P O D C A S T

ROSS COULTHART

- PART ONE -

1  
00:00:14,310 --> 00:00:04,470

[Music]

2  
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

3  
00:00:23,880 --> 00:00:18,960

sphere where the points of the cube

4  
00:00:37,190 --> 00:00:33,500

[Music]

5  
00:00:38,709 --> 00:00:37,200

[Applause]

6  
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

7  
00:00:46,229 --> 00:00:40,960

limited to the united states it's a

8  
00:00:50,869 --> 00:00:48,790

that ufo podcast is powered by zen

9  
00:00:52,630 --> 00:00:50,879

caster zencaster is one of the world's

10  
00:00:55,510 --> 00:00:52,640

leading platforms for recording and

11  
00:00:57,110 --> 00:00:55,520

hosting podcasts zencaster is a modern

12  
00:00:59,590 --> 00:00:57,120

web-based solution for high quality

13  
00:01:01,349 --> 00:00:59,600

audio and video podcast production with

14

00:01:03,750 --> 00:01:01,359

a full suite of professional tools

15

00:01:05,910 --> 00:01:03,760

zencasa allows podcasters to quickly and

16

00:01:07,510 --> 00:01:05,920

seamlessly record their guests remotely

17

00:01:09,190 --> 00:01:07,520

and produce their podcasts and studio

18

00:01:11,190 --> 00:01:09,200

quality check out the links in the show

19

00:01:13,510 --> 00:01:11,200

description to find out more

20

00:01:15,590 --> 00:01:13,520

i am george knapp listening to that ufo

21

00:01:17,830 --> 00:01:15,600

podcast and having one hell of a good

22

00:01:19,670 --> 00:01:17,840

time

23

00:01:22,789 --> 00:01:19,680

hi everyone and welcome back to a very

24

00:01:25,109 --> 00:01:22,799

special that ufo podcast in a huge near

25

00:01:28,230 --> 00:01:25,119

or a year of news and progress in the

26  
00:01:30,310 --> 00:01:28,240  
world of ufos one name has made arguably

27  
00:01:32,550 --> 00:01:30,320  
one of the biggest impacts for years his

28  
00:01:34,950 --> 00:01:32,560  
documentary the ufo phenomenon and

29  
00:01:37,030 --> 00:01:34,960  
subsequent book and plain sight have

30  
00:01:39,830 --> 00:01:37,040  
rocked the foundations of the subject

31  
00:01:41,670 --> 00:01:39,840  
and added a very valuable momentum to a

32  
00:01:44,789 --> 00:01:41,680  
growing cause i'd like to introduce ross

33  
00:01:46,710 --> 00:01:44,799  
kiltak to the podcast ross how are we

34  
00:01:48,230 --> 00:01:46,720  
i'm very well good eyed good at all your

35  
00:01:50,389 --> 00:01:48,240  
listeners

36  
00:01:51,990 --> 00:01:50,399  
yeah good day is that australian twang

37  
00:01:54,789 --> 00:01:52,000  
you've got and can i just say off the

38  
00:01:56,789 --> 00:01:54,799

bat ross uh so many people asked me to

39

00:01:58,310 --> 00:01:56,799

either get ross to do one of his accents

40

00:01:59,910 --> 00:01:58,320

when he comes on the podcast from your

41

00:02:03,350 --> 00:01:59,920

audio book reading

42

00:02:04,950 --> 00:02:03,360

or let him swear so i was like yeah he's

43

00:02:06,550 --> 00:02:04,960

australian

44

00:02:08,630 --> 00:02:06,560

at some point

45

00:02:10,790 --> 00:02:08,640

i i think i owe tommed along a personal

46

00:02:13,270 --> 00:02:10,800

apology to be honest because when i um

47

00:02:16,869 --> 00:02:13,280

when i was doing the audio for the book

48

00:02:19,350 --> 00:02:16,879

i uh we did a uh audio book and uh i was

49

00:02:22,070 --> 00:02:19,360

asked to read it and uh i had so much

50

00:02:24,390 --> 00:02:22,080

fun because i turned tommed along i

51  
00:02:26,869 --> 00:02:24,400  
think into a 12 year old boy a very

52  
00:02:29,110 --> 00:02:26,879  
excitable 12 year old boy and uh

53  
00:02:30,869 --> 00:02:29,120  
i i'd love to meet him one day and shake

54  
00:02:33,830 --> 00:02:30,879  
his hand and apologize frankly my

55  
00:02:35,750 --> 00:02:33,840  
american accents are atrocious

56  
00:02:37,670 --> 00:02:35,760  
i i don't think that's a terribly

57  
00:02:39,750 --> 00:02:37,680  
inaccurate interpretation of tom delong

58  
00:02:42,150 --> 00:02:39,760  
being a uh exciting

59  
00:02:43,750 --> 00:02:42,160  
boy because he never really had

60  
00:02:45,190 --> 00:02:43,760  
he never in the best way possible he's

61  
00:02:47,350 --> 00:02:45,200  
never really grown up since he's blink

62  
00:02:49,350 --> 00:02:47,360  
182 days and i think that's what endears

63  
00:02:51,190 --> 00:02:49,360

him to a lot of people uh but yeah your

64

00:02:52,309 --> 00:02:51,200

accents went down a storm from the

65

00:02:53,830 --> 00:02:52,319

amount of listeners who got in touch

66

00:02:55,509 --> 00:02:53,840

with me as well so that was something

67

00:02:57,589 --> 00:02:55,519

that was very much appreciated in the

68

00:03:00,390 --> 00:02:57,599

audiobook world for those who listened

69

00:03:02,149 --> 00:03:00,400

um listen ross you have done many many

70

00:03:04,470 --> 00:03:02,159

interviews before this and you've got a

71

00:03:06,149 --> 00:03:04,480

whole load more to do afterwards as well

72

00:03:08,710 --> 00:03:06,159

something that the listeners for this

73

00:03:10,710 --> 00:03:08,720

podcast particularly were very keen on

74

00:03:12,390 --> 00:03:10,720

was hearing something a little bit

75

00:03:14,070 --> 00:03:12,400

different or hearing some follow-ups

76

00:03:15,430 --> 00:03:14,080

from you as well so hopefully we've

77

00:03:16,710 --> 00:03:15,440

managed to do that within the body of

78

00:03:19,430 --> 00:03:16,720

the interview to keep things a little

79

00:03:21,990 --> 00:03:19,440

bit fresh the book itself show ross in

80

00:03:24,470 --> 00:03:22,000

plain sight has been released now in how

81

00:03:28,229 --> 00:03:24,480

many countries

82

00:03:29,509 --> 00:03:28,239

um it's uh the us canada australia new

83

00:03:32,789 --> 00:03:29,519

zealand

84

00:03:33,910 --> 00:03:32,799

uh and europe uk europe

85

00:03:35,589 --> 00:03:33,920

and and

86

00:03:38,789 --> 00:03:35,599

how have you taken the reception to the

87

00:03:40,789 --> 00:03:38,799

book yourself is it what you expected

88

00:03:43,030 --> 00:03:40,799

look i've been pleasantly overwhelmed to

89

00:03:45,270 --> 00:03:43,040

be perfectly honest i i

90

00:03:47,750 --> 00:03:45,280

i wrote the book pretty much as a primer

91

00:03:50,390 --> 00:03:47,760

for my own inquisitiveness i i you know

92

00:03:52,309 --> 00:03:50,400

i i asked the questions that i thought

93

00:03:53,910 --> 00:03:52,319

anybody should ask

94

00:03:55,990 --> 00:03:53,920

and it was really funny because i had a

95

00:03:57,429 --> 00:03:56,000

bit of a panic when i finally sent it

96

00:03:59,110 --> 00:03:57,439

off to the publisher because i thought

97

00:04:01,750 --> 00:03:59,120

look it's not really saying anything

98

00:04:03,670 --> 00:04:01,760

that hasn't been said already and

99

00:04:05,509 --> 00:04:03,680

frankly i feel that you know a lot of

100

00:04:07,429 --> 00:04:05,519

the stories that i focused on are

101  
00:04:11,030 --> 00:04:07,439  
stories that have already been well told

102  
00:04:12,630 --> 00:04:11,040  
by some very good people in ufo research

103  
00:04:14,390 --> 00:04:12,640  
but i guess what i did was i

104  
00:04:16,069 --> 00:04:14,400  
concentrated my

105  
00:04:18,150 --> 00:04:16,079  
skill set my journalistic

106  
00:04:19,990 --> 00:04:18,160  
inquisitiveness on the

107  
00:04:22,550 --> 00:04:20,000  
on the subject matter and

108  
00:04:24,230 --> 00:04:22,560  
i i i guess i focused on what i thought

109  
00:04:25,990 --> 00:04:24,240  
was significant

110  
00:04:27,670 --> 00:04:26,000  
and

111  
00:04:29,270 --> 00:04:27,680  
i think people have actually said to me

112  
00:04:30,710 --> 00:04:29,280  
that it's saying something different

113  
00:04:33,270 --> 00:04:30,720

which i'm quite heartened by to be

114

00:04:34,629 --> 00:04:33,280

honest i didn't uh really think that

115

00:04:35,909 --> 00:04:34,639

that was the case

116

00:04:38,790 --> 00:04:35,919

but um

117

00:04:40,790 --> 00:04:38,800

uh i can tell you the the volume of the

118

00:04:42,710 --> 00:04:40,800

response has just been completely

119

00:04:45,189 --> 00:04:42,720

overwhelming i'm i

120

00:04:48,070 --> 00:04:45,199

every day i log on to my email server

121

00:04:50,870 --> 00:04:48,080

and there's another 150 emails and

122

00:04:53,189 --> 00:04:50,880

messages on social media and

123

00:04:54,629 --> 00:04:53,199

i i just i've moved house in recent

124

00:04:57,430 --> 00:04:54,639

months and

125

00:04:59,749 --> 00:04:57,440

i'm dealing with literally uh unpacking

126  
00:05:00,710 --> 00:04:59,759  
boxes and putting things on shelves and

127  
00:05:02,870 --> 00:05:00,720  
the uh

128  
00:05:04,390 --> 00:05:02,880  
the pressures of dealing with that and

129  
00:05:07,110 --> 00:05:04,400  
dealing with um

130  
00:05:08,790 --> 00:05:07,120  
answering the incredibly voluminous

131  
00:05:10,550 --> 00:05:08,800  
response that i've got from the audience

132  
00:05:12,390 --> 00:05:10,560  
is quite extraordinary

133  
00:05:14,230 --> 00:05:12,400  
and if anything i have to say the

134  
00:05:19,510 --> 00:05:14,240  
responses that i've had

135  
00:05:22,390 --> 00:05:20,950  
which is good and that's something a lot

136  
00:05:24,070 --> 00:05:22,400  
of people were asking about and we'll

137  
00:05:26,070 --> 00:05:24,080  
get to it down the line can i just ask

138  
00:05:29,110 --> 00:05:26,080

before we talk about the book what was

139

00:05:30,870 --> 00:05:29,120

your interest in ufos or uap whatever

140

00:05:33,670 --> 00:05:30,880

you want to call them in your world

141

00:05:35,350 --> 00:05:33,680

before you wrote the book

142

00:05:36,390 --> 00:05:35,360

i guess i was interested in the fact

143

00:05:39,350 --> 00:05:36,400

that

144

00:05:41,909 --> 00:05:39,360

as a journalist i was repeatedly told

145

00:05:43,830 --> 00:05:41,919

we don't do stories on ufos that we

146

00:05:46,070 --> 00:05:43,840

don't cover this issue

147

00:05:48,390 --> 00:05:46,080

and it intrigued me because

148

00:05:50,310 --> 00:05:48,400

i hadn't really engaged with the subject

149

00:05:52,790 --> 00:05:50,320

matter that much i'd done

150

00:05:56,230 --> 00:05:52,800

one story as a student journalist about

151

00:05:58,430 --> 00:05:56,240

the kaikoura ufo story and um

152

00:06:01,029 --> 00:05:58,440

which happened in christmas of

153

00:06:03,430 --> 00:06:01,039

1978 that's how old i am

154

00:06:06,469 --> 00:06:03,440

and i was a 16 year old boy at that time

155

00:06:10,469 --> 00:06:06,479

and i followed that up for university in

156

00:06:11,590 --> 00:06:10,479

about 1981 and spoke to people who told

157

00:06:14,070 --> 00:06:11,600

me that there'd been a government

158

00:06:16,150 --> 00:06:14,080

cover-up and i kind of chortled about

159

00:06:17,189 --> 00:06:16,160

that but years later when i finally got

160

00:06:18,870 --> 00:06:17,199

to meet

161

00:06:21,029 --> 00:06:18,880

john cordy who was one of the air

162

00:06:22,710 --> 00:06:21,039

traffic controllers from the new zealand

163

00:06:24,710 --> 00:06:22,720

kaikoura sighting

164

00:06:26,950 --> 00:06:24,720

i was flawed because there was a

165

00:06:28,790 --> 00:06:26,960

cover-up there's absolutely indisputably

166

00:06:29,590 --> 00:06:28,800

a cover-up i mean no doubt about it at

167

00:06:33,510 --> 00:06:29,600

all

168

00:06:34,629 --> 00:06:33,520

there was a cognitive dissonance between

169

00:06:37,909 --> 00:06:34,639

what

170

00:06:40,790 --> 00:06:37,919

i was being told as a journalist by

171

00:06:43,749 --> 00:06:40,800

popular media response this kind of

172

00:06:48,150 --> 00:06:43,759

default response to ridicule stigmatize

173

00:06:50,230 --> 00:06:48,160

and treat with taboo the ufo phenomenon

174

00:06:52,309 --> 00:06:50,240

and just to treat it with derision

175

00:06:53,990 --> 00:06:52,319

and yet privately

176

00:06:55,909 --> 00:06:54,000

i can remember there was a moment when i

177

00:06:57,830 --> 00:06:55,919

was working on a story with our

178

00:07:01,029 --> 00:06:57,840

australian air force

179

00:07:02,870 --> 00:07:01,039

and i was in a room with very very

180

00:07:04,710 --> 00:07:02,880

senior officers of the australian air

181

00:07:07,589 --> 00:07:04,720

force and we were in a mess having a

182

00:07:08,950 --> 00:07:07,599

beer at the end of a long day's filming

183

00:07:10,629 --> 00:07:08,960

and one of them after a few beers

184

00:07:12,469 --> 00:07:10,639

basically said to me look can i ask why

185

00:07:13,830 --> 00:07:12,479

do why don't you guys do stories about

186

00:07:15,749 --> 00:07:13,840

ufos

187

00:07:18,390 --> 00:07:15,759

and i said well because they're [h\_\_h]

188

00:07:20,070 --> 00:07:18,400

you know nobody does stories about ufos

189

00:07:22,629 --> 00:07:20,080

and uh

190

00:07:24,629 --> 00:07:22,639

he laughed and he said no they're not

191

00:07:26,950 --> 00:07:24,639

and then he called over other people in

192

00:07:29,189 --> 00:07:26,960

the room other officers who were flying

193

00:07:32,550 --> 00:07:29,199

officers who were pilots of jet aircraft

194

00:07:34,790 --> 00:07:32,560

pilots of p3 orion aircraft

195

00:07:37,589 --> 00:07:34,800

and pretty much all of them had stories

196

00:07:39,029 --> 00:07:37,599

about anomalous objects that they'd seen

197

00:07:41,430 --> 00:07:39,039

and

198

00:07:43,510 --> 00:07:41,440

i said to them why isn't this public

199

00:07:45,430 --> 00:07:43,520

information and all of them talked about

200

00:07:47,189 --> 00:07:45,440

the fact that indeed inside the air

201  
00:07:49,029 --> 00:07:47,199  
force there was also a taboo and a

202  
00:07:50,230 --> 00:07:49,039  
stigma attached to the subject matter of

203  
00:07:52,550 --> 00:07:50,240  
ufos

204  
00:07:54,390 --> 00:07:52,560  
it was like everybody was operating on

205  
00:07:56,550 --> 00:07:54,400  
an operant assumption that this was a

206  
00:07:58,710 --> 00:07:56,560  
subject that was to be ridiculed but

207  
00:08:00,230 --> 00:07:58,720  
nobody could explain to me why it was

208  
00:08:01,189 --> 00:08:00,240  
being ridiculed

209  
00:08:04,790 --> 00:08:01,199  
and

210  
00:08:09,110 --> 00:08:04,800  
that tweaked my journalistic curiosity

211  
00:08:10,469 --> 00:08:09,120  
and i'm paid to dig i'm paid to look for

212  
00:08:13,270 --> 00:08:10,479  
stories that

213  
00:08:15,189 --> 00:08:13,280

people probably don't want told

214

00:08:17,749 --> 00:08:15,199

and one of the first things i did was i

215

00:08:19,830 --> 00:08:17,759

looked at the american national archives

216

00:08:22,869 --> 00:08:19,840

and the history of um

217

00:08:25,430 --> 00:08:22,879

ufo research done by superb authors like

218

00:08:26,869 --> 00:08:25,440

richard dolan and timothy good in your

219

00:08:27,749 --> 00:08:26,879

country

220

00:08:29,589 --> 00:08:27,759

and

221

00:08:31,589 --> 00:08:29,599

it really blew me away because it was

222

00:08:35,269 --> 00:08:31,599

quite clear that there was a solid

223

00:08:37,909 --> 00:08:35,279

history sourced to solid real documents

224

00:08:41,110 --> 00:08:37,919

that showed that there was a phenomenon

225

00:08:42,790 --> 00:08:41,120

that officialdom couldn't explain that

226

00:08:44,070 --> 00:08:42,800

you know we weren't being given the

227

00:08:45,110 --> 00:08:44,080

whole story

228

00:08:49,030 --> 00:08:45,120

and

229

00:08:51,910 --> 00:08:49,040

pleasantly surprised at the level of

230

00:08:55,670 --> 00:08:51,920

response all i've done is

231

00:08:57,430 --> 00:08:55,680

apply the same degree of objective

232

00:09:00,470 --> 00:08:57,440

testing of data

233

00:09:01,590 --> 00:09:00,480

to the story that i would do to any

234

00:09:03,269 --> 00:09:01,600

story

235

00:09:05,350 --> 00:09:03,279

and it's funny because i did i've had

236

00:09:06,790 --> 00:09:05,360

journal mates say to me journalist mates

237

00:09:08,630 --> 00:09:06,800

have said to me oh mate you're putting

238

00:09:10,150 --> 00:09:08,640

your career on the line your career is

239

00:09:12,150 --> 00:09:10,160

going to be [h\_\_\h] toast at the end of

240

00:09:13,269 --> 00:09:12,160

this if you if you do this story and i

241

00:09:15,110 --> 00:09:13,279

go look

242

00:09:17,430 --> 00:09:15,120

i don't really care i mean i've i did

243

00:09:19,350 --> 00:09:17,440

stories on bikey gangs once and people

244

00:09:20,870 --> 00:09:19,360

were telling me i remember one bikey

245

00:09:23,030 --> 00:09:20,880

gang boss told me that he was going to

246

00:09:25,430 --> 00:09:23,040

chainsaw my head off you know

247

00:09:27,350 --> 00:09:25,440

and and ultimately you just have to get

248

00:09:28,870 --> 00:09:27,360

on with it and tell the story and have

249

00:09:31,430 --> 00:09:28,880

faith that if you tell the story

250

00:09:32,790 --> 00:09:31,440

honorably and accurately and well you'll

251  
00:09:35,590 --> 00:09:32,800  
get through

252  
00:09:37,350 --> 00:09:35,600  
and i have a kind of a mystical belief

253  
00:09:39,990 --> 00:09:37,360  
as a journalist i've been in the game

254  
00:09:41,030 --> 00:09:40,000  
for 35 36 years

255  
00:09:43,750 --> 00:09:41,040  
and

256  
00:09:46,630 --> 00:09:43,760  
i think stories have a life

257  
00:09:48,389 --> 00:09:46,640  
and sometimes they want to be told

258  
00:09:50,630 --> 00:09:48,399  
every now and then i've put a story back

259  
00:09:51,990 --> 00:09:50,640  
on the shelf and i've closed it and gone

260  
00:09:54,310 --> 00:09:52,000  
i'm going to come back to you in a few

261  
00:09:55,990 --> 00:09:54,320  
years time when you're good and ready

262  
00:09:58,310 --> 00:09:56,000  
and often those are stories that are

263  
00:09:59,910 --> 00:09:58,320

incredibly sensitive and personally

264

00:10:01,910 --> 00:09:59,920

quite damaging and hurtful for the

265

00:10:04,630 --> 00:10:01,920

person that's telling them

266

00:10:06,389 --> 00:10:04,640

and with ufos for years i'd kept on

267

00:10:08,790 --> 00:10:06,399

pulling that off the shelf

268

00:10:11,509 --> 00:10:08,800

and for no good reason i feel

269

00:10:14,230 --> 00:10:11,519

executive producers and editors of tv

270

00:10:16,230 --> 00:10:14,240

programs and newspapers would say to me

271

00:10:18,389 --> 00:10:16,240

nah ross we're not doing [h\_\_h] ufo

272

00:10:20,389 --> 00:10:18,399

stories they're all [h\_\_h]

273

00:10:22,069 --> 00:10:20,399

and i'd go why

274

00:10:24,389 --> 00:10:22,079

and the weird thing about it was it all

275

00:10:25,990 --> 00:10:24,399

came to a head for me on the australian

276

00:10:28,069 --> 00:10:26,000

60 minutes program where i was an

277

00:10:30,710 --> 00:10:28,079

investigative reporter in

278

00:10:33,829 --> 00:10:30,720

about 2015 2016

279

00:10:35,430 --> 00:10:33,839

and i heard chris mellon on an interview

280

00:10:37,190 --> 00:10:35,440

and chris mellon talked about the fact

281

00:10:39,030 --> 00:10:37,200

that as the former deputy assistant

282

00:10:41,190 --> 00:10:39,040

secretary of defense

283

00:10:43,030 --> 00:10:41,200

he was concerned that the united states

284

00:10:45,350 --> 00:10:43,040

government wasn't being as transparent

285

00:10:47,030 --> 00:10:45,360

as it could be about the ufo issue about

286

00:10:49,350 --> 00:10:47,040

the uap issue

287

00:10:50,710 --> 00:10:49,360

and that really tweaked my interest so i

288

00:10:52,630 --> 00:10:50,720

wrote a letter to him

289

00:10:54,069 --> 00:10:52,640

and he wrote back he said yeah sure i'll

290

00:10:56,069 --> 00:10:54,079

do an interview

291

00:10:57,910 --> 00:10:56,079

and then i went to my executive producer

292

00:10:59,509 --> 00:10:57,920

at 60 minutes australia and they said to

293

00:11:00,790 --> 00:10:59,519

me yeah yeah sure you know we can do

294

00:11:02,470 --> 00:11:00,800

that story we'll do an interview with

295

00:11:05,430 --> 00:11:02,480

this former very senior defense

296

00:11:06,949 --> 00:11:05,440

department official talking about ufos

297

00:11:08,389 --> 00:11:06,959

and then we're all set up to go to the

298

00:11:10,230 --> 00:11:08,399

states

299

00:11:11,829 --> 00:11:10,240

and the day before

300

00:11:13,990 --> 00:11:11,839

they bailed

301  
00:11:15,750 --> 00:11:14,000  
and they came to me and they said look

302  
00:11:16,630 --> 00:11:15,760  
i've made a call

303  
00:11:18,870 --> 00:11:16,640  
i think we're just going to get

304  
00:11:21,110 --> 00:11:18,880  
ridiculed if we do the story and i said

305  
00:11:23,829 --> 00:11:21,120  
why i said this is a very senior

306  
00:11:25,509 --> 00:11:23,839  
official of a defense department

307  
00:11:26,949 --> 00:11:25,519  
they're saying it's real they're saying

308  
00:11:29,269 --> 00:11:26,959  
the phenomenon is something that ought

309  
00:11:31,110 --> 00:11:29,279  
properly to be investigated

310  
00:11:33,110 --> 00:11:31,120  
why would we bail on it and they

311  
00:11:34,949 --> 00:11:33,120  
couldn't really articulate why they

312  
00:11:37,030 --> 00:11:34,959  
didn't want it

313  
00:11:39,269 --> 00:11:37,040

told but i think ultimately they were

314

00:11:41,030 --> 00:11:39,279

fearful as a as an editor as an

315

00:11:43,190 --> 00:11:41,040

executive producer of a tv public

316

00:11:45,190 --> 00:11:43,200

affairs program they were fearful that

317

00:11:47,110 --> 00:11:45,200

they wouldn't be taken seriously and

318

00:11:49,910 --> 00:11:47,120

frankly i think it's infantile that the

319

00:11:50,949 --> 00:11:49,920

media always takes to piss with ufo

320

00:11:51,990 --> 00:11:50,959

stories

321

00:11:53,269 --> 00:11:52,000

because

322

00:11:55,110 --> 00:11:53,279

now that i know

323

00:11:57,350 --> 00:11:55,120

what i know now that i've assessed the

324

00:11:58,790 --> 00:11:57,360

data and i've looked at all the evidence

325

00:12:01,750 --> 00:11:58,800

i don't think there's any legitimate

326

00:12:03,990 --> 00:12:01,760

reason yes there are some crazy people

327

00:12:06,069 --> 00:12:04,000

who make allegations that

328

00:12:08,310 --> 00:12:06,079

you know aren't true

329

00:12:09,750 --> 00:12:08,320

but sometimes i've been able to prove to

330

00:12:12,069 --> 00:12:09,760

my satisfaction that what they're

331

00:12:13,750 --> 00:12:12,079

telling me isn't true

332

00:12:15,350 --> 00:12:13,760

but there are other people that i've

333

00:12:18,310 --> 00:12:15,360

spoken to along the way who are

334

00:12:20,710 --> 00:12:18,320

corroborated by independent data they're

335

00:12:22,310 --> 00:12:20,720

verified by independent reports in

336

00:12:24,550 --> 00:12:22,320

government departments that i've dug out

337

00:12:27,430 --> 00:12:24,560

on freedom of information

338

00:12:29,269 --> 00:12:27,440

and i think it's entirely valid as a

339

00:12:31,350 --> 00:12:29,279

journalist for me to investigate that

340

00:12:32,230 --> 00:12:31,360

and i think you're going to find

341

00:12:34,310 --> 00:12:32,240

that

342

00:12:36,389 --> 00:12:34,320

people like me are going to start asking

343

00:12:39,030 --> 00:12:36,399

more questions as it becomes more and

344

00:12:41,030 --> 00:12:39,040

more obvious and it became very obvious

345

00:12:43,190 --> 00:12:41,040

to me during my research

346

00:12:44,870 --> 00:12:43,200

as it becomes more and more obvious that

347

00:12:46,470 --> 00:12:44,880

that there is a phenomenon here that is

348

00:12:48,550 --> 00:12:46,480

legitimate that it's real and it

349

00:12:50,310 --> 00:12:48,560

deserves to be investigated and i think

350

00:12:52,069 --> 00:12:50,320

it's long overdue i think the media has

351

00:12:54,150 --> 00:12:52,079

completely dropped the ball on this

352

00:12:55,750 --> 00:12:54,160

subject matter and it's time we picked

353

00:12:57,590 --> 00:12:55,760

up the ball and ran with it and started

354

00:12:59,990 --> 00:12:57,600

doing some serious digging

355

00:13:02,150 --> 00:13:00,000

i mean you imagine imagine if imagine if

356

00:13:04,150 --> 00:13:02,160

the investigative arms of all of the

357

00:13:06,790 --> 00:13:04,160

major newspapers

358

00:13:07,829 --> 00:13:06,800

started asking questions imagine if for

359

00:13:10,710 --> 00:13:07,839

example

360

00:13:13,990 --> 00:13:10,720

instead of letting it lie when say as i

361

00:13:16,069 --> 00:13:14,000

write in my book the leaked

362

00:13:18,790 --> 00:13:16,079

democratic national congress committee

363

00:13:20,550 --> 00:13:18,800

democratic national committee emails

364

00:13:22,230 --> 00:13:20,560

were sent to wikileaks and they were

365

00:13:23,829 --> 00:13:22,240

published on the web

366

00:13:26,230 --> 00:13:23,839

the media ran

367

00:13:28,230 --> 00:13:26,240

with all of the emails about the iraq

368

00:13:29,990 --> 00:13:28,240

war and the afghanistan war you know

369

00:13:31,590 --> 00:13:30,000

because frankly i think it suited their

370

00:13:34,470 --> 00:13:31,600

political agenda

371

00:13:36,710 --> 00:13:34,480

but when people in the media saw that

372

00:13:38,150 --> 00:13:36,720

john podesta was being emailed by a rock

373

00:13:39,430 --> 00:13:38,160

star called

374

00:13:41,990 --> 00:13:39,440

tom de long

375

00:13:45,350 --> 00:13:42,000

and they were talking with generals from

376

00:13:47,750 --> 00:13:45,360

the u.s air force about ufos

377

00:13:50,790 --> 00:13:47,760

why the hell didn't the media ask

378

00:13:54,230 --> 00:13:50,800

hillary clinton what this was all about

379

00:13:56,389 --> 00:13:54,240

why haven't people asked those questions

380

00:14:00,069 --> 00:13:56,399

and that's the question i found myself

381

00:14:01,990 --> 00:14:00,079

asking when i was seeing for my own eyes

382

00:14:04,470 --> 00:14:02,000

the fact that there were documents there

383

00:14:05,910 --> 00:14:04,480

were leaked documents that allowed us to

384

00:14:09,189 --> 00:14:05,920

glimpse into

385

00:14:11,590 --> 00:14:09,199

the dnc's emails and to show that the

386

00:14:14,870 --> 00:14:11,600

campaign manager for a presidential

387

00:14:16,470 --> 00:14:14,880

candidate no less in 2016 was having

388

00:14:20,150 --> 00:14:16,480

email exchanges

389

00:14:22,790 --> 00:14:20,160

with a guy pushing for ufo transparency

390

00:14:24,710 --> 00:14:22,800

and moreover that guy tom delong had

391

00:14:27,910 --> 00:14:24,720

been going around doing interviews

392

00:14:29,110 --> 00:14:27,920

saying that he'd been told by quote the

393

00:14:31,189 --> 00:14:29,120

general

394

00:14:34,870 --> 00:14:31,199

that it was the cold war and we found a

395

00:14:36,470 --> 00:14:34,880

life form and we recovered alien craft

396

00:14:37,509 --> 00:14:36,480

surely it's time to start asking

397

00:14:39,910 --> 00:14:37,519

questions

398

00:14:41,350 --> 00:14:39,920

and i to this day i shake my head i just

399

00:14:43,030 --> 00:14:41,360

do not know and i've had phone calls

400

00:14:45,030 --> 00:14:43,040

from some very famous journalists

401  
00:14:48,230 --> 00:14:45,040  
because i'm a i'm a member of a group

402  
00:14:49,990 --> 00:14:48,240  
called icij the international consortium

403  
00:14:53,030 --> 00:14:50,000  
of investigative journalists

404  
00:14:54,629 --> 00:14:53,040  
and it's based in washington dc and um

405  
00:14:56,629 --> 00:14:54,639  
you know i've been in the room and met

406  
00:14:59,189 --> 00:14:56,639  
woodward and bernstein the guys who

407  
00:15:01,590 --> 00:14:59,199  
broke watergate and seymour hirsch who

408  
00:15:03,030 --> 00:15:01,600  
broke the milia massacre and i'm talking

409  
00:15:04,470 --> 00:15:03,040  
to journalists at that level

410  
00:15:06,310 --> 00:15:04,480  
internationally and a number of them

411  
00:15:08,470 --> 00:15:06,320  
have sought me out in recent months and

412  
00:15:10,470 --> 00:15:08,480  
said hey rosco you're writing a book on

413  
00:15:11,590 --> 00:15:10,480

ufos and i go yeah

414

00:15:13,189 --> 00:15:11,600

and i send them a copy of the

415

00:15:14,870 --> 00:15:13,199

documentary and they look at it and they

416

00:15:17,670 --> 00:15:14,880

all come back and they go

417

00:15:20,790 --> 00:15:17,680

wow and very few of them don't have

418

00:15:21,590 --> 00:15:20,800

stories about ufos very few of them

419

00:15:23,430 --> 00:15:21,600

don't

420

00:15:24,829 --> 00:15:23,440

have a story where they've been told by

421

00:15:26,949 --> 00:15:24,839

a public official that this is

422

00:15:29,990 --> 00:15:26,959

legitimate but ultimately what's been

423

00:15:31,749 --> 00:15:30,000

holding them back is fear of ridicule a

424

00:15:33,990 --> 00:15:31,759

taboo a stigma

425

00:15:35,430 --> 00:15:34,000

and little do they know because as i

426

00:15:38,550 --> 00:15:35,440

discovered

427

00:15:41,670 --> 00:15:38,560

that stigma that ridicule was instigated

428

00:15:43,749 --> 00:15:41,680

by the us intelligence community in a

429

00:15:46,389 --> 00:15:43,759

deliberate disinformation campaign in

430

00:15:49,430 --> 00:15:46,399

the 1960s and the 1970s

431

00:15:51,749 --> 00:15:49,440

that's what blew me away that that the

432

00:15:55,110 --> 00:15:51,759

the history the counterfactual history

433

00:16:01,110 --> 00:15:55,120

of what's really been going on is

434

00:16:05,030 --> 00:16:02,949

let me comment ross on something you

435

00:16:06,550 --> 00:16:05,040

said earlier about the the book and you

436

00:16:08,550 --> 00:16:06,560

were surprised that you didn't think you

437

00:16:10,790 --> 00:16:08,560

were telling anything new but when when

438

00:16:13,269 --> 00:16:10,800

an artist like johnny cash famously

439

00:16:14,949 --> 00:16:13,279

covered heart by nine-inch nails that

440

00:16:16,949 --> 00:16:14,959

was a song that had been out and you

441

00:16:19,030 --> 00:16:16,959

know had been done and people loved it

442

00:16:20,550 --> 00:16:19,040

but that song is now his

443

00:16:22,470 --> 00:16:20,560

because it's his interpretation and

444

00:16:24,389 --> 00:16:22,480

people resonate with that interpretation

445

00:16:26,069 --> 00:16:24,399

of the same piece of music and i think

446

00:16:28,310 --> 00:16:26,079

that's what happens in this subject and

447

00:16:30,230 --> 00:16:28,320

what happened with your book was people

448

00:16:32,389 --> 00:16:30,240

saw a story that had been been told

449

00:16:34,470 --> 00:16:32,399

before but the way you put it together

450

00:16:35,990 --> 00:16:34,480

and what you added to it is what's hit

451  
00:16:39,509 --> 00:16:36,000  
the right notes with people and i think

452  
00:16:42,470 --> 00:16:40,949  
i'm so pleased to hear that i mean

453  
00:16:44,230 --> 00:16:42,480  
that's the best compliment you can pay

454  
00:16:45,829 --> 00:16:44,240  
any journalist i mean the thing you live

455  
00:16:47,269 --> 00:16:45,839  
for as a journalist is to be able to

456  
00:16:49,910 --> 00:16:47,279  
communicate a story that you've

457  
00:16:51,990 --> 00:16:49,920  
investigated and to get the facts across

458  
00:16:53,670 --> 00:16:52,000  
as objectively and as clearly as you see

459  
00:16:55,910 --> 00:16:53,680  
them i mean for example one of the

460  
00:16:57,990 --> 00:16:55,920  
things i wrestled with when i was doing

461  
00:17:00,150 --> 00:16:58,000  
my documentary was

462  
00:17:01,829 --> 00:17:00,160  
do i tell the story of alleged crash

463  
00:17:03,670 --> 00:17:01,839

retrievals

464

00:17:06,069 --> 00:17:03,680

and i agonized about it to be honest i

465

00:17:08,710 --> 00:17:06,079

was really nervous about it because even

466

00:17:10,789 --> 00:17:08,720

though i had the former director of

467

00:17:14,069 --> 00:17:10,799

science and technology development from

468

00:17:16,630 --> 00:17:14,079

the u.s navy no less nat cobits on the

469

00:17:20,230 --> 00:17:16,640

record telling me that he was briefed

470

00:17:23,350 --> 00:17:20,240

into an alleged program which allegedly

471

00:17:24,870 --> 00:17:23,360

involved the retrieval of multiple

472

00:17:26,870 --> 00:17:24,880

non-human

473

00:17:28,390 --> 00:17:26,880

craft

474

00:17:29,990 --> 00:17:28,400

even though i had that kind of evidence

475

00:17:31,990 --> 00:17:30,000

and i had other evidence that i'd seen

476

00:17:33,750 --> 00:17:32,000

from the new york times with dr eric

477

00:17:34,950 --> 00:17:33,760

davis and to a lesser degree senator

478

00:17:36,710 --> 00:17:34,960

harry reid

479

00:17:38,870 --> 00:17:36,720

talking about

480

00:17:41,350 --> 00:17:38,880

briefings about

481

00:17:43,909 --> 00:17:41,360

objects not of this earth technology not

482

00:17:45,510 --> 00:17:43,919

of this earth of i spoke to congressmen

483

00:17:47,270 --> 00:17:45,520

and their staffers who told me that

484

00:17:49,350 --> 00:17:47,280

they'd been confidential briefings in

485

00:17:50,870 --> 00:17:49,360

the congress where they'd learned

486

00:17:53,750 --> 00:17:50,880

about

487

00:17:56,390 --> 00:17:53,760

craft retrieved craft i spoke to

488

00:17:58,310 --> 00:17:56,400

officials and scientists even then i was

489

00:18:00,710 --> 00:17:58,320

still nervous about doing a story about

490

00:18:02,630 --> 00:18:00,720

a crash retrieval and so i looked at

491

00:18:04,470 --> 00:18:02,640

doing roswell and then i thought ah

492

00:18:05,909 --> 00:18:04,480

everybody's done roswell it's kind of

493

00:18:07,590 --> 00:18:05,919

boring you know i'm kind of bored with

494

00:18:09,029 --> 00:18:07,600

roswell because ultimately at the end of

495

00:18:11,510 --> 00:18:09,039

it i'm still sitting on the fence i'm

496

00:18:14,549 --> 00:18:11,520

still not sure

497

00:18:19,110 --> 00:18:14,559

and then i looked at the aztec case

498

00:18:20,710 --> 00:18:19,120

and i met scott and suzanne ramsey and

499

00:18:23,510 --> 00:18:20,720

they sat me down and they showed me

500

00:18:26,070 --> 00:18:23,520

their evidence and it blew me away i

501  
00:18:27,669 --> 00:18:26,080  
mean it was a methodical

502  
00:18:28,789 --> 00:18:27,679  
thorough

503  
00:18:31,830 --> 00:18:28,799  
rigorous

504  
00:18:33,990 --> 00:18:31,840  
piece of investigative journalism

505  
00:18:36,549 --> 00:18:34,000  
and that's why i did the aztec story

506  
00:18:38,789 --> 00:18:36,559  
that's why i decided to at least give an

507  
00:18:41,190 --> 00:18:38,799  
airing to an allegation about a crash

508  
00:18:43,029 --> 00:18:41,200  
retrieval and by golly i'm glad i did

509  
00:18:44,549 --> 00:18:43,039  
because so much information has come in

510  
00:18:45,590 --> 00:18:44,559  
the door since

511  
00:18:47,909 --> 00:18:45,600  
and then

512  
00:18:50,230 --> 00:18:47,919  
i agonized too about the connection

513  
00:18:52,950 --> 00:18:50,240

asserting the connection between ufos

514

00:18:55,590 --> 00:18:52,960

and nuclear weapons because i'd spoken

515

00:18:57,669 --> 00:18:55,600

to a lovely man whose book i recommend

516

00:19:00,870 --> 00:18:57,679

to you robert hastings

517

00:19:02,549 --> 00:19:00,880

his book ufos and nukes is just

518

00:19:03,990 --> 00:19:02,559

extraordinary

519

00:19:05,830 --> 00:19:04,000

and it's it's better than most

520

00:19:08,789 --> 00:19:05,840

investigative journalism that i've seen

521

00:19:12,230 --> 00:19:08,799

anywhere frankly it's a really thorough

522

00:19:14,150 --> 00:19:12,240

methodical 40 50 years of work where

523

00:19:16,630 --> 00:19:14,160

he's gone around america and the world

524

00:19:18,789 --> 00:19:16,640

and interviewed people who've had direct

525

00:19:20,549 --> 00:19:18,799

experiences with the phenomena in

526

00:19:22,630 --> 00:19:20,559

nuclear facilities

527

00:19:25,029 --> 00:19:22,640

and he's just methodically recorded what

528

00:19:26,870 --> 00:19:25,039

their experiences were and asserts that

529

00:19:28,950 --> 00:19:26,880

there is a connection

530

00:19:31,190 --> 00:19:28,960

and even when i spoke to him and when i

531

00:19:34,789 --> 00:19:31,200

spoke to bob salas who had his missile

532

00:19:36,789 --> 00:19:34,799

shut down in 1967 in a minuteman silo i

533

00:19:39,510 --> 00:19:36,799

was still nervous about making the

534

00:19:41,430 --> 00:19:39,520

assertion and you know what it's really

535

00:19:43,190 --> 00:19:41,440

funny i was waiting for some newspaper

536

00:19:44,950 --> 00:19:43,200

to attack me and the only newspaper

537

00:19:46,870 --> 00:19:44,960

that's taken a swipe at me is a

538

00:19:48,070 --> 00:19:46,880

newspaper that doesn't like me very much

539

00:19:50,310 --> 00:19:48,080

because i've embarrassed them about

540

00:19:51,909 --> 00:19:50,320

something and they just made some snide

541

00:19:53,110 --> 00:19:51,919

comment about how ross coulthart's

542

00:19:55,029 --> 00:19:53,120

career is

543

00:19:57,510 --> 00:19:55,039

is so in the doldrums that uh he's now

544

00:19:59,190 --> 00:19:57,520

reduced to writing books on ufos

545

00:20:00,310 --> 00:19:59,200

and you know what

546

00:20:01,750 --> 00:20:00,320

[h\_\_\h] him

547

00:20:03,029 --> 00:20:01,760

i don't care

548

00:20:04,390 --> 00:20:03,039

you know there's your swear word by the

549

00:20:06,390 --> 00:20:04,400

way

550

00:20:09,110 --> 00:20:06,400

i really just don't care you know for

551

00:20:11,830 --> 00:20:09,120

the life of me i i do not give a flying

552

00:20:13,510 --> 00:20:11,840

[h\_\_h] if some twerp from a newspaper has

553

00:20:16,149 --> 00:20:13,520

a swipe at me because i'm investigating

554

00:20:18,230 --> 00:20:16,159

an issue that they think is

555

00:20:19,190 --> 00:20:18,240

to be ridiculed because they have no

556

00:20:25,830 --> 00:20:19,200

idea

557

00:20:27,990 --> 00:20:25,840

so privileged i actually feel privileged

558

00:20:30,310 --> 00:20:28,000

to be

559

00:20:32,950 --> 00:20:30,320

drilling into this story

560

00:20:35,510 --> 00:20:32,960

at a time when the rest of the media

561

00:20:38,630 --> 00:20:35,520

isn't because

562

00:20:43,350 --> 00:20:38,640

they're missing out it is frankly the

563

00:20:48,230 --> 00:20:45,669

let me ask you and the recent bill that

564

00:20:50,710 --> 00:20:48,240

said come to light in the us the ndaa

565

00:20:53,430 --> 00:20:50,720

bill a few things are specified amongst

566

00:20:55,590 --> 00:20:53,440

them are biological effects working with

567

00:20:58,149 --> 00:20:55,600

allies and a suggestion of not

568

00:21:00,789 --> 00:20:58,159

necessarily recovered crashed technology

569

00:21:02,630 --> 00:21:00,799

but discovered technology now we've

570

00:21:04,950 --> 00:21:02,640

heard hints and stories of possible

571

00:21:07,430 --> 00:21:04,960

discoveries made during archaeological

572

00:21:09,669 --> 00:21:07,440

digs from the the tom delong and peter

573

00:21:12,390 --> 00:21:09,679

lavender book secret machines and bob

574

00:21:14,870 --> 00:21:12,400

lazar famously they tend to focus on

575

00:21:17,430 --> 00:21:14,880

areas around crete or in the middle east

576  
00:21:18,789 --> 00:21:17,440  
as locations for those discoveries have

577  
00:21:21,350 --> 00:21:18,799  
you heard anything that would back up

578  
00:21:23,510 --> 00:21:21,360  
those sorts of claims

579  
00:21:27,430 --> 00:21:23,520  
uh i haven't heard it for crete or

580  
00:21:29,350 --> 00:21:27,440  
greece but yes i have heard that a craft

581  
00:21:32,310 --> 00:21:29,360  
was recovered

582  
00:21:34,230 --> 00:21:32,320  
uh from the indian subcontinent that's

583  
00:21:36,549 --> 00:21:34,240  
what i was told by somebody with a smirk

584  
00:21:39,110 --> 00:21:36,559  
from the intelligence community

585  
00:21:41,110 --> 00:21:39,120  
and i was told that it was taken as part

586  
00:21:43,909 --> 00:21:41,120  
of operation moon dust

587  
00:21:45,029 --> 00:21:43,919  
to the wright patterson air force base

588  
00:21:46,789 --> 00:21:45,039

and

589

00:21:48,710 --> 00:21:46,799

you know bottom line is

590

00:21:51,510 --> 00:21:48,720

i don't know if it's true or not

591

00:21:53,990 --> 00:21:51,520

but i was gobsmacked to go through the

592

00:21:56,230 --> 00:21:54,000

cia's library and if you go into their

593

00:21:59,510 --> 00:21:56,240

online archive and i've got the links to

594

00:22:01,590 --> 00:21:59,520

this in my book you will find a document

595

00:22:04,390 --> 00:22:01,600

in feet in fact multiple documents that

596

00:22:07,430 --> 00:22:04,400

refer to operation moon dust

597

00:22:10,149 --> 00:22:07,440

tracing and attempting to recover

598

00:22:11,590 --> 00:22:10,159

a flying saucer that's the word they use

599

00:22:13,830 --> 00:22:11,600

a craft

600

00:22:15,750 --> 00:22:13,840

that has been discovered in i think in

601  
00:22:17,430 --> 00:22:15,760  
one case in nepal

602  
00:22:18,950 --> 00:22:17,440  
and in another case in the province of

603  
00:22:20,710 --> 00:22:18,960  
afghanistan

604  
00:22:23,110 --> 00:22:20,720  
and uh just today i was having a

605  
00:22:25,590 --> 00:22:23,120  
conversation with an indian ufo

606  
00:22:27,590 --> 00:22:25,600  
researcher who

607  
00:22:30,390 --> 00:22:27,600  
was filling me in on

608  
00:22:32,549 --> 00:22:30,400  
what he knows about that incident

609  
00:22:34,870 --> 00:22:32,559  
and you know frankly the only reason

610  
00:22:36,149 --> 00:22:34,880  
that cia archive has been declassified

611  
00:22:36,950 --> 00:22:36,159  
is because

612  
00:22:38,870 --> 00:22:36,960  
when

613  
00:22:42,789 --> 00:22:38,880

bill clinton was the president john

614

00:22:45,110 --> 00:22:42,799

podesta made it very very clear that

615

00:22:46,070 --> 00:22:45,120

as a senior policy adviser to the

616

00:22:47,669 --> 00:22:46,080

president

617

00:22:49,669 --> 00:22:47,679

he thought the u.s government should be

618

00:22:52,070 --> 00:22:49,679

being more transparent about what it

619

00:22:55,110 --> 00:22:52,080

knows about the phenomenon

620

00:22:57,350 --> 00:22:55,120

and i think he was persuaded to the

621

00:22:59,990 --> 00:22:57,360

notion that there has been

622

00:23:02,549 --> 00:23:00,000

an official reluctance to release

623

00:23:04,470 --> 00:23:02,559

all that the u.s knows

624

00:23:06,789 --> 00:23:04,480

and so it was under the clinton

625

00:23:10,390 --> 00:23:06,799

administration that most of those cia

626  
00:23:12,230 --> 00:23:10,400  
files were declassified in a huge swag

627  
00:23:16,149 --> 00:23:12,240  
and what blew me away is whilst they've

628  
00:23:17,909 --> 00:23:16,159  
been reported before i looked at them

629  
00:23:19,270 --> 00:23:17,919  
i actually read the the first time i

630  
00:23:21,510 --> 00:23:19,280  
looked at the one that talked about the

631  
00:23:22,390 --> 00:23:21,520  
craft in afghanistan i looked at it

632  
00:23:23,750 --> 00:23:22,400  
about

633  
00:23:25,270 --> 00:23:23,760  
10 times

634  
00:23:27,510 --> 00:23:25,280  
thinking

635  
00:23:29,669 --> 00:23:27,520  
is this is this a fake you know is this

636  
00:23:32,070 --> 00:23:29,679  
like an mj12 document that's been

637  
00:23:34,149 --> 00:23:32,080  
planted in a file or something else

638  
00:23:36,310 --> 00:23:34,159

and it just gobsmacked me that here in

639

00:23:38,470 --> 00:23:36,320

the cia's archives there was a document

640

00:23:41,029 --> 00:23:38,480

that asserted a craft retrieval or at

641

00:23:41,909 --> 00:23:41,039

least an attempted craft retrieval

642

00:23:45,430 --> 00:23:41,919

and

643

00:23:48,310 --> 00:23:45,440

when i spoke to as journalists do my

644

00:23:50,230 --> 00:23:48,320

anonymous sources in different sections

645

00:23:51,590 --> 00:23:50,240

of the us defense and intelligence

646

00:23:53,909 --> 00:23:51,600

community

647

00:23:55,750 --> 00:23:53,919

i was amazed i expected it to be quite

648

00:23:57,669 --> 00:23:55,760

difficult to get people to talk to me

649

00:24:00,789 --> 00:23:57,679

about this but once people knew that

650

00:24:02,710 --> 00:24:00,799

they were speaking to me confidentially

651  
00:24:04,549 --> 00:24:02,720  
and once they knew that i'd gone to

652  
00:24:07,750 --> 00:24:04,559  
enormous efforts to protect their

653  
00:24:09,190 --> 00:24:07,760  
identity by not using electronic means

654  
00:24:11,669 --> 00:24:09,200  
to communicate with them that could

655  
00:24:13,269 --> 00:24:11,679  
readily be bugged or tracked

656  
00:24:15,830 --> 00:24:13,279  
they opened up

657  
00:24:18,230 --> 00:24:15,840  
and i was told

658  
00:24:19,029 --> 00:24:18,240  
and i i'm cautious in saying this

659  
00:24:20,630 --> 00:24:19,039  
because

660  
00:24:22,230 --> 00:24:20,640  
people will immediately assume that i'm

661  
00:24:23,269 --> 00:24:22,240  
saying it's true

662  
00:24:24,149 --> 00:24:23,279  
i don't

663  
00:24:26,390 --> 00:24:24,159

know

664

00:24:29,029 --> 00:24:26,400

it's true because there's always the

665

00:24:30,830 --> 00:24:29,039

risk of a disinformation program there's

666

00:24:33,750 --> 00:24:30,840

always the risk that what this is is

667

00:24:35,510 --> 00:24:33,760

another richard doty plant trying to

668

00:24:37,750 --> 00:24:35,520

mislead a journalist this has happened

669

00:24:38,549 --> 00:24:37,760

countless times before

670

00:24:41,110 --> 00:24:38,559

but

671

00:24:43,590 --> 00:24:41,120

i was told that yes there is a program

672

00:24:46,870 --> 00:24:43,600

there is an active ongoing program where

673

00:24:48,549 --> 00:24:46,880

the us government has recovered kraft

674

00:24:51,750 --> 00:24:48,559

and indeed one of the things i worked

675

00:24:54,710 --> 00:24:51,760

through was the historical documents of

676  
00:24:56,710 --> 00:24:54,720  
wilbert smith the canadian researcher

677  
00:24:58,789 --> 00:24:56,720  
and his communications with a guy called

678  
00:25:01,830 --> 00:24:58,799  
robert serbacher who

679  
00:25:03,590 --> 00:25:01,840  
was on the scientific advisory committee

680  
00:25:06,870 --> 00:25:03,600  
for the manhattan project and then

681  
00:25:08,870 --> 00:25:06,880  
allegedly later on worked for

682  
00:25:11,190 --> 00:25:08,880  
this secret group that was essentially

683  
00:25:12,549 --> 00:25:11,200  
trying to back engineer craft that had

684  
00:25:15,110 --> 00:25:12,559  
been recovered

685  
00:25:16,710 --> 00:25:15,120  
and he told researchers that he didn't

686  
00:25:18,630 --> 00:25:16,720  
understand why this was being kept

687  
00:25:19,830 --> 00:25:18,640  
confidential but he acknowledged its

688  
00:25:20,950 --> 00:25:19,840

reality

689

00:25:22,710 --> 00:25:20,960

now

690

00:25:23,590 --> 00:25:22,720

there comes a time

691

00:25:25,510 --> 00:25:23,600

where

692

00:25:27,350 --> 00:25:25,520

as a journalist

693

00:25:29,350 --> 00:25:27,360

you go through different levels of proof

694

00:25:32,149 --> 00:25:29,360

and okay there's an allegation so prima

695

00:25:34,390 --> 00:25:32,159

facie there's an allegation say that

696

00:25:36,230 --> 00:25:34,400

x murdered y

697

00:25:38,149 --> 00:25:36,240

then you get to a kind of a civil level

698

00:25:39,909 --> 00:25:38,159

where you think you know beyond a

699

00:25:42,230 --> 00:25:39,919

balance of probabilities on a balance of

700

00:25:44,070 --> 00:25:42,240

probabilities it's probably the case

701

00:25:46,310 --> 00:25:44,080

that x murdered y

702

00:25:49,350 --> 00:25:46,320

and then you get to a criminal burden

703

00:25:51,350 --> 00:25:49,360

where you think beyond reasonable doubt

704

00:25:53,909 --> 00:25:51,360

ex murdered y

705

00:25:55,750 --> 00:25:53,919

well i'm on the i'm on the civil burden

706

00:25:57,590 --> 00:25:55,760

at the moment i think it's on the

707

00:25:59,430 --> 00:25:57,600

balance of probabilities more likely

708

00:26:01,750 --> 00:25:59,440

than not that the united states

709

00:26:04,310 --> 00:26:01,760

government is lying through its teeth

710

00:26:05,669 --> 00:26:04,320

when it says that it hasn't recovered et

711

00:26:07,190 --> 00:26:05,679

craft

712

00:26:09,830 --> 00:26:07,200

and it's really interesting because the

713

00:26:12,230 --> 00:26:09,840

only president that has ever said that

714

00:26:14,870 --> 00:26:12,240

is barack obama

715

00:26:16,950 --> 00:26:14,880

and they did it under enormous pressure

716

00:26:19,430 --> 00:26:16,960

if you remember there was a petition

717

00:26:20,950 --> 00:26:19,440

which was put to the white house

718

00:26:23,510 --> 00:26:20,960

and i think the president's office in

719

00:26:25,269 --> 00:26:23,520

order to get the media off their back

720

00:26:27,110 --> 00:26:25,279

referred it to the scientific advisor

721

00:26:29,909 --> 00:26:27,120

for the president and

722

00:26:31,990 --> 00:26:29,919

probably without the authorization

723

00:26:33,590 --> 00:26:32,000

or the supervision too closely at the

724

00:26:35,350 --> 00:26:33,600

president a press release was put out by

725

00:26:37,269 --> 00:26:35,360

the science advisor which basically

726

00:26:39,029 --> 00:26:37,279

asserted definitively

727

00:26:41,029 --> 00:26:39,039

that as far as the white house was aware

728

00:26:42,549 --> 00:26:41,039

there is no evidence of extraterrestrial

729

00:26:44,710 --> 00:26:42,559

visitations to the planet earth and

730

00:26:47,110 --> 00:26:44,720

there's certainly no evidence i think of

731

00:26:49,190 --> 00:26:47,120

recoveries of alien spacecraft

732

00:26:51,590 --> 00:26:49,200

so it pooh-poohed the whole roswell

733

00:26:54,390 --> 00:26:51,600

story as a myth and an untrue myth at

734

00:26:58,149 --> 00:26:56,549

i'm not so sure anymore

735

00:27:00,470 --> 00:26:58,159

and i think we should be asking that

736

00:27:03,510 --> 00:27:00,480

question and for me as a journalist that

737

00:27:05,830 --> 00:27:03,520

was a huge turning point

738

00:27:07,430 --> 00:27:05,840

and and the best way i can express this

739

00:27:10,950 --> 00:27:07,440

is to say

740

00:27:13,110 --> 00:27:10,960

that journalists always have

741

00:27:15,830 --> 00:27:13,120

10 times as many sources

742

00:27:17,750 --> 00:27:15,840

for the sources that they quote publicly

743

00:27:19,669 --> 00:27:17,760

and so i'm making no secret of the fact

744

00:27:22,630 --> 00:27:19,679

that when net cobits went on the record

745

00:27:25,990 --> 00:27:22,640

with me and said yes you can quote me i

746

00:27:27,909 --> 00:27:26,000

was briefed into a ufo retrieval program

747

00:27:30,070 --> 00:27:27,919

he introduced me to people

748

00:27:33,669 --> 00:27:30,080

he put me on to people that he knew

749

00:27:35,990 --> 00:27:33,679

inside the defence science military

750

00:27:38,710 --> 00:27:36,000

infrastructure and those people spoke to

751  
00:27:40,950 --> 00:27:38,720  
me because nat recommended that i do

752  
00:27:42,470 --> 00:27:40,960  
and they've trusted me with their

753  
00:27:44,149 --> 00:27:42,480  
information

754  
00:27:46,630 --> 00:27:44,159  
and

755  
00:27:47,430 --> 00:27:46,640  
i think there's something to it i don't

756  
00:27:50,070 --> 00:27:47,440  
know

757  
00:27:51,269 --> 00:27:50,080  
for sure are you asking me is there a

758  
00:27:53,750 --> 00:27:51,279  
is there a

759  
00:27:56,710 --> 00:27:53,760  
tr3b or whatever it is jacked up on

760  
00:27:58,549 --> 00:27:56,720  
blocks in a cave somewhere in area 51 i

761  
00:28:03,750 --> 00:27:58,559  
don't bloody know

762  
00:28:07,750 --> 00:28:05,750  
now listen you talked about stigma and

763  
00:28:10,950 --> 00:28:07,760

one of the arguments people will always

764

00:28:13,350 --> 00:28:10,960

use in this conversation about ufos is

765

00:28:15,909 --> 00:28:13,360

if these craft are so technologically

766

00:28:18,230 --> 00:28:15,919

superior as they would appear to be how

767

00:28:20,470 --> 00:28:18,240

can they how can they crash so in your

768

00:28:22,710 --> 00:28:20,480

findings and your research have you

769

00:28:26,310 --> 00:28:22,720

forged any opinion as to why they may

770

00:28:28,710 --> 00:28:26,320

one crash or to be left here

771

00:28:30,389 --> 00:28:28,720

well you're using the word crash

772

00:28:32,549 --> 00:28:30,399

and i guess i did use the word crash

773

00:28:34,070 --> 00:28:32,559

with the aztec

774

00:28:35,909 --> 00:28:34,080

incident

775

00:28:37,269 --> 00:28:35,919

but i'm not persuaded that they're all

776

00:28:39,029 --> 00:28:37,279

crashes

777

00:28:40,149 --> 00:28:39,039

edgar mitchell and this is something i'm

778

00:28:42,870 --> 00:28:40,159

telling you

779

00:28:44,950 --> 00:28:42,880

for the first time edgar mitchell told

780

00:28:46,870 --> 00:28:44,960

my source the space man who was one of

781

00:28:49,510 --> 00:28:46,880

his closest friends

782

00:28:53,750 --> 00:28:49,520

that he understood that

783

00:28:55,269 --> 00:28:53,760

a fully functioning craft was found

784

00:28:57,029 --> 00:28:55,279

literally with the lights on and the

785

00:29:00,230 --> 00:28:57,039

door open

786

00:29:02,149 --> 00:29:00,240

and the us military recovered it off the

787

00:29:03,669 --> 00:29:02,159

mexican military

788

00:29:05,990 --> 00:29:03,679

under gunpoint

789

00:29:07,990 --> 00:29:06,000

and took it back to the united states

790

00:29:09,669 --> 00:29:08,000

off mexican soil

791

00:29:12,789 --> 00:29:09,679

and that was a story that edgar mitchell

792

00:29:14,389 --> 00:29:12,799

told my friend the spaceman

793

00:29:15,830 --> 00:29:14,399

now i don't know if it's true or not but

794

00:29:17,750 --> 00:29:15,840

i don't think edgar mitchell had lost

795

00:29:18,630 --> 00:29:17,760

his marbles even by his late time in

796

00:29:21,669 --> 00:29:18,640

life

797

00:29:22,549 --> 00:29:21,679

and he was utterly convinced

798

00:29:25,590 --> 00:29:22,559

that

799

00:29:27,750 --> 00:29:25,600

there had been multiple craft retrievals

800

00:29:29,830 --> 00:29:27,760

he told this to his friend and indeed he

801  
00:29:31,269 --> 00:29:29,840  
told it to multiple friends

802  
00:29:33,269 --> 00:29:31,279  
so when you have the one of the most

803  
00:29:36,230 --> 00:29:33,279  
respected astronauts one of the greatest

804  
00:29:37,510 --> 00:29:36,240  
american heroes of recent times

805  
00:29:39,430 --> 00:29:37,520  
defying

806  
00:29:41,750 --> 00:29:39,440  
the united states government and

807  
00:29:44,950 --> 00:29:41,760  
accusing the us government of a cover-up

808  
00:29:46,630 --> 00:29:44,960  
of a conspiracy to conceal information

809  
00:29:48,310 --> 00:29:46,640  
one of the other things he told his mate

810  
00:29:49,990 --> 00:29:48,320  
was

811  
00:29:54,470 --> 00:29:50,000  
he

812  
00:29:56,950 --> 00:29:54,480  
road as a little boy in roswell

813  
00:29:59,750 --> 00:29:56,960

he loved that story edgar mitchell that

814

00:30:03,350 --> 00:29:59,760

his family in the 19th century within

815

00:30:05,430 --> 00:30:03,360

the last hundred years had traveled by

816

00:30:07,029 --> 00:30:05,440

horse and cart

817

00:30:09,269 --> 00:30:07,039

across america

818

00:30:10,789 --> 00:30:09,279

to live in the west

819

00:30:12,789 --> 00:30:10,799

of america

820

00:30:16,070 --> 00:30:12,799

and here he was within that hundred

821

00:30:19,430 --> 00:30:16,080

years doing a moon mission

822

00:30:22,950 --> 00:30:19,440

as an astronaut walking on the moon

823

00:30:25,990 --> 00:30:22,960

uh incredible stuff very very wise very

824

00:30:27,510 --> 00:30:26,000

very spiritual very very sincere honest

825

00:30:29,190 --> 00:30:27,520

man

826

00:30:30,950 --> 00:30:29,200

and he went back

827

00:30:34,710 --> 00:30:30,960

with the space man

828

00:30:36,789 --> 00:30:34,720

to the roswell arteria area and he

829

00:30:39,029 --> 00:30:36,799

introduced the space man to

830

00:30:40,149 --> 00:30:39,039

people that he knew

831

00:30:41,510 --> 00:30:40,159

and

832

00:30:44,630 --> 00:30:41,520

edgar

833

00:30:45,090 --> 00:30:44,640

told the space man that he had been

834

00:30:47,269 --> 00:30:45,100

shown

835

00:30:50,470 --> 00:30:47,279

[Music]

836

00:30:51,909 --> 00:30:50,480

material that was recovered from the

837

00:30:54,549 --> 00:30:51,919

roswell crash

838

00:30:57,190 --> 00:30:54,559

material that was quite clearly

839

00:30:58,310 --> 00:30:57,200

not human technology

840

00:31:01,669 --> 00:30:58,320

now

841

00:31:03,750 --> 00:31:01,679

i've got no idea

842

00:31:05,909 --> 00:31:03,760

but it's quite obvious to me that the

843

00:31:07,590 --> 00:31:05,919

united states air force is lying through

844

00:31:09,509 --> 00:31:07,600

its teeth

845

00:31:11,590 --> 00:31:09,519

and

846

00:31:14,470 --> 00:31:11,600

one of the things that's been emphasized

847

00:31:15,590 --> 00:31:14,480

to me by multiple sources

848

00:31:19,190 --> 00:31:15,600

is

849

00:31:22,149 --> 00:31:19,200

craft we found archaeologically

850

00:31:24,070 --> 00:31:22,159

they were found in apparent crash

851  
00:31:26,149 --> 00:31:24,080  
incidents

852  
00:31:29,110 --> 00:31:26,159  
and more importantly they were also

853  
00:31:30,950 --> 00:31:29,120  
found as if they'd been left

854  
00:31:33,909 --> 00:31:30,960  
on purpose

855  
00:31:37,269 --> 00:31:33,919  
for us to find

856  
00:31:39,590 --> 00:31:37,279  
now i can't explain that i don't know

857  
00:31:41,590 --> 00:31:39,600  
why that would be the case

858  
00:31:43,509 --> 00:31:41,600  
but

859  
00:31:47,029 --> 00:31:43,519  
why would multiple people tell me this

860  
00:31:49,750 --> 00:31:47,039  
from within the defence intelligence

861  
00:31:51,909 --> 00:31:49,760  
hierarchy of the us government

862  
00:31:55,990 --> 00:31:51,919  
you know what what's to be gained by

863  
00:31:59,590 --> 00:31:57,669

ross were there any guesses from any of

864

00:32:01,669 --> 00:31:59,600

these people at any point or or

865

00:32:07,350 --> 00:32:01,679

summations as to why these things had

866

00:32:07,360 --> 00:32:10,710

no it's all speculation

867

00:32:15,909 --> 00:32:12,870

i'll tell you what though

868

00:32:18,789 --> 00:32:15,919

without going into too much detail my

869

00:32:21,350 --> 00:32:18,799

inclination increasingly

870

00:32:23,389 --> 00:32:21,360

is to follow the jacques valley line

871

00:32:26,389 --> 00:32:23,399

and say that i don't think the

872

00:32:28,789 --> 00:32:26,399

extraterrestrial hypothesis fits

873

00:32:31,029 --> 00:32:28,799

what we're talking about here

874

00:32:34,070 --> 00:32:31,039

it doesn't make sense to me

875

00:32:36,470 --> 00:32:34,080

in fact the more i look at this the more

876

00:32:41,669 --> 00:32:36,480

i am drawn to the notion

877

00:32:48,310 --> 00:32:44,710

and i know that sounds mind-boggling

878

00:32:51,029 --> 00:32:48,320

but let's summarize what we do know

879

00:32:52,630 --> 00:32:51,039

what we do know is that there is

880

00:32:53,990 --> 00:32:52,640

anomalous

881

00:32:55,830 --> 00:32:54,000

technology

882

00:32:58,230 --> 00:32:55,840

and i don't give a rat's ass what the

883

00:33:00,070 --> 00:32:58,240

skeptics say it is technology it's not

884

00:33:02,149 --> 00:33:00,080

weather balloons it's not weather

885

00:33:04,950 --> 00:33:02,159

phenomena it's not misidentified

886

00:33:08,230 --> 00:33:04,960

aircraft it's a technology

887

00:33:09,669 --> 00:33:08,240

it's way beyond known terrestrial

888

00:33:12,070 --> 00:33:09,679

technology

889

00:33:13,669 --> 00:33:12,080  
as the five observables say it's

890

00:33:15,269 --> 00:33:13,679  
hypersonic

891

00:33:18,310 --> 00:33:15,279  
it's capable of

892

00:33:22,470 --> 00:33:18,320  
maneuvers that are incredible turning

893

00:33:25,750 --> 00:33:22,480  
right angle turns on the point of a dime

894

00:33:28,389 --> 00:33:25,760  
it appears to have stealth capacities

895

00:33:30,710 --> 00:33:28,399  
it appears to be able to penetrate solid

896

00:33:32,549 --> 00:33:30,720  
surfaces it appears to

897

00:33:35,350 --> 00:33:32,559  
to be able to manipulate human

898

00:33:36,710 --> 00:33:35,360  
perception and consciousness

899

00:33:38,470 --> 00:33:36,720  
this is

900

00:33:40,310 --> 00:33:38,480  
weird [h\_\_\h]

901  
00:33:43,190 --> 00:33:40,320  
and it's real and and there are

902  
00:33:45,909 --> 00:33:43,200  
documents and sources that substantiate

903  
00:33:46,870 --> 00:33:45,919  
the reality of this phenomenon

904  
00:33:48,230 --> 00:33:46,880  
so

905  
00:33:54,149 --> 00:33:48,240  
let's

906  
00:33:55,110 --> 00:33:54,159  
that what we are talking about here

907  
00:34:00,230 --> 00:33:55,120  
is

908  
00:34:02,470 --> 00:34:00,240  
inexplicable by known human technology i

909  
00:34:04,789 --> 00:34:02,480  
know some people are still clinging by

910  
00:34:06,710 --> 00:34:04,799  
their fingernails to the notion

911  
00:34:09,750 --> 00:34:06,720  
that this might be some black american

912  
00:34:12,230 --> 00:34:09,760  
project that it might be a a tr-3b or an

913  
00:34:15,270 --> 00:34:12,240

aurora that was developed 30 or 40 years

914

00:34:17,349 --> 00:34:15,280

ago and who knows that may be the case

915

00:34:19,510 --> 00:34:17,359

but i don't think the us built it i

916

00:34:21,030 --> 00:34:19,520

don't think they conceived it i don't

917

00:34:22,550 --> 00:34:21,040

think if if they have cracked

918

00:34:24,310 --> 00:34:22,560

anti-gravity i don't think they did it

919

00:34:25,829 --> 00:34:24,320

by themselves

920

00:34:27,349 --> 00:34:25,839

i think there's a strong possibility

921

00:34:28,869 --> 00:34:27,359

they have

922

00:34:32,069 --> 00:34:28,879

but

923

00:34:33,030 --> 00:34:32,079

somebody's given them a cosmic shove

924

00:34:34,790 --> 00:34:33,040

and so

925

00:34:37,349 --> 00:34:34,800

if it is future human let's just

926

00:34:40,389 --> 00:34:37,359

postulate for a moment moment why would

927

00:34:42,629 --> 00:34:40,399

future humans suddenly start taking a

928

00:34:45,589 --> 00:34:42,639

much more active interest in humanity

929

00:34:47,990 --> 00:34:45,599

around about 1947

930

00:34:50,069 --> 00:34:48,000

over an area of new mexico and nevada

931

00:34:52,310 --> 00:34:50,079

where we ah just so happened to be

932

00:34:54,950 --> 00:34:52,320

testing nuclear weapons

933

00:34:57,109 --> 00:34:54,960

and why is it i commend again robert

934

00:34:59,510 --> 00:34:57,119

hastings excellent book to everybody

935

00:35:03,430 --> 00:34:59,520

ufos and nukes

936

00:35:05,829 --> 00:35:03,440

why is it that almost every single icbm

937

00:35:08,870 --> 00:35:05,839

facility in the united states has been

938

00:35:11,670 --> 00:35:08,880

visited by these objects

939

00:35:13,670 --> 00:35:11,680

it's in encounters with this phenomena

940

00:35:16,150 --> 00:35:13,680

why is that happening it is an

941

00:35:18,950 --> 00:35:16,160

irrefutable connection

942

00:35:21,430 --> 00:35:18,960

and so if you extrapolate from that is

943

00:35:22,870 --> 00:35:21,440

it inconceivable that future humanity

944

00:35:24,630 --> 00:35:22,880

might be trying to warn us about the

945

00:35:25,750 --> 00:35:24,640

dangers of what we're doing playing with

946

00:35:27,109 --> 00:35:25,760

matches

947

00:35:28,470 --> 00:35:27,119

because that's what edgar mitchell told

948

00:35:29,990 --> 00:35:28,480

his friend

949

00:35:32,470 --> 00:35:30,000

edgar mitchell said they're worried

950

00:35:36,790 --> 00:35:32,480

about the kitties playing with matches

951  
00:35:40,950 --> 00:35:38,790  
now ross in the acknowledgement of your

952  
00:35:43,349 --> 00:35:40,960  
book you thanked bob grignier of the

953  
00:35:45,030 --> 00:35:43,359  
martin fleischmann memorial institute

954  
00:35:47,829 --> 00:35:45,040  
and he is doing some extremely

955  
00:35:50,230 --> 00:35:47,839  
interesting work there on monopoles evos

956  
00:35:52,470 --> 00:35:50,240  
and ball lightning and ball lightning

957  
00:35:54,630 --> 00:35:52,480  
has many of those signatures that you

958  
00:35:57,430 --> 00:35:54,640  
talked about potentially if we

959  
00:35:59,910 --> 00:35:57,440  
forget et technology and this is some

960  
00:36:01,670 --> 00:35:59,920  
anomalous technology did you speak to

961  
00:36:04,470 --> 00:36:01,680  
him about those sorts of things and what

962  
00:36:07,030 --> 00:36:04,480  
did you take away from his work

963  
00:36:10,310 --> 00:36:07,040

i did talk to bob and i've spoken to

964

00:36:12,390 --> 00:36:10,320

other people who also have as equally a

965

00:36:14,310 --> 00:36:12,400

commanding knowledge of physics

966

00:36:17,270 --> 00:36:14,320

particularly quantum physics and

967

00:36:21,510 --> 00:36:17,280

particularly the evo technology

968

00:36:23,910 --> 00:36:21,520

i'm also fascinated with the

969

00:36:29,750 --> 00:36:23,920

burgeoning group of

970

00:36:36,390 --> 00:36:33,270

the sapphire project

971

00:36:39,670 --> 00:36:36,400

which appear to be claiming

972

00:36:42,390 --> 00:36:39,680

that they are capable of producing more

973

00:36:44,310 --> 00:36:42,400

energy out than in

974

00:36:46,230 --> 00:36:44,320

and they're doing this essentially by

975

00:36:48,630 --> 00:36:46,240

the same phenomena essentially it's a

976  
00:36:52,150 --> 00:36:48,640  
contained plasma

977  
00:36:53,670 --> 00:36:52,160  
and it all goes back to the evo

978  
00:36:54,790 --> 00:36:53,680  
phenomena

979  
00:36:57,190 --> 00:36:54,800  
and

980  
00:36:58,790 --> 00:36:57,200  
it also all goes back to a guy called

981  
00:37:01,750 --> 00:36:58,800  
kenneth shoulders

982  
00:37:03,990 --> 00:37:01,760  
whose work you can look at on youtube

983  
00:37:06,630 --> 00:37:04,000  
uh

984  
00:37:09,589 --> 00:37:06,640  
who postulated exactly what

985  
00:37:11,589 --> 00:37:09,599  
these companies are now talking about

986  
00:37:13,349 --> 00:37:11,599  
and i know it's roundly discredited

987  
00:37:15,430 --> 00:37:13,359  
because essentially

988  
00:37:17,109 --> 00:37:15,440

martin fleischmann to whom the martin

989

00:37:19,430 --> 00:37:17,119

fleischmann memorial project is

990

00:37:23,030 --> 00:37:19,440

dedicated was of course

991

00:37:25,670 --> 00:37:23,040

one of the two people pons fleischmann

992

00:37:26,790 --> 00:37:25,680

who postulated cold fusion

993

00:37:29,910 --> 00:37:26,800

back in

994

00:37:31,990 --> 00:37:29,920

the 1980s and were roundly hounded and

995

00:37:33,910 --> 00:37:32,000

discredited for making the assertions

996

00:37:37,510 --> 00:37:33,920

that they were generating energy

997

00:37:39,750 --> 00:37:37,520

in a cold fusion process ironic then

998

00:37:42,150 --> 00:37:39,760

that periodically just for a brief

999

00:37:43,270 --> 00:37:42,160

moment about a year ago nasa published a

1000

00:37:44,470 --> 00:37:43,280

paper

1001  
00:37:47,190 --> 00:37:44,480  
asserting

1002  
00:37:48,829 --> 00:37:47,200  
a possible breakthrough in cold fusion

1003  
00:37:51,270 --> 00:37:48,839  
and then it just

1004  
00:37:53,829 --> 00:37:51,280  
disappeared and all around the world if

1005  
00:37:56,790 --> 00:37:53,839  
you look at the scientific literature

1006  
00:37:58,950 --> 00:37:56,800  
there is quite a body of work to show

1007  
00:38:01,589 --> 00:37:58,960  
that there really is something to this

1008  
00:38:03,510 --> 00:38:01,599  
evo technology and i think the company

1009  
00:38:05,430 --> 00:38:03,520  
that's coming the closest i'm taking a

1010  
00:38:10,150 --> 00:38:05,440  
really close interest in them is the

1011  
00:38:13,910 --> 00:38:12,870  
sierra alpha foxtrot

1012  
00:38:16,550 --> 00:38:13,920  
india

1013  
00:38:18,870 --> 00:38:16,560

romeo echo sapphire

1014

00:38:19,910 --> 00:38:18,880

and if you look up the sapphire project

1015

00:38:22,150 --> 00:38:19,920

they've got

1016

00:38:23,349 --> 00:38:22,160

extraordinary claims they've even

1017

00:38:25,030 --> 00:38:23,359

claimed

1018

00:38:27,190 --> 00:38:25,040

in one interview

1019

00:38:29,510 --> 00:38:27,200

that they had a mild anti-gravitic

1020

00:38:31,510 --> 00:38:29,520

effect

1021

00:38:33,990 --> 00:38:31,520

on the tip of the conductor that they

1022

00:38:36,630 --> 00:38:34,000

were using during the process

1023

00:38:38,550 --> 00:38:36,640

so the department of energy i think a

1024

00:38:40,310 --> 00:38:38,560

couple of major aerospace companies the

1025

00:38:42,870 --> 00:38:40,320

department of defense are all taking a

1026

00:38:44,470 --> 00:38:42,880

strong interest in this technology

1027

00:38:46,230 --> 00:38:44,480

and

1028

00:38:47,750 --> 00:38:46,240

you know if you accept the conspiracy

1029

00:38:49,109 --> 00:38:47,760

theory that we've already discovered all

1030

00:38:50,630 --> 00:38:49,119

this stuff years ago and we're just

1031

00:38:52,390 --> 00:38:50,640

trying to find a way of farming it out

1032

00:38:54,310 --> 00:38:52,400

through private industry maybe that's

1033

00:38:57,750 --> 00:38:54,320

what's happening but i sincerely hope it

1034

00:38:59,829 --> 00:38:57,760

is because we could be on the cusp of a

1035

00:39:00,790 --> 00:38:59,839

major breakthrough because if you look

1036

00:39:03,430 --> 00:39:00,800

at the

1037

00:39:04,950 --> 00:39:03,440

assertions that have been made by the us

1038

00:39:06,069 --> 00:39:04,960

navy's

1039

00:39:08,710 --> 00:39:06,079

uh

1040

00:39:10,790 --> 00:39:08,720

james sheehy who's a commander in one of

1041

00:39:12,310 --> 00:39:10,800

the navy's research labs in washington

1042

00:39:15,430 --> 00:39:12,320

dc

1043

00:39:19,109 --> 00:39:15,440

he vouched for the veracity of claims

1044

00:39:21,910 --> 00:39:19,119

made in a tinder application by

1045

00:39:23,750 --> 00:39:21,920

dr salvatore pay

1046

00:39:27,030 --> 00:39:23,760

p-a-i-s

1047

00:39:29,349 --> 00:39:27,040

and these extraordinary patents uh

1048

00:39:32,630 --> 00:39:29,359

applied for in the u.s patent office and

1049

00:39:35,030 --> 00:39:32,640

i go into them in detail in my book

1050

00:39:36,790 --> 00:39:35,040

where dr pay is asserting that he's

1051  
00:39:38,230 --> 00:39:36,800  
developed a room temperature

1052  
00:39:40,310 --> 00:39:38,240  
superconductor

1053  
00:39:42,710 --> 00:39:40,320  
a force field generator

1054  
00:39:45,349 --> 00:39:42,720  
a trans-medium vehicle

1055  
00:39:48,870 --> 00:39:45,359  
i mean what he's essentially describing

1056  
00:39:51,589 --> 00:39:48,880  
fundamentally is anti-gravity

1057  
00:39:53,190 --> 00:39:51,599  
um he's also describing a contained

1058  
00:39:55,510 --> 00:39:53,200  
fusion reactor

1059  
00:39:57,829 --> 00:39:55,520  
and in some of these patents commander

1060  
00:39:59,430 --> 00:39:57,839  
she his commanding officer has written

1061  
00:40:00,710 --> 00:39:59,440  
letters in support of the patent

1062  
00:40:02,790 --> 00:40:00,720  
application

1063  
00:40:04,630 --> 00:40:02,800

asserting the veracity of their

1064

00:40:07,190 --> 00:40:04,640

operability

1065

00:40:08,950 --> 00:40:07,200

now in a past life i used to be a lawyer

1066

00:40:10,630 --> 00:40:08,960

and so i know that when you make a

1067

00:40:12,230 --> 00:40:10,640

patent application if you make a

1068

00:40:14,870 --> 00:40:12,240

fraudulent statement in a patent

1069

00:40:16,390 --> 00:40:14,880

application it's invalidated

1070

00:40:18,069 --> 00:40:16,400

so if it can be demonstrated that you've

1071

00:40:19,829 --> 00:40:18,079

made an assertion that is untrue at a

1072

00:40:22,069 --> 00:40:19,839

patent application then it completely

1073

00:40:24,790 --> 00:40:22,079

fails and it's useless

1074

00:40:27,349 --> 00:40:24,800

so why the hell is the u.s navy making

1075

00:40:29,750 --> 00:40:27,359

assertions within a few years of the tic

1076

00:40:33,190 --> 00:40:29,760

tac sighting in 2004

1077

00:40:35,430 --> 00:40:33,200

that it has developed technology that by

1078

00:40:38,430 --> 00:40:35,440

all accounts appears to be anti-gravity

1079

00:40:40,870 --> 00:40:38,440

technology and appears to be generating

1080

00:40:43,030 --> 00:40:40,880

extraordinary amounts of energy far

1081

00:40:45,349 --> 00:40:43,040

beyond known technologies that we have

1082

00:40:47,990 --> 00:40:45,359

on this planet at the moment

1083

00:40:49,990 --> 00:40:48,000

and all i'm doing is asking what the

1084

00:40:54,870 --> 00:40:50,000

hell's going on why aren't the media

1085

00:40:58,870 --> 00:40:56,550

now you're talking about anti-gravity

1086

00:41:01,030 --> 00:40:58,880

technology and a huge fan of your book

1087

00:41:03,109 --> 00:41:01,040

is one mr louise elizondo who i'm sure

1088

00:41:06,150 --> 00:41:03,119

you know well um

1089

00:41:07,510 --> 00:41:06,160

i asked you an email previously uh for

1090

00:41:09,030 --> 00:41:07,520

some from new information that

1091

00:41:11,190 --> 00:41:09,040

potentially might be coming up and you

1092

00:41:12,790 --> 00:41:11,200

said to me ross and i'll quote ask me

1093

00:41:15,670 --> 00:41:12,800

about the evidence that the us is

1094

00:41:18,069 --> 00:41:15,680

tracking uap craft using electromagnetic

1095

00:41:20,390 --> 00:41:18,079

signatures and i would potentially link

1096

00:41:22,230 --> 00:41:20,400

this to luella zondo himself teasing

1097

00:41:25,190 --> 00:41:22,240

that is a very simple way to detect

1098

00:41:26,550 --> 00:41:25,200

these objects would that be correct

1099

00:41:29,910 --> 00:41:26,560

i think he's right

1100

00:41:32,870 --> 00:41:29,920

uh i've spoken to boffins who've told me

1101

00:41:34,630 --> 00:41:32,880

that the us knew the frequencies that

1102

00:41:38,230 --> 00:41:34,640

allowed them to track

1103

00:41:41,190 --> 00:41:38,240

detect and anticipate these objects

1104

00:41:42,630 --> 00:41:41,200

way back 30 40 years ago they've known

1105

00:41:44,150 --> 00:41:42,640

about this and they've been tracking

1106

00:41:46,710 --> 00:41:44,160

them with aircraft

1107

00:41:49,030 --> 00:41:46,720

and i've spoken to people

1108

00:41:51,670 --> 00:41:49,040

bob fish is one guy i name in my book

1109

00:41:56,390 --> 00:41:51,680

who's a former very very uh highly

1110

00:42:00,790 --> 00:41:59,190

communications expert who was working in

1111

00:42:04,150 --> 00:42:00,800

the offices of a major defense

1112

00:42:06,309 --> 00:42:04,160

contractor and he was briefed about

1113

00:42:07,829 --> 00:42:06,319

an incident where

1114

00:42:09,270 --> 00:42:07,839

uh

1115

00:42:11,430 --> 00:42:09,280

i think the first time it happened was

1116

00:42:12,870 --> 00:42:11,440

in 1957

1117

00:42:14,550 --> 00:42:12,880

and it's actually there's a paper i've

1118

00:42:17,270 --> 00:42:14,560

discovered that she talks about this

1119

00:42:18,630 --> 00:42:17,280

where the frequencies for

1120

00:42:21,109 --> 00:42:18,640

the object

1121

00:42:23,910 --> 00:42:21,119

and its movement are described and

1122

00:42:25,829 --> 00:42:23,920

tracked by this craft by the

1123

00:42:27,910 --> 00:42:25,839

u.s air force craft

1124

00:42:29,910 --> 00:42:27,920

and then i've spoken more recently to

1125

00:42:32,710 --> 00:42:29,920

people who've told me i mean bob told me

1126

00:42:35,190 --> 00:42:32,720

that he was aware of allegations that

1127

00:42:37,030 --> 00:42:35,200

from a guy who was

1128

00:42:39,430 --> 00:42:37,040

on a surveillance aircraft that was

1129

00:42:41,190 --> 00:42:39,440

doing routine communications monitoring

1130

00:42:43,349 --> 00:42:41,200

off cuba

1131

00:42:45,829 --> 00:42:43,359

during the cold war

1132

00:42:48,069 --> 00:42:45,839

that guy briefed him about how the plane

1133

00:42:50,870 --> 00:42:48,079

that he was in was diverted to

1134

00:42:51,990 --> 00:42:50,880

a location off florida that's all he'd

1135

00:42:55,910 --> 00:42:52,000

tell me

1136

00:42:59,349 --> 00:42:55,920

where uaps were detected coming in and

1137

00:43:01,190 --> 00:42:59,359

out of the water that is craft coming in

1138

00:43:03,190 --> 00:43:01,200

and out of the water

1139

00:43:05,190 --> 00:43:03,200

trans-medium vehicles

1140

00:43:07,510 --> 00:43:05,200

ufos

1141

00:43:10,069 --> 00:43:07,520

and as a result of me talking about that

1142

00:43:13,349 --> 00:43:10,079

in other podcasts i've had

1143

00:43:15,190 --> 00:43:13,359

a an array of scientists

1144

00:43:16,950 --> 00:43:15,200

technicians

1145

00:43:19,030 --> 00:43:16,960

military

1146

00:43:20,309 --> 00:43:19,040

multiple sources have contacted me

1147

00:43:21,430 --> 00:43:20,319

telling me

1148

00:43:23,030 --> 00:43:21,440

not only

1149

00:43:25,349 --> 00:43:23,040

has the us

1150

00:43:27,670 --> 00:43:25,359

done this it's continuing to do it and

1151

00:43:30,950 --> 00:43:27,680

we're doing it in space now we're also

1152

00:43:33,190 --> 00:43:30,960

monitoring these objects in space

1153

00:43:35,589 --> 00:43:33,200

the allegation has been put to me by a

1154

00:43:36,630 --> 00:43:35,599

source that i hugely respect but won't

1155

00:43:40,309 --> 00:43:36,640

name

1156

00:43:42,150 --> 00:43:40,319

that the united states is exploring the

1157

00:43:43,910 --> 00:43:42,160

possibility and may indeed have already

1158

00:43:46,470 --> 00:43:43,920

attempted to do so

1159

00:43:48,069 --> 00:43:46,480

of using these frequencies to bring down

1160

00:43:49,910 --> 00:43:48,079

these objects

1161

00:43:51,750 --> 00:43:49,920

so essentially an offensive strategy

1162

00:43:52,589 --> 00:43:51,760

against one of these objects to deploy

1163

00:43:54,470 --> 00:43:52,599

the

1164

00:43:56,390 --> 00:43:54,480

electromagnetic frequencies of this

1165

00:43:58,470 --> 00:43:56,400

object against it to try and bring it

1166

00:44:01,430 --> 00:43:58,480

down

1167

00:44:03,270 --> 00:44:01,440

i sure as hell hope that's not happening

1168

00:44:05,510 --> 00:44:03,280

because the concern that was expressed

1169

00:44:07,829 --> 00:44:05,520

to me was the risks involved in doing

1170

00:44:09,670 --> 00:44:07,839

that multiple sources have told me that

1171

00:44:12,309 --> 00:44:09,680

they're aware

1172

00:44:15,589 --> 00:44:14,230

an active operation

1173

00:44:17,190 --> 00:44:15,599

right now

1174

00:44:20,550 --> 00:44:17,200

just off the virginia coast of the

1175

00:44:23,270 --> 00:44:20,560

united states of america where

1176

00:44:26,470 --> 00:44:23,280

since 2014 2015

1177

00:44:29,829 --> 00:44:26,480

u.s navy pilots have on a almost daily

1178

00:44:31,349 --> 00:44:29,839

basis being seeing anomalous objects

1179

00:44:33,990 --> 00:44:31,359

and filming them

1180

00:44:36,630 --> 00:44:34,000

right next to their craft

1181

00:44:38,550 --> 00:44:36,640

and i'm told and indeed elizondo went on

1182

00:44:40,470 --> 00:44:38,560

the record with me on this

1183

00:44:42,550 --> 00:44:40,480

some of these videos are extraordinary

1184

00:44:44,710 --> 00:44:42,560

they're incredibly clear but they

1185

00:44:46,390 --> 00:44:44,720

haven't been released to the public

1186

00:44:49,349 --> 00:44:46,400

why

1187

00:44:51,030 --> 00:44:49,359

if the u.s is genuine when it asserts

1188

00:44:53,910 --> 00:44:51,040

that this is a mystery

1189

00:44:56,710 --> 00:44:53,920

if it really is the truth as the uap

1190

00:44:59,670 --> 00:44:56,720

task force report to congress asserts

1191

00:45:02,230 --> 00:44:59,680

if it really is the truth that the us

1192

00:45:05,190 --> 00:45:02,240

has just discovered this phenomenon that

1193

00:45:05,990 --> 00:45:05,200

oh my god these ufos are hell they're

1194

00:45:10,870 --> 00:45:06,000

real

1195

00:45:12,470 --> 00:45:10,880

then why the hell haven't they released

1196

00:45:14,710 --> 00:45:12,480

everything they know

1197

00:45:17,670 --> 00:45:14,720

because a lot of what i've been told by

1198

00:45:19,990 --> 00:45:17,680

sources in government in military in

1199

00:45:20,870 --> 00:45:20,000

defence aerospace

1200

00:45:23,349 --> 00:45:20,880

is

1201

00:45:25,589 --> 00:45:23,359

mind-blowing

1202

00:45:29,030 --> 00:45:25,599

and i reckon the public's got a right to

1203

00:45:30,870 --> 00:45:29,040

know about it and i've invited officials

1204

00:45:32,790 --> 00:45:30,880

who've told me about it on the wreck off

1205

00:45:35,349 --> 00:45:32,800

the record i've said to them look is

1206

00:45:37,030 --> 00:45:35,359

there any good national security reason

1207

00:45:38,790 --> 00:45:37,040

that you can think of as to why the

1208

00:45:41,030 --> 00:45:38,800

public shouldn't at least be allowed to

1209

00:45:42,470 --> 00:45:41,040

see these videos

1210

00:45:44,230 --> 00:45:42,480

because frankly

1211

00:45:46,550 --> 00:45:44,240

i think i mean i haven't seen these

1212

00:45:48,630 --> 00:45:46,560

videos i've had them described to me

1213

00:45:51,270 --> 00:45:48,640

from what i've heard if they were

1214

00:45:53,349 --> 00:45:51,280

released it would be game over

1215

00:45:55,270 --> 00:45:53,359

that is all for this week's show thank

1216

00:45:57,349 --> 00:45:55,280

you very much for listening please

1217

00:45:59,990 --> 00:45:57,359

remember to leave the podcaster review

1218

00:46:02,309 --> 00:46:00,000

on your chosen platform you can like

1219

00:46:04,230 --> 00:46:02,319

retweet and subscribe that would all be

1220

00:46:06,390 --> 00:46:04,240

very much appreciated the shows are

1221

00:46:07,910 --> 00:46:06,400

being uploaded onto youtube as we speak

1222

00:46:10,390 --> 00:46:07,920

more and more you can sign up at

1223

00:46:13,109 --> 00:46:10,400

patreon.com forward slash that ufo

1224

00:46:15,349 --> 00:46:13,119

podcast to access shows ad free as well

1225

00:46:18,150 --> 00:46:15,359

please get in touch on twitter facebook

1226  
00:46:21,829 --> 00:46:18,160  
instagram that ufo podcast of course on

1227  
00:46:23,750 --> 00:46:21,839  
twitter it's at ufo uap am and again

1228  
00:46:26,550 --> 00:46:23,760  
folks as always keep looking up you

1229  
00:46:40,790 --> 00:46:26,560  
never know what you might see

1230  
00:46:40,800 --> 00:46:47,510  
like

1231  
00:46:47,520 --> 00:46:53,610  
i don't think he expected me

1232  
00:46:53,620 --> 00:47:02,550  
[Music]

1233  
00:47:35,030 --> 00:47:04,069  
i can't imagine how it could have been

1234  
00:47:35,040 --> 00:47:41,920  
scare me

1235  
00:48:07,510 --> 00:47:57,130  
[Music]

1236  
00:48:07,520 --> 00:48:11,310  
your lies

1237  
00:48:33,030 --> 00:48:26,170  
[Music]

1238  
00:48:33,040 --> 00:48:40,810

tac and not quite a saucer

1239

00:48:40,820 --> 00:48:54,710

[Music]

1240

00:49:06,150 --> 00:48:56,800

it's very different

1241

00:49:06,160 --> 00:49:11,890

so
