THE HALT
PERSPECTIVE
A NEW HISTORY OF THE HALT
BY JOHN HANSON

THE HALT
PERSPECTIVE
A NEW HISTORY OF THE HALT
BY JOHN HANSON

1
00:00:14,030 --> 00:00:10,009
uh talking of which tonight with the

2
00:00:21,470 --> 00:00:14,040
pledge of welcoming back Mr John Hansen

3
00:00:26,509 --> 00:00:24,109
um for those of you who attended John uh

4
00:00:30,109 --> 00:00:26,519
gave a very interesting talk on UFOs

5
00:00:33,370 --> 00:00:30,119
back in February 2017. uh when we

6
00:00:36,650 --> 00:00:33,380
visited broadhaven Community Hall

7
00:00:38,750 --> 00:00:36,660
and it was we were holding the 40th

8
00:00:40,970 --> 00:00:38,760
anniversary event of the broadhaven

9
00:00:43,190 --> 00:00:40,980
school incidents so if you were there

10
00:00:46,610 --> 00:00:43,200
you'd have seen John there

11
00:00:48,290 --> 00:00:46,620
uh if you hadn't met or heard John I'm

12
00:00:51,229 --> 00:00:48,300
sure most of you know that John is a

13
00:00:53,450 --> 00:00:51,239

veteran UFO investigator

14

00:00:55,490 --> 00:00:53,460

and he's a researcher as well and he's

15

00:00:58,209 --> 00:00:55,500

compiled a massive archive documenting

16

00:01:00,889 --> 00:00:58,219

UFO cases from all over Britain

17

00:01:03,049 --> 00:01:00,899

like myself and so many other people in

18

00:01:04,189 --> 00:01:03,059

the UFO World John is a retired police

19

00:01:07,130 --> 00:01:04,199

officer

20

00:01:08,870 --> 00:01:07,140

uh he was on CID I think and I was in

21

00:01:11,810 --> 00:01:08,880

the traffic department so we run off

22

00:01:14,270 --> 00:01:11,820

closing sites

23

00:01:16,670 --> 00:01:14,280

um anyway let me his interest in the UFO

24

00:01:18,250 --> 00:01:16,680

phenomena didn't really start until he

25

00:01:20,870 --> 00:01:18,260

got tired

26

00:01:22,730 --> 00:01:20,880

uh he's beginning to do several times on

27

00:01:24,469 --> 00:01:22,740

radio shows such as Coast to Coast radio

28

00:01:25,850 --> 00:01:24,479

and he even appeared on television on

29

00:01:29,030 --> 00:01:25,860

the one show

30

00:01:31,429 --> 00:01:29,040

uh I believe he's actually at his own

31

00:01:34,429 --> 00:01:31,439

UFO experiences in both Worcester and

32

00:01:37,190 --> 00:01:34,439

over Anderson Forest as well uh which

33

00:01:39,289 --> 00:01:37,200

you may mention tonight you never know

34

00:01:41,030 --> 00:01:39,299

um John reduced the haunted Sky series

35

00:01:43,490 --> 00:01:41,040

of books and collaborated with other

36

00:01:46,450 --> 00:01:43,500

researchers notably the late Margaret

37

00:01:49,429 --> 00:01:46,460

fry and we'll show you all know about

38

00:01:51,590 --> 00:01:49,439

uh in fact she's also received a claim

39

00:01:53,630 --> 00:01:51,600

from another UFO follower none other

40

00:01:56,510 --> 00:01:53,640

than the late Prince Philip the Duke of

41

00:01:59,510 --> 00:01:56,520

Edinburgh and we stated that John spots

42

00:02:01,190 --> 00:01:59,520

were amongst his favorites yeah so

43

00:02:02,680 --> 00:02:01,200

tonight if you talk about many cases

44

00:02:13,210 --> 00:02:02,690

he's documented

45

00:02:18,949 --> 00:02:15,850

every half an hour

46

00:02:20,210 --> 00:02:18,959

anyway he's documented a lot of stuff I

47

00:02:22,550 --> 00:02:20,220

mean we're looking at Margaret's worth

48

00:02:24,410 --> 00:02:22,560

as well over the many years and the talk

49

00:02:27,050 --> 00:02:24,420

is entitled The Great British UEFA

50

00:02:34,369 --> 00:02:27,060

archive so please give a warm super

51
00:02:39,170 --> 00:02:35,630
request

52
00:02:40,490 --> 00:02:39,180
can you all hear me no uh that's what I

53
00:02:41,710 --> 00:02:40,500
thought well I don't know what happened

54
00:02:45,229 --> 00:02:41,720
to my point

55
00:02:46,790 --> 00:02:45,239
my drink was on the table but it seems

56
00:02:54,410 --> 00:02:46,800
to have disappeared so I don't know

57
00:02:59,750 --> 00:02:57,350
um I never know where to start uh

58
00:03:03,470 --> 00:02:59,760
talking about this subject because

59
00:03:07,550 --> 00:03:03,480
uh I I I've been involved in it for

60
00:03:10,550 --> 00:03:07,560
about 27 years and obviously I've done a

61
00:03:13,369 --> 00:03:10,560
lot of talks before and I tend to

62
00:03:15,410 --> 00:03:13,379
concentrate on the books and the thing

63
00:03:19,089 --> 00:03:15,420

is currently at the moment

64

00:03:23,809 --> 00:03:19,099

um books are not selling and

65

00:03:25,430 --> 00:03:23,819

initially but let me start off saying

66

00:03:28,130 --> 00:03:25,440

that although I have masses of stuff to

67

00:03:30,229 --> 00:03:28,140

talk to you about I find it easier to

68

00:03:31,610 --> 00:03:30,239

talk from my heart than go through all

69

00:03:34,070 --> 00:03:31,620

of this stuff but we have a lot of

70

00:03:36,610 --> 00:03:34,080

images to show you the first of all I

71

00:03:39,290 --> 00:03:36,620

would like to to thank my girlfriend

72

00:03:42,530 --> 00:03:39,300

she's been helping me out with the

73

00:03:44,350 --> 00:03:42,540

archives we have a tremendous number of

74

00:03:47,210 --> 00:03:44,360

archives

75

00:03:49,490 --> 00:03:47,220

260 of these I'll try and lift it up

76

00:03:50,350 --> 00:03:49,500

without breaking

77

00:03:52,789 --> 00:03:50,360

um

78

00:03:57,289 --> 00:03:52,799

which which covers

79

00:04:02,270 --> 00:03:57,299

um some fantastic sightings this is just

80

00:04:09,050 --> 00:04:05,509

um we we have a huge numbers to say of

81

00:04:11,750 --> 00:04:09,060

these and it was always my intention or

82

00:04:13,309 --> 00:04:11,760

objective to put these together and

83

00:04:16,310 --> 00:04:13,319

that's what we're doing and I think I've

84

00:04:18,469 --> 00:04:16,320

left some flyers on the table giving you

85

00:04:22,790 --> 00:04:18,479

an idea of how the archives are looking

86

00:04:23,810 --> 00:04:22,800

and we hope to get it open and next year

87

00:04:25,850 --> 00:04:23,820

um

88

00:04:28,730 --> 00:04:25,860

let me start perhaps from the beginning

89

00:04:31,189 --> 00:04:28,740

a lot of people saying to me

90

00:04:35,629 --> 00:04:31,199

um what triggered off your interest and

91

00:04:38,330 --> 00:04:35,639

way back in 1995 I just um sort of

92

00:04:41,350 --> 00:04:38,340

finished with the police and I had oh

93

00:04:45,530 --> 00:04:41,360

thank you very much cheers

94

00:04:47,030 --> 00:04:45,540

it's always just generous it is yeah

95

00:04:49,670 --> 00:04:47,040

um

96

00:04:52,689 --> 00:04:49,680

because I finished as a cop and one

97

00:04:56,150 --> 00:04:52,699

night before the news and um

98

00:04:58,610 --> 00:04:56,160

an officer known to me told me he'd been

99

00:05:01,310 --> 00:04:58,620

directed to the sighting of a UFO in the

100

00:05:03,710 --> 00:05:01,320

Birmingham area on the 19th of January

101
00:05:07,490 --> 00:05:03,720
1995.

102
00:05:11,210 --> 00:05:07,500
and he and the policewoman saw this

103
00:05:14,870 --> 00:05:11,220
object and you can see very shortly

104
00:05:17,090 --> 00:05:14,880
um he sketched it for me and that's what

105
00:05:21,590 --> 00:05:17,100
to give us my interest because prior to

106
00:05:23,990 --> 00:05:21,600
that if all those times I was on duty

107
00:05:28,610 --> 00:05:24,000
back in let's say I joined the force in

108
00:05:29,870 --> 00:05:28,620
66 in 1967 there was the flying cross

109
00:05:32,150 --> 00:05:29,880
phenomena

110
00:05:35,570 --> 00:05:32,160
and a number of police officers

111
00:05:38,749 --> 00:05:35,580
witnessed that and on a day-to-day basis

112
00:05:41,930 --> 00:05:38,759
members of the public also saw what they

113
00:05:45,550 --> 00:05:41,940

referred to or described as a flying

114

00:05:49,850 --> 00:05:45,560

cross unfortunately even in those days

115

00:05:51,890 --> 00:05:49,860

and to a great degree now people that

116

00:05:54,230 --> 00:05:51,900

have got the courage to come forward and

117

00:05:56,450 --> 00:05:54,240

Report things like that often get

118

00:05:59,330 --> 00:05:56,460

vilified by the media and that is

119

00:06:01,129 --> 00:05:59,340

unfortunately how it goes

120

00:06:03,770 --> 00:06:01,139

um but anyway this this copper told me

121

00:06:05,870 --> 00:06:03,780

what you saw it was the police woman and

122

00:06:09,050 --> 00:06:05,880

that's what to say to get off my my

123

00:06:12,770 --> 00:06:09,060

interest and I thought well I'm going to

124

00:06:14,810 --> 00:06:12,780

write a book so I started off with the

125

00:06:17,570 --> 00:06:14,820

haunted skies I think the covers in

126

00:06:20,330 --> 00:06:17,580

front of you there and you'll see more

127

00:06:22,790 --> 00:06:20,340

when we get into the film show and and

128

00:06:26,390 --> 00:06:22,800

screenshots and slides and God knows

129

00:06:29,809 --> 00:06:26,400

what and that's what got my interest and

130

00:06:32,450 --> 00:06:29,819

subsequently I found it very difficult

131

00:06:34,210 --> 00:06:32,460

difficult to to get the books published

132

00:06:37,490 --> 00:06:34,220

this was about

133

00:06:39,550 --> 00:06:37,500

2008 or something so I went to see Tim

134

00:06:43,490 --> 00:06:39,560

good

135

00:06:47,570 --> 00:06:43,500

in London went to see him and he

136

00:06:51,350 --> 00:06:47,580

suggested I speak to uh his his planning

137

00:06:53,090 --> 00:06:51,360

that produces the books and I spoke to

138

00:06:55,850 --> 00:06:53,100

him and he said well look if you give me

139

00:06:59,210 --> 00:06:55,860

50 Quid I'll tell you how to do it well

140

00:07:02,990 --> 00:06:59,220

really these books cost me a fortune

141

00:07:05,510 --> 00:07:03,000

um so I just got on with it and did five

142

00:07:08,710 --> 00:07:05,520

volumes tricked backwards and forwards

143

00:07:12,590 --> 00:07:08,720

to Devin and sometimes

144

00:07:16,249 --> 00:07:12,600

well these books cost me money sadly of

145

00:07:19,909 --> 00:07:16,259

course I've lost all the original books

146

00:07:21,110 --> 00:07:19,919

because the I shall not mention his name

147

00:07:25,370 --> 00:07:21,120

would be

148

00:07:29,210 --> 00:07:25,380

but that gentleman

149

00:07:31,610 --> 00:07:29,220

um he didn't pay me any uh to panic made

150

00:07:33,890 --> 00:07:31,620

any money for about three years so I

151

00:07:36,830 --> 00:07:33,900

took you to court and that taught me

152

00:07:39,170 --> 00:07:36,840

quite a bit at lesson really

153

00:07:41,210 --> 00:07:39,180

um but then I I brought out the whole

154

00:07:43,490 --> 00:07:41,220

prospective books working with Colonel

155

00:07:46,330 --> 00:07:43,500

Hoffman Estates I mean has anybody been

156

00:07:49,249 --> 00:07:46,340

to because it's as much as as our

157

00:07:51,890 --> 00:07:49,259

meeting tonight as mine in a way but has

158

00:07:54,770 --> 00:07:51,900

anybody been to rendition virus

159

00:07:58,430 --> 00:07:54,780

yeah like what did you think when you

160

00:07:59,450 --> 00:07:58,440

went there because this is funny yeah

161

00:08:02,749 --> 00:07:59,460

yeah

162

00:08:05,330 --> 00:08:02,759

um well I've had a amazing picture of uh

163

00:08:06,469 --> 00:08:05,340

that's the alleged site to The Landing

164

00:08:08,749 --> 00:08:06,479

site

165

00:08:11,029 --> 00:08:08,759

um now is this where they've got the uh

166

00:08:13,969 --> 00:08:11,039

this is the the flying Source or isn't

167

00:08:16,189 --> 00:08:13,979

it this is before there this is in 2008

168

00:08:18,770 --> 00:08:16,199

yeah that's where the posts were that's

169

00:08:20,629 --> 00:08:18,780

right yeah yeah yeah and took an amazing

170

00:08:23,809 --> 00:08:20,639

picture which had I came up with a

171

00:08:26,809 --> 00:08:23,819

really big orb in that location orb of

172

00:08:28,990 --> 00:08:26,819

light and also like a sort of a cross a

173

00:08:32,389 --> 00:08:29,000

crucifix of light as well you know right

174

00:08:33,589 --> 00:08:32,399

which is an amazing movement across the

175

00:08:36,170 --> 00:08:33,599

um the

176

00:08:37,969 --> 00:08:36,180

uh the photograph

177

00:08:39,409 --> 00:08:37,979

um so that was weird in itself and I

178

00:08:41,690 --> 00:08:39,419

took loads of photographs everywhere

179

00:08:44,350 --> 00:08:41,700

around but it was the only one at that

180

00:08:46,910 --> 00:08:44,360

alleged site that actually had weird

181

00:08:49,790 --> 00:08:46,920

anomalies you know like light phenomena

182

00:08:52,009 --> 00:08:49,800

this is quite strange well does anybody

183

00:08:54,850 --> 00:08:52,019

did you meet Brenda Butler

184

00:08:57,290 --> 00:08:54,860

um I have um at conferences yeah yeah

185

00:08:59,750 --> 00:08:57,300

with Gary Gary hasselberry that's right

186

00:09:01,790 --> 00:08:59,760

lovely lady she uh she's a personal

187

00:09:02,690 --> 00:09:01,800

friend of being around there many years

188

00:09:04,970 --> 00:09:02,700

and

189

00:09:08,570 --> 00:09:04,980

what I like about a conference is we

190

00:09:10,670 --> 00:09:08,580

talk to each other we we interact I I

191

00:09:12,350 --> 00:09:10,680

mean I could just say go through all of

192

00:09:14,269 --> 00:09:12,360

this lot here

193

00:09:16,190 --> 00:09:14,279

um but it's it's easy to interact with

194

00:09:18,410 --> 00:09:16,200

somebody because you pick up on it and

195

00:09:23,030 --> 00:09:18,420

you've been there I've been there many

196

00:09:25,009 --> 00:09:23,040

times and as an ex-cop walking along the

197

00:09:28,070 --> 00:09:25,019

tracks and people would come up to me

198

00:09:29,930 --> 00:09:28,080

and say oh my God the orbs oh my God

199

00:09:32,570 --> 00:09:29,940

have you seen those things coming on the

200

00:09:34,370 --> 00:09:32,580

forest floor and I said oh and I haven't

201
00:09:35,930 --> 00:09:34,380
seen him and I thought well I mean these

202
00:09:39,949 --> 00:09:35,940
people they're getting mixed up with

203
00:09:43,329 --> 00:09:39,959
with condensation or or pollution or

204
00:09:46,430 --> 00:09:43,339
forest floor or dust orbs blah blah blah

205
00:09:50,329 --> 00:09:46,440
and then I actually saw a little orb

206
00:09:52,130 --> 00:09:50,339
myself a left at Eastgate and that was

207
00:09:55,930 --> 00:09:52,140
hovering off the floor took a photograph

208
00:09:58,850 --> 00:09:55,940
of it and saw a lot of these strange

209
00:10:01,430 --> 00:09:58,860
orbs in the forest and a guy called

210
00:10:06,350 --> 00:10:01,440
David Brian did you ever meet David

211
00:10:09,230 --> 00:10:06,360
Brian well David Bryant he was or he

212
00:10:11,870 --> 00:10:09,240
still is a big friendly astronauts and

213
00:10:13,610 --> 00:10:11,880

he introduced me to Edgar Mitchell and

214

00:10:17,870 --> 00:10:13,620

some of the other guys up in in

215

00:10:19,970 --> 00:10:17,880

Birmingham and he he wrote a book or to

216

00:10:22,190 --> 00:10:19,980

say he wrote a book about why he didn't

217

00:10:23,930 --> 00:10:22,200

think they went to the moon and a lot of

218

00:10:26,389 --> 00:10:23,940

people would say well it's crap because

219

00:10:28,009 --> 00:10:26,399

of course they went to the moon but

220

00:10:31,550 --> 00:10:28,019

certainly bearing in mind his

221

00:10:33,710 --> 00:10:31,560

association with these guys and he's off

222

00:10:35,930 --> 00:10:33,720

the record conversations which they said

223

00:10:38,329 --> 00:10:35,940

they had no objection to him published

224

00:10:40,430 --> 00:10:38,339

him they you know it makes you wonder

225

00:10:42,769 --> 00:10:40,440

whether they did or they didn't but he

226

00:10:45,410 --> 00:10:42,779

he's had some sightings of what appear

227

00:10:47,269 --> 00:10:45,420

to be humanoid figures in the forest

228

00:10:51,110 --> 00:10:47,279

which could be similar crane that people

229

00:10:53,930 --> 00:10:51,120

could be getting confused but for me for

230

00:10:55,790 --> 00:10:53,940

me first of all and we'll see the film

231

00:10:57,829 --> 00:10:55,800

if you can remind me in a bit showed it

232

00:11:01,130 --> 00:10:57,839

will stick the film on

233

00:11:04,069 --> 00:11:01,140

um 27th of December 2000 I was down in

234

00:11:06,290 --> 00:11:04,079

the forest with Brenda and some others

235

00:11:09,769 --> 00:11:06,300

and this thing appeared above the

236

00:11:12,310 --> 00:11:09,779

Horizon and over the forest and

237

00:11:14,949 --> 00:11:12,320

um it's fascinating

238

00:11:18,829 --> 00:11:14,959

I've never seen anything like it before

239

00:11:21,769 --> 00:11:18,839

and the the somebody contacted the Press

240

00:11:24,769 --> 00:11:21,779

they came to see me and I think they did

241

00:11:26,690 --> 00:11:24,779

some silly article about ETS which is

242

00:11:30,110 --> 00:11:26,700

how it goes

243

00:11:32,690 --> 00:11:30,120

um but again the determining Factor are

244

00:11:36,410 --> 00:11:32,700

the stones first of all

245

00:11:38,090 --> 00:11:36,420

um there was a lot of strange phenomena

246

00:11:41,269 --> 00:11:38,100

that took place in washwood Heath

247

00:11:43,370 --> 00:11:41,279

Birmingham in the 70s and it involved

248

00:11:47,030 --> 00:11:43,380

the police that what had happened is

249

00:11:49,730 --> 00:11:47,040

that people's houses three houses were

250

00:11:54,110 --> 00:11:49,740

being pelted by stones

251
00:11:56,030 --> 00:11:54,120
smooth round polished Pebbles similar to

252
00:11:58,910 --> 00:11:56,040
what was happening in the forest which

253
00:12:00,650 --> 00:11:58,920
is another story but the one in Watford

254
00:12:03,410 --> 00:12:00,660
Heath police kept

255
00:12:06,410 --> 00:12:03,420
um that they they kept it on under

256
00:12:09,889 --> 00:12:06,420
observation for three years and never

257
00:12:12,650 --> 00:12:09,899
found out why these Stones were falling

258
00:12:15,650 --> 00:12:12,660
from the sky and they even had the Army

259
00:12:18,710 --> 00:12:15,660
come in to carry out to work out

260
00:12:21,410 --> 00:12:18,720
trajectories paint and stones and that

261
00:12:23,269 --> 00:12:21,420
comes Under The Heading of a ports and

262
00:12:25,910 --> 00:12:23,279
if you go on the Internet or you look at

263
00:12:28,790 --> 00:12:25,920

our boards these are stones that just

264

00:12:31,190 --> 00:12:28,800

fall from nowhere now in the forest that

265

00:12:33,350 --> 00:12:31,200

happened quite regularly and if you tell

266

00:12:36,530 --> 00:12:33,360

somebody about a stone that's fallen

267

00:12:38,690 --> 00:12:36,540

from the sky or whatever people just

268

00:12:41,090 --> 00:12:38,700

laugh people have even said that it's

269

00:12:43,550 --> 00:12:41,100

birds flying with a big Stone in his

270

00:12:45,889 --> 00:12:43,560

beak and dropping down which is rubbish

271

00:12:48,590 --> 00:12:45,899

because I actually had some of those

272

00:12:52,009 --> 00:12:48,600

stones tested by a scientist

273

00:12:53,930 --> 00:12:52,019

and the the thing with this Stones if

274

00:12:57,110 --> 00:12:53,940

you like the stones that fell because we

275

00:13:00,110 --> 00:12:57,120

marked them they were they looked normal

276

00:13:02,930 --> 00:13:00,120

stones but they were completely clean

277

00:13:06,350 --> 00:13:02,940

they were completely clean you couldn't

278

00:13:08,930 --> 00:13:06,360

age them at all which meant that somehow

279

00:13:11,269 --> 00:13:08,940

somehow somebody had made a stone and

280

00:13:13,730 --> 00:13:11,279

that that sounds ridiculous but but

281

00:13:16,250 --> 00:13:13,740

those stones fell and again the Press

282

00:13:18,769 --> 00:13:16,260

went interested in that but rendersham

283

00:13:20,930 --> 00:13:18,779

is a fascinating place there's certainly

284

00:13:22,430 --> 00:13:20,940

a lot of strange things happening in

285

00:13:24,650 --> 00:13:22,440

there does somebody else say that they

286

00:13:26,470 --> 00:13:24,660

were there and he but yes that gentleman

287

00:13:28,430 --> 00:13:26,480

there

288

00:13:31,790 --> 00:13:28,440

come on thing

289

00:13:34,730 --> 00:13:31,800

like that two years ago sorry Mike your

290

00:13:38,170 --> 00:13:34,740

dog a few years ago yeah

291

00:13:43,790 --> 00:13:41,090

the forestry commission have uh created

292

00:13:45,350 --> 00:13:43,800

blood yeah

293

00:13:47,449 --> 00:13:45,360

but we leave it only there in the

294

00:13:48,769 --> 00:13:47,459

daytime so we did really we wouldn't

295

00:13:51,790 --> 00:13:48,779

have a lot

296

00:13:54,110 --> 00:13:51,800

but we had a good look around the Box

297

00:13:57,470 --> 00:13:54,120

you know they got back with me it was

298

00:13:59,629 --> 00:13:57,480

just going down for what my what I

299

00:14:02,990 --> 00:13:59,639

thought was that um

300

00:14:09,490 --> 00:14:03,000

bit of a creepy Place yeah yes it is you

301
00:14:13,370 --> 00:14:11,810
but when we were there there's no good

302
00:14:15,889 --> 00:14:13,380
song or

303
00:14:18,290 --> 00:14:15,899
anything it's uh you know what what they

304
00:14:20,710 --> 00:14:18,300
do and I think and it's actually treated

305
00:14:24,710 --> 00:14:20,720
yeah

306
00:14:27,769 --> 00:14:24,720
it was quite creepy place I thought

307
00:14:31,009 --> 00:14:27,779
it certainly is if you do get a chance

308
00:14:34,310 --> 00:14:31,019
it's it's worth a visit but it's it's

309
00:14:38,509 --> 00:14:34,320
changed over the years and they've got

310
00:14:40,430 --> 00:14:38,519
this um this the Flying Saucer they've

311
00:14:43,850 --> 00:14:40,440
made which is really it's not in the

312
00:14:45,949 --> 00:14:43,860
right place at all I mean I've been

313
00:14:48,470 --> 00:14:45,959

able to see Colonel Hulk

314

00:14:51,050 --> 00:14:48,480

um he's being over here

315

00:14:52,550 --> 00:14:51,060

um and as I say colonel Holt is a

316

00:14:56,509 --> 00:14:52,560

fascinating guy

317

00:14:59,389 --> 00:14:56,519

um he ended up after he left the the

318

00:15:01,790 --> 00:14:59,399

um RAF Woodbridge it was Deputy based

319

00:15:04,250 --> 00:15:01,800

Commander there he went to Washington DC

320

00:15:06,050 --> 00:15:04,260

and he was in charge of all the armed

321

00:15:08,810 --> 00:15:06,060

services from a security point of view

322

00:15:10,850 --> 00:15:08,820

so you're looking at a pretty clever guy

323

00:15:14,750 --> 00:15:10,860

that probably would have been a general

324

00:15:18,889 --> 00:15:14,760

if he hadn't got involved in the uh

325

00:15:22,790 --> 00:15:18,899

incident that happened in in 1980

326

00:15:25,790 --> 00:15:22,800

um but yeah it's a fascinating place

327

00:15:27,650 --> 00:15:25,800

um and uh we well we've been down

328

00:15:30,650 --> 00:15:27,660

ourselves haven't we Shirley spoke to

329

00:15:33,350 --> 00:15:30,660

Brenda and of course Brenda uh was the

330

00:15:36,769 --> 00:15:33,360

uh the lady that wrote the along with

331

00:15:40,610 --> 00:15:36,779

Jenny Randalls and Dot Street the 1983

332

00:15:43,009 --> 00:15:40,620

Sky Crash which is uh well there were

333

00:15:45,949 --> 00:15:43,019

things in there I didn't really I find

334

00:15:47,810 --> 00:15:45,959

it very difficult to accept but um I

335

00:15:50,030 --> 00:15:47,820

always think when I talk to you it's

336

00:15:52,910 --> 00:15:50,040

easy to try and talk the top of the egg

337

00:15:54,650 --> 00:15:52,920

remember things that then really go

338

00:15:56,329 --> 00:15:54,660

through all the paperwork

339

00:15:59,269 --> 00:15:56,339

um but we will be showing some images

340

00:16:01,910 --> 00:15:59,279

soon if I go back to first of all how

341

00:16:04,730 --> 00:16:01,920

many people knew new Margrow

342

00:16:07,189 --> 00:16:04,740

Margaret fry

343

00:16:09,009 --> 00:16:07,199

yeah I think you interviewed her didn't

344

00:16:12,949 --> 00:16:09,019

you yes yeah

345

00:16:15,410 --> 00:16:12,959

well the thing about same with myself

346

00:16:17,329 --> 00:16:15,420

really I mean I've been introduced to

347

00:16:18,949 --> 00:16:17,339

you you you you probably never heard of

348

00:16:19,910 --> 00:16:18,959

me before

349

00:16:22,490 --> 00:16:19,920

um

350

00:16:25,610 --> 00:16:22,500

because you see I can't get any yeah

351

00:16:29,329 --> 00:16:25,620

sure I can't get any media Ascension

352

00:16:31,910 --> 00:16:29,339

because serious research does not endear

353

00:16:33,410 --> 00:16:31,920

you to the media they don't like it what

354

00:16:36,290 --> 00:16:33,420

they want to do is take the proverbial

355

00:16:40,189 --> 00:16:36,300

Mickey and we talked about the BBC One

356

00:16:43,069 --> 00:16:40,199

show I did one for them in the forest

357

00:16:43,629 --> 00:16:43,079

um they contacted me and they said look

358

00:16:46,009 --> 00:16:43,639

um

359

00:16:48,829 --> 00:16:46,019

can we interview and you can talk about

360

00:16:50,569 --> 00:16:48,839

Colonel hold so I did the interview down

361

00:16:52,370 --> 00:16:50,579

there but before then I've asked the

362

00:16:55,069 --> 00:16:52,380

producer look

363

00:16:57,829 --> 00:16:55,079

the thing with the random Forest

364

00:17:01,370 --> 00:16:57,839

incident is that this happened over the

365

00:17:04,490 --> 00:17:01,380

end of December 1980 but but hang on a

366

00:17:08,270 --> 00:17:04,500

minute one and in September August

367

00:17:10,309 --> 00:17:08,280

November 1980 I have the files on all of

368

00:17:14,090 --> 00:17:10,319

those reports including an interesting

369

00:17:16,850 --> 00:17:14,100

one that happened in Hull

370

00:17:18,110 --> 00:17:16,860

um when an area was closed off by the

371

00:17:20,270 --> 00:17:18,120

ministry and all sorts of things

372

00:17:23,750 --> 00:17:20,280

happened and that was one of the reasons

373

00:17:26,929 --> 00:17:23,760

why in all probability again a senior

374

00:17:29,750 --> 00:17:26,939

police officer went down from Hull went

375

00:17:34,010 --> 00:17:29,760

to see Colonel Richard spring at

376

00:17:37,549 --> 00:17:34,020

Woodbridge Air Base in January 1981. so

377

00:17:40,430 --> 00:17:37,559

but the producer said no directors said

378

00:17:44,810 --> 00:17:40,440

we can't use them so that's fair enough

379

00:17:47,750 --> 00:17:44,820

then and then with the 40th reunion

380

00:17:50,330 --> 00:17:47,760

of the broad Avon County Primary School

381

00:17:52,430 --> 00:17:50,340

and we were all down there

382

00:17:54,830 --> 00:17:52,440

um the the BBC interviewed me but then

383

00:17:57,169 --> 00:17:54,840

contacted me latest and simply can't use

384

00:17:58,789 --> 00:17:57,179

it because somebody's somebody's

385

00:18:01,970 --> 00:17:58,799

complained that their face is on the

386

00:18:04,810 --> 00:18:01,980

film so you were you telling me in this

387

00:18:08,270 --> 00:18:04,820

um this uh

388

00:18:10,610 --> 00:18:08,280

modern technology age that you can't

389

00:18:12,590 --> 00:18:10,620

remove or blank somebody's face out on

390

00:18:14,690 --> 00:18:12,600

the film so I don't know what to make

391

00:18:16,130 --> 00:18:14,700

for that but that's that's how that

392

00:18:18,070 --> 00:18:16,140

happened

393

00:18:21,669 --> 00:18:18,080

um but let's say going back to Margaret

394

00:18:25,610 --> 00:18:21,679

Margaret fry from abigaili Margaret

395

00:18:29,870 --> 00:18:25,620

lived in um a place called Bexley in

396

00:18:33,169 --> 00:18:29,880

Kent and in 1955 she was taking her son

397

00:18:35,650 --> 00:18:33,179

to to see the doctor because he had a

398

00:18:39,310 --> 00:18:35,660

bit of sunstroke and this object

399

00:18:43,310 --> 00:18:39,320

landed in front of them and

400

00:18:46,250 --> 00:18:43,320

she was a transformed woman she

401
00:18:47,990 --> 00:18:46,260
researched extensively into UFOs down

402
00:18:50,750 --> 00:18:48,000
there

403
00:18:54,289 --> 00:18:50,760
um and then she moved to abigail Wales

404
00:18:56,810 --> 00:18:54,299
she wished her here some of her some of

405
00:18:59,529 --> 00:18:56,820
what she's got the same fact surely if

406
00:19:03,190 --> 00:18:59,539
you can read this is from Margaret Frye

407
00:19:05,270 --> 00:19:03,200
she joined before if you want to

408
00:19:08,150 --> 00:19:05,280
pass this one

409
00:19:14,770 --> 00:19:08,160
[Music]

410
00:19:28,490 --> 00:19:17,510
I mean it's a shame she never came here

411
00:19:33,230 --> 00:19:31,190
so this is Shirley's first time so can

412
00:19:35,210 --> 00:19:33,240
you deal with a leader maybe it's a

413
00:19:36,830 --> 00:19:35,220

manuscript so you're gonna have to bear

414

00:19:40,130 --> 00:19:36,840

with me right okay

415

00:19:44,029 --> 00:19:42,470

she was very nervous about meeting you

416

00:19:49,190 --> 00:19:44,039

tonight but I sit there

417

00:19:54,430 --> 00:19:52,010

Margaret Frye had to say

418

00:19:57,710 --> 00:19:54,440

um when she she joined before

419

00:20:01,669 --> 00:19:57,720

and you want to just read that now I was

420

00:20:04,549 --> 00:20:01,679

working between 1962 1964 as a secretary

421

00:20:06,350 --> 00:20:04,559

for an engineering firm in Holborn where

422

00:20:09,350 --> 00:20:06,360

I used to browse around setting down

423

00:20:13,130 --> 00:20:09,360

bookshops during my lunch hour one lunch

424

00:20:16,130 --> 00:20:13,140

break my eye course an illustration of a

425

00:20:17,150 --> 00:20:16,140

George a dance ski type Craft on the

426

00:20:20,029 --> 00:20:17,160

book cover

427

00:20:22,730 --> 00:20:20,039

the book by Larry kettlecamp costs 10

428

00:20:24,890 --> 00:20:22,740

Shillings which is 50 pounds more

429

00:20:27,049 --> 00:20:24,900

importantly I asked the bookkeeper if he

430

00:20:29,990 --> 00:20:27,059

had any further such books and he handed

431

00:20:32,510 --> 00:20:30,000

me the flying saucer Story by Bruce Lee

432

00:20:35,090 --> 00:20:32,520

Laporte Trench that will somewhat

433

00:20:38,270 --> 00:20:35,100

changed my life and totally my outlook

434

00:20:40,669 --> 00:20:38,280

on life I immediately set to and

435

00:20:44,150 --> 00:20:40,679

corresponded with the author

436

00:20:46,490 --> 00:20:44,160

I had no idea he was an earth a member

437

00:20:49,669 --> 00:20:46,500

of the House of laws until some years

438

00:20:51,289 --> 00:20:49,679

later eventually he wrote saying he

439

00:20:54,950 --> 00:20:51,299

thought I would make a good UFO

440

00:20:56,810 --> 00:20:54,960

investigator and in 1967 he asked me to

441

00:20:59,690 --> 00:20:56,820

get in touch with the organization he

442

00:21:02,029 --> 00:20:59,700

had founded contact International

443

00:21:04,250 --> 00:21:02,039

in the late 1960s this popular

444

00:21:07,370 --> 00:21:04,260

organization had a couple of thousand

445

00:21:10,130 --> 00:21:07,380

members I was requested to seek for an

446

00:21:13,370 --> 00:21:10,140

exam if I wish to become an investigator

447

00:21:15,710 --> 00:21:13,380

I would if I pass Erie be required to

448

00:21:19,549 --> 00:21:15,720

investigate sightings with an allotted

449

00:21:23,630 --> 00:21:19,559

experience UFO investigator I decided to

450

00:21:30,169 --> 00:21:27,049

ly could on Prototype craft at all order

451
00:21:32,990 --> 00:21:30,179
for an aerodynamics designer and

452
00:21:35,690 --> 00:21:33,000
engineer with British Aerospace

453
00:21:38,930 --> 00:21:35,700
being a brainy and obliging fellow you

454
00:21:41,450 --> 00:21:38,940
soon simplified down to my level various

455
00:21:43,190 --> 00:21:41,460
Snippets of information and saying I

456
00:21:44,090 --> 00:21:43,200
felt qualified enough to sit for the

457
00:21:46,669 --> 00:21:44,100
exam

458
00:21:49,970 --> 00:21:46,679
to my delight I was Julie told like

459
00:21:52,970 --> 00:21:49,980
hundreds of applications that year 19

460
00:21:55,250 --> 00:21:52,980
. I was one of only 11 selected in the

461
00:21:58,010 --> 00:21:55,260
whole of the British arms feeling

462
00:22:00,230 --> 00:21:58,020
somewhat inflated I naturally sat back

463
00:22:03,710 --> 00:22:00,240

and waited for the UFO reports to pour

464

00:22:06,409 --> 00:22:03,720

in what a misconception in the meantime

465

00:22:08,810 --> 00:22:06,419

I look forward immensely to the monthly

466

00:22:12,470 --> 00:22:08,820

Saturday meetings run by before our

467

00:22:14,210 --> 00:22:12,480

organization first at Claxton Hall later

468

00:22:15,830 --> 00:22:14,220

shifting to Kensington High Street

469

00:22:18,350 --> 00:22:15,840

Library

470

00:22:20,750 --> 00:22:18,360

the beatings of Kensington

471

00:22:23,149 --> 00:22:20,760

we're stuffing very southern English

472

00:22:25,610 --> 00:22:23,159

definers that which lecturer after a

473

00:22:29,210 --> 00:22:25,620

lecturer invariably told us their

474

00:22:32,149 --> 00:22:29,220

reasons for believing UFOs did not exist

475

00:22:34,610 --> 00:22:32,159

during question time if anyone dared to

476
00:22:37,370 --> 00:22:34,620
say they'd see in the UFO they'd either

477
00:22:39,470 --> 00:22:37,380
be non-super lightly cry down or say

478
00:22:40,730 --> 00:22:39,480
that in embarrassed disbelief by the

479
00:22:43,010 --> 00:22:40,740
packed audience

480
00:22:44,270 --> 00:22:43,020
I wondered what the devil may all went

481
00:22:46,789 --> 00:22:44,280
there for

482
00:22:48,289 --> 00:22:46,799
interval times were tea and biscuits

483
00:22:51,409 --> 00:22:48,299
served with people Milling around

484
00:22:52,690 --> 00:22:51,419
politely when I tried to tell them I had

485
00:22:56,810 --> 00:22:52,700
seen

486
00:22:58,909 --> 00:22:56,820
it is impossible improbable UFOs they

487
00:23:01,250 --> 00:22:58,919
can likely move away

488
00:23:04,310 --> 00:23:01,260

no doubt they were they were others

489

00:23:06,169 --> 00:23:04,320

there who had also seen UFOs otherwise

490

00:23:08,930 --> 00:23:06,179

why would they have come

491

00:23:10,370 --> 00:23:08,940

I was unfortunate enough not to bump

492

00:23:13,430 --> 00:23:10,380

into them

493

00:23:16,850 --> 00:23:13,440

with the exception of normal Oliver the

494

00:23:19,250 --> 00:23:16,860

editor of euphoria Journal also lion and

495

00:23:21,890 --> 00:23:19,260

beer one of the founder members who sold

496

00:23:25,490 --> 00:23:21,900

books and magazines and I was not sure

497

00:23:27,830 --> 00:23:25,500

or did not think UFOs existed

498

00:23:30,830 --> 00:23:27,840

what would change little jokes with them

499

00:23:33,110 --> 00:23:30,840

and save me the old numbers of FSR

500

00:23:35,990 --> 00:23:33,120

flying Source review

501
00:23:37,669 --> 00:23:36,000
so he should have he should have as I

502
00:23:40,850 --> 00:23:37,679
was possibly one of his best men

503
00:23:43,370 --> 00:23:40,860
customers man my friend Alan Wilson

504
00:23:45,169 --> 00:23:43,380
jokes and says I have far more books

505
00:23:47,210 --> 00:23:45,179
than Wine

506
00:23:49,789 --> 00:23:47,220
however these two gentlemen may be

507
00:23:53,149 --> 00:23:49,799
outing from the suburbs of Kent a

508
00:23:55,370 --> 00:23:53,159
pleasant evening for me so I persevered

509
00:23:58,190 --> 00:23:55,380
with the meetings I wouldn't have

510
00:24:01,260 --> 00:23:58,200
otherwise as it was a fair distance from

511
00:24:07,310 --> 00:24:03,610
[Music]

512
00:24:10,130 --> 00:24:07,320
would attend these meetings we also had

513
00:24:12,409 --> 00:24:10,140

plenty to chat about at the end of the

514

00:24:15,010 --> 00:24:12,419

evening we'd make sure the taxi we got

515

00:24:17,990 --> 00:24:15,020

would take me onto charity cross station

516

00:24:21,169 --> 00:24:18,000

after dropping him off at his home in

517

00:24:24,830 --> 00:24:21,179

Belgravia he also paid the full fare

518

00:24:27,409 --> 00:24:24,840

really was a considerate gentleman

519

00:24:30,470 --> 00:24:27,419

all this time I was immersed in a whole

520

00:24:33,890 --> 00:24:30,480

new world of ideas opening up for me the

521

00:24:36,470 --> 00:24:33,900

subject of UFOs from all this literature

522

00:24:38,450 --> 00:24:36,480

some good some bad something different

523

00:24:43,130 --> 00:24:38,460

but I was learning

524

00:24:45,710 --> 00:24:43,140

I think in 1971 72 I saw a UFO lecture

525

00:24:49,370 --> 00:24:45,720

at evening advertised in the hall above

526
00:24:51,890 --> 00:24:49,380
the co-op shop Bexley Higgins I attended

527
00:24:53,930 --> 00:24:51,900
with a number of people and by chance I

528
00:24:56,210 --> 00:24:53,940
sit next and sat next to a young woman

529
00:24:57,710 --> 00:24:56,220
newspaper reporter from the group

530
00:25:00,770 --> 00:24:57,720
kentish times

531
00:25:03,590 --> 00:25:00,780
the tour was by a serious earliest young

532
00:25:06,169 --> 00:25:03,600
man called Timothy Goode who later

533
00:25:11,029 --> 00:25:06,179
became my friend and one of Britain's

534
00:25:17,990 --> 00:25:14,690
I was asked if I knew him no I said I am

535
00:25:22,010 --> 00:25:18,000
also a UFO investigator for contact

536
00:25:24,529 --> 00:25:22,020
International and I have also seen UFOs

537
00:25:27,169 --> 00:25:24,539
hoping privately that she would not be

538
00:25:29,269 --> 00:25:27,179

acquire how many UFOs reports I had

539

00:25:32,330 --> 00:25:29,279

investigated

540

00:25:34,610 --> 00:25:32,340

to my surprise she gave not only Tim

541

00:25:36,890 --> 00:25:34,620

good would also made a nice little

542

00:25:39,590 --> 00:25:36,900

write-up Independence times

543

00:25:41,330 --> 00:25:39,600

the result was that I received my first

544

00:25:44,330 --> 00:25:41,340

film call I see you needed to give a

545

00:25:47,149 --> 00:25:44,340

talk to the young conservatives I

546

00:25:49,130 --> 00:25:47,159

explained honestly that all I knew I had

547

00:25:52,490 --> 00:25:49,140

read apart from my three personal

548

00:25:56,570 --> 00:25:52,500

sightings in addition I am an antonate

549

00:25:58,970 --> 00:25:56,580

socialist I was cordially invited anyway

550

00:26:01,190 --> 00:25:58,980

so off I went to the fast Beating Heart

551
00:26:02,990 --> 00:26:01,200
which beats still faster when I

552
00:26:04,909 --> 00:26:03,000
discovered Mary Whitehouse have been

553
00:26:07,130 --> 00:26:04,919
their previous speaker

554
00:26:10,669 --> 00:26:07,140
everyone appeared to enjoy my evening

555
00:26:12,529 --> 00:26:10,679
and asked a lot of questions I confessed

556
00:26:16,730 --> 00:26:12,539
to the chairman that I simply had not

557
00:26:20,450 --> 00:26:16,740
any had any reports publicity they said

558
00:26:23,110 --> 00:26:20,460
that is what you need constantly it is

559
00:26:25,789 --> 00:26:23,120
essential for politicians so why not you

560
00:26:27,950 --> 00:26:25,799
get in touch with as many newspaper

561
00:26:30,470 --> 00:26:27,960
reporters as you can

562
00:26:32,450 --> 00:26:30,480
in the useful and I took the advice of

563
00:26:35,870 --> 00:26:32,460

the young conservatives and use

564

00:26:39,289 --> 00:26:35,880

newspaper publicity TV and radio as

565

00:26:41,930 --> 00:26:39,299

useful tools for obtaining UFO reports

566

00:26:44,450 --> 00:26:41,940

apart from this as it happened from that

567

00:26:47,450 --> 00:26:44,460

time onwards I was one of the fortunate

568

00:26:50,630 --> 00:26:47,460

few investigators who was always getting

569

00:26:53,090 --> 00:26:50,640

UFO reports because apart from media

570

00:26:56,409 --> 00:26:53,100

publicity I worked hard by constantly

571

00:26:59,950 --> 00:26:56,419

placing adverts in libraries police

572

00:27:02,570 --> 00:26:59,960

stations news agents and shops

573

00:27:06,470 --> 00:27:02,580

Unfortunately today I would advise

574

00:27:10,190 --> 00:27:06,480

nobody particularly women to do this now

575

00:27:12,830 --> 00:27:10,200

as we live in a more violent Society

576

00:27:14,990 --> 00:27:12,840

I was also brushing up my knowledge of

577

00:27:17,510 --> 00:27:15,000

the subject by constantly reading and

578

00:27:20,630 --> 00:27:17,520

giving talks of all sorts of groups and

579

00:27:23,690 --> 00:27:20,640

organizations all over the British Isles

580

00:27:26,690 --> 00:27:23,700

newspapers specifically local ones do

581

00:27:29,930 --> 00:27:26,700

from time to time give UFO researchers

582

00:27:32,570 --> 00:27:29,940

writers but these can backfire as they

583

00:27:34,450 --> 00:27:32,580

tend to exaggerate or sometimes I'm

584

00:27:37,070 --> 00:27:34,460

totally innocuous

585

00:27:39,289 --> 00:27:37,080

newspaper editors seem to have no

586

00:27:43,090 --> 00:27:39,299

conscience about this nor do they

587

00:27:46,730 --> 00:27:43,100

redress one one has to learn to be Phil

588

00:27:48,710 --> 00:27:46,740

philosophical about this it is not

589

00:27:50,810 --> 00:27:48,720

surprising though that some

590

00:27:52,610 --> 00:27:50,820

youthologists believe the press and

591

00:27:54,470 --> 00:27:52,620

media are controlled by secret

592

00:27:57,169 --> 00:27:54,480

government agencies

593

00:28:00,950 --> 00:27:57,179

perhaps they are and they feel as

594

00:28:02,570 --> 00:28:00,960

restricted by these covert agencies as we

595

00:28:05,330 --> 00:28:02,580

sometimes are

596

00:28:08,330 --> 00:28:05,340

Gordon Triton for many decades the

597

00:28:10,789 --> 00:28:08,340

editor of a flying saucer review himself

598

00:28:12,649 --> 00:28:10,799

a former Diplomat who excelled at

599

00:28:16,070 --> 00:28:12,659

languages and could read and write

600

00:28:19,310 --> 00:28:16,080

brilliantly in about 20 of them since

601
00:28:22,190 --> 00:28:19,320
the 1950s made us aware of these

602
00:28:25,730 --> 00:28:22,200
agencies in every country of the world

603
00:28:29,450 --> 00:28:25,740
Gordon continue the editorship to the

604
00:28:33,890 --> 00:28:29,460
age of 91 to the time of his death on

605
00:28:36,669 --> 00:28:33,900
the 16th of July 2003 he was and is an

606
00:28:39,950 --> 00:28:36,679
enormous loss to ufology

607
00:28:43,070 --> 00:28:39,960
more recently Timothy good with his best

608
00:28:45,529 --> 00:28:43,080
standing of both top secret Rick Redfern

609
00:28:48,890 --> 00:28:45,539
and others have documented this covered

610
00:28:52,130 --> 00:28:48,900
cover of those in America and

611
00:28:55,010 --> 00:28:52,140
most UFO researchers worldwide are aware

612
00:28:58,190 --> 00:28:55,020
of this but the majority just do what

613
00:29:01,730 --> 00:28:58,200

they can by researching in their own

614

00:29:04,190 --> 00:29:01,740

countries of Britain I personally do not

615

00:29:07,310 --> 00:29:04,200

have the money time or stamina to travel

616

00:29:09,110 --> 00:29:07,320

from North Wales to the Records Office

617

00:29:11,450 --> 00:29:09,120

EQ London

618

00:29:14,870 --> 00:29:11,460

what I have written about is my own

619

00:29:17,510 --> 00:29:14,880

experiences and the reports hundreds if

620

00:29:20,389 --> 00:29:17,520

not thousands of ordinary people in all

621

00:29:23,029 --> 00:29:20,399

walks of life have brought me both in

622

00:29:25,070 --> 00:29:23,039

Southern England and North Wales

623

00:29:28,190 --> 00:29:25,080

these reports went to contact

624

00:29:31,250 --> 00:29:28,200

International new code and Oxford over

625

00:29:34,190 --> 00:29:31,260

the years I now hope to share them with

626

00:29:37,669 --> 00:29:34,200

a wider audience of people if I

627

00:29:40,250 --> 00:29:37,679

investigating on my own in Kent parts of

628

00:29:42,950 --> 00:29:40,260

South England and North Wales have

629

00:29:45,409 --> 00:29:42,960

accumulated all this what a wealth of

630

00:29:49,260 --> 00:29:45,419

information lies hidden with local

631

00:29:55,310 --> 00:29:50,630

[Music]

632

00:29:59,330 --> 00:29:55,320

[Applause]

633

00:30:02,570 --> 00:29:59,340

if they do like it the the problem that

634

00:30:04,789 --> 00:30:02,580

we face what we both face and I think

635

00:30:08,769 --> 00:30:04,799

the same with this group

636

00:30:14,149 --> 00:30:08,779

is the sheer amount of UFO information

637

00:30:18,110 --> 00:30:14,159

the sheer amount of letters I mean we

638

00:30:19,330 --> 00:30:18,120

will go through the the screenshots and

639

00:30:23,149 --> 00:30:19,340

stuff

640

00:30:30,590 --> 00:30:28,370

it is difficult to comprehend how with

641

00:30:33,850 --> 00:30:30,600

this amount of information bearing in

642

00:30:37,970 --> 00:30:33,860

mind that we go back to 47 you know the

643

00:30:40,010 --> 00:30:37,980

1950s Project Blue Book uh Dr Alan

644

00:30:42,470 --> 00:30:40,020

heinek

645

00:30:44,450 --> 00:30:42,480

um the project Google files if you look

646

00:30:47,690 --> 00:30:44,460

at the project Google files you will

647

00:30:50,510 --> 00:30:47,700

find that there's always a card index so

648

00:30:53,870 --> 00:30:50,520

the card tells you so and so sought a

649

00:30:55,730 --> 00:30:53,880

UFO and and they'll write it offers

650

00:30:57,049 --> 00:30:55,740

questionable could have been the moon

651
00:30:59,210 --> 00:30:57,059
could have been the planet it could have

652
00:31:02,149 --> 00:30:59,220
been the Jupiter if you look further

653
00:31:04,610 --> 00:31:02,159
below you'll see a letter you'll see a

654
00:31:07,190 --> 00:31:04,620
sign statement from the witness which

655
00:31:10,430 --> 00:31:07,200
clearly identifies the fact that this

656
00:31:12,169 --> 00:31:10,440
was no bloody moon or planet and we're

657
00:31:16,010 --> 00:31:12,179
talking about thousands of sightings

658
00:31:19,789 --> 00:31:16,020
we're talking about 47 now 47 my God how

659
00:31:25,090 --> 00:31:19,799
many years back is that the 50s the 60s

660
00:31:28,690 --> 00:31:25,100
the 70s the the enormous waves in 1970

661
00:31:32,149 --> 00:31:28,700
1977 the broadland County Primary School

662
00:31:33,409 --> 00:31:32,159
incident and so many others all over the

663
00:31:35,690 --> 00:31:33,419

country

664

00:31:37,789 --> 00:31:35,700

and then you've got the 80s you've got

665

00:31:41,450 --> 00:31:37,799

the Belgium the sightings of the Belgian

666

00:31:43,010 --> 00:31:41,460

triangle but but the thing is I don't

667

00:31:44,210 --> 00:31:43,020

know if anybody says the Belgian

668

00:31:47,930 --> 00:31:44,220

triangle

669

00:31:51,710 --> 00:31:47,940

no yeah well in a nutshell for me

670

00:31:54,409 --> 00:31:51,720

triangles are composed of three objects

671

00:31:56,990 --> 00:31:54,419

three three lights forming a triangle

672

00:32:00,889 --> 00:31:57,000

and you might think well that's that's

673

00:32:03,769 --> 00:32:00,899

triangular UFO Etc et cetera and but for

674

00:32:06,169 --> 00:32:03,779

me the number three the Triangular

675

00:32:09,730 --> 00:32:06,179

objects the three objects

676
00:32:13,070 --> 00:32:09,740
um forming a triangular position are are

677
00:32:15,889 --> 00:32:13,080
so many sightings of those objects over

678
00:32:18,950 --> 00:32:15,899
the Essex area and it's an area which

679
00:32:21,710 --> 00:32:18,960
back in the 40s East Anglia was

680
00:32:25,190 --> 00:32:21,720
predominant with UFO sightings the RAF

681
00:32:27,590 --> 00:32:25,200
were picking up on their radar these

682
00:32:30,230 --> 00:32:27,600
objects coming over in threes

683
00:32:32,029 --> 00:32:30,240
and Italy sometimes

684
00:32:35,630 --> 00:32:32,039
um there's not injuries they're in fours

685
00:32:38,690 --> 00:32:35,640
or fives I I mean I don't know but it's

686
00:32:41,389 --> 00:32:38,700
so many sightings uh events of stuff

687
00:32:44,389 --> 00:32:41,399
like that and then we've got the 80s and

688
00:32:47,149 --> 00:32:44,399

then we've got the 90s I mean the that

689

00:32:49,430 --> 00:32:47,159

folder there I talked about the police

690

00:32:52,310 --> 00:32:49,440

officer sighting on the 19th of January

691

00:32:53,870 --> 00:32:52,320

well if somebody had said to me do you

692

00:32:57,380 --> 00:32:53,880

know anything about any other sightings

693

00:33:01,490 --> 00:32:58,630

[Music]

694

00:33:04,250 --> 00:33:01,500

is what six or seven inches of sightings

695

00:33:07,850 --> 00:33:04,260

there for for the year and probably what

696

00:33:09,830 --> 00:33:07,860

20 for January I mean we've got 1996

697

00:33:13,730 --> 00:33:09,840

folding we've got five bloody folders

698

00:33:14,810 --> 00:33:13,740

that high of of incidents of reporting

699

00:33:18,110 --> 00:33:14,820

since

700

00:33:20,630 --> 00:33:18,120

um original cycling reports of objects

701
00:33:22,490 --> 00:33:20,640
that that are that were seen and

702
00:33:23,509 --> 00:33:22,500
reported and these aren't just lights in

703
00:33:26,389 --> 00:33:23,519
the sky

704
00:33:29,210 --> 00:33:26,399
so with this amount of information you

705
00:33:31,850 --> 00:33:29,220
wonder why the hell we can't move

706
00:33:34,370 --> 00:33:31,860
forward well why can't we get the

707
00:33:36,529 --> 00:33:34,380
government to at least acknowledge and

708
00:33:41,029 --> 00:33:36,539
in some way I suppose they do because of

709
00:33:42,769 --> 00:33:41,039
Declassified files from the mod but

710
00:33:44,990 --> 00:33:42,779
want to know

711
00:33:49,009 --> 00:33:45,000
is what are they

712
00:33:50,570 --> 00:33:49,019
and where do they come from and and

713
00:33:51,909 --> 00:33:50,580

we're not getting we're not getting that

714

00:33:55,190 --> 00:33:51,919

are we

715

00:33:57,590 --> 00:33:55,200

I mean has anybody here at a UFO

716

00:34:01,210 --> 00:33:57,600

sighting of a triangle

717

00:34:05,750 --> 00:34:01,220

yeah I wish I had my glasses off

718

00:34:13,270 --> 00:34:07,789

are you could you mind telling us this

719

00:34:20,329 --> 00:34:16,869

in in Swansea in the

720

00:34:22,510 --> 00:34:20,339

uh end of I think it was end of 98 I

721

00:34:25,430 --> 00:34:22,520

think it was there about yeah

722

00:34:28,010 --> 00:34:25,440

up towards it's a slight gradient of a

723

00:34:29,629 --> 00:34:28,020

hill and then it flattens off and

724

00:34:32,270 --> 00:34:29,639

directly in front of me with a little

725

00:34:35,510 --> 00:34:32,280

red light and I thought

726

00:34:38,089 --> 00:34:35,520

the red light was the red light from a

727

00:34:39,589 --> 00:34:38,099

TV aerial oh yeah on the top of the hill

728

00:34:41,089 --> 00:34:39,599

you know TV bar

729

00:34:43,490 --> 00:34:41,099

but then all of a sudden I realized

730

00:34:46,369 --> 00:34:43,500

there were two but as I was getting

731

00:34:49,190 --> 00:34:46,379

close to my eyes were refocused and this

732

00:34:53,389 --> 00:34:49,200

this thing was just pretty much about 15

733

00:34:56,149 --> 00:34:53,399

to 20 meters off the off the right but

734

00:34:58,970 --> 00:34:56,159

it was about 90 to 100 meters away from

735

00:35:00,530 --> 00:34:58,980

me I was driving towards it but then the

736

00:35:03,829 --> 00:35:00,540

road kind of went along to the right

737

00:35:05,810 --> 00:35:03,839

side because I was driving past it and

738

00:35:07,370 --> 00:35:05,820

it was sitting there and the back end of

739

00:35:09,650 --> 00:35:07,380

it basically

740

00:35:12,890 --> 00:35:09,660

spun around if you like so this red

741

00:35:15,290 --> 00:35:12,900

light went from up in the air to down

742

00:35:16,730 --> 00:35:15,300

onto the towards the ground I couldn't

743

00:35:19,550 --> 00:35:16,740

see the ground because it was like you

744

00:35:22,670 --> 00:35:19,560

know level twos at that point and it was

745

00:35:25,310 --> 00:35:22,680

pretty much the same height as

746

00:35:27,109 --> 00:35:25,320

um roadside lights so that there were

747

00:35:29,210 --> 00:35:27,119

two lights there and there's pretty much

748

00:35:32,930 --> 00:35:29,220

in the middle just off the road on some

749

00:35:34,190 --> 00:35:32,940

scrub lines and as I was driving past up

750

00:35:36,950 --> 00:35:34,200

to barely moved there because I was

751

00:35:38,870 --> 00:35:36,960

driving past it as were hundreds of

752

00:35:42,470 --> 00:35:38,880

other cars sometimes it was of an

753

00:35:44,390 --> 00:35:42,480

evening in October it was dark it was

754

00:35:47,270 --> 00:35:44,400

dark because it was like six o'clock

755

00:35:48,890 --> 00:35:47,280

something like that and we all pretty

756

00:35:51,829 --> 00:35:48,900

much came to a standstill and this thing

757

00:35:54,050 --> 00:35:51,839

was alongside the road and it's back in

758

00:35:56,690 --> 00:35:54,060

went back up to like an upright position

759

00:36:01,390 --> 00:35:56,700

and it just kind of gliding along the

760

00:36:04,609 --> 00:36:01,400

past us and then went off sort of um

761

00:36:07,069 --> 00:36:04,619

actually went up it was it was no nice

762

00:36:10,250 --> 00:36:07,079

no movement initially the fingers back

763

00:36:12,109 --> 00:36:10,260

spinning around I couldn't see the

764

00:36:14,390 --> 00:36:12,119

lights underneath it you know the three

765

00:36:15,950 --> 00:36:14,400

lights underneath it because of the

766

00:36:17,690 --> 00:36:15,960

street lights because they're pretty

767

00:36:18,950 --> 00:36:17,700

much parallel to the same on the side of

768

00:36:25,370 --> 00:36:18,960

it

769

00:36:26,930 --> 00:36:25,380

probably coming down

770

00:36:29,270 --> 00:36:26,940

to touch the ground I would say it's

771

00:36:31,670 --> 00:36:29,280

probably quite compatible and this thing

772

00:36:33,130 --> 00:36:31,680

kind of glided off and then passed me

773

00:36:35,690 --> 00:36:33,140

and then

774

00:36:37,130 --> 00:36:35,700

anybody else have a site you have low

775

00:36:39,890 --> 00:36:37,140

sighting I mean are you do you all

776

00:36:41,990 --> 00:36:39,900

believe in UFOs strange question yeah

777

00:36:44,290 --> 00:36:42,000

yeah because you're sporting the group

778

00:36:48,349 --> 00:36:44,300

but you all believe yeah yeah

779

00:36:49,670 --> 00:36:48,359

because of because of because of what

780

00:36:51,290 --> 00:36:49,680

you've learned and what you've read

781

00:36:54,050 --> 00:36:51,300

about yeah

782

00:36:56,030 --> 00:36:54,060

I mean for me the worrying part about

783

00:36:59,270 --> 00:36:56,040

this is first of all I I've just

784

00:37:01,430 --> 00:36:59,280

finished the police and UFOs book I've

785

00:37:03,530 --> 00:37:01,440

decided to get them printed um

786

00:37:05,990 --> 00:37:03,540

separately normally my books have gone

787

00:37:07,970 --> 00:37:06,000

through lightning Source Nielsen's and

788

00:37:11,510 --> 00:37:07,980

they've gone to Amazon

789

00:37:14,450 --> 00:37:11,520

and I'd always felt the people want as

790

00:37:16,609 --> 00:37:14,460

much information as they can so some of

791

00:37:20,990 --> 00:37:16,619

these books have been eight nine hundred

792

00:37:24,530 --> 00:37:21,000

a thousand pages in color and it's the

793

00:37:27,710 --> 00:37:24,540

biggest mistake ever made in my life

794

00:37:29,170 --> 00:37:27,720

um because with with the cost of

795

00:37:32,270 --> 00:37:29,180

printing

796

00:37:36,349 --> 00:37:32,280

some of those books

797

00:37:38,329 --> 00:37:36,359

that I've ended up but you know I know

798

00:37:41,930 --> 00:37:38,339

it sounds bizarre I've ended up having

799

00:37:42,890 --> 00:37:41,940

to pay extra money for people to buy a

800

00:37:47,270 --> 00:37:42,900

book

801
00:37:49,270 --> 00:37:47,280
um because the the painting processes

802
00:37:53,089 --> 00:37:49,280
um because the color electricity

803
00:37:55,430 --> 00:37:53,099
increases it's crazy somebody once said

804
00:37:59,390 --> 00:37:55,440
to me why can't you buy I want disguise

805
00:38:01,550 --> 00:37:59,400
books in bertrams or Smith's or

806
00:38:02,930 --> 00:38:01,560
wattersons or whatever and it's as

807
00:38:06,230 --> 00:38:02,940
simple as this

808
00:38:07,490 --> 00:38:06,240
if you publish a book and it's it's it's

809
00:38:10,250 --> 00:38:07,500
it's

810
00:38:12,890 --> 00:38:10,260
um and somebody goes to one of those um

811
00:38:18,050 --> 00:38:12,900
companies and wants to buy it

812
00:38:20,569 --> 00:38:18,060
um you have to allow 60 discount

813
00:38:23,510 --> 00:38:20,579

well sixty percent discount that means

814

00:38:26,270 --> 00:38:23,520

that I actually don't make a payment but

815

00:38:28,550 --> 00:38:26,280

actually run it a lot well it's it's one

816

00:38:31,310 --> 00:38:28,560

thing to let people buy books but but

817

00:38:34,609 --> 00:38:31,320

gotta I mean I mean I did the revised

818

00:38:39,109 --> 00:38:34,619

volume one revised volume two revised

819

00:38:41,450 --> 00:38:39,119

volume three and revise volume four and

820

00:38:43,550 --> 00:38:41,460

the oddest thing about the revised

821

00:38:46,130 --> 00:38:43,560

volume again we'll have a look at it

822

00:38:48,310 --> 00:38:46,140

we'll have a look through the one that I

823

00:38:51,829 --> 00:38:48,320

did for with the front cover from the

824

00:38:56,050 --> 00:38:51,839

1977 broadain and County Primary School

825

00:38:59,569 --> 00:38:56,060

was the book that the Buckingham Palace

826

00:39:03,050 --> 00:38:59,579

would not accept that they just did not

827

00:39:05,450 --> 00:39:03,060

it was sent recorded delivery

828

00:39:07,430 --> 00:39:05,460

um I mean in all of the books that I've

829

00:39:09,410 --> 00:39:07,440

had before they've gone to Prince Philip

830

00:39:12,349 --> 00:39:09,420

of course Prince Philip's been

831

00:39:14,390 --> 00:39:12,359

interested in UFOs I mean for God's sake

832

00:39:16,310 --> 00:39:14,400

why shouldn't you be interested David

833

00:39:19,550 --> 00:39:16,320

Cameron loved the books and he was

834

00:39:21,950 --> 00:39:19,560

interested I think anybody

835

00:39:25,730 --> 00:39:21,960

um in power

836

00:39:30,890 --> 00:39:25,740

um privately will accept UFOs exist

837

00:39:32,930 --> 00:39:30,900

because the evidence is is is undeniable

838

00:39:35,390 --> 00:39:32,940

um but why is it that it's still such an

839

00:39:36,410 --> 00:39:35,400

embarrassing thing to most people that

840

00:39:38,450 --> 00:39:36,420

guy

841

00:39:41,210 --> 00:39:38,460

talk to somebody if I talk to somebody

842

00:39:43,130 --> 00:39:41,220

and say look uh they say what do you

843

00:39:46,069 --> 00:39:43,140

what do you do what did you actually do

844

00:39:49,550 --> 00:39:46,079

and like if I say I I write books on

845

00:39:52,310 --> 00:39:49,560

UFOs they think I'm in that case so you

846

00:39:55,609 --> 00:39:52,320

know if you look at Facebook and you

847

00:39:56,990 --> 00:39:55,619

read all of these reports you might gain

848

00:39:59,510 --> 00:39:57,000

the impression that we're getting

849

00:40:02,510 --> 00:39:59,520

somewhere but as I said for the lads

850

00:40:06,530 --> 00:40:02,520

earlier we we aren't getting anywhere

851
00:40:08,810 --> 00:40:06,540
but rather than giving give up we've got

852
00:40:10,210 --> 00:40:08,820
to go forward we've got to keep on

853
00:40:13,310 --> 00:40:10,220
because

854
00:40:17,089 --> 00:40:13,320
you know so many people I've met over

855
00:40:20,810 --> 00:40:17,099
the years have been have suffered not

856
00:40:24,530 --> 00:40:20,820
only physically but also psychologically

857
00:40:26,329 --> 00:40:24,540
and I often wonder if if a sighting of

858
00:40:29,150 --> 00:40:26,339
the UFO

859
00:40:32,750 --> 00:40:29,160
um dependent on the distance or how

860
00:40:34,849 --> 00:40:32,760
close to you are will determine what is

861
00:40:38,230 --> 00:40:34,859
going to happen to you for argument's

862
00:40:42,470 --> 00:40:38,240
sake a lot of people that get close UFOs

863
00:40:44,750 --> 00:40:42,480

will have problems trying to say things

864

00:40:48,230 --> 00:40:44,760

will happen in the house electrical

865

00:40:52,430 --> 00:40:48,240

appliances mechanical appliances shadows

866

00:40:55,550 --> 00:40:52,440

will be seen it's so these things can be

867

00:40:58,370 --> 00:40:55,560

quite dangerous but for me

868

00:41:01,790 --> 00:40:58,380

um one of the most serious cases I've

869

00:41:04,310 --> 00:41:01,800

ever come across involves our friend

870

00:41:05,630 --> 00:41:04,320

from week more yeah do you want to have

871

00:41:07,970 --> 00:41:05,640

a look at that week a lot of things this

872

00:41:11,089 --> 00:41:07,980

is Doris from week more Doris from

873

00:41:15,349 --> 00:41:11,099

Wigmore harryfordshire was on her way

874

00:41:19,630 --> 00:41:15,359

home on the 31st of December 1999.

875

00:41:22,190 --> 00:41:19,640

with a door to Cheryl and as they

876

00:41:24,109 --> 00:41:22,200

entered got close to a week more this

877

00:41:27,530 --> 00:41:24,119

thing appeared over their heads and

878

00:41:30,349 --> 00:41:27,540

followed their vehicle well objects that

879

00:41:34,010 --> 00:41:30,359

follow vehicles I I won't use the word

880

00:41:37,730 --> 00:41:34,020

10 a penny but by God out in the county

881

00:41:40,910 --> 00:41:37,740

I've got so many reports from them and

882

00:41:43,930 --> 00:41:40,920

on this occasion when she got home she

883

00:41:47,569 --> 00:41:43,940

had this huge blister on her chest

884

00:41:50,630 --> 00:41:47,579

and she went to the doctors she reported

885

00:41:52,550 --> 00:41:50,640

it so please she went on a radio station

886

00:41:56,030 --> 00:41:52,560

and um

887

00:41:59,510 --> 00:41:56,040

it it was horrifying and she said to me

888

00:42:02,450 --> 00:41:59,520

John said you could put your fist in the

889

00:42:05,450 --> 00:42:02,460

hole in the chest and it was it was

890

00:42:07,609 --> 00:42:05,460

patched up she went to see the doctor uh

891

00:42:11,030 --> 00:42:07,619

as I say other doctor and they said they

892

00:42:13,130 --> 00:42:11,040

couldn't understand they could they they

893

00:42:16,609 --> 00:42:13,140

they accepted that she'd had the

894

00:42:19,910 --> 00:42:16,619

sighting but they treated me with a bit

895

00:42:21,950 --> 00:42:19,920

of Suspicion I suppose but she's not the

896

00:42:25,790 --> 00:42:21,960

only lady I'm not the only guy I've come

897

00:42:27,710 --> 00:42:25,800

across tons of people like this so I

898

00:42:29,870 --> 00:42:27,720

think this is pretty serious stuff this

899

00:42:32,150 --> 00:42:29,880

isn't just a few lights in the sky and

900

00:42:34,430 --> 00:42:32,160

laughing and giggling and this is really

901
00:42:38,750 --> 00:42:34,440
worrying stuff and the other thing with

902
00:42:42,829 --> 00:42:38,760
a lot of cases right safety case in 1954

903
00:42:44,329 --> 00:42:42,839
a guy called Nigel frappel you can look

904
00:42:45,290 --> 00:42:44,339
him up on the Internet he was on the way

905
00:42:48,589 --> 00:42:45,300
home

906
00:42:51,050 --> 00:42:48,599
been to a dance and he saw this landed

907
00:42:53,690 --> 00:42:51,060
object in a field and I went down the

908
00:42:57,109 --> 00:42:53,700
interviewing years ago he's from he's

909
00:42:59,510 --> 00:42:57,119
from the what Wiltshire area and he he

910
00:43:02,870 --> 00:42:59,520
didn't want anybody he told his brother

911
00:43:06,050 --> 00:43:02,880
and his brother phoned up the BBC so in

912
00:43:09,170 --> 00:43:06,060
those days the BBC fans turned with a

913
00:43:11,630 --> 00:43:09,180

big loud speaker on the top and they

914

00:43:13,430 --> 00:43:11,640

published an article on him and he had

915

00:43:16,069 --> 00:43:13,440

two guys come to see him and these two

916

00:43:19,490 --> 00:43:16,079

men said um look

917

00:43:23,750 --> 00:43:19,500

if you don't keep your mouth shut like

918

00:43:26,569 --> 00:43:23,760

we will shut it for you so he did shut

919

00:43:28,630 --> 00:43:26,579

it shut it for many years and then he's

920

00:43:33,050 --> 00:43:28,640

not the only one

921

00:43:35,750 --> 00:43:33,060

another similar psychic took place in um

922

00:43:38,210 --> 00:43:35,760

in Suffolk involving a guy called Mr

923

00:43:39,950 --> 00:43:38,220

Frost and his wife and they saw this

924

00:43:42,530 --> 00:43:39,960

triangular object come over they

925

00:43:44,930 --> 00:43:42,540

reported it to the police and they had a

926
00:43:47,089 --> 00:43:44,940
visit by two men and told him the same

927
00:43:48,829 --> 00:43:47,099
thing so who are these guys where do

928
00:43:52,910 --> 00:43:48,839
they come from

929
00:43:54,670 --> 00:43:52,920
um I mean we would also look at in the

930
00:43:59,270 --> 00:43:54,680
latest police book

931
00:44:03,650 --> 00:43:59,280
but the one from Burma which Chris Rolfe

932
00:44:07,190 --> 00:44:03,660
from the UFO MEC he researched into this

933
00:44:13,870 --> 00:44:07,200
was the Michael Howard's uh house he was

934
00:44:20,329 --> 00:44:17,150
I can't remember the day but uh but

935
00:44:23,089 --> 00:44:20,339
certainly 2007 or something

936
00:44:26,089 --> 00:44:23,099
um but that that was a very interesting

937
00:44:28,370 --> 00:44:26,099
uh sighting now you might say okay we

938
00:44:31,910 --> 00:44:28,380

can research sightings we interviewed

939

00:44:35,210 --> 00:44:31,920

the witnesses but again as with the

940

00:44:37,790 --> 00:44:35,220

Mansfield UFO crash I'm trying to keep

941

00:44:41,630 --> 00:44:37,800

my thoughts together here a similar

942

00:44:44,150 --> 00:44:41,640

chain of events happened where they were

943

00:44:45,589 --> 00:44:44,160

threatened and intimidated the one at

944

00:44:49,490 --> 00:44:45,599

Burma Marsh

945

00:44:52,190 --> 00:44:49,500

that was uh that was sort of as as Chris

946

00:44:54,530 --> 00:44:52,200

has told me you know you might find

947

00:44:57,770 --> 00:44:54,540

you've got a trouble with your phone and

948

00:44:59,809 --> 00:44:57,780

you get the the BT or GPO as it was in

949

00:45:02,150 --> 00:44:59,819

there they'll look at the phone and

950

00:45:05,270 --> 00:45:02,160

they'll say there's there's nothing

951
00:45:06,829 --> 00:45:05,280
wrong with the phone but then you you're

952
00:45:08,630 --> 00:45:06,839
getting them in again and they'll say

953
00:45:10,370 --> 00:45:08,640
this there's something happening here

954
00:45:12,650 --> 00:45:10,380
and

955
00:45:15,109 --> 00:45:12,660
at the end of day that their phones have

956
00:45:18,349 --> 00:45:15,119
been tapped now who taxed these folks

957
00:45:21,650 --> 00:45:18,359
who gets authorization and again they

958
00:45:24,890 --> 00:45:21,660
were threatened so you know make no

959
00:45:27,890 --> 00:45:24,900
mistakes about this this is a pretty uh

960
00:45:32,390 --> 00:45:27,900
disturbing and frightening situation

961
00:45:35,930 --> 00:45:32,400
which has gone on for many years and for

962
00:45:38,450 --> 00:45:35,940
me publicizing it is what we obviously

963
00:45:40,750 --> 00:45:38,460

what we should be doing because who are

964

00:45:43,730 --> 00:45:40,760

these people

965

00:45:47,750 --> 00:45:43,740

how can they do things like this but of

966

00:45:51,470 --> 00:45:47,760

course they do I mean we will see

967

00:45:52,550 --> 00:45:51,480

shortly uh an alleged impact and that

968

00:45:59,470 --> 00:45:52,560

was

969

00:46:03,829 --> 00:45:59,480

she's still living Elaine weight from

970

00:46:07,370 --> 00:46:03,839

Southall in London and she had some

971

00:46:11,390 --> 00:46:07,380

sightings when she was a child

972

00:46:15,589 --> 00:46:11,400

of UFOs but the house and

973

00:46:20,210 --> 00:46:15,599

um subsequently in 1995 she felt

974

00:46:24,290 --> 00:46:22,790

like using this Loop hello I'm still

975

00:46:27,109 --> 00:46:24,300

there yeah

976

00:46:31,790 --> 00:46:27,119

um yeah this thing came out of her nose

977

00:46:38,089 --> 00:46:35,329

tissue and we actually had that examined

978

00:46:40,309 --> 00:46:38,099

at Manchester University and Professor

979

00:46:42,890 --> 00:46:40,319

Lorimer said it was made to hide for

980

00:46:44,690 --> 00:46:42,900

carbon it was the strangest thing he'd

981

00:46:46,190 --> 00:46:44,700

ever seen in his life

982

00:46:49,730 --> 00:46:46,200

see so

983

00:46:52,790 --> 00:46:49,740

and she

984

00:46:54,190 --> 00:46:52,800

she actually had a lot of attention by

985

00:46:57,349 --> 00:46:54,200

the mod

986

00:47:00,530 --> 00:46:57,359

who followed her around now I know that

987

00:47:03,410 --> 00:47:00,540

because because well let me say I know

988

00:47:05,750 --> 00:47:03,420

they followed her around but I suppose

989

00:47:08,390 --> 00:47:05,760

if you talk to the likes of Nick Pope

990

00:47:11,510 --> 00:47:08,400

very nice man he would probably say the

991

00:47:12,550 --> 00:47:11,520

mod didn't investigate or get involved

992

00:47:16,910 --> 00:47:12,560

inside

993

00:47:20,510 --> 00:47:16,920

that but I do know that they did

994

00:47:23,990 --> 00:47:20,520

followed her and she she represented

995

00:47:27,170 --> 00:47:24,000

intimidation but a lot of them letters

996

00:47:30,410 --> 00:47:27,180

were tampered with now again Timothy

997

00:47:32,390 --> 00:47:30,420

good Philip mantle others including

998

00:47:34,730 --> 00:47:32,400

grain Birdsall

999

00:47:37,490 --> 00:47:34,740

um their letters were tampered with some

1000

00:47:39,109 --> 00:47:37,500

one people come with letters anyway when

1001

00:47:41,270 --> 00:47:39,119

they could just open them up have a look

1002

00:47:44,089 --> 00:47:41,280

inside and reseal them but it's like

1003

00:47:47,050 --> 00:47:44,099

getting a message across and so many

1004

00:47:49,849 --> 00:47:47,060

people I've spoke to have had similar

1005

00:47:50,650 --> 00:47:49,859

problems so but the thing with Elaine

1006

00:47:54,290 --> 00:47:50,660

weight

1007

00:47:57,010 --> 00:47:54,300

is that she had a lot of trouble with

1008

00:48:00,650 --> 00:47:57,020

letters going missing from the house

1009

00:48:04,069 --> 00:48:00,660

and bogus post office workers that would

1010

00:48:06,589 --> 00:48:04,079

come into the house so she even wrote To

1011

00:48:08,870 --> 00:48:06,599

Remember in all his mind instead of the

1012

00:48:12,829 --> 00:48:08,880

papers she even wrote to baroness

1013

00:48:17,750 --> 00:48:12,839

Gardner about it and Mariners Trixie

1014

00:48:20,710 --> 00:48:17,760

Gardener and this was this was

1015

00:48:23,870 --> 00:48:20,720

discussed and she was complaining about

1016

00:48:26,450 --> 00:48:23,880

a phone being attacked and then she had

1017

00:48:29,150 --> 00:48:26,460

a letter back to say from Bonus Gardner

1018

00:48:31,630 --> 00:48:29,160

to say that we can't can we can't

1019

00:48:36,530 --> 00:48:31,640

confirm or deny that your your your

1020

00:48:39,109 --> 00:48:36,540

phone was attacked but that is that is

1021

00:48:41,930 --> 00:48:39,119

up to the government isn't it so yeah

1022

00:48:45,050 --> 00:48:41,940

why why did she attract that sort of

1023

00:48:49,130 --> 00:48:45,060

attention what because she saw a UFO or

1024

00:48:53,030 --> 00:48:49,140

I I I don't understand but it is

1025

00:48:58,190 --> 00:48:53,040

um it happens all the time particularly

1026

00:49:01,550 --> 00:48:58,200

where such as the Mansfield crash even

1027

00:49:04,490 --> 00:49:01,560

the randlesham case and then the Burma

1028

00:49:06,910 --> 00:49:04,500

case and other instruments including

1029

00:49:09,410 --> 00:49:06,920

England police officers from Manchester

1030

00:49:12,230 --> 00:49:09,420

whose cited the UFO

1031

00:49:15,410 --> 00:49:12,240

even photographed it well we've got the

1032

00:49:18,410 --> 00:49:15,420

photograph here and we're then told by

1033

00:49:20,270 --> 00:49:18,420

two men keeping gobs show shut up or

1034

00:49:23,210 --> 00:49:20,280

something will happen so who are these

1035

00:49:25,970 --> 00:49:23,220

people so why do they go to these

1036

00:49:27,170 --> 00:49:25,980

lengths I don't I don't understand

1037

00:49:28,370 --> 00:49:27,180

because

1038

00:49:30,109 --> 00:49:28,380

um

1039

00:49:32,930 --> 00:49:30,119

we all need to know what these things

1040

00:49:34,550 --> 00:49:32,940

are and where they come from but I'll

1041

00:49:37,010 --> 00:49:34,560

just look at my watch and see how we're

1042

00:49:39,650 --> 00:49:37,020

doing shows

1043

00:49:40,970 --> 00:49:39,660

thank God it's five to nine I was told

1044

00:49:44,170 --> 00:49:40,980

that you're having a break at nine

1045

00:49:49,329 --> 00:49:47,329

oh ten past nine right and his drinks

1046

00:49:54,290 --> 00:49:49,339

all around is it

1047

00:49:56,870 --> 00:49:54,300

not okay so in a way I I apologize to

1048

00:50:00,470 --> 00:49:56,880

you for the way I'm presenting this but

1049

00:50:03,829 --> 00:50:00,480

I don't want to be I don't want to read

1050

00:50:10,309 --> 00:50:03,839

all the stuff because I think

1051
00:50:16,190 --> 00:50:11,950
you got it

1052
00:50:27,190 --> 00:50:16,200
[Music]

1053
00:50:31,970 --> 00:50:30,230
okay I mean we've got lots of Margaret

1054
00:50:35,270 --> 00:50:31,980
fries Leicester Cottons absolutely

1055
00:50:38,870 --> 00:50:35,280
lovely lady she had a fantastic sighting

1056
00:50:42,069 --> 00:50:38,880
in 1955 and

1057
00:50:49,849 --> 00:50:45,770
she she went returned to the Sea and

1058
00:50:52,790 --> 00:50:49,859
site and Betsy I think it was 2007 and I

1059
00:50:55,609 --> 00:50:52,800
went down with her and basically she was

1060
00:50:57,950 --> 00:50:55,619
trying to contact the children that have

1061
00:51:00,290 --> 00:50:57,960
seen this this object because what had

1062
00:51:02,150 --> 00:51:00,300
happened she was on on the way as I said

1063
00:51:04,430 --> 00:51:02,160

before the doctor regards that they get

1064

00:51:07,910 --> 00:51:04,440

some medicine for his son

1065

00:51:10,370 --> 00:51:07,920

and they saw the sources saved object

1066

00:51:11,870 --> 00:51:10,380

um after the break I promise you we will

1067

00:51:13,730 --> 00:51:11,880

get a little crack on we're getting

1068

00:51:14,930 --> 00:51:13,740

these illustrations and bits of films

1069

00:51:16,790 --> 00:51:14,940

and things

1070

00:51:19,010 --> 00:51:16,800

um she saw this hovering above the road

1071

00:51:21,470 --> 00:51:19,020

a few feet off the road and it was a

1072

00:51:23,450 --> 00:51:21,480

classic what what we would call an

1073

00:51:25,970 --> 00:51:23,460

adansky

1074

00:51:28,670 --> 00:51:25,980

um shaped object and years ago I thought

1075

00:51:31,490 --> 00:51:28,680

that George danced his stuff was I

1076
00:51:34,609 --> 00:51:31,500
thought it was fake but now people have

1077
00:51:36,829 --> 00:51:34,619
described the adamski type craft with

1078
00:51:39,890 --> 00:51:36,839
the three going back to number three

1079
00:51:42,230 --> 00:51:39,900
again the three Globes set in the basis

1080
00:51:44,750 --> 00:51:42,240
of the base of the craft in a

1081
00:51:47,030 --> 00:51:44,760
hemispherical position forming a

1082
00:51:50,930 --> 00:51:47,040
triangle yeah I mean that's weird but

1083
00:51:54,710 --> 00:51:50,940
that's what that's what Margaret saw and

1084
00:51:57,650 --> 00:51:54,720
um she she as I say she um she reported

1085
00:52:00,109 --> 00:51:57,660
it and subsequently when we went down

1086
00:52:04,430 --> 00:52:00,119
there it was already traced a copper

1087
00:52:06,829 --> 00:52:04,440
called Jim streaks passed away and Jim's

1088
00:52:09,290 --> 00:52:06,839

guy and he said he was on duty in the

1089

00:52:12,290 --> 00:52:09,300

police station and these people came in

1090

00:52:14,089 --> 00:52:12,300

and they complained about a UFO that had

1091

00:52:17,030 --> 00:52:14,099

been seen in the streets and he said to

1092

00:52:19,549 --> 00:52:17,040

research and the flying Source or UFO

1093

00:52:22,970 --> 00:52:19,559

and the sergeant said look for God's

1094

00:52:25,490 --> 00:52:22,980

sake PC streak he said are you mad he

1095

00:52:27,410 --> 00:52:25,500

said these things don't exist but Jim

1096

00:52:29,450 --> 00:52:27,420

decided to go and have a look so I went

1097

00:52:32,329 --> 00:52:29,460

up to the location

1098

00:52:35,150 --> 00:52:32,339

and he saw these men very officious men

1099

00:52:37,849 --> 00:52:35,160

clipboards making notes and he thought

1100

00:52:40,490 --> 00:52:37,859

oh this is right above my pay grade so

1101
00:52:43,430 --> 00:52:40,500
he didn't get involved then we traced

1102
00:52:46,190 --> 00:52:43,440
another guy Rodney Maynard who was on

1103
00:52:49,430 --> 00:52:46,200
duty the day before unlike copper sorry

1104
00:52:52,190 --> 00:52:49,440
he was doing some work on a local Culver

1105
00:52:55,010 --> 00:52:52,200
and he saw what appears to be an

1106
00:52:56,109 --> 00:52:55,020
identical object hovering just above the

1107
00:53:00,890 --> 00:52:56,119
ground

1108
00:53:02,150 --> 00:53:00,900
and um he he then uh found out a few

1109
00:53:04,490 --> 00:53:02,160
days later

1110
00:53:07,250 --> 00:53:04,500
he was covered in these blotches and

1111
00:53:08,930 --> 00:53:07,260
marks and certain folk high heels and

1112
00:53:10,910 --> 00:53:08,940
then a copper came to see him and he

1113
00:53:13,130 --> 00:53:10,920

said he said I'll give you some advice

1114

00:53:16,069 --> 00:53:13,140

one to keep your Gob shirt don't say

1115

00:53:18,190 --> 00:53:16,079

anything about it well lovely didn't uh

1116

00:53:21,049 --> 00:53:18,200

and then we we found some other

1117

00:53:24,230 --> 00:53:21,059

Witnesses including some children that

1118

00:53:27,530 --> 00:53:24,240

beaten while school it's all seen it

1119

00:53:29,690 --> 00:53:27,540

with the staff and pupils shades of

1120

00:53:32,270 --> 00:53:29,700

um broad Aiden County Primary School

1121

00:53:33,950 --> 00:53:32,280

this thing hovering and it's not

1122

00:53:34,870 --> 00:53:33,960

dissimilating it was hovering over the

1123

00:53:37,549 --> 00:53:34,880

school

1124

00:53:40,790 --> 00:53:37,559

so we we've got evidence from them

1125

00:53:44,270 --> 00:53:40,800

plenty of evidence and I think it was

1126
00:53:44,990 --> 00:53:44,280
the The Local News Shopper

1127
00:53:47,210 --> 00:53:45,000
um

1128
00:53:50,569 --> 00:53:47,220
actually published

1129
00:53:52,250 --> 00:53:50,579
um an article about it and there you go

1130
00:53:55,210 --> 00:53:52,260
you've got this the Margaret who's

1131
00:53:59,030 --> 00:53:55,220
suffering not well suffering from

1132
00:54:02,630 --> 00:53:59,040
breast cancer was down there sticking

1133
00:54:07,670 --> 00:54:02,640
letters through doors of households

1134
00:54:08,630 --> 00:54:07,680
trying to find children from 1955 who

1135
00:54:14,450 --> 00:54:08,640
could

1136
00:54:17,510 --> 00:54:14,460
she'd seen and I think you know people

1137
00:54:20,329 --> 00:54:17,520
like that is what it's all about she had

1138
00:54:21,950 --> 00:54:20,339

a passion she had dedication she was

1139

00:54:26,030 --> 00:54:21,960

very much involved with the Berlin

1140

00:54:28,910 --> 00:54:26,040

Mountain case with with Scott Felton and

1141

00:54:30,710 --> 00:54:28,920

and really one of the reasons why I

1142

00:54:33,770 --> 00:54:30,720

write these books and why I keep

1143

00:54:37,010 --> 00:54:33,780

catalogs are these people is they their

1144

00:54:39,530 --> 00:54:37,020

Endeavors should be honored because

1145

00:54:42,530 --> 00:54:39,540

without them what have we got you know

1146

00:54:43,970 --> 00:54:42,540

we haven't got a lot at all but she

1147

00:54:46,730 --> 00:54:43,980

should say she was a lovely at age

1148

00:54:50,750 --> 00:54:46,740

there's quite a few strange sightings

1149

00:54:53,530 --> 00:54:50,760

and that I look back as you do when you

1150

00:54:55,849 --> 00:54:53,540

think of people

1151
00:54:57,490 --> 00:54:55,859
incidents and one of them when she was

1152
00:55:00,170 --> 00:54:57,500
at bexleyheath

1153
00:55:02,410 --> 00:55:00,180
when we went down there to sort of a

1154
00:55:06,589 --> 00:55:02,420
reunion as such

1155
00:55:08,530 --> 00:55:06,599
we stayed a crook Lodge hotel and I

1156
00:55:17,410 --> 00:55:08,540
think about one o'clock in the morning

1157
00:55:24,770 --> 00:55:20,750
I went to the the toilet on the landing

1158
00:55:27,410 --> 00:55:24,780
and the doors slightly ajar no light so

1159
00:55:31,010 --> 00:55:27,420
I pushed open the door and put my hand

1160
00:55:34,250 --> 00:55:31,020
to get the switch and I felt a whack and

1161
00:55:36,770 --> 00:55:34,260
a scream and she was sat on the toilet

1162
00:55:39,530 --> 00:55:36,780
and she hit my bloody handles hardly she

1163
00:55:41,770 --> 00:55:39,540

shouldn't get out so I said it's me

1164

00:55:44,510 --> 00:55:41,780

Margaret she says

1165

00:55:47,089 --> 00:55:44,520

why would somebody why would the ladies

1166

00:55:49,450 --> 00:55:47,099

sit in the darkness on the toilet but I

1167

00:55:52,549 --> 00:55:49,460

I remember things like that as you do

1168

00:55:54,890 --> 00:55:52,559

and as I say she was a lovely lady

1169

00:55:56,510 --> 00:55:54,900

another thing she said and then I was

1170

00:55:58,910 --> 00:55:56,520

sounding boring and you'll see it on the

1171

00:56:01,790 --> 00:55:58,920

pizza she said John why haven't used

1172

00:56:04,910 --> 00:56:01,800

that photo of me she said because she's

1173

00:56:07,309 --> 00:56:04,920

and you can see from the photo the the

1174

00:56:10,430 --> 00:56:07,319

one of her breasts had dropped because

1175

00:56:13,490 --> 00:56:10,440

she's had a Massac to me I didn't know I

1176
00:56:15,770 --> 00:56:13,500
took a photo children she said John I

1177
00:56:17,990 --> 00:56:15,780
don't mind using that phone so but let

1178
00:56:22,130 --> 00:56:18,000
people know and I thought what a lovely

1179
00:56:23,450 --> 00:56:22,140
lady you know she she's an asset to you

1180
00:56:24,010 --> 00:56:23,460
know to

1181
00:56:32,170 --> 00:56:24,020
to

1182
00:56:34,930 --> 00:56:32,180
and she died

1183
00:56:38,510 --> 00:56:34,940
she died about six or seven months ago

1184
00:56:42,829 --> 00:56:38,520
and myself and Scott developed and went

1185
00:56:45,770 --> 00:56:42,839
to the to the funeral and uh sadly she

1186
00:56:49,609 --> 00:56:45,780
left me the left the English stuff to me

1187
00:56:52,010 --> 00:56:49,619
the Welsh started to stop but sadly it

1188
00:56:55,250 --> 00:56:52,020

had already gone

1189

00:56:58,370 --> 00:56:55,260

um so I won't mention it hard yet but

1190

00:57:00,650 --> 00:56:58,380

it's uh but that's how it is so that's

1191

00:57:01,670 --> 00:57:00,660

that that's that lady there

1192

00:57:04,990 --> 00:57:01,680

um

1193

00:57:09,530 --> 00:57:05,000

but yeah going back to say Prince Philip

1194

00:57:12,230 --> 00:57:09,540

my my ex father-in-law served on HMS

1195

00:57:14,270 --> 00:57:12,240

Kelly uh and the Lord willing about

1196

00:57:17,150 --> 00:57:14,280

Batman of course Lord Louis Man Batman

1197

00:57:19,690 --> 00:57:17,160

was interested in UFOs because I do have

1198

00:57:22,609 --> 00:57:19,700

information on some of the the

1199

00:57:25,190 --> 00:57:22,619

ex-shipmakes that were that then went

1200

00:57:27,650 --> 00:57:25,200

into left the Navy then went into the

1201
00:57:31,790 --> 00:57:27,660
receivers of course and they were

1202
00:57:35,089 --> 00:57:31,800
involved with him and um it's it's it's

1203
00:57:38,150 --> 00:57:35,099
pretty clear that he why not I I

1204
00:57:41,809 --> 00:57:38,160
understand that he had UFO files and

1205
00:57:43,849 --> 00:57:41,819
reports while he was on a board ship and

1206
00:57:46,609 --> 00:57:43,859
that's to say that's a lord moving out

1207
00:57:49,970 --> 00:57:46,619
back and then we have Prince Philip who

1208
00:57:52,370 --> 00:57:49,980
was very much interested in but but even

1209
00:57:55,549 --> 00:57:52,380
I think the newspapers gave one little

1210
00:57:57,349 --> 00:57:55,559
mention about uh about Prince Philip and

1211
00:57:59,270 --> 00:57:57,359
his interest in reading the whole group

1212
00:58:02,930 --> 00:57:59,280
of guys books

1213
00:58:05,089 --> 00:58:02,940

but uh I I don't know what happened with

1214

00:58:07,190 --> 00:58:05,099

the revised volume you see the cover and

1215

00:58:09,170 --> 00:58:07,200

you see it would be able to to look at

1216

00:58:13,430 --> 00:58:09,180

some of the stuff in there I don't know

1217

00:58:15,950 --> 00:58:13,440

why the palace the guy the guy he's he's

1218

00:58:18,530 --> 00:58:15,960

secretary Prince Phillip's secretary was

1219

00:58:20,630 --> 00:58:18,540

a guy called Brigadier Archie Miller

1220

00:58:23,329 --> 00:58:20,640

bate or very posh

1221

00:58:25,609 --> 00:58:23,339

the only photo I could find of him was a

1222

00:58:26,329 --> 00:58:25,619

Prince Philip's funeral which was at the

1223

00:58:30,710 --> 00:58:26,339

paper

1224

00:58:33,049 --> 00:58:30,720

I I as I say I had letters from him

1225

00:58:35,690 --> 00:58:33,059

um thanking me for the books but when I

1226

00:58:38,750 --> 00:58:35,700

sent the broad Haven if you like

1227

00:58:41,630 --> 00:58:38,760

broadhaven book celebrating the Queen's

1228

00:58:43,190 --> 00:58:41,640

uh Jubilee

1229

00:58:45,950 --> 00:58:43,200

nothing

1230

00:58:49,789 --> 00:58:45,960

and I I sent two more lectures in

1231

00:58:53,630 --> 00:58:49,799

another book I got nothing so

1232

00:58:55,789 --> 00:58:53,640

I I think it's because there was a

1233

00:58:58,789 --> 00:58:55,799

picture of an alien on the front cover

1234

00:59:01,250 --> 00:58:58,799

but that wasn't drawn by me that was one

1235

00:59:04,910 --> 00:59:01,260

of the kids at broadland County Primary

1236

00:59:07,390 --> 00:59:04,920

School that Drew it so you would think I

1237

00:59:11,089 --> 00:59:07,400

I suppose they have that right

1238

00:59:11,750 --> 00:59:11,099

as a royal family they have the right to

1239

00:59:13,730 --> 00:59:11,760

um

1240

00:59:17,270 --> 00:59:13,740

just ignore you

1241

00:59:20,030 --> 00:59:17,280

just fail to answer your letters but I

1242

00:59:22,849 --> 00:59:20,040

was pretty paid off actually because

1243

00:59:25,849 --> 00:59:22,859

I've gone to a lot of trouble to

1244

00:59:28,490 --> 00:59:25,859

research into that and it's uh it's

1245

00:59:30,650 --> 00:59:28,500

certainly a fascinating book again with

1246

00:59:32,930 --> 00:59:30,660

the Wiltshire book The Wiltshire book I

1247

00:59:35,390 --> 00:59:32,940

spent a lot of years in Wiltshire Indian

1248

00:59:38,930 --> 00:59:35,400

people keeping by the side of the road

1249

00:59:41,329 --> 00:59:38,940

to tell many funny stories about that

1250

00:59:43,970 --> 00:59:41,339

um and I thought oh this is fantastic

1251
00:59:46,010 --> 00:59:43,980
and it is and it was in fact we've got

1252
00:59:48,670 --> 00:59:46,020
to get out of the hinge Bookshop in ay3

1253
00:59:52,549 --> 00:59:48,680
because

1254
00:59:53,870 --> 00:59:52,559
the book was published in 2016 so we

1255
00:59:59,690 --> 00:59:53,880
couldn't get

1256
01:00:02,030 --> 00:59:59,700
all I can do is take a book down there

1257
01:00:03,530 --> 01:00:02,040
and then tell people to try and buy it

1258
01:00:08,270 --> 01:00:03,540
because it was the best book you could

1259
01:00:10,370 --> 01:00:08,280
ever get I mean shuttlewood family so

1260
01:00:11,890 --> 01:00:10,380
many others we interviewed and track

1261
01:00:14,569 --> 01:00:11,900
people down

1262
01:00:16,910 --> 01:00:14,579
but not one of the newspapers was

1263
01:00:20,450 --> 01:00:16,920

interested nobody's interested in the

1264

01:00:22,670 --> 01:00:20,460

books that I do so if it must tell you

1265

01:00:25,089 --> 01:00:22,680

something that they perhaps it

1266

01:00:27,829 --> 01:00:25,099

represents a threat or I don't know

1267

01:00:29,270 --> 01:00:27,839

because they're well they're well

1268

01:00:34,430 --> 01:00:29,280

researched

1269

01:00:36,410 --> 01:00:34,440

I I I I I I I I thought as much as I can

1270

01:00:39,289 --> 01:00:36,420

into them

1271

01:00:43,250 --> 01:00:39,299

um but not the sort of books that they

1272

01:00:45,430 --> 01:00:43,260

particularly like I I don't know a

1273

01:00:48,309 --> 01:00:45,440

wheelchair book is a good one isn't it

1274

01:00:53,289 --> 01:00:48,319

are you ready

1275

01:00:56,690 --> 01:00:53,299

I haven't really either no but yeah

1276

01:00:59,630 --> 01:00:56,700

are you expect a free one oh God yeah

1277

01:01:02,569 --> 01:00:59,640

but but I've enjoyed it you know for me

1278

01:01:04,549 --> 01:01:02,579

it's meeting people and it's meeting I

1279

01:01:07,789 --> 01:01:04,559

want you to guys guys and girls things

1280

01:01:10,910 --> 01:01:07,799

but he's making you tonight and it's

1281

01:01:15,170 --> 01:01:10,920

such a pleasure to come here and talk

1282

01:01:17,230 --> 01:01:15,180

and then you know if I if we had not if

1283

01:01:21,770 --> 01:01:17,240

we got all day

1284

01:01:23,990 --> 01:01:21,780

okay then everyone did anybody eat ever

1285

01:01:26,390 --> 01:01:24,000

meet Omar Fowler

1286

01:01:30,470 --> 01:01:26,400

who we know of him

1287

01:01:34,250 --> 01:01:30,480

he he's a researcher from sorry sorry

1288

01:01:38,410 --> 01:01:34,260

Gap many years ago and then he came up

1289

01:01:43,510 --> 01:01:41,289

okay right okay then

1290

01:01:46,190 --> 01:01:43,520

start again

1291

01:01:48,770 --> 01:01:46,200

the can you see the picture again you

1292

01:01:50,510 --> 01:01:48,780

can this is Mr Omar Farrell what we're

1293

01:01:51,770 --> 01:01:50,520

going to do is crack on this is a lot to

1294

01:01:53,990 --> 01:01:51,780

do

1295

01:01:58,309 --> 01:01:54,000

um he was originally with a group called

1296

01:02:01,430 --> 01:01:58,319

uh side Gap from sorry uh and in fact

1297

01:02:03,109 --> 01:02:01,440

one of the incidents he was involved in

1298

01:02:05,210 --> 01:02:03,119

and bearing in mind we're talking from

1299

01:02:07,430 --> 01:02:05,220

remembrance not from any of the books

1300

01:02:09,349 --> 01:02:07,440

and stuff when the incidents are

1301

01:02:11,930 --> 01:02:09,359

involved I think it was Caravelle

1302

01:02:15,950 --> 01:02:11,940

airliner with

1303

01:02:18,250 --> 01:02:15,960

um an actress a grease actress who was

1304

01:02:21,589 --> 01:02:18,260

on the plane the number of other people

1305

01:02:24,170 --> 01:02:21,599

uh When the UFO was seen about five

1306

01:02:26,930 --> 01:02:24,180

miles away

1307

01:02:29,870 --> 01:02:26,940

um subsequently of course the airline

1308

01:02:33,589 --> 01:02:29,880

has just dropped down into a field of

1309

01:02:36,410 --> 01:02:33,599

sheep and blew to pieces and

1310

01:02:37,849 --> 01:02:36,420

um everybody on board the airline it was

1311

01:02:40,309 --> 01:02:37,859

killed

1312

01:02:43,970 --> 01:02:40,319

um I actually managed to trace some of

1313

01:02:47,150 --> 01:02:43,980

the police Cadets that were asked to go

1314

01:02:50,230 --> 01:02:47,160

and help in the clear and what they saw

1315

01:02:54,049 --> 01:02:50,240

of course altered their lives forever

1316

01:02:57,410 --> 01:02:54,059

and I know that Omar had put in there

1317

01:02:59,329 --> 01:02:57,420

was a newspaper article asking if any

1318

01:03:01,549 --> 01:02:59,339

other Witnesses could come forward but

1319

01:03:04,309 --> 01:03:01,559

this was a typical saucer-shaped object

1320

01:03:06,789 --> 01:03:04,319

and it was seen a few miles away from

1321

01:03:09,490 --> 01:03:06,799

where the plane

1322

01:03:13,789 --> 01:03:09,500

crashed and they were never able to

1323

01:03:17,030 --> 01:03:13,799

discover the source or how this incident

1324

01:03:20,089 --> 01:03:17,040

have happened but I certainly don't

1325

01:03:20,990 --> 01:03:20,099

believe that UFOs deliberately if you

1326

01:03:21,849 --> 01:03:21,000

like

1327

01:03:24,530 --> 01:03:21,859

um

1328

01:03:27,890 --> 01:03:24,540

deliberately singular aircraft but

1329

01:03:31,250 --> 01:03:27,900

sometimes if a UFO gets close to an

1330

01:03:34,130 --> 01:03:31,260

aircraft some quite frightening things

1331

01:03:38,589 --> 01:03:34,140

could happen so that's Omar I met him

1332

01:03:42,410 --> 01:03:38,599

again at um Gordon Creighton's funeral

1333

01:03:45,049 --> 01:03:42,420

Gordon craigner was was the young he was

1334

01:03:47,030 --> 01:03:45,059

the editor of flying saucer review went

1335

01:03:49,609 --> 01:03:47,040

to see him down in rickmansworth

1336

01:03:51,710 --> 01:03:49,619

Hertfordshire many years ago had one

1337

01:03:54,829 --> 01:03:51,720

folder with me he was sufficiently

1338

01:03:56,030 --> 01:03:54,839

impressed to make me a consultant for

1339

01:03:59,510 --> 01:03:56,040

FSR

1340

01:04:01,609 --> 01:03:59,520

and what a lovely guy I think we

1341

01:04:04,670 --> 01:04:01,619

mentioned that when he was 91 years of

1342

01:04:06,710 --> 01:04:04,680

age he was involved in a car accident he

1343

01:04:09,230 --> 01:04:06,720

was still in the hospital Ward and he

1344

01:04:12,349 --> 01:04:09,240

was doing still doing Flying sorts at

1345

01:04:15,170 --> 01:04:12,359

review with the FSR and I think there

1346

01:04:18,190 --> 01:04:15,180

was some copies go in there that's a

1347

01:04:21,770 --> 01:04:18,200

very professionally run

1348

01:04:25,370 --> 01:04:21,780

organization uh with with most of the

1349

01:04:29,930 --> 01:04:25,380

people involved were consultants for

1350

01:04:32,710 --> 01:04:29,940

scientific bodies and very professional

1351

01:04:36,950 --> 01:04:32,720

men so the

1352

01:04:40,549 --> 01:04:36,960

bizarrely probably what 10 years ago

1353

01:04:42,289 --> 01:04:40,559

uh Gordon's son asked me if I would be

1354

01:04:46,670 --> 01:04:42,299

the head to sort of find sorts of review

1355

01:04:48,530 --> 01:04:46,680

but I had too much work to do I I just

1356

01:04:51,589 --> 01:04:48,540

couldn't find the time so I had to

1357

01:04:54,950 --> 01:04:51,599

decline Philip that was his son's name

1358

01:04:56,750 --> 01:04:54,960

was going back to

1359

01:04:59,150 --> 01:04:56,760

um hope to say going back to the funeral

1360

01:05:02,630 --> 01:04:59,160

poem I was there and a number of other

1361

01:05:05,510 --> 01:05:02,640

people said the Omar passed away himself

1362

01:05:11,089 --> 01:05:05,520

four or five years ago

1363

01:05:14,210 --> 01:05:11,099

um and again all I can say is that the

1364

01:05:18,109 --> 01:05:14,220

funeral there was no wake

1365

01:05:22,510 --> 01:05:18,119

there was nothing after the funeral

1366

01:05:26,210 --> 01:05:22,520

um which indicates uh obviously

1367

01:05:30,470 --> 01:05:26,220

bang reminds the conversations I've had

1368

01:05:34,870 --> 01:05:30,480

with Omar many years ago he didn't get

1369

01:05:42,230 --> 01:05:38,710

I'd rather feel that he was abused

1370

01:05:46,130 --> 01:05:42,240

mentally and I'm only saying by what he

1371

01:05:47,630 --> 01:05:46,140

told me and of course he passed away I

1372

01:05:50,990 --> 01:05:47,640

got a couple of friends who went to the

1373

01:05:52,010 --> 01:05:51,000

funeral and there was no wake so in a

1374

01:05:56,329 --> 01:05:52,020

way

1375

01:05:59,390 --> 01:05:56,339

um I I'm sorry Omar that I wasn't able

1376

01:06:01,849 --> 01:05:59,400

to get there so have a sip of that um

1377

01:06:04,010 --> 01:06:01,859

have a sick to celebrate his passing

1378

01:06:07,750 --> 01:06:04,020

pretty surely get it down your neck

1379

01:06:12,349 --> 01:06:07,760

right okay so but that that's Omar

1380

01:06:16,010 --> 01:06:12,359

that's that's his dog and he absolutely

1381

01:06:18,770 --> 01:06:16,020

adored the dog so I always said I got a

1382

01:06:22,670 --> 01:06:18,780

chance to show the dog and that was I

1383

01:06:29,990 --> 01:06:26,150

um he certainly produced Omni magazine

1384

01:06:33,529 --> 01:06:30,000

and with Omar when when he was in he he

1385

01:06:37,190 --> 01:06:33,539

worked the Derbyshire patch the amount

1386

01:06:41,049 --> 01:06:37,200

of flying fire triangles that were seen

1387

01:06:44,150 --> 01:06:41,059

moving over Derbyshire is is fantastic

1388

01:06:46,490 --> 01:06:44,160

and imagine the second can't you if

1389

01:06:50,930 --> 01:06:46,500

you're out there driving or walking

1390

01:06:54,950 --> 01:06:50,940

and suddenly out of the sky appeared

1391

01:06:57,410 --> 01:06:54,960

this huge flying triangle as it slowly

1392

01:07:00,109 --> 01:06:57,420

moved we're talking about 30 to 40 miles

1393

01:07:04,190 --> 01:07:00,119

an hour if that as it slowly moved

1394

01:07:07,789 --> 01:07:04,200

majestically overhead causing one to

1395

01:07:09,829 --> 01:07:07,799

think what the hell is that and it's

1396

01:07:16,910 --> 01:07:09,839

almost as if

1397

01:07:19,430 --> 01:07:16,920

doesn't give a damn whether human beings

1398

01:07:22,390 --> 01:07:19,440

see it or not and there was lots of

1399

01:07:26,750 --> 01:07:22,400

those sightings over the Derbyshire area

1400

01:07:31,549 --> 01:07:26,760

so going back to this actually was seen

1401

01:07:35,150 --> 01:07:31,559

in the Manchester area in 1996 and I

1402

01:07:37,250 --> 01:07:35,160

think I skimmed through the this was the

1403

01:07:39,710 --> 01:07:37,260

Pilot's psych English so I'm going back

1404

01:07:43,910 --> 01:07:39,720

but by the way that's what that's the

1405

01:07:45,829 --> 01:07:43,920

illustrations from Omar that he that he

1406

01:07:49,849 --> 01:07:45,839

drew and I've also got some film clips

1407

01:07:52,069 --> 01:07:49,859

somewhere uh that's poppy right that's

1408

01:07:55,130 --> 01:07:52,079

that's the pilot that's that's the

1409

01:07:58,069 --> 01:07:55,140

pilots in Manchester of 1996 and that is

1410

01:08:00,829 --> 01:07:58,079

the illustration that was released

1411

01:08:03,950 --> 01:08:00,839

um from the uh as I said from The

1412

01:08:06,470 --> 01:08:03,960

public's Records Office Declassified why

1413

01:08:08,569 --> 01:08:06,480

why she hate to classify I mean why did

1414

01:08:09,710 --> 01:08:08,579

they keep that I I don't know it's so

1415

01:08:10,430 --> 01:08:09,720

strange

1416

01:08:13,430 --> 01:08:10,440

um

1417

01:08:15,309 --> 01:08:13,440

published in the newspaper so we'll

1418

01:08:19,189 --> 01:08:15,319

shoot forward

1419

01:08:20,870 --> 01:08:19,199

and as I say that is very similar to

1420

01:08:25,370 --> 01:08:20,880

what the police officers are in

1421

01:08:30,130 --> 01:08:25,380

Birmingham in 1995 the year before and I

1422

01:08:32,329 --> 01:08:30,140

I think that this again was January 1996

1423

01:08:35,809 --> 01:08:32,339

and these are the sort of things that

1424

01:08:39,590 --> 01:08:35,819

we've seen in 1996 the the lady in that

1425

01:08:42,410 --> 01:08:39,600

picture Linda Jones my member serves me

1426

01:08:45,169 --> 01:08:42,420

right did stream Manchester out with the

1427

01:08:48,709 --> 01:08:45,179

kids saw this thing hovering over there

1428

01:08:51,289 --> 01:08:48,719

and um yeah I've spent with that many

1429

01:08:54,050 --> 01:08:51,299

times as a husband Trevor over the years

1430

01:08:59,809 --> 01:08:54,060

and that was seen over the West Midlands

1431

01:09:02,809 --> 01:08:59,819

area again that was 95 95 that was the

1432

01:09:06,650 --> 01:09:02,819

picture taken by the two coppers over

1433

01:09:09,950 --> 01:09:06,660

Manchester I think over on Trafford and

1434

01:09:12,970 --> 01:09:09,960

I'm those two copies of a visit by the

1435

01:09:16,309 --> 01:09:12,980

way to tell them to keep the Gob shut

1436

01:09:19,430 --> 01:09:16,319

right that's uh that's a police officer

1437

01:09:22,610 --> 01:09:19,440

I can't tell you his name if he looks

1438

01:09:26,809 --> 01:09:22,620

like me well who knows it's not me but

1439

01:09:28,490 --> 01:09:26,819

he's to do in the 1995 sighting now I

1440

01:09:29,329 --> 01:09:28,500

wrote to the

1441

01:09:33,169 --> 01:09:29,339

um

1442

01:09:35,030 --> 01:09:33,179

British astronomical Association at that

1443

01:09:36,669 --> 01:09:35,040

time because I thought there was a

1444

01:09:41,090 --> 01:09:36,679

mundane

1445

01:09:44,630 --> 01:09:41,100

explanation for these things and this

1446

01:09:46,970 --> 01:09:44,640

bloody idiot here sent this in the in

1447

01:09:49,010 --> 01:09:46,980

the post I mean just like this and you

1448

01:09:52,249 --> 01:09:49,020

can read the council discuss this matter

1449

01:09:55,070 --> 01:09:52,259

and the concern of Mr miles on October

1450

01:09:57,709 --> 01:09:55,080

28th we have instructed him to ignore

1451

01:10:01,010 --> 01:09:57,719

all future requests for information from

1452

01:10:04,250 --> 01:10:01,020

crackpot organizations he is flooded

1453

01:10:07,510 --> 01:10:04,260

with the same Moberly president the

1454

01:10:11,870 --> 01:10:07,520

matter is closed how Bloody Rude

1455

01:10:12,830 --> 01:10:11,880

the this is uh this lady

1456

01:10:17,030 --> 01:10:12,840

um

1457

01:10:18,610 --> 01:10:17,040

they were researchers from from the

1458

01:10:21,709 --> 01:10:18,620

Birmingham area

1459

01:10:25,630 --> 01:10:21,719

again an age escapes me at the moments

1460

01:10:28,070 --> 01:10:25,640

will come to me Alison I think but she

1461

01:10:30,770 --> 01:10:28,080

she certainly supplied me with some

1462

01:10:32,750 --> 01:10:30,780

fascinating reports about UFOs in that

1463

01:10:34,790 --> 01:10:32,760

area and

1464

01:10:37,610 --> 01:10:34,800

um yeah I think that was taken God

1465

01:10:40,330 --> 01:10:37,620

Almighty when I was 50 and don't tell

1466

01:10:44,930 --> 01:10:40,340

the audience how old I am now really

1467

01:10:48,050 --> 01:10:44,940

90. what do you mean 90 50.

1468

01:10:51,370 --> 01:10:48,060

um that was my 50th and sadly Marilyn

1469

01:10:54,050 --> 01:10:51,380

old work that was her name Marilyn

1470

01:10:57,290 --> 01:10:54,060

committed suicide jumped onto a radio

1471

01:11:01,550 --> 01:10:57,300

I'm in front of the train so it's you

1472

01:11:04,010 --> 01:11:01,560

know that's cutting that Admiral Lord

1473

01:11:07,729 --> 01:11:04,020

Hill Norton I wrote Admiral wall Hill

1474

01:11:11,450 --> 01:11:07,739

Norton he told me off for not addressing

1475

01:11:14,330 --> 01:11:11,460

him you know in the right Rank and then

1476

01:11:18,169 --> 01:11:14,340

said why don't why bother me anymore

1477

01:11:20,570 --> 01:11:18,179

contact Tim good is the authority and

1478

01:11:21,830 --> 01:11:20,580

then I ended up when he passed I spoke

1479

01:11:25,149 --> 01:11:21,840

to his son

1480

01:11:29,570 --> 01:11:25,159

her son is probably about 77 now

1481

01:11:31,850 --> 01:11:29,580

he had a grandson called sign Simon was

1482

01:11:34,070 --> 01:11:31,860

really helpful he was very interested

1483

01:11:35,810 --> 01:11:34,080

and I thought well maybe Simon might

1484

01:11:39,290 --> 01:11:35,820

have afford one of the books you know

1485

01:11:42,649 --> 01:11:39,300

the law deal Norton's grandson but then

1486

01:11:45,470 --> 01:11:42,659

suddenly bang no contact just they

1487

01:11:48,350 --> 01:11:45,480

switched off for me that's um that's as

1488

01:11:52,729 --> 01:11:48,360

I say yeah Lord knowing about baton

1489

01:11:54,709 --> 01:11:52,739

that's the gentleman uh would be one one

1490

01:11:56,570 --> 01:11:54,719

in the middle obviously that's Ted West

1491

01:12:00,470 --> 01:11:56,580

that's Mike's father-in-law we saw with

1492

01:12:02,930 --> 01:12:00,480

Lord Louis uh and he he went to the

1493

01:12:06,410 --> 01:12:02,940

palace and got a medal for uh he

1494

01:12:08,450 --> 01:12:06,420

actually shot the stoker down in 1941

1495

01:12:13,250 --> 01:12:08,460

as the Destroyer was

1496

01:12:15,350 --> 01:12:13,260

um sinking and he uh I I did see

1497

01:12:17,689 --> 01:12:15,360

obviously passed years ago but I said to

1498

01:12:19,189 --> 01:12:17,699

him well why have you got specimen

1499

01:12:21,590 --> 01:12:19,199

written on it and he said because I

1500

01:12:24,229 --> 01:12:21,600

couldn't afford I told the photographer

1501

01:12:26,149 --> 01:12:24,239

I could not afford to buy that the

1502

01:12:28,430 --> 01:12:26,159

photographer said look you know the

1503

01:12:31,250 --> 01:12:28,440

least I can do is give you that so he

1504

01:12:35,090 --> 01:12:31,260

gave him the specimen and that's

1505

01:12:37,850 --> 01:12:35,100

again that's uh that's Lord Louis in the

1506

01:12:39,770 --> 01:12:37,860

middle the the lady I think it's to them

1507

01:12:42,470 --> 01:12:39,780

would have been a left on there surely

1508

01:12:44,810 --> 01:12:42,480

the lady left or right leg in the left

1509

01:12:49,790 --> 01:12:44,820

that was his wife and obviously I knew

1510

01:12:52,790 --> 01:12:49,800

new is is well she was my ex-on-all

1511

01:12:56,689 --> 01:12:52,800

ago and then that's that's

1512

01:13:00,050 --> 01:12:56,699

um take to the right is that is a

1513

01:13:02,689 --> 01:13:00,060

location for writing yeah

1514

01:13:04,850 --> 01:13:02,699

right so there's there's like there's

1515

01:13:06,890 --> 01:13:04,860

all now this is the UFOs get the royal

1516

01:13:07,630 --> 01:13:06,900

steel

1517

01:13:11,689 --> 01:13:07,640

um

1518

01:13:12,830 --> 01:13:11,699

you obviously can't read it can you

1519

01:13:15,590 --> 01:13:12,840

no

1520

01:13:18,649 --> 01:13:15,600

but okay well apparently he was very

1521

01:13:20,570 --> 01:13:18,659

interested in Charles's face and UFOs

1522

01:13:22,490 --> 01:13:20,580

are funny enough I've got there's a

1523

01:13:26,630 --> 01:13:22,500

there's a cutting here

1524

01:13:32,510 --> 01:13:26,640

um close encounter uh princess RAF base

1525

01:13:35,990 --> 01:13:32,520

and this was in uh 2009 when

1526

01:13:38,390 --> 01:13:36,000

um a Nick purpose featured on it and the

1527

01:13:41,750 --> 01:13:38,400

UFOs have been seen by pilots and police

1528

01:13:45,709 --> 01:13:41,760

and tracked on radar now

1529

01:13:47,689 --> 01:13:45,719

um why on Earth did they I know about

1530

01:13:50,930 --> 01:13:47,699

this particular case why would they put

1531

01:13:53,689 --> 01:13:50,940

Lillian in the middle flying flying and

1532

01:13:56,030 --> 01:13:53,699

Nick boat at the bottom and then take

1533

01:13:57,850 --> 01:13:56,040

the Mickey so that that's that's how it

1534

01:14:00,590 --> 01:13:57,860

goes and of course on the subject

1535

01:14:02,810 --> 01:14:00,600

another lady that I met she gave me some

1536

01:14:05,689 --> 01:14:02,820

very interesting information was Becky

1537

01:14:09,490 --> 01:14:05,699

driver of Coronation Street Fair

1538

01:14:13,970 --> 01:14:09,500

she had some fascinating uh

1539

01:14:16,970 --> 01:14:13,980

incidents now when I contacted the Press

1540

01:14:20,570 --> 01:14:16,980

you see if I contacted the media the

1541

01:14:23,570 --> 01:14:20,580

Press I have one or two contacts and

1542

01:14:27,350 --> 01:14:23,580

this is bizarre unless it's crazy

1543

01:14:30,910 --> 01:14:27,360

uh Sensational or taking the Mickey out

1544

01:14:33,590 --> 01:14:30,920

of researchers that no one touches

1545

01:14:36,970 --> 01:14:33,600

uh which of course it doesn't

1546

01:14:39,890 --> 01:14:36,980

um do my confidence

1547

01:14:43,970 --> 01:14:39,900

it doesn't Inspire confidence but my

1548

01:14:47,630 --> 01:14:43,980

attitude is Booker is if I can if I can

1549

01:14:50,270 --> 01:14:47,640

raise awareness if I can show that these

1550

01:14:52,490 --> 01:14:50,280

UFOs are dangerous and I can show that

1551

01:14:54,470 --> 01:14:52,500

most of these bloody videos like this

1552

01:14:57,050 --> 01:14:54,480

stuff I haven't got a clue what they're

1553

01:14:59,870 --> 01:14:57,060

talking about that that is all I can do

1554

01:15:03,130 --> 01:14:59,880

but with the Becky case that was um

1555

01:15:07,750 --> 01:15:03,140

again she told me about somebody that um

1556

01:15:09,649 --> 01:15:07,760

as I say saw saw your phones

1557

01:15:13,010 --> 01:15:09,659

threatened

1558

01:15:17,030 --> 01:15:13,020

um but we here we have a Betty foreign

1559

01:15:20,209 --> 01:15:17,040

home Corey Legend met UFOs beam me up

1560

01:15:25,390 --> 01:15:20,219

hot potty well you know next to some

1561

01:15:28,550 --> 01:15:25,400

some young lady as uh as as

1562

01:15:31,189 --> 01:15:28,560

I've been pointed out next to last

1563

01:15:35,350 --> 01:15:31,199

buzzing years ago that would be a

1564

01:15:37,970 --> 01:15:35,360

topless model in the Sun but the 2019

1565

01:15:40,790 --> 01:15:37,980

but you know it was denigrating the

1566

01:15:43,010 --> 01:15:40,800

subject so the next one that that's

1567

01:15:46,189 --> 01:15:43,020

interesting that was

1568

01:15:47,510 --> 01:15:46,199

um cosmology news link they sent a

1569

01:15:57,770 --> 01:15:47,520

letter

1570

01:16:01,070 --> 01:15:57,780

um right the

1571

01:16:05,330 --> 01:16:01,080

the uh above I'll show you the above

1572

01:16:09,370 --> 01:16:05,340

honor in this Jubilee year of your brain

1573

01:16:11,709 --> 01:16:09,380

my amateur publication wishes to produce

1574

01:16:15,530 --> 01:16:11,719

a silver

1575

01:16:19,430 --> 01:16:15,540

Jubilee issue I couldn't do I can only

1576

01:16:22,729 --> 01:16:19,440

do so by making your Royal highnesses

1577

01:16:25,669 --> 01:16:22,739

um and your husband where your beliefs

1578

01:16:28,550 --> 01:16:25,679

lie in regard to matters not of this

1579

01:16:30,350 --> 01:16:28,560

world but others therefore to ask both

1580

01:16:33,110 --> 01:16:30,360

of you a direct question of the

1581

01:16:36,110 --> 01:16:33,120

followings do you consider it as a

1582

01:16:38,450 --> 01:16:36,120

possibility that is your opinion early

1583

01:16:41,930 --> 01:16:38,460

that there are other life forms in

1584

01:16:44,030 --> 01:16:41,940

spaces other than our own please note

1585

01:16:46,910 --> 01:16:44,040

that I have never written to a royal

1586

01:16:48,709 --> 01:16:46,920

person before it would therefore be the

1587

01:16:51,290 --> 01:16:48,719

first time I could get the views of

1588

01:16:53,810 --> 01:16:51,300

yourselves on these matters since I have

1589

01:16:56,990 --> 01:16:53,820

not read of many such views of private

1590

01:17:00,110 --> 01:16:57,000

by yourself or is Royal Highness Prince

1591

01:17:02,090 --> 01:17:00,120

Philip about two hours is that right if

1592

01:17:04,430 --> 01:17:02,100

you both hold any beliefs I would like

1593

01:17:07,430 --> 01:17:04,440

to know what they are and if these would

1594

01:17:09,830 --> 01:17:07,440

have to be private or for publication I

1595

01:17:11,810 --> 01:17:09,840

am sure however that all persons on

1596

01:17:15,169 --> 01:17:11,820

Earth whatever their stay

1597

01:17:18,110 --> 01:17:15,179

must hold some belief of this nature

1598

01:17:20,689 --> 01:17:18,120

it's just that we don't know for sure if

1599

01:17:23,090 --> 01:17:20,699

you have them can you tell me if you do

1600

01:17:25,370 --> 01:17:23,100

I'm sure your reply will be very

1601

01:17:28,490 --> 01:17:25,380

interesting if you feel this of course

1602

01:17:31,850 --> 01:17:28,500

warrants such a reply I wish to thank

1603

01:17:35,570 --> 01:17:31,860

you for your time in reading this and

1604

01:17:38,270 --> 01:17:35,580

and feel sure I shall not be sending any

1605

01:17:41,090 --> 01:17:38,280

more requests at least the next 25 years

1606

01:17:44,450 --> 01:17:41,100

God bless you all at Buckingham Palace

1607

01:17:48,110 --> 01:17:44,460

Long may you look after us all your

1608

01:17:50,630 --> 01:17:48,120

sincerely Edward Harris editor

1609

01:17:55,070 --> 01:17:50,640

um Buckingham Palace replied on the 11th

1610

01:17:57,890 --> 01:17:55,080

of July 77. Dear Mr Harris and commanded

1611

01:18:00,590 --> 01:17:57,900

to thank you for your letter of the 5th

1612

01:18:02,870 --> 01:18:00,600

of July ask him for an opinion from the

1613

01:18:06,410 --> 01:18:02,880

queen at the Duke of Edinburgh about

1614

01:18:09,530 --> 01:18:06,420

other life forms in space I fear that it

1615

01:18:12,649 --> 01:18:09,540

is not possible to do as you ask your

1616

01:18:16,270 --> 01:18:12,659

sincerely Hessel time so that's not Gary

1617

01:18:20,030 --> 01:18:18,410

I think

1618

01:18:21,229 --> 01:18:20,040

so let's let's

1619

01:18:22,490 --> 01:18:21,239

[Music]

1620

01:18:24,830 --> 01:18:22,500

okay

1621

01:18:25,970 --> 01:18:24,840

um that's that's one of the earliest

1622

01:18:27,130 --> 01:18:25,980

um

1623

01:18:31,070 --> 01:18:27,140

the the

1624

01:18:35,510 --> 01:18:31,080

Articles I'm a bit younger there surely

1625

01:18:37,430 --> 01:18:35,520

just a little but even in 1995 you can

1626

01:18:40,550 --> 01:18:37,440

see there look at some of the images on

1627

01:18:43,450 --> 01:18:40,560

there and the object to the um at the

1628

01:18:47,110 --> 01:18:43,460

bottom are seen by the police officers

1629

01:18:50,330 --> 01:18:47,120

oh my God that's another old one of mine

1630

01:18:53,090 --> 01:18:50,340

so before I actually published any books

1631

01:18:55,990 --> 01:18:53,100

I never had a problem

1632

01:18:58,990 --> 01:18:56,000

getting any of this in the papers never

1633

01:19:00,530 --> 01:18:59,000

as soon as I publish the books

1634

01:19:04,149 --> 01:19:00,540

Bang

1635

01:19:08,050 --> 01:19:04,159

stops unless our friend Brigadier

1636

01:19:11,689 --> 01:19:08,060

Miller Baker he's uh sixth from the left

1637

01:19:13,550 --> 01:19:11,699

wearing medals so I think again he's

1638

01:19:14,870 --> 01:19:13,560

that's in there surely so how does he

1639

01:19:20,990 --> 01:19:14,880

look on the screen

1640

01:19:25,370 --> 01:19:23,030

right so let's crack on that's that's

1641

01:19:28,850 --> 01:19:25,380

the one that the palace got the

1642

01:19:33,410 --> 01:19:28,860

wow they got a big truck about

1643

01:19:39,530 --> 01:19:34,970

all right

1644

01:19:39,540 --> 01:19:45,709

that's one that wasn't used

1645

01:19:50,510 --> 01:19:48,050

and unfortunately as I've pointed out

1646

01:19:54,530 --> 01:19:50,520

all of these um that's one that was

1647

01:19:56,990 --> 01:19:54,540

going to be used volume 675 to 77 to

1648

01:20:00,169 --> 01:19:57,000

cover the Welsh wave

1649

01:20:02,030 --> 01:20:00,179

um but that wasn't good enough and

1650

01:20:06,229 --> 01:20:02,040

there's there's there is the actual

1651
01:20:07,669 --> 01:20:06,239
cover of the 75 to 77 and we've got our

1652
01:20:10,310 --> 01:20:07,679
friend Betty

1653
01:20:13,010 --> 01:20:10,320
um driver AKA baby return in Coronation

1654
01:20:16,729 --> 01:20:13,020
Street on the back of the book

1655
01:20:19,189 --> 01:20:16,739
um and that's and it seems to upset them

1656
01:20:21,050 --> 01:20:19,199
excuse me that's another one we didn't

1657
01:20:23,689 --> 01:20:21,060
use

1658
01:20:24,470 --> 01:20:23,699
that stops anybody ever heard the dot

1659
01:20:27,770 --> 01:20:24,480
Street

1660
01:20:30,610 --> 01:20:27,780
yeah yeah lovely lady and that's Brendan

1661
01:20:33,649 --> 01:20:30,620
that's Chuck Charles halt at the bottom

1662
01:20:36,290 --> 01:20:33,659
uh there's one did I do that I can't

1663
01:20:38,149 --> 01:20:36,300

remember if um the government and we did

1664

01:20:40,070 --> 01:20:38,159

that one volume eight yeah

1665

01:20:42,830 --> 01:20:40,080

that was fasting as you can see there's

1666

01:20:46,910 --> 01:20:42,840

a photo show in the stone some of the

1667

01:20:48,890 --> 01:20:46,920

stones that appeared and a single one we

1668

01:20:51,970 --> 01:20:48,900

didn't use that's when we did use volume

1669

01:20:54,470 --> 01:20:51,980

nine uh volume eight

1670

01:20:58,250 --> 01:20:54,480

volume ten

1671

01:20:59,750 --> 01:20:58,260

uh and that's uh pistachio yes volume

1672

01:21:03,110 --> 01:20:59,760

11.

1673

01:21:04,430 --> 01:21:03,120

and that that was the workshop book and

1674

01:21:12,110 --> 01:21:04,440

you

1675

01:21:13,669 --> 01:21:12,120

that is the Kevin Goodman uh who

1676
01:21:15,590 --> 01:21:13,679
um was

1677
01:21:16,729 --> 01:21:15,600
lived in the Warminster area

1678
01:21:18,669 --> 01:21:16,739
[Music]

1679
01:21:21,950 --> 01:21:18,679
and he's written one or two books

1680
01:21:23,990 --> 01:21:21,960
Charming gentleman that's his car he

1681
01:21:27,950 --> 01:21:24,000
recently passed away I think he'd had a

1682
01:21:30,530 --> 01:21:27,960
stroke but um so and that's him with um

1683
01:21:33,709 --> 01:21:30,540
dot Street

1684
01:21:34,490 --> 01:21:33,719
that's Kevin and All His glory with DOT

1685
01:21:37,490 --> 01:21:34,500
Street

1686
01:21:39,070 --> 01:21:37,500
a nice photo I think you've got to be

1687
01:21:41,689 --> 01:21:39,080
cursing in hell

1688
01:21:43,189 --> 01:21:41,699

that's him again I think you know Steve

1689

01:21:45,890 --> 01:21:43,199

Wells don't you

1690

01:21:48,490 --> 01:21:45,900

Steve came up and did a talk

1691

01:21:52,550 --> 01:21:48,500

at Steve with DOT

1692

01:21:56,030 --> 01:21:52,560

that was at the conf that was the 2016

1693

01:21:59,649 --> 01:21:56,040

conference that I went to Peter Padgett

1694

01:22:05,030 --> 01:22:02,149

did an online video with it on Skype

1695

01:22:08,209 --> 01:22:05,040

right yeah oh um I don't think Peter

1696

01:22:10,550 --> 01:22:08,219

likes cops he can speak to me

1697

01:22:11,209 --> 01:22:10,560

um yeah we'll go into that

1698

01:22:13,669 --> 01:22:11,219

um

1699

01:22:17,810 --> 01:22:13,679

yeah and that's Malcolm Robinson was

1700

01:22:20,630 --> 01:22:17,820

smashing locally is a nice guy that's an

1701

01:22:22,630 --> 01:22:20,640

illustration that's in warm it's the

1702

01:22:25,310 --> 01:22:22,640

flying sources

1703

01:22:29,750 --> 01:22:25,320

that's Matt Lyons

1704

01:22:32,750 --> 01:22:29,760

um Matt Lyons was head of euphoria and

1705

01:22:35,209 --> 01:22:32,760

what a smashing bloke and as soon as he

1706

01:22:37,910 --> 01:22:35,219

he crashed out there before and went to

1707

01:22:41,270 --> 01:22:37,920

be a druid never heard from him since

1708

01:22:44,290 --> 01:22:41,280

just to speed on the face of the Earth

1709

01:22:46,610 --> 01:22:44,300

um so that's that's Steve and that's the

1710

01:22:49,490 --> 01:22:46,620

Arthur Shuffle Woods

1711

01:22:52,430 --> 01:22:49,500

um granddaughters is there

1712

01:22:56,390 --> 01:22:52,440

important disguise 50 years of the war

1713

01:23:01,970 --> 01:22:59,930

again that's Kevin because and that's

1714

01:23:04,669 --> 01:23:01,980

that's the award that was Prince

1715

01:23:07,550 --> 01:23:04,679

presented to dot Street and that's what

1716

01:23:10,729 --> 01:23:07,560

I got and looked um

1717

01:23:13,370 --> 01:23:10,739

still never mind and that's more of that

1718

01:23:14,990 --> 01:23:13,380

that's uh Peter badger on the right and

1719

01:23:20,870 --> 01:23:15,000

of course

1720

01:23:26,630 --> 01:23:23,030

feel like they're doing that

1721

01:23:29,209 --> 01:23:26,640

that's um that was it I think they um

1722

01:23:31,550 --> 01:23:29,219

presented a check

1723

01:23:35,570 --> 01:23:31,560

um so that's Brenda Butler on the left

1724

01:23:38,470 --> 01:23:35,580

dot Street on the right and uh this is

1725

01:23:42,890 --> 01:23:38,480

um taking inside this dot

1726

01:23:43,570 --> 01:23:42,900

that's Steve Meera and his wife

1727

01:23:47,630 --> 01:23:43,580

um

1728

01:23:48,830 --> 01:23:47,640

he's doing two months Steve it is he all

1729

01:23:50,990 --> 01:23:48,840

right

1730

01:23:52,610 --> 01:23:51,000

well this is good about it and that's

1731

01:23:54,950 --> 01:23:52,620

that's and now you obviously know which

1732

01:23:58,910 --> 01:23:54,960

one's Kevin

1733

01:24:01,870 --> 01:23:58,920

it's in the game let's get indicated my

1734

01:24:04,250 --> 01:24:01,880

house many many years ago

1735

01:24:06,890 --> 01:24:04,260

and that's when he went to see Philip

1736

01:24:09,470 --> 01:24:06,900

mantle and Philip gave him that picture

1737

01:24:12,050 --> 01:24:09,480

that was a hard disguise for me there

1738

01:24:16,370 --> 01:24:12,060

aren't disguise with volume revised

1739

01:24:18,590 --> 01:24:16,380

volume one is is because it covers so

1740

01:24:21,290 --> 01:24:18,600

many sightings from

1741

01:24:24,770 --> 01:24:21,300

um RAF servicemen from

1742

01:24:29,149 --> 01:24:24,780

in the world war and it was a pleasure

1743

01:24:30,189 --> 01:24:29,159

to to really speak to them we need to do

1744

01:24:34,070 --> 01:24:30,199

them and

1745

01:24:37,550 --> 01:24:34,080

that's that was the old cover for police

1746

01:24:41,689 --> 01:24:37,560

in the horns and skies this I think that

1747

01:24:45,050 --> 01:24:41,699

was about 2008 and that

1748

01:24:47,090 --> 01:24:45,060

um the police car and the object above

1749

01:24:48,890 --> 01:24:47,100

it the orange object

1750

01:24:50,689 --> 01:24:48,900

um what happened there it was a guy from

1751

01:24:54,110 --> 01:24:50,699

Canley police station

1752

01:24:57,530 --> 01:24:54,120

um Coventry a dog hanger was on his way

1753

01:25:00,709 --> 01:24:57,540

he was on patrol near the airport and he

1754

01:25:03,050 --> 01:25:00,719

saw this thing it just came from the

1755

01:25:05,510 --> 01:25:03,060

police car he tried to keep Chase and

1756

01:25:08,390 --> 01:25:05,520

his shot off over the airport he rang

1757

01:25:10,850 --> 01:25:08,400

the airport up and they said that it had

1758

01:25:12,830 --> 01:25:10,860

been seen and

1759

01:25:14,750 --> 01:25:12,840

um yeah I interviewed the bloke and the

1760

01:25:17,330 --> 01:25:14,760

next morning this huge crop circle was

1761

01:25:21,530 --> 01:25:17,340

found on the side of the road and this

1762

01:25:23,770 --> 01:25:21,540

is where we all make mistakes well he

1763

01:25:28,850 --> 01:25:23,780

didn't want to be named

1764

01:25:31,310 --> 01:25:28,860

so he was identified as DG but I I can't

1765

01:25:34,310 --> 01:25:31,320

as I say can't find I don't know it was

1766

01:25:36,470 --> 01:25:34,320

I've tried but that was a very genuine

1767

01:25:39,290 --> 01:25:36,480

sighting

1768

01:25:41,390 --> 01:25:39,300

and uh but that was being superseded

1769

01:25:45,110 --> 01:25:41,400

that is the cover of the police in the

1770

01:25:47,870 --> 01:25:45,120

haunted Skies volume one and

1771

01:25:50,390 --> 01:25:47,880

um that that is that is a fantastic book

1772

01:25:52,669 --> 01:25:50,400

because it covers so many

1773

01:25:55,430 --> 01:25:52,679

sightings by police officers and that's

1774

01:25:56,689 --> 01:25:55,440

made by the police helicopter and I'm

1775

01:25:59,350 --> 01:25:56,699

sure I wouldn't have been able to

1776

01:26:02,030 --> 01:25:59,360

arrange that but it was the the

1777

01:26:05,149 --> 01:26:02,040

co-author of the book inspector Roy

1778

01:26:07,729 --> 01:26:05,159

Teague he he managed to get the bloody

1779

01:26:10,370 --> 01:26:07,739

helicopter to land twist turned it round

1780

01:26:13,610 --> 01:26:10,380

to the right position didn't he and took

1781

01:26:16,490 --> 01:26:13,620

photographs and that's that's surely

1782

01:26:20,209 --> 01:26:16,500

and that's um as I say you can see the

1783

01:26:22,430 --> 01:26:20,219

the inspector uh with these this hand on

1784

01:26:25,790 --> 01:26:22,440

his um I don't know what machine gun is

1785

01:26:28,790 --> 01:26:25,800

but ready to fire so and that's it

1786

01:26:32,510 --> 01:26:28,800

that's some of the books obviously one

1787

01:26:37,070 --> 01:26:32,520

two three four five six have gone

1788

01:26:39,890 --> 01:26:37,080

um that was uh Gordon Creighton the uh

1789

01:26:43,010 --> 01:26:39,900

funeral and there's a letter from Gordon

1790

01:26:44,930 --> 01:26:43,020

that's Gordon and his wife Eve what Eve

1791

01:26:46,669 --> 01:26:44,940

was a lovely lady she used to do a lot

1792

01:26:51,709 --> 01:26:46,679

for the magazine

1793

01:26:57,290 --> 01:26:54,709

to make a nice respawn

1794

01:26:59,209 --> 01:26:57,300

that's Norman Oliver Norman Oliver has

1795

01:27:01,149 --> 01:26:59,219

just passed and it's had a lot to do

1796

01:27:04,610 --> 01:27:01,159

with before and

1797

01:27:07,189 --> 01:27:04,620

yeah I spoke to Norman quite a bit of

1798

01:27:09,550 --> 01:27:07,199

relaxed get that right

1799

01:27:13,550 --> 01:27:09,560

there's a lot oh

1800

01:27:16,970 --> 01:27:13,560

it's a blinky end of that one so let's

1801

01:27:19,129 --> 01:27:16,980

uh he's that no why is that what's

1802

01:27:21,229 --> 01:27:19,139

happening you were rotating it grow and

1803

01:27:22,330 --> 01:27:21,239

goes sorry he was rotating where I'm

1804

01:27:24,950 --> 01:27:22,340

going forward

1805

01:27:27,709 --> 01:27:24,960

yeah you're on the wrong button here so

1806

01:27:31,000 --> 01:27:27,719

pressing the wrong then button was I

1807

01:27:49,010 --> 01:27:45,570

[Music]

1808

01:27:52,030 --> 01:27:51,410

uh iron Buckle

1809

01:27:55,310 --> 01:27:52,040

um

1810

01:27:59,090 --> 01:27:55,320

scarlet and mystery with Norman Oliver

1811

01:28:00,229 --> 01:27:59,100

about this Arthur Bryant guy she passed

1812

01:28:01,970 --> 01:28:00,239

away

1813

01:28:04,729 --> 01:28:01,980

um and that was

1814

01:28:07,669 --> 01:28:04,739

the Dennis plunket from the British

1815

01:28:10,189 --> 01:28:07,679

flying saucerview if you're a really

1816

01:28:11,810 --> 01:28:10,199

nice guy uh I don't know what happened

1817

01:28:15,350 --> 01:28:11,820

to all this stuff I think it might have

1818

01:28:18,669 --> 01:28:15,360

gone to Sweden but met him as a young

1819

01:28:23,030 --> 01:28:18,679

man he had a sighting of RAF

1820

01:28:24,070 --> 01:28:23,040

RAF base interesting so why does that

1821

01:28:26,450 --> 01:28:24,080

and then

1822

01:28:29,350 --> 01:28:26,460

well because I met the wrong bloody

1823

01:28:36,890 --> 01:28:32,290

one of these folks actually I see that

1824

01:28:39,830 --> 01:28:36,900

no I'm not going to come on I haven't

1825

01:28:40,750 --> 01:28:39,840

got me I actually I I I'm all right for

1826

01:28:43,910 --> 01:28:40,760

sure

1827

01:28:48,729 --> 01:28:43,920

so really I can't see anybody out there

1828

01:28:55,250 --> 01:28:52,490

that is that is Margaret Westwood she

1829

01:28:59,270 --> 01:28:55,260

was a police officer and she worked at

1830

01:29:02,810 --> 01:28:59,280

Cardiff uh City docks and she and her

1831

01:29:06,310 --> 01:29:02,820

husband Jeff ran the Birmingham group

1832

01:29:08,750 --> 01:29:06,320

um euphosis and she had an amazing

1833

01:29:10,629 --> 01:29:08,760

sighting over the that was her husband

1834

01:29:13,490 --> 01:29:10,639

Jeff

1835

01:29:16,189 --> 01:29:13,500

and uh that's one of the flyers I don't

1836

01:29:18,129 --> 01:29:16,199

know why is that taking them back alone

1837

01:29:21,950 --> 01:29:18,139

oh that's right that's that's that's

1838

01:29:25,790 --> 01:29:21,960

part of the archives that that's going

1839

01:29:28,010 --> 01:29:25,800

back to Margaret and Jeff they they live

1840

01:29:31,430 --> 01:29:28,020

next special Harbor on the golf course

1841

01:29:34,070 --> 01:29:31,440

in Birmingham and over the course of a

1842

01:29:35,450 --> 01:29:34,080

week the people were reporting all these

1843

01:29:36,530 --> 01:29:35,460

UFOs

1844

01:29:39,310 --> 01:29:36,540

um shooting

1845

01:29:42,910 --> 01:29:39,320

and moving over the skies

1846

01:29:45,350 --> 01:29:42,920

and um she managed to recover some metal

1847

01:29:49,010 --> 01:29:45,360

uh that was the sort of thing they were

1848

01:29:51,950 --> 01:29:49,020

seeing that it was the mo denied they

1849

01:29:54,250 --> 01:29:51,960

said they were seeing planets now all

1850

01:29:56,050 --> 01:29:54,260

the Margaret's stuff went to before

1851
01:29:59,090 --> 01:29:56,060
before

1852
01:30:02,629 --> 01:29:59,100
we received anything so if you look at

1853
01:30:06,050 --> 01:30:02,639
those scant details uh and all the

1854
01:30:08,570 --> 01:30:06,060
witness statements have disappeared well

1855
01:30:11,689 --> 01:30:08,580
I don't know how the Army before but

1856
01:30:14,209 --> 01:30:11,699
it's a shame but she's passed away that

1857
01:30:17,450 --> 01:30:14,219
was uh and that was another guy that

1858
01:30:22,430 --> 01:30:17,460
worked for them he he found some Metro

1859
01:30:25,070 --> 01:30:22,440
uh following a UFO sighting over a place

1860
01:30:26,990 --> 01:30:25,080
in Birmingham that's her dog that

1861
01:30:29,450 --> 01:30:27,000
frightened me to below the death and

1862
01:30:32,510 --> 01:30:29,460
probably passed away now

1863
01:30:34,550 --> 01:30:32,520

um but they they I'm sorry for the night

1864

01:30:36,470 --> 01:30:34,560

at the beginning now that is the best

1865

01:30:40,390 --> 01:30:36,480

meal that's ever been cooked for me in

1866

01:30:45,169 --> 01:30:43,010

sure they put that it actually makes me

1867

01:30:48,110 --> 01:30:45,179

feel quite hungry I think we've gone

1868

01:30:50,750 --> 01:30:48,120

back yet that was so we'll quickly come

1869

01:30:52,610 --> 01:30:50,760

to the next one

1870

01:30:55,129 --> 01:30:52,620

sorry

1871

01:30:57,590 --> 01:30:55,139

I think we'll just show you some

1872

01:31:01,790 --> 01:30:57,600

pictures of the archive

1873

01:31:04,729 --> 01:31:01,800

and that was that was the early days

1874

01:31:06,950 --> 01:31:04,739

so you can see there isn't much there as

1875

01:31:09,110 --> 01:31:06,960

such that was the old folders we got rid

1876

01:31:11,570 --> 01:31:09,120

of all of them didn't we

1877

01:31:13,250 --> 01:31:11,580

that's that was we've changed all that

1878

01:31:17,090 --> 01:31:13,260

but that's

1879

01:31:22,970 --> 01:31:17,100

um as you can see the the

1880

01:31:26,270 --> 01:31:22,980

um various UFO magazines and and folders

1881

01:31:27,770 --> 01:31:26,280

um yeah that's the royal couple I'd like

1882

01:31:30,770 --> 01:31:27,780

to think that they might come along and

1883

01:31:34,430 --> 01:31:30,780

open it next year but I I don't think so

1884

01:31:36,169 --> 01:31:34,440

I can't see what happened in Canada

1885

01:31:39,910 --> 01:31:36,179

that's all right

1886

01:31:42,290 --> 01:31:39,920

so we've got another chapter that I um

1887

01:31:44,390 --> 01:31:42,300

contacted was anybody ever heard of

1888

01:31:48,110 --> 01:31:44,400

Trevor James constable

1889

01:31:50,450 --> 01:31:48,120

sorry yes yeah yeah you've got a sky

1890

01:31:52,790 --> 01:31:50,460

Critters yeah give a bit of creams to

1891

01:31:56,330 --> 01:31:52,800

his Steelers really makes you wonder

1892

01:31:58,310 --> 01:31:56,340

doesn't he but he very much uh he

1893

01:32:02,030 --> 01:31:58,320

believed that the things of Sky Critters

1894

01:32:05,149 --> 01:32:02,040

very clever uh man as well and that was

1895

01:32:08,030 --> 01:32:05,159

one of the books scene in he endorsed

1896

01:32:12,830 --> 01:32:08,040

and that was I don't know you make these

1897

01:32:17,570 --> 01:32:14,750

what makes you think you know that's

1898

01:32:18,830 --> 01:32:17,580

that's oh is it all gone energy wasn't

1899

01:32:21,470 --> 01:32:18,840

he

1900

01:32:23,090 --> 01:32:21,480

felt that you could produce this stuff

1901

01:32:26,090 --> 01:32:23,100

and pick it up

1902

01:32:28,610 --> 01:32:26,100

so these tubes and that's the sort of

1903

01:32:31,490 --> 01:32:28,620

things it was seen I mean is that what

1904

01:32:34,490 --> 01:32:31,500

UFOs are about all right that's the

1905

01:32:37,189 --> 01:32:34,500

Yorkshire UFO Society compensate by

1906

01:32:39,649 --> 01:32:37,199

Philip mantle on the right gray and bird

1907

01:32:42,169 --> 01:32:39,659

saw and I think

1908

01:32:44,990 --> 01:32:42,179

yeah yeah my personal yeah of course

1909

01:32:47,649 --> 01:32:45,000

yeah yeah interesting

1910

01:32:51,290 --> 01:32:47,659

yes I don't know after least

1911

01:32:56,690 --> 01:32:51,300

ah Yorkshire UFO Society

1912

01:33:02,810 --> 01:32:59,270

[Music]

1913

01:33:08,649 --> 01:33:02,820

and I think Claire Phil sent me these uh

1914

01:33:12,830 --> 01:33:11,810

did you meet Graham yeah yeah I never

1915

01:33:16,010 --> 01:33:12,840

met him I used to have some

1916

01:33:19,070 --> 01:33:16,020

conversations with him but uh sorry

1917

01:33:22,129 --> 01:33:19,080

amazing guy you know what it was about

1918

01:33:25,030 --> 01:33:22,139

all those magazines that was the sky

1919

01:33:27,649 --> 01:33:25,040

watching caramel I think

1920

01:33:29,290 --> 01:33:27,659

I've got a new Foss really good

1921

01:33:33,830 --> 01:33:29,300

magazines

1922

01:33:35,629 --> 01:33:33,840

uh UFO magazine the rendition files and

1923

01:33:38,810 --> 01:33:35,639

that's um

1924

01:33:41,629 --> 01:33:38,820

that was Margaret where Margaret Webb is

1925

01:33:45,229 --> 01:33:41,639

a researcher or was a researcher from

1926

01:33:49,970 --> 01:33:45,239

the Worcestershire area and she used to

1927

01:33:52,850 --> 01:33:49,980

run a group called Sky scan and she

1928

01:33:55,790 --> 01:33:52,860

often told me as other members of the

1929

01:33:58,750 --> 01:33:55,800

group did that they had to keep removing

1930

01:34:03,470 --> 01:33:58,760

their files from the various houses

1931

01:34:06,229 --> 01:34:03,480

because of break-ins and files being

1932

01:34:07,729 --> 01:34:06,239

stolen from the houses now what was all

1933

01:34:10,370 --> 01:34:07,739

that about

1934

01:34:13,610 --> 01:34:10,380

um but yeah that was that was that was

1935

01:34:15,530 --> 01:34:13,620

that was Margaret to the left of course

1936

01:34:17,870 --> 01:34:15,540

they've all gone now some of them are

1937

01:34:20,510 --> 01:34:17,880

still alive but that was that was

1938

01:34:24,790 --> 01:34:20,520

Margaret and that was with I can't think

1939

01:34:24,800 --> 01:34:28,810

are UFOs yeah

1940

01:34:28,820 --> 01:34:33,649

at the UFO Series yeah

1941

01:34:37,970 --> 01:34:36,229

here and then that was the Jerry

1942

01:34:41,990 --> 01:34:37,980

Anderson yeah

1943

01:34:44,629 --> 01:34:42,000

yeah and then that's Margaret um if I

1944

01:34:46,129 --> 01:34:44,639

can if I look to the story I've got like

1945

01:34:47,810 --> 01:34:46,139

Margaret on the left obviously and her

1946

01:34:48,590 --> 01:34:47,820

daughter

1947

01:34:51,410 --> 01:34:48,600

um

1948

01:34:52,450 --> 01:34:51,420

but and that's her dowsing

1949

01:34:54,050 --> 01:34:52,460

um

1950

01:34:57,770 --> 01:34:54,060

Margaret's

1951

01:35:00,169 --> 01:34:57,780

um told me of of and he's in Wales and

1952

01:35:02,930 --> 01:35:00,179

all the details but they stayed at a

1953

01:35:05,090 --> 01:35:02,940

guest house she and her daughter for the

1954

01:35:07,669 --> 01:35:05,100

night and there were other people in

1955

01:35:10,550 --> 01:35:07,679

there and she said she had some real

1956

01:35:13,370 --> 01:35:10,560

trouble going to sleep and then these

1957

01:35:15,470 --> 01:35:13,380

apparitions appeared in the room and she

1958

01:35:18,590 --> 01:35:15,480

saw all these daggers and knives being

1959

01:35:21,290 --> 01:35:18,600

thrown about it terrified her and she

1960

01:35:22,669 --> 01:35:21,300

shouted and the landlady came up and

1961

01:35:26,090 --> 01:35:22,679

said something like well don't worry

1962

01:35:29,810 --> 01:35:26,100

because other people have seen this and

1963

01:35:32,770 --> 01:35:29,820

um Margaret recited the the um

1964

01:35:34,510 --> 01:35:32,780

uh recited the the

1965

01:35:38,689 --> 01:35:34,520

prayer

1966

01:35:40,129 --> 01:35:38,699

and it ceased and and other people

1967

01:35:43,010 --> 01:35:40,139

apparently had witnessed the same

1968

01:35:44,689 --> 01:35:43,020

phenomena she identified perhaps and

1969

01:35:47,390 --> 01:35:44,699

that's the sort of thing she she's got

1970

01:35:51,110 --> 01:35:47,400

that illustration done

1971

01:35:53,830 --> 01:35:51,120

and that's the story so again

1972

01:35:56,270 --> 01:35:53,840

and that's

1973

01:36:00,709 --> 01:35:56,280

a funeral

1974

01:36:03,290 --> 01:36:00,719

um and that for me is she she painted

1975

01:36:05,629 --> 01:36:03,300

these pictures isn't that beautiful

1976

01:36:07,790 --> 01:36:05,639

I mean it's just just

1977

01:36:09,709 --> 01:36:07,800

um she's very artistic

1978

01:36:11,629 --> 01:36:09,719

indeed

1979

01:36:13,570 --> 01:36:11,639

that's that's of course that's what's

1980

01:36:18,669 --> 01:36:13,580

his name

1981

01:36:23,629 --> 01:36:18,679

yeah but Hopkins because I met Bud uh in

1982

01:36:26,930 --> 01:36:23,639

2016 at the Truro conference

1983

01:36:29,450 --> 01:36:26,940

and that was a really nice guy and he

1984

01:36:31,610 --> 01:36:29,460

kept really complained to me at lunch

1985

01:36:33,770 --> 01:36:31,620

time because he said I didn't expect

1986

01:36:34,550 --> 01:36:33,780

much to Amusement I think Nick Pope was

1987

01:36:37,970 --> 01:36:34,560

there

1988

01:36:42,169 --> 01:36:37,980

and Nick Pope was talking about police

1989

01:36:47,149 --> 01:36:42,179

and UFOs from you know saying that um to

1990

01:36:50,870 --> 01:36:47,159

the audience that if a UFO appears

1991

01:36:53,570 --> 01:36:50,880

um the police will be informed and they

1992

01:36:57,830 --> 01:36:53,580

will put this ribbon around the area

1993

01:36:59,930 --> 01:36:57,840

saying police line do not cross and then

1994

01:37:03,550 --> 01:36:59,940

the public won't be allowed to go and

1995

01:37:07,490 --> 01:37:03,560

have a look and see what's happening

1996

01:37:09,709 --> 01:37:07,500

right all righty but that's what Nick

1997

01:37:11,030 --> 01:37:09,719

was talking about and then Nick didn't a

1998

01:37:12,470 --> 01:37:11,040

runner

1999

01:37:15,110 --> 01:37:12,480

um I'm not sure if it's just Gary

2000

01:37:19,729 --> 01:37:15,120

hasleton maybe when you see Gary asking

2001
01:37:21,229 --> 01:37:19,739
but um yeah but but Bud said to me he

2002
01:37:22,310 --> 01:37:21,239
said I'm sick of it he said I've come

2003
01:37:24,770 --> 01:37:22,320
over here

2004
01:37:27,050 --> 01:37:24,780
and he said people in fact they just

2005
01:37:28,430 --> 01:37:27,060
want to sit on my lap they just wanna

2006
01:37:32,209 --> 01:37:28,440
they said I've been trying to make me

2007
01:37:35,330 --> 01:37:32,219
lunch for an hour but uh Magic guy and

2008
01:37:37,850 --> 01:37:35,340
that's him signing his book

2009
01:37:39,410 --> 01:37:37,860
um that's I think that's Phil and is

2010
01:37:41,689 --> 01:37:39,420
that an old bud

2011
01:37:43,310 --> 01:37:41,699
I've came to me about me there he is

2012
01:37:44,450 --> 01:37:43,320
again

2013
01:37:47,209 --> 01:37:44,460

um

2014

01:37:52,550 --> 01:37:47,219

that was my one of my lady friends some

2015

01:37:55,490 --> 01:37:52,560

donkeys ago gone Holloway um she met him

2016

01:38:01,610 --> 01:37:58,010

uh and that was it I think that was one

2017

01:38:03,890 --> 01:38:01,620

of these um alleged doctor please cap I

2018

01:38:06,290 --> 01:38:03,900

think it's Carol somebody

2019

01:38:08,570 --> 01:38:06,300

um missing time is a book that he wrote

2020

01:38:10,490 --> 01:38:08,580

It's

2021

01:38:13,189 --> 01:38:10,500

there's there's

2022

01:38:16,189 --> 01:38:13,199

um Stanton Freeman in the middle

2023

01:38:19,430 --> 01:38:16,199

uh Philip mantle on the right and Graham

2024

01:38:19,440 --> 01:38:25,550

that's David Boyle if you want

2025

01:38:28,910 --> 01:38:26,870

It Best Day

2026

01:38:31,810 --> 01:38:28,920

dehydrated boil

2027

01:38:34,810 --> 01:38:31,820

anybody like all exhibitions

2028

01:38:39,290 --> 01:38:34,820

it's the Tardis

2029

01:38:43,070 --> 01:38:39,300

in Blackpool yeah I I met

2030

01:38:45,890 --> 01:38:43,080

I met him at clacton when he gave a talk

2031

01:38:48,709 --> 01:38:45,900

um and you couldn't get a bloody virgin

2032

01:38:51,590 --> 01:38:48,719

you couldn't get a word you know I swear

2033

01:38:55,690 --> 01:38:51,600

to show up and afterwards other cup of

2034

01:38:58,810 --> 01:38:55,700

tea with clocks in the UFO group

2035

01:39:02,090 --> 01:38:58,820

[Music]

2036

01:39:05,350 --> 01:39:02,100

during the talk he said something like

2037

01:39:08,030 --> 01:39:05,360

with old bloody coppers have been

2038

01:39:10,070 --> 01:39:08,040

talking to that I'll refute that

2039

01:39:11,649 --> 01:39:10,080

allegation Dave and he said well shut up

2040

01:39:15,290 --> 01:39:11,659

and sit down

2041

01:39:17,030 --> 01:39:15,300

I was told but he he actually went to

2042

01:39:18,530 --> 01:39:17,040

render some Forest

2043

01:39:23,090 --> 01:39:18,540

and

2044

01:39:25,669 --> 01:39:23,100

um I was surprised at how he seemed to

2045

01:39:27,890 --> 01:39:25,679

attract what formed the bed at work were

2046

01:39:29,930 --> 01:39:27,900

called light phenomenon

2047

01:39:32,450 --> 01:39:29,940

um did I get crack on now a bit that's

2048

01:39:35,689 --> 01:39:32,460

him down at Clapton that's the sort of

2049

01:39:38,830 --> 01:39:35,699

thing that he was picking up on

2050

01:39:41,270 --> 01:39:38,840

um really weird stuff these are photos

2051

01:39:43,550 --> 01:39:41,280

uh from the forest

2052

01:39:46,490 --> 01:39:43,560

um it's another strange things we've got

2053

01:39:48,649 --> 01:39:46,500

a lot more that's uh UFO it was seen

2054

01:39:50,090 --> 01:39:48,659

seen overlocked and

2055

01:39:52,010 --> 01:39:50,100

um Ron West

2056

01:39:55,129 --> 01:39:52,020

um I've got the details that took the

2057

01:39:59,149 --> 01:39:55,139

photo X Coast Guard sighting UFO

2058

01:40:02,629 --> 01:39:59,159

hospital that is one West that is um it

2059

01:40:04,910 --> 01:40:02,639

was an official investigator there and

2060

01:40:07,370 --> 01:40:04,920

that's Brenda Butler to them there and

2061

01:40:10,490 --> 01:40:07,380

Ron to the right is they sort of ran the

2062

01:40:13,010 --> 01:40:10,500

group together that's Ron West on a sky

2063

01:40:15,470 --> 01:40:13,020

watch and there's only years that is

2064

01:40:17,570 --> 01:40:15,480

there he is again

2065

01:40:19,790 --> 01:40:17,580

and that's the sort of some of the stuff

2066

01:40:21,770 --> 01:40:19,800

out of Ron West's books the

2067

01:40:26,209 --> 01:40:21,780

illustrations by members of the public

2068

01:40:29,209 --> 01:40:26,219

during the late 1980s and 1990s of stuff

2069

01:40:32,149 --> 01:40:29,219

they sought over Suffolk

2070

01:40:35,030 --> 01:40:32,159

um that's true that with that one was

2071

01:40:38,330 --> 01:40:35,040

interesting that one there

2072

01:40:41,390 --> 01:40:38,340

um that was a guy called Peter Topham a

2073

01:40:43,250 --> 01:40:41,400

school boy and his sister saw these

2074

01:40:44,290 --> 01:40:43,260

things above the farmhouse in the

2075

01:40:49,310 --> 01:40:44,300

Suffolk

2076
01:40:52,750 --> 01:40:49,320
and um yeah the next morning these marks

2077
01:40:55,669 --> 01:40:52,760
were left and Export support UFO play

2078
01:40:59,689 --> 01:40:55,679
and that was what I'm pretty sure that's

2079
01:41:01,550 --> 01:40:59,699
what Peter toppen and his sister saw so

2080
01:41:04,610 --> 01:41:01,560
and that's Peter

2081
01:41:07,970 --> 01:41:04,620
a nice space again that's another photo

2082
01:41:10,910 --> 01:41:07,980
of the area that in fact is when Ross

2083
01:41:11,530 --> 01:41:10,920
Ron West passed away

2084
01:41:14,629 --> 01:41:11,540
um

2085
01:41:16,910 --> 01:41:14,639
this was made up for him and I'm lucky

2086
01:41:19,250 --> 01:41:16,920
to have got Ron's stuff because it was

2087
01:41:21,530 --> 01:41:19,260
all going to be burnt

2088
01:41:22,330 --> 01:41:21,540

um saying that's Dr Alvin hi Nick hi

2089

01:41:26,270 --> 01:41:22,340

Nick

2090

01:41:29,209 --> 01:41:26,280

in in Warminster that was

2091

01:41:31,270 --> 01:41:29,219

Lionel bear to the left maybe if

2092

01:41:35,229 --> 01:41:31,280

president would be for her

2093

01:41:37,910 --> 01:41:35,239

in fact he came over

2094

01:41:40,669 --> 01:41:37,920

Helen heinie came over and invited

2095

01:41:43,490 --> 01:41:40,679

people to a secret meeting in the London

2096

01:41:45,649 --> 01:41:43,500

area I still don't know what was all

2097

01:41:49,790 --> 01:41:45,659

that was about

2098

01:41:52,209 --> 01:41:49,800

um but yeah and that's high neck it um

2099

01:41:55,750 --> 01:41:52,219

United Nations

2100

01:41:59,629 --> 01:41:55,760

there is gaining wheelchair

2101
01:42:03,430 --> 01:41:59,639
that's a crop circle in wheelchair and

2102
01:42:08,090 --> 01:42:03,440
that's a friend of mine on the right

2103
01:42:11,450 --> 01:42:08,100
who had a fantastic sighting in 1955

2104
01:42:14,450 --> 01:42:11,460
Bill Dillon is his name and it was at

2105
01:42:16,370 --> 01:42:14,460
ramridge and again the Keats this was

2106
01:42:17,990 --> 01:42:16,380
written all the kids saw this object

2107
01:42:20,930 --> 01:42:18,000
moving over

2108
01:42:24,770 --> 01:42:20,940
and and I managed to track down some

2109
01:42:27,950 --> 01:42:24,780
more pupils and teachers that had seen

2110
01:42:32,570 --> 01:42:27,960
it and and the object that was seen at

2111
01:42:38,090 --> 01:42:32,580
randridge in 1957 is identical to an

2112
01:42:42,590 --> 01:42:38,100
object that was seen in 1947 over Oregon

2113
01:42:43,270 --> 01:42:42,600

by a team of scientists from

2114

01:42:47,330 --> 01:42:43,280

um

2115

01:42:49,910 --> 01:42:47,340

from a research center without fishing

2116

01:42:52,910 --> 01:42:49,920

and they saw this object and I think

2117

01:42:55,729 --> 01:42:52,920

there was Bruce Maccabee that said in

2118

01:42:59,570 --> 01:42:55,739

his opinion the sighting by the research

2119

01:43:02,570 --> 01:42:59,580

scientist and the sighting by by Bill

2120

01:43:06,490 --> 01:43:02,580

Dillon was one of the most authentic

2121

01:43:10,010 --> 01:43:06,500

incidents sightings never witness and

2122

01:43:13,669 --> 01:43:10,020

Bill Dylan who lives in UK not in the

2123

01:43:16,370 --> 01:43:13,679

best of health and also that's I think

2124

01:43:19,129 --> 01:43:16,380

that's high in her way but he he he's

2125

01:43:20,930 --> 01:43:19,139

done some lovely posters that's by the

2126

01:43:23,030 --> 01:43:20,940

way that spreads it to the right and

2127

01:43:24,830 --> 01:43:23,040

that's high neck we should get there

2128

01:43:26,750 --> 01:43:24,840

soon a week I think we've come to an end

2129

01:43:30,530 --> 01:43:26,760

of the second one yeah

2130

01:43:30,540 --> 01:43:34,450

have you have your drink

2131

01:43:34,460 --> 01:43:40,370

number three now

2132

01:43:45,530 --> 01:43:43,010

right that's um that that was around me

2133

01:43:50,450 --> 01:43:45,540

school that was the staff

2134

01:43:53,270 --> 01:43:50,460

School in in 50 57 I said

2135

01:43:56,209 --> 01:43:53,280

that was the score that was the object

2136

01:43:58,370 --> 01:43:56,219

they saw Illustrated

2137

01:44:00,830 --> 01:43:58,380

there it was the original one and that's

2138

01:44:03,350 --> 01:44:00,840

an illustration it was by David Sankey

2139

01:44:07,790 --> 01:44:03,360

and it was nothing to do with the nearby

2140

01:44:17,750 --> 01:44:07,800

Cardington uh airport so there's

2141

01:44:23,870 --> 01:44:20,870

nice that's that's Bill actually so that

2142

01:44:27,129 --> 01:44:23,880

that means what it is like 70s now

2143

01:44:30,470 --> 01:44:27,139

that's bill that's a Truro

2144

01:44:32,570 --> 01:44:30,480

that's uh bill and the never even be

2145

01:44:35,990 --> 01:44:32,580

more serious about it he said that was a

2146

01:44:39,709 --> 01:44:36,000

cutting going back in time I never

2147

01:44:43,729 --> 01:44:39,719

forgot we saw a UFO saves five policeman

2148

01:44:46,729 --> 01:44:43,739

there still Spellbound by Boyhood UFO

2149

01:44:48,830 --> 01:44:46,739

why put the bloody alien though next to

2150

01:44:54,229 --> 01:44:48,840

it you know E.T

2151

01:44:56,169 --> 01:44:54,239

which reminds me of the one show where

2152

01:44:59,830 --> 01:44:56,179

um the the

2153

01:45:04,010 --> 01:44:59,840

uh interviewed me

2154

01:45:08,290 --> 01:45:04,020

it wasn't the of the six but I I was on

2155

01:45:12,290 --> 01:45:08,300

the one show uh and then

2156

01:45:14,330 --> 01:45:12,300

they ended it by showing friendly E.T

2157

01:45:17,990 --> 01:45:14,340

cycling around the Moon I think it was

2158

01:45:20,689 --> 01:45:18,000

Keith Lemon took the proverbial p as

2159

01:45:23,209 --> 01:45:20,699

usual uh UFOs which reminds me of course

2160

01:45:26,390 --> 01:45:23,219

we all know what Professor Brian Cox

2161

01:45:28,090 --> 01:45:26,400

said about UFOs does anybody know

2162

01:45:35,090 --> 01:45:28,100

sorry

2163

01:45:39,590 --> 01:45:36,950

much like does anyone know what

2164

01:45:43,010 --> 01:45:39,600

professor Black Ops say when they asked

2165

01:45:45,410 --> 01:45:43,020

him it was the BBC interview and a lady

2166

01:45:47,810 --> 01:45:45,420

came out the audience and said what do

2167

01:45:49,970 --> 01:45:47,820

you think about UFOs

2168

01:45:52,430 --> 01:45:49,980

Professor Brian Cox he says a lot of

2169

01:45:55,970 --> 01:45:52,440

bikes and that's not that's on record

2170

01:45:58,070 --> 01:45:55,980

you know how I even wrote to him and

2171

01:46:00,109 --> 01:45:58,080

texted him and gone those tweeted to him

2172

01:46:05,270 --> 01:46:00,119

and I said why don't you come round and

2173

01:46:08,150 --> 01:46:05,280

look at these files nah no way so

2174

01:46:08,160 --> 01:46:46,250

[Applause]

2175

01:46:52,970 --> 01:46:49,729

so that's interesting I mean we're going

2176
01:46:58,010 --> 01:46:55,609
right that's another witness of value is

2177
01:46:59,689 --> 01:46:58,020
one of the school kids there and they

2178
01:47:02,990 --> 01:46:59,699
confirmed what have been seen that's

2179
01:47:05,629 --> 01:47:03,000
bill again I think I don't know why

2180
01:47:07,810 --> 01:47:05,639
we've certainly oh that that's um some

2181
01:47:10,250 --> 01:47:07,820
of the illustrations that bill has done

2182
01:47:12,830 --> 01:47:10,260
very impressive

2183
01:47:14,750 --> 01:47:12,840
um stuff

2184
01:47:16,750 --> 01:47:14,760
a flying source is strapped in America

2185
01:47:21,290 --> 01:47:16,760
even in

2186
01:47:24,410 --> 01:47:21,300
1971 that is that is uh John Dennis

2187
01:47:28,370 --> 01:47:24,420
Llewellyn 63 Masons were instructed by

2188
01:47:32,149 --> 01:47:28,380

Avon sadly passed away many years ago

2189

01:47:35,530 --> 01:47:32,159

um he he was the local sort of UFO

2190

01:47:38,750 --> 01:47:35,540

researcher there that's his wife Ruby

2191

01:47:40,010 --> 01:47:38,760

showing a picture with him and there's I

2192

01:47:43,070 --> 01:47:40,020

know there's a

2193

01:47:46,729 --> 01:47:43,080

that's it from him I think about stuff

2194

01:47:50,390 --> 01:47:46,739

around there that is 1960 that was where

2195

01:47:52,129 --> 01:47:50,400

UFO was seeing and it left marks and

2196

01:47:56,510 --> 01:47:52,139

that's John at the top left and the

2197

01:47:59,990 --> 01:47:56,520

farmer they're they're sort of um

2198

01:48:02,209 --> 01:48:00,000

sort of taping up the area right and I

2199

01:48:02,810 --> 01:48:02,219

actually bought this lot off

2200

01:48:08,510 --> 01:48:02,820

um

2201

01:48:10,070 --> 01:48:08,520

of Ruby for 800 quid so but it was worth

2202

01:48:12,290 --> 01:48:10,080

it because

2203

01:48:14,270 --> 01:48:12,300

well there's some interesting stuff

2204

01:48:17,270 --> 01:48:14,280

there and it's the least you could do

2205

01:48:19,729 --> 01:48:17,280

really that's Peter tape from Bristol

2206

01:48:22,430 --> 01:48:19,739

and heart Cliff lights the only photo

2207

01:48:24,890 --> 01:48:22,440

I've got of Peter

2208

01:48:27,410 --> 01:48:24,900

um a gentleman

2209

01:48:29,270 --> 01:48:27,420

these are the lights

2210

01:48:31,310 --> 01:48:29,280

um and that's the sort of things that

2211

01:48:33,530 --> 01:48:31,320

they were seeing

2212

01:48:39,950 --> 01:48:35,870

I don't know about his new mine's mine's

2213

01:48:49,760 --> 01:48:39,960

going to bed busted Taylor of course it

2214

01:48:56,090 --> 01:48:52,090

[Music]

2215

01:48:58,550 --> 01:48:56,100

Colleen Andrews and so many others that

2216

01:49:00,189 --> 01:48:58,560

I've met in the Wiltshire area silbury

2217

01:49:03,590 --> 01:49:00,199

Hill Wiltshire

2218

01:49:06,609 --> 01:49:03,600

man-made man pop group we're on top of

2219

01:49:09,410 --> 01:49:06,619

there and this this hexagonal thing

2220

01:49:12,470 --> 01:49:09,420

floated down landed on the side of the

2221

01:49:17,390 --> 01:49:12,480

hill and they saw what they described as

2222

01:49:20,030 --> 01:49:17,400

alien life forms moving up the hill and

2223

01:49:23,030 --> 01:49:20,040

uh many years ago I interviewed them and

2224

01:49:25,010 --> 01:49:23,040

then they were very genuine and you know

2225

01:49:27,530 --> 01:49:25,020

when I first started allowing this if

2226

01:49:29,570 --> 01:49:27,540

you just said to me if I don't have

2227

01:49:31,550 --> 01:49:29,580

indeed happened actually if I met

2228

01:49:34,310 --> 01:49:31,560

someone and they said I saw a UFO I

2229

01:49:35,810 --> 01:49:34,320

believe them if they said look we saw a

2230

01:49:39,470 --> 01:49:35,820

UFO

2231

01:49:42,169 --> 01:49:39,480

and they landed nearby and you'll never

2232

01:49:43,669 --> 01:49:42,179

guess we saw someone like alien beings

2233

01:49:46,850 --> 01:49:43,679

coming out of it

2234

01:49:48,830 --> 01:49:46,860

I I wouldn't believe them I mean I I

2235

01:49:51,290 --> 01:49:48,840

don't know whether these alien beings

2236

01:49:55,250 --> 01:49:51,300

are the beans

2237

01:49:58,129 --> 01:49:55,260

um but yeah these are so genuine people

2238

01:50:00,010 --> 01:49:58,139

that's no that's reg Presley I wish we

2239

01:50:03,649 --> 01:50:00,020

could have played Love is All Around

2240

01:50:08,390 --> 01:50:03,659

because he's such a smashing bloke wedge

2241

01:50:09,649 --> 01:50:08,400

it really is uh you know that's

2242

01:50:11,689 --> 01:50:09,659

um Philip

2243

01:50:14,410 --> 01:50:11,699

um

2244

01:50:20,870 --> 01:50:14,420

is that red is it on the left yeah

2245

01:50:23,930 --> 01:50:20,880

and bust it but yeah yeah I've saw that

2246

01:50:27,410 --> 01:50:23,940

that's that's busty with um what's her

2247

01:50:31,430 --> 01:50:27,420

name from the Staffordshire UFO group

2248

01:50:34,629 --> 01:50:31,440

um but Irene bot it's like and in the

2249

01:50:39,590 --> 01:50:34,639

middle is Irene Oakes

2250

01:50:44,390 --> 01:50:39,600

yeah uh is it Irena listen I know her

2251
01:50:46,669 --> 01:50:44,400
the lady from the adversighting in 78 of

2252
01:50:48,830 --> 01:50:46,679
a triangular shaped object which which

2253
01:50:50,030 --> 01:50:48,840
hovered OverWatch was away on the way

2254
01:50:50,890 --> 01:50:50,040
home

2255
01:50:53,570 --> 01:50:50,900
um

2256
01:50:55,070 --> 01:50:53,580
that's something else the expensively

2257
01:50:57,609 --> 01:50:55,080
came

2258
01:51:02,330 --> 01:51:00,770
that's outside the barge Club anybody

2259
01:51:04,810 --> 01:51:02,340
another basketball

2260
01:51:10,850 --> 01:51:07,370
so many and that's Pat Delgado

2261
01:51:12,590 --> 01:51:10,860
fascinating accounts and when he was a

2262
01:51:15,590 --> 01:51:12,600
woman

2263
01:51:18,410 --> 01:51:15,600

um you know he's a technician there

2264

01:51:21,590 --> 01:51:18,420

about the stuff that was being that was

2265

01:51:23,570 --> 01:51:21,600

moving over and being trapped on rhaegar

2266

01:51:26,030 --> 01:51:23,580

and they were all told to shut up and

2267

01:51:27,410 --> 01:51:26,040

not tell anybody about it that's

2268

01:51:28,609 --> 01:51:27,420

Gathering

2269

01:51:32,270 --> 01:51:28,619

um

2270

01:51:36,169 --> 01:51:32,280

that that's Gavin gibbons's brother uh

2271

01:51:40,850 --> 01:51:36,179

Robert Gibbons from Shropshire area and

2272

01:51:43,129 --> 01:51:40,860

Gavin wrote a book about UFOs over the

2273

01:51:46,609 --> 01:51:43,139

Shrewsbury area fascinating guy

2274

01:51:49,629 --> 01:51:46,619

eccentric that goes back to um sorry

2275

01:51:54,729 --> 01:51:49,639

that's Pat Delgado that's bad again

2276

01:51:57,470 --> 01:51:54,739

that's that's um Gavin Gibbons

2277

01:51:59,390 --> 01:51:57,480

and we sort of come in a bit of drift

2278

01:52:03,050 --> 01:51:59,400

here but that was going back to Colin

2279

01:52:05,689 --> 01:52:03,060

Andrews and Eartha Kitt

2280

01:52:09,229 --> 01:52:05,699

um they're sharing with Earth kit when

2281

01:52:11,930 --> 01:52:09,239

their book came out it's you know Norton

2282

01:52:14,229 --> 01:52:11,940

um those are rare photos of Gavin and

2283

01:52:18,649 --> 01:52:14,239

Robert and Robin

2284

01:52:21,250 --> 01:52:18,659

Guinness with this man in the 1930s

2285

01:52:23,629 --> 01:52:21,260

stand there there

2286

01:52:25,970 --> 01:52:23,639

loads of stuff coming out of the

2287

01:52:31,970 --> 01:52:25,980

spaceships that's the book he did

2288

01:52:34,850 --> 01:52:31,980

anybody anybody meet TR Dutton

2289

01:52:37,129 --> 01:52:34,860

Terrence Roy gotten anybody another

2290

01:52:40,609 --> 01:52:37,139

fascinating guy he had theories about

2291

01:52:43,310 --> 01:52:40,619

why UFOs appear and he managed to track

2292

01:52:44,930 --> 01:52:43,320

down the strongest of likeliest that

2293

01:52:48,649 --> 01:52:44,940

were going to appear in certain places

2294

01:52:52,510 --> 01:52:48,659

that was fascinating Sid Henley he was

2295

01:52:55,129 --> 01:52:52,520

from the Peterborough group I recall

2296

01:52:59,209 --> 01:52:55,139

northamptonshire that way

2297

01:53:01,250 --> 01:52:59,219

um again he suddenly passed away uh all

2298

01:53:03,010 --> 01:53:01,260

of their files went missing that was

2299

01:53:06,649 --> 01:53:03,020

some of the images

2300

01:53:10,310 --> 01:53:06,659

from uh from What was seen around that

2301
01:53:14,109 --> 01:53:10,320
area I think it was 1970s and that was

2302
01:53:18,050 --> 01:53:14,119
it was not sorry Nottinghamshire UFO

2303
01:53:21,410 --> 01:53:18,060
investigation Society so um

2304
01:53:23,090 --> 01:53:21,420
yeah that was again a fascinating

2305
01:53:29,629 --> 01:53:23,100
illustration

2306
01:53:32,510 --> 01:53:29,639
now that was Northern ufology that was

2307
01:53:35,689 --> 01:53:32,520
um she gave me a copy of that book which

2308
01:53:40,250 --> 01:53:35,699
I of the folder which I gave to

2309
01:53:43,250 --> 01:53:40,260
um Matt Lyons that was withdrawn and it

2310
01:53:46,010 --> 01:53:43,260
people speculate who that was well I I

2311
01:53:48,169 --> 01:53:46,020
don't know but can you imagine putting a

2312
01:53:51,290 --> 01:53:48,179
book like that out magazine like that

2313
01:53:53,270 --> 01:53:51,300

and then we're drawing it anyway for

2314

01:53:55,970 --> 01:53:53,280

those faint-hearted people into the lake

2315

01:53:58,010 --> 01:53:55,980

I thought I will for continue sorry

2316

01:54:01,669 --> 01:53:58,020

surely

2317

01:54:05,090 --> 01:54:01,679

um that was uh Philip um oh that was

2318

01:54:08,209 --> 01:54:05,100

Colonel well Wendell Stevens that I

2319

01:54:10,550 --> 01:54:08,219

communicated with many years ago and

2320

01:54:13,850 --> 01:54:10,560

that's a hell of a long story involving

2321

01:54:17,750 --> 01:54:13,860

someone called David Daniels who was

2322

01:54:18,910 --> 01:54:17,760

that is this his daughter Cece

2323

01:54:23,870 --> 01:54:18,920

um

2324

01:54:26,330 --> 01:54:23,880

Stevens but yeah now that is that's the

2325

01:54:29,570 --> 01:54:26,340

latest from the Isle of Wight that's um

2326

01:54:31,669 --> 01:54:29,580

Kath Smith on the left Pat Smith on the

2327

01:54:35,810 --> 01:54:31,679

right they're known

2328

01:54:38,870 --> 01:54:35,820

um no relation and that she's holding a

2329

01:54:43,010 --> 01:54:38,880

copy of youthful log uh in those days

2330

01:54:46,129 --> 01:54:43,020

from the Isle of white again the cath is

2331

01:54:48,410 --> 01:54:46,139

passed on the left but she gave me some

2332

01:54:49,870 --> 01:54:48,420

other files which I'm internally

2333

01:54:53,209 --> 01:54:49,880

grateful for

2334

01:54:54,890 --> 01:54:53,219

and they've been we wouldn't know where

2335

01:54:58,669 --> 01:54:54,900

they are now the urban system aren't

2336

01:55:01,070 --> 01:54:58,679

they they're all filed that's

2337

01:55:04,129 --> 01:55:01,080

that's a euflog

2338

01:55:07,189 --> 01:55:04,139

that's a new fog information that's Lane

2339

01:55:09,169 --> 01:55:07,199

cramp I have conversations with Len many

2340

01:55:12,350 --> 01:55:09,179

years ago

2341

01:55:13,430 --> 01:55:12,360

um cracking Rapport of the UFO scene

2342

01:55:17,890 --> 01:55:13,440

over

2343

01:55:25,010 --> 01:55:21,530

if you can have a look you can see there

2344

01:55:29,209 --> 01:55:25,020

are marks they are on the outside of the

2345

01:55:31,490 --> 01:55:29,219

field there which were the school boys

2346

01:55:34,430 --> 01:55:31,500

um saw these these objects about to

2347

01:55:37,609 --> 01:55:34,440

crash land over the field

2348

01:55:40,430 --> 01:55:37,619

and uh they they they told the

2349

01:55:43,070 --> 01:55:40,440

Headmaster and Len kramp eventually went

2350

01:55:46,129 --> 01:55:43,080

to have a look and

2351

01:55:48,590 --> 01:55:46,139

um yeah fascinating report he put in

2352

01:55:51,109 --> 01:55:48,600

about what he discovered

2353

01:55:54,709 --> 01:55:51,119

um there obviously no no craft or

2354

01:55:57,950 --> 01:55:54,719

anything but yeah it's just just

2355

01:56:00,050 --> 01:55:57,960

an interesting report that that's um

2356

01:56:02,209 --> 01:56:00,060

that's in there

2357

01:56:05,330 --> 01:56:02,219

sort of the letters he wrote

2358

01:56:08,450 --> 01:56:05,340

that is from the Isle of Wight it's a

2359

01:56:10,790 --> 01:56:08,460

bit a bit of a crappy illustration but

2360

01:56:15,430 --> 01:56:10,800

the guy that I interviewed there said

2361

01:56:18,950 --> 01:56:15,440

that's what he saw over the island way

2362

01:56:22,189 --> 01:56:18,960

now that bloke on the right

2363

01:56:23,990 --> 01:56:22,199

is Roger has anybody heard the flying

2364

01:56:28,850 --> 01:56:24,000

cross

2365

01:56:33,350 --> 01:56:28,860

of 1967 where I mentioned it before

2366

01:56:35,930 --> 01:56:33,360

um Roger Roger Wiley and PC Clifford

2367

01:56:39,530 --> 01:56:35,940

waycott I think it was the 24th of

2368

01:56:42,109 --> 01:56:39,540

October in 1967 were on duty

2369

01:56:45,229 --> 01:56:42,119

and they saw this formation of Lights

2370

01:56:48,109 --> 01:56:45,239

like a flying cross and they chased it

2371

01:56:51,109 --> 01:56:48,119

and he reported it to superintendent and

2372

01:56:53,750 --> 01:56:51,119

of course over the next few days that it

2373

01:56:56,090 --> 01:56:53,760

was downplayed they said they'd been

2374

01:56:59,930 --> 01:56:56,100

they were told they were chasing Mars or

2375

01:57:02,330 --> 01:56:59,940

things clearly there wasn't and they had

2376
01:57:04,129 --> 01:57:02,340
the guts to come forward and say what

2377
01:57:07,149 --> 01:57:04,139
they'd seen but what people don't

2378
01:57:11,209 --> 01:57:07,159
realize is that

2379
01:57:14,330 --> 01:57:11,219
1967 was absolutely chocolate with

2380
01:57:18,770 --> 01:57:14,340
reports flying crosses and for me a

2381
01:57:21,010 --> 01:57:18,780
flying cross is just past the external

2382
01:57:22,570 --> 01:57:21,020
what would you call it

2383
01:57:26,149 --> 01:57:22,580
external

2384
01:57:29,570 --> 01:57:26,159
surface of an object that doesn't always

2385
01:57:32,709 --> 01:57:29,580
show its full self in other words you

2386
01:57:36,770 --> 01:57:32,719
might see part of it and I have no idea

2387
01:57:39,830 --> 01:57:36,780
what the criteria is or the conditions

2388
01:57:43,430 --> 01:57:39,840

that make this happen for argument sake

2389

01:57:45,470 --> 01:57:43,440

in Wiltshire I've taken a photo of a

2390

01:57:48,350 --> 01:57:45,480

cylindrical object coming

2391

01:57:50,570 --> 01:57:48,360

if you like enter our dimension for one

2392

01:57:51,890 --> 01:57:50,580

better word because you only see half of

2393

01:57:55,970 --> 01:57:51,900

it

2394

01:57:57,709 --> 01:57:55,980

um so you know the the the stuff was

2395

01:57:59,990 --> 01:57:57,719

full of me in

2396

01:58:02,750 --> 01:58:00,000

the flying cross was a short-lived thing

2397

01:58:05,810 --> 01:58:02,760

that probably by the end of the year it

2398

01:58:08,629 --> 01:58:05,820

bleeds it out completely so again for me

2399

01:58:12,109 --> 01:58:08,639

think of a flying cross think of the

2400

01:58:14,870 --> 01:58:12,119

number of reports of squares rectangles

2401

01:58:17,149 --> 01:58:14,880

on the exterior surface of the UFO

2402

01:58:19,750 --> 01:58:17,159

thinking that the number of occasions

2403

01:58:22,790 --> 01:58:19,760

when people see squares flying along

2404

01:58:26,330 --> 01:58:22,800

rectangular flying along not just not

2405

01:58:29,330 --> 01:58:26,340

just saucer-saped objects so what what

2406

01:58:32,689 --> 01:58:29,340

causes this I I don't know and that's

2407

01:58:34,609 --> 01:58:32,699

Graham Birdsall and Hillary Evans uh

2408

01:58:36,229 --> 01:58:34,619

Hillary hasn't got it obviously they've

2409

01:58:38,030 --> 01:58:36,239

passed away

2410

01:58:39,890 --> 01:58:38,040

um that's um

2411

01:58:42,950 --> 01:58:39,900

is there anybody know where that is you

2412

01:58:44,709 --> 01:58:42,960

should know 100 foot yeah that's right I

2413

01:58:47,870 --> 01:58:44,719

couldn't pronounce it

2414

01:58:49,609 --> 01:58:47,880

but that was Scott Felton showed me that

2415

01:58:52,490 --> 01:58:49,619

and he showed that this is where the

2416

01:58:55,689 --> 01:58:52,500

bearing the Berwin mountains uh and I

2417

01:58:59,270 --> 01:58:55,699

think he said the box has gone

2418

01:59:02,209 --> 01:58:59,280

oh she's still there about three weeks

2419

01:59:05,270 --> 01:59:02,219

ago oh right and that's where the the

2420

01:59:09,290 --> 01:59:05,280

object was seen by the nurses

2421

01:59:11,750 --> 01:59:09,300

um now that's that's somebody somebody

2422

01:59:14,510 --> 01:59:11,760

sent me that clear as far as I know it

2423

01:59:17,040 --> 01:59:14,520

wasn't triangular that that's that's the

2424

01:59:17,209 --> 01:59:17,050

plan is what they saw

2425

01:59:18,770 --> 01:59:17,219

[Music]

2426

01:59:21,250 --> 01:59:18,780

um

2427

01:59:24,589 --> 01:59:21,260

yeah

2428

01:59:26,689 --> 01:59:24,599

that's that's another sighting I can't

2429

01:59:28,970 --> 01:59:26,699

even tell you where the no but that's

2430

01:59:34,189 --> 01:59:28,980

the same year

2431

01:59:39,950 --> 01:59:37,010

I think you see the harbor one that wins

2432

01:59:41,810 --> 01:59:39,960

our way back so we go on this is some

2433

01:59:43,850 --> 01:59:41,820

let's go on to the um

2434

01:59:46,129 --> 01:59:43,860

the next one well I'll get in there

2435

01:59:51,890 --> 01:59:46,139

slowly

2436

01:59:55,189 --> 01:59:54,229

all right I don't recognize that one and

2437

01:59:56,689 --> 01:59:55,199

you should

2438

01:59:59,570 --> 01:59:56,699

hey

2439

02:00:03,169 --> 01:59:59,580

get it off

2440

02:00:04,729 --> 02:00:03,179

that was that's a lady that's um I can't

2441

02:00:08,990 --> 02:00:04,739

remember her name I will come the old

2442

02:00:10,910 --> 02:00:09,000

England range oh and 1971 uh Angry

2443

02:00:13,370 --> 02:00:10,920

Worcestershire with a number of other

2444

02:00:16,330 --> 02:00:13,380

girl guys so we're kicking the mic out

2445

02:00:19,609 --> 02:00:16,340

in the field and this bloody thing

2446

02:00:22,189 --> 02:00:19,619

zoomed up over the top of the field and

2447

02:00:25,189 --> 02:00:22,199

then circled around the the the the the

2448

02:00:27,530 --> 02:00:25,199

the the tents for about half an hour

2449

02:00:30,350 --> 02:00:27,540

charifying them all they eventually

2450

02:00:32,870 --> 02:00:30,360

reported that the police and then the

2451
02:00:35,390 --> 02:00:32,880
mod and of course nothing was done about

2452
02:00:38,629 --> 02:00:35,400
it and they she still looks around so

2453
02:00:40,310 --> 02:00:38,639
now I think that's a letter uh I don't

2454
02:00:43,850 --> 02:00:40,320
know why this is out of sequence but

2455
02:00:45,890 --> 02:00:43,860
this is what Margaret fry saw in 1955

2456
02:00:48,050 --> 02:00:45,900
which is of interest because we've got

2457
02:00:51,530 --> 02:00:48,060
the classic one two three lights

2458
02:00:53,450 --> 02:00:51,540
although Margaret does say yes there are

2459
02:00:55,310 --> 02:00:53,460
three lights set at hemispherical

2460
02:00:57,530 --> 02:00:55,320
distance from each other but there was

2461
02:01:00,169 --> 02:00:57,540
always there was actually a light in the

2462
02:01:03,229 --> 02:01:00,179
middle that's that's her

2463
02:01:05,450 --> 02:01:03,239

before God that's Margaret and she was

2464

02:01:06,830 --> 02:01:05,460

in bexleyheath

2465

02:01:11,089 --> 02:01:06,840

um

2466

02:01:12,910 --> 02:01:11,099

that's the newspaper cutting

2467

02:01:15,050 --> 02:01:12,920

that's

2468

02:01:18,169 --> 02:01:15,060

surely mentioned

2469

02:01:23,350 --> 02:01:18,179

Alan Hilton he he had a lot of

2470

02:01:26,890 --> 02:01:23,360

conferences down in the um Kent area

2471

02:01:31,609 --> 02:01:26,900

ex-pilot blah blah blah really nice guy

2472

02:01:33,290 --> 02:01:31,619

he he passed away some years ago and to

2473

02:01:35,510 --> 02:01:33,300

say he was a big friend of Margaret's

2474

02:01:40,129 --> 02:01:35,520

now that that

2475

02:01:43,070 --> 02:01:40,139

that's what Rodney Maynard said he saw

2476

02:01:44,450 --> 02:01:43,080

he saw it the day after Margaret fry saw

2477

02:01:46,669 --> 02:01:44,460

hers

2478

02:01:49,910 --> 02:01:46,679

now he was

2479

02:01:52,609 --> 02:01:49,920

um he told Timothy good and Timothy cook

2480

02:01:57,169 --> 02:01:52,619

was interviewed on a radio program about

2481

02:01:59,390 --> 02:01:57,179

the Bexley Heath site in 1955 and

2482

02:02:02,149 --> 02:01:59,400

um they said to him the guy says

2483

02:02:05,030 --> 02:02:02,159

relucting what was it look like and he

2484

02:02:07,729 --> 02:02:05,040

said well it was a classic flying

2485

02:02:09,890 --> 02:02:07,739

sausage-shaped object with what looked

2486

02:02:12,350 --> 02:02:09,900

like a nipple on the top and the boat

2487

02:02:13,910 --> 02:02:12,360

burst into laughter and he said well

2488

02:02:16,790 --> 02:02:13,920

there's a lot of those flying nipples

2489

02:02:20,570 --> 02:02:16,800

around some of the places here and I

2490

02:02:23,629 --> 02:02:20,580

thought Tim why did you say that and

2491

02:02:25,790 --> 02:02:23,639

it's funny but it's not you know but

2492

02:02:28,669 --> 02:02:25,800

then again that's what the bloke saw and

2493

02:02:30,649 --> 02:02:28,679

so for me and obviously that whoever was

2494

02:02:33,890 --> 02:02:30,659

listening to that

2495

02:02:36,709 --> 02:02:33,900

um it it denigrated it and people just

2496

02:02:41,149 --> 02:02:36,719

laughed that's our lady friend Margaret

2497

02:02:43,189 --> 02:02:41,159

that's the copper Jim streak

2498

02:02:45,950 --> 02:02:43,199

um that's Margaret putting some makeup

2499

02:02:48,770 --> 02:02:45,960

on this is at the crook Lodge

2500

02:02:51,950 --> 02:02:48,780

um the reunion that's the location where

2501
02:02:55,250 --> 02:02:51,960
it happened that's what Margaret saw and

2502
02:02:58,490 --> 02:02:55,260
some other kids saw as well I smiled it

2503
02:03:07,370 --> 02:03:00,360
is that nice

2504
02:03:18,950 --> 02:03:11,030
I'll be going for time be all right

2505
02:03:23,510 --> 02:03:20,870
that's smart

2506
02:03:25,790 --> 02:03:23,520
her father was great he actually was a

2507
02:03:27,350 --> 02:03:25,800
scientist

2508
02:03:30,589 --> 02:03:27,360
state

2509
02:03:35,930 --> 02:03:33,109
I've got to do the

2510
02:03:37,609 --> 02:03:35,940
um Paul Davis I put crack ons with that

2511
02:03:39,709 --> 02:03:37,619
in a minute there's some of my

2512
02:03:41,169 --> 02:03:39,719
Margaret's stuff

2513
02:03:44,149 --> 02:03:41,179

um

2514

02:03:47,750 --> 02:03:44,159

sketches some of the the reports that

2515

02:03:48,890 --> 02:03:47,760

she dealt with as you can see

2516

02:03:51,470 --> 02:03:48,900

um

2517

02:03:53,570 --> 02:03:51,480

that's Rodney Maynard the guy about the

2518

02:03:55,790 --> 02:03:53,580

sighting and then at the strange marks

2519

02:03:58,189 --> 02:03:55,800

now that's the one that's the famous

2520

02:04:00,649 --> 02:03:58,199

question I know if Margaret was ears you

2521

02:04:04,430 --> 02:04:00,659

might be here now she'd probably say

2522

02:04:07,129 --> 02:04:04,440

bloody hell John has he put in that up

2523

02:04:09,530 --> 02:04:07,139

here because of course that was uh well

2524

02:04:10,970 --> 02:04:09,540

it's no longer actually had the breast

2525

02:04:13,910 --> 02:04:10,980

cancer

2526

02:04:16,430 --> 02:04:13,920

that's how the dangor him from Earthly

2527

02:04:19,010 --> 02:04:16,440

he vanished off the face of the Earth

2528

02:04:21,350 --> 02:04:19,020

about four years ago don't know where

2529

02:04:23,270 --> 02:04:21,360

he's gone he was living in Bexley Heath

2530

02:04:24,709 --> 02:04:23,280

he always said he wanted to live in

2531

02:04:27,470 --> 02:04:24,719

Warminster

2532

02:04:31,250 --> 02:04:27,480

I don't know that was Cena I think that

2533

02:04:32,530 --> 02:04:31,260

was 78 over Bexley Heath that's one of

2534

02:04:35,390 --> 02:04:32,540

her letters here

2535

02:04:38,649 --> 02:04:35,400

she's mentioned somebody called a police

2536

02:04:41,990 --> 02:04:38,659

officer who witnessed it called Deborah

2537

02:04:44,709 --> 02:04:42,000

dinigri and I actually spoke to Deborah

2538

02:04:48,770 --> 02:04:44,719

and diniquely about three or four

2539

02:04:52,160 --> 02:04:48,780

weeks ago and got a story from her and

2540

02:04:53,870 --> 02:04:52,170

that's what they saw in the sky

2541

02:04:58,330 --> 02:04:53,880

[Music]

2542

02:05:03,770 --> 02:05:03,160

City Television Studios 1983

2543

02:05:05,629 --> 02:05:03,780

[Music]

2544

02:05:08,089 --> 02:05:05,639

um

2545

02:05:09,830 --> 02:05:08,099

but that's Scott you all know Scott

2546

02:05:12,410 --> 02:05:09,840

Felton yeah

2547

02:05:14,330 --> 02:05:12,420

yeah that's him at burrowing mountains

2548

02:05:20,870 --> 02:05:14,340

he's doing

2549

02:05:21,790 --> 02:05:20,880

um a can dedication to Margaret Frye so

2550

02:05:26,689 --> 02:05:21,800

remember

2551
02:05:30,910 --> 02:05:26,699
Mount is UFO researcher that's uh Jesse

2552
02:05:37,970 --> 02:05:34,910
sixth might become 56 that's just what

2553
02:05:40,850 --> 02:05:37,980
Jesse saw as you can see typical source

2554
02:05:44,930 --> 02:05:40,860
to saved object once again that's a rare

2555
02:05:50,030 --> 02:05:47,450
um many years ago that's that's the

2556
02:05:54,229 --> 02:05:50,040
illustration that's what she saw that's

2557
02:05:57,649 --> 02:05:54,239
husband Tony and so again the Scranton

2558
02:06:01,790 --> 02:05:57,659
Farmhouse where it was seen and there's

2559
02:06:02,629 --> 02:06:01,800
even a guy who saw it moving over

2560
02:06:07,149 --> 02:06:02,639
um

2561
02:06:09,410 --> 02:06:07,159
moving moving over about an hour later

2562
02:06:11,570 --> 02:06:09,420
so that that certainly was interesting

2563
02:06:14,510 --> 02:06:11,580

that's what Jesse

2564

02:06:17,570 --> 02:06:14,520

I saw and that's the beans inside the

2565

02:06:22,609 --> 02:06:17,580

object that's Jesse there that's Jesse

2566

02:06:25,490 --> 02:06:22,619

there that's showing a copy of the book

2567

02:06:28,070 --> 02:06:25,500

um but a lovely lady and absolutely a

2568

02:06:30,560 --> 02:06:28,080

very pleasure to to meet

2569

02:06:35,450 --> 02:06:30,570

daily

2570

02:06:43,810 --> 02:06:35,460

[Music]

2571

02:06:47,950 --> 02:06:46,010

and stuff

2572

02:07:03,910 --> 02:06:47,960

yeah

2573

02:07:06,770 --> 02:07:03,920

right

2574

02:07:09,910 --> 02:07:06,780

well no there's too many of us that's

2575

02:07:12,410 --> 02:07:09,920

the Scrapbook from the school

2576

02:07:14,870 --> 02:07:12,420

we'll just clock onto this thing that's

2577

02:07:15,770 --> 02:07:14,880

some of the illustrations done by the

2578

02:07:17,750 --> 02:07:15,780

kids

2579

02:07:21,290 --> 02:07:17,760

um and the interesting thing is that

2580

02:07:24,169 --> 02:07:21,300

they've got bits on the back Dome on top

2581

02:07:26,870 --> 02:07:24,179

and on top of the Dome was I like these

2582

02:07:29,209 --> 02:07:26,880

are young kids you know and that's what

2583

02:07:31,990 --> 02:07:29,219

was that's what they saw

2584

02:07:34,370 --> 02:07:32,000

and listen ERS there Webb's Hill

2585

02:07:37,129 --> 02:07:34,380

fascinating because at the top of the

2586

02:07:40,550 --> 02:07:37,139

hill is there was a cemetery and it was

2587

02:07:41,170 --> 02:07:40,560

a bit derelict term and shape and of

2588

02:07:41,510 --> 02:07:41,180

course

2589

02:07:42,649 --> 02:07:41,520

[Music]

2590

02:07:45,709 --> 02:07:42,659

um

2591

02:07:48,350 --> 02:07:45,719

you can't get up to the top now because

2592

02:07:51,430 --> 02:07:48,360

it used to be a path and

2593

02:07:55,250 --> 02:07:51,440

um cemeteries and UFOs

2594

02:07:57,229 --> 02:07:55,260

that's the church the silver cigar and

2595

02:08:00,410 --> 02:07:57,239

that's that's an illustration of what

2596

02:08:04,310 --> 02:08:00,420

the kids saw it's David Davis

2597

02:08:04,320 --> 02:08:10,490

triangle yeah

2598

02:08:14,149 --> 02:08:12,649

that's Malcolm Robinson I think that's

2599

02:08:17,570 --> 02:08:14,159

random isn't it

2600

02:08:19,189 --> 02:08:17,580

yeah yeah that's it because Malcolm went

2601
02:08:21,410 --> 02:08:19,199
to see him when he was a kid and he did

2602
02:08:23,950 --> 02:08:21,420
a really good interview so I'll try and

2603
02:08:27,530 --> 02:08:23,960
look that up for you

2604
02:08:30,169 --> 02:08:27,540
yeah I think if I that's Randall again

2605
02:08:32,270 --> 02:08:30,179
um I think if I went to the lot and all

2606
02:08:35,330 --> 02:08:32,280
the film The bits of film I'd be sat

2607
02:08:39,350 --> 02:08:35,340
here at four o'clock in the morning

2608
02:08:42,410 --> 02:08:39,890
um

2609
02:08:44,089 --> 02:08:42,420
don't bloody much stuff oh was that he's

2610
02:08:44,930 --> 02:08:44,099
left I think that was his letter wasn't

2611
02:08:47,450 --> 02:08:44,940
he

2612
02:08:48,530 --> 02:08:47,460
uh Dear Mr Anderson replied to your

2613
02:08:49,430 --> 02:08:48,540

recent

2614

02:08:51,950 --> 02:08:49,440

um

2615

02:08:54,790 --> 02:08:51,960

letter for which I thank you this will

2616

02:08:57,850 --> 02:08:54,800

confirm our meeting of October the 16th

2617

02:09:01,910 --> 02:08:57,860

1990 80s

2618

02:09:04,490 --> 02:09:01,920

yeah at some time in 10 and 11 A.M I

2619

02:09:06,350 --> 02:09:04,500

look forward to hearing your views and

2620

02:09:08,689 --> 02:09:06,360

look forward to meeting you and your

2621

02:09:11,390 --> 02:09:08,699

friend with all good wishes Randall

2622

02:09:13,250 --> 02:09:11,400

Jones Pew and the first thing he said to

2623

02:09:15,649 --> 02:09:13,260

me is to say when I got there he sat

2624

02:09:19,070 --> 02:09:15,659

down and he went

2625

02:09:21,169 --> 02:09:19,080

he said a few technology communion I

2626

02:09:24,229 --> 02:09:21,179

said I'll beg you back he said are you

2627

02:09:26,209 --> 02:09:24,239

religious I said well to be honest no he

2628

02:09:28,250 --> 02:09:26,219

said you were a cop though weren't you

2629

02:09:30,649 --> 02:09:28,260

and I said yes he said well done done

2630

02:09:32,570 --> 02:09:30,659

out John you've got to take Holy

2631

02:09:33,950 --> 02:09:32,580

Communion you've got to do something

2632

02:09:38,089 --> 02:09:33,960

you've got to change your religion

2633

02:09:41,689 --> 02:09:39,649

he said so really

2634

02:09:43,729 --> 02:09:41,699

I didn't spend too much time with him

2635

02:09:46,910 --> 02:09:43,739

and then it starts to pour down outside

2636

02:09:49,070 --> 02:09:46,920

and his wife came and and I left and I

2637

02:09:50,990 --> 02:09:49,080

got in the car and one of the bloody

2638

02:09:53,149 --> 02:09:51,000

Barons went in the wheel so I had to get

2639

02:09:56,930 --> 02:09:53,159

a lift back but there's there's another

2640

02:10:16,689 --> 02:09:56,940

story but what a smashing bloke

2641

02:10:22,070 --> 02:10:19,850

section however the sorts of Science

2642

02:10:25,189 --> 02:10:22,080

Fiction that deals with

2643

02:10:27,050 --> 02:10:25,199

Humanities place in the future Etc and

2644

02:10:29,510 --> 02:10:27,060

nothing to do with

2645

02:10:31,910 --> 02:10:29,520

spaceships coming from Mars and invade

2646

02:10:33,950 --> 02:10:31,920

in nothing's all like that

2647

02:10:36,790 --> 02:10:33,960

so being the natural born together that

2648

02:10:39,649 --> 02:10:36,800

I was at the end of the day I decided

2649

02:10:40,790 --> 02:10:39,659

that I was doing a debunk this once and

2650

02:10:43,129 --> 02:10:40,800

for all

2651

02:10:45,109 --> 02:10:43,139

total nonsense

2652

02:10:47,750 --> 02:10:45,119

so at the end of the day when the final

2653

02:10:53,149 --> 02:10:47,760

Bell ends I went to the top and playing

2654

02:10:58,010 --> 02:10:55,790

okay this is the very majority skill and

2655

02:10:59,990 --> 02:10:58,020

across the School Street

2656

02:11:01,669 --> 02:11:00,000

well I only managed to get my leg over

2657

02:11:04,129 --> 02:11:01,679

there

2658

02:11:07,550 --> 02:11:04,139

when

2659

02:11:10,910 --> 02:11:07,560

I was suddenly drawn to a large object

2660

02:11:13,330 --> 02:11:10,920

which is appeared from behind a group of

2661

02:11:15,420 --> 02:11:13,340

trees which are still there

2662

02:11:16,669 --> 02:11:15,430

uh 45 feet long

2663

02:11:19,010 --> 02:11:16,679

[Music]

2664

02:11:20,870 --> 02:11:19,020

silver

2665

02:11:23,209 --> 02:11:20,880

an expression I didn't use at the time

2666

02:11:25,370 --> 02:11:23,219

because it wasn't in my vocabulary but

2667

02:11:28,010 --> 02:11:25,380

the Silvery that was silver finish kind

2668

02:11:29,450 --> 02:11:28,020

of put a lesson sort of feel to it it

2669

02:11:33,229 --> 02:11:29,460

was

2670

02:11:33,550 --> 02:11:33,239

almost difficult to focus on purpose

2671

02:11:36,970 --> 02:11:33,560

um

2672

02:11:43,430 --> 02:11:40,370

Central Dome that covered the top the

2673

02:11:47,209 --> 02:11:43,440

The Little Theater of the vehicle

2674

02:11:50,870 --> 02:11:47,219

and I read I scrubby at the times of the

2675

02:11:52,490 --> 02:11:50,880

flashing light now again another word

2676

02:11:54,350 --> 02:11:52,500

that wasn't in my vocabulary at the same

2677

02:11:58,149 --> 02:11:54,360

time and I'll correct that now I would

2678

02:12:03,589 --> 02:12:00,530

like you'd see on an emergency vehicle

2679

02:12:08,209 --> 02:12:03,599

it was more sorts of

2680

02:12:14,629 --> 02:12:08,219

a very slow vast one one flash per

2681

02:12:18,350 --> 02:12:16,370

I honestly couldn't believe what I saw

2682

02:12:21,109 --> 02:12:18,360

though I'm excited on the accident for

2683

02:12:24,229 --> 02:12:21,119

the matter of about 10 seconds at the

2684

02:12:29,810 --> 02:12:27,229

um the object eventually motionless but

2685

02:12:33,649 --> 02:12:29,820

it appeared to be given a slight tugging

2686

02:12:40,080 --> 02:12:36,229

and then went to be home

2687

02:12:42,830 --> 02:12:41,689

[Applause]

2688

02:12:45,530 --> 02:12:42,840

um reports have been coming in

2689

02:12:50,089 --> 02:12:45,540

throughout the day but we've seen this

2690

02:12:56,390 --> 02:12:52,910

like I said I didn't believe one best so

2691

02:13:00,890 --> 02:12:56,400

at the end of the day I came up from my

2692

02:13:02,350 --> 02:13:00,900

tattoo which was turned up there

2693

02:13:04,550 --> 02:13:02,360

um

2694

02:13:07,129 --> 02:13:04,560

which is a bit higher now than it was

2695

02:13:09,649 --> 02:13:07,139

another use of something around about

2696

02:13:13,970 --> 02:13:12,169

started looking there was nothing inside

2697

02:13:16,129 --> 02:13:13,980

what's around here

2698

02:13:18,229 --> 02:13:16,139

so

2699

02:13:20,089 --> 02:13:18,239

I suddenly get over the fence just at

2700

02:13:23,270 --> 02:13:20,099

the top here

2701
02:13:26,209 --> 02:13:23,280
and I was only about halfway over one

2702
02:13:28,930 --> 02:13:26,219
leg oversizing fence you'll see it's a

2703
02:13:31,370 --> 02:13:28,940
bit difficult to use these small trees

2704
02:13:34,310 --> 02:13:31,380
are starting to mature a bit now but

2705
02:13:36,649 --> 02:13:34,320
you'll see a large amount of trees on

2706
02:13:43,910 --> 02:13:36,659
the back of there it's just just before

2707
02:13:49,110 --> 02:13:47,330
and this is just just to show you this

2708
02:13:51,470 --> 02:13:49,120
one though

2709
02:13:56,050 --> 02:13:51,480
[Music]

2710
02:13:59,750 --> 02:13:56,060
now as I turned I know

2711
02:14:01,870 --> 02:13:59,760
fancy scramblers as far as I know people

2712
02:14:03,370 --> 02:14:01,880
are even a hotel

2713
02:14:06,790 --> 02:14:03,380

[Music]

2714

02:14:06,800 --> 02:14:19,270

although mother had decisions

2715

02:14:19,280 --> 02:14:23,589

this is

2716

02:14:28,030 --> 02:14:26,350

perhaps you just give it a minute

2717

02:14:31,490 --> 02:14:28,040

yeah

2718

02:14:39,150 --> 02:14:31,500

so he said you have a nice

2719

02:14:42,490 --> 02:14:39,420

[Music]

2720

02:14:46,250 --> 02:14:42,500

[Applause]

2721

02:14:50,089 --> 02:14:46,260

anyway towards Little Haven yeah

2722

02:14:53,390 --> 02:14:50,099

um we found a dilapidated Farmhouse

2723

02:14:55,970 --> 02:14:53,400

right alignment basically I'm in this

2724

02:14:59,569 --> 02:14:55,980

lowest motor show but you know

2725

02:14:59,579 --> 02:15:07,149

okay thanks yeah it's okay

2726

02:15:17,290 --> 02:15:09,109

q a

2727

02:15:27,410 --> 02:15:19,729

I don't want to hook her up and you know

2728

02:15:32,649 --> 02:15:28,569

yeah

2729

02:15:36,890 --> 02:15:35,089

well it was a Whistle Stop tour wasn't

2730

02:15:42,589 --> 02:15:36,900

it

2731

02:15:44,990 --> 02:15:42,599

archive we need to have one meeting like

2732

02:15:47,569 --> 02:15:45,000

this every night for a whole year really

2733

02:15:51,050 --> 02:15:47,579

see it all I appreciate it all

2734

02:15:54,410 --> 02:15:51,060

but uh I'm sure you all appreciate what

2735

02:15:56,990 --> 02:15:54,420

John's told us all tonight

2736

02:15:58,609 --> 02:15:57,000

it's uh can't believe the amount of

2737

02:16:01,189 --> 02:15:58,619

information that is

2738

02:16:03,470 --> 02:16:01,199

he could uh he could keep talking about

2739

02:16:05,390 --> 02:16:03,480

it over and over and over again

2740

02:16:07,729 --> 02:16:05,400

and um

2741

02:16:10,069 --> 02:16:07,739

my head's spinning I shouldn't be what

2742

02:16:12,649 --> 02:16:10,079

information has gone in

2743

02:16:13,580 --> 02:16:12,659

and uh yeah can you put your hand

2744

02:16:22,370 --> 02:16:13,590

together again for John

2745

02:16:22,380 --> 02:16:28,629

nobody got any questions click no

2746

02:16:32,450 --> 02:16:30,770

out there questions because we did an

2747

02:16:34,610 --> 02:16:32,460

interview before

2748

02:16:37,969 --> 02:16:34,620

this flight which is going out on the

2749

02:16:39,290 --> 02:16:37,979

radio show next week and um asked a few

2750

02:16:42,530 --> 02:16:39,300

questions there

2751
02:16:43,570 --> 02:16:42,540
but um out of all the cases that you've

2752
02:16:46,129 --> 02:16:43,580
mixed

2753
02:16:47,750 --> 02:16:46,139
examined or investigated over the years

2754
02:16:50,709 --> 02:16:47,760
it's a bit of a difficult question is

2755
02:16:53,929 --> 02:16:50,719
which is the one that is most

2756
02:16:56,389 --> 02:16:53,939
impressive or has the most effective yes

2757
02:16:59,509 --> 02:16:56,399
most frightening of course is the Doris

2758
02:17:02,089 --> 02:16:59,519
uh Doris from week Moore and Heritage

2759
02:17:05,330 --> 02:17:02,099
for me that's um

2760
02:17:08,330 --> 02:17:05,340
I mean at the end of the day these

2761
02:17:10,490 --> 02:17:08,340
people are experiences frightening

2762
02:17:13,250 --> 02:17:10,500
things

2763
02:17:14,990 --> 02:17:13,260

um sometimes people see something in the

2764

02:17:17,330 --> 02:17:15,000

sky and they're still friends and

2765

02:17:21,770 --> 02:17:17,340

sometimes people do have a close

2766

02:17:24,169 --> 02:17:21,780

encounter I think that um it's very

2767

02:17:26,330 --> 02:17:24,179

difficult to say this is so many I mean

2768

02:17:28,730 --> 02:17:26,340

we've got the picture of the implant

2769

02:17:35,509 --> 02:17:32,870

um intriguing uh stuff really yeah and

2770

02:17:39,349 --> 02:17:35,519

as we said I've got a folder there if I

2771

02:17:43,129 --> 02:17:39,359

got the archives here and we all sat

2772

02:17:45,230 --> 02:17:43,139

here by the end of the month saying yeah

2773

02:17:48,290 --> 02:17:45,240

you'd be you have to

2774

02:17:50,209 --> 02:17:48,300

be carried away or we'd have to you

2775

02:17:52,790 --> 02:17:50,219

you'd be going mad because there's so

2776

02:17:55,730 --> 02:17:52,800

much stuff but it is trying to get that

2777

02:17:56,450 --> 02:17:55,740

message across isn't it that

2778

02:17:59,209 --> 02:17:56,460

um

2779

02:18:01,990 --> 02:17:59,219

you know this is the serious uh

2780

02:18:05,450 --> 02:18:02,000

phenomena and it should be treated with

2781

02:18:08,509 --> 02:18:05,460

respectability by the media and the

2782

02:18:12,169 --> 02:18:08,519

press and the issues so all you've got

2783

02:18:14,950 --> 02:18:12,179

to do is ask you one question why

2784

02:18:19,549 --> 02:18:14,960

because they don't want you to know

2785

02:18:23,389 --> 02:18:19,559

right yeah believe that and 100 and

2786

02:18:25,790 --> 02:18:23,399

again this really affected me well maybe

2787

02:18:27,889 --> 02:18:25,800

think well the number of people

2788

02:18:29,509 --> 02:18:27,899

who dedicated like we said earlier the

2789

02:18:31,669 --> 02:18:29,519

people have dedicated their lives to

2790

02:18:33,530 --> 02:18:31,679

research it at how many times tonight

2791

02:18:35,690 --> 02:18:33,540

did he say oh this person has passed

2792

02:18:38,030 --> 02:18:35,700

away this person's passed away we've

2793

02:18:40,969 --> 02:18:38,040

only heard for a few years have we

2794

02:18:43,549 --> 02:18:40,979

and we do what we can and there's a body

2795

02:18:45,709 --> 02:18:43,559

of work left behind and sadly a lot of

2796

02:18:49,849 --> 02:18:45,719

it's gone missing but John's worked hard

2797

02:18:51,290 --> 02:18:49,859

to try and preserve a lot of that and I
