

1
00:00:12,890 --> 00:00:11,330
now tonight promises to be a very

2
00:00:16,010 --> 00:00:12,900
interesting meeting as we welcome

3
00:00:19,550 --> 00:00:16,020
tonight's guest Julie Phelps now Julie

4
00:00:21,650 --> 00:00:19,560
has a background in Psychology being a

5
00:00:24,109 --> 00:00:21,660
former mental health worker and also

6
00:00:25,970 --> 00:00:24,119
military background

7
00:00:29,769 --> 00:00:25,980
um haven't been an RAF mechanical

8
00:00:37,310 --> 00:00:32,510
she's been an operative for the SSP

9
00:00:41,330 --> 00:00:40,069
yeah it's a secret Space Program let me

10
00:00:43,670 --> 00:00:41,340
tell you a bit about that and I don't

11
00:00:45,709 --> 00:00:43,680
know her interest is also extended to

12
00:00:47,150 --> 00:00:45,719
the world of the faith which I know will

13
00:00:48,369 --> 00:00:47,160

interest some of our members here

14

00:00:50,690 --> 00:00:48,379

tonight

15

00:00:53,330 --> 00:00:50,700

she may also do you understand a little

16

00:00:57,229 --> 00:00:55,310

um which at least she has some interest

17

00:01:00,110 --> 00:00:57,239

in maybe she will tell you maybe she

18

00:01:02,029 --> 00:01:00,120

won't I don't know however what pertains

19

00:01:04,009 --> 00:01:02,039

to tonight's talk is that like a few of

20

00:01:05,690 --> 00:01:04,019

our members she does possess psychic

21

00:01:09,050 --> 00:01:05,700

abilities

22

00:01:10,690 --> 00:01:09,060

and she's an experiencer of contact with

23

00:01:13,030 --> 00:01:10,700

an abduction by internet

24

00:01:16,130 --> 00:01:13,040

interdimensional extraterrestrial

25

00:01:18,109 --> 00:01:16,140

beings so those of you who have any

26

00:01:20,030 --> 00:01:18,119

questions about alien abductions tonight

27

00:01:22,670 --> 00:01:20,040

May provide you with a few answers to

28

00:01:25,609 --> 00:01:22,680

those questions so please put your hands

29

00:01:33,530 --> 00:01:25,619

together give us warm super welcome to

30

00:01:33,540 --> 00:01:39,190

foreign

31

00:01:45,950 --> 00:01:41,950

it's lovely to see you all here tonight

32

00:01:48,289 --> 00:01:45,960

uh I'm going to be going through uh

33

00:01:49,670 --> 00:01:48,299

first of all a bit of a background and

34

00:01:52,730 --> 00:01:49,680

then going through more of my

35

00:01:55,789 --> 00:01:52,740

experiences and then the deeper level of

36

00:01:58,130 --> 00:01:55,799

things because a lot of people talk

37

00:02:01,789 --> 00:01:58,140

about contact

38

00:02:04,310 --> 00:02:01,799

or being abducted but then they don't go

39

00:02:07,190 --> 00:02:04,320

further of the perspective of the ETS

40

00:02:11,630 --> 00:02:07,200

themselves or the other beings how their

41

00:02:13,790 --> 00:02:11,640

culture exists how they view and their

42

00:02:15,790 --> 00:02:13,800

perception of things which can differ

43

00:02:19,550 --> 00:02:15,800

from human beings

44

00:02:21,790 --> 00:02:19,560

so there's like uh this positive and not

45

00:02:23,570 --> 00:02:21,800

so positive extra

46

00:02:27,589 --> 00:02:23,580

extraterrestrials and into the

47

00:02:29,690 --> 00:02:27,599

dimensional beings and so it's it's like

48

00:02:31,610 --> 00:02:29,700

driving things forward a little bit from

49

00:02:33,410 --> 00:02:31,620

what we generally hear about I just

50

00:02:35,210 --> 00:02:33,420

thought it'd be a good idea to learn a

51
00:02:36,290 --> 00:02:35,220
bit more and that is a learning process

52
00:02:39,589 --> 00:02:36,300
for me

53
00:02:42,589 --> 00:02:39,599
because it's ongoing it does it's not

54
00:02:46,729 --> 00:02:42,599
static and I don't know when things have

55
00:02:48,350 --> 00:02:46,739
fun but you know uh I have communication

56
00:02:50,509 --> 00:02:48,360
with more and more different means and

57
00:02:53,869 --> 00:02:50,519
as you step forward

58
00:02:57,350 --> 00:02:53,879
tends to be that more expands and you

59
00:02:59,809 --> 00:02:57,360
end up meeting more beings and

60
00:03:02,509 --> 00:02:59,819
do tests to test you but I'll go I'll go

61
00:03:03,470 --> 00:03:02,519
a bit further into that as I get home

62
00:03:06,410 --> 00:03:03,480
um

63
00:03:08,630 --> 00:03:06,420

so the first bit I don't know can we

64

00:03:12,850 --> 00:03:08,640

turn the lights down a little bit or not

65

00:03:15,229 --> 00:03:12,860

or yeah I'm gonna do it now all right

66

00:03:16,850 --> 00:03:15,239

well it's just it's easier to see the

67

00:03:19,490 --> 00:03:16,860

screen then

68

00:03:22,550 --> 00:03:19,500

um but as you see here the top image

69

00:03:25,729 --> 00:03:22,560

there that was an image I created so

70

00:03:29,330 --> 00:03:25,739

it's Alpha to Amiga so beginning to the

71

00:03:33,589 --> 00:03:29,340

end and then the background is like from

72

00:03:35,990 --> 00:03:33,599

The Matrix so after to me to Amiga

73

00:03:39,170 --> 00:03:36,000

Beyond The Matrix is basically that

74

00:03:41,270 --> 00:03:39,180

image that's what it represents and as I

75

00:03:44,809 --> 00:03:41,280

said I'm looking at the different

76

00:03:47,809 --> 00:03:44,819

cultures and beings and societies

77

00:03:51,649 --> 00:03:47,819

um and show my own experiences right if

78

00:03:56,390 --> 00:03:54,170

right my background the image on the

79

00:03:58,789 --> 00:03:56,400

left is me in when I was younger in a

80

00:03:59,990 --> 00:03:58,799

flying suit actually just before I was

81

00:04:01,970 --> 00:04:00,000

going up in the weather ship a

82

00:04:04,250 --> 00:04:01,980

weathership is like the first flight in

83

00:04:06,050 --> 00:04:04,260

the morning and the area if you can

84

00:04:10,190 --> 00:04:06,060

volunteer to go on it so I wasn't a

85

00:04:12,009 --> 00:04:10,200

pilot as such in a normal Air Force

86

00:04:14,630 --> 00:04:12,019

um but I was an aircraft mechanic

87

00:04:16,009 --> 00:04:14,640

propulsion which aircraft engines one of

88

00:04:18,229 --> 00:04:16,019

the very few actually at that time

89

00:04:19,310 --> 00:04:18,239

there's only 13 women in the whole

90

00:04:22,069 --> 00:04:19,320

country

91

00:04:25,909 --> 00:04:22,079

and at that time

92

00:04:29,210 --> 00:04:25,919

um I went I just got like told like an

93

00:04:31,610 --> 00:04:29,220

image to go to the Recruitment and this

94

00:04:33,050 --> 00:04:31,620

was linked to the Illuminati now I could

95

00:04:34,850 --> 00:04:33,060

go into great detail about the

96

00:04:36,170 --> 00:04:34,860

Illuminati but maybe I'll do that a bit

97

00:04:38,930 --> 00:04:36,180

later

98

00:04:41,090 --> 00:04:38,940

uh I prefer to focus on what I want to

99

00:04:44,030 --> 00:04:41,100

do about the beans first but I'll be

100

00:04:44,870 --> 00:04:44,040

open to questions later as well

101

00:04:47,450 --> 00:04:44,880

um

102

00:04:49,730 --> 00:04:47,460

right in the middle but it's a memory of

103

00:04:52,070 --> 00:04:49,740

one of the aircraft I was working on

104

00:04:55,370 --> 00:04:52,080

it was very similar to that one and that

105

00:04:58,909 --> 00:04:55,380

was in the 1980s I was working on that

106

00:05:02,330 --> 00:04:58,919

sort of aircraft and what they used was

107

00:05:05,210 --> 00:05:02,340

screen memories of me doing

108

00:05:07,370 --> 00:05:05,220

um guard Duty so I was the only one on

109

00:05:09,170 --> 00:05:07,380

the base who was doing a weak scar duty

110

00:05:10,969 --> 00:05:09,180

every three weeks and I was like how am

111

00:05:13,249 --> 00:05:10,979

I doing a week's guard duty every three

112

00:05:17,689 --> 00:05:13,259

weeks and it was like a vague memory of

113

00:05:20,810 --> 00:05:17,699

what was happening but then after

114

00:05:23,990 --> 00:05:20,820

um I went for deprogramming with Simon

115

00:05:26,689 --> 00:05:24,000

parks and also a group of others they

116

00:05:29,990 --> 00:05:26,699

helped me regain my memories to what had

117

00:05:32,930 --> 00:05:30,000

occurred so I'd had screen memories of

118

00:05:36,529 --> 00:05:32,940

vague our duty which would last 12 hours

119

00:05:40,010 --> 00:05:36,539

but on the retriever of these memories I

120

00:05:44,090 --> 00:05:40,020

was taken in the old green canvas trucks

121

00:05:47,090 --> 00:05:44,100

the old army trucks to a base where we

122

00:05:49,129 --> 00:05:47,100

were working on Advanced craft

123

00:05:51,110 --> 00:05:49,139

there were experimental crafts so

124

00:05:52,550 --> 00:05:51,120

there's various different sorts some of

125

00:05:56,950 --> 00:05:52,560

them were like

126

00:06:00,770 --> 00:05:56,960

a v-shape kind of quite a narrow V shape

127

00:06:02,749 --> 00:06:00,780

uh one was like this we didn't really

128

00:06:06,170 --> 00:06:02,759

work on saucer shapes they didn't really

129

00:06:08,090 --> 00:06:06,180

work on those at that in that actual

130

00:06:11,990 --> 00:06:08,100

place I mean they look they were working

131

00:06:15,170 --> 00:06:12,000

all different types anyway but it's not

132

00:06:18,950 --> 00:06:15,180

just me a lot of people are finding the

133

00:06:21,230 --> 00:06:18,960

breaking the Mind Control now it wasn't

134

00:06:25,610 --> 00:06:21,240

just Sam parks and the other group that

135

00:06:30,469 --> 00:06:25,620

helped me for about I was in Canada and

136

00:06:32,689 --> 00:06:30,479

for about 2016 it started I started to

137

00:06:35,090 --> 00:06:32,699

find myself at the back patio doors

138

00:06:37,850 --> 00:06:35,100

every morning about three o'clock and

139

00:06:39,110 --> 00:06:37,860

there was a craft outside and this I've

140

00:06:42,050 --> 00:06:39,120

got a picture of it so I've got

141

00:06:44,870 --> 00:06:42,060

photographs and I'll show you that in a

142

00:06:48,110 --> 00:06:44,880

bit so

143

00:06:51,230 --> 00:06:48,120

uh another picture here is they didn't

144

00:06:54,409 --> 00:06:51,240

use the Illuminati used me as a what

145

00:06:56,629 --> 00:06:54,419

they call a Medusa asset I'd been

146

00:06:58,790 --> 00:06:56,639

initiated into the Illuminati from a

147

00:07:02,029 --> 00:06:58,800

young age from about nine years old

148

00:07:04,490 --> 00:07:02,039

through trauma-based mind control

149

00:07:08,809 --> 00:07:04,500

and it wasn't until later on they

150

00:07:12,529 --> 00:07:08,819

started to use me and they used me as uh

151
00:07:15,890 --> 00:07:12,539
very briefly as as Espionage in in that

152
00:07:17,809 --> 00:07:15,900
field but not too much of that also as a

153
00:07:20,650 --> 00:07:17,819
beta sex slave but that didn't happen

154
00:07:23,029 --> 00:07:20,660
for very long either now I recall

155
00:07:25,550 --> 00:07:23,039
talking to

156
00:07:28,089 --> 00:07:25,560
on the right there in the center is

157
00:07:31,010 --> 00:07:28,099
Victor Rothschild he was the head of the

158
00:07:33,589 --> 00:07:31,020
Rothschilds at that point and I remember

159
00:07:35,120 --> 00:07:33,599
talking to him this was on recall after

160
00:07:36,309 --> 00:07:35,130
I got my memories back

161
00:07:39,770 --> 00:07:36,319
[Music]

162
00:07:41,749 --> 00:07:39,780
when I did part of my training was owned

163
00:07:45,110 --> 00:07:41,759

by the white Rothschilds and the

164

00:07:48,610 --> 00:07:45,120

Rothschilds Hall was not very far away

165

00:07:51,409 --> 00:07:48,620

um well waddington's Manor

166

00:07:54,830 --> 00:07:51,419

to the right to the

167

00:07:57,529 --> 00:07:54,840

to your right there is me talking to an

168

00:07:59,870 --> 00:07:57,539

a Commodore that was me on the normal

169

00:08:02,089 --> 00:07:59,880

line of the aircraft base that was RAF

170

00:08:04,430 --> 00:08:02,099

Cranwell actually

171

00:08:06,830 --> 00:08:04,440

um so next slide

172

00:08:09,409 --> 00:08:06,840

this is just a brief background before I

173

00:08:11,390 --> 00:08:09,419

get into the deepest of

174

00:08:13,969 --> 00:08:11,400

it then after

175

00:08:16,550 --> 00:08:13,979

at the very day I as they are Air Force

176

00:08:18,309 --> 00:08:16,560

and this was just

177

00:08:23,210 --> 00:08:18,319

this was

178

00:08:27,050 --> 00:08:23,220

Marconi

179

00:08:31,490 --> 00:08:27,060

suicide converters that were happening I

180

00:08:33,529 --> 00:08:31,500

was then directly I went from the RAF to

181

00:08:37,130 --> 00:08:33,539

work at Marconi and this was a

182

00:08:38,930 --> 00:08:37,140

doddington road site in Lincoln and I

183

00:08:41,449 --> 00:08:38,940

worked on Advanced space and Military

184

00:08:44,870 --> 00:08:41,459

Mica trips or semiconductors as you

185

00:08:46,910 --> 00:08:44,880

called them I was quality control uh we

186

00:08:48,230 --> 00:08:46,920

we made a hell of a lot of chips I can

187

00:08:49,190 --> 00:08:48,240

tell you

188

00:08:52,310 --> 00:08:49,200

um

189

00:08:56,449 --> 00:08:52,320

so at the left top left is what we call

190

00:08:59,570 --> 00:08:56,459

the wafer that's what they printed

191

00:09:01,490 --> 00:08:59,580

layers of metal and other things some of

192

00:09:03,590 --> 00:09:01,500

the other electron wide so it's almost

193

00:09:05,690 --> 00:09:03,600

like a photographic layer that we've put

194

00:09:07,130 --> 00:09:05,700

on and then they'd have another layer

195

00:09:10,970 --> 00:09:07,140

another layer

196

00:09:14,449 --> 00:09:10,980

the the photograph in the middle that

197

00:09:16,910 --> 00:09:14,459

one is done from our website it was an

198

00:09:19,009 --> 00:09:16,920

electron microscope image of some of the

199

00:09:22,670 --> 00:09:19,019

chips we were working on low level ones

200

00:09:25,509 --> 00:09:22,680

I would say not the space ability ones

201
00:09:30,410 --> 00:09:25,519
um but that that was uh the center one

202
00:09:31,190 --> 00:09:30,420
and to the left and to your right is the

203
00:09:33,350 --> 00:09:31,200
um

204
00:09:36,050 --> 00:09:33,360
give you an idea of what sort of

205
00:09:38,930 --> 00:09:36,060
circuitry we were looking at and that's

206
00:09:42,470 --> 00:09:38,940
a tiny little speck of it so you you

207
00:09:44,930 --> 00:09:42,480
expand that out into huge amount for one

208
00:09:47,930 --> 00:09:44,940
tiny little chip it gives you an idea of

209
00:09:53,210 --> 00:09:47,940
how complicated they are

210
00:09:55,070 --> 00:09:53,220
um and then bottom left is the chip in

211
00:09:57,710 --> 00:09:55,080
the middle and then the fine Wireless

212
00:09:59,930 --> 00:09:57,720
that go to the what we call the package

213
00:10:02,389 --> 00:09:59,940

which we have a lid over afterwards and

214

00:10:04,670 --> 00:10:02,399

all you see is the black uh chair

215

00:10:07,910 --> 00:10:04,680

normally but this is what it looks like

216

00:10:10,730 --> 00:10:07,920

underneath which is the wires came from

217

00:10:13,250 --> 00:10:10,740

the the chip itself to the package and

218

00:10:15,230 --> 00:10:13,260

they're finer than a human hair so I was

219

00:10:17,269 --> 00:10:15,240

also involved in making sure that was

220

00:10:20,150 --> 00:10:17,279

done properly as well and they were like

221

00:10:22,850 --> 00:10:20,160

a complex Max you might have a little

222

00:10:24,769 --> 00:10:22,860

space that they could attach to a bit

223

00:10:27,170 --> 00:10:24,779

like a sewing machine and then they do

224

00:10:29,090 --> 00:10:27,180

it to the package it was like a it was

225

00:10:31,910 --> 00:10:29,100

like a sewing machine sort of using

226

00:10:32,570 --> 00:10:31,920

Ultrasonics to connect them

227

00:10:35,329 --> 00:10:32,580

um

228

00:10:37,670 --> 00:10:35,339

and then of course the last one is of a

229

00:10:39,290 --> 00:10:37,680

chip the circuit board but I'll just

230

00:10:43,310 --> 00:10:39,300

give you just it's just the background

231

00:10:45,290 --> 00:10:43,320

really of what my regular background is

232

00:10:46,730 --> 00:10:45,300

um and then I went into psychology later

233

00:11:02,510 --> 00:10:46,740

on

234

00:11:02,520 --> 00:11:06,110

[Music]

235

00:11:10,069 --> 00:11:08,269

it's just easier easier for me to read

236

00:11:11,329 --> 00:11:10,079

to talk to you I'm not doing much of

237

00:11:13,790 --> 00:11:11,339

this it's going to be mainly just

238

00:11:15,230 --> 00:11:13,800

experiences but the key points I've got

239

00:11:17,750 --> 00:11:15,240

here

240

00:11:19,850 --> 00:11:17,760

um is about calling upon higher

241

00:11:20,870 --> 00:11:19,860

dimensional beings

242

00:11:23,930 --> 00:11:20,880

um

243

00:11:26,990 --> 00:11:23,940

or they won't respond so it's that's

244

00:11:30,470 --> 00:11:27,000

about Free Will so if you need support

245

00:11:32,449 --> 00:11:30,480

at any time it's about calling up

246

00:11:34,550 --> 00:11:32,459

support from a benevolent higher

247

00:11:36,650 --> 00:11:34,560

dimensional base you you need to be

248

00:11:38,690 --> 00:11:36,660

specific as well but then it may be

249

00:11:42,769 --> 00:11:38,700

Angels it may be or the higher

250

00:11:43,790 --> 00:11:42,779

dimensional beings and they can support

251
00:11:47,930 --> 00:11:43,800
um

252
00:11:50,870 --> 00:11:47,940
but there are also races or beings that

253
00:11:53,690 --> 00:11:50,880
will actually specifically help you and

254
00:11:55,850 --> 00:11:53,700
a good way of doing this is by expanding

255
00:11:59,630 --> 00:11:55,860
your Consciousness through the Monroe

256
00:12:02,509 --> 00:11:59,640
Robert Monroe Gateway program which I've

257
00:12:05,030 --> 00:12:02,519
got and it helps but I've had other help

258
00:12:08,870 --> 00:12:05,040
and support in doing this as well

259
00:12:11,569 --> 00:12:08,880
but if you if you not if you're not at

260
00:12:14,150 --> 00:12:11,579
that level anything helps like

261
00:12:15,769 --> 00:12:14,160
meditation things like that but it's

262
00:12:18,110 --> 00:12:15,779
really got to be quite focused

263
00:12:20,449 --> 00:12:18,120

meditation to help explain your

264

00:12:23,050 --> 00:12:20,459

Consciousness in quite a

265

00:12:25,970 --> 00:12:23,060

quite a way so you can communicate

266

00:12:28,009 --> 00:12:25,980

telepathically with other beings it's

267

00:12:30,590 --> 00:12:28,019

not quite like just ordinary meditation

268

00:12:33,949 --> 00:12:30,600

where you just got like a relaxation

269

00:12:36,769 --> 00:12:33,959

meditation or something like that

270

00:12:39,949 --> 00:12:36,779

um and and there's the second Point here

271

00:12:43,250 --> 00:12:39,959

is many beings will test you the spec

272

00:12:44,870 --> 00:12:43,260

the Fate especially will test you so

273

00:12:47,150 --> 00:12:44,880

they will either

274

00:12:49,190 --> 00:12:47,160

Sometimes some beings will try and scare

275

00:12:52,790 --> 00:12:49,200

you a bit or they'll do something else

276

00:12:54,949 --> 00:12:52,800

other beings they'll set you a task and

277

00:12:56,990 --> 00:12:54,959

if you don't complete it then they won't

278

00:12:58,850 --> 00:12:57,000

trust you enough to carry on so it's

279

00:13:01,310 --> 00:12:58,860

whether you're worthwhile it's basically

280

00:13:03,889 --> 00:13:01,320

proving if you're worthwhile there's a

281

00:13:05,930 --> 00:13:03,899

being you can imagine always doing the

282

00:13:09,350 --> 00:13:05,940

same thing right we're teaching the

283

00:13:11,210 --> 00:13:09,360

whole group of people and some like kids

284

00:13:13,490 --> 00:13:11,220

who are not interested you know I mean I

285

00:13:15,829 --> 00:13:13,500

can't be bothered well it's like picking

286

00:13:18,949 --> 00:13:15,839

out people who are worthwhile teaching

287

00:13:20,629 --> 00:13:18,959

worthwhile communicating with so you

288

00:13:22,670 --> 00:13:20,639

need to step forward for some of these

289

00:13:25,790 --> 00:13:22,680

groups not all of them but some of them

290

00:13:28,069 --> 00:13:25,800

you know and the some of the ones that

291

00:13:31,310 --> 00:13:28,079

I've been in contact with that I call

292

00:13:33,230 --> 00:13:31,320

them in between is so there's the

293

00:13:36,050 --> 00:13:33,240

um really nasty ones which I don't have

294

00:13:37,550 --> 00:13:36,060

anything to do or do with at all and

295

00:13:39,530 --> 00:13:37,560

then you've got the in-between years who

296

00:13:42,110 --> 00:13:39,540

are very much Hands-On actually they're

297

00:13:43,610 --> 00:13:42,120

more Hands-On in the mono speaking than

298

00:13:45,889 --> 00:13:43,620

the higher Dimensions you can call the

299

00:13:48,410 --> 00:13:45,899

higher dimensionals in but they're not

300

00:13:51,590 --> 00:13:48,420

physically protecting you in the same

301

00:13:53,389 --> 00:13:51,600

way they may guide you to avoid a

302

00:13:56,210 --> 00:13:53,399

dangerous situation so they might go

303

00:13:58,730 --> 00:13:56,220

don't go down that road right now they

304

00:14:00,350 --> 00:13:58,740

may come and tell you that do not and if

305

00:14:01,790 --> 00:14:00,360

you don't listen to them well it's your

306

00:14:04,190 --> 00:14:01,800

tough luck because you don't listen you

307

00:14:06,650 --> 00:14:04,200

might have some really serious incident

308

00:14:09,350 --> 00:14:06,660

and this is what I found I've got to

309

00:14:12,350 --> 00:14:09,360

listen to them so if they tell me not to

310

00:14:13,970 --> 00:14:12,360

do something I won't do it but if I'm

311

00:14:19,370 --> 00:14:13,980

doing something like a talk like this

312

00:14:21,590 --> 00:14:19,380

I'll call in for support and and to help

313

00:14:25,310 --> 00:14:21,600

uh protection

314

00:14:27,050 --> 00:14:25,320

so uh I mean like I did a conference a

315

00:14:28,670 --> 00:14:27,060

basis conference

316

00:14:30,350 --> 00:14:28,680

um last year

317

00:14:33,230 --> 00:14:30,360

I think it was here before last year

318

00:14:35,090 --> 00:14:33,240

actually and a lady in the audience she

319

00:14:37,009 --> 00:14:35,100

said when you got up on stage and you

320

00:14:39,829 --> 00:14:37,019

started to talk

321

00:14:41,689 --> 00:14:39,839

uh you were just starting to talk and

322

00:14:44,629 --> 00:14:41,699

then I just crossed my legs and through

323

00:14:47,090 --> 00:14:44,639

the window I got shot by a flaming laser

324

00:14:49,129 --> 00:14:47,100

in my leg and she said I nearly screamed

325

00:14:51,290 --> 00:14:49,139

now but he says she sort of seeing me

326

00:14:53,689 --> 00:14:51,300

straight for you but it hit me instead

327

00:14:56,930 --> 00:14:53,699

but obviously they stopped once they

328

00:14:58,610 --> 00:14:56,940

realized they'd hit the wrong person and

329

00:15:01,730 --> 00:14:58,620

so they didn't want to make themselves

330

00:15:04,189 --> 00:15:01,740

too obvious so then that stopped but

331

00:15:05,810 --> 00:15:04,199

that intervention kind of occurred I

332

00:15:07,610 --> 00:15:05,820

mean she wasn't buggy and good luckily

333

00:15:10,910 --> 00:15:07,620

and I said oh I'm really sorry about

334

00:15:12,949 --> 00:15:10,920

that but it wasn't my fault but it just

335

00:15:14,810 --> 00:15:12,959

gives you an idea anyway and I've had a

336

00:15:15,970 --> 00:15:14,820

lot of incidents like that where I've

337

00:15:20,629 --> 00:15:15,980

had

338

00:15:23,810 --> 00:15:20,639

interventions that of help protect me in

339

00:15:26,870 --> 00:15:23,820

situations that be extremely dangerous

340

00:15:29,269 --> 00:15:26,880

um especially in Canada which I had some

341

00:15:32,389 --> 00:15:29,279

pretty Miracle things happen there for

342

00:15:33,530 --> 00:15:32,399

me to escape alive to say the least

343

00:15:35,509 --> 00:15:33,540

um

344

00:15:39,590 --> 00:15:35,519

right

345

00:15:41,030 --> 00:15:39,600

the Gateway program that's the next

346

00:15:44,090 --> 00:15:41,040

Point

347

00:15:46,189 --> 00:15:44,100

um it really is a good program and it's

348

00:15:47,870 --> 00:15:46,199

uh Robert Monroe

349

00:15:50,930 --> 00:15:47,880

um if you look at that top you can get

350

00:15:53,810 --> 00:15:50,940

like basic ones on YouTube free but the

351

00:15:56,629 --> 00:15:53,820

actual program itself it's

352

00:15:58,970 --> 00:15:56,639

this is frequencies that helps expand

353

00:16:01,370 --> 00:15:58,980

your Consciousness now there's seven

354

00:16:04,430 --> 00:16:01,380

ways to the program and each wave has

355

00:16:06,769 --> 00:16:04,440

about six lessons and you put headphones

356

00:16:09,829 --> 00:16:06,779

on so it has frequencies in each ear and

357

00:16:12,829 --> 00:16:09,839

it's it's very carefully developed uh

358

00:16:14,990 --> 00:16:12,839

wave three hooked away three the CIA

359

00:16:16,670 --> 00:16:15,000

used it for remote viewing if you've

360

00:16:19,250 --> 00:16:16,680

heard of remote viewing most of you will

361

00:16:22,250 --> 00:16:19,260

have done it's it's been used by the

362

00:16:24,170 --> 00:16:22,260

military to spiral other places and they

363

00:16:27,050 --> 00:16:24,180

tend to get about five people doing the

364

00:16:29,150 --> 00:16:27,060

remote viewing with targets and that

365

00:16:31,670 --> 00:16:29,160

stocks like your Consciousness getting

366

00:16:33,829 --> 00:16:31,680

in the way so what can happen when you

367

00:16:36,769 --> 00:16:33,839

remote view your conscious mind get in

368

00:16:38,930 --> 00:16:36,779

the way and the old crowd what you're

369

00:16:41,329 --> 00:16:38,940

actually looking at but when you've got

370

00:16:43,670 --> 00:16:41,339

five independent people and you all get

371

00:16:46,490 --> 00:16:43,680

the same answer you're pretty certain

372

00:16:49,129 --> 00:16:46,500

that that is an accurate reading of the

373

00:16:52,430 --> 00:16:49,139

situation and it's widely used by all

374

00:16:54,650 --> 00:16:52,440

the forces so it's uh it's one of those

375

00:16:56,269 --> 00:16:54,660

things that actually is more public mail

376

00:16:59,509 --> 00:16:56,279

that used to be used to be more

377

00:17:02,810 --> 00:16:59,519

secretive they did do a kind of jokey

378

00:17:05,090 --> 00:17:02,820

funny one uh on on the movie which was

379

00:17:06,530 --> 00:17:05,100

Menace there it goes and I'm in

380

00:17:09,530 --> 00:17:06,540

communication with a lot of remote

381

00:17:13,309 --> 00:17:09,540

viewers so I'm in communication with

382

00:17:15,169 --> 00:17:13,319

Lynn Buchanan who was the guy in the

383

00:17:17,809 --> 00:17:15,179

Mallu stairs that goes

384

00:17:19,970 --> 00:17:17,819

um also dick Calgary he's a very good

385

00:17:21,770 --> 00:17:19,980

remote viewer as well so just putting

386

00:17:23,210 --> 00:17:21,780

this fart art institute they do remote

387

00:17:25,189 --> 00:17:23,220

viewing

388

00:17:28,850 --> 00:17:25,199

um these are more mainstream remote

389

00:17:32,390 --> 00:17:28,860

viewing and military remote viewing

390

00:17:37,490 --> 00:17:34,909

yeah so and I've already covered this

391

00:17:40,310 --> 00:17:37,500

really but the defense against psychic

392

00:17:43,190 --> 00:17:40,320

attacks they're always trying to me just

393

00:17:45,890 --> 00:17:43,200

before I do a talk so like

394

00:17:50,150 --> 00:17:45,900

three days ago I did have a bit of a

395

00:17:52,490 --> 00:17:50,160

negative entity trying to enter my room

396

00:17:54,409 --> 00:17:52,500

and I

397

00:17:57,230 --> 00:17:54,419

I called them friends but I also used

398

00:17:59,510 --> 00:17:57,240

recitation so I lead the way and then

399

00:18:02,210 --> 00:17:59,520

other beings held support this is what I

400

00:18:04,490 --> 00:18:02,220

found find really works and if it's a

401
00:18:06,950 --> 00:18:04,500
really serious one I sometimes call in

402
00:18:08,930 --> 00:18:06,960
friends who are also very good psychics

403
00:18:10,850 --> 00:18:08,940
who can help me as well because I've

404
00:18:15,169 --> 00:18:10,860
been heavily heavily targeted in the

405
00:18:17,810 --> 00:18:15,179
past but as I've learned so like when I

406
00:18:20,810 --> 00:18:17,820
was hit by microwaving and they were

407
00:18:23,150 --> 00:18:20,820
burning my body my eyes my internal

408
00:18:25,070 --> 00:18:23,160
organs my skin was burning things like

409
00:18:27,710 --> 00:18:25,080
that

410
00:18:30,230 --> 00:18:27,720
um at first it was a case of physical

411
00:18:32,270 --> 00:18:30,240
defense because I was learning so like

412
00:18:35,810 --> 00:18:32,280
mail are covering myself with that Earth

413
00:18:38,930 --> 00:18:35,820

in my bed to try and prevent it but then

414

00:18:41,510 --> 00:18:38,940

I was very fortunate that friends had

415

00:18:44,090 --> 00:18:41,520

communication with higher beings and

416

00:18:45,950 --> 00:18:44,100

they brought they with permission they

417

00:18:48,350 --> 00:18:45,960

got the higher beings they asked if they

418

00:18:52,610 --> 00:18:48,360

would help me and they brought a signal

419

00:18:54,529 --> 00:18:52,620

in to prevent this microwaving which I

420

00:18:56,570 --> 00:18:54,539

was very very close to that at one point

421

00:18:59,330 --> 00:18:56,580

I was probably about four hours away

422

00:19:00,770 --> 00:18:59,340

from Death because I I was I had had

423

00:19:03,470 --> 00:19:00,780

enough of the pain it was just too

424

00:19:05,390 --> 00:19:03,480

horrific because I couldn't escape it

425

00:19:07,250 --> 00:19:05,400

everywhere I went they were following me

426

00:19:09,890 --> 00:19:07,260

with it and I just like

427

00:19:12,169 --> 00:19:09,900

but in different ways they've tried to

428

00:19:14,990 --> 00:19:12,179

Target me in different ways but each

429

00:19:16,610 --> 00:19:15,000

time although it's it's not very nice

430

00:19:19,130 --> 00:19:16,620

going through these things in fact it's

431

00:19:21,470 --> 00:19:19,140

horrible but then I'll blurred from it

432

00:19:24,710 --> 00:19:21,480

then I've learned to counter it and then

433

00:19:26,390 --> 00:19:24,720

I'm thinking my mom did that way now and

434

00:19:28,730 --> 00:19:26,400

then it's got me into communication with

435

00:19:31,789 --> 00:19:28,740

other beings and then it's step forward

436

00:19:34,669 --> 00:19:31,799

again and then rather than seeing it as

437

00:19:37,549 --> 00:19:34,679

like oh God I'm a victim I'm a victim it

438

00:19:39,890 --> 00:19:37,559

like I'm a Survivor and I'm stepping

439

00:19:41,990 --> 00:19:39,900

forward and Sodom I'm Gonna Keep

440

00:19:44,570 --> 00:19:42,000

stepping forward I'm not like I'm gonna

441

00:19:46,250 --> 00:19:44,580

beat me so this is but other people have

442

00:19:47,870 --> 00:19:46,260

helped me at really difficult points as

443

00:19:49,789 --> 00:19:47,880

well because you know at times you're

444

00:19:51,950 --> 00:19:49,799

like oh god I've got enough of this but

445

00:19:54,770 --> 00:19:51,960

then just at that point a friend comes

446

00:19:56,690 --> 00:19:54,780

in or a being comes and has helped me so

447

00:19:58,850 --> 00:19:56,700

I'm really really grateful for that I

448

00:20:00,470 --> 00:19:58,860

won't be here without them so I'm truly

449

00:20:02,350 --> 00:20:00,480

grateful

450

00:20:05,270 --> 00:20:02,360

um

451
00:20:07,789 --> 00:20:05,280
and after that

452
00:20:09,409 --> 00:20:07,799
gone through some of the deprogramming

453
00:20:11,690 --> 00:20:09,419
then

454
00:20:13,250 --> 00:20:11,700
I'd realize that

455
00:20:15,590 --> 00:20:13,260
I didn't want anything to do with

456
00:20:18,409 --> 00:20:15,600
palladians and I thought why and then I

457
00:20:19,490 --> 00:20:18,419
asked Simon Parks I said what's my star

458
00:20:21,770 --> 00:20:19,500
group

459
00:20:25,549 --> 00:20:21,780
of course my starboard family and he

460
00:20:26,690 --> 00:20:25,559
said palladians I went oh God I thought

461
00:20:31,610 --> 00:20:26,700
why

462
00:20:34,850 --> 00:20:31,620
I thought well everybody's played you

463
00:20:36,110 --> 00:20:34,860

know it's always Pleiadians but then I

464

00:20:38,150 --> 00:20:36,120

realized that was part of the

465

00:20:39,470 --> 00:20:38,160

programming it's like I wouldn't have

466

00:20:40,610 --> 00:20:39,480

anything to do with them so I wasn't

467

00:20:42,289 --> 00:20:40,620

going to call them in for support

468

00:20:43,730 --> 00:20:42,299

because it was like oh I don't want

469

00:20:45,770 --> 00:20:43,740

anything to do with them

470

00:20:49,549 --> 00:20:45,780

so once I started calling them into

471

00:20:51,770 --> 00:20:49,559

support it then asked them

472

00:20:53,630 --> 00:20:51,780

mind control broke that's when my

473

00:20:54,710 --> 00:20:53,640

psychic ability started to really come

474

00:20:56,750 --> 00:20:54,720

back again

475

00:21:00,289 --> 00:20:56,760

so then I started to communicate not

476

00:21:03,409 --> 00:21:00,299

with them but with others and them so

477

00:21:06,770 --> 00:21:03,419

and then I was kind of invited up with a

478

00:21:09,350 --> 00:21:06,780

psychic collection to a ship and also

479

00:21:11,750 --> 00:21:09,360

invited to join the alliance now this is

480

00:21:13,010 --> 00:21:11,760

a positive Alliance it's it's another

481

00:21:16,250 --> 00:21:13,020

number of

482

00:21:18,890 --> 00:21:16,260

um other beings types of beings

483

00:21:22,430 --> 00:21:18,900

um and it's kind of um it is a very much

484

00:21:24,669 --> 00:21:22,440

a sort of physical separation So you

485

00:21:27,470 --> 00:21:24,679

you're Consciousness

486

00:21:29,330 --> 00:21:27,480

separates from your human body in a

487

00:21:32,029 --> 00:21:29,340

complete sense so you're no longer in

488

00:21:34,430 --> 00:21:32,039

your human body you literally go your

489

00:21:35,930 --> 00:21:34,440

Consciousness leaves your human body and

490

00:21:37,610 --> 00:21:35,940

then travels to where you have the

491

00:21:40,430 --> 00:21:37,620

meeting

492

00:21:42,710 --> 00:21:40,440

um and that's and that's that happens

493

00:21:45,529 --> 00:21:42,720

quite a bit as well because this is how

494

00:21:48,230 --> 00:21:45,539

the secret space program also can

495

00:21:50,930 --> 00:21:48,240

operate like um

496

00:21:53,289 --> 00:21:50,940

the group that this was to do with the

497

00:21:55,549 --> 00:21:53,299

secret space program why I was being

498

00:21:58,190 --> 00:21:55,559

targeted with microwave and they didn't

499

00:22:01,909 --> 00:21:58,200

want me to wake up I'd already been used

500

00:22:03,529 --> 00:22:01,919

in the program but then I was dormant I

501
00:22:05,930 --> 00:22:03,539
was getting older they weren't using me

502
00:22:07,190 --> 00:22:05,940
anymore so they put you on Ice you know

503
00:22:10,610 --> 00:22:07,200
what I mean they're not using you at

504
00:22:12,830 --> 00:22:10,620
that point but once Simon spotted that I

505
00:22:15,470 --> 00:22:12,840
was under the control of the Illuminati

506
00:22:18,049 --> 00:22:15,480
and then he helped me and others helped

507
00:22:21,230 --> 00:22:18,059
me to start breaking free obviously

508
00:22:24,110 --> 00:22:21,240
you're tagged with electronic implants

509
00:22:26,810 --> 00:22:24,120
or implants of different sorts they know

510
00:22:30,110 --> 00:22:26,820
that then and then they tried to

511
00:22:31,909 --> 00:22:30,120
counteract you breaking free I'm going

512
00:22:35,270 --> 00:22:31,919
to talk to other people who are involved

513
00:22:37,310 --> 00:22:35,280

who knew me and I know them and it seems

514

00:22:39,649 --> 00:22:37,320

to be that they're afraid of us because

515

00:22:42,710 --> 00:22:39,659

once we get our full capabilities back

516

00:22:45,649 --> 00:22:42,720

and if we can join together it really

517

00:22:47,510 --> 00:22:45,659

will be quite a force against these

518

00:22:50,270 --> 00:22:47,520

negative entities and I'm learning all

519

00:22:52,310 --> 00:22:50,280

the time increasingly to do that

520

00:22:56,149 --> 00:22:52,320

but that's not to say that everybody

521

00:22:58,250 --> 00:22:56,159

here hasn't got capabilities it's just

522

00:23:00,710 --> 00:22:58,260

that we were trained in a different way

523

00:23:04,970 --> 00:23:00,720

and then they used codes to prevent us

524

00:23:07,370 --> 00:23:04,980

using it in daily life but then once you

525

00:23:09,770 --> 00:23:07,380

start breaking down the codes then your

526

00:23:11,390 --> 00:23:09,780

Advanced sort of psychic abilities and

527

00:23:13,370 --> 00:23:11,400

other abilities start to come to the

528

00:23:15,770 --> 00:23:13,380

fall that doesn't mean your physical

529

00:23:20,630 --> 00:23:15,780

body is the same you know you don't look

530

00:23:23,029 --> 00:23:20,640

like in a a 27 year old SAS person I

531

00:23:24,710 --> 00:23:23,039

thought it would be nice but

532

00:23:26,690 --> 00:23:24,720

um it's about separating the

533

00:23:28,310 --> 00:23:26,700

Consciousness and they have the

534

00:23:30,529 --> 00:23:28,320

capability of separating your

535

00:23:33,169 --> 00:23:30,539

Consciousness and putting your body in

536

00:23:35,690 --> 00:23:33,179

different forms of avatars although the

537

00:23:38,390 --> 00:23:35,700

movie Avatar is supposed to be made up

538

00:23:41,270 --> 00:23:38,400

they have got that capability but what

539

00:23:43,250 --> 00:23:41,280

they have to do is they read your they

540

00:23:45,230 --> 00:23:43,260

have to connect you to a complex

541

00:23:47,930 --> 00:23:45,240

computer system

542

00:23:50,930 --> 00:23:47,940

and then they read your biorhythms in

543

00:23:53,029 --> 00:23:50,940

every sense and then they from a

544

00:23:55,789 --> 00:23:53,039

distance they can extract you from your

545

00:23:58,669 --> 00:23:55,799

body and then utilize you in various

546

00:24:02,330 --> 00:23:58,679

other ways this is how they do it

547

00:24:04,010 --> 00:24:02,340

and um they were they as I said they

548

00:24:05,870 --> 00:24:04,020

stopped doing this and also they do

549

00:24:10,430 --> 00:24:05,880

genetic experiments and wanting it all

550

00:24:13,789 --> 00:24:10,440

over but um but then what happened with

551
00:24:15,110 --> 00:24:13,799
me I managed to after all the targeting

552
00:24:17,750 --> 00:24:15,120
that got because it was physical

553
00:24:20,090 --> 00:24:17,760
targeting too my internet was caught my

554
00:24:22,669 --> 00:24:20,100
cable was caught uh packages were

555
00:24:24,970 --> 00:24:22,679
intercepted I got shot in the leg with a

556
00:24:27,950 --> 00:24:24,980
laser in Canada this was all in Canada

557
00:24:30,350 --> 00:24:27,960
uh all these things happened just to

558
00:24:32,470 --> 00:24:30,360
demoralize me and then they started to

559
00:24:35,149 --> 00:24:32,480
attack my family with voice to school

560
00:24:36,230 --> 00:24:35,159
and then they started to attack me and

561
00:24:38,270 --> 00:24:36,240
they were telling me they were going to

562
00:24:40,730 --> 00:24:38,280
kill my whole family and then you know

563
00:24:43,130 --> 00:24:40,740

keep me alive but in a terrible way sort

564

00:24:46,070 --> 00:24:43,140

of thing and that was demoralizing but

565

00:24:48,350 --> 00:24:46,080

but then I learned to fight back and

566

00:24:50,570 --> 00:24:48,360

thought well how can I combat this it

567

00:24:53,570 --> 00:24:50,580

was demoralism but I thought no I'm

568

00:24:55,549 --> 00:24:53,580

going to remote viewing back so because

569

00:24:57,890 --> 00:24:55,559

they made the mistake of not using the

570

00:24:59,630 --> 00:24:57,900

computer at that time they used a man at

571

00:25:02,930 --> 00:24:59,640

the other side to do the voice to school

572

00:25:04,850 --> 00:25:02,940

I could remote view back to him and

573

00:25:06,470 --> 00:25:04,860

instead of attacking him I said to him

574

00:25:10,130 --> 00:25:06,480

you know

575

00:25:12,590 --> 00:25:10,140

the week thinking oh isn't this

576

00:25:16,070 --> 00:25:12,600

wonderful I've I've driven somebody to

577

00:25:17,810 --> 00:25:16,080

Suicide it was a very nice person or you

578

00:25:21,350 --> 00:25:17,820

know I've really taught you the very

579

00:25:23,510 --> 00:25:21,360

nice person all week you know it's like

580

00:25:25,010 --> 00:25:23,520

do you really get good satisfaction from

581

00:25:27,350 --> 00:25:25,020

this well this was going straight into

582

00:25:28,190 --> 00:25:27,360

his Consciousness he couldn't block that

583

00:25:31,130 --> 00:25:28,200

out

584

00:25:34,070 --> 00:25:31,140

so from that I've got his name he says I

585

00:25:36,350 --> 00:25:34,080

can't do this to you anymore and then I

586

00:25:37,930 --> 00:25:36,360

heard him argue with his supervisor I

587

00:25:40,909 --> 00:25:37,940

was like oh good

588

00:25:42,830 --> 00:25:40,919

and so instead of me attacking him back

589

00:25:45,350 --> 00:25:42,840

causing pain because all we would have

590

00:25:47,750 --> 00:25:45,360

done is turn the dials up is I did the

591

00:25:51,289 --> 00:25:47,760

opposite I I went for his Consciousness

592

00:25:54,950 --> 00:25:51,299

so I went through his is feeling a guilt

593

00:25:56,870 --> 00:25:54,960

and that's the bit I I targeted but

594

00:26:02,149 --> 00:25:56,880

because I was being genuine so I knew

595

00:26:05,930 --> 00:26:02,159

that and then that stopped that stopped

596

00:26:08,269 --> 00:26:05,940

the whole thing but three days later I

597

00:26:10,730 --> 00:26:08,279

was approached from another group and

598

00:26:12,890 --> 00:26:10,740

they were called and they did voice and

599

00:26:14,810 --> 00:26:12,900

vision to school they were even more

600

00:26:16,730 --> 00:26:14,820

about us and they were deep underground

601
00:26:17,750 --> 00:26:16,740
military base but they were positive

602
00:26:23,330 --> 00:26:17,760
group

603
00:26:26,690 --> 00:26:23,340
actually and they were a black wolf

604
00:26:28,789 --> 00:26:26,700
special operations with a with a image

605
00:26:31,130 --> 00:26:28,799
of a Blackwell family and they showed me

606
00:26:33,289 --> 00:26:31,140
all the guys and they showed me where

607
00:26:36,590 --> 00:26:33,299
they were they showed me what they were

608
00:26:38,630 --> 00:26:36,600
doing and everything else so I said well

609
00:26:40,549 --> 00:26:38,640
I agree as long as it's for benevolent

610
00:26:42,350 --> 00:26:40,559
reasons and as long as if we're fighting

611
00:26:44,510 --> 00:26:42,360
the negative I said I won't do anything

612
00:26:47,630 --> 00:26:44,520
else

613
00:26:49,669 --> 00:26:47,640

um so that is what I agreed to so that

614

00:26:52,610 --> 00:26:49,679

was in three days later they picked me

615

00:26:54,470 --> 00:26:52,620

up I thought okay but then they abducted

616

00:26:57,529 --> 00:26:54,480

me wasn't in their doctor but they took

617

00:27:00,890 --> 00:26:57,539

me into like a triangular craft like the

618

00:27:03,350 --> 00:27:00,900

T the trb well the Triangular classic I

619

00:27:05,510 --> 00:27:03,360

can never remember names and things but

620

00:27:07,690 --> 00:27:05,520

the black triangles they taught me on

621

00:27:10,789 --> 00:27:07,700

board that and then they taught me to be

622

00:27:12,769 --> 00:27:10,799

uh programmed in their computer system

623

00:27:15,529 --> 00:27:12,779

which was like a white room and a white

624

00:27:17,090 --> 00:27:15,539

chair and they plug you in and stuff and

625

00:27:19,490 --> 00:27:17,100

that's so that they could read my bio

626
00:27:22,610 --> 00:27:19,500
rhythms properly and so they could use

627
00:27:25,190 --> 00:27:22,620
me then in there assistant because what

628
00:27:27,830 --> 00:27:25,200
we've got now is a bit complicated even

629
00:27:29,149 --> 00:27:27,840
on Earth because we've not just got you

630
00:27:31,310 --> 00:27:29,159
go oh it's the Russians or it's

631
00:27:33,110 --> 00:27:31,320
Americans no there's corporations

632
00:27:35,029 --> 00:27:33,120
there's different groups involved

633
00:27:38,990 --> 00:27:35,039
there's there's groups that are involved

634
00:27:40,490 --> 00:27:39,000
as corporations and in in a positive way

635
00:27:43,909 --> 00:27:40,500
and then there's ones that are in the

636
00:27:45,710 --> 00:27:43,919
negative way so it gets quite

637
00:27:48,470 --> 00:27:45,720
complicated now and some of the groups

638
00:27:50,930 --> 00:27:48,480

are working with ETS more uh more

639

00:27:53,870 --> 00:27:50,940

benevolentities some of the groups some

640

00:27:55,789 --> 00:27:53,880

working with Draco reptilians or other

641

00:27:58,310 --> 00:27:55,799

reptilian groups which aren't positive

642

00:28:00,529 --> 00:27:58,320

and some groups aren't aware either

643

00:28:02,630 --> 00:28:00,539

they're so mind controlled they're

644

00:28:04,850 --> 00:28:02,640

remotely influenced to make decisions

645

00:28:07,250 --> 00:28:04,860

and they don't even know that they're

646

00:28:10,850 --> 00:28:07,260

not making a decision they think they're

647

00:28:12,890 --> 00:28:10,860

making a valid judgments when actually

648

00:28:17,029 --> 00:28:12,900

they're not making the decision at all

649

00:28:19,430 --> 00:28:17,039

the ETS are putting that that uh thought

650

00:28:21,590 --> 00:28:19,440

to make that decision in their minds and

651
00:28:23,029 --> 00:28:21,600
they're just following it and that's

652
00:28:25,010 --> 00:28:23,039
happened in the great deal because when

653
00:28:27,830 --> 00:28:25,020
I went to the space conference and I

654
00:28:29,690 --> 00:28:27,840
invited last year and year before and it

655
00:28:31,610 --> 00:28:29,700
was at farnborough and they had like

656
00:28:33,470 --> 00:28:31,620
Lockheed Martin and all the rest of them

657
00:28:36,470 --> 00:28:33,480
Raytheon

658
00:28:38,630 --> 00:28:36,480
um what I found is that because I could

659
00:28:42,529 --> 00:28:38,640
remote view a lot of the audience there

660
00:28:46,010 --> 00:28:42,539
it was tiring like a mobile to a level

661
00:28:48,590 --> 00:28:46,020
and see if what they knew and most of

662
00:28:51,230 --> 00:28:48,600
them were so compartmentalized all they

663
00:28:53,269 --> 00:28:51,240

knew was their daily bit of the job they

664

00:28:56,269 --> 00:28:53,279

didn't know anything then some of the

665

00:29:00,590 --> 00:28:56,279

guys hire all because like the UK well

666

00:29:03,470 --> 00:29:00,600

Europe and UK head of um Lockheed he was

667

00:29:05,810 --> 00:29:03,480

like a bit more aware but even he was

668

00:29:07,870 --> 00:29:05,820

influenced a lot of them are being

669

00:29:10,970 --> 00:29:07,880

influenced and they don't even know it

670

00:29:12,710 --> 00:29:10,980

and and the last one I went to the the

671

00:29:15,890 --> 00:29:12,720

Commodore was there and I told him I

672

00:29:17,630 --> 00:29:15,900

went up to him and I says look a lot of

673

00:29:21,230 --> 00:29:17,640

this has been you're being remote

674

00:29:22,970 --> 00:29:21,240

influenced this is what I'm saying so I

675

00:29:24,409 --> 00:29:22,980

you know the nurse to go up and say it

676
00:29:25,730 --> 00:29:24,419
tell him because I thought I'll tell the

677
00:29:27,710 --> 00:29:25,740
truth

678
00:29:29,870 --> 00:29:27,720
but you know they need to know this and

679
00:29:32,649 --> 00:29:29,880
they're not aware he wasn't aware he

680
00:29:35,269 --> 00:29:32,659
wasn't so this just gives you an idea

681
00:29:37,070 --> 00:29:35,279
and also being invited to you know

682
00:29:39,409 --> 00:29:37,080
something like more official gives a bit

683
00:29:41,750 --> 00:29:39,419
more Credence to what I'm telling you

684
00:29:43,430 --> 00:29:41,760
basically I mean I'm showing images I've

685
00:29:44,810 --> 00:29:43,440
got all the documents and stuff to what

686
00:29:46,370 --> 00:29:44,820
I did

687
00:29:48,649 --> 00:29:46,380
um in the forces that said that the more

688
00:29:50,389 --> 00:29:48,659

secret things obviously that's kept away

689

00:29:54,950 --> 00:29:50,399

from anybody

690

00:30:02,210 --> 00:29:59,810

now this happened well was it I can't

691

00:30:04,909 --> 00:30:02,220

give you an exact year but it was with

692

00:30:08,269 --> 00:30:04,919

my husband in Canada so I moved out to

693

00:30:10,970 --> 00:30:08,279

Canada in 2011. I think it was it was

694

00:30:13,610 --> 00:30:10,980

like between 2013 and 15 so much has

695

00:30:16,490 --> 00:30:13,620

happened since then it's it's hard to be

696

00:30:21,830 --> 00:30:16,500

exact of the year but me and my husband

697

00:30:23,630 --> 00:30:21,840

were both abducted by reptilians and I

698

00:30:27,049 --> 00:30:23,640

thought they were Draco reptilians but

699

00:30:30,950 --> 00:30:27,059

on on the picture on the right is the

700

00:30:33,529 --> 00:30:30,960

image drawn by Elena Dunham and she's

701
00:30:35,210 --> 00:30:33,539
got a book on various alien races and in

702
00:30:38,870 --> 00:30:35,220
fact I've got Bookman bought it with me

703
00:30:41,450 --> 00:30:38,880
now I I am I recognize some of the races

704
00:30:43,310 --> 00:30:41,460
in the book but this was the race that

705
00:30:45,769 --> 00:30:43,320
abducted me and my husband and it was

706
00:30:48,289 --> 00:30:45,779
classed as extremely dangerous which I

707
00:30:51,470 --> 00:30:48,299
would definitely agree

708
00:30:54,649 --> 00:30:51,480
um so my image or my drawing which was a

709
00:30:56,930 --> 00:30:54,659
basic drawing is on the left and that's

710
00:30:59,149 --> 00:30:56,940
um one of these reptiles which are

711
00:31:01,970 --> 00:30:59,159
blooming tall and big and very ferocious

712
00:31:04,370 --> 00:31:01,980
that's it terrifying and it was it was

713
00:31:06,289 --> 00:31:04,380

behind fencing that was about sick you

714

00:31:08,690 --> 00:31:06,299

know Builders fencing temporary fencing

715

00:31:12,110 --> 00:31:08,700

bolted together it was about six foot

716

00:31:14,090 --> 00:31:12,120

tall and it was a radar Hill it was just

717

00:31:17,149 --> 00:31:14,100

outside our Hill because I found it

718

00:31:22,010 --> 00:31:19,010

and that's on the next slide actually it

719

00:31:23,810 --> 00:31:22,020

will show you where it is but

720

00:31:25,970 --> 00:31:23,820

the the

721

00:31:28,130 --> 00:31:25,980

um the image in the center is very much

722

00:31:30,830 --> 00:31:28,140

what they were like

723

00:31:34,010 --> 00:31:30,840

um they were they did eat humans these

724

00:31:36,230 --> 00:31:34,020

ones because when we were abducted

725

00:31:38,269 --> 00:31:36,240

what we did is we found we woke up in

726

00:31:40,549 --> 00:31:38,279

this line we were we were flanked both

727

00:31:44,090 --> 00:31:40,559

sides with Builders Fez

728

00:31:46,370 --> 00:31:44,100

and at the end there was a warehouse and

729

00:31:48,289 --> 00:31:46,380

they were all the other people in line

730

00:31:51,230 --> 00:31:48,299

there were in twos were all in hypnotic

731

00:31:52,669 --> 00:31:51,240

States Etc doors we'd come out of it

732

00:31:54,590 --> 00:31:52,679

and

733

00:31:56,630 --> 00:31:54,600

there was like reptilians at the end

734

00:31:59,330 --> 00:31:56,640

taking people into the warehouse and

735

00:32:01,490 --> 00:31:59,340

then our awful screens which I knew they

736

00:32:03,769 --> 00:32:01,500

were being killed in there I mean this

737

00:32:06,409 --> 00:32:03,779

was absolutely terrifying for me I mean

738

00:32:08,090 --> 00:32:06,419

I was something you know but my husband

739

00:32:10,370 --> 00:32:08,100

looked a bit calmer because he'd been

740

00:32:13,549 --> 00:32:10,380

through so many military events that

741

00:32:16,130 --> 00:32:13,559

were taught Village events in his life

742

00:32:17,990 --> 00:32:16,140

that he was a bit calmer than me but he

743

00:32:20,630 --> 00:32:18,000

looked at me and we'd already decided

744

00:32:22,549 --> 00:32:20,640

years before that if anything because of

745

00:32:24,409 --> 00:32:22,559

affects military we decided if we ever

746

00:32:26,750 --> 00:32:24,419

find ourselves in this situation like

747

00:32:28,549 --> 00:32:26,760

that that would fight we don't care

748

00:32:32,570 --> 00:32:28,559

we're not going to just stand there and

749

00:32:36,230 --> 00:32:32,580

be taken so as we were thinking this

750

00:32:38,630 --> 00:32:36,240

The Reptilian which was just by the fan

751

00:32:40,310 --> 00:32:38,640

spiders obviously we were out of

752

00:32:42,769 --> 00:32:40,320

hypnotic state so they knew straight

753

00:32:44,750 --> 00:32:42,779

away we were out of that state so he

754

00:32:48,649 --> 00:32:44,760

forced me to walk over to the fence

755

00:32:51,529 --> 00:32:48,659

first and then he Lifted Me Up

756

00:32:53,210 --> 00:32:51,539

and he pulled me to his head but carving

757

00:32:54,529 --> 00:32:53,220

me down at the time because I was in the

758

00:32:57,230 --> 00:32:54,539

British estate

759

00:32:59,870 --> 00:32:57,240

and he and he says don't judge us you

760

00:33:01,909 --> 00:32:59,880

eat meat so from that I knew exactly

761

00:33:04,010 --> 00:33:01,919

where he meant he meant that this is

762

00:33:06,769 --> 00:33:04,020

just another twine you're you're a

763

00:33:09,409 --> 00:33:06,779

couple what's your problem you know and

764

00:33:10,430 --> 00:33:09,419

this is his attitude and it didn't make

765

00:33:14,870 --> 00:33:10,440

me think

766

00:33:17,450 --> 00:33:14,880

well yeah that is true I can't deny that

767

00:33:19,549 --> 00:33:17,460

so I mean since then I haven't

768

00:33:20,930 --> 00:33:19,559

physically been able to eat meat I eat

769

00:33:24,049 --> 00:33:20,940

fish but I can't eat meat because it

770

00:33:25,970 --> 00:33:24,059

even even like getting close to me and

771

00:33:29,750 --> 00:33:25,980

trying to eat it I can't do it I feel

772

00:33:31,310 --> 00:33:29,760

violently sick because his words come

773

00:33:32,930 --> 00:33:31,320

back to me at that point and I just

774

00:33:37,310 --> 00:33:32,940

can't do it

775

00:33:40,190 --> 00:33:37,320

um but um but I couldn't really disagree

776

00:33:43,070 --> 00:33:40,200

with him uh and then my husband got

777

00:33:45,710 --> 00:33:43,080

picked up and they what they said to him

778

00:33:47,210 --> 00:33:45,720

is they said to him because he's that

779

00:33:49,909 --> 00:33:47,220

bit tougher than me

780

00:33:51,889 --> 00:33:49,919

said well if they don't make the court

781

00:33:55,070 --> 00:33:51,899

if our own species does not make the cup

782

00:33:57,049 --> 00:33:55,080

we eat them too but this reptilian group

783

00:33:59,269 --> 00:33:57,059

is a particularly nasty one not all

784

00:34:01,370 --> 00:33:59,279

reptilians are bad

785

00:34:04,549 --> 00:34:01,380

um some reptiliums are up benevolite to

786

00:34:06,889 --> 00:34:04,559

the other beings you know but these

787

00:34:09,290 --> 00:34:06,899

particularly grooves appear to be a bit

788

00:34:11,990 --> 00:34:09,300

of a mercenary group and after profit or

789

00:34:14,030 --> 00:34:12,000

whatever for trading with you know

790

00:34:16,730 --> 00:34:14,040

eating people but also trading body

791

00:34:19,490 --> 00:34:16,740

parts things like that

792

00:34:21,770 --> 00:34:19,500

um but you know this is just a fact of

793

00:34:25,190 --> 00:34:21,780

life uh I mean they have those videos

794

00:34:26,869 --> 00:34:25,200

now 4-1-1 missing people

795

00:34:29,329 --> 00:34:26,879

um and so you know all this sort of

796

00:34:31,310 --> 00:34:29,339

thing it does go on and there's a lot

797

00:34:34,070 --> 00:34:31,320

more increasing evidence to prove it and

798

00:34:35,869 --> 00:34:34,080

support it anyway but if you go to the

799

00:34:37,369 --> 00:34:35,879

next slide and it's all negative I'm

800

00:34:39,649 --> 00:34:37,379

talking talking the negative of them

801
00:34:42,050 --> 00:34:39,659
going to the better stuff

802
00:34:44,149 --> 00:34:42,060
um with this one it shows you're getting

803
00:34:48,169 --> 00:34:44,159
the image this is a very good image of

804
00:34:50,750 --> 00:34:48,179
the thought of reptilian I saw and this

805
00:34:52,849 --> 00:34:50,760
here is the coordinates of where I was

806
00:34:55,909 --> 00:34:52,859
abducted to because our rental flipping

807
00:34:58,370 --> 00:34:55,919
Google Earth and they banned me they

808
00:35:01,089 --> 00:34:58,380
blanked out the whole of North and South

809
00:35:03,470 --> 00:35:01,099
America with a white like diamond shape

810
00:35:07,130 --> 00:35:03,480
no matter how I tried to get on Google

811
00:35:08,930 --> 00:35:07,140
Earth I can't get on it to look so in

812
00:35:12,650 --> 00:35:08,940
the end I went on Google Maps and I got

813
00:35:15,710 --> 00:35:12,660

it through Google Maps and uh so the top

814

00:35:17,930 --> 00:35:15,720

part in a way to the to the Silvery look

815

00:35:20,630 --> 00:35:17,940

almost looks like a human arms and head

816

00:35:23,210 --> 00:35:20,640

and stuff I don't know why that is it

817

00:35:25,430 --> 00:35:23,220

may be a an aerial image I'm not sure to

818

00:35:27,829 --> 00:35:25,440

give an indication where they are then

819

00:35:30,230 --> 00:35:27,839

the warehouse is at the top and then the

820

00:35:33,109 --> 00:35:30,240

builders fences to the right which has

821

00:35:35,150 --> 00:35:33,119

been folded up in there stacked up and

822

00:35:37,849 --> 00:35:35,160

then below if you look at that was very

823

00:35:39,470 --> 00:35:37,859

close to the right of this image and it

824

00:35:42,589 --> 00:35:39,480

looks like an entrance to underground

825

00:35:45,530 --> 00:35:42,599

base that is the shadow that does look

826

00:35:48,950 --> 00:35:45,540

like an entrance and this is Radio Hill

827

00:35:51,589 --> 00:35:48,960

it is in Dorsey area but it's not at

828

00:35:53,390 --> 00:35:51,599

Dorsey so it's not an Area 51 it's

829

00:35:55,490 --> 00:35:53,400

slightly different location but this is

830

00:35:57,890 --> 00:35:55,500

what I found I knew it was that sort of

831

00:36:00,170 --> 00:35:57,900

area by when we were there it was like

832

00:36:02,990 --> 00:36:00,180

this rough shrubland I thought were the

833

00:36:05,030 --> 00:36:03,000

only where you get this sort of air and

834

00:36:06,950 --> 00:36:05,040

rough shrubling is sort of like New

835

00:36:09,230 --> 00:36:06,960

Mexico area so I started looking all

836

00:36:11,690 --> 00:36:09,240

around New Mexico you know gradually

837

00:36:14,810 --> 00:36:11,700

because it was I was like I'm gonna find

838

00:36:16,730 --> 00:36:14,820

this bloody place they took us so and I

839

00:36:19,130 --> 00:36:16,740

I showed my husband he he's very good at

840

00:36:20,890 --> 00:36:19,140

strategy and he agreed it was definitely

841

00:36:24,940 --> 00:36:20,900

the place

842

00:36:27,890 --> 00:36:24,950

so if you want to go into the next image

843

00:36:29,329 --> 00:36:27,900

[Music]

844

00:36:31,849 --> 00:36:29,339

right this

845

00:36:34,609 --> 00:36:31,859

I took over in Fleetwood

846

00:36:36,170 --> 00:36:34,619

and it was what year was it when did I

847

00:36:36,330 --> 00:36:36,180

get back

848

00:36:38,770 --> 00:36:36,340

um

849

00:36:42,050 --> 00:36:38,780

[Music]

850

00:36:44,810 --> 00:36:42,060

it's 2020 days

851
00:36:46,910 --> 00:36:44,820
and I was told by the the Pleiadians to

852
00:36:48,770 --> 00:36:46,920
go outside this is about midnight in

853
00:36:51,470 --> 00:36:48,780
Fleetwood it was in summer so it was

854
00:36:52,790 --> 00:36:51,480
quite warm and I was sitting on my swing

855
00:36:55,310 --> 00:36:52,800
in the store look up it looked like

856
00:36:58,250 --> 00:36:55,320
there was a thunderstorm going on but no

857
00:37:00,050 --> 00:36:58,260
Thunder no sound at all I thought this

858
00:37:01,970 --> 00:37:00,060
is odd but they told me take some

859
00:37:04,370 --> 00:37:01,980
photographs I only had my iPad that's

860
00:37:07,790 --> 00:37:04,380
all I had because I hadn't at that time

861
00:37:09,410 --> 00:37:07,800
you know got anything else and um so I

862
00:37:12,050 --> 00:37:09,420
thought I'll take some photographs like

863
00:37:13,910 --> 00:37:12,060

they told me with my iPad and then when

864

00:37:17,690 --> 00:37:13,920

I was looking I could see some of these

865

00:37:20,810 --> 00:37:17,700

uh images but not very clearly and uh on

866

00:37:23,690 --> 00:37:20,820

the left is a palladian ship

867

00:37:25,670 --> 00:37:23,700

um and it it was cloaked at first but

868

00:37:28,849 --> 00:37:25,680

then it kind of appeared out a bit more

869

00:37:31,970 --> 00:37:28,859

and it was beaming

870

00:37:34,490 --> 00:37:31,980

um like lasers at the other one which

871

00:37:37,250 --> 00:37:34,500

you can't see wonderfully but if you can

872

00:37:40,250 --> 00:37:37,260

make out a slight sphere in between the

873

00:37:42,050 --> 00:37:40,260

clouds there is a sphere there and that

874

00:37:43,670 --> 00:37:42,060

was a draco

875

00:37:45,710 --> 00:37:43,680

and they were having a bit of a Mexican

876

00:37:47,270 --> 00:37:45,720

standoff they didn't hurt each other but

877

00:37:48,650 --> 00:37:47,280

they were just like giving bow shots

878

00:37:50,150 --> 00:37:48,660

between each other you could see the

879

00:37:52,430 --> 00:37:50,160

lasers going one way and then going the

880

00:37:55,609 --> 00:37:52,440

other way and then going the other way

881

00:37:57,290 --> 00:37:55,619

um so that went on for about

882

00:37:58,910 --> 00:37:57,300

half an hour to three quarters an hour

883

00:38:00,710 --> 00:37:58,920

but I'm sitting there watching it and

884

00:38:03,890 --> 00:38:00,720

taking just took a few photographs

885

00:38:06,890 --> 00:38:03,900

basically uh so that's that's in England

886

00:38:08,930 --> 00:38:06,900

that's that's over Fleetwood

887

00:38:11,390 --> 00:38:08,940

um why they were there fighting I'm not

888

00:38:12,910 --> 00:38:11,400

sure because I have had the Draco come

889

00:38:15,589 --> 00:38:12,920

in

890

00:38:17,690 --> 00:38:15,599

sends to my house but I called him

891

00:38:20,750 --> 00:38:17,700

friends to get rid of them and that was

892

00:38:22,910 --> 00:38:20,760

called when I was on Zoom with somebody

893

00:38:24,589 --> 00:38:22,920

else and they a psychic they said you've

894

00:38:27,109 --> 00:38:24,599

got rectangles coming and I said oh no

895

00:38:29,030 --> 00:38:27,119

my dog started to Wolf and growl my

896

00:38:32,990 --> 00:38:29,040

dog's very psychic she picks up on him

897

00:38:34,609 --> 00:38:33,000

and she was like against the window and

898

00:38:37,370 --> 00:38:34,619

I could sense some coming in and I was

899

00:38:39,170 --> 00:38:37,380

like I got that sense of real fear but I

900

00:38:41,810 --> 00:38:39,180

was fighting it I thought no don't be

901
00:38:44,210 --> 00:38:41,820
frightened calling support so I've

902
00:38:46,609 --> 00:38:44,220
called in support and again they tried

903
00:38:48,410 --> 00:38:46,619
this a few months later after that and I

904
00:38:51,349 --> 00:38:48,420
was outside the dog picked up on it I

905
00:38:52,910 --> 00:38:51,359
went outside and I could sense one

906
00:38:54,410 --> 00:38:52,920
appearing at the bottom of the garden I

907
00:38:57,050 --> 00:38:54,420
couldn't quite see it but since it

908
00:38:59,510 --> 00:38:57,060
started to come in and every single cell

909
00:39:03,050 --> 00:38:59,520
in my body was saying run lock the door

910
00:39:04,970 --> 00:39:03,060
room Julie and I I just and literally

911
00:39:06,410 --> 00:39:04,980
every cell in my body but I thought no

912
00:39:08,810 --> 00:39:06,420
I'm not gonna do this I'm not gonna do

913
00:39:11,030 --> 00:39:08,820

it my dog was at this point behind me

914

00:39:13,790 --> 00:39:11,040

and she does you know like I'll hide

915

00:39:15,829 --> 00:39:13,800

behind mum and I thought oh and again

916

00:39:18,470 --> 00:39:15,839

are called in friends and they did get

917

00:39:20,990 --> 00:39:18,480

rid of them so you know that does mean

918

00:39:23,510 --> 00:39:21,000

we can fight this

919

00:39:25,190 --> 00:39:23,520

um by calling in different beings as it

920

00:39:27,710 --> 00:39:25,200

was I've made friends with certain beans

921

00:39:29,870 --> 00:39:27,720

rather unusual which were again we're a

922

00:39:31,670 --> 00:39:29,880

test but I'll go on to that in a few

923

00:39:33,770 --> 00:39:31,680

minutes

924

00:39:36,290 --> 00:39:33,780

um so if you go into the next image

925

00:40:00,250 --> 00:39:38,680

right this is a bit of a joke

926

00:40:07,849 --> 00:40:04,609

right let's just see the top left uh my

927

00:40:11,270 --> 00:40:07,859

white earthlings never never used

928

00:40:14,270 --> 00:40:11,280

telepathy of course it's because a lot a

929

00:40:16,310 --> 00:40:14,280

lot because they have a lot to hide from

930

00:40:18,470 --> 00:40:16,320

each other well although I'm not kind of

931

00:40:21,290 --> 00:40:18,480

making it a joke particularly it does

932

00:40:23,569 --> 00:40:21,300

make a point we do have a lot to hide

933

00:40:25,190 --> 00:40:23,579

from each other and if we had telepathy

934

00:40:26,990 --> 00:40:25,200

we'd know exactly what all the other

935

00:40:29,450 --> 00:40:27,000

people were thinking so if they thought

936

00:40:30,829 --> 00:40:29,460

I really hate that person you would know

937

00:40:35,930 --> 00:40:30,839

so

938

00:40:37,310 --> 00:40:35,940

the military look at all the hidden

939

00:40:39,770 --> 00:40:37,320

stuff in the governments and everything

940

00:40:43,190 --> 00:40:39,780

else but this is the benefit of actually

941

00:40:45,050 --> 00:40:43,200

so learning the Gateway program I mean I

942

00:40:46,569 --> 00:40:45,060

respect people's privacy and this is

943

00:40:50,150 --> 00:40:46,579

what you can do when you're on board

944

00:40:52,130 --> 00:40:50,160

ships too what you can do although

945

00:40:54,050 --> 00:40:52,140

that's the kind of jokes and you can

946

00:40:57,170 --> 00:40:54,060

know what everybody's thinking actually

947

00:40:59,270 --> 00:40:57,180

you can direct it to one person or you

948

00:41:02,030 --> 00:40:59,280

can direct it to a group otherwise you'd

949

00:41:04,609 --> 00:41:02,040

just be deafened by a by so many

950

00:41:06,710 --> 00:41:04,619

different conversations but it is a good

951
00:41:09,890 --> 00:41:06,720
point about hidden information that

952
00:41:13,190 --> 00:41:09,900
we're not told as the general public and

953
00:41:15,650 --> 00:41:13,200
I think Peter Padgett called uh coined

954
00:41:18,410 --> 00:41:15,660
it when he because he was ex-spook he

955
00:41:20,870 --> 00:41:18,420
coined it that we know but you don't

956
00:41:23,390 --> 00:41:20,880
know we do all these secrets as job stop

957
00:41:24,530 --> 00:41:23,400
the general public from knowing what's

958
00:41:26,810 --> 00:41:24,540
going on

959
00:41:29,270 --> 00:41:26,820
uh because once we all know what's going

960
00:41:30,950 --> 00:41:29,280
on well things will change on this

961
00:41:33,490 --> 00:41:30,960
planet

962
00:41:36,349 --> 00:41:33,500
um and hopefully it will do anyway

963
00:41:39,050 --> 00:41:36,359

the other thing is the one on the right

964

00:41:42,530 --> 00:41:39,060

is is about uh

965

00:41:44,150 --> 00:41:42,540

let's just say that was not the

966

00:41:45,890 --> 00:41:44,160

transmission button so in other words

967

00:41:47,630 --> 00:41:45,900

they made the mashes because the presser

968

00:41:50,810 --> 00:41:47,640

on the bottom so that's the kind of

969

00:41:53,089 --> 00:41:50,820

indicator of like you know just because

970

00:41:55,390 --> 00:41:53,099

a racist knee t-race does not mean it's

971

00:41:57,290 --> 00:41:55,400

better than us we are actually

972

00:41:59,569 --> 00:41:57,300

multi-dimensional beings and some of

973

00:42:02,210 --> 00:41:59,579

these other beings are not very they've

974

00:42:04,670 --> 00:42:02,220

got technology but they don't have the

975

00:42:08,450 --> 00:42:04,680

capability that we actually have if we

976

00:42:10,970 --> 00:42:08,460

develop it we actually are very very uh

977

00:42:12,950 --> 00:42:10,980

powerful psychics if we start developing

978

00:42:14,930 --> 00:42:12,960

that side and break down the programming

979

00:42:18,470 --> 00:42:14,940

that we've all had you know it's not

980

00:42:20,630 --> 00:42:18,480

just Mew hard demonic style

981

00:42:22,849 --> 00:42:20,640

um Illuminati mind control which was

982

00:42:25,190 --> 00:42:22,859

tour based but everybody here from the

983

00:42:27,410 --> 00:42:25,200

moment you're born you're told what to

984

00:42:28,970 --> 00:42:27,420

think really you know through the media

985

00:42:31,609 --> 00:42:28,980

through your parents through your

986

00:42:34,130 --> 00:42:31,619

Society for you through your culture and

987

00:42:37,069 --> 00:42:34,140

that's all we know if you if you're born

988

00:42:40,490 --> 00:42:37,079

in a certain place in say Saudi Arabia

989

00:42:42,290 --> 00:42:40,500

and you you brought up that is where

990

00:42:44,870 --> 00:42:42,300

hobby Islam which is a very strict

991

00:42:46,670 --> 00:42:44,880

formulas where's everything you've known

992

00:42:48,829 --> 00:42:46,680

so how would you know that there's a

993

00:42:50,750 --> 00:42:48,839

different way that you should be more

994

00:42:52,550 --> 00:42:50,760

free or something like that you don't

995

00:42:54,710 --> 00:42:52,560

know because you've never experienced it

996

00:42:56,329 --> 00:42:54,720

well it's the same with things with

997

00:42:58,849 --> 00:42:56,339

other cultures and other beings from

998

00:43:02,089 --> 00:42:58,859

other planets

999

00:43:04,910 --> 00:43:02,099

um so and the picture at the bottom is

1000

00:43:07,430 --> 00:43:04,920

what we are although that shows a cow we

1001
00:43:09,349 --> 00:43:07,440
know about a cattle mutilations and

1002
00:43:11,569 --> 00:43:09,359
about how

1003
00:43:14,990 --> 00:43:11,579
um mind control and things but that's

1004
00:43:17,390 --> 00:43:15,000
what we are it's like look like The

1005
00:43:20,569 --> 00:43:17,400
Reptilian that abducted me he used mind

1006
00:43:23,630 --> 00:43:20,579
control on me and why are we susceptible

1007
00:43:25,970 --> 00:43:23,640
to this mind control or hypnosis this is

1008
00:43:27,950 --> 00:43:25,980
a question I always thought well it's

1009
00:43:31,130 --> 00:43:27,960
it's been embred in us so we can be

1010
00:43:32,270 --> 00:43:31,140
controlled like a like a organic open

1011
00:43:34,550 --> 00:43:32,280
Farm

1012
00:43:36,770 --> 00:43:34,560
but she's well you know they say many

1013
00:43:38,990 --> 00:43:36,780

species seizures as the reptilians and

1014

00:43:42,290 --> 00:43:39,000

other negative species they seem as like

1015

00:43:44,690 --> 00:43:42,300

they said cattle that's what this is

1016

00:43:47,210 --> 00:43:44,700

maybe a food source or to be utilized in

1017

00:43:52,430 --> 00:43:47,220

other ways whatever

1018

00:43:57,890 --> 00:43:55,190

right these are some more images right

1019

00:43:59,690 --> 00:43:57,900

the one on the left uh and then the

1020

00:44:01,490 --> 00:43:59,700

image down the one is to be drawing it

1021

00:44:04,609 --> 00:44:01,500

in more detail

1022

00:44:07,370 --> 00:44:04,619

so um this was taken in Canada there was

1023

00:44:09,170 --> 00:44:07,380

about five of them in the sky and there

1024

00:44:11,690 --> 00:44:09,180

was about nine cracks coming and going

1025

00:44:14,870 --> 00:44:11,700

all the time now these were the same

1026
00:44:16,910 --> 00:44:14,880
craft who came in and helped brighten

1027
00:44:18,410 --> 00:44:16,920
the mind control with me and that I was

1028
00:44:20,690 --> 00:44:18,420
seeing

1029
00:44:22,130 --> 00:44:20,700
basically every night I was finding

1030
00:44:23,750 --> 00:44:22,140
myself at the back door now they were

1031
00:44:25,309 --> 00:44:23,760
positive they were more palladians on

1032
00:44:28,490 --> 00:44:25,319
there there's other beings on there but

1033
00:44:30,290 --> 00:44:28,500
plain and played into such a generic I'm

1034
00:44:32,390 --> 00:44:30,300
saying that Loosely they were human

1035
00:44:34,609 --> 00:44:32,400
mostly humanoid but all of them were

1036
00:44:38,030 --> 00:44:34,619
humanoid on board some of them were

1037
00:44:40,130 --> 00:44:38,040
blonde like Nordic types there was a

1038
00:44:42,170 --> 00:44:40,140

blue one that's like I don't know if

1039

00:44:43,910 --> 00:44:42,180

it's on yeah the center bottom one that

1040

00:44:45,290 --> 00:44:43,920

was a very benevolent one I did a model

1041

00:44:47,390 --> 00:44:45,300

of that one

1042

00:44:50,690 --> 00:44:47,400

um it was about

1043

00:44:53,690 --> 00:44:50,700

same height as me it wasn't really tall

1044

00:44:56,690 --> 00:44:53,700

but extremely warm and benevolent being

1045

00:44:59,510 --> 00:44:56,700

and it was blue and it had a blue

1046

00:45:02,930 --> 00:44:59,520

um like jumpsuit on

1047

00:45:05,270 --> 00:45:02,940

um then the top Center one that was also

1048

00:45:07,490 --> 00:45:05,280

taken in Canada now that's a higher

1049

00:45:10,190 --> 00:45:07,500

dimensional Craft

1050

00:45:15,109 --> 00:45:10,200

um the hair dimensional craft as I know

1051

00:45:19,010 --> 00:45:15,119

myself they're they're created by

1052

00:45:21,970 --> 00:45:19,020

um genetics so they're they take DNA of

1053

00:45:25,430 --> 00:45:21,980

an individual whatever species whatever

1054

00:45:28,849 --> 00:45:25,440

normally a higher dimensional being then

1055

00:45:31,309 --> 00:45:28,859

they kind of grow the ship and so that

1056

00:45:34,670 --> 00:45:31,319

ship is then completely linked to you

1057

00:45:36,770 --> 00:45:34,680

forever I mean as far as I know I mean

1058

00:45:38,510 --> 00:45:36,780

I've got a link a link to me as

1059

00:45:40,190 --> 00:45:38,520

other people I know how but I can't

1060

00:45:42,470 --> 00:45:40,200

bring it down here because it's a

1061

00:45:47,690 --> 00:45:42,480

different dimension and I'm in a 3D

1062

00:45:50,569 --> 00:45:47,700

physical body but I can go up and uh and

1063

00:45:53,630 --> 00:45:50,579

enter it but it's

1064

00:45:56,870 --> 00:45:53,640

what it is is it outlives my physical

1065

00:45:59,450 --> 00:45:56,880

body it's like millions of years old and

1066

00:46:02,690 --> 00:45:59,460

it doesn't deteriorate vitals like our

1067

00:46:05,030 --> 00:46:02,700

human because this is really a a shell

1068

00:46:06,890 --> 00:46:05,040

it's it's uh you know it's a skin it

1069

00:46:10,309 --> 00:46:06,900

allows us to breathe the air on Earth

1070

00:46:13,069 --> 00:46:10,319

and to exist in our well reasonably

1071

00:46:15,470 --> 00:46:13,079

exist with clothing and our climate with

1072

00:46:16,730 --> 00:46:15,480

heating so we're not perfect but it

1073

00:46:19,309 --> 00:46:16,740

allows us to breathe the air and

1074

00:46:21,829 --> 00:46:19,319

everything else on planet Earth

1075

00:46:24,170 --> 00:46:21,839

um whereas if we came in a different

1076

00:46:26,630 --> 00:46:24,180

form we would have to wear a suit or

1077

00:46:29,510 --> 00:46:26,640

something else to enhance us to be able

1078

00:46:32,470 --> 00:46:29,520

to stay on Earth so that's the benefit

1079

00:46:34,030 --> 00:46:32,480

of certain beings who are generally not

1080

00:46:37,550 --> 00:46:34,040

earth-based

1081

00:46:39,910 --> 00:46:37,560

they will incarnate onto the planet in

1082

00:46:43,130 --> 00:46:39,920

human form with all the human frailties

1083

00:46:45,290 --> 00:46:43,140

because they can't just live here you

1084

00:46:49,190 --> 00:46:45,300

know they can't just live in our climate

1085

00:46:52,910 --> 00:46:49,200

or whatever or our atmosphere

1086

00:46:54,890 --> 00:46:52,920

um and then to the right it's like um a

1087

00:46:57,109 --> 00:46:54,900

bit like some of the ones I did see on

1088

00:47:00,770 --> 00:46:57,119

the ship which were blondes they were

1089

00:47:02,569 --> 00:47:00,780

palladians types or Nordic types and

1090

00:47:05,030 --> 00:47:02,579

they're a very good sense of humor

1091

00:47:07,490 --> 00:47:05,040

actually they were really funny

1092

00:47:09,530 --> 00:47:07,500

um but they drank a liquid they didn't

1093

00:47:11,690 --> 00:47:09,540

eat food because I was talking to them

1094

00:47:14,329 --> 00:47:11,700

about it they were doing a little bit of

1095

00:47:17,390 --> 00:47:14,339

healing with me from my targeting and

1096

00:47:18,890 --> 00:47:17,400

that that's when I went up the ship and

1097

00:47:22,309 --> 00:47:18,900

um afterwards I had a look around the

1098

00:47:23,990 --> 00:47:22,319

ship and the corridors and everything

1099

00:47:26,270 --> 00:47:24,000

were very crystalline it was a

1100

00:47:30,470 --> 00:47:26,280

crystalline ship

1101
00:47:32,450 --> 00:47:30,480
um but they had crew areas they had they

1102
00:47:35,390 --> 00:47:32,460
had the Holodeck which was very weird

1103
00:47:38,510 --> 00:47:35,400
you went into it because I explored and

1104
00:47:39,829 --> 00:47:38,520
I went in and I wanted to be back in

1105
00:47:41,329 --> 00:47:39,839
England would you believe because I was

1106
00:47:43,849 --> 00:47:41,339
in Canada so I wanted to be in Woodland

1107
00:47:46,190 --> 00:47:43,859
in England and I was walking through and

1108
00:47:48,290 --> 00:47:46,200
thinking okay and I was connecting with

1109
00:47:50,930 --> 00:47:48,300
one of my other friends too and I said

1110
00:47:53,470 --> 00:47:50,940
okay I'm walking in how do I get out

1111
00:47:55,970 --> 00:47:53,480
there's no door where's the door

1112
00:47:57,770 --> 00:47:55,980
uh what do I do now because it felt like

1113
00:47:59,990 --> 00:47:57,780

you were literally there it didn't feel

1114

00:48:02,750 --> 00:48:00,000

like there was any difference it was

1115

00:48:04,970 --> 00:48:02,760

completely natural feeling and I was

1116

00:48:06,950 --> 00:48:04,980

like oh God how do I get out and he was

1117

00:48:08,690 --> 00:48:06,960

like communicating with me right you got

1118

00:48:10,910 --> 00:48:08,700

to think of the door so you can get out

1119

00:48:12,470 --> 00:48:10,920

I went okay and then the door appeared

1120

00:48:13,430 --> 00:48:12,480

it was like right this is how you get

1121

00:48:17,329 --> 00:48:13,440

out

1122

00:48:19,430 --> 00:48:17,339

and um but then I went around the game

1123

00:48:21,770 --> 00:48:19,440

further around the deck and then I went

1124

00:48:24,170 --> 00:48:21,780

into the engine compartment now there

1125

00:48:26,690 --> 00:48:24,180

you could see like crystals that were

1126

00:48:29,470 --> 00:48:26,700

going from the very top to the very

1127

00:48:32,990 --> 00:48:29,480

bottom and in the center is like a

1128

00:48:36,230 --> 00:48:33,000

plasma energy and this is what ran the

1129

00:48:38,690 --> 00:48:36,240

ship and what it did is it created the

1130

00:48:40,730 --> 00:48:38,700

like you see oh you can't see it very

1131

00:48:43,309 --> 00:48:40,740

well on there but it created like a

1132

00:48:45,650 --> 00:48:43,319

fourth wheel around the ship a bit like

1133

00:48:48,589 --> 00:48:45,660

a planetary force field the energy went

1134

00:48:51,410 --> 00:48:48,599

up the top and down the bottom but it

1135

00:48:53,690 --> 00:48:51,420

was a very very powerful energy so no no

1136

00:48:55,790 --> 00:48:53,700

ship could really attack it when it had

1137

00:48:58,370 --> 00:48:55,800

that field operating it was really

1138

00:49:00,050 --> 00:48:58,380

really powerful and the higher

1139

00:49:02,930 --> 00:49:00,060

dimensional ships

1140

00:49:05,510 --> 00:49:02,940

they have they exist in a Quantum vacuum

1141

00:49:07,849 --> 00:49:05,520

so they were kind of anywhere in space

1142

00:49:10,550 --> 00:49:07,859

at one time they're not like ships that

1143

00:49:13,370 --> 00:49:10,560

have to go work through wormholes they

1144

00:49:15,710 --> 00:49:13,380

can they can travel at the speed of

1145

00:49:17,750 --> 00:49:15,720

Consciousness that totally different

1146

00:49:20,510 --> 00:49:17,760

they exist outside of time and space

1147

00:49:22,130 --> 00:49:20,520

they are a different sort of craft

1148

00:49:24,890 --> 00:49:22,140

um but not all of the ships are like

1149

00:49:26,630 --> 00:49:24,900

that they're specialized ships so a lot

1150

00:49:30,050 --> 00:49:26,640

of the ships you see are not the higher

1151

00:49:32,690 --> 00:49:30,060

dimensional ships they are more lower

1152

00:49:35,329 --> 00:49:32,700

dimensional they have to open Portals go

1153

00:49:38,450 --> 00:49:35,339

through wormholes or things like that

1154

00:49:42,470 --> 00:49:38,460

but they are anti-gravity ship

1155

00:49:45,770 --> 00:49:42,480

um and the the the the one on the right

1156

00:49:48,410 --> 00:49:45,780

I was uh I was sitting waiting for my

1157

00:49:49,790 --> 00:49:48,420

husband in a pharmacy he was going to

1158

00:49:52,010 --> 00:49:49,800

the pharmacy and I was in the car park

1159

00:49:53,870 --> 00:49:52,020

waiting I saw this Cloud I saw this Bank

1160

00:49:55,010 --> 00:49:53,880

of clouds going one way and then one car

1161

00:49:57,109 --> 00:49:55,020

would go in the other way I thought well

1162

00:49:59,210 --> 00:49:57,119

that's not right I thought how come one

1163

00:50:00,349 --> 00:49:59,220

cloud is going the opposite direction so

1164

00:50:02,750 --> 00:50:00,359

I thought well I'll take some

1165

00:50:04,550 --> 00:50:02,760

photographs of that uh because my

1166

00:50:06,829 --> 00:50:04,560

husband always took nature photographs

1167

00:50:08,150 --> 00:50:06,839

so he was had a camera on board so I

1168

00:50:11,690 --> 00:50:08,160

took some photographs and that's what

1169

00:50:13,430 --> 00:50:11,700

came out there so that was like um I'm

1170

00:50:15,589 --> 00:50:13,440

not quite sure if it was crap coming out

1171

00:50:17,630 --> 00:50:15,599

of a portal if it was all one craft I'm

1172

00:50:18,829 --> 00:50:17,640

not really sure but that's what showed

1173

00:50:19,550 --> 00:50:18,839

up

1174

00:50:23,370 --> 00:50:19,560

um

1175

00:50:28,670 --> 00:50:25,390

[Music]

1176

00:50:32,329 --> 00:50:28,680

right this this is again this isn't

1177

00:50:34,370 --> 00:50:32,339

although these are not the actual ship

1178

00:50:36,770 --> 00:50:34,380

um the image is on the right and there

1179

00:50:38,390 --> 00:50:36,780

this is the natural shape of the higher

1180

00:50:41,030 --> 00:50:38,400

dimensional craft that I'm talking about

1181

00:50:43,550 --> 00:50:41,040

it would have straighter wings but it it

1182

00:50:47,450 --> 00:50:43,560

was organic it was like

1183

00:50:49,250 --> 00:50:47,460

a living being of itself it exists it

1184

00:50:51,950 --> 00:50:49,260

with its own private part although it's

1185

00:50:53,990 --> 00:50:51,960

got my DNA and I and I've also

1186

00:50:56,569 --> 00:50:54,000

communicated with other SS people who

1187

00:50:59,710 --> 00:50:56,579

have similar shapes

1188

00:51:03,530 --> 00:50:59,720

um the it's a very much a living flesh

1189

00:51:06,890 --> 00:51:03,540

sort of living being but when you

1190

00:51:08,930 --> 00:51:06,900

go in there there's no door and like the

1191

00:51:10,609 --> 00:51:08,940

front is like curved like that but

1192

00:51:12,890 --> 00:51:10,619

that's to do with frequencies and

1193

00:51:17,089 --> 00:51:12,900

vibration so it can create the energy

1194

00:51:21,049 --> 00:51:17,099

field around it and what you do is it

1195

00:51:22,670 --> 00:51:21,059

kind of envelops you uh so you're

1196

00:51:25,609 --> 00:51:22,680

standing outside and then it's you're

1197

00:51:27,049 --> 00:51:25,619

inside it's there's no door it just kind

1198

00:51:30,950 --> 00:51:27,059

of

1199

00:51:32,329 --> 00:51:30,960

um the matter changes and it creates a

1200

00:51:34,849 --> 00:51:32,339

bubble around you and then you're inside

1201

00:51:37,670 --> 00:51:34,859

the ship so it can also create any

1202

00:51:39,349 --> 00:51:37,680

atmosphere inside it's like a console I

1203

00:51:41,210 --> 00:51:39,359

remember a console and this was done by

1204

00:51:43,609 --> 00:51:41,220

a friend of mine who had similar

1205

00:51:45,829 --> 00:51:43,619

experience to send to one he did his

1206

00:51:49,069 --> 00:51:45,839

better drawing than me and that is like

1207

00:51:52,069 --> 00:51:49,079

a living console it's like um organic

1208

00:51:54,530 --> 00:51:52,079

consultant aside the gills and they were

1209

00:51:55,730 --> 00:51:54,540

like that created the atmosphere inside

1210

00:51:58,370 --> 00:51:55,740

the ship

1211

00:52:00,950 --> 00:51:58,380

so here I should do that image but not

1212

00:52:04,250 --> 00:52:00,960

me but we both quite easy in Australia

1213

00:52:06,710 --> 00:52:04,260

and he his father was involved in Area

1214

00:52:09,650 --> 00:52:06,720

51 and him and his wife have been

1215

00:52:10,870 --> 00:52:09,660

abducted quite a lot he was also

1216

00:52:14,390 --> 00:52:10,880

involved in

1217

00:52:17,329 --> 00:52:14,400

developing high-level micro and high

1218

00:52:20,870 --> 00:52:17,339

level lasers in the Vietnam War and then

1219

00:52:23,210 --> 00:52:20,880

was used by the CIA after that but um

1220

00:52:24,829 --> 00:52:23,220

and then he he has tried to escape from

1221

00:52:27,530 --> 00:52:24,839

that and then they suffered both

1222

00:52:30,650 --> 00:52:27,540

suffered really bad cancers but but they

1223

00:52:36,349 --> 00:52:30,660

are recovering cross fingers

1224

00:52:42,290 --> 00:52:38,809

right

1225

00:52:46,309 --> 00:52:42,300

as I was saying about testing earlier

1226

00:52:49,010 --> 00:52:46,319

the one creature on this planet that I

1227

00:52:52,910 --> 00:52:49,020

have always been most terrified of my

1228

00:52:56,410 --> 00:52:52,920

entire life has been spiders and

1229

00:53:00,049 --> 00:52:56,420

arachnids I was like yeah okay

1230

00:53:01,670 --> 00:53:00,059

and as I was saying an ultimate test I

1231

00:53:04,910 --> 00:53:01,680

don't know if it's a test from God or

1232

00:53:08,950 --> 00:53:04,920

test on the alliance is the very species

1233

00:53:13,970 --> 00:53:08,960

that have now become accustomed and

1234

00:53:15,589 --> 00:53:13,980

accepted by are very large arachnids

1235

00:53:19,210 --> 00:53:15,599

um they're not like your garden spiders

1236

00:53:21,710 --> 00:53:19,220

so they don't Scuttle around like that

1237

00:53:24,670 --> 00:53:21,720

to say that was a test is an

1238

00:53:27,710 --> 00:53:24,680

understatement for me

1239

00:53:30,410 --> 00:53:27,720

and I thought you can't have a more

1240

00:53:32,450 --> 00:53:30,420

testing test for me than this and what

1241

00:53:33,790 --> 00:53:32,460

happened is I was with a friend and I

1242

00:53:38,809 --> 00:53:33,800

recalled

1243

00:53:40,030 --> 00:53:38,819

a incident when I was on a base and it

1244

00:53:43,130 --> 00:53:40,040

was a party

1245

00:53:44,930 --> 00:53:43,140

and these guys who were scientists with

1246

00:53:46,549 --> 00:53:44,940

the lab coats taught me in the back

1247

00:53:49,010 --> 00:53:46,559

rooms oh dude I've got something so

1248

00:53:51,710 --> 00:53:49,020

excited to show you so I went to the

1249

00:53:53,930 --> 00:53:51,720

back room and what they showed me was a

1250

00:53:58,130 --> 00:53:53,940

spiced human arachnid

1251
00:53:59,030 --> 00:53:58,140
and I cried I was horrified at what they

1252
00:54:02,450 --> 00:53:59,040
did

1253
00:54:04,790 --> 00:54:02,460
ah Shout again and I was really very

1254
00:54:06,589 --> 00:54:04,800
very distressed about that and what I

1255
00:54:08,270 --> 00:54:06,599
didn't know at the time but I recalled

1256
00:54:10,490 --> 00:54:08,280
later he said that she spiced some of my

1257
00:54:12,530 --> 00:54:10,500
DNA in this because they were doing DNA

1258
00:54:16,010 --> 00:54:12,540
experiments taking DNA for various

1259
00:54:18,109 --> 00:54:16,020
people and you'll find I mean there's an

1260
00:54:20,510 --> 00:54:18,119
example a more mainstream example you

1261
00:54:23,690 --> 00:54:20,520
can look online is they've spliced

1262
00:54:25,970 --> 00:54:23,700
together arachnids and goats this is to

1263
00:54:29,510 --> 00:54:25,980

create and you can look this up is to

1264

00:54:34,970 --> 00:54:29,520

create the milk from the goat with the

1265

00:54:38,809 --> 00:54:34,980

spider web uh like lactose or like

1266

00:54:40,910 --> 00:54:38,819

um lactic sort of milk that will form

1267

00:54:43,069 --> 00:54:40,920

like spider thread

1268

00:54:45,589 --> 00:54:43,079

so you can even look that up in the

1269

00:54:46,970 --> 00:54:45,599

mainstream as an example and you think

1270

00:54:48,950 --> 00:54:46,980

they haven't spiced together other

1271

00:54:50,390 --> 00:54:48,960

things they Supply together anything you

1272

00:54:52,010 --> 00:54:50,400

can imagine

1273

00:54:53,630 --> 00:54:52,020

so

1274

00:54:56,329 --> 00:54:53,640

um as a consequence this was I was

1275

00:54:57,890 --> 00:54:56,339

horrified at that time but more recently

1276
00:55:00,349 --> 00:54:57,900
when I was doing the new programming

1277
00:55:03,170 --> 00:55:00,359
when my psychic principles see how this

1278
00:55:05,569 --> 00:55:03,180
you keep going on about this this thing

1279
00:55:07,970 --> 00:55:05,579
and he says we'll see how it is now see

1280
00:55:08,750 --> 00:55:07,980
if it's still alive so he remote viewed

1281
00:55:11,510 --> 00:55:08,760
it

1282
00:55:13,609 --> 00:55:11,520
and he could take me as well at the same

1283
00:55:16,250 --> 00:55:13,619
time because we can connect he's part

1284
00:55:16,970 --> 00:55:16,260
native American and

1285
00:55:20,089 --> 00:55:16,980
um

1286
00:55:22,970 --> 00:55:20,099
I'm not connected and I saw him and he's

1287
00:55:24,349 --> 00:55:22,980
a lot bigger now he's about seven foot

1288
00:55:28,030 --> 00:55:24,359

now

1289

00:55:33,410 --> 00:55:28,040

kind of human head and and arachnid body

1290

00:55:36,710 --> 00:55:33,420

and and I just wept I just cried buckets

1291

00:55:39,890 --> 00:55:36,720

and he was like yeah okay you've got a

1292

00:55:41,690 --> 00:55:39,900

real emotional point about this and I

1293

00:55:45,230 --> 00:55:41,700

was just letting so much emotion go

1294

00:55:49,010 --> 00:55:45,240

because I felt him completely and I said

1295

00:55:52,089 --> 00:55:49,020

you know you've got my DNA in you and

1296

00:55:55,430 --> 00:55:52,099

despite the fact to my

1297

00:55:58,130 --> 00:55:55,440

Terror at spiders I will accept you as

1298

00:56:00,650 --> 00:55:58,140

my son because you need love you need

1299

00:56:03,710 --> 00:56:00,660

love because you haven't got anybody

1300

00:56:06,710 --> 00:56:03,720

and so that's what I did and at that

1301

00:56:09,710 --> 00:56:06,720

point it was only a few days later an

1302

00:56:12,410 --> 00:56:09,720

image came through of

1303

00:56:13,130 --> 00:56:12,420

um like bottom right of a giant

1304

00:56:15,950 --> 00:56:13,140

um

1305

00:56:19,010 --> 00:56:15,960

been a very very benevolent arachnid and

1306

00:56:21,349 --> 00:56:19,020

it was a giant jumping spider and it had

1307

00:56:22,609 --> 00:56:21,359

like gray hair and it was an obviously

1308

00:56:26,450 --> 00:56:22,619

an elder

1309

00:56:28,790 --> 00:56:26,460

now it came in and it realized what I'd

1310

00:56:30,530 --> 00:56:28,800

done because they recite their extremely

1311

00:56:32,510 --> 00:56:30,540

psychic

1312

00:56:35,030 --> 00:56:32,520

um and precoc these ones and they're

1313

00:56:36,590 --> 00:56:35,040

benevolent they don't eat any

1314

00:56:36,950 --> 00:56:36,600

research or any

1315

00:56:38,770 --> 00:56:36,960

[Music]

1316

00:56:45,049 --> 00:56:38,780

um

1317

00:56:48,349 --> 00:56:45,059

they do is they farm this red light

1318

00:56:51,049 --> 00:56:48,359

um Mossy Lycan sort of stuff they showed

1319

00:56:52,250 --> 00:56:51,059

me and what they showed me is their

1320

00:56:56,150 --> 00:56:52,260

culture

1321

00:56:58,250 --> 00:56:56,160

they said right we do they do live here

1322

00:57:00,650 --> 00:56:58,260

some are in Britain somewhere elsewhere

1323

00:57:02,870 --> 00:57:00,660

they do live here but slightly in a

1324

00:57:05,089 --> 00:57:02,880

pocket dimension

1325

00:57:07,490 --> 00:57:05,099

they won't show themselves to anybody

1326
00:57:10,370 --> 00:57:07,500
who's scared or anything like that but

1327
00:57:12,170 --> 00:57:10,380
if you look up ancient Celtics some of

1328
00:57:14,630 --> 00:57:12,180
the ancient Celtic people used to

1329
00:57:17,589 --> 00:57:14,640
communicate them and Revere them as very

1330
00:57:21,069 --> 00:57:17,599
wise because they are peacocks

1331
00:57:24,890 --> 00:57:21,079
and they've been extremely

1332
00:57:27,470 --> 00:57:24,900
informative of me and

1333
00:57:30,410 --> 00:57:27,480
they communicated with me psychically

1334
00:57:32,510 --> 00:57:30,420
and I could see them but they calm me as

1335
00:57:33,770 --> 00:57:32,520
well to help me so I didn't Panic or

1336
00:57:36,950 --> 00:57:33,780
anything

1337
00:57:39,829 --> 00:57:36,960
and but I learned that what they did

1338
00:57:43,370 --> 00:57:39,839

they they are very controlling of their

1339

00:57:46,490 --> 00:57:43,380

breed like most other beings of other

1340

00:57:48,829 --> 00:57:46,500

planets other cultures they can control

1341

00:57:51,650 --> 00:57:48,839

their population they don't kill their

1342

00:57:54,170 --> 00:57:51,660

population they don't want them off but

1343

00:57:57,230 --> 00:57:54,180

they do only allow so many to breathe

1344

00:57:59,930 --> 00:57:57,240

and you can sort of you can take a step

1345

00:58:02,030 --> 00:57:59,940

back from our culture and say why do we

1346

00:58:04,670 --> 00:58:02,040

have all this strong sex drug why do we

1347

00:58:07,370 --> 00:58:04,680

have this strong urge to all procreate

1348

00:58:10,250 --> 00:58:07,380

and uh you know a lot of the origins uh

1349

00:58:13,130 --> 00:58:10,260

religion say over procreate and so we

1350

00:58:16,190 --> 00:58:13,140

get really really vast numbers of people

1351
00:58:18,230 --> 00:58:16,200
and I'm not against anybody having

1352
00:58:19,670 --> 00:58:18,240
children that's not it but it's about

1353
00:58:23,510 --> 00:58:19,680
the value

1354
00:58:26,930 --> 00:58:23,520
they put so much value on their young

1355
00:58:30,109 --> 00:58:26,940
and so do other cultures that they are

1356
00:58:34,490 --> 00:58:30,119
no longer lived so so you know everybody

1357
00:58:37,670 --> 00:58:34,500
can have a child but it may be longer

1358
00:58:40,250 --> 00:58:37,680
down the line because then the ages

1359
00:58:43,370 --> 00:58:40,260
aren't cut off like we are because we're

1360
00:58:46,130 --> 00:58:43,380
formed like an open Castle system right

1361
00:58:47,750 --> 00:58:46,140
oh let's get the breeding stop going oh

1362
00:58:48,950 --> 00:58:47,760
we've got the breeding stuff I'll let do

1363
00:58:51,349 --> 00:58:48,960

a harvest

1364

00:58:54,230 --> 00:58:51,359

and that's what they do here

1365

00:58:57,829 --> 00:58:54,240

and and it's like other courses just

1366

00:59:01,549 --> 00:58:57,839

don't do that they are literally value

1367

00:59:03,589 --> 00:59:01,559

life so much they control it but in a

1368

00:59:05,870 --> 00:59:03,599

benevolent way these in the higher

1369

00:59:09,829 --> 00:59:05,880

dimensionals too all of them they they

1370

00:59:13,309 --> 00:59:09,839

really do value life even even the

1371

00:59:16,370 --> 00:59:13,319

reptilians only breach a certain amount

1372

00:59:17,770 --> 00:59:16,380

they only even they but they they don't

1373

00:59:20,510 --> 00:59:17,780

have to

1374

00:59:21,890 --> 00:59:20,520

achieve a certain level or they're not

1375

00:59:23,809 --> 00:59:21,900

valued

1376

00:59:25,430 --> 00:59:23,819

so they you know as I said certain

1377

00:59:26,809 --> 00:59:25,440

groups of the reptiles will bump their

1378

00:59:29,930 --> 00:59:26,819

own off if they don't get to a certain

1379

00:59:31,250 --> 00:59:29,940

level it's only really humans who have

1380

00:59:33,890 --> 00:59:31,260

this

1381

00:59:35,210 --> 00:59:33,900

um different view that's been uh

1382

00:59:37,670 --> 00:59:35,220

propagated

1383

00:59:39,589 --> 00:59:37,680

but I mean look at life now we've been

1384

00:59:42,170 --> 00:59:39,599

targeted in so many different ways we

1385

00:59:44,390 --> 00:59:42,180

should live a lot longer than we do

1386

00:59:47,630 --> 00:59:44,400

but we've been targeted we've been

1387

00:59:50,150 --> 00:59:47,640

poisoned one thing another and as I said

1388

00:59:53,450 --> 00:59:50,160

um various times like at the beginning

1389

00:59:56,270 --> 00:59:53,460

of the pandemic what did they do what

1390

00:59:59,450 --> 00:59:56,280

they quietly pass through law is you

1391

01:00:01,849 --> 00:59:59,460

have to opt out of organ donation

1392

01:00:04,190 --> 01:00:01,859

why is that at just that time not any

1393

01:00:06,950 --> 01:00:04,200

other time but just that time

1394

01:00:10,789 --> 01:00:06,960

so all everybody if you're not opted out

1395

01:00:12,650 --> 01:00:10,799

of organ donation you're opted in but it

1396

01:00:15,410 --> 01:00:12,660

doesn't say those organs and everything

1397

01:00:18,530 --> 01:00:15,420

else is for human beings it doesn't

1398

01:00:21,470 --> 01:00:18,540

specifically say well if you die for

1399

01:00:23,329 --> 01:00:21,480

whatever reason your body can meet your

1400

01:00:26,690 --> 01:00:23,339

lung or your heart can be used in

1401

01:00:29,450 --> 01:00:26,700

another human it doesn't say that so it

1402

01:00:32,089 --> 01:00:29,460

opens the gate to other beings you give

1403

01:00:34,190 --> 01:00:32,099

ambition for other beings so then if you

1404

01:00:35,510 --> 01:00:34,200

die or in other circumstances they can

1405

01:00:38,210 --> 01:00:35,520

take you

1406

01:00:41,270 --> 01:00:38,220

and this is a crafty way and I'm sure

1407

01:00:43,609 --> 01:00:41,280

the people who brought this law in were

1408

01:00:45,589 --> 01:00:43,619

totally unaware of this they were

1409

01:00:48,049 --> 01:00:45,599

probably my influence saying oh a bit

1410

01:00:50,210 --> 01:00:48,059

short of organ so let's make it law that

1411

01:00:53,510 --> 01:00:50,220

you know you have to opt out but totally

1412

01:00:56,390 --> 01:00:53,520

unaware of the greater consequences of

1413

01:00:59,569 --> 01:00:57,829

um but it's something to bear in mind

1414

01:01:01,190 --> 01:00:59,579

because I most certainly opted out and

1415

01:01:02,089 --> 01:01:01,200

so is my son

1416

01:01:06,049 --> 01:01:02,099

um

1417

01:01:08,329 --> 01:01:06,059

now here in different sorts of arachnids

1418

01:01:09,829 --> 01:01:08,339

now I was told there's something called

1419

01:01:13,670 --> 01:01:09,839

the Great weaving

1420

01:01:15,109 --> 01:01:13,680

and there is a very much uh this is

1421

01:01:18,109 --> 01:01:15,119

looking at a completely different

1422

01:01:20,510 --> 01:01:18,119

perspective from a human perspective

1423

01:01:22,730 --> 01:01:20,520

they are involved in some of the higher

1424

01:01:25,430 --> 01:01:22,740

dimensional Iraqis involved in creating

1425

01:01:28,970 --> 01:01:25,440

energy lights throughout the Universe

1426
01:01:31,910 --> 01:01:28,980
so that these are galaxies and the web

1427
01:01:33,770 --> 01:01:31,920
of galaxies and they're telling me that

1428
01:01:36,470 --> 01:01:33,780
some of the higher dimensional are

1429
01:01:40,609 --> 01:01:36,480
actually to form these with energy lines

1430
01:01:44,870 --> 01:01:40,619
and of course we know that arachnids can

1431
01:01:47,230 --> 01:01:44,880
fly in the air using electromagnetics

1432
01:01:50,510 --> 01:01:47,240
using the web as a form of

1433
01:01:52,670 --> 01:01:50,520
electromagnetic way of flying through

1434
01:01:55,549 --> 01:01:52,680
the air so it's not just caught on the

1435
01:01:59,329 --> 01:01:55,559
breeze and they start flowing off it is

1436
01:02:02,510 --> 01:01:59,339
a kind of electromagnetic form

1437
01:02:04,549 --> 01:02:02,520
um and then so we've got all these

1438
01:02:06,470 --> 01:02:04,559

aspects and then the center bit is very

1439

01:02:09,230 --> 01:02:06,480

interesting now if you've heard of

1440

01:02:12,530 --> 01:02:09,240

Bohemian Grove that's where a lot of the

1441

01:02:15,770 --> 01:02:12,540

satanic and ball groups

1442

01:02:17,930 --> 01:02:15,780

um meet or molok who worship the moloch

1443

01:02:22,730 --> 01:02:17,940

and things like that which is the owl

1444

01:02:23,410 --> 01:02:22,740

now here it's quite interesting it says

1445

01:02:28,250 --> 01:02:23,420

um

1446

01:02:31,250 --> 01:02:28,260

weaving spiders come not here so it's

1447

01:02:33,829 --> 01:02:31,260

like it's a defense seal they put on

1448

01:02:36,230 --> 01:02:33,839

Bohemian Grove to stop benevolent

1449

01:02:37,910 --> 01:02:36,240

arachnids interfering where they are

1450

01:02:39,829 --> 01:02:37,920

negative practices

1451

01:02:42,650 --> 01:02:39,839

now this is not to say that all the

1452

01:02:45,170 --> 01:02:42,660

ratings are positive either you've got

1453

01:02:49,270 --> 01:02:45,180

to discern psychically what is a

1454

01:02:53,450 --> 01:02:52,130

and will not be very good like a Mars

1455

01:02:55,010 --> 01:02:53,460

there's some that are territory You

1456

01:02:55,730 --> 01:02:55,020

Don't Go Near them because it will eat

1457

01:03:01,730 --> 01:02:55,740

you

1458

01:03:03,650 --> 01:03:01,740

that aren't at the same level they they

1459

01:03:05,990 --> 01:03:03,660

can be influenced by a negative but

1460

01:03:08,030 --> 01:03:06,000

you've got you need to develop the

1461

01:03:10,130 --> 01:03:08,040

psychic capability of saying is this a

1462

01:03:12,410 --> 01:03:10,140

positive is this a negative

1463

01:03:14,630 --> 01:03:12,420

and then connect to C

1464

01:03:16,970 --> 01:03:14,640

and this is like when a ship flies over

1465

01:03:19,910 --> 01:03:16,980

what I do is remote view it well are you

1466

01:03:21,589 --> 01:03:19,920

human are you negative or are you

1467

01:03:23,930 --> 01:03:21,599

positive because some of the ships look

1468

01:03:25,970 --> 01:03:23,940

the same now see it's not easy to

1469

01:03:27,530 --> 01:03:25,980

discern by just looking at the shape of

1470

01:03:29,329 --> 01:03:27,540

the ship could be negative it could be

1471

01:03:30,069 --> 01:03:29,339

positive

1472

01:03:32,569 --> 01:03:30,079

um

1473

01:03:34,549 --> 01:03:32,579

oh God should I run away should I not

1474

01:03:36,289 --> 01:03:34,559

you know what's going on here it's the

1475

01:03:38,210 --> 01:03:36,299

only way you can work it out

1476

01:03:40,849 --> 01:03:38,220

I mean I do all the time when I see

1477

01:03:43,309 --> 01:03:40,859

craft going over which I see regularly

1478

01:03:44,870 --> 01:03:43,319

it's not a good one bad one I can't

1479

01:03:47,450 --> 01:03:44,880

remote view it I think oh that's okay

1480

01:03:49,549 --> 01:03:47,460

that's a good one oh that's a really

1481

01:03:51,289 --> 01:03:49,559

nasty one uh let's put shielding up and

1482

01:03:54,530 --> 01:03:51,299

call friends in

1483

01:03:57,349 --> 01:03:54,540

um so that's that and now I've also uh

1484

01:04:00,349 --> 01:03:57,359

like on the right there that's Naga and

1485

01:04:02,510 --> 01:04:00,359

Nago is a kind of serpenty snake and

1486

01:04:06,230 --> 01:04:02,520

I've I've seen them I've seen them in my

1487

01:04:09,650 --> 01:04:06,240

stream yet they're protection for Milan

1488

01:04:12,890 --> 01:04:09,660

so they're not necessary they look a bit

1489

01:04:14,569 --> 01:04:12,900

more scary but but actually they can

1490

01:04:18,230 --> 01:04:14,579

some of these beans could be protection

1491

01:04:19,849 --> 01:04:18,240

they're not necessarily going to you

1492

01:04:22,549 --> 01:04:19,859

know you've got to treat them with

1493

01:04:24,470 --> 01:04:22,559

respect but they're an individual being

1494

01:04:26,750 --> 01:04:24,480

you know as long as you treat them with

1495

01:04:28,730 --> 01:04:26,760

respect they'll treat you with respect

1496

01:04:31,549 --> 01:04:28,740

and if you move forward enough they'll

1497

01:04:34,309 --> 01:04:31,559

actually help protect you too

1498

01:04:36,650 --> 01:04:34,319

um so that just gives you an idea of

1499

01:04:38,210 --> 01:04:36,660

what it you know more of an idea on this

1500

01:04:40,069 --> 01:04:38,220

planet of how to communicate with

1501

01:04:41,809 --> 01:04:40,079

different beings

1502

01:04:43,730 --> 01:04:41,819

um they do exist in different ways than

1503

01:04:48,710 --> 01:04:43,740

us I'm still learning very much I've

1504

01:04:51,410 --> 01:04:48,720

more recently had a sauce to Orange uh

1505

01:04:52,490 --> 01:04:51,420

craft go across the sky that was last

1506

01:04:56,990 --> 01:04:52,500

year I think

1507

01:04:58,849 --> 01:04:57,000

and um then the two OrangeCraft oh I

1508

01:05:00,650 --> 01:04:58,859

knew they were because I was writing pie

1509

01:05:02,750 --> 01:05:00,660

and I saw them go across one of those

1510

01:05:04,670 --> 01:05:02,760

spherism I tried to communicate with

1511

01:05:07,370 --> 01:05:04,680

them well they're not negative but what

1512

01:05:09,109 --> 01:05:07,380

are they I can't quite tune in and it

1513

01:05:11,150 --> 01:05:09,119

wasn't until I got with some friends who

1514

01:05:13,490 --> 01:05:11,160

were psychic and we got together and we

1515

01:05:16,130 --> 01:05:13,500

tried to revoke you back what they were

1516

01:05:17,930 --> 01:05:16,140

and then I connected and they connected

1517

01:05:19,430 --> 01:05:17,940

with them and they were lying beings

1518

01:05:22,490 --> 01:05:19,440

well I've never connected with them

1519

01:05:24,370 --> 01:05:22,500

before so I was like oh oh yeah okay

1520

01:05:26,930 --> 01:05:24,380

kind of high

1521

01:05:28,730 --> 01:05:26,940

and and you know they communicate back

1522

01:05:31,370 --> 01:05:28,740

but I don't know a great deal about them

1523

01:05:33,950 --> 01:05:31,380

but I know they're okay that's all I

1524

01:05:36,349 --> 01:05:33,960

know I don't have a huge connection with

1525

01:05:39,049 --> 01:05:36,359

the lion beings but they were they

1526

01:05:42,109 --> 01:05:39,059

weren't negative I know that but that's

1527

01:05:44,630 --> 01:05:42,119

kind of and I can call upon them as well

1528

01:05:46,430 --> 01:05:44,640

if necessary but I don't have much more

1529

01:05:49,730 --> 01:05:46,440

communication than that

1530

01:05:51,589 --> 01:05:49,740

but I might do in the future it may be

1531

01:05:53,750 --> 01:05:51,599

that they come forward more and they

1532

01:05:56,450 --> 01:05:53,760

learn their culture more and how they

1533

01:05:57,710 --> 01:05:56,460

exist and how they interact with each

1534

01:05:59,450 --> 01:05:57,720

other and things like because I am

1535

01:06:01,190 --> 01:05:59,460

interested in other cultures I've always

1536

01:06:03,049 --> 01:06:01,200

been interested in other cultures on the

1537

01:06:04,849 --> 01:06:03,059

planet and I'm interested in other

1538

01:06:06,950 --> 01:06:04,859

cultures on different planets and

1539

01:06:08,950 --> 01:06:06,960

different beings because they can

1540

01:06:12,349 --> 01:06:08,960

sometimes give a really good beneficial

1541

01:06:15,109 --> 01:06:12,359

perspective to us on Earth of how to

1542

01:06:18,829 --> 01:06:15,119

live or how to exist in a better way or

1543

01:06:21,289 --> 01:06:18,839

or to understand things in a better way

1544

01:06:24,230 --> 01:06:21,299

um you know in a more benevolent way or

1545

01:06:26,930 --> 01:06:24,240

how do we manage this can we fight if we

1546

01:06:28,670 --> 01:06:26,940

fight are we bad but you know it you

1547

01:06:31,190 --> 01:06:28,680

know if we kill a reptilian is that

1548

01:06:33,529 --> 01:06:31,200

really bad or you know are we going to

1549

01:06:35,150 --> 01:06:33,539

be calmer and punished for that or how

1550

01:06:36,950 --> 01:06:35,160

do I find them what do we do you know

1551

01:06:39,049 --> 01:06:36,960

and you can learn this from other beings

1552

01:06:42,410 --> 01:06:39,059

and what you can do from them you know

1553

01:06:46,609 --> 01:06:42,420

it's all it's all learning process

1554

01:06:51,589 --> 01:06:49,069

right it's another connection I got so I

1555

01:06:54,589 --> 01:06:51,599

go from right from where I go I've had

1556

01:06:57,470 --> 01:06:54,599

connection with ghosts

1557

01:06:59,870 --> 01:06:57,480

um Spirits you name it so it's not just

1558

01:07:02,150 --> 01:06:59,880

beneathies that's just the later thing

1559

01:07:04,910 --> 01:07:02,160

but uh that I managed to communicate

1560

01:07:06,890 --> 01:07:04,920

with them after I got my controller but

1561

01:07:09,890 --> 01:07:06,900

I've always had paranormal experiences

1562

01:07:12,650 --> 01:07:09,900

my whole life no it's just normal for me

1563

01:07:13,430 --> 01:07:12,660

uh and on the left

1564

01:07:16,370 --> 01:07:13,440

um

1565

01:07:19,130 --> 01:07:16,380

a psychologist of mine that I knew some

1566

01:07:21,770 --> 01:07:19,140

years ago he had like a little bit of

1567

01:07:26,450 --> 01:07:21,780

fabric from that Padre Pio on the left

1568

01:07:27,829 --> 01:07:26,460

is uh Saint Padre Pio uh he had Stigmata

1569

01:07:29,809 --> 01:07:27,839

anyway

1570

01:07:31,910 --> 01:07:29,819

um I felt the fabric and I connected

1571

01:07:33,890 --> 01:07:31,920

with it now you may not be around

1572

01:07:36,349 --> 01:07:33,900

Catholic or anything like that and I'm

1573

01:07:38,510 --> 01:07:36,359

not Roman Catholic but with him he was

1574

01:07:41,150 --> 01:07:38,520

very spiritual and I connected with him

1575

01:07:42,890 --> 01:07:41,160

and he's been helping me and he and

1576

01:07:45,349 --> 01:07:42,900

others have been helping me and I have

1577

01:07:49,190 --> 01:07:45,359

done lesson Latin recitations when I've

1578

01:07:51,770 --> 01:07:49,200

been attacked by satanic and

1579

01:07:52,970 --> 01:07:51,780

um and through that it has worked I'm

1580

01:07:56,270 --> 01:07:52,980

like okay

1581

01:07:58,730 --> 01:07:56,280

I don't care whatever why it works I

1582

01:08:01,130 --> 01:07:58,740

don't know but it works and that's good

1583

01:08:03,049 --> 01:08:01,140

enough for me but he's been teaching me

1584

01:08:05,990 --> 01:08:03,059

certain things

1585

01:08:07,609 --> 01:08:06,000

um again I'm very respectful to him and

1586

01:08:10,490 --> 01:08:07,619

things like that so I'm very very

1587

01:08:13,069 --> 01:08:10,500

blessed to have his support

1588

01:08:16,789 --> 01:08:13,079

um and then of course Archangel Michael

1589

01:08:18,470 --> 01:08:16,799

in the middle I have once seen Archangel

1590

01:08:19,309 --> 01:08:18,480

Michael I knew it was going to be a

1591

01:08:21,709 --> 01:08:19,319

little bit

1592

01:08:23,150 --> 01:08:21,719

difficult time he said everything was

1593

01:08:24,289 --> 01:08:23,160

going to be all right but at the time he

1594

01:08:27,410 --> 01:08:24,299

knew things weren't going to be all

1595

01:08:28,550 --> 01:08:27,420

right so I thought oh well he's saying

1596

01:08:31,189 --> 01:08:28,560

things are going to be all right we can

1597

01:08:32,870 --> 01:08:31,199

feel it to me but actually he was right

1598

01:08:34,870 --> 01:08:32,880

in the long term but in the short term

1599

01:08:38,510 --> 01:08:34,880

it was pretty bad

1600

01:08:41,090 --> 01:08:38,520

but uh it was a phenomenal energy it was

1601

01:08:43,610 --> 01:08:41,100

like a blue energy came in really

1602

01:08:45,530 --> 01:08:43,620

relaxed me and I didn't want him to go I

1603

01:08:49,490 --> 01:08:45,540

was like oh please stay

1604

01:08:52,970 --> 01:08:49,500

but um and then our own Consciousness

1605

01:08:55,970 --> 01:08:52,980

and our abilities as we develop more the

1606

01:08:58,430 --> 01:08:55,980

stuff is stopping us uh raising up to be

1607

01:09:01,189 --> 01:08:58,440

a level of an Angelic or something like

1608

01:09:04,309 --> 01:09:01,199

that in time as we progress at the

1609

01:09:06,890 --> 01:09:04,319

moment where we're earthed in a human

1610

01:09:08,510 --> 01:09:06,900

body so our Consciousness is very

1611

01:09:11,030 --> 01:09:08,520

difficult to expand to that level

1612

01:09:15,950 --> 01:09:11,040

because we're kind of Trapped in a clamp

1613

01:09:19,309 --> 01:09:15,960

of this reality Consciousness uh

1614

01:09:21,229 --> 01:09:19,319

perception and because when I went up to

1615

01:09:23,390 --> 01:09:21,239

the plaything ship and I was taken up

1616

01:09:26,269 --> 01:09:23,400

there it was like a clamp came off the

1617

01:09:27,829 --> 01:09:26,279

head and my perception expanded when I

1618

01:09:29,990 --> 01:09:27,839

came back down to earth it was like a

1619

01:09:31,970 --> 01:09:30,000

clump went straight on my head again it

1620

01:09:34,910 --> 01:09:31,980

was so heavy down there it's like a

1621

01:09:36,950 --> 01:09:34,920

heavy feeling but hopefully we will

1622

01:09:39,169 --> 01:09:36,960

break free of this heavy feeling and we

1623

01:09:40,610 --> 01:09:39,179

will be able to rise to that higher

1624

01:09:42,829 --> 01:09:40,620

level

1625

01:09:45,229 --> 01:09:42,839

um and that's what a lot of beings are

1626

01:09:46,910 --> 01:09:45,239

trying to support us in doing that but

1627

01:09:50,510 --> 01:09:46,920

there's a lot we have to lead the way

1628

01:09:53,630 --> 01:09:50,520

you know we all every single person here

1629

01:09:56,090 --> 01:09:53,640

has a key role you know we all have key

1630

01:09:58,790 --> 01:09:56,100

roles in this it's all it's all

1631

01:10:01,310 --> 01:09:58,800

self-development and then to help other

1632

01:10:05,689 --> 01:10:01,320

people as well

1633

01:10:12,890 --> 01:10:10,310

uh and warriors confront evil that most

1634

01:10:15,430 --> 01:10:12,900

people refuse to acknowledge so some

1635

01:10:18,490 --> 01:10:15,440

people don't even understand their pets

1636

01:10:22,430 --> 01:10:18,500

uh or other beings they don't understand

1637

01:10:25,250 --> 01:10:22,440

even the basics of the manipulation the

1638

01:10:27,350 --> 01:10:25,260

governments are doing or even the

1639

01:10:29,689 --> 01:10:27,360

government Personnel themselves being

1640

01:10:33,530 --> 01:10:29,699

manipulated psychically or by other

1641

01:10:37,189 --> 01:10:33,540

beings so it's about increasing our

1642

01:10:38,870 --> 01:10:37,199

knowledge and also fighting in the

1643

01:10:41,450 --> 01:10:38,880

spiritual way because it's partly a

1644

01:10:44,209 --> 01:10:41,460

spiritual battle to actually free our

1645

01:10:45,709 --> 01:10:44,219

planet and everybody on it and every

1646

01:10:48,229 --> 01:10:45,719

being on it so it's not just human

1647

01:10:52,310 --> 01:10:48,239

beings all the other beings

1648

01:10:55,550 --> 01:10:52,320

um Animal Spirits tree Spirits uh Fey

1649

01:10:57,890 --> 01:10:55,560

all all these all the beings on our

1650

01:10:59,209 --> 01:10:57,900

planet are in danger from all this uh

1651
01:11:00,709 --> 01:10:59,219
negative

1652
01:11:07,070 --> 01:11:00,719
uh

1653
01:11:08,689 --> 01:11:07,080
start to especially the transhuman is

1654
01:11:09,890 --> 01:11:08,699
it's starting to infiltrate into their

1655
01:11:12,410 --> 01:11:09,900
dimensions

1656
01:11:14,870 --> 01:11:12,420
so you know it's not just us at risk

1657
01:11:18,530 --> 01:11:14,880
they're at risk too

1658
01:11:22,010 --> 01:11:21,290
so this is about us

1659
01:11:23,570 --> 01:11:22,020
um

1660
01:11:25,189 --> 01:11:23,580
as I said there we're all

1661
01:11:28,010 --> 01:11:25,199
multi-dimensional beings and we are

1662
01:11:30,229 --> 01:11:28,020
we're all multibandial beings are our

1663
01:11:32,630 --> 01:11:30,239

physical bodies is only one element of

1664

01:11:35,510 --> 01:11:32,640

who we are we're very much more

1665

01:11:37,189 --> 01:11:35,520

Consciousness but on Earth we have to

1666

01:11:40,550 --> 01:11:37,199

realize we've got a human body we need

1667

01:11:43,189 --> 01:11:40,560

to look after if we can and you know and

1668

01:11:44,810 --> 01:11:43,199

while we're here as a human being we

1669

01:11:46,970 --> 01:11:44,820

have that connection to Mother Earth

1670

01:11:49,310 --> 01:11:46,980

they're trying to break it but we have a

1671

01:11:50,990 --> 01:11:49,320

strong connection than any other beings

1672

01:11:53,630 --> 01:11:51,000

other than other Fae and things like

1673

01:11:57,169 --> 01:11:53,640

that so we are very powerful on this

1674

01:11:59,390 --> 01:11:57,179

planet because we were born here

1675

01:12:02,390 --> 01:11:59,400

some of these other negative beers are

1676

01:12:06,709 --> 01:12:02,400

not born here we are

1677

01:12:09,770 --> 01:12:06,719

so we have the right to be here

1678

01:12:11,570 --> 01:12:09,780

and as such we have the capability of

1679

01:12:13,130 --> 01:12:11,580

starting to fight these if our

1680

01:12:15,649 --> 01:12:13,140

Consciousness if we can break free of

1681

01:12:18,229 --> 01:12:15,659

this Consciousness traps

1682

01:12:20,630 --> 01:12:18,239

and this is what you know this is what

1683

01:12:22,790 --> 01:12:20,640

I'm learning I'm learning from you know

1684

01:12:24,709 --> 01:12:22,800

from being really trapped I mean I was

1685

01:12:27,770 --> 01:12:24,719

always aware of governments and things

1686

01:12:30,530 --> 01:12:27,780

like that but I was not aware of the ETS

1687

01:12:32,330 --> 01:12:30,540

and all the other beings as much as I am

1688

01:12:34,610 --> 01:12:32,340

now and as I'm stepping forward I'm

1689

01:12:38,570 --> 01:12:34,620

learning more and I'm learning more of

1690

01:12:41,750 --> 01:12:38,580

how they operate so and you know like be

1691

01:12:44,330 --> 01:12:41,760

a beacon all of us be a beacon beacon of

1692

01:12:45,709 --> 01:12:44,340

light and it has got to be upon the

1693

01:12:47,090 --> 01:12:45,719

heart so when you're communicating with

1694

01:12:49,370 --> 01:12:47,100

other beings it needs to be from the

1695

01:12:51,050 --> 01:12:49,380

heart you need to be totally genuine

1696

01:12:52,790 --> 01:12:51,060

don't know

1697

01:12:55,010 --> 01:12:52,800

so if you're not genuine they'll know

1698

01:12:57,229 --> 01:12:55,020

you're not genuine so like you know

1699

01:12:59,630 --> 01:12:57,239

there's no getting away from it

1700

01:13:00,470 --> 01:12:59,640

but uh yeah I think that's something I

1701

01:13:02,149 --> 01:13:00,480

think

1702

01:13:04,070 --> 01:13:02,159

next slide if there is one I don't know

1703

01:13:07,250 --> 01:13:04,080

if there is one yeah that's the last one

1704

01:13:09,850 --> 01:13:07,260

so if there's any questions feel free so

1705

01:13:15,880 --> 01:13:09,860

I've got time for a few questions

1706

01:13:15,890 --> 01:13:24,229

[Laughter]

1707

01:13:28,310 --> 01:13:26,450

I think you answered all the questions

1708

01:13:30,830 --> 01:13:28,320

that's where there's a form of Silence

1709

01:13:33,310 --> 01:13:30,840

oh thank you and I've covered a lot

1710

01:13:35,870 --> 01:13:33,320

tonight so I appreciate that it was like

1711

01:13:37,310 --> 01:13:35,880

God there's all this differently and if

1712

01:13:38,750 --> 01:13:37,320

you're anything like me I go and think

1713

01:13:43,010 --> 01:13:38,760

oh I could have done with answering that

1714

01:13:43,020 --> 01:13:47,090

you've studied psychology

1715

01:13:52,070 --> 01:13:48,950

um

1716

01:13:53,630 --> 01:13:52,080

I think most of it was to do with the

1717

01:13:54,830 --> 01:13:53,640

battle between the positive and the

1718

01:13:57,550 --> 01:13:54,840

negative

1719

01:14:00,050 --> 01:13:57,560

of our human existence

1720

01:14:03,050 --> 01:14:00,060

so what about

1721

01:14:06,110 --> 01:14:03,060

um with psychology

1722

01:14:08,149 --> 01:14:06,120

um there's a guy Carl Young and he

1723

01:14:10,669 --> 01:14:08,159

mentions about the Shadow and how we

1724

01:14:14,810 --> 01:14:10,679

control it

1725

01:14:16,490 --> 01:14:14,820

well the shadow is quite complex now I I

1726

01:14:18,060 --> 01:14:16,500

understand Carl Jung was one of my

1727

01:14:19,310 --> 01:14:18,070

favorite psychologists actually

1728

01:14:21,560 --> 01:14:19,320

[Music]

1729

01:14:22,250 --> 01:14:21,570

um and then I was a member of the

1730

01:14:23,229 --> 01:14:22,260

[Music]

1731

01:14:27,410 --> 01:14:23,239

um

1732

01:14:27,420 --> 01:14:31,750

[Music]

1733

01:14:36,229 --> 01:14:34,610

it was the top paranormal side of

1734

01:14:38,209 --> 01:14:36,239

psychology it's the with the British

1735

01:14:40,430 --> 01:14:38,219

psychological society and everything but

1736

01:14:43,250 --> 01:14:40,440

they focus on Carl jungle people of that

1737

01:14:47,100 --> 01:14:43,260

nature uh and others about ghosts and

1738

01:14:47,110 --> 01:14:52,070

[Music]

1739

01:14:57,530 --> 01:14:54,890

of the dark side we do need to integrate

1740

01:14:59,510 --> 01:14:57,540

the shadow side

1741

01:15:02,270 --> 01:14:59,520

um but that's all part of like a

1742

01:15:04,390 --> 01:15:02,280

Consciousness this development there's

1743

01:15:08,209 --> 01:15:04,400

very different aspects so it's about

1744

01:15:11,270 --> 01:15:08,219

healing through psychology but Also

1745

01:15:13,189 --> 01:15:11,280

spiritually because you can unbeknowing

1746

01:15:15,410 --> 01:15:13,199

have attached negative attachments and

1747

01:15:18,830 --> 01:15:15,420

they don't even know it so sometimes you

1748

01:15:21,890 --> 01:15:18,840

can find that out by psychics or like

1749

01:15:23,270 --> 01:15:21,900

the quantum uh hypnosis things like that

1750

01:15:26,870 --> 01:15:23,280

they'll find out if you've got any

1751

01:15:29,030 --> 01:15:26,880

attachments that are attached to you

1752

01:15:31,130 --> 01:15:29,040

um also if you start getting really

1753

01:15:34,130 --> 01:15:31,140

negative thoughts that seem to be

1754

01:15:37,010 --> 01:15:34,140

external they probably are external

1755

01:15:39,070 --> 01:15:37,020

they're either frequency increasingly

1756

01:15:43,130 --> 01:15:39,080

now there's a mixture so you get

1757

01:15:45,050 --> 01:15:43,140

frequencies from uh like we were talking

1758

01:15:46,990 --> 01:15:45,060

about the other day that some of the

1759

01:15:51,050 --> 01:15:47,000

news channels have been pumping out

1760

01:15:52,970 --> 01:15:51,060

subliminals for various things so you've

1761

01:15:55,130 --> 01:15:52,980

got to watch that

1762

01:15:57,770 --> 01:15:55,140

um and you can't hear subliminals if you

1763

01:15:58,990 --> 01:15:57,780

study hypnotherapy and if you which I

1764

01:16:02,090 --> 01:15:59,000

have studied

1765

01:16:04,070 --> 01:16:02,100

subliminals you can't hear them but

1766

01:16:06,050 --> 01:16:04,080

they're pumped out and hopefully

1767

01:16:08,510 --> 01:16:06,060

positive ones if you get a positive

1768

01:16:09,890 --> 01:16:08,520

meditation but you can't physically hear

1769

01:16:11,810 --> 01:16:09,900

them

1770

01:16:16,550 --> 01:16:11,820

um so does that influence that you can

1771

01:16:18,410 --> 01:16:16,560

be influenced by but also demonic

1772

01:16:22,910 --> 01:16:18,420

um imps

1773

01:16:25,250 --> 01:16:22,920

um gin and other negative beings they

1774

01:16:28,430 --> 01:16:25,260

can start infiltrating your life and of

1775

01:16:31,430 --> 01:16:28,440

course it can be triggered by you know

1776

01:16:34,550 --> 01:16:31,440

things like lockdowns or some tragedy in

1777

01:16:38,090 --> 01:16:34,560

your life or some trauma and then they

1778

01:16:40,610 --> 01:16:38,100

start feeding in negative

1779

01:16:42,050 --> 01:16:40,620

um like belittling things about you you

1780

01:16:44,570 --> 01:16:42,060

know they might start you might start

1781

01:16:46,310 --> 01:16:44,580

thinking it's your internal Voice or

1782

01:16:48,950 --> 01:16:46,320

your internal Consciousness saying

1783

01:16:51,890 --> 01:16:48,960

you're not good enough you're useless at

1784

01:16:54,590 --> 01:16:51,900

this oh do this do that you know and

1785

01:16:57,290 --> 01:16:54,600

it's actually it's not schizophrenia it

1786

01:17:00,470 --> 01:16:57,300

is actually from the negative

1787

01:17:02,930 --> 01:17:00,480

try to lower your vibration so they can

1788

01:17:05,750 --> 01:17:02,940

feed off you because they feed off your

1789

01:17:07,490 --> 01:17:05,760

lower vibration and they they love it

1790

01:17:10,149 --> 01:17:07,500

when there's trauma and if there's any

1791

01:17:12,530 --> 01:17:10,159

War zones the Demonic are flying over

1792

01:17:15,530 --> 01:17:12,540

feeding off and all the trauma that's

1793

01:17:17,149 --> 01:17:15,540

going on and that's what they love and

1794

01:17:19,310 --> 01:17:17,159

that's what they try and Trigger so

1795

01:17:20,689 --> 01:17:19,320

you've got negative ETS trying to

1796

01:17:22,070 --> 01:17:20,699

trigger certain things and you've got

1797

01:17:24,229 --> 01:17:22,080

negative

1798

01:17:26,030 --> 01:17:24,239

like acid gin and things like that

1799

01:17:27,950 --> 01:17:26,040

trying to trigger things and there's

1800

01:17:31,130 --> 01:17:27,960

been a huge increase because I do listen

1801

01:17:34,189 --> 01:17:31,140

to some of the exorcists who are

1802

01:17:36,350 --> 01:17:34,199

currently have a huge increase of people

1803

01:17:39,890 --> 01:17:36,360

being possessed and there's different

1804

01:17:42,709 --> 01:17:39,900

levels of possession uh this obsession

1805

01:17:46,550 --> 01:17:42,719

is part of a beginning stage of of

1806

01:17:48,709 --> 01:17:46,560

possession there's other things and

1807

01:17:51,830 --> 01:17:48,719

um it's about being aware of this and

1808

01:17:53,630 --> 01:17:51,840

when I use recitation because my late

1809

01:17:56,649 --> 01:17:53,640

husband when he was young was involved

1810

01:17:59,750 --> 01:17:56,659

in this satanic group now through that

1811

01:18:02,450 --> 01:17:59,760

he left that because he knew how bad

1812

01:18:04,550 --> 01:18:02,460

they were but later on they caught up

1813

01:18:07,070 --> 01:18:04,560

and that was part of what I was

1814

01:18:09,709 --> 01:18:07,080

challenged with is they were after him

1815

01:18:13,910 --> 01:18:09,719

and after me but they were so freaking

1816

01:18:16,189 --> 01:18:13,920

demonic after us and so you know and

1817

01:18:18,530 --> 01:18:16,199

luckily I had friends who helped me

1818

01:18:20,750 --> 01:18:18,540

learn to find it sometimes they had to

1819

01:18:22,550 --> 01:18:20,760

come in I mean I was on a zoom call with

1820

01:18:24,350 --> 01:18:22,560

a friend and I had a mirror behind me

1821

01:18:26,630 --> 01:18:24,360

one day and I could feel this real

1822

01:18:28,669 --> 01:18:26,640

negative energy coming in the room and

1823

01:18:31,189 --> 01:18:28,679

the light started to dim

1824

01:18:33,709 --> 01:18:31,199

and that's a game this freaking the

1825

01:18:36,470 --> 01:18:33,719

mirror started to go pitch black it went

1826

01:18:38,810 --> 01:18:36,480

slowly across mirror pitch black and

1827

01:18:40,970 --> 01:18:38,820

that was a negative entity coming in and

1828

01:18:43,310 --> 01:18:40,980

it was like oh God and I did recitations

1829

01:18:44,990 --> 01:18:43,320

it went away a bit I stopped it came

1830

01:18:47,930 --> 01:18:45,000

back again I thought oh dear I can't get

1831

01:18:49,970 --> 01:18:47,940

rid of this what do I do and I had to

1832

01:18:51,290 --> 01:18:49,980

call in friends to help me because I

1833

01:18:53,570 --> 01:18:51,300

couldn't get rid of it myself I wasn't

1834

01:18:56,450 --> 01:18:53,580

quite good enough at getting rid of it

1835

01:18:59,110 --> 01:18:56,460

so but like negative thoughts things

1836

01:19:02,149 --> 01:18:59,120

like that prayers do help

1837

01:19:04,250 --> 01:19:02,159

positive meditations help these sort of

1838

01:19:07,729 --> 01:19:04,260

things really do help doing things you

1839

01:19:09,110 --> 01:19:07,739

enjoy helps I mean literally I mean

1840

01:19:10,910 --> 01:19:09,120

what's been happening on the planet

1841

01:19:12,830 --> 01:19:10,920

recently we've been trying to cut down

1842

01:19:15,709 --> 01:19:12,840

on the things we enjoy you know fun

1843

01:19:18,770 --> 01:19:15,719

games singing laughter flipping uh

1844

01:19:20,570 --> 01:19:18,780

dancing or or enjoying going out into a

1845

01:19:23,570 --> 01:19:20,580

pub with other people they're trying to

1846

01:19:25,189 --> 01:19:23,580

sort of isolate us in our own rooms or

1847

01:19:26,689 --> 01:19:25,199

whatever and then it's hard to go out

1848

01:19:28,910 --> 01:19:26,699

then especially even when you've been

1849

01:19:32,229 --> 01:19:28,920

through that sort of level of control

1850

01:19:34,669 --> 01:19:32,239

because what they used then was NLP

1851
01:19:36,950 --> 01:19:34,679
neuro-linguistic programming this was

1852
01:19:39,350 --> 01:19:36,960
like the three mask face whatever your

1853
01:19:40,910 --> 01:19:39,360
job and then which I didn't listen to

1854
01:19:43,790 --> 01:19:40,920
because I knew done well what they were

1855
01:19:46,130 --> 01:19:43,800
up to and then and every psychologist

1856
01:19:47,510 --> 01:19:46,140
should have known this any normal

1857
01:19:49,729 --> 01:19:47,520
psychologist should have picked up on

1858
01:19:52,490 --> 01:19:49,739
this for me and they flaming didn't I've

1859
01:19:53,630 --> 01:19:52,500
got all the psychologists go and get it

1860
01:19:58,310 --> 01:19:53,640
no

1861
01:20:01,850 --> 01:19:58,320
got to you have got to do research

1862
01:20:05,330 --> 01:20:01,860
online as well but you know it's all the

1863
01:20:07,430 --> 01:20:05,340

Mind Control they're using especially TV

1864

01:20:09,890 --> 01:20:07,440

um the colors that we're using at the

1865

01:20:12,290 --> 01:20:09,900

time the language they were emphasized

1866

01:20:14,270 --> 01:20:12,300

in certain words that's another uh

1867

01:20:16,189 --> 01:20:14,280

neuro-linguistic programming technique

1868

01:20:17,870 --> 01:20:16,199

they were using classic conditioning

1869

01:20:20,330 --> 01:20:17,880

repeating the words

1870

01:20:22,370 --> 01:20:20,340

now they do a good person to watch is

1871

01:20:25,310 --> 01:20:22,380

Darren Brown and this is purely on a

1872

01:20:28,310 --> 01:20:25,320

psychological note Darren Brown shows

1873

01:20:30,890 --> 01:20:28,320

you what you can do with hypnosis it

1874

01:20:33,350 --> 01:20:30,900

shows you how you do it and that's what

1875

01:20:35,270 --> 01:20:33,360

they were using so it just gives you an

1876

01:20:38,630 --> 01:20:35,280

idea but as you're saying about

1877

01:20:40,729 --> 01:20:38,640

integrating the shadow yes this planet

1878

01:20:43,310 --> 01:20:40,739

does have negative forces on the planet

1879

01:20:45,709 --> 01:20:43,320

and this came in from as far as I was

1880

01:20:47,270 --> 01:20:45,719

told From Another Universe and as soon

1881

01:20:49,189 --> 01:20:47,280

to come on the planet these negative

1882

01:20:51,890 --> 01:20:49,199

influences are flying all around this

1883

01:20:55,130 --> 01:20:51,900

room everywhere looking for a little

1884

01:20:56,030 --> 01:20:55,140

weakness so they can then attach and

1885

01:20:58,910 --> 01:20:56,040

feed

1886

01:21:03,050 --> 01:20:58,920

so but the more light you have

1887

01:21:05,270 --> 01:21:03,060

the more you pray and lift up your own

1888

01:21:08,090 --> 01:21:05,280

vibration the less they can attack you

1889

01:21:09,950 --> 01:21:08,100

as some of the even some of the known

1890

01:21:11,750 --> 01:21:09,960

Saints in the past they would walk into

1891

01:21:14,270 --> 01:21:11,760

an area and all these negative entities

1892

01:21:16,550 --> 01:21:14,280

will fly off in Terror and I mean

1893

01:21:18,890 --> 01:21:16,560

another one who would it's good to watch

1894

01:21:21,770 --> 01:21:18,900

like that is Chris Fleming help your

1895

01:21:24,169 --> 01:21:21,780

house is haunted now he shows aspects

1896

01:21:26,750 --> 01:21:24,179

again about getting rid of demonic and

1897

01:21:29,270 --> 01:21:26,760

other entities when he's helping cleanse

1898

01:21:31,850 --> 01:21:29,280

houses because her house can have

1899

01:21:33,709 --> 01:21:31,860

something resident by somebody else in

1900

01:21:35,810 --> 01:21:33,719

the past who's lived there and who's

1901
01:21:37,070 --> 01:21:35,820
brought in negative energy so you need

1902
01:21:40,070 --> 01:21:37,080
to clear the house

1903
01:21:43,250 --> 01:21:40,080
that's doing various recitations or look

1904
01:21:44,689 --> 01:21:43,260
online exercises and stuff blessing the

1905
01:21:47,209 --> 01:21:44,699
place

1906
01:21:49,910 --> 01:21:47,219
um my Native American friends taught me

1907
01:21:52,310 --> 01:21:49,920
to do blessings of the four corners but

1908
01:21:55,070 --> 01:21:52,320
that's using tobacco and then using

1909
01:21:57,169 --> 01:21:55,080
tobacco to cleanse the house using

1910
01:21:59,330 --> 01:21:57,179
blessed water to cleanse the house

1911
01:22:01,850 --> 01:21:59,340
there's all different aspects you can

1912
01:22:03,530 --> 01:22:01,860
actually follow to help and that lesson

1913
01:22:05,270 --> 01:22:03,540

it out but then if you don't watch it

1914

01:22:07,189 --> 01:22:05,280

they'll start coming back in and trying

1915

01:22:08,990 --> 01:22:07,199

to find a little Gap and we all have

1916

01:22:11,149 --> 01:22:09,000

traumas so as soon as you have a trauma

1917

01:22:12,350 --> 01:22:11,159

they try and get in then so you know you

1918

01:22:14,750 --> 01:22:12,360

lose a partner or something like that

1919

01:22:17,689 --> 01:22:14,760

they'll try and get in and this is about

1920

01:22:20,990 --> 01:22:17,699

us lifting ourselves above though so

1921

01:22:24,169 --> 01:22:21,000

that's where in a way that it's like the

1922

01:22:27,530 --> 01:22:24,179

sword of Michael or like a beaming light

1923

01:22:29,510 --> 01:22:27,540

call in the positive and energy is

1924

01:22:32,270 --> 01:22:29,520

calling if you have a connection to play

1925

01:22:34,669 --> 01:22:32,280

they call them in also call angels in

1926

01:22:35,990 --> 01:22:34,679

the higher dimensional beings that's

1927

01:22:38,870 --> 01:22:36,000

what they are

1928

01:22:41,149 --> 01:22:38,880

call them and call goding whatever but

1929

01:22:43,250 --> 01:22:41,159

make sure you say benevolent and and

1930

01:22:44,870 --> 01:22:43,260

because they try and they're very very

1931

01:22:47,149 --> 01:22:44,880

crafty they're Negative they try and

1932

01:22:48,530 --> 01:22:47,159

trick you in various different ways

1933

01:22:50,570 --> 01:22:48,540

so

1934

01:22:53,510 --> 01:22:50,580

but you know when it's your house is

1935

01:22:55,250 --> 01:22:53,520

cleared and also they can linger in

1936

01:22:57,830 --> 01:22:55,260

Corners that are dusty and things like

1937

01:23:00,229 --> 01:22:57,840

that the Chinese know this and the

1938

01:23:02,270 --> 01:23:00,239

Japanese they feed on Dust

1939

01:23:04,130 --> 01:23:02,280

so like if you go just stick onto the

1940

01:23:06,830 --> 01:23:04,140

room not the first place they start to

1941

01:23:08,570 --> 01:23:06,840

manifest because they'll thus what is

1942

01:23:10,669 --> 01:23:08,580

another sign is your lights will start

1943

01:23:12,649 --> 01:23:10,679

to dim that's why I found all of a

1944

01:23:15,229 --> 01:23:12,659

sudden you think is the ball going

1945

01:23:17,390 --> 01:23:15,239

what's going on I don't know don't feel

1946

01:23:19,910 --> 01:23:17,400

as good as I normally do and you do and

1947

01:23:20,930 --> 01:23:19,920

they can be really subtle and then all

1948

01:23:22,490 --> 01:23:20,940

of a sudden it starts to get the room

1949

01:23:24,530 --> 01:23:22,500

gets darker and darker where's the room

1950

01:23:26,450 --> 01:23:24,540

getting dark okay I must change that

1951

01:23:28,070 --> 01:23:26,460

light bulb and it's not the light bulb

1952

01:23:30,410 --> 01:23:28,080

it's the energy level in the rooms

1953

01:23:32,450 --> 01:23:30,420

dropping and then you know you cleanse

1954

01:23:33,950 --> 01:23:32,460

the room you can use Sage I mean it's

1955

01:23:35,930 --> 01:23:33,960

not just Sage you've got to do

1956

01:23:38,930 --> 01:23:35,940

recitations as well so but I really

1957

01:23:41,450 --> 01:23:38,940

recommend also Clean Sweep we have you

1958

01:23:43,669 --> 01:23:41,460

know letting air in letting light light

1959

01:23:45,410 --> 01:23:43,679

is a good thing the more light you have

1960

01:23:47,689 --> 01:23:45,420

in the house the better that's light

1961

01:23:49,250 --> 01:23:47,699

from the sun because that really helps

1962

01:24:00,709 --> 01:23:49,260

they don't like the light

1963

01:24:08,689 --> 01:24:04,189

organ donation yeah where you have to

1964

01:24:10,250 --> 01:24:08,699

opt out yes now it might work that is a

1965

01:24:11,810 --> 01:24:10,260

negative completely because they're

1966

01:24:14,870 --> 01:24:11,820

asking you to do something other than

1967

01:24:16,610 --> 01:24:14,880

giving you the Free Will yes yeah it's a

1968

01:24:21,830 --> 01:24:16,620

negative coming in you can't oh yeah

1969

01:24:26,149 --> 01:24:21,840

yeah on that now also they had DNR

1970

01:24:28,669 --> 01:24:26,159

yeah it was false yes yes now that is

1971

01:24:31,189 --> 01:24:28,679

taking away people's consent it is and I

1972

01:24:34,370 --> 01:24:31,199

have noticed with my work lately with

1973

01:24:37,790 --> 01:24:35,689

in the Ico the information

1974

01:24:40,310 --> 01:24:37,800

Commissioner's Office regulates

1975

01:24:43,130 --> 01:24:40,320

companies to stop your data being

1976

01:24:45,830 --> 01:24:43,140

transferred they are all ignoring the

1977

01:24:47,390 --> 01:24:45,840

consent yes are they just taking it away

1978

01:24:49,250 --> 01:24:47,400

from everybody and people are not aware

1979

01:24:51,130 --> 01:24:49,260

of it and be like wow you're really not

1980

01:24:52,970 --> 01:24:51,140

like but you're saying about entities

1981

01:24:55,850 --> 01:24:52,980

communicating with them and they're not

1982

01:24:58,430 --> 01:24:55,860

understanding yeah this is it they don't

1983

01:25:00,770 --> 01:24:58,440

I mean I used to think oh God they're in

1984

01:25:03,050 --> 01:25:00,780

only being on the secrets they're in on

1985

01:25:05,090 --> 01:25:03,060

what's going on and then the face to

1986

01:25:06,709 --> 01:25:05,100

face it's a good thing for me to go to

1987

01:25:08,689 --> 01:25:06,719

some of these space

1988

01:25:10,550 --> 01:25:08,699

um events and things because I can read

1989

01:25:13,370 --> 01:25:10,560

the minds directly that I can't see

1990

01:25:16,370 --> 01:25:13,380

online so I read them and people

1991

01:25:18,410 --> 01:25:16,380

actually where how about they're being

1992

01:25:22,729 --> 01:25:18,420

that they don't know

1993

01:25:24,770 --> 01:25:22,739

and and so it's like the following their

1994

01:25:26,270 --> 01:25:24,780

orders from above that are following the

1995

01:25:28,669 --> 01:25:26,280

orders from above and they don't realize

1996

01:25:29,750 --> 01:25:28,679

at the top of this chain You Ain't Human

1997

01:25:32,209 --> 01:25:29,760

and and

1998

01:25:34,250 --> 01:25:32,219

so it's like I thought was because

1999

01:25:36,590 --> 01:25:34,260

they've been well they've been

2000

01:25:38,630 --> 01:25:36,600

vaccinated basically no disrespectively

2001

01:25:40,669 --> 01:25:38,640

dropped the job you took the job but

2002

01:25:44,930 --> 01:25:40,679

that's what I was thinking is it the job

2003

01:25:48,250 --> 01:25:44,940

that is causing this mind control is it

2004

01:25:53,630 --> 01:25:51,470

I would say both really I mean they were

2005

01:25:55,790 --> 01:25:53,640

undermine control from the techniques

2006

01:25:57,770 --> 01:25:55,800

they were using on the media so you've

2007

01:26:00,410 --> 01:25:57,780

got that and you've got subliminals

2008

01:26:02,270 --> 01:26:00,420

being used which is a form of hypnotism

2009

01:26:04,189 --> 01:26:02,280

so you've got that plus you've got

2010

01:26:06,050 --> 01:26:04,199

negative entities especially if they're

2011

01:26:07,729 --> 01:26:06,060

young so they're having to fight a

2012

01:26:10,189 --> 01:26:07,739

little bit more but Consciousness can

2013

01:26:11,689 --> 01:26:10,199

outweigh those negative entities but

2014

01:26:14,810 --> 01:26:11,699

they just mean to say The Helpful

2015

01:26:17,209 --> 01:26:14,820

improved so it all depends but they can

2016

01:26:19,970 --> 01:26:17,219

I've learned because I had implants

2017

01:26:22,550 --> 01:26:19,980

myself and one of these I had black goo

2018

01:26:25,250 --> 01:26:22,560

which was put in by reptilians now that

2019

01:26:27,129 --> 01:26:25,260

was removed but still does they had that

2020

01:26:29,870 --> 01:26:27,139

in they didn't have total control of me

2021

01:26:31,669 --> 01:26:29,880

also I had an implant that was removed

2022

01:26:33,530 --> 01:26:31,679

physically and I was abduct when they

2023

01:26:37,910 --> 01:26:33,540

did that and they've got a scar

2024

01:26:41,330 --> 01:26:37,920

is it was I was learning psychically to

2025

01:26:43,070 --> 01:26:41,340

turn it off because I had a EMF meter

2026

01:26:44,570 --> 01:26:43,080

and I would have a reading from it in

2027

01:26:45,890 --> 01:26:44,580

fact the alarm would go off on my lower

2028

01:26:48,229 --> 01:26:45,900

spine

2029

01:26:50,570 --> 01:26:48,239

then they would turn it back on and get

2030

01:26:53,570 --> 01:26:50,580

a reading again then I would psychically

2031

01:26:55,610 --> 01:26:53,580

turn it off again and no reading then

2032

01:26:57,410 --> 01:26:55,620

they'd turn it on again and then

2033

01:26:59,930 --> 01:26:57,420

eventually when I started to go public

2034

01:27:03,530 --> 01:26:59,940

within the group they had physically

2035

01:27:05,629 --> 01:27:03,540

abducted me and removed it and I was

2036

01:27:08,030 --> 01:27:05,639

conscious when they started to abduct Me

2037

01:27:11,090 --> 01:27:08,040

I was I was conscious of or paralyzed

2038

01:27:13,970 --> 01:27:11,100

when the military came and adopted me so

2039

01:27:15,290 --> 01:27:13,980

but they didn't hurt me as such but they

2040

01:27:18,290 --> 01:27:15,300

took it out

2041

01:27:20,750 --> 01:27:18,300

but um but then I had the scar

2042

01:27:22,430 --> 01:27:20,760

afterwards and then a friend of mine

2043

01:27:24,649 --> 01:27:22,440

remote view because I woke up on an

2044

01:27:27,050 --> 01:27:24,659

operating table and I there was five

2045

01:27:31,010 --> 01:27:27,060

guys in lab coat

2046

01:27:33,050 --> 01:27:31,020

s around me and not in scrubs they're in

2047

01:27:35,750 --> 01:27:33,060

lap codes and it was definitely an

2048

01:27:38,030 --> 01:27:35,760

underground base and then they returned

2049

01:27:41,030 --> 01:27:38,040

me afterwards and I got my friend who's

2050

01:27:43,250 --> 01:27:41,040

very connected very connected to me he

2051
01:27:46,669 --> 01:27:43,260
actually moved back to see exactly what

2052
01:27:48,830 --> 01:27:46,679
they did but also the reading stopped

2053
01:27:51,890 --> 01:27:48,840
from then on in the lower back and I had

2054
01:27:54,890 --> 01:27:51,900
a scar which was like um

2055
01:27:58,010 --> 01:27:54,900
it was like a triangle like that with a

2056
01:28:00,050 --> 01:27:58,020
line through the middle and dolls

2057
01:28:02,030 --> 01:28:00,060
ugly thing now I showed that to Simon

2058
01:28:04,430 --> 01:28:02,040
parks and he says yeah that's a military

2059
01:28:07,669 --> 01:28:04,440
abduction and they've removed that

2060
01:28:09,830 --> 01:28:07,679
implant from you uh and it really killed

2061
01:28:12,110 --> 01:28:09,840
that where they've done that it was very

2062
01:28:14,570 --> 01:28:12,120
well like welded together like a laser

2063
01:28:16,790 --> 01:28:14,580

or something but I had a huge amount of

2064

01:28:19,189 --> 01:28:16,800

pain there for several weeks afterwards

2065

01:28:20,890 --> 01:28:19,199

so whatever implant they removed it was

2066

01:28:22,689 --> 01:28:20,900

quite a big one

2067

01:28:25,850 --> 01:28:22,699

because

2068

01:28:28,129 --> 01:28:25,860

uh obviously mentioning about Med beds

2069

01:28:30,350 --> 01:28:28,139

where they can regenerate to and they

2070

01:28:32,930 --> 01:28:30,360

can repair everything so do you know

2071

01:28:36,350 --> 01:28:32,940

anything about that well

2072

01:28:38,510 --> 01:28:36,360

they do have a technology but I don't

2073

01:28:40,250 --> 01:28:38,520

know I'm no longer with connecting

2074

01:28:43,850 --> 01:28:40,260

conscious I'm no longer in contact with

2075

01:28:46,490 --> 01:28:43,860

Simon so he has his own path but I don't

2076

01:28:49,129 --> 01:28:46,500

know how positive these groups are I

2077

01:28:52,669 --> 01:28:49,139

mean we haven't seen these machines come

2078

01:28:54,470 --> 01:28:52,679

to mainstream and they do have them

2079

01:28:56,810 --> 01:28:54,480

so when are they going to bring them out

2080

01:29:00,050 --> 01:28:56,820

you know we like to do a bit of research

2081

01:29:02,629 --> 01:29:00,060

myself and they watch your DNA basically

2082

01:29:04,850 --> 01:29:02,639

so I'm thinking well if you want my DNA

2083

01:29:08,030 --> 01:29:04,860

to heal me then that's another program

2084

01:29:10,070 --> 01:29:08,040

yeah well I would only go in like uh the

2085

01:29:13,610 --> 01:29:10,080

med beds or the proper Med beds they're

2086

01:29:17,330 --> 01:29:13,620

like um uh they're like a bed you lie on

2087

01:29:20,629 --> 01:29:17,340

and it it comes around you like a

2088

01:29:22,610 --> 01:29:20,639

um pod yeah and and it heals you with

2089

01:29:24,890 --> 01:29:22,620

the frequencies so they can do a hell of

2090

01:29:27,169 --> 01:29:24,900

a lot with frequencies but they haven't

2091

01:29:29,270 --> 01:29:27,179

brought these forward nine I'm guessing

2092

01:29:31,010 --> 01:29:29,280

that there's I don't know what's going

2093

01:29:33,110 --> 01:29:31,020

on totally because I only know certain

2094

01:29:36,950 --> 01:29:33,120

aspects myself nobody knows everything

2095

01:29:39,770 --> 01:29:36,960

that's going on but what I've seen is

2096

01:29:41,750 --> 01:29:39,780

um that I don't even call White hats and

2097

01:29:43,669 --> 01:29:41,760

black sets anymore I could say the brown

2098

01:29:45,410 --> 01:29:43,679

hats there's black hats and brown hats

2099

01:29:47,950 --> 01:29:45,420

because I'm wondering myself I don't

2100

01:29:50,810 --> 01:29:47,960

know but I'm wondering if they all want

2101
01:29:54,229 --> 01:29:50,820
depopulation because maybe they're

2102
01:29:55,850 --> 01:29:54,239
expecting some calamity I don't know or

2103
01:29:59,169 --> 01:29:55,860
whether they just all want it I don't

2104
01:30:01,310 --> 01:29:59,179
know but it's not exactly moving

2105
01:30:03,970 --> 01:30:01,320
positively forward at the moment from

2106
01:30:08,090 --> 01:30:03,980
any it's directions

2107
01:30:09,850 --> 01:30:08,100
it is for anybody I mean it's like yeah

2108
01:30:12,050 --> 01:30:09,860
yeah I'm not saying there aren't

2109
01:30:13,669 --> 01:30:12,060
so-called but I don't use the term white

2110
01:30:17,090 --> 01:30:13,679
hats anymore

2111
01:30:19,669 --> 01:30:17,100
oh there are brilliant people there are

2112
01:30:22,550 --> 01:30:19,679
really uh spiritual people but I'm

2113
01:30:24,350 --> 01:30:22,560

looking at it it's all our own we all

2114

01:30:26,570 --> 01:30:24,360

have to step forward I mean I went on

2115

01:30:28,669 --> 01:30:26,580

the demos I was I went to the veteran

2116

01:30:30,229 --> 01:30:28,679

because I'm a veteran I was as fun to

2117

01:30:32,930 --> 01:30:30,239

some of those demos with the police were

2118

01:30:35,629 --> 01:30:32,940

like recording

2119

01:30:37,189 --> 01:30:35,639

um so not all of them but I was guided

2120

01:30:40,209 --> 01:30:37,199

to the ones that I could go to and what

2121

01:30:43,729 --> 01:30:40,219

I couldn't go to for my own safety yeah

2122

01:30:46,189 --> 01:30:43,739

I always found myself in a day or when

2123

01:30:48,649 --> 01:30:46,199

it wasn't because I've got to be honest

2124

01:30:50,689 --> 01:30:48,659

and I mean I research there's a common

2125

01:30:52,010 --> 01:30:50,699

sense tells me which isn't very common

2126
01:30:55,430 --> 01:30:52,020
these days

2127
01:30:57,410 --> 01:30:55,440
there were a lot of people on them demos

2128
01:31:00,110 --> 01:30:57,420
that were on the stage

2129
01:31:01,729 --> 01:31:00,120
they were using words and I was just

2130
01:31:03,649 --> 01:31:01,739
reading them and thinking you're not

2131
01:31:06,050 --> 01:31:03,659
real you're not really you're

2132
01:31:08,270 --> 01:31:06,060
reiterating Satan's Echo you're telling

2133
01:31:10,669 --> 01:31:08,280
us what we already know there are no

2134
01:31:12,470 --> 01:31:10,679
Solutions well this is where we go into

2135
01:31:14,990 --> 01:31:12,480
our own Consciousness and we start

2136
01:31:16,070 --> 01:31:15,000
learning ourselves because each person

2137
01:31:18,169 --> 01:31:16,080
here

2138
01:31:21,050 --> 01:31:18,179

we are just as powerful as everybody

2139

01:31:23,149 --> 01:31:21,060

else here but it's about learning and

2140

01:31:25,790 --> 01:31:23,159

stepping forward as well but if we

2141

01:31:27,470 --> 01:31:25,800

listen to our guides we all need to

2142

01:31:30,350 --> 01:31:27,480

follow along we all have our own journey

2143

01:31:33,290 --> 01:31:30,360

and our own guides to help us and we all

2144

01:31:35,330 --> 01:31:33,300

have a separate Way Forward but the more

2145

01:31:37,070 --> 01:31:35,340

we all listen to our guides the better

2146

01:31:39,890 --> 01:31:37,080

because it will bring us all more

2147

01:31:41,990 --> 01:31:39,900

forward the more I step forward the more

2148

01:31:43,729 --> 01:31:42,000

protective I'll be that doesn't mean to

2149

01:31:46,189 --> 01:31:43,739

say if I don't listen one day because

2150

01:31:48,590 --> 01:31:46,199

I'm a bit uh distracted something bad

2151
01:31:51,290 --> 01:31:48,600
will happen because you know they always

2152
01:31:54,050 --> 01:31:51,300
try different techniques but the more I

2153
01:31:56,209 --> 01:31:54,060
step forward The more I've learned and

2154
01:31:57,950 --> 01:31:56,219
the more things I've learned as a

2155
01:31:59,629 --> 01:31:57,960
defense and remarkable things have

2156
01:32:05,110 --> 01:31:59,639
occurred it comes into your awareness

2157
01:32:10,550 --> 01:32:08,209
and I'm using a lot more crystals and

2158
01:32:13,490 --> 01:32:10,560
you've experimented within EMF meter

2159
01:32:15,050 --> 01:32:13,500
using crystals which is conclusive and I

2160
01:32:16,610 --> 01:32:15,060
was like well it's in front of me I did

2161
01:32:18,890 --> 01:32:16,620
it myself well that's a brilliant thing

2162
01:32:21,290 --> 01:32:18,900
to do but also your connection to those

2163
01:32:23,149 --> 01:32:21,300

crystals that have their own

2164

01:32:24,770 --> 01:32:23,159

life force

2165

01:32:26,270 --> 01:32:24,780

so

2166

01:32:29,090 --> 01:32:26,280

um there's a kind of communication

2167

01:32:31,970 --> 01:32:29,100

between you and the Crystal as well so

2168

01:32:34,250 --> 01:32:31,980

it's like a two-way thing with crystals

2169

01:32:36,649 --> 01:32:34,260

they are actually a living

2170

01:32:39,410 --> 01:32:36,659

Crystal I've tested it with the meter

2171

01:32:42,410 --> 01:32:39,420

Yeah Yeah well yeah it works yeah it's

2172

01:32:44,510 --> 01:32:42,420

real so why do they not speak about uh

2173

01:32:46,250 --> 01:32:44,520

black does why are we not talk about

2174

01:32:48,410 --> 01:32:46,260

history everything's that's why I was

2175

01:32:51,229 --> 01:32:48,420

talking about earlier it's all hidden

2176
01:32:53,750 --> 01:32:51,239
from us yeah I mean another good one to

2177
01:32:55,970 --> 01:32:53,760
watch is like the dark journalist now

2178
01:32:59,209 --> 01:32:55,980
the title's a bit offish but he covers

2179
01:33:01,550 --> 01:32:59,219
the proper documentary evidence of them

2180
01:33:04,729 --> 01:33:01,560
hiding things about Atlantis about the

2181
01:33:08,030 --> 01:33:04,739
CIA hiding things I mean I've got a CIA

2182
01:33:10,790 --> 01:33:08,040
documents about various things

2183
01:33:11,629 --> 01:33:10,800
um some of them the Amiga files some of

2184
01:33:15,050 --> 01:33:11,639
them

2185
01:33:17,149 --> 01:33:15,060
um that I copied and I even copied

2186
01:33:19,970 --> 01:33:17,159
um other aspects like the deagle

2187
01:33:22,729 --> 01:33:19,980
depopulation figures well I copied that

2188
01:33:25,250 --> 01:33:22,739

hard copy and then or you can't get it

2189

01:33:26,750 --> 01:33:25,260

on the internet now they changed it and

2190

01:33:28,729 --> 01:33:26,760

this is the thing if you do find

2191

01:33:30,610 --> 01:33:28,739

something that's really useful they can

2192

01:33:34,430 --> 01:33:30,620

also go in your computer remember that

2193

01:33:35,810 --> 01:33:34,440

so hard copies

2194

01:33:38,030 --> 01:33:35,820

um this is what I've done with certain

2195

01:33:40,490 --> 01:33:38,040

documents and things I've hard copied it

2196

01:33:43,669 --> 01:33:40,500

because when I've had it on my computer

2197

01:33:47,030 --> 01:33:43,679

in Canada got completely fried

2198

01:33:50,629 --> 01:33:47,040

um that died so I had all I had left was

2199

01:33:53,149 --> 01:33:50,639

a very cheap iPad until I got to Britain

2200

01:33:54,530 --> 01:33:53,159

and even that got a smash but luckily I

2201
01:33:55,550 --> 01:33:54,540
managed to keep it going just long

2202
01:33:57,709 --> 01:33:55,560
enough

2203
01:34:00,350 --> 01:33:57,719
but um

2204
01:34:02,390 --> 01:34:00,360
but this is a thing you know a computer

2205
01:34:04,669 --> 01:34:02,400
is not very good at storing anything

2206
01:34:05,870 --> 01:34:04,679
because they can actually get into it if

2207
01:34:08,689 --> 01:34:05,880
you're on the internet they can get into

2208
01:34:10,490 --> 01:34:08,699
it and even if you listen and of course

2209
01:34:11,750 --> 01:34:10,500
what they used to do in the past they'd

2210
01:34:13,850 --> 01:34:11,760
break into your house and steal your

2211
01:34:15,890 --> 01:34:13,860
hard copies but you know the more people

2212
01:34:17,450 --> 01:34:15,900
who've got a hard copy they can't you

2213
01:34:20,750 --> 01:34:17,460

know physically go into everybody's

2214

01:34:23,510 --> 01:34:20,760

house so you know I've had stuff I've

2215

01:34:25,129 --> 01:34:23,520

seen my phone genuine you don't have to

2216

01:34:27,169 --> 01:34:25,139

believe it nobody has to believe me but

2217

01:34:29,149 --> 01:34:27,179

I've seen it with my own eyes I've seen

2218

01:34:32,270 --> 01:34:29,159

my phone when something's been passed to

2219

01:34:35,270 --> 01:34:32,280

me and it was a UFO as it happened and I

2220

01:34:38,030 --> 01:34:35,280

saw my phone move in front of me remove

2221

01:34:40,669 --> 01:34:38,040

this person's number back and the

2222

01:34:43,490 --> 01:34:40,679

information and the video he sent me yes

2223

01:34:45,649 --> 01:34:43,500

because all the Avery's well-known like

2224

01:34:47,870 --> 01:34:45,659

in Canada all the all your message

2225

01:34:49,790 --> 01:34:47,880

everything else would go through the NSA

2226

01:34:52,189 --> 01:34:49,800

here it probably goes through five days

2227

01:34:53,810 --> 01:34:52,199

I'm not sure but yeah I mean I know so

2228

01:34:56,270 --> 01:34:53,820

many I mean I've been involved with

2229

01:34:57,709 --> 01:34:56,280

Miles uh and the bases they'll become

2230

01:34:59,149 --> 01:34:57,719

friends with him you know I just came

2231

01:35:01,490 --> 01:34:59,159

people would have got used you know

2232

01:35:03,470 --> 01:35:01,500

we've got talking and things and he's

2233

01:35:05,450 --> 01:35:03,480

seen a lot of people targeted and things

2234

01:35:08,090 --> 01:35:05,460

and all sorts of things have happened to

2235

01:35:10,310 --> 01:35:08,100

him uh because he's come forward with

2236

01:35:12,890 --> 01:35:10,320

whistleblowers I mean I'm kind of

2237

01:35:16,490 --> 01:35:12,900

whistle blow it in my own way but but

2238

01:35:18,290 --> 01:35:16,500

you know it's it's about people stepping

2239

01:35:21,649 --> 01:35:18,300

forward he's known quite as I said quite

2240

01:35:24,290 --> 01:35:21,659

a few people killed so you know and they

2241

01:35:28,550 --> 01:35:24,300

did a few attempts on him as well I was

2242

01:35:31,129 --> 01:35:28,560

there at one attend but you know he he

2243

01:35:32,990 --> 01:35:31,139

does have I keep you know he he needs to

2244

01:35:35,870 --> 01:35:33,000

call him more protection himself at

2245

01:35:38,090 --> 01:35:35,880

times but you forget you get distracted

2246

01:35:39,890 --> 01:35:38,100

and even I forget sometimes I I don't

2247

01:35:42,590 --> 01:35:39,900

mind when I work on a piece of

2248

01:35:45,470 --> 01:35:42,600

information when I'm working on a case I

2249

01:35:47,149 --> 01:35:45,480

would like to Candle I will find a bell

2250

01:35:49,010 --> 01:35:47,159

a brass bell

2251
01:35:51,890 --> 01:35:49,020
um a copper Bell to change the vibration

2252
01:35:54,590 --> 01:35:51,900
in the room and I will put out a message

2253
01:35:57,169 --> 01:35:54,600
and when I read that work back I'm like

2254
01:35:59,209 --> 01:35:57,179
did I really like that

2255
01:36:01,550 --> 01:35:59,219
well that's another pitch as well

2256
01:36:03,590 --> 01:36:01,560
because some of the Chimes and some of

2257
01:36:04,970 --> 01:36:03,600
the Bells especially Tibetan bells and

2258
01:36:07,729 --> 01:36:04,980
things like that there's a certain

2259
01:36:09,229 --> 01:36:07,739
frequency and again the negative fly

2260
01:36:11,629 --> 01:36:09,239
away from that they don't like that

2261
01:36:13,970 --> 01:36:11,639
frequency it's like it's like to them

2262
01:36:16,729 --> 01:36:13,980
it's like an excruciating sound to them

2263
01:36:19,250 --> 01:36:16,739

so that's another aspect as well certain

2264

01:36:22,910 --> 01:36:19,260

frequencies really drive away the

2265

01:36:26,330 --> 01:36:22,920

negative and fall three two words and I

2266

01:36:30,290 --> 01:36:26,340

play it twice then working and like help

2267

01:36:32,390 --> 01:36:30,300

me help me and uh and I've had Medium

2268

01:36:34,250 --> 01:36:32,400

say to me you don't know me and I'll

2269

01:36:35,689 --> 01:36:34,260

come up with certain information people

2270

01:36:38,149 --> 01:36:35,699

in the room know

2271

01:36:39,830 --> 01:36:38,159

and they're like oh my God and they say

2272

01:36:41,450 --> 01:36:39,840

you've not got information didn't you

2273

01:36:43,070 --> 01:36:41,460

and you think how could they have

2274

01:36:44,149 --> 01:36:43,080

written this and I thought there's no

2275

01:36:45,649 --> 01:36:44,159

way they could have known that I've

2276

01:36:47,570 --> 01:36:45,659

never told that I've told it now but

2277

01:36:49,430 --> 01:36:47,580

I've never told that to anybody and

2278

01:36:51,890 --> 01:36:49,440

they're like yeah because the angels are

2279

01:36:54,770 --> 01:36:51,900

working with you I'm like oh my God

2280

01:36:56,030 --> 01:36:54,780

that's exactly there's other things and

2281

01:36:57,770 --> 01:36:56,040

that's another thing you've got to be

2282

01:36:59,629 --> 01:36:57,780

careful people have got to be careful

2283

01:37:01,850 --> 01:36:59,639

channeling as well because some of the

2284

01:37:04,129 --> 01:37:01,860

negatives can pretend to be and joking

2285

01:37:05,629 --> 01:37:04,139

that and it is quite difficult to

2286

01:37:07,490 --> 01:37:05,639

distinguish

2287

01:37:08,990 --> 01:37:07,500

um but it's something to be aware of as

2288

01:37:11,090 --> 01:37:09,000

well

2289

01:37:13,550 --> 01:37:11,100

um if it gets a result it gets the

2290

01:37:14,990 --> 01:37:13,560

results it's got to be per worse

2291

01:37:16,729 --> 01:37:15,000

um

2292

01:37:18,709 --> 01:37:16,739

yeah I would say most of the time if it

2293

01:37:19,970 --> 01:37:18,719

I mean if your atmosphere clears and

2294

01:37:21,189 --> 01:37:19,980

everything like that you know it's

2295

01:37:23,750 --> 01:37:21,199

something

2296

01:37:25,430 --> 01:37:23,760

completions that are taking away things

2297

01:37:28,310 --> 01:37:25,440

can say it's particularly their rights

2298

01:37:30,169 --> 01:37:28,320

oh God yeah trying to make them think

2299

01:37:33,430 --> 01:37:30,179

that they have to pay bills they have to

2300

01:37:37,790 --> 01:37:36,229

I won't get into that here but I

2301
01:37:40,970 --> 01:37:37,800
understand your perspective but when

2302
01:37:42,950 --> 01:37:40,980
you've got it's a bit like if you've got

2303
01:37:48,110 --> 01:37:42,960
um if you've got

2304
01:37:50,629 --> 01:37:48,120
we say an army that's taken over an area

2305
01:37:52,669 --> 01:37:50,639
saying a certain War it doesn't matter

2306
01:37:55,430 --> 01:37:52,679
and telling them that oh it's my right

2307
01:37:57,530 --> 01:37:55,440
to do X Y and Z they will beat you up

2308
01:38:00,530 --> 01:37:57,540
until you do what they tell them you

2309
01:38:01,850 --> 01:38:00,540
know so it's it's right but you know but

2310
01:38:04,629 --> 01:38:01,860
I don't want to get into that it's like

2311
01:38:11,330 --> 01:38:09,470
yeah yes words are spells so words can

2312
01:38:13,310 --> 01:38:11,340
create spells so that's something to be

2313
01:38:15,890 --> 01:38:13,320

aware of as well sort of like positive

2314

01:38:18,709 --> 01:38:15,900

positive affirmations really help as

2315

01:38:21,110 --> 01:38:18,719

well yeah so any other questions we're

2316

01:38:23,209 --> 01:38:21,120

friends sorry you mentioned about your

2317

01:38:26,270 --> 01:38:23,219

friends all the time yeah your friends

2318

01:38:28,550 --> 01:38:26,280

covered yeah well some of them you've

2319

01:38:32,330 --> 01:38:28,560

got friends over there I have

2320

01:38:35,570 --> 01:38:32,340

who are these friends right I've got oh

2321

01:38:37,010 --> 01:38:35,580

I've got Angelic I've got arachnid if I

2322

01:38:38,270 --> 01:38:37,020

if the red chilli is coming I call the

2323

01:38:40,430 --> 01:38:38,280

arachnids because I've made friends with

2324

01:38:42,950 --> 01:38:40,440

them so they're Lions so they'll call

2325

01:38:44,930 --> 01:38:42,960

them if I get real tough

2326

01:38:46,250 --> 01:38:44,940

nasty being coming in because they can

2327

01:38:47,629 --> 01:38:46,260

be physical

2328

01:38:50,390 --> 01:38:47,639

um and then

2329

01:38:53,030 --> 01:38:50,400

um it depends what comes in uh so I do

2330

01:38:55,850 --> 01:38:53,040

call as I said Angelic arachnids

2331

01:38:58,129 --> 01:38:55,860

palladians and even like the Native

2332

01:38:59,270 --> 01:38:58,139

Americans taught me call your ancestors

2333

01:39:02,030 --> 01:38:59,280

elders

2334

01:39:05,209 --> 01:39:02,040

relatives

2335

01:39:08,149 --> 01:39:05,219

um and benevolent beings so you know you

2336

01:39:10,010 --> 01:39:08,159

the worse it gets the more we're calling

2337

01:39:11,870 --> 01:39:10,020

so I was like yeah well if it was going

2338

01:39:14,510 --> 01:39:11,880

to help definitely

2339

01:39:17,629 --> 01:39:14,520

um and also yeah I have friends that

2340

01:39:20,450 --> 01:39:17,639

have to protect uh that a group of

2341

01:39:22,610 --> 01:39:20,460

people in Canada that saved my life some

2342

01:39:25,910 --> 01:39:22,620

of which gave me a safe house when I was

2343

01:39:27,890 --> 01:39:25,920

very close to being bumped off

2344

01:39:31,129 --> 01:39:27,900

um and I have to protect their

2345

01:39:34,070 --> 01:39:31,139

identities because always they will get

2346

01:39:36,169 --> 01:39:34,080

targeted so I always respect people who

2347

01:39:39,050 --> 01:39:36,179

have helped me

2348

01:39:41,930 --> 01:39:39,060

um Simon you know he helped me at a time

2349

01:39:44,270 --> 01:39:41,940

but you know he's public so I have

2350

01:39:46,689 --> 01:39:44,280

mentioned him but other people I don't

2351

01:39:49,070 --> 01:39:46,699

mention because I have to protect them

2352

01:39:50,930 --> 01:39:49,080

uh because they might start getting

2353

01:39:53,390 --> 01:39:50,940

targeted as much because sometimes they

2354

01:39:56,689 --> 01:39:53,400

target friends and family around you too

2355

01:39:58,550 --> 01:39:56,699

and they've done that with me so I kind

2356

01:40:00,530 --> 01:39:58,560

of try and protect me people as much as

2357

01:40:02,629 --> 01:40:00,540

I can

2358

01:40:04,189 --> 01:40:02,639

um

2359

01:40:06,770 --> 01:40:04,199

they do try

2360

01:40:10,189 --> 01:40:06,780

yeah they tried that with me but I was

2361

01:40:12,950 --> 01:40:10,199

so blessed of such wonderful friends

2362

01:40:14,930 --> 01:40:12,960

I really am blessed like that I just

2363

01:40:17,270 --> 01:40:14,940

feel that my natural family my bloodline

2364

01:40:19,550 --> 01:40:17,280

I've lost but I've created a new family

2365

01:40:21,470 --> 01:40:19,560

well this is it well a lot of us were

2366

01:40:23,390 --> 01:40:21,480

things that are shifting if their

2367

01:40:25,490 --> 01:40:23,400

vibration doesn't shift the same as you

2368

01:40:27,110 --> 01:40:25,500

then you find new friends a new family

2369

01:40:29,810 --> 01:40:27,120

and I think that's happened to a lot of

2370

01:40:31,669 --> 01:40:29,820

people I I honestly think sometimes that

2371

01:40:34,430 --> 01:40:31,679

they said oh there we are we stickers in

2372

01:40:36,890 --> 01:40:34,440

this family Boo and see how she gets out

2373

01:40:37,970 --> 01:40:36,900

are they completely different to me the

2374

01:40:40,490 --> 01:40:37,980

whole family

2375

01:40:43,010 --> 01:40:40,500

oh yeah yeah I mean you could quite

2376

01:40:44,510 --> 01:40:43,020

often find that actually maybe you're

2377

01:40:46,430 --> 01:40:44,520

The Shining Light to show them the way

2378

01:40:49,250 --> 01:40:46,440

it brought yeah I think we all have that

2379

01:40:51,709 --> 01:40:49,260

as well so it's like oh most people have

2380

01:40:57,950 --> 01:40:51,719

some sort of differences but anyway I

2381

01:41:04,490 --> 01:41:01,750

but uh any more questions

2382

01:41:07,550 --> 01:41:04,500

one more yeah

2383

01:41:11,169 --> 01:41:07,560

um when you were abducted by the Baptist

2384

01:41:14,629 --> 01:41:11,179

yeah you forced back

2385

01:41:16,250 --> 01:41:14,639

bigger faster stronger than you

2386

01:41:18,410 --> 01:41:16,260

fight back the first time when they

2387

01:41:20,830 --> 01:41:18,420

abducted I was owned that was before I

2388

01:41:27,590 --> 01:41:20,840

was properly deprogrammed and that was

2389

01:41:28,669 --> 01:41:27,600

in uh 1950 no 2015 or 2016. and that was

2390

01:41:31,550 --> 01:41:28,679

um

2391

01:41:34,189 --> 01:41:31,560

that I was I was absorpted with my

2392

01:41:35,810 --> 01:41:34,199

husband at the time uh so I had no way

2393

01:41:38,810 --> 01:41:35,820

to fight I had nobody could call because

2394

01:41:41,930 --> 01:41:38,820

there's no to call anybody and um it was

2395

01:41:43,910 --> 01:41:41,940

only later after I've been learning and

2396

01:41:46,370 --> 01:41:43,920

been making kill the connections that I

2397

01:41:48,470 --> 01:41:46,380

managed to understand when I called the

2398

01:41:50,890 --> 01:41:48,480

other beings and they would help me and

2399

01:41:53,510 --> 01:41:50,900

I didn't know her so how did you escape

2400

01:41:56,390 --> 01:41:53,520

well what happened is they brought me

2401

01:41:57,410 --> 01:41:56,400

back but uh I wondered that why did they

2402

01:41:59,149 --> 01:41:57,420

bring them back why didn't they just

2403

01:42:00,310 --> 01:41:59,159

butcher me in the warehouse like

2404

01:42:02,570 --> 01:42:00,320

everybody else

2405

01:42:05,629 --> 01:42:02,580

others have come back to me and said

2406

01:42:08,830 --> 01:42:05,639

well it's like this some they see as

2407

01:42:11,330 --> 01:42:08,840

pets and to be honest I was also marked

2408

01:42:13,970 --> 01:42:11,340

by being an asset for the other

2409

01:42:16,010 --> 01:42:13,980

reptilians the Draco actually so I think

2410

01:42:18,229 --> 01:42:16,020

the either they found the markers or

2411

01:42:20,390 --> 01:42:18,239

they treated me as a pet which I kind of

2412

01:42:22,250 --> 01:42:20,400

got from them but why they would show me

2413

01:42:25,970 --> 01:42:22,260

what they showed me I don't know and I'm

2414

01:42:30,229 --> 01:42:25,980

not gonna go back to ask him so I like

2415

01:42:33,649 --> 01:42:31,870

yeah yeah

2416

01:42:35,330 --> 01:42:33,659

[Music]

2417

01:42:38,770 --> 01:42:35,340

they're about the toughest person I've

2418

01:42:42,890 --> 01:42:38,780

ever met yeah my late husband

2419

01:42:44,390 --> 01:42:42,900

well I think also neither of us were the

2420

01:42:47,570 --> 01:42:44,400

worst thing you could do with reptilians

2421

01:42:50,030 --> 01:42:47,580

is like beg for your life because they

2422

01:42:52,609 --> 01:42:50,040

don't respect that at all so we were

2423

01:42:56,030 --> 01:42:52,619

like because we were here we had a lot

2424

01:42:58,010 --> 01:42:56,040

of uh covert military and my exability

2425

01:42:59,990 --> 01:42:58,020

your training comes in

2426
01:43:02,510 --> 01:43:00,000
and then previous agreements between

2427
01:43:04,910 --> 01:43:02,520
yours and so we weren't going to go out

2428
01:43:06,410 --> 01:43:04,920
quietly and we we I didn't think I was

2429
01:43:09,410 --> 01:43:06,420
going to survive I thought I was going

2430
01:43:11,629 --> 01:43:09,420
to die that day I I had no doubt in mind

2431
01:43:13,129 --> 01:43:11,639
I was going to die I didn't know that I

2432
01:43:15,169 --> 01:43:13,139
was going to survive I really didn't

2433
01:43:18,169 --> 01:43:15,179
think I would my only thought was I

2434
01:43:19,430 --> 01:43:18,179
wonder if I could trigger well I mean my

2435
01:43:21,169 --> 01:43:19,440
husband told so I wonder if we could

2436
01:43:22,550 --> 01:43:21,179
trigger them by trying to escape and

2437
01:43:25,189 --> 01:43:22,560
trying to get them to kill us before

2438
01:43:27,470 --> 01:43:25,199

they take us in the warehouse so do you

2439

01:43:29,330 --> 01:43:27,480

think of the other empathize with you no

2440

01:43:31,490 --> 01:43:29,340

they're not capable of that sort of

2441

01:43:33,770 --> 01:43:31,500

empathy they don't think the same way as

2442

01:43:36,470 --> 01:43:33,780

us there there would be some other form

2443

01:43:38,930 --> 01:43:36,480

of logic they had and I don't this is a

2444

01:43:40,970 --> 01:43:38,940

you know I don't want to get involved in

2445

01:43:43,870 --> 01:43:40,980

any of those so I mean the Draco rep

2446

01:43:47,810 --> 01:43:43,880

killers they do have a system of order

2447

01:43:50,270 --> 01:43:47,820

so they're not like uh a wild alien that

2448

01:43:52,490 --> 01:43:50,280

has no thought what to kill they do have

2449

01:43:56,030 --> 01:43:52,500

a system in place where it's very

2450

01:43:58,729 --> 01:43:56,040

controller in a hierarchical system

2451

01:44:01,490 --> 01:43:58,739

um but um

2452

01:44:06,470 --> 01:44:01,500

a lot of these species easels either as

2453

01:44:08,570 --> 01:44:06,480

Vermin as food or as something to use in

2454

01:44:10,490 --> 01:44:08,580

whatever way they want to use us for you

2455

01:44:12,649 --> 01:44:10,500

know as an asset or something else so

2456

01:44:15,890 --> 01:44:12,659

how did you physically Escape they

2457

01:44:17,990 --> 01:44:15,900

brought me back but I don't know why

2458

01:44:21,410 --> 01:44:18,000

they brought me back I cannot say that I

2459

01:44:23,570 --> 01:44:21,420

said I'm not going to rescue so I do you

2460

01:44:25,850 --> 01:44:23,580

know if they come in at all I'm calling

2461

01:44:28,970 --> 01:44:25,860

the defense I mean you know it's pretty

2462

01:44:31,490 --> 01:44:28,980

horrible to go through that so yeah uh

2463

01:44:33,169 --> 01:44:31,500

so I I don't know everything I don't

2464

01:44:35,330 --> 01:44:33,179

know why they brought me because I have

2465

01:44:36,649 --> 01:44:35,340

thought I have told myself that why did

2466

01:44:40,010 --> 01:44:36,659

they bring that why didn't they kill me

2467

01:44:42,649 --> 01:44:40,020

yeah I don't know I mean I can only

2468

01:44:44,030 --> 01:44:42,659

assume that in certain aspects because I

2469

01:44:45,890 --> 01:44:44,040

know about the other reptilians that

2470

01:44:48,890 --> 01:44:45,900

there was a reason but I don't know the

2471

01:44:50,090 --> 01:44:48,900

reason not 100 certainty anywhere I can

2472

01:44:52,790 --> 01:44:50,100

guess

2473

01:44:56,350 --> 01:44:52,800

but that's all I can do

2474

01:45:00,229 --> 01:44:58,430

isn't it

2475

01:45:03,350 --> 01:45:00,239

thank you very much for coming have a

2476

01:45:04,910 --> 01:45:03,360

good journey back and we wish you Julie

2477

01:45:09,550 --> 01:45:04,920

a good Journey Back to Life this year
