

T H A T

U F O

P O D C A S T

BRANDON FUGAL

1
00:00:00,000 --> 00:00:05,510

[Music]

2
00:00:08,629 --> 00:00:06,789

there's a whole fleet of them look on

3
00:00:10,950 --> 00:00:08,639

the nsa

4
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6
00:00:34,350 --> 00:00:18,960

sphere where the points of the cube

7
00:00:38,709 --> 00:00:37,110

[Music]

8
00:00:40,630 --> 00:00:38,719

so this isn't anything that just is

9
00:00:44,070 --> 00:00:40,640

limited to the united states

10
00:00:50,470 --> 00:00:44,080

it's a worldwide phenomenon

11
00:00:55,270 --> 00:00:52,950

hi everyone and welcome back to that ufo

12
00:00:57,029 --> 00:00:55,280

podcast as always my name is andy and

13
00:00:58,549 --> 00:00:57,039

i'm very pleased to have this guest on

14

00:01:00,310 --> 00:00:58,559

for what is going to be the one year

15

00:01:02,150 --> 00:01:00,320

anniversary of the podcast

16

00:01:04,149 --> 00:01:02,160

i've had a lot of really cool names on

17

00:01:05,509 --> 00:01:04,159

in that time and all of you listening or

18

00:01:07,750 --> 00:01:05,519

watching on youtube now

19

00:01:09,590 --> 00:01:07,760

have made guests like this possible i'd

20

00:01:10,070 --> 00:01:09,600

like to welcome the owner of skinwalker

21

00:01:11,830 --> 00:01:10,080

ranch

22

00:01:14,469 --> 00:01:11,840

brandon fuego brandon welcome to the

23

00:01:17,510 --> 00:01:14,479

podcast hey it's good to be with you

24

00:01:18,630 --> 00:01:17,520

thank you and happy friday yeah happy

25

00:01:20,149 --> 00:01:18,640

friday indeed um

26

00:01:21,670 --> 00:01:20,159

thank you very much for joining us and

27

00:01:23,670 --> 00:01:21,680

it's great to have a name like yourself

28

00:01:25,990 --> 00:01:23,680

on and the timing is just fantastic

29

00:01:27,190 --> 00:01:26,000

um my i was just telling one of the

30

00:01:28,870 --> 00:01:27,200

producers from

31

00:01:30,710 --> 00:01:28,880

uh history who's on the call with us

32

00:01:31,429 --> 00:01:30,720

that my wife is due to give birth on the

33

00:01:34,230 --> 00:01:31,439

same day

34

00:01:34,710 --> 00:01:34,240

skinwalker ran season two ten years so

35

00:01:36,069 --> 00:01:34,720

it's

36

00:01:38,230 --> 00:01:36,079

all kind of ties in quite nicely

37

00:01:40,310 --> 00:01:38,240

date-wise as well um

38

00:01:41,990 --> 00:01:40,320

so yeah let's get right into i want to

39

00:01:42,789 --> 00:01:42,000

talk about some of the background that's

40

00:01:44,950 --> 00:01:42,799

led us

41

00:01:45,830 --> 00:01:44,960

to the secret skin walker ranch season

42

00:01:48,149 --> 00:01:45,840

two

43

00:01:50,149 --> 00:01:48,159

brandon season one introduced us to the

44

00:01:50,789 --> 00:01:50,159

ranch in a more intimate way than ever

45

00:01:52,469 --> 00:01:50,799

before

46

00:01:54,469 --> 00:01:52,479

we got to know the people who live and

47

00:01:56,630 --> 00:01:54,479

breathe the experience daily

48

00:01:58,630 --> 00:01:56,640

what was your vision for season one as

49

00:02:02,550 --> 00:01:58,640

you started to develop the idea

50

00:02:04,950 --> 00:02:02,560

and did it turn out how you hoped yeah

51
00:02:06,550 --> 00:02:04,960
season one was it was an incredible

52
00:02:08,309 --> 00:02:06,560
experience for all of us and i think it

53
00:02:09,029 --> 00:02:08,319
was an unprecedented television

54
00:02:12,229 --> 00:02:09,039
experience

55
00:02:13,910 --> 00:02:12,239
to to show the public behind the scenes

56
00:02:15,750 --> 00:02:13,920
for the first time

57
00:02:17,670 --> 00:02:15,760
you know the most scientifically studied

58
00:02:20,309 --> 00:02:17,680
paranormal hotspot on the planet

59
00:02:22,309 --> 00:02:20,319
you know for a property that had been in

60
00:02:25,430 --> 00:02:22,319
lockdown mode that had been

61
00:02:27,589 --> 00:02:25,440
secure for over 20 years uh

62
00:02:28,949 --> 00:02:27,599
for purposes of scientific research

63
00:02:31,830 --> 00:02:28,959

dealing with the paranormal

64

00:02:34,470 --> 00:02:31,840

for that property to be opened up for

65

00:02:37,589 --> 00:02:34,480

television cameras for the first time

66

00:02:39,270 --> 00:02:37,599

you know and and filming my team

67

00:02:40,710 --> 00:02:39,280

and their efforts and the scientific

68

00:02:43,750 --> 00:02:40,720

investigation on an

69

00:02:45,110 --> 00:02:43,760

hourly basis was was something i think

70

00:02:48,229 --> 00:02:45,120

very special and

71

00:02:50,390 --> 00:02:48,239

and i think it was uh it was a unique

72

00:02:53,430 --> 00:02:50,400

opportunity to engage the public

73

00:02:55,589 --> 00:02:53,440

and to show for the first time uh

74

00:02:57,110 --> 00:02:55,599

very visually what the what the ranch

75

00:03:00,149 --> 00:02:57,120

looks like you know what

76
00:03:02,309 --> 00:03:00,159
what do the old haunting homesteads uh

77
00:03:03,110 --> 00:03:02,319
that uh that lie on the property look

78
00:03:05,430 --> 00:03:03,120
like and

79
00:03:07,830 --> 00:03:05,440
you know what what was it like for the

80
00:03:10,710 --> 00:03:07,840
team you know to be able to

81
00:03:11,750 --> 00:03:10,720
to to follow dr travis taylor for the

82
00:03:14,470 --> 00:03:11,760
first time

83
00:03:14,869 --> 00:03:14,480
entering the property and seeing through

84
00:03:18,550 --> 00:03:14,879
his

85
00:03:21,910 --> 00:03:18,560
eyes you know the the incredible

86
00:03:24,470 --> 00:03:21,920
striking landscape that uh that his

87
00:03:25,190 --> 00:03:24,480
has captured so much interest and

88
00:03:27,190 --> 00:03:25,200

attention

89

00:03:29,030 --> 00:03:27,200
over decades was was a unique

90

00:03:31,030 --> 00:03:29,040
opportunity for all of us and

91

00:03:32,949 --> 00:03:31,040
and to do it in an unscripted way i

92

00:03:36,149 --> 00:03:32,959
think it's important to note

93

00:03:37,830 --> 00:03:36,159
that you know this is real it is a

94

00:03:41,030 --> 00:03:37,840
hundred percent true

95

00:03:42,789 --> 00:03:41,040
fact and you know not one

96

00:03:45,190 --> 00:03:42,799
of the participants with the exception

97

00:03:47,589 --> 00:03:45,200
of dr taylor had ever

98

00:03:48,550 --> 00:03:47,599
been on television ever really had the

99

00:03:51,030 --> 00:03:48,560
intention

100

00:03:52,949 --> 00:03:51,040
of being involved with any type of

101

00:03:55,830 --> 00:03:52,959

television effort or media

102

00:03:58,149 --> 00:03:55,840

and so it was it was a new experience

103

00:04:01,589 --> 00:03:58,159

for all of us including myself

104

00:04:02,149 --> 00:04:01,599

to uh to allow you know cameras and to

105

00:04:05,190 --> 00:04:02,159

allow

106

00:04:06,070 --> 00:04:05,200

for the first time you know the story to

107

00:04:08,229 --> 00:04:06,080

be told

108

00:04:10,550 --> 00:04:08,239

regarding the ongoing investigation at

109

00:04:12,390 --> 00:04:10,560

skinwalker ranch

110

00:04:14,550 --> 00:04:12,400

no i'd like to touch on that story you

111

00:04:15,429 --> 00:04:14,560

mentioned so ryan sprague of somewhere

112

00:04:17,110 --> 00:04:15,439

in the skies

113

00:04:18,469 --> 00:04:17,120

had a great interview with you just a

114

00:04:19,909 --> 00:04:18,479

couple of weeks ago now

115

00:04:21,590 --> 00:04:19,919

i would encourage people to go and

116

00:04:23,110 --> 00:04:21,600

listen to that he'd done a great intro

117

00:04:23,990 --> 00:04:23,120

package which she sets things up

118

00:04:25,590 --> 00:04:24,000

wonderfully

119

00:04:27,749 --> 00:04:25,600

and discusses the background of the

120

00:04:28,950 --> 00:04:27,759

ranch with the sherman's bob bigelow and

121

00:04:30,310 --> 00:04:28,960

even more

122

00:04:31,510 --> 00:04:30,320

now that's been done and i would

123

00:04:32,950 --> 00:04:31,520

encourage people if they want to hear

124

00:04:33,670 --> 00:04:32,960

that detail to go and listen to that

125

00:04:35,749 --> 00:04:33,680

interview

126

00:04:37,110 --> 00:04:35,759

but could you just summarize brandon how

127

00:04:38,469 --> 00:04:37,120

you did come to be involved with

128

00:04:41,270 --> 00:04:38,479

skinwalker ranch

129

00:04:43,670 --> 00:04:41,280

you bet you know i acquired the property

130

00:04:46,150 --> 00:04:43,680

in 2016

131

00:04:47,749 --> 00:04:46,160

from uh elusive aerospace billionaire

132

00:04:51,189 --> 00:04:47,759

robert bigelow

133

00:04:52,950 --> 00:04:51,199

bigelow aerospace uh after really being

134

00:04:54,950 --> 00:04:52,960

introduced to the property through

135

00:04:56,790 --> 00:04:54,960

some scientific advisors that i had

136

00:05:00,070 --> 00:04:56,800

worked with a decade ago

137

00:05:02,469 --> 00:05:00,080

on a research project in utah

138

00:05:03,670 --> 00:05:02,479

those advisors that unbeknownst to me

139

00:05:06,870 --> 00:05:03,680

had been science

140

00:05:10,390 --> 00:05:06,880

advisors to mr bigelow reached out to me

141

00:05:10,870 --> 00:05:10,400

in 2015 with the potential opportunity

142

00:05:15,830 --> 00:05:10,880

to

143

00:05:18,550 --> 00:05:15,840

potential joint venture or

144

00:05:19,350 --> 00:05:18,560

acquisition that would open a new

145

00:05:21,350 --> 00:05:19,360

chapter

146

00:05:23,670 --> 00:05:21,360

in the investigation and really pass the

147

00:05:26,710 --> 00:05:23,680

stewardship from mr bigelow

148

00:05:27,990 --> 00:05:26,720

to to someone else to to in this case of

149

00:05:30,310 --> 00:05:28,000

course to me

150

00:05:31,350 --> 00:05:30,320

in order to continue the research and

151
00:05:33,430 --> 00:05:31,360
advance

152
00:05:35,590 --> 00:05:33,440
the uh the project that had been funded

153
00:05:36,870 --> 00:05:35,600
by not only mr bigelow but the united

154
00:05:39,270 --> 00:05:36,880
states government

155
00:05:39,909 --> 00:05:39,280
and the defense department for for

156
00:05:43,029 --> 00:05:39,919
decades

157
00:05:44,870 --> 00:05:43,039
you know to take take a a very unique

158
00:05:47,189 --> 00:05:44,880
secure piece of property

159
00:05:48,230 --> 00:05:47,199
that had been the center of gravity for

160
00:05:50,790 --> 00:05:48,240
a pentagon

161
00:05:53,029 --> 00:05:50,800
funded you know black budget program was

162
00:05:55,749 --> 00:05:53,039
a unique opportunity

163
00:05:56,629 --> 00:05:55,759

for me but i did buy it as a skeptic i

164

00:06:00,070 --> 00:05:56,639

bought it as a

165

00:06:01,909 --> 00:06:00,080

as someone who had not seen a ufo or a

166

00:06:05,590 --> 00:06:01,919

ghost or an orb and was

167

00:06:07,909 --> 00:06:05,600

approaching the uh the property

168

00:06:09,749 --> 00:06:07,919

as someone who believed that there was

169

00:06:10,870 --> 00:06:09,759

most likely a natural prosaic

170

00:06:13,110 --> 00:06:10,880

explanation

171

00:06:14,230 --> 00:06:13,120

for what had been reported there so you

172

00:06:17,590 --> 00:06:14,240

know with that

173

00:06:19,189 --> 00:06:17,600

uh as the understanding i i closed on

174

00:06:21,350 --> 00:06:19,199

the property

175

00:06:23,350 --> 00:06:21,360

escorted bigelow security off the

176

00:06:26,550 --> 00:06:23,360

property and brought in my own

177

00:06:29,029 --> 00:06:26,560

security detail led by dragon

178

00:06:30,150 --> 00:06:29,039

that you see on the the television

179

00:06:32,029 --> 00:06:30,160

series and

180

00:06:33,670 --> 00:06:32,039

a team of scientists a

181

00:06:37,350 --> 00:06:33,680

multi-disciplinary group

182

00:06:38,070 --> 00:06:37,360

of professionals that that would bring i

183

00:06:41,270 --> 00:06:38,080

think

184

00:06:44,629 --> 00:06:41,280

you know a a new focus and

185

00:06:47,110 --> 00:06:44,639

energy to the to the site

186

00:06:48,790 --> 00:06:47,120

and to the investigation and and to have

187

00:06:51,990 --> 00:06:48,800

this unfold

188

00:06:53,029 --> 00:06:52,000

in real time for the general public to

189

00:06:55,909 --> 00:06:53,039

see

190

00:06:57,029 --> 00:06:55,919

has been it's it has been a very

191

00:07:00,070 --> 00:06:57,039

exciting

192

00:07:02,070 --> 00:07:00,080

um opportunity

193

00:07:04,070 --> 00:07:02,080

now you seem to have surrounded yourself

194

00:07:05,029 --> 00:07:04,080

with family and close friends on the

195

00:07:07,430 --> 00:07:05,039

ranch your brother

196

00:07:10,070 --> 00:07:07,440

we see as a pilot on the show and a few

197

00:07:12,309 --> 00:07:10,080

episodes in season one and in season two

198

00:07:13,670 --> 00:07:12,319

uh brian arnold is a childhood friend i

199

00:07:15,589 --> 00:07:13,680

spoke to dragon

200

00:07:17,270 --> 00:07:15,599

on the podcast now last year and they

201
00:07:19,110 --> 00:07:17,280
spoke glowingly of you and

202
00:07:20,309 --> 00:07:19,120
you know just how honest and genuine you

203
00:07:21,110 --> 00:07:20,319
are which of course you would as a

204
00:07:22,870 --> 00:07:21,120
friend but

205
00:07:24,230 --> 00:07:22,880
it was really nice and same with thomas

206
00:07:26,870 --> 00:07:24,240
winterton as well

207
00:07:28,710 --> 00:07:26,880
dr lee you brought on in season two who

208
00:07:30,710 --> 00:07:28,720
is a specialist in radiation

209
00:07:31,990 --> 00:07:30,720
he has a much fancier title than that

210
00:07:33,830 --> 00:07:32,000
but i'm just going to say a specialist

211
00:07:35,350 --> 00:07:33,840
in radiation for the listeners

212
00:07:37,189 --> 00:07:35,360
and you've mentioned he is a close

213
00:07:39,029 --> 00:07:37,199

friend of yours as well why is it

214

00:07:40,950 --> 00:07:39,039

important that you've got so many close

215

00:07:42,150 --> 00:07:40,960

friends and family surrounding you on

216

00:07:45,430 --> 00:07:42,160

this venture

217

00:07:47,749 --> 00:07:45,440

yeah good question you know i i

218

00:07:48,710 --> 00:07:47,759

by design i pulled together a closely

219

00:07:51,830 --> 00:07:48,720

held

220

00:07:54,469 --> 00:07:51,840

group of of individuals

221

00:07:55,749 --> 00:07:54,479

that i could trust that had no hidden

222

00:07:58,710 --> 00:07:55,759

agendas

223

00:07:59,430 --> 00:07:58,720

that would preserve the integrity of the

224

00:08:03,189 --> 00:07:59,440

research

225

00:08:05,909 --> 00:08:03,199

and frankly uh help us protect

226

00:08:06,790 --> 00:08:05,919

the uh the integrity of the ranch in the

227

00:08:09,749 --> 00:08:06,800

investigation

228

00:08:10,629 --> 00:08:09,759

you know dr christopher lee who we

229

00:08:13,510 --> 00:08:10,639

brought on and

230

00:08:14,710 --> 00:08:13,520

and feature in season two to be unveiled

231

00:08:17,350 --> 00:08:14,720

this next week

232

00:08:18,790 --> 00:08:17,360

is a world-renowned radiation oncologist

233

00:08:21,510 --> 00:08:18,800

he is he's

234

00:08:22,150 --> 00:08:21,520

really at the top of his field when it

235

00:08:24,950 --> 00:08:22,160

comes to

236

00:08:26,710 --> 00:08:24,960

medical research and you know where we

237

00:08:29,270 --> 00:08:26,720

have seen a number

238

00:08:30,390 --> 00:08:29,280

of our team members end up in the

239

00:08:32,949 --> 00:08:30,400

hospital

240

00:08:33,990 --> 00:08:32,959

with serious illnesses with with serious

241

00:08:36,310 --> 00:08:34,000

injuries that

242

00:08:37,430 --> 00:08:36,320

continue to be unexplained and

243

00:08:39,509 --> 00:08:37,440

mysterious

244

00:08:40,949 --> 00:08:39,519

we felt it was important to bring a

245

00:08:43,110 --> 00:08:40,959

higher level

246

00:08:44,949 --> 00:08:43,120

of attention to the health and safety

247

00:08:48,710 --> 00:08:44,959

protocols on the ranch

248

00:08:50,790 --> 00:08:48,720

um you know i i also in bringing

249

00:08:52,070 --> 00:08:50,800

these close confidants together i wanted

250

00:08:54,310 --> 00:08:52,080

to bring people

251
00:08:55,269 --> 00:08:54,320
that that came from different

252
00:08:57,670 --> 00:08:55,279
backgrounds

253
00:08:58,790 --> 00:08:57,680
and different areas of expertise you

254
00:09:01,190 --> 00:08:58,800
know jim morse

255
00:09:03,430 --> 00:09:01,200
who is a ranch manager there has known

256
00:09:03,910 --> 00:09:03,440
me since i was 18 years old he was my

257
00:09:05,910 --> 00:09:03,920
first

258
00:09:07,430 --> 00:09:05,920
big commercial real estate development

259
00:09:10,790 --> 00:09:07,440
client yeah

260
00:09:13,269 --> 00:09:10,800
when i was uh 18 years old i jumped into

261
00:09:16,070 --> 00:09:13,279
the commercial real estate

262
00:09:18,230 --> 00:09:16,080
business and focused on leasing and

263
00:09:19,910 --> 00:09:18,240

selling class a office developments and

264

00:09:23,509 --> 00:09:19,920

jim morse at the time

265

00:09:26,790 --> 00:09:23,519

was was was breaking ground on a

266

00:09:29,190 --> 00:09:26,800

signature class a office park and and

267

00:09:31,829 --> 00:09:29,200

through that experience of of being

268

00:09:34,630 --> 00:09:31,839

engaged with him we we really developed

269

00:09:35,750 --> 00:09:34,640

a a close relationship that endures to

270

00:09:37,350 --> 00:09:35,760

this day and

271

00:09:39,430 --> 00:09:37,360

the thing that he brought to the table

272

00:09:41,750 --> 00:09:39,440

was was a

273

00:09:43,110 --> 00:09:41,760

a genuine love for the native american

274

00:09:45,910 --> 00:09:43,120

cultures

275

00:09:47,030 --> 00:09:45,920

the people the indigenous people and a

276

00:09:50,310 --> 00:09:47,040

track record of

277

00:09:52,949 --> 00:09:50,320

raising millions of dollars for

278

00:09:55,269 --> 00:09:52,959

indian scholarships for uh you know

279

00:09:58,870 --> 00:09:55,279

american indian services

280

00:10:01,670 --> 00:09:58,880

and and and really working closely with

281

00:10:02,470 --> 00:10:01,680

the tribes to help them with economic

282

00:10:04,550 --> 00:10:02,480

development

283

00:10:06,630 --> 00:10:04,560

and other efforts i i feel that

284

00:10:09,509 --> 00:10:06,640

community engagement has been

285

00:10:10,470 --> 00:10:09,519

a big part of our stewardship of this

286

00:10:13,670 --> 00:10:10,480

property

287

00:10:14,069 --> 00:10:13,680

and really advancing uh the objectives

288

00:10:17,190 --> 00:10:14,079

that

289

00:10:19,110 --> 00:10:17,200

beginning but you're right

290

00:10:20,389 --> 00:10:19,120

you know i pulled together a closely

291

00:10:23,190 --> 00:10:20,399

held group of people

292

00:10:24,550 --> 00:10:23,200

simply because i i wanted to preserve

293

00:10:27,430 --> 00:10:24,560

the integrity

294

00:10:28,630 --> 00:10:27,440

of the investigation and bring a a new

295

00:10:31,509 --> 00:10:28,640

level of focus and

296

00:10:33,509 --> 00:10:31,519

intensity to it i didn't bring these

297

00:10:36,389 --> 00:10:33,519

people together for a television

298

00:10:36,949 --> 00:10:36,399

series i brought these people together

299

00:10:40,389 --> 00:10:36,959

uh

300

00:10:42,949 --> 00:10:40,399

to to to really launch this

301
00:10:43,430 --> 00:10:42,959
stage of the ranch investigation you

302
00:10:46,710 --> 00:10:43,440
know

303
00:10:50,470 --> 00:10:46,720
five years ago in service

304
00:10:52,630 --> 00:10:50,480
to the truth in service to discovery

305
00:10:53,750 --> 00:10:52,640
and and determining whether there really

306
00:10:57,990 --> 00:10:53,760
was

307
00:11:00,870 --> 00:10:58,000
any reality and truth to the claims

308
00:11:01,990 --> 00:11:00,880
that go back decades if not millennia

309
00:11:04,230 --> 00:11:02,000
regarding

310
00:11:06,710 --> 00:11:04,240
the high strangeness and paranormal

311
00:11:08,069 --> 00:11:06,720
activity on this property

312
00:11:09,750 --> 00:11:08,079
i want to talk a little bit of high

313
00:11:11,030 --> 00:11:09,760

strangeness and we're going to talk a

314

00:11:12,389 --> 00:11:11,040

lot of high strangeness given the

315

00:11:14,310 --> 00:11:12,399

context of the interview

316

00:11:16,389 --> 00:11:14,320

but those those relationships that you

317

00:11:17,590 --> 00:11:16,399

talk about are never more apparent than

318

00:11:18,389 --> 00:11:17,600

when there's a heightened sense of

319

00:11:19,910 --> 00:11:18,399

danger

320

00:11:21,269 --> 00:11:19,920

when we look at you know bad things

321

00:11:22,550 --> 00:11:21,279

happen when you dig it was the name of

322

00:11:24,389 --> 00:11:22,560

one of the episodes and

323

00:11:26,069 --> 00:11:24,399

we've already seen uh i've been very

324

00:11:27,990 --> 00:11:26,079

fortunate to see the first two episodes

325

00:11:29,110 --> 00:11:28,000

um through history his theanine network

326

00:11:30,310 --> 00:11:29,120

so thank you to them

327

00:11:32,389 --> 00:11:30,320

and it's really great and i wouldn't

328

00:11:34,470 --> 00:11:32,399

give anything away however

329

00:11:35,670 --> 00:11:34,480

there there is again talk of digging and

330

00:11:37,670 --> 00:11:35,680

that always brings up

331

00:11:38,710 --> 00:11:37,680

thomas winterton's injury that happened

332

00:11:40,790 --> 00:11:38,720

some time ago

333

00:11:42,069 --> 00:11:40,800

now my co-host dan who you met just

334

00:11:44,230 --> 00:11:42,079

before we started recording

335

00:11:45,670 --> 00:11:44,240

noticed in season one there's a map on

336

00:11:47,829 --> 00:11:45,680

the wall of the hq

337

00:11:49,190 --> 00:11:47,839

and there were three points triangulated

338

00:11:51,269 --> 00:11:49,200

one was the ranch

339

00:11:53,590 --> 00:11:51,279

one was havana cuba and i believe the

340

00:11:55,590 --> 00:11:53,600

other one was at gengzhou in china

341

00:11:57,430 --> 00:11:55,600

and these are reportedly points where

342

00:12:00,150 --> 00:11:57,440

other people have picked up injuries

343

00:12:01,590 --> 00:12:00,160

similar to travis sorry thomas winterton

344

00:12:03,269 --> 00:12:01,600

and that's something travis taylor

345

00:12:04,550 --> 00:12:03,279

recently confirmed in an interview as

346

00:12:06,949 --> 00:12:04,560

well

347

00:12:08,949 --> 00:12:06,959

so one state department sponsored study

348

00:12:11,110 --> 00:12:08,959

has reported these were likely

349

00:12:13,670 --> 00:12:11,120

the result of microwave energy attacks

350

00:12:15,590 --> 00:12:13,680

now this was reported by cnn yesterday

351
00:12:17,430 --> 00:12:15,600
and the debrief media outlet have

352
00:12:19,190 --> 00:12:17,440
reported on this as well today

353
00:12:20,790 --> 00:12:19,200
have you seen much on that and is that

354
00:12:21,990 --> 00:12:20,800
something you want to comment a bit more

355
00:12:24,470 --> 00:12:22,000
on

356
00:12:26,230 --> 00:12:24,480
we we've studied you know potential

357
00:12:29,430 --> 00:12:26,240
correlations

358
00:12:33,269 --> 00:12:29,440
and connections with with other um

359
00:12:36,389 --> 00:12:33,279
incidents globally you know in trying to

360
00:12:37,750 --> 00:12:36,399
assign cause and understand some of what

361
00:12:41,110 --> 00:12:37,760
has been observed we

362
00:12:43,990 --> 00:12:41,120
of course take a very broad look

363
00:12:44,389 --> 00:12:44,000

i'm not really at liberty to discuss the

364

00:12:46,790 --> 00:12:44,399

uh

365

00:12:48,470 --> 00:12:46,800

the details associated with what the

366

00:12:50,389 --> 00:12:48,480

defense department has been studying

367

00:12:51,590 --> 00:12:50,399

with those other locations but i will

368

00:12:53,670 --> 00:12:51,600

say this

369

00:12:55,269 --> 00:12:53,680

i think the deeper the people dig the

370

00:12:58,550 --> 00:12:55,279

more mysterious

371

00:13:01,910 --> 00:12:58,560

and the more unexplained the uh

372

00:13:04,790 --> 00:13:01,920

the injuries and incidents appear

373

00:13:06,629 --> 00:13:04,800

uh you know assigning conventional cause

374

00:13:09,590 --> 00:13:06,639

and being able to come up with uh

375

00:13:11,269 --> 00:13:09,600

with with with an explanation that is

376

00:13:14,310 --> 00:13:11,279

clear and straightforward

377

00:13:17,990 --> 00:13:14,320

continues to evade i think even the

378

00:13:19,750 --> 00:13:18,000

the the highest level uh you know

379

00:13:21,030 --> 00:13:19,760

people involved with with those

380

00:13:23,750 --> 00:13:21,040

investigations so

381

00:13:26,949 --> 00:13:23,760

you know we're we see skinwalker ranch

382

00:13:30,870 --> 00:13:26,959

as unique as a unique center of gravity

383

00:13:32,629 --> 00:13:30,880

for you know unusual phenomena but

384

00:13:34,230 --> 00:13:32,639

we're not ignorant to the fact that

385

00:13:35,350 --> 00:13:34,240

there are other places potentially on

386

00:13:38,389 --> 00:13:35,360

the planet

387

00:13:41,750 --> 00:13:38,399

that may have similar

388

00:13:44,629 --> 00:13:41,760

um similar incidents and events

389

00:13:45,110 --> 00:13:44,639

that attend those properties uh trying

390

00:13:51,350 --> 00:13:45,120

to

391

00:13:55,110 --> 00:13:51,360

correlations may exist and what

392

00:13:57,030 --> 00:13:55,120

uh you know what common characteristics

393

00:13:58,790 --> 00:13:57,040

or common signatures attend the

394

00:14:00,550 --> 00:13:58,800

phenomena is a key part of our

395

00:14:01,990 --> 00:14:00,560

investigation

396

00:14:03,590 --> 00:14:02,000

it's almost like you read my next

397

00:14:05,590 --> 00:14:03,600

question i was going to ask about

398

00:14:07,110 --> 00:14:05,600

potentially other locations like

399

00:14:09,269 --> 00:14:07,120

skinwalker ranch

400

00:14:10,470 --> 00:14:09,279

have you ever heard from any other

401
00:14:13,030 --> 00:14:10,480
potential owners

402
00:14:14,389 --> 00:14:13,040
of sites like skinwalker ranch while you

403
00:14:16,230 --> 00:14:14,399
in the basin

404
00:14:18,629 --> 00:14:16,240
or have you ever reached out to them or

405
00:14:21,829 --> 00:14:18,639
have they reached out to you

406
00:14:23,590 --> 00:14:21,839
yeah we have you know we uh

407
00:14:25,590 --> 00:14:23,600
we have a relationship with a

408
00:14:28,949 --> 00:14:25,600
neighboring property

409
00:14:31,350 --> 00:14:28,959
that uh that that we believe

410
00:14:33,670 --> 00:14:31,360
you know can help us expand the scope of

411
00:14:35,110 --> 00:14:33,680
the investigation that is also reported

412
00:14:37,750 --> 00:14:35,120
unusual activity

413
00:14:38,870 --> 00:14:37,760

it's it's very close by there are other

414

00:14:41,350 --> 00:14:38,880

properties

415

00:14:42,230 --> 00:14:41,360

that uh that have tried to exploit

416

00:14:44,870 --> 00:14:42,240

frankly the

417

00:14:46,470 --> 00:14:44,880

the attention given to skinwalker ranch

418

00:14:48,069 --> 00:14:46,480

and have tried to draw some type of

419

00:14:51,590 --> 00:14:48,079

connection or commonality and

420

00:14:54,710 --> 00:14:51,600

i think that that in a lot of cases

421

00:14:57,990 --> 00:14:54,720

it how do i say this

422

00:15:00,310 --> 00:14:58,000

kindly uh you know

423

00:15:01,750 --> 00:15:00,320

there's a lack of real evidence or

424

00:15:04,389 --> 00:15:01,760

scientific

425

00:15:05,269 --> 00:15:04,399

proof or rigor that has been brought to

426

00:15:08,870 --> 00:15:05,279

some of the other

427

00:15:12,629 --> 00:15:08,880

claims or the other um the other sites

428

00:15:15,030 --> 00:15:12,639

uh i i find that this the more that

429

00:15:16,710 --> 00:15:15,040

the more time goes by i find that

430

00:15:20,150 --> 00:15:16,720

skinwalker ranch

431

00:15:23,829 --> 00:15:20,160

really is unique that in a lot of ways

432

00:15:25,829 --> 00:15:23,839

uh for whatever reason it really is a

433

00:15:27,030 --> 00:15:25,839

a unique center of gravity for the

434

00:15:29,110 --> 00:15:27,040

phenomena and

435

00:15:30,389 --> 00:15:29,120

it is it is very difficult to find

436

00:15:34,629 --> 00:15:30,399

another property that

437

00:15:37,749 --> 00:15:34,639

that is um that is experiencing the

438

00:15:40,710 --> 00:15:37,759

same frequency of activity

439

00:15:41,030 --> 00:15:40,720

and i don't say that to sensationalize

440

00:15:45,110 --> 00:15:41,040

or

441

00:15:46,069 --> 00:15:45,120

our investigation i just say that matter

442

00:15:48,389 --> 00:15:46,079

of fact

443

00:15:49,590 --> 00:15:48,399

show me another effort globally show me

444

00:15:50,910 --> 00:15:49,600

another property

445

00:15:52,949 --> 00:15:50,920

another effort another

446

00:15:55,430 --> 00:15:52,959

multi-disciplinary team utilizing

447

00:15:59,030 --> 00:15:55,440

resources and service to this

448

00:15:59,749 --> 00:15:59,040

this topic and you know i i don't think

449

00:16:02,550 --> 00:15:59,759

it exists

450

00:16:03,430 --> 00:16:02,560

i think that skinwalker ranch right now

451
00:16:07,670 --> 00:16:03,440
is

452
00:16:09,269 --> 00:16:07,680
project of our time

453
00:16:11,189 --> 00:16:09,279
and that's not the first time i've heard

454
00:16:13,350 --> 00:16:11,199
you say that and i would agree

455
00:16:15,030 --> 00:16:13,360
why for you and your five years of

456
00:16:17,829 --> 00:16:15,040
stewardship you've called it now

457
00:16:18,150 --> 00:16:17,839
of the ranch what makes it so unique

458
00:16:19,829 --> 00:16:18,160
what

459
00:16:21,670 --> 00:16:19,839
is there anything you yourself have

460
00:16:23,590 --> 00:16:21,680
managed to put your finger on and say

461
00:16:24,949 --> 00:16:23,600
it's the place it's the area it's the

462
00:16:28,629 --> 00:16:24,959
people

463
00:16:30,790 --> 00:16:28,639

it's the diversity i i think you know

464

00:16:32,629 --> 00:16:30,800

first and foremost you know the property

465

00:16:35,749 --> 00:16:32,639

has been in lockdown mode

466

00:16:39,110 --> 00:16:35,759

has been completely secure for

467

00:16:40,310 --> 00:16:39,120

now going on 25 years so to have a piece

468

00:16:44,069 --> 00:16:40,320

of property that is

469

00:16:46,470 --> 00:16:44,079

a a secure environment

470

00:16:49,189 --> 00:16:46,480

that that has been under scientific

471

00:16:52,949 --> 00:16:49,199

study and research

472

00:16:55,269 --> 00:16:52,959

and and and has been monitored

473

00:16:56,310 --> 00:16:55,279

consistently for that period of time is

474

00:16:59,269 --> 00:16:56,320

unique

475

00:16:59,990 --> 00:16:59,279

but also i i think it is important to

476

00:17:03,670 --> 00:17:00,000

note that

477

00:17:06,390 --> 00:17:03,680

uh that the diversity of phenomena

478

00:17:07,510 --> 00:17:06,400

that continues to persist on this

479

00:17:10,870 --> 00:17:07,520

property

480

00:17:12,789 --> 00:17:10,880

is is is exciting and

481

00:17:14,230 --> 00:17:12,799

and it's somewhat troubling because it's

482

00:17:17,189 --> 00:17:14,240

difficult to

483

00:17:18,069 --> 00:17:17,199

to be able to to to identify the the

484

00:17:21,189 --> 00:17:18,079

origin or the

485

00:17:22,309 --> 00:17:21,199

agenda associated with the high

486

00:17:25,350 --> 00:17:22,319

strangeness that we

487

00:17:27,669 --> 00:17:25,360

are that we are observing and recording

488

00:17:29,029 --> 00:17:27,679

uh people ask me all the time whether

489

00:17:33,150 --> 00:17:29,039

whether i believe

490

00:17:35,909 --> 00:17:33,160

we are seeing

491

00:17:37,430 --> 00:17:35,919

extraterrestrial or you know visitation

492

00:17:38,070 --> 00:17:37,440

from other worlds or whether we're

493

00:17:41,110 --> 00:17:38,080

seeing

494

00:17:43,029 --> 00:17:41,120

you know interdimensional phenomena or

495

00:17:45,590 --> 00:17:43,039

whether we're seeing spiritual

496

00:17:47,029 --> 00:17:45,600

phenomena you know angels and demons and

497

00:17:50,070 --> 00:17:47,039

skinwalkers

498

00:17:51,029 --> 00:17:50,080

and the answer i think is all of the

499

00:17:54,390 --> 00:17:51,039

above

500

00:17:54,710 --> 00:17:54,400

you know the evidence speaks to the fact

501
00:17:56,870 --> 00:17:54,720
that

502
00:17:59,110 --> 00:17:56,880
we're we're not really seeing any one

503
00:18:01,510 --> 00:17:59,120
assignable cause or type

504
00:18:02,710 --> 00:18:01,520
of phenomena it is a diversity and i

505
00:18:05,830 --> 00:18:02,720
think there

506
00:18:07,590 --> 00:18:05,840
there is uh there is evidence that

507
00:18:11,350 --> 00:18:07,600
points to the fact that we are

508
00:18:14,710 --> 00:18:11,360
experiencing all of those potentially

509
00:18:16,470 --> 00:18:14,720
on the ranch given your background in

510
00:18:18,150 --> 00:18:16,480
real estate you must have walked into

511
00:18:20,710 --> 00:18:18,160
thousands of properties for the first

512
00:18:22,470 --> 00:18:20,720
time to survey have a look around

513
00:18:23,990 --> 00:18:22,480

none more unique i'm sure than skin

514

00:18:25,909 --> 00:18:24,000

walker ranch itself

515

00:18:27,750 --> 00:18:25,919

the first time you stepped foot on the

516

00:18:29,590 --> 00:18:27,760

ranch what was it like and

517

00:18:31,430 --> 00:18:29,600

i imagine when someone buys a new home

518

00:18:32,549 --> 00:18:31,440

or a new office they spend a few minutes

519

00:18:36,870 --> 00:18:32,559

themselves

520

00:18:37,510 --> 00:18:36,880

talking to the property just imagining

521

00:18:39,669 --> 00:18:37,520

things

522

00:18:41,110 --> 00:18:39,679

did you ever have that personal moment

523

00:18:42,630 --> 00:18:41,120

in the early days where you went out

524

00:18:44,230 --> 00:18:42,640

onto the ranch at night or during the

525

00:18:46,150 --> 00:18:44,240

day yourself and just

526

00:18:47,830 --> 00:18:46,160

spoke to whatever may or may not be

527

00:18:50,390 --> 00:18:47,840

around

528

00:18:52,470 --> 00:18:50,400

yeah good question at first sight of the

529

00:18:54,470 --> 00:18:52,480

property i can honestly say i was

530

00:18:58,150 --> 00:18:54,480

speechless

531

00:18:59,430 --> 00:18:58,160

my first my first tour of the property

532

00:19:02,870 --> 00:18:59,440

was coming in

533

00:19:06,710 --> 00:19:02,880

via helicopter via my private helicopter

534

00:19:09,110 --> 00:19:06,720

and i i came with jim morse at my side

535

00:19:11,510 --> 00:19:09,120

to inspect the property just days before

536

00:19:14,710 --> 00:19:11,520

closing on it with mr bigelow

537

00:19:16,630 --> 00:19:14,720

as we came in to the uintah basin and

538

00:19:19,350 --> 00:19:16,640

came up on the property and circled the

539

00:19:21,110 --> 00:19:19,360

property several times

540

00:19:23,990 --> 00:19:21,120

i found that it was breathtakingly

541

00:19:26,630 --> 00:19:24,000

beautiful the diversity of the landscape

542

00:19:28,549 --> 00:19:26,640

the the strikingly beautiful backdrop

543

00:19:30,870 --> 00:19:28,559

with the mesa plateau that runs the

544

00:19:34,070 --> 00:19:30,880

entire expanse of the property with cave

545

00:19:37,590 --> 00:19:34,080

systems the the old you know

546

00:19:39,669 --> 00:19:37,600

pioneer homesteads the the waterways

547

00:19:42,950 --> 00:19:39,679

that run through the property

548

00:19:45,510 --> 00:19:42,960

um you know

549

00:19:47,029 --> 00:19:45,520

it really is unparalleled in its beauty

550

00:19:49,590 --> 00:19:47,039

and its diversity

551
00:19:51,510 --> 00:19:49,600
you could shoot an entire television

552
00:19:54,630 --> 00:19:51,520
series like westworld or

553
00:19:55,430 --> 00:19:54,640
a john wayne you know cowboy western

554
00:19:57,830 --> 00:19:55,440
movie

555
00:19:58,470 --> 00:19:57,840
on this property because it it it

556
00:20:01,590 --> 00:19:58,480
features

557
00:20:03,350 --> 00:20:01,600
such incredible landscapes and that is

558
00:20:05,190 --> 00:20:03,360
what one thing that i was completely

559
00:20:05,990 --> 00:20:05,200
unprepared for when i first inspected

560
00:20:09,110 --> 00:20:06,000
the property was

561
00:20:10,230 --> 00:20:09,120
the beauty of the property and and how

562
00:20:13,830 --> 00:20:10,240
interesting

563
00:20:16,149 --> 00:20:13,840

and even intriguing the landscape is

564

00:20:17,110 --> 00:20:16,159

uh you know for the first number of

565

00:20:19,190 --> 00:20:17,120

months of

566

00:20:20,390 --> 00:20:19,200

you know my ownership and stewardship of

567

00:20:22,230 --> 00:20:20,400

the property

568

00:20:24,230 --> 00:20:22,240

you know i couldn't get over the fact

569

00:20:26,390 --> 00:20:24,240

that it was just so beautiful

570

00:20:28,630 --> 00:20:26,400

and i i didn't find it haunting or

571

00:20:31,669 --> 00:20:28,640

troubling i didn't find it

572

00:20:34,630 --> 00:20:31,679

uh to be unusual other than uh

573

00:20:35,190 --> 00:20:34,640

you know unusual in that it it presented

574

00:20:39,270 --> 00:20:35,200

a very

575

00:20:42,149 --> 00:20:39,280

stunning backdrop for this investigation

576

00:20:44,149 --> 00:20:42,159

but of course as time went on and as

577

00:20:46,870 --> 00:20:44,159

months continued

578

00:20:47,990 --> 00:20:46,880

we started seeing things we started

579

00:20:51,029 --> 00:20:48,000

observing things we

580

00:20:52,149 --> 00:20:51,039

started recording strange phenomena that

581

00:20:55,270 --> 00:20:52,159

to this day

582

00:20:57,510 --> 00:20:55,280

remains unexplained

583

00:20:59,029 --> 00:20:57,520

now george knapp recently commented and

584

00:21:00,470 --> 00:20:59,039

i'm going to quote this this is a direct

585

00:21:01,909 --> 00:21:00,480

quote from george knapp

586

00:21:04,149 --> 00:21:01,919

there were multiple attempts at

587

00:21:06,390 --> 00:21:04,159

communication during the bigelow era

588

00:21:07,669 --> 00:21:06,400

putting out certain objects and games to

589

00:21:10,630 --> 00:21:07,679

invite a response

590

00:21:12,549 --> 00:21:10,640

it worked twice not sure if brandon's

591

00:21:14,230 --> 00:21:12,559

team has tried this yet but a lot i have

592

00:21:15,270 --> 00:21:14,240

a lot of confidence in the work they are

593

00:21:17,029 --> 00:21:15,280

doing

594

00:21:18,390 --> 00:21:17,039

are you aware are you aware of those

595

00:21:22,390 --> 00:21:18,400

attempts at communication

596

00:21:25,590 --> 00:21:22,400

and have your team tried any themselves

597

00:21:28,870 --> 00:21:25,600

uh you know i i think it has been

598

00:21:31,909 --> 00:21:28,880

publicly disclosed that the bigelow team

599

00:21:35,430 --> 00:21:31,919

the participants during that era

600

00:21:38,470 --> 00:21:35,440

uh you know performed you know

601
00:21:41,590 --> 00:21:38,480
experiments in an that were

602
00:21:44,870 --> 00:21:41,600
unusual that at times you know were an

603
00:21:47,110 --> 00:21:44,880
attempt to communicate or spark

604
00:21:50,149 --> 00:21:47,120
communication

605
00:21:51,190 --> 00:21:50,159
with the entities involved with the the

606
00:21:54,230 --> 00:21:51,200
phenomena

607
00:21:56,230 --> 00:21:54,240
you know it is often stated that what is

608
00:21:59,190 --> 00:21:56,240
being observed at skinwalker ranch

609
00:21:59,909 --> 00:21:59,200
involves some type of pre-cognitive

610
00:22:02,470 --> 00:21:59,919
sentient

611
00:22:03,110 --> 00:22:02,480
intelligence and i think they they were

612
00:22:06,230 --> 00:22:03,120
focused

613
00:22:09,110 --> 00:22:06,240

after years on just communicating

614

00:22:09,909 --> 00:22:09,120

with whatever those entities may be we

615

00:22:12,310 --> 00:22:09,919

we've taken

616

00:22:14,470 --> 00:22:12,320

a very different approach uh we we've

617

00:22:15,510 --> 00:22:14,480

taken a more scientific approach and

618

00:22:17,909 --> 00:22:15,520

frankly

619

00:22:19,830 --> 00:22:17,919

a you know one that is grounded in

620

00:22:22,870 --> 00:22:19,840

observational science

621

00:22:25,190 --> 00:22:22,880

first and foremost um and and

622

00:22:26,230 --> 00:22:25,200

have not delved into i think some of the

623

00:22:29,270 --> 00:22:26,240

more

624

00:22:32,390 --> 00:22:29,280

um controversial

625

00:22:33,669 --> 00:22:32,400

uh methods of uh of investigation now

626

00:22:34,549 --> 00:22:33,679

that doesn't mean that we're not

627

00:22:35,990 --> 00:22:34,559

open-minded

628

00:22:37,669 --> 00:22:36,000

that doesn't mean that we aren't

629

00:22:39,990 --> 00:22:37,679

inviting people

630

00:22:41,430 --> 00:22:40,000

you know to the property to to bring

631

00:22:43,669 --> 00:22:41,440

different perspectives different

632

00:22:47,350 --> 00:22:43,679

approaches to the problem set

633

00:22:48,789 --> 00:22:47,360

but uh they they took a very creative

634

00:22:51,510 --> 00:22:48,799

approach at times

635

00:22:52,950 --> 00:22:51,520

to to really addressing the phenomena

636

00:22:56,549 --> 00:22:52,960

that we have yet

637

00:23:00,230 --> 00:22:58,310

now let me ask you you talk about that

638

00:23:01,830 --> 00:23:00,240

use the word summoning

639

00:23:03,510 --> 00:23:01,840

and that has a lot of different

640

00:23:05,430 --> 00:23:03,520

connotations and something that has been

641

00:23:07,430 --> 00:23:05,440

discussed quite recently and

642

00:23:09,510 --> 00:23:07,440

as we talked another article was dropped

643

00:23:11,830 --> 00:23:09,520

by the new york post regarding

644

00:23:13,350 --> 00:23:11,840

uh some comments from louis lozondo and

645

00:23:14,950 --> 00:23:13,360

people again within the

646

00:23:16,870 --> 00:23:14,960

the halls of government in the united

647

00:23:19,350 --> 00:23:16,880

states that see this

648

00:23:20,630 --> 00:23:19,360

phenomenon as being you know demonic

649

00:23:22,789 --> 00:23:20,640

potentially which

650

00:23:24,549 --> 00:23:22,799

again has a whole range of connotations

651
00:23:25,990 --> 00:23:24,559
and you're obviously a man of faith as

652
00:23:26,630 --> 00:23:26,000
well that's been well publicized and

653
00:23:29,750 --> 00:23:26,640
something

654
00:23:32,310 --> 00:23:29,760
that would put

655
00:23:32,870 --> 00:23:32,320
you or others working on the ranch off

656
00:23:35,270 --> 00:23:32,880
given

657
00:23:36,870 --> 00:23:35,280
your your strong faith that you wouldn't

658
00:23:39,190 --> 00:23:36,880
want to necessarily

659
00:23:40,950 --> 00:23:39,200
attempt that sort of communication or is

660
00:23:43,990 --> 00:23:40,960
it the danger element that may or may

661
00:23:44,000 --> 00:23:48,710
good question uh

662
00:23:56,789 --> 00:23:51,909
we're dealing with phenomena that

663
00:23:57,110 --> 00:23:56,799

is that is dangerous we we believe that

664

00:24:01,350 --> 00:23:57,120

we're

665

00:24:04,630 --> 00:24:01,360

benevolent

666

00:24:05,909 --> 00:24:04,640

entities based on the experiences and

667

00:24:08,789 --> 00:24:05,919

the evidence collected

668

00:24:11,510 --> 00:24:08,799

and i think approaching the ranch with

669

00:24:15,750 --> 00:24:11,520

the degree of reverence and humility

670

00:24:17,430 --> 00:24:15,760

is important to to maintaining

671

00:24:19,350 --> 00:24:17,440

not only the safety of those involved

672

00:24:21,909 --> 00:24:19,360

but also being able to

673

00:24:23,110 --> 00:24:21,919

discover the truth of what is what is

674

00:24:26,310 --> 00:24:23,120

happening here

675

00:24:27,029 --> 00:24:26,320

uh you know there's much said about the

676
00:24:28,789 --> 00:24:27,039
fact that

677
00:24:30,630 --> 00:24:28,799
you know participants in the

678
00:24:33,750 --> 00:24:30,640
investigation in the past

679
00:24:34,149 --> 00:24:33,760
have had things follow them home they've

680
00:24:36,710 --> 00:24:34,159
had

681
00:24:38,870 --> 00:24:36,720
phenomena that have traveled with them

682
00:24:41,430 --> 00:24:38,880
back to their place of residence and

683
00:24:42,789 --> 00:24:41,440
terrorized their families in some cases

684
00:24:43,750 --> 00:24:42,799
there are a number of military

685
00:24:45,430 --> 00:24:43,760
operatives and

686
00:24:47,669 --> 00:24:45,440
former science you know former

687
00:24:49,990 --> 00:24:47,679
scientific consultants that refuse

688
00:24:52,310 --> 00:24:50,000

to ever set foot on this property ever

689

00:24:53,269 --> 00:24:52,320

again for the rest of their lives simply

690

00:24:56,390 --> 00:24:53,279

because

691

00:24:57,669 --> 00:24:56,400

they they believe that disturbing events

692

00:25:00,630 --> 00:24:57,679

have followed them

693

00:25:01,990 --> 00:25:00,640

as a result of their engagement with the

694

00:25:05,269 --> 00:25:02,000

property

695

00:25:06,549 --> 00:25:05,279

i take those claims i take those those

696

00:25:09,590 --> 00:25:06,559

uh

697

00:25:10,149 --> 00:25:09,600

those statements very seriously and so

698

00:25:14,789 --> 00:25:10,159

we

699

00:25:18,390 --> 00:25:14,799

careful

700

00:25:20,310 --> 00:25:18,400

with the investigative protocols

701
00:25:22,549 --> 00:25:20,320
that we're putting into place and really

702
00:25:24,630 --> 00:25:22,559
the nature of the experiments

703
00:25:27,110 --> 00:25:24,640
that were we're bringing to the table

704
00:25:28,710 --> 00:25:27,120
and frankly unveiling to the general

705
00:25:31,110 --> 00:25:28,720
public you know it's

706
00:25:31,909 --> 00:25:31,120
it's not just you know instrumented

707
00:25:34,950 --> 00:25:31,919
rockets

708
00:25:37,110 --> 00:25:34,960
and balloons and ground penetrating

709
00:25:37,830 --> 00:25:37,120
radar studies but it's it's also

710
00:25:39,830 --> 00:25:37,840
bringing in

711
00:25:42,710 --> 00:25:39,840
other experts that can help us better

712
00:25:44,470 --> 00:25:42,720
understand potentially what is at play

713
00:25:46,630 --> 00:25:44,480

what does it work here at skinwalker

714

00:25:47,830 --> 00:25:46,640

ranch that will help us advance the

715

00:25:51,750 --> 00:25:47,840

investigation and

716

00:25:55,269 --> 00:25:51,760

i think being very careful not to invite

717

00:25:59,750 --> 00:25:55,279

or to provoke potentially negative

718

00:26:03,350 --> 00:25:59,760

phenomena um is is something that we

719

00:26:04,950 --> 00:26:03,360

we are sensitive to i've got one more

720

00:26:05,750 --> 00:26:04,960

question i want to ask before i get to

721

00:26:07,750 --> 00:26:05,760

talking about

722

00:26:09,350 --> 00:26:07,760

season two of the secret skin walker

723

00:26:11,190 --> 00:26:09,360

ranch now

724

00:26:12,870 --> 00:26:11,200

like we said you're a man of faith and

725

00:26:15,110 --> 00:26:12,880

uh you've commented on previous

726

00:26:17,110 --> 00:26:15,120

recent interviews that your experiences

727

00:26:19,990 --> 00:26:17,120

with skinwalker ranch have only

728

00:26:21,510 --> 00:26:20,000

reaffirmed and made your faith stronger

729

00:26:23,269 --> 00:26:21,520

what are your thoughts on how

730

00:26:26,390 --> 00:26:23,279

other religions could potentially

731

00:26:28,710 --> 00:26:26,400

integrate any form of disclosure

732

00:26:30,070 --> 00:26:28,720

or goings on into their faiths going

733

00:26:32,149 --> 00:26:30,080

forward do you see that being a

734

00:26:34,310 --> 00:26:32,159

potential issue as and when information

735

00:26:36,310 --> 00:26:34,320

does come out

736

00:26:38,149 --> 00:26:36,320

good question you know people ask me all

737

00:26:41,190 --> 00:26:38,159

the time whether what

738

00:26:43,590 --> 00:26:41,200

what i have been experiencing and and

739

00:26:45,669 --> 00:26:43,600

conducting at the ranch you know

740

00:26:48,710 --> 00:26:45,679

conflicts with my faith

741

00:26:51,269 --> 00:26:48,720

with uh with my religious upbringing

742

00:26:53,029 --> 00:26:51,279

and the honest answer is that i i i was

743

00:26:54,630 --> 00:26:53,039

raised to believe that there are worlds

744

00:26:55,990 --> 00:26:54,640

without number and that we're not alone

745

00:26:58,070 --> 00:26:56,000

in the universe

746

00:26:59,909 --> 00:26:58,080

and i believe that that what we're

747

00:27:03,190 --> 00:26:59,919

observing at skinwalker ranch

748

00:27:05,669 --> 00:27:03,200

is actually faith affirming

749

00:27:06,230 --> 00:27:05,679

and faith promoting in a lot of ways you

750

00:27:09,510 --> 00:27:06,240

know

751

00:27:11,590 --> 00:27:09,520

the idea that that not only um

752

00:27:13,990 --> 00:27:11,600

you know we may be visited but also that

753

00:27:16,789 --> 00:27:14,000

there are other dimensions of reality

754

00:27:18,230 --> 00:27:16,799

just as real that sit just beyond our

755

00:27:20,789 --> 00:27:18,240

perception

756

00:27:22,470 --> 00:27:20,799

but that may be interacting with us i

757

00:27:25,590 --> 00:27:22,480

think uh

758

00:27:28,389 --> 00:27:25,600

i think is it it's exciting

759

00:27:30,230 --> 00:27:28,399

it's thought-provoking and it calls into

760

00:27:32,470 --> 00:27:30,240

question the very nature of our

761

00:27:34,470 --> 00:27:32,480

existence on this planet i mean

762

00:27:36,389 --> 00:27:34,480

where did we come from why are we here

763

00:27:38,470 --> 00:27:36,399

where are we going those time

764

00:27:40,070 --> 00:27:38,480

oh you know those time-honored questions

765

00:27:42,950 --> 00:27:40,080

that have been asked

766

00:27:44,149 --> 00:27:42,960

by by people you know for thousands of

767

00:27:47,510 --> 00:27:44,159

years i think

768

00:27:50,230 --> 00:27:47,520

to a degree may be answered

769

00:27:51,029 --> 00:27:50,240

through our investigation and what we

770

00:27:53,350 --> 00:27:51,039

are uh

771

00:27:55,110 --> 00:27:53,360

what we are delving into at skinwalker

772

00:27:57,590 --> 00:27:55,120

ranch

773

00:27:59,830 --> 00:27:57,600

given the previous uh involvement with

774

00:28:02,389 --> 00:27:59,840

the us government during the bigelow era

775

00:28:05,190 --> 00:28:02,399

do you feel there are any repercussions

776

00:28:06,230 --> 00:28:05,200

or consequences of the upcoming uap task

777

00:28:08,470 --> 00:28:06,240

force report

778

00:28:10,070 --> 00:28:08,480

potentially coming out obviously a lot

779

00:28:12,070 --> 00:28:10,080

of talk it may be delayed

780

00:28:13,510 --> 00:28:12,080

could that affect the investigation or

781

00:28:15,510 --> 00:28:13,520

could that have any betting on what

782

00:28:18,549 --> 00:28:15,520

happens going forward for you

783

00:28:21,750 --> 00:28:18,559

no we're operating independently

784

00:28:23,110 --> 00:28:21,760

you know i by design i've kept this as a

785

00:28:25,830 --> 00:28:23,120

private

786

00:28:27,029 --> 00:28:25,840

uh effort you know i do not hold any

787

00:28:30,230 --> 00:28:27,039

security clearances

788

00:28:33,990 --> 00:28:30,240

we are not engaged with you know

789

00:28:36,630 --> 00:28:34,000

the government or any you know

790

00:28:37,590 --> 00:28:36,640

public interests relative to the

791

00:28:41,190 --> 00:28:37,600

investigation

792

00:28:44,549 --> 00:28:41,200

i i i applaud

793

00:28:46,470 --> 00:28:44,559

and support any efforts for disclosure

794

00:28:48,470 --> 00:28:46,480

for you know informing the public

795

00:28:49,909 --> 00:28:48,480

relative to to what is going on and

796

00:28:52,870 --> 00:28:49,919

really the nature

797

00:28:53,750 --> 00:28:52,880

of of our world and our reality but you

798

00:28:56,710 --> 00:28:53,760

know we

799

00:28:58,310 --> 00:28:56,720

we're on our own path and conducting a

800

00:29:02,230 --> 00:28:58,320

very dynamic

801
00:29:04,950 --> 00:29:02,240
research study that i believe is uh

802
00:29:06,230 --> 00:29:04,960
is focused on results and is focused on

803
00:29:09,669 --> 00:29:06,240
getting to the bottom

804
00:29:12,870 --> 00:29:09,679
of of of answering these questions

805
00:29:15,510 --> 00:29:12,880
and i don't know that uh that

806
00:29:16,389 --> 00:29:15,520
that government channels are going to be

807
00:29:19,510 --> 00:29:16,399
in a position

808
00:29:22,549 --> 00:29:19,520
to either shed light

809
00:29:25,990 --> 00:29:22,559
on those on those topics

810
00:29:29,190 --> 00:29:26,000
at least to the degree uh that

811
00:29:31,190 --> 00:29:29,200
that would satisfy concerns um i

812
00:29:34,070 --> 00:29:31,200
i think our private sector approach is

813
00:29:38,070 --> 00:29:34,080

unique and uniquely qualified to bring

814

00:29:41,190 --> 00:29:38,080

truth forward and to i think reveal

815

00:29:41,990 --> 00:29:41,200

uh the nature of of really the phenomena

816

00:29:45,110 --> 00:29:42,000

and

817

00:29:48,950 --> 00:29:45,120

you know the the the core claims

818

00:29:52,389 --> 00:29:51,190

now season two the secret skin walker

819

00:29:55,029 --> 00:29:52,399

ranch that's what

820

00:29:56,630 --> 00:29:55,039

you're here to talk about as well and i

821

00:29:58,070 --> 00:29:56,640

loved the first two episodes i was a big

822

00:30:00,070 --> 00:29:58,080

fan of the first series

823

00:30:02,549 --> 00:30:00,080

this podcast was in its very early days

824

00:30:03,909 --> 00:30:02,559

and myself and my co-host dan

825

00:30:05,750 --> 00:30:03,919

we've done a watch along with every

826
00:30:06,389 --> 00:30:05,760
episode and we commented and talked

827
00:30:07,669 --> 00:30:06,399
about it

828
00:30:09,430 --> 00:30:07,679
and we'll be bringing that back for the

829
00:30:11,190 --> 00:30:09,440
new series but another view format

830
00:30:13,269 --> 00:30:11,200
rather than watching along now it

831
00:30:16,549 --> 00:30:13,279
premieres on the fourth of may in the us

832
00:30:18,070 --> 00:30:16,559
on history at 10 or 9 p.m central

833
00:30:20,149 --> 00:30:18,080
like i said i was really fortunate to

834
00:30:22,149 --> 00:30:20,159
see the first two episodes of season two

835
00:30:24,389 --> 00:30:22,159
and it gets right into things there's no

836
00:30:26,070 --> 00:30:24,399
messing about there's no slow build

837
00:30:27,990 --> 00:30:26,080
it's straight into that high level

838
00:30:31,029 --> 00:30:28,000

scientific investigation

839

00:30:32,710 --> 00:30:31,039

yeah we don't screw around um and and we

840

00:30:35,909 --> 00:30:32,720

are very fortunate to see

841

00:30:37,350 --> 00:30:35,919

immediate activity and results and and

842

00:30:40,710 --> 00:30:37,360

none of this is contrived

843

00:30:42,870 --> 00:30:40,720

there is nothing faked nothing contrived

844

00:30:44,389 --> 00:30:42,880

it is it it is a hundred percent

845

00:30:48,389 --> 00:30:44,399

authentic and true

846

00:30:52,230 --> 00:30:48,399

you know and and that that continues

847

00:30:53,909 --> 00:30:52,240

uh to be the uh the number one priority

848

00:30:55,430 --> 00:30:53,919

associated with this investigative

849

00:30:58,950 --> 00:30:55,440

series present

850

00:31:01,430 --> 00:30:58,960

the truth um and and frankly

851
00:31:02,789 --> 00:31:01,440
you know inform the public relative to

852
00:31:04,549 --> 00:31:02,799
what we are doing what

853
00:31:05,909 --> 00:31:04,559
what we are experiencing with our

854
00:31:08,230 --> 00:31:05,919
investigation i mean i

855
00:31:10,549 --> 00:31:08,240
i look at you know what we are about

856
00:31:13,350 --> 00:31:10,559
ready to unveil in season two

857
00:31:14,149 --> 00:31:13,360
and it feels like christmas eve it feels

858
00:31:17,029 --> 00:31:14,159
like

859
00:31:19,110 --> 00:31:17,039
um you know you know we're at a pivotal

860
00:31:22,470 --> 00:31:19,120
moment to be able to

861
00:31:26,149 --> 00:31:22,480
to unveil a lot of new not only

862
00:31:28,389 --> 00:31:26,159
experiments but also the result of uh

863
00:31:29,590 --> 00:31:28,399

you know advancing the investigation

864

00:31:32,230 --> 00:31:29,600

that we saw this past

865

00:31:33,830 --> 00:31:32,240

year again i you've probably you've

866

00:31:37,029 --> 00:31:33,840

probably heard me state

867

00:31:38,630 --> 00:31:37,039

that i i believe we revealed more in the

868

00:31:42,149 --> 00:31:38,640

first 20 minutes

869

00:31:43,830 --> 00:31:42,159

of our first episode um of of really

870

00:31:47,430 --> 00:31:43,840

kicking off this series than

871

00:31:48,549 --> 00:31:47,440

than i'd seen in 20 years relative to

872

00:31:50,870 --> 00:31:48,559

these topics

873

00:31:52,070 --> 00:31:50,880

in the in the public domain and we look

874

00:31:54,149 --> 00:31:52,080

forward to

875

00:31:55,430 --> 00:31:54,159

to continuing to inform the public and

876
00:31:58,070 --> 00:31:55,440
really you know

877
00:31:58,710 --> 00:31:58,080
letting everyone have a front row seat

878
00:32:01,750 --> 00:31:58,720
to

879
00:32:03,669 --> 00:32:01,760
it's a

880
00:32:05,430 --> 00:32:03,679
you know a lot of it you know science

881
00:32:06,630 --> 00:32:05,440
isn't always exciting you know you're

882
00:32:09,430 --> 00:32:06,640
not going to have

883
00:32:10,630 --> 00:32:09,440
strange things happen at all times um

884
00:32:14,630 --> 00:32:10,640
you can't

885
00:32:17,669 --> 00:32:14,640
paranormal

886
00:32:19,590 --> 00:32:17,679
or high strangeness you just have to

887
00:32:21,590 --> 00:32:19,600
you just have to go about your business

888
00:32:24,630 --> 00:32:21,600

in a very honest authentic way

889

00:32:25,269 --> 00:32:24,640

and just let let things happen as they

890

00:32:26,870 --> 00:32:25,279

happen

891

00:32:28,549 --> 00:32:26,880

and i think that what you see with the

892

00:32:32,549 --> 00:32:28,559

team is a

893

00:32:36,310 --> 00:32:32,559

is is is a very unprecedented effort to

894

00:32:39,269 --> 00:32:36,320

to reveal the day-to-day activities

895

00:32:41,430 --> 00:32:39,279

and experiences on this uh this very

896

00:32:43,269 --> 00:32:41,440

unique piece

897

00:32:44,710 --> 00:32:43,279

now of property this spoiler free for

898

00:32:46,549 --> 00:32:44,720

people obviously and earlier on you

899

00:32:47,110 --> 00:32:46,559

mentioned waterways and that plays a

900

00:32:48,950 --> 00:32:47,120

part in

901
00:32:50,549 --> 00:32:48,960
one of the first episodes i had to

902
00:32:51,909 --> 00:32:50,559
explain to my wife why what they were

903
00:32:53,430 --> 00:32:51,919
doing was relevant and

904
00:32:55,430 --> 00:32:53,440
you make a really good point that you

905
00:32:56,549 --> 00:32:55,440
are filming an ongoing scientific

906
00:32:58,310 --> 00:32:56,559
investigation

907
00:32:59,830 --> 00:32:58,320
the same reason people can't just walk

908
00:33:01,669 --> 00:32:59,840
onto the ranch the same reason the

909
00:33:03,430 --> 00:33:01,679
security fences up for

910
00:33:05,830 --> 00:33:03,440
both the ranch and people's personal

911
00:33:08,310 --> 00:33:05,840
protection now

912
00:33:10,389 --> 00:33:08,320
portals is a word that was used easy for

913
00:33:10,950 --> 00:33:10,399

me to say in a scottish accent um and

914

00:33:14,470 --> 00:33:10,960

the

915

00:33:14,870 --> 00:33:14,480

that's quite an eyebrow razor when you

916

00:33:16,950 --> 00:33:14,880

hear

917

00:33:18,230 --> 00:33:16,960

portals are opening up can you give us a

918

00:33:20,470 --> 00:33:18,240

little bit of an indication

919

00:33:22,149 --> 00:33:20,480

as to what what our experiences may have

920

00:33:24,470 --> 00:33:22,159

gone on to do with that

921

00:33:25,990 --> 00:33:24,480

you bet you know if you look back on the

922

00:33:28,950 --> 00:33:26,000

history of the property

923

00:33:29,750 --> 00:33:28,960

you know under the bigelow uh era in the

924

00:33:32,870 --> 00:33:29,760

bigelow

925

00:33:34,389 --> 00:33:32,880

team's investigation they had eyewitness

926

00:33:36,389 --> 00:33:34,399

accounts of portals

927

00:33:37,990 --> 00:33:36,399

opening up in the sky or opening up

928

00:33:40,549 --> 00:33:38,000

right above the homesteads

929

00:33:42,230 --> 00:33:40,559

you know specifically over homestead 2

930

00:33:45,750 --> 00:33:42,240

and homestead 3

931

00:33:47,269 --> 00:33:45,760

where you know various phenomena would

932

00:33:50,789 --> 00:33:47,279

come in and out

933

00:33:52,710 --> 00:33:50,799

of those portals on the property

934

00:33:54,389 --> 00:33:52,720

and you know one thing that we've tried

935

00:33:57,430 --> 00:33:54,399

to do is is

936

00:33:57,909 --> 00:33:57,440

is investigate whether whether there is

937

00:33:59,830 --> 00:33:57,919

some

938

00:34:02,070 --> 00:33:59,840

truth to those claims and whether there

939

00:34:05,430 --> 00:34:02,080

are portals on this property and

940

00:34:07,590 --> 00:34:05,440

what what evidence may exist

941

00:34:09,030 --> 00:34:07,600

or what environmental conditions may

942

00:34:12,230 --> 00:34:09,040

exist that allow

943

00:34:15,270 --> 00:34:12,240

for that type of phenomena to exist

944

00:34:18,829 --> 00:34:15,280

on the property and so we we bring

945

00:34:22,149 --> 00:34:18,839

a higher level of of

946

00:34:25,270 --> 00:34:22,159

equipment and instrumentation

947

00:34:27,909 --> 00:34:25,280

to to this season two effort

948

00:34:29,750 --> 00:34:27,919

in service to really delving into

949

00:34:32,230 --> 00:34:29,760

whether there really are

950

00:34:33,589 --> 00:34:32,240

um strange things occurring

951

00:34:37,109 --> 00:34:33,599

environmentally that would

952

00:34:40,310 --> 00:34:37,119

point to portal activity on the property

953

00:34:42,790 --> 00:34:40,320

you mentioned various phenomena and

954

00:34:43,990 --> 00:34:42,800

it's got me thinking that people always

955

00:34:47,829 --> 00:34:44,000

talk ufos

956

00:34:48,790 --> 00:34:47,839

aliens ghosts orbs dire werewolf type

957

00:34:50,230 --> 00:34:48,800

creatures

958

00:34:52,149 --> 00:34:50,240

is there anything that just isn't

959

00:34:53,430 --> 00:34:52,159

mentioned but you're aware of but people

960

00:34:56,389 --> 00:34:53,440

just don't talk about

961

00:34:57,109 --> 00:34:56,399

have i left something off of that list

962

00:34:59,510 --> 00:34:57,119

well

963

00:35:00,470 --> 00:34:59,520

their orbs you know what would appear to

964

00:35:03,270 --> 00:35:00,480

be intelli

965

00:35:04,550 --> 00:35:03,280

intelligently controlled orbs that's

966

00:35:07,349 --> 00:35:04,560

that appear

967

00:35:08,550 --> 00:35:07,359

on the property that have been reported

968

00:35:13,589 --> 00:35:08,560

for

969

00:35:16,150 --> 00:35:13,599

cattle mutilation phenomena

970

00:35:17,430 --> 00:35:16,160

has been real you know the the fact that

971

00:35:19,829 --> 00:35:17,440

animals

972

00:35:20,950 --> 00:35:19,839

um have been impacted i mean in season

973

00:35:24,310 --> 00:35:20,960

one we had

974

00:35:26,630 --> 00:35:24,320

a cow die uh we believe you know

975

00:35:28,630 --> 00:35:26,640

suspiciously i mean you know to take a

976
00:35:32,790 --> 00:35:28,640
perfectly healthy calf

977
00:35:35,910 --> 00:35:32,800
and within a a very short abbreviated

978
00:35:40,150 --> 00:35:35,920
period of time to see it die

979
00:35:42,950 --> 00:35:40,160
from stress-induced pneumonia

980
00:35:44,069 --> 00:35:42,960
and and and the events surrounding that

981
00:35:48,150 --> 00:35:44,079
death to be

982
00:35:50,069 --> 00:35:48,160
very very um mysterious i mean

983
00:35:51,510 --> 00:35:50,079
electromagnetic anomalies when you have

984
00:35:54,310 --> 00:35:51,520
both iphone

985
00:35:55,990 --> 00:35:54,320
and samsung galaxy devices that are

986
00:35:59,190 --> 00:35:56,000
acting strangely

987
00:36:02,630 --> 00:35:59,200
and then all of the instrumentation um

988
00:36:04,630 --> 00:36:02,640

reacting to something that uh was

989

00:36:06,790 --> 00:36:04,640

definitely unusual going on and then to

990

00:36:09,829 --> 00:36:06,800

pull up the camera surveillance

991

00:36:13,109 --> 00:36:09,839

and to see an object that appeared

992

00:36:17,030 --> 00:36:13,119

in the sky right above that animal as it

993

00:36:25,430 --> 00:36:20,950

it's it's it is some of the most

994

00:36:28,550 --> 00:36:25,440

disturbing and intriguing

995

00:36:29,829 --> 00:36:28,560

activity that has ever been captured on

996

00:36:31,990 --> 00:36:29,839

camera and witnessed

997

00:36:33,990 --> 00:36:32,000

on this property i mean going back

998

00:36:34,950 --> 00:36:34,000

decades the sherman family the previous

999

00:36:37,670 --> 00:36:34,960

owners before

1000

00:36:38,150 --> 00:36:37,680

bigelow had you know many of their

1001
00:36:41,510 --> 00:36:38,160
prized

1002
00:36:42,470 --> 00:36:41,520
cattle end up mutilated with surgical

1003
00:36:46,150 --> 00:36:42,480
precision

1004
00:36:50,069 --> 00:36:46,160
in broad daylight drained of their blood

1005
00:36:54,630 --> 00:36:50,079
no blood on or around these animals

1006
00:36:57,990 --> 00:36:54,640
yet surgically dissected within

1007
00:37:01,349 --> 00:36:58,000
within minutes and

1008
00:37:04,390 --> 00:37:01,359
and no conventional explanation but

1009
00:37:07,430 --> 00:37:04,400
but to see you know indentations

1010
00:37:09,670 --> 00:37:07,440
depressions in the fields

1011
00:37:10,870 --> 00:37:09,680
of something some type of craft or

1012
00:37:13,910 --> 00:37:10,880
object that

1013
00:37:17,430 --> 00:37:13,920

that that apparently attended

1014

00:37:20,230 --> 00:37:17,440

some of these events potentially

1015

00:37:20,950 --> 00:37:20,240

just adds to the mystery you know i

1016

00:37:25,589 --> 00:37:20,960

think you know

1017

00:37:27,030 --> 00:37:25,599

it's it's no keep going

1018

00:37:28,870 --> 00:37:27,040

any questions i just wanted to ask do

1019

00:37:31,030 --> 00:37:28,880

you have a favorite moment yeah

1020

00:37:34,069 --> 00:37:31,040

of the second season do you have like a

1021

00:37:37,910 --> 00:37:34,079

favorite moment that you can talk about

1022

00:37:41,430 --> 00:37:37,920

ooh that i can speak about um

1023

00:37:43,030 --> 00:37:41,440

wow well i it's it

1024

00:37:44,630 --> 00:37:43,040

there are so many things that happened

1025

00:37:47,990 --> 00:37:44,640

during season two

1026

00:37:52,950 --> 00:37:48,000

um during filming this past year

1027

00:37:56,550 --> 00:37:52,960

with the team you know one thing that we

1028

00:37:59,589 --> 00:37:56,560

that we did that that i

1029

00:38:01,990 --> 00:37:59,599

i was not willing to do during the

1030

00:38:04,710 --> 00:38:02,000

filming of season one

1031

00:38:06,230 --> 00:38:04,720

was uh we put into service the

1032

00:38:12,550 --> 00:38:06,240

helicopter

1033

00:38:14,390 --> 00:38:12,560

a part of the investigation and what we

1034

00:38:19,109 --> 00:38:14,400

witnessed

1035

00:38:21,990 --> 00:38:19,119

was stunning

1036

00:38:23,190 --> 00:38:22,000

uh i can't say anything more but uh you

1037

00:38:26,390 --> 00:38:23,200

know

1038

00:38:27,109 --> 00:38:26,400

the trailers the the previews to season

1039

00:38:29,430 --> 00:38:27,119

two

1040

00:38:31,670 --> 00:38:29,440

you catch glimpses of what we do

1041

00:38:33,430 --> 00:38:31,680

everything from more aggressive digging

1042

00:38:35,750 --> 00:38:33,440

and exploration on the property to

1043

00:38:38,630 --> 00:38:35,760

utilizing laser technology

1044

00:38:39,750 --> 00:38:38,640

in new innovative ways to investigate

1045

00:38:42,630 --> 00:38:39,760

the phenomena to

1046

00:38:43,430 --> 00:38:42,640

also using our aviation assets in

1047

00:38:46,790 --> 00:38:43,440

service to

1048

00:38:50,150 --> 00:38:46,800

exploring what lies above the ranch

1049

00:38:51,829 --> 00:38:50,160

as we are also investigating what may

1050

00:38:54,710 --> 00:38:51,839

lie below the ranch

1051
00:38:56,470 --> 00:38:54,720
is it is really key to elevating the

1052
00:38:58,550 --> 00:38:56,480
nature of our investigation and

1053
00:39:02,150 --> 00:38:58,560
it sets us apart from anything else

1054
00:39:05,270 --> 00:39:03,430
now i've got a couple of listener

1055
00:39:07,109 --> 00:39:05,280
questions for you just to finish off

1056
00:39:08,710 --> 00:39:07,119
but could i ask before we get to those

1057
00:39:09,910 --> 00:39:08,720
if you could sum up in just a few

1058
00:39:12,150 --> 00:39:09,920
sentences

1059
00:39:14,150 --> 00:39:12,160
what is going on at skinwalker ranch how

1060
00:39:17,990 --> 00:39:14,160
might that sound

1061
00:39:23,030 --> 00:39:21,109
skinwalker ranch continues to be the

1062
00:39:24,470 --> 00:39:23,040
most scientifically studied paranormal

1063
00:39:27,750 --> 00:39:24,480

hotspot

1064

00:39:28,790 --> 00:39:27,760

on the planet this 512 acre piece of

1065

00:39:32,470 --> 00:39:28,800

property

1066

00:39:34,550 --> 00:39:32,480

is part of an active ongoing scientific

1067

00:39:39,829 --> 00:39:34,560

investigation

1068

00:39:43,349 --> 00:39:39,839

that continues 24 7 365 days a year

1069

00:39:46,470 --> 00:39:43,359

we have engaged experts

1070

00:39:49,750 --> 00:39:46,480

everyone from an on-site

1071

00:39:52,950 --> 00:39:49,760

credentialed anthropologist full-time

1072

00:39:56,470 --> 00:39:52,960

to physicists with

1073

00:40:00,790 --> 00:39:56,480

credentials and expertise

1074

00:40:03,109 --> 00:40:00,800

that that bring a level of focus and

1075

00:40:06,069 --> 00:40:03,119

scientific rigor

1076

00:40:07,109 --> 00:40:06,079

that is unparalleled to this

1077

00:40:10,550 --> 00:40:07,119

investigation

1078

00:40:11,270 --> 00:40:10,560

and to these topics and we look forward

1079

00:40:14,470 --> 00:40:11,280

to

1080

00:40:16,230 --> 00:40:14,480

answering many of these questions that

1081

00:40:18,630 --> 00:40:16,240

have been posed

1082

00:40:20,230 --> 00:40:18,640

for thousands of years relative to the

1083

00:40:21,750 --> 00:40:20,240

nature of our existence and the nature

1084

00:40:25,030 --> 00:40:21,760

of our world hopefully

1085

00:40:28,069 --> 00:40:25,040

on this property it is quite literally a

1086

00:40:32,390 --> 00:40:28,079

living laboratory

1087

00:40:34,550 --> 00:40:32,400

in service to studying the phenomena

1088

00:40:36,230 --> 00:40:34,560

now i got a lot of questions sent in for

1089

00:40:37,910 --> 00:40:36,240

you of which many i'll have to keep for

1090

00:40:39,109 --> 00:40:37,920

another time brandon but i've got a few

1091

00:40:42,790 --> 00:40:39,119

just to put to you

1092

00:40:44,710 --> 00:40:42,800

um steven wanted to know would you be

1093

00:40:45,589 --> 00:40:44,720

doing another live feed like you've done

1094

00:40:47,829 --> 00:40:45,599

previously

1095

00:40:48,870 --> 00:40:47,839

with the webcams directly onto the ranch

1096

00:40:51,430 --> 00:40:48,880

yeah good question

1097

00:40:53,270 --> 00:40:51,440

we in partnership with newsweek or no it

1098

00:40:54,550 --> 00:40:53,280

wasn't newsweek it was in partnership

1099

00:40:57,030 --> 00:40:54,560

with reddit

1100

00:40:59,430 --> 00:40:57,040

this last year had a live stream i think

1101
00:41:03,109 --> 00:40:59,440
it was a 24-hour live stream

1102
00:41:05,190 --> 00:41:03,119
live stream where the public really saw

1103
00:41:06,870 --> 00:41:05,200
through you know many of our

1104
00:41:08,790 --> 00:41:06,880
surveillance cameras

1105
00:41:10,870 --> 00:41:08,800
what we are monitoring on the ranch and

1106
00:41:13,670 --> 00:41:10,880
were were given a sneak peek

1107
00:41:15,990 --> 00:41:13,680
at really the day-to-day activity on the

1108
00:41:19,510 --> 00:41:16,000
property i'm not sure if that is set up

1109
00:41:22,069 --> 00:41:19,520
if that has been coordinated for uh

1110
00:41:23,109 --> 00:41:22,079
this coming week with the team i mean

1111
00:41:25,510 --> 00:41:23,119
these things take

1112
00:41:26,550 --> 00:41:25,520
a level of coordination in order to live

1113
00:41:28,870 --> 00:41:26,560

stream

1114

00:41:30,630 --> 00:41:28,880

and and really in order to access our

1115

00:41:32,309 --> 00:41:30,640

proprietary systems

1116

00:41:34,470 --> 00:41:32,319

and we've established a scientific

1117

00:41:35,190 --> 00:41:34,480

platform there on site in the command

1118

00:41:38,550 --> 00:41:35,200

center

1119

00:41:40,790 --> 00:41:38,560

that is unique and opening that up for

1120

00:41:42,069 --> 00:41:40,800

a live stream and for public access or

1121

00:41:43,990 --> 00:41:42,079

at least viewing

1122

00:41:45,910 --> 00:41:44,000

is something that that requires a little

1123

00:41:46,790 --> 00:41:45,920

bit of coordination i am more than

1124

00:41:50,390 --> 00:41:46,800

willing

1125

00:41:50,950 --> 00:41:50,400

to to do so again and if not this coming

1126

00:41:54,069 --> 00:41:50,960

week

1127

00:41:55,670 --> 00:41:54,079

we we look forward to to having that be

1128

00:41:56,550 --> 00:41:55,680

a part of future engagement with the

1129

00:41:58,470 --> 00:41:56,560

public so

1130

00:42:00,950 --> 00:41:58,480

we're we're looking into it uh but i'm

1131

00:42:03,349 --> 00:42:00,960

not sure whether we're doing that

1132

00:42:05,510 --> 00:42:03,359

in connection with uh season two launch

1133

00:42:08,069 --> 00:42:05,520

it as of yet

1134

00:42:09,910 --> 00:42:08,079

uh david lorimer asked has the team and

1135

00:42:12,550 --> 00:42:09,920

their investigations detected any

1136

00:42:16,309 --> 00:42:12,560

powerful radio frequencies or x-band

1137

00:42:20,150 --> 00:42:16,319

radar emissions well start the ranch

1138

00:42:23,430 --> 00:42:20,160

yes all the time but

1139

00:42:27,589 --> 00:42:23,440

it's transient it's unpredictable

1140

00:42:31,109 --> 00:42:27,599

and it moves to different positions

1141

00:42:35,589 --> 00:42:31,119

on the property

1142

00:42:37,750 --> 00:42:35,599

even though we see repeated occurrences

1143

00:42:38,790 --> 00:42:37,760

and and we've been collecting data on

1144

00:42:41,750 --> 00:42:38,800

those events

1145

00:42:45,670 --> 00:42:41,760

on a regular basis it is completely

1146

00:42:49,190 --> 00:42:45,680

unpredictable and transient

1147

00:42:51,109 --> 00:42:49,200

stay tuned interesting answer

1148

00:42:53,510 --> 00:42:51,119

this next question i had to read four or

1149

00:42:54,230 --> 00:42:53,520

five times and get my co-host opinion on

1150

00:42:55,589 --> 00:42:54,240

it because

1151

00:42:58,550 --> 00:42:55,599

it's really different but i thought i'd

1152

00:43:01,270 --> 00:42:58,560

put this to you so rather be squidding

1153

00:43:02,870 --> 00:43:01,280

asked skinwalker ranch sits on the

1154

00:43:05,589 --> 00:43:02,880

phosphoria formation

1155

00:43:07,349 --> 00:43:05,599

which is uranium-bearing phosphate rock

1156

00:43:08,309 --> 00:43:07,359

phosphorus is the most rare essential

1157

00:43:10,230 --> 00:43:08,319

element of life

1158

00:43:11,910 --> 00:43:10,240

and our unsustainable use of it may be

1159

00:43:12,950 --> 00:43:11,920

quite interesting to an observing

1160

00:43:15,109 --> 00:43:12,960

intelligence

1161

00:43:16,870 --> 00:43:15,119

has brandon ever considered a connection

1162

00:43:19,270 --> 00:43:16,880

to this rock or the mining of it that

1163

00:43:21,829 --> 00:43:19,280

goes on near the ranch

1164

00:43:24,150 --> 00:43:21,839

uh yes we we have actually been studying

1165

00:43:25,829 --> 00:43:24,160

the geology

1166

00:43:27,190 --> 00:43:25,839

of not only the property but the

1167

00:43:29,670 --> 00:43:27,200

surrounding area

1168

00:43:31,349 --> 00:43:29,680

again i i believed when i acquired the

1169

00:43:33,670 --> 00:43:31,359

property that there was a natural

1170

00:43:34,390 --> 00:43:33,680

prosaic explanation associated with the

1171

00:43:36,230 --> 00:43:34,400

phenomena

1172

00:43:38,550 --> 00:43:36,240

that had been reported you know i

1173

00:43:41,589 --> 00:43:38,560

believe that there was a likely

1174

00:43:43,030 --> 00:43:41,599

tight and connection to seismic activity

1175

00:43:46,150 --> 00:43:43,040

and the geology

1176
00:43:47,589 --> 00:43:46,160
that would explain uh you know a lot of

1177
00:43:50,870 --> 00:43:47,599
the unique

1178
00:43:54,550 --> 00:43:50,880
uh events that had been

1179
00:43:58,390 --> 00:43:54,560
reported for for so long

1180
00:44:01,990 --> 00:43:58,400
uh interestingly we have not

1181
00:44:06,550 --> 00:44:02,000
been able to ascribe any

1182
00:44:10,630 --> 00:44:06,560
natural cause to many of the events

1183
00:44:15,270 --> 00:44:13,910
oh the incidents of high strangeness

1184
00:44:18,150 --> 00:44:15,280
that have occurred

1185
00:44:19,910 --> 00:44:18,160
so we'll continue to study it but even

1186
00:44:22,150 --> 00:44:19,920
though we're aware of the geology the

1187
00:44:23,750 --> 00:44:22,160
geology does not seem to be playing a

1188
00:44:27,030 --> 00:44:23,760

role

1189

00:44:29,990 --> 00:44:27,040

yet with with respect to the phenomena

1190

00:44:33,190 --> 00:44:30,000

or at least explaining you know

1191

00:44:35,190 --> 00:44:33,200

providing explanation

1192

00:44:37,190 --> 00:44:35,200

barry asks are there any specific times

1193

00:44:38,309 --> 00:44:37,200

of year that you have noticed more or

1194

00:44:40,390 --> 00:44:38,319

less activity

1195

00:44:43,829 --> 00:44:40,400

any patterns that match previous studies

1196

00:44:51,109 --> 00:44:48,309

uh you know we we actually

1197

00:44:52,950 --> 00:44:51,119

study the historical data the historical

1198

00:44:54,790 --> 00:44:52,960

narrative relative to the property we've

1199

00:44:57,829 --> 00:44:54,800

been collaborating with

1200

00:44:58,630 --> 00:44:57,839

you know mr bigelow's you know former

1201
00:45:00,710 --> 00:44:58,640
team members

1202
00:45:02,069 --> 00:45:00,720
and scientists in service to better

1203
00:45:04,710 --> 00:45:02,079
understanding

1204
00:45:06,710 --> 00:45:04,720
the framework associated with the ranch

1205
00:45:08,390 --> 00:45:06,720
and the history and what has transpired

1206
00:45:11,430 --> 00:45:08,400
in the past and whether there are

1207
00:45:14,630 --> 00:45:11,440
you know correlations um or

1208
00:45:16,710 --> 00:45:14,640
new insights that can be gleaned um

1209
00:45:18,790 --> 00:45:16,720
by virtue of our investigation looking

1210
00:45:21,109 --> 00:45:18,800
back on on what they had

1211
00:45:22,870 --> 00:45:21,119
what they had observed but you know a

1212
00:45:26,150 --> 00:45:22,880
lot of what we are doing is really

1213
00:45:30,630 --> 00:45:26,160

brand new it's opening a new chapter

1214

00:45:34,630 --> 00:45:30,640

and conducting a completely

1215

00:45:37,910 --> 00:45:34,640

new and elevated level of investigation

1216

00:45:39,670 --> 00:45:37,920

relative to the property and to finish

1217

00:45:40,390 --> 00:45:39,680

up brandon uh to show you the reach of

1218

00:45:42,950 --> 00:45:40,400

the program

1219

00:45:44,390 --> 00:45:42,960

my five-year-old son had a question and

1220

00:45:46,550 --> 00:45:44,400

this is from charlie

1221

00:45:48,470 --> 00:45:46,560

he wants to know is there a spaceship

1222

00:45:51,510 --> 00:45:48,480

under the ranch

1223

00:45:53,430 --> 00:45:51,520

well charlie i'm gonna find out um

1224

00:45:54,950 --> 00:45:53,440

that's a good question there's

1225

00:45:57,750 --> 00:45:54,960

definitely something going on

1226
00:45:58,309 --> 00:45:57,760
both above and below the property and

1227
00:46:01,510 --> 00:45:58,319
you know

1228
00:46:03,829 --> 00:46:01,520
that's one explanation for

1229
00:46:05,670 --> 00:46:03,839
why we continue to see strange things

1230
00:46:07,990 --> 00:46:05,680
happen on the property

1231
00:46:09,910 --> 00:46:08,000
but uh stay tuned that's something that

1232
00:46:11,270 --> 00:46:09,920
we are definitely investigating and

1233
00:46:14,470 --> 00:46:11,280
exploring and maybe

1234
00:46:15,030 --> 00:46:14,480
a you know it may be an explanation it

1235
00:46:18,630 --> 00:46:15,040
may be an

1236
00:46:19,910 --> 00:46:18,640
answer good question he so

1237
00:46:21,589 --> 00:46:19,920
yeah he saw me watching one of the

1238
00:46:23,430 --> 00:46:21,599

episodes last year where travis taylor

1239

00:46:24,630 --> 00:46:23,440

was doing the ground penetrating radar

1240

00:46:25,990 --> 00:46:24,640

and drew the shape

1241

00:46:27,349 --> 00:46:26,000

and the first thing he said at four

1242

00:46:28,950 --> 00:46:27,359

years old at the time was that looks

1243

00:46:30,309 --> 00:46:28,960

like a spaceship so

1244

00:46:32,230 --> 00:46:30,319

i asked him today and he brought that

1245

00:46:34,069 --> 00:46:32,240

back up so yeah

1246

00:46:35,589 --> 00:46:34,079

we're that's that's a good question and

1247

00:46:38,630 --> 00:46:35,599

it's something that we're um

1248

00:46:41,990 --> 00:46:38,640

studying and uh that we'll be

1249

00:46:43,750 --> 00:46:42,000

actually delving into in season two

1250

00:46:45,430 --> 00:46:43,760

any final words for the listeners and

1251
00:46:48,150 --> 00:46:45,440
viewers brandon

1252
00:46:49,589 --> 00:46:48,160
yeah i just want to thank everyone for

1253
00:46:52,390 --> 00:46:49,599
following our journey

1254
00:46:53,190 --> 00:46:52,400
and this is this is a new experience for

1255
00:46:55,750 --> 00:46:53,200
all of us

1256
00:46:58,230 --> 00:46:55,760
uh again none of us with the exception

1257
00:47:01,750 --> 00:46:58,240
of dr taylor had ever been on television

1258
00:47:05,270 --> 00:47:01,760
had any experience with being filmed and

1259
00:47:07,670 --> 00:47:05,280
you know we really appreciate everyone

1260
00:47:08,309 --> 00:47:07,680
following our journey and being

1261
00:47:11,349 --> 00:47:08,319
interested

1262
00:47:14,790 --> 00:47:11,359
in these same topics we we're excited

1263
00:47:16,870 --> 00:47:14,800

to to reveal what we have been

1264

00:47:19,030 --> 00:47:16,880

discovering what we have been observing

1265

00:47:21,270 --> 00:47:19,040

and we think that this is really

1266

00:47:24,230 --> 00:47:21,280

important it's exciting

1267

00:47:25,349 --> 00:47:24,240

and uh and we we appreciate everyone's

1268

00:47:28,150 --> 00:47:25,359

uh

1269

00:47:29,030 --> 00:47:28,160

interest and also patience because i you

1270

00:47:31,589 --> 00:47:29,040

know

1271

00:47:32,230 --> 00:47:31,599

we're we're we're right there with you

1272

00:47:36,309 --> 00:47:32,240

in

1273

00:47:39,510 --> 00:47:36,319

to understand

1274

00:47:41,190 --> 00:47:39,520

what is uh what is at work and so

1275

00:47:43,589 --> 00:47:41,200

i just want to thank everyone for being

1276

00:47:46,470 --> 00:47:43,599

so kind being interested

1277

00:47:47,510 --> 00:47:46,480

and and really being positive in their

1278

00:47:50,470 --> 00:47:47,520

voice

1279

00:47:50,870 --> 00:47:50,480

um you know in in following our journey

1280

00:47:53,990 --> 00:47:50,880

and

1281

00:47:55,589 --> 00:47:54,000

we we look forward to to having you

1282

00:47:58,549 --> 00:47:55,599

along for the ride

1283

00:47:59,829 --> 00:47:58,559

and opening the gates both figuratively

1284

00:48:02,950 --> 00:47:59,839

and literally

1285

00:48:06,710 --> 00:48:02,960

uh to to allow you you know an

1286

00:48:09,829 --> 00:48:06,720

unprecedented view of our investigation

1287

00:48:13,829 --> 00:48:09,839

uh get ready for for a lot more

1288

00:48:15,510 --> 00:48:13,839

to come we're just getting warmed up

1289

00:48:16,950 --> 00:48:15,520

and folks you can watch the secret skin

1290

00:48:19,430 --> 00:48:16,960

walker ranch this

1291

00:48:19,990 --> 00:48:19,440

tuesday the fourth of may 10 9 pm

1292

00:48:21,990 --> 00:48:20,000

central

1293

00:48:23,990 --> 00:48:22,000

that's for our viewers in the us and

1294

00:48:25,990 --> 00:48:24,000

i'll send out correspondence nearer the

1295

00:48:26,950 --> 00:48:26,000

time as it becomes available around the

1296

00:48:29,030 --> 00:48:26,960

world

1297

00:48:30,710 --> 00:48:29,040

that is all for this week's show thank

1298

00:48:32,549 --> 00:48:30,720

you very much for listening

1299

00:48:34,710 --> 00:48:32,559

please remember to leave the podcast

1300

00:48:37,430 --> 00:48:34,720

review on your chosen platform

1301
00:48:39,430 --> 00:48:37,440
you can like retweet and subscribe that

1302
00:48:40,870 --> 00:48:39,440
would all be very much appreciated

1303
00:48:42,870 --> 00:48:40,880
the shows are being uploaded onto

1304
00:48:44,870 --> 00:48:42,880
youtube as we speak more and more

1305
00:48:47,190 --> 00:48:44,880
you can sign up at patreon.com forward

1306
00:48:49,349 --> 00:48:47,200
slash that ufo podcast to access

1307
00:48:51,750 --> 00:48:49,359
shows ad free as well please get in

1308
00:48:53,190 --> 00:48:51,760
touch on twitter facebook instagram that

1309
00:48:57,030 --> 00:48:53,200
ufo podcast

1310
00:48:59,190 --> 00:48:57,040
of course on twitter it's at [ufouapam](https://twitter.com/ufouapam)

1311
00:49:02,260 --> 00:48:59,200
and again folks as always keep looking

1312
00:49:28,829 --> 00:49:02,270
up you never know what you might see

1313
00:49:28,839 --> 00:49:31,900

is

1314

00:50:21,349 --> 00:50:08,380

[Music]

1315

00:50:23,109 --> 00:50:21,359

if you really want to know who i think

1316

00:50:28,850 --> 00:50:23,119

they've been against you and me

1317

00:50:40,710 --> 00:50:37,430

[Music]

1318

00:50:42,790 --> 00:50:40,720

for your being serious your heart

1319

00:50:54,630 --> 00:50:42,800

consider time consider your space

1320

00:51:01,470 --> 00:50:54,640

consider your lies

1321

00:51:22,800 --> 00:51:09,349

saucer food wasn't a tic tac and not

1322

00:51:30,470 --> 00:51:22,810

quite a saucer

1323

00:52:02,829 --> 00:51:37,500

it's very different
