RYAN SPRAGUE

SOMEWHERE IN THE SKIES

CONTACT
IN THE DESERT

VIRTUAL EVENT • JUNE 25 - 28 2021

1
00:00:00,000 --> 00:00:05,510

[Music]

2
00:00:08,710 --> 00:00:06,789

there's a whole fleet of them look on

3
00:00:10,950 --> 00:00:08,720

the nsa

4
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6
00:00:33,470 --> 00:00:18,960

sphere where the points of the cube

7
00:00:38,709 --> 00:00:37,110

[Music]

8
00:00:40,630 --> 00:00:38,719

so this isn't anything that just is

9
00:00:47,910 --> 00:00:40,640

limited to the united states

10
00:00:51,029 --> 00:00:49,990

hi everyone and welcome to your contact

11
00:00:53,590 --> 00:00:51,039

in the desert free

12
00:00:56,470 --> 00:00:53,600

host window my name is andy andy

13
00:00:58,709 --> 00:00:56,480

mcgrillen and i host that ufo podcast

14

00:01:00,310 --> 00:00:58,719

i am scottish there's no subtitles for

15

00:01:01,590 --> 00:01:00,320

the video so i'll try and speak as slow

16

00:01:03,270 --> 00:01:01,600

as possible for you

17

00:01:05,429 --> 00:01:03,280

and i'm going to be with you for the

18

00:01:07,270 --> 00:01:05,439

next 45 minutes with uh

19

00:01:08,550 --> 00:01:07,280

a guest and friend of mine over the last

20

00:01:10,550 --> 00:01:08,560

year as i've come to know him

21

00:01:13,030 --> 00:01:10,560

um a little bit about first though about

22

00:01:14,149 --> 00:01:13,040

my podcast so that ufo podcast has been

23

00:01:16,550 --> 00:01:14,159

going now for

24

00:01:18,310 --> 00:01:16,560

around about one year just over one year

25

00:01:19,270 --> 00:01:18,320

it's grown really quickly i'm based in

26

00:01:21,670 --> 00:01:19,280

the uk

27

00:01:23,109 --> 00:01:21,680

but i've had guests and chats like louie

28

00:01:25,990 --> 00:01:23,119

elizondo george knapp

29

00:01:28,070 --> 00:01:26,000

avi luebbe brandon fugal uh james fox

30

00:01:29,670 --> 00:01:28,080

coming up jeremy corbell's coming up

31

00:01:32,069 --> 00:01:29,680

and many of the speakers you are going

32

00:01:32,870 --> 00:01:32,079

to see and here at contact in the desert

33

00:01:34,950 --> 00:01:32,880

as well

34

00:01:35,910 --> 00:01:34,960

so i'm really excited to speak to ryan

35

00:01:38,870 --> 00:01:35,920

sprague of

36

00:01:40,149 --> 00:01:38,880

somewhere in the skies ryan how are we

37

00:01:42,950 --> 00:01:40,159

how's it going man

38

00:01:44,550 --> 00:01:42,960

hey it's been an exciting few days to

39

00:01:46,069 --> 00:01:44,560

say the least so i'm sure uh

40

00:01:48,710 --> 00:01:46,079

we got plenty to talk about here at

41

00:01:50,310 --> 00:01:48,720

context in the desert it's been a crazy

42

00:01:52,550 --> 00:01:50,320

few days and weeks and obviously

43

00:01:53,990 --> 00:01:52,560

counting down to the the 25th of june

44

00:01:55,429 --> 00:01:54,000

which was the start of contact in the

45

00:01:57,030 --> 00:01:55,439

desert it was

46

00:01:58,789 --> 00:01:57,040

was that report going to drop on the

47

00:02:00,149 --> 00:01:58,799

same day and that's just blown up and

48

00:02:02,630 --> 00:02:00,159

the whole world seems to be looking at

49

00:02:03,990 --> 00:02:02,640

ufos uaps aliens and

50

00:02:05,590 --> 00:02:04,000

and everything so it's a really really

51
00:02:07,030 --> 00:02:05,600
good time for it it's been planned

52
00:02:09,190 --> 00:02:07,040
extremely well in that sense

53
00:02:10,389 --> 00:02:09,200
genius marketing contact genius

54
00:02:12,630 --> 00:02:10,399
marketing

55
00:02:13,750 --> 00:02:12,640
almost like they knew it wasn't it um

56
00:02:15,750 --> 00:02:13,760
yeah

57
00:02:17,910 --> 00:02:15,760
ryan we've spoke several times as well

58
00:02:18,150 --> 00:02:17,920
and uh we've both got podcasts that have

59
00:02:30,790 --> 00:02:18,160
a

60
00:02:32,630 --> 00:02:30,800
if not slightly more

61
00:02:34,150 --> 00:02:32,640
you are one of those speakers you're a

62
00:02:36,150 --> 00:02:34,160
busy man in general

63
00:02:37,750 --> 00:02:36,160

you're never usually in one place for

64

00:02:39,670 --> 00:02:37,760

long at any one time

65

00:02:40,869 --> 00:02:39,680

uh you glow pop but you're here for

66

00:02:42,229 --> 00:02:40,879

contacting the desert

67

00:02:43,830 --> 00:02:42,239

and you've got some some cool stuff

68

00:02:45,990 --> 00:02:43,840

you'll be doing uh so tell us what

69

00:02:49,190 --> 00:02:46,000

you're sharing this year

70

00:02:51,589 --> 00:02:49,200

yeah absolutely so uh yesterday actually

71

00:02:52,390 --> 00:02:51,599

i hosted a panel at contact in the

72

00:02:55,589 --> 00:02:52,400

desert

73

00:02:57,509 --> 00:02:55,599

uh with military eyewitnesses and i

74

00:02:58,550 --> 00:02:57,519

actually got to speak with uh gary

75

00:03:01,110 --> 00:02:58,560

voorhees

76
00:03:01,990 --> 00:03:01,120
uh jason turner and matthew roberts who

77
00:03:04,710 --> 00:03:02,000
were all

78
00:03:07,430 --> 00:03:04,720
in some way somehow connected to the now

79
00:03:09,830 --> 00:03:07,440
famous tic tac ufo event the gamble

80
00:03:10,869 --> 00:03:09,840
and the go fest so uh for anyone who

81
00:03:14,390 --> 00:03:10,879
doesn't know

82
00:03:15,270 --> 00:03:14,400
um i am a ufo researcher who focuses on

83
00:03:17,990 --> 00:03:15,280
the people

84
00:03:19,830 --> 00:03:18,000
who have experiences and how it affects

85
00:03:22,390 --> 00:03:19,840
their lives and changes

86
00:03:24,630 --> 00:03:22,400
changes them in many ways so it was a

87
00:03:26,070 --> 00:03:24,640
very rare glimpse into the personal

88
00:03:28,550 --> 00:03:26,080

lives of these three

89

00:03:29,589 --> 00:03:28,560

former military witnesses and how these

90

00:03:31,030 --> 00:03:29,599

events

91

00:03:32,869 --> 00:03:31,040

affected them you know we've got the

92

00:03:34,070 --> 00:03:32,879

videos we've got the testimony we've got

93

00:03:35,670 --> 00:03:34,080

the documents but

94

00:03:37,270 --> 00:03:35,680

how did it affect the people who

95

00:03:39,190 --> 00:03:37,280

actually experienced it so

96

00:03:40,869 --> 00:03:39,200

we had an incredible conversation over

97

00:03:42,070 --> 00:03:40,879

there and we had some pretty stunning

98

00:03:44,630 --> 00:03:42,080

revelations

99

00:03:46,949 --> 00:03:44,640

as well some developments in the tic-tac

100

00:03:48,470 --> 00:03:46,959

event so i was really excited to uh

101
00:03:50,869 --> 00:03:48,480
share that with the audience at contact

102
00:03:52,229 --> 00:03:50,879
in the desert now what more can i tease

103
00:03:53,830 --> 00:03:52,239
out of you we want people to go and

104
00:03:54,949 --> 00:03:53,840
watch to get the full effect of that

105
00:03:56,470 --> 00:03:54,959
anyway but people

106
00:03:58,470 --> 00:03:56,480
that's going to prick people's ears up

107
00:04:00,710 --> 00:03:58,480
so what kind of content can they expect

108
00:04:04,550 --> 00:04:00,720
within that absolutely

109
00:04:05,990 --> 00:04:04,560
so we we know now that uh these tic-tacs

110
00:04:08,710 --> 00:04:06,000
were caught on radar

111
00:04:09,509 --> 00:04:08,720
and these were uh objects that were seen

112
00:04:11,429 --> 00:04:09,519
in the air

113
00:04:13,990 --> 00:04:11,439

over the pacific ocean near catalina

114

00:04:16,229 --> 00:04:14,000

island uh chief radar operator kevin

115

00:04:17,749 --> 00:04:16,239

day was the one who first tracked these

116

00:04:19,509 --> 00:04:17,759

for various days

117

00:04:21,749 --> 00:04:19,519

until he finally was the one to send the

118

00:04:23,189 --> 00:04:21,759

intercept for the fighter jets to go up

119

00:04:25,350 --> 00:04:23,199

and check these things out and that

120

00:04:29,510 --> 00:04:25,360

ultimately led to the video we saw

121

00:04:31,670 --> 00:04:29,520

um and what is coming to light now

122

00:04:32,790 --> 00:04:31,680

with two of the witnesses i spoke to you

123

00:04:35,749 --> 00:04:32,800

jason turner and

124

00:04:37,030 --> 00:04:35,759

uh gary voorhees and is that there were

125

00:04:42,629 --> 00:04:37,040

possible

126

00:04:43,350 --> 00:04:42,639

under the water that were recorded as

127

00:04:45,430 --> 00:04:43,360

well

128

00:04:47,430 --> 00:04:45,440

uh this has been speculative and rumored

129

00:04:49,590 --> 00:04:47,440

for a while but uh these guys are

130

00:04:50,870 --> 00:04:49,600

getting closer to finally finding out if

131

00:04:52,629 --> 00:04:50,880

that's true or not

132

00:04:54,469 --> 00:04:52,639

through uh various other military

133

00:04:56,310 --> 00:04:54,479

witnesses who have not come forward yet

134

00:04:58,469 --> 00:04:56,320

with the tic tac event so

135

00:04:59,590 --> 00:04:58,479

gary did share some updates on that

136

00:05:01,590 --> 00:04:59,600

where that all

137

00:05:03,990 --> 00:05:01,600

stands and i'll let him speak for

138

00:05:05,430 --> 00:05:04,000

himself for anyone who wants to uh go

139

00:05:07,990 --> 00:05:05,440

back and watch the panel

140

00:05:09,110 --> 00:05:08,000

in the archive streams for sure

141

00:05:10,710 --> 00:05:09,120

absolutely um

142

00:05:12,310 --> 00:05:10,720

that's pretty fascinating in itself

143

00:05:14,790 --> 00:05:12,320

because one thing that's been

144

00:05:15,430 --> 00:05:14,800

been really prevalent in a lot of the

145

00:05:17,909 --> 00:05:15,440

recent

146

00:05:19,189 --> 00:05:17,919

drops for videos and and pictures that

147

00:05:20,870 --> 00:05:19,199

we've had and this is something you've

148

00:05:23,110 --> 00:05:20,880

been involved in for years

149

00:05:25,430 --> 00:05:23,120

is they look great and if you've got an

150

00:05:26,629 --> 00:05:25,440

interest in the subject already for ufos

151
00:05:28,790 --> 00:05:26,639
or uap

152
00:05:31,110 --> 00:05:28,800
you you find them intriguing but they

153
00:05:32,790 --> 00:05:31,120
leave enough room for ambiguity

154
00:05:34,310 --> 00:05:32,800
because there's either a lack of

155
00:05:37,270 --> 00:05:34,320
corroborating data

156
00:05:38,150 --> 00:05:37,280
or it's hearsay and when you see or hear

157
00:05:40,710 --> 00:05:38,160
about the tic tac

158
00:05:41,749 --> 00:05:40,720
it sounds incredible but it still has

159
00:05:44,469 --> 00:05:41,759
that it's a bird

160
00:05:45,830 --> 00:05:44,479
it's uh a flock of seagulls at some

161
00:05:47,590 --> 00:05:45,840
missile being tested

162
00:05:49,350 --> 00:05:47,600
however when you start to add in that

163
00:05:50,629 --> 00:05:49,360

additional data that gary's going to be

164

00:05:52,310 --> 00:05:50,639

talking about

165

00:05:53,749 --> 00:05:52,320

if things are going under the water that

166

00:05:55,749 --> 00:05:53,759

adds a new dimension to it because

167

00:05:57,029 --> 00:05:55,759

that's no longer a deflating balloon

168

00:05:58,550 --> 00:05:57,039

traveling at speed

169

00:05:59,990 --> 00:05:58,560

you know and especially how they get

170

00:06:00,950 --> 00:06:00,000

these tracks that's that's really

171

00:06:03,270 --> 00:06:00,960

interesting

172

00:06:04,950 --> 00:06:03,280

um what do you think about the incident

173

00:06:05,590 --> 00:06:04,960

itself how's it changed over the years

174

00:06:07,350 --> 00:06:05,600

for you

175

00:06:09,270 --> 00:06:07,360

now that you've obviously spoken to gary

176
00:06:12,070 --> 00:06:09,280
and other witnesses like that

177
00:06:12,550 --> 00:06:12,080
right so when the video first leaked i

178
00:06:14,550 --> 00:06:12,560
mean

179
00:06:16,629 --> 00:06:14,560
that tic tac video had been in the

180
00:06:19,270 --> 00:06:16,639
public domain much longer than

181
00:06:20,230 --> 00:06:19,280
2000 you know 1617 when the new york

182
00:06:23,270 --> 00:06:20,240
article

183
00:06:25,590 --> 00:06:23,280
broke but uh new york times excuse me uh

184
00:06:27,189 --> 00:06:25,600
it had been on various forums and

185
00:06:28,150 --> 00:06:27,199
whatnot so that video had been out there

186
00:06:30,390 --> 00:06:28,160
for a while

187
00:06:32,390 --> 00:06:30,400
it wasn't until years later when the dod

188
00:06:34,710 --> 00:06:32,400

officially acknowledged it and

189

00:06:36,790 --> 00:06:34,720

released it themselves a little late on

190

00:06:39,350 --> 00:06:36,800

that in my opinion but um

191

00:06:41,510 --> 00:06:39,360

it was just a blurry video man and look

192

00:06:44,150 --> 00:06:41,520

i i wasn't impressed at first

193

00:06:44,790 --> 00:06:44,160

i was like cool awesome like add it to

194

00:06:46,230 --> 00:06:44,800

the other gun

195

00:06:48,710 --> 00:06:46,240

camera videos we've seen throughout the

196

00:06:51,270 --> 00:06:48,720

years as well uh and then

197

00:06:52,390 --> 00:06:51,280

we started to hear about the actual

198

00:06:54,710 --> 00:06:52,400

documentation

199

00:06:55,749 --> 00:06:54,720

on the case and that brought brought it

200

00:06:58,710 --> 00:06:55,759

more you know

201
00:06:59,670 --> 00:06:58,720
into uh made it more credible i guess is

202
00:07:01,990 --> 00:06:59,680
the way to put it

203
00:07:04,469 --> 00:07:02,000
and then we got the testimony from

204
00:07:06,870 --> 00:07:04,479
everyone involved on different carriers

205
00:07:08,550 --> 00:07:06,880
from different vantage points and all of

206
00:07:10,309 --> 00:07:08,560
the stories started to meld together

207
00:07:12,629 --> 00:07:10,319
into this cohesive

208
00:07:13,990 --> 00:07:12,639
mysterious story of the tic tac event in

209
00:07:17,270 --> 00:07:14,000
2004

210
00:07:19,270 --> 00:07:17,280
so for me i think the tic tac event is

211
00:07:21,430 --> 00:07:19,280
probably going to be the biggest

212
00:07:22,629 --> 00:07:21,440
seminal case we're going to be debating

213
00:07:25,510 --> 00:07:22,639

until the end of time

214

00:07:27,350 --> 00:07:25,520

i mean we're still finding more pilots

215

00:07:29,110 --> 00:07:27,360

alex dietrich just recently came out

216

00:07:31,430 --> 00:07:29,120

with her testimony about it

217

00:07:33,589 --> 00:07:31,440

and um you know the biggest skeptic in

218

00:07:35,430 --> 00:07:33,599

our community right now mick west

219

00:07:37,510 --> 00:07:35,440

sitting down and having a conversation

220

00:07:39,110 --> 00:07:37,520

with this pilot and trying to figure out

221

00:07:40,550 --> 00:07:39,120

what it is and they're both

222

00:07:42,550 --> 00:07:40,560

still scratching their heads and

223

00:07:45,670 --> 00:07:42,560

wondering what did i see

224

00:07:47,589 --> 00:07:45,680

in terms of alex and what why can't

225

00:07:49,430 --> 00:07:47,599

i explain this in terms of mick west who

226
00:07:52,469 --> 00:07:49,440
seems to have an answer for everything

227
00:07:55,189 --> 00:07:52,479
so um yeah i think it's awesome i think

228
00:07:57,510 --> 00:07:55,199
i think it's exciting and i think you

229
00:07:57,990 --> 00:07:57,520
know these recent revelations in the uap

230
00:08:00,150 --> 00:07:58,000
report

231
00:08:01,270 --> 00:08:00,160
are only going to help us start to

232
00:08:03,270 --> 00:08:01,280
uncover more about what

233
00:08:04,550 --> 00:08:03,280
happened with the tic-tac and before we

234
00:08:05,830 --> 00:08:04,560
come to that report and we are going to

235
00:08:07,029 --> 00:08:05,840
discuss that in the time we've got

236
00:08:08,390 --> 00:08:07,039
together because i know again you're a

237
00:08:10,710 --> 00:08:08,400
busy guy you've got stuff to do

238
00:08:12,230 --> 00:08:10,720

straight after this as well um you deal

239

00:08:14,070 --> 00:08:12,240

with the human aspect

240

00:08:16,390 --> 00:08:14,080

very well really well and one of the

241

00:08:17,749 --> 00:08:16,400

best of when it comes to ufos uaps and i

242

00:08:18,790 --> 00:08:17,759

can see your book just in the background

243

00:08:21,909 --> 00:08:18,800

there as well

244

00:08:22,550 --> 00:08:21,919

now oh yeah that was that was not on

245

00:08:24,950 --> 00:08:22,560

purpose

246

00:08:26,710 --> 00:08:24,960

i swear no no absolutely not you know

247

00:08:28,070 --> 00:08:26,720

and the link starts scrolling across the

248

00:08:29,749 --> 00:08:28,080

bottom of the screen where you can buy

249

00:08:32,310 --> 00:08:29,759

them

250

00:08:33,750 --> 00:08:32,320

but you're you're speaking to gary and

251

00:08:36,230 --> 00:08:33,760

jason and

252

00:08:37,829 --> 00:08:36,240

was it matthew uh matthew roberts

253

00:08:39,990 --> 00:08:37,839

correct who was uh

254

00:08:41,269 --> 00:08:40,000

yeah part of the uh the gimbal and go

255

00:08:44,710 --> 00:08:41,279

fast events

256

00:08:45,110 --> 00:08:44,720

sure how how do you read them when they

257

00:08:47,110 --> 00:08:45,120

talk

258

00:08:49,030 --> 00:08:47,120

about this incident now because they

259

00:08:50,710 --> 00:08:49,040

have been especially gary's now been in

260

00:08:52,710 --> 00:08:50,720

the public eye for a couple of years

261

00:08:54,870 --> 00:08:52,720

since he appeared on unidentified and

262

00:08:56,070 --> 00:08:54,880

he's done various podcasts and different

263

00:08:58,710 --> 00:08:56,080

shows like that

264

00:09:00,070 --> 00:08:58,720

when they speak how do they come across

265

00:09:01,829 --> 00:09:00,080

about this incident you know

266

00:09:03,190 --> 00:09:01,839

is it is it somber is it something that

267

00:09:06,550 --> 00:09:03,200

still excites them or

268

00:09:08,550 --> 00:09:06,560

do they still have a lot of questions so

269

00:09:10,230 --> 00:09:08,560

matthew is the newest one for me

270

00:09:12,310 --> 00:09:10,240

personally and i know

271

00:09:14,550 --> 00:09:12,320

he is the most recent to come forward as

272

00:09:16,310 --> 00:09:14,560

well and uh you know he just recently

273

00:09:17,430 --> 00:09:16,320

came out with a book that i believe he's

274

00:09:19,910 --> 00:09:17,440

talking about here at

275

00:09:20,550 --> 00:09:19,920

contact in the desert as well and i can

276

00:09:23,750 --> 00:09:20,560

tell

277

00:09:24,310 --> 00:09:23,760

again andy i think i like to um pride

278

00:09:26,550 --> 00:09:24,320

myself

279

00:09:28,310 --> 00:09:26,560

on being able to judge people in their

280

00:09:29,910 --> 00:09:28,320

character and uh if they're being

281

00:09:32,389 --> 00:09:29,920

authentic i've interviewed

282

00:09:34,389 --> 00:09:32,399

thousands of experiencers at this point

283

00:09:35,990 --> 00:09:34,399

i'd like to think i have some

284

00:09:37,590 --> 00:09:36,000

idea of if these people are telling me

285

00:09:39,430 --> 00:09:37,600

the truth or not and i will say

286

00:09:40,870 --> 00:09:39,440

um before we even started recording for

287

00:09:43,030 --> 00:09:40,880

the panel uh

288

00:09:44,230 --> 00:09:43,040

i listened to these three guys talked

289

00:09:46,870 --> 00:09:44,240

back and forth together

290

00:09:47,750 --> 00:09:46,880

and the lingo was just spot on man you

291

00:09:50,630 --> 00:09:47,760

could tell

292

00:09:51,910 --> 00:09:50,640

these are experienced navy servicemen

293

00:09:52,389 --> 00:09:51,920

and they know what they're talking about

294

00:09:55,430 --> 00:09:52,399

just

295

00:09:57,990 --> 00:09:55,440

you know the words they would use and um

296

00:09:59,590 --> 00:09:58,000

how they described things and i just i

297

00:10:00,630 --> 00:09:59,600

got no sense that anything was

298

00:10:03,269 --> 00:10:00,640

exaggerated

299

00:10:04,230 --> 00:10:03,279

they all just told their stories as they

300

00:10:06,389 --> 00:10:04,240

experienced it

301
00:10:08,150 --> 00:10:06,399
so um for me it was really exciting to

302
00:10:09,269 --> 00:10:08,160
finally hear matthew um i wasn't

303
00:10:11,430 --> 00:10:09,279
familiar with him

304
00:10:12,470 --> 00:10:11,440
before contact in the desert uh

305
00:10:14,470 --> 00:10:12,480
connected us

306
00:10:15,670 --> 00:10:14,480
so i'm so happy that i now have someone

307
00:10:17,829 --> 00:10:15,680
else i can talk to

308
00:10:19,110 --> 00:10:17,839
and start to unravel these stories with

309
00:10:20,870 --> 00:10:19,120
him as well so

310
00:10:23,030 --> 00:10:20,880
yeah it's exciting i think that's the

311
00:10:24,790 --> 00:10:23,040
beauty of something like contacting

312
00:10:26,550 --> 00:10:24,800
the desert especially being virtual this

313
00:10:27,509 --> 00:10:26,560

year for obviously reasons that can't be

314

00:10:29,990 --> 00:10:27,519

helped but

315

00:10:31,590 --> 00:10:30,000

you do get to go and see a panel of

316

00:10:32,790 --> 00:10:31,600

someone you'll know someone you've heard

317

00:10:34,069 --> 00:10:32,800

of and then maybe someone else you're

318

00:10:35,350 --> 00:10:34,079

not too sure of and

319

00:10:36,710 --> 00:10:35,360

you realize oh they've got an

320

00:10:38,550 --> 00:10:36,720

interesting part to the story or

321

00:10:40,230 --> 00:10:38,560

perspective i've not heard before

322

00:10:41,829 --> 00:10:40,240

and it goes that goes without saying for

323

00:10:43,590 --> 00:10:41,839

for many of the speakers as well and i'm

324

00:10:45,590 --> 00:10:43,600

sure within some of the different

325

00:10:46,870 --> 00:10:45,600

workshops you'll hear people mention

326

00:10:48,710 --> 00:10:46,880

different speakers who

327

00:10:50,389 --> 00:10:48,720

you may be interested in one field like

328

00:10:51,030 --> 00:10:50,399

remote viewing and you're aware of one

329

00:10:52,389 --> 00:10:51,040

person

330

00:10:53,990 --> 00:10:52,399

but they mention someone else and you

331

00:10:55,350 --> 00:10:54,000

can go over and nip in and see them as

332

00:10:57,030 --> 00:10:55,360

well which is great

333

00:10:58,630 --> 00:10:57,040

now just remind everyone before we get

334

00:10:59,990 --> 00:10:58,640

on to talking a little bit about you

335

00:11:02,069 --> 00:11:00,000

and i'm going to be asking you some

336

00:11:04,470 --> 00:11:02,079

questions as well ryan what is your

337

00:11:05,750 --> 00:11:04,480

panel all about again and how can they

338

00:11:07,190 --> 00:11:05,760

how can they find it and when can they

339

00:11:09,030 --> 00:11:07,200

find it

340

00:11:10,949 --> 00:11:09,040

sure uh so i believe it premiered

341

00:11:14,710 --> 00:11:10,959

yesterday and it was called

342

00:11:17,590 --> 00:11:14,720

um uh military ufo encounters

343

00:11:19,030 --> 00:11:17,600

uh conversations with eyewitnesses flip

344

00:11:20,069 --> 00:11:19,040

that around conversations with

345

00:11:22,470 --> 00:11:20,079

eyewitnesses

346

00:11:24,230 --> 00:11:22,480

coal and military encounters uh so i

347

00:11:26,069 --> 00:11:24,240

believe it is available

348

00:11:28,470 --> 00:11:26,079

to stream for the next couple weeks or

349

00:11:29,350 --> 00:11:28,480

so whatever pass you gotta contact in

350

00:11:31,430 --> 00:11:29,360

the desert

351
00:11:33,670 --> 00:11:31,440
and yeah i mean it was about an hour and

352
00:11:36,069 --> 00:11:33,680
a half um i had to edit it down

353
00:11:37,190 --> 00:11:36,079
unfortunately uh for contact in the

354
00:11:40,949 --> 00:11:37,200
desert purposes

355
00:11:42,550 --> 00:11:40,959
but man they they fit a lot into that

356
00:11:45,110 --> 00:11:42,560
panel and i was very

357
00:11:46,790 --> 00:11:45,120
uh blown away by it i left having more

358
00:11:47,190 --> 00:11:46,800
questions than answers but again these

359
00:11:48,550 --> 00:11:47,200
guys

360
00:11:50,150 --> 00:11:48,560
just because they're military doesn't

361
00:11:51,750 --> 00:11:50,160
mean they're not human these things

362
00:11:52,389 --> 00:11:51,760
affected them just like it does every

363
00:11:54,389 --> 00:11:52,399

other

364

00:11:55,910 --> 00:11:54,399

person in every walk of life so yeah i

365

00:11:57,350 --> 00:11:55,920

hope people check that out in the

366

00:11:58,949 --> 00:11:57,360

archives again

367

00:12:00,150 --> 00:11:58,959

yeah please do people obviously you're

368

00:12:01,509 --> 00:12:00,160

on the website already if you're

369

00:12:03,990 --> 00:12:01,519

watching this contacting

370

00:12:05,750 --> 00:12:04,000

the desert.com you can view the passes

371

00:12:06,710 --> 00:12:05,760

and you can access that content as well

372

00:12:08,790 --> 00:12:06,720

like ryan said

373

00:12:10,710 --> 00:12:08,800

on demand for the next couple of weeks

374

00:12:13,110 --> 00:12:10,720

ryan a little bit about yourself

375

00:12:14,389 --> 00:12:13,120

now if someone is coming on to this they

376

00:12:15,990 --> 00:12:14,399

may have seen you especially if they're

377

00:12:17,750 --> 00:12:16,000

in the us on television

378

00:12:19,430 --> 00:12:17,760

and they they may or may not listen to

379

00:12:21,110 --> 00:12:19,440

your podcast i imagine they would have

380

00:12:21,829 --> 00:12:21,120

because it's a really good podcast it's

381

00:12:24,150 --> 00:12:21,839

how i

382

00:12:26,310 --> 00:12:24,160

got into the podcasting subject for this

383

00:12:28,150 --> 00:12:26,320

side of ufos and aliens as well

384

00:12:29,350 --> 00:12:28,160

there's not many better out there i can

385

00:12:32,069 --> 00:12:29,360

guarantee you that

386

00:12:33,750 --> 00:12:32,079

now no you're welcome i've said that to

387

00:12:36,230 --> 00:12:33,760

you privately as well that's not a lie

388

00:12:37,590 --> 00:12:36,240

um what was it that got you into this

389

00:12:40,069 --> 00:12:37,600

field to the point

390

00:12:41,910 --> 00:12:40,079

where your life is investigating ufos

391

00:12:44,949 --> 00:12:41,920

speaking to experiences and

392

00:12:47,430 --> 00:12:44,959

spending your days editing podcasts

393

00:12:48,949 --> 00:12:47,440

yeah it's a second job for sure anyone

394

00:12:49,590 --> 00:12:48,959

out there especially contact in the

395

00:12:51,670 --> 00:12:49,600

desert

396

00:12:52,949 --> 00:12:51,680

i know how hard this stuff is to pull

397

00:12:54,790 --> 00:12:52,959

together so um

398

00:12:56,069 --> 00:12:54,800

i commend anyone who has a podcast

399

00:12:57,910 --> 00:12:56,079

especially you andy

400

00:12:59,750 --> 00:12:57,920

you're doing an incredible job man you

401
00:13:00,550 --> 00:12:59,760
become my inspiration and we keep each

402
00:13:04,230 --> 00:13:00,560
other

403
00:13:06,550 --> 00:13:04,240
dunkin donuts next to a starbucks right

404
00:13:07,990 --> 00:13:06,560
like we just we keep each other at the

405
00:13:10,389 --> 00:13:08,000
uh the quality we should be

406
00:13:11,829 --> 00:13:10,399
um yeah i guess i'll go through the um

407
00:13:15,509 --> 00:13:11,839
the bridge version i

408
00:13:17,590 --> 00:13:15,519
i saw a ufo when i was a kid i was 12.

409
00:13:19,750 --> 00:13:17,600
um this is in upstate new york

410
00:13:21,269 --> 00:13:19,760
i had a sighting of a triangular

411
00:13:23,910 --> 00:13:21,279
formation of lights

412
00:13:25,670 --> 00:13:23,920
uh a perfect equilateral triangle over

413
00:13:28,310 --> 00:13:25,680

the state lawrence river

414

00:13:30,310 --> 00:13:28,320

uh my father was witness to this as well

415

00:13:32,629 --> 00:13:30,320

and we did not see a machine

416

00:13:33,990 --> 00:13:32,639

or anything like that but we it was a

417

00:13:37,190 --> 00:13:34,000

perfect triangle and it just

418

00:13:37,910 --> 00:13:37,200

floated over this river uh completely

419

00:13:39,590 --> 00:13:37,920

silent

420

00:13:41,269 --> 00:13:39,600

couldn't hear a thing i could hear the

421

00:13:44,150 --> 00:13:41,279

water hitting the dock that was

422

00:13:45,430 --> 00:13:44,160

really about it and uh it headed towards

423

00:13:47,430 --> 00:13:45,440

canada which was actually

424

00:13:48,949 --> 00:13:47,440

right on the other side of the river and

425

00:13:50,629 --> 00:13:48,959

disappeared and

426

00:13:52,629 --> 00:13:50,639

me and my dad just stood there

427

00:13:54,389 --> 00:13:52,639

dumbfounded and you know he kind of

428

00:13:55,030 --> 00:13:54,399

moved on with his life but clearly i did

429

00:13:57,910 --> 00:13:55,040

not

430

00:13:59,350 --> 00:13:57,920

um i had nightmares about that formation

431

00:14:02,550 --> 00:13:59,360

of lights for years

432

00:14:04,310 --> 00:14:02,560

and um only a year later after that i

433

00:14:05,269 --> 00:14:04,320

went to the library just like a lot of

434

00:14:07,509 --> 00:14:05,279

people and

435

00:14:09,590 --> 00:14:07,519

went to that back section in the corner

436

00:14:10,870 --> 00:14:09,600

with the loch ness monster and bigfoot

437

00:14:12,790 --> 00:14:10,880

and ufos

438

00:14:15,509 --> 00:14:12,800

and i took out a book by stanton t

439

00:14:18,470 --> 00:14:15,519

friedman and my life changed after that

440

00:14:20,790 --> 00:14:18,480

i started interviewing witnesses uh at

441

00:14:23,269 --> 00:14:20,800

age 13 i interviewed my first

442

00:14:24,069 --> 00:14:23,279

military witness who is a vietnam

443

00:14:26,710 --> 00:14:24,079

veteran

444

00:14:28,310 --> 00:14:26,720

who had a dramatic foo fighter encounter

445

00:14:29,829 --> 00:14:28,320

over the pacific ocean

446

00:14:31,670 --> 00:14:29,839

and i was the first and the last person

447

00:14:34,230 --> 00:14:31,680

that he ever told about this

448

00:14:35,670 --> 00:14:34,240

he passed away several months after uh

449

00:14:38,550 --> 00:14:35,680

finally revealing this to me

450

00:14:38,949 --> 00:14:38,560

a 13 year old so i was very honored for

451
00:14:41,990 --> 00:14:38,959
that

452
00:14:44,710 --> 00:14:42,000
and uh ever since i've just made it my

453
00:14:46,470 --> 00:14:44,720
my i guess duty in the ufo field to

454
00:14:48,230 --> 00:14:46,480
really give a voice to the people who

455
00:14:51,430 --> 00:14:48,240
have these experiences

456
00:14:53,430 --> 00:14:51,440
and um you know fast forward i i write

457
00:14:54,790 --> 00:14:53,440
for various outlets about the phenomenon

458
00:14:57,269 --> 00:14:54,800
and the people who experienced it

459
00:14:57,990 --> 00:14:57,279
uh most notably probably open minds

460
00:15:01,350 --> 00:14:58,000
magazine

461
00:15:03,110 --> 00:15:01,360
and now the debrief and uh it's been a

462
00:15:05,110 --> 00:15:03,120
crazy journey ever since like you said

463
00:15:06,629 --> 00:15:05,120

man i've done some television which is

464

00:15:09,189 --> 00:15:06,639

an experience in itself

465

00:15:09,670 --> 00:15:09,199

i'm sure we could get to that but um i

466

00:15:11,910 --> 00:15:09,680

love it

467

00:15:13,670 --> 00:15:11,920

i love meeting people i love traveling i

468

00:15:16,310 --> 00:15:13,680

love hearing their stories

469

00:15:17,590 --> 00:15:16,320

and i think the more people who tell

470

00:15:19,990 --> 00:15:17,600

their stories to people like

471

00:15:20,710 --> 00:15:20,000

us uh the more this topic is going to be

472

00:15:22,550 --> 00:15:20,720

normal

473

00:15:23,990 --> 00:15:22,560

and the more we can shed that stigma

474

00:15:24,550 --> 00:15:24,000

that i think the pentagon is trying to

475

00:15:27,030 --> 00:15:24,560

do

476

00:15:28,310 --> 00:15:27,040

as well from the inside with military

477

00:15:31,670 --> 00:15:28,320

encounters so uh

478

00:15:33,110 --> 00:15:31,680

i i see everything changing and i'm so

479

00:15:35,189 --> 00:15:33,120

excited to be a part of that journey

480

00:15:37,030 --> 00:15:35,199

right now with everyone else

481

00:15:39,829 --> 00:15:37,040

what have been some of your personal

482

00:15:41,189 --> 00:15:39,839

highlights aside from contacting desert

483

00:15:42,550 --> 00:15:41,199

which i'm sure is up there

484

00:15:45,749 --> 00:15:42,560

what have been some of your personal

485

00:15:49,030 --> 00:15:45,759

highlights in that time

486

00:15:51,430 --> 00:15:49,040

so i would have to say any time i get to

487

00:15:53,269 --> 00:15:51,440

leave my you know walk-in closet of an

488

00:15:55,749 --> 00:15:53,279

apartment here in new york city

489

00:15:57,670 --> 00:15:55,759

and uh travel and meet people i mean

490

00:15:58,389 --> 00:15:57,680

i've i've gotten to meet people in

491

00:16:00,870 --> 00:15:58,399

london

492

00:16:01,829 --> 00:16:00,880

who told me their stories i've been to

493

00:16:04,870 --> 00:16:01,839

nova scotia

494

00:16:07,430 --> 00:16:04,880

and uh halifax in in canada and

495

00:16:09,829 --> 00:16:07,440

heard incredible stories uh including

496

00:16:11,350 --> 00:16:09,839

the shag harbor incident ufo crash

497

00:16:13,269 --> 00:16:11,360

so if your you know viewers and

498

00:16:14,949 --> 00:16:13,279

listeners aren't familiar hi i highly

499

00:16:16,790 --> 00:16:14,959

suggest looking at that case

500

00:16:18,710 --> 00:16:16,800

um and all over the united states i've

501
00:16:19,269 --> 00:16:18,720
been to every single state in the united

502
00:16:21,509 --> 00:16:19,279
states

503
00:16:22,470 --> 00:16:21,519
except north dakota i've never been to

504
00:16:24,310 --> 00:16:22,480
north dakota

505
00:16:26,470 --> 00:16:24,320
but i'm hoping to get there and i have

506
00:16:29,030 --> 00:16:26,480
interviewed people in every single state

507
00:16:29,590 --> 00:16:29,040
so for me the most rewarding thing is

508
00:16:32,310 --> 00:16:29,600
again

509
00:16:33,189 --> 00:16:32,320
meeting people hearing their stories and

510
00:16:36,470 --> 00:16:33,199
adding it

511
00:16:38,150 --> 00:16:36,480
just to that long list man of everyone

512
00:16:39,829 --> 00:16:38,160
who's ever had an experience

513
00:16:41,189 --> 00:16:39,839

and was once afraid to talk about it

514

00:16:43,910 --> 00:16:41,199

they're not now and

515

00:16:45,350 --> 00:16:43,920

it it's empowering it truly is and my

516

00:16:46,790 --> 00:16:45,360

follow-up to that would be what do you

517

00:16:50,069 --> 00:16:46,800

have against north dakota

518

00:16:51,749 --> 00:16:50,079

no that's not um so now you

519

00:16:53,030 --> 00:16:51,759

you've interviewed a lot of great people

520

00:16:54,790 --> 00:16:53,040

and that's that was one of my favorite

521

00:16:56,790 --> 00:16:54,800

things to listen to and my show has

522

00:16:59,269 --> 00:16:56,800

evolved and developed through

523

00:17:01,030 --> 00:16:59,279

it's like my favorite band is oasis and

524

00:17:02,470 --> 00:17:01,040

they're famously you know ripped off the

525

00:17:03,990 --> 00:17:02,480

beatles but if you're going to rip off

526
00:17:04,949 --> 00:17:04,000
the beatles and you borrow the bet from

527
00:17:06,870 --> 00:17:04,959
the best don't you

528
00:17:08,549 --> 00:17:06,880
and like your podcast i've taken

529
00:17:10,230 --> 00:17:08,559
elements of yours and other podcasts i

530
00:17:11,029 --> 00:17:10,240
listen to and make it my own sort of

531
00:17:13,909 --> 00:17:11,039
style and

532
00:17:14,710 --> 00:17:13,919
try and go forward with that if you had

533
00:17:16,710 --> 00:17:14,720
to recommend

534
00:17:18,390 --> 00:17:16,720
one interview for someone brand new

535
00:17:20,069 --> 00:17:18,400
right now to ryan sprague to go and

536
00:17:21,429 --> 00:17:20,079
listen to on your podcast what would it

537
00:17:24,870 --> 00:17:21,439
be

538
00:17:26,789 --> 00:17:24,880

oh wow that's such a good question um

539

00:17:29,110 --> 00:17:26,799

you know they're all my children i love

540

00:17:30,950 --> 00:17:29,120

them all the same that old cliché but um

541

00:17:32,549 --> 00:17:30,960

the one that's really

542

00:17:34,310 --> 00:17:32,559

coming to mind for me would have to be

543

00:17:35,909 --> 00:17:34,320

uh and i know you've interviewed this

544

00:17:38,710 --> 00:17:35,919

gentleman as well was uh

545

00:17:39,510 --> 00:17:38,720

jeremy mcgowan who was in uh air force

546

00:17:42,870 --> 00:17:39,520

security

547

00:17:43,669 --> 00:17:42,880

and um he had this crazy crazy

548

00:17:46,630 --> 00:17:43,679

experience

549

00:17:47,830 --> 00:17:46,640

in the jordanian desert um back during

550

00:17:51,510 --> 00:17:47,840

you know

551
00:17:54,390 --> 00:17:51,520
everything and uh

552
00:17:55,909 --> 00:17:54,400
he he went to the base he was supposed

553
00:17:58,710 --> 00:17:55,919
to go to he was told to guard

554
00:17:59,750 --> 00:17:58,720
this random crate guard a crate in the

555
00:18:01,590 --> 00:17:59,760
middle of the desert

556
00:18:03,669 --> 00:18:01,600
he wasn't told what was in it and why he

557
00:18:04,549 --> 00:18:03,679
was guarding it and then one night he

558
00:18:08,070 --> 00:18:04,559
witnessed a

559
00:18:10,710 --> 00:18:08,080
ufo in the sky that came directly

560
00:18:13,110 --> 00:18:10,720
over this crate and then disappeared out

561
00:18:15,830 --> 00:18:13,120
of sight it made unbelievable maneuvers

562
00:18:17,750 --> 00:18:15,840
jeremy believes that whatever this ufo

563
00:18:19,270 --> 00:18:17,760

was doing there it was trying to figure

564

00:18:21,750 --> 00:18:19,280

out what was in the crate

565

00:18:23,110 --> 00:18:21,760

and then um you know he has some pretty

566

00:18:24,710 --> 00:18:23,120

interesting theories on

567

00:18:26,230 --> 00:18:24,720

what was in the crate and where it went

568

00:18:28,470 --> 00:18:26,240

after that so i

569

00:18:30,070 --> 00:18:28,480

didn't know what i was getting into when

570

00:18:30,470 --> 00:18:30,080

i did that interview i don't know about

571

00:18:32,710 --> 00:18:30,480

you

572

00:18:34,870 --> 00:18:32,720

either man but um i can't believe the

573

00:18:35,669 --> 00:18:34,880

response that you got and i got to those

574

00:18:37,669 --> 00:18:35,679

interviews

575

00:18:40,310 --> 00:18:37,679

with jeremy it's been probably one of my

576

00:18:43,190 --> 00:18:40,320

most popular episodes to date and um

577

00:18:44,950 --> 00:18:43,200

again it affected jeremy in many ways he

578

00:18:48,710 --> 00:18:44,960

is now a part of this community

579

00:18:51,909 --> 00:18:48,720

he has taken it on himself to um

580

00:18:53,510 --> 00:18:51,919

to create a ufo tracking device that is

581

00:18:56,230 --> 00:18:53,520

literally mounted on his

582

00:18:58,070 --> 00:18:56,240

jeep that he brings out wherever he goes

583

00:19:00,310 --> 00:18:58,080

to try to detect ufos

584

00:19:01,830 --> 00:19:00,320

so talk about changing someone's life

585

00:19:03,909 --> 00:19:01,840

man it's crazy

586

00:19:05,510 --> 00:19:03,919

so i highly suggest people check out

587

00:19:06,710 --> 00:19:05,520

that episode it's called the crate in

588

00:19:08,549 --> 00:19:06,720

the desert

589

00:19:10,310 --> 00:19:08,559

awesome you you name yours a bit more

590

00:19:13,510 --> 00:19:10,320

creatively than i do mines is just

591

00:19:14,230 --> 00:19:13,520

jeremy mcgowan um but like you said

592

00:19:18,789 --> 00:19:14,240

jeremy's got

593

00:19:20,470 --> 00:19:18,799

as he calls it which uh as a fully

594

00:19:21,830 --> 00:19:20,480

kitted out i'm going to say jeep because

595

00:19:22,390 --> 00:19:21,840

that's the type of car it looks like to

596

00:19:24,470 --> 00:19:22,400

me

597

00:19:25,430 --> 00:19:24,480

um but if you imagine the ghostbusters

598

00:19:27,990 --> 00:19:25,440

ecto one

599

00:19:29,350 --> 00:19:28,000

but for ufo tracking that is essentially

600

00:19:31,270 --> 00:19:29,360

what he has he's uh

601
00:19:33,190 --> 00:19:31,280
hooked up with sky hub so he has the

602
00:19:33,669 --> 00:19:33,200
top-of-the-line equipment all over this

603
00:19:35,990 --> 00:19:33,679
thing

604
00:19:37,430 --> 00:19:36,000
and he he has plans for it so keep an

605
00:19:38,470 --> 00:19:37,440
eye on that one but certainly check out

606
00:19:41,270 --> 00:19:38,480
those interviews with

607
00:19:42,470 --> 00:19:41,280
with ryan and jeremy as well now that's

608
00:19:44,870 --> 00:19:42,480
got you up to this point

609
00:19:46,870 --> 00:19:44,880
and this point just seems to have been a

610
00:19:49,350 --> 00:19:46,880
case of three years has built up to what

611
00:19:51,750 --> 00:19:49,360
happened on on friday where we had

612
00:19:53,430 --> 00:19:51,760
the 180 day deadline of the uap task

613
00:19:57,110 --> 00:19:53,440

force report and it dropped

614

00:19:58,070 --> 00:19:57,120

eventually uh around 4 15 pm eastern

615

00:20:00,549 --> 00:19:58,080

time in the us

616

00:20:02,470 --> 00:20:00,559

which for us in the uk was uh just after

617

00:20:03,590 --> 00:20:02,480

9 pm which is always nice to stay up

618

00:20:04,549 --> 00:20:03,600

later which we've had to do our whole

619

00:20:06,789 --> 00:20:04,559

lives but

620

00:20:08,310 --> 00:20:06,799

it was for the it was requested for and

621

00:20:10,149 --> 00:20:08,320

led by the us which

622

00:20:11,510 --> 00:20:10,159

like it or not for this is the worldwide

623

00:20:12,710 --> 00:20:11,520

conference so those people listening to

624

00:20:14,789 --> 00:20:12,720

this from all over

625

00:20:16,390 --> 00:20:14,799

the us whether you like it or not are

626
00:20:17,909 --> 00:20:16,400
leading the way in this topic in this

627
00:20:19,430 --> 00:20:17,919
conversation so

628
00:20:21,510 --> 00:20:19,440
there's going to be a huge opportunity

629
00:20:23,190 --> 00:20:21,520
for america to to shape

630
00:20:25,190 --> 00:20:23,200
their narrative and how they want this

631
00:20:27,029 --> 00:20:25,200
to go and it certainly seems like

632
00:20:28,710 --> 00:20:27,039
it's not going back in the box anytime

633
00:20:31,590 --> 00:20:28,720
soon um

634
00:20:33,430 --> 00:20:31,600
what were your initial expectations

635
00:20:33,990 --> 00:20:33,440
before it came out on the task force

636
00:20:35,590 --> 00:20:34,000
report

637
00:20:37,029 --> 00:20:35,600
you've got the benefit of hindsight now

638
00:20:38,710 --> 00:20:37,039

ryan and i know you've spoke about this

639

00:20:41,830 --> 00:20:38,720

on your podcast so you can't make up

640

00:20:45,190 --> 00:20:41,840

that you know exactly what was coming

641

00:20:48,630 --> 00:20:45,200

exactly man um so i i

642

00:20:49,830 --> 00:20:48,640

i've always been um and i i've i listen

643

00:20:51,669 --> 00:20:49,840

to people like

644

00:20:53,909 --> 00:20:51,679

former director of eight tip luis

645

00:20:55,029 --> 00:20:53,919

elizondo the beautiful poster you have

646

00:20:58,630 --> 00:20:55,039

there in the background

647

00:21:00,950 --> 00:20:58,640

um and many other intelligence uh

648

00:21:02,070 --> 00:21:00,960

sources that i've spoken to and military

649

00:21:05,110 --> 00:21:02,080

saying don't expect

650

00:21:06,149 --> 00:21:05,120

much do not expect much so i i was one

651
00:21:07,270 --> 00:21:06,159
of the people who tempered my

652
00:21:09,750 --> 00:21:07,280
expectations

653
00:21:11,190 --> 00:21:09,760
i went in really not thinking we were

654
00:21:13,830 --> 00:21:11,200
you know maybe a page

655
00:21:15,190 --> 00:21:13,840
i literally expected like a one-page

656
00:21:17,669 --> 00:21:15,200
memo to be like

657
00:21:18,549 --> 00:21:17,679
ufos are out there we're looking into it

658
00:21:25,830 --> 00:21:18,559
um

659
00:21:27,110 --> 00:21:25,840
i i can't say i was disappointed i was a

660
00:21:28,630 --> 00:21:27,120
little bummed that we didn't get

661
00:21:30,549 --> 00:21:28,640
specific cases

662
00:21:32,390 --> 00:21:30,559
um brought to us in this report that

663
00:21:34,789 --> 00:21:32,400

came out and something like

664

00:21:36,789 --> 00:21:34,799

70 pages were in the classified version

665

00:21:39,750 --> 00:21:36,799

the public got nine pages

666

00:21:40,230 --> 00:21:39,760

so again a little deflating but man they

667

00:21:41,990 --> 00:21:40,240

again

668

00:21:44,630 --> 00:21:42,000

like you said in hindsight the first

669

00:21:47,270 --> 00:21:44,640

time i read it i was like okay

670

00:21:48,149 --> 00:21:47,280

okay now what is i expecting no videos

671

00:21:55,110 --> 00:21:48,159

no

672

00:21:57,830 --> 00:21:55,120

but the more you read this thing um

673

00:21:58,470 --> 00:21:57,840

it's so interesting how they worded all

674

00:22:01,029 --> 00:21:58,480

of this

675

00:22:02,470 --> 00:22:01,039

and broke it down and i think it's a lot

676
00:22:04,630 --> 00:22:02,480
more positive

677
00:22:05,830 --> 00:22:04,640
in terms of what comes next than a lot

678
00:22:07,190 --> 00:22:05,840
of people are giving it

679
00:22:09,510 --> 00:22:07,200
credit for i know a lot of people are

680
00:22:09,990 --> 00:22:09,520
like it's exactly like project blue book

681
00:22:12,870 --> 00:22:10,000
or

682
00:22:13,590 --> 00:22:12,880
government have done in the past to kind

683
00:22:16,070 --> 00:22:13,600
of

684
00:22:17,669 --> 00:22:16,080
brush it aside and move on with life i

685
00:22:20,149 --> 00:22:17,679
don't see that happening

686
00:22:22,230 --> 00:22:20,159
um especially with this report which if

687
00:22:24,549 --> 00:22:22,240
you want to get into details we can but

688
00:22:25,430 --> 00:22:24,559

yeah that's uh my initial reaction i was

689

00:22:28,549 --> 00:22:25,440

like

690

00:22:30,870 --> 00:22:28,559

now right now two days later in

691

00:22:32,390 --> 00:22:30,880

processing it i'm really excited i i

692

00:22:33,510 --> 00:22:32,400

think there's some interesting stuff in

693

00:22:35,909 --> 00:22:33,520

store

694

00:22:37,510 --> 00:22:35,919

now already from that dropping and at

695

00:22:39,110 --> 00:22:37,520

the time we recorded this it was almost

696

00:22:41,669 --> 00:22:39,120

48 hours ago

697

00:22:43,590 --> 00:22:41,679

it's uh sunday evening as we talk or

698

00:22:46,070 --> 00:22:43,600

sunday afternoon in the us

699

00:22:47,590 --> 00:22:46,080

the there's already been fallout and

700

00:22:49,190 --> 00:22:47,600

there has been action and consequence

701

00:22:50,950 --> 00:22:49,200

off the back of it almost immediately

702

00:22:52,549 --> 00:22:50,960

there was a memorandum sent out

703

00:22:53,830 --> 00:22:52,559

which without going into the detail

704

00:22:55,350 --> 00:22:53,840

because you know i'm not military and

705

00:22:57,669 --> 00:22:55,360

can't read these things very well

706

00:22:58,710 --> 00:22:57,679

but essentially deputy deputy secretary

707

00:23:01,029 --> 00:22:58,720

of defense

708

00:23:01,909 --> 00:23:01,039

um instructing people that this should

709

00:23:03,590 --> 00:23:01,919

be reported now

710

00:23:05,510 --> 00:23:03,600

they're telling everyone in the military

711

00:23:07,430 --> 00:23:05,520

you report this you talk about it

712

00:23:09,350 --> 00:23:07,440

that's almost overnight getting rid of

713

00:23:11,110 --> 00:23:09,360

that stigma you would hope

714

00:23:12,950 --> 00:23:11,120

i've got no doubt at a grassroots level

715

00:23:14,789 --> 00:23:12,960

it may still exist in some way

716

00:23:16,870 --> 00:23:14,799

shape or form but that would be a

717

00:23:18,549 --> 00:23:16,880

personal thing but on mass they're

718

00:23:19,270 --> 00:23:18,559

asking the us military to talk about

719

00:23:21,190 --> 00:23:19,280

this now

720

00:23:23,669 --> 00:23:21,200

that in itself for me is a huge one and

721

00:23:24,390 --> 00:23:23,679

almost overtakes the importance of the

722

00:23:26,710 --> 00:23:24,400

report

723

00:23:27,669 --> 00:23:26,720

as this is the next step already

724

00:23:30,070 --> 00:23:27,679

happening for me

725

00:23:31,430 --> 00:23:30,080

what do you think about that ryan two

726

00:23:33,990 --> 00:23:31,440

things i think this

727

00:23:34,710 --> 00:23:34,000

memo by the uh the department of defense

728

00:23:36,789 --> 00:23:34,720

is

729

00:23:38,149 --> 00:23:36,799

a million times more important than the

730

00:23:41,110 --> 00:23:38,159

nine page report

731

00:23:42,710 --> 00:23:41,120

uh and i'll i'll get to that in a second

732

00:23:45,110 --> 00:23:42,720

the other thing i want to touch on

733

00:23:46,630 --> 00:23:45,120

is the military witnesses that i

734

00:23:49,990 --> 00:23:46,640

interviewed in that panel

735

00:23:51,990 --> 00:23:50,000

uh they were afraid to report this

736

00:23:53,909 --> 00:23:52,000

i've spoken to so many military people

737

00:23:55,990 --> 00:23:53,919

who did not report it

738

00:23:58,070 --> 00:23:56,000

and not talked about it and held it in

739

00:23:59,350 --> 00:23:58,080

for years but now look man

740

00:24:01,990 --> 00:23:59,360

literally the pentagon here in the

741

00:24:05,029 --> 00:24:02,000

united states is saying please report it

742

00:24:07,510 --> 00:24:05,039

and please do it in a timely fashion and

743

00:24:09,029 --> 00:24:07,520

if you can record it we don't care if

744

00:24:11,430 --> 00:24:09,039

it's on official military

745

00:24:12,149 --> 00:24:11,440

sensors or cameras or your freaking cell

746

00:24:13,750 --> 00:24:12,159

phone like

747

00:24:15,190 --> 00:24:13,760

we want to figure out what these things

748

00:24:16,310 --> 00:24:15,200

are are because they could be a

749

00:24:18,390 --> 00:24:16,320

potential threat

750

00:24:20,789 --> 00:24:18,400

um going back to this memo that you

751
00:24:21,750 --> 00:24:20,799
mentioned two major things came out of

752
00:24:24,870 --> 00:24:21,760
that i think

753
00:24:26,789 --> 00:24:24,880
uh one is they want all

754
00:24:28,230 --> 00:24:26,799
military branches to report these things

755
00:24:30,950 --> 00:24:28,240
within two weeks

756
00:24:32,310 --> 00:24:30,960
of the event which i think is amazing

757
00:24:34,470 --> 00:24:32,320
again like it gives

758
00:24:36,549 --> 00:24:34,480
us more immediate time or i should say

759
00:24:39,750 --> 00:24:36,559
that military branch or what have you

760
00:24:42,870 --> 00:24:39,760
to look into the event um and second

761
00:24:46,549 --> 00:24:42,880
the memo also stressed that they want a

762
00:24:49,430 --> 00:24:46,559
permanent program this uap

763
00:24:50,870 --> 00:24:49,440

task force it's a task force once the

764

00:24:53,350 --> 00:24:50,880

task is done they move on

765

00:24:54,710 --> 00:24:53,360

um the test clearly is not done so i

766

00:24:57,510 --> 00:24:54,720

think it's really important to

767

00:24:57,990 --> 00:24:57,520

um to really focus on what the dod is

768

00:24:59,590 --> 00:24:58,000

saying

769

00:25:01,830 --> 00:24:59,600

and that they want to take up the brains

770

00:25:02,710 --> 00:25:01,840

now and they want to form some sort of

771

00:25:06,470 --> 00:25:02,720

permanent

772

00:25:08,230 --> 00:25:06,480

uap um collecting data program

773

00:25:09,830 --> 00:25:08,240

which is super exciting that's more than

774

00:25:12,070 --> 00:25:09,840

we could have ever asked for

775

00:25:13,909 --> 00:25:12,080

in terms of all this so i look forward

776

00:25:16,070 --> 00:25:13,919
to whatever comes next with this

777

00:25:19,430 --> 00:25:16,080
hopefully permanent ufo group

778

00:25:21,510 --> 00:25:19,440
within the uh the government

779

00:25:23,430 --> 00:25:21,520
now that is exciting and i'm going to

780

00:25:25,510 --> 00:25:23,440
play devil's advocate here though

781

00:25:27,190 --> 00:25:25,520
what do you expect to come from that

782

00:25:27,750 --> 00:25:27,200
though because there are some who would

783

00:25:29,510 --> 00:25:27,760
say

784

00:25:31,750 --> 00:25:29,520
it's the the us government taking

785

00:25:32,310 --> 00:25:31,760
control they will have a group that they

786

00:25:34,470 --> 00:25:32,320
will set

787

00:25:35,430 --> 00:25:34,480
up what comes out will be what they want

788

00:25:38,230 --> 00:25:35,440

to come out

789

00:25:40,149 --> 00:25:38,240

and it's just another way of of getting

790

00:25:41,110 --> 00:25:40,159

the data out that they want out or do

791

00:25:43,430 --> 00:25:41,120

you think

792

00:25:44,870 --> 00:25:43,440

they have the best intentions or not

793

00:25:45,590 --> 00:25:44,880

best intentions might not be the right

794

00:25:47,430 --> 00:25:45,600

phrase but

795

00:25:48,870 --> 00:25:47,440

do you think they genuinely want to push

796

00:25:52,149 --> 00:25:48,880

this conversation forward

797

00:25:54,549 --> 00:25:52,159

just at their own pace both

798

00:25:55,830 --> 00:25:54,559

i i think they are clearly in this for

799

00:25:57,750 --> 00:25:55,840

their own reasons

800

00:25:59,029 --> 00:25:57,760

again i think a lot of this has to do

801
00:26:01,750 --> 00:25:59,039
with and look the core

802
00:26:02,870 --> 00:26:01,760
and the memo both said we need more

803
00:26:04,789 --> 00:26:02,880
funding

804
00:26:07,029 --> 00:26:04,799
we need to increase the technology we're

805
00:26:09,510 --> 00:26:07,039
using to try to unravel these two

806
00:26:11,590 --> 00:26:09,520
uap incidents dude what what was it they

807
00:26:13,990 --> 00:26:11,600
looked at like 24 cases

808
00:26:16,470 --> 00:26:14,000
and they could only explain one of them

809
00:26:19,590 --> 00:26:16,480
with a conventional explanation of a

810
00:26:20,070 --> 00:26:19,600
a balloon a deflated balloon so they

811
00:26:22,630 --> 00:26:20,080
don't

812
00:26:23,430 --> 00:26:22,640
have the means to actually answer these

813
00:26:26,870 --> 00:26:23,440

questions

814

00:26:30,549 --> 00:26:26,880

that both they want and the public want

815

00:26:31,430 --> 00:26:30,559

so um i do think it's a way to get

816

00:26:34,549 --> 00:26:31,440

funding

817

00:26:35,110 --> 00:26:34,559

uh and to increase the technology

818

00:26:37,110 --> 00:26:35,120

they're gonna

819

00:26:38,470 --> 00:26:37,120

use to try to understand these things

820

00:26:40,470 --> 00:26:38,480

and defend

821

00:26:42,070 --> 00:26:40,480

the united states yeah of course they

822

00:26:45,110 --> 00:26:42,080

have their own reasons for doing it

823

00:26:47,590 --> 00:26:45,120

but we're now hearing of these um

824

00:26:48,390 --> 00:26:47,600

sort of task forces or programs being

825

00:26:52,230 --> 00:26:48,400

set up

826

00:26:55,510 --> 00:26:52,240

in japan um in south america

827

00:26:58,230 --> 00:26:55,520

in um you know several european

828

00:27:00,870 --> 00:26:58,240

places as well so i think it's it's kind

829

00:27:03,750 --> 00:27:00,880

of like every it's like a new cold war

830

00:27:05,909 --> 00:27:03,760

of ufo tracking which i think is cool so

831

00:27:07,830 --> 00:27:05,919

while the united states might be um

832

00:27:09,029 --> 00:27:07,840

leading by example which they always

833

00:27:11,269 --> 00:27:09,039

seem to do

834

00:27:12,710 --> 00:27:11,279

uh i hope that these other countries

835

00:27:14,310 --> 00:27:12,720

will hold the u.s

836

00:27:15,830 --> 00:27:14,320

to a certain standard when it comes to

837

00:27:18,710 --> 00:27:15,840

this topic and um

838

00:27:20,230 --> 00:27:18,720

hopefully hopefully a lot of that will

839

00:27:22,630 --> 00:27:20,240

trickle down to the public

840

00:27:24,549 --> 00:27:22,640

we're going to see i guarantee this that

841

00:27:26,389 --> 00:27:24,559

classified report from the pentagon

842

00:27:27,590 --> 00:27:26,399

we're going to see leaks happen we're

843

00:27:29,510 --> 00:27:27,600

going to see statements

844

00:27:31,350 --> 00:27:29,520

maybe we'll see videos maybe we'll see

845

00:27:33,350 --> 00:27:31,360

photos um

846

00:27:34,389 --> 00:27:33,360

keep a lookout this upcoming week that's

847

00:27:36,310 --> 00:27:34,399

all i'm gonna say

848

00:27:37,430 --> 00:27:36,320

uh it's gonna happen it happened with

849

00:27:39,430 --> 00:27:37,440

the tic tac video

850

00:27:41,190 --> 00:27:39,440

it's gonna happen again because i do

851
00:27:43,590 --> 00:27:41,200
firmly believe people in the government

852
00:27:45,430 --> 00:27:43,600
want this information out to the public

853
00:27:47,669 --> 00:27:45,440
even at the risk of their own careers i

854
00:27:49,750 --> 00:27:47,679
i do think that no i won't ask anymore

855
00:27:51,110 --> 00:27:49,760
about the potential upcoming leaks or

856
00:27:53,909 --> 00:27:51,120
what may or may not come out

857
00:27:56,149 --> 00:27:53,919
but on tuesday tmz have a documentary

858
00:27:57,750 --> 00:27:56,159
where jeremy corbell is teasing

859
00:27:59,750 --> 00:27:57,760
potentially dropping some information as

860
00:28:01,990 --> 00:27:59,760
well would that be totally unrelated

861
00:28:04,710 --> 00:28:02,000
ryan or do you think we're going to see

862
00:28:06,389 --> 00:28:04,720
something from tmz now tmz not that they

863
00:28:07,110 --> 00:28:06,399

would sensationalize anything of course

864

00:28:09,029 --> 00:28:07,120

right and

865

00:28:11,190 --> 00:28:09,039

even a limited knowledge of tmz in the

866

00:28:13,350 --> 00:28:11,200

uk i know what it's all about

867

00:28:14,310 --> 00:28:13,360

but do you think they genuinely have

868

00:28:16,310 --> 00:28:14,320

some new

869

00:28:19,909 --> 00:28:16,320

unseen footage that is going to be of

870

00:28:25,750 --> 00:28:23,029

no comment no i'm just kidding i

871

00:28:27,269 --> 00:28:25,760

i honestly don't know um jeremy corbell

872

00:28:30,470 --> 00:28:27,279

is a friend of mine and

873

00:28:31,269 --> 00:28:30,480

a colleague and we do um we do

874

00:28:33,750 --> 00:28:31,279

correspond

875

00:28:35,510 --> 00:28:33,760

regularly that being said like i'm not

876

00:28:36,950 --> 00:28:35,520

the kind of researcher who would be like

877

00:28:39,350 --> 00:28:36,960

give me what you got give me what you

878

00:28:41,430 --> 00:28:39,360

got like jeremy has a strategy

879

00:28:43,190 --> 00:28:41,440

and he has clearly gained the trust of

880

00:28:45,590 --> 00:28:43,200

people within the intel

881

00:28:48,470 --> 00:28:45,600

community and the military to get these

882

00:28:50,470 --> 00:28:48,480

things uh now the motivation behind that

883

00:28:52,549 --> 00:28:50,480

in giving it to jeremy is a completely

884

00:28:52,950 --> 00:28:52,559

different story i i have no knowledge of

885

00:28:54,710 --> 00:28:52,960

that

886

00:28:56,470 --> 00:28:54,720

whatsoever and i'm also not saying

887

00:28:58,389 --> 00:28:56,480

jeremy's a part of any sort of

888

00:29:00,070 --> 00:28:58,399

disinformation campaign

889

00:29:01,510 --> 00:29:00,080

or anything like that i firmly believe

890

00:29:04,870 --> 00:29:01,520

jeremy does a good work

891

00:29:06,310 --> 00:29:04,880

and has really uh challenged the

892

00:29:08,310 --> 00:29:06,320

government when it comes to

893

00:29:10,389 --> 00:29:08,320

what they might have done before those

894

00:29:12,870 --> 00:29:10,399

videos came out and where we stand now

895

00:29:13,909 --> 00:29:12,880

um so possibly i never in my life

896

00:29:16,549 --> 00:29:13,919

thought tmz

897

00:29:18,950 --> 00:29:16,559

would be the one to like break something

898

00:29:19,830 --> 00:29:18,960

in the ufo world or get these exclusive

899

00:29:21,830 --> 00:29:19,840

interviews

900

00:29:22,870 --> 00:29:21,840

with senators and congressmen here in

901
00:29:24,710 --> 00:29:22,880
the united states

902
00:29:26,310 --> 00:29:24,720
that no one else was apparently able to

903
00:29:28,470 --> 00:29:26,320
get so um hey

904
00:29:30,070 --> 00:29:28,480
it's going to come from tmz nothing

905
00:29:33,350 --> 00:29:30,080
surprises me anymore man in

906
00:29:34,950 --> 00:29:33,360
2021 so but you know you're totally

907
00:29:36,789 --> 00:29:34,960
right when it comes to jeremy corbell

908
00:29:38,470 --> 00:29:36,799
it's nothing against him but regardless

909
00:29:40,149 --> 00:29:38,480
who it was and this includes luella's

910
00:29:42,870 --> 00:29:40,159
ondo chris mellon

911
00:29:45,029 --> 00:29:42,880
and others especially tom delong it's

912
00:29:45,750 --> 00:29:45,039
why them that question always has to be

913
00:29:47,190 --> 00:29:45,760

asked

914

00:29:49,029 --> 00:29:47,200

but why would you give it to them

915

00:29:50,149 --> 00:29:49,039

there's the why not which is a bit of an

916

00:29:52,470 --> 00:29:50,159

obvious one but

917

00:29:54,310 --> 00:29:52,480

it's as interesting absolutely without

918

00:29:57,750 --> 00:29:54,320

going into details on those people then

919

00:29:59,830 --> 00:29:57,760

i've mentioned tmz but discovery has a

920

00:30:01,990 --> 00:29:59,840

on discovery unclassified has its own

921

00:30:05,269 --> 00:30:02,000

documentary out in the next few days

922

00:30:05,669 --> 00:30:05,279

and then hbo max has jj abrams who has

923

00:30:07,909 --> 00:30:05,679

had

924

00:30:10,389 --> 00:30:07,919

many different movies around the

925

00:30:12,789 --> 00:30:10,399

phenomenon or you know mystery sci-fi

926

00:30:13,990 --> 00:30:12,799

really has a big interest in the subject

927

00:30:15,830 --> 00:30:14,000

i mean star trek

928

00:30:17,430 --> 00:30:15,840

obviously is up there in his you know

929

00:30:19,029 --> 00:30:17,440

his catalogue

930

00:30:20,549 --> 00:30:19,039

that they're all coming out within a few

931

00:30:22,950 --> 00:30:20,559

weeks of each other now

932

00:30:24,789 --> 00:30:22,960

that's that can't be coincidence can it

933

00:30:27,110 --> 00:30:24,799

that we've had this report coming

934

00:30:29,350 --> 00:30:27,120

and then obviously with the tmz one it's

935

00:30:30,870 --> 00:30:29,360

days after and discovery but jj abrams

936

00:30:32,470 --> 00:30:30,880

four-part docu-series

937

00:30:35,110 --> 00:30:32,480

that's been in the works for some time

938

00:30:38,230 --> 00:30:35,120

as well so clearly there's people

939

00:30:39,750 --> 00:30:38,240

connected within hollywood that are are

940

00:30:42,070 --> 00:30:39,760

hearing that this is the time to get

941

00:30:45,669 --> 00:30:42,080

this stuff out

942

00:30:48,710 --> 00:30:45,679

yes um there has always been a

943

00:30:51,350 --> 00:30:48,720

symbiotic relationship between hollywood

944

00:30:52,710 --> 00:30:51,360

and the us government i mean going back

945

00:30:54,870 --> 00:30:52,720

even to the 50s

946

00:30:56,789 --> 00:30:54,880

uh it has been used for propaganda it

947

00:30:58,549 --> 00:30:56,799

has been used for recruitment

948

00:31:00,950 --> 00:30:58,559

uh top gun probably being the prime

949

00:31:04,070 --> 00:31:00,960

example that movie was literally made

950

00:31:06,070 --> 00:31:04,080

with air force funding to uh get more

951
00:31:08,070 --> 00:31:06,080
get more dudes to go up there and fight

952
00:31:09,669 --> 00:31:08,080
for uh the united states and it worked i

953
00:31:12,389 --> 00:31:09,679
think recruiting went up

954
00:31:13,350 --> 00:31:12,399
they said something like 80 after top

955
00:31:15,190 --> 00:31:13,360
gun came out

956
00:31:16,789 --> 00:31:15,200
and we're getting top gun maverick

957
00:31:18,470 --> 00:31:16,799
coming out soon so

958
00:31:20,389 --> 00:31:18,480
who knows that might be connected to all

959
00:31:23,350 --> 00:31:20,399
this again maybe we'll see the tic tac

960
00:31:23,909 --> 00:31:23,360
in the new uh tom cruise maverick movie

961
00:31:27,110 --> 00:31:23,919
but um

962
00:31:30,470 --> 00:31:27,120
i digress um i would say

963
00:31:32,310 --> 00:31:30,480

look at the work of um cinema professor

964

00:31:33,590 --> 00:31:32,320

robbie graham who wrote an incredible

965

00:31:35,669 --> 00:31:33,600

book called silver

966

00:31:37,669 --> 00:31:35,679

screen saucers uh all about the

967

00:31:38,870 --> 00:31:37,679

relationship between hollywood and ufos

968

00:31:41,110 --> 00:31:38,880

and i do think

969

00:31:43,110 --> 00:31:41,120

um hollywood is used to get information

970

00:31:43,830 --> 00:31:43,120

out to the public in some ways and also

971

00:31:45,750 --> 00:31:43,840

to

972

00:31:46,870 --> 00:31:45,760

disinform the public but i don't think

973

00:31:48,789 --> 00:31:46,880

it's a coincidence

974

00:31:51,029 --> 00:31:48,799

that um all of these things are

975

00:31:51,590 --> 00:31:51,039

happening now it's clearly a concerted

976
00:31:54,230 --> 00:31:51,600
effort

977
00:31:55,909 --> 00:31:54,240
for hollywood to be like ufos are in the

978
00:31:57,110 --> 00:31:55,919
mainstream right now because of all this

979
00:31:58,870 --> 00:31:57,120
pentagon stuff let's

980
00:32:01,110 --> 00:31:58,880
let's put something out there let's do

981
00:32:03,590 --> 00:32:01,120
it um that's how it works man i mean

982
00:32:04,230 --> 00:32:03,600
and i don't fault production companies

983
00:32:06,549 --> 00:32:04,240
for doing that

984
00:32:08,630 --> 00:32:06,559
you you make what's in the zeitgeist at

985
00:32:11,350 --> 00:32:08,640
the time to get the most ratings it's

986
00:32:12,950 --> 00:32:11,360
all about ratings um but i think the

987
00:32:13,430 --> 00:32:12,960
people involved with these things people

988
00:32:16,230 --> 00:32:13,440

like

989

00:32:16,870 --> 00:32:16,240

josh gates and jeremy and uh you know

990

00:32:19,190 --> 00:32:16,880

nick pope

991

00:32:20,870 --> 00:32:19,200

or whoever's on these things including

992

00:32:23,669 --> 00:32:20,880

the j.j abrams series

993

00:32:25,110 --> 00:32:23,679

uh they want to get their information

994

00:32:25,830 --> 00:32:25,120

out there and what better way to get it

995

00:32:27,990 --> 00:32:25,840

out to

996

00:32:29,430 --> 00:32:28,000

millions of people than through

997

00:32:32,470 --> 00:32:29,440

television so

998

00:32:34,310 --> 00:32:32,480

um hey man i've been there uh you know

999

00:32:36,149 --> 00:32:34,320

while entertainment is one thing

1000

00:32:37,830 --> 00:32:36,159

uh i'm trying to get my information out

1001
00:32:39,909 --> 00:32:37,840
to as many people as i can

1002
00:32:41,350 --> 00:32:39,919
so if i will use hollywood if they're

1003
00:32:42,549 --> 00:32:41,360
gonna use me i guess this is

1004
00:32:44,710 --> 00:32:42,559
the way to put it and i think that's

1005
00:32:45,590 --> 00:32:44,720
what we're seeing right now ufos are the

1006
00:32:47,990 --> 00:32:45,600
biggest thing

1007
00:32:49,350 --> 00:32:48,000
on everyone's lips right now and i think

1008
00:32:50,549 --> 00:32:49,360
it's going to continue to be that way

1009
00:32:52,070 --> 00:32:50,559
for a while

1010
00:32:53,509 --> 00:32:52,080
now one more thing i want to touch on

1011
00:32:55,029 --> 00:32:53,519
we've looked at the military aspect of

1012
00:32:56,630 --> 00:32:55,039
things with your panel we've talked

1013
00:32:58,630 --> 00:32:56,640

about hollywood there as well

1014

00:33:00,789 --> 00:32:58,640

the the scientific community the

1015

00:33:03,430 --> 00:33:00,799

mainstream scientific community

1016

00:33:04,870 --> 00:33:03,440

are are one that has been very stubborn

1017

00:33:06,149 --> 00:33:04,880

on getting on board with this

1018

00:33:08,389 --> 00:33:06,159

conversation

1019

00:33:10,230 --> 00:33:08,399

available is one who seems to have

1020

00:33:10,470 --> 00:33:10,240

broken away from the pack now avi is one

1021

00:33:11,990 --> 00:33:10,480

of

1022

00:33:14,389 --> 00:33:12,000

the main speakers that contact in the

1023

00:33:17,110 --> 00:33:14,399

desert this year you've spoken to avi

1024

00:33:17,990 --> 00:33:17,120

i've spoken to avi joe rogan has spoken

1025

00:33:19,990 --> 00:33:18,000

to avi

1026

00:33:21,350 --> 00:33:20,000

now he has put himself out there in

1027

00:33:23,669 --> 00:33:21,360

quite a big way

1028

00:33:25,830 --> 00:33:23,679

what did what does it say to you that we

1029

00:33:28,230 --> 00:33:25,840

finally have someone who is a

1030

00:33:29,750 --> 00:33:28,240

a top guy at harvard you know to put it

1031

00:33:31,509 --> 00:33:29,760

to put it bluntly

1032

00:33:33,430 --> 00:33:31,519

coming out and having a conversation

1033

00:33:36,070 --> 00:33:33,440

that do you know what maybe we should be

1034

00:33:38,070 --> 00:33:36,080

looking at ufos

1035

00:33:40,630 --> 00:33:38,080

yeah so i've heard in the past couple

1036

00:33:43,830 --> 00:33:40,640

days that avi lopez even like said

1037

00:33:45,269 --> 00:33:43,840

hey if um you know the dod once wants a

1038

00:33:46,310 --> 00:33:45,279

scientist to come in and work with them

1039

00:33:48,310 --> 00:33:46,320

on this ufo

1040

00:33:49,750 --> 00:33:48,320

thing uh i'd love to be the one to do it

1041

00:33:52,470 --> 00:33:49,760

and i think you'd be perfect

1042

00:33:54,070 --> 00:33:52,480

look this guy is um i believe he said on

1043

00:33:57,269 --> 00:33:54,080

your show and mine like

1044

00:33:58,310 --> 00:33:57,279

someone's got to be the one to like go

1045

00:34:00,870 --> 00:33:58,320

out first

1046

00:34:02,149 --> 00:34:00,880

and um step on those minds so that the

1047

00:34:05,269 --> 00:34:02,159

people behind them

1048

00:34:07,909 --> 00:34:05,279

uh know what to look out for and uh can

1049

00:34:08,950 --> 00:34:07,919

get to that next step quicker and uh

1050

00:34:10,230 --> 00:34:08,960

more safely

1051
00:34:12,310 --> 00:34:10,240
and i thought that was such a beautiful

1052
00:34:14,470 --> 00:34:12,320
analogy because i see him doing that

1053
00:34:16,389 --> 00:34:14,480
he's shunned by a lot of people in the

1054
00:34:18,230 --> 00:34:16,399
mainstream scientific community

1055
00:34:19,990 --> 00:34:18,240
and he's respected by many others who

1056
00:34:22,950 --> 00:34:20,000
were afraid to talk about

1057
00:34:23,909 --> 00:34:22,960
ufos who are afraid to um sort of

1058
00:34:25,750 --> 00:34:23,919
challenge

1059
00:34:27,270 --> 00:34:25,760
the scientific method in the ways that

1060
00:34:30,069 --> 00:34:27,280
we have come to um

1061
00:34:31,510 --> 00:34:30,079
to understand so i think it's awesome

1062
00:34:33,109 --> 00:34:31,520
that this guy's out there saying you

1063
00:34:35,750 --> 00:34:33,119

know that this object that

1064

00:34:37,149 --> 00:34:35,760

came into our solar system could have

1065

00:34:38,710 --> 00:34:37,159

possibly been some sort of

1066

00:34:41,589 --> 00:34:38,720

extraterrestrial

1067

00:34:42,310 --> 00:34:41,599

probe of some sort now he doesn't say

1068

00:34:45,430 --> 00:34:42,320

that is

1069

00:34:45,750 --> 00:34:45,440

for sure what it is but we have to ask

1070

00:34:48,869 --> 00:34:45,760

those

1071

00:34:50,950 --> 00:34:48,879

questions so um i think it's amazing

1072

00:34:52,389 --> 00:34:50,960

i think more rebellious scientists like

1073

00:34:54,389 --> 00:34:52,399

kim are what we need

1074

00:34:55,909 --> 00:34:54,399

in this place where we put science on a

1075

00:34:58,150 --> 00:34:55,919

pedestal and um

1076

00:34:59,190 --> 00:34:58,160

in many ways i i respect that but in

1077

00:35:00,790 --> 00:34:59,200

others i'm like hey

1078

00:35:02,950 --> 00:35:00,800

you're not doing your job unless you're

1079

00:35:03,910 --> 00:35:02,960

looking at all options and this is still

1080

00:35:05,670 --> 00:35:03,920

on the table

1081

00:35:07,030 --> 00:35:05,680

so groups like the scientific community

1082

00:35:08,470 --> 00:35:07,040

for uap studies

1083

00:35:10,870 --> 00:35:08,480

is something i think people should look

1084

00:35:11,270 --> 00:35:10,880

into over 50 scientists who are willing

1085

00:35:13,190 --> 00:35:11,280

to

1086

00:35:14,390 --> 00:35:13,200

put their necks on the line and look

1087

00:35:15,990 --> 00:35:14,400

into these uap

1088

00:35:17,750 --> 00:35:16,000

and hopefully work with the government

1089

00:35:19,589 --> 00:35:17,760

if they want them to

1090

00:35:21,430 --> 00:35:19,599

and i picked up on this at the time avi

1091

00:35:23,030 --> 00:35:21,440

said on on various podcasts including

1092

00:35:24,790 --> 00:35:23,040

joe rogan where

1093

00:35:26,470 --> 00:35:24,800

and some people picked up on a sense of

1094

00:35:28,150 --> 00:35:26,480

he's looking to make money but no

1095

00:35:30,310 --> 00:35:28,160

what what avi was getting at was he's

1096

00:35:32,630 --> 00:35:30,320

happy to be involved but it needs

1097

00:35:34,310 --> 00:35:32,640

serious funding avi coming out and

1098

00:35:35,270 --> 00:35:34,320

putting his neck on the line only goes

1099

00:35:37,030 --> 00:35:35,280

so far

1100

00:35:39,190 --> 00:35:37,040

it's great there's someone talking about

1101

00:35:40,790 --> 00:35:39,200

it but it becomes a point it's just talk

1102

00:35:42,390 --> 00:35:40,800

avi can only do so much

1103

00:35:44,870 --> 00:35:42,400

same with those scientists involved

1104

00:35:45,510 --> 00:35:44,880

within the scu as well it needs serious

1105

00:35:46,870 --> 00:35:45,520

funding and

1106

00:35:49,109 --> 00:35:46,880

hopefully this is where it all comes

1107

00:35:50,390 --> 00:35:49,119

full circle and off the back of this uep

1108

00:35:52,230 --> 00:35:50,400

task force report

1109

00:35:53,750 --> 00:35:52,240

funding from the scientific community

1110

00:35:56,069 --> 00:35:53,760

from whatever avenue

1111

00:35:56,950 --> 00:35:56,079

private or otherwise starts to go out so

1112

00:35:59,190 --> 00:35:56,960

people like avi

1113

00:36:00,950 --> 00:35:59,200

and others come forward so that they

1114

00:36:02,550 --> 00:36:00,960

start looking at us more seriously

1115

00:36:04,310 --> 00:36:02,560

to the point where we get our neil

1116

00:36:06,870 --> 00:36:04,320

degrasse tyson so as a

1117

00:36:09,349 --> 00:36:06,880

a science celebrity having a bit more of

1118

00:36:12,150 --> 00:36:09,359

a serious conversation about it as well

1119

00:36:14,150 --> 00:36:12,160

ryan any final words or thoughts before

1120

00:36:16,870 --> 00:36:14,160

we wrap up

1121

00:36:18,710 --> 00:36:16,880

oh um no i thank you for doing this andy

1122

00:36:21,109 --> 00:36:18,720

like i said i'm a huge fan

1123

00:36:23,349 --> 00:36:21,119

of the work you do and i think it's so

1124

00:36:25,750 --> 00:36:23,359

refreshing to see people like you

1125

00:36:26,710 --> 00:36:25,760

and uh deep prasad and a lot of these

1126

00:36:29,670 --> 00:36:26,720

other younger

1127

00:36:31,349 --> 00:36:29,680

uh diverse speakers at this event i

1128

00:36:32,310 --> 00:36:31,359

think contact in the desert has gone out

1129

00:36:35,109 --> 00:36:32,320

of their way

1130

00:36:36,150 --> 00:36:35,119

to diversify the people in this

1131

00:36:38,630 --> 00:36:36,160

community

1132

00:36:40,150 --> 00:36:38,640

and uh give people a voice that normally

1133

00:36:41,829 --> 00:36:40,160

would not have that

1134

00:36:43,670 --> 00:36:41,839

so again i think this is awesome that

1135

00:36:45,829 --> 00:36:43,680

you're doing these interviews

1136

00:36:47,349 --> 00:36:45,839

and um i know you got some other really

1137

00:36:49,990 --> 00:36:47,359

cool ones coming up but

1138

00:36:51,829 --> 00:36:50,000

all i'll say is um thank you thank you

1139

00:36:53,910 --> 00:36:51,839

for this opportunity for letting me

1140

00:36:55,109 --> 00:36:53,920

give my thoughts and uh if anyone is

1141

00:36:58,310 --> 00:36:55,119

interested today

1142

00:37:00,390 --> 00:36:58,320

i'm also doing my lecture as well uh a

1143

00:37:02,150 --> 00:37:00,400

human approach to the ufo phenomenon

1144

00:37:03,670 --> 00:37:02,160

here at contact in the desert so i hope

1145

00:37:05,750 --> 00:37:03,680

they'll check that out as well but

1146

00:37:07,349 --> 00:37:05,760

other than that man this has been great

1147

00:37:10,150 --> 00:37:07,359

i'm so happy we got to

1148

00:37:11,430 --> 00:37:10,160

catch up again and uh yeah many more

1149

00:37:14,230 --> 00:37:11,440

conversations to be had

1150

00:37:16,390 --> 00:37:14,240

i'm sure listen you can check out ryan

1151
00:37:19,109 --> 00:37:16,400
on twitter uh he's got us at some

1152
00:37:20,069 --> 00:37:19,119
uh somewhere in skye's twitter handle uh

1153
00:37:22,230 --> 00:37:20,079
at

1154
00:37:23,270 --> 00:37:22,240
summer skies summer skies you've got

1155
00:37:26,470 --> 00:37:23,280
your rhine sprague

1156
00:37:28,230 --> 00:37:26,480
at reinsprag 51 that is correct

1157
00:37:29,910 --> 00:37:28,240
good job that's it off the top guess

1158
00:37:32,950 --> 00:37:29,920
what the 51 stands for

1159
00:37:34,790 --> 00:37:32,960
yeah it's almost as easy

1160
00:37:36,069 --> 00:37:34,800
and off the back of that as well you can

1161
00:37:37,589 --> 00:37:36,079
check out his podcast

1162
00:37:39,990 --> 00:37:37,599
available anywhere podcasts are

1163
00:37:41,829 --> 00:37:40,000

available and on youtube and also please

1164

00:37:42,550 --> 00:37:41,839

check out his book titled summit in the

1165

00:37:44,950 --> 00:37:42,560

skies

1166

00:37:46,630 --> 00:37:44,960

available on amazon and all independent

1167

00:37:48,069 --> 00:37:46,640

book sellers as well i'm sure

1168

00:37:50,470 --> 00:37:48,079

wanting to pick up on that one ryan

1169

00:37:52,230 --> 00:37:50,480

pleasure speaking with you thank you so

1170

00:37:52,790 --> 00:37:52,240

much andy have a good rest of your time

1171

00:37:54,710 --> 00:37:52,800

at uh

1172

00:37:56,310 --> 00:37:54,720

contact in the desert we'll talk soon

1173

00:37:58,390 --> 00:37:56,320

you too

1174

00:38:00,069 --> 00:37:58,400

that is all for this week's show thank

1175

00:38:01,910 --> 00:38:00,079

you very much for listening

1176

00:38:04,069 --> 00:38:01,920

please remember to leave the podcast a

1177

00:38:06,790 --> 00:38:04,079

review on your chosen platform

1178

00:38:08,710 --> 00:38:06,800

you can like retweet and subscribe that

1179

00:38:10,150 --> 00:38:08,720

would all be very much appreciated

1180

00:38:12,230 --> 00:38:10,160

the shows are being uploaded onto

1181

00:38:14,230 --> 00:38:12,240

youtube as we speak more and more

1182

00:38:16,870 --> 00:38:14,240

you can sign up at [patreon.com](https://www.patreon.com) forward

1183

00:38:18,150 --> 00:38:16,880

slash that ufo podcast to access shows

1184

00:38:20,390 --> 00:38:18,160

ad free as well

1185

00:38:22,550 --> 00:38:20,400

please get in touch on twitter facebook

1186

00:38:26,390 --> 00:38:22,560

instagram that ufo podcast

1187

00:38:28,470 --> 00:38:26,400

of course on twitter it's at ufo uap am

1188

00:38:55,670 --> 00:38:28,480

and again folks as always keep looking

1189

00:39:21,300 --> 00:39:01,780

and smoke

1190

00:39:21,310 --> 00:39:27,190

[Music]

1191

00:39:30,310 --> 00:39:28,630

and i woke up in my bed and there was

1192

00:39:31,750 --> 00:39:30,320

something on my head and everything was

1193

00:39:33,349 --> 00:39:31,760

weird and everything was red

1194

00:39:34,950 --> 00:39:33,359

i helped out my boys they thought this

1195

00:39:42,240 --> 00:39:34,960

was noise they thought it was a dream

1196

00:39:49,190 --> 00:39:42,250

they thought it was my toys

1197

00:39:51,430 --> 00:39:49,200

[Music]

1198

00:39:52,470 --> 00:39:51,440

if you really want to know who i think

1199

00:39:57,070 --> 00:39:52,480

it's you and me

1200

00:40:02,210 --> 00:39:57,080

and us and me and him and her and

1201

00:40:10,069 --> 00:40:06,790

[Music]

1202

00:40:24,110 --> 00:40:10,079

for being consider your serious

1203

00:40:29,320 --> 00:40:24,120

consider time consider your lies

1204

00:40:39,740 --> 00:40:37,190

[Music]

1205

00:40:50,829 --> 00:40:39,750

it wasn't a tic tac and not quite a

1206

00:40:59,750 --> 00:40:52,130

saucer

1207

00:41:32,829 --> 00:40:59,760

[Music]

1208

00:41:32,839 --> 00:41:36,590

yes
