

T H A T

UFO

P O D C A S T

PAOLO GUIZZARDI

1
00:00:00,000 --> 00:00:05,510

[Music]

2
00:00:08,710 --> 00:00:06,789

there's a whole fleet of them look on

3
00:00:10,950 --> 00:00:08,720

the assay

4
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6
00:00:23,940 --> 00:00:18,960

sphere where the points of the cube

7
00:00:37,110 --> 00:00:33,200

[Music]

8
00:00:38,709 --> 00:00:37,120

[Applause]

9
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

10
00:00:49,430 --> 00:00:40,960

limited to the united states it's a

11
00:00:54,869 --> 00:00:52,150

hi everyone and welcome back to that ufo

12
00:00:56,869 --> 00:00:54,879

podcast my name is andy and a few weeks

13
00:00:59,029 --> 00:00:56,879

ago i reached out to journalist tim

14

00:01:01,270 --> 00:00:59,039

mcmillan after he released a piece for

15

00:01:04,070 --> 00:01:01,280

the debrief which he discussed the

16

00:01:04,869 --> 00:01:04,080

potential of project titan and some of

17

00:01:08,789 --> 00:01:04,879

the

18

00:01:10,870 --> 00:01:08,799

conference and we heard a lot about that

19

00:01:12,950 --> 00:01:10,880

a lot of exciting announcements as well

20

00:01:14,950 --> 00:01:12,960

and then speaking to tim tim said to me

21

00:01:16,950 --> 00:01:14,960

there's one man you want to speak to and

22

00:01:19,350 --> 00:01:16,960

that man is joining me on the podcast

23

00:01:21,749 --> 00:01:19,360

today he is a member of the central

24

00:01:23,910 --> 00:01:21,759

ufological nationality he works for the

25

00:01:26,310 --> 00:01:23,920

italian ministry of foreign affairs and

26

00:01:28,550 --> 00:01:26,320

is the italian national representative

27

00:01:31,109 --> 00:01:28,560

of icer that is the international

28

00:01:33,030 --> 00:01:31,119

coalition for extraterrestrial research

29

00:01:35,270 --> 00:01:33,040

and he is also one of the founders of

30

00:01:37,990 --> 00:01:35,280

that organization i'd like to welcome

31

00:01:39,590 --> 00:01:38,000

paolo gezade to the podcast paulo how

32

00:01:42,550 --> 00:01:39,600

are we today

33

00:01:45,030 --> 00:01:42,560

thank you andre very very fine and

34

00:01:46,630 --> 00:01:45,040

really glad to be with you tonight

35

00:01:48,389 --> 00:01:46,640

no it's good to have you on and i hope

36

00:01:50,550 --> 00:01:48,399

i've done the sun name justice with my

37

00:01:52,710 --> 00:01:50,560

pronunciation there yes yes

38

00:01:55,190 --> 00:01:52,720

i gave it my best shot

39

00:01:57,190 --> 00:01:55,200
polo uh you are someone who for many of

40

00:02:00,230 --> 00:01:57,200
the listeners your name has come up

41

00:02:01,830 --> 00:02:00,240
quite recently in terms of ufos and uh

42

00:02:03,670 --> 00:02:01,840
you're obviously looking to make

43

00:02:06,230 --> 00:02:03,680
somewhat of an impact with the various

44

00:02:08,070 --> 00:02:06,240
organizations and projects on the table

45

00:02:10,469 --> 00:02:08,080
can you give the listeners a little bit

46

00:02:12,869 --> 00:02:10,479
about you and your background and what's

47

00:02:15,990 --> 00:02:12,879
put you on the path to the topic of ufos

48

00:02:20,229 --> 00:02:16,000
on the international stage

49

00:02:22,070 --> 00:02:20,239
well andy i have to say that i mean uh

50

00:02:23,510 --> 00:02:22,080
first of all i want to say one thing

51

00:02:27,270 --> 00:02:23,520

which is important

52

00:02:30,949 --> 00:02:27,280

because i never i never cited one ufo

53

00:02:32,710 --> 00:02:30,959

not even one not even health ufo

54

00:02:35,270 --> 00:02:32,720

so to speak but

55

00:02:39,430 --> 00:02:35,280

but in any case

56

00:02:40,710 --> 00:02:39,440

i have always had a great great interest

57

00:02:43,830 --> 00:02:40,720

for this

58

00:02:46,390 --> 00:02:43,840

this subject i mean ufos as a as a

59

00:02:49,670 --> 00:02:46,400

mystery as a mystery

60

00:02:51,670 --> 00:02:49,680

in itself and for the possibility of

61

00:02:55,190 --> 00:02:51,680

extraterrestrial life

62

00:02:59,350 --> 00:02:55,200

but not only this because uh since when

63

00:03:01,430 --> 00:02:59,360

i can't remember i always had the

64

00:03:04,630 --> 00:03:01,440

how can i say the feeling

65

00:03:05,430 --> 00:03:04,640

uh the concrete feeling that

66

00:03:08,070 --> 00:03:05,440

uh

67

00:03:11,030 --> 00:03:08,080

not only there must be somewhat someone

68

00:03:14,710 --> 00:03:11,040

else in the universe but that

69

00:03:18,229 --> 00:03:14,720

universe i mean whatever surrounds us

70

00:03:21,830 --> 00:03:18,239

in whatever surrounds us there is a lot

71

00:03:24,789 --> 00:03:21,840

lot more than what it seems

72

00:03:27,750 --> 00:03:24,799

so and and this always fascinated me i

73

00:03:30,070 --> 00:03:27,760

really i mean i feel

74

00:03:32,710 --> 00:03:30,080

excited to live

75

00:03:35,509 --> 00:03:32,720

surrounded by this enormous mystery i

76
00:03:37,509 --> 00:03:35,519
mean i understand that this is something

77
00:03:41,350 --> 00:03:37,519
that can be

78
00:03:44,630 --> 00:03:41,360
how can i say that i mean that no not

79
00:03:47,350 --> 00:03:44,640
everyone likes this because

80
00:03:50,149 --> 00:03:47,360
most of the persons that prefer to stay

81
00:03:52,149 --> 00:03:50,159
on their own safe

82
00:03:55,830 --> 00:03:52,159
corner so to speak

83
00:03:58,710 --> 00:03:55,840
while i am i'm really happy and glad to

84
00:04:01,670 --> 00:03:58,720
to delve into the mystery whatever not

85
00:04:03,830 --> 00:04:01,680
only ufos not only et life but also

86
00:04:07,229 --> 00:04:03,840
things like shamanism

87
00:04:08,789 --> 00:04:07,239
uh or um what is generally called

88
00:04:10,229 --> 00:04:08,799

parapsychology

89

00:04:13,110 --> 00:04:10,239

uh

90

00:04:14,789 --> 00:04:13,120

or things like um the so-called

91

00:04:18,550 --> 00:04:14,799

reincarnation

92

00:04:21,990 --> 00:04:18,560

or the in near-death experiences

93

00:04:23,830 --> 00:04:22,000

or obe out-of-body experiences i mean

94

00:04:26,390 --> 00:04:23,840

all these things are

95

00:04:30,790 --> 00:04:26,400

very very very much interesting for me

96

00:04:32,710 --> 00:04:30,800

even though the ufo and et subjects are

97

00:04:35,590 --> 00:04:32,720

sorry the two

98

00:04:40,230 --> 00:04:35,600

that are most interesting for me at all

99

00:04:42,870 --> 00:04:40,240

so i mean i never saw a ufo myself

100

00:04:45,749 --> 00:04:42,880

i did i i didn't

101
00:04:47,189 --> 00:04:45,759
fall uh from my horse when i was riding

102
00:04:49,189 --> 00:04:47,199
to damascus

103
00:04:52,310 --> 00:04:49,199
so to speak

104
00:04:55,030 --> 00:04:52,320
so i mean i never had had an

105
00:04:58,469 --> 00:04:55,040
epiphany of sort if you will

106
00:05:01,510 --> 00:04:58,479
but i always had this this this

107
00:05:05,110 --> 00:05:01,520
innate feeling that there must be a lot

108
00:05:07,590 --> 00:05:05,120
lot more and that i want to discover it

109
00:05:11,350 --> 00:05:07,600
so this is my background so

110
00:05:12,390 --> 00:05:11,360
uh if this answers properly to to your

111
00:05:13,830 --> 00:05:12,400
question

112
00:05:15,909 --> 00:05:13,840
yeah it does i mean it sounds like

113
00:05:17,590 --> 00:05:15,919

you've got a wonderful open mind to a

114

00:05:19,909 --> 00:05:17,600

range of subjects and you mentioned

115

00:05:22,830 --> 00:05:19,919

their parapsychology which leads into

116

00:05:25,749 --> 00:05:22,840

the the paranormal reincarnation

117

00:05:28,510 --> 00:05:25,759

shamanism do you think all of these

118

00:05:30,390 --> 00:05:28,520

different areas including ufos and

119

00:05:32,870 --> 00:05:30,400

extraterrestrials or whatever these

120

00:05:34,469 --> 00:05:32,880

entities or beings may be do you think

121

00:05:36,230 --> 00:05:34,479

they all have some sort of link

122

00:05:39,749 --> 00:05:36,240

potentially to each other

123

00:05:40,950 --> 00:05:39,759

indeed indeed you know and the the more

124

00:05:45,430 --> 00:05:40,960

i

125

00:05:47,830 --> 00:05:45,440

that

126

00:05:49,909 --> 00:05:47,840

uh how can i say it it's a bit difficult

127

00:05:52,230 --> 00:05:49,919

to say but uh

128

00:05:55,430 --> 00:05:52,240

to say that simply everything is

129

00:05:58,390 --> 00:05:55,440

connected to put it very simply

130

00:06:01,670 --> 00:05:58,400

everything is is one if you will

131

00:06:05,029 --> 00:06:01,680

and everything is connected so the more

132

00:06:07,350 --> 00:06:05,039

i grow in in my personal knowledge and

133

00:06:11,270 --> 00:06:07,360

the more i am

134

00:06:13,430 --> 00:06:11,280

uh i feel that this is really uh

135

00:06:15,590 --> 00:06:13,440

how how it is

136

00:06:17,749 --> 00:06:15,600

no it sounds like as you say growing up

137

00:06:19,909 --> 00:06:17,759

you've always had a feeling or a you've

138

00:06:22,070 --> 00:06:19,919

been pulled towards the idea of there

139

00:06:25,270 --> 00:06:22,080

being something more was there any

140

00:06:27,670 --> 00:06:25,280

particular event or moment was a meeting

141

00:06:30,550 --> 00:06:27,680

or a conversation with someone even in

142

00:06:32,870 --> 00:06:30,560

your professional life that that really

143

00:06:35,029 --> 00:06:32,880

decided for you that there was something

144

00:06:36,790 --> 00:06:35,039

out there and and obviously you've met

145

00:06:38,230 --> 00:06:36,800

some very interesting individuals i'm

146

00:06:41,510 --> 00:06:38,240

sure recently

147

00:06:44,629 --> 00:06:41,520

for sure for sure no uh no and they

148

00:06:49,270 --> 00:06:44,639

really i cannot say there was a very

149

00:06:52,150 --> 00:06:49,280

definite moment well uh one um

150

00:06:54,870 --> 00:06:52,160

which was important was when it was in

151
00:06:57,830 --> 00:06:54,880
1969

152
00:06:59,350 --> 00:06:57,840
when i was rather young i i was born

153
00:07:02,790 --> 00:06:59,360
in 56.

154
00:07:06,390 --> 00:07:02,800
so i was 13 years old when with my

155
00:07:09,430 --> 00:07:06,400
father went to to the movie to see 2001

156
00:07:12,390 --> 00:07:09,440
space odyssey and that really really was

157
00:07:15,270 --> 00:07:12,400
something that that still today

158
00:07:17,990 --> 00:07:15,280
remains very vivid in my mind

159
00:07:19,350 --> 00:07:18,000
and that was it was how can i say

160
00:07:22,790 --> 00:07:19,360
something that

161
00:07:24,950 --> 00:07:22,800
really oriented me towards the

162
00:07:26,950 --> 00:07:24,960
all those

163
00:07:29,749 --> 00:07:26,960

thematics like

164

00:07:32,150 --> 00:07:29,759

space space exploration the possibility

165

00:07:34,629 --> 00:07:32,160

of life elsewhere but i mean

166

00:07:37,430 --> 00:07:34,639

it was not specifically that because as

167

00:07:39,749 --> 00:07:37,440

i told you i always had this this

168

00:07:40,950 --> 00:07:39,759

very um

169

00:07:42,790 --> 00:07:40,960

how can i say

170

00:07:44,309 --> 00:07:42,800

pervasive

171

00:07:45,990 --> 00:07:44,319

i don't know if the pronunciation is

172

00:07:49,350 --> 00:07:46,000

correct feeling

173

00:07:52,309 --> 00:07:49,360

that that there indeed there must be

174

00:07:54,309 --> 00:07:52,319

much much more in the universe

175

00:07:58,309 --> 00:07:54,319

now you you mentioned you you were born

176

00:07:59,749 --> 00:07:58,319

in 1956 in bologna i believe exactly

177

00:08:02,150 --> 00:07:59,759

famous for its football team with a

178

00:08:05,830 --> 00:08:02,160

beautiful strip now uh

179

00:08:08,710 --> 00:08:05,840

what is the view of ufos or you know

180

00:08:10,390 --> 00:08:08,720

et's in italian culture is it the same

181

00:08:12,550 --> 00:08:10,400

as here in the uk where there's a

182

00:08:16,150 --> 00:08:12,560

massive stigma

183

00:08:17,189 --> 00:08:16,160

well well uh speaking in general of

184

00:08:19,189 --> 00:08:17,199

course

185

00:08:21,270 --> 00:08:19,199

uh also in italy

186

00:08:25,189 --> 00:08:21,280

stigma has been

187

00:08:28,150 --> 00:08:25,199

has been the rule in mainstream

188

00:08:32,389 --> 00:08:28,160

areas of course mainstream journalism

189

00:08:36,230 --> 00:08:32,399

mainstream media mainstream science

190

00:08:40,389 --> 00:08:36,240

but the feeling of how can i say of the

191

00:08:43,909 --> 00:08:40,399

people if i can use this term was

192

00:08:46,230 --> 00:08:43,919

not so not so far away i mean was

193

00:08:50,389 --> 00:08:46,240

quite um

194

00:08:52,949 --> 00:08:50,399

supportive of this idea of of ets of it

195

00:08:57,110 --> 00:08:52,959

is existing in the universe and maybe

196

00:08:58,550 --> 00:08:57,120

existing here maybe maybe because you

197

00:09:02,230 --> 00:08:58,560

know

198

00:09:03,430 --> 00:09:02,240

italians being catholic has always been

199

00:09:06,470 --> 00:09:03,440

very

200

00:09:11,430 --> 00:09:06,480

familiar with um

201
00:09:13,190 --> 00:09:11,440
other entities you call them angels or

202
00:09:16,550 --> 00:09:13,200
saints i mean

203
00:09:18,630 --> 00:09:16,560
non-physical entities maybe maybe th

204
00:09:19,670 --> 00:09:18,640
this is the reason so

205
00:09:23,670 --> 00:09:19,680
uh

206
00:09:25,269 --> 00:09:23,680
but recently recently i have to say that

207
00:09:28,710 --> 00:09:25,279
this this

208
00:09:31,750 --> 00:09:28,720
situation is changing is evolving for

209
00:09:35,190 --> 00:09:31,760
for the better of course after

210
00:09:37,990 --> 00:09:35,200
the the start of the disclosure process

211
00:09:38,990 --> 00:09:38,000
which happened in december

212
00:09:40,630 --> 00:09:39,000
uh

213
00:09:44,230 --> 00:09:40,640

2017

214

00:09:46,470 --> 00:09:44,240

a lot of things have already changed and

215

00:09:49,269 --> 00:09:46,480

and also in italy

216

00:09:51,990 --> 00:09:49,279

it is already possible to see that

217

00:09:54,230 --> 00:09:52,000

things are changing i mean for instance

218

00:09:56,630 --> 00:09:54,240

uh roberto pinotti you know the

219

00:09:57,910 --> 00:09:56,640

president of the chain trophological

220

00:10:00,310 --> 00:09:57,920

nazionale

221

00:10:01,590 --> 00:10:00,320

and of icer as well

222

00:10:05,269 --> 00:10:01,600

um

223

00:10:06,949 --> 00:10:05,279

[Music]

224

00:10:09,269 --> 00:10:06,959

invited

225

00:10:12,230 --> 00:10:09,279

no he has frequently

226

00:10:15,110 --> 00:10:12,240

not always frequently been invited to tv

227

00:10:16,829 --> 00:10:15,120

shows and similar

228

00:10:17,829 --> 00:10:16,839

but until

229

00:10:20,630 --> 00:10:17,839

until uh

230

00:10:22,310 --> 00:10:20,640

a few days a few years ago sorry

231

00:10:24,069 --> 00:10:22,320

um

232

00:10:27,190 --> 00:10:24,079

it was really

233

00:10:29,750 --> 00:10:27,200

the general tenure of the of the

234

00:10:32,550 --> 00:10:29,760

transmission was really

235

00:10:35,590 --> 00:10:32,560

low i mean

236

00:10:38,389 --> 00:10:35,600

the other persons who were invited at

237

00:10:41,350 --> 00:10:38,399

this this transmission were really

238

00:10:44,550 --> 00:10:41,360

very very very unqualified people

239

00:10:47,750 --> 00:10:44,560

who in most of the cases just laughed at

240

00:10:52,310 --> 00:10:47,760

this possibility of ufos and et's and so

241

00:10:53,590 --> 00:10:52,320

on while while in in recent months it's

242

00:10:55,269 --> 00:10:53,600

a matter of

243

00:10:57,509 --> 00:10:55,279

months or one

244

00:11:00,550 --> 00:10:57,519

one or two years not more

245

00:11:02,150 --> 00:11:00,560

i have seen a definite change

246

00:11:04,949 --> 00:11:02,160

and progressive

247

00:11:06,949 --> 00:11:04,959

progressive and definite change in the

248

00:11:09,990 --> 00:11:06,959

attitude

249

00:11:13,670 --> 00:11:10,000

of these show because roberto he

250

00:11:15,350 --> 00:11:13,680

continues to go to to to participate

251
00:11:16,710 --> 00:11:15,360
into these shows

252
00:11:19,509 --> 00:11:16,720
but but

253
00:11:22,790 --> 00:11:19,519
it it is possible to see

254
00:11:26,630 --> 00:11:22,800
that the subject of ufos

255
00:11:29,030 --> 00:11:26,640
and maybe also it is is being treated

256
00:11:31,350 --> 00:11:29,040
more and more seriously and this in

257
00:11:33,829 --> 00:11:31,360
general not only

258
00:11:36,790 --> 00:11:33,839
this does not only happen in the shows

259
00:11:39,750 --> 00:11:36,800
where roberto participate of course

260
00:11:42,550 --> 00:11:39,760
but in jaime speaking in general they

261
00:11:46,069 --> 00:11:42,560
are just to give you an idea they i mean

262
00:11:47,269 --> 00:11:46,079
the italia uno is a private network of

263
00:11:48,230 --> 00:11:47,279

the

264

00:11:49,829 --> 00:11:48,240

uh

265

00:11:53,269 --> 00:11:49,839

of the berlusconi

266

00:11:56,550 --> 00:11:53,279

own network so to speak

267

00:12:00,310 --> 00:11:56,560

this channel italia uno is broadcasting

268

00:12:02,230 --> 00:12:00,320

right now these days in uh first

269

00:12:05,110 --> 00:12:02,240

um i don't know the english team for

270

00:12:07,590 --> 00:12:05,120

that but i mean uh at

271

00:12:10,550 --> 00:12:07,600

8 8 30 which is the

272

00:12:13,590 --> 00:12:10,560

the 20 hours 30

273

00:12:17,190 --> 00:12:13,600

which is the hour where the

274

00:12:22,389 --> 00:12:20,949

yes prime time right right sorry i got

275

00:12:25,750 --> 00:12:22,399

now i got it

276

00:12:29,110 --> 00:12:25,760

and this uh mr is called mystery land

277

00:12:31,350 --> 00:12:29,120

this this transmission is broadcast in

278

00:12:33,190 --> 00:12:31,360

prime time which is really something

279

00:12:35,829 --> 00:12:33,200

because until now

280

00:12:38,790 --> 00:12:35,839

these kind of transmission those very

281

00:12:42,230 --> 00:12:38,800

rare kind of transmission that

282

00:12:43,590 --> 00:12:42,240

were broadcast were broadcast at 23

283

00:12:44,629 --> 00:12:43,600

hours or

284

00:12:46,790 --> 00:12:44,639

i mean

285

00:12:50,069 --> 00:12:46,800

not prime time at all

286

00:12:52,389 --> 00:12:50,079

while and they are doing this they are

287

00:12:55,269 --> 00:12:52,399

showing broadcasting this this

288

00:12:58,310 --> 00:12:55,279

transmission uh mystery land in prime

289

00:12:59,910 --> 00:12:58,320

time kudos to them i have to say

290

00:13:03,030 --> 00:12:59,920

yeah that's that's wonderful to hear

291

00:13:05,269 --> 00:13:03,040

because over in the uk we we don't have

292

00:13:07,910 --> 00:13:05,279

that uh it's still very much laughed at

293

00:13:10,470 --> 00:13:07,920

the language in the media as little

294

00:13:12,550 --> 00:13:10,480

green men flying saucers

295

00:13:15,430 --> 00:13:12,560

something that's come up even recently

296

00:13:17,110 --> 00:13:15,440

and if i want to say the more serious

297

00:13:19,509 --> 00:13:17,120

articles that have appeared in the press

298

00:13:22,870 --> 00:13:19,519

in the uk they still use derogatory

299

00:13:24,710 --> 00:13:22,880

terms like alien hunter and it's it's

300

00:13:27,670 --> 00:13:24,720

talking down about the subject so it's

301
00:13:29,910 --> 00:13:27,680
nice to hear other european countries um

302
00:13:32,629 --> 00:13:29,920
certain big countries as well like italy

303
00:13:34,470 --> 00:13:32,639
are are changing the tone in the context

304
00:13:37,110 --> 00:13:34,480
of the conversation

305
00:13:37,990 --> 00:13:37,120
and but and by the way andy maybe i'm

306
00:13:39,910 --> 00:13:38,000
saying

307
00:13:41,110 --> 00:13:39,920
nothing actually new

308
00:13:44,150 --> 00:13:41,120
um

309
00:13:46,710 --> 00:13:44,160
even the pope even francis pope francis

310
00:13:48,389 --> 00:13:46,720
one day i think you know that

311
00:13:51,189 --> 00:13:48,399
uh

312
00:13:54,550 --> 00:13:51,199
in a public audience he said by you know

313
00:13:57,430 --> 00:13:54,560

one day if if you know if martians came

314

00:13:59,910 --> 00:13:57,440

uh came to me and they see he said yes

315

00:14:02,870 --> 00:13:59,920

yes martian those little green men with

316

00:14:04,790 --> 00:14:02,880

antennas and so on like kid paint them

317

00:14:07,829 --> 00:14:04,800

those if one of these

318

00:14:09,189 --> 00:14:07,839

uh would come here and and asking me

319

00:14:10,710 --> 00:14:09,199

would you but

320

00:14:13,670 --> 00:14:10,720

baptize me

321

00:14:16,790 --> 00:14:13,680

uh i would say yes of course so i mean

322

00:14:19,829 --> 00:14:16,800

this is something that

323

00:14:22,710 --> 00:14:19,839

really means something

324

00:14:24,230 --> 00:14:22,720

it really means that i mean the notion

325

00:14:28,389 --> 00:14:24,240

of et

326

00:14:32,150 --> 00:14:28,399

it is is indeed making it slowly making

327

00:14:34,069 --> 00:14:32,160

its way in the minds of the people

328

00:14:36,310 --> 00:14:34,079

and and that's really important as well

329

00:14:38,629 --> 00:14:36,320

that the vatican do embrace that

330

00:14:40,470 --> 00:14:38,639

conversation and that is a a definite

331

00:14:42,629 --> 00:14:40,480

tone change from themselves over the

332

00:14:44,710 --> 00:14:42,639

years and i suppose they don't have an

333

00:14:45,910 --> 00:14:44,720

observatory for for no reason because

334

00:14:47,670 --> 00:14:45,920

they're looking at something out in

335

00:14:50,069 --> 00:14:47,680

space so that's always been an

336

00:14:52,470 --> 00:14:50,079

interesting one i i would love paulo

337

00:14:55,269 --> 00:14:52,480

could you tell us some of the the famous

338

00:14:57,430 --> 00:14:55,279

events or ufo events in italian lore

339

00:14:59,670 --> 00:14:57,440

what would potentially be the italian

340

00:15:02,710 --> 00:14:59,680

roswell

341

00:15:07,030 --> 00:15:02,720

the potential roosevelt is rather easily

342

00:15:10,949 --> 00:15:07,040

said that happened in 1933

343

00:15:13,430 --> 00:15:10,959

happened in 1933 and and what is

344

00:15:16,949 --> 00:15:13,440

interesting is it is really interesting

345

00:15:17,750 --> 00:15:16,959

not just because it pre-dates roswell of

346

00:15:19,829 --> 00:15:17,760

uh

347

00:15:23,269 --> 00:15:19,839

14 years

348

00:15:25,590 --> 00:15:23,279

but what is really interesting is that

349

00:15:30,150 --> 00:15:25,600

um

350

00:15:31,030 --> 00:15:30,160

in 1933 in italy we already

351
00:15:33,509 --> 00:15:31,040
see

352
00:15:34,710 --> 00:15:33,519
all the main ingredients

353
00:15:37,269 --> 00:15:34,720
at work

354
00:15:40,470 --> 00:15:37,279
the main ingredients that we came to

355
00:15:41,829 --> 00:15:40,480
know very well with roswell and other

356
00:15:44,150 --> 00:15:41,839
cases

357
00:15:45,590 --> 00:15:44,160
we have the first of all the immediate

358
00:15:46,710 --> 00:15:45,600
secrecy

359
00:15:51,110 --> 00:15:46,720
first

360
00:15:53,590 --> 00:15:51,120
then we have the cover-up and deception

361
00:15:54,629 --> 00:15:53,600
immediately after

362
00:15:58,629 --> 00:15:54,639
then

363
00:16:03,430 --> 00:15:58,639

we have the scientific high-level study

364

00:16:07,269 --> 00:16:03,440

so in italy 1933 june 1933

365

00:16:10,949 --> 00:16:07,279

we see these ingredients already at at

366

00:16:14,629 --> 00:16:10,959

work perfectly as it happened in

367

00:16:17,110 --> 00:16:14,639

the united states of 1947.

368

00:16:19,189 --> 00:16:17,120

the and this is important because i mean

369

00:16:20,829 --> 00:16:19,199

um just to

370

00:16:23,990 --> 00:16:20,839

quickly

371

00:16:27,590 --> 00:16:24,000

um just for for a quick recap of the

372

00:16:29,030 --> 00:16:27,600

situation in 1933 northern italy

373

00:16:32,949 --> 00:16:29,040

uh and

374

00:16:34,069 --> 00:16:32,959

a mysterious aircraft of on off unknown

375

00:16:36,380 --> 00:16:34,079

origin

376

00:16:37,590 --> 00:16:36,390

um landed or crashed um

377

00:16:40,389 --> 00:16:37,600

[Music]

378

00:16:43,670 --> 00:16:40,399

this is not known for sure in any case

379

00:16:44,870 --> 00:16:43,680

we say landed in northern italy not far

380

00:16:46,150 --> 00:16:44,880

from uh

381

00:16:49,430 --> 00:16:46,160

milano

382

00:16:52,629 --> 00:16:49,440

and the lake of como more or less so uh

383

00:16:56,230 --> 00:16:52,639

they say that this um

384

00:16:58,310 --> 00:16:56,240

this mysterious aircraft and by the way

385

00:16:59,749 --> 00:16:58,320

i say mysterious and

386

00:17:02,069 --> 00:16:59,759

if it was

387

00:17:03,910 --> 00:17:02,079

if they called it mysterious it must

388

00:17:06,390 --> 00:17:03,920

have been really mysterious because i

389

00:17:07,110 --> 00:17:06,400
mean aviation in

390

00:17:07,990 --> 00:17:07,120
uh

391

00:17:18,390 --> 00:17:08,000
in

392

00:17:22,069 --> 00:17:18,400
and and it was one of the key

393

00:17:24,390 --> 00:17:22,079
uh sectors of the um

394

00:17:27,510 --> 00:17:24,400
of the italian army in general so

395

00:17:29,830 --> 00:17:27,520
i mean if they say that it was uh

396

00:17:30,830 --> 00:17:29,840
unknown it really means that it was

397

00:17:33,990 --> 00:17:30,840
something

398

00:17:36,710 --> 00:17:34,000
unidentifiable okay so um

399

00:17:38,710 --> 00:17:36,720
what is interesting is that nowadays we

400

00:17:42,470 --> 00:17:38,720
have the copies of

401
00:17:46,150 --> 00:17:42,480
various telegrams which were sent by the

402
00:17:49,510 --> 00:17:46,160
press agency the only pris press agency

403
00:17:51,350 --> 00:17:49,520
of the regime which was called stefani

404
00:17:55,029 --> 00:17:51,360
stephanie agency

405
00:17:58,830 --> 00:17:55,039
and there are at least four of these

406
00:18:01,110 --> 00:17:58,840
messages which were broadcast to all the

407
00:18:03,430 --> 00:18:01,120
offices with

408
00:18:06,070 --> 00:18:03,440
the highest priority

409
00:18:10,110 --> 00:18:06,080
and they were top not

410
00:18:15,669 --> 00:18:12,950
reservatissimo is confidential

411
00:18:17,350 --> 00:18:15,679
were classified as confidential

412
00:18:20,310 --> 00:18:17,360
and

413
00:18:22,070 --> 00:18:20,320

today we have the the the copy i mean we

414

00:18:24,310 --> 00:18:22,080

have the originals because

415

00:18:26,390 --> 00:18:24,320

most of these are owned by roberto

416

00:18:29,350 --> 00:18:26,400

pinotti himself

417

00:18:31,190 --> 00:18:29,360

we have the originals of these uh of

418

00:18:35,110 --> 00:18:31,200

these telegrams

419

00:18:37,430 --> 00:18:35,120

and so you can imagine that i mean just

420

00:18:39,510 --> 00:18:37,440

by the sheer number of telegrams that

421

00:18:43,510 --> 00:18:39,520

were sent in one day i mean four

422

00:18:44,470 --> 00:18:43,520

telegraphs of the highest priority

423

00:18:46,710 --> 00:18:44,480

and

424

00:18:49,750 --> 00:18:46,720

high classification that were sent in

425

00:18:52,390 --> 00:18:49,760

that day so you can understand just for

426

00:18:54,950 --> 00:18:52,400

from this fact that the matter was

427

00:18:56,470 --> 00:18:54,960

considered very very seriously

428

00:18:58,870 --> 00:18:56,480

so uh

429

00:19:01,270 --> 00:18:58,880

then what happened

430

00:19:02,710 --> 00:19:01,280

it looked like this uh

431

00:19:04,310 --> 00:19:02,720

these um

432

00:19:06,789 --> 00:19:04,320

debris or

433

00:19:09,190 --> 00:19:06,799

or this what remained of this

434

00:19:11,909 --> 00:19:09,200

unknown aircraft that was gone was

435

00:19:16,789 --> 00:19:11,919

conserved in a in a hangar

436

00:19:18,630 --> 00:19:16,799

owned by the ci marchetti which was uh

437

00:19:21,029 --> 00:19:18,640

aircraft produced

438

00:19:24,150 --> 00:19:21,039

i think it was the main aircraft

439

00:19:26,310 --> 00:19:24,160

producer of that time

440

00:19:27,430 --> 00:19:26,320

where they were kept

441

00:19:33,430 --> 00:19:27,440

for

442

00:19:36,950 --> 00:19:33,440

mussolini

443

00:19:40,390 --> 00:19:36,960

assembled a sort of majestic 12 so to

444

00:19:41,830 --> 00:19:40,400

speak which was called rs

445

00:19:47,990 --> 00:19:41,840

33

446

00:19:51,590 --> 00:19:48,000

special research

447

00:19:55,110 --> 00:19:51,600

33 is the year of foundation which was

448

00:19:59,110 --> 00:19:55,120

headed by marconi by the way

449

00:20:01,190 --> 00:19:59,120

and they tried to and it is said that

450

00:20:03,750 --> 00:20:01,200

they tried to

451
00:20:06,630 --> 00:20:03,760
uh investigate of course trying to

452
00:20:07,750 --> 00:20:06,640
understand what this device was and so

453
00:20:10,070 --> 00:20:07,760
on

454
00:20:11,750 --> 00:20:10,080
and then what happened

455
00:20:13,590 --> 00:20:11,760
then came the war

456
00:20:14,470 --> 00:20:13,600
at the end of the war

457
00:20:18,310 --> 00:20:14,480
uh

458
00:20:20,630 --> 00:20:18,320
what remained of this

459
00:20:23,510 --> 00:20:20,640
unknown aircraft was

460
00:20:25,029 --> 00:20:23,520
confiscated by the indian americans and

461
00:20:26,630 --> 00:20:25,039
was sent

462
00:20:28,870 --> 00:20:26,640
to the u.s

463
00:20:30,470 --> 00:20:28,880

what one thing which is interesting is

464

00:20:35,669 --> 00:20:30,480

that in

465

00:20:38,950 --> 00:20:35,679

2010 at the 2010 congress of san marino

466

00:20:41,669 --> 00:20:38,960

we had the an intervention by a

467

00:20:45,110 --> 00:20:41,679

gentleman by the name of william brophy

468

00:20:49,510 --> 00:20:45,120

who said that his father was an officer

469

00:20:51,909 --> 00:20:49,520

in the u.s air force in in

470

00:20:53,669 --> 00:20:51,919

1948

471

00:20:56,950 --> 00:20:53,679

if i remember well

472

00:20:57,990 --> 00:20:56,960

uh he had the possibility to

473

00:20:59,350 --> 00:20:58,000

see

474

00:21:01,350 --> 00:20:59,360

the corpse

475

00:21:03,190 --> 00:21:01,360

kept down the formalin

476
00:21:06,630 --> 00:21:03,200
two aliens

477
00:21:08,149 --> 00:21:06,640
um of the nordic kind so to speak high

478
00:21:09,750 --> 00:21:08,159
quite tall

479
00:21:12,549 --> 00:21:09,760
pale

480
00:21:15,590 --> 00:21:12,559
white hair and so on classic

481
00:21:17,029 --> 00:21:15,600
the the classic kind of nordic aliens as

482
00:21:19,750 --> 00:21:17,039
we call them

483
00:21:21,990 --> 00:21:19,760
and he said that

484
00:21:25,590 --> 00:21:22,000
his father told him

485
00:21:29,510 --> 00:21:25,600
that these two bodies were confiscated

486
00:21:33,190 --> 00:21:29,520
in italy at the end of the war

487
00:21:35,350 --> 00:21:33,200
so this is something that was not known

488
00:21:39,430 --> 00:21:35,360

and there of course there are many

489

00:21:41,750 --> 00:21:39,440

rumors many uncontrolled voice voices

490

00:21:45,110 --> 00:21:41,760

concerning the subject

491

00:21:48,310 --> 00:21:45,120

one is that mussolini

492

00:21:51,029 --> 00:21:48,320

when he came to know and

493

00:21:52,470 --> 00:21:51,039

very likely could have seen the these

494

00:21:56,310 --> 00:21:52,480

two bodies

495

00:21:58,470 --> 00:21:56,320

could have been led to think that they

496

00:21:59,590 --> 00:21:58,480

could have been german

497

00:22:01,990 --> 00:21:59,600

and so

498

00:22:04,549 --> 00:22:02,000

he could have he could have thought that

499

00:22:05,590 --> 00:22:04,559

if the germans have this kind of weapons

500

00:22:07,350 --> 00:22:05,600

of course

501
00:22:09,669 --> 00:22:07,360
we can ally

502
00:22:11,590 --> 00:22:09,679
italy can ally with germany and of

503
00:22:14,549 --> 00:22:11,600
course we will war

504
00:22:16,390 --> 00:22:14,559
uh we will win the war very easily so

505
00:22:19,110 --> 00:22:16,400
but of course the this is something

506
00:22:20,149 --> 00:22:19,120
which i mean they're just rumors

507
00:22:23,029 --> 00:22:20,159
so

508
00:22:25,029 --> 00:22:23,039
take just take take them at face value i

509
00:22:27,669 --> 00:22:25,039
mean don't don't

510
00:22:31,350 --> 00:22:27,679
it's not possible to to to do any

511
00:22:34,710 --> 00:22:31,360
historic check also concerning the uh

512
00:22:38,149 --> 00:22:34,720
the um italian majestic 12

513
00:22:41,190 --> 00:22:38,159

this rs 33 cabinet

514

00:22:44,310 --> 00:22:41,200

there are traces in these documents that

515

00:22:47,590 --> 00:22:44,320

have been uh sent anonymously to roberto

516

00:22:49,270 --> 00:22:47,600

pinotti and not only to roberto pinotti

517

00:22:50,880 --> 00:22:49,280

but also to other

518

00:22:53,350 --> 00:22:50,890

a couple of other um

519

00:22:56,549 --> 00:22:53,360

[Music]

520

00:22:58,470 --> 00:22:56,559

review not reviews um

521

00:23:01,110 --> 00:22:58,480

papers

522

00:23:04,230 --> 00:23:01,120

and

523

00:23:05,830 --> 00:23:04,240

there are i mean in this in these papers

524

00:23:08,710 --> 00:23:05,840

uh which

525

00:23:11,270 --> 00:23:08,720

are papers of the senate of the republic

526
00:23:12,870 --> 00:23:11,280
i mean there is the emblem of the senate

527
00:23:16,070 --> 00:23:12,880
of the republic

528
00:23:20,310 --> 00:23:16,080
and there is mention of this secret very

529
00:23:23,029 --> 00:23:20,320
secret rs-33 cabinet which was meant to

530
00:23:25,190 --> 00:23:23,039
have top priority over everything

531
00:23:27,350 --> 00:23:25,200
not even the the

532
00:23:29,190 --> 00:23:27,360
the university

533
00:23:30,950 --> 00:23:29,200
of the vatican

534
00:23:33,190 --> 00:23:30,960
should have known should have been

535
00:23:34,710 --> 00:23:33,200
informed about their findings

536
00:23:38,149 --> 00:23:34,720
so this is the

537
00:23:39,590 --> 00:23:38,159
this is for sure um

538
00:23:42,390 --> 00:23:39,600

the the

539

00:23:43,830 --> 00:23:42,400

we could call it the italian rose world

540

00:23:46,149 --> 00:23:43,840

if you wish

541

00:23:48,630 --> 00:23:46,159

and it is interesting because you see we

542

00:23:51,029 --> 00:23:48,640

see we see that i mean

543

00:23:54,149 --> 00:23:51,039

we know roswell we know more or less how

544

00:23:57,830 --> 00:23:54,159

it works we know we know the mechanism

545

00:24:00,549 --> 00:23:57,840

uh under the after this um

546

00:24:02,630 --> 00:24:00,559

this event i mean the mechanism that

547

00:24:04,870 --> 00:24:02,640

this event triggered

548

00:24:07,590 --> 00:24:04,880

but it is interesting to see that

549

00:24:11,590 --> 00:24:07,600

exactly the same thing happened in the

550

00:24:13,510 --> 00:24:11,600

fascist italy of 1933 you see

551
00:24:16,470 --> 00:24:13,520
so this is something that it is

552
00:24:20,310 --> 00:24:16,480
important and it is important andy not

553
00:24:22,230 --> 00:24:20,320
only for this uh but also because uh

554
00:24:25,510 --> 00:24:22,240
especially for

555
00:24:28,870 --> 00:24:25,520
the the younger youngest generations or

556
00:24:31,110 --> 00:24:28,880
those who have just started to

557
00:24:35,190 --> 00:24:31,120
taking some interest in this in this

558
00:24:39,750 --> 00:24:35,200
subject of ufos slash ets

559
00:24:47,669 --> 00:24:43,510
ufos and maybe ets is something new no

560
00:24:51,669 --> 00:24:47,679
no it's not not new at all because at at

561
00:24:52,950 --> 00:24:51,679
least in 1933 started and if we really

562
00:24:54,149 --> 00:24:52,960
want to

563
00:24:56,390 --> 00:24:54,159

go

564

00:25:00,390 --> 00:24:56,400

how can i say

565

00:25:03,669 --> 00:25:00,400

in the past we can see we can see a lot

566

00:25:05,510 --> 00:25:03,679

of traces of what we could call today

567

00:25:08,230 --> 00:25:05,520

ufo events

568

00:25:09,909 --> 00:25:08,240

like the you know the romans even had a

569

00:25:13,190 --> 00:25:09,919

specific name

570

00:25:15,590 --> 00:25:13,200

for these ufos they they called them

571

00:25:19,350 --> 00:25:15,600

clipeos ardentis

572

00:25:21,029 --> 00:25:19,360

which means fiery shields

573

00:25:23,590 --> 00:25:21,039

so they they

574

00:25:25,990 --> 00:25:23,600

because they also

575

00:25:27,190 --> 00:25:26,000

saw sometimes these

576

00:25:29,269 --> 00:25:27,200

shields

577

00:25:32,230 --> 00:25:29,279

uh most of the time that they were

578

00:25:35,190 --> 00:25:32,240

glowing and so so they they

579

00:25:36,310 --> 00:25:35,200

created this the this name so i mean

580

00:25:42,710 --> 00:25:36,320

the

581

00:25:45,990 --> 00:25:42,720

phenomenon is not new at all it's being

582

00:25:50,230 --> 00:25:46,000

taken what is new is that it's been

583

00:25:53,830 --> 00:25:50,240

taken seriously and that is new actually

584

00:25:56,630 --> 00:25:53,840

really but the phenomenon itself is not

585

00:25:58,310 --> 00:25:56,640

not new at all thank you very much for

586

00:26:00,310 --> 00:25:58,320

sharing that paulo that was a very

587

00:26:01,990 --> 00:26:00,320

excellent retelling of that story and

588

00:26:04,149 --> 00:26:02,000

the most comprehensive i've heard as

589

00:26:06,149 --> 00:26:04,159

well and it probably does a disservice

590

00:26:09,110 --> 00:26:06,159

to call it the italian roswell given it

591

00:26:12,630 --> 00:26:09,120

predates roswell itself so can i can i

592

00:26:15,269 --> 00:26:12,640

just ask though is there any

593

00:26:17,510 --> 00:26:15,279

any reason you think for the secrecy of

594

00:26:19,990 --> 00:26:17,520

the time and obviously famously with

595

00:26:22,070 --> 00:26:20,000

roswell the us military announced they

596

00:26:24,549 --> 00:26:22,080

had captured a flying saucer and very

597

00:26:25,909 --> 00:26:24,559

quickly changed the press release to say

598

00:26:28,390 --> 00:26:25,919

it was nothing more than a weather

599

00:26:30,070 --> 00:26:28,400

balloon and misidentification

600

00:26:32,390 --> 00:26:30,080

why didn't the government at the time

601
00:26:33,990 --> 00:26:32,400
just come out and announce what they had

602
00:26:36,870 --> 00:26:34,000
but you know andy i think it's very

603
00:26:38,470 --> 00:26:36,880
simple after all i mean um

604
00:26:43,110 --> 00:26:38,480
consider

605
00:26:44,710 --> 00:26:43,120
uh when the romans saw these clippers

606
00:26:47,669 --> 00:26:44,720
ardentes

607
00:26:48,950 --> 00:26:47,679
uh these fiery shields

608
00:26:52,789 --> 00:26:48,960
um

609
00:26:55,430 --> 00:26:52,799
flying zip zipping across the skies what

610
00:26:57,750 --> 00:26:55,440
could they think

611
00:27:01,909 --> 00:26:57,760
maybe maybe

612
00:27:07,029 --> 00:27:01,919
something connected to to the gods maybe

613
00:27:09,990 --> 00:27:07,039

and if it happened in 90 m say in the 20

614

00:27:11,990 --> 00:27:10,000

in the 12th century

615

00:27:14,230 --> 00:27:12,000

they could have been

616

00:27:16,710 --> 00:27:14,240

angels or demons

617

00:27:20,950 --> 00:27:16,720

most likely demons so

618

00:27:23,430 --> 00:27:20,960

and but if that happened in

619

00:27:24,630 --> 00:27:23,440

in a civilization i mean

620

00:27:29,190 --> 00:27:24,640

where

621

00:27:31,350 --> 00:27:29,200

men already knew how to fly

622

00:27:33,830 --> 00:27:31,360

so things change

623

00:27:37,909 --> 00:27:33,840

they do change indeed because

624

00:27:43,750 --> 00:27:41,430

men already knew very well how to fly of

625

00:27:46,149 --> 00:27:43,760

course not with the devices we have

626

00:27:48,470 --> 00:27:46,159

today but they knew how to fly

627

00:27:50,950 --> 00:27:48,480

so they knew how to build machine

628

00:27:53,350 --> 00:27:50,960

they knew how to build a machine that

629

00:27:56,389 --> 00:27:53,360

could fly properly and so on

630

00:28:01,110 --> 00:27:56,399

so it was immediately recognized the

631

00:28:02,350 --> 00:28:01,120

military technological value of these

632

00:28:04,789 --> 00:28:02,360

unknown

633

00:28:07,110 --> 00:28:04,799

unidentifiable but definitely

634

00:28:09,590 --> 00:28:07,120

technological devices

635

00:28:11,669 --> 00:28:09,600

so no wonder that

636

00:28:15,029 --> 00:28:11,679

in im immediately

637

00:28:16,870 --> 00:28:15,039

the secret was imposed over over the

638

00:28:19,590 --> 00:28:16,880

matter because of course

639

00:28:23,029 --> 00:28:19,600

there was a great and there is still

640

00:28:25,029 --> 00:28:23,039

today a great interest to try to

641

00:28:28,950 --> 00:28:25,039

replicate this

642

00:28:31,510 --> 00:28:28,960

devices this craft with this uh showing

643

00:28:34,950 --> 00:28:31,520

these incredible performances

644

00:28:41,110 --> 00:28:34,960

and the story in 1933

645

00:28:44,470 --> 00:28:43,590

in in recent times it's always the same

646

00:28:47,029 --> 00:28:44,480

story

647

00:28:50,310 --> 00:28:47,039

there is a specific interest by the

648

00:28:53,669 --> 00:28:50,320

military to try to

649

00:28:57,269 --> 00:28:53,679

uh replicate these devices because

650

00:28:59,510 --> 00:28:57,279

whoever could be able to do this would

651
00:29:02,950 --> 00:28:59,520
have found the holy grail

652
00:29:05,990 --> 00:29:02,960
of the military power military air power

653
00:29:08,549 --> 00:29:06,000
so i mean it's very simple for me

654
00:29:10,230 --> 00:29:08,559
what sort of interest has persisted

655
00:29:12,230 --> 00:29:10,240
within the military and italian

656
00:29:14,870 --> 00:29:12,240
government to do with this subject then

657
00:29:16,870 --> 00:29:14,880
because if what you've said in 1933

658
00:29:19,669 --> 00:29:16,880
happened and the italian military and

659
00:29:21,909 --> 00:29:19,679
government recover this incredible craft

660
00:29:24,470 --> 00:29:21,919
that they're unsure where it's came from

661
00:29:26,070 --> 00:29:24,480
you would think that interest would

662
00:29:28,789 --> 00:29:26,080
remain with the government and the

663
00:29:31,110 --> 00:29:28,799

military in italy to this day

664

00:29:33,510 --> 00:29:31,120

what sort of interest remains

665

00:29:34,950 --> 00:29:33,520

yes indeed i think that this is a

666

00:29:39,669 --> 00:29:34,960

general

667

00:29:41,350 --> 00:29:39,679

applies to any

668

00:29:44,549 --> 00:29:41,360

any um

669

00:29:46,630 --> 00:29:44,559

any military environment which find

670

00:29:49,590 --> 00:29:46,640

itself confronted

671

00:29:52,710 --> 00:29:49,600

with a crashed ufo

672

00:29:53,750 --> 00:29:52,720

i think that whoever today is i mean

673

00:29:56,630 --> 00:29:53,760

today

674

00:30:00,149 --> 00:29:56,640

now that we know that it's possible to

675

00:30:01,350 --> 00:30:00,159

build devices that can fly

676

00:30:04,710 --> 00:30:01,360

now

677

00:30:06,789 --> 00:30:04,720

in for i mean not not only for the

678

00:30:10,389 --> 00:30:06,799

italian military

679

00:30:13,909 --> 00:30:10,399

not only for the us military but for any

680

00:30:15,430 --> 00:30:13,919

any military organization in this world

681

00:30:16,470 --> 00:30:15,440

uh military

682

00:30:19,190 --> 00:30:16,480

slash

683

00:30:20,870 --> 00:30:19,200

military intelligence organization in

684

00:30:23,590 --> 00:30:20,880

this world

685

00:30:27,430 --> 00:30:23,600

each one of these

686

00:30:31,029 --> 00:30:27,440

will have a definite and great interest

687

00:30:34,549 --> 00:30:31,039

in this kind of device and of course

688

00:30:38,230 --> 00:30:34,559

the the this kind of device i mean this

689

00:30:39,669 --> 00:30:38,240

kind of interest entails the secrecy

690

00:30:42,149 --> 00:30:39,679

because of course

691

00:30:44,630 --> 00:30:42,159

each one each uh

692

00:30:45,750 --> 00:30:44,640

military establishment would like of

693

00:30:49,909 --> 00:30:45,760

course

694

00:30:51,990 --> 00:30:49,919

to be the first to create to re

695

00:30:54,549 --> 00:30:52,000

replicate some

696

00:30:57,110 --> 00:30:54,559

a device capable at least capable of some

697

00:30:59,830 --> 00:30:57,120

of these incredible performances of

698

00:31:04,070 --> 00:30:59,840

course for the final purpose of military

699

00:31:05,750 --> 00:31:04,080

air power so military air supremacy

700

00:31:08,389 --> 00:31:05,760

um i don't know if you've seen

701

00:31:10,950 --> 00:31:08,399

unidentified the series that we had

702

00:31:13,269 --> 00:31:10,960

tommed along luis elizondo and i'm sure

703

00:31:16,149 --> 00:31:13,279

you're aware that a couple of years ago

704

00:31:18,310 --> 00:31:16,159

they met with um some italian colleagues

705

00:31:20,470 --> 00:31:18,320

i'm sure some of them may be of yours

706

00:31:23,190 --> 00:31:20,480

and they discussed several different

707

00:31:25,350 --> 00:31:23,200

exchanges of information one incident in

708

00:31:27,509 --> 00:31:25,360

particular they talked about

709

00:31:30,310 --> 00:31:27,519

potentially being able to use a

710

00:31:32,870 --> 00:31:30,320

frequency to let some of these objects

711

00:31:35,190 --> 00:31:32,880

know that they know they are here and

712

00:31:38,230 --> 00:31:35,200

they can almost communicate in some sort

713

00:31:39,830 --> 00:31:38,240

of way what can you tell us about that

714

00:31:44,230 --> 00:31:39,840

well

715

00:31:45,190 --> 00:31:44,240

i was present at that meeting

716

00:31:46,550 --> 00:31:45,200

and

717

00:31:47,750 --> 00:31:46,560

well um

718

00:31:51,350 --> 00:31:47,760

[Music]

719

00:31:55,029 --> 00:31:51,360

one of the most interesting cases that

720

00:31:56,710 --> 00:31:55,039

uh we talked in in that meeting was what

721

00:31:59,909 --> 00:31:56,720

happened in

722

00:32:03,669 --> 00:31:59,919

uh the remote locality of caneto di

723

00:32:06,870 --> 00:32:03,679

caronia it's called caneto di caroniat

724

00:32:08,710 --> 00:32:06,880

rewards which is a very small

725

00:32:12,389 --> 00:32:08,720

village in

726
00:32:15,029 --> 00:32:12,399
on the northern northeast north eastern

727
00:32:17,509 --> 00:32:15,039
coast of sicily

728
00:32:19,909 --> 00:32:17,519
very close to the sea

729
00:32:22,230 --> 00:32:19,919
and uh well

730
00:32:24,870 --> 00:32:22,240
it's difficult to make

731
00:32:27,990 --> 00:32:24,880
a resume on this because it was really

732
00:32:29,590 --> 00:32:28,000
something that went on for a long time

733
00:32:30,630 --> 00:32:29,600
went on for

734
00:32:33,430 --> 00:32:30,640
uh

735
00:32:36,389 --> 00:32:33,440
many months many months at and with

736
00:32:39,269 --> 00:32:36,399
intervals so it was really something

737
00:32:40,389 --> 00:32:39,279
definitely definitely strange it started

738
00:32:41,430 --> 00:32:40,399

with

739

00:32:45,110 --> 00:32:41,440

fires

740

00:32:47,350 --> 00:32:45,120

in in normal houses i mean

741

00:32:50,710 --> 00:32:47,360

uh

742

00:32:52,230 --> 00:32:50,720

but what was strange was that this fire

743

00:32:53,430 --> 00:32:52,240

developed

744

00:32:55,590 --> 00:32:53,440

in

745

00:32:58,149 --> 00:32:55,600

quickly and

746

00:33:00,070 --> 00:32:58,159

what was burning was not something that

747

00:33:02,710 --> 00:33:00,080

you could expect i mean you could expect

748

00:33:06,389 --> 00:33:02,720

burning something which is electrical i

749

00:33:08,950 --> 00:33:06,399

mean the the electrical cabinets or

750

00:33:11,509 --> 00:33:08,960

the fridge maybe because the motor has a

751
00:33:14,230 --> 00:33:11,519
short circuit or things like that

752
00:33:16,870 --> 00:33:14,240
but there were beds there were

753
00:33:18,530 --> 00:33:16,880
pieces of furniture

754
00:33:22,230 --> 00:33:18,540
chairs

755
00:33:25,029 --> 00:33:22,240
[Music]

756
00:33:26,950 --> 00:33:25,039
boots even boots

757
00:33:29,350 --> 00:33:26,960
really it was really

758
00:33:31,269 --> 00:33:29,360
something strange definitely

759
00:33:34,470 --> 00:33:31,279
so that uh

760
00:33:35,350 --> 00:33:34,480
and the situation got uh got at a point

761
00:33:38,549 --> 00:33:35,360
where

762
00:33:41,190 --> 00:33:38,559
uh the inhabitants of of that area had

763
00:33:44,870 --> 00:33:41,200

to be evacuated for

764

00:33:46,630 --> 00:33:44,880

for some i think some weeks at least

765

00:33:48,950 --> 00:33:46,640

and there was a

766

00:33:49,990 --> 00:33:48,960

and there were many

767

00:33:52,870 --> 00:33:50,000

um

768

00:33:56,310 --> 00:33:52,880

strange episodes that happened

769

00:33:58,950 --> 00:33:56,320

um ufo sightings

770

00:34:02,549 --> 00:33:58,960

also there was this

771

00:34:03,590 --> 00:34:02,559

event where an helicopter was apparently

772

00:34:04,549 --> 00:34:03,600

hit

773

00:34:06,549 --> 00:34:04,559

by

774

00:34:10,149 --> 00:34:06,559

something which

775

00:34:13,190 --> 00:34:10,159

uh supposedly could have been a directed

776

00:34:15,909 --> 00:34:13,200

energy weapon or sort because i mean the

777

00:34:17,430 --> 00:34:15,919

the the there was this helicopter which

778

00:34:20,149 --> 00:34:17,440

was not

779

00:34:23,190 --> 00:34:20,159

a civil helicopter helicopter of the

780

00:34:25,589 --> 00:34:23,200

civil it's called protection

781

00:34:28,710 --> 00:34:25,599

it means civil protection

782

00:34:31,349 --> 00:34:28,720

which is a civil body

783

00:34:34,869 --> 00:34:31,359

and this helicopter was flying over the

784

00:34:36,869 --> 00:34:34,879

area and it it it was a shuttle flight

785

00:34:40,310 --> 00:34:36,879

nothing nothing special

786

00:34:43,349 --> 00:34:40,320

uh all of a sudden they

787

00:34:46,230 --> 00:34:43,359

uh the the the helicopter was shaken

788

00:34:47,109 --> 00:34:46,240

like sort of an explosion i mean it was

789

00:34:50,149 --> 00:34:47,119

really

790

00:34:52,710 --> 00:34:50,159

uh abrupt and

791

00:34:55,669 --> 00:34:52,720

and it became difficult to to handle it

792

00:34:58,870 --> 00:34:55,679

pro to govern it properly but

793

00:35:01,349 --> 00:34:58,880

nonetheless the pilot managed in and in

794

00:35:02,550 --> 00:35:01,359

any case he managed to to to do a safe

795

00:35:04,790 --> 00:35:02,560

landing

796

00:35:05,990 --> 00:35:04,800

and when they landed they really

797

00:35:08,390 --> 00:35:06,000

remained

798

00:35:11,589 --> 00:35:08,400

surprised because they they went to

799

00:35:12,950 --> 00:35:11,599

check the rotor blades over and they

800

00:35:13,990 --> 00:35:12,960

found a hole

801
00:35:15,349 --> 00:35:14,000
like this

802
00:35:18,310 --> 00:35:15,359
in the back

803
00:35:19,589 --> 00:35:18,320
one rotor

804
00:35:21,750 --> 00:35:19,599
i mean

805
00:35:24,550 --> 00:35:21,760
and what is interesting

806
00:35:26,069 --> 00:35:24,560
is that there was a gentleman

807
00:35:30,150 --> 00:35:26,079
on the ground

808
00:35:32,950 --> 00:35:30,160
uh at the moment of this event he was he

809
00:35:35,829 --> 00:35:32,960
had a camera with him

810
00:35:38,150 --> 00:35:35,839
so he noticed that at a certain point

811
00:35:40,150 --> 00:35:38,160
this helicopter was behaving

812
00:35:43,349 --> 00:35:40,160
erratically i mean was not flying

813
00:35:46,230 --> 00:35:43,359

properly as if it was as if it had a

814

00:35:47,510 --> 00:35:46,240

problem damage so it it took some

815

00:35:48,390 --> 00:35:47,520

pictures

816

00:35:52,710 --> 00:35:48,400

and

817

00:35:54,950 --> 00:35:52,720

later when he uh examined he saw

818

00:35:57,270 --> 00:35:54,960

uh he take he took a look at these

819

00:35:59,270 --> 00:35:57,280

pictures he saw that i mean here was the

820

00:36:01,510 --> 00:35:59,280

helicopter and here

821

00:36:04,550 --> 00:36:01,520

there was a white globe

822

00:36:07,510 --> 00:36:04,560

not that far i mean maybe

823

00:36:09,349 --> 00:36:07,520

one kilometers one kilometer not more

824

00:36:12,630 --> 00:36:09,359

there was this white

825

00:36:15,030 --> 00:36:12,640

white uh how can i say globe

826

00:36:17,670 --> 00:36:15,040

well it was not a global was i mean the

827

00:36:20,069 --> 00:36:17,680

definition of the image was not so not

828

00:36:22,390 --> 00:36:20,079

so elevated so it was not the

829

00:36:24,150 --> 00:36:22,400

not easy to to to

830

00:36:25,510 --> 00:36:24,160

discern anything

831

00:36:27,670 --> 00:36:25,520

just just as this

832

00:36:28,950 --> 00:36:27,680

white but definitely white spot i mean

833

00:36:34,630 --> 00:36:28,960

it was

834

00:36:35,829 --> 00:36:34,640

so what to say uh it's not clear how um

835

00:36:40,230 --> 00:36:35,839

a blow

836

00:36:42,390 --> 00:36:40,240

like this uh capable of doing uh this

837

00:36:43,190 --> 00:36:42,400

kind of uh of hole

838

00:36:47,670 --> 00:36:43,200

in

839

00:36:51,829 --> 00:36:49,109

there were no

840

00:36:53,109 --> 00:36:51,839

no shots i mean no no round of

841

00:36:56,310 --> 00:36:53,119

ammunitions

842

00:36:57,349 --> 00:36:56,320

that were that were uh

843

00:36:58,710 --> 00:36:57,359

shot

844

00:37:01,510 --> 00:36:58,720

uh

845

00:37:02,550 --> 00:37:01,520

there was no nothing and it was also the

846

00:37:05,510 --> 00:37:02,560

way

847

00:37:07,829 --> 00:37:05,520

that i mean it was not the perforation

848

00:37:08,790 --> 00:37:07,839

so to speak it was not a perforation

849

00:37:09,750 --> 00:37:08,800

hole

850

00:37:13,510 --> 00:37:09,760

was

851
00:37:14,310 --> 00:37:13,520
more of uh you know like when there is

852
00:37:16,550 --> 00:37:14,320
the

853
00:37:18,870 --> 00:37:16,560
when happened is uh

854
00:37:20,630 --> 00:37:18,880
vapor explosion

855
00:37:24,950 --> 00:37:20,640
like when

856
00:37:28,390 --> 00:37:24,960
when a truck um when a tree is struck by

857
00:37:32,150 --> 00:37:28,400
a lightning the the the the water

858
00:37:35,109 --> 00:37:32,160
explodes uh so and it was something

859
00:37:37,510 --> 00:37:35,119
which appeared like that appeared i

860
00:37:40,230 --> 00:37:37,520
cannot say that it was i mean it

861
00:37:42,710 --> 00:37:40,240
appeared like an explosion of vapor so

862
00:37:45,750 --> 00:37:42,720
to speak of course

863
00:37:47,349 --> 00:37:45,760

you you could very well say that a tree

864

00:37:50,230 --> 00:37:47,359

is one thing

865

00:37:51,589 --> 00:37:50,240

and a rotter blade is another and does

866

00:37:54,550 --> 00:37:51,599

not have any

867

00:37:56,630 --> 00:37:54,560

any water inside so how is it

868

00:37:59,030 --> 00:37:56,640

difficult to say in any case what

869

00:38:02,790 --> 00:37:59,040

happened uh there was um

870

00:38:08,950 --> 00:38:03,829

study

871

00:38:11,829 --> 00:38:08,960

assembled for to to try to understand

872

00:38:14,310 --> 00:38:11,839

something on these on this phenomena

873

00:38:18,150 --> 00:38:14,320

that that happened

874

00:38:19,589 --> 00:38:18,160

they did extensive studies i mean not

875

00:38:21,510 --> 00:38:19,599

just uh

876
00:38:22,550 --> 00:38:21,520
in different locations by different

877
00:38:23,990 --> 00:38:22,560
teams

878
00:38:25,510 --> 00:38:24,000
and so on so

879
00:38:27,030 --> 00:38:25,520
what they

880
00:38:28,950 --> 00:38:27,040
are certain

881
00:38:31,510 --> 00:38:28,960
was not that much but was very

882
00:38:34,870 --> 00:38:31,520
interesting because ah by the way

883
00:38:38,390 --> 00:38:34,880
the the final conclusions of these of

884
00:38:40,390 --> 00:38:38,400
these studies was never made public by

885
00:38:42,230 --> 00:38:40,400
the way i don't know why but it was

886
00:38:43,990 --> 00:38:42,240
never made public in any case it was

887
00:38:45,510 --> 00:38:44,000
known

888
00:38:48,870 --> 00:38:45,520

that uh

889

00:38:52,630 --> 00:38:48,880

they are certain that these fires were

890

00:38:56,950 --> 00:38:52,640

very lack very likely pro provoked by

891

00:38:59,990 --> 00:38:56,960

the emission of very high energy

892

00:39:03,270 --> 00:39:00,000

very high energy microwave

893

00:39:05,990 --> 00:39:03,280

radiation at very high frequencies so it

894

00:39:09,109 --> 00:39:06,000

was it's it's like the principle of the

895

00:39:12,310 --> 00:39:09,119

radar short pulses emitted

896

00:39:15,990 --> 00:39:12,320

and these pulses were very short but

897

00:39:19,750 --> 00:39:16,000

very very high of very high power

898

00:39:22,630 --> 00:39:19,760

and at frequencies very very high many

899

00:39:26,710 --> 00:39:22,640

many gigahertz so to speak

900

00:39:29,829 --> 00:39:26,720

and what and they had been able to

901
00:39:32,470 --> 00:39:29,839
triangulate to identify the source

902
00:39:33,990 --> 00:39:32,480
of emission of these of this radiation

903
00:39:36,630 --> 00:39:34,000
radiated power

904
00:39:40,829 --> 00:39:36,640
and they found it was

905
00:39:44,390 --> 00:39:40,839
around 60 or 70 kilometers north of the

906
00:39:47,270 --> 00:39:44,400
area and that's fine but 70 kilometers

907
00:39:49,109 --> 00:39:47,280
from the area that just see

908
00:39:51,430 --> 00:39:49,119
yeah so

909
00:39:53,990 --> 00:39:51,440
what to say what to say

910
00:39:57,349 --> 00:39:54,000
according to a gentleman who

911
00:40:00,630 --> 00:39:57,359
participated into this meeting which was

912
00:40:03,589 --> 00:40:00,640
a show which was broadcast in the

913
00:40:05,589 --> 00:40:03,599

in the uni unidentified

914

00:40:08,710 --> 00:40:05,599

right it was unidentified yes that's

915

00:40:11,270 --> 00:40:08,720

correct yeah okay okay so according to

916

00:40:14,069 --> 00:40:11,280

one of the gentlemen who was

917

00:40:17,510 --> 00:40:14,079

who was involved in the studies

918

00:40:19,670 --> 00:40:17,520

apparently they found that

919

00:40:22,550 --> 00:40:19,680

it was a sort of

920

00:40:24,710 --> 00:40:22,560

controlled emission i mean it was not of

921

00:40:27,270 --> 00:40:24,720

course it was not natural

922

00:40:30,950 --> 00:40:27,280

it was a controlled emission

923

00:40:33,349 --> 00:40:30,960

and they say that they had been able to

924

00:40:34,470 --> 00:40:33,359

somehow

925

00:40:38,309 --> 00:40:34,480

uh

926
00:40:41,270 --> 00:40:38,319
understand how it worked but um

927
00:40:43,829 --> 00:40:41,280
that was not i mean uh the the real

928
00:40:46,550 --> 00:40:43,839
cause was still remains

929
00:40:50,550 --> 00:40:46,560
a mystery in any case in any case

930
00:40:52,390 --> 00:40:50,560
uh for sure there were many ufo

931
00:40:53,670 --> 00:40:52,400
sightings in the area

932
00:40:56,630 --> 00:40:53,680
also

933
00:41:00,150 --> 00:40:56,640
not only these events of

934
00:41:01,190 --> 00:41:00,160
strange and sudden fires but also there

935
00:41:02,150 --> 00:41:01,200
were

936
00:41:04,630 --> 00:41:02,160
for

937
00:41:08,309 --> 00:41:04,640
quite a long time

938
00:41:10,309 --> 00:41:08,319

mysterious events which we could call

939

00:41:13,030 --> 00:41:10,319

we would term them

940

00:41:15,030 --> 00:41:13,040

ufo sightings more or less

941

00:41:17,030 --> 00:41:15,040

it was a very interesting conversation

942

00:41:19,349 --> 00:41:17,040

that it was had on unidentified and i

943

00:41:20,710 --> 00:41:19,359

believe the the same colleagues who had

944

00:41:23,829 --> 00:41:20,720

that discussion

945

00:41:25,750 --> 00:41:23,839

they mentioned that the the objects were

946

00:41:28,710 --> 00:41:25,760

in a stealth mode i believe was the

947

00:41:32,470 --> 00:41:28,720

language and that they had to come out

948

00:41:35,190 --> 00:41:32,480

of any stealth mode to to fire or use

949

00:41:37,670 --> 00:41:35,200

any potential weaponry

950

00:41:39,910 --> 00:41:37,680

how was that assertion made how did they

951
00:41:41,349 --> 00:41:39,920
reach that conclusion are you aware

952
00:41:45,349 --> 00:41:41,359
no no no

953
00:41:47,510 --> 00:41:45,359
no this is why i didn't i do not want to

954
00:41:48,630 --> 00:41:47,520
to expand too much because i really do

955
00:41:51,589 --> 00:41:48,640
not know

956
00:41:53,270 --> 00:41:51,599
so i i prefer i mean when

957
00:41:55,910 --> 00:41:53,280
when there's something i do not know i

958
00:41:59,109 --> 00:41:55,920
prefer not to say anything

959
00:42:02,069 --> 00:41:59,119
unless i have a possible explanation

960
00:42:03,349 --> 00:42:02,079
for myself in this case in this case i

961
00:42:06,230 --> 00:42:03,359
really

962
00:42:08,390 --> 00:42:06,240
don't know don't know anything more

963
00:42:09,910 --> 00:42:08,400

no that's fine what i would ask paulo

964

00:42:11,829 --> 00:42:09,920

one more thing on that

965

00:42:14,790 --> 00:42:11,839

and speaking to your colleagues while we

966

00:42:16,550 --> 00:42:14,800

never found out the public report wasn't

967

00:42:18,230 --> 00:42:16,560

released in terms of the classified

968

00:42:20,390 --> 00:42:18,240

information

969

00:42:23,990 --> 00:42:20,400

were was there a leaning that this was

970

00:42:25,990 --> 00:42:24,000

potentially extraterrestrial in origin

971

00:42:28,710 --> 00:42:26,000

or were they leaning towards a more

972

00:42:29,510 --> 00:42:28,720

man-made explanation potentially

973

00:42:34,470 --> 00:42:29,520

well

974

00:42:36,790 --> 00:42:34,480

it was sad it was said uh i i tend to

975

00:42:39,190 --> 00:42:36,800

stress it was sad because i really did

976
00:42:39,910 --> 00:42:39,200
not have the possibility to

977
00:42:46,390 --> 00:42:39,920
to

978
00:42:49,990 --> 00:42:46,400
it was said that a possible e.t

979
00:42:53,109 --> 00:42:50,000
origin of this phenomenon could not be

980
00:42:55,990 --> 00:42:53,119
completely ruled out

981
00:42:57,109 --> 00:42:56,000
so this is what it was said and please

982
00:43:00,150 --> 00:42:57,119
take it

983
00:43:03,829 --> 00:43:00,160
for at face value because i do not know

984
00:43:05,750 --> 00:43:03,839
if this is true but this is what i heard

985
00:43:08,870 --> 00:43:05,760
in in

986
00:43:12,710 --> 00:43:08,880
some not in not just one occasion but in

987
00:43:16,150 --> 00:43:12,720
some occasion i i heard this story so

988
00:43:18,710 --> 00:43:16,160

i i refer this but again this is

989

00:43:20,950 --> 00:43:18,720

something that i cannot confirm myself

990

00:43:22,550 --> 00:43:20,960

no of course and you work within

991

00:43:25,750 --> 00:43:22,560

government yourself

992

00:43:28,069 --> 00:43:25,760

uh what sort of conversations can or do

993

00:43:31,589 --> 00:43:28,079

you have about the subject with your

994

00:43:32,630 --> 00:43:31,599

colleagues do they entertain the notion

995

00:43:35,030 --> 00:43:32,640

well

996

00:43:36,710 --> 00:43:35,040

you see i i work for the italian

997

00:43:40,630 --> 00:43:36,720

ministry of foreign affairs which

998

00:43:42,710 --> 00:43:40,640

typically only deals with uh with the

999

00:43:44,870 --> 00:43:42,720

terrestrial powers

1000

00:43:46,069 --> 00:43:44,880

okay

1001
00:43:49,190 --> 00:43:46,079
yes um

1002
00:43:51,670 --> 00:43:49,200
i'm joking but i mean uh i'm

1003
00:43:54,069 --> 00:43:51,680
half percent joking half percent serious

1004
00:43:57,990 --> 00:43:54,079
in the sense that of course this is i

1005
00:44:01,109 --> 00:43:58,000
mean my my interest for the ufo slash et

1006
00:44:04,390 --> 00:44:01,119
subject has nothing to do with my work

1007
00:44:07,349 --> 00:44:04,400
um yes with my colleague i mean they

1008
00:44:10,950 --> 00:44:07,359
know they know my interest and sometimes

1009
00:44:13,910 --> 00:44:10,960
they they like to to hear or to to what

1010
00:44:14,870 --> 00:44:13,920
i have to to tell them and

1011
00:44:15,910 --> 00:44:14,880
but i

1012
00:44:18,390 --> 00:44:15,920
again

1013
00:44:19,430 --> 00:44:18,400

as i said before concerning the italian

1014

00:44:20,870 --> 00:44:19,440

media

1015

00:44:23,829 --> 00:44:20,880

uh i

1016

00:44:26,069 --> 00:44:23,839

also from their reaction i can see that

1017

00:44:27,829 --> 00:44:26,079

the subject the subject the whole

1018

00:44:30,390 --> 00:44:27,839

subject is being

1019

00:44:32,470 --> 00:44:30,400

taken and considered more and more

1020

00:44:35,030 --> 00:44:32,480

seriously in italy

1021

00:44:37,190 --> 00:44:35,040

and that's wonderful to hear paulo how

1022

00:44:40,710 --> 00:44:37,200

did you now come to be involved with

1023

00:44:42,870 --> 00:44:40,720

icer as an organization

1024

00:44:46,069 --> 00:44:42,880

well uh

1025

00:44:48,630 --> 00:44:46,079

first of all i started my involvement uh

1026
00:44:50,309 --> 00:44:48,640
within the ufo

1027
00:44:52,550 --> 00:44:50,319
ufological

1028
00:44:54,069 --> 00:44:52,560
activities with the chain trophological

1029
00:44:59,550 --> 00:44:54,079
nationale

1030
00:45:01,430 --> 00:44:59,560
am a member since

1031
00:45:04,470 --> 00:45:01,440
2008

1032
00:45:06,950 --> 00:45:04,480
and i am the responsible for the foreign

1033
00:45:10,390 --> 00:45:06,960
contacts of course

1034
00:45:13,829 --> 00:45:10,400
of the in in the chain trophological and

1035
00:45:16,630 --> 00:45:13,839
i was um i can say i was not

1036
00:45:21,510 --> 00:45:20,069
by roberto pinotti who is now the

1037
00:45:22,790 --> 00:45:21,520
president

1038
00:45:28,870 --> 00:45:22,800

of the

1039

00:45:32,069 --> 00:45:28,880

also of icer i was nominated by him

1040

00:45:33,990 --> 00:45:32,079

and to be the

1041

00:45:36,470 --> 00:45:34,000

the italian representative i was

1042

00:45:37,829 --> 00:45:36,480

accepted by the others and

1043

00:45:40,309 --> 00:45:37,839

and that was

1044

00:45:43,349 --> 00:45:40,319

in the beginning in fact i am one of the

1045

00:45:44,829 --> 00:45:43,359

one of the founders my my now my numbers

1046

00:45:47,589 --> 00:45:44,839

is

1047

00:45:50,870 --> 00:45:47,599

seven and uh

1048

00:45:53,030 --> 00:45:50,880

and i said my can i add the two two

1049

00:45:55,670 --> 00:45:53,040

zeros

1050

00:45:56,950 --> 00:45:55,680

they said no no you are seven

1051
00:45:59,910 --> 00:45:56,960
anyway

1052
00:46:03,109 --> 00:45:59,920
so this is uh how i became

1053
00:46:05,510 --> 00:46:03,119
involved with with icer

1054
00:46:08,230 --> 00:46:05,520
now why is it important to have an

1055
00:46:10,630 --> 00:46:08,240
organization like icer on the world

1056
00:46:12,790 --> 00:46:10,640
stage

1057
00:46:14,790 --> 00:46:12,800
it is important because

1058
00:46:17,510 --> 00:46:14,800
you know first of all

1059
00:46:20,150 --> 00:46:17,520
the private research on the ufo

1060
00:46:22,950 --> 00:46:20,160
phenomenon has always

1061
00:46:24,230 --> 00:46:22,960
has never seen an international

1062
00:46:26,829 --> 00:46:24,240
organization

1063
00:46:28,950 --> 00:46:26,839

so there were many

1064

00:46:32,870 --> 00:46:28,960

organizations in

1065

00:46:36,069 --> 00:46:32,880

in italy in the uk in the us in france

1066

00:46:37,750 --> 00:46:36,079

in spain you name it

1067

00:46:38,950 --> 00:46:37,760

but but

1068

00:46:44,790 --> 00:46:38,960

there was

1069

00:46:48,790 --> 00:46:44,800

truly international organization with to

1070

00:46:50,630 --> 00:46:48,800

study to privately privately study the

1071

00:46:52,390 --> 00:46:50,640

ufo phenomenon

1072

00:46:55,109 --> 00:46:52,400

so i think this is

1073

00:46:57,109 --> 00:46:55,119

important because

1074

00:47:00,710 --> 00:46:57,119

because we know the

1075

00:47:01,910 --> 00:47:00,720

the ufo or uap subject as a phenomenon

1076
00:47:03,670 --> 00:47:01,920
as you prefer

1077
00:47:06,150 --> 00:47:03,680
is indeed a

1078
00:47:07,349 --> 00:47:06,160
truly worldwide uh

1079
00:47:08,150 --> 00:47:07,359
phenomenon

1080
00:47:10,790 --> 00:47:08,160
so

1081
00:47:12,309 --> 00:47:10,800
why not why not an international

1082
00:47:14,630 --> 00:47:12,319
organization

1083
00:47:17,990 --> 00:47:14,640
rooted

1084
00:47:21,670 --> 00:47:18,000
in many countries of of this planet to

1085
00:47:22,950 --> 00:47:21,680
study i and also also it is the time in

1086
00:47:24,950 --> 00:47:22,960
my opinion

1087
00:47:26,630 --> 00:47:24,960
to uh

1088
00:47:29,109 --> 00:47:26,640

have the

1089

00:47:31,829 --> 00:47:29,119

research on the ufo subject on the ufo

1090

00:47:35,990 --> 00:47:31,839

phenomenon

1091

00:47:39,109 --> 00:47:36,000

in private hands because until now and

1092

00:47:42,470 --> 00:47:39,119

of course this is still going on

1093

00:47:45,829 --> 00:47:42,480

the research and all the informations on

1094

00:47:49,270 --> 00:47:45,839

the ufo phenomenon or uap if you prefer

1095

00:47:50,870 --> 00:47:49,280

are monopoly of the military slash of

1096

00:47:54,630 --> 00:47:50,880

the intelligence

1097

00:47:56,870 --> 00:47:54,640

and so as long as we go on this way we

1098

00:48:00,390 --> 00:47:56,880

will never arrive

1099

00:48:03,750 --> 00:48:00,400

anywhere because each one will

1100

00:48:07,270 --> 00:48:03,760

of course continue to study privately on

1101

00:48:10,390 --> 00:48:07,280

its own without sharing anything keeping

1102

00:48:14,390 --> 00:48:10,400

everything under heavy heavy secrecy and

1103

00:48:15,910 --> 00:48:14,400

so on so this is why there is a real a a

1104

00:48:19,910 --> 00:48:15,920

real need

1105

00:48:22,069 --> 00:48:19,920

for a change of i can say say

1106

00:48:24,630 --> 00:48:22,079

change of gear in this

1107

00:48:28,309 --> 00:48:24,640

in the research in the private research

1108

00:48:31,270 --> 00:48:28,319

of on the ufo phenomenon and icer wants

1109

00:48:33,670 --> 00:48:31,280

to be exactly this

1110

00:48:36,069 --> 00:48:33,680

i'm sure for many years you and your

1111

00:48:38,710 --> 00:48:36,079

colleagues icer have had an eye on the

1112

00:48:41,109 --> 00:48:38,720

united states and the happenings over

1113

00:48:43,990 --> 00:48:41,119

there starting with to the stars academy

1114

00:48:46,069 --> 00:48:44,000

of arts and science in 2017 and now

1115

00:48:48,549 --> 00:48:46,079

further efforts by luis elizondo

1116

00:48:50,630 --> 00:48:48,559

christopher merlin and others to bring

1117

00:48:53,510 --> 00:48:50,640

the conversation to the public

1118

00:48:55,910 --> 00:48:53,520

what have you learned from from their

1119

00:48:57,990 --> 00:48:55,920

attempts to move this conversation

1120

00:49:00,470 --> 00:48:58,000

forward

1121

00:49:05,910 --> 00:49:03,430

the first thing i can say is that they

1122

00:49:07,510 --> 00:49:05,920

are really sincere in my opinion i had

1123

00:49:11,750 --> 00:49:07,520

the possibility

1124

00:49:13,430 --> 00:49:11,760

to interact with lou alizondo quite uh

1125

00:49:15,270 --> 00:49:13,440

extensively

1126

00:49:18,309 --> 00:49:15,280

during the last

1127

00:49:21,670 --> 00:49:18,319

san marino congress

1128

00:49:23,910 --> 00:49:21,680

and i can tell he's really a honest

1129

00:49:26,150 --> 00:49:23,920

person sincere guy

1130

00:49:30,630 --> 00:49:26,160

sincerely

1131

00:49:32,710 --> 00:49:30,640

doing what he can for the cause so so to

1132

00:49:35,270 --> 00:49:32,720

speak and and this

1133

00:49:37,829 --> 00:49:35,280

term the cause is the one that he

1134

00:49:41,030 --> 00:49:37,839

himself use frequently

1135

00:49:41,750 --> 00:49:41,040

and uh i can say that

1136

00:49:49,430 --> 00:49:41,760

in

1137

00:49:53,589 --> 00:49:49,440

uh

1138

00:49:56,150 --> 00:49:53,599

is due to the action of president trump

1139

00:49:59,670 --> 00:49:56,160

not because he was

1140

00:50:02,950 --> 00:49:59,680

interested in the subject and wanted

1141

00:50:04,150 --> 00:50:02,960

uh disclosure to happen no no

1142

00:50:09,430 --> 00:50:04,160

not at all

1143

00:50:12,790 --> 00:50:09,440

but what he did is that he removed

1144

00:50:13,990 --> 00:50:12,800

a lot of top officers uh

1145

00:50:15,510 --> 00:50:14,000

in the army

1146

00:50:17,750 --> 00:50:15,520

and in the military

1147

00:50:19,829 --> 00:50:17,760

and in the intelligence

1148

00:50:21,270 --> 00:50:19,839

so if this is true

1149

00:50:23,510 --> 00:50:21,280

that in

1150

00:50:26,549 --> 00:50:23,520

in the military slash intelligence

1151
00:50:27,910 --> 00:50:26,559
complex there have always been two

1152
00:50:31,910 --> 00:50:27,920
factions

1153
00:50:33,270 --> 00:50:31,920
one pro disclosure and the other against

1154
00:50:34,790 --> 00:50:33,280
disclosure

1155
00:50:35,829 --> 00:50:34,800
while the

1156
00:50:41,910 --> 00:50:35,839
the

1157
00:50:42,630 --> 00:50:41,920
against disclosure has always been

1158
00:50:45,430 --> 00:50:42,640
uh

1159
00:50:49,510 --> 00:50:45,440
the majority the vast majority

1160
00:50:52,950 --> 00:50:49,520
so that no disclosure could ever happen

1161
00:50:55,190 --> 00:50:52,960
so if this was true then what president

1162
00:50:55,990 --> 00:50:55,200
trump has done

1163
00:50:59,030 --> 00:50:56,000

has

1164

00:51:00,390 --> 00:50:59,040

actually all sprung the door open

1165

00:51:02,950 --> 00:51:00,400

for the

1166

00:51:06,390 --> 00:51:02,960

until now minority

1167

00:51:09,589 --> 00:51:06,400

which was in favor of disclosure so that

1168

00:51:12,710 --> 00:51:09,599

finally they could start acting

1169

00:51:13,670 --> 00:51:12,720

so in my opinion nowadays we have the

1170

00:51:15,190 --> 00:51:13,680

duo

1171

00:51:18,790 --> 00:51:15,200

of um

1172

00:51:22,309 --> 00:51:18,800

duo elizondo with chris mellon who are

1173

00:51:26,950 --> 00:51:22,319

the two front men of this while we have

1174

00:51:30,309 --> 00:51:26,960

a number of uh high level officer or top

1175

00:51:33,910 --> 00:51:30,319

level officer officers maybe

1176

00:51:34,829 --> 00:51:33,920

we are in service uh in in the military

1177

00:51:37,270 --> 00:51:34,839

slash

1178

00:51:42,150 --> 00:51:37,280

intelligence community

1179

00:51:43,910 --> 00:51:42,160

who are those who uh how can i say

1180

00:51:44,710 --> 00:51:43,920

may make

1181

00:51:47,990 --> 00:51:44,720

the

1182

00:51:51,349 --> 00:51:48,000

this process of disclosure possible and

1183

00:51:54,710 --> 00:51:51,359

i say process because now it's almost

1184

00:51:56,470 --> 00:51:54,720

three years that it's been going on and

1185

00:52:00,549 --> 00:51:56,480

we can see

1186

00:52:03,109 --> 00:52:00,559

that there i mean uh judging by

1187

00:52:06,270 --> 00:52:03,119

how things developed

1188

00:52:09,589 --> 00:52:06,280

in starting from december 9

1189

00:52:11,730 --> 00:52:09,599

2017 we can see and we can understand

1190

00:52:13,670 --> 00:52:11,740

that there is indeed um

1191

00:52:16,230 --> 00:52:13,680

[Music]

1192

00:52:18,470 --> 00:52:16,240

how can i say there is indeed a plan

1193

00:52:19,589 --> 00:52:18,480

for this and it's not something that is

1194

00:52:21,589 --> 00:52:19,599

happening

1195

00:52:22,630 --> 00:52:21,599

just by chance no no

1196

00:52:31,030 --> 00:52:22,640

i

1197

00:52:33,430 --> 00:52:31,040

but

1198

00:52:36,870 --> 00:52:33,440

how the way go

1199

00:52:40,069 --> 00:52:36,880

that i mean there is a plan for for

1200

00:52:43,270 --> 00:52:40,079

disclosure and they are for a gradual of

1201
00:52:44,790 --> 00:52:43,280
course process of disclosure and they

1202
00:52:47,670 --> 00:52:44,800
are acting

1203
00:52:51,589 --> 00:52:47,680
according to to to this plan

1204
00:52:54,390 --> 00:52:51,599
so uh very likely i suppose that in in

1205
00:52:56,309 --> 00:52:54,400
in in a few months we will see something

1206
00:52:58,870 --> 00:52:56,319
more and i dare

1207
00:53:07,030 --> 00:53:02,950
foresee that maybe the next um

1208
00:53:09,430 --> 00:53:07,040
important uh event on this on this plan

1209
00:53:11,030 --> 00:53:09,440
could be on the development of this plan

1210
00:53:14,470 --> 00:53:11,040
could be

1211
00:53:17,510 --> 00:53:14,480
the fact that um

1212
00:53:19,750 --> 00:53:17,520
how can i say that the us government

1213
00:53:22,630 --> 00:53:19,760

uh takes into consideration the

1214

00:53:27,510 --> 00:53:22,640

possibility that these devices are

1215

00:53:29,510 --> 00:53:27,520

actually et et dive et made devices

1216

00:53:33,109 --> 00:53:29,520

or that the uh

1217

00:53:35,829 --> 00:53:33,119

extraterrestrial hypothesis the eth is

1218

00:53:38,549 --> 00:53:35,839

actually being considered by the us

1219

00:53:42,150 --> 00:53:38,559

government so i think this could be i

1220

00:53:45,349 --> 00:53:42,160

mean this is my

1221

00:53:46,790 --> 00:53:45,359

uh can i say a forecast

1222

00:54:05,750 --> 00:53:46,800

i

1223

00:54:07,670 --> 00:54:05,760

they are not

1224

00:54:11,109 --> 00:54:07,680

they are

1225

00:54:13,990 --> 00:54:11,119

enacted following a specific plan

1226

00:54:16,549 --> 00:54:14,000

sure they are by design i think is yes

1227

00:54:18,790 --> 00:54:16,559

it's definitely looking likely now on

1228

00:54:21,030 --> 00:54:18,800

october 8th icer released a press

1229

00:54:24,309 --> 00:54:21,040

release to confirm that on the 13th of

1230

00:54:26,230 --> 00:54:24,319

september a small delegation uh with

1231

00:54:29,349 --> 00:54:26,240

members of the cun

1232

00:54:32,630 --> 00:54:29,359

and uh basically presented documentation

1233

00:54:34,870 --> 00:54:32,640

to uh a member of the san marino

1234

00:54:37,270 --> 00:54:34,880

minister of culture for san marino sorry

1235

00:54:40,549 --> 00:54:37,280

andrea bellucci uh documentation

1236

00:54:43,190 --> 00:54:40,559

pertaining to project titan now

1237

00:54:46,390 --> 00:54:43,200

you are looking essentially to use the

1238

00:54:49,670 --> 00:54:46,400

the country of san marino to take the

1239

00:54:51,349 --> 00:54:49,680

this notion of ufos to the u.n which

1240

00:54:52,950 --> 00:54:51,359

should be a lofty change for the

1241

00:54:55,670 --> 00:54:52,960

conversation

1242

00:54:56,870 --> 00:54:55,680

why san marino why san marino as the

1243

00:54:58,390 --> 00:54:56,880

vessel

1244

00:55:00,470 --> 00:54:58,400

yes

1245

00:55:03,430 --> 00:55:00,480

there's a very

1246

00:55:06,150 --> 00:55:03,440

very specific reason for for this so now

1247

00:55:09,510 --> 00:55:06,160

uh i would like to to to make clear now

1248

00:55:11,349 --> 00:55:09,520

let's stop talking of the us and now

1249

00:55:12,390 --> 00:55:11,359

let's start

1250

00:55:15,030 --> 00:55:12,400

uh

1251
00:55:17,829 --> 00:55:15,040
talking about this initiative which is

1252
00:55:20,710 --> 00:55:17,839
being called the project titan not to be

1253
00:55:24,069 --> 00:55:20,720
confused with the project titan of apple

1254
00:55:25,990 --> 00:55:24,079
which is a project meant to prepare to

1255
00:55:27,910 --> 00:55:26,000
create if i'm

1256
00:55:31,109 --> 00:55:27,920
if i remember well an

1257
00:55:33,030 --> 00:55:31,119
autonomous drive vehicle so

1258
00:55:37,510 --> 00:55:33,040
that's another matter

1259
00:55:39,109 --> 00:55:37,520
so this project titan or projecto titano

1260
00:55:42,470 --> 00:55:39,119
in italian

1261
00:55:46,950 --> 00:55:42,480
is uh formulated jointly by the chain

1262
00:55:50,309 --> 00:55:46,960
trophological nationale and the icer

1263
00:55:51,190 --> 00:55:50,319

uh to invite san marino

1264

00:56:03,990 --> 00:55:51,200

to

1265

00:56:07,030 --> 00:56:04,000

uh project for the establishment within

1266

00:56:10,309 --> 00:56:07,040

the u.n structure of an office i mean

1267

00:56:11,270 --> 00:56:10,319

something small i mean not not and

1268

00:56:12,549 --> 00:56:11,280

anything

1269

00:56:15,190 --> 00:56:12,559

nothing big

1270

00:56:17,349 --> 00:56:15,200

of an office who tasked with the

1271

00:56:19,030 --> 00:56:17,359

organization of a periodic

1272

00:56:22,069 --> 00:56:19,040

world conference

1273

00:56:24,150 --> 00:56:22,079

under the aegis of the united nations on

1274

00:56:27,349 --> 00:56:24,160

the state of the studies on the ufo

1275

00:56:28,630 --> 00:56:27,359

phenomenon to be held in the republic of

1276
00:56:35,030 --> 00:56:28,640
san marino

1277
00:56:39,270 --> 00:56:36,710
i mean this is basically what the

1278
00:56:42,230 --> 00:56:39,280
project titan is for

1279
00:56:44,630 --> 00:56:42,240
and so of course why san marino there

1280
00:56:46,069 --> 00:56:44,640
are some good reasons for this san

1281
00:56:47,829 --> 00:56:46,079
marino

1282
00:56:50,470 --> 00:56:47,839
first of all is

1283
00:56:52,450 --> 00:56:50,480
not at all

1284
00:56:54,150 --> 00:56:52,460
i mean san marino is

1285
00:56:56,230 --> 00:56:54,160
[Music]

1286
00:56:57,349 --> 00:56:56,240
he's been

1287
00:57:00,710 --> 00:56:57,359
wait

1288
00:57:02,630 --> 00:57:00,720

i must find find the proper

1289

00:57:05,670 --> 00:57:02,640

english words i'm i'm sorry but you know

1290

00:57:07,349 --> 00:57:05,680

it's not my mother tongue so

1291

00:57:11,829 --> 00:57:07,359

i have to i mean

1292

00:57:13,589 --> 00:57:11,839

san marino is not stranger to the ufo or

1293

00:57:19,109 --> 00:57:13,599

euap phenomenon

1294

00:57:24,829 --> 00:57:22,069

editions of the congress

1295

00:57:28,789 --> 00:57:24,839

of the sorry of the world symposium on

1296

00:57:31,109 --> 00:57:28,799

ufos and related phenomena

1297

00:57:34,630 --> 00:57:31,119

so it's not i mean

1298

00:57:37,510 --> 00:57:34,640

it's 30 edition which is not

1299

00:57:38,950 --> 00:57:37,520

a it's quite considerable number

1300

00:57:41,349 --> 00:57:38,960

san marino

1301

00:57:45,750 --> 00:57:41,359

has been the first

1302

00:57:49,670 --> 00:57:45,760

state in europe to devote a stamp

1303

00:57:54,150 --> 00:57:49,680

to issue a stamp on the ufo subject

1304

00:57:55,589 --> 00:57:54,160

and in and nowadays they have devoted

1305

00:57:58,150 --> 00:57:55,599

two stems

1306

00:58:01,750 --> 00:57:58,160

to the ufo phenomenon

1307

00:58:05,670 --> 00:58:01,760

san marino is a neutral state

1308

00:58:06,630 --> 00:58:05,680

and they are proud of their neutrality

1309

00:58:10,150 --> 00:58:06,640

uh

1310

00:58:13,270 --> 00:58:10,160

knowing that the neutrality makes the

1311

00:58:17,670 --> 00:58:13,280

small republic an ideal place

1312

00:58:19,990 --> 00:58:17,680

for meeting for dialogue so what better

1313

00:58:22,950 --> 00:58:20,000

uh of this i mean san marino

1314

00:58:25,510 --> 00:58:22,960

would could really become the geneva for

1315

00:58:28,630 --> 00:58:25,520

the ufos actually

1316

00:58:31,589 --> 00:58:28,640

and i'm confident in

1317

00:58:32,789 --> 00:58:31,599

i'm confident that the government of san

1318

00:58:34,069 --> 00:58:32,799

marino

1319

00:58:37,430 --> 00:58:34,079

will

1320

00:58:38,549 --> 00:58:37,440

appreciate the importance of this

1321

00:58:41,430 --> 00:58:38,559

because

1322

00:58:43,829 --> 00:58:41,440

uh this of course the this is going i

1323

00:58:45,190 --> 00:58:43,839

mean it's going something

1324

00:58:47,990 --> 00:58:45,200

which

1325

00:58:52,069 --> 00:58:48,000

if it if they approve it of course they

1326

00:58:53,750 --> 00:58:52,079

will have to do quite an effort for to

1327

00:58:56,870 --> 00:58:53,760

organize this but i mean this is

1328

00:58:59,430 --> 00:58:56,880

something that from from this they could

1329

00:59:02,549 --> 00:58:59,440

benefit greatly benefit

1330

00:59:05,349 --> 00:59:02,559

in terms of spreading the knowledge of

1331

00:59:08,309 --> 00:59:05,359

the of the small republic in the world

1332

00:59:10,710 --> 00:59:08,319

in terms of tourism in terms of

1333

00:59:13,349 --> 00:59:10,720

international stand of the republic i

1334

00:59:14,390 --> 00:59:13,359

mean because of course they could do i

1335

00:59:17,270 --> 00:59:14,400

mean

1336

00:59:18,549 --> 00:59:17,280

with this initiative they would do an

1337

00:59:20,630 --> 00:59:18,559

action which

1338

00:59:22,390 --> 00:59:20,640

which has a great merit

1339

00:59:23,589 --> 00:59:22,400

for the whole

1340

00:59:27,510 --> 00:59:23,599

for the

1341

00:59:28,230 --> 00:59:27,520

not exaggerated to

1342

00:59:33,349 --> 00:59:28,240

to

1343

00:59:35,990 --> 00:59:33,359

and this is why san marino was chosen

1344

00:59:37,750 --> 00:59:36,000

was also chosen because of course uh we

1345

00:59:40,150 --> 00:59:37,760

have contact with the with the

1346

00:59:42,710 --> 00:59:40,160

government uh the chain trophological

1347

00:59:44,470 --> 00:59:42,720

nationality of course has

1348

00:59:47,270 --> 00:59:44,480

uh contacts

1349

00:59:50,870 --> 00:59:47,280

with with the san marino government so i

1350

00:59:53,829 --> 00:59:50,880

mean but the the most important thing is

1351
00:59:56,390 --> 00:59:53,839
that i mean san marino is no stranger to

1352
00:59:58,630 --> 00:59:56,400
the ufo not at all so

1353
01:00:01,349 --> 00:59:58,640
this is and and

1354
01:00:04,710 --> 01:00:01,359
and also as i said before he is very

1355
01:00:06,309 --> 01:00:04,720
proud of its uh independency and

1356
01:00:07,990 --> 01:00:06,319
neutrality

1357
01:00:11,430 --> 01:00:08,000
so

1358
01:00:13,510 --> 01:00:11,440
i don't see a better place for this kind

1359
01:00:16,549 --> 01:00:13,520
of event for a world

1360
01:00:20,309 --> 01:00:16,559
world uh conference on

1361
01:00:24,950 --> 01:00:20,319
the the studies on the ufo phenomenon

1362
01:00:27,430 --> 01:00:24,960
on to be held in san marino to have

1363
01:00:30,309 --> 01:00:27,440

everyone who is interested in studying

1364

01:00:31,670 --> 01:00:30,319

the phenomenon be that un specialized

1365

01:00:34,549 --> 01:00:31,680

agencies

1366

01:00:38,630 --> 01:00:34,559

be there specialized entities of

1367

01:00:41,430 --> 01:00:38,640

governmental bodies of un member states

1368

01:00:44,549 --> 01:00:41,440

be those be that international

1369

01:00:47,589 --> 01:00:44,559

organizations like icer for instance or

1370

01:00:50,710 --> 01:00:47,599

private organization like the mufon

1371

01:00:53,910 --> 01:00:50,720

or others i mean or

1372

01:00:58,069 --> 01:00:53,920

csu and so on so i mean

1373

01:01:01,430 --> 01:00:58,079

this is why we think that san marino

1374

01:01:03,270 --> 01:01:01,440

is the perfect place to become i mean

1375

01:01:03,990 --> 01:01:03,280

and it's it's really

1376

01:01:06,150 --> 01:01:04,000

uh

1377

01:01:08,870 --> 01:01:06,160

could really become the geneva of the

1378

01:01:11,030 --> 01:01:08,880

ufo i like to use i like very much to

1379

01:01:12,309 --> 01:01:11,040

use this term and i'm confident that

1380

01:01:13,109 --> 01:01:12,319

they will be

1381

01:01:15,589 --> 01:01:13,119

they

1382

01:01:16,789 --> 01:01:15,599

will appreciate the importance of this

1383

01:01:18,710 --> 01:01:16,799

proposal

1384

01:01:20,150 --> 01:01:18,720

absolutely that that makes sense that

1385

01:01:22,309 --> 01:01:20,160

it's a nation that

1386

01:01:24,710 --> 01:01:22,319

maybe doesn't have as much to lose in

1387

01:01:27,270 --> 01:01:24,720

terms of reputation not to mean that

1388

01:01:28,950 --> 01:01:27,280

offensively that uh italia germany a

1389

01:01:30,870 --> 01:01:28,960

united kingdom would bringing these

1390

01:01:33,109 --> 01:01:30,880

conversations forward who who

1391

01:01:34,630 --> 01:01:33,119

potentially would rather sit back and

1392

01:01:36,470 --> 01:01:34,640

allow someone else to broach that

1393

01:01:37,270 --> 01:01:36,480

subject and it's a very brave thing to

1394

01:01:39,750 --> 01:01:37,280

do

1395

01:01:42,470 --> 01:01:39,760

i would ask if project titan was

1396

01:01:45,190 --> 01:01:42,480

successful in securing an office within

1397

01:01:47,109 --> 01:01:45,200

the un for the study of uap

1398

01:01:49,829 --> 01:01:47,119

would you be hoping for access to

1399

01:01:52,230 --> 01:01:49,839

historic governmental data or would you

1400

01:01:54,390 --> 01:01:52,240

see it as a fresh start and a point too

1401

01:01:55,270 --> 01:01:54,400

much move forward from

1402

01:02:01,349 --> 01:01:55,280

well

1403

01:02:06,710 --> 01:02:04,630

foresee is the creation of a small

1404

01:02:09,670 --> 01:02:06,720

office within the united nations

1405

01:02:12,789 --> 01:02:09,680

structure but this office is just tasked

1406

01:02:17,190 --> 01:02:12,799

with the organization of this conference

1407

01:02:19,430 --> 01:02:17,200

so i mean it's not like in 1978

1408

01:02:20,950 --> 01:02:19,440

with the grenada

1409

01:02:26,950 --> 01:02:20,960

initiative

1410

01:02:28,549 --> 01:02:26,960

to create

1411

01:02:32,309 --> 01:02:28,559

a full body

1412

01:02:35,270 --> 01:02:32,319

for specifically the study of the ufo

1413

01:02:38,309 --> 01:02:35,280

phenomenon i mean it was um

1414

01:02:39,990 --> 01:02:38,319

a proposal for something big actually

1415

01:02:43,430 --> 01:02:40,000

big

1416

01:02:46,710 --> 01:02:43,440

what the this project this

1417

01:02:51,430 --> 01:02:49,670

foresee is a small structure i mean the

1418

01:02:53,589 --> 01:02:51,440

smallest as possible

1419

01:02:58,150 --> 01:02:53,599

not to be uh

1420

01:03:01,349 --> 01:02:59,670

not destructive

1421

01:03:03,990 --> 01:03:01,359

not to use

1422

01:03:06,870 --> 01:03:04,000

too much resources i mean

1423

01:03:09,910 --> 01:03:06,880

of the of the un uh

1424

01:03:11,589 --> 01:03:09,920

budget but a small office meant to

1425

01:03:14,470 --> 01:03:11,599

organize

1426

01:03:17,029 --> 01:03:14,480

this this world conference

1427

01:03:19,670 --> 01:03:17,039

and this world conference uh would be

1428

01:03:22,309 --> 01:03:19,680

held within san marino

1429

01:03:24,710 --> 01:03:22,319

within the the territory of the republic

1430

01:03:26,309 --> 01:03:24,720

so i mean it's not an office that has to

1431

01:03:29,190 --> 01:03:26,319

study anything no

1432

01:03:32,390 --> 01:03:29,200

no no the office is in

1433

01:03:34,309 --> 01:03:32,400

wood should be in charge of this or the

1434

01:03:35,829 --> 01:03:34,319

organization of this conference and the

1435

01:03:39,029 --> 01:03:35,839

conference

1436

01:03:41,670 --> 01:03:39,039

uh would be meant to

1437

01:03:45,430 --> 01:03:41,680

assess the quality and the level of

1438

01:03:48,630 --> 01:03:45,440

studies on the ufo phenomenon

1439

01:03:51,750 --> 01:03:48,640

and of course would also work for would

1440

01:03:53,270 --> 01:03:51,760

also function as a lan

1441

01:03:54,950 --> 01:03:53,280

as a place

1442

01:03:57,190 --> 01:03:54,960

of discussion

1443

01:03:58,470 --> 01:03:57,200

of exchange of ideas

1444

01:04:01,270 --> 01:03:58,480

of exchange

1445

01:04:03,829 --> 01:04:01,280

of the diffusion of knowledge

1446

01:04:06,870 --> 01:04:03,839

previously owned by

1447

01:04:08,630 --> 01:04:06,880

single states or a single organization

1448

01:04:12,549 --> 01:04:08,640

and a platform

1449

01:04:15,990 --> 01:04:12,559

to propose new ideas also for the study

1450

01:04:17,109 --> 01:04:16,000

of the phenomenon and and last but not

1451
01:04:18,230 --> 01:04:17,119
least

1452
01:04:21,109 --> 01:04:18,240
a way

1453
01:04:21,990 --> 01:04:21,119
to instruct the public

1454
01:04:28,549 --> 01:04:22,000
on

1455
01:04:31,510 --> 01:04:28,559
to study it properly

1456
01:04:33,349 --> 01:04:31,520
you see so and and by the way andy i

1457
01:04:37,990 --> 01:04:33,359
take the opportunity to make a

1458
01:04:40,309 --> 01:04:38,000
connection with 1978 granada initiative

1459
01:04:43,190 --> 01:04:40,319
there is one thing which is sometimes

1460
01:04:45,430 --> 01:04:43,200
needs to be properly um

1461
01:04:45,990 --> 01:04:45,440
spelled out so to speak

1462
01:04:47,270 --> 01:04:46,000
uh

1463
01:04:50,230 --> 01:04:47,280

[Music]

1464

01:04:51,750 --> 01:04:50,240

i often heard saying that the granada

1465

01:04:53,109 --> 01:04:51,760

initiative

1466

01:04:56,230 --> 01:04:53,119

just

1467

01:04:57,829 --> 01:04:56,240

was aborted when there was the

1468

01:04:59,430 --> 01:04:57,839

coup d'etat

1469

01:05:01,829 --> 01:04:59,440

the the

1470

01:05:02,789 --> 01:05:01,839

how did you say in english the

1471

01:05:05,430 --> 01:05:02,799

uh

1472

01:05:06,470 --> 01:05:05,440

when the regime when the regime

1473

01:05:09,349 --> 01:05:06,480

of

1474

01:05:11,910 --> 01:05:09,359

sergei was overthrown

1475

01:05:13,190 --> 01:05:11,920

by bishop so

1476

01:05:17,270 --> 01:05:13,200

and then

1477

01:05:18,309 --> 01:05:17,280

the proposal of grenada was ju remained

1478

01:05:19,670 --> 01:05:18,319

just

1479

01:05:21,190 --> 01:05:19,680

how can i say

1480

01:05:24,390 --> 01:05:21,200

hanging there

1481

01:05:25,349 --> 01:05:24,400

and could not be properly discussed and

1482

01:05:29,349 --> 01:05:25,359

so on

1483

01:05:30,390 --> 01:05:29,359

no this is not repeat not correct

1484

01:05:32,390 --> 01:05:30,400

because

1485

01:05:35,750 --> 01:05:32,400

formally speaking

1486

01:05:37,990 --> 01:05:35,760

i mean from a formal point of view the

1487

01:05:38,710 --> 01:05:38,000

grenada proposal

1488

01:05:40,390 --> 01:05:38,720

uh

1489

01:05:43,430 --> 01:05:40,400

i'm speaking of

1490

01:05:47,190 --> 01:05:43,440

the grenada proposal of 1978

1491

01:05:49,670 --> 01:05:47,200

because granada proposed um

1492

01:05:50,549 --> 01:05:49,680

made another proposal the the year

1493

01:05:53,109 --> 01:05:50,559

before

1494

01:05:59,109 --> 01:05:53,119

in any case what is more important is

1495

01:06:05,910 --> 01:06:00,870

indeed

1496

01:06:13,029 --> 01:06:08,870

how do you say english either

1497

01:06:16,470 --> 01:06:15,750

was formally completed i mean because

1498

01:06:25,349 --> 01:06:16,480

the

1499

01:06:27,829 --> 01:06:25,359

secretary general office to be discussed

1500

01:06:30,470 --> 01:06:27,839

in the special political committee the

1501
01:06:33,190 --> 01:06:30,480
special political committee met at least

1502
01:06:34,150 --> 01:06:33,200
three times that year to discuss this

1503
01:06:35,190 --> 01:06:34,160
item

1504
01:06:36,710 --> 01:06:35,200
and then

1505
01:06:38,549 --> 01:06:36,720
uh the

1506
01:06:42,069 --> 01:06:38,559
special political committee at the end

1507
01:06:44,150 --> 01:06:42,079
of discussion uh recommended that the

1508
01:06:46,549 --> 01:06:44,160
u.n secretary at the u.n

1509
01:06:50,150 --> 01:06:46,559
general and uh general

1510
01:06:51,190 --> 01:06:50,160
assembly voted this proposal

1511
01:06:57,750 --> 01:06:51,200
uh

1512
01:07:02,549 --> 01:06:57,760
assembly and was

1513
01:07:04,120 --> 01:07:02,559

uh approved by consensus so the formal

1514

01:07:05,589 --> 01:07:04,130

uh i can say

1515

01:07:07,430 --> 01:07:05,599

[Music]

1516

01:07:10,230 --> 01:07:07,440

i missed the process

1517

01:07:14,630 --> 01:07:10,240

yes yes right the the

1518

01:07:17,270 --> 01:07:14,640

the whole process of this proposal

1519

01:07:18,230 --> 01:07:17,280

was completed i mean there was nothing

1520

01:07:20,870 --> 01:07:18,240

left

1521

01:07:24,069 --> 01:07:20,880

hanging so to speak sure so

1522

01:07:26,150 --> 01:07:24,079

what is what is actually

1523

01:07:27,349 --> 01:07:26,160

what remained actually hanging is the

1524

01:07:29,109 --> 01:07:27,359

spirit

1525

01:07:32,390 --> 01:07:29,119

of the proposal

1526

01:07:35,990 --> 01:07:32,400

not the formal proposal itself i mean it

1527

01:07:38,549 --> 01:07:36,000

it is important because it's a i mean

1528

01:07:42,870 --> 01:07:38,559

it's an important distinction to do it's

1529

01:07:45,829 --> 01:07:42,880

the the original spirit of

1530

01:07:48,870 --> 01:07:45,839

which led to this proposal which is

1531

01:07:52,710 --> 01:07:48,880

still nowadays hanging and ideally

1532

01:07:55,109 --> 01:07:52,720

ideally this project titan

1533

01:07:57,990 --> 01:07:55,119

once wants to

1534

01:08:01,270 --> 01:07:58,000

reconnect to the spirit of this

1535

01:08:03,990 --> 01:08:01,280

not not to the to the formal request

1536

01:08:07,029 --> 01:08:04,000

because that that's not the story but

1537

01:08:07,829 --> 01:08:07,039

the spirit of it is to i mean to bring

1538

01:08:11,670 --> 01:08:07,839

the

1539

01:08:15,430 --> 01:08:11,680

phenomenon of ufo

1540

01:08:17,669 --> 01:08:15,440

to the attention of the united nation so

1541

01:08:18,870 --> 01:08:17,679

this is some and this is something that

1542

01:08:19,749 --> 01:08:18,880

icer

1543

01:08:23,990 --> 01:08:19,759

uh

1544

01:08:27,430 --> 01:08:24,000

is one of the stated intentions of icer

1545

01:08:28,630 --> 01:08:27,440

to bring the discussion on ufos to the

1546

01:08:30,950 --> 01:08:28,640

highest

1547

01:08:33,269 --> 01:08:30,960

level of political

1548

01:08:35,110 --> 01:08:33,279

uh debate

1549

01:08:37,030 --> 01:08:35,120

that's that's a wonderful notion and one

1550

01:08:38,870 --> 01:08:37,040

we look forward to hopefully being seen

1551
01:08:40,630 --> 01:08:38,880
through it to its fullest potential

1552
01:08:42,149 --> 01:08:40,640
you've been very generous with your time

1553
01:08:43,669 --> 01:08:42,159
but i'd like just a few more minutes to

1554
01:08:45,590 --> 01:08:43,679
go through just a couple of listener

1555
01:08:48,470 --> 01:08:45,600
questions that i've been sent in via

1556
01:08:51,189 --> 01:08:48,480
polo the first one is from mike and mike

1557
01:08:53,430 --> 01:08:51,199
wants to know are there some significant

1558
01:08:56,229 --> 01:08:53,440
players in this subject of whom the

1559
01:08:58,229 --> 01:08:56,239
general public might not be aware of

1560
01:09:04,709 --> 01:08:58,239
that maybe want to remain anonymous but

1561
01:09:09,269 --> 01:09:07,269
concerning to what specifically so with

1562
01:09:11,749 --> 01:09:09,279
yourself with your colleagues at icer is

1563
01:09:14,149 --> 01:09:11,759

it all very much public facing or are

1564

01:09:15,829 --> 01:09:14,159

there individuals helping that don't

1565

01:09:19,430 --> 01:09:15,839

want to be there you know their

1566

01:09:26,149 --> 01:09:23,990

concerning icer we are mostly ourselves

1567

01:09:27,990 --> 01:09:26,159

we don't have anyone working in the

1568

01:09:29,910 --> 01:09:28,000

shadow i mean

1569

01:09:32,390 --> 01:09:29,920

i mean at least

1570

01:09:35,510 --> 01:09:32,400

but we prefer in any case we prefer to

1571

01:09:36,789 --> 01:09:35,520

be as public as possible because this is

1572

01:09:40,070 --> 01:09:36,799

one of the

1573

01:09:44,229 --> 01:09:40,080

uh stated also this one

1574

01:09:48,550 --> 01:09:44,239

well i would say this is another of the

1575

01:09:50,789 --> 01:09:48,560

icers stated intention to be as much as

1576

01:09:52,630 --> 01:09:50,799

public as possible

1577

01:09:54,310 --> 01:09:52,640

and bring

1578

01:09:56,070 --> 01:09:54,320

i'll just follow up then on mike's

1579

01:09:58,870 --> 01:09:56,080

behalf because i think he may also be

1580

01:10:00,709 --> 01:09:58,880

getting at other individuals potentially

1581

01:10:02,470 --> 01:10:00,719

within the italian government or

1582

01:10:05,750 --> 01:10:02,480

intelligence communities

1583

01:10:08,709 --> 01:10:05,760

like luis elizondo who are working

1584

01:10:10,630 --> 01:10:08,719

for the betterment of the subject

1585

01:10:12,149 --> 01:10:10,640

but i can tell you concerning the

1586

01:10:14,630 --> 01:10:12,159

italian side

1587

01:10:16,550 --> 01:10:14,640

nothing i can tell you for sure that we

1588

01:10:19,830 --> 01:10:16,560

i i have no

1589

01:10:22,149 --> 01:10:19,840

no contact myself with no one who can be

1590

01:10:25,750 --> 01:10:22,159

in the position of of helping in the

1591

01:10:29,430 --> 01:10:25,760

shadow and so on so the the reply as

1592

01:10:31,750 --> 01:10:29,440

long as italy is concerned is no

1593

01:10:34,229 --> 01:10:31,760

so at the moment you would be our uh

1594

01:10:35,990 --> 01:10:34,239

luis elizondo paulo which is which is

1595

01:10:38,790 --> 01:10:36,000

more than a more than good enough for us

1596

01:10:40,630 --> 01:10:38,800

it looks like uh dan would like to know

1597

01:10:42,870 --> 01:10:40,640

what are some of the obstacles that

1598

01:10:46,709 --> 01:10:42,880

could prevent project titan from

1599

01:10:54,070 --> 01:10:50,149

one thing that i fear

1600

01:10:55,510 --> 01:10:54,080

well the thing that i fear most is that

1601
01:11:01,990 --> 01:10:55,520
the

1602
01:11:04,430 --> 01:11:02,000
could find that this is

1603
01:11:06,630 --> 01:11:04,440
maybe something which is a bit too

1604
01:11:09,270 --> 01:11:06,640
[Music]

1605
01:11:11,590 --> 01:11:09,280
too much for them i mean i'm

1606
01:11:14,790 --> 01:11:11,600
i mean let's be clear i'm just

1607
01:11:16,630 --> 01:11:14,800
speculating i i i hope i really hope

1608
01:11:18,709 --> 01:11:16,640
that

1609
01:11:21,110 --> 01:11:18,719
they will

1610
01:11:23,430 --> 01:11:21,120
appreciate and understand and appreciate

1611
01:11:24,149 --> 01:11:23,440
the importance of this initiative

1612
01:11:27,910 --> 01:11:24,159
for

1613
01:11:29,350 --> 01:11:27,920

something which is interest

1614

01:11:31,910 --> 01:11:29,360

interesting for us

1615

01:11:34,390 --> 01:11:31,920

and for submarine itself which is

1616

01:11:35,510 --> 01:11:34,400

something which interest to them as the

1617

01:11:38,550 --> 01:11:35,520

government

1618

01:11:41,510 --> 01:11:38,560

of the republic so

1619

01:11:44,790 --> 01:11:41,520

how can i say

1620

01:11:46,070 --> 01:11:44,800

i think this is the very likely the most

1621

01:11:47,590 --> 01:11:46,080

uh

1622

01:11:50,790 --> 01:11:47,600

foreseeable

1623

01:11:53,189 --> 01:11:50,800

uh problem which which we could face

1624

01:11:57,350 --> 01:11:53,199

this is why the project

1625

01:11:59,830 --> 01:11:57,360

states very clearly that icer and the

1626
01:12:00,630 --> 01:11:59,840
centrophologico nazionale

1627
01:12:02,470 --> 01:12:00,640
will

1628
01:12:04,470 --> 01:12:02,480
support the

1629
01:12:07,669 --> 01:12:04,480
government of san marino for anything

1630
01:12:09,270 --> 01:12:07,679
which could be necessary specifically on

1631
01:12:10,950 --> 01:12:09,280
the ufo logical

1632
01:12:12,070 --> 01:12:10,960
side

1633
01:12:14,149 --> 01:12:12,080
and also

1634
01:12:16,149 --> 01:12:14,159
on the procedural side

1635
01:12:19,990 --> 01:12:16,159
in case but

1636
01:12:23,430 --> 01:12:20,000
what is most important of course is uh

1637
01:12:25,910 --> 01:12:23,440
that they are properly helped in

1638
01:12:27,990 --> 01:12:25,920

those matters that rely properly to the

1639

01:12:32,790 --> 01:12:28,000

ufo phenomenon because of course this is

1640

01:12:37,030 --> 01:12:33,750

i mean

1641

01:12:40,790 --> 01:12:37,040

which which needs a specific uh specific

1642

01:12:43,510 --> 01:12:40,800

support on this so i mean um

1643

01:12:47,510 --> 01:12:43,520

this is the only problem that i really

1644

01:12:48,470 --> 01:12:47,520

can foresee and i and i hope that i mean

1645

01:12:50,470 --> 01:12:48,480

they

1646

01:12:51,750 --> 01:12:50,480

and of course we will be more than

1647

01:12:54,709 --> 01:12:51,760

willing to

1648

01:12:57,910 --> 01:12:54,719

again i i i want to stress it once more

1649

01:12:59,910 --> 01:12:57,920

we are more than willing to support them

1650

01:13:01,830 --> 01:12:59,920

as icer

1651

01:13:04,390 --> 01:13:01,840

joining forces with the chain

1652

01:13:06,870 --> 01:13:04,400

trophological nationality so these two

1653

01:13:08,550 --> 01:13:06,880

bodies we will be more than happy to

1654

01:13:10,390 --> 01:13:08,560

support them as

1655

01:13:11,830 --> 01:13:10,400

in in any

1656

01:13:13,990 --> 01:13:11,840

way

1657

01:13:15,990 --> 01:13:14,000

it may be necessary

1658

01:13:18,390 --> 01:13:16,000

do you have a plan b

1659

01:13:21,270 --> 01:13:18,400

for project titan if the san marino

1660

01:13:23,830 --> 01:13:21,280

initiative falls through

1661

01:13:27,189 --> 01:13:23,840

[Music]

1662

01:13:30,830 --> 01:13:27,199

it's half percent yes but i prefer not

1663

01:13:35,270 --> 01:13:30,840

to say anything for the moment i mean

1664

01:13:38,070 --> 01:13:35,280

um we have a certain idea of of what to

1665

01:13:40,950 --> 01:13:38,080

do in case in case

1666

01:13:43,510 --> 01:13:40,960

uh the reply of san marino would be

1667

01:13:46,390 --> 01:13:43,520

negative but for the moment i prefer to

1668

01:13:48,470 --> 01:13:46,400

say to say nothing because it i mean

1669

01:13:51,270 --> 01:13:48,480

it's nothing it just

1670

01:13:52,870 --> 01:13:51,280

just a basic idea but nothing concrete

1671

01:13:54,630 --> 01:13:52,880

hopefully nothing we have to use and

1672

01:13:56,870 --> 01:13:54,640

hopefully it goes through as planned i

1673

01:13:59,110 --> 01:13:56,880

really i really hope so i really hope so

1674

01:14:01,430 --> 01:13:59,120

because i i i would really like very

1675

01:14:04,229 --> 01:14:01,440

much to see san marino as i told you

1676

01:14:06,229 --> 01:14:04,239

before become the geneva of the ufo

1677

01:14:08,310 --> 01:14:06,239

a place where

1678

01:14:12,310 --> 01:14:08,320

people of any

1679

01:14:15,030 --> 01:14:12,320

specialist of any kind meet discuss and

1680

01:14:18,950 --> 01:14:15,040

exchange information exchange idea

1681

01:14:21,350 --> 01:14:18,960

present new initiatives present new new

1682

01:14:24,149 --> 01:14:21,360

ideas also and so on so i mean that

1683

01:14:27,510 --> 01:14:24,159

would be that would be fantastic and it

1684

01:14:31,510 --> 01:14:27,520

would be a naturalist extension of the

1685

01:14:32,470 --> 01:14:31,520

30 years of symposium on ufo symposium

1686

01:14:34,630 --> 01:14:32,480

that

1687

01:14:37,510 --> 01:14:34,640

we have organ organized as the

1688

01:14:40,470 --> 01:14:37,520

centrophologico nazionale under the

1689

01:14:43,830 --> 01:14:40,480

because these symposium

1690

01:14:45,189 --> 01:14:43,840

symposia which were organized for 30

1691

01:14:47,910 --> 01:14:45,199

edition

1692

01:14:50,630 --> 01:14:47,920

were always under the sponsor

1693

01:14:52,630 --> 01:14:50,640

sponsorship of the san marino government

1694

01:14:55,189 --> 01:14:52,640

they were organized by the

1695

01:14:58,709 --> 01:14:55,199

chaintrophologico

1696

01:15:01,590 --> 01:14:58,719

but and they were under the sponsorship

1697

01:15:03,669 --> 01:15:01,600

of the san marino government

1698

01:15:06,870 --> 01:15:03,679

so you see this is

1699

01:15:09,669 --> 01:15:06,880

this is important and i mean uh

1700

01:15:11,189 --> 01:15:09,679

you can understand this is a

1701

01:15:15,590 --> 01:15:11,199

i see it

1702

01:15:17,830 --> 01:15:15,600

very well as a natural extension of this

1703

01:15:19,430 --> 01:15:17,840

activity that we're

1704

01:15:20,390 --> 01:15:19,440

we are

1705

01:15:21,750 --> 01:15:20,400

doing

1706

01:15:24,310 --> 01:15:21,760

since uh

1707

01:15:26,470 --> 01:15:24,320

three decades i mean

1708

01:15:29,350 --> 01:15:26,480

and a nice question paulo to finish up

1709

01:15:31,510 --> 01:15:29,360

on from dave do you think the

1710

01:15:33,910 --> 01:15:31,520

international approach will improve the

1711

01:15:36,550 --> 01:15:33,920

chances for a quicker disclosure

1712

01:15:38,870 --> 01:15:36,560

timeline than perhaps maybe the case if

1713

01:15:40,390 --> 01:15:38,880

it was led by one nation such as the

1714

01:15:43,590 --> 01:15:40,400

united states

1715

01:15:46,950 --> 01:15:43,600

definitely definitely so i do agree with

1716

01:15:50,310 --> 01:15:46,960

dave absolutely absolutely the it i mean

1717

01:15:53,189 --> 01:15:50,320

we must and the and this is one of the

1718

01:15:54,630 --> 01:15:53,199

basic reason for icer

1719

01:15:58,709 --> 01:15:54,640

it's uh

1720

01:16:00,709 --> 01:15:58,719

as i said before and and i i like to to

1721

01:16:03,990 --> 01:16:00,719

repeat it now i mean

1722

01:16:06,390 --> 01:16:04,000

uh icer is the first or international

1723

01:16:10,950 --> 01:16:06,400

organization of this kind

1724

01:16:13,590 --> 01:16:10,960

and because we think that icer is i mean

1725

01:16:16,630 --> 01:16:13,600

a necessary step i mean not specifically

1726

01:16:17,910 --> 01:16:16,640

isa but i mean it is necessary to

1727

01:16:22,229 --> 01:16:17,920

start

1728

01:16:24,550 --> 01:16:22,239

bringing the the discussion on the ufo

1729

01:16:26,550 --> 01:16:24,560

subject on the ufo phenomenon at the

1730

01:16:28,229 --> 01:16:26,560

internation at the dimension of the

1731

01:16:30,709 --> 01:16:28,239

international level

1732

01:16:32,070 --> 01:16:30,719

this is absolutely necessary because and

1733

01:16:35,430 --> 01:16:32,080

we if

1734

01:16:36,790 --> 01:16:35,440

each one goes on each state each nation

1735

01:16:38,470 --> 01:16:36,800

goes on

1736

01:16:40,630 --> 01:16:38,480

on his own

1737

01:16:43,189 --> 01:16:40,640

under the military intelligence

1738

01:16:45,750 --> 01:16:43,199

leadership to study ufos of course

1739

01:16:49,430 --> 01:16:45,760

keeping everything they know under heavy

1740

01:16:52,630 --> 01:16:49,440

secret and so on we will never never go

1741

01:16:53,510 --> 01:16:52,640

anywhere we will never do uh we will

1742

01:16:56,229 --> 01:16:53,520

never

1743

01:16:57,830 --> 01:16:56,239

have any chance of improving our

1744

01:17:00,870 --> 01:16:57,840

knowledge and

1745

01:17:03,110 --> 01:17:00,880

and uh and having actually

1746

01:17:05,430 --> 01:17:03,120

a real disclosure

1747

01:17:07,669 --> 01:17:05,440

paulo can you let the listeners and the

1748

01:17:09,669 --> 01:17:07,679

viewers on youtube who will be watching

1749

01:17:11,510 --> 01:17:09,679

know how you and your colleagues can be

1750

01:17:13,510 --> 01:17:11,520

found online where can they find your

1751

01:17:15,110 --> 01:17:13,520

work

1752

01:17:17,350 --> 01:17:15,120

sorry where they can

1753

01:17:19,669 --> 01:17:17,360

so if you want to give out any websites

1754

01:17:21,270 --> 01:17:19,679

or twitter any social media so people

1755

01:17:24,470 --> 01:17:21,280

can go and and look at the work of

1756

01:17:27,510 --> 01:17:24,480

yourself or iso yes yes of course well i

1757

01:17:30,790 --> 01:17:27,520

have uh i have a website which is mostly

1758

01:17:34,310 --> 01:17:30,800

in italy in italian because you know

1759

01:17:36,390 --> 01:17:34,320

and until now my

1760

01:17:38,070 --> 01:17:36,400

my ufo related

1761

01:17:39,430 --> 01:17:38,080

related activity

1762

01:17:42,550 --> 01:17:39,440

has been

1763

01:17:45,590 --> 01:17:42,560

within uh the national boundaries of

1764

01:17:50,229 --> 01:17:45,600

italy so to speak because most of my

1765

01:17:51,669 --> 01:17:50,239

activity was of translating ufo

1766

01:17:55,270 --> 01:17:51,679

related i mean

1767

01:17:57,270 --> 01:17:55,280

documents in relevant to the ufo

1768

01:18:00,310 --> 01:17:57,280

research

1769

01:18:03,430 --> 01:18:00,320

translated into italian and published

1770

01:18:04,310 --> 01:18:03,440

into my website so

1771

01:18:06,630 --> 01:18:04,320

uh

1772

01:18:10,229 --> 01:18:06,640

i have this website where i have

1773

01:18:12,310 --> 01:18:10,239

published a lot of great number of

1774

01:18:15,350 --> 01:18:12,320

translations but they are translations

1775

01:18:18,070 --> 01:18:15,360

into italy into italian so

1776

01:18:22,070 --> 01:18:18,080

i think that could be could not be of a

1777

01:18:24,149 --> 01:18:22,080

great utility to uh english speaking

1778

01:18:27,750 --> 01:18:24,159

uh persons so

1779

01:18:29,110 --> 01:18:27,760

and but i have um twitter account which

1780

01:18:30,070 --> 01:18:29,120

is uh

1781

01:18:32,790 --> 01:18:30,080

uh

1782

01:18:35,110 --> 01:18:32,800

i'm trying to internationalize it as

1783

01:18:38,470 --> 01:18:35,120

much as possible nowadays

1784

01:18:43,189 --> 01:18:38,480

with uh with my icer activity

1785

01:18:46,550 --> 01:18:45,750

p a o l o

1786

01:18:47,430 --> 01:18:46,560

g

1787

01:18:48,229 --> 01:18:47,440

u

1788

01:18:49,270 --> 01:18:48,239

i

1789

01:18:51,030 --> 01:18:49,280

z

1790

01:18:57,590 --> 01:18:51,040

five six

1791

01:19:02,550 --> 01:18:57,600

this is the

1792

01:19:04,390 --> 01:19:02,560

one i'm using not using facebook at

1793

01:19:05,990 --> 01:19:04,400

least at the moment

1794

01:19:07,510 --> 01:19:06,000

and uh

1795

01:19:09,830 --> 01:19:07,520

so this is my

1796

01:19:12,870 --> 01:19:09,840

this is my

1797

01:19:13,669 --> 01:19:12,880

main contact at the momentum contact i

1798

01:19:16,790 --> 01:19:13,679

mean

1799

01:19:19,030 --> 01:19:16,800

it's the social media i use the most for

1800

01:19:21,350 --> 01:19:19,040

at least for the moment then i'm

1801

01:19:23,270 --> 01:19:21,360

planning to put up a properly done

1802

01:19:26,390 --> 01:19:23,280

facebook page but

1803

01:19:28,870 --> 01:19:26,400

i mean you know having to work

1804

01:19:31,750 --> 01:19:28,880

yes i know i know the feeling the the

1805

01:19:34,709 --> 01:19:31,760

time i can i have to to

1806

01:19:36,790 --> 01:19:34,719

to devote myself to to this is really

1807

01:19:40,149 --> 01:19:36,800

really rather limited so

1808

01:19:42,390 --> 01:19:40,159

for the moment i only i only use twitter

1809

01:19:44,950 --> 01:19:42,400

uh and you can also find acer's work at

1810

01:19:47,270 --> 01:19:44,960

icer dot network which is the icer

1811

01:19:49,830 --> 01:19:47,280

website as well if anyone wants to go on

1812

01:19:53,430 --> 01:19:49,840

that's more international yes and

1813

01:19:58,070 --> 01:19:53,440

exactly icer dot network this is the the

1814

01:20:00,470 --> 01:19:58,080

website at the moment is not 12 i mean

1815

01:20:02,149 --> 01:20:00,480

because you know we are still i mean we

1816

01:20:05,990 --> 01:20:02,159

we officially

1817

01:20:07,350 --> 01:20:06,000

uh announced ourselves uh publicly in

1818

01:20:10,629 --> 01:20:07,360

june so

1819

01:20:13,510 --> 01:20:10,639

no sorry may end of may so it said just

1820

01:20:14,790 --> 01:20:13,520

a few months that icer exists so

1821

01:20:16,950 --> 01:20:14,800

there are still

1822

01:20:19,590 --> 01:20:16,960

a good amount of things that needs to be

1823

01:20:22,229 --> 01:20:19,600

fixed to be properly done and one of

1824

01:20:23,110 --> 01:20:22,239

these is the website which is

1825

01:20:25,030 --> 01:20:23,120

uh

1826

01:20:26,470 --> 01:20:25,040

not not so

1827

01:20:28,870 --> 01:20:26,480

i'm going to say

1828

01:20:31,430 --> 01:20:28,880

not yet

1829

01:20:33,990 --> 01:20:31,440

prepared as we would would like but of

1830

01:20:35,910 --> 01:20:34,000

course it takes time and it takes effort

1831

01:20:36,629 --> 01:20:35,920

and

1832

01:20:39,510 --> 01:20:36,639

but

1833

01:20:43,510 --> 01:20:39,520

in any case we are 28

1834

01:20:46,550 --> 01:20:43,520

now we are 28 national representatives

1835

01:20:49,910 --> 01:20:46,560

uh all scattered all over the world and

1836

01:20:51,110 --> 01:20:49,920

each uh representative has a

1837

01:20:54,030 --> 01:20:51,120

deputy

1838

01:20:59,350 --> 01:20:54,040

so we are more than 50

1839

01:21:03,110 --> 01:20:59,360

56 57 persons in this in this

1840

01:21:05,110 --> 01:21:03,120

in this group and but we we have um

1841

01:21:07,510 --> 01:21:05,120

i mean i can tell you this for the

1842

01:21:10,790 --> 01:21:07,520

moment we do not have those many

1843

01:21:13,750 --> 01:21:10,800

resources especially and especially

1844

01:21:15,830 --> 01:21:13,760

uh on the of the financial kind but we

1845

01:21:19,110 --> 01:21:15,840

do have a lot of ideas

1846

01:21:22,550 --> 01:21:19,120

and we and we want to

1847

01:21:24,790 --> 01:21:22,560

turn these ideas into realities

1848

01:21:26,070 --> 01:21:24,800

okay thanks very much andy

1849

01:21:27,430 --> 01:21:26,080

it's been wonderful speaking with you

1850

01:21:28,950 --> 01:21:27,440

apollo and i wish you and your

1851

01:21:31,030 --> 01:21:28,960

colleagues all the very best and

1852

01:21:33,350 --> 01:21:31,040

hopefully i can get myself out to san

1853

01:21:34,629 --> 01:21:33,360

marino to visit on that next congress

1854

01:21:39,110 --> 01:21:34,639

why not

1855

01:21:41,110 --> 01:21:39,120

that is all for this week's show thank

1856

01:21:43,110 --> 01:21:41,120

you very much for listening please

1857

01:21:45,750 --> 01:21:43,120

remember to leave the podcast to review

1858

01:21:48,070 --> 01:21:45,760

on your chosen platform you can like

1859

01:21:49,990 --> 01:21:48,080

retweet and subscribe that would all be

1860

01:21:52,149 --> 01:21:50,000

very much appreciated the shows are

1861

01:21:54,950 --> 01:21:52,159

being uploaded onto youtube as we speak

1862

01:21:56,149 --> 01:21:54,960

more and more you can sign up at

1863

01:21:58,870 --> 01:21:56,159

slash that patreon.com

1864

01:22:01,110 --> 01:21:58,880

podcast access shows ad free as well

1865

01:22:03,910 --> 01:22:01,120

please get in touch on twitter facebook

1866

01:22:07,110 --> 01:22:03,920

instagram that ufo podcast of course on

1867

01:22:09,270 --> 01:22:07,120

twitter it's at ufouapam

1868

01:22:12,340 --> 01:22:09,280

and again folks as always keep looking

1869

01:22:32,709 --> 01:22:12,350

up you never know what you might see

1870

01:22:32,719 --> 01:22:39,400

is

1871

01:22:39,410 --> 01:23:03,669

[Music]

1872

01:23:03,679 --> 01:23:19,990

i jump back nearly kiss

1873

01:23:20,000 --> 01:23:27,710

because it doesn't really scare me

1874

01:23:31,990 --> 01:23:29,910

[Music]

1875

01:23:38,930 --> 01:23:32,000

if you really want to know who i think

1876

01:24:11,750 --> 01:23:47,510

[Music]

1877

01:24:11,760 --> 01:24:17,910

is

1878

01:24:26,600 --> 01:24:19,750

it wasn't a tic tac and not quite a

1879

01:24:26,610 --> 01:24:40,470

[Music]

1880

01:25:06,709 --> 01:24:42,590

it's very different
