P O D C A S T

FROM THE ARCHIVES:
MJ BANIAS

1
00:00:00,040 --> 00:00:05,510

[Music]

2
00:00:10,950 --> 00:00:08,710

there's a whole fleet of look on the sa

3
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

4
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

5
00:00:23,960 --> 00:00:18,960

sphere where the points of the cube

6
00:00:37,190 --> 00:00:33,220

[Music]

7
00:00:38,709 --> 00:00:37,200

[Applause]

8
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

9
00:00:47,830 --> 00:00:40,960

limited to the united states it's a

10
00:00:52,549 --> 00:00:50,229

hi folks so coming back from that uh we

11
00:00:55,590 --> 00:00:52,559

have our next guest on that ufo podcast

12
00:00:57,830 --> 00:00:55,600

guest number five he is an author

13
00:01:00,470 --> 00:00:57,840

journalist and educator he's written

14

00:01:03,110 --> 00:01:00,480

articles for vice 14 times popular

15

00:01:05,189 --> 00:01:03,120

mechanics and many other

16

00:01:06,390 --> 00:01:05,199

what would i say many other

17

00:01:10,710 --> 00:01:06,400

publications

18

00:01:13,109 --> 00:01:10,720

mj as of course mj banayas someone that

19

00:01:15,270 --> 00:01:13,119

has been very popular on the ufo twitter

20

00:01:16,789 --> 00:01:15,280

feeds of recent times and someone a lot

21

00:01:18,230 --> 00:01:16,799

of you guys have requested i speak to so

22

00:01:20,230 --> 00:01:18,240

mj how are you

23

00:01:22,469 --> 00:01:20,240

i'm i'm terrific how are you

24

00:01:24,870 --> 00:01:22,479

i am very well thanks for sparing some

25

00:01:26,789 --> 00:01:24,880

time to speak to us i know you've been a

26
00:01:28,310 --> 00:01:26,799
busy busy guy and i can see from your

27
00:01:30,310 --> 00:01:28,320
your twitter feed just recently you've

28
00:01:32,870 --> 00:01:30,320
been looking at our close encounters or

29
00:01:35,030 --> 00:01:32,880
the third kind scene that your daughter

30
00:01:36,789 --> 00:01:35,040
has created which is very cool so again

31
00:01:39,030 --> 00:01:36,799
keeping it in the family

32
00:01:41,429 --> 00:01:39,040
uh yeah i i it's funny i don't actually

33
00:01:43,270 --> 00:01:41,439
she just naturally does it i think she's

34
00:01:44,950 --> 00:01:43,280
channeling or downloading information

35
00:01:46,789 --> 00:01:44,960
from from the hive mind or something i

36
00:01:48,389 --> 00:01:46,799
don't know it's it's not my influence

37
00:01:50,230 --> 00:01:48,399
but

38
00:01:51,510 --> 00:01:50,240

it's very cool it's good to get them

39

00:01:52,950 --> 00:01:51,520

kind of involved young that next

40

00:01:54,389 --> 00:01:52,960

generation kind of coming through of

41

00:01:56,310 --> 00:01:54,399

ufologists and

42

00:01:57,590 --> 00:01:56,320

people with an open mind i think in the

43

00:01:59,190 --> 00:01:57,600

past would have said conspiracy

44

00:02:00,789 --> 00:01:59,200

theorists but given what we're going to

45

00:02:02,069 --> 00:02:00,799

talk about it's uh it's always good to

46

00:02:04,310 --> 00:02:02,079

keep an open mind with these things and

47

00:02:06,830 --> 00:02:04,320

where we're going so um mj you're

48

00:02:10,309 --> 00:02:06,840

someone that i started following

49

00:02:11,670 --> 00:02:10,319

uh six seven months ago on twitter um

50

00:02:13,510 --> 00:02:11,680

didn't really know

51
00:02:15,510 --> 00:02:13,520
much about you beforehand and then i

52
00:02:16,949 --> 00:02:15,520
just realized that in this world you're

53
00:02:18,790 --> 00:02:16,959
you're really involved there's a lot of

54
00:02:20,550 --> 00:02:18,800
people tag you in various different

55
00:02:23,190 --> 00:02:20,560
articles asking for your opinion on

56
00:02:25,030 --> 00:02:23,200
things and then you can see how involved

57
00:02:26,470 --> 00:02:25,040
you are so what is your background and

58
00:02:27,990 --> 00:02:26,480
how did you get involved in the ufo

59
00:02:30,710 --> 00:02:28,000
subject

60
00:02:33,030 --> 00:02:30,720
you know my my day job my background i'm

61
00:02:37,350 --> 00:02:33,040
an educator so i teach english in

62
00:02:39,190 --> 00:02:37,360
history um full-time and then um i i

63
00:02:41,670 --> 00:02:39,200

as as a result of sort of my academic

64

00:02:44,630 --> 00:02:41,680

interests um i i

65

00:02:45,910 --> 00:02:44,640

was really into at university i'm sorry

66

00:02:47,350 --> 00:02:45,920

i'll back up my background university

67

00:02:48,229 --> 00:02:47,360

was in culture studies in critical

68

00:02:49,270 --> 00:02:48,239

theory

69

00:02:53,990 --> 00:02:49,280

um

70

00:02:56,309 --> 00:02:54,000

cultures and how they create knowledge

71

00:02:58,070 --> 00:02:56,319

and how cultures um

72

00:02:59,910 --> 00:02:58,080

you know create ideal ideological

73

00:03:01,750 --> 00:02:59,920

systems and value systems and then kind

74

00:03:03,110 --> 00:03:01,760

of you know expand outwards from there

75

00:03:04,949 --> 00:03:03,120

um so i was really big into studying

76

00:03:07,430 --> 00:03:04,959

subcultures i was really into studying

77

00:03:09,990 --> 00:03:07,440

um you know like the gothic and punk

78

00:03:11,670 --> 00:03:10,000

rock scene in the early 2000s and stuff

79

00:03:12,630 --> 00:03:11,680

like that

80

00:03:14,070 --> 00:03:12,640

so

81

00:03:16,470 --> 00:03:14,080

i was really into subcultures i'm still

82

00:03:19,670 --> 00:03:16,480

into subcultures and um

83

00:03:21,430 --> 00:03:19,680

i decided that i needed a project um and

84

00:03:22,710 --> 00:03:21,440

with the help of some other people who i

85

00:03:25,030 --> 00:03:22,720

knew who are kind of involved in this

86

00:03:28,470 --> 00:03:25,040

world the paranormal kind of ufo space

87

00:03:30,309 --> 00:03:28,480

um they pushed me to look at you know

88

00:03:33,750 --> 00:03:30,319

you should look at the ufo community and

89

00:03:35,990 --> 00:03:33,760

the paranormal kind of communities um as

90

00:03:39,030 --> 00:03:36,000

a subcultural study right don't look at

91

00:03:42,309 --> 00:03:39,040

ufos from the sort of traditional nuts

92

00:03:43,270 --> 00:03:42,319

and bolts um aspect but look at it more

93

00:03:45,110 --> 00:03:43,280

from

94

00:03:47,430 --> 00:03:45,120

how the the culture in the community

95

00:03:50,149 --> 00:03:47,440

around ufos has developed and grown

96

00:03:52,470 --> 00:03:50,159

so that's how i got into it um i began

97

00:03:54,470 --> 00:03:52,480

doing research um i began interviewing

98

00:03:55,750 --> 00:03:54,480

people i began reading a lot of books

99

00:03:56,949 --> 00:03:55,760

just like kind of everyone falls down

100

00:03:59,190 --> 00:03:56,959

the rabbit hole right you start to kind

101
00:04:01,589 --> 00:03:59,200
of meet the the interesting players and

102
00:04:04,070 --> 00:04:01,599
you read them um i became a mufon field

103
00:04:06,309 --> 00:04:04,080
investigator for a couple years i did

104
00:04:08,390 --> 00:04:06,319
some sort of boots on the ground ufo

105
00:04:10,390 --> 00:04:08,400
investigation um

106
00:04:12,470 --> 00:04:10,400
and and it just kind of fell into it i

107
00:04:15,589 --> 00:04:12,480
eventually started writing a blog um the

108
00:04:17,749 --> 00:04:15,599
blog kind of spiraled into a book um

109
00:04:19,030 --> 00:04:17,759
which released was released two years

110
00:04:20,710 --> 00:04:19,040
ago or a year ago now two years ago

111
00:04:23,510 --> 00:04:20,720
can't remember it's called the ufo

112
00:04:25,430 --> 00:04:23,520
people at curious culture um and yeah i

113
00:04:28,070 --> 00:04:25,440

started writing for vice prime mechanics

114

00:04:30,790 --> 00:04:28,080

i've written for 14 times lots of stuff

115

00:04:32,550 --> 00:04:30,800

um so i've kind of become um deeply

116

00:04:34,710 --> 00:04:32,560

embedded in the ufo community and it's

117

00:04:36,950 --> 00:04:34,720

become definitely a major aspect of my

118

00:04:38,950 --> 00:04:36,960

writing career i suppose

119

00:04:42,150 --> 00:04:38,960

um and that's obviously spiraled into

120

00:04:44,390 --> 00:04:42,160

other worlds um i do a lot of work into

121

00:04:46,230 --> 00:04:44,400

looking looking at sort of ufo cults and

122

00:04:49,909 --> 00:04:46,240

ufo religions uh as well sort of

123

00:04:52,390 --> 00:04:49,919

conspiracy theories um and conspiracy

124

00:04:54,710 --> 00:04:52,400

narratives i suppose that often kind of

125

00:04:56,950 --> 00:04:54,720

intermingle with the the ufo narrative

126

00:04:59,909 --> 00:04:56,960

so that's kind of where my area of

127

00:05:02,310 --> 00:04:59,919

expertise is right now anyway um

128

00:05:03,990 --> 00:05:02,320

long answer to your very short question

129

00:05:05,590 --> 00:05:04,000

no no listen long answers are good

130

00:05:07,749 --> 00:05:05,600

otherwise these podcasts can go very

131

00:05:09,749 --> 00:05:07,759

very quickly so

132

00:05:11,430 --> 00:05:09,759

it would be a bonus episode but no

133

00:05:12,710 --> 00:05:11,440

that's amazing so you've kind of got

134

00:05:14,629 --> 00:05:12,720

involved through like an educational

135

00:05:16,790 --> 00:05:14,639

background and looking for a project did

136

00:05:18,629 --> 00:05:16,800

you have any interest before that you

137

00:05:20,310 --> 00:05:18,639

know growing up as a kid or was it

138

00:05:21,510 --> 00:05:20,320

something that you came up you came into

139

00:05:23,590 --> 00:05:21,520

later

140

00:05:25,670 --> 00:05:23,600

yeah you know i when i was a kid i i was

141

00:05:26,950 --> 00:05:25,680

a nerd so i was really into science

142

00:05:29,029 --> 00:05:26,960

fiction fantasy you know i grew up

143

00:05:31,430 --> 00:05:29,039

watching you know star trek and outer

144

00:05:33,990 --> 00:05:31,440

limits and twilight zone and x-files and

145

00:05:36,150 --> 00:05:34,000

and all that stuff so um for me it was

146

00:05:38,469 --> 00:05:36,160

always you know aliens were always a

147

00:05:40,629 --> 00:05:38,479

part of it in the sense that i always

148

00:05:43,990 --> 00:05:40,639

was afraid of them um

149

00:05:45,590 --> 00:05:44,000

i always had this anxiety about

150

00:05:47,270 --> 00:05:45,600

these creatures that could come into

151
00:05:50,230 --> 00:05:47,280
your home

152
00:05:51,430 --> 00:05:50,240
and take you away um and it's natural i

153
00:05:54,070 --> 00:05:51,440
think for most kids right you know you

154
00:05:55,990 --> 00:05:54,080
look at across cultures over millennia

155
00:05:57,990 --> 00:05:56,000
there's always the tail of the monster

156
00:06:00,390 --> 00:05:58,000
that will take the child from its bed

157
00:06:03,430 --> 00:06:00,400
and make it disappear right um we see

158
00:06:05,189 --> 00:06:03,440
this sort of since the beginning um and

159
00:06:07,909 --> 00:06:05,199
aliens kind of fit into that narrative

160
00:06:08,950 --> 00:06:07,919
right they've always had that

161
00:06:10,469 --> 00:06:08,960
um

162
00:06:12,710 --> 00:06:10,479
they've always kind of had that that

163
00:06:13,670 --> 00:06:12,720

idea behind them the abduction and all

164

00:06:16,629 --> 00:06:13,680

that so

165

00:06:17,990 --> 00:06:16,639

and i grew up in the 90s late yeah mid

166

00:06:20,230 --> 00:06:18,000

90s so

167

00:06:22,629 --> 00:06:20,240

for me i was right in the thick of sort

168

00:06:24,230 --> 00:06:22,639

of the black triangle alien abduction

169

00:06:25,189 --> 00:06:24,240

kind of all of that

170

00:06:26,230 --> 00:06:25,199

um

171

00:06:27,830 --> 00:06:26,240

so

172

00:06:29,990 --> 00:06:27,840

i i have always been interested i

173

00:06:32,150 --> 00:06:30,000

suppose but i've never had an experience

174

00:06:33,270 --> 00:06:32,160

i've never had what i would say

175

00:06:35,110 --> 00:06:33,280

um

176

00:06:36,950 --> 00:06:35,120

uh an authentic sort of paranormal

177

00:06:39,029 --> 00:06:36,960

experience you know i think maybe i

178

00:06:40,629 --> 00:06:39,039

heard a ghost once but i'm not sure and

179

00:06:41,990 --> 00:06:40,639

i'm not willing to chalk it up to a

180

00:06:44,150 --> 00:06:42,000

ghost right i'm just kind of maybe it

181

00:06:46,710 --> 00:06:44,160

was a so it didn't affect my life in any

182

00:06:48,390 --> 00:06:46,720

way um so i i uh

183

00:06:50,230 --> 00:06:48,400

yeah i i'm i'm

184

00:06:51,430 --> 00:06:50,240

more academically interested and i think

185

00:06:53,589 --> 00:06:51,440

i'm i'm

186

00:06:54,710 --> 00:06:53,599

i'm interested on a human level more so

187

00:06:57,510 --> 00:06:54,720

than

188

00:06:59,350 --> 00:06:57,520

maybe the paranormal level

189

00:07:03,110 --> 00:06:59,360

okay so would you put yourself somewhere

190

00:07:04,629 --> 00:07:03,120

from a true believer in the subject

191

00:07:06,629 --> 00:07:04,639

on one end and then on the other end

192

00:07:08,309 --> 00:07:06,639

you've got god i mentioned them recently

193

00:07:10,629 --> 00:07:08,319

as well you know like a mick west who is

194

00:07:11,990 --> 00:07:10,639

really keen on debunking everything

195

00:07:13,350 --> 00:07:12,000

would you put yourself

196

00:07:14,629 --> 00:07:13,360

comfortably in the middle of that where

197

00:07:15,670 --> 00:07:14,639

you've got an objective look at the

198

00:07:17,430 --> 00:07:15,680

subject

199

00:07:18,629 --> 00:07:17,440

yeah i'd like to say i'd like to say i'm

200

00:07:20,390 --> 00:07:18,639

somewhere in the middle i'm a bit of a

201
00:07:22,550 --> 00:07:20,400
centrist um

202
00:07:23,350 --> 00:07:22,560
you know i've spoken to a lot of people

203
00:07:29,430 --> 00:07:23,360
um

204
00:07:30,550 --> 00:07:29,440
normal everyday people like myself you

205
00:07:33,670 --> 00:07:30,560
know

206
00:07:36,230 --> 00:07:33,680
farmers and i'm not a farmer um farmers

207
00:07:37,350 --> 00:07:36,240
fall on that list somewhere to um you

208
00:07:40,309 --> 00:07:37,360
know

209
00:07:42,469 --> 00:07:40,319
billionaire executives to

210
00:07:44,550 --> 00:07:42,479
people within the intelligence community

211
00:07:47,270 --> 00:07:44,560
to academics to

212
00:07:48,469 --> 00:07:47,280
a guy who works at mcdonald's um and and

213
00:07:50,230 --> 00:07:48,479

they all

214

00:07:52,309 --> 00:07:50,240

have told me sort of really compelling

215

00:07:53,909 --> 00:07:52,319

stories and they have no reason to make

216

00:07:55,990 --> 00:07:53,919

them up they have no reason to lie they

217

00:07:57,110 --> 00:07:56,000

have no reason to hoax there's nothing

218

00:07:58,390 --> 00:07:57,120

really in their background that would

219

00:08:00,070 --> 00:07:58,400

show that they're sort of they're akin

220

00:08:02,550 --> 00:08:00,080

to delusion

221

00:08:04,869 --> 00:08:02,560

so so on the one side i sort of believe

222

00:08:06,790 --> 00:08:04,879

them right i believe their experience

223

00:08:08,230 --> 00:08:06,800

and and what they're telling me

224

00:08:09,990 --> 00:08:08,240

i believe sort of happened to them at

225

00:08:11,430 --> 00:08:10,000

least in some way i'm not going to go

226

00:08:12,710 --> 00:08:11,440

down the road that it's aliens or i'm

227

00:08:13,990 --> 00:08:12,720

not going to go down the road that it's

228

00:08:15,990 --> 00:08:14,000

interdimensional beings or time

229

00:08:17,350 --> 00:08:16,000

traveling humans or whatever i'm i i

230

00:08:18,390 --> 00:08:17,360

can't because that's all speculative at

231

00:08:20,710 --> 00:08:18,400

this point

232

00:08:22,230 --> 00:08:20,720

um

233

00:08:24,309 --> 00:08:22,240

but i believe that whatever they

234

00:08:26,390 --> 00:08:24,319

encountered

235

00:08:29,430 --> 00:08:26,400

was real enough to them that it sort of

236

00:08:33,670 --> 00:08:31,589

on the other hand you know i don't want

237

00:08:35,750 --> 00:08:33,680

to be so open-minded that my brain falls

238

00:08:38,550 --> 00:08:35,760

out um i think we do need a healthy dose

239

00:08:40,389 --> 00:08:38,560

of skepticism and criticism within this

240

00:08:42,310 --> 00:08:40,399

world because there are

241

00:08:45,030 --> 00:08:42,320

a lot of people who are

242

00:08:47,590 --> 00:08:45,040

um you know potentially delusional or

243

00:08:49,829 --> 00:08:47,600

they're here as to to con us or they're

244

00:08:52,310 --> 00:08:49,839

they're charlatans um

245

00:08:53,750 --> 00:08:52,320

there's also just a lot of naivete

246

00:08:55,269 --> 00:08:53,760

um so

247

00:08:57,990 --> 00:08:55,279

you know you need to you need to kind of

248

00:09:00,150 --> 00:08:58,000

walk i think a fine line um you know i

249

00:09:02,630 --> 00:09:00,160

really respect the hardcore

250

00:09:05,030 --> 00:09:02,640

debunkers and skeptics um and i really

251
00:09:07,269 --> 00:09:05,040
respect the hardcore believers um and

252
00:09:08,630 --> 00:09:07,279
zealots as well it's just

253
00:09:10,310 --> 00:09:08,640
you have to kind of i think walk a

254
00:09:12,790 --> 00:09:10,320
middle path a little bit with with the

255
00:09:14,630 --> 00:09:12,800
ufo narrative for sure

256
00:09:17,750 --> 00:09:14,640
yeah and personally i think there's

257
00:09:20,230 --> 00:09:17,760
enough interest in material out there

258
00:09:22,389 --> 00:09:20,240
without having to make up you know

259
00:09:23,269 --> 00:09:22,399
either way that and again it was

260
00:09:24,630 --> 00:09:23,279
something you said that was quite

261
00:09:26,150 --> 00:09:24,640
interesting and one of your i think it

262
00:09:28,470 --> 00:09:26,160
was actually in your um all the strange

263
00:09:31,030 --> 00:09:28,480

virtual expo chat it was media and

264

00:09:32,389 --> 00:09:31,040

culture generate the ufo reality which

265

00:09:34,550 --> 00:09:32,399

is what you're saying there that through

266

00:09:37,269 --> 00:09:34,560

generations and going back through the

267

00:09:39,670 --> 00:09:37,279

gears it's similar to religion the bear

268

00:09:41,829 --> 00:09:39,680

when you talk about having a god that

269

00:09:44,070 --> 00:09:41,839

all religions have a variation of the

270

00:09:45,350 --> 00:09:44,080

same thing and then you go back even

271

00:09:47,030 --> 00:09:45,360

further and further and further and you

272

00:09:48,389 --> 00:09:47,040

have this one sun god that started it

273

00:09:49,910 --> 00:09:48,399

all off and

274

00:09:51,990 --> 00:09:49,920

again i suppose in the way you can

275

00:09:53,350 --> 00:09:52,000

actually talk about it is that yes

276

00:09:55,350 --> 00:09:53,360

you've got

277

00:09:56,949 --> 00:09:55,360

depending on technologies at the time

278

00:09:58,389 --> 00:09:56,959

you've got your flying saucers which are

279

00:10:00,310 --> 00:09:58,399

basically you know spinning plate in the

280

00:10:01,910 --> 00:10:00,320

air and even some of the photos for

281

00:10:04,389 --> 00:10:01,920

these things are claimed to be

282

00:10:06,710 --> 00:10:04,399

legitimate they look like kids play toys

283

00:10:08,230 --> 00:10:06,720

like spinning dreidels from the 40s and

284

00:10:09,910 --> 00:10:08,240

50s and as we get further and further

285

00:10:12,069 --> 00:10:09,920

and more advanced they've got all these

286

00:10:13,910 --> 00:10:12,079

techno led lights on them and you know

287

00:10:16,630 --> 00:10:13,920

things are flashing and out so it's

288

00:10:17,910 --> 00:10:16,640

changed with other times and as you say

289

00:10:19,350 --> 00:10:17,920

you've got to kind of sit in the middle

290

00:10:20,550 --> 00:10:19,360

there don't you otherwise you're really

291

00:10:21,590 --> 00:10:20,560

planning your foot on either side of the

292

00:10:23,509 --> 00:10:21,600

defense

293

00:10:24,630 --> 00:10:23,519

yeah i think ufos

294

00:10:26,230 --> 00:10:24,640

and i think you know a lot of times

295

00:10:28,389 --> 00:10:26,240

paranormal phenomena in general but but

296

00:10:30,630 --> 00:10:28,399

you know stick to ufos um

297

00:10:33,350 --> 00:10:30,640

they tend to follow our culture right

298

00:10:35,990 --> 00:10:33,360

they they tend to manifest

299

00:10:38,710 --> 00:10:36,000

in ways that

300

00:10:39,750 --> 00:10:38,720

mimic or mirror um our

301
00:10:42,949 --> 00:10:39,760
current

302
00:10:44,870 --> 00:10:42,959
technological sociological cultural

303
00:10:46,870 --> 00:10:44,880
ideologies and frameworks

304
00:10:49,269 --> 00:10:46,880
you know i mentioned in all the strange

305
00:10:51,110 --> 00:10:49,279
video you know in the 21st century you

306
00:10:55,110 --> 00:10:51,120
know in 2020 it's laughable

307
00:10:57,509 --> 00:10:55,120
to argue for example that um

308
00:10:59,190 --> 00:10:57,519
flying saucers come from venus and

309
00:11:01,190 --> 00:10:59,200
there's a whole collective of space

310
00:11:03,590 --> 00:11:01,200
brothers who live on venus and they have

311
00:11:05,670 --> 00:11:03,600
some sort of intergalactic federation

312
00:11:07,590 --> 00:11:05,680
and they you know are monitoring

313
00:11:09,030 --> 00:11:07,600

humanity and they haven't made contact

314

00:11:11,190 --> 00:11:09,040

yet because i mean they literally just

315

00:11:13,829 --> 00:11:11,200

like you know stealing the the entire

316

00:11:15,110 --> 00:11:13,839

script of star trek

317

00:11:17,670 --> 00:11:15,120

you know it's laughable because we know

318

00:11:19,509 --> 00:11:17,680

enough about venus to to pretty much

319

00:11:23,190 --> 00:11:19,519

confirm yeah listen there's most likely

320

00:11:24,949 --> 00:11:23,200

no giant alien civilization on venus um

321

00:11:27,030 --> 00:11:24,959

we would find this sort of laughable but

322

00:11:28,790 --> 00:11:27,040

in the 1950s when we knew very little

323

00:11:30,630 --> 00:11:28,800

about the planet venus it sort of made

324

00:11:32,630 --> 00:11:30,640

sense right it was you know we believed

325

00:11:34,710 --> 00:11:32,640

to be relatively habitable something

326

00:11:36,230 --> 00:11:34,720

could set up there if it needed to you

327

00:11:37,590 --> 00:11:36,240

know people were claiming that men from

328

00:11:40,710 --> 00:11:37,600

venus were visiting them and they you

329

00:11:43,190 --> 00:11:40,720

know looked strangely human and white um

330

00:11:45,590 --> 00:11:43,200

so you know there there was this again

331

00:11:49,030 --> 00:11:45,600

it's kind of this mimicry of culture

332

00:11:50,870 --> 00:11:49,040

um and and what was was feasible then um

333

00:11:53,110 --> 00:11:50,880

today when you when you engage with

334

00:11:54,069 --> 00:11:53,120

people who are i would say are believers

335

00:11:58,790 --> 00:11:54,079

within

336

00:12:00,389 --> 00:11:58,800

of their work stems and circles around

337

00:12:02,470 --> 00:12:00,399

ideas within quantum mechanics and

338

00:12:03,990 --> 00:12:02,480

quantum physics um they deal with a lot

339

00:12:06,069 --> 00:12:04,000

of stuff in regards to artificial

340

00:12:08,310 --> 00:12:06,079

intelligence um

341

00:12:10,470 --> 00:12:08,320

consciousness seems to be sort of also

342

00:12:12,550 --> 00:12:10,480

rooted in this the idea of sort of an

343

00:12:15,110 --> 00:12:12,560

information download from from

344

00:12:18,470 --> 00:12:15,120

consciousness itself um so so again you

345

00:12:19,750 --> 00:12:18,480

have the narratives of ufology spinning

346

00:12:23,829 --> 00:12:19,760

around

347

00:12:25,910 --> 00:12:23,839

um the the real the the um emerging

348

00:12:27,430 --> 00:12:25,920

science of today we know very little

349

00:12:29,269 --> 00:12:27,440

about quantum mechanics we know very

350

00:12:30,790 --> 00:12:29,279

little about quantum theory um in fact

351

00:12:32,389 --> 00:12:30,800

most quantum theorists sort of say if

352

00:12:33,829 --> 00:12:32,399

you think you understand that you don't

353

00:12:36,069 --> 00:12:33,839

you clearly don't like you you're

354

00:12:38,069 --> 00:12:36,079

actually far behind um it's very spooky

355

00:12:40,230 --> 00:12:38,079

and mysterious but it's a perfect kind

356

00:12:44,550 --> 00:12:40,240

of place for the mystery of ufos to

357

00:12:47,430 --> 00:12:44,560

dwell right um so so we see this

358

00:12:49,910 --> 00:12:47,440

kind of manipulation of the ufo

359

00:12:52,470 --> 00:12:49,920

um by our cultural and and and

360

00:12:54,310 --> 00:12:52,480

ideological structures by our media by

361

00:12:55,910 --> 00:12:54,320

where we sort of dwell scientifically

362

00:12:57,190 --> 00:12:55,920

and technologically so

363

00:12:58,310 --> 00:12:57,200

um i

364

00:12:59,829 --> 00:12:58,320

you know it's interesting because i

365

00:13:01,350 --> 00:12:59,839

think what what occurs then is people

366

00:13:02,949 --> 00:13:01,360

kind of go down the road well then you

367

00:13:05,190 --> 00:13:02,959

don't think ufos are real right if you

368

00:13:07,030 --> 00:13:05,200

think ufos just stem out of culture you

369

00:13:08,230 --> 00:13:07,040

must be saying they're not real it's

370

00:13:11,269 --> 00:13:08,240

like i'm not saying not real i just

371

00:13:13,350 --> 00:13:11,279

think that somehow ufos

372

00:13:16,389 --> 00:13:13,360

come from that place like they're

373

00:13:19,030 --> 00:13:16,399

somehow manifesting out of that

374

00:13:20,230 --> 00:13:19,040

void in our understanding um always just

375

00:13:22,629 --> 00:13:20,240

a little out of reach i think that

376

00:13:24,310 --> 00:13:22,639

that's sort of part of the equation here

377

00:13:26,710 --> 00:13:24,320

um at least that's my current opinion

378

00:13:28,710 --> 00:13:26,720

but you know that's that's kind of the

379

00:13:30,310 --> 00:13:28,720

best i got at this point

380

00:13:31,750 --> 00:13:30,320

and i like that though current opinion

381

00:13:33,269 --> 00:13:31,760

shows you at least open to that being

382

00:13:34,790 --> 00:13:33,279

fluid and changing as you kind can get

383

00:13:36,790 --> 00:13:34,800

more and that that's the way i kind of

384

00:13:38,150 --> 00:13:36,800

approach this as well and you are right

385

00:13:40,710 --> 00:13:38,160

and again when you see some of the

386

00:13:43,509 --> 00:13:40,720

descriptions of visitations encounters

387

00:13:45,110 --> 00:13:43,519

abductions from the 50s 60s 70s and you

388

00:13:47,430 --> 00:13:45,120

hear about these little men came out

389

00:13:49,030 --> 00:13:47,440

with a really um cheap old sounding

390

00:13:50,310 --> 00:13:49,040

spacer that you would have dress your

391

00:13:51,590 --> 00:13:50,320

kids up in halloween and they had a

392

00:13:53,430 --> 00:13:51,600

little glass helmet because they

393

00:13:56,230 --> 00:13:53,440

couldn't be their atmosphere and it's

394

00:13:58,470 --> 00:13:56,240

like yeah and then it will evolve now to

395

00:14:00,710 --> 00:13:58,480

what's like a again still quite humanoid

396

00:14:02,870 --> 00:14:00,720

looking tall and we've got the grey

397

00:14:05,430 --> 00:14:02,880

aliens we've got the tall aliens and

398

00:14:06,790 --> 00:14:05,440

then we've got the nordic's description

399

00:14:09,590 --> 00:14:06,800

of them you know the ones are walking

400

00:14:11,910 --> 00:14:09,600

amongst us and again above bigelow a guy

401
00:14:13,990 --> 00:14:11,920
who i won't mind discussing later on has

402
00:14:15,509 --> 00:14:14,000
said himself yet these aliens walk

403
00:14:17,030 --> 00:14:15,519
amongst us they visit us they're here

404
00:14:17,990 --> 00:14:17,040
and doesn't care what people think about

405
00:14:19,269 --> 00:14:18,000
that but

406
00:14:20,710 --> 00:14:19,279
there's still no evidence to back up

407
00:14:22,629 --> 00:14:20,720
that claim as credible as someone like

408
00:14:24,230 --> 00:14:22,639
that might be and what has he got to

409
00:14:25,990 --> 00:14:24,240
lose making that claim

410
00:14:27,990 --> 00:14:26,000
there's still a lack of evidence and and

411
00:14:28,949 --> 00:14:28,000
the whole topic either way you can't say

412
00:14:30,389 --> 00:14:28,959
there's nothing because there's

413
00:14:32,629 --> 00:14:30,399

definitely something to it

414

00:14:35,509 --> 00:14:32,639

but on the on the extreme people who are

415

00:14:37,670 --> 00:14:35,519

claiming that and something is a very

416

00:14:39,269 --> 00:14:37,680

small personal pet hate i mean and any

417

00:14:40,310 --> 00:14:39,279

listeners who have this i apologize

418

00:14:42,870 --> 00:14:40,320

right but

419

00:14:45,030 --> 00:14:42,880

when people post for fact on twitter oh

420

00:14:47,509 --> 00:14:45,040

yeah that craft is this particular

421

00:14:50,230 --> 00:14:47,519

government secret project sure it's like

422

00:14:52,230 --> 00:14:50,240

how do you know that or this particular

423

00:14:54,150 --> 00:14:52,240

craft is one that i viewed and again

424

00:14:56,470 --> 00:14:54,160

these aliens come from this star system

425

00:14:59,350 --> 00:14:56,480

on this and it's like again

426

00:15:01,110 --> 00:14:59,360

maybe they do right but how do you know

427

00:15:02,550 --> 00:15:01,120

that and it's that that loses that

428

00:15:03,910 --> 00:15:02,560

objectivity and the kind of shape of the

429

00:15:05,670 --> 00:15:03,920

argument there and i think that's a lot

430

00:15:07,110 --> 00:15:05,680

what you're gonna say amongst your your

431

00:15:08,629 --> 00:15:07,120

writing is that right

432

00:15:09,350 --> 00:15:08,639

yeah i i just want to kind of point out

433

00:15:12,310 --> 00:15:09,360

two

434

00:15:14,629 --> 00:15:12,320

never be a location that you should go

435

00:15:16,470 --> 00:15:14,639

to for like information right um i i

436

00:15:19,110 --> 00:15:16,480

mean listen twitter is great and i love

437

00:15:21,430 --> 00:15:19,120

i love um i love being on twitter and i

438

00:15:22,150 --> 00:15:21,440

love the social aspects of twitter um

439

00:15:24,790 --> 00:15:22,160

but

440

00:15:26,470 --> 00:15:24,800

listen you know you can't fact check

441

00:15:28,470 --> 00:15:26,480

what a lot of people say on twitter so i

442

00:15:30,230 --> 00:15:28,480

would just sort of say listen take it

443

00:15:32,389 --> 00:15:30,240

with a grain of salt take it as

444

00:15:34,310 --> 00:15:32,399

entertainment right claims made on

445

00:15:36,470 --> 00:15:34,320

twitter should are

446

00:15:38,310 --> 00:15:36,480

should come with that little star at the

447

00:15:39,749 --> 00:15:38,320

bottom of us of a website that says you

448

00:15:41,269 --> 00:15:39,759

know this is for entertainment purposes

449

00:15:42,710 --> 00:15:41,279

only right you should always kind of

450

00:15:45,189 --> 00:15:42,720

when reading twitter that should be part

451

00:15:47,350 --> 00:15:45,199

of it um until you can like back link to

452

00:15:49,990 --> 00:15:47,360

a legitimate source of information

453

00:15:51,110 --> 00:15:50,000

um so that that's one um the second

454

00:15:54,310 --> 00:15:51,120

thing is is

455

00:15:56,389 --> 00:15:54,320

you know credibility is a funny thing um

456

00:15:57,990 --> 00:15:56,399

i think just because somebody has you

457

00:15:59,990 --> 00:15:58,000

know a lot of money or they run a very

458

00:16:01,269 --> 00:16:00,000

successful business empire or they have

459

00:16:04,150 --> 00:16:01,279

a phd

460

00:16:06,389 --> 00:16:04,160

um or or they work for the government or

461

00:16:09,509 --> 00:16:06,399

whatever you know

462

00:16:11,910 --> 00:16:09,519

that doesn't mean um that

463

00:16:14,230 --> 00:16:11,920

they can't suffer from

464

00:16:16,629 --> 00:16:14,240

you know delusion or other sort of

465

00:16:19,350 --> 00:16:16,639

aspects of being human right um

466

00:16:21,990 --> 00:16:19,360

billionaires can make mistakes um

467

00:16:23,189 --> 00:16:22,000

suffer from from mental illness or

468

00:16:24,550 --> 00:16:23,199

delusion

469

00:16:26,310 --> 00:16:24,560

i'm not saying mr bigelow does or

470

00:16:29,110 --> 00:16:26,320

anything i'm just sort of in general

471

00:16:31,350 --> 00:16:29,120

right um mr bigelow as well as others

472

00:16:33,350 --> 00:16:31,360

are mortal just like the rest of us um

473

00:16:35,430 --> 00:16:33,360

we all can suffer from moments of

474

00:16:39,430 --> 00:16:35,440

delusion we all can

475

00:16:41,670 --> 00:16:39,440

have moments of of um

476

00:16:44,870 --> 00:16:41,680

confused thinking um we all make

477

00:16:47,590 --> 00:16:44,880

mistakes um so i just want to be really

478

00:16:50,150 --> 00:16:47,600

cautious i think we give a lot of credit

479

00:16:52,470 --> 00:16:50,160

to you know this idea of a person being

480

00:16:54,870 --> 00:16:52,480

credible and i think that can that can

481

00:16:57,110 --> 00:16:54,880

serve you to a point sorry there's a cat

482

00:16:58,470 --> 00:16:57,120

here um get out of here that can serve

483

00:17:00,069 --> 00:16:58,480

you that's what i've had i've heard

484

00:17:01,749 --> 00:17:00,079

about the cat

485

00:17:03,030 --> 00:17:01,759

it's just it's i can't believe how big

486

00:17:05,189 --> 00:17:03,040

it is um

487

00:17:06,630 --> 00:17:05,199

and he was the runt of the litter

488

00:17:08,390 --> 00:17:06,640

credibility is a dangerous thing that's

489

00:17:11,270 --> 00:17:08,400

all i'm trying to say and

490

00:17:12,470 --> 00:17:11,280

um we just need to be cautious i think

491

00:17:15,590 --> 00:17:12,480

when we

492

00:17:17,909 --> 00:17:15,600

bow down before the altar of of certain

493

00:17:19,270 --> 00:17:17,919

men and women

494

00:17:20,870 --> 00:17:19,280

and say well you know this person is

495

00:17:22,230 --> 00:17:20,880

clearly credible because they have a phd

496

00:17:24,470 --> 00:17:22,240

or they run a multi-billion dollar

497

00:17:26,470 --> 00:17:24,480

empire or whatever it's like yeah listen

498

00:17:28,870 --> 00:17:26,480

they're human just like you and i are um

499

00:17:31,110 --> 00:17:28,880

and they will suffer from the exact same

500

00:17:32,950 --> 00:17:31,120

problems you and i can suffer from

501

00:17:34,230 --> 00:17:32,960

um

502

00:17:36,070 --> 00:17:34,240

you know shakespeare kind of famously

503

00:17:38,070 --> 00:17:36,080

put i think in hamlet right kings and

504

00:17:40,549 --> 00:17:38,080

and peasants get eaten by maggots just

505

00:17:42,710 --> 00:17:40,559

the same so you know we need to kind of

506

00:17:43,990 --> 00:17:42,720

to best paraphrasing shakespeare um but

507

00:17:46,390 --> 00:17:44,000

you know we just need to be cautious i

508

00:17:47,830 --> 00:17:46,400

think um so again i i

509

00:17:48,789 --> 00:17:47,840

i'm leery when somebody says well you

510

00:17:50,549 --> 00:17:48,799

should listen to this person because

511

00:17:52,310 --> 00:17:50,559

they have incredible credibility like

512

00:17:54,150 --> 00:17:52,320

okay but they're making claims that

513

00:17:56,070 --> 00:17:54,160

aren't very credible so we need to

514

00:17:57,590 --> 00:17:56,080

figure out why that is right so when mr

515

00:17:59,590 --> 00:17:57,600

bigelow claims for example that aliens

516

00:18:01,590 --> 00:17:59,600

walk among us where is he getting that

517

00:18:05,350 --> 00:18:01,600

information from what's the credible

518

00:18:07,029 --> 00:18:05,360

source of that data um and and

519

00:18:09,190 --> 00:18:07,039

what's the credible source behind that

520

00:18:11,430 --> 00:18:09,200

data right so who told the guy who told

521

00:18:13,270 --> 00:18:11,440

the guy who told the guy um and where

522

00:18:14,310 --> 00:18:13,280

does this all stem from right

523

00:18:15,909 --> 00:18:14,320

and unfortunately that's kind of where

524

00:18:18,710 --> 00:18:15,919

all the secrets are right and nobody

525

00:18:21,510 --> 00:18:18,720

wants to share unfortunately

526

00:18:22,950 --> 00:18:21,520

and and therein lies the problem so for

527

00:18:24,310 --> 00:18:22,960

you that's an interesting it's an

528

00:18:26,070 --> 00:18:24,320

interesting point of view and i totally

529

00:18:28,230 --> 00:18:26,080

appreciate that so regarding credibility

530

00:18:30,310 --> 00:18:28,240

for you what what makes someone credible

531

00:18:33,909 --> 00:18:30,320

particularly in this field where

532

00:18:39,350 --> 00:18:35,750

makes someone credible

533

00:18:43,590 --> 00:18:39,360

sure um you know again as as as

534

00:18:46,070 --> 00:18:43,600

as a journalist right um

535

00:18:47,430 --> 00:18:46,080

credibility becomes really sticky um

536

00:18:49,909 --> 00:18:47,440

because you either believe them or you

537

00:18:52,470 --> 00:18:49,919

don't a lot of times right most credible

538

00:18:54,789 --> 00:18:52,480

people in in the journalism world will

539

00:18:57,510 --> 00:18:54,799

present evidence to back up their claim

540

00:18:59,990 --> 00:18:57,520

right so if someone is truly credible

541

00:19:00,950 --> 00:19:00,000

they will provide information that

542

00:19:02,630 --> 00:19:00,960

proves

543

00:19:04,390 --> 00:19:02,640

what they're saying is true

544

00:19:06,230 --> 00:19:04,400

so you know we take edward snowden for

545

00:19:08,230 --> 00:19:06,240

example if edward snowden walked out of

546

00:19:10,789 --> 00:19:08,240

the public and said the government is

547

00:19:12,390 --> 00:19:10,799

spying on you but i have no proof to

548

00:19:13,750 --> 00:19:12,400

back it up apart from the fact that i

549

00:19:16,230 --> 00:19:13,760

used to work at

550

00:19:17,909 --> 00:19:16,240

um i used to work for

551
00:19:19,669 --> 00:19:17,919
the pentagon i used to work for the cia

552
00:19:22,070 --> 00:19:19,679
you know i'm a contractor

553
00:19:24,310 --> 00:19:22,080
if he just came out and said it

554
00:19:25,830 --> 00:19:24,320
his story would have gone nowhere right

555
00:19:27,669 --> 00:19:25,840
it would never have been picked up by

556
00:19:30,070 --> 00:19:27,679
anybody nobody would know who edward

557
00:19:32,230 --> 00:19:30,080
snowden is no one would care

558
00:19:33,350 --> 00:19:32,240
the fact that he walked out of

559
00:19:34,789 --> 00:19:33,360
um

560
00:19:37,350 --> 00:19:34,799
you know out of his

561
00:19:38,870 --> 00:19:37,360
places of work with a usb stick

562
00:19:40,150 --> 00:19:38,880
with that evidence on it saying yep

563
00:19:41,990 --> 00:19:40,160

here's the program they're using and

564

00:19:43,990 --> 00:19:42,000

here's all the data

565

00:19:46,470 --> 00:19:44,000

well now suddenly edward snowden is a

566

00:19:48,310 --> 00:19:46,480

credible witness and a credible contact

567

00:19:49,990 --> 00:19:48,320

incredible source for

568

00:19:51,029 --> 00:19:50,000

one of the biggest stories of the 21st

569

00:19:54,150 --> 00:19:51,039

century

570

00:19:56,390 --> 00:19:54,160

um so i think that's that's sort of

571

00:19:58,070 --> 00:19:56,400

part of the game right um

572

00:20:00,789 --> 00:19:58,080

there's a lot of people within the ufo

573

00:20:02,630 --> 00:20:00,799

world who say i'm a credible source i

574

00:20:05,430 --> 00:20:02,640

know the cia is doing this or i used to

575

00:20:07,029 --> 00:20:05,440

work for the nsa or i used to be xyz but

576

00:20:09,029 --> 00:20:07,039

they don't provide any evidence to

577

00:20:10,390 --> 00:20:09,039

support their claim this is why nobody

578

00:20:11,430 --> 00:20:10,400

listens to them because they have no

579

00:20:13,830 --> 00:20:11,440

evidence

580

00:20:16,549 --> 00:20:13,840

credibility is not enough right you need

581

00:20:18,870 --> 00:20:16,559

to provide the data that backs up the

582

00:20:21,110 --> 00:20:18,880

claim itself so when you ask me who is

583

00:20:23,110 --> 00:20:21,120

credible and who isn't um do they have

584

00:20:24,870 --> 00:20:23,120

evidence to support their claim of what

585

00:20:26,149 --> 00:20:24,880

they're saying is true that's a sign of

586

00:20:27,510 --> 00:20:26,159

credibility

587

00:20:29,430 --> 00:20:27,520

um

588

00:20:31,110 --> 00:20:29,440

you know after that

589

00:20:34,789 --> 00:20:31,120

who they used to work for where they

590

00:20:36,390 --> 00:20:34,799

used to work who they currently work for

591

00:20:38,470 --> 00:20:36,400

it's not really enough especially if

592

00:20:40,710 --> 00:20:38,480

they're making at times you know

593

00:20:43,029 --> 00:20:40,720

somewhat outlandish claims that have yet

594

00:20:44,630 --> 00:20:43,039

to be proven in any sort of legitimate

595

00:20:45,510 --> 00:20:44,640

or authentic sense

596

00:20:46,549 --> 00:20:45,520

so

597

00:20:47,909 --> 00:20:46,559

um

598

00:20:49,909 --> 00:20:47,919

this is why i have to be sort of

599

00:20:51,350 --> 00:20:49,919

cautious because i know the ufo

600

00:20:54,230 --> 00:20:51,360

community

601
00:20:56,149 --> 00:20:54,240
hangs a lot of its hats on the

602
00:20:58,230 --> 00:20:56,159
credibility of witnesses right this

603
00:21:00,070 --> 00:20:58,240
witness is credible

604
00:21:01,750 --> 00:21:00,080
therefore this should be considered

605
00:21:03,270 --> 00:21:01,760
evidence on its own

606
00:21:05,909 --> 00:21:03,280
unfortunately it's not right that's not

607
00:21:07,350 --> 00:21:05,919
how it works in real life right um you

608
00:21:09,029 --> 00:21:07,360
know i don't want to walk into a

609
00:21:11,029 --> 00:21:09,039
hospital and the doctors say to me oh

610
00:21:12,630 --> 00:21:11,039
yeah listen i'm a doctor and if i want

611
00:21:14,390 --> 00:21:12,640
to ask for where they like okay well

612
00:21:15,590 --> 00:21:14,400
show me your you know your md

613
00:21:17,029 --> 00:21:15,600

certificate so i know you actually are a

614

00:21:18,470 --> 00:21:17,039

doctor they say hey you know

615

00:21:22,870 --> 00:21:18,480

uh

616

00:21:25,190 --> 00:21:22,880

know what i'm a doctor i promise i'm

617

00:21:27,029 --> 00:21:25,200

gonna probably find another doctor

618

00:21:28,710 --> 00:21:27,039

um we ought to do kind of the same thing

619

00:21:29,909 --> 00:21:28,720

i think in the ufo world right just

620

00:21:31,430 --> 00:21:29,919

because somebody has a story doesn't

621

00:21:32,470 --> 00:21:31,440

mean it's necessarily true just because

622

00:21:34,470 --> 00:21:32,480

somebody has a story doesn't mean they

623

00:21:36,149 --> 00:21:34,480

have evidence to back it up i think we

624

00:21:37,669 --> 00:21:36,159

need to be really cautious with how and

625

00:21:41,110 --> 00:21:37,679

how we deal with

626

00:21:43,590 --> 00:21:41,120

um the stories people tell and whether

627

00:21:44,870 --> 00:21:43,600

they're true stories or not

628

00:21:46,870 --> 00:21:44,880

so when you

629

00:21:48,870 --> 00:21:46,880

one name that springs to mind just with

630

00:21:51,669 --> 00:21:48,880

the description you've given there would

631

00:21:54,470 --> 00:21:51,679

be someone like a bob lazar who

632

00:21:57,510 --> 00:21:54,480

i find bob lazar's documentary really

633

00:22:00,149 --> 00:21:57,520

interesting um if i'll be a bit overly

634

00:22:02,710 --> 00:22:00,159

artistic at times um

635

00:22:05,029 --> 00:22:02,720

but the story itself that there's some

636

00:22:06,870 --> 00:22:05,039

elements to it i'll look at and go

637

00:22:08,630 --> 00:22:06,880

uh yeah but why doesn't that add up or

638

00:22:10,149 --> 00:22:08,640

surely that would be easily proven and

639

00:22:12,549 --> 00:22:10,159

it's just not there but then there's a

640

00:22:14,149 --> 00:22:12,559

lot to it that seems relatively again

641

00:22:16,149 --> 00:22:14,159

i'm going to use that word credible or

642

00:22:17,510 --> 00:22:16,159

you know potentially true

643

00:22:18,870 --> 00:22:17,520

is that someone you've kind of got in

644

00:22:21,110 --> 00:22:18,880

mind that you think people are hanging

645

00:22:22,310 --> 00:22:21,120

their hats on in that sense

646

00:22:24,070 --> 00:22:22,320

yeah i i

647

00:22:29,029 --> 00:22:24,080

i'm not sure

648

00:22:30,870 --> 00:22:29,039

hat on bob lazar's story um you know at

649

00:22:33,350 --> 00:22:30,880

the risk of stout

650

00:22:36,870 --> 00:22:33,360

jeremy mccarbell probably did

651
00:22:37,750 --> 00:22:36,880
yeah you know and again i i don't wanna

652
00:22:39,909 --> 00:22:37,760
i have

653
00:22:43,029 --> 00:22:39,919
thrown enough shade um i'm done fighting

654
00:22:44,870 --> 00:22:43,039
this war um no

655
00:22:46,390 --> 00:22:44,880
listen i don't think bob lazar is a

656
00:22:51,190 --> 00:22:46,400
credible individual i don't think his

657
00:22:53,029 --> 00:22:51,200
story is true um i think i think it's

658
00:22:54,630 --> 00:22:53,039
completely fabricated

659
00:22:55,990 --> 00:22:54,640
um

660
00:22:57,510 --> 00:22:56,000
so so

661
00:22:59,430 --> 00:22:57,520
you know that that's that's my personal

662
00:23:02,390 --> 00:22:59,440
position at this time if bob lazar

663
00:23:03,669 --> 00:23:02,400

suddenly presents evidence of his claims

664

00:23:05,350 --> 00:23:03,679

um

665

00:23:07,430 --> 00:23:05,360

you know well then

666

00:23:09,029 --> 00:23:07,440

i will obviously apologize and change my

667

00:23:10,549 --> 00:23:09,039

story right if he comes out and says

668

00:23:13,669 --> 00:23:10,559

actually here's the bottle of element

669

00:23:15,750 --> 00:23:13,679

115 i stole and you know it goes through

670

00:23:17,990 --> 00:23:15,760

proper scientific assessment and testing

671

00:23:19,430 --> 00:23:18,000

and turns out yeah it's not manufactured

672

00:23:22,470 --> 00:23:19,440

here and it's made by aliens and

673

00:23:24,789 --> 00:23:22,480

whatever um obviously you know we can

674

00:23:27,190 --> 00:23:24,799

then say he's a credible individual but

675

00:23:29,669 --> 00:23:27,200

bob lazar's last 30 years or so of

676

00:23:32,549 --> 00:23:29,679

existence have really dwelled purely in

677

00:23:33,909 --> 00:23:32,559

the mythological realm um i did it you

678

00:23:34,830 --> 00:23:33,919

don't have to believe me if you don't

679

00:23:36,630 --> 00:23:34,840

want

680

00:23:38,950 --> 00:23:36,640

to but you're always going to find

681

00:23:42,390 --> 00:23:38,960

people who who do believe right

682

00:23:44,390 --> 00:23:42,400

again there's a lot of naivete out there

683

00:23:47,190 --> 00:23:44,400

bob lazar's story has kind of been

684

00:23:48,950 --> 00:23:47,200

thoroughly debunked by a lot of people

685

00:23:50,470 --> 00:23:48,960

no one can find records of his of his

686

00:23:52,789 --> 00:23:50,480

academic education

687

00:23:54,070 --> 00:23:52,799

no one can find anybody who really

688

00:23:56,070 --> 00:23:54,080

worked with him

689

00:23:58,070 --> 00:23:56,080

um save you know one or two individuals

690

00:23:59,029 --> 00:23:58,080

who again maybe kind of remembered him a

691

00:24:00,070 --> 00:23:59,039

little bit

692

00:24:05,110 --> 00:24:00,080

um

693

00:24:07,430 --> 00:24:05,120

from you know his family and ex-wife in

694

00:24:08,870 --> 00:24:07,440

regards to this situation

695

00:24:11,830 --> 00:24:08,880

they're not really coming out to back up

696

00:24:14,950 --> 00:24:11,840

his story except his mom um

697

00:24:16,549 --> 00:24:14,960

you know so i'm kind of

698

00:24:18,310 --> 00:24:16,559

i'm really yeah i'm really hesitant

699

00:24:21,029 --> 00:24:18,320

because i i'm not sure if bob lazar is

700

00:24:23,269 --> 00:24:21,039

really worth the discussion um

701
00:24:25,669 --> 00:24:23,279
because it's there's no aspect of

702
00:24:27,029 --> 00:24:25,679
credibility there really that that i

703
00:24:28,710 --> 00:24:27,039
would say

704
00:24:30,149 --> 00:24:28,720
even even makes him remotely credible i

705
00:24:32,470 --> 00:24:30,159
mean he as far as i know he doesn't

706
00:24:35,590 --> 00:24:32,480
really have a any academic training

707
00:24:37,750 --> 00:24:35,600
really um in in his field um because we

708
00:24:39,590 --> 00:24:37,760
can't really show that he went to mit or

709
00:24:40,470 --> 00:24:39,600
wherever he claims to have gone

710
00:24:42,230 --> 00:24:40,480
um

711
00:24:43,750 --> 00:24:42,240
so and again if he was a real

712
00:24:45,190 --> 00:24:43,760
whistleblower he would come out with it

713
00:24:47,990 --> 00:24:45,200

right he would you know here's my here's

714

00:24:49,990 --> 00:24:48,000

my diploma or here's my degree from mit

715

00:24:51,190 --> 00:24:50,000

here's all of my information

716

00:24:52,630 --> 00:24:51,200

um

717

00:24:55,590 --> 00:24:52,640

and there's also a lot of weird stuff in

718

00:24:57,510 --> 00:24:55,600

his financial dealings and and his other

719

00:25:01,029 --> 00:24:57,520

employment that he's had in regards to

720

00:25:03,590 --> 00:25:01,039

running a brothel um you know and and

721

00:25:05,110 --> 00:25:03,600

and and um he has a history of sort of

722

00:25:07,269 --> 00:25:05,120

illicit behavior

723

00:25:09,430 --> 00:25:07,279

um you know he for example set up

724

00:25:11,269 --> 00:25:09,440

cameras in said brothel recorded

725

00:25:13,430 --> 00:25:11,279

individuals using the brothel and then

726
00:25:15,350 --> 00:25:13,440
was gonna blackmail them um with the

727
00:25:17,990 --> 00:25:15,360
video footage i mean this shows someone

728
00:25:18,789 --> 00:25:18,000
who who kind of has a predisposition to

729
00:25:20,710 --> 00:25:18,799
to

730
00:25:22,789 --> 00:25:20,720
unethical behavior let's put it that way

731
00:25:25,750 --> 00:25:22,799
um so i'm not sure if he would even say

732
00:25:27,590 --> 00:25:25,760
he's credible at all um because he has

733
00:25:29,830 --> 00:25:27,600
literally some sort of criminal record

734
00:25:31,990 --> 00:25:29,840
um so yeah anyway that's my

735
00:25:34,149 --> 00:25:32,000
that's my two cents on bubbles are but

736
00:25:36,470 --> 00:25:34,159
we're gonna get a lot

737
00:25:38,470 --> 00:25:36,480
no and you know what but

738
00:25:41,110 --> 00:25:38,480

again in this subject if you've not got

739

00:25:42,470 --> 00:25:41,120

the the right opinion as as many other

740

00:25:44,789 --> 00:25:42,480

people then you do get that kind of

741

00:25:46,470 --> 00:25:44,799

attack as well so um it's a really

742

00:25:48,230 --> 00:25:46,480

interesting again take on that and i do

743

00:25:50,870 --> 00:25:48,240

appreciate that so you've got a case

744

00:25:52,549 --> 00:25:50,880

here that's pretty well documented again

745

00:25:54,630 --> 00:25:52,559

it's got its flaws and you've kind of

746

00:25:56,230 --> 00:25:54,640

broken it down really objectively there

747

00:25:58,470 --> 00:25:56,240

so for you what would be on the other

748

00:26:00,549 --> 00:25:58,480

side is there a particular case or

749

00:26:02,070 --> 00:26:00,559

incident or situation that you could

750

00:26:04,630 --> 00:26:02,080

look at and go

751
00:26:06,870 --> 00:26:04,640
if you had to do a presentation and show

752
00:26:10,630 --> 00:26:06,880
back to someone that this is where i

753
00:26:12,070 --> 00:26:10,640
think there is something to uap ufos

754
00:26:13,750 --> 00:26:12,080
that you would you would say this is the

755
00:26:15,669 --> 00:26:13,760
best we've got we don't have the smoking

756
00:26:18,470 --> 00:26:15,679
gun we know that in the in the field

757
00:26:20,310 --> 00:26:18,480
there is no concrete evidence

758
00:26:22,070 --> 00:26:20,320
but what would you say is the best that

759
00:26:24,630 --> 00:26:22,080
we've got

760
00:26:26,310 --> 00:26:24,640
um well you know i i think rightly so

761
00:26:28,630 --> 00:26:26,320
you know the nimitz case is fairly

762
00:26:30,470 --> 00:26:28,640
compelling um i think anything coming

763
00:26:32,870 --> 00:26:30,480

out of the military right is gonna be a

764

00:26:34,710 --> 00:26:32,880

fairly compelling piece of evidence

765

00:26:35,990 --> 00:26:34,720

because you know with the nimitz case

766

00:26:37,669 --> 00:26:36,000

you you have the video footage but you

767

00:26:38,710 --> 00:26:37,679

also have testimony from pilots who are

768

00:26:41,510 --> 00:26:38,720

there

769

00:26:44,549 --> 00:26:41,520

um so you also have a lot of individuals

770

00:26:45,909 --> 00:26:44,559

who who used to work in the intelligence

771

00:26:48,310 --> 00:26:45,919

world coming forward and saying yeah

772

00:26:49,669 --> 00:26:48,320

this stuff's authentic um and and you

773

00:26:52,310 --> 00:26:49,679

know being able to prove they worked

774

00:26:53,669 --> 00:26:52,320

there right um you know you know so it

775

00:26:56,310 --> 00:26:53,679

takes someone like chris mellon or louis

776

00:26:57,110 --> 00:26:56,320

alizando um they're not saying oh you

777

00:26:58,789 --> 00:26:57,120

know

778

00:27:00,630 --> 00:26:58,799

my files and records are missing or they

779

00:27:02,549 --> 00:27:00,640

were burnt in a fire or something right

780

00:27:04,950 --> 00:27:02,559

like they can literally provide all of

781

00:27:06,630 --> 00:27:04,960

the information to kind of say yeah

782

00:27:08,230 --> 00:27:06,640

listen this is what i did for a living

783

00:27:11,350 --> 00:27:08,240

um i know there's been some some

784

00:27:13,590 --> 00:27:11,360

concerns over you know mr elizondo's um

785

00:27:15,190 --> 00:27:13,600

you know background but um you know

786

00:27:16,710 --> 00:27:15,200

unfortunately you know those concerns

787

00:27:18,470 --> 00:27:16,720

are our moot you know there's been

788

00:27:20,549 --> 00:27:18,480

enough present and evidence presented

789

00:27:21,909 --> 00:27:20,559

now at least to me that proves mr

790

00:27:23,830 --> 00:27:21,919

alzando did

791

00:27:26,149 --> 00:27:23,840

work on the program he says to have

792

00:27:28,470 --> 00:27:26,159

worked on so i have no doubts in my mind

793

00:27:29,990 --> 00:27:28,480

that um you know an individual like lois

794

00:27:31,190 --> 00:27:30,000

alzondo or an individual like chris

795

00:27:33,909 --> 00:27:31,200

mellon

796

00:27:34,710 --> 00:27:33,919

um you know did do what they say they

797

00:27:37,029 --> 00:27:34,720

did

798

00:27:38,710 --> 00:27:37,039

um so so i think that there's something

799

00:27:40,149 --> 00:27:38,720

to be said for that that doesn't

800

00:27:42,070 --> 00:27:40,159

necessarily prove and i think we need to

801
00:27:43,430 --> 00:27:42,080
be really again careful here it doesn't

802
00:27:45,029 --> 00:27:43,440
necessarily prove that aliens are

803
00:27:47,269 --> 00:27:45,039
visiting us it doesn't necessarily prove

804
00:27:50,070 --> 00:27:47,279
that there is some intelligence that's

805
00:27:53,029 --> 00:27:50,080
not us coming to earth engaging with us

806
00:27:56,789 --> 00:27:53,039
in some in some special way um it proves

807
00:27:58,630 --> 00:27:56,799
that if anything um the the military and

808
00:28:01,669 --> 00:27:58,640
and the government and the authority

809
00:28:05,029 --> 00:28:01,679
designed uh to keep us safe and and

810
00:28:06,710 --> 00:28:05,039
monitor the skies monitor the sea

811
00:28:08,470 --> 00:28:06,720
is not able to necessarily track

812
00:28:11,190 --> 00:28:08,480
everything that's happening and is

813
00:28:15,430 --> 00:28:11,200

unable at times to deal with incursions

814

00:28:17,590 --> 00:28:15,440

um violating airspace so so again i want

815

00:28:19,430 --> 00:28:17,600

to be really cautious here

816

00:28:21,269 --> 00:28:19,440

what we have evidence of in the case of

817

00:28:22,950 --> 00:28:21,279

the nimitz and in the other two videos

818

00:28:24,630 --> 00:28:22,960

from the roosevelt the gimbal and the go

819

00:28:26,549 --> 00:28:24,640

fest um

820

00:28:28,070 --> 00:28:26,559

is not evidence of aliens and it's not

821

00:28:29,750 --> 00:28:28,080

evidence of of

822

00:28:32,630 --> 00:28:29,760

interdimensional beings or anything

823

00:28:35,110 --> 00:28:32,640

paranormal it's evidence of

824

00:28:36,789 --> 00:28:35,120

an incursion being made where the

825

00:28:39,430 --> 00:28:36,799

authorities whose job it is is to

826

00:28:40,549 --> 00:28:39,440

prevent incursions couldn't

827

00:28:42,950 --> 00:28:40,559

um

828

00:28:45,350 --> 00:28:42,960

so the big question becomes you know

829

00:28:46,950 --> 00:28:45,360

what was it then right this is where

830

00:28:49,190 --> 00:28:46,960

speculation runs amok and this is where

831

00:28:50,870 --> 00:28:49,200

ufo twitter goes crazy right well it did

832

00:28:52,230 --> 00:28:50,880

this this this therefore it must be x

833

00:28:54,950 --> 00:28:52,240

it's like well that's that's not how

834

00:28:56,950 --> 00:28:54,960

evidence works but you know we can

835

00:28:58,630 --> 00:28:56,960

we can um you know we can engage with

836

00:29:00,310 --> 00:28:58,640

speculation later i think at first we

837

00:29:01,750 --> 00:29:00,320

need to figure out more about kind of

838

00:29:03,190 --> 00:29:01,760

the human side of this you know who's

839

00:29:03,990 --> 00:29:03,200

running the program

840

00:29:06,149 --> 00:29:04,000

you know

841

00:29:07,430 --> 00:29:06,159

who's still running it today where is it

842

00:29:09,110 --> 00:29:07,440

acting out of how can we get more

843

00:29:11,190 --> 00:29:09,120

information about it how can we get more

844

00:29:15,190 --> 00:29:11,200

evidence out um

845

00:29:17,510 --> 00:29:15,200

so this is sort of the job of of myself

846

00:29:19,750 --> 00:29:17,520

um other journalists like tim mcmillan

847

00:29:21,750 --> 00:29:19,760

who who potentially can can engage some

848

00:29:24,470 --> 00:29:21,760

of these higher levels to kind of kind

849

00:29:26,630 --> 00:29:24,480

of sussing out information the problem

850

00:29:28,310 --> 00:29:26,640

is slow going um

851
00:29:29,750 --> 00:29:28,320
it's not like you email the pentagon and

852
00:29:31,750 --> 00:29:29,760
suddenly they're like oh you got us red

853
00:29:33,430 --> 00:29:31,760
handed here's all of our stuff right it

854
00:29:35,430 --> 00:29:33,440
doesn't really work like that there's a

855
00:29:36,710 --> 00:29:35,440
lot of well contact this person or don't

856
00:29:38,070 --> 00:29:36,720
talk to this person or we'll keep you

857
00:29:39,430 --> 00:29:38,080
post like it's

858
00:29:41,510 --> 00:29:39,440
they yank you around a bit so you have

859
00:29:43,590 --> 00:29:41,520
to work your way through other channels

860
00:29:45,990 --> 00:29:43,600
and um nimitz that to answer your

861
00:29:48,230 --> 00:29:46,000
question the nimitz case and and a tip

862
00:29:50,310 --> 00:29:48,240
is is an interesting situation

863
00:29:52,070 --> 00:29:50,320

no awesome so i it sounds to me like

864

00:29:55,990 --> 00:29:52,080

from your description there

865

00:29:58,230 --> 00:29:56,000

aloe ellis ondo is someone that you can

866

00:29:59,830 --> 00:29:58,240

look at and explore further because like

867

00:30:02,549 --> 00:29:59,840

you say he is never once and this is

868

00:30:03,909 --> 00:30:02,559

what i love about tsa and i love tom

869

00:30:06,230 --> 00:30:03,919

delong but i'm going to remove him from

870

00:30:07,510 --> 00:30:06,240

this conversation for a second where a

871

00:30:10,630 --> 00:30:07,520

chris mellon

872

00:30:13,350 --> 00:30:10,640

a help it of uh luella zondo has never

873

00:30:15,669 --> 00:30:13,360

gone on gone on glenn beck or fox or cnn

874

00:30:18,630 --> 00:30:15,679

or whatever network and said it's aliens

875

00:30:19,669 --> 00:30:18,640

they always make a point of going for

876

00:30:29,669 --> 00:30:19,679

the

877

00:30:32,389 --> 00:30:29,679

performing maneuvers we find quite

878

00:30:34,549 --> 00:30:32,399

incredible generational leaps ahead

879

00:30:36,470 --> 00:30:34,559

beyond leaps beyond leaps beyond leaps

880

00:30:38,070 --> 00:30:36,480

and we don't know what they are so

881

00:30:40,070 --> 00:30:38,080

that's where someone like you can get on

882

00:30:41,750 --> 00:30:40,080

board with that conversation because you

883

00:30:44,310 --> 00:30:41,760

can you can take that at face value and

884

00:30:46,789 --> 00:30:44,320

say yep this guy is who he says he is

885

00:30:48,789 --> 00:30:46,799

and you like the way he thinks

886

00:30:50,070 --> 00:30:48,799

sure i i think what i think i need to

887

00:30:53,029 --> 00:30:50,080

kind of i mean we need to sort of pull

888

00:30:54,549 --> 00:30:53,039

back here i mean you know yes um

889

00:30:56,310 --> 00:30:54,559

do

890

00:30:58,310 --> 00:30:56,320

we we we need to be cautious though

891

00:31:00,389 --> 00:30:58,320

because even though lou elizondo chris

892

00:31:04,549 --> 00:31:00,399

mellon and the rest of the contractors

893

00:31:06,149 --> 00:31:04,559

and crew at ttsa do say you know are who

894

00:31:08,149 --> 00:31:06,159

they say they are right that that's been

895

00:31:11,590 --> 00:31:08,159

thoroughly documented we don't we're not

896

00:31:13,029 --> 00:31:11,600

questioning their their their background

897

00:31:15,430 --> 00:31:13,039

um

898

00:31:17,590 --> 00:31:15,440

just because that's the case though you

899

00:31:18,549 --> 00:31:17,600

know they are still susceptible to the

900

00:31:20,630 --> 00:31:18,559

same

901
00:31:23,350 --> 00:31:20,640
issues the rest of us are right they're

902
00:31:24,789 --> 00:31:23,360
still susceptible to very human problems

903
00:31:27,269 --> 00:31:24,799
that can

904
00:31:29,909 --> 00:31:27,279
potentially manifest in ways that would

905
00:31:33,269 --> 00:31:29,919
you know perhaps seem like let's say an

906
00:31:35,110 --> 00:31:33,279
encounter with um you know an alien

907
00:31:37,830 --> 00:31:35,120
entity or or whatever so what i'm trying

908
00:31:39,190 --> 00:31:37,840
to get at is they can still be believers

909
00:31:41,750 --> 00:31:39,200
right they can still have a vested

910
00:31:43,669 --> 00:31:41,760
interest in finding validation for their

911
00:31:45,269 --> 00:31:43,679
personal beliefs in regards to

912
00:31:47,029 --> 00:31:45,279
interdimensional beings or

913
00:31:50,789 --> 00:31:47,039

ultra-terrestrials or extraterrestrials

914

00:31:53,750 --> 00:31:50,799

or whatever so um you know i i i i love

915

00:31:55,590 --> 00:31:53,760

lou he and i speak fairly frequently um

916

00:31:57,029 --> 00:31:55,600

you know i would consider him a friend

917

00:31:59,830 --> 00:31:57,039

because you know we often talk about our

918

00:32:01,990 --> 00:31:59,840

kids um we talk actually very little

919

00:32:04,470 --> 00:32:02,000

about ufos most of the time um

920

00:32:05,990 --> 00:32:04,480

so i love the guy but you know is it

921

00:32:07,430 --> 00:32:06,000

possible that you know he's a believer

922

00:32:09,350 --> 00:32:07,440

in aliens or something of course it is

923

00:32:11,190 --> 00:32:09,360

it's everyone can be a possible believer

924

00:32:12,870 --> 00:32:11,200

i you know personally you know i'm

925

00:32:14,789 --> 00:32:12,880

catholic so i believe that a dead jewish

926
00:32:16,549 --> 00:32:14,799
guy came back to life three days after

927
00:32:18,070 --> 00:32:16,559
they nailed him to a piece of wood so

928
00:32:20,310 --> 00:32:18,080
you know we all have sort of paranormal

929
00:32:22,310 --> 00:32:20,320
beliefs or we're all susceptible to that

930
00:32:24,789 --> 00:32:22,320
does that then make me more friendly

931
00:32:26,149 --> 00:32:24,799
let's say to a catholic worldview sure

932
00:32:29,110 --> 00:32:26,159
of course it does because it's part of

933
00:32:31,669 --> 00:32:29,120
my worldview um you know alexander or

934
00:32:33,669 --> 00:32:31,679
melon or put off or jim semivan or steve

935
00:32:37,110 --> 00:32:33,679
justice or whatever they might have

936
00:32:39,750 --> 00:32:37,120
beliefs that lead them to certain um

937
00:32:41,350 --> 00:32:39,760
predisposed um

938
00:32:43,029 --> 00:32:41,360

ideologies

939

00:32:44,470 --> 00:32:43,039

that being said in their defense in the

940

00:32:47,350 --> 00:32:44,480

defense of melanin lou and the rest of

941

00:32:48,630 --> 00:32:47,360

the guys and gals you know they are very

942

00:32:49,909 --> 00:32:48,640

careful in the way they were things and

943

00:32:51,509 --> 00:32:49,919

i'll agree with you there they don't

944

00:32:53,350 --> 00:32:51,519

walk around saying it's aliens and we're

945

00:32:55,750 --> 00:32:53,360

gonna be invaded like they don't do that

946

00:32:58,230 --> 00:32:55,760

which is i respect that right they they

947

00:33:00,470 --> 00:32:58,240

maintain that healthy dose of skepticism

948

00:33:02,230 --> 00:33:00,480

and critic critical thinking that they

949

00:33:03,509 --> 00:33:02,240

say listen it could be aliens but it

950

00:33:05,029 --> 00:33:03,519

could be a lot of other things too and

951
00:33:08,310 --> 00:33:05,039
we just need to be cautious before we

952
00:33:09,430 --> 00:33:08,320
start speculating and going crazy um and

953
00:33:11,430 --> 00:33:09,440
creating our

954
00:33:15,110 --> 00:33:11,440
own sort of mythological constructs

955
00:33:16,389 --> 00:33:15,120
within ufology and ufo and uap discourse

956
00:33:18,070 --> 00:33:16,399
um so

957
00:33:19,669 --> 00:33:18,080
there's a lot of caveats there and i

958
00:33:21,669 --> 00:33:19,679
think all i'm really trying to point out

959
00:33:23,590 --> 00:33:21,679
is that people regardless of their

960
00:33:26,630 --> 00:33:23,600
position who they are where they're from

961
00:33:29,190 --> 00:33:26,640
what the paperwork behind them says

962
00:33:30,710 --> 00:33:29,200
um are very complicated right humans are

963
00:33:33,110 --> 00:33:30,720

complicated creatures and we have a lot

964

00:33:34,870 --> 00:33:33,120

of beliefs and values and ideas that

965

00:33:37,350 --> 00:33:34,880

lead us down different paths there's no

966

00:33:39,909 --> 00:33:37,360

such thing as total objectivity

967

00:33:42,389 --> 00:33:39,919

we try to be objective but we just can't

968

00:33:43,990 --> 00:33:42,399

be it's impossible so

969

00:33:46,389 --> 00:33:44,000

i want to kind of caveat that when i

970

00:33:47,830 --> 00:33:46,399

look at people i don't see sort of this

971

00:33:50,630 --> 00:33:47,840

black or white

972

00:33:53,430 --> 00:33:50,640

they're here or they're here um

973

00:33:56,149 --> 00:33:53,440

people are really strange um and have a

974

00:33:59,509 --> 00:33:56,159

whole array of experiences and ideas

975

00:34:00,950 --> 00:33:59,519

um and it i think predisposes us to

976
00:34:03,830 --> 00:34:00,960
believe certain things or not believe

977
00:34:06,389 --> 00:34:03,840
certain things or be critical or or or

978
00:34:08,389 --> 00:34:06,399
more active and in our imagination

979
00:34:11,109 --> 00:34:08,399
towards you know different constructs

980
00:34:13,190 --> 00:34:11,119
and realities we build for ourselves

981
00:34:16,389 --> 00:34:13,200
okay i think i'm done now

982
00:34:18,629 --> 00:34:16,399
again it's a great answer okay uh

983
00:34:20,550 --> 00:34:18,639
i'm i'm trying to think how i ask

984
00:34:22,069 --> 00:34:20,560
someone that i'm getting to grips with

985
00:34:24,230 --> 00:34:22,079
your views and the way you're thinking

986
00:34:26,149 --> 00:34:24,240
which i totally appreciate

987
00:34:29,589 --> 00:34:26,159
how to ask this question

988
00:34:32,470 --> 00:34:29,599

that you gave me an answer um

989

00:34:35,030 --> 00:34:32,480

an instant then you said nimitz uh

990

00:34:37,669 --> 00:34:35,040

nimitz and princeton incident

991

00:34:39,510 --> 00:34:37,679

what would you like that to be

992

00:34:41,030 --> 00:34:39,520

so that at the end of the day whether

993

00:34:42,710 --> 00:34:41,040

it's uh look it was us government

994

00:34:45,430 --> 00:34:42,720

technology we'll realize how we can defy

995

00:34:48,069 --> 00:34:45,440

the laws of physics or it's it's russian

996

00:34:49,750 --> 00:34:48,079

or what what would you like it to be if

997

00:34:51,430 --> 00:34:49,760

i can want it that way

998

00:34:52,869 --> 00:34:51,440

do what do i will what are you asking me

999

00:34:54,790 --> 00:34:52,879

what i think it is or what i wanted it

1000

00:34:56,470 --> 00:34:54,800

to be well if you're going to if you

1001
00:34:58,630 --> 00:34:56,480
would tell me what you think it is i

1002
00:35:01,349 --> 00:34:58,640
would absolutely take that as an answer

1003
00:35:03,829 --> 00:35:01,359
oh yeah listen i i don't know

1004
00:35:06,150 --> 00:35:03,839
that's so funny um well i mean obviously

1005
00:35:07,910 --> 00:35:06,160
i i don't i i can't tell you what it is

1006
00:35:09,589 --> 00:35:07,920
because i don't know um

1007
00:35:11,030 --> 00:35:09,599
i don't think anybody knows

1008
00:35:16,950 --> 00:35:11,040
um

1009
00:35:16,960 --> 00:35:20,870
yeah listen the date is still out

1010
00:35:27,109 --> 00:35:24,150
you know if i had to go straight by pure

1011
00:35:29,030 --> 00:35:27,119
just occam's razor here right just let's

1012
00:35:35,750 --> 00:35:29,040
let's throw out

1013
00:35:37,270 --> 00:35:35,760

without all that right

1014

00:35:38,710 --> 00:35:37,280

you know we're probably dealing with

1015

00:35:39,990 --> 00:35:38,720

some prosaic

1016

00:35:41,750 --> 00:35:40,000

drone or

1017

00:35:42,630 --> 00:35:41,760

or some sort of test aircraft or

1018

00:35:45,109 --> 00:35:42,640

whatever

1019

00:35:46,870 --> 00:35:45,119

but once you start adding in

1020

00:35:48,150 --> 00:35:46,880

the layers of other ideas that are

1021

00:35:49,510 --> 00:35:48,160

present or the other piece of evidence

1022

00:35:51,109 --> 00:35:49,520

that are present right so so the video

1023

00:35:53,190 --> 00:35:51,119

alone is not enough

1024

00:35:55,510 --> 00:35:53,200

you know we have witness testimony we

1025

00:35:56,630 --> 00:35:55,520

have um testimony from radar operators

1026

00:35:58,950 --> 00:35:56,640

who are on the nimitz or on the

1027

00:36:01,990 --> 00:35:58,960

princeton rather we have all of this

1028

00:36:04,310 --> 00:36:02,000

other content and it's irresponsible to

1029

00:36:05,990 --> 00:36:04,320

ignore it just because you can't prove

1030

00:36:08,390 --> 00:36:06,000

someone's story

1031

00:36:10,710 --> 00:36:08,400

if there's sort of a whole swac of

1032

00:36:12,230 --> 00:36:10,720

evidence around it that kind of makes

1033

00:36:13,670 --> 00:36:12,240

that testimony compelling you can't

1034

00:36:15,190 --> 00:36:13,680

ignore it because it's definitely part

1035

00:36:16,630 --> 00:36:15,200

of the equation

1036

00:36:19,190 --> 00:36:16,640

you know all of a sudden we're dealing

1037

00:36:21,190 --> 00:36:19,200

with a drone that is doing things that

1038

00:36:23,910 --> 00:36:21,200

you know are not possible and and we're

1039

00:36:26,470 --> 00:36:23,920

dealing with with test aircraft that are

1040

00:36:27,910 --> 00:36:26,480

violating the basic laws of physics or

1041

00:36:30,390 --> 00:36:27,920

we're dealing with

1042

00:36:32,630 --> 00:36:30,400

um you know vehicles that can spoof

1043

00:36:35,829 --> 00:36:32,640

radar the most advanced radar on the

1044

00:36:38,390 --> 00:36:35,839

planet so effectively that um

1045

00:36:39,990 --> 00:36:38,400

it it it's making it seem like there's

1046

00:36:41,829 --> 00:36:40,000

multiple radar tracks even though these

1047

00:36:44,470 --> 00:36:41,839

things are designed to to not get

1048

00:36:46,870 --> 00:36:44,480

spoofed um

1049

00:36:48,870 --> 00:36:46,880

you know suddenly it becomes a lot less

1050

00:36:50,870 --> 00:36:48,880

possible that it is a drone or it

1051
00:36:54,870 --> 00:36:50,880
becomes a lot less possible that it's a

1052
00:36:56,550 --> 00:36:54,880
test aircraft from a foreign power um

1053
00:36:58,790 --> 00:36:56,560
so

1054
00:37:00,230 --> 00:36:58,800
am i saying that

1055
00:37:03,430 --> 00:37:00,240
it's uh sorry

1056
00:37:05,589 --> 00:37:03,440
is it possible that it's otherworldly

1057
00:37:06,790 --> 00:37:05,599
of course it's possible

1058
00:37:09,750 --> 00:37:06,800
um

1059
00:37:10,630 --> 00:37:09,760
is it is it otherworldly i don't know

1060
00:37:11,910 --> 00:37:10,640
um

1061
00:37:14,870 --> 00:37:11,920
i don't think there's enough information

1062
00:37:17,589 --> 00:37:14,880
to make that that guess you know i've

1063
00:37:19,910 --> 00:37:17,599

heard rumors there's other videos of of

1064

00:37:22,310 --> 00:37:19,920

of um

1065

00:37:24,069 --> 00:37:22,320

of other air or other vehicles i've

1066

00:37:25,510 --> 00:37:24,079

heard rumors that the the you know

1067

00:37:28,230 --> 00:37:25,520

pentagon has

1068

00:37:29,829 --> 00:37:28,240

oh my gosh has other sort of tidbits of

1069

00:37:31,430 --> 00:37:29,839

data

1070

00:37:33,510 --> 00:37:31,440

and they're not sharing and maybe

1071

00:37:35,829 --> 00:37:33,520

rightly so for national security reasons

1072

00:37:37,589 --> 00:37:35,839

i don't know

1073

00:37:38,870 --> 00:37:37,599

you know based upon those rumors i can't

1074

00:37:40,310 --> 00:37:38,880

do much with it but again if those

1075

00:37:42,230 --> 00:37:40,320

rumors turn out to be true then then the

1076
00:37:44,950 --> 00:37:42,240
things i've heard are truly spellbinding

1077
00:37:47,030 --> 00:37:44,960
and mystical and i'm i'm i'm kind of at

1078
00:37:49,109 --> 00:37:47,040
this point in my life now where i've

1079
00:37:50,550 --> 00:37:49,119
done this long enough to realize that

1080
00:37:53,349 --> 00:37:50,560
either

1081
00:37:58,950 --> 00:37:53,359
whatever

1082
00:38:02,829 --> 00:38:01,109
is either real

1083
00:38:04,870 --> 00:38:02,839
which scares the hell out of me

1084
00:38:07,510 --> 00:38:04,880
because clearly the people who are

1085
00:38:09,910 --> 00:38:07,520
supposed to be protecting me can't

1086
00:38:11,829 --> 00:38:09,920
or the people in charge of intelligence

1087
00:38:13,589 --> 00:38:11,839
gathering and intelligence and

1088
00:38:15,510 --> 00:38:13,599

counterintelligence in the united states

1089

00:38:17,670 --> 00:38:15,520

of america

1090

00:38:19,190 --> 00:38:17,680

are are completely delusional um and

1091

00:38:20,470 --> 00:38:19,200

they're making stuff up

1092

00:38:22,790 --> 00:38:20,480

and that scares the hell out of me too

1093

00:38:25,109 --> 00:38:22,800

because the people in responsible for

1094

00:38:28,230 --> 00:38:25,119

the the nation's um

1095

00:38:30,470 --> 00:38:28,240

like most important and and dangerous

1096

00:38:33,349 --> 00:38:30,480

special access programs weapons the

1097

00:38:36,470 --> 00:38:33,359

nuclear bombs themselves right um

1098

00:38:38,950 --> 00:38:36,480

are are believing in aliens and demons

1099

00:38:40,950 --> 00:38:38,960

and and the second coming of christ and

1100

00:38:43,109 --> 00:38:40,960

and um

1101

00:38:44,870 --> 00:38:43,119

in a very kind of literal real way that

1102

00:38:46,150 --> 00:38:44,880

there's like a war going to be like it

1103

00:38:47,589 --> 00:38:46,160

scares the hell out of me as well right

1104

00:38:49,030 --> 00:38:47,599

and these are like two evils i don't

1105

00:38:52,470 --> 00:38:49,040

necessarily want to deal with

1106

00:38:54,069 --> 00:38:52,480

um so so i'm

1107

00:38:56,550 --> 00:38:54,079

i don't know right and to answer your

1108

00:38:59,670 --> 00:38:56,560

question i i i do not know what is

1109

00:39:01,430 --> 00:38:59,680

responsible behind it um

1110

00:39:03,670 --> 00:39:01,440

i really hope it's a mistake sometimes

1111

00:39:06,230 --> 00:39:03,680

um and it's like a drone or something

1112

00:39:08,390 --> 00:39:06,240

because then it's not so scary but um

1113

00:39:10,710 --> 00:39:08,400

yeah it's it's it's really odd um the

1114

00:39:13,030 --> 00:39:10,720

more you talk to people who who might

1115

00:39:15,270 --> 00:39:13,040

know some things you you realize like

1116

00:39:16,950 --> 00:39:15,280

nobody has a grip on anything um

1117

00:39:18,310 --> 00:39:16,960

and and

1118

00:39:20,310 --> 00:39:18,320

that is more frightening than having a

1119

00:39:22,150 --> 00:39:20,320

grip on it which i think is is maybe

1120

00:39:24,310 --> 00:39:22,160

from a cultural level why the ufo

1121

00:39:27,109 --> 00:39:24,320

community is really really

1122

00:39:28,950 --> 00:39:27,119

invested in speculation um it's a lot

1123

00:39:31,349 --> 00:39:28,960

easier to deal with something when you

1124

00:39:32,870 --> 00:39:31,359

understand what it is um so if i can say

1125

00:39:33,990 --> 00:39:32,880

it's aliens or i could or i can say it's

1126

00:39:35,430 --> 00:39:34,000

interdimensional beings or

1127

00:39:37,670 --> 00:39:35,440

ultraterrestrials or whatever if i can

1128

00:39:39,109 --> 00:39:37,680

give it a name suddenly i have power

1129

00:39:40,630 --> 00:39:39,119

over it right that's kind of what what

1130

00:39:42,230 --> 00:39:40,640

they say about demons right in the in

1131

00:39:43,990 --> 00:39:42,240

the in the bible right in in the

1132

00:39:46,550 --> 00:39:44,000

judeo-christian tradition if you can

1133

00:39:48,390 --> 00:39:46,560

name the demon um and you know its name

1134

00:39:49,750 --> 00:39:48,400

you have power over it

1135

00:39:52,470 --> 00:39:49,760

i think that we sort of see this within

1136

00:39:54,470 --> 00:39:52,480

ufology right if we can establish

1137

00:39:56,950 --> 00:39:54,480

a speculative place of where something's

1138

00:39:59,190 --> 00:39:56,960

from right if i can identify it as alien

1139

00:40:00,790 --> 00:39:59,200

suddenly you know i can control it in

1140

00:40:02,310 --> 00:40:00,800

some way there will be a point maybe one

1141

00:40:04,390 --> 00:40:02,320

day where humanity will be able to kill

1142

00:40:05,910 --> 00:40:04,400

it if we have to um

1143

00:40:07,670 --> 00:40:05,920

so

1144

00:40:09,349 --> 00:40:07,680

but when you're facing with a truly

1145

00:40:13,030 --> 00:40:09,359

unknown right you have no idea what it

1146

00:40:14,790 --> 00:40:13,040

is um you you're powerless against it um

1147

00:40:17,030 --> 00:40:14,800

and you start to really

1148

00:40:18,150 --> 00:40:17,040

question your place in the universe and

1149

00:40:18,950 --> 00:40:18,160

and and

1150

00:40:21,670 --> 00:40:18,960

um

1151
00:40:23,030 --> 00:40:21,680
can you is the world around you the

1152
00:40:24,470 --> 00:40:23,040
reality that

1153
00:40:26,950 --> 00:40:24,480
is the world around you

1154
00:40:29,990 --> 00:40:26,960
stable enough to call it reality or or

1155
00:40:31,270 --> 00:40:30,000
is it sort of this wibbly wobbly round

1156
00:40:34,390 --> 00:40:31,280
thing with bits floating in the middle

1157
00:40:36,230 --> 00:40:34,400
and and reality's all wonky um this is

1158
00:40:37,589 --> 00:40:36,240
unnerving for people um and this is

1159
00:40:41,270 --> 00:40:37,599
unfortunately the world you get dragged

1160
00:40:43,030 --> 00:40:41,280
into when you kind of walk into the ufo

1161
00:40:45,750 --> 00:40:43,040
deep narrative

1162
00:40:46,470 --> 00:40:45,760
spaces of your brain sorry yeah

1163
00:40:49,109 --> 00:40:46,480

no

1164

00:40:50,390 --> 00:40:49,119

less than six months ago i would have

1165

00:40:52,630 --> 00:40:50,400

been

1166

00:40:54,150 --> 00:40:52,640

very hesitant to say that you know

1167

00:40:56,150 --> 00:40:54,160

next month there's going to be a fake

1168

00:40:58,550 --> 00:40:56,160

alien invasion but what what i've seen

1169

00:41:00,230 --> 00:40:58,560

in the last six months uh i didn't think

1170

00:41:02,230 --> 00:41:00,240

i would see in a lifetime to be fair for

1171

00:41:05,030 --> 00:41:02,240

who dwight um so i would not leave

1172

00:41:06,870 --> 00:41:05,040

anything off the table at the minute

1173

00:41:08,150 --> 00:41:06,880

thank god we've got um stable world

1174

00:41:13,510 --> 00:41:08,160

leaders in place that wouldn't do

1175

00:41:17,910 --> 00:41:16,790

yeah isn't it just um circling back

1176

00:41:19,349 --> 00:41:17,920

because you did mention again about the

1177

00:41:21,750 --> 00:41:19,359

ufo community and i do want to kind of

1178

00:41:23,430 --> 00:41:21,760

touch on your book so the book you you

1179

00:41:26,630 --> 00:41:23,440

mentioned before was the ufo people are

1180

00:41:29,270 --> 00:41:26,640

curious culture do you consider yourself

1181

00:41:30,150 --> 00:41:29,280

one of the ufo people now

1182

00:41:32,390 --> 00:41:30,160

um

1183

00:41:34,790 --> 00:41:32,400

i've become i think an honorary member

1184

00:41:36,550 --> 00:41:34,800

of it yeah let's put it that way um i

1185

00:41:38,309 --> 00:41:36,560

consider myself a member of the ufo

1186

00:41:39,990 --> 00:41:38,319

community and a ufo person i think yes i

1187

00:41:43,030 --> 00:41:40,000

do because

1188

00:41:44,630 --> 00:41:43,040

in writing about it um i've come to love

1189

00:41:46,870 --> 00:41:44,640

it um

1190

00:41:52,150 --> 00:41:46,880

and and for all of its

1191

00:42:00,390 --> 00:41:54,309

you know

1192

00:42:02,630 --> 00:42:00,400

group is is is gonna be awesome all the

1193

00:42:04,630 --> 00:42:02,640

time so i think there's aspects of the

1194

00:42:06,950 --> 00:42:04,640

ufo community that i really appreciate

1195

00:42:09,109 --> 00:42:06,960

um you know most namely

1196

00:42:11,910 --> 00:42:09,119

that

1197

00:42:13,990 --> 00:42:11,920

my interest in ufos has led me to meet a

1198

00:42:16,630 --> 00:42:14,000

lot of interesting people

1199

00:42:18,309 --> 00:42:16,640

people who in any other

1200

00:42:21,270 --> 00:42:18,319

you know

1201
00:42:22,550 --> 00:42:21,280
area of let's say study i never would

1202
00:42:24,630 --> 00:42:22,560
meet um

1203
00:42:27,109 --> 00:42:24,640
you know i've i've met

1204
00:42:28,710 --> 00:42:27,119
the world's leading experts in a lot of

1205
00:42:30,390 --> 00:42:28,720
different fields

1206
00:42:33,270 --> 00:42:30,400
i've got to

1207
00:42:36,870 --> 00:42:33,280
you know ride in a helicopter with a you

1208
00:42:39,109 --> 00:42:36,880
know multi-millionaire um i've i've gone

1209
00:42:42,230 --> 00:42:39,119
places and been with people who are

1210
00:42:43,109 --> 00:42:42,240
unique and fascinating um

1211
00:42:46,150 --> 00:42:43,119
and

1212
00:42:48,950 --> 00:42:46,160
their level of of engagement with ufos

1213
00:42:51,109 --> 00:42:48,960

varies but they're all kind of drawn to

1214

00:42:53,510 --> 00:42:51,119

the mystery that is the paranormal or

1215

00:42:55,750 --> 00:42:53,520

the ufo right um

1216

00:42:57,349 --> 00:42:55,760

it has it has become sort of their

1217

00:42:59,990 --> 00:42:57,359

search for

1218

00:43:00,950 --> 00:43:00,000

themselves in a sense right you know the

1219

00:43:04,069 --> 00:43:00,960

search for god is kind of the

1220

00:43:05,910 --> 00:43:04,079

quintessential way of looking at it um

1221

00:43:08,069 --> 00:43:05,920

but they're really just trying to figure

1222

00:43:09,910 --> 00:43:08,079

out their place

1223

00:43:11,589 --> 00:43:09,920

in all of this

1224

00:43:14,710 --> 00:43:11,599

and the nice thing about ufos is it

1225

00:43:17,190 --> 00:43:14,720

provides a great bridge for that right

1226

00:43:18,550 --> 00:43:17,200

it provides a great way for me to be

1227

00:43:20,710 --> 00:43:18,560

able to engage with some of these

1228

00:43:22,710 --> 00:43:20,720

individuals through a mutual interest

1229

00:43:25,190 --> 00:43:22,720

and then you know make be friends with

1230

00:43:26,870 --> 00:43:25,200

them and engage them and you know

1231

00:43:29,109 --> 00:43:26,880

hang out with them and you know go for

1232

00:43:30,390 --> 00:43:29,119

dinner with them or drink beer with them

1233

00:43:33,270 --> 00:43:30,400

so

1234

00:43:35,589 --> 00:43:33,280

i would say that

1235

00:43:37,589 --> 00:43:35,599

that's the part i love right meeting a

1236

00:43:39,670 --> 00:43:37,599

lot of interesting unique people who

1237

00:43:42,309 --> 00:43:39,680

have very interesting ways of looking at

1238

00:43:44,309 --> 00:43:42,319

the world around them

1239

00:43:47,109 --> 00:43:44,319

you know the other side is is dealing

1240

00:43:48,950 --> 00:43:47,119

with the more dangerous aspects right um

1241

00:43:51,829 --> 00:43:48,960

the the the stuff that stems out of the

1242

00:43:54,230 --> 00:43:51,839

insanity of it all um you know i had the

1243

00:43:57,670 --> 00:43:54,240

luxury for the last eight months to

1244

00:43:59,829 --> 00:43:57,680

literally follow a ufo cult around um i

1245

00:44:02,550 --> 00:43:59,839

shouldn't call it a cult um i redact

1246

00:44:03,589 --> 00:44:02,560

that statement a ufo spiritual belief

1247

00:44:05,430 --> 00:44:03,599

system

1248

00:44:07,109 --> 00:44:05,440

i don't know my lawyers will figure it

1249

00:44:10,069 --> 00:44:07,119

out um but

1250

00:44:12,470 --> 00:44:10,079

the you know so again and and that leads

1251
00:44:15,270 --> 00:44:12,480
you down some dark places right um it

1252
00:44:18,790 --> 00:44:15,280
leads you down a path of of individuals

1253
00:44:21,990 --> 00:44:18,800
using ufos uh and the paranormal to

1254
00:44:25,910 --> 00:44:22,000
um cause harm right they sell snake oil

1255
00:44:28,710 --> 00:44:25,920
they they sell conspiracy they they sell

1256
00:44:29,589 --> 00:44:28,720
active disinformation for the purposes

1257
00:44:31,829 --> 00:44:29,599
of

1258
00:44:34,550 --> 00:44:31,839
like weakening established systems

1259
00:44:37,750 --> 00:44:34,560
whether it's in in academia or democracy

1260
00:44:39,190 --> 00:44:37,760
in order to profit from it um whether

1261
00:44:42,150 --> 00:44:39,200
they do it because they believe it or

1262
00:44:44,790 --> 00:44:42,160
whether they do it because they are um

1263
00:44:46,790 --> 00:44:44,800

charlatans and con men um you know

1264

00:44:47,750 --> 00:44:46,800

that's yet to be seen

1265

00:44:49,829 --> 00:44:47,760

but

1266

00:44:51,910 --> 00:44:49,839

the other side of all this is is the

1267

00:44:55,030 --> 00:44:51,920

fact that

1268

00:44:56,790 --> 00:44:55,040

it's it's also dominated by a cast of

1269

00:44:58,870 --> 00:44:56,800

actors who

1270

00:45:03,190 --> 00:44:58,880

are engaged in

1271

00:45:06,390 --> 00:45:03,200

like nefarity um and unfortunately some

1272

00:45:07,750 --> 00:45:06,400

people within the ufo community are so

1273

00:45:08,950 --> 00:45:07,760

zealous

1274

00:45:11,910 --> 00:45:08,960

in their belief that they're willing to

1275

00:45:14,550 --> 00:45:11,920

buy it um because perhaps their search

1276
00:45:17,430 --> 00:45:14,560
for vindication and for god um is much

1277
00:45:18,470 --> 00:45:17,440
more desperate um than some of the rest

1278
00:45:19,510 --> 00:45:18,480
of us

1279
00:45:21,109 --> 00:45:19,520
so

1280
00:45:22,790 --> 00:45:21,119
i think that that

1281
00:45:24,950 --> 00:45:22,800
that's what the book generally deals

1282
00:45:27,829 --> 00:45:24,960
with right it deals with this wide array

1283
00:45:31,589 --> 00:45:27,839
of people who who who chase this

1284
00:45:34,230 --> 00:45:31,599
phenomenon in a lot of different ways um

1285
00:45:37,349 --> 00:45:34,240
and the subculture is filled with people

1286
00:45:41,109 --> 00:45:37,359
who are amazing wonderful interesting

1287
00:45:42,950 --> 00:45:41,119
unique um and they have a lot to add to

1288
00:45:45,829 --> 00:45:42,960

society and the world around them and

1289

00:45:48,630 --> 00:45:45,839

it's also filled with individuals who i

1290

00:45:50,790 --> 00:45:48,640

consider to be extremely dangerous um

1291

00:45:52,230 --> 00:45:50,800

who care little for for

1292

00:45:53,990 --> 00:45:52,240

the words that they say and the words

1293

00:45:56,470 --> 00:45:54,000

they choose to use and the messages they

1294

00:45:58,790 --> 00:45:56,480

create and and the real effects it has

1295

00:46:01,109 --> 00:45:58,800

on people's lives um to the point where

1296

00:46:04,790 --> 00:46:01,119

people have have committed suicide or or

1297

00:46:06,069 --> 00:46:04,800

killed one another um as a result um so

1298

00:46:07,670 --> 00:46:06,079

so there's

1299

00:46:10,309 --> 00:46:07,680

you know there's

1300

00:46:13,190 --> 00:46:10,319

it's it's a fickle mistress um being a

1301

00:46:15,589 --> 00:46:13,200

member of the ufo community um and and

1302

00:46:17,670 --> 00:46:15,599

you're not really sure

1303

00:46:20,790 --> 00:46:17,680

always who's playing for whose team and

1304

00:46:23,829 --> 00:46:20,800

and and it takes a lot of time to suss

1305

00:46:24,630 --> 00:46:23,839

out where a person stands um in regards

1306

00:46:27,349 --> 00:46:24,640

to

1307

00:46:29,109 --> 00:46:27,359

yeah

1308

00:46:31,670 --> 00:46:29,119

very very good point and someone like

1309

00:46:33,829 --> 00:46:31,680

myself i

1310

00:46:37,030 --> 00:46:33,839

i want to know what it is

1311

00:46:39,109 --> 00:46:37,040

and whatever that may be i naturally

1312

00:46:41,750 --> 00:46:39,119

have a curiosity for anything okay now

1313

00:46:43,190 --> 00:46:41,760

what next if it is aliens from another

1314

00:46:45,030 --> 00:46:43,200

planet that managed to come here and

1315

00:46:46,470 --> 00:46:45,040

visit then great you know what's it like

1316

00:46:48,230 --> 00:46:46,480

why did you do that you know what else

1317

00:46:49,990 --> 00:46:48,240

do you know that we don't if it's

1318

00:46:52,069 --> 00:46:50,000

different realities in the dimensional

1319

00:46:53,910 --> 00:46:52,079

ultra-terrestrial then again equally

1320

00:46:56,470 --> 00:46:53,920

fascinating okay where do we go from

1321

00:46:58,309 --> 00:46:56,480

here how does that affect us i think

1322

00:46:59,750 --> 00:46:58,319

there are

1323

00:47:02,550 --> 00:46:59,760

again a group of people that you have

1324

00:47:05,510 --> 00:47:02,560

mentioned to make a lot of money um

1325

00:47:07,829 --> 00:47:05,520

selling apps selling books selling their

1326

00:47:09,990 --> 00:47:07,839

side of the story that their worst fear

1327

00:47:12,309 --> 00:47:10,000

would be we do find out what this is

1328

00:47:14,230 --> 00:47:12,319

because then we have an answer uh or at

1329

00:47:16,069 --> 00:47:14,240

least you know what what you're peddling

1330

00:47:18,550 --> 00:47:16,079

isn't correct it isn't true it never has

1331

00:47:20,390 --> 00:47:18,560

been true and they get found out and

1332

00:47:22,230 --> 00:47:20,400

yeah that those people can be pretty

1333

00:47:23,750 --> 00:47:22,240

serious and it's a shame that some of

1334

00:47:26,150 --> 00:47:23,760

these people get their own documentaries

1335

00:47:27,829 --> 00:47:26,160

get their own tv shows and get to have

1336

00:47:30,710 --> 00:47:27,839

the platforms to do because you can

1337

00:47:33,030 --> 00:47:30,720

absolutely aim at a section of the the

1338

00:47:36,230 --> 00:47:33,040

ufo community that if you want to class

1339

00:47:38,230 --> 00:47:36,240

it as vulnerable is definitely there and

1340

00:47:39,910 --> 00:47:38,240

they definitely pray on that which is

1341

00:47:41,589 --> 00:47:39,920

unfortunate but it's going to happen in

1342

00:47:43,750 --> 00:47:41,599

any section of society i think is

1343

00:47:45,190 --> 00:47:43,760

something that you're far more and a

1344

00:47:46,870 --> 00:47:45,200

better place to talk about than i am

1345

00:47:47,990 --> 00:47:46,880

anyway given the subject that you've

1346

00:47:49,670 --> 00:47:48,000

written on

1347

00:47:51,190 --> 00:47:49,680

um yeah i i think you're right i think

1348

00:47:52,950 --> 00:47:51,200

vulnerable is a great word i think i

1349

00:47:55,349 --> 00:47:52,960

think we all enter into stages of

1350

00:47:57,270 --> 00:47:55,359

vulnerability um

1351
00:47:58,870 --> 00:47:57,280
at times in our lives right everyone has

1352
00:47:59,829 --> 00:47:58,880
experienced

1353
00:48:01,829 --> 00:47:59,839
being

1354
00:48:02,870 --> 00:48:01,839
so beat down that that they're almost

1355
00:48:04,470 --> 00:48:02,880
broken

1356
00:48:05,990 --> 00:48:04,480
and it really depends on who's around

1357
00:48:07,430 --> 00:48:06,000
you to help you put those pieces back

1358
00:48:10,790 --> 00:48:07,440
together if you have a stable support

1359
00:48:13,829 --> 00:48:10,800
system a loving family whatever to help

1360
00:48:16,150 --> 00:48:13,839
you rebuild after being knocked down

1361
00:48:19,510 --> 00:48:16,160
typically you know you have

1362
00:48:22,630 --> 00:48:19,520
a healthy process to to rebuild life

1363
00:48:25,589 --> 00:48:22,640

if that isn't in place or or there's

1364

00:48:28,390 --> 00:48:25,599

issues with that um or there's obviously

1365

00:48:31,109 --> 00:48:28,400

mental health concerns or whatever

1366

00:48:33,750 --> 00:48:31,119

suddenly what starts to fill that gap

1367

00:48:36,069 --> 00:48:33,760

are our individuals who are willing to

1368

00:48:38,309 --> 00:48:36,079

tell you that you are special and you

1369

00:48:40,870 --> 00:48:38,319

are unique and you are one of the chosen

1370

00:48:42,710 --> 00:48:40,880

and you can be saved um and if you

1371

00:48:45,109 --> 00:48:42,720

simply do this if you simply click

1372

00:48:46,870 --> 00:48:45,119

subscribe if you simply buy this book if

1373

00:48:50,069 --> 00:48:46,880

you simply sign up to my class if you

1374

00:48:53,270 --> 00:48:50,079

simply join me on this convention floor

1375

00:48:55,910 --> 00:48:53,280

or you come to my meeting

1376

00:48:58,470 --> 00:48:55,920

suddenly you know you're finding your

1377

00:49:00,870 --> 00:48:58,480

vindication um

1378

00:49:02,309 --> 00:49:00,880

and you're rebuilding in in someone who

1379

00:49:04,549 --> 00:49:02,319

does not necessarily have your best

1380

00:49:07,190 --> 00:49:04,559

interest in heart but rather someone who

1381

00:49:08,710 --> 00:49:07,200

has your money um you know and wants

1382

00:49:11,190 --> 00:49:08,720

your money or or

1383

00:49:12,470 --> 00:49:11,200

or you know even worse they they're

1384

00:49:15,270 --> 00:49:12,480

they're delusional they want your soul

1385

00:49:17,670 --> 00:49:15,280

in a sense right they want to to own

1386

00:49:19,510 --> 00:49:17,680

um you and i have power over you and

1387

00:49:20,549 --> 00:49:19,520

this is how really religions and cults

1388

00:49:23,349 --> 00:49:20,559

kind of

1389

00:49:24,790 --> 00:49:23,359

begin right this this this this desire

1390

00:49:25,589 --> 00:49:24,800

for control

1391

00:49:27,589 --> 00:49:25,599

um

1392

00:49:29,990 --> 00:49:27,599

part of its financial part of it is

1393

00:49:31,349 --> 00:49:30,000

simply just the lust for power and and

1394

00:49:32,549 --> 00:49:31,359

wanting that

1395

00:49:34,470 --> 00:49:32,559

so so

1396

00:49:36,950 --> 00:49:34,480

i i

1397

00:49:41,349 --> 00:49:39,510

i caution people all the time that if

1398

00:49:43,829 --> 00:49:41,359

somebody tells you

1399

00:49:46,309 --> 00:49:43,839

that they know where they claim to know

1400

00:49:49,109 --> 00:49:46,319

what the source is of paranormal or

1401

00:49:51,030 --> 00:49:49,119

supernatural or ufological

1402

00:49:53,190 --> 00:49:51,040

phenomena

1403

00:49:54,630 --> 00:49:53,200

they they want something from you right

1404

00:49:56,790 --> 00:49:54,640

um

1405

00:49:58,230 --> 00:49:56,800

we need to be cautious

1406

00:49:59,990 --> 00:49:58,240

so i think in the book i say you know if

1407

00:50:01,349 --> 00:50:00,000

somebody tells you they know what ufos

1408

00:50:02,870 --> 00:50:01,359

are they're they're either delusional or

1409

00:50:04,710 --> 00:50:02,880

trying to sell you something

1410

00:50:06,870 --> 00:50:04,720

um and i think that's a true statement i

1411

00:50:08,950 --> 00:50:06,880

think the vast majority of voices in the

1412

00:50:11,910 --> 00:50:08,960

ufo community that are authentic and

1413

00:50:14,150 --> 00:50:11,920

legitimate often will say i have no idea

1414

00:50:16,150 --> 00:50:14,160

what's going on right like i don't know

1415

00:50:17,990 --> 00:50:16,160

all i can tell you is the history or i

1416

00:50:19,750 --> 00:50:18,000

can provide you some cultural background

1417

00:50:21,910 --> 00:50:19,760

or some or some some scientific

1418

00:50:23,430 --> 00:50:21,920

background into what's going on here but

1419

00:50:24,390 --> 00:50:23,440

that's it i'm not going to tell you it's

1420

00:50:25,510 --> 00:50:24,400

aliens i'm not going to tell you with

1421

00:50:26,630 --> 00:50:25,520

ultrastressors or whatever because we

1422

00:50:28,069 --> 00:50:26,640

just don't know

1423

00:50:29,589 --> 00:50:28,079

i think those are kind of the more

1424

00:50:30,470 --> 00:50:29,599

authentic legitimate voices we need to

1425

00:50:31,910 --> 00:50:30,480

listen to

1426
00:50:34,630 --> 00:50:31,920
once people start making claims like oh

1427
00:50:36,790 --> 00:50:34,640
for sure 100 it's alien or for sure 100

1428
00:50:40,309 --> 00:50:36,800
it's interdimensional or for sure 100 is

1429
00:50:41,750 --> 00:50:40,319
demonic or for sure 100 it's i don't

1430
00:50:43,990 --> 00:50:41,760
know

1431
00:50:46,150 --> 00:50:44,000
ghosts of

1432
00:50:48,069 --> 00:50:46,160
dead indigenous people or something

1433
00:50:49,190 --> 00:50:48,079
suddenly we need to be super cautious we

1434
00:50:50,470 --> 00:50:49,200
kind of need to pull back a little bit

1435
00:50:51,430 --> 00:50:50,480
right we need to kind of say okay hold

1436
00:50:54,549 --> 00:50:51,440
on

1437
00:50:57,430 --> 00:50:54,559
why are you saying that um and and

1438
00:50:58,950 --> 00:50:57,440

like where are you getting this from um

1439

00:51:00,790 --> 00:50:58,960

because suddenly

1440

00:51:03,109 --> 00:51:00,800

you know we need to be aware that they

1441

00:51:06,230 --> 00:51:03,119

might be leading us down a path um that

1442

00:51:09,829 --> 00:51:06,240

serves them and not necessarily um truth

1443

00:51:11,589 --> 00:51:09,839

or fact or or knowledge um so yeah i i

1444

00:51:13,670 --> 00:51:11,599

agree i think i think vulnerability

1445

00:51:16,150 --> 00:51:13,680

plays a big point i think ufos attract

1446

00:51:17,030 --> 00:51:16,160

vulnerable people at times the same way

1447

00:51:19,349 --> 00:51:17,040

sort of

1448

00:51:21,270 --> 00:51:19,359

evangelical christianity or

1449

00:51:23,030 --> 00:51:21,280

or any sort of

1450

00:51:25,030 --> 00:51:23,040

other religious movement does right it

1451

00:51:27,589 --> 00:51:25,040

finds people who are hurt and and it

1452

00:51:28,630 --> 00:51:27,599

provides them something um to help them

1453

00:51:31,510 --> 00:51:28,640

rebuild

1454

00:51:33,510 --> 00:51:31,520

and ufos i think are just another sort

1455

00:51:36,150 --> 00:51:33,520

of religious tool in the tool belt let's

1456

00:51:38,309 --> 00:51:36,160

put it that way spiritual tool maybe no

1457

00:51:39,750 --> 00:51:38,319

absolutely so i mean i would recommend

1458

00:51:41,829 --> 00:51:39,760

your book in it it's one i'm going to

1459

00:51:43,990 --> 00:51:41,839

get myself so it's the ufo people are

1460

00:51:46,230 --> 00:51:44,000

curious culture can you give us a little

1461

00:51:47,829 --> 00:51:46,240

bit of a state of the union so given

1462

00:51:49,589 --> 00:51:47,839

current events recent events the way

1463

00:51:51,430 --> 00:51:49,599

this year's gone we've had a couple

1464

00:51:53,670 --> 00:51:51,440

looking at crazy years in ufology where

1465

00:51:55,750 --> 00:51:53,680

we've had the nimitz cases come out new

1466

00:51:57,190 --> 00:51:55,760

york times article tsa rise to

1467

00:51:59,109 --> 00:51:57,200

prominence

1468

00:52:00,790 --> 00:51:59,119

had these videos we're waiting on more

1469

00:52:04,390 --> 00:52:00,800

guys that little as london chris melon

1470

00:52:06,309 --> 00:52:04,400

as a community where do you see ufology

1471

00:52:08,630 --> 00:52:06,319

right now how broken is it

1472

00:52:10,870 --> 00:52:08,640

or how together is it

1473

00:52:12,549 --> 00:52:10,880

i think ufology's always sort of been

1474

00:52:13,990 --> 00:52:12,559

broken i think that's why we love it so

1475

00:52:16,150 --> 00:52:14,000

much right it's sort of been it's always

1476
00:52:18,710 --> 00:52:16,160
been this island of lost toys and broken

1477
00:52:20,470 --> 00:52:18,720
toys right um but i don't want to say

1478
00:52:22,069 --> 00:52:20,480
that ufology is broken or together

1479
00:52:24,230 --> 00:52:22,079
because i'm not sure if that's that's

1480
00:52:26,870 --> 00:52:24,240
sort of a good way to look at it i think

1481
00:52:29,990 --> 00:52:26,880
rather what we're going to see and what

1482
00:52:33,270 --> 00:52:30,000
we're going to potentially experience is

1483
00:52:35,030 --> 00:52:33,280
a reshaping and how people engage with

1484
00:52:36,230 --> 00:52:35,040
the question of ufos i think what's

1485
00:52:37,109 --> 00:52:36,240
gonna happen is you're gonna start to

1486
00:52:38,870 --> 00:52:37,119
see

1487
00:52:40,870 --> 00:52:38,880
more

1488
00:52:42,230 --> 00:52:40,880

serious reporting on the subject i think

1489

00:52:44,309 --> 00:52:42,240

you're gonna see

1490

00:52:45,270 --> 00:52:44,319

the creation of

1491

00:52:46,390 --> 00:52:45,280

um

1492

00:52:49,510 --> 00:52:46,400

of of

1493

00:52:53,349 --> 00:52:49,520

legitimate reporting on the ufo

1494

00:52:55,510 --> 00:52:53,359

phenomenon um that deals more with

1495

00:52:57,109 --> 00:52:55,520

um the evidence and and and maybe the

1496

00:53:01,589 --> 00:52:57,119

cultural aspects and the scientific

1497

00:53:04,309 --> 00:53:01,599

aspects and less on the typical tabloid

1498

00:53:06,630 --> 00:53:04,319

crap that that exists right now

1499

00:53:09,829 --> 00:53:06,640

um so i think that's gonna be one um i

1500

00:53:11,349 --> 00:53:09,839

think it's i think you're gonna see

1501
00:53:15,349 --> 00:53:11,359
more legitima

1502
00:53:16,470 --> 00:53:15,359
legitimization of the topic

1503
00:53:18,630 --> 00:53:16,480
because i think it's becoming a lot

1504
00:53:21,430 --> 00:53:18,640
harder to hide things um secondly i

1505
00:53:24,230 --> 00:53:21,440
think i think what we're going to see is

1506
00:53:25,190 --> 00:53:24,240
more information coming out in regards

1507
00:53:28,069 --> 00:53:25,200
to

1508
00:53:31,270 --> 00:53:28,079
what governments are currently doing in

1509
00:53:34,630 --> 00:53:31,280
regards to to exploring or or

1510
00:53:36,950 --> 00:53:34,640
engaging with uap um i'm not saying that

1511
00:53:38,309 --> 00:53:36,960
it's going to be disclosure of of alien

1512
00:53:40,230 --> 00:53:38,319
contact or anything i think that's

1513
00:53:42,950 --> 00:53:40,240

nonsense i think rather what we're going

1514

00:53:45,030 --> 00:53:42,960

to see is that governments are are

1515

00:53:46,150 --> 00:53:45,040

fundamentally they're always being

1516

00:53:49,829 --> 00:53:46,160

fundamentally interested but they're

1517

00:53:52,710 --> 00:53:49,839

they're they're still engaged um in

1518

00:53:54,069 --> 00:53:52,720

ufos um and we're going to start seeing

1519

00:53:57,190 --> 00:53:54,079

more of that information start to come

1520

00:54:00,230 --> 00:53:57,200

out i think um the more political nature

1521

00:54:02,630 --> 00:54:00,240

of ufology and ufo discourse or uap

1522

00:54:07,430 --> 00:54:02,640

discourse is gonna is gonna emerge um

1523

00:54:09,750 --> 00:54:07,440

over the next 365 days um

1524

00:54:11,109 --> 00:54:09,760

so i think for for me that's kind of all

1525

00:54:14,549 --> 00:54:11,119

i can say at this point i think we're

1526

00:54:16,790 --> 00:54:14,559

just we're gonna see a shift in the

1527

00:54:19,109 --> 00:54:16,800

narrative and suddenly more people are

1528

00:54:21,990 --> 00:54:19,119

gonna start talking about the subject in

1529

00:54:23,349 --> 00:54:22,000

in a in a more authentic way in a more

1530

00:54:25,430 --> 00:54:23,359

legitimate way

1531

00:54:26,790 --> 00:54:25,440

um

1532

00:54:29,109 --> 00:54:26,800

you know there's always going to be the

1533

00:54:31,430 --> 00:54:29,119

hucksters and the shysters and and the

1534

00:54:33,270 --> 00:54:31,440

guys who peddle alien mummies and all

1535

00:54:35,270 --> 00:54:33,280

this stuff that's always going to exist

1536

00:54:36,630 --> 00:54:35,280

um but i think what what maybe what

1537

00:54:39,349 --> 00:54:36,640

you'll see is here here's a good way of

1538

00:54:42,309 --> 00:54:39,359

putting it um

1539

00:54:43,829 --> 00:54:42,319

yeah okay this is gonna sound um crass

1540

00:54:45,910 --> 00:54:43,839

and i apologize to anyone who this

1541

00:54:47,750 --> 00:54:45,920

offends um but i think what's gonna

1542

00:54:49,430 --> 00:54:47,760

happen is you're gonna have a split in

1543

00:54:51,030 --> 00:54:49,440

conversation i think what's gonna happen

1544

00:54:54,950 --> 00:54:51,040

is you're gonna have

1545

00:54:57,589 --> 00:54:54,960

a very real movement within

1546

00:54:59,109 --> 00:54:57,599

good ufo discourse that's gonna kind of

1547

00:55:00,630 --> 00:54:59,119

say um

1548

00:55:02,710 --> 00:55:00,640

you know this is the table that we're

1549

00:55:04,230 --> 00:55:02,720

talking at um and if somebody walks up

1550

00:55:05,510 --> 00:55:04,240

and says here's my dead alien mummy

1551
00:55:07,589 --> 00:55:05,520
we're gonna say listen to kids tables

1552
00:55:09,270 --> 00:55:07,599
over there go sit somewhere else um you

1553
00:55:11,510 --> 00:55:09,280
know get the hell out of the room right

1554
00:55:12,549 --> 00:55:11,520
um like who let you in i think what

1555
00:55:14,150 --> 00:55:12,559
you're gonna see is you're gonna see

1556
00:55:16,870 --> 00:55:14,160
this this this

1557
00:55:21,270 --> 00:55:16,880
schism that's going to occur between the

1558
00:55:23,190 --> 00:55:21,280
the more pop ufo attainment kind of

1559
00:55:25,109 --> 00:55:23,200
stuff that's created and the more

1560
00:55:27,510 --> 00:55:25,119
authentic exploration of what's actually

1561
00:55:29,910 --> 00:55:27,520
going on in government in politics

1562
00:55:31,990 --> 00:55:29,920
behind the scenes in regards to the uap

1563
00:55:33,670 --> 00:55:32,000

phenomena um so i think that's what's

1564

00:55:35,030 --> 00:55:33,680

going to happen that that that rift is

1565

00:55:36,390 --> 00:55:35,040

going to grow i think it already exists

1566

00:55:38,470 --> 00:55:36,400

but it's going to grow significantly

1567

00:55:39,190 --> 00:55:38,480

more um and and i think certain people

1568

00:55:40,230 --> 00:55:39,200

are going to get cut out of

1569

00:55:41,589 --> 00:55:40,240

conversations and they're not going to

1570

00:55:45,030 --> 00:55:41,599

like it

1571

00:55:47,030 --> 00:55:45,040

because they peddle nonsense um and and

1572

00:55:48,630 --> 00:55:47,040

certain individuals who who are engaged

1573

00:55:50,710 --> 00:55:48,640

in in researching this and looking at it

1574

00:55:52,230 --> 00:55:50,720

and writing about it and and talking to

1575

00:55:53,430 --> 00:55:52,240

people who are involved in in a more

1576

00:55:55,109 --> 00:55:53,440

real sense

1577

00:55:57,109 --> 00:55:55,119

are aware who peddles nonsense and who

1578

00:55:57,910 --> 00:55:57,119

doesn't um and what's going to happen is

1579

00:55:59,750 --> 00:55:57,920

is a

1580

00:56:00,710 --> 00:55:59,760

fundamental shift in discourse i think

1581

00:56:03,109 --> 00:56:00,720

that's we're going to see within the

1582

00:56:04,230 --> 00:56:03,119

next year or two um but i'm gonna say a

1583

00:56:06,390 --> 00:56:04,240

year i'm gonna predict state of the

1584

00:56:08,309 --> 00:56:06,400

union donald trump a donald trumpet i'm

1585

00:56:10,150 --> 00:56:08,319

gonna build a wall and

1586

00:56:12,549 --> 00:56:10,160

that wall is gonna divide the world no

1587

00:56:14,710 --> 00:56:12,559

i'm just joking um

1588

00:56:17,670 --> 00:56:14,720

keep up the aliens yeah keep all the no

1589

00:56:19,589 --> 00:56:17,680

yeah 365 365 days that's my that's my

1590

00:56:22,150 --> 00:56:19,599

claim anyway

1591

00:56:25,430 --> 00:56:22,160

so on the podcast myself and you'll know

1592

00:56:28,470 --> 00:56:25,440

um dan who is the signal on twitter um

1593

00:56:29,670 --> 00:56:28,480

we recorded uh an episode just for fun

1594

00:56:31,270 --> 00:56:29,680

at the weekend where we watch skin

1595

00:56:32,549 --> 00:56:31,280

walker ranch episode one so it's

1596

00:56:33,829 --> 00:56:32,559

available people have downloaded it

1597

00:56:35,829 --> 00:56:33,839

feedback's been great and it was just a

1598

00:56:38,069 --> 00:56:35,839

kind of fun us sharing our thoughts on

1599

00:56:40,710 --> 00:56:38,079

the series the show our little problems

1600

00:56:43,589 --> 00:56:40,720

with it but what we liked um you visited

1601
00:56:45,190 --> 00:56:43,599
skinwalker ranch in 2019

1602
00:56:46,950 --> 00:56:45,200
and i think you alluded to it before

1603
00:56:48,910 --> 00:56:46,960
that you said ufology's taking you to

1604
00:56:50,950 --> 00:56:48,920
riding in helicopters with uh

1605
00:56:53,109 --> 00:56:50,960
multi-millionaires i'm guessing that was

1606
00:56:55,270 --> 00:56:53,119
with brandon fugo yeah

1607
00:56:57,270 --> 00:56:55,280
uh so what was it like tell us a little

1608
00:56:58,390 --> 00:56:57,280
bit about your your time in skinwalker

1609
00:57:00,390 --> 00:56:58,400
ranch

1610
00:57:03,750 --> 00:57:00,400
sure um

1611
00:57:08,710 --> 00:57:05,990
okay first of all i i i always kind of

1612
00:57:12,150 --> 00:57:08,720
preface that that skinwalker ranch is is

1613
00:57:14,470 --> 00:57:12,160

it's it's beautiful um it's it's uh it's

1614

00:57:16,069 --> 00:57:14,480

idyllic um in a way

1615

00:57:18,309 --> 00:57:16,079

if you if you're into sort of midwestern

1616

00:57:19,670 --> 00:57:18,319

scenery um it's a place that i would

1617

00:57:20,950 --> 00:57:19,680

love to go camping and it's a place that

1618

00:57:22,789 --> 00:57:20,960

i would love to just

1619

00:57:25,030 --> 00:57:22,799

hang out in um

1620

00:57:27,030 --> 00:57:25,040

overnight like you know in the middle of

1621

00:57:28,870 --> 00:57:27,040

the wilderness out there um so so i'm

1622

00:57:29,910 --> 00:57:28,880

gonna say that it's beautiful

1623

00:57:32,150 --> 00:57:29,920

um

1624

00:57:33,349 --> 00:57:32,160

and and strange all at the same time

1625

00:57:35,270 --> 00:57:33,359

um i didn't have any personal

1626
00:57:37,750 --> 00:57:35,280
experiences um i know a lot of people

1627
00:57:38,950 --> 00:57:37,760
have claimed to have experiences there

1628
00:57:40,630 --> 00:57:38,960
um there's a lot of stories and

1629
00:57:41,670 --> 00:57:40,640
mythology obviously

1630
00:57:43,670 --> 00:57:41,680
um

1631
00:57:45,349 --> 00:57:43,680
i think what i found to be the most

1632
00:57:47,030 --> 00:57:45,359
interesting is you have a team of

1633
00:57:50,390 --> 00:57:47,040
individuals who who

1634
00:57:52,309 --> 00:57:50,400
are at skinwalker ranch and um they're

1635
00:57:54,390 --> 00:57:52,319
purely interested in just finding out

1636
00:57:57,910 --> 00:57:54,400
the truth no matter what it is

1637
00:57:59,750 --> 00:57:57,920
um you know the show i've only seen

1638
00:58:01,190 --> 00:57:59,760

five episodes of it i've not seen the

1639

00:58:02,870 --> 00:58:01,200

last three or four

1640

00:58:03,670 --> 00:58:02,880

uh episodes

1641

00:58:05,589 --> 00:58:03,680

um

1642

00:58:08,390 --> 00:58:05,599

but you know i i don't want to speak to

1643

00:58:10,630 --> 00:58:08,400

the show only because i'm not a big fan

1644

00:58:12,630 --> 00:58:10,640

of of sort of that style of content and

1645

00:58:14,630 --> 00:58:12,640

that type of content but

1646

00:58:17,030 --> 00:58:14,640

um so so i find problems with it even if

1647

00:58:19,109 --> 00:58:17,040

it's fine i just like the dramatic

1648

00:58:21,270 --> 00:58:19,119

pauses it's like why this is not real

1649

00:58:22,630 --> 00:58:21,280

life um so

1650

00:58:24,870 --> 00:58:22,640

the people there

1651
00:58:26,789 --> 00:58:24,880
you know from uh from who i met and the

1652
00:58:28,870 --> 00:58:26,799
people i met are are very authentic like

1653
00:58:30,390 --> 00:58:28,880
they they are willing to say listen we

1654
00:58:32,150 --> 00:58:30,400
don't know what's going on it could be

1655
00:58:33,910 --> 00:58:32,160
very prosaic and that's great if we

1656
00:58:35,510 --> 00:58:33,920
prove it is um or it could not be

1657
00:58:37,270 --> 00:58:35,520
prosaic and it it'll be great if we

1658
00:58:38,230 --> 00:58:37,280
could prove that it's not um they're

1659
00:58:40,309 --> 00:58:38,240
they're just

1660
00:58:41,510 --> 00:58:40,319
observing at this point and i think that

1661
00:58:43,270 --> 00:58:41,520
that's what we need to sort of

1662
00:58:45,750 --> 00:58:43,280
understand about skinwalker ranch

1663
00:58:47,349 --> 00:58:45,760

there's a lot of um

1664

00:58:48,950 --> 00:58:47,359

conspiracy and there's a lot of they're

1665

00:58:52,630 --> 00:58:48,960

doing it for the money or they're doing

1666

00:58:55,349 --> 00:58:52,640

it for fame or they're doing it for um

1667

00:58:56,870 --> 00:58:55,359

they're doing it for for to to sort of

1668

00:58:58,549 --> 00:58:56,880

prove their own paranormal beliefs or

1669

00:59:00,309 --> 00:58:58,559

whatever and i i don't think that's true

1670

00:59:03,270 --> 00:59:00,319

one there's no money in it really for

1671

00:59:05,030 --> 00:59:03,280

for brandon fogle um literally any money

1672

00:59:06,950 --> 00:59:05,040

this show makes for him he could like

1673

00:59:09,109 --> 00:59:06,960

literally just do one minute worth of

1674

00:59:11,109 --> 00:59:09,119

work and he would make that money um

1675

00:59:14,069 --> 00:59:11,119

yeah so so i don't think that's part of

1676

00:59:16,230 --> 00:59:14,079

it i i don't think that for for him it's

1677

00:59:17,589 --> 00:59:16,240

some personal quest i think he does have

1678

00:59:20,470 --> 00:59:17,599

a bit of a

1679

00:59:23,349 --> 00:59:20,480

sort of don quixote kind of um wanting

1680

00:59:25,270 --> 00:59:23,359

to to find monsters maybe a little bit

1681

00:59:27,510 --> 00:59:25,280

um i think we all do we all love a good

1682

00:59:29,430 --> 00:59:27,520

mystery and and and um

1683

00:59:31,030 --> 00:59:29,440

chasing monsters is definitely a fun

1684

00:59:32,950 --> 00:59:31,040

aspect of life especially you can do

1685

00:59:33,910 --> 00:59:32,960

that for a living so maybe that's part

1686

00:59:35,829 --> 00:59:33,920

of it

1687

00:59:38,309 --> 00:59:35,839

but i think he's he's at heart someone

1688

00:59:39,910 --> 00:59:38,319

who loves to to he loves science he

1689

00:59:41,510 --> 00:59:39,920

loves to understand what's going on in

1690

00:59:44,309 --> 00:59:41,520

the world around him right he wants

1691

00:59:47,190 --> 00:59:44,319

answers to the natural uh or maybe the

1692

00:59:48,390 --> 00:59:47,200

supernatural world so you know he's

1693

00:59:50,630 --> 00:59:48,400

doing it for

1694

00:59:52,230 --> 00:59:50,640

reasons that are his own um but i think

1695

00:59:54,710 --> 00:59:52,240

they're honest i think they're genuine i

1696

00:59:55,589 --> 00:59:54,720

don't think there's some some silly

1697

00:59:58,069 --> 00:59:55,599

um

1698

01:00:00,309 --> 00:59:58,079

you know conspiracy around this

1699

01:00:02,309 --> 01:00:00,319

skin walker ranches is is that it's a

1700

01:00:04,630 --> 01:00:02,319

science lab let's put it that way

1701

01:00:07,270 --> 01:00:04,640

um it's really difficult to get

1702

01:00:09,910 --> 01:00:07,280

universities to engage

1703

01:00:11,190 --> 01:00:09,920

um at a place like that um you know i

1704

01:00:12,630 --> 01:00:11,200

know they've contacted several

1705

01:00:14,230 --> 01:00:12,640

universities to come out and study the

1706

01:00:15,670 --> 01:00:14,240

place and the universities simply

1707

01:00:17,829 --> 01:00:15,680

decline simply because they don't want

1708

01:00:20,390 --> 01:00:17,839

to be associated with skinwalker ranch

1709

01:00:21,670 --> 01:00:20,400

and the mythology around it um you know

1710

01:00:24,470 --> 01:00:21,680

the same way i think there was the

1711

01:00:26,470 --> 01:00:24,480

university of uh colorado right didn't

1712

01:00:28,069 --> 01:00:26,480

want to be associated with the blue book

1713

01:00:29,750 --> 01:00:28,079

and the content report so they basically

1714

01:00:31,109 --> 01:00:29,760

went out swinging saying we're just

1715

01:00:33,829 --> 01:00:31,119

going to make this thing look dumb so

1716

01:00:36,789 --> 01:00:33,839

that our university doesn't suffer um

1717

01:00:38,630 --> 01:00:36,799

and and you know unfortunately a lot of

1718

01:00:42,549 --> 01:00:38,640

authentic

1719

01:00:45,109 --> 01:00:42,559

been taken to try and bring proper

1720

01:00:47,670 --> 01:00:45,119

academic rigor and proper academic

1721

01:00:51,109 --> 01:00:47,680

institutions to skinwalker ranch all

1722

01:00:54,789 --> 01:00:51,119

expenses paid and they decline um

1723

01:00:56,549 --> 01:00:54,799

because again association so so i

1724

01:00:59,829 --> 01:00:56,559

i think it's an honest attempt to try

1725

01:01:02,630 --> 01:00:59,839

and understand what's going on

1726

01:01:04,630 --> 01:01:02,640

what unfortunately happens is is

1727

01:01:06,230 --> 01:01:04,640

because those honest attempts are met

1728

01:01:07,109 --> 01:01:06,240

with

1729

01:01:08,470 --> 01:01:07,119

um

1730

01:01:11,910 --> 01:01:08,480

you know

1731

01:01:13,510 --> 01:01:11,920

we decline to to participate um

1732

01:01:16,150 --> 01:01:13,520

we're sort of left to other device like

1733

01:01:18,150 --> 01:01:16,160

what what can we do now to try and get

1734

01:01:19,589 --> 01:01:18,160

more public knowledge and awareness into

1735

01:01:20,789 --> 01:01:19,599

this weird place that has these weird

1736

01:01:23,109 --> 01:01:20,799

phenomena

1737

01:01:24,789 --> 01:01:23,119

well i think you know brandon fugle took

1738

01:01:26,710 --> 01:01:24,799

the road that sort of a lot of us would

1739

01:01:28,789 --> 01:01:26,720

take they go to the media

1740

01:01:31,109 --> 01:01:28,799

listen if academic institutions don't

1741

01:01:32,950 --> 01:01:31,119

want to do this we'll do it another way

1742

01:01:34,870 --> 01:01:32,960

um and and you know he's taken a lot of

1743

01:01:36,870 --> 01:01:34,880

criticism right mick west has been one

1744

01:01:40,309 --> 01:01:36,880

of his most ardent critics

1745

01:01:43,589 --> 01:01:40,319

um about this and and you know i'm not

1746

01:01:46,150 --> 01:01:43,599

sure if it's totally fair right um

1747

01:01:48,150 --> 01:01:46,160

i i think a lot of invitations have been

1748

01:01:49,190 --> 01:01:48,160

made and if people don't want to do it

1749

01:01:51,030 --> 01:01:49,200

they don't want to do it there's not

1750

01:01:52,630 --> 01:01:51,040

much else you can do

1751

01:01:54,069 --> 01:01:52,640

but he wants to know the truth so he's

1752

01:01:56,309 --> 01:01:54,079

going to figure it out the best way he

1753

01:01:57,750 --> 01:01:56,319

can with the tools and and resources he

1754

01:02:00,630 --> 01:01:57,760

has available to him

1755

01:02:02,870 --> 01:02:00,640

um and can i just ask because i had a

1756

01:02:06,069 --> 01:02:02,880

question sent in um

1757

01:02:08,549 --> 01:02:06,079

from a foyer boy on twitter um what are

1758

01:02:11,270 --> 01:02:08,559

your thoughts on the scientific efficacy

1759

01:02:13,109 --> 01:02:11,280

of what's uh been

1760

01:02:15,190 --> 01:02:13,119

of what's seen in the course of

1761

01:02:16,390 --> 01:02:15,200

skinwalker ranch so i had to check up

1762

01:02:18,069 --> 01:02:16,400

efficacy as a world which you'll

1763

01:02:19,910 --> 01:02:18,079

probably know and it's the ability to

1764

01:02:22,390 --> 01:02:19,920

produce intended results for anyone who

1765

01:02:24,230 --> 01:02:22,400

wasn't aware because i wasn't so from

1766

01:02:25,430 --> 01:02:24,240

the setup you've seen what are the

1767

01:02:27,589 --> 01:02:25,440

chances that they're going to get the

1768

01:02:29,029 --> 01:02:27,599

results and whether that is proof of

1769

01:02:30,710 --> 01:02:29,039

interdimensional beings or whether

1770

01:02:32,470 --> 01:02:30,720

that's proof that it's prosaic as you

1771

01:02:34,470 --> 01:02:32,480

say what kind of chance do they have

1772

01:02:36,069 --> 01:02:34,480

yeah i think the currents the current

1773

01:02:37,349 --> 01:02:36,079

setup at the ranch the current hardware

1774

01:02:38,950 --> 01:02:37,359

and software at the ranch is not

1775

01:02:40,390 --> 01:02:38,960

designed to test anything so i think

1776

01:02:41,910 --> 01:02:40,400

that's the first first thing we need to

1777

01:02:44,390 --> 01:02:41,920

understand is is this purely

1778

01:02:46,390 --> 01:02:44,400

observational um so they're not there to

1779

01:02:48,630 --> 01:02:46,400

test hypothesis or hypotheses rather

1780

01:02:50,870 --> 01:02:48,640

they're there to simply observe

1781

01:02:52,230 --> 01:02:50,880

what's going on and collect as much data

1782

01:02:54,870 --> 01:02:52,240

as they can

1783

01:02:56,549 --> 01:02:54,880

unfortunately when it comes to tv that's

1784

01:02:57,829 --> 01:02:56,559

really boring um

1785

01:02:59,829 --> 01:02:57,839

sitting and watching stuff and

1786

01:03:02,470 --> 01:02:59,839

collecting data via observation is not

1787

01:03:04,150 --> 01:03:02,480

necessarily exciting so

1788

01:03:05,750 --> 01:03:04,160

what i think the television show has

1789

01:03:08,150 --> 01:03:05,760

done and what i think history channel

1790

01:03:11,029 --> 01:03:08,160

and prometheus entertainment um has sort

1791

01:03:12,789 --> 01:03:11,039

of created is this kind of false sense

1792

01:03:13,910 --> 01:03:12,799

of what goes on there in in the sense

1793

01:03:15,589 --> 01:03:13,920

that you have

1794

01:03:22,950 --> 01:03:15,599

um

1795

01:03:24,950 --> 01:03:22,960

he's the miss taylor thank you travis

1796

01:03:27,910 --> 01:03:24,960

taylor um you have dr travis taylor

1797

01:03:29,750 --> 01:03:27,920

there kind of doing these tests right um

1798

01:03:31,750 --> 01:03:29,760

and i think it makes for good television

1799

01:03:33,750 --> 01:03:31,760

this is sort of his bag he's done it

1800

01:03:35,430 --> 01:03:33,760

before in other tv shows um so i think

1801

01:03:37,990 --> 01:03:35,440

we need to just sort of be pragmatic

1802

01:03:39,670 --> 01:03:38,000

here and understand that the tv show

1803

01:03:41,029 --> 01:03:39,680

serves one purpose

1804

01:03:44,069 --> 01:03:41,039

um

1805

01:03:48,309 --> 01:03:44,079

the actual monitoring on the ranch

1806

01:03:51,029 --> 01:03:48,319

serves another um so so

1807

01:03:52,549 --> 01:03:51,039

i i i i'm sure i'm going to make

1808

01:03:54,390 --> 01:03:52,559

brandon fugal upset but you know

1809

01:03:56,230 --> 01:03:54,400

everybody by everything i've said so far

1810

01:03:59,109 --> 01:03:56,240

but i think it's just you know we need

1811

01:04:01,029 --> 01:03:59,119

to be understanding that that

1812

01:04:02,309 --> 01:04:01,039

media and television

1813

01:04:04,230 --> 01:04:02,319

are are

1814

01:04:05,770 --> 01:04:04,240

different than than sort of real life

1815

01:04:07,990 --> 01:04:05,780

let's put it that way um

1816

01:04:10,069 --> 01:04:08,000

[Music]

1817

01:04:11,109 --> 01:04:10,079

yeah that's just okay that's all i can

1818

01:04:12,309 --> 01:04:11,119

really say to ask that question because

1819

01:04:13,430 --> 01:04:12,319

i don't really know the rest of it i

1820

01:04:15,349 --> 01:04:13,440

also haven't seen the show enough to

1821

01:04:16,150 --> 01:04:15,359

make a sort of a more expert comment

1822

01:04:19,990 --> 01:04:16,160

here

1823

01:04:21,029 --> 01:04:20,000

because i've only seen a few episodes um

1824

01:04:23,349 --> 01:04:21,039

yeah

1825

01:04:25,510 --> 01:04:23,359

listen

1826
01:04:28,309 --> 01:04:25,520
the science being done just to reiterate

1827
01:04:30,630 --> 01:04:28,319
is is purely observational at this point

1828
01:04:32,230 --> 01:04:30,640
whatever the tv show is doing

1829
01:04:33,109 --> 01:04:32,240
um that's what they're doing and and

1830
01:04:36,069 --> 01:04:33,119
obviously that's a question you have to

1831
01:04:37,750 --> 01:04:36,079
ask to brandon fogle um or check out his

1832
01:04:40,950 --> 01:04:37,760
taylor or the people at prometheus like

1833
01:04:42,710 --> 01:04:40,960
i really personally don't know um

1834
01:04:44,390 --> 01:04:42,720
so yeah i guess that's the best way i

1835
01:04:45,349 --> 01:04:44,400
can answer your question um when i was

1836
01:04:47,589 --> 01:04:45,359
there

1837
01:04:49,510 --> 01:04:47,599
it was purely an observational

1838
01:04:51,910 --> 01:04:49,520

program and process

1839

01:04:52,710 --> 01:04:51,920

um what's happened since

1840

01:04:54,390 --> 01:04:52,720

um

1841

01:04:56,150 --> 01:04:54,400

i don't know

1842

01:04:57,829 --> 01:04:56,160

no that's totally fair i'm speaking with

1843

01:05:00,870 --> 01:04:57,839

thomas winterton who is the ranch

1844

01:05:03,270 --> 01:05:00,880

superintendent this saturday um about it

1845

01:05:05,589 --> 01:05:03,280

and again uh we can avoid our opinions

1846

01:05:07,270 --> 01:05:05,599

on the watch along and i love the idea

1847

01:05:08,549 --> 01:05:07,280

of the show i love the mythology around

1848

01:05:10,789 --> 01:05:08,559

skinwalker ranch i love the

1849

01:05:13,670 --> 01:05:10,799

possibilities that out there the first

1850

01:05:15,349 --> 01:05:13,680

series as various you see observational

1851

01:05:17,349 --> 01:05:15,359

sometimes a little bit forced what they

1852

01:05:18,870 --> 01:05:17,359

may or may not see but i know thomas

1853

01:05:20,870 --> 01:05:18,880

winterton from a conversation he's had

1854

01:05:22,710 --> 01:05:20,880

with one of the listeners has basically

1855

01:05:24,230 --> 01:05:22,720

said the first series has very much been

1856

01:05:25,990 --> 01:05:24,240

think of it as going to the doctor when

1857

01:05:27,829 --> 01:05:26,000

you've got a bit of an issue and they'll

1858

01:05:29,910 --> 01:05:27,839

do some initial testing to kind of see

1859

01:05:31,670 --> 01:05:29,920

you know what might be the cause the

1860

01:05:33,029 --> 01:05:31,680

second series is very much going into

1861

01:05:34,470 --> 01:05:33,039

more detail and that's where they're

1862

01:05:36,710 --> 01:05:34,480

really hoping to ramp things up which

1863

01:05:38,789 --> 01:05:36,720

should be getting filmed just now so but

1864

01:05:41,349 --> 01:05:38,799

as you quite rightly say they are still

1865

01:05:43,430 --> 01:05:41,359

filming a tv show so if it was three

1866

01:05:45,029 --> 01:05:43,440

months of nothing happening you have to

1867

01:05:47,190 --> 01:05:45,039

make it look like something's happening

1868

01:05:48,789 --> 01:05:47,200

and how they how much they push that is

1869

01:05:50,470 --> 01:05:48,799

where it can kind of lose

1870

01:05:53,190 --> 01:05:50,480

a particular type of viewer on the show

1871

01:05:55,190 --> 01:05:53,200

so again that's totally fair um i had a

1872

01:05:57,190 --> 01:05:55,200

question from the signal um again from

1873

01:05:58,309 --> 01:05:57,200

dan so he was asking did you have any

1874

01:06:00,870 --> 01:05:58,319

thoughts or did you notice the

1875

01:06:02,309 --> 01:06:00,880

triangular map that they had on the wall

1876

01:06:03,829 --> 01:06:02,319

and there were certain points that were

1877

01:06:05,990 --> 01:06:03,839

correlated within it i can see you

1878

01:06:07,750 --> 01:06:06,000

smiling so uh and he just wanted to know

1879

01:06:10,230 --> 01:06:07,760

your thoughts were on that

1880

01:06:12,870 --> 01:06:10,240

um what what are you uh

1881

01:06:14,950 --> 01:06:12,880

do you know what the points are

1882

01:06:18,870 --> 01:06:14,960

like was he able to figure out what

1883

01:06:20,950 --> 01:06:18,880

those locations were on the map um so

1884

01:06:23,029 --> 01:06:20,960

there was one of two things so dan said

1885

01:06:25,349 --> 01:06:23,039

very artistic as i found out recently

1886

01:06:28,950 --> 01:06:25,359

and he has created his own

1887

01:06:31,109 --> 01:06:28,960

incredible three-dimensional map uh of

1888

01:06:32,870 --> 01:06:31,119

the ranch itself and points where things

1889

01:06:35,109 --> 01:06:32,880

have happened i can't remember though if

1890

01:06:36,710 --> 01:06:35,119

this was the map that had the points of

1891

01:06:39,109 --> 01:06:36,720

the bermuda triangle or i might be

1892

01:06:41,510 --> 01:06:39,119

mixing up the unidentified that had a

1893

01:06:43,430 --> 01:06:41,520

map on the wall with points that were

1894

01:06:45,109 --> 01:06:43,440

basically unidentified so you might know

1895

01:06:47,029 --> 01:06:45,119

better than me

1896

01:06:48,470 --> 01:06:47,039

the map on the wall at skinwalker ranch

1897

01:06:50,230 --> 01:06:48,480

is a world map so it's not a map of the

1898

01:06:53,190 --> 01:06:50,240

ranch with triangulation it's it's a

1899

01:06:55,430 --> 01:06:53,200

it's a map of the planet with three

1900

01:06:59,029 --> 01:06:55,440

points um

1901

01:07:00,630 --> 01:06:59,039

no um so okay

1902

01:07:02,150 --> 01:07:00,640

okay because this is

1903

01:07:03,670 --> 01:07:02,160

i have to figure out how if i'm gonna

1904

01:07:05,190 --> 01:07:03,680

violate anything when it came when it

1905

01:07:10,870 --> 01:07:05,200

comes to an article that i've been

1906

01:07:14,870 --> 01:07:13,270

um listen i i have to be really cautious

1907

01:07:16,630 --> 01:07:14,880

so i'm

1908

01:07:19,430 --> 01:07:16,640

yeah i've been doing sort of some some

1909

01:07:21,670 --> 01:07:19,440

research into into some stuff that

1910

01:07:23,109 --> 01:07:21,680

correlates to this i just can't because

1911

01:07:26,069 --> 01:07:23,119

like i said i don't want to throw myself

1912

01:07:29,670 --> 01:07:27,510

let's just say that there have been

1913

01:07:31,349 --> 01:07:29,680

other

1914

01:07:33,029 --> 01:07:31,359

it has nothing to do with the paranormal

1915

01:07:35,270 --> 01:07:33,039

i'm gonna i'm gonna kind of be super

1916

01:07:37,029 --> 01:07:35,280

clear here so the three locations okay

1917

01:07:39,270 --> 01:07:37,039

well obviously one location skinwalker

1918

01:07:40,870 --> 01:07:39,280

range but the other two locations the

1919

01:07:42,390 --> 01:07:40,880

incidents that occurred have nothing to

1920

01:07:43,589 --> 01:07:42,400

do with the paranormal

1921

01:07:44,710 --> 01:07:43,599

um

1922

01:07:47,670 --> 01:07:44,720

they're just

1923

01:07:50,309 --> 01:07:47,680

incidents of interest that similar sort

1924

01:07:51,750 --> 01:07:50,319

of things have occurred um

1925

01:07:53,349 --> 01:07:51,760

that that people have experienced

1926

01:07:55,349 --> 01:07:53,359

skinwalker wrench so that's all i'm

1927

01:07:56,950 --> 01:07:55,359

gonna kind of say but i can't give away

1928

01:07:58,150 --> 01:07:56,960

too much i'm sure there's some internet

1929

01:08:00,710 --> 01:07:58,160

sleuths out there that have figured it

1930

01:08:02,630 --> 01:08:00,720

out um so i'm not gonna you know i'm not

1931

01:08:04,710 --> 01:08:02,640

gonna pretend it's some magical mystical

1932

01:08:06,630 --> 01:08:04,720

thing uh or i'm some i've asked some

1933

01:08:08,069 --> 01:08:06,640

secret knowledge because i don't um it

1934

01:08:09,670 --> 01:08:08,079

literally just hits in the face when you

1935

01:08:10,870 --> 01:08:09,680

like i literally looked at the map and

1936

01:08:12,230 --> 01:08:10,880

was like uh interesting so i just kind

1937

01:08:13,510 --> 01:08:12,240

of noted the locations did a google

1938

01:08:16,470 --> 01:08:13,520

search was like oh

1939

01:08:19,349 --> 01:08:16,480

that makes sense um so i i kind of have

1940

01:08:23,030 --> 01:08:19,359

gone down this road of research but

1941

01:08:24,709 --> 01:08:23,040

um yeah no i'm i can't talk about it i

1942

01:08:26,309 --> 01:08:24,719

want to but i can't because i'll throw

1943

01:08:28,950 --> 01:08:26,319

myself under the bus

1944

01:08:30,390 --> 01:08:28,960

okay no no totally fine sorry

1945

01:08:32,390 --> 01:08:30,400

that it's not here normally i'll say

1946

01:08:34,070 --> 01:08:32,400

that it's not paranormal see this is

1947

01:08:36,070 --> 01:08:34,080

where you have become one of the ufo

1948

01:08:37,510 --> 01:08:36,080

people that even giving an answer that

1949

01:08:39,430 --> 01:08:37,520

tells us it's not paranormal and there's

1950

01:08:40,950 --> 01:08:39,440

nothing interesting to see here is

1951

01:08:42,630 --> 01:08:40,960

really interesting and intriguing and

1952

01:08:44,070 --> 01:08:42,640

makes you think yeah yeah but he knows

1953

01:08:45,510 --> 01:08:44,080

more than he's letting on not that you

1954

01:08:48,550 --> 01:08:45,520

are saying that but yeah all right

1955

01:08:49,430 --> 01:08:48,560

listen it's it's and i'm i will admit to

1956

01:08:50,390 --> 01:08:49,440

this

1957

01:08:52,470 --> 01:08:50,400

um

1958

01:08:53,910 --> 01:08:52,480

the reason why i'm not talking about it

1959

01:08:56,470 --> 01:08:53,920

is because

1960

01:08:58,309 --> 01:08:56,480

i want to sell an article and make money

1961

01:08:59,510 --> 01:08:58,319

from it so it's purely financial at this

1962

01:09:01,269 --> 01:08:59,520

point right like i've been doing

1963

01:09:03,430 --> 01:09:01,279

research that i've put time into

1964

01:09:05,510 --> 01:09:03,440

something it's been a work thing and and

1965

01:09:07,590 --> 01:09:05,520

i want to profit from the time i've put

1966

01:09:09,349 --> 01:09:07,600

in right so um i have to be really

1967

01:09:11,510 --> 01:09:09,359

cautious because i could literally be

1968

01:09:13,030 --> 01:09:11,520

just handing somebody money from my own

1969

01:09:15,110 --> 01:09:13,040

wallet um and that's not something i

1970

01:09:18,149 --> 01:09:15,120

want to do in this case but

1971

01:09:19,590 --> 01:09:18,159

i will sort of say it is not um ufo

1972

01:09:20,390 --> 01:09:19,600

related maybe that's kind of the best

1973

01:09:22,070 --> 01:09:20,400

way to

1974

01:09:23,749 --> 01:09:22,080

to put it it's not ufo or paranormal

1975

01:09:25,829 --> 01:09:23,759

related um it just so happens that

1976

01:09:27,590 --> 01:09:25,839

skinwalker is kind of

1977

01:09:28,630 --> 01:09:27,600

they have the map up i guess but it's

1978

01:09:32,070 --> 01:09:28,640

interesting

1979

01:09:33,510 --> 01:09:32,080

yeah yeah i got it awful okay sorry

1980

01:09:35,269 --> 01:09:33,520

do you want that answer left on the

1981

01:09:37,189 --> 01:09:35,279

podcast i don't mind taking that out if

1982

01:09:39,110 --> 01:09:37,199

you want me to take it out

1983

01:09:40,390 --> 01:09:39,120

um what then i'm like still a half

1984

01:09:42,390 --> 01:09:40,400

journalist i'm not going to make money

1985

01:09:44,070 --> 01:09:42,400

yeah no no no i mean like just in

1986

01:09:45,349 --> 01:09:44,080

general that if you're saying you've

1987

01:09:47,430 --> 01:09:45,359

done a bit of research you don't want

1988

01:09:49,990 --> 01:09:47,440

anyone i'm happy to take that out if you

1989

01:09:51,510 --> 01:09:50,000

want the whole question and answer if

1990

01:09:52,870 --> 01:09:51,520

you would rather if you don't if you

1991

01:09:54,790 --> 01:09:52,880

don't take it out you have to leave this

1992

01:09:57,270 --> 01:09:54,800

part in

1993

01:09:59,350 --> 01:09:57,280

yeah so i see that's what i want to do

1994

01:10:00,950 --> 01:09:59,360

okay i might only be six episodes in

1995

01:10:02,470 --> 01:10:00,960

seven episodes in but i know what sounds

1996

01:10:04,229 --> 01:10:02,480

good so i would totally love to leave

1997

01:10:05,830 --> 01:10:04,239

this in but i'll leave it up to you

1998

01:10:07,350 --> 01:10:05,840

it'll totally make sense no this is an

1999

01:10:08,870 --> 01:10:07,360

interesting this is a good brexium

2000

01:10:11,189 --> 01:10:08,880

conversation you're literally asking a

2001
01:10:12,790 --> 01:10:11,199
guest if you you know if you should take

2002
01:10:14,470 --> 01:10:12,800
something out of your episode because

2003
01:10:16,470 --> 01:10:14,480
listen i'm doing it purely for financial

2004
01:10:18,149 --> 01:10:16,480
reasons i have no problem

2005
01:10:19,750 --> 01:10:18,159
i've been researching an article now for

2006
01:10:21,510 --> 01:10:19,760
a long time and i want to get paid for

2007
01:10:22,950 --> 01:10:21,520
it um so so no there's nothing wrong

2008
01:10:24,229 --> 01:10:22,960
with that i mean i'm still you know i'm

2009
01:10:25,750 --> 01:10:24,239
still trying to put bread on my family's

2010
01:10:27,590 --> 01:10:25,760
table um

2011
01:10:28,870 --> 01:10:27,600
but yeah it obviously they show it on

2012
01:10:30,149 --> 01:10:28,880
the show so it's interesting and

2013
01:10:31,510 --> 01:10:30,159

compelling to people and people wonder

2014

01:10:33,189 --> 01:10:31,520

what it is and there's gonna be

2015

01:10:35,189 --> 01:10:33,199

obviously a lot of speculation how it's

2016

01:10:37,110 --> 01:10:35,199

connected and etc

2017

01:10:38,950 --> 01:10:37,120

um

2018

01:10:40,950 --> 01:10:38,960

yeah it's it's it's interesting it'll

2019

01:10:42,790 --> 01:10:40,960

make a good article um but again it's an

2020

01:10:44,470 --> 01:10:42,800

article i wanna get paid for so you can

2021

01:10:45,830 --> 01:10:44,480

choose to keep it in or not it doesn't

2022

01:10:47,270 --> 01:10:45,840

bother me any

2023

01:10:48,630 --> 01:10:47,280

yeah we'll keep it and we'll leave this

2024

01:10:49,990 --> 01:10:48,640

full conversation about keeping it or

2025

01:10:51,270 --> 01:10:50,000

not in as well so people can see what

2026
01:10:52,630 --> 01:10:51,280
actually happens sometimes on these

2027
01:10:53,990 --> 01:10:52,640
things so

2028
01:10:55,750 --> 01:10:54,000
um

2029
01:10:56,390 --> 01:10:55,760
see the underbelly of the podcast i like

2030
01:11:00,470 --> 01:10:56,400
it

2031
01:11:02,870 --> 01:11:00,480
i do that's for fun i've said to all my

2032
01:11:04,709 --> 01:11:02,880
guests if no one listened this last six

2033
01:11:06,149 --> 01:11:04,719
weeks has been crazy enough for me just

2034
01:11:08,229 --> 01:11:06,159
to speak to people like yourself and

2035
01:11:10,470 --> 01:11:08,239
have these amazing conversations so i

2036
01:11:12,870 --> 01:11:10,480
absolutely love it i want to ask you a

2037
01:11:14,310 --> 01:11:12,880
quick um question on skin walker ranch

2038
01:11:15,750 --> 01:11:14,320

and then i'm worried of time and i want

2039

01:11:17,430 --> 01:11:15,760

to do the quick fire round with you as

2040

01:11:20,229 --> 01:11:17,440

well because i think you've got maybe 5

2041

01:11:21,750 --> 01:11:20,239

10 minutes left so brandon fuego

2042

01:11:23,510 --> 01:11:21,760

said in your article that i suggest

2043

01:11:25,590 --> 01:11:23,520

anyone goes and looks at it was back in

2044

01:11:27,110 --> 01:11:25,600

march of this year that talked about

2045

01:11:28,229 --> 01:11:27,120

your visit and there's a lot of great

2046

01:11:30,390 --> 01:11:28,239

quotes and there are a lot of great

2047

01:11:32,470 --> 01:11:30,400

questions um

2048

01:11:34,790 --> 01:11:32,480

perhaps it's an intelligence from

2049

01:11:37,110 --> 01:11:34,800

another reality or dimension

2050

01:11:38,790 --> 01:11:37,120

again i'm going to ask amg what do you

2051
01:11:40,470 --> 01:11:38,800
think is happening on skinwalker ranch

2052
01:11:42,870 --> 01:11:40,480
if anything

2053
01:11:45,590 --> 01:11:42,880
oh man um

2054
01:11:47,590 --> 01:11:45,600
again right it's tough i

2055
01:11:49,590 --> 01:11:47,600
i it falls down that sort of again

2056
01:11:50,470 --> 01:11:49,600
speculative rabbit hole that that do we

2057
01:11:54,229 --> 01:11:50,480
really want to fall down because we

2058
01:11:57,750 --> 01:11:54,239
don't have enough information um

2059
01:12:00,310 --> 01:11:57,760
uh i am i've admitted before that i'm

2060
01:12:02,550 --> 01:12:00,320
much more willing to let's say use the

2061
01:12:04,229 --> 01:12:02,560
words believe that

2062
01:12:09,990 --> 01:12:04,239
um

2063
01:12:11,990 --> 01:12:10,000

i'm not saying you know ghosts and and

2064

01:12:14,390 --> 01:12:12,000

stuff like that but i think people do

2065

01:12:17,830 --> 01:12:14,400

encounter mysterious things i i think

2066

01:12:19,750 --> 01:12:17,840

people do have bizarre experiences that

2067

01:12:22,550 --> 01:12:19,760

fall outside of the realm of you know

2068

01:12:24,470 --> 01:12:22,560

quote unquote normal um and i'm not

2069

01:12:25,510 --> 01:12:24,480

prepared currently to chalk it all up to

2070

01:12:26,310 --> 01:12:25,520

delusion

2071

01:12:28,310 --> 01:12:26,320

um

2072

01:12:31,270 --> 01:12:28,320

so you know

2073

01:12:33,990 --> 01:12:31,280

everyone's heard the story of of um

2074

01:12:35,350 --> 01:12:34,000

the widow who wakes up not the widow

2075

01:12:37,750 --> 01:12:35,360

that well she's still married well i

2076

01:12:39,990 --> 01:12:37,760

guess not the widow who wakes up in the

2077

01:12:43,189 --> 01:12:40,000

middle of the night um and has the

2078

01:12:44,870 --> 01:12:43,199

premonition that her husband who was a

2079

01:12:47,350 --> 01:12:44,880

bomber in the second world war got shot

2080

01:12:49,830 --> 01:12:47,360

down over nazi germany and died and she

2081

01:12:52,070 --> 01:12:49,840

suddenly knew right um we all know the

2082

01:12:54,630 --> 01:12:52,080

story of of um

2083

01:12:56,470 --> 01:12:54,640

the the soldiers who just

2084

01:13:00,229 --> 01:12:56,480

get gut feelings that something bad's

2085

01:13:03,030 --> 01:13:00,239

gonna happen and it does um we all know

2086

01:13:05,189 --> 01:13:03,040

um this is an interesting one

2087

01:13:06,870 --> 01:13:05,199

we know that when snipers

2088

01:13:10,470 --> 01:13:06,880

in the army and in the military are

2089

01:13:12,149 --> 01:13:10,480

trained um to be snipers um they don't

2090

01:13:13,830 --> 01:13:12,159

bead the target

2091

01:13:16,229 --> 01:13:13,840

until they're ready to pull the trigger

2092

01:13:18,550 --> 01:13:16,239

because oftentimes the target just feels

2093

01:13:20,870 --> 01:13:18,560

something's up and they go to cover

2094

01:13:24,070 --> 01:13:20,880

um something weird is going on right

2095

01:13:26,550 --> 01:13:24,080

there is i think something unknown

2096

01:13:28,070 --> 01:13:26,560

happening in in the world around us um i

2097

01:13:29,910 --> 01:13:28,080

i don't think

2098

01:13:32,229 --> 01:13:29,920

everything in the universe can be

2099

01:13:34,550 --> 01:13:32,239

explained through science i think that

2100

01:13:36,709 --> 01:13:34,560

there are mysteries and and anomalies

2101

01:13:38,229 --> 01:13:36,719

that exist um

2102

01:13:40,390 --> 01:13:38,239

that that make

2103

01:13:42,149 --> 01:13:40,400

you know life on this planet interesting

2104

01:13:44,790 --> 01:13:42,159

um you know like i said i i like i said

2105

01:13:46,550 --> 01:13:44,800

previously you know i i'm catholic so

2106

01:13:48,070 --> 01:13:46,560

you know i have this fundamental belief

2107

01:13:49,110 --> 01:13:48,080

that a dead jewish carpenter came back

2108

01:13:51,030 --> 01:13:49,120

to life

2109

01:13:53,510 --> 01:13:51,040

um

2110

01:13:55,510 --> 01:13:53,520

you know so

2111

01:13:57,990 --> 01:13:55,520

is it possible that something

2112

01:14:00,149 --> 01:13:58,000

supernatural let's say or paranormal

2113

01:14:01,830 --> 01:14:00,159

quote unquote paranormal is happening

2114

01:14:03,270 --> 01:14:01,840

how the baggage that word has right

2115

01:14:06,310 --> 01:14:03,280

something paranormal is happening on

2116

01:14:08,550 --> 01:14:06,320

skinwalker ranch sure you know it's

2117

01:14:10,149 --> 01:14:08,560

possible i'm not prepared to say what it

2118

01:14:11,910 --> 01:14:10,159

is because i don't know

2119

01:14:14,950 --> 01:14:11,920

um and i don't want to speculate because

2120

01:14:18,470 --> 01:14:14,960

i think you know belief is the enemy but

2121

01:14:22,149 --> 01:14:20,709

part of me wants to believe um part of

2122

01:14:24,550 --> 01:14:22,159

me because i'm probably also on my

2123

01:14:26,830 --> 01:14:24,560

personal quest for vindication um and my

2124

01:14:28,630 --> 01:14:26,840

personal quest for god

2125

01:14:29,910 --> 01:14:28,640

um i think there is something

2126

01:14:32,790 --> 01:14:29,920

interesting happening on skinwalker

2127

01:14:34,950 --> 01:14:32,800

ranch do i think every single experience

2128

01:14:37,430 --> 01:14:34,960

out there is paranormal no of course not

2129

01:14:39,669 --> 01:14:37,440

right even i was spooked at times out

2130

01:14:40,830 --> 01:14:39,679

there when nothing happened but i i knew

2131

01:14:43,350 --> 01:14:40,840

it was just my

2132

01:14:44,709 --> 01:14:43,360

brain picking up on the mythology that i

2133

01:14:45,510 --> 01:14:44,719

had collected and researched for the

2134

01:14:48,310 --> 01:14:45,520

last

2135

01:14:50,149 --> 01:14:48,320

two years on the place um sort of

2136

01:14:51,669 --> 01:14:50,159

manifesting itself right you know i'd be

2137

01:14:53,110 --> 01:14:51,679

walking through the old homestead and it

2138

01:14:54,310 --> 01:14:53,120

was dark

2139

01:14:56,950 --> 01:14:54,320

and i was afraid something was going to

2140

01:14:58,709 --> 01:14:56,960

jump out at me um nothing did and i knew

2141

01:14:59,430 --> 01:14:58,719

it was all in my imagination

2142

01:15:02,870 --> 01:14:59,440

so

2143

01:15:04,630 --> 01:15:02,880

well right there's gonna be periods

2144

01:15:06,229 --> 01:15:04,640

where where people have experiences on

2145

01:15:08,709 --> 01:15:06,239

that ranch that aren't necessarily sort

2146

01:15:10,870 --> 01:15:08,719

of quote unquote real

2147

01:15:12,390 --> 01:15:10,880

but on the flip side there's a lot of

2148

01:15:13,910 --> 01:15:12,400

you know stories from that ranch that

2149

01:15:16,709 --> 01:15:13,920

that clearly indicates something weird

2150

01:15:19,270 --> 01:15:16,719

is going on um

2151

01:15:22,390 --> 01:15:19,280

so so i'm gonna sit there i think in my

2152

01:15:24,870 --> 01:15:22,400

current opinion and my current belief

2153

01:15:26,390 --> 01:15:24,880

again awful word but my current belief

2154

01:15:28,229 --> 01:15:26,400

is is

2155

01:15:29,510 --> 01:15:28,239

something odd is happening at skinwalker

2156

01:15:31,350 --> 01:15:29,520

ranch

2157

01:15:34,310 --> 01:15:31,360

something let's say anomalous

2158

01:15:37,189 --> 01:15:34,320

that's all i have at this point um

2159

01:15:39,669 --> 01:15:37,199

so so that that's that's to answer your

2160

01:15:41,189 --> 01:15:39,679

question that's where i sit um again i

2161

01:15:42,550 --> 01:15:41,199

could be proven wrong and i'm fine with

2162

01:15:44,550 --> 01:15:42,560

that um

2163

01:15:47,750 --> 01:15:44,560

i don't i don't hinge my self-worth on

2164

01:15:50,550 --> 01:15:47,760

my beliefs so um i i'm

2165

01:15:53,510 --> 01:15:50,560

i'm happy to sit in supernatural is a

2166

01:15:55,110 --> 01:15:53,520

maybe let's sit there

2167

01:15:56,790 --> 01:15:55,120

i like it that's the beauty of my

2168

01:15:58,070 --> 01:15:56,800

position doing these podcasts that i can

2169

01:15:59,510 --> 01:15:58,080

sit here and just ask the questions

2170

01:16:01,189 --> 01:15:59,520

about things i want to know so i don't

2171

01:16:03,350 --> 01:16:01,199

have to commit to an answer but know

2172

01:16:04,630 --> 01:16:03,360

that that's perfect listen um before you

2173

01:16:06,709 --> 01:16:04,640

finish up we'll move on to the quick

2174

01:16:08,790 --> 01:16:06,719

fire so i've got a few names incidents

2175

01:16:11,510 --> 01:16:08,800

topics you can say as little of as much

2176

01:16:13,750 --> 01:16:11,520

as you want uh and that's the the

2177

01:16:15,510 --> 01:16:13,760

initial finishing up okay so you've been

2178

01:16:16,709 --> 01:16:15,520

great to listen to mg as well so thank

2179

01:16:18,950 --> 01:16:16,719

you very much i'm sure people are going

2180

01:16:20,390 --> 01:16:18,960

to love it so the first one and you also

2181

01:16:24,790 --> 01:16:20,400

wrote an article on this would be the

2182

01:16:29,430 --> 01:16:26,470

um it was

2183

01:16:31,750 --> 01:16:29,440

most likely just a prosaic series of

2184

01:16:32,790 --> 01:16:31,760

drones and skydivers with pyrotechnics

2185

01:16:34,229 --> 01:16:32,800

um

2186

01:16:36,310 --> 01:16:34,239

i'm going to go with nothing interesting

2187

01:16:39,110 --> 01:16:36,320

happened

2188

01:16:40,470 --> 01:16:39,120

sure enough linda moulton how again

2189

01:16:42,550 --> 01:16:40,480

someone you wrote about in one of your

2190

01:16:45,910 --> 01:16:42,560

articles about selling the

2191

01:16:49,350 --> 01:16:45,920

the piece of potential wedged ufo for 35

2192

01:16:50,630 --> 01:16:49,360

000 to tsa so linda molten how

2193

01:16:52,709 --> 01:16:50,640

um

2194

01:16:55,350 --> 01:16:52,719

linda's a a wonderful

2195

01:16:57,510 --> 01:16:55,360

kind person um

2196

01:16:59,270 --> 01:16:57,520

but um i i i

2197

01:17:02,310 --> 01:16:59,280

i really struggle with some of the

2198

01:17:03,830 --> 01:17:02,320

information she presents um i think as a

2199

01:17:07,189 --> 01:17:03,840

journalist

2200

01:17:10,070 --> 01:17:07,199

i think she she she

2201

01:17:13,350 --> 01:17:10,080

gives credence maybe to ideas that

2202

01:17:17,110 --> 01:17:13,360

aren't necessarily legitimate um and i'm

2203

01:17:19,189 --> 01:17:17,120

not sure why so that's all i can say

2204

01:17:25,669 --> 01:17:19,199

about that

2205

01:17:29,590 --> 01:17:27,350

um

2206

01:17:31,189 --> 01:17:29,600

interesting guy i'd love to sit down and

2207

01:17:32,630 --> 01:17:31,199

have a beer with him

2208

01:17:34,470 --> 01:17:32,640

um again

2209

01:17:35,990 --> 01:17:34,480

not too sure where his head at is all

2210

01:17:39,030 --> 01:17:36,000

the time

2211

01:17:41,189 --> 01:17:39,040

but um i give him

2212

01:17:42,390 --> 01:17:41,199

i give him all the props in the world

2213

01:17:44,390 --> 01:17:42,400

for

2214

01:17:47,270 --> 01:17:44,400

finding guys like luis elizondo and

2215

01:17:48,870 --> 01:17:47,280

chris mellon and and assembling

2216

01:17:50,950 --> 01:17:48,880

that um

2217

01:17:53,990 --> 01:17:50,960

so for all the people that that sort of

2218

01:17:55,350 --> 01:17:54,000

hate on him um you know i i would sort

2219

01:17:57,430 --> 01:17:55,360

of say they should be able to you know

2220

01:17:58,709 --> 01:17:57,440

do better um but

2221

01:18:00,390 --> 01:17:58,719

you know again i don't actually agree

2222

01:18:02,550 --> 01:18:00,400

with everything he he he says or

2223

01:18:04,149 --> 01:18:02,560

believes in um but that's okay i don't

2224

01:18:05,750 --> 01:18:04,159

have to agree with you

2225

01:18:08,870 --> 01:18:05,760

no it could be right it could it could

2226

01:18:13,270 --> 01:18:08,880

be wrong yeah um so the next one is all

2227

01:18:15,590 --> 01:18:13,280

the strange and the recent virtual expo

2228

01:18:17,830 --> 01:18:15,600

oh that was a that was that was fun i i

2229

01:18:19,910 --> 01:18:17,840

i will be totally honest i watched micah

2230

01:18:22,709 --> 01:18:19,920

hanks's and i watched mine and then i

2231

01:18:24,870 --> 01:18:22,719

had to be a dad so i was um unable to

2232

01:18:27,350 --> 01:18:24,880

kind of finish it um i know jason's

2233

01:18:30,470 --> 01:18:27,360

slowly releasing them uh online so i'm

2234

01:18:31,990 --> 01:18:30,480

going to kind of consume them all um but

2235

01:18:33,990 --> 01:18:32,000

i was only able to kind of be free for

2236

01:18:35,750 --> 01:18:34,000

the morning and then um my two-year-old

2237

01:18:37,750 --> 01:18:35,760

and my four-year-old were suddenly like

2238

01:18:40,070 --> 01:18:37,760

crawling on me so i had to go deal with

2239

01:18:41,990 --> 01:18:40,080

them uh so yeah it was a fun time i

2240

01:18:43,510 --> 01:18:42,000

really enjoyed it um i thought it was a

2241

01:18:45,430 --> 01:18:43,520

cool idea

2242

01:18:46,790 --> 01:18:45,440

it was and i just wanted to get that in

2243

01:18:48,310 --> 01:18:46,800

there because i had some issues logging

2244

01:18:50,470 --> 01:18:48,320

in on the morning and then with it being

2245

01:18:51,910 --> 01:18:50,480

uk time and whatnot like yourself i'm

2246

01:18:54,390 --> 01:18:51,920

kind of going back and watching them as

2247

01:18:56,070 --> 01:18:54,400

they come out so yeah mj's is awesome

2248

01:18:57,750 --> 01:18:56,080

definitely recommend watching that and

2249

01:18:59,350 --> 01:18:57,760

then make sure you go on and maybe

2250

01:19:00,870 --> 01:18:59,360

that's the future of expos it'd be great

2251
01:19:02,390 --> 01:19:00,880
to get together again one day but while

2252
01:19:04,470 --> 01:19:02,400
we can't do that kind of thing this was

2253
01:19:06,470 --> 01:19:04,480
definitely something new and it was a

2254
01:19:08,149 --> 01:19:06,480
good i like that someone's tried a new

2255
01:19:11,510 --> 01:19:08,159
type of medium for an expo and i think

2256
01:19:15,189 --> 01:19:13,910
three more things mj

2257
01:19:20,830 --> 01:19:15,199
tic-tac

2258
01:19:26,550 --> 01:19:24,550
um well i mean i i feel that the nimitz

2259
01:19:27,430 --> 01:19:26,560
cases is really compelling for a ufo

2260
01:19:28,790 --> 01:19:27,440
case

2261
01:19:30,790 --> 01:19:28,800
um

2262
01:19:33,030 --> 01:19:30,800
i think that

2263
01:19:35,030 --> 01:19:33,040

here like everything ufological right

2264

01:19:36,709 --> 01:19:35,040

the tic tac has kind of taken on its own

2265

01:19:37,750 --> 01:19:36,719

mythology um

2266

01:19:40,229 --> 01:19:37,760

so

2267

01:19:42,470 --> 01:19:40,239

it's like roswell right um

2268

01:19:44,390 --> 01:19:42,480

you know something happened at roswell

2269

01:19:46,070 --> 01:19:44,400

unfortunately everything we have

2270

01:19:47,910 --> 01:19:46,080

information on in regards to roswell's

2271

01:19:50,870 --> 01:19:47,920

is like mythological now and we just

2272

01:19:52,630 --> 01:19:50,880

can't figure out what it actually was um

2273

01:19:54,310 --> 01:19:52,640

which is why i don't study roswell um

2274

01:19:56,390 --> 01:19:54,320

but i think the tic tac is is kind of

2275

01:19:58,470 --> 01:19:56,400

that it's this is curious

2276
01:19:59,830 --> 01:19:58,480
we're watching mythology occur in real

2277
01:20:03,110 --> 01:19:59,840
time here we're watching this kind of

2278
01:20:04,709 --> 01:20:03,120
lore and legend build around this

2279
01:20:07,669 --> 01:20:04,719
this this

2280
01:20:10,550 --> 01:20:07,679
curious little incident um

2281
01:20:13,110 --> 01:20:10,560
so so i think the tic tac ufo

2282
01:20:15,110 --> 01:20:13,120
concept i think it's compelling um i

2283
01:20:18,149 --> 01:20:15,120
think the incidents

2284
01:20:19,669 --> 01:20:18,159
around it are compelling um i think that

2285
01:20:22,310 --> 01:20:19,679
we're also going to see though

2286
01:20:24,629 --> 01:20:22,320
this mythological

2287
01:20:27,510 --> 01:20:24,639
framework built around it to include a

2288
01:20:30,470 --> 01:20:27,520

whole host of weird explanations

2289

01:20:33,110 --> 01:20:30,480

um that that will sometimes make sense

2290

01:20:34,149 --> 01:20:33,120

and often not make sense so

2291

01:20:37,030 --> 01:20:34,159

yeah

2292

01:20:39,030 --> 01:20:37,040

mythology and reality merging um

2293

01:20:41,350 --> 01:20:39,040

right now as we speak

2294

01:20:42,790 --> 01:20:41,360

i like that and the last one and this is

2295

01:20:44,870 --> 01:20:42,800

very much what this means to you i like

2296

01:20:46,470 --> 01:20:44,880

to ask all the guests to finish off

2297

01:20:48,709 --> 01:20:46,480

disclosure

2298

01:20:49,750 --> 01:20:48,719

oh god um

2299

01:20:54,070 --> 01:20:49,760

yeah

2300

01:20:55,030 --> 01:20:54,080

lexicon um

2301

01:20:56,709 --> 01:20:55,040

yeah

2302

01:20:58,629 --> 01:20:56,719

what are we disclosing can i can i

2303

01:21:00,709 --> 01:20:58,639

caveat the question with what exactly is

2304

01:21:03,110 --> 01:21:00,719

being disclosed

2305

01:21:05,910 --> 01:21:03,120

or is it just no i'd have to just answer

2306

01:21:12,310 --> 01:21:08,310

disclosure that

2307

01:21:18,709 --> 01:21:15,110

strange things make incursions into

2308

01:21:19,669 --> 01:21:18,719

american air space and and and land or

2309

01:21:21,350 --> 01:21:19,679

sea

2310

01:21:22,870 --> 01:21:21,360

area like like

2311

01:21:25,350 --> 01:21:22,880

melbourne state

2312

01:21:26,229 --> 01:21:25,360

it's we're finally having um more let's

2313

01:21:28,550 --> 01:21:26,239

say

2314

01:21:31,830 --> 01:21:28,560

transparency that

2315

01:21:33,510 --> 01:21:31,840

objects make incursions um into

2316

01:21:35,430 --> 01:21:33,520

territory that is the united states of

2317

01:21:36,950 --> 01:21:35,440

america and potentially other countries

2318

01:21:37,910 --> 01:21:36,960

as well

2319

01:21:41,030 --> 01:21:37,920

what we

2320

01:21:42,310 --> 01:21:41,040

going to have is disclosure that you

2321

01:21:45,189 --> 01:21:42,320

know the united states government has

2322

01:21:46,709 --> 01:21:45,199

been colluding with aliens uh or or

2323

01:21:48,470 --> 01:21:46,719

interdimensional beings or time

2324

01:21:52,950 --> 01:21:48,480

traveling humans i don't think we're

2325

01:21:55,030 --> 01:21:52,960

gonna get that uh any time ever um

2326

01:21:57,510 --> 01:21:55,040

so so when we talk about the disclosure

2327

01:21:58,629 --> 01:21:57,520

movement or the disclosure community or

2328

01:21:59,830 --> 01:21:58,639

whatever

2329

01:22:01,750 --> 01:21:59,840

um

2330

01:22:04,070 --> 01:22:01,760

i want to burst the bubble of people

2331

01:22:05,590 --> 01:22:04,080

that think that you know yep the united

2332

01:22:07,189 --> 01:22:05,600

states has a handshake arrangement with

2333

01:22:08,470 --> 01:22:07,199

the aliens and they're visiting us and

2334

01:22:11,350 --> 01:22:08,480

they're walking among us and they're

2335

01:22:12,629 --> 01:22:11,360

they're abducting us in exchange for for

2336

01:22:14,950 --> 01:22:12,639

technology

2337

01:22:17,189 --> 01:22:14,960

and and reverse engineered ships and and

2338

01:22:19,189 --> 01:22:17,199

all that stuff um or that there's flying

2339

01:22:20,950 --> 01:22:19,199

saucers in a bunker somewhere that that

2340

01:22:23,910 --> 01:22:20,960

are weren't made here i'm going to say

2341

01:22:26,149 --> 01:22:23,920

that is not true and that's just part of

2342

01:22:27,030 --> 01:22:26,159

the ufo methos

2343

01:22:27,750 --> 01:22:27,040

um

2344

01:22:30,229 --> 01:22:27,760

but

2345

01:22:32,550 --> 01:22:30,239

disclosure that the united states has an

2346

01:22:34,790 --> 01:22:32,560

active research program into

2347

01:22:36,229 --> 01:22:34,800

unidentified aerial phenomena

2348

01:22:38,310 --> 01:22:36,239

disclosure that

2349

01:22:40,070 --> 01:22:38,320

you know they don't know what's going on

2350

01:22:42,790 --> 01:22:40,080

in the skies all the time

2351

01:22:44,709 --> 01:22:42,800

definitely the case

2352

01:22:46,550 --> 01:22:44,719

awesome um but mj it's been great

2353

01:22:48,870 --> 01:22:46,560

talking to you you can follow mj on

2354

01:22:50,550 --> 01:22:48,880

twitter at mj banayas please go back and

2355

01:22:53,110 --> 01:22:50,560

read his articles there's some great

2356

01:22:54,790 --> 01:22:53,120

ones on face as well um give those a

2357

01:22:55,830 --> 01:22:54,800

click especially when the ones come out

2358

01:22:58,709 --> 01:22:55,840

that are going to make them some more

2359

01:23:01,430 --> 01:22:58,719

cash make sure you go and read those

2360

01:23:03,830 --> 01:23:01,440

uh his book the ufo people are curious

2361

01:23:05,350 --> 01:23:03,840

culture is available on amazon again go

2362

01:23:06,790 --> 01:23:05,360

out and buy that this weekend it's a

2363

01:23:08,709 --> 01:23:06,800

great read and when we're all locked

2364

01:23:10,390 --> 01:23:08,719

down followed and very much stuck in

2365

01:23:12,550 --> 01:23:10,400

doors due to whatever's going on outside

2366

01:23:13,990 --> 01:23:12,560

your own homes why not pick that up and

2367

01:23:15,350 --> 01:23:14,000

give it a read um it's been great

2368

01:23:17,030 --> 01:23:15,360

chatting to you mj anything you want to

2369

01:23:18,229 --> 01:23:17,040

can i say the listeners before you head

2370

01:23:19,189 --> 01:23:18,239

off

2371

01:23:20,470 --> 01:23:19,199

um

2372

01:23:22,709 --> 01:23:20,480

no i just want to say thanks very much

2373

01:23:24,229 --> 01:23:22,719

for for having me on um i i really

2374

01:23:26,229 --> 01:23:24,239

appreciate your time and um this has

2375

01:23:28,310 --> 01:23:26,239

been a lot of fun so thank you very much

2376

01:23:30,310 --> 01:23:28,320

that is all for this week's show thank

2377

01:23:32,310 --> 01:23:30,320

you very much for listening please

2378

01:23:34,950 --> 01:23:32,320

remember to leave the podcast to review

2379

01:23:37,270 --> 01:23:34,960

on your chosen platform you can like

2380

01:23:39,189 --> 01:23:37,280

retweet and subscribe that would all be

2381

01:23:41,350 --> 01:23:39,199

very much appreciated the shows are

2382

01:23:42,870 --> 01:23:41,360

being uploaded onto youtube as we speak

2383

01:23:45,350 --> 01:23:42,880

more and more you can sign up at

2384

01:23:48,149 --> 01:23:45,360

patreon.com forward slash that ufo

2385

01:23:50,310 --> 01:23:48,159

podcast access shows ad ad-free as well

2386

01:23:53,189 --> 01:23:50,320

please get in touch on twitter facebook

2387

01:23:56,870 --> 01:23:53,199

instagram that ufo podcast of course on

2388

01:23:58,790 --> 01:23:56,880

twitter it's at ufo uap a.m and again

2389

01:24:01,500 --> 01:23:58,800

folks as always keep looking up you

2390

01:24:21,910 --> 01:24:01,510

never know what you might see

2391

01:24:21,920 --> 01:24:28,620

is

2392

01:25:09,189 --> 01:24:51,270

[Music]

2393

01:25:27,040 --> 01:25:12,210

because it doesn't really scare me

2394

01:25:38,870 --> 01:25:32,180

[Music]

2395

01:25:46,090 --> 01:25:41,510

consider your heart considered consider

2396

01:26:09,030 --> 01:25:59,290

[Music]

2397

01:26:20,100 --> 01:26:09,040

it wasn't a tic tac and not quite a

2398

01:26:31,810 --> 01:26:29,669

[Music]

2399

01:26:40,730 --> 01:26:31,820

it's very different

2400

01:26:40,740 --> 01:26:55,910

[Music]

2401

01:26:55,920 --> 01:27:00,730

yes
