P O D C A S T

FROM THE ARCHIVES:

THOMAS WINTERTON

1
00:00:00,040 --> 00:00:05,510

[Music]

2
00:00:08,710 --> 00:00:06,950

there's a whole fleet of look on the

3
00:00:10,950 --> 00:00:08,720

assay

4
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6
00:00:23,960 --> 00:00:18,960

sphere where the points of the cube

7
00:00:37,190 --> 00:00:33,220

[Music]

8
00:00:38,709 --> 00:00:37,200

[Applause]

9
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

10
00:00:48,389 --> 00:00:40,960

limited to the united states it's a

11
00:00:53,189 --> 00:00:50,709

welcome back everyone to episode 8 of

12
00:00:55,270 --> 00:00:53,199

that ufo podcast and as i announced a

13
00:00:57,750 --> 00:00:55,280

few weeks ago tonight's guest i'm very

14

00:01:00,389 --> 00:00:57,760

excited to speak to one of the cast one

15

00:01:02,630 --> 00:01:00,399

of the stars of the curse of skinwalker

16

00:01:04,789 --> 00:01:02,640

ranch or the secret of skinwalker ranch

17

00:01:07,190 --> 00:01:04,799

if you're in the usa it's the curse of

18

00:01:08,950 --> 00:01:07,200

skinwalker ranch in the uk uh we have

19

00:01:10,870 --> 00:01:08,960

thomas winterton superintendent of the

20

00:01:14,310 --> 00:01:10,880

ranch thomas how are you

21

00:01:15,910 --> 00:01:14,320

i'm great yeah thanks for having me on

22

00:01:17,510 --> 00:01:15,920

no it's an absolute pleasure yeah

23

00:01:18,950 --> 00:01:17,520

someone that said straight away got a

24

00:01:21,109 --> 00:01:18,960

lot of interest in and a lot of people

25

00:01:23,429 --> 00:01:21,119

sending over questions which i've got to

26
00:01:25,510 --> 00:01:23,439
read out kind of later on in the show um

27
00:01:28,710 --> 00:01:25,520
you've become a bit of a celebrity in

28
00:01:30,710 --> 00:01:28,720
the last year at least uh with the the

29
00:01:31,910 --> 00:01:30,720
history channel show taking off how's

30
00:01:33,749 --> 00:01:31,920
that been has it been a bit of a weird

31
00:01:35,350 --> 00:01:33,759
experience or are you kind of used to it

32
00:01:38,950 --> 00:01:35,360
now

33
00:01:40,230 --> 00:01:38,960
little bit of a roller coaster simply

34
00:01:42,069 --> 00:01:40,240
because

35
00:01:43,590 --> 00:01:42,079
i'm a businessman by trade i own a

36
00:01:45,670 --> 00:01:43,600
couple of businesses

37
00:01:47,749 --> 00:01:45,680
i live in a very small town i mean i

38
00:01:49,270 --> 00:01:47,759

live 15 minutes from the ranch so as the

39

00:01:52,710 --> 00:01:49,280

viewers can see

40

00:01:54,950 --> 00:01:52,720

we live in a very remote part of utah

41

00:01:56,310 --> 00:01:54,960

yeah more cows than people

42

00:01:58,069 --> 00:01:56,320

and uh

43

00:02:00,389 --> 00:01:58,079

and so

44

00:02:02,550 --> 00:02:00,399

this newfound i guess we'll say

45

00:02:04,709 --> 00:02:02,560

celebrity uh

46

00:02:06,709 --> 00:02:04,719

this attention has definitely been

47

00:02:07,429 --> 00:02:06,719

something that i'm having to get used to

48

00:02:09,109 --> 00:02:07,439

but

49

00:02:10,469 --> 00:02:09,119

it's fun to go in a store and have

50

00:02:12,309 --> 00:02:10,479

people want your autograph or want to

51
00:02:15,830 --> 00:02:12,319
take a picture with you that that's kind

52
00:02:17,750 --> 00:02:15,840
of cool um i i like that but um it

53
00:02:20,309 --> 00:02:17,760
definitely is taking some adjustment i'm

54
00:02:22,630 --> 00:02:20,319
a private person uh i've never been one

55
00:02:25,430 --> 00:02:22,640
that shared a lot on social media

56
00:02:27,110 --> 00:02:25,440
i you know i like my privacy so there

57
00:02:29,750 --> 00:02:27,120
are some adjustments that come with the

58
00:02:31,750 --> 00:02:29,760
new found recognition but overall i'm

59
00:02:32,949 --> 00:02:31,760
i'm happy and it's good

60
00:02:34,710 --> 00:02:32,959
awesome well it's great to hear your

61
00:02:35,910 --> 00:02:34,720
voice doing a few different interviews

62
00:02:37,990 --> 00:02:35,920
out there i listened to him doing

63
00:02:39,589 --> 00:02:38,000

research in this podcast and i've heard

64

00:02:40,790 --> 00:02:39,599

you on a few things anyway and of course

65

00:02:43,830 --> 00:02:40,800

the last couple of months i've been

66

00:02:45,110 --> 00:02:43,840

catching up uh with the series um i

67

00:02:48,630 --> 00:02:45,120

started watching it when it was on in

68

00:02:49,910 --> 00:02:48,640

the us originally just uh via via means

69

00:02:51,350 --> 00:02:49,920

online because it came on a little bit

70

00:02:53,030 --> 00:02:51,360

later here in the uk and i wanted to

71

00:02:54,309 --> 00:02:53,040

kind of watch it straight away but i've

72

00:02:56,229 --> 00:02:54,319

been catching up with it while it's been

73

00:02:57,670 --> 00:02:56,239

on here as well so it's been great what

74

00:02:59,270 --> 00:02:57,680

i want to start off with is something i

75

00:03:01,030 --> 00:02:59,280

heard quite recently on an interview

76
00:03:02,790 --> 00:03:01,040
you've done previously now we're going

77
00:03:04,550 --> 00:03:02,800
to talk a lot about skinwalker ranch and

78
00:03:06,630 --> 00:03:04,560
everything that comes with that but

79
00:03:08,149 --> 00:03:06,640
you've had your own ufo sighting when

80
00:03:09,509 --> 00:03:08,159
you were younger and i just wanted to

81
00:03:11,830 --> 00:03:09,519
hear a little bit about that from you

82
00:03:14,630 --> 00:03:11,840
thomas

83
00:03:16,550 --> 00:03:14,640
okay so uh you'd like to know about my

84
00:03:17,509 --> 00:03:16,560
ufo sighting when i was a when i was a

85
00:03:18,390 --> 00:03:17,519
child

86
00:03:21,030 --> 00:03:18,400
yes

87
00:03:24,070 --> 00:03:21,040
yeah you know unfortunately it really

88
00:03:26,229 --> 00:03:24,080

was pretty um anti-climatic

89

00:03:27,509 --> 00:03:26,239

i i was uh

90

00:03:29,509 --> 00:03:27,519

when i was growing up there was an old

91

00:03:31,430 --> 00:03:29,519

oil refinery that was out on the west

92

00:03:33,270 --> 00:03:31,440

side of town and and my window in my

93

00:03:35,509 --> 00:03:33,280

bedroom overlooked that

94

00:03:37,190 --> 00:03:35,519

and i was up late i mean it was late for

95

00:03:37,990 --> 00:03:37,200

a kid it was probably like 11 or 12 at

96

00:03:39,670 --> 00:03:38,000

night

97

00:03:42,949 --> 00:03:39,680

and i looked out the window and i saw

98

00:03:45,270 --> 00:03:42,959

this big gorgeous beautiful orange moon

99

00:03:47,509 --> 00:03:45,280

just out there on the horizon above the

100

00:03:48,869 --> 00:03:47,519

the refinery i mean it looked identical

101
00:03:50,710 --> 00:03:48,879
to the moon

102
00:03:52,390 --> 00:03:50,720
um but it i mean it was just gorgeous

103
00:03:54,229 --> 00:03:52,400
and it was just out there hovering but

104
00:03:56,630 --> 00:03:54,239
it wasn't a full moon it was like it was

105
00:03:59,589 --> 00:03:56,640
like a half moon but it instead of

106
00:04:01,670 --> 00:03:59,599
it was like on its it was scooped kind

107
00:04:03,509 --> 00:04:01,680
of like a bowl i guess sitting there out

108
00:04:05,030 --> 00:04:03,519
on the horizon

109
00:04:06,550 --> 00:04:05,040
and uh

110
00:04:08,390 --> 00:04:06,560
it it was

111
00:04:09,990 --> 00:04:08,400
big enough and beautiful enough that i

112
00:04:11,910 --> 00:04:10,000
it definitely caught my attention i

113
00:04:14,229 --> 00:04:11,920

looked at it i thought wow but then i

114

00:04:15,670 --> 00:04:14,239

went about my business and and

115

00:04:17,349 --> 00:04:15,680

i don't remember if i was cleaning up my

116

00:04:18,870 --> 00:04:17,359

room or what i was doing but when i

117

00:04:20,949 --> 00:04:18,880

finished

118

00:04:22,390 --> 00:04:20,959

i looked back out the window to see if i

119

00:04:24,070 --> 00:04:22,400

could get one more look at the moon

120

00:04:26,150 --> 00:04:24,080

before i went to bed

121

00:04:27,749 --> 00:04:26,160

and it wasn't there and it was low

122

00:04:29,670 --> 00:04:27,759

enough on the horizon like it was just

123

00:04:31,590 --> 00:04:29,680

out there kind of above the refinery

124

00:04:33,909 --> 00:04:31,600

that i just assumed that it had dropped

125

00:04:35,110 --> 00:04:33,919

over the horizon or you know it's just

126
00:04:37,110 --> 00:04:35,120
out of sight

127
00:04:39,030 --> 00:04:37,120
and didn't think anything else of it and

128
00:04:40,390 --> 00:04:39,040
the next morning when i got up i was

129
00:04:42,070 --> 00:04:40,400
telling my mom

130
00:04:43,510 --> 00:04:42,080
um you know i got up and i was like man

131
00:04:45,110 --> 00:04:43,520
you should have saw the moon last night

132
00:04:46,870 --> 00:04:45,120
it was so beautiful

133
00:04:49,350 --> 00:04:46,880
and my mom said i don't think there was

134
00:04:51,510 --> 00:04:49,360
a moon last night oh yeah there was i

135
00:04:55,110 --> 00:04:51,520
saw it it was above the refinery

136
00:04:56,870 --> 00:04:55,120
and uh so we we had a calendar you know

137
00:04:58,469 --> 00:04:56,880
hanging there close and we looked at it

138
00:05:01,029 --> 00:04:58,479

and it was actually

139

00:05:02,469 --> 00:05:01,039

that night there was not a moon so

140

00:05:04,230 --> 00:05:02,479

i don't know what i saw out there

141

00:05:06,550 --> 00:05:04,240

hanging above the refinery but it

142

00:05:09,189 --> 00:05:06,560

definitely was not the moon and that was

143

00:05:11,990 --> 00:05:09,199

my first uh time of

144

00:05:13,909 --> 00:05:12,000

seeing an unidentified object i have no

145

00:05:15,909 --> 00:05:13,919

idea what it was but uh definitely not

146

00:05:17,110 --> 00:05:15,919

scary i it was it was just big and

147

00:05:18,550 --> 00:05:17,120

beautiful and

148

00:05:20,310 --> 00:05:18,560

unknown

149

00:05:22,310 --> 00:05:20,320

no that's amazing and was that in the

150

00:05:25,189 --> 00:05:22,320

same sort of area that you live now or

151

00:05:27,189 --> 00:05:25,199

had you relocated since

152

00:05:30,310 --> 00:05:27,199

yeah so uh

153

00:05:31,990 --> 00:05:30,320

i haven't gone far in life um i live i

154

00:05:33,830 --> 00:05:32,000

actually lived just across the field

155

00:05:37,189 --> 00:05:33,840

from where i grew up so

156

00:05:38,390 --> 00:05:37,199

i i live about 40 acres away from

157

00:05:40,550 --> 00:05:38,400

where my

158

00:05:43,110 --> 00:05:40,560

childhood home was and

159

00:05:45,830 --> 00:05:43,120

the whole unit basin has been a very big

160

00:05:48,070 --> 00:05:45,840

hotbed of ufo sightings and

161

00:05:49,510 --> 00:05:48,080

objects and anyone that's lived here for

162

00:05:51,270 --> 00:05:49,520

a number of years

163

00:05:52,950 --> 00:05:51,280

you'll find that there's a high

164

00:05:55,029 --> 00:05:52,960

percentage of people that have their own

165

00:05:58,950 --> 00:05:55,039

stories to share of

166

00:06:00,790 --> 00:05:58,960

uh unidentified objects up in the air

167

00:06:02,390 --> 00:06:00,800

and we've had many others over the years

168

00:06:04,790 --> 00:06:02,400

and obviously it's come to a point where

169

00:06:07,350 --> 00:06:04,800

skin walker ranches it's grown arms and

170

00:06:09,990 --> 00:06:07,360

legs uh over the time with its myth and

171

00:06:12,150 --> 00:06:10,000

its history and it's now culminated in a

172

00:06:14,870 --> 00:06:12,160

series one and soon to be series two of

173

00:06:16,790 --> 00:06:14,880

a very very popular show so something

174

00:06:18,870 --> 00:06:16,800

that one of the listeners sorry i had

175

00:06:20,390 --> 00:06:18,880

asked uh what exactly is your kind of

176

00:06:22,790 --> 00:06:20,400

educational background so as a child

177

00:06:25,029 --> 00:06:22,800

you've had this ufo sighting you then go

178

00:06:26,469 --> 00:06:25,039

to school college whatever and you have

179

00:06:27,590 --> 00:06:26,479

a career path that's led you to where

180

00:06:29,110 --> 00:06:27,600

you are now can you just tell us a

181

00:06:30,629 --> 00:06:29,120

little bit about that

182

00:06:31,670 --> 00:06:30,639

sure absolutely

183

00:06:32,550 --> 00:06:31,680

um

184

00:06:35,430 --> 00:06:32,560

so

185

00:06:37,350 --> 00:06:35,440

i'm kind of uh i've got my fingers into

186

00:06:39,830 --> 00:06:37,360

a lot of different areas

187

00:06:42,230 --> 00:06:39,840

uh my i started off

188

00:06:44,469 --> 00:06:42,240

uh in construction so i went to college

189

00:06:45,350 --> 00:06:44,479

for construction management

190

00:06:47,350 --> 00:06:45,360

so

191

00:06:48,950 --> 00:06:47,360

i got my contractor's license when i was

192

00:06:50,230 --> 00:06:48,960

like 23 and

193

00:06:52,390 --> 00:06:50,240

you know the requirements for

194

00:06:54,309 --> 00:06:52,400

contractors license varies even across

195

00:06:56,469 --> 00:06:54,319

the united states different states have

196

00:06:58,390 --> 00:06:56,479

different requirements and so in some

197

00:06:59,589 --> 00:06:58,400

states that's not a very big deal but in

198

00:07:02,469 --> 00:06:59,599

utah

199

00:07:04,550 --> 00:07:02,479

it actually takes a lot of work and

200

00:07:05,990 --> 00:07:04,560

it takes at least four years before a

201
00:07:07,830 --> 00:07:06,000
person can get

202
00:07:09,510 --> 00:07:07,840
their contractor's license it's kind of

203
00:07:11,110 --> 00:07:09,520
the equivalent of having a bachelor's

204
00:07:11,909 --> 00:07:11,120
degree in some ways because you have to

205
00:07:14,309 --> 00:07:11,919
work

206
00:07:16,309 --> 00:07:14,319
four years full time under a licensed

207
00:07:18,870 --> 00:07:16,319
contractor you have to take several

208
00:07:20,150 --> 00:07:18,880
state tests and pass them in order to

209
00:07:21,830 --> 00:07:20,160
get this so

210
00:07:24,230 --> 00:07:21,840
for me it was a big achievement to be

211
00:07:26,150 --> 00:07:24,240
able to get this at the age of 23 and

212
00:07:27,830 --> 00:07:26,160
then i started building

213
00:07:30,309 --> 00:07:27,840

i didn't just want to build any homes i

214

00:07:31,029 --> 00:07:30,319

wanted to build the biggest best homes

215

00:07:34,629 --> 00:07:31,039

and

216

00:07:37,110 --> 00:07:34,639

happy so i

217

00:07:38,469 --> 00:07:37,120

uh i quickly got into high-end custom

218

00:07:41,029 --> 00:07:38,479

homes we were doing

219

00:07:44,790 --> 00:07:41,039

uh very large homes eight nine ten

220

00:07:47,189 --> 00:07:44,800

thousand square foot homes and um and so

221

00:07:49,430 --> 00:07:47,199

that's really what kind of got me into

222

00:07:51,830 --> 00:07:49,440

the ranch was uh

223

00:07:53,830 --> 00:07:51,840

2008 when we had a recession here in the

224

00:07:56,150 --> 00:07:53,840

united states and i think it was pretty

225

00:07:58,230 --> 00:07:56,160

much worldwide construction became very

226
00:08:00,950 --> 00:07:58,240
hard because people couldn't get loans

227
00:08:03,350 --> 00:08:00,960
and especially the clients that i was

228
00:08:05,589 --> 00:08:03,360
specifically dealing with uh high-end

229
00:08:07,189 --> 00:08:05,599
homes that were you know costing

230
00:08:08,629 --> 00:08:07,199
hundreds of thousands of dollars on

231
00:08:10,150 --> 00:08:08,639
millions of dollars

232
00:08:11,350 --> 00:08:10,160
these took jumbo loans and those went

233
00:08:14,150 --> 00:08:11,360
away and so

234
00:08:17,029 --> 00:08:14,160
my wife and i built a couple small

235
00:08:18,790 --> 00:08:17,039
motels we decided we needed a plan b

236
00:08:20,950 --> 00:08:18,800
and uh as

237
00:08:22,629 --> 00:08:20,960
the viewers may or may not see on the

238
00:08:24,790 --> 00:08:22,639

series we live in an area where there's

239

00:08:26,390 --> 00:08:24,800

a lot of oil wells sometimes if like

240

00:08:27,749 --> 00:08:26,400

when they'll pan the shot if you look

241

00:08:29,589 --> 00:08:27,759

out in the distance around the ranch

242

00:08:30,869 --> 00:08:29,599

you'll see a lot of oil wells that are

243

00:08:33,990 --> 00:08:30,879

out there

244

00:08:36,230 --> 00:08:34,000

we got a lot of oil under the unit basin

245

00:08:40,149 --> 00:08:36,240

and

246

00:08:42,630 --> 00:08:40,159

we decided to build these little motels

247

00:08:45,110 --> 00:08:42,640

and we specialize in high-end

248

00:08:47,110 --> 00:08:45,120

we are a little boutique hotel we our

249

00:08:48,630 --> 00:08:47,120

rooms were extremely luxurious and nice

250

00:08:51,670 --> 00:08:48,640

and we cater to

251
00:08:53,350 --> 00:08:51,680
the the upper end oil field guys um you

252
00:08:55,590 --> 00:08:53,360
know the engineers and the geologists

253
00:08:56,630 --> 00:08:55,600
and that and when brandon bought the

254
00:08:57,509 --> 00:08:56,640
ranch

255
00:08:59,190 --> 00:08:57,519
uh

256
00:09:00,870 --> 00:08:59,200
he sent jim morris who's the ranch

257
00:09:02,710 --> 00:09:00,880
manager out

258
00:09:04,710 --> 00:09:02,720
and this was really the first weekend

259
00:09:05,990 --> 00:09:04,720
that jim had come out and brandon had

260
00:09:07,990 --> 00:09:06,000
said you know

261
00:09:11,829 --> 00:09:08,000
go see if you can wrap your arms around

262
00:09:13,750 --> 00:09:11,839
what exactly we just picked up and so

263
00:09:15,030 --> 00:09:13,760

jim came out here and he was going

264

00:09:17,030 --> 00:09:15,040

through town and he actually ended up

265

00:09:18,949 --> 00:09:17,040

stopping and staying at my little motel

266

00:09:20,550 --> 00:09:18,959

that i'd built

267

00:09:22,949 --> 00:09:20,560

and we got visiting and the next day

268

00:09:25,269 --> 00:09:22,959

when he was checking out uh

269

00:09:27,110 --> 00:09:25,279

he we were talking and i'd mentioned

270

00:09:28,710 --> 00:09:27,120

that i'd built the hotel myself and that

271

00:09:30,710 --> 00:09:28,720

i was a contractor

272

00:09:32,389 --> 00:09:30,720

and he said oh well we just bought

273

00:09:33,750 --> 00:09:32,399

skinwalker ranch i don't know if you've

274

00:09:36,070 --> 00:09:33,760

ever heard of it

275

00:09:38,470 --> 00:09:36,080

and of course living in the basin you

276

00:09:39,190 --> 00:09:38,480

know the the ranch is famous around here

277

00:09:42,630 --> 00:09:39,200

i

278

00:09:44,310 --> 00:09:42,640

sherman's

279

00:09:45,990 --> 00:09:44,320

right as they were transitioning between

280

00:09:48,150 --> 00:09:46,000

the sherman family and mr bigelow was

281

00:09:50,150 --> 00:09:48,160

when i was in high school and so it was

282

00:09:51,829 --> 00:09:50,160

kind of the height of all this activity

283

00:09:53,030 --> 00:09:51,839

that was taking place

284

00:09:54,870 --> 00:09:53,040

and uh

285

00:09:57,030 --> 00:09:54,880

and so you know in high school we tried

286

00:09:59,030 --> 00:09:57,040

to sneak out there as kids and and try

287

00:10:01,190 --> 00:09:59,040

to sneak onto the property and

288

00:10:02,630 --> 00:10:01,200

so when jim said

289

00:10:05,509 --> 00:10:02,640

uh

290

00:10:07,190 --> 00:10:05,519

skin walk match i immediately had my he

291

00:10:08,790 --> 00:10:07,200

had my interest and he said

292

00:10:10,230 --> 00:10:08,800

you know being a contractor would you be

293

00:10:11,829 --> 00:10:10,240

willing to come out and do a property

294

00:10:13,750 --> 00:10:11,839

inspection for us there's a there's an

295

00:10:15,430 --> 00:10:13,760

old ranch house there there's a modular

296

00:10:17,430 --> 00:10:15,440

home that's sitting there

297

00:10:18,630 --> 00:10:17,440

and we just don't have any idea you know

298

00:10:20,949 --> 00:10:18,640

what kind of

299

00:10:23,350 --> 00:10:20,959

condition everything is in so i went and

300

00:10:25,430 --> 00:10:23,360

did a property inspection for them

301
00:10:28,870 --> 00:10:25,440
there we found the property to be in a

302
00:10:30,790 --> 00:10:28,880
state of disrepair um it appears that mr

303
00:10:32,870 --> 00:10:30,800
bigelow had not spent any money on it

304
00:10:35,110 --> 00:10:32,880
for several years and it let it

305
00:10:36,150 --> 00:10:35,120
kind of fall into disrepair

306
00:10:38,550 --> 00:10:36,160
and so

307
00:10:41,110 --> 00:10:38,560
i immediately made a list up and and

308
00:10:41,910 --> 00:10:41,120
brandon asked me to go in and and start

309
00:10:44,069 --> 00:10:41,920
to

310
00:10:45,269 --> 00:10:44,079
fix things and upgrade things and after

311
00:10:46,949 --> 00:10:45,279
about a month

312
00:10:48,550 --> 00:10:46,959
four or five weeks i hit it off with

313
00:10:51,030 --> 00:10:48,560

brandon instantly we have a lot in

314

00:10:52,949 --> 00:10:51,040

common he asked me if i would stay on

315

00:10:54,470 --> 00:10:52,959

and be the superintendent of the ranch

316

00:10:55,670 --> 00:10:54,480

and just kind of oversee it where i live

317

00:10:57,350 --> 00:10:55,680

close

318

00:10:59,509 --> 00:10:57,360

you know a lot of the ranch team lives

319

00:11:01,910 --> 00:10:59,519

out on the in salt lake area which is a

320

00:11:03,910 --> 00:11:01,920

couple hours away and so because of my

321

00:11:06,630 --> 00:11:03,920

close proximity and because of my

322

00:11:09,430 --> 00:11:06,640

background and construction it kind of

323

00:11:11,910 --> 00:11:09,440

made it a perfect uh position for me and

324

00:11:13,190 --> 00:11:11,920

so i oversee all of the facilities i've

325

00:11:15,269 --> 00:11:13,200

upgraded it

326

00:11:18,790 --> 00:11:15,279

the command center the control room that

327

00:11:19,910 --> 00:11:18,800

you see with all the tvs on the show

328

00:11:21,670 --> 00:11:19,920

that was

329

00:11:23,590 --> 00:11:21,680

eric bart and i designed that together

330

00:11:25,750 --> 00:11:23,600

and then i i built that

331

00:11:28,470 --> 00:11:25,760

and did all the construction on it and

332

00:11:29,990 --> 00:11:28,480

so the the helipad

333

00:11:32,870 --> 00:11:30,000

we've upgraded a lot of the facilities

334

00:11:34,630 --> 00:11:32,880

the front gate has been upgraded

335

00:11:36,150 --> 00:11:34,640

and so

336

00:11:41,750 --> 00:11:36,160

i oversee

337

00:11:43,190 --> 00:11:41,760

responsibilities are also include

338

00:11:45,269 --> 00:11:43,200

like anytime we add cameras or

339

00:11:46,630 --> 00:11:45,279

scientific instrumentation

340

00:11:48,470 --> 00:11:46,640

it's my job to get all of the

341

00:11:50,150 --> 00:11:48,480

infrastructure over there so i'm i'm in

342

00:11:52,069 --> 00:11:50,160

charge of making sure we have power and

343

00:11:55,350 --> 00:11:52,079

internet

344

00:11:58,710 --> 00:11:57,110

amenities that are needed to make that

345

00:11:59,990 --> 00:11:58,720

work it's my job to make sure that we

346

00:12:02,870 --> 00:12:00,000

have those and then

347

00:12:05,269 --> 00:12:02,880

i also arrange for the grazing and take

348

00:12:07,030 --> 00:12:05,279

care of the ranch as far as the making

349

00:12:08,550 --> 00:12:07,040

sure that the land's cared for that it's

350

00:12:11,670 --> 00:12:08,560

getting watered

351

00:12:13,910 --> 00:12:11,680

and uh and then i

352

00:12:16,389 --> 00:12:13,920

uh my dad is a state senator here in

353

00:12:18,150 --> 00:12:16,399

utah and i've been heavily involved in

354

00:12:19,829 --> 00:12:18,160

politics i've ran all of his campaigns

355

00:12:21,030 --> 00:12:19,839

i've been a campaign manager

356

00:12:23,590 --> 00:12:21,040

and so

357

00:12:26,550 --> 00:12:23,600

um i also do a lot of the public

358

00:12:28,870 --> 00:12:26,560

relations outreach as far as

359

00:12:30,230 --> 00:12:28,880

any time we have issues that

360

00:12:31,509 --> 00:12:30,240

need coordinated with the local

361

00:12:33,750 --> 00:12:31,519

government

362

00:12:35,829 --> 00:12:33,760

officials i am the one that usually

363

00:12:38,150 --> 00:12:35,839

reaches out and takes care of those so

364

00:12:39,590 --> 00:12:38,160

that's my responsibilities in a nutshell

365

00:12:41,910 --> 00:12:39,600

the kind of my background that got me

366

00:12:44,150 --> 00:12:41,920

into that was my construction management

367

00:12:45,829 --> 00:12:44,160

and then you know my

368

00:12:50,310 --> 00:12:45,839

my

369

00:12:52,870 --> 00:12:50,320

and being involved in politics so you

370

00:12:54,949 --> 00:12:52,880

know i got my fingers in a lot of things

371

00:12:57,350 --> 00:12:54,959

i was going to say and you have not even

372

00:12:59,350 --> 00:12:57,360

mentioned i believe your ceo of your

373

00:13:00,949 --> 00:12:59,360

wife's company as well which there was

374

00:13:04,150 --> 00:13:00,959

not a meditational

375

00:13:06,310 --> 00:13:04,160

um therapies is that right too

376

00:13:07,590 --> 00:13:06,320

yeah so

377

00:13:10,629 --> 00:13:07,600

i actually have a film production

378

00:13:11,509 --> 00:13:10,639

company and then we have this uh

379

00:13:14,069 --> 00:13:11,519

we have

380

00:13:14,949 --> 00:13:14,079

uh residence meditations which

381

00:13:16,710 --> 00:13:14,959

um

382

00:13:18,150 --> 00:13:16,720

you know when when it looked like we

383

00:13:20,150 --> 00:13:18,160

were gonna start filming this last

384

00:13:22,710 --> 00:13:20,160

summer i we actually ended up selling

385

00:13:24,629 --> 00:13:22,720

our motels it was just it was too much

386

00:13:25,670 --> 00:13:24,639

too many irons in the fire

387

00:13:27,190 --> 00:13:25,680

and so

388

00:13:29,430 --> 00:13:27,200

um i stepped away from the film

389

00:13:30,949 --> 00:13:29,440

production company which

390

00:13:32,470 --> 00:13:30,959

our focus there people hear that and

391

00:13:33,829 --> 00:13:32,480

they think oh well that's why you guys

392

00:13:35,110 --> 00:13:33,839

are doing a film out there on the ranch

393

00:13:37,030 --> 00:13:35,120

it had absolutely nothing to do with

394

00:13:39,110 --> 00:13:37,040

that we actually do family documentaries

395

00:13:41,430 --> 00:13:39,120

so we're about capturing people's life

396

00:13:43,350 --> 00:13:41,440

stories and and putting them into movies

397

00:13:45,910 --> 00:13:43,360

so i stepped away from that

398

00:13:47,030 --> 00:13:45,920

and i stepped away from the motel

399

00:13:49,750 --> 00:13:47,040

and uh

400

00:13:52,230 --> 00:13:49,760

really my wife's my wife's company that

401
00:13:53,590 --> 00:13:52,240
we've started this meditation company is

402
00:13:55,509 --> 00:13:53,600
um that's

403
00:13:57,829 --> 00:13:55,519
that's my whole focus so the ranch is

404
00:14:00,790 --> 00:13:57,839
something that i enjoy doing and i i

405
00:14:03,030 --> 00:14:00,800
work out there every week it is a job

406
00:14:05,750 --> 00:14:03,040
you know i spend at least 30 or 40 hours

407
00:14:07,910 --> 00:14:05,760
a week on the ranch but my main focus is

408
00:14:08,790 --> 00:14:07,920
this meditation company of my wife's and

409
00:14:10,790 --> 00:14:08,800
uh

410
00:14:12,550 --> 00:14:10,800
and we're we're having amazing results

411
00:14:14,470 --> 00:14:12,560
with the and changing lives and for me

412
00:14:16,790 --> 00:14:14,480
that's what it's all about is trying to

413
00:14:18,310 --> 00:14:16,800

improve the human race so

414

00:14:20,069 --> 00:14:18,320

absolutely and i would recommend the

415

00:14:22,470 --> 00:14:20,079

links are on your twitter bio as well

416

00:14:23,350 --> 00:14:22,480

for as resonance meditation

417

00:14:31,030 --> 00:14:23,360

yeah

418

00:14:32,949 --> 00:14:31,040

i won't take much your time here because

419

00:14:34,550 --> 00:14:32,959

uh it's another issue but i encourage

420

00:14:36,550 --> 00:14:34,560

people to look into it because uh it's

421

00:14:38,230 --> 00:14:36,560

going to change the world it's not just

422

00:14:40,550 --> 00:14:38,240

a typical meditation

423

00:14:41,670 --> 00:14:40,560

so no absolutely please please check

424

00:14:43,350 --> 00:14:41,680

that out as well and we'll have a lot of

425

00:14:44,790 --> 00:14:43,360

lessons interested in those sorts of

426

00:14:46,150 --> 00:14:44,800

topics too so

427

00:14:47,750 --> 00:14:46,160

i just want to double back a little bit

428

00:14:49,189 --> 00:14:47,760

so you talked about what you've grown up

429

00:14:50,870 --> 00:14:49,199

in that area so you know about

430

00:14:52,870 --> 00:14:50,880

skinwalker ranch

431

00:14:54,389 --> 00:14:52,880

what was your own personal knowledge of

432

00:14:56,069 --> 00:14:54,399

the ranch it's history the myth

433

00:14:59,910 --> 00:14:56,079

surrounding it what was your view of the

434

00:15:03,750 --> 00:15:01,189

so

435

00:15:05,590 --> 00:15:03,760

um i've never even to this day i've

436

00:15:07,350 --> 00:15:05,600

never watched a single one of the

437

00:15:09,910 --> 00:15:07,360

documentaries on i've never read any of

438

00:15:12,550 --> 00:15:09,920

the books my knowledge of skinwalker

439

00:15:14,069 --> 00:15:12,560

ranch growing up here was based solely

440

00:15:16,310 --> 00:15:14,079

on a lot of the rumors and stories that

441

00:15:18,949 --> 00:15:16,320

are going around at church or at school

442

00:15:20,550 --> 00:15:18,959

in the in the local newspapers i haven't

443

00:15:22,230 --> 00:15:20,560

seen any of the movies i haven't read

444

00:15:23,269 --> 00:15:22,240

any of the books

445

00:15:26,069 --> 00:15:23,279

um

446

00:15:27,910 --> 00:15:26,079

and going on to the ranch

447

00:15:29,829 --> 00:15:27,920

you know my excitement for being able to

448

00:15:31,829 --> 00:15:29,839

go on the ranch and i was excited when

449

00:15:33,910 --> 00:15:31,839

jim offered me the chance because here's

450

00:15:35,910 --> 00:15:33,920

this mysterious place that nobody else

451

00:15:37,430 --> 00:15:35,920

gets to go on it was kind of the

452

00:15:39,189 --> 00:15:37,440

notoriety that

453

00:15:42,470 --> 00:15:39,199

you know the ability to go do something

454

00:15:44,710 --> 00:15:42,480

that most people were not able to but as

455

00:15:46,949 --> 00:15:44,720

far as my personal beliefs in it

456

00:15:49,509 --> 00:15:46,959

um you know the whole paranormal stuff

457

00:15:50,790 --> 00:15:49,519

the skin walker all these orbs all the

458

00:15:52,069 --> 00:15:50,800

things have been talked about i didn't

459

00:15:53,350 --> 00:15:52,079

believe in it

460

00:15:55,590 --> 00:15:53,360

um

461

00:15:57,749 --> 00:15:55,600

i i just thought it was people's

462

00:15:59,509 --> 00:15:57,759

imaginations running wild

463

00:16:01,749 --> 00:15:59,519

and you know part of the problem in the

464

00:16:03,430 --> 00:16:01,759

ufo world and the paranormal world is we

465

00:16:06,550 --> 00:16:03,440

have a lot of claims and

466

00:16:08,949 --> 00:16:06,560

have very little evidence to back it up

467

00:16:11,110 --> 00:16:08,959

um i'm just supposed to take your word

468

00:16:13,350 --> 00:16:11,120

that that hairy thing on the on your

469

00:16:14,870 --> 00:16:13,360

screen is not a dust ball but rather you

470

00:16:17,590 --> 00:16:14,880

know some type of

471

00:16:19,710 --> 00:16:17,600

object up in the sky so

472

00:16:21,670 --> 00:16:19,720

um it's amazing as far as

473

00:16:23,590 --> 00:16:21,680

technologically advanced as we are we

474

00:16:25,350 --> 00:16:23,600

still can't seem to get a clear picture

475

00:16:26,470 --> 00:16:25,360

of something you know they're all grainy

476
00:16:27,509 --> 00:16:26,480
and

477
00:16:29,350 --> 00:16:27,519
fuzzy

478
00:16:31,189 --> 00:16:29,360
i think you could call me i was a very

479
00:16:32,389 --> 00:16:31,199
healthy skeptic

480
00:16:34,710 --> 00:16:32,399
and uh

481
00:16:36,710 --> 00:16:34,720
i don't i didn't believe in a lot of it

482
00:16:38,389 --> 00:16:36,720
that was that was really my viewpoint

483
00:16:39,350 --> 00:16:38,399
coming onto the ranch as i'd heard the

484
00:16:42,790 --> 00:16:39,360
stories

485
00:16:45,189 --> 00:16:42,800
didn't think there was anything to it

486
00:16:47,509 --> 00:16:45,199
other than just a bunch of uh

487
00:16:49,269 --> 00:16:47,519
imaginations running wild so you touched

488
00:16:52,790 --> 00:16:49,279

on at the first time you met brandon

489

00:16:54,629 --> 00:16:52,800

fugle um so i've just started with um

490

00:16:56,150 --> 00:16:54,639

one of the cannot

491

00:16:58,310 --> 00:16:56,160

if you're if you're not huge on social

492

00:17:00,470 --> 00:16:58,320

media like normally like some of us are

493

00:17:02,150 --> 00:17:00,480

then uh and i don't mean huge in a

494

00:17:03,910 --> 00:17:02,160

celebrity way yeah

495

00:17:06,870 --> 00:17:03,920

you've got far more celebrity than i do

496

00:17:08,870 --> 00:17:06,880

god um but one of the guys on twitter

497

00:17:10,630 --> 00:17:08,880

dan at the signal he's been really

498

00:17:13,350 --> 00:17:10,640

prolific in the ufo community for quite

499

00:17:15,590 --> 00:17:13,360

a while he's based in wales and himself

500

00:17:17,510 --> 00:17:15,600

and myself um just in talking about the

501
00:17:19,510 --> 00:17:17,520
skinwalker ranch series decided you know

502
00:17:21,029 --> 00:17:19,520
what while i've started up this podcast

503
00:17:23,429 --> 00:17:21,039
i'd love to try something different and

504
00:17:25,189 --> 00:17:23,439
do a bit of a watch along so me and dan

505
00:17:26,949 --> 00:17:25,199
have started basically

506
00:17:29,350 --> 00:17:26,959
dropping episodes where we watch the

507
00:17:31,270 --> 00:17:29,360
series one episode at a time um and just

508
00:17:33,029 --> 00:17:31,280
talk about it give our thoughts digress

509
00:17:35,350 --> 00:17:33,039
on it you know just kind of go off and

510
00:17:37,350 --> 00:17:35,360
all kind of different tangents um and we

511
00:17:40,070 --> 00:17:37,360
compared in the first episode brandon

512
00:17:43,190 --> 00:17:40,080
fuego to bruce wayne particularly when

513
00:17:45,350 --> 00:17:43,200

the a first meets travis and they drive

514

00:17:47,830 --> 00:17:45,360

in that car down the you know the

515

00:17:49,110 --> 00:17:47,840

highway and it's just like he's in this

516

00:17:51,350 --> 00:17:49,120

you know i just it couldn't look any

517

00:17:53,110 --> 00:17:51,360

sharper and if he did have a superhero

518

00:17:55,590 --> 00:17:53,120

costume lying across the back seat you

519

00:17:57,110 --> 00:17:55,600

wouldn't be surprised but yeah would

520

00:17:58,870 --> 00:17:57,120

would that be fair and what was it like

521

00:17:59,750 --> 00:17:58,880

meeting brandon fugo for that first time

522

00:18:01,750 --> 00:17:59,760

and you know what was the kind of

523

00:18:04,470 --> 00:18:01,760

conversation

524

00:18:05,590 --> 00:18:04,480

yeah so

525

00:18:07,669 --> 00:18:05,600

when

526

00:18:09,830 --> 00:18:07,679

i met brandon fuegel for the first time

527

00:18:11,510 --> 00:18:09,840

jim morse took me i drove out to salt

528

00:18:13,110 --> 00:18:11,520

lake and jim morse took me into

529

00:18:14,710 --> 00:18:13,120

brandon's office

530

00:18:15,830 --> 00:18:14,720

and um

531

00:18:20,870 --> 00:18:15,840

brandon

532

00:18:22,070 --> 00:18:20,880

estate broker in the intermountain west

533

00:18:24,310 --> 00:18:22,080

he's

534

00:18:26,470 --> 00:18:24,320

his name is everywhere and and you got

535

00:18:27,350 --> 00:18:26,480

to understand that uh for your viewers

536

00:18:30,150 --> 00:18:27,360

over there

537

00:18:31,590 --> 00:18:30,160

you know across the pond

538

00:18:33,830 --> 00:18:31,600

the

539

00:18:36,789 --> 00:18:33,840

brandon advertise brandon is big he's

540

00:18:39,270 --> 00:18:36,799

splashy he is one of the best salesmen

541

00:18:40,070 --> 00:18:39,280

i've ever met in my life as far as

542

00:18:53,190 --> 00:18:40,080

he

543

00:18:54,070 --> 00:18:53,200

up

544

00:18:56,549 --> 00:18:54,080

um

545

00:19:00,070 --> 00:18:56,559

brandon's name i swear is like literally

546

00:19:02,630 --> 00:19:00,080

on every single building driving up the

547

00:19:03,750 --> 00:19:02,640

up the interstate

548

00:19:06,310 --> 00:19:03,760

and

549

00:19:08,070 --> 00:19:06,320

he has been incredibly successful so i

550

00:19:09,750 --> 00:19:08,080

knew brandon fuegle by name only i

551

00:19:10,630 --> 00:19:09,760

didn't know who he was all i knew is

552

00:19:13,110 --> 00:19:10,640

that

553

00:19:15,430 --> 00:19:13,120

every impressive building between provo

554

00:19:16,789 --> 00:19:15,440

and salt lake had his name splashed all

555

00:19:17,669 --> 00:19:16,799

over the side of it with his phone

556

00:19:19,590 --> 00:19:17,679

number

557

00:19:21,430 --> 00:19:19,600

and uh

558

00:19:23,430 --> 00:19:21,440

and so

559

00:19:24,950 --> 00:19:23,440

this guy must be pretty important his

560

00:19:27,430 --> 00:19:24,960

name's everywhere

561

00:19:29,590 --> 00:19:27,440

and you go to his office and again his

562

00:19:32,549 --> 00:19:29,600

office is incredible

563

00:19:34,549 --> 00:19:32,559

and so first you know for a small town

564

00:19:37,430 --> 00:19:34,559

businessman like myself

565

00:19:39,590 --> 00:19:37,440

walking into this new world of of you

566

00:19:41,750 --> 00:19:39,600

know these guys that are just operating

567

00:19:44,470 --> 00:19:41,760

extremely high level it was

568

00:19:47,430 --> 00:19:44,480

um i love it i i don't get intimidated

569

00:19:48,950 --> 00:19:47,440

easy so i wasn't intimidated at all but

570

00:19:51,510 --> 00:19:48,960

it here's a new world i'm being

571

00:19:53,270 --> 00:19:51,520

introduced into and brandon comes in and

572

00:19:55,029 --> 00:19:53,280

he spent i i believe our first

573

00:19:56,710 --> 00:19:55,039

conversation that day was about three

574

00:19:58,870 --> 00:19:56,720

hours long which

575

00:20:00,950 --> 00:19:58,880

for brandon he's he's always going 100

576

00:20:02,950 --> 00:20:00,960

different directions he's he's putting

577

00:20:05,270 --> 00:20:02,960

out a million fires and

578

00:20:07,110 --> 00:20:05,280

um i i wouldn't be surprised if he's got

579

00:20:10,070 --> 00:20:07,120

that superhero cape

580

00:20:12,549 --> 00:20:10,080

uh hidden in the trunk behind the car i

581

00:20:14,390 --> 00:20:12,559

i wouldn't be surprised at all but

582

00:20:15,990 --> 00:20:14,400

our con our first conversation was about

583

00:20:18,630 --> 00:20:16,000

three hours and he

584

00:20:20,950 --> 00:20:18,640

he very meticulously and very

585

00:20:22,470 --> 00:20:20,960

clearly communicated with me why he

586

00:20:24,950 --> 00:20:22,480

bought the ranch

587

00:20:27,909 --> 00:20:24,960

what his vision was for it

588

00:20:30,870 --> 00:20:27,919

um his belief system around it

589

00:20:33,190 --> 00:20:30,880

and then kind of he he laid out where he

590

00:20:35,430 --> 00:20:33,200

thought that i could assist him in in it

591

00:20:38,789 --> 00:20:35,440

and

592

00:20:45,830 --> 00:20:38,799

he

593

00:20:47,750 --> 00:20:45,840

kind of those life's answers like are we

594

00:20:49,590 --> 00:20:47,760

alone in the universe where did we come

595

00:20:51,990 --> 00:20:49,600

from where are we going

596

00:20:53,590 --> 00:20:52,000

and obviously we have you know we have

597

00:20:56,230 --> 00:20:53,600

religious answers to those but he's

598

00:20:57,909 --> 00:20:56,240

really fascinated on on the science side

599

00:20:59,669 --> 00:20:57,919

and and has put his money where his

600

00:21:03,190 --> 00:20:59,679

mouth is you know the ranch is not his

601
00:21:04,870 --> 00:21:03,200
first endeavor into trying to figure out

602
00:21:05,990 --> 00:21:04,880
known he's invested in tech companies

603
00:21:07,350 --> 00:21:06,000
before that

604
00:21:08,470 --> 00:21:07,360
um

605
00:21:10,230 --> 00:21:08,480
were

606
00:21:11,750 --> 00:21:10,240
geared around trying to figure this

607
00:21:13,909 --> 00:21:11,760
stuff out as well

608
00:21:15,669 --> 00:21:13,919
and so when he had this opportunity to

609
00:21:17,590 --> 00:21:15,679
buy this mysterious ranch where these

610
00:21:19,029 --> 00:21:17,600
things were supposedly going on he he

611
00:21:20,390 --> 00:21:19,039
jumped on it

612
00:21:21,830 --> 00:21:20,400
and uh

613
00:21:24,310 --> 00:21:21,840

he's

614

00:21:25,909 --> 00:21:24,320

brandon is one of the coolest human

615

00:21:26,950 --> 00:21:25,919

beings that i've had the privilege of

616

00:21:30,789 --> 00:21:26,960

meeting

617

00:21:32,549 --> 00:21:30,799

um when you see him on tv people i i i

618

00:21:34,950 --> 00:21:32,559

read some of the message boards and that

619

00:21:36,950 --> 00:21:34,960

and you hear brandon like in the first

620

00:21:38,630 --> 00:21:36,960

episode when he's like all right eric

621

00:21:41,270 --> 00:21:38,640

get the case

622

00:21:43,029 --> 00:21:41,280

you know he's being like serious

623

00:21:45,029 --> 00:21:43,039

like people are like oh they're

624

00:21:47,590 --> 00:21:45,039

dramatizing this but those of us that

625

00:21:50,950 --> 00:21:47,600

know bran and fugal like that is brandon

626

00:21:53,350 --> 00:21:50,960

fugle that's not acting like he

627

00:21:55,510 --> 00:21:53,360

uh what what can i say he eats his

628

00:21:57,510 --> 00:21:55,520

up he just

629

00:22:00,149 --> 00:21:57,520

he loves his stuff it's what he's grown

630

00:22:03,350 --> 00:22:00,159

up in and so that's not brandon acting

631

00:22:05,830 --> 00:22:03,360

like that is really brandon he he's very

632

00:22:08,390 --> 00:22:05,840

um he he's just a great person to be

633

00:22:09,590 --> 00:22:08,400

around he's very open very transparent

634

00:22:12,470 --> 00:22:09,600

um

635

00:22:13,990 --> 00:22:12,480

and very caring i watch

636

00:22:15,750 --> 00:22:14,000

people have no idea how much brandon

637

00:22:18,470 --> 00:22:15,760

does for those people around him he's a

638

00:22:20,630 --> 00:22:18,480

very caring human being

639

00:22:22,230 --> 00:22:20,640

and he he

640

00:22:24,549 --> 00:22:22,240

he's a good guy i can't say enough good

641

00:22:25,990 --> 00:22:24,559

about brandon but his intentions here is

642

00:22:28,070 --> 00:22:26,000

purely to get to the bottom of this

643

00:22:30,470 --> 00:22:28,080

mystery and try to figure it out

644

00:22:33,110 --> 00:22:30,480

and uh to be very transparent about it

645

00:22:34,470 --> 00:22:33,120

he doesn't have an agenda

646

00:22:36,710 --> 00:22:34,480

yeah and i think something that comes

647

00:22:38,950 --> 00:22:36,720

across with brandon and just it's very

648

00:22:41,110 --> 00:22:38,960

factual whether you like him or not

649

00:22:42,950 --> 00:22:41,120

he doesn't have to do this he has put

650

00:22:44,870 --> 00:22:42,960

his own money into this

651

00:22:46,870 --> 00:22:44,880

this is not a money-making scheme

652

00:22:48,470 --> 00:22:46,880

because i think anyone who's in the ufo

653

00:22:50,710 --> 00:22:48,480

community there are very few people who

654

00:22:52,870 --> 00:22:50,720

make money from it this is a guy who's

655

00:22:55,029 --> 00:22:52,880

got enough money and as you see enough

656

00:22:57,029 --> 00:22:55,039

other projects that this is definitely a

657

00:22:58,470 --> 00:22:57,039

labor of love for them as well

658

00:22:59,990 --> 00:22:58,480

and something i think obviously

659

00:23:01,990 --> 00:23:00,000

brandon's came out in most of our lives

660

00:23:04,470 --> 00:23:02,000

through the show like yourself

661

00:23:05,830 --> 00:23:04,480

and until you appear on the show and we

662

00:23:08,710 --> 00:23:05,840

get to know you that's when you start

663

00:23:10,470 --> 00:23:08,720

existing for most people so was that

664

00:23:13,350 --> 00:23:10,480

meeting with brandon am i right insane

665

00:23:15,669 --> 00:23:13,360

around 2017

666

00:23:17,990 --> 00:23:15,679

uh so i think that my first meeting with

667

00:23:20,070 --> 00:23:18,000

him would have been like either april or

668

00:23:21,510 --> 00:23:20,080

may of 2016.

669

00:23:24,149 --> 00:23:21,520

okay so

670

00:23:26,230 --> 00:23:24,159

for for me your your life or existence

671

00:23:28,230 --> 00:23:26,240

came into being around at the start of

672

00:23:29,909 --> 00:23:28,240

this year but this tv tells me that no

673

00:23:31,590 --> 00:23:29,919

no this was last summer

674

00:23:33,669 --> 00:23:31,600

what were you doing then from that

675

00:23:35,270 --> 00:23:33,679

meeting with brandon until we saw you on

676
00:23:38,710 --> 00:23:35,280
the screens because you clearly had a

677
00:23:40,070 --> 00:23:38,720
job an important job on the ranch

678
00:23:41,909 --> 00:23:40,080
yeah so

679
00:23:45,750 --> 00:23:41,919
um like i said the property was in

680
00:23:45,760 --> 00:23:48,789
mr bigelow

681
00:23:52,950 --> 00:23:50,390
you know we we know very little about

682
00:23:55,269 --> 00:23:52,960
what mr bigelow did or did not do during

683
00:23:56,149 --> 00:23:55,279
his time on skinwalker ranch he it's

684
00:23:59,190 --> 00:23:56,159
still

685
00:24:00,630 --> 00:23:59,200
uh locked away behind uh

686
00:24:02,630 --> 00:24:00,640
you know it's

687
00:24:05,269 --> 00:24:02,640
it's still hidden and he hasn't come

688
00:24:07,750 --> 00:24:05,279

forth with any information and

689

00:24:09,990 --> 00:24:07,760

in turning over the ranch to brandon the

690

00:24:11,750 --> 00:24:10,000

only thing that brandon received when he

691

00:24:13,990 --> 00:24:11,760

purchased the ranch was the real estate

692

00:24:16,789 --> 00:24:14,000

documents that are required by law you

693

00:24:19,190 --> 00:24:16,799

know soils tests and some of the things

694

00:24:20,710 --> 00:24:19,200

that prove that the property is

695

00:24:24,230 --> 00:24:20,720

there's no nothing dangerous on the

696

00:24:27,350 --> 00:24:24,240

property as far as radioactive or

697

00:24:29,590 --> 00:24:27,360

you're in utah real estate disclosures

698

00:24:30,470 --> 00:24:29,600

require that you disclose you know if

699

00:24:31,750 --> 00:24:30,480

there's something wrong with the

700

00:24:34,070 --> 00:24:31,760

property you're supposed to disclose it

701
00:24:35,029 --> 00:24:34,080
to the buyers so there was those type of

702
00:24:36,310 --> 00:24:35,039
things

703
00:24:38,149 --> 00:24:36,320
um but

704
00:24:42,310 --> 00:24:38,159
there was no scientific data that was

705
00:24:43,669 --> 00:24:42,320
turned over nothing and when we came on

706
00:24:45,190 --> 00:24:43,679
it was hard to tell that there had been

707
00:24:46,789 --> 00:24:45,200
a scientific

708
00:24:48,710 --> 00:24:46,799
uh effort at all

709
00:24:50,310 --> 00:24:48,720
and so we we basically started from

710
00:24:51,909 --> 00:24:50,320
scratch

711
00:24:53,190 --> 00:24:51,919
brandon's

712
00:24:54,310 --> 00:24:53,200
that first meeting that i was with

713
00:24:56,870 --> 00:24:54,320

brandon

714

00:24:59,590 --> 00:24:56,880

he explained to me that he bought this

715

00:25:02,149 --> 00:24:59,600

property and he wasn't even sure if

716

00:25:04,470 --> 00:25:02,159

there was anything to all of this uh

717

00:25:05,830 --> 00:25:04,480

because miss wiggles transferred over

718

00:25:07,830 --> 00:25:05,840

any data

719

00:25:10,070 --> 00:25:07,840

he wasn't sure if this was a bunch of

720

00:25:12,310 --> 00:25:10,080

stories or if there was actually

721

00:25:13,590 --> 00:25:12,320

something strange happening at the ranch

722

00:25:14,870 --> 00:25:13,600

and so

723

00:25:18,149 --> 00:25:14,880

uh he

724

00:25:20,310 --> 00:25:18,159

he wanted me to meet his prime uh his

725

00:25:23,350 --> 00:25:20,320

principal investigator eric bard who's a

726

00:25:25,830 --> 00:25:23,360

trusted confidant of of brandon's

727

00:25:29,430 --> 00:25:25,840

um and one of the greatest scientists i

728

00:25:31,990 --> 00:25:29,440

mean this guy is just brilliant and so

729

00:25:34,630 --> 00:25:32,000

disciplined in his approach

730

00:25:36,470 --> 00:25:34,640

and so meticulous about the way that he

731

00:25:39,830 --> 00:25:36,480

does his science

732

00:25:41,510 --> 00:25:39,840

he's above reproach and

733

00:25:44,310 --> 00:25:41,520

brandon said

734

00:25:46,149 --> 00:25:44,320

for the first little while i want you to

735

00:25:48,630 --> 00:25:46,159

make as little

736

00:25:52,549 --> 00:25:48,640

disturbances as possible

737

00:25:55,110 --> 00:25:52,559

and i just want to observe and see

738

00:25:58,070 --> 00:25:55,120

if we can see anything going on

739

00:26:00,630 --> 00:25:58,080

and so even when we when we

740

00:26:03,269 --> 00:26:00,640

went and put cameras up bigelow had some

741

00:26:05,029 --> 00:26:03,279

old camera he'd put his cameras inside

742

00:26:07,990 --> 00:26:05,039

of these metal

743

00:26:10,149 --> 00:26:08,000

housing casings out there on a pole and

744

00:26:12,470 --> 00:26:10,159

so we actually just took his cameras out

745

00:26:13,669 --> 00:26:12,480

because they were obsolete and just they

746

00:26:15,590 --> 00:26:13,679

were no good

747

00:26:17,830 --> 00:26:15,600

and when we put our cameras we actually

748

00:26:20,470 --> 00:26:17,840

put them inside just so that the outside

749

00:26:22,950 --> 00:26:20,480

appearance didn't change at all we

750

00:26:24,630 --> 00:26:22,960

didn't want to broadcast

751
00:26:26,390 --> 00:26:24,640
any um

752
00:26:28,549 --> 00:26:26,400
that we were there really that we were

753
00:26:30,950 --> 00:26:28,559
trying to watch and so we were trying to

754
00:26:33,830 --> 00:26:30,960
we were just in a state of observation

755
00:26:36,070 --> 00:26:33,840
and so for the first 12 to even maybe 16

756
00:26:39,190 --> 00:26:36,080
months that brandon owned the ranch

757
00:26:41,029 --> 00:26:39,200
um we were in a observation period where

758
00:26:42,870 --> 00:26:41,039
we were just trying to see

759
00:26:44,710 --> 00:26:42,880
is there something happening at

760
00:26:47,669 --> 00:26:44,720
skinwalker ranch

761
00:26:49,909 --> 00:26:47,679
and uh it didn't take very long and

762
00:26:52,070 --> 00:26:49,919
matter of fact brandon had his first ufo

763
00:26:54,789 --> 00:26:52,080

sighting on the ranch i think six months

764

00:26:57,909 --> 00:26:54,799

after he purchased the property

765

00:26:59,669 --> 00:26:57,919

you know going into the fall here

766

00:27:01,269 --> 00:26:59,679

but it didn't take very long before we

767

00:27:02,710 --> 00:27:01,279

started to witness things that were

768

00:27:04,310 --> 00:27:02,720

unexplainable

769

00:27:07,590 --> 00:27:04,320

and

770

00:27:10,230 --> 00:27:07,600

the answer became very clear that yes

771

00:27:12,230 --> 00:27:10,240

there is something strange taking place

772

00:27:14,390 --> 00:27:12,240

on skinwalker ranch

773

00:27:15,269 --> 00:27:14,400

and uh and then

774

00:27:18,950 --> 00:27:15,279

about

775

00:27:21,029 --> 00:27:18,960

i'd say early 2017 the discussion began

776

00:27:23,350 --> 00:27:21,039

to shift from

777

00:27:25,669 --> 00:27:23,360

is there something happening to

778

00:27:28,389 --> 00:27:25,679

there is something happening now what do

779

00:27:30,470 --> 00:27:28,399

we do about it what is the next step

780

00:27:31,590 --> 00:27:30,480

and that's when we started to transition

781

00:27:33,590 --> 00:27:31,600

into

782

00:27:35,110 --> 00:27:33,600

taking some pretty aggressive steps to

783

00:27:38,470 --> 00:27:35,120

update the

784

00:27:40,149 --> 00:27:38,480

infrastructure brandon is very wealthy

785

00:27:42,149 --> 00:27:40,159

but he's wealthy because he's smart with

786

00:27:44,070 --> 00:27:42,159

his money he just didn't start dumping

787

00:27:48,789 --> 00:27:44,080

money a million directions

788

00:27:50,870 --> 00:27:48,799

our our investment has always been um

789

00:27:51,830 --> 00:27:50,880

it's always followed the data

790

00:27:53,750 --> 00:27:51,840

so

791

00:27:56,070 --> 00:27:53,760

for example the first camera system that

792

00:27:59,909 --> 00:27:56,080

we put out on the ranch was a very

793

00:28:01,510 --> 00:27:59,919

inexpensive low-grade low-quality system

794

00:28:03,029 --> 00:28:01,520

it was simply there to just see if we

795

00:28:04,470 --> 00:28:03,039

could capture and once we started

796

00:28:06,230 --> 00:28:04,480

capturing stuff

797

00:28:08,230 --> 00:28:06,240

then brandon's then brandon

798

00:28:10,389 --> 00:28:08,240

incrementally started to increase the

799

00:28:12,789 --> 00:28:10,399

quality of the cameras and the

800

00:28:14,950 --> 00:28:12,799

surveillance systems that we had based

801
00:28:16,710 --> 00:28:14,960
on the data that we were getting and

802
00:28:18,310 --> 00:28:16,720
we've we've spent money on things and

803
00:28:20,149 --> 00:28:18,320
haven't got any results and so there's

804
00:28:21,269 --> 00:28:20,159
no sense spending even more money in

805
00:28:23,590 --> 00:28:21,279
that area

806
00:28:25,590 --> 00:28:23,600
and so our spending has been focused

807
00:28:28,070 --> 00:28:25,600
solely on where we're getting the

808
00:28:30,710 --> 00:28:28,080
results so my time out at the ranch in

809
00:28:32,950 --> 00:28:30,720
the last four years was um

810
00:28:34,789 --> 00:28:32,960
it is a ranch that requires care it

811
00:28:36,870 --> 00:28:34,799
needs to be irrigated

812
00:28:38,630 --> 00:28:36,880
you have to you have to get livestock on

813
00:28:40,630 --> 00:28:38,640

there or else it turns into a big fire

814

00:28:42,149 --> 00:28:40,640

hazard because the grass grows two feet

815

00:28:43,830 --> 00:28:42,159

tall in the spring

816

00:28:46,710 --> 00:28:43,840

and then because we're in a desert by

817

00:28:48,789 --> 00:28:46,720

august it's just so dead and dry that

818

00:28:49,990 --> 00:28:48,799

even a spark would just burn the whole

819

00:28:52,549 --> 00:28:50,000

place down

820

00:28:54,470 --> 00:28:52,559

uh the cows come in they eat the grass

821

00:28:56,389 --> 00:28:54,480

down and then it doesn't it doesn't do

822

00:28:59,029 --> 00:28:56,399

that so

823

00:29:01,110 --> 00:28:59,039

um the fences the i mean there's so much

824

00:29:02,230 --> 00:29:01,120

maintenance just just with a regular

825

00:29:04,870 --> 00:29:02,240

ranch

826

00:29:06,630 --> 00:29:04,880

that takes place that that i was trying

827

00:29:09,590 --> 00:29:06,640

to take care of and then you when you

828

00:29:12,549 --> 00:29:09,600

add on to that the science once and once

829

00:29:14,870 --> 00:29:12,559

2017 started that's when we started to

830

00:29:16,710 --> 00:29:14,880

make aggressive changes and really

831

00:29:19,110 --> 00:29:16,720

so then the whole narrative of my injury

832

00:29:22,230 --> 00:29:19,120

comes into play because

833

00:29:24,230 --> 00:29:22,240

it was it was march of 2017 when i had

834

00:29:26,549 --> 00:29:24,240

that severe injury and it

835

00:29:29,110 --> 00:29:26,559

you know maybe coincidentally maybe not

836

00:29:30,389 --> 00:29:29,120

we don't know for sure we can't say

837

00:29:32,710 --> 00:29:30,399

positively

838

00:29:35,110 --> 00:29:32,720

but that's when i started to do some

839

00:29:36,870 --> 00:29:35,120

major excavation on the ranch

840

00:29:39,190 --> 00:29:36,880

in conjunction with upgrading the

841

00:29:41,430 --> 00:29:39,200

facilities and then

842

00:29:44,070 --> 00:29:41,440

you know i start i start changing the

843

00:29:46,230 --> 00:29:44,080

landscape drastically putting in some

844

00:29:48,870 --> 00:29:46,240

roads and things for security to be able

845

00:29:52,389 --> 00:29:48,880

to get around on the ranch and um

846

00:29:54,549 --> 00:29:52,399

and then i i end up with this injury so

847

00:29:56,549 --> 00:29:54,559

um i've been very busy over the past

848

00:29:58,230 --> 00:29:56,559

four years i've installed every single

849

00:30:01,430 --> 00:29:58,240

camera on the place

850

00:30:04,710 --> 00:30:01,440

every i i've run miles and miles of

851
00:30:05,669 --> 00:30:04,720
power lines and internet lines

852
00:30:06,710 --> 00:30:05,679
um

853
00:30:10,870 --> 00:30:06,720
i've

854
00:30:13,269 --> 00:30:10,880
system the wastewater system was

855
00:30:15,990 --> 00:30:13,279
completely shot we've replaced that

856
00:30:18,230 --> 00:30:16,000
the old ranch house had a lot of mold

857
00:30:19,350 --> 00:30:18,240
issues and stuff in it that we had to

858
00:30:22,389 --> 00:30:19,360
take care of

859
00:30:23,590 --> 00:30:22,399
i obviously put in the helipad

860
00:30:25,510 --> 00:30:23,600
and um

861
00:30:27,590 --> 00:30:25,520
we remodeled the command center it was

862
00:30:28,710 --> 00:30:27,600
just a dumpy old little modular trailer

863
00:30:30,870 --> 00:30:28,720

that was

864

00:30:32,710 --> 00:30:30,880

uh complete shambles we've remodeled

865

00:30:34,070 --> 00:30:32,720

that to what you see on television so

866

00:30:35,110 --> 00:30:34,080

that's what i've been doing the last

867

00:30:37,029 --> 00:30:35,120

four years

868

00:30:38,870 --> 00:30:37,039

that's amazing and there must have been

869

00:30:40,870 --> 00:30:38,880

i mean as much hard work as that sounds

870

00:30:43,269 --> 00:30:40,880

getting to create that little command

871

00:30:45,029 --> 00:30:43,279

center as like a tech geek stream when

872

00:30:47,510 --> 00:30:45,039

that door opened for the first time and

873

00:30:49,669 --> 00:30:47,520

you see all those screens it's like i

874

00:30:50,950 --> 00:30:49,679

paused the tv that i was watching and

875

00:30:52,789 --> 00:30:50,960

you know i was just looking around going

876

00:30:55,750 --> 00:30:52,799

oh my god how many tvs so they've got at

877

00:30:57,190 --> 00:30:55,760

least nine ten eleven twelve cameras on

878

00:30:59,509 --> 00:30:57,200

display just now and then i've got so

879

00:31:01,190 --> 00:30:59,519

many tvs here and there's just boxes

880

00:31:03,110 --> 00:31:01,200

everywhere and you would just love five

881

00:31:04,549 --> 00:31:03,120

ten minutes in that room to go and just

882

00:31:06,870 --> 00:31:04,559

mess about with it to see what you can

883

00:31:08,789 --> 00:31:06,880

do so that must have been a lot of fun

884

00:31:10,630 --> 00:31:08,799

can i just ask then so that kind of

885

00:31:12,549 --> 00:31:10,640

takes us up to the canal more almost

886

00:31:13,990 --> 00:31:12,559

present day the last year or so when do

887

00:31:15,509 --> 00:31:14,000

you first start to hear that there's

888

00:31:17,669 --> 00:31:15,519

potentially going to be a show made

889

00:31:19,110 --> 00:31:17,679

about the ranch was that quite a quick

890

00:31:21,190 --> 00:31:19,120

process or was it something that was

891

00:31:24,310 --> 00:31:21,200

always in the offing

892

00:31:27,909 --> 00:31:24,320

now so um

893

00:31:29,350 --> 00:31:27,919

it's something that once we determined

894

00:31:31,269 --> 00:31:29,360

that there was something happening on

895

00:31:33,830 --> 00:31:31,279

the ranch and that discussion turned

896

00:31:35,509 --> 00:31:33,840

okay yeah we're seeing things happen

897

00:31:37,350 --> 00:31:35,519

here now what do we do with this

898

00:31:39,190 --> 00:31:37,360

information do we

899

00:31:41,909 --> 00:31:39,200

do we keep it to ourselves like bigelow

900

00:31:44,149 --> 00:31:41,919

did do we share out in a public forum

901
00:31:45,669 --> 00:31:44,159
and if we share it in a public forum

902
00:31:47,509 --> 00:31:45,679
like how do you do that is that just

903
00:31:49,110 --> 00:31:47,519
something like we make a youtube video

904
00:31:50,389 --> 00:31:49,120
and put it up do we

905
00:31:51,909 --> 00:31:50,399
like is this something you put in the

906
00:31:54,870 --> 00:31:51,919
science journal

907
00:31:57,110 --> 00:31:54,880
uh it really became how do you how do

908
00:32:00,070 --> 00:31:57,120
you release this information

909
00:32:01,430 --> 00:32:00,080
and about the same time

910
00:32:03,590 --> 00:32:01,440
and i'm i want to make sure you get my

911
00:32:05,430 --> 00:32:03,600
dates here right but um

912
00:32:06,870 --> 00:32:05,440
the entire time we owned the ranch one

913
00:32:08,149 --> 00:32:06,880

of the first things we had to do there

914

00:32:09,750 --> 00:32:08,159

was a road that went right through the

915

00:32:10,789 --> 00:32:09,760

middle of the ranch that was a public

916

00:32:12,310 --> 00:32:10,799

road

917

00:32:14,789 --> 00:32:12,320

and

918

00:32:17,110 --> 00:32:14,799

when we bought it the county notified

919

00:32:18,870 --> 00:32:17,120

brandon that we couldn't lock the gate

920

00:32:21,350 --> 00:32:18,880

anymore it was a public road we had to

921

00:32:23,029 --> 00:32:21,360

let the public go across

922

00:32:24,710 --> 00:32:23,039

which

923

00:32:26,389 --> 00:32:24,720

put a lot of panic through the team

924

00:32:29,590 --> 00:32:26,399

because it's like how can you carry on

925

00:32:31,350 --> 00:32:29,600

an ongoing science investigation

926
00:32:33,750 --> 00:32:31,360
if you've got tourists going through the

927
00:32:35,029 --> 00:32:33,760
middle of your laboratory

928
00:32:37,350 --> 00:32:35,039
and so

929
00:32:40,389 --> 00:32:37,360
i you i was able to go to the county and

930
00:32:43,110 --> 00:32:40,399
get that road vacated and shut down

931
00:32:45,909 --> 00:32:43,120
and uh when i did that it required

932
00:32:48,070 --> 00:32:45,919
public hearings and brandon

933
00:32:49,750 --> 00:32:48,080
he didn't want this to stigmatize his

934
00:32:52,470 --> 00:32:49,760
business uh you know this whole

935
00:32:53,830 --> 00:32:52,480
paranormal world doesn't always mix well

936
00:32:55,430 --> 00:32:53,840
when you're talking about business

937
00:32:57,029 --> 00:32:55,440
professionals in real estate and you're

938
00:32:58,710 --> 00:32:57,039

trying to sell a building to people and

939

00:33:00,310 --> 00:32:58,720

they think you're a quack

940

00:33:01,990 --> 00:33:00,320

you know because you you're chasing

941

00:33:03,269 --> 00:33:02,000

ghosts and goblins

942

00:33:05,110 --> 00:33:03,279

so brandon

943

00:33:07,430 --> 00:33:05,120

was very

944

00:33:09,750 --> 00:33:07,440

very adamant that people not know his

945

00:33:11,350 --> 00:33:09,760

identity so anytime we had to go public

946

00:33:13,509 --> 00:33:11,360

with something we always did it through

947

00:33:15,029 --> 00:33:13,519

my name so i was the one that attended

948

00:33:17,830 --> 00:33:15,039

the public hearings

949

00:33:18,710 --> 00:33:17,840

i was the one that got the road vacated

950

00:33:21,430 --> 00:33:18,720

um

951
00:33:22,950 --> 00:33:21,440
we did brandon let me he he reached out

952
00:33:25,430 --> 00:33:22,960
and said hey release a few of these

953
00:33:27,590 --> 00:33:25,440
photos on the internet so i would put a

954
00:33:29,830 --> 00:33:27,600
few photos out so when people went

955
00:33:31,350 --> 00:33:29,840
searching for skinwalker ranch my name

956
00:33:33,269 --> 00:33:31,360
was the only one that they could find

957
00:33:35,430 --> 00:33:33,279
associated with it

958
00:33:38,549 --> 00:33:35,440
and because of that

959
00:33:40,230 --> 00:33:38,559
i i had both the blessing and the curse

960
00:33:41,990 --> 00:33:40,240
of having

961
00:33:43,430 --> 00:33:42,000
hundreds of people reach out to me on a

962
00:33:45,590 --> 00:33:43,440
regular basis

963
00:33:47,750 --> 00:33:45,600

asking can we come on the ranch or we

964

00:33:49,509 --> 00:33:47,760

want this or we want that and part of

965

00:33:52,389 --> 00:33:49,519

that was is at least once or twice a

966

00:33:55,350 --> 00:33:52,399

month i got solicited from some type of

967

00:33:57,190 --> 00:33:55,360

movie producer or product tv producer

968

00:33:58,789 --> 00:33:57,200

that was wanting to do a show on

969

00:34:00,389 --> 00:33:58,799

skinwalker ranch

970

00:34:01,669 --> 00:34:00,399

and i'd always just take

971

00:34:03,669 --> 00:34:01,679

most of them

972

00:34:05,509 --> 00:34:03,679

uh brandon kind of charged me with the

973

00:34:07,590 --> 00:34:05,519

task of vetting through them and and

974

00:34:10,069 --> 00:34:07,600

picking out which ones are serious

975

00:34:12,069 --> 00:34:10,079

not just tv pursue producers but anybody

976
00:34:13,829 --> 00:34:12,079
that contacted us in regards to the

977
00:34:15,909 --> 00:34:13,839
ranch

978
00:34:17,669 --> 00:34:15,919
and uh so brandon

979
00:34:19,510 --> 00:34:17,679
brandon would have me vet him and and

980
00:34:21,669 --> 00:34:19,520
i'd have these tv people

981
00:34:22,950 --> 00:34:21,679
reach out and i would like and

982
00:34:26,550 --> 00:34:22,960
uh no

983
00:34:28,950 --> 00:34:26,560
and so 99 of them got filtered out

984
00:34:30,629 --> 00:34:28,960
and i had one guy about the same time

985
00:34:32,069 --> 00:34:30,639
now the discussion is we're starting to

986
00:34:34,869 --> 00:34:32,079
have this discussion of well how do we

987
00:34:35,829 --> 00:34:34,879
release this to the public i had a tv

988
00:34:36,790 --> 00:34:35,839

producer

989

00:34:38,950 --> 00:34:36,800

named

990

00:34:40,629 --> 00:34:38,960

tj allard he's one of the executive

991

00:34:41,669 --> 00:34:40,639

producers on the show

992

00:34:45,270 --> 00:34:41,679

and

993

00:34:46,230 --> 00:34:45,280

himself

994

00:34:48,310 --> 00:34:46,240

and

995

00:34:49,430 --> 00:34:48,320

eventually convinced me into taking a

996

00:34:51,909 --> 00:34:49,440

phone call

997

00:34:55,190 --> 00:34:51,919

and he pitched this idea of allowing tv

998

00:34:58,069 --> 00:34:55,200

cameras to come on and and document our

999

00:35:01,030 --> 00:34:58,079

our uh process

1000

00:35:02,630 --> 00:35:01,040

our science investigation and so

1001
00:35:06,150 --> 00:35:02,640

i

1002
00:35:08,069 --> 00:35:06,160

know

1003
00:35:09,829 --> 00:35:08,079

you're always welcome to continue to

1004
00:35:12,790 --> 00:35:09,839

call back that's fine you know you're a

1005
00:35:14,870 --> 00:35:12,800

nice guy i'll take your call well tj

1006
00:35:17,030 --> 00:35:14,880

then started to reach out to me every

1007
00:35:18,150 --> 00:35:17,040

single month and he did so for almost a

1008
00:35:21,109 --> 00:35:18,160

year

1009
00:35:22,069 --> 00:35:21,119

um hey man just checking in you think

1010
00:35:23,430 --> 00:35:22,079

you think that's something you guys

1011
00:35:25,829 --> 00:35:23,440

would be interested in

1012
00:35:28,390 --> 00:35:25,839

well about month six or seven eight of

1013
00:35:29,190 --> 00:35:28,400

this i i don't know the exact time but

1014

00:35:31,109 --> 00:35:29,200

um

1015

00:35:33,589 --> 00:35:31,119

i i did reach out to brandon and i said

1016

00:35:36,069 --> 00:35:33,599

you know we're having this discussion on

1017

00:35:38,950 --> 00:35:36,079

on how to release this

1018

00:35:40,790 --> 00:35:38,960

um i've got this tv guy that's pitched

1019

00:35:42,230 --> 00:35:40,800

this idea and he's he's been pretty

1020

00:35:44,630 --> 00:35:42,240

persistent

1021

00:35:46,230 --> 00:35:44,640

and brandon at the time was like i don't

1022

00:35:47,829 --> 00:35:46,240

know you know i don't know if we really

1023

00:35:50,069 --> 00:35:47,839

want to do that

1024

00:35:51,829 --> 00:35:50,079

and i was like no problem you know and

1025

00:35:53,670 --> 00:35:51,839

then as time went on tj kept being

1026
00:35:55,510 --> 00:35:53,680
persistent finally i said all right i'll

1027
00:35:56,630 --> 00:35:55,520
let you talk to jim morse jim's the

1028
00:35:58,310 --> 00:35:56,640
manager

1029
00:35:59,829 --> 00:35:58,320
and if jim thinks it's a good idea then

1030
00:36:01,990 --> 00:35:59,839
we'll take you to brandon

1031
00:36:03,109 --> 00:36:02,000
so jim talked to him for another couple

1032
00:36:05,349 --> 00:36:03,119
of months

1033
00:36:07,750 --> 00:36:05,359
and then finally jim's like yeah tj's

1034
00:36:09,430 --> 00:36:07,760
the real deal he's a good guy it's worth

1035
00:36:12,230 --> 00:36:09,440
having a conversation

1036
00:36:14,230 --> 00:36:12,240
so then tj i think tj may have even

1037
00:36:15,829 --> 00:36:14,240
flown in to talk to brandon i'm not sure

1038
00:36:18,550 --> 00:36:15,839

about that but um

1039

00:36:19,829 --> 00:36:18,560

tj finally got to talk to brandon

1040

00:36:22,470 --> 00:36:19,839

and uh

1041

00:36:26,630 --> 00:36:22,480

and thus the idea of

1042

00:36:27,670 --> 00:36:26,640

the whole network series came into being

1043

00:36:29,510 --> 00:36:27,680

and uh

1044

00:36:31,349 --> 00:36:29,520

and that's kind of how it came to be so

1045

00:36:32,630 --> 00:36:31,359

it's not something that we went out

1046

00:36:33,510 --> 00:36:32,640

looking for

1047

00:36:35,589 --> 00:36:33,520

um

1048

00:36:37,990 --> 00:36:35,599

i have to give tj a lot of credit for

1049

00:36:40,630 --> 00:36:38,000

being persistent and following up every

1050

00:36:42,390 --> 00:36:40,640

single month and uh kip

1051

00:36:44,710 --> 00:36:42,400

he just didn't give up so

1052

00:36:46,790 --> 00:36:44,720

it took a long time before from from

1053

00:36:48,550 --> 00:36:46,800

when we were first contacted and then

1054

00:36:50,230 --> 00:36:48,560

even after that point that he had that

1055

00:36:52,390 --> 00:36:50,240

conversation with the brand and then i

1056

00:36:57,109 --> 00:36:52,400

think you know it was a long time after

1057

00:36:59,270 --> 00:36:57,119

that that before it became a reality so

1058

00:37:00,390 --> 00:36:59,280

i mean so on the ranch at this point

1059

00:37:02,390 --> 00:37:00,400

we're getting to the point now we're

1060

00:37:05,990 --> 00:37:02,400

about to start filming the show

1061

00:37:12,230 --> 00:37:06,000

is it yourself jim morse is jim segala

1062

00:37:14,630 --> 00:37:12,240

there as well um so our our ranch team

1063

00:37:17,190 --> 00:37:14,640

from the beginning has basically been

1064

00:37:19,030 --> 00:37:17,200

myself and eric bard the principal

1065

00:37:19,990 --> 00:37:19,040

investigator jim morse who's the ranch

1066

00:37:23,430 --> 00:37:20,000

manager

1067

00:37:24,230 --> 00:37:23,440

and um bryant arnold dragon

1068

00:37:26,150 --> 00:37:24,240

uh

1069

00:37:27,270 --> 00:37:26,160

he's been there from the beginning

1070

00:37:29,510 --> 00:37:27,280

and then

1071

00:37:30,790 --> 00:37:29,520

jim sagala

1072

00:37:32,710 --> 00:37:30,800

um

1073

00:37:35,109 --> 00:37:32,720

he has an interesting pass in the fact

1074

00:37:37,430 --> 00:37:35,119

that he has done a lot of work that is

1075

00:37:39,829 --> 00:37:37,440

tied in with the ranch through others

1076
00:37:41,670 --> 00:37:39,839
through other individuals so um he's

1077
00:37:44,790 --> 00:37:41,680
tied in with some of the scientists that

1078
00:37:47,589 --> 00:37:44,800
worked for mr bigelow um on

1079
00:37:50,470 --> 00:37:47,599
mr bigelow's investigation and so jim

1080
00:37:54,069 --> 00:37:50,480
segala had a lot of knowledge as far as

1081
00:37:57,109 --> 00:37:54,079
the big low days and then with my injury

1082
00:37:59,750 --> 00:37:57,119
that's kind of jim sagalas he was one of

1083
00:38:00,470 --> 00:37:59,760
the three individuals that investigated

1084
00:38:01,750 --> 00:38:00,480
my

1085
00:38:03,109 --> 00:38:01,760
head injury

1086
00:38:05,270 --> 00:38:03,119
and so

1087
00:38:07,829 --> 00:38:05,280
it made sense to bring him in

1088
00:38:10,870 --> 00:38:07,839

because one he he's coming at it from

1089

00:38:12,630 --> 00:38:10,880

kind of that biomedical side um with

1090

00:38:15,109 --> 00:38:12,640

with my injury

1091

00:38:16,630 --> 00:38:15,119

and uh and then he also had you know

1092

00:38:18,470 --> 00:38:16,640

pretty good knowledge of some of the

1093

00:38:19,510 --> 00:38:18,480

things that bigelow

1094

00:38:21,990 --> 00:38:19,520

um

1095

00:38:23,829 --> 00:38:22,000

had done during bigelow days so

1096

00:38:26,310 --> 00:38:23,839

he's been tied into the ranch for quite

1097

00:38:29,030 --> 00:38:26,320

some time but not necessarily like on

1098

00:38:30,950 --> 00:38:29,040

our branch team if that makes sense

1099

00:38:33,829 --> 00:38:30,960

yeah of course that's really interesting

1100

00:38:35,910 --> 00:38:33,839

to know how did things start to change

1101
00:38:38,790 --> 00:38:35,920
on a day-to-day running of the ranch as

1102
00:38:40,710 --> 00:38:38,800
the cameras and crew and i'm guessing tj

1103
00:38:42,710 --> 00:38:40,720
and his people start to come in for for

1104
00:38:44,550 --> 00:38:42,720
you guys because you've now had it what

1105
00:38:46,870 --> 00:38:44,560
two two to three years at this point

1106
00:38:48,870 --> 00:38:46,880
working on the ranch and

1107
00:38:50,790 --> 00:38:48,880
i'm guessing things changed to some

1108
00:38:53,670 --> 00:38:50,800
degree what was that like

1109
00:38:54,390 --> 00:38:53,680
yeah so they absolutely did change i

1110
00:38:55,670 --> 00:38:54,400
mean

1111
00:38:57,750 --> 00:38:55,680
um

1112
00:38:59,670 --> 00:38:57,760
you know

1113
00:39:01,349 --> 00:38:59,680

while jim segall had been on the ranch

1114

00:39:02,710 --> 00:39:01,359

several times before and he'd been

1115

00:39:05,589 --> 00:39:02,720

working

1116

00:39:07,829 --> 00:39:05,599

behind the scenes on on my investigation

1117

00:39:09,349 --> 00:39:07,839

on my head injury and

1118

00:39:10,310 --> 00:39:09,359

been working on some of the science as

1119

00:39:12,550 --> 00:39:10,320

well

1120

00:39:14,230 --> 00:39:12,560

travis was new to the scene

1121

00:39:16,390 --> 00:39:14,240

you know we're bringing on a new

1122

00:39:18,230 --> 00:39:16,400

skeptical scientist

1123

00:39:20,230 --> 00:39:18,240

and uh

1124

00:39:21,750 --> 00:39:20,240

when you bring a new scientist down it

1125

00:39:23,190 --> 00:39:21,760

almost is like you have to go back to

1126
00:39:24,550 --> 00:39:23,200
the beginning and say we've done this

1127
00:39:26,390 --> 00:39:24,560
this this this

1128
00:39:28,710 --> 00:39:26,400
and and then they want to of course see

1129
00:39:30,150 --> 00:39:28,720
that for themselves they want to

1130
00:39:32,310 --> 00:39:30,160
they want to

1131
00:39:34,310 --> 00:39:32,320
be able to verify for themselves what's

1132
00:39:35,670 --> 00:39:34,320
going on

1133
00:39:37,349 --> 00:39:35,680
and then

1134
00:39:39,510 --> 00:39:37,359
it

1135
00:39:41,750 --> 00:39:39,520
the investigation

1136
00:39:43,750 --> 00:39:41,760
so it is authentic on tv as far as we're

1137
00:39:44,790 --> 00:39:43,760
not we're not dramatizing it's not

1138
00:39:46,710 --> 00:39:44,800

scripted

1139

00:39:48,790 --> 00:39:46,720

they left it up to us to do what we

1140

00:39:49,829 --> 00:39:48,800

wanted to do i was never told what to

1141

00:39:52,630 --> 00:39:49,839

say

1142

00:39:54,790 --> 00:39:52,640

um as far as like hey you know do this

1143

00:39:56,950 --> 00:39:54,800

or do that

1144

00:39:59,990 --> 00:39:56,960

so it's authentic that way but it did

1145

00:40:01,750 --> 00:40:00,000

change the fact that

1146

00:40:03,589 --> 00:40:01,760

there's a lot of the science that would

1147

00:40:06,309 --> 00:40:03,599

just put people to sleep

1148

00:40:07,430 --> 00:40:06,319

it's definitely not made for tv

1149

00:40:09,349 --> 00:40:07,440

and so

1150

00:40:11,270 --> 00:40:09,359

for those couple of months that you have

1151
00:40:12,950 --> 00:40:11,280
the cameras there you're really focused

1152
00:40:14,470 --> 00:40:12,960
more on the visuals

1153
00:40:15,510 --> 00:40:14,480
side of things

1154
00:40:17,670 --> 00:40:15,520
um

1155
00:40:19,589 --> 00:40:17,680
we've been trying to process the data

1156
00:40:22,230 --> 00:40:19,599
from the summer filming

1157
00:40:23,109 --> 00:40:22,240
since the cameras turned off and went

1158
00:40:24,710 --> 00:40:23,119
away

1159
00:40:25,910 --> 00:40:24,720
because we gathered a lot of data and

1160
00:40:28,150 --> 00:40:25,920
then you're trying to go through and

1161
00:40:30,230 --> 00:40:28,160
post process it figure out

1162
00:40:31,270 --> 00:40:30,240
you know plot it figure out what it all

1163
00:40:34,470 --> 00:40:31,280

means

1164

00:40:35,430 --> 00:40:34,480

um so it changes in the in the format

1165

00:40:38,309 --> 00:40:35,440

that

1166

00:40:40,790 --> 00:40:38,319

um we're trying to share what what our

1167

00:40:42,710 --> 00:40:40,800

investigation is with the audience

1168

00:40:45,109 --> 00:40:42,720

um which is legit

1169

00:40:46,550 --> 00:40:45,119

um but at the same time

1170

00:40:48,630 --> 00:40:46,560

uh

1171

00:40:51,430 --> 00:40:48,640

even things like when we're measuring rf

1172

00:40:53,829 --> 00:40:51,440

for example we're out there well we're

1173

00:40:56,150 --> 00:40:53,839

all wearing microphones

1174

00:40:57,510 --> 00:40:56,160

um the cameras are all broadcasting

1175

00:41:00,230 --> 00:40:57,520

wirelessly

1176

00:41:02,470 --> 00:41:00,240

like we're creating a lot of radio

1177

00:41:04,309 --> 00:41:02,480

frequencies just by our presence being

1178

00:41:06,470 --> 00:41:04,319

there there's nothing abnormal about

1179

00:41:08,870 --> 00:41:06,480

that so when you have a meter and it's

1180

00:41:11,190 --> 00:41:08,880

spiking and it's showing high levels of

1181

00:41:13,349 --> 00:41:11,200

rf

1182

00:41:16,790 --> 00:41:13,359

well a lot of that could just be caused

1183

00:41:18,950 --> 00:41:16,800

by our cameras and our microphones and

1184

00:41:20,230 --> 00:41:18,960

our self-emitted

1185

00:41:21,750 --> 00:41:20,240

all our cell phones and all the

1186

00:41:23,030 --> 00:41:21,760

equipment that's there

1187

00:41:25,190 --> 00:41:23,040

and so

1188

00:41:27,910 --> 00:41:25,200

the process becomes a little harder

1189

00:41:30,230 --> 00:41:27,920

because you have to eliminate the known

1190

00:41:31,430 --> 00:41:30,240

sources from the unknown sources which

1191

00:41:33,430 --> 00:41:31,440

means if you're starting to see those

1192

00:41:34,630 --> 00:41:33,440

spikes you got to turn off the cameras

1193

00:41:35,829 --> 00:41:34,640

you got to turn off the microphones you

1194

00:41:37,670 --> 00:41:35,839

got to turn off the cell phones you've

1195

00:41:40,470 --> 00:41:37,680

got to eliminate everything you possibly

1196

00:41:42,550 --> 00:41:40,480

can that might be emitting that signal

1197

00:41:45,670 --> 00:41:42,560

so that you can tell that that signal is

1198

00:41:47,190 --> 00:41:45,680

legit and not just

1199

00:41:49,829 --> 00:41:47,200

man-made

1200

00:41:52,150 --> 00:41:49,839

so there's a lot of that stuff that we

1201
00:41:53,750 --> 00:41:52,160
you have to learn how to work with the

1202
00:41:56,630 --> 00:41:53,760
film crew

1203
00:41:58,309 --> 00:41:56,640
and try to figure out uh we're out there

1204
00:41:59,349 --> 00:41:58,319
with you know i think it's episode three

1205
00:42:01,589 --> 00:41:59,359
when we're out there trying to

1206
00:42:02,790 --> 00:42:01,599
triangulate and there's a camera shot of

1207
00:42:05,750 --> 00:42:02,800
us like

1208
00:42:07,270 --> 00:42:05,760
we got these coffee cans it's jim sagala

1209
00:42:10,230 --> 00:42:07,280
and travis and i we got these coffee

1210
00:42:12,390 --> 00:42:10,240
cans with these little rf meters right

1211
00:42:14,870 --> 00:42:12,400
and i've taken a lot of criticism for

1212
00:42:17,750 --> 00:42:14,880
this as i'm sure travis and jim were

1213
00:42:20,150 --> 00:42:17,760

like holding this rf meter out in front

1214

00:42:22,550 --> 00:42:20,160

of the coffee can which obviously

1215

00:42:23,589 --> 00:42:22,560

defeats the whole purpose

1216

00:42:26,870 --> 00:42:23,599

and

1217

00:42:28,390 --> 00:42:26,880

using those right you guys don't know

1218

00:42:29,190 --> 00:42:28,400

what the heck you're doing

1219

00:42:31,430 --> 00:42:29,200

well

1220

00:42:33,430 --> 00:42:31,440

when the when the meter is inside the

1221

00:42:35,349 --> 00:42:33,440

coffee can and you've got to hold it so

1222

00:42:36,950 --> 00:42:35,359

that you can still see inside the can

1223

00:42:38,390 --> 00:42:36,960

and see the meter

1224

00:42:41,030 --> 00:42:38,400

but

1225

00:42:43,270 --> 00:42:41,040

uh keep it inside the camera can't see

1226

00:42:45,349 --> 00:42:43,280

that it it doesn't make for a good

1227

00:42:47,829 --> 00:42:45,359

camera shot for the audience

1228

00:42:49,910 --> 00:42:47,839

so it's balancing it's it's like

1229

00:42:52,470 --> 00:42:49,920

actually doing the exercise

1230

00:42:54,390 --> 00:42:52,480

and then being able to film it in a way

1231

00:42:55,589 --> 00:42:54,400

that the audience could get an idea of

1232

00:42:57,670 --> 00:42:55,599

what it is that we're trying to

1233

00:42:59,990 --> 00:42:57,680

accomplish and so

1234

00:43:01,349 --> 00:43:00,000

there's so much of that that's like oh

1235

00:43:02,710 --> 00:43:01,359

we need to

1236

00:43:03,829 --> 00:43:02,720

you got to pull that out of the can

1237

00:43:06,630 --> 00:43:03,839

where we can pick that up with the

1238

00:43:08,950 --> 00:43:06,640

camera and uh so that's a lot of the

1239

00:43:10,870 --> 00:43:08,960

adjustments was trying to trying to

1240

00:43:13,589 --> 00:43:10,880

learn how to do the science

1241

00:43:15,349 --> 00:43:13,599

and make it work for the camera guys so

1242

00:43:17,270 --> 00:43:15,359

that we can give them their sexy shot

1243

00:43:19,430 --> 00:43:17,280

that's gonna you know bring ratings to

1244

00:43:21,510 --> 00:43:19,440

the television show this is something

1245

00:43:24,630 --> 00:43:21,520

i've addressed with dan when we do the

1246

00:43:26,550 --> 00:43:24,640

watch along show and i love the show and

1247

00:43:28,630 --> 00:43:26,560

i've i kind of compared it to the the

1248

00:43:30,069 --> 00:43:28,640

unidentified series with tom delong and

1249

00:43:31,510 --> 00:43:30,079

louise elizondo i don't know if you

1250

00:43:33,750 --> 00:43:31,520

watched any of that

1251
00:43:36,230 --> 00:43:33,760
um around obviously the tic tac ufo and

1252
00:43:38,630 --> 00:43:36,240
it's again history channel produce it

1253
00:43:40,150 --> 00:43:38,640
it's you know that's about uff and the

1254
00:43:42,470 --> 00:43:40,160
us government's recent admissions and

1255
00:43:45,190 --> 00:43:42,480
then this is here's a serious scientific

1256
00:43:46,710 --> 00:43:45,200
investigation on history again about

1257
00:43:48,870 --> 00:43:46,720
skill and walker ranch so the

1258
00:43:51,750 --> 00:43:48,880
comparisons are probably pretty fair

1259
00:43:53,349 --> 00:43:51,760
so something then i'll address now so

1260
00:43:54,950 --> 00:43:53,359
the reception of season one there was a

1261
00:43:56,630 --> 00:43:54,960
lot of great reviews the ratings were

1262
00:43:58,150 --> 00:43:56,640
really good i've actually been involved

1263
00:44:01,109 --> 00:43:58,160

in a conversation with a few people

1264

00:44:03,990 --> 00:44:01,119

today where brandon has been destroying

1265

00:44:05,990 --> 00:44:04,000

some skeptics fantastically on twitter

1266

00:44:07,829 --> 00:44:06,000

which i love to watch him do because

1267

00:44:09,589 --> 00:44:07,839

he's very eloquent and he's extremely

1268

00:44:12,230 --> 00:44:09,599

intelligent and i love the way he comes

1269

00:44:13,829 --> 00:44:12,240

across and however like you've said

1270

00:44:15,670 --> 00:44:13,839

yourself there's a lot of mixed feelings

1271

00:44:17,589 --> 00:44:15,680

on the production potentially

1272

00:44:18,950 --> 00:44:17,599

manufactured forced incidents and you've

1273

00:44:20,390 --> 00:44:18,960

kind of addressed that there when you

1274

00:44:22,390 --> 00:44:20,400

say that you've got to do certain things

1275

00:44:25,109 --> 00:44:22,400

with different camera shots have you

1276
00:44:26,790 --> 00:44:25,119
watched the full season back and would

1277
00:44:29,030 --> 00:44:26,800
you say any of those criticisms were

1278
00:44:30,309 --> 00:44:29,040
fair around the production aspect of it

1279
00:44:33,430 --> 00:44:30,319
so yeah

1280
00:44:35,270 --> 00:44:33,440
i know what we filmed and uh and then

1281
00:44:37,510 --> 00:44:35,280
just like the regular viewers i'm

1282
00:44:41,109 --> 00:44:37,520
sitting down on television and you have

1283
00:44:43,829 --> 00:44:41,119
to realize that we filmed all summer and

1284
00:44:45,910 --> 00:44:43,839
that's condensed down to eight

1285
00:44:47,910 --> 00:44:45,920
i don't know what they are 45 or 50

1286
00:44:49,349 --> 00:44:47,920
minute episodes

1287
00:44:52,710 --> 00:44:49,359
so you're taking

1288
00:44:56,150 --> 00:44:52,720

weeks and weeks and weeks of filming and

1289

00:44:59,510 --> 00:44:56,160

editing it down for

1290

00:45:00,309 --> 00:44:59,520

for 45 minutes uh episode

1291

00:45:03,750 --> 00:45:00,319

and

1292

00:45:05,430 --> 00:45:03,760

there are a lot of

1293

00:45:08,069 --> 00:45:05,440

i think the frustrating thing with the

1294

00:45:10,069 --> 00:45:08,079

whole production is is um

1295

00:45:11,910 --> 00:45:10,079

i first of all i think that prometheus

1296

00:45:14,230 --> 00:45:11,920

did a wonderful job i want to be clear

1297

00:45:17,190 --> 00:45:14,240

that i think they did

1298

00:45:18,710 --> 00:45:17,200

a great job of trying to balance

1299

00:45:19,829 --> 00:45:18,720

showing the viewer the science that's

1300

00:45:21,670 --> 00:45:19,839

going on

1301
00:45:22,550 --> 00:45:21,680
but putting it in a format that's going

1302
00:45:25,030 --> 00:45:22,560
to be

1303
00:45:25,829 --> 00:45:25,040
watchable for 95 percent of the people

1304
00:45:27,750 --> 00:45:25,839
that

1305
00:45:29,349 --> 00:45:27,760
are not you know

1306
00:45:31,190 --> 00:45:29,359
those of us that are in the science we

1307
00:45:33,109 --> 00:45:31,200
want the details we could do without the

1308
00:45:34,790 --> 00:45:33,119
drama without the

1309
00:45:36,550 --> 00:45:34,800
you know the build ups and that we just

1310
00:45:38,470 --> 00:45:36,560
we want to know what are the facts here

1311
00:45:40,069 --> 00:45:38,480
what's the data what are you seeing

1312
00:45:43,190 --> 00:45:40,079
that's what's important but you have to

1313
00:45:44,630 --> 00:45:43,200

understand that 95 of the viewers

1314

00:45:46,710 --> 00:45:44,640

are coming home from work they're

1315

00:45:48,550 --> 00:45:46,720

kicking their feet up they just want

1316

00:45:50,950 --> 00:45:48,560

something to entertain them for an hour

1317

00:45:53,510 --> 00:45:50,960

and not think about their day

1318

00:45:55,270 --> 00:45:53,520

and so prometheus has had the challenge

1319

00:45:58,710 --> 00:45:55,280

of trying to edit that and keep it true

1320

00:46:02,470 --> 00:45:58,720

to the science but at the same time

1321

00:46:03,510 --> 00:46:02,480

uh i'm just gonna say it dramatizing it

1322

00:46:05,750 --> 00:46:03,520

uh

1323

00:46:06,870 --> 00:46:05,760

in in ways so i have to say as i'm

1324

00:46:09,750 --> 00:46:06,880

watching it

1325

00:46:12,309 --> 00:46:09,760

like if i'm being 100 honest

1326

00:46:14,870 --> 00:46:12,319

i'm happy with most of i'm happy with

1327

00:46:15,990 --> 00:46:14,880

probably 90 of everything they did i'm

1328

00:46:17,589 --> 00:46:16,000

happy with

1329

00:46:19,109 --> 00:46:17,599

i understand they had to portray it

1330

00:46:21,510 --> 00:46:19,119

somehow and i'm happy with the way they

1331

00:46:23,589 --> 00:46:21,520

did it there's 10 percent of it probably

1332

00:46:25,349 --> 00:46:23,599

that i cringe and i say

1333

00:46:27,349 --> 00:46:25,359

i wish that they would have shown that

1334

00:46:28,870 --> 00:46:27,359

differently because that

1335

00:46:32,790 --> 00:46:28,880

that should have

1336

00:46:34,870 --> 00:46:32,800

portrayed differently or they shouldn't

1337

00:46:38,790 --> 00:46:34,880

you know

1338

00:46:40,790 --> 00:46:38,800

episode 6 was hard for me uh i did not

1339

00:46:42,870 --> 00:46:40,800

like the way that that was edited i'm

1340

00:46:44,550 --> 00:46:42,880

just gonna say it i didn't like

1341

00:46:46,390 --> 00:46:44,560

i didn't like the way that episode six

1342

00:46:48,230 --> 00:46:46,400

was edited um

1343

00:46:50,069 --> 00:46:48,240

just flat last night i might not be sure

1344

00:46:52,630 --> 00:46:50,079

of episode six what was the particular

1345

00:46:53,829 --> 00:46:52,640

incident you weren't happy about

1346

00:46:55,670 --> 00:46:53,839

um

1347

00:46:58,230 --> 00:46:55,680

well that's the episode with the

1348

00:47:00,069 --> 00:46:58,240

drilling and then the alpacas and

1349

00:47:01,670 --> 00:47:00,079

specifically following

1350

00:47:03,030 --> 00:47:01,680

specifically dealing with the whole

1351
00:47:05,190 --> 00:47:03,040

alpaca

1352
00:47:07,109 --> 00:47:05,200

incident of them being attacked i was

1353
00:47:09,430 --> 00:47:07,119

very unhappy about the way that that was

1354
00:47:12,309 --> 00:47:09,440

portrayed and edited and

1355
00:47:15,190 --> 00:47:12,319

and i felt like in some ways was

1356
00:47:16,150 --> 00:47:15,200

deceiving as to what

1357
00:47:17,510 --> 00:47:16,160

what

1358
00:47:19,109 --> 00:47:17,520

um

1359
00:47:20,870 --> 00:47:19,119

the way that it was filmed let's just

1360
00:47:22,870 --> 00:47:20,880

put it that way and i have to be careful

1361
00:47:24,470 --> 00:47:22,880

because um i you know i'm not here to

1362
00:47:26,309 --> 00:47:24,480

throw anybody under the bus i just but i

1363
00:47:28,470 --> 00:47:26,319

do feel like i have the right to have a

1364

00:47:29,990 --> 00:47:28,480

voice and say you know i'm happy with

1365

00:47:33,190 --> 00:47:30,000

the way that was shown in the way that

1366

00:47:35,990 --> 00:47:33,200

that was not shown but so at for me yes

1367

00:47:36,870 --> 00:47:36,000

there are parts of it that i'm like uh

1368

00:47:38,150 --> 00:47:36,880

um

1369

00:47:42,309 --> 00:47:38,160

i wish that would have been portrayed

1370

00:47:44,790 --> 00:47:42,319

differently but um overall like i say 90

1371

00:47:47,109 --> 00:47:44,800

of it i'm happy with what they showed

1372

00:47:49,349 --> 00:47:47,119

and and maybe that's also because i was

1373

00:47:50,870 --> 00:47:49,359

there so when i see the criticisms and

1374

00:47:53,910 --> 00:47:50,880

the critics you know oh you're using the

1375

00:47:56,470 --> 00:47:53,920

coffee cans wrong yeah it does show us

1376

00:47:58,950 --> 00:47:56,480

using those wrong but we did do it the

1377

00:48:01,990 --> 00:47:58,960

right way the cameras just didn't like

1378

00:48:04,549 --> 00:48:02,000

they chose not to use that film because

1379

00:48:06,630 --> 00:48:04,559

it didn't look as good as this stuff

1380

00:48:09,670 --> 00:48:06,640

and so in my mind i'm i can be at peace

1381

00:48:12,150 --> 00:48:09,680

with that because um i think the critics

1382

00:48:13,990 --> 00:48:12,160

have ever he's right we were using those

1383

00:48:15,510 --> 00:48:14,000

cans wrong so i can't blame him for

1384

00:48:16,710 --> 00:48:15,520

feeling that way

1385

00:48:17,750 --> 00:48:16,720

um

1386

00:48:19,829 --> 00:48:17,760

but

1387

00:48:21,270 --> 00:48:19,839

it was just a representation we did use

1388

00:48:24,950 --> 00:48:21,280

them the correct way

1389

00:48:27,510 --> 00:48:24,960

we did go through and um

1390

00:48:29,430 --> 00:48:27,520

you know the cam like for example when

1391

00:48:31,510 --> 00:48:29,440

we have to take the cameras down to

1392

00:48:33,910 --> 00:48:31,520

check for rf that's something that's not

1393

00:48:36,870 --> 00:48:33,920

getting filmed

1394

00:48:38,950 --> 00:48:36,880

so the audience can't see us

1395

00:48:41,670 --> 00:48:38,960

doing our very best to be true to

1396

00:48:44,309 --> 00:48:41,680

science and trying to eliminate

1397

00:48:45,589 --> 00:48:44,319

okay was it this was it that

1398

00:48:47,430 --> 00:48:45,599

and uh

1399

00:48:48,549 --> 00:48:47,440

and so

1400

00:48:52,150 --> 00:48:48,559

um

1401

00:48:54,150 --> 00:48:52,160

yeah it's it's one of those things where

1402

00:48:55,990 --> 00:48:54,160

it's almost like a marriage you know you

1403

00:48:57,270 --> 00:48:56,000

gotta compromise a little bit

1404

00:48:59,109 --> 00:48:57,280

and you know you're not gonna get

1405

00:49:01,109 --> 00:48:59,119

perfect so you just strive to get for

1406

00:49:02,309 --> 00:49:01,119

something that you can both live with

1407

00:49:06,069 --> 00:49:02,319

and

1408

00:49:08,150 --> 00:49:06,079

this tv series

1409

00:49:09,589 --> 00:49:08,160

no i really appreciate the honesty on

1410

00:49:11,190 --> 00:49:09,599

that and i think

1411

00:49:13,190 --> 00:49:11,200

when you get involved in something like

1412

00:49:15,270 --> 00:49:13,200

the community whether it's paranormal

1413

00:49:17,510 --> 00:49:15,280

the ufo community you know people who

1414

00:49:18,870 --> 00:49:17,520

are see a spiritual side to what's going

1415

00:49:20,549 --> 00:49:18,880

on or whatever it is they're very

1416

00:49:22,630 --> 00:49:20,559

protective because this is something for

1417

00:49:24,150 --> 00:49:22,640

their whole life it's it's been theirs

1418

00:49:25,990 --> 00:49:24,160

there'll be people that for skin walker

1419

00:49:27,430 --> 00:49:26,000

ranch this is what it means to them and

1420

00:49:29,030 --> 00:49:27,440

when people try and make it look like

1421

00:49:30,630 --> 00:49:29,040

something it's not they get protective

1422

00:49:33,670 --> 00:49:30,640

and the ufo community is one of the

1423

00:49:35,990 --> 00:49:33,680

worst for that it's great but it's also

1424

00:49:37,750 --> 00:49:36,000

brutal at times as well the slightest

1425

00:49:39,190 --> 00:49:37,760

thing so i get that and you're right

1426

00:49:41,190 --> 00:49:39,200

that it's entertainment at the end of

1427

00:49:43,030 --> 00:49:41,200

the day and if you want to move the

1428

00:49:44,549 --> 00:49:43,040

conversation forward and you want to

1429

00:49:46,390 --> 00:49:44,559

bring a new audience to kind of see

1430

00:49:48,630 --> 00:49:46,400

what's being done there with the

1431

00:49:50,069 --> 00:49:48,640

investigation and does that involve

1432

00:49:51,750 --> 00:49:50,079

eventually getting more funding more

1433

00:49:54,069 --> 00:49:51,760

eyes on the project and you know moving

1434

00:49:56,150 --> 00:49:54,079

it into a bigger discussion then you do

1435

00:49:58,390 --> 00:49:56,160

have to aim it at people in an

1436

00:50:00,390 --> 00:49:58,400

entertaining way because like you say as

1437

00:50:01,589 --> 00:50:00,400

incredible as the sciences and the data

1438

00:50:03,670 --> 00:50:01,599

is going to be the thing that you know

1439

00:50:06,230 --> 00:50:03,680

ultimately gives us answers it's not

1440

00:50:07,990 --> 00:50:06,240

going to get ratings and ratings if

1441

00:50:10,150 --> 00:50:08,000

they're low aren't going to renew shows

1442

00:50:11,910 --> 00:50:10,160

so there's a balance there to be found

1443

00:50:14,069 --> 00:50:11,920

and i think if i had anything and this

1444

00:50:15,990 --> 00:50:14,079

is just my own personal for season two

1445

00:50:18,390 --> 00:50:16,000

whoever's in charge of mixing the music

1446

00:50:20,549 --> 00:50:18,400

and the dramatic headshots of

1447

00:50:22,230 --> 00:50:20,559

you know when you look to the side and i

1448

00:50:24,230 --> 00:50:22,240

just i just get that i just get that

1449

00:50:26,309 --> 00:50:24,240

cringe of ah you shouldn't have my look

1450

00:50:28,470 --> 00:50:26,319

but i i reckon the look and particularly

1451
00:50:30,390 --> 00:50:28,480
dragon some of his looks i think has he

1452
00:50:32,230 --> 00:50:30,400
actually done that at that time or have

1453
00:50:34,549 --> 00:50:32,240
they taken a totally random shot from

1454
00:50:35,990 --> 00:50:34,559
five minutes before where someone's been

1455
00:50:37,510 --> 00:50:36,000
ordering a chinese and he's not been

1456
00:50:38,790 --> 00:50:37,520
happy with what's came you know what's

1457
00:50:41,109 --> 00:50:38,800
been delivered

1458
00:50:43,109 --> 00:50:41,119
that is the shot so i always worry about

1459
00:50:49,750 --> 00:50:43,119
that one look at these reality based you

1460
00:50:53,270 --> 00:50:51,829
sometimes they're real and sometimes

1461
00:50:55,109 --> 00:50:53,280
they were edited from five minutes

1462
00:50:57,030 --> 00:50:55,119
earlier when the chinese was not right

1463
00:50:58,630 --> 00:50:57,040

so yes yeah

1464

00:51:00,309 --> 00:50:58,640

and you know what i can live with that

1465

00:51:01,990 --> 00:51:00,319

though you get that and it's getting an

1466

00:51:03,589 --> 00:51:02,000

audience and you know what it has been

1467

00:51:05,109 --> 00:51:03,599

renewed for a second season and we'll

1468

00:51:06,790 --> 00:51:05,119

kind of wrap up on on talking about

1469

00:51:08,549 --> 00:51:06,800

season two but just to go back then

1470

00:51:11,270 --> 00:51:08,559

you've mentioned a few times about your

1471

00:51:13,109 --> 00:51:11,280

your head and your injury um so what we

1472

00:51:15,190 --> 00:51:13,119

see is that before the season started a

1473

00:51:17,270 --> 00:51:15,200

couple of years previous you had done

1474

00:51:19,190 --> 00:51:17,280

some digging um i believe the shot used

1475

00:51:20,870 --> 00:51:19,200

in the show was of an

1476

00:51:22,870 --> 00:51:20,880

excavator or some kind of digging in

1477

00:51:24,150 --> 00:51:22,880

equipment and off the back of that i

1478

00:51:25,510 --> 00:51:24,160

mean your words will be better than mine

1479

00:51:27,190 --> 00:51:25,520

do you want to just quickly talk through

1480

00:51:29,190 --> 00:51:27,200

what happened and what we can see on the

1481

00:51:32,950 --> 00:51:29,200

show

1482

00:51:35,270 --> 00:51:32,960

yeah so yeah i was using a skid steer um

1483

00:51:36,710 --> 00:51:35,280

and i was actually carving into the side

1484

00:51:39,510 --> 00:51:36,720

of the mesa

1485

00:51:41,589 --> 00:51:39,520

i uh there was a section of ranch up on

1486

00:51:42,870 --> 00:51:41,599

the mesa that security could only access

1487

00:51:45,910 --> 00:51:42,880

by foot

1488

00:51:47,829 --> 00:51:45,920

we'd had some issues with trespassers

1489

00:51:50,790 --> 00:51:47,839

and by the time you get up on top of

1490

00:51:52,630 --> 00:51:50,800

mesa with the foot they're gone and

1491

00:51:54,309 --> 00:51:52,640

we've dealt with vandalism all kinds of

1492

00:51:56,870 --> 00:51:54,319

stuff so my

1493

00:51:58,790 --> 00:51:56,880

my fix for that was hey i'll carve a

1494

00:52:00,870 --> 00:51:58,800

road up on top so we can get up on there

1495

00:52:03,510 --> 00:52:00,880

with the utvs and then they can't outrun

1496

00:52:05,190 --> 00:52:03,520

us we can better patrol the perimeter of

1497

00:52:06,790 --> 00:52:05,200

the ranch

1498

00:52:08,470 --> 00:52:06,800

i started to do this

1499

00:52:11,109 --> 00:52:08,480

excavation

1500

00:52:14,069 --> 00:52:11,119

and uh it was during the course of doing

1501
00:52:15,750 --> 00:52:14,079
a matter of fact so that particular that

1502
00:52:17,510 --> 00:52:15,760
particular road that i was working on

1503
00:52:19,589 --> 00:52:17,520
lies unfinished today it's about three

1504
00:52:23,589 --> 00:52:19,599
quarters of the way finished

1505
00:52:23,599 --> 00:52:27,349
but

1506
00:52:31,510 --> 00:52:29,030
the one thing that i fought with the

1507
00:52:32,630 --> 00:52:31,520
network on a little bit was they kept

1508
00:52:34,950 --> 00:52:32,640
saying

1509
00:52:37,829 --> 00:52:34,960
matter of fact i i saw a rough cut of

1510
00:52:39,670 --> 00:52:37,839
the first episode and they had me saying

1511
00:52:42,309 --> 00:52:39,680
i was digging and then my head started

1512
00:52:44,470 --> 00:52:42,319
to swell up and i told them if you put

1513
00:52:46,470 --> 00:52:44,480

that in there i will sing like a canary

1514

00:52:47,349 --> 00:52:46,480

because that's not what happened

1515

00:52:48,069 --> 00:52:47,359

um

1516

00:52:53,270 --> 00:52:48,079

it

1517

00:52:54,710 --> 00:52:53,280

the matter is is

1518

00:52:56,710 --> 00:52:54,720

while we're

1519

00:52:59,670 --> 00:52:56,720

while there have been

1520

00:53:01,190 --> 00:52:59,680

literally dozens and dozens of incidents

1521

00:53:03,109 --> 00:53:01,200

where i have been digging and then

1522

00:53:05,589 --> 00:53:03,119

something bad happens

1523

00:53:06,870 --> 00:53:05,599

uh correlation

1524

00:53:08,309 --> 00:53:06,880

does not mean

1525

00:53:10,790 --> 00:53:08,319

that that

1526
00:53:13,190 --> 00:53:10,800
you can't point for sure and say oh that

1527
00:53:15,750 --> 00:53:13,200
happened because you dug it could have

1528
00:53:18,390 --> 00:53:15,760
seriously been a series of coincidences

1529
00:53:20,950 --> 00:53:18,400
that have nothing to do with each other

1530
00:53:23,109 --> 00:53:20,960
but it happens enough that it does give

1531
00:53:24,390 --> 00:53:23,119
us pause and it's like okay it's

1532
00:53:26,470 --> 00:53:24,400
something we need to keep in the back of

1533
00:53:29,430 --> 00:53:26,480
mind we need to be careful of in this

1534
00:53:31,510 --> 00:53:29,440
particular case here i am

1535
00:53:33,670 --> 00:53:31,520
defacing the mesa

1536
00:53:36,069 --> 00:53:33,680
to put this road in

1537
00:53:37,270 --> 00:53:36,079
uh just this little utv trail up the

1538
00:53:38,710 --> 00:53:37,280

side

1539

00:53:40,790 --> 00:53:38,720

and uh

1540

00:53:42,309 --> 00:53:40,800

my injury started on a saturday i hadn't

1541

00:53:44,390 --> 00:53:42,319

even been to the ranch in a couple of

1542

00:53:46,230 --> 00:53:44,400

days like it had been two days since

1543

00:53:48,390 --> 00:53:46,240

i've been at the ranch and then or three

1544

00:53:50,309 --> 00:53:48,400

days i don't remember now exactly but on

1545

00:53:52,309 --> 00:53:50,319

the back of my head on the lower part of

1546

00:53:53,990 --> 00:53:52,319

my head

1547

00:53:55,750 --> 00:53:54,000

on saturday night it was actually my

1548

00:53:57,829 --> 00:53:55,760

birthday i can remember the date perfect

1549

00:53:58,790 --> 00:53:57,839

because it started on my birthday march

1550

00:54:02,470 --> 00:53:58,800

4th

1551

00:54:04,309 --> 00:54:02,480

and uh that night when went to bed

1552

00:54:05,670 --> 00:54:04,319

i noticed that i had a sore spot on the

1553

00:54:06,630 --> 00:54:05,680

back of my head it was kind of like a

1554

00:54:08,390 --> 00:54:06,640

bruise

1555

00:54:10,549 --> 00:54:08,400

about a little bit

1556

00:54:12,069 --> 00:54:10,559

you know probably like one inch in

1557

00:54:14,870 --> 00:54:12,079

diameter

1558

00:54:19,109 --> 00:54:16,630

i didn't think much of it

1559

00:54:21,270 --> 00:54:19,119

um we'd actually spend my birthday at a

1560

00:54:23,270 --> 00:54:21,280

funeral of a loved one and so i'd been

1561

00:54:24,390 --> 00:54:23,280

sat all day inside of a church house at

1562

00:54:27,030 --> 00:54:24,400

a funeral

1563

00:54:28,710 --> 00:54:27,040

i hadn't done any physical activity

1564

00:54:31,829 --> 00:54:28,720

went to bed when i woke up sunday

1565

00:54:33,510 --> 00:54:31,839

morning that bruise had swollen up it

1566

00:54:34,790 --> 00:54:33,520

was really tight it was like a little

1567

00:54:37,589 --> 00:54:34,800

goose egg

1568

00:54:39,829 --> 00:54:37,599

and it was extremely painful

1569

00:54:42,069 --> 00:54:39,839

and so my thought was was maybe i just

1570

00:54:44,069 --> 00:54:42,079

gotten a spider bite or some type of

1571

00:54:46,630 --> 00:54:44,079

insect had bitten me

1572

00:54:49,349 --> 00:54:46,640

and i had reacted to it

1573

00:54:52,150 --> 00:54:49,359

and i told i mentioned it to my wife

1574

00:54:53,510 --> 00:54:52,160

so sunday morning we went to church and

1575

00:54:55,750 --> 00:54:53,520

uh

1576
00:54:58,069 --> 00:54:55,760
as church was going on you know as this

1577
00:54:59,190 --> 00:54:58,079
hour rolled on i started to feel sicker

1578
00:55:00,549 --> 00:54:59,200
and sicker

1579
00:55:02,549 --> 00:55:00,559
i finally told my wife that i was going

1580
00:55:03,990 --> 00:55:02,559
to leave church early i went home laid

1581
00:55:06,309 --> 00:55:04,000
down

1582
00:55:08,870 --> 00:55:06,319
and my head just hurt really really bad

1583
00:55:11,349 --> 00:55:08,880
and i felt nauseous

1584
00:55:13,910 --> 00:55:11,359
um i thought maybe i had the flu

1585
00:55:15,349 --> 00:55:13,920
i wasn't sure i you know i i at this

1586
00:55:17,270 --> 00:55:15,359
point i was pretty certain that i had

1587
00:55:18,789 --> 00:55:17,280
gotten an insect bite and it was making

1588
00:55:20,390 --> 00:55:18,799

me sick

1589

00:55:23,430 --> 00:55:20,400

and i have i'm

1590

00:55:25,589 --> 00:55:23,440

i'm otherwise extremely healthy person

1591

00:55:28,150 --> 00:55:25,599

um i've had physicals i pass them with

1592

00:55:30,950 --> 00:55:28,160

flying colors of um

1593

00:55:32,630 --> 00:55:30,960

i'm a healthy individual and every all

1594

00:55:34,710 --> 00:55:32,640

every test that i've taken my markers

1595

00:55:37,829 --> 00:55:34,720

have always come back excellent

1596

00:55:39,990 --> 00:55:37,839

so i wasn't worried i rarely i never go

1597

00:55:41,829 --> 00:55:40,000

to the doctor unless i absolutely am

1598

00:55:44,710 --> 00:55:41,839

dying and i have to

1599

00:55:46,950 --> 00:55:44,720

and my wife came home she was concerned

1600

00:55:48,950 --> 00:55:46,960

about me

1601
00:55:51,990 --> 00:55:48,960
sunday progressed into sunday evening

1602
00:55:53,670 --> 00:55:52,000
and then into monday morning i was now

1603
00:55:57,589 --> 00:55:53,680
pretty sick

1604
00:56:00,069 --> 00:55:57,599
um i was i was not up on my feet

1605
00:56:02,470 --> 00:56:00,079
and monday she wanted to take me to the

1606
00:56:04,710 --> 00:56:02,480
hospital and i refused to let her i told

1607
00:56:07,190 --> 00:56:04,720
her no i'll be fine it's just a spider

1608
00:56:10,069 --> 00:56:07,200
bite like let it run its course

1609
00:56:11,510 --> 00:56:10,079
i'll start feeling better soon

1610
00:56:14,870 --> 00:56:11,520
and uh

1611
00:56:16,950 --> 00:56:14,880
then by by monday night i was in extreme

1612
00:56:18,549 --> 00:56:16,960
pain and starting monday night probably

1613
00:56:20,870 --> 00:56:18,559

around 10 p.m

1614

00:56:23,190 --> 00:56:20,880

uh the goose egg went for it stayed

1615

00:56:25,670 --> 00:56:23,200

pretty much the same size

1616

00:56:27,510 --> 00:56:25,680

all of all of sunday and all of monday

1617

00:56:31,030 --> 00:56:27,520

but come into monday night

1618

00:56:33,430 --> 00:56:31,040

the goose eggs started to grow

1619

00:56:35,750 --> 00:56:33,440

and it started to spread and what ended

1620

00:56:37,990 --> 00:56:35,760

up happening was that my the fatty

1621

00:56:39,990 --> 00:56:38,000

tissue of my scalp

1622

00:56:42,789 --> 00:56:40,000

separated from my skull

1623

00:56:45,349 --> 00:56:42,799

and so i basically got scalped and

1624

00:56:47,829 --> 00:56:45,359

monday night into tuesday morning

1625

00:56:50,230 --> 00:56:47,839

uh it's the most excruciating pain i've

1626
00:56:51,589 --> 00:56:50,240
ever felt in my life i was

1627
00:56:52,309 --> 00:56:51,599
um

1628
00:56:55,670 --> 00:56:52,319
it

1629
00:56:58,069 --> 00:56:55,680
pain i was in and

1630
00:56:59,670 --> 00:56:58,079
and i uh just tought it out at this

1631
00:57:02,150 --> 00:56:59,680
point i'm not i don't know that i was

1632
00:57:04,470 --> 00:57:02,160
thinking 100 straight

1633
00:57:07,670 --> 00:57:04,480
but my wife woke up tuesday morning saw

1634
00:57:10,309 --> 00:57:07,680
that my head had completely swollen up

1635
00:57:12,069 --> 00:57:10,319
um it there was a definite line on my

1636
00:57:14,069 --> 00:57:12,079
forehead where it had separated and it

1637
00:57:15,190 --> 00:57:14,079
continued to slowly move down my

1638
00:57:16,870 --> 00:57:15,200

forehead

1639

00:57:19,190 --> 00:57:16,880

towards my eyes

1640

00:57:20,789 --> 00:57:19,200

and so she freaked out loaded me up took

1641

00:57:23,589 --> 00:57:20,799

me to the hospital

1642

00:57:25,670 --> 00:57:23,599

uh where i was admitted and uh ended up

1643

00:57:27,030 --> 00:57:25,680

spending spending the week in the

1644

00:57:28,390 --> 00:57:27,040

hospital

1645

00:57:29,750 --> 00:57:28,400

and uh

1646

00:57:31,430 --> 00:57:29,760

by the by the end of the third day i

1647

00:57:33,670 --> 00:57:31,440

could pretty much grab the hair on my

1648

00:57:35,910 --> 00:57:33,680

head and walk my face around my skull

1649

00:57:37,990 --> 00:57:35,920

because it wasn't attached it was it was

1650

00:57:39,349 --> 00:57:38,000

detached it was pretty gruesome

1651
00:57:41,670 --> 00:57:39,359
and uh

1652
00:57:43,910 --> 00:57:41,680
you know because of my association with

1653
00:57:46,390 --> 00:57:43,920
the ranch i was only out of the hospital

1654
00:57:47,829 --> 00:57:46,400
a day or two when i was contacted by

1655
00:57:50,230 --> 00:57:47,839
um

1656
00:57:52,150 --> 00:57:50,240
brandon and and the team and asking me

1657
00:57:54,950 --> 00:57:52,160
if i'd be willing to allow some people

1658
00:57:56,150 --> 00:57:54,960
to come investigate it um

1659
00:57:58,150 --> 00:57:56,160
and so

1660
00:58:00,470 --> 00:57:58,160
i bet i had only been home a couple days

1661
00:58:02,309 --> 00:58:00,480
when the investigation into what had

1662
00:58:04,230 --> 00:58:02,319
taken place now mind you when i was in

1663
00:58:06,789 --> 00:58:04,240

the hospital my doctors could not figure

1664

00:58:08,710 --> 00:58:06,799

out what was going on i did over i think

1665

00:58:10,630 --> 00:58:08,720

they ran 43 different tests they were

1666

00:58:12,230 --> 00:58:10,640

able to rule out insect bites they were

1667

00:58:13,829 --> 00:58:12,240

able to rule out

1668

00:58:15,589 --> 00:58:13,839

every test i took

1669

00:58:17,430 --> 00:58:15,599

my doctor would come back into my room

1670

00:58:19,030 --> 00:58:17,440

after the test after the lab results

1671

00:58:19,750 --> 00:58:19,040

came back and he'd shake his head and

1672

00:58:21,430 --> 00:58:19,760

say

1673

00:58:23,990 --> 00:58:21,440

you're the healthiest sick person i've

1674

00:58:25,829 --> 00:58:24,000

ever met all my all my lab tests were

1675

00:58:27,430 --> 00:58:25,839

coming back not just good but they were

1676

00:58:30,309 --> 00:58:27,440

spot on perfect

1677

00:58:34,390 --> 00:58:30,319

when they biopsied the fluid in my head

1678

00:58:37,190 --> 00:58:34,400

um i mean it came back 100 sterile they

1679

00:58:38,789 --> 00:58:37,200

couldn't even i mean it was nothing

1680

00:58:40,870 --> 00:58:38,799

and so

1681

00:58:41,910 --> 00:58:40,880

everything that they were seeing in my

1682

00:58:44,390 --> 00:58:41,920

results

1683

00:58:46,470 --> 00:58:44,400

justified what they should be seeing

1684

00:58:48,789 --> 00:58:46,480

and my doctor used the term medically

1685

00:58:50,230 --> 00:58:48,799

impossible several times with me they

1686

00:58:52,069 --> 00:58:50,240

they could not figure out what's going

1687

00:58:53,750 --> 00:58:52,079

on and when they released me from the

1688

00:58:55,829 --> 00:58:53,760

hospital

1689

00:58:57,589 --> 00:58:55,839

i even had to sign a paper on the

1690

00:58:59,910 --> 00:58:57,599

release forms that

1691

00:59:01,750 --> 00:58:59,920

was the hospital saying we have no idea

1692

00:59:03,990 --> 00:59:01,760

what to what caused this

1693

00:59:05,589 --> 00:59:04,000

we have no idea what happened to you so

1694

00:59:07,670 --> 00:59:05,599

therefore we don't know what to tell you

1695

00:59:09,670 --> 00:59:07,680

to stay away from and

1696

00:59:11,829 --> 00:59:09,680

maybe sign that paper so then the

1697

00:59:14,549 --> 00:59:11,839

investigation site started these

1698

00:59:15,510 --> 00:59:14,559

individuals i had three individuals that

1699

00:59:17,430 --> 00:59:15,520

were

1700

00:59:18,789 --> 00:59:17,440

investigating my injury very closely and

1701
00:59:20,150 --> 00:59:18,799
and uh

1702
00:59:22,309 --> 00:59:20,160
it has been

1703
00:59:24,230 --> 00:59:22,319
over the course of the past two or three

1704
00:59:26,069 --> 00:59:24,240
years um

1705
00:59:29,589 --> 00:59:26,079
they they've had me continue to take

1706
00:59:31,670 --> 00:59:29,599
further tests and more mris more

1707
00:59:33,829 --> 00:59:31,680
all kinds of different tests and it's

1708
00:59:36,950 --> 00:59:33,839
through this investigation process as

1709
00:59:37,829 --> 00:59:36,960
time goes on and as they learn more

1710
00:59:40,150 --> 00:59:37,839
about

1711
00:59:42,069 --> 00:59:40,160
what took place and and dove into my

1712
00:59:44,150 --> 00:59:42,079
medical records and everything

1713
00:59:46,390 --> 00:59:44,160

that the confidence level has increased

1714

00:59:47,510 --> 00:59:46,400

dramatically that it is associated with

1715

00:59:53,270 --> 00:59:47,520

the ranch

1716

00:59:54,950 --> 00:59:53,280

um but you know in all honesty you can't

1717

00:59:56,309 --> 00:59:54,960

none of us can say a hundred percent

1718

00:59:58,630 --> 00:59:56,319

sure that

1719

00:59:59,589 --> 00:59:58,640

that it happened on the ranch or that it

1720

01:00:01,750 --> 00:59:59,599

you know

1721

01:00:05,030 --> 01:00:01,760

but the investigation and and where

1722

01:00:07,750 --> 01:00:05,040

we're being led shows that yes it it

1723

01:00:10,870 --> 01:00:07,760

is tied into the ranch and that's why

1724

01:00:11,829 --> 01:00:10,880

i think the network continues to

1725

01:00:15,589 --> 01:00:11,839

they

1726

01:00:16,870 --> 01:00:15,599

i cringed a lot is because like oh

1727

01:00:19,910 --> 01:00:16,880

seriously you're showing that picture

1728

01:00:21,750 --> 01:00:19,920

again um

1729

01:00:26,230 --> 01:00:21,760

but would that be the picture of the

1730

01:00:28,150 --> 01:00:26,240

scan where it shows the the fluid inside

1731

01:00:30,470 --> 01:00:28,160

both the skin and then the one that i'm

1732

01:00:32,950 --> 01:00:30,480

in the hospital where i look like total

1733

01:00:34,470 --> 01:00:32,960

i i look like oh man they show the

1734

01:00:36,870 --> 01:00:34,480

picture of me in the hospital with my

1735

01:00:37,910 --> 01:00:36,880

head bandaged and i've seen that i don't

1736

01:00:39,750 --> 01:00:37,920

know how many times i've seen that in

1737

01:00:42,630 --> 01:00:39,760

the episodes and i'm like seriously

1738

01:00:44,630 --> 01:00:42,640

you're showing that picture again so

1739

01:00:46,549 --> 01:00:44,640

um but that's one of the reasons why

1740

01:00:47,430 --> 01:00:46,559

they do is because the investigation

1741

01:00:48,789 --> 01:00:47,440

which

1742

01:00:50,789 --> 01:00:48,799

um

1743

01:00:52,390 --> 01:00:50,799

you know to be honest with the viewers

1744

01:00:54,150 --> 01:00:52,400

there's a lot about

1745

01:00:57,190 --> 01:00:54,160

there are a lot of facts with my injury

1746

01:00:58,950 --> 01:00:57,200

that are not public and i don't know

1747

01:01:00,309 --> 01:00:58,960

you know i don't know if they ever will

1748

01:01:02,309 --> 01:01:00,319

become public

1749

01:01:05,510 --> 01:01:02,319

and some of that's not really in my

1750

01:01:07,349 --> 01:01:05,520

hands um because of the things that they

1751

01:01:11,030 --> 01:01:07,359

they've unearthed so

1752

01:01:13,190 --> 01:01:11,040

um it is my it does it does appear like

1753

01:01:14,470 --> 01:01:13,200

it is associated with the ranch and the

1754

01:01:16,549 --> 01:01:14,480

investigation

1755

01:01:17,589 --> 01:01:16,559

careful careful

1756

01:01:20,309 --> 01:01:17,599

long

1757

01:01:23,030 --> 01:01:20,319

disciplined investigation has shown that

1758

01:01:26,150 --> 01:01:23,040

um indications are strong that it

1759

01:01:28,069 --> 01:01:26,160

it is ranch-related and uh and then you

1760

01:01:29,829 --> 01:01:28,079

know then comes the speculation as to

1761

01:01:30,710 --> 01:01:29,839

what caused it why

1762

01:01:32,549 --> 01:01:30,720

you know

1763

01:01:34,309 --> 01:01:32,559

and it's good to hear you say that even

1764

01:01:35,990 --> 01:01:34,319

though it's something you've experienced

1765

01:01:37,589 --> 01:01:36,000

and and you know like you say the pain

1766

01:01:39,270 --> 01:01:37,599

you went through and you've had this

1767

01:01:40,390 --> 01:01:39,280

separate investigation which i'm sure

1768

01:01:42,309 --> 01:01:40,400

people are going to love to hear like in

1769

01:01:44,230 --> 01:01:42,319

a mysterious mysterious side of it but

1770

01:01:45,430 --> 01:01:44,240

for you it's trying to get some answers

1771

01:01:47,109 --> 01:01:45,440

and if that's something that's getting

1772

01:01:48,870 --> 01:01:47,119

you closer to that that's that's really

1773

01:01:50,789 --> 01:01:48,880

good to hear and from our point of view

1774

01:01:53,030 --> 01:01:50,799

it's great you're fit and healthy but

1775

01:01:55,510 --> 01:01:53,040

then there's also the potential that

1776

01:01:58,150 --> 01:01:55,520

this could be a warning shot from which

1777

01:01:59,510 --> 01:01:58,160

whatever the phenomena is on the ranch

1778

01:02:01,029 --> 01:01:59,520

because like you say

1779

01:02:02,870 --> 01:02:01,039

yeah you've done some digging you've

1780

01:02:04,309 --> 01:02:02,880

defaced that you've changed it and if

1781

01:02:07,029 --> 01:02:04,319

that's something that we're not

1782

01:02:09,109 --> 01:02:07,039

observing is fine but actually like like

1783

01:02:10,789 --> 01:02:09,119

we know the first episode it's called

1784

01:02:11,829 --> 01:02:10,799

bad things happen when you dig for a

1785

01:02:13,510 --> 01:02:11,839

reason

1786

01:02:14,309 --> 01:02:13,520

you know something bad happened when you

1787

01:02:16,470 --> 01:02:14,319

dug

1788

01:02:18,789 --> 01:02:16,480

it does flare up again near the start of

1789

01:02:20,789 --> 01:02:18,799

the season and everyone seemed really

1790

01:02:23,589 --> 01:02:20,799

concerned i know you you take yourself

1791

01:02:25,589 --> 01:02:23,599

away from the scene don't you um how

1792

01:02:27,430 --> 01:02:25,599

much did that shape the safety protocol

1793

01:02:29,349 --> 01:02:27,440

was going forward and that have an

1794

01:02:30,710 --> 01:02:29,359

impact on the show going forward that

1795

01:02:33,029 --> 01:02:30,720

you know you'd started to feel that kind

1796

01:02:34,390 --> 01:02:33,039

of pain again

1797

01:02:36,150 --> 01:02:34,400

yeah so

1798

01:02:40,789 --> 01:02:36,160

i've had

1799

01:02:44,309 --> 01:02:40,799

and um

1800

01:02:45,829 --> 01:02:44,319

all all ranch related um

1801
01:02:47,750 --> 01:02:45,839
and

1802
01:02:49,349 --> 01:02:47,760
each time you think you've got it behind

1803
01:02:51,510 --> 01:02:49,359
you you think

1804
01:02:53,430 --> 01:02:51,520
that it's in your past

1805
01:02:55,589 --> 01:02:53,440
when that happened when we were out

1806
01:02:58,470 --> 01:02:55,599
there now it's interesting here we are

1807
01:03:00,069 --> 01:02:58,480
shining lasers up on the mesa

1808
01:03:03,190 --> 01:03:00,079
and uh

1809
01:03:05,190 --> 01:03:03,200
and then next thing i know like

1810
01:03:07,029 --> 01:03:05,200
my head is in that you know the

1811
01:03:10,069 --> 01:03:07,039
concerning thing was it wasn't like the

1812
01:03:12,630 --> 01:03:10,079
pain was excruciating i mean it it hurt

1813
01:03:14,470 --> 01:03:12,640

so i'm not gonna lie the pain hurt it

1814

01:03:16,710 --> 01:03:14,480

was not the same kind of pain that i

1815

01:03:17,829 --> 01:03:16,720

felt with my first injury

1816

01:03:19,670 --> 01:03:17,839

but it was

1817

01:03:21,750 --> 01:03:19,680

it was the fact that it was taking place

1818

01:03:23,270 --> 01:03:21,760

in that exact same spot that it started

1819

01:03:25,670 --> 01:03:23,280

the first time that was a concerning

1820

01:03:27,029 --> 01:03:25,680

thing it's like great here we go again

1821

01:03:29,589 --> 01:03:27,039

um

1822

01:03:31,910 --> 01:03:29,599

it did start to swell up again

1823

01:03:33,910 --> 01:03:31,920

and uh

1824

01:03:35,589 --> 01:03:33,920

and it and this time

1825

01:03:37,349 --> 01:03:35,599

you know if the producers want me to go

1826

01:03:39,670 --> 01:03:37,359

out there and say we were shining lights

1827

01:03:41,829 --> 01:03:39,680

on the mesa and my head started to swell

1828

01:03:44,150 --> 01:03:41,839

up i'll do it because we were out there

1829

01:03:46,710 --> 01:03:44,160

shining lights on the mesa and my head

1830

01:03:48,789 --> 01:03:46,720

started to swell up i was on the ranch

1831

01:03:50,630 --> 01:03:48,799

and this this

1832

01:03:54,230 --> 01:03:50,640

starts to happen again

1833

01:03:56,470 --> 01:03:54,240

and uh it it did shake us and you know

1834

01:03:58,470 --> 01:03:56,480

the whole

1835

01:03:59,430 --> 01:03:58,480

there was a whole discussion that went

1836

01:04:01,910 --> 01:03:59,440

on

1837

01:04:04,789 --> 01:04:01,920

in my absence and then also you know i

1838

01:04:06,870 --> 01:04:04,799

was taking i took some phone calls off

1839

01:04:08,390 --> 01:04:06,880

site too while this whole thing's going

1840

01:04:11,109 --> 01:04:08,400

on

1841

01:04:13,589 --> 01:04:11,119

uh

1842

01:04:15,589 --> 01:04:13,599

brandon is not about to let his

1843

01:04:16,870 --> 01:04:15,599

curiosity

1844

01:04:18,710 --> 01:04:16,880

be

1845

01:04:20,309 --> 01:04:18,720

more important than the health of his

1846

01:04:23,430 --> 01:04:20,319

team brandon

1847

01:04:26,230 --> 01:04:23,440

is very very people oriented

1848

01:04:28,870 --> 01:04:26,240

and his his concern is genuine it's not

1849

01:04:29,829 --> 01:04:28,880

dramatized it's not contrived

1850

01:04:34,069 --> 01:04:29,839

and

1851
01:04:36,309 --> 01:04:34,079
was seriously saying i don't know if

1852
01:04:37,109 --> 01:04:36,319
this is worth it guys like

1853
01:04:39,270 --> 01:04:37,119
um

1854
01:04:41,750 --> 01:04:39,280
he had a conversation with me he's like

1855
01:04:43,670 --> 01:04:41,760
tom like is it really worth it are we

1856
01:04:45,029 --> 01:04:43,680
playing with fire should we should we

1857
01:04:47,510 --> 01:04:45,039
pull out

1858
01:04:50,069 --> 01:04:47,520
you know i i don't want this isn't worth

1859
01:04:51,750 --> 01:04:50,079
somebody that i care about deeply

1860
01:04:52,630 --> 01:04:51,760
getting hurt

1861
01:04:56,950 --> 01:04:52,640
and

1862
01:04:59,589 --> 01:04:56,960
of that discussion on tv i think it's in

1863
01:05:00,630 --> 01:04:59,599

episode three when i come back

1864

01:05:01,670 --> 01:05:00,640

um

1865

01:05:04,630 --> 01:05:01,680

but

1866

01:05:06,549 --> 01:05:04,640

it is something that i can't

1867

01:05:08,230 --> 01:05:06,559

in my heart i can't believe that all

1868

01:05:08,950 --> 01:05:08,240

this stuff that's happening on the ranch

1869

01:05:10,789 --> 01:05:08,960

is

1870

01:05:13,029 --> 01:05:10,799

like honoring the little barbed wire

1871

01:05:15,589 --> 01:05:13,039

fence that goes around the border that

1872

01:05:18,870 --> 01:05:15,599

somehow that fence is keeping all the

1873

01:05:20,630 --> 01:05:18,880

ghosts and goblins in right and so

1874

01:05:22,069 --> 01:05:20,640

there's a good chance that a lot of the

1875

01:05:23,510 --> 01:05:22,079

things that we're seeing on the ranch

1876

01:05:26,069 --> 01:05:23,520

are happening

1877

01:05:27,829 --> 01:05:26,079

in the surrounding area as well which we

1878

01:05:29,430 --> 01:05:27,839

have a lot of people

1879

01:05:31,270 --> 01:05:29,440

even though we're rural you know you

1880

01:05:34,789 --> 01:05:31,280

have hundreds if not thousands of people

1881

01:05:37,190 --> 01:05:34,799

within a short approximate distance that

1882

01:05:39,589 --> 01:05:37,200

um that called us home

1883

01:05:42,069 --> 01:05:39,599

and uh and as long as we've got somebody

1884

01:05:45,510 --> 01:05:42,079

like brandon that has the money and the

1885

01:05:46,710 --> 01:05:45,520

the resources to come and investigate it

1886

01:05:48,150 --> 01:05:46,720

um i

1887

01:05:51,190 --> 01:05:48,160

i had a little bit of fear in my heart

1888

01:05:52,789 --> 01:05:51,200

like don't pull out because you know

1889

01:05:54,470 --> 01:05:52,799

yeah bigelow came and investigated and

1890

01:05:56,230 --> 01:05:54,480

what did we get out of it

1891

01:05:58,309 --> 01:05:56,240

we don't know what we got

1892

01:05:59,829 --> 01:05:58,319

nothing came of it they locked

1893

01:06:01,349 --> 01:05:59,839

everything behind so as long as we've

1894

01:06:02,710 --> 01:06:01,359

got someone like brandon that's willing

1895

01:06:04,630 --> 01:06:02,720

to foot the bill

1896

01:06:07,109 --> 01:06:04,640

and pay for this investigation i don't

1897

01:06:09,349 --> 01:06:07,119

want to lose that opportunity and we owe

1898

01:06:10,710 --> 01:06:09,359

it to the surrounding areas to see if

1899

01:06:12,549 --> 01:06:10,720

this is something that's just on the

1900

01:06:14,390 --> 01:06:12,559

ranch or maybe there's something

1901

01:06:15,990 --> 01:06:14,400

dangerous in the surrounding areas as

1902

01:06:17,109 --> 01:06:16,000

well and so

1903

01:06:20,069 --> 01:06:17,119

um

1904

01:06:22,470 --> 01:06:20,079

we we pushed on and i encouraged him not

1905

01:06:24,150 --> 01:06:22,480

to not to run but it shaped

1906

01:06:26,630 --> 01:06:24,160

the rest of the season i think what it

1907

01:06:28,230 --> 01:06:26,640

did is it made travis because travis

1908

01:06:29,270 --> 01:06:28,240

thought we were all a bunch of scaredy

1909

01:06:30,829 --> 01:06:29,280

cats

1910

01:06:34,150 --> 01:06:30,839

and

1911

01:06:36,230 --> 01:06:34,160

uh matter of fact his exact words to us

1912

01:06:38,390 --> 01:06:36,240

before the tv series even started as he

1913

01:06:40,309 --> 01:06:38,400

thought we were all batshit crazy

1914

01:06:42,950 --> 01:06:40,319

and um

1915

01:06:44,870 --> 01:06:42,960

i think that my injury

1916

01:06:47,589 --> 01:06:44,880

kind of snapped him out of it

1917

01:06:49,589 --> 01:06:47,599

and brought made it real for him that

1918

01:06:51,349 --> 01:06:49,599

this is a this is not something we're

1919

01:06:53,589 --> 01:06:51,359

just goofing around about

1920

01:06:55,430 --> 01:06:53,599

we're not just saying these things to

1921

01:06:57,270 --> 01:06:55,440

make it sound mysterious

1922

01:07:00,630 --> 01:06:57,280

like there are real effects going on

1923

01:07:02,789 --> 01:07:00,640

here and i think if anything my injury

1924

01:07:04,789 --> 01:07:02,799

made travis realize that there are

1925

01:07:06,789 --> 01:07:04,799

consequences and that the the

1926

01:07:08,710 --> 01:07:06,799

investigation needs to be done

1927

01:07:10,789 --> 01:07:08,720

but it needs to be done safely it needs

1928

01:07:12,630 --> 01:07:10,799

to be done cautiously i know that's kind

1929

01:07:14,230 --> 01:07:12,640

of when his view of dragon changed

1930

01:07:16,789 --> 01:07:14,240

because

1931

01:07:18,870 --> 01:07:16,799

at that point he realized that we have

1932

01:07:19,910 --> 01:07:18,880

good reason to be cautious about what

1933

01:07:21,510 --> 01:07:19,920

we're doing

1934

01:07:23,349 --> 01:07:21,520

and there's a reason why we haven't just

1935

01:07:26,069 --> 01:07:23,359

gone been running around poking the

1936

01:07:27,990 --> 01:07:26,079

hornet's nest so it did change the rest

1937

01:07:29,510 --> 01:07:28,000

of the season it'll change the rest of

1938

01:07:31,430 --> 01:07:29,520

the investigation as far as the show

1939

01:07:32,789 --> 01:07:31,440

goes because i think that's what made it

1940

01:07:34,549 --> 01:07:32,799

real like oh

1941

01:07:36,150 --> 01:07:34,559

man somebody like

1942

01:07:38,710 --> 01:07:36,160

okay people could get her and then you

1943

01:07:40,309 --> 01:07:38,720

see later on in the later episodes that

1944

01:07:42,069 --> 01:07:40,319

travis himself

1945

01:07:43,190 --> 01:07:42,079

starts to experience some of these same

1946

01:07:45,029 --> 01:07:43,200

things

1947

01:07:47,589 --> 01:07:45,039

and so um

1948

01:07:50,630 --> 01:07:47,599

it uh it validated the fact that we need

1949

01:07:52,870 --> 01:07:50,640

to be we need to be cautious

1950

01:07:54,470 --> 01:07:52,880

absolutely and that incident was

1951

01:07:55,910 --> 01:07:54,480

highlighted you know

1952

01:07:57,510 --> 01:07:55,920

again hopefully something that doesn't

1953

01:08:00,390 --> 01:07:57,520

happen again to you because it can't be

1954

01:08:02,390 --> 01:08:00,400

a nice thing to experience however well

1955

01:08:03,910 --> 01:08:02,400

anything that the cameras did or didn't

1956

01:08:05,270 --> 01:08:03,920

pick up that you would put alongside

1957

01:08:07,190 --> 01:08:05,280

that as some of the strangest things

1958

01:08:10,630 --> 01:08:07,200

that you've been a part of or witnessed

1959

01:08:12,870 --> 01:08:10,640

well while you've been on the ranch

1960

01:08:14,710 --> 01:08:12,880

yeah so my injury is definitely the top

1961

01:08:16,709 --> 01:08:14,720

and then um

1962

01:08:19,910 --> 01:08:16,719

because i spend so much time on the

1963

01:08:21,829 --> 01:08:19,920

ranch um

1964

01:08:23,669 --> 01:08:21,839

as far as my physical prep like

1965

01:08:24,789 --> 01:08:23,679

physically present on the ranch i i

1966

01:08:26,470 --> 01:08:24,799

spend

1967

01:08:28,229 --> 01:08:26,480

just as much if not more time than

1968

01:08:30,550 --> 01:08:28,239

anybody else on the ranch team and have

1969

01:08:31,910 --> 01:08:30,560

done since day one

1970

01:08:34,390 --> 01:08:31,920

um i

1971

01:08:36,070 --> 01:08:34,400

i've had the opportunity blessing or

1972

01:08:38,070 --> 01:08:36,080

curse i'm not sure

1973

01:08:39,749 --> 01:08:38,080

of having a lot of experiences on the

1974

01:08:40,630 --> 01:08:39,759

ranch i've experienced

1975

01:08:41,829 --> 01:08:40,640

hair

1976

01:08:43,910 --> 01:08:41,839

um

1977

01:08:45,669 --> 01:08:43,920

and this is a feeling where i didn't see

1978

01:08:48,870 --> 01:08:45,679

anything

1979

01:08:50,630 --> 01:08:48,880

i couldn't like i couldn't tangibly see

1980

01:08:52,950 --> 01:08:50,640

what the danger was

1981

01:08:55,030 --> 01:08:52,960

but there was like a neurological or

1982

01:08:58,149 --> 01:08:55,040

psychological effect i think

1983

01:09:01,349 --> 01:08:58,159

i think it had to do some type of

1984

01:09:05,349 --> 01:09:01,359

we've recorded these high

1985

01:09:09,510 --> 01:09:08,149

uh my brain's shortened out now we've re

1986

01:09:11,430 --> 01:09:09,520

we've registered a lot of these radio

1987

01:09:13,349 --> 01:09:11,440

frequencies that are extremely high

1988

01:09:16,070 --> 01:09:13,359

borderline dangerous

1989

01:09:17,110 --> 01:09:16,080

and there have been times on this ranch

1990

01:09:18,870 --> 01:09:17,120

and they've

1991

01:09:20,390 --> 01:09:18,880

they've happened at night

1992

01:09:22,870 --> 01:09:20,400

um i've been over there doing my

1993

01:09:24,870 --> 01:09:22,880

responsibilities one was one night was

1994

01:09:26,789 --> 01:09:24,880

when i was plowing snow and i actually

1995

01:09:29,749 --> 01:09:26,799

heard an audible voice associated with

1996

01:09:32,309 --> 01:09:29,759

this and when i and it told me to stop

1997

01:09:35,990 --> 01:09:32,319

and don't go any further

1998

01:09:38,709 --> 01:09:36,000

and uh when i ignored this voice i mean

1999

01:09:40,870 --> 01:09:38,719

it i know for a fact it was not audible

2000

01:09:42,390 --> 01:09:40,880

like it happened inside my head

2001

01:09:44,709 --> 01:09:42,400

but i couldn't tell like you couldn't

2002

01:09:47,829 --> 01:09:44,719

have told me the difference it sounded

2003

01:09:49,269 --> 01:09:47,839

just as if you're talking to me

2004

01:09:50,709 --> 01:09:49,279

but i know it wasn't audible because i

2005

01:09:52,789 --> 01:09:50,719

was plowing snow

2006

01:09:54,550 --> 01:09:52,799

my skid steer was making so much noise

2007

01:09:56,790 --> 01:09:54,560

and then i had earbuds in my ears

2008

01:09:58,310 --> 01:09:56,800

listening to an audio book so somebody

2009

01:10:00,310 --> 01:09:58,320

could have been standing three feet away

2010

01:10:01,990 --> 01:10:00,320

from me yelling at me and i may not have

2011

01:10:04,709 --> 01:10:02,000

heard of them hurt them because of all

2012

01:10:06,709 --> 01:10:04,719

the noise the machine was making

2013

01:10:08,870 --> 01:10:06,719

but i heard the voice crystal clear

2014

01:10:11,990 --> 01:10:08,880

which tells me it came from inside my

2015

01:10:15,030 --> 01:10:12,000

head not outside my head i ignored the

2016

01:10:17,750 --> 01:10:15,040

warning it told me to not go any further

2017

01:10:19,990 --> 01:10:17,760

and uh immediately

2018

01:10:20,950 --> 01:10:20,000

when i when i continued down

2019

01:10:21,750 --> 01:10:20,960

on

2020

01:10:23,030 --> 01:10:21,760

uh

2021

01:10:24,630 --> 01:10:23,040

when i came

2022

01:10:25,910 --> 01:10:24,640

i was plowing snow so i went back to the

2023

01:10:27,350 --> 01:10:25,920

ranch house and i was coming back and

2024

01:10:29,270 --> 01:10:27,360

when i got to that point that i'd been

2025

01:10:31,030 --> 01:10:29,280

warned not to go any further i just

2026

01:10:33,270 --> 01:10:31,040

thought well that's stupid

2027

01:10:35,110 --> 01:10:33,280

um i'm just imagining this stuff and i

2028

01:10:36,070 --> 01:10:35,120

kept going and i only made it maybe 100

2029

01:10:37,750 --> 01:10:36,080

feet

2030

01:10:38,550 --> 01:10:37,760

and all of a sudden this terror gripped

2031

01:10:40,149 --> 01:10:38,560

me

2032

01:10:41,990 --> 01:10:40,159

this fear

2033

01:10:43,510 --> 01:10:42,000

and it's unlike anything i've ever

2034

01:10:45,830 --> 01:10:43,520

experienced in my entire life i've been

2035

01:10:48,470 --> 01:10:45,840

scared before but nothing like this

2036

01:10:50,149 --> 01:10:48,480

and it became so bad that i was shaking

2037

01:10:51,910 --> 01:10:50,159

like i i was like i had parkinson's

2038

01:10:53,910 --> 01:10:51,920

disease i was shaking so severely i

2039

01:10:56,470 --> 01:10:53,920

couldn't control it

2040

01:10:58,870 --> 01:10:56,480

and uh and these these times when this

2041

01:11:00,870 --> 01:10:58,880

fear comes over me the psychological or

2042

01:11:02,709 --> 01:11:00,880

the neurological effects

2043

01:11:04,390 --> 01:11:02,719

i had one well this particular time i

2044

01:11:05,830 --> 01:11:04,400

shook for about 12 hours before i

2045

01:11:07,590 --> 01:11:05,840

stopped shaking

2046

01:11:09,669 --> 01:11:07,600

i couldn't control it it was it was

2047

01:11:12,070 --> 01:11:09,679

outside of my ability to control it the

2048

01:11:14,630 --> 01:11:12,080

next time it was almost 24 hours before

2049

01:11:15,590 --> 01:11:14,640

i stopped shaking so i've had that

2050

01:11:18,229 --> 01:11:15,600

happen

2051

01:11:20,470 --> 01:11:18,239

um i've seen

2052

01:11:23,910 --> 01:11:20,480

um

2053

01:11:25,750 --> 01:11:23,920

i've seen things disa like

2054

01:11:28,149 --> 01:11:25,760

there was one day i thought i saw a dog

2055

01:11:30,229 --> 01:11:28,159

walking across the road we'd had we'd

2056

01:11:33,430 --> 01:11:30,239

had some animals some

2057

01:11:34,550 --> 01:11:33,440

a pack of dogs chasing the livestock

2058

01:11:36,470 --> 01:11:34,560

and uh

2059

01:11:38,950 --> 01:11:36,480

so i saw this dog crossing the road and

2060

01:11:41,350 --> 01:11:38,960

i thought i would go up and catch it

2061

01:11:44,550 --> 01:11:41,360

and when i got up to it it wasn't there

2062

01:11:46,070 --> 01:11:44,560

like it just vaporized so it was like a

2063

01:11:48,550 --> 01:11:46,080

mirage

2064

01:11:49,669 --> 01:11:48,560

type thing um

2065

01:11:53,510 --> 01:11:49,679

i've

2066

01:11:56,390 --> 01:11:53,520

phone you see on the episode where the

2067

01:11:57,990 --> 01:11:56,400

cell phones start going crazy i've had

2068

01:12:00,310 --> 01:11:58,000

my phone gripped

2069

01:12:03,510 --> 01:12:00,320

um i've seen

2070

01:12:05,110 --> 01:12:03,520

batteries go from 100 to zero in in

2071

01:12:08,390 --> 01:12:05,120

under two minutes

2072

01:12:11,030 --> 01:12:08,400

i've had um i'm trying to think i've had

2073

01:12:14,709 --> 01:12:11,040

a lot of things with my equipment

2074

01:12:17,910 --> 01:12:16,390

so many that i could i could literally

2075

01:12:20,470 --> 01:12:17,920

spend two hours just telling you about

2076

01:12:21,990 --> 01:12:20,480

the experience maybe maybe four hours

2077

01:12:23,830 --> 01:12:22,000

talking about the experiences i've seen

2078

01:12:25,830 --> 01:12:23,840

but i've i've

2079

01:12:27,510 --> 01:12:25,840

i've felt i've seen shadow figures over

2080

01:12:29,110 --> 01:12:27,520

in the homesteads

2081

01:12:30,390 --> 01:12:29,120

um

2082

01:12:32,149 --> 01:12:30,400

so

2083

01:12:33,910 --> 01:12:32,159

all kinds of strange

2084

01:12:35,830 --> 01:12:33,920

crazy things

2085

01:12:37,510 --> 01:12:35,840

and that's the beauty of the ranch isn't

2086

01:12:39,590 --> 01:12:37,520

it that and the area that there's it's

2087

01:12:41,910 --> 01:12:39,600

not just one phenomena it isn't just

2088

01:12:44,310 --> 01:12:41,920

those ufos it's not just there's there's

2089

01:12:45,510 --> 01:12:44,320

lights on the mesa or you know

2090

01:12:47,990 --> 01:12:45,520

it's not you're getting these weird

2091

01:12:49,189 --> 01:12:48,000

sounds coming from underneath the homes

2092

01:12:51,110 --> 01:12:49,199

uh

2093

01:12:53,030 --> 01:12:51,120

there's a lot going on you know huge

2094

01:12:54,709 --> 01:12:53,040

dire wolf type creatures portals

2095

01:12:56,709 --> 01:12:54,719

potentially opening up left right and

2096

01:12:59,189 --> 01:12:56,719

center so that that's the kind of

2097

01:13:01,430 --> 01:12:59,199

mistake and then the nature of the ranch

2098

01:13:03,430 --> 01:13:01,440

obviously we've got a second series

2099

01:13:04,630 --> 01:13:03,440

brandon himself has said should be

2100

01:13:06,950 --> 01:13:04,640

filming

2101
01:13:08,790 --> 01:13:06,960
soon um if you've got anything more like

2102
01:13:10,550 --> 01:13:08,800
you know any more about the dates or

2103
01:13:12,550 --> 01:13:10,560
what we can kind of expect from a second

2104
01:13:14,229 --> 01:13:12,560
season and even if you're kind of bound

2105
01:13:16,070 --> 01:13:14,239
by networks that you can't discuss that

2106
01:13:19,430 --> 01:13:16,080
kind of detail you know what would you

2107
01:13:24,470 --> 01:13:19,440
like to see in a second season

2108
01:13:26,070 --> 01:13:24,480
well um yeah so brandon being the boss

2109
01:13:27,270 --> 01:13:26,080
can get away with a lot of things i

2110
01:13:29,830 --> 01:13:27,280
can't so

2111
01:13:31,189 --> 01:13:29,840
i i took his lead you know he tweeted

2112
01:13:32,950 --> 01:13:31,199
out the other day that we were having a

2113
01:13:35,030 --> 01:13:32,960

second season and i took the lead and

2114

01:13:36,790 --> 01:13:35,040

was like sweet it's public knowledge now

2115

01:13:37,830 --> 01:13:36,800

i can share it with people

2116

01:13:39,990 --> 01:13:37,840

and then

2117

01:13:41,510 --> 01:13:40,000

only to be told but no i can't share

2118

01:13:43,990 --> 01:13:41,520

that with people yet and it hasn't been

2119

01:13:45,750 --> 01:13:44,000

made official so i'll let brandon take

2120

01:13:49,189 --> 01:13:45,760

the lead on that stuff he seems to be

2121

01:13:53,910 --> 01:13:51,030

but i will say

2122

01:13:55,350 --> 01:13:53,920

um i and i've been vocal about this with

2123

01:13:58,470 --> 01:13:55,360

brandon and i've been vocal about it

2124

01:13:59,990 --> 01:13:58,480

with the network and our meetings um

2125

01:14:00,709 --> 01:14:00,000

you know when you're looking forward to

2126

01:14:02,229 --> 01:14:00,719

what

2127

01:14:04,229 --> 01:14:02,239

you know

2128

01:14:05,669 --> 01:14:04,239

hypothetically if there was a second

2129

01:14:06,550 --> 01:14:05,679

season

2130

01:14:07,910 --> 01:14:06,560

yeah

2131

01:14:11,110 --> 01:14:07,920

what would we do

2132

01:14:13,030 --> 01:14:11,120

uh there's things

2133

01:14:15,590 --> 01:14:13,040

we we discovered a lot of things in

2134

01:14:19,430 --> 01:14:15,600

episode one i mean in in season one that

2135

01:14:20,630 --> 01:14:19,440

i'd like to go back and revisit and

2136

01:14:24,310 --> 01:14:20,640

and

2137

01:14:25,270 --> 01:14:24,320

investigate out

2138

01:14:27,189 --> 01:14:25,280

um

2139

01:14:29,430 --> 01:14:27,199

there's a lot of loose ends left hanging

2140

01:14:30,950 --> 01:14:29,440

that that need followed up on

2141

01:14:32,310 --> 01:14:30,960

um

2142

01:14:34,229 --> 01:14:32,320

in addition

2143

01:14:35,030 --> 01:14:34,239

there's things in second season that i

2144

01:14:37,350 --> 01:14:35,040

hope

2145

01:14:40,149 --> 01:14:37,360

i told i told the network

2146

01:14:42,790 --> 01:14:40,159

that i sincerely hope in second season

2147

01:14:45,430 --> 01:14:42,800

that they will be less

2148

01:14:47,270 --> 01:14:45,440

um in season one they did not

2149

01:14:49,750 --> 01:14:47,280

they they have this rule like they

2150

01:14:52,070 --> 01:14:49,760

called it the fourth curtain and that is

2151
01:14:53,669 --> 01:14:52,080
that they don't want to become the story

2152
01:14:57,669 --> 01:14:53,679
like they're there to capture the story

2153
01:15:00,470 --> 01:14:57,679
they don't want to become a story and so

2154
01:15:02,630 --> 01:15:00,480
the the camera the the production crew

2155
01:15:05,270 --> 01:15:02,640
experienced a lot of things themselves i

2156
01:15:07,750 --> 01:15:05,280
mean their equipment was not immune to

2157
01:15:10,470 --> 01:15:07,760
the to the anomalies that take place on

2158
01:15:12,790 --> 01:15:10,480
the ranch they struggled with batteries

2159
01:15:15,030 --> 01:15:12,800
going dead they struggled with getting

2160
01:15:17,669 --> 01:15:15,040
equipment to work properly matter of

2161
01:15:20,390 --> 01:15:17,679
fact there's a huge there's a huge

2162
01:15:22,870 --> 01:15:20,400
section of uh filming that we did that

2163
01:15:24,950 --> 01:15:22,880

got wiped mysteriously

2164

01:15:26,870 --> 01:15:24,960

um

2165

01:15:29,430 --> 01:15:26,880

on a section they

2166

01:15:30,870 --> 01:15:29,440

they experienced strange things on that

2167

01:15:33,430 --> 01:15:30,880

ranch as well

2168

01:15:34,550 --> 01:15:33,440

and unfortunately i feel like when you

2169

01:15:36,070 --> 01:15:34,560

when you don't

2170

01:15:37,750 --> 01:15:36,080

document those

2171

01:15:41,189 --> 01:15:37,760

then it leads to the criticism and

2172

01:15:43,830 --> 01:15:41,199

justly so that says well how come you

2173

01:15:45,750 --> 01:15:43,840

know why is it that that guy's 35 000

2174

01:15:47,990 --> 01:15:45,760

drone won't work but the network's drone

2175

01:15:49,669 --> 01:15:48,000

works just fine to capture it it must be

2176

01:15:51,669 --> 01:15:49,679

made up it must be

2177

01:15:52,709 --> 01:15:51,679

you know this is just fake

2178

01:15:55,590 --> 01:15:52,719

and so

2179

01:15:57,110 --> 01:15:55,600

i really hope that see season two

2180

01:15:59,430 --> 01:15:57,120

that when

2181

01:16:00,790 --> 01:15:59,440

not if but when they experience some of

2182

01:16:02,630 --> 01:16:00,800

the same troubles that we're

2183

01:16:04,470 --> 01:16:02,640

experiencing

2184

01:16:06,870 --> 01:16:04,480

the audience can see that and be shown

2185

01:16:07,669 --> 01:16:06,880

behind the curtain and be like oh

2186

01:16:09,990 --> 01:16:07,679

like

2187

01:16:12,470 --> 01:16:10,000

the network's cameras just went down and

2188

01:16:15,189 --> 01:16:12,480

we don't know why we can't figure it out

2189

01:16:17,110 --> 01:16:15,199

rather than that never being shown so i

2190

01:16:19,189 --> 01:16:17,120

hope that that is shown

2191

01:16:20,550 --> 01:16:19,199

um i hope

2192

01:16:30,310 --> 01:16:20,560

that

2193

01:16:31,990 --> 01:16:30,320

technically every object in the sky is a

2194

01:16:33,350 --> 01:16:32,000

ufo

2195

01:16:35,030 --> 01:16:33,360

for at least

2196

01:16:37,030 --> 01:16:35,040

a minute until your brain registers

2197

01:16:38,950 --> 01:16:37,040

that's a plane well that's a helicopter

2198

01:16:40,870 --> 01:16:38,960

or that's a drone

2199

01:16:44,229 --> 01:16:40,880

um

2200

01:16:45,990 --> 01:16:44,239

we see so many ufos on the ranch it's

2201

01:16:48,709 --> 01:16:46,000

unbelievable

2202

01:16:50,790 --> 01:16:48,719

but they might be a ufo for a day they

2203

01:16:52,550 --> 01:16:50,800

might be a ufo for a week they might be

2204

01:16:55,590 --> 01:16:52,560

a ufo for a year

2205

01:16:57,590 --> 01:16:55,600

until we finally are able to crack the

2206

01:16:59,990 --> 01:16:57,600

mystery of what that what oh that was

2207

01:17:02,630 --> 01:17:00,000

that was flight 1248

2208

01:17:04,709 --> 01:17:02,640

united you know going to london

2209

01:17:08,950 --> 01:17:04,719

and for whatever reason it didn't show

2210

01:17:13,189 --> 01:17:08,960

up or whatever it is and truth be told

2211

01:17:17,030 --> 01:17:13,199

98 or 99 of the ufos we see on the ranch

2212

01:17:19,310 --> 01:17:17,040

yeah they're ufos for a time but then as

2213

01:17:21,590 --> 01:17:19,320

we do the investigation as eric does his

2214

01:17:23,110 --> 01:17:21,600

post-processing on the video and all

2215

01:17:26,950 --> 01:17:23,120

that

2216

01:17:27,990 --> 01:17:26,960

of mundane

2217

01:17:29,030 --> 01:17:28,000

origin

2218

01:17:30,470 --> 01:17:29,040

you know

2219

01:17:32,950 --> 01:17:30,480

and so

2220

01:17:34,790 --> 01:17:32,960

i hope that they allow us to show some

2221

01:17:37,910 --> 01:17:34,800

of those things so that people can see

2222

01:17:39,590 --> 01:17:37,920

we do our due diligence and uh we're not

2223

01:17:41,830 --> 01:17:39,600

just drinking kool-aid

2224

01:17:42,950 --> 01:17:41,840

not every fly on the camera lens is a

2225

01:17:45,350 --> 01:17:42,960

ufo

2226

01:17:46,390 --> 01:17:45,360

not not every snowflake out there is an

2227

01:17:47,510 --> 01:17:46,400

orb

2228

01:17:50,470 --> 01:17:47,520

and uh

2229

01:17:52,229 --> 01:17:50,480

but if that's all you show on television

2230

01:17:53,430 --> 01:17:52,239

and that's all the audience sees then

2231

01:17:55,510 --> 01:17:53,440

how are they supposed to know that

2232

01:17:58,149 --> 01:17:55,520

you've eliminated you know you're

2233

01:17:59,189 --> 01:17:58,159

calling this uh unknown

2234

01:18:01,430 --> 01:17:59,199

object

2235

01:18:03,350 --> 01:18:01,440

because you've already eliminated out

2236

01:18:05,430 --> 01:18:03,360

the insects and the bugs and the planes

2237

01:18:06,630 --> 01:18:05,440

and the drones and the helicopters and

2238

01:18:09,110 --> 01:18:06,640

the dust

2239

01:18:09,990 --> 01:18:09,120
and all the things that can look

2240

01:18:12,470 --> 01:18:10,000
really

2241

01:18:13,750 --> 01:18:12,480
it can look damn impressive in a camera

2242

01:18:17,189 --> 01:18:13,760
but actually at the end of the day it's

2243

01:18:19,110 --> 01:18:17,199
just regular if they'll allow us to show

2244

01:18:22,310 --> 01:18:19,120
the guys kind of going through that

2245

01:18:25,189 --> 01:18:22,320
process of eliminating it and finding

2246

01:18:27,350 --> 01:18:25,199
out that oh that was really cool to see

2247

01:18:28,790 --> 01:18:27,360
but at the end of the day that was

2248

01:18:32,229 --> 01:18:28,800
actually a piece of dust that was

2249

01:18:33,189 --> 01:18:32,239
reflecting the infrared camera lens

2250

01:18:34,870 --> 01:18:33,199
you know

2251

01:18:36,550 --> 01:18:34,880

and so i think that will help bring

2252

01:18:38,390 --> 01:18:36,560

credibility to the show if the audience

2253

01:18:39,750 --> 01:18:38,400

is able to see behind the curtain just a

2254

01:18:41,590 --> 01:18:39,760

little bit more

2255

01:18:43,350 --> 01:18:41,600

and see and i don't want to call them

2256

01:18:45,590 --> 01:18:43,360

failures because it's not a failure but

2257

01:18:46,550 --> 01:18:45,600

see some of the debunking that takes

2258

01:18:48,310 --> 01:18:46,560

place

2259

01:18:50,630 --> 01:18:48,320

you know that that would be great i mean

2260

01:18:52,870 --> 01:18:50,640

and you would think especially in 2020

2261

01:18:54,790 --> 01:18:52,880

or more than likely 2021 when we

2262

01:18:57,110 --> 01:18:54,800

potentially get to see a second season

2263

01:18:58,630 --> 01:18:57,120

if they make a second season of course

2264

01:19:00,229 --> 01:18:58,640

right you've got you've got a lot of

2265

01:19:01,910 --> 01:19:00,239

different platforms where you could put

2266

01:19:03,510 --> 01:19:01,920

content like that but if they don't want

2267

01:19:06,229 --> 01:19:03,520

it and i mean show that they still want

2268

01:19:08,070 --> 01:19:06,239

to make you know dramatized or you know

2269

01:19:09,430 --> 01:19:08,080

really focus on the entertainment aspect

2270

01:19:11,270 --> 01:19:09,440

and you talked about you know some of

2271

01:19:13,189 --> 01:19:11,280

the boring science or the more mundane

2272

01:19:15,110 --> 01:19:13,199

things you could put that on a youtube

2273

01:19:16,790 --> 01:19:15,120

or you could put that on twitter or

2274

01:19:18,310 --> 01:19:16,800

whatever kind of platform they want if

2275

01:19:20,310 --> 01:19:18,320

they want to put on their own website

2276

01:19:21,830 --> 01:19:20,320

you know here's bonus content for people

2277

01:19:23,350 --> 01:19:21,840

and yeah i'm sure there would be a

2278

01:19:24,709 --> 01:19:23,360

market for that because that's that's

2279

01:19:25,750 --> 01:19:24,719

something that definitely when i go

2280

01:19:27,990 --> 01:19:25,760

through the twitter feeds and the

2281

01:19:29,910 --> 01:19:28,000

message boards people question these

2282

01:19:31,990 --> 01:19:29,920

things so the interest is definitely

2283

01:19:34,149 --> 01:19:32,000

there that that probably takes us nicely

2284

01:19:35,590 --> 01:19:34,159

thomas onto some listener questions um

2285

01:19:37,590 --> 01:19:35,600

because the first one is linked into

2286

01:19:39,990 --> 01:19:37,600

what you've you've just said there so

2287

01:19:42,229 --> 01:19:40,000

ashley um had a few questions for you

2288

01:19:44,709 --> 01:19:42,239

what kind of experiments would thomas

2289

01:19:46,870 --> 01:19:44,719

and the team like to do next and also

2290

01:19:48,830 --> 01:19:46,880

are there any experiments you've done

2291

01:19:50,870 --> 01:19:48,840

you think you could have improved

2292

01:19:53,189 --> 01:19:50,880

on um

2293

01:19:56,470 --> 01:19:53,199

i want better gpr

2294

01:19:59,430 --> 01:19:56,480

so if if thomas gets to call the shots

2295

01:20:01,189 --> 01:19:59,440

and uh and i get to do this then

2296

01:20:03,030 --> 01:20:01,199

um i want better

2297

01:20:05,590 --> 01:20:03,040

not i'm not saying the guys that did

2298

01:20:08,390 --> 01:20:05,600

season one didn't do a good job i'm

2299

01:20:13,830 --> 01:20:08,400

saying they weren't able to do enough of

2300

01:20:18,470 --> 01:20:16,470

and i want to investigate further over

2301
01:20:20,790 --> 01:20:18,480
the homestead 2

2302
01:20:23,030 --> 01:20:20,800
um you know that

2303
01:20:25,350 --> 01:20:23,040
where we did the drilling

2304
01:20:26,390 --> 01:20:25,360
i think that we need to look into that

2305
01:20:28,629 --> 01:20:26,400
more

2306
01:20:30,550 --> 01:20:28,639
um you know it's funny i actually made a

2307
01:20:33,430 --> 01:20:30,560
whole list the other day because

2308
01:20:34,950 --> 01:20:33,440
i did submit a list saying girl you know

2309
01:20:36,390 --> 01:20:34,960
if there were season two these are some

2310
01:20:38,629 --> 01:20:36,400
of the ideas that i would i would like

2311
01:20:39,669 --> 01:20:38,639
to explore further if i had if i had to

2312
01:20:40,550 --> 01:20:39,679
say

2313
01:20:42,070 --> 01:20:40,560

um

2314

01:20:43,990 --> 01:20:42,080

but

2315

01:20:45,830 --> 01:20:44,000

we we triangulated

2316

01:20:47,830 --> 01:20:45,840

i think one of the biggest things is we

2317

01:20:49,750 --> 01:20:47,840

keep picking up these strange signals

2318

01:20:51,110 --> 01:20:49,760

these strange rfs

2319

01:20:52,709 --> 01:20:51,120

and

2320

01:20:54,790 --> 01:20:52,719

when we've done the rockets when we did

2321

01:20:56,950 --> 01:20:54,800

the weather balloon

2322

01:20:58,950 --> 01:20:56,960

the data seems to suggest that the

2323

01:21:00,709 --> 01:20:58,960

higher up we're going the stronger the

2324

01:21:01,910 --> 01:21:00,719

signals are getting which

2325

01:21:03,430 --> 01:21:01,920

would be

2326

01:21:04,870 --> 01:21:03,440

opposite of what

2327

01:21:05,990 --> 01:21:04,880

should be happening according to the

2328

01:21:09,350 --> 01:21:06,000

scientists

2329

01:21:10,870 --> 01:21:09,360

so i would really like to drill down and

2330

01:21:13,110 --> 01:21:10,880

go higher

2331

01:21:14,790 --> 01:21:13,120

figure out a way to put equipment up

2332

01:21:17,110 --> 01:21:14,800

higher for longer

2333

01:21:18,870 --> 01:21:17,120

and get some good data that's not just a

2334

01:21:20,390 --> 01:21:18,880

few seconds long like you know the

2335

01:21:22,470 --> 01:21:20,400

rockets were great but

2336

01:21:24,470 --> 01:21:22,480

you're really limited in time

2337

01:21:27,270 --> 01:21:24,480

as to the sample size that you're able

2338

01:21:29,350 --> 01:21:27,280

to get so i'd like to really look

2339

01:21:31,990 --> 01:21:29,360

uh further at

2340

01:21:33,350 --> 01:21:32,000

um the rf signals that we're picking up

2341

01:21:35,510 --> 01:21:33,360

out there

2342

01:21:37,110 --> 01:21:35,520

and then um i'd like to branch out a

2343

01:21:38,870 --> 01:21:37,120

little bit and

2344

01:21:40,629 --> 01:21:38,880

i would like to see us

2345

01:21:42,709 --> 01:21:40,639

setting up some instrumentation that

2346

01:21:44,229 --> 01:21:42,719

would allow us to tell you know when

2347

01:21:46,229 --> 01:21:44,239

we're seeing something on the ranch are

2348

01:21:48,070 --> 01:21:46,239

we seeing it other places in the united

2349

01:21:49,590 --> 01:21:48,080

basin as well

2350

01:21:50,629 --> 01:21:49,600

so i'd like to branch out a little bit

2351

01:21:55,110 --> 01:21:50,639

and see

2352

01:21:57,990 --> 01:21:55,120

we can get a

2353

01:21:59,430 --> 01:21:58,000

idea of just how localized this is to

2354

01:22:00,390 --> 01:21:59,440

the ranch

2355

01:22:01,910 --> 01:22:00,400

awesome

2356

01:22:03,830 --> 01:22:01,920

um

2357

01:22:05,510 --> 01:22:03,840

i suppose the ideal was you know when

2358

01:22:07,350 --> 01:22:05,520

you done that rocket experiment what we

2359

01:22:09,189 --> 01:22:07,360

were all going to hopefully see was the

2360

01:22:10,550 --> 01:22:09,199

rocket shooting into the sky and then

2361

01:22:12,870 --> 01:22:10,560

about you know a couple of hundred feet

2362

01:22:14,149 --> 01:22:12,880

up hitting something dropping out the

2363

01:22:15,590 --> 01:22:14,159

sky and it's being like oh there's

2364

01:22:17,590 --> 01:22:15,600

something sitting there it's got an

2365

01:22:20,149 --> 01:22:17,600

invisibility cloak or it's hidden and we

2366

01:22:21,510 --> 01:22:20,159

just can't see it but but yeah so but no

2367

01:22:23,510 --> 01:22:21,520

but some of those experiments like you

2368

01:22:25,030 --> 01:22:23,520

say they were intriguing enough you want

2369

01:22:27,030 --> 01:22:25,040

to see more and you kind of want to take

2370

01:22:29,270 --> 01:22:27,040

it that next step further and again that

2371

01:22:30,709 --> 01:22:29,280

ties in with what you said earlier that

2372

01:22:32,149 --> 01:22:30,719

these experiments for all they've got a

2373

01:22:34,149 --> 01:22:32,159

monetary value

2374

01:22:35,590 --> 01:22:34,159

like someone like brandon okay so if

2375

01:22:38,390 --> 01:22:35,600

there's something in the first one you

2376

01:22:39,910 --> 01:22:38,400

do let's spend a bit more next time and

2377

01:22:41,430 --> 01:22:39,920

investigating it further and again that

2378

01:22:43,430 --> 01:22:41,440

would be great for season two so thanks

2379

01:22:45,350 --> 01:22:43,440

for that question ashley stephen had a

2380

01:22:46,709 --> 01:22:45,360

question or two questions

2381

01:22:49,510 --> 01:22:46,719

are you aware of the history of

2382

01:22:51,350 --> 01:22:49,520

different ufo cases and if so do you see

2383

01:22:53,430 --> 01:22:51,360

any patterns with what goes on around

2384

01:22:56,390 --> 01:22:53,440

the world and what goes on in the ranch

2385

01:22:58,629 --> 01:22:56,400

in terms of ufos

2386

01:23:01,030 --> 01:22:58,639

yeah so before i became associated with

2387

01:23:03,750 --> 01:23:01,040

the ranch this is not a

2388

01:23:06,870 --> 01:23:03,760

area that caught my interest i did not

2389

01:23:09,910 --> 01:23:06,880

spend any time on ufo theories or in the

2390

01:23:11,910 --> 01:23:09,920

paranormal world as a businessman like i

2391

01:23:13,990 --> 01:23:11,920

said i didn't even believe in this stuff

2392

01:23:16,070 --> 01:23:14,000

since becoming associated with the ranch

2393

01:23:18,229 --> 01:23:16,080

um as more and more things have happened

2394

01:23:20,790 --> 01:23:18,239

on the ranch then obviously i it's led

2395

01:23:23,110 --> 01:23:20,800

me to reach out and start looking at

2396

01:23:25,590 --> 01:23:23,120

um you know our do do they see these

2397

01:23:28,550 --> 01:23:25,600

things in other places i think the tic

2398

01:23:30,790 --> 01:23:28,560

tacs is a very pretty visible one that's

2399

01:23:33,590 --> 01:23:30,800

come to light recently with the pentagon

2400

01:23:35,830 --> 01:23:33,600

releasing the tic tac videos and finally

2401

01:23:38,390 --> 01:23:35,840

admitting that yes

2402

01:23:41,270 --> 01:23:38,400

uh we're encountering these things we're

2403

01:23:43,910 --> 01:23:41,280

not sure what they are

2404

01:23:46,550 --> 01:23:43,920

and so in doing that i've studied a

2405

01:23:48,790 --> 01:23:46,560

little bit i'm i will

2406

01:23:50,790 --> 01:23:48,800

i am far from calling myself an expert

2407

01:23:52,310 --> 01:23:50,800

on any of it i have i know just enough

2408

01:23:55,510 --> 01:23:52,320

to make me dangerous

2409

01:23:58,149 --> 01:23:55,520

and uh but i am i am learning more and i

2410

01:24:00,950 --> 01:23:58,159

am studying more about it and trying to

2411

01:24:02,790 --> 01:24:00,960

get myself better versed in

2412

01:24:04,709 --> 01:24:02,800

what people are seeing in other places

2413

01:24:07,110 --> 01:24:04,719

and so then it can help me better

2414

01:24:09,270 --> 01:24:07,120

identify what we're seeing on the ranch

2415

01:24:10,709 --> 01:24:09,280

awesome uh stephen's follow-up question

2416

01:24:12,470 --> 01:24:10,719

i suppose it's really going to push for

2417

01:24:14,149 --> 01:24:12,480

how much you want to answer this and

2418

01:24:16,870 --> 01:24:14,159

it's absolutely no doubt going to be

2419

01:24:19,350 --> 01:24:16,880

more of a i guess or assessment in your

2420

01:24:23,110 --> 01:24:19,360

part what do you think is buried under

2421

01:24:23,120 --> 01:24:25,990

um

2422

01:24:31,350 --> 01:24:30,470

all i will say with that is i'm not sure

2423

01:24:34,790 --> 01:24:31,360

but

2424

01:24:36,390 --> 01:24:34,800

the longer that i'm there and the more

2425

01:24:39,830 --> 01:24:36,400

the more that i see

2426
01:24:41,510 --> 01:24:39,840
um the more open-minded i am to the

2427
01:24:45,110 --> 01:24:41,520
possibility that there is indeed

2428
01:24:49,350 --> 01:24:45,120
something below the ranch and um

2429
01:24:51,990 --> 01:24:49,360
uh i can't help but think that um

2430
01:24:53,830 --> 01:24:52,000
that if there is something under there

2431
01:24:57,189 --> 01:24:53,840
maybe it's of ancient

2432
01:24:59,990 --> 01:24:57,199
um origin some type of a

2433
01:25:02,709 --> 01:25:00,000
piece of advanced technology

2434
01:25:04,950 --> 01:25:02,719
some type of ai

2435
01:25:06,229 --> 01:25:04,960
what we deal with on the ranch

2436
01:25:09,669 --> 01:25:06,239
it

2437
01:25:11,669 --> 01:25:09,679
tell you

2438
01:25:12,790 --> 01:25:11,679

i could spend an hour here telling you

2439

01:25:15,030 --> 01:25:12,800

of

2440

01:25:16,790 --> 01:25:15,040

specific circumstances when we've had

2441

01:25:19,590 --> 01:25:16,800

our equipment toyed with and i'm going

2442

01:25:22,310 --> 01:25:19,600

to use the word toyed

2443

01:25:24,070 --> 01:25:22,320

cameras turned on and off at

2444

01:25:27,030 --> 01:25:24,080

precisely the exact same moment that

2445

01:25:28,790 --> 01:25:27,040

we're picking up anomalies uh

2446

01:25:30,870 --> 01:25:28,800

it just so happens that it happens to be

2447

01:25:32,790 --> 01:25:30,880

the camera that would have recorded that

2448

01:25:34,390 --> 01:25:32,800

or the the instrumentation that would

2449

01:25:36,470 --> 01:25:34,400

have picked that up

2450

01:25:39,990 --> 01:25:36,480

we've seen this enough

2451

01:25:41,750 --> 01:25:40,000

that it

2452

01:25:43,669 --> 01:25:41,760

the only way that my brain can come up

2453

01:25:45,910 --> 01:25:43,679

with a logical explanation is that there

2454

01:25:48,629 --> 01:25:45,920

is an intelligence

2455

01:25:51,669 --> 01:25:48,639

to whatever it is at skinwalker ranch

2456

01:25:54,470 --> 01:25:51,679

and that it is the cat we are the mouse

2457

01:25:57,110 --> 01:25:54,480

and uh we're being toyed with so

2458

01:26:00,229 --> 01:25:57,120

as far as what's being buried underneath

2459

01:26:02,229 --> 01:26:00,239

uh i'm i'm very open-minded now i would

2460

01:26:04,070 --> 01:26:02,239

have laughed at that idea just

2461

01:26:05,669 --> 01:26:04,080

even two years ago

2462

01:26:07,350 --> 01:26:05,679

and today i would say i'm very

2463

01:26:09,030 --> 01:26:07,360

open-minded to the fact that there

2464

01:26:11,350 --> 01:26:09,040

possibly could be something buried under

2465

01:26:14,229 --> 01:26:11,360

the ranch and if there is i would say

2466

01:26:15,189 --> 01:26:14,239

it's some type of source of intelligence

2467

01:26:17,750 --> 01:26:15,199

uh

2468

01:26:18,629 --> 01:26:17,760

artificial or technology i don't know

2469

01:26:20,470 --> 01:26:18,639

but

2470

01:26:22,229 --> 01:26:20,480

that's my guess

2471

01:26:23,990 --> 01:26:22,239

awesome i think travis does a bit of a

2472

01:26:25,110 --> 01:26:24,000

line tracing doesn't he on the show and

2473

01:26:27,590 --> 01:26:25,120

i don't know if this was more for

2474

01:26:29,510 --> 01:26:27,600

dramatic effect but it definitely if you

2475

01:26:32,070 --> 01:26:29,520

were going to draw a type of ufo i'm

2476

01:26:34,470 --> 01:26:32,080

sure in your top five shapes of alien

2477

01:26:37,189 --> 01:26:34,480

spacecraft that would have come out um

2478

01:26:39,030 --> 01:26:37,199

but again as based on seismology is at

2479

01:26:40,390 --> 01:26:39,040

the right term and kind of sending

2480

01:26:42,629 --> 01:26:40,400

signals under the ground and kind of

2481

01:26:44,950 --> 01:26:42,639

picking it back up so so yeah that

2482

01:26:46,870 --> 01:26:44,960

that's pretty interesting can i just ask

2483

01:26:48,709 --> 01:26:46,880

slightly on topic of what you've you've

2484

01:26:50,790 --> 01:26:48,719

said but this is a question for myself

2485

01:26:53,189 --> 01:26:50,800

before i go back to listener questions

2486

01:26:55,750 --> 01:26:53,199

has brandon ever had any meetings with

2487

01:26:58,070 --> 01:26:55,760

luella zondo or tom delong or anyone at

2488

01:26:59,910 --> 01:26:58,080

two of the stars that you know of

2489

01:27:02,390 --> 01:26:59,920

not that i know of no

2490

01:27:05,030 --> 01:27:02,400

okay cool

2491

01:27:06,550 --> 01:27:05,040

he probably would have told me if he had

2492

01:27:08,070 --> 01:27:06,560

okay cool that that would be good that

2493

01:27:10,229 --> 01:27:08,080

would be a great roundtable we have i

2494

01:27:12,070 --> 01:27:10,239

think uh brandon fugo and louise

2495

01:27:13,430 --> 01:27:12,080

elizondo tommed along and a few others

2496

01:27:14,229 --> 01:27:13,440

that would be that would be interesting

2497

01:27:15,910 --> 01:27:14,239

here

2498

01:27:18,149 --> 01:27:15,920

um

2499

01:27:19,590 --> 01:27:18,159

idris sent in a question regarding the

2500

01:27:21,430 --> 01:27:19,600

the scene that again you talked about

2501
01:27:22,870 --> 01:27:21,440
the alpacas it was it drummed up a lot

2502
01:27:25,350 --> 01:27:22,880
of controversy and you had your own

2503
01:27:27,430 --> 01:27:25,360
issues with that the the scene and one

2504
01:27:30,470 --> 01:27:27,440
of the last episodes with the the death

2505
01:27:32,390 --> 01:27:30,480
of the the cattle or the cow um

2506
01:27:34,790 --> 01:27:32,400
it's very much tied in on that episode

2507
01:27:37,110 --> 01:27:34,800
that there's a ufo in the sky

2508
01:27:38,790 --> 01:27:37,120
the cattle's died an expert veterinarian

2509
01:27:41,030 --> 01:27:38,800
comes in and he basically says there's

2510
01:27:43,350 --> 01:27:41,040
been a massive stress that's came on

2511
01:27:45,430 --> 01:27:43,360
that stress and just pneumonia i believe

2512
01:27:47,189 --> 01:27:45,440
is what he says has killed the cattle

2513
01:27:48,950 --> 01:27:47,199

but there's no getting away from whether

2514

01:27:51,270 --> 01:27:48,960

it's the editing or what you guys wanted

2515

01:27:53,350 --> 01:27:51,280

it to be the the inclination is that

2516

01:27:55,110 --> 01:27:53,360

that ufo above the cattle had something

2517

01:27:57,030 --> 01:27:55,120

to do with it dying what were your

2518

01:27:58,550 --> 01:27:57,040

thoughts on that scene and incident and

2519

01:28:00,390 --> 01:27:58,560

do you think it was a true reflection of

2520

01:28:01,669 --> 01:28:00,400

what happened

2521

01:28:02,950 --> 01:28:01,679

um

2522

01:28:05,189 --> 01:28:02,960

yeah so

2523

01:28:07,910 --> 01:28:05,199

the the official determination from the

2524

01:28:10,229 --> 01:28:07,920

vet was that was rapid onset

2525

01:28:11,430 --> 01:28:10,239

stress-induced pneumonia

2526

01:28:13,669 --> 01:28:11,440

um

2527

01:28:16,629 --> 01:28:13,679

he could tell from so he was showing us

2528

01:28:17,430 --> 01:28:16,639

when he was doing the necropsy that um

2529

01:28:20,629 --> 01:28:17,440

if

2530

01:28:22,470 --> 01:28:20,639

over time there's scar tissue that

2531

01:28:24,870 --> 01:28:22,480

builds up in the lungs

2532

01:28:27,910 --> 01:28:24,880

and there was none of that and so he

2533

01:28:30,629 --> 01:28:27,920

said it had to happen it had to have

2534

01:28:32,629 --> 01:28:30,639

happened very rapidly and it was stress

2535

01:28:36,790 --> 01:28:32,639

induced pneumonia so the cow got

2536

01:28:38,229 --> 01:28:36,800

stressed it happened really recently

2537

01:28:40,149 --> 01:28:38,239

and uh

2538

01:28:41,990 --> 01:28:40,159

so

2539

01:28:43,910 --> 01:28:42,000

that's and you know what here's the

2540

01:28:45,510 --> 01:28:43,920

thing this is the tough thing about the

2541

01:28:47,910 --> 01:28:45,520

ranch is there's a million things that

2542

01:28:48,870 --> 01:28:47,920

happen so cows die every day on ranches

2543

01:28:50,629 --> 01:28:48,880

that's

2544

01:28:54,070 --> 01:28:50,639

cows get pneumonia every day and they

2545

01:28:56,470 --> 01:28:54,080

die there's nothing strange about

2546

01:28:59,110 --> 01:28:56,480

a cow getting pneumonia and dying

2547

01:29:00,229 --> 01:28:59,120

that's just part of ranching

2548

01:29:01,270 --> 01:29:00,239

um

2549

01:29:03,590 --> 01:29:01,280

but

2550

01:29:04,709 --> 01:29:03,600

then on the other hand you have to start

2551
01:29:06,470 --> 01:29:04,719
saying

2552
01:29:09,669 --> 01:29:06,480
okay that's

2553
01:29:10,629 --> 01:29:09,679
that's the current train of thought

2554
01:29:13,910 --> 01:29:10,639
but

2555
01:29:15,590 --> 01:29:13,920
what stressed the cow what was it that

2556
01:29:18,229 --> 01:29:15,600
made that cow get stressed enough that

2557
01:29:21,510 --> 01:29:18,239
it caught pneumonia

2558
01:29:25,830 --> 01:29:24,149
other stress-induced pneumonias of other

2559
01:29:27,830 --> 01:29:25,840
answers we say oh that happens all the

2560
01:29:29,430 --> 01:29:27,840
time well maybe we need to look a little

2561
01:29:30,790 --> 01:29:29,440
closer and say why does that happen all

2562
01:29:32,790 --> 01:29:30,800
the time

2563
01:29:34,390 --> 01:29:32,800

are are there rf signals they're picking

2564

01:29:36,709 --> 01:29:34,400

that their bodies are susceptible to

2565

01:29:39,030 --> 01:29:36,719

that stressing them and causing that

2566

01:29:41,110 --> 01:29:39,040

like why are we seeing this sometimes

2567

01:29:43,590 --> 01:29:41,120

things become so normal that we just

2568

01:29:45,270 --> 01:29:43,600

accept that's just the way it is

2569

01:29:46,550 --> 01:29:45,280

that's just life

2570

01:29:48,390 --> 01:29:46,560

and maybe

2571

01:29:50,070 --> 01:29:48,400

sometimes we need to question the you

2572

01:29:53,590 --> 01:29:50,080

know question the answers question the

2573

01:29:55,830 --> 01:29:53,600

questions and and so because it is on

2574

01:29:58,790 --> 01:29:55,840

the ranch then that is naturally our

2575

01:29:59,830 --> 01:29:58,800

question was this just a regular death

2576

01:30:01,350 --> 01:29:59,840

and

2577

01:30:03,189 --> 01:30:01,360

nothing

2578

01:30:05,030 --> 01:30:03,199

strange about it or

2579

01:30:07,830 --> 01:30:05,040

was there more to it so when we start

2580

01:30:09,590 --> 01:30:07,840

going back through the footage

2581

01:30:12,149 --> 01:30:09,600

um and this is

2582

01:30:13,590 --> 01:30:12,159

anytime we like with this cow

2583

01:30:15,189 --> 01:30:13,600

we're going to go back

2584

01:30:19,030 --> 01:30:15,199

and look at all the data that we have

2585

01:30:20,550 --> 01:30:19,040

available to us leading up to this point

2586

01:30:23,270 --> 01:30:20,560

and see if we can figure out and

2587

01:30:25,030 --> 01:30:23,280

understand what stressed that cow

2588

01:30:26,790 --> 01:30:25,040

if it's that a dog was out there chasing

2589

01:30:31,350 --> 01:30:26,800

it well that explains it there's nothing

2590

01:30:34,550 --> 01:30:32,310

so

2591

01:30:38,390 --> 01:30:34,560

as we're looking at this footage there's

2592

01:30:40,310 --> 01:30:38,400

this object up in the sky now

2593

01:30:41,830 --> 01:30:40,320

the reason why

2594

01:30:43,590 --> 01:30:41,840

that object

2595

01:30:45,830 --> 01:30:43,600

i think

2596

01:30:47,430 --> 01:30:45,840

uh merits further investigation is for

2597

01:30:49,750 --> 01:30:47,440

two things

2598

01:30:51,189 --> 01:30:49,760

you could have a fly literally walking

2599

01:30:52,950 --> 01:30:51,199

across the lens of your camera that

2600

01:30:55,669 --> 01:30:52,960

could look identical to that we've seen

2601
01:30:58,310 --> 01:30:55,679
it a million times

2602
01:31:01,350 --> 01:30:58,320
with our cameras it's really hard to

2603
01:31:02,470 --> 01:31:01,360
gauge depth perception how far away was

2604
01:31:04,950 --> 01:31:02,480
that object

2605
01:31:07,910 --> 01:31:04,960
this particular object at one point

2606
01:31:08,870 --> 01:31:07,920
during the during the video

2607
01:31:11,430 --> 01:31:08,880
it

2608
01:31:13,510 --> 01:31:11,440
appears and they you know eric's still

2609
01:31:15,030 --> 01:31:13,520
doing further post-processing but it

2610
01:31:17,270 --> 01:31:15,040
appears to us

2611
01:31:19,030 --> 01:31:17,280
that the object disappears behind the

2612
01:31:19,990 --> 01:31:19,040
tree branch and then comes out the other

2613
01:31:22,870 --> 01:31:20,000

side

2614

01:31:24,709 --> 01:31:22,880

and that's important because a fly

2615

01:31:26,390 --> 01:31:24,719

would be in front of the tree branch not

2616

01:31:28,629 --> 01:31:26,400

behind it

2617

01:31:30,950 --> 01:31:28,639

well why then that takes it to the next

2618

01:31:32,629 --> 01:31:30,960

step and said and you know if we can

2619

01:31:36,070 --> 01:31:32,639

prove absolutely that that's what

2620

01:31:38,629 --> 01:31:36,080

happened is it went behind the tree

2621

01:31:41,350 --> 01:31:38,639

that gives us an idea on distance

2622

01:31:44,629 --> 01:31:41,360

for the object to look that big in the

2623

01:31:46,310 --> 01:31:44,639

camera and be and and at least be the

2624

01:31:48,310 --> 01:31:46,320

distance of the trees

2625

01:31:51,830 --> 01:31:48,320

we now can start taking measurements

2626

01:31:55,030 --> 01:31:51,840

that tell us the size of that craft

2627

01:31:57,430 --> 01:31:55,040

and the size of that craft if it's a fly

2628

01:31:59,189 --> 01:31:57,440

flying one inch away from the screen

2629

01:32:01,669 --> 01:31:59,199

that explains why it looks like it's

2630

01:32:03,590 --> 01:32:01,679

going 10 000 miles an hour you know in

2631

01:32:06,149 --> 01:32:03,600

two frames it's gone well it only went

2632

01:32:07,910 --> 01:32:06,159

two inches it was nothing but if you're

2633

01:32:09,510 --> 01:32:07,920

talking about a distance out there

2634

01:32:12,070 --> 01:32:09,520

beyond the trees

2635

01:32:14,229 --> 01:32:12,080

and it covered that amount of ground now

2636

01:32:15,110 --> 01:32:14,239

we could triangulate and we can see that

2637

01:32:19,270 --> 01:32:15,120

that

2638

01:32:21,510 --> 01:32:19,280

know be going like a thousand miles an

2639

01:32:24,470 --> 01:32:21,520

hour i don't know of a drone or a

2640

01:32:26,390 --> 01:32:24,480

helicopter that can go that fast so

2641

01:32:28,310 --> 01:32:26,400

that's kind of our thinking on this

2642

01:32:31,430 --> 01:32:28,320

particular object

2643

01:32:33,830 --> 01:32:31,440

the fact that it is above the cow and

2644

01:32:35,910 --> 01:32:33,840

you know in looking at it

2645

01:32:39,030 --> 01:32:35,920

there again we can't be certain but it

2646

01:32:40,470 --> 01:32:39,040

does look like the cow's reactions while

2647

01:32:42,070 --> 01:32:40,480

it's on the ground

2648

01:32:44,470 --> 01:32:42,080

seem to be corresponding with the

2649

01:32:45,590 --> 01:32:44,480

movement of this craft

2650

01:32:46,470 --> 01:32:45,600

so

2651

01:32:50,149 --> 01:32:46,480

that

2652

01:32:52,629 --> 01:32:50,159

it's it's not far from what we were

2653

01:32:54,390 --> 01:32:52,639

seeing and um

2654

01:32:56,790 --> 01:32:54,400

i'm sure that we got a few head

2655

01:33:00,870 --> 01:32:56,800

movements and nods and some music in

2656

01:33:02,149 --> 01:33:00,880

there to uh add to it but uh it actually

2657

01:33:03,990 --> 01:33:02,159

when we went backstar looking at the

2658

01:33:06,310 --> 01:33:04,000

footage like that was you know i think

2659

01:33:08,229 --> 01:33:06,320

that was edited pretty accurately

2660

01:33:10,149 --> 01:33:08,239

yeah particularly if it's right what you

2661

01:33:12,709 --> 01:33:10,159

say about brandon being the character he

2662

01:33:14,629 --> 01:33:12,719

is in general that he was particularly

2663

01:33:16,870 --> 01:33:14,639

animated during the scene with linda

2664

01:33:18,629 --> 01:33:16,880

moulton howe and travis and so yeah know

2665

01:33:21,030 --> 01:33:18,639

that that's a great answer appreciate

2666

01:33:23,430 --> 01:33:21,990

that sounds like that could be a

2667

01:33:26,550 --> 01:33:23,440

catchphrase on the second season if

2668

01:33:28,149 --> 01:33:26,560

brandon's anymore that's brandon um so a

2669

01:33:31,030 --> 01:33:28,159

couple more listener questions i've got

2670

01:33:32,870 --> 01:33:31,040

dan asking how are your injuries now

2671

01:33:34,790 --> 01:33:32,880

anything has anything happened regarding

2672

01:33:36,550 --> 01:33:34,800

your head injury since serious season

2673

01:33:38,310 --> 01:33:36,560

one wrapped up and he also says he's

2674

01:33:41,910 --> 01:33:38,320

glad that you're well

2675

01:33:44,390 --> 01:33:41,920

well thank you for your concern and uh i

2676
01:33:46,790 --> 01:33:44,400
have not had any reoccurrences since the

2677
01:33:49,590 --> 01:33:46,800
one that we saw on episode two

2678
01:33:52,310 --> 01:33:49,600
um thank goodness and other than that

2679
01:33:55,669 --> 01:33:52,320
like i say i i'm in good health

2680
01:33:58,149 --> 01:33:55,679
um i do i do have several it's

2681
01:34:01,110 --> 01:33:58,159
interesting like my head is still very

2682
01:34:02,950 --> 01:34:01,120
tender in in that particular spot where

2683
01:34:04,390 --> 01:34:02,960
it started so

2684
01:34:07,350 --> 01:34:04,400
uh this

2685
01:34:09,030 --> 01:34:07,360
my injury happened march of march 4th of

2686
01:34:12,629 --> 01:34:09,040
2017

2687
01:34:15,189 --> 01:34:12,639
and uh here it is 20 20 20

2688
01:34:17,030 --> 01:34:15,199

and uh three years later like my

2689

01:34:20,470 --> 01:34:17,040

back of my head is still tender to the

2690

01:34:21,830 --> 01:34:20,480

touch um and i still get weird

2691

01:34:24,950 --> 01:34:21,840

sensations

2692

01:34:25,830 --> 01:34:24,960

in my uh inside my head and my scalp

2693

01:34:26,709 --> 01:34:25,840

that

2694

01:34:30,229 --> 01:34:26,719

have

2695

01:34:32,550 --> 01:34:30,239

them since some injuries so there are a

2696

01:34:34,149 --> 01:34:32,560

few minor things but overall i'm healthy

2697

01:34:36,870 --> 01:34:34,159

i feel good

2698

01:34:38,390 --> 01:34:36,880

um haven't had any more reoccurrences

2699

01:34:40,470 --> 01:34:38,400

since that little one that we saw in

2700

01:34:42,629 --> 01:34:40,480

episode two when we were

2701

01:34:45,030 --> 01:34:42,639

out camping

2702

01:34:47,430 --> 01:34:45,040

no awesome um it also asks you have

2703

01:34:49,270 --> 01:34:47,440

spoke you spoke in the last episode and

2704

01:34:51,510 --> 01:34:49,280

you've mentioned on on the show as well

2705

01:34:54,229 --> 01:34:51,520

that uh strange events have happened at

2706

01:34:55,750 --> 01:34:54,239

home and they persist to the present day

2707

01:34:57,510 --> 01:34:55,760

do you care to share any particular

2708

01:34:59,270 --> 01:34:57,520

stories or details of what seems to

2709

01:35:01,910 --> 01:34:59,280

follow you from the ranch to your own

2710

01:35:07,270 --> 01:35:04,550

yeah um i will just say that since i

2711

01:35:08,950 --> 01:35:07,280

started working at the ranch um

2712

01:35:15,030 --> 01:35:08,960

we've had some

2713

01:35:16,149 --> 01:35:15,040

some outright terrifying things that

2714

01:35:18,550 --> 01:35:16,159

have happened

2715

01:35:20,310 --> 01:35:18,560

my son just couple weeks ago my oldest

2716

01:35:22,470 --> 01:35:20,320

son he's 15.

2717

01:35:23,990 --> 01:35:22,480

uh you know my kids think it's cool that

2718

01:35:25,510 --> 01:35:24,000

i'm on tv

2719

01:35:27,189 --> 01:35:25,520

you know i mean there's a lot of perks

2720

01:35:29,189 --> 01:35:27,199

that come being come

2721

01:35:31,109 --> 01:35:29,199

with the ranch we were able to go fly in

2722

01:35:32,229 --> 01:35:31,119

brandon's helicopter and you know

2723

01:35:34,790 --> 01:35:32,239

there's some cool things like that that

2724

01:35:36,550 --> 01:35:34,800

my kids really enjoy and think it's cool

2725

01:35:38,709 --> 01:35:36,560

that dad's involved with this project

2726

01:35:40,790 --> 01:35:38,719

but that being said you know my my

2727

01:35:42,470 --> 01:35:40,800

oldest son came to me just two or three

2728

01:35:43,590 --> 01:35:42,480

weeks ago and just said

2729

01:35:44,470 --> 01:35:43,600

um

2730

01:35:46,149 --> 01:35:44,480

you know

2731

01:35:47,750 --> 01:35:46,159

you you still feel like it's worth it

2732

01:35:49,669 --> 01:35:47,760

dad um

2733

01:35:51,430 --> 01:35:49,679

you know you you see what's going on

2734

01:35:53,590 --> 01:35:51,440

here at home

2735

01:35:55,189 --> 01:35:53,600

and uh

2736

01:35:58,709 --> 01:35:55,199

do you do you feel like it's still worth

2737

01:36:01,430 --> 01:35:58,719

it and it was a it was a valid question

2738

01:36:03,669 --> 01:36:01,440

um as far as specific instances i'll

2739

01:36:06,870 --> 01:36:03,679

i'll refer him to my twitter feed if you

2740

01:36:10,709 --> 01:36:06,880

go to my twitter feed and i i posted

2741

01:36:13,669 --> 01:36:10,719

uh a little video and an explanation

2742

01:36:16,709 --> 01:36:13,679

about a time that happened with my car

2743

01:36:21,510 --> 01:36:18,629

the reason why i'm hesitant to share

2744

01:36:23,270 --> 01:36:21,520

things that go on at my house is

2745

01:36:27,030 --> 01:36:23,280

i shared this particular incident about

2746

01:36:31,030 --> 01:36:29,109

it's no different than the rest of the

2747

01:36:33,109 --> 01:36:31,040

million ufo stories we've been told in

2748

01:36:35,750 --> 01:36:33,119

the fact that

2749

01:36:39,030 --> 01:36:35,760

in order for you to

2750

01:36:42,390 --> 01:36:39,040

accept it you have to overlook a lot of

2751

01:36:47,830 --> 01:36:44,950

for example my windows rolled down

2752

01:36:50,310 --> 01:36:47,840

and my camera the specific camera my

2753

01:36:52,070 --> 01:36:50,320

surveillance system at my house

2754

01:36:54,790 --> 01:36:52,080

before the windows go down it shuts

2755

01:36:56,790 --> 01:36:54,800

itself off none of the other seven or

2756

01:36:58,629 --> 01:36:56,800

the other yeah the other seven cameras

2757

01:37:01,109 --> 01:36:58,639

that are on the system work beautifully

2758

01:37:02,950 --> 01:37:01,119

never even so much as flickered

2759

01:37:04,629 --> 01:37:02,960

and yet the one on the front of my house

2760

01:37:07,430 --> 01:37:04,639

facing this car

2761

01:37:09,590 --> 01:37:07,440

goes off for a couple of minutes

2762

01:37:11,430 --> 01:37:09,600

there's no way for people would have

2763

01:37:13,830 --> 01:37:11,440

like for this to be significant people

2764

01:37:16,550 --> 01:37:13,840

have to take me at my word that i didn't

2765

01:37:18,629 --> 01:37:16,560

go upstairs and turn that camera off

2766

01:37:20,629 --> 01:37:18,639

that i didn't just use the key fob and

2767

01:37:23,030 --> 01:37:20,639

roll the windows down

2768

01:37:26,390 --> 01:37:23,040

um that i didn't turn it off or walk

2769

01:37:27,910 --> 01:37:26,400

outside like there's a lot of holes here

2770

01:37:30,149 --> 01:37:27,920

that

2771

01:37:31,669 --> 01:37:30,159

i'm expecting people to believe and and

2772

01:37:33,750 --> 01:37:31,679

the truth is i don't expect them to

2773

01:37:35,750 --> 01:37:33,760

believe i'm simply just throwing an

2774

01:37:38,070 --> 01:37:35,760

experience out there and saying

2775

01:37:40,709 --> 01:37:38,080

this is what's taken place

2776

01:37:42,709 --> 01:37:40,719

and as far as being able to prove it

2777

01:37:44,870 --> 01:37:42,719

well i can't prove that my key fob was

2778

01:37:46,709 --> 01:37:44,880

on my dresser the whole time or my my

2779

01:37:49,669 --> 01:37:46,719

little nightstand

2780

01:37:51,830 --> 01:37:49,679

i can't prove that i didn't go upstairs

2781

01:37:54,470 --> 01:37:51,840

and turn that camera off

2782

01:37:56,550 --> 01:37:54,480

um and so because of that

2783

01:37:57,990 --> 01:37:56,560

i also can't prove that it happened the

2784

01:38:00,229 --> 01:37:58,000

exact way it did

2785

01:38:01,430 --> 01:38:00,239

um all i know is i came home from the

2786

01:38:04,229 --> 01:38:01,440

ranch

2787

01:38:06,470 --> 01:38:04,239

it's a cold morning it's 11 below 11

2788

01:38:07,510 --> 01:38:06,480

fahrenheit below zero

2789

01:38:09,830 --> 01:38:07,520

um

2790

01:38:11,270 --> 01:38:09,840

here in roosevelt my windows are rolled

2791

01:38:13,189 --> 01:38:11,280

up i pull in

2792

01:38:15,669 --> 01:38:13,199

i come in the house

2793

01:38:17,030 --> 01:38:15,679

my key fob i only have one key fob to my

2794

01:38:19,189 --> 01:38:17,040

car

2795

01:38:20,870 --> 01:38:19,199

and i i set it down i was actually

2796

01:38:22,470 --> 01:38:20,880

showering getting ready that's how i

2797

01:38:24,550 --> 01:38:22,480

like i know for a fact i didn't have the

2798

01:38:27,350 --> 01:38:24,560

key fob in my pocket because i didn't

2799

01:38:28,629 --> 01:38:27,360

have i was showering getting ready

2800

01:38:34,470 --> 01:38:28,639

and

2801

01:38:35,750 --> 01:38:34,480

all down in your car

2802

01:38:36,870 --> 01:38:35,760

the heck

2803

01:38:38,629 --> 01:38:36,880

well

2804

01:38:40,310 --> 01:38:38,639

so i go outside and sure enough the

2805

01:38:42,310 --> 01:38:40,320

windows are all down

2806

01:38:43,990 --> 01:38:42,320

i try to roll them up i can't roll them

2807

01:38:45,430 --> 01:38:44,000

up so i have to run in the house grab my

2808

01:38:47,430 --> 01:38:45,440

key fob

2809

01:38:48,950 --> 01:38:47,440

run out there

2810

01:38:49,830 --> 01:38:48,960

roll them up

2811

01:38:52,390 --> 01:38:49,840

and

2812

01:38:54,629 --> 01:38:52,400

i immediately go upstairs to my camera

2813

01:38:56,790 --> 01:38:54,639

system to look and see how the heck my

2814

01:38:58,629 --> 01:38:56,800

windows rolled themselves down

2815

01:39:01,189 --> 01:38:58,639

and lo and behold

2816

01:39:03,830 --> 01:39:01,199

that one camera facing my car

2817

01:39:05,590 --> 01:39:03,840

went down for three minutes now i think

2818

01:39:08,070 --> 01:39:05,600

it was i think it was a three minute

2819

01:39:11,750 --> 01:39:08,080

time of period that it went down

2820

01:39:14,310 --> 01:39:11,760

um now eric help me get into the log of

2821

01:39:16,310 --> 01:39:14,320

my camera system which shows every time

2822

01:39:18,470 --> 01:39:16,320

it's been logged into it shows when it's

2823

01:39:21,510 --> 01:39:18,480

been given a command to stop recording

2824

01:39:23,510 --> 01:39:21,520

it logs all this stuff

2825

01:39:24,950 --> 01:39:23,520

there were no nobody logged into the

2826

01:39:28,629 --> 01:39:24,960

system

2827

01:39:29,669 --> 01:39:28,639

hack i don't i'm not saying it's very

2828

01:39:32,310 --> 01:39:29,679

secure

2829

01:39:34,149 --> 01:39:32,320

but nobody logged into it there were no

2830

01:39:35,030 --> 01:39:34,159

commands given to that camera to shut

2831

01:39:37,830 --> 01:39:35,040

off

2832

01:39:39,430 --> 01:39:37,840

um it just decided to quit working for

2833

01:39:40,870 --> 01:39:39,440

three minutes the same three minutes

2834

01:39:43,350 --> 01:39:40,880

that these windows rolled themselves

2835

01:39:45,109 --> 01:39:43,360

down my car does have and i learned this

2836

01:39:47,430 --> 01:39:45,119

from the viewers on twitter i appreciate

2837

01:39:49,189 --> 01:39:47,440

it like i didn't know this but my key

2838

01:39:51,350 --> 01:39:49,199

fob if i hold the unlock button long

2839

01:39:53,750 --> 01:39:51,360

enough the windows will roll themselves

2840

01:39:56,870 --> 01:39:53,760

down it's a so it's a feature that is

2841

01:39:58,870 --> 01:39:56,880

built into the car it is made to do that

2842

01:40:01,030 --> 01:39:58,880

i didn't know it was there when i put it

2843

01:40:02,790 --> 01:40:01,040

on twitter so i'm grateful for the

2844

01:40:04,709 --> 01:40:02,800

viewers that are the you know the

2845

01:40:05,750 --> 01:40:04,719

twitter followers that bring that to my

2846

01:40:08,790 --> 01:40:05,760

attention

2847

01:40:10,950 --> 01:40:08,800

um it explains part of the mystery but i

2848

01:40:12,870 --> 01:40:10,960

didn't have the key fob on me so i know

2849

01:40:14,390 --> 01:40:12,880

for a fact like there's no way that key

2850

01:40:15,510 --> 01:40:14,400

fob button got pushed and rolled those

2851

01:40:16,709 --> 01:40:15,520

windows down

2852

01:40:18,390 --> 01:40:16,719

but

2853

01:40:20,550 --> 01:40:18,400

then it brings it back what what is it

2854

01:40:22,870 --> 01:40:20,560

that we see on the ranch all the time

2855

01:40:24,709 --> 01:40:22,880

it's the electromagnetic radiation that

2856

01:40:25,510 --> 01:40:24,719

we're picking up these radio frequencies

2857

01:40:27,510 --> 01:40:25,520

well

2858

01:40:30,229 --> 01:40:27,520

that's all the key fob is the radio

2859

01:40:32,390 --> 01:40:30,239

frequency to the car tells it to do that

2860

01:40:35,030 --> 01:40:32,400

and then the camera going down again

2861

01:40:37,910 --> 01:40:35,040

another electronic

2862

01:40:41,270 --> 01:40:37,920

so it's possible that whatever you know

2863

01:40:43,669 --> 01:40:41,280

has the ability to to hit that frequency

2864

01:40:46,149 --> 01:40:43,679

and make that car do that that's that's

2865

01:40:47,990 --> 01:40:46,159

one example of things that we've seen

2866

01:40:50,070 --> 01:40:48,000

um we

2867

01:40:51,510 --> 01:40:50,080

the list is long and and i've had some

2868

01:40:54,790 --> 01:40:51,520

things that have been serious enough

2869

01:40:55,830 --> 01:40:54,800

that i've had to call the authorities

2870

01:40:57,750 --> 01:40:55,840

um

2871

01:40:59,030 --> 01:40:57,760

and some things that have terrified my

2872

01:41:01,030 --> 01:40:59,040

family and

2873

01:41:03,830 --> 01:41:01,040

um so

2874

01:41:06,229 --> 01:41:03,840

there's there's those things that i know

2875

01:41:08,629 --> 01:41:06,239

are real and then i tell people there's

2876

01:41:11,189 --> 01:41:08,639

also the observer effect i mean you go

2877

01:41:13,189 --> 01:41:11,199

by go go buy a white

2878

01:41:14,709 --> 01:41:13,199

jeep and the next day you realize that

2879

01:41:16,229 --> 01:41:14,719

10 of your neighbors have the same white

2880

01:41:18,149 --> 01:41:16,239

jeep and you didn't notice that the day

2881

01:41:20,390 --> 01:41:18,159

before right like

2882

01:41:22,629 --> 01:41:20,400

we noticed those things so

2883

01:41:24,149 --> 01:41:22,639

before i worked on the ranch who's to

2884

01:41:25,669 --> 01:41:24,159

say that i didn't have crazy things

2885

01:41:27,270 --> 01:41:25,679

happening around me but i just was

2886

01:41:29,350 --> 01:41:27,280

oblivious to it

2887

01:41:30,310 --> 01:41:29,360

so i try to take that into account and

2888

01:41:32,070 --> 01:41:30,320

say

2889

01:41:33,910 --> 01:41:32,080

is it that there's really more crazy

2890

01:41:35,910 --> 01:41:33,920

things going on at my house

2891

01:41:36,950 --> 01:41:35,920

or is it simply that i work on the ranch

2892

01:41:39,750 --> 01:41:36,960

and now i

2893

01:41:41,350 --> 01:41:39,760

recognize and observe more crazy things

2894

01:41:43,990 --> 01:41:41,360

they were there the whole time but i

2895

01:41:45,430 --> 01:41:44,000

just didn't notice them i like there's

2896

01:41:48,229 --> 01:41:45,440

all these things you have to weigh out

2897

01:41:49,830 --> 01:41:48,239

and balance and say what is it there are

2898

01:41:51,830 --> 01:41:49,840

several these serious things that have

2899

01:41:53,750 --> 01:41:51,840

taken place that that i know for a fact

2900

01:41:55,990 --> 01:41:53,760

those things didn't happen before my

2901

01:41:59,109 --> 01:41:56,000

association with the ranch so there's

2902

01:42:00,870 --> 01:41:59,119

definitely some aspect or element of it

2903

01:42:02,950 --> 01:42:00,880

and then you add in the fact that so

2904

01:42:04,229 --> 01:42:02,960

many people that have visited the ranch

2905

01:42:06,229 --> 01:42:04,239

go home

2906

01:42:08,149 --> 01:42:06,239

and whatever it is this is their words

2907

01:42:11,030 --> 01:42:08,159

it followed them home you know the

2908

01:42:12,310 --> 01:42:11,040

hitchhiker effect i believe in it

2909

01:42:15,030 --> 01:42:12,320

completely

2910

01:42:17,750 --> 01:42:15,040

um i believe it's real

2911

01:42:20,070 --> 01:42:17,760

but that's that's just me

2912

01:42:22,229 --> 01:42:20,080

no awesome uh dan also asked are you a

2913

01:42:25,830 --> 01:42:22,239

cat or a dog person

2914

01:42:28,470 --> 01:42:25,840

i'm a dog person i got i got two chows i

2915

01:42:29,830 --> 01:42:28,480

i'm a child guy i got a white chow and a

2916

01:42:31,510 --> 01:42:29,840

red child

2917

01:42:33,030 --> 01:42:31,520

awesome and not to upset anyone but

2918

01:42:35,990 --> 01:42:33,040

that's the only answer to that question

2919

01:42:37,990 --> 01:42:36,000

anyway so last question from andy well

2920

01:42:40,790 --> 01:42:38,000

you mentioned just before there thomas

2921

01:42:42,550 --> 01:42:40,800

about the tic tac incident and ufos

2922

01:42:43,910 --> 01:42:42,560

what do you think we are seeing in our

2923

01:42:45,910 --> 01:42:43,920

skies when it comes to some of these

2924

01:42:48,149 --> 01:42:45,920

crafts would you would you go as far to

2925

01:42:49,430 --> 01:42:48,159

say aliens as if it was a personal

2926

01:42:52,070 --> 01:42:49,440

opinion or

2927

01:42:54,629 --> 01:42:52,080

yeah i i i'm starting to think it would

2928

01:42:56,870 --> 01:42:54,639

have to be extraterrestrial like

2929

01:42:58,070 --> 01:42:56,880

i've always been of the mindset that it

2930

01:43:00,229 --> 01:42:58,080

was just

2931

01:43:03,350 --> 01:43:00,239

secret projects with governments

2932

01:43:04,629 --> 01:43:03,360

um deep state type stuff

2933

01:43:06,790 --> 01:43:04,639

but um

2934

01:43:09,109 --> 01:43:06,800

i'm i'm becoming more the mindset that

2935

01:43:10,390 --> 01:43:09,119

it's some of these uh

2936

01:43:13,830 --> 01:43:10,400

possibly

2937

01:43:15,669 --> 01:43:13,840

probably are extraterrestrial

2938

01:43:17,109 --> 01:43:15,679

awesome thank you and thanks all the

2939

01:43:19,270 --> 01:43:17,119

listeners for those questions so we'll

2940

01:43:20,870 --> 01:43:19,280

move on to the quick fire run so thomas

2941

01:43:23,109 --> 01:43:20,880

before we finish up a bit of a word

2942

01:43:25,510 --> 01:43:23,119

association here what i've done for this

2943

01:43:27,510 --> 01:43:25,520

one is um i've got a few different names

2944

01:43:28,870 --> 01:43:27,520

i've got the cast on here as well and if

2945

01:43:30,790 --> 01:43:28,880

you want to just give us a quick one

2946

01:43:33,030 --> 01:43:30,800

word or a few words on each or you can

2947

01:43:38,550 --> 01:43:33,040

expand your answers it's absolutely fine

2948

01:43:44,310 --> 01:43:40,870

good guy

2949

01:43:44,320 --> 01:43:46,950

um

2950

01:43:51,510 --> 01:43:49,229

boy

2951

01:43:53,830 --> 01:43:51,520

undescrivable maybe

2952

01:43:55,189 --> 01:43:53,840

it's hard it's hard to describe brandon

2953

01:43:56,950 --> 01:43:55,199

in one word

2954

01:43:59,669 --> 01:43:56,960

he's a

2955

01:44:04,390 --> 01:43:59,679

incredible human being

2956

01:44:10,390 --> 01:44:07,990

travis is a fun guy to be around

2957

01:44:13,910 --> 01:44:10,400

eddie bob

2958

01:44:16,790 --> 01:44:13,920

uh smartest guy i've ever met

2959

01:44:19,669 --> 01:44:16,800

jim stagala

2960

01:44:19,679 --> 01:44:25,590

so with jim

2961

01:44:36,629 --> 01:44:30,550

uh

2962

01:44:39,189 --> 01:44:36,639

i'm grateful to jim jim's my security

2963

01:44:41,430 --> 01:44:39,199

blanket because he's kind of the

2964

01:44:43,109 --> 01:44:41,440

when i say security i just mean he

2965

01:44:45,990 --> 01:44:43,119

understands my injury probably better

2966

01:44:49,830 --> 01:44:46,000

than anybody else on the ranch team so

2967

01:44:51,990 --> 01:44:49,840

uh i like having him on the ranch

2968

01:44:53,910 --> 01:44:52,000

when it comes to my health because i

2969

01:44:55,270 --> 01:44:53,920

feel like he understands better than

2970

01:44:58,550 --> 01:44:55,280

anyone else

2971

01:45:00,709 --> 01:44:58,560

what happened to me if that makes sense

2972

01:45:03,270 --> 01:45:00,719

yeah that's the next

2973

01:45:06,390 --> 01:45:03,280

yeah awesome the next one would be at

2974

01:45:08,790 --> 01:45:06,400

the possibility there are portals on the

2975

01:45:10,870 --> 01:45:08,800

ranch

2976

01:45:12,709 --> 01:45:10,880

uh

2977

01:45:13,669 --> 01:45:12,719

yeah i think

2978

01:45:16,390 --> 01:45:13,679

yes

2979

01:45:19,830 --> 01:45:16,400

i i think it's highly possible

2980

01:45:22,149 --> 01:45:19,840

okay um your own ideas or perception of

2981

01:45:24,709 --> 01:45:22,159

how consciousness plays into all of this

2982

01:45:27,990 --> 01:45:24,719

phenomena

2983

01:45:29,510 --> 01:45:28,000

i think that cognitive and consciousness

2984

01:45:31,590 --> 01:45:29,520

is

2985

01:45:33,430 --> 01:45:31,600

probably the main thing we should be

2986

01:45:34,709 --> 01:45:33,440

focusing on the ranch i think it plays

2987

01:45:36,950 --> 01:45:34,719

huge into it

2988

01:45:38,070 --> 01:45:36,960

matter of fact i you ask me i think it

2989

01:45:39,669 --> 01:45:38,080

makes up

2990

01:45:41,030 --> 01:45:39,679

my personal opinion

2991

01:45:43,270 --> 01:45:41,040

is

2992

01:45:44,709 --> 01:45:43,280

that's what we should be

2993

01:45:49,350 --> 01:45:44,719

spending our time

2994

01:45:54,709 --> 01:45:49,360

looking at but uh yeah absolutely huge

2995

01:46:02,149 --> 01:45:59,030

uh this is public or private um

2996

01:46:04,470 --> 01:46:02,159

he is mysterious

2997

01:46:06,709 --> 01:46:04,480

he certainly is and the last one i like

2998

01:46:09,350 --> 01:46:06,719

to end all of my my guests for the same

2999

01:46:11,350 --> 01:46:09,360

one is disclosure

3000

01:46:15,830 --> 01:46:11,360

and what the skinwalker ranch what has

3001

01:46:21,430 --> 01:46:19,430

uh yeah disclosure is very important

3002

01:46:23,350 --> 01:46:21,440

i'm grateful to work on a team we all

3003

01:46:25,030 --> 01:46:23,360

have the same common goal

3004

01:46:27,590 --> 01:46:25,040

and that is

3005

01:46:28,950 --> 01:46:27,600

disclosure and i know that all the

3006

01:46:31,270 --> 01:46:28,960

gentlemen that i work with our

3007

01:46:32,390 --> 01:46:31,280

credibility means everything to us we're

3008

01:46:34,470 --> 01:46:32,400

not here

3009

01:46:35,510 --> 01:46:34,480

um personally i don't care about the

3010

01:46:37,830 --> 01:46:35,520

fame

3011

01:46:39,510 --> 01:46:37,840

uh i'm definitely not getting rich off

3012

01:46:42,149 --> 01:46:39,520

of this at least i haven't seen any of

3013

01:46:45,189 --> 01:46:42,159

it yet um

3014

01:46:46,550 --> 01:46:45,199

this is about getting answers and

3015

01:46:49,109 --> 01:46:46,560

there are enough smart people in the

3016

01:46:51,270 --> 01:46:49,119

world that if we try to sell a bunch of

3017

01:46:54,790 --> 01:46:51,280

lies we're just going history is going

3018

01:46:57,350 --> 01:46:54,800

to show us to be a bunch of fools and

3019

01:47:00,149 --> 01:46:57,360

we don't that's not what we want we want

3020

01:47:02,070 --> 01:47:00,159

to play a part in this and i think that

3021

01:47:03,990 --> 01:47:02,080

skinwalker ranch

3022

01:47:05,590 --> 01:47:04,000

has the possibility and a real

3023

01:47:08,310 --> 01:47:05,600

probability

3024

01:47:11,189 --> 01:47:08,320

of playing a huge part being very

3025

01:47:12,629 --> 01:47:11,199

instrumental in helping us understand

3026

01:47:14,390 --> 01:47:12,639

the world around us

3027

01:47:15,510 --> 01:47:14,400

even better than we do now and helping

3028

01:47:17,590 --> 01:47:15,520

us

3029

01:47:18,629 --> 01:47:17,600

gain answers to

3030

01:47:25,830 --> 01:47:18,639

the

3031

01:47:29,350 --> 01:47:25,840

unseen forces that we coexist with in

3032

01:47:31,830 --> 01:47:29,360

this world whether it be other realms or

3033

01:47:33,910 --> 01:47:31,840

you know just physics that we we don't

3034

01:47:36,950 --> 01:47:33,920

understand yet and i think skinwalker

3035

01:47:38,709 --> 01:47:36,960

ranch if we're allowed to continue

3036

01:47:40,070 --> 01:47:38,719

this investigation

3037

01:47:41,430 --> 01:47:40,080

and the investigation is going to happen

3038

01:47:43,430 --> 01:47:41,440

whether the cameras roll or not

3039

01:47:45,109 --> 01:47:43,440

brandon's committed to this it's been

3040

01:47:46,550 --> 01:47:45,119

happening for three years before the

3041

01:47:49,430 --> 01:47:46,560

cameras came

3042

01:47:50,790 --> 01:47:49,440

it will continue after the cameras go

3043

01:47:52,950 --> 01:47:50,800

and uh

3044

01:47:54,629 --> 01:47:52,960

but i i believe the ranch has the

3045

01:47:58,310 --> 01:47:54,639

potential to be

3046

01:47:59,590 --> 01:47:58,320

one of the greatest assets in this space

3047

01:48:01,109 --> 01:47:59,600

for uh

3048

01:48:02,070 --> 01:48:01,119

obtaining the answers that everybody's

3049

01:48:04,229 --> 01:48:02,080

seeking

3050

01:48:05,990 --> 01:48:04,239

so thomas it's been great speaking with

3051
01:48:07,750 --> 01:48:06,000
you and just before you go have you got

3052
01:48:09,430 --> 01:48:07,760
any final words for the listeners where

3053
01:48:11,270 --> 01:48:09,440
they can follow you right where they can

3054
01:48:13,109 --> 01:48:11,280
find you

3055
01:48:14,229 --> 01:48:13,119
yeah so uh

3056
01:48:20,390 --> 01:48:14,239
i

3057
01:48:23,270 --> 01:48:20,400
podcast

3058
01:48:25,270 --> 01:48:23,280
um thank you for being engaged

3059
01:48:26,470 --> 01:48:25,280
i i love all of our

3060
01:48:28,229 --> 01:48:26,480
uh

3061
01:48:29,830 --> 01:48:28,239
viewers whether they

3062
01:48:31,350 --> 01:48:29,840
like us or hate us

3063
01:48:33,189 --> 01:48:31,360

i just appreciate the fact that they're

3064

01:48:36,310 --> 01:48:33,199

spending time with us

3065

01:48:38,229 --> 01:48:36,320

and that they're engaged in this subject

3066

01:48:41,510 --> 01:48:38,239

and uh

3067

01:48:44,229 --> 01:48:41,520

they can i am online um

3068

01:48:46,149 --> 01:48:44,239

you know i'm trying to change i've been

3069

01:48:49,270 --> 01:48:46,159

a very private person in the past so

3070

01:48:54,310 --> 01:48:49,280

social media has not been my big thing

3071

01:48:59,830 --> 01:48:57,750

and i'm on twitter and i'm on instagram

3072

01:49:01,830 --> 01:48:59,840

so they can search me out thomas

3073

01:49:04,229 --> 01:49:01,840

winterton i think thomas r winterton i

3074

01:49:06,310 --> 01:49:04,239

don't remember uh some of those

3075

01:49:07,350 --> 01:49:06,320

but uh i'll probably check out the links

3076

01:49:09,590 --> 01:49:07,360

in the bio

3077

01:49:11,510 --> 01:49:09,600

okay yeah they can check me out online

3078

01:49:13,589 --> 01:49:11,520

and encourage them to go check out what

3079

01:49:15,030 --> 01:49:13,599

my wife's doing with meditation it's

3080

01:49:16,470 --> 01:49:15,040

interesting it goes hand in hand with

3081

01:49:17,350 --> 01:49:16,480

what we're seeing at the ranch some of

3082

01:49:18,870 --> 01:49:17,360

this

3083

01:49:21,830 --> 01:49:18,880

quantum

3084

01:49:22,870 --> 01:49:21,840

cognitive things um very much into inner

3085

01:49:25,350 --> 01:49:22,880

energy

3086

01:49:26,790 --> 01:49:25,360

and the results that we're seeing with

3087

01:49:28,470 --> 01:49:26,800

this meditation

3088

01:49:30,070 --> 01:49:28,480

is massive people are getting into a

3089

01:49:33,910 --> 01:49:30,080

theta state of meditation with her

3090

01:49:36,390 --> 01:49:33,920

process in 45 to 60 seconds which is

3091

01:49:38,390 --> 01:49:36,400

phenomenal so anyways encourage people

3092

01:49:40,070 --> 01:49:38,400

to check that out as well

3093

01:49:41,990 --> 01:49:40,080

so do you know something i didn't ask

3094

01:49:43,830 --> 01:49:42,000

you in the the body of the show but i've

3095

01:49:45,750 --> 01:49:43,840

really meant to what does your wife

3096

01:49:48,870 --> 01:49:45,760

think is happening on the ranch

3097

01:49:50,149 --> 01:49:48,880

my wife is extremely intuitive very

3098

01:49:52,310 --> 01:49:50,159

gifted

3099

01:49:55,109 --> 01:49:52,320

she has the ability to see and hear

3100

01:49:59,189 --> 01:49:55,119

things that most people cannot

3101

01:50:01,830 --> 01:49:59,199

um and has been proven correct

3102

01:50:04,470 --> 01:50:01,840

so many times that uh i don't even

3103

01:50:05,350 --> 01:50:04,480

question her anymore like it's

3104

01:50:06,870 --> 01:50:05,360

uh

3105

01:50:09,510 --> 01:50:06,880

she says that i'll take it to the bank

3106

01:50:11,669 --> 01:50:09,520

i'll mortgage my house on it um

3107

01:50:13,830 --> 01:50:11,679

and uh

3108

01:50:15,910 --> 01:50:13,840

that being said she has asked me to

3109

01:50:17,510 --> 01:50:15,920

never publicly speak about her views on

3110

01:50:18,790 --> 01:50:17,520

the ranch so

3111

01:50:20,470 --> 01:50:18,800

you have to say

3112

01:50:22,709 --> 01:50:20,480

that's gonna have to just stay with me

3113

01:50:24,790 --> 01:50:22,719

but it's interesting

3114

01:50:26,470 --> 01:50:24,800

that's a whole another story for down

3115

01:50:27,750 --> 01:50:26,480

the line you never know when your your

3116

01:50:29,669 --> 01:50:27,760

wife decides to come out and maybe have

3117

01:50:31,990 --> 01:50:29,679

her own documentary so we'll look

3118

01:50:33,430 --> 01:50:32,000

forward to that but thomas from me thank

3119

01:50:34,470 --> 01:50:33,440

you very much for being on the show it's

3120

01:50:36,550 --> 01:50:34,480

you've been really generous with your

3121

01:50:37,910 --> 01:50:36,560

time so i really appreciate it

3122

01:50:40,229 --> 01:50:37,920

it's been a pleasure thank you for

3123

01:50:42,470 --> 01:50:40,239

inviting me that is all for this week's

3124

01:50:44,310 --> 01:50:42,480

show thank you very much for listening

3125

01:50:46,870 --> 01:50:44,320

please remember to leave the podcaster

3126
01:50:49,350 --> 01:50:46,880
review on your chosen platform you can

3127
01:50:51,510 --> 01:50:49,360
like retweet and subscribe that would

3128
01:50:53,510 --> 01:50:51,520
all be very much appreciated the shows

3129
01:50:55,270 --> 01:50:53,520
are being uploaded onto youtube as we

3130
01:50:57,830 --> 01:50:55,280
speak more and more you can sign up at

3131
01:51:00,550 --> 01:50:57,840
patreon.com forward slash that ufo

3132
01:51:02,709 --> 01:51:00,560
podcast to access shows ad free as well

3133
01:51:05,510 --> 01:51:02,719
please get in touch on twitter facebook

3134
01:51:09,270 --> 01:51:05,520
instagram that ufo podcast of course on

3135
01:51:11,189 --> 01:51:09,280
twitter it's at ufo uap a.m and again

3136
01:51:13,970 --> 01:51:11,199
folks as always keep looking up you

3137
01:51:34,950 --> 01:51:13,980
never know what you might see

3138
01:51:34,960 --> 01:51:41,030

i don't think he expected me

3139

01:51:41,040 --> 01:51:56,149

[Music]

3140

01:51:56,159 --> 01:52:15,270

cuz

3141

01:52:20,090 --> 01:52:16,629

they thought this was noise they thought

3142

01:52:39,189 --> 01:52:29,330

[Music]

3143

01:52:39,199 --> 01:52:43,820

and what's that

3144

01:52:57,109 --> 01:52:49,189

[Music]

3145

01:52:57,119 --> 01:52:58,730

your serious

3146

01:52:58,740 --> 01:53:16,149

[Music]

3147

01:53:16,159 --> 01:53:22,020

foreign
