JAMES FOX
UPDATE

1
00:00:06,470 --> 00:00:04,630
hi everyone andy here from that ufo

2
00:00:09,110 --> 00:00:06,480
podcast and doing this for the first

3
00:00:11,830 --> 00:00:09,120
time as i feel this is the best way to

4
00:00:14,150 --> 00:00:11,840
get this info out to you i reached out

5
00:00:16,550 --> 00:00:14,160
to james fox today who as you may or may

6
00:00:18,950 --> 00:00:16,560
not know is out in virginia brazil

7
00:00:20,630 --> 00:00:18,960
currently recording has well it's not

8
00:00:22,550 --> 00:00:20,640
the follow-up to the phenomenon because

9
00:00:25,670 --> 00:00:22,560
that is going to have a phenomenon to

10
00:00:27,670 --> 00:00:25,680
direct sequel this is an independent

11
00:00:30,710 --> 00:00:27,680
piece on the virginia incident that

12
00:00:32,470 --> 00:00:30,720
happened in brazil in the mid-90s and i

13
00:00:34,389 --> 00:00:32,480

reached out to james to ask him if he

14

00:00:36,549 --> 00:00:34,399

had any updates for us because he's

15

00:00:39,190 --> 00:00:36,559

posted some really cool stuff on his

16

00:00:40,950 --> 00:00:39,200

facebook recently and i asked him did he

17

00:00:43,350 --> 00:00:40,960

have any quotes or something he could

18

00:00:44,709 --> 00:00:43,360

send over and this is what he shared

19

00:00:47,029 --> 00:00:44,719

with me so i'm going to start playing

20

00:00:49,510 --> 00:00:47,039

the video at the same time of the

21

00:00:52,229 --> 00:00:49,520

incident he's describing but this is

22

00:00:53,910 --> 00:00:52,239

what he describes as the craziest day of

23

00:00:55,990 --> 00:00:53,920

his career

24

00:00:59,270 --> 00:00:56,000

so what you're seeing here is behind the

25

00:01:01,270 --> 00:00:59,280

scenes of his shoot the guy we came to

26

00:01:03,590 --> 00:01:01,280

talk to and this is from james

27

00:01:07,030 --> 00:01:03,600

was the military officer driving the car

28

00:01:10,149 --> 00:01:07,040

on the night of january 20th 1996 when

29

00:01:12,550 --> 00:01:10,159

his passenger marco charese jumped out

30

00:01:14,070 --> 00:01:12,560

of the car and captured the alien with

31

00:01:15,990 --> 00:01:14,080

his bare hands

32

00:01:18,630 --> 00:01:16,000

we were with a high-level politician

33

00:01:20,310 --> 00:01:18,640

whose father was chief of police and has

34

00:01:23,109 --> 00:01:20,320

known the witness since the early

35

00:01:25,429 --> 00:01:23,119

eighties we even had the blessing of the

36

00:01:28,149 --> 00:01:25,439

town mayor but the witness said we were

37

00:01:30,870 --> 00:01:28,159

in danger asking him questions then said

38

00:01:32,069 --> 00:01:30,880

he would shoot us all if we didn't leave

39

00:01:34,469 --> 00:01:32,079

immediately

40

00:01:37,429 --> 00:01:34,479

and james has then said there is more to

41

00:01:39,590 --> 00:01:37,439

share when they get back to the usa so

42

00:01:41,270 --> 00:01:39,600

thanks to james for sending that over a

43

00:01:43,590 --> 00:01:41,280

lot of people have been asking about

44

00:01:45,429 --> 00:01:43,600

this piece this is something james was

45

00:01:48,310 --> 00:01:45,439

on the podcast talking about quite

46

00:01:50,630 --> 00:01:48,320

recently that he hopes to have filmed

47

00:01:53,510 --> 00:01:50,640

put together and ready to release

48

00:01:55,749 --> 00:01:53,520

independently more than likely on demand

49

00:01:58,469 --> 00:01:55,759

not in theaters and so available for

50

00:02:01,429 --> 00:01:58,479

download on your usual platforms uh

51
00:02:03,830 --> 00:02:01,439
hopefully march april may of next year

52
00:02:05,429 --> 00:02:03,840
um with the phenomenon two direct sql

53
00:02:07,749 --> 00:02:05,439
being filmed thereafter and as you can

54
00:02:09,270 --> 00:02:07,759
see here the crew are all leaving and

55
00:02:11,670 --> 00:02:09,280
they've basically been talking in the

56
00:02:14,229 --> 00:02:11,680
local brazilian portuguese i'm a bit

57
00:02:15,990 --> 00:02:14,239
lost on that one and a mix of english as

58
00:02:18,790 --> 00:02:16,000
to what's happened but they've been told

59
00:02:20,470 --> 00:02:18,800
to leave so it's you know it's not the

60
00:02:22,229 --> 00:02:20,480
easiest place to go and shoot and it's

61
00:02:24,229 --> 00:02:22,239
amazing that james is spending so long

62
00:02:26,470 --> 00:02:24,239
out there away from his family on his

63
00:02:28,949 --> 00:02:26,480

own to bring us this piece of of footage

64

00:02:30,630 --> 00:02:28,959

in the documentary so thanks to james

65

00:02:32,470 --> 00:02:30,640

for the little update for you hopefully

66

00:02:34,150 --> 00:02:32,480

you found this useful and i'll share

67

00:02:36,309 --> 00:02:34,160

this to everyone on the social media

68

00:02:38,070 --> 00:02:36,319

platforms as well folks thanks again for
