Talk to Mark Fluharty about  
his sighting in Cardiff

1  
00:00:13,190 --> 00:00:10,950  
hello today's the 27th of june 2021

2  
00:00:16,390 --> 00:00:13,200  
we're here in the taff embankment in

3  
00:00:19,029 --> 00:00:16,400  
cardiff right next to the river club to

4  
00:00:20,230 --> 00:00:19,039  
speak to mike mark flew party

5  
00:00:23,189 --> 00:00:20,240  
who's

6  
00:00:24,630 --> 00:00:23,199  
he's uh reported recycling to us on the

7  
00:00:27,589 --> 00:00:24,640  
11th of may

8  
00:00:29,669 --> 00:00:27,599  
2021 this is about five or six weeks ago

9  
00:00:32,389 --> 00:00:29,679  
uh mark's an interest interesting

10  
00:00:33,590 --> 00:00:32,399  
witness because he's actually an ex-u.s

11  
00:00:36,069 --> 00:00:33,600  
marine

12  
00:00:36,870 --> 00:00:36,079  
living here in cardiff so we're going to

13  
00:00:38,069 --> 00:00:36,880

go and

14

00:00:39,350 --> 00:00:38,079

see him now and he's going to tell us

15

00:00:43,110 --> 00:00:39,360

what he saw

16

00:00:45,510 --> 00:00:43,120

here we are in mark's house he's kindly

17

00:00:46,709 --> 00:00:45,520

invited us in to talk about his psyche

18

00:00:48,709 --> 00:00:46,719

which he had

19

00:00:50,470 --> 00:00:48,719

about five or six weeks ago

20

00:00:52,310 --> 00:00:50,480

broad daylight wasn't it marketing yeah

21

00:00:54,630 --> 00:00:52,320

it was four o'clock

22

00:00:56,470 --> 00:00:54,640

four o'clock in the afternoon yeah yeah

23

00:00:58,950 --> 00:00:56,480

can you tell us where you were i was out

24

00:01:00,069 --> 00:00:58,960

back working in my garden uh right in

25

00:01:01,910 --> 00:01:00,079

front of my

26

00:01:03,510 --> 00:01:01,920

at that time i just stepped out of my

27

00:01:04,869 --> 00:01:03,520

greenhouse and took a break it was

28

00:01:06,630 --> 00:01:04,879

pretty hot

29

00:01:07,510 --> 00:01:06,640

and i just sit down on a chair got out

30

00:01:08,550 --> 00:01:07,520

there and

31

00:01:09,830 --> 00:01:08,560

i uh

32

00:01:11,590 --> 00:01:09,840

sat there and

33

00:01:13,590 --> 00:01:11,600

just took a break and i seen off in a

34

00:01:15,510 --> 00:01:13,600

distance i saw

35

00:01:16,870 --> 00:01:15,520

what i thought at the time was a flock

36

00:01:17,749 --> 00:01:16,880

of birds

37

00:01:20,550 --> 00:01:17,759

it just

38

00:01:22,310 --> 00:01:20,560

it didn't look right but you know again

39

00:01:24,310 --> 00:01:22,320

a flock of birds and

40

00:01:26,469 --> 00:01:24,320

so i just went on about what i was doing

41

00:01:28,870 --> 00:01:26,479

a couple minutes later

42

00:01:31,270 --> 00:01:28,880

i glanced up and they were coming this

43

00:01:32,950 --> 00:01:31,280

way and i looked and i seen uh

44

00:01:34,310 --> 00:01:32,960

well that's the strangest flock of birds

45

00:01:35,670 --> 00:01:34,320

i'd ever saw

46

00:01:38,710 --> 00:01:35,680

because you know normally you look at a

47

00:01:40,550 --> 00:01:38,720

flock of birds they don't fly straight

48

00:01:42,469 --> 00:01:40,560

and you know block you off watch any

49

00:01:44,149 --> 00:01:42,479

flock there up and down and go in

50

00:01:45,749 --> 00:01:44,159

circles and doing all kinds of weird

51

00:01:46,710 --> 00:01:45,759

things

52

00:01:48,630 --> 00:01:46,720

and

53

00:01:51,030 --> 00:01:48,640

well these are just uh

54

00:01:52,870 --> 00:01:51,040

just kind of straight and even though it

55

00:01:53,590 --> 00:01:52,880

looked like there were wings flapping

56

00:01:55,190 --> 00:01:53,600

and

57

00:01:57,270 --> 00:01:55,200

i didn't know what that was until they

58

00:01:59,030 --> 00:01:57,280

got right up over me and when they got

59

00:02:00,360 --> 00:01:59,040

because at that point they had my

60

00:02:02,069 --> 00:02:00,370

attention

61

00:02:04,870 --> 00:02:02,079

[Music]

62

00:02:07,510 --> 00:02:04,880

and they just right up over us and i'll

63

00:02:09,510 --> 00:02:07,520

show you out there where they were

64

00:02:11,510 --> 00:02:09,520

and i could see then what why i thought

65

00:02:13,350 --> 00:02:11,520

i saw wings fly was because of different

66

00:02:14,229 --> 00:02:13,360

colors they had this color they were

67

00:02:16,070 --> 00:02:14,239

just

68

00:02:17,510 --> 00:02:16,080

imitating wings

69

00:02:20,470 --> 00:02:17,520

i don't know how he did but off at a

70

00:02:21,589 --> 00:02:20,480

distance it would look look that way

71

00:02:23,430 --> 00:02:21,599

and

72

00:02:25,510 --> 00:02:23,440

i uh

73

00:02:27,830 --> 00:02:25,520

i i couldn't believe it was ufos first

74

00:02:29,589 --> 00:02:27,840

you know flying saucers but

75

00:02:31,190 --> 00:02:29,599

my first thought was

76

00:02:32,229 --> 00:02:31,200

you know that it was some kind of a

77

00:02:34,229 --> 00:02:32,239

drone

78

00:02:35,509 --> 00:02:34,239

because this saucer-shaped room that

79

00:02:37,670 --> 00:02:35,519

somebody played a game they did

80

00:02:39,270 --> 00:02:37,680

something from the military

81

00:02:41,190 --> 00:02:39,280

because the wife said there's a military

82

00:02:42,710 --> 00:02:41,200

base over by swansea in that area

83

00:02:45,110 --> 00:02:42,720

something right overseas

84

00:02:46,630 --> 00:02:45,120

yeah so i thought because that's kind of

85

00:02:48,229 --> 00:02:46,640

the direction they were coming from i

86

00:02:51,110 --> 00:02:48,239

thought maybe that's what it was so

87

00:02:54,070 --> 00:02:51,120

coming from the south yeah south uh

88

00:02:55,430 --> 00:02:54,080

yeah south directly south yeah how many

89

00:02:57,910 --> 00:02:55,440

objects was it

90

00:02:59,910 --> 00:02:57,920

at least a dozen maybe 13.

91

00:03:01,589 --> 00:02:59,920

at least it doesn't

92

00:03:04,869 --> 00:03:01,599

know

93

00:03:07,110 --> 00:03:04,879

i count like on that picture i i uh

94

00:03:09,430 --> 00:03:07,120

there might have been more but that they

95

00:03:11,670 --> 00:03:09,440

were all in that formation that i that i

96

00:03:12,949 --> 00:03:11,680

showed you how high up

97

00:03:19,509 --> 00:03:12,959

um

98

00:03:22,790 --> 00:03:20,949

yeah they were

99

00:03:24,550 --> 00:03:22,800

that's why i can't believe i would be

100

00:03:26,229 --> 00:03:24,560

the only one that's seen that

101  
00:03:27,350 --> 00:03:26,239  
i mean i contacted the paper and asked

102  
00:03:29,030 --> 00:03:27,360  
them

103  
00:03:31,589 --> 00:03:29,040  
am i the only person that seen these i

104  
00:03:33,910 --> 00:03:31,599  
said i don't normally believe in ufos

105  
00:03:35,190 --> 00:03:33,920  
and they might be just drones but i'd

106  
00:03:36,550 --> 00:03:35,200  
like to know there must have been other

107  
00:03:38,470 --> 00:03:36,560  
people still in this whole daylight it

108  
00:03:40,630 --> 00:03:38,480  
had to be had to be i mean this is

109  
00:03:42,229 --> 00:03:40,640  
cardiff had to be surely i'm not the

110  
00:03:43,350 --> 00:03:42,239  
only person that's looking up is this

111  
00:03:46,229 --> 00:03:43,360  
guy

112  
00:03:48,070 --> 00:03:46,239  
a central card if we are we yeah yeah

113  
00:03:50,229 --> 00:03:48,080

had to be people there from the south

114

00:03:52,470 --> 00:03:50,239

that had to see him come over

115

00:03:53,750 --> 00:03:52,480

had to be people to the north at some

116

00:03:55,589 --> 00:03:53,760

point because they flew in that

117

00:03:58,710 --> 00:03:55,599

direction due north so were they all the

118

00:04:00,710 --> 00:03:58,720

same size yeah yeah and roughly all the

119

00:04:01,910 --> 00:04:00,720

same what would you say they were in

120

00:04:06,309 --> 00:04:01,920

size

121

00:04:08,309 --> 00:04:06,319

was there any noise

122

00:04:10,470 --> 00:04:08,319

no no no that that's what caught my

123

00:04:11,910 --> 00:04:10,480

attention really quite half of me

124

00:04:13,670 --> 00:04:11,920

because they were there

125

00:04:16,550 --> 00:04:13,680

you can hear a helicopter flying at that

126  
00:04:18,390 --> 00:04:16,560  
level over you yeah it's and believe me

127  
00:04:21,270 --> 00:04:18,400  
we got a lot of them here

128  
00:04:22,950 --> 00:04:21,280  
and there was no noise it was pitch

129  
00:04:24,629 --> 00:04:22,960  
quiet so which shape what shape were

130  
00:04:27,030 --> 00:04:24,639  
they brown

131  
00:04:29,110 --> 00:04:27,040  
they were totally round

132  
00:04:30,710 --> 00:04:29,120  
each one is the same size same shape

133  
00:04:32,310 --> 00:04:30,720  
yeah and but that was up here you know

134  
00:04:34,550 --> 00:04:32,320  
often i could

135  
00:04:35,909 --> 00:04:34,560  
when i got playing when i when i create

136  
00:04:37,590 --> 00:04:35,919  
recreated that

137  
00:04:39,350 --> 00:04:37,600  
what i saw

138  
00:04:40,870 --> 00:04:39,360

i explained a lot of things to myself

139

00:04:42,950 --> 00:04:40,880

that people see

140

00:04:44,070 --> 00:04:42,960

when they see these cigar shaped things

141

00:04:46,390 --> 00:04:44,080

like that

142

00:04:48,629 --> 00:04:46,400

because i was able to take this what i

143

00:04:50,790 --> 00:04:48,639

saw because i had to re because i

144

00:04:53,270 --> 00:04:50,800

couldn't find anything in all my

145

00:04:55,430 --> 00:04:53,280

uh stuff that would allow me to

146

00:04:57,510 --> 00:04:55,440

duplicate what i saw so i took and i had

147

00:04:59,510 --> 00:04:57,520

to make it myself

148

00:05:02,150 --> 00:04:59,520

but when i duplicated it and i was

149

00:05:04,870 --> 00:05:02,160

trying to get angles the right pitch the

150

00:05:06,150 --> 00:05:04,880

right angle that i saw that

151  
00:05:08,550 --> 00:05:06,160  
i was getting

152  
00:05:10,870 --> 00:05:08,560  
i could see and it looked like a cigar

153  
00:05:12,550 --> 00:05:10,880  
shaped thing at different angles and

154  
00:05:14,070 --> 00:05:12,560  
that told me well that explains a lot

155  
00:05:16,550 --> 00:05:14,080  
that a lot of people have seen over the

156  
00:05:18,310 --> 00:05:16,560  
past in in times because that's it's

157  
00:05:19,590 --> 00:05:18,320  
just the angle that the thing's flying

158  
00:05:27,270 --> 00:05:19,600  
at

159  
00:05:28,950 --> 00:05:27,280  
it was odd but they were high enough

160  
00:05:31,110 --> 00:05:28,960  
that i could see they weren't cigar

161  
00:05:32,310 --> 00:05:31,120  
shaped or anything weird like that they

162  
00:05:34,710 --> 00:05:32,320  
just came

163  
00:05:36,790 --> 00:05:34,720

and when they flew over me

164

00:05:38,550 --> 00:05:36,800

they it was off they were around you

165

00:05:39,909 --> 00:05:38,560

looking straight up i was looking well

166

00:05:42,310 --> 00:05:39,919

about like that

167

00:05:44,710 --> 00:05:42,320

just about that like that and they were

168

00:05:51,110 --> 00:05:44,720

round yeah and you sent us a picture

169

00:05:54,950 --> 00:05:53,110

yeah that's the picture i recreated

170

00:05:57,510 --> 00:05:54,960

because i didn't like a fool now i got

171

00:05:58,710 --> 00:05:57,520

my camera with me everywhere

172

00:06:00,710 --> 00:05:58,720

i was sitting out there and didn't have

173

00:06:03,590 --> 00:06:00,720

my camera i noticed on the picture you

174

00:06:05,350 --> 00:06:03,600

gave us the reconstruction that you made

175

00:06:07,029 --> 00:06:05,360

some of them had lights on yeah that's

176

00:06:08,629 --> 00:06:07,039

the ones that i'm saying that looked

177

00:06:10,150 --> 00:06:08,639

like they were flapping wings off the

178

00:06:11,350 --> 00:06:10,160

distance it looked like wings so they

179

00:06:12,950 --> 00:06:11,360

were actually

180

00:06:14,790 --> 00:06:12,960

quite brightly flashing

181

00:06:16,550 --> 00:06:14,800

way brighter than what i could do in

182

00:06:17,749 --> 00:06:16,560

that picture i mean i could make them

183

00:06:19,670 --> 00:06:17,759

brighter but it would just took me

184

00:06:21,350 --> 00:06:19,680

forever to set that program the color

185

00:06:23,189 --> 00:06:21,360

was the flashing red

186

00:06:25,350 --> 00:06:23,199

red red and

187

00:06:27,270 --> 00:06:25,360

when they got up on me it's red but

188

00:06:28,550 --> 00:06:27,280

at that distance i really couldn't tell

189

00:06:30,870 --> 00:06:28,560

color

190

00:06:32,950 --> 00:06:30,880

it was just like it was just a shadow

191

00:06:35,270 --> 00:06:32,960

like thing that was

192

00:06:36,870 --> 00:06:35,280

i really couldn't uh tell the color back

193

00:06:38,469 --> 00:06:36,880

then until it got right up on me then i

194

00:06:40,629 --> 00:06:38,479

seen the red

195

00:06:42,950 --> 00:06:40,639

and it was it was all kinds of weird

196

00:06:44,710 --> 00:06:42,960

shapes going through stars and different

197

00:06:46,230 --> 00:06:44,720

things that they were going through

198

00:06:47,909 --> 00:06:46,240

when they flew over but it was only just

199

00:06:50,870 --> 00:06:47,919

a few of them there weren't any weird

200

00:06:52,390 --> 00:06:50,880

shapes the the flash in

201  
00:06:53,670 --> 00:06:52,400  
were the objects moving about at all

202  
00:06:55,990 --> 00:06:53,680  
they were just moving they were all

203  
00:06:57,670 --> 00:06:56,000  
moving in a formation formation but the

204  
00:06:59,189 --> 00:06:57,680  
lights on each one would

205  
00:07:07,670 --> 00:06:59,199  
there was a formation

206  
00:07:12,390 --> 00:07:10,950  
how many of the 12 or 13 were flashing

207  
00:07:14,469 --> 00:07:12,400  
in the picture you said there's a leaf

208  
00:07:17,189 --> 00:07:14,479  
yeah three or four yeah

209  
00:07:18,629 --> 00:07:17,199  
at least three and

210  
00:07:20,230 --> 00:07:18,639  
i was trying to remember if there was

211  
00:07:22,629 --> 00:07:20,240  
four i don't think so i mean i was

212  
00:07:24,870 --> 00:07:22,639  
caught what stunned me was the

213  
00:07:26,710 --> 00:07:24,880

metallic that i saw the black ones the

214

00:07:29,589 --> 00:07:26,720

ones that didn't have one you're in the

215

00:07:31,110 --> 00:07:29,599

rear garden yeah um which

216

00:07:33,110 --> 00:07:31,120

when you were looking over the house are

217

00:07:34,710 --> 00:07:33,120

you towards them yeah well i was first

218

00:07:36,710 --> 00:07:34,720

looking off in the south i just kind of

219

00:07:38,070 --> 00:07:36,720

glanced at the south and

220

00:07:39,430 --> 00:07:38,080

and like i said i didn't pay them any

221

00:07:41,110 --> 00:07:39,440

much of mine because i thought man

222

00:07:42,870 --> 00:07:41,120

probably just flocked birds and then

223

00:07:44,390 --> 00:07:42,880

they got up on me

224

00:07:45,510 --> 00:07:44,400

and he started getting closer i could

225

00:07:47,029 --> 00:07:45,520

see

226

00:07:48,150 --> 00:07:47,039

you know like i said a strange block of

227

00:07:49,189 --> 00:07:48,160

birds

228

00:07:57,749 --> 00:07:49,199

and

229

00:07:59,270 --> 00:07:57,759

didn't even cross me i'd never come

230

00:08:01,029 --> 00:07:59,280

i've never always been skeptical about

231

00:08:03,909 --> 00:08:01,039

this sort of thing and

232

00:08:05,670 --> 00:08:03,919

yeah i've always kept an open mind

233

00:08:07,430 --> 00:08:05,680

and

234

00:08:09,749 --> 00:08:07,440

yet when they got closer it was obvious

235

00:08:11,189 --> 00:08:09,759

to me i could see that they weren't ufos

236

00:08:13,270 --> 00:08:11,199

because like i said they passed i mean

237

00:08:15,830 --> 00:08:13,280

they weren't uh

238

00:08:17,189 --> 00:08:15,840

birds they were they were so they had

239

00:08:19,110 --> 00:08:17,199

they were ufos

240

00:08:20,550 --> 00:08:19,120

drones or a ufo

241

00:08:22,629 --> 00:08:20,560

never if they were drones they were

242

00:08:24,230 --> 00:08:22,639

awful big so they went directly by there

243

00:08:26,150 --> 00:08:24,240

there was something

244

00:08:27,749 --> 00:08:26,160

like that they would have been roughly

245

00:08:29,670 --> 00:08:27,759

over the river then

246

00:08:31,670 --> 00:08:29,680

i think so rip you know i don't know

247

00:08:34,230 --> 00:08:31,680

you'll see when you get out there

248

00:08:36,230 --> 00:08:34,240

you'll see that they're just like over i

249

00:08:37,990 --> 00:08:36,240

could see them clear so they had to be

250

00:08:40,070 --> 00:08:38,000

pretty much over the house how fast were

251  
00:08:41,990 --> 00:08:40,080  
they moving they weren't moving as fast

252  
00:08:43,430 --> 00:08:42,000  
as i would think you know i've seen

253  
00:08:45,750 --> 00:08:43,440  
things shooting through the sky and

254  
00:08:48,710 --> 00:08:45,760  
doing different things in my life that i

255  
00:08:50,310 --> 00:08:48,720  
never really paid no mind to because

256  
00:08:51,910 --> 00:08:50,320  
you know like i said

257  
00:08:54,150 --> 00:08:51,920  
you always see things far off in the

258  
00:08:55,509 --> 00:08:54,160  
distance and for pictures or fields of

259  
00:08:58,949 --> 00:08:55,519  
things that are blurry and you don't

260  
00:09:01,030 --> 00:08:58,959  
know what what you're looking at so

261  
00:09:02,949 --> 00:09:01,040  
these things they they weren't moving to

262  
00:09:04,949 --> 00:09:02,959  
that that's what really baffled me they

263  
00:09:06,470 --> 00:09:04,959

weren't moving super fast like what

264

00:09:08,389 --> 00:09:06,480

you'd see in these pictures it was like

265

00:09:10,310 --> 00:09:08,399

they were just parading yeah

266

00:09:12,389 --> 00:09:10,320

they were just going about like that if

267

00:09:13,990 --> 00:09:12,399

you to look at if i could do and put my

268

00:09:15,350 --> 00:09:14,000

hand up through the sky this is how they

269

00:09:18,230 --> 00:09:15,360

were moving

270

00:09:20,630 --> 00:09:18,240

just like that steady pace stand steady

271

00:09:22,630 --> 00:09:20,640

face all of them steady face moving in

272

00:09:24,150 --> 00:09:22,640

that direction to the north well i'm

273

00:09:26,070 --> 00:09:24,160

like you just saw them going off to the

274

00:09:27,990 --> 00:09:26,080

north i just watched them just disappear

275

00:09:29,269 --> 00:09:28,000

off into the north until i could they

276

00:09:30,310 --> 00:09:29,279

just so far away i couldn't see them

277

00:09:32,550 --> 00:09:30,320

anymore

278

00:09:34,550 --> 00:09:32,560

um

279

00:09:36,310 --> 00:09:34,560

well i thought about it once like once i

280

00:09:38,710 --> 00:09:36,320

realized what they were my camera came

281

00:09:39,990 --> 00:09:38,720

into my mind and i went in it came in

282

00:09:42,710 --> 00:09:40,000

and i got my camera i was going to get

283

00:09:44,070 --> 00:09:42,720

my wife to them show her and i went back

284

00:09:45,509 --> 00:09:44,080

out front here

285

00:09:47,269 --> 00:09:45,519

but they were so far off then i would

286

00:09:48,949 --> 00:09:47,279

just be another guy taking a picture of

287

00:09:51,590 --> 00:09:48,959

something off way off in the distance

288

00:09:53,509 --> 00:09:51,600

with us they're playing it in right so

289

00:09:55,750 --> 00:09:53,519

you phoned up the southwest sacko is

290

00:09:58,949 --> 00:09:55,760

that the local paper i filled out the

291

00:10:02,069 --> 00:09:58,959

south wales on the wells paper they

292

00:10:04,069 --> 00:10:02,079

haven't only lived online yeah yeah and

293

00:10:06,389 --> 00:10:04,079

they're the people i sent a message off

294

00:10:08,870 --> 00:10:06,399

to i said to just a quick

295

00:10:10,310 --> 00:10:08,880

quick email i was just asking

296

00:10:12,069 --> 00:10:10,320

you know i said i don't

297

00:10:14,630 --> 00:10:12,079

i mean i might even have i know i have a

298

00:10:17,430 --> 00:10:14,640

copy of it i don't uh i don't believe

299

00:10:20,470 --> 00:10:17,440

any i don't believe in ufos really

300

00:10:22,310 --> 00:10:20,480

so these had to be drone with some very

301

00:10:23,910 --> 00:10:22,320

large drones i said

302

00:10:25,509 --> 00:10:23,920

am i the only one who's seen these

303

00:10:27,590 --> 00:10:25,519

flying over

304

00:10:29,670 --> 00:10:27,600

you know cardiff that this

305

00:10:33,670 --> 00:10:29,680

you know formation the way they were

306

00:10:35,350 --> 00:10:33,680

round big round discharge drones and

307

00:10:41,350 --> 00:10:35,360

never got any fancy we're saying 4 30 in

308

00:10:44,630 --> 00:10:42,870

that's where you were i was in here

309

00:10:46,870 --> 00:10:44,640

working i just sit in my chair like i

310

00:10:49,829 --> 00:10:46,880

normally do just sit down i looked off

311

00:10:51,990 --> 00:10:49,839

in that direction way off there

312

00:10:53,829 --> 00:10:52,000

like i said there was a lot of blue sky

313

00:10:55,750 --> 00:10:53,839

now you don't got blue sky

314

00:10:59,030 --> 00:10:55,760

but you did it yeah

315

00:11:00,870 --> 00:10:59,040

it was just a lot of blue sky

316

00:11:02,389 --> 00:11:00,880

and i could see i could see off in that

317

00:11:05,190 --> 00:11:02,399

direction in his back

318

00:11:06,230 --> 00:11:05,200

just looked like a flock of birds

319

00:11:11,750 --> 00:11:06,240

and

320

00:11:13,590 --> 00:11:11,760

you know just kind of looked up they

321

00:11:16,069 --> 00:11:13,600

were a bit closer right about over under

322

00:11:17,509 --> 00:11:16,079

there and i can see that

323

00:11:18,870 --> 00:11:17,519

that's the strangest flock of birds i

324

00:11:20,230 --> 00:11:18,880

ever saw

325

00:11:26,630 --> 00:11:20,240

and

326

00:11:28,470 --> 00:11:26,640

i could see right about if you just kind

327

00:11:30,790 --> 00:11:28,480

of look at that

328

00:11:32,550 --> 00:11:30,800

aerial thing that's up there

329

00:11:33,350 --> 00:11:32,560

it was right they were they were up

330

00:11:34,790 --> 00:11:33,360

there

331

00:11:37,269 --> 00:11:34,800

that's the direction they were just

332

00:11:41,990 --> 00:11:37,279

above the chimney yeah just way up in

333

00:11:44,790 --> 00:11:43,590

that's where they were and they were big

334

00:11:50,389 --> 00:11:44,800

i mean

335

00:11:54,629 --> 00:11:52,069

i look at targets

336

00:11:55,670 --> 00:11:54,639

i've i've shot targets at a thousand

337

00:11:59,509 --> 00:11:55,680

meters

338

00:12:01,350 --> 00:11:59,519

and i know what a man-sized target looks

339

00:12:02,069 --> 00:12:01,360

like in a scope

340

00:12:04,470 --> 00:12:02,079

and

341

00:12:05,430 --> 00:12:04,480

through my eyes

342

00:12:06,790 --> 00:12:05,440

those

343

00:12:12,629 --> 00:12:06,800

if i was to put them in the sky they

344

00:12:15,269 --> 00:12:14,150

that's what they look like

345

00:12:17,269 --> 00:12:15,279

a big

346

00:12:18,230 --> 00:12:17,279

had to be yeah that's why i guess you

347

00:12:19,910 --> 00:12:18,240

know

348

00:12:22,230 --> 00:12:19,920

fighter jet maybe

349

00:12:23,990 --> 00:12:22,240

fighter jets pretty good size

350

00:12:25,750 --> 00:12:24,000

so you know like that way up there they

351  
00:12:27,670 --> 00:12:25,760  
were about like that there was something

352  
00:12:29,269 --> 00:12:27,680  
you know i could see clearly what they

353  
00:12:33,350 --> 00:12:29,279  
were

354  
00:12:38,870 --> 00:12:35,750  
yeah it's really strange

355  
00:12:40,710 --> 00:12:38,880  
i mean i can't figure out why they would

356  
00:12:43,030 --> 00:12:40,720  
be doing that showing us something

357  
00:12:45,670 --> 00:12:43,040  
flying over like that

358  
00:12:47,190 --> 00:12:45,680  
there's only two reasons there's no they

359  
00:12:49,030 --> 00:12:47,200  
don't notice any

360  
00:12:50,790 --> 00:12:49,040  
planes flying around after they've come

361  
00:12:52,790 --> 00:12:50,800  
past like no flying's anywhere no

362  
00:12:55,030 --> 00:12:52,800  
helicopters that's another strange thing

363  
00:12:56,629 --> 00:12:55,040

there's no helicopters because out front

364

00:12:58,870 --> 00:12:56,639

looking

365

00:13:01,030 --> 00:12:58,880

no streaks going through the sky

366

00:13:02,710 --> 00:13:01,040

and you can sit out here on any given

367

00:13:03,910 --> 00:13:02,720

sunshine day

368

00:13:06,470 --> 00:13:03,920

and like in

369

00:13:07,590 --> 00:13:06,480

30 minutes i counted 10 streaks just

370

00:13:08,949 --> 00:13:07,600

going here

371

00:13:10,230 --> 00:13:08,959

a few days ago when we had all the

372

00:13:12,710 --> 00:13:10,240

sunshine

373

00:13:15,269 --> 00:13:12,720

oh yeah you mean the just just

374

00:13:17,590 --> 00:13:15,279

plain yeah oh yeah so you know that

375

00:13:19,750 --> 00:13:17,600

that's everyday thing here there was

376

00:13:22,470 --> 00:13:19,760

none when they went through

377

00:13:25,030 --> 00:13:22,480

and that i see that wasn't again i

378

00:13:26,710 --> 00:13:25,040

didn't i didn't notice any because it's

379

00:13:29,430 --> 00:13:26,720

all clear

380

00:13:35,190 --> 00:13:32,069

yeah but sometimes after

381

00:13:36,870 --> 00:13:35,200

things are seen you find military about

382

00:13:38,629 --> 00:13:36,880

five ten minutes later

383

00:13:40,310 --> 00:13:38,639

following the same track as what they've

384

00:13:42,470 --> 00:13:40,320

gone through yeah that's what i thought

385

00:13:44,470 --> 00:13:42,480

because i thought well if i watch big

386

00:13:46,949 --> 00:13:44,480

because you would think we you hear

387

00:13:48,870 --> 00:13:46,959

about here in the uk about the russians

388

00:13:50,949 --> 00:13:48,880

invading our airspace and have jets

389

00:13:52,389 --> 00:13:50,959

suddenly go out and give them a give

390

00:13:53,590 --> 00:13:52,399

them a flyby

391

00:13:55,829 --> 00:13:53,600

well

392

00:13:57,750 --> 00:13:55,839

i didn't see ones yet

393

00:13:59,990 --> 00:13:57,760

intercept those

394

00:14:02,069 --> 00:14:00,000

not not at that distance

395

00:14:04,790 --> 00:14:02,079

and not here and not until they

396

00:14:06,389 --> 00:14:04,800

disappeared i found that odd

397

00:14:08,310 --> 00:14:06,399

the pentagon ufo report came out

398

00:14:09,110 --> 00:14:08,320

yesterday yeah i have a couple days ago

399

00:14:12,629 --> 00:14:09,120

yeah

400

00:14:13,990 --> 00:14:12,639

an ex-american servicemen

401  
00:14:15,590 --> 00:14:14,000  
did you ever see anything when you were

402  
00:14:18,389 --> 00:14:15,600  
in the service

403  
00:14:19,829 --> 00:14:18,399  
no i've seen things when it's cowboy

404  
00:14:21,829 --> 00:14:19,839  
you know it's been awesome yeah you're

405  
00:14:24,949 --> 00:14:21,839  
going to say he's mark's from

406  
00:14:27,430 --> 00:14:24,959  
you said he's from texas or yeah cowboy

407  
00:14:28,710 --> 00:14:27,440  
yeah i used to cowboy in arizona texas

408  
00:14:31,269 --> 00:14:28,720  
and utah

409  
00:14:33,189 --> 00:14:31,279  
um you see a lot of things different

410  
00:14:34,949 --> 00:14:33,199  
things out at night time and day time

411  
00:14:36,310 --> 00:14:34,959  
when you're out there running cows i've

412  
00:14:37,910 --> 00:14:36,320  
come across

413  
00:14:40,389 --> 00:14:37,920

across dead cows

414

00:14:43,110 --> 00:14:40,399

dissected all that weird stuff

415

00:14:45,269 --> 00:14:43,120

i had a guy that ran one of the ranchers

416

00:14:46,949 --> 00:14:45,279

i worked for he uh

417

00:14:49,269 --> 00:14:46,959

he told me to come out one day on this

418

00:14:52,870 --> 00:14:49,279

field riding a horse and seen

419

00:15:00,550 --> 00:14:52,880

a saucer-shaped thing hang just above us

420

00:15:03,990 --> 00:15:02,550

and i thought well

421

00:15:05,670 --> 00:15:04,000

what'd you do and he said well i just

422

00:15:08,710 --> 00:15:05,680

watched looked at it i said did you have

423

00:15:30,949 --> 00:15:08,720

your rifle i said why did you shoot it

424

00:15:33,990 --> 00:15:32,310

is another thing you just touched on

425

00:15:35,829 --> 00:15:34,000

that you insane dissectors and stuff

426

00:15:38,150 --> 00:15:35,839

like that you know he found that he

427

00:15:39,990 --> 00:15:38,160

found quite a few of his cows that way

428

00:15:42,150 --> 00:15:40,000

i haven't heard of anything here since

429

00:15:44,470 --> 00:15:42,160

i've been in the uk about stuff like

430

00:15:46,870 --> 00:15:44,480

that there's not so much it's a little

431

00:15:48,150 --> 00:15:46,880

bit here and a pier but not a huge

432

00:15:52,870 --> 00:15:48,160

amount so where in the world do they go

433

00:15:58,150 --> 00:15:54,470

mostly africa

434

00:16:03,590 --> 00:16:00,470

japan

435

00:16:04,870 --> 00:16:03,600

yeah somewhat you came

436

00:16:06,470 --> 00:16:04,880

did you see you said earlier you went to

437

00:16:08,230 --> 00:16:06,480

look for your camera didn't you

438

00:16:10,310 --> 00:16:08,240

yeah i came out here for my camera when

439

00:16:11,590 --> 00:16:10,320

when i came in the house yeah because i

440

00:16:13,430 --> 00:16:11,600

couldn't see them anymore from the back

441

00:16:15,670 --> 00:16:13,440

so i can't even grab a camera and it

442

00:16:17,030 --> 00:16:15,680

came out front here and they were way

443

00:16:17,829 --> 00:16:17,040

off in the distance they're in between

444

00:16:19,269 --> 00:16:17,839

those

445

00:16:20,550 --> 00:16:19,279

the stadium and that

446

00:16:22,629 --> 00:16:20,560

they're like that's the millennium

447

00:16:25,189 --> 00:16:22,639

stadium and in that weird white building

448

00:16:27,030 --> 00:16:25,199

with a little saucer on it

449

00:16:27,910 --> 00:16:27,040

yes ironical

450

00:16:29,590 --> 00:16:27,920

yeah

451  
00:16:31,670 --> 00:16:29,600  
but they were between there as you move

452  
00:16:33,670 --> 00:16:31,680  
over that way but you can see the

453  
00:16:38,389 --> 00:16:33,680  
building there with a like a rum

454  
00:16:41,269 --> 00:16:39,509  
so you saw them going off in that

455  
00:16:42,949 --> 00:16:41,279  
direction right about the middle center

456  
00:16:44,069 --> 00:16:42,959  
center that's due north straight that

457  
00:16:45,990 --> 00:16:44,079  
way

458  
00:16:47,110 --> 00:16:46,000  
yeah so it was too late to take pictures

459  
00:16:48,550 --> 00:16:47,120  
and yeah

460  
00:16:50,629 --> 00:16:48,560  
if i took a picture then they would have

461  
00:16:51,910 --> 00:16:50,639  
been just like everybody else taking

462  
00:16:53,269 --> 00:16:51,920  
pictures of things way off in the

463  
00:16:54,230 --> 00:16:53,279

distance and i thought we got plenty of

464

00:16:55,189 --> 00:16:54,240

that

465

00:16:57,189 --> 00:16:55,199

and

466

00:16:59,350 --> 00:16:57,199

i was just hoping maybe they they

467

00:17:02,389 --> 00:16:59,360

stalled or something like that up here

468

00:17:05,829 --> 00:17:02,399

when i came out the front door

469

00:17:07,990 --> 00:17:05,839

but they didn't they didn't stall

470

00:17:09,990 --> 00:17:08,000

maybe a jet fighter fly over and i could

471

00:17:11,189 --> 00:17:10,000

get a picture but that didn't happen

472

00:17:13,110 --> 00:17:11,199

either

473

00:17:14,789 --> 00:17:13,120

so who knows

474

00:17:17,029 --> 00:17:14,799

that's why i thought they had to do

475

00:17:18,630 --> 00:17:17,039

something with the military because

476

00:17:20,710 --> 00:17:18,640

there was no interception i mean these

477

00:17:22,470 --> 00:17:20,720

guys are intercepting russian fighters

478

00:17:23,909 --> 00:17:22,480

why wouldn't they i mean russian bombers

479

00:17:25,350 --> 00:17:23,919

why wouldn't they intercept something

480

00:17:26,549 --> 00:17:25,360

like that

481

00:17:28,549 --> 00:17:26,559

and they did it

482

00:17:30,390 --> 00:17:28,559

actually that does make you wonder makes

483

00:17:32,789 --> 00:17:30,400

you sit and go hmm

484

00:17:34,390 --> 00:17:32,799

and i've i'm not i i'm a man who doesn't

485

00:17:36,070 --> 00:17:34,400

believe in coincidence i believe in

486

00:17:37,430 --> 00:17:36,080

there's a reason for things

487

00:17:38,230 --> 00:17:37,440

and

488

00:17:40,630 --> 00:17:38,240

they

489

00:17:43,110 --> 00:17:40,640

there was no jet fighters if there was a

490

00:17:45,590 --> 00:17:43,120

you know as you told me there's a base

491

00:17:48,470 --> 00:17:45,600

there around swansea well

492

00:17:51,029 --> 00:17:48,480

well swansea direction yeah in that area

493

00:17:52,070 --> 00:17:51,039

it's about 10 miles yeah yeah you would

494

00:17:54,150 --> 00:17:52,080

have thought

495

00:17:55,830 --> 00:17:54,160

well if i seen them they were on radar

496

00:17:57,270 --> 00:17:55,840

they had to see it

497

00:17:58,870 --> 00:17:57,280

i mean i can't believe that they're that

498

00:18:00,390 --> 00:17:58,880

low you couldn't see the hell they would

499

00:18:02,789 --> 00:18:00,400

have saw him at the airport

500

00:18:05,350 --> 00:18:02,799

yeah on radar

501

00:18:06,549 --> 00:18:05,360

they would have don't question
