[Music]

2
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

3
00:00:22,780 --> 00:00:18,960

sphere where the points of the cube

4
00:00:33,010 --> 00:00:22,790

were touching outside of sphere

5
00:00:37,190 --> 00:00:34,550

hi everyone and welcome back to that ufo

22

00:02:26,070 --> 00:02:24,400

podcast my name is andy and really

23

00:02:27,510 --> 00:02:26,080

looking forward to kicking off it was

24

00:02:29,270 --> 00:02:27,520

someone i've heard talk a couple of

25

00:02:31,030 --> 00:02:29,280

times in various different interviews

26

00:02:33,589 --> 00:02:31,040

over the last year or so

27

00:02:36,630 --> 00:02:33,599

it's laurie rayfeld who was stationed at

28

00:02:38,710 --> 00:02:36,640

raf bent waters and woodbridge bases

29

00:02:41,190 --> 00:02:38,720

that may sound familiar as they're

30

00:02:43,190 --> 00:02:41,200

synonymous with the rendoshim forest

31

00:02:44,309 --> 00:02:43,200

incident uh laurie welcome to the

32

00:02:47,430 --> 00:02:44,319

podcast

33

00:02:49,190 --> 00:02:47,440

thank you i'm so happy to be here yeah

34

00:02:51,030 --> 00:02:49,200

it's good to have you on um and listen

35

00:02:53,350 --> 00:02:51,040

before we get to talking about

36

00:02:55,430 --> 00:02:53,360

your time you spent at raf bentwaters

37

00:02:57,910 --> 00:02:55,440

and woodbridge um i want to find out a

38

00:03:00,710 --> 00:02:57,920

little bit about your background and

39

00:03:02,630 --> 00:03:00,720

what got you to to the military in the

40

00:03:04,630 --> 00:03:02,640

first place um so what was your kind of

41

00:03:07,350 --> 00:03:04,640

background growing up

42

00:03:09,350 --> 00:03:07,360

um well i grew up on long island new

43

00:03:12,229 --> 00:03:09,360

york and

44

00:03:14,309 --> 00:03:12,239

in uh i grew up near the beaches

45

00:03:15,430 --> 00:03:14,319

and it was really i had a great

46

00:03:18,949 --> 00:03:15,440

childhood

47

00:03:19,670 --> 00:03:18,959

but mom and dad got divorced in 74 or so

48

00:03:22,309 --> 00:03:19,680

and

49

00:03:23,270 --> 00:03:22,319

so money got tight

50

00:03:24,470 --> 00:03:23,280

and

51

00:03:26,550 --> 00:03:24,480

when

52

00:03:29,190 --> 00:03:26,560

1977

53

00:03:31,750 --> 00:03:29,200

i was supposed to go to the school of

54

00:03:34,550 --> 00:03:31,760

visual arts in new york city i was going

55

00:03:37,670 --> 00:03:34,560

to major in film studies

56

00:03:39,350 --> 00:03:37,680

and i got there i got to new york city

57

00:03:41,350 --> 00:03:39,360

and it turned out that

58

00:03:43,670 --> 00:03:41,360

the

59

00:03:46,789 --> 00:03:43,680

school did not have dormitories

60

00:03:49,190 --> 00:03:46,799

so logistically it was not it was

61

00:03:49,910 --> 00:03:49,200

looking almost impossible to go there

62

00:03:51,670 --> 00:03:49,920

and

63

00:03:55,110 --> 00:03:51,680

new york city for me at the time was

64

00:03:57,830 --> 00:03:55,120

pretty intimidating so i wasn't

65

00:03:58,630 --> 00:03:57,840

so it was it was just a hard decision

66

00:04:00,630 --> 00:03:58,640

and

67

00:04:02,710 --> 00:04:00,640

so my mom decided since we were in new

68

00:04:03,750 --> 00:04:02,720

york city why not go to the statue of

69

00:04:06,070 --> 00:04:03,760

liberty

70

00:04:08,630 --> 00:04:06,080

it's like well let's make a day of it

71

00:04:10,309 --> 00:04:08,640

and i i mean in my mind i was thinking

72

00:04:11,429 --> 00:04:10,319

what am i going to do with my life what

73

00:04:12,710 --> 00:04:11,439

am i going to do

74

00:04:14,630 --> 00:04:12,720

and i'm on the

75

00:04:15,990 --> 00:04:14,640

i'm on the ferry

76

00:04:17,830 --> 00:04:16,000

and

77

00:04:21,110 --> 00:04:17,840

i started thinking back at this young

78

00:04:24,070 --> 00:04:21,120

woman in my english class in high school

79

00:04:26,070 --> 00:04:24,080

who had all these brochures of military

80

00:04:29,030 --> 00:04:26,080

and i remember her coming through the

81

00:04:31,430 --> 00:04:29,040

brochures of the air force and

82

00:04:34,070 --> 00:04:31,440

i thought well that looks pretty good

83

00:04:36,950 --> 00:04:34,080

maybe i should check it out

84

00:04:38,790 --> 00:04:36,960

so uh so i that's what i did the

85

00:04:41,430 --> 00:04:38,800

following day i actually called up the

86

00:04:43,430 --> 00:04:41,440

recruiting office and wanted to say you

87

00:04:44,710 --> 00:04:43,440

know check it out we'll see what it's

88

00:04:46,469 --> 00:04:44,720

about

89

00:04:47,749 --> 00:04:46,479

so that was the beginning of my air

90

00:04:49,030 --> 00:04:47,759

force

91

00:04:51,030 --> 00:04:49,040

career

92

00:04:54,390 --> 00:04:51,040

now i find that interesting you've said

93

00:04:57,270 --> 00:04:54,400

you found new york city intimidating but

94

00:04:59,749 --> 00:04:57,280

for a young woman in the the late 70s

95

00:05:01,590 --> 00:04:59,759

applying to to join the military was

96

00:05:04,230 --> 00:05:01,600

that not quite intimidating as well

97

00:05:06,710 --> 00:05:04,240

because times have changed in 2021 but

98

00:05:08,469 --> 00:05:06,720

that was it was very much male dominated

99

00:05:10,710 --> 00:05:08,479

wasn't it at the time

100

00:05:13,189 --> 00:05:10,720

yeah and of course i didn't know that it

101
00:05:16,310 --> 00:05:13,199
was five percent of the or less of the

102
00:05:19,749 --> 00:05:16,320
women and who were active duty were

103
00:05:21,670 --> 00:05:19,759
um yeah a small amount and

104
00:05:23,110 --> 00:05:21,680
yeah going into the military the reason

105
00:05:25,350 --> 00:05:23,120
it made more sense to me is that they

106
00:05:28,310 --> 00:05:25,360
were going to pay me they were going to

107
00:05:31,029 --> 00:05:28,320
give me a place to sleep give me shelter

108
00:05:32,950 --> 00:05:31,039
you know just take care of me

109
00:05:34,230 --> 00:05:32,960
you know i didn't have to pay for i

110
00:05:35,590 --> 00:05:34,240
didn't have to pay for anything out of

111
00:05:38,870 --> 00:05:35,600
pocket

112
00:05:41,430 --> 00:05:38,880
so that kind of makes sense and i went

113
00:05:43,990 --> 00:05:41,440

to a school called st patrick school in

114

00:05:46,710 --> 00:05:44,000

elementary school when back in the day

115

00:05:48,469 --> 00:05:46,720

we actually had nuns for

116

00:05:50,550 --> 00:05:48,479

teachers and some of them were pretty

117

00:05:52,870 --> 00:05:50,560

tough and i figured if i could handle

118

00:05:54,950 --> 00:05:52,880

the nuns at st patrick's school i can

119

00:05:55,909 --> 00:05:54,960

pretty much handle anything

120

00:05:57,350 --> 00:05:55,919

uh

121

00:05:59,270 --> 00:05:57,360

so

122

00:06:00,710 --> 00:05:59,280

yeah i really didn't think that far

123

00:06:02,870 --> 00:06:00,720

ahead because

124

00:06:05,029 --> 00:06:02,880

we didn't have any military bases on

125

00:06:07,590 --> 00:06:05,039

long island that i was aware of at the

126
00:06:08,550 --> 00:06:07,600
time and so it was

127
00:06:10,070 --> 00:06:08,560
all

128
00:06:12,870 --> 00:06:10,080
new to me

129
00:06:14,710 --> 00:06:12,880
what were those early days like on the

130
00:06:16,790 --> 00:06:14,720
on the basis so we're talking here late

131
00:06:18,629 --> 00:06:16,800
70s that you actually arrive at bent

132
00:06:21,830 --> 00:06:18,639
waters here

133
00:06:24,909 --> 00:06:21,840
i arrived at bentwaters well i started

134
00:06:26,550 --> 00:06:24,919
basic training on january 23

135
00:06:29,510 --> 00:06:26,560
1978.

136
00:06:32,710 --> 00:06:29,520
fast forward five months later roughly

137
00:06:34,950 --> 00:06:32,720
i was over at raf bentwaters i mean my

138
00:06:36,230 --> 00:06:34,960

basic training and my technical school

139

00:06:39,110 --> 00:06:36,240

were

140

00:06:40,150 --> 00:06:39,120

about five six weeks each

141

00:06:43,870 --> 00:06:40,160

so

142

00:06:45,590 --> 00:06:43,880

i got to event waters on about may 3rd

143

00:06:46,710 --> 00:06:45,600

1978

144

00:06:50,469 --> 00:06:46,720

and

145

00:06:53,670 --> 00:06:50,479

yeah it was it was a real shock

146

00:06:56,150 --> 00:06:53,680

getting there it was nothing like

147

00:06:57,189 --> 00:06:56,160

basic training or technical school with

148

00:06:59,990 --> 00:06:57,199

all

149

00:07:01,510 --> 00:07:00,000

they had great food there they you know

150

00:07:03,749 --> 00:07:01,520

i just

151
00:07:05,830 --> 00:07:03,759
got to bentwaters and it was

152
00:07:06,070 --> 00:07:05,840
the facilities were

153
00:07:07,510 --> 00:07:06,080
pretty

154
00:07:09,990 --> 00:07:07,520
[Music]

155
00:07:12,710 --> 00:07:10,000
non-existent i mean

156
00:07:13,589 --> 00:07:12,720
they had a gym gymnasium and a movie

157
00:07:18,150 --> 00:07:13,599
theater

158
00:07:20,230 --> 00:07:18,160
two-lane bowling alley i i mean

159
00:07:21,189 --> 00:07:20,240
for a young airman

160
00:07:23,270 --> 00:07:21,199
it was

161
00:07:25,029 --> 00:07:23,280
what most of them ended up doing was

162
00:07:26,790 --> 00:07:25,039
spending the money at the class six

163
00:07:27,909 --> 00:07:26,800

store which would see where you buy the

164

00:07:31,110 --> 00:07:27,919

alcohol

165

00:07:33,830 --> 00:07:31,120

and you know in the next two years you

166

00:07:35,270 --> 00:07:33,840

know when you were off duty drinking and

167

00:07:37,270 --> 00:07:35,280

that seemed to be

168

00:07:39,909 --> 00:07:37,280

you know at the time what the air force

169

00:07:40,950 --> 00:07:39,919

did quite a bit

170

00:07:42,629 --> 00:07:40,960

so

171

00:07:44,710 --> 00:07:42,639

yeah it was um

172

00:07:46,390 --> 00:07:44,720

yeah it was it was just really

173

00:07:48,950 --> 00:07:46,400

interesting that way

174

00:07:51,189 --> 00:07:48,960

getting to bentwaters i was so excited

175

00:07:53,990 --> 00:07:51,199

when i first learned that i was going to

176

00:07:55,029 --> 00:07:54,000

england and it was a royal air force so

177

00:07:57,110 --> 00:07:55,039

i thought

178

00:08:00,390 --> 00:07:57,120

i was expecting to see almost everything

179

00:08:02,950 --> 00:08:00,400

with gold and you know gilded and i i

180

00:08:05,029 --> 00:08:02,960

had i had no idea and

181

00:08:07,749 --> 00:08:05,039

so when i got there

182

00:08:10,390 --> 00:08:07,759

and i saw the green quantum huts

183

00:08:11,270 --> 00:08:10,400

with the pot belly stoves in it

184

00:08:14,550 --> 00:08:11,280

and

185

00:08:15,350 --> 00:08:14,560

it i was just really blown away about

186

00:08:18,070 --> 00:08:15,360

how

187

00:08:19,270 --> 00:08:18,080

i felt as if i went back to world war

188

00:08:22,070 --> 00:08:19,280

two

189

00:08:23,990 --> 00:08:22,080

i mean everything just seemed like i

190

00:08:27,029 --> 00:08:24,000

went back in time

191

00:08:27,909 --> 00:08:27,039

and it wasn't a good feeling

192

00:08:30,629 --> 00:08:27,919

so

193

00:08:32,389 --> 00:08:30,639

and then at that point too when the bus

194

00:08:35,029 --> 00:08:32,399

drove through

195

00:08:37,269 --> 00:08:35,039

uh the main gate it was the first time i

196

00:08:39,190 --> 00:08:37,279

got to see a gate guard and that would

197

00:08:41,909 --> 00:08:39,200

be one of my jobs because i was going

198

00:08:43,269 --> 00:08:41,919

into i was in law enforcement

199

00:08:44,230 --> 00:08:43,279

and

200

00:09:05,990 --> 00:08:44,240

i

201

00:09:08,150 --> 00:09:06,000

[h__\h] creek

202

00:09:10,710 --> 00:09:08,160

oh my god [h__\h] creep what do you mean

203

00:09:11,990 --> 00:09:10,720

[h__\h] cry

204

00:09:14,710 --> 00:09:12,000

oh no

205

00:09:17,269 --> 00:09:14,720

and on top of it i started to feel

206

00:09:19,670 --> 00:09:17,279

physically start to feel this heaviness

207

00:09:20,790 --> 00:09:19,680

over me like a heavy weight over me and

208

00:09:23,030 --> 00:09:20,800

i couldn't

209

00:09:25,990 --> 00:09:23,040

it was almost a depressed kind of a

210

00:09:26,949 --> 00:09:26,000

feeling but it was it was more physical

211

00:09:28,870 --> 00:09:26,959

not

212

00:09:31,590 --> 00:09:28,880

uh psychological

213

00:09:33,430 --> 00:09:31,600

and i i was just thinking

214

00:09:35,190 --> 00:09:33,440

you know there's some something wrong

215

00:09:36,389 --> 00:09:35,200

with this place i mean that was a

216

00:09:37,350 --> 00:09:36,399

fleeting

217

00:09:39,030 --> 00:09:37,360

thought

218

00:09:41,030 --> 00:09:39,040

something something's not right about

219

00:09:42,790 --> 00:09:41,040

this place not only is it

220

00:09:44,230 --> 00:09:42,800

going back to

221

00:09:45,750 --> 00:09:44,240

world war ii

222

00:09:48,630 --> 00:09:45,760

it was just that something was just

223

00:09:51,190 --> 00:09:48,640

completely off about the place

224

00:09:53,030 --> 00:09:51,200

now we're now talking the the late 70s

225

00:09:55,750 --> 00:09:53,040

and of course the famous rendursum

226

00:09:59,030 --> 00:09:55,760

incident happened in in 1980.

227

00:10:01,509 --> 00:09:59,040

were you around the base at that time

228

00:10:05,590 --> 00:10:01,519

actually i had

229

00:10:07,990 --> 00:10:05,600

left the base december 15th of 1980 so i

230

00:10:11,910 --> 00:10:08,000

i was not there for a rental shim

231

00:10:14,870 --> 00:10:11,920

uh incident technically my order said

232

00:10:16,230 --> 00:10:14,880

december 26 and i'm so mad i wanted to

233

00:10:18,710 --> 00:10:16,240

go home

234

00:10:20,630 --> 00:10:18,720

that i said fine i'm i'm flying out

235

00:10:22,630 --> 00:10:20,640

commercial i just wanted to get out of

236

00:10:24,949 --> 00:10:22,640

there i i really

237

00:10:26,710 --> 00:10:24,959

i felt this if i was in a war zone there

238

00:10:28,550 --> 00:10:26,720

and i just wanted to get out of there i

239

00:10:31,910 --> 00:10:28,560

i didn't have a lot of people had really

240

00:10:32,870 --> 00:10:31,920

good experiences there i i had my share

241

00:10:35,269 --> 00:10:32,880

of

242

00:10:37,269 --> 00:10:35,279

good experiences but for the most part

243

00:10:39,509 --> 00:10:37,279

when it came to the base

244

00:10:40,310 --> 00:10:39,519

um i just had to get i had to get out of

245

00:10:42,630 --> 00:10:40,320

there

246

00:10:44,790 --> 00:10:42,640

well what was your first experience then

247

00:10:46,790 --> 00:10:44,800

on the base in terms of any high

248

00:10:49,030 --> 00:10:46,800

strangeness events because we're not

249

00:10:50,310 --> 00:10:49,040

just talking you know ufo sightings

250

00:10:51,829 --> 00:10:50,320

there's there's been many things

251
00:10:52,949 --> 00:10:51,839
happened over your time there hasn't

252
00:10:54,389 --> 00:10:52,959
there

253
00:10:55,750 --> 00:10:54,399
yes yes

254
00:10:57,829 --> 00:10:55,760
well

255
00:10:59,750 --> 00:10:57,839
i'd have to say

256
00:11:02,790 --> 00:10:59,760
first of all that the experience of the

257
00:11:03,990 --> 00:11:02,800
heaviness over me i you know it felt as

258
00:11:06,069 --> 00:11:04,000
if somebody

259
00:11:08,550 --> 00:11:06,079
decided to put on a

260
00:11:10,069 --> 00:11:08,560
like 40 50 pounds on me that i had to

261
00:11:11,509 --> 00:11:10,079
carry with me

262
00:11:14,630 --> 00:11:11,519
and it was really

263
00:11:17,190 --> 00:11:14,640

messing up my stamina i was having i

264

00:11:19,190 --> 00:11:17,200

started to slowly start having

265

00:11:22,069 --> 00:11:19,200

problems with um

266

00:11:24,069 --> 00:11:22,079

just getting the energy to to do my job

267

00:11:27,269 --> 00:11:24,079

and that was kind of frightening because

268

00:11:29,030 --> 00:11:27,279

i was only 18 when i got there i was

269

00:11:29,910 --> 00:11:29,040

pretty young

270

00:11:31,269 --> 00:11:29,920

and

271

00:11:33,990 --> 00:11:31,279

then

272

00:11:35,750 --> 00:11:34,000

it took uh once i got there

273

00:11:38,630 --> 00:11:35,760

people were telling us that we were in

274

00:11:41,750 --> 00:11:38,640

the most haunted county in in the world

275

00:11:43,430 --> 00:11:41,760

and there were all these stories of

276
00:11:45,269 --> 00:11:43,440
druids and

277
00:11:46,710 --> 00:11:45,279
easton charlie

278
00:11:48,389 --> 00:11:46,720
a world war

279
00:11:49,990 --> 00:11:48,399
ii pilot who

280
00:11:53,509 --> 00:11:50,000
lost his head and

281
00:11:55,269 --> 00:11:53,519
walks the runway and scares people and

282
00:11:57,509 --> 00:11:55,279
it was just a lot of

283
00:11:59,269 --> 00:11:57,519
you know scary stories going on and you

284
00:12:00,470 --> 00:11:59,279
know i tried to take it

285
00:12:02,870 --> 00:12:00,480
well you know

286
00:12:04,069 --> 00:12:02,880
i didn't want to get scared so i would

287
00:12:06,790 --> 00:12:04,079
take it

288
00:12:08,949 --> 00:12:06,800

for you know for what it was worth

289

00:12:10,389 --> 00:12:08,959

and so pretty much i just kind of did

290

00:12:12,310 --> 00:12:10,399

what i did with everything just pushed

291

00:12:14,389 --> 00:12:12,320

it out of my mind

292

00:12:16,710 --> 00:12:14,399

and then the um a lot of the guys that i

293

00:12:18,790 --> 00:12:16,720

was working with being one of one of you

294

00:12:21,750 --> 00:12:18,800

women i mean there were about

295

00:12:23,670 --> 00:12:21,760

i'd say 20 active duty 20 30 active duty

296

00:12:25,750 --> 00:12:23,680

women on the whole base

297

00:12:27,670 --> 00:12:25,760

that were single the single ones the

298

00:12:29,269 --> 00:12:27,680

ones that were married that they lived

299

00:12:30,470 --> 00:12:29,279

off base

300

00:12:33,110 --> 00:12:30,480

so

301
00:12:34,790 --> 00:12:33,120
the percentage i think it was like five

302
00:12:37,430 --> 00:12:34,800
five or ten women

303
00:12:40,470 --> 00:12:37,440
tops that were working in security

304
00:12:42,790 --> 00:12:40,480
police the 84 security police so

305
00:12:43,910 --> 00:12:42,800
i when i was on flight i was usually the

306
00:12:46,150 --> 00:12:43,920
only woman

307
00:12:47,430 --> 00:12:46,160
on flight with the men

308
00:12:49,829 --> 00:12:47,440
and

309
00:12:52,550 --> 00:12:49,839
it was just kind of

310
00:12:54,389 --> 00:12:52,560
hearing a lot of sexist kind of

311
00:12:56,150 --> 00:12:54,399
talk people telling me i should be

312
00:12:59,190 --> 00:12:56,160
barefoot and pregnant

313
00:13:03,030 --> 00:12:59,200

and you know it was not really

314

00:13:05,670 --> 00:13:03,040

conducive to to say well let's uh

315

00:13:07,430 --> 00:13:05,680

let's put lori under our wing and teach

316

00:13:09,110 --> 00:13:07,440

her how to be a really good security

317

00:13:12,150 --> 00:13:09,120

police person

318

00:13:13,670 --> 00:13:12,160

um can i just ask lori did you and again

319

00:13:16,550 --> 00:13:13,680

people have to remember this was this

320

00:13:18,470 --> 00:13:16,560

was 1980 that did you expect that

321

00:13:21,509 --> 00:13:18,480

treatment at the time was it was it what

322

00:13:25,110 --> 00:13:21,519

you expected was it worse or was it was

323

00:13:26,629 --> 00:13:25,120

it better for lack of a better one

324

00:13:28,710 --> 00:13:26,639

well when i when i first got there i'm

325

00:13:30,870 --> 00:13:28,720

talking 1978

326

00:13:35,910 --> 00:13:30,880

it was

327

00:13:38,069 --> 00:13:35,920

women for me uh i

328

00:13:39,910 --> 00:13:38,079

i seem to i felt like i was under the

329

00:13:43,509 --> 00:13:39,920

magnifying glass

330

00:13:46,150 --> 00:13:43,519

and on top of it the squadron commander

331

00:13:47,350 --> 00:13:46,160

major zipler at the time

332

00:13:48,710 --> 00:13:47,360

he

333

00:13:51,670 --> 00:13:48,720

did not like

334

00:13:52,629 --> 00:13:51,680

women in in the career field so it's

335

00:13:55,190 --> 00:13:52,639

really

336

00:13:57,670 --> 00:13:55,200

tough when you have the

337

00:14:00,710 --> 00:13:57,680

squadron commander

338

00:14:03,430 --> 00:14:00,720

either looking at you like you're

339

00:14:05,430 --> 00:14:03,440

you know a piece of garbage or whatever

340

00:14:07,110 --> 00:14:05,440

and it was just the whole thing was

341

00:14:07,910 --> 00:14:07,120

completely disheartening i did have a

342

00:14:13,030 --> 00:14:07,920

few

343

00:14:15,829 --> 00:14:13,040

did look up to

344

00:14:17,750 --> 00:14:15,839

my first slight chief was david richard

345

00:14:19,750 --> 00:14:17,760

and i looked up to him and then but he

346

00:14:20,870 --> 00:14:19,760

left immediately and i was stuck with

347

00:14:21,910 --> 00:14:20,880

some really

348

00:14:24,629 --> 00:14:21,920

um

349

00:14:25,990 --> 00:14:24,639

not so good supervisors and

350

00:14:29,990 --> 00:14:26,000

then

351

00:14:33,350 --> 00:14:30,000

dan dan taylor he was a really good

352

00:14:37,350 --> 00:14:33,360

flight chief so i did have my handful of

353

00:14:38,790 --> 00:14:37,360

you know good sergeants to look up to

354

00:14:39,590 --> 00:14:38,800

and

355

00:14:44,470 --> 00:14:39,600

so

356

00:14:48,389 --> 00:14:44,480

were two things as you can tell two

357

00:14:49,910 --> 00:14:48,399

themes going on one theme was trying to

358

00:14:52,790 --> 00:14:49,920

integrate

359

00:14:54,470 --> 00:14:52,800

in a squadron that really didn't want me

360

00:14:57,030 --> 00:14:54,480

because i was a woman

361

00:14:59,910 --> 00:14:57,040

the second was

362

00:15:02,389 --> 00:14:59,920

soon to be a lot of the paranormal in

363

00:15:04,310 --> 00:15:02,399

the uh the ufo sighting

364

00:15:08,069 --> 00:15:04,320

because one really

365

00:15:11,030 --> 00:15:08,079

really piggybacked on the other because

366

00:15:12,710 --> 00:15:11,040

if i see a ufo or if i see something and

367

00:15:15,350 --> 00:15:12,720

i report it

368

00:15:18,790 --> 00:15:15,360

it's it's again it's a put down to say

369

00:15:20,550 --> 00:15:18,800

ah right about seeing your fellows

370

00:15:23,430 --> 00:15:20,560

and and i was pretty

371

00:15:25,829 --> 00:15:23,440

um at that time i would say

372

00:15:27,670 --> 00:15:25,839

what made me different than a lot of

373

00:15:29,670 --> 00:15:27,680

a lot of the guys

374

00:15:31,030 --> 00:15:29,680

was the fact that i was very very

375

00:15:32,870 --> 00:15:31,040

sensitive

376

00:15:35,110 --> 00:15:32,880

not that i would cry or anything like

377

00:15:38,069 --> 00:15:35,120

that my sensitivity was i could pick

378

00:15:40,470 --> 00:15:38,079

things up i could read people

379

00:15:42,230 --> 00:15:40,480

pretty well i can see if somebody hated

380

00:15:44,870 --> 00:15:42,240

my gut so

381

00:15:47,750 --> 00:15:44,880

the body language is pretty obvious

382

00:15:50,710 --> 00:15:47,760

and uh you know so but i also took

383

00:15:51,590 --> 00:15:50,720

responsibility for how they reacted to

384

00:15:54,069 --> 00:15:51,600

me

385

00:15:55,269 --> 00:15:54,079

and that was not really the best for

386

00:15:56,150 --> 00:15:55,279

instance

387

00:15:57,030 --> 00:15:56,160

uh

388

00:15:58,710 --> 00:15:57,040

my

389

00:16:02,310 --> 00:15:58,720

sergeant

390

00:16:05,269 --> 00:16:02,320

had a it was in the winter time and

391

00:16:07,509 --> 00:16:05,279

i had lent my gloves to

392

00:16:09,990 --> 00:16:07,519

one of the airmen on the flight and he

393

00:16:12,389 --> 00:16:10,000

forgot to give me the gloves back so

394

00:16:14,310 --> 00:16:12,399

my hands are turning red from the cold

395

00:16:17,189 --> 00:16:14,320

as i'm standing on the main gate and my

396

00:16:18,150 --> 00:16:17,199

supervisor drives up in a hot you know

397

00:16:20,790 --> 00:16:18,160

warm

398

00:16:22,389 --> 00:16:20,800

pickup foot patrol vehicle

399

00:16:25,030 --> 00:16:22,399

and he looks at me and says where are

400

00:16:26,150 --> 00:16:25,040

your gloves and he's got his gloves on

401
00:16:27,189 --> 00:16:26,160
and

402
00:16:28,710 --> 00:16:27,199
he uh

403
00:16:31,269 --> 00:16:28,720
he just asked me where are your gloves i

404
00:16:33,030 --> 00:16:31,279
said oh i lent them to rick and you know

405
00:16:34,470 --> 00:16:33,040
i didn't get him back and i was thinking

406
00:16:35,749 --> 00:16:34,480
that he was going to take his gloves off

407
00:16:37,189 --> 00:16:35,759
and said well here

408
00:16:38,790 --> 00:16:37,199
you can use these

409
00:16:41,189 --> 00:16:38,800
uh but he just kind of looked at me and

410
00:16:42,949 --> 00:16:41,199
nodded no like oh you know you're

411
00:16:45,030 --> 00:16:42,959
screwed your hands are going to be cold

412
00:16:46,790 --> 00:16:45,040
for the rest of the night

413
00:16:49,269 --> 00:16:46,800

and so he took off

414

00:16:51,509 --> 00:16:49,279

about an hour later the wing commander

415

00:16:53,590 --> 00:16:51,519

the highest ranking

416

00:16:54,550 --> 00:16:53,600

person on base he was a little fulbert

417

00:16:56,150 --> 00:16:54,560

colonel

418

00:16:57,910 --> 00:16:56,160

he came on the base

419

00:16:59,749 --> 00:16:57,920

and he looked at my hands and he said

420

00:17:01,030 --> 00:16:59,759

the same thing wear your gloves and i

421

00:17:03,749 --> 00:17:01,040

told him

422

00:17:05,990 --> 00:17:03,759

and he said here take my gloves oh sorry

423

00:17:07,909 --> 00:17:06,000

i can't do that you know

424

00:17:10,150 --> 00:17:07,919

and he said no um

425

00:17:11,990 --> 00:17:10,160

he said it kind of with a smile on his

426

00:17:15,510 --> 00:17:12,000

face he said this is an order and i said

427

00:17:19,189 --> 00:17:15,520

okay sir so it was pilot gloves so i was

428

00:17:21,110 --> 00:17:19,199

like when i got my first break

429

00:17:22,870 --> 00:17:21,120

i went up to the law enforcement desk to

430

00:17:24,870 --> 00:17:22,880

show everybody i was wearing pilot

431

00:17:27,350 --> 00:17:24,880

gloves and look at me you know

432

00:17:30,470 --> 00:17:27,360

and everyone kind of thought that was

433

00:17:33,750 --> 00:17:30,480

really you know oh wow it's pretty cool

434

00:17:35,669 --> 00:17:33,760

but then the next morning

435

00:17:38,630 --> 00:17:35,679

all of a sudden there's a banging on my

436

00:17:40,630 --> 00:17:38,640

door of my dormitory bam man

437

00:17:41,909 --> 00:17:40,640

i'm like what's going on

438

00:17:43,909 --> 00:17:41,919

you know i'm talking through the door

439

00:17:45,430 --> 00:17:43,919

and they said rayfeld you got to go down

440

00:17:47,029 --> 00:17:45,440

and see the commander

441

00:17:48,150 --> 00:17:47,039

meaning major ziploc

442

00:17:49,669 --> 00:17:48,160

for what

443

00:17:51,510 --> 00:17:49,679

he said something about you going up the

444

00:17:52,230 --> 00:17:51,520

chain of command and

445

00:17:54,150 --> 00:17:52,240

and

446

00:17:55,430 --> 00:17:54,160

making colonel

447

00:17:56,390 --> 00:17:55,440

whacker

448

00:17:58,470 --> 00:17:56,400

uh

449

00:18:01,029 --> 00:17:58,480

give give you the gloves

450

00:18:03,190 --> 00:18:01,039

what the heck you know that's not how it

451
00:18:04,549 --> 00:18:03,200
happened and they knew it

452
00:18:06,710 --> 00:18:04,559
so i

453
00:18:08,549 --> 00:18:06,720
i went up there and i explained what

454
00:18:11,110 --> 00:18:08,559
happened i mean this to me was such a

455
00:18:13,430 --> 00:18:11,120
minute situation but it's really

456
00:18:16,150 --> 00:18:13,440
important to understand that these

457
00:18:18,230 --> 00:18:16,160
little itty-bitty things that were all

458
00:18:19,669 --> 00:18:18,240
were blown out of proportion to the

459
00:18:22,230 --> 00:18:19,679
point where

460
00:18:23,990 --> 00:18:22,240
i i mean i you know i was getting in in

461
00:18:26,150 --> 00:18:24,000
pretty big trouble

462
00:18:28,950 --> 00:18:26,160
at the end of the evening i was so angry

463
00:18:31,350 --> 00:18:28,960

and so frustrated i asked another woman

464

00:18:32,789 --> 00:18:31,360

from the dormitory katie matthews go

465

00:18:35,430 --> 00:18:32,799

with me to the

466

00:18:37,830 --> 00:18:35,440

commit to the wing commander's house

467

00:18:40,470 --> 00:18:37,840

and give him back his gloves and you

468

00:18:42,630 --> 00:18:40,480

know so i did and i thanked him and i

469

00:18:45,029 --> 00:18:42,640

did tell him that i got into trouble

470

00:18:46,470 --> 00:18:45,039

because i was just so frustrated

471

00:18:48,150 --> 00:18:46,480

and i really wanted him to know that

472

00:18:50,390 --> 00:18:48,160

because i felt

473

00:18:53,110 --> 00:18:50,400

that he would know maybe next time don't

474

00:18:54,630 --> 00:18:53,120

don't give any of us your gloves because

475

00:18:57,110 --> 00:18:54,640

we're going to get in trouble

476
00:18:58,950 --> 00:18:57,120
for jumping the chain of command that

477
00:19:01,590 --> 00:18:58,960
was the key to it why did i go to the

478
00:19:03,430 --> 00:19:01,600
very very top of the chain of command

479
00:19:05,270 --> 00:19:03,440
it's like i thought

480
00:19:08,470 --> 00:19:05,280
yeah well that's the way to do it you

481
00:19:10,870 --> 00:19:08,480
know you need gloves why go to just

482
00:19:13,029 --> 00:19:10,880
anyone when i can go to the king you

483
00:19:15,190 --> 00:19:13,039
know i was like no no

484
00:19:17,430 --> 00:19:15,200
so anyway that those were the types of

485
00:19:19,190 --> 00:19:17,440
things that i had to deal with you know

486
00:19:21,190 --> 00:19:19,200
quite often

487
00:19:23,190 --> 00:19:21,200
so i can i can see how

488
00:19:25,750 --> 00:19:23,200

any and probably gives a wonderful piece

489

00:19:28,390 --> 00:19:25,760

of context that that something so small

490

00:19:30,710 --> 00:19:28,400

and trivial as being loaned someone's

491

00:19:32,630 --> 00:19:30,720

gloves never even asking for them turns

492

00:19:34,390 --> 00:19:32,640

into something much much bigger and of

493

00:19:36,789 --> 00:19:34,400

course as we can all imagine from

494

00:19:38,549 --> 00:19:36,799

watching the movies and tv shows that

495

00:19:40,549 --> 00:19:38,559

you then have consequences and

496

00:19:43,029 --> 00:19:40,559

repercussions as to what your duties may

497

00:19:45,430 --> 00:19:43,039

be and how your the treatment you get

498

00:19:46,950 --> 00:19:45,440

afterwards as well can all have a

499

00:19:48,470 --> 00:19:46,960

massive impact on the back of what

500

00:19:49,750 --> 00:19:48,480

happens so

501
00:19:51,430 --> 00:19:49,760
that's obviously as we're going to

502
00:19:53,590 --> 00:19:51,440
discuss some of these more paranormal

503
00:19:54,870 --> 00:19:53,600
and the ufo-based event

504
00:19:56,950 --> 00:19:54,880
and it's just to remember for the

505
00:19:58,870 --> 00:19:56,960
listeners off the back of you know what

506
00:20:00,789 --> 00:19:58,880
you do or do not say can have a huge

507
00:20:02,710 --> 00:20:00,799
impact on your life on the base going

508
00:20:04,150 --> 00:20:02,720
forward let alone you know what you

509
00:20:07,590 --> 00:20:04,160
encounter

510
00:20:09,350 --> 00:20:07,600
was your initial um event that happened

511
00:20:11,909 --> 00:20:09,360
to do with the paranormal or was it the

512
00:20:14,390 --> 00:20:11,919
ufo event that came first

513
00:20:15,750 --> 00:20:14,400

uh the paranormal came first

514

00:20:17,590 --> 00:20:15,760

what were some of those initial events

515

00:20:18,390 --> 00:20:17,600

then laurie

516

00:20:21,750 --> 00:20:18,400

well

517

00:20:24,390 --> 00:20:21,760

one of them and it was about

518

00:20:26,630 --> 00:20:24,400

it was almost about six months

519

00:20:29,750 --> 00:20:26,640

after i've been on the base so now it's

520

00:20:32,390 --> 00:20:29,760

the winter it's 1979

521

00:20:35,909 --> 00:20:32,400

and i was

522

00:20:38,149 --> 00:20:35,919

on patrol i got pretty pretty good at it

523

00:20:41,029 --> 00:20:38,159

so i was on i was either a gate guard or

524

00:20:42,390 --> 00:20:41,039

i was on patrol working swing shift and

525

00:20:44,310 --> 00:20:42,400

midnight shifts

526
00:20:46,789 --> 00:20:44,320
so this is during the swing shift

527
00:20:48,789 --> 00:20:46,799
meaning from four o'clock to 12 o'clock

528
00:20:51,830 --> 00:20:48,799
in the evening

529
00:20:54,230 --> 00:20:51,840
and it was still daylight and i had to

530
00:20:56,310 --> 00:20:54,240
check this one

531
00:20:58,470 --> 00:20:56,320
we have a check sheet so on the check

532
00:20:59,909 --> 00:20:58,480
sheet we have to go to these buildings

533
00:21:01,350 --> 00:20:59,919
and check to make sure that they're

534
00:21:03,750 --> 00:21:01,360
locked up

535
00:21:05,430 --> 00:21:03,760
and one of the one of the places we had

536
00:21:07,110 --> 00:21:05,440
to go to was

537
00:21:09,909 --> 00:21:07,120
was the um

538
00:21:11,270 --> 00:21:09,919

liquid oxygen the lox

539

00:21:13,270 --> 00:21:11,280

uh gate

540

00:21:14,870 --> 00:21:13,280

the lux was where they

541

00:21:17,350 --> 00:21:14,880

they had the liquid oxygen that they

542

00:21:19,830 --> 00:21:17,360

would use with the aircraft

543

00:21:22,630 --> 00:21:19,840

and so my job was just to go up to the

544

00:21:23,430 --> 00:21:22,640

fence and check the lock and go back

545

00:21:24,789 --> 00:21:23,440

but

546

00:21:29,590 --> 00:21:24,799

the

547

00:21:32,310 --> 00:21:29,600

lodge gate

548

00:21:35,029 --> 00:21:32,320

it was it was a side gate

549

00:21:36,070 --> 00:21:35,039

on our bedwaters

550

00:21:37,909 --> 00:21:36,080

the gate

551
00:21:39,909 --> 00:21:37,919
and the

552
00:21:42,549 --> 00:21:39,919
going to the locks

553
00:21:44,549 --> 00:21:42,559
on the left side was the fence that

554
00:21:47,029 --> 00:21:44,559
would lead off base so if you jump the

555
00:21:48,070 --> 00:21:47,039
fence you would be off base

556
00:21:52,149 --> 00:21:48,080
and

557
00:21:53,990 --> 00:21:52,159
gate you can just go through the gate if

558
00:21:57,909 --> 00:21:54,000
the gates open

559
00:22:00,870 --> 00:21:57,919
so i uh i pulled up and and on the gate

560
00:22:03,029 --> 00:22:00,880
on the fence was a lot of iv there was a

561
00:22:05,110 --> 00:22:03,039
lot of overgrowth

562
00:22:07,029 --> 00:22:05,120
and so i couldn't see

563
00:22:09,430 --> 00:22:07,039

through the fence

564

00:22:10,789 --> 00:22:09,440

but in my mind

565

00:22:13,270 --> 00:22:10,799

now this is some of the things that

566

00:22:14,789 --> 00:22:13,280

you're going to hear about that

567

00:22:17,510 --> 00:22:14,799

are more of the

568

00:22:21,590 --> 00:22:17,520

sixth sense coming out it's not through

569

00:22:22,549 --> 00:22:21,600

my eyes or ears or or whatnot there are

570

00:22:24,070 --> 00:22:22,559

some things that i'm going to tell you

571

00:22:27,029 --> 00:22:24,080

about that i didn't physically see with

572

00:22:28,710 --> 00:22:27,039

my eyes and my ears but something told

573

00:22:31,510 --> 00:22:28,720

me that

574

00:22:34,149 --> 00:22:31,520

in my gut said that there was a pond

575

00:22:35,350 --> 00:22:34,159

on the other side of the fence

576
00:22:41,510 --> 00:22:35,360
and

577
00:22:43,590 --> 00:22:41,520
in my again in my mind

578
00:22:45,669 --> 00:22:43,600
and it wasn't just like you know it

579
00:22:47,590 --> 00:22:45,679
wasn't until many many years later i was

580
00:22:51,029 --> 00:22:47,600
on google maps because i was kind of

581
00:22:54,230 --> 00:22:51,039
curious to see is was there a pond or

582
00:22:55,909 --> 00:22:54,240
water on the other side yes there was so

583
00:22:58,390 --> 00:22:55,919
now i can corroborate it with my other

584
00:22:59,590 --> 00:22:58,400
senses and say what i was feeling there

585
00:23:01,430 --> 00:22:59,600
was was

586
00:23:02,630 --> 00:23:01,440
was right on

587
00:23:03,909 --> 00:23:02,640
the

588
00:23:06,470 --> 00:23:03,919

i felt like

589

00:23:09,590 --> 00:23:06,480

all of a sudden when i was

590

00:23:11,510 --> 00:23:09,600

sitting in the driver's side now we were

591

00:23:13,430 --> 00:23:11,520

driving actually

592

00:23:16,710 --> 00:23:13,440

uh american

593

00:23:18,230 --> 00:23:16,720

trucks so my steering wheel was on the

594

00:23:19,830 --> 00:23:18,240

left side

595

00:23:21,430 --> 00:23:19,840

so i'm um

596

00:23:25,029 --> 00:23:21,440

i felt this

597

00:23:27,190 --> 00:23:25,039

deathly face i call him the crazed man

598

00:23:27,990 --> 00:23:27,200

he had like black hair and it was like

599

00:23:30,230 --> 00:23:28,000

just

600

00:23:31,430 --> 00:23:30,240

messed up and his face was

601
00:23:35,110 --> 00:23:31,440
dead white

602
00:23:37,830 --> 00:23:35,120
and he was just kind of teasing me

603
00:23:41,110 --> 00:23:37,840
uh but i didn't see him he was like it

604
00:23:42,630 --> 00:23:41,120
was right behind my window and i just i

605
00:23:43,510 --> 00:23:42,640
wouldn't look because

606
00:23:44,950 --> 00:23:43,520
in

607
00:23:46,950 --> 00:23:44,960
times like that you just didn't want to

608
00:23:49,350 --> 00:23:46,960
be scared

609
00:23:51,510 --> 00:23:49,360
so i would put my car put my truck in

610
00:23:53,190 --> 00:23:51,520
reverse and i would

611
00:23:54,789 --> 00:23:53,200
get the hell out of there

612
00:23:56,870 --> 00:23:54,799
and every time i went to the locks i

613
00:23:58,549 --> 00:23:56,880

could feel him and

614

00:24:01,190 --> 00:23:58,559

what's interesting

615

00:24:02,470 --> 00:24:01,200

doing research i did learn that not far

616

00:24:05,190 --> 00:24:02,480

from there

617

00:24:07,669 --> 00:24:05,200

was a place called rendelsham hall

618

00:24:09,190 --> 00:24:07,679

that was a huge mansion

619

00:24:11,669 --> 00:24:09,200

and

620

00:24:13,350 --> 00:24:11,679

in at the mansion at one point they

621

00:24:16,870 --> 00:24:13,360

ended up using it

622

00:24:19,590 --> 00:24:16,880

for uh people that had drug problems and

623

00:24:21,110 --> 00:24:19,600

people that were problems with alcohol

624

00:24:22,710 --> 00:24:21,120

and that kind of thing

625

00:24:25,190 --> 00:24:22,720

so i'm thinking there was a connection

626
00:24:26,149 --> 00:24:25,200
there with the grace man and that kind

627
00:24:27,990 --> 00:24:26,159
of thing

628
00:24:30,149 --> 00:24:28,000
and talking to some of the other

629
00:24:33,190 --> 00:24:30,159
researchers

630
00:24:35,430 --> 00:24:33,200
there there is actually something known

631
00:24:37,750 --> 00:24:35,440
about this crazed man i mean it's not

632
00:24:40,230 --> 00:24:37,760
like something i made up apparently you

633
00:24:42,950 --> 00:24:40,240
know i was talking with linda

634
00:24:44,789 --> 00:24:42,960
moulton howe and she had corroborated

635
00:24:46,710 --> 00:24:44,799
some of the things that

636
00:24:47,750 --> 00:24:46,720
what i had felt

637
00:24:51,909 --> 00:24:47,760
and

638
00:24:53,510 --> 00:24:51,919

go check that fence

639

00:24:56,549 --> 00:24:53,520

you know it was just

640

00:24:57,830 --> 00:24:56,559

scared the heck out of me it just

641

00:25:00,149 --> 00:24:57,840

and um

642

00:25:01,909 --> 00:25:00,159

but i couldn't tell anybody either

643

00:25:04,230 --> 00:25:01,919

because if i mentioned it next thing i

644

00:25:06,549 --> 00:25:04,240

know they would have put me on what we

645

00:25:09,029 --> 00:25:06,559

call snap patrol

646

00:25:10,310 --> 00:25:09,039

meaning they would take away my ribbons

647

00:25:11,669 --> 00:25:10,320

i mean my

648

00:25:14,710 --> 00:25:11,679

my beret

649

00:25:16,390 --> 00:25:14,720

and you know my badge and everything and

650

00:25:19,350 --> 00:25:16,400

put me on

651
00:25:21,029 --> 00:25:19,360
what they call weeds and seeds duty so

652
00:25:23,110 --> 00:25:21,039
i'd be out picking up trash and that

653
00:25:26,310 --> 00:25:23,120
kind of thing it was it was something

654
00:25:28,789 --> 00:25:26,320
that major zikler had set up to pretty

655
00:25:30,870 --> 00:25:28,799
much humiliate people that he decided

656
00:25:33,909 --> 00:25:30,880
weren't competent to stay in the

657
00:25:35,510 --> 00:25:33,919
military so i i just had to suck it up

658
00:25:37,029 --> 00:25:35,520
can i just ask laurie because there's a

659
00:25:39,029 --> 00:25:37,039
few really interesting incidents you

660
00:25:41,990 --> 00:25:39,039
talked about there and the crazed man

661
00:25:43,990 --> 00:25:42,000
and had you ever felt before you joined

662
00:25:46,870 --> 00:25:44,000
the military that you had any form of

663
00:25:49,029 --> 00:25:46,880

you know being intuitive or any sort of

664

00:25:51,669 --> 00:25:49,039

paranormal experiences in your life

665

00:25:54,230 --> 00:25:51,679

before that or was this the first time

666

00:25:58,310 --> 00:25:54,240

no i i did i did have it i did have it

667

00:25:59,990 --> 00:25:58,320

before then when i was in third grade i

668

00:26:02,230 --> 00:26:00,000

was walking past

669

00:26:03,990 --> 00:26:02,240

a door of the uh

670

00:26:05,750 --> 00:26:04,000

i was going to st patrick's school and

671

00:26:11,430 --> 00:26:05,760

on the

672

00:26:13,909 --> 00:26:11,440

the left side was the all-purpose room

673

00:26:15,590 --> 00:26:13,919

and i looked over and i was walking in

674

00:26:17,269 --> 00:26:15,600

the line because they had us pretty much

675

00:26:18,789 --> 00:26:17,279

we were pretty

676
00:26:21,269 --> 00:26:18,799
doing everything but almost like

677
00:26:23,669 --> 00:26:21,279
military you just if you were in line

678
00:26:25,750 --> 00:26:23,679
you walked straight you didn't stop

679
00:26:28,470 --> 00:26:25,760
and i saw

680
00:26:30,710 --> 00:26:28,480
mary the mother of jesus it was this

681
00:26:32,549 --> 00:26:30,720
really ornate beautiful beautiful i

682
00:26:33,830 --> 00:26:32,559
thought was a beautiful statue very

683
00:26:36,230 --> 00:26:33,840
life-like

684
00:26:38,630 --> 00:26:36,240
and there were flowers all around the

685
00:26:41,669 --> 00:26:38,640
base and she was holding

686
00:26:44,950 --> 00:26:41,679
this huge bouquet of roses and it was

687
00:26:47,990 --> 00:26:44,960
just it was just phenomenal and

688
00:26:49,669 --> 00:26:48,000

the interesting thing about that is that

689

00:26:52,630 --> 00:26:49,679

in that particular church all the

690

00:26:56,070 --> 00:26:52,640

statues at the time looked like they

691

00:26:58,230 --> 00:26:56,080

carved wood that was very very plain

692

00:26:59,510 --> 00:26:58,240

so it was very different than

693

00:27:02,310 --> 00:26:59,520

this beautiful

694

00:27:03,750 --> 00:27:02,320

statue and the statue was very very it

695

00:27:05,350 --> 00:27:03,760

was pretty big

696

00:27:08,870 --> 00:27:05,360

and then i passed the second set of

697

00:27:11,190 --> 00:27:08,880

double doors and the statue was gone

698

00:27:13,669 --> 00:27:11,200

so i remember going home and telling my

699

00:27:16,710 --> 00:27:13,679

mom about it and then my mom called up

700

00:27:18,870 --> 00:27:16,720

my grandma who actually lived in ireland

701
00:27:20,870 --> 00:27:18,880
and my grandma was actually for several

702
00:27:22,149 --> 00:27:20,880
years she was a nun

703
00:27:23,510 --> 00:27:22,159
so

704
00:27:26,789 --> 00:27:23,520
she

705
00:27:29,510 --> 00:27:26,799
mom just completely got it and said lord

706
00:27:31,590 --> 00:27:29,520
lori had a siding glory glory saw

707
00:27:32,549 --> 00:27:31,600
you know it wasn't a statue this is what

708
00:27:33,669 --> 00:27:32,559
i saw

709
00:27:35,029 --> 00:27:33,679
and i'm in

710
00:27:35,990 --> 00:27:35,039
you know i'm a 90 year old and i'm like

711
00:27:37,990 --> 00:27:36,000
okay

712
00:27:39,669 --> 00:27:38,000
that's that's what i saw because i

713
00:27:40,870 --> 00:27:39,679

couldn't find the statue anywhere i mean

714

00:27:43,430 --> 00:27:40,880

i kind of

715

00:27:48,789 --> 00:27:43,440

looked around whenever i was if i saw a

716

00:27:52,630 --> 00:27:50,630

and

717

00:27:55,269 --> 00:27:52,640

several a couple years ago i actually

718

00:27:57,269 --> 00:27:55,279

went back to the school and i did tell

719

00:27:59,510 --> 00:27:57,279

somebody i really wanted to reach out to

720

00:28:01,909 --> 00:27:59,520

the principal and tell her about the

721

00:28:03,830 --> 00:28:01,919

sighting and when i told the woman at

722

00:28:05,590 --> 00:28:03,840

the at the door

723

00:28:07,110 --> 00:28:05,600

of the secretary

724

00:28:09,269 --> 00:28:07,120

she said you know

725

00:28:11,830 --> 00:28:09,279

people have had other experiences they

726

00:28:13,430 --> 00:28:11,840

could feel the presence of mary there so

727

00:28:15,190 --> 00:28:13,440

i thought that was interesting too it

728

00:28:17,029 --> 00:28:15,200

was one of those again

729

00:28:19,750 --> 00:28:17,039

uh being

730

00:28:22,950 --> 00:28:19,760

having it corroborated then wow so other

731

00:28:23,750 --> 00:28:22,960

you know so i'm not alone with this

732

00:28:29,830 --> 00:28:23,760

and

733

00:28:31,909 --> 00:28:29,840

the house that we lived in was

734

00:28:33,590 --> 00:28:31,919

had was

735

00:28:35,909 --> 00:28:33,600

let me put it this way most of long

736

00:28:37,510 --> 00:28:35,919

island had been run

737

00:28:38,789 --> 00:28:37,520

there was a real big

738

00:28:40,950 --> 00:28:38,799

presence of

739

00:28:41,830 --> 00:28:40,960

native americans uh

740

00:28:42,830 --> 00:28:41,840

different

741

00:28:45,990 --> 00:28:42,840

indian

742

00:28:47,590 --> 00:28:46,000

tribes with the iroquois and just a

743

00:28:50,549 --> 00:28:47,600

bunch of different indian

744

00:28:52,710 --> 00:28:50,559

tribes and i truly believe that we in

745

00:28:53,909 --> 00:28:52,720

fact i grew up in a town called nest

746

00:28:56,389 --> 00:28:53,919

concert

747

00:28:57,669 --> 00:28:56,399

there's a ronkonkoma down the road so a

748

00:29:00,070 --> 00:28:57,679

lot of the

749

00:29:02,549 --> 00:29:00,080

native american names are very much

750

00:29:04,149 --> 00:29:02,559

influenced on

751
00:29:05,430 --> 00:29:04,159
long island

752
00:29:06,630 --> 00:29:05,440
so

753
00:29:07,510 --> 00:29:06,640
i

754
00:29:11,669 --> 00:29:07,520
was

755
00:29:12,470 --> 00:29:11,679
bloodshed

756
00:29:14,710 --> 00:29:12,480
where

757
00:29:17,190 --> 00:29:14,720
our house was or it could have been a

758
00:29:20,789 --> 00:29:17,200
burial site or something but there was

759
00:29:23,430 --> 00:29:20,799
something evil in the in the basement

760
00:29:24,389 --> 00:29:23,440
that i could actually hear and he would

761
00:29:26,950 --> 00:29:24,399
laugh

762
00:29:29,029 --> 00:29:26,960
really really loudly and he did that

763
00:29:30,630 --> 00:29:29,039

several several times especially when

764

00:29:32,070 --> 00:29:30,640

things were going bad in the house when

765

00:29:34,950 --> 00:29:32,080

my mom and dad were going through a

766

00:29:37,750 --> 00:29:34,960

divorce and that kind of thing was just

767

00:29:40,950 --> 00:29:37,760

just completely scary and

768

00:29:43,269 --> 00:29:40,960

yeah and so

769

00:29:44,870 --> 00:29:43,279

yeah so the house isn't there anymore my

770

00:29:48,710 --> 00:29:44,880

dad actually tore the house down and

771

00:29:51,510 --> 00:29:48,720

built a house behind it and ironically

772

00:29:52,310 --> 00:29:51,520

took the old house and buried it in our

773

00:29:55,430 --> 00:29:52,320

old

774

00:29:57,750 --> 00:29:55,440

in-ground pools so it's like a house

775

00:30:00,549 --> 00:29:57,760

with whatever that was going on there

776

00:30:02,789 --> 00:30:00,559

was there but i still think that

777

00:30:05,110 --> 00:30:02,799

the history of a place

778

00:30:07,990 --> 00:30:05,120

has a huge influence

779

00:30:11,190 --> 00:30:08,000

on where where you live and it may not

780

00:30:13,669 --> 00:30:11,200

be the history within the past 20 30

781

00:30:15,590 --> 00:30:13,679

years it could be the history of 500

782

00:30:17,990 --> 00:30:15,600

years ago or whatnot

783

00:30:20,389 --> 00:30:18,000

or longer and i think that's the same

784

00:30:23,190 --> 00:30:20,399

with what was going on over in suffolk

785

00:30:24,870 --> 00:30:23,200

in england i believe that

786

00:30:26,470 --> 00:30:24,880

the energies

787

00:30:27,990 --> 00:30:26,480

energy that was there

788

00:30:31,029 --> 00:30:28,000

really influenced a lot of the

789

00:30:32,789 --> 00:30:31,039

paranormal and also the ufo sighting

790

00:30:33,990 --> 00:30:32,799

yeah well let's talk about the ufo

791

00:30:35,830 --> 00:30:34,000

sighting i just found that really

792

00:30:38,389 --> 00:30:35,840

interesting that you you have those

793

00:30:39,990 --> 00:30:38,399

intuitive senses growing up and they've

794

00:30:42,310 --> 00:30:40,000

they've carried on with you through like

795

00:30:44,389 --> 00:30:42,320

womanhood and into the military and so

796

00:30:46,870 --> 00:30:44,399

yeah let's talk about that ufo sighting

797

00:30:48,789 --> 00:30:46,880

obviously rendelsham is famous for the

798

00:30:50,870 --> 00:30:48,799

renduson forest incident that we've all

799

00:30:54,310 --> 00:30:50,880

heard so much about it's now been almost

800

00:30:57,830 --> 00:30:54,320

41 years this december uh what was your

801
00:30:58,710 --> 00:30:57,840
own personal ufo experience at the base

802
00:31:00,710 --> 00:30:58,720
well

803
00:31:02,630 --> 00:31:00,720
i think what makes mine different than

804
00:31:05,029 --> 00:31:02,640
the others and i actually call it the

805
00:31:07,269 --> 00:31:05,039
east gate incident

806
00:31:09,190 --> 00:31:07,279
eastgate was probably the

807
00:31:11,590 --> 00:31:09,200
biggest place i was at raf woodbridge it

808
00:31:14,870 --> 00:31:11,600
was the biggest place where most of the

809
00:31:16,870 --> 00:31:14,880
paranormal anything kind of bizarre

810
00:31:20,230 --> 00:31:16,880
pretty much happened quite a bit of it

811
00:31:23,269 --> 00:31:20,240
happened over at arya woodbridge

812
00:31:25,190 --> 00:31:23,279
uh escape was buttered up against the

813
00:31:27,350 --> 00:31:25,200

wrinkles from forest

814

00:31:30,149 --> 00:31:27,360

and at night the forest was was pretty

815

00:31:31,029 --> 00:31:30,159

promoted it was scary

816

00:31:34,630 --> 00:31:31,039

and

817

00:31:37,590 --> 00:31:34,640

one night i was on patrol now this is in

818

00:31:38,789 --> 00:31:37,600

february of 1980.

819

00:31:44,149 --> 00:31:38,799

in

820

00:31:47,750 --> 00:31:44,159

as you probably know it's

821

00:31:49,110 --> 00:31:47,760

it stays dark long yeah eat dark starts

822

00:31:50,950 --> 00:31:49,120

around

823

00:31:52,870 --> 00:31:50,960

i don't know five in the evening and

824

00:31:55,509 --> 00:31:52,880

stays dark until six seven in the

825

00:31:58,470 --> 00:31:55,519

morning i mean yeah easily yep yeah

826

00:31:59,669 --> 00:31:58,480

england does dark really really well

827

00:32:06,470 --> 00:31:59,679

and

828

00:32:07,830 --> 00:32:06,480

eastgate at that point we kept the gate

829

00:32:10,149 --> 00:32:07,840

locked

830

00:32:12,630 --> 00:32:10,159

and so i i

831

00:32:15,750 --> 00:32:12,640

go up to the gate and check it

832

00:32:17,509 --> 00:32:15,760

and then i put the car in reverse and i

833

00:32:21,350 --> 00:32:17,519

parked it over here

834

00:32:24,310 --> 00:32:21,360

escape the the physical gate check

835

00:32:26,230 --> 00:32:24,320

and i was still facing in the direction

836

00:32:29,350 --> 00:32:26,240

of the north sea

837

00:32:32,470 --> 00:32:29,360

and i was sitting with a i was on patrol

838

00:32:33,750 --> 00:32:32,480

with i had a partner with me um keith

839

00:32:37,269 --> 00:32:33,760

duffield

840

00:32:38,710 --> 00:32:37,279

and he so so he sought to

841

00:32:43,430 --> 00:32:38,720

and

842

00:32:45,509 --> 00:32:43,440

it was three o'clock in the morning

843

00:32:48,070 --> 00:32:45,519

zero to three hundred hours

844

00:32:49,990 --> 00:32:48,080

and we saw this

845

00:32:52,870 --> 00:32:50,000

bright white light

846

00:32:54,310 --> 00:32:52,880

coming in from the north sea

847

00:32:57,750 --> 00:32:54,320

it looked like it was going to be a

848

00:32:59,029 --> 00:32:57,760

large cargo plane i and i thought it was

849

00:33:00,950 --> 00:32:59,039

kind of interesting that there was a

850

00:33:01,830 --> 00:33:00,960

plane landing

851
00:33:03,590 --> 00:33:01,840
and

852
00:33:05,830 --> 00:33:03,600
in the middle of the night

853
00:33:08,149 --> 00:33:05,840
coming from the north sea

854
00:33:09,669 --> 00:33:08,159
so i kept looking over at at the lights

855
00:33:10,470 --> 00:33:09,679
of the runway which again was on the

856
00:33:12,310 --> 00:33:10,480
left

857
00:33:15,350 --> 00:33:12,320
kept looking over to see the runway

858
00:33:16,710 --> 00:33:15,360
lights going on they didn't go on

859
00:33:17,509 --> 00:33:16,720
about

860
00:33:20,310 --> 00:33:17,519
maybe

861
00:33:21,430 --> 00:33:20,320
i don't know 100 200 yards

862
00:33:27,110 --> 00:33:21,440
i

863
00:33:29,029 --> 00:33:27,120

from the end of the runway

864

00:33:30,070 --> 00:33:29,039

from where i was so it wasn't that far

865

00:33:32,789 --> 00:33:30,080

from me

866

00:33:34,549 --> 00:33:32,799

where this light then stopped

867

00:33:36,950 --> 00:33:34,559

and it hovered

868

00:33:39,909 --> 00:33:36,960

and we didn't hear any noise there was

869

00:33:42,710 --> 00:33:39,919

no sound but just hovered and we were

870

00:33:43,909 --> 00:33:42,720

just staring at it we were in shock we

871

00:33:44,789 --> 00:33:43,919

thought

872

00:33:46,549 --> 00:33:44,799

again

873

00:33:48,870 --> 00:33:46,559

what is this

874

00:33:51,990 --> 00:33:48,880

and then it made these geometric

875

00:33:53,269 --> 00:33:52,000

movements and it went up down left right

876

00:33:55,909 --> 00:33:53,279

kind of in the

877

00:33:57,029 --> 00:33:55,919

i call it the sign of the cross

878

00:33:58,470 --> 00:33:57,039

and

879

00:34:01,190 --> 00:33:58,480

it seems like the number three keeps

880

00:34:02,310 --> 00:34:01,200

coming into into place because at that

881

00:34:05,110 --> 00:34:02,320

point

882

00:34:06,710 --> 00:34:05,120

after it did its movements it broke into

883

00:34:08,950 --> 00:34:06,720

three pieces

884

00:34:11,270 --> 00:34:08,960

it's like a kind of throb but then it

885

00:34:14,629 --> 00:34:11,280

burst into three pieces

886

00:34:15,990 --> 00:34:14,639

and did this low arm where it went down

887

00:34:18,310 --> 00:34:16,000

close to the runway so it's probably

888

00:34:19,510 --> 00:34:18,320

only about maybe 10 20 feet off the

889

00:34:20,389 --> 00:34:19,520

ground

890

00:34:21,990 --> 00:34:20,399

and

891

00:34:22,790 --> 00:34:22,000

these three pieces

892

00:34:25,669 --> 00:34:22,800

then

893

00:34:27,669 --> 00:34:25,679

into

894

00:34:28,869 --> 00:34:27,679

the night sky

895

00:34:30,230 --> 00:34:28,879

so

896

00:34:31,510 --> 00:34:30,240

kind of like we were waiting for it to

897

00:34:34,470 --> 00:34:31,520

come back

898

00:34:36,230 --> 00:34:34,480

thinking well you know

899

00:34:38,629 --> 00:34:36,240

when you see something like that and

900

00:34:40,230 --> 00:34:38,639

you're processing it

901
00:34:42,550 --> 00:34:40,240
sometimes it's like really hard to

902
00:34:44,310 --> 00:34:42,560
really process it because you think

903
00:34:46,710 --> 00:34:44,320
it's not going to end you kind of think

904
00:34:47,510 --> 00:34:46,720
it's going to come back or do something

905
00:34:49,510 --> 00:34:47,520
and

906
00:34:53,030 --> 00:34:49,520
it didn't come back

907
00:34:55,109 --> 00:34:53,040
so so we were sitting there thinking

908
00:34:57,430 --> 00:34:55,119
what should we do it was pretty much i

909
00:34:59,670 --> 00:34:57,440
handed the radio over to keith and i

910
00:35:02,870 --> 00:34:59,680
said look we got to report it because

911
00:35:05,750 --> 00:35:02,880
it flew over the base so this is where

912
00:35:08,310 --> 00:35:05,760
rfi and eastgate instant are very

913
00:35:10,470 --> 00:35:08,320

different because mine actually

914

00:35:12,390 --> 00:35:10,480

you know it went over the base

915

00:35:13,270 --> 00:35:12,400

very low it went on the base i should

916

00:35:15,030 --> 00:35:13,280

say

917

00:35:17,670 --> 00:35:15,040

and

918

00:35:20,950 --> 00:35:17,680

so if something happened on base because

919

00:35:23,349 --> 00:35:20,960

we did have um non-munition

920

00:35:24,790 --> 00:35:23,359

non-nuclear

921

00:35:27,109 --> 00:35:24,800

bombs there

922

00:35:31,829 --> 00:35:27,119

most of the other other bombs were the

923

00:35:32,950 --> 00:35:31,839

nuclear bombs were over that waters and

924

00:35:36,790 --> 00:35:32,960

so

925

00:35:38,870 --> 00:35:36,800

to lead the troll

926

00:35:41,109 --> 00:35:38,880

i'm thinking oh god so i got on the

927

00:35:43,190 --> 00:35:41,119

radio and i started reporting it to the

928

00:35:45,270 --> 00:35:43,200

death sergeant the law enforcement death

929

00:35:47,990 --> 00:35:45,280

sergeant so i was going through official

930

00:35:50,390 --> 00:35:48,000

channels with this i didn't just

931

00:35:52,950 --> 00:35:50,400

let it let it go

932

00:35:54,710 --> 00:35:52,960

and alan cohen was a death sergeant at

933

00:35:56,470 --> 00:35:54,720

the time and

934

00:35:59,109 --> 00:35:56,480

he said

935

00:36:00,950 --> 00:35:59,119

pretty much said come again like

936

00:36:03,190 --> 00:36:00,960

what what are you talking about then he

937

00:36:04,630 --> 00:36:03,200

said he said wake up

938

00:36:09,190 --> 00:36:04,640

get on

939

00:36:10,870 --> 00:36:09,200

by escape so i went

940

00:36:13,430 --> 00:36:10,880

got out of the vehicle went into the

941

00:36:16,230 --> 00:36:13,440

gate check and got onto the land line

942

00:36:18,950 --> 00:36:16,240

and he told me to go he said well what i

943

00:36:20,870 --> 00:36:18,960

want you to do is go to the air tower

944

00:36:22,630 --> 00:36:20,880

and see what they found

945

00:36:24,390 --> 00:36:22,640

and i thought well that's good

946

00:36:26,870 --> 00:36:24,400

that's good information

947

00:36:29,270 --> 00:36:26,880

so at that point i got back to the truck

948

00:36:32,310 --> 00:36:29,280

and we went down to the air tower and we

949

00:36:35,030 --> 00:36:32,320

climbed up to the outside the uh the way

950

00:36:37,910 --> 00:36:35,040

the air tower was set up this

951
00:36:41,109 --> 00:36:37,920
stairway was on the outside metal stairs

952
00:36:43,589 --> 00:36:41,119
so we climbed up these stairs and uh

953
00:36:45,750 --> 00:36:43,599
was knocking on the door and the door

954
00:36:47,430 --> 00:36:45,760
was it was a really heavy door so when

955
00:36:49,270 --> 00:36:47,440
you knocked you didn't think you were

956
00:36:51,109 --> 00:36:49,280
making any kind of an echo so then i

957
00:36:52,829 --> 00:36:51,119
just thought i started kicking the door

958
00:36:54,470 --> 00:36:52,839
to make some

959
00:36:57,670 --> 00:36:54,480
noise

960
00:37:01,109 --> 00:36:57,680
finally this guy this airman answers the

961
00:37:03,030 --> 00:37:01,119
door and you could clearly see that he

962
00:37:04,550 --> 00:37:03,040
that we woke him up

963
00:37:05,510 --> 00:37:04,560

there was no doubt

964

00:37:07,750 --> 00:37:05,520

and

965

00:37:09,829 --> 00:37:07,760

he then said i told him what we had seen

966

00:37:11,030 --> 00:37:09,839

and i asked him did you see anything on

967

00:37:12,790 --> 00:37:11,040

your radar

968

00:37:15,030 --> 00:37:12,800

back then

969

00:37:17,030 --> 00:37:15,040

the the radar wasn't as

970

00:37:18,950 --> 00:37:17,040

high tech as it is now

971

00:37:21,829 --> 00:37:18,960

i don't know i really don't even know if

972

00:37:24,630 --> 00:37:21,839

they even had the ability to keep it

973

00:37:26,310 --> 00:37:24,640

recorded or keep anything reported so

974

00:37:28,230 --> 00:37:26,320

you could look

975

00:37:30,630 --> 00:37:28,240

you know look back

976

00:37:34,069 --> 00:37:30,640

and he said to me

977

00:37:36,470 --> 00:37:34,079

he said well i think what you saw was

978

00:37:38,710 --> 00:37:36,480

afterburners from an aircraft

979

00:37:40,390 --> 00:37:38,720

from the from one of the other the

980

00:37:42,390 --> 00:37:40,400

british bases

981

00:37:43,349 --> 00:37:42,400

and all i could think about was well you

982

00:37:45,829 --> 00:37:43,359

know

983

00:37:48,870 --> 00:37:45,839

when you see afterburners you

984

00:37:50,390 --> 00:37:48,880

have uh sonic booms i mean

985

00:37:51,829 --> 00:37:50,400

you just don't

986

00:37:54,470 --> 00:37:51,839

see that and i mean i've been at the

987

00:37:56,950 --> 00:37:54,480

base long enough to realize what

988

00:37:59,349 --> 00:37:56,960

you know what was what and

989

00:38:00,870 --> 00:37:59,359

the aircraft would make mechanical

990

00:38:03,349 --> 00:38:00,880

sounds i mean

991

00:38:06,150 --> 00:38:03,359

you know he he did pretty much wanted i

992

00:38:08,069 --> 00:38:06,160

guess he wanted to go back to sleep

993

00:38:10,630 --> 00:38:08,079

did you hear sorry laurie did you hear

994

00:38:12,630 --> 00:38:10,640

any noise at all when you had the

995

00:38:14,630 --> 00:38:12,640

sighting was there any

996

00:38:16,470 --> 00:38:14,640

even feeling you know sometimes you hear

997

00:38:18,550 --> 00:38:16,480

about the kind of gravitational lensing

998

00:38:20,790 --> 00:38:18,560

or gravitational waves or did you get

999

00:38:22,550 --> 00:38:20,800

any kind of pulsing through you or just

1000

00:38:26,310 --> 00:38:22,560

total silence

1001
00:38:29,510 --> 00:38:26,320
and

1002
00:38:31,510 --> 00:38:29,520
now i'm i'm walking i'm on this

1003
00:38:33,270 --> 00:38:31,520
platforming with walk up these stairs so

1004
00:38:35,030 --> 00:38:33,280
i'm heading back toward the stairs to go

1005
00:38:36,790 --> 00:38:35,040
to my trucks

1006
00:38:38,710 --> 00:38:36,800
and i'm looking out

1007
00:38:41,589 --> 00:38:38,720
at the north sea

1008
00:38:44,069 --> 00:38:41,599
thinking to myself

1009
00:38:46,230 --> 00:38:44,079
you know how can how can

1010
00:38:48,310 --> 00:38:46,240
someone like me by this point i felt

1011
00:38:50,390 --> 00:38:48,320
really beat up from the guys from the

1012
00:38:52,550 --> 00:38:50,400
way they were treating me over the time

1013
00:38:53,589 --> 00:38:52,560

the years i was there

1014

00:38:55,750 --> 00:38:53,599

so

1015

00:38:57,510 --> 00:38:55,760

i just felt like i knew

1016

00:39:00,870 --> 00:38:57,520

we would get around and be like oh

1017

00:39:02,630 --> 00:39:00,880

raphael seeing ufos not keith and lori

1018

00:39:04,150 --> 00:39:02,640

but it was lori

1019

00:39:06,310 --> 00:39:04,160

and

1020

00:39:07,589 --> 00:39:06,320

so i'm looking out at the north sea

1021

00:39:11,270 --> 00:39:07,599

and what i

1022

00:39:12,310 --> 00:39:11,280

didn't realize for a really long time

1023

00:39:14,550 --> 00:39:12,320

is that

1024

00:39:16,710 --> 00:39:14,560

the sky was actually

1025

00:39:18,870 --> 00:39:16,720

it was like daybreak

1026

00:39:21,349 --> 00:39:18,880

and now

1027

00:39:23,670 --> 00:39:21,359

what happened was the sighting happened

1028

00:39:25,670 --> 00:39:23,680

at zero 300 hours because that's where

1029

00:39:27,750 --> 00:39:25,680

we were with the check sheet

1030

00:39:30,550 --> 00:39:27,760

so we lost

1031

00:39:32,470 --> 00:39:30,560

i would say about two hours or more

1032

00:39:34,230 --> 00:39:32,480

of time you know it's like one of those

1033

00:39:36,310 --> 00:39:34,240

things where people say you know time

1034

00:39:38,230 --> 00:39:36,320

flies that kind of thing

1035

00:39:41,270 --> 00:39:38,240

yeah but something happened because we

1036

00:39:43,670 --> 00:39:41,280

lost two hours of time that there's no

1037

00:39:45,829 --> 00:39:43,680

way it should have been you know the sky

1038

00:39:47,510 --> 00:39:45,839

should be breaking open to

1039

00:39:50,150 --> 00:39:47,520

daylight

1040

00:39:51,829 --> 00:39:50,160

and so we just kind of but it was so

1041

00:39:53,270 --> 00:39:51,839

subtle

1042

00:39:55,349 --> 00:39:53,280

that

1043

00:39:57,510 --> 00:39:55,359

you know we just kind of

1044

00:40:00,390 --> 00:39:57,520

went on with what we were doing

1045

00:40:02,310 --> 00:40:00,400

and so there is a possibility that

1046

00:40:04,310 --> 00:40:02,320

something happened within the two hours

1047

00:40:06,630 --> 00:40:04,320

and i don't know

1048

00:40:07,589 --> 00:40:06,640

have you ever explored anything like

1049

00:40:09,750 --> 00:40:07,599

because obviously you're talking about

1050

00:40:11,349 --> 00:40:09,760

missing time and potential i mean the

1051
00:40:14,230 --> 00:40:11,359
word people will be thinking of as some

1052
00:40:16,470 --> 00:40:14,240
sort of abduction experience potentially

1053
00:40:18,310 --> 00:40:16,480
but many people don't remember what may

1054
00:40:20,470 --> 00:40:18,320
or may not have happened in that time

1055
00:40:21,190 --> 00:40:20,480
have you ever tried hypnotic regression

1056
00:40:24,230 --> 00:40:21,200
to

1057
00:40:25,670 --> 00:40:24,240
missing time or any more about the

1058
00:40:27,430 --> 00:40:25,680
experience

1059
00:40:30,150 --> 00:40:27,440
yeah i i have actually talked to some

1060
00:40:31,589 --> 00:40:30,160
people about it but you know so

1061
00:40:34,069 --> 00:40:31,599
some people say well

1062
00:40:36,150 --> 00:40:34,079
you know give me 200 and i'll show you

1063
00:40:38,870 --> 00:40:36,160

you know we wouldn't do it so i kind of

1064

00:40:41,430 --> 00:40:38,880

figure that's something that if somebody

1065

00:40:43,109 --> 00:40:41,440

knows somebody reputable and they want

1066

00:40:44,390 --> 00:40:43,119

me to do it

1067

00:40:46,710 --> 00:40:44,400

you know um

1068

00:40:48,230 --> 00:40:46,720

i'm open to the idea but

1069

00:40:52,790 --> 00:40:48,240

not not to

1070

00:40:54,150 --> 00:40:52,800

my own pockets yeah and listen i'd be

1071

00:40:56,069 --> 00:40:54,160

happy for any listeners and there's

1072

00:40:58,390 --> 00:40:56,079

people i mean much of the audience for

1073

00:41:00,069 --> 00:40:58,400

this podcast is based out in the states

1074

00:41:01,430 --> 00:41:00,079

and where you are as well and if there

1075

00:41:03,589 --> 00:41:01,440

was anyone who wanted to get in touch

1076

00:41:05,109 --> 00:41:03,599

with laurie you can do that online or

1077

00:41:07,349 --> 00:41:05,119

you can you can get in touch with myself

1078

00:41:10,150 --> 00:41:07,359

and i'll do that if you know someone

1079

00:41:12,950 --> 00:41:10,160

reputable credible who wanted to assist

1080

00:41:15,109 --> 00:41:12,960

in in that sort of um field to kind of

1081

00:41:17,270 --> 00:41:15,119

help laurie potentially

1082

00:41:18,470 --> 00:41:17,280

uh recount recount the experience so

1083

00:41:21,030 --> 00:41:18,480

yeah that would be great if someone

1084

00:41:23,430 --> 00:41:21,040

could get in touch um but of course what

1085

00:41:25,349 --> 00:41:23,440

about keith himself did he speak about

1086

00:41:27,910 --> 00:41:25,359

it much at the time what was the

1087

00:41:31,750 --> 00:41:27,920

conversation you had between you

1088

00:41:34,790 --> 00:41:31,760

oh um with with keith and i yeah

1089

00:41:36,309 --> 00:41:34,800

we we were just pretty much uh

1090

00:41:38,230 --> 00:41:36,319

we didn't know really what to say

1091

00:41:41,349 --> 00:41:38,240

because because we did everything we

1092

00:41:43,910 --> 00:41:41,359

could we felt like we we hit a dead end

1093

00:41:46,550 --> 00:41:43,920

when by going to the

1094

00:41:48,470 --> 00:41:46,560

uh you know going to the air tower so

1095

00:41:49,910 --> 00:41:48,480

you know there was nothing we could

1096

00:41:52,630 --> 00:41:49,920

really do i mean

1097

00:41:54,150 --> 00:41:52,640

it didn't leave any artifacts behind or

1098

00:41:56,790 --> 00:41:54,160

didn't you know there was nothing that

1099

00:41:58,470 --> 00:41:56,800

we could use to investigate it

1100

00:42:00,390 --> 00:41:58,480

um but i just felt like my

1101
00:42:02,630 --> 00:42:00,400
responsibility was

1102
00:42:05,030 --> 00:42:02,640
to report it due to if there was

1103
00:42:07,190 --> 00:42:05,040
anything that if anything had happened

1104
00:42:09,430 --> 00:42:07,200
on the base or

1105
00:42:11,910 --> 00:42:09,440
um you know that i

1106
00:42:13,990 --> 00:42:11,920
at least covered my butt and keith's

1107
00:42:16,230 --> 00:42:14,000
butt so we you know

1108
00:42:18,870 --> 00:42:16,240
we could at least say we did what we did

1109
00:42:21,109 --> 00:42:18,880
and it turns out many years later the

1110
00:42:24,470 --> 00:42:21,119
uh doc rhodes who

1111
00:42:27,910 --> 00:42:24,480
who was one of my colleagues also

1112
00:42:30,069 --> 00:42:27,920
he was at the main gate and he saw he

1113
00:42:32,069 --> 00:42:30,079

actually saw the white light because

1114

00:42:33,109 --> 00:42:32,079

in the same because based on where he

1115

00:42:34,069 --> 00:42:33,119

was

1116

00:42:36,790 --> 00:42:34,079

standing

1117

00:42:38,790 --> 00:42:36,800

he could actually look out and

1118

00:42:40,309 --> 00:42:38,800

toward the north sea and he could see it

1119

00:42:42,790 --> 00:42:40,319

too

1120

00:42:44,630 --> 00:42:42,800

now one of the worst kept secrets about

1121

00:42:46,309 --> 00:42:44,640

the base is the fact that there seems to

1122

00:42:48,390 --> 00:42:46,319

have been nuclear

1123

00:42:49,910 --> 00:42:48,400

missiles or nuclear material

1124

00:42:51,589 --> 00:42:49,920

kept on the base

1125

00:42:54,309 --> 00:42:51,599

what was the talk

1126
00:42:56,550 --> 00:42:54,319
around the time of incidents like yours

1127
00:42:58,550 --> 00:42:56,560
incidents like the renders from forest

1128
00:43:00,870 --> 00:42:58,560
incident that happened in december

1129
00:43:02,950 --> 00:43:00,880
and these paranormal experiences have

1130
00:43:04,390 --> 00:43:02,960
any anything to do with what was being

1131
00:43:05,270 --> 00:43:04,400
kept on base

1132
00:43:06,790 --> 00:43:05,280
well

1133
00:43:10,470 --> 00:43:06,800
one of the other

1134
00:43:14,150 --> 00:43:10,480
paranormal incidences that i had was

1135
00:43:17,349 --> 00:43:14,160
when i was actually working in the uh

1136
00:43:19,190 --> 00:43:17,359
we called it the nmsa which was

1137
00:43:22,390 --> 00:43:19,200
over on woodbridge

1138
00:43:24,150 --> 00:43:22,400

which really wasn't that far from

1139

00:43:27,430 --> 00:43:24,160

from escape

1140

00:43:28,390 --> 00:43:27,440

one night i was was there

1141

00:43:30,950 --> 00:43:28,400

and

1142

00:43:33,750 --> 00:43:30,960

it was a really cold rainy night

1143

00:43:34,630 --> 00:43:33,760

which is typical of england and

1144

00:43:37,990 --> 00:43:34,640

i

1145

00:43:40,390 --> 00:43:38,000

check sheet

1146

00:43:42,710 --> 00:43:40,400

and decided i was going to walk around

1147

00:43:45,030 --> 00:43:42,720

um check the buildings because we had to

1148

00:43:47,589 --> 00:43:45,040

do it like every other every two hours

1149

00:43:48,870 --> 00:43:47,599

or every hour or something like that

1150

00:43:50,630 --> 00:43:48,880

and

1151
00:43:53,270 --> 00:43:50,640
i um

1152
00:43:55,589 --> 00:43:53,280
it was the midnight shift so

1153
00:43:58,950 --> 00:43:55,599
it was really dark there

1154
00:43:59,910 --> 00:43:58,960
and i'm walking toward the bunkers

1155
00:44:02,230 --> 00:43:59,920
and

1156
00:44:04,550 --> 00:44:02,240
at that time i got this slash that this

1157
00:44:05,750 --> 00:44:04,560
was before the ufo sighting

1158
00:44:09,750 --> 00:44:05,760
so

1159
00:44:14,470 --> 00:44:09,760
was a

1160
00:44:17,750 --> 00:44:14,480
it was like eight foot mantid that

1161
00:44:19,510 --> 00:44:17,760
was very muscular and he was pacing at

1162
00:44:23,349 --> 00:44:19,520
the back of the

1163
00:44:25,270 --> 00:44:23,359

back of the defense line and he uh

1164

00:44:27,589 --> 00:44:25,280

pretty much the only thing i heard and

1165

00:44:29,270 --> 00:44:27,599

said was don't go

1166

00:44:31,190 --> 00:44:29,280

and i figured he meant

1167

00:44:33,349 --> 00:44:31,200

don't go in that direction because you

1168

00:44:36,390 --> 00:44:33,359

know you're going to see

1169

00:44:39,349 --> 00:44:36,400

a mantid pacing back and forth

1170

00:44:41,750 --> 00:44:39,359

so i went back to my gate check and

1171

00:44:43,829 --> 00:44:41,760

because it's just the thought of having

1172

00:44:47,589 --> 00:44:43,839

to bump into a

1173

00:44:48,309 --> 00:44:47,599

a praying mantis giant just

1174

00:44:50,870 --> 00:44:48,319

no

1175

00:44:52,150 --> 00:44:50,880

that that one was too much to fathom i

1176

00:44:53,750 --> 00:44:52,160

mean i i

1177

00:44:55,589 --> 00:44:53,760

that was just something that i buried

1178

00:44:56,950 --> 00:44:55,599

for a really really really long time

1179

00:44:58,710 --> 00:44:56,960

because i

1180

00:45:00,230 --> 00:44:58,720

didn't understand it

1181

00:45:02,390 --> 00:45:00,240

i just

1182

00:45:05,589 --> 00:45:02,400

you know times like that especially with

1183

00:45:07,510 --> 00:45:05,599

this intuition thing i sometimes

1184

00:45:09,829 --> 00:45:07,520

a lot of times i wish i didn't have it

1185

00:45:11,589 --> 00:45:09,839

you know i'd rather sometimes ignorance

1186

00:45:12,390 --> 00:45:11,599

is bliss

1187

00:45:13,190 --> 00:45:12,400

so

1188

00:45:17,270 --> 00:45:13,200

i

1189

00:45:19,589 --> 00:45:17,280

that

1190

00:45:21,670 --> 00:45:19,599

at one point maybe about two years

1191

00:45:24,790 --> 00:45:21,680

earlier they were actually renovating

1192

00:45:27,190 --> 00:45:24,800

the nmsa when it was

1193

00:45:29,510 --> 00:45:27,200

part of the weapons storage area

1194

00:45:31,589 --> 00:45:29,520

at woodbridge and then someone made a

1195

00:45:33,829 --> 00:45:31,599

decision so they did all this work but

1196

00:45:35,829 --> 00:45:33,839

it wasn't above ground because above

1197

00:45:37,910 --> 00:45:35,839

ground it was just mountains

1198

00:45:39,910 --> 00:45:37,920

with uh doors on it

1199

00:45:42,230 --> 00:45:39,920

in this case it was

1200

00:45:43,670 --> 00:45:42,240

it had to have been inside the bunkers

1201
00:45:45,670 --> 00:45:43,680
or

1202
00:45:47,910 --> 00:45:45,680
somewhere but not

1203
00:45:49,270 --> 00:45:47,920
ground level up

1204
00:45:50,390 --> 00:45:49,280
and

1205
00:45:52,309 --> 00:45:50,400
so

1206
00:45:54,870 --> 00:45:52,319
they had moved the

1207
00:45:57,430 --> 00:45:54,880
nuclear bombs after they renovated it

1208
00:45:59,270 --> 00:45:57,440
for the nuclear bombs they decided to

1209
00:46:00,950 --> 00:45:59,280
move them over to

1210
00:46:02,950 --> 00:46:00,960
them waters

1211
00:46:04,870 --> 00:46:02,960
so that meant that and the main reason

1212
00:46:07,510 --> 00:46:04,880
they did that was because they the

1213
00:46:09,910 --> 00:46:07,520

fighter aircraft the f-4s were leaving

1214

00:46:13,349 --> 00:46:09,920

that waters and we were starting to

1215

00:46:15,670 --> 00:46:13,359

get the a-10s different kind of aircraft

1216

00:46:17,109 --> 00:46:15,680

and

1217

00:46:18,950 --> 00:46:17,119

so

1218

00:46:22,390 --> 00:46:18,960

that was kind of a question that a lot

1219

00:46:24,950 --> 00:46:22,400

of people had is why did they renovate

1220

00:46:26,150 --> 00:46:24,960

the uh why did they put all this money

1221

00:46:28,550 --> 00:46:26,160

into this

1222

00:46:30,230 --> 00:46:28,560

non-munition non-nuclear

1223

00:46:31,349 --> 00:46:30,240

storage area

1224

00:46:36,710 --> 00:46:31,359

and

1225

00:46:39,109 --> 00:46:36,720

with this mantid i'm thinking that there

1226
00:46:40,390 --> 00:46:39,119
was something more there in that

1227
00:46:43,750 --> 00:46:40,400
location

1228
00:46:45,990 --> 00:46:43,760
and uh but i i just you know you know

1229
00:46:49,990 --> 00:46:46,000
for for years and years and years i mean

1230
00:46:51,589 --> 00:46:50,000
i i didn't know that much about ufology

1231
00:46:54,390 --> 00:46:51,599
now now people will tell me oh yeah

1232
00:46:57,109 --> 00:46:54,400
mantis that's this is not the hierarchy

1233
00:46:59,109 --> 00:46:57,119
of this and you know the razor down here

1234
00:47:01,190 --> 00:46:59,119
and these are up here i'm thinking

1235
00:47:03,510 --> 00:47:01,200
you know i didn't know i mean i guess

1236
00:47:04,790 --> 00:47:03,520
maybe a part of me didn't want to go

1237
00:47:07,109 --> 00:47:04,800
and

1238
00:47:09,030 --> 00:47:07,119

you know but again talking when i was

1239

00:47:10,870 --> 00:47:09,040

talking with linda moulton house she

1240

00:47:11,829 --> 00:47:10,880

told me that there were mansions there

1241

00:47:13,510 --> 00:47:11,839

too

1242

00:47:16,069 --> 00:47:13,520

so

1243

00:47:17,349 --> 00:47:16,079

those two kind of corroborated that and

1244

00:47:19,430 --> 00:47:17,359

you know and sometimes it feels really

1245

00:47:21,109 --> 00:47:19,440

good when people corroborate what i feel

1246

00:47:23,750 --> 00:47:21,119

when i see or what i

1247

00:47:26,309 --> 00:47:23,760

know because you know

1248

00:47:27,910 --> 00:47:26,319

because it's in the intuition part you

1249

00:47:31,990 --> 00:47:27,920

don't have

1250

00:47:34,230 --> 00:47:32,000

i've got a few questions i want to ask

1251

00:47:36,630 --> 00:47:34,240

you i'm going to follow up on that

1252

00:47:39,190 --> 00:47:36,640

potential underground aspect to the base

1253

00:47:40,790 --> 00:47:39,200

and the listener questions portion and

1254

00:47:42,309 --> 00:47:40,800

one or two things just before we get to

1255

00:47:44,630 --> 00:47:42,319

those listener questions so lori because

1256

00:47:47,109 --> 00:47:44,640

you've been great with your time so far

1257

00:47:49,030 --> 00:47:47,119

what do you want to accomplish sharing

1258

00:47:50,790 --> 00:47:49,040

your story because you're not someone

1259

00:47:54,150 --> 00:47:50,800

than someone that's gone out there

1260

00:47:56,710 --> 00:47:54,160

looking to sell lots of books or get tv

1261

00:47:59,589 --> 00:47:56,720

shows made about you or appeared on you

1262

00:48:01,349 --> 00:47:59,599

know countless documentaries you've just

1263

00:48:03,270 --> 00:48:01,359

told your story what do you want to

1264

00:48:06,870 --> 00:48:03,280

accomplish sharing that story now what

1265

00:48:08,950 --> 00:48:06,880

40 years after the events yeah

1266

00:48:10,630 --> 00:48:08,960

well i've been actually

1267

00:48:13,829 --> 00:48:10,640

sharing my stories since actually about

1268

00:48:16,550 --> 00:48:13,839

1995 96 when the story first came out

1269

00:48:18,390 --> 00:48:16,560

and i was part of the disclosure project

1270

00:48:20,630 --> 00:48:18,400

in 2000 with

1271

00:48:22,309 --> 00:48:20,640

uh stephen greer he was the first one

1272

00:48:24,309 --> 00:48:22,319

that invited me

1273

00:48:29,030 --> 00:48:24,319

and the

1274

00:48:31,510 --> 00:48:29,040

the main reason is um for a sense of

1275

00:48:33,349 --> 00:48:31,520

feeling not alone because other people

1276

00:48:35,829 --> 00:48:33,359

have gone through something like this

1277

00:48:37,510 --> 00:48:35,839

and so for me it's very cathartic to

1278

00:48:40,549 --> 00:48:37,520

talk about it

1279

00:48:42,790 --> 00:48:40,559

um the other reason is the more i talk

1280

00:48:45,750 --> 00:48:42,800

about it the more i learn from others

1281

00:48:47,190 --> 00:48:45,760

out there who can who can share with me

1282

00:48:49,829 --> 00:48:47,200

because because

1283

00:48:51,670 --> 00:48:49,839

like many people i'm on that quest to

1284

00:48:52,950 --> 00:48:51,680

learn the meaning of life but to

1285

00:48:53,829 --> 00:48:52,960

understand

1286

00:48:56,549 --> 00:48:53,839

the

1287

00:48:58,309 --> 00:48:56,559

sensitivity of

1288

00:49:00,630 --> 00:48:58,319

intuition and

1289

00:49:02,549 --> 00:49:00,640

how consciousness works and

1290

00:49:04,230 --> 00:49:02,559

you could say i'm a very curious person

1291

00:49:05,750 --> 00:49:04,240

and i'm interested in a lot of different

1292

00:49:09,030 --> 00:49:05,760

things and

1293

00:49:11,910 --> 00:49:09,040

and i i truly believe that

1294

00:49:13,990 --> 00:49:11,920

um no i i don't expect to get paid money

1295

00:49:15,430 --> 00:49:14,000

and i'm not in it for i'm really not in

1296

00:49:16,870 --> 00:49:15,440

it for the money

1297

00:49:19,030 --> 00:49:16,880

because

1298

00:49:20,950 --> 00:49:19,040

i'm fine i'm fine in that area so i'm

1299

00:49:23,430 --> 00:49:20,960

not you know it's not like i'm hungry or

1300

00:49:26,069 --> 00:49:23,440

i need to

1301
00:49:28,309 --> 00:49:26,079
but i do believe that it's important

1302
00:49:31,270 --> 00:49:28,319
because i'm a woman

1303
00:49:34,230 --> 00:49:31,280
and i was a young woman at the time

1304
00:49:36,390 --> 00:49:34,240
it's kind of like i'm i'm defending that

1305
00:49:38,710 --> 00:49:36,400
young person who's probably lori rafael

1306
00:49:41,190 --> 00:49:38,720
that's probably still there

1307
00:49:44,470 --> 00:49:41,200
fighting fighting this you know what

1308
00:49:46,309 --> 00:49:44,480
what's without in that atmosphere there

1309
00:49:47,990 --> 00:49:46,319
how do you feel laurie when you see

1310
00:49:50,470 --> 00:49:48,000
other members of the military coming

1311
00:49:53,670 --> 00:49:50,480
forward now and speaking about ufos and

1312
00:49:55,510 --> 00:49:53,680
new aps and particularly that the female

1313
00:49:57,990 --> 00:49:55,520

members of the military that are that

1314

00:50:00,710 --> 00:49:58,000

are coming forward now

1315

00:50:02,150 --> 00:50:00,720

i i actually find

1316

00:50:03,990 --> 00:50:02,160

that what they're going through i can

1317

00:50:06,069 --> 00:50:04,000

tell that there's still that discomfort

1318

00:50:08,390 --> 00:50:06,079

to talk about it because

1319

00:50:10,790 --> 00:50:08,400

again it's not tangible even for for

1320

00:50:12,630 --> 00:50:10,800

those the pilots that have seen it i

1321

00:50:15,270 --> 00:50:12,640

mean they could say they've seen it they

1322

00:50:18,069 --> 00:50:15,280

could have it on on radar or recorded

1323

00:50:20,309 --> 00:50:18,079

but the reality is is that they still

1324

00:50:21,190 --> 00:50:20,319

don't know exactly what it is

1325

00:50:59,990 --> 00:50:21,200

i

1326
00:51:01,670 --> 00:51:00,000
the

1327
00:51:03,589 --> 00:51:01,680
those who are

1328
00:51:09,670 --> 00:51:03,599
i would say

1329
00:51:11,510 --> 00:51:09,680
the ufo the aliens or whatnot it's

1330
00:51:12,630 --> 00:51:11,520
they're not gonna they're not gonna come

1331
00:51:14,870 --> 00:51:12,640
out

1332
00:51:17,349 --> 00:51:14,880
and say we're here this is what we're

1333
00:51:18,950 --> 00:51:17,359
doing blah blah blah

1334
00:51:20,790 --> 00:51:18,960
you know keep in mind when you look at

1335
00:51:22,470 --> 00:51:20,800
the world and the way we treat other

1336
00:51:23,670 --> 00:51:22,480
human beings how do you think we're

1337
00:51:25,349 --> 00:51:23,680
going to treat

1338
00:51:28,309 --> 00:51:25,359

a living being that

1339

00:51:29,670 --> 00:51:28,319

is from another world our first reaction

1340

00:51:30,950 --> 00:51:29,680

is to kill

1341

00:51:33,829 --> 00:51:30,960

fear

1342

00:51:38,790 --> 00:51:33,839

and

1343

00:51:41,030 --> 00:51:38,800

benevolent reasons they're probably the

1344

00:51:43,990 --> 00:51:41,040

reason they're near nuclear

1345

00:51:45,990 --> 00:51:44,000

bombs or places like that is because of

1346

00:51:47,109 --> 00:51:46,000

their fear of what we could do to this

1347

00:51:51,109 --> 00:51:47,119

earth

1348

00:51:53,829 --> 00:51:51,119

resources that

1349

00:51:56,069 --> 00:51:53,839

other planets can use

1350

00:51:58,230 --> 00:51:56,079

and

1351

00:52:00,630 --> 00:51:58,240

often that's that's the key to it is

1352

00:52:01,990 --> 00:52:00,640

that until we get to the point where we

1353

00:52:04,870 --> 00:52:02,000

can be

1354

00:52:07,589 --> 00:52:04,880

loving and kind and generous

1355

00:52:09,670 --> 00:52:07,599

will we ever really

1356

00:52:11,990 --> 00:52:09,680

get to meet these

1357

00:52:14,790 --> 00:52:12,000

these aliens i mean even the aliens

1358

00:52:16,710 --> 00:52:14,800

coming across mexico we make

1359

00:52:19,349 --> 00:52:16,720

these human beings come across all we

1360

00:52:22,470 --> 00:52:19,359

want to do is put them in jail or

1361

00:52:24,630 --> 00:52:22,480

put them back in a bad situation

1362

00:52:28,630 --> 00:52:24,640

so i really think that's probably some

1363

00:52:33,670 --> 00:52:30,710

we won't ever really see we're not

1364

00:52:35,829 --> 00:52:33,680

seeing these people these ufos and i

1365

00:52:38,549 --> 00:52:35,839

mean if you look back at roswell or

1366

00:52:39,349 --> 00:52:38,559

those photos of people with with these

1367

00:52:41,430 --> 00:52:39,359

dead

1368

00:52:42,790 --> 00:52:41,440

aliens you know they're dissecting them

1369

00:52:43,910 --> 00:52:42,800

they're seeing

1370

00:52:45,510 --> 00:52:43,920

you know

1371

00:52:48,090 --> 00:52:45,520

well they're dead so let's look at

1372

00:52:50,069 --> 00:52:48,100

what's inside their their bodies

1373

00:52:51,510 --> 00:52:50,079

[Music]

1374

00:52:52,390 --> 00:52:51,520

you know we don't even treat animals

1375

00:52:56,870 --> 00:52:52,400

right

1376

00:52:58,390 --> 00:52:56,880

so until until we get our act together

1377

00:53:00,950 --> 00:52:58,400

i think it's a

1378

00:53:02,390 --> 00:53:00,960

it's a long road yeah i can't i can't

1379

00:53:05,430 --> 00:53:02,400

disagree with that especially where

1380

00:53:07,030 --> 00:53:05,440

we're at in 2021 at the moment with uh

1381

00:53:08,390 --> 00:53:07,040

things that are going on in afghanistan

1382

00:53:09,190 --> 00:53:08,400

and other countries around the world

1383

00:53:10,710 --> 00:53:09,200

it's

1384

00:53:12,829 --> 00:53:10,720

for people to think that tomorrow

1385

00:53:15,510 --> 00:53:12,839

there's going to be some form of global

1386

00:53:17,270 --> 00:53:15,520

enlightenment seems a long long way away

1387

00:53:19,349 --> 00:53:17,280

given given where we're at as a species

1388

00:53:20,790 --> 00:53:19,359

ourselves lori i want to ask you one

1389

00:53:22,790 --> 00:53:20,800

more question just before we get to

1390

00:53:25,670 --> 00:53:22,800

listener questions

1391

00:53:28,790 --> 00:53:25,680

would you have believed your story back

1392

00:53:31,589 --> 00:53:28,800

then and and now if someone if a young

1393

00:53:33,910 --> 00:53:31,599

laurie rayfeld had told you

1394

00:53:35,829 --> 00:53:33,920

about the sighting and missing time how

1395

00:53:37,589 --> 00:53:35,839

would you have reacted then and now to

1396

00:53:38,950 --> 00:53:37,599

that story

1397

00:53:41,430 --> 00:53:38,960

well

1398

00:53:44,309 --> 00:53:41,440

i put it this way is

1399

00:53:46,870 --> 00:53:44,319

i realized when i was there

1400

00:53:48,870 --> 00:53:46,880

if jesus christ had come up to me and

1401
00:53:51,430 --> 00:53:48,880
told me the meaning of life and what to

1402
00:53:54,710 --> 00:53:51,440
do and whatnot i would have to say i'm

1403
00:53:56,470 --> 00:53:54,720
sorry i love you however you got to go

1404
00:53:57,910 --> 00:53:56,480
to the public affairs office because no

1405
00:53:59,750 --> 00:53:57,920
one's gonna believe me

1406
00:54:02,309 --> 00:53:59,760
i have no credibility

1407
00:54:03,270 --> 00:54:02,319
uh most airmen have no credibility what

1408
00:54:08,150 --> 00:54:03,280
gave

1409
00:54:10,470 --> 00:54:08,160
colonel halt

1410
00:54:12,309 --> 00:54:10,480
and you know i mean you got you got a

1411
00:54:13,349 --> 00:54:12,319
deputy-based commander there who's like

1412
00:54:15,750 --> 00:54:13,359
the second

1413
00:54:18,470 --> 00:54:15,760

second or third person in the hierarchy

1414

00:54:21,109 --> 00:54:18,480

of everyone on these two bases

1415

00:54:24,470 --> 00:54:21,119

yeah he's got he's got the hierarchy so

1416

00:54:27,109 --> 00:54:24,480

i just felt that

1417

00:54:29,670 --> 00:54:27,119

yeah i mean i i knew that i had no i

1418

00:54:31,750 --> 00:54:29,680

didn't have credibility

1419

00:54:34,710 --> 00:54:31,760

thanks laurie let's get that into that

1420

00:54:36,549 --> 00:54:34,720

question yeah yeah and i suppose i was

1421

00:54:38,950 --> 00:54:36,559

asking as well what about now if you

1422

00:54:41,589 --> 00:54:38,960

hadn't had those experiences how do you

1423

00:54:43,910 --> 00:54:41,599

think you may have reacted to

1424

00:54:47,190 --> 00:54:43,920

to again hearing about those types of

1425

00:54:49,510 --> 00:54:47,200

events and ufos and you know a bright

1426
00:54:51,670 --> 00:54:49,520
light breaking up into three pcs

1427
00:54:52,470 --> 00:54:51,680
coming down

1428
00:55:19,670 --> 00:54:52,480
i

1429
00:55:22,150 --> 00:55:19,680
at me or you know others out there that

1430
00:55:24,710 --> 00:55:22,160
have had the courage to come forward

1431
00:55:26,950 --> 00:55:24,720
you know i would say uh

1432
00:55:28,710 --> 00:55:26,960
you know treat them with respect

1433
00:55:30,549 --> 00:55:28,720
and listen to what they have to share

1434
00:55:32,309 --> 00:55:30,559
because you know

1435
00:55:35,030 --> 00:55:32,319
they are seeing something totally

1436
00:55:37,030 --> 00:55:35,040
unusual that most people

1437
00:55:40,150 --> 00:55:37,040
don't see

1438
00:55:41,750 --> 00:55:40,160

and i i just think that

1439

00:55:43,270 --> 00:55:41,760

i would have believed me i would have

1440

00:55:44,230 --> 00:55:43,280

believed me especially because it was

1441

00:55:46,230 --> 00:55:44,240

just so

1442

00:55:48,309 --> 00:55:46,240

painful to have to

1443

00:55:51,030 --> 00:55:48,319

share it with it because i really did

1444

00:55:52,789 --> 00:55:51,040

not i didn't want to share it and i i

1445

00:55:55,670 --> 00:55:52,799

would tell people that

1446

00:55:58,309 --> 00:55:55,680

if i was there during rfi chances are i

1447

00:56:00,789 --> 00:55:58,319

would have said we should be off base

1448

00:56:03,030 --> 00:56:00,799

you know we need to call the

1449

00:56:05,670 --> 00:56:03,040

the constables we need to call them and

1450

00:56:07,990 --> 00:56:05,680

have them have the off duty have the

1451

00:56:10,150 --> 00:56:08,000

the police for that area go check out

1452

00:56:12,230 --> 00:56:10,160

the sighting i you know because that was

1453

00:56:13,349 --> 00:56:12,240

out of our jurisdiction

1454

00:56:15,670 --> 00:56:13,359

and

1455

00:56:18,470 --> 00:56:15,680

um yeah so

1456

00:56:20,309 --> 00:56:18,480

so i yeah if it's someone like me or

1457

00:56:22,069 --> 00:56:20,319

someone you know the same thing comes

1458

00:56:24,150 --> 00:56:22,079

across and straight forward

1459

00:56:26,309 --> 00:56:24,160

you can kind of tell that

1460

00:56:29,030 --> 00:56:26,319

they're not excited or happy or eager to

1461

00:56:30,549 --> 00:56:29,040

share it and they're not you know

1462

00:56:33,109 --> 00:56:30,559

and they're not changing their story

1463

00:56:35,109 --> 00:56:33,119

around and then i would say

1464

00:56:37,270 --> 00:56:35,119

you know you i don't know maybe it's an

1465

00:56:38,789 --> 00:56:37,280

intuition thing

1466

00:56:41,190 --> 00:56:38,799

maybe

1467

00:56:43,270 --> 00:56:41,200

i would believe that lori i would

1468

00:56:45,430 --> 00:56:43,280

no that's i i don't blame you listen

1469

00:56:47,829 --> 00:56:45,440

let's get to some listener questions uh

1470

00:56:50,230 --> 00:56:47,839

mark follows a couple of facebook groups

1471

00:56:51,910 --> 00:56:50,240

that i think you post on as well and he

1472

00:56:54,549 --> 00:56:51,920

said that recently you have stated there

1473

00:56:56,309 --> 00:56:54,559

is still activity going on in rendezon

1474

00:56:58,789 --> 00:56:56,319

forest is that something you could

1475

00:56:59,589 --> 00:56:58,799

expand on that it's still happening

1476
00:57:00,390 --> 00:56:59,599
there

1477
00:57:04,230 --> 00:57:00,400
yeah

1478
00:57:07,510 --> 00:57:04,240
well i was talking with

1479
00:57:08,789 --> 00:57:07,520
one of the uh the director of cable

1480
00:57:10,870 --> 00:57:08,799
green

1481
00:57:13,349 --> 00:57:10,880
and he

1482
00:57:15,589 --> 00:57:13,359
um he had witnessed some orbs out that

1483
00:57:18,950 --> 00:57:15,599
way

1484
00:57:21,430 --> 00:57:18,960
right bright red orbs that really scared

1485
00:57:23,109 --> 00:57:21,440
the heck out of them

1486
00:57:25,270 --> 00:57:23,119
and

1487
00:57:27,990 --> 00:57:25,280
there's another gentleman

1488
00:57:29,190 --> 00:57:28,000

derek's uh savoy

1489

00:57:31,270 --> 00:57:29,200

who

1490

00:57:34,069 --> 00:57:31,280

these these guys are on my uh rental

1491

00:57:36,549 --> 00:57:34,079

show lone ranger ufo site on facebook

1492

00:57:37,670 --> 00:57:36,559

and i'm the lone ranger

1493

00:57:39,030 --> 00:57:37,680

okay

1494

00:57:43,349 --> 00:57:39,040

um

1495

00:57:45,270 --> 00:57:43,359

and he he is really uh derek

1496

00:57:46,470 --> 00:57:45,280

is is a quiet

1497

00:57:47,990 --> 00:57:46,480

kind of guy

1498

00:57:50,950 --> 00:57:48,000

very very uh

1499

00:57:53,510 --> 00:57:50,960

you know keeps himself but he's he's

1500

00:57:56,150 --> 00:57:53,520

right on the money when it comes to

1501

00:57:58,390 --> 00:57:56,160

he'll go out in in the forest they take

1502

00:57:59,829 --> 00:57:58,400

photos and they you know these photos

1503

00:58:02,549 --> 00:57:59,839

have all these different orbs and

1504

00:58:05,270 --> 00:58:02,559

different things going on and and he can

1505

00:58:12,870 --> 00:58:05,280

feel the atmosphere there

1506

00:58:17,910 --> 00:58:15,510

and i could still feel it and that's why

1507

00:58:20,309 --> 00:58:17,920

it's not something new that's there it's

1508

00:58:22,230 --> 00:58:20,319

something that's been there and it has

1509

00:58:23,910 --> 00:58:22,240

probably something to do with the uh the

1510

00:58:25,829 --> 00:58:23,920

lee lines it probably has something to

1511

00:58:26,549 --> 00:58:25,839

do with some of the experiments they had

1512

00:58:28,470 --> 00:58:26,559

done

1513

00:58:30,789 --> 00:58:28,480

in and around the area whether it was

1514

00:58:32,950 --> 00:58:30,799

out by boxie bay different places like

1515

00:58:34,069 --> 00:58:32,960

that i think that they played around

1516

00:58:36,630 --> 00:58:34,079

with

1517

00:58:39,270 --> 00:58:36,640

einstein's theory of relativity and i

1518

00:58:41,349 --> 00:58:39,280

really think they blew a hole in

1519

00:58:44,549 --> 00:58:41,359

the atmosphere and there's this negative

1520

00:58:46,069 --> 00:58:44,559

energy pouring out into this area here

1521

00:58:48,829 --> 00:58:46,079

over there

1522

00:58:51,430 --> 00:58:48,839

especially in and around render from

1523

00:58:53,589 --> 00:58:51,440

forests and um

1524

00:58:56,870 --> 00:58:53,599

yeah so

1525

00:58:58,630 --> 00:58:56,880

i think it's a fascinating place if you

1526
00:59:00,870 --> 00:58:58,640
you know if you don't mind going out

1527
00:59:03,030 --> 00:59:00,880
there in the middle of the night

1528
00:59:04,789 --> 00:59:03,040
you know just just to get a feel for

1529
00:59:05,750 --> 00:59:04,799
what it was like or

1530
00:59:07,349 --> 00:59:05,760
think of

1531
00:59:09,109 --> 00:59:07,359
at the time when i was there you could

1532
00:59:10,710 --> 00:59:09,119
hear the foghorn

1533
00:59:12,870 --> 00:59:10,720
out in the

1534
00:59:16,150 --> 00:59:12,880
north sea and you could see the fog

1535
00:59:18,950 --> 00:59:16,160
rolling in and i mean it's definitely

1536
00:59:20,549 --> 00:59:18,960
definitely a really really creepy place

1537
00:59:22,549 --> 00:59:20,559
yeah and i think you mentioned capitol

1538
00:59:25,270 --> 00:59:22,559

green which is a documentary that's been

1539

00:59:27,270 --> 00:59:25,280

in production now for for over a year uh

1540

00:59:29,910 --> 00:59:27,280

gary hasselton i believe would be the

1541

00:59:31,349 --> 00:59:29,920

director and i'm in touch with them and

1542

00:59:32,630 --> 00:59:31,359

hoping when the time was right i know

1543

00:59:36,069 --> 00:59:32,640

there's been some delays because i

1544

00:59:37,829 --> 00:59:36,079

covered and um extra uh cgi they were

1545

00:59:39,589 --> 00:59:37,839

adding in for some scenes were

1546

00:59:40,950 --> 00:59:39,599

recreating they want to get just right

1547

00:59:42,710 --> 00:59:40,960

so that's something that's uh we're

1548

00:59:44,309 --> 00:59:42,720

looking forward to coming out in the

1549

00:59:45,270 --> 00:59:44,319

hopefully the near future as well and

1550

00:59:47,670 --> 00:59:45,280

i'll be in touch with them for the

1551
00:59:49,670 --> 00:59:47,680
podcast too so yeah and there's also a

1552
00:59:51,910 --> 00:59:49,680
film coming out uh called randall chan

1553
00:59:55,030 --> 00:59:51,920
it's gonna be about it'll be from i

1554
00:59:59,190 --> 00:59:55,040
think uh colonel halp's point of view

1555
01:00:01,109 --> 00:59:59,200
uh it's it's gonna be a feature

1556
01:00:02,150 --> 01:00:01,119
film kind of like a hollywood kind of

1557
01:00:03,990 --> 01:00:02,160
thing

1558
01:00:06,069 --> 01:00:04,000
i'm not sure exactly when it's still in

1559
01:00:07,109 --> 01:00:06,079
development they have the screenplay and

1560
01:00:07,990 --> 01:00:07,119
whatnot

1561
01:00:10,390 --> 01:00:08,000
uh

1562
01:00:11,430 --> 01:00:10,400
but that's pretty that's pretty exciting

1563
01:00:13,270 --> 01:00:11,440

too

1564

01:00:15,190 --> 01:00:13,280

and they're actually

1565

01:00:17,349 --> 01:00:15,200

yeah

1566

01:00:18,870 --> 01:00:17,359

that's exciting too i would say with

1567

01:00:21,589 --> 01:00:18,880

cable green

1568

01:00:23,990 --> 01:00:21,599

i think that there's a lot of hearts

1569

01:00:26,309 --> 01:00:24,000

in it there's a lot of a lot of really

1570

01:00:29,750 --> 01:00:26,319

good people a lot of people came forward

1571

01:00:30,789 --> 01:00:29,760

to share their stories including me

1572

01:00:32,230 --> 01:00:30,799

and

1573

01:00:38,470 --> 01:00:32,240

it's

1574

01:00:41,670 --> 01:00:38,480

the experiences as opposed to

1575

01:00:43,430 --> 01:00:41,680

about the researchers and

1576

01:00:46,390 --> 01:00:43,440

some researchers have been really

1577

01:00:47,670 --> 01:00:46,400

putting it down and i i kind of think

1578

01:00:50,150 --> 01:00:47,680

that one day

1579

01:00:52,230 --> 01:00:50,160

some of the researchers will probably

1580

01:00:54,150 --> 01:00:52,240

get their

1581

01:00:57,430 --> 01:00:54,160

they'll get what they deserve

1582

01:00:58,870 --> 01:00:57,440

you know the people will will say no you

1583

01:01:00,789 --> 01:00:58,880

you know

1584

01:01:02,549 --> 01:01:00,799

you're lying they're telling the truth

1585

01:01:04,630 --> 01:01:02,559

you know that kind of thing yeah the

1586

01:01:06,950 --> 01:01:04,640

human element of it um ryan sprague's

1587

01:01:08,870 --> 01:01:06,960

book is all about experiencers and

1588

01:01:11,109 --> 01:01:08,880

people who have had sightings even kevin

1589

01:01:13,190 --> 01:01:11,119

day who came forward recently a few

1590

01:01:14,870 --> 01:01:13,200

years ago now you know it's people who

1591

01:01:16,309 --> 01:01:14,880

have ordinary everyday lives but

1592

01:01:18,069 --> 01:01:16,319

something incredible has happened to

1593

01:01:20,069 --> 01:01:18,079

them and this has had some sort of

1594

01:01:22,549 --> 01:01:20,079

impact you know emotionally physically

1595

01:01:24,390 --> 01:01:22,559

or sometimes all of the above so so yeah

1596

01:01:25,910 --> 01:01:24,400

you're absolutely right um something

1597

01:01:28,150 --> 01:01:25,920

else mark wanted to know about laurie

1598

01:01:30,150 --> 01:01:28,160

you touched on um below ground at the

1599

01:01:32,710 --> 01:01:30,160

base now there's been again long rumored

1600

01:01:34,309 --> 01:01:32,720

to be tunnels around the base underneath

1601
01:01:36,150 --> 01:01:34,319
that would probably make sense if you're

1602
01:01:37,990 --> 01:01:36,160
storing you know nuclear material and

1603
01:01:39,589 --> 01:01:38,000
nuclear weapons

1604
01:01:41,190 --> 01:01:39,599
you said you've spoken to linda moulton

1605
01:01:43,270 --> 01:01:41,200
how what kind of conversations have you

1606
01:01:45,270 --> 01:01:43,280
had about what may be underneath the

1607
01:01:48,390 --> 01:01:45,280
base where you're potentially getting at

1608
01:01:51,510 --> 01:01:48,400
the idea that's housing some form of

1609
01:01:57,109 --> 01:01:53,750
yeah yeah that that was that was pretty

1610
01:01:58,549 --> 01:01:57,119
much the gist of it i um

1611
01:02:00,630 --> 01:01:58,559
now it's just a matter of me going out

1612
01:02:01,829 --> 01:02:00,640
there with a shovel and

1613
01:02:02,950 --> 01:02:01,839

start digging

1614

01:02:04,470 --> 01:02:02,960

um

1615

01:02:06,470 --> 01:02:04,480

yeah i

1616

01:02:08,470 --> 01:02:06,480

yeah our conversation was was pretty

1617

01:02:10,069 --> 01:02:08,480

much focused on the

1618

01:02:11,750 --> 01:02:10,079

on the uh

1619

01:02:12,150 --> 01:02:11,760

demanded

1620

01:02:13,270 --> 01:02:12,160

and

1621

01:02:15,190 --> 01:02:13,280

[Music]

1622

01:02:16,630 --> 01:02:15,200

you know and then she decided she she

1623

01:02:17,750 --> 01:02:16,640

didn't want to go down that road for

1624

01:02:19,829 --> 01:02:17,760

some reason

1625

01:02:21,109 --> 01:02:19,839

yeah she pretty much just kind of cut me

1626

01:02:22,870 --> 01:02:21,119

off so

1627

01:02:24,630 --> 01:02:22,880

i'm i'm not really sure but she said

1628

01:02:27,109 --> 01:02:24,640

there's a lot of there's a lot of

1629

01:02:29,349 --> 01:02:27,119

history to that area and

1630

01:02:32,870 --> 01:02:29,359

that others have

1631

01:02:35,829 --> 01:02:32,880

said and experienced or witnessed

1632

01:02:37,589 --> 01:02:35,839

these other beings

1633

01:02:39,349 --> 01:02:37,599

but as your gut though as someone who

1634

01:02:40,870 --> 01:02:39,359

has that intuition and someone who has

1635

01:02:43,109 --> 01:02:40,880

been there

1636

01:02:44,789 --> 01:02:43,119

it's one thing linda molten how saying

1637

01:02:47,109 --> 01:02:44,799

she's spoken to other people and having

1638

01:02:49,270 --> 01:02:47,119

no evidence for it but you were there

1639

01:02:51,349 --> 01:02:49,280

you you lived on the base for some time

1640

01:02:53,109 --> 01:02:51,359

and you had experiences is that

1641

01:02:54,390 --> 01:02:53,119

something you would subscribe to because

1642

01:02:56,549 --> 01:02:54,400

it's still

1643

01:02:58,230 --> 01:02:56,559

pretty incredible to think there may be

1644

01:03:00,069 --> 01:02:58,240

right under your feet

1645

01:03:02,710 --> 01:03:00,079

some other life forms

1646

01:03:05,670 --> 01:03:02,720

either physically or or you know in a

1647

01:03:08,309 --> 01:03:05,680

conscious state existing

1648

01:03:10,150 --> 01:03:08,319

yeah i uh

1649

01:03:12,630 --> 01:03:10,160

i you know at the time i never really

1650

01:03:14,390 --> 01:03:12,640

really thought about it i mean

1651
01:03:16,950 --> 01:03:14,400
it didn't come to my mind to think about

1652
01:03:19,430 --> 01:03:16,960
something underneath

1653
01:03:21,190 --> 01:03:19,440
the bases because it was old world war

1654
01:03:23,670 --> 01:03:21,200
ii facilities

1655
01:03:25,910 --> 01:03:23,680
but it wasn't until several years ago i

1656
01:03:28,549 --> 01:03:25,920
was talking with ken kern and he was the

1657
01:03:30,390 --> 01:03:28,559
one that shared with me he's also on

1658
01:03:32,710 --> 01:03:30,400
on the uh

1659
01:03:35,029 --> 01:03:32,720
lone ranger page he's one like he helps

1660
01:03:37,670 --> 01:03:35,039
me out keeping the page

1661
01:03:39,349 --> 01:03:37,680
from not going in a different direction

1662
01:03:41,829 --> 01:03:39,359
i kind of want to keep it on more or

1663
01:03:43,430 --> 01:03:41,839

less research of what people find and he

1664

01:03:45,829 --> 01:03:43,440

came up with that piece of information

1665

01:03:47,430 --> 01:03:45,839

that he actually worked at the weapon

1666

01:03:48,390 --> 01:03:47,440

storage area

1667

01:03:50,549 --> 01:03:48,400

at

1668

01:03:51,829 --> 01:03:50,559

woodbridge before they moved everything

1669

01:03:53,990 --> 01:03:51,839

over to

1670

01:03:55,829 --> 01:03:54,000

that waterside and i was there when they

1671

01:03:58,390 --> 01:03:55,839

moved it over there because they had me

1672

01:03:59,990 --> 01:03:58,400

standing on guard with an m16 and say if

1673

01:04:02,630 --> 01:04:00,000

anybody comes over the hill you shoot

1674

01:04:04,230 --> 01:04:02,640

them i'm like okay

1675

01:04:06,870 --> 01:04:04,240

and i had to deal with would i really

1676

01:04:08,710 --> 01:04:06,880

shoot somebody you know anyway

1677

01:04:11,430 --> 01:04:08,720

i'm glad you never had to that you're

1678

01:04:12,710 --> 01:04:11,440

away that that you

1679

01:04:15,430 --> 01:04:12,720

you never remember what happened in that

1680

01:04:17,670 --> 01:04:15,440

missing time um listen dave had a

1681

01:04:19,829 --> 01:04:17,680

question do you think the american

1682

01:04:20,870 --> 01:04:19,839

personnel who experienced the rendering

1683

01:04:22,870 --> 01:04:20,880

event

1684

01:04:24,549 --> 01:04:22,880

were aware of the other paranormal

1685

01:04:26,950 --> 01:04:24,559

activity at the base that you've talked

1686

01:04:28,069 --> 01:04:26,960

about

1687

01:04:29,510 --> 01:04:28,079

uh

1688

01:04:33,109 --> 01:04:29,520

i don't think there were

1689

01:04:35,910 --> 01:04:33,119

like the manatee that i experienced or

1690

01:04:38,150 --> 01:04:35,920

i experienced the gray at

1691

01:04:40,630 --> 01:04:38,160

in the right behind me at the at the

1692

01:04:43,270 --> 01:04:40,640

gate shack at escape

1693

01:04:44,549 --> 01:04:43,280

and then i experienced uh seeing the

1694

01:04:46,950 --> 01:04:44,559

ghost of

1695

01:04:49,349 --> 01:04:46,960

colonel thompson who was a uh

1696

01:04:51,270 --> 01:04:49,359

who was one of the pilots that actually

1697

01:04:53,349 --> 01:04:51,280

died in a

1698

01:04:56,390 --> 01:04:53,359

in an air show i think it was that chick

1699

01:04:58,390 --> 01:04:56,400

sands rf chicks and

1700

01:04:59,829 --> 01:04:58,400

what a lot of people talk about was more

1701
01:05:01,510 --> 01:04:59,839
or less the

1702
01:05:03,190 --> 01:05:01,520
the stories were the woman on the

1703
01:05:07,270 --> 01:05:03,200
bicycle

1704
01:05:09,029 --> 01:05:07,280
will

1705
01:05:11,589 --> 01:05:09,039
one of these guys was driving a metro

1706
01:05:13,589 --> 01:05:11,599
van where it didn't have any windows on

1707
01:05:15,270 --> 01:05:13,599
on the side so all these guys would be

1708
01:05:17,910 --> 01:05:15,280
sitting inside this

1709
01:05:20,950 --> 01:05:17,920
this box kind of van

1710
01:05:23,270 --> 01:05:20,960
and the only one who could see out was

1711
01:05:26,230 --> 01:05:23,280
the driver and the driver shared with me

1712
01:05:28,069 --> 01:05:26,240
once that that yeah he had an experience

1713
01:05:28,950 --> 01:05:28,079

where he looked out he could see this

1714

01:05:31,349 --> 01:05:28,960

woman

1715

01:05:33,910 --> 01:05:31,359

on a bicycle and

1716

01:05:36,710 --> 01:05:33,920

then he started to then he looked out he

1717

01:05:39,510 --> 01:05:36,720

was looking at us through the mirror the

1718

01:05:41,910 --> 01:05:39,520

side mirror and he could see that she

1719

01:05:43,349 --> 01:05:41,920

was keeping pace with him and she's on

1720

01:05:44,710 --> 01:05:43,359

an old bicycle

1721

01:05:46,069 --> 01:05:44,720

and then he noticed she didn't have a

1722

01:05:46,950 --> 01:05:46,079

face and that's

1723

01:05:48,230 --> 01:05:46,960

he said

1724

01:05:53,829 --> 01:05:48,240

scared

1725

01:05:55,829 --> 01:05:53,839

he started driving really fast so this

1726

01:05:58,710 --> 01:05:55,839

is one between

1727

01:06:01,349 --> 01:05:58,720

you skate the back gate and

1728

01:06:02,870 --> 01:06:01,359

to the back gate of

1729

01:06:05,829 --> 01:06:02,880

bent waters which would take you through

1730

01:06:06,710 --> 01:06:05,839

butly we've called it the butling gate

1731

01:06:08,950 --> 01:06:06,720

and

1732

01:06:11,349 --> 01:06:08,960

he started he said he was for having

1733

01:06:13,270 --> 01:06:11,359

he sort of dropped 50 60 miles an hour i

1734

01:06:15,270 --> 01:06:13,280

mean he was pushing this thing

1735

01:06:18,390 --> 01:06:15,280

no one in the back knew what was going

1736

01:06:20,549 --> 01:06:18,400

on but he'd look out and he's going 50

1737

01:06:23,029 --> 01:06:20,559

miles an hour and this this woman on his

1738

01:06:24,390 --> 01:06:23,039

bicycle without a face is keeping pace

1739

01:06:25,510 --> 01:06:24,400

with him

1740

01:06:27,589 --> 01:06:25,520

and so

1741

01:06:29,109 --> 01:06:27,599

and i've heard some other people share

1742

01:06:30,150 --> 01:06:29,119

similar stories

1743

01:06:31,829 --> 01:06:30,160

that's really

1744

01:06:32,950 --> 01:06:31,839

i'm really glad i didn't see her that

1745

01:06:37,430 --> 01:06:32,960

would have

1746

01:06:39,270 --> 01:06:37,440

blown me away yeah i'm i'm good with i'm

1747

01:06:41,670 --> 01:06:39,280

good with ufos and aliens but when it

1748

01:06:43,190 --> 01:06:41,680

comes to uh ghosts it's uh shiver down

1749

01:06:45,750 --> 01:06:43,200

the spine for me i'm not very good

1750

01:06:47,190 --> 01:06:45,760

watching ghost movies but um listen i

1751

01:06:48,870 --> 01:06:47,200

think listeners ears would have pricked

1752

01:06:49,829 --> 01:06:48,880

up when you mentioned you experienced

1753

01:06:51,430 --> 01:06:49,839

the gray

1754

01:06:53,510 --> 01:06:51,440

and it would be remiss of me on a

1755

01:06:55,270 --> 01:06:53,520

podcast called that ufo podcast not to

1756

01:06:57,029 --> 01:06:55,280

dig in a little bit deeper about that

1757

01:06:58,309 --> 01:06:57,039

what was the experience you had with the

1758

01:07:00,309 --> 01:06:58,319

gray

1759

01:07:02,150 --> 01:07:00,319

yeah i was sitting in the hip check and

1760

01:07:04,150 --> 01:07:02,160

it was about again three o'clock in the

1761

01:07:07,990 --> 01:07:04,160

morning something like that that number

1762

01:07:08,789 --> 01:07:08,000

three yeah yeah yeah yeah three

1763

01:07:14,910 --> 01:07:08,799

and

1764

01:07:18,230 --> 01:07:14,920

realized it

1765

01:07:20,470 --> 01:07:18,240

a long time ago

1766

01:07:23,829 --> 01:07:20,480

if i'm sitting in the gate shack and

1767

01:07:25,270 --> 01:07:23,839

he's behind me and

1768

01:07:28,069 --> 01:07:25,280

he's somewhere

1769

01:07:30,150 --> 01:07:28,079

he had to have only been about maybe

1770

01:07:31,510 --> 01:07:30,160

three four feet tall

1771

01:07:33,990 --> 01:07:31,520

something like that and he had a big

1772

01:07:35,750 --> 01:07:34,000

gray head but i i saw him again from my

1773

01:07:37,829 --> 01:07:35,760

mind and he told me not to turn around

1774

01:07:38,710 --> 01:07:37,839

because he didn't want me to be scared

1775

01:07:44,549 --> 01:07:38,720

so

1776

01:07:47,109 --> 01:07:44,559

i don't care i'm not looking though

1777

01:07:49,270 --> 01:07:47,119

because the last thing you need to do is

1778

01:07:51,670 --> 01:07:49,280

we had we had we had guys

1779

01:07:53,670 --> 01:07:51,680

who would actually

1780

01:07:56,069 --> 01:07:53,680

one guy shot off his weapon while he was

1781

01:07:57,829 --> 01:07:56,079

out there on east skate

1782

01:07:59,430 --> 01:07:57,839

and and i got a phone call i was on the

1783

01:08:01,029 --> 01:07:59,440

back end of

1784

01:08:02,789 --> 01:08:01,039

bentwater's the butler gate and they

1785

01:08:04,150 --> 01:08:02,799

said ray belt

1786

01:08:06,630 --> 01:08:04,160

what are you doing are you shooting your

1787

01:08:09,029 --> 01:08:06,640

weapon off i'm like no i need the death

1788

01:08:11,029 --> 01:08:09,039

sort and hung up and then we found out

1789

01:08:12,150 --> 01:08:11,039

later that it was the the airmen on

1790

01:08:15,190 --> 01:08:12,160

eastgate

1791

01:08:16,950 --> 01:08:15,200

and we we had a lot of airmen go through

1792

01:08:19,590 --> 01:08:16,960

extreme situations to get out of the

1793

01:08:20,630 --> 01:08:19,600

base get off base and

1794

01:08:23,669 --> 01:08:20,640

um

1795

01:08:25,189 --> 01:08:23,679

yeah it was just a real waste that we

1796

01:08:27,749 --> 01:08:25,199

have a lot of young airmen that were

1797

01:08:29,669 --> 01:08:27,759

eager to please and do a good job and

1798

01:08:32,309 --> 01:08:29,679

the whole thing and next thing you know

1799

01:08:34,470 --> 01:08:32,319

they're being kicked out

1800

01:08:36,630 --> 01:08:34,480

dave also had a follow-up on that and

1801
01:08:40,390 --> 01:08:36,640
what is your best guess at what the

1802
01:08:43,829 --> 01:08:40,400
origin of this phenomenon is

1803
01:08:49,669 --> 01:08:46,390
i i think it has to do with like i

1804
01:08:51,189 --> 01:08:49,679
mentioned its combination of the history

1805
01:08:52,950 --> 01:08:51,199
of the place

1806
01:08:54,789 --> 01:08:52,960
i mean you'd have to probably almost go

1807
01:08:56,789 --> 01:08:54,799
back thousands of years

1808
01:08:59,910 --> 01:08:56,799
there's a high

1809
01:09:02,229 --> 01:08:59,920
the energy level at that area the lead

1810
01:09:05,590 --> 01:09:02,239
lines that intersect it

1811
01:09:07,669 --> 01:09:05,600
um has something to do with it and the

1812
01:09:09,990 --> 01:09:07,679
you know and the fact that it's actually

1813
01:09:11,349 --> 01:09:10,000

in alignment with

1814

01:09:14,309 --> 01:09:11,359

um

1815

01:09:15,829 --> 01:09:14,319

the uh like the pyramids and the bermuda

1816

01:09:17,189 --> 01:09:15,839

triangle i mean it's interesting when

1817

01:09:18,149 --> 01:09:17,199

you start realizing that all these

1818

01:09:19,110 --> 01:09:18,159

places

1819

01:09:21,749 --> 01:09:19,120

have

1820

01:09:22,630 --> 01:09:21,759

that are are connected

1821

01:09:24,230 --> 01:09:22,640

and

1822

01:09:26,470 --> 01:09:24,240

so it's um

1823

01:09:28,149 --> 01:09:26,480

[Music]

1824

01:09:30,390 --> 01:09:28,159

yeah i um

1825

01:09:32,149 --> 01:09:30,400

i i just kind of think it was that i

1826

01:09:33,749 --> 01:09:32,159

also think the experiments that they had

1827

01:09:36,229 --> 01:09:33,759

done cobra missed

1828

01:09:40,550 --> 01:09:36,239

some of the experiments and

1829

01:09:44,440 --> 01:09:43,189

aircraft to be invisible i think playing

1830

01:09:45,990 --> 01:09:44,450

around with that and

1831

01:09:48,709 --> 01:09:46,000

[Music]

1832

01:09:49,910 --> 01:09:48,719

that particular exercise of

1833

01:09:53,510 --> 01:09:49,920

um

1834

01:09:54,790 --> 01:09:53,520

not exercise that particular

1835

01:09:56,630 --> 01:09:54,800

experiment

1836

01:09:57,280 --> 01:09:56,640

ended up

1837

01:09:58,470 --> 01:09:57,290

causing

1838

01:10:00,470 --> 01:09:58,480

[Music]

1839

01:10:02,390 --> 01:10:00,480

a high-pitched sound that they realized

1840

01:10:04,709 --> 01:10:02,400

didn't come from internal didn't come

1841

01:10:07,189 --> 01:10:04,719

from the equipment so instead of trying

1842

01:10:08,229 --> 01:10:07,199

to pursue what happened they dismantled

1843

01:10:10,550 --> 01:10:08,239

it

1844

01:10:12,470 --> 01:10:10,560

they still have the rays out there too

1845

01:10:14,790 --> 01:10:12,480

out by the um

1846

01:10:17,030 --> 01:10:14,800

the north sea you can actually see where

1847

01:10:17,830 --> 01:10:17,040

where the uh like the cobra mist was set

1848

01:10:20,149 --> 01:10:17,840

up

1849

01:10:21,030 --> 01:10:20,159

but people could say a lot of things as

1850

01:10:23,590 --> 01:10:21,040

for

1851

01:10:24,870 --> 01:10:23,600

what happened you know and

1852

01:10:26,870 --> 01:10:24,880

you know i just kind of think when

1853

01:10:28,630 --> 01:10:26,880

you've got this accumulation of stuff

1854

01:10:30,310 --> 01:10:28,640

going on and it's been happening for

1855

01:10:33,110 --> 01:10:30,320

many many many many years and then

1856

01:10:34,470 --> 01:10:33,120

you've got witchcraft going on in druids

1857

01:10:35,990 --> 01:10:34,480

and

1858

01:10:38,470 --> 01:10:36,000

you know um

1859

01:10:41,270 --> 01:10:38,480

that whole activity it

1860

01:10:42,149 --> 01:10:41,280

starts to make sense that

1861

01:10:44,550 --> 01:10:42,159

why

1862

01:10:48,070 --> 01:10:44,560

it wouldn't be a hot spot for

1863

01:10:50,070 --> 01:10:48,080

ufos and para paranormal

1864

01:10:51,990 --> 01:10:50,080

and finally dave from shadows of your

1865

01:10:53,990 --> 01:10:52,000

mind magazine asked what are your

1866

01:10:56,790 --> 01:10:54,000

thoughts on larry warren's version of

1867

01:10:58,310 --> 01:10:56,800

events about rendelsham since a lot of

1868

01:11:01,510 --> 01:10:58,320

the information he talked about has come

1869

01:11:03,350 --> 01:11:01,520

out as being fabricated or not true

1870

01:11:06,790 --> 01:11:03,360

well i'm really glad i'm really glad

1871

01:11:08,870 --> 01:11:06,800

someone asked that question because

1872

01:11:11,350 --> 01:11:08,880

larry and i our time together

1873

01:11:13,750 --> 01:11:11,360

intersected briefly he got there around

1874

01:11:15,270 --> 01:11:13,760

summer first and i was counting my days

1875

01:11:17,189 --> 01:11:15,280

down literally i had a little piece of

1876

01:11:19,350 --> 01:11:17,199

paper i kept in my pocket and i would

1877

01:11:20,630 --> 01:11:19,360

cross it off each day

1878

01:11:23,590 --> 01:11:20,640

and

1879

01:11:27,189 --> 01:11:23,600

the one thing about larry is that he

1880

01:11:29,590 --> 01:11:27,199

was the first one he never gave up um

1881

01:11:31,350 --> 01:11:29,600

he never gave up pursuing the story

1882

01:11:33,350 --> 01:11:31,360

while he was there when he was there

1883

01:11:35,910 --> 01:11:33,360

people told him to shut up shut up shut

1884

01:11:38,630 --> 01:11:35,920

up and he wouldn't quit

1885

01:11:40,709 --> 01:11:38,640

and then they started really really not

1886

01:11:43,910 --> 01:11:40,719

treating him

1887

01:11:50,070 --> 01:11:43,920

he

1888

01:11:53,510 --> 01:11:50,080

intended to do

1889

01:11:54,470 --> 01:11:53,520

and they gave him this deal you can go

1890

01:11:56,870 --> 01:11:54,480

and

1891

01:11:58,870 --> 01:11:56,880

get out

1892

01:12:01,110 --> 01:11:58,880

because you're not doing the job you

1893

01:12:02,709 --> 01:12:01,120

intend to do but i think it was a

1894

01:12:05,830 --> 01:12:02,719

loophole that

1895

01:12:08,790 --> 01:12:05,840

that makes zikler was using to get

1896

01:12:12,229 --> 01:12:08,800

them out because he learned later on he

1897

01:12:15,189 --> 01:12:12,239

he had a code on his dd form 2014 said

1898

01:12:15,990 --> 01:12:15,199

he couldn't come back in

1899

01:12:17,189 --> 01:12:16,000

so

1900

01:12:22,709 --> 01:12:17,199

i

1901

01:12:24,870 --> 01:12:22,719

that he wrote and he was the reason why

1902

01:12:26,470 --> 01:12:24,880

it was like i was asleep for many many

1903

01:12:28,709 --> 01:12:26,480

years because i didn't know it came back

1904

01:12:30,310 --> 01:12:28,719

i left december 15.

1905

01:12:33,430 --> 01:12:30,320

and when i

1906

01:12:35,750 --> 01:12:33,440

was typing in netsuite it came across

1907

01:12:37,270 --> 01:12:35,760

left then he skate and so this is about

1908

01:12:39,350 --> 01:12:37,280

1996

1909

01:12:41,270 --> 01:12:39,360

and i'm thinking oh my god why are they

1910

01:12:43,750 --> 01:12:41,280

talking about escape i mean this is like

1911

01:12:46,149 --> 01:12:43,760

a little my new tiny place

1912

01:12:48,390 --> 01:12:46,159

in the in the planet and it really got

1913

01:12:50,709 --> 01:12:48,400

me into a position where

1914

01:12:53,110 --> 01:12:50,719

i was really really the lori ray felt

1915

01:12:55,430 --> 01:12:53,120

that was there in 1980 who was pretty

1916

01:12:57,750 --> 01:12:55,440

much marginalized and told to shut up

1917

01:12:59,270 --> 01:12:57,760

and i you know i was very obedient and i

1918

01:13:01,669 --> 01:12:59,280

did shut up

1919

01:13:04,630 --> 01:13:01,679

that i wanted answers i wanted dancers

1920

01:13:06,470 --> 01:13:04,640

to know what was going on there and and

1921

01:13:08,790 --> 01:13:06,480

you know because i i felt like

1922

01:13:11,110 --> 01:13:08,800

throughout the decades that was the

1923

01:13:12,550 --> 01:13:11,120

worst assignment i ever had because it

1924

01:13:14,950 --> 01:13:12,560

was just a

1925

01:13:18,229 --> 01:13:14,960

distress level everything about the base

1926

01:13:19,910 --> 01:13:18,239

uh everything about it was just it was

1927

01:13:20,950 --> 01:13:19,920

just too much it was like everything was

1928

01:13:23,510 --> 01:13:20,960

off

1929

01:13:25,030 --> 01:13:23,520

and he noticed that in one of his

1930

01:13:26,470 --> 01:13:25,040

chapters he mentioned about getting to

1931

01:13:29,110 --> 01:13:26,480

the base and he

1932

01:13:30,630 --> 01:13:29,120

he noticed it was off a bit

1933

01:13:34,070 --> 01:13:30,640

now

1934

01:13:35,030 --> 01:13:34,080

he um his story is right on the money

1935

01:13:36,630 --> 01:13:35,040

and

1936

01:13:37,830 --> 01:13:36,640

a lot of people

1937

01:13:40,790 --> 01:13:37,840

have been

1938

01:13:43,030 --> 01:13:40,800

examining his documents or examining

1939

01:13:45,189 --> 01:13:43,040

different things but you know personally

1940

01:13:46,950 --> 01:13:45,199

i really think that

1941

01:13:47,990 --> 01:13:46,960

um

1942

01:13:53,270 --> 01:13:48,000

he's had

1943

01:13:55,350 --> 01:13:53,280

his old friends or something and and for

1944

01:13:56,470 --> 01:13:55,360

some reason they want revenge and

1945

01:13:58,950 --> 01:13:56,480

whatnot

1946

01:14:00,709 --> 01:13:58,960

and i i you know that's between him and

1947

01:14:02,630 --> 01:14:00,719

his friends but

1948

01:14:05,510 --> 01:14:02,640

personally what i think what they did to

1949

01:14:08,149 --> 01:14:05,520

him what nick pope did to him to stop

1950

01:14:09,270 --> 01:14:08,159

the buyer it all did to him

1951

01:14:15,270 --> 01:14:09,280

was

1952

01:14:17,910 --> 01:14:15,280

to defame him the way they did after he

1953

01:14:19,990 --> 01:14:17,920

was one of the first people to actually

1954

01:14:21,510 --> 01:14:20,000

stick his neck out in the

1955

01:14:22,550 --> 01:14:21,520

1980s

1956

01:14:24,550 --> 01:14:22,560

um

1957

01:14:26,790 --> 01:14:24,560

you know i i just kind of think he's a

1958

01:14:29,669 --> 01:14:26,800

human being

1959

01:14:31,189 --> 01:14:29,679

he makes mistakes however i really think

1960

01:14:32,630 --> 01:14:31,199

that all the stuff they were talking

1961

01:14:33,750 --> 01:14:32,640

about

1962

01:14:39,430 --> 01:14:33,760

was

1963

01:14:41,189 --> 01:14:39,440

desperation i doubt you know i can't

1964

01:14:42,390 --> 01:14:41,199

talk about i don't know

1965

01:14:43,270 --> 01:14:42,400

um

1966

01:14:45,189 --> 01:14:43,280

but

1967

01:14:47,430 --> 01:14:45,199

you know what he did in his personal

1968

01:14:48,310 --> 01:14:47,440

life shouldn't reflect i think on what

1969

01:14:54,709 --> 01:14:48,320

he

1970

01:14:57,910 --> 01:14:54,719

because this whole sighting has been a

1971

01:14:59,910 --> 01:14:57,920

part of his life he's highly intelligent

1972

01:15:03,189 --> 01:14:59,920

he's very very thoughtful

1973

01:15:05,990 --> 01:15:03,199

and he's got his story to share and

1974

01:15:08,830 --> 01:15:06,000

we have the right to to listen to it

1975

01:15:12,310 --> 01:15:08,840

when i was listening watching one of the

1976

01:15:13,750 --> 01:15:12,320

shows recently

1977

01:15:15,189 --> 01:15:13,760

somebody videotaped one of the

1978

01:15:18,870 --> 01:15:15,199

conferences

1979

01:15:20,950 --> 01:15:18,880

and to give you an example and it had

1980

01:15:22,950 --> 01:15:20,960

had say nick pope in it

1981

01:15:25,669 --> 01:15:22,960

and nick pope showed a picture of the

1982

01:15:27,830 --> 01:15:25,679

skate on it and when i was watching it

1983

01:15:29,750 --> 01:15:27,840

i'm like that's not the escape that we

1984

01:15:30,630 --> 01:15:29,760

all know

1985

01:15:32,229 --> 01:15:30,640

so

1986

01:15:35,030 --> 01:15:32,239

in many ways

1987

01:15:37,669 --> 01:15:35,040

you're getting some dis bad information

1988

01:15:39,270 --> 01:15:37,679

from people who are calling themselves

1989

01:15:42,470 --> 01:15:39,280

researchers

1990

01:15:45,669 --> 01:15:42,480

so i truly believe that what makes them

1991

01:15:47,110 --> 01:15:45,679

better or worse than

1992

01:15:49,189 --> 01:15:47,120

than larry

1993

01:15:50,390 --> 01:15:49,199

i i just think that larry's a human

1994

01:15:52,470 --> 01:15:50,400

being

1995

01:15:55,110 --> 01:15:52,480

he's you know he's got

1996

01:15:57,030 --> 01:15:55,120

his he's got his issues i have my issues

1997

01:15:58,790 --> 01:15:57,040

you have your issues you know i mean

1998

01:16:00,390 --> 01:15:58,800

none of us are

1999

01:16:03,189 --> 01:16:00,400

you know are perfect

2000

01:16:04,070 --> 01:16:03,199

but i don't believe

2001

01:16:05,590 --> 01:16:04,080

that

2002

01:16:07,910 --> 01:16:05,600

what he's written

2003

01:16:11,270 --> 01:16:07,920

i mean it matches too much up to my

2004

01:16:13,030 --> 01:16:11,280

story too much because i was there for

2005

01:16:15,750 --> 01:16:13,040

two and a half years so

2006

01:16:17,590 --> 01:16:15,760

so if anyone knows what was going on

2007

01:16:20,390 --> 01:16:17,600

there for the

2008

01:16:21,910 --> 01:16:20,400

especially if you're sensitive to the

2009

01:16:24,229 --> 01:16:21,920

environment there

2010

01:16:25,750 --> 01:16:24,239

i mean my mom even picked it up she got

2011

01:16:27,430 --> 01:16:25,760

she came to visit me for two weeks and

2012

01:16:29,189 --> 01:16:27,440

she said i gotta get you the hell out of

2013

01:16:31,669 --> 01:16:29,199

here she said something's wrong with

2014

01:16:34,070 --> 01:16:31,679

this place i mean my mom felt it

2015

01:16:35,430 --> 01:16:34,080

and i just think that um what's happened

2016

01:16:38,390 --> 01:16:35,440

with him

2017

01:16:40,950 --> 01:16:38,400

he needs to get his word out he needs to

2018

01:16:43,910 --> 01:16:40,960

share his story to continue sharing it

2019

01:16:46,950 --> 01:16:43,920

he's done so much for ufology and for

2020

01:16:49,270 --> 01:16:46,960

people to turn on him it's just to me

2021

01:16:50,229 --> 01:16:49,280

you know you might not like him as a guy

2022

01:16:53,189 --> 01:16:50,239

but

2023

01:16:54,149 --> 01:16:53,199

you know his his information is right on

2024

01:16:56,310 --> 01:16:54,159

the money

2025

01:16:58,390 --> 01:16:56,320

peter robbins may

2026

01:17:01,270 --> 01:16:58,400

may have changed his mind that that's

2027

01:17:04,070 --> 01:17:01,280

his personal thing but

2028

01:17:05,930 --> 01:17:04,080

um i just think that

2029

01:17:07,350 --> 01:17:05,940

it's time to quit beating up on

2030

01:17:09,830 --> 01:17:07,360

[Music]

2031

01:17:12,310 --> 01:17:09,840

on people that have experienced

2032

01:17:13,830 --> 01:17:12,320

you know what we experienced yeah and

2033

01:17:16,630 --> 01:17:13,840

that was the essence of why they came up

2034

01:17:17,830 --> 01:17:16,640

with capable greens because this story

2035

01:17:19,350 --> 01:17:17,840

is

2036

01:17:21,110 --> 01:17:19,360

legitimate

2037

01:17:23,590 --> 01:17:21,120

no some interesting thoughts said lori i

2038

01:17:25,750 --> 01:17:23,600

do appreciate that um lori how can

2039

01:17:27,830 --> 01:17:25,760

people follow you and you've mentioned

2040

01:17:30,390 --> 01:17:27,840

the facebook page how can they

2041

01:17:33,030 --> 01:17:30,400

keep in touch with you as well yeah they

2042

01:17:34,630 --> 01:17:33,040

can also reach me on that on my twitter

2043

01:17:37,830 --> 01:17:34,640

site at

2044

01:17:40,390 --> 01:17:37,840

lori l-o-r-r

2045

01:17:41,910 --> 01:17:40,400

i think there's four hours

2046

01:17:47,110 --> 01:17:41,920

i'll put the i'll put the link in the

2047

01:17:50,149 --> 01:17:49,270

a lot of times here in the story it

2048

01:17:52,070 --> 01:17:50,159

usually

2049

01:17:55,990 --> 01:17:52,080

can take me almost two hours to go

2050

01:17:58,630 --> 01:17:56,000

through it because of the experience and

2051

01:17:59,430 --> 01:17:58,640

some days i'm really on and and today

2052

01:18:03,189 --> 01:17:59,440

i'm

2053

01:18:03,990 --> 01:18:03,199

but i do apologize for that no it's been

2054

01:18:06,229 --> 01:18:04,000

good

2055

01:18:07,270 --> 01:18:06,239

okay and you mentioned the facebook page

2056

01:18:08,790 --> 01:18:07,280

as well what was the name of the

2057

01:18:09,669 --> 01:18:08,800

facebook page if people want to join the

2058

01:18:13,590 --> 01:18:09,679

group

2059

01:18:15,110 --> 01:18:13,600

it's the regular lone ranger ufo site

2060

01:18:17,830 --> 01:18:15,120

the thing is interesting about it

2061

01:18:19,750 --> 01:18:17,840

they'll say well why rental sim

2062

01:18:22,709 --> 01:18:19,760

why lone ranger

2063

01:18:27,110 --> 01:18:22,719

and it's because i was on

2064

01:18:29,830 --> 01:18:27,120

john burroughs and jim pennison's page

2065

01:18:31,110 --> 01:18:29,840

was a justice for the 81st security

2066

01:18:33,750 --> 01:18:31,120

police

2067

01:18:34,790 --> 01:18:33,760

squadron of 1980

2068

01:18:36,390 --> 01:18:34,800

and

2069

01:18:39,750 --> 01:18:36,400

you know wanting to know about what

2070

01:18:41,750 --> 01:18:39,760

happened during that time and

2071

01:18:44,630 --> 01:18:41,760

i joined the page because my sighting

2072

01:18:48,149 --> 01:18:44,640

happened in 1980 but it happened it was

2073

01:18:49,510 --> 01:18:48,159

precursor happened 1980 uh february

2074

01:18:51,510 --> 01:18:49,520

so

2075

01:18:54,950 --> 01:18:51,520

you know it was like i'm an adult

2076

01:18:56,630 --> 01:18:54,960

they're adults and anyway john

2077

01:18:58,149 --> 01:18:56,640

apparently kicked me off the page

2078

01:19:00,630 --> 01:18:58,159

because i wanted to talk about something

2079

01:19:03,110 --> 01:19:00,640

that was outside of rfi

2080

01:19:06,149 --> 01:19:03,120

and that's key if i have anything to

2081

01:19:07,910 --> 01:19:06,159

leave with anybody in this gotta look at

2082

01:19:10,229 --> 01:19:07,920

all the pieces and there's a whole lot

2083

01:19:11,189 --> 01:19:10,239

of pieces out there and i just think

2084

01:19:12,470 --> 01:19:11,199

that

2085

01:19:15,110 --> 01:19:12,480

um

2086

01:19:16,790 --> 01:19:15,120

that's why i bring up my story so that i

2087

01:19:18,470 --> 01:19:16,800

can hear other people bring in other

2088

01:19:20,630 --> 01:19:18,480

pieces say yeah you know rory's right

2089

01:19:23,030 --> 01:19:20,640

because i had this thing happen

2090

01:19:25,430 --> 01:19:23,040

something else happened that was similar

2091

01:19:27,430 --> 01:19:25,440

um you know i i mean that's the way i

2092

01:19:29,430 --> 01:19:27,440

learned about lee lines and that's where

2093

01:19:30,870 --> 01:19:29,440

i learned about all these different

2094

01:19:33,590 --> 01:19:30,880

you know um

2095

01:19:36,470 --> 01:19:33,600

like there's a relationship between

2096

01:19:38,870 --> 01:19:36,480

over not far from raf woodbridge is this

2097

01:19:42,149 --> 01:19:38,880

place called sutton who and they've got

2098

01:19:43,189 --> 01:19:42,159

these mountains that are in the shape of

2099

01:19:45,350 --> 01:19:43,199

uh

2100

01:19:48,870 --> 01:19:45,360

plate pleiades

2101

01:19:51,350 --> 01:19:48,880

of the star cluster kind of like subaru

2102

01:19:53,430 --> 01:19:51,360

what we drive and

2103

01:19:55,189 --> 01:19:53,440

there's another place called the zone of

2104

01:19:58,070 --> 01:19:55,199

silence in

2105

01:20:00,870 --> 01:19:58,080

in mexico that propped up in that

2106

01:20:03,350 --> 01:20:00,880

cropped up in one of my dreams

2107

01:20:06,950 --> 01:20:03,360

and they've had these

2108

01:20:07,750 --> 01:20:06,960

play people there too

2109

01:20:09,030 --> 01:20:07,760

so

2110

01:20:10,709 --> 01:20:09,040

there's a lot of connections that come

2111

01:20:13,430 --> 01:20:10,719

through dreams and different things like

2112

01:20:15,189 --> 01:20:13,440

that and you know these are again other

2113

01:20:17,750 --> 01:20:15,199

pieces that

2114

01:20:19,990 --> 01:20:17,760

that are all together and there's a

2115

01:20:22,950 --> 01:20:20,000

relationship between

2116

01:20:25,270 --> 01:20:22,960

what happened also as far back as like

2117

01:20:26,709 --> 01:20:25,280

atlantis you know where

2118

01:20:28,790 --> 01:20:26,719

you know where we're getting a lot of

2119

01:20:30,470 --> 01:20:28,800

the information

2120

01:20:32,470 --> 01:20:30,480

you know we find

2121

01:20:35,750 --> 01:20:32,480

um i found that

2122

01:20:38,229 --> 01:20:35,760

when i was about 10 years old i uh

2123

01:20:39,430 --> 01:20:38,239

i wanted to see the film and chariot of

2124

01:20:41,430 --> 01:20:39,440

the gods

2125

01:20:44,070 --> 01:20:41,440

it was it was like

2126

01:20:46,070 --> 01:20:44,080

i wasn't much into documentaries but for

2127

01:20:49,110 --> 01:20:46,080

some reason i was really wanting to

2128

01:20:51,030 --> 01:20:49,120

understand what was going on with you

2129

01:20:53,030 --> 01:20:51,040

know with how things

2130

01:20:53,750 --> 01:20:53,040

end up where they are

2131

01:20:54,550 --> 01:20:53,760

and

2132

01:20:59,590 --> 01:20:54,560

so

2133

01:21:02,229 --> 01:20:59,600

wanting to get these pieces together and

2134

01:21:04,149 --> 01:21:02,239

it doesn't have to be my story it needs

2135

01:21:05,350 --> 01:21:04,159

to be shared you need to be a shared

2136

01:21:07,430 --> 01:21:05,360

story

2137

01:21:09,430 --> 01:21:07,440

and like like you say the the east gate

2138

01:21:11,830 --> 01:21:09,440

incident it's it's your story but it's

2139

01:21:13,189 --> 01:21:11,840

keith's story and other story and it's

2140

01:21:14,550 --> 01:21:13,199

it's a piece of the puzzle and you're

2141

01:21:16,630 --> 01:21:14,560

all you're all part of that aren't you

2142

01:21:18,390 --> 01:21:16,640

that what's going on at wendell shim and

2143

01:21:20,870 --> 01:21:18,400

hopefully people listening to you laura

2144

01:21:22,790 --> 01:21:20,880

here are um are able to kind of pick up

2145

01:21:25,189 --> 01:21:22,800

on a new part of that story and and can

2146

01:21:26,870 --> 01:21:25,199

2147

jump

2170

01:23:12,950 --> 01:23:11,270

there was something on my head and

2171

01:23:14,790 --> 01:23:12,960

everything was weird and everything was

2172

01:23:16,149 --> 01:23:14,800

red i helped out my boys they thought

2173

01:23:24,290 --> 01:23:16,159

this was noise they thought it was a

2174

01:23:32,870 --> 01:23:30,790

[Music]

2175

[Music]

2177

it wasn't a tic tac and not quite a

2178

01:24:43,220 --> 01:24:41,270

[Music]

2179

01:24:52,360 --> 01:24:43,230

it's
