1
00:00:00,140 --> 00:00:05,510

[Music]

2
00:00:08,629 --> 00:00:06,789

there's a whole fleet of them look on

3
00:00:10,870 --> 00:00:08,639

the assay

4
00:00:14,310 --> 00:00:10,880

oh my gosh they're all going against the

5
00:00:18,950 --> 00:00:16,310

it was basically a cube with inside of

6
00:00:32,960 --> 00:00:18,960

sphere where the points of the cube

7
00:00:37,110 --> 00:00:34,530

[Music]

8
00:00:38,709 --> 00:00:37,120

[Applause]

9
00:00:40,630 --> 00:00:38,719

so this isn't anything that just is

10
00:00:49,910 --> 00:00:40,640

limited to the united states

11
00:00:53,750 --> 00:00:51,590

hi everyone and welcome to a very

12
00:00:55,750 --> 00:00:53,760

special that ufo podcast

13
00:00:57,430 --> 00:00:55,760

i'm not going to waste too much time and

14

00:00:59,189 --> 00:00:57,440

get straight into the interview for this

15

00:01:00,630 --> 00:00:59,199

one because you are here for one reason

16

00:01:02,470 --> 00:01:00,640

and one reason only

17

00:01:04,390 --> 00:01:02,480

uh for a long time i've made no secret

18

00:01:05,429 --> 00:01:04,400

the top of my wish list for guests on

19

00:01:07,670 --> 00:01:05,439

this podcast

20

00:01:09,030 --> 00:01:07,680

would be one mr louise elizondo and i'm

21

00:01:10,789 --> 00:01:09,040

delighted to see i have lou

22

00:01:12,310 --> 00:01:10,799

on the podcast with me now welcome to

23

00:01:13,990 --> 00:01:12,320

the podcast

24

00:01:15,749 --> 00:01:14,000

thank you very much it's uh certainly my

25

00:01:17,590 --> 00:01:15,759

honor and privilege um

26

00:01:20,870 --> 00:01:17,600

i sincerely appreciate your time and of

27

00:01:23,510 --> 00:01:20,880

course your audience's time as well

28

00:01:25,109 --> 00:01:23,520

listen uh it's no secret people seek out

29

00:01:26,469 --> 00:01:25,119

your interviews and they troll through

30

00:01:28,310 --> 00:01:26,479

them with a fine tooth comb

31

00:01:30,390 --> 00:01:28,320

to get any little nuggets of information

32

00:01:30,789 --> 00:01:30,400

they can so hopefully we can get through

33

00:01:32,390 --> 00:01:30,799

as much

34

00:01:33,670 --> 00:01:32,400

on this interview as possible the

35

00:01:34,710 --> 00:01:33,680

response from the listeners has been

36

00:01:36,469 --> 00:01:34,720

incredible

37

00:01:38,469 --> 00:01:36,479

um i would just like to preface it by

38

00:01:39,990 --> 00:01:38,479

saying that i've watched your interviews

39

00:01:40,789 --> 00:01:40,000
recently with john greenwald on

40

00:01:43,190 --> 00:01:40,799
blackvault

41

00:01:44,870 --> 00:01:43,200
and ryan sprague somewhere in the skies

42

00:01:46,469 --> 00:01:44,880
i have tried to stay away from

43

00:01:48,149 --> 00:01:46,479
anything they talked about because they

44

00:01:50,069 --> 00:01:48,159
done a good job with their interviews

45

00:01:51,990 --> 00:01:50,079
and i would highly suggest and recommend

46

00:01:53,510 --> 00:01:52,000
people go and seek out those interviews

47

00:01:55,429 --> 00:01:53,520
for anything that i potentially don't

48

00:01:56,709 --> 00:01:55,439
cover and i'd like to get straight into

49

00:01:58,950 --> 00:01:56,719
the first question lou

50

00:02:00,469 --> 00:01:58,960
um regarding your security clearance

51
00:02:02,389 --> 00:02:00,479
this is something a lot of people bring

52
00:02:04,310 --> 00:02:02,399
up as a source of frustration

53
00:02:06,469 --> 00:02:04,320
when you can't answer the question and

54
00:02:07,990 --> 00:02:06,479
the way that they might not like you to

55
00:02:09,990 --> 00:02:08,000
can you start off just by talking a

56
00:02:10,389 --> 00:02:10,000
little bit about your clearance that you

57
00:02:13,990 --> 00:02:10,399
have

58
00:02:16,949 --> 00:02:14,000
that means yeah sure

59
00:02:18,550 --> 00:02:16,959
so security clearance is i think a lot

60
00:02:20,869 --> 00:02:18,560
of times over complicated

61
00:02:22,550 --> 00:02:20,879
uh if if people on the outside haven't

62
00:02:24,390 --> 00:02:22,560
spent any time in the government

63
00:02:25,910 --> 00:02:24,400

there's this giant mystery behind you

64

00:02:26,869 --> 00:02:25,920

know a security clearance of what it

65

00:02:28,630 --> 00:02:26,879

means and

66

00:02:30,630 --> 00:02:28,640

and the type of access of information

67

00:02:31,030 --> 00:02:30,640

you have here in the united states we

68

00:02:34,229 --> 00:02:31,040

have

69

00:02:36,869 --> 00:02:34,239

three classifications of of

70

00:02:39,030 --> 00:02:36,879

if you will information um besides

71

00:02:40,470 --> 00:02:39,040

unclassified unclassified isn't really a

72

00:02:43,509 --> 00:02:40,480

classification it's

73

00:02:45,350 --> 00:02:43,519

just unclassified information um the

74

00:02:47,670 --> 00:02:45,360

three classifications are confidential

75

00:02:48,470 --> 00:02:47,680

which is the first tier of information

76

00:02:50,710 --> 00:02:48,480

secret

77

00:02:52,229 --> 00:02:50,720

which is the second tier and ultimately

78

00:02:54,869 --> 00:02:52,239

top secret information

79

00:02:55,350 --> 00:02:54,879

now there's actually legal guidelines of

80

00:02:57,830 --> 00:02:55,360

what

81

00:02:59,910 --> 00:02:57,840

this this information means from a from

82

00:03:02,470 --> 00:02:59,920

a top secret perspective that means if

83

00:03:03,430 --> 00:03:02,480

information were to get compromised uh

84

00:03:06,470 --> 00:03:03,440

and put out

85

00:03:08,390 --> 00:03:06,480

uh into the public sphere if an enemy

86

00:03:09,910 --> 00:03:08,400

were to gain access to that information

87

00:03:13,110 --> 00:03:09,920

it would cause quote unquote

88

00:03:15,270 --> 00:03:13,120

grave or exceptional damage to the

89

00:03:18,630 --> 00:03:15,280

united states national security

90

00:03:20,550 --> 00:03:18,640

so that's in essence why we classify

91

00:03:22,869 --> 00:03:20,560

information particularly to protect

92

00:03:24,070 --> 00:03:22,879

sources and methods that's very

93

00:03:25,750 --> 00:03:24,080

important because

94

00:03:27,670 --> 00:03:25,760

a lot of times information in itself

95

00:03:30,949 --> 00:03:27,680

might be unclassified but

96

00:03:32,710 --> 00:03:30,959

how you collect that information can be

97

00:03:34,789 --> 00:03:32,720

very very sensitive and so that's why we

98

00:03:36,550 --> 00:03:34,799

classify information the way we do

99

00:03:38,550 --> 00:03:36,560

in my case because i was in the

100

00:03:40,630 --> 00:03:38,560

intelligence community for so long

101
00:03:42,390 --> 00:03:40,640
in order to have the job that i have the

102
00:03:44,070 --> 00:03:42,400
government insisted all of us

103
00:03:46,789 --> 00:03:44,080
with that particular if you will

104
00:03:48,550 --> 00:03:46,799
expertise in counterintelligence

105
00:03:51,270 --> 00:03:48,560
intelligence human intelligence

106
00:03:51,750 --> 00:03:51,280
you have to have a top secret security

107
00:03:53,509 --> 00:03:51,760
clearance

108
00:03:55,110 --> 00:03:53,519
meaning that you have to go through an

109
00:03:56,390 --> 00:03:55,120
extensive background investigation

110
00:03:59,589 --> 00:03:56,400
psychological

111
00:04:01,589 --> 00:03:59,599
uh evaluations and polygraphs to get

112
00:04:03,589 --> 00:04:01,599
access to certain information within

113
00:04:05,509 --> 00:04:03,599

within that caveat of top secret and

114

00:04:08,229 --> 00:04:05,519

then within the top secret

115

00:04:09,750 --> 00:04:08,239

layer think of a a layer cake maybe a

116

00:04:11,350 --> 00:04:09,760

wedding cake that's got many different

117

00:04:13,350 --> 00:04:11,360

layers of frosting uh

118

00:04:14,390 --> 00:04:13,360

throughout the cake at the top secret

119

00:04:15,990 --> 00:04:14,400

level

120

00:04:17,670 --> 00:04:16,000

people think well it's top secret

121

00:04:20,069 --> 00:04:17,680

information uh

122

00:04:20,789 --> 00:04:20,079

that's it well there's actually some sub

123

00:04:22,950 --> 00:04:20,799

layers

124

00:04:23,990 --> 00:04:22,960

or strata if you will even within the

125

00:04:26,390 --> 00:04:24,000

top secret

126

00:04:28,710 --> 00:04:26,400

and you have sci which is sensitive

127

00:04:29,590 --> 00:04:28,720

compartmented information you have sap

128

00:04:30,950 --> 00:04:29,600

information

129

00:04:33,670 --> 00:04:30,960

and you've got these little little

130

00:04:35,590 --> 00:04:33,680

cutouts that are within the top secret

131

00:04:38,870 --> 00:04:35,600

realm but they are extremely

132

00:04:40,310 --> 00:04:38,880

nuanced very very sensitive again

133

00:04:42,150 --> 00:04:40,320

because of the line of work that i was

134

00:04:43,749 --> 00:04:42,160

in i was required to have that type of

135

00:04:47,270 --> 00:04:43,759

security clearance

136

00:04:48,230 --> 00:04:47,280

when it comes to the uap topic when i am

137

00:04:51,150 --> 00:04:48,240

talking

138

00:04:52,469 --> 00:04:51,160

about information a lot of it is

139

00:04:56,469 --> 00:04:52,479

unclassified

140

00:04:58,070 --> 00:04:56,479

information was obtained

141

00:04:59,909 --> 00:04:58,080

it was obtained through some very

142

00:05:01,670 --> 00:04:59,919

sensitive sources and methods

143

00:05:04,150 --> 00:05:01,680

obviously we don't want as a nation to

144

00:05:05,670 --> 00:05:04,160

compromise those sources and methods

145

00:05:08,230 --> 00:05:05,680

otherwise you can't use them

146

00:05:09,830 --> 00:05:08,240

ever again because you get compromised

147

00:05:11,510 --> 00:05:09,840

especially in the world of human

148

00:05:13,590 --> 00:05:11,520

intelligence you're talking about

149

00:05:15,350 --> 00:05:13,600

people's lives when you're collecting

150

00:05:15,749 --> 00:05:15,360

information from another human being

151
00:05:19,510 --> 00:05:15,759
that

152
00:05:19,990 --> 00:05:19,520
information there's a level of trust

153
00:05:23,189 --> 00:05:20,000
there

154
00:05:25,270 --> 00:05:23,199
that has to be exercised and really to

155
00:05:26,870 --> 00:05:25,280
some degree that person's life is now in

156
00:05:27,590 --> 00:05:26,880
your hands because if the country that

157
00:05:28,710 --> 00:05:27,600
they're from

158
00:05:31,350 --> 00:05:28,720
finds out that they're sharing

159
00:05:32,870 --> 00:05:31,360
information with you it could be well

160
00:05:34,870 --> 00:05:32,880
that's that's considered spying

161
00:05:36,469 --> 00:05:34,880
technically uh by by a lot of other

162
00:05:39,830 --> 00:05:36,479
countries uh rules and

163
00:05:41,749 --> 00:05:39,840

and laws um so you know in that shadowy

164

00:05:44,150 --> 00:05:41,759

world of intelligence and espionage

165

00:05:45,909 --> 00:05:44,160

uh you have to have that level of of of

166

00:05:48,550 --> 00:05:45,919

security clearance and there is a

167

00:05:49,590 --> 00:05:48,560

a requirement there's a a if you will an

168

00:05:52,230 --> 00:05:49,600

nda

169

00:05:52,629 --> 00:05:52,240

right non-disclosure agreement that you

170

00:05:53,990 --> 00:05:52,639

sign

171

00:05:55,670 --> 00:05:54,000

and it's not like a company's

172

00:05:56,870 --> 00:05:55,680

non-disclosure agreement it's far more

173

00:05:59,590 --> 00:05:56,880

comprehensive

174

00:06:00,230 --> 00:05:59,600

it basically subjugates me to jail time

175

00:06:03,110 --> 00:06:00,240

uh

176

00:06:05,029 --> 00:06:03,120

there are several acts like the sus

177

00:06:07,510 --> 00:06:05,039

espionage act for example

178

00:06:08,230 --> 00:06:07,520

that if i violate my tr the trust and

179

00:06:10,309 --> 00:06:08,240

confidence

180

00:06:12,469 --> 00:06:10,319

that the us government has bestowed into

181

00:06:13,590 --> 00:06:12,479

me and let's not forget that that trust

182

00:06:16,390 --> 00:06:13,600

and confidence

183

00:06:17,990 --> 00:06:16,400

is really a derivative of the people's

184

00:06:19,830 --> 00:06:18,000

trust and confidence right

185

00:06:21,110 --> 00:06:19,840

i represent the the people the united

186

00:06:23,749 --> 00:06:21,120

states uh

187

00:06:25,270 --> 00:06:23,759

they have trusted me with that level of

188

00:06:26,950 --> 00:06:25,280

security clearance knowing that i would

189

00:06:28,070 --> 00:06:26,960

not share certain information and if i

190

00:06:30,870 --> 00:06:28,080

violate that

191

00:06:31,590 --> 00:06:30,880

i can go to jail i can be prosecuted um

192

00:06:34,629 --> 00:06:31,600

i can

193

00:06:36,070 --> 00:06:34,639

me now

194

00:06:38,230 --> 00:06:36,080

i think it's also important to say that

195

00:06:40,629 --> 00:06:38,240

when i tell people i can't discuss that

196

00:06:41,909 --> 00:06:40,639

uh because of my security clearance i'm

197

00:06:43,110 --> 00:06:41,919

not saying that because i'm necessarily

198

00:06:44,629 --> 00:06:43,120

afraid to go to jail

199

00:06:46,150 --> 00:06:44,639

um i mean obviously i don't want to go

200

00:06:49,909 --> 00:06:46,160

to jail but but it's because

201
00:06:52,390 --> 00:06:49,919
it's for me it's a sacred it's a sacred

202
00:06:54,230 --> 00:06:52,400
oath that i took and that oath wasn't

203
00:06:55,430 --> 00:06:54,240
just to the us government it was to the

204
00:06:57,830 --> 00:06:55,440
american people

205
00:07:00,629 --> 00:06:57,840
it's a bit like a marriage when you when

206
00:07:02,390 --> 00:07:00,639
you make that oath till death do us part

207
00:07:03,670 --> 00:07:02,400
it's an oath till death do us part and

208
00:07:04,870 --> 00:07:03,680
it's not just to the partner you're

209
00:07:06,309 --> 00:07:04,880
making that commitment to

210
00:07:08,629 --> 00:07:06,319
it's actually an oath you're making to

211
00:07:11,189 --> 00:07:08,639
yourself so if i were to make an

212
00:07:13,110 --> 00:07:11,199
exception to that and violate that that

213
00:07:15,909 --> 00:07:13,120

that oath that i have sworn many many

214

00:07:16,230 --> 00:07:15,919

years ago everything else i've ever done

215

00:07:18,550 --> 00:07:16,240

uh

216

00:07:20,230 --> 00:07:18,560

is is up for grabs too i mean if

217

00:07:21,990 --> 00:07:20,240

something that simple my oath to the

218

00:07:23,430 --> 00:07:22,000

american people can be violated that's

219

00:07:24,469 --> 00:07:23,440

simply by saying well i'm gonna let you

220

00:07:26,710 --> 00:07:24,479

know something

221

00:07:28,070 --> 00:07:26,720

um then everything that i've ever stood

222

00:07:30,870 --> 00:07:28,080

for before whether it's

223

00:07:32,390 --> 00:07:30,880

you know going to war or or conducting

224

00:07:33,589 --> 00:07:32,400

the operations i have on behalf of the

225

00:07:36,230 --> 00:07:33,599

american people

226

00:07:36,710 --> 00:07:36,240

that is also up in question two and i

227

00:07:41,430 --> 00:07:36,720

open

228

00:07:44,629 --> 00:07:41,440

questioning two

229

00:07:45,430 --> 00:07:44,639

and so um you know i i take my oath

230

00:07:47,430 --> 00:07:45,440

seriously

231

00:07:48,950 --> 00:07:47,440

uh ultimately it's an oath i've made to

232

00:07:49,350 --> 00:07:48,960

the american people it's the same oath

233

00:07:55,430 --> 00:07:49,360

that

234

00:07:56,469 --> 00:07:55,440

when i say i i take this responsibility

235

00:07:58,390 --> 00:07:56,479

seriously

236

00:08:00,070 --> 00:07:58,400

i mean i take a responsive i take that

237

00:08:01,510 --> 00:08:00,080

responsibility seriously

238

00:08:03,589 --> 00:08:01,520

you know i'm going to digress you just

239

00:08:04,629 --> 00:08:03,599

for a moment because three years ago

240

00:08:07,110 --> 00:08:04,639

when i first came out

241

00:08:07,749 --> 00:08:07,120

there's a lot of stuff i could have said

242

00:08:09,189 --> 00:08:07,759

up front

243

00:08:11,189 --> 00:08:09,199

that probably would have saved me a lot

244

00:08:12,469 --> 00:08:11,199

of grief a lot of sharp shooting by a

245

00:08:14,790 --> 00:08:12,479

lot of people

246

00:08:16,550 --> 00:08:14,800

but i'm not going to sell out

247

00:08:17,510 --> 00:08:16,560

individuals and sources that i've worked

248

00:08:19,589 --> 00:08:17,520

with in the government

249

00:08:21,830 --> 00:08:19,599

just to save my ass i'm not that kind of

250

00:08:23,749 --> 00:08:21,840

guy i never have been i never will be so

251
00:08:25,189 --> 00:08:23,759
you know i know as as more information

252
00:08:27,189 --> 00:08:25,199
comes to life people are kind of

253
00:08:28,710 --> 00:08:27,199
frustrated saying you know lou why

254
00:08:30,790 --> 00:08:28,720
why didn't you just say this three years

255
00:08:32,709 --> 00:08:30,800
ago or two years ago you know

256
00:08:35,589 --> 00:08:32,719
and all this guesswork that we had to do

257
00:08:37,190 --> 00:08:35,599
well because i'm not that kind of guy

258
00:08:39,509 --> 00:08:37,200
i'm not just going to go ahead and say

259
00:08:40,870 --> 00:08:39,519
something and compromise somebody else

260
00:08:42,870 --> 00:08:40,880
in the program

261
00:08:44,710 --> 00:08:42,880
just to save my credibility that's not

262
00:08:45,990 --> 00:08:44,720
what this endeavor is about it's not

263
00:08:48,150 --> 00:08:46,000

about satisfying

264

00:08:50,070 --> 00:08:48,160

satisfying the idle curiosity of people

265

00:08:51,430 --> 00:08:50,080

and it's not about vindicating myself it

266

00:08:52,630 --> 00:08:51,440

never has been this is a much more

267

00:08:55,110 --> 00:08:52,640

profound journey

268

00:08:55,990 --> 00:08:55,120

about about telling the american people

269

00:08:57,750 --> 00:08:56,000

the truth

270

00:08:59,990 --> 00:08:57,760

and if that truth the cost of telling

271

00:09:02,710 --> 00:09:00,000

the truth is at my own expense

272

00:09:04,150 --> 00:09:02,720

as i've said before then that's that's

273

00:09:07,670 --> 00:09:04,160

that's a

274

00:09:08,949 --> 00:09:07,680

do whatever i have to do to have that

275

00:09:10,790 --> 00:09:08,959

conversation

276

00:09:12,870 --> 00:09:10,800

so i'd like to follow on from that with

277

00:09:14,470 --> 00:09:12,880

that in mind when you appeared on fox

278

00:09:15,990 --> 00:09:14,480

news with tucker carlson

279

00:09:18,070 --> 00:09:16,000

he asked if you believe the us

280

00:09:19,190 --> 00:09:18,080

government has debris from crashed uap

281

00:09:21,190 --> 00:09:19,200

and its possession

282

00:09:22,470 --> 00:09:21,200

your response was and i'll quote

283

00:09:25,670 --> 00:09:22,480

hopefully correctly here

284

00:09:27,990 --> 00:09:25,680

simply put yes that's a big answer

285

00:09:30,389 --> 00:09:28,000

how can you give that as an answer with

286

00:09:32,630 --> 00:09:30,399

that clearance in mind

287

00:09:34,389 --> 00:09:32,640

well because i'm not saying the

288

00:09:36,310 --> 00:09:34,399

specifics i'm not saying where it is

289

00:09:39,829 --> 00:09:36,320

where it's from uh

290

00:09:41,110 --> 00:09:39,839

who collected it remember what he said

291

00:09:43,910 --> 00:09:41,120

he said do you believe

292

00:09:45,110 --> 00:09:43,920

that the u.s government has material in

293

00:09:47,910 --> 00:09:45,120

its possession

294

00:09:49,590 --> 00:09:47,920

well he's asking me my my personal

295

00:09:52,070 --> 00:09:49,600

opinion

296

00:09:53,750 --> 00:09:52,080

and and i can i can provide my personal

297

00:09:56,070 --> 00:09:53,760

opinion in that regard i'm allowed to

298

00:09:58,070 --> 00:09:56,080

based upon the information i saw

299

00:09:59,269 --> 00:09:58,080

i i can say that because he's not asking

300

00:10:01,829 --> 00:09:59,279

me to say

301
00:10:02,470 --> 00:10:01,839
something to the effect of um for

302
00:10:04,310 --> 00:10:02,480
example

303
00:10:05,509 --> 00:10:04,320
who collected the material where is it

304
00:10:07,110 --> 00:10:05,519
being stored

305
00:10:08,790 --> 00:10:07,120
under whose authorities and auspices

306
00:10:11,110 --> 00:10:08,800
what are its capabilities what is it

307
00:10:12,790 --> 00:10:11,120
specifically made out of that's not what

308
00:10:14,150 --> 00:10:12,800
the question was he just simply asked me

309
00:10:15,990 --> 00:10:14,160
do you believe

310
00:10:17,350 --> 00:10:16,000
there is recovered material anything

311
00:10:20,150 --> 00:10:17,360
beyond that

312
00:10:22,310 --> 00:10:20,160
other than what i believe now becomes

313
00:10:24,230 --> 00:10:22,320

stated fact and now i have to be careful

314

00:10:25,190 --> 00:10:24,240

because that stated fact is based upon

315

00:10:28,310 --> 00:10:25,200

knowledge

316

00:10:29,030 --> 00:10:28,320

that i had as as as a employee of the us

317

00:10:31,190 --> 00:10:29,040

government

318

00:10:32,069 --> 00:10:31,200

and that's why i was very specific when

319

00:10:33,990 --> 00:10:32,079

i said

320

00:10:36,389 --> 00:10:34,000

you know i have to be careful what i say

321

00:10:38,550 --> 00:10:36,399

here i i i take a minute and i have to

322

00:10:41,110 --> 00:10:38,560

pause and have to think about it because

323

00:10:43,110 --> 00:10:41,120

you know it's a it's a very fine line

324

00:10:45,350 --> 00:10:43,120

there's there's a there's a ledge there

325

00:10:47,030 --> 00:10:45,360

and i'm tiptoeing pretty close to that

326

00:10:50,230 --> 00:10:47,040

ledge and i you know

327

00:10:53,110 --> 00:10:50,240

one word just one wrong word and

328

00:10:53,670 --> 00:10:53,120

i'm i'm going to be over the edge and uh

329

00:10:56,310 --> 00:10:53,680

you know

330

00:10:56,949 --> 00:10:56,320

it things can get very complicated for

331

00:11:00,230 --> 00:10:56,959

me

332

00:11:01,750 --> 00:11:00,240

counterintelligence helps you tip to

333

00:11:03,110 --> 00:11:01,760

that edge pretty well

334

00:11:05,509 --> 00:11:03,120

and it seems to have worked for you so

335

00:11:07,509 --> 00:11:05,519

far um it's been well documented since

336

00:11:08,790 --> 00:11:07,519

you're parting of ways with tsa that

337

00:11:10,389 --> 00:11:08,800

it's been amicable and you've got a lot

338

00:11:11,350 --> 00:11:10,399

of friends there and you enjoyed your

339

00:11:13,350 --> 00:11:11,360

time there

340

00:11:15,509 --> 00:11:13,360

since then have you been able to hold on

341

00:11:17,910 --> 00:11:15,519

to any projects you were involved with

342

00:11:19,910 --> 00:11:17,920

at the time with ttsa that you can

343

00:11:22,389 --> 00:11:19,920

continue to work on

344

00:11:24,069 --> 00:11:22,399

what a good question very very

345

00:11:24,630 --> 00:11:24,079

insightful thank you for asking that

346

00:11:28,389 --> 00:11:24,640

question

347

00:11:31,190 --> 00:11:28,399

the answer is a wholehearted yes

348

00:11:31,590 --> 00:11:31,200

there are efforts within ttsa that i'm

349

00:11:34,870 --> 00:11:31,600

still

350

00:11:36,630 --> 00:11:34,880

very much engaged with that ttsa now

351
00:11:39,670 --> 00:11:36,640
that it's refocusing uh

352
00:11:40,790 --> 00:11:39,680
to the entertainment piece i have the

353
00:11:43,670 --> 00:11:40,800
ability to

354
00:11:44,310 --> 00:11:43,680
run with some of these other efforts uh

355
00:11:47,590 --> 00:11:44,320
in a way

356
00:11:50,470 --> 00:11:47,600
that doesn't interfere uh

357
00:11:51,110 --> 00:11:50,480
or or complicate what ttsa is trying to

358
00:11:52,710 --> 00:11:51,120
achieve

359
00:11:55,350 --> 00:11:52,720
and at the same time allows me the

360
00:11:58,550 --> 00:11:55,360
flexibility to as i said before

361
00:12:01,990 --> 00:11:58,560
shift into second gear basically uh

362
00:12:03,990 --> 00:12:02,000
move this effort now into phase two

363
00:12:06,310 --> 00:12:04,000

any specifics around those that you can

364

00:12:10,389 --> 00:12:06,320

talk about

365

00:12:11,269 --> 00:12:10,399

um not at this moment i think very very

366

00:12:13,269 --> 00:12:11,279

soon it'll be

367

00:12:14,949 --> 00:12:13,279

clear the reason why i don't want to

368

00:12:17,829 --> 00:12:14,959

talk about it is because

369

00:12:18,790 --> 00:12:17,839

they're in a delicate state of um of

370

00:12:20,310 --> 00:12:18,800

development

371

00:12:22,710 --> 00:12:20,320

and what i don't want to do is say

372

00:12:24,550 --> 00:12:22,720

something right now prematurely

373

00:12:25,829 --> 00:12:24,560

and you know let's say there's an

374

00:12:27,269 --> 00:12:25,839

organization out there that's very

375

00:12:29,110 --> 00:12:27,279

interested in partnering with us to

376

00:12:29,670 --> 00:12:29,120

bring this capability to full maturity

377

00:12:31,670 --> 00:12:29,680

right

378

00:12:33,990 --> 00:12:31,680

um i don't want to do anything to spook

379

00:12:36,629 --> 00:12:34,000

the herd um this is still

380

00:12:38,150 --> 00:12:36,639

i mean it's still a very it's still a

381

00:12:39,910 --> 00:12:38,160

very controversial topic that we're

382

00:12:40,389 --> 00:12:39,920

dealing with we're talking about uaps

383

00:12:44,230 --> 00:12:40,399

and

384

00:12:45,190 --> 00:12:44,240

the point where i think it's becoming

385

00:12:48,470 --> 00:12:45,200

more accepted

386

00:12:50,310 --> 00:12:48,480

but but we haven't achieved that that

387

00:12:51,590 --> 00:12:50,320

state of normalcy yet that we're all

388

00:12:53,509 --> 00:12:51,600

looking for so

389

00:12:55,030 --> 00:12:53,519

i have to be careful stigma and taboo is

390

00:12:57,430 --> 00:12:55,040

still a very

391

00:12:59,030 --> 00:12:57,440

significant part of this conversation

392

00:13:00,470 --> 00:12:59,040

and i have to tread very lightly and

393

00:13:02,230 --> 00:13:00,480

delicately sometimes

394

00:13:03,509 --> 00:13:02,240

when you talk about stigma and taboo

395

00:13:04,710 --> 00:13:03,519

normally with most people

396

00:13:06,629 --> 00:13:04,720

talking about that with me in this

397

00:13:08,230 --> 00:13:06,639

subject i would say that you know

398

00:13:09,590 --> 00:13:08,240

that you can't tell me anything better

399

00:13:11,190 --> 00:13:09,600

but given who i'm talking with you

400

00:13:13,190 --> 00:13:11,200

probably can and given what your line of

401
00:13:15,590 --> 00:13:13,200
work's been in the past as well

402
00:13:17,990 --> 00:13:15,600
as part of those changes at ttsa steve

403
00:13:19,509 --> 00:13:18,000
justice and chris melon also left

404
00:13:21,430 --> 00:13:19,519
what is your relationship with those

405
00:13:23,829 --> 00:13:21,440
gentlemen today and do you still plan to

406
00:13:27,269 --> 00:13:23,839
collaborate on projects with them

407
00:13:28,790 --> 00:13:27,279
oh yeah daily uh we should be no

408
00:13:32,069 --> 00:13:28,800
surprise that uh

409
00:13:33,509 --> 00:13:32,079
we are in very uh close collaboration

410
00:13:34,389 --> 00:13:33,519
proximity from a perspective of

411
00:13:36,629 --> 00:13:34,399
collaboration

412
00:13:37,750 --> 00:13:36,639
uh there's very little daylight in fact

413
00:13:41,189 --> 00:13:37,760

uh i speak to

414

00:13:44,389 --> 00:13:41,199

to chris um on

415

00:13:46,310 --> 00:13:44,399

on a daily basis uh we are working very

416

00:13:48,470 --> 00:13:46,320

hard together this has been a

417

00:13:49,829 --> 00:13:48,480

really and forgive me for saying this

418

00:13:51,350 --> 00:13:49,839

because people i think are going to look

419

00:13:53,509 --> 00:13:51,360

into this and they're going to

420

00:13:54,870 --> 00:13:53,519

misconstrue what i'm saying um they're

421

00:13:56,150 --> 00:13:54,880

going to say i see you i told you he was

422

00:13:59,430 --> 00:13:56,160

manipulating

423

00:14:01,509 --> 00:13:59,440

um chris and i chris is

424

00:14:03,590 --> 00:14:01,519

is is absolutely the epitome of a

425

00:14:05,189 --> 00:14:03,600

strategist he's probably one of the most

426
00:14:07,910 --> 00:14:05,199
intelligent human beings i have

427
00:14:10,069 --> 00:14:07,920
ever met and i've met a lot of smart

428
00:14:11,430 --> 00:14:10,079
people

429
00:14:12,790 --> 00:14:11,440
we have been running this for the last

430
00:14:15,430 --> 00:14:12,800
three years very much like you would a

431
00:14:17,750 --> 00:14:15,440
military or an intelligence campaign

432
00:14:19,269 --> 00:14:17,760
there's five pillars of emphasis that we

433
00:14:21,750 --> 00:14:19,279
have been focusing on

434
00:14:23,189 --> 00:14:21,760
and none of these pillars can ever

435
00:14:23,990 --> 00:14:23,199
become taller than the other think of

436
00:14:26,470 --> 00:14:24,000
putting a roof

437
00:14:27,990 --> 00:14:26,480
on on on a house right you can't have

438
00:14:29,509 --> 00:14:28,000

one side of the house

439

00:14:31,030 --> 00:14:29,519

taller than the other side because then

440

00:14:33,350 --> 00:14:31,040

the roof gets cockeyed

441

00:14:34,949 --> 00:14:33,360

so the five pillars are the first one

442

00:14:37,590 --> 00:14:34,959

has been legislative engagement

443

00:14:39,350 --> 00:14:37,600

and that's in making sure that our our

444

00:14:40,310 --> 00:14:39,360

senior elected officials in this country

445

00:14:44,310 --> 00:14:40,320

the committees

446

00:14:46,150 --> 00:14:44,320

are properly briefed into the phenomenon

447

00:14:47,430 --> 00:14:46,160

the next pillar has been senior

448

00:14:49,269 --> 00:14:47,440

executive uh

449

00:14:50,550 --> 00:14:49,279

engagement on the executive branch

450

00:14:52,470 --> 00:14:50,560

senior leadership so

451
00:14:55,350 --> 00:14:52,480
um that would be engaging those

452
00:14:57,430 --> 00:14:55,360
individuals in the executive branch

453
00:14:59,110 --> 00:14:57,440
that need to be briefed so for example

454
00:15:00,629 --> 00:14:59,120
um everybody knows that in the last

455
00:15:01,910 --> 00:15:00,639
administration the president had been

456
00:15:03,829 --> 00:15:01,920
briefed a few times

457
00:15:05,269 --> 00:15:03,839
the secretary of defense secretary of

458
00:15:07,829 --> 00:15:05,279
defense was briefed

459
00:15:09,430 --> 00:15:07,839
um you know former director of the cia

460
00:15:10,389 --> 00:15:09,440
so it's now coming to light that these

461
00:15:12,790 --> 00:15:10,399
people were briefed

462
00:15:14,790 --> 00:15:12,800
so that was the second pillar executive

463
00:15:16,949 --> 00:15:14,800

engagement executive level of engagement

464

00:15:18,870 --> 00:15:16,959

the third pillar has been international

465

00:15:19,509 --> 00:15:18,880

engagement engaging those friends and

466

00:15:22,710 --> 00:15:19,519

allies

467

00:15:23,030 --> 00:15:22,720

in other countries are counterparts that

468

00:15:24,790 --> 00:15:23,040

are

469

00:15:26,150 --> 00:15:24,800

interested in having this conversation

470

00:15:27,350 --> 00:15:26,160

they're seeing something too they never

471

00:15:29,189 --> 00:15:27,360

really wanted to say anything but now

472

00:15:30,790 --> 00:15:29,199

that the u.s has stepped forward

473

00:15:32,949 --> 00:15:30,800

they can reach forward and say hey you

474

00:15:33,910 --> 00:15:32,959

know we'd like to talk to you about this

475

00:15:35,670 --> 00:15:33,920

topic because

476

00:15:36,949 --> 00:15:35,680

we've we've got some questions like you

477

00:15:38,230 --> 00:15:36,959

saw with japan

478

00:15:39,990 --> 00:15:38,240

recently and they've come out and

479

00:15:41,350 --> 00:15:40,000

established a relationship

480

00:15:43,590 --> 00:15:41,360

with the united states for the explicit

481

00:15:43,829 --> 00:15:43,600

purposes of sharing uap information i

482

00:15:45,910 --> 00:15:43,839

mean

483

00:15:47,910 --> 00:15:45,920

that's a big deal right and then the

484

00:15:49,829 --> 00:15:47,920

fourth pillar is media engagement

485

00:15:51,269 --> 00:15:49,839

making sure that mainstream media has

486

00:15:54,710 --> 00:15:51,279

enough information

487

00:15:56,550 --> 00:15:54,720

um so they know they can have a a a

488

00:15:57,910 --> 00:15:56,560

an elevated conversation about the topic

489

00:15:59,749 --> 00:15:57,920

we're no longer talking about

490

00:16:00,949 --> 00:15:59,759

tinfoil hats and elvis on the mothership

491

00:16:02,629 --> 00:16:00,959

we're talking about science we're

492

00:16:06,870 --> 00:16:02,639

talking about quantum physics

493

00:16:08,710 --> 00:16:06,880

we're talking about about a real

494

00:16:10,150 --> 00:16:08,720

issue that we have right now something

495

00:16:11,509 --> 00:16:10,160

that is in our skies we don't know what

496

00:16:12,629 --> 00:16:11,519

it is we don't know where it's from we

497

00:16:14,230 --> 00:16:12,639

don't really know how it works and

498

00:16:16,389 --> 00:16:14,240

there's not much we can do about it

499

00:16:17,590 --> 00:16:16,399

um that's that's that's that's a tough

500

00:16:20,150 --> 00:16:17,600

discussion to have

501
00:16:21,110 --> 00:16:20,160
and media is finally taking it seriously

502
00:16:23,189 --> 00:16:21,120
um despite this

503
00:16:24,150 --> 00:16:23,199
you know 70 some odd years of of

504
00:16:26,790 --> 00:16:24,160
ridicule and

505
00:16:28,150 --> 00:16:26,800
and bad hollywood movies about the topic

506
00:16:31,749 --> 00:16:28,160
and then the fifth pillar is

507
00:16:34,870 --> 00:16:31,759
is is engaging the masses engaging

508
00:16:36,870 --> 00:16:34,880
people and um that is critically

509
00:16:38,230 --> 00:16:36,880
important and so let me dissect a little

510
00:16:39,749 --> 00:16:38,240
bit about the five pillars

511
00:16:41,590 --> 00:16:39,759
you don't ever want your legislative

512
00:16:43,910 --> 00:16:41,600
branch to get ahead of the ball

513
00:16:45,269 --> 00:16:43,920

uh beyond your executive branch because

514

00:16:46,790 --> 00:16:45,279

it takes both of them you have people

515

00:16:47,590 --> 00:16:46,800

making laws and then people executing

516

00:16:48,870 --> 00:16:47,600

laws so

517

00:16:50,710 --> 00:16:48,880

so you never want to make sure that

518

00:16:51,670 --> 00:16:50,720

either the conservatives or liberals or

519

00:16:53,110 --> 00:16:51,680

anybody else

520

00:16:55,269 --> 00:16:53,120

has more information on the other side

521

00:16:57,110 --> 00:16:55,279

this is a nonpartisan issue

522

00:16:58,550 --> 00:16:57,120

it's everybody gets the same amount of

523

00:17:00,310 --> 00:16:58,560

information if you have the security

524

00:17:01,350 --> 00:17:00,320

clearance and you're in a position of

525

00:17:04,309 --> 00:17:01,360

authority

526
00:17:04,789 --> 00:17:04,319
then at the same time when we talk about

527
00:17:07,029 --> 00:17:04,799
the

528
00:17:08,630 --> 00:17:07,039
media engagement and public engagement

529
00:17:10,150 --> 00:17:08,640
that's critically important because both

530
00:17:11,029 --> 00:17:10,160
the executive branch and legislative

531
00:17:13,990 --> 00:17:11,039
branch

532
00:17:14,549 --> 00:17:14,000
are responsive to the people period full

533
00:17:18,710 --> 00:17:14,559
stop

534
00:17:20,789 --> 00:17:18,720
meaning ultimately we serve the people

535
00:17:21,990 --> 00:17:20,799
not the other way around the the people

536
00:17:23,909 --> 00:17:22,000
do not serve the government the

537
00:17:25,510 --> 00:17:23,919
government serves the people that is in

538
00:17:26,949 --> 00:17:25,520

our constitution and anybody

539

00:17:29,190 --> 00:17:26,959

who's forgotten that shouldn't be in

540

00:17:29,990 --> 00:17:29,200

government so it is important that the

541

00:17:32,630 --> 00:17:30,000

people have

542

00:17:34,630 --> 00:17:32,640

as much information as they can to then

543

00:17:36,230 --> 00:17:34,640

enable their leadership

544

00:17:38,390 --> 00:17:36,240

as we've been seeing right now this

545

00:17:40,390 --> 00:17:38,400

tremendous effort within ufo twitter to

546

00:17:41,510 --> 00:17:40,400

engage members of congress to engage the

547

00:17:44,150 --> 00:17:41,520

media

548

00:17:45,190 --> 00:17:44,160

it's working it's working it's it's

549

00:17:46,710 --> 00:17:45,200

people say well you're not sharing

550

00:17:47,669 --> 00:17:46,720

classified information no but i don't

551
00:17:51,110 --> 00:17:47,679
have to

552
00:17:51,990 --> 00:17:51,120
we're we are achieving more with this

553
00:17:54,950 --> 00:17:52,000
grassroots

554
00:17:56,390 --> 00:17:54,960
effort than ever by me just going and

555
00:17:57,110 --> 00:17:56,400
briefing congress at the classified

556
00:17:59,430 --> 00:17:57,120
level

557
00:18:00,870 --> 00:17:59,440
all of this has to happen simultaneously

558
00:18:04,150 --> 00:18:00,880
it has to be deliberate

559
00:18:04,789 --> 00:18:04,160
it has to be strategic uh and it has to

560
00:18:08,549 --> 00:18:04,799
be

561
00:18:10,789 --> 00:18:08,559
purposeful and and i think um

562
00:18:12,390 --> 00:18:10,799
you know it's if people were to realize

563
00:18:13,669 --> 00:18:12,400

just spend a day in our shoes they'd

564

00:18:15,750 --> 00:18:13,679

realize

565

00:18:17,029 --> 00:18:15,760

it's not that easy i mean it's it's

566

00:18:18,549 --> 00:18:17,039

tough and

567

00:18:20,230 --> 00:18:18,559

you know a lot of the playbook where

568

00:18:22,070 --> 00:18:20,240

we're writing as as

569

00:18:23,750 --> 00:18:22,080

as we're doing it's kind of like

570

00:18:24,230 --> 00:18:23,760

building an airplane while you're flying

571

00:18:29,830 --> 00:18:24,240

it

572

00:18:31,510 --> 00:18:29,840

really can't there's a

573

00:18:33,110 --> 00:18:31,520

there's a lot of smart people that are

574

00:18:33,430 --> 00:18:33,120

working this effort behind the scenes

575

00:18:35,350 --> 00:18:33,440

both

576

00:18:36,789 --> 00:18:35,360

inside the government and outside the

577

00:18:38,230 --> 00:18:36,799

government

578

00:18:40,470 --> 00:18:38,240

it's you know we make mistakes all the

579

00:18:43,029 --> 00:18:40,480

time but this is why

580

00:18:43,990 --> 00:18:43,039

once again ufo twitter's so important

581

00:18:46,070 --> 00:18:44,000

because

582

00:18:47,830 --> 00:18:46,080

you guys have a lot of great ideas a lot

583

00:18:49,830 --> 00:18:47,840

of things that we don't think about

584

00:18:51,029 --> 00:18:49,840

and on a daily basis as i'm reading

585

00:18:52,390 --> 00:18:51,039

through the twitter sphere i'm not

586

00:18:53,029 --> 00:18:52,400

reading comments while people think

587

00:18:54,630 --> 00:18:53,039

about me

588

00:18:56,630 --> 00:18:54,640

quite frankly i don't give a [h__h] what

589

00:18:58,310 --> 00:18:56,640

people think about me what i care is how

590

00:19:00,150 --> 00:18:58,320

people are taking the topic

591

00:19:02,150 --> 00:19:00,160

and if they have any new ideas and

592

00:19:03,830 --> 00:19:02,160

insights and it's valuable

593

00:19:05,909 --> 00:19:03,840

it's paying off we're able to then take

594

00:19:06,710 --> 00:19:05,919

some of those ideas formulate them into

595

00:19:08,549 --> 00:19:06,720

a strategy

596

00:19:10,310 --> 00:19:08,559

and then execute those strategies in a

597

00:19:10,789 --> 00:19:10,320

very meaningful meaningful purposeful

598

00:19:12,390 --> 00:19:10,799

way

599

00:19:14,230 --> 00:19:12,400

whether we're dealing with congress or

600

00:19:15,590 --> 00:19:14,240

the us government or foreign governments

601
00:19:17,430 --> 00:19:15,600
or the media

602
00:19:19,350 --> 00:19:17,440
and that's great to hear and i would

603
00:19:21,029 --> 00:19:19,360
encourage people in the uk particularly

604
00:19:23,510 --> 00:19:21,039
which the the conversations

605
00:19:25,270 --> 00:19:23,520
poor to non-existent to check out uap

606
00:19:27,270 --> 00:19:25,280
media uk which is something we're trying

607
00:19:28,630 --> 00:19:27,280
to help with from a media perspective in

608
00:19:31,669 --> 00:19:28,640
the uk as well

609
00:19:33,430 --> 00:19:31,679
now shifting attack slightly low i want

610
00:19:35,110 --> 00:19:33,440
to ask you about your trip to pick up

611
00:19:37,029 --> 00:19:35,120
materials from the bledsoes

612
00:19:39,190 --> 00:19:37,039
now the bledsoes are a family with an

613
00:19:40,470 --> 00:19:39,200

immense interest particularly in the ufo

614

00:19:42,070 --> 00:19:40,480

uap community

615

00:19:43,830 --> 00:19:42,080

are you still in contact with chris and

616

00:19:45,350 --> 00:19:43,840

his family and what's the status of the

617

00:19:46,870 --> 00:19:45,360

project there

618

00:19:48,789 --> 00:19:46,880

you know chris is a wonderful gentleman

619

00:19:49,350 --> 00:19:48,799

i've had the the pleasure of meeting him

620

00:19:52,789 --> 00:19:49,360

twice

621

00:19:54,789 --> 00:19:52,799

uh in person um that meeting was really

622

00:19:55,590 --> 00:19:54,799

facilitated through one of my former

623

00:19:59,029 --> 00:19:55,600

colleagues

624

00:20:02,390 --> 00:19:59,039

at the time tom delong and jim semivam

625

00:20:05,270 --> 00:20:02,400

um i you know i i cannot

626

00:20:05,990 --> 00:20:05,280

substantiate publicly the claims i have

627

00:20:07,909 --> 00:20:06,000

i believe

628

00:20:10,070 --> 00:20:07,919

uh in my heart of hearts that they truly

629

00:20:12,470 --> 00:20:10,080

believe what they're experiencing and at

630

00:20:14,470 --> 00:20:12,480

the same time it actually may be correct

631

00:20:15,590 --> 00:20:14,480

i don't know the problem is it's very

632

00:20:18,549 --> 00:20:15,600

subjective

633

00:20:20,070 --> 00:20:18,559

uh which a lot of stuff is in this field

634

00:20:22,470 --> 00:20:20,080

is subjective so so

635

00:20:24,149 --> 00:20:22,480

i'm not saying that it's it's true or

636

00:20:24,789 --> 00:20:24,159

it's not true what i'm simply saying is

637

00:20:27,270 --> 00:20:24,799

that

638

00:20:28,789 --> 00:20:27,280

at the end of the day we have to use

639

00:20:31,110 --> 00:20:28,799

methodologies that can

640

00:20:32,149 --> 00:20:31,120

that that conform to the scientific

641

00:20:34,789 --> 00:20:32,159

principles

642

00:20:35,590 --> 00:20:34,799

of of science and that means you know

643

00:20:37,750 --> 00:20:35,600

peer review

644

00:20:39,350 --> 00:20:37,760

and this has to be repeatable and and

645

00:20:40,630 --> 00:20:39,360

things like that otherwise it's just

646

00:20:43,430 --> 00:20:40,640

anecdotal

647

00:20:44,230 --> 00:20:43,440

again i'm not i'm not diminishing the

648

00:20:46,149 --> 00:20:44,240

value

649

00:20:48,630 --> 00:20:46,159

or the reality of what they are

650

00:20:49,510 --> 00:20:48,640

experiencing um i i'm pretty certain

651
00:20:51,909 --> 00:20:49,520
there's a lot

652
00:20:54,149 --> 00:20:51,919
a lot of strange things happening there

653
00:20:55,990 --> 00:20:54,159
very similar to skinwalker ranch

654
00:20:58,310 --> 00:20:56,000
but the problem is i have to remain

655
00:21:01,909 --> 00:20:58,320
focused i i have to remain focused on

656
00:21:03,750 --> 00:21:01,919
on the uap issue that we're dealing with

657
00:21:05,190 --> 00:21:03,760
right now and people just say well it is

658
00:21:07,830 --> 00:21:05,200
related well okay fine but

659
00:21:10,230 --> 00:21:07,840
again i've got no data to prove that you

660
00:21:11,750 --> 00:21:10,240
know i don't know what's going on

661
00:21:13,669 --> 00:21:11,760
over there regarding the blood cells

662
00:21:16,870 --> 00:21:13,679
other than what's been reported

663
00:21:19,990 --> 00:21:16,880

and so for me um you know

664

00:21:20,950 --> 00:21:20,000

i'm not saying it's it's not valid or

665

00:21:23,190 --> 00:21:20,960

relevant

666

00:21:25,029 --> 00:21:23,200

i just don't have enough data yet to to

667

00:21:28,070 --> 00:21:25,039

make any type of conclusive

668

00:21:29,190 --> 00:21:28,080

uh decision if it fits into the calculus

669

00:21:30,870 --> 00:21:29,200

of the effort we're on

670

00:21:32,950 --> 00:21:30,880

because i can't go to con a member of

671

00:21:34,470 --> 00:21:32,960

congress or a senior member of the

672

00:21:35,830 --> 00:21:34,480

executive department and say

673

00:21:37,750 --> 00:21:35,840

oh by the way these people are having

674

00:21:39,990 --> 00:21:37,760

these these paranormal experiences over

675

00:21:42,310 --> 00:21:40,000

there we should listen to them

676
00:21:43,110 --> 00:21:42,320
that that's not going to get me very far

677
00:21:44,870 --> 00:21:43,120
i have to

678
00:21:46,310 --> 00:21:44,880
you know what what's what's so i think

679
00:21:48,230 --> 00:21:46,320
compelling about the uap

680
00:21:49,590 --> 00:21:48,240
issue is that you have human beings

681
00:21:51,830 --> 00:21:49,600
which are trained observers right think

682
00:21:54,549 --> 00:21:51,840
of a human being as no no different than

683
00:21:56,149 --> 00:21:54,559
any other intelligence collection system

684
00:21:56,470 --> 00:21:56,159
so you have human beings that are that

685
00:22:01,029 --> 00:21:56,480
are

686
00:22:02,789 --> 00:22:01,039
which is backed up then and collected on

687
00:22:03,350 --> 00:22:02,799
electro optical data like gun camera

688
00:22:05,510 --> 00:22:03,360

footage

689

00:22:07,750 --> 00:22:05,520

which is also backed up by by

690

00:22:08,390 --> 00:22:07,760

electromagnetic information like radar

691

00:22:09,990 --> 00:22:08,400

right

692

00:22:12,230 --> 00:22:10,000

and all of a sudden you know you have

693

00:22:14,950 --> 00:22:12,240

three different separate collection

694

00:22:15,430 --> 00:22:14,960

capabilities all looking at the same

695

00:22:17,590 --> 00:22:15,440

thing

696

00:22:19,430 --> 00:22:17,600

at the same time in the same place under

697

00:22:21,669 --> 00:22:19,440

the same circumstances

698

00:22:23,830 --> 00:22:21,679

that's data that i can i can then

699

00:22:27,029 --> 00:22:23,840

present in a meaningful way

700

00:22:27,669 --> 00:22:27,039

to decision makers that that is is a

701
00:22:30,710 --> 00:22:27,679
much

702
00:22:33,830 --> 00:22:30,720
um easier approach

703
00:22:35,750 --> 00:22:33,840
at least for me and my colleagues um to

704
00:22:38,230 --> 00:22:35,760
to achieve mission success and again i

705
00:22:40,789 --> 00:22:38,240
don't want to disparage in any way

706
00:22:42,230 --> 00:22:40,799
uh the blood cells or anybody else who

707
00:22:43,110 --> 00:22:42,240
has their own personal experiences

708
00:22:44,390 --> 00:22:43,120
because that's why they're called

709
00:22:47,510 --> 00:22:44,400
personal experiences

710
00:22:49,590 --> 00:22:47,520
they're personal um but

711
00:22:51,669 --> 00:22:49,600
but right now i can't include that in my

712
00:22:52,789 --> 00:22:51,679
calculus it's a lovely family very

713
00:22:54,789 --> 00:22:52,799

wonderful family

714

00:22:56,870 --> 00:22:54,799

and i have no reason to believe that

715

00:23:00,390 --> 00:22:56,880

that mr bledsoe or his family

716

00:23:02,710 --> 00:23:00,400

are lying or deceiving in any way um

717

00:23:05,430 --> 00:23:02,720

but again that data just i can't

718

00:23:07,430 --> 00:23:05,440

incorporate it into the current calculus

719

00:23:09,350 --> 00:23:07,440

that i'm using if that makes sense

720

00:23:10,470 --> 00:23:09,360

absolutely and you mentioned skin walker

721

00:23:12,390 --> 00:23:10,480

ranch now i have

722

00:23:13,830 --> 00:23:12,400

spoken with brandon fugo and he'll be on

723

00:23:17,110 --> 00:23:13,840

the podcast soon hopefully

724

00:23:18,950 --> 00:23:17,120

um himself bob bigelow both former and

725

00:23:20,230 --> 00:23:18,960

president owner of skin walker ranch

726

00:23:22,149 --> 00:23:20,240

have had their own scientific

727

00:23:24,070 --> 00:23:22,159

experiments going on and

728

00:23:25,590 --> 00:23:24,080

some data released you know a good tv

729

00:23:27,750 --> 00:23:25,600

show has come out as part of that as

730

00:23:29,590 --> 00:23:27,760

well which the second season is due soon

731

00:23:31,029 --> 00:23:29,600

but there are still ongoing scientific

732

00:23:33,909 --> 00:23:31,039

experience experiences

733

00:23:34,549 --> 00:23:33,919

and experiments sorry they have both

734

00:23:36,390 --> 00:23:34,559

said and

735

00:23:37,830 --> 00:23:36,400

others around skinwalker ranch that it

736

00:23:38,870 --> 00:23:37,840

comes with somewhat of a sticky

737

00:23:40,950 --> 00:23:38,880

portfolio

738

00:23:43,029 --> 00:23:40,960

and this topic and subject if you want

739

00:23:45,269 --> 00:23:43,039

to put the phenomena under an umbrella

740

00:23:47,750 --> 00:23:45,279

have you ever had any experiences like

741

00:23:51,190 --> 00:23:47,760

that yourself

742

00:23:53,430 --> 00:23:51,200

uh wow

743

00:23:54,789 --> 00:23:53,440

again great question uh and one

744

00:23:57,110 --> 00:23:54,799

unfortunately

745

00:23:58,390 --> 00:23:57,120

i'm gonna politely sidestep at this time

746

00:24:01,909 --> 00:23:58,400

um

747

00:24:04,310 --> 00:24:01,919

uh uh you know that was a

748

00:24:05,590 --> 00:24:04,320

that was um that was many years ago and

749

00:24:08,870 --> 00:24:05,600

uh

750

00:24:12,710 --> 00:24:08,880

into that

751

00:24:15,430 --> 00:24:12,720

um i am aware of of

752

00:24:17,110 --> 00:24:15,440

what they were doing um but i think that

753

00:24:19,590 --> 00:24:17,120

i think probably

754

00:24:22,310 --> 00:24:19,600

i think i'll sidestep this question

755

00:24:26,470 --> 00:24:24,710

i really am not the right guy to answer

756

00:24:28,470 --> 00:24:26,480

that question you just

757

00:24:30,070 --> 00:24:28,480

asked me have i had any personal

758

00:24:32,070 --> 00:24:30,080

experiences

759

00:24:33,590 --> 00:24:32,080

if i did or i did not i'm not sure if

760

00:24:36,070 --> 00:24:33,600

that impacts

761

00:24:37,190 --> 00:24:36,080

um the ongoing effort right now that

762

00:24:38,870 --> 00:24:37,200

we're engaged with

763

00:24:40,630 --> 00:24:38,880

um and i don't you know i don't want to

764

00:24:43,029 --> 00:24:40,640

prejudice the jury

765

00:24:43,909 --> 00:24:43,039

it's important as an investigator i try

766

00:24:46,390 --> 00:24:43,919

to remain as

767

00:24:47,750 --> 00:24:46,400

as fair and impartial and objective as

768

00:24:51,510 --> 00:24:47,760

possible

769

00:24:54,230 --> 00:24:51,520

and introducing uh my own personal

770

00:24:54,789 --> 00:24:54,240

feelings or beliefs or observations

771

00:24:57,830 --> 00:24:54,799

about

772

00:25:00,230 --> 00:24:57,840

that um you know i

773

00:25:01,430 --> 00:25:00,240

i'm not sure is is overly helpful um i'd

774

00:25:03,190 --> 00:25:01,440

probably rely on

775

00:25:04,870 --> 00:25:03,200

individuals that were more involved with

776

00:25:07,110 --> 00:25:04,880

that effort to

777

00:25:08,710 --> 00:25:07,120

to answer that question that's when i'll

778

00:25:10,149 --> 00:25:08,720

save for part three or part four with

779

00:25:11,909 --> 00:25:10,159

louie elizondo and years to come

780

00:25:14,950 --> 00:25:11,919

potentially and ask that again

781

00:25:15,990 --> 00:25:14,960

very good can you talk on the work you

782

00:25:17,510 --> 00:25:16,000

were doing with uh

783

00:25:18,950 --> 00:25:17,520

you're going to be doing with the lakota

784

00:25:20,470 --> 00:25:18,960

tribe uh there seems to be a strong

785

00:25:21,190 --> 00:25:20,480

connection between native american

786

00:25:24,710 --> 00:25:21,200

tribes

787

00:25:27,990 --> 00:25:26,549

well damn once again you're asking great

788

00:25:31,990 --> 00:25:28,000

questions i'll answer that one

789

00:25:34,870 --> 00:25:32,000

um yes i we are absolutely

790

00:25:35,590 --> 00:25:34,880

engaged in that effort let's not forget

791

00:25:37,350 --> 00:25:35,600

that the

792

00:25:40,870 --> 00:25:37,360

the first nations of saskatchewan and

793

00:25:42,789 --> 00:25:40,880

all frankly most indigenous peoples

794

00:25:44,070 --> 00:25:42,799

have oral traditions that go back in

795

00:25:45,669 --> 00:25:44,080

some cases

796

00:25:49,190 --> 00:25:45,679

thousands and thousands of years

797

00:25:51,990 --> 00:25:49,200

pre-history from our perspective

798

00:25:52,549 --> 00:25:52,000

and to very much the same that an f-18

799

00:25:56,230 --> 00:25:52,559

pilot

800

00:25:57,669 --> 00:25:56,240

is a trained observer uh when flying a

801
00:26:00,149 --> 00:25:57,679
combat mission

802
00:26:01,990 --> 00:26:00,159
um indigenous people are trained

803
00:26:05,830 --> 00:26:02,000
observers when it comes to

804
00:26:06,310 --> 00:26:05,840
their land and um although it might come

805
00:26:08,149 --> 00:26:06,320
from a

806
00:26:10,630 --> 00:26:08,159
slightly different paradigm than we're

807
00:26:12,950 --> 00:26:10,640
used to in the western world

808
00:26:14,310 --> 00:26:12,960
indigenous people have a profound sense

809
00:26:17,590 --> 00:26:14,320
of history

810
00:26:18,789 --> 00:26:17,600
and uh that that it is it is that

811
00:26:21,830 --> 00:26:18,799
history

812
00:26:22,470 --> 00:26:21,840
that we are very curious to see if we

813
00:26:25,669 --> 00:26:22,480

can see

814

00:26:28,549 --> 00:26:25,679

some of the same patterns that we see

815

00:26:29,110 --> 00:26:28,559

in um in the current effort regarding

816

00:26:31,510 --> 00:26:29,120

ayton

817

00:26:33,990 --> 00:26:31,520

but even more importantly than that i

818

00:26:36,630 --> 00:26:34,000

think i think all indigenous people have

819

00:26:37,190 --> 00:26:36,640

have lessons that we can learn from i

820

00:26:39,750 --> 00:26:37,200

think we

821

00:26:41,110 --> 00:26:39,760

in it we live in a very materialistic

822

00:26:42,950 --> 00:26:41,120

world

823

00:26:44,149 --> 00:26:42,960

that is heavily dependent upon

824

00:26:47,430 --> 00:26:44,159

technology

825

00:26:49,750 --> 00:26:47,440

and um you know indigenous people

826

00:26:51,110 --> 00:26:49,760

for for millennia have gotten along just

827

00:26:53,830 --> 00:26:51,120

fine without it

828

00:26:55,269 --> 00:26:53,840

and uh their their sense of government

829

00:26:56,870 --> 00:26:55,279

and their sense of organization their

830

00:27:00,470 --> 00:26:56,880

sense of fairness

831

00:27:03,750 --> 00:27:00,480

uh is is truly profound and i think

832

00:27:07,510 --> 00:27:03,760

if we can show the world

833

00:27:09,909 --> 00:27:07,520

just a little bit of that beauty uh

834

00:27:11,990 --> 00:27:09,919

we we might be better off we might be

835

00:27:14,549 --> 00:27:12,000

better off as a civilization we might be

836

00:27:17,190 --> 00:27:14,559

better off as a race as a species

837

00:27:17,669 --> 00:27:17,200

um i'm not going to go into detail but

838

00:27:21,350 --> 00:27:17,679

when i

839

00:27:24,870 --> 00:27:21,360

going up and meeting

840

00:27:27,909 --> 00:27:24,880

the chief and the elders of

841

00:27:29,590 --> 00:27:27,919

of the bands um with the lakota dakota

842

00:27:33,110 --> 00:27:29,600

bands that they'd prefer to be

843

00:27:34,870 --> 00:27:33,120

called bands it was a

844

00:27:37,669 --> 00:27:34,880

it was a profound experience for me it

845

00:27:41,029 --> 00:27:37,679

was it was um

846

00:27:44,310 --> 00:27:41,039

it was an epiphany um i learned

847

00:27:44,630 --> 00:27:44,320

so much in that brief time i had with

848

00:27:46,549 --> 00:27:44,640

them

849

00:27:47,990 --> 00:27:46,559

and again i don't want to share the

850

00:27:50,070 --> 00:27:48,000

specific instances

851
00:27:52,230 --> 00:27:50,080
because i would like to eventually

852
00:27:53,350 --> 00:27:52,240
provide that in a much more professional

853
00:27:56,950 --> 00:27:53,360
manner

854
00:28:01,510 --> 00:27:56,960
for everybody to see but it was

855
00:28:05,269 --> 00:28:01,520
it was not nothing less than

856
00:28:08,389 --> 00:28:05,279
soul shaking and i mean that sincerely

857
00:28:09,110 --> 00:28:08,399
uh i i realize there's a whole other

858
00:28:12,310 --> 00:28:09,120
aspect

859
00:28:15,669 --> 00:28:12,320
to humanity that we have seen

860
00:28:18,470 --> 00:28:15,679
to forget and indigenous people have

861
00:28:21,190 --> 00:28:18,480
despite the challenges they have faced

862
00:28:22,149 --> 00:28:21,200
over the years whether it's disease or

863
00:28:24,070 --> 00:28:22,159

or

864

00:28:25,350 --> 00:28:24,080
being moved against their will to

865

00:28:27,669 --> 00:28:25,360
reservations

866

00:28:28,710 --> 00:28:27,679
and the hardships and the discrimination

867

00:28:31,269 --> 00:28:28,720
that they have faced

868

00:28:33,590 --> 00:28:31,279
over and over again somehow they were

869

00:28:36,789 --> 00:28:33,600
able to maintain

870

00:28:41,909 --> 00:28:36,799
their dignity and and their humanity

871

00:28:45,110 --> 00:28:41,919
and um for me it was a

872

00:28:47,669 --> 00:28:45,120
it was an understanding of resilience

873

00:28:49,350 --> 00:28:47,679
and that the that there is an indelible

874

00:28:51,190 --> 00:28:49,360
part of the human being whether you call

875

00:28:53,269 --> 00:28:51,200
it the soul or the aid or the chi

876

00:28:54,710 --> 00:28:53,279

or whatever whatever non-du jour you

877

00:28:55,750 --> 00:28:54,720

want to give it there's an element

878

00:28:58,549 --> 00:28:55,760

beyond the

879

00:29:00,310 --> 00:28:58,559

the biomass of a human body and beyond

880

00:29:01,830 --> 00:29:00,320

the electrical synapses of the human

881

00:29:04,310 --> 00:29:01,840

brain and the intellect

882

00:29:05,269 --> 00:29:04,320

that makes each and every one of us

883

00:29:08,789 --> 00:29:05,279

distinct

884

00:29:12,230 --> 00:29:08,799

and and i learned that um

885

00:29:13,669 --> 00:29:12,240

there's there's great beauty in that and

886

00:29:15,990 --> 00:29:13,679

you know coming from up from a hard

887

00:29:17,669 --> 00:29:16,000

investigator who has been always just a

888

00:29:19,430 --> 00:29:17,679

fax ma'am kind of guy

889

00:29:21,110 --> 00:29:19,440

you know there's another aspect to being

890

00:29:24,149 --> 00:29:21,120

human here that

891

00:29:25,750 --> 00:29:24,159

um not just me but maybe maybe other

892

00:29:28,389 --> 00:29:25,760

people have forgotten as well

893

00:29:31,029 --> 00:29:28,399

and so i want to be able to to tell that

894

00:29:32,710 --> 00:29:31,039

that story in a in a very elevated way

895

00:29:34,310 --> 00:29:32,720

and share that with other people and see

896

00:29:37,269 --> 00:29:34,320

if they have the same

897

00:29:38,630 --> 00:29:37,279

you know same reaction that that i did i

898

00:29:39,510 --> 00:29:38,640

would look forward to that coming to

899

00:29:40,710 --> 00:29:39,520

fruition and

900

00:29:42,710 --> 00:29:40,720

i think people would be screaming at

901
00:29:44,389 --> 00:29:42,720
their podcast devices just now

902
00:29:45,909 --> 00:29:44,399
on a lot of different questions we could

903
00:29:47,029 --> 00:29:45,919
go off on a tangent with their button

904
00:29:48,149 --> 00:29:47,039
we'll see if they'll save those for

905
00:29:49,909 --> 00:29:48,159
another day

906
00:29:51,269 --> 00:29:49,919
i've made no secret for a long time on

907
00:29:54,070 --> 00:29:51,279
this podcast lou uh

908
00:29:55,909 --> 00:29:54,080
i i'm a huge fan of unidentified um the

909
00:29:57,669 --> 00:29:55,919
tone struck was perfect it was something

910
00:29:59,430 --> 00:29:57,679
i was very much looking forward to

911
00:30:02,070 --> 00:29:59,440
um given it seems now there'll be no

912
00:30:03,750 --> 00:30:02,080
season three um can you speak about what

913
00:30:05,430 --> 00:30:03,760

you would have liked that to look like

914

00:30:07,350 --> 00:30:05,440

and i would also like you to comment i

915

00:30:09,350 --> 00:30:07,360

interviewed anthony pay producer of the

916

00:30:11,110 --> 00:30:09,360

show and he mentioned on my interview

917

00:30:12,549 --> 00:30:11,120

with him that there had been contact

918

00:30:14,149 --> 00:30:12,559

with people from nasa

919

00:30:16,310 --> 00:30:14,159

who just weren't quite ready to go on

920

00:30:17,029 --> 00:30:16,320

the record uh could you comment on that

921

00:30:19,669 --> 00:30:17,039

as well

922

00:30:21,029 --> 00:30:19,679

yeah so the two questions um what would

923

00:30:23,269 --> 00:30:21,039

i like to see in episode three

924

00:30:24,070 --> 00:30:23,279

nothing um the answer is simply put

925

00:30:25,669 --> 00:30:24,080

nothing we

926
00:30:27,350 --> 00:30:25,679
we made a decision chris mellon and i

927
00:30:28,310 --> 00:30:27,360
early on that we only wanted to do two

928
00:30:31,510 --> 00:30:28,320
seasons

929
00:30:32,470 --> 00:30:31,520
um that was it was a short relationship

930
00:30:34,789 --> 00:30:32,480
with history channel

931
00:30:37,510 --> 00:30:34,799
they agreed this was never intended to

932
00:30:40,789 --> 00:30:37,520
be a long protracted show

933
00:30:44,230 --> 00:30:40,799
where we just artificially generate

934
00:30:47,590 --> 00:30:44,240
material for the sake of having a show

935
00:30:50,149 --> 00:30:47,600
we it was a target of opportunity

936
00:30:50,630 --> 00:30:50,159
that was never meant to be enduring we

937
00:30:52,630 --> 00:30:50,640
are now

938
00:30:53,750 --> 00:30:52,640

working on some of these those enduring

939

00:30:56,230 --> 00:30:53,760

capabilities

940

00:30:58,230 --> 00:30:56,240

but as we shift from from you know phase

941

00:30:59,269 --> 00:30:58,240

one to phase two or first gear to second

942

00:31:02,149 --> 00:30:59,279

gear

943

00:31:02,950 --> 00:31:02,159

history had its role and it was very

944

00:31:04,870 --> 00:31:02,960

impactful

945

00:31:07,350 --> 00:31:04,880

and it did exactly what we intended it

946

00:31:09,990 --> 00:31:07,360

to do but make no mistake

947

00:31:11,430 --> 00:31:10,000

the history channel uh effort was not

948

00:31:12,470 --> 00:31:11,440

ever it was never intended to be a

949

00:31:16,070 --> 00:31:12,480

long-term

950

00:31:18,070 --> 00:31:16,080

uh effort for us it was always a short

951
00:31:21,029 --> 00:31:18,080
term it was to get the conversation

952
00:31:22,710 --> 00:31:21,039
going and then depending how that went

953
00:31:25,269 --> 00:31:22,720
move on to something else

954
00:31:26,870 --> 00:31:25,279
um so that's that's the first part the

955
00:31:27,430 --> 00:31:26,880
second part you asked me about anthony

956
00:31:30,549 --> 00:31:27,440
lepay

957
00:31:32,389 --> 00:31:30,559
and people from nasa look i get emails

958
00:31:34,549 --> 00:31:32,399
every day it's not just nasa it's nasa

959
00:31:36,710 --> 00:31:34,559
it's faa it's department of energy

960
00:31:38,549 --> 00:31:36,720
very very senior people now are finally

961
00:31:41,110 --> 00:31:38,559
coming forward

962
00:31:41,909 --> 00:31:41,120
and wanting to have this conversation um

963
00:31:47,190 --> 00:31:41,919

i think it's

964

00:31:48,870 --> 00:31:47,200

anthony lepay is absolutely right but we

965

00:31:49,269 --> 00:31:48,880

also have people from other countries

966

00:31:50,950 --> 00:31:49,279

and

967

00:31:53,269 --> 00:31:50,960

senior officials in their intelligence

968

00:31:55,990 --> 00:31:53,279

community and their government apparatus

969

00:31:57,590 --> 00:31:56,000

coming forward and that's i think

970

00:32:00,389 --> 00:31:57,600

i think it's indicative of the sign of

971

00:32:02,389 --> 00:32:00,399

the times the conversation is shifting

972

00:32:03,909 --> 00:32:02,399

and again i want to go back to the ufo

973

00:32:06,470 --> 00:32:03,919

twitter world because that's in large

974

00:32:09,669 --> 00:32:06,480

part because of you of what you're doing

975

00:32:12,549 --> 00:32:09,679

i'm only one voice but

976
00:32:13,190 --> 00:32:12,559
you guys are many and i think the beauty

977
00:32:16,630 --> 00:32:13,200
about this

978
00:32:19,669 --> 00:32:16,640
uh is that we are no longer uh

979
00:32:21,509 --> 00:32:19,679
a a if you will an enclave

980
00:32:23,909 --> 00:32:21,519
i think what you're seeing with ufo

981
00:32:24,630 --> 00:32:23,919
twitter it's is very quickly becoming an

982
00:32:27,669 --> 00:32:24,640
army

983
00:32:28,070 --> 00:32:27,679
uh and that's that's that's a lot

984
00:32:31,430 --> 00:32:28,080
different

985
00:32:32,950 --> 00:32:31,440
it's not a it's becoming a i don't know

986
00:32:34,710 --> 00:32:32,960
if i want to say the word movement

987
00:32:37,350 --> 00:32:34,720
because it's used too much

988
00:32:38,789 --> 00:32:37,360

and movements can sometimes used to be

989

00:32:40,389 --> 00:32:38,799

to do bad things

990

00:32:42,549 --> 00:32:40,399

just like they can to be used to do good

991

00:32:45,750 --> 00:32:42,559

things but in my case

992

00:32:48,950 --> 00:32:45,760

i i think i think the ufo

993

00:32:50,710 --> 00:32:48,960

twitter universe has has

994

00:32:52,630 --> 00:32:50,720

helped tremendously in this effort and

995

00:32:54,470 --> 00:32:52,640

it's getting people to come out

996

00:32:56,870 --> 00:32:54,480

and talk when you look on twitter i know

997

00:32:59,110 --> 00:32:56,880

for an absolute fact there are several

998

00:33:00,630 --> 00:32:59,120

pseudo handles on there that are very

999

00:33:02,070 --> 00:33:00,640

senior government officials that i

1000

00:33:04,310 --> 00:33:02,080

personally know

1001
00:33:05,909 --> 00:33:04,320
and they create these fake accounts just

1002
00:33:09,110 --> 00:33:05,919
so they can get a pulse so they can

1003
00:33:10,070 --> 00:33:09,120
so they can monitor what's going on and

1004
00:33:12,549 --> 00:33:10,080
that's that's

1005
00:33:13,750 --> 00:33:12,559
remarkable you are helping influence

1006
00:33:15,750 --> 00:33:13,760
right now

1007
00:33:17,590 --> 00:33:15,760
the conversation here in the united

1008
00:33:20,710 --> 00:33:17,600
states that's amazing

1009
00:33:22,710 --> 00:33:20,720
so by the way let me uh um also

1010
00:33:24,310 --> 00:33:22,720
if i can apologize real quick you hear

1011
00:33:26,870 --> 00:33:24,320
me kind of inhaling a lot

1012
00:33:28,310 --> 00:33:26,880
i recently got over covet so i i still

1013
00:33:29,669 --> 00:33:28,320

have a little bit of a

1014

00:33:31,509 --> 00:33:29,679

short breath the shortness of breath i

1015

00:33:33,110 --> 00:33:31,519

apologize if it comes across that i just

1016

00:33:35,909 --> 00:33:33,120

finished running a marathon

1017

00:33:36,149 --> 00:33:35,919

it actually feels like i just did uh so

1018

00:33:39,190 --> 00:33:36,159

i

1019

00:33:41,269 --> 00:33:39,200

not

1020

00:33:42,710 --> 00:33:41,279

uh working out secretly you know

1021

00:33:44,549 --> 00:33:42,720

underneath the table here and

1022

00:33:45,750 --> 00:33:44,559

trying to get my exercise in i just

1023

00:33:48,070 --> 00:33:45,760

unfortunately it's

1024

00:33:49,430 --> 00:33:48,080

it's part of the um you know the covet

1025

00:33:50,870 --> 00:33:49,440

no absolutely glad you're glad you've

1026

00:33:52,070 --> 00:33:50,880

recovered from that as well and

1027

00:33:53,830 --> 00:33:52,080

you've made no secret you're a bit of a

1028

00:33:54,870 --> 00:33:53,840

petrol head you talk about gear one to

1029

00:33:57,029 --> 00:33:54,880

gear to

1030

00:33:58,389 --> 00:33:57,039

um would it be fair if unidentified was

1031

00:34:01,029 --> 00:33:58,399

part of the first gear

1032

00:34:02,950 --> 00:34:01,039

that the untitled uap project sean

1033

00:34:03,669 --> 00:34:02,960

cahill jeremy mcgowan and you've been

1034

00:34:04,789 --> 00:34:03,679

involved in

1035

00:34:07,830 --> 00:34:04,799

with some of the other guys and

1036

00:34:09,669 --> 00:34:07,840

producers would be part of second gear

1037

00:34:11,750 --> 00:34:09,679

yes absolutely and there's other other

1038

00:34:14,310 --> 00:34:11,760

efforts as well that's just one

1039

00:34:15,270 --> 00:34:14,320

uh we have multiple verticals that we're

1040

00:34:17,750 --> 00:34:15,280

looking at

1041

00:34:19,589 --> 00:34:17,760

to continue the conversation in a much

1042

00:34:21,190 --> 00:34:19,599

more impactful broad way

1043

00:34:22,629 --> 00:34:21,200

now that the topic has finally been

1044

00:34:26,310 --> 00:34:22,639

taken seriously

1045

00:34:27,109 --> 00:34:26,320

uh i think uh throughout many parts of

1046

00:34:29,190 --> 00:34:27,119

the world

1047

00:34:30,149 --> 00:34:29,200

the time is to put this into into a

1048

00:34:31,669 --> 00:34:30,159

higher gear

1049

00:34:33,510 --> 00:34:31,679

and really as i've always said push the

1050

00:34:35,030 --> 00:34:33,520

pedal to the metal

1051
00:34:36,310 --> 00:34:35,040
i know you don't normally speak for

1052
00:34:37,669 --> 00:34:36,320
other people but i'm going to quote

1053
00:34:39,190 --> 00:34:37,679
someone here and just ask for your

1054
00:34:40,149 --> 00:34:39,200
thoughts at the end of unidentified

1055
00:34:42,069 --> 00:34:40,159
season two

1056
00:34:43,669 --> 00:34:42,079
chris melin had a rather lovely

1057
00:34:47,430 --> 00:34:43,679
monologue to finish off

1058
00:34:50,069 --> 00:34:47,440
um he said that the tech is not i was

1059
00:34:51,510 --> 00:34:50,079
not russia's and not china's does this

1060
00:34:55,030 --> 00:34:51,520
for you definitively

1061
00:34:59,589 --> 00:34:55,040
put to bed the notion that uep um

1062
00:35:03,349 --> 00:35:02,470
look in order to have a conversation

1063
00:35:05,670 --> 00:35:03,359

with people

1064

00:35:07,349 --> 00:35:05,680

you don't need the elephant in one bite

1065

00:35:09,670 --> 00:35:07,359

you you have to you have to

1066

00:35:11,589 --> 00:35:09,680

eat it in bite-sized consumable pieces

1067

00:35:13,990 --> 00:35:11,599

that you can then digest

1068

00:35:15,349 --> 00:35:14,000

otherwise you're gonna choke um i've

1069

00:35:17,510 --> 00:35:15,359

said it for the record before

1070

00:35:20,870 --> 00:35:17,520

we are we are absolutely sure it's not

1071

00:35:24,150 --> 00:35:20,880

ours we're pretty damn sure it's not

1072

00:35:25,589 --> 00:35:24,160

foreign um you know i i don't know how

1073

00:35:29,589 --> 00:35:25,599

more clear to say that this

1074

00:35:31,829 --> 00:35:29,599

is this is not our technology

1075

00:35:33,270 --> 00:35:31,839

if it was i i don't think you'd be

1076

00:35:34,550 --> 00:35:33,280

seeing this kind of effort first of all

1077

00:35:35,349 --> 00:35:34,560

we would have figured it out a long time

1078

00:35:36,710 --> 00:35:35,359

ago

1079

00:35:38,390 --> 00:35:36,720

that this is some sort of russian or

1080

00:35:39,670 --> 00:35:38,400

chinese technology right

1081

00:35:41,510 --> 00:35:39,680

and then we would have had a counter

1082

00:35:44,550 --> 00:35:41,520

technology very quickly

1083

00:35:47,349 --> 00:35:44,560

uh you know it

1084

00:35:49,910 --> 00:35:47,359

no it's it's not ours and i i know it's

1085

00:35:52,630 --> 00:35:49,920

uneasy for people to think about that

1086

00:35:53,510 --> 00:35:52,640

but it's okay because it's been here for

1087

00:35:55,270 --> 00:35:53,520

a while

1088

00:35:57,190 --> 00:35:55,280

and we're still here and religions

1089

00:35:58,470 --> 00:35:57,200

haven't collapsed and and governments

1090

00:36:00,470 --> 00:35:58,480

haven't imploded

1091

00:36:01,829 --> 00:36:00,480

uh this is just another wondrous mystery

1092

00:36:04,069 --> 00:36:01,839

of the universe

1093

00:36:05,910 --> 00:36:04,079

and with that comes some some hope and

1094

00:36:09,190 --> 00:36:05,920

opportunity but also you know

1095

00:36:12,390 --> 00:36:09,200

we have to exercise some some some

1096

00:36:14,710 --> 00:36:12,400

due diligence and and pragmatic

1097

00:36:16,390 --> 00:36:14,720

caution here you know i i'm not the kind

1098

00:36:18,390 --> 00:36:16,400

of guy that's just gonna go running into

1099

00:36:21,190 --> 00:36:18,400

a into a dark room

1100

00:36:22,390 --> 00:36:21,200

uh with my hands in the air you know and

1101

00:36:25,109 --> 00:36:22,400

and

1102

00:36:26,710 --> 00:36:25,119

blindly because you bump into things i

1103

00:36:28,870 --> 00:36:26,720

think we need to approach this like we

1104

00:36:30,950 --> 00:36:28,880

do everything else very cautiously

1105

00:36:32,470 --> 00:36:30,960

um you know we know the moon is right

1106

00:36:34,310 --> 00:36:32,480

there but yet we don't just throw people

1107

00:36:35,670 --> 00:36:34,320

in rockets and send them to the moon

1108

00:36:37,829 --> 00:36:35,680

you know there's a lot that has to

1109

00:36:40,230 --> 00:36:37,839

happen to to to

1110

00:36:41,990 --> 00:36:40,240

to do that and i think to some degree

1111

00:36:45,030 --> 00:36:42,000

this may be kind of similar

1112

00:36:47,990 --> 00:36:45,040

in that uh you know there's

1113

00:36:50,069 --> 00:36:48,000

there's we have to be very careful

1114

00:36:53,589 --> 00:36:50,079

cautious and deliberate

1115

00:36:56,230 --> 00:36:53,599

in uh how we we ask the questions and

1116

00:36:58,390 --> 00:36:56,240

and the answers that we get back um

1117

00:37:00,150 --> 00:36:58,400

we're it's very tempting for us to all

1118

00:37:01,589 --> 00:37:00,160

go down the rabbit hole very quickly and

1119

00:37:03,750 --> 00:37:01,599

think we have the answer

1120

00:37:04,790 --> 00:37:03,760

i see it all the time and my word of

1121

00:37:07,990 --> 00:37:04,800

caution to that is

1122

00:37:11,430 --> 00:37:08,000

please please please try your

1123

00:37:12,710 --> 00:37:11,440

best to to to be victim of your own

1124

00:37:15,589 --> 00:37:12,720

analytic bias

1125

00:37:16,790 --> 00:37:15,599

i look i i i suffer from it just like

1126

00:37:19,750 --> 00:37:16,800

everybody else

1127

00:37:20,710 --> 00:37:19,760

i'm no superhero i have the same same

1128

00:37:22,390 --> 00:37:20,720

challenges when i

1129

00:37:24,470 --> 00:37:22,400

when i see something i have this

1130

00:37:25,430 --> 00:37:24,480

temptation to to jump to a conclusion oh

1131

00:37:26,870 --> 00:37:25,440

it must be that

1132

00:37:28,950 --> 00:37:26,880

and that's the way the human brain is

1133

00:37:30,630 --> 00:37:28,960

wired that's a human thing

1134

00:37:32,390 --> 00:37:30,640

the very first thing we do coming out of

1135

00:37:34,390 --> 00:37:32,400

our mother's womb is recognizes

1136

00:37:35,589 --> 00:37:34,400

we recognize her sound and her face and

1137

00:37:39,030 --> 00:37:35,599

her touch we

1138

00:37:41,750 --> 00:37:39,040

are programmed as a species to recognize

1139

00:37:42,150 --> 00:37:41,760

patterns and identify friend or foe that

1140

00:37:45,510 --> 00:37:42,160

is

1141

00:37:47,510 --> 00:37:45,520

what nature has evolved us to be and so

1142

00:37:50,150 --> 00:37:47,520

it's natural that when you come up

1143

00:37:51,349 --> 00:37:50,160

to to an enigma like this and you get

1144

00:37:52,950 --> 00:37:51,359

some answers

1145

00:37:54,870 --> 00:37:52,960

that we want to jump to conclusions of

1146

00:37:57,990 --> 00:37:54,880

what something is or is not

1147

00:37:59,109 --> 00:37:58,000

but we really have to we have to be very

1148

00:38:02,150 --> 00:37:59,119

careful and not be

1149

00:38:04,390 --> 00:38:02,160

tempted to do that prematurely we really

1150

00:38:07,510 --> 00:38:04,400

need to let the scientific

1151

00:38:09,990 --> 00:38:07,520

process and methodologies work and

1152

00:38:10,950 --> 00:38:10,000

and i think once we can do that we we

1153

00:38:13,109 --> 00:38:10,960

may have some

1154

00:38:14,390 --> 00:38:13,119

you know surprises some some

1155

00:38:18,390 --> 00:38:14,400

surprisingly

1156

00:38:19,990 --> 00:38:18,400

uh simple answers

1157

00:38:21,510 --> 00:38:20,000

you've you've led me very nicely on to

1158

00:38:22,710 --> 00:38:21,520

this next question because i'm actually

1159

00:38:25,589 --> 00:38:22,720

going to throw back at you

1160

00:38:26,950 --> 00:38:25,599

a question you once asked on a piece

1161

00:38:28,550 --> 00:38:26,960

you've done the youtube videos out there

1162

00:38:29,589 --> 00:38:28,560

i'm not too sure of the context behind

1163

00:38:30,710 --> 00:38:29,599

it but

1164

00:38:31,910 --> 00:38:30,720

it was certainly something that stuck

1165

00:38:32,630 --> 00:38:31,920

with me and a lot of other people as

1166

00:38:34,390 --> 00:38:32,640

well

1167

00:38:36,630 --> 00:38:34,400

and you asked once for people to

1168

00:38:39,109 --> 00:38:36,640

consider what if it wasn't mankind

1169

00:38:39,990 --> 00:38:39,119

but mankind's and what would that mean

1170

00:38:41,349 --> 00:38:40,000

for us

1171

00:38:43,109 --> 00:38:41,359

could you elaborate on that because

1172

00:38:43,990 --> 00:38:43,119

that's something people go back to more

1173

00:38:46,630 --> 00:38:44,000

and more

1174

00:38:47,990 --> 00:38:46,640

and as more or less hypothetical that's

1175

00:38:50,069 --> 00:38:48,000

what i'm going to put it as but

1176
00:38:51,510 --> 00:38:50,079
people would assume you come from a

1177
00:38:51,990 --> 00:38:51,520
better understanding a place of

1178
00:38:56,630 --> 00:38:52,000
knowledge

1179
00:39:00,630 --> 00:38:56,640
than most would um

1180
00:39:02,870 --> 00:39:00,640
yeah wow uh boy you're getting

1181
00:39:04,550 --> 00:39:02,880
some really really good and personal

1182
00:39:06,310 --> 00:39:04,560
questions um

1183
00:39:08,230 --> 00:39:06,320
let me see if i can answer that in a

1184
00:39:12,069 --> 00:39:08,240
meaningful way without

1185
00:39:16,150 --> 00:39:12,079
um without leading

1186
00:39:22,630 --> 00:39:19,349
we live in a three-dimensional world

1187
00:39:24,069 --> 00:39:22,640
where time is a function of the fourth

1188
00:39:26,630 --> 00:39:24,079

dimension if you will

1189

00:39:29,349 --> 00:39:26,640

and we experience time as being linear

1190

00:39:32,390 --> 00:39:29,359

it's a linear function or a process

1191

00:39:35,349 --> 00:39:32,400

but we now know in the quantum world

1192

00:39:36,470 --> 00:39:35,359

that time first of all we know that

1193

00:39:37,910 --> 00:39:36,480

space and time

1194

00:39:39,510 --> 00:39:37,920

because of the work of einstein and

1195

00:39:41,750 --> 00:39:39,520

others that space and time are

1196

00:39:43,589 --> 00:39:41,760

are joined together and we know that

1197

00:39:45,270 --> 00:39:43,599

space-time is flexible it's called

1198

00:39:46,950 --> 00:39:45,280

relativity we see it around massive

1199

00:39:47,510 --> 00:39:46,960

objects all the time not just earth but

1200

00:39:50,630 --> 00:39:47,520

the sun

1201

00:39:54,230 --> 00:39:50,640

black holes so the linear

1202

00:39:56,550 --> 00:39:54,240

universe that we experience um

1203

00:39:58,790 --> 00:39:56,560

to some degree really isn't and when you

1204

00:40:01,750 --> 00:39:58,800

look at the quantum state of things

1205

00:40:03,349 --> 00:40:01,760

even an electron for example uh you

1206

00:40:04,470 --> 00:40:03,359

learn in high school that an electron

1207

00:40:06,630 --> 00:40:04,480

orbits an atom

1208

00:40:08,390 --> 00:40:06,640

and we now know that's really a very

1209

00:40:09,910 --> 00:40:08,400

simplistic way of looking at things that

1210

00:40:11,670 --> 00:40:09,920

the electron doesn't orbit around the

1211

00:40:12,790 --> 00:40:11,680

atom in fact it's called an electron

1212

00:40:16,150 --> 00:40:12,800

cloud because

1213

00:40:16,630 --> 00:40:16,160

the electron is is both all in all

1214

00:40:20,550 --> 00:40:16,640

places

1215

00:40:22,069 --> 00:40:20,560

time it's it's kind of weird but

1216

00:40:24,230 --> 00:40:22,079

my point being is that if you were to

1217

00:40:26,550 --> 00:40:24,240

look at time and think of us

1218

00:40:28,150 --> 00:40:26,560

think of a cigarette burning when you

1219

00:40:29,750 --> 00:40:28,160

look at the notion of the future

1220

00:40:31,990 --> 00:40:29,760

most people would would define the

1221

00:40:32,870 --> 00:40:32,000

future as those events that have not yet

1222

00:40:34,870 --> 00:40:32,880

happened

1223

00:40:36,550 --> 00:40:34,880

and the past is defined by events that

1224

00:40:38,309 --> 00:40:36,560

have already happened

1225

00:40:39,910 --> 00:40:38,319

and when you look at that construct then

1226

00:40:42,790 --> 00:40:39,920

the definition of the present

1227

00:40:44,470 --> 00:40:42,800

must be a a moment in space time

1228

00:40:48,230 --> 00:40:44,480

probably measured in playing time very

1229

00:40:51,270 --> 00:40:48,240

infinitesimal infinitesimally small

1230

00:40:51,990 --> 00:40:51,280

moment of space time where the future is

1231

00:40:54,790 --> 00:40:52,000

transitioning

1232

00:40:55,990 --> 00:40:54,800

into the past it's it's it's it's not a

1233

00:40:57,990 --> 00:40:56,000

point in time

1234

00:40:59,990 --> 00:40:58,000

it's a process it's an event that's

1235

00:41:02,069 --> 00:41:00,000

occurring so a way to look at that in

1236

00:41:05,270 --> 00:41:02,079

late perspective is think of a cigarette

1237

00:41:06,790 --> 00:41:05,280

or a cigar that parts of this cigar that

1238

00:41:07,990 --> 00:41:06,800

have already burnt or the cigarette that

1239

00:41:10,790 --> 00:41:08,000

have already burnt to ash

1240

00:41:13,109 --> 00:41:10,800

is the past that part of the cigarette

1241

00:41:15,670 --> 00:41:13,119

or cigar that has not yet burned

1242

00:41:17,030 --> 00:41:15,680

is the future and the cherry that moment

1243

00:41:19,829 --> 00:41:17,040

of ignition

1244

00:41:22,150 --> 00:41:19,839

that spark of where the future is now be

1245

00:41:23,829 --> 00:41:22,160

getting consumed and becoming the past

1246

00:41:25,270 --> 00:41:23,839

that is the present and we as human

1247

00:41:26,950 --> 00:41:25,280

beings we live

1248

00:41:29,670 --> 00:41:26,960

at that moment all of our hopes our

1249

00:41:32,790 --> 00:41:29,680

fears our memories love hate good bad

1250

00:41:34,790 --> 00:41:32,800

all that is an expression of of an

1251
00:41:37,750 --> 00:41:34,800
experience that occurs

1252
00:41:38,550 --> 00:41:37,760
um at an infinitesimally small moment of

1253
00:41:40,150 --> 00:41:38,560
space time

1254
00:41:42,470 --> 00:41:40,160
like i said probably measured in playing

1255
00:41:45,990 --> 00:41:45,349
that is how we we we experience the

1256
00:41:49,589 --> 00:41:46,000
present but

1257
00:41:52,309 --> 00:41:49,599
what if there were things

1258
00:41:54,710 --> 00:41:52,319
that had the ability to experience where

1259
00:41:56,390 --> 00:41:54,720
where the present was a much bigger

1260
00:41:58,309 --> 00:41:56,400
cherry if you will a much bigger

1261
00:41:59,750 --> 00:41:58,319
transition where more elements of the

1262
00:42:02,790 --> 00:41:59,760
future in the past

1263
00:42:04,630 --> 00:42:02,800

are experienced as in the present uh

1264

00:42:06,230 --> 00:42:04,640

and can do that also physically right so

1265

00:42:09,670 --> 00:42:06,240

it's not just not just

1266

00:42:12,069 --> 00:42:09,680

uh uh a an idea but

1267

00:42:14,390 --> 00:42:12,079

uh what if there were species out there

1268

00:42:16,710 --> 00:42:14,400

that that experienced the universe

1269

00:42:17,589 --> 00:42:16,720

uh in it with it with an extra level of

1270

00:42:19,030 --> 00:42:17,599

dimension

1271

00:42:20,309 --> 00:42:19,040

and so you and i are having this

1272

00:42:21,030 --> 00:42:20,319

conversation right now with your

1273

00:42:22,710 --> 00:42:21,040

audience

1274

00:42:24,550 --> 00:42:22,720

and we're having this conversation right

1275

00:42:25,990 --> 00:42:24,560

here right now but if

1276

00:42:27,750 --> 00:42:26,000

i were to have the ability to have this

1277

00:42:28,230 --> 00:42:27,760

conversation right here but five minutes

1278

00:42:30,790 --> 00:42:28,240

ago

1279

00:42:32,630 --> 00:42:30,800

or five minutes from now we would never

1280

00:42:33,670 --> 00:42:32,640

meet we'd be like two ships passing in

1281

00:42:36,150 --> 00:42:33,680

the night

1282

00:42:38,630 --> 00:42:36,160

um is it possible that maybe some of

1283

00:42:40,790 --> 00:42:38,640

these things these uap have the ability

1284

00:42:42,710 --> 00:42:40,800

uh we experience in them we we

1285

00:42:43,589 --> 00:42:42,720

experience them when they are right here

1286

00:42:45,990 --> 00:42:43,599

right now

1287

00:42:47,190 --> 00:42:46,000

and every other every other time we we

1288

00:42:48,390 --> 00:42:47,200

don't because we're simply not

1289

00:42:51,109 --> 00:42:48,400
intersecting

1290

00:42:51,910 --> 00:42:51,119
uh with that with that uh extra

1291

00:42:54,950 --> 00:42:51,920
dimensional

1292

00:42:56,630 --> 00:42:54,960
space of of of time um

1293

00:42:58,470 --> 00:42:56,640
you know when you look at that cigarette

1294

00:43:01,190 --> 00:42:58,480
or cigar burning

1295

00:43:02,790 --> 00:43:01,200
you'll notice that it never burns evenly

1296

00:43:04,550 --> 00:43:02,800
when you look at it up close and you can

1297

00:43:06,230 --> 00:43:04,560
kind of remove the glare and the flare

1298

00:43:09,190 --> 00:43:06,240
from the from the burn

1299

00:43:11,190 --> 00:43:09,200
we we realize that that there are

1300

00:43:13,270 --> 00:43:11,200
portions of the future

1301

00:43:14,710 --> 00:43:13,280

of the portions of the cigar that

1302

00:43:17,109 --> 00:43:14,720

haven't burned yet

1303

00:43:18,230 --> 00:43:17,119

uh behind portions of the cigar that

1304

00:43:21,910 --> 00:43:18,240

already has burned

1305

00:43:23,910 --> 00:43:21,920

it's it's not an even burn almost

1306

00:43:25,190 --> 00:43:23,920

there's an overlap right and quantum

1307

00:43:27,109 --> 00:43:25,200

theory uh

1308

00:43:28,309 --> 00:43:27,119

is beginning to to show some of the

1309

00:43:31,270 --> 00:43:28,319

models for that

1310

00:43:33,030 --> 00:43:31,280

so um i know i'm going in a very

1311

00:43:34,390 --> 00:43:33,040

long-winded roundabout way to answer

1312

00:43:36,390 --> 00:43:34,400

your question about what i meant about

1313

00:43:38,150 --> 00:43:36,400

mankind

1314

00:43:39,430 --> 00:43:38,160

but i guess my answer to that is it's

1315

00:43:42,710 --> 00:43:39,440

limitless

1316

00:43:44,870 --> 00:43:42,720

we every time we put a limitation on

1317

00:43:48,550 --> 00:43:44,880

mother nature she defies

1318

00:43:49,430 --> 00:43:48,560

our our box she defies the parameters

1319

00:43:50,870 --> 00:43:49,440

for which we set

1320

00:43:53,589 --> 00:43:50,880

every time we say every living thing

1321

00:43:54,550 --> 00:43:53,599

needs water or oxygen we realize that

1322

00:43:57,589 --> 00:43:54,560

there are

1323

00:43:59,910 --> 00:43:57,599

are our microbial life out there

1324

00:44:01,990 --> 00:43:59,920

that that are anaerobic they in fact

1325

00:44:03,910 --> 00:44:02,000

they'll die if you put oxygen they they

1326
00:44:04,390 --> 00:44:03,920
they like a non-oxygenated environment

1327
00:44:06,069 --> 00:44:04,400
right

1328
00:44:07,430 --> 00:44:06,079
you have these extremophiles living at

1329
00:44:10,950 --> 00:44:07,440
the bottom of the ocean

1330
00:44:12,630 --> 00:44:10,960
and and and miles below the the arctic

1331
00:44:15,670 --> 00:44:12,640
ice

1332
00:44:17,430 --> 00:44:15,680
this defies any any definition of life

1333
00:44:20,829 --> 00:44:17,440
in fact a virus itself

1334
00:44:23,510 --> 00:44:20,839
in one case you can make the

1335
00:44:25,030 --> 00:44:23,520
the i think you can make the claim that

1336
00:44:26,150 --> 00:44:25,040
it is a living organism because it

1337
00:44:28,309 --> 00:44:26,160
replicates

1338
00:44:29,910 --> 00:44:28,319

and it does a lot of things that a

1339

00:44:33,510 --> 00:44:29,920

living organism does

1340

00:44:35,430 --> 00:44:33,520

but it also can be defined as a

1341

00:44:37,829 --> 00:44:35,440

non-living thing because it doesn't have

1342

00:44:38,390 --> 00:44:37,839

dna and it doesn't have a lot of the

1343

00:44:41,430 --> 00:44:38,400

things

1344

00:44:42,790 --> 00:44:41,440

that we clearly associate associate with

1345

00:44:46,069 --> 00:44:42,800

a living organism like

1346

00:44:49,109 --> 00:44:46,079

respiratory functions right like uh

1347

00:44:50,069 --> 00:44:49,119

anabolic activity so i think we need to

1348

00:44:53,270 --> 00:44:50,079

be very cautious

1349

00:44:56,390 --> 00:44:53,280

how we define life a long time ago

1350

00:44:59,829 --> 00:44:56,400

we used to defy define life

1351
00:45:01,510 --> 00:44:59,839
uh as uh mammals birds and fish well

1352
00:45:03,750 --> 00:45:01,520
you know that's probably a very over

1353
00:45:06,550 --> 00:45:03,760
simplistic view of what life is

1354
00:45:08,550 --> 00:45:06,560
we're spending billions of dollars

1355
00:45:09,829 --> 00:45:08,560
through nasa trying to find microbial

1356
00:45:11,670 --> 00:45:09,839
life right now

1357
00:45:13,510 --> 00:45:11,680
on some of our our planets in our own

1358
00:45:15,589 --> 00:45:13,520
solar system and moons

1359
00:45:17,190 --> 00:45:15,599
because it is it is it we think that

1360
00:45:18,550 --> 00:45:17,200
there's a very good possibility that

1361
00:45:20,150 --> 00:45:18,560
exists

1362
00:45:22,230 --> 00:45:20,160
seti does the same thing with radio

1363
00:45:25,030 --> 00:45:22,240

transmissions trying to find

1364

00:45:26,870 --> 00:45:25,040

a signature of life out there and what

1365

00:45:28,870 --> 00:45:26,880

we're beginning to find out it that it

1366

00:45:32,069 --> 00:45:28,880

is more likely than not that there

1367

00:45:35,910 --> 00:45:32,079

is life out there and that life

1368

00:45:39,510 --> 00:45:35,920

might be fairly abundant um so

1369

00:45:40,470 --> 00:45:39,520

uh boy um that's one hell of a question

1370

00:45:42,309 --> 00:45:40,480

you asked me

1371

00:45:43,910 --> 00:45:42,319

well that was one hell of an answer and

1372

00:45:45,589 --> 00:45:43,920

just given the answer you've given us

1373

00:45:46,790 --> 00:45:45,599

i want to actually finish off this

1374

00:45:47,990 --> 00:45:46,800

portion of the interview with the time

1375

00:45:50,230 --> 00:45:48,000

we have left to try and get some

1376

00:45:51,990 --> 00:45:50,240

listener questions in soon as well

1377

00:45:53,430 --> 00:45:52,000

talking a little bit about your past and

1378

00:45:55,190 --> 00:45:53,440

actually the future as well

1379

00:45:56,790 --> 00:45:55,200

as well known you resigned from your

1380

00:45:58,150 --> 00:45:56,800

position at a tip

1381

00:45:59,990 --> 00:45:58,160

that was to try and push forward this

1382

00:46:01,349 --> 00:46:00,000

conversation to the bada public

1383

00:46:03,349 --> 00:46:01,359

a lot of people including myself would

1384

00:46:03,750 --> 00:46:03,359

thank you for doing that i would like to

1385

00:46:05,670 --> 00:46:03,760

know

1386

00:46:07,030 --> 00:46:05,680

how it made you feel having to resign

1387

00:46:08,309 --> 00:46:07,040

from that position

1388

00:46:10,550 --> 00:46:08,319

that's not something i've heard anyone

1389

00:46:12,069 --> 00:46:10,560

ask you before

1390

00:46:16,230 --> 00:46:12,079

well it was the toughest toughest

1391

00:46:23,270 --> 00:46:20,390

it was my you know there's there's

1392

00:46:24,470 --> 00:46:23,280

two components that that make up luis

1393

00:46:27,750 --> 00:46:24,480

elizondo there is

1394

00:46:30,230 --> 00:46:27,760

the private component as a family

1395

00:46:31,430 --> 00:46:30,240

family man and a father and then there

1396

00:46:34,230 --> 00:46:31,440

is my

1397

00:46:34,550 --> 00:46:34,240

my other component that i feel for me as

1398

00:46:41,030 --> 00:46:34,560

as

1399

00:46:44,790 --> 00:46:41,040

i i believe in the idea

1400

00:46:45,430 --> 00:46:44,800

you know i i i believe in a life of

1401
00:46:47,910 --> 00:46:45,440
service

1402
00:46:49,430 --> 00:46:47,920
um i believe in leaving this country and

1403
00:46:50,870 --> 00:46:49,440
this world in a little bit better shape

1404
00:46:52,790 --> 00:46:50,880
than you found it

1405
00:46:53,990 --> 00:46:52,800
and uh you know i i don't expect

1406
00:46:55,829 --> 00:46:54,000
everybody to feel that way

1407
00:46:57,349 --> 00:46:55,839
just to me i do because of the way i was

1408
00:46:59,190 --> 00:46:57,359
brought up and my my

1409
00:47:00,710 --> 00:46:59,200
the the struggles my family had to go

1410
00:47:01,829 --> 00:47:00,720
through even just to be in this country

1411
00:47:10,470 --> 00:47:01,839
so

1412
00:47:13,510 --> 00:47:10,480
sincere and and uh profound

1413
00:47:16,790 --> 00:47:13,520

commitment i have and so when i left the

1414

00:47:19,349 --> 00:47:16,800

government you know

1415

00:47:21,910 --> 00:47:19,359

in one hand i felt like i was abandoning

1416

00:47:23,829 --> 00:47:21,920

the very establishment

1417

00:47:26,549 --> 00:47:23,839

that that i was committed to to serve

1418

00:47:28,069 --> 00:47:26,559

the american people you know by de facto

1419

00:47:30,950 --> 00:47:28,079

i felt like i was abandoning the

1420

00:47:32,630 --> 00:47:30,960

american people because i was doing

1421

00:47:35,030 --> 00:47:32,640

jobs that were very important for the

1422

00:47:36,710 --> 00:47:35,040

government and for the american people

1423

00:47:38,309 --> 00:47:36,720

but in order to serve the american

1424

00:47:40,230 --> 00:47:38,319

people i actually had to leave the

1425

00:47:43,270 --> 00:47:40,240

organization that i love to do it

1426

00:47:44,790 --> 00:47:43,280

in order to i realized that i'm going to

1427

00:47:46,630 --> 00:47:44,800

have to make a choice do i serve the

1428

00:47:49,829 --> 00:47:46,640

institution that i belong to

1429

00:47:52,230 --> 00:47:49,839

or do i serve the american people and i

1430

00:47:53,990 --> 00:47:52,240

realized that that in order to serve the

1431

00:47:56,230 --> 00:47:54,000

american people i would have to leave

1432

00:47:58,309 --> 00:47:56,240

the organization the institution

1433

00:47:59,430 --> 00:47:58,319

that i was serving to serve the american

1434

00:48:03,190 --> 00:47:59,440

people

1435

00:48:05,829 --> 00:48:03,200

um it was extremely tough for me

1436

00:48:07,670 --> 00:48:05,839

it's you know you can't see this but on

1437

00:48:09,349 --> 00:48:07,680

my desk i have all these

1438

00:48:10,870 --> 00:48:09,359

around my office here my moment you know

1439

00:48:12,710 --> 00:48:10,880

i'll show you just for a quick second

1440

00:48:14,630 --> 00:48:12,720

give your audience a quick tour here i

1441

00:48:15,829 --> 00:48:14,640

don't do this very often but uh let me

1442

00:48:19,190 --> 00:48:15,839

see if i can

1443

00:48:20,630 --> 00:48:19,200

do this for a second um you can see very

1444

00:48:23,990 --> 00:48:20,640

quickly uh

1445

00:48:27,670 --> 00:48:24,000

a lot of my

1446

00:48:29,670 --> 00:48:27,680

my life is in these walls and uh

1447

00:48:30,710 --> 00:48:29,680

you know it's it's part of part of who i

1448

00:48:33,990 --> 00:48:30,720

am

1449

00:48:36,870 --> 00:48:34,000

and uh to to leave that is

1450

00:48:37,349 --> 00:48:36,880

very was very challenging was very tough

1451

00:48:40,950 --> 00:48:37,359

um

1452

00:48:45,109 --> 00:48:42,470

i mean i don't know what else to say

1453

00:48:46,630 --> 00:48:45,119

it's uh well with that action

1454

00:48:48,549 --> 00:48:46,640

that you took and it was a big decision

1455

00:48:49,270 --> 00:48:48,559

that affected your life your family your

1456

00:48:51,190 --> 00:48:49,280

future

1457

00:48:52,390 --> 00:48:51,200

you started a sequence of events and a

1458

00:48:53,829 --> 00:48:52,400

ball rolling which

1459

00:48:55,670 --> 00:48:53,839

you'll be you're more than humble enough

1460

00:48:57,270 --> 00:48:55,680

to see other people were heavily

1461

00:49:00,150 --> 00:48:57,280

involved in with you as well

1462

00:49:01,190 --> 00:49:00,160

so we are now counting down 144 days as

1463

00:49:03,910 --> 00:49:01,200

of recording

1464

00:49:04,390 --> 00:49:03,920

my co-host dan got that for me to seeing

1465

00:49:11,670 --> 00:49:04,400

a

1466

00:49:13,910 --> 00:49:11,680

overseeing this

1467

00:49:16,069 --> 00:49:13,920

why should people be excited about the

1468

00:49:18,069 --> 00:49:16,079

report coming out but also beyond that

1469

00:49:20,790 --> 00:49:18,079

what can we expect to come from the task

1470

00:49:26,630 --> 00:49:23,829

okay great question um let me

1471

00:49:30,230 --> 00:49:26,640

let me try to get you a a a

1472

00:49:34,710 --> 00:49:30,240

comprehensive and meaningful response

1473

00:49:37,910 --> 00:49:34,720

uh i think it is a

1474

00:49:39,670 --> 00:49:37,920

tremendous accomplishment that uh

1475

00:49:42,230 --> 00:49:39,680

congress has asked the director of

1476

00:49:45,510 --> 00:49:42,240

national intelligence for a 180

1477

00:49:47,829 --> 00:49:45,520

180 day report

1478

00:49:49,270 --> 00:49:47,839

it shows that there is commitment and

1479

00:49:50,870 --> 00:49:49,280

interest by congress

1480

00:49:52,470 --> 00:49:50,880

and that there's a willingness by the

1481

00:49:55,109 --> 00:49:52,480

executive branch of the government

1482

00:49:56,470 --> 00:49:55,119

so that's that that is a win scenario

1483

00:49:59,990 --> 00:49:56,480

right there

1484

00:50:01,109 --> 00:50:00,000

the question is a is 180 days long

1485

00:50:03,430 --> 00:50:01,119

enough

1486

00:50:04,950 --> 00:50:03,440

to provide a comprehensive report that

1487

00:50:06,790 --> 00:50:04,960

congress deserves

1488

00:50:08,150 --> 00:50:06,800

and two will all the relevant

1489

00:50:10,470 --> 00:50:08,160

information be in there

1490

00:50:11,589 --> 00:50:10,480

in order for congress to make informed

1491

00:50:15,510 --> 00:50:11,599

decisions

1492

00:50:17,829 --> 00:50:15,520

um if it was up to me

1493

00:50:19,510 --> 00:50:17,839

i would probably request a 180 day

1494

00:50:20,950 --> 00:50:19,520

extension now i know people right now

1495

00:50:23,190 --> 00:50:20,960

are going to be probably

1496

00:50:25,190 --> 00:50:23,200

lining up with pitchforks wanting to uh

1497

00:50:27,030 --> 00:50:25,200

to burn my house down

1498

00:50:29,430 --> 00:50:27,040

but as i've said before there's a

1499

00:50:31,829 --> 00:50:29,440

difference between doing something right

1500

00:50:33,510 --> 00:50:31,839

and doing it right now and i prefer we

1501
00:50:36,230 --> 00:50:33,520
got one shot to do this right

1502
00:50:37,910 --> 00:50:36,240
so uh we've come this far we we've

1503
00:50:40,390 --> 00:50:37,920
waited this long

1504
00:50:42,150 --> 00:50:40,400
uh you know i i wouldn't be opposed to a

1505
00:50:42,870 --> 00:50:42,160
to a little bit longer just to make sure

1506
00:50:44,390 --> 00:50:42,880
that

1507
00:50:46,309 --> 00:50:44,400
we we get it right there's a lot

1508
00:50:47,829 --> 00:50:46,319
happening between covid

1509
00:50:49,750 --> 00:50:47,839
of course the pandemic and then of

1510
00:50:51,349 --> 00:50:49,760
course we have a new administration

1511
00:50:52,630 --> 00:50:51,359
coming in and they're trying to

1512
00:50:54,950 --> 00:50:52,640
get their feet on the ground the

1513
00:50:55,829 --> 00:50:54,960

transition process takes at least 180

1514

00:50:58,230 --> 00:50:55,839

days

1515

00:50:59,270 --> 00:50:58,240

uh and of course we still have you know

1516

00:51:03,430 --> 00:50:59,280

our regular jobs

1517

00:51:06,069 --> 00:51:03,440

trying to protect this country so um

1518

00:51:08,630 --> 00:51:06,079

you know i'm not sure i'm not sure as

1519

00:51:11,990 --> 00:51:08,640

you say now 144 days

1520

00:51:13,190 --> 00:51:12,000

is is is long enough i'm not sure that

1521

00:51:16,790 --> 00:51:13,200

we have

1522

00:51:17,510 --> 00:51:16,800

a a an adequate structure within a task

1523

00:51:19,750 --> 00:51:17,520

force to

1524

00:51:21,670 --> 00:51:19,760

answer the mail on that i think what we

1525

00:51:25,270 --> 00:51:21,680

need is a permanent capability

1526

00:51:27,990 --> 00:51:25,280

not just a task force uh that is that is

1527

00:51:28,950 --> 00:51:28,000

properly resourced with with the right

1528

00:51:31,109 --> 00:51:28,960

talent

1529

00:51:32,309 --> 00:51:31,119

uh and and the right authorities to do

1530

00:51:33,670 --> 00:51:32,319

what it needs to do look the people in

1531

00:51:34,549 --> 00:51:33,680

the task force are amazing human beings

1532

00:51:37,109 --> 00:51:34,559

they're friends of mine

1533

00:51:38,309 --> 00:51:37,119

dear friends i i'll go to combat

1534

00:51:41,349 --> 00:51:38,319

tomorrow with them

1535

00:51:43,510 --> 00:51:41,359

and i'll die with them but they've been

1536

00:51:44,870 --> 00:51:43,520

given an impossible task

1537

00:51:46,950 --> 00:51:44,880

it they've been in to some degree the

1538

00:51:49,990 --> 00:51:46,960

same task that i was given

1539

00:51:53,829 --> 00:51:50,000

uh when i was in atic it's it's

1540

00:51:55,589 --> 00:51:53,839

it's it's not enough

1541

00:51:58,069 --> 00:51:55,599

you can't expect just a handful of

1542

00:52:00,150 --> 00:51:58,079

people to provide this information that

1543

00:52:02,230 --> 00:52:00,160

has historically been been sitting with

1544

00:52:03,190 --> 00:52:02,240

within 17 different intelligence

1545

00:52:06,069 --> 00:52:03,200

agencies

1546

00:52:07,190 --> 00:52:06,079

uh in various little pockets and

1547

00:52:10,230 --> 00:52:07,200

enclaves

1548

00:52:11,750 --> 00:52:10,240

for decades i mean it takes longer to

1549

00:52:14,470 --> 00:52:11,760

build a house

1550

00:52:16,710 --> 00:52:14,480

than it does to in this case than 180

1551

00:52:18,549 --> 00:52:16,720

days and and we're expecting a

1552

00:52:20,069 --> 00:52:18,559

comprehensive government whole

1553

00:52:21,270 --> 00:52:20,079

government approach to this to this

1554

00:52:23,990 --> 00:52:21,280

topic

1555

00:52:25,589 --> 00:52:24,000

um you know if to me if you were to ask

1556

00:52:26,710 --> 00:52:25,599

me i think i think the task force is

1557

00:52:28,069 --> 00:52:26,720

being set up for failure

1558

00:52:30,309 --> 00:52:28,079

then not by congress and i don't think

1559

00:52:32,069 --> 00:52:30,319

it's deliberate i think i think we need

1560

00:52:34,390 --> 00:52:32,079

to take a step back and i think we

1561

00:52:35,910 --> 00:52:34,400

really need to to assess what is it

1562

00:52:37,670 --> 00:52:35,920

we're trying to achieve

1563

00:52:39,430 --> 00:52:37,680

and then let's set up these people for

1564

00:52:40,630 --> 00:52:39,440

success you know if we really want the

1565

00:52:45,030 --> 00:52:40,640

right answers well

1566

00:52:46,950 --> 00:52:45,040

then we gotta be prepared to to

1567

00:52:48,230 --> 00:52:46,960

to give them the necessary resources to

1568

00:52:50,230 --> 00:52:48,240

do this

1569

00:52:51,750 --> 00:52:50,240

otherwise you know all you're doing is

1570

00:52:52,710 --> 00:52:51,760

setting up a bunch of patriots for

1571

00:52:54,950 --> 00:52:52,720

failure and

1572

00:52:56,950 --> 00:52:54,960

and and putting frustration into the

1573

00:52:58,870 --> 00:52:56,960

system

1574

00:53:00,470 --> 00:52:58,880

lou just to get a couple of lister

1575

00:53:01,270 --> 00:53:00,480

questions and i've got one more question

1576

00:53:03,030 --> 00:53:01,280

for you

1577

00:53:07,750 --> 00:53:03,040

if you're part and all of this ended

1578

00:53:11,829 --> 00:53:10,549

you know i wish well i wish my part

1579

00:53:14,870 --> 00:53:11,839

would end tomorrow

1580

00:53:18,390 --> 00:53:14,880

um i'm pretty tired

1581

00:53:19,990 --> 00:53:18,400

i'm pretty tired i've you know

1582

00:53:21,430 --> 00:53:20,000

i don't know how much more i can i can

1583

00:53:23,109 --> 00:53:21,440

really give i've given

1584

00:53:24,470 --> 00:53:23,119

you know my life savings to this and

1585

00:53:28,069 --> 00:53:24,480

i've given

1586

00:53:31,829 --> 00:53:28,079

my relationships to this um

1587

00:53:34,790 --> 00:53:31,839

you know uh would i be satisfied

1588

00:53:36,150 --> 00:53:34,800

um i haven't had the opportunity or the

1589

00:53:39,510 --> 00:53:36,160

luxury to sit back and

1590

00:53:42,470 --> 00:53:39,520

and really relish in the accomplishments

1591

00:53:44,790 --> 00:53:42,480

we've we've collectively achieved so

1592

00:53:46,630 --> 00:53:44,800

i've been too focused on the mission

1593

00:53:49,109 --> 00:53:46,640

i will say something that's been very

1594

00:53:50,630 --> 00:53:49,119

heartfelt

1595

00:53:52,790 --> 00:53:50,640

i shared this with some very close

1596

00:53:53,349 --> 00:53:52,800

friends of mine i was looking on twitter

1597

00:53:56,710 --> 00:53:53,359

and some

1598

00:53:58,549 --> 00:53:56,720

some people in an incredible uh gesture

1599

00:54:01,430 --> 00:53:58,559

of kindness offered to set up a

1600

00:54:02,710 --> 00:54:01,440

um a gofundme page or something like

1601
00:54:04,069 --> 00:54:02,720
that where they were going to you know

1602
00:54:05,829 --> 00:54:04,079
contribute because

1603
00:54:07,990 --> 00:54:05,839
i guess the cat's gotten out of the bag

1604
00:54:10,630 --> 00:54:08,000
that i've i've

1605
00:54:11,030 --> 00:54:10,640
put my life savings into this because

1606
00:54:12,950 --> 00:54:11,040
you know

1607
00:54:14,230 --> 00:54:12,960
it's it's a it's an endeavor that

1608
00:54:15,589 --> 00:54:14,240
doesn't make money

1609
00:54:17,349 --> 00:54:15,599
you know if you're looking to make money

1610
00:54:18,630 --> 00:54:17,359
this is not the topic to pursue at least

1611
00:54:22,390 --> 00:54:18,640
not right now

1612
00:54:24,150 --> 00:54:22,400
um my i i am truly

1613
00:54:25,829 --> 00:54:24,160

profoundly humbled by that gesture but

1614

00:54:28,790 --> 00:54:25,839

let me also say this

1615

00:54:30,470 --> 00:54:28,800

if you want to honor what what i what

1616

00:54:33,190 --> 00:54:30,480

what i'm doing you want to honor any

1617

00:54:35,990 --> 00:54:33,200

sacrifice that i've made in this

1618

00:54:37,109 --> 00:54:36,000

don't spend money on me take that money

1619

00:54:39,589 --> 00:54:37,119

that you have

1620

00:54:41,270 --> 00:54:39,599

take your your your wife your husband

1621

00:54:42,230 --> 00:54:41,280

your boyfriend your girlfriends your

1622

00:54:44,470 --> 00:54:42,240

kids

1623

00:54:45,670 --> 00:54:44,480

take them to a dinner spend time with

1624

00:54:48,710 --> 00:54:45,680

them

1625

00:54:51,510 --> 00:54:48,720

and and just connect and and

1626

00:54:52,390 --> 00:54:51,520

and be a family you want to honor me

1627

00:54:54,950 --> 00:54:52,400

that would be the

1628

00:54:57,190 --> 00:54:54,960

the best best way to honor me don't

1629

00:54:59,829 --> 00:54:57,200

don't don't set anything up for me

1630

00:55:02,470 --> 00:54:59,839

you know i i i can i can go work at a

1631

00:55:04,950 --> 00:55:02,480

supermarket if i need to i gotta

1632

00:55:06,789 --> 00:55:04,960

return wrenches right i can i can fix

1633

00:55:08,549 --> 00:55:06,799

cars um

1634

00:55:10,309 --> 00:55:08,559

this journey is not about me it's about

1635

00:55:13,829 --> 00:55:10,319

the collective all of us

1636

00:55:14,549 --> 00:55:13,839

uh i i would be i would be much happier

1637

00:55:17,190 --> 00:55:14,559

if you were to

1638

00:55:17,990 --> 00:55:17,200

to save your hard-earned money and and

1639

00:55:21,030 --> 00:55:18,000

you know

1640

00:55:22,710 --> 00:55:21,040

uh go to a nice dinner

1641

00:55:23,990 --> 00:55:22,720

with your family and and talk about

1642

00:55:25,030 --> 00:55:24,000

things that are important maybe talk

1643

00:55:27,829 --> 00:55:25,040

about uaps

1644

00:55:29,109 --> 00:55:27,839

right that'd be a great way yeah my kids

1645

00:55:30,710 --> 00:55:29,119

like lying on the trampoline looking at

1646

00:55:31,109 --> 00:55:30,720

the stars and they're they're foreign

1647

00:55:33,109 --> 00:55:31,119

too

1648

00:55:34,230 --> 00:55:33,119

and they've got their little toilet roll

1649

00:55:36,150 --> 00:55:34,240

holders they've got they've made for

1650

00:55:36,789 --> 00:55:36,160

binoculars to pretend to look for aliens

1651

00:55:38,069 --> 00:55:36,799

so

1652

00:55:39,910 --> 00:55:38,079

they're they're on the way to carry on

1653

00:55:41,430 --> 00:55:39,920

that conversation look

1654

00:55:42,549 --> 00:55:41,440

so many people you're a very popular

1655

00:55:44,549 --> 00:55:42,559

character and i know that's something

1656

00:55:46,309 --> 00:55:44,559

you tend to shy away from the attention

1657

00:55:47,750 --> 00:55:46,319

that you get as well you don't crave it

1658

00:55:49,349 --> 00:55:47,760

which i think draws a lot of people to

1659

00:55:51,030 --> 00:55:49,359

you as well unfortunately

1660

00:55:52,309 --> 00:55:51,040

so many people wrote in with questions

1661

00:55:53,270 --> 00:55:52,319

i've just like to put a couple of those

1662

00:55:55,990 --> 00:55:53,280

to you and then a

1663

00:55:56,309 --> 00:55:56,000

60-second quick fire and craig labadie

1664

00:55:57,829 --> 00:55:56,319

uh

1665

00:55:59,430 --> 00:55:57,839

mentioned during your recent interview

1666

00:56:00,230 --> 00:55:59,440

with john greenwald you mentioned there

1667

00:56:02,150 --> 00:56:00,240

were certain

1668

00:56:04,230 --> 00:56:02,160

certain videos that had blown your mind

1669

00:56:06,069 --> 00:56:04,240

you talked about doing mental gymnastics

1670

00:56:07,670 --> 00:56:06,079

to work out how a particular object

1671

00:56:09,910 --> 00:56:07,680

have could have done the maneuvers it

1672

00:56:11,829 --> 00:56:09,920

done so his question for you

1673

00:56:13,510 --> 00:56:11,839

are those types of videos and that type

1674

00:56:15,750 --> 00:56:13,520

of data held by

1675

00:56:17,349 --> 00:56:15,760

multiple governments is that rare or is

1676
00:56:18,710 --> 00:56:17,359
that data more common than one might

1677
00:56:24,710 --> 00:56:18,720
think

1678
00:56:26,470 --> 00:56:24,720
um the problem is there were never

1679
00:56:27,349 --> 00:56:26,480
really any mechanisms to do anything

1680
00:56:30,390 --> 00:56:27,359
with that data

1681
00:56:33,670 --> 00:56:30,400
so they are they are in in

1682
00:56:36,230 --> 00:56:33,680
um bits and pieces if you will uh

1683
00:56:38,069 --> 00:56:36,240
throughout uh different governments but

1684
00:56:41,109 --> 00:56:38,079
uh yeah there's some very

1685
00:56:41,670 --> 00:56:41,119
there's some very compelling data um you

1686
00:56:43,589 --> 00:56:41,680
know

1687
00:56:46,950 --> 00:56:43,599
in some cases you get these things 50

1688
00:56:48,150 --> 00:56:46,960

feet away from the cockpit i mean that's

1689

00:56:51,349 --> 00:56:48,160

at that point there ain't no question

1690

00:56:52,950 --> 00:56:51,359

what you're looking at um so

1691

00:56:55,190 --> 00:56:52,960

i have to ask you this one from doug

1692

00:56:57,030 --> 00:56:55,200

campbell regarding something i read or

1693

00:56:59,109 --> 00:56:57,040

heard possibly on a podcast

1694

00:57:01,270 --> 00:56:59,119

um it stated at one point that you had

1695

00:57:03,670 --> 00:57:01,280

considered being a psychic spy

1696

00:57:07,270 --> 00:57:03,680

is that at all true or and have you ever

1697

00:57:13,829 --> 00:57:10,710

damn uh you know how

1698

00:57:17,430 --> 00:57:13,839

how poudov and i are are good friends

1699

00:57:19,030 --> 00:57:17,440

um hal and his colleagues were involved

1700

00:57:22,309 --> 00:57:19,040

in some remarkable stuff

1701

00:57:24,230 --> 00:57:22,319

uh um project stargate

1702

00:57:25,349 --> 00:57:24,240

before that grill flame and whatnot it's

1703

00:57:27,270 --> 00:57:25,359

no surprise that the

1704

00:57:29,670 --> 00:57:27,280

department of the army and at some point

1705

00:57:32,870 --> 00:57:29,680

the defense intelligence agency

1706

00:57:36,950 --> 00:57:32,880

were were involved in that effort um

1707

00:57:40,069 --> 00:57:36,960

i uh i i'm not gonna elaborate

1708

00:57:41,190 --> 00:57:40,079

um great question uh maybe maybe for

1709

00:57:42,390 --> 00:57:41,200

some other time

1710

00:57:44,069 --> 00:57:42,400

i like that one too and the last

1711

00:57:45,510 --> 00:57:44,079

listener question sorry to everyone who

1712

00:57:47,109 --> 00:57:45,520

i didn't get to hopefully the body of

1713

00:57:48,630 --> 00:57:47,119

the interview answered some as well

1714

00:57:50,150 --> 00:57:48,640

but like lou said hopefully comes back

1715

00:57:52,549 --> 00:57:50,160

one day to answer some more

1716

00:57:54,230 --> 00:57:52,559

uh leif asked was there any particular

1717

00:57:56,549 --> 00:57:54,240

reason that the three videos that were

1718

00:57:58,069 --> 00:57:56,559

released to gimbal go fast and flare

1719

00:58:00,069 --> 00:57:58,079

were the ones that were chosen to be

1720

00:58:03,750 --> 00:58:00,079

released

1721

00:58:04,870 --> 00:58:03,760

yes good answer i won't probe you

1722

00:58:05,750 --> 00:58:04,880

further on that i feel that would be a

1723

00:58:07,670 --> 00:58:05,760

bit fruitless

1724

00:58:09,910 --> 00:58:07,680

uh listen quick fire round before we let

1725

00:58:11,430 --> 00:58:09,920

you go a couple of topics and subjects

1726

00:58:12,549 --> 00:58:11,440

we've not managed to talk about yet or

1727

00:58:14,470 --> 00:58:12,559

talk too much on

1728

00:58:15,750 --> 00:58:14,480

you can say a word a couple of words in

1729

00:58:20,829 --> 00:58:15,760

a sentence it's up to you

1730

00:58:29,510 --> 00:58:23,829

um a very

1731

00:58:33,589 --> 00:58:32,230

i have the utmost respect for the men

1732

00:58:35,270 --> 00:58:33,599

and women that were involved in that

1733

00:58:38,870 --> 00:58:35,280

project

1734

00:58:39,589 --> 00:58:38,880

next one is bob lazar i've never met the

1735

00:58:43,109 --> 00:58:39,599

gentleman

1736

00:58:46,230 --> 00:58:43,119

uh i have no comment either way um i i

1737

00:58:49,349 --> 00:58:46,240

i have uh absolutely

1738

00:58:50,470 --> 00:58:49,359

zero interaction with mr lazar as a

1739

00:58:52,549 --> 00:58:50,480

human being

1740

00:58:53,990 --> 00:58:52,559

uh both personally and professionally so

1741

00:58:55,829 --> 00:58:54,000

therefore i i

1742

00:58:57,670 --> 00:58:55,839

i reserve my comment because i simply

1743

00:58:59,829 --> 00:58:57,680

don't i don't have an opinion i'm not

1744

00:59:01,670 --> 00:58:59,839

i don't have an opinion either way and

1745

00:59:03,270 --> 00:59:01,680

i'm just keeping it to myself i truly

1746

00:59:08,789 --> 00:59:03,280

don't have an opinion it's never been

1747

00:59:11,829 --> 00:59:10,309

if it works it works if it doesn't it

1748

00:59:14,069 --> 00:59:11,839

doesn't um i

1749

00:59:15,349 --> 00:59:14,079

have a hard problem personal problem

1750

00:59:18,710 --> 00:59:15,359

with with anybody

1751

00:59:21,990 --> 00:59:18,720

charging for for for services

1752

00:59:24,549 --> 00:59:22,000

uh you know it's it's uh for me

1753

00:59:25,990 --> 00:59:24,559

um this is not a money-making endeavor

1754

00:59:28,870 --> 00:59:26,000

uh i think i think

1755

00:59:30,470 --> 00:59:28,880

we pervert the truth when we do make it

1756

00:59:33,750 --> 00:59:30,480

a money-making endeavor

1757

00:59:36,470 --> 00:59:33,760

i think um all sorts of things

1758

00:59:37,109 --> 00:59:36,480

uh get introduced into the mix when this

1759

00:59:40,390 --> 00:59:37,119

becomes

1760

00:59:43,349 --> 00:59:40,400

about profit um and that's with anybody

1761

00:59:44,549 --> 00:59:43,359

um you know i i'm not saying you have to

1762

00:59:47,589 --> 00:59:44,559

starve and and

1763

00:59:48,069 --> 00:59:47,599

you know but but profiting off of other

1764

00:59:50,870 --> 00:59:48,079

people

1765

00:59:51,990 --> 00:59:50,880

in search for the truth i find

1766

00:59:54,710 --> 00:59:52,000

despicable

1767

00:59:56,230 --> 00:59:54,720

um you know that's one of the reasons

1768

00:59:57,990 --> 00:59:56,240

why i don't really do entertainment i i

1769

00:59:59,589 --> 00:59:58,000

prefer doing infotainment and

1770

01:00:01,589 --> 00:59:59,599

i don't mind information being

1771

01:00:02,710 --> 01:00:01,599

entertaining but entertainment for the

1772

01:00:05,109 --> 01:00:02,720

sake of entertainment

1773

01:00:06,390 --> 01:00:05,119

i'm that's not me i'm not an entertainer

1774

01:00:09,750 --> 01:00:06,400

i i want to

1775

01:00:11,910 --> 01:00:09,760

help inform um i think

1776

01:00:13,510 --> 01:00:11,920

uh you know there are a lot of as i said

1777

01:00:14,069 --> 01:00:13,520

before hucksters and fraudsters out

1778

01:00:16,789 --> 01:00:14,079

there

1779

01:00:18,309 --> 01:00:16,799

and it's coming to light and you know

1780

01:00:19,910 --> 01:00:18,319

people are there's some savvy

1781

01:00:21,349 --> 01:00:19,920

investigators now or that are hot on the

1782

01:00:22,630 --> 01:00:21,359

trail of some of these individuals who

1783

01:00:25,030 --> 01:00:22,640

spent the last

1784

01:00:25,829 --> 01:00:25,040

several years if not decades defrauding

1785

01:00:29,430 --> 01:00:25,839

people

1786

01:00:31,349 --> 01:00:29,440

and you know all i gotta say is uh

1787

01:00:32,789 --> 01:00:31,359

you know sucks to be you you shouldn't

1788

01:00:35,910 --> 01:00:32,799

have done that shame on you

1789

01:00:38,630 --> 01:00:35,920

um you know the truth

1790

01:00:39,510 --> 01:00:38,640

i i said this years ago you know there's

1791

01:00:43,349 --> 01:00:39,520

something

1792

01:00:46,549 --> 01:00:43,359

funny about the truth um

1793

01:00:49,030 --> 01:00:46,559

the truth she sometimes whispers

1794

01:00:50,710 --> 01:00:49,040

so you have to listen carefully but if

1795

01:00:52,870 --> 01:00:50,720

but but she

1796

01:00:54,390 --> 01:00:52,880

she always speaks and ultimately the

1797

01:00:57,589 --> 01:00:54,400

truth always comes out

1798

01:01:00,630 --> 01:00:57,599

so my advice would be for anybody if

1799

01:01:01,030 --> 01:01:00,640

if you're into ce5 if that's a real

1800

01:01:02,710 --> 01:01:01,040

thing

1801
01:01:04,150 --> 01:01:02,720
then great and i would ask that you'd be

1802
01:01:05,750 --> 01:01:04,160
able to demonstrate it

1803
01:01:08,549 --> 01:01:05,760
in front of a camera in front of a large

1804
01:01:09,109 --> 01:01:08,559
audience and repeat it right scientific

1805
01:01:10,789 --> 01:01:09,119
method

1806
01:01:13,270 --> 01:01:10,799
make it make it repeatable and something

1807
01:01:16,230 --> 01:01:13,280
that can be peer reviewed otherwise

1808
01:01:21,109 --> 01:01:16,240
it's just your opinion i would ask does

1809
01:01:21,119 --> 01:01:26,069
well well uh

1810
01:01:30,789 --> 01:01:28,789
how about you tell me i have a gold

1811
01:01:34,470 --> 01:01:30,799
mankind

1812
01:01:36,789 --> 01:01:34,480
that's with pluto with the s uh i think

1813
01:01:37,670 --> 01:01:36,799

i i think i think i would too i think

1814

01:01:38,950 --> 01:01:37,680

that's

1815

01:01:40,390 --> 01:01:38,960

and louis to finish up the show

1816

01:01:42,470 --> 01:01:40,400

appreciating your time what does

1817

01:01:47,030 --> 01:01:42,480

disclosure mean to you

1818

01:01:49,910 --> 01:01:47,040

ah well

1819

01:01:51,190 --> 01:01:49,920

i think we'll know it when we see it uh

1820

01:01:52,630 --> 01:01:51,200

i think we're in the process of

1821

01:01:53,750 --> 01:01:52,640

disclosure right now i think in five

1822

01:01:54,789 --> 01:01:53,760

years when we look back we're going to

1823

01:01:55,910 --> 01:01:54,799

realize we were in the middle of

1824

01:01:59,589 --> 01:01:55,920

disclosure

1825

01:02:03,109 --> 01:01:59,599

it's not an event

1826

01:02:06,470 --> 01:02:03,119

um i think

1827

01:02:09,829 --> 01:02:06,480

disclosure means a a willingness to

1828

01:02:14,630 --> 01:02:09,839

recognize the truth

1829

01:02:19,190 --> 01:02:18,150

facts in a way that is transparent and

1830

01:02:22,150 --> 01:02:19,200

open

1831

01:02:22,630 --> 01:02:22,160

for all people to participate in all

1832

01:02:25,510 --> 01:02:22,640

people

1833

01:02:28,309 --> 01:02:25,520

not just one institution not just one

1834

01:02:31,270 --> 01:02:28,319

government not just one country

1835

01:02:32,630 --> 01:02:31,280

everybody and i think that is what

1836

01:02:34,549 --> 01:02:32,640

disclosure is about

1837

01:02:36,950 --> 01:02:34,559

it's the recognition that the earth is

1838

01:02:39,829 --> 01:02:36,960

not at the center of the solar system

1839

01:02:40,950 --> 01:02:39,839

and you know sometimes it's it's hard to

1840

01:02:43,430 --> 01:02:40,960

tell that truth

1841

01:02:44,789 --> 01:02:43,440

in the beginning but ultimately it

1842

01:02:47,750 --> 01:02:44,799

becomes self-evident

1843

01:02:47,990 --> 01:02:47,760

and i think we are in that process now i

1844

01:02:50,390 --> 01:02:48,000

think

1845

01:02:52,069 --> 01:02:50,400

we are in the throes of realizing that

1846

01:02:55,270 --> 01:02:52,079

the earth is not in the center

1847

01:02:56,870 --> 01:02:55,280

of our solar system um

1848

01:02:58,230 --> 01:02:56,880

and again with that i think there's

1849

01:02:59,190 --> 01:02:58,240

there's a lot of hope i think there's a

1850

01:03:02,150 --> 01:02:59,200

lot of

1851

01:03:03,029 --> 01:03:02,160

opportunity there but let's not jump to

1852

01:03:05,990 --> 01:03:03,039

conclusions

1853

01:03:06,950 --> 01:03:06,000

you know let's let's maintain the course

1854

01:03:09,510 --> 01:03:06,960

of being

1855

01:03:10,069 --> 01:03:09,520

diligent and deliberate and methodical

1856

01:03:13,349 --> 01:03:10,079

uh

1857

01:03:14,549 --> 01:03:13,359

and and you know open-minded to to the

1858

01:03:17,589 --> 01:03:14,559

best of our ability

1859

01:03:19,750 --> 01:03:17,599

while trying to maintain um

1860

01:03:21,430 --> 01:03:19,760

our our dedication to the scientific

1861

01:03:23,750 --> 01:03:21,440

process

1862

01:03:25,349 --> 01:03:23,760

lou it's been an honor genuinely and a

1863

01:03:26,630 --> 01:03:25,359

pleasure speaking to you

1864

01:03:27,990 --> 01:03:26,640

and i look forward to the day i can

1865

01:03:29,270 --> 01:03:28,000

welcome you back on again for that

1866

01:03:31,430 --> 01:03:29,280

second part

1867

01:03:33,029 --> 01:03:31,440

anytime i will tell you this is a true

1868

01:03:35,029 --> 01:03:33,039

true pleasure for me i want to answer

1869

01:03:35,510 --> 01:03:35,039

one question for you that you haven't

1870

01:03:36,870 --> 01:03:35,520

asked

1871

01:03:39,990 --> 01:03:36,880

but i know some of your viewers are

1872

01:03:42,789 --> 01:03:40,000

asking why am i doing these podcasts

1873

01:03:44,390 --> 01:03:42,799

why am i is there an attempt by me is

1874

01:03:45,990 --> 01:03:44,400

there a media blitz that i'm involved

1875

01:03:49,589 --> 01:03:46,000

with in order to

1876
01:03:52,950 --> 01:03:49,599
achieve something well the answer is yes

1877
01:03:55,670 --> 01:03:52,960
and that yes is that

1878
01:03:57,190 --> 01:03:55,680
part of phase two from my opinion is

1879
01:03:58,630 --> 01:03:57,200
getting the word out to anybody and

1880
01:03:59,589 --> 01:03:58,640
everybody as you know i don't make a

1881
01:04:01,510 --> 01:03:59,599
penny doing these

1882
01:04:03,109 --> 01:04:01,520
i don't charge anybody i don't get an

1883
01:04:05,430 --> 01:04:03,119
appearance fee for doing this

1884
01:04:07,910 --> 01:04:05,440
uh it takes a lot of time on my day but

1885
01:04:09,910 --> 01:04:07,920
i do it because it's important

1886
01:04:11,430 --> 01:04:09,920
i do it because it is making a

1887
01:04:12,230 --> 01:04:11,440
difference we're finally having the

1888
01:04:13,829 --> 01:04:12,240

conversation

1889

01:04:15,589 --> 01:04:13,839

and even if you disagree with my

1890

01:04:16,390 --> 01:04:15,599

perspective it's okay because the

1891

01:04:18,309 --> 01:04:16,400

conversation

1892

01:04:19,670 --> 01:04:18,319

is still happening even if you don't

1893

01:04:21,349 --> 01:04:19,680

agree with with

1894

01:04:23,109 --> 01:04:21,359

how i'm doing things and the way we're

1895

01:04:24,309 --> 01:04:23,119

doing things that's still good

1896

01:04:26,309 --> 01:04:24,319

that's okay because you don't have to

1897

01:04:29,510 --> 01:04:26,319

agree with me you don't have to

1898

01:04:31,109 --> 01:04:29,520

be in my camp or my team

1899

01:04:33,430 --> 01:04:31,119

i don't need that i just need you having

1900

01:04:36,470 --> 01:04:33,440

the conversation and it's happening

1901

01:04:38,390 --> 01:04:36,480

so uh you know my hats off really to you

1902

01:04:39,910 --> 01:04:38,400

and to your listeners thank you for what

1903

01:04:42,630 --> 01:04:39,920

you do

1904

01:04:44,230 --> 01:04:42,640

thank you for what your listeners uh do

1905

01:04:45,990 --> 01:04:44,240

taking time out of their day when they

1906

01:04:49,270 --> 01:04:46,000

probably should be doing something

1907

01:04:50,710 --> 01:04:49,280

uh you know productive um for their

1908

01:04:52,069 --> 01:04:50,720

family or for their work and instead

1909

01:04:54,230 --> 01:04:52,079

they're taking the time

1910

01:04:55,750 --> 01:04:54,240

to listen to this podcast uh maybe these

1911

01:04:56,950 --> 01:04:55,760

people are just getting off work right

1912

01:04:58,710 --> 01:04:56,960

and they're tired and

1913

01:05:00,630 --> 01:04:58,720

and want to make dinner for themselves

1914

01:05:02,309 --> 01:05:00,640

but instead they're they're listening

1915

01:05:04,230 --> 01:05:02,319

to this podcast you know thank you thank

1916

01:05:06,390 --> 01:05:04,240
