P O D C A S T

ROSS COULTHART

- PART ONE -

1
00:00:04,390 --> 00:00:03,030
i asked you an email previously uh for

2
00:00:05,910 --> 00:00:04,400
some from new information that

3
00:00:08,070 --> 00:00:05,920
potentially might be coming up and you

4
00:00:09,669 --> 00:00:08,080
said to me ross and i'll quote ask me

5
00:00:12,549 --> 00:00:09,679
about the evidence that the us is

6
00:00:14,950 --> 00:00:12,559
tracking uap craft using electromagnetic

7
00:00:17,189 --> 00:00:14,960
signatures and i would potentially link

8
00:00:19,029 --> 00:00:17,199
this to luella zondo himself teasing

9
00:00:21,990 --> 00:00:19,039
that as a very simple way to detect

10
00:00:23,670 --> 00:00:22,000
these objects would that be correct

11
00:00:26,710 --> 00:00:23,680
i think he's right

12
00:00:29,669 --> 00:00:26,720
i've spoken to boffins who've told me

13
00:00:32,470 --> 00:00:29,679

that the us knew the frequencies that

14

00:00:35,030 --> 00:00:32,480

allowed them to track detect and
