

1
00:00:11,990 --> 00:00:10,070
hello welcome to swansea ufo network and

2
00:00:13,910 --> 00:00:12,000
we're out here again with

3
00:00:16,390 --> 00:00:13,920
with deborah brooks who's another knight

4
00:00:17,830 --> 00:00:16,400
of the triangles witness 19th of january

5
00:00:20,310 --> 00:00:17,840
1983

6
00:00:22,710 --> 00:00:20,320
deborah was 15 years old

7
00:00:24,870 --> 00:00:22,720
and standing here in

8
00:00:26,870 --> 00:00:24,880
morrison uh just above knee throat on

9
00:00:28,830 --> 00:00:26,880
the way to plasma

10
00:00:31,109 --> 00:00:28,840
and she was here with a few

11
00:00:33,350 --> 00:00:31,119
friends can you can you tell us what

12
00:00:36,790 --> 00:00:33,360
happened that night um i was hanging out

13
00:00:39,750 --> 00:00:36,800

with um three other friends uh susan and

14

00:00:40,709 --> 00:00:39,760

another two friends um who since passed

15

00:00:43,510 --> 00:00:40,719

away

16

00:00:47,270 --> 00:00:43,520

um we were just hanging up here

17

00:00:48,630 --> 00:00:47,280

messing about as you do teenagers and

18

00:00:52,150 --> 00:00:48,640

i kind of sensed that there was

19

00:00:53,830 --> 00:00:52,160

something above us that i saw that

20

00:00:55,830 --> 00:00:53,840

there was like a dark

21

00:00:59,189 --> 00:00:55,840

darkness coming over us

22

00:01:00,790 --> 00:00:59,199

and when i looked up there was a large

23

00:01:01,910 --> 00:01:00,800

triangle

24

00:01:04,630 --> 00:01:01,920

um

25

00:01:07,830 --> 00:01:04,640

traveling from that direction over to

26

00:01:08,950 --> 00:01:07,840

this direction and it was it was huge

27

00:01:10,230 --> 00:01:08,960

it's huge

28

00:01:11,109 --> 00:01:10,240

well it was

29

00:01:12,630 --> 00:01:11,119

you could see there was no stars the old

30

00:01:17,830 --> 00:01:12,640

stars

31

00:01:20,390 --> 00:01:17,840

there was a specific black triangle how

32

00:01:22,469 --> 00:01:20,400

big is it it was about the size of two

33

00:01:25,270 --> 00:01:22,479

football fields but it was quite low as

34

00:01:28,630 --> 00:01:25,280

well and it was moving very very slowly

35

00:01:34,550 --> 00:01:31,910

just really really slow any sound at all

36

00:01:37,670 --> 00:01:34,560

no i didn't hear anything nothing

37

00:01:40,950 --> 00:01:37,680

no nothing nothing we had the traffic

38

00:01:42,950 --> 00:01:40,960

down on the main roads

39

00:01:44,550 --> 00:01:42,960

but nothing doesn't last how are we

40

00:01:49,109 --> 00:01:44,560

talking

41

00:01:52,789 --> 00:01:50,950

it had been dark i think for about an

42

00:01:55,510 --> 00:01:52,799

hour it was cold it was dark it was

43

00:01:58,230 --> 00:01:55,520

clear skies

44

00:02:00,950 --> 00:01:58,240

about fourteen and a half fifteen right

45

00:02:03,830 --> 00:02:00,960

um we were just hanging up here

46

00:02:06,230 --> 00:02:03,840

yeah clear sky lots of stars

47

00:02:08,550 --> 00:02:06,240

um

48

00:02:09,749 --> 00:02:08,560

nothing was the first one to see it me i

49

00:02:11,910 --> 00:02:09,759

was the first one

50

00:02:14,150 --> 00:02:11,920

your friend sue and two others yeah

51
00:02:16,470 --> 00:02:14,160
buying a girl brother and sister yeah

52
00:02:18,630 --> 00:02:16,480
yeah and they're all about the same age

53
00:02:19,990 --> 00:02:18,640
yeah yeah i think they're all a couple

54
00:02:22,229 --> 00:02:20,000
about a year or two younger than me

55
00:02:23,270 --> 00:02:22,239
maybe put you in the picture within park

56
00:02:25,910 --> 00:02:23,280
avenue

57
00:02:27,190 --> 00:02:25,920
which is between placemail that way and

58
00:02:28,949 --> 00:02:27,200
morrison

59
00:02:30,869 --> 00:02:28,959
neath road is just down there that's the

60
00:02:33,910 --> 00:02:30,879
main road are we looking across the

61
00:02:36,390 --> 00:02:33,920
valley towards winch when yeah over

62
00:02:38,390 --> 00:02:36,400
there so it came from up there

63
00:02:40,470 --> 00:02:38,400

came from that direction from trailer

64

00:02:42,229 --> 00:02:40,480

road area roads up on top of the hill

65

00:02:43,910 --> 00:02:42,239

yeah right on top of the hill and it was

66

00:02:45,030 --> 00:02:43,920

came across

67

00:02:47,350 --> 00:02:45,040

and

68

00:02:48,830 --> 00:02:47,360

it headed off over to

69

00:02:50,550 --> 00:02:48,840

say kevin hang guide

70

00:02:52,070 --> 00:02:50,560

school here

71

00:02:53,350 --> 00:02:52,080

over there

72

00:02:55,430 --> 00:02:53,360

west to east

73

00:02:57,990 --> 00:02:55,440

yeah but it was huge it was absolutely

74

00:03:00,229 --> 00:02:58,000

huge the back end of it was

75

00:03:01,430 --> 00:03:00,239

over those trees and houses there

76

00:03:02,869 --> 00:03:01,440

earlier

77

00:03:05,110 --> 00:03:02,879

you think of a triangle it'd be going

78

00:03:07,990 --> 00:03:05,120

like punk first but this was going flat

79

00:03:10,470 --> 00:03:08,000

end first the point was that end yeah

80

00:03:13,190 --> 00:03:10,480

the flat end yeah and it was it had

81

00:03:15,270 --> 00:03:13,200

already passed over the houses

82

00:03:18,309 --> 00:03:15,280

and the road

83

00:03:20,710 --> 00:03:18,319

yeah and were there any lights on it no

84

00:03:22,869 --> 00:03:20,720

it was just complete

85

00:03:25,670 --> 00:03:22,879

blackness it was just a big black

86

00:03:27,509 --> 00:03:25,680

triangle no lights no sound

87

00:03:29,589 --> 00:03:27,519

just the stars were gone

88

00:03:33,509 --> 00:03:29,599

and you could see the stars around but

89

00:03:38,550 --> 00:03:35,990

i saw it

90

00:03:40,070 --> 00:03:38,560

i was looking at it and then

91

00:03:41,030 --> 00:03:40,080

my friends were still talking to each

92

00:03:42,869 --> 00:03:41,040

other

93

00:03:45,750 --> 00:03:42,879

messaging about and that

94

00:03:49,430 --> 00:03:45,760

so i brought it to their attention

95

00:03:52,789 --> 00:03:49,440

look at that was that and

96

00:03:55,990 --> 00:03:54,470

and nobody was saying anything nobody

97

00:03:57,750 --> 00:03:56,000

was moving

98

00:03:59,589 --> 00:03:57,760

nobody was doing anything and i just

99

00:04:00,789 --> 00:03:59,599

wanted to run

100

00:04:02,149 --> 00:04:00,799

and i was starting to get a bit of a

101
00:04:03,750 --> 00:04:02,159
panic

102
00:04:06,390 --> 00:04:03,760
and

103
00:04:09,670 --> 00:04:06,400
i kind of grabbed susan

104
00:04:13,270 --> 00:04:12,229
she kind of

105
00:04:14,470 --> 00:04:13,280
i don't know

106
00:04:21,909 --> 00:04:14,480
it was

107
00:04:23,670 --> 00:04:21,919
surprised to see me when i grabbed her i

108
00:04:25,749 --> 00:04:23,680
was like we got around we got run and so

109
00:04:28,070 --> 00:04:25,759
i grabbed her and then we all started

110
00:04:29,990 --> 00:04:28,080
running then what's the rest did you run

111
00:04:31,990 --> 00:04:30,000
over the road to a mum's i can't

112
00:04:35,110 --> 00:04:32,000
remember if mums was that way or that

113
00:04:37,270 --> 00:04:35,120

way it was by i know she lived by here

114

00:04:38,710 --> 00:04:37,280

and um she had to be in fatigue she

115

00:04:40,710 --> 00:04:38,720

couldn't she she hadn't been in fatigue

116

00:04:41,990 --> 00:04:40,720

so when we went barging in through the

117

00:04:43,990 --> 00:04:42,000

door and everything and i'm just giving

118

00:04:46,070 --> 00:04:44,000

her a roll for being late for tea yeah

119

00:04:47,590 --> 00:04:46,080

and um by what time for tea

120

00:04:49,189 --> 00:04:47,600

oh i think she had to be in by five or

121

00:04:50,150 --> 00:04:49,199

something like that

122

00:04:57,430 --> 00:04:50,160

um

123

00:05:01,189 --> 00:04:57,440

yeah

124

00:05:02,950 --> 00:05:01,199

o'clock it'd been dark for about an hour

125

00:05:05,110 --> 00:05:02,960

so we came from over the hill the hills

126

00:05:05,909 --> 00:05:05,120

quite a few hundred feet high isn't it

127

00:05:08,070 --> 00:05:05,919

oh yeah

128

00:05:08,870 --> 00:05:08,080

yeah but it was still

129

00:05:10,790 --> 00:05:08,880

it was

130

00:05:13,029 --> 00:05:10,800

it's still that's a little close going

131

00:05:15,590 --> 00:05:13,039

over us it's a lot lower than what you'd

132

00:05:17,990 --> 00:05:15,600

have a plane on a helicopter yeah you

133

00:05:20,150 --> 00:05:18,000

know um

134

00:05:22,550 --> 00:05:20,160

but it was

135

00:05:27,830 --> 00:05:22,560

it was frightening

136

00:05:32,230 --> 00:05:30,070

it was a long time ago

137

00:05:33,990 --> 00:05:32,240

i didn't understand what was going on

138

00:05:36,310 --> 00:05:34,000

and

139

00:05:37,749 --> 00:05:36,320

nobody else seemed to be

140

00:05:41,510 --> 00:05:37,759

um

141

00:05:43,350 --> 00:05:41,520

as concerned about it at first as i was

142

00:05:45,110 --> 00:05:43,360

and i

143

00:05:47,670 --> 00:05:45,120

i just didn't understand

144

00:05:50,310 --> 00:05:47,680

i was confused and

145

00:05:51,590 --> 00:05:50,320

i was only 14 15 you know you don't did

146

00:05:53,590 --> 00:05:51,600

you tell anyone in the house when you

147

00:05:55,189 --> 00:05:53,600

got in the house for it

148

00:05:56,070 --> 00:05:55,199

i think i told a few people but i think

149

00:05:59,749 --> 00:05:56,080

i got

150

00:06:01,590 --> 00:05:59,759

about it did you see it in the paper the

151

00:06:04,230 --> 00:06:01,600

following day then i didn't

152

00:06:06,950 --> 00:06:04,240

no no um it was just one of those things

153

00:06:09,510 --> 00:06:06,960

that was talked about and then it went

154

00:06:11,749 --> 00:06:09,520

away nobody was bothered by it nobody

155

00:06:14,309 --> 00:06:11,759

was interested

156

00:06:18,390 --> 00:06:14,319

and i just never really spoke to people

157

00:06:20,629 --> 00:06:18,400

enough about it my husband knew about it

158

00:06:23,990 --> 00:06:20,639

um

159

00:06:25,909 --> 00:06:24,000

really

160

00:06:27,909 --> 00:06:25,919

that was about it i think this is the

161

00:06:29,350 --> 00:06:27,919

first case we've had where it said it's

162

00:06:30,150 --> 00:06:29,360

going backwards if you like being in

163

00:06:33,270 --> 00:06:30,160

there

164

00:06:34,710 --> 00:06:33,280

and no reversing lights

165

00:06:36,230 --> 00:06:34,720

yeah it's the first one yeah yeah all

166

00:06:39,110 --> 00:06:36,240

the others have been sort of uh point

167

00:06:41,749 --> 00:06:39,120

first this is uh no this was this was

168

00:06:43,430 --> 00:06:41,759

definitely the two city detectives were

169

00:06:45,029 --> 00:06:43,440

over in trackland at the time which is

170

00:06:47,350 --> 00:06:45,039

over that side of the valley

171

00:06:50,230 --> 00:06:47,360

and they they saw

172

00:06:52,390 --> 00:06:50,240

described the object as like a rectangle

173

00:06:54,309 --> 00:06:52,400

and okay it was sort of going towards

174

00:06:56,469 --> 00:06:54,319

them and then it turned

175

00:06:58,309 --> 00:06:56,479

towards the base that's right yeah you

176
00:07:00,469 --> 00:06:58,319
might have seen the same object

177
00:07:02,550 --> 00:07:00,479
so that

178
00:07:04,230 --> 00:07:02,560
mike troke his name was he reckoned it

179
00:07:05,430 --> 00:07:04,240
was rectangular

180
00:07:08,150 --> 00:07:05,440
yeah i'm just wondering whether because

181
00:07:09,670 --> 00:07:08,160
you saw it go in flat edge first

182
00:07:11,189 --> 00:07:09,680
yeah whether that's where he thought he

183
00:07:13,749 --> 00:07:11,199
was right he might have thought it was

184
00:07:16,150 --> 00:07:13,759
rectangular yeah

185
00:07:18,870 --> 00:07:16,160
i'm i'm i'm really certain it was a

186
00:07:20,790 --> 00:07:18,880
triangle yeah i'm re i am very certain

187
00:07:23,909 --> 00:07:20,800
that it was a triangle

188
00:07:25,749 --> 00:07:23,919

and it was the flat end was forward and

189

00:07:26,790 --> 00:07:25,759

there was no lights there were no lights

190

00:07:29,029 --> 00:07:26,800

here that makes me think you know it

191

00:07:30,150 --> 00:07:29,039

might not be the same thing

192

00:07:32,309 --> 00:07:30,160

cars they've got lights you could turn

193

00:07:33,990 --> 00:07:32,319

them on you can turn them off

194

00:07:36,469 --> 00:07:34,000

yeah maybe they were visible from his

195

00:07:39,110 --> 00:07:36,479

direction yeah

196

00:07:41,749 --> 00:07:39,120

looking at it because when when i when i

197

00:07:44,309 --> 00:07:41,759

saw it it was already over us

198

00:07:45,589 --> 00:07:44,319

it wasn't approaching it it was already

199

00:07:48,230 --> 00:07:45,599

over us

200

00:07:51,909 --> 00:07:48,240

and um so let me ask you a question if

201
00:08:00,309 --> 00:07:51,919
this was directly above you yeah right

202
00:08:03,909 --> 00:08:01,990
yeah the front end

203
00:08:06,629 --> 00:08:03,919
was down

204
00:08:08,710 --> 00:08:06,639
to where see that tree line a bit where

205
00:08:10,150 --> 00:08:08,720
the main road is the front end was

206
00:08:11,749 --> 00:08:10,160
already there

207
00:08:12,710 --> 00:08:11,759
and the back end

208
00:08:14,790 --> 00:08:12,720
was up

209
00:08:15,749 --> 00:08:14,800
where that tree line is there that was

210
00:08:17,510 --> 00:08:15,759
huge

211
00:08:23,830 --> 00:08:17,520
they're absolutely massive two football

212
00:08:30,390 --> 00:08:27,430
it covered this row of houses

213
00:08:32,630 --> 00:08:30,400

definitely covered this row of houses

214

00:08:36,070 --> 00:08:32,640

so come over there so from yeah from

215

00:08:36,870 --> 00:08:36,080

here down to just past that street lamp

216

00:08:38,949 --> 00:08:36,880

yeah

217

00:08:40,630 --> 00:08:38,959

but the far what the

218

00:08:42,310 --> 00:08:40,640

two street lamps down

219

00:08:44,149 --> 00:08:42,320

the first one not the first one there

220

00:08:46,389 --> 00:08:44,159

just beyond that yeah

221

00:08:48,949 --> 00:08:46,399

just beyond that so see the width of

222

00:08:51,910 --> 00:08:48,959

those houses there

223

00:08:54,230 --> 00:08:51,920

one two three four five six houses

224

00:08:55,990 --> 00:08:54,240

directly above me directly above me the

225

00:08:57,430 --> 00:08:56,000

middle when i locked up it was the

226
00:08:58,790 --> 00:08:57,440
middle part

227
00:09:00,870 --> 00:08:58,800
so

228
00:09:02,790 --> 00:09:00,880
and how fast was it going

229
00:09:05,509 --> 00:09:02,800
really slow really slow i could have

230
00:09:07,910 --> 00:09:05,519
walked faster all right that's slow yeah

231
00:09:09,750 --> 00:09:07,920
yeah i could have if i had run down to

232
00:09:11,590 --> 00:09:09,760
the bottom i would have got there before

233
00:09:13,670 --> 00:09:11,600
the back end of it got done there when

234
00:09:15,430 --> 00:09:13,680
there's four of you started the leg

235
00:09:16,790 --> 00:09:15,440
how far it had gone

236
00:09:19,590 --> 00:09:16,800
it's a

237
00:09:20,829 --> 00:09:19,600
point the point had just passed over us

238
00:09:23,990 --> 00:09:20,839

right

239

00:09:25,990 --> 00:09:24,000

so yeah when it was above you was there

240

00:09:28,310 --> 00:09:26,000

any sort of markings you could make out

241

00:09:30,389 --> 00:09:28,320

on it or not it was just black

242

00:09:32,790 --> 00:09:30,399

just black shadow then is it black

243

00:09:34,790 --> 00:09:32,800

reflective street lights

244

00:09:36,389 --> 00:09:34,800

no it's just black because

245

00:09:39,350 --> 00:09:36,399

you're caught black not reflective at

246

00:09:40,710 --> 00:09:39,360

all no um

247

00:09:42,550 --> 00:09:40,720

yeah there was

248

00:09:44,310 --> 00:09:42,560

dark sky black sky

249

00:09:46,790 --> 00:09:44,320

lots of stars and there was this

250

00:09:48,150 --> 00:09:46,800

triangle where there was no stars

251
00:09:50,150 --> 00:09:48,160
because it was so quiet what made you

252
00:09:53,030 --> 00:09:50,160
look up

253
00:09:54,310 --> 00:09:53,040
i don't know i i do keep asking myself

254
00:09:55,590 --> 00:09:54,320
that question

255
00:09:57,030 --> 00:09:55,600
you were right underneath the street

256
00:09:58,710 --> 00:09:57,040
lamp yeah yeah

257
00:10:00,790 --> 00:09:58,720
was can you remember that would have

258
00:10:02,310 --> 00:10:00,800
been on that would have been on so that

259
00:10:03,670 --> 00:10:02,320
might have obscured your view of it in a

260
00:10:05,910 --> 00:10:03,680
way because it was like training down

261
00:10:07,509 --> 00:10:05,920
possibly yeah but you did say i think

262
00:10:09,350 --> 00:10:07,519
when you started the conversation that

263
00:10:11,350 --> 00:10:09,360

there was a sort of like darkness came

264

00:10:13,590 --> 00:10:11,360

over the top of it so maybe it was sort

265

00:10:15,430 --> 00:10:13,600

of darker than than

266

00:10:16,630 --> 00:10:15,440

yeah the sky wasn't all money and

267

00:10:19,030 --> 00:10:16,640

perhaps that's what attracted you to

268

00:10:20,870 --> 00:10:19,040

change yeah yeah

269

00:10:22,630 --> 00:10:20,880

i don't know what made me look up i

270

00:10:24,389 --> 00:10:22,640

really don't know

271

00:10:26,389 --> 00:10:24,399

but i did

272

00:10:27,990 --> 00:10:26,399

and it

273

00:10:31,670 --> 00:10:28,000

i didn't believe what i was seeing at

274

00:10:35,030 --> 00:10:32,949

and then

275

00:10:37,910 --> 00:10:35,040

when i realized i was seeing something

276

00:10:40,310 --> 00:10:37,920

that's when i tried to say to the guys

277

00:10:44,150 --> 00:10:40,320

what's that what's going on

278

00:10:45,750 --> 00:10:44,160

look at that and um

279

00:10:47,110 --> 00:10:45,760

i mean it was a bit more excitable than

280

00:10:49,670 --> 00:10:47,120

that

281

00:10:49,680 --> 00:10:53,030

and then they were looking

282

00:10:57,269 --> 00:10:54,790

and we all just stood there

283

00:11:00,230 --> 00:10:57,279

i don't i don't know i don't have a time

284

00:11:03,590 --> 00:11:00,240

period locally in the area here or no i

285

00:11:05,350 --> 00:11:03,600

wasn't you weren't no no my friends were

286

00:11:07,590 --> 00:11:05,360

my friends i just wonder if any of the

287

00:11:09,590 --> 00:11:07,600

sort of school kids had spoken about it

288

00:11:11,750 --> 00:11:09,600

or talked about the incident you know

289

00:11:15,590 --> 00:11:11,760

probably seen it as well no the only

290

00:11:17,269 --> 00:11:15,600

people i spoke to about it at the time

291

00:11:18,790 --> 00:11:17,279

were my three friends and i think i

292

00:11:19,910 --> 00:11:18,800

mentioned it to some family members and

293

00:11:21,509 --> 00:11:19,920

that was that

294

00:11:25,110 --> 00:11:21,519

you want me to like you

295

00:11:28,150 --> 00:11:25,120

no i haven't i haven't yes

296

00:11:29,670 --> 00:11:28,160

yeah i mean we used to hang out but um

297

00:11:31,910 --> 00:11:29,680

where did you live at the time

298

00:11:33,110 --> 00:11:31,920

oh i lived down in plasma down the

299

00:11:36,150 --> 00:11:33,120

bottom end

300

00:11:38,550 --> 00:11:36,160

no no um

301
00:11:39,350 --> 00:11:38,560
i used to just walk up along neath road

302
00:11:43,670 --> 00:11:39,360
and

303
00:11:45,829 --> 00:11:43,680
um

304
00:11:49,190 --> 00:11:45,839
most of the time we were in

305
00:11:51,430 --> 00:11:49,200
one of the other houses and you know

306
00:11:52,629 --> 00:11:51,440
but um this night were those days yeah

307
00:11:54,710 --> 00:11:52,639
teenagers are you sawing around the

308
00:11:56,710 --> 00:11:54,720
streets yeah we don't do it anymore

309
00:11:58,069 --> 00:11:56,720
wow

310
00:12:00,470 --> 00:11:58,079
we used to be left alone you know we

311
00:12:01,910 --> 00:12:00,480
were in the alleyway by you on the steps

312
00:12:03,269 --> 00:12:01,920
you know you could sit down with where

313
00:12:04,949 --> 00:12:03,279

the wall was

314

00:12:05,910 --> 00:12:04,959

have a mac about with your friends have

315

00:12:07,190 --> 00:12:05,920

laugh
