UFO

P O D C A S T

JAMES IANDOLI
(@ENGAGINGTHE)

1
00:00:10,150 --> 00:00:08,230
there's a whole fleet of them look on

2
00:00:12,390 --> 00:00:10,160
the assay

3
00:00:15,669 --> 00:00:12,400
oh my gosh they're all going against the

4
00:00:20,390 --> 00:00:17,750
it was basically a cube with inside of

5
00:00:34,630 --> 00:00:20,400
sphere where the points of the cube

6
00:00:40,150 --> 00:00:38,549
[Music]

7
00:00:42,069 --> 00:00:40,160
so this isn't anything that just is

8
00:00:44,000 --> 00:00:42,079
limited to the united states

9
00:00:47,270 --> 00:00:44,010
it's a worldwide phenomenon

10
00:00:58,069 --> 00:00:49,110
hi this is ryan bledsoe and you are

11
00:00:59,670 --> 00:00:58,079
listening to that ufo podcast

12
00:01:02,229 --> 00:00:59,680
i'll unmute myself hi everyone and

13
00:01:03,110 --> 00:01:02,239

welcome back to that ufo podcast my name

14

00:01:04,710 --> 00:01:03,120

is andy

15

00:01:06,550 --> 00:01:04,720

and just before we get into the show

16

00:01:07,270 --> 00:01:06,560

this week i just want to remind everyone

17

00:01:09,510 --> 00:01:07,280

you can now get

18

00:01:10,390 --> 00:01:09,520

premium access to the podcast not only

19

00:01:11,750 --> 00:01:10,400

on patreon

20

00:01:14,070 --> 00:01:11,760

which has been the only way to support

21

00:01:14,950 --> 00:01:14,080

in the past but on apple subscriptions

22

00:01:17,350 --> 00:01:14,960

as well

23

00:01:18,870 --> 00:01:17,360

so all that extra content ad free early

24

00:01:20,390 --> 00:01:18,880

access i've talked about in the past

25

00:01:21,109 --> 00:01:20,400

there's available as a two-week free

26

00:01:23,270 --> 00:01:21,119

trial

27

00:01:25,510 --> 00:01:23,280

there's an ama with myself and dan and

28

00:01:27,429 --> 00:01:25,520

there's extra content from george knapp

29

00:01:30,069 --> 00:01:27,439

ryan bledsoe david marlar

30

00:01:31,749 --> 00:01:30,079

sean cahill and others up there as well

31

00:01:33,190 --> 00:01:31,759

and also from the guests i'm about to

32

00:01:35,429 --> 00:01:33,200

speak to as well there'll be an extra

33

00:01:36,310 --> 00:01:35,439

5-10 minutes of interview on there just

34

00:01:37,910 --> 00:01:36,320

as a thank you

35

00:01:39,510 --> 00:01:37,920

folks so again i appreciate it if you

36

00:01:43,109 --> 00:01:39,520

can check that out if you are on

37

00:01:46,069 --> 00:01:43,119

apple i have with me james ian dolly

38

00:01:47,270 --> 00:01:46,079

james have i said that right uh for the

39

00:01:50,069 --> 00:01:47,280

most part yeah

40

00:01:50,550 --> 00:01:50,079

oh no ayan dolly iron dolly how'd you

41

00:01:53,429 --> 00:01:50,560

know

42

00:01:53,990 --> 00:01:53,439

there you go yes ah james so james sent

43

00:01:55,990 --> 00:01:54,000

me this

44

00:01:57,830 --> 00:01:56,000

and you'll know james as either james or

45

00:02:00,389 --> 00:01:57,840

james from engaging the phenomenon

46

00:02:02,149 --> 00:02:00,399

uh the youtube channel the podcast and i

47

00:02:03,590 --> 00:02:02,159

asked him about pronouncing his name

48

00:02:05,429 --> 00:02:03,600

properly and he

49

00:02:07,270 --> 00:02:05,439

spelled it for me phonetically and i

50

00:02:08,790 --> 00:02:07,280

still got it wrong

51
00:02:10,710 --> 00:02:08,800
second attempt though you'll give me

52
00:02:12,150 --> 00:02:10,720
that one second attempt that's it's too

53
00:02:14,869 --> 00:02:12,160
many vowels it's

54
00:02:16,630 --> 00:02:14,879
you know it's counterintuitive yeah well

55
00:02:18,070 --> 00:02:16,640
listen you've seen mass or name probably

56
00:02:19,670 --> 00:02:18,080
spelled out it's not even worth going

57
00:02:20,949 --> 00:02:19,680
into but listen james thank you very

58
00:02:23,110 --> 00:02:20,959
much for joining us i mean we're just

59
00:02:25,030 --> 00:02:23,120
saying before recording it's uh probably

60
00:02:26,869 --> 00:02:25,040
well past you and we're looking forward

61
00:02:28,710 --> 00:02:26,879
to having you on

62
00:02:30,229 --> 00:02:28,720
yeah i'm glad to be here man thanks it's

63
00:02:32,869 --> 00:02:30,239

you know i remember when you first

64

00:02:35,270 --> 00:02:32,879

started your podcast that's awesome man

65

00:02:37,270 --> 00:02:35,280

yeah i i remember it too it's uh the

66

00:02:39,030 --> 00:02:37,280

year the year and a bit has flown by

67

00:02:41,030 --> 00:02:39,040

and you were one of the good guys who

68

00:02:42,710 --> 00:02:41,040

reached out to me quite early on as well

69

00:02:44,070 --> 00:02:42,720

asking if i would join in on one of your

70

00:02:45,589 --> 00:02:44,080

ask ufo twitter

71

00:02:47,350 --> 00:02:45,599

videos and there's a lot of cool ones up

72

00:02:50,150 --> 00:02:47,360

there as well and i am

73

00:02:51,670 --> 00:02:50,160

horrendous for saying yes and then

74

00:02:53,350 --> 00:02:51,680

telling you like five or six times oh

75

00:02:54,550 --> 00:02:53,360

yeah i'll send the video over and i just

76

00:02:56,790 --> 00:02:54,560

end up not doing it

77

00:02:58,309 --> 00:02:56,800

but james gets i've got kids and you're

78

00:02:59,190 --> 00:02:58,319

the same you've got our family and stuff

79

00:03:00,790 --> 00:02:59,200

as well and

80

00:03:02,309 --> 00:03:00,800

life gets in the way but i am going to

81

00:03:03,750 --> 00:03:02,319

be better at that in the future because

82

00:03:05,190 --> 00:03:03,760

the videos are worth being on

83

00:03:07,190 --> 00:03:05,200

and there's some esteemed company in

84

00:03:09,190 --> 00:03:07,200

those as well so we're going to get to

85

00:03:11,270 --> 00:03:09,200

all that as well james but

86

00:03:12,470 --> 00:03:11,280

the the timing's really good of this

87

00:03:14,149 --> 00:03:12,480

you've come off the back of a big

88

00:03:15,110 --> 00:03:14,159

interview you've just spoken to luis

89

00:03:16,710 --> 00:03:15,120

elizondo

90

00:03:18,470 --> 00:03:16,720

i know he's been doing the rounds the

91

00:03:20,470 --> 00:03:18,480

last few months in the media

92

00:03:22,710 --> 00:03:20,480

not just from the podcast and in youtube

93

00:03:23,990 --> 00:03:22,720

circuit but he has been on fox cnn and

94

00:03:26,789 --> 00:03:24,000

all that stuff so

95

00:03:28,229 --> 00:03:26,799

um to speak to the man and everyone's

96

00:03:30,869 --> 00:03:28,239

getting a chance to speak to her

97

00:03:31,990 --> 00:03:30,879

i don't think many have necessarily done

98

00:03:33,350 --> 00:03:32,000

it the justice that you

99

00:03:35,350 --> 00:03:33,360

managed to do so you really made the

100

00:03:37,030 --> 00:03:35,360

most of your time i feel that so well

101
00:03:39,110 --> 00:03:37,040
well done on that your questions were

102
00:03:41,270 --> 00:03:39,120
different a different approach it wasn't

103
00:03:42,229 --> 00:03:41,280
cookie cutter and if people haven't

104
00:03:43,589 --> 00:03:42,239
listened to it yet

105
00:03:45,350 --> 00:03:43,599
then please go out your way to find

106
00:03:47,110 --> 00:03:45,360
engage in a phenomenon's channel

107
00:03:48,789 --> 00:03:47,120
and go and watch the interview below how

108
00:03:49,670 --> 00:03:48,799
do you feel now a week past the

109
00:03:50,550 --> 00:03:49,680
interview how

110
00:03:53,750 --> 00:03:50,560
do you feel it went would you have

111
00:03:53,990 --> 00:03:53,760
changed anything yeah i mean i you know

112
00:04:05,589 --> 00:03:54,000
i

113
00:04:08,949 --> 00:04:05,599

that's

114

00:04:11,190 --> 00:04:08,959

people who are deep into this because

115

00:04:12,710 --> 00:04:11,200

some of the questions i was asking uh

116

00:04:14,630 --> 00:04:12,720

you know it's not for a mainstream

117

00:04:15,830 --> 00:04:14,640

audience so i think people within the

118

00:04:18,870 --> 00:04:15,840

community

119

00:04:20,870 --> 00:04:18,880

um will appreciate it more than somebody

120

00:04:23,189 --> 00:04:20,880

who's you know just trying to be

121

00:04:24,550 --> 00:04:23,199

introduced to the subject of ufos

122

00:04:26,230 --> 00:04:24,560

they're probably not going to understand

123

00:04:29,189 --> 00:04:26,240

half of what i'm talking about and

124

00:04:31,270 --> 00:04:29,199

you know again that interview was for me

125

00:04:33,189 --> 00:04:31,280

that was for the research community

126
00:04:35,430 --> 00:04:33,199
that was for the ce5 community and the

127
00:04:37,430 --> 00:04:35,440
ufo community

128
00:04:38,790 --> 00:04:37,440
well i would urge people to go and check

129
00:04:40,550 --> 00:04:38,800
that out and if you haven't yet

130
00:04:42,710 --> 00:04:40,560
and like james has just mentioned the

131
00:04:43,830 --> 00:04:42,720
ce5 community we're going to be talking

132
00:04:45,909 --> 00:04:43,840
a lot about that

133
00:04:46,870 --> 00:04:45,919
because many of your questions that were

134
00:04:48,310 --> 00:04:46,880
sent in

135
00:04:49,830 --> 00:04:48,320
and i told james just before we hit

136
00:04:51,189 --> 00:04:49,840
record that people were saying to me i

137
00:04:54,230 --> 00:04:51,199
don't necessarily have

138
00:04:56,150 --> 00:04:54,240

questions i want you to read but i have

139

00:04:57,189 --> 00:04:56,160

i just want to know how ce5 works and

140

00:04:59,030 --> 00:04:57,199

we're going to get into that and get

141

00:05:01,189 --> 00:04:59,040

right to the basics of it as well

142

00:05:03,350 --> 00:05:01,199

but what i want to start with before we

143

00:05:03,990 --> 00:05:03,360

talk about ce5 is your journey to this

144

00:05:05,430 --> 00:05:04,000

point

145

00:05:07,189 --> 00:05:05,440

like what was it that kind of

146

00:05:10,710 --> 00:05:07,199

kick-started your journey into

147

00:05:12,950 --> 00:05:10,720

ce5 ufos aliens and all that stuff does

148

00:05:15,670 --> 00:05:12,960

it go back to childhood

149

00:05:16,390 --> 00:05:15,680

yeah yeah and you know i had experiences

150

00:05:18,790 --> 00:05:16,400

early on

151

00:05:21,270 --> 00:05:18,800

not just with um you know what people

152

00:05:23,350 --> 00:05:21,280

would call ufo intelligence but also

153

00:05:24,790 --> 00:05:23,360

uh you know metaphysical experiences out

154

00:05:26,950 --> 00:05:24,800

of body experiences that

155

00:05:28,550 --> 00:05:26,960

to me when i was very young they were

156

00:05:31,430 --> 00:05:28,560

very vivid

157

00:05:32,469 --> 00:05:31,440

and it would happen often enough where

158

00:05:34,790 --> 00:05:32,479

um

159

00:05:36,150 --> 00:05:34,800

you know i didn't think it was a fluke i

160

00:05:38,150 --> 00:05:36,160

looked at it as

161

00:05:39,430 --> 00:05:38,160

some kind of genuine experience of some

162

00:05:43,189 --> 00:05:39,440

kind so

163

00:05:45,909 --> 00:05:43,199

uh j even from an early age uh i was

164

00:05:46,710 --> 00:05:45,919

very open to all this stuff and i i

165

00:05:49,590 --> 00:05:46,720

pursued it

166

00:05:50,790 --> 00:05:49,600

uh you know all that stuff on uh you

167

00:05:55,110 --> 00:05:50,800

know

168

00:05:57,909 --> 00:05:55,120

ufo shows on

169

00:05:59,510 --> 00:05:57,919

and and and things like that and to me i

170

00:06:02,070 --> 00:05:59,520

just um

171

00:06:02,550 --> 00:06:02,080

i looked at it as something that was

172

00:06:04,790 --> 00:06:02,560

pretty

173

00:06:06,150 --> 00:06:04,800

normal you know i didn't and it wasn't

174

00:06:08,390 --> 00:06:06,160

like oh i better watch out

175

00:06:10,390 --> 00:06:08,400

you know i'm watching or i'm reading

176

00:06:13,909 --> 00:06:10,400

into this and i feel weird about it not

177

00:06:15,749 --> 00:06:13,919

uh it seemed all pretty normal to me

178

00:06:19,110 --> 00:06:15,759

what sort of experiences are you talking

179

00:06:23,510 --> 00:06:19,120

about under what circumstances

180

00:06:24,629 --> 00:06:23,520

um well um i had some experiences when i

181

00:06:26,870 --> 00:06:24,639

was younger that i

182

00:06:27,990 --> 00:06:26,880

i really don't want to go into i would

183

00:06:31,029 --> 00:06:28,000

say that uh

184

00:06:34,390 --> 00:06:31,039

they at that age they were frightening

185

00:06:37,990 --> 00:06:34,400

i guess i can say um and i

186

00:06:40,070 --> 00:06:38,000

i can't say that it's a 100 correlated

187

00:06:40,790 --> 00:06:40,080

with the ufo phenomenon but you could

188

00:06:44,070 --> 00:06:40,800

consider them

189

00:06:46,629 --> 00:06:44,080

entities um but i have a hunch

190

00:06:47,189 --> 00:06:46,639

you know in retrospect after all these

191

00:06:49,110 --> 00:06:47,199

years

192

00:06:51,270 --> 00:06:49,120

and and even when i was having

193

00:06:53,189 --> 00:06:51,280

experiences in 2007

194

00:06:54,950 --> 00:06:53,199

uh that kind of clicked for me where i

195

00:06:55,749 --> 00:06:54,960

said okay maybe this is associated with

196

00:06:59,270 --> 00:06:55,759

this

197

00:07:00,710 --> 00:06:59,280

uh i did have some uh ufo sightings when

198

00:07:04,870 --> 00:07:00,720

i was younger

199

00:07:06,870 --> 00:07:04,880

and um but none of those sightings were

200

00:07:10,390 --> 00:07:06,880

kind of extraordinary in the sense like

201

00:07:13,029 --> 00:07:10,400

the ones that i had in 2007.

202

00:07:14,710 --> 00:07:13,039

and your experiences again in 2007 is

203

00:07:16,950 --> 00:07:14,720

that something you're open to discussing

204

00:07:19,670 --> 00:07:16,960

or again is it more of a personal thing

205

00:07:21,510 --> 00:07:19,680

yeah the 2007 ones that's that's when

206

00:07:24,550 --> 00:07:21,520

things kind of came to a head

207

00:07:27,029 --> 00:07:24,560

so at the point in 2007

208

00:07:30,469 --> 00:07:27,039

i was i had all these different kind of

209

00:07:34,070 --> 00:07:30,479

experiences when i was younger

210

00:07:34,469 --> 00:07:34,080

and i was researching ufos at that point

211

00:07:37,189 --> 00:07:34,479

too

212

00:07:38,790 --> 00:07:37,199

so it wasn't like i wasn't into the

213

00:07:43,510 --> 00:07:38,800

subject

214

00:07:47,430 --> 00:07:43,520

but then a series of events occurred

215

00:07:50,469 --> 00:07:47,440

that uh i see kind of as one major

216

00:07:54,150 --> 00:07:50,479

point in my life i guess and

217

00:07:56,150 --> 00:07:54,160

um actually the i i have a video on it

218

00:07:58,070 --> 00:07:56,160

on my youtube channel called dream kind

219

00:07:59,589 --> 00:07:58,080

dream time contact and this is actually

220

00:08:01,270 --> 00:07:59,599

where it started because there was a

221

00:08:04,469 --> 00:08:01,280

series of events

222

00:08:06,790 --> 00:08:04,479

um so this this this dream time contact

223

00:08:08,950 --> 00:08:06,800

went all kind of briefly go through

224

00:08:10,869 --> 00:08:08,960

uh because it's related to the future

225

00:08:14,070 --> 00:08:10,879

events that happen

226

00:08:15,430 --> 00:08:14,080

so i i was at work i was working an

227

00:08:18,230 --> 00:08:15,440

overnight

228

00:08:19,830 --> 00:08:18,240

and right before i'm about to leave i'm

229

00:08:21,830 --> 00:08:19,840

talking to one of my co-worker

230

00:08:23,510 --> 00:08:21,840

co-workers he's like a super skeptic

231

00:08:27,110 --> 00:08:23,520

this guy super

232

00:08:28,629 --> 00:08:27,120

atheist or agnostic very rational minded

233

00:08:30,390 --> 00:08:28,639

anytime you would kind of bring up a

234

00:08:33,430 --> 00:08:30,400

subject that's considered

235

00:08:35,750 --> 00:08:33,440

woo like consciousness or esp or

236

00:08:36,870 --> 00:08:35,760

you know anything like that this guy

237

00:08:39,589 --> 00:08:36,880

would just

238

00:08:41,350 --> 00:08:39,599

you know not you know he was he wasn't

239

00:08:44,070 --> 00:08:41,360

kind of open to that kind of stuff so

240

00:08:45,670 --> 00:08:44,080

my conversations with him were very like

241

00:08:46,630 --> 00:08:45,680

hey how's your family how the kids nice

242

00:08:50,949 --> 00:08:46,640

weather

243

00:08:54,070 --> 00:08:50,959

uh nice guy though and so one day

244

00:08:55,670 --> 00:08:54,080

uh he says to me out of the blue

245

00:08:57,350 --> 00:08:55,680

hey did you hear about the ufo sightings

246

00:08:59,590 --> 00:08:57,360

in mexico

247

00:09:00,630 --> 00:08:59,600

and i found it very strange that he

248

00:09:02,870 --> 00:09:00,640

asked me that

249

00:09:03,990 --> 00:09:02,880

and i said uh no no i had because i

250

00:09:05,670 --> 00:09:04,000

hadn't heard about it

251
00:09:07,030 --> 00:09:05,680
and he didn't know about my interest in

252
00:09:11,190 --> 00:09:07,040
any of this so

253
00:09:12,870 --> 00:09:11,200
um that was um very interesting to me

254
00:09:14,550 --> 00:09:12,880
but then i kind of just brought brush it

255
00:09:17,590 --> 00:09:14,560
off went home

256
00:09:20,790 --> 00:09:17,600
and i went home i went to sleep

257
00:09:23,990 --> 00:09:20,800
and i had this um this insane uh

258
00:09:25,110 --> 00:09:24,000
lucid dream uh that i'm driving down one

259
00:09:27,910 --> 00:09:25,120
of my old streets in

260
00:09:28,389 --> 00:09:27,920
in the stream and it's night time and

261
00:09:32,070 --> 00:09:28,399
there's

262
00:09:35,190 --> 00:09:32,080
um a ufo hovering like 20 feet above me

263
00:09:36,710 --> 00:09:35,200

and it's this uh electric orange it's

264

00:09:38,310 --> 00:09:36,720

there's like static or

265

00:09:39,990 --> 00:09:38,320

some kind of electricity coming from it

266

00:09:40,949 --> 00:09:40,000

that i can feel through my body and it's

267

00:09:43,509 --> 00:09:40,959

humming

268

00:09:44,470 --> 00:09:43,519

and i'm just very reactive because it's

269

00:09:46,710 --> 00:09:44,480

a dream

270

00:09:48,710 --> 00:09:46,720

and i'm just trying i'm trying to get

271

00:09:50,630 --> 00:09:48,720

away from it man i'm just like driving

272

00:09:52,630 --> 00:09:50,640

really fast and like trying to escape it

273

00:09:54,949 --> 00:09:52,640

and i can't get away from it

274

00:09:55,670 --> 00:09:54,959

and you know maybe after like two

275

00:09:59,750 --> 00:09:55,680

minutes

276

00:10:03,110 --> 00:09:59,760

as my time in in this dream i i woke up

277

00:10:04,870 --> 00:10:03,120

and i was just kind of you know

278

00:10:07,269 --> 00:10:04,880

we snap out of a dream you're trying to

279

00:10:09,350 --> 00:10:07,279

like collect yourself

280

00:10:10,949 --> 00:10:09,360

and then um again it was an overnight

281

00:10:12,150 --> 00:10:10,959

that i work so i wake up in the

282

00:10:14,870 --> 00:10:12,160

afternoon

283

00:10:17,269 --> 00:10:14,880

and one of my family members um comes

284

00:10:19,350 --> 00:10:17,279

home and comes up to me and say hey

285

00:10:20,630 --> 00:10:19,360

hey did you hear about the ufo sightings

286

00:10:23,670 --> 00:10:20,640

in mexico

287

00:10:24,949 --> 00:10:23,680

so i'm like okay screw this because at

288

00:10:26,710 --> 00:10:24,959

this point it's like there's too many

289

00:10:29,509 --> 00:10:26,720

coincidences going on

290

00:10:30,310 --> 00:10:29,519

and i'm like you know the hell with this

291

00:10:32,870 --> 00:10:30,320

i'm gonna go

292

00:10:34,630 --> 00:10:32,880

out and um there's this chinese food

293

00:10:36,230 --> 00:10:34,640

down the street a chinese food place

294

00:10:37,750 --> 00:10:36,240

down the street from me that i went to

295

00:10:39,910 --> 00:10:37,760

a lot so i'm like whatever i'm just

296

00:10:43,350 --> 00:10:39,920

gonna go there get some chinese food and

297

00:10:45,190 --> 00:10:43,360

start my day and whatever so i get into

298

00:10:48,470 --> 00:10:45,200

my car

299

00:10:51,990 --> 00:10:48,480

and i'm driving maybe you know

300

00:10:53,750 --> 00:10:52,000

200 or 250 feet and i just see this

301

00:10:57,430 --> 00:10:53,760

fireball in the sky

302

00:11:01,110 --> 00:10:57,440

and um it's stationary

303

00:11:04,069 --> 00:11:01,120

and i'm you know as soon as i think

304

00:11:05,509 --> 00:11:04,079

that's you know that's an f in ufo it

305

00:11:08,389 --> 00:11:05,519

starts to move

306

00:11:10,310 --> 00:11:08,399

and i'm like holy sh you know

307

00:11:13,509 --> 00:11:10,320

basically i'm like what the frick is

308

00:11:15,990 --> 00:11:13,519

going on and you know i said before that

309

00:11:17,190 --> 00:11:16,000

you know the sighting itself so and i

310

00:11:19,670 --> 00:11:17,200

tried to chase it

311

00:11:21,190 --> 00:11:19,680

it ended up going out of sight and i

312

00:11:23,110 --> 00:11:21,200

couldn't see it anymore and i you know

313

00:11:26,230 --> 00:11:23,120

went all the way this way and

314

00:11:27,990 --> 00:11:26,240

and it was just out of sight um but it

315

00:11:31,110 --> 00:11:28,000

hit me like a ton of bricks at

316

00:11:32,310 --> 00:11:31,120

that point again because uh you know the

317

00:11:33,910 --> 00:11:32,320

sighting in itself was

318

00:11:36,150 --> 00:11:33,920

remarkable you know you have this

319

00:11:36,949 --> 00:11:36,160

fireball you can tell it was low from

320

00:11:39,509 --> 00:11:36,959

the size

321

00:11:41,829 --> 00:11:39,519

how big it was uh it was much bigger

322

00:11:42,230 --> 00:11:41,839

than like a planet or star anything like

323

00:11:43,829 --> 00:11:42,240

that

324

00:11:45,670 --> 00:11:43,839

way bigger than like the international

325

00:11:48,230 --> 00:11:45,680

space station um

326

00:11:50,310 --> 00:11:48,240

so it had to have been low either that

327

00:11:52,150 --> 00:11:50,320

or ginormous but i tend to think it was

328

00:11:54,710 --> 00:11:52,160

just lower in the atmosphere

329

00:11:56,150 --> 00:11:54,720

you know maybe 5 000 feet 10 000 feet in

330

00:11:59,670 --> 00:11:56,160

the air

331

00:12:03,110 --> 00:11:59,680

and um i just

332

00:12:05,590 --> 00:12:03,120

uh was in like shock almost that

333

00:12:06,710 --> 00:12:05,600

all these things that had occurred that

334

00:12:09,110 --> 00:12:06,720

led up to that point

335

00:12:10,790 --> 00:12:09,120

were were just as crazy as deciding if

336

00:12:14,069 --> 00:12:10,800

not more crazy

337

00:12:17,750 --> 00:12:14,079

um so that

338

00:12:21,030 --> 00:12:17,760

that really made me

339

00:12:22,710 --> 00:12:21,040

take a deep dive into the ufo uh subject

340

00:12:24,230 --> 00:12:22,720

even more like

341

00:12:25,990 --> 00:12:24,240

out you know i was already into it but

342

00:12:28,629 --> 00:12:26,000

after that i'm

343

00:12:29,750 --> 00:12:28,639

uh start you know reading more books and

344

00:12:32,790 --> 00:12:29,760

stuff like that and

345

00:12:35,430 --> 00:12:32,800

um so you know and actually

346

00:12:36,150 --> 00:12:35,440

at that time i'm already practicing

347

00:12:41,269 --> 00:12:36,160

meditation

348

00:12:43,829 --> 00:12:41,279

so um but anyway so going past that just

349

00:12:46,389 --> 00:12:43,839

that kind of started this this whole

350

00:12:49,509 --> 00:12:46,399

string of events that happened

351

00:12:50,550 --> 00:12:49,519

now uh probably i want to say maybe

352

00:12:52,870 --> 00:12:50,560

three months later

353

00:12:54,870 --> 00:12:52,880

i have to look at the actual months that

354

00:12:57,590 --> 00:12:54,880

uh where it took place but it was about

355

00:12:58,710 --> 00:12:57,600

i want to say two three months later i

356

00:13:02,069 --> 00:12:58,720

had i was in this

357

00:13:03,350 --> 00:13:02,079

um this car accident and i had

358

00:13:05,590 --> 00:13:03,360

so at the time i thought it was a

359

00:13:08,870 --> 00:13:05,600

near-death experience obviously

360

00:13:10,710 --> 00:13:08,880

you know i wasn't that as you know badly

361

00:13:13,829 --> 00:13:10,720

messed up as i thought i was so i

362

00:13:15,509 --> 00:13:13,839

now i call it a trauma induced obe

363

00:13:17,030 --> 00:13:15,519

so a trauma-induced out-of-body

364

00:13:20,389 --> 00:13:17,040

experience where

365

00:13:21,670 --> 00:13:20,399

you know i was above the entire uh scene

366

00:13:24,230 --> 00:13:21,680

of the crash and

367

00:13:25,110 --> 00:13:24,240

and and when that happened i kinda i i

368

00:13:27,110 --> 00:13:25,120

thought i was dead

369

00:13:29,110 --> 00:13:27,120

you know from from my awareness like i

370

00:13:30,230 --> 00:13:29,120

had the awareness to think oh so that's

371

00:13:32,230 --> 00:13:30,240

it huh

372

00:13:33,269 --> 00:13:32,240

and i saw the uh the car accident all

373

00:13:36,150 --> 00:13:33,279

this

374

00:13:36,550 --> 00:13:36,160

and um you know during that whole thing

375

00:13:57,189 --> 00:13:36,560

i

376

00:14:00,949 --> 00:13:57,199

just uh that that part ended

377

00:14:04,710 --> 00:14:00,959

and um i you know i end up waking up in

378

00:14:07,350 --> 00:14:04,720

in a hospital bed and all that but

379

00:14:09,269 --> 00:14:07,360

the almost more significant part of that

380

00:14:10,870 --> 00:14:09,279

was the the next day the following day i

381

00:14:14,629 --> 00:14:10,880

get home

382

00:14:15,430 --> 00:14:14,639

and i'm uh just in my room cleaning my

383

00:14:17,670 --> 00:14:15,440

room

384

00:14:19,910 --> 00:14:17,680

i you know gr you know grateful to be

385

00:14:21,350 --> 00:14:19,920

alive and i'm like you know

386

00:14:23,350 --> 00:14:21,360

even though that was a very

387

00:14:25,110 --> 00:14:23,360

transformative experience because

388

00:14:27,670 --> 00:14:25,120

again when when that whole thing

389

00:14:30,069 --> 00:14:27,680

happened there was like no regrets

390

00:14:32,150 --> 00:14:30,079

i was like totally cool at that point

391

00:14:35,030 --> 00:14:32,160

with with

392

00:14:36,550 --> 00:14:35,040

the idea that i was basically dead i

393

00:14:40,150 --> 00:14:36,560

guess you can say right

394

00:14:43,509 --> 00:14:40,160

um so uh it was very transformative

395

00:14:46,470 --> 00:14:43,519

in that it shows you something

396

00:14:47,910 --> 00:14:46,480

way deeper about reality is is the only

397

00:14:51,030 --> 00:14:47,920

way i can explain it

398

00:14:52,870 --> 00:14:51,040

and um so it's the next day i'm in my

399

00:14:55,030 --> 00:14:52,880

room i'm cleaning grateful to be alive

400

00:14:58,389 --> 00:14:55,040

and even to have had the experience

401
00:15:02,310 --> 00:14:58,399
i'm still kind of um

402
00:15:03,990 --> 00:15:02,320
you know not completely centered yet to

403
00:15:04,629 --> 00:15:04,000
where i was before this happened i'm

404
00:15:06,310 --> 00:15:04,639
still kind of

405
00:15:07,990 --> 00:15:06,320
affected by it i guess still in the

406
00:15:11,829 --> 00:15:08,000
aftermath

407
00:15:13,189 --> 00:15:11,839
and then out of nowhere i have this uh

408
00:15:16,389 --> 00:15:13,199
this voice

409
00:15:18,550 --> 00:15:16,399
come into my entire body i can

410
00:15:19,430 --> 00:15:18,560
feel the whole you know i can feel it

411
00:15:23,110 --> 00:15:19,440
throughout my body

412
00:15:26,470 --> 00:15:23,120
and in my mind and it said come outside

413
00:15:29,749 --> 00:15:26,480

um but as soon as i i heard

414

00:15:32,150 --> 00:15:29,759

you know that voice um

415

00:15:33,350 --> 00:15:32,160

i i instantly knew everything that was

416

00:15:34,790 --> 00:15:33,360

that was happening

417

00:15:36,230 --> 00:15:34,800

i knew that i was going to go outside

418

00:15:36,710 --> 00:15:36,240

and there's going to be some craft there

419

00:15:39,790 --> 00:15:36,720

and

420

00:15:41,189 --> 00:15:39,800

i can't explain how but i i you know

421

00:15:42,470 --> 00:15:41,199

instantaneously

422

00:15:44,710 --> 00:15:42,480

you know people would call this like a

423

00:15:46,310 --> 00:15:44,720

telepathic lock-on

424

00:15:48,230 --> 00:15:46,320

knew what was going to take place to

425

00:15:52,310 --> 00:15:48,240

some extent so

426

00:15:54,150 --> 00:15:52,320

i ran outside and

427

00:15:55,350 --> 00:15:54,160

i you know i moved past where the trees

428

00:15:58,150 --> 00:15:55,360

were

429

00:16:00,230 --> 00:15:58,160

and i can hear humming so i look

430

00:16:03,430 --> 00:16:00,240

directly above me

431

00:16:05,189 --> 00:16:03,440

and uh there's just this uh

432

00:16:07,189 --> 00:16:05,199

craft and it's almost like a hexagon

433

00:16:09,509 --> 00:16:07,199

like it has six sides

434

00:16:10,389 --> 00:16:09,519

and but the sides the edges are rounded

435

00:16:13,430 --> 00:16:10,399

they're not um

436

00:16:15,829 --> 00:16:13,440

like flat sharp and it's a dark

437

00:16:17,829 --> 00:16:15,839

metal so it's it's like not an orb or

438

00:16:20,389 --> 00:16:17,839

something this is like a physical

439

00:16:22,150 --> 00:16:20,399

uh craft almost like a disc but again

440

00:16:24,870 --> 00:16:22,160

like a hexagon

441

00:16:26,470 --> 00:16:24,880

and it's humming and i just have this

442

00:16:29,590 --> 00:16:26,480

entire

443

00:16:32,790 --> 00:16:29,600

you know elated feeling i i

444

00:16:35,110 --> 00:16:32,800

i'm overwhelmed with joy and

445

00:16:37,030 --> 00:16:35,120

um because that's the feeling that i got

446

00:16:37,350 --> 00:16:37,040

from this connection i could call it

447

00:16:43,509 --> 00:16:37,360

with

448

00:16:44,710 --> 00:16:43,519

i'm you know i'm freaking out but it's

449

00:16:47,590 --> 00:16:44,720

still moving it's like just

450

00:16:49,350 --> 00:16:47,600

moving slowly and silently and it can't

451
00:16:53,269 --> 00:16:49,360
be more than 80 feet above

452
00:16:56,949 --> 00:16:53,279
above me and it's still humming and then

453
00:16:59,269 --> 00:16:56,959
it disappears and then reappears

454
00:17:00,629 --> 00:16:59,279
across the street over this lake where i

455
00:17:03,110 --> 00:17:00,639
lived

456
00:17:03,990 --> 00:17:03,120
and um and you know it has all these

457
00:17:07,350 --> 00:17:04,000
lights going around

458
00:17:07,829 --> 00:17:07,360
it uh you know like blue white green red

459
00:17:10,470 --> 00:17:07,839
yellow

460
00:17:11,669 --> 00:17:10,480
just swirling around it and then other

461
00:17:14,069 --> 00:17:11,679
ones appeared

462
00:17:15,750 --> 00:17:14,079
uh you know there was that one and then

463
00:17:17,669 --> 00:17:15,760

two other ones appeared

464

00:17:19,029 --> 00:17:17,679

and there was a whole event that took

465

00:17:21,110 --> 00:17:19,039

place where they there's they're

466

00:17:23,909 --> 00:17:21,120

appearing and disappearing

467

00:17:26,390 --> 00:17:23,919

and and um you know moving around the

468

00:17:28,630 --> 00:17:26,400

sky slowly for almost a half an hour

469

00:17:30,710 --> 00:17:28,640

and but you know before that had passed

470

00:17:33,830 --> 00:17:30,720

i ran into my house

471

00:17:34,470 --> 00:17:33,840

and uh two of my family members were

472

00:17:36,630 --> 00:17:34,480

there and i said

473

00:17:37,750 --> 00:17:36,640

come outside they're like why i said

474

00:17:39,110 --> 00:17:37,760

they're here they said and they're

475

00:17:40,150 --> 00:17:39,120

saying who's here i said just come

476
00:17:44,549 --> 00:17:40,160
outside

477
00:17:46,230 --> 00:17:44,559
and they were able to witness it

478
00:17:49,029 --> 00:17:46,240
and uh you know i have to imagine they

479
00:17:51,510 --> 00:17:49,039
were just as uh amazed as me

480
00:17:53,430 --> 00:17:51,520
and you know after actually that half

481
00:17:53,990 --> 00:17:53,440
hour so the way that this whole kind of

482
00:17:57,270 --> 00:17:54,000
sighting

483
00:17:59,510 --> 00:17:57,280
ended was that two of them

484
00:18:00,310 --> 00:17:59,520
were were flying towards each other like

485
00:18:01,750 --> 00:18:00,320
this

486
00:18:03,110 --> 00:18:01,760
and the you know the lights are spinning

487
00:18:04,070 --> 00:18:03,120
around while they're heading towards

488
00:18:05,750 --> 00:18:04,080

each other

489

00:18:06,950 --> 00:18:05,760

and as soon as they're about to crash

490

00:18:08,310 --> 00:18:06,960

you know and i'm thinking i had a holy

491

00:18:10,549 --> 00:18:08,320

they're going to crash

492

00:18:12,070 --> 00:18:10,559

as soon as they like make contact they

493

00:18:15,350 --> 00:18:12,080

just both disappeared

494

00:18:17,029 --> 00:18:15,360

and that ended that and um

495

00:18:18,950 --> 00:18:17,039

like when when this happened i'm like

496

00:18:21,350 --> 00:18:18,960

dude this is gonna this is it this is

497

00:18:23,350 --> 00:18:21,360

gonna be all over the news and it's

498

00:18:24,150 --> 00:18:23,360

gonna be disclosure tomorrow like i

499

00:18:26,630 --> 00:18:24,160

remember

500

00:18:27,350 --> 00:18:26,640

like this is insane and you know i when

501

00:18:28,630 --> 00:18:27,360

i i

502

00:18:30,390 --> 00:18:28,640

you know i called some friends and told

503

00:18:32,470 --> 00:18:30,400

them what happened or whatever but i'm

504

00:18:34,950 --> 00:18:32,480

like looking on the news and stuff and

505

00:18:35,669 --> 00:18:34,960

nothing you know it was just like

506

00:18:37,510 --> 00:18:35,679

nothing and

507

00:18:40,470 --> 00:18:37,520

and you know there was never i didn't

508

00:18:42,070 --> 00:18:40,480

see any ufo reports cited on that day or

509

00:18:44,630 --> 00:18:42,080

whatever but it was just you know

510

00:18:46,470 --> 00:18:44,640

again i i i thought it was disclosure

511

00:18:47,909 --> 00:18:46,480

was happening but uh apparently it

512

00:18:50,789 --> 00:18:47,919

didn't

513

00:18:52,950 --> 00:18:50,799

um so that that whole string of events

514

00:18:55,990 --> 00:18:52,960

occurred within it within a few months

515

00:18:59,190 --> 00:18:56,000

and that's actually what led me to

516

00:19:01,110 --> 00:18:59,200

ce5 because um so

517

00:19:02,549 --> 00:19:01,120

uh thanks for sharing that that's pretty

518

00:19:04,230 --> 00:19:02,559

intense okay and

519

00:19:05,510 --> 00:19:04,240

just a bit of a recap that you've said

520

00:19:06,549 --> 00:19:05,520

there you had those childhood

521

00:19:09,350 --> 00:19:06,559

experiences

522

00:19:10,549 --> 00:19:09,360

and very personal you then and if you

523

00:19:12,470 --> 00:19:10,559

follow down the line you see this

524

00:19:14,230 --> 00:19:12,480

fireball in the sky that's preceded by

525

00:19:15,590 --> 00:19:14,240

you know being asked about ufo sightings

526
00:19:17,990 --> 00:19:15,600
and then someone else asks you in the

527
00:19:20,230 --> 00:19:18,000
family about ufo sightings you then see

528
00:19:21,110 --> 00:19:20,240
this fireball that you're in the car and

529
00:19:23,750 --> 00:19:21,120
then you're in this

530
00:19:24,470 --> 00:19:23,760
accident like you say it wasn't as bad

531
00:19:26,230 --> 00:19:24,480
an accident

532
00:19:27,510 --> 00:19:26,240
that you had a near-death experience but

533
00:19:30,310 --> 00:19:27,520
it was trauma and just

534
00:19:31,750 --> 00:19:30,320
out of body which then leads you to for

535
00:19:33,510 --> 00:19:31,760
the following day to have this really

536
00:19:35,830 --> 00:19:33,520
intense experience and

537
00:19:36,630 --> 00:19:35,840
and closer kind of contact experience as

538
00:19:39,750 --> 00:19:36,640

well that's

539

00:19:42,470 --> 00:19:39,760

that's incredible do you think

540

00:19:43,510 --> 00:19:42,480

all of this stuff happened to you were

541

00:19:47,350 --> 00:19:43,520

you

542

00:19:49,270 --> 00:19:47,360

to these sorts of experiences

543

00:19:51,110 --> 00:19:49,280

or do you think they've happened for a

544

00:19:54,230 --> 00:19:51,120

reason

545

00:19:57,990 --> 00:19:54,240

i mean you know in my own ego idea

546

00:19:59,990 --> 00:19:58,000

right my own i reality i i tend to think

547

00:20:02,310 --> 00:20:00,000

there's a reason for it right

548

00:20:04,149 --> 00:20:02,320

uh but i i'm just as open to the idea

549

00:20:04,549 --> 00:20:04,159

that it's just a roll of the dice right

550

00:20:07,190 --> 00:20:04,559

place

551
00:20:09,029 --> 00:20:07,200
right time and you know part of me being

552
00:20:10,310 --> 00:20:09,039
on this quest is i hope i find out

553
00:20:12,310 --> 00:20:10,320
you know because i don't have all the

554
00:20:12,950 --> 00:20:12,320
answers i wish i had the answers to that

555
00:20:15,669 --> 00:20:12,960
and

556
00:20:17,669 --> 00:20:15,679
those questions actually very early on

557
00:20:21,110 --> 00:20:17,679
like is there a reason for this was

558
00:20:22,710 --> 00:20:21,120
that i had these experiences drove me um

559
00:20:24,789 --> 00:20:22,720
you know that that was part of the

560
00:20:26,630 --> 00:20:24,799
initial drive for me

561
00:20:27,990 --> 00:20:26,640
you know pursuing this you know engaging

562
00:20:31,270 --> 00:20:28,000
the phenomenon right

563
00:20:33,430 --> 00:20:31,280

because i had these encounters and um

564

00:20:36,230 --> 00:20:33,440

i wanted to engage the phenomenon and

565

00:20:38,390 --> 00:20:36,240

not kind of just be a bystander

566

00:20:40,630 --> 00:20:38,400

now that's as good a reason as any to to

567

00:20:42,950 --> 00:20:40,640

want to try and get in touch or contact

568

00:20:44,630 --> 00:20:42,960

whatever entities or beings may be at

569

00:20:47,510 --> 00:20:44,640

play within all of this is

570

00:20:49,110 --> 00:20:47,520

very personal to you as well now that's

571

00:20:53,830 --> 00:20:49,120

what i'm going to start talking about

572

00:20:56,789 --> 00:20:53,840

ce5 okay did you come into this

573

00:20:58,630 --> 00:20:56,799

looking for ce5 or was it known by

574

00:21:01,029 --> 00:20:58,640

something else now ce5 as

575

00:21:02,149 --> 00:21:01,039

as some people may know as a little bit

576

00:21:05,190 --> 00:21:02,159

more of a franchise

577

00:21:07,190 --> 00:21:05,200

these days for some um but if

578

00:21:09,110 --> 00:21:07,200

you want to just talk a little bit about

579

00:21:11,990 --> 00:21:09,120

what it was known as when you came into

580

00:21:14,149 --> 00:21:12,000

and explain what ce5 or human initiated

581

00:21:16,390 --> 00:21:14,159

contact is

582

00:21:19,270 --> 00:21:16,400

okay sure um i just want to give a

583

00:21:22,789 --> 00:21:19,280

little uh backstory on that just to say

584

00:21:25,510 --> 00:21:22,799

um i found so after those experiences i

585

00:21:27,350 --> 00:21:25,520

i just went into like a deep deep dive i

586

00:21:29,590 --> 00:21:27,360

found the disclosure project

587

00:21:31,510 --> 00:21:29,600

i found uh dr greer's work because of

588

00:21:33,029 --> 00:21:31,520

the disclosure project

589

00:21:34,549 --> 00:21:33,039

uh you know i was amazed something like

590

00:21:35,669 --> 00:21:34,559

that happened with all these high-level

591

00:21:38,549 --> 00:21:35,679

witnesses

592

00:21:40,630 --> 00:21:38,559

in washington dc 2001 and i'm thinking

593

00:21:43,669 --> 00:21:40,640

like how did i not hear this happen

594

00:21:45,350 --> 00:21:43,679

so you know in the midst of that i i was

595

00:21:46,070 --> 00:21:45,360

like who is this guy who set this up you

596

00:21:48,630 --> 00:21:46,080

know

597

00:21:51,190 --> 00:21:48,640

this random guy had never heard of and

598

00:21:53,270 --> 00:21:51,200

that's uh dr steven greer

599

00:21:54,789 --> 00:21:53,280

so i started to look into him you know

600

00:21:56,390 --> 00:21:54,799

like who's steven grier you know

601
00:21:58,789 --> 00:21:56,400
i don't know if it was google at that

602
00:21:59,990 --> 00:21:58,799
time or or you know which search engine

603
00:22:03,990 --> 00:22:00,000
it was but i

604
00:22:07,350 --> 00:22:04,000
ended up finding um his work on ce5

605
00:22:10,470 --> 00:22:07,360
so at that at that point c5 was known

606
00:22:13,750 --> 00:22:10,480
ce5 actually was um

607
00:22:17,590 --> 00:22:13,760
known starting in like 1992.

608
00:22:19,990 --> 00:22:17,600
so i got heavily involved into the ce5

609
00:22:22,070 --> 00:22:20,000
work because um you know after having

610
00:22:24,070 --> 00:22:22,080
those experiences

611
00:22:25,270 --> 00:22:24,080
i never really thought oh let me let me

612
00:22:28,549 --> 00:22:25,280
try to to

613
00:22:31,590 --> 00:22:28,559

um reach out to the this uh

614

00:22:32,070 --> 00:22:31,600

intelligence um so when i found ce5 i'm

615

00:22:34,070 --> 00:22:32,080

like that

616

00:22:35,270 --> 00:22:34,080

why didn't i why didn't i even think of

617

00:22:36,870 --> 00:22:35,280

that you know what i mean it's

618

00:22:38,310 --> 00:22:36,880

this is still early on right after i

619

00:22:39,830 --> 00:22:38,320

found the um

620

00:22:41,830 --> 00:22:39,840

right after i had the experiences i

621

00:22:43,110 --> 00:22:41,840

found this work so that's why i got

622

00:22:45,190 --> 00:22:43,120

involved

623

00:22:48,390 --> 00:22:45,200

um with the ce5 work and i actually

624

00:22:52,390 --> 00:22:48,400

created the first social networks of ce5

625

00:22:55,510 --> 00:22:52,400

um back in around maybe 2009.

626

00:22:57,830 --> 00:22:55,520

so ce5 uh was created by

627

00:22:58,950 --> 00:22:57,840

dr greer the terminology and the

628

00:23:02,789 --> 00:22:58,960

protocols

629

00:23:05,990 --> 00:23:02,799

but um what we call ce5

630

00:23:09,029 --> 00:23:06,000

is you know it's human initiated contact

631

00:23:11,669 --> 00:23:09,039

um that that whole idea

632

00:23:13,190 --> 00:23:11,679

goes back hundreds of years if not

633

00:23:16,070 --> 00:23:13,200

thousands of years

634

00:23:17,430 --> 00:23:16,080

um so again ce5 is a human-initiated

635

00:23:20,549 --> 00:23:17,440

contact

636

00:23:23,270 --> 00:23:20,559

and under uh dr steven greer he has his

637

00:23:25,510 --> 00:23:23,280

own protocols for doing that

638

00:23:27,110 --> 00:23:25,520

but there was another group called

639

00:23:29,750 --> 00:23:27,120

mission rama

640

00:23:30,950 --> 00:23:29,760

who were doing the same i want to say

641

00:23:32,789 --> 00:23:30,960

like 90

642

00:23:35,430 --> 00:23:32,799

the same exact thing that dr greer was

643

00:23:39,350 --> 00:23:35,440

doing but he was doing it in 1974

644

00:23:43,430 --> 00:23:39,360

in lima peru and there was a whole um

645

00:23:45,750 --> 00:23:43,440

you know movement of contact activists

646

00:23:47,029 --> 00:23:45,760

in the 1970s in south america and it was

647

00:23:49,590 --> 00:23:47,039

pretty big and they had

648

00:23:51,029 --> 00:23:49,600

local media coverage and they had

649

00:23:51,669 --> 00:23:51,039

actually very good footage of some of

650

00:23:54,630 --> 00:23:51,679

their

651
00:23:56,470 --> 00:23:54,640
encounters they make bigger claims of

652
00:23:58,630 --> 00:23:56,480
actual face-to-face interactions with

653
00:24:01,350 --> 00:23:58,640
entities but of course there's

654
00:24:03,669 --> 00:24:01,360
no pictures of that but they do have

655
00:24:06,230 --> 00:24:03,679
some really good ufo footage

656
00:24:08,710 --> 00:24:06,240
from their um their events there that

657
00:24:10,789 --> 00:24:08,720
was documented by local media

658
00:24:12,070 --> 00:24:10,799
and it wasn't just random they they

659
00:24:14,149 --> 00:24:12,080
invited the media

660
00:24:15,430 --> 00:24:14,159
to listen at this time this day and this

661
00:24:17,350 --> 00:24:15,440
time there's going to be a sighting

662
00:24:19,029 --> 00:24:17,360
and lo and behold you know whatever

663
00:24:21,029 --> 00:24:19,039

wednesday 10 o'clock

664

00:24:23,350 --> 00:24:21,039

a ship appears or two ships appear and

665

00:24:24,950 --> 00:24:23,360

there's a whole interaction that goes on

666

00:24:26,630 --> 00:24:24,960

and they're utilizing the same kind of

667

00:24:29,029 --> 00:24:26,640

ideas like meditation

668

00:24:30,149 --> 00:24:29,039

and consciousness which is what ce5 is

669

00:24:31,990 --> 00:24:30,159

known for

670

00:24:34,390 --> 00:24:32,000

so and then you want to go back further

671

00:24:37,590 --> 00:24:34,400

than that there's the guy john d

672

00:24:39,510 --> 00:24:37,600

um i forget what here maybe the 17 or

673

00:24:42,630 --> 00:24:39,520

1800s and he was using

674

00:24:45,750 --> 00:24:42,640

what he called the nokian magic and

675

00:24:47,350 --> 00:24:45,760

having these interaction with angels or

676
00:24:49,510 --> 00:24:47,360
you know non-human intelligence

677
00:24:51,590 --> 00:24:49,520
who were communicating ideas and stuff

678
00:24:53,269 --> 00:24:51,600
so this this kind of thing actually yes

679
00:24:54,870 --> 00:24:53,279
the further you go back in time the

680
00:24:57,190 --> 00:24:54,880
further you see that there's

681
00:24:58,070 --> 00:24:57,200
some kind of contact between humans and

682
00:25:00,630 --> 00:24:58,080
and

683
00:25:02,310 --> 00:25:00,640
whatever we want to you know ascribe to

684
00:25:04,470 --> 00:25:02,320
non-human intelligence some other kind

685
00:25:07,830 --> 00:25:04,480
of entities

686
00:25:09,269 --> 00:25:07,840
uh again so that the idea of ce5 really

687
00:25:12,070 --> 00:25:09,279
goes way back

688
00:25:14,390 --> 00:25:12,080

uh however uh dr stephen graham my

689

00:25:17,909 --> 00:25:14,400

opinion did probably the most

690

00:25:21,510 --> 00:25:17,919

modern job of framing that and you know

691

00:25:22,630 --> 00:25:21,520

giving people um tools to go out and and

692

00:25:24,630 --> 00:25:22,640

do the work

693

00:25:26,549 --> 00:25:24,640

uh so his work with that is actually

694

00:25:27,190 --> 00:25:26,559

very important in kind of putting that

695

00:25:29,990 --> 00:25:27,200

together and

696

00:25:31,830 --> 00:25:30,000

kind of rebranding contact in a way that

697

00:25:34,149 --> 00:25:31,840

people say oh there's a there's a whole

698

00:25:35,750 --> 00:25:34,159

method you have the c5 protocols

699

00:25:38,070 --> 00:25:35,760

and there's a methodology and you do

700

00:25:39,430 --> 00:25:38,080

that and you can have these interactions

701
00:25:44,470 --> 00:25:39,440
so that that's kind of some of the

702
00:25:46,549 --> 00:25:44,480
background on ce5 um as as an idea

703
00:25:48,710 --> 00:25:46,559
now for the purpose of the interview

704
00:25:49,750 --> 00:25:48,720
we'll go with ce5 i know quite a lot of

705
00:25:50,090 --> 00:25:49,760
people are very

706
00:25:52,870 --> 00:25:50,100
um

707
00:25:56,070 --> 00:25:52,880
[Music]

708
00:25:57,830 --> 00:25:56,080
the d word not disclosure um

709
00:26:00,230 --> 00:25:57,840
why can't i divided i don't know why

710
00:26:01,750 --> 00:26:00,240
that escaped me and they're divided on

711
00:26:03,830 --> 00:26:01,760
stephen greer and we're going to come to

712
00:26:06,230 --> 00:26:03,840
talk about dr green as well okay

713
00:26:06,950 --> 00:26:06,240

because we have to but going going

714

00:26:08,950 --> 00:26:06,960

forward just now

715

00:26:10,630 --> 00:26:08,960

we'll go with ce5 okay and lots of

716

00:26:12,549 --> 00:26:10,640

people are asking though

717

00:26:14,070 --> 00:26:12,559

when you you've decided personally

718

00:26:15,590 --> 00:26:14,080

you've had these experiences and you

719

00:26:16,870 --> 00:26:15,600

want to try and contact these beings

720

00:26:18,630 --> 00:26:16,880

engage the phenomenon

721

00:26:20,549 --> 00:26:18,640

as you've called the channel other

722

00:26:22,230 --> 00:26:20,559

people will have their reasons as well

723

00:26:24,870 --> 00:26:22,240

how do you then or how would you

724

00:26:27,590 --> 00:26:24,880

recommend someone goes about starting

725

00:26:29,669 --> 00:26:27,600

to even try and contact some some other

726

00:26:33,430 --> 00:26:29,679

life former intelligence

727

00:26:35,190 --> 00:26:33,440

using ce5 of course okay so ce5

728

00:26:37,350 --> 00:26:35,200

uh you know with again under the

729

00:26:39,990 --> 00:26:37,360

umbrella of dr steven greer

730

00:26:40,390 --> 00:26:40,000

he has his set of protocols and they

731

00:26:43,029 --> 00:26:40,400

work

732

00:26:43,590 --> 00:26:43,039

it's like training wheels right um so

733

00:26:46,870 --> 00:26:43,600

his

734

00:26:50,630 --> 00:26:46,880

dr stephen grier's method is um

735

00:26:52,470 --> 00:26:50,640

you practice uh he doesn't he

736

00:26:55,029 --> 00:26:52,480

you know he says you can do any form of

737

00:26:58,789 --> 00:26:55,039

meditation as far as the basis of it

738

00:27:00,310 --> 00:26:58,799

so you do a meditation uh for about

739

00:27:02,470 --> 00:27:00,320

you know however long you want you can

740

00:27:02,870 --> 00:27:02,480

do 20 minutes 30 minutes half an hour or

741

00:27:05,750 --> 00:27:02,880

you know

742

00:27:06,470 --> 00:27:05,760

an hour whatever it is so and after you

743

00:27:08,549 --> 00:27:06,480

are

744

00:27:10,789 --> 00:27:08,559

you do your meditation and you're

745

00:27:13,510 --> 00:27:10,799

settled down you know you have a clear

746

00:27:15,669 --> 00:27:13,520

calm mind your your monkey mind that has

747

00:27:18,710 --> 00:27:15,679

all these random thoughts is kind of

748

00:27:19,190 --> 00:27:18,720

um relaxed to an extent then you go

749

00:27:21,190 --> 00:27:19,200

through

750

00:27:22,389 --> 00:27:21,200

what he calls coherent thought

751
00:27:24,310 --> 00:27:22,399
sequencing

752
00:27:26,549 --> 00:27:24,320
and and dr stephen greer describes the

753
00:27:30,710 --> 00:27:26,559
coherent thought sequencing

754
00:27:34,389 --> 00:27:30,720
as um either remote viewing

755
00:27:36,630 --> 00:27:34,399
or kind of like um an advanced version

756
00:27:37,590 --> 00:27:36,640
or coherent version of visualization

757
00:27:39,269 --> 00:27:37,600
because you know

758
00:27:40,950 --> 00:27:39,279
not everybody believes that they can

759
00:27:42,149 --> 00:27:40,960
remote view or whatever that's almost

760
00:27:43,990 --> 00:27:42,159
beside the point

761
00:27:45,190 --> 00:27:44,000
but you go through a visualization

762
00:27:47,590 --> 00:27:45,200
process

763
00:27:48,950 --> 00:27:47,600

of you know using your mind's eye or

764

00:27:51,269 --> 00:27:48,960

your inner vision

765

00:27:52,630 --> 00:27:51,279

to to look basically through the

766

00:27:55,669 --> 00:27:52,640

universe

767

00:27:57,110 --> 00:27:55,679

and and visualize uh that you're

768

00:27:58,389 --> 00:27:57,120

connecting with these non-human

769

00:28:00,549 --> 00:27:58,399

intelligences

770

00:28:02,230 --> 00:28:00,559

and you vector them by you know

771

00:28:04,950 --> 00:28:02,240

visualizing backwards

772

00:28:05,510 --> 00:28:04,960

to where you are on earth you know in

773

00:28:09,029 --> 00:28:05,520

your

774

00:28:09,669 --> 00:28:09,039

state city town backyard wherever you

775

00:28:11,510 --> 00:28:09,679

are

776

00:28:13,110 --> 00:28:11,520

so you actually go through that process

777

00:28:13,830 --> 00:28:13,120

called coherent thought sequencing for

778

00:28:17,029 --> 00:28:13,840

another

779

00:28:18,789 --> 00:28:17,039

you know 10 or 15 or 20 minutes you know

780

00:28:20,230 --> 00:28:18,799

visualizing that you're going that

781

00:28:21,590 --> 00:28:20,240

you're peering out with your mind's eye

782

00:28:23,750 --> 00:28:21,600

into the universe

783

00:28:25,029 --> 00:28:23,760

to see some of these entities or beings

784

00:28:27,029 --> 00:28:25,039

or intelligences

785

00:28:29,110 --> 00:28:27,039

and then visually guiding them back to

786

00:28:32,149 --> 00:28:29,120

your location

787

00:28:35,110 --> 00:28:32,159

and that's that's basically

788

00:28:39,269 --> 00:28:35,120

greer's main main uh claim to fame as

789

00:28:45,590 --> 00:28:42,630

now one of the issues is

790

00:28:47,350 --> 00:28:45,600

that stephen greer also has has his app

791

00:28:48,870 --> 00:28:47,360

which you can pay a one-off fee for

792

00:28:50,310 --> 00:28:48,880

unless and in this field

793

00:28:52,230 --> 00:28:50,320

different people have different ways of

794

00:28:54,630 --> 00:28:52,240

making money or funding what they do

795

00:28:56,310 --> 00:28:54,640

even what i do what you do takes time

796

00:28:59,269 --> 00:28:56,320

takes money for equipment costs

797

00:29:00,470 --> 00:28:59,279

all that sort of stuff as well okay but

798

00:29:02,310 --> 00:29:00,480

you can obviously

799

00:29:04,950 --> 00:29:02,320

pay for the app which talks you through

800

00:29:07,590 --> 00:29:04,960

these protocols is that correct

801
00:29:09,110 --> 00:29:07,600
yes but all anything that's on that app

802
00:29:11,750 --> 00:29:09,120
you can find for free

803
00:29:13,269 --> 00:29:11,760
but people people like having uh you

804
00:29:15,110 --> 00:29:13,279
know a nice app on your phone

805
00:29:16,389 --> 00:29:15,120
it looks it's dressed up nice it's

806
00:29:18,630 --> 00:29:16,399
organized

807
00:29:20,470 --> 00:29:18,640
i think you can once it's downloaded you

808
00:29:22,549 --> 00:29:20,480
can access everything offline so if

809
00:29:24,789 --> 00:29:22,559
you're in like a dead zone area

810
00:29:26,710 --> 00:29:24,799
um you can just listen to meditations on

811
00:29:27,990 --> 00:29:26,720
there but it's it's not going to be any

812
00:29:29,909 --> 00:29:28,000
different from

813
00:29:31,669 --> 00:29:29,919

you know uh any of his guided

814

00:29:33,669 --> 00:29:31,679

meditations that you can find on youtube

815

00:29:35,909 --> 00:29:33,679

and download to your phone

816

00:29:37,669 --> 00:29:35,919

okay and we'll come back to some of the

817

00:29:39,510 --> 00:29:37,679

issues people have had with that as well

818

00:29:40,870 --> 00:29:39,520

but that's that's how it's done and the

819

00:29:43,669 --> 00:29:40,880

idea behind it

820

00:29:44,789 --> 00:29:43,679

what sort of experiences can people

821

00:29:49,669 --> 00:29:44,799

expect

822

00:29:53,029 --> 00:29:49,679

from one of these successful

823

00:29:54,870 --> 00:29:53,039

meditations right um

824

00:29:56,070 --> 00:29:54,880

well i i kind of want to say on the side

825

00:29:56,789 --> 00:29:56,080

maybe you want to talk about it later

826

00:29:59,909 --> 00:29:56,799

but that that

827

00:30:01,669 --> 00:29:59,919

those are the ce5 protocols um that i

828

00:30:03,909 --> 00:30:01,679

was just discussing before

829

00:30:06,470 --> 00:30:03,919

but that's that's literally the idea of

830

00:30:10,230 --> 00:30:06,480

it being training wheels is is basically

831

00:30:11,750 --> 00:30:10,240

um it's a kind of big thing and uh

832

00:30:13,669 --> 00:30:11,760

you know you don't you don't have to do

833

00:30:18,389 --> 00:30:13,679

those those protocols

834

00:30:20,470 --> 00:30:18,399

you can literally sit still and just

835

00:30:22,310 --> 00:30:20,480

do nothing and have it happen but i i'll

836

00:30:25,750 --> 00:30:22,320

get into that later i guess

837

00:30:28,630 --> 00:30:25,760

um but the kind of you you can't

838

00:30:29,669 --> 00:30:28,640

you can't really expect uh what's gonna

839

00:30:33,669 --> 00:30:29,679

happen

840

00:30:35,350 --> 00:30:33,679

and um there's a whole range that that

841

00:30:39,029 --> 00:30:35,360

can occur and it all depends

842

00:30:41,190 --> 00:30:39,039

on the individual um i guess you can say

843

00:30:42,789 --> 00:30:41,200

their affinity to contact

844

00:30:44,789 --> 00:30:42,799

there's there's so many unknowns that

845

00:30:46,389 --> 00:30:44,799

when you're talking about ce5 like you

846

00:30:47,510 --> 00:30:46,399

know i can go out and dictate and say

847

00:30:49,269 --> 00:30:47,520

you should expect this

848

00:30:51,350 --> 00:30:49,279

based on this experience level or

849

00:30:51,669 --> 00:30:51,360

whatever but again as you know you can

850

00:30:54,149 --> 00:30:51,679

see

851

00:30:55,669 --> 00:30:54,159

i had all these kind of you know pretty

852

00:30:58,310 --> 00:30:55,679

extreme experiences and i

853

00:31:00,149 --> 00:30:58,320

didn't do ce5 at all and again there has

854

00:31:03,190 --> 00:31:00,159

to be some kind of

855

00:31:07,669 --> 00:31:03,200

reason how that occurred um

856

00:31:09,669 --> 00:31:07,679

but uh i mean generally speaking

857

00:31:11,430 --> 00:31:09,679

it you know depending on what you put

858

00:31:12,070 --> 00:31:11,440

into it is what you're gonna get out of

859

00:31:13,590 --> 00:31:12,080

it

860

00:31:15,750 --> 00:31:13,600

so if you're kind of going out and

861

00:31:18,389 --> 00:31:15,760

you're like oh i'm gonna do a

862

00:31:19,509 --> 00:31:18,399

20-minute meditation outside and look in

863

00:31:22,230 --> 00:31:19,519

the sky

864

00:31:22,549 --> 00:31:22,240

um you might you know you'll probably

865

00:31:26,149 --> 00:31:22,559

see

866

00:31:27,909 --> 00:31:26,159

people report

867

00:31:29,750 --> 00:31:27,919

and again there's there's levels of

868

00:31:31,430 --> 00:31:29,760

interaction so if it's something that's

869

00:31:32,549 --> 00:31:31,440

questionable as a satellite you can use

870

00:31:35,669 --> 00:31:32,559

satellite apps

871

00:31:37,190 --> 00:31:35,679

like heavens above uh also there was an

872

00:31:38,310 --> 00:31:37,200

app called space junk that showed you

873

00:31:39,350 --> 00:31:38,320

space debris

874

00:31:42,149 --> 00:31:39,360

i don't know if that one's around

875

00:31:43,590 --> 00:31:42,159

anymore so there's different apps you

876

00:31:44,830 --> 00:31:43,600

can use to disretain

877

00:31:47,750 --> 00:31:44,840

if you're looking at something

878

00:31:50,310 --> 00:31:47,760

conventional and if you see something

879

00:31:51,830 --> 00:31:50,320

like an orb that's passing by and it's

880

00:31:54,310 --> 00:31:51,840

flashing on a pattern

881

00:31:55,669 --> 00:31:54,320

like every seven seconds or so that's

882

00:31:57,750 --> 00:31:55,679

you can that's the rotation of the

883

00:32:00,870 --> 00:31:57,760

object and it's very likely space junker

884

00:32:02,230 --> 00:32:00,880

or something like that but again you can

885

00:32:05,350 --> 00:32:02,240

see some of these orbs

886

00:32:07,430 --> 00:32:05,360

and the the key with with ce5 or or

887

00:32:08,630 --> 00:32:07,440

in a bigger picture contact work is the

888

00:32:11,750 --> 00:32:08,640

interaction

889

00:32:15,350 --> 00:32:11,760

to define as

890

00:32:17,990 --> 00:32:15,360

if it's a genuine ce5 or not because

891

00:32:18,710 --> 00:32:18,000

a lot of times uh you know many people

892

00:32:20,870 --> 00:32:18,720

new to it

893

00:32:22,070 --> 00:32:20,880

they it's actually their first time

894

00:32:24,710 --> 00:32:22,080

really sky watching

895

00:32:26,149 --> 00:32:24,720

so a lot of things they see in the sky

896

00:32:26,630 --> 00:32:26,159

they kind of jump at and like oh it

897

00:32:28,070 --> 00:32:26,640

worked

898

00:32:29,590 --> 00:32:28,080

well i mean you you're gonna have to

899

00:32:29,990 --> 00:32:29,600

really do your homework and a lot of

900

00:32:31,669 --> 00:32:30,000

people

901
00:32:33,029 --> 00:32:31,679
of course they're just getting into it

902
00:32:35,029 --> 00:32:33,039
they're expecting to see something and

903
00:32:38,630 --> 00:32:35,039
they see something in the sky that is

904
00:32:41,350 --> 00:32:38,640
you know lights up um so they assume

905
00:32:41,990 --> 00:32:41,360
you know it's it's it's contact when and

906
00:32:43,990 --> 00:32:42,000
you know that's not

907
00:32:45,110 --> 00:32:44,000
always the case so that's something to

908
00:32:47,190 --> 00:32:45,120
keep in mind

909
00:32:49,110 --> 00:32:47,200
you want to you know something that you

910
00:32:52,149 --> 00:32:49,120
see in the sky you want to kind of

911
00:32:54,149 --> 00:32:52,159
go down a process of elimination and and

912
00:32:55,830 --> 00:32:54,159
try to find out what it is and when you

913
00:32:56,950 --> 00:32:55,840

come to the thing of like okay it's an

914

00:32:59,110 --> 00:32:56,960

unknown

915

00:33:00,950 --> 00:32:59,120

that's a genuine c5 so again you know

916

00:33:03,269 --> 00:33:00,960

with these orbs right

917

00:33:05,509 --> 00:33:03,279

um some things you can see stationary

918

00:33:07,350 --> 00:33:05,519

flashing in the sky

919

00:33:08,789 --> 00:33:07,360

or you'll see it jump from point to

920

00:33:10,549 --> 00:33:08,799

point and what i mean jump the point to

921

00:33:11,190 --> 00:33:10,559

point i don't mean like flash here and

922

00:33:13,110 --> 00:33:11,200

then come

923

00:33:14,789 --> 00:33:13,120

a few inches over and flash here in the

924

00:33:17,350 --> 00:33:14,799

sky i mean it's a clear

925

00:33:19,750 --> 00:33:17,360

distinguished flash here and then like a

926
00:33:21,029 --> 00:33:19,760
second later a few feet up and your eyes

927
00:33:22,789 --> 00:33:21,039
you know which would be thousands of

928
00:33:24,710 --> 00:33:22,799
feet just blip in there

929
00:33:26,630 --> 00:33:24,720
and kind of like dance around the sky

930
00:33:28,230 --> 00:33:26,640
like that you're obviously dealing with

931
00:33:30,710 --> 00:33:28,240
something that's anomalous

932
00:33:32,070 --> 00:33:30,720
and if it's responsive to your your

933
00:33:33,830 --> 00:33:32,080
thought process and awareness that's

934
00:33:37,190 --> 00:33:33,840
another kind of key indicator

935
00:33:38,789 --> 00:33:37,200
so if you're seeing this orb and

936
00:33:40,710 --> 00:33:38,799
you know you think in your mind okay is

937
00:33:43,269 --> 00:33:40,720
that is that you know is it really

938
00:33:45,269 --> 00:33:43,279

contact and it stops

939

00:33:46,950 --> 00:33:45,279

and then does you know that's that's

940

00:33:50,870 --> 00:33:46,960

obviously another indicator of something

941

00:33:52,230 --> 00:33:50,880

kind of strange and um there's a whole

942

00:33:54,230 --> 00:33:52,240

there's a whole spectrum of things you

943

00:33:57,110 --> 00:33:54,240

can see okay so

944

00:33:58,789 --> 00:33:57,120

um you could see like a few orbs in the

945

00:34:00,950 --> 00:33:58,799

sky something like that there's

946

00:34:02,310 --> 00:34:00,960

times when there are orbs that come down

947

00:34:04,630 --> 00:34:02,320

on ground level

948

00:34:07,110 --> 00:34:04,640

and i know people that have done ufo

949

00:34:07,830 --> 00:34:07,120

field work that's not ce5 that have had

950

00:34:09,510 --> 00:34:07,840

this happen

951
00:34:11,270 --> 00:34:09,520
and they're people that are experiences

952
00:34:14,310 --> 00:34:11,280
i think scott brown

953
00:34:16,310 --> 00:34:14,320
uh who runs the the group in the field

954
00:34:17,190 --> 00:34:16,320
he's not a ce fighter but he's a field

955
00:34:19,109 --> 00:34:17,200
worker

956
00:34:20,790 --> 00:34:19,119
and he's going out what they expect you

957
00:34:23,270 --> 00:34:20,800
know to see some kind of

958
00:34:24,790 --> 00:34:23,280
contact ufos and he's had things like

959
00:34:25,349 --> 00:34:24,800
that happen too so that just shows you

960
00:34:27,510 --> 00:34:25,359
how

961
00:34:28,950 --> 00:34:27,520
the intention of what you're doing is is

962
00:34:31,589 --> 00:34:28,960
actually the key role

963
00:34:32,950 --> 00:34:31,599

um so there can be lights that come on

964

00:34:34,869 --> 00:34:32,960

the sky but again

965

00:34:36,869 --> 00:34:34,879

a lot of the stuff is unpredictable and

966

00:34:38,869 --> 00:34:36,879

it happens very fast

967

00:34:40,790 --> 00:34:38,879

and you know unless you have everything

968

00:34:42,310 --> 00:34:40,800

set up to pre-record everything that's

969

00:34:43,430 --> 00:34:42,320

going on around you

970

00:34:45,430 --> 00:34:43,440

you're probably not going to get some

971

00:34:47,669 --> 00:34:45,440

stuff now um

972

00:34:48,550 --> 00:34:47,679

dr greer has actually recorded some good

973

00:34:51,829 --> 00:34:48,560

stuff but

974

00:34:55,030 --> 00:34:51,839

you know unfortunately he's got some uh

975

00:34:57,190 --> 00:34:55,040

embarrassing misidentifications

976

00:34:59,109 --> 00:34:57,200

as well that kind of muck up and then

977

00:35:01,349 --> 00:34:59,119

people say oh well it's all nonsense

978

00:35:03,109 --> 00:35:01,359

um you know all the documentation he has

979

00:35:05,430 --> 00:35:03,119

which is unfortunate because he has some

980

00:35:07,750 --> 00:35:05,440

really good stuff

981

00:35:09,990 --> 00:35:07,760

but you know again as far as the

982

00:35:11,750 --> 00:35:10,000

spectrum of what can happen

983

00:35:14,069 --> 00:35:11,760

um there's stuff like that that i'm

984

00:35:14,710 --> 00:35:14,079

mentioning which is on a kind of novice

985

00:35:16,550 --> 00:35:14,720

level

986

00:35:17,910 --> 00:35:16,560

just going out once or twice a week you

987

00:35:18,950 --> 00:35:17,920

can experience those things you know

988

00:35:20,470 --> 00:35:18,960

fairly

989

00:35:22,790 --> 00:35:20,480

easily as long as you're serious about

990

00:35:24,230 --> 00:35:22,800

it but then uh there's somebody in my

991

00:35:27,190 --> 00:35:24,240

family i'll tell you

992

00:35:27,510 --> 00:35:27,200

um it was their first ce5 and they they

993

00:35:29,270 --> 00:35:27,520

knew

994

00:35:31,270 --> 00:35:29,280

i was into this and whatever so they're

995

00:35:34,790 --> 00:35:31,280

like okay let me try it with you

996

00:35:35,670 --> 00:35:34,800

so i did this um i did a c5 with them i

997

00:35:37,270 --> 00:35:35,680

just did the 20

998

00:35:38,470 --> 00:35:37,280

i just did a 20 minute meditation i'm

999

00:35:39,670 --> 00:35:38,480

telling them like listen if nothing

1000

00:35:41,510 --> 00:35:39,680

happens

1001
00:35:43,030 --> 00:35:41,520
don't be concerned don't worry about it

1002
00:35:44,310 --> 00:35:43,040
this is we're just testing it out and

1003
00:35:46,150 --> 00:35:44,320
this is your first time i get it you

1004
00:35:47,510 --> 00:35:46,160
know we don't have to like kind of try

1005
00:35:51,190 --> 00:35:47,520
so hard

1006
00:35:54,630 --> 00:35:51,200
um so i was not expecting much

1007
00:35:56,829 --> 00:35:54,640
you know and um they you know after we

1008
00:36:00,069 --> 00:35:56,839
did our meditation they said oh

1009
00:36:02,790 --> 00:36:00,079
um you know they i got a message say

1010
00:36:04,069 --> 00:36:02,800
to look look for the colors and i'm

1011
00:36:06,870 --> 00:36:04,079
thinking like i'm

1012
00:36:08,230 --> 00:36:06,880
i'm skeptical of this person um even

1013
00:36:10,470 --> 00:36:08,240

though i shouldn't be

1014

00:36:12,069 --> 00:36:10,480

even as a as somebody with experiences

1015

00:36:13,750 --> 00:36:12,079

and somebody who's doing the cd5 work

1016

00:36:15,589 --> 00:36:13,760

for several years at that point

1017

00:36:17,670 --> 00:36:15,599

and that's good you know because you

1018

00:36:18,870 --> 00:36:17,680

don't have that pre-requisite of the

1019

00:36:20,150 --> 00:36:18,880

bias there that

1020

00:36:22,069 --> 00:36:20,160

that's what it is so that's that's good

1021

00:36:23,190 --> 00:36:22,079

to know though that you sorry to

1022

00:36:24,950 --> 00:36:23,200

interrupt but

1023

00:36:27,190 --> 00:36:24,960

i like that that you've got the attitude

1024

00:36:29,030 --> 00:36:27,200

towards it that yeah but is it happening

1025

00:36:30,710 --> 00:36:29,040

is it legit because you're you're going

1026

00:36:31,190 --> 00:36:30,720

a little bit extra you're going that bit

1027

00:36:34,069 --> 00:36:31,200

further

1028

00:36:34,630 --> 00:36:34,079

yeah i always i even with my own stuff

1029

00:36:37,349 --> 00:36:34,640

if i

1030

00:36:38,470 --> 00:36:37,359

i and and and i'll just say this to be

1031

00:36:39,910 --> 00:36:38,480

clear that

1032

00:36:42,150 --> 00:36:39,920

when you have that question you can

1033

00:36:44,390 --> 00:36:42,160

still go out and do this work honestly

1034

00:36:46,790 --> 00:36:44,400

and have a level of skepticism

1035

00:36:48,470 --> 00:36:46,800

and when the the phenomenon appears it's

1036

00:36:50,150 --> 00:36:48,480

not going to make you guess

1037

00:36:51,670 --> 00:36:50,160

if it's there it's going to show you

1038

00:36:52,950 --> 00:36:51,680

when because one as soon as the question

1039

00:36:55,030 --> 00:36:52,960

comes to your mind

1040

00:36:57,030 --> 00:36:55,040

is this like something legit it will

1041

00:36:58,230 --> 00:36:57,040

usually do something where like okay

1042

00:36:59,910 --> 00:36:58,240

i got the message because they're not

1043

00:37:00,550 --> 00:36:59,920

coming there to waste your time or their

1044

00:37:02,150 --> 00:37:00,560

time

1045

00:37:04,710 --> 00:37:02,160

the you know the intelligence is going

1046

00:37:06,390 --> 00:37:04,720

to be clear and demonstrating that it is

1047

00:37:08,069 --> 00:37:06,400

you know anomalous phenomena it's

1048

00:37:09,349 --> 00:37:08,079

another intelligence it's not some kind

1049

00:37:10,230 --> 00:37:09,359

of like oh i don't know if that's a

1050

00:37:12,710 --> 00:37:10,240

satellite

1051

00:37:14,790 --> 00:37:12,720

usually if you think that it will do

1052

00:37:17,990 --> 00:37:14,800

something to demonstrate that it is

1053

00:37:20,790 --> 00:37:18,000

clearly another intelligence so

1054

00:37:21,750 --> 00:37:20,800

um yeah this person said look out for

1055

00:37:25,030 --> 00:37:21,760

the callers and i'm

1056

00:37:26,150 --> 00:37:25,040

kind of thinking like okay maybe they

1057

00:37:28,230 --> 00:37:26,160

just

1058

00:37:30,230 --> 00:37:28,240

got that in their meditation and you

1059

00:37:31,510 --> 00:37:30,240

know i didn't you know i didn't think

1060

00:37:33,109 --> 00:37:31,520

much of it other than that

1061

00:37:34,630 --> 00:37:33,119

and you know i hope this person doesn't

1062

00:37:37,910 --> 00:37:34,640

hear me say this right

1063

00:37:39,190 --> 00:37:37,920

um but uh so we

1064

00:37:41,349 --> 00:37:39,200

we step out of the room where we're

1065

00:37:43,510 --> 00:37:41,359

doing the meditation

1066

00:37:45,030 --> 00:37:43,520

and two of my other family members are

1067

00:37:46,150 --> 00:37:45,040

like somebody's taking pictures from

1068

00:37:47,270 --> 00:37:46,160

outside

1069

00:37:48,550 --> 00:37:47,280

i'm like what are you talking about

1070

00:37:49,990 --> 00:37:48,560

because they're sitting down in the dark

1071

00:37:51,510 --> 00:37:50,000

watching a movie

1072

00:37:53,109 --> 00:37:51,520

so they have the lights off and they

1073

00:37:54,230 --> 00:37:53,119

said there's flashes of light coming in

1074

00:37:57,190 --> 00:37:54,240

the house and i saw it

1075

00:37:58,550 --> 00:37:57,200

and it lit the light lit up the inside

1076

00:38:00,790 --> 00:37:58,560

of the house

1077

00:38:01,829 --> 00:38:00,800

um and you know again because all the

1078

00:38:03,670 --> 00:38:01,839

lights are off and they're watching a

1079

00:38:06,390 --> 00:38:03,680

movie so i'm like oh crap

1080

00:38:07,750 --> 00:38:06,400

okay i i'm already assuming like okay i

1081

00:38:09,750 --> 00:38:07,760

think something's going on at this point

1082

00:38:11,430 --> 00:38:09,760

because that's too much of a coincidence

1083

00:38:12,630 --> 00:38:11,440

and they didn't know what we were doing

1084

00:38:14,310 --> 00:38:12,640

they didn't know we were going to do a

1085

00:38:18,630 --> 00:38:14,320

c5 or anything like that they're just

1086

00:38:20,230 --> 00:38:18,640

innocent bystanders so i i run outside

1087

00:38:21,270 --> 00:38:20,240

and my laser was set there by the door

1088

00:38:22,630 --> 00:38:21,280

and i i don't

1089

00:38:24,630 --> 00:38:22,640

suggest people use lasers they're

1090

00:38:28,069 --> 00:38:24,640

dangerous don't use them

1091

00:38:30,310 --> 00:38:28,079

so i grab my laser disclaimer so i grab

1092

00:38:32,230 --> 00:38:30,320

my laser and i go outside

1093

00:38:35,109 --> 00:38:32,240

and there's these two i guess you can

1094

00:38:37,109 --> 00:38:35,119

say these two orbs these two crafts

1095

00:38:38,630 --> 00:38:37,119

and they're moving like this so one's

1096

00:38:40,230 --> 00:38:38,640

moving in one direction one's moving the

1097

00:38:43,030 --> 00:38:40,240

other direction

1098

00:38:44,550 --> 00:38:43,040

and i i flash my laser in between them

1099

00:38:45,990 --> 00:38:44,560

and it goes like this one flashes like

1100

00:38:46,630 --> 00:38:46,000

this and one flashes like this and i'm

1101

00:38:48,790 --> 00:38:46,640

like okay

1102

00:38:49,670 --> 00:38:48,800

this is okay this is going on all right

1103

00:38:51,910 --> 00:38:49,680

so i

1104

00:38:53,750 --> 00:38:51,920

and uh the person that i did the ce5

1105

00:38:56,230 --> 00:38:53,760

with was with me

1106

00:38:57,510 --> 00:38:56,240

and as soon as those two kind of flashed

1107

00:39:00,950 --> 00:38:57,520

at each other

1108

00:39:01,829 --> 00:39:00,960

uh just a second by second the entire

1109

00:39:03,990 --> 00:39:01,839

sky

1110

00:39:05,430 --> 00:39:04,000

uh started to light up anywhere you

1111

00:39:07,910 --> 00:39:05,440

looked in the sky

1112

00:39:10,870 --> 00:39:07,920

there were different types of activity

1113

00:39:14,230 --> 00:39:10,880

and again this is somebody's first ce5

1114

00:39:16,310 --> 00:39:14,240

and um even as ce5s go for me i've had

1115

00:39:19,109 --> 00:39:16,320

really extraordinary things happen

1116

00:39:19,990 --> 00:39:19,119

but this was the most visually aesthetic

1117

00:39:23,430 --> 00:39:20,000

like

1118

00:39:25,430 --> 00:39:23,440

kind of thing

1119

00:39:27,510 --> 00:39:25,440

uh you know i i jokingly called it like

1120

00:39:31,190 --> 00:39:27,520

an intergalactic initiation

1121

00:39:32,310 --> 00:39:31,200

uh just because um they're you know i

1122

00:39:35,910 --> 00:39:32,320

would look this way

1123

00:39:38,710 --> 00:39:35,920

and there was like a a purple orb

1124

00:39:40,790 --> 00:39:38,720

um clearly in the sky but i could see uh

1125

00:39:43,589 --> 00:39:40,800

it was part of a structure

1126
00:39:43,990 --> 00:39:43,599
um you know for many of these different

1127
00:39:46,630 --> 00:39:44,000
things

1128
00:39:48,870 --> 00:39:46,640
they were actually what i perceived as

1129
00:39:51,670 --> 00:39:48,880
structures around the lights

1130
00:39:52,390 --> 00:39:51,680
um so there was this purple one over

1131
00:39:57,829 --> 00:39:52,400
here

1132
00:40:00,630 --> 00:39:57,839
and they're all kind of either moving or

1133
00:40:03,670 --> 00:40:00,640
flashing or just stationary

1134
00:40:03,990 --> 00:40:03,680
and then you know i go inside and i i

1135
00:40:05,750 --> 00:40:04,000
get

1136
00:40:07,510 --> 00:40:05,760
the other family members that come out

1137
00:40:09,030 --> 00:40:07,520
here come out here i think

1138
00:40:11,030 --> 00:40:09,040

you know after that last experience in

1139

00:40:13,430 --> 00:40:11,040

2007 they kind of figured they knew

1140

00:40:15,190 --> 00:40:13,440

and at this point this is years later so

1141

00:40:16,710 --> 00:40:15,200

they knew i was into ce5 at this point

1142

00:40:17,750 --> 00:40:16,720

they knew i was doing the work so they

1143

00:40:20,150 --> 00:40:17,760

came out

1144

00:40:21,510 --> 00:40:20,160

and again this whole thing went on for

1145

00:40:23,670 --> 00:40:21,520

about a half an hour

1146

00:40:24,710 --> 00:40:23,680

of all these different lights in the sky

1147

00:40:27,750 --> 00:40:24,720

like that

1148

00:40:29,190 --> 00:40:27,760

and it was just incredible and there

1149

00:40:31,190 --> 00:40:29,200

were flash bulbs

1150

00:40:32,790 --> 00:40:31,200

and there were alleged streakers which

1151
00:40:35,109 --> 00:40:32,800
looks kind of like a shooting star but

1152
00:40:36,710 --> 00:40:35,119
they were making zigzags in the sky

1153
00:40:39,510 --> 00:40:36,720
and coming from different directions

1154
00:40:41,510 --> 00:40:39,520
like second after second after second

1155
00:40:43,349 --> 00:40:41,520
um and this is another one of those

1156
00:40:44,150 --> 00:40:43,359
things where i thought this was going to

1157
00:40:46,870 --> 00:40:44,160
kind of be

1158
00:40:47,510 --> 00:40:46,880
in the media in some way just because

1159
00:40:50,390 --> 00:40:47,520
there was an

1160
00:40:51,270 --> 00:40:50,400
overwhelming amount of activity and i

1161
00:40:53,990 --> 00:40:51,280
don't like to

1162
00:40:55,589 --> 00:40:54,000
to tell the story and and and like get

1163
00:40:57,829 --> 00:40:55,599

people's hopes up of this is

1164

00:40:58,950 --> 00:40:57,839

could happen because i've had a lot of

1165

00:41:00,950 --> 00:40:58,960

great experiences but

1166

00:41:01,990 --> 00:41:00,960

even to this day this one was the most

1167

00:41:04,309 --> 00:41:02,000

visually like

1168

00:41:07,270 --> 00:41:04,319

in your face uh you know other than that

1169

00:41:10,470 --> 00:41:07,280

that metal disk that was like really low

1170

00:41:11,349 --> 00:41:10,480

um because it was just it was it was

1171

00:41:13,670 --> 00:41:11,359

insane

1172

00:41:15,030 --> 00:41:13,680

the amount of anomalous phenomena that

1173

00:41:18,710 --> 00:41:15,040

was going on

1174

00:41:21,750 --> 00:41:18,720

and um it and then towards the end of it

1175

00:41:22,950 --> 00:41:21,760

there were actually orbs down on the

1176
00:41:26,069 --> 00:41:22,960
ground

1177
00:41:27,910 --> 00:41:26,079
um just a few feet away from me and they

1178
00:41:30,950 --> 00:41:27,920
were almost in like a structure

1179
00:41:34,069 --> 00:41:30,960
so there was like three here four here

1180
00:41:35,270 --> 00:41:34,079
two here and almost like they were kind

1181
00:41:37,910 --> 00:41:35,280
of aligned in like

1182
00:41:38,390 --> 00:41:37,920
almost a pyramid structure uh and these

1183
00:41:41,670 --> 00:41:38,400
were like

1184
00:41:42,950 --> 00:41:41,680
yellow orbs and um you know they were

1185
00:41:46,069 --> 00:41:42,960
pulsing whatever and

1186
00:41:48,069 --> 00:41:46,079
i i was i was like freaking out

1187
00:41:50,790 --> 00:41:48,079
even even with experience at this point

1188
00:41:53,829 --> 00:41:50,800

because again this is just um

1189

00:41:54,309 --> 00:41:53,839

not expected uh and and you know i kind

1190

00:41:55,829 --> 00:41:54,319

of

1191

00:41:57,430 --> 00:41:55,839

kicked myself for this but the only

1192

00:41:58,950 --> 00:41:57,440

reason i guess that this

1193

00:42:01,510 --> 00:41:58,960

thing ended was because i'm like i gotta

1194

00:42:03,349 --> 00:42:01,520

go get my friend uh my one of my friends

1195

00:42:03,829 --> 00:42:03,359

who does e5 with me my friend dave so

1196

00:42:05,349 --> 00:42:03,839

i'm like i

1197

00:42:06,790 --> 00:42:05,359

i gotta go get dave i gotta get dave

1198

00:42:07,990 --> 00:42:06,800

because he was supposed to do a c5 with

1199

00:42:09,670 --> 00:42:08,000

us that night

1200

00:42:11,430 --> 00:42:09,680

and then uh you know i was getting ready

1201
00:42:13,910 --> 00:42:11,440
to leave alone

1202
00:42:16,309 --> 00:42:13,920
everybody else was gonna stay there and

1203
00:42:17,670 --> 00:42:16,319
so i can go get my friend dave so he can

1204
00:42:19,670 --> 00:42:17,680
see this because this you know he just

1205
00:42:21,190 --> 00:42:19,680
ce5 with me over almost uh

1206
00:42:23,109 --> 00:42:21,200
you know we were doing it several maybe

1207
00:42:25,510 --> 00:42:23,119
three four times a week at that time

1208
00:42:27,510 --> 00:42:25,520
and me and him had never seen something

1209
00:42:28,790 --> 00:42:27,520
like this together during ce5 you know

1210
00:42:31,430 --> 00:42:28,800
we saw the typical stuff i was

1211
00:42:34,550 --> 00:42:31,440
explaining before

1212
00:42:37,190 --> 00:42:34,560
so that was extraordinary and that

1213
00:42:38,150 --> 00:42:37,200

happened during a legit c5 so i did the

1214

00:42:42,390 --> 00:42:38,160

ce5

1215

00:42:45,270 --> 00:42:42,400

process and this kind of event happened

1216

00:42:47,030 --> 00:42:45,280

so again incredible experience now

1217

00:42:48,470 --> 00:42:47,040

taking you back a little bit before i

1218

00:42:50,550 --> 00:42:48,480

suck around to my my ques

1219

00:42:52,710 --> 00:42:50,560

next question here i'm one of those

1220

00:42:54,390 --> 00:42:52,720

people that i would love to try it

1221

00:42:55,829 --> 00:42:54,400

i'm a little impatient though so the

1222

00:42:58,230 --> 00:42:55,839

idea of meditating

1223

00:42:59,910 --> 00:42:58,240

especially for me is about really i'd be

1224

00:43:00,710 --> 00:42:59,920

like constantly thinking how long's it

1225

00:43:02,390 --> 00:43:00,720

been you know

1226
00:43:03,990 --> 00:43:02,400
must have been 20 minutes okay it's been

1227
00:43:05,990 --> 00:43:04,000
it's been 30 seconds

1228
00:43:07,670 --> 00:43:06,000
but like i've i've said before where i

1229
00:43:09,349 --> 00:43:07,680
live it's a very clear sky

1230
00:43:11,030 --> 00:43:09,359
so when i'm taking my dog for a walk at

1231
00:43:13,109 --> 00:43:11,040
night i will walk about with my head

1232
00:43:14,710 --> 00:43:13,119
basically looking up at the stars

1233
00:43:17,190 --> 00:43:14,720
given my interest in what i do i've got

1234
00:43:18,710 --> 00:43:17,200
a ufo podcast i'm interested in c5

1235
00:43:21,589 --> 00:43:18,720
remote viewing aliens

1236
00:43:22,790 --> 00:43:21,599
all of the above i'm clearly looking for

1237
00:43:23,670 --> 00:43:22,800
something you're always looking at the

1238
00:43:26,470 --> 00:43:23,680

stars for like

1239

00:43:28,470 --> 00:43:26,480

i want to see something so that want or

1240

00:43:30,230 --> 00:43:28,480

desire is there for a start okay

1241

00:43:31,589 --> 00:43:30,240

not that i'm filming i'm just looking i

1242

00:43:33,589 --> 00:43:31,599

just want to see something

1243

00:43:35,829 --> 00:43:33,599

whether it's a triangle a craft or a

1244

00:43:39,109 --> 00:43:35,839

light moving just on a flash

1245

00:43:40,790 --> 00:43:39,119

now i've looked out before and when i've

1246

00:43:43,190 --> 00:43:40,800

just just been in the mood

1247

00:43:44,870 --> 00:43:43,200

i've just had that thought to myself or

1248

00:43:47,109 --> 00:43:44,880

i've spoken out loud

1249

00:43:48,550 --> 00:43:47,119

or quietly and just went if there's

1250

00:43:50,630 --> 00:43:48,560

anything up there

1251
00:43:52,630 --> 00:43:50,640
quite happy to see something you know

1252
00:43:55,109 --> 00:43:52,640
and you're just scanning the sky

1253
00:43:56,230 --> 00:43:55,119
any lights you know show me something

1254
00:44:00,390 --> 00:43:56,240
and

1255
00:44:01,670 --> 00:44:00,400
don't spend long doing it but there's

1256
00:44:04,150 --> 00:44:01,680
been quite a few occasions

1257
00:44:04,950 --> 00:44:04,160
more than three four or five where i've

1258
00:44:06,550 --> 00:44:04,960
been looking

1259
00:44:08,630 --> 00:44:06,560
i've said that and the lights come

1260
00:44:09,349 --> 00:44:08,640
across now i'm quite used to seeing the

1261
00:44:11,349 --> 00:44:09,359
iss

1262
00:44:13,430 --> 00:44:11,359
space station passes over all the time

1263
00:44:15,270 --> 00:44:13,440

uh i'm used to seeing satellites going

1264

00:44:16,630 --> 00:44:15,280

along and they've got that kind of slow

1265

00:44:18,150 --> 00:44:16,640

steady

1266

00:44:19,430 --> 00:44:18,160

pace they have as they go along the

1267

00:44:20,950 --> 00:44:19,440

light in the sky so i'm used to that

1268

00:44:21,589 --> 00:44:20,960

kind of stuff in aircraft and mod as

1269

00:44:23,589 --> 00:44:21,599

well

1270

00:44:25,109 --> 00:44:23,599

but there's been occasions where light's

1271

00:44:26,470 --> 00:44:25,119

moved along and i've went

1272

00:44:28,470 --> 00:44:26,480

okay and you're thinking to yourself

1273

00:44:29,670 --> 00:44:28,480

that's that's interesting i've said that

1274

00:44:30,950 --> 00:44:29,680

in this light's popped interview it

1275

00:44:32,630 --> 00:44:30,960

could be a satellite

1276
00:44:34,069 --> 00:44:32,640
show me something else and you get the

1277
00:44:36,790 --> 00:44:34,079
flash of the pulse

1278
00:44:38,550 --> 00:44:36,800
and for me i tend to go okay that's

1279
00:44:39,270 --> 00:44:38,560
that's interesting and i kind of stopped

1280
00:44:41,349 --> 00:44:39,280
there

1281
00:44:42,710 --> 00:44:41,359
i've also seen lights that have moved a

1282
00:44:44,069 --> 00:44:42,720
little bit and seem to

1283
00:44:46,150 --> 00:44:44,079
wave in and out i know when you're

1284
00:44:48,710 --> 00:44:46,160
looking at stars or lights in the sky

1285
00:44:49,990 --> 00:44:48,720
they can appear just from the the dimmer

1286
00:44:51,910 --> 00:44:50,000
of the light they can appear to

1287
00:44:53,990 --> 00:44:51,920
move in ways they actually aren't but

1288
00:44:56,309 --> 00:44:54,000

i've seen lights that have quite clearly

1289

00:44:57,750 --> 00:44:56,319

waved in and out of you can see the

1290

00:44:59,750 --> 00:44:57,760

stars against the background where you

1291

00:45:01,750 --> 00:44:59,760

can see them moving in and out and again

1292

00:45:04,069 --> 00:45:01,760

i kind of stop at that point of okay

1293

00:45:06,630 --> 00:45:04,079

maybe that's something maybe it's not

1294

00:45:08,150 --> 00:45:06,640

you have described an intense experience

1295

00:45:09,030 --> 00:45:08,160

on the other end of the spectrum so i've

1296

00:45:12,069 --> 00:45:09,040

probably had quite

1297

00:45:13,270 --> 00:45:12,079

basic light you know incidents if if

1298

00:45:16,710 --> 00:45:13,280

that was

1299

00:45:18,150 --> 00:45:16,720

real you know um encounters as such

1300

00:45:19,430 --> 00:45:18,160

it may have been something else like you

1301
00:45:19,990 --> 00:45:19,440
say it could have been space junk who

1302
00:45:22,470 --> 00:45:20,000
knows

1303
00:45:24,150 --> 00:45:22,480
what we're never going to find out but

1304
00:45:26,230 --> 00:45:24,160
what i want to know is

1305
00:45:27,510 --> 00:45:26,240
why would these entities and

1306
00:45:31,030 --> 00:45:27,520
intelligences

1307
00:45:33,589 --> 00:45:31,040
even bother to show up for andy

1308
00:45:34,069 --> 00:45:33,599
or james when we're doing whatever we're

1309
00:45:36,230 --> 00:45:34,079
doing

1310
00:45:37,750 --> 00:45:36,240
what's what do you think is their

1311
00:45:40,230 --> 00:45:37,760
purpose or reason for even

1312
00:45:42,069 --> 00:45:40,240
bothering to put in any level of effort

1313
00:45:44,150 --> 00:45:42,079

to show themselves because someone has

1314

00:45:46,950 --> 00:45:44,160

asked

1315

00:45:49,510 --> 00:45:46,960

uh and uh this is this goes back so

1316

00:45:51,670 --> 00:45:49,520

during that that 2007 experience i

1317

00:45:53,430 --> 00:45:51,680

i part of that whole experience i guess

1318

00:45:55,990 --> 00:45:53,440

like i said was a download

1319

00:45:57,750 --> 00:45:56,000

and you know i clearly got the

1320

00:46:00,550 --> 00:45:57,760

communication that they

1321

00:46:02,309 --> 00:46:00,560

they kind of either want or have a

1322

00:46:03,750 --> 00:46:02,319

relationship with us

1323

00:46:05,750 --> 00:46:03,760

and again these are impressions i'm

1324

00:46:07,670 --> 00:46:05,760

getting and i'm interpreting them

1325

00:46:09,109 --> 00:46:07,680

i don't know if they're representational

1326

00:46:13,109 --> 00:46:09,119

i don't know if these are my own

1327

00:46:15,430 --> 00:46:13,119

thoughts kind of based on but so

1328

00:46:17,190 --> 00:46:15,440

i i tend to think that they want some

1329

00:46:20,630 --> 00:46:17,200

kind of engagement with us

1330

00:46:22,069 --> 00:46:20,640

i i don't know why um but i i clearly

1331

00:46:23,910 --> 00:46:22,079

did get that message

1332

00:46:25,270 --> 00:46:23,920

and you know that was another reason why

1333

00:46:25,990 --> 00:46:25,280

i was really pushing forward with the

1334

00:46:29,030 --> 00:46:26,000

ce5

1335

00:46:31,589 --> 00:46:29,040

work um because it's like we're

1336

00:46:33,030 --> 00:46:31,599

you know building this communication

1337

00:46:35,670 --> 00:46:33,040

that who know whoever

1338

00:46:37,510 --> 00:46:35,680

you know maybe when when uh when open

1339

00:46:39,510 --> 00:46:37,520

contact finally happens there's gonna be

1340

00:46:42,870 --> 00:46:39,520

more to say about that i don't know

1341

00:46:44,710 --> 00:46:42,880

but it to me it it clearly

1342

00:46:47,109 --> 00:46:44,720

i clearly got the message that they they

1343

00:46:49,589 --> 00:46:47,119

wanted some kind of interaction with us

1344

00:46:51,750 --> 00:46:49,599

you know um so that's my own personal

1345

00:46:53,349 --> 00:46:51,760

thought on that

1346

00:46:55,670 --> 00:46:53,359

now when we're talking about these

1347

00:46:58,390 --> 00:46:55,680

beings or entities

1348

00:46:59,910 --> 00:46:58,400

stephen greer who are mentioning him a

1349

00:47:01,670 --> 00:46:59,920

lot and i'm sure most people listening

1350

00:47:02,630 --> 00:47:01,680

are aware of who stephen greer is but if

1351
00:47:05,030 --> 00:47:02,640
you're not

1352
00:47:07,510 --> 00:47:05,040
then the movies are documentaries are

1353
00:47:07,910 --> 00:47:07,520
available on netflix and amazon prime

1354
00:47:10,870 --> 00:47:07,920
and

1355
00:47:12,470 --> 00:47:10,880
research as well just to kind of see

1356
00:47:13,670 --> 00:47:12,480
that the basics are why we're talking

1357
00:47:17,190 --> 00:47:13,680
about what we are

1358
00:47:19,270 --> 00:47:17,200
but steven grier pushes the

1359
00:47:20,549 --> 00:47:19,280
idea that whatever these are they are

1360
00:47:23,190 --> 00:47:20,559
very friendly

1361
00:47:23,990 --> 00:47:23,200
they are trying to help us as a species

1362
00:47:25,589 --> 00:47:24,000
and give us

1363
00:47:27,030 --> 00:47:25,599

warnings and messages that you know

1364

00:47:28,870 --> 00:47:27,040

we're going about things the wrong way

1365

00:47:30,950 --> 00:47:28,880

especially when it comes to weapons

1366

00:47:32,549 --> 00:47:30,960

and he's very much against the the idea

1367

00:47:35,510 --> 00:47:32,559

of a threat narrative and what

1368

00:47:38,470 --> 00:47:35,520

previously tsa and louis elizondo and

1369

00:47:40,470 --> 00:47:38,480

and people like that are now potentially

1370

00:47:42,230 --> 00:47:40,480

going down that route of

1371

00:47:43,829 --> 00:47:42,240

do you subscribe to the idea that

1372

00:47:45,910 --> 00:47:43,839

whatever these entities are they're all

1373

00:47:46,790 --> 00:47:45,920

coming from another planet another solar

1374

00:47:48,870 --> 00:47:46,800

system

1375

00:47:50,630 --> 00:47:48,880

do you think it's multiple things

1376
00:47:52,230 --> 00:47:50,640
happening at once different realities

1377
00:47:53,990 --> 00:47:52,240
and dimensions coming

1378
00:47:55,670 --> 00:47:54,000
what's your personal thoughts given your

1379
00:47:57,589 --> 00:47:55,680
experiences on

1380
00:48:00,790 --> 00:47:57,599
where these beings are from potentially

1381
00:48:03,430 --> 00:48:00,800
and what their kind of messages

1382
00:48:04,150 --> 00:48:03,440
okay so yeah that's two questions there

1383
00:48:07,349 --> 00:48:04,160
um

1384
00:48:10,069 --> 00:48:07,359
i i during all the interactions i had

1385
00:48:11,589 --> 00:48:10,079
i there have been distinct differences

1386
00:48:14,870 --> 00:48:11,599
where

1387
00:48:18,069 --> 00:48:14,880
um like the one that happened in 2007

1388
00:48:21,109 --> 00:48:18,079

um the one where you know i was asked

1389

00:48:22,710 --> 00:48:21,119

to come outside that they they told me

1390

00:48:25,829 --> 00:48:22,720

they were extraterrestrials they

1391

00:48:28,950 --> 00:48:25,839

told me that they were e.t um in that

1392

00:48:29,589 --> 00:48:28,960

download thing um so i don't again i

1393

00:48:31,589 --> 00:48:29,599

don't know

1394

00:48:33,750 --> 00:48:31,599

if that was literal or because at that

1395

00:48:35,109 --> 00:48:33,760

time i was i was not as deep into the

1396

00:48:36,309 --> 00:48:35,119

work now where i'm like okay there's

1397

00:48:38,710 --> 00:48:36,319

extra credentials

1398

00:48:40,150 --> 00:48:38,720

uh interdimensionals extra dimensionals

1399

00:48:42,230 --> 00:48:40,160

time travelers all

1400

00:48:43,670 --> 00:48:42,240

i only had that concept really at that

1401

00:48:46,950 --> 00:48:43,680

time for ufos

1402

00:48:47,589 --> 00:48:46,960

you know um for for the most part i only

1403

00:48:49,510 --> 00:48:47,599

okay

1404

00:48:51,990 --> 00:48:49,520

ufos are extraterrestrials so i don't

1405

00:48:53,109 --> 00:48:52,000

know if that plays a factor in it but

1406

00:48:55,589 --> 00:48:53,119

they they told me that they were

1407

00:48:58,950 --> 00:48:55,599

extraterrestrials um

1408

00:49:00,630 --> 00:48:58,960

i don't know if that's true uh but i've

1409

00:49:02,870 --> 00:49:00,640

had interactions

1410

00:49:04,630 --> 00:49:02,880

you know before and after that that were

1411

00:49:07,030 --> 00:49:04,640

distinctly different

1412

00:49:09,349 --> 00:49:07,040

where i'm like okay that's it doesn't it

1413

00:49:12,230 --> 00:49:09,359

doesn't have the same quality of feeling

1414

00:49:14,230 --> 00:49:12,240

um the phenomenon um manifests or

1415

00:49:16,150 --> 00:49:14,240

appears in different ways

1416

00:49:17,670 --> 00:49:16,160

i think we're dealing with several

1417

00:49:20,870 --> 00:49:17,680

different intelligences

1418

00:49:23,190 --> 00:49:20,880

um i think we're being engaged by

1419

00:49:25,349 --> 00:49:23,200

probably you know i hate to make this

1420

00:49:27,670 --> 00:49:25,359

sound like a blanket statement but all

1421

00:49:30,069 --> 00:49:27,680

the above i think we're dealing with

1422

00:49:30,710 --> 00:49:30,079

uh beings from different dimensions i

1423

00:49:33,589 --> 00:49:30,720

think we're

1424

00:49:35,270 --> 00:49:33,599

we're actually dealing with different um

1425

00:49:36,470 --> 00:49:35,280

physical entities that are from this

1426

00:49:39,109 --> 00:49:36,480

universe so we could call them

1427

00:49:40,870 --> 00:49:39,119

extraterrestrial biological beings

1428

00:49:42,470 --> 00:49:40,880

um so i think we're dealing with a lot

1429

00:49:43,510 --> 00:49:42,480

of different things and i think they all

1430

00:49:45,349 --> 00:49:43,520

probably

1431

00:49:46,710 --> 00:49:45,359

have um or at least some of them have

1432

00:49:48,950 --> 00:49:46,720

different agendas

1433

00:49:49,829 --> 00:49:48,960

uh that's that's just my own personal

1434

00:49:52,150 --> 00:49:49,839

take on at

1435

00:49:53,510 --> 00:49:52,160

you know at this time you know um so i'm

1436

00:49:54,950 --> 00:49:53,520

subject to change on that but that's

1437

00:49:56,549 --> 00:49:54,960

kind of that's how i feel based on

1438

00:49:58,069 --> 00:49:56,559

everything that i experience and all the

1439

00:50:01,270 --> 00:49:58,079

research i've done

1440

00:50:04,710 --> 00:50:01,280

um but i i do

1441

00:50:07,030 --> 00:50:04,720

um again this is just personal belief i

1442

00:50:07,750 --> 00:50:07,040

do have a feeling that there there is a

1443

00:50:11,349 --> 00:50:07,760

group

1444

00:50:14,390 --> 00:50:11,359

of um you know these intelligences

1445

00:50:16,870 --> 00:50:14,400

that are looking out for us you know

1446

00:50:18,230 --> 00:50:16,880

um you know people might not like that

1447

00:50:20,390 --> 00:50:18,240

but that's that's just my

1448

00:50:21,589 --> 00:50:20,400

how i feel honestly i think that you

1449

00:50:23,589 --> 00:50:21,599

know some of these

1450

00:50:25,349 --> 00:50:23,599

even if some of these uh entities don't

1451

00:50:28,470 --> 00:50:25,359

have our best interests

1452

00:50:30,069 --> 00:50:28,480

that it's it's possible that um

1453

00:50:32,309 --> 00:50:30,079

what we could call the benevolent ones

1454

00:50:33,750 --> 00:50:32,319

the ones that do have some kind of stake

1455

00:50:36,309 --> 00:50:33,760

at least in this planet and

1456

00:50:38,710 --> 00:50:36,319

and us for whatever reason uh they're

1457

00:50:41,589 --> 00:50:38,720

not gonna let them interfere with us

1458

00:50:41,990 --> 00:50:41,599

um to the you know to the extent of like

1459

00:50:43,349 --> 00:50:42,000

oh

1460

00:50:46,309 --> 00:50:43,359

they're gonna just come invade this

1461

00:50:49,670 --> 00:50:49,349

now what has been the biggest change for

1462

00:50:59,430 --> 00:50:49,680

you

1463

00:51:01,109 --> 00:50:59,440

totally changed at this point

1464

00:51:02,710 --> 00:51:01,119

is there anything you would potentially

1465

00:51:04,390 --> 00:51:02,720

even look back on

1466

00:51:07,750 --> 00:51:04,400

and tell yourself at the start of your

1467

00:51:10,950 --> 00:51:07,760

journey actually you thought this but

1468

00:51:13,910 --> 00:51:10,960

this is the way to go about it yeah

1469

00:51:15,589 --> 00:51:13,920

i mean that's and that's constantly um

1470

00:51:18,390 --> 00:51:15,599

kind of evolving

1471

00:51:20,549 --> 00:51:18,400

i you know when i when i first heard a

1472

00:51:22,230 --> 00:51:20,559

lot of dr grier stuff i actually

1473

00:51:24,710 --> 00:51:22,240

took a lot of what he said more

1474

00:51:26,069 --> 00:51:24,720

seriously but i questioned it

1475

00:51:28,870 --> 00:51:26,079

so i you know after my own

1476
00:51:29,510 --> 00:51:28,880
investigations i i don't come to all the

1477
00:51:32,630 --> 00:51:29,520
same

1478
00:51:35,910 --> 00:51:32,640
a lot of those things

1479
00:51:37,190 --> 00:51:35,920
i you know i i you know he he talks

1480
00:51:39,670 --> 00:51:37,200
about my labs and

1481
00:51:41,190 --> 00:51:39,680
and even like again mo that all these

1482
00:51:43,750 --> 00:51:41,200
entities are peaceful

1483
00:51:45,589 --> 00:51:43,760
and even his own message has changed

1484
00:51:47,109 --> 00:51:45,599
with that and if you really press him on

1485
00:51:48,150 --> 00:51:47,119
that he's not gonna say okay they're all

1486
00:51:49,750 --> 00:51:48,160
peaceful

1487
00:51:51,750 --> 00:51:49,760
um but he's gonna say they're not

1488
00:51:53,750 --> 00:51:51,760

hostile um

1489

00:51:56,790 --> 00:51:53,760

so that yeah my some of my thoughts have

1490

00:52:00,630 --> 00:51:56,800

changed over that i've been i've become

1491

00:52:03,910 --> 00:52:00,640

um more agnostic in a sense where

1492

00:52:04,870 --> 00:52:03,920

um you know like before after the

1493

00:52:07,030 --> 00:52:04,880

contact and first

1494

00:52:08,790 --> 00:52:07,040

getting into c5 i i felt like i had more

1495

00:52:10,549 --> 00:52:08,800

of it figured out and

1496

00:52:13,030 --> 00:52:10,559

you know the more i really investigated

1497

00:52:15,030 --> 00:52:13,040

and kind of like in a zen cone way or

1498

00:52:17,510 --> 00:52:15,040

self-inquiry model

1499

00:52:19,109 --> 00:52:17,520

really questioning myself constantly and

1500

00:52:21,910 --> 00:52:19,119

realizing how little i know

1501
00:52:23,349 --> 00:52:21,920
even as you know because a lot of times

1502
00:52:24,549 --> 00:52:23,359
um you'll come across this kind of

1503
00:52:26,630 --> 00:52:24,559
phenomena where

1504
00:52:28,390 --> 00:52:26,640
you know experiencers feel like they

1505
00:52:31,589 --> 00:52:28,400
have all the answers

1506
00:52:33,190 --> 00:52:31,599
but i i've taken the approach that

1507
00:52:34,950 --> 00:52:33,200
you know even with all the contact you

1508
00:52:36,549 --> 00:52:34,960
can have your you don't have all the

1509
00:52:39,349 --> 00:52:36,559
answers no matter who you are

1510
00:52:40,950 --> 00:52:39,359
and um so i'm i'm a big proponent of

1511
00:52:41,430 --> 00:52:40,960
that where it's like i don't i don't

1512
00:52:43,990 --> 00:52:41,440
believe

1513
00:52:45,349 --> 00:52:44,000

the experiences have all the answers um

1514

00:52:47,829 --> 00:52:45,359

i think they have one

1515

00:52:49,349 --> 00:52:47,839

important piece but so does everybody

1516

00:52:50,790 --> 00:52:49,359

else

1517

00:52:52,549 --> 00:52:50,800

there will be people listening to this

1518

00:52:52,790 --> 00:52:52,559

right now who have decided off the back

1519

00:52:55,829 --> 00:52:52,800

of

1520

00:52:56,790 --> 00:52:55,839

your your your advice and experiences

1521

00:52:58,150 --> 00:52:56,800

and

1522

00:52:59,910 --> 00:52:58,160

decide you know what i'm going to give

1523

00:53:02,069 --> 00:52:59,920

this a go what advice would you give

1524

00:53:05,430 --> 00:53:02,079

them

1525

00:53:08,630 --> 00:53:05,440

for ce5 yeah oh man

1526

00:53:10,150 --> 00:53:08,640

i i mean you know you look at every

1527

00:53:13,270 --> 00:53:10,160

available source

1528

00:53:16,390 --> 00:53:13,280

and um you know do what what

1529

00:53:20,390 --> 00:53:16,400

you're so inclined to do i mean uh

1530

00:53:20,950 --> 00:53:20,400

there's a great free pdf uh by celia

1531

00:53:24,630 --> 00:53:20,960

hatch

1532

00:53:27,109 --> 00:53:24,640

called um a ce5 handbook

1533

00:53:29,349 --> 00:53:27,119

and that's you can find that on google

1534

00:53:31,510 --> 00:53:29,359

um i can probably get you a link to that

1535

00:53:34,230 --> 00:53:31,520

and it's a free pdf download

1536

00:53:36,470 --> 00:53:34,240

and that has uh several different

1537

00:53:39,589 --> 00:53:36,480

approaches to ce5

1538

00:53:43,190 --> 00:53:39,599

uh where you know again see the

1539

00:53:47,510 --> 00:53:43,200

the basis with ce5 is

1540

00:53:49,829 --> 00:53:47,520

the intention to have contact

1541

00:53:51,829 --> 00:53:49,839

you know and the further you kind of or

1542

00:53:53,670 --> 00:53:51,839

you know the more you invest in that

1543

00:53:55,349 --> 00:53:53,680

you know the greater probability you're

1544

00:53:57,589 --> 00:53:55,359

going to have of

1545

00:53:59,270 --> 00:53:57,599

having an interaction of some sort and

1546

00:54:01,030 --> 00:53:59,280

you know i can't dictate to what level

1547

00:54:03,990 --> 00:54:01,040

you're gonna have an experience

1548

00:54:06,150 --> 00:54:04,000

um but you know generally people who

1549

00:54:06,470 --> 00:54:06,160

take it seriously and give it a serious

1550

00:54:07,990 --> 00:54:06,480

go

1551

00:54:09,190 --> 00:54:08,000

and put time and effort into it are

1552

00:54:10,790 --> 00:54:09,200

gonna are gonna get some kind of

1553

00:54:14,069 --> 00:54:10,800

interaction

1554

00:54:16,870 --> 00:54:14,079

um so there's a lot of stuff on

1555

00:54:17,670 --> 00:54:16,880

you know again i know people might not

1556

00:54:20,069 --> 00:54:17,680

uh

1557

00:54:22,309 --> 00:54:20,079

like stephen greer but he has a ton of

1558

00:54:23,589 --> 00:54:22,319

stuff on youtube where he's got guided

1559

00:54:24,790 --> 00:54:23,599

meditations

1560

00:54:27,829 --> 00:54:24,800

even just talking about some of the

1561

00:54:30,870 --> 00:54:27,839

philosophy and when it comes to that he

1562

00:54:32,710 --> 00:54:30,880

he's actually very knowledgeable um even

1563

00:54:35,589 --> 00:54:32,720

though he's had his share of fumbles

1564

00:54:36,630 --> 00:54:35,599

his his his work with ce5 is incredible

1565

00:54:38,069 --> 00:54:36,640

he's g

1566

00:54:40,870 --> 00:54:38,079

you know again that's that's part of

1567

00:54:43,430 --> 00:54:40,880

what what um drew me to dr greer

1568

00:54:45,430 --> 00:54:43,440

um early on was that when he was

1569

00:54:46,710 --> 00:54:45,440

describing contact and how it happens

1570

00:54:49,990 --> 00:54:46,720

and the experiences

1571

00:54:53,030 --> 00:54:50,000

it was exactly as i had experienced

1572

00:54:55,109 --> 00:54:53,040

so i he knew what he was talking about

1573

00:54:56,870 --> 00:54:55,119

so there is a lot of good stuff on on

1574

00:54:58,230 --> 00:54:56,880

his ce5 stuff

1575

00:55:00,950 --> 00:54:58,240

on his youtube channel you can just

1576

00:55:03,349 --> 00:55:00,960

watch for free um

1577

00:55:05,990 --> 00:55:03,359

and uh you know again the search around

1578

00:55:08,150 --> 00:55:06,000

for for different contact modalities

1579

00:55:09,349 --> 00:55:08,160

and the most important thing is to

1580

00:55:12,390 --> 00:55:09,359

practice them right

1581

00:55:13,829 --> 00:55:12,400

so if you want to have a general c5

1582

00:55:15,589 --> 00:55:13,839

experience

1583

00:55:17,430 --> 00:55:15,599

it's you know it might you know you

1584

00:55:18,950 --> 00:55:17,440

might have to practice at it for a few

1585

00:55:22,069 --> 00:55:18,960

weeks or months even

1586

00:55:24,470 --> 00:55:22,079

to have something where it's like uh a

1587

00:55:26,710 --> 00:55:24,480

truly anomalous event

1588

00:55:28,309 --> 00:55:26,720

you know and everybody's different so

1589

00:55:30,950 --> 00:55:28,319

i've had friends that

1590

00:55:31,990 --> 00:55:30,960

you know they had to come out with me

1591

00:55:38,150 --> 00:55:32,000

for

1592

00:55:39,670 --> 00:55:38,160

um and they they actually uh they came

1593

00:55:42,630 --> 00:55:39,680

with me to this awesome event we saw

1594

00:55:44,789 --> 00:55:42,640

this uh golden craft come in super low

1595

00:55:45,829 --> 00:55:44,799

um which was incredible but again that's

1596

00:55:49,430 --> 00:55:45,839

somebody

1597

00:55:51,190 --> 00:55:49,440

who was really um

1598

00:55:52,789 --> 00:55:51,200

it took him a while to kind of catch on

1599

00:55:54,069 --> 00:55:52,799

to it but after a few months

1600

00:55:56,230 --> 00:55:54,079

he was doing it on his own and he

1601
00:55:58,549 --> 00:55:56,240
started his own team so

1602
00:56:00,150 --> 00:55:58,559
um it just takes the most important

1603
00:56:02,549 --> 00:56:00,160
thing is that you practice it

1604
00:56:03,430 --> 00:56:02,559
and consistently because if you practice

1605
00:56:05,910 --> 00:56:03,440
it for two weeks

1606
00:56:06,710 --> 00:56:05,920
and then drop it for a month uh you know

1607
00:56:09,349 --> 00:56:06,720
that's

1608
00:56:11,030 --> 00:56:09,359
for two weeks and then you stop going

1609
00:56:14,470 --> 00:56:11,040
for a month

1610
00:56:16,390 --> 00:56:14,480
you know your progress is gonna dampen

1611
00:56:18,230 --> 00:56:16,400
yeah listen before we get to listen our

1612
00:56:18,870 --> 00:56:18,240
questions i do want to talk for a few

1613
00:56:20,789 --> 00:56:18,880

minutes on

1614

00:56:22,470 --> 00:56:20,799

on dr steven green okay and some of

1615

00:56:24,470 --> 00:56:22,480

those practices like you say

1616

00:56:27,030 --> 00:56:24,480

my opinion and it's only my opinion it's

1617

00:56:28,549 --> 00:56:27,040

not right or wrong or you know

1618

00:56:30,390 --> 00:56:28,559

stephen gray is someone who i think

1619

00:56:32,150 --> 00:56:30,400

started out with the best intentions

1620

00:56:33,510 --> 00:56:32,160

and even you've alluded to the fact over

1621

00:56:36,710 --> 00:56:33,520

the years has messages

1622

00:56:39,510 --> 00:56:36,720

has changed and he's had some fumbles

1623

00:56:40,069 --> 00:56:39,520

now my one of my big issues is not

1624

00:56:41,829 --> 00:56:40,079

someone

1625

00:56:43,829 --> 00:56:41,839

attempting to make some money if this is

1626

00:56:45,670 --> 00:56:43,839

what he left quite a lucrative career

1627

00:56:47,990 --> 00:56:45,680

didn't he's a surgeon

1628

00:56:48,710 --> 00:56:48,000

um so he he could have made a lot of

1629

00:56:51,910 --> 00:56:48,720

money doing

1630

00:56:54,870 --> 00:56:51,920

doing that anyway however

1631

00:56:56,390 --> 00:56:54,880

he has and still does charge

1632

00:56:58,549 --> 00:56:56,400

extortionate amounts of money

1633

00:56:59,430 --> 00:56:58,559

what some may seem two or three thousand

1634

00:57:02,470 --> 00:56:59,440

dollars

1635

00:57:05,349 --> 00:57:02,480

to sit on the beach with him and

1636

00:57:05,670 --> 00:57:05,359

have ce5 experiences as he talks about

1637

00:57:07,190 --> 00:57:05,680

it

1638

00:57:09,190 --> 00:57:07,200

and there's been controversies around

1639

00:57:11,510 --> 00:57:09,200

those that potentially

1640

00:57:13,190 --> 00:57:11,520

on one occasion there was a local flight

1641

00:57:14,870 --> 00:57:13,200

school had records where a pilot was

1642

00:57:17,430 --> 00:57:14,880

basically dropping flares

1643

00:57:19,510 --> 00:57:17,440

out off the coast now i've not heard of

1644

00:57:21,270 --> 00:57:19,520

many of these experiences with dr greer

1645

00:57:23,030 --> 00:57:21,280

ending in disappointment

1646

00:57:24,309 --> 00:57:23,040

which you would you would think just

1647

00:57:25,030 --> 00:57:24,319

given the nature of what you're trying

1648

00:57:26,950 --> 00:57:25,040

to do there

1649

00:57:29,829 --> 00:57:26,960

surely would be some times where nothing

1650

00:57:32,630 --> 00:57:29,839

happened and that's not dr greer's fault

1651
00:57:33,589 --> 00:57:32,640
all the people that he's with so where

1652
00:57:36,549 --> 00:57:33,599
do you sit

1653
00:57:37,349 --> 00:57:36,559
with the practice where dr geary is at

1654
00:57:40,230 --> 00:57:37,359
now

1655
00:57:42,230 --> 00:57:40,240
of this does generate a lot of revenue

1656
00:57:44,549 --> 00:57:42,240
for him there's no escaping that

1657
00:57:46,390 --> 00:57:44,559
um the amount of money he can charge for

1658
00:57:49,430 --> 00:57:46,400
some of these experiences

1659
00:57:52,630 --> 00:57:49,440
and do you see why people have

1660
00:57:53,109 --> 00:57:52,640
turned away from dr greer's message yeah

1661
00:57:55,589 --> 00:57:53,119
i mean i

1662
00:57:57,510 --> 00:57:55,599
i've you know as somebody who's kind of

1663
00:57:58,630 --> 00:57:57,520

looked at in the ce5 community as a

1664

00:57:59,910 --> 00:57:58,640

leader of sorts

1665

00:58:02,150 --> 00:57:59,920

you know i created the social media

1666

00:58:05,190 --> 00:58:02,160

around c5

1667

00:58:07,109 --> 00:58:05,200

i i mean when he when he

1668

00:58:08,710 --> 00:58:07,119

first started charging because it used

1669

00:58:09,829 --> 00:58:08,720

to be a lot cheaper it was way cheaper

1670

00:58:11,990 --> 00:58:09,839

years ago

1671

00:58:13,430 --> 00:58:12,000

and as soon as he upped the price i i

1672

00:58:15,030 --> 00:58:13,440

contacted cse

1673

00:58:16,549 --> 00:58:15,040

leadership and i said what is what are

1674

00:58:19,109 --> 00:58:16,559

you guys doing

1675

00:58:20,950 --> 00:58:19,119

and they said yeah i understand what

1676

00:58:23,190 --> 00:58:20,960

you're saying james but this is

1677

00:58:24,789 --> 00:58:23,200

uh stephen you know this is dr grier's

1678

00:58:25,829 --> 00:58:24,799

call there's nothing we can do about it

1679

00:58:29,829 --> 00:58:25,839

kind of thing

1680

00:58:31,750 --> 00:58:29,839

so i mean really um i've i've been open

1681

00:58:34,069 --> 00:58:31,760

in the ce5 community saying listen you

1682

00:58:36,710 --> 00:58:34,079

do not need this training it's a novelty

1683

00:58:38,470 --> 00:58:36,720

to go out with dr greer yeah if you're

1684

00:58:39,829 --> 00:58:38,480

following dr grier's work it's cool to

1685

00:58:40,710 --> 00:58:39,839

go out with him especially when it was

1686

00:58:44,390 --> 00:58:40,720

cheaper

1687

00:58:45,510 --> 00:58:44,400

uh but it by no means isn't needed at

1688

00:58:47,190 --> 00:58:45,520

all you could just get up

1689

00:58:48,829 --> 00:58:47,200

start this on your own i know a lot of

1690

00:58:51,030 --> 00:58:48,839

people who have

1691

00:58:52,789 --> 00:58:51,040

um i don't think there's anybody in

1692

00:58:53,910 --> 00:58:52,799

ufology that's made more money than dr

1693

00:58:57,349 --> 00:58:53,920

stephen greer

1694

00:59:01,910 --> 00:58:57,359

for whatever that's worth um i

1695

00:59:03,109 --> 00:59:01,920

i'm completely against monetizing ce5 to

1696

00:59:06,069 --> 00:59:03,119

that degree

1697

00:59:07,910 --> 00:59:06,079

i can see okay you want to cover the

1698

00:59:10,150 --> 00:59:07,920

cost of renting the space

1699

00:59:11,910 --> 00:59:10,160

sure you need to make a little money for

1700

00:59:16,470 --> 00:59:11,920

yourself for investing time

1701

00:59:19,510 --> 00:59:16,480

sure but what he's done is outrageous

1702

00:59:22,630 --> 00:59:19,520

and it it's hurt the community

1703

00:59:26,870 --> 00:59:22,640

it's hurt ce5 you know

1704

00:59:29,349 --> 00:59:26,880

so um you know in in some ways

1705

00:59:30,549 --> 00:59:29,359

see dr stephen greer ce5's greatest

1706

00:59:34,390 --> 00:59:30,559

enemy

1707

00:59:37,430 --> 00:59:34,400

so it he he's kind of become the biggest

1708

00:59:39,589 --> 00:59:37,440

obstacle and you know years ago early

1709

00:59:41,829 --> 00:59:39,599

on and you know he was promoting it and

1710

00:59:42,150 --> 00:59:41,839

you know people were skeptical at first

1711

00:59:43,990 --> 00:59:42,160

but

1712

00:59:45,430 --> 00:59:44,000

you know now so you have this event

1713

00:59:47,190 --> 00:59:45,440

right with the flares

1714

00:59:48,710 --> 00:59:47,200

uh which those are flyers there's no

1715

00:59:50,789 --> 00:59:48,720

question that those are flares you can

1716

00:59:52,710 --> 00:59:50,799

see the sequence that they appear

1717

00:59:54,870 --> 00:59:52,720

and the sequence in which they disappear

1718

00:59:57,589 --> 00:59:54,880

are and in the slow

1719

00:59:59,190 --> 00:59:57,599

way they drift all consistent with

1720

01:00:00,470 --> 00:59:59,200

flares you cannot prove those are not

1721

01:00:03,589 --> 01:00:00,480

flares

1722

01:00:05,670 --> 01:00:03,599

um i can say i've been to

1723

01:00:07,430 --> 01:00:05,680

see seti events with dr greer where

1724

01:00:08,470 --> 01:00:07,440

there was genuine contact where you

1725

01:00:09,910 --> 01:00:08,480

couldn't fake it if you had all the

1726

01:00:11,109 --> 01:00:09,920

money in the world it's just things

1727

01:00:14,549 --> 01:00:11,119

occurred that

1728

01:00:16,549 --> 01:00:14,559

you know you couldn't fake but um

1729

01:00:18,230 --> 01:00:16,559

again yeah this i mean this flare thing

1730

01:00:21,109 --> 01:00:18,240

is a big question

1731

01:00:21,910 --> 01:00:21,119

i can't say one way or another that he

1732

01:00:23,349 --> 01:00:21,920

staged it

1733

01:00:26,069 --> 01:00:23,359

there actually there was a search and

1734

01:00:28,710 --> 01:00:26,079

rescue that same night close by

1735

01:00:30,150 --> 01:00:28,720

in florida um i don't know if that was

1736

01:00:31,750 --> 01:00:30,160

far enough away

1737

01:00:33,109 --> 01:00:31,760

uh where you could have seen flares from

1738

01:00:34,150 --> 01:00:33,119

that it was a coast guard search and

1739

01:00:37,589 --> 01:00:34,160

rescue

1740

01:00:41,030 --> 01:00:37,599

um but again um

1741

01:00:43,030 --> 01:00:41,040

i you know ce5's biggest obstacle has

1742

01:00:45,349 --> 01:00:43,040

become dr greer

1743

01:00:46,069 --> 01:00:45,359

um but at the same time it's it's so

1744

01:00:50,150 --> 01:00:46,079

difficult and

1745

01:00:52,789 --> 01:00:50,160

i'll tell you for somebody like me um

1746

01:00:53,190 --> 01:00:52,799

it's really difficult to kind of to deal

1747

01:00:54,470 --> 01:00:53,200

with

1748

01:00:57,109 --> 01:00:54,480

it's almost like you have to take the

1749

01:00:57,910 --> 01:00:57,119

term c5 and and do something else all

1750

01:01:01,829 --> 01:00:57,920

together

1751

01:01:03,750 --> 01:01:01,839

because of the the flack it's gotten

1752

01:01:05,990 --> 01:01:03,760

because of dr greer but you know and you

1753

01:01:09,109 --> 01:01:06,000

have this thing where at the same time

1754

01:01:12,789 --> 01:01:09,119

he put out the ce5 film and now

1755

01:01:14,069 --> 01:01:12,799

millions of people uh are aware of ce5

1756

01:01:16,390 --> 01:01:14,079

where like kind of like

1757

01:01:18,470 --> 01:01:16,400

in the other films it's like they got

1758

01:01:21,030 --> 01:01:18,480

people got like a taste of it

1759

01:01:21,510 --> 01:01:21,040

but he just put out this huge film

1760

01:01:23,349 --> 01:01:21,520

reached

1761

01:01:25,829 --> 01:01:23,359

millions and millions of people you get

1762

01:01:28,950 --> 01:01:25,839

people like demi lovato promoting it

1763

01:01:30,390 --> 01:01:28,960

um and it's it's it's like it's a

1764

01:01:33,190 --> 01:01:30,400

double-edged sword

1765

01:01:34,549 --> 01:01:33,200

because you need that awareness spread

1766

01:01:37,589 --> 01:01:34,559

not even if ce5

1767

01:01:40,549 --> 01:01:37,599

say per the name but the awareness that

1768

01:01:41,430 --> 01:01:40,559

that people have the innate ability

1769

01:01:44,950 --> 01:01:41,440

whether through

1770

01:01:47,030 --> 01:01:44,960

the the you know ufos technology or just

1771

01:01:48,309 --> 01:01:47,040

whatever that you can that you can reach

1772

01:01:49,430 --> 01:01:48,319

out to this intelligence and it can

1773

01:01:52,549 --> 01:01:49,440

respond

1774

01:01:54,789 --> 01:01:52,559

you know that you can have contact um so

1775

01:01:55,829 --> 01:01:54,799

there's that part where it's like he's

1776

01:01:57,910 --> 01:01:55,839

he's been

1777

01:01:59,029 --> 01:01:57,920

more instrumental than anybody on this

1778

01:02:01,750 --> 01:01:59,039

planet

1779

01:02:02,309 --> 01:02:01,760

for opening that idea to people you know

1780

01:02:04,390 --> 01:02:02,319

even though

1781

01:02:05,990 --> 01:02:04,400

some of the the past attempts at like

1782

01:02:09,270 --> 01:02:06,000

mission rama and stuff

1783

01:02:12,470 --> 01:02:09,280

uh had close contact encounters

1784

01:02:14,549 --> 01:02:12,480

no one has come close

1785

01:02:15,990 --> 01:02:14,559

to spreading the awareness of the basic

1786

01:02:19,430 --> 01:02:16,000

idea of ce5 than

1787

01:02:21,109 --> 01:02:19,440

than dr greer so um it's it is what it

1788

01:02:22,630 --> 01:02:21,119

is right

1789

01:02:24,950 --> 01:02:22,640

yeah i appreciate the honest in that

1790

01:02:25,589 --> 01:02:24,960

answer and the way i see it with dr

1791

01:02:27,670 --> 01:02:25,599

greer is

1792

01:02:29,750 --> 01:02:27,680

like i say he had the best intentions

1793

01:02:31,349 --> 01:02:29,760

and a real message

1794

01:02:33,109 --> 01:02:31,359

to go out with at the start and that's

1795

01:02:34,630 --> 01:02:33,119

changed over the years largely due to

1796

01:02:36,870 --> 01:02:34,640

money and

1797

01:02:39,109 --> 01:02:36,880

celebrity call it what it is and i think

1798

01:02:41,430 --> 01:02:39,119

a lot of what it is with dr greer now is

1799

01:02:42,230 --> 01:02:41,440

its cult of personality that people are

1800

01:02:43,829 --> 01:02:42,240

willing to pay

1801

01:02:45,750 --> 01:02:43,839

two to three thousand four thousand

1802

01:02:47,750 --> 01:02:45,760

dollars or whatever it is

1803

01:02:49,430 --> 01:02:47,760

not necessarily just for the experience

1804

01:02:51,430 --> 01:02:49,440

but they buy into him

1805

01:02:53,109 --> 01:02:51,440

and they trust him blindly and it's

1806

01:02:54,870 --> 01:02:53,119

almost a faith

1807

01:02:56,630 --> 01:02:54,880

you know you don't want to say cult in a

1808

01:02:58,150 --> 01:02:56,640

sense but cult of personality

1809

01:03:00,390 --> 01:02:58,160

that they're going because it's him

1810

01:03:02,230 --> 01:03:00,400

that's doing it um which like you say is

1811

01:03:05,190 --> 01:03:02,240

a shame because it does damage

1812

01:03:05,910 --> 01:03:05,200

a potentially what seems to be very

1813

01:03:09,829 --> 01:03:05,920

noble

1814

01:03:11,430 --> 01:03:09,839

and incredible practice to go in for

1815

01:03:12,950 --> 01:03:11,440

what i want to just ask on that is i

1816

01:03:14,789 --> 01:03:12,960

asked michael mazzolo when i spoke to

1817

01:03:16,230 --> 01:03:14,799

him now if people are new to the podcast

1818

01:03:17,829 --> 01:03:16,240

and there are thousands of you that

1819

01:03:18,470 --> 01:03:17,839

haven't heard the stuff from just last

1820

01:03:20,870 --> 01:03:18,480

year

1821

01:03:21,829 --> 01:03:20,880

i interviewed mike mazzola who was the

1822

01:03:24,950 --> 01:03:21,839

director of

1823

01:03:25,510 --> 01:03:24,960

unacknowledged and ce5 which were dr

1824

01:03:27,829 --> 01:03:25,520

grier's

1825

01:03:29,750 --> 01:03:27,839

uh some of his documentaries and they're

1826
01:03:31,270 --> 01:03:29,760
available on netflix amazon prime and

1827
01:03:33,670 --> 01:03:31,280
stuff like that as well

1828
01:03:34,789 --> 01:03:33,680
and i asked michael mazzola that if this

1829
01:03:38,630 --> 01:03:34,799
practice

1830
01:03:40,549 --> 01:03:38,640
is is so incredible and dr grier

1831
01:03:41,670 --> 01:03:40,559
claims to be someone still at the

1832
01:03:45,190 --> 01:03:41,680
forefront if not

1833
01:03:45,990 --> 01:03:45,200
the go-to guy for this okay why does he

1834
01:03:47,589 --> 01:03:46,000
not

1835
01:03:49,190 --> 01:03:47,599
reaching out for that one percent that

1836
01:03:51,910 --> 01:03:49,200
he talks about

1837
01:03:53,670 --> 01:03:51,920
get with the resources he has not even

1838
01:03:57,270 --> 01:03:53,680

just money but connections

1839

01:04:01,349 --> 01:03:57,280

a live nose crew head to a landmark

1840

01:04:03,829 --> 01:04:01,359

get a group and perform ce5 live on tv

1841

01:04:05,349 --> 01:04:03,839

get some stuff to come overhead not even

1842

01:04:06,390 --> 01:04:05,359

the most incredible but just something

1843

01:04:08,309 --> 01:04:06,400

to appear

1844

01:04:09,990 --> 01:04:08,319

and then surely that would that bang

1845

01:04:12,549 --> 01:04:10,000

that would be the message for that

1846

01:04:15,510 --> 01:04:12,559

why do you not think that that's

1847

01:04:17,670 --> 01:04:15,520

happened in modern day

1848

01:04:19,349 --> 01:04:17,680

i don't know you know actually in in i

1849

01:04:22,470 --> 01:04:19,359

forget which film it was in

1850

01:04:23,670 --> 01:04:22,480

um he did one where again it wasn't it

1851

01:04:26,390 --> 01:04:23,680

wasn't for the public

1852

01:04:27,270 --> 01:04:26,400

i mean he they recorded it but for one

1853

01:04:28,870 --> 01:04:27,280

of those i actually

1854

01:04:30,630 --> 01:04:28,880

think it was serious unfortunately

1855

01:04:32,630 --> 01:04:30,640

because that film is highly

1856

01:04:34,390 --> 01:04:32,640

controversial because of the atacama

1857

01:04:38,230 --> 01:04:34,400

which is a whole nother

1858

01:04:40,630 --> 01:04:38,240

yes yes yeah uh hazard um

1859

01:04:41,430 --> 01:04:40,640

but they actually they got really good

1860

01:04:45,109 --> 01:04:41,440

footage in that

1861

01:04:46,950 --> 01:04:45,119

um but again yeah man that's

1862

01:04:48,789 --> 01:04:46,960

you know that's something that it needs

1863

01:04:50,309 --> 01:04:48,799

to be experimented with

1864

01:04:52,309 --> 01:04:50,319

you know again we were talking before

1865

01:04:54,069 --> 01:04:52,319

about location i i was

1866

01:04:55,349 --> 01:04:54,079

in midtown manhattan on the roof of a

1867

01:04:58,470 --> 01:04:55,359

building

1868

01:05:01,829 --> 01:04:58,480

and i did ce5 and had

1869

01:05:04,069 --> 01:05:01,839

an absolutely incredible experience

1870

01:05:05,349 --> 01:05:04,079

on several occasions again in midtown

1871

01:05:06,950 --> 01:05:05,359

manhattan i'm up

1872

01:05:08,549 --> 01:05:06,960

by myself on the roof of this building

1873

01:05:11,510 --> 01:05:08,559

when i'm doing it but

1874

01:05:12,470 --> 01:05:11,520

um i i think it has the potential to be

1875

01:05:14,710 --> 01:05:12,480

done

1876

01:05:16,630 --> 01:05:14,720

um there should probably be somebody

1877

01:05:19,109 --> 01:05:16,640

should lead that initiative

1878

01:05:20,829 --> 01:05:19,119

um because again there's gonna be your

1879

01:05:24,309 --> 01:05:20,839

trials and errors

1880

01:05:25,589 --> 01:05:24,319

um and you probably want to do it with a

1881

01:05:27,510 --> 01:05:25,599

smaller group

1882

01:05:29,910 --> 01:05:27,520

just because you generally get a better

1883

01:05:32,710 --> 01:05:29,920

response with small coherent groups

1884

01:05:34,309 --> 01:05:32,720

i was at an event with like 200 people

1885

01:05:37,910 --> 01:05:34,319

for a ce5

1886

01:05:39,430 --> 01:05:37,920

and it you know it everybody's

1887

01:05:42,309 --> 01:05:39,440

participation

1888

01:05:43,670 --> 01:05:42,319

alters how the the the contact can

1889

01:05:45,510 --> 01:05:43,680

unfold so

1890

01:05:47,109 --> 01:05:45,520

when you have they have events like

1891

01:05:49,990 --> 01:05:47,119

contact in the desert

1892

01:05:51,589 --> 01:05:50,000

and they do like a mass ce5 with i i

1893

01:05:53,270 --> 01:05:51,599

don't know how many of people are those

1894

01:05:54,950 --> 01:05:53,280

contact in the desert events a lot of

1895

01:05:58,390 --> 01:05:54,960

people but

1896

01:05:59,670 --> 01:05:58,400

you know it's never like what happens at

1897

01:06:02,069 --> 01:05:59,680

a like a genuine

1898

01:06:03,750 --> 01:06:02,079

contact expedition when when you have

1899

01:06:06,549 --> 01:06:03,760

like

1900

01:06:06,870 --> 01:06:06,559

anywhere from two to twenty people that

1901

01:06:09,190 --> 01:06:06,880

are

1902

01:06:10,150 --> 01:06:09,200

on the same page you're gonna get much

1903

01:06:12,870 --> 01:06:10,160

better results

1904

01:06:14,069 --> 01:06:12,880

than if you have 50 people 100 people

1905

01:06:17,190 --> 01:06:14,079

kind of

1906

01:06:17,510 --> 01:06:17,200

half of them taking it seriously half

1907

01:06:20,470 --> 01:06:17,520

them

1908

01:06:20,789 --> 01:06:20,480

not in the mood or whatever it is um so

1909

01:06:30,630 --> 01:06:20,799

i

1910

01:06:32,390 --> 01:06:30,640

you want the best results get the people

1911

01:06:36,150 --> 01:06:32,400

that have the most success

1912

01:06:37,910 --> 01:06:36,160

get a good group of people together and

1913

01:06:39,829 --> 01:06:37,920

do an initiative like that that's that's

1914

01:06:41,750 --> 01:06:39,839

what you got to do i think

1915

01:06:43,510 --> 01:06:41,760

that would be my best approach get like

1916

01:06:47,349 --> 01:06:43,520

a group of five to

1917

01:06:49,750 --> 01:06:47,359

10 or 15 people and go around with

1918

01:06:51,510 --> 01:06:49,760

you know again you couldn't you can't

1919

01:06:52,069 --> 01:06:51,520

base the whole thing on just one night

1920

01:06:55,829 --> 01:06:52,079

right

1921

01:06:56,789 --> 01:06:55,839

so the phenomenon has a stake in what's

1922

01:06:58,950 --> 01:06:56,799

going on

1923

01:07:00,630 --> 01:06:58,960

for whatever reason they'll choose to

1924

01:07:02,230 --> 01:07:00,640

respond when they want to basically

1925

01:07:05,589 --> 01:07:02,240

they're running the show

1926

01:07:09,430 --> 01:07:05,599

um so part of it depends on that

1927

01:07:11,430 --> 01:07:09,440

um so it would have to be an initiative

1928

01:07:13,670 --> 01:07:11,440

undertaken you know not like oh we're

1929

01:07:15,109 --> 01:07:13,680

gonna go out one night with fox news

1930

01:07:17,510 --> 01:07:15,119

and try to get a response you know

1931

01:07:22,150 --> 01:07:17,520

you're it could happen yeah

1932

01:07:24,150 --> 01:07:22,160

uh if i mean i guess

1933

01:07:26,630 --> 01:07:24,160

and there have been people that have

1934

01:07:30,150 --> 01:07:26,640

tented live stream ce5s

1935

01:07:32,390 --> 01:07:30,160

and have gotten okay results um

1936

01:07:34,309 --> 01:07:32,400

but you know it's not an initiative

1937

01:07:34,710 --> 01:07:34,319

dedicated to that and i think that you

1938

01:07:37,910 --> 01:07:34,720

would

1939

01:07:39,349 --> 01:07:37,920

probably need one like that james we'll

1940

01:07:40,870 --> 01:07:39,359

move on to listener questions

1941

01:07:42,549 --> 01:07:40,880

for the listener listening to this

1942

01:07:43,670 --> 01:07:42,559

thanks for joining us i'll split this

1943

01:07:45,270 --> 01:07:43,680

into two parts

1944

01:07:46,710 --> 01:07:45,280

just so you can take a breather yourself

1945

01:07:47,990 --> 01:07:46,720

because james has talked about a lot of

1946

01:07:49,750 --> 01:07:48,000

very intense and

1947

01:07:53,750 --> 01:07:49,760

and deep experiences as well so we'll

1948

01:07:57,349 --> 01:07:55,589

okay so james is still with me we're

1949

01:07:59,510 --> 01:07:57,359

going to move on to listener questions

1950

01:08:00,630 --> 01:07:59,520

first up listener question is from dave

1951

01:08:02,549 --> 01:08:00,640

smithers

1952

01:08:04,230 --> 01:08:02,559

dave sent in a lot of questions and i

1953

01:08:05,910 --> 01:08:04,240

had to be careful what i picked he wants

1954

01:08:07,190 --> 01:08:05,920

to know regarding your recent interview

1955

01:08:08,789 --> 01:08:07,200

with luella zondo

1956

01:08:11,430 --> 01:08:08,799

what were three of the main things that

1957

01:08:14,630 --> 01:08:11,440

you took away from it

1958

01:08:18,070 --> 01:08:14,640

oh well one that some way somehow

1959

01:08:19,030 --> 01:08:18,080

uh contact experiences were observed in

1960

01:08:22,309 --> 01:08:19,040

uh

1961

01:08:24,390 --> 01:08:22,319

atip as actually a part of their study

1962

01:08:25,669 --> 01:08:24,400

and you know lou was very careful not to

1963

01:08:27,030 --> 01:08:25,679

get into that so i thought that was

1964

01:08:30,630 --> 01:08:27,040

fascinating

1965

01:08:32,229 --> 01:08:30,640

um the remote viewing question was and

1966

01:08:33,269 --> 01:08:32,239

that's kind of related but that you know

1967

01:08:34,789 --> 01:08:33,279

he

1968

01:08:36,390 --> 01:08:34,799

i was not expecting that i was just

1969

01:08:38,309 --> 01:08:36,400

expecting him to say no

1970

01:08:40,229 --> 01:08:38,319

kind of really i just wanted to ask her

1971

01:08:45,030 --> 01:08:40,239

to cover that base so i asked it

1972

01:08:47,669 --> 01:08:45,040

and he his response was very interesting

1973

01:08:49,829 --> 01:08:47,679

and um i mean i guess i guess a third

1974

01:08:52,789 --> 01:08:49,839

one would be

1975

01:08:54,789 --> 01:08:52,799

you know the way he he he really was

1976

01:08:56,709 --> 01:08:54,799

open to the ce5 community and

1977

01:08:58,550 --> 01:08:56,719

you know nobody had asked him about it

1978

01:09:00,550 --> 01:08:58,560

so i i thought he was great at

1979

01:09:02,309 --> 01:09:00,560

communicating that

1980

01:09:03,590 --> 01:09:02,319

see i'm just going to follow up on that

1981

01:09:06,390 --> 01:09:03,600

if you had

1982

01:09:08,309 --> 01:09:06,400

lu for an interview tomorrow and he said

1983

01:09:09,510 --> 01:09:08,319

right you've got one follow-up question

1984

01:09:11,669 --> 01:09:09,520

do you know off the top of your head

1985

01:09:15,510 --> 01:09:11,679

what your follow-up question would be

1986

01:09:17,910 --> 01:09:15,520

oh man i actually had it i had it oh

1987

01:09:19,510 --> 01:09:17,920

i i i didn't ask him if he ever had a

1988

01:09:22,229 --> 01:09:19,520

ce5

1989

01:09:23,510 --> 01:09:22,239

okay i mean you know what he's going to

1990

01:09:26,550 --> 01:09:23,520

say to that but

1991

01:09:27,990 --> 01:09:26,560

but still how he answers it tells you

1992

01:09:29,590 --> 01:09:28,000

right what you need to know doesn't it

1993

01:09:31,349 --> 01:09:29,600

just know as well just know we've known

1994

01:09:32,709 --> 01:09:31,359

that he's had some kind of experience we

1995

01:09:34,309 --> 01:09:32,719

didn't know if there was an interactive

1996

01:09:35,910 --> 01:09:34,319

mental quality

1997

01:09:37,910 --> 01:09:35,920

and you know what it depends when you

1998

01:09:39,829 --> 01:09:37,920

speak to lou given i spoke to lou on the

1999

01:09:41,189 --> 01:09:39,839

first of february and i asked him about

2000

01:09:43,110 --> 01:09:41,199

ce5

2001

01:09:45,110 --> 01:09:43,120

lou's answer was if it works it works if

2002

01:09:45,990 --> 01:09:45,120

it doesn't it doesn't so at that point

2003

01:09:48,229 --> 01:09:46,000

he was not

2004

01:09:49,749 --> 01:09:48,239

ready to speak about that but yet you

2005

01:09:50,630 --> 01:09:49,759

look where we are four months down the

2006

01:09:52,789 --> 01:09:50,640

line

2007

01:09:54,070 --> 01:09:52,799

and how much more and it's like you you

2008

01:09:55,669 --> 01:09:54,080

got them at a time where you asked the

2009

01:09:57,590 --> 01:09:55,679

right question in the right way

2010

01:09:58,790 --> 01:09:57,600

and expanded on it and i think again

2011

01:10:02,390 --> 01:09:58,800

someone like you

2012

01:10:04,229 --> 01:10:02,400

speaking to lou in six months time

2013

01:10:05,830 --> 01:10:04,239

that question gets answered potentially

2014

01:10:06,550 --> 01:10:05,840

in a lot a different way it would

2015

01:10:07,910 --> 01:10:06,560

tomorrow

2016

01:10:09,270 --> 01:10:07,920

so that's i think that's the good thing

2017

01:10:10,870 --> 01:10:09,280

with with a guy like lou and someone

2018

01:10:12,310 --> 01:10:10,880

like yourself opening that door

2019

01:10:13,910 --> 01:10:12,320

with those questions that you did ask

2020

01:10:16,470 --> 01:10:13,920

that were that were really cool

2021

01:10:17,030 --> 01:10:16,480

next up strange farm had a question what

2022

01:10:19,350 --> 01:10:17,040

are some

2023

01:10:22,470 --> 01:10:19,360

meditation practices that he could do at

2024

01:10:25,750 --> 01:10:22,480

home to better the chances of contact

2025

01:10:26,950 --> 01:10:25,760

okay so i um i don't want to direct

2026

01:10:29,910 --> 01:10:26,960

anybody down a

2027

01:10:30,229 --> 01:10:29,920

particular path i think you kind of just

2028

01:10:34,149 --> 01:10:30,239

go

2029

01:10:37,669 --> 01:10:34,159

with what feels right to you

2030

01:10:39,030 --> 01:10:37,679

but if i were to suggest meditation

2031

01:10:42,070 --> 01:10:39,040

practices

2032

01:10:43,750 --> 01:10:42,080

i would say try

2033

01:10:46,149 --> 01:10:43,760

try two or three different types of

2034

01:10:49,189 --> 01:10:46,159

techniques and try them each for

2035

01:10:51,030 --> 01:10:49,199

you you know for a few weeks at a time

2036

01:10:52,390 --> 01:10:51,040

so take one technique and try for two or

2037

01:10:53,750 --> 01:10:52,400

three weeks because

2038

01:10:55,669 --> 01:10:53,760

you're not going to try a new technique

2039

01:10:57,110 --> 01:10:55,679

and and that day or the next day you're

2040

01:10:58,310 --> 01:10:57,120

like man i know what they're talking

2041

01:11:00,550 --> 01:10:58,320

about now when they talk about

2042

01:11:02,630 --> 01:11:00,560

enlightenment meditation

2043

01:11:04,630 --> 01:11:02,640

it's just like you know working out at

2044

01:11:05,430 --> 01:11:04,640

the gym you have to build that muscle

2045

01:11:07,350 --> 01:11:05,440

and

2046

01:11:08,790 --> 01:11:07,360

um some meditation techniques work

2047

01:11:11,110 --> 01:11:08,800

better with others

2048

01:11:13,350 --> 01:11:11,120

so some people like mantra so where you

2049

01:11:16,470 --> 01:11:13,360

recite a mantra in your mind

2050

01:11:19,030 --> 01:11:16,480

and um you know you do it for five maybe

2051

01:11:20,470 --> 01:11:19,040

five minutes and then

2052

01:11:21,910 --> 01:11:20,480

when you realize that your mind starts

2053

01:11:23,350 --> 01:11:21,920

drifting you do the mantra again for a

2054

01:11:25,430 --> 01:11:23,360

few minutes until you're into like a

2055

01:11:28,470 --> 01:11:25,440

center of stillness

2056

01:11:30,390 --> 01:11:28,480

um or you can do a pranayama

2057

01:11:31,830 --> 01:11:30,400

technique which again any of these

2058

01:11:34,149 --> 01:11:31,840

techniques i'm mentioning

2059

01:11:35,590 --> 01:11:34,159

just google you can do a pranayama

2060

01:11:38,950 --> 01:11:35,600

technique which there's like

2061

01:11:40,070 --> 01:11:38,960

hundreds of different types and

2062

01:11:42,709 --> 01:11:40,080

you know again you practice the

2063

01:11:44,709 --> 01:11:42,719

pranayama for a few weeks and see how

2064

01:11:46,390 --> 01:11:44,719

that feels for you and then there's

2065

01:11:49,590 --> 01:11:46,400

something like vadasana

2066

01:11:50,950 --> 01:11:49,600

which is another um mindfulness based

2067

01:11:54,149 --> 01:11:50,960

technique

2068

01:11:55,830 --> 01:11:54,159

and see which one

2069

01:11:57,669 --> 01:11:55,840

works the best for you which one you

2070

01:12:00,149 --> 01:11:57,679

feel like the most centered and tranquil

2071

01:12:01,910 --> 01:12:00,159

with and and stick with that one

2072

01:12:03,750 --> 01:12:01,920

awesome good question and the next one i

2073

01:12:04,950 --> 01:12:03,760

i find a really interesting question

2074

01:12:07,830 --> 01:12:04,960

this one is from

2075

01:12:08,390 --> 01:12:07,840

james also james is one of the patreons

2076
01:12:10,709 --> 01:12:08,400
over at

2077
01:12:12,070 --> 01:12:10,719
patreon.com and he wants to know is

2078
01:12:14,709 --> 01:12:12,080
james aware of

2079
01:12:16,310 --> 01:12:14,719
if those on the autistic spectrum are at

2080
01:12:19,669 --> 01:12:16,320
all disadvantaged

2081
01:12:21,510 --> 01:12:19,679
to success with ce5 um mainly concerning

2082
01:12:21,990 --> 01:12:21,520
understanding of emotions and also

2083
01:12:25,430 --> 01:12:22,000
ability

2084
01:12:28,709 --> 01:12:27,750
hmm wait can you say that one more time

2085
01:12:30,950 --> 01:12:28,719
i'm sorry just

2086
01:12:32,630 --> 01:12:30,960
yeah so james wants to know if you're

2087
01:12:35,750 --> 01:12:32,640
aware if people who are on the

2088
01:12:38,630 --> 01:12:35,760

autism spectrum are disadvantaged

2089

01:12:40,310 --> 01:12:38,640

to having any success with ce5 coming

2090

01:12:40,950 --> 01:12:40,320

from a point of view that they can have

2091

01:12:43,030 --> 01:12:40,960

difficulty

2092

01:12:45,189 --> 01:12:43,040

understanding emotions and also

2093

01:12:47,990 --> 01:12:45,199

projecting thoughts so

2094

01:12:49,430 --> 01:12:48,000

um i i can't say from personal

2095

01:12:51,510 --> 01:12:49,440

experience yes or no

2096

01:12:53,350 --> 01:12:51,520

however there's also that possibility

2097

01:12:54,550 --> 01:12:53,360

that they could be superior at it for

2098

01:12:56,390 --> 01:12:54,560

whatever reason

2099

01:12:57,590 --> 01:12:56,400

because you have people that are on that

2100

01:13:00,390 --> 01:12:57,600

spectrum

2101
01:13:01,350 --> 01:13:00,400
that are freaking highly skilled at

2102
01:13:05,110 --> 01:13:01,360
things where

2103
01:13:06,470 --> 01:13:05,120
it's amazing so um again everything's

2104
01:13:08,310 --> 01:13:06,480
trial and error so

2105
01:13:10,149 --> 01:13:08,320
i i don't want to categorize people

2106
01:13:11,430 --> 01:13:10,159
saying you know these kind of people

2107
01:13:13,669 --> 01:13:11,440
because they're

2108
01:13:15,270 --> 01:13:13,679
this way or good or bad at it this

2109
01:13:16,950 --> 01:13:15,280
person's not good at art so they're

2110
01:13:18,630 --> 01:13:16,960
probably not going to be good at ce5

2111
01:13:20,390 --> 01:13:18,640
it has to be an independent thing

2112
01:13:21,750 --> 01:13:20,400
because for for all you know they're

2113
01:13:23,030 --> 01:13:21,760

going to be better at it than anybody

2114

01:13:24,550 --> 01:13:23,040

else

2115

01:13:26,229 --> 01:13:24,560

yeah i did wonder that reading the

2116

01:13:28,470 --> 01:13:26,239

question is it a case of their

2117

01:13:29,350 --> 01:13:28,480

they're tuned into something that most

2118

01:13:31,110 --> 01:13:29,360

people aren't

2119

01:13:32,390 --> 01:13:31,120

right they have their success in that

2120

01:13:33,830 --> 01:13:32,400

way so yeah

2121

01:13:35,590 --> 01:13:33,840

absolutely i'm with you on that one

2122

01:13:36,070 --> 01:13:35,600

james good question though uh thanks for

2123

01:13:38,390 --> 01:13:36,080

that one

2124

01:13:39,669 --> 01:13:38,400

the drawing board wants to know um they

2125

01:13:41,510 --> 01:13:39,679

were intrigued when

2126
01:13:42,790 --> 01:13:41,520
you brought up the collins elite with

2127
01:13:45,189 --> 01:13:42,800
lou and

2128
01:13:46,790 --> 01:13:45,199
lou categor categorically stated that he

2129
01:13:47,990 --> 01:13:46,800
could not talk about that

2130
01:13:50,149 --> 01:13:48,000
and they thought it was a really

2131
01:13:51,510 --> 01:13:50,159
interesting line of conversation

2132
01:13:53,189 --> 01:13:51,520
and they just want to know what you

2133
01:13:55,189 --> 01:13:53,199
thought about lou's answer or where that

2134
01:13:59,110 --> 01:13:55,199
could go

2135
01:14:02,550 --> 01:14:00,630
you know whether whether you call them

2136
01:14:04,470 --> 01:14:02,560
the collins leader or whatever it is

2137
01:14:07,669 --> 01:14:04,480
there there is such a group

2138
01:14:09,270 --> 01:14:07,679

um dr eric davis in an interview i

2139

01:14:12,550 --> 01:14:09,280

believe with alejandra rojas

2140

01:14:14,229 --> 01:14:12,560

said yeah they the collins elite or you

2141

01:14:16,550 --> 01:14:14,239

know those kind of fundamental religious

2142

01:14:18,950 --> 01:14:16,560

people that believe ufos are demons

2143

01:14:21,270 --> 01:14:18,960

are the ones who shut down ossap they're

2144

01:14:24,390 --> 01:14:21,280

the ones who got asap cancelled

2145

01:14:25,910 --> 01:14:24,400

um and i i think i in one of the

2146

01:14:27,669 --> 01:14:25,920

unidentified

2147

01:14:29,270 --> 01:14:27,679

uh episodes i'm not sure if it was

2148

01:14:31,430 --> 01:14:29,280

season one or season two they kind of

2149

01:14:34,630 --> 01:14:31,440

alluded to a group like that

2150

01:14:35,430 --> 01:14:34,640

so um there is a legitimate group like

2151

01:14:38,229 --> 01:14:35,440

that there

2152

01:14:38,550 --> 01:14:38,239

that is an obstacle to this subject and

2153

01:14:45,270 --> 01:14:38,560

they

2154

01:14:47,510 --> 01:14:45,280

to minimize any kind of progress um

2155

01:14:48,550 --> 01:14:47,520

there's you know again when when you get

2156

01:14:50,709 --> 01:14:48,560

into anything like

2157

01:14:52,470 --> 01:14:50,719

the collins leader or majestic 12 or

2158

01:14:53,189 --> 01:14:52,480

anything there's going to be a whole lot

2159

01:14:54,790 --> 01:14:53,199

of smoke

2160

01:14:56,229 --> 01:14:54,800

but there's there is something there

2161

01:14:59,669 --> 01:14:56,239

there's a spark of of

2162

01:15:01,350 --> 01:14:59,679

of reality there um so there was work

2163

01:15:02,550 --> 01:15:01,360

done by like nick redfern talking about

2164

01:15:03,990 --> 01:15:02,560

the college elite

2165

01:15:06,149 --> 01:15:04,000

and i believe a gentleman named ray

2166

01:15:08,070 --> 01:15:06,159

oucher and i remember he did a really

2167

01:15:09,030 --> 01:15:08,080

good episode i think on linda multan

2168

01:15:11,590 --> 01:15:09,040

howes

2169

01:15:13,110 --> 01:15:11,600

the phenomenon when it was still on kgra

2170

01:15:15,990 --> 01:15:13,120

radio

2171

01:15:17,430 --> 01:15:16,000

so there's some stuff out there um again

2172

01:15:19,350 --> 01:15:17,440

it's that's kind of like

2173

01:15:21,510 --> 01:15:19,360

to inform yourself of just to be aware

2174

01:15:23,030 --> 01:15:21,520

of you can go down a whole rabbit hole

2175

01:15:27,110 --> 01:15:23,040

with that

2176

01:15:28,950 --> 01:15:27,120

my friend uh scott brown actually

2177

01:15:30,790 --> 01:15:28,960

uh advised if people are interested in

2178

01:15:32,790 --> 01:15:30,800

the cons elite

2179

01:15:34,310 --> 01:15:32,800

they can't say if it's exactly related

2180

01:15:35,669 --> 01:15:34,320

to it but there's it's there's a

2181

01:15:38,149 --> 01:15:35,679

correlation there

2182

01:15:39,669 --> 01:15:38,159

of a movie on netflix called the family

2183

01:15:42,470 --> 01:15:39,679

and it's talking about this

2184

01:15:44,070 --> 01:15:42,480

very powerful family of christian

2185

01:15:46,870 --> 01:15:44,080

fundamentalists

2186

01:15:47,350 --> 01:15:46,880

that uh they have a lot of power and and

2187

01:15:50,229 --> 01:15:47,360

and they

2188

01:15:52,550 --> 01:15:50,239

do things in politics so that's uh

2189

01:15:55,430 --> 01:15:52,560

that's some thought on that

2190

01:15:56,550 --> 01:15:55,440

nice answer and a wave soul essent and a

2191

01:15:58,390 --> 01:15:56,560

few questions

2192

01:16:00,229 --> 01:15:58,400

they want to know do you think

2193

01:16:01,990 --> 01:16:00,239

practicing ce5

2194

01:16:04,950 --> 01:16:02,000

leads to an increase in sightings or

2195

01:16:07,669 --> 01:16:04,960

contact over time

2196

01:16:09,189 --> 01:16:07,679

for the for the entire planet like

2197

01:16:10,790 --> 01:16:09,199

collectively

2198

01:16:11,990 --> 01:16:10,800

i suppose for you if you're the way i'm

2199

01:16:13,990 --> 01:16:12,000

reading the question is if you're

2200

01:16:16,630 --> 01:16:14,000

practicing ce5

2201

01:16:17,350 --> 01:16:16,640

do the sightings get more frequent more

2202

01:16:19,669 --> 01:16:17,360

intense

2203

01:16:21,590 --> 01:16:19,679

over time or is there still that hap has

2204

01:16:23,669 --> 01:16:21,600

of nature to how they appear

2205

01:16:26,229 --> 01:16:23,679

yeah i mean there there becomes a point

2206

01:16:28,390 --> 01:16:26,239

where it's like second nature

2207

01:16:30,310 --> 01:16:28,400

um so when you're when you're well

2208

01:16:31,910 --> 01:16:30,320

practiced and again you can always

2209

01:16:33,910 --> 01:16:31,920

and they talk about this in the yoga

2210

01:16:35,510 --> 01:16:33,920

sutras that you can always go backwards

2211

01:16:36,950 --> 01:16:35,520

you know

2212

01:16:38,470 --> 01:16:36,960

so there's always the potential to go

2213

01:16:39,910 --> 01:16:38,480

backwards but when you're really well

2214

01:16:41,350 --> 01:16:39,920

practiced like you know

2215

01:16:43,830 --> 01:16:41,360

you never really forget how to ride a

2216

01:16:45,350 --> 01:16:43,840

bike i mean if you haven't rent a bike

2217

01:16:47,110 --> 01:16:45,360

in a few years you take a few minutes

2218

01:16:50,470 --> 01:16:47,120

and you kind of get back into it

2219

01:16:53,270 --> 01:16:50,480

um but uh yeah for sure i mean

2220

01:16:53,830 --> 01:16:53,280

the the more you do it the the more

2221

01:16:56,470 --> 01:16:53,840

likely

2222

01:16:58,149 --> 01:16:56,480

you are to have sightings um because

2223

01:16:59,750 --> 01:16:58,159

once once you get the feeling of it

2224

01:17:00,149 --> 01:16:59,760

right because there's a distinct feeling

2225

01:17:03,270 --> 01:17:00,159

to

2226

01:17:05,110 --> 01:17:03,280

genuine contact and once you're

2227

01:17:07,750 --> 01:17:05,120

really used to that feeling you can kind

2228

01:17:09,669 --> 01:17:07,760

of go to that right away

2229

01:17:11,830 --> 01:17:09,679

and um you know you don't even

2230

01:17:15,189 --> 01:17:11,840

necessarily have to be doing a ce5

2231

01:17:16,149 --> 01:17:15,199

to get into that and and have something

2232

01:17:19,750 --> 01:17:16,159

happen

2233

01:17:22,149 --> 01:17:19,760

and um just in case the the

2234

01:17:23,830 --> 01:17:22,159

guy was asking that on a mic on a macro

2235

01:17:26,390 --> 01:17:23,840

scale

2236

01:17:28,470 --> 01:17:26,400

i do think um there's a potential for

2237

01:17:30,950 --> 01:17:28,480

more people doing more ce5

2238

01:17:31,669 --> 01:17:30,960

equaling more sightings for the planet

2239

01:17:36,149 --> 01:17:31,679

if you know

2240

01:17:38,149 --> 01:17:36,159

so both i'll say both yes to both

2241

01:17:39,750 --> 01:17:38,159

cool next up we've got the quick fire

2242

01:17:41,510 --> 01:17:39,760

round so i'm going to mention a few

2243

01:17:42,950 --> 01:17:41,520

topics or names that we've not managed

2244

01:17:45,189 --> 01:17:42,960

to talk about in the body of the

2245

01:17:46,870 --> 01:17:45,199

interview and you can give your thoughts

2246

01:17:49,030 --> 01:17:46,880

as short or as long as you want on each

2247

01:17:51,590 --> 01:17:49,040

one okay and the first one is quite

2248

01:17:54,790 --> 01:17:51,600

timely it's the upcoming uap task force

2249

01:18:00,550 --> 01:17:57,830

yeah so i think that we're probably

2250

01:18:02,550 --> 01:18:00,560

again we already know that whatever the

2251

01:18:05,590 --> 01:18:02,560

report's gonna say is gonna be saying

2252

01:18:07,750 --> 01:18:05,600

it's not ours so everything that's

2253

01:18:09,750 --> 01:18:07,760

uh being talked about with with these

2254

01:18:13,910 --> 01:18:09,760

unidentified aerial phenomena

2255

01:18:16,870 --> 01:18:13,920

is not our technology um i see this

2256

01:18:17,750 --> 01:18:16,880

as a stepping stone so i think that

2257

01:18:19,990 --> 01:18:17,760

there's going to be

2258

01:18:22,149 --> 01:18:20,000

hopefully a lot of media hype around it

2259

01:18:23,910 --> 01:18:22,159

probably a buzz for a few weeks

2260

01:18:25,270 --> 01:18:23,920

overall it's good even though you know i

2261

01:18:26,149 --> 01:18:25,280

know people want to hear about roswell

2262

01:18:27,990 --> 01:18:26,159

and stuff we're not going to get

2263

01:18:29,350 --> 01:18:28,000

anything like that

2264

01:18:31,510 --> 01:18:29,360

i don't even know if we're going to get

2265

01:18:33,270 --> 01:18:31,520

any of the nuclear cases and if we don't

2266

01:18:37,110 --> 01:18:33,280

why

2267

01:18:39,270 --> 01:18:37,120

i think christopher mellon's questions

2268

01:18:40,950 --> 01:18:39,280

may be indicative of what we see and

2269

01:18:43,030 --> 01:18:40,960

don't see in the report

2270

01:18:44,709 --> 01:18:43,040

um i i think he's kind of in the know

2271

01:18:46,870 --> 01:18:44,719

and he asks those questions as like the

2272

01:18:49,830 --> 01:18:46,880

next step

2273

01:18:51,270 --> 01:18:49,840

but again it's a step forward it's

2274

01:18:54,470 --> 01:18:51,280

progress

2275

01:18:56,470 --> 01:18:54,480

i think that it will and again you know

2276

01:18:58,070 --> 01:18:56,480

you see all these congress people right

2277

01:18:59,910 --> 01:18:58,080

like they're making some i mean some of

2278

01:19:01,510 --> 01:18:59,920

them are saying some pretty crazy things

2279

01:19:03,830 --> 01:19:01,520

so

2280

01:19:06,070 --> 01:19:03,840

you could just see that now people are

2281

01:19:08,070 --> 01:19:06,080

more open to talking about it so that's

2282

01:19:10,310 --> 01:19:08,080

progress and i think it's a good thing

2283

01:19:11,510 --> 01:19:10,320

and again necessary stepping stone

2284

01:19:14,149 --> 01:19:11,520

moving forward

2285

01:19:16,070 --> 01:19:14,159

not the end and i'd just like to mention

2286

01:19:17,830 --> 01:19:16,080

on that with the congress people

2287

01:19:19,430 --> 01:19:17,840

talking about this the way they are and

2288

01:19:19,750 --> 01:19:19,440

using terminology that we're not used to

2289

01:19:22,229 --> 01:19:19,760

them

2290

01:19:23,990 --> 01:19:22,239

saying and just standing outside these

2291

01:19:25,270 --> 01:19:24,000

massive buildings saying yeah alien

2292

01:19:27,910 --> 01:19:25,280

technology or

2293

01:19:30,390 --> 01:19:27,920

not human or from somewhere else or

2294

01:19:32,470 --> 01:19:30,400

outside our galaxy however they mean it

2295

01:19:33,590 --> 01:19:32,480

they're saying it and i appreciate

2296

01:19:35,270 --> 01:19:33,600

people get in touch with me and they'll

2297

01:19:36,630 --> 01:19:35,280

tell me all but this guy's got this

2298

01:19:39,270 --> 01:19:36,640

politics or this

2299

01:19:41,669 --> 01:19:39,280

this one said this about this being from

2300

01:19:43,110 --> 01:19:41,679

the uk i suppose i don't have that

2301

01:19:46,070 --> 01:19:43,120

i don't have that knowledge or direct

2302

01:19:47,590 --> 01:19:46,080

knowledge or bias that i'm left or right

2303

01:19:49,350 --> 01:19:47,600

for whatever these i don't know their

2304

01:19:51,590 --> 01:19:49,360

background or what they do or don't vote

2305

01:19:53,110 --> 01:19:51,600

for i just know they're talking about a

2306

01:19:54,310 --> 01:19:53,120

subject i'm passionate about so i

2307

01:19:56,390 --> 01:19:54,320

appreciate that

2308

01:19:57,830 --> 01:19:56,400

what they're like as human beings i

2309

01:19:59,510 --> 01:19:57,840

don't know and

2310

01:20:00,950 --> 01:19:59,520

it's it's kind of hard to tell but that

2311

01:20:02,470 --> 01:20:00,960

they're talking about the subject which

2312

01:20:04,229 --> 01:20:02,480

does have a positive impact so

2313

01:20:06,470 --> 01:20:04,239

yeah and unless and that's a good thing

2314

01:20:07,830 --> 01:20:06,480

i'm an american and i don't give a

2315

01:20:08,629 --> 01:20:07,840

with their politics aren't people aren't

2316

01:20:11,750 --> 01:20:08,639

going to like that

2317

01:20:13,510 --> 01:20:11,760

i don't care you know if they're

2318

01:20:15,270 --> 01:20:13,520

i'm i'm looking at yeah this is

2319

01:20:17,110 --> 01:20:15,280

bipartisan right

2320

01:20:18,310 --> 01:20:17,120

um if they're going to be part of the

2321

01:20:19,750 --> 01:20:18,320

solution

2322

01:20:21,430 --> 01:20:19,760

good i mean doesn't mean i'm going to

2323

01:20:24,709 --> 01:20:21,440

vote them into office but

2324

01:20:26,310 --> 01:20:24,719

them talking about this openly is number

2325

01:20:28,790 --> 01:20:26,320

one it's progress

2326

01:20:29,990 --> 01:20:28,800

and hopefully we'll encourage others to

2327

01:20:32,709 --> 01:20:30,000

and number two

2328

01:20:34,229 --> 01:20:32,719

it's an indicator of where we are right

2329

01:20:36,070 --> 01:20:34,239

so i'm not saying like oh we they said

2330

01:20:38,310 --> 01:20:36,080

that let's just vote for them no

2331

01:20:40,149 --> 01:20:38,320

it has nothing to do with that you know

2332

01:20:40,790 --> 01:20:40,159

it's it's showing you where we are in

2333

01:20:42,790 --> 01:20:40,800

the time

2334

01:20:45,030 --> 01:20:42,800

and people are willing to step up and

2335

01:20:48,709 --> 01:20:45,040

talk about it that's what we need

2336

01:20:52,709 --> 01:20:48,719

absolutely next one is bob lazar

2337

01:20:56,470 --> 01:20:52,719

bob lazar uh super interesting um

2338

01:20:57,590 --> 01:20:56,480

now uh the guy was exposed to classified

2339

01:21:00,229 --> 01:20:57,600

information

2340

01:21:01,830 --> 01:21:00,239

okay i don't know how he was but you

2341

01:21:03,270 --> 01:21:01,840

know you just saw i think

2342

01:21:04,550 --> 01:21:03,280

i i don't know if it was the drive or

2343

01:21:05,669 --> 01:21:04,560

somebody just did an article on those

2344

01:21:08,390 --> 01:21:05,679

hand scanners

2345

01:21:10,229 --> 01:21:08,400

right um there's there's so many

2346

01:21:14,629 --> 01:21:10,239

interesting things in his story that

2347

01:21:17,750 --> 01:21:14,639

i have to believe that he was either

2348

01:21:21,830 --> 01:21:17,760

exposed to classified information

2349

01:21:25,110 --> 01:21:21,840

or part of some kind of strategic

2350

01:21:27,030 --> 01:21:25,120

release of information because

2351
01:21:28,950 --> 01:21:27,040
there's there's no way that that he

2352
01:21:32,149 --> 01:21:28,960
could have known about

2353
01:21:32,470 --> 01:21:32,159
you know secret classified test testing

2354
01:21:38,070 --> 01:21:32,480
of

2355
01:21:39,910 --> 01:21:38,080
were in that recorded video

2356
01:21:42,470 --> 01:21:39,920
uh there's no way he could have known

2357
01:21:43,590 --> 01:21:42,480
about classified test sites you know a

2358
01:21:45,750 --> 01:21:43,600
classified test

2359
01:21:46,709 --> 01:21:45,760
flight of whatever the those objects

2360
01:21:50,310 --> 01:21:46,719
were

2361
01:21:50,790 --> 01:21:50,320
um you know he knew about area 51 which

2362
01:21:53,830 --> 01:21:50,800
was not

2363
01:21:56,629 --> 01:21:53,840

really well known back then uh

2364

01:21:58,709 --> 01:21:56,639

so he he had access to different pieces

2365

01:22:01,430 --> 01:21:58,719

of pieces of information

2366

01:22:03,270 --> 01:22:01,440

that were classified so he he's either

2367

01:22:07,030 --> 01:22:03,280

legit in what he's saying

2368

01:22:08,870 --> 01:22:07,040

or or he he knew somebody

2369

01:22:10,629 --> 01:22:08,880

that was in some kind of classified

2370

01:22:12,149 --> 01:22:10,639

program over there that was feeding him

2371

01:22:14,390 --> 01:22:12,159

information

2372

01:22:15,590 --> 01:22:14,400

but the the thing the issue i have with

2373

01:22:17,270 --> 01:22:15,600

that is

2374

01:22:18,870 --> 01:22:17,280

i don't think he would have staked his

2375

01:22:21,750 --> 01:22:18,880

entire reputation and

2376

01:22:22,950 --> 01:22:21,760

future if some guy was telling him some

2377

01:22:25,510 --> 01:22:22,960

kind of weird stuff

2378

01:22:26,629 --> 01:22:25,520

and you know what i mean like he he

2379

01:22:29,510 --> 01:22:26,639

jeopardized

2380

01:22:30,229 --> 01:22:29,520

a lot of his his his future you know

2381

01:22:33,430 --> 01:22:30,239

whether

2382

01:22:35,189 --> 01:22:33,440

you know um

2383

01:22:36,950 --> 01:22:35,199

he the stuff you know he went out and

2384

01:22:39,350 --> 01:22:36,960

and said the things he said

2385

01:22:40,310 --> 01:22:39,360

and he really jammed himself up right

2386

01:22:42,149 --> 01:22:40,320

there's there's no

2387

01:22:43,750 --> 01:22:42,159

going and doing everything he did and

2388

01:22:45,590 --> 01:22:43,760

saying okay i'm just going to get

2389

01:22:47,430 --> 01:22:45,600

another job at a classified

2390

01:22:49,590 --> 01:22:47,440

facility which you know he was at los

2391

01:22:51,270 --> 01:22:49,600

alamos right we know that

2392

01:22:52,470 --> 01:22:51,280

george knapp had found him the in the

2393

01:22:53,910 --> 01:22:52,480

phone book you know whether as a

2394

01:22:55,830 --> 01:22:53,920

contractor or not

2395

01:22:57,189 --> 01:22:55,840

um so there's no way he's like this is a

2396

01:22:59,189 --> 01:22:57,199

great idea to fur

2397

01:23:00,709 --> 01:22:59,199

you know to further my career in life

2398

01:23:02,790 --> 01:23:00,719

yeah so

2399

01:23:04,310 --> 01:23:02,800

i i can't say that he did everything

2400

01:23:07,669 --> 01:23:04,320

that he said he did

2401

01:23:11,350 --> 01:23:07,679

i i find it extremely fascinating

2402

01:23:13,110 --> 01:23:11,360

and i i i think that there is a

2403

01:23:13,590 --> 01:23:13,120

potential that he's telling the truth on

2404

01:23:15,350 --> 01:23:13,600

everything

2405

01:23:16,790 --> 01:23:15,360

i mean at least from his point of view i

2406

01:23:18,870 --> 01:23:16,800

think that's

2407

01:23:20,470 --> 01:23:18,880

i have that well on the table i'm not

2408

01:23:22,470 --> 01:23:20,480

i'm not willing to discount that he's

2409

01:23:26,149 --> 01:23:22,480

just making it up

2410

01:23:28,790 --> 01:23:26,159

do you prefer the term ufo or uap

2411

01:23:29,990 --> 01:23:28,800

um i don't i don't really care one way

2412

01:23:32,950 --> 01:23:30,000

or the other

2413

01:23:35,350 --> 01:23:32,960

i'm i'm fine using whatever terminology

2414

01:23:39,030 --> 01:23:35,360

is appropriate for the conversation

2415

01:23:39,430 --> 01:23:39,040

um i like ufo it's cool but i understand

2416

01:23:43,510 --> 01:23:39,440

how

2417

01:23:46,149 --> 01:23:43,520

um uap is more accurate

2418

01:23:48,470 --> 01:23:46,159

uap is not a new term it's been used

2419

01:23:50,709 --> 01:23:48,480

more recently um

2420

01:23:52,870 --> 01:23:50,719

but it there i like i like both of them

2421

01:23:55,430 --> 01:23:52,880

i think unidentified aerial phenomena

2422

01:23:56,870 --> 01:23:55,440

is a really cool way of accurately

2423

01:23:58,390 --> 01:23:56,880

describing some of the things that we

2424

01:24:00,830 --> 01:23:58,400

see

2425

01:24:02,870 --> 01:24:00,840

and finally what does disclosure mean to

2426

01:24:06,870 --> 01:24:02,880

you

2427

01:24:10,790 --> 01:24:06,880

man um for me personally

2428

01:24:15,510 --> 01:24:10,800

on a personal level um

2429

01:24:19,430 --> 01:24:17,430

no i have i i guess i have a few things

2430

01:24:21,669 --> 01:24:19,440

like i i if we're not

2431

01:24:23,669 --> 01:24:21,679

if we're not hearing about like roswell

2432

01:24:24,950 --> 01:24:23,679

and and legit crash retrievals which did

2433

01:24:28,390 --> 01:24:24,960

happen

2434

01:24:30,470 --> 01:24:28,400

that's not exactly disclosure you know i

2435

01:24:33,110 --> 01:24:30,480

mean disclosure i guess

2436

01:24:33,750 --> 01:24:33,120

would mean the release of the truth

2437

01:24:36,310 --> 01:24:33,760

right

2438

01:24:38,790 --> 01:24:36,320

um i i think we're going to get in

2439

01:24:42,870 --> 01:24:38,800

incremental partial disclosures

2440

01:24:43,510 --> 01:24:42,880

um and and i mean i can't argue against

2441

01:24:45,669 --> 01:24:43,520

that right

2442

01:24:47,030 --> 01:24:45,679

we're it's great to see this stuff

2443

01:24:49,510 --> 01:24:47,040

finally come out

2444

01:24:52,229 --> 01:24:49,520

uh but i would i would say that like a

2445

01:24:54,149 --> 01:24:52,239

genuine disclosure would be a release of

2446

01:24:55,669 --> 01:24:54,159

most of the information like saying yeah

2447

01:24:59,350 --> 01:24:55,679

we have

2448

01:25:01,590 --> 01:24:59,360

technology

2449

01:25:02,390 --> 01:25:01,600

we have alien beings or you know

2450

01:25:04,550 --> 01:25:02,400

whatever

2451
01:25:05,750 --> 01:25:04,560
however you want to say it we have them

2452
01:25:08,950 --> 01:25:05,760
in our possession

2453
01:25:11,430 --> 01:25:08,960
and we've had them for decades um

2454
01:25:11,990 --> 01:25:11,440
something to that effect and even like a

2455
01:25:15,189 --> 01:25:12,000
a

2456
01:25:17,189 --> 01:25:15,199
post-disclosure for me would be

2457
01:25:19,270 --> 01:25:17,199
where like obviously the entire world

2458
01:25:20,629 --> 01:25:19,280
acknowledges it can't be something like

2459
01:25:22,550 --> 01:25:20,639
you know whistleblower comes out and

2460
01:25:23,189 --> 01:25:22,560
says it and it's questionable has to be

2461
01:25:26,149 --> 01:25:23,199
like

2462
01:25:27,830 --> 01:25:26,159
you know the us president is or or you

2463
01:25:30,709 --> 01:25:27,840

know someone to that effect

2464

01:25:32,790 --> 01:25:30,719

um is saying you know or another

2465

01:25:36,149 --> 01:25:32,800

president of another country i guess

2466

01:25:38,149 --> 01:25:36,159

um says like okay you know ufos are real

2467

01:25:40,390 --> 01:25:38,159

they represent a non-human intelligence

2468

01:25:43,030 --> 01:25:40,400

that has been engaging us

2469

01:25:44,229 --> 01:25:43,040

and um to go further than that i guess

2470

01:25:48,550 --> 01:25:44,239

some kind of actual

2471

01:25:50,870 --> 01:25:48,560

open interaction with this these beings

2472

01:25:53,750 --> 01:25:50,880

awesome james how can people get in

2473

01:25:56,310 --> 01:25:53,760

touch with you and follow your

2474

01:25:57,270 --> 01:25:56,320

uh i'm engaging the phenomenon on

2475

01:26:00,229 --> 01:25:57,280

twitter

2476
01:26:01,669 --> 01:26:00,239
engaging the phenomenon on youtube i

2477
01:26:04,629 --> 01:26:01,679
encourage people to reach out to me

2478
01:26:08,470 --> 01:26:06,950
i'm also on instagram but twitter really

2479
01:26:11,510 --> 01:26:08,480
if you want to get in touch with me

2480
01:26:13,350 --> 01:26:11,520
uh get me on twitter

2481
01:26:14,709 --> 01:26:13,360
awesome and i'm going to steal james

2482
01:26:16,229 --> 01:26:14,719
just for two more minutes over on

2483
01:26:16,550 --> 01:26:16,239
patreon and i'm just going to be asking

2484
01:26:18,790 --> 01:26:16,560
him

2485
01:26:19,750 --> 01:26:18,800
what is his favorite ufo case or piece

2486
01:26:21,350 --> 01:26:19,760
of evidence for

2487
01:26:23,030 --> 01:26:21,360
join us on patreon or apple

2488
01:26:26,629 --> 01:26:23,040

subscriptions for that one folks

2489

01:26:29,070 --> 01:26:26,639

thanks for joining us james sure thing

2490

01:26:30,229 --> 01:26:29,080

yeah hi to everyone on

2491

01:26:34,070 --> 01:26:30,239

applesubscriptions

2492

01:26:36,149 --> 01:26:34,080

and patreon.com i've still got james

2493

01:26:37,910 --> 01:26:36,159

ian doley with me i had to think about

2494

01:26:40,229 --> 01:26:37,920

that one i think i got it right

2495

01:26:41,910 --> 01:26:40,239

and uh i'm going to be asking james just

2496

01:26:43,750 --> 01:26:41,920

for all of you who subscribe to the

2497

01:26:45,590 --> 01:26:43,760

podcast and give a little something back

2498

01:26:48,709 --> 01:26:45,600

james what is your favorite either piece

2499

01:26:50,550 --> 01:26:48,719

of evidence or ufo case

2500

01:26:53,030 --> 01:26:50,560

yeah one of my one of my favorite cases

2501

01:26:55,910 --> 01:26:53,040

actually is the hudson valley ufo case

2502

01:26:57,430 --> 01:26:55,920

it's the hudson valley ufo wave and part

2503

01:26:59,110 --> 01:26:57,440

of that is because i live in westchester

2504

01:27:00,550 --> 01:26:59,120

new york i live in the actual hudson

2505

01:27:03,430 --> 01:27:00,560

valley

2506

01:27:03,910 --> 01:27:03,440

a lot of people in my area some of them

2507

01:27:07,350 --> 01:27:03,920

are older

2508

01:27:09,590 --> 01:27:07,360

now but i had seen the uh

2509

01:27:11,510 --> 01:27:09,600

a lot of sightings back then in the 80s

2510

01:27:13,830 --> 01:27:11,520

uh for that wave

2511

01:27:15,910 --> 01:27:13,840

and actually dr jalan heineck one of the

2512

01:27:18,550 --> 01:27:15,920

last books that he worked on

2513

01:27:21,270 --> 01:27:18,560

uh he co-authored it it's called night

2514

01:27:24,149 --> 01:27:21,280

siege the hudson valley ufo wave

2515

01:27:25,350 --> 01:27:24,159

so i always found that as a fascinating

2516

01:27:26,790 --> 01:27:25,360

um

2517

01:27:29,189 --> 01:27:26,800

case i guess you can say because it's an

2518

01:27:31,830 --> 01:27:29,199

entire wave it's banded for

2519

01:27:32,629 --> 01:27:31,840

several years you're talking about um

2520

01:27:35,030 --> 01:27:32,639

there is

2521

01:27:36,470 --> 01:27:35,040

i have indian point over here like just

2522

01:27:38,629 --> 01:27:36,480

a few miles away

2523

01:27:40,470 --> 01:27:38,639

and that's a nuclear facility so you

2524

01:27:42,229 --> 01:27:40,480

have the interaction with ufos and nukes

2525

01:27:43,350 --> 01:27:42,239

there was actually a helicopter chase

2526

01:27:45,110 --> 01:27:43,360

with the ufo

2527

01:27:47,430 --> 01:27:45,120

that's not so well known during that

2528

01:27:49,830 --> 01:27:47,440

flap that happened

2529

01:27:51,669 --> 01:27:49,840

so this is very rich in that component

2530

01:27:52,390 --> 01:27:51,679

you got the contact you got the ufos and

2531

01:27:54,070 --> 01:27:52,400

nukes

2532

01:27:55,910 --> 01:27:54,080

thing even though they're not icbms it's

2533

01:27:58,950 --> 01:27:55,920

just a nuclear facility

2534

01:28:01,270 --> 01:27:58,960

you know power generation so

2535

01:28:02,229 --> 01:28:01,280

i i find that as a fascinating case all

2536

01:28:05,030 --> 01:28:02,239

but you know

2537

01:28:05,430 --> 01:28:05,040

just uh to list off a few other cases i

2538

01:28:09,189 --> 01:28:05,440

do

2539

01:28:11,270 --> 01:28:09,199

really like the the the phoenix lights

2540

01:28:13,030 --> 01:28:11,280

just because you know you had this

2541

01:28:15,110 --> 01:28:13,040

massive sighting

2542

01:28:19,590 --> 01:28:15,120

and you know if that was some kind of us

2543

01:28:24,390 --> 01:28:22,470

right and then you have fife simonton

2544

01:28:27,430 --> 01:28:24,400

who was um

2545

01:28:28,390 --> 01:28:27,440

what the mayor at the time and uh you

2546

01:28:30,709 --> 01:28:28,400

know

2547

01:28:32,229 --> 01:28:30,719

he kind of laughed it off at first to

2548

01:28:34,149 --> 01:28:32,239

try to lighten the mood and then he

2549

01:28:35,990 --> 01:28:34,159

comes out with james fox

2550

01:28:38,229 --> 01:28:36,000

just a few years later saying you know

2551

01:28:40,390 --> 01:28:38,239

first of all he was a air force pilot

2552

01:28:43,030 --> 01:28:40,400

so he's a trained observer and he said

2553

01:28:44,950 --> 01:28:43,040

he personally saw the the phoenix lights

2554

01:28:46,709 --> 01:28:44,960

he saw the craft it was blocking out

2555

01:28:48,550 --> 01:28:46,719

stars it was tremendous completely

2556

01:28:50,390 --> 01:28:48,560

silent and he was amazed

2557

01:28:51,990 --> 01:28:50,400

so um that's another great case and

2558

01:28:52,870 --> 01:28:52,000

actually if you go read the book that

2559

01:28:56,629 --> 01:28:52,880

was written by

2560

01:28:57,669 --> 01:28:56,639

um dr lin ketai there's a lot of stuff

2561

01:29:00,870 --> 01:28:57,679

going on that

2562

01:29:01,750 --> 01:29:00,880

people aren't aware with um that during

2563

01:29:04,229 --> 01:29:01,760

that time

2564

01:29:05,669 --> 01:29:04,239

people were having contact experiences

2565

01:29:10,070 --> 01:29:05,679

ce5s

2566

01:29:12,709 --> 01:29:10,080

um and uh contact experiences

2567

01:29:14,390 --> 01:29:12,719

so there was a whole lot going on that

2568

01:29:16,310 --> 01:29:14,400

that's not talked about as well so i

2569

01:29:20,310 --> 01:29:16,320

really like those cases and of course

2570

01:29:21,110 --> 01:29:20,320

just as like a a you a ufo guy i love

2571

01:29:24,149 --> 01:29:21,120

roswell

2572

01:29:26,790 --> 01:29:24,159

just a absolutely fascinating case

2573

01:29:27,669 --> 01:29:26,800

um so many interesting witness

2574

01:29:29,030 --> 01:29:27,679

testimonies

2575

01:29:31,590 --> 01:29:29,040

from different angles you know you had

2576

01:29:34,470 --> 01:29:31,600

the coroner you had uh

2577

01:29:35,430 --> 01:29:34,480

uh that that woman um i forgot her name

2578

01:29:38,629 --> 01:29:35,440

something june

2579

01:29:41,110 --> 01:29:38,639

where she was shown materials the

2580

01:29:43,030 --> 01:29:41,120

the memory material uh that that

2581

01:29:44,149 --> 01:29:43,040

gentleman researcher james clarkson

2582

01:29:46,629 --> 01:29:44,159

found her

2583

01:29:49,030 --> 01:29:46,639

um and there's so many different you

2584

01:29:51,430 --> 01:29:49,040

know colonel corso

2585

01:29:52,070 --> 01:29:51,440

which something you know i always found

2586

01:29:55,270 --> 01:29:52,080

the colonel

2587

01:29:56,149 --> 01:29:55,280

corso story very interesting but having

2588

01:29:59,189 --> 01:29:56,159

somebody like dr

2589

01:30:01,669 --> 01:29:59,199

eric davis go on the record and say

2590

01:30:03,510 --> 01:30:01,679

he investigated colonel corso's claims

2591

01:30:06,709 --> 01:30:03,520

and they panned out

2592

01:30:08,709 --> 01:30:06,719

meaning he there there was truth to it

2593

01:30:10,149 --> 01:30:08,719

so for somebody like dr davis who's

2594

01:30:11,430 --> 01:30:10,159

probably a lot deeper in this than many

2595

01:30:13,510 --> 01:30:11,440

people realize

2596

01:30:16,470 --> 01:30:13,520

uh saying that some of those claims were

2597

01:30:17,910 --> 01:30:16,480

legit is uh very convincing to me

2598

01:30:19,510 --> 01:30:17,920

james you've been very joining us with

2599

01:30:20,470 --> 01:30:19,520

your time thanks very much for joining

2600

01:30:22,390 --> 01:30:20,480

us

2601
01:30:23,910 --> 01:30:22,400
it's been great in our man you take care

2602
01:30:25,910 --> 01:30:23,920
cheers that is

2603
01:30:27,110 --> 01:30:25,920
all for this week's show thank you very

2604
01:30:28,950 --> 01:30:27,120
much for listening

2605
01:30:31,110 --> 01:30:28,960
please remember to leave the podcaster

2606
01:30:33,830 --> 01:30:31,120
review on your chosen platform

2607
01:30:35,750 --> 01:30:33,840
you can like retweet and subscribe that

2608
01:30:37,189 --> 01:30:35,760
would all be very much appreciated

2609
01:30:39,270 --> 01:30:37,199
the shows are being uploaded onto

2610
01:30:41,270 --> 01:30:39,280
youtube as we speak more and more

2611
01:30:43,910 --> 01:30:41,280
you can sign up at patreon.com forward

2612
01:30:45,189 --> 01:30:43,920
slash that ufo podcast to access shows

2613
01:30:47,350 --> 01:30:45,199

ad free as well

2614

01:30:49,590 --> 01:30:47,360

please get in touch on twitter facebook

2615

01:30:53,430 --> 01:30:49,600

instagram that ufo podcast

2616

01:30:55,510 --> 01:30:53,440

of course on twitter it's at ufouapam

2617

01:31:14,830 --> 01:30:55,520

and again folks as always keep looking

2618

01:31:14,840 --> 01:31:22,709

alice

2619

01:31:22,719 --> 01:31:34,629

and smoke

2620

01:31:42,830 --> 01:31:36,149

i can't imagine how it could have been

2621

01:31:42,840 --> 01:31:48,340

stairs

2622

01:31:48,350 --> 01:31:57,110

[Music]

2623

01:32:00,629 --> 01:31:58,870

was weird and everything was red i

2624

01:32:14,010 --> 01:32:00,639

helped out my boys they thought this was

2625

01:32:14,020 --> 01:32:23,910

[Music]

2626

01:32:23,920 --> 01:32:29,250

and what's that

2627

01:34:02,830 --> 01:32:33,830

[Music]
