00:00:00,000 --> 00:00:05,510

[Music]

2  
00:00:08,710 --> 00:00:06,789

there's a whole fleet of them look on

3  
00:00:10,950 --> 00:00:08,720

the nsa

4  
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5  
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6  
00:00:23,900 --> 00:00:18,960

sphere where the points of the cube

7  
00:00:38,709 --> 00:00:33,470

[Music]

8  
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

9  
00:00:47,430 --> 00:00:40,960

limited to the united states it's a

10  
00:00:51,670 --> 00:00:49,350

joining me now for the second in the

11  
00:00:53,430 --> 00:00:51,680

series of experiercer shows i have

jonathan john welcome to the podcast hi

18

00:01:09,270 --> 00:01:07,280

andy thanks for having me on mate

19

00:01:11,510 --> 00:01:09,280

no it's good to speak to you uh face to

20

00:01:13,990 --> 00:01:11,520

face as such as we've talked online for

21

00:01:16,230 --> 00:01:14,000

a while via dm and on various various

22

00:01:19,670 --> 00:01:16,240

threads on the ufo twitter so it's nice

23

00:01:21,350 --> 00:01:19,680

to converse properly yeah i agree i've

24

00:01:22,550 --> 00:01:21,360

been watching all your shows and loving

25

00:01:24,390 --> 00:01:22,560

every minute of it and like i've told

26

00:01:26,789 --> 00:01:24,400

you a million times you should be doing

27

00:01:28,950 --> 00:01:26,799

this for a living and i know everyone is

28

00:01:30,550 --> 00:01:28,960

thinking you're killing it doing this

29

00:01:33,030 --> 00:01:30,560

mate you're really you you and dan are

30

00:01:34,550 --> 00:01:33,040

doing a great job

31

00:01:36,550 --> 00:01:34,560

well when i let dan out yeah he does all

32

00:01:38,870 --> 00:01:36,560

right doesn't he he's uh yeah no thanks

33

00:01:41,270 --> 00:01:38,880

i appreciate you saying that listen um

34

00:01:42,469 --> 00:01:41,280

for anyone unfamiliar with yourself john

35

00:01:45,350 --> 00:01:42,479

do you care to share just a little bit

36

00:01:47,030 --> 00:01:45,360

of background with us as to who you are

37

00:01:49,030 --> 00:01:47,040

yeah i'm um

38

00:01:51,510 --> 00:01:49,040

from wales i live in monmouthshire now

39

00:01:53,030 --> 00:01:51,520

but i've lived all over south wales um

40

00:01:54,710 --> 00:01:53,040

in the uk

41

00:01:56,870 --> 00:01:54,720

i'm a lifelong experience so i've

42

00:01:58,870 --> 00:01:56,880

literally um ever since i can remember

43

00:02:01,830 --> 00:01:58,880

i've been seeing things i started off

44

00:02:03,510 --> 00:02:01,840

seeing orbs when i was a child i would

45

00:02:05,109 --> 00:02:03,520

not know i was any different to any of

46

00:02:06,469 --> 00:02:05,119

the kids at start you know i thought

47

00:02:08,710 --> 00:02:06,479

everyone could see these things i didn't

48

00:02:10,630 --> 00:02:08,720

really even point them out to other kids

49

00:02:12,309 --> 00:02:10,640

until i went to school i went to school

50

00:02:13,350 --> 00:02:12,319

and i can remember the first time i was

51

00:02:15,350 --> 00:02:13,360

in school

52

00:02:17,270 --> 00:02:15,360

and we go out on the playing fields and

53

00:02:19,110 --> 00:02:17,280

um and i said to one of the other kids

54

00:02:21,030 --> 00:02:19,120

just let's chase them

55

00:02:23,830 --> 00:02:21,040

and it was all on us the edge of the

56

00:02:25,589 --> 00:02:23,840

field and i can remember the look on the

57

00:02:26,630 --> 00:02:25,599

on the kid's face you know now get

58

00:02:28,150 --> 00:02:26,640

chills now

59

00:02:30,470 --> 00:02:28,160

looking back because it

60

00:02:32,309 --> 00:02:30,480

it affected me that he he really thought

61

00:02:34,309 --> 00:02:32,319

i was nuts you know i got that

62

00:02:35,990 --> 00:02:34,319

impression right from the day the first

63

00:02:36,869 --> 00:02:36,000

day that i ever mentioned it to another

64

00:02:39,350 --> 00:02:36,879

kid

65

00:02:40,949 --> 00:02:39,360

um because he didn't see him um and he

66

00:02:42,949 --> 00:02:40,959

pointed out to every other kid in the

67

00:02:45,110 --> 00:02:42,959

school that i was a nut

68

00:02:46,630 --> 00:02:45,120

um and it was a real real issue for me

69

00:02:48,710 --> 00:02:46,640

for my entire

70

00:02:50,470 --> 00:02:48,720

childhood basically in school until

71

00:02:52,790 --> 00:02:50,480

until up until the point i was 15 when i

72

00:02:54,470 --> 00:02:52,800

moved schools and moved out the area and

73

00:02:55,830 --> 00:02:54,480

i i'm basically

74

00:02:57,990 --> 00:02:55,840

shut it off

75

00:02:59,910 --> 00:02:58,000

never told another soul i mean and up

76

00:03:02,070 --> 00:02:59,920

until a couple of years ago

77

00:03:05,589 --> 00:03:02,080

you know when the nimitz stuff came out

78

00:03:07,190 --> 00:03:05,599

and i came out again yeah just before we

79

00:03:09,190 --> 00:03:07,200

started recording and we were just

80

00:03:11,430 --> 00:03:09,200

talking briefly and you were mentioning

81

00:03:13,830 --> 00:03:11,440

the frustration at people who who would

82

00:03:15,430 --> 00:03:13,840

claim to be an experienter now i i've

83

00:03:17,670 --> 00:03:15,440

shared on the podcast

84

00:03:20,149 --> 00:03:17,680

ad nauseam a couple of sightings i've

85

00:03:21,990 --> 00:03:20,159

had i'm not an experienter though for

86

00:03:23,589 --> 00:03:22,000

you what is the definition of an

87

00:03:25,350 --> 00:03:23,599

experienter

88

00:03:27,350 --> 00:03:25,360

but it's obviously an experience if you

89

00:03:28,789 --> 00:03:27,360

see a ufo don't get you know don't get

90

00:03:30,789 --> 00:03:28,799

me wrong we can use that word using

91

00:03:32,869 --> 00:03:30,799

experience of course it is but for me an

92

00:03:34,390 --> 00:03:32,879

experiencer is somebody who's who's got

93

00:03:36,710 --> 00:03:34,400

a lifelong in well it doesn't be

94

00:03:39,190 --> 00:03:36,720

lifelong but a major interactional

95

00:03:42,630 --> 00:03:39,200

interaction or a personal you know real

96

00:03:44,710 --> 00:03:42,640

close-up and close-up encounter or

97

00:03:46,789 --> 00:03:44,720

entity interactions

98

00:03:49,350 --> 00:03:46,799

um much more than just seeing lights in

99

00:03:51,270 --> 00:03:49,360

the sky you know that's something i i i

100

00:03:53,110 --> 00:03:51,280

see lights in the sky i've seen two

101  
00:03:54,070 --> 00:03:53,120  
ufos if you want to call them that this

102  
00:03:56,309 --> 00:03:54,080  
week

103  
00:03:57,910 --> 00:03:56,319  
you know so and it's very very normal

104  
00:04:00,470 --> 00:03:57,920  
for me to see these things and it always

105  
00:04:02,070 --> 00:04:00,480  
has been i mean i live in wales wales is

106  
00:04:04,070 --> 00:04:02,080  
like um

107  
00:04:05,670 --> 00:04:04,080  
a tropical rainforest with weather side

108  
00:04:08,229 --> 00:04:05,680  
of things with with the rains not the

109  
00:04:10,869 --> 00:04:08,239  
heat but certainly the rain and if it

110  
00:04:12,630 --> 00:04:10,879  
wasn't as cloudy as it is i'd probably

111  
00:04:14,710 --> 00:04:12,640  
see these things a hell of a lot more

112  
00:04:16,310 --> 00:04:14,720  
you know but it is it's

113  
00:04:18,469 --> 00:04:16,320

it's constant for me and it's always

114

00:04:19,189 --> 00:04:18,479

been constant for me i mean and i find

115

00:04:20,390 --> 00:04:19,199

it

116

00:04:21,909 --> 00:04:20,400

um

117

00:04:24,629 --> 00:04:21,919

upsetting to be honest with you when i

118

00:04:26,310 --> 00:04:24,639

hear people say i'm an experimenter and

119

00:04:27,590 --> 00:04:26,320

it's like the term has been hijacked

120

00:04:29,909 --> 00:04:27,600

when they don't really understand what

121

00:04:32,629 --> 00:04:29,919

it means they knew what it meant really

122

00:04:34,390 --> 00:04:32,639

meant you know that this is this is bad

123

00:04:36,310 --> 00:04:34,400

for your health almost because

124

00:04:37,909 --> 00:04:36,320

it messes with your head because these

125

00:04:39,030 --> 00:04:37,919

things going on with you you don't know

126

00:04:42,550 --> 00:04:39,040

what they are

127

00:04:44,469 --> 00:04:42,560

um it really does get to you you know it

128

00:04:46,790 --> 00:04:44,479

it upsets me greatly sometimes i've been

129

00:04:49,189 --> 00:04:46,800

to bed for nine well more than nine nine

130

00:04:50,629 --> 00:04:49,199

months ago i had a major experience

131

00:04:51,990 --> 00:04:50,639

and i haven't been to bed since because

132

00:04:53,749 --> 00:04:52,000

it happened in my bedroom my daughter's

133

00:04:55,189 --> 00:04:53,759

upstairs my wife and i didn't want them

134

00:04:57,749 --> 00:04:55,199

to experience what i had just

135

00:05:01,590 --> 00:04:57,759

experienced you know so people jumping

136

00:05:03,029 --> 00:05:01,600

on this um i mean experience a bandwagon

137

00:05:04,390 --> 00:05:03,039

not really understanding what that

138

00:05:06,790 --> 00:05:04,400

really means

139

00:05:08,150 --> 00:05:06,800

you know i just don't think it's right

140

00:05:09,909 --> 00:05:08,160

you know um

141

00:05:11,110 --> 00:05:09,919

i don't know i'm not after a um a

142

00:05:13,189 --> 00:05:11,120

ranking

143

00:05:14,310 --> 00:05:13,199

scheme or it's not an ego things it's

144

00:05:17,830 --> 00:05:14,320

just that

145

00:05:19,350 --> 00:05:17,840

we really do need to know who the real

146

00:05:20,790 --> 00:05:19,360

you know the real people are in this

147

00:05:23,350 --> 00:05:20,800

topic who are the ones we should

148

00:05:25,350 --> 00:05:23,360

concentrate on to go to

149

00:05:27,110 --> 00:05:25,360

to ask what's what has really happened

150

00:05:29,110 --> 00:05:27,120

to you so we can get some information

151

00:05:31,350 --> 00:05:29,120

you know as opposed to everyone if

152

00:05:32,629 --> 00:05:31,360

everyone says we're i'm an experiercer

153

00:05:34,070 --> 00:05:32,639

you don't know whether they're just

154

00:05:36,070 --> 00:05:34,080

they've just seen a light in the sky

155

00:05:37,270 --> 00:05:36,080

every now and then or you know once in a

156

00:05:38,950 --> 00:05:37,280

lifetime

157

00:05:40,550 --> 00:05:38,960

there's nothing

158

00:05:42,310 --> 00:05:40,560

you you mentioned

159

00:05:44,150 --> 00:05:42,320

from a young age obviously if as a child

160

00:05:45,670 --> 00:05:44,160

you were seeing orbs and having those

161

00:05:48,230 --> 00:05:45,680

interactions

162

00:05:51,029 --> 00:05:48,240

from from what age and what particular

163

00:05:52,870 --> 00:05:51,039

incident would you say you you became an

164

00:05:55,189 --> 00:05:52,880

experiencer was there one thing you

165

00:05:57,430 --> 00:05:55,199

remember going back

166

00:06:01,350 --> 00:05:57,440

i mean it was loads i mean i had when i

167

00:06:03,270 --> 00:06:01,360

was um 13 i had an appendicitis incident

168

00:06:05,670 --> 00:06:03,280

i was in the woods on my own

169

00:06:07,830 --> 00:06:05,680

and i got i was in agony i was on the

170

00:06:10,150 --> 00:06:07,840

floor i collapsed and i got surrounded

171

00:06:14,230 --> 00:06:10,160

by orbs that was that was once

172

00:06:16,710 --> 00:06:14,240

um when i was 15 i had i was in a field

173

00:06:19,909 --> 00:06:16,720

a few miles from home i had no memory at

174

00:06:21,270 --> 00:06:19,919

all of how i got in that field it was um

175

00:06:22,790 --> 00:06:21,280

late evening

176

00:06:24,150 --> 00:06:22,800

um it would happen to be that i know the

177

00:06:25,590 --> 00:06:24,160

dates because it was it turned out there

178

00:06:28,469 --> 00:06:25,600

was a major incident that night the

179

00:06:31,590 --> 00:06:28,479

night of the triangles in wales um so it

180

00:06:33,189 --> 00:06:31,600

was the 19th of january in 1983

181

00:06:35,270 --> 00:06:33,199

and it was about eight o'clock-ish i

182

00:06:37,830 --> 00:06:35,280

would assume i didn't know the time but

183

00:06:40,870 --> 00:06:37,840

i was in a field i looked up

184

00:06:43,430 --> 00:06:40,880

um and i saw the whole sky move

185

00:06:45,430 --> 00:06:43,440

it was it was a miles wide craft it was

186

00:06:48,230 --> 00:06:45,440

the biggest thing i'd ever seen i'd been

187

00:06:50,309 --> 00:06:48,240

seeing orbs and i'd seen um you know

188

00:06:51,830 --> 00:06:50,319

most of the other shapes i'd seen cigars

189

00:06:53,589 --> 00:06:51,840

and things like that everyone calls them

190

00:06:55,029 --> 00:06:53,599

tic-tacs now but they were big cigars

191

00:06:56,150 --> 00:06:55,039

you know same shape

192

00:06:58,629 --> 00:06:56,160

um

193

00:07:00,390 --> 00:06:58,639

but anyway this craft moved i was in a

194

00:07:02,230 --> 00:07:00,400

bubble i could i couldn't

195

00:07:03,670 --> 00:07:02,240

you know there was no sound around me

196

00:07:05,110 --> 00:07:03,680

there was like i was in a world of my

197

00:07:06,950 --> 00:07:05,120

own type thing and i look up and as soon

198

00:07:09,029 --> 00:07:06,960

as it moved the bubble burst

199

00:07:11,270 --> 00:07:09,039

i was freezing cold because 19th of

200

00:07:13,430 --> 00:07:11,280

january in the uk is winter

201  
00:07:15,189 --> 00:07:13,440  
and i had just had a t-shirt on and i

202  
00:07:17,670 --> 00:07:15,199  
suddenly you know what am i doing in

203  
00:07:18,629 --> 00:07:17,680  
this field i had no memory of that day

204  
00:07:21,029 --> 00:07:18,639  
at all

205  
00:07:22,710 --> 00:07:21,039  
all the previous day i had no memory at

206  
00:07:24,790 --> 00:07:22,720  
all i mean i literally looked to my

207  
00:07:26,710 --> 00:07:24,800  
right and i saw where i was there was a

208  
00:07:28,870 --> 00:07:26,720  
leisure center to my right and i was in

209  
00:07:30,710 --> 00:07:28,880  
the leisure center playing fields

210  
00:07:32,550 --> 00:07:30,720  
you know a couple of miles from home

211  
00:07:34,390 --> 00:07:32,560  
and um i looked back at the craft and i

212  
00:07:36,469 --> 00:07:34,400  
watched it drift away and it was

213  
00:07:38,309 --> 00:07:36,479

literally colossal you know i couldn't

214

00:07:39,670 --> 00:07:38,319

see the left hand side how big it went

215

00:07:41,270 --> 00:07:39,680

you know it was too far that way it was

216

00:07:43,909 --> 00:07:41,280

too far that way for me to see how big

217

00:07:47,110 --> 00:07:43,919

it was and um

218

00:07:49,350 --> 00:07:47,120

that was my first major major experience

219

00:07:51,029 --> 00:07:49,360

um i ran home um

220

00:07:53,189 --> 00:07:51,039

i didn't go through the front door of my

221

00:07:54,710 --> 00:07:53,199

house when i finally got home i went

222

00:07:55,990 --> 00:07:54,720

around the back i climbed up the drain

223

00:07:57,670 --> 00:07:56,000

pipe i went in through the bathroom

224

00:08:00,790 --> 00:07:57,680

window i went to bed

225

00:08:02,469 --> 00:08:00,800

and i expected the next day to get i did

226

00:08:03,909 --> 00:08:02,479

it did that basically because i thought

227

00:08:06,070 --> 00:08:03,919

i must have done something you know what

228

00:08:07,749 --> 00:08:06,080

i mean i was i was worried i was going

229

00:08:09,350 --> 00:08:07,759

to get told off by my parents because i

230

00:08:10,629 --> 00:08:09,360

had no memory where i'd been or what i'd

231

00:08:12,950 --> 00:08:10,639

done and i thought i must have done

232

00:08:15,510 --> 00:08:12,960

something you know so i literally went

233

00:08:17,990 --> 00:08:15,520

up the drain point went to bed

234

00:08:20,230 --> 00:08:18,000

um got up the next day ready for school

235

00:08:21,830 --> 00:08:20,240

and went down expecting to get it off my

236

00:08:23,270 --> 00:08:21,840

mum and dad you know what the hell has i

237

00:08:25,350 --> 00:08:23,280

done you know i was thinking i was going

238

00:08:26,950 --> 00:08:25,360

to get it and they didn't say a word

239

00:08:29,110 --> 00:08:26,960

apart from my mum saying you didn't

240

00:08:31,270 --> 00:08:29,120

clean your ruby rugby boots

241

00:08:32,550 --> 00:08:31,280

yesterday you know that that told me

242

00:08:34,469 --> 00:08:32,560

what day of the week it was because we

243

00:08:36,149 --> 00:08:34,479

always played rugby on a wednesday but

244

00:08:37,110 --> 00:08:36,159

anyway i thought i'd got away with it

245

00:08:39,110 --> 00:08:37,120

great

246

00:08:40,949 --> 00:08:39,120

i went to school

247

00:08:42,230 --> 00:08:40,959

my head was messed up you know because i

248

00:08:43,750 --> 00:08:42,240

didn't know

249

00:08:44,870 --> 00:08:43,760

what had even happened in school i

250

00:08:47,590 --> 00:08:44,880

didn't know what i'd been doing or

251

00:08:49,030 --> 00:08:47,600

anything for two days uh but i didn't

252

00:08:51,350 --> 00:08:49,040

say anything to my friends again i

253

00:08:53,269 --> 00:08:51,360

thought if i you know i'm not gonna look

254

00:08:55,670 --> 00:08:53,279

stupid i've had that effect when i was

255

00:08:57,750 --> 00:08:55,680

younger and i didn't want that in my

256

00:08:59,350 --> 00:08:57,760

comp school as well i knew that the kids

257

00:09:01,030 --> 00:08:59,360

from my local school had gone to the

258

00:09:02,790 --> 00:09:01,040

comp and i was very always worried they

259

00:09:04,949 --> 00:09:02,800

were going to tell them everyone else in

260

00:09:07,509 --> 00:09:04,959

the comp you know about me as well and

261

00:09:09,829 --> 00:09:07,519

so i didn't say anything and i we moved

262

00:09:11,350 --> 00:09:09,839

the house then two weeks later

263

00:09:14,230 --> 00:09:11,360

and um

264

00:09:15,670 --> 00:09:14,240

we moved out to the area so i i knew i

265

00:09:17,509 --> 00:09:15,680

didn't have to say anything i thought

266

00:09:19,750 --> 00:09:17,519

i'm going to get away with this

267

00:09:22,470 --> 00:09:19,760

and i never said a word we we moved to

268

00:09:25,350 --> 00:09:22,480

the oldest house in newport it was built

269

00:09:27,350 --> 00:09:25,360

in 1580 an old mansion house and i'd

270

00:09:29,750 --> 00:09:27,360

never seen a ghost or what people class

271

00:09:31,509 --> 00:09:29,760

as a ghost up until that point but then

272

00:09:33,110 --> 00:09:31,519

from that i don't know whether it was

273

00:09:34,630 --> 00:09:33,120

the interaction with what had happened a

274

00:09:36,630 --> 00:09:34,640

couple of weeks earlier with this giant

275

00:09:38,150 --> 00:09:36,640

craft and with i admit in time as well i

276

00:09:40,630 --> 00:09:38,160

forgot to mention that about an hour and

277

00:09:44,310 --> 00:09:40,640

a half of missing time where i've you

278

00:09:45,350 --> 00:09:44,320

know i've nowhere no idea um where i was

279

00:09:47,590 --> 00:09:45,360

um

280

00:09:49,670 --> 00:09:47,600

but anyway we moved to this this house

281

00:09:51,430 --> 00:09:49,680

this old house and

282

00:09:53,750 --> 00:09:51,440

i started to see ghosts they would sit

283

00:09:56,310 --> 00:09:53,760

on my bed they would push me

284

00:09:58,150 --> 00:09:56,320

hit me talk to me you know and i had an

285

00:09:59,910 --> 00:09:58,160

ongoing experience then for the next

286

00:10:02,069 --> 00:09:59,920

five or six years while we lived in that

287

00:10:03,829 --> 00:10:02,079

house nearly every day i mean my sister

288

00:10:05,670 --> 00:10:03,839

moved out the house that's how spooky it

289

00:10:07,190 --> 00:10:05,680

was it had its own chapel

290

00:10:09,750 --> 00:10:07,200

in the house you know it was a really

291

00:10:12,630 --> 00:10:09,760

old um really old house

292

00:10:14,470 --> 00:10:12,640

um so that was that one and then um

293

00:10:15,750 --> 00:10:14,480

next major experience

294

00:10:17,350 --> 00:10:15,760

yeah

295

00:10:19,590 --> 00:10:17,360

let me jump in on that thanks because

296

00:10:21,829 --> 00:10:19,600

that's really really interesting um like

297

00:10:24,069 --> 00:10:21,839

story you've told the first part as well

298

00:10:24,949 --> 00:10:24,079

now you talk about the missing time had

299

00:10:27,430 --> 00:10:24,959

you

300

00:10:29,670 --> 00:10:27,440

ever since then looked at anything like

301  
00:10:32,389 --> 00:10:29,680  
regression or had any idea of what

302  
00:10:33,910 --> 00:10:32,399  
happened during that missing time i've

303  
00:10:35,269 --> 00:10:33,920  
never looked at regression i've looked

304  
00:10:37,110 --> 00:10:35,279  
at what people

305  
00:10:38,710 --> 00:10:37,120  
the effect

306  
00:10:40,790 --> 00:10:38,720  
and the trolling that has happened to

307  
00:10:42,550 --> 00:10:40,800  
people who've had regression and that is

308  
00:10:44,550 --> 00:10:42,560  
and the thought of

309  
00:10:46,550 --> 00:10:44,560  
um finding out i've got a member i

310  
00:10:49,590 --> 00:10:46,560  
haven't got a memory about it you know

311  
00:10:52,550 --> 00:10:49,600  
so it's not a bad memory so i don't want

312  
00:10:53,829 --> 00:10:52,560  
to be regressed and then suddenly find

313  
00:10:55,350 --> 00:10:53,839

something really bad happen to me

314

00:10:57,030 --> 00:10:55,360

because i've got i've been until

315

00:10:58,230 --> 00:10:57,040

recently this i turned about the nine

316

00:11:00,870 --> 00:10:58,240

months ago

317

00:11:03,110 --> 00:11:00,880

i am being a bed you know um

318

00:11:04,470 --> 00:11:03,120

i had never had a bad experience or i

319

00:11:06,230 --> 00:11:04,480

didn't think i'd had a bad experience

320

00:11:07,110 --> 00:11:06,240

because i haven't got a memory of it

321

00:11:10,150 --> 00:11:07,120

okay

322

00:11:11,430 --> 00:11:10,160

so i it really puts me off the idea of

323

00:11:13,030 --> 00:11:11,440

um

324

00:11:14,630 --> 00:11:13,040

suddenly finding out they're doing

325

00:11:16,230 --> 00:11:14,640

terrible things to me

326

00:11:18,550 --> 00:11:16,240

you know and then that it's already

327

00:11:20,710 --> 00:11:18,560

messed my life up almost you know and i

328

00:11:22,150 --> 00:11:20,720

really don't want it

329

00:11:23,910 --> 00:11:22,160

you know what i mean am i going to

330

00:11:25,590 --> 00:11:23,920

therapy after i've had that regression

331

00:11:27,509 --> 00:11:25,600

you know i'd just prefer not to have the

332

00:11:28,870 --> 00:11:27,519

regression and avoid it completely

333

00:11:30,230 --> 00:11:28,880

that's my um

334

00:11:32,389 --> 00:11:30,240

my thing on that was the other part of

335

00:11:33,829 --> 00:11:32,399

your question sorry andy missed no no

336

00:11:35,910 --> 00:11:33,839

that that's completely fair it's you

337

00:11:37,590 --> 00:11:35,920

know ignorance is bliss is the old

338

00:11:40,069 --> 00:11:37,600

phrase and and especially when it comes

339

00:11:41,829 --> 00:11:40,079

to that your your first answer was

340

00:11:43,750 --> 00:11:41,839

funny you mentioned like you don't want

341

00:11:45,269 --> 00:11:43,760

to get regression because of trolls and

342

00:11:46,870 --> 00:11:45,279

whatnot and i was going to say but even

343

00:11:49,030 --> 00:11:46,880

for yourself but

344

00:11:54,550 --> 00:11:49,040

your reasoning and logic of i'd rather

345

00:11:58,389 --> 00:11:56,629

go on

346

00:12:00,949 --> 00:11:58,399

no no that's i'm sure there are other

347

00:12:03,509 --> 00:12:00,959

people that like you if they had the

348

00:12:05,350 --> 00:12:03,519

option of knowing something like that

349

00:12:07,750 --> 00:12:05,360

they maybe wouldn't want to know it's

350

00:12:09,590 --> 00:12:07,760

better to not know

351

00:12:12,389 --> 00:12:09,600

yeah but you also get them people saying

352

00:12:14,389 --> 00:12:12,399

to you ah why is he avoiding it

353

00:12:16,629 --> 00:12:14,399

what is he hiding that's the troll

354

00:12:18,389 --> 00:12:16,639

inside of it you know this is the

355

00:12:20,470 --> 00:12:18,399

it's bad enough and hard enough for

356

00:12:23,430 --> 00:12:20,480

experience to to come out in the first

357

00:12:24,790 --> 00:12:23,440

place and i waited um 48 years

358

00:12:26,629 --> 00:12:24,800

to say a word

359

00:12:28,710 --> 00:12:26,639

you know in in public

360

00:12:30,629 --> 00:12:28,720

apart from that experience that first

361

00:12:33,190 --> 00:12:30,639

time when i first told that one kid it

362

00:12:34,870 --> 00:12:33,200

ruined my up to the point i went to comp

363

00:12:37,190 --> 00:12:34,880

it ruined my life

364

00:12:38,710 --> 00:12:37,200

you know what i mean i had no friends i

365

00:12:40,550 --> 00:12:38,720

literally was living this i would go

366

00:12:42,069 --> 00:12:40,560

after i'd other kids were playing

367

00:12:44,069 --> 00:12:42,079

football with other friends after school

368

00:12:46,069 --> 00:12:44,079

and stuff i wasn't able to do that

369

00:12:47,829 --> 00:12:46,079

because i was getting abuse

370

00:12:49,509 --> 00:12:47,839

so i would literally go off on my own

371

00:12:51,110 --> 00:12:49,519

and i'd be seeing these orbs following

372

00:12:52,949 --> 00:12:51,120

me around like

373

00:12:55,590 --> 00:12:52,959

they're like um i mean i class them like

374

00:12:57,030 --> 00:12:55,600

um a mirror glass like a camera is

375

00:12:58,870 --> 00:12:57,040

following me right they were following

376

00:13:01,110 --> 00:12:58,880

me around everywhere i went like as if

377

00:13:03,190 --> 00:13:01,120

they were keeping an eye on me strange

378

00:13:04,870 --> 00:13:03,200

andy i'm gonna clue what they are

379

00:13:06,150 --> 00:13:04,880

you know i'm not gonna pretend i know

380

00:13:08,470 --> 00:13:06,160

what they are because i don't i haven't

381

00:13:10,389 --> 00:13:08,480

got a clue but that was that's the sort

382

00:13:11,590 --> 00:13:10,399

of thing that's built got into my head

383

00:13:13,910 --> 00:13:11,600

over the years are they some sort of

384

00:13:15,190 --> 00:13:13,920

like mirror glass camera from another

385

00:13:17,269 --> 00:13:15,200

dimension or something and they're

386

00:13:18,470 --> 00:13:17,279

literally keeping an eye on me you know

387

00:13:20,550 --> 00:13:18,480

that was

388

00:13:22,870 --> 00:13:20,560

i mean it was strange i said about the

389

00:13:25,350 --> 00:13:22,880

um the orbs where they were all above me

390

00:13:27,269 --> 00:13:25,360

when i had the appendix incidents and my

391

00:13:29,670 --> 00:13:27,279

panics was burst in yeah

392

00:13:30,790 --> 00:13:29,680

i never saw those small orbs again

393

00:13:32,310 --> 00:13:30,800

after that

394

00:13:33,670 --> 00:13:32,320

so i literally went

395

00:13:35,750 --> 00:13:33,680

crawled home

396

00:13:37,269 --> 00:13:35,760

gone went to hospital had my appendix

397

00:13:39,350 --> 00:13:37,279

out never saw the small orbs again and

398

00:13:42,629 --> 00:13:39,360

i've never seen them since i only see

399

00:13:46,150 --> 00:13:42,639

massive orbs now you know giant size

400

00:13:49,269 --> 00:13:46,160

um van size orbs you know or hot air

401  
00:13:51,509 --> 00:13:49,279  
balloon size orbs massive ones

402  
00:13:53,670 --> 00:13:51,519  
yeah that's strange you mentioned

403  
00:13:55,910 --> 00:13:53,680  
you mentioned john that you waited 48

404  
00:13:57,829 --> 00:13:55,920  
years to even talk about this at all

405  
00:14:01,110 --> 00:13:57,839  
what was the point after all that time

406  
00:14:02,629 --> 00:14:01,120  
you decided enough was enough

407  
00:14:04,870 --> 00:14:02,639  
well i watched the i watched like

408  
00:14:06,389 --> 00:14:04,880  
everyone else on ufo twitter i saw the

409  
00:14:08,389 --> 00:14:06,399  
nimitz stuff coming out i saw the new

410  
00:14:09,829 --> 00:14:08,399  
york times stuff coming out and i

411  
00:14:12,310 --> 00:14:09,839  
thought well if it's going into the

412  
00:14:13,670 --> 00:14:12,320  
press no it's becoming mainstream

413  
00:14:16,150 --> 00:14:13,680

and um

414

00:14:17,990 --> 00:14:16,160

i i had a business

415

00:14:20,550 --> 00:14:18,000

i mean i thought it's not quite true

416

00:14:22,629 --> 00:14:20,560

actually andy in 2010 i had another

417

00:14:24,790 --> 00:14:22,639

major incident where i had a landing an

418

00:14:26,470 --> 00:14:24,800

object landed by my house when i lived

419

00:14:28,790 --> 00:14:26,480

in west wales

420

00:14:30,069 --> 00:14:28,800

and that was that was a crazy experience

421

00:14:32,150 --> 00:14:30,079

i'm not going to talk about that but i

422

00:14:35,030 --> 00:14:32,160

doubt if you've got enough time um

423

00:14:37,030 --> 00:14:35,040

so no lesson go go for it

424

00:14:38,949 --> 00:14:37,040

okay so um

425

00:14:40,389 --> 00:14:38,959

basically my daughter was two we're

426

00:14:43,030 --> 00:14:40,399

living on the coast

427

00:14:44,310 --> 00:14:43,040

um just north gower opposite for an

428

00:14:45,509 --> 00:14:44,320

athlete on the opposite coast of the

429

00:14:48,150 --> 00:14:45,519

estuary

430

00:14:49,670 --> 00:14:48,160

um and my daughter stood over by the

431

00:14:51,990 --> 00:14:49,680

conservatory window and she suddenly

432

00:14:53,430 --> 00:14:52,000

says bright she's two years old that was

433

00:14:55,030 --> 00:14:53,440

a that was a good word for her so i

434

00:14:56,230 --> 00:14:55,040

thought oh great word so i walked over

435

00:14:58,470 --> 00:14:56,240

to the window thinking what's she on

436

00:15:00,310 --> 00:14:58,480

about you know and um even though i've

437

00:15:01,990 --> 00:15:00,320

been seeing these all my life she threw

438

00:15:04,629 --> 00:15:02,000

me off balance and i was looking out the

439

00:15:06,470 --> 00:15:04,639

window and um there's an orange orb a

440

00:15:08,310 --> 00:15:06,480

big orange or by the tree of my

441

00:15:09,269 --> 00:15:08,320

neighbor's tennis courts

442

00:15:11,030 --> 00:15:09,279

um

443

00:15:13,189 --> 00:15:11,040

right by my house literally just at the

444

00:15:15,189 --> 00:15:13,199

end of the garden and it's just sitting

445

00:15:18,550 --> 00:15:15,199

by this tree and all of a sudden

446

00:15:20,550 --> 00:15:18,560

um it shoots to my right and down we're

447

00:15:22,550 --> 00:15:20,560

on top of the hill okay so it shoots

448

00:15:26,069 --> 00:15:22,560

into the estuary which is like a salt

449

00:15:28,470 --> 00:15:26,079

marsh the tide is out okay and it it

450

00:15:29,990 --> 00:15:28,480

shoots down so fast it's like the tic

451  
00:15:32,150 --> 00:15:30,000  
tac speed when they talk about it's you

452  
00:15:34,310 --> 00:15:32,160  
know i did was it seventy thousand miles

453  
00:15:35,829 --> 00:15:34,320  
an hour or something crazy if i blinked

454  
00:15:37,430 --> 00:15:35,839  
i would not have seen this you know it

455  
00:15:39,749 --> 00:15:37,440  
was almost i almost didn't see it and

456  
00:15:41,430 --> 00:15:39,759  
then oh there it is you know and but it

457  
00:15:42,870 --> 00:15:41,440  
moves so fast it threw me off guard

458  
00:15:45,030 --> 00:15:42,880  
because i've never seen him move that

459  
00:15:47,430 --> 00:15:45,040  
fast before he used to always mosey

460  
00:15:49,350 --> 00:15:47,440  
along whenever i saw him you know

461  
00:15:51,110 --> 00:15:49,360  
and let me see him whenever i wanted but

462  
00:15:53,749 --> 00:15:51,120  
this was like boom

463  
00:15:55,509 --> 00:15:53,759

and i thought oh my god it's crashed

464

00:15:56,790 --> 00:15:55,519

but there was no sound i opened the

465

00:15:58,389 --> 00:15:56,800

windows of the conservatory and i'm

466

00:15:59,670 --> 00:15:58,399

listening there's no sound and all of a

467

00:16:00,949 --> 00:15:59,680

sudden then this thing starts to be

468

00:16:03,269 --> 00:16:00,959

massive brash

469

00:16:06,310 --> 00:16:03,279

bright flashes of light all different

470

00:16:08,470 --> 00:16:06,320

colors like blinding like boom right in

471

00:16:10,230 --> 00:16:08,480

your face you know like a lighthouse

472

00:16:11,829 --> 00:16:10,240

but they seem to be directed to me

473

00:16:15,350 --> 00:16:11,839

that's the way it felt to me at the time

474

00:16:17,910 --> 00:16:15,360

anyway um again there's no sound um and

475

00:16:19,269 --> 00:16:17,920

then another object appears directly

476

00:16:21,749 --> 00:16:19,279

opposite between me and this other

477

00:16:24,230 --> 00:16:21,759

object over bury port until and ashley

478

00:16:25,990 --> 00:16:24,240

is cloud so this thing is below cloud

479

00:16:27,990 --> 00:16:26,000

level but it looks like the moon but

480

00:16:30,389 --> 00:16:28,000

it's got like a bluey green

481

00:16:32,550 --> 00:16:30,399

um it's bright white but bluey green

482

00:16:33,430 --> 00:16:32,560

edges about the size of a very large

483

00:16:35,910 --> 00:16:33,440

moon

484

00:16:37,829 --> 00:16:35,920

um so that's just stopped dead

485

00:16:39,749 --> 00:16:37,839

directly between me this object on the

486

00:16:41,350 --> 00:16:39,759

ground which has continued flashing and

487

00:16:43,829 --> 00:16:41,360

then all of a sudden i can hear what

488

00:16:45,990 --> 00:16:43,839

sounds like a chinook helicopter coming

489

00:16:48,150 --> 00:16:46,000

in from the north of the estuary and i

490

00:16:49,829 --> 00:16:48,160

can hear it i could see two lights like

491

00:16:52,389 --> 00:16:49,839

not flashing lights so red and white

492

00:16:53,670 --> 00:16:52,399

like the steady light coming in very low

493

00:16:55,350 --> 00:16:53,680

and the chin up getting louder and

494

00:16:57,590 --> 00:16:55,360

louder and over twin wrote the

495

00:16:58,949 --> 00:16:57,600

helicopter it gets up to the object on

496

00:17:00,550 --> 00:16:58,959

the ground

497

00:17:01,590 --> 00:17:00,560

and there's a little flash of light

498

00:17:02,829 --> 00:17:01,600

between the two of them and the

499

00:17:05,510 --> 00:17:02,839

helicopter

500

00:17:07,429 --> 00:17:05,520

vanished totally vanished the sound of

501  
00:17:09,029 --> 00:17:07,439  
the helicopter totally vanished and then

502  
00:17:11,270 --> 00:17:09,039  
i can hear it again

503  
00:17:13,189 --> 00:17:11,280  
two miles up the coast i can hear the

504  
00:17:15,029 --> 00:17:13,199  
same thing happening all over again

505  
00:17:16,470 --> 00:17:15,039  
it starts coming in again

506  
00:17:18,710 --> 00:17:16,480  
it gets up to the object there's another

507  
00:17:20,230 --> 00:17:18,720  
flash of light vanish eight or nine

508  
00:17:22,630 --> 00:17:20,240  
times it happened

509  
00:17:25,110 --> 00:17:22,640  
which was it was nuts you know so i knew

510  
00:17:26,949 --> 00:17:25,120  
i mean i knew anyway that it wasn't you

511  
00:17:28,150 --> 00:17:26,959  
know somewhat legit but the helicopter

512  
00:17:30,070 --> 00:17:28,160  
threw me off guard because i was

513  
00:17:31,750 --> 00:17:30,080

thinking maybe i've got this wrong you

514

00:17:34,390 --> 00:17:31,760

know maybe this is some military thing

515

00:17:36,150 --> 00:17:34,400

that's going on or you know and i i get

516

00:17:37,590 --> 00:17:36,160

the impression now that that is the idea

517

00:17:39,990 --> 00:17:37,600

behind

518

00:17:42,310 --> 00:17:40,000

what i class know as a fake helicopter

519

00:17:44,150 --> 00:17:42,320

um that they are used as some sort of

520

00:17:45,510 --> 00:17:44,160

distraction to make people think oh

521

00:17:48,150 --> 00:17:45,520

there's nothing going on you know this

522

00:17:50,070 --> 00:17:48,160

is a legitimate thing that you see in

523

00:17:52,150 --> 00:17:50,080

don't worry about it it's military or

524

00:17:55,750 --> 00:17:52,160

something you know i mean was it

525

00:17:57,990 --> 00:17:55,760

holographic was it um a mind alt was my

526

00:17:58,830 --> 00:17:58,000

mind being altered in some way

527

00:18:01,270 --> 00:17:58,840

alter

528

00:18:03,270 --> 00:18:01,280

perception um i have no idea i mean i

529

00:18:04,950 --> 00:18:03,280

took pictures of everything

530

00:18:06,870 --> 00:18:04,960

um that was going on i'd run down the

531

00:18:08,470 --> 00:18:06,880

house at one point grabbed by you had a

532

00:18:10,870 --> 00:18:08,480

brand new camera i bought two days

533

00:18:12,710 --> 00:18:10,880

previous never used it literally put the

534

00:18:14,310 --> 00:18:12,720

batteries in to see whether i could to

535

00:18:16,310 --> 00:18:14,320

test it you know just in case i had to

536

00:18:18,230 --> 00:18:16,320

send you back anyway so i took loads of

537

00:18:20,150 --> 00:18:18,240

pictures didn't realize until the next

538

00:18:22,549 --> 00:18:20,160

day they had a video function

539

00:18:24,549 --> 00:18:22,559

uh you know what i mean um

540

00:18:27,909 --> 00:18:24,559

anyway that all that all went on with a

541

00:18:29,750 --> 00:18:27,919

helicopter to my left is the c yeah i

542

00:18:31,909 --> 00:18:29,760

hadn't noticed and

543

00:18:34,230 --> 00:18:31,919

it was an emerald green object coming in

544

00:18:35,190 --> 00:18:34,240

from the sea and it got right up close

545

00:18:36,789 --> 00:18:35,200

to

546

00:18:39,029 --> 00:18:36,799

this object that's on the ground which

547

00:18:41,909 --> 00:18:39,039

was originally an orange orb but it

548

00:18:43,750 --> 00:18:41,919

turned into a like a blue object a craft

549

00:18:46,230 --> 00:18:43,760

okay so this thing gets right up this

550

00:18:47,990 --> 00:18:46,240

emerald objects gets right up to it it

551  
00:18:50,150 --> 00:18:48,000  
shines the only way i could describe it

552  
00:18:51,909 --> 00:18:50,160  
is like the starship star trek when

553  
00:18:54,230 --> 00:18:51,919  
there's a tractor beam because it's

554  
00:18:57,270 --> 00:18:54,240  
shone a light onto this object on the

555  
00:18:59,669 --> 00:18:57,280  
ground a green light it wrapped itself

556  
00:19:01,590 --> 00:18:59,679  
around it and they literally took itself

557  
00:19:04,310 --> 00:19:01,600  
out to see the two of them went out to

558  
00:19:05,590 --> 00:19:04,320  
see quite slow yeah as soon as that

559  
00:19:07,669 --> 00:19:05,600  
started happening the helicopter

560  
00:19:09,830 --> 00:19:07,679  
vanished and never came back and the

561  
00:19:11,830 --> 00:19:09,840  
object over for naturally that have been

562  
00:19:12,870 --> 00:19:11,840  
sat there like keeping an eye on things

563  
00:19:14,710 --> 00:19:12,880

i don't know

564

00:19:19,669 --> 00:19:14,720

um that vanished

565

00:19:21,270 --> 00:19:19,679

and it just went off um the next day um

566

00:19:22,470 --> 00:19:21,280

i was expecting the neighbors to have

567

00:19:24,789 --> 00:19:22,480

all seen this because of all the noise

568

00:19:26,630 --> 00:19:24,799

of the helicopter and all the you know

569

00:19:28,230 --> 00:19:26,640

so i thought i'd go down the road try

570

00:19:29,350 --> 00:19:28,240

and find some other witnesses couldn't

571

00:19:31,029 --> 00:19:29,360

find any of the witnesses there's a

572

00:19:33,190 --> 00:19:31,039

holiday area so there's most of the

573

00:19:34,630 --> 00:19:33,200

houses are empty at that time of year

574

00:19:36,549 --> 00:19:34,640

um so i only found two people and

575

00:19:38,630 --> 00:19:36,559

neither of them had seen it that was

576

00:19:42,390 --> 00:19:38,640

that went back to work i worked from

577

00:19:43,909 --> 00:19:42,400

home um i went back to work um

578

00:19:45,990 --> 00:19:43,919

phoned up everyone i could think of the

579

00:19:47,430 --> 00:19:46,000

police i phoned the police on the night

580

00:19:50,549 --> 00:19:47,440

i mean they hadn't heard anything

581

00:19:52,310 --> 00:19:50,559

because i thought you know i'll

582

00:19:54,070 --> 00:19:52,320

wipe that one off the slate is it was it

583

00:19:55,430 --> 00:19:54,080

a police helicopter was it some did

584

00:19:57,190 --> 00:19:55,440

anyone else report it i was trying to

585

00:19:58,390 --> 00:19:57,200

find out you know nobody reported

586

00:20:00,390 --> 00:19:58,400

anything didn't want it didn't know

587

00:20:02,149 --> 00:20:00,400

anything about it and they kept phoning

588

00:20:03,350 --> 00:20:02,159

me for weeks on end afterwards because

589

00:20:05,190 --> 00:20:03,360

everyone in the police station was

590

00:20:06,630 --> 00:20:05,200

really interested i always got the

591

00:20:09,110 --> 00:20:06,640

impression that yeah because they knew

592

00:20:10,470 --> 00:20:09,120

something you know i you know paranoia

593

00:20:12,070 --> 00:20:10,480

but that was the impression i was

594

00:20:14,149 --> 00:20:12,080

getting why did they keep phoning me you

595

00:20:16,470 --> 00:20:14,159

know um

596

00:20:18,070 --> 00:20:16,480

you know i tried everyone i phoned nic i

597

00:20:19,590 --> 00:20:18,080

got in touch with nick pope nick pope

598

00:20:21,750 --> 00:20:19,600

had already left the mod you didn't want

599

00:20:23,430 --> 00:20:21,760

to know he just said that yeah baffling

600

00:20:24,390 --> 00:20:23,440

in intriguing pictures that was about it

601  
00:20:25,990 --> 00:20:24,400  
though

602  
00:20:28,149 --> 00:20:26,000  
um

603  
00:20:29,750 --> 00:20:28,159  
there they say next day again i saw two

604  
00:20:31,430 --> 00:20:29,760  
black vans

605  
00:20:33,430 --> 00:20:31,440  
two black fans had parked it right in

606  
00:20:35,350 --> 00:20:33,440  
the spot where this thing had landed and

607  
00:20:37,029 --> 00:20:35,360  
there was blokes literally wandering

608  
00:20:38,870 --> 00:20:37,039  
around with either metal detectors or

609  
00:20:40,549 --> 00:20:38,880  
radiation things strange equipment

610  
00:20:42,470 --> 00:20:40,559  
looking you know i couldn't really

611  
00:20:43,750 --> 00:20:42,480  
left my pair of binoculars i'd be

612  
00:20:45,110 --> 00:20:43,760  
watching it all with the night before

613  
00:20:47,110 --> 00:20:45,120

and the camera but i'd left them at the

614

00:20:48,470 --> 00:20:47,120

top of the house you know i didn't go

615

00:20:49,830 --> 00:20:48,480

back up because i was in the middle of

616

00:20:51,830 --> 00:20:49,840

my day of work

617

00:20:53,909 --> 00:20:51,840

um but i kicked myself now i didn't take

618

00:20:55,350 --> 00:20:53,919

pictures of the black vans as well

619

00:20:57,190 --> 00:20:55,360

but um

620

00:20:58,710 --> 00:20:57,200

i don't know i mean were those were they

621

00:21:00,950 --> 00:20:58,720

really black fans because i went to the

622

00:21:02,470 --> 00:21:00,960

castle where the the track was where

623

00:21:04,950 --> 00:21:02,480

these vans had would have had to have

624

00:21:06,870 --> 00:21:04,960

come out from onto the marshes and i

625

00:21:09,430 --> 00:21:06,880

spoke to the farmer and the farmer told

626  
00:21:11,270 --> 00:21:09,440  
me that he'd never let anyone out there

627  
00:21:13,430 --> 00:21:11,280  
you know he took me to the gates that

628  
00:21:14,789 --> 00:21:13,440  
was locked padlocked and said i've never

629  
00:21:16,950 --> 00:21:14,799  
let anyone out there at his private

630  
00:21:18,789 --> 00:21:16,960  
property and you're not out loud out

631  
00:21:20,230 --> 00:21:18,799  
there because they used to do

632  
00:21:21,590 --> 00:21:20,240  
bomb disposal out there because they use

633  
00:21:22,870 --> 00:21:21,600  
it as a range

634  
00:21:25,430 --> 00:21:22,880  
during the war

635  
00:21:27,270 --> 00:21:25,440  
okay so it's nobody goes out there i

636  
00:21:28,710 --> 00:21:27,280  
mean it's been hinted at me again that

637  
00:21:30,230 --> 00:21:28,720  
maybe they

638  
00:21:32,549 --> 00:21:30,240

they weren't really black vans and they

639

00:21:34,310 --> 00:21:32,559

were't really men and they were

640

00:21:35,669 --> 00:21:34,320

again something being manifested and

641

00:21:37,190 --> 00:21:35,679

something else was really there because

642

00:21:39,029 --> 00:21:37,200

how the hell did they get out there

643

00:21:40,390 --> 00:21:39,039

through those locked gates you know i

644

00:21:41,830 --> 00:21:40,400

don't know john

645

00:21:44,470 --> 00:21:41,840

let me ask because that's that's

646

00:21:48,149 --> 00:21:44,480

fascinating do you have any idea

647

00:21:51,029 --> 00:21:48,159

or any best guess what these things may

648

00:21:52,390 --> 00:21:51,039

be or where they may be from

649

00:21:54,310 --> 00:21:52,400

oh mate

650

00:21:56,390 --> 00:21:54,320

that's why i'm doing this 15 hours a day

651  
00:21:58,470 --> 00:21:56,400  
seven days a week trying to find out

652  
00:22:00,230 --> 00:21:58,480  
like the rest of us you know i'm uh i

653  
00:22:01,750 --> 00:22:00,240  
wish i wish i had the answers i've i

654  
00:22:04,310 --> 00:22:01,760  
haven't got any answers all i can tell

655  
00:22:07,110 --> 00:22:04,320  
you is what happened to me you know i i

656  
00:22:10,630 --> 00:22:08,710  
why do you haven't always happening to

657  
00:22:12,390 --> 00:22:10,640  
you

658  
00:22:15,510 --> 00:22:12,400  
i really don't know

659  
00:22:18,149 --> 00:22:15,520  
thought it was happening to everyone

660  
00:22:20,149 --> 00:22:18,159  
when i was before i went to school you

661  
00:22:21,190 --> 00:22:20,159  
know until that first kid said to me i'm

662  
00:22:23,110 --> 00:22:21,200  
nuts

663  
00:22:24,470 --> 00:22:23,120

i thought all kids could see or you know

664

00:22:25,909 --> 00:22:24,480

these orbs

665

00:22:27,029 --> 00:22:25,919

and um

666

00:22:28,630 --> 00:22:27,039

that was the point i learned they

667

00:22:29,909 --> 00:22:28,640

couldn't you know and that's the point i

668

00:22:31,750 --> 00:22:29,919

knew that i was different and i had to

669

00:22:33,430 --> 00:22:31,760

shut my mouth

670

00:22:35,270 --> 00:22:33,440

or it was going to cost obviously and it

671

00:22:37,350 --> 00:22:35,280

has cost me you know

672

00:22:39,350 --> 00:22:37,360

yeah it's something you've lived with

673

00:22:42,149 --> 00:22:39,360

and you've dealt with it for a long for

674

00:22:43,990 --> 00:22:42,159

decades you've now not only got yourself

675

00:22:45,430 --> 00:22:44,000

to look after you've got your wife and

676  
00:22:47,110 --> 00:22:45,440  
daughter you mentioned

677  
00:22:51,029 --> 00:22:47,120  
what sort of effect does your

678  
00:22:53,510 --> 00:22:51,039  
experiences have on them

679  
00:22:55,669 --> 00:22:53,520  
well my daughter can see things as well

680  
00:22:57,350 --> 00:22:55,679  
um she sees things that she doesn't see

681  
00:22:58,230 --> 00:22:57,360  
the small orbs that i saw when i was a

682  
00:22:59,029 --> 00:22:58,240  
child

683  
00:23:00,789 --> 00:22:59,039  
but

684  
00:23:02,310 --> 00:23:00,799  
she saw that all

685  
00:23:03,750 --> 00:23:02,320  
um before i did when we were doing a

686  
00:23:04,950 --> 00:23:03,760  
girl when he landed you know she pointed

687  
00:23:07,190 --> 00:23:04,960  
out to me

688  
00:23:08,630 --> 00:23:07,200

and then um a couple of christmases ago

689

00:23:10,630 --> 00:23:08,640

christmas day we went out for lunch you

690

00:23:11,990 --> 00:23:10,640

were coming back there were three giant

691

00:23:13,990 --> 00:23:12,000

orbs in the middle of the road just

692

00:23:15,510 --> 00:23:14,000

above the road massive ones about hot

693

00:23:17,590 --> 00:23:15,520

air balloon size

694

00:23:19,669 --> 00:23:17,600

but my wife has no interest in the topic

695

00:23:21,110 --> 00:23:19,679

at all so i didn't you know people got

696

00:23:22,630 --> 00:23:21,120

mad i don't stop the car and take

697

00:23:24,789 --> 00:23:22,640

pictures but i see these things all the

698

00:23:26,789 --> 00:23:24,799

time you know i mean so it was that was

699

00:23:29,270 --> 00:23:26,799

a good one but it was christmas day we

700

00:23:32,390 --> 00:23:29,280

were full we were all tired and i wanted

701  
00:23:33,510 --> 00:23:32,400  
to get home you know so we didn't but um

702  
00:23:35,270 --> 00:23:33,520  
it's difficult

703  
00:23:39,029 --> 00:23:35,280  
it really is difficult to

704  
00:23:43,029 --> 00:23:41,029  
it is seven days a week it is 15 hours a

705  
00:23:44,789 --> 00:23:43,039  
day it is it is a

706  
00:23:47,269 --> 00:23:44,799  
a total obsession to try and find

707  
00:23:49,750 --> 00:23:47,279  
answers and it it really does take it

708  
00:23:50,950 --> 00:23:49,760  
out of you so that's what i go on about

709  
00:23:52,310 --> 00:23:50,960  
please don't call yourself an

710  
00:23:54,310 --> 00:23:52,320  
experiencer because if you're not an

711  
00:23:55,990 --> 00:23:54,320  
experiencer you know i mean it means

712  
00:23:57,029 --> 00:23:56,000  
something

713  
00:23:59,590 --> 00:23:57,039

and it's not

714

00:24:03,669 --> 00:23:59,600

a nice thing sometimes you know

715

00:24:07,909 --> 00:24:05,909

well i had i had a i've been to bed for

716

00:24:10,710 --> 00:24:07,919

about in just over nine months because i

717

00:24:13,590 --> 00:24:10,720

was lying i woke literally

718

00:24:15,510 --> 00:24:13,600

with my mouth open i couldn't breathe

719

00:24:17,510 --> 00:24:15,520

i couldn't move my body at all apart

720

00:24:20,390 --> 00:24:17,520

from my eyes and this was the first

721

00:24:22,470 --> 00:24:20,400

negative experience i can remember okay

722

00:24:25,669 --> 00:24:22,480

and there was literally a there was a

723

00:24:28,230 --> 00:24:25,679

female entity an inch from my mouth

724

00:24:30,310 --> 00:24:28,240

with hair that was like seven foot long

725

00:24:32,310 --> 00:24:30,320

floating in the air

726

00:24:33,830 --> 00:24:32,320

by the side of the house massive bull

727

00:24:36,549 --> 00:24:33,840

like eyes

728

00:24:37,510 --> 00:24:36,559

and um she scared the [h\_\_h] out of me

729

00:24:40,070 --> 00:24:37,520

okay

730

00:24:42,149 --> 00:24:40,080

it really did scare me and um she she

731

00:24:44,630 --> 00:24:42,159

looked really pissed off that i'd caught

732

00:24:46,630 --> 00:24:44,640

her and she floated to the end of the

733

00:24:47,990 --> 00:24:46,640

bed i could see this because my wife

734

00:24:49,590 --> 00:24:48,000

sleeps with a light on you know with a

735

00:24:51,029 --> 00:24:49,600

small light lamp

736

00:24:53,510 --> 00:24:51,039

and my daughter does as well they can't

737

00:24:55,269 --> 00:24:53,520

sleep in the dark but so i could see her

738

00:24:56,789 --> 00:24:55,279

perfectly and so she floated to the end

739

00:24:58,630 --> 00:24:56,799

of the bed

740

00:25:00,710 --> 00:24:58,640

one more horrible look for me and then

741

00:25:03,110 --> 00:25:00,720

vanished she looked like a hag you know

742

00:25:04,390 --> 00:25:03,120

like a horrible hag

743

00:25:06,070 --> 00:25:04,400

and um

744

00:25:08,310 --> 00:25:06,080

freaked me out i'm totally as soon as

745

00:25:11,110 --> 00:25:08,320

she vanished i could breathe i'm like

746

00:25:13,669 --> 00:25:11,120

like i screamed my dog that would

747

00:25:15,669 --> 00:25:13,679

normally hear every noise and bark at

748

00:25:16,390 --> 00:25:15,679

anything you know sleeps on the bed with

749

00:25:17,350 --> 00:25:16,400

us

750

00:25:19,750 --> 00:25:17,360

and

751  
00:25:21,430 --> 00:25:19,760  
she didn't murmur my wife is still even

752  
00:25:22,630 --> 00:25:21,440  
though i screamed as loud you know as

753  
00:25:24,310 --> 00:25:22,640  
low as i could

754  
00:25:27,590 --> 00:25:24,320  
um didn't wake up

755  
00:25:29,669 --> 00:25:27,600  
i literally got up checked the house

756  
00:25:31,909 --> 00:25:29,679  
and be in the bed since

757  
00:25:34,070 --> 00:25:31,919  
you know so again today it's annoying

758  
00:25:36,390 --> 00:25:34,080  
when people want to be an experience so

759  
00:25:38,070 --> 00:25:36,400  
it doesn't make any sense to me

760  
00:25:40,070 --> 00:25:38,080  
you know it really doesn't want to

761  
00:25:41,430 --> 00:25:40,080  
doesn't make sense to me at all

762  
00:25:43,110 --> 00:25:41,440  
why why would you want to be an

763  
00:25:44,710 --> 00:25:43,120

experienced yeah okay you want to see a

764

00:25:46,310 --> 00:25:44,720

ufo but you really don't want the rest

765

00:25:49,430 --> 00:25:46,320

of it that goes with it

766

00:25:52,710 --> 00:25:51,350

i've been told by other experiences you

767

00:25:54,870 --> 00:25:52,720

really wouldn't want to be an

768

00:25:57,029 --> 00:25:54,880

experiencer

769

00:25:58,710 --> 00:25:57,039

you know and listen i appreciate

770

00:26:00,390 --> 00:25:58,720

everything you've shared with us so far

771

00:26:01,990 --> 00:26:00,400

as well and in a short time it's a lot

772

00:26:03,510 --> 00:26:02,000

you've given us which i appreciate and

773

00:26:05,830 --> 00:26:03,520

we will talk again but i've got a few

774

00:26:07,909 --> 00:26:05,840

things i want to to get to before we

775

00:26:09,750 --> 00:26:07,919

wrap up our time and this is some of the

776

00:26:11,190 --> 00:26:09,760

stuff we have talked about online and

777

00:26:13,750 --> 00:26:11,200

i'll be honest one of the reasons i'm

778

00:26:16,470 --> 00:26:13,760

doing this is someone like yourself and

779

00:26:18,470 --> 00:26:16,480

the frustration i've seen from you and

780

00:26:20,789 --> 00:26:18,480

others that you're you're not being

781

00:26:22,950 --> 00:26:20,799

heard and other people seem to pick and

782

00:26:25,590 --> 00:26:22,960

choose when experiences are relevant or

783

00:26:26,950 --> 00:26:25,600

when their stories are relevant so i'm

784

00:26:28,230 --> 00:26:26,960

trying to give people the time to at

785

00:26:29,669 --> 00:26:28,240

least share a little bit of their story

786

00:26:31,669 --> 00:26:29,679

so hopefully i've managed to do that and

787

00:26:33,190 --> 00:26:31,679

give you that platform but i want to

788

00:26:35,269 --> 00:26:33,200

know

789

00:26:36,950 --> 00:26:35,279

and in your opinion

790

00:26:39,350 --> 00:26:36,960

actually no forget not in your opinion

791

00:26:41,750 --> 00:26:39,360

because that's wrong as now the right

792

00:26:43,750 --> 00:26:41,760

time for experience or stories to be

793

00:26:45,430 --> 00:26:43,760

involved in the mainstream conversation

794

00:26:47,029 --> 00:26:45,440

before you answer

795

00:26:49,350 --> 00:26:47,039

thinking

796

00:26:51,510 --> 00:26:49,360

if you can take yourself away from your

797

00:26:54,950 --> 00:26:51,520

other person having these experiences

798

00:26:56,070 --> 00:26:54,960

and you tell that to to the every man or

799

00:26:59,190 --> 00:26:56,080

every woman

800

00:27:00,630 --> 00:26:59,200

every person in the street

801  
00:27:02,149 --> 00:27:00,640  
what i mean you know what they're going

802  
00:27:03,669 --> 00:27:02,159  
to say are you know what the majority

803  
00:27:04,789 --> 00:27:03,679  
are going to think

804  
00:27:09,190 --> 00:27:04,799  
yeah

805  
00:27:11,750 --> 00:27:09,200  
the way things have panned out i get it

806  
00:27:13,350 --> 00:27:11,760  
i get the reason why um

807  
00:27:16,390 --> 00:27:13,360  
we've been locked in the closet for a

808  
00:27:17,590 --> 00:27:16,400  
bit you know and uh they don't want to

809  
00:27:19,029 --> 00:27:17,600  
they didn't want to talk to the

810  
00:27:20,710 --> 00:27:19,039  
congressman you know we weren't going to

811  
00:27:23,269 --> 00:27:20,720  
get a real conversation going with them

812  
00:27:24,070 --> 00:27:23,279  
i get all that side of things you know

813  
00:27:25,590 --> 00:27:24,080

but

814

00:27:27,510 --> 00:27:25,600

before we went to speak to the

815

00:27:28,950 --> 00:27:27,520

congressman there was no reason why

816

00:27:30,789 --> 00:27:28,960

experiences couldn't have been at the

817

00:27:32,950 --> 00:27:30,799

table with the people who were going to

818

00:27:34,630 --> 00:27:32,960

meet the congressman

819

00:27:36,710 --> 00:27:34,640

okay that's that's the point i've been

820

00:27:38,950 --> 00:27:36,720

trying to make it's not that i want to

821

00:27:40,470 --> 00:27:38,960

be thrust throwing this down their

822

00:27:41,590 --> 00:27:40,480

throats people are being abducted and

823

00:27:43,430 --> 00:27:41,600

what the hell are you going to do about

824

00:27:45,990 --> 00:27:43,440

it and blowing this out of all

825

00:27:46,830 --> 00:27:46,000

proportion for um and then that's not

826  
00:27:49,990 --> 00:27:46,840  
getting

827  
00:27:52,470 --> 00:27:50,000  
um more june reports and more

828  
00:27:54,230 --> 00:27:52,480  
um congressional hearings or any

829  
00:27:55,590 --> 00:27:54,240  
congressional hearings

830  
00:27:57,510 --> 00:27:55,600  
you know i didn't want any of that don't

831  
00:27:59,990 --> 00:27:57,520  
get me wrong and i know that experiences

832  
00:28:01,990 --> 00:28:00,000  
do and don't just stop anything from

833  
00:28:04,470 --> 00:28:02,000  
happening but there was there was no

834  
00:28:08,070 --> 00:28:04,480  
reason why we couldn't be there forming

835  
00:28:09,830 --> 00:28:08,080  
the questions and forming the the plan

836  
00:28:13,350 --> 00:28:09,840  
of how to proceed

837  
00:28:14,789 --> 00:28:13,360  
and that is what we've been shut out of

838  
00:28:17,590 --> 00:28:14,799

do you not think

839

00:28:20,149 --> 00:28:17,600

that there's a possibility that has or

840

00:28:22,470 --> 00:28:20,159

is happening in the background it's just

841

00:28:24,549 --> 00:28:22,480

that given the nature of it people like

842

00:28:26,149 --> 00:28:24,559

yourself aren't going to be

843

00:28:27,430 --> 00:28:26,159

in the know of that

844

00:28:28,630 --> 00:28:27,440

yeah you might be right i mean i've

845

00:28:30,870 --> 00:28:28,640

heard that

846

00:28:33,590 --> 00:28:30,880

sean cahill for instance is a full-on

847

00:28:35,590 --> 00:28:33,600

experencer but sean has never told me

848

00:28:37,510 --> 00:28:35,600

what his experiences are so i've got no

849

00:28:39,590 --> 00:28:37,520

way to judge that you know so i can only

850

00:28:40,549 --> 00:28:39,600

go on the things i do know

851  
00:28:42,070 --> 00:28:40,559  
um

852  
00:28:44,710 --> 00:28:42,080  
and i do you know i know the other

853  
00:28:45,590 --> 00:28:44,720  
people as well i know louis

854  
00:28:47,909 --> 00:28:45,600  
said

855  
00:28:50,070 --> 00:28:47,919  
or hinted that he had an experience at

856  
00:28:52,710 --> 00:28:50,080  
skinwalker ranch i don't know what that

857  
00:28:54,310 --> 00:28:52,720  
was again you know so it's hard it's

858  
00:28:56,389 --> 00:28:54,320  
hard for me to

859  
00:28:58,149 --> 00:28:56,399  
say yes we're already in there when i

860  
00:28:59,590 --> 00:28:58,159  
don't know what the are they real

861  
00:29:00,710 --> 00:28:59,600  
experiences what are eye classes and

862  
00:29:03,029 --> 00:29:00,720  
real experiences what i've tried to

863  
00:29:04,710 --> 00:29:03,039

describe to you i don't know you know

864

00:29:06,230 --> 00:29:04,720

did they just see did lou just see a

865

00:29:08,470 --> 00:29:06,240

light in the sky

866

00:29:09,750 --> 00:29:08,480

i don't know you know is that what sean

867

00:29:12,149 --> 00:29:09,760

saw i don't know

868

00:29:14,070 --> 00:29:12,159

you know so i can't say experiences have

869

00:29:16,070 --> 00:29:14,080

already been at the table and already

870

00:29:18,470 --> 00:29:16,080

been forming these questions and so

871

00:29:20,549 --> 00:29:18,480

nobody's been left out the loop

872

00:29:21,990 --> 00:29:20,559

because we don't know

873

00:29:22,950 --> 00:29:22,000

this is the problem

874

00:29:25,590 --> 00:29:22,960

you know

875

00:29:28,789 --> 00:29:25,600

i'd be nice if somebody was in there who

876

00:29:30,149 --> 00:29:28,799

i did know was a full-on experience

877

00:29:31,909 --> 00:29:30,159

um

878

00:29:33,750 --> 00:29:31,919

who could say well yeah everything's

879

00:29:36,549 --> 00:29:33,760

being covered don't worry mate but when

880

00:29:38,710 --> 00:29:36,559

i'm not being told that so you it's i've

881

00:29:40,230 --> 00:29:38,720

already got the frustrations of

882

00:29:41,909 --> 00:29:40,240

you know this is brilliant that you're

883

00:29:43,590 --> 00:29:41,919

doing this andy i mean it speaks volumes

884

00:29:45,990 --> 00:29:43,600

about me you mate that you are doing

885

00:29:48,389 --> 00:29:46,000

this experience uh podcasts in the first

886

00:29:50,389 --> 00:29:48,399

place speaks volumes um because there is

887

00:29:52,230 --> 00:29:50,399

a huge stigma attached to us

888

00:29:54,389 --> 00:29:52,240

and everyone

889

00:29:56,230 --> 00:29:54,399

uses it against us to not get us

890

00:29:57,350 --> 00:29:56,240

involved you know we're not involved in

891

00:30:00,470 --> 00:29:57,360

the panels

892

00:30:01,990 --> 00:30:00,480

panel discussions when all the you know

893

00:30:03,350 --> 00:30:02,000

i'm not going to bring up names but

894

00:30:04,710 --> 00:30:03,360

there was some big panel discussions

895

00:30:06,149 --> 00:30:04,720

recently but there weren't enough

896

00:30:07,350 --> 00:30:06,159

experiences on there as far as i was

897

00:30:09,350 --> 00:30:07,360

concerned

898

00:30:11,669 --> 00:30:09,360

okay um

899

00:30:14,389 --> 00:30:11,679

because again in this we're seen as

900

00:30:17,029 --> 00:30:14,399

hurting or potentially hurting

901  
00:30:18,549 --> 00:30:17,039  
the movement towards

902  
00:30:20,950 --> 00:30:18,559  
everything that's trying to be achieved

903  
00:30:22,870 --> 00:30:20,960  
we're just out we're out of the loop

904  
00:30:24,630 --> 00:30:22,880  
and it is beyond frustrating we've been

905  
00:30:26,710 --> 00:30:24,640  
able to we've we're the ones who've been

906  
00:30:28,149 --> 00:30:26,720  
wanting the answers the longest

907  
00:30:31,110 --> 00:30:28,159  
we are the ones bringing all the

908  
00:30:32,789 --> 00:30:31,120  
information to the to the to the people

909  
00:30:34,389 --> 00:30:32,799  
you know i've just told you a load of

910  
00:30:36,389 --> 00:30:34,399  
things that have happened to me

911  
00:30:38,470 --> 00:30:36,399  
you know now you're hopefully you're

912  
00:30:39,909 --> 00:30:38,480  
aware that you know i'm i'm hoping that

913  
00:30:41,590 --> 00:30:39,919

your gut feeling will say this guy's

914

00:30:43,830 --> 00:30:41,600

genuine because

915

00:30:45,750 --> 00:30:43,840

how can he speak at this sort of

916

00:30:47,430 --> 00:30:45,760

motor speed and not be telling the truth

917

00:30:49,510 --> 00:30:47,440

he can't make it up that quick truly you

918

00:30:51,590 --> 00:30:49,520

know but i don't know

919

00:30:52,630 --> 00:30:51,600

you know i i do my best to try and tell

920

00:30:54,389 --> 00:30:52,640

people

921

00:30:57,509 --> 00:30:54,399

what has happened to me and it is it's

922

00:30:59,110 --> 00:30:57,519

down to them to believe me you know

923

00:31:01,830 --> 00:30:59,120

and possibly yeah

924

00:31:03,590 --> 00:31:01,840

you know that's kind of not the way i

925

00:31:05,590 --> 00:31:03,600

see it and after like i say i talk about

926

00:31:07,750 --> 00:31:05,600

especially when i saw that um ferris

927

00:31:09,750 --> 00:31:07,760

wheel type object when i was at 9 or 10

928

00:31:11,750 --> 00:31:09,760

and even speaking to people at david

929

00:31:13,830 --> 00:31:11,760

marlar who have spoken to tons and tons

930

00:31:15,190 --> 00:31:13,840

of witnesses and they say that's quite

931

00:31:16,630 --> 00:31:15,200

different to what a lot of people see

932

00:31:18,549 --> 00:31:16,640

given it was quite low to the ground it

933

00:31:20,149 --> 00:31:18,559

was on its side spinning and and all

934

00:31:22,789 --> 00:31:20,159

that kind of stuff well

935

00:31:24,549 --> 00:31:22,799

i i know i saw that i saw it with people

936

00:31:26,310 --> 00:31:24,559

who have no interest in the subject as

937

00:31:29,350 --> 00:31:26,320

well my sister kind of does but my mom

938

00:31:31,669 --> 00:31:29,360

and the other people don't really and

939

00:31:34,070 --> 00:31:31,679

that all i've got is that story and

940

00:31:35,669 --> 00:31:34,080

whenever it does come up outside of

941

00:31:37,110 --> 00:31:35,679

especially outside of this podcast if it

942

00:31:39,750 --> 00:31:37,120

ever comes up in conversation with

943

00:31:42,070 --> 00:31:39,760

friends or or anyone like that then

944

00:31:43,750 --> 00:31:42,080

it's you get all sorts of reactions to

945

00:31:45,830 --> 00:31:43,760

it and people and the question normally

946

00:31:47,430 --> 00:31:45,840

i just ask is why would i make that up

947

00:31:49,350 --> 00:31:47,440

there's obviously attention and stuff

948

00:31:51,430 --> 00:31:49,360

like that but i mean come on there's

949

00:31:52,870 --> 00:31:51,440

better stories for attention than

950

00:31:54,789 --> 00:31:52,880

than that you know i could claim i get

951  
00:31:56,549 --> 00:31:54,799  
taken backstage at an oasis concert once

952  
00:31:58,070 --> 00:31:56,559  
and no gallagher gave me a signed guitar

953  
00:31:59,509 --> 00:31:58,080  
and oh i can't show you the guitar

954  
00:32:00,789 --> 00:31:59,519  
because it's hidden away in the loft but

955  
00:32:02,310 --> 00:32:00,799  
i've got it you know

956  
00:32:04,070 --> 00:32:02,320  
i've got his net birth guitar if anyone

957  
00:32:06,310 --> 00:32:04,080  
wants to send me some liam gallagher

958  
00:32:08,630 --> 00:32:06,320  
said something interesting uh to me i

959  
00:32:11,190 --> 00:32:08,640  
was at the the seo conference and i was

960  
00:32:13,990 --> 00:32:11,200  
chatting to him there and he said he's

961  
00:32:16,070 --> 00:32:14,000  
more likely to it was an ongoing chat

962  
00:32:18,549 --> 00:32:16,080  
after the conference he's he said he's

963  
00:32:20,950 --> 00:32:18,559

more likely to believe the experiercer

964

00:32:23,110 --> 00:32:20,960

who tells him the more outlandish story

965

00:32:25,110 --> 00:32:23,120

than he is than somebody who said i just

966

00:32:27,750 --> 00:32:25,120

saw a craft

967

00:32:29,669 --> 00:32:27,760

okay if he said if if it was a 30-foot

968

00:32:31,509 --> 00:32:29,679

craft on the ground and the person said

969

00:32:33,830 --> 00:32:31,519

i walked inside the craft and when i got

970

00:32:35,029 --> 00:32:33,840

inside it was the size of two football

971

00:32:37,350 --> 00:32:35,039

fields

972

00:32:39,190 --> 00:32:37,360

hal is much more likely to believe it

973

00:32:40,310 --> 00:32:39,200

okay and that's that's the way i am as

974

00:32:42,789 --> 00:32:40,320

well i mean

975

00:32:44,789 --> 00:32:42,799

sometimes obviously you you've got to be

976  
00:32:46,630 --> 00:32:44,799  
skeptical because i'm i'm skeptical with

977  
00:32:48,389 --> 00:32:46,640  
a lot of stuff i i listen to as well

978  
00:32:50,630 --> 00:32:48,399  
because if i i think i've i've

979  
00:32:53,110 --> 00:32:50,640  
experienced most of the things in this

980  
00:32:54,830 --> 00:32:53,120  
in this field so i can judge i hope i

981  
00:32:57,190 --> 00:32:54,840  
can judge you know when somebody's

982  
00:32:59,590 --> 00:32:57,200  
bullshitting um

983  
00:33:01,830 --> 00:32:59,600  
but is is is still difficult because

984  
00:33:03,350 --> 00:33:01,840  
there's there are wannabes

985  
00:33:05,190 --> 00:33:03,360  
you know there seem to be wannabes in

986  
00:33:06,470 --> 00:33:05,200  
this field as well they're just making

987  
00:33:08,630 --> 00:33:06,480  
up and trying to make money out of this

988  
00:33:10,470 --> 00:33:08,640

topic and you know it's really difficult

989

00:33:11,509 --> 00:33:10,480

and loads of fakes they're really not

990

00:33:13,029 --> 00:33:11,519

helping us

991

00:33:15,110 --> 00:33:13,039

you know i'm looking forward to this

992

00:33:16,710 --> 00:33:15,120

software that um

993

00:33:17,669 --> 00:33:16,720

lou was being on about is coming out

994

00:33:18,789 --> 00:33:17,679

soon

995

00:33:21,590 --> 00:33:18,799

and hopefully we'll be able to tell

996

00:33:25,430 --> 00:33:23,909

can't wait for that john yeah just to

997

00:33:27,350 --> 00:33:25,440

wrap up and again i really appreciate

998

00:33:28,870 --> 00:33:27,360

the time you've given us is there any

999

00:33:31,269 --> 00:33:28,880

advice you would go back and give your

1000

00:33:34,789 --> 00:33:31,279

younger self with regard to coming to

1001  
00:33:37,269 --> 00:33:34,799  
terms and dealing with these experiences

1002  
00:33:38,630 --> 00:33:37,279  
oh god mate

1003  
00:33:40,149 --> 00:33:38,640  
you know it's difficult because you'd

1004  
00:33:42,230 --> 00:33:40,159  
like to say yeah i should have come out

1005  
00:33:43,750 --> 00:33:42,240  
earlier and talked about it but

1006  
00:33:45,110 --> 00:33:43,760  
i look what happened to me by coming out

1007  
00:33:46,950 --> 00:33:45,120  
and talking about it when i was young

1008  
00:33:47,990 --> 00:33:46,960  
you know it ruined literally ruined my

1009  
00:33:49,990 --> 00:33:48,000  
life i would think things would be

1010  
00:33:51,190 --> 00:33:50,000  
changing for young for other other

1011  
00:33:52,789 --> 00:33:51,200  
people

1012  
00:33:55,830 --> 00:33:52,799  
i wouldn't i wouldn't advise kids to

1013  
00:33:58,710 --> 00:33:55,840

come out obviously but um

1014

00:34:00,070 --> 00:33:58,720

maybe maybe if you you're you're past 50

1015

00:34:01,750 --> 00:34:00,080

and you want to you want to come out and

1016

00:34:02,950 --> 00:34:01,760

start talking now i've got a feeling

1017

00:34:05,110 --> 00:34:02,960

there's a lot of people that could come

1018

00:34:07,190 --> 00:34:05,120

out and talk i mean i met a couple

1019

00:34:08,790 --> 00:34:07,200

yesterday that are in their 70s and

1020

00:34:10,389 --> 00:34:08,800

they've never spoken about

1021

00:34:12,790 --> 00:34:10,399

something that happened to them 40 years

1022

00:34:15,349 --> 00:34:12,800

ago and it's happened every day since

1023

00:34:17,430 --> 00:34:15,359

okay so there's you know there are a lot

1024

00:34:20,069 --> 00:34:17,440

of people out there that will speak if

1025

00:34:21,349 --> 00:34:20,079

if we can get rid of the stigma and

1026

00:34:22,710 --> 00:34:21,359

that's difficult

1027

00:34:24,710 --> 00:34:22,720

really difficult

1028

00:34:26,310 --> 00:34:24,720

and conversely what would you recommend

1029

00:34:28,950 --> 00:34:26,320

if someone's listening to this right now

1030

00:34:30,470 --> 00:34:28,960

and here's your story your experiences

1031

00:34:32,869 --> 00:34:30,480

your your trauma

1032

00:34:34,790 --> 00:34:32,879

what would you recommend to them

1033

00:34:35,750 --> 00:34:34,800

get in touch with other experiences and

1034

00:34:38,230 --> 00:34:35,760

share

1035

00:34:40,389 --> 00:34:38,240

and and try and um i mean this there's

1036

00:34:43,109 --> 00:34:40,399

an experience a group that jay king has

1037

00:34:45,349 --> 00:34:43,119

set up and maybe i'm not a member of

1038

00:34:47,030 --> 00:34:45,359

that because i'm like this is part of my

1039

00:34:48,710 --> 00:34:47,040

life now and i'm used to i don't really

1040

00:34:50,629 --> 00:34:48,720

need like a

1041

00:34:52,149 --> 00:34:50,639

conversational therapy type thing that i

1042

00:34:53,750 --> 00:34:52,159

think that probably is i don't really

1043

00:34:56,310 --> 00:34:53,760

know because i'm not a member but i get

1044

00:34:58,550 --> 00:34:56,320

that's the impression of it um but maybe

1045

00:34:59,750 --> 00:34:58,560

that you know if other experiences need

1046

00:35:01,589 --> 00:34:59,760

that

1047

00:35:03,430 --> 00:35:01,599

then you know they

1048

00:35:05,829 --> 00:35:03,440

it's speaking to other experiences

1049

00:35:07,430 --> 00:35:05,839

definitely helps that is all for this

1050

00:35:09,430 --> 00:35:07,440
