TIM MCMILLAN PART 2

1  
00:00:00,000 --> 00:00:05,430

[Music]

2  
00:00:08,629 --> 00:00:06,789

there's a whole fleet of them look on

3  
00:00:10,870 --> 00:00:08,639

the assay

4  
00:00:14,230 --> 00:00:10,880

oh my gosh they're all going against the

5  
00:00:18,870 --> 00:00:16,310

it was basically a cube with inside of

6  
00:00:37,110 --> 00:00:18,880

sphere where the points of the cube

7  
00:00:40,549 --> 00:00:38,630

so this isn't anything that just is

8  
00:00:45,110 --> 00:00:40,559

limited to the united states

9  
00:00:47,750 --> 00:00:45,120

it's a worldwide phenomenon

10  
00:00:48,549 --> 00:00:47,760

hi everyone and welcome back to that ufo

11  
00:00:51,270 --> 00:00:48,559

podcast

12  
00:00:52,869 --> 00:00:51,280

as always my name is andy what a month

13  
00:00:54,470 --> 00:00:52,879

it has been for the podcast we've had

14

00:00:56,709 --> 00:00:54,480

four incredible guests

15

00:00:58,549 --> 00:00:56,719

the last episode was part one of

16

00:01:01,270 --> 00:00:58,559

lieutenant tim mcmillan's and of you

17

00:01:02,470 --> 00:01:01,280

which you are back now obviously for the

18

00:01:04,070 --> 00:01:02,480

second part

19

00:01:05,750 --> 00:01:04,080

again i've been blown away by the

20

00:01:07,910 --> 00:01:05,760

feedback the numbers of your listening

21

00:01:08,950 --> 00:01:07,920

the people reaching out to get in touch

22

00:01:11,030 --> 00:01:08,960

i want to get straight into the

23

00:01:13,190 --> 00:01:11,040

interview for you please stick around

24

00:01:15,109 --> 00:01:13,200

after the interview finishes um there's

25

00:01:16,390 --> 00:01:15,119

some big announcements regarding future

26

00:01:17,670 --> 00:01:16,400

guests coming up

27

00:01:19,590 --> 00:01:17,680

and some exciting things that will be

28

00:01:20,390 --> 00:01:19,600

happening in the coming months on the

29

00:01:21,670 --> 00:01:20,400

show as well

30

00:01:23,590 --> 00:01:21,680

so again stick around after the

31

00:01:25,670 --> 00:01:23,600

interview let's go back to

32

00:01:32,230 --> 00:01:25,680

part two of my interview with lieutenant

33

00:01:35,749 --> 00:01:34,069

that's it and thanks because that's a

34

00:01:36,870 --> 00:01:35,759

lot of information on on the events and

35

00:01:38,789 --> 00:01:36,880

what's happened and i want to kind of

36

00:01:40,950 --> 00:01:38,799

fast forward right up to almost

37

00:01:43,350 --> 00:01:40,960

modern day um and and one of your

38

00:01:44,789 --> 00:01:43,360

articles uh for popular mechanics tim

39

00:01:46,950 --> 00:01:44,799

there's a quote that i thought was

40

00:01:48,710 --> 00:01:46,960

really interesting uh i'll read it to

41

00:01:50,310 --> 00:01:48,720

you it was professor matthew hirsch from

42

00:01:52,550 --> 00:01:50,320

harvard university

43

00:01:54,550 --> 00:01:52,560

and he says quote human beings have

44

00:01:55,510 --> 00:01:54,560

believed in the existence of et life for

45

00:01:58,149 --> 00:01:55,520

millennia

46

00:01:59,749 --> 00:01:58,159

i suspect that any revelation ufos exist

47

00:02:00,469 --> 00:01:59,759

would be met with something close to a

48

00:02:03,670 --> 00:02:00,479

shrug

49

00:02:05,429 --> 00:02:03,680

end quote is that where we're at now

50

00:02:07,510 --> 00:02:05,439

because that's how i feel this whole

51

00:02:09,830 --> 00:02:07,520

thing is generally still being met

52

00:02:11,589 --> 00:02:09,840

even with the mainstream exposure it's

53

00:02:13,030 --> 00:02:11,599

getting and can i just say as well that

54

00:02:14,790 --> 00:02:13,040

that's from a united states point of

55

00:02:16,869 --> 00:02:14,800

view like i said to my previous guests

56

00:02:18,790 --> 00:02:16,879

like gary and sean particularly

57

00:02:19,910 --> 00:02:18,800

in the uk this isn't really covered

58

00:02:23,110 --> 00:02:19,920

other than the odd

59

00:02:25,030 --> 00:02:23,120

article on a website of sky news

60

00:02:26,630 --> 00:02:25,040

there's not a lot of interest in the

61

00:02:29,110 --> 00:02:26,640

topic outside of those who would already

62

00:02:31,830 --> 00:02:29,120

be interested

63

00:02:34,790 --> 00:02:31,840

oh yeah and gosh that was just such a

64

00:02:37,110 --> 00:02:34,800

snapshot of dr hirsch's comments

65

00:02:38,309 --> 00:02:37,120

that i was able to use he's a great guy

66

00:02:41,350 --> 00:02:38,319

because he i mean

67

00:02:42,869 --> 00:02:41,360

he he provided me uh you know he

68

00:02:44,229 --> 00:02:42,879

provided me comments that could have

69

00:02:45,509 --> 00:02:44,239

been his own article because it was

70

00:02:47,509 --> 00:02:45,519

fascinating because i was very

71

00:02:48,869 --> 00:02:47,519

interested in in just what you said this

72

00:02:51,670 --> 00:02:48,879

idea like

73

00:02:52,710 --> 00:02:51,680

if the military really is hiding this

74

00:02:54,070 --> 00:02:52,720

idea that they're

75

00:02:57,110 --> 00:02:54,080

they know for certain it's something

76

00:02:58,949 --> 00:02:57,120

like what

77

00:03:01,030 --> 00:02:58,959

is there any validity in the idea that

78

00:03:02,790 --> 00:03:01,040

human beings just couldn't handle it

79

00:03:04,630 --> 00:03:02,800

and so you know he said i think it'd be

80

00:03:07,509 --> 00:03:04,640

met with a shrug um

81

00:03:08,949 --> 00:03:07,519

and i think he's right there and and

82

00:03:10,550 --> 00:03:08,959

unfortunately just due to the kind of

83

00:03:11,670 --> 00:03:10,560

limits that you have to when you when

84

00:03:12,949 --> 00:03:11,680

you're editing an article and that

85

00:03:16,149 --> 00:03:12,959

particular article was

86

00:03:17,750 --> 00:03:16,159

[h\_\_h] almost 9 000 words about about 7

87

00:03:17,990 --> 00:03:17,760

000 more than most editors want you to

88

00:03:20,710 --> 00:03:18,000

put

89

00:03:22,710 --> 00:03:20,720

in but um you know he was just saying

90

00:03:24,949 --> 00:03:22,720

that in terms of the idea that

91

00:03:26,470 --> 00:03:24,959

that human beings have believed in in

92

00:03:29,030 --> 00:03:26,480

e.t for a millennium

93

00:03:29,750 --> 00:03:29,040

in some way shape or fashion they have

94

00:03:32,869 --> 00:03:29,760

and

95

00:03:35,030 --> 00:03:32,879

it's generally though under the lens in

96

00:03:37,670 --> 00:03:35,040

which the time gives it and so

97

00:03:38,630 --> 00:03:37,680

you know not the ancient aliens route

98

00:03:43,190 --> 00:03:38,640

here

99

00:03:46,229 --> 00:03:43,200

mythical deities were aliens now

100

00:03:47,350 --> 00:03:46,239

but you know these deities were in

101  
00:03:50,949 --> 00:03:47,360  
effect

102  
00:03:52,390 --> 00:03:50,959  
higher intelligence aliens yeah um

103  
00:03:54,550 --> 00:03:52,400  
and so that's where he's getting at

104  
00:03:57,750 --> 00:03:54,560  
there um

105  
00:04:00,229 --> 00:03:57,760  
and you know i i think that

106  
00:04:01,190 --> 00:04:00,239  
in terms of why you haven't seen and i

107  
00:04:03,429 --> 00:04:01,200  
brought this up too in

108  
00:04:04,309 --> 00:04:03,439  
2017. this was something i was really

109  
00:04:06,070 --> 00:04:04,319  
i'm like

110  
00:04:07,910 --> 00:04:06,080  
why the hell isn't this like the biggest

111  
00:04:11,110 --> 00:04:07,920  
news in history here

112  
00:04:14,949 --> 00:04:11,120  
but you know people are very

113  
00:04:17,909 --> 00:04:14,959

narrowed into what's in front of them

114

00:04:19,349 --> 00:04:17,919

um what's going on i mean you see this

115

00:04:22,230 --> 00:04:19,359

especially with american news and the

116

00:04:24,550 --> 00:04:22,240

coronavirus and all this stuff it's like

117

00:04:26,550 --> 00:04:24,560

okay aliens are here screw that but what

118

00:04:29,590 --> 00:04:26,560

did president trump do and let's

119

00:04:31,430 --> 00:04:29,600

you know yeah and so because to them

120

00:04:33,830 --> 00:04:31,440

that gives an exercise of what they're

121

00:04:36,070 --> 00:04:33,840

in control over and so this idea of

122

00:04:39,510 --> 00:04:36,080

unknown is very very scary to people

123

00:04:41,590 --> 00:04:39,520

and so i do disagree a little bit with

124

00:04:42,070 --> 00:04:41,600

what dr hirsch is saying there if the

125

00:04:45,189 --> 00:04:42,080

idea

126

00:04:46,390 --> 00:04:45,199

was that it came out

127

00:04:48,469 --> 00:04:46,400

you know whether it was the us

128

00:04:50,070 --> 00:04:48,479

government or whomever somebody came out

129

00:04:52,070 --> 00:04:50,080

and said here it is guys ladies and

130

00:04:54,230 --> 00:04:52,080

gentlemen there is 100 percent

131

00:04:56,150 --> 00:04:54,240

beyond the reasonable doubt inhuman

132

00:04:57,830 --> 00:04:56,160

something visiting earth

133

00:04:59,110 --> 00:04:57,840

we don't know who they are we don't know

134

00:05:01,029 --> 00:04:59,120

where they're from we don't know their

135

00:05:02,790 --> 00:05:01,039

motivation we don't know their intent

136

00:05:04,230 --> 00:05:02,800

by the way they seem to be able to be

137

00:05:05,590 --> 00:05:04,240

way more powerful than you

138

00:05:07,350 --> 00:05:05,600

i don't know that that would be met with

139

00:05:10,870 --> 00:05:07,360

a shrug and that's because

140

00:05:11,590 --> 00:05:10,880

the unknown is not you know implicitly

141

00:05:14,070 --> 00:05:11,600

our brains

142

00:05:15,189 --> 00:05:14,080

it creates anxiety and stress and that's

143

00:05:19,510 --> 00:05:15,199

why

144

00:05:21,990 --> 00:05:19,520

these events as either being alien or

145

00:05:23,510 --> 00:05:22,000

being junk is because at least then it's

146

00:05:26,070 --> 00:05:23,520

known to them

147

00:05:27,670 --> 00:05:26,080

and so i think the real question there

148

00:05:29,590 --> 00:05:27,680

would be

149

00:05:31,749 --> 00:05:29,600

how much is known and how much is

150

00:05:34,790 --> 00:05:31,759

unknown when it comes out to it

151

00:05:36,230 --> 00:05:34,800

because you know that same fish example

152

00:05:37,029 --> 00:05:36,240

what you know what if all those fish

153

00:05:38,710 --> 00:05:37,039

found out

154

00:05:40,710 --> 00:05:38,720

hey guys you're not gonna believe this

155

00:05:44,070 --> 00:05:40,720

there's an entire other world

156

00:05:46,070 --> 00:05:44,080

above the water these people have cities

157

00:05:46,950 --> 00:05:46,080

and cars and all sorts of [h\_\_h] we don't

158

00:05:49,029 --> 00:05:46,960

even know how to

159

00:05:50,469 --> 00:05:49,039

you know a car what's that how do you

160

00:05:53,510 --> 00:05:50,479

drive that

161

00:05:53,990 --> 00:05:53,520

um you know how would that they react to

162

00:05:57,029 --> 00:05:54,000

that

163

00:05:58,309 --> 00:05:57,039

and and so i i don't know and so i think

164

00:06:01,270 --> 00:05:58,319

it's easier because

165

00:06:02,150 --> 00:06:01,280

the idea is the accepting it would be

166

00:06:04,309 --> 00:06:02,160

real

167

00:06:05,590 --> 00:06:04,319

brings up so many more unknowns and

168

00:06:10,070 --> 00:06:05,600

questions

169

00:06:13,029 --> 00:06:10,080

and again people have generationally

170

00:06:14,150 --> 00:06:13,039

been conditioned to believe it's bunk it

171

00:06:16,390 --> 00:06:14,160

goes back to that condom

172

00:06:18,790 --> 00:06:16,400

report and when i said read it for

173

00:06:20,150 --> 00:06:18,800

yourself and see the conclusions

174

00:06:22,150 --> 00:06:20,160

the people i've said that to who have

175

00:06:24,150 --> 00:06:22,160

done it come back and go holy cow this

176

00:06:25,830 --> 00:06:24,160

didn't say what i thought it said

177

00:06:27,270 --> 00:06:25,840

but if you look at the reporting at the

178

00:06:29,510 --> 00:06:27,280

time and everything

179

00:06:31,670 --> 00:06:29,520

it was uh you know very fragmentary

180

00:06:34,150 --> 00:06:31,680

based on small accounts of it

181

00:06:35,189 --> 00:06:34,160

and so it set this social standard that

182

00:06:38,790 --> 00:06:35,199

it's that it's

183

00:06:40,710 --> 00:06:38,800

bunk and um

184

00:06:42,710 --> 00:06:40,720

you know that's what people have been

185

00:06:44,870 --> 00:06:42,720

not only lived through but

186

00:06:46,870 --> 00:06:44,880

born and raised on her you know you have

187

00:06:48,550 --> 00:06:46,880

over 50 years of people who've been born

188

00:06:49,510 --> 00:06:48,560

who their parents grew up under this

189

00:06:53,350 --> 00:06:49,520

idea

190

00:06:55,589 --> 00:06:53,360

oh you know you talk about ufos that's

191

00:06:57,430 --> 00:06:55,599

that's fringe society and you're a nut

192

00:07:00,550 --> 00:06:57,440

back and so

193

00:07:02,070 --> 00:07:00,560

um it's

194

00:07:03,430 --> 00:07:02,080

to a degree it's one of the most

195

00:07:04,070 --> 00:07:03,440

interesting things because you hear

196

00:07:06,469 --> 00:07:04,080

people i mean

197

00:07:07,350 --> 00:07:06,479

people write books about the ufo

198

00:07:09,350 --> 00:07:07,360

mythology

199

00:07:11,189 --> 00:07:09,360

it's an american myth and religion and

200

00:07:14,629 --> 00:07:11,199

stuff and you say

201

00:07:17,270 --> 00:07:14,639

well no i mean it's not dragons

202

00:07:19,430 --> 00:07:17,280

and it's not uh you know there's

203

00:07:20,790 --> 00:07:19,440

actually more tangible evidence for

204

00:07:22,790 --> 00:07:20,800

something

205

00:07:24,469 --> 00:07:22,800

supporting ufos then there is most

206

00:07:26,469 --> 00:07:24,479

religious belief

207

00:07:29,029 --> 00:07:26,479

not to infringe on anybody's religious

208

00:07:31,189 --> 00:07:29,039

beliefs but that is still the mindset

209

00:07:32,230 --> 00:07:31,199

you know people it's just kind of been

210

00:07:36,150 --> 00:07:32,240

treated that way

211

00:07:37,029 --> 00:07:36,160

and so um i don't know if it's a shrug

212

00:07:39,830 --> 00:07:37,039

as much as it

213

00:07:42,550 --> 00:07:39,840

is people have kind of been conditioned

214

00:07:46,790 --> 00:07:42,560

for almost 50 years to believe that it's

215

00:07:48,629 --> 00:07:46,800

a myth and bonk but

216

00:07:50,390 --> 00:07:48,639

the aliens or the ufos or whatever the

217

00:07:51,029 --> 00:07:50,400

hell it is they sure as hell nobody told

218

00:07:53,110 --> 00:07:51,039

them

219

00:07:54,950 --> 00:07:53,120

they seem to be completely disconcerted

220

00:07:56,830 --> 00:07:54,960

with social sentiment they've not gone

221

00:07:59,029 --> 00:07:56,840

away

222

00:08:01,110 --> 00:07:59,039

yeah and i know you talked about your

223

00:08:02,629 --> 00:08:01,120

surprise here at the time as well of

224

00:08:03,909 --> 00:08:02,639

the why was that not bigger news

225

00:08:04,629 --> 00:08:03,919

something else you mentioned in one of

226

00:08:07,110 --> 00:08:04,639

your articles

227

00:08:09,589 --> 00:08:07,120

was when susan goff mentioned the air

228

00:08:11,270 --> 00:08:09,599

force office of special investigations

229

00:08:12,790 --> 00:08:11,280

which are widely considered to be the

230

00:08:14,710 --> 00:08:12,800

real men in black

231

00:08:16,390 --> 00:08:14,720

and were involved and then you follow

232

00:08:18,790 --> 00:08:16,400

that up in an article at last

233

00:08:20,230 --> 00:08:18,800

month as well talk to us a little bit

234

00:08:20,550 --> 00:08:20,240

about that and you know if we want to

235

00:08:24,629 --> 00:08:20,560

say

236

00:08:26,070 --> 00:08:24,639

mib because it's easier than af osi

237

00:08:27,830 --> 00:08:26,080

what do you think that involvement kind

238

00:08:29,270 --> 00:08:27,840

of speaks volumes about in this whole

239

00:08:31,270 --> 00:08:29,280

scenario

240

00:08:32,389 --> 00:08:31,280

sure man man i'm glad you brought that

241

00:08:33,829 --> 00:08:32,399

up because it's not

242

00:08:35,990 --> 00:08:33,839

been something i've been able to really

243

00:08:37,750 --> 00:08:36,000

clear up uh probably should have

244

00:08:39,350 --> 00:08:37,760

whether it's just in twitter or a blog

245

00:08:42,230 --> 00:08:39,360

or something but yeah

246

00:08:43,909 --> 00:08:42,240

uh you know obviously uh air force

247

00:08:46,470 --> 00:08:43,919

officer special investigations

248

00:08:47,509 --> 00:08:46,480

has this kind of illicit history of

249

00:08:50,070 --> 00:08:47,519

being the uf

250

00:08:51,990 --> 00:08:50,080

the real men in black and the ufo just

251

00:08:53,829 --> 00:08:52,000

disinformers and this goes

252

00:08:56,710 --> 00:08:53,839

all the way back to the 80s and the rick

253

00:08:59,910 --> 00:08:56,720

dodie days and all this kind of stuff

254

00:09:02,150 --> 00:08:59,920

and so um you know they're

255

00:09:03,110 --> 00:09:02,160

it's people written books about it you

256

00:09:05,750 --> 00:09:03,120

know that it's

257

00:09:07,509 --> 00:09:05,760

it's them that come and tell people to

258

00:09:10,150 --> 00:09:07,519

shut up and don't talk

259

00:09:11,509 --> 00:09:10,160

uh in this specific instance and

260

00:09:14,230 --> 00:09:11,519

unfortunately you know

261

00:09:15,670 --> 00:09:14,240

i had asked miss go numerous times in

262

00:09:17,829 --> 00:09:15,680

the pentagon or why did they

263

00:09:19,670 --> 00:09:17,839

why did osi get involved why did osi get

264

00:09:21,030 --> 00:09:19,680

involved and she didn't answer me

265

00:09:23,990 --> 00:09:21,040

it was only after that article was

266

00:09:25,670 --> 00:09:24,000

published did i finally

267

00:09:27,110 --> 00:09:25,680

have an opportunity to talk to a policy

268

00:09:28,630 --> 00:09:27,120

analyst at

269

00:09:31,509 --> 00:09:28,640

the secretary of defense's office and

270

00:09:34,870 --> 00:09:31,519

they explained very mundanely

271

00:09:36,389 --> 00:09:34,880

that oh by the way the air force office

272

00:09:37,110 --> 00:09:36,399

of special investigations and that

273

00:09:39,590 --> 00:09:37,120

particular

274

00:09:40,310 --> 00:09:39,600

headquarters detachment is the policy

275

00:09:42,070 --> 00:09:40,320

police

276

00:09:43,829 --> 00:09:42,080

for the pentagon meaning if there's

277

00:09:46,949 --> 00:09:43,839

policy violations that's who

278

00:09:47,509 --> 00:09:46,959

investigates it and so unfortunately

279

00:09:49,670 --> 00:09:47,519

there

280

00:09:51,670 --> 00:09:49,680

um but you see this often the truth

281

00:09:53,509 --> 00:09:51,680

isn't nearly as exciting and so they

282

00:09:56,630 --> 00:09:53,519

were just the policy police

283

00:09:57,990 --> 00:09:56,640

that somebody said to investigate the

284

00:09:59,590 --> 00:09:58,000

leak of these videos

285

00:10:01,750 --> 00:09:59,600

or or what they perceived as a leak of

286

00:10:05,269 --> 00:10:01,760

the videos now

287

00:10:07,030 --> 00:10:05,279

um there's a lot more to that aspect

288

00:10:08,790 --> 00:10:07,040

that is something i'm working on right

289

00:10:11,430 --> 00:10:08,800

now that will

290

00:10:12,389 --> 00:10:11,440

come up you know in the very near future

291

00:10:13,430 --> 00:10:12,399

it's still kind of an ongoing

292

00:10:15,269 --> 00:10:13,440

investigation

293

00:10:17,030 --> 00:10:15,279

but i can tell you there's a lot of

294

00:10:18,470 --> 00:10:17,040

evidence there that is extremely

295

00:10:21,509 --> 00:10:18,480

intriguing

296

00:10:23,910 --> 00:10:21,519

and in terms of why you do that because

297

00:10:25,350 --> 00:10:23,920

that was the first thing i questioned is

298

00:10:27,910 --> 00:10:25,360

you had to have somebody with enough

299

00:10:29,670 --> 00:10:27,920

authority to order that investigation

300

00:10:31,829 --> 00:10:29,680

and that person with enough authority

301  
00:10:33,590 --> 00:10:31,839  
they had to know damn well those were

302  
00:10:35,670 --> 00:10:33,600  
unclassified videos

303  
00:10:37,269 --> 00:10:35,680  
so why the hell did they order the

304  
00:10:40,389 --> 00:10:37,279  
investigation

305  
00:10:43,430 --> 00:10:40,399  
and that truth is that um

306  
00:10:46,389 --> 00:10:43,440  
you know it's it's very humanistic

307  
00:10:48,550 --> 00:10:46,399  
and that it's very new nuanced and yeah

308  
00:10:51,670 --> 00:10:48,560  
i recently said in an interview

309  
00:10:53,269 --> 00:10:51,680  
the reasons behind all of the confusing

310  
00:10:55,269 --> 00:10:53,279  
and contradictory statements coming out

311  
00:10:57,990 --> 00:10:55,279  
of the pentagon

312  
00:10:58,870 --> 00:10:58,000  
there's a whole bunch of factors at play

313  
00:11:00,790 --> 00:10:58,880

and in fact

314

00:11:02,069 --> 00:11:00,800

what i'll be bringing out and it's still

315

00:11:03,269 --> 00:11:02,079

like i said ongoing is

316

00:11:05,750 --> 00:11:03,279

some of those are human factors have

317

00:11:07,269 --> 00:11:05,760

nothing to do with ufos some people

318

00:11:09,350 --> 00:11:07,279

and i think everybody who's ever worked

319

00:11:11,190 --> 00:11:09,360

in a job where there's

320

00:11:12,790 --> 00:11:11,200

more than just themselves realized

321

00:11:14,150 --> 00:11:12,800

sometimes you work with [h\_\_\h]

322

00:11:15,829 --> 00:11:14,160

and sometimes you work with people who

323

00:11:17,110 --> 00:11:15,839

are just vindictive you work with bad

324

00:11:20,150 --> 00:11:17,120

bosses

325

00:11:21,990 --> 00:11:20,160

um and so some of the

326

00:11:23,269 --> 00:11:22,000

some of this i believe stems from a lot

327

00:11:25,110 --> 00:11:23,279

of that and

328

00:11:26,630 --> 00:11:25,120

there'll be some very intriguing things

329

00:11:29,269 --> 00:11:26,640

coming out about

330

00:11:31,030 --> 00:11:29,279

the the inner workings of the department

331

00:11:34,150 --> 00:11:31,040

of defense that don't necessarily

332

00:11:35,829 --> 00:11:34,160

relate to ufos but help explain

333

00:11:37,910 --> 00:11:35,839

why have you seen some of the things

334

00:11:39,590 --> 00:11:37,920

that you've seen why have you heard some

335

00:11:42,870 --> 00:11:39,600

of the things that you've heard

336

00:11:46,150 --> 00:11:42,880

and i've said this from day one and

337

00:11:47,910 --> 00:11:46,160

telezonda many times and publicly is

338

00:11:49,750 --> 00:11:47,920

having some background and understanding

339

00:11:53,190 --> 00:11:49,760

of the the kind of clandestine

340

00:11:54,310 --> 00:11:53,200

intelligence world you don't come out

341

00:11:56,629 --> 00:11:54,320

and talk

342

00:11:57,750 --> 00:11:56,639

like that's very very taboo to do what

343

00:11:59,030 --> 00:11:57,760

elizondo did

344

00:12:01,269 --> 00:11:59,040

and it doesn't matter if he was talking

345

00:12:04,310 --> 00:12:01,279

about ufos or he was talking about

346

00:12:06,310 --> 00:12:04,320

terrorists intelligence world does not

347

00:12:08,870 --> 00:12:06,320

encourage their people

348

00:12:10,629 --> 00:12:08,880

past former or present to go public like

349

00:12:11,590 --> 00:12:10,639

that and you're ostracized and

350

00:12:14,230 --> 00:12:11,600

oftentimes

351  
00:12:14,870 --> 00:12:14,240  
um try to make an example out of because

352  
00:12:17,030 --> 00:12:14,880  
they don't

353  
00:12:18,150 --> 00:12:17,040  
want they're they do not want their

354  
00:12:19,990 --> 00:12:18,160  
people

355  
00:12:22,310 --> 00:12:20,000  
thinking that they can get fame or

356  
00:12:22,710 --> 00:12:22,320  
attention talking about anything they've

357  
00:12:24,710 --> 00:12:22,720  
done

358  
00:12:26,470 --> 00:12:24,720  
while employed there because for obvious

359  
00:12:27,910 --> 00:12:26,480  
reasons

360  
00:12:29,670 --> 00:12:27,920  
all of a sudden russia is coming over

361  
00:12:30,870 --> 00:12:29,680  
hey we're a film crew we want to film

362  
00:12:32,069 --> 00:12:30,880  
you know they're they're setting you up

363  
00:12:35,990 --> 00:12:32,079

to try to get secrets

364

00:12:37,030 --> 00:12:36,000

and so um there's a lot of little things

365

00:12:38,949 --> 00:12:37,040

going on

366

00:12:42,829 --> 00:12:38,959

there and in fact that whole

367

00:12:45,030 --> 00:12:42,839

investigation into those videos with af

368

00:12:46,870 --> 00:12:45,040

a-f-o-s-i had less to do with men in

369

00:12:48,949 --> 00:12:46,880

black and more to do with the human

370

00:12:50,949 --> 00:12:48,959

factors involved of people being like

371

00:12:54,069 --> 00:12:50,959

that son of a [h\_\_h]

372

00:12:57,030 --> 00:12:54,079

making front page news um

373

00:12:59,110 --> 00:12:57,040

and trying to probably ultimately get uh

374

00:13:01,350 --> 00:12:59,120

luella's under security clearance pulled

375

00:13:02,949 --> 00:13:01,360

because that's the longest he keeps that

376

00:13:03,750 --> 00:13:02,959

security clearance and i think that's

377

00:13:05,910 --> 00:13:03,760

why

378

00:13:07,590 --> 00:13:05,920

um i've heard plenty of people get upset

379

00:13:10,150 --> 00:13:07,600

i totally get it and they're like

380

00:13:11,910 --> 00:13:10,160

oh he's always relying on his nda like

381

00:13:13,829 --> 00:13:11,920

he pushes it to the limit

382

00:13:15,829 --> 00:13:13,839

but i believe he has to be very cautious

383

00:13:18,629 --> 00:13:15,839

there because

384

00:13:20,470 --> 00:13:18,639

if he loses his security clearance at

385

00:13:23,430 --> 00:13:20,480

the end of the day long as he keeps that

386

00:13:25,590 --> 00:13:23,440

um you know tsa or whatever can go

387

00:13:27,030 --> 00:13:25,600

belly up and go defunct and he can walk

388

00:13:29,110 --> 00:13:27,040

right in the door at a private

389

00:13:31,110 --> 00:13:29,120

contractor making money and

390

00:13:32,710 --> 00:13:31,120

you know the guy's got a family and he's

391

00:13:34,870 --> 00:13:32,720

got kids and a wife he's got

392

00:13:36,949 --> 00:13:34,880

he gotta you gotta have that but if he

393

00:13:39,670 --> 00:13:36,959

loses his security clearance

394

00:13:41,750 --> 00:13:39,680

basically uh it's equivalent to me

395

00:13:44,150 --> 00:13:41,760

losing my law enforcement certification

396

00:13:45,509 --> 00:13:44,160

like my entire 20 years up to that point

397

00:13:48,389 --> 00:13:45,519

it's just

398

00:13:49,030 --> 00:13:48,399

i can't do anything with it boat yeah

399

00:13:52,790 --> 00:13:49,040

yep

400

00:13:55,990 --> 00:13:52,800

that whole

401  
00:13:57,509 --> 00:13:56,000  
i i think there's a

402  
00:14:00,150 --> 00:13:57,519  
with all of this there's more myth that

403  
00:14:03,110 --> 00:14:00,160  
there is reality and so the men in black

404  
00:14:03,750 --> 00:14:03,120  
deal um i don't think there's a real men

405  
00:14:06,230 --> 00:14:03,760  
in black

406  
00:14:07,350 --> 00:14:06,240  
that uh that are out there and i don't

407  
00:14:08,150 --> 00:14:07,360  
think they're involved in these

408  
00:14:11,269 --> 00:14:08,160  
instances

409  
00:14:13,670 --> 00:14:11,279  
i think it has to do more with uh

410  
00:14:15,829 --> 00:14:13,680  
some senior executive people who just

411  
00:14:17,269 --> 00:14:15,839  
were like that he's son of a [h\_\_h]

412  
00:14:19,750 --> 00:14:17,279  
because

413  
00:14:20,470 --> 00:14:19,760

private reasons they now people you know

414

00:14:23,030 --> 00:14:20,480

like yourself

415

00:14:23,509 --> 00:14:23,040

you people from scotland people from the

416

00:14:25,350 --> 00:14:23,519

uk

417

00:14:27,590 --> 00:14:25,360

people from germany are talking about

418

00:14:28,870 --> 00:14:27,600

the the under secretary of defense for

419

00:14:30,550 --> 00:14:28,880

intelligence office

420

00:14:32,710 --> 00:14:30,560

and they're no like names like the

421

00:14:35,189 --> 00:14:32,720

national programs like they're like

422

00:14:36,949 --> 00:14:35,199

this these are people who don't don't

423

00:14:38,790 --> 00:14:36,959

have facebook and stay off the radar

424

00:14:39,189 --> 00:14:38,800

and they're like son of a [h\_\_h] why are

425

00:14:42,230 --> 00:14:39,199

people

426

00:14:43,590 --> 00:14:42,240

you know they like you that's the

427

00:14:45,350 --> 00:14:43,600

intrigue there that might not be will

428

00:14:46,790 --> 00:14:45,360

smith and tommy lee jones walking about

429

00:14:48,550 --> 00:14:46,800

with tiny little guns that blow holes in

430

00:14:49,990 --> 00:14:48,560

the side of buildings but

431

00:14:51,430 --> 00:14:50,000

what they do and it does there's an

432

00:14:52,870 --> 00:14:51,440

element of truth i think and a lot of

433

00:14:54,949 --> 00:14:52,880

these things and that's something even

434

00:14:57,189 --> 00:14:54,959

in shows like ancient aliens or

435

00:14:58,470 --> 00:14:57,199

any they can have fantastic experiences

436

00:15:01,189 --> 00:14:58,480

or famous cases

437

00:15:02,949 --> 00:15:01,199

it doesn't take for 90 of it might not

438

00:15:03,750 --> 00:15:02,959

be quite correct but there's 10 percent

439

00:15:05,030 --> 00:15:03,760

based on truth

440

00:15:07,189 --> 00:15:05,040

and that's the interesting part and

441

00:15:08,069 --> 00:15:07,199

that's what we have to get to with a lot

442

00:15:10,710 --> 00:15:08,079

of this subject

443

00:15:12,389 --> 00:15:10,720

um what's where are we at then what

444

00:15:14,230 --> 00:15:12,399

would if you had a state of the union or

445

00:15:15,990 --> 00:15:14,240

state of play with this whole saga

446

00:15:17,189 --> 00:15:16,000

and and what's coming next where do you

447

00:15:18,790 --> 00:15:17,199

think what happens the whole thing and i

448

00:15:20,310 --> 00:15:18,800

appreciate you're saying you've got more

449

00:15:22,470 --> 00:15:20,320

material coming out soon not be really

450

00:15:25,509 --> 00:15:22,480

interesting anyway

451  
00:15:25,990 --> 00:15:25,519  
sure yeah and gosh that's a great

452  
00:15:27,350 --> 00:15:26,000  
question

453  
00:15:29,509 --> 00:15:27,360  
and i don't know that i have a good

454  
00:15:30,949 --> 00:15:29,519  
answer um

455  
00:15:33,350 --> 00:15:30,959  
and i say because i think a lot of

456  
00:15:35,350 --> 00:15:33,360  
people are hoping like disclosures on

457  
00:15:38,150 --> 00:15:35,360  
the horizon with the big d

458  
00:15:40,150 --> 00:15:38,160  
and all of this type of stuff um i

459  
00:15:41,670 --> 00:15:40,160  
haven't necessarily seen that

460  
00:15:44,629 --> 00:15:41,680  
if people are associating that with

461  
00:15:47,269 --> 00:15:44,639  
meaning like all right guys come on

462  
00:15:49,110 --> 00:15:47,279  
roll out the the roswell wreckage or

463  
00:15:53,189 --> 00:15:49,120

let's show all the videos

464

00:15:55,350 --> 00:15:53,199

um i haven't seen that on the horizon um

465

00:15:56,550 --> 00:15:55,360

and it's hard to know what information

466

00:15:57,910 --> 00:15:56,560

is or isn't going to come out of the

467

00:16:00,069 --> 00:15:57,920

pentagon because

468

00:16:00,949 --> 00:16:00,079

you know one of the things is with the

469

00:16:02,710 --> 00:16:00,959

recent statement

470

00:16:04,389 --> 00:16:02,720

that uh the assistant secretary of

471

00:16:07,350 --> 00:16:04,399

defense or public affairs office

472

00:16:07,670 --> 00:16:07,360

susan go mention and she acknowledged

473

00:16:10,069 --> 00:16:07,680

yeah

474

00:16:11,670 --> 00:16:10,079

yes there is a current program and the

475

00:16:12,949 --> 00:16:11,680

cognizant authority is under

476

00:16:15,189 --> 00:16:12,959

the secretary of defense for

477

00:16:16,470 --> 00:16:15,199

intelligence office blah blah blah

478

00:16:18,870 --> 00:16:16,480

and so it's important there for people

479

00:16:20,829 --> 00:16:18,880

to realize uh

480

00:16:22,550 --> 00:16:20,839

the cognitive authority being the

481

00:16:23,829 --> 00:16:22,560

intelligence so it's going to be run

482

00:16:27,269 --> 00:16:23,839

like an intelligence

483

00:16:29,350 --> 00:16:27,279

a deal and so tuning to what you just

484

00:16:31,430 --> 00:16:29,360

said you're right it is kind of like

485

00:16:33,110 --> 00:16:31,440

you know these guys who are or girls who

486

00:16:34,470 --> 00:16:33,120

are looking into these events currently

487

00:16:35,269 --> 00:16:34,480

are kind of like tommy lee jones and

488

00:16:38,470 --> 00:16:35,279

will smith

489

00:16:38,710 --> 00:16:38,480

without all the alien guns and stuff but

490

00:16:42,470 --> 00:16:38,720

in

491

00:16:44,629 --> 00:16:42,480

a scientific endeavor where you're

492

00:16:45,829 --> 00:16:44,639

putting out information constantly and

493

00:16:48,550 --> 00:16:45,839

everything

494

00:16:49,829 --> 00:16:48,560

because uh you know you want to protect

495

00:16:50,310 --> 00:16:49,839

the integrity of the information you're

496

00:16:52,550 --> 00:16:50,320

getting

497

00:16:54,230 --> 00:16:52,560

and so you don't put it out because that

498

00:16:55,910 --> 00:16:54,240

keeps from bad info coming in

499

00:16:58,470 --> 00:16:55,920

and so it's interesting because as long

500

00:17:03,749 --> 00:16:58,480

as it's ran like that

501  
00:17:05,590 --> 00:17:03,759  
it's going to be a friendly battle

502  
00:17:07,669 --> 00:17:05,600  
with people like myself or other

503  
00:17:10,710 --> 00:17:07,679  
journalists and them

504  
00:17:13,189 --> 00:17:10,720  
to try to get details out because um

505  
00:17:14,949 --> 00:17:13,199  
i you know up until recently me and

506  
00:17:16,870 --> 00:17:14,959  
susan go had a good relationship

507  
00:17:18,789 --> 00:17:16,880  
but but other than that the people who

508  
00:17:19,909 --> 00:17:18,799  
are doing this stuff presently i think

509  
00:17:21,909 --> 00:17:19,919  
i would like to say we have a great

510  
00:17:25,189 --> 00:17:21,919  
relationship because

511  
00:17:28,309 --> 00:17:25,199  
there's this weird

512  
00:17:30,390 --> 00:17:28,319  
both

513  
00:17:31,750 --> 00:17:30,400

as the free press who's pushing to get

514

00:17:33,190 --> 00:17:31,760

information out and these people are

515

00:17:34,150 --> 00:17:33,200

like hey man we got to control this for

516

00:17:37,110 --> 00:17:34,160

national security

517

00:17:38,950 --> 00:17:37,120

we're both trying to support in this

518

00:17:40,950 --> 00:17:38,960

case the u.s constitution and so the

519

00:17:43,830 --> 00:17:40,960

freedom of press plus the

520

00:17:47,590 --> 00:17:43,840

defense and so it's just weird trying to

521

00:17:49,669 --> 00:17:47,600

find this middle road here where

522

00:17:51,750 --> 00:17:49,679

we can we can get information out where

523

00:17:53,590 --> 00:17:51,760

i think i think it would be great

524

00:17:55,110 --> 00:17:53,600

because i haven't seen it yet but they

525

00:17:55,510 --> 00:17:55,120

say it exists i think it'd be great to

526

00:17:58,710 --> 00:17:55,520

get

527

00:17:59,190 --> 00:17:58,720

some more conclusive data out that at

528

00:18:02,150 --> 00:17:59,200

least

529

00:18:03,190 --> 00:18:02,160

acknowledges okay ladies and gentlemen

530

00:18:10,470 --> 00:18:03,200

these

531

00:18:11,029 --> 00:18:10,480

but here's something and then go from

532

00:18:13,510 --> 00:18:11,039

there

533

00:18:14,630 --> 00:18:13,520

is what it is because you need that

534

00:18:16,549 --> 00:18:14,640

public support

535

00:18:17,750 --> 00:18:16,559

to continue the programs from congress

536

00:18:19,430 --> 00:18:17,760

and everything that's why i think you

537

00:18:21,830 --> 00:18:19,440

see chris mellon and everybody saying

538

00:18:25,110 --> 00:18:21,840

push your congressional leadership

539

00:18:28,310 --> 00:18:25,120

because that needs to happen um

540

00:18:29,669 --> 00:18:28,320

and it's it's equally interesting like

541

00:18:33,669 --> 00:18:29,679

you said that the

542

00:18:35,750 --> 00:18:33,679

the mindset outside of the us i think

543

00:18:39,350 --> 00:18:35,760

south america there's a lot of interest

544

00:18:40,710 --> 00:18:39,360

in the topic ufos um at least citizen

545

00:18:42,150 --> 00:18:40,720

wise i know i i talked to a lot of

546

00:18:43,510 --> 00:18:42,160

people out of the uk

547

00:18:45,430 --> 00:18:43,520

who have interest it sounds like

548

00:18:49,430 --> 00:18:45,440

evidently the media doesn't

549

00:18:52,549 --> 00:18:49,440

um here in germany it's like

550

00:18:54,789 --> 00:18:52,559

not even not

551  
00:18:56,470 --> 00:18:54,799  
new media people nothing but i mean

552  
00:18:59,029 --> 00:18:56,480  
again it's it's uh

553  
00:19:00,549 --> 00:18:59,039  
um it goes down to culture and

554  
00:19:01,669 --> 00:19:00,559  
everything it's very pragmatic culture

555  
00:19:03,110 --> 00:19:01,679  
here in general

556  
00:19:04,470 --> 00:19:03,120  
we didn't run out of toilet paper during

557  
00:19:06,710 --> 00:19:04,480  
the pandemic crisis because people are

558  
00:19:09,350 --> 00:19:06,720  
just logical thinkers in germany

559  
00:19:10,630 --> 00:19:09,360  
yeah very famously very efficient but i

560  
00:19:11,990 --> 00:19:10,640  
think that's been one thing that

561  
00:19:14,150 --> 00:19:12,000  
we've seen on the news particularly in

562  
00:19:16,150 --> 00:19:14,160  
the uk with the whole covert 19 that

563  
00:19:17,430 --> 00:19:16,160

the germans done what they were told

564

00:19:19,590 --> 00:19:17,440

very quickly and

565

00:19:21,350 --> 00:19:19,600

managed to come out of it and that's why

566

00:19:23,510 --> 00:19:21,360

i'm a soccer fan

567

00:19:25,350 --> 00:19:23,520

and another life uh and that's why we've

568

00:19:26,070 --> 00:19:25,360

got german football back on the tv here

569

00:19:28,470 --> 00:19:26,080

in the uk

570

00:19:29,430 --> 00:19:28,480

so so yeah life is getting back to

571

00:19:31,430 --> 00:19:29,440

normal there i think

572

00:19:32,870 --> 00:19:31,440

a lot more quickly than other places but

573

00:19:33,990 --> 00:19:32,880

you see that that's in bed within the

574

00:19:36,230 --> 00:19:34,000

culture i believe

575

00:19:37,430 --> 00:19:36,240

um tim we're running out of time a

576

00:19:37,990 --> 00:19:37,440

little bit so i want to get to some of

577

00:19:39,669 --> 00:19:38,000

the listener

578

00:19:41,350 --> 00:19:39,679

questions and then fire through the

579

00:19:41,750 --> 00:19:41,360

quick fireworks stuff with you as well

580

00:19:45,350 --> 00:19:41,760

so

581

00:19:47,190 --> 00:19:45,360

everyone on twitter thank you very much

582

00:19:49,830 --> 00:19:47,200

and i've picked through some of the best

583

00:19:51,750 --> 00:19:49,840

um so some of them again if you've got

584

00:19:53,029 --> 00:19:51,760

an answer great if it's an opinion great

585

00:19:53,830 --> 00:19:53,039

if there's nothing then we can certainly

586

00:19:55,750 --> 00:19:53,840

move on

587

00:19:57,750 --> 00:19:55,760

so first question from engaging the

588

00:20:00,470 --> 00:19:57,760

phenomena on twitter that's at

589

00:20:02,310 --> 00:20:00,480

engaging the what was something tim

590

00:20:05,029 --> 00:20:02,320

found through his investigations that he

591

00:20:07,270 --> 00:20:05,039

was not expecting

592

00:20:08,470 --> 00:20:07,280

oh wow that's a good that's a that's a

593

00:20:12,630 --> 00:20:08,480

good question

594

00:20:17,270 --> 00:20:15,669

gosh what was i not expecting

595

00:20:18,789 --> 00:20:17,280

it's that's a great question and it's a

596

00:20:19,270 --> 00:20:18,799

hard one to answer because now i'm

597

00:20:21,350 --> 00:20:19,280

trying to

598

00:20:23,350 --> 00:20:21,360

to to separate like the professional

599

00:20:25,029 --> 00:20:23,360

investigative side versus the personal

600

00:20:27,350 --> 00:20:25,039

opinion side because that's the thing

601  
00:20:29,350 --> 00:20:27,360  
that a lot of people don't understand

602  
00:20:31,830 --> 00:20:29,360  
uh and i had this discussion with joe

603  
00:20:32,710 --> 00:20:31,840  
murgia ufo joe who has a great blog if

604  
00:20:34,789 --> 00:20:32,720  
anybody's checked it out

605  
00:20:36,149 --> 00:20:34,799  
joe's a great dude you know where he had

606  
00:20:38,070 --> 00:20:36,159  
mentioned that a recent comment by

607  
00:20:40,390 --> 00:20:38,080  
alizondo saying that that

608  
00:20:41,350 --> 00:20:40,400  
you know the three options it was secret

609  
00:20:43,110 --> 00:20:41,360  
u.s tech or

610  
00:20:44,470 --> 00:20:43,120  
foreign tech or something else were all

611  
00:20:45,510 --> 00:20:44,480  
disappointing to him and he's like i

612  
00:20:47,510 --> 00:20:45,520  
don't understand why

613  
00:20:48,950 --> 00:20:47,520

you say that but as an investigator your

614

00:20:51,270 --> 00:20:48,960

approach

615

00:20:53,110 --> 00:20:51,280

you really aren't surprised by a lot of

616

00:20:55,110 --> 00:20:53,120

things because you don't you you try

617

00:20:57,590 --> 00:20:55,120

very very very very hard to not go

618

00:20:59,430 --> 00:20:57,600

into it with any preconceived notions

619

00:21:00,549 --> 00:20:59,440

you're not testing hypothesis

620

00:21:01,909 --> 00:21:00,559

that's the important thing because you

621

00:21:03,270 --> 00:21:01,919

don't come up with them you just follow

622

00:21:06,630 --> 00:21:03,280

the road

623

00:21:10,230 --> 00:21:06,640

um i think on a personal side i

624

00:21:12,710 --> 00:21:10,240

i would say that it was maybe it was

625

00:21:13,990 --> 00:21:12,720

really surprising though it shouldn't

626  
00:21:18,070 --> 00:21:14,000  
have been

627  
00:21:20,149 --> 00:21:18,080  
to realize that there were are people

628  
00:21:22,470 --> 00:21:20,159  
in various very very very senior

629  
00:21:25,990 --> 00:21:22,480  
leadership positions in government

630  
00:21:29,270 --> 00:21:26,000  
to say yeah this is real this is real

631  
00:21:30,549 --> 00:21:29,280  
no you know it's not just um tv movies

632  
00:21:32,950 --> 00:21:30,559  
whatever

633  
00:21:34,710 --> 00:21:32,960  
these things are really happening um you

634  
00:21:35,909 --> 00:21:34,720  
know advances in our own defense

635  
00:21:38,950 --> 00:21:35,919  
technology have

636  
00:21:39,830 --> 00:21:38,960  
allowed us to pick up on it more and

637  
00:21:42,470 --> 00:21:39,840  
even

638  
00:21:44,390 --> 00:21:42,480

you know where it's undeniable now but

639

00:21:47,590 --> 00:21:44,400

this is real and i think

640

00:21:48,710 --> 00:21:47,600

it was really you know it's one of these

641

00:21:50,630 --> 00:21:48,720

things that uh

642

00:21:52,390 --> 00:21:50,640

i've had this discussion as well how do

643

00:21:53,350 --> 00:21:52,400

how do you survive in that environment

644

00:21:56,789 --> 00:21:53,360

because i think

645

00:21:59,029 --> 00:21:56,799

everybody who's into ufos can

646

00:22:00,070 --> 00:21:59,039

survive to an extent because there's

647

00:22:02,549 --> 00:22:00,080

always that option

648

00:22:04,950 --> 00:22:02,559

well maybe it really isn't real or we

649

00:22:07,350 --> 00:22:04,960

haven't seen like all the data

650

00:22:09,190 --> 00:22:07,360

and so you always have that catch out of

651  
00:22:10,789 --> 00:22:09,200  
saying that's maybe it's not real but

652  
00:22:11,590 --> 00:22:10,799  
what happens if you're confronted and

653  
00:22:14,630 --> 00:22:11,600  
you realize

654  
00:22:16,230 --> 00:22:14,640  
holy [h\_\_\h] it's real um

655  
00:22:18,950 --> 00:22:16,240  
what do you what do you do i think we

656  
00:22:22,789 --> 00:22:18,960  
all say what we do but i don't know

657  
00:22:24,390 --> 00:22:22,799  
um and so it was really surprising even

658  
00:22:25,029 --> 00:22:24,400  
going into it very open-minded and

659  
00:22:27,430 --> 00:22:25,039  
having

660  
00:22:29,029 --> 00:22:27,440  
uh you know seen something weird myself

661  
00:22:31,669 --> 00:22:29,039  
but to hear

662  
00:22:32,470 --> 00:22:31,679  
other people who again for all intents

663  
00:22:36,549 --> 00:22:32,480

and purposes

664

00:22:38,710 --> 00:22:36,559

um i've said that either

665

00:22:40,070 --> 00:22:38,720

they are these are people who are in

666

00:22:43,510 --> 00:22:40,080

positions of government

667

00:22:46,310 --> 00:22:43,520

with a lot of power and can you know

668

00:22:46,950 --> 00:22:46,320

wield power to bomb countries and cause

669

00:22:49,110 --> 00:22:46,960

war

670

00:22:52,070 --> 00:22:49,120

and their bat [ʌ\_\_ʌ] crazy and that's

671

00:22:56,070 --> 00:22:55,750

or that this is really going on and so i

672

00:22:59,510 --> 00:22:56,080

think

673

00:23:01,270 --> 00:22:59,520

that idea that that even though as the

674

00:23:04,070 --> 00:23:01,280

investigator you can't just stop

675

00:23:05,750 --> 00:23:04,080

and say well they absolutely should know

676

00:23:09,350 --> 00:23:05,760

so there we go we're done

677

00:23:11,029 --> 00:23:09,360

but um the fact that those two options

678

00:23:12,149 --> 00:23:11,039

then fork out either their bat [h\_\_h]

679

00:23:15,669 --> 00:23:12,159

crazy or it's real

680

00:23:18,630 --> 00:23:15,679

it was was a pretty big shock maybe i

681

00:23:18,950 --> 00:23:18,640

i thought that um i don't know what i

682

00:23:20,710 --> 00:23:18,960

thought

683

00:23:22,310 --> 00:23:20,720

like you said you try not to to go into

684

00:23:24,470 --> 00:23:22,320

it but um

685

00:23:26,630 --> 00:23:24,480

i think yeah i think i think realizing

686

00:23:28,310 --> 00:23:26,640

that um

687

00:23:30,070 --> 00:23:28,320

even talk i'll say talking to some of

688

00:23:32,230 --> 00:23:30,080

the people that are famous throughout

689

00:23:34,710 --> 00:23:32,240

the the ufo historical realm like the

690

00:23:37,029 --> 00:23:34,720

doctor put off sir eric davis's

691

00:23:39,110 --> 00:23:37,039

um are kit greens i was really surprised

692

00:23:43,029 --> 00:23:39,120

to talk to them because i think there's

693

00:23:45,510 --> 00:23:43,039

a perception of them depending on

694

00:23:46,950 --> 00:23:45,520

whether you are a real believer or

695

00:23:50,070 --> 00:23:46,960

skeptic and i will say

696

00:23:53,110 --> 00:23:50,080

in my opinion and haven't talked to them

697

00:23:54,630 --> 00:23:53,120

that the reality of those perceptions

698

00:23:56,789 --> 00:23:54,640

neither one was correct

699

00:23:58,390 --> 00:23:56,799

and you know sometimes people i think do

700

00:24:00,950 --> 00:23:58,400

a disservice to them

701  
00:24:03,029 --> 00:24:00,960  
when you're saying you know dr put off

702  
00:24:05,190 --> 00:24:03,039  
as the greatest mind who's ever

703  
00:24:06,630 --> 00:24:05,200  
been in all of history and it's like

704  
00:24:08,310 --> 00:24:06,640  
well that's not how science works he

705  
00:24:10,789 --> 00:24:08,320  
wouldn't want that and

706  
00:24:12,310 --> 00:24:10,799  
in fact science you know especially in

707  
00:24:13,830 --> 00:24:12,320  
social sciences where i come from you

708  
00:24:15,110 --> 00:24:13,840  
read a psychology journal

709  
00:24:16,549 --> 00:24:15,120  
somebody's going to give you an entire

710  
00:24:17,909 --> 00:24:16,559  
study of their conclusion and then the

711  
00:24:18,549 --> 00:24:17,919  
next page is going to be why that's

712  
00:24:21,029 --> 00:24:18,559  
[h\_\_\h]

713  
00:24:22,549 --> 00:24:21,039

and so somebody else and so there's no

714

00:24:24,390 --> 00:24:22,559

such thing as like the greatest mind

715

00:24:25,510 --> 00:24:24,400

einstein was wrong about a lot of things

716

00:24:27,750 --> 00:24:25,520

and so

717

00:24:29,830 --> 00:24:27,760

it was really surprising to realize man

718

00:24:33,990 --> 00:24:29,840

these are just people

719

00:24:34,789 --> 00:24:34,000

and um you know they're not scammers

720

00:24:37,669 --> 00:24:34,799

they're not

721

00:24:38,789 --> 00:24:37,679

this or that they don't have to be right

722

00:24:42,470 --> 00:24:38,799

about their beliefs

723

00:24:44,310 --> 00:24:42,480

but um they're also not these messianic

724

00:24:46,070 --> 00:24:44,320

figures that have it all figured out

725

00:24:46,789 --> 00:24:46,080

maybe that would actually if i had to

726

00:24:49,190 --> 00:24:46,799

say that

727

00:24:50,070 --> 00:24:49,200

the most one surprising thing of all was

728

00:24:52,149 --> 00:24:50,080

not just that

729

00:24:53,190 --> 00:24:52,159

all these people said it was real it was

730

00:24:56,230 --> 00:24:53,200

a realization that

731

00:24:57,590 --> 00:24:56,240

none of these people said it's real and

732

00:25:00,789 --> 00:24:57,600

it's this

733

00:25:01,590 --> 00:25:00,799

it's it was like holy crap they don't

734

00:25:05,029 --> 00:25:01,600

know

735

00:25:06,070 --> 00:25:05,039

think that was probably the most

736

00:25:09,590 --> 00:25:06,080

surprising

737

00:25:10,870 --> 00:25:09,600

to me that awesome yeah idea could be

738

00:25:12,549 --> 00:25:10,880

unknown

739

00:25:14,789 --> 00:25:12,559

oh that's a great question great answer

740

00:25:16,230 --> 00:25:14,799

thanks tim thanks engaging the phenomena

741

00:25:19,350 --> 00:25:16,240

worth following on twitter

742

00:25:21,750 --> 00:25:19,360

uh next one was from stephen um recently

743

00:25:23,590 --> 00:25:21,760

you appeared on mike west's podcast you

744

00:25:24,470 --> 00:25:23,600

mentioned you talked to david fravers

745

00:25:27,269 --> 00:25:24,480

co-pilot

746

00:25:28,710 --> 00:25:27,279

who watched the two witness detective as

747

00:25:30,870 --> 00:25:28,720

well did you get any

748

00:25:33,990 --> 00:25:30,880

further detail from her and do you think

749

00:25:37,430 --> 00:25:34,000

she will ever come forward

750

00:25:39,750 --> 00:25:37,440

um yeah yeah ironically enough she

751

00:25:42,070 --> 00:25:39,760

uh well she's still active duty right

752

00:25:44,470 --> 00:25:42,080

now and she

753

00:25:45,110 --> 00:25:44,480

did agree to to come forward and be

754

00:25:47,830 --> 00:25:45,120

named

755

00:25:48,390 --> 00:25:47,840

with for me however because she's active

756

00:25:50,870 --> 00:25:48,400

duty

757

00:25:52,630 --> 00:25:50,880

um public affairs has to approve that

758

00:25:57,269 --> 00:25:52,640

and public affairs denied me

759

00:25:59,909 --> 00:25:57,279

so um you know it is what it is but uh

760

00:26:00,950 --> 00:25:59,919

that's that's interesting to know yeah

761

00:26:04,470 --> 00:26:00,960

no and she did

762

00:26:06,710 --> 00:26:04,480

and um uh so

763

00:26:08,070 --> 00:26:06,720

i think i i will say that with her i

764

00:26:09,430 --> 00:26:08,080

think the thing that that's most

765

00:26:11,909 --> 00:26:09,440

interesting is she

766

00:26:13,750 --> 00:26:11,919

probably is a little frustrated there's

767

00:26:16,630 --> 00:26:13,760

so much attention on to

768

00:26:18,070 --> 00:26:16,640

her case simply because to her this

769

00:26:18,549 --> 00:26:18,080

happened 15 years ago and she's like

770

00:26:19,990 --> 00:26:18,559

this is

771

00:26:21,830 --> 00:26:20,000

it is what it is like it's up to

772

00:26:25,029 --> 00:26:21,840

somebody else to figure it out but

773

00:26:26,549 --> 00:26:25,039

um you know she says there's there's

774

00:26:28,710 --> 00:26:26,559

more events more recent events and

775

00:26:30,630 --> 00:26:28,720

continuous events that are going on

776

00:26:31,990 --> 00:26:30,640

that she talks to pilots who are saying

777

00:26:34,390 --> 00:26:32,000

this is happening

778

00:26:35,590 --> 00:26:34,400

so she's like why in the hell are we

779

00:26:38,230 --> 00:26:35,600

worried about

780

00:26:40,149 --> 00:26:38,240

what happened 15 years ago when you know

781

00:26:43,990 --> 00:26:40,159

this is going on right now

782

00:26:46,390 --> 00:26:44,000

um and so i i do truly hope

783

00:26:47,990 --> 00:26:46,400

that uh you know maybe when she retires

784

00:26:49,430 --> 00:26:48,000

someday or something she's able to come

785

00:26:51,830 --> 00:26:49,440

forward because

786

00:26:52,470 --> 00:26:51,840

uh my big thing for wanting her to go on

787

00:26:55,350 --> 00:26:52,480

a record

788

00:26:56,549 --> 00:26:55,360

is because i i really hope people get an

789

00:26:59,830 --> 00:26:56,559

understanding of who

790

00:27:03,110 --> 00:26:59,840

she is and what she's done in her career

791

00:27:05,750 --> 00:27:03,120

because we only hear about her as

792

00:27:06,549 --> 00:27:05,760

from 15 years ago as you know the rookie

793

00:27:09,190 --> 00:27:06,559

the new girl

794

00:27:12,230 --> 00:27:09,200

and and i would hope i want people to

795

00:27:15,430 --> 00:27:12,240

get an idea of when you hear her say

796

00:27:16,789 --> 00:27:15,440

her experience 15 years later today what

797

00:27:18,230 --> 00:27:16,799

all she's been through

798

00:27:20,149 --> 00:27:18,240

in that interim of time frame and

799

00:27:23,110 --> 00:27:20,159

realized this this is

800

00:27:23,430 --> 00:27:23,120

somebody who's a damn good aviator and

801  
00:27:26,789 --> 00:27:23,440  
has

802  
00:27:28,310 --> 00:27:26,799  
been through some [h\_\_h] and she um

803  
00:27:30,070 --> 00:27:28,320  
outside of any of this sighting she

804  
00:27:31,350 --> 00:27:30,080  
deserves to respect and everything she's

805  
00:27:32,470 --> 00:27:31,360  
done a lot of really good things in her

806  
00:27:34,389 --> 00:27:32,480  
career but again i

807  
00:27:35,510 --> 00:27:34,399  
you know she's i also respect and

808  
00:27:37,430 --> 00:27:35,520  
understand why

809  
00:27:39,430 --> 00:27:37,440  
she just can't right now and she's kind

810  
00:27:41,269 --> 00:27:39,440  
of cautious about it

811  
00:27:43,350 --> 00:27:41,279  
no that's amazing that definitely sounds

812  
00:27:44,950 --> 00:27:43,360  
like uh when when she does

813  
00:27:46,950 --> 00:27:44,960

hopefully finally get to going to step

814

00:27:48,870 --> 00:27:46,960

out of that shadowy interview figure

815

00:27:50,230 --> 00:27:48,880

i believe we saw on the unidentified

816

00:27:51,990 --> 00:27:50,240

documentary as well

817

00:27:53,590 --> 00:27:52,000

that uh it's going to be a lot more

818

00:27:55,029 --> 00:27:53,600

weight and credibility to the argument

819

00:27:56,870 --> 00:27:55,039

so it's just something else to go

820

00:27:58,310 --> 00:27:56,880

alongside the evidence the videos the

821

00:28:00,310 --> 00:27:58,320

testimonies it's

822

00:28:01,590 --> 00:28:00,320

as you say a really really good point

823

00:28:02,950 --> 00:28:01,600

you touched on as well and if we had a

824

00:28:05,430 --> 00:28:02,960

little bit about this that

825

00:28:06,310 --> 00:28:05,440

these events are still happening now and

826

00:28:09,430 --> 00:28:06,320

the quotes

827

00:28:10,870 --> 00:28:09,440

recently are as of several weeks ago we

828

00:28:11,590 --> 00:28:10,880

don't know there's not one happening

829

00:28:14,789 --> 00:28:11,600

right now

830

00:28:16,950 --> 00:28:14,799

off some battle carrier group

831

00:28:18,389 --> 00:28:16,960

see somewhere 30 emails off the course

832

00:28:19,590 --> 00:28:18,399

but yeah so these things are still

833

00:28:20,789 --> 00:28:19,600

happening and maybe that's the next

834

00:28:22,470 --> 00:28:20,799

logical part of the

835

00:28:23,669 --> 00:28:22,480

the story for everyone couple more

836

00:28:25,750 --> 00:28:23,679

questions that was a really good one

837

00:28:27,510 --> 00:28:25,760

stephen thanks um at the signal

838

00:28:29,110 --> 00:28:27,520

who again really prominent on ufo

839

00:28:31,510 --> 00:28:29,120

twitter he says firstly

840

00:28:32,870 --> 00:28:31,520

sincere thank you for your work tim have

841

00:28:33,750 --> 00:28:32,880

you heard the name of the program the

842

00:28:36,470 --> 00:28:33,760

u.s government

843

00:28:38,149 --> 00:28:36,480

currently runs on uap if so could you

844

00:28:40,230 --> 00:28:38,159

give any names or even a hint

845

00:28:42,149 --> 00:28:40,240

and will we find out any more details

846

00:28:45,830 --> 00:28:42,159

soon

847

00:28:48,870 --> 00:28:45,840

um i i i don't know the name

848

00:28:50,710 --> 00:28:48,880

of it and i don't know whether it has a

849

00:28:54,310 --> 00:28:50,720

categorical name

850

00:28:56,070 --> 00:28:54,320

um you know i think it's it's run out of

851

00:28:57,669 --> 00:28:56,080

what susan goes who said was correct you

852

00:28:58,470 --> 00:28:57,679

know the cognitive authority is under

853

00:29:00,630 --> 00:28:58,480

usdi

854

00:29:01,510 --> 00:29:00,640

and the navy's kind of taking the lead

855

00:29:03,830 --> 00:29:01,520

um

856

00:29:05,830 --> 00:29:03,840

i don't know why that is i think a lot

857

00:29:07,350 --> 00:29:05,840

of people bring up a lot of uh

858

00:29:09,350 --> 00:29:07,360

theories as to well why the hell the

859

00:29:13,029 --> 00:29:09,360

navy not the air force

860

00:29:15,110 --> 00:29:13,039

um i think it may relate to

861

00:29:16,470 --> 00:29:15,120

this is my opinion nobody's told me this

862

00:29:18,789 --> 00:29:16,480

uh conclusively

863

00:29:21,190 --> 00:29:18,799

but i think it may relate to uh certain

864

00:29:24,389 --> 00:29:21,200

technologies that are unknown even

865

00:29:26,389 --> 00:29:24,399

um that the navy employs and everything

866

00:29:29,269 --> 00:29:26,399

because the navy is actually one of

867

00:29:29,669 --> 00:29:29,279

um the primary it's the primary military

868

00:29:31,510 --> 00:29:29,679

in

869

00:29:33,510 --> 00:29:31,520

our primary branch of the u.s military

870

00:29:34,870 --> 00:29:33,520

that operates in contested spaces

871

00:29:35,990 --> 00:29:34,880

frequently so you know when they're

872

00:29:37,510 --> 00:29:36,000

sailing to these oceans they're in

873

00:29:39,750 --> 00:29:37,520

contested spaces

874

00:29:40,630 --> 00:29:39,760

and so some of their technologies allow

875

00:29:42,389 --> 00:29:40,640

them

876

00:29:44,470 --> 00:29:42,399

to have better recon and that type of

877

00:29:46,070 --> 00:29:44,480

stuff where um

878

00:29:47,750 --> 00:29:46,080

the air force and everything they are

879

00:29:50,230 --> 00:29:47,760

nor rad and uh

880

00:29:51,750 --> 00:29:50,240

they know they've got a defensive

881

00:29:52,789 --> 00:29:51,760

perimeter around the us but they know if

882

00:29:54,230 --> 00:29:52,799

something's flown in

883

00:29:56,389 --> 00:29:54,240

to the continent also but i think the

884

00:29:58,549 --> 00:29:56,399

navy maybe has some better

885

00:30:00,149 --> 00:29:58,559

stuff at figuring out what's all in the

886

00:30:02,549 --> 00:30:00,159

battle spaces

887

00:30:03,269 --> 00:30:02,559

um and so the navy you know the best i

888

00:30:06,470 --> 00:30:03,279

know is that

889

00:30:08,549 --> 00:30:06,480

the the navy is taking the lead in it

890

00:30:09,669 --> 00:30:08,559

that they have uh you know under the

891

00:30:12,549 --> 00:30:09,679

cognizance of the

892

00:30:13,830 --> 00:30:12,559

usdi they have sole authority of it

893

00:30:15,990 --> 00:30:13,840

across all branches

894

00:30:17,590 --> 00:30:16,000

and so they are working with you know

895

00:30:19,110 --> 00:30:17,600

like she said other other

896

00:30:21,990 --> 00:30:19,120

entities and i think that's important

897

00:30:22,389 --> 00:30:22,000

because places like the cia and all

898

00:30:24,230 --> 00:30:22,399

these

899

00:30:25,669 --> 00:30:24,240

they're not in the department of defense

900

00:30:26,630 --> 00:30:25,679

in fact cia is its own independent

901  
00:30:27,990 --> 00:30:26,640  
agency

902  
00:30:29,909 --> 00:30:28,000  
and so but there is some kind of

903  
00:30:31,510 --> 00:30:29,919  
interworking group which i think is good

904  
00:30:33,110 --> 00:30:31,520  
because that's the only way you can

905  
00:30:34,950 --> 00:30:33,120  
truly get it you've got to have an

906  
00:30:36,789 --> 00:30:34,960  
interworking task force but it's terms

907  
00:30:39,990 --> 00:30:36,799  
of like a name

908  
00:30:43,190 --> 00:30:40,000  
um i don't know it and i don't know that

909  
00:30:44,070 --> 00:30:43,200  
even has one and i know that's weird for

910  
00:30:47,350 --> 00:30:44,080  
people

911  
00:30:50,870 --> 00:30:47,360  
to accept but it may be you know

912  
00:30:54,389 --> 00:30:50,880  
a senior analyst in you know the

913  
00:30:57,590 --> 00:30:54,399

o i division or the whoever division

914

00:31:00,710 --> 00:30:57,600

like it's their job but it's not like

915

00:31:03,750 --> 00:31:00,720

its own branch it's not its own

916

00:31:04,710 --> 00:31:03,760

you know little carve out division type

917

00:31:07,990 --> 00:31:04,720

thing

918

00:31:11,269 --> 00:31:08,000

um we've moved on from an

919

00:31:12,950 --> 00:31:11,279

awesome or an a tip that it is now being

920

00:31:15,190 --> 00:31:12,960

taken over by the navy or do you think

921

00:31:18,549 --> 00:31:15,200

there's still that opportunity

922

00:31:18,870 --> 00:31:18,559

as a group um i think it's well i think

923

00:31:22,070 --> 00:31:18,880

it's

924

00:31:24,710 --> 00:31:22,080

post 2012

925

00:31:26,310 --> 00:31:24,720

would be where you have and this gets

926

00:31:28,310 --> 00:31:26,320

into this weird world of how

927

00:31:30,830 --> 00:31:28,320

these type of operations go into and

928

00:31:34,070 --> 00:31:30,840

they're nuanced but it's very similar to

929

00:31:35,909 --> 00:31:34,080

um if anybody's ever seen the movie was

930

00:31:38,149 --> 00:31:35,919

it zero dark 30 or whatever that

931

00:31:39,430 --> 00:31:38,159

you know the hunting down of bin laden

932

00:31:42,070 --> 00:31:39,440

okay you remember

933

00:31:43,509 --> 00:31:42,080

there was one senior analyst who like

934

00:31:45,509 --> 00:31:43,519

that was her job

935

00:31:47,269 --> 00:31:45,519

find bin laden and she was able to

936

00:31:50,389 --> 00:31:47,279

coordinate with all these different

937

00:31:51,110 --> 00:31:50,399

entities geospatial cia human assets on

938

00:31:53,269 --> 00:31:51,120

the ground

939

00:31:55,430 --> 00:31:53,279

but like she was the one that was

940

00:31:59,350 --> 00:31:55,440

supposed to find bin laden

941

00:32:01,909 --> 00:31:59,360

she was a you know senior cia analyst

942

00:32:03,509 --> 00:32:01,919

working in the cia had an office there

943

00:32:04,950 --> 00:32:03,519

you know there she was in you know

944

00:32:07,509 --> 00:32:04,960

like middle east foreign affairs

945

00:32:10,789 --> 00:32:07,519

division whatever but this was her

946

00:32:13,430 --> 00:32:10,799

job was to find bin laden

947

00:32:14,310 --> 00:32:13,440

this is very similar to that and so

948

00:32:16,149 --> 00:32:14,320

there's not like

949

00:32:18,149 --> 00:32:16,159

there wasn't like we're the office of

950

00:32:20,149 --> 00:32:18,159

the bin laden affairs or the

951  
00:32:21,190 --> 00:32:20,159  
you know like the bin laden team and

952  
00:32:23,830 --> 00:32:21,200  
this type of stuff

953  
00:32:25,350 --> 00:32:23,840  
you had one or two or a couple of people

954  
00:32:27,350 --> 00:32:25,360  
who like all right

955  
00:32:29,590 --> 00:32:27,360  
this is your job your job is to figure

956  
00:32:31,430 --> 00:32:29,600  
this out and you have the

957  
00:32:33,110 --> 00:32:31,440  
access to all these other little

958  
00:32:35,509 --> 00:32:33,120  
resources and all these other little

959  
00:32:37,669 --> 00:32:35,519  
things to help figure your job out

960  
00:32:39,430 --> 00:32:37,679  
but in terms of like blue book i think

961  
00:32:40,950 --> 00:32:39,440  
is what people often think of and

962  
00:32:43,029 --> 00:32:40,960  
everything yes it was very

963  
00:32:44,950 --> 00:32:43,039

structured and everything this is a

964

00:32:45,590 --> 00:32:44,960

different ball game because with blue

965

00:32:47,750 --> 00:32:45,600

book

966

00:32:49,110 --> 00:32:47,760

um you know they did focus on military

967

00:32:49,830 --> 00:32:49,120

things but they were investigating all

968

00:32:52,389 --> 00:32:49,840

sightings

969

00:32:53,990 --> 00:32:52,399

you know before pre-mufon days this type

970

00:32:55,590 --> 00:32:54,000

of stuff so there was an encouragement

971

00:32:58,149 --> 00:32:55,600

to hear from the public

972

00:32:59,909 --> 00:32:58,159

where it appears this would be more

973

00:33:03,029 --> 00:32:59,919

structured into kind of this modern

974

00:33:05,909 --> 00:33:03,039

format where they are more isolated

975

00:33:07,430 --> 00:33:05,919

onto military encounters and focus just

976

00:33:11,190 --> 00:33:07,440

on that they don't really

977

00:33:13,029 --> 00:33:11,200

need to hear the public stories per se

978

00:33:14,950 --> 00:33:13,039

not to say they may not be interested

979

00:33:15,669 --> 00:33:14,960

they may equally as well there's

980

00:33:17,509 --> 00:33:15,679

certainly

981

00:33:18,789 --> 00:33:17,519

sightings and stuff that people see that

982

00:33:20,870 --> 00:33:18,799

maybe report

983

00:33:22,230 --> 00:33:20,880

that the military may be aware of as

984

00:33:22,789 --> 00:33:22,240

well because they picked up on their own

985

00:33:24,789 --> 00:33:22,799

sensors

986

00:33:26,710 --> 00:33:24,799

and so they may kind of extrapolate that

987

00:33:28,310 --> 00:33:26,720

data but they don't need to like go

988

00:33:29,669 --> 00:33:28,320

interview the witness because they have

989

00:33:33,509 --> 00:33:29,679

better things

990

00:33:34,070 --> 00:33:33,519

um i i would say that's the best example

991

00:33:35,350 --> 00:33:34,080

i think

992

00:33:37,190 --> 00:33:35,360

from everything that i know that it

993

00:33:39,190 --> 00:33:37,200

could gather is consider that what's

994

00:33:41,350 --> 00:33:39,200

going on now is very similar to what

995

00:33:42,710 --> 00:33:41,360

if you've never seen the movie you know

996

00:33:44,149 --> 00:33:42,720

you're unfamiliar with it but just

997

00:33:45,509 --> 00:33:44,159

looking at there's a good book i can't

998

00:33:46,070 --> 00:33:45,519

remember the name it was written by that

999

00:33:48,630 --> 00:33:46,080

analyst

1000

00:33:49,909 --> 00:33:48,640

that was able to hunt down bin laden

1001  
00:33:51,669 --> 00:33:49,919  
it's very similar to that

1002  
00:33:53,269 --> 00:33:51,679  
so you've got somebody who their job

1003  
00:33:56,870 --> 00:33:53,279  
title is

1004  
00:33:58,710 --> 00:33:56,880  
you know senior analyst or whatever um

1005  
00:34:00,630 --> 00:33:58,720  
and but they're like all right your job

1006  
00:34:02,310 --> 00:34:00,640  
is figure this the hell out

1007  
00:34:04,630 --> 00:34:02,320  
and so that's what we're looking at in

1008  
00:34:06,149 --> 00:34:04,640  
my opinion no that's very often that

1009  
00:34:07,430 --> 00:34:06,159  
ties in a little bit with what louis

1010  
00:34:09,430 --> 00:34:07,440  
ondo talked about when

1011  
00:34:11,750 --> 00:34:09,440  
when they did have that initial was at

1012  
00:34:12,950 --> 00:34:11,760  
22 million dollars funding that people

1013  
00:34:14,629 --> 00:34:12,960

said that doesn't sound like a lot of

1014

00:34:17,270 --> 00:34:14,639

money but his point was you know

1015

00:34:19,109 --> 00:34:17,280

i can go to and i'm going to really

1016

00:34:20,710 --> 00:34:19,119

bastardize the whole military structure

1017

00:34:22,470 --> 00:34:20,720

i think here in this example but

1018

00:34:24,550 --> 00:34:22,480

you can go to the guys in the office

1019

00:34:26,149 --> 00:34:24,560

next door who have radar data that

1020

00:34:26,790 --> 00:34:26,159

doesn't cost him any money and pull that

1021

00:34:28,389 --> 00:34:26,800

resource

1022

00:34:30,470 --> 00:34:28,399

you can go the guys down the corridor

1023

00:34:32,550 --> 00:34:30,480

and ask them for do you have uh

1024

00:34:34,069 --> 00:34:32,560

you know a list of flights that were in

1025

00:34:35,669 --> 00:34:34,079

an area at this time again it doesn't

1026  
00:34:36,950 --> 00:34:35,679  
cost him any money so it's just using

1027  
00:34:38,629 --> 00:34:36,960  
those other resources so that that

1028  
00:34:40,069 --> 00:34:38,639  
doesn't make sense to be honest so

1029  
00:34:42,230 --> 00:34:40,079  
that was a great question again from the

1030  
00:34:42,710 --> 00:34:42,240  
signal thank you very much um we had

1031  
00:34:46,389 --> 00:34:42,720  
mark

1032  
00:34:48,470 --> 00:34:46,399  
after his name um

1033  
00:34:50,389 --> 00:34:48,480  
is there any longer or high resolution

1034  
00:34:50,869 --> 00:34:50,399  
version of the videos that were released

1035  
00:34:54,149 --> 00:34:50,879  
that you've

1036  
00:34:55,589 --> 00:34:54,159  
heard of seen or you know of definitely

1037  
00:34:59,030 --> 00:34:55,599  
hadn't seen anything like that

1038  
00:35:00,870 --> 00:34:59,040

and i i truly don't know um

1039

00:35:03,430 --> 00:35:00,880

i don't know if there is any longer

1040

00:35:07,349 --> 00:35:03,440

versions of the video well

1041

00:35:08,950 --> 00:35:07,359

we can assume in terms of the 2015

1042

00:35:10,630 --> 00:35:08,960

there well we can assume in all of them

1043

00:35:12,630 --> 00:35:10,640

there's a longer version at some point

1044

00:35:13,270 --> 00:35:12,640

in time because chad underwood the pilot

1045

00:35:16,390 --> 00:35:13,280

who filmed it

1046

00:35:18,550 --> 00:35:16,400

said he filmed longer um

1047

00:35:20,150 --> 00:35:18,560

and the same thing with the 2015 i mean

1048

00:35:22,550 --> 00:35:20,160

that's not uh

1049

00:35:23,990 --> 00:35:22,560

that's not how it works you know i

1050

00:35:26,390 --> 00:35:24,000

interviewed lots of pilots

1051  
00:35:27,829 --> 00:35:26,400  
kind of to both those who were involved

1052  
00:35:29,030 --> 00:35:27,839  
and weren't involved not with the 15

1053  
00:35:32,230 --> 00:35:29,040  
offense but in general

1054  
00:35:33,030 --> 00:35:32,240  
um you don't like cut your cameras on

1055  
00:35:36,550 --> 00:35:33,040  
and off

1056  
00:35:38,069 --> 00:35:36,560  
during the flight yeah yeah um

1057  
00:35:39,670 --> 00:35:38,079  
back in policing like that's not you

1058  
00:35:40,710 --> 00:35:39,680  
didn't wait until you were in the [h\_\_h]

1059  
00:35:42,230 --> 00:35:40,720  
to cut your camera on

1060  
00:35:44,310 --> 00:35:42,240  
you trained cops to cut them on

1061  
00:35:45,589 --> 00:35:44,320  
beforehand and so i'm sure there

1062  
00:35:48,870 --> 00:35:45,599  
probably is

1063  
00:35:52,230 --> 00:35:48,880

um some longer videos out there

1064

00:35:54,230 --> 00:35:52,240

um probably i mean that again this goes

1065

00:35:55,990 --> 00:35:54,240

into these weird nuanced things where

1066

00:35:57,829 --> 00:35:56,000

we're in tracking it down and if you

1067

00:35:59,109 --> 00:35:57,839

read that

1068

00:36:01,430 --> 00:35:59,119

office of air force and special

1069

00:36:02,790 --> 00:36:01,440

investigations report that was published

1070

00:36:05,670 --> 00:36:02,800

in my last vice article

1071

00:36:07,109 --> 00:36:05,680

you'll see the head of the f-18 program

1072

00:36:08,870 --> 00:36:07,119

management office for

1073

00:36:10,390 --> 00:36:08,880

for the navy technology office who's

1074

00:36:11,510 --> 00:36:10,400

like i'm the one who's in charge of

1075

00:36:13,990 --> 00:36:11,520

these videos

1076  
00:36:15,910 --> 00:36:14,000  
but when it comes to these actual tapes

1077  
00:36:17,750 --> 00:36:15,920  
they're controlled at the squadron level

1078  
00:36:18,790 --> 00:36:17,760  
and they do their own damn thing with

1079  
00:36:20,150 --> 00:36:18,800  
them and so

1080  
00:36:22,390 --> 00:36:20,160  
it's weird because you would assume it

1081  
00:36:25,990 --> 00:36:22,400  
would be tighter controls

1082  
00:36:28,310 --> 00:36:26,000  
um but uh in reality

1083  
00:36:29,109 --> 00:36:28,320  
it isn't always is tighter controls and

1084  
00:36:31,109 --> 00:36:29,119  
so

1085  
00:36:32,470 --> 00:36:31,119  
where any longer video versions of the

1086  
00:36:35,910 --> 00:36:32,480  
videos might exist

1087  
00:36:37,829 --> 00:36:35,920  
i don't know uh higher resolution video

1088  
00:36:39,030 --> 00:36:37,839

higher resolution versions of the videos

1089

00:36:40,470 --> 00:36:39,040

that have been released

1090

00:36:42,470 --> 00:36:40,480

uh i would say that's probably

1091

00:36:43,829 --> 00:36:42,480

absolutely certain and and this goes

1092

00:36:45,670 --> 00:36:43,839

into

1093

00:36:47,430 --> 00:36:45,680

just understanding how you release

1094

00:36:50,470 --> 00:36:47,440

information period

1095

00:36:53,109 --> 00:36:50,480

is uh you're not going you always

1096

00:36:54,550 --> 00:36:53,119

diminish your actual capability to what

1097

00:36:56,950 --> 00:36:54,560

you released to the public

1098

00:36:57,670 --> 00:36:56,960

because and so that means you know

1099

00:36:59,750 --> 00:36:57,680

blurring in

1100

00:37:00,710 --> 00:36:59,760

adding pixels whatever extrapolating

1101  
00:37:02,870 --> 00:37:00,720  
metadata

1102  
00:37:04,710 --> 00:37:02,880  
and not you don't want your adversaries

1103  
00:37:07,670 --> 00:37:04,720  
to know how good you got it

1104  
00:37:09,030 --> 00:37:07,680  
and so uh it's unfortunate for us you

1105  
00:37:12,230 --> 00:37:09,040  
know i it would be great

1106  
00:37:13,270 --> 00:37:12,240  
they the real high resolution version

1107  
00:37:15,589 --> 00:37:13,280  
may

1108  
00:37:17,349 --> 00:37:15,599  
in and of itself be like here you go

1109  
00:37:20,630 --> 00:37:17,359  
ladies and gentlemen this is not

1110  
00:37:22,870 --> 00:37:20,640  
this is not a quadcopter um

1111  
00:37:24,550 --> 00:37:22,880  
but that's where it has nothing to do

1112  
00:37:27,109 --> 00:37:24,560  
with hiding the ufo secret it's

1113  
00:37:29,910 --> 00:37:27,119

hiding what we're capable of doing from

1114

00:37:33,109 --> 00:37:29,920

potential foreign adversaries and so

1115

00:37:35,270 --> 00:37:33,119

i i would imagine there's probably a

1116

00:37:36,950 --> 00:37:35,280

higher resolution version of just the

1117

00:37:39,990 --> 00:37:36,960

videos that have been released

1118

00:37:41,510 --> 00:37:40,000

that that are touched down before their

1119

00:37:44,550 --> 00:37:41,520

release unfortunately

1120

00:37:47,430 --> 00:37:44,560

and so she spent a long time

1121

00:37:48,950 --> 00:37:47,440

under which i would get from a military

1122

00:37:50,390 --> 00:37:48,960

point of view or whoever was cannot

1123

00:37:51,750 --> 00:37:50,400

working and just getting these videos

1124

00:37:53,430 --> 00:37:51,760

out there and whatever

1125

00:37:55,510 --> 00:37:53,440

aspect that happened before they even

1126

00:37:57,430 --> 00:37:55,520

touched flue elizondo

1127

00:37:59,030 --> 00:37:57,440

sure that they're only going to show you

1128

00:38:00,550 --> 00:37:59,040

what they want you to see in these clips

1129

00:38:01,910 --> 00:38:00,560

as well and that's the frustration that

1130

00:38:03,510 --> 00:38:01,920

the clips are great

1131

00:38:04,950 --> 00:38:03,520

and they're part they are part of a

1132

00:38:06,950 --> 00:38:04,960

whole they aren't the whole

1133

00:38:08,230 --> 00:38:06,960

they help the whole thing with the

1134

00:38:09,910 --> 00:38:08,240

videos you want to see

1135

00:38:11,349 --> 00:38:09,920

longer you want to see the the

1136

00:38:13,109 --> 00:38:11,359

tic-tac-toe that's flying across the

1137

00:38:13,829 --> 00:38:13,119

ocean move up you want to see it shoot

1138

00:38:15,910 --> 00:38:13,839

off at

1139

00:38:17,670 --> 00:38:15,920

you know 12 000 miles an hour whatever

1140

00:38:18,950 --> 00:38:17,680

it was but you're not going to see that

1141

00:38:20,470 --> 00:38:18,960

what you're going to see is something

1142

00:38:21,430 --> 00:38:20,480

that you can you can find fascinating

1143

00:38:23,990 --> 00:38:21,440

but equally

1144

00:38:24,870 --> 00:38:24,000

you can have someone a la mcquest who

1145

00:38:26,470 --> 00:38:24,880

can come in and say

1146

00:38:27,990 --> 00:38:26,480

are we really staying in us in that

1147

00:38:29,589 --> 00:38:28,000

fantastic care and that's

1148

00:38:31,910 --> 00:38:29,599

it leaves open that debate which in

1149

00:38:33,190 --> 00:38:31,920

itself is no doubt a tactic that's

1150

00:38:35,670 --> 00:38:33,200

employed in these things

1151

00:38:36,390 --> 00:38:35,680

um the tim one more listeners question

1152

00:38:38,390 --> 00:38:36,400

it was again

1153

00:38:41,349 --> 00:38:38,400

it was from e on twitter just to let it

1154

00:38:43,190 --> 00:38:41,359

read uh tim's thoughts on the ufo nick

1155

00:38:44,550 --> 00:38:43,200

connection as established by robert

1156

00:38:46,230 --> 00:38:44,560

hastings is that something you've done

1157

00:38:47,910 --> 00:38:46,240

any digging or any working or have any

1158

00:38:50,310 --> 00:38:47,920

opinions on

1159

00:38:52,550 --> 00:38:50,320

say that again i'm sorry yeah so your

1160

00:38:53,990 --> 00:38:52,560

thoughts on the ufo and nuclear weapons

1161

00:38:55,430 --> 00:38:54,000

connection that was established by

1162

00:38:58,310 --> 00:38:55,440

robert hastings

1163

00:38:58,950 --> 00:38:58,320

oh okay yeah yeah go um yeah i don't

1164

00:39:02,069 --> 00:38:58,960

know

1165

00:39:03,990 --> 00:39:02,079

it's interesting because you do there's

1166

00:39:06,550 --> 00:39:04,000

a book a late 80s book

1167

00:39:08,150 --> 00:39:06,560

clear intent by barry greenwood and gosh

1168

00:39:11,190 --> 00:39:08,160

i can't think of his co-author right now

1169

00:39:13,829 --> 00:39:11,200

so i apologize but it's a

1170

00:39:15,430 --> 00:39:13,839

it's a really good book i think nobody's

1171

00:39:19,829 --> 00:39:15,440

checked it out

1172

00:39:21,910 --> 00:39:19,839

that really covers a lot of the um

1173

00:39:23,670 --> 00:39:21,920

the some of these uh sightings that

1174

00:39:25,990 --> 00:39:23,680

happened in the 70s over these over the

1175

00:39:28,950 --> 00:39:26,000

nuclear sites one of them being

1176

00:39:29,510 --> 00:39:28,960

a particular case that i actually am

1177

00:39:30,870 --> 00:39:29,520

slowly

1178

00:39:32,630 --> 00:39:30,880

going back and forth looking into which

1179

00:39:34,710 --> 00:39:32,640

is the loring air force base one which

1180

00:39:37,109 --> 00:39:34,720

is really remarkable because

1181

00:39:39,349 --> 00:39:37,119

they described seeing these things that

1182

00:39:41,670 --> 00:39:39,359

were very much like the tic tac

1183

00:39:43,589 --> 00:39:41,680

and behavior and everything and so it is

1184

00:39:46,230 --> 00:39:43,599

interesting because there does appear to

1185

00:39:49,349 --> 00:39:46,240

be a nuclear component

1186

00:39:52,790 --> 00:39:49,359

to it um

1187

00:39:53,750 --> 00:39:52,800

it's i'm always cautious with that

1188

00:39:54,950 --> 00:39:53,760

though because it's kind of like the

1189

00:39:56,710 --> 00:39:54,960

same thing where you say

1190

00:39:57,910 --> 00:39:56,720

you know there's a water component to it

1191

00:39:59,190 --> 00:39:57,920

they're over water and everything

1192

00:40:00,790 --> 00:39:59,200

sometimes it can be confounding

1193

00:40:02,790 --> 00:40:00,800

variables which means

1194

00:40:04,069 --> 00:40:02,800

you only have the known information so

1195

00:40:05,510 --> 00:40:04,079

it makes sense you don't have the

1196

00:40:07,910 --> 00:40:05,520

unknown information

1197

00:40:08,630 --> 00:40:07,920

but there definitely appears to be some

1198

00:40:11,750 --> 00:40:08,640

type of

1199

00:40:14,870 --> 00:40:11,760

nuclear connection to this

1200

00:40:16,710 --> 00:40:14,880

stuff going into the fact that sure you

1201  
00:40:17,910 --> 00:40:16,720  
have like the foo fighters and the ghost

1202  
00:40:20,230 --> 00:40:17,920  
rockets but but

1203  
00:40:22,710 --> 00:40:20,240  
once we have a nuclear capability and

1204  
00:40:24,710 --> 00:40:22,720  
post the atomic bomb

1205  
00:40:26,550 --> 00:40:24,720  
things become a little more dramatic you

1206  
00:40:29,190 --> 00:40:26,560  
know why that is i don't know

1207  
00:40:30,390 --> 00:40:29,200  
um with these nuclear connections i

1208  
00:40:34,390 --> 00:40:30,400  
think the most

1209  
00:40:38,150 --> 00:40:34,400  
intriguing aspect there is these involve

1210  
00:40:41,430 --> 00:40:38,160  
the absolute most sensitive secure

1211  
00:40:43,030 --> 00:40:41,440  
aspects of any military's arsenal and

1212  
00:40:44,870 --> 00:40:43,040  
these are nuclear weapons and so the

1213  
00:40:46,710 --> 00:40:44,880

idea that something is like screw you

1214

00:40:48,550 --> 00:40:46,720

and your airspace and your missiles

1215

00:40:51,109 --> 00:40:48,560

and flying over it shutting them off or

1216

00:40:53,430 --> 00:40:51,119

just doing as they please

1217

00:40:54,630 --> 00:40:53,440

that really makes you go what and the

1218

00:40:57,589 --> 00:40:54,640

hell

1219

00:40:57,990 --> 00:40:57,599

um i think in the times i've looked at

1220

00:40:59,670 --> 00:40:58,000

it

1221

00:41:00,870 --> 00:40:59,680

the interesting side there is you know

1222

00:41:01,430 --> 00:41:00,880

you hear people go well that's because

1223

00:41:03,510 --> 00:41:01,440

the

1224

00:41:05,109 --> 00:41:03,520

peace-loving aliens want us to warn us

1225

00:41:06,790 --> 00:41:05,119

about our nuclear war and destroy our

1226

00:41:08,390 --> 00:41:06,800

planet and um

1227

00:41:10,390 --> 00:41:08,400

i'm always like well where the hell were

1228

00:41:12,710 --> 00:41:10,400

they when we exploded 1800

1229

00:41:13,910 --> 00:41:12,720

bombs in the nevada duster destiny they

1230

00:41:17,190 --> 00:41:13,920

take a day off

1231

00:41:19,750 --> 00:41:17,200

um so you think well

1232

00:41:21,430 --> 00:41:19,760

you know i do know one segment that

1233

00:41:23,030 --> 00:41:21,440

would be very interested in the ability

1234

00:41:24,710 --> 00:41:23,040

to shut off nuclear weapons or penetrate

1235

00:41:25,270 --> 00:41:24,720

nuclear airspace and that would be human

1236

00:41:28,470 --> 00:41:25,280

beings

1237

00:41:32,630 --> 00:41:31,109

if if russia or china had this

1238

00:41:34,870 --> 00:41:32,640

capability

1239

00:41:36,470 --> 00:41:34,880

going back to the 70s and 60s or even

1240

00:41:37,349 --> 00:41:36,480

today i will mention this in terms of

1241

00:41:40,550 --> 00:41:37,359

these coastal

1242

00:41:42,230 --> 00:41:40,560

things um this is where i i maybe break

1243

00:41:43,829 --> 00:41:42,240

from and that's where me and tyler

1244

00:41:45,910 --> 00:41:43,839

uh at the war zone you'll hear us have

1245

00:41:47,990 --> 00:41:45,920

great debates over it's just from our

1246

00:41:50,390 --> 00:41:48,000

perspective you know he's a technology

1247

00:41:51,190 --> 00:41:50,400

guy and i'm more of a foreign policy

1248

00:41:54,150 --> 00:41:51,200

analyst

1249

00:41:54,790 --> 00:41:54,160

type guy and so i look at it and go yeah

1250

00:41:57,109 --> 00:41:54,800

but

1251  
00:41:58,950 --> 00:41:57,119  
if russia or china had the ability to

1252  
00:42:00,470 --> 00:41:58,960  
penetrate our nuclear airspace

1253  
00:42:03,109 --> 00:42:00,480  
shut our stuff off and give us the

1254  
00:42:05,589 --> 00:42:03,119  
finger we would see a different

1255  
00:42:07,670 --> 00:42:05,599  
geopolitical landscape right now

1256  
00:42:08,950 --> 00:42:07,680  
like we wouldn't you know russia would

1257  
00:42:10,309 --> 00:42:08,960  
be like oh you're going to sanction us

1258  
00:42:12,710 --> 00:42:10,319  
for ukraine

1259  
00:42:14,390 --> 00:42:12,720  
screw you well you know china would say

1260  
00:42:16,630 --> 00:42:14,400  
trade war

1261  
00:42:17,910 --> 00:42:16,640  
i mean that's what you know yeah it's

1262  
00:42:19,589 --> 00:42:17,920  
one of the nice things in moving to

1263  
00:42:21,589 --> 00:42:19,599

germany i really realized that the

1264

00:42:22,950 --> 00:42:21,599

united states gets to be the big global

1265

00:42:26,710 --> 00:42:22,960

bully to an extent

1266

00:42:28,790 --> 00:42:26,720

and exert its its will has has a lot to

1267

00:42:29,670 --> 00:42:28,800

do with its military power i mean here

1268

00:42:32,870 --> 00:42:29,680

in germany

1269

00:42:34,470 --> 00:42:32,880

there's more u.s planes than the entire

1270

00:42:35,030 --> 00:42:34,480

german air force you know just hear

1271

00:42:37,589 --> 00:42:35,040

station

1272

00:42:39,349 --> 00:42:37,599

and so they provide the defense for it

1273

00:42:42,390 --> 00:42:39,359

and so that allows them to kind of

1274

00:42:42,950 --> 00:42:42,400

impose their economic will on things and

1275

00:42:46,230 --> 00:42:42,960

everything

1276

00:42:47,109 --> 00:42:46,240

and so we haven't seen you know the cold

1277

00:42:49,670 --> 00:42:47,119

war ended

1278

00:42:51,030 --> 00:42:49,680

the ussr collapsed uh you would you

1279

00:42:52,069 --> 00:42:51,040

hadn't seen anything that would suggest

1280

00:42:53,430 --> 00:42:52,079

that

1281

00:42:54,550 --> 00:42:53,440

russia or somebody would have this

1282

00:42:56,470 --> 00:42:54,560

technology because they'd have a

1283

00:43:01,589 --> 00:42:56,480

different geopolitical

1284

00:43:06,150 --> 00:43:05,030

i mean maybe but it'd be unprecedented

1285

00:43:08,150 --> 00:43:06,160

that's what i always say is

1286

00:43:09,510 --> 00:43:08,160

not just in technology but ability to

1287

00:43:10,710 --> 00:43:09,520

hide it so

1288

00:43:11,910 --> 00:43:10,720

i don't know there's definitely

1289

00:43:13,349 --> 00:43:11,920

something intriguing there and i think

1290

00:43:15,109 --> 00:43:13,359

it's interesting because you're right

1291

00:43:16,790 --> 00:43:15,119

it's been pointed out that um

1292

00:43:18,390 --> 00:43:16,800

in these navy events these are these are

1293

00:43:20,790 --> 00:43:18,400

nuclear ships powered ships

1294

00:43:23,190 --> 00:43:20,800

nuclear-powered submarines could

1295

00:43:23,829 --> 00:43:23,200

something be interested in that i don't

1296

00:43:27,430 --> 00:43:23,839

know maybe

1297

00:43:29,510 --> 00:43:27,440

i mean it's not crazy the the stars the

1298

00:43:31,109 --> 00:43:29,520

sun is really just a giant nuclear bomb

1299

00:43:34,870 --> 00:43:31,119

exploding i mean that's what we've

1300

00:43:36,309 --> 00:43:34,880

determined it is so i i don't know i

1301

00:43:39,510 --> 00:43:36,319

haven't done enough

1302

00:43:43,589 --> 00:43:41,990

robert hastings work is absolutely true

1303

00:43:45,109 --> 00:43:43,599

or incorrect i think he's

1304

00:43:47,349 --> 00:43:45,119

from what i know he's done some really

1305

00:43:49,829 --> 00:43:47,359

exciting fascinating and good work

1306

00:43:51,349 --> 00:43:49,839

and so uh i don't know it's intriguing

1307

00:43:52,630 --> 00:43:51,359

the doa the department of energy has

1308

00:43:54,390 --> 00:43:52,640

always been one of the ones that's

1309

00:43:56,870 --> 00:43:54,400

always intrigued me i think

1310

00:43:58,470 --> 00:43:56,880

um i was just talking about this the

1311

00:44:00,790 --> 00:43:58,480

other day is that

1312

00:44:02,790 --> 00:44:00,800

people always ask me well if there was

1313

00:44:04,150 --> 00:44:02,800

this roswell crash if there was hidden

1314

00:44:05,270 --> 00:44:04,160

ufo stuff

1315

00:44:07,190 --> 00:44:05,280

where would it be and it'd be in the

1316

00:44:08,790 --> 00:44:07,200

department of energy and i

1317

00:44:11,030 --> 00:44:08,800

people are like who never thought about

1318

00:44:12,150 --> 00:44:11,040

them because it's always cia the air

1319

00:44:15,829 --> 00:44:12,160

force

1320

00:44:16,309 --> 00:44:15,839

and the doe they're just quietly over

1321

00:44:19,030 --> 00:44:16,319

there

1322

00:44:19,589 --> 00:44:19,040

doing their own thing but the department

1323

00:44:21,510 --> 00:44:19,599

of energy

1324

00:44:23,030 --> 00:44:21,520

is absolutely bar none the most

1325

00:44:24,309 --> 00:44:23,040

secretive and classified

1326

00:44:26,630 --> 00:44:24,319

institution in the united states

1327

00:44:28,790 --> 00:44:26,640

government period you know they have an

1328

00:44:30,470 --> 00:44:28,800

entirely separate classification system

1329

00:44:32,230 --> 00:44:30,480

they're about 90 percent civilian

1330

00:44:35,430 --> 00:44:32,240

contractor iran

1331

00:44:37,430 --> 00:44:35,440

um and up until 1976 they were

1332

00:44:39,109 --> 00:44:37,440

a civilian organization the atomic

1333

00:44:39,589 --> 00:44:39,119

energy commission controlled all nuclear

1334

00:44:41,349 --> 00:44:39,599

weapons

1335

00:44:43,030 --> 00:44:41,359

and so they were outside the oversight

1336

00:44:45,109 --> 00:44:43,040

of the us government and so

1337

00:44:46,630 --> 00:44:45,119

a lot of the conspiracies that you hear

1338

00:44:49,349 --> 00:44:46,640

about this kind of

1339

00:44:51,109 --> 00:44:49,359

cabal that's able to circumvent above

1340

00:44:51,670 --> 00:44:51,119

top secret from the president i'm always

1341

00:44:53,589 --> 00:44:51,680

like

1342

00:44:55,270 --> 00:44:53,599

that's such bs but then when you look at

1343

00:44:57,430 --> 00:44:55,280

the department of energy you go

1344

00:44:59,430 --> 00:44:57,440

huh well wait a minute they actually

1345

00:45:03,270 --> 00:44:59,440

have the framework to have been

1346

00:45:04,950 --> 00:45:03,280

like that it doesn't mean anything

1347

00:45:06,230 --> 00:45:04,960

but they are an intriguing so they

1348

00:45:07,510 --> 00:45:06,240

they're controlling the nuclear stuff

1349

00:45:09,109 --> 00:45:07,520

and they're intriguing to me when it

1350

00:45:11,109 --> 00:45:09,119

comes to that because

1351  
00:45:12,230 --> 00:45:11,119  
as many events as you can think of of

1352  
00:45:15,990 --> 00:45:12,240  
these nuclear

1353  
00:45:18,390 --> 00:45:16,000  
uh or ufos coming over nuclear sites

1354  
00:45:19,349 --> 00:45:18,400  
i've asked the department of energy uh

1355  
00:45:20,870 --> 00:45:19,359  
just recently

1356  
00:45:23,270 --> 00:45:20,880  
and according to them they've got zero

1357  
00:45:23,990 --> 00:45:23,280  
reports for for their entire history

1358  
00:45:25,910 --> 00:45:24,000  
nope mm-hmm

1359  
00:45:27,670 --> 00:45:25,920  
no ufos i don't know what you're talking

1360  
00:45:28,309 --> 00:45:27,680  
about they're the only ones who've

1361  
00:45:29,910 --> 00:45:28,319  
called me

1362  
00:45:32,630 --> 00:45:29,920  
on a foia it was very interesting they

1363  
00:45:34,950 --> 00:45:32,640

called me i filed a foia for

1364

00:45:36,710 --> 00:45:34,960

their um kind of ufo stuff they called

1365

00:45:38,710 --> 00:45:36,720

me were like what made you what made you

1366

00:45:40,069 --> 00:45:38,720

send this to us right what makes you

1367

00:45:41,349 --> 00:45:40,079

think that we have anything to do with

1368

00:45:43,510 --> 00:45:41,359

this i'm like well

1369

00:45:45,990 --> 00:45:43,520

because there's freaking books written

1370

00:45:48,790 --> 00:45:46,000

about it like it's like common knowledge

1371

00:45:50,069 --> 00:45:48,800

okay and they even all right well let me

1372

00:45:52,390 --> 00:45:50,079

so what you know they wanted me

1373

00:45:54,230 --> 00:45:52,400

they tried to amend my request to like

1374

00:45:56,470 --> 00:45:54,240

okay so you want us to search through

1375

00:45:59,270 --> 00:45:56,480

the navy reactors and i'm like no no i

1376

00:46:01,270 --> 00:45:59,280

want you to search through your [h\_\_\h]

1377

00:46:02,550 --> 00:46:01,280

so i don't know it could all just be at

1378

00:46:04,950 --> 00:46:02,560

the end of the day

1379

00:46:05,589 --> 00:46:04,960

that secrecy really just pertains to the

1380

00:46:07,670 --> 00:46:05,599

fact

1381

00:46:09,030 --> 00:46:07,680

they got nuclear bombs they control all

1382

00:46:11,910 --> 00:46:09,040

the nuclear weapons and

1383

00:46:12,550 --> 00:46:11,920

uh the means to destroy our planet and

1384

00:46:14,309 --> 00:46:12,560

so

1385

00:46:16,390 --> 00:46:14,319

i don't know it's intriguing i i would

1386

00:46:17,750 --> 00:46:16,400

love to know more there i've often

1387

00:46:19,990 --> 00:46:17,760

wondered um

1388

00:46:21,430 --> 00:46:20,000

this is going into the just really when

1389

00:46:23,510 --> 00:46:21,440

you brainstorm late at night and you're

1390

00:46:26,790 --> 00:46:23,520

drinking a glass of whiskey with friends

1391

00:46:28,950 --> 00:46:26,800

uh does the potential exist that when we

1392

00:46:30,150 --> 00:46:28,960

develop nuclear technology did we do

1393

00:46:33,190 --> 00:46:30,160

something did we

1394

00:46:35,670 --> 00:46:33,200

bring something in

1395

00:46:38,150 --> 00:46:35,680

inadvertently because if you look at

1396

00:46:41,270 --> 00:46:38,160

what you're doing with nuclear energy

1397

00:46:43,349 --> 00:46:41,280

particle physics splitting atoms you're

1398

00:46:46,710 --> 00:46:43,359

playing with the building blocks of

1399

00:46:49,829 --> 00:46:46,720

of life and existence and so

1400

00:46:51,990 --> 00:46:49,839

yeah could a byproduct of that be

1401  
00:46:53,430 --> 00:46:52,000  
something i think that's even though

1402  
00:46:54,870 --> 00:46:53,440  
this in what was asked but i think

1403  
00:46:56,309 --> 00:46:54,880  
that's what intrigued me about places

1404  
00:46:57,910 --> 00:46:56,319  
like skinwalker ranch

1405  
00:47:00,790 --> 00:46:57,920  
where you hear now they're picking up

1406  
00:47:03,829 --> 00:47:00,800  
all this ionized radiation and whatnot

1407  
00:47:06,470 --> 00:47:03,839  
um what does that have to do

1408  
00:47:07,190 --> 00:47:06,480  
with this so i don't know i don't know

1409  
00:47:11,109 --> 00:47:07,200  
it

1410  
00:47:14,150 --> 00:47:11,119  
interesting avenue

1411  
00:47:15,510 --> 00:47:14,160  
to all of us absolutely and i think as

1412  
00:47:16,630 --> 00:47:15,520  
well i always look back at

1413  
00:47:17,910 --> 00:47:16,640

different time periods i think you

1414

00:47:18,790 --> 00:47:17,920

mentioned this before about how

1415

00:47:24,069 --> 00:47:18,800

different

1416

00:47:25,829 --> 00:47:24,079

you know the zeitgeist and the ufos look

1417

00:47:26,230 --> 00:47:25,839

a certain way are depicted a certain way

1418

00:47:27,750 --> 00:47:26,240

but

1419

00:47:28,950 --> 00:47:27,760

at different points in our history well

1420

00:47:29,910 --> 00:47:28,960

these things have always kind of been

1421

00:47:31,510 --> 00:47:29,920

there like

1422

00:47:33,190 --> 00:47:31,520

it seems that there's a lot of ufo

1423

00:47:34,870 --> 00:47:33,200

hieroglyphics on pyramids and you know

1424

00:47:36,470 --> 00:47:34,880

the pyramids themselves potentially

1425

00:47:39,510 --> 00:47:36,480

being built for some kind of other

1426

00:47:41,750 --> 00:47:39,520

technology they line up so incredibly

1427

00:47:43,430 --> 00:47:41,760

specifically to star systems and was

1428

00:47:44,630 --> 00:47:43,440

that a way of harnessing a new energy

1429

00:47:46,549 --> 00:47:44,640

and then you move on to things like the

1430

00:47:48,069 --> 00:47:46,559

industrial revolution and how

1431

00:47:49,990 --> 00:47:48,079

things were then seen at that point and

1432

00:47:51,670 --> 00:47:50,000

then you move on to discovering nuclear

1433

00:47:51,990 --> 00:47:51,680

capabilities is that just that these

1434

00:47:54,390 --> 00:47:52,000

things

1435

00:47:55,829 --> 00:47:54,400

come into come into play for different

1436

00:47:57,589 --> 00:47:55,839

reasons at different points in our

1437

00:47:59,109 --> 00:47:57,599

history and civilizations and

1438

00:48:00,630 --> 00:47:59,119

you say whatever the reason is for that

1439

00:48:01,190 --> 00:48:00,640

is something that no one knows yet

1440

00:48:04,390 --> 00:48:01,200

that's

1441

00:48:07,430 --> 00:48:04,400

that no one knows

1442

00:48:08,230 --> 00:48:07,440

we we have a very we have a bad habit of

1443

00:48:11,270 --> 00:48:08,240

it's natural

1444

00:48:12,630 --> 00:48:11,280

to people it's called recency bias

1445

00:48:14,870 --> 00:48:12,640

is there and that's what i said to mick

1446

00:48:17,109 --> 00:48:14,880

west and anybody else is that

1447

00:48:18,630 --> 00:48:17,119

um the idea that we can explain

1448

00:48:19,589 --> 00:48:18,640

everything totally discounts the fact

1449

00:48:22,710 --> 00:48:19,599

that actually if you

1450

00:48:24,069 --> 00:48:22,720

really truly look into the deepest darks

1451

00:48:25,109 --> 00:48:24,079

of what we understand we don't

1452

00:48:26,790 --> 00:48:25,119

understand anything

1453

00:48:28,950 --> 00:48:26,800

you know the universe works by dark

1454

00:48:30,390 --> 00:48:28,960

matter and dark energy which might as

1455

00:48:31,829 --> 00:48:30,400

well be pixie dust because it's we're

1456

00:48:32,630 --> 00:48:31,839

like oh it's there because it has to be

1457

00:48:35,510 --> 00:48:32,640

there but we

1458

00:48:36,069 --> 00:48:35,520

can't measure it we can't see it um and

1459

00:48:38,950 --> 00:48:36,079

we have this

1460

00:48:39,510 --> 00:48:38,960

this always have this idea that our

1461

00:48:41,270 --> 00:48:39,520

current

1462

00:48:42,870 --> 00:48:41,280

knowledge is the pinnacle of all

1463

00:48:44,790 --> 00:48:42,880

knowledge but that's not true in fact

1464

00:48:47,910 --> 00:48:44,800

there's no precedent for that in history

1465

00:48:49,910 --> 00:48:47,920

and if you looked at where we're at even

1466

00:48:50,950 --> 00:48:49,920

as civilizations as people have lived in

1467

00:48:53,270 --> 00:48:50,960

cities and everything

1468

00:48:53,990 --> 00:48:53,280

if you looked at human history as like a

1469

00:48:57,750 --> 00:48:54,000

calendar

1470

00:49:00,069 --> 00:48:57,760

the times when we've lived in

1471

00:49:03,270 --> 00:49:00,079

civilizations and been where we are here

1472

00:49:05,190 --> 00:49:03,280

that would be like december 29th on that

1473

00:49:05,990 --> 00:49:05,200

whole calendar so all that uh the rest

1474

00:49:07,750 --> 00:49:06,000

of the year

1475

00:49:10,390 --> 00:49:07,760

you know it wasn't like this and so

1476  
00:49:13,589 --> 00:49:10,400  
we're nowhere near that pinnacle and

1477  
00:49:15,510 --> 00:49:13,599  
i've said one of my

1478  
00:49:17,190 --> 00:49:15,520  
best friends mj banayas we talk all the

1479  
00:49:18,950 --> 00:49:17,200  
time you know he's funny because he's

1480  
00:49:20,390 --> 00:49:18,960  
really into it but then when we get into

1481  
00:49:21,910 --> 00:49:20,400  
this nitty-gritty that it's real he's

1482  
00:49:22,549 --> 00:49:21,920  
kind of like man this is freaking me the

1483  
00:49:25,750 --> 00:49:22,559  
hell out

1484  
00:49:26,390 --> 00:49:25,760  
it's real like just being able to say oh

1485  
00:49:29,109 --> 00:49:26,400  
it's all

1486  
00:49:30,790 --> 00:49:29,119  
folklore kind of gives you a safety net

1487  
00:49:31,430 --> 00:49:30,800  
but i caution people to realize that you

1488  
00:49:34,150 --> 00:49:31,440

know

1489

00:49:36,549 --> 00:49:34,160

what is quote paranormal at any point in

1490

00:49:39,670 --> 00:49:36,559

history is typically just misunderstood

1491

00:49:40,309 --> 00:49:39,680

if we went to 2500 years ago they tell

1492

00:49:42,390 --> 00:49:40,319

you that

1493

00:49:44,230 --> 00:49:42,400

the sun rose every day because some god

1494

00:49:46,470 --> 00:49:44,240

in the chariot carried it over his

1495

00:49:49,990 --> 00:49:46,480

shoulder or something and so

1496

00:49:52,630 --> 00:49:50,000

um it's it's not it doesn't diminish

1497

00:49:53,430 --> 00:49:52,640

the fact that it's it's incredible that

1498

00:49:55,270 --> 00:49:53,440

you have this

1499

00:49:56,710 --> 00:49:55,280

rotational system and the solar system

1500

00:49:58,630 --> 00:49:56,720

the sun comes up

1501  
00:50:00,710 --> 00:49:58,640  
but it also doesn't mean there's a sun

1502  
00:50:01,750 --> 00:50:00,720  
god rolling it up and so who knows i

1503  
00:50:03,510 --> 00:50:01,760  
mean maybe

1504  
00:50:05,910 --> 00:50:03,520  
i think some of the theories about kind

1505  
00:50:06,230 --> 00:50:05,920  
of the multiverse type thing and maybe

1506  
00:50:09,670 --> 00:50:06,240  
this

1507  
00:50:13,109 --> 00:50:09,680  
is not some visitors coming from another

1508  
00:50:16,470 --> 00:50:13,119  
solar system or galaxy but maybe we

1509  
00:50:17,589 --> 00:50:16,480  
live in a a reality that's a lot weirder

1510  
00:50:19,910 --> 00:50:17,599  
than we

1511  
00:50:21,430 --> 00:50:19,920  
realize i think that if anybody wanted

1512  
00:50:22,230 --> 00:50:21,440  
me to sum up like what are your feelings

1513  
00:50:24,950 --> 00:50:22,240

on the whole

1514

00:50:26,549 --> 00:50:24,960

topic in general and you think they are

1515

00:50:29,829 --> 00:50:26,559

it would be man

1516

00:50:32,630 --> 00:50:29,839

we live in a much weirder universe and

1517

00:50:33,270 --> 00:50:32,640

an existence than we really give credit

1518

00:50:36,630 --> 00:50:33,280

to

1519

00:50:39,349 --> 00:50:36,640

and it's it's weird

1520

00:50:39,990 --> 00:50:39,359

there's weird stuff that goes on it to

1521

00:50:41,750 --> 00:50:40,000

the point where

1522

00:50:44,950 --> 00:50:41,760

the people who actually research and

1523

00:50:46,870 --> 00:50:44,960

study it intimately things like reality

1524

00:50:48,950 --> 00:50:46,880

man you want to freak yourself out

1525

00:50:50,790 --> 00:50:48,960

should i rather be abducted than listen

1526  
00:50:51,829 --> 00:50:50,800  
to them break down the theories of this

1527  
00:50:53,910 --> 00:50:51,839  
idea that you know

1528  
00:50:55,349 --> 00:50:53,920  
reality is a constructed framework

1529  
00:50:57,750 --> 00:50:55,359  
almost a matrix and it's

1530  
00:50:58,630 --> 00:50:57,760  
it's but when you hear the argument you

1531  
00:51:00,470 --> 00:50:58,640  
see it you go

1532  
00:51:01,670 --> 00:51:00,480  
damn you don't really have an argument

1533  
00:51:05,270 --> 00:51:01,680  
against that

1534  
00:51:10,150 --> 00:51:05,280  
it could be and so who knows

1535  
00:51:11,430 --> 00:51:10,160  
um i do truly truly i'll say this much

1536  
00:51:15,109 --> 00:51:11,440  
and i never give my opinion but i'll

1537  
00:51:17,349 --> 00:51:15,119  
give you my opinion if i our hope

1538  
00:51:19,270 --> 00:51:17,359

if i had to hope and wish what the

1539

00:51:20,870 --> 00:51:19,280

nimitz events are and everything

1540

00:51:22,390 --> 00:51:20,880

this doesn't influence how i look at

1541

00:51:22,950 --> 00:51:22,400

them okay i want to make sure because

1542

00:51:24,150 --> 00:51:22,960

that

1543

00:51:25,589 --> 00:51:24,160

keith clure will be writing an article

1544

00:51:25,990 --> 00:51:25,599

about what a piece of [h\_\_h] i am and now

1545

00:51:29,589 --> 00:51:26,000

i'm a

1546

00:51:30,630 --> 00:51:29,599

ufo believer but um you know a part of

1547

00:51:32,790 --> 00:51:30,640

me really hopes

1548

00:51:34,790 --> 00:51:32,800

it's alien visitors or it's

1549

00:51:37,750 --> 00:51:34,800

interdimensional whatever because in my

1550

00:51:38,630 --> 00:51:37,760

idea if they can do it so can we and i

1551

00:51:40,870 --> 00:51:38,640

want to

1552

00:51:42,790 --> 00:51:40,880

i think it'd be really freaking cool to

1553

00:51:43,670 --> 00:51:42,800

travel the cosmos i think it'd be really

1554

00:51:46,470 --> 00:51:43,680

cool

1555

00:51:47,670 --> 00:51:46,480

to not have to look at planets on a

1556

00:51:49,990 --> 00:51:47,680

little data

1557

00:51:51,910 --> 00:51:50,000

to see the dots and everything and oh

1558

00:51:53,670 --> 00:51:51,920

there's something rotating there

1559

00:51:55,910 --> 00:51:53,680

but actually see it up close i think

1560

00:51:58,390 --> 00:51:55,920

that would be cool i would love to

1561

00:52:00,549 --> 00:51:58,400

i'd love to believe that maybe we would

1562

00:52:02,470 --> 00:52:00,559

have that capability in my lifetime but

1563

00:52:03,510 --> 00:52:02,480

maybe my kids or something you know i

1564

00:52:07,030 --> 00:52:03,520

think that

1565

00:52:08,790 --> 00:52:07,040

ultimately is where i'm always willing

1566

00:52:10,549 --> 00:52:08,800

to not rule it out is because

1567

00:52:13,270 --> 00:52:10,559

i don't want to rule anything out that

1568

00:52:15,510 --> 00:52:13,280

maybe stifles human innovation

1569

00:52:16,950 --> 00:52:15,520

because me and nick whis will be sitting

1570

00:52:18,790 --> 00:52:16,960

next to each other holding hands on our

1571

00:52:19,510 --> 00:52:18,800

first flight to alpha centauri if it was

1572

00:52:22,069 --> 00:52:19,520

real you know

1573

00:52:23,750 --> 00:52:22,079

it'd be cool watching old episodes of

1574

00:52:25,670 --> 00:52:23,760

star trek and wondering how

1575

00:52:28,630 --> 00:52:25,680

more like a documentary than it was a tv

1576

00:52:30,790 --> 00:52:28,640

show when they initially did it

1577

00:52:32,710 --> 00:52:30,800

that's how innovation comes people

1578

00:52:34,390 --> 00:52:32,720

people dismiss it but at the end of the

1579

00:52:37,510 --> 00:52:34,400

day that's exactly how

1580

00:52:39,030 --> 00:52:37,520

all human innovation technology and

1581

00:52:40,470 --> 00:52:39,040

science comes it comes through science

1582

00:52:43,589 --> 00:52:40,480

fiction and imagination

1583

00:52:45,190 --> 00:52:43,599

and so again that's why you'll see me

1584

00:52:48,309 --> 00:52:45,200

argue with skeptics a lot of times is

1585

00:52:51,910 --> 00:52:48,319

simply because i don't want to see this

1586

00:52:53,589 --> 00:52:51,920

idea that we stifle uh

1587

00:52:55,589 --> 00:52:53,599

innovation you know i also don't want to

1588

00:52:57,670 --> 00:52:55,599

see zealously where people

1589

00:52:59,030 --> 00:52:57,680

have a religious fever and stuff that's

1590

00:53:02,870 --> 00:52:59,040

there's a there's a good

1591

00:53:04,309 --> 00:53:02,880

balance between accepting what's real

1592

00:53:06,470 --> 00:53:04,319

and then also believing in the

1593

00:53:06,870 --> 00:53:06,480

impossible so you don't want to go too

1594

00:53:09,670 --> 00:53:06,880

far

1595

00:53:11,430 --> 00:53:09,680

in either direction but the moment we

1596

00:53:13,670 --> 00:53:11,440

accept we have it all figured out

1597

00:53:15,030 --> 00:53:13,680

and that something's impossible we might

1598

00:53:16,870 --> 00:53:15,040

as well just okay

1599

00:53:18,309 --> 00:53:16,880

we'll pack it up here and you know we're

1600

00:53:21,030 --> 00:53:18,319

never going to get past

1601  
00:53:22,630 --> 00:53:21,040  
driving on our ford cars or you know

1602  
00:53:25,430 --> 00:53:22,640  
flying in a jet or whatever

1603  
00:53:26,870 --> 00:53:25,440  
but uh yeah clearly i'm sure the first

1604  
00:53:28,150 --> 00:53:26,880  
people that the first people that built

1605  
00:53:30,069 --> 00:53:28,160  
boats would have stood in a coastline

1606  
00:53:31,829 --> 00:53:30,079  
and looked out at an ocean and just went

1607  
00:53:33,750 --> 00:53:31,839  
ah there's nothing out there that's that

1608  
00:53:35,750 --> 00:53:33,760  
expanse is just never ending and someone

1609  
00:53:37,670 --> 00:53:35,760  
went you know what let's go and see and

1610  
00:53:39,270 --> 00:53:37,680  
mm-hmm that's it and you just have to go

1611  
00:53:41,589 --> 00:53:39,280  
and find out

1612  
00:53:43,750 --> 00:53:41,599  
sure that's that it's in our nature it's

1613  
00:53:47,190 --> 00:53:43,760

in our nature to go seek things out

1614

00:53:48,549 --> 00:53:47,200

and you know if we can imagine it it

1615

00:53:50,230 --> 00:53:48,559

comes from somewhere

1616

00:53:52,309 --> 00:53:50,240

where does that come from i don't know

1617

00:53:53,910 --> 00:53:52,319

you know and so it's cool and that's

1618

00:53:55,990 --> 00:53:53,920

always been my thing too is i really

1619

00:53:58,230 --> 00:53:56,000

don't does it matter

1620

00:53:59,109 --> 00:53:58,240

does it matter what it is if in the

1621

00:54:00,230 --> 00:53:59,119

process of

1622

00:54:02,230 --> 00:54:00,240

and that's why i try to bring it into

1623

00:54:04,069 --> 00:54:02,240

the real world and stay

1624

00:54:05,430 --> 00:54:04,079

and make it tangible and palatable for

1625

00:54:07,670 --> 00:54:05,440

people anybody

1626  
00:54:08,790 --> 00:54:07,680  
to to really be interested in this topic

1627  
00:54:11,589 --> 00:54:08,800  
is because

1628  
00:54:13,270 --> 00:54:11,599  
does it matter if somebody gets

1629  
00:54:15,510 --> 00:54:13,280  
interested in it and it's like man how

1630  
00:54:16,309 --> 00:54:15,520  
could how could a ufo do that and they

1631  
00:54:17,430 --> 00:54:16,319  
end up

1632  
00:54:19,589 --> 00:54:17,440  
developing the framework for a

1633  
00:54:21,190 --> 00:54:19,599  
technology that could travel at the

1634  
00:54:23,750 --> 00:54:21,200  
speed of light or whatever

1635  
00:54:24,630 --> 00:54:23,760  
does it really matter if it's aliens or

1636  
00:54:26,309 --> 00:54:24,640  
whatever

1637  
00:54:28,950 --> 00:54:26,319  
if we're if we end up achieving that

1638  
00:54:32,390 --> 00:54:28,960

technology in my opinion it doesn't

1639

00:54:34,470 --> 00:54:32,400

um it's just cool and so if

1640

00:54:35,990 --> 00:54:34,480

it inspires things then that's a good

1641

00:54:39,349 --> 00:54:36,000

thing and i think that's

1642

00:54:42,390 --> 00:54:39,359

you know so so even if we never

1643

00:54:44,630 --> 00:54:42,400

figure out what it is and i've said this

1644

00:54:48,549 --> 00:54:44,640

as well maybe what it is is the question

1645

00:54:50,549 --> 00:54:48,559

maybe what it is is more like something

1646

00:54:51,990 --> 00:54:50,559

that tells us to keep pursuing mysteries

1647

00:54:53,750 --> 00:54:52,000

to keep if we believe

1648

00:54:55,190 --> 00:54:53,760

people can travel the cosmos then we're

1649

00:54:56,710 --> 00:54:55,200

going to want to do it and

1650

00:54:58,470 --> 00:54:56,720

so maybe once we do that it'll be

1651  
00:55:01,190 --> 00:54:58,480  
something else they'll be poking through

1652  
00:55:03,589 --> 00:55:01,200  
inner dimensions or whatever you know as

1653  
00:55:06,150 --> 00:55:03,599  
long as we believe that it could be real

1654  
00:55:08,069 --> 00:55:06,160  
we could try to achieve it so it's cool

1655  
00:55:08,390 --> 00:55:08,079  
that's a lovely summary and what i'll do

1656  
00:55:10,069 --> 00:55:08,400  
tim

1657  
00:55:11,829 --> 00:55:10,079  
just before we wrap up is just run

1658  
00:55:14,309 --> 00:55:11,839  
through some uh quick fire

1659  
00:55:14,950 --> 00:55:14,319  
i've got a few people a few events uh

1660  
00:55:16,789 --> 00:55:14,960  
and just

1661  
00:55:18,150 --> 00:55:16,799  
a phrase or two and i just want either a

1662  
00:55:19,510 --> 00:55:18,160  
couple of words or if you want to

1663  
00:55:20,789 --> 00:55:19,520

elaborate on it you can

1664

00:55:22,789 --> 00:55:20,799

and some things you've touched on

1665

00:55:23,190 --> 00:55:22,799

already and so the first one would be

1666

00:55:27,349 --> 00:55:23,200

bob

1667

00:55:31,030 --> 00:55:27,359

bigelow um

1668

00:55:38,390 --> 00:55:31,040

okay so if i were around um

1669

00:55:42,950 --> 00:55:41,349

then i'd love to know why he um he says

1670

00:55:45,109 --> 00:55:42,960

beyond any reasonable doubt that

1671

00:55:46,069 --> 00:55:45,119

he doesn't give a damn what anybody says

1672

00:55:47,589 --> 00:55:46,079

aliens are here

1673

00:55:49,349 --> 00:55:47,599

and so i don't know i'd love to know

1674

00:55:50,870 --> 00:55:49,359

that but uh

1675

00:55:52,870 --> 00:55:50,880

i'll give him credit like i said he he's

1676  
00:55:55,349 --> 00:55:52,880  
been willing to invest

1677  
00:55:56,230 --> 00:55:55,359  
his time energy effort and money into it

1678  
00:55:59,589 --> 00:55:56,240  
uh

1679  
00:56:02,870 --> 00:55:59,599  
so rebelliously curious my

1680  
00:56:04,230 --> 00:56:02,880  
fire round answer okay the next ones

1681  
00:56:05,829 --> 00:56:04,240  
that on a recent event

1682  
00:56:07,670 --> 00:56:05,839  
that i'm sure you've seen at least a

1683  
00:56:10,789 --> 00:56:07,680  
little bit about is the magi ufo

1684  
00:56:13,190 --> 00:56:10,799  
uh instant in brazil yeah

1685  
00:56:14,470 --> 00:56:13,200  
i i've only just seen a little bit i

1686  
00:56:17,510 --> 00:56:14,480  
think from what i've heard

1687  
00:56:18,630 --> 00:56:17,520  
is it was more hoax than real that's

1688  
00:56:22,230 --> 00:56:18,640

just at least what i've

1689  
00:56:24,150 --> 00:56:22,240  
heard um is it still debated

1690  
00:56:26,230 --> 00:56:24,160  
yeah it's there was something else has

1691  
00:56:28,710 --> 00:56:26,240  
happened quick it seems to be honest now

1692  
00:56:30,309 --> 00:56:28,720  
around about 12 to 15 days worth of

1693  
00:56:32,470 --> 00:56:30,319  
incidents have now gone on

1694  
00:56:33,750 --> 00:56:32,480  
um with lights in the sky in different

1695  
00:56:35,750 --> 00:56:33,760  
parts of brazil and

1696  
00:56:37,510 --> 00:56:35,760  
again i point out to arthur iglesias on

1697  
00:56:39,030 --> 00:56:37,520  
twitter who's a uk native

1698  
00:56:40,870 --> 00:56:39,040  
but he's a brazilian native living in

1699  
00:56:42,230 --> 00:56:40,880  
liverpool in the uk who's done some

1700  
00:56:45,510 --> 00:56:42,240  
great translations on

1701

00:56:47,270 --> 00:56:45,520

a lot of the civilian videos and

1702

00:56:48,789 --> 00:56:47,280

there is genuine panic in these people's

1703

00:56:50,309 --> 00:56:48,799

voices they are definitely seeing

1704

00:56:51,910 --> 00:56:50,319

something up in the sky

1705

00:56:53,430 --> 00:56:51,920

there are different light patterns

1706

00:56:54,230 --> 00:56:53,440

appearing similar to some of the things

1707

00:56:55,829 --> 00:56:54,240

you said you saw

1708

00:56:57,990 --> 00:56:55,839

on your your sighting with the three

1709

00:57:00,549 --> 00:56:58,000

lights blinking on and off

1710

00:57:01,829 --> 00:57:00,559

so there seems to be something to it

1711

00:57:03,990 --> 00:57:01,839

where we could have struggle is

1712

00:57:05,670 --> 00:57:04,000

there's a real lack of tangible evidence

1713

00:57:07,190 --> 00:57:05,680

that there are videos of kind of smoke

1714

00:57:09,349 --> 00:57:07,200

coming from the mountains

1715

00:57:11,670 --> 00:57:09,359

um there's a few fake videos thrown in

1716

00:57:12,950 --> 00:57:11,680

there of older drone shows and whatnot

1717

00:57:14,470 --> 00:57:12,960

that are absolutely nothing to do with

1718

00:57:16,309 --> 00:57:14,480

the incident

1719

00:57:18,150 --> 00:57:16,319

if i had to summarize and add on a very

1720

00:57:19,750 --> 00:57:18,160

quick bonus episode of it episode i

1721

00:57:23,349 --> 00:57:19,760

called it 2.5

1722

00:57:26,309 --> 00:57:23,359

um something's happened

1723

00:57:26,710 --> 00:57:26,319

what it's really unclear and people have

1724

00:57:30,309 --> 00:57:26,720

seen

1725

00:57:31,589 --> 00:57:30,319

something um but yeah there's a lot of

1726

00:57:34,549 --> 00:57:31,599

military activity

1727

00:57:36,710 --> 00:57:34,559

happen stance that goes on around uh an

1728

00:57:39,190 --> 00:57:36,720

industrial military complex but

1729

00:57:40,150 --> 00:57:39,200

a lot of people coming up with that the

1730

00:57:41,829 --> 00:57:40,160

place does make

1731

00:57:43,990 --> 00:57:41,839

ammunition and never has the level of

1732

00:57:46,390 --> 00:57:44,000

activity that it has seen recently

1733

00:57:48,230 --> 00:57:46,400

so yeah it seems that there's maybe

1734

00:57:49,990 --> 00:57:48,240

something worth digging into but it

1735

00:57:51,109 --> 00:57:50,000

could absolutely very quickly lead to

1736

00:57:53,190 --> 00:57:51,119

nothing

1737

00:57:55,030 --> 00:57:53,200

i'd be fascinated by it because that's

1738

00:57:57,910 --> 00:57:55,040

one of the things that i think gets gets

1739

00:57:59,109 --> 00:57:57,920

lumped in too much is it the ufos become

1740

00:58:02,470 --> 00:57:59,119

either an american

1741

00:58:03,910 --> 00:58:02,480

or a western kind of phenomenon and

1742

00:58:06,230 --> 00:58:03,920

uh you know just the other day i was

1743

00:58:06,870 --> 00:58:06,240

saying in a perfect world and maybe some

1744

00:58:10,549 --> 00:58:06,880

day

1745

00:58:11,190 --> 00:58:10,559

is you know like i'd like to go to

1746

00:58:12,789 --> 00:58:11,200

africa

1747

00:58:14,150 --> 00:58:12,799

and start asking people yeah you see

1748

00:58:16,390 --> 00:58:14,160

anything weird in the sky you know

1749

00:58:17,750 --> 00:58:16,400

there's like these disconnected regions

1750

00:58:19,990 --> 00:58:17,760

either because a language culture or

1751

00:58:23,109 --> 00:58:20,000

whatever that we just have

1752

00:58:24,870 --> 00:58:23,119

zero data out and but they also are not

1753

00:58:26,470 --> 00:58:24,880

corrupted by all the other

1754

00:58:28,309 --> 00:58:26,480

you know i'm not gonna go to zimbabwe

1755

00:58:29,750 --> 00:58:28,319

and they go yeah we saw it and you know

1756

00:58:31,030 --> 00:58:29,760

that's the roswell crash because they

1757

00:58:34,309 --> 00:58:31,040

don't they don't know about that

1758

00:58:35,190 --> 00:58:34,319

so yeah i would love to hear from some

1759

00:58:37,109 --> 00:58:35,200

of these areas

1760

00:58:38,230 --> 00:58:37,119

and south america is a very intriguing

1761

00:58:40,309 --> 00:58:38,240

spot to me in general

1762

00:58:41,670 --> 00:58:40,319

another one on the list perfect world i

1763

00:58:43,910 --> 00:58:41,680

want to go down there

1764

00:58:45,349 --> 00:58:43,920

um definite hotbed hotbed just now

1765

00:58:47,349 --> 00:58:45,359

there's some activity going on

1766

00:58:49,510 --> 00:58:47,359

but it's definitely worth looking into

1767

00:58:52,150 --> 00:58:49,520

um my next one would be extraterrestrial

1768

00:58:55,589 --> 00:58:52,160

what does that mean to you

1769

00:58:58,309 --> 00:58:55,599

uh you know extraterrestrial

1770

00:58:58,710 --> 00:58:58,319

uh in context of the ufo thing i think

1771

00:59:00,390 --> 00:58:58,720

uh

1772

00:59:02,309 --> 00:59:00,400

i summarize it basically as anything

1773

00:59:04,230 --> 00:59:02,319

that's not human being

1774

00:59:05,670 --> 00:59:04,240

and so you kind of heard me say earlier

1775

00:59:07,910 --> 00:59:05,680

that uh i'm not

1776

00:59:09,750 --> 00:59:07,920

totally adverse to this idea this

1777

00:59:10,870 --> 00:59:09,760

inter-dimensional theory that you hear

1778

00:59:14,069 --> 00:59:10,880

people say

1779

00:59:17,750 --> 00:59:14,079

um in addition to

1780

00:59:19,190 --> 00:59:17,760

um alien distant world theory there's

1781

00:59:21,349 --> 00:59:19,200

and this is the part where it gets deep

1782

00:59:23,109 --> 00:59:21,359

in the weeds is he just brought up a

1783

00:59:26,470 --> 00:59:23,119

great point here is

1784

00:59:28,710 --> 00:59:26,480

there is some serious uh scientific and

1785

00:59:31,190 --> 00:59:28,720

even philosophical questions that even

1786

00:59:32,390 --> 00:59:31,200

exist there in terms of being able to

1787

00:59:35,670 --> 00:59:32,400

travel from a different

1788

00:59:38,069 --> 00:59:35,680

distant star system in reality you know

1789

00:59:40,309 --> 00:59:38,079

if you because of time dilation if you

1790

00:59:43,430 --> 00:59:40,319

were able to travel all the way to

1791

00:59:45,109 --> 00:59:43,440

another distant distant galaxy when

1792

00:59:47,190 --> 00:59:45,119

you're looking back from that point

1793

00:59:49,109 --> 00:59:47,200

because time space is dependent

1794

00:59:51,349 --> 00:59:49,119

what if when you're looking back like

1795

00:59:52,870 --> 00:59:51,359

you're technically looking back x number

1796

00:59:54,549 --> 00:59:52,880

thousands or millions of years in

1797

00:59:55,829 --> 00:59:54,559

earth's future earth has wiped itself

1798

00:59:57,750 --> 00:59:55,839

out and there's no human beings

1799

00:59:59,109 --> 00:59:57,760

and so it's like well if there's no

1800

01:00:01,750 --> 00:59:59,119

human beings or

1801  
01:00:03,589 --> 01:00:01,760  
you've gone the other side and human

1802  
01:00:06,230 --> 01:00:03,599  
beings don't exist do you exist

1803  
01:00:07,270 --> 01:00:06,240  
type thing and so that's why i wonder

1804  
01:00:08,789 --> 01:00:07,280  
that

1805  
01:00:10,630 --> 01:00:08,799  
it seems almost too simplistic to

1806  
01:00:11,030 --> 01:00:10,640  
believe it's some some aliens who hop on

1807  
01:00:12,870 --> 01:00:11,040  
a ship

1808  
01:00:15,589 --> 01:00:12,880  
and you know just happen to travel fast

1809  
01:00:19,430 --> 01:00:15,599  
from their planet and so

1810  
01:00:22,710 --> 01:00:19,440  
uh extraterrestrial am i would be

1811  
01:00:26,230 --> 01:00:22,720  
anything that's not us we're

1812  
01:00:30,150 --> 01:00:28,470  
i agree that it's too simplistic to say

1813  
01:00:31,829 --> 01:00:30,160

it's aliens hopping on a spaceship from

1814

01:00:34,390 --> 01:00:31,839

mars and coming down

1815

01:00:35,670 --> 01:00:34,400

uh something i really wanted to talk

1816

01:00:36,710 --> 01:00:35,680

about today but just in doing the

1817

01:00:38,390 --> 01:00:36,720

research for the show

1818

01:00:39,750 --> 01:00:38,400

uh i found there was so much i could

1819

01:00:40,950 --> 01:00:39,760

have spoke to you about uh and it's

1820

01:00:41,750 --> 01:00:40,960

definitely something i'd love to come

1821

01:00:45,910 --> 01:00:41,760

back to on but

1822

01:00:49,750 --> 01:00:45,920

bob lazar um

1823

01:00:52,789 --> 01:00:49,760

i i do not believe bob lazar i don't

1824

01:00:53,990 --> 01:00:52,799

uh there's a considerable amount of

1825

01:00:55,829 --> 01:00:54,000

information that

1826  
01:00:57,910 --> 01:00:55,839  
has either been made public or i haven't

1827  
01:00:58,549 --> 01:00:57,920  
just haven't had a time to make public

1828  
01:01:01,829 --> 01:00:58,559  
because

1829  
01:01:03,190 --> 01:01:01,839  
i'll tell people um i try to really

1830  
01:01:05,190 --> 01:01:03,200  
focus on things that i think

1831  
01:01:06,789 --> 01:01:05,200  
are tangible real and could provide

1832  
01:01:07,990 --> 01:01:06,799  
realistic results and i don't see

1833  
01:01:11,030 --> 01:01:08,000  
anything there

1834  
01:01:12,150 --> 01:01:11,040  
um but yeah no i mean i i going back to

1835  
01:01:15,109 --> 01:01:12,160  
people that was in

1836  
01:01:16,230 --> 01:01:15,119  
his purview and in his space in the

1837  
01:01:17,990 --> 01:01:16,240  
1980s

1838  
01:01:20,710 --> 01:01:18,000

up to when he supposedly said and all

1839

01:01:21,430 --> 01:01:20,720

this stuff who have told me yeah no he's

1840

01:01:24,789 --> 01:01:21,440

full of [h\_\_\h]

1841

01:01:27,190 --> 01:01:24,799

and so i i am

1842

01:01:27,990 --> 01:01:27,200

totally open and willing to there being

1843

01:01:30,789 --> 01:01:28,000

the

1844

01:01:32,390 --> 01:01:30,799

a new evidence presented that says i'm

1845

01:01:34,309 --> 01:01:32,400

wrong and i'll be the first to say i'm

1846

01:01:35,670 --> 01:01:34,319

wrong but based on the proponents of

1847

01:01:38,069 --> 01:01:35,680

evidence that i'm

1848

01:01:39,109 --> 01:01:38,079

have gathered and i'm aware of i i don't

1849

01:01:42,309 --> 01:01:39,119

believe

1850

01:01:45,829 --> 01:01:42,319

uh bob lazar's story at all

1851

01:01:49,109 --> 01:01:48,150

yeah awesome and the last one that we've

1852

01:01:52,630 --> 01:01:49,119

touched on um

1853

01:01:55,829 --> 01:01:52,640

for you what is disclosure

1854

01:01:57,510 --> 01:01:55,839

ah i think disclosure

1855

01:01:59,349 --> 01:01:57,520

you know it does it more surround i

1856

01:02:00,789 --> 01:01:59,359

think disclosure for me

1857

01:02:02,630 --> 01:02:00,799

would be just what we talked about

1858

01:02:05,670 --> 01:02:02,640

earlier it would be that kind of

1859

01:02:07,109 --> 01:02:05,680

acknowledgement and supported by

1860

01:02:10,710 --> 01:02:07,119

supporting evidence

1861

01:02:14,069 --> 01:02:10,720

uh showing that there is indeed

1862

01:02:16,309 --> 01:02:14,079

something uh that is undefined

1863

01:02:18,230 --> 01:02:16,319

unknown it is not human technology it is

1864

01:02:19,349 --> 01:02:18,240

not foreign technology it's not our

1865

01:02:23,670 --> 01:02:19,359

technology

1866

01:02:26,390 --> 01:02:23,680

uh being disclosed to the point where

1867

01:02:28,069 --> 01:02:26,400

uh my version of disclosure is when

1868

01:02:30,069 --> 01:02:28,079

enough information comes out

1869

01:02:31,349 --> 01:02:30,079

that that somebody like mick west goes

1870

01:02:33,910 --> 01:02:31,359

well holy [h\_\_\h]

1871

01:02:35,750 --> 01:02:33,920

okay that's interesting guys let's let's

1872

01:02:38,069 --> 01:02:35,760

try to tackle this problem now instead

1873

01:02:41,750 --> 01:02:38,079

of debunking it and so

1874

01:02:44,710 --> 01:02:41,760

to me that's that is disclosure it's not

1875

01:02:46,789 --> 01:02:44,720

um i just simply have never seen any

1876

01:02:48,789 --> 01:02:46,799

evidence that disclosure is going to be

1877

01:02:50,309 --> 01:02:48,799

wheeling the bodies out from roswell or

1878

01:02:52,150 --> 01:02:50,319

something i don't

1879

01:02:54,230 --> 01:02:52,160

maybe they do have them that would be

1880

01:02:54,630 --> 01:02:54,240

interesting that'd be super cool but i

1881

01:02:58,069 --> 01:02:54,640

don't

1882

01:02:59,910 --> 01:02:58,079

know that that's real but who knows hey

1883

01:03:03,190 --> 01:02:59,920

but then would it be met still with that

1884

01:03:06,470 --> 01:03:03,200

shrug that matthew harsh mentioned

1885

01:03:08,630 --> 01:03:06,480

i don't know that would be i mean if the

1886

01:03:10,549 --> 01:03:08,640

if the president or somebody on tv

1887

01:03:11,589 --> 01:03:10,559

wheeled out the bodies and you know you

1888

01:03:13,670 --> 01:03:11,599

got a tour of the

1889

01:03:15,670 --> 01:03:13,680

the secret underground facilities if

1890

01:03:17,510 --> 01:03:15,680

that was true i don't know that one

1891

01:03:19,109 --> 01:03:17,520

i i would hope if that was met with a

1892

01:03:20,630 --> 01:03:19,119

shrug then i'm just gonna

1893

01:03:22,230 --> 01:03:20,640

you know i'm gonna go ahead and go

1894

01:03:22,870 --> 01:03:22,240

outside and welcome the apocalypse

1895

01:03:25,910 --> 01:03:22,880

because

1896

01:03:29,990 --> 01:03:28,069

yeah i mean that would i think very

1897

01:03:33,510 --> 01:03:30,000

rightly so and that's why i try to be

1898

01:03:35,349 --> 01:03:33,520

very serious about this topic is because

1899

01:03:37,589 --> 01:03:35,359

at its heart what we're talking about

1900

01:03:40,390 --> 01:03:37,599

could be the most significant

1901

01:03:41,990 --> 01:03:40,400

it is the most significant thing next to

1902

01:03:42,789 --> 01:03:42,000

the development of language and human

1903

01:03:44,710 --> 01:03:42,799

beings

1904

01:03:47,029 --> 01:03:44,720

and and so it should be treated

1905

01:03:50,549 --> 01:03:47,039

seriously i mean why shouldn't it be

1906

01:03:53,829 --> 01:03:50,559

both scrutiny and and open-mindedness um

1907

01:03:56,150 --> 01:03:53,839

so yeah i don't know i i hope that uh

1908

01:03:56,950 --> 01:03:56,160

i agree with dr hirsch i i really he he

1909

01:04:00,470 --> 01:03:56,960

said he gave

1910

01:04:02,230 --> 01:04:00,480

such great comments and everything and

1911

01:04:04,150 --> 01:04:02,240

our conversation there was explicitly

1912

01:04:04,950 --> 01:04:04,160

just kind of focused in on the idea that

1913

01:04:07,910 --> 01:04:04,960

the government

1914

01:04:09,670 --> 01:04:07,920

did like encounter some technology and

1915

01:04:11,029 --> 01:04:09,680

it didn't understand it so they hid it

1916

01:04:14,950 --> 01:04:11,039

from people

1917

01:04:17,109 --> 01:04:14,960

um and so you know i

1918

01:04:18,950 --> 01:04:17,119

in actuality you know to some extent i

1919

01:04:20,549 --> 01:04:18,960

think if they came out and that was true

1920

01:04:22,230 --> 01:04:20,559

and they they rolled out the roswell

1921

01:04:23,829 --> 01:04:22,240

wreckage i think

1922

01:04:25,510 --> 01:04:23,839

he's right and that a lot of people

1923

01:04:28,309 --> 01:04:25,520

would be like well

1924

01:04:30,069 --> 01:04:28,319

duh you know we've known that you know

1925

01:04:33,190 --> 01:04:30,079

thanks for telling us

1926

01:04:35,349 --> 01:04:33,200

um yeah i don't know it would be it

1927

01:04:38,950 --> 01:04:35,359

would

1928

01:04:41,430 --> 01:04:38,960

sadly i think what you'd see is

1929

01:04:43,430 --> 01:04:41,440

not enough focus on that in and of

1930

01:04:44,630 --> 01:04:43,440

itself you would see mainstream news

1931

01:04:46,549 --> 01:04:44,640

being like

1932

01:04:47,990 --> 01:04:46,559

see you know the current presidential

1933

01:04:49,670 --> 01:04:48,000

administration or the past president

1934

01:04:49,990 --> 01:04:49,680

they're all pieces of [h\_\_h] and they've

1935

01:04:52,390 --> 01:04:50,000

been

1936

01:04:53,349 --> 01:04:52,400

lying and i want to impeach or i want to

1937

01:04:55,910 --> 01:04:53,359

charge them cr

1938

01:04:57,990 --> 01:04:55,920

unfortunately i just based on what we

1939

01:04:59,750 --> 01:04:58,000

see recently politics would jump in and

1940

01:05:01,910 --> 01:04:59,760

everybody would want to blame

1941

01:05:03,430 --> 01:05:01,920

whatever partisan party they liked or

1942

01:05:05,750 --> 01:05:03,440

didn't like and

1943

01:05:07,589 --> 01:05:05,760

uh meanwhile you know there'd be some

1944

01:05:08,870 --> 01:05:07,599

people like us who'd be

1945

01:05:10,789 --> 01:05:08,880

wait can we ask you a little more about

1946

01:05:13,190 --> 01:05:10,799

those alien things can we

1947

01:05:15,270 --> 01:05:13,200

can we talk about that the body

1948

01:05:16,870 --> 01:05:15,280

procedure just thought or not

1949

01:05:18,309 --> 01:05:16,880

right can we talk about that a little

1950

01:05:21,029 --> 01:05:18,319

bit uh

1951

01:05:21,750 --> 01:05:21,039

yeah and so i i i don't know maybe it

1952

01:05:23,510 --> 01:05:21,760

would be

1953

01:05:25,109 --> 01:05:23,520

maybe that's what people need to an

1954

01:05:27,430 --> 01:05:25,119

extent maybe that would end some of the

1955

01:05:29,029 --> 01:05:27,440

partisan bs maybe if we got knocked off

1956

01:05:30,309 --> 01:05:29,039

our high horse a little bit and didn't

1957

01:05:32,789 --> 01:05:30,319

think that we were all

1958

01:05:33,589 --> 01:05:32,799

in charge and we collectively had a new

1959

01:05:35,829 --> 01:05:33,599

mystery

1960

01:05:37,670 --> 01:05:35,839

that maybe that would change things

1961

01:05:39,430 --> 01:05:37,680

maybe who knows

1962

01:05:41,829 --> 01:05:39,440

the same as ronald reagan quote to the

1963

01:05:44,069 --> 01:05:41,839

was it the united nations about uh

1964

01:05:45,510 --> 01:05:44,079

an extraterrestrial threat from outside

1965

01:05:46,549 --> 01:05:45,520

our world and how it would unite

1966

01:05:48,309 --> 01:05:46,559

everyone and

1967

01:05:50,549 --> 01:05:48,319

petty differences and you know what in a

1968

01:05:52,069 --> 01:05:50,559

couple of days time there's a a spacex

1969

01:05:53,990 --> 01:05:52,079

launch with two astronauts going on the

1970

01:05:54,309 --> 01:05:54,000

new rock up to the space station as well

1971

01:05:55,510 --> 01:05:54,319

and

1972

01:05:57,430 --> 01:05:55,520

it's little things like that they give

1973

01:05:58,390 --> 01:05:57,440

you a little bit of hope for for things

1974

01:06:01,349 --> 01:05:58,400

going forward and

1975

01:06:02,309 --> 01:06:01,359

you know it's a again one small step for

1976

01:06:04,630 --> 01:06:02,319

man but you know

1977

01:06:05,750 --> 01:06:04,640

we'll see what comes of it this time

1978

01:06:07,510 --> 01:06:05,760

we're in a good time

1979

01:06:09,190 --> 01:06:07,520

and i'll say that is it whether people

1980

01:06:11,910 --> 01:06:09,200

realize it or not is

1981

01:06:13,589 --> 01:06:11,920

with the development advances in

1982

01:06:14,789 --> 01:06:13,599

artificial intelligence and that being a

1983

01:06:17,990 --> 01:06:14,799

big push

1984

01:06:20,470 --> 01:06:18,000

or uh the space force or nasa's

1985

01:06:21,349 --> 01:06:20,480

pledge to go to mars i think we're

1986

01:06:23,349 --> 01:06:21,359

re-entering

1987

01:06:25,349 --> 01:06:23,359

that time frame we saw back in maybe the

1988

01:06:28,630 --> 01:06:25,359

50s and everything where now

1989

01:06:29,270 --> 01:06:28,640

uh human exploration is being encouraged

1990

01:06:32,069 --> 01:06:29,280

again

1991

01:06:34,150 --> 01:06:32,079

uh in the united states you have uh

1992

01:06:35,829 --> 01:06:34,160

common core math which is being put to

1993

01:06:36,950 --> 01:06:35,839

the schools people complain about it and

1994

01:06:38,870 --> 01:06:36,960

everything but they don't realize the

1995

01:06:40,390 --> 01:06:38,880

basis behind that and that's

1996

01:06:42,630 --> 01:06:40,400

training kids to be good at computer

1997

01:06:45,990 --> 01:06:42,640

math it's math modeling

1998

01:06:49,430 --> 01:06:46,000

and modular arithmetic and so

1999

01:06:51,510 --> 01:06:49,440

we're kind of refocusing where we can

2000

01:06:53,670 --> 01:06:51,520

get a glimpse into where future's going

2001  
01:06:55,270 --> 01:06:53,680  
and it's going into the unknown and

2002  
01:06:58,390 --> 01:06:55,280  
these

2003  
01:07:00,390 --> 01:06:58,400  
i talk to people who work at you know

2004  
01:07:02,309 --> 01:07:00,400  
places like lockheed or whatever and the

2005  
01:07:05,829 --> 01:07:02,319  
things that they're examining

2006  
01:07:08,549 --> 01:07:05,839  
sound crazy sci-fi but no i think there

2007  
01:07:09,029 --> 01:07:08,559  
is more of a push for that so it's a

2008  
01:07:14,150 --> 01:07:09,039  
good

2009  
01:07:17,670 --> 01:07:14,160  
them to roll out the bodies you know

2010  
01:07:21,349 --> 01:07:17,680  
because that again i think you do that

2011  
01:07:22,309 --> 01:07:21,359  
once people know um

2012  
01:07:24,549 --> 01:07:22,319  
and i can say this because you're

2013  
01:07:25,349 --> 01:07:24,559

scottish but that was about my my good

2014

01:07:27,349 --> 01:07:25,359

buddy

2015

01:07:29,589 --> 01:07:27,359

nick cook very good very good friend of

2016

01:07:31,349 --> 01:07:29,599

mine uh author of hunt for zero point

2017

01:07:33,349 --> 01:07:31,359

former defense senator jans we talk all

2018

01:07:36,390 --> 01:07:33,359

the time you know he's english

2019

01:07:38,230 --> 01:07:36,400

and and you know he said i i think that

2020

01:07:39,670 --> 01:07:38,240

at least for americans they'd end up

2021

01:07:41,349 --> 01:07:39,680

developing it he said

2022

01:07:43,109 --> 01:07:41,359

because americans seem to be like ah

2023

01:07:43,510 --> 01:07:43,119

screw it let's build some stuff he's

2024

01:07:46,870 --> 01:07:43,520

like

2025

01:07:48,069 --> 01:07:46,880

we're kind of lazy let's not do it

2026

01:07:49,910 --> 01:07:48,079

i don't know whether that's true or not

2027

01:07:52,710 --> 01:07:49,920

and i don't want to make that assertion

2028

01:07:53,510 --> 01:07:52,720

i love i don't know i love england but

2029

01:07:56,950 --> 01:07:53,520

uh

2030

01:07:59,029 --> 01:07:56,960

i think that if i believe that if

2031

01:08:01,910 --> 01:07:59,039

rolling anything out and saying hey

2032

01:08:02,870 --> 01:08:01,920

there is something super advanced here

2033

01:08:04,870 --> 01:08:02,880

uh

2034

01:08:06,470 --> 01:08:04,880

i think it would encourage a lot of a

2035

01:08:07,029 --> 01:08:06,480

lot of people i think the kids that are

2036

01:08:09,349 --> 01:08:07,039

in school

2037

01:08:10,230 --> 01:08:09,359

would even go this is cool you know our

2038

01:08:11,430 --> 01:08:10,240

next generation

2039

01:08:13,510 --> 01:08:11,440

the people are going to figure out how

2040

01:08:14,950 --> 01:08:13,520

to actually build those they're probably

2041

01:08:15,670 --> 01:08:14,960

in high school right now or in middle

2042

01:08:18,309 --> 01:08:15,680

school

2043

01:08:18,870 --> 01:08:18,319

and so i would only see a positive

2044

01:08:20,950 --> 01:08:18,880

effect

2045

01:08:22,390 --> 01:08:20,960

if it was you know real if it was made

2046

01:08:24,789 --> 01:08:22,400

real

2047

01:08:26,070 --> 01:08:24,799

yeah i can only hope it can inspire that

2048

01:08:27,349 --> 01:08:26,080

next generation and

2049

01:08:29,110 --> 01:08:27,359

things have just been imagination

2050

01:08:30,870 --> 01:08:29,120

previously just become

2051

01:08:33,110 --> 01:08:30,880

from science fact science fiction to

2052

01:08:35,110 --> 01:08:33,120

science fact doesn't it like

2053

01:08:37,189 --> 01:08:35,120

sure don't we all want i mean i mean a

2054

01:08:39,030 --> 01:08:37,199

part of me would think it you know

2055

01:08:40,870 --> 01:08:39,040

it'd be cool [\h\_\_\h] to get a lightsaber

2056

01:08:44,070 --> 01:08:40,880

and want it to sail around the galactic

2057

01:08:45,990 --> 01:08:44,080

federation and you know i'm fighting the

2058

01:08:47,189 --> 01:08:46,000

darth vader i mean you know that that

2059

01:08:50,470 --> 01:08:47,199

would be cool

2060

01:08:52,709 --> 01:08:50,480

but uh you know we we gotta we gotta

2061

01:08:56,390 --> 01:08:52,719

crawl before we can walk type thing but

2062

01:08:59,349 --> 01:08:56,400

it would be very cool it um

2063

01:09:01,189 --> 01:08:59,359

i i hope uh this again goes straight in

2064

01:09:02,470 --> 01:09:01,199

opinion and esoteric but uh you know

2065

01:09:04,309 --> 01:09:02,480

it's one of these things that i hope

2066

01:09:06,229 --> 01:09:04,319

that no matter what at some point we all

2067

01:09:07,990 --> 01:09:06,239

get the answer and even

2068

01:09:10,149 --> 01:09:08,000

you know the late great stanton freeman

2069

01:09:11,189 --> 01:09:10,159

i truly hope he has all the answers now

2070

01:09:13,590 --> 01:09:11,199

and i hope that that's one of these

2071

01:09:15,910 --> 01:09:13,600

things that you know whether it's in

2072

01:09:17,430 --> 01:09:15,920

this lifetime or whatever comes next i

2073

01:09:20,789 --> 01:09:17,440

hope that we kind of do

2074

01:09:21,510 --> 01:09:20,799

figure it out and uh maybe we figure out

2075

01:09:24,309 --> 01:09:21,520

that just

2076

01:09:25,829 --> 01:09:24,319

things are a lot weirder than aliens

2077

01:09:26,470 --> 01:09:25,839

would be so easy but things are just

2078

01:09:32,070 --> 01:09:26,480

weird

2079

01:09:33,990 --> 01:09:32,080

gives it gives people like us content

2080

01:09:36,229 --> 01:09:34,000

tim i have to thank you very much for

2081

01:09:37,990 --> 01:09:36,239

your time can i just ask before we go

2082

01:09:40,470 --> 01:09:38,000

what's coming next for tim mcmillan what

2083

01:09:44,950 --> 01:09:40,480

can the listeners look forward to

2084

01:09:46,229 --> 01:09:44,960

ah there is some very significant stuff

2085

01:09:49,510 --> 01:09:46,239

on the horizon

2086

01:09:52,709 --> 01:09:49,520

unfortunately i can't get into in depth

2087

01:09:55,030 --> 01:09:52,719

but there is some um

2088

01:09:56,310 --> 01:09:55,040

some cool cool cool stuff i'm very very

2089

01:09:59,830 --> 01:09:56,320

excited about

2090

01:10:01,990 --> 01:09:59,840

um you know both cool stories coming up

2091

01:10:05,189 --> 01:10:02,000

but just cool ventures in general

2092

01:10:06,709 --> 01:10:05,199

and so um because i'm not the only one

2093

01:10:07,189 --> 01:10:06,719

involved is why i can't say it but

2094

01:10:10,310 --> 01:10:07,199

that's

2095

01:10:13,510 --> 01:10:10,320

hear me

2096

01:10:14,790 --> 01:10:13,520

say it you know people are invited to

2097

01:10:16,709 --> 01:10:14,800

come track me down and punch me in the

2098

01:10:17,990 --> 01:10:16,719

face is i never say like just trust me

2099

01:10:20,149 --> 01:10:18,000

or believe me or i don't

2100

01:10:21,030 --> 01:10:20,159

say like my insider information i do

2101  
01:10:22,470 --> 01:10:21,040  
have to

2102  
01:10:24,149 --> 01:10:22,480  
protect sources because i'm legally

2103  
01:10:26,149 --> 01:10:24,159  
bound to that but i try to substantiate

2104  
01:10:28,070 --> 01:10:26,159  
that with evidence and so when i say

2105  
01:10:29,990 --> 01:10:28,080  
if i seem evasive with that question

2106  
01:10:32,310 --> 01:10:30,000  
it's it's 100 not because

2107  
01:10:33,669 --> 01:10:32,320  
it's not something that it will be out

2108  
01:10:35,350 --> 01:10:33,679  
soon publicly i just

2109  
01:10:37,990 --> 01:10:35,360  
can't right now because i'm not the only

2110  
01:10:39,590 --> 01:10:38,000  
one in control of it

2111  
01:10:40,870 --> 01:10:39,600  
there's something coming yeah so and as

2112  
01:10:42,790 --> 01:10:40,880  
and when that time comes it'd be great

2113  
01:10:44,390 --> 01:10:42,800

to have you back on to talk

2114

01:10:46,390 --> 01:10:44,400

sure anytime man this has been a great

2115

01:10:47,830 --> 01:10:46,400

chat i i i really enjoy it

2116

01:10:50,149 --> 01:10:47,840

i think you're doing a great stuff with

2117

01:10:52,149 --> 01:10:50,159

your program and keep it up man

2118

01:10:53,430 --> 01:10:52,159

you know and i encourage anybody to do

2119

01:10:56,870 --> 01:10:53,440

exactly like what

2120

01:10:59,430 --> 01:10:56,880

you're doing which is man just go

2121

01:11:01,270 --> 01:10:59,440

talk to people ask questions and that's

2122

01:11:03,510 --> 01:11:01,280

how i got started in this

2123

01:11:05,350 --> 01:11:03,520

you know reaching out to these people

2124

01:11:07,669 --> 01:11:05,360

hey you talk to me and i think that's

2125

01:11:08,870 --> 01:11:07,679

important i think that would be

2126

01:11:11,430 --> 01:11:08,880

the biggest thing i would encourage

2127

01:11:13,430 --> 01:11:11,440

everybody is don't just listen to

2128

01:11:14,470 --> 01:11:13,440

whatever you see but also do some stuff

2129

01:11:16,550 --> 01:11:14,480

on your own

2130

01:11:17,910 --> 01:11:16,560

stay off twitter some too god bless them

2131

01:11:20,390 --> 01:11:17,920

no offense to anybody

2132

01:11:21,830 --> 01:11:20,400

but you know the real real work gets

2133

01:11:25,350 --> 01:11:21,840

done out there in the real world

2134

01:11:27,030 --> 01:11:25,360

and so yeah a quote from a wrestler from

2135

01:11:28,390 --> 01:11:27,040

the 90s scott hall that i love to live

2136

01:11:29,910 --> 01:11:28,400

my life by that's uh

2137

01:11:32,310 --> 01:11:29,920

listen to everyone's opinion but make

2138

01:11:35,350 --> 01:11:32,320

your own decisions and i think that's uh

2139

01:11:37,189 --> 01:11:35,360

no more than ever true sure

2140

01:11:38,550 --> 01:11:37,199

sure especially with this because yeah

2141

01:11:40,229 --> 01:11:38,560

absolutely

2142

01:11:41,669 --> 01:11:40,239

that's right as long as it's unknown

2143

01:11:42,070 --> 01:11:41,679

nobody can be wrong but nobody can be

2144

01:11:49,189 --> 01:11:42,080

right

2145

01:11:52,950 --> 01:11:51,270

that is all for this week's show thank

2146

01:11:54,790 --> 01:11:52,960

[Music]

2162

01:13:15,840 --> 01:13:26,870

i jumped nearly

2163

01:13:26,880 --> 01:13:35,630

they thought it was a dream

2164

01:13:35,640 --> 01:13:45,430

[Music]

2165

01:13:45,440 --> 01:13:49,990

and

01:14:22,070 --> 01:13:55,120

[Music]

what's that is

2168

01:14:40,830 --> 01:14:32,560

it wasn't a tic tac and not quite a

2169

01:14:54,830 --> 01:14:43,040

saucer
