EXTRATERRESTRIALS

OVER 40 CASES
Prove Aliens Have Visited Earth

1
00:00:00,000 --> 00:00:14,310
[Music]

2
00:00:18,950 --> 00:00:16,390
it was basically a cube with inside of

3
00:00:22,800 --> 00:00:18,960
sphere where the points of the cube

4
00:00:33,000 --> 00:00:22,810
were touching outside the sphere

5
00:00:37,190 --> 00:00:34,550
[Music]

6
00:00:38,709 --> 00:00:37,200
[Applause]

7
00:00:40,950 --> 00:00:38,719

28

00:03:44,390 --> 00:03:39,120

listening to that ufo podcast and having

29

00:03:48,949 --> 00:03:46,630

hi everyone and welcome back to that ufo

30

00:03:51,509 --> 00:03:48,959

podcast my name is andy and it's good to

31

00:03:54,070 --> 00:03:51,519

get back to the interviews it seems like

32

00:03:56,630 --> 00:03:54,080

with august uh we had the avilab and

33

00:03:58,229 --> 00:03:56,640

james fox interview and one or two other

34

00:04:00,470 --> 00:03:58,239

bits and then the rest of it's been news

35

00:04:01,990 --> 00:04:00,480

and discussion so lots of interviews

36

00:04:03,270 --> 00:04:02,000

lined up over the next couple of weeks

37

00:04:05,429 --> 00:04:03,280

and i've dropped a lot of those names

38

00:04:07,030 --> 00:04:05,439

already with more still to be confirmed

39

00:04:08,789 --> 00:04:07,040

but i'm really excited to get into this

40

00:04:11,190 --> 00:04:08,799

one because it's a book i've read and

41

00:04:13,110 --> 00:04:11,200

enjoyed i'd like to welcome author and

42

00:04:15,509 --> 00:04:13,120

researcher based out in the lovely

43

00:04:17,270 --> 00:04:15,519

island of malta i visited as a child

44

00:04:19,110 --> 00:04:17,280

warren adjusts warren welcome to the

45

00:04:21,110 --> 00:04:19,120

podcast thank you for having me it's an

46

00:04:23,990 --> 00:04:21,120

honor being here no it's really good to

47

00:04:25,590 --> 00:04:24,000

speak to you and this book uh you know

48

00:04:27,030 --> 00:04:25,600

what i'm going to quote this earlier and

49

00:04:29,030 --> 00:04:27,040

i was going to bring it up later but

50

00:04:31,590 --> 00:04:29,040

yeah i listened to an interview you done

51
00:04:33,030 --> 00:04:31,600
a few months ago and you mentioned that

52
00:04:34,070 --> 00:04:33,040
you were i'm probably going to steal

53
00:04:35,990 --> 00:04:34,080
your thunder here because you might have

54
00:04:37,749 --> 00:04:36,000
said this on the interview but i really

55
00:04:39,990 --> 00:04:37,759
like the fact that you had went looking

56
00:04:42,070 --> 00:04:40,000
for a book like this and you couldn't

57
00:04:43,350 --> 00:04:42,080
find one and that's what drove you to

58
00:04:44,790 --> 00:04:43,360
write the book and you can really tell

59
00:04:47,030 --> 00:04:44,800
that and we're going to get to to

60
00:04:48,230 --> 00:04:47,040
talking more about the book um of course

61
00:04:50,870 --> 00:04:48,240
the book is evidence of

62
00:04:53,189 --> 00:04:50,880
extraterrestrials over 40 cases prove

63
00:04:54,870 --> 00:04:53,199

aliens have visited earth and that's

64

00:04:56,790 --> 00:04:54,880

that's a bold statement to make just in

65

00:04:59,270 --> 00:04:56,800

the title of a book so

66

00:05:01,350 --> 00:04:59,280

we will get to that now you've had quite

67

00:05:03,430 --> 00:05:01,360

an interesting time as a researcher and

68

00:05:05,430 --> 00:05:03,440

obviously now author i'd like to find

69

00:05:07,830 --> 00:05:05,440

out firstly a little background warren

70

00:05:09,430 --> 00:05:07,840

from yourself what's led you in life

71

00:05:11,510 --> 00:05:09,440

into your photography to the point of

72

00:05:14,150 --> 00:05:11,520

now researching and writing a book

73

00:05:16,150 --> 00:05:14,160

um prior to writing this book

74

00:05:18,390 --> 00:05:16,160

um i've always been interested in in

75

00:05:19,670 --> 00:05:18,400

space and in astronomy

76

00:05:22,310 --> 00:05:19,680

um

77

00:05:24,070 --> 00:05:22,320

and naturally i was familiar with

78

00:05:25,749 --> 00:05:24,080

certain you know conspiracy theories

79

00:05:28,310 --> 00:05:25,759

like the moon landing

80

00:05:29,830 --> 00:05:28,320

um but then i i read the book by jamar's

81

00:05:33,029 --> 00:05:29,840

it's called the lino agenda and that's

82

00:05:35,350 --> 00:05:33,039

that's when i got into ufos

83

00:05:38,390 --> 00:05:35,360

and what it all means and then i started

84

00:05:40,469 --> 00:05:38,400

questioning uh what what these vehicles

85

00:05:43,189 --> 00:05:40,479

were who you know who piloted them where

86

00:05:45,830 --> 00:05:43,199

did they come from and i had a bunch of

87

00:05:47,590 --> 00:05:45,840

questions which which essentially

88

00:05:48,390 --> 00:05:47,600

to this day we don't know the answers to

89

00:05:50,230 --> 00:05:48,400

them

90

00:05:53,590 --> 00:05:50,240

but then i started ruling reading many

91

00:05:55,510 --> 00:05:53,600

books um do you know jamar's

92

00:05:57,029 --> 00:05:55,520

um of course he's one of the most

93

00:05:57,909 --> 00:05:57,039

renowned daughters and my favorite

94

00:06:01,350 --> 00:05:57,919

author

95

00:06:04,230 --> 00:06:01,360

um but as i as i kept reading um

96

00:06:07,029 --> 00:06:04,240

material i realized that there was

97

00:06:09,670 --> 00:06:07,039

um a lack of

98

00:06:10,629 --> 00:06:09,680

um unified book which essentially

99

00:06:13,830 --> 00:06:10,639

covered

100

00:06:15,590 --> 00:06:13,840

all of the most significant cases um and

101

00:06:17,749 --> 00:06:15,600

that's what i wanted with this book i

102

00:06:20,550 --> 00:06:17,759

wanted to find i wanted to create a book

103

00:06:23,110 --> 00:06:20,560

that could be used as a reference book

104

00:06:25,510 --> 00:06:23,120

um so that people

105

00:06:26,629 --> 00:06:25,520

could find perhaps the most convincing

106

00:06:29,189 --> 00:06:26,639

cases

107

00:06:31,029 --> 00:06:29,199

in just one book essentially

108

00:06:33,790 --> 00:06:31,039

excellent and when you were growing up

109

00:06:35,670 --> 00:06:33,800

did you ever have any interest in ufos

110

00:06:38,629 --> 00:06:35,680

extraterrestrials yourself did you ever

111

00:06:42,230 --> 00:06:38,639

have any sightings i i want to say yes

112

00:06:43,909 --> 00:06:42,240

but i never did unfortunately um

113

00:06:45,350 --> 00:06:43,919

after i started reading i started

114

00:06:48,070 --> 00:06:45,360

looking up at the sky more you know

115

00:06:49,110 --> 00:06:48,080

hoping i could see something but it

116

00:06:51,749 --> 00:06:49,120

always turned out to be either a

117

00:06:52,790 --> 00:06:51,759

meteorite or a satellite um i never saw

118

00:06:57,110 --> 00:06:52,800

any

119

00:06:59,029 --> 00:06:57,120

i'm still hoping i will i will

120

00:07:00,550 --> 00:06:59,039

experience something like that

121

00:07:02,550 --> 00:07:00,560

but this is i always say this you know

122

00:07:03,990 --> 00:07:02,560

you never see you don't you don't see

123

00:07:05,749 --> 00:07:04,000

viruses but just because you don't see

124

00:07:08,230 --> 00:07:05,759

them doesn't mean they don't exist and

125

00:07:09,990 --> 00:07:08,240

it's the same the same i guess with ufos

126

00:07:11,430 --> 00:07:10,000

it's just because not everybody sees

127

00:07:12,950 --> 00:07:11,440

them it doesn't mean that they don't

128

00:07:14,870 --> 00:07:12,960

exist either

129

00:07:16,629 --> 00:07:14,880

that's very very true what about any

130

00:07:18,309 --> 00:07:16,639

family interests growing up did you ever

131

00:07:20,550 --> 00:07:18,319

have any relatives who were interested

132

00:07:22,950 --> 00:07:20,560

in the subject or did you just sort of

133

00:07:26,550 --> 00:07:22,960

organically get involved in space

134

00:07:28,629 --> 00:07:26,560

astronomy and ufos um i've been

135

00:07:31,670 --> 00:07:28,639

interested in space since i was a kid

136

00:07:33,749 --> 00:07:31,680

but nobody i hear in malta the topic of

137

00:07:34,870 --> 00:07:33,759

ufos it's not really something we talk

138

00:07:36,309 --> 00:07:34,880

about it's

139

00:07:38,469 --> 00:07:36,319

um it's just something most people are

140

00:07:39,589 --> 00:07:38,479

bothered with um and i'm

141

00:07:41,909 --> 00:07:39,599

and it's

142

00:07:43,909 --> 00:07:41,919

by pure coincidence that i even

143

00:07:46,790 --> 00:07:43,919

read the jim mars book

144

00:07:50,629 --> 00:07:46,800

in actual fact i was reading a book here

145

00:07:52,150 --> 00:07:50,639

he he had written about 9 11 and then

146

00:07:53,510 --> 00:07:52,160

i started looking at other books he

147

00:07:55,589 --> 00:07:53,520

wrote and that's when i read alien

148

00:07:57,110 --> 00:07:55,599

agenda so it was genuinely by pure

149

00:07:59,510 --> 00:07:57,120

coincidence that i read that first the

150

00:08:03,189 --> 00:07:59,520

book which then essentially put me down

151
00:08:05,589 --> 00:08:03,199
a rabbit hole of researching and writing

152
00:08:08,070 --> 00:08:05,599
why do you think there is a lack of

153
00:08:09,510 --> 00:08:08,080
interest in malta in this subject

154
00:08:12,150 --> 00:08:09,520
obviously i i've talked about on the

155
00:08:14,469 --> 00:08:12,160
podcast before i feel ad nauseam about

156
00:08:16,950 --> 00:08:14,479
the lack of interest in the uk

157
00:08:18,230 --> 00:08:16,960
and it's it's disappointing especially

158
00:08:20,150 --> 00:08:18,240
when you have a big interest in the

159
00:08:21,589 --> 00:08:20,160
subject and i love that a lot of

160
00:08:23,189 --> 00:08:21,599
listeners get in touch with me telling

161
00:08:25,510 --> 00:08:23,199
me it's nice to have people to talk to

162
00:08:27,350 --> 00:08:25,520
the subject about have you found it's a

163
00:08:29,029 --> 00:08:27,360

sort of lonely subject to be involved in

164

00:08:31,029 --> 00:08:29,039

within malta

165

00:08:32,469 --> 00:08:31,039

and lonely and also ridiculing i mean so

166

00:08:33,430 --> 00:08:32,479

many times i have conversations and

167

00:08:36,310 --> 00:08:33,440

people

168

00:08:38,389 --> 00:08:36,320

um sort of

169

00:08:39,430 --> 00:08:38,399

they talk in such a

170

00:08:41,269 --> 00:08:39,440

um

171

00:08:44,550 --> 00:08:41,279

in in a silly way you know they don't

172

00:08:47,110 --> 00:08:44,560

take the phenomenon seriously and then

173

00:08:49,590 --> 00:08:47,120

as i start speaking you know about that

174

00:08:51,509 --> 00:08:49,600

it's not about just weird lights it's

175

00:08:53,750 --> 00:08:51,519

about you know advanced technology

176

00:08:56,150 --> 00:08:53,760

that's when they start sort of realizing

177

00:08:58,949 --> 00:08:56,160

that it's a serious conversation to have

178

00:09:00,790 --> 00:08:58,959

um people here it's it's

179

00:09:02,230 --> 00:09:00,800

they not only don't talk about it but

180

00:09:03,430 --> 00:09:02,240

when they when it is brought up in the

181

00:09:06,870 --> 00:09:03,440

media

182

00:09:09,430 --> 00:09:06,880

um everyone just ridicules it and

183

00:09:10,550 --> 00:09:09,440

um no one takes it seriously which is

184

00:09:14,150 --> 00:09:10,560

very

185

00:09:15,670 --> 00:09:14,160

infuriating i guess um

186

00:09:20,150 --> 00:09:15,680

but

187

00:09:21,030 --> 00:09:20,160

than having conversations with people

188

00:09:24,630 --> 00:09:21,040

who

189

00:09:26,070 --> 00:09:24,640

would just um ridicule you um so i'd

190

00:09:28,470 --> 00:09:26,080

rather just not have a conversation

191

00:09:30,870 --> 00:09:28,480

rather than wasting my time trying to

192

00:09:32,470 --> 00:09:30,880

convince people that that makes sense

193

00:09:34,710 --> 00:09:32,480

absolutely and i think a lot of

194

00:09:36,389 --> 00:09:34,720

listeners listening could relate to that

195

00:09:39,030 --> 00:09:36,399

as well i know i certainly can where you

196

00:09:41,269 --> 00:09:39,040

feel you're the only person with an

197

00:09:42,710 --> 00:09:41,279

interest in this subject and is reaching

198

00:09:44,949 --> 00:09:42,720

out and getting to know others and

199

00:09:46,310 --> 00:09:44,959

having that conversation and it's always

200

00:09:47,670 --> 00:09:46,320

nice when you do manage to speak to

201
00:09:50,230 --> 00:09:47,680
someone though who doesn't have an

202
00:09:52,070 --> 00:09:50,240
interest or who's very very skeptical

203
00:09:54,470 --> 00:09:52,080
and you can just say to them you know

204
00:09:56,470 --> 00:09:54,480
forget about aliens and flying saucers

205
00:09:58,790 --> 00:09:56,480
and little green men forget about things

206
00:10:01,030 --> 00:09:58,800
coming from mars let's just talk about

207
00:10:03,269 --> 00:10:01,040
what might be being seen because these

208
00:10:05,829 --> 00:10:03,279
things are being seen and as great

209
00:10:07,269 --> 00:10:05,839
people like yourself from you know other

210
00:10:08,949 --> 00:10:07,279
countries that are outside of you know

211
00:10:11,269 --> 00:10:08,959
the big nations that people might talk

212
00:10:14,550 --> 00:10:11,279
about are trying to promote that culture

213
00:10:15,990 --> 00:10:14,560

and conversation as well um you also as

214

00:10:17,509 --> 00:10:16,000

part of your bio

215

00:10:20,389 --> 00:10:17,519

mentioned you interviewed whitley

216

00:10:21,990 --> 00:10:20,399

schreiber and stanton friedman yeah now

217

00:10:23,750 --> 00:10:22,000

obviously two famous names within the

218

00:10:25,990 --> 00:10:23,760

subject of course stanton friedman no

219

00:10:28,230 --> 00:10:26,000

longer with us um how did those

220

00:10:29,829 --> 00:10:28,240

interviews also come about

221

00:10:31,509 --> 00:10:29,839

um so

222

00:10:33,829 --> 00:10:31,519

so the one thing i wanted to do with my

223

00:10:34,630 --> 00:10:33,839

book is presented just factual evidence

224

00:10:36,150 --> 00:10:34,640

um

225

00:10:38,710 --> 00:10:36,160

all of the information i have it comes

226

00:10:39,750 --> 00:10:38,720

from a declassified project or witness

227

00:10:42,949 --> 00:10:39,760

statements

228

00:10:44,470 --> 00:10:42,959

um but then i'm also familiar

229

00:10:45,910 --> 00:10:44,480

naturally i'm familiar with these

230

00:10:47,430 --> 00:10:45,920

authors and i know that these are

231

00:10:49,350 --> 00:10:47,440

experts in the field

232

00:10:51,750 --> 00:10:49,360

um and that's when i wanted to include

233

00:10:54,069 --> 00:10:51,760

stanton in in my book you know he's a

234

00:10:55,910 --> 00:10:54,079

nuclear physicist he knows how

235

00:10:58,069 --> 00:10:55,920

how how he's been studying the

236

00:11:00,150 --> 00:10:58,079

phenomenon for years

237

00:11:02,470 --> 00:11:00,160

so i reached out to him and and we

238

00:11:04,150 --> 00:11:02,480

talked about ufos and i asked him

239

00:11:07,030 --> 00:11:04,160

several questions

240

00:11:09,110 --> 00:11:07,040

um most notably about

241

00:11:10,150 --> 00:11:09,120

you know the intentions

242

00:11:12,230 --> 00:11:10,160

um

243

00:11:13,910 --> 00:11:12,240

so on and so forth and apart from that

244

00:11:16,389 --> 00:11:13,920

he was one of the first researchers in

245

00:11:18,150 --> 00:11:16,399

the roswell case so i had to

246

00:11:20,550 --> 00:11:18,160

get his opinion on that

247

00:11:22,870 --> 00:11:20,560

um so i included stanton's interview in

248

00:11:25,190 --> 00:11:22,880

the first book uh whitley's rieber given

249

00:11:27,509 --> 00:11:25,200

that he's an abductee i'm holding on to

250

00:11:29,350 --> 00:11:27,519

the interview i have with him to include

251
00:11:31,750 --> 00:11:29,360
in my second book which is about

252
00:11:33,990 --> 00:11:31,760
abductions but i'm still working on that

253
00:11:35,910 --> 00:11:34,000
but he's a very

254
00:11:36,710 --> 00:11:35,920
genuine man

255
00:11:39,750 --> 00:11:36,720
and

256
00:11:42,550 --> 00:11:39,760
course

257
00:11:45,350 --> 00:11:42,560
and there are some bold claims in it

258
00:11:47,509 --> 00:11:45,360
but you can sense his genuinity

259
00:11:48,150 --> 00:11:47,519
and and

260
00:11:50,069 --> 00:11:48,160
and

261
00:11:51,030 --> 00:11:50,079
it's so traumatic it was so traumatic to

262
00:11:53,829 --> 00:11:51,040
him

263
00:11:57,030 --> 00:11:53,839

both physiologically and psychologically

264

00:11:59,829 --> 00:11:57,040

that um to this day he still says that

265

00:12:01,269 --> 00:11:59,839

he's traumatic i mean one one one

266

00:12:02,710 --> 00:12:01,279

question i asked him is that if he

267

00:12:05,110 --> 00:12:02,720

noticed the difference between who he

268

00:12:07,030 --> 00:12:05,120

was in the past and who he is now and

269

00:12:09,110 --> 00:12:07,040

his reply was that prior to his

270

00:12:11,430 --> 00:12:09,120

encounter he was innocent

271

00:12:14,389 --> 00:12:11,440

and now it was as though he was

272

00:12:16,389 --> 00:12:14,399

um traumatized

273

00:12:18,069 --> 00:12:16,399

absolutely it's a well-known case and

274

00:12:20,470 --> 00:12:18,079

and one will get discussing down the

275

00:12:22,150 --> 00:12:20,480

line no doubt on the podcast as well um

276

00:12:23,590 --> 00:12:22,160

but you've mentioned the book and that

277

00:12:25,190 --> 00:12:23,600

was interesting you've already mentioned

278

00:12:27,110 --> 00:12:25,200

the second book and we'll i'll ask you

279

00:12:29,509 --> 00:12:27,120

some stuff about that later the book

280

00:12:32,550 --> 00:12:29,519

again evidence of extraterrestrials over

281

00:12:34,069 --> 00:12:32,560

40k over 40 cases prove aliens have

282

00:12:36,230 --> 00:12:34,079

visited earth

283

00:12:38,470 --> 00:12:36,240

how long ago did you start writing the

284

00:12:40,550 --> 00:12:38,480

book when was your initial ideas for it

285

00:12:41,670 --> 00:12:40,560

when did those come up um

286

00:12:43,590 --> 00:12:41,680

so

287

00:12:45,110 --> 00:12:43,600

my initial ideas have

288

00:12:47,910 --> 00:12:45,120

three years ago that's when i started

289

00:12:49,269 --> 00:12:47,920

compiling compiling um

290

00:12:51,269 --> 00:12:49,279

in the documents

291

00:12:53,190 --> 00:12:51,279

but the most challenging part of the

292

00:12:55,750 --> 00:12:53,200

book is actually

293

00:12:57,990 --> 00:12:55,760

getting those documents um it's easier

294

00:12:59,829 --> 00:12:58,000

to google an encounter and then getting

295

00:13:01,910 --> 00:12:59,839

the information and copying and pasting

296

00:13:02,949 --> 00:13:01,920

it or rephrasing it but i didn't want to

297

00:13:04,949 --> 00:13:02,959

do that

298

00:13:08,470 --> 00:13:04,959

um

299

00:13:10,710 --> 00:13:08,480

i three years ago i started researching

300

00:13:12,550 --> 00:13:10,720

through uh the freedom of

301

00:13:14,870 --> 00:13:12,560

uh the freedom of

302

00:13:16,470 --> 00:13:14,880

information act um

303

00:13:17,750 --> 00:13:16,480

where they essentially declassified

304

00:13:21,190 --> 00:13:17,760

documents and that's when i started

305

00:13:23,430 --> 00:13:21,200

getting these documents and i started

306

00:13:25,190 --> 00:13:23,440

reading into cases which are lesser

307

00:13:27,509 --> 00:13:25,200

known

308

00:13:29,430 --> 00:13:27,519

such as the frederick valentich

309

00:13:31,430 --> 00:13:29,440

case

310

00:13:33,110 --> 00:13:31,440

and i wanted

311

00:13:34,629 --> 00:13:33,120

to include the lesser known cases as

312

00:13:36,230 --> 00:13:34,639

well because everyone knows about

313

00:13:38,870 --> 00:13:36,240

roswell you know everyone knows about

314

00:13:40,310 --> 00:13:38,880

the battle of I.a or the foo fighters

315

00:13:42,230 --> 00:13:40,320

and of course i included them in the

316

00:13:43,110 --> 00:13:42,240

book cause you cannot include them of

317

00:13:44,150 --> 00:13:43,120

course

318

00:13:45,910 --> 00:13:44,160

um

319

00:13:47,750 --> 00:13:45,920

but i think that there are the lesser

320

00:13:50,629 --> 00:13:47,760

known cases are more convincing than the

321

00:13:53,829 --> 00:13:50,639

ones that we talk about a lot

322

00:13:55,509 --> 00:13:53,839

but it took around a year even more than

323

00:13:58,230 --> 00:13:55,519

a year to actually get

324

00:14:01,189 --> 00:13:58,240

all the information i wanted and then

325

00:14:03,030 --> 00:14:01,199

after their year to to write the book so

326

00:14:04,470 --> 00:14:03,040

the process was around two and a half

327

00:14:06,230 --> 00:14:04,480

years

328

00:14:08,710 --> 00:14:06,240

and it was very

329

00:14:09,910 --> 00:14:08,720

difficult it was such a long process

330

00:14:11,750 --> 00:14:09,920

that

331

00:14:13,189 --> 00:14:11,760

there were many times where i i asked

332

00:14:14,949 --> 00:14:13,199

myself what's the point of even doing

333

00:14:17,670 --> 00:14:14,959

all of it

334

00:14:20,230 --> 00:14:17,680

but then when you look at it from as a

335

00:14:22,870 --> 00:14:20,240

whole as a holistic project

336

00:14:24,790 --> 00:14:22,880

um i i wanted

337

00:14:27,750 --> 00:14:24,800

i actually use this book myself as a

338

00:14:29,910 --> 00:14:27,760

reference for when i want you know to

339

00:14:32,150 --> 00:14:29,920

to read about a particular case which i

340

00:14:32,949 --> 00:14:32,160

have forgotten details about

341

00:14:35,030 --> 00:14:32,959

um

342

00:14:37,350 --> 00:14:35,040

and i also

343

00:14:39,750 --> 00:14:37,360

have had many people reach out to me and

344

00:14:41,750 --> 00:14:39,760

tell me that they like that

345

00:14:43,189 --> 00:14:41,760

you know they want to read about

346

00:14:44,870 --> 00:14:43,199

um

347

00:14:46,710 --> 00:14:44,880

a crash they can go to the second

348

00:14:49,030 --> 00:14:46,720

section if they want

349

00:14:51,509 --> 00:14:49,040

it's compliment it's divided in a way

350

00:14:53,110 --> 00:14:51,519

that it's organized and

351

00:14:55,189 --> 00:14:53,120

you can find what you really want to

352

00:14:57,269 --> 00:14:55,199

read about it's not that kind of book

353

00:14:59,110 --> 00:14:57,279

that you have to read from the first

354

00:15:00,230 --> 00:14:59,120

page till the last page it's so more

355

00:15:04,790 --> 00:15:00,240

about

356

00:15:06,949 --> 00:15:04,800

yeah and let you see it's very well

357

00:15:09,269 --> 00:15:06,959

split up there's the four main parts so

358

00:15:11,509 --> 00:15:09,279

you've got modern sightings part one

359

00:15:13,670 --> 00:15:11,519

part two is crashes and landings part

360

00:15:16,230 --> 00:15:13,680

three is military pursuits and then part

361

00:15:18,550 --> 00:15:16,240

four is government projects and you know

362

00:15:21,030 --> 00:15:18,560

at a glance you look through for example

363

00:15:22,949 --> 00:15:21,040

part three you've got military pursuits

364

00:15:25,430 --> 00:15:22,959

and you look in there it mentions the

365

00:15:26,389 --> 00:15:25,440

gimbal the go-fast the tic-tac

366

00:15:28,389 --> 00:15:26,399

and then

367

00:15:29,910 --> 00:15:28,399

i know about those i like to think i

368

00:15:31,430 --> 00:15:29,920

know quite a lot about them and many

369

00:15:33,590 --> 00:15:31,440

people listening would probably think so

370

00:15:35,030 --> 00:15:33,600

as well exactly but then you look and go

371

00:15:37,430 --> 00:15:35,040

like you mentioned there was the

372

00:15:39,030 --> 00:15:37,440

disappearance of frederick valentik and

373

00:15:40,629 --> 00:15:39,040

i was like okay you know what that peaks

374

00:15:43,350 --> 00:15:40,639

my interest and that was the first thing

375

00:15:45,350 --> 00:15:43,360

i went to within the book yeah and i

376

00:15:47,430 --> 00:15:45,360

what caught my eye immediately was the

377

00:15:49,910 --> 00:15:47,440

transcript of the air traffic control

378

00:15:51,269 --> 00:15:49,920

conversation yeah with his flight do you

379

00:15:54,069 --> 00:15:51,279

want to talk a little bit about that

380

00:15:55,829 --> 00:15:54,079

case in particular yeah definitely um

381

00:15:57,269 --> 00:15:55,839

and this case is one of my favorites

382

00:15:58,870 --> 00:15:57,279

because it

383

00:16:00,629 --> 00:15:58,880

you know how we were saying that it's

384

00:16:02,550 --> 00:16:00,639

not about bright lights in the sky or

385

00:16:04,870 --> 00:16:02,560

green men this is about a serious

386

00:16:07,269 --> 00:16:04,880

phenomenon and this is exactly why you

387

00:16:09,829 --> 00:16:07,279

know you have a gentleman here a 20 year

388

00:16:10,870 --> 00:16:09,839

old um who passed away

389

00:16:13,189 --> 00:16:10,880

because

390

00:16:15,350 --> 00:16:13,199

when he was chasing a ufo um but to

391

00:16:16,150 --> 00:16:15,360

start from the beginning

392

00:16:22,710 --> 00:16:16,160

the

393

00:16:25,829 --> 00:16:22,720

australia

394

00:16:28,389 --> 00:16:25,839

and valentick um he he was very young he

395

00:16:30,550 --> 00:16:28,399

was just 20 years old and he was still

396

00:16:31,430 --> 00:16:30,560

training to become a pilot

397

00:16:32,710 --> 00:16:31,440

um

398

00:16:35,269 --> 00:16:32,720

but that doesn't mean that he was

399

00:16:37,749 --> 00:16:35,279

inexperienced you know and

400

00:16:41,670 --> 00:16:37,759

he was he was still training and he had

401
00:16:44,949 --> 00:16:41,680
around 150 hours of flying experience

402
00:16:47,670 --> 00:16:44,959
and on the day of the of the incident he

403
00:16:49,430 --> 00:16:47,680
he took off he departed from uh

404
00:16:51,189 --> 00:16:49,440
murabin um

405
00:16:52,710 --> 00:16:51,199
in australia and he was planning to land

406
00:16:54,790 --> 00:16:52,720
in king island

407
00:16:56,389 --> 00:16:54,800
um and as he was

408
00:16:58,629 --> 00:16:56,399
you know prior to his departure he

409
00:17:01,110 --> 00:16:58,639
confirmed that everything was

410
00:17:02,870 --> 00:17:01,120
was in order and given that he was just

411
00:17:05,029 --> 00:17:02,880
training and he had

412
00:17:07,189 --> 00:17:05,039
a class 4 instrument he could only fly

413
00:17:08,390 --> 00:17:07,199

when the conditions were optimal so he

414

00:17:09,909 --> 00:17:08,400

couldn't fly

415

00:17:12,069 --> 00:17:09,919

under

416

00:17:14,390 --> 00:17:12,079

uh when when there were

417

00:17:16,309 --> 00:17:14,400

when it was cloudy or when there wasn't

418

00:17:19,350 --> 00:17:16,319

a lot of visibility so the conditions

419

00:17:20,230 --> 00:17:19,360

were perfect essentially um so he took

420

00:17:22,309 --> 00:17:20,240

off

421

00:17:25,429 --> 00:17:22,319

and you know he

422

00:17:28,309 --> 00:17:25,439

reached 4 000 feet everything was fine

423

00:17:29,510 --> 00:17:28,319

he climbed to 4 500 feet everything was

424

00:17:30,470 --> 00:17:29,520

perfect

425

00:17:31,830 --> 00:17:30,480

um

426

00:17:35,350 --> 00:17:31,840

something i forgot to mention is that he

427

00:17:37,909 --> 00:17:35,360

was flying a cessna um it says now 182.

428

00:17:40,470 --> 00:17:37,919

and he was flying um and around 30

429

00:17:42,150 --> 00:17:40,480

minutes into the encounter

430

00:17:44,950 --> 00:17:42,160

um he started

431

00:17:47,510 --> 00:17:44,960

seeing another aircraft in the sky

432

00:17:49,110 --> 00:17:47,520

um he didn't see it on radar first but

433

00:17:49,990 --> 00:17:49,120

he started seeing this aircraft in the

434

00:17:52,390 --> 00:17:50,000

sky

435

00:17:54,310 --> 00:17:52,400

and given that he has a class 4 rating

436

00:17:56,310 --> 00:17:54,320

that means that there shouldn't be close

437

00:17:59,590 --> 00:17:56,320

aircraft in the vicinity

438

00:18:01,830 --> 00:17:59,600

so he started um looking on his radar to

439

00:18:04,549 --> 00:18:01,840

see if there was um i don't know an

440

00:18:06,870 --> 00:18:04,559

aircraft perhaps but nothing showed up

441

00:18:08,549 --> 00:18:06,880

he contacts the melbourne air traffic

442

00:18:11,590 --> 00:18:08,559

control operators

443

00:18:13,830 --> 00:18:11,600

for clarification um

444

00:18:16,470 --> 00:18:13,840

but they too cannot

445

00:18:18,549 --> 00:18:16,480

track any object it's it's completely an

446

00:18:22,390 --> 00:18:18,559

unregistered target

447

00:18:23,270 --> 00:18:22,400

and as he started describing the ufo um

448

00:18:25,750 --> 00:18:23,280

because it's

449

00:18:28,070 --> 00:18:25,760

unidentified of course it was just 1 000

450

00:18:30,870 --> 00:18:28,080

feet above his aircraft it was you know

451
00:18:32,630 --> 00:18:30,880
the typical ufo shape it was disc shaped

452
00:18:35,830 --> 00:18:32,640
um but something he mentioned is that it

453
00:18:37,909 --> 00:18:35,840
was very bright it was he compared it to

454
00:18:39,590 --> 00:18:37,919
a landing strip it was significantly

455
00:18:40,630 --> 00:18:39,600
larger

456
00:18:42,390 --> 00:18:40,640
um

457
00:18:44,950 --> 00:18:42,400
and you know he communicates with the

458
00:18:47,190 --> 00:18:44,960
with the air traffic controller uh with

459
00:18:49,190 --> 00:18:47,200
air traffic control operator he says

460
00:18:51,669 --> 00:18:49,200
that the large aircraft was above him

461
00:18:54,230 --> 00:18:51,679
and then it goes beneath him and it

462
00:18:56,310 --> 00:18:54,240
continued maneuvering in this way at one

463
00:18:58,230 --> 00:18:56,320

point it's beneath him at another point

464

00:19:01,029 --> 00:18:58,240

it hovers above him and it was

465

00:19:03,350 --> 00:19:01,039

completely noiseless um

466

00:19:04,870 --> 00:19:03,360

he keeps telling them it's just four

467

00:19:05,909 --> 00:19:04,880

bright lights

468

00:19:06,950 --> 00:19:05,919

um

469

00:19:09,430 --> 00:19:06,960

and then

470

00:19:11,350 --> 00:19:09,440

as they were talking

471

00:19:13,750 --> 00:19:11,360

he tells them that

472

00:19:15,669 --> 00:19:13,760

um his engine is is idling it's her

473

00:19:16,950 --> 00:19:15,679

fighting um

474

00:19:18,710 --> 00:19:16,960

and he

475

00:19:20,549 --> 00:19:18,720

one thing that struck me is that he

476

00:19:22,390 --> 00:19:20,559

tells them that it's playing some sort

477

00:19:23,510 --> 00:19:22,400

of game yeah

478

00:19:26,630 --> 00:19:23,520

and it's

479

00:19:29,590 --> 00:19:26,640

it decreased its speed then it increased

480

00:19:32,310 --> 00:19:29,600

its speed it traveled at different

481

00:19:33,190 --> 00:19:32,320

altitudes

482

00:19:36,950 --> 00:19:33,200

and

483

00:19:39,510 --> 00:19:36,960

as as the time went by in a few minutes

484

00:19:40,950 --> 00:19:39,520

um he tried talking um the air traffic

485

00:19:42,950 --> 00:19:40,960

control operators

486

00:19:44,470 --> 00:19:42,960

um they tried to keep contact with him

487

00:19:46,230 --> 00:19:44,480

but he just

488

00:19:47,270 --> 00:19:46,240

he just doesn't reply the last thing he

489

00:19:49,270 --> 00:19:47,280

tells them

490

00:19:52,630 --> 00:19:49,280

it's that it's hovering on top of him

491

00:19:55,190 --> 00:19:52,640

again and it's not an aircraft and then

492

00:19:56,630 --> 00:19:55,200

there's just um radio silence there no

493

00:19:59,990 --> 00:19:56,640

one heard of him

494

00:20:02,230 --> 00:20:00,000

and no one even um he obviously didn't

495

00:20:03,510 --> 00:20:02,240

land in king island but he didn't

496

00:20:06,230 --> 00:20:03,520

communicate with the air traffic

497

00:20:08,789 --> 00:20:06,240

controllers again

498

00:20:11,110 --> 00:20:08,799

and what is also interesting is the

499

00:20:12,950 --> 00:20:11,120

extent of the search and rescue

500

00:20:15,430 --> 00:20:12,960

operation which happened

501
00:20:17,990 --> 00:20:15,440
um naturally one would assume that if he

502
00:20:19,350 --> 00:20:18,000
disappeared him he must have crashed the

503
00:20:21,350 --> 00:20:19,360
cessna

504
00:20:24,150 --> 00:20:21,360
but in my research

505
00:20:25,830 --> 00:20:24,160
something i did in my research is that i

506
00:20:28,950 --> 00:20:25,840
i researched the

507
00:20:31,510 --> 00:20:28,960
um dc the body of see he would he would

508
00:20:33,350 --> 00:20:31,520
have he was traveling over and was best

509
00:20:35,909 --> 00:20:33,360
straight it's and i found out that it's

510
00:20:38,789 --> 00:20:35,919
a relatively very shallow sea

511
00:20:39,909 --> 00:20:38,799
um it's it has a depth of 50 to 70

512
00:20:41,750 --> 00:20:39,919
meters

513
00:20:43,669 --> 00:20:41,760

and you know given the materials of the

514

00:20:44,710 --> 00:20:43,679

cessna

515

00:20:48,230 --> 00:20:44,720

if

516

00:20:50,310 --> 00:20:48,240

search and rescue team would have easily

517

00:20:52,950 --> 00:20:50,320

located the wreckage not only the

518

00:20:54,549 --> 00:20:52,960

wreckage but either an oil slick um or

519

00:20:55,830 --> 00:20:54,559

the body of course

520

00:21:00,070 --> 00:20:55,840

but

521

00:21:01,590 --> 00:21:00,080

literally just disappeared off the face

522

00:21:03,750 --> 00:21:01,600

of the earth

523

00:21:05,830 --> 00:21:03,760

naturally never to be seen again

524

00:21:07,590 --> 00:21:05,840

um and what makes this case interesting

525

00:21:08,710 --> 00:21:07,600

is that there are other corroborating

526
00:21:11,270 --> 00:21:08,720
sightings

527
00:21:12,950 --> 00:21:11,280
there there was a family um they were

528
00:21:14,549 --> 00:21:12,960
traveling by car who

529
00:21:16,950 --> 00:21:14,559
noticed

530
00:21:19,909 --> 00:21:16,960
a bright light in the sky which suddenly

531
00:21:23,750 --> 00:21:19,919
disappeared um now naturally i'm not

532
00:21:25,669 --> 00:21:23,760
saying that it was the same ufo but it's

533
00:21:27,430 --> 00:21:25,679
interesting that at the same time that

534
00:21:30,070 --> 00:21:27,440
valentick was talking to the atrophic

535
00:21:33,190 --> 00:21:30,080
controllers there was this corroborating

536
00:21:36,870 --> 00:21:35,270
the the transcript's quite harrowing as

537
00:21:38,390 --> 00:21:36,880
well and just when you you get into

538
00:21:40,710 --> 00:21:38,400

reading it you can kind of imagine this

539

00:21:43,270 --> 00:21:40,720

the scenario in your head and like you

540

00:21:45,190 --> 00:21:43,280

say as a young pilot but not necessarily

541

00:21:47,110 --> 00:21:45,200

a very inexperienced one they had a good

542

00:21:49,830 --> 00:21:47,120

classification and qualification to be

543

00:21:51,510 --> 00:21:49,840

flying and clearly quite a scary time as

544

00:21:53,669 --> 00:21:51,520

well and you can just imagine it the way

545

00:21:55,830 --> 00:21:53,679

it's written out and there's that 17

546

00:21:58,230 --> 00:21:55,840

seconds of silence like you say and then

547

00:22:00,870 --> 00:21:58,240

metallic noise and that's he's never

548

00:22:02,630 --> 00:22:00,880

heard from again yeah why do you think

549

00:22:05,430 --> 00:22:02,640

some cases are

550

00:22:08,310 --> 00:22:05,440

well known and blow up within ufology

551
00:22:10,070 --> 00:22:08,320
yet other cases like this one go largely

552
00:22:11,750 --> 00:22:10,080
unnoticed do you see anything within

553
00:22:13,750 --> 00:22:11,760
your research that would indicate why

554
00:22:16,230 --> 00:22:13,760
this isn't a very well known case

555
00:22:18,230 --> 00:22:16,240
um prime

556
00:22:19,990 --> 00:22:18,240
at first i was going to say it's because

557
00:22:22,070 --> 00:22:20,000
it happened in australia not the united

558
00:22:24,310 --> 00:22:22,080
states but that's not necessarily true

559
00:22:26,710 --> 00:22:24,320
because there are other individuals who

560
00:22:29,669 --> 00:22:26,720
lost their lives such as thomas mantell

561
00:22:32,149 --> 00:22:29,679
and lieutenant monclaire watson they both

562
00:22:33,830 --> 00:22:32,159
lost their lives they were chasing ufos

563
00:22:36,149 --> 00:22:33,840

and it's a shame really that this case

564

00:22:37,430 --> 00:22:36,159

is not one of the most

565

00:22:39,270 --> 00:22:37,440

known ones

566

00:22:41,669 --> 00:22:39,280

because it's genuinely

567

00:22:42,630 --> 00:22:41,679

it's terrifying of course

568

00:22:43,830 --> 00:22:42,640

um

569

00:22:45,990 --> 00:22:43,840

i believe

570

00:22:47,029 --> 00:22:46,000

in my opinion the reason why such cases

571

00:22:49,350 --> 00:22:47,039

are not

572

00:22:50,390 --> 00:22:49,360

as known is because of the response

573

00:22:52,710 --> 00:22:50,400

which

574

00:22:54,549 --> 00:22:52,720

the air force has in in this case there

575

00:22:56,149 --> 00:22:54,559

wasn't much of a response

576

00:22:58,870 --> 00:22:56,159

in the sense naturally there wasn't a

577

00:23:00,549 --> 00:22:58,880

full-blown investigation or at least um

578

00:23:02,710 --> 00:23:00,559

it wasn't

579

00:23:05,110 --> 00:23:02,720

declassified if there was one

580

00:23:07,270 --> 00:23:05,120

but it's unfortunate that

581

00:23:09,590 --> 00:23:07,280

not many people talk about it

582

00:23:11,110 --> 00:23:09,600

because i am sure that if we talk about

583

00:23:11,909 --> 00:23:11,120

these cases more

584

00:23:14,230 --> 00:23:11,919

then

585

00:23:16,470 --> 00:23:14,240

people would would consider the the

586

00:23:18,230 --> 00:23:16,480

topic much more serious if we compare

587

00:23:20,310 --> 00:23:18,240

this to the roswell crash i know that

588

00:23:21,190 --> 00:23:20,320

this is much more important

589

00:23:27,510 --> 00:23:21,200

um

590

00:23:29,590 --> 00:23:27,520

it's it's more detrimental as well

591

00:23:31,510 --> 00:23:29,600

yeah and there's lots more um less

592

00:23:33,350 --> 00:23:31,520

unknown cases like that and amongst all

593

00:23:35,590 --> 00:23:33,360

those very well known uh and

594

00:23:37,669 --> 00:23:35,600

well-researched cases as well and i

595

00:23:39,029 --> 00:23:37,679

won't go into two anymore myself because

596

00:23:40,950 --> 00:23:39,039

that just starts spoiling the book for

597

00:23:43,270 --> 00:23:40,960

people people should pick it up do you

598

00:23:45,190 --> 00:23:43,280

have any particular case or part of the

599

00:23:46,470 --> 00:23:45,200

book that you really enjoyed writing and

600

00:23:50,630 --> 00:23:46,480

researching

601
00:23:53,029 --> 00:23:50,640
yes definitely um so of course um

602
00:23:55,430 --> 00:23:53,039
the tic tac and gimbal of course they

603
00:23:56,390 --> 00:23:55,440
are very well known cases but one of my

604
00:23:59,029 --> 00:23:56,400
favorite

605
00:24:01,270 --> 00:23:59,039
cases um and and i guess we'll stay on

606
00:24:02,870 --> 00:24:01,280
the topic of people

607
00:24:05,110 --> 00:24:02,880
disappearing and dying which is quite

608
00:24:07,590 --> 00:24:05,120
morbid but one of my favorite cases was

609
00:24:10,310 --> 00:24:07,600
the death of thomas mantel um basically

610
00:24:12,950 --> 00:24:10,320
there was a case in 1948

611
00:24:14,789 --> 00:24:12,960
and thomas mantel he was

612
00:24:17,029 --> 00:24:14,799
very experienced

613
00:24:21,029 --> 00:24:17,039

he was a military guy

614

00:24:22,789 --> 00:24:21,039

and he was patrolling the sky um he well

615

00:24:24,470 --> 00:24:22,799

the air force base in godman they

616

00:24:27,110 --> 00:24:24,480

received a call saying that they had

617

00:24:28,310 --> 00:24:27,120

seen a ufo in the sky

618

00:24:29,750 --> 00:24:28,320

um

619

00:24:31,990 --> 00:24:29,760

and they confirmed that it was not

620

00:24:35,110 --> 00:24:32,000

military in any way

621

00:24:36,230 --> 00:24:35,120

so the godman air force base they they

622

00:24:37,269 --> 00:24:36,240

uh

623

00:24:44,070 --> 00:24:37,279

they

624

00:24:46,789 --> 00:24:44,080

scandal in a jet and pursue the object

625

00:24:49,110 --> 00:24:46,799

and what is interesting is that he was

626
00:24:50,230 --> 00:24:49,120
talking to the air traffic controllers

627
00:24:52,710 --> 00:24:50,240
as well

628
00:24:54,310 --> 00:24:52,720
and at one point he tells them that it's

629
00:24:56,710 --> 00:24:54,320
above him

630
00:24:59,029 --> 00:24:56,720
um he's going to 20 000 feet

631
00:25:01,110 --> 00:24:59,039
and as he does say that he disappears

632
00:25:03,590 --> 00:25:01,120
completely um

633
00:25:05,830 --> 00:25:03,600
he disappears but naturally with this

634
00:25:07,990 --> 00:25:05,840
case thomas mantel's aircraft actually

635
00:25:09,430 --> 00:25:08,000
crashed um

636
00:25:12,390 --> 00:25:09,440
which is different than valentick of

637
00:25:13,990 --> 00:25:12,400
course so here people saw mantel chasing

638
00:25:16,789 --> 00:25:14,000

a bright light

639

00:25:19,669 --> 00:25:16,799

followed by his aircraft crashing to the

640

00:25:22,149 --> 00:25:19,679

ground um so this is one of my my this

641

00:25:24,789 --> 00:25:22,159

is perhaps my one of my favorite topics

642

00:25:27,350 --> 00:25:24,799

uh monster my one of my favorite cases

643

00:25:30,070 --> 00:25:27,360

um because you have a credible source

644

00:25:31,990 --> 00:25:30,080

you have a credible military man

645

00:25:33,269 --> 00:25:32,000

and there are many witnesses who saw the

646

00:25:35,430 --> 00:25:33,279

ufo

647

00:25:39,190 --> 00:25:35,440

and the mental aircraft and they of

648

00:25:41,029 --> 00:25:39,200

course witnessed the fatal crash

649

00:25:42,950 --> 00:25:41,039

it's interesting that you've picked a

650

00:25:45,110 --> 00:25:42,960

case where someone of course

651
00:25:46,149 --> 00:25:45,120
passes away or dies as a result of the

652
00:25:57,750 --> 00:25:46,159
the

653
00:26:01,269 --> 00:25:57,760
well-known cases in ufology

654
00:26:02,630 --> 00:26:01,279
don't result in a death of a human being

655
00:26:05,110 --> 00:26:02,640
yeah i wonder if that's part of the

656
00:26:07,430 --> 00:26:05,120
reason do you think that people tend to

657
00:26:08,710 --> 00:26:07,440
go towards them because it's a more

658
00:26:11,029 --> 00:26:08,720
peaceful

659
00:26:13,830 --> 00:26:11,039
encounter in that sense yeah yeah i

660
00:26:15,110 --> 00:26:13,840
definitely get what you mean um

661
00:26:16,789 --> 00:26:15,120
like i said it's quite morbid when

662
00:26:19,110 --> 00:26:16,799
someone loses their lives but if you

663
00:26:21,110 --> 00:26:19,120

look at roswell it's entertaining you

664

00:26:23,110 --> 00:26:21,120

know it's something that's it's it's

665

00:26:25,269 --> 00:26:23,120

it's something somewhat trivial in the

666

00:26:27,110 --> 00:26:25,279

sense that did the flying saucer crash

667

00:26:29,430 --> 00:26:27,120

or was it a weather balloon

668

00:26:31,830 --> 00:26:29,440

even the the response of the military

669

00:26:34,470 --> 00:26:31,840

it's ludicrous and that in itself makes

670

00:26:37,430 --> 00:26:34,480

it something people want to talk about

671

00:26:39,350 --> 00:26:37,440

but if we look at mantel's death and

672

00:26:42,149 --> 00:26:39,360

valentich's disappearance

673

00:26:43,990 --> 00:26:42,159

it's serious there wasn't um a

674

00:26:46,070 --> 00:26:44,000

ridiculous

675

00:26:47,590 --> 00:26:46,080

response by the military and perhaps

676
00:26:50,149 --> 00:26:47,600
that's why people

677
00:26:52,630 --> 00:26:50,159
perhaps shy away from them because i

678
00:26:54,310 --> 00:26:52,640
mean it's quite morbid and it's if you

679
00:26:56,470 --> 00:26:54,320
read about it too much

680
00:26:59,350 --> 00:26:56,480
it brings you down in a sense when

681
00:27:01,750 --> 00:26:59,360
compared to roswell or the battle of la

682
00:27:04,310 --> 00:27:01,760
where those cases are just fascinating

683
00:27:06,549 --> 00:27:04,320
you know you're seeing a ufo um the

684
00:27:09,430 --> 00:27:06,559
military is shooting at it but it's not

685
00:27:13,110 --> 00:27:09,440
coming down that is just fascinating but

686
00:27:15,029 --> 00:27:13,120
these cases tend to be more unfortunate

687
00:27:17,029 --> 00:27:15,039
now the book's been out i think was it

688
00:27:19,510 --> 00:27:17,039

april this year it was released yeah

689

00:27:21,909 --> 00:27:19,520

yeah in april yeah uh so it's been out

690

00:27:23,990 --> 00:27:21,919

now we're talking four months is there

691

00:27:25,990 --> 00:27:24,000

anything you're looking back and what

692

00:27:27,669 --> 00:27:26,000

you would change about the book or was

693

00:27:30,310 --> 00:27:27,679

there anything that you wanted to

694

00:27:32,710 --> 00:27:30,320

include but for some reason you couldn't

695

00:27:35,029 --> 00:27:32,720

quite make it into the final copy um i

696

00:27:35,990 --> 00:27:35,039

definitely wanted to include pictures um

697

00:27:37,510 --> 00:27:36,000

i think that's the one thing that's

698

00:27:41,350 --> 00:27:37,520

missing from the book

699

00:27:42,549 --> 00:27:41,360

um but it was uh it i could we couldn't

700

00:27:44,870 --> 00:27:42,559

do it

701
00:27:46,789 --> 00:27:44,880
from the for the time frame we had and

702
00:27:47,669 --> 00:27:46,799
also to get there are so many cases that

703
00:27:49,510 --> 00:27:47,679
to get

704
00:27:51,190 --> 00:27:49,520
rights for each case it would have been

705
00:27:52,230 --> 00:27:51,200
close to impossible

706
00:27:53,590 --> 00:27:52,240
um

707
00:27:54,870 --> 00:27:53,600
and now that

708
00:27:56,310 --> 00:27:54,880
now

709
00:27:58,470 --> 00:27:56,320
after the book has been published and

710
00:27:59,590 --> 00:27:58,480
i've had multiple conversations

711
00:28:02,549 --> 00:27:59,600
uh people

712
00:28:03,909 --> 00:28:02,559
told me that there were um

713
00:28:06,070 --> 00:28:03,919

sometimes i have a conversation and they

714

00:28:07,350 --> 00:28:06,080

tell me did you hear about this case or

715

00:28:08,230 --> 00:28:07,360

that case

716

00:28:10,230 --> 00:28:08,240

um

717

00:28:11,750 --> 00:28:10,240

and of course i'm like yeah maybe that

718

00:28:14,230 --> 00:28:11,760

should have made the cut

719

00:28:16,549 --> 00:28:14,240

um but in this i i'm very happy with the

720

00:28:18,710 --> 00:28:16,559

way it turned out

721

00:28:20,789 --> 00:28:18,720

because in a sense it also encourages

722

00:28:21,669 --> 00:28:20,799

the reader to do their own research

723

00:28:23,510 --> 00:28:21,679

um

724

00:28:25,669 --> 00:28:23,520

in fact there are citations everywhere

725

00:28:28,230 --> 00:28:25,679

so someone can easily look up the source

726

00:28:30,630 --> 00:28:28,240

i used um

727

00:28:33,190 --> 00:28:30,640

so i'm happy that it's written in a way

728

00:28:36,789 --> 00:28:33,200

that it will encourage someone who wants

729

00:28:37,909 --> 00:28:36,799

to learn more to uh do further readings

730

00:28:40,230 --> 00:28:37,919

as well

731

00:28:41,669 --> 00:28:40,240

yeah and i can i can assure any readers

732

00:28:43,830 --> 00:28:41,679

and what i've read of the book and the

733

00:28:46,870 --> 00:28:43,840

parts i've jumped in and out of it's

734

00:28:48,070 --> 00:28:46,880

written in such a way that i don't think

735

00:28:49,990 --> 00:28:48,080

you need the pictures and that's

736

00:28:51,269 --> 00:28:50,000

something i tend to do with ufo books is

737

00:28:53,190 --> 00:28:51,279

you pick them up and flick through for

738

00:28:55,510 --> 00:28:53,200

the pictures don't you yeah it's written

739

00:28:57,590 --> 00:28:55,520

in a way you'll see it in your head and

740

00:28:59,590 --> 00:28:57,600

like i say that frederick valentich

741

00:29:01,669 --> 00:28:59,600

encounter i can see it as i'm reading it

742

00:29:03,350 --> 00:29:01,679

in my head what it would look like to me

743

00:29:05,269 --> 00:29:03,360

you know what sometimes that's better

744

00:29:08,630 --> 00:29:05,279

than looking at a picture from you know

745

00:29:10,389 --> 00:29:08,640

the 70s or 60s or 80s where it's grainy

746

00:29:13,110 --> 00:29:10,399

fuzzy and it's just it's just an you

747

00:29:14,710 --> 00:29:13,120

know unknown light on the page anyway so

748

00:29:16,230 --> 00:29:14,720

i think that leaves a little bit more to

749

00:29:18,070 --> 00:29:16,240

the imagination which can be really

750

00:29:19,750 --> 00:29:18,080

lacking sometimes in these books and

751

00:29:21,830 --> 00:29:19,760

it's it's very well written in that

752

00:29:24,149 --> 00:29:21,840

sense warren as well that's mean so much

753

00:29:26,070 --> 00:29:24,159

thank you no no it's and it's true i

754

00:29:28,070 --> 00:29:26,080

wouldn't just say that otherwise so i

755

00:29:29,510 --> 00:29:28,080

would make up something else

756

00:29:31,029 --> 00:29:29,520

i don't want to spoil any more of the

757

00:29:33,350 --> 00:29:31,039

content of the book people should give

758

00:29:35,909 --> 00:29:33,360

that a read um it gives a lot of really

759

00:29:37,590 --> 00:29:35,919

good coverage to existing cases and also

760

00:29:40,149 --> 00:29:37,600

like i've said those those lesser known

761

00:29:42,470 --> 00:29:40,159

cases as well are really fascinating the

762

00:29:43,430 --> 00:29:42,480

the timing of the book though was there

763

00:29:45,510 --> 00:29:43,440

anything

764

00:29:47,510 --> 00:29:45,520

to do with the release date that it came

765

00:29:49,590 --> 00:29:47,520

out at a time of year when there were a

766

00:29:51,430 --> 00:29:49,600

lot of eyes on the subject people were

767

00:29:53,029 --> 00:29:51,440

getting into the subject because we'd

768

00:29:54,870 --> 00:29:53,039

had the task force report being

769

00:29:57,190 --> 00:29:54,880

announced yeah and it was due to come

770

00:29:58,470 --> 00:29:57,200

out in the june uh was it anything to

771

00:30:00,070 --> 00:29:58,480

that or was that just a happy

772

00:30:01,190 --> 00:30:00,080

coincidence

773

00:30:03,110 --> 00:30:01,200

um

774

00:30:06,310 --> 00:30:03,120

the thing is i i had written the book

775

00:30:07,269 --> 00:30:06,320

but i held on to it for a very long time

776

00:30:11,350 --> 00:30:07,279

um

777

00:30:14,470 --> 00:30:11,360

for example

778

00:30:15,669 --> 00:30:14,480

i by in 2017 i had written the majority

779

00:30:18,950 --> 00:30:15,679

of the book

780

00:30:21,110 --> 00:30:18,960

um but then as the tic tac ufo um report

781

00:30:22,710 --> 00:30:21,120

came out it did the video i realized

782

00:30:23,590 --> 00:30:22,720

that many more reports are going to come

783

00:30:25,909 --> 00:30:23,600

out

784

00:30:28,310 --> 00:30:25,919

and that's when we we saw gimbal and go

785

00:30:30,149 --> 00:30:28,320

fast and that's when we heard about atip

786

00:30:31,110 --> 00:30:30,159

as well um

787

00:30:34,630 --> 00:30:31,120

so

788

00:30:36,710 --> 00:30:34,640

information came out and as well when i

789

00:30:38,230 --> 00:30:36,720

was writing i was realizing that the

790

00:30:40,310 --> 00:30:38,240

more time i have the more information

791

00:30:42,549 --> 00:30:40,320

i'm getting and there's always something

792

00:30:44,230 --> 00:30:42,559

that i that's potentially i missed and

793

00:30:45,830 --> 00:30:44,240

i'm sure that if i go back i can find

794

00:30:46,870 --> 00:30:45,840

even more information

795

00:30:48,389 --> 00:30:46,880

um

796

00:30:49,990 --> 00:30:48,399

so i held onto the book for a very long

797

00:30:51,190 --> 00:30:50,000

time because things were progressing in

798

00:30:52,470 --> 00:30:51,200

a way that

799

00:30:55,190 --> 00:30:52,480

something was happening you know the

800

00:30:58,789 --> 00:30:55,200

conversation was actually starting

801
00:31:00,310 --> 00:30:58,799
but then in 2020 i sent it in to the

802
00:31:01,590 --> 00:31:00,320
publishers

803
00:31:03,590 --> 00:31:01,600
um

804
00:31:06,070 --> 00:31:03,600
the timing was perfect because the

805
00:31:08,230 --> 00:31:06,080
videos were creating a conversation

806
00:31:11,350 --> 00:31:08,240
um the task force the report would

807
00:31:13,830 --> 00:31:11,360
create a conversation and then there is

808
00:31:15,990 --> 00:31:13,840
i threw in my book which also created

809
00:31:18,950 --> 00:31:16,000
the conversation i had people reading

810
00:31:20,149 --> 00:31:18,960
reading my book first and then i tell

811
00:31:21,669 --> 00:31:20,159
them listen

812
00:31:23,830 --> 00:31:21,679
people are actually talking about it

813
00:31:26,310 --> 00:31:23,840

right now there's a document about to

814

00:31:28,149 --> 00:31:26,320

come out and i would you know encourage

815

00:31:29,669 --> 00:31:28,159

them to look at the videos look at the

816

00:31:30,549 --> 00:31:29,679

report

817

00:31:31,430 --> 00:31:30,559

so

818

00:31:33,590 --> 00:31:31,440

um

819

00:31:35,430 --> 00:31:33,600

it was a bit of a coincidence a lucky

820

00:31:36,549 --> 00:31:35,440

coincidence

821

00:31:40,230 --> 00:31:36,559

but also

822

00:31:41,750 --> 00:31:40,240

i'm happy that it happens in such a way

823

00:31:43,430 --> 00:31:41,760

later on i'm going to get your thoughts

824

00:31:45,029 --> 00:31:43,440

on the task force report as well but i

825

00:31:47,190 --> 00:31:45,039

just want to mention before we get to

826

00:31:49,509 --> 00:31:47,200

listen our questions warren

827

00:31:51,830 --> 00:31:49,519

you are your second book you mentioned

828

00:31:53,750 --> 00:31:51,840

that you're already writing um how has

829

00:31:54,789 --> 00:31:53,760

that come about so quickly and you

830

00:31:58,149 --> 00:31:54,799

mentioned it's going to be on the

831

00:32:00,470 --> 00:31:58,159

abduction phenomenon yes yes exactly and

832

00:32:02,789 --> 00:32:00,480

interestingly many of the information i

833

00:32:04,789 --> 00:32:02,799

have right now is that i was

834

00:32:06,549 --> 00:32:04,799

i was planning to include it in the

835

00:32:08,710 --> 00:32:06,559

first book the first i was planning on

836

00:32:11,350 --> 00:32:08,720

the first book being divided into

837

00:32:12,950 --> 00:32:11,360

uh ufo sightings and abductions but

838

00:32:14,710 --> 00:32:12,960

there were so many sightings that it

839

00:32:17,029 --> 00:32:14,720

would have been

840

00:32:18,710 --> 00:32:17,039

such a long book and i myself would not

841

00:32:21,350 --> 00:32:18,720

have picked it up it would have been

842

00:32:23,029 --> 00:32:21,360

discouraging to pick up to pick up and i

843

00:32:25,110 --> 00:32:23,039

also don't want to do a disservice to

844

00:32:26,789 --> 00:32:25,120

the cases or the abductions you know

845

00:32:30,470 --> 00:32:26,799

they deserve

846

00:32:31,909 --> 00:32:30,480

um all the all the detail that they have

847

00:32:34,149 --> 00:32:31,919

so so

848

00:32:35,990 --> 00:32:34,159

that's why the first book i wanted to

849

00:32:38,149 --> 00:32:36,000

focus just on sightings and now the

850

00:32:39,990 --> 00:32:38,159

second book on abductions so that i make

851
00:32:41,029 --> 00:32:40,000
sure that i include every single detail

852
00:32:44,149 --> 00:32:41,039
possible

853
00:32:45,830 --> 00:32:44,159
um so so that's how

854
00:32:47,350 --> 00:32:45,840
so a lot of the information i had

855
00:32:48,950 --> 00:32:47,360
already researched but now i'm going

856
00:32:51,269 --> 00:32:48,960
over it again

857
00:32:52,310 --> 00:32:51,279
firstly to make sure that it's correct

858
00:32:55,750 --> 00:32:52,320
and now

859
00:32:57,830 --> 00:32:55,760
i'm also adding a lot of information

860
00:32:59,990 --> 00:32:57,840
as well what what sort of time scale are

861
00:33:02,870 --> 00:33:00,000
you looking at for for getting that book

862
00:33:04,070 --> 00:33:02,880
written and out to the public i'm hoping

863
00:33:06,549 --> 00:33:04,080

to

864

00:33:08,310 --> 00:33:06,559
publish it definitely in the in this

865

00:33:09,269 --> 00:33:08,320
year or the following one

866

00:33:12,630 --> 00:33:09,279
um

867

00:33:14,710 --> 00:33:12,640
i i don't like rushing mice well i do

868

00:33:16,389 --> 00:33:14,720
rush myself a lot um and when there's

869

00:33:19,350 --> 00:33:16,399
that sort of pressure

870

00:33:21,750 --> 00:33:19,360
um it tends to be

871

00:33:23,509 --> 00:33:21,760
proactive or uh it can either be

872

00:33:25,110 --> 00:33:23,519
proactive or it keeps you back from

873

00:33:27,110 --> 00:33:25,120
writing the best

874

00:33:29,110 --> 00:33:27,120
that you can write but right now i'm

875

00:33:30,710 --> 00:33:29,120
taking it

876

00:33:33,430 --> 00:33:30,720

easy in the sense that i'm making sure

877

00:33:35,909 --> 00:33:33,440

that each chapter that i write it's

878

00:33:37,190 --> 00:33:35,919

it's perfect and i'm happy with it and

879

00:33:39,509 --> 00:33:37,200

that's when i move on to the next

880

00:33:40,549 --> 00:33:39,519

chapter so i'm taking it slowly to make

881

00:33:43,190 --> 00:33:40,559

sure that

882

00:33:45,029 --> 00:33:43,200

everything i write is accurate and it's

883

00:33:48,070 --> 00:33:45,039

well written and it doesn't do a

884

00:33:50,549 --> 00:33:48,080

disservice to the people who actually

885

00:33:51,830 --> 00:33:50,559

um had the encounter themselves

886

00:33:53,750 --> 00:33:51,840

well that certainly comes out in the

887

00:33:55,029 --> 00:33:53,760

finished product of the first book so i

888

00:33:56,470 --> 00:33:55,039

i would look forward to that within the

889

00:33:58,389 --> 00:33:56,480

second warren

890

00:34:01,430 --> 00:33:58,399

warren um listener questions let's get

891

00:34:03,430 --> 00:34:01,440

to some of those for you um dave asked

892

00:34:05,750 --> 00:34:03,440

now the third section in your book

893

00:34:06,789 --> 00:34:05,760

covers military responses to ufo

894

00:34:09,109 --> 00:34:06,799

sightings

895

00:34:11,430 --> 00:34:09,119

do you think the military have modified

896

00:34:13,109 --> 00:34:11,440

their pursuit or tracking strategy over

897

00:34:16,470 --> 00:34:13,119

the years

898

00:34:20,149 --> 00:34:16,480

um they definitely

899

00:34:21,669 --> 00:34:20,159

okay is the question asking how has it

900

00:34:23,109 --> 00:34:21,679

changed over time

901
00:34:24,629 --> 00:34:23,119
yeah well he was asking do you think

902
00:34:26,710 --> 00:34:24,639
they've modified their pursuit or

903
00:34:29,190 --> 00:34:26,720
tracking strategy over over time if

904
00:34:31,510 --> 00:34:29,200
you're looking at cases from the 50s 60s

905
00:34:33,349 --> 00:34:31,520
70s onwards do you think it's changed or

906
00:34:36,310 --> 00:34:33,359
have they not been able to i think most

907
00:34:39,349 --> 00:34:36,320
definitely for example if we look at

908
00:34:41,909 --> 00:34:39,359
the 40s or or the 50s

909
00:34:43,909 --> 00:34:41,919
even later on the years a lot of jets

910
00:34:46,389 --> 00:34:43,919
were scrambled to to chase down these

911
00:34:48,550 --> 00:34:46,399
ufos and i think over time we're hearing

912
00:34:50,790 --> 00:34:48,560
less about that because of the

913
00:34:52,470 --> 00:34:50,800

technology which we have um

914

00:34:54,069 --> 00:34:52,480

for example i

915

00:34:56,389 --> 00:34:54,079

if i when i was doing my research for

916

00:34:58,390 --> 00:34:56,399

the tektak ufo i was reading about the

917

00:35:00,950 --> 00:34:58,400

technology which they have

918

00:35:02,950 --> 00:35:00,960

um on the uss nimitz and all these

919

00:35:05,030 --> 00:35:02,960

sensors they have it's genuinely just

920

00:35:07,510 --> 00:35:05,040

mind-blowing and so i don't think that

921

00:35:09,670 --> 00:35:07,520

that that they do need

922

00:35:10,870 --> 00:35:09,680

to scramble a ufo jet when they can do

923

00:35:12,870 --> 00:35:10,880

everything

924

00:35:15,430 --> 00:35:12,880

on the screen

925

00:35:18,230 --> 00:35:15,440

um on deck they don't need to scramble

926
00:35:20,710 --> 00:35:18,240
any fighter that's in my opinion um but

927
00:35:23,829 --> 00:35:20,720
it also shows in the cases for example

928
00:35:25,430 --> 00:35:23,839
uh the tech attack the gimbal um

929
00:35:27,510 --> 00:35:25,440
a lot of the information we have it's

930
00:35:29,430 --> 00:35:27,520
from the radar

931
00:35:31,030 --> 00:35:29,440
naturally our radar is so advanced

932
00:35:33,829 --> 00:35:31,040
nowadays that

933
00:35:36,630 --> 00:35:33,839
um i think the focus is more

934
00:35:39,030 --> 00:35:36,640
on that now as opposed to chasing down

935
00:35:40,150 --> 00:35:39,040
ufos trying to pursue

936
00:35:42,630 --> 00:35:40,160
um

937
00:35:44,950 --> 00:35:42,640
pursue them essentially

938
00:35:46,390 --> 00:35:44,960

i think as well a lot of the recent

939

00:35:47,990 --> 00:35:46,400

especially when it comes to the tic tac

940

00:35:51,430 --> 00:35:48,000

some of the conversation around the

941

00:35:53,430 --> 00:35:51,440

behavior of these objects um and i

942

00:35:56,390 --> 00:35:53,440

likened it to a little bit like if you

943

00:35:58,870 --> 00:35:56,400

are if you have a fly or you know a bee

944

00:36:01,190 --> 00:35:58,880

or a wasp that's annoying you and you

945

00:36:03,190 --> 00:36:01,200

try to swat it with your hand yeah you

946

00:36:04,630 --> 00:36:03,200

never seem to be able to hit it even if

947

00:36:06,710 --> 00:36:04,640

it's sitting still

948

00:36:09,349 --> 00:36:06,720

or and that's the way these objects they

949

00:36:10,470 --> 00:36:09,359

almost seem indifferent to any form of

950

00:36:13,190 --> 00:36:10,480

engagement

951
00:36:15,510 --> 00:36:13,200
until the point where they have to move

952
00:36:16,630 --> 00:36:15,520
yeah and that makes me wonder is it some

953
00:36:18,790 --> 00:36:16,640
sort of

954
00:36:21,190 --> 00:36:18,800
control or you know defense mechanism

955
00:36:23,910 --> 00:36:21,200
that there's something and the proximity

956
00:36:25,670 --> 00:36:23,920
triggers an alert and it moves yeah or

957
00:36:27,190 --> 00:36:25,680
is there some intelligent control behind

958
00:36:28,630 --> 00:36:27,200
those particularly have you got any

959
00:36:31,829 --> 00:36:28,640
thoughts on that ah that's such a

960
00:36:35,190 --> 00:36:31,839
perfect way to put it um in my opinion

961
00:36:37,430 --> 00:36:35,200
if these aircrafts are not piloted um

962
00:36:39,589 --> 00:36:37,440
remotely and are not remotely controlled

963
00:36:41,349 --> 00:36:39,599

then the anatomy of these beings must be

964

00:36:43,990 --> 00:36:41,359

completely different

965

00:36:47,030 --> 00:36:44,000

we're looking at objects who exceed the

966

00:36:48,710 --> 00:36:47,040

speed of sound i mean by tens by ten

967

00:36:50,870 --> 00:36:48,720

times and there's there's

968

00:36:53,270 --> 00:36:50,880

no human being and no anatomy can even

969

00:36:55,589 --> 00:36:53,280

withstand that so i think that they

970

00:36:56,950 --> 00:36:55,599

could be remotely controlled in that way

971

00:36:58,630 --> 00:36:56,960

if they're not remotely controlled then

972

00:37:01,030 --> 00:36:58,640

the anatomy

973

00:37:02,790 --> 00:37:01,040

of these beings is so

974

00:37:06,069 --> 00:37:02,800

different than ours

975

00:37:08,550 --> 00:37:06,079

um and i think um as a right now i'm

976
00:37:10,470 --> 00:37:08,560
thinking why aren't we sort of chasing

977
00:37:12,390 --> 00:37:10,480
them down and i think it's because we're

978
00:37:14,630 --> 00:37:12,400
observing more nowadays i think we

979
00:37:16,790 --> 00:37:14,640
learned that these objects we cannot

980
00:37:18,630 --> 00:37:16,800
pursue them books because we can never

981
00:37:20,390 --> 00:37:18,640
catch them so it makes sense to just

982
00:37:23,430 --> 00:37:20,400
observe them from afar and see how they

983
00:37:25,829 --> 00:37:23,440
behave see their maneuvers see how see

984
00:37:28,069 --> 00:37:25,839
their propulsion system um i think

985
00:37:30,950 --> 00:37:28,079
observation makes

986
00:37:32,710 --> 00:37:30,960
uh it is a better tool it's a better

987
00:37:35,030 --> 00:37:32,720
learning tool than actually

988
00:37:37,990 --> 00:37:35,040

chasing them down

989

00:37:39,990 --> 00:37:38,000

absolutely um dave also asks warren in

990

00:37:42,550 --> 00:37:40,000

your book you are keen to only look at

991

00:37:44,710 --> 00:37:42,560

well-evidenced sightings yes has this

992

00:37:47,109 --> 00:37:44,720

become harder to determine since the

993

00:37:49,829 --> 00:37:47,119

advent of digital photography from the

994

00:37:52,950 --> 00:37:49,839

90s onwards yes that

995

00:37:54,390 --> 00:37:52,960

that's a big yes definitely um

996

00:37:57,349 --> 00:37:54,400

that's a good question for example the

997

00:37:59,270 --> 00:37:57,359

mcminnville photographs the reason um

998

00:38:01,589 --> 00:37:59,280

they're old you know they couldn't have

999

00:38:03,349 --> 00:38:01,599

replicated them but nowadays

1000

00:38:05,750 --> 00:38:03,359

even if you go on on social media you

1001

00:38:08,150 --> 00:38:05,760

see so many pictures of ufos

1002

00:38:09,829 --> 00:38:08,160

um most of them are badly edited and you

1003

00:38:12,870 --> 00:38:09,839

know that they're photoshopped but

1004

00:38:15,910 --> 00:38:12,880

others are very convincing um so that's

1005

00:38:18,790 --> 00:38:15,920

why i go to documented cases cases which

1006

00:38:20,790 --> 00:38:18,800

there was a formal investigation um i'm

1007

00:38:23,030 --> 00:38:20,800

not saying that if you see a phone when

1008

00:38:24,150 --> 00:38:23,040

you take a picture of it it means that

1009

00:38:26,630 --> 00:38:24,160

it's not

1010

00:38:28,950 --> 00:38:26,640

extraterrestrial or anything but i

1011

00:38:31,190 --> 00:38:28,960

wanted to focus on facts um and

1012

00:38:33,990 --> 00:38:31,200

documented facts for the simple reason

1013

00:38:34,790 --> 00:38:34,000

that that's one way of convincing people

1014

00:38:36,790 --> 00:38:34,800

um

1015

00:38:38,550 --> 00:38:36,800

telling someone that you saw a ufo and

1016

00:38:41,750 --> 00:38:38,560

you captured it on your iphone is one

1017

00:38:43,670 --> 00:38:41,760

thing but then showing that same person

1018

00:38:45,109 --> 00:38:43,680

an air force document showing the full

1019

00:38:46,790 --> 00:38:45,119

scale response

1020

00:38:48,310 --> 00:38:46,800

that's more convincing and that's

1021

00:38:49,829 --> 00:38:48,320

something else

1022

00:38:51,349 --> 00:38:49,839

yeah and that's a really good question

1023

00:38:54,310 --> 00:38:51,359

from dave and something we've discussed

1024

00:38:55,990 --> 00:38:54,320

on the podcast warren that if you look

1025

00:38:58,550 --> 00:38:56,000

online like you said there are so many

1026
00:38:59,589 --> 00:38:58,560
clear pictures everyone wants a 4k or an

1027
00:39:03,030 --> 00:38:59,599
8k

1028
00:39:04,950 --> 00:39:03,040
resolution image if we did c1 or there

1029
00:39:07,109 --> 00:39:04,960
was one out there already we would

1030
00:39:09,270 --> 00:39:07,119
probably dismiss it as being exactly

1031
00:39:12,630 --> 00:39:09,280
because it would look too good and also

1032
00:39:13,349 --> 00:39:12,640
what what does a genuine ufo uap look

1033
00:39:16,470 --> 00:39:13,359
like

1034
00:39:17,550 --> 00:39:16,480
one thousand percent hundred percent um

1035
00:39:18,710 --> 00:39:17,560
i think um

1036
00:39:20,550 --> 00:39:18,720
[Music]

1037
00:39:22,310 --> 00:39:20,560
the the way that these aircrafts operate

1038
00:39:24,550 --> 00:39:22,320

it's with an anti-gravity propulsion

1039

00:39:27,349 --> 00:39:24,560

system and these gravitational waves

1040

00:39:29,030 --> 00:39:27,359

they create a distortion which um when

1041

00:39:31,270 --> 00:39:29,040

you take a picture of it is just um a

1042

00:39:33,109 --> 00:39:31,280

ball of light so it's sort of impossible

1043

00:39:35,190 --> 00:39:33,119

to take a clear picture of them but like

1044

00:39:37,510 --> 00:39:35,200

you said if we do take a 4k picture of

1045

00:39:39,829 --> 00:39:37,520

it and we see these details it's

1046

00:39:43,109 --> 00:39:39,839

something out of a sci-fi movie

1047

00:39:44,790 --> 00:39:43,119

and i myself if i saw a picture and it

1048

00:39:46,390 --> 00:39:44,800

was so detailed that would immediately

1049

00:39:47,670 --> 00:39:46,400

dismiss it

1050

00:39:50,870 --> 00:39:47,680

um

1051

00:39:52,630 --> 00:39:50,880

so that's a good point

1052

00:39:54,310 --> 00:39:52,640

absolutely and you know what there's

1053

00:39:56,310 --> 00:39:54,320

probably a good chance warren that

1054

00:39:58,790 --> 00:39:56,320

there's an image out there online that

1055

00:40:01,670 --> 00:39:58,800

everyone dismisses as being fake yeah is

1056

00:40:03,670 --> 00:40:01,680

100 genuine and we just go nope

1057

00:40:05,510 --> 00:40:03,680

definitely not and i'm probably guilty

1058

00:40:08,310 --> 00:40:05,520

of that as well but that's just the

1059

00:40:09,910 --> 00:40:08,320

subject that that we're in um nathan has

1060

00:40:12,550 --> 00:40:09,920

a question and i've got to give nathan a

1061

00:40:14,550 --> 00:40:12,560

shout out as he is a regular contributor

1062

00:40:17,030 --> 00:40:14,560

and longtime listener to the podcast but

1063

00:40:19,829 --> 00:40:17,040

he is now also a co-host of calling all

1064

00:40:23,030 --> 00:40:19,839

beings a new podcast from himself and dj

1065

00:40:24,550 --> 00:40:23,040

san marco that's amazing yeah nathan's a

1066

00:40:25,829 --> 00:40:24,560

really good guy to talk to as well and

1067

00:40:29,190 --> 00:40:25,839

he had some really good questions for

1068

00:40:33,510 --> 00:40:29,200

you um he wants to know why you think

1069

00:40:36,790 --> 00:40:33,520

hard evidence is so difficult to come by

1070

00:40:39,109 --> 00:40:36,800

um because it's so impossible to access

1071

00:40:41,510 --> 00:40:39,119

um impossible this is that

1072

00:40:43,030 --> 00:40:41,520

um it's so difficult to access this

1073

00:40:45,030 --> 00:40:43,040

information that you just give up and

1074

00:40:47,670 --> 00:40:45,040

you just don't see the point in it for

1075

00:40:49,430 --> 00:40:47,680

example when i used to research ufos

1076

00:40:51,750 --> 00:40:49,440

prior to writing a book and before i

1077

00:40:53,670 --> 00:40:51,760

wanted to write a book i used to find it

1078

00:40:56,790 --> 00:40:53,680

so difficult to actually find something

1079

00:40:58,950 --> 00:40:56,800

that's so that's credible um that it

1080

00:41:02,069 --> 00:40:58,960

made it impossible to even find an air

1081

00:41:05,510 --> 00:41:02,079

force document it took pages and pages

1082

00:41:07,190 --> 00:41:05,520

down the google search um search bar to

1083

00:41:08,069 --> 00:41:07,200

actually find the report

1084

00:41:10,390 --> 00:41:08,079

um

1085

00:41:13,030 --> 00:41:10,400

so the fact that it's so

1086

00:41:15,670 --> 00:41:13,040

inaccessible and it's so difficult

1087

00:41:17,750 --> 00:41:15,680

to to get your hands on it just that's

1088

00:41:20,710 --> 00:41:17,760

why i guess um that's why it's so

1089

00:41:23,109 --> 00:41:20,720

difficult and many people just couldn't

1090

00:41:24,870 --> 00:41:23,119

be bothered doing it as well

1091

00:41:26,230 --> 00:41:24,880

an interesting follow-up to that from

1092

00:41:28,390 --> 00:41:26,240

nathan is

1093

00:41:31,270 --> 00:41:28,400

in your opinion what would a scientific

1094

00:41:34,309 --> 00:41:31,280

study of extraterrestrials look like if

1095

00:41:35,990 --> 00:41:34,319

they themselves don't want to be studied

1096

00:41:38,470 --> 00:41:36,000

and he mentions he's further interested

1097

00:41:40,550 --> 00:41:38,480

in this because if et are substantially

1098

00:41:42,230 --> 00:41:40,560

more advanced than we are how would we

1099

00:41:44,710 --> 00:41:42,240

even have a framework by which to

1100

00:41:45,670 --> 00:41:44,720

understand them and their technology

1101

00:41:50,550 --> 00:41:45,680

that's

1102

00:41:52,950 --> 00:41:50,560

scientific study into

1103

00:41:53,990 --> 00:41:52,960

into 80s would be how the aircrafts are

1104

00:41:56,870 --> 00:41:54,000

operate

1105

00:41:59,670 --> 00:41:56,880

um for instance bob lazar um

1106

00:42:00,950 --> 00:41:59,680

just i'm sure that nathan has heard of

1107

00:42:03,750 --> 00:42:00,960

him um but

1108

00:42:06,150 --> 00:42:03,760

to look at how the aircraft operates and

1109

00:42:08,710 --> 00:42:06,160

we look at the propulsion system

1110

00:42:10,950 --> 00:42:08,720

um but apart from that

1111

00:42:14,390 --> 00:42:10,960

um with the scientific method you need

1112

00:42:16,390 --> 00:42:14,400

factual evidence and um and if you

1113

00:42:19,109 --> 00:42:16,400

follow the laws of physics it becomes

1114

00:42:20,950 --> 00:42:19,119

impossible to even investigate it um

1115

00:42:22,710 --> 00:42:20,960

like nathan said the technology is so

1116

00:42:25,990 --> 00:42:22,720

advanced that we cannot comprehend how

1117

00:42:28,309 --> 00:42:26,000

these aircrafts operate or how these uh

1118

00:42:30,390 --> 00:42:28,319

how their their body their anatomy we

1119

00:42:33,270 --> 00:42:30,400

just cannot understand it so i think

1120

00:42:34,470 --> 00:42:33,280

there's a discrepancy and also

1121

00:42:36,470 --> 00:42:34,480

um

1122

00:42:38,950 --> 00:42:36,480

it's like paradoxical it's like you want

1123

00:42:41,589 --> 00:42:38,960

to do a scientific investigation but if

1124

00:42:43,990 --> 00:42:41,599

we're going to use the laws of physics

1125

00:42:45,910 --> 00:42:44,000

um it's it's going to become impossible

1126
00:42:47,510 --> 00:42:45,920
to actually investigate it

1127
00:42:50,069 --> 00:42:47,520
um

1128
00:42:51,670 --> 00:42:50,079
and then moving on to it

1129
00:42:52,630 --> 00:42:51,680
do they want to be known do they want to

1130
00:42:54,710 --> 00:42:52,640
be seen

1131
00:42:56,230 --> 00:42:54,720
i see it as though

1132
00:42:57,510 --> 00:42:56,240
they are here for their own reasons and

1133
00:42:59,510 --> 00:42:57,520
not

1134
00:43:01,030 --> 00:42:59,520
in the sense that when you drive down

1135
00:43:03,190 --> 00:43:01,040
and you see

1136
00:43:05,109 --> 00:43:03,200
a cow on the side of the city don't stop

1137
00:43:07,270 --> 00:43:05,119
to have a conversation with it

1138
00:43:08,870 --> 00:43:07,280

um you just continue on your way and i

1139

00:43:11,190 --> 00:43:08,880

think it is are in the same way they're

1140

00:43:13,030 --> 00:43:11,200

just not bothered or they don't care

1141

00:43:13,990 --> 00:43:13,040

about our intentions they don't care

1142

00:43:15,910 --> 00:43:14,000

about

1143

00:43:16,870 --> 00:43:15,920

whether we want to investigate them or

1144

00:43:19,750 --> 00:43:16,880

not

1145

00:43:21,990 --> 00:43:19,760

um and i think that's why

1146

00:43:23,910 --> 00:43:22,000

it's also so difficult to

1147

00:43:24,790 --> 00:43:23,920

investigate it as well if that makes

1148

00:43:28,150 --> 00:43:24,800

sense

1149

00:43:30,630 --> 00:43:28,160

yeah do you do you think that

1150

00:43:32,470 --> 00:43:30,640

we have the understanding or technology

1151

00:43:34,790 --> 00:43:32,480

at the moment to

1152

00:43:37,829 --> 00:43:34,800

study these objects substantially or do

1153

00:43:39,990 --> 00:43:37,839

you think we're still a ways off i ah

1154

00:43:41,030 --> 00:43:40,000

i think we are getting there i think

1155

00:43:45,910 --> 00:43:41,040

that

1156

00:43:47,109 --> 00:43:45,920

considering the idea

1157

00:43:50,230 --> 00:43:47,119

of

1158

00:43:51,670 --> 00:43:50,240

propulsion system that's already a step

1159

00:43:52,870 --> 00:43:51,680

forward i mean a few years ago you

1160

00:43:54,710 --> 00:43:52,880

wouldn't even

1161

00:43:56,950 --> 00:43:54,720

consider such a thing but i think

1162

00:43:58,550 --> 00:43:56,960

nowadays that we're throwing these

1163

00:44:00,309 --> 00:43:58,560

ideas that you would see in a sci-fi

1164

00:44:03,270 --> 00:44:00,319

movie and we're actually considering

1165

00:44:05,910 --> 00:44:03,280

them it makes it more

1166

00:44:07,589 --> 00:44:05,920

it makes it a little bit easier i guess

1167

00:44:11,270 --> 00:44:07,599

to understand

1168

00:44:13,270 --> 00:44:11,280

how these aircraft may operate um by no

1169

00:44:14,790 --> 00:44:13,280

means am i saying that it is easy to

1170

00:44:15,990 --> 00:44:14,800

investigate them because i think it's

1171

00:44:18,069 --> 00:44:16,000

impossible

1172

00:44:19,589 --> 00:44:18,079

to even understand how they fully work

1173

00:44:21,510 --> 00:44:19,599

but i think that

1174

00:44:25,349 --> 00:44:21,520

nowadays there are some

1175

00:44:27,109 --> 00:44:25,359

some theories which sort of make sense

1176

00:44:28,550 --> 00:44:27,119

but are also limited in their own way as

1177

00:44:30,550 --> 00:44:28,560

well

1178

00:44:32,230 --> 00:44:30,560

i want to ask just very quickly before

1179

00:44:34,710 --> 00:44:32,240

we go into the next listener question

1180

00:44:37,109 --> 00:44:34,720

the the title of the book again evidence

1181

00:44:38,470 --> 00:44:37,119

of extraterrestrials

1182

00:44:43,430 --> 00:44:38,480

are you

1183

00:44:45,190 --> 00:44:43,440

this is all extraterrestrial or would

1184

00:44:47,910 --> 00:44:45,200

you subscribe to the idea that

1185

00:44:50,950 --> 00:44:47,920

potentially some of these objects may be

1186

00:44:52,550 --> 00:44:50,960

from this planet already and i by that i

1187

00:44:54,309 --> 00:44:52,560

still don't mean human

1188

00:44:55,190 --> 00:44:54,319

yeah um

1189

00:44:55,990 --> 00:44:55,200

by

1190

00:44:59,030 --> 00:44:56,000

well

1191

00:45:01,030 --> 00:44:59,040

going by extraterrestrial eye i refer to

1192

00:45:01,910 --> 00:45:01,040

other wordless origins from outside

1193

00:45:04,630 --> 00:45:01,920

earth

1194

00:45:07,910 --> 00:45:04,640

um but the premise of of the

1195

00:45:09,430 --> 00:45:07,920

investigation of the book is that

1196

00:45:11,829 --> 00:45:09,440

is that

1197

00:45:13,270 --> 00:45:11,839

the way the aircraft operates could it

1198

00:45:15,910 --> 00:45:13,280

be man-made

1199

00:45:17,829 --> 00:45:15,920

if the answer is no then i would i

1200

00:45:20,390 --> 00:45:17,839

rather i put it in the category of

1201

00:45:22,630 --> 00:45:20,400

extraterrestrial um

1202

00:45:24,470 --> 00:45:22,640

but i make that distinction very clearly

1203

00:45:26,390 --> 00:45:24,480

in the sense that

1204

00:45:28,790 --> 00:45:26,400

i i do consider the fact that this could

1205

00:45:33,109 --> 00:45:28,800

be you know advanced technology by china

1206

00:45:34,390 --> 00:45:33,119

or russia but if something genuinely

1207

00:45:37,349 --> 00:45:34,400

um

1208

00:45:40,390 --> 00:45:37,359

defies the law of gravity defies the law

1209

00:45:42,790 --> 00:45:40,400

of physics or the natural laws then it's

1210

00:45:45,109 --> 00:45:42,800

impossible for it to be exercised it's

1211

00:45:46,950 --> 00:45:45,119

impossible for it to be terrestrial it's

1212

00:45:49,750 --> 00:45:46,960

impossible to for it to have been made

1213

00:45:52,630 --> 00:45:49,760

on earth and that's when it goes into

1214

00:45:55,829 --> 00:45:52,640

the extraterrestrial category uh that's

1215

00:45:57,589 --> 00:45:55,839

how i sort of worked it out in my head

1216

00:45:59,190 --> 00:45:57,599

do you think there's any possibility

1217

00:46:01,990 --> 00:45:59,200

though warren that

1218

00:46:04,950 --> 00:46:02,000

we have another species sharing this

1219

00:46:06,790 --> 00:46:04,960

same planet um potentially

1220

00:46:09,670 --> 00:46:06,800

not in the same dimension but maybe they

1221

00:46:11,349 --> 00:46:09,680

are that we just don't know are already

1222

00:46:15,109 --> 00:46:11,359

here with us and that's where some of

1223

00:46:16,710 --> 00:46:15,119

these come from yeah um

1224

00:46:18,230 --> 00:46:16,720

i the thing is that there are so many

1225

00:46:19,829 --> 00:46:18,240

things that we don't know even if we

1226
00:46:21,349 --> 00:46:19,839
look at dimension

1227
00:46:23,670 --> 00:46:21,359
dimensions and the idea of

1228
00:46:25,829 --> 00:46:23,680
interdimensions um

1229
00:46:26,870 --> 00:46:25,839
and even spirituality in the sense that

1230
00:46:29,030 --> 00:46:26,880
we don't

1231
00:46:31,990 --> 00:46:29,040
we have very limited information about

1232
00:46:33,910 --> 00:46:32,000
it so if i were to say no it's

1233
00:46:34,950 --> 00:46:33,920
impossible that's just

1234
00:46:36,950 --> 00:46:34,960
um

1235
00:46:38,870 --> 00:46:36,960
that's just completely inaccurate

1236
00:46:40,390 --> 00:46:38,880
because i am fully aware that the

1237
00:46:42,470 --> 00:46:40,400
possibility

1238
00:46:44,150 --> 00:46:42,480

is there um

1239

00:46:47,349 --> 00:46:44,160

and that's an interesting question could

1240

00:46:48,950 --> 00:46:47,359

it be an interdimensional being still um

1241

00:46:51,510 --> 00:46:48,960

here on earth and

1242

00:46:52,630 --> 00:46:51,520

yes um

1243

00:46:55,030 --> 00:46:52,640

that's so interesting because i never

1244

00:46:57,030 --> 00:46:55,040

consider that as a possibility for

1245

00:46:58,230 --> 00:46:57,040

these beings to have constructed such an

1246

00:47:00,470 --> 00:46:58,240

aircraft

1247

00:47:03,190 --> 00:47:00,480

but it's completely possible of course

1248

00:47:05,190 --> 00:47:03,200

it definitely is

1249

00:47:07,030 --> 00:47:05,200

yeah especially from the tic-tac point

1250

00:47:09,270 --> 00:47:07,040

of view there's there's a lot of people

1251

00:47:11,430 --> 00:47:09,280

um thinking that given these objects

1252

00:47:13,829 --> 00:47:11,440

seem to be around the catalina islands

1253

00:47:16,230 --> 00:47:13,839

off the coast of san diego yeah that

1254

00:47:18,309 --> 00:47:16,240

they they potentially they've been seen

1255

00:47:20,309 --> 00:47:18,319

coming in from orbit

1256

00:47:21,990 --> 00:47:20,319

and that's not necessarily deep space we

1257

00:47:23,430 --> 00:47:22,000

don't know that yet but they then drop

1258

00:47:24,790 --> 00:47:23,440

down and then they go back under the

1259

00:47:26,710 --> 00:47:24,800

water yeah

1260

00:47:28,870 --> 00:47:26,720

it could be they're already from here

1261

00:47:30,790 --> 00:47:28,880

but that's just who knows it's it's it's

1262

00:47:32,710 --> 00:47:30,800

crazy because when you first get into

1263

00:47:34,390 --> 00:47:32,720

the subject everyone's the same where

1264

00:47:36,630 --> 00:47:34,400

you wonder are there aliens coming and

1265

00:47:38,550 --> 00:47:36,640

flying saucers from other planets yeah

1266

00:47:40,950 --> 00:47:38,560

very quickly there's so much more opens

1267

00:47:42,870 --> 00:47:40,960

up in the conversation and it's just uh

1268

00:47:45,430 --> 00:47:42,880

i think so much is on the table right

1269

00:47:47,589 --> 00:47:45,440

now exactly and and that is definitely a

1270

00:47:50,630 --> 00:47:47,599

hotspot and sometimes we have to look

1271

00:47:52,710 --> 00:47:50,640

um beneath us as opposed to what's above

1272

00:47:54,550 --> 00:47:52,720

us maybe you know on unidentified

1273

00:47:56,950 --> 00:47:54,560

submerged objects are a thing it's not

1274

00:47:58,710 --> 00:47:56,960

always um from outside space but the

1275

00:48:01,510 --> 00:47:58,720

ocean is even more

1276

00:48:03,589 --> 00:48:01,520

um uh complex and we don't we know less

1277

00:48:05,829 --> 00:48:03,599

about the ocean than we do about space

1278

00:48:07,910 --> 00:48:05,839

so we have to keep that in mind as well

1279

00:48:09,829 --> 00:48:07,920

absolutely less about me let's go on

1280

00:48:13,349 --> 00:48:09,839

with some more listener questions and we

1281

00:48:15,589 --> 00:48:13,359

had genocis asks are there any cases you

1282

00:48:17,829 --> 00:48:15,599

feel show significant behavior by the

1283

00:48:20,710 --> 00:48:17,839

phenomenon yet they remain relatively

1284

00:48:22,390 --> 00:48:20,720

unspoken about in mainstream ufology yes

1285

00:48:24,069 --> 00:48:22,400

um the malicious

1286

00:48:25,829 --> 00:48:24,079

well it's a harsh word to say but the

1287

00:48:27,990 --> 00:48:25,839

malicious intentions that these beings

1288

00:48:30,630 --> 00:48:28,000

may have in the sense that we talked

1289

00:48:33,030 --> 00:48:30,640

about valentick and mental but there are

1290

00:48:36,549 --> 00:48:33,040

other instances in which human beings

1291

00:48:41,430 --> 00:48:36,559

were harmed or were threatened um

1292

00:48:43,270 --> 00:48:41,440

an example of these ufos threatening

1293

00:48:45,270 --> 00:48:43,280

military aircrafts is

1294

00:48:47,190 --> 00:48:45,280

the brazilian

1295

00:48:49,349 --> 00:48:47,200

ufo encounter

1296

00:48:50,870 --> 00:48:49,359

or the tehran incident these are all

1297

00:48:54,950 --> 00:48:50,880

instances in which

1298

00:48:57,589 --> 00:48:54,960

the ufos either posed harm or threatened

1299

00:48:59,670 --> 00:48:57,599

to pose harm um and like i said it's not

1300

00:49:03,030 --> 00:48:59,680

always just seeing a bright light in the

1301
00:49:04,710 --> 00:49:03,040
sky sometimes there's actual uh threats

1302
00:49:06,790 --> 00:49:04,720
to security where there's all there's

1303
00:49:08,069 --> 00:49:06,800
always a threat to security but in these

1304
00:49:11,670 --> 00:49:08,079
instances

1305
00:49:14,950 --> 00:49:11,680
um the ufos are posing direct threat

1306
00:49:16,470 --> 00:49:14,960
to um to the pilots

1307
00:49:18,230 --> 00:49:16,480
absolutely especially in some of those

1308
00:49:20,470 --> 00:49:18,240
cases we talked about earlier it's

1309
00:49:21,829 --> 00:49:20,480
something that many aren't necessarily

1310
00:49:24,710 --> 00:49:21,839
comfortable talking about in the

1311
00:49:26,549 --> 00:49:24,720
community because it shows

1312
00:49:28,390 --> 00:49:26,559
it could be accidental but there is

1313
00:49:30,470 --> 00:49:28,400

potentially an element of of danger

1314

00:49:32,470 --> 00:49:30,480

involved in these encounters whether

1315

00:49:35,750 --> 00:49:32,480

that's a physical you know interaction

1316

00:49:38,630 --> 00:49:35,760

or even just radiation left over and

1317

00:49:40,630 --> 00:49:38,640

people getting sick sometime later that

1318

00:49:42,230 --> 00:49:40,640

that could be something though that some

1319

00:49:44,470 --> 00:49:42,240

of these beings don't even realize

1320

00:49:45,910 --> 00:49:44,480

happens or it might be something that

1321

00:49:47,990 --> 00:49:45,920

they're just not

1322

00:49:49,829 --> 00:49:48,000

they don't care about in the sense that

1323

00:49:50,950 --> 00:49:49,839

we don't necessarily care about stepping

1324

00:49:51,750 --> 00:49:50,960

on an ant

1325

00:49:53,510 --> 00:49:51,760

you know

1326

00:49:54,390 --> 00:49:53,520

harming a smaller animal or a fish

1327

00:49:56,230 --> 00:49:54,400

because

1328

00:49:58,710 --> 00:49:56,240

it's beneath us and lower but that's

1329

00:50:01,190 --> 00:49:58,720

just an idea yeah last last listener

1330

00:50:03,270 --> 00:50:01,200

question warren from mike he says with

1331

00:50:05,910 --> 00:50:03,280

the risk that something is a hoax or

1332

00:50:07,750 --> 00:50:05,920

people misremember facts how difficult

1333

00:50:09,990 --> 00:50:07,760

is it to take a step back and try and

1334

00:50:12,630 --> 00:50:10,000

remain unbiased on the stories that

1335

00:50:16,069 --> 00:50:12,640

you're writing about um that's a good

1336

00:50:19,109 --> 00:50:16,079

question and my approach was that can i

1337

00:50:21,190 --> 00:50:19,119

can i try and disprove this case if it

1338

00:50:22,950 --> 00:50:21,200

was very easy to disprove a case i would

1339

00:50:23,910 --> 00:50:22,960

just not include it in the book

1340

00:50:25,510 --> 00:50:23,920

um

1341

00:50:27,829 --> 00:50:25,520

and and that's why in the book i just

1342

00:50:29,349 --> 00:50:27,839

present cases which are very very

1343

00:50:31,349 --> 00:50:29,359

difficult to disprove because there were

1344

00:50:34,710 --> 00:50:31,359

many cases in which the account was very

1345

00:50:36,230 --> 00:50:34,720

convincing but then as you take a a

1346

00:50:38,150 --> 00:50:36,240

deeper look at it you start noticing

1347

00:50:41,430 --> 00:50:38,160

certain plot holes and then you start

1348

00:50:42,950 --> 00:50:41,440

noticing certain

1349

00:50:45,190 --> 00:50:42,960

inaccuracies

1350

00:50:47,670 --> 00:50:45,200

um so it's very important to take a step

1351

00:50:48,470 --> 00:50:47,680

back and you go into the case

1352

00:50:50,790 --> 00:50:48,480

with

1353

00:50:52,710 --> 00:50:50,800

um

1354

00:50:54,950 --> 00:50:52,720

the intention of

1355

00:50:56,150 --> 00:50:54,960

proving that it's extraterrestrial so

1356

00:50:58,470 --> 00:50:56,160

when i was

1357

00:51:01,430 --> 00:50:58,480

researching the case i didn't go with

1358

00:51:02,950 --> 00:51:01,440

the idea of proving that this is

1359

00:51:05,990 --> 00:51:02,960

et it's more

1360

00:51:08,230 --> 00:51:06,000

um investigating the the case and then

1361

00:51:10,950 --> 00:51:08,240

what do the results say so it's

1362

00:51:13,109 --> 00:51:10,960

important not to go into cases with

1363

00:51:15,349 --> 00:51:13,119

already a preconceived notion that it's

1364

00:51:16,710 --> 00:51:15,359

going to be an extraterrestrial

1365

00:51:17,990 --> 00:51:16,720

encounter

1366

00:51:20,150 --> 00:51:18,000

of course that thank you to the

1367

00:51:21,430 --> 00:51:20,160

listeners for sending in those questions

1368

00:51:23,030 --> 00:51:21,440

thanks to everyone who got in touch

1369

00:51:24,950 --> 00:51:23,040

we're going to finish off warren with

1370

00:51:27,430 --> 00:51:24,960

the quick fire round i'm going to

1371

00:51:29,349 --> 00:51:27,440

mention some names some places and you

1372

00:51:31,030 --> 00:51:29,359

can give me a shot and answer as you

1373

00:51:33,510 --> 00:51:31,040

want or you can discuss it in a bit more

1374

00:51:35,030 --> 00:51:33,520

detail it's completely up to yourself

1375

00:51:36,309 --> 00:51:35,040

so the first one is someone you

1376

00:51:38,790 --> 00:51:36,319

mentioned earlier but what are your

1377

00:51:41,430 --> 00:51:38,800

thoughts on bob lazar but it's very

1378

00:51:42,390 --> 00:51:41,440

credible um and there's

1379

00:51:45,589 --> 00:51:42,400

there's

1380

00:51:46,950 --> 00:51:45,599

no reason why to think that it's a hoax

1381

00:51:48,630 --> 00:51:46,960

i mean the guy

1382

00:51:49,990 --> 00:51:48,640

um essentially

1383

00:51:53,109 --> 00:51:50,000

his life was threatened numerous

1384

00:51:56,069 --> 00:51:53,119

occasions and if you look at all of his

1385

00:51:59,030 --> 00:51:56,079

all of his accounts all of his details

1386

00:52:01,109 --> 00:51:59,040

i think he's 100 legit i mean the guy

1387

00:52:03,430 --> 00:52:01,119

talked about element 115 before we even

1388

00:52:05,670 --> 00:52:03,440

knew it existed and there's you can't

1389

00:52:07,750 --> 00:52:05,680

have more proof than that

1390

00:52:10,390 --> 00:52:07,760

i am just a side note i actually bought

1391

00:52:11,829 --> 00:52:10,400

my bob lazar sketch that he's

1392

00:52:13,750 --> 00:52:11,839

advertising on his website and it

1393

00:52:16,549 --> 00:52:13,760

arrived today all the way from the

1394

00:52:19,270 --> 00:52:16,559

united states um i was i was also hit

1395

00:52:20,790 --> 00:52:19,280

with a 21 pounds custom charge so

1396

00:52:22,950 --> 00:52:20,800

there's there's just another way the

1397

00:52:24,710 --> 00:52:22,960

government's getting it up and you know

1398

00:52:26,710 --> 00:52:24,720

knocking them so yeah that was nice to

1399

00:52:30,150 --> 00:52:26,720

pay this morning so thanks for that the

1400

00:52:31,109 --> 00:52:30,160

uk postal service and customs um next up

1401
00:52:33,829 --> 00:52:31,119
warren

1402
00:52:37,349 --> 00:52:33,839
walker ranch what are your thoughts ah

1403
00:52:39,990 --> 00:52:37,359
i think it's part fiction part facts

1404
00:52:41,109 --> 00:52:40,000
um i think it's a bunch of facts but

1405
00:52:43,589 --> 00:52:41,119
also

1406
00:52:45,030 --> 00:52:43,599
we as humans we throw in a little bit of

1407
00:52:47,990 --> 00:52:45,040
our imagination to make it more

1408
00:52:49,750 --> 00:52:48,000
interesting that's my opinion on it

1409
00:52:51,190 --> 00:52:49,760
what do you think then i'll just push a

1410
00:52:53,030 --> 00:52:51,200
little bit on that

1411
00:52:54,309 --> 00:52:53,040
what do you think may realistically be

1412
00:52:56,549 --> 00:52:54,319
going on there

1413
00:52:58,150 --> 00:52:56,559

i i think it is definitely a hot spot

1414

00:53:01,430 --> 00:52:58,160

you know like like where the

1415

00:53:03,670 --> 00:53:01,440

encounter happened but i think that it's

1416

00:53:05,589 --> 00:53:03,680

a lot of things which we do not know so

1417

00:53:07,829 --> 00:53:05,599

when someone says that um you know

1418

00:53:11,430 --> 00:53:07,839

there's ufos there's

1419

00:53:13,270 --> 00:53:11,440

a bunch of supernatural things happening

1420

00:53:15,430 --> 00:53:13,280

potentially but you cannot come to

1421

00:53:17,349 --> 00:53:15,440

conclusions just because

1422

00:53:19,510 --> 00:53:17,359

um

1423

00:53:22,069 --> 00:53:19,520

mysterious activities are happening so i

1424

00:53:24,390 --> 00:53:22,079

think it's a lot of unanswered questions

1425

00:53:26,390 --> 00:53:24,400

and little details

1426

00:53:28,069 --> 00:53:26,400

which can allow us to come to any

1427

00:53:30,390 --> 00:53:28,079

conclusions

1428

00:53:33,990 --> 00:53:30,400

sure next up your thoughts on louise

1429

00:53:35,190 --> 00:53:34,000

elizondo i think once again he's

1430

00:53:36,390 --> 00:53:35,200

genuine

1431

00:53:37,910 --> 00:53:36,400

um

1432

00:53:39,430 --> 00:53:37,920

i if we look at bob lazard the

1433

00:53:41,349 --> 00:53:39,440

government did everything to try and

1434

00:53:42,630 --> 00:53:41,359

discredit him and that's what happened

1435

00:53:43,510 --> 00:53:42,640

that's what's happening with alexander

1436

00:53:44,470 --> 00:53:43,520

as well

1437

00:53:45,670 --> 00:53:44,480

um

1438

00:53:48,549 --> 00:53:45,680

i mean

1439

00:53:49,430 --> 00:53:48,559

his if we look at the the claims he has

1440

00:53:51,589 --> 00:53:49,440

made

1441

00:53:53,190 --> 00:53:51,599

i think he backed it up with evidence

1442

00:53:54,950 --> 00:53:53,200

you know he backed up with evidence and

1443

00:53:56,870 --> 00:53:54,960

of course the pentagon is going to say

1444

00:53:58,230 --> 00:53:56,880

the guy never worked here of course

1445

00:54:00,950 --> 00:53:58,240

they're going to say he was never the

1446

00:54:03,990 --> 00:54:00,960

director of atip because if they did

1447

00:54:05,589 --> 00:54:04,000

actually acknowledge his

1448

00:54:08,790 --> 00:54:05,599

um his

1449

00:54:09,829 --> 00:54:08,800

his presence in in the in atip they

1450

00:54:11,910 --> 00:54:09,839

would essentially be saying that

1451
00:54:13,910 --> 00:54:11,920
everything he's saying is true so the

1452
00:54:15,589 --> 00:54:13,920
easy way the easiest way to deal with it

1453
00:54:17,109 --> 00:54:15,599
is to essentially just try and discredit

1454
00:54:19,190 --> 00:54:17,119
him

1455
00:54:21,670 --> 00:54:19,200
no i i agree and it's a very similar

1456
00:54:23,109 --> 00:54:21,680
pattern as to what happened then as to

1457
00:54:24,790 --> 00:54:23,119
what's happening now i just think with

1458
00:54:27,109 --> 00:54:24,800
louise elizondo it's happening more in

1459
00:54:28,710 --> 00:54:27,119
the public sphere as we're seeing yeah

1460
00:54:30,549 --> 00:54:28,720
absolutely um

1461
00:54:33,430 --> 00:54:30,559
something that we've not really touched

1462
00:54:35,510 --> 00:54:33,440
on yet um but might be the answer may be

1463
00:54:38,230 --> 00:54:35,520

within the title of your book but i want

1464

00:54:41,270 --> 00:54:38,240

to know warren what in your opinion is

1465

00:54:44,069 --> 00:54:41,280

behind this phenomenon what is going on

1466

00:54:46,150 --> 00:54:44,079

um i think what's going on is that there

1467

00:54:49,190 --> 00:54:46,160

is there are other beings from other

1468

00:54:51,430 --> 00:54:49,200

planets other you know other galaxies

1469

00:54:52,870 --> 00:54:51,440

um extraterrestrial beings and they're

1470

00:54:55,430 --> 00:54:52,880

using us

1471

00:54:56,150 --> 00:54:55,440

uh they're using the planet for their

1472

00:54:59,109 --> 00:54:56,160

own

1473

00:55:02,630 --> 00:54:59,119

sources

1474

00:55:05,829 --> 00:55:02,640

um as well as the beings um they're

1475

00:55:08,150 --> 00:55:05,839

using us sort of as laboratory rats in

1476
00:55:10,710 --> 00:55:08,160
the sense that they're they're observing

1477
00:55:12,790 --> 00:55:10,720
us we've looked at abductions

1478
00:55:14,470 --> 00:55:12,800
uh it's a lot of um

1479
00:55:16,549 --> 00:55:14,480
experiments

1480
00:55:18,870 --> 00:55:16,559
um but it's also got to do with the

1481
00:55:20,630 --> 00:55:18,880
psyche as well i think it's got more to

1482
00:55:23,190 --> 00:55:20,640
do with art with the psychiatrism the

1483
00:55:25,190 --> 00:55:23,200
physical body so i think if we had to

1484
00:55:27,190 --> 00:55:25,200
look at the phenomenon as a whole as a

1485
00:55:30,309 --> 00:55:27,200
holistic way it would be

1486
00:55:33,190 --> 00:55:30,319
extraterrestrial beings using um our

1487
00:55:36,069 --> 00:55:33,200
planet for its resources for

1488
00:55:37,589 --> 00:55:36,079

for drone research and then using humans

1489

00:55:39,349 --> 00:55:37,599

for their own research for their own

1490

00:55:40,870 --> 00:55:39,359

research for their own intentions as

1491

00:55:43,829 --> 00:55:40,880

well

1492

00:55:46,309 --> 00:55:43,839

excellent and finally uh warren what

1493

00:55:48,630 --> 00:55:46,319

does disclosure mean to you

1494

00:55:51,109 --> 00:55:48,640

um disclosure means having a

1495

00:55:53,750 --> 00:55:51,119

conversation about the phenomenon um and

1496

00:55:55,270 --> 00:55:53,760

disclosure is happening right now i mean

1497

00:55:57,910 --> 00:55:55,280

and there will never be a day where

1498

00:56:00,870 --> 00:55:57,920

where uh there will be a cnn headline

1499

00:56:03,030 --> 00:56:00,880

saying the government admits aliens are

1500

00:56:05,190 --> 00:56:03,040

real that will never happen and it

1501

00:56:07,030 --> 00:56:05,200

doesn't need to happen because um with

1502

00:56:09,030 --> 00:56:07,040

the information and the evidence we have

1503

00:56:11,829 --> 00:56:09,040

right now we can come to a conclusion

1504

00:56:14,309 --> 00:56:11,839

ourselves so i would say that disclosure

1505

00:56:16,309 --> 00:56:14,319

is a conversation which we have

1506

00:56:19,430 --> 00:56:16,319

um where we present the facts and we

1507

00:56:21,190 --> 00:56:19,440

separate facts from fiction

1508

00:56:22,710 --> 00:56:21,200
