
00:11:16,470 --> 00:11:14,560
within a day or so i was seeing ghosts i

303
00:11:19,269 --> 00:11:16,480
was being pushed by ghosts i was being

304
00:11:21,269 --> 00:11:19,279
spoken to it was you know tapped me on

305
00:11:23,590 --> 00:11:21,279
the top of the top of the head sitting

306
00:11:25,509 --> 00:11:23,600
on my bed grabbing my leg

307
00:11:27,190 --> 00:11:25,519
it was nuts you know i don't know

308
00:11:28,310 --> 00:11:27,200
whether that was all related that i

309
00:11:31,509 --> 00:11:28,320
suddenly

310
00:11:33,750 --> 00:11:31,519
you know become that more attuned

311
00:11:36,150 --> 00:11:33,760
i haven't had this experience with the

312
00:11:37,750 --> 00:11:36,160
large craft only a week or so earlier or

313
00:11:39,430 --> 00:11:37,760

two weeks earlier i don't know whether

314

00:11:41,590 --> 00:11:39,440

it was that i mean it might be that i

315

00:11:42,870 --> 00:11:41,600

was i was already achieving they're just

316

00:11:44,150 --> 00:11:42,880

emptying the environment where i could

317

00:11:45,590 --> 00:11:44,160

have seen a ghost or experience that

318

00:11:47,670 --> 00:11:45,600

goes i'm not sure

319

00:11:49,509 --> 00:11:47,680

um so that that was basically my night

320

00:11:51,430 --> 00:11:49,519

of the triangle so anyone who's here

321

00:11:52,870 --> 00:11:51,440

that saw that you're not alone i

322

00:11:55,030 --> 00:11:52,880

i saw that as well

323

00:11:56,470 --> 00:11:55,040

i never got to tell anyone you know i

324

00:11:58,150 --> 00:11:56,480

literally and somebody somebody on

325

00:11:59,670 --> 00:11:58,160

twitter told me um

326

00:12:02,310 --> 00:11:59,680

bruce feint and i was talking to the

327

00:12:03,910 --> 00:12:02,320

author bruce fenton he told me

328

00:12:05,190 --> 00:12:03,920

about the night the triangles after i

329

00:12:07,750 --> 00:12:05,200

said to him what had happened to me when

330

00:12:09,750 --> 00:12:07,760

i was 15.

331

00:12:11,110 --> 00:12:09,760

and he suggested i'll get in contact

332

00:12:13,509 --> 00:12:11,120

with soofan and

333

00:12:15,990 --> 00:12:13,519

talk me through with the guys and

334

00:12:17,190 --> 00:12:16,000

that's what i did you know so

335

00:12:19,829 --> 00:12:17,200

that was that sort of thing i had

336

00:12:23,030 --> 00:12:19,839

already at that point um reported what

337

00:12:24,389 --> 00:12:23,040

i'd seen at landy moore

338

00:12:27,030 --> 00:12:24,399

like the cars have already said about

339

00:12:29,269 --> 00:12:27,040

that so

340

00:12:31,430 --> 00:12:29,279

that was my that was my uh my younger

341

00:12:33,829 --> 00:12:31,440

years i didn't really see

342

00:12:35,910 --> 00:12:33,839

major events i mean were like classic

343

00:12:37,829 --> 00:12:35,920

major events so things like giant craft

344

00:12:39,430 --> 00:12:37,839

and craft blending in my garden to be

345

00:12:42,230 --> 00:12:39,440

honest with you you know other people

346

00:12:44,470 --> 00:12:42,240

might think major event is seeing ufo i

347

00:12:46,629 --> 00:12:44,480

i see ufos every week

348

00:12:47,509 --> 00:12:46,639

you know and i always have i'll see i'll

349

00:12:49,590 --> 00:12:47,519

see

350

00:12:51,910 --> 00:12:49,600

orange orbs in the sky

351
00:12:52,790 --> 00:12:51,920
i'm like like you're going to see

352
00:12:55,350 --> 00:12:52,800
on the

353
00:12:57,670 --> 00:12:55,360
presentation but i see those all the

354
00:12:59,910 --> 00:12:57,680
time every every three months i'll see

355
00:13:01,430 --> 00:12:59,920
three giant um

356
00:13:02,710 --> 00:13:01,440
orange orbs that pass but it doesn't

357
00:13:04,470 --> 00:13:02,720
matter where i live i've lived right

358
00:13:06,389 --> 00:13:04,480
across south wales

359
00:13:07,269 --> 00:13:06,399
and these things are everywhere it's

360
00:13:08,949 --> 00:13:07,279
like

361
00:13:11,910 --> 00:13:08,959
it was more intense when i was living in

362
00:13:14,310 --> 00:13:11,920
landing quite honestly this area

363
00:13:16,389 --> 00:13:14,320

has got a large magnetic anomaly in the

364

00:13:18,629 --> 00:13:16,399

area the swansea

365

00:13:20,710 --> 00:13:18,639

and the gower peninsula it's got a very

366

00:13:22,150 --> 00:13:20,720

large magnetic anomaly and i was seeing

367

00:13:24,150 --> 00:13:22,160

things in

368

00:13:26,069 --> 00:13:24,160

all the time i literally worked from

369

00:13:28,550 --> 00:13:26,079

home and i would look out

370

00:13:29,990 --> 00:13:28,560

onto the estuary onto the liquor estuary

371

00:13:32,230 --> 00:13:30,000

and i would look up in the sky i'd see

372

00:13:35,030 --> 00:13:32,240

cigars going over i'd see the emerald

373

00:13:37,110 --> 00:13:35,040

craft coming over all sorts of things

374

00:13:39,990 --> 00:13:37,120

going on down there it was a it was just

375

00:13:42,069 --> 00:13:40,000

normal for me you know i mean there's

376

00:13:44,150 --> 00:13:42,079

people say to me why don't i take lots

377

00:13:45,189 --> 00:13:44,160

of pictures well i see these things all

378

00:13:47,189 --> 00:13:45,199

the time

379

00:13:49,829 --> 00:13:47,199

you know and i always have and to be

380

00:13:52,790 --> 00:13:49,839

honest they were annoyance

381

00:13:53,910 --> 00:13:52,800

they almost spoiled my childhood

382

00:13:57,750 --> 00:13:53,920

you know

383

00:13:57,760 --> 00:14:00,629

so

384

00:14:06,310 --> 00:14:03,110

let's move on to the uh slides

385

00:14:41,509 --> 00:14:07,910

sorry i never got emotional about this

386

00:14:46,629 --> 00:14:44,710

okay so

387

00:14:48,389 --> 00:14:46,639

me and my wife got boogled in newport we

388

00:14:50,629 --> 00:14:48,399

were looking in uh pontering newport we

389

00:14:52,310 --> 00:14:50,639

got boogles we moved down the gower i

390

00:14:54,069 --> 00:14:52,320

thought i'm going to move anywhere i

391

00:14:55,829 --> 00:14:54,079

want to move somewhere nice

392

00:14:58,470 --> 00:14:55,839

and we had this beautiful

393

00:15:00,790 --> 00:14:58,480

barn conversion on the coast overlooking

394

00:15:01,910 --> 00:15:00,800

the estuary in landy mall

395

00:15:04,069 --> 00:15:01,920

and i worked from home and i had a

396

00:15:08,629 --> 00:15:04,079

little office and like i said

397

00:15:13,269 --> 00:15:10,550

as i've gone on my side

398

00:15:15,509 --> 00:15:13,279

no i could you just yeah so you can see

399

00:15:17,910 --> 00:15:15,519

my house on the left hand side there

400

00:15:19,670 --> 00:15:17,920

there's a tennis court to the to

401

00:15:21,430 --> 00:15:19,680

the top of the screen

402

00:15:23,430 --> 00:15:21,440

um so there's a large

403

00:15:27,269 --> 00:15:23,440

arrow pointing at the point where i saw

404

00:15:29,110 --> 00:15:27,279

an object so it's 2010 october the 7th

405

00:15:31,990 --> 00:15:29,120

2010.

406

00:15:34,069 --> 00:15:32,000

um i'm downstairs with my two-year-old

407

00:15:35,030 --> 00:15:34,079

daughter then daisy may

408

00:15:36,790 --> 00:15:35,040

and

409

00:15:38,870 --> 00:15:36,800

my wife's upstairs having a shower i've

410

00:15:40,389 --> 00:15:38,880

just done a day's work my wife didn't

411

00:15:42,310 --> 00:15:40,399

work she looked after my daughter and

412

00:15:44,069 --> 00:15:42,320

then i looked after her in the evenings

413

00:15:45,670 --> 00:15:44,079

and she did her own things in the

414

00:15:48,710 --> 00:15:45,680

evening

415

00:15:49,829 --> 00:15:48,720

so i'm sat downstairs in the tv room

416

00:15:50,710 --> 00:15:49,839

and

417

00:15:52,790 --> 00:15:50,720

my

418

00:15:55,350 --> 00:15:52,800

daughter walks over to the conservatory

419

00:15:57,749 --> 00:15:55,360

window and she points out she's not

420

00:15:59,189 --> 00:15:57,759

talking that much at this point but she

421

00:16:02,310 --> 00:15:59,199

points she walks over the conceptually

422

00:16:04,230 --> 00:16:02,320

window she points out she says bright

423

00:16:05,829 --> 00:16:04,240

so i i was impressed to start with

424

00:16:07,110 --> 00:16:05,839

that's a great word you know bright

425

00:16:08,470 --> 00:16:07,120

she's not talking much and i was

426

00:16:09,910 --> 00:16:08,480

impressed so i walked over to the

427

00:16:10,790 --> 00:16:09,920

conservatory thinking what she's looking

428

00:16:15,269 --> 00:16:10,800

at

429

00:16:17,110 --> 00:16:15,279

neighbors tennis courts who seen it on

430

00:16:19,670 --> 00:16:17,120

the left-hand side there

431

00:16:23,430 --> 00:16:19,680

in the top right hand corner

432

00:16:26,470 --> 00:16:23,440

there was an orange orb a large

433

00:16:27,829 --> 00:16:26,480

um transit size orange orb in the

434

00:16:29,590 --> 00:16:27,839

right next to the tennis court there was

435

00:16:31,829 --> 00:16:29,600

a tree in the right hand corner at the

436

00:16:33,829 --> 00:16:31,839

back and this was level with my house

437

00:16:35,590 --> 00:16:33,839

i'm living in the top of the hill the

438

00:16:37,110 --> 00:16:35,600

very first house in landing more so i've

439

00:16:39,350 --> 00:16:37,120

got best view

440

00:16:42,150 --> 00:16:39,360

so i'm looking down but this thing was

441

00:16:44,230 --> 00:16:42,160

literally level with my conservatory

442

00:16:46,389 --> 00:16:44,240

and i mean the only way to describe it

443

00:16:47,829 --> 00:16:46,399

is like an egg shape

444

00:16:49,509 --> 00:16:47,839

there is a picture you'll see that i

445

00:16:50,470 --> 00:16:49,519

took plenty of pictures

446

00:16:53,030 --> 00:16:50,480

um

447

00:16:53,990 --> 00:16:53,040

an egg shaped sun it looked just like a

448

00:16:55,990 --> 00:16:54,000

sun

449

00:16:57,590 --> 00:16:56,000

okay but it's in the night time

450

00:16:58,710 --> 00:16:57,600

this is eating between eight and nine in

451
00:16:59,749 --> 00:16:58,720
the evening

452
00:17:01,430 --> 00:16:59,759
um

453
00:17:04,230 --> 00:17:01,440
so yeah this is the uh the actual

454
00:17:06,309 --> 00:17:04,240
objects it's not a um it's not made up

455
00:17:07,590 --> 00:17:06,319
object that is the actual object that we

456
00:17:08,789 --> 00:17:07,600
saw

457
00:17:10,630 --> 00:17:08,799
um

458
00:17:13,510 --> 00:17:10,640
this this all happened over the space of

459
00:17:15,429 --> 00:17:13,520
an airway okay this incident this wasn't

460
00:17:16,949 --> 00:17:15,439
the fleeting little thing that just shot

461
00:17:18,870 --> 00:17:16,959
off and it was gone

462
00:17:20,150 --> 00:17:18,880
this was an ongoing

463
00:17:21,750 --> 00:17:20,160

event

464

00:17:26,870 --> 00:17:21,760

so

465

00:17:31,029 --> 00:17:27,909

okay

466

00:17:32,870 --> 00:17:31,039

so this thing is in the sky it then if i

467

00:17:34,870 --> 00:17:32,880

if i had blinked i would have missed it

468

00:17:37,750 --> 00:17:34,880

if you this if you listen to what they

469

00:17:40,630 --> 00:17:37,760

when they talk about the nimitz and the

470

00:17:43,430 --> 00:17:40,640

80 000 mile an hour craft

471

00:17:46,390 --> 00:17:43,440

um the tic-tac that shot to the seat

472

00:17:48,150 --> 00:17:46,400

you know in a blink of an eye you know

473

00:17:49,750 --> 00:17:48,160

that's how fast it was this is how fast

474

00:17:52,230 --> 00:17:49,760

this object was

475

00:17:54,390 --> 00:17:52,240

it literally shot half a mile to my

476
00:17:56,470 --> 00:17:54,400
right remember though i'm looking down

477
00:17:58,070 --> 00:17:56,480
at it so it's literally very close to me

478
00:17:59,750 --> 00:17:58,080
still it seems it's not you know like

479
00:18:01,590 --> 00:17:59,760
half a mile i think that's too far you

480
00:18:03,669 --> 00:18:01,600
can see what's going on mate no this was

481
00:18:05,270 --> 00:18:03,679
literally boom to my right and i could

482
00:18:07,590 --> 00:18:05,280
still see it perfectly

483
00:18:09,750 --> 00:18:07,600
so i thought it would crash it was so

484
00:18:11,510 --> 00:18:09,760
fast and i thought oh my god even though

485
00:18:12,710 --> 00:18:11,520
i've seen these things before like i

486
00:18:14,870 --> 00:18:12,720
said

487
00:18:16,310 --> 00:18:14,880
this was this was um

488
00:18:18,070 --> 00:18:16,320

strangers because my daughter just

489

00:18:19,510 --> 00:18:18,080

started it off i mean it just put me off

490

00:18:21,110 --> 00:18:19,520

guard a little bit

491

00:18:23,350 --> 00:18:21,120

um

492

00:18:25,510 --> 00:18:23,360

and the fact that it moved so fast i've

493

00:18:27,270 --> 00:18:25,520

never seen them up until that point

494

00:18:30,070 --> 00:18:27,280

moved like that they've never done

495

00:18:31,750 --> 00:18:30,080

normally just mosey along around me yeah

496

00:18:34,310 --> 00:18:31,760

or they just drift

497

00:18:36,230 --> 00:18:34,320

like a balloon that sort of speed really

498

00:18:38,230 --> 00:18:36,240

slow that always let me have a show this

499

00:18:39,909 --> 00:18:38,240

was this was like um

500

00:18:42,390 --> 00:18:39,919

crazy speed

501
00:18:44,230 --> 00:18:42,400
boom so i thought crash there was no

502
00:18:45,669 --> 00:18:44,240
explosion

503
00:18:47,190 --> 00:18:45,679
um

504
00:18:49,350 --> 00:18:47,200
then

505
00:18:50,630 --> 00:18:49,360
to the north of that between bow reports

506
00:18:51,990 --> 00:18:50,640
and to naturally on the opposite

507
00:19:05,510 --> 00:18:52,000
coastline

508
00:19:11,430 --> 00:19:08,070
yeah this object appears

509
00:19:12,870 --> 00:19:11,440
okay so directly upset me and in between

510
00:19:15,350 --> 00:19:12,880
this object that has now landed on the

511
00:19:17,669 --> 00:19:15,360
ground the orange orb this white object

512
00:19:19,669 --> 00:19:17,679
appears there's a cloud

513
00:19:21,990 --> 00:19:19,679

there's so you can't see the stars

514

00:19:23,830 --> 00:19:22,000

and the cloud level is low

515

00:19:25,590 --> 00:19:23,840

so this was actually quite low between

516

00:19:27,430 --> 00:19:25,600

bury port and financially this white

517

00:19:29,590 --> 00:19:27,440

object i'm going to go back now back to

518

00:19:31,430 --> 00:19:29,600

those other two

519

00:19:33,750 --> 00:19:31,440

and as i'm watching that i'm thinking

520

00:19:35,190 --> 00:19:33,760

what the hell is that i can hear i've

521

00:19:36,549 --> 00:19:35,200

opened the window now so i can see if i

522

00:19:39,190 --> 00:19:36,559

can hear anything i can hear a thing

523

00:19:40,470 --> 00:19:39,200

there's no sound apart from the wind

524

00:19:41,510 --> 00:19:40,480

so we're on top of the hill and it's on

525

00:19:43,029 --> 00:19:41,520

the coast

526
00:19:45,350 --> 00:19:43,039
and now i can hear what sounds like a

527
00:19:46,470 --> 00:19:45,360
chinook helicopter coming from um

528
00:19:48,630 --> 00:19:46,480
garriton

529
00:19:50,789 --> 00:19:48,640
area so

530
00:19:53,270 --> 00:19:50,799
large twin rotor military shimmer

531
00:19:55,510 --> 00:19:53,280
helicopter coming in

532
00:19:57,669 --> 00:19:55,520
directly towards this object that's now

533
00:19:59,590 --> 00:19:57,679
on the ground the orange orb

534
00:20:03,669 --> 00:19:59,600
this orange orb has now

535
00:20:07,830 --> 00:20:05,590
lots and lots of different colours huge

536
00:20:09,350 --> 00:20:07,840
flashes of light like a lighthouse and

537
00:20:11,270 --> 00:20:09,360
they seem to be directed to me that's

538
00:20:14,789 --> 00:20:11,280

the way it felt to me but it was so

539

00:20:16,310 --> 00:20:14,799

bright it it felt like everyone in the

540

00:20:18,310 --> 00:20:16,320

area should be able to see it on both

541

00:20:19,830 --> 00:20:18,320

sides of the coast you know the whole

542

00:20:20,950 --> 00:20:19,840

garage and to land anymore should have

543

00:20:23,510 --> 00:20:20,960

been able to see this because it was

544

00:20:25,510 --> 00:20:23,520

like a light ace it was crazy bright

545

00:20:27,190 --> 00:20:25,520

i was literally going wow every time it

546

00:20:30,230 --> 00:20:27,200

would flash that's how bright these

547

00:20:33,029 --> 00:20:30,240

things were i mean i ran down um to the

548

00:20:35,190 --> 00:20:33,039

bottom of my house

549

00:20:37,830 --> 00:20:35,200

to get my then my office to get my

550

00:20:39,669 --> 00:20:37,840

binoculars and a brand new camera that

551
00:20:40,950 --> 00:20:39,679
literally turned up

552
00:20:43,270 --> 00:20:40,960
day you know

553
00:20:45,029 --> 00:20:43,280
one or two days before i had never used

554
00:20:47,110 --> 00:20:45,039
the camera i bought the camera for um

555
00:20:48,230 --> 00:20:47,120
product pictures of my business

556
00:20:50,470 --> 00:20:48,240
because i was selling things on the

557
00:20:52,149 --> 00:20:50,480
internet and i needed a camera um but i

558
00:20:53,270 --> 00:20:52,159
only learned how to use it literally you

559
00:20:54,950 --> 00:20:53,280
know what it's like

560
00:20:56,789 --> 00:20:54,960
so it turns up and you're not ready to

561
00:20:58,149 --> 00:20:56,799
use it you just test it so just in case

562
00:21:00,310 --> 00:20:58,159
you've got to send it back that's what i

563
00:21:02,549 --> 00:21:00,320

did you know i put batteries in

564

00:21:04,230 --> 00:21:02,559

and that was the extent of what i knew

565

00:21:05,830 --> 00:21:04,240

about that camera and tested it or

566

00:21:07,909 --> 00:21:05,840

anything i didn't have a clue how to use

567

00:21:08,870 --> 00:21:07,919

it anyway so i go back to the top of the

568

00:21:11,110 --> 00:21:08,880

house i started looking through

569

00:21:12,870 --> 00:21:11,120

binoculars again these flashes

570

00:21:15,350 --> 00:21:12,880

they're almost too bright to look at

571

00:21:17,750 --> 00:21:15,360

through the food binoculars

572

00:21:19,669 --> 00:21:17,760

this is all going on all these flashes

573

00:21:22,310 --> 00:21:19,679

the helicopter has now gone up to the

574

00:21:23,990 --> 00:21:22,320

object on the ground about 200 feet

575

00:21:26,390 --> 00:21:24,000

something like that as a guest obviously

576

00:21:28,630 --> 00:21:26,400

this is half a mile from me but it gets

577

00:21:30,630 --> 00:21:28,640

very close there's a light that passes

578

00:21:32,549 --> 00:21:30,640

between two

579

00:21:33,750 --> 00:21:32,559

this helicopter and the object on the

580

00:21:36,149 --> 00:21:33,760

ground

581

00:21:38,070 --> 00:21:36,159

and the helicopter vanish

582

00:21:40,149 --> 00:21:38,080

okay so i had the window open and the

583

00:21:41,909 --> 00:21:40,159

helicopter in there was very

584

00:21:43,909 --> 00:21:41,919

very loud

585

00:21:47,190 --> 00:21:43,919

yeah and they just vanished and so did

586

00:21:48,310 --> 00:21:47,200

the same with the helicopter just gone

587

00:21:50,789 --> 00:21:48,320

okay

588

00:21:53,430 --> 00:21:50,799

but it immediately reappeared and the

589

00:21:55,510 --> 00:21:53,440

same immediately reappeared

590

00:21:57,909 --> 00:21:55,520

back down by garrett

591

00:21:59,990 --> 00:21:57,919

and it did exactly the same thing over

592

00:22:01,909 --> 00:22:00,000

and over and over

593

00:22:03,590 --> 00:22:01,919

this was the eight or nine times i

594

00:22:05,909 --> 00:22:03,600

watched this helicopter come in i

595

00:22:07,830 --> 00:22:05,919

watched the light shine the noise going

596

00:22:10,230 --> 00:22:07,840

later and over and over and then it just

597

00:22:12,549 --> 00:22:10,240

vanished each time so this was not a

598

00:22:13,590 --> 00:22:12,559

real helicopter okay and it's over the

599

00:22:15,430 --> 00:22:13,600

years

600

00:22:18,390 --> 00:22:15,440

i've i've come to the conclusion that

601
00:22:21,830 --> 00:22:18,400
this was some sort of distraction

602
00:22:23,430 --> 00:22:21,840
um to make people think this was a real

603
00:22:25,270 --> 00:22:23,440
human event

604
00:22:27,830 --> 00:22:25,280
yeah and so don't pay any attention this

605
00:22:29,909 --> 00:22:27,840
is probably the police or this the coast

606
00:22:30,710 --> 00:22:29,919
guard or something like that well it's

607
00:22:32,470 --> 00:22:30,720
not

608
00:22:34,789 --> 00:22:32,480
okay these helicopters are a thing i've

609
00:22:37,270 --> 00:22:34,799
looked into them since i'm

610
00:22:39,110 --> 00:22:37,280
i'm big into researching this subject

611
00:22:40,470 --> 00:22:39,120
and i've made contact with people like

612
00:22:41,909 --> 00:22:40,480
eric davis

613
00:22:43,830 --> 00:22:41,919

hal put off

614

00:22:47,110 --> 00:22:43,840

all the top people in this topic and

615

00:22:48,549 --> 00:22:47,120

they've told me papers they've released

616

00:22:50,310 --> 00:22:48,559

based on

617

00:22:52,549 --> 00:22:50,320

these objects can basically make

618

00:22:54,390 --> 00:22:52,559

themselves manifest and look as anything

619

00:22:55,669 --> 00:22:54,400

they want to look at they can make

620

00:22:57,190 --> 00:22:55,679

themselves look like a house they can

621

00:22:59,350 --> 00:22:57,200

make themselves look like a meteor a

622

00:23:00,870 --> 00:22:59,360

cloud anything they can alter your

623

00:23:03,350 --> 00:23:00,880

perceptions

624

00:23:06,549 --> 00:23:03,360

and they can also

625

00:23:08,470 --> 00:23:06,559

be used in a holographic way and

626
00:23:12,549 --> 00:23:08,480
i've been told that um this is very

627
00:23:17,430 --> 00:23:13,909
it's escaping

628
00:23:23,750 --> 00:23:21,750
yeah cash land running in america where

629
00:23:25,590 --> 00:23:23,760
two ladies and a young child were

630
00:23:27,669 --> 00:23:25,600
injured

631
00:23:30,789 --> 00:23:27,679
and had radiation boons and they

632
00:23:32,710 --> 00:23:30,799
reported seeing a diamond-shaped object

633
00:23:34,870 --> 00:23:32,720
a craft at the time this is what did

634
00:23:38,230 --> 00:23:34,880
that but at the same time they reported

635
00:23:39,990 --> 00:23:38,240
23 chinook helicopters

636
00:23:43,190 --> 00:23:40,000
were supposedly chasing after this

637
00:23:46,470 --> 00:23:43,200
object well they researched that and

638
00:23:48,230 --> 00:23:46,480

there weren't 23 helicopters within

639

00:23:50,149 --> 00:23:48,240

hundreds and hundreds of miles and none

640

00:23:52,390 --> 00:23:50,159

of the bases had anything like 23

641

00:23:54,549 --> 00:23:52,400

helicopters available to them

642

00:23:56,950 --> 00:23:54,559

um so it was there was no way that that

643

00:23:59,110 --> 00:23:56,960

was a they were real helicopters so

644

00:23:59,830 --> 00:23:59,120

again this is why it was pointed out to

645

00:24:03,110 --> 00:23:59,840

me

646

00:24:07,350 --> 00:24:03,120

they use fake helicopters again it was a

647

00:24:10,630 --> 00:24:07,360

a russian video um released in 2006 with

648

00:24:12,789 --> 00:24:10,640

six where they did a soft disclosure

649

00:24:15,669 --> 00:24:12,799

and uh the russians did a soft

650

00:24:19,430 --> 00:24:15,679

disclosure about um us's underwater

651
00:24:21,750 --> 00:24:19,440
underwater um ufos basically there

652
00:24:23,269 --> 00:24:21,760
and they reported that a helicopter was

653
00:24:25,669 --> 00:24:23,279
seen

654
00:24:27,269 --> 00:24:25,679
and used as a way to distract the

655
00:24:28,149 --> 00:24:27,279
russian navy because they were trying to

656
00:24:31,909 --> 00:24:28,159
trap

657
00:24:33,830 --> 00:24:31,919
a uso and they literally got it in bay

658
00:24:36,710 --> 00:24:33,840
and they were trying to destroy it

659
00:24:39,430 --> 00:24:36,720
and they reported that the helicopter

660
00:24:41,830 --> 00:24:39,440
arrived out of nowhere flew nothing like

661
00:24:44,630 --> 00:24:41,840
a normal helicopter would fly

662
00:24:47,510 --> 00:24:44,640
and as soon as that arrived the uso

663
00:24:50,630 --> 00:24:47,520

escaped and then the helicopter vanished

664

00:24:51,590 --> 00:24:50,640

okay so these helicopters are a thing

665

00:24:54,230 --> 00:24:51,600

so

666

00:24:56,789 --> 00:24:54,240

you know we we've literally had this

667

00:24:58,950 --> 00:24:56,799

incident on your doorstep so so you're

668

00:25:00,789 --> 00:24:58,960

aware that

669

00:25:02,710 --> 00:25:00,799

this and this sort of thing is going on

670

00:25:05,269 --> 00:25:02,720

it's just happened in australia as well

671

00:25:07,029 --> 00:25:05,279

i was i was talking to ross protag the

672

00:25:08,710 --> 00:25:07,039

investigative journalist he's become a

673

00:25:10,789 --> 00:25:08,720

good friend he interviewed me about two

674

00:25:12,070 --> 00:25:10,799

years ago for his book

675

00:25:13,750 --> 00:25:12,080

and he

676
00:25:15,510 --> 00:25:13,760
told me that

677
00:25:17,990 --> 00:25:15,520
he'd been speaking to special forces

678
00:25:20,070 --> 00:25:18,000
troops and the special forces troops had

679
00:25:22,390 --> 00:25:20,080
seen orange orbs at the same time as

680
00:25:26,149 --> 00:25:22,400
fake helicopters so again this is a

681
00:25:27,830 --> 00:25:26,159
worldwide thing that's going on so

682
00:25:30,149 --> 00:25:27,840
be proud of the fact we're in worlds and

683
00:25:32,950 --> 00:25:30,159
this is actually pretty special you know

684
00:25:34,549 --> 00:25:32,960
we've had a landing case that is um

685
00:25:35,510 --> 00:25:34,559
you've probably never even heard of most

686
00:25:37,830 --> 00:25:35,520
of you

687
00:25:39,510 --> 00:25:37,840
um on your doorstep but you've also had

688
00:25:41,269 --> 00:25:39,520

um

689

00:25:43,190 --> 00:25:41,279

pretty amazing thing going on with this

690

00:25:44,950 --> 00:25:43,200

helicopter this is very very rare it's

691

00:25:47,029 --> 00:25:44,960

only happened from where i can fly and

692

00:25:49,990 --> 00:25:47,039

i've been researching it now for

693

00:25:51,190 --> 00:25:50,000

20 plus years four other incidents

694

00:25:53,430 --> 00:25:51,200

where this has happened and i've just

695

00:25:56,390 --> 00:25:53,440

told you about them so again it's pretty

696

00:25:59,029 --> 00:25:56,400

special i mean wales is a hot spot you

697

00:26:00,390 --> 00:25:59,039

know we really have got to realize there

698

00:26:02,549 --> 00:26:00,400

are others

699

00:26:04,470 --> 00:26:02,559

yeah so i'm learning but i did i did an

700

00:26:06,630 --> 00:26:04,480

interview with um mike and emily the

701
00:26:08,310 --> 00:26:06,640
other day and they spoke about some

702
00:26:09,590 --> 00:26:08,320
other helicopter incidents in wales and

703
00:26:11,190 --> 00:26:09,600
i was quite shocked to be honest i've

704
00:26:13,909 --> 00:26:11,200
never heard of them

705
00:26:16,390 --> 00:26:13,919
yeah very interested

706
00:26:18,070 --> 00:26:16,400
right so anyway this object after the

707
00:26:20,470 --> 00:26:18,080
flashing has gone on

708
00:26:22,149 --> 00:26:20,480
um i've missed the part here it

709
00:26:23,669 --> 00:26:22,159
literally the flashing stop there all

710
00:26:26,630 --> 00:26:23,679
these different massive flashes of color

711
00:26:27,830 --> 00:26:26,640
stopped and the object tuned into a blue

712
00:26:29,510 --> 00:26:27,840
craft

713
00:26:30,549 --> 00:26:29,520

so you can see that that is the same

714

00:26:32,710 --> 00:26:30,559

craft

715

00:26:34,230 --> 00:26:32,720

the orange orb lands and then it turns

716

00:26:37,110 --> 00:26:34,240

into that blue object and that is the

717

00:26:38,390 --> 00:26:37,120

blue one that stayed there at this point

718

00:26:40,230 --> 00:26:38,400

okay

719

00:26:41,830 --> 00:26:40,240

the object is still the other object is

720

00:26:43,510 --> 00:26:41,840

the white object is still over

721

00:26:44,870 --> 00:26:43,520

photography between both port and the

722

00:26:46,630 --> 00:26:44,880

left he's not doing anything he's just

723

00:26:47,750 --> 00:26:46,640

literally sat there it's about the size

724

00:26:49,430 --> 00:26:47,760

of a

725

00:26:50,710 --> 00:26:49,440

very large moon

726

00:26:52,149 --> 00:26:50,720

but it didn't really do anything it

727

00:26:54,549 --> 00:26:52,159

seemed to be like

728

00:26:55,909 --> 00:26:54,559

keeping an eye on things and not really

729

00:26:58,470 --> 00:26:55,919

doing anything

730

00:27:01,190 --> 00:26:58,480

as i'm watching the helicopter

731

00:27:04,630 --> 00:27:01,200

another object comes in from the sea

732

00:27:08,230 --> 00:27:06,310

that's the helicopter by the way as you

733

00:27:09,909 --> 00:27:08,240

can see i took pictures that looked

734

00:27:12,390 --> 00:27:09,919

nothing like a helicopter each picture

735

00:27:14,230 --> 00:27:12,400

that i took and i took about 60 pictures

736

00:27:16,149 --> 00:27:14,240

over the course of an hour

737

00:27:18,470 --> 00:27:16,159

every single picture is different

738

00:27:20,470 --> 00:27:18,480

every single i mean it's camera shake

739

00:27:21,990 --> 00:27:20,480

and they're never exposed i'm not going

740

00:27:24,630 --> 00:27:22,000

to lie i i

741

00:27:26,870 --> 00:27:24,640

hadn't learned how to use this camera

742

00:27:28,789 --> 00:27:26,880

and you know i was shaking when i was

743

00:27:30,870 --> 00:27:28,799

taking these pictures and i'll be you

744

00:27:32,549 --> 00:27:30,880

know it was quite an intense experience

745

00:27:34,630 --> 00:27:32,559

going on and i couldn't keep still to do

746

00:27:36,470 --> 00:27:34,640

it properly unfortunately but as you can

747

00:27:38,149 --> 00:27:36,480

see they still look nothing like a

748

00:27:40,389 --> 00:27:38,159

helicopter the colors are all different

749

00:27:41,990 --> 00:27:40,399

each time as well i mean sometimes they

750

00:27:43,350 --> 00:27:42,000

would just be black there would be

751

00:27:45,190 --> 00:27:43,360

nothing in the picture at all would be

752

00:27:47,350 --> 00:27:45,200

something amazing would happen and i'd

753

00:27:49,830 --> 00:27:47,360

be like oh brilliant i take a picture

754

00:27:51,830 --> 00:27:49,840

nothing there okay so the best best part

755

00:27:53,590 --> 00:27:51,840

of the incident unfortunately

756

00:27:55,110 --> 00:27:53,600

you're not gonna be able to see and i

757

00:27:58,310 --> 00:27:55,120

found out the next day

758

00:28:00,950 --> 00:27:58,320

that the camera had a video function

759

00:28:03,110 --> 00:28:00,960

like i said i didn't know

760

00:28:04,389 --> 00:28:03,120

okay apologies to everyone that you

761

00:28:06,230 --> 00:28:04,399

could have been able to see tonight the

762

00:28:09,350 --> 00:28:06,240

best honestly it was the best

763

00:28:11,190 --> 00:28:09,360

it would have been the best ufo

764

00:28:13,669 --> 00:28:11,200

thing that you'd ever seen because it

765

00:28:15,909 --> 00:28:13,679

was you know it's his shots ahead of me

766

00:28:17,909 --> 00:28:15,919

and i've seen these things all my life

767

00:28:20,149 --> 00:28:17,919

this was an intense experience and i

768

00:28:20,570 --> 00:28:20,159

wish i could have shared it with you

769

00:28:21,750 --> 00:28:20,580

um

770

00:28:23,909 --> 00:28:21,760

[Music]

771

00:28:27,190 --> 00:28:23,919

the next one

772

00:28:30,549 --> 00:28:29,430

yeah so that is the again it's another

773

00:28:32,310 --> 00:28:30,559

different picture of that is the

774

00:28:33,669 --> 00:28:32,320

helicopter and that is the blue object

775

00:28:35,750 --> 00:28:33,679

on the ground

776

00:28:36,950 --> 00:28:35,760

and

777

00:28:38,389 --> 00:28:36,960

that's the sort of distance that were

778

00:28:39,909 --> 00:28:38,399

coming up to each other that's where

779

00:28:41,510 --> 00:28:39,919

it's the way it seemed to me before this

780

00:28:43,350 --> 00:28:41,520

helicopter just vanished again it looks

781

00:28:45,510 --> 00:28:43,360

nothing like a helicopter it's like

782

00:28:46,950 --> 00:28:45,520

barrels or something i don't know how to

783

00:28:50,789 --> 00:28:46,960

describe it

784

00:28:54,789 --> 00:28:52,389

now this is the green object that came

785

00:28:57,110 --> 00:28:54,799

in from the sea okay

786

00:28:59,110 --> 00:28:57,120

so i've watched this green object i mean

787

00:29:00,950 --> 00:28:59,120

i've been missing it coming in all this

788

00:29:02,789 --> 00:29:00,960

time coming very low because i've been

789

00:29:04,710 --> 00:29:02,799

concentrating on the right to the right

790

00:29:06,230 --> 00:29:04,720

of me towards garrett and watching that

791

00:29:08,870 --> 00:29:06,240

and the helicopter i've missed this

792

00:29:10,870 --> 00:29:08,880

object and it got really close up

793

00:29:12,630 --> 00:29:10,880

to the one on the ground

794

00:29:14,789 --> 00:29:12,640

and

795

00:29:17,190 --> 00:29:14,799

it it turned orange again did it be an

796

00:29:18,630 --> 00:29:17,200

orange flash that's why that is the blue

797

00:29:20,630 --> 00:29:18,640

object that i'm talking about a second

798

00:29:22,789 --> 00:29:20,640

ago the orange wall

799

00:29:24,549 --> 00:29:22,799

and that is the green object on the top

800

00:29:26,789 --> 00:29:24,559

picture this is that came in from the

801
00:29:28,789 --> 00:29:26,799
sea now what happened next the only way

802
00:29:30,360 --> 00:29:28,799
to describe that is

803
00:29:31,830 --> 00:29:30,370
like a star trek

804
00:29:34,070 --> 00:29:31,840
[Music]

805
00:29:36,630 --> 00:29:34,080
beam came from this object the green

806
00:29:39,269 --> 00:29:36,640
object like a tractor beam it wrapped

807
00:29:41,990 --> 00:29:39,279
itself around

808
00:29:43,350 --> 00:29:42,000
the object on the ground and literally

809
00:29:46,310 --> 00:29:43,360
took it hc

810
00:29:47,990 --> 00:29:46,320
very low didn't fly off at speed

811
00:29:48,870 --> 00:29:48,000
i mean i think this object was in

812
00:29:51,190 --> 00:29:48,880
trouble

813
00:29:53,190 --> 00:29:51,200

okay i think that when the flashes of

814

00:29:54,789 --> 00:29:53,200

light were going on i've looked at it

815

00:29:56,310 --> 00:29:54,799

seeing some of you know if you look at

816

00:29:57,669 --> 00:29:56,320

things like close encounters of the

817

00:30:00,149 --> 00:29:57,679

third kind

818

00:30:01,350 --> 00:30:00,159

and you see the flashes that they use in

819

00:30:05,750 --> 00:30:01,360

that

820

00:30:08,310 --> 00:30:05,760

now i've been told as well this the best

821

00:30:09,830 --> 00:30:08,320

form of communication is light so when

822

00:30:11,510 --> 00:30:09,840

those massive flashes of light going

823

00:30:13,510 --> 00:30:11,520

i've come to the conclusion they were

824

00:30:15,190 --> 00:30:13,520

basically calling for help

825

00:30:17,590 --> 00:30:15,200

because within minutes

826

00:30:27,110 --> 00:30:17,600

these other objects all arrived

827

00:30:31,750 --> 00:30:29,909

the object on the left that looks like a

828

00:30:33,750 --> 00:30:31,760

dna helix and that's a bit of camera

829

00:30:35,750 --> 00:30:33,760

it'd be quite nice to do so we you

830

00:30:37,029 --> 00:30:35,760

know don't think it's dna helix it's not

831

00:30:38,389 --> 00:30:37,039

it's got a camera shape but in the

832

00:30:40,470 --> 00:30:38,399

middle of there you can see there are

833

00:30:42,789 --> 00:30:40,480

actually two objects

834

00:30:43,830 --> 00:30:42,799

and that is the two objects going out to

835

00:30:48,389 --> 00:30:43,840

sea

836

00:30:53,750 --> 00:30:51,430

okay next day these these are going to

837

00:30:56,389 --> 00:30:53,760

see now i looked on the

838

00:30:58,230 --> 00:30:56,399

um the news that night there is nothing

839

00:31:00,710 --> 00:30:58,240

oh i've missed it i go upstairs at one

840

00:31:03,110 --> 00:31:00,720

point and grab my wife she's in the

841

00:31:04,630 --> 00:31:03,120

shower okay so i drag her out shower

842

00:31:07,110 --> 00:31:04,640

she's got absolutely no interest in this

843

00:31:08,389 --> 00:31:07,120

topic at all and she thinks i'm nuts for

844

00:31:10,149 --> 00:31:08,399

being involved she doesn't want me to be

845

00:31:11,509 --> 00:31:10,159

involved in it she does my family being

846

00:31:14,310 --> 00:31:11,519

involved with it she's not liking the

847

00:31:16,230 --> 00:31:14,320

fact i'm here tonight requires you but i

848

00:31:17,909 --> 00:31:16,240

have decided it's time for me to start

849

00:31:19,750 --> 00:31:17,919

talking and that's why i'm here tonight

850

00:31:21,909 --> 00:31:19,760

and that's why i'm on the internet now

851

00:31:24,470 --> 00:31:21,919

the last three years since the nimitz

852

00:31:26,549 --> 00:31:24,480

and the new york times things came out i

853

00:31:28,630 --> 00:31:26,559

decided that was that's it

854

00:31:30,230 --> 00:31:28,640

my business is successful enough that i

855

00:31:32,870 --> 00:31:30,240

i don't need to worry about it anymore

856

00:31:35,590 --> 00:31:32,880

if anyone gets upset by it tough okay

857

00:31:36,310 --> 00:31:35,600

that's that's the way i am about it

858

00:31:38,310 --> 00:31:36,320

so

859

00:31:39,350 --> 00:31:38,320

there's nothing on the news that night

860

00:31:41,509 --> 00:31:39,360

um

861

00:31:43,509 --> 00:31:41,519

i can't believe it you know

862

00:31:46,070 --> 00:31:43,519

all these massive flashes of lights this

863

00:31:47,669 --> 00:31:46,080

helicopter i'm thinking everyone must

864

00:31:49,190 --> 00:31:47,679

have seen this nine times this

865

00:31:50,710 --> 00:31:49,200

helicopter came in it must have been

866

00:31:53,350 --> 00:31:50,720

thinking all this noises thing was

867

00:31:54,389 --> 00:31:53,360

making all my neighbors

868

00:31:55,909 --> 00:31:54,399

you know

869

00:31:57,909 --> 00:31:55,919

what's going on

870

00:32:02,470 --> 00:31:57,919

no there was no life going on

871

00:32:06,710 --> 00:32:04,710

i'm down in my office i'm over my normal

872

00:32:08,950 --> 00:32:06,720

day where it's friday now i'm i'm

873

00:32:10,870 --> 00:32:08,960

obsessed by this

874

00:32:12,710 --> 00:32:10,880

and i think i've got it i've got to

875

00:32:15,590 --> 00:32:12,720

start doing something about it so i walk

876

00:32:17,830 --> 00:32:15,600

down the hill i'm on top of the hill

877

00:32:19,350 --> 00:32:17,840

and i think i'm gonna chat with my

878

00:32:21,830 --> 00:32:19,360

neighbors and see whether anyone could

879

00:32:24,549 --> 00:32:21,840

actually see this um

880

00:32:26,070 --> 00:32:24,559

nobody had seen it okay i saw i saw one

881

00:32:28,310 --> 00:32:26,080

gentleman who was in his garden who i'd

882

00:32:30,549 --> 00:32:28,320

seen before and the area is a tourist

883

00:32:33,029 --> 00:32:30,559

area you're probably aware you know it's

884

00:32:35,190 --> 00:32:33,039

a caravan area so

885

00:32:36,549 --> 00:32:35,200

a lot of people are not there you know

886

00:32:38,549 --> 00:32:36,559

in that time of year they've had their

887

00:32:39,909 --> 00:32:38,559

summer months and they've gone back home

888

00:32:42,310 --> 00:32:39,919

and they've got their summer houses and

889

00:32:43,990 --> 00:32:42,320

that's the sort of area is so i saw a

890

00:32:45,669 --> 00:32:44,000

lady that i'd never seen before but i

891

00:32:47,830 --> 00:32:45,679

showed them both i put the images that

892

00:32:49,430 --> 00:32:47,840

i'd taken on my laptop when i took them

893

00:32:52,470 --> 00:32:49,440

down and they couldn't believe

894

00:32:54,710 --> 00:32:52,480

that they'd missed what i'd seen

895

00:32:56,789 --> 00:32:54,720

but they had you know i could like i was

896

00:32:58,310 --> 00:32:56,799

go smacked to be honest i thought all

897

00:32:59,990 --> 00:32:58,320

everyone was gonna know about it and

898

00:33:02,470 --> 00:33:00,000

everyone's gonna say yeah it was amazing

899

00:33:03,909 --> 00:33:02,480

and i've got pictures as well no

900

00:33:05,750 --> 00:33:03,919

i didn't get anything like that so i

901
00:33:06,789 --> 00:33:05,760
didn't get any help

902
00:33:09,590 --> 00:33:06,799
um

903
00:33:12,630 --> 00:33:09,600
so i go back to my house and sat down on

904
00:33:14,070 --> 00:33:12,640
my normal day to work and i look out

905
00:33:18,389 --> 00:33:14,080
and

906
00:33:20,470 --> 00:33:18,399
you know the area from from wheelblade

907
00:33:22,630 --> 00:33:20,480
castle on the gower there's a track that

908
00:33:24,549 --> 00:33:22,640
goes out onto the locker estuary there's

909
00:33:26,549 --> 00:33:24,559
a gate locked gate and there's a track

910
00:33:29,029 --> 00:33:26,559
that goes out this thing has literally

911
00:33:31,350 --> 00:33:29,039
landed on the track okay it was my

912
00:33:33,430 --> 00:33:31,360
normal daily view from my office i knew

913
00:33:35,669 --> 00:33:33,440

exactly where it had landed

914

00:33:37,029 --> 00:33:35,679

and i'm looking out the next day and two

915

00:33:39,430 --> 00:33:37,039

black bands

916

00:33:41,909 --> 00:33:39,440

are at the spot the very next day where

917

00:33:44,389 --> 00:33:41,919

this object had landed i've never seen

918

00:33:46,470 --> 00:33:44,399

anyone out there apart from the farmer

919

00:33:47,750 --> 00:33:46,480

who goes out there intends his salt

920

00:33:49,350 --> 00:33:47,760

marsh lamb

921

00:33:51,669 --> 00:33:49,360

um he's got some harsh lime out there

922

00:33:54,230 --> 00:33:51,679

right now in two years i may have seen

923

00:33:56,470 --> 00:33:54,240

him four times he was very rarely over

924

00:33:58,549 --> 00:33:56,480

as well so it was really unusual to see

925

00:34:00,710 --> 00:33:58,559

i know it's black vans and everyone

926
00:34:03,669 --> 00:34:00,720
thinks maine black and all that i can't

927
00:34:04,789 --> 00:34:03,679
help fat but they were black okay

928
00:34:06,549 --> 00:34:04,799
they were they were literally one

929
00:34:07,750 --> 00:34:06,559
wandering there's three or four men i

930
00:34:09,750 --> 00:34:07,760
couldn't tell because they were going

931
00:34:10,869 --> 00:34:09,760
between the bands all the time

932
00:34:12,389 --> 00:34:10,879
they were

933
00:34:15,109 --> 00:34:12,399
going around with what looked like metal

934
00:34:16,710 --> 00:34:15,119
detectors or radiation

935
00:34:18,389 --> 00:34:16,720
you know i didn't i didn't have my

936
00:34:19,669 --> 00:34:18,399
binoculars and my camera with me at that

937
00:34:20,950 --> 00:34:19,679
point so i left him at the top of the

938
00:34:22,790 --> 00:34:20,960

house

939

00:34:24,629 --> 00:34:22,800

you know from the previous night and to

940

00:34:26,310 --> 00:34:24,639

be honest i was really busy with my

941

00:34:28,149 --> 00:34:26,320

business at that time and when i was

942

00:34:30,470 --> 00:34:28,159

doing work i concentrated on my business

943

00:34:32,069 --> 00:34:30,480

and i carried on my day you know i

944

00:34:33,589 --> 00:34:32,079

kicked myself now though i didn't go and

945

00:34:34,869 --> 00:34:33,599

get my camera

946

00:34:36,230 --> 00:34:34,879

and take pictures of those so that

947

00:34:38,069 --> 00:34:36,240

people know but i'm telling the truth

948

00:34:41,510 --> 00:34:38,079

about the black lines as well but you

949

00:34:44,629 --> 00:34:41,520

know i've got pictures of the ufo so

950

00:34:50,149 --> 00:34:47,190

so next slide

951
00:34:51,829 --> 00:34:50,159
so yeah same day again on friday

952
00:34:53,909 --> 00:34:51,839
i think right i'm not getting anywhere

953
00:34:55,669 --> 00:34:53,919
with this i'm just finishing my day i'm

954
00:34:57,829 --> 00:34:55,679
going to start phoning around so i

955
00:35:00,230 --> 00:34:57,839
phoned up the um

956
00:35:02,470 --> 00:35:00,240
swansea airport even though i know it's

957
00:35:04,310 --> 00:35:02,480
a commercial airport you know like the

958
00:35:05,829 --> 00:35:04,320
aircraft place

959
00:35:07,430 --> 00:35:05,839
it's not going to be involved in this at

960
00:35:08,790 --> 00:35:07,440
all but i thought what if they've got

961
00:35:10,710 --> 00:35:08,800
something on the radar or something like

962
00:35:12,230 --> 00:35:10,720
that i'll phone them up just in case

963
00:35:13,190 --> 00:35:12,240

didn't know anything about it nothing to

964

00:35:14,870 --> 00:35:13,200

do with us

965

00:35:17,510 --> 00:35:14,880

um

966

00:35:19,349 --> 00:35:17,520

sorry i've skipped a bit on the night

967

00:35:21,109 --> 00:35:19,359

i actually phoned the police

968

00:35:22,390 --> 00:35:21,119

after i went up to my wife and i came

969

00:35:23,910 --> 00:35:22,400

back downstairs i actually found the

970

00:35:25,910 --> 00:35:23,920

police because i thought this is a major

971

00:35:28,230 --> 00:35:25,920

incident i better report it

972

00:35:30,390 --> 00:35:28,240

okay the police said they did nobody

973

00:35:32,790 --> 00:35:30,400

else reported anything

974

00:35:33,990 --> 00:35:32,800

and could i keep me keep in contact with

975

00:35:35,589 --> 00:35:34,000

them and i mean they used to keep in

976

00:35:37,430 --> 00:35:35,599

contact with me after that they were

977

00:35:39,829 --> 00:35:37,440

phoning me up literally every week for

978

00:35:40,950 --> 00:35:39,839

weeks on end had i heard anything more

979

00:35:42,230 --> 00:35:40,960

about this because everyone was

980

00:35:44,550 --> 00:35:42,240

interested in the police station they

981

00:35:47,829 --> 00:35:44,560

were telling me okay

982

00:35:49,430 --> 00:35:47,839

um so back to folding around i phoned uh

983

00:35:50,630 --> 00:35:49,440

swansea coast guards once the coast

984

00:35:52,630 --> 00:35:50,640

guard said

985

00:35:53,990 --> 00:35:52,640

no it's nothing to do with us because i

986

00:35:56,310 --> 00:35:54,000

was thinking is it a coast guard

987

00:35:57,430 --> 00:35:56,320

helicopter am i being stupid you know

988

00:35:59,349 --> 00:35:57,440

even though i've seen these things

989

00:36:01,190 --> 00:35:59,359

before i thought i gotta

990

00:36:02,870 --> 00:36:01,200

cover my bases you know

991

00:36:04,710 --> 00:36:02,880

no it's nothing to do with us but why

992

00:36:06,150 --> 00:36:04,720

don't you try the cornish coast guard

993

00:36:08,630 --> 00:36:06,160

they said because they sometimes do

994

00:36:10,310 --> 00:36:08,640

exercises in the area so i phoned them

995

00:36:13,030 --> 00:36:10,320

as well and they said no this is nothing

996

00:36:14,870 --> 00:36:13,040

to do with i found on the opposite

997

00:36:16,470 --> 00:36:14,880

coastline directly opposite me is raf

998

00:36:17,829 --> 00:36:16,480

pembry so i thought

999

00:36:18,950 --> 00:36:17,839

maybe it's something to do with them i

1000

00:36:20,710 --> 00:36:18,960

phoned them

1001
00:36:22,710 --> 00:36:20,720
they were really excuse the language

1002
00:36:25,109 --> 00:36:22,720
pissy with me on the phone didn't want

1003
00:36:27,190 --> 00:36:25,119
to speak to me about it at all

1004
00:36:29,109 --> 00:36:27,200
why are you bothering with this rubbish

1005
00:36:30,950 --> 00:36:29,119
that type of you know i was it was an

1006
00:36:32,550 --> 00:36:30,960
embarrassing phone call an annoying

1007
00:36:34,150 --> 00:36:32,560
phone call after i put the phone down i

1008
00:36:36,310 --> 00:36:34,160
was annoyed with them you know because

1009
00:36:38,310 --> 00:36:36,320
they just didn't want to know um no we

1010
00:36:42,230 --> 00:36:38,320
shot five o'clock go away that was the

1011
00:36:43,750 --> 00:36:42,240
sort of reply i had from them

1012
00:36:45,270 --> 00:36:43,760
i phoned the local fire station i

1013
00:36:47,750 --> 00:36:45,280

thought well initially i thought it was

1014

00:36:49,589 --> 00:36:47,760

an explosion you know again

1015

00:36:51,829 --> 00:36:49,599

with a fire station did anyone report

1016

00:36:53,990 --> 00:36:51,839

something to them no nothing to do with

1017

00:36:56,069 --> 00:36:54,000

them

1018

00:36:58,310 --> 00:36:56,079

so absolutely nobody

1019

00:36:59,750 --> 00:36:58,320

was helping me with this at all i wasn't

1020

00:37:01,829 --> 00:36:59,760

going anywhere there was nothing on the

1021

00:37:04,150 --> 00:37:01,839

news there was nothing on the radio none

1022

00:37:06,829 --> 00:37:04,160

of my neighbors had seen anything

1023

00:37:10,710 --> 00:37:09,349

so about a week long come back in a

1024

00:37:12,790 --> 00:37:10,720

minute because a lot more went on in the

1025

00:37:15,829 --> 00:37:12,800

next couple of days but about a week

1026

00:37:18,710 --> 00:37:15,839

later i went to the local garage and

1027

00:37:20,310 --> 00:37:18,720

um there was nobody in there so

1028

00:37:22,870 --> 00:37:20,320

embarrassment was not a problem i said

1029

00:37:24,710 --> 00:37:22,880

to the lady behind the counter as anyone

1030

00:37:27,750 --> 00:37:24,720

uh language and gary to think unless it

1031

00:37:28,790 --> 00:37:27,760

was um has anyone reported seeing

1032

00:37:30,550 --> 00:37:28,800

anything

1033

00:37:32,710 --> 00:37:30,560

and i told him what happened you know

1034

00:37:34,390 --> 00:37:32,720

and she said yes we had some tourists in

1035

00:37:36,470 --> 00:37:34,400

here a few weeks ago

1036

00:37:38,710 --> 00:37:36,480

and they saw flashes on the marsh and

1037

00:37:40,069 --> 00:37:38,720

they said everyone's seen it

1038

00:37:41,349 --> 00:37:40,079

uh trouble is they were they were

1039

00:37:42,950 --> 00:37:41,359

tourists

1040

00:37:45,430 --> 00:37:42,960

and i couldn't get in contact with them

1041

00:37:50,790 --> 00:37:45,440

so dead yeah

1042

00:37:54,870 --> 00:37:51,589

so

1043

00:37:56,550 --> 00:37:54,880

could say the track went out from the

1044

00:37:58,630 --> 00:37:56,560

local castle and i'd seen these black

1045

00:38:00,710 --> 00:37:58,640

vans and i i thought i had a bit of a

1046

00:38:02,230 --> 00:38:00,720

slap day in work and i said to my wife

1047

00:38:04,790 --> 00:38:02,240

um

1048

00:38:05,829 --> 00:38:04,800

i'll use i use the excuse let's go to

1049

00:38:07,109 --> 00:38:05,839

the castle

1050

00:38:09,990 --> 00:38:07,119

yeah that's when i look around the

1051
00:38:11,670 --> 00:38:10,000
castle but my really my real intent was

1052
00:38:13,270 --> 00:38:11,680
obviously i wanted to speak to the

1053
00:38:15,670 --> 00:38:13,280
farmer who ran

1054
00:38:17,270 --> 00:38:15,680
the castle and had the sheep out there

1055
00:38:19,910 --> 00:38:17,280
because i wanted to know

1056
00:38:21,910 --> 00:38:19,920
who these guys in black fans were

1057
00:38:23,349 --> 00:38:21,920
okay and who you know

1058
00:38:25,270 --> 00:38:23,359
why did you let him out there i wanted

1059
00:38:27,670 --> 00:38:25,280
to know if he knew anything so we go

1060
00:38:29,349 --> 00:38:27,680
around the castle they had a

1061
00:38:30,950 --> 00:38:29,359
from memory it was a marquee or

1062
00:38:32,790 --> 00:38:30,960
something they had up as a

1063
00:38:34,630 --> 00:38:32,800

little coffee type area

1064

00:38:36,710 --> 00:38:34,640

so afterwards we went in there and to

1065

00:38:38,790 --> 00:38:36,720

have a coffee and

1066

00:38:40,710 --> 00:38:38,800

again the lady behind the counter i said

1067

00:38:43,750 --> 00:38:40,720

to her can i speak to the farmer how do

1068

00:38:46,069 --> 00:38:43,760

i speak to him and amazingly

1069

00:38:48,150 --> 00:38:46,079

the guy stood sat right behind me was

1070

00:38:49,349 --> 00:38:48,160

the farmer i couldn't believe my luck he

1071

00:38:52,310 --> 00:38:49,359

was like

1072

00:38:54,390 --> 00:38:52,320

what a perfect day to pick to go and

1073

00:38:56,069 --> 00:38:54,400

just speak to him you know he's i

1074

00:38:57,430 --> 00:38:56,079

couldn't believe he was in there but i

1075

00:38:59,190 --> 00:38:57,440

told him again

1076
00:39:00,950 --> 00:38:59,200
what had happened and i said who were

1077
00:39:02,950 --> 00:39:00,960
these guys who were these guys in the

1078
00:39:05,510 --> 00:39:02,960
black pants that you let out there and

1079
00:39:07,670 --> 00:39:05,520
he looks at me with a puzzled expression

1080
00:39:09,910 --> 00:39:07,680
and um

1081
00:39:12,069 --> 00:39:09,920
he says i've never let anyone out there

1082
00:39:14,390 --> 00:39:12,079
nobody has ever been out there in fact i

1083
00:39:15,270 --> 00:39:14,400
very rarely go out there

1084
00:39:17,750 --> 00:39:15,280
okay

1085
00:39:19,190 --> 00:39:17,760
so i'm look i'm disbelieving this as

1086
00:39:21,109 --> 00:39:19,200
well because i've seen them

1087
00:39:23,349 --> 00:39:21,119
okay so he said i'll prove it so he

1088
00:39:25,430 --> 00:39:23,359

takes me down me and my wife go down the

1089

00:39:27,589 --> 00:39:25,440

hill he takes us to the gate and you can

1090

00:39:29,750 --> 00:39:27,599

see the gates the pad locked up and it's

1091

00:39:31,190 --> 00:39:29,760

rested up and it looks like nobody ever

1092

00:39:32,069 --> 00:39:31,200

goes out there and there's a sign that

1093

00:39:33,430 --> 00:39:32,079

says

1094

00:39:35,589 --> 00:39:33,440

um

1095

00:39:37,109 --> 00:39:35,599

you know keep out and

1096

00:39:39,670 --> 00:39:37,119

you're not allowed out there

1097

00:39:41,589 --> 00:39:39,680

okay so who were these people i mean i

1098

00:39:43,589 --> 00:39:41,599

mean my friend ross coulthard the

1099

00:39:45,670 --> 00:39:43,599

investigative journalist has spoken to

1100

00:39:46,550 --> 00:39:45,680

louis and i don't know whether any of

1101

00:39:48,390 --> 00:39:46,560

you

1102

00:39:50,069 --> 00:39:48,400

know lou alexander is quite famous in

1103

00:39:51,750 --> 00:39:50,079

this um

1104

00:39:52,790 --> 00:39:51,760

you probably all know i'm sorry excuse

1105

00:39:54,550 --> 00:39:52,800

me

1106

00:39:56,390 --> 00:39:54,560

um

1107

00:39:57,750 --> 00:39:56,400

lou alexander

1108

00:39:59,589 --> 00:39:57,760

ate it for

1109

00:40:01,589 --> 00:39:59,599

the american government

1110

00:40:03,589 --> 00:40:01,599

basically for looking into ufos when

1111

00:40:05,270 --> 00:40:03,599

they said they they'd stopped looking

1112

00:40:07,349 --> 00:40:05,280

into ufos after blue book and things

1113

00:40:10,710 --> 00:40:07,359

like that that was rubbish they carried

1114

00:40:13,349 --> 00:40:10,720

on okay and lou alexander came out about

1115

00:40:15,990 --> 00:40:13,359

three years ago basically and said

1116

00:40:17,829 --> 00:40:16,000

i ran it and he's proved it since okay

1117

00:40:19,349 --> 00:40:17,839

he's been involved in getting all the

1118

00:40:21,430 --> 00:40:19,359

information out and trying to get

1119

00:40:24,150 --> 00:40:21,440

hearings in congress and things like

1120

00:40:25,670 --> 00:40:24,160

that ever since anyway my friend ross

1121

00:40:27,190 --> 00:40:25,680

called her this investigative journalist

1122

00:40:29,430 --> 00:40:27,200

went to meet him because he was writing

1123

00:40:30,470 --> 00:40:29,440

this book and he wanted to interview him

1124

00:40:33,030 --> 00:40:30,480

and during

1125

00:40:35,030 --> 00:40:33,040

that time at his house he told him about

1126

00:40:36,950 --> 00:40:35,040

this incident of mine because we'd

1127

00:40:39,030 --> 00:40:36,960

become good friends and he told him

1128

00:40:41,910 --> 00:40:39,040

about the black bands

1129

00:40:43,670 --> 00:40:41,920

and i mean luke sent me a video saying

1130

00:40:46,150 --> 00:40:43,680

you know i wish you were here type video

1131

00:40:47,510 --> 00:40:46,160

you know you've seen that

1132

00:40:49,670 --> 00:40:47,520

um

1133

00:40:50,950 --> 00:40:49,680

to give you an idea that i'm i'm quite

1134

00:40:53,430 --> 00:40:50,960

involved

1135

00:40:55,270 --> 00:40:53,440

in this topic as apart from just doing

1136

00:40:56,950 --> 00:40:55,280

this in wales i mean

1137

00:40:59,190 --> 00:40:56,960

the guys at sioux farm tend to

1138

00:41:01,910 --> 00:40:59,200

concentrate apart from mike trying to

1139

00:41:03,589 --> 00:41:01,920

concentrate on what's going on in wales

1140

00:41:05,349 --> 00:41:03,599

but i've tended to concentrate what's

1141

00:41:06,950 --> 00:41:05,359

going on in the world

1142

00:41:09,510 --> 00:41:06,960

and i've i don't know whether it's

1143

00:41:11,190 --> 00:41:09,520

something to do with um

1144

00:41:13,990 --> 00:41:11,200

what's going on with me and my

1145

00:41:16,069 --> 00:41:14,000

interactions um but i i tend for some

1146

00:41:18,069 --> 00:41:16,079

reason i'm allowed to speak to people i

1147

00:41:20,470 --> 00:41:18,079

speak on a daily basis with how put off

1148

00:41:23,430 --> 00:41:20,480

i speak to eric davis i speak to

1149

00:41:27,270 --> 00:41:23,440

everyone at the top this topic

1150

00:41:30,230 --> 00:41:27,280

everyone okay i've got a private group

1151

00:41:31,829 --> 00:41:30,240

of scientists that i i chat to again

1152

00:41:33,430 --> 00:41:31,839

every day

1153

00:41:35,510 --> 00:41:33,440

part of the seo team i don't know

1154

00:41:37,750 --> 00:41:35,520

whether people know that there's the

1155

00:41:39,589 --> 00:41:37,760

uapx team in america just looking at

1156

00:41:41,670 --> 00:41:39,599

catalina islands

1157

00:41:42,790 --> 00:41:41,680

they're all part of my group

1158

00:41:44,790 --> 00:41:42,800

okay

1159

00:41:46,309 --> 00:41:44,800

and so we all interact and we're all

1160

00:41:48,550 --> 00:41:46,319

brainstorming

1161

00:41:49,510 --> 00:41:48,560

and none of us are going to lose

1162

00:41:50,309 --> 00:41:49,520

so

1163

00:41:51,990 --> 00:41:50,319

okay

1164

00:41:54,630 --> 00:41:52,000

and they are the people that know we've

1165

00:41:56,230 --> 00:41:54,640

got people from black projects

1166

00:41:59,270 --> 00:41:56,240

on our team

1167

00:42:00,870 --> 00:41:59,280

we've got xsas intelligence people on

1168

00:42:03,589 --> 00:42:00,880

our team

1169

00:42:05,109 --> 00:42:03,599

and they all know bits but nobody has

1170

00:42:07,109 --> 00:42:05,119

got the real picture

1171

00:42:10,230 --> 00:42:07,119

okay

1172

00:42:11,750 --> 00:42:10,240

where am i i've gone off track

1173

00:42:13,349 --> 00:42:11,760

so anyway i've gone i've gone to the

1174

00:42:32,150 --> 00:42:13,359

local farm where are we

1175

00:42:36,630 --> 00:42:34,710

basically told my friend ross coulthard

1176

00:42:37,670 --> 00:42:36,640

like the helicopters

1177

00:42:40,390 --> 00:42:37,680

had my

1178

00:42:42,470 --> 00:42:40,400

um perception been altered

1179

00:42:45,270 --> 00:42:42,480

and had something else been at that spot

1180

00:42:46,550 --> 00:42:45,280

apart from black bands and men

1181

00:42:48,150 --> 00:42:46,560

okay

1182

00:42:49,990 --> 00:42:48,160

maybe that with something else they're

1183

00:42:51,910 --> 00:42:50,000

cleaning up and we

1184

00:42:54,950 --> 00:42:51,920

if you look into this topic you'll see

1185

00:42:56,470 --> 00:42:54,960

that sometimes these things drop things

1186

00:42:58,470 --> 00:42:56,480

like metals

1187

00:43:00,950 --> 00:42:58,480

and white powders

1188

00:43:02,950 --> 00:43:00,960

and things like that and then teams have

1189

00:43:05,190 --> 00:43:02,960

been reported to have gone in and

1190

00:43:06,230 --> 00:43:05,200

cleaned up those areas

1191

00:43:08,470 --> 00:43:06,240

okay

1192

00:43:09,670 --> 00:43:08,480

so

1193

00:43:13,349 --> 00:43:09,680

basically

1194

00:43:17,349 --> 00:43:14,950

have i been messed with against my

1195

00:43:20,230 --> 00:43:17,359

perception being altered

1196

00:43:22,390 --> 00:43:20,240

and these were not really made at all

1197

00:43:24,470 --> 00:43:22,400

okay because there was no way anyone was

1198

00:43:25,270 --> 00:43:24,480

able to go out there

1199

00:43:27,349 --> 00:43:25,280

okay

1200

00:43:29,349 --> 00:43:27,359

a lot the farmer hadn't anyone out there

1201
00:43:31,510 --> 00:43:29,359
so what were they we don't i don't know

1202
00:43:33,030 --> 00:43:31,520
it's pure speculation i've also been

1203
00:43:35,910 --> 00:43:33,040
told that um

1204
00:43:38,710 --> 00:43:35,920
by this sas guy who's intelligence guy

1205
00:43:42,069 --> 00:43:38,720
that the sas bases are based in wales

1206
00:43:44,150 --> 00:43:42,079
for a reason and the hint is

1207
00:43:46,550 --> 00:43:44,160
this topic

1208
00:43:48,950 --> 00:43:46,560
because wales is a hotspot

1209
00:43:52,790 --> 00:43:48,960
and you've probably um most of you

1210
00:43:55,349 --> 00:43:52,800
probably seen the penta incident

1211
00:43:57,349 --> 00:43:55,359
where you know

1212
00:43:59,109 --> 00:43:57,359
they they knew something was gonna gonna

1213
00:44:00,710 --> 00:43:59,119

arrive but i know something's gonna

1214

00:44:02,710 --> 00:44:00,720

arrive because we're in wales and things

1215

00:44:04,710 --> 00:44:02,720

are arriving all the time okay so the

1216

00:44:07,030 --> 00:44:04,720

bases are based in wales

1217

00:44:09,190 --> 00:44:07,040

and they're in triangle formation

1218

00:44:11,510 --> 00:44:09,200

because they're expecting things to

1219

00:44:13,109 --> 00:44:11,520

happen in wales and they've got a quick

1220

00:44:14,470 --> 00:44:13,119

cleanup team they've got a quick

1221

00:44:15,829 --> 00:44:14,480

reaction team

1222

00:44:17,349 --> 00:44:15,839

to be able to come and sort anything out

1223

00:44:19,510 --> 00:44:17,359

when it happens

1224

00:44:21,589 --> 00:44:19,520

that's the reason he also said that the

1225

00:44:23,510 --> 00:44:21,599

black fans if they weren't

1226
00:44:26,230 --> 00:44:23,520
something being manifested in front of

1227
00:44:28,230 --> 00:44:26,240
my perception they were sas

1228
00:44:31,589 --> 00:44:28,240
because the hint was that the the sas

1229
00:44:33,750 --> 00:44:31,599
are used as clean-up teams

1230
00:44:34,950 --> 00:44:33,760
and they go in and they collect metals

1231
00:44:38,069 --> 00:44:34,960
that are dripped

1232
00:44:42,630 --> 00:44:38,079
or being dropped or any powders

1233
00:44:48,230 --> 00:44:45,349
yeah so i didn't know who to speak to

1234
00:44:51,109 --> 00:44:48,240
um after this landed incident

1235
00:44:53,589 --> 00:44:51,119
and so i noticed i can't think we're now

1236
00:44:56,230 --> 00:44:53,599
impressed somewhere i saw that nick pope

1237
00:44:57,430 --> 00:44:56,240
who used to run the ministry of defence

1238
00:44:59,190 --> 00:44:57,440

um

1239

00:45:00,390 --> 00:44:59,200

ufo

1240

00:45:02,230 --> 00:45:00,400

project

1241

00:45:03,190 --> 00:45:02,240

investigations

1242

00:45:05,510 --> 00:45:03,200

um

1243

00:45:07,589 --> 00:45:05,520

was given out his email so i emailed him

1244

00:45:10,390 --> 00:45:07,599

i sent him all my raw pictures that i'd

1245

00:45:11,829 --> 00:45:10,400

taken that night and i i was hoping he

1246

00:45:14,150 --> 00:45:11,839

was going to come back and tell me that

1247

00:45:15,829 --> 00:45:14,160

um

1248

00:45:18,390 --> 00:45:15,839

i'll check the radar

1249

00:45:20,309 --> 00:45:18,400

you know i'll have a word for the raf so

1250

00:45:22,710 --> 00:45:20,319

i was really naive i'll be honest it was

1251
00:45:23,910 --> 00:45:22,720
early days and i literally thought he

1252
00:45:25,990 --> 00:45:23,920
was going to help me

1253
00:45:27,510 --> 00:45:26,000
and i was going to find information

1254
00:45:29,430 --> 00:45:27,520
that was very naive

1255
00:45:31,349 --> 00:45:29,440
okay

1256
00:45:33,190 --> 00:45:31,359
he was no longer involved with the

1257
00:45:34,870 --> 00:45:33,200
ministry of defence he literally said to

1258
00:45:37,990 --> 00:45:34,880
me your pictures are baffling and

1259
00:45:42,230 --> 00:45:40,550
and um unfortunately i'm no longer

1260
00:45:44,710 --> 00:45:42,240
involved with the ministry of defence so

1261
00:45:50,069 --> 00:45:44,720
i can't help you with this

1262
00:45:51,510 --> 00:45:50,079
but contact bufora before i like move on

1263
00:45:54,230 --> 00:45:51,520

um

1264

00:45:55,349 --> 00:45:54,240

where they investigate in the uk any ufo

1265

00:45:58,470 --> 00:45:55,359

incidents

1266

00:45:59,750 --> 00:45:58,480

um i contacted them i was i drew a blank

1267

00:46:01,829 --> 00:45:59,760

but then they didn't even bother coming

1268

00:46:03,349 --> 00:46:01,839

back to me i mean that really annoyed me

1269

00:46:06,150 --> 00:46:03,359

because if you know

1270

00:46:08,150 --> 00:46:06,160

you know langdon cases are beyond real

1271

00:46:09,750 --> 00:46:08,160

they they don't happen very often

1272

00:46:12,150 --> 00:46:09,760

anywhere in the world like alone in the

1273

00:46:13,990 --> 00:46:12,160

uk what we've got um bowie mountain

1274

00:46:17,190 --> 00:46:14,000

where there's a potential landing case

1275

00:46:19,270 --> 00:46:17,200

we've got um wrench and forest

1276

00:46:20,710 --> 00:46:19,280

um williams or landing case and we've

1277

00:46:21,829 --> 00:46:20,720

got mine

1278

00:46:24,470 --> 00:46:21,839

ours

1279

00:46:25,510 --> 00:46:24,480

okay on our doorstep

1280

00:46:27,910 --> 00:46:25,520

and

1281

00:46:29,270 --> 00:46:27,920

who four didn't want to know okay so i

1282

00:46:31,430 --> 00:46:29,280

didn't get anywhere with them and i've

1283

00:46:42,870 --> 00:46:31,440

never been back to them since a complete

1284

00:46:46,309 --> 00:46:44,870

okay so

1285

00:46:47,990 --> 00:46:46,319

i haven't found any of the witnesses to

1286

00:46:50,309 --> 00:46:48,000

speak to speak to there was nothing

1287

00:46:52,230 --> 00:46:50,319

reported on the team on the radio the

1288

00:46:55,990 --> 00:46:52,240

police kept on calling me back like i

1289

00:46:58,150 --> 00:46:56,000

said if i'd heard anything and anything

1290

00:47:00,309 --> 00:46:58,160

um i went on a website called above top

1291

00:47:01,510 --> 00:47:00,319

secret i didn't know where the post

1292

00:47:03,030 --> 00:47:01,520

white scene

1293

00:47:04,710 --> 00:47:03,040

didn't there wasn't anywhere in those

1294

00:47:05,430 --> 00:47:04,720

days you know where you could literally

1295

00:47:07,510 --> 00:47:05,440

just

1296

00:47:08,790 --> 00:47:07,520

send i've seen this and

1297

00:47:10,309 --> 00:47:08,800

were there any other witnesses i didn't

1298

00:47:12,870 --> 00:47:10,319

know italian one but i'll tell you the

1299

00:47:15,270 --> 00:47:12,880

world okay so i went on this stupid

1300

00:47:16,790 --> 00:47:15,280

website called above top secret and i've

1301
00:47:17,829 --> 00:47:16,800
told them all on there i showed you my

1302
00:47:20,069 --> 00:47:17,839
pictures

1303
00:47:21,990 --> 00:47:20,079
and i was getting things like um those

1304
00:47:23,270 --> 00:47:22,000
are street lights mate

1305
00:47:25,030 --> 00:47:23,280
yeah this is in the middle of the

1306
00:47:26,150 --> 00:47:25,040
marshes

1307
00:47:28,230 --> 00:47:26,160
those are street lights there were

1308
00:47:30,790 --> 00:47:28,240
street lights on the opposite coast line

1309
00:47:32,630 --> 00:47:30,800
of lanai and bowie port but

1310
00:47:34,710 --> 00:47:32,640
in the middle of the marshes there is no

1311
00:47:35,990 --> 00:47:34,720
obviously no street lights so i was

1312
00:47:37,750 --> 00:47:36,000
getting um

1313
00:47:40,150 --> 00:47:37,760

they're too good to be true or they're

1314

00:47:41,990 --> 00:47:40,160

rubbish pictures or they're overexposed

1315

00:47:43,910 --> 00:47:42,000

pictures yeah they were overexposed i

1316

00:47:45,510 --> 00:47:43,920

admit you know they were overexposed

1317

00:47:47,510 --> 00:47:45,520

because i didn't know what i was doing

1318

00:47:49,589 --> 00:47:47,520

okay

1319

00:47:51,589 --> 00:47:49,599

so i didn't anyway with them i got

1320

00:47:55,670 --> 00:47:51,599

myself off there i did post it on a

1321

00:47:57,670 --> 00:47:55,680

website called uk ufo.com uk i seem to

1322

00:47:58,870 --> 00:47:57,680

remember his name the address

1323

00:47:59,670 --> 00:47:58,880

and

1324

00:48:08,870 --> 00:47:59,680

i

1325

00:48:10,870 --> 00:48:08,880

but

1326

00:48:13,109 --> 00:48:10,880

one person said to me that they had been

1327

00:48:15,190 --> 00:48:13,119

in the area as a tourist

1328

00:48:16,870 --> 00:48:15,200

and they had seen things as that they

1329

00:48:18,790 --> 00:48:16,880

were walking their dog

1330

00:48:20,470 --> 00:48:18,800

they had seen lightsaber marshes they

1331

00:48:23,750 --> 00:48:20,480

reported and that's still on that

1332

00:48:25,349 --> 00:48:23,760

website to this day but unfortunately

1333

00:48:27,190 --> 00:48:25,359

i don't know his contact details and

1334

00:48:29,510 --> 00:48:27,200

there's no way you've contacted him so

1335

00:48:31,670 --> 00:48:29,520

again it's a dead end

1336

00:48:33,270 --> 00:48:31,680

i mean it's pretty mad i'm hoping that

1337

00:48:34,710 --> 00:48:33,280

somebody here tonight is going to say i

1338

00:48:35,990 --> 00:48:34,720

saw it all

1339

00:48:37,430 --> 00:48:36,000

yeah i'm hoping one of you is going to

1340

00:48:39,270 --> 00:48:37,440

walk up to me and say i saw it all

1341

00:48:40,710 --> 00:48:39,280

because i really need other witnesses

1342

00:48:42,470 --> 00:48:40,720

i've got pictures

1343

00:48:44,950 --> 00:48:42,480

i mean there's something missing in most

1344

00:48:46,630 --> 00:48:44,960

of the ufo cases i've got pictures i've

1345

00:48:47,510 --> 00:48:46,640

got the evidence of that side of things

1346

00:48:49,510 --> 00:48:47,520

but

1347

00:48:50,950 --> 00:48:49,520

it's just me you know my wife is not

1348

00:48:52,950 --> 00:48:50,960

interested my daughter is two at the

1349

00:48:54,950 --> 00:48:52,960

time she's not really fast class here is

1350

00:48:57,750 --> 00:48:54,960

a witness and like my wife doesn't wanna

1351

00:48:59,030 --> 00:48:57,760

know you know so she she would say yes i

1352

00:49:00,390 --> 00:48:59,040

saw something he dragged me at the

1353

00:49:02,549 --> 00:49:00,400

shower and i looked through binoculars

1354

00:49:05,190 --> 00:49:02,559

and i saw something for two seconds i

1355

00:49:07,030 --> 00:49:05,200

mean she said oh that's interesting

1356

00:49:08,390 --> 00:49:07,040

and then she carry dance you know unless

1357

00:49:10,309 --> 00:49:08,400

they're gonna come down and steal my

1358

00:49:13,670 --> 00:49:10,319

white handbags she's not interested in

1359

00:49:15,349 --> 00:49:13,680

ufos or any of us okay that is an extent

1360

00:49:17,670 --> 00:49:15,359

where she is with it and i'm completely

1361

00:49:20,069 --> 00:49:17,680

opposite i'm obsessed

1362

00:49:21,190 --> 00:49:20,079

it's become a

1363

00:49:22,390 --> 00:49:21,200

15

1364

00:49:24,470 --> 00:49:22,400

hour day

1365

00:49:27,030 --> 00:49:24,480

seven days a week

1366

00:49:30,309 --> 00:49:27,040

project of research for me i literally

1367

00:49:31,430 --> 00:49:30,319

live this topic every day a week let's

1368

00:49:33,270 --> 00:49:31,440

contact

1369

00:49:37,430 --> 00:49:33,280

all the top people and i'm involved

1370

00:49:38,950 --> 00:49:37,440

heavily i've run a podcast now um

1371

00:49:40,630 --> 00:49:38,960

and we're interviewing hopefully we're

1372

00:49:42,790 --> 00:49:40,640

interviewing the top people

1373

00:49:44,549 --> 00:49:42,800

in the topic and i got sick of basically

1374

00:49:45,589 --> 00:49:44,559

listening to other people's podcasts

1375

00:49:46,549 --> 00:49:45,599

where they were asking the wrong

1376

00:49:49,430 --> 00:49:46,559

questions

1377

00:49:51,510 --> 00:49:49,440

and you're sat there hoping they're

1378

00:49:53,750 --> 00:49:51,520

going to ask you alexander

1379

00:49:55,670 --> 00:49:53,760

what do you mean by dimensionals

1380

00:49:57,109 --> 00:49:55,680

explain what you mean by dimensionals so

1381

00:49:59,670 --> 00:49:57,119

nobody ever asks

1382

00:50:01,270 --> 00:49:59,680

questions you know i mean so i i started

1383

00:50:03,109 --> 00:50:01,280

the podcast while i didn't start i

1384

00:50:05,190 --> 00:50:03,119

joined a podcast that had been going

1385

00:50:07,829 --> 00:50:05,200

recently and we i've done about six

1386

00:50:10,829 --> 00:50:07,839

episodes so special accesspodcast.com

1387

00:50:12,390 --> 00:50:10,839

okay if anyone's interested in that

1388

00:50:17,109 --> 00:50:12,400

um

1389

00:50:21,990 --> 00:50:19,109

yeah so on this map here you can see

1390

00:50:24,549 --> 00:50:22,000

that is the gower the the the red

1391

00:50:26,710 --> 00:50:24,559

hysteria that is the magnetic anomaly

1392

00:50:29,349 --> 00:50:26,720

over the gower and swansea area i mean

1393

00:50:31,349 --> 00:50:29,359

wales is intense anyway with with

1394

00:50:34,549 --> 00:50:31,359

we're criss-crossed with lay lines but

1395

00:50:36,710 --> 00:50:34,559

magnetic anomalies as well and the gower

1396

00:50:38,470 --> 00:50:36,720

in the very spot where the arrow is

1397

00:50:40,309 --> 00:50:38,480

where i was living is the most intensive

1398

00:50:42,870 --> 00:50:40,319

place in wales if not one of the most

1399

00:50:45,270 --> 00:50:42,880

intensive areas in the uk so

1400

00:50:46,790 --> 00:50:45,280

i speculate obviously but i think that

1401
00:50:48,870 --> 00:50:46,800
that might have something to do with the

1402
00:50:51,589 --> 00:50:48,880
fact that i was seeing so many objects

1403
00:50:53,750 --> 00:50:51,599
when i was living at that location

1404
00:50:55,349 --> 00:50:53,760
they were literally it was all the time

1405
00:50:56,630 --> 00:50:55,359
i mean i see things

1406
00:50:58,630 --> 00:50:56,640
sometimes every couple of weeks

1407
00:51:00,470 --> 00:50:58,640
sometimes every couple days down there

1408
00:51:01,829 --> 00:51:00,480
it's every other day

1409
00:51:03,030 --> 00:51:01,839
okay

1410
00:51:05,030 --> 00:51:03,040
you really

1411
00:51:06,309 --> 00:51:05,040
if you're interested in this topic

1412
00:51:08,150 --> 00:51:06,319
and you get to see these things that

1413
00:51:09,910 --> 00:51:08,160

you've got that on your doorstep because

1414

00:51:12,069 --> 00:51:09,920

you can literally go do a good day in

1415

00:51:14,870 --> 00:51:12,079

your room we do have there's quite a few

1416

00:51:19,190 --> 00:51:17,030

from that area over the years you know

1417

00:51:33,720 --> 00:51:19,200

yeah it's all right

1418

00:51:37,589 --> 00:51:35,349

[Music]

1419

00:51:39,910 --> 00:51:37,599

yeah people get annoyed with me that i

1420

00:51:42,270 --> 00:51:39,920

don't take pictures i mean i had an

1421

00:51:44,710 --> 00:51:42,280

incident on christmas day

1422

00:51:46,710 --> 00:51:44,720

a couple of years ago now on christmas

1423

00:51:48,069 --> 00:51:46,720

day looking back from family for

1424

00:51:50,069 --> 00:51:48,079

christmas lunch

1425

00:51:52,470 --> 00:51:50,079

and my wife and my daughter in the car

1426
00:51:53,430 --> 00:51:52,480
and we get about a mile from home

1427
00:51:55,589 --> 00:51:53,440
and

1428
00:51:56,950 --> 00:51:55,599
my daughter says again my daughter my

1429
00:51:59,349 --> 00:51:56,960
daughter can see these things just like

1430
00:52:00,870 --> 00:51:59,359
me she sees them all the time as well

1431
00:52:03,349 --> 00:52:00,880
she points out the window says one of

1432
00:52:06,150 --> 00:52:03,359
those dads and there are three giant

1433
00:52:08,230 --> 00:52:06,160
orange orbs in the sky just above the

1434
00:52:10,150 --> 00:52:08,240
road um

1435
00:52:12,470 --> 00:52:10,160
right in front of us just sat there it's

1436
00:52:14,150 --> 00:52:12,480
not moving at all about the size of a

1437
00:52:16,069 --> 00:52:14,160
hotter air balloon

1438
00:52:17,510 --> 00:52:16,079

and again my wife's not interested but

1439

00:52:19,109 --> 00:52:17,520

everyone's going nuts with me why didn't

1440

00:52:21,030 --> 00:52:19,119

you stop the car and take pictures well

1441

00:52:22,069 --> 00:52:21,040

i see them all the time

1442

00:52:26,390 --> 00:52:22,079

it's not

1443

00:52:29,510 --> 00:52:26,400

i see those orange three orange jobs

1444

00:52:31,589 --> 00:52:29,520

every three or three or four months

1445

00:52:32,870 --> 00:52:31,599

always around

1446

00:52:34,309 --> 00:52:32,880

they don't do anything and they don't

1447

00:52:36,470 --> 00:52:34,319

tell me anything they don't give me a

1448

00:52:39,030 --> 00:52:36,480

download and there's no messages

1449

00:52:40,470 --> 00:52:39,040

so it's uh it's just a normal

1450

00:52:42,630 --> 00:52:40,480

thing for me

1451
00:52:44,150 --> 00:52:42,640
okay i stopped taking pictures after the

1452
00:52:47,030 --> 00:52:44,160
garage and all the abuse i took to be

1453
00:52:49,190 --> 00:52:47,040
quite honest with you i took so much

1454
00:52:50,950 --> 00:52:49,200
peace you know i really didn't want to

1455
00:52:53,349 --> 00:52:50,960
be in the topic i concentrated on my

1456
00:52:54,870 --> 00:52:53,359
family life and my business and i i

1457
00:52:56,150 --> 00:52:54,880
literally got out of this topic and it

1458
00:52:58,630 --> 00:52:56,160
was only the limits thing that brought

1459
00:53:01,190 --> 00:52:58,640
me back out and just bought camera now a

1460
00:53:02,470 --> 00:53:01,200
new cyanx color night vision camera i

1461
00:53:04,150 --> 00:53:02,480
mean that i bought i had that for

1462
00:53:06,870 --> 00:53:04,160
christmas off my wife

1463
00:53:10,069 --> 00:53:06,880

it rained this christmas just gone it

1464

00:53:12,230 --> 00:53:10,079

rained until the 7th of january okay

1465

00:53:13,589 --> 00:53:12,240

where it works okay

1466

00:53:15,910 --> 00:53:13,599

or it was cloudy so i didn't get

1467

00:53:18,309 --> 00:53:15,920

exercise until the 7th of january

1468

00:53:21,510 --> 00:53:18,319

literally turned the dial

1469

00:53:23,109 --> 00:53:21,520

to record put it up to my eyeball

1470

00:53:25,430 --> 00:53:23,119

okay

1471

00:53:27,109 --> 00:53:25,440

took three seconds and i had an orb you

1472

00:53:28,230 --> 00:53:27,119

know mike's got the pictures the video

1473

00:53:30,150 --> 00:53:28,240

of the orc

1474

00:53:33,190 --> 00:53:30,160

straight away it was

1475

00:53:34,549 --> 00:53:33,200

it wasn't on flight radar it wasn't on

1476

00:53:36,470 --> 00:53:34,559

satellite

1477

00:53:37,990 --> 00:53:36,480

trackers apps

1478

00:53:41,349 --> 00:53:38,000

and there's no sounds there was

1479

00:53:42,549 --> 00:53:41,359

intermittent flashing not like a plane

1480

00:53:44,870 --> 00:53:42,559

and you couldn't see it with the naked

1481

00:53:47,510 --> 00:53:44,880

eye i could only see it with the camera

1482

00:53:48,950 --> 00:53:47,520

okay so i would suggest anyone if you've

1483

00:53:50,790 --> 00:53:48,960

got a budget and you can afford to get

1484

00:53:53,750 --> 00:53:50,800

yourself one of these cyanx night vision

1485

00:53:56,230 --> 00:53:53,760

cameras they're only about 350 quid

1486

00:53:58,150 --> 00:53:56,240

well worth it trust me because

1487

00:54:00,390 --> 00:53:58,160

quite a few things i've recorded and i

1488

00:54:02,790 --> 00:54:00,400

recorded i'm going off what i'm telling

1489

00:54:05,030 --> 00:54:02,800

you here but i recorded

1490

00:54:07,670 --> 00:54:05,040

only um it was about two months ago what

1491

00:54:10,069 --> 00:54:07,680

did i tell you about this

1492

00:54:11,670 --> 00:54:10,079

few months ago okay so i go outside and

1493

00:54:13,829 --> 00:54:11,680

i just see these things when i go

1494

00:54:16,470 --> 00:54:13,839

outside and sorry and when i go outside

1495

00:54:18,069 --> 00:54:16,480

and i look try and see these things i

1496

00:54:20,470 --> 00:54:18,079

will see nothing

1497

00:54:23,109 --> 00:54:20,480

okay when i really go and look i will

1498

00:54:25,990 --> 00:54:23,119

see absolutely nothing it's pointlessly

1499

00:54:28,069 --> 00:54:26,000

going out on night watches and things

1500

00:54:29,750 --> 00:54:28,079

like that because it won't happen for me

1501

00:54:32,470 --> 00:54:29,760

okay it's when i it's when i go outside

1502

00:54:34,230 --> 00:54:32,480

with my dogs and i'm blasphemy

1503

00:54:35,670 --> 00:54:34,240

and

1504

00:54:37,670 --> 00:54:35,680

that's when it happens you know if i'm

1505

00:54:39,430 --> 00:54:37,680

taking rubbish eggs and i look up i'll

1506

00:54:41,270 --> 00:54:39,440

just spot something i'll be sat in my

1507

00:54:42,470 --> 00:54:41,280

office in the house and i'll see a tic

1508

00:54:44,470 --> 00:54:42,480

tac

1509

00:54:46,470 --> 00:54:44,480

i don't know

1510

00:54:49,349 --> 00:54:46,480

just fly past the room

1511

00:54:50,950 --> 00:54:49,359

i'm gonna and i'll run outside

1512

00:54:53,030 --> 00:54:50,960

you're always too late i've been trying

1513

00:54:54,470 --> 00:54:53,040

to capture things to prove that i see

1514

00:54:57,349 --> 00:54:54,480

things but you're always too late when

1515

00:55:00,150 --> 00:54:57,359

you get outside anyway two months back

1516

00:55:01,349 --> 00:55:00,160

um i'm outside with my dogs

1517

00:55:04,390 --> 00:55:01,359

and

1518

00:55:06,230 --> 00:55:04,400

a giant red orb goes right over the top

1519

00:55:08,150 --> 00:55:06,240

of my head

1520

00:55:10,150 --> 00:55:08,160

it's clad level and the cloud level is

1521

00:55:12,309 --> 00:55:10,160

really low this thing is below the cloud

1522

00:55:13,750 --> 00:55:12,319

level it's massive it's like the orange

1523

00:55:15,190 --> 00:55:13,760

orb that i've showed you earlier but

1524

00:55:16,950 --> 00:55:15,200

it's bright red

1525

00:55:18,789 --> 00:55:16,960

for some reason though last in the last

1526

00:55:20,470 --> 00:55:18,799

six months they seem to change color on

1527

00:55:22,470 --> 00:55:20,480

me they've always been arranged but all

1528

00:55:25,190 --> 00:55:22,480

of a sudden i'm seeing giant white ones

1529

00:55:26,069 --> 00:55:25,200

and giant red ones now okay so anyways

1530

00:55:30,630 --> 00:55:26,079

this

1531

00:55:32,150 --> 00:55:30,640

red orb goes over i run inside i grab my

1532

00:55:34,309 --> 00:55:32,160

night vision camera

1533

00:55:35,990 --> 00:55:34,319

and i start filming and i've watched so

1534

00:55:37,990 --> 00:55:36,000

many videos now where i get annoyed with

1535

00:55:39,430 --> 00:55:38,000

people because they don't show the scale

1536

00:55:41,589 --> 00:55:39,440

they don't talk

1537

00:55:43,750 --> 00:55:41,599

you know i mean this thing's got gps on

1538

00:55:45,430 --> 00:55:43,760

it it's got everything you need but i

1539

00:55:48,150 --> 00:55:45,440

talked my way through this i'm making

1540

00:55:50,470 --> 00:55:48,160

sure everything was working perfectly it

1541

00:55:51,349 --> 00:55:50,480

was it was an oh my god moment almost as

1542

00:55:53,910 --> 00:55:51,359

good as

1543

00:55:56,309 --> 00:55:53,920

the gower blandly more incident an

1544

00:55:58,309 --> 00:55:56,319

amazing object huge

1545

00:55:59,910 --> 00:55:58,319

i could see the red coming off it going

1546

00:56:01,750 --> 00:55:59,920

on to the clouds of birth reflecting

1547

00:56:03,190 --> 00:56:01,760

onto the clouds at birth i'm filming it

1548

00:56:05,589 --> 00:56:03,200

all

1549

00:56:07,270 --> 00:56:05,599

the cows i mean i'm on a farm

1550

00:56:09,430 --> 00:56:07,280

and the cows are all getting really

1551
00:56:11,349 --> 00:56:09,440
agitated all around me moving and

1552
00:56:13,430 --> 00:56:11,359
running around like lunatics

1553
00:56:15,109 --> 00:56:13,440
again i filmed that

1554
00:56:16,870 --> 00:56:15,119
so i capture this thing so it's only

1555
00:56:18,950 --> 00:56:16,880
going swimming it gave me time literally

1556
00:56:20,390 --> 00:56:18,960
to go and get my camera i came back out

1557
00:56:21,270 --> 00:56:20,400
and start filming

1558
00:56:23,430 --> 00:56:21,280
and

1559
00:56:25,910 --> 00:56:23,440
it moves towards the hill just in front

1560
00:56:28,630 --> 00:56:25,920
of my house and it lands on hillside and

1561
00:56:31,270 --> 00:56:28,640
i've got it all absolutely perfectly all

1562
00:56:32,950 --> 00:56:31,280
scaled up all spoken in

1563
00:56:34,630 --> 00:56:32,960

just all this

1564

00:56:36,470 --> 00:56:34,640

description you want

1565

00:56:38,309 --> 00:56:36,480

in one of these videos

1566

00:56:39,990 --> 00:56:38,319

and then to be honest i get bored it's

1567

00:56:41,190 --> 00:56:40,000

sat on the hillside and like i said i

1568

00:56:43,349 --> 00:56:41,200

see these things all the time so i got

1569

00:56:45,109 --> 00:56:43,359

bored i turned off my camera

1570

00:56:46,710 --> 00:56:45,119

and i think i'll go inside now take the

1571

00:56:47,990 --> 00:56:46,720

dogs back in i'll watch it i'll put it

1572

00:56:49,829 --> 00:56:48,000

on the big tv

1573

00:56:52,069 --> 00:56:49,839

i go back inside

1574

00:56:53,109 --> 00:56:52,079

and what happens next is what always

1575

00:56:54,470 --> 00:56:53,119

happens

1576
00:56:56,789 --> 00:56:54,480
when you try and film these things

1577
00:56:59,589 --> 00:56:56,799
there's nothing on

1578
00:57:01,109 --> 00:56:59,599
okay the sd card i was lucky i had

1579
00:57:03,030 --> 00:57:01,119
downloaded the other things that i've

1580
00:57:04,710 --> 00:57:03,040
been filming over the last previous few

1581
00:57:06,470 --> 00:57:04,720
weeks i've downloaded them a few days

1582
00:57:08,069 --> 00:57:06,480
previous

1583
00:57:09,109 --> 00:57:08,079
they were all still on the sd card at

1584
00:57:11,270 --> 00:57:09,119
that point

1585
00:57:13,670 --> 00:57:11,280
i filmed this thing i come back inside

1586
00:57:15,990 --> 00:57:13,680
my sd card is now blank none of those

1587
00:57:17,829 --> 00:57:16,000
other previous videos are now on there

1588
00:57:18,789 --> 00:57:17,839

and nor is this object that i've just

1589

00:57:19,750 --> 00:57:18,799

done

1590

00:57:21,030 --> 00:57:19,760

okay

1591

00:57:23,270 --> 00:57:21,040

that's the sort of thing that happens

1592

00:57:24,829 --> 00:57:23,280

when you try in when you get the most

1593

00:57:27,670 --> 00:57:24,839

amazing

1594

00:57:28,630 --> 00:57:27,680

sighting they won't let you film

1595

00:57:30,630 --> 00:57:28,640

okay

1596

00:57:32,789 --> 00:57:30,640

it's like people say why are these

1597

00:57:34,710 --> 00:57:32,799

things fuzzy when you take a picture

1598

00:57:35,910 --> 00:57:34,720

it's like they're in between dimensions

1599

00:57:37,349 --> 00:57:35,920

or something

1600

00:57:38,549 --> 00:57:37,359

that's the reason why you can't take a

1601
00:57:39,750 --> 00:57:38,559
good picture of these things when

1602
00:57:41,349 --> 00:57:39,760
they've come

1603
00:57:43,109 --> 00:57:41,359
from the dimension if that's what's

1604
00:57:44,309 --> 00:57:43,119
going on and come through then you've

1605
00:57:45,910 --> 00:57:44,319
got a chance

1606
00:57:47,349 --> 00:57:45,920
trouble is when you get that chance they

1607
00:57:49,190 --> 00:57:47,359
don't let you have that chance they

1608
00:57:50,549 --> 00:57:49,200
don't let you take a picture your camera

1609
00:57:52,470 --> 00:57:50,559
will be blank

1610
00:57:54,150 --> 00:57:52,480
that's what happens

1611
00:57:57,670 --> 00:57:54,160
i've had that's happened a lot of times

1612
00:57:58,870 --> 00:57:57,680
i tried for a good few weeks after the

1613
00:58:00,230 --> 00:57:58,880

day when i was trying to take more

1614

00:58:01,349 --> 00:58:00,240

pictures because i'm still seeing these

1615

00:58:02,710 --> 00:58:01,359

things

1616

00:58:07,430 --> 00:58:02,720

anyway

1617

00:58:12,069 --> 00:58:09,990

okay so on the friday we go back to the

1618

00:58:13,510 --> 00:58:12,079

landing on a friday i phoned everyone i

1619

00:58:16,150 --> 00:58:13,520

didn't get anywhere

1620

00:58:17,190 --> 00:58:16,160

and just have my normal dates work

1621

00:58:22,630 --> 00:58:17,200

and

1622

00:58:25,589 --> 00:58:22,640

there my wife's gone shopping with my

1623

00:58:26,950 --> 00:58:25,599

daughter into the phone athlete and i

1624

00:58:28,549 --> 00:58:26,960

think i cut the grass and i'm going

1625

00:58:31,109 --> 00:58:28,559

across the

1626
00:58:33,030 --> 00:58:31,119
driveway and i'm a robot lawn mower and

1627
00:58:35,589 --> 00:58:33,040
driving my robot lawnmower across the

1628
00:58:37,829 --> 00:58:35,599
drive and i've glanced to my left which

1629
00:58:40,470 --> 00:58:37,839
is the newport direction

1630
00:58:42,950 --> 00:58:40,480
and the same emerald colored craft that

1631
00:58:45,270 --> 00:58:42,960
had come in from the sea

1632
00:58:47,030 --> 00:58:45,280
on a thursday and collected this object

1633
00:58:50,390 --> 00:58:47,040
and taken over sea is now coming towards

1634
00:58:53,109 --> 00:58:50,400
my case from the newport direction okay

1635
00:58:55,670 --> 00:58:53,119
not that high up only a few hundred feet

1636
00:58:58,630 --> 00:58:55,680
and it literally comes in very very very

1637
00:59:00,549 --> 00:58:58,640
slowly and stops right in front of me

1638
00:59:02,390 --> 00:59:00,559

right above my house my hand my house is

1639

00:59:04,470 --> 00:59:02,400

a barn conversion right in the middle of

1640

00:59:06,470 --> 00:59:04,480

the bottom conversion i'm here and this

1641

00:59:09,349 --> 00:59:06,480

thing is literally

1642

00:59:12,069 --> 00:59:09,359

and it's like um an emerald

1643

00:59:13,510 --> 00:59:12,079

as in like a jewel emerald emerald color

1644

00:59:14,870 --> 00:59:13,520

an emerald shape but it was

1645

00:59:15,829 --> 00:59:14,880

shape-shifting

1646

00:59:19,430 --> 00:59:15,839

they were

1647

00:59:22,069 --> 00:59:19,440

moving around it's like a light

1648

00:59:23,990 --> 00:59:22,079

shifting okay but like like panels it's

1649

00:59:25,670 --> 00:59:24,000

the only way i can describe it

1650

00:59:27,109 --> 00:59:25,680

there was no sound

1651
00:59:29,349 --> 00:59:27,119
there was no um

1652
00:59:31,030 --> 00:59:29,359
static in the air or anything like that

1653
00:59:32,630 --> 00:59:31,040
but people have reported things like

1654
00:59:34,470 --> 00:59:32,640
that um

1655
00:59:36,390 --> 00:59:34,480
it was literally just there

1656
00:59:37,829 --> 00:59:36,400
so i'm looking at this open mouth

1657
00:59:39,910 --> 00:59:37,839
thinking oh my god you know what's going

1658
00:59:41,910 --> 00:59:39,920
to happen next and it shoots into the

1659
00:59:43,750 --> 00:59:41,920
middle of the locker estuary straight

1660
00:59:46,069 --> 00:59:43,760
down the length of my house straight

1661
00:59:48,150 --> 00:59:46,079
into the middle of the stream like blink

1662
00:59:50,150 --> 00:59:48,160
bump into the middle and then it takes

1663
00:59:52,950 --> 00:59:50,160

an immediate

1664

00:59:55,270 --> 00:59:52,960

left turn out to see

1665

00:59:57,270 --> 00:59:55,280

there's no banking like a plane

1666

00:59:59,349 --> 00:59:57,280

this thing literally went boom boom

1667

01:00:00,789 --> 00:59:59,359

straight out to sea okay

1668

01:00:01,829 --> 01:00:00,799

no sound

1669

01:00:03,589 --> 01:00:01,839

um

1670

01:00:04,950 --> 01:00:03,599

and as i'm watching that open mouth and

1671

01:00:07,030 --> 01:00:04,960

seeing it going into the distance and

1672

01:00:08,309 --> 01:00:07,040

like pinned oh my god i can't believe

1673

01:00:09,430 --> 01:00:08,319

i've just seen this now it's happening

1674

01:00:11,750 --> 01:00:09,440

again

1675

01:00:15,270 --> 01:00:11,760

there's a whoosh behind me i've got my

1676

01:00:20,390 --> 01:00:17,910

um two fighter jets

1677

01:00:22,710 --> 01:00:20,400

literally the same height of this object

1678

01:00:25,030 --> 01:00:22,720

of being this animal's object

1679

01:00:27,109 --> 01:00:25,040

knocked me off my feet i'm now on floor

1680

01:00:29,670 --> 01:00:27,119

on top of the lawnmower

1681

01:00:31,670 --> 01:00:29,680

looking at as two fighter jets take

1682

01:00:33,430 --> 01:00:31,680

exactly the same path

1683

01:00:35,109 --> 01:00:33,440

of this green object going out to see

1684

01:00:36,710 --> 01:00:35,119

they were literally chasing it but the

1685

01:00:38,150 --> 01:00:36,720

difference is they took the same path

1686

01:00:39,750 --> 01:00:38,160

out to the middle of the x3 then turned

1687

01:00:42,470 --> 01:00:39,760

left but they banked

1688

01:00:46,230 --> 01:00:42,480

okay just like normal aircraft do but

1689

01:00:47,510 --> 01:00:46,240

again i'm on my own my wife

1690

01:00:49,349 --> 01:00:47,520

wouldn't imagine she'd been there anyway

1691

01:00:50,390 --> 01:00:49,359

like a second night just but she wasn't

1692

01:00:52,069 --> 01:00:50,400

there

1693

01:00:54,390 --> 01:00:52,079

and um

1694

01:00:57,109 --> 01:00:54,400

no witness apart from me there's nothing

1695

01:00:59,349 --> 01:00:57,119

on tv there's nothing on the radio

1696

01:01:01,270 --> 01:00:59,359

and it was a complete waste of time me

1697

01:01:03,109 --> 01:01:01,280

telling anyone so you know i didn't

1698

01:01:04,390 --> 01:01:03,119

really tell anyone about that i said it

1699

01:01:08,870 --> 01:01:04,400

was a

1700

01:01:16,549 --> 01:01:12,950

on the sunday the very next day now

1701

01:01:18,870 --> 01:01:16,559

um we used to go up to my wife's

1702

01:01:20,309 --> 01:01:18,880

uh parents for sunday lunch

1703

01:01:22,470 --> 01:01:20,319

every sunday

1704

01:01:25,270 --> 01:01:22,480

and she they lived in canberra so we

1705

01:01:27,109 --> 01:01:25,280

traveled up from gower and we get to the

1706

01:01:28,069 --> 01:01:27,119

fire station traffic lights in the

1707

01:01:29,430 --> 01:01:28,079

middle of

1708

01:01:30,950 --> 01:01:29,440

combran

1709

01:01:32,309 --> 01:01:30,960

and i'm at the front of the traffic

1710

01:01:33,990 --> 01:01:32,319

lights and because i've seen these

1711

01:01:36,069 --> 01:01:34,000

things over the last few days i'm

1712

01:01:40,470 --> 01:01:36,079

obsessed on looking at every opportunity

1713

01:01:44,630 --> 01:01:42,069

the lights are red

1714

01:01:46,630 --> 01:01:44,640

i'm up front i look to my right and

1715

01:01:49,910 --> 01:01:46,640

there's a disc

1716

01:01:51,190 --> 01:01:49,920

a disc a bobber style disc that everyone

1717

01:01:55,349 --> 01:01:51,200

you know when they talk about flying

1718

01:01:58,470 --> 01:01:55,359

saucers exactly i saw okay it was a dull

1719

01:01:59,990 --> 01:01:58,480

um grey metal disc just sat in the sky

1720

01:02:01,510 --> 01:02:00,000

there are no clouds

1721

01:02:04,390 --> 01:02:01,520

it is blue

1722

01:02:05,990 --> 01:02:04,400

skies not clouds in the sky there are

1723

01:02:07,029 --> 01:02:06,000

loads and loads of people crossing the

1724

01:02:08,150 --> 01:02:07,039

road

1725

01:02:10,309 --> 01:02:08,160

when the light

1726

01:02:11,670 --> 01:02:10,319

lights are red yeah not one person is

1727

01:02:13,589 --> 01:02:11,680

looking up

1728

01:02:15,589 --> 01:02:13,599

nobody sees a thing

1729

01:02:16,789 --> 01:02:15,599

okay and i'm getting really agitated now

1730

01:02:18,470 --> 01:02:16,799

with my wife

1731

01:02:19,750 --> 01:02:18,480

my daughter's in the back in the baby

1732

01:02:20,950 --> 01:02:19,760

seat type thing

1733

01:02:23,190 --> 01:02:20,960

and i'm getting really actually oh my

1734

01:02:25,190 --> 01:02:23,200

god here we go again you know

1735

01:02:27,349 --> 01:02:25,200

and my wife can't see it because she's

1736

01:02:28,789 --> 01:02:27,359

to my left and this thing is to my right

1737

01:02:30,069 --> 01:02:28,799

in the car

1738

01:02:32,069 --> 01:02:30,079

and

1739

01:02:33,029 --> 01:02:32,079

like i say she's gonna interest

1740

01:02:35,029 --> 01:02:33,039

anyway

1741

01:02:36,549 --> 01:02:35,039

but she's getting she's going mad with

1742

01:02:39,670 --> 01:02:36,559

me there because my daughter is crying

1743

01:02:41,829 --> 01:02:39,680

i'm shouting it's happening again

1744

01:02:44,549 --> 01:02:41,839

and she forces me literally to drive off

1745

01:02:46,390 --> 01:02:44,559

nobody has looked up at all not one

1746

01:02:48,390 --> 01:02:46,400

person has seen this disc that's not

1747

01:02:49,510 --> 01:02:48,400

very high in the sky

1748

01:02:54,230 --> 01:02:49,520

how

1749

01:02:56,789 --> 01:02:54,240

it drives me nuts it frustrates me

1750

01:02:58,390 --> 01:02:56,799

beyond me it kills me that other people

1751
01:03:00,309 --> 01:02:58,400
are not seeing these things because it

1752
01:03:01,510 --> 01:03:00,319
makes me look nurse

1753
01:03:03,990 --> 01:03:01,520
okay

1754
01:03:05,109 --> 01:03:04,000
well i got pictures sorry about that

1755
01:03:07,829 --> 01:03:05,119
okay

1756
01:03:10,549 --> 01:03:07,839
um so we we drive

1757
01:03:13,190 --> 01:03:10,559
to my wife's house i get a car

1758
01:03:14,630 --> 01:03:13,200
i point to the thing it's my wife she's

1759
01:03:16,710 --> 01:03:14,640
got an interest

1760
01:03:18,789 --> 01:03:16,720
she goes straight to the house and even

1761
01:03:22,150 --> 01:03:18,799
though she looked but it's just still

1762
01:03:26,630 --> 01:03:24,630
i go and have lunch i still sat there

1763
01:03:27,990 --> 01:03:26,640

you know because

1764

01:03:30,390 --> 01:03:28,000

i didn't have a camera with me i didn't

1765

01:03:34,309 --> 01:03:30,400

have a phone we don't spend days with it

1766

01:03:37,990 --> 01:03:36,710

so that was that was those few days

1767

01:03:42,150 --> 01:03:38,000

basically

1768

01:03:45,430 --> 01:03:42,160

in 2010 for four crazy days

1769

01:03:46,309 --> 01:03:45,440

um i can't forget

1770

01:03:48,470 --> 01:03:46,319

you know

1771

01:03:49,829 --> 01:03:48,480

and i'm obsessed trying to find

1772

01:03:51,589 --> 01:03:49,839

information about

1773

01:03:53,750 --> 01:03:51,599

innocence and everyone i show the

1774

01:03:55,430 --> 01:03:53,760

pictures too like how put off eric davis

1775

01:03:57,510 --> 01:03:55,440

they're all intrigued

1776

01:03:59,270 --> 01:03:57,520

by pictures i was at a science

1777

01:04:00,789 --> 01:03:59,280

conference with a

1778

01:04:02,069 --> 01:04:00,799

virtual science conference with them

1779

01:04:03,990 --> 01:04:02,079

recently

1780

01:04:05,990 --> 01:04:04,000

we had a full discussion on

1781

01:04:07,990 --> 01:04:06,000

um at the conference about how these

1782

01:04:10,549 --> 01:04:08,000

things are manifesting

1783

01:04:12,309 --> 01:04:10,559

you know altering our perceptions

1784

01:04:15,029 --> 01:04:12,319

i mean it might be that no because

1785

01:04:16,950 --> 01:04:15,039

nobody saw that craft the giant craft i

1786

01:04:18,549 --> 01:04:16,960

saw when i was 15 the night of the

1787

01:04:20,630 --> 01:04:18,559

triangles craft

1788

01:04:23,510 --> 01:04:20,640

nobody saw that maybe it wasn't really a

1789

01:04:25,510 --> 01:04:23,520

craft maybe this was a manifestation you

1790

01:04:26,870 --> 01:04:25,520

know i've got i've got to take this into

1791

01:04:28,630 --> 01:04:26,880

account now because this thing should

1792

01:04:30,069 --> 01:04:28,640

have been seen by the whole of wales

1793

01:04:32,069 --> 01:04:30,079

this should have been seen from newport

1794

01:04:34,470 --> 01:04:32,079

to swansea it was high enough it was big

1795

01:04:36,549 --> 01:04:34,480

enough and yet okay there was lots of

1796

01:04:38,950 --> 01:04:36,559

other craft uh reported that night but

1797

01:04:41,510 --> 01:04:38,960

nobody reported this ridiculously big

1798

01:04:43,990 --> 01:04:41,520

craft that i saw

1799

01:04:46,150 --> 01:04:44,000

i i've missed a part of that am i

1800

01:04:48,230 --> 01:04:46,160

i didn't miss a part of that as in i had

1801

01:04:50,630 --> 01:04:48,240

missing time as well

1802

01:04:55,589 --> 01:04:52,470

i found because i found myself in that

1803

01:05:00,230 --> 01:04:57,829

there was about an hour to two hours of

1804

01:05:02,309 --> 01:05:00,240

missing time that i couldn't account for

1805

01:05:03,190 --> 01:05:02,319

from i'd obviously been to school that

1806

01:05:03,910 --> 01:05:03,200

day

1807

01:05:05,910 --> 01:05:03,920

but

1808

01:05:07,829 --> 01:05:05,920

um because i'd gone and got changed i

1809

01:05:09,109 --> 01:05:07,839

wasn't in jeans and a t-shirt but it was

1810

01:05:10,630 --> 01:05:09,119

in the middle of winter you know what

1811

01:05:14,150 --> 01:05:10,640

was i doing in the middle of winter in a

1812

01:05:16,230 --> 01:05:14,160

field freezing cold at night no idea

1813

01:05:18,230 --> 01:05:16,240

you know what i was doing there

1814

01:05:34,150 --> 01:05:18,240

it was nuts

1815

01:05:39,349 --> 01:05:36,630

yeah my second question was about the

1816

01:05:41,589 --> 01:05:39,359

magnetism you mentioned earlier

1817

01:05:44,150 --> 01:05:41,599

something is going on with the birds

1818

01:05:47,349 --> 01:05:44,160

lately we have a friend that keeps the

1819

01:06:06,150 --> 01:05:47,359

price pitching send them up

1820

01:06:09,510 --> 01:06:07,829

we've had to close off areas of our

1821

01:06:12,470 --> 01:06:09,520

building today where the birds are

1822

01:06:15,270 --> 01:06:12,480

flying in and breaking the grass it's

1823

01:06:17,589 --> 01:06:15,280

really strange do you remember um a

1824

01:06:20,390 --> 01:06:17,599

few months back all those birds were

1825

01:06:21,750 --> 01:06:20,400

dead on the road

1826

01:06:24,069 --> 01:06:21,760

okay the same day

1827

01:06:25,990 --> 01:06:24,079

the same day that happened i had a load

1828

01:06:27,349 --> 01:06:26,000

of them in the in my

1829

01:06:29,990 --> 01:06:27,359

my street in i live in the middle of

1830

01:06:32,309 --> 01:06:30,000

nowhere okay but in the in on the road

1831

01:06:34,950 --> 01:06:32,319

by me hello dead birds and there were

1832

01:06:36,549 --> 01:06:34,960

thousands of the same birds in the trees

1833

01:06:39,109 --> 01:06:36,559

i've never seen before i haven't seen it

1834

01:06:41,510 --> 01:06:39,119

since but literally within two days i

1835

01:06:59,109 --> 01:06:41,520

had that going on but there was a i

1836

01:07:07,520 --> 01:07:00,870

exactly you're saying right across the

1837

01:07:11,109 --> 01:07:09,029

[Music]

1838

01:07:12,309 --> 01:07:11,119

it's not just i think it's something in

1839

01:07:13,750 --> 01:07:12,319

africans

1840

01:07:16,309 --> 01:07:13,760

flamingos

1841

01:07:18,069 --> 01:07:16,319

and there was no 5g there so it isn't

1842

01:07:19,510 --> 01:07:18,079

just something for 5g there's something

1843

01:07:20,470 --> 01:07:19,520

going on

1844

01:07:21,670 --> 01:07:20,480

yeah

1845

01:07:23,430 --> 01:07:21,680

because there was no 5g where the

1846

01:07:25,510 --> 01:07:23,440

floating goats were and they were dying

1847

01:07:55,109 --> 01:07:25,520

as well and killing them exactly the

1848

01:07:58,309 --> 01:07:56,789

i could need to drive in a shed it's

1849

01:07:59,829 --> 01:07:58,319

possible to share it

1850

01:08:02,710 --> 01:07:59,839

with you

1851

01:08:04,150 --> 01:08:02,720

as it's going it's 14 years old

1852

01:08:05,430 --> 01:08:04,160

it's a lock double the other day because

1853

01:08:06,789 --> 01:08:05,440

there's two of them in there it

1854

01:08:07,750 --> 01:08:06,799

completely shed its skin there's

1855

01:08:08,789 --> 01:08:07,760

something going on i think there's

1856

01:08:13,029 --> 01:08:08,799

something in the states and they were

1857

01:08:15,750 --> 01:08:13,039

saying about um it was uh geese or swans

1858

01:08:17,990 --> 01:08:15,760

swans wanted to drown themselves

1859

01:08:19,349 --> 01:08:18,000

because the 5g kicked in and they just

1860

01:08:21,510 --> 01:08:19,359

didn't know they just couldn't cope with

1861

01:08:23,910 --> 01:08:21,520

the neurological issues but they wanted

1862

01:08:28,789 --> 01:08:23,920

to drown themselves because it just

1863

01:08:35,269 --> 01:08:30,630

yeah that's right

1864

01:08:49,430 --> 01:08:36,550

now

1865

01:08:53,430 --> 01:08:51,349

well i think people should pay more

1866

01:08:55,110 --> 01:08:53,440

attention to experiences

1867

01:08:57,829 --> 01:08:55,120

you know real experiences people like

1868

01:08:59,669 --> 01:08:57,839

damian knott in australia

1869

01:09:01,430 --> 01:08:59,679

you should pay attention to the car you

1870

01:09:02,950 --> 01:09:01,440

know he's not getting downloads he'll

1871

01:09:04,229 --> 01:09:02,960

tell him doesn't get downloads the

1872

01:09:06,789 --> 01:09:04,239

people that say they're getting lots of

1873

01:09:08,149 --> 01:09:06,799

downloads and they're getting messages

1874

01:09:10,309 --> 01:09:08,159

i i

1875

01:09:12,309 --> 01:09:10,319

you know i'm involved in this

1876

01:09:13,669 --> 01:09:12,319

but i'm still skeptical

1877

01:09:15,990 --> 01:09:13,679

i've got to be you've got to try and

1878

01:09:17,430 --> 01:09:16,000

stay rational you've got to be plausible

1879

01:09:18,630 --> 01:09:17,440

about the sort of things that you hear

1880

01:09:21,030 --> 01:09:18,640

and you can't just

1881

01:09:23,269 --> 01:09:21,040

agree with everything you hear you know

1882

01:09:24,870 --> 01:09:23,279

and um

1883

01:09:26,390 --> 01:09:24,880

they knew not somebody you should follow

1884

01:09:30,309 --> 01:09:26,400

me

1885

01:09:32,070 --> 01:09:30,319

i interviewed damian a few months back

1886

01:09:36,349 --> 01:09:32,080

he's on my podcast special access

1887

01:09:39,910 --> 01:09:39,110

foreign good friends in australia

1888

01:09:42,550 --> 01:09:39,920

um

1889

01:09:46,309 --> 01:09:42,560

damien i identify daily basically

1890

01:09:48,309 --> 01:09:46,319

because i've never found anyone like me

1891

01:09:50,070 --> 01:09:48,319

he doesn't get downloads he doesn't get

1892

01:09:51,749 --> 01:09:50,080

messages but he sees these things all

1893

01:09:53,910 --> 01:09:51,759

the time and he's blasey about it as

1894

01:09:55,830 --> 01:09:53,920

well and he documents them now because

1895

01:09:57,270 --> 01:09:55,840

that's what he does for a living and he

1896

01:09:58,709 --> 01:09:57,280

goes outside

1897

01:10:00,550 --> 01:09:58,719

living in australia he hasn't got the

1898

01:10:02,070 --> 01:10:00,560

problem we've got tropical rainforest

1899

01:10:03,189 --> 01:10:02,080

whales here where he's constantly

1900

01:10:06,229 --> 01:10:03,199

calling me

1901

01:10:07,750 --> 01:10:06,239

and so i i imagine that if i didn't have

1902

01:10:09,510 --> 01:10:07,760

the clients above me all the time i'd

1903

01:10:11,830 --> 01:10:09,520

probably be seeing him just as often as

1904

01:10:14,390 --> 01:10:11,840

he's seen and i see him often enough

1905

01:10:16,709 --> 01:10:14,400

but he's he sees them he also gets

1906

01:10:18,470 --> 01:10:16,719

something like chris bledsoe chris is a

1907

01:10:19,669 --> 01:10:18,480

friend as well i've

1908

01:10:21,830 --> 01:10:19,679

been speaking to him for quite a few

1909

01:10:23,189 --> 01:10:21,840

years where they know when there is

1910

01:10:24,950 --> 01:10:23,199

something there

1911

01:10:27,350 --> 01:10:24,960

they know to go outside

1912

01:10:29,270 --> 01:10:27,360

at a certain time they get the sense

1913

01:10:31,350 --> 01:10:29,280

to go outside and take their camera with

1914

01:10:33,350 --> 01:10:31,360

them and when they do they know they can

1915

01:10:36,390 --> 01:10:33,360

take a picture i don't get that you know

1916

01:10:38,790 --> 01:10:36,400

i'd be honest i don't get that

1917

01:10:40,390 --> 01:10:38,800

he describes that as a

1918

01:10:41,990 --> 01:10:40,400

imagine you're in a

1919

01:10:44,149 --> 01:10:42,000

supermarket and

1920

01:10:45,590 --> 01:10:44,159

you know that somebody's looking at you

1921

01:10:48,149 --> 01:10:45,600

when you've got your back turned to them

1922

01:10:50,630 --> 01:10:48,159

you know someone's looking at you you

1923

01:10:52,070 --> 01:10:50,640

get that feeling so i can attract and

1924

01:10:53,430 --> 01:10:52,080

then then

1925

01:10:54,870 --> 01:10:53,440

i don't know are you attracting the

1926

01:10:56,709 --> 01:10:54,880

presence have you done any like

1927

01:10:59,590 --> 01:10:56,719

experiments

1928

01:11:01,189 --> 01:10:59,600

well i i know that um

1929

01:11:03,189 --> 01:11:01,199

if i wanted to attract them all i'd need

1930

01:11:04,310 --> 01:11:03,199

to do is send up fireworks believe it or

1931

01:11:05,830 --> 01:11:04,320

not

1932

01:11:07,669 --> 01:11:05,840

i discouraged when i was living down

1933

01:11:08,630 --> 01:11:07,679

here

1934

01:11:11,189 --> 01:11:08,640

on

1935

01:11:13,830 --> 01:11:11,199

so that was october november the 5th

1936

01:11:15,669 --> 01:11:13,840

then obviously a few weeks later i had

1937

01:11:17,030 --> 01:11:15,679

all the family down and we were in the

1938

01:11:19,030 --> 01:11:17,040

gardens

1939

01:11:21,590 --> 01:11:19,040

and we were overlooking by reporting for

1940

01:11:23,030 --> 01:11:21,600

an fb what cheap firewood display yeah

1941

01:11:24,950 --> 01:11:23,040

we had the best game in the world

1942

01:11:26,310 --> 01:11:24,960

everyone's fireworks where we were live

1943

01:11:27,910 --> 01:11:26,320

so we're literally in the garden of

1944

01:11:30,229 --> 01:11:27,920

barbecue and watching everyone else's

1945

01:11:33,669 --> 01:11:30,239

fireworks and i noticed that same green

1946

01:11:35,910 --> 01:11:33,679

emerald object coming in from the sea

1947

01:11:38,550 --> 01:11:35,920

okay and what they do is they literally

1948

01:11:41,270 --> 01:11:38,560

come in like a satellite and they will

1949

01:11:42,709 --> 01:11:41,280

come in nice and slow and just stop

1950

01:11:44,870 --> 01:11:42,719

and they have lots of fireworks it

1951

01:11:46,630 --> 01:11:44,880

sounds nuts i know exciting for that but

1952

01:11:48,870 --> 01:11:46,640

i've seen this now

1953

01:11:50,310 --> 01:11:48,880

um every year since if there's been a

1954

01:11:52,390 --> 01:11:50,320

fireworks play not last year because of

1955

01:11:54,149 --> 01:11:52,400

code grid but every year since

1956

01:11:55,430 --> 01:11:54,159

if i go to a firework display everyone

1957

01:11:57,030 --> 01:11:55,440

else is watching the fireworks i'm

1958

01:11:59,110 --> 01:11:57,040

watching out for when these things turn

1959

01:12:01,430 --> 01:11:59,120

up because they always turn up

1960

01:12:04,070 --> 01:12:01,440

and one of the reasons i got into damien

1961

01:12:06,390 --> 01:12:04,080

knox because i spotted he had also

1962

01:12:09,110 --> 01:12:06,400

noticed the same thing and he had

1963

01:12:11,350 --> 01:12:09,120

actually done video on it and

1964

01:12:13,830 --> 01:12:11,360

you can find that on if you go on damien

1965

01:12:15,750 --> 01:12:13,840

john not on youtube you can find the

1966

01:12:18,630 --> 01:12:15,760

video and the firework video where it

1967

01:12:24,310 --> 01:12:18,640

has been analyzed and you can't see it

1968

01:12:28,310 --> 01:12:26,310

later on this thing was literally coming

1969

01:12:31,030 --> 01:12:28,320

in shifting to the ground just like the

1970

01:12:32,630 --> 01:12:31,040

tic tacs crazy speeds shooting around

1971

01:12:35,830 --> 01:12:32,640

he's got a movie about to be released

1972

01:12:37,910 --> 01:12:35,840

about it now it's still

1973

01:12:39,669 --> 01:12:37,920

so yeah very interesting

1974

01:12:41,669 --> 01:12:39,679

even if you've got all the family around

1975

01:12:42,870 --> 01:12:41,679

you nobody else can see it only on

1976

01:12:44,870 --> 01:12:42,880

yourself

1977

01:12:46,149 --> 01:12:44,880

yeah i mean i never spoke to my um i

1978

01:12:49,350 --> 01:12:46,159

told my mum

1979

01:12:51,510 --> 01:12:49,360

my dad died a few years ago

1980

01:12:53,189 --> 01:12:51,520

but when i had that incident with the

1981

01:12:54,790 --> 01:12:53,199

nightmare triangles

1982

01:12:56,310 --> 01:12:54,800

i didn't say anything like i said i

1983

01:12:57,350 --> 01:12:56,320

couldn't wait i didn't have to tell him

1984

01:12:58,950 --> 01:12:57,360

i didn't want to get into trouble at the

1985

01:13:00,950 --> 01:12:58,960

time so i never said anything moved

1986

01:13:02,550 --> 01:13:00,960

house i didn't say anything to my

1987

01:13:04,149 --> 01:13:02,560

friends i didn't tell my family i didn't

1988

01:13:05,750 --> 01:13:04,159

see the point i thought whatever it was

1989

01:13:07,110 --> 01:13:05,760

i got away with it i don't know what

1990

01:13:09,990 --> 01:13:07,120

happened on the night because i've got

1991

01:13:11,750 --> 01:13:10,000

no memory of that day

1992

01:13:14,149 --> 01:13:11,760

up until the point where i got home i

1993

01:13:15,830 --> 01:13:14,159

had no memory the previous day either

1994

01:13:17,430 --> 01:13:15,840

you know i still haven't

1995

01:13:19,990 --> 01:13:17,440

i couldn't tell you what what happened

1996

01:13:21,830 --> 01:13:20,000

on those days um

1997

01:13:24,390 --> 01:13:21,840

but it happened you know i

1998

01:13:25,430 --> 01:13:24,400

i've got such a vivid memory of it all i

1999

01:13:27,270 --> 01:13:25,440

got

2000

01:13:29,189 --> 01:13:27,280

a really good memory of

2001

01:13:31,110 --> 01:13:29,199

the actual craft i mean it was weird

2002

01:13:34,070 --> 01:13:31,120

because it was it was like i was i was

2003

01:13:36,470 --> 01:13:34,080

away from the world

2004

01:13:38,310 --> 01:13:36,480

um it's really hard to describe if you

2005

01:13:39,030 --> 01:13:38,320

imagine everything is shut off around

2006

01:13:42,470 --> 01:13:39,040

you

2007

01:13:44,229 --> 01:13:42,480

looking at the sky and there's nothing

2008

01:13:46,070 --> 01:13:44,239

else apart from you and this thing in

2009

01:13:48,070 --> 01:13:46,080

the sky and that's what it was like it

2010

01:13:50,470 --> 01:13:48,080

was like it was a complete bubble

2011

01:13:54,630 --> 01:13:52,630

i have no idea but i did have it really

2012

01:14:06,709 --> 01:13:54,640

looks like i had missing time

2013

01:14:11,590 --> 01:14:09,270

any thoughts on i mean when we take into

2014

01:14:13,990 --> 01:14:11,600

account reports of animal

2015

01:14:17,110 --> 01:14:14,000

mutilations human ventilation phenomena

2016

01:14:21,030 --> 01:14:17,120

as well any thoughts on intents

2017

01:14:22,870 --> 01:14:21,040

uh why they hear what they're doing

2018

01:14:25,189 --> 01:14:22,880

what are the intentions

2019

01:14:37,910 --> 01:14:25,199

what do you think the outcomes will be

2020

01:14:43,990 --> 01:14:41,669

ranch where it's well known that um

2021

01:14:46,070 --> 01:14:44,000

relations are going on and they also did

2022

01:14:47,669 --> 01:14:46,080

a report the needs team did a report on

2023

01:14:49,750 --> 01:14:47,679

capital mutilations i mean they actually

2024

01:14:51,750 --> 01:14:49,760

came out and said it was

2025

01:14:53,030 --> 01:14:51,760

to do mad cow disease and they would

2026

01:14:54,830 --> 01:14:53,040

they were

2027

01:14:56,950 --> 01:14:54,840

saying that it's

2028

01:14:58,870 --> 01:14:56,960

um you know

2029

01:15:00,950 --> 01:14:58,880

they were they were making sure that uh

2030

01:15:02,390 --> 01:15:00,960

mad cow disease wasn't spreading

2031

01:15:03,830 --> 01:15:02,400

around america and that was a real

2032

01:15:05,270 --> 01:15:03,840

reason for why these things were going

2033

01:15:06,950 --> 01:15:05,280

on and it was really the government

2034

01:15:08,470 --> 01:15:06,960

doing it to be honest excuse the

2035

01:15:11,350 --> 01:15:08,480

language that's

2036

01:15:15,270 --> 01:15:13,669

i will be speaking the hell about that

2037

01:15:16,870 --> 01:15:15,280

i've got so many questions i'll send him

2038

01:15:19,510 --> 01:15:16,880

i said i tend to send him a question a

2039

01:15:21,910 --> 01:15:19,520

day you know he he normally comes back

2040

01:15:23,669 --> 01:15:21,920

with very short answers he never says

2041

01:15:25,750 --> 01:15:23,679

yes or no to anything because if he says

2042

01:15:27,590 --> 01:15:25,760

yes or no he's broken his security

2043

01:15:29,590 --> 01:15:27,600

clearances he can't say yes or no so

2044

01:15:32,310 --> 01:15:29,600

he's got to give me

2045

01:15:34,630 --> 01:15:32,320

answers without um you know so sometimes

2046

01:15:36,630 --> 01:15:34,640

i have to go back and forth all the time

2047

01:15:38,790 --> 01:15:36,640

with these questions trying to get some

2048

01:15:39,830 --> 01:15:38,800

sort of idea of what it really means you

2049

01:15:41,270 --> 01:15:39,840

know but

2050

01:15:42,630 --> 01:15:41,280

sometimes it gets better than i just

2051

01:15:44,950 --> 01:15:42,640

said

2052

01:15:46,709 --> 01:15:44,960

do you also consider that this carbon

2053

01:15:48,310 --> 01:15:46,719

mutilation phenomena has been going on

2054

01:15:51,030 --> 01:15:48,320

for like decades

2055

01:15:52,709 --> 01:15:51,040

not one person has ever been indicted

2056

01:15:54,870 --> 01:15:52,719

yeah on

2057

01:15:56,709 --> 01:15:54,880

these issues exactly one person and it's

2058

01:15:58,950 --> 01:15:56,719

going on in wales as well

2059

01:16:00,630 --> 01:15:58,960

we've got mid whales with the sheep and

2060

01:16:02,070 --> 01:16:00,640

i try and tell people that's why i'm

2061

01:16:04,229 --> 01:16:02,080

trying to do the international side of

2062

01:16:07,750 --> 01:16:04,239

this because wales is not known

2063

01:16:09,750 --> 01:16:07,760

as a hot spot for ufos at all you know

2064

01:16:11,030 --> 01:16:09,760

it's known for a slot in this room we

2065

01:16:12,870 --> 01:16:11,040

all know it is

2066

01:16:14,870 --> 01:16:12,880

try telling the rest of the world most

2067

01:16:17,750 --> 01:16:14,880

americans don't even know what wales is

2068

01:16:19,430 --> 01:16:17,760

okay they haven't got a clue so i'm and

2069

01:16:21,910 --> 01:16:19,440

that's what i'm i'm trying to push and

2070

01:16:23,030 --> 01:16:21,920

that's why i'm joined with the supern

2071

01:16:25,030 --> 01:16:23,040

team and

2072

01:16:26,709 --> 01:16:25,040

as far as like that's what i'm trying to

2073

01:16:28,790 --> 01:16:26,719

do the international side of things i'll

2074

01:16:31,510 --> 01:16:28,800

be doing a free

2075

01:16:33,350 --> 01:16:31,520

freedom information requests

2076

01:16:35,270 --> 01:16:33,360

that sort of thing with the team and i'd

2077

01:16:37,110 --> 01:16:35,280

be going out to the local area i'm

2078

01:16:39,110 --> 01:16:37,120

trying to find my daughter's off school

2079

01:16:41,110 --> 01:16:39,120

that's why i've done that

2080

01:16:42,149 --> 01:16:41,120

that casey keeps pushing me towards

2081

01:16:43,830 --> 01:16:42,159

england but

2082

01:16:46,310 --> 01:16:43,840

as soon as she's back in back in school

2083

01:16:47,750 --> 01:16:46,320

i got to go and get out there and

2084

01:16:50,229 --> 01:16:47,760

meet some people

2085

01:16:52,709 --> 01:16:50,239

yeah so i mean cat mutilations are

2086

01:16:53,830 --> 01:16:52,719

worldwide been going on forever

2087

01:16:55,189 --> 01:16:53,840

um

2088

01:16:56,950 --> 01:16:55,199

and who knows what they're what that

2089

01:16:59,189 --> 01:16:56,960

that's about is it a psychological thing

2090

01:17:00,870 --> 01:16:59,199

where they they're trying to mess with

2091

01:17:02,709 --> 01:17:00,880

you trying to mess with your brain what

2092

01:17:04,630 --> 01:17:02,719

are they doing to our animals

2093

01:17:05,830 --> 01:17:04,640

we we saw what they did with bulls when

2094

01:17:07,750 --> 01:17:05,840

they put them in the container at the

2095

01:17:09,350 --> 01:17:07,760

skiing walker ranch you know in a

2096

01:17:10,790 --> 01:17:09,360

container where the door wasn't even big

2097

01:17:13,910 --> 01:17:10,800

enough to get them to fit through the

2098

01:17:15,590 --> 01:17:13,920

door and yet six six balls are inside

2099

01:17:17,830 --> 01:17:15,600

this container

2100

01:17:20,149 --> 01:17:17,840

crazy you know what are they doing there

2101

01:17:21,830 --> 01:17:20,159

again is that psychological

2102

01:17:22,550 --> 01:17:21,840

this is we can do anything to you type

2103

01:17:30,310 --> 01:17:22,560

thing

2104

01:17:34,870 --> 01:17:32,149

probably everyone else knows that you

2105

01:17:37,350 --> 01:17:34,880

mentioned downloads what does that mean

2106

01:17:39,270 --> 01:17:37,360

well if you if you watch people like um

2107

01:17:43,470 --> 01:17:39,280

grant cam and grant cameron will always

2108

01:17:43,480 --> 01:17:51,030

[Music]

2109

01:17:55,270 --> 01:17:52,870

he gets downloads

2110

01:17:57,270 --> 01:17:55,280

he gets information things he should be

2111

01:17:58,870 --> 01:17:57,280

researching and then he'll write a book

2112

01:18:00,790 --> 01:17:58,880

about our topic because

2113

01:18:03,030 --> 01:18:00,800

he thinks he's being given inspiration

2114

01:18:04,310 --> 01:18:03,040

to write about that topic yeah and he

2115

01:18:07,669 --> 01:18:04,320

feels that he's then going to spread the

2116

01:18:10,630 --> 01:18:07,679

word about that topic he does things on

2117

01:18:12,709 --> 01:18:10,640

he thinks music is really really

2118

01:18:15,350 --> 01:18:12,719

involved

2119

01:18:17,510 --> 01:18:15,360

people write songs based on what they

2120

01:18:18,870 --> 01:18:17,520

say are downloads you know the words of

2121

01:18:20,470 --> 01:18:18,880

the song would be

2122

01:18:22,149 --> 01:18:20,480

really important like stay away to

2123

01:18:22,950 --> 01:18:22,159

heaven and things like that songs like

2124

01:18:25,750 --> 01:18:22,960

that

2125

01:18:27,270 --> 01:18:25,760

were written after a download apparently

2126

01:18:29,590 --> 01:18:27,280

i mean there are people like timothy

2127

01:18:30,630 --> 01:18:29,600

taylor you know anyone's here has heard

2128

01:18:32,470 --> 01:18:30,640

of um

2129

01:18:34,630 --> 01:18:32,480

diana pasalka and she wrote a book

2130

01:18:36,149 --> 01:18:34,640

called american cosmic

2131

01:18:38,709 --> 01:18:36,159

and there's a person in there in the

2132

01:18:41,350 --> 01:18:38,719

book called tyler well tyler's real name

2133

01:18:44,229 --> 01:18:41,360

is timothy taylor i research this guy

2134

01:18:46,310 --> 01:18:44,239

he's he's a almost a billionaire and

2135

01:18:48,630 --> 01:18:46,320

he's got most of his money from

2136

01:18:49,590 --> 01:18:48,640

downloads he gets downloads on medical

2137

01:18:51,510 --> 01:18:49,600

products

2138

01:18:53,910 --> 01:18:51,520

and then he goes and does a

2139

01:18:56,630 --> 01:18:53,920

patents those products and he's made an

2140

01:18:59,270 --> 01:18:56,640

absolute fortune he works with nasa he

2141

01:19:01,030 --> 01:18:59,280

works with spacex he finances his

2142

01:19:03,510 --> 01:19:01,040

medical company

2143

01:19:04,229 --> 01:19:03,520

crazy i mean he is really involved in

2144

01:19:07,350 --> 01:19:04,239

the

2145

01:19:09,750 --> 01:19:07,360

are

2146

01:19:12,229 --> 01:19:09,760

he's involved in with eric davis at

2147

01:19:14,950 --> 01:19:12,239

aerial space court he works there and a

2148

01:19:16,390 --> 01:19:14,960

number of other places um really really

2149

01:19:18,470 --> 01:19:16,400

interesting guy if you want to research

2150

01:19:19,830 --> 01:19:18,480

something

2151

01:19:25,669 --> 01:19:19,840

he's got about 40

2152

01:19:29,270 --> 01:19:27,189

like with the downloads and stuff and

2153

01:19:31,830 --> 01:19:29,280

it's on the channeling and everything

2154

01:19:33,590 --> 01:19:31,840

and it's like uh to do the tesla as well

2155

01:19:34,709 --> 01:19:33,600

like i have done with anything on my

2156

01:19:49,030 --> 01:19:34,719

channel

2157

01:19:52,550 --> 01:19:50,870

he would read internet then it's just

2158

01:19:53,430 --> 01:19:52,560

for that person

2159

01:19:56,550 --> 01:19:53,440

as well

2160

01:19:59,510 --> 01:19:56,560

um a lot of his um intentions and it

2161

01:20:03,030 --> 01:19:59,520

didn't come from himself he was charming

2162

01:20:04,950 --> 01:20:03,040

and from another dimension anyway um and

2163

01:20:06,870 --> 01:20:04,960

that's how he come up with a lot of his

2164

01:20:09,030 --> 01:20:06,880

inventions i know a lot of his

2165

01:20:10,229 --> 01:20:09,040

inventions were stolen by the fbi after

2166

01:20:12,790 --> 01:20:10,239

he died

2167

01:20:14,149 --> 01:20:12,800

um and he had free energy and everything

2168

01:20:15,270 --> 01:20:14,159

else and he wanted to make the world a

2169

01:20:25,690 --> 01:20:15,280

better place

2170

01:20:25,700 --> 01:20:31,110

[Music]

2171

01:20:34,310 --> 01:20:32,790

they don't realize i'm put you know

2172

01:20:36,390 --> 01:20:34,320

enjoying that i'm quite crafty the way i

2173

01:20:38,070 --> 01:20:36,400

get my answers over them but they always

2174

01:20:54,229 --> 01:20:38,080

somebody in there will always be wanting

2175

01:20:58,629 --> 01:20:56,550

the magnetism and it just made me think

2176

01:21:25,830 --> 01:20:58,639

about the role as

2177

01:21:29,350 --> 01:21:27,750

but i know that was some sort of object

2178

01:21:31,750 --> 01:21:29,360

you know craft or something

2179

01:21:36,629 --> 01:21:31,760

literally collected

2180

01:21:43,030 --> 01:21:39,350

whatever and you saw like i've seen

2181

01:21:45,030 --> 01:21:43,040

green bright green um i would

2182

01:21:48,790 --> 01:21:45,040

say that's an aurora but it might not

2183

01:21:51,510 --> 01:21:48,800

always be because yeah i'm thinking yeah

2184

01:21:54,629 --> 01:21:53,189

you know you showed the photos later on

2185

01:21:56,310 --> 01:21:54,639

as far as you were concerned you was

2186

01:21:58,629 --> 01:21:56,320

actually actually looking at the chin

2187

01:22:00,310 --> 01:21:58,639

again and helicopter and when he took

2188

01:22:02,709 --> 01:22:00,320

the phone does he come up again

2189

01:22:05,030 --> 01:22:02,719

didn't see a chinook

2190

01:22:06,709 --> 01:22:05,040

like you everyone here we're living in

2191

01:22:08,470 --> 01:22:06,719

wales you hear him all the time like you

2192

01:22:10,470 --> 01:22:08,480

see him all the time you get to know

2193

01:22:13,510 --> 01:22:10,480

what a shin up sounds like right you

2194

01:22:13,520 --> 01:22:17,270

the things that he likes

2195

01:22:20,310 --> 01:22:18,470

you know

2196

01:22:21,510 --> 01:22:20,320

fake

2197

01:22:22,790 --> 01:22:21,520

fiction

2198

01:22:24,310 --> 01:22:22,800

so anyway

2199

01:22:25,750 --> 01:22:24,320

it wasn't a real helicopter that's why

2200

01:22:28,709 --> 01:22:25,760

i've been trying to get across

2201

01:22:32,149 --> 01:22:30,709

what i saw were two lights normally you

2202

01:22:33,510 --> 01:22:32,159

get with an aircraft there'll be

2203

01:22:35,510 --> 01:22:33,520

flashing lights

2204

01:22:36,870 --> 01:22:35,520

these were two steady steady lights of

2205

01:22:38,310 --> 01:22:36,880

red and white lights and then they're

2206

01:22:40,790 --> 01:22:38,320

not even the same lights that came out

2207

01:22:43,350 --> 01:22:40,800

on pictures yeah the different colors

2208

01:22:45,510 --> 01:22:43,360

but what i saw was a red and a white

2209

01:22:46,550 --> 01:22:45,520

light on an object that came in really

2210

01:22:47,830 --> 01:22:46,560

really good

2211

01:22:49,990 --> 01:22:47,840

from the garage

2212

01:23:01,990 --> 01:22:50,000

this area through this area from heart
