

I WAS ON MUTE!

LIVE

1
00:00:06,869 --> 00:00:05,349
ooh

2
00:00:08,150 --> 00:00:06,879
so we are live

3
00:00:10,870 --> 00:00:08,160
we're live

4
00:00:13,190 --> 00:00:10,880
we are live so how's it looking

5
00:00:17,029 --> 00:00:15,669
i've got i i'm seeing different things

6
00:00:18,710 --> 00:00:17,039
here this is

7
00:00:22,070 --> 00:00:18,720
because you gave me admin rights before

8
00:00:25,429 --> 00:00:22,080
so it's a whole new layout to me

9
00:00:26,390 --> 00:00:25,439
i think i can control what we see now

10
00:00:28,390 --> 00:00:26,400
yeah

11
00:00:29,750 --> 00:00:28,400
cool

12
00:00:31,750 --> 00:00:29,760
oh i don't like that i don't i don't

13
00:00:33,990 --> 00:00:31,760

like i've gave up the control

14

00:00:35,430 --> 00:00:34,000

i'm not happy you know what's that's

15

00:00:36,310 --> 00:00:35,440

really good for though

16

00:00:38,950 --> 00:00:36,320

um

17

00:00:40,950 --> 00:00:38,960

you know when you do interviews and i'm

18

00:00:42,150 --> 00:00:40,960

kind of on making notes on the questions

19

00:00:44,790 --> 00:00:42,160

and stuff

20

00:00:46,790 --> 00:00:44,800

um but i could you know look after that

21

00:00:49,590 --> 00:00:46,800

and switch switch the cameras up so you

22

00:00:52,630 --> 00:00:51,110

yeah okay cool

23

00:00:53,830 --> 00:00:52,640

oh there's seven people watching already

24

00:00:55,910 --> 00:00:53,840

hi everyone

25

00:00:58,950 --> 00:00:55,920

they're just hearing us making our plans

26

00:01:01,189 --> 00:00:58,960

i know that that is this is our pregame

27

00:01:03,670 --> 00:01:01,199

recording which is as before we go live

28

00:01:06,469 --> 00:01:03,680

on kg ra we're just having a little mess

29

00:01:10,230 --> 00:01:06,479

about first viewer wow thanks

30

00:01:13,670 --> 00:01:10,240

tyler tyler called you a

31

00:01:15,350 --> 00:01:13,680

on youtube both of us uh

32

00:01:17,830 --> 00:01:15,360

i mean

33

00:01:20,550 --> 00:01:17,840

quickly talk about dogs so that uh it's

34

00:01:22,149 --> 00:01:20,560

relevant yeah yeah yeah i mean that my

35

00:01:23,510 --> 00:01:22,159

dog's not a

36

00:01:24,469 --> 00:01:23,520

yeah

37

00:01:27,510 --> 00:01:24,479

my name is

38

00:01:28,630 --> 00:01:27,520

scotty love your show thank you cool

39

00:01:29,990 --> 00:01:28,640

thanks

40

00:01:31,910 --> 00:01:30,000

we're going to confuse people by doing

41

00:01:35,030 --> 00:01:31,920

this uh pregame but we are going to be

42

00:01:37,510 --> 00:01:35,040

live on kg ra in around

43

00:01:39,109 --> 00:01:37,520

15 minutes the guys on ucr are just

44

00:01:41,429 --> 00:01:39,119

finishing up just now so we wanted to

45

00:01:43,590 --> 00:01:41,439

hit the live and just let folks know

46

00:01:45,270 --> 00:01:43,600

that we're going to be live over on kg r

47

00:01:47,749 --> 00:01:45,280

a really i'm excited to watch that one

48

00:01:50,230 --> 00:01:47,759

they're with uh abby loeb uh

49

00:01:55,030 --> 00:01:52,630

there's someone else on there

50

00:01:57,109 --> 00:01:55,040

yeah that's it

51
00:01:58,950 --> 00:01:57,119
sprague's mentor yeah but both really

52
00:02:00,230 --> 00:01:58,960
cool guests um so i'm looking forward to

53
00:02:02,469 --> 00:02:00,240
watching that one

54
00:02:04,709 --> 00:02:02,479
they are they are um i was um going in

55
00:02:07,429 --> 00:02:04,719
and out because i've just spoken to

56
00:02:10,389 --> 00:02:07,439
the the two gents from the observers

57
00:02:12,070 --> 00:02:10,399
documentary um so i was speaking to them

58
00:02:14,790 --> 00:02:12,080
about that which we'll talk about in the

59
00:02:17,350 --> 00:02:14,800
in the main in the main show as well on

60
00:02:20,830 --> 00:02:17,360
kg ra should i get the the link for

61
00:02:23,510 --> 00:02:20,840
people for kgre probably um

62
00:02:25,990 --> 00:02:23,520
kgre i have to do it in that voice i

63
00:02:27,750 --> 00:02:26,000

have to i'm just i'm gonna retweet to

64

00:02:28,869 --> 00:02:27,760

let people know that

65

00:02:31,670 --> 00:02:28,879

we're live

66

00:02:33,589 --> 00:02:31,680

yeah i was i was in such rush i forgot

67

00:02:35,430 --> 00:02:33,599

it'll be good to see folks over in the

68

00:02:37,190 --> 00:02:35,440

other chat as well when we kick off

69

00:02:39,190 --> 00:02:37,200

because it would be good to get some

70

00:02:41,270 --> 00:02:39,200

questions for folks on this one too

71

00:02:42,710 --> 00:02:41,280

because i feel bad that we've been

72

00:02:44,309 --> 00:02:42,720

recording them even though that's been

73

00:02:46,710 --> 00:02:44,319

the agreement like what we have can i

74

00:02:51,910 --> 00:02:46,720

keep saying haven't we yeah you have a

75

00:02:55,830 --> 00:02:53,670

was me saying to dan like an hour ago do

76
00:02:58,309 --> 00:02:55,840
you know what uh just before 11 o'clock

77
00:03:00,390 --> 00:02:58,319
we'll jump on and do like a pre pregame

78
00:03:03,350 --> 00:03:00,400
show so yeah this is this is us getting

79
00:03:06,309 --> 00:03:03,360
big time now um so yeah please

80
00:03:10,550 --> 00:03:06,319
uh that link there will take you to

81
00:03:12,070 --> 00:03:10,560
oh hold on i can do something about this

82
00:03:14,149 --> 00:03:12,080
oh

83
00:03:19,589 --> 00:03:14,159
now it won't let me highlight the text

84
00:03:24,710 --> 00:03:21,509
if you search if you're in the chat and

85
00:03:27,350 --> 00:03:24,720
you go on to youtube and search kg ra db

86
00:03:29,350 --> 00:03:27,360
you'll see kgre you'll see it comes up

87
00:03:32,470 --> 00:03:29,360
as the next show which starts in about

88
00:03:34,309 --> 00:03:32,480

10 15 minutes so looking forward to that

89

00:03:35,910 --> 00:03:34,319

dan and i will be dipping off here in

90

00:03:37,830 --> 00:03:35,920

five minutes or so

91

00:03:39,830 --> 00:03:37,840

uh just you're right

92

00:03:42,550 --> 00:03:39,840

just is it justin johnson or just

93

00:03:43,350 --> 00:03:42,560

johnson like cher that's a cool name

94

00:03:45,270 --> 00:03:43,360

though

95

00:03:46,949 --> 00:03:45,280

david thai from colombia how's the

96

00:03:49,350 --> 00:03:46,959

weather in colombia just now it's

97

00:03:51,750 --> 00:03:49,360

getting cold in the uk

98

00:03:54,229 --> 00:03:51,760

ah dan we've done it again what three

99

00:03:56,390 --> 00:03:54,239

minutes in i'm talking about uk weather

100

00:04:00,390 --> 00:03:56,400

that's uh that's poor uh i needed a

101
00:04:02,280 --> 00:04:00,400
thing i have a better url for us

102
00:04:05,670 --> 00:04:02,290
oh check you there you go

103
00:04:10,869 --> 00:04:08,070
yeah so we're going to be uh the eighth

104
00:04:13,190 --> 00:04:10,879
show on kg ra so looking forward to that

105
00:04:15,910 --> 00:04:13,200
um for those of you joining us in here

106
00:04:16,949 --> 00:04:15,920
already uh dan you'll also be pleased to

107
00:04:19,270 --> 00:04:16,959
know what we're going to be talking

108
00:04:21,430 --> 00:04:19,280
about we're going to be um

109
00:04:22,629 --> 00:04:21,440
discussing quickly hi dustin you okay

110
00:04:24,870 --> 00:04:22,639
hey

111
00:04:26,950 --> 00:04:24,880
talking about the john ramirez interview

112
00:04:29,350 --> 00:04:26,960
that just came out today with myself and

113
00:04:31,830 --> 00:04:29,360

john um some of the senate update stuff

114

00:04:33,749 --> 00:04:31,840

i will be asking dan to explain to me we

115

00:04:35,510 --> 00:04:33,759

just yeah that was it was pretty cool

116

00:04:37,909 --> 00:04:35,520

earlier today i had uh i set up a bit of

117

00:04:40,150 --> 00:04:37,919

videos this week and and i had a an

118

00:04:43,189 --> 00:04:40,160

alert and i was keeping an eye out for

119

00:04:46,310 --> 00:04:43,199

this uh i ate i forget all the numbers

120

00:04:47,749 --> 00:04:46,320

now um but for this new one anyway um

121

00:04:49,990 --> 00:04:47,759

all day and then as soon as my inbox

122

00:04:51,590 --> 00:04:50,000

went i was just like go

123

00:04:52,950 --> 00:04:51,600

it's very exciting

124

00:04:53,909 --> 00:04:52,960

it's um

125

00:04:55,990 --> 00:04:53,919

you know

126

00:04:57,430 --> 00:04:56,000

that's it i don't get as excited about

127

00:04:58,950 --> 00:04:57,440

all these numbers flying about and we'll

128

00:05:00,870 --> 00:04:58,960

talk about that in the on the show as

129

00:05:03,350 --> 00:05:00,880

well but i need dan to explain it to me

130

00:05:05,590 --> 00:05:03,360

afterwards normally

131

00:05:09,110 --> 00:05:05,600

i can't promise i'm 100 correct but i'll

132

00:05:11,430 --> 00:05:09,120

give it my best my best go uh dd johnson

133

00:05:13,110 --> 00:05:11,440

has been super helpful um

134

00:05:14,790 --> 00:05:13,120

to us all i think in terms of helping us

135

00:05:16,390 --> 00:05:14,800

pass this language and i feel like i've

136

00:05:18,790 --> 00:05:16,400

picked up a thing or two so i hope i'm

137

00:05:20,310 --> 00:05:18,800

not it's completely awesome

138

00:05:22,070 --> 00:05:20,320

dean johnson that you said has been

139

00:05:30,710 --> 00:05:22,080

copying a lot of your stuff but taking

140

00:05:35,430 --> 00:05:34,070

definitely uh definitely set i would say

141

00:05:37,029 --> 00:05:35,440

yeah it's good that you're you're

142

00:05:39,110 --> 00:05:37,039

catching up with them because you need

143

00:05:40,550 --> 00:05:39,120

more than one person doing this i always

144

00:05:41,990 --> 00:05:40,560

think with like john greenwald on the

145

00:05:43,990 --> 00:05:42,000

black vault it would be great if some

146

00:05:45,749 --> 00:05:44,000

other people could get to the to the

147

00:05:47,670 --> 00:05:45,759

level that he can

148

00:05:49,749 --> 00:05:47,680

that he does with his foyers

149

00:05:52,230 --> 00:05:49,759

and there were multiple people with that

150

00:05:56,230 --> 00:05:52,240

level of ability and awareness to to do

151

00:05:58,870 --> 00:05:56,240

and so uh hi nigel hi carl uh hi sim

152

00:06:00,950 --> 00:05:58,880

same yep great interview i agree no i

153

00:06:03,350 --> 00:06:00,960

don't i never i'm never happy with my

154

00:06:06,629 --> 00:06:03,360

interviews really um usually i text you

155

00:06:08,309 --> 00:06:06,639

afterwards don't down and go yeah it was

156

00:06:10,550 --> 00:06:08,319

you're getting back to me um

157

00:06:12,230 --> 00:06:10,560

yeah exactly you'll say yeah that's fine

158

00:06:13,510 --> 00:06:12,240

and then i'll get super excited about a

159

00:06:14,390 --> 00:06:13,520

whole bunch of things that we're spoken

160

00:06:16,309 --> 00:06:14,400

about

161

00:06:18,629 --> 00:06:16,319

when i'm editing not that i'm not

162

00:06:20,790 --> 00:06:18,639

listening but but yeah folks just um as

163

00:06:22,550 --> 00:06:20,800

it says on the screen we're going to be

164

00:06:23,990 --> 00:06:22,560

popping out of this live in a couple of

165

00:06:26,469 --> 00:06:24,000

minutes time and we're going to be going

166

00:06:28,150 --> 00:06:26,479

live at 11 o'clock uk um

167

00:06:29,830 --> 00:06:28,160

in 10 minutes basically rather than go

168

00:06:32,309 --> 00:06:29,840

through all the time zones we're going

169

00:06:33,430 --> 00:06:32,319

to be live on kg ra so please join us

170

00:06:35,590 --> 00:06:33,440

over there because it would be good to

171

00:06:37,270 --> 00:06:35,600

hear some of you um on the chat and

172

00:06:39,430 --> 00:06:37,280

stuff as well we've been doing recorded

173

00:06:41,830 --> 00:06:39,440

shows for kgra just due to the time

174

00:06:43,670 --> 00:06:41,840

zones and stuff like that but my wife is

175

00:06:45,749 --> 00:06:43,680

letting me stay up late tonight so it's

176

00:06:47,590 --> 00:06:45,759

a it's a live show which i'm looking

177

00:06:48,390 --> 00:06:47,600

forward to um

178

00:06:49,830 --> 00:06:48,400

also

179

00:06:53,110 --> 00:06:49,840

i've got a little update from gary

180

00:06:54,550 --> 00:06:53,120

vertis from uapx he sends over so i'll

181

00:06:55,830 --> 00:06:54,560

talk through that it's quite brief but

182

00:06:57,350 --> 00:06:55,840

again just lets people know what they're

183

00:06:59,909 --> 00:06:57,360

up to just now because people do ask

184

00:07:01,749 --> 00:06:59,919

from time to time um we'll be taking

185

00:07:03,909 --> 00:07:01,759

questions from the listener chat and

186

00:07:05,909 --> 00:07:03,919

also i've got some questions

187

00:07:07,589 --> 00:07:05,919

uh which again i'll go over this at the

188

00:07:08,790 --> 00:07:07,599

start of the other the other show the

189

00:07:10,469 --> 00:07:08,800

other show see that's where i called it

190

00:07:13,510 --> 00:07:10,479

that yeah

191

00:07:16,230 --> 00:07:13,520

i i said we were going to go over unused

192

00:07:18,150 --> 00:07:16,240

loyola zondo questions from the part one

193

00:07:20,230 --> 00:07:18,160

listener question there is still going

194

00:07:22,390 --> 00:07:20,240

to be that part too people know lou is

195

00:07:23,670 --> 00:07:22,400

busy just now and given what's happening

196

00:07:25,749 --> 00:07:23,680

in the senate and stuff that's that's

197

00:07:28,550 --> 00:07:25,759

where he is um so i said we would

198

00:07:30,230 --> 00:07:28,560

discuss some of the unused questions

199

00:07:32,870 --> 00:07:30,240

and some of the questions that we

200

00:07:34,629 --> 00:07:32,880

probably couldn't put to because

201
00:07:36,469 --> 00:07:34,639
to be honest there's no point not that

202
00:07:37,909 --> 00:07:36,479
they're not good questions but we're not

203
00:07:39,909 --> 00:07:37,919
going to get much of an answer so we

204
00:07:41,670 --> 00:07:39,919
thought we would speculate on an answer

205
00:07:43,270 --> 00:07:41,680
and i think some people got confused and

206
00:07:45,670 --> 00:07:43,280
thought we had leon there and then for

207
00:07:47,110 --> 00:07:45,680
part two so um but no the part two

208
00:07:49,029 --> 00:07:47,120
listener questions thing is still

209
00:07:50,790 --> 00:07:49,039
happening dan you were there with me

210
00:07:53,189 --> 00:07:50,800
when lou sat across from me and was

211
00:07:54,710 --> 00:07:53,199
telling me how excited he is to do it

212
00:07:57,189 --> 00:07:54,720
and he loves answering people's

213
00:07:59,830 --> 00:07:57,199

questions so um

214

00:08:01,589 --> 00:07:59,840

cyan hi science listen i will be getting

215

00:08:04,469 --> 00:08:01,599

back to you i know you message me on

216

00:08:06,390 --> 00:08:04,479

facebook i appreciate that um i will i

217

00:08:07,830 --> 00:08:06,400

will reply i just have a ton of people

218

00:08:10,230 --> 00:08:07,840

to get back to but i'm going to do it

219

00:08:12,070 --> 00:08:10,240

tomorrow um when i've got time to sit

220

00:08:14,150 --> 00:08:12,080

down and get back to everyone otherwise

221

00:08:15,830 --> 00:08:14,160

i miss correspondence but it thanks

222

00:08:17,510 --> 00:08:15,840

everyone who's been sending us over

223

00:08:19,029 --> 00:08:17,520

videos and sightings and all that kind

224

00:08:21,189 --> 00:08:19,039

of stuff i've started forwarding more

225

00:08:23,350 --> 00:08:21,199

stuff to dan as well for him to check

226

00:08:24,830 --> 00:08:23,360

out and read and he's just really lazy

227

with all that kind of stuff

228

00:08:28,790 --> 00:08:27,199

so yeah

229

00:08:30,309 --> 00:08:28,800
