

2008

1  
00:00:13,900 --> 00:00:10,669  
beautiful welcome to miss Jeannie Rubin

2  
00:00:19,689 --> 00:00:16,630  
[Applause]

3  
00:00:22,189 --> 00:00:19,699  
wow I'm very impressive aren't I

4  
00:00:24,349 --> 00:00:22,199  
thank you so much for coming

5  
00:00:25,790 --> 00:00:24,359  
um I'm really thrilled to be here is

6  
00:00:28,550 --> 00:00:25,800  
that about the right

7  
00:00:30,109 --> 00:00:28,560  
level yeah okay so yeah I'm really

8  
00:00:33,049 --> 00:00:30,119  
thrilled to be here because actually now

9  
00:00:35,990 --> 00:00:33,059  
I live in Swansea and that is integral

10  
00:00:38,090 --> 00:00:36,000  
to the talk and why I'm doing it now I

11  
00:00:42,530 --> 00:00:38,100  
actually got in touch with Emily

12  
00:00:44,750 --> 00:00:42,540  
back in August yeah August was it August

13  
00:00:46,190 --> 00:00:44,760

September last year and then I can't

14

00:00:48,910 --> 00:00:46,200

remember exactly

15

00:00:50,569 --> 00:00:48,920

but it all stem from finding out about

16

00:00:52,970 --> 00:00:50,579

astrophotography now I'm already

17

00:00:54,889 --> 00:00:52,980

interested in astrology and I'm sure a

18

00:00:58,130 --> 00:00:54,899

lot how many of you are interested in it

19

00:00:59,930 --> 00:00:58,140

in a slightly deeper fashion astrology I

20

00:01:01,910 --> 00:00:59,940

mean as in

21

00:01:05,289 --> 00:01:01,920

um not just your you know your star

22

00:01:07,010 --> 00:01:05,299

signs in the newspaper

23

00:01:09,890 --> 00:01:07,020

on you

24

00:01:13,550 --> 00:01:09,900

so astrophotography is Astra from

25

00:01:14,990 --> 00:01:13,560

astrology in cartography is map okay so

26

00:01:16,969 --> 00:01:15,000

I'm gonna use some props and I've

27

00:01:20,450 --> 00:01:16,979

obviously got slides as well

28

00:01:23,570 --> 00:01:20,460

so um I've heard of Pam Gregory

29

00:01:26,210 --> 00:01:23,580

Pam Gregory yeah so Pam Gregory is a

30

00:01:27,910 --> 00:01:26,220

master astrologist she's actually

31

00:01:30,530 --> 00:01:27,920

um got a master's degree in astrology

32

00:01:31,789 --> 00:01:30,540

and I got these books a couple of years

33

00:01:34,429 --> 00:01:31,799

ago when I had to go back up to

34

00:01:36,410 --> 00:01:34,439

Yorkshire to look after my dad and they

35

00:01:38,749 --> 00:01:36,420

just blew my mind I've always been

36

00:01:41,390 --> 00:01:38,759

interested in astrology ever since I was

37

00:01:43,370 --> 00:01:41,400

a young teenager and it was mind-blowing

38

00:01:45,830 --> 00:01:43,380

because she mentioned the first time

39  
00:01:49,010 --> 00:01:45,840  
about astrokotography and how as a young

40  
00:01:51,889 --> 00:01:49,020  
woman she went to live in Toronto in

41  
00:01:54,410 --> 00:01:51,899  
Canada and it was there in a yoga class

42  
00:01:56,149 --> 00:01:54,420  
that she met an astrologer who also

43  
00:01:58,730 --> 00:01:56,159  
happened to be an astrophotographer

44  
00:02:00,590 --> 00:01:58,740  
which is actually a stem of astrology

45  
00:02:03,050 --> 00:02:00,600  
okay do you understand that so it's like

46  
00:02:06,109 --> 00:02:03,060  
psychology it's just a very small

47  
00:02:08,449 --> 00:02:06,119  
component but integral to the talk

48  
00:02:11,510 --> 00:02:08,459  
tonight because we've all got our own

49  
00:02:13,250 --> 00:02:11,520  
personal if you like Soul Maps linked to

50  
00:02:15,830 --> 00:02:13,260  
a stroke of Photography which is why I'm

51  
00:02:18,229 --> 00:02:15,840  
here in Swansea with you tonight

52  
00:02:20,630 --> 00:02:18,239  
I'm really thrilled to let you know

53  
00:02:22,190 --> 00:02:20,640  
because I'm actually evidential so it's

54  
00:02:25,490 --> 00:02:22,200  
not something that you read in a book I

55  
00:02:27,830 --> 00:02:25,500  
can actually prove my soul journey and

56  
00:02:29,890 --> 00:02:27,840  
why I ended up here tonight

57  
00:02:33,410 --> 00:02:29,900  
so

58  
00:02:35,210 --> 00:02:33,420  
really now Mike skills are high

59  
00:02:37,970 --> 00:02:35,220  
okay so I'm going to go to the next line

60  
00:02:42,290 --> 00:02:37,980  
so oh hello

61  
00:02:45,589 --> 00:02:42,300  
so in 2008 I was living in Barry and I

62  
00:02:47,949 --> 00:02:45,599  
just woken up with my husband and

63  
00:02:50,930 --> 00:02:47,959

um I was needing a bit of help and I

64

00:02:52,670 --> 00:02:50,940

ended up going to see Maya Dwyer I think

65

00:02:55,550 --> 00:02:52,680

you all know Maya adwire a very good

66

00:02:58,550 --> 00:02:55,560

medium and lives in Swansea and I saw

67

00:03:00,710 --> 00:02:58,560

her in cowbridge and she said to me at

68

00:03:02,570 --> 00:03:00,720

the time you know I think you could do

69

00:03:05,089 --> 00:03:02,580

Tara you should do Tara and I have my

70

00:03:07,670 --> 00:03:05,099

own cards and then a month later I was

71

00:03:08,990 --> 00:03:07,680

in Inverness in Scotland went to see

72

00:03:11,690 --> 00:03:09,000

another medium

73

00:03:13,009 --> 00:03:11,700

and she told me the same thing that I

74

00:03:14,449 --> 00:03:13,019

should become a Tarot reader and I'll

75

00:03:15,710 --> 00:03:14,459

say just tell me about my husband you

76  
00:03:17,750 --> 00:03:15,720  
know am I doing the right thing I wasn't

77  
00:03:20,330 --> 00:03:17,760  
really bothered about tarot cards at

78  
00:03:22,369 --> 00:03:20,340  
that point and on the same weekend that

79  
00:03:24,410 --> 00:03:22,379  
was my friend in Inverness

80  
00:03:27,229 --> 00:03:24,420  
I was on one of these Angel workshops

81  
00:03:30,290 --> 00:03:27,239  
that my friend had organized and I was

82  
00:03:32,030 --> 00:03:30,300  
told Again by The Angel lady

83  
00:03:33,410 --> 00:03:32,040  
I don't hope you don't mind me saying

84  
00:03:36,410 --> 00:03:33,420  
this but I you know you should do Tara

85  
00:03:38,030 --> 00:03:36,420  
something in the world three times in

86  
00:03:40,610 --> 00:03:38,040  
less than a month

87  
00:03:43,490 --> 00:03:40,620  
so then I came back to Barry and I've

88  
00:03:45,890 --> 00:03:43,500

been getting emails from the psychic

89

00:03:47,390 --> 00:03:45,900

College of psychic studies for years but

90

00:03:48,729 --> 00:03:47,400

I didn't know Swansea because I was

91

00:03:51,470 --> 00:03:48,739

living in Barron it was a long way away

92

00:03:54,170 --> 00:03:51,480

and on the day that I came back there

93

00:03:57,350 --> 00:03:54,180

was an email from the psychic studies

94

00:04:00,770 --> 00:03:57,360

and it had got a Tarot class starting

95

00:04:02,210 --> 00:04:00,780

a beginners tarot class starting on my

96

00:04:04,250 --> 00:04:02,220

birthday

97

00:04:07,130 --> 00:04:04,260

and I thought okay I get it I'm gonna

98

00:04:09,350 --> 00:04:07,140

take the hint so I came over to Swansea

99

00:04:12,470 --> 00:04:09,360

for the first time in 2009

100

00:04:14,869 --> 00:04:12,480

did my tarot cards and the angel card

101  
00:04:17,330 --> 00:04:14,879  
reading and then the year after

102  
00:04:20,449 --> 00:04:17,340  
there was another class and then the

103  
00:04:22,610 --> 00:04:20,459  
year after that in 2010

104  
00:04:23,990 --> 00:04:22,620  
there was an advanced class

105  
00:04:27,110 --> 00:04:24,000  
and all the people who've done the

106  
00:04:28,730 --> 00:04:27,120  
previous classes of Terror and that is

107  
00:04:31,310 --> 00:04:28,740  
where I met one of my dearest friends

108  
00:04:32,990 --> 00:04:31,320  
but he wasn't known to me at that time

109  
00:04:34,550 --> 00:04:33,000  
so probably the only person in Swansea

110  
00:04:38,510 --> 00:04:34,560  
who didn't actually know who he was

111  
00:04:40,610 --> 00:04:38,520  
but he's here tonight and he gave me a

112  
00:04:43,430 --> 00:04:40,620  
very interesting message and some of it

113  
00:04:47,810 --> 00:04:43,440

really made sense to me he said to me

114

00:04:50,629 --> 00:04:47,820

did I know a verse ship in Pub and as

115

00:04:52,670 --> 00:04:50,639

Steve mentioned I lived in Exeter as a

116

00:04:55,070 --> 00:04:52,680

teenager and lived in Devon many many

117

00:04:56,749 --> 00:04:55,080

years ago and yeah I used to live in

118

00:04:58,010 --> 00:04:56,759

Exeter and there was a [h\_\_\h] Pub and then

119

00:05:00,830 --> 00:04:58,020

he said to me

120

00:05:02,810 --> 00:05:00,840

do you live near come dump King Park

121

00:05:04,490 --> 00:05:02,820

and I just thought it was a joke because

122

00:05:05,749 --> 00:05:04,500

it sounded very funny to me and I said

123

00:05:08,150 --> 00:05:05,759

well I think you've made that word up

124

00:05:10,790 --> 00:05:08,160

for the start off and I said no I don't

125

00:05:12,950 --> 00:05:10,800

live in Swansea I live in Barrie

126

00:05:14,450 --> 00:05:12,960

and so that was a very interesting and

127

00:05:16,670 --> 00:05:14,460

he also gave me some information about

128

00:05:20,210 --> 00:05:16,680

my grandparents and it was a few weeks

129

00:05:22,010 --> 00:05:20,220

into the course that I found out that my

130

00:05:24,409 --> 00:05:22,020

new friend would give me this message I

131

00:05:26,210 --> 00:05:24,419

didn't know very well at all was uh

132

00:05:29,029 --> 00:05:26,220

Steve balsamer

133

00:05:32,150 --> 00:05:29,039

and he gave me that message

134

00:05:35,570 --> 00:05:32,160

so that is kind of my first if you like

135

00:05:38,990 --> 00:05:35,580

introduction to Swansea okay

136

00:05:40,550 --> 00:05:39,000

so let's go back forward in time now I'm

137

00:05:45,890 --> 00:05:40,560

gonna ask for a bit of audience

138

00:05:48,770 --> 00:05:47,210

okay

139

00:05:53,090 --> 00:05:48,780

let's be on the count of three this

140

00:05:55,370 --> 00:05:53,100

question can you see it up here

141

00:05:56,510 --> 00:05:55,380

oh it's an okay it's not quite getting

142

00:05:58,430 --> 00:05:56,520

there isn't it

143

00:06:00,529 --> 00:05:58,440

so this is what you meant to say Genie

144

00:06:01,310 --> 00:06:00,539

why did you move to Sunday please tell

145

00:06:02,870 --> 00:06:01,320

us

146

00:06:04,610 --> 00:06:02,880

are we in for a bit of audience

147

00:06:06,409 --> 00:06:04,620

participation looking a bit lackluster

148

00:06:09,800 --> 00:06:06,419

to be absolutely honestly

149

00:06:09,810 --> 00:06:15,670

[Music]

150

00:06:20,390 --> 00:06:18,469

well I'm gonna tell you so when I was

151  
00:06:23,270 --> 00:06:20,400  
living up in Yorkshire I went up there

152  
00:06:25,430 --> 00:06:23,280  
in 2019 to look after my stepmother

153  
00:06:28,189 --> 00:06:25,440  
who then died I didn't kill her by the

154  
00:06:31,430 --> 00:06:28,199  
way and she was very old and then I stay

155  
00:06:32,809 --> 00:06:31,440  
and then I stay to look after my dad and

156  
00:06:35,870 --> 00:06:32,819  
I hadn't lived up there for many many

157  
00:06:37,969 --> 00:06:35,880  
years and I didn't really feel like I

158  
00:06:40,189 --> 00:06:37,979  
belonged even though I'm from Yorkshire

159  
00:06:43,189 --> 00:06:40,199  
I haven't lived there for many years and

160  
00:06:45,110 --> 00:06:43,199  
I really did feel like not quite right

161  
00:06:47,689 --> 00:06:45,120  
there even though I got on Earth came

162  
00:06:49,490 --> 00:06:47,699  
with people and my dad and I used to

163  
00:06:51,409 --> 00:06:49,500

watch

164

00:06:53,270 --> 00:06:51,419

A Place in the Sun

165

00:06:55,909 --> 00:06:53,280

I'll show you all know the place in the

166

00:06:58,249 --> 00:06:55,919

summer and you probably if you have seen

167

00:07:00,890 --> 00:06:58,259

it you'll have noticed that people go

168

00:07:02,330 --> 00:07:00,900

into the houses that they're shown and

169

00:07:04,010 --> 00:07:02,340

they go well Sandra it hasn't got a

170

00:07:06,590 --> 00:07:04,020

second bathroom and it hasn't got a pool

171

00:07:09,230 --> 00:07:06,600

but we wanted to show you it and they go

172

00:07:11,390 --> 00:07:09,240

in and they actually get very emotional

173

00:07:12,950 --> 00:07:11,400

because they feel very connected to it

174

00:07:15,170 --> 00:07:12,960

have you seen that ever when they just

175

00:07:16,730 --> 00:07:15,180

go in and they go I think I love Sandra

176

00:07:19,370 --> 00:07:16,740

it's got not got a pool and they go but

177

00:07:22,309 --> 00:07:19,380

I love it I love it now that is to do

178

00:07:25,850 --> 00:07:22,319

with Astro cartography that is because

179

00:07:28,249 --> 00:07:25,860

as energetic beings we have imprints

180

00:07:31,370 --> 00:07:28,259

that we've come into in this lifetime

181

00:07:34,010 --> 00:07:31,380

that are running through us like veins

182

00:07:35,330 --> 00:07:34,020

and it has an emotional impact in the

183

00:07:37,909 --> 00:07:35,340

very same way that you might get a

184

00:07:39,409 --> 00:07:37,919

business that will never work you know

185

00:07:41,450 --> 00:07:39,419

the business is that it's been a

186

00:07:42,950 --> 00:07:41,460

restaurant and it's been a card shop and

187

00:07:45,230 --> 00:07:42,960

it's a pet shop you know those kind of

188

00:07:47,570 --> 00:07:45,240

businesses and it's because the energy

189

00:07:49,670 --> 00:07:47,580

of the place just isn't right it's

190

00:07:52,490 --> 00:07:49,680

linked to psychogeography

191

00:07:55,249 --> 00:07:52,500

so the the Astro photography is

192

00:07:58,010 --> 00:07:55,259

basically when we get here

193

00:08:02,270 --> 00:07:58,020

on the earth and when we're born we

194

00:08:04,969 --> 00:08:02,280

already have our Astra cartography Maps

195

00:08:06,650 --> 00:08:04,979

within our birth chart and when there is

196

00:08:09,050 --> 00:08:06,660

a break I

197

00:08:12,950 --> 00:08:09,060

um I invite you to have a look at this

198

00:08:15,770 --> 00:08:12,960

site called Cafe Astrology just type it

199

00:08:18,170 --> 00:08:15,780

in on your on your mobiles and Ash and

200

00:08:20,450 --> 00:08:18,180

and Cafe Astrology if you're typing your

201

00:08:23,089 --> 00:08:20,460

birth details you'll be able to find out

202

00:08:26,210 --> 00:08:23,099

what your nodes of a moon are but I'll

203

00:08:29,210 --> 00:08:26,220

carry on this so here's Pam's book

204

00:08:30,589 --> 00:08:29,220

so it is and I I really really recommend

205

00:08:33,230 --> 00:08:30,599

that if you're going to read any books

206

00:08:35,630 --> 00:08:33,240

about astrology and astrophotography and

207

00:08:36,949 --> 00:08:35,640

anything to do with your destiny these

208

00:08:38,810 --> 00:08:36,959

are the two books it's like you don't

209

00:08:42,110 --> 00:08:38,820

really need to go anywhere else they

210

00:08:43,909 --> 00:08:42,120

tell you everything now Pam when she saw

211

00:08:45,850 --> 00:08:43,919

the astrologer

212

00:08:48,350 --> 00:08:45,860

um he said to he did her

213

00:08:50,210 --> 00:08:48,360

astrophotography chart they're very

214

00:08:53,090 --> 00:08:50,220

complicated I'm not here to show you how

215

00:08:55,430 --> 00:08:53,100

to do it it's way too complex for me but

216

00:08:57,050 --> 00:08:55,440

I can show you where to find things out

217

00:08:59,810 --> 00:08:57,060

and this is a starting point an

218

00:09:04,130 --> 00:08:59,820

introduction and I'm the evidence of why

219

00:09:06,230 --> 00:09:04,140

I'm here okay so Pam but I ask for a

220

00:09:07,970 --> 00:09:06,240

photography chart done she'd left it I

221

00:09:09,829 --> 00:09:07,980

think about 19 years old to go and live

222

00:09:12,230 --> 00:09:09,839

in Toronto because she just fancied it

223

00:09:13,790 --> 00:09:12,240

and it was only then and there that at

224

00:09:16,190 --> 00:09:13,800

the time of her birth

225

00:09:18,350 --> 00:09:16,200

her astrophotography line went straight

226

00:09:19,730 --> 00:09:18,360

one of her lines went straight to

227

00:09:22,130 --> 00:09:19,740

Toronto

228

00:09:23,810 --> 00:09:22,140

at the time of a bird she just felt like

229

00:09:25,550 --> 00:09:23,820

she wanted to go there I'm sure all of

230

00:09:27,829 --> 00:09:25,560

you here have been to places and you

231

00:09:31,070 --> 00:09:27,839

just feel like it's like a spiritual

232

00:09:35,030 --> 00:09:31,080

home do anybody have that at all are you

233

00:09:37,730 --> 00:09:35,040

still alive yeah I can't yeah

234

00:09:39,829 --> 00:09:37,740

so Astro cartography it's really relied

235

00:09:41,090 --> 00:09:39,839

on where you were born what time you

236

00:09:44,389 --> 00:09:41,100

were born because your birth chart

237

00:09:47,210 --> 00:09:44,399

ideally you need your actual minutes

238

00:09:49,730 --> 00:09:47,220

of what time you were born because the

239

00:09:52,610 --> 00:09:49,740

astrology of your ascending sign is

240

00:09:54,829 --> 00:09:52,620

about four minutes so it's very narrow

241

00:09:56,750 --> 00:09:54,839

but you can still find out the nodes of

242

00:09:59,449 --> 00:09:56,760

your moon because they're set on the day

243

00:10:01,490 --> 00:09:59,459

of your birth

244

00:10:03,650 --> 00:10:01,500

so here we go it's a method of

245

00:10:05,329 --> 00:10:03,660

locational astrology now a lot of people

246

00:10:07,730 --> 00:10:05,339

and particularly celebrities a bit like

247

00:10:10,370 --> 00:10:07,740

people who use feng shui they actually

248

00:10:12,949 --> 00:10:10,380

use astrokotography for the best place

249

00:10:15,110 --> 00:10:12,959

for them to live or the best fair for

250

00:10:17,030 --> 00:10:15,120

the place for them to have a business or

251  
00:10:19,370 --> 00:10:17,040  
even it's like where would it be a

252  
00:10:21,590 --> 00:10:19,380  
really good for me to go as part of my

253  
00:10:23,990 --> 00:10:21,600  
soul's Evolution

254  
00:10:25,610 --> 00:10:24,000  
um one of my places is the Isle of Aaron

255  
00:10:27,710 --> 00:10:25,620  
now I haven't been there yet apparently

256  
00:10:30,949 --> 00:10:27,720  
we'll have a great time if I go because

257  
00:10:32,750 --> 00:10:30,959  
it's on my soul map and you'll see this

258  
00:10:35,030 --> 00:10:32,760  
in a minute so that's that's what it is

259  
00:10:38,030 --> 00:10:35,040  
and people pay a lot of money the guy

260  
00:10:40,009 --> 00:10:38,040  
that I went I saw on Zoom

261  
00:10:41,269 --> 00:10:40,019  
um I because after reading this I'm one

262  
00:10:43,250 --> 00:10:41,279  
of these that I'm gonna go in and

263  
00:10:44,990 --> 00:10:43,260

explore this

264

00:10:46,970 --> 00:10:45,000

um it's virtually impossible now to get

265

00:10:50,870 --> 00:10:46,980

an actual reading with him however you

266

00:10:52,730 --> 00:10:50,880

can get free ones on online and there

267

00:10:55,670 --> 00:10:52,740

are Astro cartographers who if you did

268

00:10:58,850 --> 00:10:55,680

fancy it you could find them

269

00:11:00,410 --> 00:10:58,860

so this yeah so there we are it's just

270

00:11:02,449 --> 00:11:00,420

the same thing it's a map of our planet

271

00:11:05,930 --> 00:11:02,459

changes so very much I think the short

272

00:11:08,449 --> 00:11:05,940

answer is a bit like a Machu Picchu or

273

00:11:10,910 --> 00:11:08,459

Glastonbury all the standing stones or

274

00:11:13,190 --> 00:11:10,920

any energetic places where there are

275

00:11:15,130 --> 00:11:13,200

spiritual websites they will have been

276

00:11:19,810 --> 00:11:15,140

done trust me because they're on

277

00:11:19,820 --> 00:11:25,370

she said

278

00:11:25,380 --> 00:11:28,870

actually

279

00:11:41,389 --> 00:11:30,610

so

280

00:11:43,310 --> 00:11:41,399

before

281

00:11:45,170 --> 00:11:43,320

anybody not seen them does anybody know

282

00:11:47,090 --> 00:11:45,180

what this is

283

00:11:50,449 --> 00:11:47,100

well for those who don't know it's your

284

00:11:53,150 --> 00:11:50,459

astrological wheel we've all got an

285

00:11:56,210 --> 00:11:53,160

astrology wheel and there's 12 houses

286

00:11:58,370 --> 00:11:56,220

and they all have particular influences

287

00:12:00,829 --> 00:11:58,380

so when you hear Pam Gregory and I

288

00:12:04,990 --> 00:12:00,839

really really encourage you to look at

289

00:12:08,530 --> 00:12:05,000

her Moon forecast because they also link

290

00:12:12,190 --> 00:12:08,540

planetary events to actual events like

291

00:12:16,009 --> 00:12:12,200

volcanoes and disruption in politics

292

00:12:16,850 --> 00:12:16,019

nature I mean she covers everything so

293

00:12:19,970 --> 00:12:16,860

each

294

00:12:21,650 --> 00:12:19,980

of these well you can see I know it's

295

00:12:23,930 --> 00:12:21,660

not very it's a bit blurry but they all

296

00:12:27,170 --> 00:12:23,940

represent like the house the home your

297

00:12:29,690 --> 00:12:27,180

friends your job your aspirations and

298

00:12:31,970 --> 00:12:29,700

that also is how your astrophotography

299

00:12:33,889 --> 00:12:31,980

wheel will look and I will pass around

300

00:12:36,829 --> 00:12:33,899

in the break so you can have a look at

301

00:12:39,170 --> 00:12:36,839

mine and uh you know it's actually I

302

00:12:40,970 --> 00:12:39,180

think if you're gonna really if you

303

00:12:43,210 --> 00:12:40,980

really want to evolve and you really

304

00:12:46,190 --> 00:12:43,220

want to get where you kind of want to go

305

00:12:49,310 --> 00:12:46,200

really look into astrology far deeper

306

00:12:52,910 --> 00:12:49,320

it's one of the most ancient sciences

307

00:12:54,230 --> 00:12:52,920

and all mathematicians were all trained

308

00:12:56,389 --> 00:12:54,240

astrologers back in the day before

309

00:12:59,210 --> 00:12:56,399

science got a bit too big for its boots

310

00:13:02,329 --> 00:12:59,220

so they all had to learn how to do

311

00:13:05,269 --> 00:13:02,339

astrology because numbers and maths and

312

00:13:06,710 --> 00:13:05,279

astrology and planets are all completely

313

00:13:08,329 --> 00:13:06,720

interweaved

314

00:13:11,449 --> 00:13:08,339

but it's lighting now I'm going to show

315

00:13:14,990 --> 00:13:11,459

you my ass to a photography map

316

00:13:18,290 --> 00:13:15,000

okay so that's what it looks like okay

317

00:13:20,569 --> 00:13:18,300

so as you can see there are lines now in

318

00:13:23,210 --> 00:13:20,579

the middle at the top can you see where

319

00:13:26,329 --> 00:13:23,220

they all come from at the beginning then

320

00:13:29,690 --> 00:13:26,339

can you see at the top there

321

00:13:32,990 --> 00:13:29,700

that is Britain it's a tiny little bit

322

00:13:34,370 --> 00:13:33,000

but it's Britain and all those lines so

323

00:13:36,889 --> 00:13:34,380

you haven't got a couple you've got

324

00:13:38,930 --> 00:13:36,899

loads of choices and some of those lines

325

00:13:40,370 --> 00:13:38,940

are going to be detrimental you know

326

00:13:42,829 --> 00:13:40,380

some of those lines are not going to be

327

00:13:44,990 --> 00:13:42,839

good for you which is why like Pam said

328

00:13:46,790 --> 00:13:45,000

when she said in her book her friend

329

00:13:49,370 --> 00:13:46,800

went to Australia and she had nothing

330

00:13:51,350 --> 00:13:49,380

but trouble relationships broke up she

331

00:13:53,750 --> 00:13:51,360

lost her job she had problems with her

332

00:13:56,569 --> 00:13:53,760

house you've all known people where it's

333

00:13:58,790 --> 00:13:56,579

one shitty thing after another and I

334

00:14:00,949 --> 00:13:58,800

think it's actually astrophotography and

335

00:14:04,370 --> 00:14:00,959

that is actually the answer and that

336

00:14:07,310 --> 00:14:04,380

would give you answers so as you can see

337

00:14:09,230 --> 00:14:07,320

those are all my lines okay

338

00:14:14,389 --> 00:14:09,240

okay not lines on my face which is

339

00:14:18,230 --> 00:14:15,949

okay

340

00:14:21,650 --> 00:14:18,240

this is where it gets interesting and

341

00:14:23,509 --> 00:14:21,660

this is the answer to the question that

342

00:14:24,710 --> 00:14:23,519

you asked me after I told you to ask me

343

00:14:26,030 --> 00:14:24,720

it

344

00:14:30,290 --> 00:14:26,040

is

345

00:14:31,730 --> 00:14:30,300

okay so don't forget I'm gonna have my

346

00:14:34,310 --> 00:14:31,740

astral cut off limit I know my way

347

00:14:37,250 --> 00:14:34,320

around astrology and then this is

348

00:14:40,310 --> 00:14:37,260

presented to me in a video

349

00:14:42,470 --> 00:14:40,320

now as Steve said I was born in

350

00:14:44,629 --> 00:14:42,480

Yorkshire my parents broke up when I was

351

00:14:46,250 --> 00:14:44,639

13. I went to live in Devon because

352

00:14:48,769 --> 00:14:46,260

that's where my mother was from

353

00:14:51,050 --> 00:14:48,779

and I also then went briefly back up to

354

00:14:53,389 --> 00:14:51,060

Yorkshire didn't really fit right

355

00:14:56,269 --> 00:14:53,399

went to live in Birmingham which I

356

00:14:59,210 --> 00:14:56,279

really enjoyed and then I left

357

00:15:03,110 --> 00:14:59,220

Birmingham to come to South Wales in

358

00:15:05,090 --> 00:15:03,120

Barry in 2000 okay

359

00:15:11,329 --> 00:15:05,100

okay

360

00:15:13,129 --> 00:15:11,339

accurate Now isn't it so can you see

361

00:15:17,870 --> 00:15:13,139

I'm going to walk over here now and show

362

00:15:22,490 --> 00:15:20,030

wanna see this one yeah

363

00:15:23,870 --> 00:15:22,500

what does it say

364

00:15:26,930 --> 00:15:23,880

boom

365

00:15:29,030 --> 00:15:26,940

okay I was so excited to be a bit more

366

00:15:31,910 --> 00:15:29,040

excited about that to be fair

367

00:15:34,430 --> 00:15:31,920

um so yeah so at the time of my birth a

368

00:15:37,970 --> 00:15:34,440

hundred years ago

369

00:15:41,210 --> 00:15:37,980

um it was I actually had a line at the

370

00:15:43,310 --> 00:15:41,220

time of my birth on what is it on the

371

00:15:44,930 --> 00:15:43,320

South and North Node see what I'm doing

372

00:15:46,250 --> 00:15:44,940

I'm going straight into it see what I'm

373

00:15:47,870 --> 00:15:46,260

doing I'm kind of it's there's actually

374

00:15:50,750 --> 00:15:47,880

a plan here

375

00:15:52,850 --> 00:15:50,760

so that's what I found out I don't

376

00:15:56,389 --> 00:15:52,860

forget I've been living in South Wales

377

00:15:58,790 --> 00:15:56,399

for a long time but to find out that the

378

00:16:01,069 --> 00:15:58,800

place where I'd developed psychically

379

00:16:03,970 --> 00:16:01,079

I'd met some of my best friends in the

380

00:16:08,629 --> 00:16:03,980

world and at my time of my birth

381

00:16:10,910 --> 00:16:08,639

unbeknown to Me Myself and North Node my

382

00:16:12,230 --> 00:16:10,920

nodes of Destiny as it turns out are

383

00:16:15,470 --> 00:16:12,240

actually there at the time of my birth

384

00:16:18,350 --> 00:16:15,480

and if you look as well you can see they

385

00:16:21,050 --> 00:16:18,360

also go through Birmingham and Devon

386

00:16:23,509 --> 00:16:21,060

so I think that's pretty amazing because

387

00:16:26,449 --> 00:16:23,519

we've all got these charts and they do

388

00:16:28,970 --> 00:16:26,459

not move these lines do not move our

389

00:16:31,210 --> 00:16:28,980

astrology changes like all the world's

390

00:16:38,569 --> 00:16:31,220

astrology but the the actualistic

391

00:16:43,249 --> 00:16:41,210

it's a very technical term that here we

392

00:16:45,410 --> 00:16:43,259

go

393

00:16:48,050 --> 00:16:45,420

it'd be nice I could see wouldn't it so

394

00:16:48,889 --> 00:16:48,060

the bubbles around the edges of the map

395

00:16:50,870 --> 00:16:48,899

um

396

00:16:52,790 --> 00:16:50,880

you'll notice or if you don't if you did

397

00:16:55,970 --> 00:16:52,800

notice but around the map there's all

398

00:16:58,069 --> 00:16:55,980

these weird little bubbles going to the

399

00:17:00,710 --> 00:16:58,079

lines are going to the bubbles and the

400

00:17:03,350 --> 00:17:00,720

bubbles are astrological symbols and

401  
00:17:06,230 --> 00:17:03,360  
planetary influences so like Jupiter and

402  
00:17:07,789 --> 00:17:06,240  
Neptune and Venus and the nodes of the

403  
00:17:10,010 --> 00:17:07,799  
Moon and there's all the different

404  
00:17:12,710 --> 00:17:10,020  
things linked to your particular birth

405  
00:17:15,230 --> 00:17:12,720  
chart so if you're Aquarius like me and

406  
00:17:19,069 --> 00:17:15,240  
like Sagittarius they'll all be linked

407  
00:17:21,049 --> 00:17:19,079  
so if I'm right I'm an air sign and a

408  
00:17:22,789 --> 00:17:21,059  
Sagittarius I think is ruled by Jupiter

409  
00:17:24,350 --> 00:17:22,799  
then certain lines are going to have

410  
00:17:26,090 --> 00:17:24,360  
more impact on me does that all make

411  
00:17:28,909 --> 00:17:26,100  
sense to you are you all kind of

412  
00:17:32,150 --> 00:17:28,919  
following me baby yeah

413  
00:17:34,850 --> 00:17:32,160

okay so this is the symbols that you'll

414

00:17:37,430 --> 00:17:34,860

find around your Astra photography map

415

00:17:39,169 --> 00:17:37,440

and they're all this is why you need an

416

00:17:41,450 --> 00:17:39,179

astrophotographer or you certainly need

417

00:17:42,770 --> 00:17:41,460

to be reading up on it because it's so

418

00:17:44,690 --> 00:17:42,780

complicated

419

00:17:47,390 --> 00:17:44,700

but the good news is the nodes aren't

420

00:17:49,669 --> 00:17:47,400

particularly complicated and once you

421

00:17:52,130 --> 00:17:49,679

know the symbols you can literally trace

422

00:17:55,130 --> 00:17:52,140

the line and once you know that you can

423

00:17:56,930 --> 00:17:55,140

actually interpret the charm okay but

424

00:17:59,450 --> 00:17:56,940

those are the symbols so how many

425

00:18:03,370 --> 00:17:59,460

aquariums have we got in tonight

426

00:18:09,049 --> 00:18:06,430

okay and how many

427

00:18:12,770 --> 00:18:09,059

Aryans have we got here tonight oh there

428

00:18:15,409 --> 00:18:12,780

we go fiery person Aries moon

429

00:18:18,350 --> 00:18:15,419

and what about Virgo

430

00:18:22,430 --> 00:18:18,360

now that's interesting because

431

00:18:24,590 --> 00:18:22,440

oh there we go so uh so

432

00:18:26,289 --> 00:18:24,600

I'm a born again Burger

433

00:18:29,750 --> 00:18:26,299

um so

434

00:18:34,070 --> 00:18:29,760

my actual node as we'll come to after my

435

00:18:36,350 --> 00:18:34,080

my no my North Node is in Virgo and I'm

436

00:18:38,390 --> 00:18:36,360

as far away from a Virgo but it just

437

00:18:41,090 --> 00:18:38,400

turns out that's the point of the the

438

00:18:43,250 --> 00:18:41,100

nodes is that they give you the

439

00:18:45,590 --> 00:18:43,260

opportunity to develop traits that you

440

00:18:47,570 --> 00:18:45,600

may not have realized but you would if

441

00:18:49,490 --> 00:18:47,580

you read the books and you put a little

442

00:18:52,130 --> 00:18:49,500

bit of work it's all accessible it's all

443

00:18:55,430 --> 00:18:52,140

there on online

444

00:18:58,610 --> 00:18:55,440

anybody in Sagittarius any sagittarians

445

00:19:00,770 --> 00:18:58,620

okay I'm rising sign not Sagittarius so

446

00:19:03,049 --> 00:19:00,780

we share an element don't forget we

447

00:19:04,430 --> 00:19:03,059

always so those conversations where they

448

00:19:06,470 --> 00:19:04,440

go

449

00:19:08,450 --> 00:19:06,480

he's in his element where do you think

450

00:19:10,490 --> 00:19:08,460

that term comes from is in his element

451  
00:19:12,529 --> 00:19:10,500  
means that he's feeling good he's doing

452  
00:19:15,590 --> 00:19:12,539  
or she's doing all they're doing all

453  
00:19:16,909 --> 00:19:15,600  
it's doing their very best because

454  
00:19:19,730 --> 00:19:16,919  
they're in their element they're doing

455  
00:19:21,770 --> 00:19:19,740  
what's they're passionate about okay

456  
00:19:25,070 --> 00:19:21,780  
so that's where the in each element

457  
00:19:28,450 --> 00:19:25,080  
comes from and then so we've got a full

458  
00:19:31,730 --> 00:19:28,460  
moon I believe in Leo any Leos here

459  
00:19:35,390 --> 00:19:31,740  
Emilia's Leos where are you

460  
00:19:37,190 --> 00:19:35,400  
no Leo's well there's a Leo full moon on

461  
00:19:38,750 --> 00:19:37,200  
Sunday

462  
00:19:40,970 --> 00:19:38,760  
um and that's why you probably know we

463  
00:19:43,850 --> 00:19:40,980

get the term lunatic because it agitates

464

00:19:46,130 --> 00:19:43,860

as it excites us or it can make us a bit

465

00:19:47,450 --> 00:19:46,140

mental you know

466

00:19:50,270 --> 00:19:47,460

um and it can make us very emotional

467

00:19:52,549 --> 00:19:50,280

because the Moon is the mother or it's

468

00:19:54,710 --> 00:19:52,559

known as the feminine so it can really

469

00:19:57,169 --> 00:19:54,720

you know can play Havoc particularly

470

00:19:59,150 --> 00:19:57,179

with people have accidents or so the

471

00:20:01,549 --> 00:19:59,160

full moon but the new moon is about New

472

00:20:03,830 --> 00:20:01,559

Opportunities and embracing good stuff

473

00:20:04,850 --> 00:20:03,840

and we're in some very weird times as

474

00:20:08,029 --> 00:20:04,860

you all know

475

00:20:12,169 --> 00:20:08,039

so uh yeah it will also being hit by the

476  
00:20:13,669 --> 00:20:12,179  
K class Flex sunflowers k-class

477  
00:20:15,529 --> 00:20:13,679  
okay

478  
00:20:18,789 --> 00:20:15,539  
this is purely for decorative purposes

479  
00:20:21,289 --> 00:20:18,799  
by the way this next one

480  
00:20:24,350 --> 00:20:21,299  
so these are the symbols these are like

481  
00:20:27,650 --> 00:20:24,360  
little earphones so it's the South and

482  
00:20:31,850 --> 00:20:27,660  
North Node of the moon now the South

483  
00:20:36,049 --> 00:20:31,860  
node is where we've already been okay

484  
00:20:38,090 --> 00:20:36,059  
it's like things that we came in with in

485  
00:20:41,330 --> 00:20:38,100  
maybe if you believe in that

486  
00:20:43,010 --> 00:20:41,340  
a past life and it's also traits that

487  
00:20:44,810 --> 00:20:43,020  
you were you've come in with you've got

488  
00:20:47,750 --> 00:20:44,820

quite good of them you might fall back

489

00:20:49,490 --> 00:20:47,760

on them okay so you know it's a bit like

490

00:20:51,350 --> 00:20:49,500

well I'm quite good at you know I'm

491

00:20:54,830 --> 00:20:51,360

quite good at painting and decorating

492

00:20:57,169 --> 00:20:54,840

and you just keep in that job and this

493

00:20:58,970 --> 00:20:57,179

is why we get people who also use

494

00:21:01,669 --> 00:20:58,980

astrology all

495

00:21:04,990 --> 00:21:01,679

trust me everyone in power right now

496

00:21:07,549 --> 00:21:05,000

they're using astrology they're using

497

00:21:10,549 --> 00:21:07,559

astrophotography they're using

498

00:21:14,150 --> 00:21:10,559

particular lines on the grid of this

499

00:21:16,909 --> 00:21:14,160

planet and there's a fascinating story

500

00:21:19,669 --> 00:21:16,919

in one of Pam's books where

501  
00:21:20,770 --> 00:21:19,679  
um there's a a scientist and he was

502  
00:21:23,029 --> 00:21:20,780  
actually quite

503  
00:21:24,409 --> 00:21:23,039  
anti-astrology but he made some studies

504  
00:21:26,690 --> 00:21:24,419  
in his car I forgotten his first name

505  
00:21:30,049 --> 00:21:26,700  
it's gargle gargling

506  
00:21:32,810 --> 00:21:30,059  
and he did a lot of studying to do with

507  
00:21:34,190 --> 00:21:32,820  
people and their their astrology charts

508  
00:21:37,010 --> 00:21:34,200  
and there's the negative that's where

509  
00:21:39,470 --> 00:21:37,020  
you get different star signs that's

510  
00:21:41,870 --> 00:21:39,480  
where they come from every culture in

511  
00:21:44,690 --> 00:21:41,880  
the world has astrology every single

512  
00:21:47,570 --> 00:21:44,700  
culture it has its own versions like you

513  
00:21:50,630 --> 00:21:47,580

know Vedic and Chinese but they all have

514

00:21:53,450 --> 00:21:50,640

astrology because you know I mean how

515

00:21:56,930 --> 00:21:53,460

did the free wise men get to where they

516

00:21:58,850 --> 00:21:56,940

were going they use the Stars how does

517

00:22:02,630 --> 00:21:58,860

the how do the sailors get across the

518

00:22:04,490 --> 00:22:02,640

world they use the Stars everything is

519

00:22:06,230 --> 00:22:04,500

to do with the stars and the planets and

520

00:22:08,510 --> 00:22:06,240

the Moon and the Sun

521

00:22:10,010 --> 00:22:08,520

so it you know and they're all on grids

522

00:22:11,270 --> 00:22:10,020

why do you think maps are all longitude

523

00:22:15,409 --> 00:22:11,280

and latitude

524

00:22:17,570 --> 00:22:15,419

and um JFK

525

00:22:20,450 --> 00:22:17,580

um he was born with a particular line

526

00:22:22,190 --> 00:22:20,460

called a dartling line and it was on the

527

00:22:25,190 --> 00:22:22,200

planet Pluto

528

00:22:27,409 --> 00:22:25,200

and Pluto one of the influences in a

529

00:22:29,810 --> 00:22:27,419

strong influence of Pluto is to do with

530

00:22:32,330 --> 00:22:29,820

death it doesn't always necessarily mean

531

00:22:34,370 --> 00:22:32,340

physical death but it's certainly one of

532

00:22:37,190 --> 00:22:34,380

the aspects of Pluto

533

00:22:38,210 --> 00:22:37,200

and we all know that when you're a

534

00:22:41,510 --> 00:22:38,220

president

535

00:22:44,510 --> 00:22:41,520

you don't organize your itinerary it's

536

00:22:46,390 --> 00:22:44,520

organized for you by people who really

537

00:22:49,330 --> 00:22:46,400

care about you and want you to do well

538

00:22:53,330 --> 00:22:49,340

and they made sure that

539

00:22:54,409 --> 00:22:53,340

JFK was in Dallas and at the time of his

540

00:22:57,169 --> 00:22:54,419

birth

541

00:23:00,470 --> 00:22:57,179

he had this very particular and unique

542

00:23:04,730 --> 00:23:00,480

line in his astrophotography chart on

543

00:23:07,850 --> 00:23:04,740

the planet of day to to Dallas in 1963

544

00:23:09,370 --> 00:23:07,860

so the people you know the higher-ups or

545

00:23:12,070 --> 00:23:09,380

whatever you want to call them

546

00:23:14,630 --> 00:23:12,080

they are using astrology and

547

00:23:16,490 --> 00:23:14,640

astrokotography to make sure certain

548

00:23:18,230 --> 00:23:16,500

things happen on certain days in a

549

00:23:19,010 --> 00:23:18,240

certain location does that make sense to

550

00:23:24,850 --> 00:23:19,020

you

551

00:23:28,970 --> 00:23:24,860

Margaret Thatcher also has

552

00:23:31,310 --> 00:23:28,980

a very unique sign exactly the same at

553

00:23:34,130 --> 00:23:31,320

the time of her birth she had very

554

00:23:37,370 --> 00:23:34,140

particular astrophotography lines going

555

00:23:40,610 --> 00:23:37,380

straight to the Falkland Islands on Mars

556

00:23:43,149 --> 00:23:40,620

which is the planet of War both bushes

557

00:23:45,470 --> 00:23:43,159

Cena and Junior both had

558

00:23:48,649 --> 00:23:45,480

astrophotography lines that actually

559

00:23:51,529 --> 00:23:48,659

went to Afghanistan and Iran they have

560

00:23:54,350 --> 00:23:51,539

all it is all there these are Blueprints

561

00:23:55,970 --> 00:23:54,360

and if you know about these things and

562

00:23:58,370 --> 00:23:55,980

isn't it funny that anything that they

563

00:24:01,010 --> 00:23:58,380

ridicule you know they the baddies

564

00:24:03,350 --> 00:24:01,020

anything that they ridicule

565

00:24:05,330 --> 00:24:03,360

is usually because they don't want you

566

00:24:07,669 --> 00:24:05,340

knowing about it and so they make you

567

00:24:09,770 --> 00:24:07,679

feel stupid for being interested in it

568

00:24:11,090 --> 00:24:09,780

all the while they are literally

569

00:24:12,950 --> 00:24:11,100

plotting

570

00:24:15,470 --> 00:24:12,960

and they were again I've forgotten the

571

00:24:17,570 --> 00:24:15,480

guy's name but it's in the book

572

00:24:18,830 --> 00:24:17,580

um and it's called the red planet and

573

00:24:21,649 --> 00:24:18,840

the White House

574

00:24:24,470 --> 00:24:21,659

and it was all to do with the astrology

575

00:24:27,230 --> 00:24:24,480

and astrophotography and psycho

576

00:24:29,270 --> 00:24:27,240

geography of the president linked to

577

00:24:32,450 --> 00:24:29,280

their their astrology signs

578

00:24:35,450 --> 00:24:32,460

all Royals use astrology in the same way

579

00:24:38,149 --> 00:24:35,460

as we know that uh police the police use

580

00:24:39,649 --> 00:24:38,159

psychic and mediums when a child's gone

581

00:24:42,289 --> 00:24:39,659

missing in particular

582

00:24:43,610 --> 00:24:42,299

so astrology I really really I can't

583

00:24:44,690 --> 00:24:43,620

encourage you enough particularly in

584

00:24:47,930 --> 00:24:44,700

these times

585

00:24:50,090 --> 00:24:47,940

because this is a Fail-Safe method this

586

00:24:53,570 --> 00:24:50,100

isn't some kind of scientist or expert

587

00:24:55,490 --> 00:24:53,580

telling you this this is integral to our

588

00:24:58,810 --> 00:24:55,500

very reality

589

00:25:01,850 --> 00:24:58,820

um I know do you know what I mean

590

00:25:03,710 --> 00:25:01,860

so this is a a bit like the Earth this

591

00:25:05,750 --> 00:25:03,720

is an interpretation of the Nerds of the

592

00:25:08,029 --> 00:25:05,760

Moon they probably don't look like this

593

00:25:09,710 --> 00:25:08,039

but this is kind of giving you an idea

594

00:25:12,770 --> 00:25:09,720

of what they are they're mathematical

595

00:25:15,350 --> 00:25:12,780

coordinates at the time of the birth now

596

00:25:17,810 --> 00:25:15,360

you can't see them but line must call

597

00:25:20,450 --> 00:25:17,820

things you don't have to see it to know

598

00:25:23,390 --> 00:25:20,460

that it isn't there it's there rather so

599

00:25:25,010 --> 00:25:23,400

we've all got the nodes and that's just

600

00:25:27,409 --> 00:25:25,020

an interpretation it's trying to make

601  
00:25:29,149 --> 00:25:27,419  
you understand what they're about and

602  
00:25:31,370 --> 00:25:29,159  
actually every country

603  
00:25:32,750 --> 00:25:31,380  
and again in the book I mean I'm not

604  
00:25:34,850 --> 00:25:32,760  
getting any money for this I'm plugging

605  
00:25:37,010 --> 00:25:34,860  
Pam away like mad but hopefully she'll

606  
00:25:38,390 --> 00:25:37,020  
get to you know hear about it and invite

607  
00:25:42,110 --> 00:25:38,400  
me around for tea

608  
00:25:44,990 --> 00:25:42,120  
and give me my free chart reading so

609  
00:25:47,029 --> 00:25:45,000  
the node to the moon are set at your

610  
00:25:48,710 --> 00:25:47,039  
time of birth and if you as I say in the

611  
00:25:51,049 --> 00:25:48,720  
break if you want to

612  
00:25:52,789 --> 00:25:51,059  
if you go into Cafe Astrology or even if

613  
00:25:54,529 --> 00:25:52,799

you just type in how do I find out the

614

00:25:56,149 --> 00:25:54,539

Nerds of the Moon you can just type in

615

00:25:57,769 --> 00:25:56,159

your birth detail and you will find them

616

00:26:00,230 --> 00:25:57,779

now you know they look like little

617

00:26:03,289 --> 00:26:00,240

headphones so that means that you can

618

00:26:12,409 --> 00:26:03,299

then find out what yourself and love

619

00:26:12,419 --> 00:26:19,549

I can't see oh God

620

00:26:24,049 --> 00:26:21,430

okay

621

00:26:25,130 --> 00:26:24,059

so you can read that they're Celestial

622

00:26:27,830 --> 00:26:25,140

points

623

00:26:30,649 --> 00:26:27,840

and that will reveal your purpose in

624

00:26:32,269 --> 00:26:30,659

this lifetime now once you know your if

625

00:26:33,890 --> 00:26:32,279

you've got your full birth chart when

626

00:26:35,269 --> 00:26:33,900

you've got the time of birth you've got

627

00:26:37,310 --> 00:26:35,279

your sun sign which is what we all know

628

00:26:38,930 --> 00:26:37,320

which is whether sagittarians the Virgos

629

00:26:40,789 --> 00:26:38,940

then you've got your moon sign that's

630

00:26:43,610 --> 00:26:40,799

your your emotional component your

631

00:26:45,649 --> 00:26:43,620

rising sign is how people imagine you to

632

00:26:49,190 --> 00:26:45,659

be if they don't know you very well so

633

00:26:50,750 --> 00:26:49,200

I'm Sagittarius and then you know you'll

634

00:26:52,909 --> 00:26:50,760

find out more of the intricacies like

635

00:26:54,649 --> 00:26:52,919

your midheaven that's when the you know

636

00:26:57,169 --> 00:26:54,659

literally in the middle of Heaven what

637

00:27:00,470 --> 00:26:57,179

time you know you were born so you get

638

00:27:02,870 --> 00:27:00,480

all these many it's so complex but the

639

00:27:05,390 --> 00:27:02,880

nodes are really quite easy because they

640

00:27:10,789 --> 00:27:05,400

gave you a shortcut to what you might be

641

00:27:15,950 --> 00:27:14,090

so this is an example you know like a

642

00:27:17,390 --> 00:27:15,960

Chinese astrology with you know like the

643

00:27:18,769 --> 00:27:17,400

year of the Rat and the year of the

644

00:27:20,210 --> 00:27:18,779

rabbit

645

00:27:21,230 --> 00:27:20,220

um and the year of the penguin just made

646

00:27:24,950 --> 00:27:21,240

that up

647

00:27:28,070 --> 00:27:24,960

um so this actually is how that they're

648

00:27:30,230 --> 00:27:28,080

in banks of about 18 months so if you've

649

00:27:32,810 --> 00:27:30,240

got a birthday within 18 months you

650

00:27:34,610 --> 00:27:32,820

would share the same notes and so and

651  
00:27:36,769 --> 00:27:34,620  
it's interesting because often your own

652  
00:27:38,810 --> 00:27:36,779  
age group and your friends will have the

653  
00:27:41,390 --> 00:27:38,820  
same nodes now you're going to be very

654  
00:27:43,490 --> 00:27:41,400  
different people but that's when the

655  
00:27:44,810 --> 00:27:43,500  
house is coming you know that you know I

656  
00:27:48,230 --> 00:27:44,820  
showed you the circle with all the

657  
00:27:51,529 --> 00:27:48,240  
different houses you also get the nose

658  
00:27:53,870 --> 00:27:51,539  
in the nodes are also in houses and the

659  
00:27:55,310 --> 00:27:53,880  
houses also have influences and it's

660  
00:27:57,230 --> 00:27:55,320  
actually all there you don't even have

661  
00:28:00,049 --> 00:27:57,240  
to you just have to read it that's all

662  
00:28:03,110 --> 00:28:00,059  
you have to do and if you I think it

663  
00:28:06,350 --> 00:28:03,120

should spark in you some remembrance and

664

00:28:08,870 --> 00:28:06,360

maybe potentially another lifetime

665

00:28:10,970 --> 00:28:08,880

so

666

00:28:19,730 --> 00:28:10,980

I'm really not doing this am I

667

00:28:28,430 --> 00:28:21,409

huh

668

00:28:35,090 --> 00:28:32,090

ah there we go so

669

00:28:38,750 --> 00:28:35,100

I deliberately chose this very high res

670

00:28:41,810 --> 00:28:40,130

because

671

00:28:44,750 --> 00:28:41,820

last year

672

00:28:47,269 --> 00:28:44,760

um it was a horrific Year my dad died I

673

00:28:49,010 --> 00:28:47,279

was living in Yorkshire but I but I had

674

00:28:51,470 --> 00:28:49,020

my astral category shark done the year

675

00:28:53,210 --> 00:28:51,480

before and the guy who did it at Marcus

676  
00:28:56,269 --> 00:28:53,220  
Mason

677  
00:28:59,210 --> 00:28:56,279  
and he said to me oh remind me where you

678  
00:29:01,490 --> 00:28:59,220  
are again and he was down in Cornwall

679  
00:29:04,490 --> 00:29:01,500  
and I told him I said I'm in Stanley

680  
00:29:05,750 --> 00:29:04,500  
near Wakefield and he said okay and

681  
00:29:08,210 --> 00:29:05,760  
because he's looking at it

682  
00:29:10,730 --> 00:29:08,220  
mathematically and he's looking at the

683  
00:29:13,610 --> 00:29:10,740  
influences and he said to me

684  
00:29:15,110 --> 00:29:13,620  
you don't really feel at home there do

685  
00:29:16,610 --> 00:29:15,120  
you is it would that be right that you

686  
00:29:19,070 --> 00:29:16,620  
don't feel quite right and I'm like yeah

687  
00:29:21,010 --> 00:29:19,080  
I don't I just I can get on with people

688  
00:29:23,090 --> 00:29:21,020

but I just don't feel

689

00:29:25,610 --> 00:29:23,100

energetically right

690

00:29:27,889 --> 00:29:25,620

and you know so it was a yeah a horrific

691

00:29:29,930 --> 00:29:27,899

year but I got after reading the book

692

00:29:31,850 --> 00:29:29,940

and finding out about astrophotography

693

00:29:35,029 --> 00:29:31,860

and what's the point finding out that I

694

00:29:37,669 --> 00:29:35,039

had my Noble line going straight to

695

00:29:40,070 --> 00:29:37,679

Swansea it was always my intention to

696

00:29:41,690 --> 00:29:40,080

come back here and because I'd lived in

697

00:29:44,630 --> 00:29:41,700

Barrion Cardiff and because I got such

698

00:29:47,149 --> 00:29:44,640

good friends and because I know what it

699

00:29:51,169 --> 00:29:47,159

means to have yourself in North Node in

700

00:29:52,610 --> 00:29:51,179

Swansea it was a no-brainer for me okay

701  
00:29:54,889 --> 00:29:52,620  
so

702  
00:29:56,990 --> 00:29:54,899  
obviously my good friends are you know a

703  
00:29:59,450 --> 00:29:57,000  
few of them are here tonight they knew

704  
00:30:03,289 --> 00:29:59,460  
all about this and they knew my

705  
00:30:05,029 --> 00:30:03,299  
intention to come to Swansea so I came I

706  
00:30:07,370 --> 00:30:05,039  
got back here I got in touch with Emily

707  
00:30:10,070 --> 00:30:07,380  
I pitched this talk because

708  
00:30:12,549 --> 00:30:10,080  
I just honestly I can't say how much

709  
00:30:14,810 --> 00:30:12,559  
this means to me but to be here tonight

710  
00:30:16,850 --> 00:30:14,820  
mainly because I feel like I kind of

711  
00:30:19,909 --> 00:30:16,860  
make it home that's what it feels like

712  
00:30:23,149 --> 00:30:19,919  
to me it's like finally I I got my [\h\_\_\h]

713  
00:30:24,950 --> 00:30:23,159

together I followed the signs I had all

714

00:30:27,230 --> 00:30:24,960

these like breadcrumbs that go right

715

00:30:29,510 --> 00:30:27,240

back don't forget to 2008 and in fact

716

00:30:32,870 --> 00:30:29,520

really to 2000 when I came here because

717

00:30:34,310 --> 00:30:32,880

I was living in Birmingham before this

718

00:30:36,529 --> 00:30:34,320

so

719

00:30:38,510 --> 00:30:36,539

I get an Airbnb

720

00:30:41,090 --> 00:30:38,520

um up a Sketty robe

721

00:30:43,010 --> 00:30:41,100

just because I need to land somewhere it

722

00:30:46,789 --> 00:30:43,020

was it was a nightmare

723

00:30:49,549 --> 00:30:46,799

um so I land here I'm exhausted I'm

724

00:30:52,490 --> 00:30:49,559

emotional and I go there and I'm here

725

00:30:53,930 --> 00:30:52,500

with Steve and Mark here tonight and

726  
00:30:55,190 --> 00:30:53,940  
we're all like oh thank you know because

727  
00:30:56,690 --> 00:30:55,200  
there was times when I was thinking I'm

728  
00:30:59,149 --> 00:30:56,700  
never gonna get back

729  
00:31:00,230 --> 00:30:59,159  
and I was looking for somewhere to live

730  
00:31:02,690 --> 00:31:00,240  
and I got

731  
00:31:04,250 --> 00:31:02,700  
um I stayed in an Airbnb then I had to

732  
00:31:06,470 --> 00:31:04,260  
have my dog put down

733  
00:31:07,909 --> 00:31:06,480  
don't even you can imagine just

734  
00:31:12,649 --> 00:31:07,919  
horrendous

735  
00:31:15,110 --> 00:31:12,659  
and I decided that I was going to I said

736  
00:31:16,730 --> 00:31:15,120  
another Airbnb in you know upland's

737  
00:31:17,769 --> 00:31:16,740  
Crescent

738  
00:31:21,350 --> 00:31:17,779

you know

739

00:31:24,710 --> 00:31:21,360

Richmond Terrace so upland's Crescent

740

00:31:27,769 --> 00:31:24,720

Michelin tennis I decided that I was

741

00:31:30,110 --> 00:31:27,779

going to go to this other Airbnb and it

742

00:31:31,789 --> 00:31:30,120

was really nice and I I thought yeah I

743

00:31:34,070 --> 00:31:31,799

think I wouldn't mind

744

00:31:37,669 --> 00:31:34,080

staying there stayed there

745

00:31:38,570 --> 00:31:37,679

dog put down went back to Cardiff and I

746

00:31:43,070 --> 00:31:38,580

saw

747

00:31:44,630 --> 00:31:43,080

a house that I fell in love with and as

748

00:31:48,110 --> 00:31:44,640

soon as I saw it I thought that's that's

749

00:31:50,810 --> 00:31:48,120

my house that is my house anybody ever

750

00:31:53,510 --> 00:31:50,820

had that feeling where you just know

751  
00:31:56,870 --> 00:31:53,520  
that this is a job this is the person

752  
00:32:00,590 --> 00:31:56,880  
yeah yeah you know you just oh thank you

753  
00:32:02,570 --> 00:32:00,600  
at the back bless you

754  
00:32:03,649 --> 00:32:02,580  
so nice at your life

755  
00:32:07,070 --> 00:32:03,659  
so

756  
00:32:08,389 --> 00:32:07,080  
I saw this house and I was really didn't

757  
00:32:10,669 --> 00:32:08,399  
expect it

758  
00:32:13,490 --> 00:32:10,679  
arranged to see it my good friends came

759  
00:32:16,430 --> 00:32:13,500  
with me and as soon as we went in it was

760  
00:32:19,610 --> 00:32:16,440  
like this is my house it's it's it's

761  
00:32:21,110 --> 00:32:19,620  
like you know it's just and I hadn't

762  
00:32:23,029 --> 00:32:21,120  
even looked anywhere and I said I put an

763  
00:32:25,370 --> 00:32:23,039

offering a nice evening marker there and

764

00:32:26,690 --> 00:32:25,380

our other friend Rick and I said this is

765

00:32:29,870 --> 00:32:26,700

this is it

766

00:32:31,130 --> 00:32:29,880

and so I I put an offer in and then you

767

00:32:34,130 --> 00:32:31,140

know the horrible thing where you have

768

00:32:36,110 --> 00:32:34,140

to wait for a nearly a week before it's

769

00:32:38,930 --> 00:32:36,120

accepted but part of my brain was going

770

00:32:40,490 --> 00:32:38,940

it it's it's a it's got to be mine it's

771

00:32:43,070 --> 00:32:40,500

got to be mine

772

00:32:45,649 --> 00:32:43,080

so in the meanwhile I then got in touch

773

00:32:47,870 --> 00:32:45,659

with the Airbnb guy and I'd made an

774

00:32:50,389 --> 00:32:47,880

arrangement that I could stay there a

775

00:32:52,430 --> 00:32:50,399

little bit longer so I got kind of like

776

00:32:53,690 --> 00:32:52,440

um you know better rates and I lived in

777

00:32:57,110 --> 00:32:53,700

Richmond Terrace

778

00:32:59,029 --> 00:32:57,120

now I didn't know logistically where I

779

00:33:00,169 --> 00:32:59,039

was in Swansea because I didn't know

780

00:33:02,169 --> 00:33:00,179

that bit

781

00:33:06,110 --> 00:33:02,179

but it was actually

782

00:33:08,870 --> 00:33:06,120

literally five minutes away from

783

00:33:11,389 --> 00:33:08,880

condonkin Park

784

00:33:12,409 --> 00:33:11,399

okay remember that when you're right in

785

00:33:15,529 --> 00:33:12,419

the beginning

786

00:33:16,450 --> 00:33:15,539

so when Steve gave me that message back

787

00:33:19,730 --> 00:33:16,460

in

788

00:33:21,590 --> 00:33:19,740

2010 2010

789

00:33:23,210 --> 00:33:21,600

which I thought was a joke because it

790

00:33:25,490 --> 00:33:23,220

was sounded so funny to me

791

00:33:28,009 --> 00:33:25,500

because I'm not from around here

792

00:33:30,409 --> 00:33:28,019

it was come Duncan Park

793

00:33:31,789 --> 00:33:30,419

and so we were like well that's that's

794

00:33:35,870 --> 00:33:31,799

crazy

795

00:33:37,009 --> 00:33:35,880

and then I I you know you're on a penny

796

00:33:38,930 --> 00:33:37,019

Satori

797

00:33:40,430 --> 00:33:38,940

you know Penny Sartori wrote the book of

798

00:33:42,649 --> 00:33:40,440

the wisdom of near-death experiences

799

00:33:46,490 --> 00:33:42,659

penny and I have got coincidences again

800

00:33:48,049 --> 00:33:46,500

going back 2014 and I won't bother you

801  
00:33:50,269 --> 00:33:48,059  
with him but maybe I will but not right

802  
00:33:53,090 --> 00:33:50,279  
now so penny and I have got uh

803  
00:33:55,970 --> 00:33:53,100  
coincidences again really in amazing

804  
00:33:58,310 --> 00:33:55,980  
coincidences going back so one side kind

805  
00:33:59,870 --> 00:33:58,320  
of like settled and again I was sort of

806  
00:34:01,730 --> 00:33:59,880  
grieving heavily for my dog I thought

807  
00:34:03,889 --> 00:34:01,740  
I'm going to get in touch with Penny let

808  
00:34:05,570 --> 00:34:03,899  
her know that I'm down here and I'm

809  
00:34:07,370 --> 00:34:05,580  
gonna I'm gonna be living here and I

810  
00:34:09,589 --> 00:34:07,380  
bought a hat winner well not bought but

811  
00:34:10,669 --> 00:34:09,599  
I you know I'm technically buying a

812  
00:34:13,669 --> 00:34:10,679  
house

813  
00:34:14,810 --> 00:34:13,679

so I got in touch with Penny and she was

814

00:34:15,950 --> 00:34:14,820

like oh you know I'm around the corner

815

00:34:18,169 --> 00:34:15,960

from me because Penny lives in the

816

00:34:19,550 --> 00:34:18,179

Uplands and I said yeah you know I'm

817

00:34:22,070 --> 00:34:19,560

buying I fell in love with this house

818

00:34:23,930 --> 00:34:22,080

I'm buying this house and she said oh

819

00:34:26,149 --> 00:34:23,940

where is it Genie

820

00:34:27,950 --> 00:34:26,159

um and I said oh Windmill Terrace in

821

00:34:30,470 --> 00:34:27,960

Saint Thomas

822

00:34:32,810 --> 00:34:30,480

and she went oh my God she said it's not

823

00:34:36,050 --> 00:34:32,820

Andrea Little's place is it

824

00:34:38,810 --> 00:34:36,060

and I said yeah it is she said Andrea's

825

00:34:44,869 --> 00:34:41,089

I know

826

00:34:46,250 --> 00:34:44,879

so we're like well that's crazy now I

827

00:34:48,649 --> 00:34:46,260

haven't seen Penny because I've been a

828

00:34:50,329 --> 00:34:48,659

you know away for a while and we were

829

00:34:52,190 --> 00:34:50,339

both a bit Blown Away anyway I arranged

830

00:34:55,070 --> 00:34:52,200

to meet Penny the next day and when I

831

00:34:56,510 --> 00:34:55,080

saw Penny the next day she said Genie

832

00:34:58,250 --> 00:34:56,520

says you'll never believe it she said

833

00:34:59,510 --> 00:34:58,260

when you were on the phone to me

834

00:35:02,870 --> 00:34:59,520

yesterday

835

00:35:05,270 --> 00:35:02,880

Andrea was ringing at the same time

836

00:35:07,670 --> 00:35:05,280

as you were talking to me she'd left a

837

00:35:12,950 --> 00:35:10,970

and then I got to meet Andrea and

838

00:35:15,290 --> 00:35:12,960

obviously you know she'd found out who I

839

00:35:17,329 --> 00:35:15,300

was and when I got in

840

00:35:19,550 --> 00:35:17,339

um it was funny that Andrea said to me

841

00:35:21,170 --> 00:35:19,560

where are you from I said I'm from Leeds

842

00:35:24,410 --> 00:35:21,180

I said where are you from and she went

843

00:35:26,930 --> 00:35:24,420

offset she was from Yorkshire

844

00:35:29,690 --> 00:35:26,940

so that was a bit trippy then she came

845

00:35:32,150 --> 00:35:29,700

to see me in my flat in the Uplands and

846

00:35:34,310 --> 00:35:32,160

as soon as she walked in the city that

847

00:35:37,190 --> 00:35:34,320

was in my the flat you know the rented

848

00:35:38,870 --> 00:35:37,200

flap she had one identical and she said

849

00:35:40,870 --> 00:35:38,880

that's my city what it was almost like

850

00:35:44,390 --> 00:35:40,880

why are you why have you got my seti

851  
00:35:46,190 --> 00:35:44,400  
because she'd had a flat and it was a

852  
00:35:48,470 --> 00:35:46,200  
cream leather sofa

853  
00:35:51,410 --> 00:35:48,480  
so we've had all these really weird

854  
00:35:52,430 --> 00:35:51,420  
little coincidences so all of these

855  
00:35:55,010 --> 00:35:52,440  
things

856  
00:35:57,230 --> 00:35:55,020  
it almost like if you want to look at it

857  
00:36:00,230 --> 00:35:57,240  
like that and I do because that's why

858  
00:36:01,970 --> 00:36:00,240  
I'm here is that these are all like you

859  
00:36:03,290 --> 00:36:01,980  
know what would youngwoods Carl Young

860  
00:36:05,089 --> 00:36:03,300  
would say they're meaningful

861  
00:36:06,530 --> 00:36:05,099  
coincidences but I don't think

862  
00:36:08,150 --> 00:36:06,540  
coincidences and we're getting what

863  
00:36:10,430 --> 00:36:08,160

we've been led to believe they are

864

00:36:12,890 --> 00:36:10,440

basically like I said before they are

865

00:36:15,109 --> 00:36:12,900

signposts if you I'm good I'm bad I'm

866

00:36:18,470 --> 00:36:15,119

not old they're not all wonderful

867

00:36:20,810 --> 00:36:18,480

so you know that's why I'm technically

868

00:36:22,130 --> 00:36:20,820

here tonight to tell you about the nodes

869

00:36:24,349 --> 00:36:22,140

of the Moon

870

00:36:25,609 --> 00:36:24,359

for some reason I don't sell it to lost

871

00:36:27,650 --> 00:36:25,619

a load of slides but it doesn't matter

872

00:36:29,569 --> 00:36:27,660

because God knows I can talk about them

873

00:36:33,349 --> 00:36:29,579

so then

874

00:36:36,589 --> 00:36:33,359

I'm talking to Mark and there's a pub

875

00:36:37,370 --> 00:36:36,599

in Saint Thomas around the corner and

876

00:36:38,930 --> 00:36:37,380

sir

877

00:36:39,890 --> 00:36:38,940

I said oh there's a pub around the

878

00:36:41,510 --> 00:36:39,900

corner

879

00:36:43,670 --> 00:36:41,520

um that will be my local because I got

880

00:36:45,890 --> 00:36:43,680

really into Noah's yard you know Noah's

881

00:36:48,770 --> 00:36:45,900

yard in the Uplands sort of my favorite

882

00:36:51,290 --> 00:36:48,780

bars in the world actually and I spent a

883

00:36:55,730 --> 00:36:51,300

lot of time there longer than I should

884

00:36:58,310 --> 00:36:55,740

really and so the pub that's going to be

885

00:37:02,510 --> 00:36:58,320

my local and and I and Mark knew about

886

00:37:04,250 --> 00:37:02,520

my history he went genie that's the ship

887

00:37:05,510 --> 00:37:04,260

can we remember the far back at the

888

00:37:09,470 --> 00:37:05,520

beginning of the talk

889

00:37:12,490 --> 00:37:09,480

when Steve said thank you

890

00:37:16,010 --> 00:37:12,500

get out of town

891

00:37:20,030 --> 00:37:16,020

there we are in real time in real time

892

00:37:22,250 --> 00:37:20,040

bless you so there you go

893

00:37:24,050 --> 00:37:22,260

so of course when Steve gave me that

894

00:37:27,230 --> 00:37:24,060

message I could take the ship from

895

00:37:28,970 --> 00:37:27,240

Exeter but the ship is now technically

896

00:37:32,810 --> 00:37:28,980

my local pub

897

00:37:34,490 --> 00:37:32,820

and Steve had this information now I

898

00:37:36,109 --> 00:37:34,500

don't forget there's a lot of years in

899

00:37:38,630 --> 00:37:36,119

between

900

00:37:41,270 --> 00:37:38,640

so you know again you you think about

901  
00:37:42,770 --> 00:37:41,280  
that and when I was up in Yorkshire what

902  
00:37:44,230 --> 00:37:42,780  
time are we in outside

903  
00:37:47,150 --> 00:37:44,240  
so

904  
00:37:49,849 --> 00:37:47,160  
what time is it

905  
00:37:52,609 --> 00:37:49,859  
stop by tonight okay okay I'll do this

906  
00:37:53,510 --> 00:37:52,619  
that way so so yeah so when I was up in

907  
00:37:57,290 --> 00:37:53,520  
Yorkshire

908  
00:37:59,089 --> 00:37:57,300  
um I I spoke at my Stepmother's funeral

909  
00:38:01,190 --> 00:37:59,099  
um because my dad obviously couldn't and

910  
00:38:03,710 --> 00:38:01,200  
at that point I was quite naive I

911  
00:38:05,630 --> 00:38:03,720  
thought that I had to write all the

912  
00:38:06,950 --> 00:38:05,640  
eulogy because I'd not you know I didn't

913  
00:38:10,550 --> 00:38:06,960

and I obviously wanted to speak on

914

00:38:14,150 --> 00:38:10,560

behalf of my dad and so I did and I sent

915

00:38:15,710 --> 00:38:14,160

the celebrants and he said have you ever

916

00:38:17,750 --> 00:38:15,720

thought about being a celebrant and I

917

00:38:19,250 --> 00:38:17,760

went well no not really and he said well

918

00:38:21,290 --> 00:38:19,260

you know you should do this I think

919

00:38:22,849 --> 00:38:21,300

you'd be really good at it and I wasn't

920

00:38:26,270 --> 00:38:22,859

working properly because I just

921

00:38:28,069 --> 00:38:26,280

relocated to that to Yorkshire and I

922

00:38:30,530 --> 00:38:28,079

took a training course up in Yorkshire

923

00:38:33,589 --> 00:38:30,540

and I you know I did a couple and it was

924

00:38:36,349 --> 00:38:33,599

very new to me but you know I'm a bit of

925

00:38:39,829 --> 00:38:36,359

a you know I can talk kind of thing and

926

00:38:42,050 --> 00:38:39,839

I can write and it was a lovely job for

927

00:38:46,190 --> 00:38:42,060

me because you know I like to help and

928

00:38:48,050 --> 00:38:46,200

support people and then lockdown came

929

00:38:50,930 --> 00:38:48,060

so that kind of put the mockers on that

930

00:38:54,410 --> 00:38:50,940

but then when I came back to Swansea or

931

00:38:55,849 --> 00:38:54,420

came to live in Swansea that's when I

932

00:38:57,650 --> 00:38:55,859

started

933

00:39:00,170 --> 00:38:57,660

um I basically went round local funeral

934

00:39:02,089 --> 00:39:00,180

homes and just said look I'm here and

935

00:39:04,970 --> 00:39:02,099

this is what I do

936

00:39:06,589 --> 00:39:04,980

and I've been very fortunate enough to

937

00:39:10,430 --> 00:39:06,599

um do a few funerals since I've been

938

00:39:13,550 --> 00:39:10,440

here and I can't tell you how uh

939

00:39:16,010 --> 00:39:13,560

incredible it feels to be here because

940

00:39:18,710 --> 00:39:16,020

I've had nothing really but lovely

941

00:39:20,990 --> 00:39:18,720

things happen to me and last week I did

942

00:39:23,210 --> 00:39:21,000

two funerals one on Tuesday moved on

943

00:39:24,829 --> 00:39:23,220

Wednesday into my new home and they did

944

00:39:27,109 --> 00:39:24,839

a funeral on Thursday and I'm doing one

945

00:39:30,829 --> 00:39:27,119

tomorrow which is my birthday and when

946

00:39:33,109 --> 00:39:30,839

emlin said oh uh you know it's the first

947

00:39:35,150 --> 00:39:33,119

of February I thought of course it is

948

00:39:37,790 --> 00:39:35,160

because how lovely it's a first

949

00:39:42,109 --> 00:39:37,800

Wednesday of the month but my birthday

950

00:39:44,569 --> 00:39:42,119

just happens to be tomorrow and I'm 192.

951  
00:39:46,069 --> 00:39:44,579  
yes I know I'm probably older than that

952  
00:39:48,530 --> 00:39:46,079  
we're all older than that we just come

953  
00:39:50,390 --> 00:39:48,540  
around in this little spacesuit so I'm

954  
00:39:51,710 --> 00:39:50,400  
going to talk a little bit more after

955  
00:39:53,450 --> 00:39:51,720  
the Break

956  
00:39:57,349 --> 00:39:53,460  
um just to kind of wind things up to do

957  
00:39:59,810 --> 00:39:57,359  
with what the nodes can do for us

958  
00:40:01,910 --> 00:39:59,820  
um by the way you don't you don't have

959  
00:40:04,910 --> 00:40:01,920  
to go living on yourself and North load

960  
00:40:06,530 --> 00:40:04,920  
to have a lovely life it's just that the

961  
00:40:09,950 --> 00:40:06,540  
way because my life has been so

962  
00:40:13,190 --> 00:40:09,960  
coincidental it just makes sense to me

963  
00:40:16,310 --> 00:40:13,200

at this age with what I know and I've

964

00:40:19,370 --> 00:40:16,320

got so many amazing coincidences linked

965

00:40:20,930 --> 00:40:19,380

particularly to Swansea going back years

966

00:40:25,730 --> 00:40:20,940

and

967

00:40:28,790 --> 00:40:25,740

friends we have got this almost like web

968

00:40:31,130 --> 00:40:28,800

of coincidences that go back to

969

00:40:33,950 --> 00:40:31,140

Birmingham some of them back to Devon

970

00:40:36,530 --> 00:40:33,960

it's almost like I I really do feel

971

00:40:38,750 --> 00:40:36,540

everyone here today that we're all kind

972

00:40:41,750 --> 00:40:38,760

of drawing closer together with the

973

00:40:43,609 --> 00:40:41,760

people that we need to be with in these

974

00:40:45,230 --> 00:40:43,619

very chaotic transformational

975

00:40:47,630 --> 00:40:45,240

evolutionary times

976

00:40:51,470 --> 00:40:47,640

so if you want to check out on your

977

00:40:53,750 --> 00:40:51,480

phones Cafe Astrology you might want to

978

00:40:56,089 --> 00:40:53,760

have a type in your birth details and

979

00:40:57,530 --> 00:40:56,099

then we'll do some examples of what the

980

00:41:00,530 --> 00:40:57,540

nodes mean

981

00:41:03,050 --> 00:41:00,540

this because my I've got North Node in

982

00:41:06,050 --> 00:41:03,060

Virgo South Northern Pisces and then

983

00:41:08,990 --> 00:41:06,060

what house you know that means and if

984

00:41:11,870 --> 00:41:09,000

with Steve permission I'll I'll um read

985

00:41:15,290 --> 00:41:11,880

just a few lines of the um his the house

986

00:41:17,270 --> 00:41:15,300

that his nodes are in and I'm happy to

987

00:41:19,490 --> 00:41:17,280

do other people's notes I should be a

988

00:41:20,870 --> 00:41:19,500

node reader shouldn't I really I might

989

00:41:22,430 --> 00:41:20,880

have that you know I might do that as

990

00:41:25,670 --> 00:41:22,440

well because I I don't think I've got

991

00:41:27,650 --> 00:41:25,680

enough to do really so thank you so I

992

00:41:29,810 --> 00:41:27,660

did any of you managed to look at the

993

00:41:32,089 --> 00:41:29,820

cafe astrology did you find your nodes

994

00:41:33,530 --> 00:41:32,099

yeah

995

00:41:35,210 --> 00:41:33,540

no

996

00:41:37,250 --> 00:41:35,220

oh can I

997

00:41:38,690 --> 00:41:37,260

imagine because I need to um just just a

998

00:41:42,170 --> 00:41:38,700

little bit and then I need all of them

999

00:41:44,569 --> 00:41:42,180

but that's great thank you so I'm going

1000

00:41:45,470 --> 00:41:44,579

to just read it because it's just easier

1001  
00:41:48,650 --> 00:41:45,480  
um and then I'm going to give you

1002  
00:41:50,270 --> 00:41:48,660  
examples and hopefully somebody might

1003  
00:41:53,870 --> 00:41:50,280  
share but I will just give out the kind

1004  
00:41:56,270 --> 00:41:53,880  
of cherry picking of a nodal axis so

1005  
00:41:58,730 --> 00:41:56,280  
like I told you the South node is very

1006  
00:42:00,589 --> 00:41:58,740  
much about where we've been maybe

1007  
00:42:02,510 --> 00:42:00,599  
brought through our past lives if you

1008  
00:42:05,349 --> 00:42:02,520  
believe that and if you don't then

1009  
00:42:07,089 --> 00:42:05,359  
clearly you're not very involved

1010  
00:42:12,349 --> 00:42:07,099  
so

1011  
00:42:14,569 --> 00:42:12,359  
represents the accumulated skills

1012  
00:42:16,849 --> 00:42:14,579  
talents and abilities which have been

1013  
00:42:19,609 --> 00:42:16,859

developed over many lifetimes and which

1014

00:42:22,069 --> 00:42:19,619

we each bring into this life it is a

1015

00:42:24,430 --> 00:42:22,079

point by sign in house in our birth

1016

00:42:27,109 --> 00:42:24,440

chart of familiarity

1017

00:42:29,569 --> 00:42:27,119

ease and something we can easily fall

1018

00:42:32,030 --> 00:42:29,579

back on as a skill our Behavior pattern

1019

00:42:35,329 --> 00:42:32,040

it represents our instinctive comfort

1020

00:42:37,910 --> 00:42:35,339

zone the pull of the past but if we

1021

00:42:40,670 --> 00:42:37,920

operate just from our South nerd Our

1022

00:42:43,849 --> 00:42:40,680

Lives May remain very small the North

1023

00:42:45,950 --> 00:42:43,859

Node is where we need to head towards it

1024

00:42:48,710 --> 00:42:45,960

is where we are supposed to develop new

1025

00:42:50,870 --> 00:42:48,720

skills abilities and talents that so far

1026  
00:42:53,210 --> 00:42:50,880  
have been underdeveloped this can feel

1027  
00:42:55,670 --> 00:42:53,220  
challenging as its unfamiliar territory

1028  
00:42:57,650 --> 00:42:55,680  
but the north nerd brings with it a

1029  
00:43:01,069 --> 00:42:57,660  
sense of purpose in this life and Rich

1030  
00:43:03,770 --> 00:43:01,079  
fulfillment it is a direction for your

1031  
00:43:05,569 --> 00:43:03,780  
soul growth it is evolutionary and the

1032  
00:43:07,970 --> 00:43:05,579  
more we can focus on the effects on our

1033  
00:43:11,170 --> 00:43:07,980  
North Node the more we can be richly

1034  
00:43:13,849 --> 00:43:11,180  
rewarded in our

1035  
00:43:17,030 --> 00:43:13,859  
efforts and all the lifetimes I've

1036  
00:43:19,370 --> 00:43:17,040  
experience representable s authored will

1037  
00:43:22,370 --> 00:43:19,380  
then unsigned by house will give us a

1038  
00:43:25,309 --> 00:43:22,380

strong foundation so again I stand here

1039

00:43:27,050 --> 00:43:25,319

before you as evidence of that I'm 63

1040

00:43:29,990 --> 00:43:27,060

years old tomorrow

1041

00:43:31,130 --> 00:43:30,000

are funnier around a lot I mean I've

1042

00:43:33,170 --> 00:43:31,140

just

1043

00:43:35,750 --> 00:43:33,180

really wasted a lot of time having said

1044

00:43:37,010 --> 00:43:35,760

that I have always done things that I've

1045

00:43:41,750 --> 00:43:37,020

been interested in

1046

00:43:45,230 --> 00:43:41,760

my move to uh Windmill Terrace is my

1047

00:43:48,829 --> 00:43:47,210

and yet in my birth chart I actually

1048

00:43:50,809 --> 00:43:48,839

said you know with this kind of Bubba

1049

00:43:53,349 --> 00:43:50,819

this is just a shortcut you may move

1050

00:43:56,089 --> 00:43:53,359

around a lot but no [h\_\_\h]

1051

00:43:59,210 --> 00:43:56,099

so it's it's one of those things where

1052

00:44:01,430 --> 00:43:59,220

I'm a great example because I have moved

1053

00:44:03,829 --> 00:44:01,440

around a lot I've moved around a lot in

1054

00:44:05,930 --> 00:44:03,839

places I've lived and since I've been

1055

00:44:07,550 --> 00:44:05,940

here as I told you I you know I still

1056

00:44:09,530 --> 00:44:07,560

intend to do you know maybe a bit of

1057

00:44:12,250 --> 00:44:09,540

comedy and talks but being a funeral

1058

00:44:16,430 --> 00:44:12,260

Solomon I've been able to use all of my

1059

00:44:17,870 --> 00:44:16,440

accumulated skills you know all of them

1060

00:44:20,450 --> 00:44:17,880

and I think it's only going to get

1061

00:44:22,670 --> 00:44:20,460

better because obviously I know about

1062

00:44:25,490 --> 00:44:22,680

why I'm here and it's a very deliberate

1063

00:44:27,230 --> 00:44:25,500

move and a very beautiful one as well so

1064

00:44:28,010 --> 00:44:27,240

I'm now gonna

1065

00:44:29,809 --> 00:44:28,020

um

1066

00:44:30,589 --> 00:44:29,819

pick out

1067

00:44:32,750 --> 00:44:30,599

um

1068

00:44:35,450 --> 00:44:32,760

my friend

1069

00:44:39,950 --> 00:44:35,460

good friend Steve Steve balsamer and

1070

00:44:43,490 --> 00:44:39,960

singer songwriter performer poet

1071

00:44:47,210 --> 00:44:43,500

philosophical thinker synchronistic

1072

00:44:48,770 --> 00:44:47,220

person who um so if you didn't know that

1073

00:44:51,050 --> 00:44:48,780

because I didn't when I met him in the

1074

00:44:53,990 --> 00:44:51,060

tarot class I had no idea just how

1075

00:44:56,569 --> 00:44:54,000

amazing he was as not just as an artist

1076

00:44:58,490 --> 00:44:56,579

but just as a thinker you know psychic

1077

00:45:00,829 --> 00:44:58,500

tarot reader

1078

00:45:03,710 --> 00:45:00,839

um you know helped me move that's a good

1079

00:45:06,530 --> 00:45:03,720

friend and Mark as well they have carted

1080

00:45:08,870 --> 00:45:06,540

my stuff back and forth from Barry and

1081

00:45:11,690 --> 00:45:08,880

Cardiff so I'm going to read

1082

00:45:14,150 --> 00:45:11,700

this is so Steve's

1083

00:45:16,910 --> 00:45:14,160

um node I don't know if any of you share

1084

00:45:19,309 --> 00:45:16,920

the North Node in Aquarius

1085

00:45:20,690 --> 00:45:19,319

and the South node in Leo I'm not going

1086

00:45:23,390 --> 00:45:20,700

to read all of it because we'd literally

1087

00:45:26,150 --> 00:45:23,400

be here all day but I do want to read

1088

00:45:27,109 --> 00:45:26,160

you this and with the information that

1089

00:45:29,390 --> 00:45:27,119

I've just told you don't forget

1090

00:45:32,089 --> 00:45:29,400

performed on the west end stage has

1091

00:45:34,069 --> 00:45:32,099

written songs for meatloaf number one

1092

00:45:35,750 --> 00:45:34,079

hits in Australia for other people this

1093

00:45:37,910 --> 00:45:35,760

is the thing with songwriters you don't

1094

00:45:41,990 --> 00:45:37,920

always realize how much they do because

1095

00:45:45,650 --> 00:45:43,849

in the past

1096

00:45:46,970 --> 00:45:45,660

experienced a strong sense of

1097

00:45:49,490 --> 00:45:46,980

individuality

1098

00:45:51,589 --> 00:45:49,500

and creativity and it would still

1099

00:45:53,930 --> 00:45:51,599

benefit you'll still benefit from this

1100

00:45:56,390 --> 00:45:53,940

in this life you will still carry a

1101

00:45:58,609 --> 00:45:56,400

presence and a confidence as in the past

1102

00:45:59,690 --> 00:45:58,619

you are likely to have been sent to

1103

00:46:03,349 --> 00:45:59,700

stage

1104

00:46:05,450 --> 00:46:03,359

in some capacity well yeah West End

1105

00:46:07,970 --> 00:46:05,460

stage is Jesus can't get more Center

1106

00:46:10,250 --> 00:46:07,980

Stage than that and operating within

1107

00:46:13,130 --> 00:46:10,260

mainstream Society the South node in Leo

1108

00:46:16,250 --> 00:46:13,140

brings with it some wonderful warm

1109

00:46:18,530 --> 00:46:16,260

radiant generous loving heart energy but

1110

00:46:21,770 --> 00:46:18,540

at the same time it can be quite ego

1111

00:46:23,510 --> 00:46:21,780

focused needed if you're a performer as

1112

00:46:25,970 --> 00:46:23,520

you may have achieved admiration in the

1113

00:46:28,370 --> 00:46:25,980

past For All You've achieved the North

1114

00:46:30,410 --> 00:46:28,380

Node in Aquarius demands that you put

1115

00:46:32,809 --> 00:46:30,420

your personal concerns and ego to inside

1116

00:46:35,510 --> 00:46:32,819

this time around so you're bringing with

1117

00:46:37,730 --> 00:46:35,520

you all the attributes but you're also

1118

00:46:39,470 --> 00:46:37,740

carrying it Forward because as you know

1119

00:46:42,109 --> 00:46:39,480

we're all going into the age of Aquarius

1120

00:46:44,390 --> 00:46:42,119

you all know that don't you I mean one

1121

00:46:46,849 --> 00:46:44,400

of my favorite songs is the the dawning

1122

00:46:49,370 --> 00:46:46,859

of the age of Aquarius and that's what

1123

00:46:52,190 --> 00:46:49,380

we're going into so this is why we all

1124

00:46:54,950 --> 00:46:52,200

need to kind of really get down with our

1125

00:46:56,569 --> 00:46:54,960

Naf node which is a title of my concept

1126

00:47:00,829 --> 00:46:56,579

album which will be released in the

1127

00:47:02,510 --> 00:47:00,839

astral Realms later this year okay so I

1128

00:47:04,849 --> 00:47:02,520

just also wanted to mention because I

1129

00:47:07,430 --> 00:47:04,859

forgot earlier I was speaking to this

1130

00:47:12,250 --> 00:47:07,440

group of people here that also at the

1131

00:47:16,250 --> 00:47:12,260

time of my birth I had asked me

1132

00:47:18,470 --> 00:47:16,260

astrokography going directly to Peru

1133

00:47:19,849 --> 00:47:18,480

at the time of my birth now I never

1134

00:47:22,609 --> 00:47:19,859

imagined I'd go approved but I went

1135

00:47:25,550 --> 00:47:22,619

there in 2013 and a line going straight

1136

00:47:29,809 --> 00:47:25,560

to La Paz in Bolivia and straight to

1137

00:47:32,270 --> 00:47:29,819

Peru so that's how incredible it is now

1138

00:47:35,210 --> 00:47:32,280

you can explore those lines and I really

1139

00:47:37,250 --> 00:47:35,220

encourage you to do just that have a

1140

00:47:39,710 --> 00:47:37,260

look at your North Node because it's not

1141

00:47:41,750 --> 00:47:39,720

about where you're living it's where

1142

00:47:44,510 --> 00:47:41,760

this is and where you want to dedicate

1143

00:47:47,210 --> 00:47:44,520

your Evolution going forward you know

1144

00:47:49,370 --> 00:47:47,220

what you can do but often as we get

1145

00:47:50,990 --> 00:47:49,380

older we stop we go you know some people

1146

00:47:52,849 --> 00:47:51,000

go oh well I don't do that anymore you

1147

00:47:54,470 --> 00:47:52,859

know I don't exercise anymore I did that

1148

00:47:57,349 --> 00:47:54,480

when I was I played football it's like

1149

00:48:00,470 --> 00:47:57,359

no you cannot stop we have to keep going

1150

00:48:02,030 --> 00:48:00,480

forward because if we all did have this

1151

00:48:04,490 --> 00:48:02,040

information at Birth

1152

00:48:06,950 --> 00:48:04,500

and this was taught in schools then we

1153

00:48:09,170 --> 00:48:06,960

wouldn't be in the [h\_\_\h] that we're in

1154

00:48:11,030 --> 00:48:09,180

so that's what I'm thinking about and

1155

00:48:13,370 --> 00:48:11,040

Steve's asked me to

1156

00:48:15,170 --> 00:48:13,380

um just mention as well that when I was

1157

00:48:17,450 --> 00:48:15,180

living in Barry I had such criminal

1158

00:48:19,970 --> 00:48:17,460

times really cool times in in South

1159

00:48:22,309 --> 00:48:19,980

Wales when I lived in Barrie I lived in

1160

00:48:24,530 --> 00:48:22,319

a place called Salisbury Road it came

1161

00:48:26,510 --> 00:48:24,540

off one of the main roads and went down

1162

00:48:29,450 --> 00:48:26,520

towards Park Curry Park

1163

00:48:31,670 --> 00:48:29,460

so you started on on one road and I was

1164

00:48:34,970 --> 00:48:31,680

coming back so I wasn't in there I'm

1165

00:48:37,309 --> 00:48:34,980

looking out for UFOs I was I'd just come

1166

00:48:39,530 --> 00:48:37,319

back from a pedicure

1167

00:48:42,349 --> 00:48:39,540

um and I was driving down the road it's

1168

00:48:44,030 --> 00:48:42,359

about half past ten at night and I saw

1169

00:48:45,470 --> 00:48:44,040

because you know the long Terrace

1170

00:48:47,750 --> 00:48:45,480

streets

1171

00:48:49,550 --> 00:48:47,760

so imagine I'm here in the car and down

1172

00:48:52,130 --> 00:48:49,560

in the back with a lady with a red hair

1173

00:48:55,190 --> 00:48:52,140

and a jumper that you know imagine that

1174

00:48:57,290 --> 00:48:55,200

I'm in a car and and I saw these lights

1175

00:48:59,089 --> 00:48:57,300

and I first of all you know in your

1176

00:49:00,829 --> 00:48:59,099

brain thinking what trying to make sense

1177

00:49:02,930 --> 00:49:00,839

of what it might be

1178

00:49:04,910 --> 00:49:02,940

and I thought it was an airplane so it

1179

00:49:07,130 --> 00:49:04,920

can't be an airplane it's way too low

1180

00:49:08,630 --> 00:49:07,140

and the lights are too bright and it

1181

00:49:11,630 --> 00:49:08,640

wouldn't be coming down Salisbury Road

1182

00:49:14,329 --> 00:49:11,640

and then it literally came down the

1183

00:49:16,849 --> 00:49:14,339

street in milliseconds and it stopped

1184

00:49:18,430 --> 00:49:16,859

and it was just above the rooftops and

1185

00:49:21,530 --> 00:49:18,440

it was nearly as wide of the street

1186

00:49:23,030 --> 00:49:21,540

massive lights I couldn't see the sign

1187

00:49:25,790 --> 00:49:23,040

the shape of the craft because of the

1188

00:49:26,930 --> 00:49:25,800

lights and then literally seconds that

1189

00:49:29,210 --> 00:49:26,940

another one

1190

00:49:32,210 --> 00:49:29,220

I mean you know how fast they go

1191

00:49:33,710 --> 00:49:32,220

and and they sort of bant and they were

1192

00:49:35,809 --> 00:49:33,720

like higher than the roof and I was in

1193

00:49:37,309 --> 00:49:35,819

my car looked in my you know review

1194

00:49:39,530 --> 00:49:37,319

mirror to see if anybody else was

1195

00:49:42,410 --> 00:49:39,540

witnessing this stop my car and they

1196

00:49:45,290 --> 00:49:42,420

just hovered silently virtually the

1197

00:49:46,730 --> 00:49:45,300

width of a Terrace tree and stayed there

1198

00:49:48,650 --> 00:49:46,740

and then you know you think oh my God I

1199

00:49:50,150 --> 00:49:48,660

need to take a picture and then of

1200

00:49:53,050 --> 00:49:50,160

course it's still you know I started to

1201  
00:49:56,210 --> 00:49:53,060  
try and of course what did they do there

1202  
00:49:58,970 --> 00:49:56,220  
which is what they do and it just went

1203  
00:50:01,069 --> 00:49:58,980  
like just like

1204  
00:50:03,470 --> 00:50:01,079  
so the North Node of the South node

1205  
00:50:05,990 --> 00:50:03,480  
anybody got their nodes

1206  
00:50:08,450 --> 00:50:06,000  
that they found out because I will read

1207  
00:50:12,890 --> 00:50:08,460  
to you about if you can tell me what

1208  
00:50:12,900 --> 00:50:23,930  
not in cancer

1209  
00:50:29,329 --> 00:50:27,530  
in cancer South hurting Capricorn is

1210  
00:50:30,770 --> 00:50:29,339  
that what you've got I'm not going to

1211  
00:50:32,870 --> 00:50:30,780  
read it all

1212  
00:50:34,069 --> 00:50:32,880  
um because but I'll just read you

1213  
00:50:36,950 --> 00:50:34,079

because obviously you can get it online

1214

00:50:39,410 --> 00:50:36,960

but this is from Pam's book in the past

1215

00:50:41,870 --> 00:50:39,420

you work very hard and built your status

1216

00:50:43,910 --> 00:50:41,880

and reputation and these were important

1217

00:50:46,069 --> 00:50:43,920

to you Capricorn is a very conventional

1218

00:50:48,530 --> 00:50:46,079

energy so it brings with it pride

1219

00:50:50,990 --> 00:50:48,540

respectability a sense of authority and

1220

00:50:53,750 --> 00:50:51,000

a strong work ethic

1221

00:50:57,170 --> 00:50:53,760

always a sense of Duty tradition

1222

00:50:59,329 --> 00:50:57,180

conservatism and being conscientious and

1223

00:51:01,490 --> 00:50:59,339

the ability to work within a hierarchy

1224

00:51:03,589 --> 00:51:01,500

as there is a respect for authority

1225

00:51:07,030 --> 00:51:03,599

that's your South now does any of that

1226

00:51:09,890 --> 00:51:07,040

make any sense to you yeah

1227

00:51:12,410 --> 00:51:09,900

Capricorn South nerd brings with it a

1228

00:51:14,089 --> 00:51:12,420

sense of ambition being methodical and

1229

00:51:15,470 --> 00:51:14,099

steadily working your way up to the top

1230

00:51:17,270 --> 00:51:15,480

so this is south and this is what you've

1231

00:51:19,250 --> 00:51:17,280

been accumulating

1232

00:51:20,930 --> 00:51:19,260

perhaps in a past life you had to take

1233

00:51:23,210 --> 00:51:20,940

responsibility for the family as

1234

00:51:26,329 --> 00:51:23,220

Capricorn is linked to the father

1235

00:51:28,190 --> 00:51:26,339

archetype and Financial Security for

1236

00:51:30,829 --> 00:51:28,200

your family and yourself is very

1237

00:51:32,329 --> 00:51:30,839

important making any sense there now I'm

1238

00:51:33,410 --> 00:51:32,339

going to go into that so that's a South

1239

00:51:35,809 --> 00:51:33,420

nerd

1240

00:51:38,750 --> 00:51:35,819

I know again you often bring that with

1241

00:51:43,849 --> 00:51:41,450

the North Node in cancer the focus

1242

00:51:45,890 --> 00:51:43,859

shifts to the emotional and family realm

1243

00:51:47,990 --> 00:51:45,900

it is no longer so much looking after

1244

00:51:50,450 --> 00:51:48,000

the financial news of the family but

1245

00:51:52,490 --> 00:51:50,460

rather the emotional needs

1246

00:51:54,410 --> 00:51:52,500

there may be a hankering to be out in

1247

00:51:56,930 --> 00:51:54,420

the world and achieving but if you do

1248

00:51:59,270 --> 00:51:56,940

seek Authority and position you may find

1249

00:52:01,849 --> 00:51:59,280

that life doesn't flow that well

1250

00:52:04,849 --> 00:52:01,859

the priority is to nurture family and

1251  
00:52:06,470 --> 00:52:04,859  
protect them making any does this ring

1252  
00:52:09,170 --> 00:52:06,480  
true I'm not going to go into it because

1253  
00:52:13,309 --> 00:52:09,180  
I you know you might want to kind of but

1254  
00:52:17,390 --> 00:52:13,319  
it's very profound now mine actually

1255  
00:52:19,490 --> 00:52:17,400  
um my my North nerd is in Virgo I'm not

1256  
00:52:20,809 --> 00:52:19,500  
a Virgo kind of I don't know if I've got

1257  
00:52:23,809 --> 00:52:20,819  
the verb anymore

1258  
00:52:27,589 --> 00:52:23,819  
I I'm yeah I have to work hard to be

1259  
00:52:29,270 --> 00:52:27,599  
organized and and methodical but I'm I'm

1260  
00:52:30,349 --> 00:52:29,280  
actually better if I have lists and tick

1261  
00:52:32,809 --> 00:52:30,359  
things off

1262  
00:52:35,630 --> 00:52:32,819  
and it's all to do about Service as well

1263  
00:52:38,270 --> 00:52:35,640

which of course as a funeral celebrant

1264

00:52:40,250 --> 00:52:38,280

um so it's all of us like I've learned a

1265

00:52:42,589 --> 00:52:40,260

lot of stuff but now the North Node

1266

00:52:46,010 --> 00:52:42,599

because my South and North Node are here

1267

00:52:48,710 --> 00:52:46,020

so it's very much about you now actually

1268

00:52:50,569 --> 00:52:48,720

can have been a bit more mature

1269

00:52:52,490 --> 00:52:50,579

um don't get me wrong that's not going

1270

00:52:55,010 --> 00:52:52,500

to change me being the silly little

1271

00:52:56,150 --> 00:52:55,020

thing that I am but it means that you

1272

00:52:58,609 --> 00:52:56,160

can actually

1273

00:53:01,430 --> 00:52:58,619

gain more knowledge for your higher self

1274

00:53:03,890 --> 00:53:01,440

and your authentic self if you use these

1275

00:53:08,390 --> 00:53:03,900

as a as guides

1276

00:53:10,069 --> 00:53:08,400

so does anybody have any questions

1277

00:53:12,829 --> 00:53:10,079

where did you get my red tights nice

1278

00:53:16,609 --> 00:53:12,839

question I got them in Leeds Market

1279

00:53:19,069 --> 00:53:16,619

and I found them because I do because

1280

00:53:21,829 --> 00:53:19,079

because I've been unpacking my clothes I

1281

00:53:23,809 --> 00:53:21,839

thought oh wow I forgot what I got them

1282

00:53:25,930 --> 00:53:23,819

I am

1283

00:53:28,250 --> 00:53:25,940

Alex come on

1284

00:53:30,530 --> 00:53:28,260

SO anybody got any questions about

1285

00:53:33,349 --> 00:53:30,540

anything I mean I've oh sorry but yes

1286

00:53:36,109 --> 00:53:33,359

thank you what you don't know you did a

1287

00:53:38,329 --> 00:53:36,119

timer you don't know you don't need your

1288

00:53:40,970 --> 00:53:38,339

time of birth for the nose

1289

00:53:43,069 --> 00:53:40,980

no because it's where the moon was so

1290

00:53:45,170 --> 00:53:43,079

you should be all right with just your

1291

00:53:47,270 --> 00:53:45,180

date of birth and actually on the cafe

1292

00:53:49,690 --> 00:53:47,280

Australia there's loads of them and if

1293

00:53:52,849 --> 00:53:49,700

you just type in North Node calculator

1294

00:53:55,130 --> 00:53:52,859

because you'll automatically get

1295

00:53:57,530 --> 00:53:55,140

you'll automatically get your

1296

00:53:59,210 --> 00:53:57,540

you know you're South and northward but

1297

00:54:01,849 --> 00:53:59,220

it's the house as well I think that's

1298

00:54:04,430 --> 00:54:01,859

where it might be more difficult because

1299

00:54:05,750 --> 00:54:04,440

the houses also give you more

1300

00:54:07,490 --> 00:54:05,760

information

1301  
00:54:08,210 --> 00:54:07,500  
so

1302  
00:54:10,250 --> 00:54:08,220  
um

1303  
00:54:12,770 --> 00:54:10,260  
how specific do you need to be able to

1304  
00:54:17,829 --> 00:54:15,890  
um well I think in this you know I would

1305  
00:54:21,230 --> 00:54:17,839  
certainly think in the districts of your

1306  
00:54:24,349 --> 00:54:21,240  
you wouldn't need to know your postcode

1307  
00:54:25,730 --> 00:54:24,359  
so if you were born in Yorkshire you

1308  
00:54:29,290 --> 00:54:25,740  
would be still

1309  
00:54:32,690 --> 00:54:29,300  
you know like like I was born in Leeds

1310  
00:54:52,569 --> 00:54:32,700  
can you share with me why you the thing

1311  
00:54:52,579 --> 00:55:03,670  
he was

1312  
00:55:09,290 --> 00:55:06,470  
there is so much of this goes on I'm

1313  
00:55:13,069 --> 00:55:09,300

sure like the gentleman earlier I'm sure

1314

00:55:14,150 --> 00:55:13,079

we are all weave together and I I would

1315

00:55:15,589 --> 00:55:14,160

imagine that that's going to happen

1316

00:55:17,450 --> 00:55:15,599

tomorrow but you wouldn't need as long

1317

00:55:20,690 --> 00:55:17,460

as you know the city that you were born

1318

00:55:21,950 --> 00:55:20,700

in because each City and every country

1319

00:55:29,370 --> 00:55:21,960

has got its own astrology and

1320

00:55:34,250 --> 00:55:31,490

[Music]

1321

00:55:35,690 --> 00:55:34,260

I think the colors are not they're not

1322

00:55:38,329 --> 00:55:35,700

so much important I think they just use

1323

00:55:41,270 --> 00:55:38,339

them to differentiate because like one

1324

00:55:43,609 --> 00:55:41,280

line like Venus obviously is linked to

1325

00:55:45,670 --> 00:55:43,619

love and relationships so I think they

1326

00:55:47,930 --> 00:55:45,680

just do it just so it's easier to

1327

00:55:49,430 --> 00:55:47,940

differentiate but the colors don't mean

1328

00:55:53,030 --> 00:55:49,440

anything

1329

00:55:54,829 --> 00:55:53,040

um but the symbols and and again

1330

00:55:56,089 --> 00:55:54,839

that's why you really look I would

1331

00:55:58,490 --> 00:55:56,099

encourage you to look at your birth

1332

00:56:00,410 --> 00:55:58,500

chart and find out because when Pam

1333

00:56:03,230 --> 00:56:00,420

Gregory or any astrology tells you about

1334

00:56:04,790 --> 00:56:03,240

what houses things are if you're in the

1335

00:56:06,650 --> 00:56:04,800

house of family

1336

00:56:08,150 --> 00:56:06,660

then that might mean something different

1337

00:56:11,210 --> 00:56:08,160

to you than it would for me because the

1338

00:56:13,069 --> 00:56:11,220

wheel is very different for everyone

1339

00:56:15,170 --> 00:56:13,079

because it is as you see it's it's

1340

00:56:17,690 --> 00:56:15,180

incredibly complex but the nerves of the

1341

00:56:20,089 --> 00:56:17,700

Moon those are the shortcut I would say

1342

00:56:22,549 --> 00:56:20,099

to really getting a handle on on what

1343

00:56:25,309 --> 00:56:22,559

you like as a person or your potential

1344

00:56:27,230 --> 00:56:25,319

which is what it is and I'm evidence of

1345

00:56:29,809 --> 00:56:27,240

that you know I mean I've always done

1346

00:56:32,450 --> 00:56:29,819

okay and I've always worked and I've you

1347

00:56:34,430 --> 00:56:32,460

know but it's like well Steve and Mark

1348

00:56:36,950 --> 00:56:34,440

will tell you it's like since I've been

1349

00:56:39,710 --> 00:56:36,960

here it's just gone off the scale

1350

00:56:41,690 --> 00:56:39,720

um what has happened to me since I've

1351  
00:56:44,109 --> 00:56:41,700  
he's almost like oh she's ready now you

1352  
00:56:46,970 --> 00:56:44,119  
know in your own time

1353  
00:56:49,190 --> 00:56:46,980  
that we lock it because the chart itself

1354  
00:56:52,309 --> 00:56:49,200  
I'm looking after I got quite stuff

1355  
00:56:55,370 --> 00:56:52,319  
where it said female male and they

1356  
00:56:57,470 --> 00:56:55,380  
so that's completely off of it you know

1357  
00:57:00,170 --> 00:56:57,480  
I'm thinking what are you identifying as

1358  
00:57:03,290 --> 00:57:00,180  
at the moment well I'm identifying as a

1359  
00:57:05,210 --> 00:57:03,300  
woman I got the parts but I I think yeah

1360  
00:57:06,470 --> 00:57:05,220  
exactly yeah I was going to say

1361  
00:57:08,450 --> 00:57:06,480  
something about a vagina then but I

1362  
00:57:12,410 --> 00:57:08,460  
decided not to no I didn't I don't want

1363  
00:57:14,510 --> 00:57:12,420

to upset people but then it asks me what

1364

00:57:16,309 --> 00:57:14,520

topics are you thinking about lately and

1365

00:57:19,010 --> 00:57:16,319

what I'm thinking about lately is not

1366

00:57:22,750 --> 00:57:19,020

even listed so I don't know what chart

1367

00:57:27,950 --> 00:57:25,309

it asks me what topics have you been

1368

00:57:29,950 --> 00:57:27,960

thinking recently Financial issues Korea

1369

00:57:32,870 --> 00:57:29,960

love Health

1370

00:57:36,349 --> 00:57:32,880

friendships I'm thinking about the

1371

00:57:38,030 --> 00:57:36,359

Corruptions oh well I don't know what if

1372

00:57:40,490 --> 00:57:38,040

it's Catholic astrology I haven't seen

1373

00:57:44,270 --> 00:57:40,500

that I've just gone into the South nerd

1374

00:57:44,280 --> 00:57:48,410

it's

1375

00:57:54,710 --> 00:57:51,890

um Cafe Astrology not Astro Cafe Cafe

1376

00:57:54,720 --> 00:57:57,890

see

1377

00:58:02,270 --> 00:58:00,109

so I'm just going to quickly I've got a

1378

00:58:03,710 --> 00:58:02,280

little highlights because again

1379

00:58:06,890 --> 00:58:03,720

um

1380

00:58:08,870 --> 00:58:06,900

but this is so my not that is in Virgo

1381

00:58:10,250 --> 00:58:08,880

gotta get real you know got to be a

1382

00:58:12,770 --> 00:58:10,260

little bit more

1383

00:58:14,930 --> 00:58:12,780

but it's in the ninth house so the North

1384

00:58:17,030 --> 00:58:14,940

Node is in the ninth house which means

1385

00:58:19,430 --> 00:58:17,040

my South node is in the third because

1386

00:58:21,190 --> 00:58:19,440

that always opposite like then the nose

1387

00:58:24,290 --> 00:58:21,200

themselves

1388

00:58:26,329 --> 00:58:24,300

now this isn't me saying this but I

1389

00:58:27,290 --> 00:58:26,339

didn't write this okay I could but I

1390

00:58:30,290 --> 00:58:27,300

didn't

1391

00:58:32,450 --> 00:58:30,300

your mind is sharp and maybe witty

1392

00:58:34,849 --> 00:58:32,460

you're likely to have acute powers of

1393

00:58:37,910 --> 00:58:34,859

observation and be a very social animal

1394

00:58:40,250 --> 00:58:37,920

always involved in people's lives now

1395

00:58:43,750 --> 00:58:40,260

that's generic but it's actually is

1396

00:58:48,589 --> 00:58:46,789

you are you need to become don't forget

1397

00:58:50,210 --> 00:58:48,599

you're going into the north now you need

1398

00:58:52,849 --> 00:58:50,220

to become a natural philosopher

1399

00:58:55,030 --> 00:58:52,859

Visionary with strong intuition and

1400

00:58:58,490 --> 00:58:55,040

almost an ability to see into the future

1401  
00:59:01,370 --> 00:58:58,500  
Always underpin by meaning that becomes

1402  
00:59:04,309 --> 00:59:01,380  
your own personal wisdom there will be a

1403  
00:59:05,930 --> 00:59:04,319  
natural writing Talent here and speaking

1404  
00:59:09,049 --> 00:59:05,940  
Talent

1405  
00:59:11,030 --> 00:59:09,059  
now I was saying to Johnny earlier and

1406  
00:59:12,950 --> 00:59:11,040  
Johnny and I have known each other on

1407  
00:59:15,349 --> 00:59:12,960  
and off for many years via comedy

1408  
00:59:16,490 --> 00:59:15,359  
actually isn't it Johnny

1409  
00:59:17,930 --> 00:59:16,500  
um

1410  
00:59:20,089 --> 00:59:17,940  
is that

1411  
00:59:21,609 --> 00:59:20,099  
when you look at your chart and the

1412  
00:59:23,750 --> 00:59:21,619  
nodes and particularly you get a chance

1413  
00:59:26,630 --> 00:59:23,760

it's quite freaky because you're

1414

00:59:29,089 --> 00:59:26,640

thinking how does how can this be

1415

00:59:31,910 --> 00:59:29,099

written down about me

1416

00:59:34,910 --> 00:59:31,920

and you know I have nothing to do with

1417

00:59:37,250 --> 00:59:34,920

it it's already there so it's a bit like

1418

00:59:39,589 --> 00:59:37,260

you know like in Westworld

1419

00:59:41,930 --> 00:59:39,599

where you kind of wake up and who knows

1420

00:59:44,569 --> 00:59:41,940

we could be in a simulation

1421

00:59:46,069 --> 00:59:44,579

um that you wake up and you realize that

1422

00:59:47,630 --> 00:59:46,079

this is a character we are all

1423

00:59:50,030 --> 00:59:47,640

archetypes

1424

00:59:52,609 --> 00:59:50,040

and but what we do need to do is we can

1425

00:59:54,530 --> 00:59:52,619

take back our power I think by using

1426

00:59:55,670 --> 00:59:54,540

these these a bit really like this is

1427

00:59:57,890 --> 00:59:55,680

ammunition

1428

01:00:00,530 --> 00:59:57,900

spiritual animation that's a better one

1429

01:00:02,930 --> 01:00:00,540

spiritual ammunition

1430

01:00:05,210 --> 01:00:02,940

if you know yourself in North Node and

1431

01:00:07,609 --> 01:00:05,220

again the astrophotography what I would

1432

01:00:09,109 --> 01:00:07,619

suggest is it might be just as some

1433

01:00:11,270 --> 01:00:09,119

simple as it you just might want to go

1434

01:00:13,370 --> 01:00:11,280

somewhere really cool on holiday what's

1435

01:00:14,569 --> 01:00:13,380

the best place where do you want to like

1436

01:00:17,030 --> 01:00:14,579

if you want to go on a spiritual journey

1437

01:00:19,190 --> 01:00:17,040

I went to South America because of a

1438

01:00:20,690 --> 01:00:19,200

load of coincidences I didn't know at

1439

01:00:21,829 --> 01:00:20,700

the time it was an astrophotography

1440

01:00:27,330 --> 01:00:21,839

thing

1441

01:00:27,340 --> 01:00:32,049

[Music]

1442

01:00:32,059 --> 01:00:35,930

as far as I know

1443

01:00:40,190 --> 01:00:38,210

um I mean I know they keep changing

1444

01:00:42,950 --> 01:00:40,200

things don't they like

1445

01:00:45,049 --> 01:00:42,960

it but again I don't I think it's not so

1446

01:00:46,990 --> 01:00:45,059

much what it's not so much what they're

1447

01:00:49,370 --> 01:00:47,000

called it's what they represent

1448

01:00:51,650 --> 01:00:49,380

historically and and the influence they

1449

01:00:53,750 --> 01:00:51,660

have because they all in everything

1450

01:00:56,030 --> 01:00:53,760

influences we're all little planets

1451  
01:00:58,190 --> 01:00:56,040  
we're all smashed from Stars aren't we

1452  
01:01:00,890 --> 01:00:58,200  
we're just all

1453  
01:01:03,470 --> 01:01:00,900  
made and literally Stardust

1454  
01:01:05,809 --> 01:01:03,480  
so I think you know we have to be

1455  
01:01:06,890 --> 01:01:05,819  
mindful that we are we are parts of the

1456  
01:01:08,930 --> 01:01:06,900  
universe

1457  
01:01:11,510 --> 01:01:08,940  
and the people who are in power have use

1458  
01:01:13,190 --> 01:01:11,520  
all of these things these tools

1459  
01:01:14,329 --> 01:01:13,200  
you know we shouldn't really be letting

1460  
01:01:17,030 --> 01:01:14,339  
them get away with it shouldn't they

1461  
01:01:19,730 --> 01:01:17,040  
they should be

1462  
01:01:21,589 --> 01:01:19,740  
you know and the thing is we are very

1463  
01:01:23,289 --> 01:01:21,599

very powerful

1464

01:01:25,549 --> 01:01:23,299

you know

1465

01:01:27,710 --> 01:01:25,559

that's the difference isn't it people

1466

01:01:29,690 --> 01:01:27,720

aren't standing in the power yeah but

1467

01:01:31,490 --> 01:01:29,700

you can begin you can't you can't make

1468

01:01:33,530 --> 01:01:31,500

this is a I've got a short answer this

1469

01:01:35,510 --> 01:01:33,540

the reason why there's so much trouble

1470

01:01:39,250 --> 01:01:35,520

in our lives and in the world is that

1471

01:01:43,430 --> 01:01:41,270

that's it

1472

01:01:45,650 --> 01:01:43,440

right well any more questions anybody

1473

01:01:53,890 --> 01:01:45,660

want me to

1474

01:01:59,450 --> 01:01:56,510

it's just a bit like

1475

01:02:02,450 --> 01:01:59,460

um it's like well they're already there

1476

01:02:04,250 --> 01:02:02,460

it's a bit like the Ley lines it's like

1477

01:02:05,690 --> 01:02:04,260

they're energetic lines and it's a bit

1478

01:02:08,870 --> 01:02:05,700

like a grid on the map

1479

01:02:11,870 --> 01:02:08,880

this is an astrological system that's

1480

01:02:13,190 --> 01:02:11,880

been in in use for years so it's just

1481

01:02:16,549 --> 01:02:13,200

generated

1482

01:02:18,049 --> 01:02:16,559

so a bit like a map would be it's to do

1483

01:02:19,789 --> 01:02:18,059

with your longitude and latitude and

1484

01:02:21,829 --> 01:02:19,799

your time of birth and then it just goes

1485

01:02:24,289 --> 01:02:21,839

out I mean some people would be very

1486

01:02:26,569 --> 01:02:24,299

similar and you might never go to he

1487

01:02:28,010 --> 01:02:26,579

said to me the guy on Marcus Mason said

1488

01:02:28,910 --> 01:02:28,020

have you ever wanted to go to India and

1489

01:02:31,069 --> 01:02:28,920

I said

1490

01:02:32,329 --> 01:02:31,079

you know I like the summer I did you

1491

01:02:33,730 --> 01:02:32,339

know some of it looks lovely like you

1492

01:02:35,990 --> 01:02:33,740

know the um

1493

01:02:38,690 --> 01:02:36,000

Marigold Hotel

1494

01:02:41,630 --> 01:02:38,700

that looks nice mother Curry lived in

1495

01:02:44,210 --> 01:02:41,640

Birmingham love all that but I don't

1496

01:02:46,370 --> 01:02:44,220

like the if it's too frenetic for me

1497

01:02:48,109 --> 01:02:46,380

it's too chaotic

1498

01:02:49,849 --> 01:02:48,119

I mean I love the color I think out in

1499

01:02:51,710 --> 01:02:49,859

the country and he said well I'm telling

1500

01:02:54,650 --> 01:02:51,720

you that he said because that is not a

1501

01:02:58,789 --> 01:02:56,329

so she could go I said but you might

1502

01:03:00,829 --> 01:02:58,799

like pan that you know in the book she

1503

01:03:03,410 --> 01:03:00,839

gives great examples of where things

1504

01:03:05,329 --> 01:03:03,420

have gone badly wrong because they

1505

01:03:07,190 --> 01:03:05,339

weren't astrologically with all the

1506

01:03:08,450 --> 01:03:07,200

symbols and their planets it wasn't a

1507

01:03:10,069 --> 01:03:08,460

good place for them

1508

01:03:11,750 --> 01:03:10,079

it's the same with the job you'd usually

1509

01:03:14,329 --> 01:03:11,760

know you usually know when things are

1510

01:03:18,970 --> 01:03:14,339

not good you just know don't you just

1511

01:03:25,010 --> 01:03:21,829

s were controlling

1512

01:03:27,829 --> 01:03:25,020

the system they all because it's only

1513

01:03:29,390 --> 01:03:27,839

I'm a recent convert to astrology I

1514

01:03:31,010 --> 01:03:29,400

always thought it was a bit warm for me

1515

01:03:33,349 --> 01:03:31,020

and I just was like but what do you

1516

01:03:35,690 --> 01:03:33,359

really look into it people who pull in

1517

01:03:39,410 --> 01:03:35,700

the strings they all use it all of them

1518

01:03:42,109 --> 01:03:39,420

every single one of them yeah

1519

01:03:44,870 --> 01:03:42,119

well well Mark as well on Steve yeah

1520

01:03:47,030 --> 01:03:44,880

they all use it and Market particularly

1521

01:03:50,150 --> 01:03:47,040

you know it's working here it's like if

1522

01:03:51,950 --> 01:03:50,160

you look from above at all the buildings

1523

01:03:53,750 --> 01:03:51,960

which we probably you know that's

1524

01:03:55,910 --> 01:03:53,760

another time but you know like tartaria

1525

01:03:57,589 --> 01:03:55,920

and the mud floods and the buildings

1526

01:04:00,109 --> 01:03:57,599

where they're very I mean even as a kid

1527

01:04:02,930 --> 01:04:00,119

I was like why are their doors so big we

1528

01:04:05,089 --> 01:04:02,940

don't need doors that beep there's been

1529

01:04:08,630 --> 01:04:05,099

other beings here and a lot has been

1530

01:04:11,089 --> 01:04:08,640

hidden our history has been as nonsense

1531

01:04:12,890 --> 01:04:11,099

yeah absolutely

1532

01:04:14,630 --> 01:04:12,900

um and it's going to be very exciting I

1533

01:04:16,370 --> 01:04:14,640

think and and like Steve said he's like

1534

01:04:17,630 --> 01:04:16,380

you know she knows a lot about psycho

1535

01:04:19,609 --> 01:04:17,640

geography

1536

01:04:22,430 --> 01:04:19,619

you know energy you know you're going

1537

01:04:25,190 --> 01:04:22,440

I'm sure you know you go into places you

1538

01:04:27,170 --> 01:04:25,200

just know when something's off

1539

01:04:29,569 --> 01:04:27,180

in the same way as like since I've been

1540

01:04:33,170 --> 01:04:29,579

here I was saying to the the group down

1541

01:04:35,809 --> 01:04:33,180

here and the lady with the yellow

1542

01:04:39,710 --> 01:04:35,819

um puffer jacket is that since I've been

1543

01:04:41,450 --> 01:04:39,720

here I physically feel lighter

1544

01:04:43,370 --> 01:04:41,460

you know I just feel different

1545

01:04:46,490 --> 01:04:43,380

energetically now when I was in

1546

01:04:48,049 --> 01:04:46,500

Yorkshire you know I was okay but when

1547

01:04:50,150 --> 01:04:48,059

you've lived somewhere and then you come

1548

01:04:52,910 --> 01:04:50,160

back even different to Barry and Cardiff

1549

01:04:54,049 --> 01:04:52,920

I I feel like I'm walking on a different

1550

01:04:56,329 --> 01:04:54,059

Earth

1551  
01:04:59,340 --> 01:04:56,339  
because energetically I'm in a really

1552  
01:05:00,470 --> 01:04:59,350  
good place for my future Destiny so

1553  
01:05:03,890 --> 01:05:00,480  
[Music]

1554  
01:05:05,990 --> 01:05:03,900  
you're at home yeah and it's being said

1555  
01:05:09,049 --> 01:05:06,000  
to me hasn't it Steve somebody said they

1556  
01:05:13,130 --> 01:05:09,059  
recognize me from a previous life

1557  
01:05:14,630 --> 01:05:13,140  
you know and I never met them before

1558  
01:05:16,910 --> 01:05:14,640  
other lines

1559  
01:05:19,609 --> 01:05:16,920  
coming from from the

1560  
01:05:22,789 --> 01:05:19,619  
if I'm waiting for it yeah and obviously

1561  
01:05:25,569 --> 01:05:23,450  
um

1562  
01:05:29,109 --> 01:05:25,579  
and some of you that might represent

1563  
01:05:32,030 --> 01:05:29,119

Forest View yeah yeah

1564

01:05:34,789 --> 01:05:32,040

and the the lighter lines is the plane

1565

01:05:37,609 --> 01:05:34,799

of inertia so I think I think those

1566

01:05:39,730 --> 01:05:37,619

lines of degrees oh the star size of the

1567

01:05:43,430 --> 01:05:39,740

celestial movement yeah that's exactly

1568

01:05:46,010 --> 01:05:43,440

yeah they shift and move to the energy

1569

01:05:50,450 --> 01:05:46,020

of the stars and to themselves and

1570

01:05:51,650 --> 01:05:50,460

it's all really intricate very much so I

1571

01:05:55,190 --> 01:05:51,660

think that's Redshirt blue shirt and

1572

01:05:56,329 --> 01:05:55,200

within which all the star signs yeah I

1573

01:05:58,970 --> 01:05:56,339

remember it's just blue on the top

1574

01:06:00,530 --> 01:05:58,980

because that's your Chrome shot yeah and

1575

01:06:02,990 --> 01:06:00,540

it's red in the bottom so we'll leave

1576

01:06:04,430 --> 01:06:03,000

star says the bottom

1577

01:06:07,430 --> 01:06:04,440

um it's like

1578

01:06:08,930 --> 01:06:07,440

um Masonic orders yeah yeah the

1579

01:06:11,210 --> 01:06:08,940

different names

1580

01:06:13,730 --> 01:06:11,220

um only one large would be at the top of

1581

01:06:16,270 --> 01:06:13,740

blue shift and it'll just and the

1582

01:06:20,690 --> 01:06:16,280

different degrees will come down below

1583

01:06:22,370 --> 01:06:20,700

and members will all take

1584

01:06:26,450 --> 01:06:22,380

um identification as different degrees

1585

01:06:29,150 --> 01:06:26,460

so one might be a 18 degree or 20 degree

1586

01:06:32,650 --> 01:06:29,160

and it'll be a different part of that

1587

01:06:34,549 --> 01:06:32,660

astrological yeah so I think it was Liza

1588

01:06:36,529 --> 01:06:34,559

when you look at them because you know

1589

01:06:38,750 --> 01:06:36,539

that it's already also they all it will

1590

01:06:41,029 --> 01:06:38,760

be here because we are that's the thing

1591

01:06:44,270 --> 01:06:41,039

we you know I think exactly that much

1592

01:06:46,069 --> 01:06:44,280

yeah absolutely I just wanted to bring

1593

01:06:48,710 --> 01:06:46,079

in which is this is the mark and Steve

1594

01:06:50,089 --> 01:06:48,720

but we were talking about Bigfoot it's

1595

01:06:51,589 --> 01:06:50,099

one of our things that we like to talk

1596

01:06:54,289 --> 01:06:51,599

about Bigfoot and

1597

01:06:55,609 --> 01:06:54,299

and uh so you know we were having a

1598

01:06:57,410 --> 01:06:55,619

discussion and you know there's a lot of

1599

01:06:59,690 --> 01:06:57,420

that and I suspect they'll be coming out

1600

01:07:01,089 --> 01:06:59,700

as well I have to need one one day might

1601  
01:07:05,890 --> 01:07:01,099  
even cut off

1602  
01:07:12,049 --> 01:07:09,190  
wow that's great

1603  
01:07:14,630 --> 01:07:12,059  
because of what we taught yeah because

1604  
01:07:16,309 --> 01:07:14,640  
it's only in one area and then you think

1605  
01:07:18,710 --> 01:07:16,319  
why are they saying that when they're in

1606  
01:07:20,750 --> 01:07:18,720  
like Scotland yeah they're everywhere

1607  
01:07:22,789 --> 01:07:20,760  
they've been they're in all over the

1608  
01:07:25,849 --> 01:07:22,799  
world and they've always been seen from

1609  
01:07:30,950 --> 01:07:27,130  
yes

1610  
01:07:32,930 --> 01:07:30,960  
so we've been talking about them and I

1611  
01:07:34,730 --> 01:07:32,940  
went down into to Swansea so when I was

1612  
01:07:37,069 --> 01:07:34,740  
living in um Richmond

1613  
01:07:39,770 --> 01:07:37,079

uh Terrace and I thought oh you know

1614

01:07:41,930 --> 01:07:39,780

what I'm gonna treat myself to the 14

1615

01:07:43,430 --> 01:07:41,940

times because I haven't I used to get it

1616

01:07:46,250 --> 01:07:43,440

when I was younger and I thought oh you

1617

01:07:47,569 --> 01:07:46,260

know just and you know is it monthly I

1618

01:07:49,069 --> 01:07:47,579

don't think it never used to be monthly

1619

01:07:51,829 --> 01:07:49,079

I don't think but anyway I thought you

1620

01:07:54,349 --> 01:07:51,839

know what I'm going to just treat myself

1621

01:07:56,510 --> 01:07:54,359

because I was going to whsmiths so I

1622

01:07:58,370 --> 01:07:56,520

thought I'm definitely gonna so when I

1623

01:08:00,710 --> 01:07:58,380

so well literally the day before we've

1624

01:08:03,490 --> 01:08:00,720

been talking about it and this was on

1625

01:08:07,730 --> 01:08:05,750

now I didn't know that it was going to

1626

01:08:09,410 --> 01:08:07,740

be Bigfoot but because of our Lives of

1627

01:08:11,870 --> 01:08:09,420

circle I was like of course it's Bigfoot

1628

01:08:15,710 --> 01:08:11,880

why wouldn't it be Bigfoot of course it

1629

01:08:17,209 --> 01:08:15,720

would be but here's the really thing so

1630

01:08:21,950 --> 01:08:17,219

you know it's really cool it's very

1631

01:08:26,749 --> 01:08:24,470

I know that you can't see this but at

1632

01:08:28,970 --> 01:08:26,759

the back of it was a photograph

1633

01:08:31,669 --> 01:08:28,980

of like it looks like a spaceship but

1634

01:08:34,130 --> 01:08:31,679

it's not it's you can see it it's just a

1635

01:08:36,829 --> 01:08:34,140

like a weather well it looks like a

1636

01:08:38,030 --> 01:08:36,839

weather thing but it's a photograph

1637

01:08:40,030 --> 01:08:38,040

um you know so you look at it because

1638

01:08:41,650 --> 01:08:40,040

it's a photograph

1639

01:08:44,990 --> 01:08:41,660

and

1640

01:08:45,000 --> 01:08:48,050

Stanley

1641

01:08:52,970 --> 01:08:51,110

bought this in Swansea I haven't bought

1642

01:08:54,950 --> 01:08:52,980

this for years

1643

01:08:57,470 --> 01:08:54,960

I took this picture of a rainbow

1644

01:09:02,030 --> 01:08:57,480

yesterday evening from the thatched

1645

01:09:04,309 --> 01:09:02,040

House Pub in Stanley Wakefield Yorkshire

1646

01:09:05,510 --> 01:09:04,319

that was my Pub for three and a half

1647

01:09:07,550 --> 01:09:05,520

years

1648

01:09:10,610 --> 01:09:07,560

that was five minutes from where I used

1649

01:09:11,990 --> 01:09:10,620

to live my stepmother and my dad met

1650

01:09:13,430 --> 01:09:12,000

there

1651  
01:09:14,930 --> 01:09:13,440  
because they were both taking driving

1652  
01:09:15,950 --> 01:09:14,940  
lessons gotta get some more driving

1653  
01:09:18,650 --> 01:09:15,960  
license

1654  
01:09:21,169 --> 01:09:18,660  
and they met there and they they fell in

1655  
01:09:22,970 --> 01:09:21,179  
love and that's where my stepmother and

1656  
01:09:25,010 --> 01:09:22,980  
my father both had their wake and I was

1657  
01:09:26,990 --> 01:09:25,020  
there with Stephen rug again I was there

1658  
01:09:30,169 --> 01:09:27,000  
all the time I've all I mean they've all

1659  
01:09:33,110 --> 01:09:30,179  
the bloody pubs and I knew the guy in

1660  
01:09:35,689 --> 01:09:33,120  
the pub who took the photograph

1661  
01:09:38,890 --> 01:09:35,699  
so there's some very something very

1662  
01:09:42,229 --> 01:09:38,900  
wacky going on and I just looked forward

1663  
01:09:45,709 --> 01:09:42,239

to being in Swansea and getting to know

1664

01:09:48,829 --> 01:09:45,719

all of you and I hope to you know share

1665

01:09:50,870 --> 01:09:48,839

and with my friends who trust me have

1666

01:09:53,809 --> 01:09:50,880

led even more interesting lives than me

1667

01:09:56,510 --> 01:09:53,819

in regards to coincidences and uh I was

1668

01:09:59,810 --> 01:09:56,520

saying actually that maybe we should

1669

01:10:03,050 --> 01:09:59,820

have a coincidence like Steve was saying

1670

01:10:04,490 --> 01:10:03,060

because I bet you we've all got the old

1671

01:10:06,470 --> 01:10:04,500

crisscross

1672

01:10:09,530 --> 01:10:06,480

and there's actually a thing isn't this

1673

01:10:10,910 --> 01:10:09,540

even The Coincidence project it's a new

1674

01:10:13,070 --> 01:10:10,920

thing that's going to be starting next

1675

01:10:17,330 --> 01:10:13,080

month it's Global it's a guy who wrote a

1676

01:10:22,310 --> 01:10:19,370

well you see this is a thing nothing's

1677

01:10:24,050 --> 01:10:22,320

impossible in the content world there's

1678

01:10:28,070 --> 01:10:24,060

no such thing as impossible everything

1679

01:10:33,070 --> 01:10:30,530

we look at the mathematicians they will

1680

01:10:35,689 --> 01:10:33,080

say coincidence

1681

01:10:37,970 --> 01:10:35,699

yeah yeah exactly and the guy who's

1682

01:10:41,450 --> 01:10:37,980

running the coincidence project

1683

01:10:43,970 --> 01:10:41,460

is a you know is a scientist but he kept

1684

01:10:47,390 --> 01:10:43,980

having them so he's made it kind of more

1685

01:10:55,750 --> 01:10:49,729

yeah

1686

01:11:00,770 --> 01:10:58,550

exactly and I forgot what it's called

1687

01:11:01,729 --> 01:11:00,780

now and I've got the bloody book but I

1688

01:11:04,490 --> 01:11:01,739

think it's called meaningful

1689

01:11:07,130 --> 01:11:04,500

coincidences but he talks about it from

1690

01:11:09,110 --> 01:11:07,140

every angle about the statistics

1691

01:11:11,209 --> 01:11:09,120

that you know like we know with a monkey

1692

01:11:13,490 --> 01:11:11,219

that they could paint a Rembrandt if

1693

01:11:16,250 --> 01:11:13,500

there was enough time

1694

01:11:18,410 --> 01:11:16,260

and I need that monkey as a pet so can

1695

01:11:20,709 --> 01:11:18,420

you read by then as I I don't quite

1696

01:11:24,770 --> 01:11:20,719

understand it it says

1697

01:11:28,550 --> 01:11:24,780

it says 51 percent

1698

01:11:31,370 --> 01:11:28,560

North 37 yeah it's not so much to do

1699

01:11:34,430 --> 01:11:31,380

with the degrees on the astrophotography

1700

01:11:37,130 --> 01:11:34,440

map you just want to know what it you

1701

01:11:39,050 --> 01:11:37,140

just want to know what the signs are so

1702

01:11:41,750 --> 01:11:39,060

you're looking to

1703

01:11:44,270 --> 01:11:41,760

what is it in like mines in Virgo nav

1704

01:11:47,810 --> 01:11:44,280

node South nerd Pisces you're looking

1705

01:11:49,070 --> 01:11:47,820

for two coordinates for the nodes I'll

1706

01:11:50,990 --> 01:11:49,080

come and see you after I'll see you

1707

01:11:52,729 --> 01:11:51,000

after class okay

1708

01:11:59,590 --> 01:11:52,739

I'll see you after class I might have to

1709

01:12:03,649 --> 01:12:02,030

heard me I would never say that that

1710

01:12:05,330 --> 01:12:03,659

would be inappropriate

1711

01:12:07,550 --> 01:12:05,340

so what kind of a woman do you think I

1712

01:12:12,530 --> 01:12:08,950

dead yes

1713

01:12:14,149 --> 01:12:12,540

tomorrow I'm sorry you see you've got a

1714

01:12:18,169 --> 01:12:14,159

service tomorrow yeah I'm doing a

1715

01:12:24,950 --> 01:12:21,169

yes Ken Morris

1716

01:12:26,110 --> 01:12:24,960

of course of course yeah he was a very

1717

01:12:30,850 --> 01:12:26,120

good friend of mine

1718

01:12:34,010 --> 01:12:30,860

so and we shared birthdays

1719

01:12:42,830 --> 01:12:34,020

sorry I didn't mean to say [h\_\_h] I meant

1720

01:12:46,850 --> 01:12:44,330

it's not appropriate for me to talk

1721

01:12:49,810 --> 01:12:46,860

about funerals because it's private but

1722

01:12:52,070 --> 01:12:49,820

I'll see you at the funeral

1723

01:12:55,610 --> 01:12:52,080

I'll give you a shout out Emily I'm

1724

01:12:58,070 --> 01:12:55,620

kidding since 1983. yeah because He

1725

01:13:00,790 --> 01:12:58,080

restored the um Swansea train the

1726

01:13:02,689 --> 01:13:00,800

mumbles train didn't it

1727

01:13:04,250 --> 01:13:02,699

Andy how

1728

01:13:06,050 --> 01:13:04,260

that's

1729

01:13:07,850 --> 01:13:06,060

oh it's supposed to be available yeah

1730

01:13:09,950 --> 01:13:07,860

yeah that's right and I worked in the

1731

01:13:11,020 --> 01:13:09,960

museum my name is he was an attendant in

1732

01:13:12,350 --> 01:13:11,030

the museum wasn't he

1733

01:13:15,970 --> 01:13:12,360

[Music]

1734

01:13:21,110 --> 01:13:19,370

and I think I'm done don't you really

1735

01:13:24,169 --> 01:13:21,120

um so thank you so much for being so

1736

01:13:25,669 --> 01:13:24,179

patient and kind and uh letting me stand

1737

01:13:28,790 --> 01:13:25,679

up here in my bed sites that I found

1738

01:13:30,229 --> 01:13:28,800

this afternoon in a box that I didn't

1739

01:13:32,570 --> 01:13:30,239

even know I had

1740

01:13:34,910 --> 01:13:32,580

and uh yeah I look forward to hearing

1741

01:13:36,290 --> 01:13:34,920

about you know you know the coincidence

1742

01:13:38,390 --> 01:13:36,300

and I'll definitely think we should do

1743

01:13:40,490 --> 01:13:38,400

something about that and uh I'll tell

1744

01:13:44,510 --> 01:13:40,500

you Steve should write a book about this

1745

01:13:48,890 --> 01:13:47,090

so that is crazy so yeah I don't know if

1746

01:13:51,530 --> 01:13:48,900

you hear that I'm doing the funeral that

1747

01:13:54,590 --> 01:13:51,540

emlin's attending tomorrow

1748

01:13:58,209 --> 01:13:54,600

coincidence what a coincidence

1749

01:13:59,930 --> 01:13:58,219

I think it should do in my nose actually
