

I WAS ON MUTE!

LIVE

THAT
UFO
PODCAST

1
00:00:04,870 --> 00:00:03,270
broadcast is live

2
00:00:06,550 --> 00:00:04,880
dan it says we're live

3
00:00:08,150 --> 00:00:06,560
we're live i don't know for actually

4
00:00:09,350 --> 00:00:08,160
life that could be literally i mean

5
00:00:10,390 --> 00:00:09,360
there probably will be no one watching

6
00:00:12,709 --> 00:00:10,400
this

7
00:00:14,470 --> 00:00:12,719
i don't know how we invite people to

8
00:00:15,589 --> 00:00:14,480
watch this like

9
00:00:17,590 --> 00:00:15,599
um

10
00:00:19,510 --> 00:00:17,600
so it's like

11
00:00:21,269 --> 00:00:19,520
that's here

12
00:00:23,670 --> 00:00:21,279
youtube right

13
00:00:27,910 --> 00:00:26,310

oh yeah there's a vinnie yeah it says

14

00:00:29,189 --> 00:00:27,920

someone's watching

15

00:00:31,509 --> 00:00:29,199

hi vinny

16

00:00:32,950 --> 00:00:31,519

is that how this works yep

17

00:00:36,069 --> 00:00:32,960

can you um

18

00:00:37,750 --> 00:00:36,079

vinnie let us know if you can hear us

19

00:00:40,389 --> 00:00:37,760

any technical issues

20

00:00:41,990 --> 00:00:40,399

whether you need more light on andy but

21

00:00:42,709 --> 00:00:42,000

if you have any questions

22

00:00:48,069 --> 00:00:42,719

just

23

00:00:52,869 --> 00:00:50,869

yeah thanks vinnie that's awesome that

24

00:00:54,150 --> 00:00:52,879

this is how roughshod we are literally

25

00:00:55,830 --> 00:00:54,160

running this

26

00:00:58,389 --> 00:00:55,840

um

27

00:01:00,790 --> 00:00:58,399

yeah uh check it out

28

00:01:04,229 --> 00:01:00,800

more more light andy oh god don't tell

29

00:01:06,710 --> 00:01:04,239

me putting more light oh hi emma hi

30

00:01:08,070 --> 00:01:06,720

that cat um

31

00:01:09,750 --> 00:01:08,080

yeah

32

00:01:11,429 --> 00:01:09,760

oh there's six people already right

33

00:01:13,350 --> 00:01:11,439

we're just wanting to make sure people

34

00:01:15,109 --> 00:01:13,360

know we are literally testing this out i

35

00:01:17,270 --> 00:01:15,119

have signed up to stream yard a couple

36

00:01:20,390 --> 00:01:17,280

of seconds ago um

37

00:01:22,789 --> 00:01:20,400

axeman canel what's this it's us hi yeah

38

00:01:24,630 --> 00:01:22,799

right so if i put that light on

39

00:01:27,030 --> 00:01:24,640

f in hell what's this

40

00:01:29,990 --> 00:01:27,040

actually right though we are literally

41

00:01:32,390 --> 00:01:30,000

testing this out folks evening adam this

42

00:01:34,149 --> 00:01:32,400

is a live test because why not this is

43

00:01:35,749 --> 00:01:34,159

this is how we roll as the kids say

44

00:01:36,469 --> 00:01:35,759

right um

45

00:01:38,550 --> 00:01:36,479

so

46

00:01:46,149 --> 00:01:38,560

anyone coming in don't expect any like

47

00:01:51,270 --> 00:01:48,789

two people left as i said that um

48

00:01:53,830 --> 00:01:51,280

this is just us testing out it is what

49

00:01:56,389 --> 00:01:53,840

we look like look i'm really sorry um

50

00:01:57,910 --> 00:01:56,399

i'll apologize for that up front

51

00:02:01,030 --> 00:01:57,920

uh but yeah

52

00:02:03,749 --> 00:02:01,040

we are just testing out the stream and

53

00:02:06,870 --> 00:02:03,759

what it looks like and uh

54

00:02:09,510 --> 00:02:06,880

with no makeup whatsoever

55

00:02:13,350 --> 00:02:11,670

this is how raw this is i didn't know

56

00:02:16,630 --> 00:02:13,360

you had to have software to stream live

57

00:02:18,790 --> 00:02:16,640

on youtube so i clicked go go live and

58

00:02:21,350 --> 00:02:18,800

uh i'm not smiling adam thanks i'm

59

00:02:23,589 --> 00:02:21,360

smiling i'm swimming with both of us

60

00:02:24,869 --> 00:02:23,599

um i i wasn't sure how to do it and i

61

00:02:26,229 --> 00:02:24,879

was like i will just click go live and

62

00:02:28,949 --> 00:02:26,239

see what happens

63

00:02:30,869 --> 00:02:28,959

and uh i clicked go live and then i was

64

00:02:31,990 --> 00:02:30,879

ah how do i invite dan and dan was

65

00:02:33,509 --> 00:02:32,000

messaging me

66

00:02:35,990 --> 00:02:33,519

and then i was i'm gonna have to sign up

67

00:02:37,589 --> 00:02:36,000

for some software so i've signed up to

68

00:02:39,910 --> 00:02:37,599

something just to try it but that's

69

00:02:42,790 --> 00:02:39,920

literally what we're attempting here i

70

00:02:45,670 --> 00:02:42,800

think you you can get um oh what's this

71

00:02:47,750 --> 00:02:45,680

called oh something uh obs i think it is

72

00:02:54,070 --> 00:02:47,760

where you can like use zoom and plug

73

00:02:57,350 --> 00:02:55,670

definitely it'd be nice if there was a

74

00:02:59,030 --> 00:02:57,360

simple way of doing it on youtube yeah

75

00:03:03,030 --> 00:02:59,040

i'm just going to take a drink of boxed

76

00:03:07,110 --> 00:03:04,869

they're they're not paying anything for

77

00:03:09,910 --> 00:03:07,120

that advertising

78

00:03:11,750 --> 00:03:09,920

but they now owe andy money and so

79

00:03:13,670 --> 00:03:11,760

if if anyone from buxton could get in

80

00:03:16,550 --> 00:03:13,680

touch and pays for me drinking their

81

00:03:17,830 --> 00:03:16,560

water or highland spring

82

00:03:19,670 --> 00:03:17,840

um

83

00:03:21,670 --> 00:03:19,680

i just finished some pepsi max before

84

00:03:23,350 --> 00:03:21,680

again i'll i'll sell anything i've got a

85

00:03:25,110 --> 00:03:23,360

printer here from hp

86

00:03:26,869 --> 00:03:25,120

nice bit of buxton that's right frank

87

00:03:29,110 --> 00:03:26,879

from ufo thinker

88

00:03:33,110 --> 00:03:29,120

dan sir bollocks a lot has asked can you

89

00:03:37,670 --> 00:03:34,630

have you actually admitted or are you

90

00:03:39,910 --> 00:03:37,680

just pretending to be on me

91

00:03:41,430 --> 00:03:39,920

it's it's telling me off that i've got

92

00:03:44,309 --> 00:03:41,440

my mic muted it tells you at the top of

93

00:03:45,830 --> 00:03:44,319

the screen so i have no excuse anymore

94

00:03:49,990 --> 00:03:45,840

when you think about it someone's asked

95

00:03:55,429 --> 00:03:53,350

hey i'm sure if if we had a top 10 list

96

00:03:56,309 --> 00:03:55,439

of people from

97

00:03:58,470 --> 00:03:56,319

like

98

00:03:59,990 --> 00:03:58,480

ufo twitter that we wish would be silent

99

00:04:08,149 --> 00:04:00,000

i

100

00:04:10,869 --> 00:04:08,159

some someone just

101
00:04:12,789 --> 00:04:10,879
sorry two seconds do you know what stick

102
00:04:15,110 --> 00:04:12,799
with stream yard remove the banner to

103
00:04:17,590 --> 00:04:15,120
show your name sorry for shouting

104
00:04:18,629 --> 00:04:17,600
right how do we remove the banner though

105
00:04:20,629 --> 00:04:18,639
vinny

106
00:04:23,189 --> 00:04:20,639
is the banner there because it's a free

107
00:04:24,469 --> 00:04:23,199
trial vinny

108
00:04:26,310 --> 00:04:24,479
yeah yours but

109
00:04:27,990 --> 00:04:26,320
wait a minute can can all you folks oh

110
00:04:32,070 --> 00:04:28,000
god there's 16 people watching us do

111
00:04:34,390 --> 00:04:32,870
um

112
00:04:35,909 --> 00:04:34,400
can people see the fact that it says

113
00:04:38,550 --> 00:04:35,919

across the screen use banners to

114

00:04:41,270 --> 00:04:38,560

summarize your they cannot say oh yeah

115

00:04:42,629 --> 00:04:41,280

okay you have to change that banner

116

00:04:45,189 --> 00:04:42,639

um

117

00:04:46,629 --> 00:04:45,199

hi kelly kelly lee is it kelly or kelly

118

00:04:49,670 --> 00:04:46,639

lee i'm always unsure when someone's got

119

00:04:52,390 --> 00:04:49,680

a double-barrelled first name

120

00:04:54,830 --> 00:04:52,400

it would be yeah lee dodge it would yeah

121

00:04:58,710 --> 00:04:54,840

oh oh oh wait wait

122

00:05:00,070 --> 00:04:58,720

yeah look at that right that makes sense

123

00:05:01,430 --> 00:05:00,080

can you change the scrolling thing along

124

00:05:04,150 --> 00:05:01,440

the bottom

125

00:05:06,150 --> 00:05:04,160

um i i added that freaking news

126

00:05:07,430 --> 00:05:06,160

oh you did yes um

127

00:05:10,310 --> 00:05:07,440

[Music]

128

00:05:11,749 --> 00:05:10,320

takar i mean how did i edit so i've got

129

00:05:14,629 --> 00:05:11,759

that live test

130

00:05:17,749 --> 00:05:14,639

dan is not on

131

00:05:21,189 --> 00:05:17,759

so you can change that live apparently

132

00:05:23,270 --> 00:05:21,199

that's that's good so ticker yep you can

133

00:05:25,749 --> 00:05:23,280

kill you can highlight comments as well

134

00:05:27,909 --> 00:05:25,759

right from the

135

00:05:29,909 --> 00:05:27,919

no

136

00:05:32,469 --> 00:05:29,919

that's like oh it's mirrored

137

00:05:36,310 --> 00:05:32,479

that side

138

00:05:38,629 --> 00:05:36,320

oh don't don't pay for anything

139

00:05:40,469 --> 00:05:38,639

no no no no one pay for anything there's

140

00:05:42,790 --> 00:05:40,479

nothing to be paid for that's

141

00:05:44,710 --> 00:05:42,800

that's vinnie who sent us the 249 super

142

00:05:46,950 --> 00:05:44,720

chicken sticker because he knows that

143

00:05:49,270 --> 00:05:46,960

will will insist on sending this back to

144

00:05:52,790 --> 00:05:50,469

i'm not sending it back to him don't

145

00:05:55,909 --> 00:05:52,800

worry about that much um actually what

146

00:05:57,990 --> 00:05:55,919

we will do vinnie uh is put 2 pound 49

147

00:05:59,909 --> 00:05:58,000

into the um

148

00:06:00,870 --> 00:05:59,919

charity that dan's raising money for on

149

00:06:03,350 --> 00:06:00,880

his own

150

00:06:05,830 --> 00:06:03,360

so we'll we'll donate the 249 to that um

151

00:06:07,870 --> 00:06:05,840

i can put very in a timeout um that is

152

00:06:10,390 --> 00:06:07,880

that is care for calais by the way

153

00:06:12,469 --> 00:06:10,400

carefulcally.org if you buy a ticket

154

00:06:14,790 --> 00:06:12,479

patch either the black and white one or

155

00:06:17,590 --> 00:06:14,800

the color one this month the money goes

156

00:06:19,990 --> 00:06:17,600

entirely to helping refugees

157

00:06:21,670 --> 00:06:20,000

which is very cool i've not told danny

158

00:06:24,790 --> 00:06:21,680

can promote any of his merchandise here

159

00:06:26,790 --> 00:06:24,800

folks so once again i'm promoting

160

00:06:29,110 --> 00:06:26,800

people helping each other are we gonna

161

00:06:31,350 --> 00:06:29,120

have our first fight on live

162

00:06:35,350 --> 00:06:31,360

i'm promoting a nice refreshing drink of

163

00:06:37,990 --> 00:06:36,790

you just can't get the can't get the

164

00:06:39,990 --> 00:06:38,000

most of that

165

00:06:41,830 --> 00:06:40,000

bob nice to put faces and voices to the

166

00:06:44,309 --> 00:06:41,840

twitter accounts i don't think you want

167

00:06:45,510 --> 00:06:44,319

this is why i'm on a podcast this is you

168

00:06:47,110 --> 00:06:45,520

know do you know what it is like and

169

00:06:48,550 --> 00:06:47,120

someone's asking me we'll actually talk

170

00:06:50,550 --> 00:06:48,560

about luna's in a minute this is

171

00:06:52,550 --> 00:06:50,560

genuinely folks just a test to see how

172

00:06:54,950 --> 00:06:52,560

this stuff works like we went with we

173

00:06:56,390 --> 00:06:54,960

planned nothing dan asked me before i go

174

00:06:58,790 --> 00:06:56,400

live what we're talking about and i was

175

00:07:00,469 --> 00:06:58,800

like ah just whatever um

176

00:07:02,230 --> 00:07:00,479

yeah stuff um

177

00:07:04,390 --> 00:07:02,240

so

178

00:07:05,350 --> 00:07:04,400

bob uh

179

00:07:07,510 --> 00:07:05,360

god

180

00:07:09,749 --> 00:07:07,520

luhmanez and all those guys make this

181

00:07:13,270 --> 00:07:09,759

look so much easier don't they everyone

182

00:07:14,870 --> 00:07:13,280

here the lunas justin uh yeah um

183

00:07:17,830 --> 00:07:14,880

do you want to talk about it it's hard

184

00:07:19,589 --> 00:07:17,840

to keep up with uh the

185

00:07:20,550 --> 00:07:19,599

is it what is the signal that is a good

186

00:07:23,029 --> 00:07:20,560

question

187

00:07:24,870 --> 00:07:23,039

i i will bust this myth right now the

188

00:07:27,189 --> 00:07:24,880

signal is basically

189

00:07:29,909 --> 00:07:27,199

a typo from the signal because somebody

190

00:07:31,029 --> 00:07:29,919

had that already um and i thought oh the

191

00:07:33,670 --> 00:07:31,039

account name would be like spread the

192

00:07:37,589 --> 00:07:33,680

signal um but yeah my surname begins

193

00:07:39,749 --> 00:07:37,599

with a z so i switch the s for z and

194

00:07:41,990 --> 00:07:39,759

there you go a signal is a intentional

195

00:07:44,070 --> 00:07:42,000

typo

196

00:07:45,270 --> 00:07:44,080

yeah it's kind of boring story really is

197

00:07:46,710 --> 00:07:45,280

a boring story i should come up with a

198

00:07:48,550 --> 00:07:46,720

better one

199

00:07:51,749 --> 00:07:48,560

have i told the story of why the podcast

200

00:07:54,629 --> 00:07:51,759

called that ufo podcast go on yeah so i

201

00:07:56,390 --> 00:07:54,639

i was like before i started obviously

202

00:07:57,830 --> 00:07:56,400

obviously before i started because i

203

00:08:00,309 --> 00:07:57,840

wouldn't start the podcast then come up

204

00:08:03,029 --> 00:08:00,319

with a name that would be weird so i was

205

00:08:05,670 --> 00:08:03,039

driving along the road um

206

00:08:06,710 --> 00:08:05,680

as you do you drive on roads in the uk

207

00:08:08,230 --> 00:08:06,720

and

208

00:08:10,390 --> 00:08:08,240

i was thinking of if i was going to

209

00:08:12,309 --> 00:08:10,400

start a podcast what would i call it and

210

00:08:14,070 --> 00:08:12,319

i was like i would have to get ufo in

211

00:08:16,390 --> 00:08:14,080

there and then i was like

212

00:08:19,510 --> 00:08:16,400

should i put uap nah not enough people

213

00:08:21,990 --> 00:08:19,520

know uap ufo and i was thinking what

214

00:08:23,670 --> 00:08:22,000

would people search if it got popular

215

00:08:24,710 --> 00:08:23,680

what would they talk about imagine being

216

00:08:26,790 --> 00:08:24,720

in a pub

217

00:08:29,589 --> 00:08:26,800

or like an office and have you heard

218

00:08:32,550 --> 00:08:29,599

that ufo podcast or which one no no that

219

00:08:34,149 --> 00:08:32,560

ufo podcast that that was it but and i

220

00:08:36,149 --> 00:08:34,159

was like oh that's what i'll call it and

221

00:08:38,070 --> 00:08:36,159

that's what i started emailing out the

222

00:08:41,029 --> 00:08:38,080

first person danger i remember who i

223

00:08:43,269 --> 00:08:41,039

emailed to be a guest on the show

224

00:08:44,949 --> 00:08:43,279

before i even knew you obviously um it

225

00:08:46,870 --> 00:08:44,959

was nick pope

226

00:08:49,910 --> 00:08:46,880

oh was it really yeah what what what

227

00:08:51,750 --> 00:08:49,920

number episode was it that he came on

228

00:08:53,509 --> 00:08:51,760

you had some awful audio issues i

229

00:08:54,470 --> 00:08:53,519

remember you talking about it you did

230

00:08:56,630 --> 00:08:54,480

really well

231

00:08:58,389 --> 00:08:56,640

yeah i almost quit the podcast after

232

00:09:01,829 --> 00:08:58,399

that seventh episode

233

00:09:04,630 --> 00:09:01,839

yeah um he came on number seven and

234

00:09:06,870 --> 00:09:04,640

his bandwidth was horrendous and i hoped

235

00:09:08,470 --> 00:09:06,880

and prayed that somehow skype gave me a

236

00:09:12,550 --> 00:09:08,480

localized file from his end and it

237

00:09:17,829 --> 00:09:16,070

was like that and it was shocking um but

238

00:09:19,190 --> 00:09:17,839

then you know what the very next night

239

00:09:20,710 --> 00:09:19,200

you know when you have when you fall off

240

00:09:22,630 --> 00:09:20,720

the horse the best thing to do is get

241

00:09:24,230 --> 00:09:22,640

back on it unless you know i'm not

242

00:09:25,990 --> 00:09:24,240

against cruelty to horses like i don't

243

00:09:27,670 --> 00:09:26,000

get on horses not at this weight i mean

244

00:09:30,310 --> 00:09:27,680

god look at me um

245

00:09:31,750 --> 00:09:30,320

i i had thomas winterton as i guess the

246

00:09:33,190 --> 00:09:31,760

very next night and it made me feel

247

00:09:36,470 --> 00:09:33,200

loads better because that went really

248

00:09:38,710 --> 00:09:36,480

well so kelly and kelly 139 that is

249

00:09:40,949 --> 00:09:38,720

going to charity uh we're not actively

250

00:09:43,430 --> 00:09:40,959

asking people to send any money but

251
00:09:46,550 --> 00:09:43,440
that's just we'll send that to charity

252
00:09:48,949 --> 00:09:46,560
as well so so thank you um

253
00:09:52,070 --> 00:09:48,959
and i just had to get back up

254
00:09:53,430 --> 00:09:52,080
that's not the only episode that was

255
00:10:00,310 --> 00:09:53,440
released

256
00:10:00,320 --> 00:10:02,710
hi

257
00:10:07,590 --> 00:10:05,350
yeah what was the other episode we lost

258
00:10:09,110 --> 00:10:07,600
it's like oh last episode

259
00:10:11,509 --> 00:10:09,120
it's not even like when we can ever

260
00:10:13,190 --> 00:10:11,519
release because it's just well i i could

261
00:10:15,190 --> 00:10:13,200
kinda because there would just be lots

262
00:10:17,430 --> 00:10:15,200
of gaps right not for the first half

263
00:10:19,110 --> 00:10:17,440

hour so we recorded um a couple of

264

00:10:21,110 --> 00:10:19,120

months ago and we are still going to do

265

00:10:22,870 --> 00:10:21,120

it because i really enjoyed it it was

266

00:10:24,949 --> 00:10:22,880

great it was great yeah with with dan

267

00:10:27,829 --> 00:10:24,959

and dave from shadows magazine and it

268

00:10:31,030 --> 00:10:27,839

was meant to be gaucho undead gaucho um

269

00:10:32,630 --> 00:10:31,040

and it was about uap or ufos in movies

270

00:10:35,110 --> 00:10:32,640

and we were all discussing our favorite

271

00:10:37,910 --> 00:10:35,120

movies what we liked about them the

272

00:10:40,389 --> 00:10:37,920

representation of uap and ufos and and

273

00:10:42,150 --> 00:10:40,399

any beings and entities and gaucho was

274

00:10:44,470 --> 00:10:42,160

running a bit late and he came on to the

275

00:10:47,190 --> 00:10:44,480

recording and we started

276

00:10:49,590 --> 00:10:47,200

we we'd been half an hour in gaucho

277

00:10:51,750 --> 00:10:49,600

started uh talking doing his bits and

278

00:10:54,069 --> 00:10:51,760

then after like 15 20 minutes i got a

279

00:10:56,230 --> 00:10:54,079

really bad feeling and i was like i

280

00:10:58,790 --> 00:10:56,240

can't see gaucho's like sound wave

281

00:11:00,310 --> 00:10:58,800

moving for his mic at the bottom and i

282

00:11:02,710 --> 00:11:00,320

just asked everyone to stop and i went

283

00:11:04,470 --> 00:11:02,720

back and checked since he came in and it

284

00:11:06,790 --> 00:11:04,480

was literally us all talking and then

285

00:11:07,829 --> 00:11:06,800

threw into to john gaucho and then just

286

00:11:10,069 --> 00:11:07,839

silence

287

00:11:11,829 --> 00:11:10,079

and i was like ah it's not recorded so

288

00:11:13,590 --> 00:11:11,839

we've not went back to it but we will we

289

00:11:15,750 --> 00:11:13,600

absolutely will go we should we should

290

00:11:17,269 --> 00:11:15,760

get john to kind of just fill in his

291

00:11:19,190 --> 00:11:17,279

gaps

292

00:11:21,829 --> 00:11:19,200

i mean like slap them in

293

00:11:23,509 --> 00:11:21,839

i could do the voice couldn't uh

294

00:11:25,509 --> 00:11:23,519

but i i can't do it you are good with

295

00:11:27,670 --> 00:11:25,519

your accents can we just spend like 20

296

00:11:31,269 --> 00:11:27,680

minutes i'll just throw actions at you

297

00:11:34,790 --> 00:11:32,870

all right mate i'm danny dyer from

298

00:11:36,870 --> 00:11:34,800

london in it you know you know just a

299

00:11:40,949 --> 00:11:36,880

little bit

300

00:11:43,910 --> 00:11:42,630

hello to all our irish listeners out

301

00:11:45,350 --> 00:11:43,920

there you've got the southern irish

302

00:11:47,269 --> 00:11:45,360

which is much nicer a bit more of a

303

00:11:49,670 --> 00:11:47,279

little to it than there are no

304

00:11:51,269 --> 00:11:49,680

steven ufos not gulls is gonna fight you

305

00:11:53,190 --> 00:11:51,279

i think i'm not even gonna try the irish

306

00:11:55,670 --> 00:11:53,200

accent i'm told by my friend mike that i

307

00:11:57,590 --> 00:11:55,680

have a terrible one no dan you can't do

308

00:11:59,990 --> 00:11:57,600

any accents you're from wales and i've

309

00:12:02,710 --> 00:12:00,000

just got will shacks i know right

310

00:12:06,870 --> 00:12:02,720

so yeah that's fair

311

00:12:08,949 --> 00:12:06,880

um but yeah excellent daddy dyer

312

00:12:10,230 --> 00:12:08,959

do you know listen uh honestly

313

00:12:13,670 --> 00:12:10,240

people might be like oh look at those

314

00:12:15,670 --> 00:12:13,680

guys that's a great indian accent lull

315

00:12:17,590 --> 00:12:15,680

i i have another friend by the way who

316

00:12:19,350 --> 00:12:17,600

no matter what accent you tell him to do

317

00:12:21,509 --> 00:12:19,360

it will always come out as an indian

318

00:12:24,710 --> 00:12:21,519

accent except if you ask him for an

319

00:12:27,269 --> 00:12:24,720

indian accent then it sounds english yes

320

00:12:29,269 --> 00:12:27,279

jack who is on wrong term memory one of

321

00:12:31,430 --> 00:12:29,279

my scottish colleagues he uh he's very

322

00:12:34,949 --> 00:12:31,440

much the same where every accent he does

323

00:12:36,470 --> 00:12:34,959

teddy logan um is the is the same can i

324

00:12:38,550 --> 00:12:36,480

just give away something like so you

325

00:12:39,750 --> 00:12:38,560

know every single time i'm a guest on a

326

00:12:40,629 --> 00:12:39,760

podcast

327

00:13:13,509 --> 00:12:40,639

i

328

00:13:15,590 --> 00:13:13,519

get to that um oh okay so sorry do

329

00:13:17,350 --> 00:13:15,600

steven gerrard

330

00:13:19,030 --> 00:13:17,360

you can read that several ways bad news

331

00:13:21,509 --> 00:13:19,040

bear

332

00:13:22,870 --> 00:13:21,519

i i i can't do steven jenner justice can

333

00:13:25,190 --> 00:13:22,880

i come on the rangers were brilliant

334

00:13:27,110 --> 00:13:25,200

today that scouse is really difficult um

335

00:13:29,350 --> 00:13:27,120

what the mexicans i've got a good scouse

336

00:13:31,430 --> 00:13:29,360

cow

337

00:13:35,030 --> 00:13:31,440

in your house

338

00:13:36,230 --> 00:13:35,040

oh yeah that's that's no that's terrible

339

00:13:39,030 --> 00:13:36,240

people are going to be looking going

340

00:13:40,790 --> 00:13:39,040

this isn't a ufo podcast

341

00:13:43,030 --> 00:13:40,800

again

342

00:13:45,030 --> 00:13:43,040

live test life test

343

00:13:47,110 --> 00:13:45,040

they use chicken for heat what do

344

00:13:49,110 --> 00:13:47,120

mexicans do when they're cold they use

345

00:13:50,790 --> 00:13:49,120

for heaters i don't get it

346

00:13:53,350 --> 00:13:50,800

chicken for

347

00:13:54,710 --> 00:13:53,360

heaters ah do you know what it does it

348

00:13:56,069 --> 00:13:54,720

doesn't work when you read it does it

349

00:13:58,230 --> 00:13:56,079

especially no you've got to say it out

350

00:14:00,470 --> 00:13:58,240

loud yeah yeah you gotta say

351

00:14:03,269 --> 00:14:00,480

favorite simpsons episode um

352

00:14:05,590 --> 00:14:03,279

mr plows got to be up there um i have a

353

00:14:07,829 --> 00:14:05,600

soft spot for homer the heretic where he

354

00:14:09,829 --> 00:14:07,839

takes the day off going to church and

355

00:14:11,829 --> 00:14:09,839

has like the best day ever that's a good

356

00:14:13,670 --> 00:14:11,839

one one of the best i could do a

357

00:14:14,949 --> 00:14:13,680

simpsons podcast but

358

00:14:16,949 --> 00:14:14,959

one of the best things ever it just

359

00:14:19,670 --> 00:14:16,959

makes me laugh thinking about it is when

360

00:14:21,910 --> 00:14:19,680

omar phones up the the radio show and

361

00:14:23,910 --> 00:14:21,920

he's got the album and it's called these

362

00:14:26,069 --> 00:14:23,920

things i believe and they ask him just

363

00:14:28,230 --> 00:14:26,079

to read the name of it and he says this

364

00:14:29,430 --> 00:14:28,240

thing's i believe and the guys go can we

365

00:14:31,750 --> 00:14:29,440

accept that

366

00:14:33,350 --> 00:14:31,760

unbelievable yeah so that's that's a

367

00:14:34,949 --> 00:14:33,360

personal favorite my

368

00:14:38,230 --> 00:14:34,959

my favorite episode of the simpsons

369

00:14:41,030 --> 00:14:38,240

besides futurama um is it would have to

370

00:14:42,870 --> 00:14:41,040

be the x-files episode just the the

371

00:14:45,269 --> 00:14:42,880

classic simpsons for me is the the

372

00:14:48,340 --> 00:14:45,279

oakland moment at the end ah it comes in

373

00:14:49,590 --> 00:14:48,350

in peace kill it kill it

374

00:14:51,110 --> 00:14:49,600

[Music]

375

00:14:53,189 --> 00:14:51,120

that's there's a lot we could end up

376

00:14:54,710 --> 00:14:53,199

talking about simpsons all day okay um

377

00:14:55,750 --> 00:14:54,720

it's nice to see the other side of you

378

00:14:56,629 --> 00:14:55,760

both

379

00:14:57,990 --> 00:14:56,639

okay

380

00:14:59,269 --> 00:14:58,000

the other side around there but yeah

381

00:15:01,910 --> 00:14:59,279

thank you

382

00:15:03,910 --> 00:15:01,920

this is what we do before we record

383

00:15:06,310 --> 00:15:03,920

normally this is the stuff we cut away

384

00:15:08,389 --> 00:15:06,320

just messing around we talked for a long

385

00:15:10,389 --> 00:15:08,399

time beforehand um when are you getting

386

00:15:11,829 --> 00:15:10,399

post and click posting i actually do you

387

00:15:13,430 --> 00:15:11,839

know paul sinclair spoke to me on the

388

00:15:15,990 --> 00:15:13,440

phone after i first invited him on

389

00:15:18,790 --> 00:15:16,000

really nice guy um that was a few months

390

00:15:20,550 --> 00:15:18,800

ago i i messaged him a few weeks ago and

391

00:15:21,829 --> 00:15:20,560

he's really busy finishing off another

392

00:15:23,269 --> 00:15:21,839

book because he just seems to write

393

00:15:24,790 --> 00:15:23,279

books constantly

394

00:15:27,509 --> 00:15:24,800

he is coming on

395

00:15:28,310 --> 00:15:27,519

soon i've got nick cook for the british

396

00:15:29,910 --> 00:15:28,320

um

397

00:15:31,990 --> 00:15:29,920

folks or well just anyone who's

398

00:15:34,550 --> 00:15:32,000

interested in british researchers nick

399

00:15:36,389 --> 00:15:34,560

cook's coming on at the end of the month

400

00:15:38,230 --> 00:15:36,399

i could i could give people a bit of a

401
00:15:40,870 --> 00:15:38,240
an ex not an exclusive because he was

402
00:15:42,949 --> 00:15:40,880
already agreed but ross coulthard as as

403
00:15:45,749 --> 00:15:42,959
coming on monday the 20th so a week

404
00:15:47,670 --> 00:15:45,759
tomorrow i'm interviewing ross he does

405
00:15:50,550 --> 00:15:47,680
have no stuff to talk about he has been

406
00:15:51,670 --> 00:15:50,560
telling me what the new stuff is um

407
00:15:53,269 --> 00:15:51,680
so i'll

408
00:15:54,710 --> 00:15:53,279
and we are working on the interview

409
00:15:57,749 --> 00:15:54,720
being different to rossi's other

410
00:15:59,590 --> 00:15:57,759
interviews i have told ross i expect or

411
00:16:02,150 --> 00:15:59,600
i will make sure it's different to his

412
00:16:03,509 --> 00:16:02,160
other interviews as well so since we can

413
00:16:05,430 --> 00:16:03,519

get some feedback it might be worth

414

00:16:06,629 --> 00:16:05,440

asking like what what do people prefer

415

00:16:10,230 --> 00:16:06,639

at what point

416

00:16:12,389 --> 00:16:10,240

did the people like kind of dropping the

417

00:16:14,150 --> 00:16:12,399

you know the basic setups for interviews

418

00:16:16,230 --> 00:16:14,160

that people kind of do like 10 times a

419

00:16:18,310 --> 00:16:16,240

week and versus going straight for the

420

00:16:20,710 --> 00:16:18,320

new stuff like would everyone be super

421

00:16:22,069 --> 00:16:20,720

happy if we just kind of went

422

00:16:23,430 --> 00:16:22,079

we're not you know we're not even going

423

00:16:24,550 --> 00:16:23,440

to ask the basic stuff we're just going

424

00:16:26,230 --> 00:16:24,560

to dive in

425

00:16:27,910 --> 00:16:26,240

yeah because i'm i'm guessing everyone

426

00:16:29,749 --> 00:16:27,920

by now has heard a ross kill that

427

00:16:31,509 --> 00:16:29,759

interview as well um

428

00:16:38,389 --> 00:16:31,519

just to catch up on comments because

429

00:16:42,069 --> 00:16:39,910

see i do it quite well i think these

430

00:16:43,990 --> 00:16:42,079

days you're getting better here what's

431

00:16:46,310 --> 00:16:44,000

your opinion on the trending ufo video

432

00:16:48,629 --> 00:16:46,320

on reddit oh so the the one that's

433

00:16:50,550 --> 00:16:48,639

apparently of an f-18 fighter jet i sent

434

00:16:52,710 --> 00:16:50,560

this to yeah

435

00:16:55,590 --> 00:16:52,720

yeah i think it's one of those videos

436

00:16:57,030 --> 00:16:55,600

and we've talked about this before that

437

00:16:59,350 --> 00:16:57,040

there are going to be videos and

438

00:17:02,870 --> 00:16:59,360

photographs out there we say are fake

439

00:17:05,110 --> 00:17:02,880

because they look fake but right now and

440

00:17:07,110 --> 00:17:05,120

i include the navy videos in this there

441

00:17:09,189 --> 00:17:07,120

is no video that we know and that

442

00:17:11,189 --> 00:17:09,199

includes anyone 100

443

00:17:14,309 --> 00:17:11,199

as a legitimate video of a non-human

444

00:17:16,230 --> 00:17:14,319

craft as it stands okay like 100 percent

445

00:17:18,069 --> 00:17:16,240

proven scientifically

446

00:17:20,470 --> 00:17:18,079

this could be one of those videos that

447

00:17:22,710 --> 00:17:20,480

looks so strange and fake

448

00:17:24,870 --> 00:17:22,720

it could actually be real

449

00:17:26,630 --> 00:17:24,880

i don't know if you had i've had to put

450

00:17:28,870 --> 00:17:26,640

money on it i would still say nah

451
00:17:30,549 --> 00:17:28,880
probably cgi but

452
00:17:34,230 --> 00:17:30,559
i wouldn't be shocked if this was one

453
00:17:36,950 --> 00:17:34,240
that nope that's legit so i'm keeping an

454
00:17:37,909 --> 00:17:36,960
eye on that one yeah yeah same my answer

455
00:17:40,470 --> 00:17:37,919
was

456
00:17:43,350 --> 00:17:40,480
you know i lean towards probably not

457
00:17:45,750 --> 00:17:43,360
real but

458
00:17:47,909 --> 00:17:45,760
if i had to pick a video that was out

459
00:17:50,710 --> 00:17:47,919
there already and we just missed it that

460
00:17:54,390 --> 00:17:50,720
would probably be in my pile

461
00:17:55,990 --> 00:17:54,400
yeah um hi brighton all that jazz um

462
00:17:58,549 --> 00:17:56,000
what else is that going on

463
00:18:01,510 --> 00:17:58,559

so we just um

464

00:18:03,270 --> 00:18:01,520

oh my stat height i love um

465

00:18:05,510 --> 00:18:03,280

i'll just

466

00:18:08,789 --> 00:18:05,520

show off that lovely bit of out there

467

00:18:10,630 --> 00:18:08,799

yeah stop selling stuff then um so yeah

468

00:18:12,390 --> 00:18:10,640

that's the donating stuff

469

00:18:14,870 --> 00:18:12,400

we've just finished off the listener

470

00:18:16,310 --> 00:18:14,880

calling part one we had five calls uh

471

00:18:18,150 --> 00:18:16,320

this evening which were all really good

472

00:18:20,470 --> 00:18:18,160

really fun we've got another five

473

00:18:22,710 --> 00:18:20,480

tomorrow early afternoon uk time and

474

00:18:24,310 --> 00:18:22,720

then another five tomorrow night as well

475

00:18:26,950 --> 00:18:24,320

which can i give a couple of parts of a

476

00:18:28,710 --> 00:18:26,960

listener call in for this one so um

477

00:18:30,470 --> 00:18:28,720

early stuff was really good as well we

478

00:18:32,230 --> 00:18:30,480

had some people talking about the the

479

00:18:34,789 --> 00:18:32,240

ufo conference news today which was

480

00:18:37,190 --> 00:18:34,799

really good um we had we had one of the

481

00:18:40,390 --> 00:18:37,200

listeners run about mcquest

482

00:18:42,950 --> 00:18:40,400

for he was oh yeah he didn't passionate

483

00:18:46,470 --> 00:18:42,960

oh yeah he he was passionate yeah um and

484

00:18:48,470 --> 00:18:46,480

mark nice guy uh we had uh

485

00:18:51,029 --> 00:18:48,480

one of the listeners um terry just

486

00:18:52,710 --> 00:18:51,039

talking about louis lozando and how he

487

00:18:54,310 --> 00:18:52,720

sometimes really buys into what he says

488

00:18:55,909 --> 00:18:54,320

and sometimes he doesn't that was really

489

00:18:58,310 --> 00:18:55,919

interesting the conversation there as

490

00:19:01,029 --> 00:18:58,320

well so and early on we were talking

491

00:19:02,470 --> 00:19:01,039

remote viewing and simulation theory and

492

00:19:04,070 --> 00:19:02,480

stuff and there was something that was

493

00:19:04,789 --> 00:19:04,080

super interesting we went deeper yeah

494

00:19:06,390 --> 00:19:04,799

yeah

495

00:19:08,150 --> 00:19:06,400

again like the calls are kind of all

496

00:19:10,870 --> 00:19:08,160

over the place in a good way that keeps

497

00:19:12,230 --> 00:19:10,880

checking out on your toes so people

498

00:19:14,789 --> 00:19:12,240

yeah i'm looking forward to seeing what

499

00:19:16,630 --> 00:19:14,799

tomorrow brings as well

500

00:19:18,150 --> 00:19:16,640

the idea being and the reason part of

501
00:19:19,830 --> 00:19:18,160
the reason we're testing this out right

502
00:19:23,430 --> 00:19:19,840
is i i want to get to the point the list

503
00:19:25,430 --> 00:19:23,440
our callings right now are a huge um

504
00:19:27,669 --> 00:19:25,440
a lot of work to edit because i record

505
00:19:29,909 --> 00:19:27,679
the calls on zen caster and zoom

506
00:19:32,390 --> 00:19:29,919
and then i edit them all together and i

507
00:19:34,230 --> 00:19:32,400
have to edit out bits and make a whole

508
00:19:35,190 --> 00:19:34,240
show out of a load of calls

509
00:19:36,630 --> 00:19:35,200
so um

510
00:19:38,390 --> 00:19:36,640
it would be good to get to a place where

511
00:19:40,230 --> 00:19:38,400
we could do them even live like this

512
00:19:42,549 --> 00:19:40,240
would be a lot of fun and i've got one

513
00:19:44,950 --> 00:19:42,559

or two pretty big guests i have had on

514

00:19:47,029 --> 00:19:44,960

or want to have on who again would quite

515

00:19:48,630 --> 00:19:47,039

like to do to do this kind of setup as

516

00:19:50,549 --> 00:19:48,640

well which would be for sure would be

517

00:19:51,909 --> 00:19:50,559

nice in the future so that this is

518

00:19:53,990 --> 00:19:51,919

exactly the reason we're testing this

519

00:19:55,909 --> 00:19:54,000

out right now oh i gotta say if we did

520

00:19:58,230 --> 00:19:55,919

it live with lou i don't think we'd have

521

00:20:00,230 --> 00:19:58,240

time to vet the questions like we we'd

522

00:20:02,230 --> 00:20:00,240

normally do as they come in like a

523

00:20:04,310 --> 00:20:02,240

million miles an hour yeah yeah

524

00:20:06,950 --> 00:20:04,320

potentially um

525

00:20:08,950 --> 00:20:06,960

someone sparks boy asking for a link to

526

00:20:10,950 --> 00:20:08,960

the to the reddit video if someone could

527

00:20:12,870 --> 00:20:10,960

set him up with that that would be great

528

00:20:14,710 --> 00:20:12,880

um that'd be good if someone could post

529

00:20:16,789 --> 00:20:14,720

that in the chat it's on reddit and

530

00:20:18,950 --> 00:20:16,799

someone someone's asked about hesterlin

531

00:20:20,310 --> 00:20:18,960

there's a few on twitter as well uh what

532

00:20:22,310 --> 00:20:20,320

do you think of the hesterlin lights

533

00:20:24,470 --> 00:20:22,320

phenomenon comments we are we're getting

534

00:20:25,669 --> 00:20:24,480

one of the the guests on soon to talk

535

00:20:27,669 --> 00:20:25,679

about that dan

536

00:20:30,230 --> 00:20:27,679

uh yeah yeah that's right we we spoken

537

00:20:31,990 --> 00:20:30,240

to uh campbell on twitter campbell myera

538

00:20:34,950 --> 00:20:32,000

i think that's how i say his surname um

539

00:20:36,149 --> 00:20:34,960

and erling strand i was big i used to

540

00:20:38,470 --> 00:20:36,159

when i had my

541

00:20:41,190 --> 00:20:38,480

an old computer company in the uk was a

542

00:20:42,870 --> 00:20:41,200

called tiny and i used to have a tiny pc

543

00:20:45,270 --> 00:20:42,880

and when i back way back in the day when

544

00:20:47,190 --> 00:20:45,280

it was dial up and i had that uh i used

545

00:20:49,190 --> 00:20:47,200

to sit and watch the hestalan cameras on

546

00:20:49,990 --> 00:20:49,200

the websites and i never saw anything

547

00:20:51,830 --> 00:20:50,000

but

548

00:20:54,070 --> 00:20:51,840

it it's kind of uh

549

00:20:56,310 --> 00:20:54,080

i'm very fond of it um and i think the

550

00:21:00,470 --> 00:20:56,320

research going on

551
00:21:01,990 --> 00:21:00,480
there is absolutely fascinating um

552
00:21:03,830 --> 00:21:02,000
yeah i won't go into it much more than

553
00:21:05,270 --> 00:21:03,840
that because i could talk for hours and

554
00:21:06,870 --> 00:21:05,280
andy knows

555
00:21:09,510 --> 00:21:06,880
yeah um

556
00:21:11,510 --> 00:21:09,520
especially not not on mute um i've been

557
00:21:13,190 --> 00:21:11,520
a hobbyist cgi model maker for years i

558
00:21:14,630 --> 00:21:13,200
used to go through ufo sites identify

559
00:21:16,710 --> 00:21:14,640
models and i had made that i've been

560
00:21:19,350 --> 00:21:16,720
used for hawks yeah

561
00:21:21,590 --> 00:21:19,360
yeah fair fair um

562
00:21:23,430 --> 00:21:21,600
majority of third phase of moon is fake

563
00:21:25,510 --> 00:21:23,440

yep that is correct

564

00:21:27,270 --> 00:21:25,520

uh ben has mick west ever gone into more

565

00:21:29,270 --> 00:21:27,280

woo aspects of the topic synchronicity

566

00:21:31,830 --> 00:21:29,280

is high strangers absolutely not because

567

00:21:34,070 --> 00:21:31,840

that doesn't sell books in in you you

568

00:21:36,470 --> 00:21:34,080

know how we kind of say the word woo and

569

00:21:38,470 --> 00:21:36,480

we're like oh that's a dirty word

570

00:21:40,470 --> 00:21:38,480

i don't think someone someone asked us

571

00:21:41,909 --> 00:21:40,480

today about and i was like i don't think

572

00:21:44,149 --> 00:21:41,919

i responded actually i've been busy

573

00:21:45,990 --> 00:21:44,159

because kids and all that jazz but yeah

574

00:21:47,830 --> 00:21:46,000

um i i don't mind the word woo but i

575

00:21:50,390 --> 00:21:47,840

also don't mind ufology i think some

576

00:21:52,230 --> 00:21:50,400

people and i think um

577

00:21:53,590 --> 00:21:52,240

louis elizondo and sean cahill and stuff

578

00:21:56,470 --> 00:21:53,600

and i've recently talked about the

579

00:21:58,549 --> 00:21:56,480

ufology thing i think people

580

00:22:01,029 --> 00:21:58,559

can have associate corey good will cox

581

00:22:03,270 --> 00:22:01,039

all that grip with ufology and that i'd

582

00:22:05,029 --> 00:22:03,280

say woo as well yeah yeah for sure like

583

00:22:06,789 --> 00:22:05,039

i totally get what you mean like it just

584

00:22:09,029 --> 00:22:06,799

means like the

585

00:22:10,390 --> 00:22:09,039

the crazier parts of the subject or the

586

00:22:12,549 --> 00:22:10,400

the less easy to get your head around

587

00:22:15,430 --> 00:22:12,559

parts of the subject but in the way that

588

00:22:17,830 --> 00:22:15,440

it would mean you know the the crazy

589

00:22:21,110 --> 00:22:17,840

tinfoil wearing hat people

590

00:22:24,710 --> 00:22:23,510

yeah you know

591

00:22:26,789 --> 00:22:24,720

put it simply

592

00:22:29,110 --> 00:22:26,799

look i've said before and i i said on

593

00:22:30,710 --> 00:22:29,120

the the call the caller one earlier um

594

00:22:33,270 --> 00:22:30,720

mcquest an intelligent guy and he does a

595

00:22:35,590 --> 00:22:33,280

lot of good stuff but i think he created

596

00:22:37,669 --> 00:22:35,600

a character and i think he enjoys in a

597

00:22:39,430 --> 00:22:37,679

very british way trolling people a

598

00:22:41,669 --> 00:22:39,440

little bit on the subject yeah i think

599

00:22:43,350 --> 00:22:41,679

he gets a bit of a kick out of it and

600

00:22:45,430 --> 00:22:43,360

fair play to him i would just rather

601
00:22:47,029 --> 00:22:45,440
he'd turn down one day he meant like i

602
00:22:48,870 --> 00:22:47,039
just quite enjoy this probably has

603
00:22:50,390 --> 00:22:48,880
something to it but he's not going to do

604
00:22:52,470 --> 00:22:50,400
that i say because he's got a large

605
00:22:55,110 --> 00:22:52,480
following fair play to him that that

606
00:22:56,850 --> 00:22:55,120
like has hashtag stick quest there you

607
00:23:00,630 --> 00:22:56,860
go um

608
00:23:02,710 --> 00:23:00,640
[Laughter]

609
00:23:04,390 --> 00:23:02,720
oh these lives are bad idea because i'm

610
00:23:06,789 --> 00:23:04,400
going to end up saying something um

611
00:23:08,230 --> 00:23:06,799
james tiernan hi good evening again just

612
00:23:10,470 --> 00:23:08,240
as it says at the bottom folks this is

613
00:23:11,909 --> 00:23:10,480

literally just a test mike roberts do

614

00:23:13,510 --> 00:23:11,919

you like barzai and brew you could have

615

00:23:16,230 --> 00:23:13,520

just said i am brew like no i don't

616

00:23:17,350 --> 00:23:16,240

drink any other stuff so i used to love

617

00:23:18,950 --> 00:23:17,360

iron brew

618

00:23:21,350 --> 00:23:18,960

then they changed it to have a lot less

619

00:23:23,029 --> 00:23:21,360

sugar because scotch people um live on a

620

00:23:26,070 --> 00:23:23,039

diet of sugar sugar is one of our five a

621

00:23:26,950 --> 00:23:26,080

day in scotland um

622

00:24:08,149 --> 00:23:26,960

i

623

00:24:10,230 --> 00:24:08,159

start of the year um and you know what

624

00:24:14,149 --> 00:24:10,240

due to manscape um i look good for it as

625

00:24:18,789 --> 00:24:16,630

um you're disgusting it really is just a

626

00:24:20,950 --> 00:24:18,799

test folks um

627

00:24:22,549 --> 00:24:20,960

but i mean at least people can see you

628

00:24:23,990 --> 00:24:22,559

know we don't take ourselves too

629

00:24:26,149 --> 00:24:24,000

seriously with this stuff

630

00:24:27,190 --> 00:24:26,159

no i don't take dan seriously whatsoever

631

00:24:28,950 --> 00:24:27,200

um

632

00:24:30,549 --> 00:24:28,960

who else trustee cause last night here

633

00:24:32,390 --> 00:24:30,559

and that view was a bit special nobody

634

00:24:33,269 --> 00:24:32,400

truly believes we'll take it in

635

00:24:35,190 --> 00:24:33,279

any

636

00:24:36,950 --> 00:24:35,200

i've not seen the footage at 22 minutes

637

00:24:38,870 --> 00:24:36,960

on that link uh

638

00:24:41,430 --> 00:24:38,880

dude that i am brew is tolerable not a

639

00:24:42,630 --> 00:24:41,440

fan of full fat iron brew always reminds

640

00:24:44,070 --> 00:24:42,640

me of

641

00:24:46,230 --> 00:24:44,080

what was it

642

00:24:47,909 --> 00:24:46,240

like a disinfectant wha what's the word

643

00:24:49,590 --> 00:24:47,919

i'm looking for when you cut yourself

644

00:24:51,029 --> 00:24:49,600

and there's like a

645

00:24:52,710 --> 00:24:51,039

orange liquid

646

00:24:54,470 --> 00:24:52,720

disinfectant that you put yourself in

647

00:24:56,470 --> 00:24:54,480

yeah yeah i know that yeah that's what

648

00:24:58,310 --> 00:24:56,480

it reminds me of no no you're wrong it

649

00:25:00,950 --> 00:24:58,320

smells different i'll give it that but

650

00:25:03,510 --> 00:25:00,960

it looks the same i would i would ban

651
00:25:05,190 --> 00:25:03,520
that iron bro as well um that's axeman's

652
00:25:06,870 --> 00:25:05,200
totally on the wrong

653
00:25:08,630 --> 00:25:06,880
hd to listen to mick west and somewhere

654
00:25:09,990 --> 00:25:08,640
in the skies today or had to sorry uh

655
00:25:11,590 --> 00:25:10,000
crikey that was hard without throwing my

656
00:25:13,190 --> 00:25:11,600
phone across the room ryan sprague's a

657
00:25:16,710 --> 00:25:13,200
great guy i've not heard that interview

658
00:25:18,149 --> 00:25:16,720
yet i've listened i i i enjoyed it it's

659
00:25:20,070 --> 00:25:18,159
mick is one of these people who's hard

660
00:25:22,149 --> 00:25:20,080
to listen to but that just means

661
00:25:24,230 --> 00:25:22,159
sometimes that you're being challenged

662
00:25:26,070 --> 00:25:24,240
and that's a good thing even if you get

663
00:25:28,070 --> 00:25:26,080

through his conversation and all of his

664

00:25:29,750 --> 00:25:28,080

points and you kind of go well i

665

00:25:31,830 --> 00:25:29,760

completely disagree with everything he

666

00:25:34,710 --> 00:25:31,840

said that's fine but you know he hear

667

00:25:36,710 --> 00:25:34,720

people out learn to listen

668

00:25:38,710 --> 00:25:36,720

yeah um michael would you boys visit

669

00:25:40,870 --> 00:25:38,720

skinwalker ranch we've talked about this

670

00:25:42,950 --> 00:25:40,880

um i don't want to go on brandon's

671

00:25:45,750 --> 00:25:42,960

special helicopter because i'm not a fan

672

00:25:47,750 --> 00:25:45,760

of heights i would rather fly

673

00:25:50,750 --> 00:25:47,760

what does that mean

674

00:25:52,549 --> 00:25:50,760

well it's not like a normal problem

675

00:25:55,269 --> 00:25:52,559

[Laughter]

676

00:25:57,669 --> 00:25:55,279

no um i mean it looks like really cool

677

00:25:59,269 --> 00:25:57,679

and tricked out in proper like sleek oh

678

00:26:01,590 --> 00:25:59,279

look at it looks like if i bought a

679

00:26:03,350 --> 00:26:01,600

helicopter it wouldn't look like that it

680

00:26:05,750 --> 00:26:03,360

would be like cheaper he's got like a

681

00:26:08,390 --> 00:26:05,760

proper sports helicopter

682

00:26:09,750 --> 00:26:08,400

yeah um but also dan we've talked about

683

00:26:11,190 --> 00:26:09,760

this before haven't we and you've said

684

00:26:13,909 --> 00:26:11,200

you would totally camp out and i was

685

00:26:15,269 --> 00:26:13,919

like yeah i definitely would happily you

686

00:26:16,549 --> 00:26:15,279

couldn't pay me actually that's a lie

687

00:26:18,310 --> 00:26:16,559

you could pay me to camp it would have

688

00:26:20,549 --> 00:26:18,320

to be a lot of money though and but but

689

00:26:23,430 --> 00:26:20,559

there's like a caveat

690

00:26:25,110 --> 00:26:23,440

i'd want to camp out but

691

00:26:26,870 --> 00:26:25,120

and as much as i'd want people to

692

00:26:29,669 --> 00:26:26,880

observe me just to make sure nothing

693

00:26:31,269 --> 00:26:29,679

happened i i would also want them not to

694

00:26:33,110 --> 00:26:31,279

observe because

695

00:26:35,350 --> 00:26:33,120

stuff tends to not happen when people

696

00:26:38,230 --> 00:26:35,360

are watching if that makes sense i mean

697

00:26:39,750 --> 00:26:38,240

it sounds like a cop out but you know or

698

00:26:41,350 --> 00:26:39,760

at least watch watch what's happening

699

00:26:43,110 --> 00:26:41,360

without me knowing about it that's what

700

00:26:43,990 --> 00:26:43,120

i would say

701
00:26:46,390 --> 00:26:44,000
um

702
00:26:48,630 --> 00:26:46,400
andy punt punt punk grim stuff don't

703
00:26:50,950 --> 00:26:48,640
know what that was um woofology from

704
00:26:52,950 --> 00:26:50,960
vinnie lol um

705
00:26:54,870 --> 00:26:52,960
oh carl yep livestream car was the first

706
00:26:56,070 --> 00:26:54,880
caller earlier carl is one of those

707
00:26:59,110 --> 00:26:56,080
names it's really hard to say in a

708
00:27:00,149 --> 00:26:59,120
scottish accent um i'd rather dave

709
00:27:03,029 --> 00:27:00,159
um

710
00:27:04,310 --> 00:27:03,039
carl and if you ask me to say carol the

711
00:27:07,269 --> 00:27:04,320
woman's name

712
00:27:09,190 --> 00:27:07,279
carol it's really hard to say the r and

713
00:27:10,710 --> 00:27:09,200

blah blah blah you didn't like captain

714

00:27:13,590 --> 00:27:10,720

marvel

715

00:27:14,310 --> 00:27:13,600

or carl danvers yeah yeah

716

00:27:16,950 --> 00:27:14,320

yeah

717

00:27:18,630 --> 00:27:16,960

viewers is much much easier um leif how

718

00:27:20,549 --> 00:27:18,640

you doing uh what would you ask neil

719

00:27:22,549 --> 00:27:20,559

degrasse tyson if you'd had a chance to

720

00:27:25,029 --> 00:27:22,559

speak to him what's your problem bro

721

00:27:26,470 --> 00:27:25,039

yeah why are you being such a dick

722

00:27:28,070 --> 00:27:26,480

what do you really think neil let the

723

00:27:30,389 --> 00:27:28,080

cameras aren't on you just now like give

724

00:27:32,710 --> 00:27:30,399

us your actual opinion when you're

725

00:27:34,230 --> 00:27:32,720

coming to a crowd i reckon you could get

726

00:27:36,710 --> 00:27:34,240

him talking about the subject in a

727

00:27:39,029 --> 00:27:36,720

respectable way i i think he always

728

00:27:40,950 --> 00:27:39,039

reacts as if you're talking about aliens

729

00:27:42,870 --> 00:27:40,960

and if you just took that off the table

730

00:27:44,789 --> 00:27:42,880

you'd actually get somewhere with them i

731

00:27:46,789 --> 00:27:44,799

think neil degrasse tyson couple of

732

00:27:48,950 --> 00:27:46,799

beers come on neil let's let's be honest

733

00:27:50,870 --> 00:27:48,960

let's be here here we're like clipping

734

00:27:53,029 --> 00:27:50,880

it as heels in the podcast uk chat now

735

00:27:54,470 --> 00:27:53,039

right he he technically should support

736

00:27:55,350 --> 00:27:54,480

fellow creators

737

00:27:57,669 --> 00:27:55,360

um

738

00:27:59,350 --> 00:27:57,679

right behind neil in the science charts

739

00:28:01,510 --> 00:27:59,360

um thanks for everyone who does listen

740

00:28:03,269 --> 00:28:01,520

to the podcast by the way or as even

741

00:28:05,669 --> 00:28:03,279

watching this test which is ridiculous

742

00:28:06,870 --> 00:28:05,679

there's 41 people um people just

743

00:28:09,190 --> 00:28:06,880

checking and going these guys just

744

00:28:10,789 --> 00:28:09,200

actually testing out software live yeah

745

00:28:12,149 --> 00:28:10,799

yeah you could do that in a far more

746

00:28:13,590 --> 00:28:12,159

professional way but this is that we

747

00:28:14,710 --> 00:28:13,600

have chosen to do it

748

00:28:16,310 --> 00:28:14,720

um

749

00:28:18,389 --> 00:28:16,320

good evening oh that was uh leaf how

750

00:28:21,350 --> 00:28:18,399

don't uh chris said lol i'll take it

751
00:28:22,710 --> 00:28:21,360
that was something i said mike um i set

752
00:28:24,710 --> 00:28:22,720
up a mcqueen

753
00:28:26,710 --> 00:28:24,720
mike roberts i set up a mick west parity

754
00:28:29,350 --> 00:28:26,720
twitter account and he banned me

755
00:28:30,389 --> 00:28:29,360
don't blame him but yeah um yeah that's

756
00:28:32,070 --> 00:28:30,399
when you know you've made it when you've

757
00:28:33,669 --> 00:28:32,080
got people setting up parody accounts of

758
00:28:35,590 --> 00:28:33,679
you that's what you know you've made it

759
00:28:37,430 --> 00:28:35,600
um he definitely trolls and searches for

760
00:28:39,909 --> 00:28:37,440
his own name ben

761
00:28:42,789 --> 00:28:39,919
emma yeah mcquest

762
00:28:45,269 --> 00:28:42,799
i think mick secretly genuinely i think

763
00:28:47,990 --> 00:28:45,279

has has an interest in this and would

764

00:28:48,870 --> 00:28:48,000

probably probably be quite

765

00:28:50,630 --> 00:28:48,880

huh

766

00:28:52,230 --> 00:28:50,640

i'll edit that one out we'll probably

767

00:28:53,830 --> 00:28:52,240

quite like to be proven wrong in this

768

00:28:55,990 --> 00:28:53,840

subject but

769

00:28:58,070 --> 00:28:56,000

it won't see it just now because yeah he

770

00:28:59,909 --> 00:28:58,080

says that he's got like a character he's

771

00:29:01,669 --> 00:28:59,919

built and yeah like trump or boris

772

00:29:03,350 --> 00:29:01,679

johnson right like he knows his audience

773

00:29:05,269 --> 00:29:03,360

he plays to it he's kind of backed

774

00:29:07,110 --> 00:29:05,279

himself into a corner now and he knows

775

00:29:08,430 --> 00:29:07,120

that he's the lowest hanging piece of

776

00:29:11,269 --> 00:29:08,440

fruit on this

777

00:29:12,950 --> 00:29:11,279

anti-disclosure tree so i mean he can

778

00:29:14,230 --> 00:29:12,960

keep up his stick but it'll just leave

779

00:29:15,909 --> 00:29:14,240

him behind

780

00:29:17,110 --> 00:29:15,919

sparks boy what do you think of danny

781

00:29:19,029 --> 00:29:17,120

sheehan while i've been getting him on

782

00:29:21,029 --> 00:29:19,039

the show um if danny would respond to

783

00:29:23,029 --> 00:29:21,039

one of my emails absolutely um i would

784

00:29:25,190 --> 00:29:23,039

love to speak to danny i've emailed him

785

00:29:27,510 --> 00:29:25,200

a few times i imagine he gets plenty of

786

00:29:29,750 --> 00:29:27,520

them i think during ucr he was getting

787

00:29:31,750 --> 00:29:29,760

them as we spoke and as he spoke because

788

00:29:33,750 --> 00:29:31,760

it was his phone that kept going off

789

00:29:35,190 --> 00:29:33,760

i imagine he's an incredibly busy guy

790

00:29:37,029 --> 00:29:35,200

but yeah but i would love to speak to

791

00:29:39,669 --> 00:29:37,039

danny um one who won

792

00:29:40,630 --> 00:29:39,679

um and yeah frank they ruined i improved

793

00:29:43,190 --> 00:29:40,640

sugar

794

00:29:45,190 --> 00:29:43,200

uh lux you look sharp mate i take it he

795

00:29:48,070 --> 00:29:45,200

means me um

796

00:29:51,269 --> 00:29:48,080

i think he's saying that we look like uh

797

00:30:04,549 --> 00:29:51,279

chon bean in chop right in sharp picture

798

00:30:09,350 --> 00:30:06,149

i didn't plan on doing this i keep

799

00:30:11,510 --> 00:30:09,360

saying that right but i'll stop but um

800

00:30:13,430 --> 00:30:11,520

people are commenting on your antiseptic

801
00:30:15,190 --> 00:30:13,440
thing this is sorry i'm like and i'm

802
00:30:17,430 --> 00:30:15,200
barely even talking about you yeah right

803
00:30:19,350 --> 00:30:17,440
i totally get why

804
00:30:22,149 --> 00:30:19,360
i don't think it was we skipped one we

805
00:30:23,590 --> 00:30:22,159
we had an excellent academian yeah the

806
00:30:25,029 --> 00:30:23,600
point of convergence podcast i'd

807
00:30:27,590 --> 00:30:25,039
recommend people go listen to that it's

808
00:30:29,990 --> 00:30:27,600
about half hour long uh half hour 40

809
00:30:32,230 --> 00:30:30,000
minutes every week and and i'm not sure

810
00:30:33,430 --> 00:30:32,240
the gentleman who who does it um

811
00:30:35,110 --> 00:30:33,440
it'd be great to talk to him actually

812
00:30:38,149 --> 00:30:35,120
because he really dives into each of his

813
00:30:40,149 --> 00:30:38,159

subjects and and

814

00:30:42,630 --> 00:30:40,159

looks at all the different angles

815

00:30:44,710 --> 00:30:42,640

one of them was on dorothy is it um i

816

00:30:46,789 --> 00:30:44,720

don't know if you know about her but you

817

00:30:48,830 --> 00:30:46,799

know an amazing case and i'd recommend

818

00:30:50,789 --> 00:30:48,840

people start with that one

819

00:30:53,269 --> 00:30:50,799

xyz is there not a documentary about

820

00:30:55,350 --> 00:30:53,279

dorothy

821

00:30:57,909 --> 00:30:55,360

or something like that something in the

822

00:31:00,710 --> 00:30:57,919

light i want to say chasing yes

823

00:31:02,230 --> 00:31:00,720

something about lights yeah and like you

824

00:31:04,149 --> 00:31:02,240

see some footage it's a fascinating

825

00:31:06,310 --> 00:31:04,159

story just again one of those ones you

826

00:31:08,389 --> 00:31:06,320

gotta keep spinning that plate you know

827

00:31:11,110 --> 00:31:08,399

yeah lux is asking have you guys ever

828

00:31:13,269 --> 00:31:11,120

seen the phenomenon uh no the movie oh

829

00:31:14,630 --> 00:31:13,279

no never no yeah we have we reviewed it

830

00:31:15,590 --> 00:31:14,640

um if you go back and check that one out

831

00:31:17,509 --> 00:31:15,600

um

832

00:31:19,269 --> 00:31:17,519

james fox was on a couple of weeks ago a

833

00:31:20,870 --> 00:31:19,279

couple of months ago something like that

834

00:31:22,470 --> 00:31:20,880

on the podcast really good guy he's in

835

00:31:24,789 --> 00:31:22,480

brazil just now we wanted to do a watch

836

00:31:27,029 --> 00:31:24,799

along with it didn't we but

837

00:31:28,870 --> 00:31:27,039

right wise it's kind of questionable and

838

00:31:30,389 --> 00:31:28,880

we couldn't find the right software and

839

00:31:33,110 --> 00:31:30,399

hopefully it'd be really cool to to do

840

00:31:35,430 --> 00:31:33,120

that and maybe even we could convince

841

00:31:36,870 --> 00:31:35,440

james to come along and you know do a

842

00:31:39,029 --> 00:31:36,880

little bit of a commentary track so

843

00:31:41,590 --> 00:31:39,039

people can watch along that be different

844

00:31:43,350 --> 00:31:41,600

yeah that'd be cool um david wells speak

845

00:31:45,190 --> 00:31:43,360

american

846

00:31:47,110 --> 00:31:45,200

hi

847

00:31:49,029 --> 00:31:47,120

so when i speak american it goes a bit

848

00:31:50,870 --> 00:31:49,039

like this i don't know if this is like

849

00:31:53,110 --> 00:31:50,880

california american i've been brought up

850

00:31:54,870 --> 00:31:53,120

with uh hollywood my whole life so it

851
00:31:56,950 --> 00:31:54,880
kind of goes you know i could do new

852
00:31:59,029 --> 00:31:56,960
york but yeah no no i'm going to stop

853
00:32:01,029 --> 00:31:59,039
that now um i i think you're excellent

854
00:32:02,870 --> 00:32:01,039
accents for what it's worth people are

855
00:32:04,470 --> 00:32:02,880
going to go oh look at dan telling he's

856
00:32:07,190 --> 00:32:04,480
the co-host he's good at accents but

857
00:32:08,389 --> 00:32:07,200
yeah no um listen in the uk especially

858
00:32:10,710 --> 00:32:08,399
we have brought up on nothing but

859
00:32:12,230 --> 00:32:10,720
american tv and spending years watching

860
00:32:13,669 --> 00:32:12,240
hollywood movies and wrestling you get

861
00:32:15,110 --> 00:32:13,679
to know the accents

862
00:32:17,190 --> 00:32:15,120
yeah

863
00:32:19,990 --> 00:32:17,200

um

864

00:32:21,350 --> 00:32:20,000

andy this is a debunked paradise as pair

865

00:32:23,350 --> 00:32:21,360

get something actually solid i don't

866

00:32:24,470 --> 00:32:23,360

know if that's aimed at us or not

867

00:32:25,269 --> 00:32:24,480

um

868

00:32:27,990 --> 00:32:25,279

uh

869

00:32:29,430 --> 00:32:28,000

if you could clear that up andy

870

00:32:33,269 --> 00:32:29,440

that would be awesome

871

00:32:34,870 --> 00:32:33,279

um giggle i love forsen no idea um

872

00:32:36,070 --> 00:32:34,880

somebody said fair point dan that must

873

00:32:38,470 --> 00:32:36,080

be a mistake

874

00:32:40,070 --> 00:32:38,480

um kelly davies can then confirm he had

875

00:32:41,669 --> 00:32:40,080

a sight in breaking once i think i heard

876

00:32:44,310 --> 00:32:41,679

him say that previously that name rings

877

00:32:46,470 --> 00:32:44,320

a bell to me kerry we met well spoken

878

00:32:48,070 --> 00:32:46,480

that name rings about me it i mean it

879

00:32:50,230 --> 00:32:48,080

might be just a fairly common name but

880

00:32:52,389 --> 00:32:50,240

yes absolutely i i've seen many of

881

00:32:54,470 --> 00:32:52,399

things in bracken

882

00:32:56,470 --> 00:32:54,480

yeah pro-illusionist what's up boys

883

00:32:58,389 --> 00:32:56,480

you're right uh carl laws never gets

884

00:33:00,310 --> 00:32:58,399

sold did you know that jeff bridges

885

00:33:02,070 --> 00:33:00,320

doesn't have it

886

00:33:04,149 --> 00:33:02,080

but she doesn't like she have fridge's

887

00:33:05,669 --> 00:33:04,159

facts thanks ben that might be one of my

888

00:33:06,950 --> 00:33:05,679

favorite facts ever that i'm not even

889

00:33:10,950 --> 00:33:06,960

going to change

890

00:33:13,430 --> 00:33:10,960

i want to frame that on my wall just

891

00:33:15,509 --> 00:33:13,440

danny hd that's unintentional work stuff

892

00:33:18,070 --> 00:33:15,519

slipping in there andy yeah i know what

893

00:33:19,909 --> 00:33:18,080

danny's on about uh my day job the less

894

00:33:22,310 --> 00:33:19,919

said about that the better not that it's

895

00:33:24,870 --> 00:33:22,320

insane cd that makes it sound dodgy kev

896

00:33:27,590 --> 00:33:24,880

sup dogs do you guys have a theory why

897

00:33:29,590 --> 00:33:27,600

the uf ufo story isn't mainstream now

898

00:33:32,310 --> 00:33:29,600

yes mike i'll absolutely tell you why

899

00:33:34,230 --> 00:33:32,320

it isn't mainstream now is because we

900

00:33:36,470 --> 00:33:34,240

live in the tick tock twitter generation

901
00:33:39,350 --> 00:33:36,480
now where news doesn't stay big news for

902
00:33:42,070 --> 00:33:39,360
that long and it had its moment in the

903
00:33:44,710 --> 00:33:42,080
sun for the year i reckon back in may

904
00:33:46,630 --> 00:33:44,720
and june when the report was coming out

905
00:33:48,310 --> 00:33:46,640
because there was a very small chance

906
00:33:49,669 --> 00:33:48,320
that was never going to happen that

907
00:33:52,149 --> 00:33:49,679
people thought they might hear about

908
00:33:54,070 --> 00:33:52,159
aliens and ufos and flying saucers and

909
00:33:55,350 --> 00:33:54,080
an official government report and that's

910
00:33:56,470 --> 00:33:55,360
not what happened and we knew that

911
00:33:57,509 --> 00:33:56,480
wouldn't happen

912
00:33:59,669 --> 00:33:57,519
um

913
00:34:01,190 --> 00:33:59,679

so yeah uh

914

00:34:02,710 --> 00:34:01,200

i i would expect it to come back into

915

00:34:04,630 --> 00:34:02,720

the mainstream though you know it's

916

00:34:06,230 --> 00:34:04,640

gonna ebb and flow if you i'm sure if

917

00:34:07,590 --> 00:34:06,240

you look up google trends or something

918

00:34:08,550 --> 00:34:07,600

you'll kind of see

919

00:34:10,149 --> 00:34:08,560

how

920

00:34:11,349 --> 00:34:10,159

it was huge and then it goes quiet and

921

00:34:13,190 --> 00:34:11,359

then something else happens and it's

922

00:34:15,349 --> 00:34:13,200

even bigger that time and

923

00:34:17,109 --> 00:34:15,359

i i feel like every time something's

924

00:34:18,950 --> 00:34:17,119

happened it's just it's getting bigger

925

00:34:20,389 --> 00:34:18,960

and bigger and bigger i i

926
00:34:22,629 --> 00:34:20,399
i would

927
00:34:25,270 --> 00:34:22,639
argue with someone who said that this

928
00:34:27,510 --> 00:34:25,280
wasn't the most popular time for the

929
00:34:30,149 --> 00:34:27,520
subject

930
00:34:31,510 --> 00:34:30,159
yeah i i would agree with that um it's

931
00:34:33,109 --> 00:34:31,520
it's got a good level of exposure it's

932
00:34:34,700 --> 00:34:33,119
going to be a roller coaster it's going

933
00:34:36,149 --> 00:34:34,710
to go up and down um

934
00:34:39,829 --> 00:34:36,159
[Music]

935
00:34:42,550 --> 00:34:39,839
andy are you guys 12 years old together

936
00:34:45,270 --> 00:34:42,560
yeah you combine both of our ages 12 is

937
00:34:47,669 --> 00:34:45,280
about right i have half a big dozen each

938
00:34:49,109 --> 00:34:47,679

i was 12 once for about a year i was

939

00:34:51,270 --> 00:34:49,119

born younger

940

00:34:52,470 --> 00:34:51,280

chris love the podcast thank you very

941

00:34:54,310 --> 00:34:52,480

much

942

00:34:55,750 --> 00:34:54,320

i still find it honestly generally

943

00:34:57,829 --> 00:34:55,760

really fun

944

00:34:58,870 --> 00:34:57,839

people like i i listen to you it's like

945

00:34:59,829 --> 00:34:58,880

yeah

946

00:35:01,750 --> 00:34:59,839

um

947

00:35:03,109 --> 00:35:01,760

no one in my life listens to me so it's

948

00:35:04,630 --> 00:35:03,119

just weird

949

00:35:07,349 --> 00:35:04,640

my wife finds it hilarious that people

950

00:35:09,510 --> 00:35:07,359

listen to the podcast um

951

00:35:11,030 --> 00:35:09,520

dutch pete um have there been any

952

00:35:13,829 --> 00:35:11,040

dedicated attempts to do like

953

00:35:15,910 --> 00:35:13,839

communicate with ufo uap by army pilots

954

00:35:16,630 --> 00:35:15,920

navy if not why not after what i think

955

00:35:18,470 --> 00:35:16,640

so

956

00:35:21,349 --> 00:35:18,480

yeah i i would say almost definitely

957

00:35:23,589 --> 00:35:21,359

they've tried it um i think so even

958

00:35:24,550 --> 00:35:23,599

accidentally you know you you think of

959

00:35:28,550 --> 00:35:24,560

the

960

00:35:31,349 --> 00:35:28,560

fleet carriers being nuke powered and

961

00:35:32,710 --> 00:35:31,359

they they attract them so at a certain

962

00:35:34,390 --> 00:35:32,720

point

963

00:35:35,829 --> 00:35:34,400

yeah you're gonna respond to that of

964

00:35:37,430 --> 00:35:35,839

course you are

965

00:35:39,510 --> 00:35:37,440

yeah um

966

00:35:41,910 --> 00:35:39,520

leaf do you reckon lou or melon or any

967

00:35:43,270 --> 00:35:41,920

of that crew have anything unclassified

968

00:35:44,790 --> 00:35:43,280

which is compelling that they have not

969

00:35:46,150 --> 00:35:44,800

released for any reason

970

00:35:49,270 --> 00:35:46,160

yep

971

00:35:50,390 --> 00:35:49,280

i reckon timing

972

00:35:51,910 --> 00:35:50,400

um

973

00:35:56,870 --> 00:35:51,920

right now

974

00:35:59,670 --> 00:35:56,880

another video dropped that was

975

00:36:02,069 --> 00:35:59,680

as the same standard as the gimbal tic

976
00:36:03,589 --> 00:36:02,079
tac or go fast what difference would it

977
00:36:05,349 --> 00:36:03,599
make

978
00:36:06,950 --> 00:36:05,359
like generally what difference would it

979
00:36:09,030 --> 00:36:06,960
make other than for a couple of days we

980
00:36:11,510 --> 00:36:09,040
would go oh there's another video but if

981
00:36:12,950 --> 00:36:11,520
it was exactly as anomalous as those

982
00:36:13,750 --> 00:36:12,960
other ones are

983
00:36:15,670 --> 00:36:13,760
um

984
00:36:17,910 --> 00:36:15,680
and i've said the reason those three got

985
00:36:20,390 --> 00:36:17,920
released was because they were

986
00:36:21,510 --> 00:36:20,400
boring enough and a good way to be

987
00:36:23,270 --> 00:36:21,520
released

988
00:36:25,910 --> 00:36:23,280

because they're ambiguous enough to be

989

00:36:27,430 --> 00:36:25,920

released so for me yeah right now

990

00:36:28,950 --> 00:36:27,440

there's no point in releasing anything

991

00:36:30,230 --> 00:36:28,960

else or even anything else that

992

00:36:31,190 --> 00:36:30,240

ambiguous

993

00:36:35,190 --> 00:36:31,200

because

994

00:36:37,670 --> 00:36:36,230

that's that

995

00:36:39,910 --> 00:36:37,680

you could make an argument that that

996

00:36:42,310 --> 00:36:39,920

stuff didn't make as big as a splash as

997

00:36:44,870 --> 00:36:42,320

it could have i think because of the way

998

00:36:45,750 --> 00:36:44,880

it was like doled out over a few weeks

999

00:36:47,990 --> 00:36:45,760

you know

1000

00:36:49,430 --> 00:36:48,000

imagine i mean

1001
00:36:51,190 --> 00:36:49,440
it was probably about 10 minutes worth

1002
00:36:51,990 --> 00:36:51,200
of stuff if you'd put it all out at once

1003
00:36:52,790 --> 00:36:52,000
right

1004
00:36:55,030 --> 00:36:52,800
yeah

1005
00:36:56,790 --> 00:36:55,040
rickson by talking with mick you reach

1006
00:36:58,470 --> 00:36:56,800
his group too he represents an audience

1007
00:37:00,950 --> 00:36:58,480
absolutely mixed unwell to build his

1008
00:37:02,630 --> 00:37:00,960
audience and and build a following and a

1009
00:37:05,030 --> 00:37:02,640
fan base and everything else that that

1010
00:37:07,109 --> 00:37:05,040
entails you know he's mick was on the

1011
00:37:10,069 --> 00:37:07,119
rogan podcast wasn't he

1012
00:37:13,349 --> 00:37:10,079
mcquest yeah am i making it up oh no it

1013
00:37:16,870 --> 00:37:13,359

was on fox and cnn he was on um or he

1014

00:37:18,470 --> 00:37:16,880

was on cnn yeah yeah he was yeah

1015

00:37:19,270 --> 00:37:18,480

um but

1016

00:37:21,510 --> 00:37:19,280

yeah

1017

00:37:22,710 --> 00:37:21,520

i'm not i'm not guessing that that from

1018

00:37:24,630 --> 00:37:22,720

mike's point of view i just disagree

1019

00:37:26,790 --> 00:37:24,640

with his i just genuinely think he's

1020

00:37:28,150 --> 00:37:26,800

trolling the community with his stuff

1021

00:37:30,630 --> 00:37:28,160

but he's not the first one to last

1022

00:37:33,030 --> 00:37:30,640

either so but he's got a good place i i

1023

00:37:34,470 --> 00:37:33,040

will probably have mick on at some point

1024

00:37:35,589 --> 00:37:34,480

and that's not to say mike would want to

1025

00:37:37,270 --> 00:37:35,599

i think he's the kind of guy that

1026
00:37:38,870 --> 00:37:37,280
genuinely would accept if i invited him

1027
00:37:40,069 --> 00:37:38,880
tomorrow um

1028
00:37:42,150 --> 00:37:40,079
he's he's

1029
00:37:43,670 --> 00:37:42,160
got plenty of followers and doesn't have

1030
00:37:45,510 --> 00:37:43,680
to but i think he's polite and would do

1031
00:37:48,069 --> 00:37:45,520
that but i just don't feel i want how i

1032
00:37:49,510 --> 00:37:48,079
want to right now um

1033
00:37:52,550 --> 00:37:49,520
and that's not me being selfish i'll

1034
00:37:54,069 --> 00:37:52,560
happily listen to any suggestions but

1035
00:37:56,390 --> 00:37:54,079
i don't want to speak to mike just now

1036
00:37:58,790 --> 00:37:56,400
on the podcast the the thing is it would

1037
00:38:00,470 --> 00:37:58,800
go a certain way right like you talk

1038
00:38:03,750 --> 00:38:00,480

about the videos he'd present the cases

1039

00:38:05,829 --> 00:38:03,760

that he's already presented you go i

1040

00:38:07,589 --> 00:38:05,839

disagree and i kind of knew that before

1041

00:38:09,910 --> 00:38:07,599

i came on but you can have your opinion

1042

00:38:11,109 --> 00:38:09,920

and that would be it you know like no no

1043

00:38:13,109 --> 00:38:11,119

one's going to convince me and everyone

1044

00:38:14,950 --> 00:38:13,119

wants to convince me

1045

00:38:16,710 --> 00:38:14,960

he's playing to his audience

1046

00:38:18,630 --> 00:38:16,720

he's also

1047

00:38:21,589 --> 00:38:18,640

you know in terms of the experiments and

1048

00:38:23,829 --> 00:38:21,599

the the the the scenarios mick goes

1049

00:38:25,190 --> 00:38:23,839

through and what he demonstrates i am

1050

00:38:27,270 --> 00:38:25,200

not sanctified

1051
00:38:29,349 --> 00:38:27,280
me doing this doesn't count as science

1052
00:38:32,390 --> 00:38:29,359
but yeah but that's that so see if he

1053
00:38:34,470 --> 00:38:32,400
tells me that in these experiments x y

1054
00:38:36,870 --> 00:38:34,480
and z is the reason that that wouldn't

1055
00:38:38,230 --> 00:38:36,880
happen i don't know that that's correct

1056
00:38:39,990 --> 00:38:38,240
or not so i would need someone else to

1057
00:38:42,230 --> 00:38:40,000
be on as well who could who could argue

1058
00:38:43,349 --> 00:38:42,240
that or or not that's that's my point

1059
00:38:45,109 --> 00:38:43,359
with mike

1060
00:38:46,470 --> 00:38:45,119
you you listen to experts where he

1061
00:38:46,790 --> 00:38:46,480
doesn't

1062
00:38:47,990 --> 00:38:46,800
um

1063
00:38:50,950 --> 00:38:48,000

[Music]

1064

00:38:52,630 --> 00:38:50,960

andy i'm enjoying andy peters comments

1065

00:38:54,950 --> 00:38:52,640

melon and lure in the same old game from

1066

00:38:57,270 --> 00:38:54,960

decades ago if you care to look mental

1067

00:38:59,829 --> 00:38:57,280

do you know what andy fair comment about

1068

00:39:01,990 --> 00:38:59,839

as that's just a case of every 10 15 20

1069

00:39:03,829 --> 00:39:02,000

years that something comes around in a

1070

00:39:05,910 --> 00:39:03,839

different guys and you know what there's

1071

00:39:07,430 --> 00:39:05,920

arguments for that and i think i think

1072

00:39:08,870 --> 00:39:07,440

louis honda would be one of the first

1073

00:39:11,030 --> 00:39:08,880

people to argue that

1074

00:39:12,069 --> 00:39:11,040

people are entitled to their opinion

1075

00:39:15,510 --> 00:39:12,079

um

1076

00:39:16,950 --> 00:39:15,520

which is fair and i would ask andy peter

1077

00:39:18,710 --> 00:39:16,960

i'm not one to ignore the comments on

1078

00:39:21,349 --> 00:39:18,720

that by the way mate if it's just about

1079

00:39:22,790 --> 00:39:21,359

a trolling grown roflcopter but um i

1080

00:39:25,030 --> 00:39:22,800

would love to know what does interest

1081

00:39:27,190 --> 00:39:25,040

you in the ufo subject i'm seeing a lot

1082

00:39:28,390 --> 00:39:27,200

of what doesn't um

1083

00:39:30,150 --> 00:39:28,400

uh i i

1084

00:39:32,069 --> 00:39:30,160

and i'm guessing andy is scottish

1085

00:39:33,990 --> 00:39:32,079

because he's used the phrase what what a

1086

00:39:35,910 --> 00:39:34,000

walloper which is a very scottish phrase

1087

00:39:37,990 --> 00:39:35,920

and i appreciate that they're capturing

1088

00:39:40,150 --> 00:39:38,000

the light simon that's the documentary

1089

00:39:42,270 --> 00:39:40,160

thank you everyone um

1090

00:39:43,910 --> 00:39:42,280

not the movie the real thing

1091

00:39:45,670 --> 00:39:43,920

[Music]

1092

00:39:46,950 --> 00:39:45,680

oh the phenomenon that that's really

1093

00:39:50,230 --> 00:39:46,960

into that question

1094

00:39:52,710 --> 00:39:50,240

yes we both have right yeah my um

1095

00:39:54,550 --> 00:39:52,720

i'm only showing this because it's the

1096

00:39:56,950 --> 00:39:54,560

oh god the patreon patch right god

1097

00:39:58,910 --> 00:39:56,960

that's i'm sorry but see that

1098

00:40:01,670 --> 00:39:58,920

that is the patch that you get on the

1099

00:40:04,150 --> 00:40:01,680

patreon.com right but dan designed it

1100

00:40:06,470 --> 00:40:04,160

but it's based on the sighting i had so

1101
00:40:07,990 --> 00:40:06,480
probably not as big as that but i saw an

1102
00:40:10,390 --> 00:40:08,000
object like that spinning on its side

1103
00:40:12,870 --> 00:40:10,400
when i was about nine or ten that was

1104
00:40:13,910 --> 00:40:12,880
what i saw for the first time as a kid

1105
00:40:17,349 --> 00:40:13,920
um

1106
00:40:18,870 --> 00:40:17,359
family friend and

1107
00:40:20,790 --> 00:40:18,880
um so yeah

1108
00:40:24,069 --> 00:40:20,800
that's that's why that's on the the

1109
00:40:25,510 --> 00:40:24,079
podcast badge is what i saw um so that's

1110
00:40:26,870 --> 00:40:25,520
and it's pretty i think it's pretty

1111
00:40:29,109 --> 00:40:26,880
unique because not many other people

1112
00:40:30,950 --> 00:40:29,119
i've ever said i've had one like that so

1113
00:40:33,589 --> 00:40:30,960

low down and on the just above the

1114

00:40:34,470 --> 00:40:33,599

ground and stuff um

1115

00:40:35,349 --> 00:40:34,480

yeah

1116

00:40:36,870 --> 00:40:35,359

dan

1117

00:40:39,829 --> 00:40:36,880

has seen

1118

00:40:44,470 --> 00:40:42,710

um never i mean i you you've seen a

1119

00:40:45,990 --> 00:40:44,480

triangle i've never seen anything like

1120

00:40:48,150 --> 00:40:46,000

that um

1121

00:40:50,390 --> 00:40:48,160

my stuff is all

1122

00:40:52,550 --> 00:40:50,400

weird time flashing lights in the sky

1123

00:40:55,190 --> 00:40:52,560

sleep paralysis and just some odd

1124

00:40:56,950 --> 00:40:55,200

experience kind of mixed in there

1125

00:40:58,150 --> 00:40:56,960

yeah um have you we'll try and get

1126
00:40:59,589 --> 00:40:58,160
through some of these quick because we

1127
00:41:01,750 --> 00:40:59,599
really didn't expect to be doing this

1128
00:41:04,390 --> 00:41:01,760
this long no wait how long we've been on

1129
00:41:06,470 --> 00:41:04,400
here for 41 minutes

1130
00:41:07,750 --> 00:41:06,480
thank you everyone testing this out i'm

1131
00:41:10,309 --> 00:41:07,760
probably going to have to pay for stream

1132
00:41:12,550 --> 00:41:10,319
yard now then to do these more regular

1133
00:41:14,230 --> 00:41:12,560
um can we just do like a seven day trial

1134
00:41:15,990 --> 00:41:14,240
once a month and then just keep changing

1135
00:41:17,829 --> 00:41:16,000
events you can sign up for the next one

1136
00:41:20,150 --> 00:41:17,839
and then we'll just ask listeners if he

1137
00:41:21,510 --> 00:41:20,160
trials to us um if anyone from stream

1138
00:41:23,670 --> 00:41:21,520

yard is listening they will definitely

1139

00:41:25,990 --> 00:41:23,680

not be fudging the system

1140

00:41:28,470 --> 00:41:26,000

um have you guys seen lewis live this

1141

00:41:29,910 --> 00:41:28,480

evening really quickly i i've not yet

1142

00:41:31,910 --> 00:41:29,920

i've not caught up on the stuff today

1143

00:41:34,710 --> 00:41:31,920

just family stuff dan

1144

00:41:37,109 --> 00:41:34,720

uh lou was in the they're talking about

1145

00:41:38,630 --> 00:41:37,119

the bill right uh on ucr is that what

1146

00:41:40,790 --> 00:41:38,640

we're talking about uh no i haven't seen

1147

00:41:41,910 --> 00:41:40,800

it it's going on now and as we were

1148

00:41:43,990 --> 00:41:41,920

doing the

1149

00:41:45,430 --> 00:41:44,000

list

1150

00:41:47,510 --> 00:41:45,440

of max it might have even been the

1151
00:41:48,630 --> 00:41:47,520
stuffer max but yeah we're going to get

1152
00:41:50,470 --> 00:41:48,640
them yeah

1153
00:41:52,550 --> 00:41:50,480
it is the mac stuff i've seen that and

1154
00:41:54,309 --> 00:41:52,560
that's amazing but we spoke a little bit

1155
00:41:56,470 --> 00:41:54,319
about that on the

1156
00:41:58,710 --> 00:41:56,480
call-in and here as well so i won't go

1157
00:42:01,270 --> 00:41:58,720
back over it you can wind back and do

1158
00:42:03,510 --> 00:42:01,280
the thing we'll do a news pod on it um

1159
00:42:05,190 --> 00:42:03,520
andy peter utter click bait [h__\h]

1160
00:42:06,790 --> 00:42:05,200
he's definitely scottish eighty years of

1161
00:42:08,390 --> 00:42:06,800
it not getting it yet

1162
00:42:11,030 --> 00:42:08,400
uh lew said the news drought was on

1163
00:42:13,589 --> 00:42:11,040

purpose yeah i'd imagine gerald hey guys

1164

00:42:15,109 --> 00:42:13,599

you're right general tied in um

1165

00:42:16,630 --> 00:42:15,119

pro illusionists they deliberately took

1166

00:42:17,910 --> 00:42:16,640

the gas off the public news and are

1167

00:42:19,990 --> 00:42:17,920

doing stuff in the background like a

1168

00:42:22,069 --> 00:42:20,000

sneaky submarine he said i like that

1169

00:42:24,150 --> 00:42:22,079

sneaky submarine yes there's a lot going

1170

00:42:26,470 --> 00:42:24,160

on in the background um the news has the

1171

00:42:28,790 --> 00:42:26,480

attention span of a nat and a hurricane

1172

00:42:31,270 --> 00:42:28,800

oh i like canadian analogy you those

1173

00:42:33,430 --> 00:42:31,280

interests rapidly without help from mibs

1174

00:42:35,670 --> 00:42:33,440

uh andy peter are remote viewing

1175

00:42:37,030 --> 00:42:35,680

hahahaha seriously where are all the

1176

00:42:37,910 --> 00:42:37,040

missing people then

1177

00:42:39,270 --> 00:42:37,920

um

1178

00:42:41,190 --> 00:42:39,280

i mean some of them are some of them

1179

00:42:44,150 --> 00:42:41,200

have actually found something yeah

1180

00:42:45,990 --> 00:42:44,160

exactly uh i i'd say like i mean i get

1181

00:42:49,670 --> 00:42:46,000

where andy's coming from because it

1182

00:42:50,950 --> 00:42:49,680

sounds nuts but i'd say try it learn it

1183

00:42:52,230 --> 00:42:50,960

see what happens

1184

00:42:53,829 --> 00:42:52,240

there's a thing called beginner's luck

1185

00:42:54,950 --> 00:42:53,839

in remote viewing and that exists for a

1186

00:42:55,990 --> 00:42:54,960

reason so

1187

00:42:58,309 --> 00:42:56,000

have fun

1188

00:43:00,870 --> 00:42:58,319

yeah um and also like would it not be

1189

00:43:02,870 --> 00:43:00,880

really easy as a remote viewer or

1190

00:43:04,069 --> 00:43:02,880

somebody who is bullshitting to just say

1191

00:43:05,910 --> 00:43:04,079

oh they're dead

1192

00:43:07,190 --> 00:43:05,920

and yeah yeah and because you couldn't

1193

00:43:08,710 --> 00:43:07,200

really disprove that unless they turned

1194

00:43:10,550 --> 00:43:08,720

up yeah yeah and the thing with the

1195

00:43:12,230 --> 00:43:10,560

remote viewing is as well that you you

1196

00:43:14,309 --> 00:43:12,240

need you need to practice with

1197

00:43:16,390 --> 00:43:14,319

confirmable targets right

1198

00:43:19,030 --> 00:43:16,400

so if like you say i could just make

1199

00:43:20,630 --> 00:43:19,040

stuff up um whereas if you're asking me

1200

00:43:22,870 --> 00:43:20,640

something that you know you've seen you

1201
00:43:24,950 --> 00:43:22,880
can tell me whether i'm right or not um

1202
00:43:26,950 --> 00:43:24,960
it's hard to do a confirmable target

1203
00:43:28,309 --> 00:43:26,960
with something that's missing

1204
00:43:29,990 --> 00:43:28,319
you just

1205
00:43:31,430 --> 00:43:30,000
by its nature you know

1206
00:43:32,790 --> 00:43:31,440
yeah um

1207
00:43:34,710 --> 00:43:32,800
what else have we got what's your

1208
00:43:37,030 --> 00:43:34,720
opinion on the pentrick incident kerry

1209
00:43:39,109 --> 00:43:37,040
asked so that was a military exercise

1210
00:43:41,750 --> 00:43:39,119
there's no evidence whatsoever that the

1211
00:43:43,750 --> 00:43:41,760
pendrick incident was anything other

1212
00:43:45,430 --> 00:43:43,760
there's a lot of paperwork back on that

1213
00:43:47,510 --> 00:43:45,440

as well like warnings to the residents

1214

00:43:49,670 --> 00:43:47,520

to expect what was described by the

1215

00:43:52,069 --> 00:43:49,680

witnesses who think it's a uap thing i'm

1216

00:43:53,589 --> 00:43:52,079

i'm open to more evidence but i feel

1217

00:43:56,230 --> 00:43:53,599

like it's in that

1218

00:43:58,470 --> 00:43:56,240

yeah um dan um

1219

00:43:59,990 --> 00:43:58,480

andy peters right you are full of [h__\h]

1220

00:44:02,150 --> 00:44:00,000

um because mick west has been on joe

1221

00:44:07,190 --> 00:44:02,160

rogan three times ha ha

1222

00:44:10,710 --> 00:44:07,200

um 2017 twice and also in 2013 so

1223

00:44:13,670 --> 00:44:10,720

check you sorry folks

1224

00:44:15,510 --> 00:44:13,680

yeah it has i i'm sure he's been on it

1225

00:44:17,349 --> 00:44:15,520

anyway but yeah andy you've got dan

1226

00:44:20,390 --> 00:44:17,359

there andy if you want to be the new

1227

00:44:21,990 --> 00:44:20,400

co-host absolutely fine mate

1228

00:44:25,109 --> 00:44:22,000

you guys are so old

1229

00:44:28,230 --> 00:44:25,119

oh no he has i'm wrong yeah that's that

1230

00:44:29,109 --> 00:44:28,240

um your dessert information agent 2017 i

1231

00:44:30,870 --> 00:44:29,119

know

1232

00:44:33,030 --> 00:44:30,880

yeah wow um

1233

00:44:34,309 --> 00:44:33,040

thanks for putting that one right andy

1234

00:44:40,309 --> 00:44:34,319

uh

1235

00:44:42,630 --> 00:44:40,319

yeah lou that was interesting rebecca

1236

00:44:45,030 --> 00:44:42,640

like i say we'll be doing the

1237

00:44:47,750 --> 00:44:45,040

thing i think andy's just had a stroke

1238

00:44:53,510 --> 00:44:47,760

um oh i don't think i did did my camera

1239

00:44:57,990 --> 00:44:56,710

andy odr manscape

1240

00:45:00,150 --> 00:44:58,000

at least he's looking at the sponsor

1241

00:45:02,390 --> 00:45:00,160

thanks for checking that one out 20 off

1242

00:45:04,550 --> 00:45:02,400

and free shipping if you use the code uh

1243

00:45:06,309 --> 00:45:04,560

make a good question to ask mcquest

1244

00:45:08,550 --> 00:45:06,319

would be do you think you have actually

1245

00:45:10,790 --> 00:45:08,560

debunked the pentagon videos or uh some

1246

00:45:12,550 --> 00:45:10,800

other options are available um

1247

00:45:14,630 --> 00:45:12,560

do you know what i i think mix kind of

1248

00:45:17,270 --> 00:45:14,640

said himself that he you can't say that

1249

00:45:19,270 --> 00:45:17,280

he's 100 debunked anything but he's

1250

00:45:20,870 --> 00:45:19,280

these videos are possibilities and you

1251

00:45:22,710 --> 00:45:20,880

know what until we find out 100

1252

00:45:24,069 --> 00:45:22,720

otherwise then you've got to leave mixed

1253

00:45:27,349 --> 00:45:24,079

stuff on the table

1254

00:45:29,030 --> 00:45:27,359

uh danny wayne's our burns uh kids i

1255

00:45:30,309 --> 00:45:29,040

tend to say anyway think living in

1256

00:45:33,349 --> 00:45:30,319

england

1257

00:45:34,550 --> 00:45:33,359

alarm bells uh lauda general public

1258

00:45:36,309 --> 00:45:34,560

probably doesn't see the difference

1259

00:45:38,069 --> 00:45:36,319

between uap task force and the new uap

1260

00:45:39,349 --> 00:45:38,079

office yeah absolutely right the general

1261

00:45:41,750 --> 00:45:39,359

public don't have an interest in the

1262

00:45:44,309 --> 00:45:41,760

subject and anywhere near what we have

1263

00:45:45,109 --> 00:45:44,319

it's still a case of no way that there

1264

00:45:46,390 --> 00:45:45,119

are

1265

00:45:47,990 --> 00:45:46,400

um

1266

00:45:49,349 --> 00:45:48,000

aliens or spaceships coming from other

1267

00:45:52,150 --> 00:45:49,359

planets that's that's where the general

1268

00:45:53,109 --> 00:45:52,160

public's conversation still is on this

1269

00:45:55,109 --> 00:45:53,119

um

1270

00:45:55,910 --> 00:45:55,119

for me anyway from from people i speak

1271

00:45:56,790 --> 00:45:55,920

to

1272

00:45:58,550 --> 00:45:56,800

um

1273

00:46:00,309 --> 00:45:58,560

sir bollocks a lot of an ex-army mate

1274

00:46:03,270 --> 00:46:00,319

who saw a rectangle the size of a seven

1275

00:46:05,270 --> 00:46:03,280

floor seven folding over itself rapidly

1276

00:46:06,870 --> 00:46:05,280

samsung samsung would love that in their

1277

00:46:07,910 --> 00:46:06,880

advertising as well

1278

00:46:09,910 --> 00:46:07,920

um

1279

00:46:11,510 --> 00:46:09,920

sounds like 5d-ish

1280

00:46:13,270 --> 00:46:11,520

like something else

1281

00:46:15,109 --> 00:46:13,280

yeah yeah pretty cool

1282

00:46:16,470 --> 00:46:15,119

um guys couple of minutes and then we'll

1283

00:46:17,990 --> 00:46:16,480

wrap this up because we were just doing

1284

00:46:18,360 --> 00:46:18,000

this as a test and

1285

00:46:20,870 --> 00:46:18,370

um

1286

00:46:22,150 --> 00:46:20,880

[Music]

1287

00:46:24,150 --> 00:46:22,160

maybe you could do a show about quantum

1288

00:46:27,430 --> 00:46:24,160

mechanics given lou references all the

1289

00:46:31,030 --> 00:46:27,440

time i don't need someone on to

1290

00:46:35,349 --> 00:46:33,270

what me on quantity yeah yeah

1291

00:46:37,829 --> 00:46:35,359

i want to see how that goes but it would

1292

00:46:39,430 --> 00:46:37,839

go really badly um

1293

00:46:41,270 --> 00:46:39,440

in a respectable way you have no idea

1294

00:46:42,950 --> 00:46:41,280

how ironic that sounds i must have

1295

00:46:45,270 --> 00:46:42,960

missed that mick feels sorry for you i

1296

00:46:46,950 --> 00:46:45,280

feel probably this is a mick west um

1297

00:46:47,750 --> 00:46:46,960

burner account isn't it that's what i

1298

00:46:49,829 --> 00:46:47,760

meant

1299

00:46:51,510 --> 00:46:49,839

yeah oh yeah um

1300

00:46:52,870 --> 00:46:51,520

i i just want to make it clear this is

1301
00:46:54,710 --> 00:46:52,880
the only time we generally talk about

1302
00:46:56,790 --> 00:46:54,720
midwest is when people you know bring

1303
00:46:57,910 --> 00:46:56,800
them up and ask about him and stuff it's

1304
00:46:59,190 --> 00:46:57,920
clever

1305
00:47:00,390 --> 00:46:59,200
i've said before

1306
00:47:02,550 --> 00:47:00,400
people got bored of me saying he's a

1307
00:47:05,829 --> 00:47:02,560
clever guy but i disagree like he would

1308
00:47:06,790 --> 00:47:05,839
disagree with me so that's fair um oh

1309
00:47:07,990 --> 00:47:06,800
and i think we've caught up with the

1310
00:47:09,109 --> 00:47:08,000
comments now

1311
00:47:10,470 --> 00:47:09,119
and we have

1312
00:47:11,990 --> 00:47:10,480
terry birds

1313
00:47:13,589 --> 00:47:12,000

yeah teddy bear said he had people from

1314

00:47:15,910 --> 00:47:13,599

the pentagon pull him aside and tell him

1315

00:47:18,470 --> 00:47:15,920

about stuff going on uh todd i would

1316

00:47:20,309 --> 00:47:18,480

love to speak to terry works um

1317

00:47:22,069 --> 00:47:20,319

he's a former astronaut though really in

1318

00:47:24,470 --> 00:47:22,079

demand i imagine the guy's time is

1319

00:47:26,549 --> 00:47:24,480

precious i did contact him after he done

1320

00:47:28,390 --> 00:47:26,559

the louis lazondo interview i would love

1321

00:47:30,069 --> 00:47:28,400

his opinion on the subject especially

1322

00:47:31,670 --> 00:47:30,079

from a point of view

1323

00:47:33,910 --> 00:47:31,680

as someone who doesn't seem to be like a

1324

00:47:34,950 --> 00:47:33,920

big ufo believer which would be good to

1325

00:47:35,910 --> 00:47:34,960

talk to

1326

00:47:37,349 --> 00:47:35,920

um

1327

00:47:40,390 --> 00:47:37,359

and then just to kind of finish up last

1328

00:47:43,829 --> 00:47:41,270

uh

1329

00:47:46,230 --> 00:47:43,839

thoughts on the 1947 black forest crash

1330

00:47:48,549 --> 00:47:46,240

in germany nazi uap retrieval not heard

1331

00:47:50,230 --> 00:47:48,559

much about that dusty club graham's book

1332

00:47:53,349 --> 00:47:50,240

there

1333

00:47:55,829 --> 00:47:53,359

this is

1334

00:47:57,990 --> 00:47:55,839

a colleague of ours graham randall um

1335

00:48:00,790 --> 00:47:58,000

has released a book called ufos before

1336

00:48:03,750 --> 00:48:00,800

roswell field filters uh foo fighters uh

1337

00:48:06,150 --> 00:48:03,760

between 1940 1945 i think they're the

1338

00:48:08,309 --> 00:48:06,160

right dates um and that kind of goes

1339

00:48:10,390 --> 00:48:08,319

into the the story of nancy craft and

1340

00:48:13,030 --> 00:48:10,400

things like that and graham did a lot of

1341

00:48:14,950 --> 00:48:13,040

work digging into

1342

00:48:16,630 --> 00:48:14,960

you know the the

1343

00:48:19,270 --> 00:48:16,640

the stories that people hadn't kind of

1344

00:48:21,190 --> 00:48:19,280

investigated properly um so i won't

1345

00:48:22,870 --> 00:48:21,200

spoil that but i'd recommend have a read

1346

00:48:25,430 --> 00:48:22,880

it i think it's on kitten unlimited for

1347

00:48:27,270 --> 00:48:25,440

free uh and so you can read it and it's

1348

00:48:29,030 --> 00:48:27,280

great graham's coming on to talk about

1349

00:48:31,109 --> 00:48:29,040

it obviously i met going for a coffee

1350

00:48:33,190 --> 00:48:31,119

the other week first member of uap media

1351

00:48:35,589 --> 00:48:33,200

i've met face to

1352

00:48:37,030 --> 00:48:35,599

uh face pj has come out and said he

1353

00:48:38,630 --> 00:48:37,040

changed his mind about the tic tac and

1354

00:48:40,390 --> 00:48:38,640

feels it could be not human non-human

1355

00:48:42,549 --> 00:48:40,400

tech yeah i'm surprised when i saw that

1356

00:48:44,549 --> 00:48:42,559

as well good to see pj yeah ben has

1357

00:48:47,270 --> 00:48:44,559

level created a paradox by mixing too

1358

00:48:49,910 --> 00:48:47,280

many metaphors potentially he has ever

1359

00:48:52,390 --> 00:48:49,920

every time lelazondo says a metaphor or

1360

00:48:53,910 --> 00:48:52,400

an analogy a tic tac gets his wings

1361

00:48:55,990 --> 00:48:53,920

so yep um

1362

00:48:58,790 --> 00:48:56,000

there are no wings oh control services

1363

00:49:00,150 --> 00:48:58,800

you liar not that you know of um

1364

00:49:01,750 --> 00:49:00,160

fun way to start the week yeah cheers

1365

00:49:03,670 --> 00:49:01,760

make this again folks we've said that

1366

00:49:06,150 --> 00:49:03,680

was just a test we're going to get off

1367

00:49:07,910 --> 00:49:06,160

now um the format works really well even

1368

00:49:10,710 --> 00:49:07,920

with the trolls having a dog

1369

00:49:13,030 --> 00:49:10,720

dig yeah um and they'll be all over you

1370

00:49:15,109 --> 00:49:13,040

for getting that one wrong love the show

1371

00:49:17,750 --> 00:49:15,119

level-headed honest approach cheers ryan

1372

00:49:19,990 --> 00:49:17,760

um but yeah listen thanks folks we were

1373

00:49:21,670 --> 00:49:20,000

just checking this out the idea being we

1374

00:49:23,190 --> 00:49:21,680

want to kind of try and do

1375

00:49:25,990 --> 00:49:23,200

um well you know what there's some

1376

00:49:29,270 --> 00:49:26,000

really good youtube shows like um ucr

1377

00:49:30,630 --> 00:49:29,280

has this covered um project unity do the

1378

00:49:32,870 --> 00:49:30,640

does the youtube show which is really

1379

00:49:35,030 --> 00:49:32,880

good ryan sprague does audio on youtube

1380

00:49:36,870 --> 00:49:35,040

there's a lot of great uh content we're

1381

00:49:39,910 --> 00:49:36,880

never going to be and we are not a

1382

00:49:41,589 --> 00:49:39,920

youtube show um but the platform's there

1383

00:49:43,990 --> 00:49:41,599

we've got over 2 000 people now

1384

00:49:45,510 --> 00:49:44,000

subscribed um so it'd be nice to do this

1385

00:49:49,109 --> 00:49:45,520

a couple of times a month and i'd quite

1386

00:49:50,470 --> 00:49:49,119

like to do one of these where we have um

1387

00:49:51,910 --> 00:49:50,480

the videos playing of some of the

1388

00:49:53,030 --> 00:49:51,920

footage that people have sent us in and

1389

00:49:54,710 --> 00:49:53,040

talked about and we could kind of talk

1390

00:49:56,790 --> 00:49:54,720

about it with the footage please yeah

1391

00:49:58,069 --> 00:49:56,800

that'd be really great again and can i

1392

00:50:00,950 --> 00:49:58,079

just say thanks to everyone who's

1393

00:50:03,270 --> 00:50:00,960

enjoyed it andy peter pleasure talking

1394

00:50:05,589 --> 00:50:03,280

to you mate you are absolutely entitled

1395

00:50:06,630 --> 00:50:05,599

to the opinion i see the problem is in

1396

00:50:09,030 --> 00:50:06,640

this

1397

00:50:10,950 --> 00:50:09,040

beautiful thing that we love is nobody

1398

00:50:12,790 --> 00:50:10,960

knows who's right or wrong

1399

00:50:14,549 --> 00:50:12,800

so you might be absolutely right and one

1400

00:50:15,910 --> 00:50:14,559

day andy peter will turn around and tell

1401

00:50:18,870 --> 00:50:15,920

us all ha

1402

00:50:21,190 --> 00:50:18,880

all suckers and bs merchants totally

1403

00:50:22,950 --> 00:50:21,200

right mate but until that time we get to

1404

00:50:25,829 --> 00:50:22,960

converse and have a bit of fun

1405

00:50:28,309 --> 00:50:25,839

we know andy might be actual god in our

1406

00:50:30,630 --> 00:50:28,319

comment section talking to us yeah but

1407

00:50:32,150 --> 00:50:30,640

you know what i i enjoy seeing people

1408

00:50:33,750 --> 00:50:32,160

interacting and having a bit of our back

1409

00:50:36,309 --> 00:50:33,760

and forward as well so

1410

00:50:38,710 --> 00:50:36,319

um cheers dave smith again cheers for

1411

00:50:41,510 --> 00:50:38,720

that uh thanks chaps thanks vinnie

1412

00:50:42,470 --> 00:50:41,520

lauder chris sir bollocks a lot uh they

1413

00:50:45,109 --> 00:50:42,480

are both

1414

00:50:47,990 --> 00:50:46,150

um

1415

00:50:50,069 --> 00:50:48,000

that's such a british name that ufo

1416

00:50:52,630 --> 00:50:50,079

podcast you need to get early access to

1417

00:50:54,470 --> 00:50:52,640

1418

00:50:55,270 --> 00:50:54,480

1423

00:51:08,710 --> 00:51:06,480

1424

00:51:09,670 --> 00:51:08,720

vet it he'll remove anything like good

1432
00:51:26,549 --> 00:51:24,559
or any compliments or anything like that

1433
00:51:28,870 --> 00:51:26,559

1435
00:51:35,190 --> 00:51:32,079
than that the signal at protonmail.com

1436

gamma stage yeah so i'm not gonna i

1438
00:51:42,390 --> 00:51:38,960

1439

00:51:46,549 --> 00:51:44,790

thank you very much um the show is great

1442

00:51:52,390 --> 00:51:50,800

when it's not an actual show just a test

1443

00:51:53,910 --> 00:51:52,400

yeah so i'm glad we went like a test

1444

00:51:56,790 --> 00:51:53,920

compliment

1445

00:51:58,950 --> 00:51:56,800

pretty much yeah and there was those two

1446

00:52:00,390 --> 00:51:58,960

thingies before the super sticker things

1447

00:52:02,630 --> 00:52:00,400

and we'll put the money in the charity

1448

00:52:04,390 --> 00:52:02,640
