

LISTENER  
CALL-IN  
#6-PART 2

1  
00:00:00,000 --> 00:00:14,310

[Music]

2  
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

3  
00:00:22,800 --> 00:00:18,960

sphere where the points of the cube

4  
00:00:33,010 --> 00:00:22,810

were touching outside the sphere

5  
00:00:37,190 --> 00:00:34,550

[Music]

6  
00:00:38,709 --> 00:00:37,200

[Applause]

7  
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

8  
00:00:46,229 --> 00:00:40,960

limited to the united states it's a

9  
00:00:51,190 --> 00:00:49,430

that ufo podcast is powered by zencastr

10  
00:00:53,110 --> 00:00:51,200

zencaster is one of the world's leading

11  
00:00:55,990 --> 00:00:53,120

platforms for recording and hosting

12  
00:00:57,670 --> 00:00:56,000

podcasts zencaster is a modern web-based

13  
00:00:59,910 --> 00:00:57,680

solution for high quality audio and

14

00:01:01,910 --> 00:00:59,920

video podcast production with a full

15

00:01:03,750 --> 00:01:01,920

suite of professional tools zencasa

16

00:01:05,910 --> 00:01:03,760

allows podcasters to quickly and

17

00:01:07,510 --> 00:01:05,920

seamlessly record their guests remotely

18

00:01:09,270 --> 00:01:07,520

and produce their podcasts and studio

19

00:01:11,350 --> 00:01:09,280

quality check out the links in the show

20

00:01:13,750 --> 00:01:11,360

description to find out more

21

00:01:15,910 --> 00:01:13,760

hey this is brian arnold also known as

22

00:01:21,670 --> 00:01:15,920

dragon from skinwalker ranch and you're

23

00:01:25,910 --> 00:01:23,510

rolling on with part two of lesnar

24

00:01:28,230 --> 00:01:25,920

collins show dan still with me we have

25

00:01:30,070 --> 00:01:28,240

harry joining us harry how are we doing

26  
00:01:32,149 --> 00:01:30,080  
hello yeah not too bad thank you not too

27  
00:01:34,230 --> 00:01:32,159  
bad at all just on my lunch so yeah yeah

28  
00:01:36,149 --> 00:01:34,240  
nice to nice to speak to him yes and

29  
00:01:38,069 --> 00:01:36,159  
it's harry from gamers watch podcast as

30  
00:01:39,429 --> 00:01:38,079  
well so make sure you check that one out

31  
00:01:42,069 --> 00:01:39,439  
people

32  
00:01:43,590 --> 00:01:42,079  
part of the quite the thing media family

33  
00:01:45,030 --> 00:01:43,600  
absolutely is yeah so you've got the

34  
00:01:47,270 --> 00:01:45,040  
links in there the show description

35  
00:01:48,630 --> 00:01:47,280  
anyway but i'll i'll make sure um dan

36  
00:01:50,149 --> 00:01:48,640  
gonna make a note on the notes for me

37  
00:01:52,389 --> 00:01:50,159  
and we'll pop in the gamers watch disc

38  
00:01:54,389 --> 00:01:52,399

uh link in the description as well but

39

00:01:56,230 --> 00:01:54,399

um you want to talk about your own

40

00:01:57,990 --> 00:01:56,240

experiences don't you

41

00:01:59,990 --> 00:01:58,000

yeah so it wasn't initially what i was

42

00:02:01,590 --> 00:02:00,000

going to speak about on this calling um

43

00:02:03,830 --> 00:02:01,600

the initial calling that i was going to

44

00:02:04,709 --> 00:02:03,840

have was going to be sort of my thoughts

45

00:02:09,910 --> 00:02:04,719

on

46

00:02:13,190 --> 00:02:09,920

and we'd set the date we'd set the time

47

00:02:15,030 --> 00:02:13,200

and i sent you a dm saying i need to

48

00:02:16,390 --> 00:02:15,040

change what we're talking about

49

00:02:19,110 --> 00:02:16,400

immediately

50

00:02:21,270 --> 00:02:19,120

because i had had an experience from

51  
00:02:23,110 --> 00:02:21,280  
time of recording now it was three days

52  
00:02:25,670 --> 00:02:23,120  
ago and

53  
00:02:28,470 --> 00:02:25,680  
it was uh this is my third

54  
00:02:30,070 --> 00:02:28,480  
encounter or experience with what i now

55  
00:02:33,190 --> 00:02:30,080  
call a phenomenon i didn't used to i

56  
00:02:35,110 --> 00:02:33,200  
used to say i saw a ufo but my views and

57  
00:02:37,030 --> 00:02:35,120  
opinions have changed massively mainly

58  
00:02:39,589 --> 00:02:37,040  
through listening to your show and

59  
00:02:42,229 --> 00:02:39,599  
hearing some of your guests discussing

60  
00:02:43,110 --> 00:02:42,239  
it on a more sort of consciousness based

61  
00:02:43,990 --> 00:02:43,120  
level

62  
00:02:44,710 --> 00:02:44,000  
um

63  
00:02:48,070 --> 00:02:44,720

it

64

00:02:49,030 --> 00:02:48,080

year or so

65

00:02:50,790 --> 00:02:49,040

that

66

00:02:53,030 --> 00:02:50,800

whatever is happening is definitely

67

00:02:56,150 --> 00:02:53,040

linked with human consciousness and

68

00:02:58,070 --> 00:02:56,160

i've got some thoughts on

69

00:02:59,589 --> 00:02:58,080

hallucinogenics and how that can link

70

00:03:01,589 --> 00:02:59,599

into consciousness but that's not

71

00:03:03,670 --> 00:03:01,599

directly within the uf

72

00:03:05,670 --> 00:03:03,680

the ufo and uap phenomenon

73

00:03:08,229 --> 00:03:05,680

but essentially the other day i there

74

00:03:10,790 --> 00:03:08,239

was an object that was 20 to 30 foot

75

00:03:13,910 --> 00:03:10,800

with no wings with no propulsion and

76  
00:03:16,550 --> 00:03:13,920  
with no rotor blades that appeared out

77  
00:03:18,869 --> 00:03:16,560  
of nowhere it was a bright white light

78  
00:03:20,390 --> 00:03:18,879  
that appeared over our heads

79  
00:03:27,670 --> 00:03:20,400  
and

80  
00:03:29,750 --> 00:03:27,680  
of trying to work out what it was

81  
00:03:32,149 --> 00:03:29,760  
and we were walking the dogs and my

82  
00:03:34,149 --> 00:03:32,159  
little boy was in his push chair and he

83  
00:03:36,229 --> 00:03:34,159  
started moaning and started like making

84  
00:03:38,470 --> 00:03:36,239  
a bit of a fuss so i had to turn down to

85  
00:03:41,350 --> 00:03:38,480  
him very quickly to sort him out

86  
00:03:44,390 --> 00:03:41,360  
and while i turn

87  
00:03:46,229 --> 00:03:44,400  
and to look to my son my partner who is

88  
00:03:47,509 --> 00:03:46,239

a skeptic who thinks there might be

89

00:03:50,630 --> 00:03:47,519

stuff out there that doesn't believe in

90

00:03:51,430 --> 00:03:50,640

you know big shiny discs floating around

91

00:03:53,750 --> 00:03:51,440

said

92

00:03:55,509 --> 00:03:53,760

it's moving it's moving and i was sort

93

00:03:56,470 --> 00:03:55,519

of in this

94

00:03:58,630 --> 00:03:56,480

as you

95

00:04:00,550 --> 00:03:58,640

probably know this state where you're

96

00:04:02,710 --> 00:04:00,560

just oh my little one's making some

97

00:04:05,429 --> 00:04:02,720

noise i need to make sure he's okay

98

00:04:07,670 --> 00:04:05,439

and she said it's vanishing and as i

99

00:04:10,149 --> 00:04:07,680

turned around this this bright white

100

00:04:11,990 --> 00:04:10,159

object it must have moved the entire

101  
00:04:14,550 --> 00:04:12,000  
span of the sky

102  
00:04:16,550 --> 00:04:14,560  
in maybe five or six seconds

103  
00:04:18,069 --> 00:04:16,560  
right over our heads

104  
00:04:19,270 --> 00:04:18,079  
there was no noise there was nothing

105  
00:04:20,390 --> 00:04:19,280  
coming from it

106  
00:04:22,390 --> 00:04:20,400  
um

107  
00:04:24,469 --> 00:04:22,400  
it was not a drone that was the first

108  
00:04:26,469 --> 00:04:24,479  
thing she said but this object just

109  
00:04:29,030 --> 00:04:26,479  
vanished behind the tree line

110  
00:04:30,550 --> 00:04:29,040  
and then never showed up it was too low

111  
00:04:32,790 --> 00:04:30,560  
to be a plane it was too low to be a

112  
00:04:34,710 --> 00:04:32,800  
helicopter and there was no noise the

113  
00:04:36,550 --> 00:04:34,720

following day we went back to walk our

114

00:04:38,469 --> 00:04:36,560

dogs in the same place and funnily

115

00:04:40,870 --> 00:04:38,479

enough a helicopter went right over our

116

00:04:43,430 --> 00:04:40,880

heads and we could hear it clearly and

117

00:04:44,870 --> 00:04:43,440

we could see the the um the tail light

118

00:04:45,670 --> 00:04:44,880

flashing

119

00:05:03,749 --> 00:04:45,680

i

120

00:05:05,990 --> 00:05:03,759

to be uh just a normal average sort of

121

00:05:07,270 --> 00:05:06,000

um drone that you'd buy from argos or

122

00:05:09,990 --> 00:05:07,280

something

123

00:05:11,909 --> 00:05:10,000

it was unreal my frustration i spoke

124

00:05:14,390 --> 00:05:11,919

about this a minute ago is that i had to

125

00:05:17,110 --> 00:05:14,400

turn away for a few seconds

126

00:05:20,150 --> 00:05:17,120

but even then i can't

127

00:05:21,430 --> 00:05:20,160

explain what it was that we saw i

128

00:05:23,110 --> 00:05:21,440

i don't believe that there's little

129

00:05:24,950 --> 00:05:23,120

green men in these big craft that

130

00:05:28,469 --> 00:05:24,960

watching us but there was something that

131

00:05:29,830 --> 00:05:28,479

happened that me and my partner both saw

132

00:05:31,510 --> 00:05:29,840

and through talking about it for the

133

00:05:33,830 --> 00:05:31,520

last three days

134

00:05:36,150 --> 00:05:33,840

we do not know what it was

135

00:05:37,909 --> 00:05:36,160

we've got no idea and the reason that i

136

00:05:38,790 --> 00:05:37,919

say at length of consciousness is

137

00:05:40,790 --> 00:05:38,800

because

138

00:05:43,350 --> 00:05:40,800

i was telling her oh i'm gonna be on

139

00:05:45,430 --> 00:05:43,360

that ufo podcast during the call-in and

140

00:05:48,950 --> 00:05:45,440

as we were discussing that

141

00:05:51,830 --> 00:05:48,960

this light appeared as if from nowhere

142

00:05:53,909 --> 00:05:51,840

directly in front of us over our heads

143

00:05:56,150 --> 00:05:53,919

and i don't think that those two things

144

00:05:57,590 --> 00:05:56,160

can be discounted um i've done it in the

145

00:05:59,270 --> 00:05:57,600

past we've all done it gone into our

146

00:06:01,830 --> 00:05:59,280

garden and said i wish something would

147

00:06:03,510 --> 00:06:01,840

show up and you see a small light or a

148

00:06:05,909 --> 00:06:03,520

shooting star

149

00:06:08,070 --> 00:06:05,919

this was me actively discussing the

150

00:06:09,510 --> 00:06:08,080

phenomenon and my ideas of oh i'm going

151  
00:06:11,510 --> 00:06:09,520  
to be talking about consciousness and

152  
00:06:13,110 --> 00:06:11,520  
how it links together and how there are

153  
00:06:14,710 --> 00:06:13,120  
people that sort of like will these

154  
00:06:17,110 --> 00:06:14,720  
things into existence and there's the

155  
00:06:18,790 --> 00:06:17,120  
video of the guy in las vegas who made

156  
00:06:20,629 --> 00:06:18,800  
the orb appear out of nowhere and i was

157  
00:06:23,189 --> 00:06:20,639  
talking about these things

158  
00:06:25,350 --> 00:06:23,199  
and then this object appeared and it

159  
00:06:27,510 --> 00:06:25,360  
terrified my partner a little bit and we

160  
00:06:29,350 --> 00:06:27,520  
just didn't know what the hell it was

161  
00:06:31,189 --> 00:06:29,360  
and we spent the we've spent the next

162  
00:06:33,189 --> 00:06:31,199  
three days it's all we've been able to

163  
00:06:35,110 --> 00:06:33,199

talk about it's

164

00:06:37,350 --> 00:06:35,120

unreal i can't

165

00:06:39,189 --> 00:06:37,360

i cannot believe it and i saw it well

166

00:06:40,469 --> 00:06:39,199

thanks for sharing for uh for a start on

167

00:06:42,870 --> 00:06:40,479

these and i appreciate when anyone comes

168

00:06:45,029 --> 00:06:42,880

on to talk about their experiences um

169

00:06:46,550 --> 00:06:45,039

again it's that frustration of happened

170

00:06:48,150 --> 00:06:46,560

so quickly you

171

00:06:49,909 --> 00:06:48,160

you didn't obviously take any pictures

172

00:06:51,670 --> 00:06:49,919

or videos of it no but it just i

173

00:06:53,590 --> 00:06:51,680

discounted it as a helicopter if i'm

174

00:06:55,189 --> 00:06:53,600

honest the first like couple of seconds

175

00:06:56,790 --> 00:06:55,199

i asked just a helicopter overhead and

176  
00:06:58,390 --> 00:06:56,800  
it was only when i was turned away and

177  
00:07:00,710 --> 00:06:58,400  
she was saying

178  
00:07:02,950 --> 00:07:00,720  
it's it's vanishing it's vanishing i

179  
00:07:04,550 --> 00:07:02,960  
thought i can't hear anything

180  
00:07:07,029 --> 00:07:04,560  
and it happened so quickly even if i had

181  
00:07:09,510 --> 00:07:07,039  
my phone on me the picture quality of

182  
00:07:11,029 --> 00:07:09,520  
digital cameras it like

183  
00:07:12,790 --> 00:07:11,039  
i would have just taken a picture of a

184  
00:07:14,870 --> 00:07:12,800  
blob in the sky and

185  
00:07:16,390 --> 00:07:14,880  
i hate when people post pictures on our

186  
00:07:18,550 --> 00:07:16,400  
ufos of just

187  
00:07:19,430 --> 00:07:18,560  
a random light in the sky

188  
00:07:20,950 --> 00:07:19,440

and

189

00:07:23,510 --> 00:07:20,960

you talk about it all the time you need

190

00:07:25,589 --> 00:07:23,520

more than one point of reference so

191

00:07:26,950 --> 00:07:25,599

i don't believe people

192

00:07:28,150 --> 00:07:26,960

i don't expect people to just believe

193

00:07:30,469 --> 00:07:28,160

what i'm saying

194

00:07:31,909 --> 00:07:30,479

because i'm saying it but even if i had

195

00:07:34,309 --> 00:07:31,919

taken a picture

196

00:07:35,510 --> 00:07:34,319

it it would have just been useless it

197

00:07:37,350 --> 00:07:35,520

would have been worse than useless it

198

00:07:38,550 --> 00:07:37,360

would have just looked like a light in

199

00:07:40,230 --> 00:07:38,560

the sky

200

00:07:41,990 --> 00:07:40,240

um so that that wouldn't have brought

201  
00:07:44,150 --> 00:07:42,000  
anything to it but

202  
00:07:45,589 --> 00:07:44,160  
it just for me cements the fact that

203  
00:07:48,230 --> 00:07:45,599  
this phenomenon is linked to

204  
00:07:49,749 --> 00:07:48,240  
consciousness i was consciously talking

205  
00:07:54,869 --> 00:07:49,759  
about

206  
00:07:56,230 --> 00:07:54,879  
experience i had with a friend of mine

207  
00:07:57,510 --> 00:07:56,240  
where an object appeared out of the

208  
00:07:59,430 --> 00:07:57,520  
ocean

209  
00:08:01,670 --> 00:07:59,440  
and then this object appeared

210  
00:08:03,749 --> 00:08:01,680  
and through speaking to another listener

211  
00:08:05,670 --> 00:08:03,759  
of mine who listens to my show he's had

212  
00:08:08,150 --> 00:08:05,680  
a very similar experience where he saw a

213  
00:08:09,589 --> 00:08:08,160

tic-tac about five ten years ago

214

00:08:11,029 --> 00:08:09,599

and

215

00:08:13,270 --> 00:08:11,039

he again

216

00:08:14,710 --> 00:08:13,280

it's burnt into his memory this this

217

00:08:17,029 --> 00:08:14,720

sighting that he had where he can

218

00:08:19,110 --> 00:08:17,039

remember the exact street he was on

219

00:08:20,710 --> 00:08:19,120

where he was who he was with he

220

00:08:23,270 --> 00:08:20,720

remembers running down the street to his

221

00:08:25,990 --> 00:08:23,280

parents and i've got that same feeling

222

00:08:27,749 --> 00:08:26,000

with this sighting is that i i remember

223

00:08:28,710 --> 00:08:27,759

everything from where i was stood to

224

00:08:32,550 --> 00:08:28,720

what

225

00:08:35,110 --> 00:08:32,560

was doing to where the dogs were i could

226

00:08:37,190 --> 00:08:35,120

tell you everything in that field all at

227

00:08:38,550 --> 00:08:37,200

the same time and it's just seared in my

228

00:08:41,190 --> 00:08:38,560

mind

229

00:08:42,389 --> 00:08:41,200

what was going on harry just yes just

230

00:08:43,990 --> 00:08:42,399

before i bring dannon because i think

231

00:08:45,910 --> 00:08:44,000

dan's gonna maybe have a question on it

232

00:08:47,509 --> 00:08:45,920

as well you you said you were with your

233

00:08:48,949 --> 00:08:47,519

partner and she's very skeptical of the

234

00:08:50,310 --> 00:08:48,959

subject and i wish i could say it was

235

00:08:51,750 --> 00:08:50,320

just some really good advertising for

236

00:08:53,110 --> 00:08:51,760

the podcast that when you talk about it

237

00:08:55,110 --> 00:08:53,120

something appears above your head but

238

00:08:57,670 --> 00:08:55,120

obviously it was

239

00:08:59,910 --> 00:08:57,680

something happened but what's she said

240

00:09:02,230 --> 00:08:59,920

in the days since as well does she still

241

00:09:03,190 --> 00:09:02,240

talk about it or has her interest faded

242

00:09:05,430 --> 00:09:03,200

a little bit

243

00:09:07,430 --> 00:09:05,440

she is still talking about it

244

00:09:09,430 --> 00:09:07,440

she doesn't because we we walk the dogs

245

00:09:10,389 --> 00:09:09,440

it's a place in um devon called team

246

00:09:12,310 --> 00:09:10,399

grace

247

00:09:13,750 --> 00:09:12,320

and devon is quite well known for ufo

248

00:09:15,670 --> 00:09:13,760

sightings anyway because people go to

249

00:09:17,269 --> 00:09:15,680

dartmoor and they see objects quite a

250

00:09:18,790 --> 00:09:17,279

lot um

251

00:09:21,030 --> 00:09:18,800

but we were in this field in a place

252

00:09:24,150 --> 00:09:21,040

called team grace and it's where we go

253

00:09:25,910 --> 00:09:24,160

every single day to walk the dogs and

254

00:09:27,509 --> 00:09:25,920

every time we go back there

255

00:09:29,110 --> 00:09:27,519

when we get to that same spot we've been

256

00:09:32,070 --> 00:09:29,120

there four times since when we get to

257

00:09:33,750 --> 00:09:32,080

the same spot where we see the object

258

00:09:34,829 --> 00:09:33,760

she says i still don't know what that

259

00:09:37,750 --> 00:09:34,839

was

260

00:09:40,710 --> 00:09:37,760

and she's listened to me bang on about

261

00:09:42,310 --> 00:09:40,720

lou elizondo and bob lazar for the last

262

00:09:46,630 --> 00:09:42,320

five or six years she's heard me talk

263

00:09:48,389 --> 00:09:46,640

about atif and the ufo task force report

264

00:09:49,990 --> 00:09:48,399

and she believes that there's something

265

00:09:52,070 --> 00:09:50,000

out there but she doesn't believe

266

00:09:53,509 --> 00:09:52,080

there's something here

267

00:09:56,150 --> 00:09:53,519

so

268

00:09:58,389 --> 00:09:56,160

yeah she she's still very skeptical

269

00:09:59,750 --> 00:09:58,399

she won't outright say like oh we saw a

270

00:10:01,110 --> 00:09:59,760

ufo

271

00:10:02,550 --> 00:10:01,120

but i said to ed

272

00:10:05,350 --> 00:10:02,560

it was

273

00:10:07,590 --> 00:10:05,360

can you identify it no

274

00:10:09,590 --> 00:10:07,600

what was it doing it was flying and was

275

00:10:10,630 --> 00:10:09,600

it an object yes

276

00:10:13,350 --> 00:10:10,640

she still

277

00:10:15,990 --> 00:10:13,360

talks about it the same with the same

278

00:10:18,069 --> 00:10:16,000

sort of curiosity that she had when we

279

00:10:20,069 --> 00:10:18,079

first saw it and yeah she is still

280

00:10:21,829 --> 00:10:20,079

thinking about it and we are still sort

281

00:10:23,910 --> 00:10:21,839

of trying to put the pieces together and

282

00:10:25,590 --> 00:10:23,920

figure it out i think for her she's just

283

00:10:26,630 --> 00:10:25,600

trying to work out what it was that she

284

00:10:28,310 --> 00:10:26,640

saw

285

00:10:30,630 --> 00:10:28,320

cool dan wants to come out on this one

286

00:10:31,910 --> 00:10:30,640

as well yeah for sure so first of all i

287

00:10:33,269 --> 00:10:31,920

just wanted to say well done for doing

288

00:10:34,949 --> 00:10:33,279

the basics and checking like flight

289

00:10:37,430 --> 00:10:34,959

planners and stuff like that yeah a lot

290

00:10:39,030 --> 00:10:37,440

of people can fall into the trap of just

291

00:10:41,190 --> 00:10:39,040

assuming that something weird they see

292

00:10:43,829 --> 00:10:41,200

is definitely starling is the worst

293

00:10:46,230 --> 00:10:43,839

thing in the world right it's crazy and

294

00:10:48,230 --> 00:10:46,240

like i i love stargazing so i love kind

295

00:10:49,990 --> 00:10:48,240

of learning about what's up there but i

296

00:10:52,150 --> 00:10:50,000

appreciate that not everyone does some

297

00:10:54,949 --> 00:10:52,160

things i mean i'm sure i don't

298

00:10:57,269 --> 00:10:54,959

see it but i've got a tattoo called a

299

00:10:59,430 --> 00:10:57,279

telescope on my arm so i'm into my

300

00:11:01,910 --> 00:10:59,440

stargazing i know what to look for i

301

00:11:03,829 --> 00:11:01,920

know what to not look for yeah that's

302

00:11:05,350 --> 00:11:03,839

great and i'm i'm glad as well that you

303

00:11:08,310 --> 00:11:05,360

you you know it was a double witness

304

00:11:10,389 --> 00:11:08,320

event with someone who was skeptical and

305

00:11:11,990 --> 00:11:10,399

you guys have each other to help talk

306

00:11:13,509 --> 00:11:12,000

through it now right and it's great that

307

00:11:15,350 --> 00:11:13,519

you're kind of a little bit initiated so

308

00:11:16,870 --> 00:11:15,360

you can talk to her about it but she's

309

00:11:18,310 --> 00:11:16,880

kind of like you were after your first

310

00:11:20,069 --> 00:11:18,320

sighting probably kind of a lot of

311

00:11:21,750 --> 00:11:20,079

questions doesn't really know her brain

312

00:11:23,190 --> 00:11:21,760

probably feels like it's grasping

313

00:11:26,230 --> 00:11:23,200

something that's just out of reach you

314

00:11:28,150 --> 00:11:26,240

know um yeah but the

315

00:11:29,190 --> 00:11:28,160

the intention thing's interesting to me

316

00:11:31,590 --> 00:11:29,200

because

317

00:11:34,470 --> 00:11:31,600

it comes in a lot with human initiated

318

00:11:35,990 --> 00:11:34,480

contact right um and i do the same you

319

00:11:37,509 --> 00:11:36,000

know if i'm if i'm thinking i'm going to

320

00:11:39,350 --> 00:11:37,519

go out and i want to see something for

321

00:11:41,030 --> 00:11:39,360

about a week before i'll think of it and

322

00:11:42,550 --> 00:11:41,040

i'll picture the opening of contact in

323

00:11:44,069 --> 00:11:42,560

reverse you know where the kind of the

324

00:11:45,430 --> 00:11:44,079

plan let me zoom out from the planet to

325

00:11:47,030 --> 00:11:45,440

kind of say i'm here come see me you

326

00:11:49,430 --> 00:11:47,040

know essentially yeah if that's how it

327

00:11:51,430 --> 00:11:49,440

works you know i've had results um but

328

00:11:53,190 --> 00:11:51,440

i'm curious are you guys gonna go out

329

00:11:55,590 --> 00:11:53,200

and try again

330

00:11:57,269 --> 00:11:55,600

100 i'll be every single time that we go

331

00:11:58,550 --> 00:11:57,279

and walk our dogs in that place at that

332

00:12:01,590 --> 00:11:58,560

same time

333

00:12:03,269 --> 00:12:01,600

i will be willing that object back

334

00:12:05,190 --> 00:12:03,279

funnily enough i've always been quite

335

00:12:06,150 --> 00:12:05,200

skeptical

336

00:12:13,509 --> 00:12:06,160

of

337

00:12:16,310 --> 00:12:13,519

person in nature so i like facts and

338

00:12:19,190 --> 00:12:16,320

figures it's why i don't really like

339

00:12:20,790 --> 00:12:19,200

browsing on our ufos and our aliens and

340

00:12:22,790 --> 00:12:20,800

high strangeness that much because a lot

341

00:12:24,310 --> 00:12:22,800

of it is anecdotal which is ironic

342

00:12:25,430 --> 00:12:24,320

because that's exactly what i'm doing

343

00:12:26,310 --> 00:12:25,440

right now

344

00:12:29,430 --> 00:12:26,320

but

345

00:12:31,990 --> 00:12:29,440

i've always been sort of skeptical of

346

00:12:33,110 --> 00:12:32,000

a certain individual say who used who

347

00:12:35,430 --> 00:12:33,120

came out

348

00:12:37,430 --> 00:12:35,440

in september of 2001 and had a big press

349

00:12:39,350 --> 00:12:37,440

conference and now is in the desert

350

00:12:41,430 --> 00:12:39,360

selling trips to people for thousands of

351  
00:12:43,030 --> 00:12:41,440  
dollars i've always been a bit skeptical

352  
00:12:44,230 --> 00:12:43,040  
of that side of it

353  
00:12:46,310 --> 00:12:44,240  
but now

354  
00:12:47,430 --> 00:12:46,320  
with this experience i have a few days

355  
00:12:50,949 --> 00:12:47,440  
ago

356  
00:12:53,990 --> 00:12:50,959  
all i can think of is that in my mind

357  
00:12:55,509 --> 00:12:54,000  
i have been talking about ufos to myself

358  
00:12:58,470 --> 00:12:55,519  
i've been talking about the phenomenon

359  
00:13:00,710 --> 00:12:58,480  
to myself and to everybody that sort of

360  
00:13:01,750 --> 00:13:00,720  
i talk with on social media is like oh

361  
00:13:03,829 --> 00:13:01,760  
i'm going to be

362  
00:13:05,350 --> 00:13:03,839  
on that ufo podcast and wouldn't it be

363  
00:13:06,629 --> 00:13:05,360

great if i had another sight in and

364

00:13:07,829 --> 00:13:06,639

wouldn't it be great if i could talk

365

00:13:09,750 --> 00:13:07,839

about this

366

00:13:12,310 --> 00:13:09,760

so in my mind consciously not even

367

00:13:13,750 --> 00:13:12,320

subconsciously consciously

368

00:13:15,670 --> 00:13:13,760

i have

369

00:13:17,190 --> 00:13:15,680

been thinking about

370

00:13:19,190 --> 00:13:17,200

this phenomenon

371

00:13:21,430 --> 00:13:19,200

for about a week now

372

00:13:22,790 --> 00:13:21,440

and i i can't

373

00:13:24,790 --> 00:13:22,800

think of any other reason why this

374

00:13:26,870 --> 00:13:24,800

object appeared other than the fact that

375

00:13:27,829 --> 00:13:26,880

it was consciously there for me to see

376

00:13:28,550 --> 00:13:27,839

it

377

00:13:31,990 --> 00:13:28,560

there

378

00:13:34,069 --> 00:13:32,000

was interesting implications right

379

00:13:34,870 --> 00:13:34,079

you know if what we're talking about is

380

00:13:36,069 --> 00:13:34,880

true

381

00:13:37,509 --> 00:13:36,079

that you can kind of you know

382

00:13:38,949 --> 00:13:37,519

essentially

383

00:13:40,230 --> 00:13:38,959

summon these things at certain places

384

00:13:41,910 --> 00:13:40,240

certain times if you kind of give a

385

00:13:44,069 --> 00:13:41,920

run-up um

386

00:13:46,389 --> 00:13:44,079

with the media cycle as it is kind of

387

00:13:47,910 --> 00:13:46,399

you know bumping up ufo news

388

00:13:49,350 --> 00:13:47,920

there are lots more people like us out

389

00:13:50,949 --> 00:13:49,360

there having experiences like this and

390

00:13:53,509 --> 00:13:50,959

there are a lot more people starting to

391

00:13:55,030 --> 00:13:53,519

think about it as well so you know i

392

00:13:56,710 --> 00:13:55,040

just wonder is it going to lead to you

393

00:13:58,870 --> 00:13:56,720

know maybe a mass sighting or something

394

00:14:00,310 --> 00:13:58,880

like that it's exciting to think about

395

00:14:02,389 --> 00:14:00,320

i think that

396

00:14:04,550 --> 00:14:02,399

it will get to a point where so many

397

00:14:06,870 --> 00:14:04,560

people are having so many experiences

398

00:14:08,310 --> 00:14:06,880

that we will get that gotcha moment i

399

00:14:09,590 --> 00:14:08,320

know that everyone says they want that

400

00:14:12,230 --> 00:14:09,600

moment where the

401  
00:14:15,350 --> 00:14:12,240  
ufo lands on the white house lawn

402  
00:14:17,670 --> 00:14:15,360  
i think there will be in the next few

403  
00:14:19,910 --> 00:14:17,680  
years there will be something

404  
00:14:21,189 --> 00:14:19,920  
that happens that is just too

405  
00:14:22,949 --> 00:14:21,199  
irrefutable and whether that be

406  
00:14:25,110 --> 00:14:22,959  
something like phoenix lights if the

407  
00:14:27,189 --> 00:14:25,120  
phoenix lights happen now

408  
00:14:28,949 --> 00:14:27,199  
it would get so much more press coverage

409  
00:14:30,949 --> 00:14:28,959  
i mean i talk to people

410  
00:14:32,310 --> 00:14:30,959  
who are interested in this phenomenon

411  
00:14:33,590 --> 00:14:32,320  
who don't know about things like the

412  
00:14:35,990 --> 00:14:33,600  
phoenix lights they don't know about

413  
00:14:37,829 --> 00:14:36,000

things like randallston forest and

414

00:14:38,790 --> 00:14:37,839

there has to be i think in the next few

415

00:14:41,350 --> 00:14:38,800

years

416

00:14:45,110 --> 00:14:41,360

something big maybe it will happen

417

00:14:48,150 --> 00:14:45,120

on catalina possibly where somebody

418

00:14:49,670 --> 00:14:48,160

with lots of witnesses sees something

419

00:14:51,189 --> 00:14:49,680

that is caught

420

00:14:53,509 --> 00:14:51,199

this object that i saw the other day it

421

00:14:55,350 --> 00:14:53,519

clearly wanted to be seen it was bright

422

00:14:57,350 --> 00:14:55,360

blinding white it was brighter than the

423

00:14:58,790 --> 00:14:57,360

sun in the sky

424

00:15:00,870 --> 00:14:58,800

and this this wasn't a nighttime

425

00:15:03,350 --> 00:15:00,880

experience either this was daytime and

426

00:15:05,350 --> 00:15:03,360

it still lit the sky up it was the focal

427

00:15:07,430 --> 00:15:05,360

point of the sky

428

00:15:08,550 --> 00:15:07,440

that thing wanted to be seen

429

00:15:11,829 --> 00:15:08,560

like

430

00:15:15,030 --> 00:15:11,839

there will be a moment where we see

431

00:15:16,389 --> 00:15:15,040

something mass sighting harry just as we

432

00:15:18,150 --> 00:15:16,399

run out of time i just want to quickly

433

00:15:19,750 --> 00:15:18,160

get your final thoughts so having had

434

00:15:22,230 --> 00:15:19,760

this experience as recently as you've

435

00:15:24,310 --> 00:15:22,240

had and it kind of changing or are

436

00:15:26,389 --> 00:15:24,320

cementing that the consciousness side of

437

00:15:28,870 --> 00:15:26,399

things is linked to these experiences as

438

00:15:31,110 --> 00:15:28,880

well how does it change your own

439

00:15:32,470 --> 00:15:31,120

interest in the subject going forward if

440

00:15:34,710 --> 00:15:32,480

at all is it going to change how you

441

00:15:36,790 --> 00:15:34,720

think about it how are you looking 100

442

00:15:37,990 --> 00:15:36,800

yeah it's it's going to open my eyes to

443

00:15:40,550 --> 00:15:38,000

people that i normally would have

444

00:15:42,790 --> 00:15:40,560

dismissed it's going to open my eyes to

445

00:15:46,230 --> 00:15:42,800

experiences that normally i may not have

446

00:15:48,389 --> 00:15:46,240

looked into and it's going to make me

447

00:15:50,069 --> 00:15:48,399

i i would still say that i'm a skeptic

448

00:15:50,870 --> 00:15:50,079

because i don't just believe everything

449

00:15:56,069 --> 00:15:50,880

on

450

00:15:59,829 --> 00:15:56,079

but

451  
00:16:01,350 --> 00:15:59,839  
it will for me open up avenues of

452  
00:16:02,949 --> 00:16:01,360  
interest that

453  
00:16:05,749 --> 00:16:02,959  
previously i might not have looked at

454  
00:16:07,990 --> 00:16:05,759  
definitely and i won't be so quick as to

455  
00:16:09,990 --> 00:16:08,000  
dismiss the story of somebody who said i

456  
00:16:12,230 --> 00:16:10,000  
want something to appear and it did

457  
00:16:14,470 --> 00:16:12,240  
so it's only good for me to be honest

458  
00:16:15,910 --> 00:16:14,480  
awesome harry harry from gamer's watch

459  
00:16:17,110 --> 00:16:15,920  
podcast make sure if you're in your game

460  
00:16:18,550 --> 00:16:17,120  
and you check that one out folks but

461  
00:16:20,389 --> 00:16:18,560  
harry thanks for sharing your experience

462  
00:16:22,629 --> 00:16:20,399  
mate it's been good talking to you

463  
00:16:24,069 --> 00:16:22,639

thank you very much guys

464

00:16:25,590 --> 00:16:24,079

thank you to harry from gamers watch

465

00:16:26,389 --> 00:16:25,600

some uh some excellent conversation

466

00:16:29,430 --> 00:16:26,399

there

467

00:16:31,749 --> 00:16:29,440

and we're now live with joe from ohio

468

00:16:33,509 --> 00:16:31,759

how are you today joe oh pretty good i

469

00:16:34,629 --> 00:16:33,519

appreciate you guys doing this uh this

470

00:16:36,629 --> 00:16:34,639

is a

471

00:16:38,470 --> 00:16:36,639

a fan of your show i'll be honest a

472

00:16:41,269 --> 00:16:38,480

little bit newer to it i've only started

473

00:16:43,590 --> 00:16:41,279

watching and listening back in

474

00:16:44,949 --> 00:16:43,600

march of this year but uh big fan of the

475

00:16:45,829 --> 00:16:44,959

show appreciate you guys doing something

476

00:16:47,350 --> 00:16:45,839

like this

477

00:16:48,949 --> 00:16:47,360

cool thank you that's kind of you to say

478

00:16:51,350 --> 00:16:48,959

uh we're also here with andy by the way

479

00:16:53,670 --> 00:16:51,360

so that compliment goes to you too andy

480

00:16:55,829 --> 00:16:53,680

thanks yeah i'm a big fan of the show as

481

00:16:57,269 --> 00:16:55,839

well so thanks joe yeah

482

00:16:58,150 --> 00:16:57,279

so what did you want to talk about today

483

00:17:00,949 --> 00:16:58,160

joe

484

00:17:02,389 --> 00:17:00,959

um well i plan to bring up a couple of

485

00:17:05,189 --> 00:17:02,399

things that uh

486

00:17:07,669 --> 00:17:05,199

have been on my mind of late uh which it

487

00:17:10,150 --> 00:17:07,679

seems kind of uncanny with the recent

488

00:17:12,390 --> 00:17:10,160

news but um something that i've always

489

00:17:15,189 --> 00:17:12,400

wondered ever since this started to gain

490

00:17:16,549 --> 00:17:15,199

traction uh from 2017

491

00:17:18,549 --> 00:17:16,559

uh was

492

00:17:21,110 --> 00:17:18,559

how other nations that have experienced

493

00:17:23,110 --> 00:17:21,120

this since this is a global phenomenon

494

00:17:25,510 --> 00:17:23,120

um uaps

495

00:17:26,710 --> 00:17:25,520

how other nations haven't been

496

00:17:28,390 --> 00:17:26,720

you know forthcoming with the

497

00:17:30,310 --> 00:17:28,400

information as well

498

00:17:32,789 --> 00:17:30,320

because it's almost like you know from

499

00:17:34,870 --> 00:17:32,799

the the old-fashioned stance of

500

00:17:37,669 --> 00:17:34,880

prisoners dilemma like i i wondered if

501  
00:17:39,270 --> 00:17:37,679  
that maybe took into play here with why

502  
00:17:40,630 --> 00:17:39,280  
other nations haven't been forthcoming

503  
00:17:43,190 --> 00:17:40,640  
with their information and and i get

504  
00:17:45,110 --> 00:17:43,200  
that there's you know geopolitical uh

505  
00:17:47,830 --> 00:17:45,120  
impacts to it and

506  
00:17:50,070 --> 00:17:47,840  
maybe there was a race for trying to

507  
00:17:52,070 --> 00:17:50,080  
understand the tech um to gain an

508  
00:17:54,390 --> 00:17:52,080  
advantage so that those those take come

509  
00:17:56,710 --> 00:17:54,400  
into play but i've always wondered

510  
00:17:59,110 --> 00:17:56,720  
essentially why is the us the first to

511  
00:18:01,029 --> 00:17:59,120  
talk about this and if this is you know

512  
00:18:02,390 --> 00:18:01,039  
been going on for as long as it seems to

513  
00:18:03,190 --> 00:18:02,400

have been going on

514

00:18:04,789 --> 00:18:03,200

um

515

00:18:06,230 --> 00:18:04,799

how other nations haven't been more

516

00:18:07,510 --> 00:18:06,240

forthcoming with the information you

517

00:18:09,750 --> 00:18:07,520

would think

518

00:18:12,070 --> 00:18:09,760

at least one of them would be you know

519

00:18:14,549 --> 00:18:12,080

and and i know france has been somewhat

520

00:18:15,830 --> 00:18:14,559

more forthcoming than other nations in

521

00:18:17,590 --> 00:18:15,840

terms of

522

00:18:19,110 --> 00:18:17,600

um their

523

00:18:21,350 --> 00:18:19,120

cases and

524

00:18:23,029 --> 00:18:21,360

scientific inquiry into them

525

00:18:25,190 --> 00:18:23,039

um but that's something that's been

526

00:18:26,310 --> 00:18:25,200

really interesting to me and i

527

00:18:27,669 --> 00:18:26,320

feel free to

528

00:18:29,830 --> 00:18:27,679

leave this open for you guys to to

529

00:18:32,070 --> 00:18:29,840

comment or respond now but

530

00:18:34,150 --> 00:18:32,080

yeah um no it's a good question joe and

531

00:18:36,310 --> 00:18:34,160

it's funny i was speaking to one of my

532

00:18:38,390 --> 00:18:36,320

colleagues this morning who has a

533

00:18:39,110 --> 00:18:38,400

passing interest in the subject and she

534

00:18:41,830 --> 00:18:39,120

is

535

00:18:43,830 --> 00:18:41,840

um she's really interested in ufos but

536

00:18:45,830 --> 00:18:43,840

doesn't know a lot about it and she's

537

00:18:47,510 --> 00:18:45,840

listening to the podcast recently and it

538

00:18:49,270 --> 00:18:47,520

goes way over her head some of the stuff

539

00:18:51,190 --> 00:18:49,280

we're discussing you know because we're

540

00:18:53,029 --> 00:18:51,200

we're talking about so much more than

541

00:18:55,270 --> 00:18:53,039

other aliens coming from other planets

542

00:18:56,870 --> 00:18:55,280

and she asked me the question earlier

543

00:18:58,390 --> 00:18:56,880

why is it just the united states it

544

00:19:00,630 --> 00:18:58,400

seemed to talk about this

545

00:19:02,390 --> 00:19:00,640

and i said you know what i don't think

546

00:19:04,549 --> 00:19:02,400

it is but i just think we hear more

547

00:19:07,750 --> 00:19:04,559

noise from the usa being a much bigger

548

00:19:09,909 --> 00:19:07,760

country having the population it does um

549

00:19:11,830 --> 00:19:09,919

it's kind of the head of the western

550

00:19:15,029 --> 00:19:11,840

world like whether people like that or

551

00:19:17,830 --> 00:19:15,039

not as it's the kind of hub um it's had

552

00:19:20,150 --> 00:19:17,840

it's had hollywood as a huge

553

00:19:21,510 --> 00:19:20,160

you know an industrial complex or

554

00:19:23,029 --> 00:19:21,520

whatever you want to call it for years

555

00:19:25,990 --> 00:19:23,039

and hollywood has driven a lot of the

556

00:19:27,350 --> 00:19:26,000

conversation through movies and tv shows

557

00:19:29,909 --> 00:19:27,360

so i think again it's just that

558

00:19:31,510 --> 00:19:29,919

centralized place for it the the us

559

00:19:33,990 --> 00:19:31,520

military is the highest spending on the

560

00:19:35,990 --> 00:19:34,000

planet so you that would make sense it

561

00:19:37,029 --> 00:19:36,000

has the best equipment it has the best

562

00:19:38,950 --> 00:19:37,039

sensors

563

00:19:42,150 --> 00:19:38,960

and it's probably the

564

00:19:44,150 --> 00:19:42,160

the first that we really heard

565

00:19:46,070 --> 00:19:44,160

discuss it openly i mean i i mentioned

566

00:19:47,990 --> 00:19:46,080

to her that that famous headline in

567

00:19:49,990 --> 00:19:48,000

roswell was the us army confirmed it

568

00:19:51,750 --> 00:19:50,000

captured a flying saucer and then they

569

00:19:53,270 --> 00:19:51,760

very quickly retracted their statement

570

00:19:55,190 --> 00:19:53,280

because they realized oh we shouldn't

571

00:19:57,909 --> 00:19:55,200

have said that it was a weather balloon

572

00:19:59,669 --> 00:19:57,919

and that that was again very telling so

573

00:20:01,430 --> 00:19:59,679

they've kind of always been at the front

574

00:20:03,190 --> 00:20:01,440

of this and

575

00:20:06,549 --> 00:20:03,200

i suppose some of the other bigger

576

00:20:08,230 --> 00:20:06,559

nations if you're talking china russia

577

00:20:10,549 --> 00:20:08,240

and others have always been a little bit

578

00:20:12,870 --> 00:20:10,559

more private in anything they do

579

00:20:14,710 --> 00:20:12,880

whereas the us as a nation is a bit more

580

00:20:17,669 --> 00:20:14,720

brash and

581

00:20:20,150 --> 00:20:17,679

confident or cocky in some ways that the

582

00:20:22,150 --> 00:20:20,160

us doesn't mind coming out and being the

583

00:20:25,909 --> 00:20:22,160

forefront and showing off its latest

584

00:20:28,070 --> 00:20:25,919

technology or you know it's the the home

585

00:20:31,430 --> 00:20:28,080

home the brave land of the free free

586

00:20:33,270 --> 00:20:31,440

speech you know the american dream so

587

00:20:34,470 --> 00:20:33,280

if any country was going to lead that

588

00:20:37,590 --> 00:20:34,480

conversation

589

00:20:38,789 --> 00:20:37,600

for me it just makes sense it's the us

590

00:20:40,230 --> 00:20:38,799

um

591

00:20:42,230 --> 00:20:40,240

and i get why a lot of other countries

592

00:20:43,669 --> 00:20:42,240

maybe stay quieter on it

593

00:20:46,070 --> 00:20:43,679

dan do you want to get shared any

594

00:20:48,149 --> 00:20:46,080

thoughts on that yeah it makes me think

595

00:20:50,310 --> 00:20:48,159

of you know a few times i forgot who

596

00:20:52,470 --> 00:20:50,320

said it now tom liu he you know that

597

00:20:53,990 --> 00:20:52,480

group uh they've spoken about

598

00:20:56,470 --> 00:20:54,000

the fact they're heroes we don't really

599

00:20:57,510 --> 00:20:56,480

know about and i wonder if those people

600

00:20:59,029 --> 00:20:57,520

are the ones you know doing the

601  
00:21:00,710 --> 00:20:59,039  
diplomatic stuff between the countries

602  
00:21:01,590 --> 00:21:00,720  
and doing the things that we

603  
00:21:03,110 --> 00:21:01,600  
you know

604  
00:21:05,270 --> 00:21:03,120  
don't get don't get to hear about if

605  
00:21:07,190 --> 00:21:05,280  
there are materials exchanged um or you

606  
00:21:08,950 --> 00:21:07,200  
know crash recoveries that maybe the uk

607  
00:21:11,110 --> 00:21:08,960  
had that america needs to help with you

608  
00:21:12,870 --> 00:21:11,120  
know there's a lot of people

609  
00:21:16,230 --> 00:21:12,880  
uh you know a chain of people that news

610  
00:21:17,750 --> 00:21:16,240  
goes through that can go very wrong

611  
00:21:19,350 --> 00:21:17,760  
so there could be you know there could

612  
00:21:23,350 --> 00:21:19,360  
well be some international cooperation

613  
00:21:25,909 --> 00:21:23,360

in in places already um we saw the japan

614

00:21:27,350 --> 00:21:25,919

uh japanese task force and program get

615

00:21:29,590 --> 00:21:27,360

set up off the

616

00:21:31,669 --> 00:21:29,600

of the bat of i forget the official's

617

00:21:33,669 --> 00:21:31,679

name but the an american official

618

00:21:36,710 --> 00:21:33,679

visited and then all that news came out

619

00:21:38,310 --> 00:21:36,720

um we also have china coming out now uh

620

00:21:40,070 --> 00:21:38,320

we we know they've got the unh

621

00:21:42,070 --> 00:21:40,080

initiative with the i think it's the

622

00:21:44,710 --> 00:21:42,080

five continents initiative um and

623

00:21:47,350 --> 00:21:44,720

probably up in icer as well um but it's

624

00:21:49,110 --> 00:21:47,360

interesting kind of mixing

625

00:21:50,710 --> 00:21:49,120

because in one corner of the news you

626  
00:21:52,789 --> 00:21:50,720  
know when you're kind of hearing about

627  
00:21:55,990 --> 00:21:52,799  
potential wars and

628  
00:21:57,990 --> 00:21:56,000  
you know adversaries and stuff

629  
00:22:00,310 --> 00:21:58,000  
you uh it's the us versus china the us

630  
00:22:02,870 --> 00:22:00,320  
versus russia you know the the west

631  
00:22:05,029 --> 00:22:02,880  
versus the east almost um whereas it

632  
00:22:06,710 --> 00:22:05,039  
feels different when we're talking about

633  
00:22:08,470 --> 00:22:06,720  
isa and all those kind of things you

634  
00:22:11,270 --> 00:22:08,480  
know the the people involved in that are

635  
00:22:13,750 --> 00:22:11,280  
really game for progress um so i'm

636  
00:22:15,350 --> 00:22:13,760  
intrigued to see you know china or

637  
00:22:16,789 --> 00:22:15,360  
powerhouse and i'm i'm curious to see

638  
00:22:18,549 --> 00:22:16,799

what they're going to do here because

639

00:22:19,909 --> 00:22:18,559

they've got to be aware of how it looks

640

00:22:21,270 --> 00:22:19,919

as well you know

641

00:22:22,789 --> 00:22:21,280

um

642

00:22:25,430 --> 00:22:22,799

andy touched on something important

643

00:22:26,870 --> 00:22:25,440

which is that i'm not sure that

644

00:22:29,350 --> 00:22:26,880

other countries in the world have like

645

00:22:31,350 --> 00:22:29,360

the same sensors and capabilities as the

646

00:22:33,669 --> 00:22:31,360

us but

647

00:22:36,310 --> 00:22:33,679

in the the new bill

648

00:22:38,870 --> 00:22:36,320

there was some talk about ally sharing

649

00:22:40,710 --> 00:22:38,880

that data or sharing data with allies so

650

00:22:43,190 --> 00:22:40,720

it'll be interesting to see if you know

651  
00:22:45,110 --> 00:22:43,200  
maybe the next qa ptf report starts

652  
00:22:46,789 --> 00:22:45,120  
talking about

653  
00:22:48,149 --> 00:22:46,799  
stuff that they sensed over britain with

654  
00:22:49,990 --> 00:22:48,159  
their satellite networks and they never

655  
00:22:51,990 --> 00:22:50,000  
spoke to the uk about it you know they

656  
00:22:54,470 --> 00:22:52,000  
could be huge ramifications for for not

657  
00:22:57,270 --> 00:22:54,480  
helping people with their airspace um

658  
00:22:59,270 --> 00:22:57,280  
the next step is definitely the un um

659  
00:23:00,390 --> 00:22:59,280  
and nato and kind of other countries and

660  
00:23:01,830 --> 00:23:00,400  
and personally i'm really looking

661  
00:23:03,990 --> 00:23:01,840  
forward to hearing from some countries

662  
00:23:05,750 --> 00:23:04,000  
that we haven't heard from yet another

663  
00:23:08,549 --> 00:23:05,760

one i'd mentioned is um i think it was

664

00:23:10,710 --> 00:23:08,559

argentina um and there was a kind of a

665

00:23:12,549 --> 00:23:10,720

task force set up there

666

00:23:14,950 --> 00:23:12,559

right after blue book closed that used a

667

00:23:17,110 --> 00:23:14,960

lot of the same information um that blue

668

00:23:19,350 --> 00:23:17,120

book did um that was it talked about in

669

00:23:20,710 --> 00:23:19,360

unidentified um and the us government

670

00:23:23,909 --> 00:23:20,720

were actually involved in helping set

671

00:23:27,350 --> 00:23:23,919

that up so it's super interesting right

672

00:23:29,510 --> 00:23:27,360

i also have a question um for for joe

673

00:23:30,870 --> 00:23:29,520

i'm just actually checking some stats on

674

00:23:31,990 --> 00:23:30,880

this but what i'm going to ask at first

675

00:23:34,230 --> 00:23:32,000

okay

676

00:23:36,870 --> 00:23:34,240

does the language barrier play a part in

677

00:23:39,430 --> 00:23:36,880

this as well that there will be

678

00:23:41,270 --> 00:23:39,440

tons of other stories and reports and

679

00:23:42,230 --> 00:23:41,280

newspaper articles and clippings out

680

00:23:42,950 --> 00:23:42,240

there but

681

00:23:45,110 --> 00:23:42,960

we

682

00:23:46,950 --> 00:23:45,120

especially in the english-speaking world

683

00:23:49,029 --> 00:23:46,960

are are the ones that don't necessarily

684

00:23:50,390 --> 00:23:49,039

pick up a lot of other languages whereas

685

00:23:53,430 --> 00:23:50,400

those in other countries

686

00:23:56,070 --> 00:23:53,440

that have italian spanish dutch french

687

00:23:57,909 --> 00:23:56,080

german you know russian chinese tend to

688

00:24:01,029 --> 00:23:57,919

learn english um

689

00:24:02,870 --> 00:24:01,039

and from a very young age that

690

00:24:04,230 --> 00:24:02,880

we just don't see this stuff because we

691

00:24:07,110 --> 00:24:04,240

can't read it and we don't go and find

692

00:24:08,549 --> 00:24:07,120

it and we stick to that more you know

693

00:24:11,190 --> 00:24:08,559

it's in english so we can find it that

694

00:24:13,110 --> 00:24:11,200

way and that does limit you to the uk

695

00:24:14,230 --> 00:24:13,120

australia new zealand

696

00:24:16,549 --> 00:24:14,240

the us

697

00:24:19,190 --> 00:24:16,559

and a spattering of other smaller

698

00:24:21,430 --> 00:24:19,200

nations so again the us probably as a

699

00:24:22,870 --> 00:24:21,440

population dominates that conversation

700

00:24:24,470 --> 00:24:22,880

just from a language point of view as

701  
00:24:26,470 --> 00:24:24,480  
well um

702  
00:24:28,950 --> 00:24:26,480  
and that if you do go looking for it you

703  
00:24:30,789 --> 00:24:28,960  
will find stuff but how many of us

704  
00:24:32,230 --> 00:24:30,799  
honestly go in and i suppose only

705  
00:24:33,750 --> 00:24:32,240  
recently with the advent of google

706  
00:24:35,590 --> 00:24:33,760  
translate and things like that you can

707  
00:24:37,990 --> 00:24:35,600  
copy and paste a paragraph of

708  
00:24:39,909 --> 00:24:38,000  
information and get a rough translation

709  
00:24:42,310 --> 00:24:39,919  
of it even again and then though you

710  
00:24:44,549 --> 00:24:42,320  
know the the most recent article from

711  
00:24:47,269 --> 00:24:44,559  
china about them applying ai to it

712  
00:24:49,110 --> 00:24:47,279  
talked about uap the the

713  
00:24:51,110 --> 00:24:49,120

name they used for them was um

714

00:24:52,789 --> 00:24:51,120

unidentified air condition

715

00:24:55,430 --> 00:24:52,799

um which no one's searching for that

716

00:24:57,909 --> 00:24:55,440

term to see about ufos and it's just a

717

00:25:00,149 --> 00:24:57,919

result of the the algorithms translating

718

00:25:01,990 --> 00:25:00,159

you know um so even with the best

719

00:25:03,590 --> 00:25:02,000

intentions we it's really hard to find

720

00:25:06,710 --> 00:25:03,600

things sometimes

721

00:25:08,149 --> 00:25:06,720

and i've just checked apparently uh 4.83

722

00:25:10,149 --> 00:25:08,159

in the world speak english as a first

723

00:25:12,950 --> 00:25:10,159

language so yeah you're potentially

724

00:25:15,590 --> 00:25:12,960

limiting yourself to 4.83 of

725

00:25:18,230 --> 00:25:15,600

any research out there

726

00:25:20,230 --> 00:25:18,240

i i totally get that um

727

00:25:22,310 --> 00:25:20,240

it it i understand that you know that

728

00:25:24,870 --> 00:25:22,320

that's a great point actually uh dan

729

00:25:26,950 --> 00:25:24,880

with the the language barrier um

730

00:25:28,950 --> 00:25:26,960

i i guess i i'll

731

00:25:31,190 --> 00:25:28,960

pivot this slightly

732

00:25:32,789 --> 00:25:31,200

what i meant to say was not that you

733

00:25:35,669 --> 00:25:32,799

know that these other countries aren't

734

00:25:37,750 --> 00:25:35,679

experiencing these and sure what what

735

00:25:40,149 --> 00:25:37,760

you're indicating is probably coming

736

00:25:42,950 --> 00:25:40,159

into play i guess where i was going with

737

00:25:45,029 --> 00:25:42,960

this and i agree that you know the other

738

00:25:47,110 --> 00:25:45,039

point about the the u.s sensor data

739

00:25:48,950 --> 00:25:47,120

potentially being better

740

00:25:50,950 --> 00:25:48,960

and things of that nature but

741

00:25:54,390 --> 00:25:50,960

you would think that

742

00:25:55,430 --> 00:25:54,400

given the enormity of the phenomenon of

743

00:25:57,750 --> 00:25:55,440

what

744

00:25:59,510 --> 00:25:57,760

you know current information

745

00:26:00,549 --> 00:25:59,520

portends towards

746

00:26:03,190 --> 00:26:00,559

um

747

00:26:04,870 --> 00:26:03,200

we would have at least one nation maybe

748

00:26:06,870 --> 00:26:04,880

be completely forthcoming with the

749

00:26:09,190 --> 00:26:06,880

information that they do have

750

00:26:11,990 --> 00:26:09,200

you know and i know that the u.s is

751  
00:26:13,430 --> 00:26:12,000  
maybe going towards this path now but

752  
00:26:15,510 --> 00:26:13,440  
i i just think it was kind of

753  
00:26:17,750 --> 00:26:15,520  
interesting that over the course of all

754  
00:26:19,750 --> 00:26:17,760  
this time that you didn't have

755  
00:26:22,630 --> 00:26:19,760  
maybe with the out with the exception of

756  
00:26:24,950 --> 00:26:22,640  
france a nation that was pretty open

757  
00:26:27,029 --> 00:26:24,960  
about you know its cases and

758  
00:26:27,830 --> 00:26:27,039  
um the science behind it and what it's

759  
00:26:29,830 --> 00:26:27,840  
done

760  
00:26:31,430 --> 00:26:29,840  
and i always say that because you know

761  
00:26:34,310 --> 00:26:31,440  
growing up

762  
00:26:36,630 --> 00:26:34,320  
i i'm a i'm an engineer in electrical

763  
00:26:38,390 --> 00:26:36,640

engineering growing up i i always

764

00:26:41,029 --> 00:26:38,400

was interested in science and

765

00:26:43,110 --> 00:26:41,039

i read you know ufo books when i was

766

00:26:44,710 --> 00:26:43,120

growing up in middle school and in high

767

00:26:46,310 --> 00:26:44,720

school a little bit but

768

00:26:49,510 --> 00:26:46,320

ultimately

769

00:26:51,990 --> 00:26:49,520

until 2017 happened i kind of

770

00:26:54,549 --> 00:26:52,000

you know thought maybe possibly but i

771

00:26:56,549 --> 00:26:54,559

needed some hard science and you know

772

00:26:59,350 --> 00:26:56,559

that's that's what reena ignited me was

773

00:27:00,630 --> 00:26:59,360

seeing some of the actual data and and

774

00:27:03,190 --> 00:27:00,640

listening to the

775

00:27:04,870 --> 00:27:03,200

cases that we have lots of

776  
00:27:06,710 --> 00:27:04,880  
you know

777  
00:27:08,390 --> 00:27:06,720  
not just the human testimony right you

778  
00:27:10,470 --> 00:27:08,400  
have the sensor data to collaborate it

779  
00:27:12,310 --> 00:27:10,480  
and um you have got

780  
00:27:13,430 --> 00:27:12,320  
for example i don't i know this probably

781  
00:27:14,950 --> 00:27:13,440  
didn't get a whole lot of attention but

782  
00:27:17,909 --> 00:27:14,960  
that 2019

783  
00:27:19,029 --> 00:27:17,919  
um entropy journal uh

784  
00:27:21,350 --> 00:27:19,039  
peer-reviewed

785  
00:27:24,310 --> 00:27:21,360  
article that was created that it was uh

786  
00:27:25,830 --> 00:27:24,320  
um estimating anomalous or estimating

787  
00:27:28,070 --> 00:27:25,840  
flight characteristics of anomalous

788  
00:27:30,950 --> 00:27:28,080

aerial vehicles or i think that was the

789

00:27:32,950 --> 00:27:30,960

the term but um they got into the data

790

00:27:35,190 --> 00:27:32,960

on the nimitz incident and and seeing

791

00:27:36,549 --> 00:27:35,200

the kinematics set up

792

00:27:38,549 --> 00:27:36,559

and the probability density function

793

00:27:39,909 --> 00:27:38,559

which i'm not going to get too deep into

794

00:27:41,269 --> 00:27:39,919

but from my background that was pretty

795

00:27:42,070 --> 00:27:41,279

powerful to see

796

00:27:44,230 --> 00:27:42,080

um

797

00:27:45,669 --> 00:27:44,240

i i just would have expected there would

798

00:27:49,110 --> 00:27:45,679

have been some sort of you know

799

00:27:51,750 --> 00:27:49,120

scientific data dump from some uh

800

00:27:54,149 --> 00:27:51,760

bigger case or some country in the past

801  
00:27:55,750 --> 00:27:54,159  
and i'm sure there's probably reasons

802  
00:27:57,669 --> 00:27:55,760  
that are not yet

803  
00:27:59,029 --> 00:27:57,679  
known as to why but it

804  
00:28:01,190 --> 00:27:59,039  
makes me wonder

805  
00:28:02,710 --> 00:28:01,200  
yeah i get your point you're saying like

806  
00:28:04,549 --> 00:28:02,720  
if i'm reading this thing that why

807  
00:28:06,549 --> 00:28:04,559  
haven't italy or

808  
00:28:07,909 --> 00:28:06,559  
germany or the uk came out and said you

809  
00:28:09,590 --> 00:28:07,919  
know what there's something going on

810  
00:28:11,669 --> 00:28:09,600  
here's what we've found from it so far

811  
00:28:14,149 --> 00:28:11,679  
and we'd like to have a conversation but

812  
00:28:15,990 --> 00:28:14,159  
i suppose again it's like why has no one

813  
00:28:17,110 --> 00:28:16,000

really done that because the stigma's

814

00:28:19,190 --> 00:28:17,120

been there

815

00:28:21,430 --> 00:28:19,200

and if you look back what

816

00:28:23,750 --> 00:28:21,440

before the the 40s 50s there probably

817

00:28:26,230 --> 00:28:23,760

wasn't a whole lot to go on anyway and

818

00:28:28,230 --> 00:28:26,240

as you start to get the advent of the

819

00:28:30,230 --> 00:28:28,240

nuclear age and more and more sightings

820

00:28:31,990 --> 00:28:30,240

and technology getting better you're

821

00:28:35,350 --> 00:28:32,000

narrowing it down to that kind of 50 or

822

00:28:36,710 --> 00:28:35,360

60 years where the conversation has just

823

00:28:39,029 --> 00:28:36,720

been that and i imagine in the

824

00:28:41,269 --> 00:28:39,039

background this is just my own opinion

825

00:28:43,350 --> 00:28:41,279

what tends to happen is given the us

826  
00:28:45,269 --> 00:28:43,360  
with roswell and that sort of stuff had

827  
00:28:47,669 --> 00:28:45,279  
those first major

828  
00:28:49,190 --> 00:28:47,679  
press releases and you know talking

829  
00:28:50,549 --> 00:28:49,200  
about it and then the cover-up stories

830  
00:28:52,310 --> 00:28:50,559  
and everything like that

831  
00:28:54,870 --> 00:28:52,320  
have other countries whenever they have

832  
00:28:56,149 --> 00:28:54,880  
had any incidents or issues reached out

833  
00:28:58,149 --> 00:28:56,159  
to the us

834  
00:29:01,269 --> 00:28:58,159  
or as so

835  
00:29:04,549 --> 00:29:01,279  
we can provably say yes they did

836  
00:29:05,669 --> 00:29:04,559  
there's a case where canada had what

837  
00:29:07,750 --> 00:29:05,679  
they couldn't something they couldn't

838  
00:29:09,830 --> 00:29:07,760

identify um and they actually took it to

839

00:29:11,029 --> 00:29:09,840

malmstrom air base uh for them to study

840

00:29:12,549 --> 00:29:11,039

it and gave it to the us and said look

841

00:29:14,470 --> 00:29:12,559

what this is it turned out it was just a

842

00:29:16,789 --> 00:29:14,480

satellite but point is they were given a

843

00:29:18,549 --> 00:29:16,799

uap to them to the us

844

00:29:20,470 --> 00:29:18,559

yeah so i think what happens to us in

845

00:29:22,710 --> 00:29:20,480

the background these things happen and

846

00:29:24,789 --> 00:29:22,720

again these countries corroborate and

847

00:29:26,470 --> 00:29:24,799

you know what i would even wonder at

848

00:29:29,190 --> 00:29:26,480

times at some level

849

00:29:32,310 --> 00:29:29,200

does the us and russia and china some

850

00:29:34,710 --> 00:29:32,320

way talk to each other and go look

851

00:29:36,389 --> 00:29:34,720

this isn't us and they go yep and it's

852

00:29:38,310 --> 00:29:36,399

not us either

853

00:29:39,350 --> 00:29:38,320

and maybe that's where the conversations

854

00:29:41,669 --> 00:29:39,360

stop

855

00:29:43,430 --> 00:29:41,679

however it's almost just a confirmation

856

00:29:45,269 --> 00:29:43,440

that it wasn't us flying over your

857

00:29:48,470 --> 00:29:45,279

nuclear silos that we heard about yeah

858

00:29:50,389 --> 00:29:48,480

and it wasn't as flying over yours

859

00:29:52,230 --> 00:29:50,399

and maybe for security reasons that's

860

00:29:53,669 --> 00:29:52,240

where it stops and you hear about the

861

00:29:55,190 --> 00:29:53,679

race for this technology and which

862

00:29:56,470 --> 00:29:55,200

country wants to have it first and it's

863

00:29:58,149 --> 00:29:56,480

the really good point and chris melon

864

00:30:00,710 --> 00:29:58,159

made that one recently didn't he when

865

00:30:03,190 --> 00:30:00,720

the chinese rocket had basically crash

866

00:30:04,950 --> 00:30:03,200

landed on like a piece of road in the

867

00:30:06,149 --> 00:30:04,960

middle of somewhere after another failed

868

00:30:08,070 --> 00:30:06,159

space launch

869

00:30:09,990 --> 00:30:08,080

and he said this is the country that

870

00:30:12,470 --> 00:30:10,000

people are claiming potentially have

871

00:30:15,750 --> 00:30:12,480

incredible technologies flying about our

872

00:30:18,070 --> 00:30:15,760

our navy vessels um no they are playing

873

00:30:20,310 --> 00:30:18,080

catch up with us and the us are coming

874

00:30:22,310 --> 00:30:20,320

out and saying as the big spenders

875

00:30:24,070 --> 00:30:22,320

it's it's uh swallowing your pride

876

00:30:25,750 --> 00:30:24,080

admission that this is not our

877

00:30:27,669 --> 00:30:25,760

technology we would love it to be but

878

00:30:30,470 --> 00:30:27,679

it's not and the countries that are

879

00:30:33,510 --> 00:30:30,480

behind us it's not theirs either because

880

00:30:35,350 --> 00:30:33,520

if it was then surely china who who

881

00:30:36,789 --> 00:30:35,360

would want that control worldwide would

882

00:30:39,190 --> 00:30:36,799

turn around and go do you know what

883

00:30:40,630 --> 00:30:39,200

privately we could stick nuclear weapons

884

00:30:42,470 --> 00:30:40,640

over every one of your major cities

885

00:30:44,230 --> 00:30:42,480

within seconds and you could do nothing

886

00:30:45,750 --> 00:30:44,240

about it so

887

00:30:47,350 --> 00:30:45,760

let's play ball

888

00:30:49,110 --> 00:30:47,360

from our point of view same with russia

889

00:30:50,470 --> 00:30:49,120

and the same with the us

890

00:30:51,909 --> 00:30:50,480

but none of them do

891

00:30:54,310 --> 00:30:51,919

and that for me would be the biggest

892

00:30:55,909 --> 00:30:54,320

indicator that this is definitely not us

893

00:30:57,990 --> 00:30:55,919

russian and chinese

894

00:30:59,830 --> 00:30:58,000

and for me it keeps enough of the the

895

00:31:00,870 --> 00:30:59,840

worry and ambiguity in the background

896

00:31:02,950 --> 00:31:00,880

that

897

00:31:04,310 --> 00:31:02,960

they keep it quiet

898

00:31:06,149 --> 00:31:04,320

because how do you have that

899

00:31:08,630 --> 00:31:06,159

conversation openly and what we're

900

00:31:11,029 --> 00:31:08,640

seeing that kind of drip now aren't we

901  
00:31:13,510 --> 00:31:11,039  
um that it's hopefully coming out more

902  
00:31:16,710 --> 00:31:13,520  
and more and more i still would not be

903  
00:31:18,789 --> 00:31:16,720  
shocked if in a few years time

904  
00:31:20,389 --> 00:31:18,799  
we still don't have disclosure as people

905  
00:31:21,669 --> 00:31:20,399  
are expecting or wanting it but that

906  
00:31:23,909 --> 00:31:21,679  
we're just further down the road with

907  
00:31:26,389 --> 00:31:23,919  
the conversation perhaps even in five

908  
00:31:28,149 --> 00:31:26,399  
years time that it's more accepted in

909  
00:31:30,230 --> 00:31:28,159  
mainstream science that we are

910  
00:31:32,710 --> 00:31:30,240  
attempting to study and capture more

911  
00:31:35,269 --> 00:31:32,720  
aspects of this phenomenon but that's

912  
00:31:38,149 --> 00:31:35,279  
just my opinion what um

913  
00:31:39,990 --> 00:31:38,159

what for for you joe would be

914

00:31:41,509 --> 00:31:40,000

you know you said 2017 kind of played an

915

00:31:44,230 --> 00:31:41,519

important part in

916

00:31:45,750 --> 00:31:44,240

kind of making you a bit more curious in

917

00:31:47,750 --> 00:31:45,760

a serious way

918

00:31:48,470 --> 00:31:47,760

what what would be the next step up for

919

00:31:52,710 --> 00:31:48,480

you

920

00:31:55,029 --> 00:31:52,720

a 10 centimeter square piece of the

921

00:31:57,110 --> 00:31:55,039

material to scientists to study you know

922

00:31:58,710 --> 00:31:57,120

kind of open the floodgates for you or

923

00:32:00,710 --> 00:31:58,720

would you want more than that

924

00:32:03,110 --> 00:32:00,720

well i know that they're already um our

925

00:32:04,950 --> 00:32:03,120

ongoing efforts i know it was the

926  
00:32:06,950 --> 00:32:04,960  
peer-reviewed piece i've been waiting

927  
00:32:07,990 --> 00:32:06,960  
for this to come out with uh jacques

928  
00:32:10,549 --> 00:32:08,000  
valles

929  
00:32:11,750 --> 00:32:10,559  
collaboration with yeah yeah it was

930  
00:32:13,110 --> 00:32:11,760  
supposed to come out this summer but

931  
00:32:14,710 --> 00:32:13,120  
we're getting near the end of the summer

932  
00:32:17,269 --> 00:32:14,720  
at this point i'm not sure when it's

933  
00:32:18,230 --> 00:32:17,279  
going to come out but yeah i am eagerly

934  
00:32:21,430 --> 00:32:18,240  
awaiting

935  
00:32:23,430 --> 00:32:21,440  
um information like that um that that's

936  
00:32:26,549 --> 00:32:23,440  
honestly probably in my opinion the next

937  
00:32:29,430 --> 00:32:26,559  
part of this conversation is having that

938  
00:32:31,029 --> 00:32:29,440

type of data be be made available um

939

00:32:33,509 --> 00:32:31,039

something i'd like to see but i know is

940

00:32:35,909 --> 00:32:33,519

probably less likely to happen is

941

00:32:38,389 --> 00:32:35,919

information that no longer needs to be

942

00:32:39,590 --> 00:32:38,399

classified for example maybe information

943

00:32:41,909 --> 00:32:39,600

or

944

00:32:44,630 --> 00:32:41,919

material intelligence whatever you want

945

00:32:46,630 --> 00:32:44,640

to use sensor data that's a lot older

946

00:32:49,990 --> 00:32:46,640

maybe systems the us doesn't even use

947

00:32:51,750 --> 00:32:50,000

anymore so there'd be no reason to to to

948

00:32:53,509 --> 00:32:51,760

classify the data

949

00:32:55,750 --> 00:32:53,519

i'd like to see some of those

950

00:32:57,430 --> 00:32:55,760

cooperating evidence coming out for

951  
00:32:58,950 --> 00:32:57,440  
certain cases i don't know that we'll

952  
00:33:00,789 --> 00:32:58,960  
see that but yeah that that's the next

953  
00:33:02,470 --> 00:33:00,799  
thing i'd like to see some

954  
00:33:04,950 --> 00:33:02,480  
you know more in-depth scientific study

955  
00:33:07,269 --> 00:33:04,960  
on on actual material and and i know

956  
00:33:08,470 --> 00:33:07,279  
that's in the process but i think that's

957  
00:33:09,909 --> 00:33:08,480  
what i'm waiting for

958  
00:33:11,350 --> 00:33:09,919  
there are some things going through i

959  
00:33:14,470 --> 00:33:11,360  
think it's the department of energy as

960  
00:33:16,630 --> 00:33:14,480  
of february 2022. they they currently

961  
00:33:18,549 --> 00:33:16,640  
they're under their own own um oversight

962  
00:33:19,830 --> 00:33:18,559  
committee so whatever they decide they

963  
00:33:21,110 --> 00:33:19,840

want to keep from everyone else they get

964

00:33:23,269 --> 00:33:21,120

to keep from everyone else but that

965

00:33:25,430 --> 00:33:23,279

changes in february um and they're held

966

00:33:27,190 --> 00:33:25,440

to the same oversight as everybody else

967

00:33:29,350 --> 00:33:27,200

there's also a few space force kind of

968

00:33:31,029 --> 00:33:29,360

classification reviews going through so

969

00:33:33,110 --> 00:33:31,039

i'm hoping that they're kind of linked

970

00:33:34,070 --> 00:33:33,120

to the bills that we're seeing and and

971

00:33:35,830 --> 00:33:34,080

you know there's going to be a few

972

00:33:37,669 --> 00:33:35,840

classification changes so we can see the

973

00:33:40,310 --> 00:33:37,679

kind of data that you're referring to it

974

00:33:42,789 --> 00:33:40,320

would be wild

975

00:33:44,630 --> 00:33:42,799

i agree but joe we're at a time on that

976

00:33:46,310 --> 00:33:44,640

one but some really good points here but

977

00:33:47,590 --> 00:33:46,320

absolutely fair fairly made as well and

978

00:33:49,909 --> 00:33:47,600

it's one of those that right now we can

979

00:33:51,590 --> 00:33:49,919

only speculate on really so uh hopefully

980

00:33:53,430 --> 00:33:51,600

you call in again in the near future and

981

00:33:54,549 --> 00:33:53,440

uh obviously we get some of that data

982

00:33:55,509 --> 00:33:54,559

that you're looking at as well would be

983

00:33:58,389 --> 00:33:55,519

good

984

00:34:59,190 --> 00:33:58,399

thanks so much appreciate your time

985

00:35:05,349 --> 00:35:02,790

from joe and ohio we go to joe in london

986

00:35:07,030 --> 00:35:05,359

joe welcome to the podcast how you doing

987

00:35:09,109 --> 00:35:07,040

i'm very good thank you uh thank you for

988

00:35:11,589 --> 00:35:09,119

having me on andy and dan it's uh it's

989

00:35:13,430 --> 00:35:11,599

great to um to be on i've been listening

990

00:35:15,510 --> 00:35:13,440

to the show um

991

00:35:17,349 --> 00:35:15,520

almost a year now and uh really looking

992

00:35:19,109 --> 00:35:17,359

forward to it every every time you uh

993

00:35:20,630 --> 00:35:19,119

post a new podcast

994

00:35:22,150 --> 00:35:20,640

i'm on the discord channel as well which

995

00:35:23,190 --> 00:35:22,160

is really good thank you that's kind of

996

00:35:24,950 --> 00:35:23,200

easy to say

997

00:35:27,030 --> 00:35:24,960

yeah the discord's a fun community to be

998

00:35:28,950 --> 00:35:27,040

a part of as well uh again if you're on

999

00:35:30,550 --> 00:35:28,960

the apple premium or patreon you get

1000

00:35:32,550 --> 00:35:30,560

access to the discord which is a fun

1001  
00:35:33,990 --> 00:35:32,560  
place to chat um so yeah thanks for

1002  
00:35:35,589 --> 00:35:34,000  
thanks for doing that joe

1003  
00:35:37,990 --> 00:35:35,599  
joe you want to talk about a couple of

1004  
00:35:39,270 --> 00:35:38,000  
different topics one being channelers

1005  
00:35:41,109 --> 00:35:39,280  
and people who channel different

1006  
00:35:44,230 --> 00:35:41,119  
entities and beings and then we're going

1007  
00:35:46,390 --> 00:35:44,240  
to look at ce5 events as well um so yeah

1008  
00:35:48,630 --> 00:35:46,400  
go for it the floor is yours

1009  
00:35:51,990 --> 00:35:48,640  
yeah sure so um

1010  
00:35:53,589 --> 00:35:52,000  
when i first started looking into um

1011  
00:35:55,109 --> 00:35:53,599  
well i was looking on youtube and

1012  
00:35:57,349 --> 00:35:55,119  
listening to a lot of various uh

1013  
00:35:59,109 --> 00:35:57,359

channelers that have those videos one

1014

00:36:02,150 --> 00:35:59,119

called the magenta pixie and the ones

1015

00:36:04,230 --> 00:36:02,160

laurie ladd and phil bill good

1016

00:36:07,109 --> 00:36:04,240

um and then recently i've been uh just

1017

00:36:09,829 --> 00:36:07,119

read a book by elena denan who has a

1018

00:36:12,790 --> 00:36:09,839

book called alien races and she channels

1019

00:36:15,109 --> 00:36:12,800

someone called thoran who who gave a lot

1020

00:36:16,710 --> 00:36:15,119

of information about the various alien

1021

00:36:18,069 --> 00:36:16,720

races out there

1022

00:36:20,710 --> 00:36:18,079

and talking about a thing called the

1023

00:36:23,030 --> 00:36:20,720

sikar empire which apparently is

1024

00:36:24,630 --> 00:36:23,040

uh largely responsible for a lot of a

1025

00:36:26,710 --> 00:36:24,640

lot of the uh the shadow government and

1026  
00:36:28,390 --> 00:36:26,720  
the dark things happening i just wanted

1027  
00:36:29,670 --> 00:36:28,400  
to get your thoughts on

1028  
00:36:31,349 --> 00:36:29,680  
on that and with the whether you had

1029  
00:36:32,790 --> 00:36:31,359  
sort of um

1030  
00:36:34,630 --> 00:36:32,800  
been looking into that at all because i

1031  
00:36:35,829 --> 00:36:34,640  
i don't hear a lot about channelers on

1032  
00:36:37,910 --> 00:36:35,839  
here and i wondered if they'd got sort

1033  
00:36:40,550 --> 00:36:37,920  
of credibility amongst the kind of

1034  
00:36:42,870 --> 00:36:40,560  
ufo community as much

1035  
00:36:45,109 --> 00:36:42,880  
so i'll be really honest when it comes

1036  
00:36:47,030 --> 00:36:45,119  
to to this kind of stuff and i suppose

1037  
00:36:49,510 --> 00:36:47,040  
you've got to put it in the same basket

1038  
00:36:51,910 --> 00:36:49,520

as things like remote viewing um

1039

00:36:53,349 --> 00:36:51,920

to a point where remote viewing is one

1040

00:36:55,829 --> 00:36:53,359

of those incredible things that i've

1041

00:36:56,790 --> 00:36:55,839

just had the debra cats interviews on

1042

00:36:58,150 --> 00:36:56,800

and

1043

00:36:59,910 --> 00:36:58,160

got some really good feedback but i've

1044

00:37:02,710 --> 00:36:59,920

also had people get in touch who just

1045

00:37:05,030 --> 00:37:02,720

don't buy into either the person and

1046

00:37:06,630 --> 00:37:05,040

deborah or the the idea of remote

1047

00:37:08,710 --> 00:37:06,640

viewing and what it entails and it's an

1048

00:37:10,470 --> 00:37:08,720

incredible thing that you know one day

1049

00:37:11,990 --> 00:37:10,480

i've proven to be 100

1050

00:37:13,430 --> 00:37:12,000

a real phenomena

1051

00:37:16,069 --> 00:37:13,440

it's just mind-blowing and

1052

00:37:18,069 --> 00:37:16,079

world-changing and everything else what

1053

00:37:20,790 --> 00:37:18,079

you do get with remote viewing

1054

00:37:24,550 --> 00:37:20,800

is an element of results where it can be

1055

00:37:26,550 --> 00:37:24,560

tested and lab tested um and and that's

1056

00:37:28,150 --> 00:37:26,560

great and that's what gives that some

1057

00:37:30,950 --> 00:37:28,160

level of i'm going to use that word

1058

00:37:33,750 --> 00:37:30,960

credibility joe that you've used because

1059

00:37:34,870 --> 00:37:33,760

the issue that happens with channeling

1060

00:37:36,390 --> 00:37:34,880

beings

1061

00:37:39,430 --> 00:37:36,400

as

1062

00:37:41,510 --> 00:37:39,440

the results part of it that it's one of

1063

00:37:42,870 --> 00:37:41,520

those where it can be really interesting

1064

00:37:45,829 --> 00:37:42,880

to listen to

1065

00:37:47,589 --> 00:37:45,839

but off the back of someone

1066

00:37:49,430 --> 00:37:47,599

being in contact with or channeling

1067

00:37:51,670 --> 00:37:49,440

another entity

1068

00:37:55,270 --> 00:37:51,680

there's very little if any proof or

1069

00:37:57,990 --> 00:37:55,280

evidence that one they actually are

1070

00:37:59,829 --> 00:37:58,000

or if they are

1071

00:38:01,910 --> 00:37:59,839

off the back of that anything that you

1072

00:38:04,230 --> 00:38:01,920

can tangibly prove

1073

00:38:05,910 --> 00:38:04,240

this is it's really happening because

1074

00:38:07,430 --> 00:38:05,920

this happened or there was this

1075

00:38:08,470 --> 00:38:07,440

prediction made

1076

00:38:10,870 --> 00:38:08,480

or

1077

00:38:13,750 --> 00:38:10,880

even just again the angelic topic at the

1078

00:38:15,670 --> 00:38:13,760

minute is quite pertinent online where

1079

00:38:17,430 --> 00:38:15,680

she's claiming that she actually has you

1080

00:38:19,670 --> 00:38:17,440

know she's seen these beings in a

1081

00:38:22,310 --> 00:38:19,680

mountain in the mojave desert and i

1082

00:38:23,510 --> 00:38:22,320

suppose we're going to find out sooner

1083

00:38:25,030 --> 00:38:23,520

than later

1084

00:38:27,190 --> 00:38:25,040

whether that's true or not because she

1085

00:38:29,349 --> 00:38:27,200

says she's going there with a team

1086

00:38:31,349 --> 00:38:29,359

yeah you could go tomorrow

1087

00:38:33,990 --> 00:38:31,359

and that would put an end to it with a

1088

00:38:36,630 --> 00:38:34,000

camera um and we'll see what happens

1089

00:38:38,950 --> 00:38:36,640

with that particular story

1090

00:38:40,790 --> 00:38:38,960

for me i've got to put it in the case of

1091

00:38:43,829 --> 00:38:40,800

you know i've talked before about

1092

00:38:46,710 --> 00:38:43,839

hearing people who have time traveled or

1093

00:38:48,790 --> 00:38:46,720

jumped to mars and spent time on mars or

1094

00:38:50,230 --> 00:38:48,800

remote viewed other planets

1095

00:38:52,470 --> 00:38:50,240

until there's something we can prove

1096

00:38:54,790 --> 00:38:52,480

it's got to be one of those i find

1097

00:38:56,550 --> 00:38:54,800

interesting to listen to

1098

00:38:59,109 --> 00:38:56,560

but i've got reservations and a lot of

1099

00:39:00,790 --> 00:38:59,119

it but i can see why people do find that

1100

00:39:02,550 --> 00:39:00,800

impression i don't know about dan what

1101

00:39:03,829 --> 00:39:02,560

about yourself on the idea of of

1102

00:39:05,589 --> 00:39:03,839

channeling

1103

00:39:07,030 --> 00:39:05,599

i am i try and watch some channels

1104

00:39:08,710 --> 00:39:07,040

because i find it's

1105

00:39:11,109 --> 00:39:08,720

it's one of the more challenging aspects

1106

00:39:12,829 --> 00:39:11,119

of the subject right and and i i think

1107

00:39:15,349 --> 00:39:12,839

the people should challenge themselves

1108

00:39:17,430 --> 00:39:15,359

um we were talking yesterday andy about

1109

00:39:20,470 --> 00:39:17,440

the idea of stuff like downloads and

1110

00:39:22,150 --> 00:39:20,480

channeling as kind of inspiration and

1111

00:39:25,270 --> 00:39:22,160

creativity coming through to different

1112

00:39:26,630 --> 00:39:25,280

degrees um and i i find it curious for

1113

00:39:28,150 --> 00:39:26,640

that reason you know

1114

00:39:29,510 --> 00:39:28,160

those people kind of getting ideas that

1115

00:39:30,870 --> 00:39:29,520

are much more intense than us so they

1116

00:39:32,230 --> 00:39:30,880

just feel like they're coming from that

1117

00:39:34,310 --> 00:39:32,240

different place and they interpret them

1118

00:39:36,790 --> 00:39:34,320

that way i i don't know i think it's

1119

00:39:38,470 --> 00:39:36,800

really interesting um and as someone

1120

00:39:41,430 --> 00:39:38,480

that kind of

1121

00:39:43,510 --> 00:39:41,440

you know partakes in the whole ce5 thing

1122

00:39:46,310 --> 00:39:43,520

and and

1123

00:39:48,150 --> 00:39:46,320

remote viewing it's it's something that

1124

00:39:48,870 --> 00:39:48,160

you know i dig further and further into

1125

00:39:50,630 --> 00:39:48,880

when

1126

00:39:53,190 --> 00:39:50,640

i've said to certain people in the past

1127

00:39:54,790 --> 00:39:53,200

that sometimes when you're

1128

00:39:56,950 --> 00:39:54,800

a good example is the foo fighters which

1129

00:39:58,390 --> 00:39:56,960

i did with the olaf graham's book it's

1130

00:40:00,069 --> 00:39:58,400

um

1131

00:40:02,550 --> 00:40:00,079

that you know part of that just came

1132

00:40:04,790 --> 00:40:02,560

through whole and it was like where's

1133

00:40:06,230 --> 00:40:04,800

this idea come from you know is is this

1134

00:40:08,150 --> 00:40:06,240

what people refer to when they talk

1135

00:40:10,950 --> 00:40:08,160

about downloads and it just appears in

1136

00:40:12,150 --> 00:40:10,960

your head um so so it's yeah it's

1137

00:40:13,589 --> 00:40:12,160

something i'm interested in i don't

1138

00:40:15,030 --> 00:40:13,599

really have any hard answers i think

1139

00:40:17,829 --> 00:40:15,040

this is kind of the bleeding edge of

1140

00:40:19,910 --> 00:40:17,839

what we're getting at isn't it um but is

1141

00:40:22,790 --> 00:40:19,920

that the group you spoke about the c5

1142

00:40:24,390 --> 00:40:22,800

group um uk based obviously is that like

1143

00:40:25,750 --> 00:40:24,400

do they have a discord or twitter or

1144

00:40:28,230 --> 00:40:25,760

anything like that for people to join if

1145

00:40:29,990 --> 00:40:28,240

they want to kind of start partaking in

1146

00:40:32,230 --> 00:40:30,000

something actionable

1147

00:40:35,270 --> 00:40:32,240

so um yeah i've uh

1148

00:40:37,829 --> 00:40:35,280

last year i um used the uh the app that

1149

00:40:39,190 --> 00:40:37,839

steven grier put out uh 4c5 which

1150

00:40:41,670 --> 00:40:39,200

allowed me to sort of network with some

1151

00:40:43,589 --> 00:40:41,680

local people and i got in touch with a

1152

00:40:46,390 --> 00:40:43,599

couple people who were

1153

00:40:47,510 --> 00:40:46,400

near to me in southeast london and

1154

00:40:50,230 --> 00:40:47,520

i sort of

1155

00:40:52,310 --> 00:40:50,240

said you want to meet up and one of them

1156

00:40:55,190 --> 00:40:52,320

was quite enthusiastic about it and

1157

00:40:56,710 --> 00:40:55,200

ended up um creating a facebook group um

1158

00:40:59,109 --> 00:40:56,720

and just through various contacts he's

1159

00:41:01,349 --> 00:40:59,119

managed to grow it um it's i think it's

1160

00:41:02,870 --> 00:41:01,359

1600 people on there now

1161

00:41:04,870 --> 00:41:02,880

which is from a year and it's just and

1162

00:41:06,390 --> 00:41:04,880

he's seeing more more people come in and

1163

00:41:08,069 --> 00:41:06,400

i'm one of the admins so i get to see

1164

00:41:09,430 --> 00:41:08,079

how quickly you know it is sort of

1165

00:41:10,390 --> 00:41:09,440

growing so

1166

00:41:12,950 --> 00:41:10,400

um

1167

00:41:14,950 --> 00:41:12,960

yeah on the side of the on the ce5 side

1168

00:41:16,790 --> 00:41:14,960

of things i'm seeing it grow a lot i'm

1169

00:41:17,990 --> 00:41:16,800

seeing i'm also involved in quite a few

1170

00:41:18,870 --> 00:41:18,000

events so

1171

00:41:22,150 --> 00:41:18,880

um

1172

00:41:24,069 --> 00:41:22,160

i've been to uh a couple events in the

1173

00:41:26,390 --> 00:41:24,079

local area i'm going to one this weekend

1174

00:41:28,470 --> 00:41:26,400

in kent and i'm going i went to

1175

00:41:30,790 --> 00:41:28,480

one in avery not long ago and these

1176

00:41:32,790 --> 00:41:30,800

events where you have maybe 10 15 people

1177

00:41:34,550 --> 00:41:32,800

and you all get together and they sort

1178

00:41:36,470 --> 00:41:34,560

of try and initiate contact and we've

1179

00:41:38,150 --> 00:41:36,480

seen we have seen some crazy stuff and

1180

00:41:41,030 --> 00:41:38,160

you know every for people that are

1181

00:41:43,190 --> 00:41:41,040

watching that's like stonehenge right

1182

00:41:45,829 --> 00:41:43,200

uh well it's it's on the same

1183

00:41:49,270 --> 00:41:45,839

line of um that goes through that but

1184

00:41:51,270 --> 00:41:49,280

it's a bit further north yeah um yeah

1185

00:41:53,109 --> 00:41:51,280

and it's uh yes

1186

00:41:55,510 --> 00:41:53,119

we've got some interesting stories but

1187

00:41:57,670 --> 00:41:55,520

there's no kind of um

1188

00:42:00,550 --> 00:41:57,680

i guess central place to put it and sort

1189

00:42:01,990 --> 00:42:00,560

of to have that information available to

1190

00:42:03,990 --> 00:42:02,000

be part of the sort of the disclosure

1191

00:42:05,109 --> 00:42:04,000

because i i believe that disclosure is

1192

00:42:06,870 --> 00:42:05,119

coming is going to happen from the

1193

00:42:08,870 --> 00:42:06,880

ground up not from

1194

00:42:10,069 --> 00:42:08,880

from the top down um

1195

00:42:12,069 --> 00:42:10,079

because i i just think they're all

1196

00:42:13,349 --> 00:42:12,079

playing games at the top or they're not

1197

00:42:15,430 --> 00:42:13,359

allowed to really

1198

00:42:18,069 --> 00:42:15,440

uh you know say what they probably want

1199

00:42:20,470 --> 00:42:18,079

to say so yeah i just wondered if you

1200

00:42:23,349 --> 00:42:20,480

knew much about the cd5 stuff and we we

1201

00:42:25,349 --> 00:42:23,359

almost need like uh

1202

00:42:27,910 --> 00:42:25,359

you know a miniaturized version of

1203

00:42:29,670 --> 00:42:27,920

sky hub for ce fibers to take with them

1204

00:42:31,349 --> 00:42:29,680

and just set up next to them so they can

1205

00:42:33,430 --> 00:42:31,359

start gathering hard data when they're

1206

00:42:34,950 --> 00:42:33,440

interacting um

1207

00:42:36,390 --> 00:42:34,960

but there's certainly you know we've

1208

00:42:38,630 --> 00:42:36,400

seen with skinwalker there's definitely

1209

00:42:40,069 --> 00:42:38,640

an aspect of if you know the computer's

1210

00:42:41,829 --> 00:42:40,079

recording then the phenomena knows and

1211

00:42:45,190 --> 00:42:41,839

it'll break the camera you know you kind

1212

00:42:48,390 --> 00:42:45,200

of have to allow for these weird

1213

00:42:49,829 --> 00:42:48,400

idiosyncrasies in collecting data um i i

1214

00:42:51,750 --> 00:42:49,839

don't know how we solve it but i think

1215

00:42:53,190 --> 00:42:51,760

we're getting to a place where

1216

00:42:54,550 --> 00:42:53,200

the right people are asking those

1217

00:42:56,790 --> 00:42:54,560

questions like having loeb kind of

1218

00:42:58,390 --> 00:42:56,800

making his sense of set and lou talking

1219

00:43:00,710 --> 00:42:58,400

about these simple sensors that we can

1220

00:43:03,430 --> 00:43:00,720

use whatever that is um

1221

00:43:05,270 --> 00:43:03,440

you know we we could be on the cusp of a

1222

00:43:07,190 --> 00:43:05,280

revolution here

1223

00:43:08,550 --> 00:43:07,200

joel can i ask it i definitely see it

1224

00:43:10,390 --> 00:43:08,560

happening a lot more people are more

1225

00:43:11,990 --> 00:43:10,400

open to the idea and don't they don't

1226  
00:43:13,829 --> 00:43:12,000  
ridicule you when you know when i talk

1227  
00:43:16,470 --> 00:43:13,839  
to people who aren't involved in c5 and

1228  
00:43:17,670 --> 00:43:16,480  
i mention it they don't sort of yeah say

1229  
00:43:19,030 --> 00:43:17,680  
oh that's a lot of nonsense but they

1230  
00:43:20,470 --> 00:43:19,040  
might be interested but some of them

1231  
00:43:22,630 --> 00:43:20,480  
aren't and that's fine but some of them

1232  
00:43:24,710 --> 00:43:22,640  
are and wants to know more and the idea

1233  
00:43:26,790 --> 00:43:24,720  
of discussing or trying to make contact

1234  
00:43:28,309 --> 00:43:26,800  
with other beings out there it doesn't

1235  
00:43:30,309 --> 00:43:28,319  
um yeah it doesn't get into trouble so

1236  
00:43:31,829 --> 00:43:30,319  
that that's that's that's a great sign

1237  
00:43:33,589 --> 00:43:31,839  
for um seeing

1238  
00:43:34,470 --> 00:43:33,599

i i definitely feel in my lifetime i

1239

00:43:36,630 --> 00:43:34,480

will

1240

00:43:38,550 --> 00:43:36,640

um see

1241

00:43:39,670 --> 00:43:38,560

yeah full disclosure i think i'll be

1242

00:43:42,470 --> 00:43:39,680

able to talk to anyone on the street

1243

00:43:43,670 --> 00:43:42,480

about it if i wanted um and just yeah

1244

00:43:45,670 --> 00:43:43,680

know that uh

1245

00:43:46,550 --> 00:43:45,680

it's we're in contact with with these

1246

00:43:48,069 --> 00:43:46,560

beings

1247

00:43:51,670 --> 00:43:48,079

whether they're interdimensional or one

1248

00:43:54,630 --> 00:43:51,680

of the other planets whatever it is yeah

1249

00:43:56,230 --> 00:43:54,640

whether whether it's channeling or ce5

1250

00:43:58,309 --> 00:43:56,240

or anything else like i i've talked

1251  
00:44:00,630 --> 00:43:58,319  
online about that video that's been

1252  
00:44:02,309 --> 00:44:00,640  
doing the rounds again from reddit of

1253  
00:44:04,470 --> 00:44:02,319  
the i don't know if you've seen the the

1254  
00:44:07,270 --> 00:44:04,480  
saucer basically beside the wing of the

1255  
00:44:09,829 --> 00:44:07,280  
f-18 apparently of which what it is

1256  
00:44:11,190 --> 00:44:09,839  
um i may have done yeah it's an ending

1257  
00:44:12,710 --> 00:44:11,200  
that's quite a few videos

1258  
00:44:14,150 --> 00:44:12,720  
yeah something seemed quite fake but i

1259  
00:44:16,150 --> 00:44:14,160  
think there's one recently isn't it yeah

1260  
00:44:18,550 --> 00:44:16,160  
so yeah and that's my point okay you've

1261  
00:44:19,430 --> 00:44:18,560  
said it seems quite fake and it does

1262  
00:44:21,990 --> 00:44:19,440  
but

1263  
00:44:23,990 --> 00:44:22,000

no one knows what rio looks like what we

1264

00:44:26,309 --> 00:44:24,000

see in the navy videos is something at

1265

00:44:27,990 --> 00:44:26,319

quite a distance or it's an image of a

1266

00:44:30,390 --> 00:44:28,000

heat signature or lack of a heat

1267

00:44:32,390 --> 00:44:30,400

signature and that's what we have as

1268

00:44:34,790 --> 00:44:32,400

authentic at the moment

1269

00:44:36,950 --> 00:44:34,800

we don't know if that video of that

1270

00:44:38,550 --> 00:44:36,960

saucer is real or not because we don't

1271

00:44:40,870 --> 00:44:38,560

actually know if if that's what one of

1272

00:44:43,109 --> 00:44:40,880

those looks like then that is what one

1273

00:44:44,790 --> 00:44:43,119

of those looks like but we we just don't

1274

00:44:45,910 --> 00:44:44,800

know so we could be looking at stuff

1275

00:44:47,670 --> 00:44:45,920

that's fake

1276  
00:44:49,910 --> 00:44:47,680  
and declaring it fake and that includes

1277  
00:44:51,349 --> 00:44:49,920  
photographs or videos or it includes

1278  
00:44:53,430 --> 00:44:51,359  
people telling us they know that there

1279  
00:44:55,510 --> 00:44:53,440  
are beings and mountains or it includes

1280  
00:44:58,390 --> 00:44:55,520  
channelers who are who are channeling

1281  
00:45:00,150 --> 00:44:58,400  
beings and as crazy as that might sound

1282  
00:45:01,349 --> 00:45:00,160  
we don't know that any one of these

1283  
00:45:03,670 --> 00:45:01,359  
channelers

1284  
00:45:05,109 --> 00:45:03,680  
is is right because maybe that's what is

1285  
00:45:06,710 --> 00:45:05,119  
happening to that person and maybe

1286  
00:45:08,550 --> 00:45:06,720  
that's what those downloads sound like

1287  
00:45:10,790 --> 00:45:08,560  
and maybe that's how it comes through

1288  
00:45:12,470 --> 00:45:10,800

so it's really hard to say one way or

1289

00:45:14,870 --> 00:45:12,480

another and it would be hypocritical for

1290

00:45:16,870 --> 00:45:14,880

me to say all channelers are talking

1291

00:45:18,710 --> 00:45:16,880

nonsense one because i don't know but

1292

00:45:20,870 --> 00:45:18,720

two because i can't look at different

1293

00:45:23,270 --> 00:45:20,880

ufo footage and declare some things real

1294

00:45:26,630 --> 00:45:23,280

are fake when i've never actually seen

1295

00:45:28,870 --> 00:45:26,640

what does 100 genuine real

1296

00:45:31,190 --> 00:45:28,880

flying saucer for example look like

1297

00:45:33,270 --> 00:45:31,200

um so it's one of those where i do sit

1298

00:45:35,190 --> 00:45:33,280

on the fence with it and i want to know

1299

00:45:36,710 --> 00:45:35,200

with your your ce5 group have you ever

1300

00:45:38,230 --> 00:45:36,720

tried to film anything has any of the

1301  
00:45:39,270 --> 00:45:38,240  
group filmed the stuff that you've been

1302  
00:45:41,270 --> 00:45:39,280  
looking at

1303  
00:45:43,030 --> 00:45:41,280  
um yeah i actually i'm probably the one

1304  
00:45:44,069 --> 00:45:43,040  
that um the guy that has these the

1305  
00:45:45,670 --> 00:45:44,079  
camera

1306  
00:45:46,550 --> 00:45:45,680  
i i take with me it's a night vision

1307  
00:45:47,430 --> 00:45:46,560  
camera

1308  
00:45:50,069 --> 00:45:47,440  
um

1309  
00:45:51,510 --> 00:45:50,079  
and i've seen loads of stuff that i'm i

1310  
00:45:53,030 --> 00:45:51,520  
want to get a better camera to be honest

1311  
00:45:54,390 --> 00:45:53,040  
because when i look back at the footage

1312  
00:45:56,390 --> 00:45:54,400  
later

1313  
00:45:59,190 --> 00:45:56,400

i try and look at it as if i was a

1314

00:46:01,190 --> 00:45:59,200

complete skeptic and i haven't quite

1315

00:46:03,430 --> 00:46:01,200

convinced myself that i've got the you

1316

00:46:05,910 --> 00:46:03,440

know the perfect footage but i've seen

1317

00:46:07,349 --> 00:46:05,920

crazy like um like lots of lights over

1318

00:46:10,390 --> 00:46:07,359

appearing and then sort of merging

1319

00:46:11,430 --> 00:46:10,400

together in ways and then flashing

1320

00:46:13,349 --> 00:46:11,440

um

1321

00:46:14,309 --> 00:46:13,359

at various times and you just when

1322

00:46:15,990 --> 00:46:14,319

you're there and you're having the

1323

00:46:17,910 --> 00:46:16,000

experience it's not just about what you

1324

00:46:19,750 --> 00:46:17,920

see it's about the whole experience and

1325

00:46:20,550 --> 00:46:19,760

the energies around you and the people

1326  
00:46:21,670 --> 00:46:20,560  
and

1327  
00:46:23,109 --> 00:46:21,680  
um

1328  
00:46:24,470 --> 00:46:23,119  
i feel that i feel that something's

1329  
00:46:27,750 --> 00:46:24,480  
happening but you can't convey that

1330  
00:46:29,990 --> 00:46:27,760  
completely in a in a in a video footage

1331  
00:46:31,910 --> 00:46:30,000  
um so for me

1332  
00:46:33,829 --> 00:46:31,920  
um i'll happily share with people who

1333  
00:46:34,790 --> 00:46:33,839  
are interested but i think the best way

1334  
00:46:36,470 --> 00:46:34,800  
to have

1335  
00:46:38,069 --> 00:46:36,480  
the experience is not through watching

1336  
00:46:40,069 --> 00:46:38,079  
my videos that i've taken but it's to

1337  
00:46:41,670 --> 00:46:40,079  
actually get involved and and go out

1338  
00:46:43,430 --> 00:46:41,680

there and actually do it yourself with

1339

00:46:44,950 --> 00:46:43,440

various people because i feel the more

1340

00:46:46,870 --> 00:46:44,960

people you have the better the

1341

00:46:48,390 --> 00:46:46,880

experience is as well i think that's a

1342

00:46:51,109 --> 00:46:48,400

good action to have in a good place to

1343

00:46:52,870 --> 00:46:51,119

be in and that approach just in closing

1344

00:46:55,109 --> 00:46:52,880

then joe what's the name of the facebook

1345

00:46:58,550 --> 00:46:55,119

group if people want to join

1346

00:46:59,750 --> 00:46:58,560

uh just uh c5 uk

1347

00:47:01,750 --> 00:46:59,760

yeah awesome

1348

00:47:03,270 --> 00:47:01,760

we'll put the links for that in the show

1349

00:47:04,710 --> 00:47:03,280

description as well so if anyone wants

1350

00:47:06,870 --> 00:47:04,720

to to join especially if you're in the

1351  
00:47:08,150 --> 00:47:06,880  
uk as well and can can get along to one

1352  
00:47:10,309 --> 00:47:08,160  
of these then

1353  
00:47:11,589 --> 00:47:10,319  
that would be awesome um to get along

1354  
00:47:12,390 --> 00:47:11,599  
with you

1355  
00:47:15,670 --> 00:47:12,400  
yeah

1356  
00:47:16,950 --> 00:47:15,680  
call i appreciate that that's just the

1357  
00:47:17,990 --> 00:47:16,960  
end of the time but it's been really

1358  
00:47:20,230 --> 00:47:18,000  
good speaking with you and thanks for

1359  
00:47:21,589 --> 00:47:20,240  
the point

1360  
00:47:24,630 --> 00:47:21,599  
next on the line we're going to head

1361  
00:47:26,870 --> 00:47:24,640  
over from london to iowa we have alex on

1362  
00:47:28,550 --> 00:47:26,880  
the line how we doing alex

1363  
00:47:29,990 --> 00:47:28,560

great great to be here

1364

00:47:32,150 --> 00:47:30,000

really good to have you on the podcast

1365

00:47:33,589 --> 00:47:32,160

as well um i've got dan still joining us

1366

00:47:35,109 --> 00:47:33,599

too which is awesome i have to point

1367

00:47:37,190 --> 00:47:35,119

that out because dan just dips out now

1368

00:47:38,470 --> 00:47:37,200

and again and especially

1369

00:47:40,710 --> 00:47:38,480

it's good to have him on for the full

1370

00:47:42,630 --> 00:47:40,720

time alex the floor is yours what do you

1371

00:47:44,230 --> 00:47:42,640

want to talk about

1372

00:47:46,150 --> 00:47:44,240

um i just uh

1373

00:47:47,430 --> 00:47:46,160

was trying i was hoping to kind of pick

1374

00:47:49,430 --> 00:47:47,440

your guys's brand and what you think

1375

00:47:52,470 --> 00:47:49,440

sort of the end game might be as far as

1376

00:47:53,910 --> 00:47:52,480

technology is concerned um

1377

00:47:56,230 --> 00:47:53,920

i feel like

1378

00:47:58,309 --> 00:47:56,240

now kind of the assumption going forward

1379

00:47:59,910 --> 00:47:58,319

at least for me is that

1380

00:48:01,990 --> 00:47:59,920

we as in

1381

00:48:04,150 --> 00:48:02,000

our various government entities

1382

00:48:06,150 --> 00:48:04,160

are in possession of alien technology i

1383

00:48:07,910 --> 00:48:06,160

think that what we heard yesterday the

1384

00:48:09,430 --> 00:48:07,920

big bombshell that came out

1385

00:48:11,190 --> 00:48:09,440

as far as uh

1386

00:48:12,630 --> 00:48:11,200

you know what the the next house bills

1387

00:48:14,150 --> 00:48:12,640

are that are coming out and the language

1388

00:48:16,390 --> 00:48:14,160

it knows

1389

00:48:17,910 --> 00:48:16,400

i mean it's not they didn't say hey we

1390

00:48:20,470 --> 00:48:17,920

have this stuff but they

1391

00:48:23,030 --> 00:48:20,480

basically said hey we have this stuff

1392

00:48:25,190 --> 00:48:23,040

um so i'm just kind of wondering

1393

00:48:27,109 --> 00:48:25,200

at this point how

1394

00:48:28,950 --> 00:48:27,119

how do we think this is going to end up

1395

00:48:31,990 --> 00:48:28,960

playing out how is that technology going

1396

00:48:32,790 --> 00:48:32,000

to end up being a

1397

00:48:34,790 --> 00:48:32,800

uh

1398

00:48:37,190 --> 00:48:34,800

a known thing that the government says

1399

00:48:39,030 --> 00:48:37,200

here here is this here is that whatever

1400

00:48:40,309 --> 00:48:39,040

is it gonna be

1401  
00:48:42,230 --> 00:48:40,319  
something that they try and keep under

1402  
00:48:44,470 --> 00:48:42,240  
wraps for a long time because they're

1403  
00:48:47,589 --> 00:48:44,480  
not sure

1404  
00:48:49,270 --> 00:48:47,599  
uh if other elements out there have

1405  
00:48:51,430 --> 00:48:49,280  
is it something that's going to take a a

1406  
00:48:53,510 --> 00:48:51,440  
large scale war for them to kind of keep

1407  
00:48:55,829 --> 00:48:53,520  
their their cards close to their chest

1408  
00:48:57,270 --> 00:48:55,839  
before they have to show these things or

1409  
00:48:58,710 --> 00:48:57,280  
or kind of what do you think maybe that

1410  
00:49:00,710 --> 00:48:58,720  
would look like

1411  
00:49:02,549 --> 00:49:00,720  
i i could talk about this for a long

1412  
00:49:03,670 --> 00:49:02,559  
time but it wouldn't be very coherent

1413  
00:49:05,190 --> 00:49:03,680

and it just

1414

00:49:06,870 --> 00:49:05,200

so i've got a lot of thoughts on this

1415

00:49:09,270 --> 00:49:06,880

and dan we talked about it on one of the

1416

00:49:10,870 --> 00:49:09,280

waters recently as well like

1417

00:49:12,710 --> 00:49:10,880

there's so many different components to

1418

00:49:14,790 --> 00:49:12,720

the technology side of things that

1419

00:49:16,470 --> 00:49:14,800

you've got the the weaponization aspect

1420

00:49:18,390 --> 00:49:16,480

of it which i'm sure

1421

00:49:20,150 --> 00:49:18,400

any worldwide military would love to

1422

00:49:22,390 --> 00:49:20,160

have a tic tac and we on one of the

1423

00:49:24,790 --> 00:49:22,400

earlier calls we spoke to one of the

1424

00:49:27,750 --> 00:49:24,800

listeners and just the idea that this is

1425

00:49:30,069 --> 00:49:27,760

potentially american russian or chinese

1426

00:49:32,069 --> 00:49:30,079

is is ludicrous because if it was one of

1427

00:49:33,990 --> 00:49:32,079

those superpowers who and it wouldn't be

1428

00:49:34,950 --> 00:49:34,000

anyone else let's be honest

1429

00:49:37,349 --> 00:49:34,960

then

1430

00:49:39,510 --> 00:49:37,359

they have the upper hand on their

1431

00:49:41,750 --> 00:49:39,520

counterparts because if you are china

1432

00:49:44,710 --> 00:49:41,760

and you have a tic tac let alone a fleet

1433

00:49:47,349 --> 00:49:44,720

of them you can fly a nuclear weapon

1434

00:49:49,270 --> 00:49:47,359

over any american state or russian state

1435

00:49:51,109 --> 00:49:49,280

within seconds and no one could do

1436

00:49:53,349 --> 00:49:51,119

anything about it so you have the

1437

00:49:55,270 --> 00:49:53,359

ultimate deterrent to which nuclear

1438

00:49:56,230 --> 00:49:55,280

weapons are a bit of a waste of time

1439

00:49:58,230 --> 00:49:56,240

so

1440

00:49:59,670 --> 00:49:58,240

it just for me seems crazy that it would

1441

00:50:01,750 --> 00:49:59,680

be any of those so you've got the

1442

00:50:03,910 --> 00:50:01,760

weaponization aspect of it and i think

1443

00:50:06,790 --> 00:50:03,920

that's what any of them would like

1444

00:50:08,150 --> 00:50:06,800

the the the blue sky love and light

1445

00:50:10,710 --> 00:50:08,160

stuff i think love and light's becoming

1446

00:50:12,870 --> 00:50:10,720

a phrase isn't it but the the happy the

1447

00:50:14,309 --> 00:50:12,880

happy way to look at it would be we're

1448

00:50:15,990 --> 00:50:14,319

going to get new medicines new

1449

00:50:18,150 --> 00:50:16,000

technologies to make things easier

1450

00:50:19,750 --> 00:50:18,160

commercial travel would be easier you

1451  
00:50:21,030 --> 00:50:19,760  
know we're going to get replicators like

1452  
00:50:21,990 --> 00:50:21,040  
in star trek

1453  
00:50:22,950 --> 00:50:22,000  
but

1454  
00:50:24,790 --> 00:50:22,960  
just

1455  
00:50:26,150 --> 00:50:24,800  
if the ufo lands on the white house lawn

1456  
00:50:28,150 --> 00:50:26,160  
tomorrow and the government come out and

1457  
00:50:30,309 --> 00:50:28,160  
say yep we've got this tech doesn't

1458  
00:50:32,549 --> 00:50:30,319  
change overnight because can they

1459  
00:50:35,349 --> 00:50:32,559  
replicate it in a big scale maybe it

1460  
00:50:36,950 --> 00:50:35,359  
takes some 50 years to to back engineer

1461  
00:50:38,790 --> 00:50:36,960  
one black triangle

1462  
00:50:42,230 --> 00:50:38,800  
to a point they can use that technology

1463  
00:50:45,510 --> 00:50:44,230

the big focus has to be weaponry not

1464

00:50:47,270 --> 00:50:45,520

from my point of view i'm not making

1465

00:50:48,710 --> 00:50:47,280

weapons but i think any government

1466

00:50:51,990 --> 00:50:48,720

looking at this technology and going

1467

00:50:53,349 --> 00:50:52,000

after it it's for that can i

1468

00:50:55,589 --> 00:50:53,359

you've used the word endgame and i just

1469

00:50:56,950 --> 00:50:55,599

think avengers end game and it's it's

1470

00:50:58,309 --> 00:50:56,960

just unfortunately that kind of

1471

00:51:00,390 --> 00:50:58,319

weaponizing

1472

00:51:01,910 --> 00:51:00,400

aspect of it like can you win a war

1473

00:51:04,309 --> 00:51:01,920

whoever gets the tech the race for the

1474

00:51:07,270 --> 00:51:04,319

tech is has the power and the control

1475

00:51:09,430 --> 00:51:07,280

unfortunately um for everyone else dan

1476

00:51:11,589 --> 00:51:09,440

robert yourself

1477

00:51:14,630 --> 00:51:11,599

yeah i mean you you covered a lot there

1478

00:51:16,790 --> 00:51:14,640

um i i think there's a bit of a

1479

00:51:18,390 --> 00:51:16,800

finding mission ahead of us um when i

1480

00:51:19,430 --> 00:51:18,400

say yes i'm kind of saying the royal ass

1481

00:51:20,630 --> 00:51:19,440

i'm not going to be going through the

1482

00:51:23,670 --> 00:51:20,640

archives you know the people that are

1483

00:51:25,349 --> 00:51:23,680

qualified are going to be doing that um

1484

00:51:26,950 --> 00:51:25,359

you know that that might happen through

1485

00:51:30,710 --> 00:51:26,960

public hearings that might happen

1486

00:51:33,270 --> 00:51:30,720

through the uh dod ig investigation um

1487

00:51:35,670 --> 00:51:33,280

we were talking about this uh earlier in

1488

00:51:36,950 --> 00:51:35,680

fact um and we were saying that the

1489

00:51:38,870 --> 00:51:36,960

government will have you know if this

1490

00:51:41,589 --> 00:51:38,880

stuff has gone into private industry the

1491

00:51:44,470 --> 00:51:41,599

government may have paperwork that goes

1492

00:51:46,790 --> 00:51:44,480

so far and alludes to something outside

1493

00:51:48,790 --> 00:51:46,800

of government and we should be able to

1494

00:51:51,030 --> 00:51:48,800

find that at the very least to kind of

1495

00:51:52,790 --> 00:51:51,040

start you know prying out of the hands

1496

00:51:54,549 --> 00:51:52,800

of the these uh

1497

00:51:56,390 --> 00:51:54,559

private industry

1498

00:51:58,710 --> 00:51:56,400

i was gonna say individuals but groups

1499

00:52:00,549 --> 00:51:58,720

it would be by now um

1500

00:52:03,990 --> 00:52:00,559

in terms of where the technology is

1501

00:52:06,390 --> 00:52:04,000

gonna take us um

1502

00:52:07,990 --> 00:52:06,400

pretty much instant travel is accessible

1503

00:52:10,470 --> 00:52:08,000

you know there's a consciousness aspect

1504

00:52:12,549 --> 00:52:10,480

to this that i find really fascinating

1505

00:52:14,230 --> 00:52:12,559

um you know we're gonna when this stuff

1506

00:52:15,829 --> 00:52:14,240

comes out and we can kind of manipulate

1507

00:52:17,510 --> 00:52:15,839

electromagnetic waves in ways we

1508

00:52:19,589 --> 00:52:17,520

couldn't do before are we even going to

1509

00:52:21,190 --> 00:52:19,599

need stuff like neurolink implanted into

1510

00:52:22,630 --> 00:52:21,200

our heads it kind of changes our

1511

00:52:26,470 --> 00:52:22,640

trajectory of where we think we're going

1512

00:52:28,470 --> 00:52:26,480

to go um and technological revolutions

1513

00:52:30,150 --> 00:52:28,480

are usually like that you know you get

1514

00:52:31,750 --> 00:52:30,160

futurists who predict 100 years in the

1515

00:52:33,430 --> 00:52:31,760

future and they're often wrong because

1516

00:52:36,309 --> 00:52:33,440

something just comes from that field and

1517

00:52:39,030 --> 00:52:36,319

this would be one of those things um

1518

00:52:41,990 --> 00:52:39,040

but it leads to

1519

00:52:43,510 --> 00:52:42,000

an andy touched on it spying essentially

1520

00:52:45,829 --> 00:52:43,520

and and

1521

00:52:47,829 --> 00:52:45,839

you you almost need to have a way of

1522

00:52:50,150 --> 00:52:47,839

controlling this technology before

1523

00:52:52,309 --> 00:52:50,160

letting it out um and i wonder if we're

1524

00:52:53,829 --> 00:52:52,319

getting to that point lou elizondo

1525

00:52:55,190 --> 00:52:53,839

recently

1526  
00:52:57,349 --> 00:52:55,200  
said a

1527  
00:52:59,750 --> 00:52:57,359  
great analogy um

1528  
00:53:01,910 --> 00:52:59,760  
one of many that he he has about a

1529  
00:53:04,630 --> 00:53:01,920  
silverback gorilla in a cage fiddling

1530  
00:53:06,069 --> 00:53:04,640  
with a key in a lock and

1531  
00:53:07,829 --> 00:53:06,079  
you know the the keys kind of getting

1532  
00:53:09,510 --> 00:53:07,839  
closer to that lock and kind of you know

1533  
00:53:11,109 --> 00:53:09,520  
unlocking what's behind the door and

1534  
00:53:13,270 --> 00:53:11,119  
what's that silverback gonna do once he

1535  
00:53:14,470 --> 00:53:13,280  
gets out of the cage and it made me

1536  
00:53:16,470 --> 00:53:14,480  
think well

1537  
00:53:18,309 --> 00:53:16,480  
you know there are zookeepers in this

1538  
00:53:20,950 --> 00:53:18,319

analogy watching that silverback play

1539

00:53:22,630 --> 00:53:20,960

with the lock um

1540

00:53:24,630 --> 00:53:22,640

are they gonna let us get this

1541

00:53:26,309 --> 00:53:24,640

technology and is that a threat to them

1542

00:53:28,870 --> 00:53:26,319

and i wonder if that plays a part in

1543

00:53:30,470 --> 00:53:28,880

their role in disclosure

1544

00:53:31,990 --> 00:53:30,480

what do you think alex what's your

1545

00:53:33,109 --> 00:53:32,000

thoughts

1546

00:53:34,630 --> 00:53:33,119

yeah i guess

1547

00:53:35,910 --> 00:53:34,640

i've talked more about this lately just

1548

00:53:37,109 --> 00:53:35,920

in the last few weeks with some of the

1549

00:53:39,510 --> 00:53:37,119

things i've read and things that have

1550

00:53:41,990 --> 00:53:39,520

come out where now instead of thinking

1551  
00:53:42,950 --> 00:53:42,000  
of this is in on disclosure terms as far

1552  
00:53:44,950 --> 00:53:42,960  
as

1553  
00:53:47,190 --> 00:53:44,960  
are these things real what does that

1554  
00:53:49,030 --> 00:53:47,200  
mean to humanity i thinking of this more

1555  
00:53:52,230 --> 00:53:49,040  
as almost like a

1556  
00:53:53,589 --> 00:53:52,240  
uh a cold war arms race

1557  
00:53:56,069 --> 00:53:53,599  
is kind of maybe something that's

1558  
00:53:58,309 --> 00:53:56,079  
pushing a lot of this as far as really

1559  
00:54:01,270 --> 00:53:58,319  
is about the technology

1560  
00:54:02,230 --> 00:54:01,280  
who has it who can utilize it

1561  
00:54:03,829 --> 00:54:02,240  
um

1562  
00:54:07,270 --> 00:54:03,839  
you know because it really is sort of a

1563  
00:54:08,710 --> 00:54:07,280

whoever can get this get control of it

1564

00:54:09,829 --> 00:54:08,720

whatever that is again it probably will

1565

00:54:12,549 --> 00:54:09,839

be something that comes out of left

1566

00:54:15,829 --> 00:54:12,559

field it's sort of a game game over for

1567

00:54:17,910 --> 00:54:15,839

the the adversaries of that country or

1568

00:54:20,630 --> 00:54:17,920

entity or whatever so i'm thinking of

1569

00:54:22,549 --> 00:54:20,640

this more and long along the lines of

1570

00:54:24,390 --> 00:54:22,559

you know kind of a

1571

00:54:26,630 --> 00:54:24,400

secret arms race

1572

00:54:29,670 --> 00:54:26,640

yeah i can't disagree with that like but

1573

00:54:31,910 --> 00:54:29,680

i would hope that if the time comes that

1574

00:54:34,230 --> 00:54:31,920

one of these countries and again this is

1575

00:54:35,589 --> 00:54:34,240

this is me kind of wishful thinking but

1576

00:54:36,710 --> 00:54:35,599

they must they must talk in the

1577

00:54:38,549 --> 00:54:36,720

background and that's something i

1578

00:54:40,710 --> 00:54:38,559

mentioned earlier well on the the

1579

00:54:43,030 --> 00:54:40,720

surface russia china and the us all hate

1580

00:54:45,910 --> 00:54:43,040

each other you imagine there's some kind

1581

00:54:47,829 --> 00:54:45,920

of shadowy talks go on and they must be

1582

00:54:50,790 --> 00:54:47,839

looking at each other going this this

1583

00:54:52,150 --> 00:54:50,800

isn't ours it's not yours it's not yours

1584

00:54:53,750 --> 00:54:52,160

this is something that you know down the

1585

00:54:55,990 --> 00:54:53,760

line we might have taken a work together

1586

00:54:57,589 --> 00:54:56,000

on a little bit and no doubt their

1587

00:54:59,510 --> 00:54:57,599

typical human nature they're all trying

1588

00:55:00,630 --> 00:54:59,520

to get it themselves first

1589

00:55:01,990 --> 00:55:00,640

but

1590

00:55:03,589 --> 00:55:02,000

what does that actually mean when they

1591

00:55:05,030 --> 00:55:03,599

get it can they use it and then how

1592

00:55:06,549 --> 00:55:05,040

would they use it

1593

00:55:08,630 --> 00:55:06,559

because then if they've got something

1594

00:55:10,309 --> 00:55:08,640

else if there's other entities and if

1595

00:55:11,750 --> 00:55:10,319

it's increasingly likely that something

1596

00:55:14,230 --> 00:55:11,760

else shares the same physical or

1597

00:55:15,589 --> 00:55:14,240

non-physical space as us

1598

00:55:17,270 --> 00:55:15,599

they like

1599

00:55:18,309 --> 00:55:17,280

if they are the gatekeepers like dan

1600

00:55:19,990 --> 00:55:18,319

said

1601  
00:55:22,309 --> 00:55:20,000  
however you want to use that analogy

1602  
00:55:23,990 --> 00:55:22,319  
then what do they do when they give the

1603  
00:55:26,069 --> 00:55:24,000  
kids the toys once the kids have got the

1604  
00:55:27,589 --> 00:55:26,079  
matches and do they let us play with

1605  
00:55:28,470 --> 00:55:27,599  
them do they like to see what we do

1606  
00:55:29,750 --> 00:55:28,480  
because

1607  
00:55:32,470 --> 00:55:29,760  
you would imagine they saw us using

1608  
00:55:35,430 --> 00:55:32,480  
nuclear weapons in 19 in the 1940s and

1609  
00:55:36,790 --> 00:55:35,440  
didn't like what we've done and

1610  
00:55:39,829 --> 00:55:36,800  
i imagine that's why they've kept a

1611  
00:55:43,910 --> 00:55:41,349  
yeah i'd have to agree with that that's

1612  
00:55:46,150 --> 00:55:43,920  
kind of the last that kind of the cap on

1613  
00:55:48,230 --> 00:55:46,160

that is

1614

00:55:50,230 --> 00:55:48,240

we had we got in possession of this from

1615

00:55:52,549 --> 00:55:50,240

someone chances are we're

1616

00:55:54,230 --> 00:55:52,559

in contact with them somehow using very

1617

00:55:55,750 --> 00:55:54,240

vague terms but

1618

00:55:57,750 --> 00:55:55,760

will they let us play with the toys we

1619

00:55:59,349 --> 00:55:57,760

end up getting our hands on that's the

1620

00:56:01,270 --> 00:55:59,359

final kind of

1621

00:56:02,950 --> 00:56:01,280

domino i suppose

1622

00:56:04,309 --> 00:56:02,960

and when you look at like nuclear atomic

1623

00:56:06,470 --> 00:56:04,319

energy and all that kind of stuff it's

1624

00:56:07,990 --> 00:56:06,480

got some incredible uses i remember

1625

00:56:09,750 --> 00:56:08,000

reading like you could basically turn

1626

00:56:12,230 --> 00:56:09,760

your your mobile phone in a very very

1627

00:56:14,150 --> 00:56:12,240

small nuclear reactor and have a battery

1628

00:56:15,589 --> 00:56:14,160

that never never died you never had to

1629

00:56:18,230 --> 00:56:15,599

be charged and it was kind of ever

1630

00:56:20,150 --> 00:56:18,240

ending but you can't trust people to to

1631

00:56:22,069 --> 00:56:20,160

not buy a batch of them and blow them up

1632

00:56:23,670 --> 00:56:22,079

unfortunately um

1633

00:56:25,430 --> 00:56:23,680

i remember when the playstation 2 came

1634

00:56:26,710 --> 00:56:25,440

out and there was rumors saddam hussein

1635

00:56:28,829 --> 00:56:26,720

had bought thousands of them to make

1636

00:56:31,030 --> 00:56:28,839

some super computer in iraq and it's

1637

00:56:33,750 --> 00:56:31,040

just if this is like playstations and

1638

00:56:35,750 --> 00:56:33,760

mobile phones like dan said if you the

1639

00:56:37,750 --> 00:56:35,760

idea that once we get this technology

1640

00:56:39,589 --> 00:56:37,760

and we can you know alex we could have

1641

00:56:40,789 --> 00:56:39,599

this conversation face to face dan and i

1642

00:56:43,109 --> 00:56:40,799

could come over and visit you in a

1643

00:56:44,789 --> 00:56:43,119

couple of minutes time but you can't

1644

00:56:46,870 --> 00:56:44,799

trust people given what we've just had

1645

00:56:49,109 --> 00:56:46,880

the anniversary of a few days ago

1646

00:56:51,190 --> 00:56:49,119

you can't trust people to not misuse

1647

00:56:53,510 --> 00:56:51,200

technology like that so

1648

00:56:54,950 --> 00:56:53,520

it's just there's the the blue sky big

1649

00:56:56,470 --> 00:56:54,960

picture thinking

1650

00:56:58,710 --> 00:56:56,480

but i think you you've got to always

1651  
00:57:00,870 --> 00:56:58,720  
bring it back to as

1652  
00:57:03,270 --> 00:57:00,880  
a human race where we are realistically

1653  
00:57:04,870 --> 00:57:03,280  
with all the the bs going on in the

1654  
00:57:06,630 --> 00:57:04,880  
world and how we can't just do simple

1655  
00:57:09,109 --> 00:57:06,640  
things and work together and live

1656  
00:57:09,990 --> 00:57:09,119  
harmoniously and all that kind of stuff

1657  
00:57:11,750 --> 00:57:10,000  
i just

1658  
00:57:14,470 --> 00:57:11,760  
this is going to take a long time a lot

1659  
00:57:16,470 --> 00:57:14,480  
of time um and i still see the the drip

1660  
00:57:17,510 --> 00:57:16,480  
drip drip continuing

1661  
00:57:19,030 --> 00:57:17,520  
because

1662  
00:57:20,710 --> 00:57:19,040  
i tried to think what would happen

1663  
00:57:23,829 --> 00:57:20,720

tomorrow if the aliens landed on the

1664

00:57:27,349 --> 00:57:25,030

yeah

1665

00:57:28,870 --> 00:57:27,359

dan any final thoughts

1666

00:57:31,109 --> 00:57:28,880

oh i mean you you guys pretty much

1667

00:57:33,349 --> 00:57:31,119

covered it really really nicely

1668

00:57:34,309 --> 00:57:33,359

cool alex anything else before you wrap

1669

00:57:36,390 --> 00:57:34,319

up

1670

00:57:38,150 --> 00:57:36,400

i think so uh

1671

00:57:41,030 --> 00:57:38,160

i think that's it you guys do a great

1672

00:57:42,230 --> 00:57:41,040

job appreciate it thanks man alex really

1673

00:57:43,910 --> 00:57:42,240

appreciate it and make sure you call in

1674

00:57:45,829 --> 00:57:43,920

again next time okay

1675

00:57:49,109 --> 00:57:45,839

definitely well thanks guys

1676  
00:57:51,270 --> 00:57:49,119  
thank you to alex from iowa um we're now

1677  
00:57:52,549 --> 00:57:51,280  
uh live with uh tim from san francisco

1678  
00:57:53,990 --> 00:57:52,559  
how you doing tim

1679  
00:57:55,750 --> 00:57:54,000  
i'm doing great guys uh thanks for

1680  
00:57:57,030 --> 00:57:55,760  
having me on again andy and dan first

1681  
00:57:59,030 --> 00:57:57,040  
time meeting you great to see you it's

1682  
00:58:01,109 --> 00:57:59,040  
lovely to meet you it's always nice to

1683  
00:58:02,789 --> 00:58:01,119  
to kind of see the listeners and and you

1684  
00:58:04,150 --> 00:58:02,799  
know we we all know there are humans out

1685  
00:58:06,710 --> 00:58:04,160  
there in the world but it's nice to put

1686  
00:58:09,190 --> 00:58:06,720  
a face to the you know the social media

1687  
00:58:11,030 --> 00:58:09,200  
profile so to speak absolutely you guys

1688  
00:58:12,230 --> 00:58:11,040

are in my head in my headphones often

1689

00:58:14,470 --> 00:58:12,240

throughout the week so i've heard your

1690

00:58:16,470 --> 00:58:14,480

voice a lot and i see you on twitter so

1691

00:58:17,430 --> 00:58:16,480

uh likewise

1692

00:58:20,150 --> 00:58:17,440

cool

1693

00:58:22,950 --> 00:58:20,160

what would you like to talk about today

1694

00:58:25,349 --> 00:58:22,960

where to start there is so much going on

1695

00:58:28,470 --> 00:58:25,359

right now the last day um i think

1696

00:58:29,670 --> 00:58:28,480

yesterday morning when i woke up to uh

1697

00:58:32,870 --> 00:58:29,680

max max

1698

00:58:34,789 --> 00:58:32,880

matsuwitz's uh post with lou uh that

1699

00:58:37,270 --> 00:58:34,799

just about broke my brain um that was

1700

00:58:38,630 --> 00:58:37,280

pretty incredible um to hear about the

1701

00:58:39,990 --> 00:58:38,640

forthcoming law

1702

00:58:41,990 --> 00:58:40,000

um but i think

1703

00:58:43,349 --> 00:58:42,000

where i want to start with you guys is i

1704

00:58:45,430 --> 00:58:43,359

want to start back to uh listener

1705

00:58:47,510 --> 00:58:45,440

questions with lou um

1706

00:58:49,750 --> 00:58:47,520

i i'm gonna i'm gonna do this in three

1707

00:58:51,190 --> 00:58:49,760

parts with you this is going to be a

1708

00:58:52,870 --> 00:58:51,200

gratitude sandwich because i want to

1709

00:58:54,950 --> 00:58:52,880

start with saying thank you andy for

1710

00:58:57,589 --> 00:58:54,960

asking lou my question incredibly

1711

00:58:59,670 --> 00:58:57,599

meaningful to me that you did that um

1712

00:59:01,430 --> 00:58:59,680

for for those of you listening i i asked

1713

00:59:02,950 --> 00:59:01,440

about you know what what's the current

1714

00:59:05,109 --> 00:59:02,960

leading hypothesis supported by the

1715

00:59:08,309 --> 00:59:05,119

facts in relation to the phenomenon

1716

00:59:10,950 --> 00:59:08,319

and his answer was incredible um i i

1717

00:59:13,510 --> 00:59:10,960

really loved that luke covered um you

1718

00:59:15,910 --> 00:59:13,520

know the fact that number one

1719

00:59:18,150 --> 00:59:15,920

there are many different hypotheses that

1720

00:59:18,950 --> 00:59:18,160

there's split camp within the pentagon

1721

00:59:20,950 --> 00:59:18,960

um

1722

00:59:23,589 --> 00:59:20,960

people aren't subscribing necessarily to

1723

00:59:25,270 --> 00:59:23,599

one or the other at this point and um

1724

00:59:26,390 --> 00:59:25,280

you know and that he really needed to

1725

00:59:29,270 --> 00:59:26,400

leave open

1726  
00:59:31,510 --> 00:59:29,280  
room for more data as he gets more data

1727  
00:59:33,349 --> 00:59:31,520  
so he can't assert any kind of leading

1728  
00:59:35,510 --> 00:59:33,359  
hypothesis at this time which i kind of

1729  
00:59:37,910 --> 00:59:35,520  
figured he would say that but he

1730  
00:59:39,910 --> 00:59:37,920  
he really strung it out there about you

1731  
00:59:42,549 --> 00:59:39,920  
know extraterrestrial and and

1732  
00:59:44,789 --> 00:59:42,559  
interdimensional his his comment on time

1733  
00:59:46,950 --> 00:59:44,799  
was incredible um you know and he said

1734  
00:59:49,349 --> 00:59:46,960  
that before i believe uh on your podcast

1735  
00:59:50,710 --> 00:59:49,359  
andy and so i was just floored and like

1736  
00:59:52,710 --> 00:59:50,720  
i said i'm just super grateful that you

1737  
00:59:54,870 --> 00:59:52,720  
guys were able to ask him

1738  
00:59:56,870 --> 00:59:54,880

no thanks i think i actually almost

1739

00:59:59,109 --> 00:59:56,880

interrupted the great man himself

1740

01:00:01,430 --> 00:59:59,119

when he started mentioning the analogy

1741

01:00:02,630 --> 01:00:01,440

again and i was like i've only got 40

1742

01:00:04,069 --> 01:00:02,640

minutes and i don't want to waste it

1743

01:00:06,230 --> 01:00:04,079

with a couple of minutes

1744

01:00:07,910 --> 01:00:06,240

but it went off on a tangent quite quick

1745

01:00:09,589 --> 01:00:07,920

but yeah no i was i was happy with his

1746

01:00:11,190 --> 01:00:09,599

answer but it sounds like we're getting

1747

01:00:12,630 --> 01:00:11,200

that that sandwich where we've got some

1748

01:00:13,990 --> 01:00:12,640

meat in the middle that's going to be

1749

01:00:16,069 --> 01:00:14,000

not so complimentary that's what i want

1750

01:00:18,710 --> 01:00:16,079

to get to

1751

01:00:21,190 --> 01:00:18,720

not so complimentary okay great well um

1752

01:00:23,829 --> 01:00:21,200

following on to that um let's talk about

1753

01:00:26,630 --> 01:00:23,839

um you know the the newly uh newly

1754

01:00:27,670 --> 01:00:26,640

slated laws that might be put forward um

1755

01:00:29,270 --> 01:00:27,680

you know you guys have already mentioned

1756

01:00:30,710 --> 01:00:29,280

on your recap i believe uh this morning

1757

01:00:32,150 --> 01:00:30,720

or last night whenever it was released

1758

01:00:33,829 --> 01:00:32,160

um you were talking about some of the

1759

01:00:36,069 --> 01:00:33,839

bullets of what was coming down the

1760

01:00:37,589 --> 01:00:36,079

pipeline with this new law um the thing

1761

01:00:38,870 --> 01:00:37,599

that set off the twitter twitter sphere

1762

01:00:40,870 --> 01:00:38,880

yesterday was

1763

01:00:42,950 --> 01:00:40,880

obviously the two uh

1764

01:00:44,710 --> 01:00:42,960

the two um kind of

1765

01:00:46,390 --> 01:00:44,720

shocking points in language that lou

1766

01:00:49,190 --> 01:00:46,400

mentioned in that broadcast that i was

1767

01:00:52,069 --> 01:00:49,200

talking about which is number one um

1768

01:00:54,309 --> 01:00:52,079

any kind of crash retrieval efforts or

1769

01:00:57,030 --> 01:00:54,319

um you know retrievals in general and

1770

01:00:59,589 --> 01:00:57,040

objects um that language is astounding

1771

01:01:02,230 --> 01:00:59,599

to me and then also um you know

1772

01:01:03,829 --> 01:01:02,240

including a line for biological effects

1773

01:01:05,109 --> 01:01:03,839

and how that's going to

1774

01:01:06,069 --> 01:01:05,119

kind of tilt the conversation in a

1775

01:01:08,549 --> 01:01:06,079

different direction that they're

1776

01:01:10,870 --> 01:01:08,559

actually going to have to gather data on

1777

01:01:13,109 --> 01:01:10,880

this you guys already spoke about

1778

01:01:14,789 --> 01:01:13,119

you know lockheed martin and whether or

1779

01:01:16,390 --> 01:01:14,799

not you know we're going to be able to

1780

01:01:17,829 --> 01:01:16,400

get you know some kind of chain of

1781

01:01:20,069 --> 01:01:17,839

custody of these things once they're in

1782

01:01:22,390 --> 01:01:20,079

the private sector who knows how that's

1783

01:01:23,990 --> 01:01:22,400

going to play out um i'm just

1784

01:01:26,630 --> 01:01:24,000

you know i'm shocked that this language

1785

01:01:28,710 --> 01:01:26,640

is even you know in any part of

1786

01:01:29,910 --> 01:01:28,720

legislation um i never thought i lived

1787

01:01:31,109 --> 01:01:29,920

through this time i mean what are your

1788

01:01:32,630 --> 01:01:31,119

guys's other thoughts on those two

1789

01:01:34,309 --> 01:01:32,640

things

1790

01:01:36,470 --> 01:01:34,319

did you see the um

1791

01:01:38,630 --> 01:01:36,480

a few hours back and and it's gonna make

1792

01:01:40,789 --> 01:01:38,640

the the listener call in sound jarring

1793

01:01:43,190 --> 01:01:40,799

now because a bunch of time passed in

1794

01:01:44,950 --> 01:01:43,200

between uh the last chunk we did and in

1795

01:01:47,270 --> 01:01:44,960

that bunch of time the debrief released

1796

01:01:49,750 --> 01:01:47,280

a kind of breakdown of of the uh the

1797

01:01:52,789 --> 01:01:49,760

ndaa and

1798

01:01:55,270 --> 01:01:52,799

in it um tim mcmillan states that

1799

01:01:57,829 --> 01:01:55,280

they've been extremely active behind the

1800

01:01:59,910 --> 01:01:57,839

scenes for the past year and a half two

1801  
01:02:01,510 --> 01:01:59,920  
years but they just haven't publicly

1802  
01:02:03,349 --> 01:02:01,520  
been talking about it

1803  
01:02:05,030 --> 01:02:03,359  
so i was really excited to hear that

1804  
01:02:06,470 --> 01:02:05,040  
because it just makes me think well who

1805  
01:02:09,510 --> 01:02:06,480  
else in government is taking it this

1806  
01:02:11,910 --> 01:02:09,520  
seriously and has this much insight into

1807  
01:02:14,390 --> 01:02:11,920  
it that they're asking you know directly

1808  
01:02:15,750 --> 01:02:14,400  
for this stuff that they they

1809  
01:02:18,630 --> 01:02:15,760  
it sounds like they

1810  
01:02:20,950 --> 01:02:18,640  
very very heavily suspect that they have

1811  
01:02:22,470 --> 01:02:20,960  
crash retrieval stuff um otherwise they

1812  
01:02:24,950 --> 01:02:22,480  
wouldn't ask that specific question same

1813  
01:02:27,430 --> 01:02:24,960

with biological effects um

1814

01:02:29,589 --> 01:02:27,440

so yeah it's great it's nice to see that

1815

01:02:30,950 --> 01:02:29,599

people are versed in it um and that they

1816

01:02:33,030 --> 01:02:30,960

could be a lot more helpers in the

1817

01:02:34,870 --> 01:02:33,040

shadows than than people trying to pull

1818

01:02:36,950 --> 01:02:34,880

the wall over our eyes

1819

01:02:38,870 --> 01:02:36,960

absolutely and you know for me dan that

1820

01:02:40,309 --> 01:02:38,880

also lends to some of lou's other words

1821

01:02:41,829 --> 01:02:40,319

where you know he's waiting for somebody

1822

01:02:42,870 --> 01:02:41,839

to come quote unquote pick up the torch

1823

01:02:44,150 --> 01:02:42,880

for him he's saying that there are

1824

01:02:46,789 --> 01:02:44,160

people on the inside that are more

1825

01:02:49,990 --> 01:02:46,799

well-versed that are

1826  
01:02:51,589 --> 01:02:50,000  
more maybe uh well-equipped to take on

1827  
01:02:53,190 --> 01:02:51,599  
uh the lead of this and so hopefully

1828  
01:02:54,950 --> 01:02:53,200  
those folks are the same people that are

1829  
01:02:58,150 --> 01:02:54,960  
you know lending their expertise to

1830  
01:02:59,990 --> 01:02:58,160  
legislation like this um you know it it

1831  
01:03:03,109 --> 01:03:00,000  
sounds like that's the case it sounds

1832  
01:03:05,270 --> 01:03:03,119  
like um there are definitely a select

1833  
01:03:08,069 --> 01:03:05,280  
few people in the pentagon that are

1834  
01:03:10,549 --> 01:03:08,079  
targeting in um very clearly on some of

1835  
01:03:12,789 --> 01:03:10,559  
this language and some of uh you know

1836  
01:03:14,630 --> 01:03:12,799  
kind of these breadcrumbs that lou and

1837  
01:03:16,549 --> 01:03:14,640  
chris mellon and others have laid and i

1838  
01:03:18,789 --> 01:03:16,559

know i've talked about them a lot but

1839

01:03:20,309 --> 01:03:18,799

i think it's really important just to

1840

01:03:22,630 --> 01:03:20,319

you know to note that at this time and

1841

01:03:24,710 --> 01:03:22,640

say you know look at all of these things

1842

01:03:26,069 --> 01:03:24,720

that we've been discussing for years now

1843

01:03:28,150 --> 01:03:26,079

that are actually coming to light that

1844

01:03:31,510 --> 01:03:28,160

are actually moving in a tangible way

1845

01:03:35,029 --> 01:03:31,520

forward um which uh it's astonishing to

1846

01:03:38,630 --> 01:03:36,630

i am still

1847

01:03:41,430 --> 01:03:38,640

yet the language is amazing especially

1848

01:03:42,950 --> 01:03:41,440

after all of the furore that happened

1849

01:03:44,870 --> 01:03:42,960

when we thought we were going to get a

1850

01:03:46,710 --> 01:03:44,880

crash retrieval programmes article in

1851

01:03:50,150 --> 01:03:46,720

the new york times and it never quite

1852

01:03:51,829 --> 01:03:50,160

came out as people hoped um duty things

1853

01:03:54,230 --> 01:03:51,839

at the time and now we're getting it in

1854

01:03:56,150 --> 01:03:54,240

an official government legislation

1855

01:03:57,990 --> 01:03:56,160

a lot can still change and those bills

1856

01:04:00,309 --> 01:03:58,000

the language will change before they get

1857

01:04:02,230 --> 01:04:00,319

they get potentially passed as well i

1858

01:04:04,390 --> 01:04:02,240

still just don't see

1859

01:04:05,910 --> 01:04:04,400

that any

1860

01:04:09,510 --> 01:04:05,920

any crashed

1861

01:04:11,430 --> 01:04:09,520

materials or craft especially intact

1862

01:04:13,910 --> 01:04:11,440

would be with any kind of government

1863

01:04:15,829 --> 01:04:13,920

body still and they would be well hidden

1864

01:04:19,029 --> 01:04:15,839

away like i said i said on the the

1865

01:04:21,910 --> 01:04:19,039

update earlier on um in the bills of

1866

01:04:24,390 --> 01:04:21,920

lockheed bass whatever these things may

1867

01:04:26,870 --> 01:04:24,400

be and department of energy and the

1868

01:04:28,630 --> 01:04:26,880

bills of that and heading in so much red

1869

01:04:31,589 --> 01:04:28,640

tape it's not even red tape anymore you

1870

01:04:35,109 --> 01:04:31,599

know the tape dispensers ran out um

1871

01:04:37,190 --> 01:04:35,119

so yeah i i just find it incredible that

1872

01:04:38,390 --> 01:04:37,200

there's and obviously lou and chris and

1873

01:04:40,069 --> 01:04:38,400

the guys that have been successful in

1874

01:04:43,349 --> 01:04:40,079

getting us put through because these

1875

01:04:44,630 --> 01:04:43,359

these bills and laws that sorry these um

1876

01:04:45,829 --> 01:04:44,640

bills haven't just been put through

1877

01:04:47,829 --> 01:04:45,839

overnight this is stuff that's been in

1878

01:04:50,069 --> 01:04:47,839

the background for some time for months

1879

01:04:53,029 --> 01:04:50,079

probably a long long time maybe maybe

1880

01:04:54,470 --> 01:04:53,039

over a year who knows um but

1881

01:04:56,549 --> 01:04:54,480

they've used the language they've used

1882

01:04:58,710 --> 01:04:56,559

for a reason and it's a success just to

1883

01:05:00,710 --> 01:04:58,720

get that language in there

1884

01:05:02,309 --> 01:05:00,720

i still don't see

1885

01:05:04,069 --> 01:05:02,319

that the government's got anything in

1886

01:05:05,430 --> 01:05:04,079

any way shape or form that they could

1887

01:05:10,470 --> 01:05:05,440

admit to having

1888

01:05:12,950 --> 01:05:10,480

don't see why they would have it either

1889

01:05:15,349 --> 01:05:12,960

yeah that's a fair point i i also tend

1890

01:05:16,789 --> 01:05:15,359

to interpret this you know laws that are

1891

01:05:18,230 --> 01:05:16,799

drafted like this or language that's

1892

01:05:19,750 --> 01:05:18,240

that's drafted in such a way where it

1893

01:05:22,470 --> 01:05:19,760

kind of begs the question it's like any

1894

01:05:24,150 --> 01:05:22,480

time that chris mellon puts out a

1895

01:05:26,150 --> 01:05:24,160

statement on his blog and he's asking

1896

01:05:27,670 --> 01:05:26,160

specific questions from specific parts

1897

01:05:29,990 --> 01:05:27,680

of our government

1898

01:05:32,309 --> 01:05:30,000

and or of certain parts of industry and

1899

01:05:33,990 --> 01:05:32,319

or of certain people every time mr

1900

01:05:35,910 --> 01:05:34,000

mellon releases something like that i

1901

01:05:37,750 --> 01:05:35,920

read it as he probably already has a

1902

01:05:40,789 --> 01:05:37,760

good idea of the answers to these

1903

01:05:43,510 --> 01:05:40,799

questions so i feel like if

1904

01:05:44,549 --> 01:05:43,520

him and lou and or you know these other

1905

01:05:46,309 --> 01:05:44,559

you know folks who are still in the

1906

01:05:48,069 --> 01:05:46,319

shadows who are crafting this language

1907

01:05:49,430 --> 01:05:48,079

they're begging the question they know

1908

01:05:50,710 --> 01:05:49,440

something they know a channel to go

1909

01:05:52,789 --> 01:05:50,720

through they know

1910

01:05:56,230 --> 01:05:52,799

that the potentiality of something that

1911

01:05:58,789 --> 01:05:56,240

something might um you know exist in

1912

01:06:01,029 --> 01:05:58,799

uh in a tangible way that we can go

1913

01:06:02,470 --> 01:06:01,039

after that they can go after if they you

1914

01:06:03,829 --> 01:06:02,480

know posit the language in the right way

1915

01:06:06,309 --> 01:06:03,839

so i i hope that that's where we're

1916

01:06:08,470 --> 01:06:06,319

going with this um like i said you guys

1917

01:06:11,349 --> 01:06:08,480

mentioned this earlier too that it's not

1918

01:06:13,349 --> 01:06:11,359

law yet this is just a draft um this is

1919

01:06:15,430 --> 01:06:13,359

not final language um but it gives me a

1920

01:06:17,349 --> 01:06:15,440

lot of hope you know i i liken my

1921

01:06:20,230 --> 01:06:17,359

reaction yesterday to lose words about

1922

01:06:22,309 --> 01:06:20,240

that specific language to reading

1923

01:06:23,589 --> 01:06:22,319

you know the comment from eric davis in

1924

01:06:26,470 --> 01:06:23,599

the july

1925

01:06:28,549 --> 01:06:26,480

2020 july 23rd 2020 article in the new

1926

01:06:30,470 --> 01:06:28,559

york times where he referenced crash

1927

01:06:32,069 --> 01:06:30,480

retrieval programs and the senate was

1928

01:06:34,150 --> 01:06:32,079

briefed on that that was incredible to

1929

01:06:35,990 --> 01:06:34,160

me um and i know that some people have

1930

01:06:38,390 --> 01:06:36,000

made they have played that down that

1931

01:06:39,990 --> 01:06:38,400

he's since you know denied that comment

1932

01:06:41,430 --> 01:06:40,000

or whatnot but it was still important to

1933

01:06:43,430 --> 01:06:41,440

me that that was put in a new york times

1934

01:06:47,270 --> 01:06:43,440

article this gave me the same reaction

1935

01:06:48,470 --> 01:06:47,280

so i'm i'm hopeful overall and um

1936

01:06:51,190 --> 01:06:48,480

it's going to be a really interesting

1937

01:06:53,750 --> 01:06:51,200

few months um and with that i can't wait

1938

01:06:55,589 --> 01:06:53,760

to hear you talk to ross coldhardt

1939

01:06:58,309 --> 01:06:55,599

about some of these developments and and

1940

01:06:59,670 --> 01:06:58,319

see what his insight is into it um you

1941

01:07:02,390 --> 01:06:59,680

know there's some serious players now

1942

01:07:04,230 --> 01:07:02,400

and uh i'm gonna wrap this up

1943

01:07:06,390 --> 01:07:04,240

by giving you the gratitude sandwich

1944

01:07:07,270 --> 01:07:06,400

that i said that i would

1945

01:07:09,349 --> 01:07:07,280

so

1946

01:07:10,630 --> 01:07:09,359

thank you andy and thank you dan for

1947

01:07:12,230 --> 01:07:10,640

doing what you're doing you mentioned

1948

01:07:13,910 --> 01:07:12,240

that you're not a media outlet you're a

1949

01:07:15,270 --> 01:07:13,920

grassroots movement i would disagree you

1950

01:07:17,029 --> 01:07:15,280

may not be

1951

01:07:18,950 --> 01:07:17,039

making your living off of this yet and

1952

01:07:21,510 --> 01:07:18,960

that's fine but what you do for us is

1953

01:07:23,990 --> 01:07:21,520

incredibly important and your voice has

1954

01:07:25,670 --> 01:07:24,000

been so important in the last 18 months

1955

01:07:27,990 --> 01:07:25,680

on this subject and i think all of your

1956

01:07:30,710 --> 01:07:28,000

listeners uh you know could it can atone

1957

01:07:32,549 --> 01:07:30,720

to that as well um and you know for me

1958

01:07:33,990 --> 01:07:32,559

personally i've just been thrilled to be

1959

01:07:36,789 --> 01:07:34,000

involved in the conversation and you've

1960

01:07:38,549 --> 01:07:36,799

let me do that here so thank you

1961

01:07:39,750 --> 01:07:38,559

thank you very much thank you

1962

01:07:41,750 --> 01:07:39,760

yeah

1963

01:07:43,990 --> 01:07:41,760

we'll send you that cash later on oh

1964

01:07:45,670 --> 01:07:44,000

wait that's just recording oh yeah no

1965

01:07:46,470 --> 01:07:45,680

thank you tim i appreciate that and that

1966

01:07:48,390 --> 01:07:46,480

like i

1967

01:07:50,150 --> 01:07:48,400

genuinely mean these are the kind of fun

1968

01:07:51,829 --> 01:07:50,160

shows and um we've not even mentioned

1969

01:07:54,230 --> 01:07:51,839

yet but the the youtube live we've done

1970

01:07:56,470 --> 01:07:54,240

last night that was a test and people

1971

01:07:58,710 --> 01:07:56,480

quite enjoyed that we we said before

1972

01:08:00,230 --> 01:07:58,720

that um we said on the youtube live that

1973

01:08:01,750 --> 01:08:00,240

there's plenty of other youtube channels

1974

01:08:03,109 --> 01:08:01,760

out there and we don't plan on copying

1975

01:08:04,710 --> 01:08:03,119

anyone um

1976

01:08:06,390 --> 01:08:04,720

the the youtube's an outlet we've got

1977

01:08:09,349 --> 01:08:06,400

some ideas for it's been there for quite

1978

01:08:11,270 --> 01:08:09,359

a while um unidentified celebrity review

1979

01:08:13,589 --> 01:08:11,280

project unity ryan sprague christina

1980

01:08:14,630 --> 01:08:13,599

gomez all have their youtube channels

1981

01:08:16,229 --> 01:08:14,640

and i think they consider them

1982

01:08:17,829 --> 01:08:16,239

themselves youtube channels before

1983

01:08:19,829 --> 01:08:17,839

podcasts and we are still very much a

1984

01:08:22,149 --> 01:08:19,839

podcast but there's a couple of things

1985

01:08:23,829 --> 01:08:22,159

we want to do on the youtube um

1986

01:08:26,149 --> 01:08:23,839

especially to get listeners involved at

1987

01:08:27,590 --> 01:08:26,159

yourself as well where uh we could we

1988

01:08:29,030 --> 01:08:27,600

can use that medium that we can't

1989

01:08:31,590 --> 01:08:29,040

necessarily do

1990

01:08:33,430 --> 01:08:31,600

as well as we would like on on audio so

1991

01:08:34,709 --> 01:08:33,440

uh people can keep an eye on that for

1992

01:08:35,910 --> 01:08:34,719

for getting involved and it's always

1993

01:08:38,149 --> 01:08:35,920

good to have the listeners doing that

1994

01:08:39,430 --> 01:08:38,159

too for that kind of instant reaction

1995

01:08:41,189 --> 01:08:39,440

and stuff but that and the listener

1996

01:08:43,430 --> 01:08:41,199

call-ins are the the most kind of fun

1997

01:08:45,030 --> 01:08:43,440

stuff we do so it's appreciated well i

1998

01:08:46,470 --> 01:08:45,040

look forward to seeing more and you know

1999

01:08:48,470 --> 01:08:46,480

if you're doing it on youtube everybody

2000

01:08:49,990 --> 01:08:48,480

can see turn red when people thank you

2001

01:08:52,550 --> 01:08:50,000

so

2002

01:08:54,309 --> 01:08:52,560

that's why i'm setting this up

2003

01:08:55,669 --> 01:08:54,319

yeah cheers tim thank you very much man

2004

01:08:57,910 --> 01:08:55,679

pleasure speaking

2005

01:09:00,149 --> 01:08:57,920

nice to meet you thank you as always

2006

01:09:01,829 --> 01:09:00,159

appreciate it guys that is all for this

2007

01:09:03,749 --> 01:09:01,839

week's show thank you very much for

2008

01:09:06,550 --> 01:09:03,759

listening please remember to leave the

2009

01:09:09,269 --> 01:09:06,560

podcast a review on your chosen platform

2010

01:09:11,430 --> 01:09:09,279

you can like retweet and subscribe that

2011

01:09:13,430 --> 01:09:11,440

would all be very much appreciated the

2012

01:09:15,349 --> 01:09:13,440

shows are being uploaded onto youtube as

2013

01:09:17,990 --> 01:09:15,359

we speak more and more you can sign up

2014

01:09:20,709 --> 01:09:18,000

at patreon.com forward slash that ufo

2015

01:09:22,870 --> 01:09:20,719

podcast to access shows ad-free as well

2016

01:09:25,749 --> 01:09:22,880

please get in touch on twitter facebook

2017

01:09:29,430 --> 01:09:25,759

instagram that ufo podcast of course on

2018

01:09:31,349 --> 01:09:29,440

twitter it's at ufo uap a.m and again

2019

01:09:34,070 --> 01:09:31,359

folks as always keep looking up you

2020

01:09:54,470 --> 01:09:34,080

never know what you might see

2021

01:09:54,480 --> 01:10:01,190

is

2022

01:10:01,200 --> 01:10:14,470

[Music]

2023

01:10:14,480 --> 01:10:23,840

like

2024

01:10:23,850 --> 01:10:42,630

[Music]

2025

01:10:51,669 --> 01:10:44,780

scare me

2026

01:11:10,950 --> 01:10:51,679

[Music]

2027

01:11:19,160 --> 01:11:14,110

mind consider your heart

2028

01:11:19,170 --> 01:11:31,669

[Music]

2029

01:11:39,669 --> 01:11:33,770

what's

2030

01:12:04,380 --> 01:11:39,679

[Music]

2031

01:12:13,300 --> 01:12:04,390

let's go
