16

00:00:44,150 --> 00:00:41,600

shout out we have a fantastic interview

17

00:00:45,830 --> 00:00:44,160

with cut joy mungo of the theories of

18

00:00:47,750 --> 00:00:45,840

everything podcast i enjoyed the

19

00:00:49,750 --> 00:00:47,760

interview kurt's a great mind great

20

00:00:52,470 --> 00:00:49,760

thinker really interesting to see

21

00:00:54,470 --> 00:00:52,480

someone like kim get involved in this

22

00:00:56,869 --> 00:00:54,480

conversation please go and check that

23

00:00:58,150 --> 00:00:56,879

one out i really enjoyed it as well and

24

00:00:59,990 --> 00:00:58,160

obviously check out theories of

25

00:01:02,150 --> 00:01:00,000

everything on the show we have for you

26

00:01:04,869 --> 00:01:02,160

though today we have an extended

27

00:01:07,030 --> 00:01:04,879

interview with jake christopher king you

28

00:01:09,350 --> 00:01:07,040

may or may not be aware but jay was one

29

00:01:11,750 --> 00:01:09,360

of the names ralph lemonthal mentioned

30

00:01:15,190 --> 00:01:11,760

in his article on the debrief he is an

31

00:01:17,270 --> 00:01:15,200

experiencer himself and we talk about

32

00:01:20,390 --> 00:01:17,280

him starting the experiencer group which

33

00:01:22,550 --> 00:01:20,400

is at for experiences on twitter he will

34

00:01:24,789 --> 00:01:22,560

discuss his own lifelong experiences you

35

00:01:26,630 --> 00:01:24,799

know growing up with various different

36

00:01:28,630 --> 00:01:26,640

paranormal phenomena happening around

37

00:01:30,469 --> 00:01:28,640

him and you know we talk about what it's

38

00:01:33,190 --> 00:01:30,479

like to be an experienter so that's

39

00:01:34,390 --> 00:01:33,200

coming up so stick around well hopefully

40

00:01:36,870 --> 00:01:34,400

it's not after four minutes you're not

41

00:01:38,390 --> 00:01:36,880

thinking i'll even um we also are going

42

00:01:40,149 --> 00:01:38,400

to have a little discussion off the back

43

00:01:42,230 --> 00:01:40,159

of that but also we're going to talk

44

00:01:45,030 --> 00:01:42,240

about a new book that is just about to

45

00:01:47,030 --> 00:01:45,040

be published on amazon.com uk or it's

46

00:01:49,510 --> 00:01:47,040

already out depending where you are in

47

00:01:52,069 --> 00:01:49,520

the world i said amazon.co dot uk other

48

00:01:55,270 --> 00:01:52,079

amazons are of course available.com dot

49

00:01:58,950 --> 00:01:57,109

all the countries amazons

50

00:02:00,950 --> 00:01:58,960

dot eu i mean we could list them all but

51
00:02:02,230 --> 00:02:00,960
yeah or any local book seller probably

52
00:02:03,990 --> 00:02:02,240
as well you don't have to just buy off

53
00:02:05,990 --> 00:02:04,000
amazon we're not getting paid from them

54
00:02:08,469 --> 00:02:06,000
don't talk about them um we've got an

55
00:02:10,150 --> 00:02:08,479
interesting listener point from noel one

56
00:02:11,510 --> 00:02:10,160
of the listeners to talk about and then

57
00:02:13,750 --> 00:02:11,520
we're going to finish off just having a

58
00:02:15,750 --> 00:02:13,760
little bit of a discussion on i suppose

59
00:02:18,150 --> 00:02:15,760
one of the big conversations recently

60
00:02:19,910 --> 00:02:18,160
has been about the rubber duck uap video

61
00:02:22,070 --> 00:02:19,920
hasn't it so we're just going to share

62
00:02:23,589 --> 00:02:22,080
some further thoughts on that given it's

63
00:02:26,550 --> 00:02:23,599

it's kind of hog the headlines in the

64

00:02:29,910 --> 00:02:26,560

last week or so since that was announced

65

00:02:32,790 --> 00:02:29,920

typed leaked uploaded re-uploaded and

66

00:02:34,710 --> 00:02:32,800

then broken down um taken offline and

67

00:02:36,470 --> 00:02:34,720

everything in between as well so that's

68

00:02:38,470 --> 00:02:36,480

going to be the show this week so really

69

00:02:39,750 --> 00:02:38,480

looking forward to it first up we're

70

00:02:41,589 --> 00:02:39,760

going to have the interview with jay

71

00:02:43,589 --> 00:02:41,599

christopher king uh he is one of the

72

00:02:45,750 --> 00:02:43,599

co-founders of the experienter group

73

00:02:50,390 --> 00:02:45,760

like i say himself a lifelong

74

00:02:51,990 --> 00:02:50,400

experienter dan before we throw to that

75

00:02:53,750 --> 00:02:52,000

would you classify yourself as an

76
00:02:55,670 --> 00:02:53,760
experiencer we've talked about some

77
00:02:58,790 --> 00:02:55,680
various bits and pieces on the podcast

78
00:03:00,630 --> 00:02:58,800
at different times but it's a very

79
00:03:02,949 --> 00:03:00,640
fine line i think people and especially

80
00:03:06,309 --> 00:03:02,959
experiencers seem to say between someone

81
00:03:08,710 --> 00:03:06,319
who has seen the phenomena or has had

82
00:03:11,430 --> 00:03:08,720
you know sightings of the phenomena to

83
00:03:14,229 --> 00:03:11,440
to being a true experiencer

84
00:03:17,270 --> 00:03:14,239
yeah yeah for sure um it's a question i

85
00:03:18,710 --> 00:03:17,280
actually have trouble answering because

86
00:03:20,070 --> 00:03:18,720
in previous conversations you know we've

87
00:03:22,390 --> 00:03:20,080
gone over some of the weirdness in my

88
00:03:24,869 --> 00:03:22,400

past and it seemed to have been around

89

00:03:27,750 --> 00:03:24,879

me as i've grown up um and and i have

90

00:03:29,350 --> 00:03:27,760

some memories that

91

00:03:31,589 --> 00:03:29,360

you know i kind of narrow my eyes out in

92

00:03:33,589 --> 00:03:31,599

a suspected way and think wow you know

93

00:03:36,309 --> 00:03:33,599

this really sounds like a lot of these

94

00:03:39,430 --> 00:03:36,319

experiences in that debrief article but

95

00:03:41,190 --> 00:03:39,440

i'm not comfortable saying yes to it

96

00:03:43,030 --> 00:03:41,200

you know it could just be a child's mind

97

00:03:44,949 --> 00:03:43,040

i i have to kind of

98

00:03:46,789 --> 00:03:44,959

you know admit my bias though because

99

00:03:48,390 --> 00:03:46,799

i've been into ufo since i was like 2-3

100

00:03:49,670 --> 00:03:48,400

right so yeah you know it could have

101

00:03:51,509 --> 00:03:49,680

just been kid me

102

00:03:53,350 --> 00:03:51,519

with a good imagination

103

00:03:55,270 --> 00:03:53,360

yeah and you know it's funny i i talked

104

00:03:57,030 --> 00:03:55,280

about this and on the actual podcast

105

00:03:59,270 --> 00:03:57,040

itself if you check out again subscribe

106

00:04:00,949 --> 00:03:59,280

to that ufo podcast we have done a

107

00:04:03,270 --> 00:04:00,959

series of interviews that will be coming

108

00:04:05,429 --> 00:04:03,280

up with other experiences some of which

109

00:04:07,910 --> 00:04:05,439

are part of the experienter group and

110

00:04:10,309 --> 00:04:07,920

others not but again sharing their own

111

00:04:12,309 --> 00:04:10,319

individual stories their own traumas at

112

00:04:14,470 --> 00:04:12,319

times difficulties in dealing with this

113

00:04:17,110 --> 00:04:14,480

phenomenon as well so

114

00:04:20,390 --> 00:04:17,120

again please check those out but

115

00:04:22,870 --> 00:04:20,400

experiencers they are people who at the

116

00:04:25,830 --> 00:04:22,880

end of the day they are people they are

117

00:04:27,590 --> 00:04:25,840

living with usually something that has a

118

00:04:30,230 --> 00:04:27,600

massive impact and effect on their

119

00:04:32,150 --> 00:04:30,240

entire life you know the everyday life

120

00:04:33,990 --> 00:04:32,160

short term and long term as well so what

121

00:04:35,830 --> 00:04:34,000

we'll do is we'll throw over to jay and

122

00:04:37,830 --> 00:04:35,840

he will share his story with you the

123

00:04:39,510 --> 00:04:37,840

listeners and we'll come back and talk

124

00:04:41,510 --> 00:04:39,520

through it then

125

00:04:44,070 --> 00:04:41,520

joining me for the third show in our

126

00:04:46,469 --> 00:04:44,080

experiencer series i have one of the

127

00:04:48,150 --> 00:04:46,479

founders of the experiencer group j

128

00:04:49,430 --> 00:04:48,160

christopher king jay welcome to the

129

00:04:51,030 --> 00:04:49,440

podcast

130

00:04:52,550 --> 00:04:51,040

thank you so much wonderful to be here

131

00:04:54,550 --> 00:04:52,560

thanks for having me

132

00:04:56,390 --> 00:04:54,560

this has been a great for me to do as i

133

00:04:58,390 --> 00:04:56,400

release these i'll break the fourth wall

134

00:05:00,070 --> 00:04:58,400

here of podcasting it's i've been

135

00:05:01,350 --> 00:05:00,080

recording these now for just over an

136

00:05:02,870 --> 00:05:01,360

hour and i've had a couple of

137

00:05:04,550 --> 00:05:02,880

conversations and they've been they've

138

00:05:05,909 --> 00:05:04,560

been incredible to hear the listeners

139

00:05:07,510 --> 00:05:05,919

have heard them over the course of a few

140

00:05:09,430 --> 00:05:07,520

days or a week or so as they've been

141

00:05:11,830 --> 00:05:09,440

released and i hope people have got as

142

00:05:14,310 --> 00:05:11,840

much from them as i have speaking to the

143

00:05:15,909 --> 00:05:14,320

experiencers themselves and again we're

144

00:05:17,510 --> 00:05:15,919

going to be speaking to yourself now too

145

00:05:19,189 --> 00:05:17,520

so i'm i'm looking forward to this jane

146

00:05:21,510 --> 00:05:19,199

appreciate you giving us your time and

147

00:05:23,350 --> 00:05:21,520

also you helping me set these up because

148

00:05:24,950 --> 00:05:23,360

you've been doing some of the the man

149

00:05:26,950 --> 00:05:24,960

work for me as well to reach out to some

150

00:05:29,110 --> 00:05:26,960

of your colleagues

151

00:05:32,469 --> 00:05:29,120

oh it's my pleasure i think the the

152

00:05:34,710 --> 00:05:32,479

outreach element and people hearing uh

153

00:05:37,029 --> 00:05:34,720

people hearing this is really important

154

00:05:38,870 --> 00:05:37,039

for other experiencers and for people

155

00:05:41,510 --> 00:05:38,880

that haven't had these experiences as

156

00:05:43,510 --> 00:05:41,520

well i i hope for more dialogue like

157

00:05:45,909 --> 00:05:43,520

this in the future so thanks

158

00:05:47,749 --> 00:05:45,919

yeah no i'm more than open to it and uh

159

00:05:49,189 --> 00:05:47,759

let's get straight into it jay now jay

160

00:05:50,790 --> 00:05:49,199

if you can give people just a little bit

161

00:05:53,029 --> 00:05:50,800

about of your background and a bit about

162

00:05:54,710 --> 00:05:53,039

yourself

163

00:05:56,790 --> 00:05:54,720

sure um

164

00:05:59,830 --> 00:05:56,800

just as an introduction i'm a community

165

00:06:01,909 --> 00:05:59,840

manager and as you said i'm a co-founder

166

00:06:04,550 --> 00:06:01,919

of the experienter group along with

167

00:06:06,070 --> 00:06:04,560

stuart davis and kirsten blackburn

168

00:06:08,550 --> 00:06:06,080

the experienter group is a private

169

00:06:10,550 --> 00:06:08,560

member site dedicated to support

170

00:06:13,510 --> 00:06:10,560

curiosity and community for people

171

00:06:16,390 --> 00:06:13,520

who've had anomalous events of all kinds

172

00:06:19,270 --> 00:06:16,400

so that could be ufo and et experiencers

173

00:06:21,510 --> 00:06:19,280

also near-death experiencers out-of-body

174

00:06:24,870 --> 00:06:21,520

precognition all forms of anomalous

175

00:06:28,230 --> 00:06:24,880

encounters uh we which we realized that

176

00:06:30,870 --> 00:06:28,240

that this was absolutely necessary um

177

00:06:32,710 --> 00:06:30,880

there there are so few resources places

178

00:06:34,390 --> 00:06:32,720

where people can share privately and

179

00:06:37,350 --> 00:06:34,400

compare notes

180

00:06:40,070 --> 00:06:37,360

there's so there are a lot of

181

00:06:41,430 --> 00:06:40,080

sites out there that cover these topics

182

00:06:43,350 --> 00:06:41,440

but even

183

00:06:44,390 --> 00:06:43,360

say when i was in my 20s and looking

184

00:06:47,510 --> 00:06:44,400

around

185

00:06:50,070 --> 00:06:47,520

it was things like above top secret and

186

00:06:51,909 --> 00:06:50,080

and project avalon and we all know that

187

00:06:53,189 --> 00:06:51,919

there can be positive conversations that

188

00:06:55,909 --> 00:06:53,199

can happen in that kind of open

189

00:06:58,469 --> 00:06:55,919

framework but there can also be trolls

190

00:07:00,469 --> 00:06:58,479

and these conversations especially about

191

00:07:04,390 --> 00:07:00,479

contact cases can get really toxic

192

00:07:07,909 --> 00:07:04,400

really quickly so um before that i i

193

00:07:09,029 --> 00:07:07,919

mainly uh was a tv writer and producer

194

00:07:10,150 --> 00:07:09,039

mainly for

195

00:07:12,150 --> 00:07:10,160

some uh

196

00:07:14,469 --> 00:07:12,160

like the discovery channel and and some

197

00:07:17,749 --> 00:07:14,479

of its properties doing

198

00:07:21,029 --> 00:07:17,759

uh food shows and and action adventure

199

00:07:23,990 --> 00:07:21,039

shows and and things like that and

200

00:07:27,029 --> 00:07:24,000

and uh i enjoyed it but uh so that's a

201

00:07:29,990 --> 00:07:27,039

very young person's game so

202

00:07:31,670 --> 00:07:30,000

i uh i realized that my heart was more

203

00:07:33,029 --> 00:07:31,680

in in doing things like this and it was

204

00:07:35,029 --> 00:07:33,039

necessary

205

00:07:36,629 --> 00:07:35,039

no that's awesome now listen let's take

206

00:07:39,110 --> 00:07:36,639

listeners back you

207

00:07:41,029 --> 00:07:39,120

started having your experiences as

208

00:07:43,430 --> 00:07:41,039

experiences as we have heard from other

209

00:07:45,430 --> 00:07:43,440

experiencers at a very young age what

210

00:07:47,430 --> 00:07:45,440

was the the first time you remember

211

00:07:49,270 --> 00:07:47,440

having any sort of

212

00:07:50,790 --> 00:07:49,280

abnormal experience or anomalous

213

00:07:54,629 --> 00:07:50,800

experience

214

00:07:55,430 --> 00:07:54,639

sure it's a strange one um and

215

00:07:56,550 --> 00:07:55,440

i

216

00:07:58,309 --> 00:07:56,560

and

217

00:08:00,790 --> 00:07:58,319

i think it's important to mention that a

218

00:08:03,350 --> 00:08:00,800

lot of experiencers have more than one

219

00:08:06,070 --> 00:08:03,360

modality and that used to be a really

220

00:08:08,070 --> 00:08:06,080

taboo topic to bring up and people were

221

00:08:10,150 --> 00:08:08,080

automatically discounted if they had

222

00:08:12,950 --> 00:08:10,160

more than one modality or more than one

223

00:08:15,110 --> 00:08:12,960

point of contact and i think that a lot

224

00:08:17,749 --> 00:08:15,120

of data was being left out in the old

225

00:08:19,589 --> 00:08:17,759

days because of that so i embrace

226

00:08:20,790 --> 00:08:19,599

yourselves spoiler alert this is kind of

227

00:08:23,270 --> 00:08:20,800

a strange one

228

00:08:25,110 --> 00:08:23,280

um my first my very first experience

229

00:08:26,390 --> 00:08:25,120

that i can recall was when i was about

230

00:08:28,309 --> 00:08:26,400

four years old

231

00:08:29,350 --> 00:08:28,319

i was in my bedroom in fort wayne

232

00:08:33,190 --> 00:08:29,360

indiana

233

00:08:36,709 --> 00:08:33,200

uh it was daytime and i was shoving a

234

00:08:38,870 --> 00:08:36,719

plastic bin of toys across the floor

235

00:08:41,269 --> 00:08:38,880

when two

236

00:08:43,829 --> 00:08:41,279

semi-translucent strange figures like

237

00:08:45,750 --> 00:08:43,839

just flipped into the room just in front

238

00:08:47,910 --> 00:08:45,760

of me and to the left

239

00:08:50,230 --> 00:08:47,920

and to my perception

240

00:08:52,389 --> 00:08:50,240

they were tall and skinny

241

00:08:54,230 --> 00:08:52,399

bipedal looking forms

242

00:08:56,150 --> 00:08:54,240

that actually looked really similar to

243

00:08:58,470 --> 00:08:56,160

the old effect from the movie predator

244

00:08:59,990 --> 00:08:58,480

or from abyss that kind of like water

245

00:09:02,470 --> 00:09:00,000

droplet effect

246

00:09:04,630 --> 00:09:02,480

that that uh that like the predator and

247

00:09:07,190 --> 00:09:04,640

the those creatures yeah

248

00:09:09,430 --> 00:09:07,200

um and i'm 42 though so those movies

249

00:09:10,389 --> 00:09:09,440

hadn't come out yet uh dating myself a

250

00:09:11,590 --> 00:09:10,399

little bit

251
00:09:13,750 --> 00:09:11,600
but

252
00:09:15,750 --> 00:09:13,760
so the look was similar to that and it

253
00:09:18,389 --> 00:09:15,760
had this kind of like weird wavering

254
00:09:20,070 --> 00:09:18,399
vibrating look happening in the air

255
00:09:22,710 --> 00:09:20,080
maybe they were what some people refer

256
00:09:25,110 --> 00:09:22,720
to as light or energy beings i have no

257
00:09:26,710 --> 00:09:25,120
idea i just know that they

258
00:09:29,430 --> 00:09:26,720
established this

259
00:09:34,070 --> 00:09:29,440
mental connection really quickly somehow

260
00:09:34,949 --> 00:09:34,080
and and expressed this sense of warmth

261
00:09:36,630 --> 00:09:34,959
and

262
00:09:39,110 --> 00:09:36,640
love honestly

263
00:09:40,710 --> 00:09:39,120

and as i recall something about how they

264

00:09:44,550 --> 00:09:40,720

were visiting right then because it

265

00:09:48,150 --> 00:09:44,560

would be more difficult later somehow

266

00:09:51,590 --> 00:09:49,829

non-verbal

267

00:09:54,070 --> 00:09:51,600

exchange

268

00:09:55,430 --> 00:09:54,080

just this shift of energy that i felt

269

00:09:57,430 --> 00:09:55,440

and then

270

00:09:59,269 --> 00:09:57,440

within about a minute they just flipped

271

00:10:00,470 --> 00:09:59,279

right out again

272

00:10:03,190 --> 00:10:00,480

and

273

00:10:05,110 --> 00:10:03,200

the thing is like it's it's stuck out

274

00:10:06,470 --> 00:10:05,120

and it's one of these like fragmentary

275

00:10:09,350 --> 00:10:06,480

experiences

276

00:10:11,430 --> 00:10:09,360

but it's from such a young age you know

277

00:10:14,389 --> 00:10:11,440

i mean from that age like pretty much

278

00:10:15,430 --> 00:10:14,399

all i remember are these oh moments

279

00:10:18,150 --> 00:10:15,440

these

280

00:10:20,470 --> 00:10:18,160

like uh me touching a hot water pipe and

281

00:10:22,230 --> 00:10:20,480

burning my hand right or falling down

282

00:10:24,389 --> 00:10:22,240

and skinning my knee that kind of stuff

283

00:10:25,990 --> 00:10:24,399

and for whatever reason this memory of

284

00:10:28,790 --> 00:10:26,000

those beings like

285

00:10:31,590 --> 00:10:28,800

it still exists in in my conscious

286

00:10:35,110 --> 00:10:31,600

recall and i think part of it might be

287

00:10:37,430 --> 00:10:35,120

because it ranked in

288

00:10:39,670 --> 00:10:37,440

somehow maybe i don't know but maybe the

289

00:10:41,590 --> 00:10:39,680

brain has some kind of filtering device

290

00:10:44,389 --> 00:10:41,600

early on some kind of evolutionary

291

00:10:46,949 --> 00:10:44,399

imperative to record these moments that

292

00:10:48,550 --> 00:10:46,959

are that are some initial surprise or

293

00:10:50,470 --> 00:10:48,560

maybe there's danger involved or

294

00:10:52,870 --> 00:10:50,480

something like that i don't know i don't

295

00:10:55,430 --> 00:10:52,880

know i'm not a i'm not a scientist no no

296

00:10:57,350 --> 00:10:55,440

i don't study the brain but even like

297

00:10:59,350 --> 00:10:57,360

going into like a movie history and tv

298

00:11:02,230 --> 00:10:59,360

history you always see like the sixth

299

00:11:05,030 --> 00:11:02,240

sense and how kids do have more in

300

00:11:07,269 --> 00:11:05,040

intuitiveness that they are more open to

301

00:11:09,030 --> 00:11:07,279

experience or see things and you hear

302

00:11:10,550 --> 00:11:09,040

people say that their kids are talking

303

00:11:12,710 --> 00:11:10,560

to someone who's not there and it might

304

00:11:15,030 --> 00:11:12,720

just be an imaginary friend but then

305

00:11:16,870 --> 00:11:15,040

they describe a deceased relative or or

306

00:11:19,030 --> 00:11:16,880

grandma's been visiting me but grandma

307

00:11:21,590 --> 00:11:19,040

passed away a few years before

308

00:11:24,310 --> 00:11:21,600

do you think that is true that as as

309

00:11:26,630 --> 00:11:24,320

children we don't have that

310

00:11:28,150 --> 00:11:26,640

or we have something we lose as we grow

311

00:11:30,310 --> 00:11:28,160

older

312

00:11:32,230 --> 00:11:30,320

i think there may be i i agree with you

313

00:11:33,910 --> 00:11:32,240

i think there may be some kind of like

314

00:11:36,230 --> 00:11:33,920

clean slate club some kind of like

315

00:11:37,269 --> 00:11:36,240

tabula rasa effect

316

00:11:39,590 --> 00:11:37,279

where

317

00:11:40,949 --> 00:11:39,600

you're open maybe

318

00:11:43,350 --> 00:11:40,959

there are a lot of studies these days

319

00:11:45,350 --> 00:11:43,360

that suggest that the brain often acts

320

00:11:47,350 --> 00:11:45,360

as a filtering device right that it

321

00:11:50,790 --> 00:11:47,360

filters a lot out like we don't see the

322

00:11:53,110 --> 00:11:50,800

whole visible light spectrum for example

323

00:11:54,470 --> 00:11:53,120

dogs hear more than we do things like

324

00:11:55,509 --> 00:11:54,480

that right

325

00:11:58,389 --> 00:11:55,519

and

326

00:12:00,389 --> 00:11:58,399

uh so in that way

327

00:12:02,389 --> 00:12:00,399

maybe

328

00:12:03,990 --> 00:12:02,399

when something like that happens when

329

00:12:06,710 --> 00:12:04,000

somebody is so young

330

00:12:08,150 --> 00:12:06,720

uh the filters aren't there yet or or

331

00:12:10,870 --> 00:12:08,160

maybe there's

332

00:12:12,870 --> 00:12:10,880

maybe those those kind of blinders

333

00:12:14,790 --> 00:12:12,880

uh open up

334

00:12:16,230 --> 00:12:14,800

in a way if something like that happens

335

00:12:17,430 --> 00:12:16,240

early because

336

00:12:21,190 --> 00:12:17,440

uh

337

00:12:23,430 --> 00:12:21,200

you're privy to to either an area

338

00:12:25,670 --> 00:12:23,440

where something like that might happen

339

00:12:28,629 --> 00:12:25,680

you know or or

340

00:12:30,150 --> 00:12:28,639

that for some reason your brain

341

00:12:32,069 --> 00:12:30,160

thinks that it's necessary for you to

342

00:12:33,990 --> 00:12:32,079

start receiving that form of information

343

00:12:34,870 --> 00:12:34,000

i'm not sure but what i do recognize is

344

00:12:42,389 --> 00:12:34,880

that

345

00:12:44,629 --> 00:12:42,399

it can have an effect later where it

346

00:12:46,389 --> 00:12:44,639

starts to add up

347

00:12:48,150 --> 00:12:46,399

um

348

00:12:50,710 --> 00:12:48,160

and that's one experience from the age

349

00:12:53,190 --> 00:12:50,720

of four but you said and it was reported

350

00:12:55,910 --> 00:12:53,200

in the article with ralph that you lived

351

00:12:58,150 --> 00:12:55,920

in a haunted home from the age of six

352

00:13:00,790 --> 00:12:58,160

that's right yeah when i was about six

353

00:13:04,150 --> 00:13:00,800

years old my family moved to this big

354

00:13:06,389 --> 00:13:04,160

huge old house in mishawaka indiana near

355

00:13:08,870 --> 00:13:06,399

the border of michigan um

356

00:13:10,389 --> 00:13:08,880

and the first night we were moving in we

357

00:13:11,430 --> 00:13:10,399

got there kind of late with a moving

358

00:13:13,190 --> 00:13:11,440

truck

359

00:13:15,829 --> 00:13:13,200

and due to the timing of the move our

360

00:13:17,829 --> 00:13:15,839

beds were packed almost last

361

00:13:21,030 --> 00:13:17,839

and they were held in place by my my

362

00:13:23,030 --> 00:13:21,040

dad's old book boxes he's an engineer

363

00:13:25,190 --> 00:13:23,040

and so all these manuals and textbooks

364

00:13:26,470 --> 00:13:25,200

and things like this tons and tons of

365

00:13:28,790 --> 00:13:26,480

book boxes

366

00:13:31,590 --> 00:13:28,800

and so they were there to hold in place

367

00:13:33,750 --> 00:13:31,600

the beds so the movers they use these

368

00:13:35,430 --> 00:13:33,760

hand carts to get the book boxes out and

369

00:13:36,710 --> 00:13:35,440

they take them down to the basement and

370

00:13:37,670 --> 00:13:36,720

they just leave them in the middle of

371

00:13:39,350 --> 00:13:37,680

the floor

372

00:13:42,069 --> 00:13:39,360

near the bottom of the steps like in

373

00:13:43,910 --> 00:13:42,079

pillar formation stacked up right just

374

00:13:45,350 --> 00:13:43,920

drop off the hand cart go back up get

375

00:13:47,430 --> 00:13:45,360

another load right

376

00:13:49,750 --> 00:13:47,440

and the next morning i wake up and my

377

00:13:51,670 --> 00:13:49,760

mom's downstairs and there's a commotion

378

00:13:54,230 --> 00:13:51,680

she's kind of freaking out right

379

00:13:57,110 --> 00:13:54,240

turns out she went downstairs first

380

00:13:58,790 --> 00:13:57,120

thing and these stacked up book boxes

381

00:14:01,990 --> 00:13:58,800

had been rearranged so they're on the

382

00:14:03,509 --> 00:14:02,000

floor and eerily they were evenly spaced

383

00:14:05,350 --> 00:14:03,519

from each other in kind of like a

384

00:14:07,430 --> 00:14:05,360

checkerboard pattern

385

00:14:08,550 --> 00:14:07,440

and she realized like i couldn't have

386

00:14:10,310 --> 00:14:08,560

done it

387

00:14:12,550 --> 00:14:10,320

i they were too heavy for me for one

388

00:14:14,550 --> 00:14:12,560

thing and i wasn't up yet my baby sister

389

00:14:16,310 --> 00:14:14,560

who was only about 18 months obviously

390

00:14:17,509 --> 00:14:16,320

she wasn't going to do it my dad didn't

391

00:14:20,069 --> 00:14:17,519

do it

392

00:14:21,670 --> 00:14:20,079

so at she's she's thinking to herself

393

00:14:23,350 --> 00:14:21,680

she said later she's thinking to herself

394

00:14:25,750 --> 00:14:23,360

like what

395

00:14:27,189 --> 00:14:25,760

what could that possibly be right

396

00:14:30,949 --> 00:14:27,199

and

397

00:14:31,750 --> 00:14:30,959

i think that's one thing about my case

398

00:14:36,150 --> 00:14:31,760

that

399

00:14:37,910 --> 00:14:36,160

why ralph blumenthal i mean he's he said

400

00:14:40,069 --> 00:14:37,920

in part one thing that was interesting

401
00:14:42,389 --> 00:14:40,079
to him about the case and

402
00:14:44,629 --> 00:14:42,399
other people as well has been that there

403
00:14:46,629 --> 00:14:44,639
are other people that have corroborated

404
00:14:49,750 --> 00:14:46,639
elements of what i'm saying from

405
00:14:51,269 --> 00:14:49,760
throughout the years you know friends

406
00:14:52,470 --> 00:14:51,279
uh exes

407
00:14:53,430 --> 00:14:52,480
my mom

408
00:14:55,030 --> 00:14:53,440
you know

409
00:14:56,790 --> 00:14:55,040
my current partner things like that

410
00:14:59,030 --> 00:14:56,800
people that don't even know each other

411
00:15:01,750 --> 00:14:59,040
and so there's there's a novel element

412
00:15:03,269 --> 00:15:01,760
to that that's not completely unique but

413
00:15:07,269 --> 00:15:03,279

it's interesting

414

00:15:10,150 --> 00:15:07,279

but so basically in that house we'd see

415

00:15:12,069 --> 00:15:10,160

objects slide across counters and slide

416

00:15:14,870 --> 00:15:12,079

across tables right in front of us you

417

00:15:16,949 --> 00:15:14,880

know and there would be

418

00:15:19,269 --> 00:15:16,959

strange energy in the room

419

00:15:20,230 --> 00:15:19,279

it's kind of like shadow being type type

420

00:15:21,829 --> 00:15:20,240

figures

421

00:15:25,189 --> 00:15:21,839

um and

422

00:15:26,870 --> 00:15:25,199

a lot of poltergeist activity yeah and

423

00:15:28,790 --> 00:15:26,880

was there any fear

424

00:15:30,949 --> 00:15:28,800

involved in that you mentioned that the

425

00:15:33,509 --> 00:15:30,959

experience at four there was a positive

426
00:15:35,749 --> 00:15:33,519
energy a sense of love what about these

427
00:15:38,550 --> 00:15:35,759
experiences

428
00:15:41,189 --> 00:15:38,560
you know honestly it's weird because i i

429
00:15:43,110 --> 00:15:41,199
wasn't as scared as you might think

430
00:15:44,470 --> 00:15:43,120
the poltergeist energy didn't freak me

431
00:15:48,710 --> 00:15:44,480
out so much

432
00:15:49,990 --> 00:15:48,720
the apparition like energy was

433
00:15:52,150 --> 00:15:50,000
more freaky

434
00:15:54,310 --> 00:15:52,160
what would really what

435
00:15:57,430 --> 00:15:54,320
what did creep me out would be waking up

436
00:15:59,749 --> 00:15:57,440
in the middle of the night and having

437
00:16:02,069 --> 00:15:59,759
either seeing some kind of like strange

438
00:16:04,230 --> 00:16:02,079

wispy energy in the room or having the

439

00:16:06,230 --> 00:16:04,240

feeling of something watching me and of

440

00:16:08,230 --> 00:16:06,240

course for a lot of kids i mean that's a

441

00:16:09,829 --> 00:16:08,240

normal association for a parent-child

442

00:16:10,949 --> 00:16:09,839

relationship that a kid's scared that

443

00:16:13,590 --> 00:16:10,959

there's going to be a monster in the

444

00:16:16,310 --> 00:16:13,600

room but

445

00:16:18,389 --> 00:16:16,320

unfortunately in in my case there

446

00:16:21,030 --> 00:16:18,399

there was an acknowledged

447

00:16:23,990 --> 00:16:21,040

presence in the house yeah and

448

00:16:25,990 --> 00:16:24,000

and so uh that that took over a little

449

00:16:28,150 --> 00:16:26,000

bit i didn't like the idea of something

450

00:16:31,749 --> 00:16:28,160

being there when i was asleep during the

451
00:16:34,790 --> 00:16:31,759
day it was it was i had an

452
00:16:36,949 --> 00:16:34,800
oddly okay job integrating it

453
00:16:39,030 --> 00:16:36,959
um strangely i think it's partially

454
00:16:41,189 --> 00:16:39,040
because the age you know i think that i

455
00:16:43,350 --> 00:16:41,199
had an open mind so

456
00:16:44,790 --> 00:16:43,360
did you try and communicate that to your

457
00:16:47,990 --> 00:16:44,800
parents at any point that you were

458
00:16:49,350 --> 00:16:48,000
having these experiences

459
00:16:51,990 --> 00:16:49,360
um i

460
00:16:55,590 --> 00:16:52,000
had i communicated a bit of it with my

461
00:16:57,590 --> 00:16:55,600
mom in that house and she also had

462
00:16:59,509 --> 00:16:57,600
experiences in there

463
00:17:01,670 --> 00:16:59,519

um

464

00:17:03,829 --> 00:17:01,680

things like she'd come in and the oven

465

00:17:05,429 --> 00:17:03,839

would the oven would be blasting and the

466

00:17:07,029 --> 00:17:05,439

oven door would be open all of a sudden

467

00:17:08,390 --> 00:17:07,039

when nobody else was in the house when i

468

00:17:09,429 --> 00:17:08,400

was off at kindergarten or something

469

00:17:10,870 --> 00:17:09,439

like that

470

00:17:12,069 --> 00:17:10,880

um

471

00:17:13,270 --> 00:17:12,079

and

472

00:17:15,669 --> 00:17:13,280

she would

473

00:17:17,669 --> 00:17:15,679

reach for the car keys on the counter

474

00:17:19,909 --> 00:17:17,679

and they would like slide right out from

475

00:17:22,309 --> 00:17:19,919

under her hand as she was reaching for

476

00:17:23,829 --> 00:17:22,319

them things like that would happen

477

00:17:25,510 --> 00:17:23,839

and so

478

00:17:26,949 --> 00:17:25,520

she was very aware

479

00:17:29,029 --> 00:17:26,959

and and

480

00:17:30,310 --> 00:17:29,039

i don't think that i communicated all of

481

00:17:32,710 --> 00:17:30,320

it because

482

00:17:34,630 --> 00:17:32,720

it happened so frequently and it was

483

00:17:36,470 --> 00:17:34,640

just kind of a condition of the house i

484

00:17:39,110 --> 00:17:36,480

guess or a condition

485

00:17:40,710 --> 00:17:39,120

i guess i thought of like life in a way

486

00:17:42,150 --> 00:17:40,720

because i

487

00:17:44,230 --> 00:17:42,160

i didn't know anything different you

488

00:17:46,390 --> 00:17:44,240

know at such a young age something

489

00:17:49,190 --> 00:17:46,400

happens and it normalizes

490

00:17:52,070 --> 00:17:49,200

you you normalize to it in some way you

491

00:17:53,029 --> 00:17:52,080

integrate it into your world view

492

00:17:54,070 --> 00:17:53,039

um

493

00:17:55,110 --> 00:17:54,080

so

494

00:17:56,310 --> 00:17:55,120

i think

495

00:17:58,230 --> 00:17:56,320

i don't think that i did a lot of

496

00:18:01,110 --> 00:17:58,240

self-reporting after a certain point in

497

00:18:02,230 --> 00:18:01,120

that house but it's together and

498

00:18:04,150 --> 00:18:02,240

separately

499

00:18:07,029 --> 00:18:04,160

we experienced things there my dad

500

00:18:08,870 --> 00:18:07,039

denied it and for years

501
00:18:10,950 --> 00:18:08,880
but he was obviously disturbed by it at

502
00:18:12,630 --> 00:18:10,960
the same time

503
00:18:14,630 --> 00:18:12,640
sure and then moving on when you're

504
00:18:16,950 --> 00:18:14,640
around the age of nine or ten

505
00:18:19,510 --> 00:18:16,960
you uh you were seeing grey-like beings

506
00:18:21,990 --> 00:18:19,520
as well and including being standing

507
00:18:24,630 --> 00:18:22,000
beside your bed is that correct

508
00:18:26,230 --> 00:18:24,640
that's right um my my parents divorced

509
00:18:29,590 --> 00:18:26,240
in that haunted house that i was

510
00:18:31,430 --> 00:18:29,600
speaking of and um that poltergeist that

511
00:18:33,110 --> 00:18:31,440
that energy was not the reason they had

512
00:18:33,990 --> 00:18:33,120
bigger problems than that believe it or

513
00:18:36,549 --> 00:18:34,000

not

514

00:18:38,950 --> 00:18:36,559

um so my mom remarried and we moved to a

515

00:18:41,350 --> 00:18:38,960

small college town where my stepdad my

516

00:18:43,590 --> 00:18:41,360

new stepdad was a professor

517

00:18:45,350 --> 00:18:43,600

and that's where the first encounter

518

00:18:48,310 --> 00:18:45,360

that i can remember with

519

00:18:49,990 --> 00:18:48,320

gray like beings happened i was about

520

00:18:52,310 --> 00:18:50,000

nine or ten

521

00:18:53,669 --> 00:18:52,320

i was in bed downstairs my my bedroom

522

00:18:56,710 --> 00:18:53,679

was in the basement

523

00:18:59,430 --> 00:18:56,720

i was a partially finished basement and

524

00:19:02,390 --> 00:18:59,440

um i was in the room on one of those old

525

00:19:04,070 --> 00:19:02,400

overstuffed pillows with the arms uh

526

00:19:05,590 --> 00:19:04,080

they were really popular in the 80s

527

00:19:06,950 --> 00:19:05,600

these uh here they used to call them

528

00:19:08,710 --> 00:19:06,960

husband pillows

529

00:19:11,029 --> 00:19:08,720

often they were like corduroy and things

530

00:19:12,230 --> 00:19:11,039

so was kind of half reclined

531

00:19:13,190 --> 00:19:12,240

on the bed

532

00:19:15,990 --> 00:19:13,200

and

533

00:19:18,150 --> 00:19:16,000

i fell asleep early with the lights on

534

00:19:19,350 --> 00:19:18,160

and which was not totally unusual for me

535

00:19:21,909 --> 00:19:19,360

at the time

536

00:19:25,029 --> 00:19:21,919

i think maybe partially because of the

537

00:19:27,270 --> 00:19:25,039

haunted energy from the prior place um

538

00:19:29,110 --> 00:19:27,280

but so i fell asleep on

539

00:19:30,630 --> 00:19:29,120

on this on this pillow on this big

540

00:19:32,470 --> 00:19:30,640

overstuffed pillow

541

00:19:34,549 --> 00:19:32,480

and i think that that

542

00:19:36,390 --> 00:19:34,559

that me being semi-reclined may have

543

00:19:38,789 --> 00:19:36,400

been the thing that

544

00:19:40,870 --> 00:19:38,799

made me able to remember or that i saw

545

00:19:42,310 --> 00:19:40,880

these beings in the first place

546

00:19:43,990 --> 00:19:42,320

so i just

547

00:19:45,750 --> 00:19:44,000

i woke up

548

00:19:47,190 --> 00:19:45,760

suddenly

549

00:19:49,350 --> 00:19:47,200

and

550

00:19:51,029 --> 00:19:49,360

it kind of startled with motion

551
00:19:53,510 --> 00:19:51,039
and

552
00:19:54,789 --> 00:19:53,520
i looked past the

553
00:19:56,070 --> 00:19:54,799
on the far side of the room there were

554
00:19:59,750 --> 00:19:56,080
two beings

555
00:20:01,750 --> 00:19:59,760
um they were gray-ish beings

556
00:20:03,430 --> 00:20:01,760
and they

557
00:20:07,029 --> 00:20:03,440
were about four four and a half feet

558
00:20:09,590 --> 00:20:07,039
tall the one on the left was holding

559
00:20:11,830 --> 00:20:09,600
like a metallic rod it was about i would

560
00:20:12,789 --> 00:20:11,840
guess 18 inches and maybe about the

561
00:20:15,190 --> 00:20:12,799
width of

562
00:20:15,990 --> 00:20:15,200
my finger here as an adult

563
00:20:18,870 --> 00:20:16,000

um

564

00:20:21,270 --> 00:20:18,880

and this sounds a little weird and it's

565

00:20:23,270 --> 00:20:21,280

something that's under reported in in

566

00:20:26,310 --> 00:20:23,280

text if people read about these things

567

00:20:27,830 --> 00:20:26,320

often but or these beings often but um

568

00:20:30,870 --> 00:20:27,840

the one on the left seemed to be

569

00:20:33,190 --> 00:20:30,880

hovering just over the floor

570

00:20:35,510 --> 00:20:33,200

um the one with the rod

571

00:20:39,590 --> 00:20:35,520

it there seemed to be like a little bit

572

00:20:41,029 --> 00:20:39,600

of a haze between its body and the floor

573

00:20:45,350 --> 00:20:41,039

and

574

00:20:48,470 --> 00:20:45,360

maybe i'm i'd assume it was some form of

575

00:20:50,390 --> 00:20:48,480

technology that that or some effect of

576

00:20:52,390 --> 00:20:50,400

some technology that allowed it to do

577

00:20:54,789 --> 00:20:52,400

what it was doing i don't know

578

00:20:55,990 --> 00:20:54,799

uh and the one on the right was on the

579

00:20:59,510 --> 00:20:56,000

floor

580

00:21:03,190 --> 00:20:59,520

and as i kind of came to i saw

581

00:21:06,710 --> 00:21:03,200

the being on on my left

582

00:21:07,830 --> 00:21:06,720

raising the rod towards me

583

00:21:09,750 --> 00:21:07,840

as

584

00:21:11,669 --> 00:21:09,760

the other one on the right started

585

00:21:13,909 --> 00:21:11,679

moving towards me

586

00:21:15,510 --> 00:21:13,919

and at first i wasn't scared at first

587

00:21:17,430 --> 00:21:15,520

at first i was just it was just kind of

588

00:21:19,190 --> 00:21:17,440

a sense of wonder like who the heck are

589

00:21:19,990 --> 00:21:19,200

these people you know what i mean

590

00:21:21,830 --> 00:21:20,000

um

591

00:21:24,070 --> 00:21:21,840

but when they

592

00:21:25,990 --> 00:21:24,080

didn't start communicating

593

00:21:28,470 --> 00:21:26,000

when there was no

594

00:21:30,710 --> 00:21:28,480

back and forth and and there was just

595

00:21:32,789 --> 00:21:30,720

action the one with the rod and the one

596

00:21:34,230 --> 00:21:32,799

moving towards me i got really scared

597

00:21:36,310 --> 00:21:34,240

really quickly

598

00:21:38,549 --> 00:21:36,320

and the one on the right it was this

599

00:21:40,630 --> 00:21:38,559

strange marionette motion

600

00:21:43,110 --> 00:21:40,640

and i think partially the

601
00:21:45,750 --> 00:21:43,120
non-communication and partially

602
00:21:47,590 --> 00:21:45,760
that the motion was so different than

603
00:21:48,630 --> 00:21:47,600
how we move

604
00:21:50,070 --> 00:21:48,640
humans

605
00:21:53,029 --> 00:21:50,080
that

606
00:21:55,830 --> 00:21:53,039
i was completely panic stricken but

607
00:21:56,950 --> 00:21:55,840
within a few seconds i was

608
00:22:00,230 --> 00:21:56,960
knocked out

609
00:22:02,070 --> 00:22:00,240
just you know passed out and

610
00:22:05,029 --> 00:22:02,080
you know you can speculate about maybe

611
00:22:06,390 --> 00:22:05,039
the rod or my fear i but i don't i don't

612
00:22:08,390 --> 00:22:06,400
have an answer for

613
00:22:10,630 --> 00:22:08,400

why i blacked out right then but i know

614

00:22:13,190 --> 00:22:10,640

that that's a feature that other people

615

00:22:14,870 --> 00:22:13,200

experience as well do you think when it

616

00:22:16,630 --> 00:22:14,880

comes to these and i get thanks for

617

00:22:19,029 --> 00:22:16,640

sharing that when it comes to these gray

618

00:22:21,350 --> 00:22:19,039

beings you hear that there's

619

00:22:23,270 --> 00:22:21,360

theories that they they are like third

620

00:22:25,669 --> 00:22:23,280

generation artificially intelligent

621

00:22:27,669 --> 00:22:25,679

clones that there's no consciousness to

622

00:22:29,909 --> 00:22:27,679

them and that when you're you're having

623

00:22:31,430 --> 00:22:29,919

these previous experiences with you know

624

00:22:33,990 --> 00:22:31,440

light beings or

625

00:22:35,510 --> 00:22:34,000

apparitions or energy beings or even

626

00:22:37,430 --> 00:22:35,520

ghosts you know

627

00:22:39,669 --> 00:22:37,440

you're having some form of communication

628

00:22:41,430 --> 00:22:39,679

or feeling in the room whereas you're

629

00:22:43,029 --> 00:22:41,440

not having that with these gray-like

630

00:22:44,950 --> 00:22:43,039

beings would you think that's a possible

631

00:22:46,630 --> 00:22:44,960

association that there was nothing

632

00:22:48,070 --> 00:22:46,640

inside of them necessarily almost

633

00:22:49,750 --> 00:22:48,080

machine-like

634

00:22:52,830 --> 00:22:49,760

i think that there's a possibility of

635

00:22:56,630 --> 00:22:52,840

that yeah there does seem to be less

636

00:22:59,350 --> 00:22:56,640

of there does seem to be less of a

637

00:23:01,190 --> 00:22:59,360

spirit or a soul to sound kind of new

638

00:23:03,190 --> 00:23:01,200

age about it but there does seem to be

639

00:23:04,630 --> 00:23:03,200

less going on that way

640

00:23:07,190 --> 00:23:04,640

on another level

641

00:23:09,909 --> 00:23:07,200

and i think that that's one of

642

00:23:11,909 --> 00:23:09,919

this the more scary or eerie things

643

00:23:13,909 --> 00:23:11,919

about them is that

644

00:23:16,789 --> 00:23:13,919

they do have kind of a robotic energy to

645

00:23:17,990 --> 00:23:16,799

them and that

646

00:23:19,830 --> 00:23:18,000

you don't

647

00:23:21,669 --> 00:23:19,840

necessarily sense the same kind of

648

00:23:23,350 --> 00:23:21,679

warmth that you do

649

00:23:25,909 --> 00:23:23,360

from almost any other kind of living

650

00:23:27,430 --> 00:23:25,919

being they can communicate

651

00:23:28,950 --> 00:23:27,440

but it's a very even they're the way

652

00:23:31,270 --> 00:23:28,960

that they communicate through telepathy

653

00:23:34,149 --> 00:23:31,280

is a very line by line it's almost like

654

00:23:35,750 --> 00:23:34,159

receiving a text or a telegram um

655

00:23:37,909 --> 00:23:35,760

rather than

656

00:23:40,149 --> 00:23:37,919

a more organic form of communication

657

00:23:41,750 --> 00:23:40,159

it's very hard to describe but it's

658

00:23:44,549 --> 00:23:41,760

there you know

659

00:23:47,350 --> 00:23:44,559

now you the article moves from you being

660

00:23:49,430 --> 00:23:47,360

at the age of nine or ten to to seeing a

661

00:23:52,310 --> 00:23:49,440

mantis like being in your twenties did

662

00:23:53,830 --> 00:23:52,320

your experiences stop or slow down and

663

00:23:55,590 --> 00:23:53,840

in your teenage years or did they

664

00:23:57,750 --> 00:23:55,600

continue

665

00:24:01,990 --> 00:23:57,760

there was a period where things slowed

666

00:24:03,269 --> 00:24:02,000

down um around when i was about 11 until

667

00:24:05,269 --> 00:24:03,279

about

668

00:24:06,549 --> 00:24:05,279

15 or 16 years old

669

00:24:09,110 --> 00:24:06,559

there's a very

670

00:24:11,190 --> 00:24:09,120

kind of low period maybe i'll let yeah

671

00:24:11,990 --> 00:24:11,200

11 or 12 to 16 for about four or five

672

00:24:13,430 --> 00:24:12,000

years

673

00:24:14,950 --> 00:24:13,440

things really slowed down and i don't

674

00:24:15,909 --> 00:24:14,960

know why that was

675

00:24:17,909 --> 00:24:15,919

um

676

00:24:20,470 --> 00:24:17,919

often these things are really erratic

677

00:24:23,110 --> 00:24:20,480

you know the timing it's hard to explain

678

00:24:24,149 --> 00:24:23,120

but as soon as i got into my older teen

679

00:24:25,430 --> 00:24:24,159

years

680

00:24:28,789 --> 00:24:25,440

um

681

00:24:31,669 --> 00:24:28,799

there was a slightly different form of

682

00:24:33,990 --> 00:24:31,679

poltergeist kind of energy coming around

683

00:24:37,110 --> 00:24:34,000

and this kind of watched energy and

684

00:24:39,350 --> 00:24:37,120

the visit the night visitations

685

00:24:41,990 --> 00:24:39,360

uh started picking back up again and i'd

686

00:24:42,789 --> 00:24:42,000

have fragmentary memories of

687

00:24:45,190 --> 00:24:42,799

of

688

00:24:47,909 --> 00:24:45,200

being levitated or

689

00:24:48,630 --> 00:24:47,919

taken out of my bed and things like that

690

00:24:51,110 --> 00:24:48,640

yeah

691

00:24:53,190 --> 00:24:51,120

do you think in that age 11 to 16

692

00:24:54,950 --> 00:24:53,200

especially as a young boy you're you're

693

00:24:56,710 --> 00:24:54,960

hitting puberty and you're having that

694

00:24:58,870 --> 00:24:56,720

kind of chemical imbalance it's all over

695

00:25:00,950 --> 00:24:58,880

the place there's potential that plays a

696

00:25:03,430 --> 00:25:00,960

part in it and that could be why things

697

00:25:06,149 --> 00:25:03,440

change afterwards had

698

00:25:07,990 --> 00:25:06,159

your feelings towards those experiences

699

00:25:10,390 --> 00:25:08,000

changed when they start back up from the

700

00:25:11,510 --> 00:25:10,400

age of 16

701

00:25:13,430 --> 00:25:11,520

i think that there's a strong

702

00:25:15,430 --> 00:25:13,440

possibility i i've read that theory

703

00:25:17,750 --> 00:25:15,440

before that that

704

00:25:21,190 --> 00:25:17,760

you know hormonal energy

705

00:25:22,710 --> 00:25:21,200

and adolescent energy the body processes

706

00:25:26,390 --> 00:25:22,720

could somehow

707

00:25:28,549 --> 00:25:26,400

either help create a situation or

708

00:25:30,390 --> 00:25:28,559

attract a certain form of energy you

709

00:25:31,830 --> 00:25:30,400

know there's a lot of theories that way

710

00:25:33,830 --> 00:25:31,840

but it's very true that there does seem

711

00:25:36,310 --> 00:25:33,840

to be a correlation between

712

00:25:38,470 --> 00:25:36,320

that kind of adolescent energy and and

713

00:25:39,510 --> 00:25:38,480

poltergeist phenomena

714

00:25:43,029 --> 00:25:39,520

um

715

00:25:45,110 --> 00:25:43,039

so uh but i i i'm not sure

716

00:25:48,630 --> 00:25:45,120

though i do know that

717

00:25:50,789 --> 00:25:48,640

somewhere along those lines the the

718

00:25:54,470 --> 00:25:50,799

what people would would term as et or

719

00:25:57,190 --> 00:25:54,480

abduction uh cases started

720

00:25:59,669 --> 00:25:57,200

situations started coming back into play

721

00:26:02,230 --> 00:25:59,679

um and so there could just that could be

722

00:26:05,029 --> 00:26:02,240

totally correlated i mean that those

723

00:26:07,830 --> 00:26:05,039

some people have suggested uh including

724

00:26:11,110 --> 00:26:07,840

dr eric davis i believe that that

725

00:26:12,549 --> 00:26:11,120

poltergeist phenomena and et so-called

726
00:26:15,110 --> 00:26:12,559
phenomena

727
00:26:16,470 --> 00:26:15,120
are often wedded together i don't

728
00:26:17,750 --> 00:26:16,480
necessarily know i think that's

729
00:26:21,110 --> 00:26:17,760
intriguing

730
00:26:22,630 --> 00:26:21,120
um but i also recognize that there's

731
00:26:26,630 --> 00:26:22,640
there's a lot of literature that

732
00:26:27,590 --> 00:26:26,640
suggests that that greys and mantids etc

733
00:26:30,470 --> 00:26:27,600
um

734
00:26:33,110 --> 00:26:30,480
are interested in in

735
00:26:35,190 --> 00:26:33,120
our biology especially

736
00:26:37,029 --> 00:26:35,200
through adolescence and

737
00:26:39,190 --> 00:26:37,039
and interested in our reproductive

738
00:26:40,549 --> 00:26:39,200

processes and things like that so

739

00:26:42,549 --> 00:26:40,559

perhaps it's just

740

00:26:45,029 --> 00:26:42,559

total happenstance that both of these

741

00:26:47,669 --> 00:26:45,039

things were kind of retriggered

742

00:26:49,830 --> 00:26:47,679

near the same time i don't know

743

00:26:52,549 --> 00:26:49,840

where did you have different feelings as

744

00:26:56,070 --> 00:26:52,559

i was saying as well to your experiences

745

00:26:57,750 --> 00:26:56,080

as you hit 16 17 you know into your 20s

746

00:27:00,789 --> 00:26:57,760

was there more fear was there more

747

00:27:03,350 --> 00:27:00,799

trepidation was there a concern

748

00:27:05,190 --> 00:27:03,360

yeah there was there's a lot more fear

749

00:27:07,750 --> 00:27:05,200

there's a lot more fear and part of the

750

00:27:09,510 --> 00:27:07,760

reason was is that i recognized that

751
00:27:12,070 --> 00:27:09,520
some of my i would be hanging out with

752
00:27:13,510 --> 00:27:12,080
friends a lot more um getting into my

753
00:27:15,909 --> 00:27:13,520
late teen years

754
00:27:16,789 --> 00:27:15,919
18 19 20

755
00:27:19,350 --> 00:27:16,799
and

756
00:27:21,590 --> 00:27:19,360
i recognized that other people other

757
00:27:22,789 --> 00:27:21,600
friends were experiencing things along

758
00:27:24,950 --> 00:27:22,799
with me

759
00:27:26,630 --> 00:27:24,960
and and

760
00:27:27,830 --> 00:27:26,640
and seeing

761
00:27:30,310 --> 00:27:27,840
odd

762
00:27:33,110 --> 00:27:30,320
apparitions or having

763
00:27:36,389 --> 00:27:33,120

some kind of interpenetrating presence

764

00:27:39,269 --> 00:27:36,399

around um that sometimes would would

765

00:27:42,789 --> 00:27:39,279

activate something moving around or in

766

00:27:43,669 --> 00:27:42,799

terms of poltergeist activity or

767

00:27:49,830 --> 00:27:43,679

or

768

00:27:51,990 --> 00:27:49,840

and so again there's a lot of there's a

769

00:27:54,470 --> 00:27:52,000

lot of speculation about

770

00:27:56,630 --> 00:27:54,480

some subtle realms some other

771

00:27:58,870 --> 00:27:56,640

layer of reality where things kind of

772

00:28:00,549 --> 00:27:58,880

interpenetrate from i'm not sure but i

773

00:28:01,990 --> 00:28:00,559

recognize that

774

00:28:03,590 --> 00:28:02,000

some of my friends really didn't like

775

00:28:05,990 --> 00:28:03,600

that you know and they really didn't

776

00:28:08,389 --> 00:28:06,000

like that that it could be attached to

777

00:28:09,269 --> 00:28:08,399

me they recognized very quickly that i

778

00:28:13,029 --> 00:28:09,279

was

779

00:28:16,149 --> 00:28:13,039

situations and i lost a few friends in

780

00:28:17,909 --> 00:28:16,159

in my early 20s my late teens

781

00:28:19,430 --> 00:28:17,919

because they didn't like being around

782

00:28:20,230 --> 00:28:19,440

that kind of energy and i couldn't blame

783

00:28:21,750 --> 00:28:20,240

them

784

00:28:23,590 --> 00:28:21,760

and so

785

00:28:25,269 --> 00:28:23,600

that became

786

00:28:26,389 --> 00:28:25,279

another layer of

787

00:28:29,190 --> 00:28:26,399

of

788

00:28:30,630 --> 00:28:29,200

fear to me the idea that

789

00:28:32,870 --> 00:28:30,640

that

790

00:28:34,630 --> 00:28:32,880

this stuff would never leave me alone or

791

00:28:37,190 --> 00:28:34,640

that i wouldn't be able to have

792

00:28:38,789 --> 00:28:37,200

meaningful relationships with people

793

00:28:41,510 --> 00:28:38,799

um because

794

00:28:43,590 --> 00:28:41,520

because of this kind of phenomena

795

00:28:45,830 --> 00:28:43,600

how have you coped going into your kind

796

00:28:47,510 --> 00:28:45,840

of life as you're at now with that

797

00:28:49,590 --> 00:28:47,520

knowing that it's always going to be a

798

00:28:51,590 --> 00:28:49,600

potential barrier in any form of

799

00:28:52,389 --> 00:28:51,600

relationship

800

00:28:55,190 --> 00:28:52,399

well

801
00:29:02,070 --> 00:28:58,789
in some ways with ralph's article and

802
00:29:04,149 --> 00:29:02,080
being kind of coaxed into

803
00:29:05,350 --> 00:29:04,159
coming out of the experience or closet

804
00:29:06,389 --> 00:29:05,360
if you will

805
00:29:07,909 --> 00:29:06,399
um

806
00:29:09,830 --> 00:29:07,919
it kind of ripped the band-aid off a

807
00:29:12,470 --> 00:29:09,840
little bit you know

808
00:29:13,430 --> 00:29:12,480
if somebody googles me in the future

809
00:29:15,190 --> 00:29:13,440
uh

810
00:29:17,430 --> 00:29:15,200
they're they're gonna have us there's

811
00:29:19,990 --> 00:29:17,440
gonna be some spoilers about what what

812
00:29:22,950 --> 00:29:20,000
that might be but i i in terms of

813
00:29:24,389 --> 00:29:22,960

processing i think

814

00:29:28,549 --> 00:29:24,399

it's been great

815

00:29:30,789 --> 00:29:28,559

through the pandemic um that

816

00:29:33,190 --> 00:29:30,799

as you know the experienter group formed

817

00:29:35,430 --> 00:29:33,200

and we started doing these private

818

00:29:37,350 --> 00:29:35,440

confidential support groups and meetup

819

00:29:39,110 --> 00:29:37,360

groups for other experiencers of

820

00:29:41,029 --> 00:29:39,120

different forms of phenomena

821

00:29:42,149 --> 00:29:41,039

and through doing that

822

00:29:44,070 --> 00:29:42,159

we've been

823

00:29:45,190 --> 00:29:44,080

creating this worldwide network of

824

00:29:47,510 --> 00:29:45,200

people

825

00:29:49,430 --> 00:29:47,520

that have had similar experiences and so

826
00:29:52,149 --> 00:29:49,440
it was really a way to

827
00:29:55,430 --> 00:29:52,159
take the lockdowns and the work from

828
00:29:57,510 --> 00:29:55,440
home thing and turn lemons in into

829
00:29:59,269 --> 00:29:57,520
lemonade for us

830
00:30:02,789 --> 00:29:59,279
and

831
00:30:04,630 --> 00:30:02,799
in that way

832
00:30:06,950 --> 00:30:04,640
i i feel really

833
00:30:08,950 --> 00:30:06,960
really positive about the future in

834
00:30:10,950 --> 00:30:08,960
terms of what can be built here what

835
00:30:12,710 --> 00:30:10,960
kind of dialogues can happen just even

836
00:30:13,909 --> 00:30:12,720
what we're talking about today here you

837
00:30:14,789 --> 00:30:13,919
and me

838
00:30:16,710 --> 00:30:14,799

and

839

00:30:20,070 --> 00:30:16,720

i'm hopeful that people can be more

840

00:30:23,269 --> 00:30:20,080

open-minded with each other and in

841

00:30:25,269 --> 00:30:23,279

inorganic loving situations

842

00:30:27,590 --> 00:30:25,279

i don't think as again like people don't

843

00:30:29,510 --> 00:30:27,600

have to believe me but if they can

844

00:30:32,070 --> 00:30:29,520

remember back to times when their loved

845

00:30:33,909 --> 00:30:32,080

ones or their friends

846

00:30:35,510 --> 00:30:33,919

may have shared something maybe they saw

847

00:30:37,190 --> 00:30:35,520

it said they saw a ghost maybe they said

848

00:30:39,269 --> 00:30:37,200

they saw a ufo

849

00:30:41,830 --> 00:30:39,279

you know and you're this is a very

850

00:30:44,710 --> 00:30:41,840

specific audience your podcast but

851

00:30:46,389 --> 00:30:44,720

sometimes even in situations like this

852

00:30:48,310 --> 00:30:46,399

people can remember back to a time where

853

00:30:50,310 --> 00:30:48,320

they might have blown somebody off when

854

00:30:52,070 --> 00:30:50,320

that person may have been sharing one of

855

00:30:54,549 --> 00:30:52,080

the most private and vulnerable

856

00:30:56,389 --> 00:30:54,559

situations that they've ever experienced

857

00:30:58,549 --> 00:30:56,399

so if people can

858

00:31:01,430 --> 00:30:58,559

can think back on on situations like

859

00:31:02,789 --> 00:31:01,440

that and and and try to be more caring

860

00:31:06,149 --> 00:31:02,799

when somebody has a share like that in

861

00:31:08,389 --> 00:31:06,159

the future then then then

862

00:31:10,149 --> 00:31:08,399

it'll be a better future for sure

863

00:31:12,149 --> 00:31:10,159

and jay you've very nicely answered what

864

00:31:13,750 --> 00:31:12,159

would have been my last question of what

865

00:31:15,430 --> 00:31:13,760

you would advice you would give to those

866

00:31:16,710 --> 00:31:15,440

listening who may have had experiences

867

00:31:19,350 --> 00:31:16,720

but what i would have asked you before

868

00:31:21,190 --> 00:31:19,360

that anyway we'll swap it round as if

869

00:31:23,430 --> 00:31:21,200

you could go back to your younger self

870

00:31:25,110 --> 00:31:23,440

and i've assisted all the experiences

871

00:31:27,190 --> 00:31:25,120

and give yourself some advice to help

872

00:31:34,149 --> 00:31:27,200

you cope through the years and the

873

00:31:39,590 --> 00:31:35,990

i think that

874

00:31:41,350 --> 00:31:39,600

one very practical thing would be

875

00:31:47,110 --> 00:31:41,360

you're going to

876

00:31:48,470 --> 00:31:47,120

all your fingers and toes

877

00:31:50,789 --> 00:31:48,480

you're going to make through make it

878

00:31:52,310 --> 00:31:50,799

through with your sanity

879

00:31:55,269 --> 00:31:52,320

and

880

00:31:57,110 --> 00:31:55,279

that would be the first thing you're

881

00:31:58,310 --> 00:31:57,120

going to find meaningful relationships

882

00:32:00,789 --> 00:31:58,320

you're going to have

883

00:32:02,870 --> 00:32:00,799

friends and loved ones that accept you

884

00:32:04,070 --> 00:32:02,880

for who you are

885

00:32:05,190 --> 00:32:04,080

and

886

00:32:07,830 --> 00:32:05,200

that they're not going to come every

887

00:32:10,310 --> 00:32:07,840

night so you can turn the lights off and

888

00:32:12,149 --> 00:32:10,320

go to bed

889

00:32:14,310 --> 00:32:12,159

i appreciate that i would say

890

00:32:15,830 --> 00:32:14,320

jay just to wrap up do you mind sharing

891

00:32:17,909 --> 00:32:15,840

with people how they can get in touch

892

00:32:19,669 --> 00:32:17,919

with yourself and the experimenter group

893

00:32:22,310 --> 00:32:19,679

if they want to do so

894

00:32:26,389 --> 00:32:22,320

sure um you could you could find me

895

00:32:30,230 --> 00:32:26,399

through our our twitter at

896

00:32:31,909 --> 00:32:30,240

for experimenters for experimenters

897

00:32:34,149 --> 00:32:31,919

uh on twitter

898

00:32:36,630 --> 00:32:34,159

um we also have an instagram account

899

00:32:39,509 --> 00:32:36,640

where people could find us if they are

900

00:32:40,630 --> 00:32:39,519

reluctant to get on the awful twitter

901
00:32:41,509 --> 00:32:40,640
beast

902
00:32:43,509 --> 00:32:41,519
um

903
00:32:45,789 --> 00:32:43,519
and uh they can also

904
00:32:47,350 --> 00:32:45,799
of course find me through the

905
00:32:50,950 --> 00:32:47,360
experiencergroup.com

906
00:32:53,110 --> 00:32:50,960
um where where i kind of live my online

907
00:32:55,509 --> 00:32:53,120
life and many other experiencers do as

908
00:32:58,630 --> 00:32:55,519
well anybody that shows up can have a

909
00:33:00,870 --> 00:32:58,640
free trial for a month and

910
00:33:02,310 --> 00:33:00,880
and can stay on as long as they'd like

911
00:33:04,389 --> 00:33:02,320
we have a little bit of vetting to make

912
00:33:07,430 --> 00:33:04,399
sure that we don't have trolls and other

913
00:33:09,509 --> 00:33:07,440

people that could be hostile to

914

00:33:13,870 --> 00:33:09,519

to other experiencers and it's a warm

915

00:33:15,909 --> 00:33:13,880

community so people can find me through

916

00:33:17,590 --> 00:33:15,919

www.theexperiencergroup.com as well

917

00:33:19,750 --> 00:33:17,600

and i'll put all the links for those in

918

00:33:21,830 --> 00:33:19,760

the description for this and all the

919

00:33:23,269 --> 00:33:21,840

other shows that we're doing as well jay

920

00:33:24,710 --> 00:33:23,279

it's been wonderful speaking with you

921

00:33:26,710 --> 00:33:24,720

and i look forward to having you back on

922

00:33:28,389 --> 00:33:26,720

the podcast again in the future

923

00:33:30,230 --> 00:33:28,399

great thank you so much for having me

924

00:33:31,590 --> 00:33:30,240

today it's been a wonderful dialogue

925

00:33:33,750 --> 00:33:31,600

thank you so much

926

00:33:35,990 --> 00:33:33,760

okay so we should be back on the podcast

927

00:33:37,669 --> 00:33:36,000

now and i hope and pray you have just

928

00:33:39,990 --> 00:33:37,679

seen an extended interview with jay

929

00:33:41,750 --> 00:33:40,000

christopher king again thank you to jay

930

00:33:45,190 --> 00:33:41,760

for sharing his time

931

00:33:47,350 --> 00:33:45,200

dan so jay talked about not only ufos

932

00:33:49,350 --> 00:33:47,360

uap potentially there and seeing various

933

00:33:50,870 --> 00:33:49,360

different beings but he talked about

934

00:33:52,070 --> 00:33:50,880

poltergeist activity as we have

935

00:33:53,909 --> 00:33:52,080

discussed with some of the other

936

00:33:56,870 --> 00:33:53,919

experiencers as well

937

00:33:58,630 --> 00:33:56,880

it it really seems that it's just one

938

00:34:00,230 --> 00:33:58,640

type of you know being that they see and

939

00:34:02,789 --> 00:34:00,240

it can be like a like that umbrella

940

00:34:05,509 --> 00:34:02,799

phenomena what's your take on on

941

00:34:08,790 --> 00:34:05,519

experiences themselves and whereas their

942

00:34:10,869 --> 00:34:08,800

part in this conversation for you

943

00:34:12,470 --> 00:34:10,879

it's it's a question that oh sorry it's

944

00:34:14,470 --> 00:34:12,480

a subject that

945

00:34:16,230 --> 00:34:14,480

is ahead of us on the road you know the

946

00:34:17,990 --> 00:34:16,240

united states government has

947

00:34:19,430 --> 00:34:18,000

acknowledged that

948

00:34:22,950 --> 00:34:19,440

there's something here

949

00:34:25,909 --> 00:34:22,960

um and the implications that

950

00:34:26,869 --> 00:34:25,919

over you know 70 80 years or longer in

951
00:34:29,109 --> 00:34:26,879
fact

952
00:34:31,510 --> 00:34:29,119
that they've been taking people and

953
00:34:33,190 --> 00:34:31,520
doing these things to them um

954
00:34:35,589 --> 00:34:33,200
it's it's a very hard conversation to

955
00:34:38,389 --> 00:34:35,599
have because like you say there's trauma

956
00:34:40,710 --> 00:34:38,399
involved and i almost think we need to

957
00:34:43,909 --> 00:34:40,720
get to a place where we have a really

958
00:34:45,270 --> 00:34:43,919
solid support structure set up to help

959
00:34:47,349 --> 00:34:45,280
experiences

960
00:34:48,950 --> 00:34:47,359
um and then there's the kind of there's

961
00:34:51,270 --> 00:34:48,960
a darker side of that conversation as

962
00:34:53,109 --> 00:34:51,280
well because

963
00:34:57,349 --> 00:34:53,119

as you found in a presentation that you

964

00:34:58,630 --> 00:34:57,359

went to a you know a while back now

965

00:35:00,310 --> 00:34:58,640

a lot of the

966

00:35:02,950 --> 00:35:00,320

the experience of that person i won't

967

00:35:05,270 --> 00:35:02,960

mention names was rooted in you know

968

00:35:07,750 --> 00:35:05,280

childhood abuse and things like that so

969

00:35:09,829 --> 00:35:07,760

it's a really delicate area that we just

970

00:35:10,950 --> 00:35:09,839

need proper psychological support for

971

00:35:13,430 --> 00:35:10,960

really

972

00:35:15,910 --> 00:35:13,440

yeah um

973

00:35:18,390 --> 00:35:15,920

recently as well there's a the fine line

974

00:35:20,950 --> 00:35:18,400

between you know mental health and

975

00:35:23,430 --> 00:35:20,960

the potentially you know trauma to do

976

00:35:26,069 --> 00:35:23,440

with experiences or effects that are

977

00:35:27,349 --> 00:35:26,079

left over from from any experiencers and

978

00:35:29,270 --> 00:35:27,359

what they've gone through and that's not

979

00:35:30,630 --> 00:35:29,280

to say they aren't necessarily linked

980

00:35:32,550 --> 00:35:30,640

you know it could be the cause of mental

981

00:35:34,630 --> 00:35:32,560

health issues and you're having to grow

982

00:35:36,230 --> 00:35:34,640

up with such a profound thing that let's

983

00:35:38,310 --> 00:35:36,240

be honest so few of us unless you've

984

00:35:41,030 --> 00:35:38,320

experienced that probably are able to

985

00:35:42,630 --> 00:35:41,040

comprehend or understand what goes on

986

00:35:44,550 --> 00:35:42,640

just to take a bit of a

987

00:35:47,109 --> 00:35:44,560

sideways jump though on that dan

988

00:35:49,589 --> 00:35:47,119

i wonder if indeed we are talking about

989

00:35:51,750 --> 00:35:49,599

an umbrella phenomenon

990

00:35:53,750 --> 00:35:51,760

at what point can can you imagine we are

991

00:35:55,829 --> 00:35:53,760

we're looking to get various governments

992

00:35:57,750 --> 00:35:55,839

to hopefully down the line say that

993

00:35:59,270 --> 00:35:57,760

there is this phenomenon or we discover

994

00:36:01,670 --> 00:35:59,280

alongside them that you know let's just

995

00:36:02,710 --> 00:36:01,680

go with aliens exist for for a could we

996

00:36:05,190 --> 00:36:02,720

have seen it

997

00:36:08,390 --> 00:36:05,200

at what point do we then bring in okay

998

00:36:15,430 --> 00:36:12,069

is

999

00:36:17,190 --> 00:36:15,440

i talk about us not really having the

1000

00:36:19,349 --> 00:36:17,200

language to have these discussions in a

1001
00:36:21,589 --> 00:36:19,359
serious way yet you know ufos wrong

1002
00:36:22,390 --> 00:36:21,599
labels uap yeah

1003
00:36:25,109 --> 00:36:22,400
you know

1004
00:36:26,870 --> 00:36:25,119
ghosts is kind of a superstitious label

1005
00:36:28,550 --> 00:36:26,880
but i don't know these days if we kind

1006
00:36:30,950 --> 00:36:28,560
of figured out that they were quantum

1007
00:36:32,150 --> 00:36:30,960
time hiccups i i don't know maybe

1008
00:36:34,069 --> 00:36:32,160
there would be

1009
00:36:35,990 --> 00:36:34,079
a lot more acceptance because it's a

1010
00:36:38,390 --> 00:36:36,000
term that can be you know researched

1011
00:36:40,630 --> 00:36:38,400
it's not just do ghost

1012
00:36:42,790 --> 00:36:40,640
scenic quantum time hiccups so still

1013
00:36:46,230 --> 00:36:42,800

scary quantum time hiccups i like that

1014

00:36:47,910 --> 00:36:46,240

yeah but yeah i i i get that and uh and

1015

00:36:50,069 --> 00:36:47,920

something we discussed with some of the

1016

00:36:51,910 --> 00:36:50,079

experiencers and and i'll discuss with

1017

00:36:55,190 --> 00:36:51,920

yourself dan as well is that

1018

00:36:57,109 --> 00:36:55,200

it's a difficult conversation uh as a

1019

00:36:59,430 --> 00:36:57,119

nation this topic to put into the

1020

00:37:01,190 --> 00:36:59,440

mainstream especially right now

1021

00:37:02,950 --> 00:37:01,200

when people who are watching this right

1022

00:37:05,270 --> 00:37:02,960

now are listening to this right now have

1023

00:37:07,670 --> 00:37:05,280

a vested interest in this topic more

1024

00:37:09,270 --> 00:37:07,680

than likely for for some time if they're

1025

00:37:11,190 --> 00:37:09,280

new to the subject fantastic they're

1026

00:37:12,630 --> 00:37:11,200

discovering all this and hearing new

1027

00:37:15,030 --> 00:37:12,640

ideas and new

1028

00:37:16,870 --> 00:37:15,040

you know new theories and hypotheses for

1029

00:37:18,069 --> 00:37:16,880

the first time brilliant but most people

1030

00:37:20,390 --> 00:37:18,079

are probably

1031

00:37:22,310 --> 00:37:20,400

already have their own ideas of what's

1032

00:37:23,750 --> 00:37:22,320

going on what may be happening and

1033

00:37:25,670 --> 00:37:23,760

things are kind of malleable now and

1034

00:37:28,470 --> 00:37:25,680

again

1035

00:37:31,109 --> 00:37:28,480

it's it's a hard one for the mainstream

1036

00:37:33,349 --> 00:37:31,119

which is the other 99

1037

00:37:36,470 --> 00:37:33,359

to take in okay that the us government

1038

00:37:37,990 --> 00:37:36,480

are now looking at uf ufos exist again

1039

00:37:40,630 --> 00:37:38,000

that's how the language is changing in

1040

00:37:41,750 --> 00:37:40,640

the mainstream and from there what might

1041

00:37:42,630 --> 00:37:41,760

they be

1042

00:37:47,270 --> 00:37:42,640

to

1043

00:37:50,150 --> 00:37:47,280

talking about abductions lifelong

1044

00:37:52,550 --> 00:37:50,160

experiencers as a genetic thing is there

1045

00:37:54,390 --> 00:37:52,560

anything that can be done about it it's

1046

00:37:55,190 --> 00:37:54,400

it's going from a to b

1047

00:37:56,150 --> 00:37:55,200

to

1048

00:37:57,589 --> 00:37:56,160

r

1049

00:38:00,310 --> 00:37:57,599

down the line

1050

00:38:03,030 --> 00:38:01,109

that

1051
00:38:05,589 --> 00:38:03,040
they're asking at the moment because you

1052
00:38:08,069 --> 00:38:05,599
know are they here yes we know this

1053
00:38:09,750 --> 00:38:08,079
we've had confirmation

1054
00:38:11,109 --> 00:38:09,760
what are they and their intent their

1055
00:38:12,150 --> 00:38:11,119
motives is something that's being

1056
00:38:13,430 --> 00:38:12,160
discussed

1057
00:38:16,069 --> 00:38:13,440
and if

1058
00:38:18,390 --> 00:38:16,079
it turns out that there's a bad intent

1059
00:38:20,630 --> 00:38:18,400
then abductions become a very nefarious

1060
00:38:23,510 --> 00:38:20,640
thing whereas if they've been abducting

1061
00:38:25,750 --> 00:38:23,520
people with benevolent interests then it

1062
00:38:27,670 --> 00:38:25,760
will be a different conversation

1063
00:38:29,670 --> 00:38:27,680

yeah and dan you you ask the question

1064

00:38:33,190 --> 00:38:29,680

what are they the question could be when

1065

00:38:36,630 --> 00:38:34,790

okay but then it might just be what are

1066

00:38:38,630 --> 00:38:36,640

they so you know ignore that but yeah

1067

00:38:40,470 --> 00:38:38,640

again thank you very much to jay for the

1068

00:38:41,910 --> 00:38:40,480

interview check out uh hopefully you've

1069

00:38:43,990 --> 00:38:41,920

checked out and check out the other

1070

00:38:46,230 --> 00:38:44,000

interviews with other experiencers that

1071

00:38:49,589 --> 00:38:46,240

will be coming up on the main podcast on

1072

00:38:50,950 --> 00:38:49,599

the that ufo podcast channel as well

1073

00:38:52,310 --> 00:38:50,960

we should also kind of acknowledge that

1074

00:38:54,470 --> 00:38:52,320

when we're talking about that umbrella

1075

00:38:56,230 --> 00:38:54,480

phenomenon um you know that everything

1076

00:38:57,750 --> 00:38:56,240

kind of falls and uh

1077

00:39:00,230 --> 00:38:57,760

well this one umbrella and has different

1078

00:39:02,150 --> 00:39:00,240

terms across the ages uh it kind of

1079

00:39:03,990 --> 00:39:02,160

brings us to the next point where of a

1080

00:39:05,349 --> 00:39:04,000

place that experiences all these

1081

00:39:09,589 --> 00:39:05,359

different phenomena

1082

00:39:12,470 --> 00:39:09,599

uh in one geographic location um wheels

1083

00:39:17,589 --> 00:39:14,390

no i just wanted to ruin your link i'm

1084

00:39:21,750 --> 00:39:17,599

sorry that was uh no it's all good

1085

00:39:23,829 --> 00:39:21,760

but uh yeah skating walker ranch yes

1086

00:39:25,030 --> 00:39:23,839

news broke today didn't it dan say news

1087

00:39:27,829 --> 00:39:25,040

broke today it's just kind of gone

1088

00:39:29,829 --> 00:39:27,839

online and in the last couple of days

1089

00:39:32,150 --> 00:39:29,839

that you will see there's a new book

1090

00:39:34,069 --> 00:39:32,160

coming out skinwalkers at the pentagon

1091

00:39:37,589 --> 00:39:34,079

an insider's account of the secret

1092

00:39:39,750 --> 00:39:37,599

government ufo program that title alone

1093

00:39:41,990 --> 00:39:39,760

raises eyebrows doesn't it then you see

1094

00:39:43,829 --> 00:39:42,000

the names of the planning title to be

1095

00:39:45,990 --> 00:39:43,839

honest the the name is really funny uh

1096

00:39:48,230 --> 00:39:46,000

sorry the names are really um great the

1097

00:39:50,710 --> 00:39:48,240

ones that are attached james lacassie

1098

00:39:52,310 --> 00:39:50,720

hasn't spoken you know comb cow hasn't

1099

00:39:53,670 --> 00:39:52,320

spoken for a while george knapp's

1100

00:39:55,510 --> 00:39:53,680

involved so we know that there's going

1101
00:39:57,750 --> 00:39:55,520
to be a lot of heavy lifting there but

1102
00:39:59,430 --> 00:39:57,760
skin workers at the pentagon literally

1103
00:40:01,990 --> 00:39:59,440
that image just the halls filled with

1104
00:40:03,270 --> 00:40:02,000
skin walkers trying to do admin work

1105
00:40:05,109 --> 00:40:03,280
made me chuckle

1106
00:40:07,109 --> 00:40:05,119
well it's a better title than robert

1107
00:40:09,270 --> 00:40:07,119
duck but we'll get there

1108
00:40:12,790 --> 00:40:09,280
but even i saw steven greenstreet on

1109
00:40:15,030 --> 00:40:12,800
twitter had highlighted a piece from the

1110
00:40:17,589 --> 00:40:15,040
the blurb on the book and it talks about

1111
00:40:19,030 --> 00:40:17,599
the sticky portfolio that's something we

1112
00:40:21,430 --> 00:40:19,040
have talked about with george knapp

1113
00:40:23,190 --> 00:40:21,440

brandon fuego thomas winterton luella

1114

00:40:24,790 --> 00:40:23,200

zondo all of those interviews available

1115

00:40:27,109 --> 00:40:24,800

in the archives as well folks so you can

1116

00:40:29,109 --> 00:40:27,119

go and check them out but that sticky

1117

00:40:32,230 --> 00:40:29,119

portfolio the idea that

1118

00:40:34,630 --> 00:40:32,240

get um guests at the ranch or officials

1119

00:40:37,510 --> 00:40:34,640

who have visited the ranch or workers

1120

00:40:39,589 --> 00:40:37,520

have something an entity a force that

1121

00:40:41,750 --> 00:40:39,599

can follow them home and that blurb

1122

00:40:44,470 --> 00:40:41,760

actually talks about those people's

1123

00:40:46,950 --> 00:40:44,480

children being injured by this

1124

00:40:48,790 --> 00:40:46,960

phenomenon that's quite a statement just

1125

00:40:49,910 --> 00:40:48,800

to have out there on its own isn't it

1126
00:40:51,670 --> 00:40:49,920
and that's not really something your

1127
00:40:53,510 --> 00:40:51,680
child's when you said it

1128
00:40:55,510 --> 00:40:53,520
well we spoke to george knapp didn't we

1129
00:40:58,550 --> 00:40:55,520
for an interview and george mentioned i

1130
00:41:01,109 --> 00:40:58,560
think for the first time that his wife

1131
00:41:02,470 --> 00:41:01,119
had experienced part of the phenomenon

1132
00:41:04,230 --> 00:41:02,480
but he didn't obviously want to go into

1133
00:41:05,829 --> 00:41:04,240
too much detail on that from him

1134
00:41:07,990 --> 00:41:05,839
visiting the ranch and spending so much

1135
00:41:10,230 --> 00:41:08,000
time there with with bigelow of course

1136
00:41:11,910 --> 00:41:10,240
and then afterwards that his wife had

1137
00:41:13,670 --> 00:41:11,920
had experiences and now we're hearing

1138
00:41:15,109 --> 00:41:13,680

that others have as well

1139

00:41:17,430 --> 00:41:15,119

thomas winterton who is the ranch

1140

00:41:20,069 --> 00:41:17,440

superintendent had also talked about how

1141

00:41:21,990 --> 00:41:20,079

his family had also had experiences

1142

00:41:25,030 --> 00:41:22,000

frequently again working at the ranch as

1143

00:41:25,990 --> 00:41:25,040

much as he has from this phenomenon so

1144

00:41:28,069 --> 00:41:26,000

it's

1145

00:41:29,910 --> 00:41:28,079

i think you let's separate the tv show

1146

00:41:32,550 --> 00:41:29,920

completely because that can be divisive

1147

00:41:35,190 --> 00:41:32,560

and the the layout of it the pacing of

1148

00:41:37,990 --> 00:41:35,200

it and the over dramatize dramatizations

1149

00:41:39,990 --> 00:41:38,000

that can happen at times on any tv show

1150

00:41:41,750 --> 00:41:40,000

there is a real phenomenon going on it's

1151

00:41:42,710 --> 00:41:41,760

gonna walk a ranch

1152

00:41:48,710 --> 00:41:42,720

and

1153

00:41:50,470 --> 00:41:48,720

you'd obviously pointed out that's

1154

00:41:52,630 --> 00:41:50,480

available in the description

1155

00:41:55,109 --> 00:41:52,640

right at the bottom of the description

1156

00:41:56,870 --> 00:41:55,119

it says skinwalkers at the pentagon has

1157

00:41:59,510 --> 00:41:56,880

been reviewed by the us department of

1158

00:42:03,910 --> 00:41:59,520

defense and cleared for public release

1159

00:42:06,550 --> 00:42:05,030

yeah

1160

00:42:08,790 --> 00:42:06,560

what's jumping out immediately for you

1161

00:42:11,589 --> 00:42:08,800

then dan uh someone else has a book

1162

00:42:13,270 --> 00:42:11,599

coming out that will probably

1163

00:42:15,990 --> 00:42:13,280

you know need reviewing by the us

1164

00:42:16,870 --> 00:42:16,000

department of defense uh luis salazando

1165

00:42:18,630 --> 00:42:16,880

um

1166

00:42:19,910 --> 00:42:18,640

is you know he announced a book deal a

1167

00:42:21,910 --> 00:42:19,920

little while ago

1168

00:42:24,069 --> 00:42:21,920

and i expect we'll see this disclaimer

1169

00:42:26,390 --> 00:42:24,079

there and you've got to wonder what was

1170

00:42:28,710 --> 00:42:26,400

cut out i'm excited to read it because

1171

00:42:30,550 --> 00:42:28,720

this is kind of the the origin point of

1172

00:42:32,309 --> 00:42:30,560

a lot of what we're talking about today

1173

00:42:34,790 --> 00:42:32,319

are not the origin you know it came way

1174

00:42:36,790 --> 00:42:34,800

down the line uh after

1175

00:42:37,670 --> 00:42:36,800

you know the first sightings and things

1176

00:42:40,470 --> 00:42:37,680

but

1177

00:42:42,710 --> 00:42:40,480

the osap program was that initial

1178

00:42:45,349 --> 00:42:42,720

initially funded seed that kind of led

1179

00:42:47,670 --> 00:42:45,359

to all of this interest from uh inside

1180

00:42:50,150 --> 00:42:47,680

the department of defense and then it

1181

00:42:53,109 --> 00:42:50,160

was decided to focus on military cases

1182

00:42:54,870 --> 00:42:53,119

and that's where atip came in

1183

00:42:58,150 --> 00:42:54,880

so yeah this kind of kicked everything

1184

00:42:59,430 --> 00:42:58,160

off and james t lukatsky

1185

00:43:02,150 --> 00:42:59,440

supposedly

1186

00:43:05,270 --> 00:43:02,160

got the awesome program running after

1187

00:43:07,030 --> 00:43:05,280

having a very interesting experience in

1188

00:43:08,150 --> 00:43:07,040

the i think it was in a dining room

1189

00:43:09,910 --> 00:43:08,160

where he could kind of see into a

1190

00:43:11,750 --> 00:43:09,920

kitchen and

1191

00:43:13,190 --> 00:43:11,760

he saw something kind of shifting in the

1192

00:43:15,990 --> 00:43:13,200

air he described it like a kind of

1193

00:43:16,790 --> 00:43:16,000

tubular bell's infinity kind of twisting

1194

00:43:19,109 --> 00:43:16,800

sign

1195

00:43:21,349 --> 00:43:19,119

um that no one else could see

1196

00:43:23,030 --> 00:43:21,359

and supposedly that was the genesis of

1197

00:43:24,710 --> 00:43:23,040

also happened that's what this book is

1198

00:43:26,550 --> 00:43:24,720

about

1199

00:43:28,150 --> 00:43:26,560

what are you expecting to get from this

1200

00:43:31,430 --> 00:43:28,160

something that's jumped out at me again

1201
00:43:33,109 --> 00:43:31,440
from the description is that it mentions

1202
00:43:34,470 --> 00:43:33,119
that report and we always hear about the

1203
00:43:35,910 --> 00:43:34,480
report that was done and put together

1204
00:43:38,550 --> 00:43:35,920
and sent off to the department of

1205
00:43:41,190 --> 00:43:38,560
defense or defense intelligence agency

1206
00:43:42,950 --> 00:43:41,200
do you think we're going to get anything

1207
00:43:45,829 --> 00:43:42,960
even hinted at that was part of that

1208
00:43:49,990 --> 00:43:47,670
no

1209
00:43:51,910 --> 00:43:50,000
this is it this is let's move on the the

1210
00:43:53,829 --> 00:43:51,920
reason this is this book is great is

1211
00:43:56,309 --> 00:43:53,839
because of the people involved you know

1212
00:43:58,069 --> 00:43:56,319
if it was someone else kind of saying

1213
00:43:59,829 --> 00:43:58,079

this blurb on the back of a book i would

1214

00:44:01,910 --> 00:43:59,839

probably pass it by it's just another

1215

00:44:03,270 --> 00:44:01,920

skin walker book or something like that

1216

00:44:05,750 --> 00:44:03,280

but

1217

00:44:08,550 --> 00:44:05,760

even even if it's just

1218

00:44:10,150 --> 00:44:08,560

the authors confirming events that we've

1219

00:44:12,550 --> 00:44:10,160

all heard about through the grapevine in

1220

00:44:14,710 --> 00:44:12,560

whispers then it will be a very very

1221

00:44:16,550 --> 00:44:14,720

handy reference point to kind of filling

1222

00:44:18,870 --> 00:44:16,560

fill in essentially

1223

00:44:20,470 --> 00:44:18,880

what is a bunch of question marks

1224

00:44:23,510 --> 00:44:20,480

yeah awesome so we'll look forward to

1225

00:44:26,550 --> 00:44:23,520

that coming up in future and obviously i

1226
00:44:28,150 --> 00:44:26,560
imagine our hope james calm and george

1227
00:44:30,309 --> 00:44:28,160
themselves will be putting themselves

1228
00:44:31,829 --> 00:44:30,319
out for some interviews at least so look

1229
00:44:33,910 --> 00:44:31,839
forward to hopefully catching up with

1230
00:44:35,670 --> 00:44:33,920
them at some point as well fingers

1231
00:44:37,190 --> 00:44:35,680
crossed folks

1232
00:44:38,630 --> 00:44:37,200
one of the listeners got in touch and we

1233
00:44:40,069 --> 00:44:38,640
want you to do that as much as possible

1234
00:44:41,270 --> 00:44:40,079
we've had a few listeners get in touch

1235
00:44:43,589 --> 00:44:41,280
and we're keeping some stuff for the

1236
00:44:45,670 --> 00:44:43,599
next couple of shows as well just a

1237
00:44:48,470 --> 00:44:45,680
heads up next week we will be focusing

1238
00:44:50,309 --> 00:44:48,480

on crash retrievals because some online

1239

00:44:52,950 --> 00:44:50,319

on social media including james ian

1240

00:44:54,309 --> 00:44:52,960

dolly of engaging the phenomena is

1241

00:44:56,309 --> 00:44:54,319

looking to make it a bit of a crash

1242

00:44:58,309 --> 00:44:56,319

retrieval week crash retrieval awareness

1243

00:44:59,430 --> 00:44:58,319

week almost from the start

1244

00:45:01,910 --> 00:44:59,440

it would be great if someone actually

1245

00:45:03,750 --> 00:45:01,920

finds a craft during that week

1246

00:45:04,870 --> 00:45:03,760

it would be good yeah i would be very

1247

00:45:06,950 --> 00:45:04,880

well actually do you know what given

1248

00:45:08,309 --> 00:45:06,960

what's going on recently on the ufo

1249

00:45:09,990 --> 00:45:08,319

twitter first i wouldn't be surprised if

1250

00:45:11,990 --> 00:45:10,000

someone claimed to have found one and

1251
00:45:13,829 --> 00:45:12,000
and hyped up massively and then invited

1252
00:45:15,750 --> 00:45:13,839
us all out to go and look at it via

1253
00:45:19,030 --> 00:45:15,760
twitter poll anyway

1254
00:45:21,109 --> 00:45:19,040
mcdonald's by area 51. yeah pretty much

1255
00:45:23,430 --> 00:45:21,119
um good marketing campaign

1256
00:45:26,309 --> 00:45:23,440
but yeah um noel got in touch with us

1257
00:45:28,390 --> 00:45:26,319
and he said hi alan uh and that's right

1258
00:45:31,109 --> 00:45:28,400
he said hi alan uh so if noel if you're

1259
00:45:33,109 --> 00:45:31,119
listening i'm gonna give you autocorrect

1260
00:45:34,710 --> 00:45:33,119
on that one but he said i was talking

1261
00:45:39,430 --> 00:45:34,720
weekend

1262
00:45:41,109 --> 00:45:39,440
i was talking at about your shows to a

1263
00:45:43,270 --> 00:45:41,119

friend and telling them the various

1264

00:45:45,829 --> 00:45:43,280

topics that come up and we got talking

1265

00:45:47,349 --> 00:45:45,839

about the what if section i remembered

1266

00:45:48,870 --> 00:45:47,359

in one of your episodes you posed the

1267

00:45:50,870 --> 00:45:48,880

thought of going back in time and

1268

00:45:52,790 --> 00:45:50,880

putting the idea of the iphone to steve

1269

00:45:54,309 --> 00:45:52,800

jobs i don't remember this but it sounds

1270

00:45:56,309 --> 00:45:54,319

like something i would have

1271

00:45:58,150 --> 00:45:56,319

it got me thinking how we all really

1272

00:46:00,550 --> 00:45:58,160

live in the here and now and then i

1273

00:46:02,710 --> 00:46:00,560

thought about what if we came back to 30

1274

00:46:05,430 --> 00:46:02,720

or what if we could go to 30 or 40 years

1275

00:46:07,990 --> 00:46:05,440

from now and could see how far ai

1276

00:46:10,710 --> 00:46:08,000

artificial intelligence has advanced

1277

00:46:12,069 --> 00:46:10,720

i'm thinking right now ai is like a baby

1278

00:46:13,670 --> 00:46:12,079

that we're looking at and it's early

1279

00:46:15,589 --> 00:46:13,680

years and it's hard to imagine what it's

1280

00:46:17,829 --> 00:46:15,599

going to look like as a fully grown 30

1281

00:46:19,190 --> 00:46:17,839

or 40 year old person how much do you

1282

00:46:21,510 --> 00:46:19,200

and dan think we're going to have

1283

00:46:24,069 --> 00:46:21,520

learned about ai in that time how much

1284

00:46:25,829 --> 00:46:24,079

will ai learn itself in that time and

1285

00:46:26,550 --> 00:46:25,839

how could it develop

1286

00:46:28,069 --> 00:46:26,560

now

1287

00:46:30,390 --> 00:46:28,079

that's that's a pretty interesting point

1288

00:46:32,630 --> 00:46:30,400

thank you for that one though um just

1289

00:46:34,150 --> 00:46:32,640

recently luella zondo has talked about

1290

00:46:36,470 --> 00:46:34,160

that they are working on a piece of

1291

00:46:38,390 --> 00:46:36,480

software which is a piece of ai if

1292

00:46:42,390 --> 00:46:38,400

that's the right way i'm saying that dan

1293

00:46:44,710 --> 00:46:42,400

which can aid and allow us to

1294

00:46:47,750 --> 00:46:44,720

filter the the wheat from the chaff when

1295

00:46:48,870 --> 00:46:47,760

it comes to to uf or uap footage and

1296

00:46:50,870 --> 00:46:48,880

that's obviously we're going to finish

1297

00:46:52,630 --> 00:46:50,880

up on looking at the rubber duck footage

1298

00:46:54,230 --> 00:46:52,640

just to kind of finish off but there's

1299

00:46:57,030 --> 00:46:54,240

been a lot of discussion around that and

1300

00:46:58,550 --> 00:46:57,040

we talked about the turkey ufo and

1301
00:47:00,870 --> 00:46:58,560
the space station footage we've looked

1302
00:47:02,630 --> 00:47:00,880
at already on the showdown

1303
00:47:04,870 --> 00:47:02,640
but if you had a piece of software you

1304
00:47:06,710 --> 00:47:04,880
could run these videos through that took

1305
00:47:08,870 --> 00:47:06,720
in all sorts of different formulas and

1306
00:47:10,790 --> 00:47:08,880
calculations to tell you nope this is

1307
00:47:12,309 --> 00:47:10,800
something truly anomalous or it's

1308
00:47:14,390 --> 00:47:12,319
something that's not worth looking at

1309
00:47:15,750 --> 00:47:14,400
that would be a huge step wouldn't it

1310
00:47:18,150 --> 00:47:15,760
it would be amazing

1311
00:47:21,829 --> 00:47:18,160
we we could take all the historical data

1312
00:47:23,349 --> 00:47:21,839
and just push it through that filter and

1313
00:47:25,510 --> 00:47:23,359

it would show us

1314

00:47:26,950 --> 00:47:25,520

i mean think think about um you know i

1315

00:47:28,950 --> 00:47:26,960

don't know if people listening have ever

1316

00:47:30,549 --> 00:47:28,960

had a health band and after about a

1317

00:47:32,150 --> 00:47:30,559

month it starts telling you oh you know

1318

00:47:34,230 --> 00:47:32,160

you're on track to put on weight or to

1319

00:47:36,069 --> 00:47:34,240

lose weight or you've done less steps

1320

00:47:38,630 --> 00:47:36,079

than last month that that's an example

1321

00:47:40,950 --> 00:47:38,640

of building trends through data and if

1322

00:47:43,510 --> 00:47:40,960

it can do something as as complex as

1323

00:47:45,430 --> 00:47:43,520

tell you your you know your your bodily

1324

00:47:47,910 --> 00:47:45,440

kind of uh that what's the word i'm

1325

00:47:50,230 --> 00:47:47,920

looking for vital signs um

1326

00:47:52,470 --> 00:47:50,240

then it can definitely separate oh

1327

00:47:54,230 --> 00:47:52,480

that's a balloon from that something

1328

00:47:56,470 --> 00:47:54,240

a bit more mysterious and needs a bit

1329

00:47:58,870 --> 00:47:56,480

more of a look

1330

00:48:00,630 --> 00:47:58,880

i think that leads us i'll go on i was

1331

00:48:02,710 --> 00:48:00,640

just gonna say with ai at the moment

1332

00:48:04,309 --> 00:48:02,720

we're kind of in its infancy what what a

1333

00:48:05,190 --> 00:48:04,319

lot of people call ai these days is

1334

00:48:07,670 --> 00:48:05,200

actually

1335

00:48:09,750 --> 00:48:07,680

uh what we call a neural net which is

1336

00:48:12,549 --> 00:48:09,760

just a bunch of decisions being made you

1337

00:48:15,270 --> 00:48:12,559

know is this the shape of a dog yes no

1338

00:48:17,190 --> 00:48:15,280

you know seeing it matches um whereas

1339

00:48:19,510 --> 00:48:17,200

when we talk about ai we we generally

1340

00:48:20,950 --> 00:48:19,520

mean that kind of general intelligence

1341

00:48:23,750 --> 00:48:20,960

ai where you could have a conversation

1342

00:48:25,910 --> 00:48:23,760

with it and it can think for itself and

1343

00:48:27,430 --> 00:48:25,920

where we will get to a point

1344

00:48:29,670 --> 00:48:27,440

where

1345

00:48:31,510 --> 00:48:29,680

it kind of hits this exponential curve

1346

00:48:33,589 --> 00:48:31,520

and it will get really scary because

1347

00:48:35,990 --> 00:48:33,599

well we'll start not understanding the

1348

00:48:37,750 --> 00:48:36,000

decisions the computer is making and at

1349

00:48:39,430 --> 00:48:37,760

that point

1350

00:48:40,870 --> 00:48:39,440

you you know there would be a few

1351
00:48:43,670 --> 00:48:40,880
philosophers arguing that we'd been

1352
00:48:45,349 --> 00:48:43,680
surpassed and that was the moment

1353
00:48:47,190 --> 00:48:45,359
that should lead this nicely on to the

1354
00:48:50,470 --> 00:48:47,200
the footage that dropped we saw it hyped

1355
00:48:52,950 --> 00:48:50,480
online by andy who goes under ny uap or

1356
00:48:54,870 --> 00:48:52,960
on social media and whether you liked

1357
00:48:56,870 --> 00:48:54,880
how he went about it or not and they

1358
00:48:59,109 --> 00:48:56,880
obtained uh what seemingly as an

1359
00:49:02,150 --> 00:48:59,119
official video from the department of

1360
00:49:05,430 --> 00:49:02,160
homeland security a flare video of an

1361
00:49:07,190 --> 00:49:05,440
object that is being tracked for around

1362
00:49:09,510 --> 00:49:07,200
40 minutes to an hour

1363
00:49:11,430 --> 00:49:09,520

over the the border of the us and mexico

1364

00:49:13,109 --> 00:49:11,440

somewhere

1365

00:49:15,190 --> 00:49:13,119

now it's labeled as the rubber duck

1366

00:49:17,109 --> 00:49:15,200

footage which straightaway is not the

1367

00:49:19,589 --> 00:49:17,119

best way to label anything if you want

1368

00:49:21,829 --> 00:49:19,599

it to be taken seriously

1369

00:49:23,829 --> 00:49:21,839

it has a resemblance of a rubber duck i

1370

00:49:26,309 --> 00:49:23,839

suppose if you've already seen it called

1371

00:49:27,910 --> 00:49:26,319

the rubber duck ufo i don't think that's

1372

00:49:30,150 --> 00:49:27,920

what immediately would have jumped out

1373

00:49:31,030 --> 00:49:30,160

to me to be honest but it's that you

1374

00:49:32,870 --> 00:49:31,040

know

1375

00:49:34,390 --> 00:49:32,880

that someone's told you it's rubber duck

1376

00:49:36,390 --> 00:49:34,400

footage and you go oh yeah suppose i can

1377

00:49:38,790 --> 00:49:36,400

see that it could look like a flying

1378

00:49:40,549 --> 00:49:38,800

iron you know like a steam iron or

1379

00:49:42,549 --> 00:49:40,559

any number of things but that's what

1380

00:49:44,390 --> 00:49:42,559

it's been labeled so straight away that

1381

00:49:45,910 --> 00:49:44,400

that's not helped at all i'm going to

1382

00:49:48,470 --> 00:49:45,920

share just so people can see the the

1383

00:49:49,990 --> 00:49:48,480

footage as we as we discuss it done but

1384

00:49:52,309 --> 00:49:50,000

you know a few

1385

00:49:53,510 --> 00:49:52,319

a few weeks has now passed a week or so

1386

00:49:55,589 --> 00:49:53,520

what are your

1387

00:49:58,390 --> 00:49:55,599

your thoughts stan on on the footage

1388

00:49:59,589 --> 00:49:58,400

itself and what we're kind of looking at

1389

00:50:01,270 --> 00:49:59,599

it's a really interesting piece of

1390

00:50:04,390 --> 00:50:01,280

footage not not just because of what it

1391

00:50:06,390 --> 00:50:04,400

contains but because of what it kind of

1392

00:50:08,069 --> 00:50:06,400

forces the community to learn you know

1393

00:50:10,790 --> 00:50:08,079

we we've learned about relative

1394

00:50:13,030 --> 00:50:10,800

temperatures rather than flea being

1395

00:50:14,630 --> 00:50:13,040

just detecting temperature it's more

1396

00:50:16,069 --> 00:50:14,640

this is hotter than this temperature or

1397

00:50:17,270 --> 00:50:16,079

this is cold in this temperature as

1398

00:50:20,069 --> 00:50:17,280

opposed to

1399

00:50:21,910 --> 00:50:20,079

signifying it's absolutely freezing um

1400

00:50:23,190 --> 00:50:21,920

and also i i really like when these

1401

00:50:25,510 --> 00:50:23,200

videos come out and you kind of see

1402

00:50:27,990 --> 00:50:25,520

people starting to plot you know all the

1403

00:50:29,990 --> 00:50:28,000

gps points and and figuring out if it's

1404

00:50:32,309 --> 00:50:30,000

parallax and how fast the object

1405

00:50:34,230 --> 00:50:32,319

actually moving and things like that and

1406

00:50:37,589 --> 00:50:34,240

based on all of that work it seems

1407

00:50:40,710 --> 00:50:37,599

fairly unremarkable if i'm honest but

1408

00:50:44,150 --> 00:50:40,720

i i would kind of

1409

00:50:46,150 --> 00:50:44,160

say that we shouldn't judge too soon

1410

00:50:48,710 --> 00:50:46,160

there is an organization doing an

1411

00:50:50,630 --> 00:50:48,720

analysis of it that organization is full

1412

00:50:52,630 --> 00:50:50,640

of actual experts who know what they're

1413

00:50:54,790 --> 00:50:52,640

looking at and don't have to you know

1414

00:50:57,109 --> 00:50:54,800

learn on the fly um

1415

00:50:58,870 --> 00:50:57,119

so i would wait for them for for the

1416

00:51:00,950 --> 00:50:58,880

professional word on that

1417

00:51:02,630 --> 00:51:00,960

absolutely i would never

1418

00:51:05,109 --> 00:51:02,640

claim to know exactly what i'm looking

1419

00:51:07,030 --> 00:51:05,119

at on this screen i can see speeds and

1420

00:51:08,950 --> 00:51:07,040

altitudes and all that kind of stuff but

1421

00:51:10,390 --> 00:51:08,960

i can't use the maths to work out

1422

00:51:11,910 --> 00:51:10,400

exactly what i'm looking at

1423

00:51:14,470 --> 00:51:11,920

interestingly dan this this is a one

1424

00:51:16,230 --> 00:51:14,480

hour long video the the object which you

1425

00:51:18,710 --> 00:51:16,240

can see now on the screen round about

1426
00:51:20,870 --> 00:51:18,720
the cursor comes in around the 20 minute

1427
00:51:23,349 --> 00:51:20,880
mark so they were already filming

1428
00:51:25,750 --> 00:51:23,359
whatever they were filming uh many have

1429
00:51:27,910 --> 00:51:25,760
have claimed it's potentially a

1430
00:51:29,589 --> 00:51:27,920
a craft that's looking for that the

1431
00:51:31,349 --> 00:51:29,599
craft that's actually doing the filming

1432
00:51:38,230 --> 00:51:31,359
is looking for kind of drugs runs along

1433
00:51:41,430 --> 00:51:40,630
and for me we're looking at a drone here

1434
00:51:43,270 --> 00:51:41,440
um

1435
00:51:45,190 --> 00:51:43,280
you can see the object's got a base

1436
00:51:46,870 --> 00:51:45,200
which would be the drone and i know

1437
00:51:48,549 --> 00:51:46,880
there's been a lot of talk again i'm

1438
00:51:50,950 --> 00:51:48,559

bowing to the experts here but i have

1439

00:51:52,390 --> 00:51:50,960

had people mention that there are ways

1440

00:51:54,470 --> 00:51:52,400

that you can mask the temperature of

1441

00:51:56,470 --> 00:51:54,480

these things there are various like

1442

00:51:58,069 --> 00:51:56,480

thermal thermal acrylic

1443

00:51:59,109 --> 00:51:58,079

paints or sprays

1444

00:52:00,950 --> 00:51:59,119

and

1445

00:52:03,430 --> 00:52:00,960

we also i think dan you had mentioned to

1446

00:52:06,549 --> 00:52:03,440

me on the podcast itself that

1447

00:52:08,230 --> 00:52:06,559

the the object the flare camera sets uh

1448

00:52:10,470 --> 00:52:08,240

a default temperature

1449

00:52:12,309 --> 00:52:10,480

so the object below could be a

1450

00:52:14,230 --> 00:52:12,319

temperature that this camera just isn't

1451
00:52:15,910 --> 00:52:14,240
set to look for is that correct

1452
00:52:19,190 --> 00:52:15,920
yeah yeah absolutely the example that

1453
00:52:20,790 --> 00:52:19,200
was given was if this is a border patrol

1454
00:52:22,950 --> 00:52:20,800
and they were looking for human

1455
00:52:25,270 --> 00:52:22,960
temperature objects so they could find

1456
00:52:26,630 --> 00:52:25,280
people crossing the border then the fact

1457
00:52:29,190 --> 00:52:26,640
that this object is

1458
00:52:30,710 --> 00:52:29,200
white cold means that it's just colder

1459
00:52:33,430 --> 00:52:30,720
than the human body temperature which is

1460
00:52:35,030 --> 00:52:33,440
about 98 degrees yeah and i've seen

1461
00:52:36,470 --> 00:52:35,040
people again comment on the fact that

1462
00:52:38,950 --> 00:52:36,480
well it can't be a drone because of the

1463
00:52:40,230 --> 00:52:38,960

distance it travels now if you just do a

1464

00:52:41,750 --> 00:52:40,240

little bit of looking online and a

1465

00:52:44,069 --> 00:52:41,760

little bit of research into some of the

1466

00:52:45,910 --> 00:52:44,079

more expensive drones bear in mind if

1467

00:52:48,230 --> 00:52:45,920

this is a drone belonging to a drug

1468

00:52:50,150 --> 00:52:48,240

cartel they've got a pretty decent

1469

00:52:51,510 --> 00:52:50,160

budget to spend on and customizing

1470

00:52:52,950 --> 00:52:51,520

drones for this kind of stuff i'd

1471

00:52:55,910 --> 00:52:52,960

imagine you know they're not just

1472

00:52:58,069 --> 00:52:55,920

sticking up a 100 pound or 100 effort

1473

00:53:00,470 --> 00:52:58,079

into the sky you can see that you can

1474

00:53:02,549 --> 00:53:00,480

have multiple operators along a line of

1475

00:53:03,670 --> 00:53:02,559

sight so you could literally have people

1476

00:53:05,670 --> 00:53:03,680

spaced

1477

00:53:08,150 --> 00:53:05,680

tens of miles apart

1478

00:53:11,030 --> 00:53:08,160

that pick up the object as it goes along

1479

00:53:12,950 --> 00:53:11,040

and take over control of it to almost do

1480

00:53:14,870 --> 00:53:12,960

like a baton race you would do in your

1481

00:53:18,150 --> 00:53:14,880

school and you're passing along the

1482

00:53:19,510 --> 00:53:18,160

baton using different controls as well

1483

00:53:21,990 --> 00:53:19,520

you can just program these things as

1484

00:53:23,670 --> 00:53:22,000

well you know we gps exists and you can

1485

00:53:26,549 --> 00:53:23,680

just say i want you to go from this

1486

00:53:27,829 --> 00:53:26,559

point to this point and that's it and

1487

00:53:29,430 --> 00:53:27,839

you just let it fly and you wouldn't

1488

00:53:30,950 --> 00:53:29,440

need an operator at all if it gets

1489

00:53:32,870 --> 00:53:30,960

caught no one's

1490

00:53:36,069 --> 00:53:32,880

you know kind of giving away the signal

1491

00:53:37,910 --> 00:53:36,079

uh for where the the origin of the the

1492

00:53:39,750 --> 00:53:37,920

control is coming from so that would be

1493

00:53:41,270 --> 00:53:39,760

the smart way to do it you know just an

1494

00:53:43,750 --> 00:53:41,280

automated drone that

1495

00:53:44,950 --> 00:53:43,760

is masked with ir and it would just look

1496

00:53:47,349 --> 00:53:44,960

strange to us

1497

00:53:49,030 --> 00:53:47,359

yeah and again part of it for me as well

1498

00:53:50,790 --> 00:53:49,040

as the fact this came out via andy

1499

00:53:52,790 --> 00:53:50,800

you've got to give them the props and

1500

00:53:55,030 --> 00:53:52,800

and well done for getting this out it's

1501
00:53:56,549 --> 00:53:55,040
clearly caused a level of stress and and

1502
00:53:59,109 --> 00:53:56,559
you know

1503
00:54:01,270 --> 00:53:59,119
a bollock basically for lack of a better

1504
00:54:02,710 --> 00:54:01,280
phrase and to get out there and a lot of

1505
00:54:05,589 --> 00:54:02,720
you know issues

1506
00:54:06,710 --> 00:54:05,599
online via various social media channels

1507
00:54:08,150 --> 00:54:06,720
but

1508
00:54:10,790 --> 00:54:08,160
for me it doesn't show anything

1509
00:54:12,309 --> 00:54:10,800
incredible that is just a solid object

1510
00:54:14,630 --> 00:54:12,319
it doesn't look like the point above

1511
00:54:17,190 --> 00:54:14,640
moves at all that can just be some kind

1512
00:54:18,710 --> 00:54:17,200
of antenna that would be on there that's

1513
00:54:20,870 --> 00:54:18,720

that's perfectly plausible given what

1514

00:54:22,230 --> 00:54:20,880

we're looking at so i think in time

1515

00:54:24,230 --> 00:54:22,240

we're going to find out that either

1516

00:54:26,230 --> 00:54:24,240

nothing at all comes of this or the

1517

00:54:28,230 --> 00:54:26,240

people reviewing it can really something

1518

00:54:31,109 --> 00:54:28,240

to say no it's more than likely a a

1519

00:54:33,430 --> 00:54:31,119

drone that that's pretty much it so

1520

00:54:36,150 --> 00:54:33,440

yeah and it it's a good example of why

1521

00:54:38,710 --> 00:54:36,160

we need that ai and lu lu elizondo gave

1522

00:54:40,630 --> 00:54:38,720

a statement on the footage um he said

1523

00:54:42,789 --> 00:54:40,640

unfortunately i'm unable to comment

1524

00:54:44,549 --> 00:54:42,799

further than to me at the superficial

1525

00:54:46,069 --> 00:54:44,559

level to be a small cluster of party

1526
00:54:47,589 --> 00:54:46,079
balloons tied together at the base with

1527
00:54:49,190 --> 00:54:47,599
one balloon having a slightly longer

1528
00:54:51,589 --> 00:54:49,200
string than the others and so it keeps

1529
00:54:53,750 --> 00:54:51,599
separating from the rest however that is

1530
00:54:56,230 --> 00:54:53,760
only my initial perspective and that is

1531
00:54:58,150 --> 00:54:56,240
why we are developing good ai so we can

1532
00:54:59,190 --> 00:54:58,160
be a hundred percent sure in cases like

1533
00:55:01,510 --> 00:54:59,200
this

1534
00:55:02,870 --> 00:55:01,520
do i get to be really cocky and call lou

1535
00:55:03,930 --> 00:55:02,880
out for saying it was balloons and see

1536
00:55:05,430 --> 00:55:03,940
i'm almost guaranteeing them

1537
00:55:06,789 --> 00:55:05,440
[Laughter]

1538
00:55:09,589 --> 00:55:06,799

because that looks like a pretty solid

1539

00:55:11,829 --> 00:55:09,599

base but i will again bow to any and all

1540

00:55:14,069 --> 00:55:11,839

experts and thank you for everyone

1541

00:55:16,069 --> 00:55:14,079

because people did send over opinions on

1542

00:55:17,750 --> 00:55:16,079

it and also why they think it is what it

1543

00:55:19,670 --> 00:55:17,760

is so plenty of names that they are

1544

00:55:20,950 --> 00:55:19,680

discussed but as always we'll leave that

1545

00:55:22,710 --> 00:55:20,960

to the experts

1546

00:55:24,390 --> 00:55:22,720

that is all we have left for the time

1547

00:55:26,390 --> 00:55:24,400

this week folks thank you so much for

1548
