UFO

P O D C A S T

STEPHEN BASSETT PART 1

1
00:00:06,520 --> 00:00:11,990

[Music]

2
00:00:15,190 --> 00:00:13,270

there's a whole fleet of them look on

3
00:00:17,269 --> 00:00:15,200

the essay

4
00:00:20,630 --> 00:00:17,279

oh my gosh they're all going against the

5
00:00:25,429 --> 00:00:22,790

it was basically a cube with inside of

6
00:00:30,410 --> 00:00:25,439

sphere where the points of the cube

7
00:00:39,460 --> 00:00:30,420

were touching outside of sphere

8
00:00:43,590 --> 00:00:41,010

[Music]

9
00:00:45,190 --> 00:00:43,600

[Applause]

10
00:00:47,110 --> 00:00:45,200

so this isn't anything that just is

11
00:00:52,310 --> 00:00:47,120

limited to the united states

12
00:00:56,069 --> 00:00:54,709

i am george knapp listening to that ufo

13
00:01:01,750 --> 00:00:56,079

podcast and having

14

00:01:06,149 --> 00:01:04,229

hi everyone and welcome back to that ufo

15

00:01:07,750 --> 00:01:06,159

podcast my name is andy

16

00:01:09,350 --> 00:01:07,760

and just before we get to this week's

17

00:01:10,710 --> 00:01:09,360

pod i wanted to take a few minutes to

18

00:01:12,070 --> 00:01:10,720

speak to you without the guest on the

19

00:01:13,990 --> 00:01:12,080

line i've not done one of these

20

00:01:15,109 --> 00:01:14,000

intros recorded separately for a while

21

00:01:17,670 --> 00:01:15,119

so just thought i'd give you some

22

00:01:19,990 --> 00:01:17,680

updates while i had the chance

23

00:01:21,590 --> 00:01:20,000

uh before we get to stephen bassett who

24

00:01:23,350 --> 00:01:21,600

is the guest this week on the podcast

25

00:01:26,149 --> 00:01:23,360

and it is part one of part two

26

00:01:27,590 --> 00:01:26,159

and let me explain why stephen i don't

27

00:01:28,469 --> 00:01:27,600

think i could call this an interview

28

00:01:30,390 --> 00:01:28,479

stephen

29

00:01:31,910 --> 00:01:30,400

is a great speaker and has so much to

30

00:01:35,030 --> 00:01:31,920

say i would say i

31

00:01:37,270 --> 00:01:35,040

direct the conversation as best i can so

32

00:01:39,830 --> 00:01:37,280

there's a lot to digest and taken from

33

00:01:41,350 --> 00:01:39,840

from stephen bassett's talk i have split

34

00:01:41,910 --> 00:01:41,360

into two parts you're going to hear part

35

00:01:44,469 --> 00:01:41,920

one

36

00:01:46,310 --> 00:01:44,479

which is my questions to steven and in

37

00:01:47,990 --> 00:01:46,320

part two in a few days time i'll release

38

00:01:49,590 --> 00:01:48,000

as the listener questions along with a

39

00:01:52,149 --> 00:01:49,600

quick fire round as well

40

00:01:53,590 --> 00:01:52,159

probably the longest quickfire round in

41

00:01:55,350 --> 00:01:53,600

the show's history but it was great

42

00:01:56,950 --> 00:01:55,360

listening to stephen i got lost and

43

00:01:58,870 --> 00:01:56,960

absorbed in it too it has

44

00:02:00,389 --> 00:01:58,880

a wealth of experience and knowledge in

45

00:02:01,990 --> 00:02:00,399

this subject

46

00:02:04,069 --> 00:02:02,000

i want to thank everyone who has

47

00:02:05,429 --> 00:02:04,079

listened to the podcast either from the

48

00:02:06,389 --> 00:02:05,439

start or if you got on board more

49

00:02:08,150 --> 00:02:06,399

recently

50

00:02:09,589 --> 00:02:08,160

february was a massive month obviously

51
00:02:11,110 --> 00:02:09,599
it kicked off with the luella zondo

52
00:02:11,830 --> 00:02:11,120
interview which i'm sure most of you

53
00:02:13,589 --> 00:02:11,840
have heard

54
00:02:15,270 --> 00:02:13,599
got amazing feedback from that and lewis

55
00:02:15,910 --> 00:02:15,280
doing another round of media appearances

56
00:02:17,990 --> 00:02:15,920
just now

57
00:02:19,990 --> 00:02:18,000
so make sure you're checking those out

58
00:02:20,309 --> 00:02:20,000
as well as that i didn't think the show

59
00:02:21,830 --> 00:02:20,319
would

60
00:02:23,670 --> 00:02:21,840
hit the heights of february given the

61
00:02:25,430 --> 00:02:23,680
low interview but march was an even

62
00:02:27,589 --> 00:02:25,440
better month in terms of downloads and

63
00:02:29,110 --> 00:02:27,599

lessons so thank you so so much

64

00:02:30,790 --> 00:02:29,120

i've just released the george knapp

65

00:02:32,550 --> 00:02:30,800

interview on youtube so you can see the

66

00:02:33,430 --> 00:02:32,560

video along with that and again like the

67

00:02:35,110 --> 00:02:33,440

low interview

68

00:02:36,710 --> 00:02:35,120

i really do think it adds something more

69

00:02:37,830 --> 00:02:36,720

to it as well thank you to dan for

70

00:02:38,710 --> 00:02:37,840

helping me get that put together

71

00:02:40,630 --> 00:02:38,720

properly

72

00:02:41,990 --> 00:02:40,640

uh and it's got some time stamps in

73

00:02:43,589 --> 00:02:42,000

there as well so you can jump back and

74

00:02:45,509 --> 00:02:43,599

forward between the the questions that

75

00:02:47,110 --> 00:02:45,519

you really want to hear the answers to

76

00:02:50,150 --> 00:02:47,120

so please check that out and subscribe

77

00:02:53,030 --> 00:02:50,160

to the youtube channel that ufo podcast

78

00:02:54,710 --> 00:02:53,040

patreon.com has been really popular i'm

79

00:02:55,430 --> 00:02:54,720

putting out some exclusive content on

80

00:02:57,670 --> 00:02:55,440

there as well

81

00:02:59,350 --> 00:02:57,680

never hiding things behind the paywall

82

00:03:00,869 --> 00:02:59,360

that the main interviews go out free of

83

00:03:02,229 --> 00:03:00,879

charge but there are small sections

84

00:03:03,750 --> 00:03:02,239

which i put on there

85

00:03:06,470 --> 00:03:03,760

for a little bit extra for people who

86

00:03:08,790 --> 00:03:06,480

can support the pod over at patreon.com

87

00:03:10,550 --> 00:03:08,800

forward slash that ufo podcast

88

00:03:11,830 --> 00:03:10,560

and some fun stuff as well later in the

89

00:03:13,190 --> 00:03:11,840

year those sorts of things will get

90

00:03:15,270 --> 00:03:13,200

pushed onto the main feed

91

00:03:16,710 --> 00:03:15,280

but right now it would just be a bit of

92

00:03:18,630 --> 00:03:16,720

a thank you if you can sign up to

93

00:03:21,270 --> 00:03:18,640

patreon to help support the podcast

94

00:03:22,149 --> 00:03:21,280

and if you support at the 10 plus level

95

00:03:24,630 --> 00:03:22,159

then i'll send you

96

00:03:26,229 --> 00:03:24,640

a free t-shirt as well so look out for

97

00:03:28,309 --> 00:03:26,239

more exclusive content coming via

98

00:03:30,630 --> 00:03:28,319

patreon.com in the near future as well

99

00:03:31,750 --> 00:03:30,640

i'll do as much as i can as a thank you

100

00:03:34,470 --> 00:03:31,760

folks of course

101
00:03:35,509 --> 00:03:34,480
your lessons on the free podcast is that

102
00:03:38,070 --> 00:03:35,519
the main thing for me

103
00:03:38,789 --> 00:03:38,080
and your support and engagement emails

104
00:03:40,550 --> 00:03:38,799
tweets

105
00:03:41,670 --> 00:03:40,560
direct messages all of the above and

106
00:03:43,910 --> 00:03:41,680
sorry if it takes me a little while

107
00:03:46,149 --> 00:03:43,920
sometimes to get back to people but it's

108
00:03:47,750 --> 00:03:46,159
that the show is getting more popular i

109
00:03:48,949 --> 00:03:47,760
can't help that but it's great

110
00:03:51,910 --> 00:03:48,959
and it just does take me a little bit

111
00:03:54,309 --> 00:03:51,920
more time because life gets in the way

112
00:03:56,229 --> 00:03:54,319
and lastly um the podcast is coming up

113
00:03:57,589 --> 00:03:56,239

on its one year anniversary on the the

114

00:03:59,750 --> 00:03:57,599

30th of april

115

00:04:01,830 --> 00:03:59,760

which was a gary vertice interview and

116

00:04:03,429 --> 00:04:01,840

on day one on the 30th of april two

117

00:04:05,990 --> 00:04:03,439

people listened to the podcast

118

00:04:07,429 --> 00:04:06,000

it's it's um exponentially grown since

119

00:04:08,949 --> 00:04:07,439

then which is fantastic

120

00:04:11,110 --> 00:04:08,959

but thank you to those two people who

121

00:04:13,190 --> 00:04:11,120

listened on day one and shared and liked

122

00:04:15,030 --> 00:04:13,200

and retweeted and shared on facebook and

123

00:04:16,789 --> 00:04:15,040

talked about the podcast to help

124

00:04:18,949 --> 00:04:16,799

grow into what it's become today with

125

00:04:20,710 --> 00:04:18,959

all of you listening uh along to me

126

00:04:22,710 --> 00:04:20,720

and when dan joins me or if i've got

127

00:04:24,950 --> 00:04:22,720

dave or gaucho or any of those guys

128

00:04:26,310 --> 00:04:24,960

that come on to discuss april's a big

129

00:04:28,230 --> 00:04:26,320

month again for the podcast we're

130

00:04:29,990 --> 00:04:28,240

kicking off with steven bassett

131

00:04:31,510 --> 00:04:30,000

ryan sprague is going to be coming on

132

00:04:32,629 --> 00:04:31,520

next week for his second appearance on

133

00:04:34,710 --> 00:04:32,639

the podcast

134

00:04:36,870 --> 00:04:34,720

and later in the month we've got brandon

135

00:04:37,830 --> 00:04:36,880

fugo joining us as well which is a big

136

00:04:39,590 --> 00:04:37,840

interview to get

137

00:04:41,590 --> 00:04:39,600

of course promoting the upcoming series

138

00:04:43,670 --> 00:04:41,600

of skinwalker ranch which kicks off

139

00:04:45,749 --> 00:04:43,680

on the 4th of may for listeners in the

140

00:04:47,270 --> 00:04:45,759

u.s or canada

141

00:04:49,830 --> 00:04:47,280

so that's all going to be coming up as

142

00:04:51,430 --> 00:04:49,840

well you will have heard lastly that

143

00:04:53,670 --> 00:04:51,440

i see lastly this is i've said lastly

144

00:04:56,870 --> 00:04:53,680

twice now but you know sue me

145

00:04:58,629 --> 00:04:56,880

don't sue me i have been

146

00:05:00,469 --> 00:04:58,639

working and in contact with the people

147

00:05:01,749 --> 00:05:00,479

over at contact in the desert now they

148

00:05:02,390 --> 00:05:01,759

asked me to do some interviews to

149

00:05:04,150 --> 00:05:02,400

promote

150

00:05:05,909 --> 00:05:04,160

this year's contact in the desert which

151
00:05:07,189 --> 00:05:05,919
you can check out on their website via

152
00:05:09,029 --> 00:05:07,199
twitter

153
00:05:10,390 --> 00:05:09,039
it's one of those things that listen i'm

154
00:05:12,550 --> 00:05:10,400
doing this for free uh

155
00:05:13,590 --> 00:05:12,560
for me the opportunity to speak to some

156
00:05:15,029 --> 00:05:13,600
of those guests is

157
00:05:16,710 --> 00:05:15,039
massive and there are people on there

158
00:05:18,870 --> 00:05:16,720
who i have interviewed already

159
00:05:20,710 --> 00:05:18,880
deep prasad ryan sprague gary verges

160
00:05:22,790 --> 00:05:20,720
kevin day simeon hayne and a few others

161
00:05:24,150 --> 00:05:22,800
have already been on the podcast

162
00:05:25,909 --> 00:05:24,160
and were great to speak to there are

163
00:05:27,909 --> 00:05:25,919

more people on there

164

00:05:29,749 --> 00:05:27,919

for example russell targ is someone who

165

00:05:30,230 --> 00:05:29,759

when i asked loads of people commented

166

00:05:31,430 --> 00:05:30,240

on

167

00:05:33,909 --> 00:05:31,440

i want to get the chance to speak to

168

00:05:36,310 --> 00:05:33,919

russell targ and a few others as well

169

00:05:38,230 --> 00:05:36,320

i know it's not to everyone's liking all

170

00:05:39,029 --> 00:05:38,240

the speakers at these conferences but as

171

00:05:41,029 --> 00:05:39,039

a buffet

172

00:05:42,469 --> 00:05:41,039

there's a lot on there and you go and

173

00:05:44,469 --> 00:05:42,479

pick and choose who you want to listen

174

00:05:46,150 --> 00:05:44,479

to given the breadth of the subject that

175

00:05:47,909 --> 00:05:46,160

they want to talk about as well

176

00:05:49,590 --> 00:05:47,919

so there will be some guests from

177

00:05:51,590 --> 00:05:49,600

contacting the desert coming on to do

178

00:05:53,270 --> 00:05:51,600

the usual long-form interview with me

179

00:05:55,029 --> 00:05:53,280

and i'll be also picking some of the

180

00:05:57,029 --> 00:05:55,039

other guests as well who

181

00:05:58,950 --> 00:05:57,039

will be coming on to do shorter preview

182

00:06:00,390 --> 00:05:58,960

interviews of about 10 to 15 minutes

183

00:06:01,909 --> 00:06:00,400

just to advertise their appearance and

184

00:06:02,550 --> 00:06:01,919

have a bit of a chat on there as well

185

00:06:04,629 --> 00:06:02,560

okay

186

00:06:06,870 --> 00:06:04,639

i am under no pressure of who i need to

187

00:06:08,390 --> 00:06:06,880

speak to i can pick my own guess and

188

00:06:09,990 --> 00:06:08,400

i'll certainly be doing that but if

189

00:06:11,749 --> 00:06:10,000

there's anyone you want to hear

190

00:06:13,189 --> 00:06:11,759

please get in touch with me and tell me

191

00:06:15,029 --> 00:06:13,199

why as well

192

00:06:17,029 --> 00:06:15,039

thanks for listening to me folks before

193

00:06:19,270 --> 00:06:17,039

the main interview let me just

194

00:06:21,110 --> 00:06:19,280

play a quick message from dave partridge

195

00:06:23,990 --> 00:06:21,120

shadows of your main magazine

196

00:06:25,430 --> 00:06:24,000

please get liking subscribing retweeting

197

00:06:27,110 --> 00:06:25,440

sharing and downloading

198

00:06:29,430 --> 00:06:27,120

one of the best bits of content out

199

00:06:31,430 --> 00:06:29,440

there in the world of ufology and beyond

200

00:06:33,270 --> 00:06:31,440

and it's totally free and all done by

201
00:06:34,950 --> 00:06:33,280
dave so big shout out for dave

202
00:06:36,629 --> 00:06:34,960
and thank you very much hope you enjoyed

203
00:06:38,150 --> 00:06:36,639
part one of the interview look out for

204
00:06:39,189 --> 00:06:38,160
part two with stephen bassett in a few

205
00:06:41,270 --> 00:06:39,199
days time folks

206
00:06:43,430 --> 00:06:41,280
have you ever looked up to the skies and

207
00:06:45,670 --> 00:06:43,440
seen something you can't explain

208
00:06:47,189 --> 00:06:45,680
or walk deep in the forest and sense

209
00:06:49,510 --> 00:06:47,199
something watching you

210
00:06:51,350 --> 00:06:49,520
do you believe in an afterlife or a

211
00:06:52,790 --> 00:06:51,360
hidden veil that can communicate with

212
00:06:54,870 --> 00:06:52,800
the living

213
00:06:56,150 --> 00:06:54,880

then you need shadows of your mind

214

magazine

215

00:06:59,670 --> 00:06:58,479

download all issues completely free at

216

00:07:03,510 --> 00:06:59,680

shadows magazine

217

00:07:06,330 --> 00:07:03,520

dot co dot uk shadows of your mind

218

00:07:10,150 --> 00:07:06,340

where your search for the answers begins

219

00:07:12,469 --> 00:07:10,160

[Music]

220

00:07:15,110 --> 00:07:12,479

joining me on the show as stephen

221

00:07:17,029 --> 00:07:15,120

bassett who as the executive director

222

00:07:18,230 --> 00:07:17,039

of the paradigm research group and a

223

00:07:19,909 --> 00:07:18,240

political activist

224

00:07:22,070 --> 00:07:19,919

stephen and i will just say for the

225

00:07:22,950 --> 00:07:22,080

second time welcome to the podcast we

226

00:07:24,710 --> 00:07:22,960

have just had a little bit of a

227

00:07:26,309 --> 00:07:24,720

technical error on my end not checking

228

00:07:29,830 --> 00:07:26,319

the storage beforehand so

229

00:07:31,909 --> 00:07:29,840

apologies but again welcome to the pod

230

00:07:35,270 --> 00:07:31,919

hi andy it's good to be back

231

00:07:38,790 --> 00:07:35,280

in the uk if only by internet

232

00:07:40,870 --> 00:07:38,800

uh and uh nice to see

233

00:07:42,710 --> 00:07:40,880

nice to talk to you again yes uh now

234

00:07:44,070 --> 00:07:42,720

listen steve i asked you

235

00:07:46,230 --> 00:07:44,080

and i'm going to ask you again what

236

00:07:49,350 --> 00:07:46,240

originally brought you to the subject of

237

00:07:50,469 --> 00:07:49,360

ufos or uaps as they are more commonly

238

00:07:53,670 --> 00:07:50,479

known to most listeners who were

239

00:07:57,270 --> 00:07:53,680

listening to this podcast

240

00:07:58,469 --> 00:07:57,280

i i got involved in 1996 it's been 25

241

00:08:01,510 --> 00:07:58,479

years

242

00:08:02,150 --> 00:08:01,520

um i hadn't really engaged the issue

243

00:08:03,830 --> 00:08:02,160

prior to that

244

00:08:05,749 --> 00:08:03,840

but i was fully aware of it since i was

245

00:08:08,710 --> 00:08:05,759

a kid

246

00:08:09,589 --> 00:08:08,720

in 1996 i i volunteered to work for dr

247

00:08:12,950 --> 00:08:09,599

john mack

248

00:08:15,589 --> 00:08:12,960

in cambridge massachusetts the

249

00:08:16,309 --> 00:08:15,599

harvard psychiatrist that had taken that

250

00:08:20,790 --> 00:08:16,319

incredibly

251
00:08:26,469 --> 00:08:24,790
engage contactees and and talk to them

252
00:08:28,070 --> 00:08:26,479
and even began to try to develop some

253
00:08:30,230 --> 00:08:28,080
research around that

254
00:08:31,670 --> 00:08:30,240
he set up an organization called program

255
00:08:34,709 --> 00:08:31,680
for extraordinary experience

256
00:08:35,750 --> 00:08:34,719
research and i came there as a volunteer

257
00:08:39,029 --> 00:08:35,760
just to volunteer

258
00:08:43,430 --> 00:08:39,039
help out but it was a wonderful

259
00:08:45,030 --> 00:08:43,440
experience i was there for four months

260
00:08:47,030 --> 00:08:45,040
and then i made the decision to move to

261
00:08:48,150 --> 00:08:47,040
washington dc where i have family and

262
00:08:51,190 --> 00:08:48,160
where i've lived

263
00:08:53,190 --> 00:08:51,200

off and on for years i knew it well

264

00:08:55,030 --> 00:08:53,200

and set up an organization called

265

00:08:56,630 --> 00:08:55,040

paradigm research group and registered

266

00:09:00,870 --> 00:08:56,640

as a lobbyist

267

00:09:04,389 --> 00:09:02,389

because i knew that no one had ever done

268

00:09:06,470 --> 00:09:04,399

that

269

00:09:08,470 --> 00:09:06,480

there was no lobbyists registered on the

270

00:09:11,910 --> 00:09:08,480

issue of extraterrestrial phenomena

271

00:09:13,670 --> 00:09:11,920

period and i knew that the washington

272

00:09:16,949 --> 00:09:13,680

post would almost certainly

273

00:09:18,550 --> 00:09:16,959

come calling because that's interesting

274

00:09:20,949 --> 00:09:18,560

it's a story

275

00:09:21,750 --> 00:09:20,959

what's going on so they they wasn't that

276

00:09:24,150 --> 00:09:21,760

long

277

00:09:25,990 --> 00:09:24,160

they came out and interviewed me and i

278

00:09:30,230 --> 00:09:26,000

got a

279

00:09:33,269 --> 00:09:30,240

a big article on the front page of the

280

00:09:36,870 --> 00:09:33,279

business section of the washington post

281

00:09:37,829 --> 00:09:36,880

which is a big article and that's it

282

00:09:41,190 --> 00:09:37,839

that launched

283

00:09:44,870 --> 00:09:41,200

my how would you say career as an

284

00:09:47,910 --> 00:09:44,880

activist engaging this issue

285

00:09:48,870 --> 00:09:47,920

and the rest is history why did i choose

286

00:09:52,790 --> 00:09:48,880

that route

287

00:09:55,990 --> 00:09:52,800

because i came to realize

288

00:09:57,269 --> 00:09:56,000

that all those years i've been hearing

289

00:10:00,389 --> 00:09:57,279

about the issue but yet

290

00:10:03,350 --> 00:10:00,399

there was no resolution there was

291

00:10:05,430 --> 00:10:03,360

nothing coming from the government

292

00:10:07,350 --> 00:10:05,440

was all very strange didn't make sense

293

00:10:09,750 --> 00:10:07,360

but what do you do you go on with your

294

00:10:14,150 --> 00:10:12,630

i came to realize that the reason there

295

00:10:15,829 --> 00:10:14,160

was no resolution about what this

296

00:10:17,430 --> 00:10:15,839

phenomenon was

297

00:10:19,110 --> 00:10:17,440

in spite of the fact that plenty of

298

00:10:21,829 --> 00:10:19,120

things kept turning up that were quite

299

00:10:23,350 --> 00:10:21,839

compelling was not because there wasn't

300

00:10:25,829 --> 00:10:23,360

enough scientific evidence

301
00:10:27,590 --> 00:10:25,839
it wasn't about science it hadn't been

302
00:10:31,350 --> 00:10:27,600
for a long time

303
00:10:32,949 --> 00:10:31,360
the presence of the ets was confirmed to

304
00:10:35,829 --> 00:10:32,959
the united states government no later

305
00:10:38,470 --> 00:10:35,839
than 1947.

306
00:10:41,430 --> 00:10:38,480
so what's going on what's going on was

307
00:10:44,870 --> 00:10:43,910
there was a decision to embargo this

308
00:10:47,030 --> 00:10:44,880
issue

309
00:10:49,750 --> 00:10:47,040
for national security reasons a legal

310
00:10:52,870 --> 00:10:49,760
national security policy

311
00:10:55,269 --> 00:10:52,880
enforced strongly but not

312
00:10:56,710 --> 00:10:55,279
for coning in an endocrine fashion like

313
00:10:57,910 --> 00:10:56,720

you we see in some authoritarian

314

00:11:00,230 --> 00:10:57,920

countries

315

00:11:03,190 --> 00:11:00,240

they weren't shooting people they they

316

00:11:05,350 --> 00:11:03,200

just came up with some very clever ways

317

00:11:07,190 --> 00:11:05,360

working from within the military

318

00:11:11,030 --> 00:11:07,200

intelligence complex

319

00:11:13,030 --> 00:11:11,040

to simply keep it under wraps

320

00:11:15,509 --> 00:11:13,040

a political decision and therefore the

321

00:11:19,190 --> 00:11:15,519

resolution required a political

322

00:11:21,110 --> 00:11:19,200

solution and i said okay

323

00:11:22,949 --> 00:11:21,120

i'm gonna go to washington and and try

324

00:11:26,230 --> 00:11:22,959

to resolve the et issue

325

00:11:27,829 --> 00:11:26,240

through political means and there

326

00:11:30,550 --> 00:11:27,839

weren't

327

00:11:31,269 --> 00:11:30,560

well no one no one had really formally

328

00:11:34,310 --> 00:11:31,279

done this

329

00:11:37,509 --> 00:11:34,320

there there have been efforts off and on

330

00:11:40,630 --> 00:11:37,519

uh prior to 1996 to

331

00:11:42,550 --> 00:11:40,640

sort of engage the issue politically but

332

00:11:43,990 --> 00:11:42,560

it didn't go they didn't go anywhere and

333

00:11:46,470 --> 00:11:44,000

also they weren't they weren't

334

00:11:48,150 --> 00:11:46,480

formalized too much which is why there

335

00:11:50,150 --> 00:11:48,160

was not there there wasn't a

336

00:11:51,590 --> 00:11:50,160

a registered lobbyist i then and then

337

00:11:53,190 --> 00:11:51,600

founded the first political action

338

00:11:55,350 --> 00:11:53,200

committee addressing this issue no one

339

00:11:57,509 --> 00:11:55,360

had ever done that

340

00:11:59,110 --> 00:11:57,519

and so that's how i got involved why i

341

00:12:03,110 --> 00:11:59,120

got involved in a sense

342

00:12:06,710 --> 00:12:03,120

i was lucky in that i found a niche that

343

00:12:09,670 --> 00:12:06,720

was uh essentially empty

344

00:12:10,629 --> 00:12:09,680

no one was doing it so it gave me a

345

00:12:12,150 --> 00:12:10,639

opportunity to

346

00:12:14,310 --> 00:12:12,160

make a difference even though i had very

347

00:12:17,750 --> 00:12:14,320

little resources

348

00:12:20,150 --> 00:12:17,760

and was new and now it's been 25 years

349

00:12:25,910 --> 00:12:22,829

i don't regret it and i've met a ton of

350

00:12:27,190 --> 00:12:25,920

people and i believe that the resolution

351
00:12:30,310 --> 00:12:27,200
finally

352
00:12:32,470 --> 00:12:30,320
of the extraterrestrial presence the

353
00:12:34,790 --> 00:12:32,480
confirmation

354
00:12:36,310 --> 00:12:34,800
is very close and could very easily

355
00:12:41,750 --> 00:12:36,320
happen this year

356
00:12:44,069 --> 00:12:41,760
looking forward to seeing that

357
00:12:45,190 --> 00:12:44,079
now there's a lot to fill in in 25 years

358
00:12:45,990 --> 00:12:45,200
there and we're not going to have time

359
00:12:48,710 --> 00:12:46,000
to do all of that

360
00:12:49,670 --> 00:12:48,720
talking to you right now however going

361
00:12:51,829 --> 00:12:49,680
back to

362
00:12:53,350 --> 00:12:51,839
to 1996 and you're setting up the

363
00:12:55,590 --> 00:12:53,360

paradigm research group

364

00:12:57,990 --> 00:12:55,600

you you've said already about the the et

365

00:13:01,430 --> 00:12:58,000

presence or you know the et cover up

366

00:13:04,790 --> 00:13:01,440

what was it that made you then and now

367

00:13:08,310 --> 00:13:04,800

so certain is as et and

368

00:13:11,509 --> 00:13:08,320

not anything else again the the

369

00:13:14,310 --> 00:13:11,519

evidence is overwhelming

370

00:13:16,069 --> 00:13:14,320

and the way evidence works and this is

371

00:13:18,230 --> 00:13:16,079

something of course that the

372

00:13:20,550 --> 00:13:18,240

practitioners of the embargo were never

373

00:13:23,030 --> 00:13:20,560

going to acknowledge

374

00:13:24,069 --> 00:13:23,040

uh smoking gun is another classic

375

00:13:27,269 --> 00:13:24,079

example of

376

00:13:28,389 --> 00:13:27,279

a diversion and bogus thinking that they

377

00:13:30,949 --> 00:13:28,399

encouraged

378

00:13:33,030 --> 00:13:30,959

where's the smoking gun where's the

379

00:13:35,269 --> 00:13:33,040

latrine from a spaceship give me that

380

00:13:36,710 --> 00:13:35,279

and we'll move forward it's all nonsense

381

00:13:38,629 --> 00:13:36,720

the way evidence works is i think most

382

00:13:41,990 --> 00:13:38,639

people know now

383

00:13:45,990 --> 00:13:42,000

you've got a very complex murder trial

384

00:13:48,310 --> 00:13:46,000

and you're on the jury might take weeks

385

00:13:49,269 --> 00:13:48,320

and you listen to hours and hours of

386

00:13:54,230 --> 00:13:49,279

evidence

387

00:13:57,750 --> 00:13:54,240

of all types and you reach a conclusion

388

00:13:59,269 --> 00:13:57,760

of guilty which is the key conclusion

389

00:14:03,269 --> 00:13:59,279

beyond a reasonable doubt based on all

390

00:14:05,030 --> 00:14:03,279

the evidence all of it not just one part

391

00:14:06,870 --> 00:14:05,040

it's almost impossible for a single

392

00:14:07,750 --> 00:14:06,880

piece of evidence to convict somebody in

393

00:14:09,269 --> 00:14:07,760

a court of law

394

00:14:11,030 --> 00:14:09,279

very difficult i'm not saying it's

395

00:14:14,790 --> 00:14:11,040

impossible but boy it's all

396

00:14:16,389 --> 00:14:14,800

very difficult so you spend

397

00:14:18,230 --> 00:14:16,399

hundreds of hours listening to all this

398

00:14:19,269 --> 00:14:18,240

evidence you you go into a room with 11

399

00:14:21,430 --> 00:14:19,279

other people and you

400

00:14:23,910 --> 00:14:21,440

and you all decide yes this evidence is

401
00:14:28,069 --> 00:14:23,920
absolutely beyond a reasonable doubt

402
00:14:31,350 --> 00:14:30,230
the evidence for the e.t presence would

403
00:14:36,629 --> 00:14:31,360
fill a room

404
00:14:39,189 --> 00:14:36,639
a big room a huge room it's massive

405
00:14:41,030 --> 00:14:39,199
and if you examine that evidence if you

406
00:14:42,230 --> 00:14:41,040
examine a decent portion of all that

407
00:14:44,310 --> 00:14:42,240
evidence

408
00:14:47,430 --> 00:14:44,320
it's absolutely confirming of an

409
00:14:50,230 --> 00:14:47,440
extraterrestrial presence

410
00:14:52,389 --> 00:14:50,240
now we could spend the next hour or so

411
00:14:55,269 --> 00:14:52,399
running through

412
00:14:56,790 --> 00:14:55,279
a lot of this evidence but i happen to

413
00:14:57,990 --> 00:14:56,800

believe that most of your audience

414

00:15:00,870 --> 00:14:58,000

already knows this this is

415

00:15:04,230 --> 00:15:00,880

not something shocking to them or a

416

00:15:09,110 --> 00:15:07,590

and i i have invested the time to get a

417

00:15:11,350 --> 00:15:09,120

good sense of the totality of the

418

00:15:14,470 --> 00:15:11,360

evidence for this present

419

00:15:16,150 --> 00:15:14,480

and so i'm convinced i don't believe

420

00:15:18,550 --> 00:15:16,160

the whole term believer is another

421

00:15:20,710 --> 00:15:18,560

language issue believer is a term the

422

00:15:23,670 --> 00:15:20,720

truth embargo loved

423

00:15:23,990 --> 00:15:23,680

you're a believer encouraged it turns up

424

00:15:28,389 --> 00:15:24,000

in

425

00:15:31,110 --> 00:15:28,399

believer it's nonsense

426
00:15:31,670 --> 00:15:31,120
that's like saying an atomic physicist

427
00:15:35,110 --> 00:15:31,680
who

428
00:15:36,389 --> 00:15:35,120
is dealing with the atom believes in

429
00:15:40,949 --> 00:15:36,399
atoms

430
00:15:43,590 --> 00:15:40,959
it's absolutely ridiculous so

431
00:15:47,430 --> 00:15:43,600
the answer to your question is if the

432
00:15:54,110 --> 00:15:51,590
the and this is tough

433
00:15:55,590 --> 00:15:54,120
you know this is tough everybody if

434
00:15:59,030 --> 00:15:55,600
extraterrestrials

435
00:16:01,509 --> 00:15:59,040
were to hover over our major cities with

436
00:16:06,710 --> 00:16:01,519
massive craft

437
00:16:10,949 --> 00:16:08,790
pretty much though one could then say

438
00:16:12,550 --> 00:16:10,959

wait a minute no no no no these craft

439

00:16:14,230 --> 00:16:12,560

have been hidden inside the earth all

440

00:16:15,829 --> 00:16:14,240

these years these people are

441

00:16:17,829 --> 00:16:15,839

subterranean dwellers have been down

442

00:16:19,509 --> 00:16:17,839

there building fantastic technology and

443

00:16:22,550 --> 00:16:19,519

now they've just come out of the earth

444

00:16:24,550 --> 00:16:22,560

whatever but i very few people

445

00:16:25,910 --> 00:16:24,560

would not go that that's it that's

446

00:16:28,389 --> 00:16:25,920

confirming

447

00:16:29,269 --> 00:16:28,399

all right and that's like saying for a

448

00:16:34,949 --> 00:16:29,279

murder

449

00:16:38,949 --> 00:16:36,550

that person has got to bring in the

450

00:16:40,949 --> 00:16:38,959

victim

451
00:16:42,150 --> 00:16:40,959
or bring somebody into the courtroom and

452
00:16:43,430 --> 00:16:42,160
shoot them right there in front of the

453
00:16:46,069 --> 00:16:43,440
jury

454
00:16:46,949 --> 00:16:46,079
then you can convict them so so that so

455
00:16:55,430 --> 00:16:46,959
the

456
00:16:58,870 --> 00:16:55,440
twisted and distorted

457
00:17:00,710 --> 00:16:58,880
but this is not unusual when governments

458
00:17:02,870 --> 00:17:00,720
decide to

459
00:17:04,710 --> 00:17:02,880
undermine the truth and embark on

460
00:17:06,630 --> 00:17:04,720
massive information disinformation and

461
00:17:09,669 --> 00:17:06,640
propaganda campaigns

462
00:17:13,110 --> 00:17:09,679
they can put the citizens of a country

463
00:17:15,110 --> 00:17:13,120

into an absolute detached a state

464

00:17:18,549 --> 00:17:15,120

detached from reality

465

00:17:21,669 --> 00:17:18,559

this is what they do thus you

466

00:17:22,230 --> 00:17:21,679

and that when they do that you get north

467

00:17:24,309 --> 00:17:22,240

korea

468

00:17:25,669 --> 00:17:24,319

that's probably one of the worst cases

469

00:17:27,909 --> 00:17:25,679

north korea

470

00:17:29,430 --> 00:17:27,919

is one of the worst cases in all of

471

00:17:33,510 --> 00:17:29,440

human history

472

00:17:37,350 --> 00:17:33,520

on the manipulation containment

473

00:17:39,029 --> 00:17:37,360

of truth in order to create a completely

474

00:17:41,029 --> 00:17:39,039

detached from reality

475

00:17:43,590 --> 00:17:41,039

uh a set of human beings the north

476

00:17:44,870 --> 00:17:43,600

korean people it's terrible

477

00:17:46,870 --> 00:17:44,880

that's the extreme case the united

478

00:17:48,870 --> 00:17:46,880

states has done this too japan has done

479

00:17:51,750 --> 00:17:48,880

it germany's done it uk has done it

480

00:17:53,029 --> 00:17:51,760

this is what government can do people

481

00:17:54,950 --> 00:17:53,039

citizens of these nations

482

00:17:57,270 --> 00:17:54,960

need to take the necessary measures to

483

00:18:00,070 --> 00:17:57,280

stop that

484

00:18:02,549 --> 00:18:00,080

we need to develop a world in which the

485

00:18:05,270 --> 00:18:02,559

governments of nations do not embark on

486

00:18:06,470 --> 00:18:05,280

on disinformation and propaganda

487

00:18:08,630 --> 00:18:06,480

campaigns

488

00:18:09,750 --> 00:18:08,640

to detach their citizens from reality

489

00:18:13,590 --> 00:18:09,760

this never

490

00:18:15,750 --> 00:18:13,600

ends well it doesn't end well

491

00:18:17,430 --> 00:18:15,760

but until we do that we'll have to put

492

00:18:20,230 --> 00:18:17,440

up with it in the united states

493

00:18:21,990 --> 00:18:20,240

the leading example of this is the truth

494

00:18:24,070 --> 00:18:22,000

embargo on the extraterrestrial presence

495

00:18:28,390 --> 00:18:24,080

now in its 70

496

00:18:31,990 --> 00:18:28,400

least 74th year

497

00:18:36,150 --> 00:18:32,000

and so in that context

498

00:18:39,270 --> 00:18:36,160

what's the answer to your question um

499

00:18:46,070 --> 00:18:42,470

give a just a layperson

500

00:18:49,669 --> 00:18:46,080

one book that

501
00:18:52,789 --> 00:18:49,679
if they were to read with

502
00:18:56,230 --> 00:18:52,799
a certain amount of detachment and

503
00:18:58,310 --> 00:18:56,240
open-mindedness that

504
00:18:59,990 --> 00:18:58,320
again it's for a layperson it's not for

505
00:19:01,909 --> 00:19:00,000
a scientist

506
00:19:03,350 --> 00:19:01,919
it would be witness to roswell

507
00:19:06,390 --> 00:19:03,360
particularly expended

508
00:19:06,789 --> 00:19:06,400
expanded aversion the witness to roswell

509
00:19:09,990 --> 00:19:06,799
by

510
00:19:14,310 --> 00:19:10,000
don schmidt and thomas carey

511
00:19:17,590 --> 00:19:14,320
which they essentially bring to bear

512
00:19:19,190 --> 00:19:17,600
the the bulk of the enormous

513
00:19:21,909 --> 00:19:19,200

amount of witness testimony that they

514

00:19:27,990 --> 00:19:25,669

i think as many 600 witnesses were

515

00:19:29,350 --> 00:19:28,000

ultimately uh interviewed at one time or

516

00:19:33,590 --> 00:19:29,360

another by researchers regarding the

517

00:19:38,630 --> 00:19:37,350

they i know interviewed a couple hundred

518

00:19:40,950 --> 00:19:38,640

and they put this into the book the

519

00:19:43,110 --> 00:19:40,960

witness to roswell

520

00:19:45,590 --> 00:19:43,120

and i just do not believe that any

521

00:19:49,190 --> 00:19:45,600

reasonably intelligent person

522

00:19:53,190 --> 00:19:49,200

can read that book and at the end of it

523

00:19:56,470 --> 00:19:53,200

conclude i still don't know

524

00:19:59,830 --> 00:19:56,480

if there are extraterrestrials

525

00:20:01,830 --> 00:19:59,840

i don't know can't be sure

526

00:20:03,270 --> 00:20:01,840

i just think they have to conclude but

527

00:20:05,029 --> 00:20:03,280

it's obvious

528

00:20:06,390 --> 00:20:05,039

and that there were extraterrestrial

529

00:20:10,789 --> 00:20:06,400

beings

530

00:20:14,470 --> 00:20:10,799

that were involved in the roswell crash

531

00:20:15,830 --> 00:20:14,480

some were dead one was alive

532

00:20:17,750 --> 00:20:15,840

and at that point the government of

533

00:20:20,630 --> 00:20:17,760

course knew the obvious

534

00:20:23,350 --> 00:20:20,640

that we aren't alone and then the the

535

00:20:24,870 --> 00:20:23,360

truth embargo the embargo of that

536

00:20:26,470 --> 00:20:24,880

which was more like a cover-up at the

537

00:20:30,549 --> 00:20:26,480

time at that point but still

538

00:20:32,390 --> 00:20:30,559

embargo began so that would be my answer

539

00:20:33,590 --> 00:20:32,400

read the witness to roswell expanded

540

00:20:36,710 --> 00:20:33,600

edition

541

00:20:37,990 --> 00:20:36,720

and then just sit quietly and think is

542

00:20:41,110 --> 00:20:38,000

there another explanation

543

00:20:43,190 --> 00:20:41,120

for what these hundreds of people saw

544

00:20:44,789 --> 00:20:43,200

no i will come back to a question i've

545

00:20:47,270 --> 00:20:44,799

got on that but um

546

00:20:49,029 --> 00:20:47,280

that is very interesting let me ask and

547

00:20:50,710 --> 00:20:49,039

you're talking about something that i've

548

00:20:52,549 --> 00:20:50,720

mentioned a few times on the podcast

549

00:20:53,669 --> 00:20:52,559

that i feel when it comes to this topic

550

00:20:55,750 --> 00:20:53,679

or subject

551
00:20:57,669 --> 00:20:55,760
that it's not just one there's not going

552
00:20:59,270 --> 00:20:57,679
to be that smoking gun like you say that

553
00:21:01,430 --> 00:20:59,280
that terminology that's always out there

554
00:21:02,870 --> 00:21:01,440
that one piece of evidence doesn't exist

555
00:21:05,190 --> 00:21:02,880
and won't exist but

556
00:21:07,510 --> 00:21:05,200
there's a folder that is packed with

557
00:21:09,750 --> 00:21:07,520
testimony and witness accounts and

558
00:21:11,990 --> 00:21:09,760
experiences and you know all of that

559
00:21:13,430 --> 00:21:12,000
stuff do you remember a time where you

560
00:21:15,190 --> 00:21:13,440
first saw

561
00:21:17,110 --> 00:21:15,200
an investigation and you've seen

562
00:21:19,029 --> 00:21:17,120
multiple pieces of evidence and read

563
00:21:19,430 --> 00:21:19,039

multiple texts where you saw something

564

00:21:26,870 --> 00:21:19,440

that

565

00:21:31,190 --> 00:21:26,880

process of of taking an information

566

00:21:33,350 --> 00:21:31,200

oh it's worse than that i i did

567

00:21:34,710 --> 00:21:33,360

i didn't have that moment i knew there

568

00:21:37,110 --> 00:21:34,720

was extraterrestrials here when i was a

569

00:21:41,750 --> 00:21:37,120

teenager

570

00:21:50,549 --> 00:21:45,510

the way the way propaganda

571

00:21:53,430 --> 00:21:50,559

works the way lies work

572

00:21:53,990 --> 00:21:53,440

are repeating them over and over and

573

00:22:01,029 --> 00:21:54,000

over

574

00:22:02,870 --> 00:22:01,039

until people just go well it's got to be

575

00:22:06,470 --> 00:22:02,880

true

576

00:22:08,789 --> 00:22:06,480

it's a just it's a field distortion

577

00:22:10,870 --> 00:22:08,799

reality gets turned upside down okay

578

00:22:14,950 --> 00:22:10,880

that's how it works

579

00:22:17,510 --> 00:22:14,960

but in the early days uh

580

00:22:19,430 --> 00:22:17,520

so i'm a kid let's say let's take me up

581

00:22:24,830 --> 00:22:19,440

to being about 15 years 16 years old so

582

00:22:29,190 --> 00:22:26,149

uh

583

00:22:32,710 --> 00:22:29,200

and the early days

584

00:22:34,630 --> 00:22:32,720

it the truth embargo was certainly

585

00:22:38,149 --> 00:22:34,640

underway

586

00:22:41,110 --> 00:22:38,159

but it hadn't achieved its full glory

587

00:22:42,870 --> 00:22:41,120

so so what was happening back in those

588

00:22:44,549 --> 00:22:42,880

days in the 50s and 60s was

589

00:22:47,590 --> 00:22:44,559

that that things were happening and

590

00:22:49,590 --> 00:22:47,600

they'd be there'd be an article about it

591

00:22:50,789 --> 00:22:49,600

paper would write something up and so

592

00:22:56,070 --> 00:22:50,799

forth

593

00:22:58,230 --> 00:22:56,080

um and i was i was seeing these

594

00:22:59,510 --> 00:22:58,240

i was seeing these articles about this

595

00:23:02,549 --> 00:22:59,520

or article about that

596

00:23:06,310 --> 00:23:02,559

i read the look magazine article

597

00:23:08,789 --> 00:23:06,320

about betty and barney hill

598

00:23:10,549 --> 00:23:08,799

which is basically a a write-up of that

599

00:23:13,190 --> 00:23:10,559

case it wasn't a

600

00:23:14,310 --> 00:23:13,200

propaganda piece it was a write-up

601
00:23:17,350 --> 00:23:14,320
because back then

602
00:23:19,590 --> 00:23:17,360
if something was kind of in the news uh

603
00:23:21,110 --> 00:23:19,600
and you were a magazine or a newspaper

604
00:23:25,430 --> 00:23:21,120
of quality

605
00:23:28,470 --> 00:23:25,440
you could write it up and i read that

606
00:23:30,390 --> 00:23:28,480
and i went well clearly

607
00:23:32,870 --> 00:23:30,400
this was an extraterrestrial encounter

608
00:23:37,270 --> 00:23:32,880
by betty and barney hill

609
00:23:40,230 --> 00:23:37,280
i had no i had no uh bias

610
00:23:41,510 --> 00:23:40,240
i had no stake in that i was simply a

611
00:23:44,789 --> 00:23:41,520
citizen

612
00:23:45,510 --> 00:23:44,799
now a teenager reading this article this

613
00:23:48,789 --> 00:23:45,520

extraordinary

614

00:23:50,390 --> 00:23:48,799

barney hill

615

00:23:52,149 --> 00:23:50,400

and at that point i said well clearly

616

00:23:53,750 --> 00:23:52,159

that's what it is

617

00:23:56,230 --> 00:23:53,760

and then i would i would read another

618

00:23:57,430 --> 00:23:56,240

about this a citing event or what have

619

00:24:00,070 --> 00:23:57,440

you

620

00:24:02,630 --> 00:24:00,080

and simply as an unbiased person

621

00:24:06,630 --> 00:24:02,640

relatively intelligence reading this

622

00:24:09,750 --> 00:24:06,640

it was clear that the proper explanation

623

00:24:13,269 --> 00:24:09,760

was extraterrestrial

624

00:24:18,310 --> 00:24:13,279

now why am i why am i saying this

625

00:24:22,149 --> 00:24:18,320

look not everything has to go through

626
00:24:25,029 --> 00:24:22,159
ten thousand peer review papers

627
00:24:26,789 --> 00:24:25,039
all right and and the vast scientific

628
00:24:31,269 --> 00:24:26,799
rigor

629
00:24:33,669 --> 00:24:31,279
in order to arrive at a quote conclusion

630
00:24:35,269 --> 00:24:33,679
not everything has to have a 10-week

631
00:24:37,990 --> 00:24:35,279
trial

632
00:24:39,190 --> 00:24:38,000
to arrive at a conclusion those things

633
00:24:43,990 --> 00:24:39,200
are

634
00:24:46,230 --> 00:24:44,000
importance of science

635
00:24:47,510 --> 00:24:46,240
getting things right so you can move on

636
00:24:49,909 --> 00:24:47,520
to

637
00:24:52,950 --> 00:24:49,919
other phenomena or build on that

638
00:24:57,190 --> 00:24:52,960

information base is extremely

639

00:25:00,310 --> 00:24:57,200

significant for society

640

00:25:02,390 --> 00:25:00,320

and the importance of getting

641

00:25:04,710 --> 00:25:02,400

uh it right when somebody is on trial

642

00:25:06,950 --> 00:25:04,720

for murder

643

00:25:08,390 --> 00:25:06,960

is obviously significant which is why

644

00:25:12,870 --> 00:25:08,400

beyond a reasonable doubt

645

00:25:16,310 --> 00:25:12,880

is there and many many murders

646

00:25:17,190 --> 00:25:16,320

are acquitted that's our but that's all

647

00:25:18,950 --> 00:25:17,200

right

648

00:25:21,750 --> 00:25:18,960

that's these are criteria we use in our

649

00:25:24,870 --> 00:25:21,760

society for valid reasons

650

00:25:26,950 --> 00:25:24,880

that doesn't mean that

651

00:25:30,630 --> 00:25:26,960

all of that has to take place in order

652

00:25:34,149 --> 00:25:30,640

to arrive at a pretty solid conclusion

653

00:25:35,110 --> 00:25:34,159

so in my teens it was self-evident for

654

00:25:38,070 --> 00:25:35,120

me

655

00:25:40,070 --> 00:25:38,080

that this was extraterrestrial and i was

656

00:25:41,350 --> 00:25:40,080

dying to learn more and i think well one

657

00:25:43,269 --> 00:25:41,360

day we're going to learn more about that

658

00:25:46,230 --> 00:25:43,279

that's going to be cool what's going on

659

00:25:47,750 --> 00:25:46,240

and then i went about being a teenager

660

00:25:49,110 --> 00:25:47,760

and then going to college and living my

661

00:25:51,590 --> 00:25:49,120

life

662

00:25:53,190 --> 00:25:51,600

so i didn't need to see some profound

663

00:25:56,070 --> 00:25:53,200

piece of evidence later on

664

00:25:57,430 --> 00:25:56,080

i already knew and why do i when i say

665

00:26:01,029 --> 00:25:57,440

new

666

00:26:04,950 --> 00:26:01,039

status in other words my

667

00:26:08,149 --> 00:26:04,960

my intellect to whatever it was

668

00:26:09,750 --> 00:26:08,159

without any particular bias was

669

00:26:11,510 --> 00:26:09,760

pretty satisfied that that was the

670

00:26:14,549 --> 00:26:11,520

explanation now why

671

00:26:17,590 --> 00:26:14,559

why am i pointing this out

672

00:26:21,190 --> 00:26:17,600

because millions

673

00:26:24,710 --> 00:26:21,200

and millions and millions of people

674

00:26:25,990 --> 00:26:24,720

felt the same way even in the 50s and

675

00:26:29,350 --> 00:26:26,000

the 60s

676

00:26:32,950 --> 00:26:29,360

they they they they got it but again

677

00:26:35,510 --> 00:26:32,960

it was like what what can you do i mean

678

00:26:38,310 --> 00:26:35,520

you will eventually learn more the

679

00:26:40,070 --> 00:26:38,320

government will clearly

680

00:26:41,590 --> 00:26:40,080

the government's clearly looking into

681

00:26:43,110 --> 00:26:41,600

this of course

682

00:26:44,870 --> 00:26:43,120

and they're studying it and then they're

683

00:26:48,310 --> 00:26:44,880

going to be able to provide us

684

00:26:51,430 --> 00:26:48,320

hard information about what's going on

685

00:26:58,149 --> 00:26:56,070

and when i went to college in 1964

686

00:27:00,870 --> 00:26:58,159

i arrived as the vietnam war was taking

687

00:27:04,549 --> 00:27:03,269

and then that was another kind of

688

00:27:07,430 --> 00:27:04,559

interesting moment for me

689

00:27:09,430 --> 00:27:07,440

as the vietnam war took off in college

690

00:27:10,950 --> 00:27:09,440

with each passing month i began to be

691

00:27:12,630 --> 00:27:10,960

deeply suspicious

692

00:27:15,350 --> 00:27:12,640

that what the government was saying

693

00:27:16,870 --> 00:27:15,360

about that war wasn't true

694

00:27:18,630 --> 00:27:16,880

it wasn't there wasn't much i could do

695

00:27:21,590 --> 00:27:18,640

about that

696

00:27:24,070 --> 00:27:21,600

years later i would learn that it

697

00:27:25,430 --> 00:27:24,080

absolutely wasn't true

698

00:27:27,990 --> 00:27:25,440

that the government had used lies and

699

00:27:30,149 --> 00:27:28,000

propaganda in order to convince the

700

00:27:31,669 --> 00:27:30,159

people

701
00:27:34,389 --> 00:27:31,679
to support something they should never

702
00:27:37,590 --> 00:27:34,399
have supported

703
00:27:38,950 --> 00:27:37,600
and perhaps it then it began to dawn on

704
00:27:43,669 --> 00:27:38,960
me

705
00:27:45,909 --> 00:27:43,679
about a war

706
00:27:47,990 --> 00:27:45,919
that's killing hundreds of thousands of

707
00:27:50,630 --> 00:27:48,000
people and tens of thousands of american

708
00:27:53,110 --> 00:27:50,640
soldiers the u.s government is capable

709
00:27:56,789 --> 00:27:53,120
of lying about anything

710
00:27:59,269 --> 00:27:56,799
and so as time went by

711
00:28:00,149 --> 00:27:59,279
i think in the back of my mind at least

712
00:28:01,430 --> 00:28:00,159
when nothing

713
00:28:03,590 --> 00:28:01,440

was getting resolved about this

714

00:28:08,230 --> 00:28:03,600

phenomena

715

00:28:12,310 --> 00:28:08,240

that very likely the fix was in

716

00:28:16,310 --> 00:28:14,830

as we go forward and i get into the

717

00:28:17,669 --> 00:28:16,320

field

718

00:28:19,750 --> 00:28:17,679

i'm all i already know there's an

719

00:28:22,310 --> 00:28:19,760

extraterrestrial presence

720

00:28:23,110 --> 00:28:22,320

so nothing i'm going to see or read is

721

00:28:25,590 --> 00:28:23,120

going to go

722

00:28:26,789 --> 00:28:25,600

oh wow bang there's an extraterrestrial

723

00:28:33,830 --> 00:28:26,799

now

724

00:28:35,269 --> 00:28:33,840

so and

725

00:28:36,710 --> 00:28:35,279

for most people that's not the way it is

726

00:28:38,549 --> 00:28:36,720

most people are not paying attention

727

00:28:41,750 --> 00:28:38,559

just for your average person

728

00:28:42,389 --> 00:28:41,760

and so you could ask them right someone

729

00:28:44,710 --> 00:28:42,399

who has

730

00:28:45,430 --> 00:28:44,720

no idea about this never really thought

731

00:28:47,750 --> 00:28:45,440

about it much

732

00:28:50,230 --> 00:28:47,760

what what when they finally figure it

733

00:28:51,830 --> 00:28:50,240

out and they all will

734

00:28:53,350 --> 00:28:51,840

what was it that brought you there but

735

00:28:55,830 --> 00:28:53,360

i'll tell you

736

00:28:57,350 --> 00:28:55,840

for a significant portion of the human

737

00:28:59,750 --> 00:28:57,360

race

738

00:29:01,590 --> 00:28:59,760

the moment where they have that light

739

00:29:04,870 --> 00:29:01,600

bulb go off

740

00:29:06,630 --> 00:29:04,880

in their head that says oh

741

00:29:08,310 --> 00:29:06,640

we're not alone in the universe there's

742

00:29:09,909 --> 00:29:08,320

other civilizations there and they're

743

00:29:12,630 --> 00:29:09,919

actually engaging us

744

00:29:13,590 --> 00:29:12,640

will be disclosure day it will be the

745

00:29:15,350 --> 00:29:13,600

day

746

00:29:17,190 --> 00:29:15,360

that the heads of state starting

747

00:29:20,230 --> 00:29:17,200

hopefully with

748

00:29:20,950 --> 00:29:20,240

probably with our president it goes in

749

00:29:22,149 --> 00:29:20,960

front of the world

750

00:29:23,590 --> 00:29:22,159

goes in front of the public goes in

751
00:29:25,190 --> 00:29:23,600
front of a microphone and confirms the

752
00:29:27,750 --> 00:29:25,200
extraterrestrial presence that'll be it

753
00:29:29,750 --> 00:29:27,760
for them that would be wow

754
00:29:31,990 --> 00:29:29,760
all right hello steve that's my answer

755
00:29:33,510 --> 00:29:32,000
uh no that's a good answer listen it's

756
00:29:35,350 --> 00:29:33,520
just lovely listening to your talk as

757
00:29:37,269 --> 00:29:35,360
well i'm going to come to that in just a

758
00:29:38,549 --> 00:29:37,279
second about disclosure with a small d

759
00:29:40,470 --> 00:29:38,559
and a capital d

760
00:29:42,149 --> 00:29:40,480
just before i do i want to talk to you

761
00:29:44,310 --> 00:29:42,159
about someone else who

762
00:29:46,149 --> 00:29:44,320
um very much seems to be someone in the

763
00:29:47,350 --> 00:29:46,159

know or has always been talked about

764

00:29:49,909 --> 00:29:47,360

someone in the know

765

00:29:51,510 --> 00:29:49,919

and i heard you about four years ago um

766

00:29:52,149 --> 00:29:51,520

donald trump had just won the election

767

00:29:54,470 --> 00:29:52,159

in the us

768

00:29:56,710 --> 00:29:54,480

barack obama was the outgoing president

769

00:29:58,870 --> 00:29:56,720

and hillary clinton of course famously

770

00:30:00,630 --> 00:29:58,880

lost that election um now you were

771

00:30:01,750 --> 00:30:00,640

talking about hillary had the chance to

772

00:30:03,990 --> 00:30:01,760

play the the et

773

00:30:05,590 --> 00:30:04,000

card to her advantage and she could have

774

00:30:07,029 --> 00:30:05,600

blown the election wide open but

775

00:30:10,149 --> 00:30:07,039

obviously we know in hindsight

776

00:30:13,350 --> 00:30:10,159

she didn't do you feel now had

777

00:30:15,110 --> 00:30:13,360

hillary won that presidency that we

778

00:30:16,230 --> 00:30:15,120

would be in a different landscape when

779

00:30:19,430 --> 00:30:16,240

it comes to

780

00:30:22,070 --> 00:30:19,440

a potential e.t presence we would have

781

00:30:23,350 --> 00:30:22,080

had disclosure three years ago

782

00:30:26,070 --> 00:30:23,360

we'd be three years into the

783

00:30:27,590 --> 00:30:26,080

post-disclosure world

784

00:30:29,269 --> 00:30:27,600

and the last three years would have been

785

00:30:33,430 --> 00:30:29,279

a hell of a lot more

786

00:30:37,350 --> 00:30:35,590

uh how can i say how do you see that

787

00:30:39,350 --> 00:30:37,360

would have played out though how do you

788

00:30:41,110 --> 00:30:39,360

as a president how does hillary clinton

789

00:30:43,830 --> 00:30:41,120

as the president

790

00:30:45,190 --> 00:30:43,840

introduce that she's gonna it's gonna it

791

00:30:47,110 --> 00:30:45,200

would have happened under her exactly

792

00:30:50,549 --> 00:30:47,120

the way it's happening under

793

00:30:54,389 --> 00:30:50,559

biden um

794

00:30:58,389 --> 00:30:54,399

history is is tough history

795

00:31:00,870 --> 00:30:58,399

is like an ocean sometimes it's a calm

796

00:31:08,789 --> 00:31:04,070

light breeze very calm and whatever boat

797

00:31:11,830 --> 00:31:10,389

generally they get they can get where

798

00:31:13,990 --> 00:31:11,840

they're going

799

00:31:15,669 --> 00:31:14,000

so they want to go from here to there

800

00:31:16,389 --> 00:31:15,679

from this island to that island they set

801
00:31:19,909 --> 00:31:16,399
off

802
00:31:21,110 --> 00:31:19,919
and they get there on the other hand

803
00:31:23,029 --> 00:31:21,120
history can become

804
00:31:25,029 --> 00:31:23,039
like that the c can become quite

805
00:31:29,190 --> 00:31:25,039
difficult

806
00:31:31,830 --> 00:31:29,200
that c can make it almost impossible to

807
00:31:33,750 --> 00:31:31,840
to maintain a proper heading take you

808
00:31:35,350 --> 00:31:33,760
completely off course

809
00:31:37,029 --> 00:31:35,360
strip your sails and leave you in the

810
00:31:38,789 --> 00:31:37,039
middle of the ocean

811
00:31:41,430 --> 00:31:38,799
unable to move forward at all or just

812
00:31:43,909 --> 00:31:41,440
capsize you and sink your boat

813
00:31:45,430 --> 00:31:43,919

that's history so when you get involved

814

00:31:47,830 --> 00:31:45,440

in history

815

00:31:48,870 --> 00:31:47,840

not just existing living moving from day

816

00:31:50,310 --> 00:31:48,880

to day doing your life

817

00:31:51,830 --> 00:31:50,320

but when you get involved in history

818

00:31:53,110 --> 00:31:51,840

when you get involved in things that are

819

00:31:57,190 --> 00:31:53,120

operating at the level

820

00:32:00,789 --> 00:31:57,200

of significant historical implications

821

00:32:04,149 --> 00:32:00,799

then you are now sailing on that sea

822

00:32:07,029 --> 00:32:04,159

and boy it can change uh

823

00:32:08,389 --> 00:32:07,039

it can change in a moment one minute

824

00:32:09,669 --> 00:32:08,399

things are fine

825

00:32:11,590 --> 00:32:09,679

two hours later you're in the middle of

826
00:32:13,269 --> 00:32:11,600
a squall you've got you've got waves 10

827
00:32:15,830 --> 00:32:13,279
feet high

828
00:32:16,789 --> 00:32:15,840
this has happened many times it is a

829
00:32:19,190 --> 00:32:16,799
tough road

830
00:32:21,669 --> 00:32:19,200
that's why it's an awful lot of sailors

831
00:32:30,950 --> 00:32:21,679
at the bottom of the ocean

832
00:32:37,830 --> 00:32:34,070
i was able to successfully

833
00:32:42,549 --> 00:32:37,840
get the media

834
00:32:45,430 --> 00:32:42,559
to take up the rather important story

835
00:32:45,990 --> 00:32:45,440
of the connection between secretary

836
00:32:53,350 --> 00:32:46,000
clinton

837
00:32:56,070 --> 00:32:53,360
her campaign chair john podesta

838
00:32:57,750 --> 00:32:56,080

those three for sure but ultimately

839

00:32:59,990 --> 00:32:57,760

included barack obama the president

840

00:33:02,070 --> 00:33:00,000

obama

841

00:33:03,990 --> 00:33:02,080

to do what i should they shouldn't have

842

00:33:06,070 --> 00:33:04,000

been prompted to do

843

00:33:07,830 --> 00:33:06,080

but because of the embargo they needed a

844

00:33:09,990 --> 00:33:07,840

little help

845

00:33:11,269 --> 00:33:10,000

i was able to from washington able to

846

00:33:13,269 --> 00:33:11,279

generate

847

00:33:14,630 --> 00:33:13,279

the storyline about the connection

848

00:33:18,230 --> 00:33:14,640

between this

849

00:33:18,789 --> 00:33:18,240

candidate who was long favored favored

850

00:33:22,310 --> 00:33:18,799

to be

851

00:33:23,909 --> 00:33:22,320

president and the fact that there was

852

00:33:25,190 --> 00:33:23,919

this substantial historical connection

853

00:33:26,870 --> 00:33:25,200

to the e.t issue and they started

854

00:33:29,269 --> 00:33:26,880

writing stories

855

00:33:30,950 --> 00:33:29,279

uh they started contacting her and

856

00:33:33,110 --> 00:33:30,960

podesta

857

00:33:34,070 --> 00:33:33,120

uh about these stories about for

858

00:33:36,070 --> 00:33:34,080

commenting and

859

00:33:37,509 --> 00:33:36,080

and they weren't getting a response this

860

00:33:38,789 --> 00:33:37,519

forced their hand and they started

861

00:33:42,230 --> 00:33:38,799

coming forward

862

00:33:42,870 --> 00:33:42,240

limited way podesta made statements she

863

00:33:46,070 --> 00:33:42,880

went on

864

00:33:47,830 --> 00:33:46,080

shows brought up the uap issue and many

865

00:33:49,190 --> 00:33:47,840

other things about 11 times during the

866

00:33:50,310 --> 00:33:49,200

campaign never happened before in

867

00:33:52,470 --> 00:33:50,320

history

868

00:33:54,789 --> 00:33:52,480

and it was a huge story 400 articles at

869

00:33:56,549 --> 00:33:54,799

least that's just english language

870

00:33:58,630 --> 00:33:56,559

probably many hundreds more foreign

871

00:34:03,190 --> 00:33:58,640

language all about

872

00:34:08,550 --> 00:34:03,200

et's and secretary clinton so

873

00:34:11,990 --> 00:34:08,560

that clearly uh going to be

874

00:34:14,790 --> 00:34:12,000

followed up on if she won the election

875

00:34:16,470 --> 00:34:14,800

in other words not just her historical

876
00:34:17,510 --> 00:34:16,480
connection to the issue and her husbands

877
00:34:19,190 --> 00:34:17,520
and podestas

878
00:34:20,869 --> 00:34:19,200
but also everything she said during the

879
00:34:22,629 --> 00:34:20,879
campaign so it was totally successful

880
00:34:24,230 --> 00:34:22,639
effort out of washington dc very few

881
00:34:28,310 --> 00:34:24,240
people know about this

882
00:34:29,190 --> 00:34:28,320
um uh but i know and my public relations

883
00:34:31,669 --> 00:34:29,200
person knows

884
00:34:34,149 --> 00:34:31,679
maybe one day it'll get told so

885
00:34:36,790 --> 00:34:34,159
everything is going fine

886
00:34:38,470 --> 00:34:36,800
and one of the reasons it was it was

887
00:34:41,589 --> 00:34:38,480
going fine

888
00:34:43,669 --> 00:34:41,599

is because i'm convinced that secretary

889

00:34:46,389 --> 00:34:43,679

clinton fully intended to end the truth

890

00:34:52,389 --> 00:34:49,829

in order to seek justice

891

00:34:53,109 --> 00:34:52,399

for the fact that her husband tried to

892

00:34:56,790 --> 00:34:53,119

get

893

00:34:58,790 --> 00:34:56,800

was stonewalled by his own government

894

00:34:59,990 --> 00:34:58,800

and attacked i mean he was attacked and

895

00:35:02,230 --> 00:35:00,000

belittled his

896

00:35:04,550 --> 00:35:02,240

political capital was undermined i mean

897

00:35:06,870 --> 00:35:04,560

he was he was raked over the cold

898

00:35:08,470 --> 00:35:06,880

partially because of the e.t issue and

899

00:35:10,230 --> 00:35:08,480

it made her pretty mad when she left she

900

00:35:13,270 --> 00:35:10,240

was a very angry woman

901
00:35:14,470 --> 00:35:13,280
and so she was now going to get that

902
00:35:15,430 --> 00:35:14,480
legacy she was going to be the first

903
00:35:18,790 --> 00:35:15,440
woman president

904
00:35:19,190 --> 00:35:18,800
and the president who forced a bunch of

905
00:35:22,710 --> 00:35:19,200
men

906
00:35:26,390 --> 00:35:22,720
over at the pentagon to put up or be

907
00:35:28,230 --> 00:35:26,400
be gone deliver or you're gone

908
00:35:29,750 --> 00:35:28,240
your replacements deliver or they're

909
00:35:32,550 --> 00:35:29,760
gone

910
00:35:34,150 --> 00:35:32,560
so this her historical legacy is

911
00:35:35,109 --> 00:35:34,160
literally laying out before her it's

912
00:35:39,990 --> 00:35:35,119
going to be

913
00:35:43,030 --> 00:35:40,000

huge so all good and then history

914

00:35:45,910 --> 00:35:43,040

that that ocean ocean squall

915

00:35:48,870 --> 00:35:45,920

turned up and very soon the waves were

916

00:35:53,030 --> 00:35:51,109

wikileaks release there were two

917

00:35:54,950 --> 00:35:53,040

wikileaks releases both of them damaged

918

00:35:57,190 --> 00:35:54,960

the democrats

919

00:35:58,870 --> 00:35:57,200

you had the actions of the fbi decisions

920

00:36:00,630 --> 00:35:58,880

to make they made during the end of the

921

00:36:03,990 --> 00:36:00,640

campaign

922

00:36:08,230 --> 00:36:04,000

very upsetting and

923

00:36:12,470 --> 00:36:11,030

if she had and and everything changes

924

00:36:15,030 --> 00:36:12,480

and in other words

925

00:36:16,230 --> 00:36:15,040

she's lost the election my boats

926
00:36:20,390 --> 00:36:16,240
capsized

927
00:36:21,349 --> 00:36:20,400
we're upside down in the water sitting

928
00:36:24,310 --> 00:36:21,359
on the halls

929
00:36:25,270 --> 00:36:24,320
the seas are calming a little bit and

930
00:36:27,349 --> 00:36:25,280
then

931
00:36:30,550 --> 00:36:27,359
we wait for the next president to take

932
00:36:35,670 --> 00:36:33,670
and when that president took over the

933
00:36:39,190 --> 00:36:35,680
storm came back

934
00:36:41,750 --> 00:36:39,200
and raged for four solid years

935
00:36:42,230 --> 00:36:41,760
so everything that we were doing between

936
00:36:49,510 --> 00:36:42,240
19

937
00:36:53,750 --> 00:36:49,520
and the present or or

938
00:36:56,710 --> 00:36:53,760

november december 20 20 20.

939

00:36:58,390 --> 00:36:56,720

um was done in the middle of a raging

940

00:37:02,230 --> 00:36:58,400

storm

941

00:37:10,150 --> 00:37:05,990

what she would have very likely done

942

00:37:13,829 --> 00:37:13,190

okay and let's say that i was going to

943

00:37:17,030 --> 00:37:13,839

say

944

00:37:18,069 --> 00:37:17,040

let me ask you on that you also talked

945

00:37:20,390 --> 00:37:18,079

um about

946

00:37:21,589 --> 00:37:20,400

disclosure and and there's disclosure

947

00:37:25,190 --> 00:37:21,599

with a small d

948

00:37:26,870 --> 00:37:25,200

and disclosure with a capital d um

949

00:37:28,630 --> 00:37:26,880

now you're you're you're certain you're

950

00:37:30,150 --> 00:37:28,640

convinced and you've talked on this and

951
00:37:30,950 --> 00:37:30,160
like you've said here that we're going

952
00:37:33,510 --> 00:37:30,960
to get that

953
00:37:36,310 --> 00:37:33,520
disclosure with a small d as a process

954
00:37:36,630 --> 00:37:36,320
and capital d disclosure as as the event

955
00:37:39,670 --> 00:37:36,640
or

956
00:37:42,470 --> 00:37:39,680
an event itself right do you still feel

957
00:37:43,190 --> 00:37:42,480
even now we are guaranteed to get that

958
00:37:45,910 --> 00:37:43,200
capital d

959
00:37:47,750 --> 00:37:45,920
disclosure as opposed to uh i'll use air

960
00:37:49,349 --> 00:37:47,760
quotes confirmation

961
00:37:51,589 --> 00:37:49,359
and i'm asking this and on the basis

962
00:37:52,150 --> 00:37:51,599
that a confirmation would be more likely

963
00:37:54,150 --> 00:37:52,160

to

964

00:37:55,430 --> 00:37:54,160

absolve any government let's just say

965

00:37:56,630 --> 00:37:55,440

the us like you say

966

00:37:59,589 --> 00:37:56,640

more than likely would come from the

967

00:38:00,150 --> 00:37:59,599

united states um to steer clear of any

968

00:38:02,710 --> 00:38:00,160

blame

969

00:38:06,230 --> 00:38:02,720

or can i pass discrepancies given that

970

00:38:09,270 --> 00:38:06,240

the historical cover-up that's going on

971

00:38:12,230 --> 00:38:09,280

look that's five questions uh look look

972

00:38:14,230 --> 00:38:12,240

it's simple disclosure small d

973

00:38:17,349 --> 00:38:14,240

disclosure process

974

00:38:20,550 --> 00:38:17,359

has been going on since 1947 relentless

975

00:38:23,589 --> 00:38:21,990

people getting information finding

976
00:38:24,710 --> 00:38:23,599
information publishing information

977
00:38:27,030 --> 00:38:24,720
talking whatever

978
00:38:28,630 --> 00:38:27,040
all of the information gathering

979
00:38:30,310 --> 00:38:28,640
research everything else is small d

980
00:38:31,030 --> 00:38:30,320
disclosure trying to get information out

981
00:38:33,030 --> 00:38:31,040
about this

982
00:38:35,510 --> 00:38:33,040
and i say and why does that term have

983
00:38:37,030 --> 00:38:35,520
any special meaning even with a small d

984
00:38:39,589 --> 00:38:37,040
because we're applying it to the et

985
00:38:40,570 --> 00:38:39,599
issue disclosure about everything is

986
00:38:43,190 --> 00:38:40,580
going on all the time

987
00:38:46,550 --> 00:38:43,200
[Laughter]

988
00:38:47,670 --> 00:38:46,560

when when the uh the the washington dc

989

00:38:50,390 --> 00:38:47,680

publishes a new

990

00:38:51,670 --> 00:38:50,400

metro schedule that's uh disclosure it's

991

00:38:53,990 --> 00:38:51,680

it's new information

992

00:38:55,829 --> 00:38:54,000

but so but and with respect to the etsu

993

00:38:59,030 --> 00:38:55,839

it has a little more special meaning

994

00:39:00,550 --> 00:38:59,040

disclosure disclosure process small d is

995

00:39:02,390 --> 00:39:00,560

the unfolding process

996

00:39:03,750 --> 00:39:02,400

of information regarding the

997

00:39:06,310 --> 00:39:03,760

extraterrestrial presence

998

00:39:08,950 --> 00:39:06,320

continues to this day it'll continue for

999

00:39:11,589 --> 00:39:08,960

years and years to come

1000

00:39:13,589 --> 00:39:11,599

disclosure with a capital d which is

1001

00:39:17,270 --> 00:39:13,599

something that i

1002

00:39:20,390 --> 00:39:17,280

was pushing um

1003

00:39:22,069 --> 00:39:20,400

uh might have even started i'm not sure

1004

00:39:23,670 --> 00:39:22,079

disclosure with a small d other people

1005

00:39:24,230 --> 00:39:23,680

were already using that in a very formal

1006

00:39:25,750 --> 00:39:24,240

way

1007

00:39:27,349 --> 00:39:25,760

but what i think i may be the first one

1008

00:39:28,870 --> 00:39:27,359

to put the capital d on and

1009

00:39:30,470 --> 00:39:28,880

and try to use it in this term but

1010

00:39:33,510 --> 00:39:30,480

whatever that

1011

00:39:34,790 --> 00:39:33,520

is the that's that is the confirmation

1012

00:39:37,670 --> 00:39:34,800

day

1013

00:39:39,910 --> 00:39:37,680

disclosure with a capital d is defined

1014

00:39:42,630 --> 00:39:39,920

by the activist movement

1015

00:39:44,390 --> 00:39:42,640

as this and only this there are no other

1016

00:39:47,589 --> 00:39:44,400

interpretations

1017

00:39:49,430 --> 00:39:47,599

it is the formal confirmation

1018

00:39:51,430 --> 00:39:49,440

of an extraterrestrial presence engaging

1019

00:39:53,270 --> 00:39:51,440

the human race by the heads of state of

1020

00:39:56,950 --> 00:39:53,280

nations

1021

00:39:59,109 --> 00:39:56,960

so when that confirmation

1022

00:40:00,630 --> 00:39:59,119

comes out of the mouth of the president

1023

00:40:02,390 --> 00:40:00,640

of the united states or the president of

1024

00:40:05,430 --> 00:40:02,400

china the president of

1025

00:40:09,030 --> 00:40:05,440

of russia formally

1026
00:40:12,150 --> 00:40:09,040
in front of a microphone and press

1027
00:40:14,630 --> 00:40:12,160
we have not had disclosure capital d

1028
00:40:15,190 --> 00:40:14,640
that's all it is if you don't if that if

1029
00:40:16,790 --> 00:40:15,200
some

1030
00:40:18,230 --> 00:40:16,800
anybody else in government gives a press

1031
00:40:20,309 --> 00:40:18,240
conference and says i'm pretty sure

1032
00:40:23,510 --> 00:40:20,319
there's et's here that's not disclosure

1033
00:40:26,390 --> 00:40:23,520
has to come from the head of state now

1034
00:40:26,630 --> 00:40:26,400
it's some confusion there small d little

1035
00:40:34,069 --> 00:40:26,640
d

1036
00:40:36,950 --> 00:40:34,079
confirmation which is fine

1037
00:40:37,349 --> 00:40:36,960
but it's a formal confirmation it's a

1038
00:40:40,550 --> 00:40:37,359

big

1039

00:40:44,309 --> 00:40:40,560

confirmation so disclosure

1040

00:40:46,470 --> 00:40:44,319

capital d is the formal confirmation of

1041

00:40:49,829 --> 00:40:46,480

the extraterrestrial presence by

1042

00:40:51,990 --> 00:40:49,839

the head of state so we got that

1043

00:40:54,470 --> 00:40:52,000

right and the question has always been

1044

00:40:58,230 --> 00:40:54,480

from the day i got involved

1045

00:40:59,030 --> 00:40:58,240

how do we get it how how do we get to a

1046

00:41:01,349 --> 00:40:59,040

place where

1047

00:41:03,670 --> 00:41:01,359

the president of any country can

1048

00:41:05,589 --> 00:41:03,680

actually do that

1049

00:41:07,510 --> 00:41:05,599

and that has been the disclosure

1050

00:41:08,950 --> 00:41:07,520

activist movement

1051

00:41:10,870 --> 00:41:08,960

right which is what i am i'm a

1052

00:41:14,790 --> 00:41:10,880

disclosure activist

1053

00:41:19,109 --> 00:41:17,829

or just a political activist trying to

1054

00:41:23,270 --> 00:41:19,119

get the government

1055

00:41:26,870 --> 00:41:23,280

to do something in fact all activism

1056

00:41:29,430 --> 00:41:26,880

i'm not aware of there aren't many

1057

00:41:30,870 --> 00:41:29,440

examples uh that that refute this but

1058

00:41:33,750 --> 00:41:30,880

i'm sure that there are a few

1059

00:41:34,790 --> 00:41:33,760

you can find a couple but the vast

1060

00:41:38,550 --> 00:41:34,800

majority of all

1061

00:41:41,750 --> 00:41:38,560

activism even at the local state

1062

00:41:44,950 --> 00:41:41,760

federal level global level

1063

00:41:46,309 --> 00:41:44,960

is they have one thing in common the

1064

00:41:53,109 --> 00:41:46,319

people

1065

00:41:56,950 --> 00:41:53,119

authority formal authority

1066

00:42:01,430 --> 00:41:56,960

to do something it doesn't want to do

1067

00:42:04,390 --> 00:42:01,440

it's not simple right

1068

00:42:05,910 --> 00:42:04,400

and well what is it that the authority

1069

00:42:07,030 --> 00:42:05,920

doesn't want to do in this case

1070

00:42:09,589 --> 00:42:07,040

it doesn't want to confirm the

1071

00:42:12,790 --> 00:42:09,599

extraterrestrial presence

1072

00:42:14,150 --> 00:42:12,800

and we need to get it to do that which

1073

00:42:15,670 --> 00:42:14,160

brings us to the probably the most

1074

00:42:17,910 --> 00:42:15,680

important

1075

00:42:19,109 --> 00:42:17,920

info i can provide your listeners in the

1076

00:42:23,270 --> 00:42:19,119

uk

1077

00:42:25,510 --> 00:42:23,280

many times spent months in london

1078

00:42:26,870 --> 00:42:25,520

been to scotland been all over the place

1079

00:42:30,150 --> 00:42:26,880

love the country

1080

00:42:33,510 --> 00:42:30,160

love the people it's a cool place

1081

00:42:40,550 --> 00:42:37,430

the way disclosure

1082

00:42:41,750 --> 00:42:40,560

needs to take place given how important

1083

00:42:45,589 --> 00:42:41,760

it is

1084

00:42:47,430 --> 00:42:45,599

given the implications it has

1085

00:42:50,150 --> 00:42:47,440

it will be the most profound event in

1086

00:42:53,750 --> 00:42:50,160

human history based upon

1087

00:42:56,630 --> 00:42:53,760

the number of people impacted in one

1088

00:42:59,270 --> 00:42:56,640

form or fashion and the amount of time

1089

00:43:02,069 --> 00:42:59,280

it will take for that impact to hit

1090

00:43:03,270 --> 00:43:02,079

nothing in history will even remotely

1091

00:43:07,030 --> 00:43:03,280

compare

1092

00:43:10,390 --> 00:43:07,040

it's a big deal so it has to be done

1093

00:43:12,309 --> 00:43:10,400

right when you do something big okay if

1094

00:43:13,750 --> 00:43:12,319

something that big has got to be handled

1095

00:43:16,790 --> 00:43:13,760

properly

1096

00:43:19,270 --> 00:43:16,800

like a royal wedding

1097

00:43:20,630 --> 00:43:19,280

you just can't decide out let's hold it

1098

00:43:22,630 --> 00:43:20,640

next wednesday and

1099

00:43:24,069 --> 00:43:22,640

i don't know somebody get a cater throw

1100

00:43:25,190 --> 00:43:24,079

it together whatever invite a few

1101

00:43:26,790 --> 00:43:25,200

friends you no no

1102

00:43:28,470 --> 00:43:26,800

no no no you don't you don't you can't

1103

00:43:32,230 --> 00:43:28,480

do that

1104

00:43:35,510 --> 00:43:32,240

so the way

1105

00:43:38,309 --> 00:43:35,520

that it always had to happen and i knew

1106

00:43:40,230 --> 00:43:38,319

this 25 years ago

1107

00:43:41,829 --> 00:43:40,240

was that in the united states though

1108

00:43:42,390 --> 00:43:41,839

this does apply i think to other

1109

00:43:45,910 --> 00:43:42,400

countries

1110

00:43:50,150 --> 00:43:45,920

way

1111

00:43:52,829 --> 00:43:50,160

appropriately happen

1112

00:43:54,230 --> 00:43:52,839

because it's the most positive

1113

00:43:57,349 --> 00:43:54,240

constructive

1114

00:43:59,270 --> 00:43:57,359

least upsetting disrupting process in

1115

00:44:02,710 --> 00:43:59,280

the united states

1116

00:44:05,750 --> 00:44:02,720

is that the congress needs to call for

1117

00:44:10,470 --> 00:44:08,230

for people for evidence and testimony

1118

00:44:13,990 --> 00:44:10,480

particularly testimony to be presented

1119

00:44:19,510 --> 00:44:17,510

so that the congressional committees

1120

00:44:22,069 --> 00:44:19,520

can make informed decision about

1121

00:44:25,270 --> 00:44:22,079

legislation that is how

1122

00:44:26,950 --> 00:44:25,280

our democratic republic works how to

1123

00:44:28,390 --> 00:44:26,960

deal with a particular issue they need

1124

00:44:32,470 --> 00:44:28,400

informed

1125

00:44:33,910 --> 00:44:32,480

and one of the way that one of the ways

1126

00:44:37,829 --> 00:44:33,920

that they do that

1127

00:44:40,150 --> 00:44:37,839

is they they take testimony under oath

1128

00:44:41,510 --> 00:44:40,160

uh the oath is a is to help ensure the

1129

00:44:43,829 --> 00:44:41,520

information is

1130

00:44:44,950 --> 00:44:43,839

is uh going to be valid because if it's

1131

00:44:49,589 --> 00:44:44,960

not those people

1132

00:44:52,950 --> 00:44:49,599

face penalties for perjury

1133

00:45:00,710 --> 00:44:57,349

and they need to be public in some cases

1134

00:45:01,430 --> 00:45:00,720

because if the public can watch the

1135

00:45:04,550 --> 00:45:01,440

process

1136

00:45:06,870 --> 00:45:04,560

unfold the republic is getting the

1137

00:45:08,150 --> 00:45:06,880

public the public the citizens are

1138

00:45:11,349 --> 00:45:08,160

getting that information

1139

00:45:14,950 --> 00:45:11,359

at the same time in most cases

1140

00:45:17,670 --> 00:45:14,960

then that further

1141

00:45:19,270 --> 00:45:17,680

supports the process and the confidence

1142

00:45:22,230 --> 00:45:19,280

of the people

1143

00:45:23,670 --> 00:45:22,240

no no mysteries here the committee

1144

00:45:24,710 --> 00:45:23,680

chairs and the committee members heard

1145

00:45:26,710 --> 00:45:24,720

just what we just saw

1146

00:45:28,069 --> 00:45:26,720

on camera that doesn't always happen

1147

00:45:30,069 --> 00:45:28,079

because the issues are not important

1148

00:45:32,230 --> 00:45:30,079

enough but the more important the issue

1149

00:45:33,430 --> 00:45:32,240

the more the need for the cameras to be

1150

00:45:38,069 --> 00:45:33,440

in the room

1151
00:45:43,589 --> 00:45:38,079
this is self-evident right and then

1152
00:45:50,710 --> 00:45:47,670
the executive branch

1153
00:45:53,349 --> 00:45:50,720
can all review it

1154
00:45:54,870 --> 00:45:53,359
discuss it with members of congress and

1155
00:45:58,230 --> 00:45:54,880
arrive at a conclusion

1156
00:45:59,910 --> 00:45:58,240
and arrive at a course of action this is

1157
00:46:02,390 --> 00:45:59,920
doesn't happen immediately but it's

1158
00:46:03,750 --> 00:46:02,400
again it can be it can take weeks

1159
00:46:06,309 --> 00:46:03,760
it might take a lot much longer could

1160
00:46:08,230 --> 00:46:06,319
take months but that's the way

1161
00:46:09,349 --> 00:46:08,240
something of this magnitude is supposed

1162
00:46:12,790 --> 00:46:09,359
to happen

1163
00:46:14,309 --> 00:46:12,800

which is why people

1164

00:46:16,390 --> 00:46:14,319

number of people some i know some i

1165

00:46:17,270 --> 00:46:16,400

don't have been trying to get those

1166

00:46:21,190 --> 00:46:17,280

hearings

1167

00:46:24,390 --> 00:46:21,200

for 52 years the last hearing on the

1168

00:46:28,790 --> 00:46:24,400

subject of extraterrestrials or ufos

1169

00:46:30,390 --> 00:46:28,800

was 1968 in a house lasted a single day

1170

00:46:32,230 --> 00:46:30,400

there were four i think four people

1171

00:46:35,430 --> 00:46:32,240

testified and there were some reports

1172

00:46:36,950 --> 00:46:35,440

that was it that was it the next year

1173

00:46:39,109 --> 00:46:36,960

they disbanded blue book

1174

00:46:40,829 --> 00:46:39,119

and basically said we don't need to

1175

00:46:45,750 --> 00:46:40,839

study this anymore

1176

00:46:47,430 --> 00:46:45,760

um that that wasn't a real attempt

1177

00:46:49,990 --> 00:46:47,440

to get information to make informed

1178

00:46:52,230 --> 00:46:50,000

decisions that was a show hearing

1179

00:46:53,109 --> 00:46:52,240

i'm not saying that the people testified

1180

00:46:55,109 --> 00:46:53,119

were doing that

1181

00:46:56,309 --> 00:46:55,119

but the congress in the white house that

1182

00:46:58,790 --> 00:46:56,319

was a show here

1183

00:47:00,309 --> 00:46:58,800

get it done close down blue book let's

1184

00:47:04,550 --> 00:47:00,319

move on

1185

00:47:06,390 --> 00:47:04,560

so in the 52 years since

1186

00:47:09,190 --> 00:47:06,400

every effort to get hearings has been

1187

00:47:13,670 --> 00:47:09,200

blocked cold

1188

00:47:16,069 --> 00:47:13,680

stop cold couldn't happen because

1189

00:47:17,589 --> 00:47:16,079

with each passing year the government or

1190

00:47:20,150 --> 00:47:17,599

the elements of the government that

1191

00:47:21,510 --> 00:47:20,160

dealt with this issue knew that hearings

1192

00:47:24,950 --> 00:47:21,520

like that

1193

00:47:26,710 --> 00:47:24,960

proper hearings over days many number

1194

00:47:28,230 --> 00:47:26,720

many committees many witnesses would end

1195

00:47:32,790 --> 00:47:28,240

the truth embargo

1196

00:47:36,069 --> 00:47:32,800

therefore there cannot be hearings

1197

00:47:40,230 --> 00:47:37,829

what clinton would have done almost

1198

00:47:42,470 --> 00:47:40,240

certainly

1199

00:47:44,230 --> 00:47:42,480

and there's there's it's not the only

1200

00:47:46,790 --> 00:47:44,240

way to end the truth embargo as i've

1201
00:47:49,030 --> 00:47:46,800
said if clinton won the presidency

1202
00:47:50,630 --> 00:47:49,040
she could have once he got the white

1203
00:47:53,510 --> 00:47:50,640
house set up and

1204
00:47:57,030 --> 00:47:53,520
everybody's uh in place she could have

1205
00:47:58,790 --> 00:47:57,040
sent an emissary over to the pentagon

1206
00:48:00,069 --> 00:47:58,800
uh to meet with the top pentagon

1207
00:48:02,950 --> 00:48:00,079
officials top people

1208
00:48:04,950 --> 00:48:02,960
including her own secretary of defense

1209
00:48:06,630 --> 00:48:04,960
and basically said

1210
00:48:09,109 --> 00:48:06,640
the president intends to bring the truth

1211
00:48:12,230 --> 00:48:09,119
of this matter to the american people

1212
00:48:14,790 --> 00:48:12,240
and the pentagon working with what other

1213
00:48:18,230 --> 00:48:14,800

appropriate agencies are necessary

1214

00:48:19,990 --> 00:48:18,240

will provide to her in less than 30 days

1215

00:48:23,109 --> 00:48:20,000

no less than 30 days

1216

00:48:25,190 --> 00:48:23,119

a full and comprehensive report of

1217

00:48:26,390 --> 00:48:25,200

what the government knows about this

1218

00:48:29,109 --> 00:48:26,400

issue

1219

00:48:30,630 --> 00:48:29,119

the names of all of the unidentified or

1220

00:48:33,510 --> 00:48:30,640

rather the

1221

00:48:34,069 --> 00:48:33,520

unacknowledged special access programs

1222

00:48:37,190 --> 00:48:34,079

location

1223

00:48:40,069 --> 00:48:37,200

of any research labs bases

1224

00:48:41,349 --> 00:48:40,079

essentially the works and if you don't

1225

00:48:44,309 --> 00:48:41,359

provide that

1226

00:48:45,030 --> 00:48:44,319

every one of you will be fired every

1227

00:48:47,270 --> 00:48:45,040

single one

1228

00:48:49,030 --> 00:48:47,280

and you will all be replaced and the

1229

00:48:50,870 --> 00:48:49,040

same

1230

00:48:52,390 --> 00:48:50,880

request or demand will be made of the

1231

00:48:55,270 --> 00:48:52,400

new people

1232

00:48:56,470 --> 00:48:55,280

and if they don't respond they will be

1233

00:48:58,470 --> 00:48:56,480

replaced

1234

00:49:00,470 --> 00:48:58,480

and we are prepared to replace the whole

1235

00:49:03,589 --> 00:49:00,480

damn pentagon

1236

00:49:05,829 --> 00:49:03,599

if you do not deliver and that

1237

00:49:07,349 --> 00:49:05,839

would have been it they would have

1238

00:49:09,589 --> 00:49:07,359

delivered and she would have disclosed

1239

00:49:12,069 --> 00:49:09,599

and that's one way

1240

00:49:13,829 --> 00:49:12,079

but she would have done that she would

1241

00:49:15,589 --> 00:49:13,839

have simply encouraged committee chairs

1242

00:49:19,349 --> 00:49:15,599

in congress to call

1243

00:49:20,710 --> 00:49:19,359

for hearings and those hearings

1244

00:49:22,230 --> 00:49:20,720

have gotten underway the focus would

1245

00:49:24,309 --> 00:49:22,240

have been national security that's the

1246

00:49:24,710 --> 00:49:24,319

logical focus for such hearings to begin

1247

00:49:27,430 --> 00:49:24,720

with

1248

00:49:30,069 --> 00:49:27,440

the witnesses would be predominantly if

1249

00:49:32,150 --> 00:49:30,079

not exclusively military

1250

00:49:33,990 --> 00:49:32,160

military witnesses men and women who

1251

00:49:36,470 --> 00:49:34,000

took an oath to serve and are now taking

1252

00:49:39,670 --> 00:49:36,480

another oath to testify

1253

00:49:41,270 --> 00:49:39,680

and those hearings would have presented

1254

00:49:42,950 --> 00:49:41,280

evidence in front of the american people

1255

00:49:43,990 --> 00:49:42,960

and by that i mean hundreds of millions

1256

00:49:45,270 --> 00:49:44,000

of people around the world

1257

00:49:47,829 --> 00:49:45,280

because these would be the most watched

1258

00:49:50,950 --> 00:49:47,839

hearings in all of history

1259

00:49:54,309 --> 00:49:50,960

with a the evidentiary

1260

00:49:57,349 --> 00:49:54,319

testimony until such time

1261

00:49:59,589 --> 00:49:57,359

as it was obvious to anybody who got

1262

00:50:01,349 --> 00:49:59,599

past junior high school

1263

00:50:04,150 --> 00:50:01,359

that of course the extraterrestrial

1264

00:50:06,549 --> 00:50:04,160

presidency is in fact the explanation

1265

00:50:08,790 --> 00:50:06,559

that then allows the president to confer

1266

00:50:11,829 --> 00:50:08,800

with members of congress or key

1267

00:50:15,349 --> 00:50:11,839

congressional leaders as well as uh

1268

00:50:17,750 --> 00:50:15,359

important important uh people in the dod

1269

00:50:18,710 --> 00:50:17,760

appropriate people in dod privately

1270

00:50:20,710 --> 00:50:18,720

confer

1271

00:50:23,349 --> 00:50:20,720

and arrive at the conclusion that yes

1272

00:50:25,349 --> 00:50:23,359

the evidence confirms the e.t presence

1273

00:50:26,549 --> 00:50:25,359

we have watched it the american people

1274

00:50:28,230 --> 00:50:26,559

have watched it

1275

00:50:30,150 --> 00:50:28,240

and so it's now appropriate that i go

1276
00:50:32,710 --> 00:50:30,160
before the american people and confirm

1277
00:50:35,349 --> 00:50:32,720
what that evidence presents

1278
00:50:36,470 --> 00:50:35,359
that would be exactly the way it has to

1279
00:50:37,670 --> 00:50:36,480
be done

1280
00:50:40,230 --> 00:50:37,680
and we would thus be in the

1281
00:50:41,510 --> 00:50:40,240
post-disclosure world there would be all

1282
00:50:43,109 --> 00:50:41,520
kinds of questions

1283
00:50:45,109 --> 00:50:43,119
public relations problems for some

1284
00:50:47,670 --> 00:50:45,119
people not for others

1285
00:50:49,190 --> 00:50:47,680
and that we would already be three years

1286
00:50:51,430 --> 00:50:49,200
down the line

1287
00:50:52,630 --> 00:50:51,440
let me ask you on that stephen the uap

1288
00:50:55,190 --> 00:50:52,640

task force report

1289

00:50:57,030 --> 00:50:55,200

is currently scheduled to be um

1290

00:50:58,470 --> 00:50:57,040

published in june although obviously

1291

00:50:59,829 --> 00:50:58,480

there's a lot of rumors coming up that

1292

00:51:01,990 --> 00:50:59,839

it's more than likely going to be

1293

00:51:03,109 --> 00:51:02,000

delayed none other than chris mellon has

1294

00:51:05,589 --> 00:51:03,119

confirmed that himself

1295

00:51:06,710 --> 00:51:05,599

not confirmed but he's he's stated no

1296

00:51:08,230 --> 00:51:06,720

he's not confirmed no but

1297

00:51:10,230 --> 00:51:08,240

more than likely he said it is going to

1298

00:51:11,190 --> 00:51:10,240

be delayed that would be the most likely

1299

00:51:14,069 --> 00:51:11,200

outcome

1300

00:51:14,790 --> 00:51:14,079

what do you see that report containing

1301
00:51:17,510 --> 00:51:14,800
when it does

1302
00:51:19,270 --> 00:51:17,520
if indeed come out in june i have no

1303
00:51:22,390 --> 00:51:19,280
idea what's going to be in it

1304
00:51:25,829 --> 00:51:22,400
however that brings me to

1305
00:51:29,829 --> 00:51:25,839
the second half of that response

1306
00:51:32,549 --> 00:51:31,190
that i believe would have happened if

1307
00:51:34,470 --> 00:51:32,559
hillary clinton secretary hillary

1308
00:51:37,430 --> 00:51:34,480
clinton won the presidency

1309
00:51:40,069 --> 00:51:37,440
is about to happen now under president

1310
00:51:46,950 --> 00:51:43,270
and while my

1311
00:51:50,470 --> 00:51:46,960
effort to get this done

1312
00:51:53,190 --> 00:51:50,480
was the election initiative

1313
00:51:54,870 --> 00:51:53,200

that i discussed generating all those

1314

00:51:57,510 --> 00:51:54,880

articles and coverage

1315

00:51:58,790 --> 00:51:57,520

and forcing the clinton political team

1316

00:51:59,990 --> 00:51:58,800

out of cover

1317

00:52:01,430 --> 00:52:00,000

where they did have to make some

1318

00:52:03,829 --> 00:52:01,440

statements statements that they were

1319

00:52:06,069 --> 00:52:03,839

always going to have to live with

1320

00:52:08,309 --> 00:52:06,079

john podesta herself her husband and

1321

00:52:11,589 --> 00:52:08,319

barack obama

1322

00:52:14,470 --> 00:52:11,599

uh didn't work didn't happen

1323

00:52:16,069 --> 00:52:14,480

and so when she lost the election i i i

1324

00:52:22,309 --> 00:52:16,079

had basically

1325

00:52:27,510 --> 00:52:24,870

and then i went to london and sort of

1326
00:52:30,549 --> 00:52:27,520
left the field of play

1327
00:52:33,910 --> 00:52:30,559
but a new entrant into this

1328
00:52:37,270 --> 00:52:33,920
disclosure process emerged in october of

1329
00:52:44,549 --> 00:52:41,030
and it's what they've done during

1330
00:52:48,710 --> 00:52:44,559
this past four years

1331
00:52:52,870 --> 00:52:48,720
that has created the situation where

1332
00:52:54,309 --> 00:52:52,880
what i discussed will not take place

1333
00:52:56,150 --> 00:52:54,319
and i'm talking about the to the stars

1334
00:52:59,990 --> 00:52:56,160
academy

1335
00:53:02,549 --> 00:53:00,000
and all that it has done and all of the

1336
00:53:03,349 --> 00:53:02,559
reactions to it and other things that

1337
00:53:06,630 --> 00:53:03,359
have happened

1338
00:53:07,829 --> 00:53:06,640

because of it and this whereas my

1339

00:53:11,349 --> 00:53:07,839

political initiative

1340

00:53:14,230 --> 00:53:11,359

took place between january of 2015

1341

00:53:15,430 --> 00:53:14,240

and the election of 2016 probably 20

1342

00:53:17,750 --> 00:53:15,440

months

1343

00:53:19,829 --> 00:53:17,760

they have been at this now for three

1344

00:53:23,750 --> 00:53:19,839

years a little longer

1345

00:53:25,910 --> 00:53:23,760

um from october of 2017 to

1346

00:53:27,270 --> 00:53:25,920

october 2020 that's three years so you

1347

00:53:31,910 --> 00:53:27,280

know it's about three

1348

00:53:36,630 --> 00:53:31,920

three years five months and

1349

00:53:39,109 --> 00:53:36,640

they they they had they had some uh

1350

00:53:40,549 --> 00:53:39,119

tools in their tool chest that i didn't

1351
00:53:43,270 --> 00:53:40,559
have

1352
00:53:44,390 --> 00:53:43,280
they they came forward as a group of

1353
00:53:45,990 --> 00:53:44,400
individuals from the military

1354
00:53:49,430 --> 00:53:46,000
intelligence complex with

1355
00:53:50,630 --> 00:53:49,440
long careers uh as private citizens and

1356
00:53:53,910 --> 00:53:50,640
an ngo

1357
00:53:56,549 --> 00:53:53,920
non-government organization and the

1358
00:53:58,870 --> 00:53:56,559
first act that they did was to

1359
00:53:59,589 --> 00:53:58,880
provide the new york times with uh the

1360
00:54:01,589 --> 00:53:59,599
uh

1361
00:54:04,950 --> 00:54:01,599
information that the new york times

1362
00:54:09,510 --> 00:54:04,960
eventually vetted and and published in

1363
00:54:11,910 --> 00:54:09,520

december 16 2017. these are the two

1364

00:54:12,710 --> 00:54:11,920

major articles on the front page of

1365

00:54:15,829 --> 00:54:12,720

which i think

1366

00:54:18,069 --> 00:54:15,839

most of your listeners know about then

1367

00:54:20,630 --> 00:54:18,079

they followed up with

1368

00:54:22,549 --> 00:54:20,640

a series on history channel called

1369

00:54:25,349 --> 00:54:22,559

unidentified

1370

00:54:27,109 --> 00:54:25,359

inside america's secret ufo

1371

00:54:30,710 --> 00:54:27,119

investigation

1372

00:54:34,069 --> 00:54:30,720

14 episodes they did that

1373

00:54:36,549 --> 00:54:34,079

and they started giving more interviews

1374

00:54:38,230 --> 00:54:36,559

and speaking to the issue writing op-eds

1375

00:54:40,309 --> 00:54:38,240

things like that

1376
00:54:42,230 --> 00:54:40,319
and that that's going on been going on

1377
00:54:46,710 --> 00:54:42,240
all the way back to

1378
00:54:50,069 --> 00:54:46,720
uh october of 2017.

1379
00:54:53,750 --> 00:54:50,079
and this what they did

1380
00:54:57,190 --> 00:54:53,760
significantly changed the

1381
00:54:59,990 --> 00:54:57,200
circuit this the situation uh

1382
00:55:01,750 --> 00:55:00,000
they have moved the ball well down the

1383
00:55:03,510 --> 00:55:01,760
field

1384
00:55:06,549 --> 00:55:03,520
uh and and there have been many

1385
00:55:08,069 --> 00:55:06,559
consequences of that but

1386
00:55:09,750 --> 00:55:08,079
they lowered the bar for witnesses to

1387
00:55:12,630 --> 00:55:09,760
come forward

1388
00:55:15,030 --> 00:55:12,640

they dramatically increased the

1389

00:55:17,990 --> 00:55:15,040

willingness of thai and media

1390

00:55:18,950 --> 00:55:18,000

to write about this issue appropriately

1391

00:55:21,430 --> 00:55:18,960

they drove

1392

00:55:22,549 --> 00:55:21,440

virtually all of the skeptics the

1393

00:55:25,829 --> 00:55:22,559

debunkers

1394

00:55:28,150 --> 00:55:25,839

the skepta bunkers and anybody else

1395

00:55:29,910 --> 00:55:28,160

with a bizarre desire to become the

1396

00:55:32,789 --> 00:55:29,920

field class of the 21st century they

1397

00:55:35,190 --> 00:55:32,799

drove them off the field

1398

00:55:37,910 --> 00:55:35,200

and things started happening we started

1399

00:55:39,190 --> 00:55:37,920

seeing reactions and so forth

1400

00:55:41,030 --> 00:55:39,200

and there's not enough time to go

1401
00:55:42,710 --> 00:55:41,040
through all that but i will

1402
00:55:44,470 --> 00:55:42,720
i will tell your listeners how they can

1403
00:55:49,349 --> 00:55:44,480
learn about all of that

1404
00:55:53,670 --> 00:55:49,359
in a second but the

1405
00:55:55,510 --> 00:55:53,680
the two things that were most important

1406
00:55:57,670 --> 00:55:55,520
that emerged from this project the to

1407
00:55:59,109 --> 00:55:57,680
the stars academy of arts and science

1408
00:56:01,589 --> 00:55:59,119
we just tend to call it the to the stars

1409
00:56:05,510 --> 00:56:01,599
academy or the tsa

1410
00:56:06,069 --> 00:56:05,520
was this one of the members christopher

1411
00:56:08,789 --> 00:56:06,079
mellon

1412
00:56:11,190 --> 00:56:08,799
is a former deputy assistant secretary

1413
00:56:15,670 --> 00:56:11,200

of defense for intelligence

1414

00:56:20,630 --> 00:56:18,950

and luis elizondo long career with the

1415

00:56:24,230 --> 00:56:20,640

department of defense

1416

00:56:27,190 --> 00:56:24,240

as a uh

1417

00:56:28,789 --> 00:56:27,200

intelligence operative working in many

1418

00:56:32,549 --> 00:56:28,799

countries

1419

00:56:34,309 --> 00:56:32,559

uh highly educated highly skilled

1420

00:56:35,829 --> 00:56:34,319

a fellow seen it all done at all who was

1421

00:56:38,549 --> 00:56:35,839

also a populist and a very

1422

00:56:41,349 --> 00:56:38,559

nice guy i was approachable guy these

1423

00:56:45,349 --> 00:56:44,309

essentially pursued what i believe and

1424

00:56:48,789 --> 00:56:45,359

will continue to believe

1425

00:56:50,630 --> 00:56:48,799

until i'm told otherwise

1426

00:56:53,349 --> 00:56:50,640

what would the the fundamental agenda of

1427

00:57:02,150 --> 00:56:53,359

the to the stars academy

1428

00:57:05,670 --> 00:57:04,069

one of his key jobs was dealing with

1429

00:57:09,109 --> 00:57:05,680

witnesses military

1430

00:57:10,309 --> 00:57:09,119

men and maybe some women he interviewed

1431

00:57:14,069 --> 00:57:10,319

them

1432

00:57:17,990 --> 00:57:14,079

unidentified series

1433

00:57:19,270 --> 00:57:18,000

some in silhouette and when they did

1434

00:57:20,789 --> 00:57:19,280

that

1435

00:57:22,309 --> 00:57:20,799

they say they lowered the bar

1436

00:57:25,670 --> 00:57:22,319

substantially

1437

00:57:30,470 --> 00:57:25,680

for any military

1438

00:57:32,150 --> 00:57:30,480

people who have compelling stories

1439

00:57:34,390 --> 00:57:32,160

about the e.t issue of one form and

1440

00:57:35,990 --> 00:57:34,400

fashion to come forward

1441

00:57:39,109 --> 00:57:36,000

because it was clear the risk of doing

1442

00:57:41,430 --> 00:57:39,119

so was simply had evaporated

1443

00:57:43,750 --> 00:57:41,440

it wasn't going to be a problem and

1444

00:57:46,630 --> 00:57:43,760

there are thousands of them

1445

00:57:49,190 --> 00:57:46,640

we we know that because of the

1446

00:57:51,430 --> 00:57:49,200

unidentified show

1447

00:57:52,309 --> 00:57:51,440

and other appearances he made that

1448

00:57:55,910 --> 00:57:52,319

scores of

1449

00:57:58,230 --> 00:57:55,920

military were contacting him privately

1450

00:58:01,270 --> 00:57:58,240

and that and that's probably still going

1451
00:58:03,030 --> 00:58:01,280
on so it was going on for a couple years

1452
00:58:05,190 --> 00:58:03,040
at the same time we learned that

1453
00:58:08,309 --> 00:58:05,200
christopher mellon

1454
00:58:11,910 --> 00:58:08,319
had made a decision well

1455
00:58:14,950 --> 00:58:11,920
he he had decided to engage the congress

1456
00:58:18,549 --> 00:58:14,960
um we didn't learn about this until

1457
00:58:21,349 --> 00:58:18,559
mid in 2019

1458
00:58:23,030 --> 00:58:21,359
he wrote an op-ed in the hill newspaper

1459
00:58:25,750 --> 00:58:23,040
which is a very

1460
00:58:27,270 --> 00:58:25,760
important newspaper in washington people

1461
00:58:28,789 --> 00:58:27,280
outside of washington may not know about

1462
00:58:30,470 --> 00:58:28,799
it but the hill is they have they have a

1463
00:58:31,829 --> 00:58:30,480

very important website but the hill is a

1464

00:58:32,630 --> 00:58:31,839

very important political newspaper in

1465

00:58:36,309 --> 00:58:32,640

washington

1466

00:58:39,430 --> 00:58:36,319

he wrote an op-ed uh in

1467

00:58:41,750 --> 00:58:39,440

i forget maybe may of 2019

1468

00:58:44,309 --> 00:58:41,760

uh basically saying that the congress

1469

00:58:46,870 --> 00:58:44,319

needs to get involved here

1470

00:58:48,390 --> 00:58:46,880

congress needs to engage this he had

1471

00:58:50,549 --> 00:58:48,400

previously written an op-ed in

1472

00:58:51,990 --> 00:58:50,559

the washington post saying that the

1473

00:58:54,470 --> 00:58:52,000

pentagon needs to get

1474

00:58:55,829 --> 00:58:54,480

on the ball here right uh but now he

1475

00:58:57,510 --> 00:58:55,839

wrote this op-ed in a hill about

1476

00:59:01,430 --> 00:58:57,520

congress needs to get involved

1477

00:59:04,549 --> 00:59:01,440

later that year we got wind that he was

1478

00:59:06,309 --> 00:59:04,559

up on the hill holding meetings with

1479

00:59:08,069 --> 00:59:06,319

members of congress

1480

00:59:09,589 --> 00:59:08,079

almost certainly focused on committee

1481

00:59:11,510 --> 00:59:09,599

chairs

1482

00:59:12,870 --> 00:59:11,520

there are and ranking members there are

1483

00:59:15,430 --> 00:59:12,880

six

1484

00:59:16,630 --> 00:59:15,440

key committees that would would be

1485

00:59:20,309 --> 00:59:16,640

involved in hearings

1486

00:59:21,910 --> 00:59:20,319

of this regarding this issue the

1487

00:59:23,589 --> 00:59:21,920

two most important are the intelligence

1488

00:59:25,270 --> 00:59:23,599

committees of the house and senate

1489

00:59:27,349 --> 00:59:25,280

and the most important of that is the

1490

00:59:29,109 --> 00:59:27,359

senate intelligence committee

1491

00:59:30,789 --> 00:59:29,119

so we knew he was doing that how many we

1492

00:59:33,190 --> 00:59:30,799

don't know but some of the committee

1493

00:59:34,390 --> 00:59:33,200

chairs or congressional members actually

1494

00:59:37,430 --> 00:59:34,400

did

1495

00:59:38,230 --> 00:59:37,440

let it be known that they had had a

1496

00:59:40,789 --> 00:59:38,240

meeting

1497

00:59:41,589 --> 00:59:40,799

but not talking content these were

1498

00:59:44,390 --> 00:59:41,599

private

1499

00:59:46,069 --> 00:59:44,400

off the record briefings we learned that

1500

00:59:48,870 --> 00:59:46,079

witnesses were also

1501
00:59:50,150 --> 00:59:48,880
in those meetings for sure some of the

1502
00:59:52,150 --> 00:59:50,160
pilots from the nimitz and

1503
00:59:53,190 --> 00:59:52,160
other pilots but the total number of

1504
00:59:54,549 --> 00:59:53,200
witnesses that might have been there we

1505
00:59:57,109 --> 00:59:54,559
don't know

1506
00:59:58,390 --> 00:59:57,119
but there were meetings on the hill

1507
01:00:01,990 --> 00:59:58,400
about this issue

1508
01:00:06,069 --> 01:00:02,000
with committee chairs we learned that

1509
01:00:09,109 --> 01:00:07,670
eventually we learned that the president

1510
01:00:10,950 --> 01:00:09,119
also got one of these briefings

1511
01:00:12,630 --> 01:00:10,960
that's when i picked up stakes started

1512
01:00:14,470 --> 01:00:12,640
to raise the money to pick up stakes and

1513
01:00:17,109 --> 01:00:14,480

move back to washington

1514

01:00:18,950 --> 01:00:17,119

in order to get back on the field i'd

1515

01:00:20,630 --> 01:00:18,960

been sitting on the bench for a while

1516

01:00:23,270 --> 01:00:20,640

once i heard the president brief that

1517

01:00:28,870 --> 01:00:23,280

was it so i came back to dc

1518

01:00:35,030 --> 01:00:28,880

and did what i had to do and so

1519

01:00:37,910 --> 01:00:36,630

but they were doing things that i could

1520

01:00:38,710 --> 01:00:37,920

never have done i mean i did what i

1521

01:00:40,390 --> 01:00:38,720

could do because i

1522

01:00:42,630 --> 01:00:40,400

i had there were some things i could do

1523

01:00:44,870 --> 01:00:42,640

and i did them but i couldn't get a

1524

01:00:47,349 --> 01:00:44,880

history channel series

1525

01:00:48,710 --> 01:00:47,359

i couldn't meet with aircraft pilots

1526

01:00:50,710 --> 01:00:48,720

from the nimitz

1527

01:00:51,829 --> 01:00:50,720

i didn't have a i didn't have the career

1528

01:00:53,510 --> 01:00:51,839

of christopher malloy i can go on the

1529

01:00:54,549 --> 01:00:53,520

hill and talk to committee chairs they

1530

01:00:57,349 --> 01:00:54,559

could

1531

01:00:57,750 --> 01:00:57,359

they were using their their background

1532

01:01:04,950 --> 01:00:57,760

and

1533

01:01:06,710 --> 01:01:04,960

i've been talking about this now

1534

01:01:10,470 --> 01:01:06,720

extensively

1535

01:01:14,069 --> 01:01:10,480

uh since december of last year

1536

01:01:17,270 --> 01:01:14,079

is that the fundamental agenda

1537

01:01:18,390 --> 01:01:17,280

of that project forget everything else

1538

01:01:20,069 --> 01:01:18,400

that was said or done and what the

1539

01:01:22,549 --> 01:01:20,079

website says find all that may be

1540

01:01:24,150 --> 01:01:22,559

true it's not saying it's not a it's not

1541

01:01:25,829 --> 01:01:24,160

a single dimension thing but the

1542

01:01:26,789 --> 01:01:25,839

fundamental agenda the reason why they

1543

01:01:29,430 --> 01:01:26,799

took the risk

1544

01:01:31,109 --> 01:01:29,440

that they did forgo the income that they

1545

01:01:32,710 --> 01:01:31,119

had to forego

1546

01:01:35,030 --> 01:01:32,720

was they were going to get the hearings

1547

01:01:37,910 --> 01:01:35,040

that i was we're talking about

1548

01:01:39,670 --> 01:01:37,920

had to get the hearings and so where we

1549

01:01:41,670 --> 01:01:39,680

are now

1550

01:01:42,870 --> 01:01:41,680

is that luis elizondo has essentially

1551

01:01:47,190 --> 01:01:42,880

accumulated

1552

01:01:49,030 --> 01:01:47,200

a very long list of military witnesses

1553

01:01:50,549 --> 01:01:49,040

christopher mellon has set the stage for

1554

01:01:53,270 --> 01:01:50,559

the committee chairs to call

1555

01:01:55,109 --> 01:01:53,280

for hearings for these witnesses and

1556

01:01:56,549 --> 01:01:55,119

we're going to get those hearings

1557

01:01:59,589 --> 01:01:56,559

the hearings that we have been trying to

1558

01:02:02,630 --> 01:01:59,599

get since 1968

1559

01:02:03,910 --> 01:02:02,640

and when those hearings take place they

1560

01:02:07,029 --> 01:02:03,920

will be before

1561

01:02:09,510 --> 01:02:07,039

a number of committees

1562

01:02:13,270 --> 01:02:09,520

almost all if not all of the witnesses

1563

01:02:14,950 --> 01:02:13,280

will be military retired or active

1564

01:02:16,230 --> 01:02:14,960

those hearings will be seen by hundreds

1565

01:02:18,390 --> 01:02:16,240

of millions of people around the world

1566

01:02:20,230 --> 01:02:18,400

they will be televised

1567

01:02:22,390 --> 01:02:20,240

some things will be taken in private

1568

01:02:25,750 --> 01:02:22,400

session meaning some things will be

1569

01:02:29,510 --> 01:02:25,760

uh classified and and uh the witnesses

1570

01:02:31,910 --> 01:02:29,520

will testify about that in a classified

1571

01:02:33,349 --> 01:02:31,920

secret session that's that's fine but

1572

01:02:34,789 --> 01:02:33,359

the vast majority will be public

1573

01:02:38,390 --> 01:02:34,799

hearings

1574

01:02:40,390 --> 01:02:38,400

while but not

1575

01:02:42,710 --> 01:02:40,400

but after a relatively short amount of

1576

01:02:44,069 --> 01:02:42,720

time weeks

1577

01:02:45,990 --> 01:02:44,079

the president of the united states will

1578

01:02:47,109 --> 01:02:46,000

be able to do what i just said

1579

01:02:49,589 --> 01:02:47,119

and what would have likely happened

1580

01:02:50,870 --> 01:02:49,599

under clinton the president can confer

1581

01:02:52,069 --> 01:02:50,880

with the congressional leaders in the

1582

01:02:54,870 --> 01:02:52,079

pentagon

1583

01:02:56,549 --> 01:02:54,880

and say what do you think gentlemen

1584

01:02:59,910 --> 01:02:56,559

ladies and gentlemen and they will say

1585

01:03:01,750 --> 01:02:59,920

mr president i think it's compelling

1586

01:03:03,029 --> 01:03:01,760

uh clearly we have a non-human

1587

01:03:06,150 --> 01:03:03,039

engagement

1588

01:03:07,589 --> 01:03:06,160

by uh extraterrestrials

1589

01:03:09,430 --> 01:03:07,599

and then the president can go in front

1590

01:03:11,750 --> 01:03:09,440

of the american people and say i've seen

1591

01:03:13,750 --> 01:03:11,760

the evidence you've seen the evidence

1592

01:03:14,870 --> 01:03:13,760

i've conferred with my top leaders my

1593

01:03:17,190 --> 01:03:14,880

top officials and support

1594

01:03:18,710 --> 01:03:17,200

advisors and i think we can confirm to

1595

01:03:20,870 --> 01:03:18,720

you that yes that evidence confirms the

1596

01:03:24,870 --> 01:03:20,880

extraterrestrial presence

1597

01:03:26,390 --> 01:03:24,880

and that's the way it has to be done

1598

01:03:28,390 --> 01:03:26,400

that's the end of the embargo in the

1599

01:03:32,069 --> 01:03:28,400

beginning of the post-disclosure world

1600

01:03:35,510 --> 01:03:32,079

it's constructive it's public

1601
01:03:38,549 --> 01:03:35,520
everybody wins the president wins

1602
01:03:39,750 --> 01:03:38,559
he he he is like hey i've

1603
01:03:41,670 --> 01:03:39,760
i've seen the evidence you've seen the

1604
01:03:43,109 --> 01:03:41,680
evidence here it is as opposed to some

1605
01:03:44,230 --> 01:03:43,119
president coming forward and saying

1606
01:03:46,309 --> 01:03:44,240
i'm going to tell you today there's

1607
01:03:48,470 --> 01:03:46,319
extraterrestrials here i knew about it

1608
01:03:50,069 --> 01:03:48,480
hell 35 years ago but i decided to go

1609
01:03:50,630 --> 01:03:50,079
along with the truth embargo but here it

1610
01:03:54,230 --> 01:03:50,640
is today

1611
01:03:55,829 --> 01:03:54,240
if you don't like that pound sand no

1612
01:03:57,510 --> 01:03:55,839
it's it the president's in a comfortable

1613
01:04:00,710 --> 01:03:57,520

position all of the committee

1614

01:04:02,150 --> 01:04:00,720

members that that take this testimony

1615

01:04:04,150 --> 01:04:02,160

will be heroes around the world the

1616

01:04:05,589 --> 01:04:04,160

committee chairs particularly

1617

01:04:08,150 --> 01:04:05,599

both parties will be involved

1618

01:04:10,470 --> 01:04:08,160

non-partisan issue they are winners

1619

01:04:11,349 --> 01:04:10,480

the dod is participation and assistant

1620

01:04:14,549 --> 01:04:11,359

it's a winner

1621

01:04:17,910 --> 01:04:14,559

everybody wins now there is plenty of

1622

01:04:21,109 --> 01:04:17,920

real difficult questions

1623

01:04:22,870 --> 01:04:21,119

to answer ultimately and plenty of

1624

01:04:24,789 --> 01:04:22,880

difficult things the american people are

1625

01:04:26,950 --> 01:04:24,799

going to learn but this is his

1626

01:04:29,750 --> 01:04:26,960

win-win-win as it's ever going to get

1627

01:04:30,630 --> 01:04:29,760

and that's the way it has to be and now

1628

01:04:35,829 --> 01:04:30,640

you may say

1629

01:04:41,910 --> 01:04:39,029

first of all let me say this it ne

1630

01:04:44,150 --> 01:04:41,920

it needs to happen as soon as possible

1631

01:04:46,630 --> 01:04:44,160

in other words as far as i was concerned

1632

01:04:48,309 --> 01:04:46,640

once biden took office hell it could

1633

01:04:49,750 --> 01:04:48,319

have happened the next week

1634

01:04:51,349 --> 01:04:49,760

and there's some compelling reasons for

1635

01:04:56,630 --> 01:04:51,359

that

1636

01:04:59,829 --> 01:04:56,640

about

1637

01:05:01,029 --> 01:04:59,839

the storms are still raging the waves

1638

01:05:04,309 --> 01:05:01,039

are high

1639

01:05:05,349 --> 01:05:04,319

and so right now the number the things

1640

01:05:08,069 --> 01:05:05,359

that are

1641

01:05:08,710 --> 01:05:08,079

most impacting when these hearings get

1642

01:05:12,870 --> 01:05:08,720

underway

1643

01:05:17,190 --> 01:05:12,880

are one the

1644

01:05:18,950 --> 01:05:17,200

progress of covid19 mutations

1645

01:05:23,430 --> 01:05:18,960

and to what degree they're going to

1646

01:05:27,190 --> 01:05:23,440

spread particularly in the u.s

1647

01:05:27,510 --> 01:05:27,200

and how how yeah and how infectious they

1648

01:05:30,710 --> 01:05:27,520

are

1649

01:05:34,870 --> 01:05:30,720

and so forth that could extend this

1650

01:05:36,390 --> 01:05:34,880

pandemic further than we had hoped

1651
01:05:38,230 --> 01:05:36,400
i happen to believe that there's going

1652
01:05:39,589 --> 01:05:38,240
to be one more surge it's just starting

1653
01:05:41,829 --> 01:05:39,599
it's going to be the worst it's going to

1654
01:05:45,029 --> 01:05:41,839
be very very bad

1655
01:05:48,950 --> 01:05:45,039
but then there is the vaccine schedule

1656
01:05:51,670 --> 01:05:48,960
and so while the the mutation

1657
01:05:52,549 --> 01:05:51,680
variant problem is unfolding at the same

1658
01:05:56,309 --> 01:05:52,559
time

1659
01:05:58,710 --> 01:05:56,319
we are accelerating the vaccine delivery

1660
01:06:00,069 --> 01:05:58,720
and so if that continues at a strong

1661
01:06:03,109 --> 01:06:00,079
pace

1662
01:06:04,549 --> 01:06:03,119
that is going to help profoundly make it

1663
01:06:06,309 --> 01:06:04,559

possible for these hearings so these are

1664

01:06:07,109 --> 01:06:06,319

the two things and then there's a third

1665

01:06:11,109 --> 01:06:07,119

thing

1666

01:06:13,349 --> 01:06:11,119

in that some of the grotesque politics

1667

01:06:14,549 --> 01:06:13,359

is still with us now there's things just

1668

01:06:17,190 --> 01:06:14,559

didn't settle down

1669

01:06:18,230 --> 01:06:17,200

after the election in november it got

1670

01:06:22,150 --> 01:06:18,240

worse

1671

01:06:24,069 --> 01:06:22,160

happened and so

1672

01:06:25,430 --> 01:06:24,079

and in the politics in the senate

1673

01:06:27,510 --> 01:06:25,440

because of the fact that

1674

01:06:29,670 --> 01:06:27,520

things did not settle down the politics

1675

01:06:33,430 --> 01:06:29,680

in congress particularly in the senate

1676
01:06:36,309 --> 01:06:33,440
are toxic

1677
01:06:37,349 --> 01:06:36,319
um uh boy what's the word i'm looking

1678
01:06:40,549 --> 01:06:37,359
for it's

1679
01:06:43,750 --> 01:06:40,559
it's it's bad okay extremely bad

1680
01:06:44,630 --> 01:06:43,760
so these are the the ver the key

1681
01:06:47,190 --> 01:06:44,640
variables

1682
01:06:49,349 --> 01:06:47,200
all right there's four and i'm watching

1683
01:06:52,710 --> 01:06:49,359
them very closely

1684
01:06:54,870 --> 01:06:52,720
and as they begin to clarify

1685
01:06:56,309 --> 01:06:54,880
then the potential for hearings is there

1686
01:06:57,829 --> 01:06:56,319
now the advantage of that

1687
01:06:59,750 --> 01:06:57,839
is that as we go forward in the in the

1688
01:07:02,069 --> 01:06:59,760

coming weeks maybe months

1689

01:07:03,510 --> 01:07:02,079

i i just got lots of time to get in

1690

01:07:04,789 --> 01:07:03,520

front of every freaking camera and

1691

01:07:07,190 --> 01:07:04,799

television camera and

1692

01:07:08,710 --> 01:07:07,200

microphone and talk about this at

1693

01:07:11,029 --> 01:07:08,720

infinite

1694

01:07:12,789 --> 01:07:11,039

i've already booked 69 interviews just

1695

01:07:14,549 --> 01:07:12,799

this year

1696

01:07:16,870 --> 01:07:14,559

i'll book another 100 over the next

1697

01:07:19,510 --> 01:07:16,880

month or two easily maybe more

1698

01:07:20,470 --> 01:07:19,520

uh so we we and others are joining in

1699

01:07:23,589 --> 01:07:20,480

you've got

1700

01:07:26,630 --> 01:07:23,599

doing things and

1701
01:07:28,470 --> 01:07:26,640
and and and a lot i'm posting about this

1702
01:07:29,670 --> 01:07:28,480
on facebook and twitter and podcasts and

1703
01:07:31,270 --> 01:07:29,680
everything else so the

1704
01:07:32,950 --> 01:07:31,280
the movement is actually building

1705
01:07:36,069 --> 01:07:32,960
momentum

1706
01:07:37,589 --> 01:07:36,079
as we wait for these variables to to

1707
01:07:41,589 --> 01:07:37,599
change

1708
01:07:43,190 --> 01:07:41,599
so what's the time frame

1709
01:07:46,230 --> 01:07:43,200
now it can't there's no way it can

1710
01:07:49,270 --> 01:07:46,240
happen before may

1711
01:07:51,109 --> 01:07:49,280
probably not even before

1712
01:07:52,549 --> 01:07:51,119
june june might be the absolute soonest

1713
01:07:55,750 --> 01:07:52,559

at this point

1714

01:07:58,230 --> 01:07:55,760

july is definitely a possibility

1715

01:07:59,750 --> 01:07:58,240

so i'm looking in that june july time

1716

01:08:02,789 --> 01:07:59,760

frame

1717

01:08:04,470 --> 01:08:02,799

and i'll finish with this

1718

01:08:05,910 --> 01:08:04,480

if you're looking for one thing that

1719

01:08:07,829 --> 01:08:05,920

might be a

1720

01:08:09,349 --> 01:08:07,839

one next thing i've seen plenty of

1721

01:08:12,950 --> 01:08:09,359

things but one next thing

1722

01:08:16,149 --> 01:08:12,960

that might be a really strong tip off

1723

01:08:18,950 --> 01:08:16,159

that these hearings are coming

1724

01:08:21,110 --> 01:08:18,960

watch for a very significant

1725

01:08:24,149 --> 01:08:21,120

investigative piece to drop in the new

1726

01:08:27,269 --> 01:08:24,159

york times

1727

01:08:29,110 --> 01:08:27,279

okay as you know they helped to launch

1728

01:08:31,269 --> 01:08:29,120

this issue

1729

01:08:34,149 --> 01:08:31,279

uh or this new phase with those articles

1730

01:08:36,390 --> 01:08:34,159

in december of 2017.

1731

01:08:37,829 --> 01:08:36,400

they've had three years they haven't

1732

01:08:39,030 --> 01:08:37,839

done any significant follow-up they've

1733

01:08:40,550 --> 01:08:39,040

been a few articles

1734

01:08:42,470 --> 01:08:40,560

but they haven't done any investigative

1735

01:08:44,550 --> 01:08:42,480

follow-ups the new york times has had

1736

01:08:46,070 --> 01:08:44,560

three years to pick any aspect of this

1737

01:08:47,430 --> 01:08:46,080

field this issue rather

1738

01:08:49,110 --> 01:08:47,440

and and and put some serious

1739

01:08:51,030 --> 01:08:49,120

investigative reporters on it

1740

01:08:53,430 --> 01:08:51,040

and dig and come up with some

1741

01:08:55,430 --> 01:08:53,440

interesting stuff

1742

01:08:57,430 --> 01:08:55,440

i think they have done it and i think

1743

01:08:59,269 --> 01:08:57,440

they've got some reports ready to go

1744

01:09:00,470 --> 01:08:59,279

and the question is when do they launch

1745

01:09:02,789 --> 01:09:00,480

them

1746

01:09:04,950 --> 01:09:02,799

uh if one of those big reports turns up

1747

01:09:08,390 --> 01:09:04,960

in the new york times that will be

1748

01:09:11,749 --> 01:09:08,400

everyone's i think notice

1749

01:09:22,010 --> 01:09:11,759

that the hearing process is still

1750

01:09:22,020 --> 01:09:32,709

[Music]

1751

01:09:32,719 --> 01:09:46,070

it wasn't
