PENTYRCH: AN HONEST ASSESSMENT

- WITH GRAEME RENDALL & DAVE PARTRIDGE -

1  
00:00:00,000 --> 00:00:05,510

[Music]

2  
00:00:08,629 --> 00:00:06,950

there's a whole fleet of look on the

3  
00:00:10,950 --> 00:00:08,639

assay

4  
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5  
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6  
00:00:22,810 --> 00:00:18,960

sphere where the points of the cube

7  
00:00:33,010 --> 00:00:22,820

were touching outside of sphere

8  
00:00:37,190 --> 00:00:34,560

[Music]

9  
00:00:38,709 --> 00:00:37,200

25

00:01:21,510 --> 00:01:19,429

hi everyone and welcome back to that ufo

26  
00:01:24,310 --> 00:01:21,520  
podcast we're kicking off december with

27  
00:01:27,429 --> 00:01:24,320  
a bonus episode this is one that i did

28  
00:01:28,870 --> 00:01:27,439  
not plan on doing at all honestly and in

29  
00:01:31,109 --> 00:01:28,880  
the last couple of weeks i've had quite

30  
00:01:33,350 --> 00:01:31,119  
a few dms and emails from people asking

31  
00:01:35,510 --> 00:01:33,360  
to cover a particular case

32  
00:01:37,190 --> 00:01:35,520  
now i i always got back to those people

33  
00:01:39,510 --> 00:01:37,200  
saying why i wasn't particularly

34  
00:01:41,270 --> 00:01:39,520  
interested necessarily and why i thought

35  
00:01:43,830 --> 00:01:41,280  
there wasn't much to it but people have

36  
00:01:45,350 --> 00:01:43,840  
requested and yesterday i was discussing

37  
00:01:48,789 --> 00:01:45,360  
it with some of my colleagues from uap

38  
00:01:50,950 --> 00:01:48,799

media and as i was discussing the case

39

00:01:52,950 --> 00:01:50,960

uh i got an email again from a listener

40

00:01:55,350 --> 00:01:52,960

asking to to do a show on it or a bit of

41

00:01:57,270 --> 00:01:55,360

a deep dive so we decided you know what

42

00:01:59,749 --> 00:01:57,280

let's get on let's record let's share

43

00:02:01,190 --> 00:01:59,759

our share our opinions and and put it

44

00:02:06,469 --> 00:02:01,200

out there for people to make up their

45

00:02:08,869 --> 00:02:06,479

own mind um so uh february 26 2016 in a

46

00:02:10,550 --> 00:02:08,879

small town in wales called pentark

47

00:02:12,550 --> 00:02:10,560

something unusual is claimed to have

48

00:02:14,070 --> 00:02:12,560

happened multiple witnesses claim to

49

00:02:16,790 --> 00:02:14,080

have seen crafts

50

00:02:19,350 --> 00:02:16,800

lights orbs odd snow

51  
00:02:20,630 --> 00:02:19,360  
men in hazmat suits all in an incredible

52  
00:02:22,949 --> 00:02:20,640  
experience

53  
00:02:25,030 --> 00:02:22,959  
one of the main witnesses kaz clark has

54  
00:02:27,750 --> 00:02:25,040  
since become a bit of a name on the the

55  
00:02:29,990 --> 00:02:27,760  
circuit for ufos and has since appeared

56  
00:02:32,949 --> 00:02:30,000  
on various channels and articles news

57  
00:02:35,270 --> 00:02:32,959  
websites sharing her story as well as

58  
00:02:36,790 --> 00:02:35,280  
the story of other witnesses who are

59  
00:02:38,710 --> 00:02:36,800  
part of this

60  
00:02:40,710 --> 00:02:38,720  
i've not picked up myself because in

61  
00:02:42,630 --> 00:02:40,720  
speaking to a few serious researchers

62  
00:02:44,229 --> 00:02:42,640  
and respected researchers

63  
00:02:47,110 --> 00:02:44,239

there seems to be a lot of issues with

64

00:02:49,030 --> 00:02:47,120

the story with the incident and

65

00:02:51,110 --> 00:02:49,040

everything around it that for me points

66

00:02:53,509 --> 00:02:51,120

to the fact that this was not an

67

00:02:55,190 --> 00:02:53,519

extraterrestrial experience

68

00:02:57,030 --> 00:02:55,200

so what i've done is invite dave

69

00:02:59,670 --> 00:02:57,040

partridge from shadow's earmine magazine

70

00:03:02,470 --> 00:02:59,680

and graham randall author and friend as

71

00:03:04,710 --> 00:03:02,480

they both are of mine from uap media uk

72

00:03:07,030 --> 00:03:04,720

to discuss this with us and just break

73

00:03:08,470 --> 00:03:07,040

down what exactly went on so first off

74

00:03:10,550 --> 00:03:08,480

graham how are we

75

00:03:12,710 --> 00:03:10,560

fine andy how are you

76

00:03:14,070 --> 00:03:12,720

yes i'm good i'm looking forward to

77

00:03:16,470 --> 00:03:14,080

speaking about this because i think it's

78

00:03:18,229 --> 00:03:16,480

only fair we we give this some time and

79

00:03:20,550 --> 00:03:18,239

put it out there for people who want to

80

00:03:22,070 --> 00:03:20,560

to hear it discussed and dave are you

81

00:03:23,750 --> 00:03:22,080

with us as well

82

00:03:25,670 --> 00:03:23,760

yeah are you doing man

83

00:03:28,149 --> 00:03:25,680

awesome yeah i'm good

84

00:03:30,390 --> 00:03:28,159

so yeah listen both of you gents i

85

00:03:32,869 --> 00:03:30,400

highly respect your opinion and we don't

86

00:03:34,470 --> 00:03:32,879

always all agree on stuff which i like

87

00:03:36,390 --> 00:03:34,480

but this is one where you've both

88

00:03:38,229 --> 00:03:36,400

presented in the group chat and

89

00:03:40,550 --> 00:03:38,239

individual chats and face to face when

90

00:03:42,710 --> 00:03:40,560

we met up uh some

91

00:03:43,830 --> 00:03:42,720

some really well thought out points as

92

00:03:47,910 --> 00:03:43,840

to why

93

00:03:50,070 --> 00:03:47,920

pentoc wasn't a ufo caser experience as

94

00:03:51,350 --> 00:03:50,080

a general overview graeme let's start

95

00:03:53,429 --> 00:03:51,360

with yourself

96

00:03:56,070 --> 00:03:53,439

on pentarc what have been your your

97

00:03:57,990 --> 00:03:56,080

thoughts and opinions on on the case

98

00:04:00,070 --> 00:03:58,000

since it's sort of come to light

99

00:04:02,070 --> 00:04:00,080

so the first thing i came across when i

100

00:04:03,350 --> 00:04:02,080

heard the individual elements of the

101  
00:04:04,949 --> 00:04:03,360

story

102  
00:04:06,710 --> 00:04:04,959

it was only your first it was your first

103  
00:04:08,309 --> 00:04:06,720

impression of a couple of things that i

104  
00:04:10,309 --> 00:04:08,319

first heard about and it was well that's

105  
00:04:12,869 --> 00:04:10,319

intriguing i want to know more like you

106  
00:04:14,470 --> 00:04:12,879

would with any other case but then as i

107  
00:04:16,390 --> 00:04:14,480

heard more and more about all the

108  
00:04:18,469 --> 00:04:16,400

different elements and everything that's

109  
00:04:20,390 --> 00:04:18,479

supposed to have happened that evening

110  
00:04:22,950 --> 00:04:20,400

and over the next day

111  
00:04:24,950 --> 00:04:22,960

then it just seemed to me that this was

112  
00:04:26,870 --> 00:04:24,960

a case that was too good to be true and

113  
00:04:29,430 --> 00:04:26,880

it was something that basically you've

114

00:04:31,270 --> 00:04:29,440

got elements of maybe five or six great

115

00:04:33,510 --> 00:04:31,280

cases and then somebody just literally

116

00:04:36,950 --> 00:04:33,520

throw them all together into one super

117

00:04:38,070 --> 00:04:36,960

case and to me that didn't quite add up

118

00:04:40,230 --> 00:04:38,080

so that's

119

00:04:41,749 --> 00:04:40,240

starter set alarm bells ringing with me

120

00:04:44,469 --> 00:04:41,759

as to well come on you know there must

121

00:04:46,230 --> 00:04:44,479

be either more to this story in terms of

122

00:04:48,870 --> 00:04:46,240

more rational explanation or something

123

00:04:50,629 --> 00:04:48,880

else going on but what about all these

124

00:04:52,469 --> 00:04:50,639

individual elements you know how how

125

00:04:54,150 --> 00:04:52,479

true are they how do they stack up with

126  
00:04:56,629 --> 00:04:54,160  
each other is there anything that could

127  
00:04:57,749 --> 00:04:56,639  
explain what was going on so we went

128  
00:04:59,830 --> 00:04:57,759  
from there

129  
00:05:01,270 --> 00:04:59,840  
okay and dave what about yourself what

130  
00:05:04,150 --> 00:05:01,280  
sort of things stood out for you when

131  
00:05:06,230 --> 00:05:04,160  
you first heard about the incident

132  
00:05:07,830 --> 00:05:06,240  
well the first time i heard of it would

133  
00:05:11,029 --> 00:05:07,840  
have been on the

134  
00:05:12,629 --> 00:05:11,039  
paranormal scholar youtube channel

135  
00:05:15,029 --> 00:05:12,639  
and they did a video on the third of may

136  
00:05:17,430 --> 00:05:15,039  
saying oh it's the greatest ufo cover-up

137  
00:05:19,430 --> 00:05:17,440  
of modern times um

138  
00:05:22,390 --> 00:05:19,440

i thought i'll see what this is all

139

00:05:24,310 --> 00:05:22,400

about and i was watching a video and as

140

00:05:26,629 --> 00:05:24,320

i was watching a video and kaz clark was

141

00:05:28,469 --> 00:05:26,639

visiting all these different locations

142

00:05:29,430 --> 00:05:28,479

where she claimed she saw

143

00:05:31,909 --> 00:05:29,440

you know

144

00:05:33,590 --> 00:05:31,919

giant pyramid craft and

145

00:05:35,110 --> 00:05:33,600

you know these ufos appearing from

146

00:05:39,029 --> 00:05:35,120

nowhere i was

147

00:05:40,710 --> 00:05:39,039

actually doing research at the time um

148

00:05:41,830 --> 00:05:40,720

as she was speaking so i was on google

149

00:05:44,150 --> 00:05:41,840

earth i was checking out all these

150

00:05:47,029 --> 00:05:44,160

locations

151  
00:05:50,070 --> 00:05:47,039  
and as i was doing so things didn't add

152  
00:05:53,270 --> 00:05:50,080  
up to me um so after i watched the video

153  
00:05:55,590 --> 00:05:53,280  
i started digging around a bit and

154  
00:05:58,230 --> 00:05:55,600  
doing other research and i've come

155  
00:06:00,950 --> 00:05:58,240  
to believe that it's actually not a ufo

156  
00:06:03,189 --> 00:06:00,960  
event at all

157  
00:06:04,870 --> 00:06:03,199  
and this is why obviously massive

158  
00:06:06,950 --> 00:06:04,880  
respect for both of you and the work you

159  
00:06:09,029 --> 00:06:06,960  
both put in and graham i always say your

160  
00:06:10,629 --> 00:06:09,039  
expertise particularly if from a

161  
00:06:12,070 --> 00:06:10,639  
military point of view you're really

162  
00:06:13,749 --> 00:06:12,080  
good with that kind of stuff your

163  
00:06:15,510 --> 00:06:13,759

encyclopedic knowledge that you both

164

00:06:17,029 --> 00:06:15,520

have is phenomenal

165

00:06:18,150 --> 00:06:17,039

not to blow too much smoke up your

166

00:06:20,469 --> 00:06:18,160

backsides

167

00:06:22,070 --> 00:06:20,479

and dave yourself as well but again just

168

00:06:25,029 --> 00:06:22,080

the research and the knowledge you have

169

00:06:27,990 --> 00:06:25,039

particularly of those ufo cases from the

170

00:06:29,350 --> 00:06:28,000

uk so when you both come to me and say

171

00:06:31,110 --> 00:06:29,360

there's there's nothing to this and

172

00:06:32,950 --> 00:06:31,120

here's why and you laid out a lot of

173

00:06:34,550 --> 00:06:32,960

really interesting things on the table

174

00:06:35,990 --> 00:06:34,560

this is what i want to get across to the

175

00:06:38,390 --> 00:06:36,000

listeners again

176

00:06:39,990 --> 00:06:38,400

don't take what what graham and dave or

177

00:06:41,909 --> 00:06:40,000

myself have as an opinion and make it

178

00:06:43,909 --> 00:06:41,919

your own you've got to make up your own

179

00:06:45,990 --> 00:06:43,919

mind but we're just putting another case

180

00:06:48,950 --> 00:06:46,000

across for this that says look there's a

181

00:06:50,950 --> 00:06:48,960

lot to say that this one wasn't a ufo

182

00:06:53,029 --> 00:06:50,960

case necessarily there was something

183

00:06:55,350 --> 00:06:53,039

unidentified but

184

00:06:57,589 --> 00:06:55,360

there's a few issues with it dave we'll

185

00:06:59,589 --> 00:06:57,599

keep on with yourself then so you you

186

00:07:01,350 --> 00:06:59,599

said you started seeing some some issues

187

00:07:03,110 --> 00:07:01,360

with the case what was the things that

188

00:07:05,589 --> 00:07:03,120

jumped out straight away for you that

189

00:07:07,990 --> 00:07:05,599

that got you really questioning this one

190

00:07:10,309 --> 00:07:08,000

well the first thing was um this alleged

191

00:07:13,029 --> 00:07:10,319

bold patch in a in one of the fields

192

00:07:14,550 --> 00:07:13,039

where um kaz was

193

00:07:16,309 --> 00:07:14,560

you know where she claimed that ufo

194

00:07:18,710 --> 00:07:16,319

would touch

195

00:07:20,950 --> 00:07:18,720

touch ground almost landed or it hovered

196

00:07:23,510 --> 00:07:20,960

about 10 feet above the ground

197

00:07:25,670 --> 00:07:23,520

and the story has changed since the

198

00:07:26,870 --> 00:07:25,680

original event as well so that's another

199

00:07:28,390 --> 00:07:26,880

reason why

200

00:07:29,189 --> 00:07:28,400

you know i kind of wanted to look into

201  
00:07:31,830 --> 00:07:29,199  
it

202  
00:07:34,150 --> 00:07:31,840  
um and the fact that she we only have

203  
00:07:36,070 --> 00:07:34,160  
her testimony and that of her neighbor

204  
00:07:37,510 --> 00:07:36,080  
and subsequently a researcher called

205  
00:07:39,670 --> 00:07:37,520  
gary jones

206  
00:07:41,589 --> 00:07:39,680  
we only have their word to take for this

207  
00:07:43,510 --> 00:07:41,599  
you know there's been nothing else

208  
00:07:46,070 --> 00:07:43,520  
but this bold patch i was looking at and

209  
00:07:49,029 --> 00:07:46,080  
i found the location on google earth and

210  
00:07:51,270 --> 00:07:49,039  
google earth has these um historic

211  
00:07:53,670 --> 00:07:51,280  
timeline feature so you can look back at

212  
00:07:55,029 --> 00:07:53,680  
various satellite photos or you know

213  
00:07:56,550 --> 00:07:55,039

from the google balloon or the google

214

00:07:59,029 --> 00:07:56,560

play or whatever

215

00:08:01,350 --> 00:07:59,039

and so i identified the field where this

216

00:08:02,469 --> 00:08:01,360

bold patch was and then i went back

217

00:08:05,749 --> 00:08:02,479

through

218

00:08:07,430 --> 00:08:05,759

the various years and i could not see

219

00:08:10,309 --> 00:08:07,440

any change

220

00:08:12,550 --> 00:08:10,319

in the um in the foliage or the

221

00:08:13,749 --> 00:08:12,560

scrub land in that particular field at

222

00:08:16,150 --> 00:08:13,759

all so

223

00:08:19,510 --> 00:08:16,160

once i discovered that i started looking

224

00:08:21,990 --> 00:08:19,520

at other elements of that story

225

00:08:24,390 --> 00:08:22,000

and that's when i found out that

226

00:08:26,629 --> 00:08:24,400

um on that particular night the 25th and

227

00:08:28,230 --> 00:08:26,639

the 26th of february 2016

228

00:08:30,790 --> 00:08:28,240

there was a special forces training

229

00:08:33,750 --> 00:08:30,800

exercise called exercise comedian which

230

00:08:37,110 --> 00:08:33,760

was taking place in the clantrisson area

231

00:08:40,149 --> 00:08:37,120

um so i started looking into that

232

00:08:43,509 --> 00:08:40,159

exercise comedian is a bi-annual

233

00:08:46,150 --> 00:08:44,550

um

234

00:08:48,070 --> 00:08:46,160

special forces training exercise which

235

00:08:49,829 --> 00:08:48,080

includes the air force the army the

236

00:08:51,829 --> 00:08:49,839

royal navy

237

00:08:53,829 --> 00:08:51,839

um and it's just

238

00:08:55,590 --> 00:08:53,839

i don't get exercise comedian is a

239

00:08:57,269 --> 00:08:55,600

multi-disciplinary

240

00:09:00,790 --> 00:08:57,279

special forces training exercise

241

00:09:01,910 --> 00:09:00,800

contains the air force the army and the

242

00:09:03,750 --> 00:09:01,920

navy

243

00:09:05,590 --> 00:09:03,760

um it usually starts in scotland or the

244

00:09:07,829 --> 00:09:05,600

northeast of the uk and then makes its

245

00:09:10,230 --> 00:09:07,839

way down to wales obviously the brecon

246

00:09:11,829 --> 00:09:10,240

beacons is a favored training

247

00:09:13,990 --> 00:09:11,839

site of the sas

248

00:09:15,590 --> 00:09:14,000

so when i found out that

249

00:09:18,150 --> 00:09:15,600

this particular exercise was taking

250

00:09:19,110 --> 00:09:18,160

place at that exact time on that exact

251  
00:09:21,110 --> 00:09:19,120  
night

252  
00:09:23,990 --> 00:09:21,120  
that kaz clark is saying this ufo

253  
00:09:25,990 --> 00:09:24,000  
appeared and she's claiming that

254  
00:09:26,790 --> 00:09:26,000  
you know the the military was there and

255  
00:09:29,910 --> 00:09:26,800  
they

256  
00:09:31,829 --> 00:09:29,920  
were awaiting this ufo to turn up

257  
00:09:34,949 --> 00:09:31,839  
you know that's another reason why i

258  
00:09:37,030 --> 00:09:34,959  
started uh debating what what she was

259  
00:09:38,870 --> 00:09:37,040  
actually claiming

260  
00:09:40,550 --> 00:09:38,880  
and let me ask dave now it's it's

261  
00:09:42,070 --> 00:09:40,560  
something that's easily thrown at these

262  
00:09:44,870 --> 00:09:42,080  
things that oh it was a military

263  
00:09:46,870 --> 00:09:44,880

exercise i've said myself to not be a

264

00:09:50,230 --> 00:09:46,880

hypocrite that the phoenix lights is

265

00:09:51,829 --> 00:09:50,240

probably my favorite ufo case given it's

266

00:09:54,230 --> 00:09:51,839

how recent it was and it was just

267

00:09:55,750 --> 00:09:54,240

frustratingly off of us having really

268

00:09:57,509 --> 00:09:55,760

good cameras to pick up that kind of

269

00:09:59,829 --> 00:09:57,519

stuff a few years away from cell phones

270

00:10:01,590 --> 00:09:59,839

being really popular and having videos

271

00:10:05,190 --> 00:10:01,600

and we could have had an incredible like

272

00:10:06,150 --> 00:10:05,200

you know kind of mass sighting on camera

273

00:10:08,550 --> 00:10:06,160

but

274

00:10:10,230 --> 00:10:08,560

we we had the cover-up from that point

275

00:10:12,310 --> 00:10:10,240

of view that it was a military exercise

276

00:10:14,790 --> 00:10:12,320

it was flares dropping however you're

277

00:10:17,350 --> 00:10:14,800

saying this is a biannual so twice a

278

00:10:19,670 --> 00:10:17,360

year exercise and i take it this had

279

00:10:21,110 --> 00:10:19,680

happened before february 2016. this

280

00:10:24,870 --> 00:10:21,120

wasn't the first

281

00:10:26,790 --> 00:10:24,880

you know the two weeks prior it had been

282

00:10:28,230 --> 00:10:26,800

taking place in the north of england and

283

00:10:30,230 --> 00:10:28,240

in scotland you know

284

00:10:32,710 --> 00:10:30,240

in earlier this year

285

00:10:34,790 --> 00:10:32,720

uh it was taking place you know around

286

00:10:36,710 --> 00:10:34,800

dundee and then it moved down to wales

287

00:10:38,389 --> 00:10:36,720

two weeks later

288

00:10:40,389 --> 00:10:38,399

um so

289

00:10:42,790 --> 00:10:40,399

you know you have various different

290

00:10:44,389 --> 00:10:42,800

aircrafts are involved in this and

291

00:10:45,829 --> 00:10:44,399

graham can probably tell you more about

292

00:10:47,750 --> 00:10:45,839

those

293

00:10:49,110 --> 00:10:47,760

yeah let's hand over then graham from a

294

00:10:50,949 --> 00:10:49,120

military point of view you've got a

295

00:10:53,910 --> 00:10:50,959

fantastic knowledge

296

00:10:56,230 --> 00:10:53,920

kaz and others claim to have seen large

297

00:10:58,069 --> 00:10:56,240

craft rings of lights and there's

298

00:11:00,470 --> 00:10:58,079

various artists impressions of those

299

00:11:02,230 --> 00:11:00,480

being drawn up what is it likely that

300

00:11:04,230 --> 00:11:02,240

they were actually seeing

301  
00:11:05,590 --> 00:11:04,240  
on this occasion to be honest because i

302  
00:11:07,350 --> 00:11:05,600  
wasn't there i can't actually say

303  
00:11:09,590 --> 00:11:07,360  
however i can speak to chameleon in

304  
00:11:11,910 --> 00:11:09,600  
terms of yes it's true it's on twice a

305  
00:11:14,790 --> 00:11:11,920  
year and it goes back a fair while it's

306  
00:11:17,030 --> 00:11:14,800  
long before 2016. and if you look at the

307  
00:11:19,110 --> 00:11:17,040  
um some of the enthusia aircraft

308  
00:11:20,310 --> 00:11:19,120  
enthusiasts forums on the internet

309  
00:11:22,230 --> 00:11:20,320  
you'll be able to find out which

310  
00:11:24,230 --> 00:11:22,240  
particular aircraft were involved and

311  
00:11:25,990 --> 00:11:24,240  
even down to the actual serials of the

312  
00:11:28,550 --> 00:11:26,000  
individual aircraft that were taking

313  
00:11:30,150 --> 00:11:28,560

part in the exercise and each time round

314

00:11:31,509 --> 00:11:30,160

now these particular aircraft were based

315

00:11:33,590 --> 00:11:31,519

up as you say in the north of england to

316

00:11:35,110 --> 00:11:33,600

start with and they were operating out

317

00:11:37,509 --> 00:11:35,120

of liming and dishverth which are

318

00:11:39,670 --> 00:11:37,519

aircraft airfields in north yorkshire so

319

00:11:42,630 --> 00:11:39,680

you had helicopters you had hercules

320

00:11:45,030 --> 00:11:42,640

transports um you had other aircraft

321

00:11:47,190 --> 00:11:45,040

involved in it um and they're all to do

322

00:11:49,509 --> 00:11:47,200

with this this exercise which is also

323

00:11:50,389 --> 00:11:49,519

involving elements of the special forces

324

00:11:54,150 --> 00:11:50,399

so

325

00:11:56,150 --> 00:11:54,160

coming out with in terms of the story

326

00:11:57,910 --> 00:11:56,160

and i'll just pick a couple at random if

327

00:11:59,430 --> 00:11:57,920

you don't mind uh just to go through

328

00:12:01,590 --> 00:11:59,440

these because yeah sure again i can't

329

00:12:03,990 --> 00:12:01,600

really answer what the individual things

330

00:12:06,550 --> 00:12:04,000

were um because they're quite difficult

331

00:12:08,230 --> 00:12:06,560

to pin down but in terms of red and

332

00:12:10,550 --> 00:12:08,240

green lights i mean they're navigation

333

00:12:13,110 --> 00:12:10,560

lights uh on an aircraft so there's one

334

00:12:16,550 --> 00:12:13,120

possible explanation but also they could

335

00:12:18,790 --> 00:12:16,560

have been the kind of le led kind of

336

00:12:20,550 --> 00:12:18,800

lights that you have or strapped to the

337

00:12:22,629 --> 00:12:20,560

legs of people who are parachuting

338

00:12:24,310 --> 00:12:22,639

because that's a particular thing that

339

00:12:25,670 --> 00:12:24,320

they do nowadays as well you can

340

00:12:28,069 --> 00:12:25,680

actually buy those things i think on

341

00:12:30,470 --> 00:12:28,079

ebay even um you know people have uh

342

00:12:31,829 --> 00:12:30,480

pointed these out that um you know that

343

00:12:33,110 --> 00:12:31,839

they're kind of identifying mocks

344

00:12:34,710 --> 00:12:33,120

especially for exercise if you want to

345

00:12:36,069 --> 00:12:34,720

see where people go in the dark because

346

00:12:37,350 --> 00:12:36,079

these people were being parachuted in

347

00:12:39,190 --> 00:12:37,360

the dark

348

00:12:40,790 --> 00:12:39,200

in terms of the exercise so there's

349

00:12:41,990 --> 00:12:40,800

another possible explanation for these

350

00:12:43,269 --> 00:12:42,000

red and green lights that were flying

351  
00:12:44,949 --> 00:12:43,279  
around the skies

352  
00:12:47,670 --> 00:12:44,959  
but then there's other parts of the

353  
00:12:50,629 --> 00:12:47,680  
story um they mentioned in one

354  
00:12:52,389 --> 00:12:50,639  
particular case of a an e3 sentry

355  
00:12:54,150 --> 00:12:52,399  
aircraft which is an a-wax an early

356  
00:12:55,829 --> 00:12:54,160  
warning the aircraft the ones that have

357  
00:12:58,870 --> 00:12:55,839  
the big mushrooms on top of them for the

358  
00:13:00,870 --> 00:12:58,880  
airborne radar and it was flying at very

359  
00:13:03,269 --> 00:13:00,880  
at very low level according to the

360  
00:13:04,949 --> 00:13:03,279  
according to the story now

361  
00:13:07,030 --> 00:13:04,959  
if you're flying down a welsh valley now

362  
00:13:09,030 --> 00:13:07,040  
that's fair enough for fast fast jets

363  
00:13:10,550 --> 00:13:09,040

for you know for typhoons and another

364

00:13:13,350 --> 00:13:10,560

aircraft like that the ground attack

365

00:13:15,829 --> 00:13:13,360

aircraft the fighter aircraft but an a

366

00:13:17,910 --> 00:13:15,839

large airframe basically a converted

367

00:13:20,790 --> 00:13:17,920

civil airliner which it's not quite but

368

00:13:24,949 --> 00:13:20,800

it's near enough an analogy like the e3

369

00:13:27,590 --> 00:13:24,959

uh awak a wax aircraft doesn't go down

370

00:13:29,990 --> 00:13:27,600

you know one of the the kind of you know

371

00:13:31,590 --> 00:13:30,000

a mountain valley at low level because

372

00:13:33,430 --> 00:13:31,600

they're not built for that thing for

373

00:13:35,829 --> 00:13:33,440

that kind of flight first of all but

374

00:13:37,509 --> 00:13:35,839

also it's beyond the mission parameters

375

00:13:39,269 --> 00:13:37,519

because the idea of an airborne radar is

376

00:13:41,030 --> 00:13:39,279

that it sits at altitude because then

377

00:13:42,710 --> 00:13:41,040

the radar can see a much greater

378

00:13:44,550 --> 00:13:42,720

distance if you put it in a mountain

379

00:13:45,269 --> 00:13:44,560

valley then it's not going to see very

380

00:13:47,910 --> 00:13:45,279

far

381

00:13:50,389 --> 00:13:47,920

so it it just makes sense at all they

382

00:13:51,990 --> 00:13:50,399

don't even train flying down valleys you

383

00:13:53,509 --> 00:13:52,000

never ever see them the only time you

384

00:13:55,990 --> 00:13:53,519

ever see one of those aircraft at lower

385

00:13:57,990 --> 00:13:56,000

level is either possibly an air show

386

00:14:00,710 --> 00:13:58,000

which is very rare or you see them

387

00:14:03,509 --> 00:14:00,720

coming into land or taking off so that

388

00:14:05,269 --> 00:14:03,519

bit didn't make sense either and anybody

389

00:14:07,110 --> 00:14:05,279

people i've spoke to who having more of

390

00:14:09,030 --> 00:14:07,120

a knowledge of the raf than i do and

391

00:14:10,310 --> 00:14:09,040

have experience of flying in the rf

392

00:14:12,629 --> 00:14:10,320

couldn't come up with an explanation

393

00:14:14,629 --> 00:14:12,639

either as to why an e3 sentry would be

394

00:14:16,310 --> 00:14:14,639

flying at lower level so there's there's

395

00:14:18,150 --> 00:14:16,320

one thing okay so there's another

396

00:14:20,230 --> 00:14:18,160

element of the story which i heard that

397

00:14:22,710 --> 00:14:20,240

was to do with a possible royal

398

00:14:24,550 --> 00:14:22,720

connection so this speaks to the kind of

399

00:14:27,269 --> 00:14:24,560

throwing everything at the kitchen sink

400

00:14:29,350 --> 00:14:27,279

at the story and there was a mention of

401

00:14:32,470 --> 00:14:29,360

one of the royal flight um

402

00:14:35,350 --> 00:14:32,480

146 four engine jet transports that's a

403

00:14:37,670 --> 00:14:35,360

vip aircraft and it come into car into

404

00:14:40,389 --> 00:14:37,680

cardiff airport with what they said was

405

00:14:41,910 --> 00:14:40,399

a kitty uh call sign now that's a fairly

406

00:14:43,750 --> 00:14:41,920

standard raf call sign for this

407

00:14:44,870 --> 00:14:43,760

particular flight

408

00:14:46,150 --> 00:14:44,880

and they were saying that there was a

409

00:14:47,590 --> 00:14:46,160

royal connection that there was

410

00:14:49,750 --> 00:14:47,600

something you know some kind of

411

00:14:51,910 --> 00:14:49,760

involvement with senior

412

00:14:53,990 --> 00:14:51,920

raf officials being brought into cardiff

413

00:14:55,189 --> 00:14:54,000

airport to either oversee or to do

414

00:14:58,150 --> 00:14:55,199

something with this

415

00:15:00,150 --> 00:14:58,160

exercise about chasing this ufo down but

416

00:15:02,150 --> 00:15:00,160

as it turns out the royal flight

417

00:15:05,030 --> 00:15:02,160

aircraft when it uses kitty is a call

418

00:15:06,150 --> 00:15:05,040

sign is a positioning flight to pick up

419

00:15:09,030 --> 00:15:06,160

a royal

420

00:15:10,870 --> 00:15:09,040

when there are no royals on board one of

421

00:15:13,189 --> 00:15:10,880

these aircraft they use the callsign

422

00:15:15,269 --> 00:15:13,199

kitty when one is they can use the call

423

00:15:17,509 --> 00:15:15,279

sign kitty hawk and when it returned to

424

00:15:19,430 --> 00:15:17,519

london later that evening it was using a

425

00:15:20,949 --> 00:15:19,440

kitty hawk call sign and it actually

426

00:15:22,710 --> 00:15:20,959

picked up i think it was prince charles

427

00:15:24,550 --> 00:15:22,720

it had picked up uh he was either

428

00:15:26,310 --> 00:15:24,560

visiting somewhere in the area as some

429

00:15:28,550 --> 00:15:26,320

kind of official function that day and

430

00:15:30,790 --> 00:15:28,560

it was to take him home so you know

431

00:15:32,550 --> 00:15:30,800

there's an explanation for that as well

432

00:15:35,030 --> 00:15:32,560

so there are various elements of the

433

00:15:37,749 --> 00:15:35,040

story which have an aviation site which

434

00:15:40,389 --> 00:15:37,759

have been sort of purported to be you

435

00:15:42,710 --> 00:15:40,399

know included in this whole elaborate

436

00:15:43,590 --> 00:15:42,720

story about this this huge event but

437

00:15:45,590 --> 00:15:43,600

actually when you look at them

438

00:15:48,550 --> 00:15:45,600

individually none of them really either

439

00:15:50,550 --> 00:15:48,560

makes sense or they have perfectly you

440

00:15:52,550 --> 00:15:50,560

know rational explanations which you

441

00:15:53,910 --> 00:15:52,560

know you just explain these things away

442

00:15:55,350 --> 00:15:53,920

so

443

00:15:56,710 --> 00:15:55,360

that doesn't stand up that these

444

00:15:57,990 --> 00:15:56,720

elements don't stand up for me i'm

445

00:15:59,509 --> 00:15:58,000

afraid

446

00:16:02,230 --> 00:15:59,519

on you go dave

447

00:16:05,910 --> 00:16:02,240

yeah and just to add to graham's kitty

448

00:16:08,389 --> 00:16:05,920

hawk explanation um on social media on

449

00:16:10,470 --> 00:16:08,399

that very night there were

450

00:16:12,230 --> 00:16:10,480

you know tweets and facebook posts from

451  
00:16:14,550 --> 00:16:12,240  
local residents complaining about the

452  
00:16:15,910 --> 00:16:14,560  
noise of the helicopters and

453  
00:16:17,829 --> 00:16:15,920  
you know there's

454  
00:16:18,949 --> 00:16:17,839  
um all these explosions and bangs and

455  
00:16:20,230 --> 00:16:18,959  
people were

456  
00:16:23,030 --> 00:16:20,240  
were worried that there was something

457  
00:16:23,829 --> 00:16:23,040  
going on um however this was explained

458  
00:16:25,990 --> 00:16:23,839  
by

459  
00:16:27,430 --> 00:16:26,000  
south wales police at the time on all

460  
00:16:29,030 --> 00:16:27,440  
these social media channels that it was

461  
00:16:32,150 --> 00:16:29,040  
a military exercise

462  
00:16:34,949 --> 00:16:32,160  
now one social media post did make the

463  
00:16:37,110 --> 00:16:34,959

comment that the welsh rugby union team

464

00:16:40,389 --> 00:16:37,120

was staying in a nearby hotel because

465

00:16:43,430 --> 00:16:40,399

they had a game coming up and that's why

466

00:16:46,069 --> 00:16:43,440

prince william is um a president of the

467

00:16:47,189 --> 00:16:46,079

welsh rugby union or you know he has

468

00:16:48,550 --> 00:16:47,199

some

469

00:16:50,870 --> 00:16:48,560

he's like a patron of the welterweight

470

00:16:52,550 --> 00:16:50,880

reunion i think so that's possibly why

471

00:16:54,069 --> 00:16:52,560

kitty hawk had been

472

00:16:56,470 --> 00:16:54,079

used as a call sign because he was

473

00:16:58,069 --> 00:16:56,480

either visiting the players

474

00:16:59,509 --> 00:16:58,079

while they were training or you know

475

00:17:02,230 --> 00:16:59,519

he'd been to the game i can't remember

476

00:17:05,189 --> 00:17:02,240

if there was a game on that night but

477

00:17:06,710 --> 00:17:05,199

um but with regards one of the claims

478

00:17:09,350 --> 00:17:06,720

that kaz clark has always leveled and

479

00:17:12,630 --> 00:17:09,360

gary jones is that the local residents

480

00:17:16,150 --> 00:17:12,640

weren't notified that this was happening

481

00:17:19,990 --> 00:17:16,160

um and the way to check that is by doing

482

00:17:24,309 --> 00:17:22,549

is kind of a system whereby

483

00:17:26,309 --> 00:17:24,319

local residents and local councils are

484

00:17:27,909 --> 00:17:26,319

notified about

485

00:17:29,190 --> 00:17:27,919

military exercises or low-flying

486

00:17:30,830 --> 00:17:29,200

aircraft

487

00:17:33,350 --> 00:17:30,840

around that area

488

00:17:35,990 --> 00:17:33,360

and unfortunately the no time search

489

00:17:37,909 --> 00:17:36,000

only goes back so far but somebody

490

00:17:41,350 --> 00:17:37,919

has managed to find

491

00:17:43,590 --> 00:17:41,360

um two note hams for february 26 and

492

00:17:45,430 --> 00:17:43,600

february 20 25th

493

00:17:47,750 --> 00:17:45,440

uh the first one says valid from nine

494

00:17:49,830 --> 00:17:47,760

o'clock on the 25th to seven o'clock in

495

00:17:52,230 --> 00:17:49,840

the morning on the 26th

496

00:17:54,150 --> 00:17:52,240

um from the surface up to 5000 feet

497

00:17:57,029 --> 00:17:54,160

exercise chameleon up to seven

498

00:18:00,070 --> 00:17:57,039

helicopters operating without lighting

499

00:18:02,789 --> 00:18:00,080

within a five nautical mile radius

500

00:18:04,590 --> 00:18:02,799

centered near cladtressend aircraft will

501  
00:18:06,470 --> 00:18:04,600  
remain clear of controlled airspace

502  
00:18:08,070 --> 00:18:06,480  
non-participating military aircraft

503  
00:18:10,549 --> 00:18:08,080  
shall avoid the area

504  
00:18:13,110 --> 00:18:10,559  
the second one was from midnight to four

505  
00:18:14,630 --> 00:18:13,120  
o'clock on february the 26th up to

506  
00:18:17,270 --> 00:18:14,640  
eighteen thousand feet exercise

507  
00:18:20,070 --> 00:18:17,280  
chameleon parachute jumping exercise

508  
00:18:22,630 --> 00:18:20,080  
within a ten nautical mile radius again

509  
00:18:24,630 --> 00:18:22,640  
centered near clantrissons the drop is

510  
00:18:25,909 --> 00:18:24,640  
contained within the following cone and

511  
00:18:27,430 --> 00:18:25,919  
there's a map

512  
00:18:31,110 --> 00:18:27,440  
so

513  
00:18:32,789 --> 00:18:31,120

the public were notified and unless

514

00:18:34,070 --> 00:18:32,799

well i suppose unless you knew where to

515

00:18:36,070 --> 00:18:34,080

find that information you wouldn't know

516

00:18:37,990 --> 00:18:36,080

about it so it's no surprise that people

517

00:18:41,270 --> 00:18:38,000

were wondering what was going on but the

518

00:18:42,950 --> 00:18:41,280

fact that these no terms do exist

519

00:18:45,590 --> 00:18:42,960

indicate that there were

520

00:18:47,430 --> 00:18:45,600

high-level parachute jumps going on and

521

00:18:48,630 --> 00:18:47,440

if it's happening at night you know up

522

00:18:50,789 --> 00:18:48,640

to four o'clock in the morning in

523

00:18:52,630 --> 00:18:50,799

february it's gonna be pitch black so it

524

00:18:55,029 --> 00:18:52,640

makes sense that these parachute jumpers

525

00:18:58,710 --> 00:18:55,039

do have some kind of visible

526

00:19:01,350 --> 00:18:58,720

identification on them such as red leds

527

00:19:02,390 --> 00:19:01,360

which is often the case in nighttime sky

528

00:19:04,310 --> 00:19:02,400

jumps

529

00:19:06,070 --> 00:19:04,320

it's the holiday season and that means

530

00:19:08,230 --> 00:19:06,080

there are stockings to be stuff and

531

00:19:10,789 --> 00:19:08,240

elves to be cuffed well today's sponsor

whacker at 35 years old there's nothing

00:19:36,150 --> 00:19:34,799

worse than recording a podcast in the

middle of talking to a former

[Music]

573

00:20:53,669 --> 00:20:49,919

just doing a quick check on the the

574

00:20:55,909 --> 00:20:53,679

february 26 2016 uh rugby wales played

575

00:20:58,310 --> 00:20:55,919

france at the principality stadium and

576  
00:21:00,630 --> 00:20:58,320  
prince william was in attendance who is

577  
00:21:03,029 --> 00:21:00,640  
a vice royal patron of the welsh rugby

578  
00:21:04,470 --> 00:21:03,039  
union so i imagine that again just as

579  
00:21:06,710 --> 00:21:04,480  
the detail of what you were looking for

580  
00:21:08,710 --> 00:21:06,720  
so yeah absolutely spot on in terms of

581  
00:21:10,549 --> 00:21:08,720  
the date there was a rugby game on and

582  
00:21:11,510 --> 00:21:10,559  
of course any number of royals and

583  
00:21:13,190 --> 00:21:11,520  
celebrities would have been in

584  
00:21:15,350 --> 00:21:13,200  
attendance at that as well it was quite

585  
00:21:16,630 --> 00:21:15,360  
a big game at the time so so yeah spot

586  
00:21:18,310 --> 00:21:16,640  
on gents graham you want to come in

587  
00:21:20,549 --> 00:21:18,320  
there yeah it's just um just an

588  
00:21:22,390 --> 00:21:20,559

explanation about notams it means no

589

00:21:24,630 --> 00:21:22,400

notice to airmen so there are actually

590

00:21:25,990 --> 00:21:24,640

things to advise other airmen as well so

591

00:21:27,270 --> 00:21:26,000

like private pilots about things that

592

00:21:29,669 --> 00:21:27,280

are happening in the airspace around the

593

00:21:32,710 --> 00:21:29,679

uk the descriptions that dave gave of

594

00:21:35,510 --> 00:21:32,720

tho those particular days those you can

595

00:21:37,190 --> 00:21:35,520

you see those explanations for a whole

596

00:21:38,950 --> 00:21:37,200

load of exercises that happen right

597

00:21:41,750 --> 00:21:38,960

around the country you know every week

598

00:21:43,350 --> 00:21:41,760

of the year so you will see those kind

599

00:21:45,510 --> 00:21:43,360

of descriptions about the heights

600

00:21:48,149 --> 00:21:45,520

involved and often parachute jumps at

601  
00:21:50,149 --> 00:21:48,159  
night in different places that wording

602  
00:21:52,230 --> 00:21:50,159  
your use it's quite standard so there's

603  
00:21:55,110 --> 00:21:52,240  
nothing you know out of the ordinary at

604  
00:21:57,190 --> 00:21:55,120  
all for those two days you will see that

605  
00:21:59,830 --> 00:21:57,200  
kind of thing replicated in different

606  
00:22:01,430 --> 00:21:59,840  
locations right across the country

607  
00:22:03,190 --> 00:22:01,440  
let me stay with theogram on this as

608  
00:22:04,950 --> 00:22:03,200  
well now you

609  
00:22:07,190 --> 00:22:04,960  
you've mentioned military exercise

610  
00:22:09,830 --> 00:22:07,200  
you've both mentioned you know the

611  
00:22:12,310 --> 00:22:09,840  
what's been described as being seen why

612  
00:22:13,669 --> 00:22:12,320  
are military exercises being held so

613  
00:22:16,070 --> 00:22:13,679

close to

614

00:22:18,149 --> 00:22:16,080

to us a civilian area that's that's well

615

00:22:22,470 --> 00:22:18,159

populated why is this even able to be

616

00:22:24,390 --> 00:22:22,480

seen by with the naked eye so close up

617

00:22:25,990 --> 00:22:24,400

i mean they run out of places to train

618

00:22:28,789 --> 00:22:26,000

basically they don't like to train in

619

00:22:30,230 --> 00:22:28,799

the same place all the time so there's

620

00:22:32,149 --> 00:22:30,240

one thing where there's different parts

621

00:22:34,470 --> 00:22:32,159

of the country which are quite sensitive

622

00:22:36,070 --> 00:22:34,480

to low-level flying for one thing i'm

623

00:22:37,750 --> 00:22:36,080

just looking from that aspect so they

624

00:22:39,750 --> 00:22:37,760

try and change the routes that the

625

00:22:41,750 --> 00:22:39,760

aircraft fly the different areas where

626

00:22:44,310 --> 00:22:41,760

they do the low-flying training but for

627

00:22:46,070 --> 00:22:44,320

ground exercises as well then you know

628

00:22:48,470 --> 00:22:46,080

you can only get so much value out of a

629

00:22:50,549 --> 00:22:48,480

certain place to use it over a certain

630

00:22:53,510 --> 00:22:50,559

period of time they have to look for new

631

00:22:54,950 --> 00:22:53,520

places or just change them around now it

632

00:22:57,430 --> 00:22:54,960

might be that the specifics of this

633

00:22:59,590 --> 00:22:57,440

particular exercise needed somewhere

634

00:23:02,230 --> 00:22:59,600

which was a bit closer to a built-up

635

00:23:03,669 --> 00:23:02,240

area um but then again you see we're in

636

00:23:05,350 --> 00:23:03,679

the now in the realms of trying to get

637

00:23:06,870 --> 00:23:05,360

the motives of the particular exercise

638

00:23:08,549 --> 00:23:06,880

and that's quite difficult especially

639

00:23:10,710 --> 00:23:08,559

from a special forces point of view

640

00:23:12,070 --> 00:23:10,720

because if you ask you know the the

641

00:23:14,870 --> 00:23:12,080

military or the government about any

642

00:23:17,830 --> 00:23:14,880

particular um sf exercise you will run

643

00:23:20,710 --> 00:23:17,840

against i believe it's 20 section 26 uh

644

00:23:22,230 --> 00:23:20,720

um you know in terms of fire where you

645

00:23:24,549 --> 00:23:22,240

just don't get a response because they

646

00:23:27,350 --> 00:23:24,559

never ever comment on special forces

647

00:23:28,710 --> 00:23:27,360

matters so if any exercise has any even

648

00:23:31,110 --> 00:23:28,720

just a hint of an element of this kind

649

00:23:32,789 --> 00:23:31,120

of thing that's what you run up against

650

00:23:34,710 --> 00:23:32,799

but there will probably be some reason

651

00:23:36,549 --> 00:23:34,720

why it was so close

652

00:23:39,669 --> 00:23:36,559

i was going to say i suppose again for

653

00:23:41,669 --> 00:23:39,679

me being a total novice on this that a

654

00:23:43,830 --> 00:23:41,679

an area can be picked and designated

655

00:23:45,669 --> 00:23:43,840

because it resembles for example a

656

00:23:47,430 --> 00:23:45,679

mountain range in afghanistan yeah it

657

00:23:48,630 --> 00:23:47,440

could be similar and they pick it just

658

00:23:50,149 --> 00:23:48,640

and that's why you're not going to find

659

00:23:51,750 --> 00:23:50,159

out are you why they've picked that

660

00:23:53,190 --> 00:23:51,760

would that be along the right lines well

661

00:23:55,190 --> 00:23:53,200

they've done them in newcastle upon time

662

00:23:57,269 --> 00:23:55,200

before so um they used to use the

663

00:23:59,590 --> 00:23:57,279

heliport to bring in uh chinooks with

664

00:24:00,789 --> 00:23:59,600

special forces on board so it's not as

665

00:24:02,710 --> 00:24:00,799

if they haven't done this kind of thing

666

00:24:04,470 --> 00:24:02,720

and built a berries before

667

00:24:07,190 --> 00:24:04,480

sure dave

668

00:24:09,750 --> 00:24:07,200

yeah just adding on to that um before

669

00:24:11,430 --> 00:24:09,760

west ham united left upton park and

670

00:24:12,549 --> 00:24:11,440

moved to the uh olympic stadium in

671

00:24:14,470 --> 00:24:12,559

london

672

00:24:16,470 --> 00:24:14,480

um before they demolished up some part

673

00:24:18,549 --> 00:24:16,480

they did have a special forces training

674

00:24:20,470 --> 00:24:18,559

exercise in the ground

675

00:24:22,630 --> 00:24:20,480

um just to make use of the facility in

676

00:24:24,870 --> 00:24:22,640

an urban setting and preparing

677

00:24:26,950 --> 00:24:24,880

themselves for you know any terrorist

678

00:24:29,590 --> 00:24:26,960

attack at a large event such as the

679

00:24:32,149 --> 00:24:29,600

olympics or world cup or whatever

680

00:24:33,909 --> 00:24:32,159

um so it does happen and you know these

681

00:24:35,269 --> 00:24:33,919

local residents in london at that time

682

00:24:37,190 --> 00:24:35,279

they weren't notified either so they're

683

00:24:38,789 --> 00:24:37,200

hearing all these explosions and you

684

00:24:40,630 --> 00:24:38,799

know gunfire coming from the stadium and

685

00:24:42,950 --> 00:24:40,640

they wonder what's going on

686

00:24:43,990 --> 00:24:42,960

um i will say at the end of the path

687

00:24:46,789 --> 00:24:44,000

where

688

00:24:47,909 --> 00:24:46,799

cats well kaz clark viewed all this from

689

00:24:48,870 --> 00:24:47,919

a gate

690

00:24:50,630 --> 00:24:48,880

um

691

00:24:54,549 --> 00:24:50,640

which

692

00:24:55,830 --> 00:24:54,559

are privately owned there's a pathway

693

00:24:57,190 --> 00:24:55,840

and at the end of this pathway there's a

694

00:24:59,350 --> 00:24:57,200

quarry

695

00:25:01,269 --> 00:24:59,360

um and you know some of the training was

696

00:25:02,870 --> 00:25:01,279

being done in the quarry as well you

697

00:25:05,430 --> 00:25:02,880

know ground forces

698

00:25:07,430 --> 00:25:05,440

so as you say you know replicating

699

00:25:09,669 --> 00:25:07,440

afghanistan or you know some kind of

700

00:25:12,710 --> 00:25:09,679

terrain like that you know that quarry

701  
00:25:13,830 --> 00:25:12,720  
was obviously going to be used

702  
00:25:14,789 --> 00:25:13,840  
there was another thing that she

703  
00:25:17,190 --> 00:25:14,799  
mentioned

704  
00:25:18,789 --> 00:25:17,200  
um

705  
00:25:20,870 --> 00:25:18,799  
you know this exercise community in this

706  
00:25:23,990 --> 00:25:20,880  
particular year was a counter terrorism

707  
00:25:26,630 --> 00:25:24,000  
exercise as well i found out and

708  
00:25:28,630 --> 00:25:26,640  
part of the training was done with the

709  
00:25:30,470 --> 00:25:28,640  
cypriot national guard now whether they

710  
00:25:31,669 --> 00:25:30,480  
were in wales as well i haven't found

711  
00:25:33,990 --> 00:25:31,679  
out yet

712  
00:25:35,750 --> 00:25:34,000  
but the fact that the next day she went

713  
00:25:37,669 --> 00:25:35,760

back and she was asking all these

714

00:25:39,350 --> 00:25:37,679

military personnel what they were doing

715

00:25:40,710 --> 00:25:39,360

there and she wasn't getting a clear

716

00:25:43,350 --> 00:25:40,720

answer or she was getting different

717

00:25:44,950 --> 00:25:43,360

answers if you're on a counter terrorism

718

00:25:47,190 --> 00:25:44,960

training exercise

719

00:25:48,710 --> 00:25:47,200

and somebody from the public asks you a

720

00:25:50,549 --> 00:25:48,720

question you are not going to give them

721

00:25:52,149 --> 00:25:50,559

a straight answer because you've

722

00:25:53,990 --> 00:25:52,159

effectively failed that training

723

00:25:56,789 --> 00:25:54,000

exercise if you do

724

00:25:58,070 --> 00:25:56,799

so for and other witnesses to complain

725

00:25:59,990 --> 00:25:58,080

about that

726  
00:26:02,430 --> 00:26:00,000  
that

727  
00:26:05,110 --> 00:26:02,440  
it's kind of like a

728  
00:26:06,149 --> 00:26:05,120  
non-non-event for her to actually

729  
00:26:07,830 --> 00:26:06,159  
make that

730  
00:26:09,750 --> 00:26:07,840  
assumption that they're hiding something

731  
00:26:11,510 --> 00:26:09,760  
from it from a

732  
00:26:13,669 --> 00:26:11,520  
yeah sure graham you want to come in on

733  
00:26:15,909 --> 00:26:13,679  
that yeah i mean really in my experience

734  
00:26:17,750 --> 00:26:15,919  
of being close to military um personnel

735  
00:26:19,510 --> 00:26:17,760  
when they're actually doing exercises

736  
00:26:21,669 --> 00:26:19,520  
i've attended forward air control

737  
00:26:24,630 --> 00:26:21,679  
exercises i've controlled i've attended

738  
00:26:25,990 --> 00:26:24,640

live bombing exercises uh in the past

739

00:26:27,029 --> 00:26:26,000

and if you get too close to them when

740

00:26:28,950 --> 00:26:27,039

they're actually trying to carry out

741

00:26:30,310 --> 00:26:28,960

their duties you often get either short

742

00:26:32,549 --> 00:26:30,320

shift or you'll get some kind of like

743

00:26:34,549 --> 00:26:32,559

you know kind of sort of um

744

00:26:36,710 --> 00:26:34,559

acerbic comments or just kind of

745

00:26:38,310 --> 00:26:36,720

deflection um you know if you ask stupid

746

00:26:40,549 --> 00:26:38,320

questions you win stupid prizes kind of

747

00:26:41,830 --> 00:26:40,559

thing so it's not surprising that they

748

00:26:44,470 --> 00:26:41,840

would try and either fob her off with

749

00:26:47,350 --> 00:26:44,480

some kind of strange story or something

750

00:26:49,909 --> 00:26:47,360

else or just tell it to get lost um

751

00:26:52,390 --> 00:26:49,919

it's not uncommon for the military to

752

00:26:54,470 --> 00:26:52,400

not to be a bit funny when civilians are

753

00:26:56,310 --> 00:26:54,480

either asking questions or are in the

754

00:26:58,149 --> 00:26:56,320

area of when they're trying to do their

755

00:26:59,430 --> 00:26:58,159

job basically

756

00:27:01,669 --> 00:26:59,440

no i appreciate that i'm going to come

757

00:27:04,630 --> 00:27:01,679

back to dave on a point i want to make

758

00:27:06,710 --> 00:27:04,640

now i i've said before several times

759

00:27:08,950 --> 00:27:06,720

including quite recently that especially

760

00:27:11,510 --> 00:27:08,960

speaking to experiencers and and people

761

00:27:13,990 --> 00:27:11,520

who have sightings like myself that it's

762

00:27:15,510 --> 00:27:14,000

just my story that's it and take that at

763

00:27:17,510 --> 00:27:15,520

face value

764

00:27:20,230 --> 00:27:17,520

that this is no slight against

765

00:27:23,750 --> 00:27:20,240

individuals but on this occasion caz

766

00:27:26,549 --> 00:27:23,760

clark is the main witness and has has an

767

00:27:28,630 --> 00:27:26,559

of the best way put herself out for

768

00:27:30,710 --> 00:27:28,640

scrutiny as anyone does when they share

769

00:27:32,789 --> 00:27:30,720

their story or experience we have

770

00:27:35,590 --> 00:27:32,799

described a lot of issues with this

771

00:27:37,350 --> 00:27:35,600

whole instant at the time and that

772

00:27:39,110 --> 00:27:37,360

that's i think is building a nice case

773

00:27:40,630 --> 00:27:39,120

for the fact this wasn't a ufo

774

00:27:42,389 --> 00:27:40,640

experience

775

00:27:45,350 --> 00:27:42,399

the one thing that

776  
00:27:47,750 --> 00:27:45,360  
turned me off the case before i even got

777  
00:27:49,110 --> 00:27:47,760  
interested in it was and this was from

778  
00:27:51,990 --> 00:27:49,120  
some of the listeners who got in touch

779  
00:27:54,070 --> 00:27:52,000  
with me to tell me that kaz clarke had

780  
00:27:56,710 --> 00:27:54,080  
claimed on various interviews to have no

781  
00:27:58,149 --> 00:27:56,720  
interest in ufos before this incident

782  
00:27:59,909 --> 00:27:58,159  
which is

783  
00:28:01,750 --> 00:27:59,919  
is fine that's that's common not

784  
00:28:02,789 --> 00:28:01,760  
everyone has an interest in the subject

785  
00:28:04,630 --> 00:28:02,799  
however

786  
00:28:06,789 --> 00:28:04,640  
people then managed to find on her

787  
00:28:10,470 --> 00:28:06,799  
public facebook profile

788  
00:28:13,190 --> 00:28:10,480

from that very january she was sharing

789

00:28:14,789 --> 00:28:13,200

stephen greer's um citizen hearings

790

00:28:15,750 --> 00:28:14,799

videos from youtube

791

00:28:17,269 --> 00:28:15,760

so

792

00:28:18,310 --> 00:28:17,279

there clearly was an interest in the

793

00:28:20,230 --> 00:28:18,320

subject

794

00:28:21,029 --> 00:28:20,240

not to say that proves it didn't happen

795

00:28:22,950 --> 00:28:21,039

but

796

00:28:24,789 --> 00:28:22,960

straight straight away there's an issue

797

00:28:27,430 --> 00:28:24,799

there with the witness

798

00:28:29,669 --> 00:28:27,440

and how sincere they may being

799

00:28:31,190 --> 00:28:29,679

and are they looking for something that

800

00:28:33,190 --> 00:28:31,200

wasn't there

801  
00:28:34,789 --> 00:28:33,200  
dave is that the root you tend to think

802  
00:28:37,590 --> 00:28:34,799  
with this as well

803  
00:28:39,909 --> 00:28:37,600  
well if she had no interest in ufos then

804  
00:28:41,110 --> 00:28:39,919  
what was she doing in a couple of camp

805  
00:28:42,470 --> 00:28:41,120  
chairs

806  
00:28:44,470 --> 00:28:42,480  
in the middle of a february night

807  
00:28:47,750 --> 00:28:44,480  
freezing cold watching a military

808  
00:28:50,950 --> 00:28:47,760  
exercise and then the next day

809  
00:28:52,710 --> 00:28:50,960  
doing a move on light investigation in

810  
00:28:54,630 --> 00:28:52,720  
the local area

811  
00:28:56,710 --> 00:28:54,640  
um you know they went out

812  
00:28:59,350 --> 00:28:56,720  
diet counters they went out

813  
00:29:00,710 --> 00:28:59,360

asking questions of the military that

814

00:29:03,990 --> 00:29:00,720

was there

815

00:29:06,470 --> 00:29:04,000

and she even described what she said was

816

00:29:08,870 --> 00:29:06,480

a pyramidal ufo that just appeared from

817

00:29:10,549 --> 00:29:08,880

nowhere and then

818

00:29:12,549 --> 00:29:10,559

the military started firing on it and

819

00:29:14,389 --> 00:29:12,559

there was this whole dog fight but she

820

00:29:15,669 --> 00:29:14,399

claimed this whole incident lasted four

821

00:29:18,230 --> 00:29:15,679

minutes

822

00:29:19,669 --> 00:29:18,240

now if she had no interest in ufos prior

823

00:29:20,710 --> 00:29:19,679

what was she doing there in the first

824

00:29:22,549 --> 00:29:20,720

place

825

00:29:24,710 --> 00:29:22,559

at this time of night

826

00:29:27,269 --> 00:29:24,720

and how did she know

827

00:29:28,549 --> 00:29:27,279

that the military was waiting for a ufo

828

00:29:30,230 --> 00:29:28,559

to appear

829

00:29:31,029 --> 00:29:30,240

graham you want to come in on that one

830

00:29:32,710 --> 00:29:31,039

yeah

831

00:29:34,950 --> 00:29:32,720

part of the i heard an interview she was

832

00:29:37,750 --> 00:29:34,960

talking about uh hercules aircraft uh

833

00:29:39,510 --> 00:29:37,760

raf hercules transports chasing after uh

834

00:29:41,669 --> 00:29:39,520

whatever this thing was

835

00:29:42,870 --> 00:29:41,679

around around the area now that would

836

00:29:44,710 --> 00:29:42,880

have taken probably more than four

837

00:29:47,029 --> 00:29:44,720

minutes because those aircraft don't

838

00:29:48,950 --> 00:29:47,039

turn on a dime you know they take a long

839

00:29:50,149 --> 00:29:48,960

time to turn around and to fly up and

840

00:29:51,750 --> 00:29:50,159

down valleys and all the rest of it

841

00:29:53,510 --> 00:29:51,760

they're not the aircraft that i would

842

00:29:54,630 --> 00:29:53,520

choose if i was chasing after you know

843

00:29:56,710 --> 00:29:54,640

what i might thought would might have

844

00:29:59,430 --> 00:29:56,720

been quite a highly maneuverable object

845

00:30:01,830 --> 00:29:59,440

uh it it they seemed strange aircraft to

846

00:30:04,230 --> 00:30:01,840

be involved in some kind of chasing down

847

00:30:06,310 --> 00:30:04,240

like you know the the hunters after the

848

00:30:07,350 --> 00:30:06,320

uh the hounds after the quarry kind of

849

00:30:09,029 --> 00:30:07,360

chase

850

00:30:10,549 --> 00:30:09,039

none of this really made sense to me

851  
00:30:12,230 --> 00:30:10,559  
either

852  
00:30:14,230 --> 00:30:12,240  
what i would ask is

853  
00:30:16,789 --> 00:30:14,240  
are there any elements and we'll start

854  
00:30:19,669 --> 00:30:16,799  
with graham on this of this story that

855  
00:30:21,750 --> 00:30:19,679  
you do think are particularly strange or

856  
00:30:24,870 --> 00:30:21,760  
or do you feel there's enough there that

857  
00:30:26,149 --> 00:30:24,880  
you can cover with rational explanations

858  
00:30:27,830 --> 00:30:26,159  
i've not come across anything

859  
00:30:29,909 --> 00:30:27,840  
particularly can't necessarily be

860  
00:30:32,149 --> 00:30:29,919  
explained away whether or not they can

861  
00:30:34,950 --> 00:30:32,159  
all be explained away in terms of you

862  
00:30:36,310 --> 00:30:34,960  
know the entire um kind of information

863  
00:30:38,630 --> 00:30:36,320

the things that were going on that night

864

00:30:40,389 --> 00:30:38,640

i i can't say but there's enough there

865

00:30:42,389 --> 00:30:40,399

that they've come up with that other

866

00:30:43,990 --> 00:30:42,399

people and myself and dave and others

867

00:30:46,070 --> 00:30:44,000

have looked at and go well actually this

868

00:30:49,190 --> 00:30:46,080

could explain that and it fits in with

869

00:30:51,590 --> 00:30:49,200

the night itself then to me there's not

870

00:30:53,590 --> 00:30:51,600

much going on here um

871

00:30:56,310 --> 00:30:53,600

i don't know the every element of the

872

00:30:57,509 --> 00:30:56,320

story because there are there may be

873

00:30:58,870 --> 00:30:57,519

things that they haven't either

874

00:31:00,549 --> 00:30:58,880

mentioned or there may be things i've

875

00:31:02,870 --> 00:31:00,559

missed but all the things i've come

876

00:31:04,630 --> 00:31:02,880

across this team seems to be some kind

877

00:31:06,389 --> 00:31:04,640

of rational explanation for it and then

878

00:31:09,509 --> 00:31:06,399

there are other elements of the story

879

00:31:11,990 --> 00:31:09,519

which simply have been refuted so the

880

00:31:13,830 --> 00:31:12,000

mention about the hospital um you know

881

00:31:15,830 --> 00:31:13,840

being shaken to its it's about its

882

00:31:17,350 --> 00:31:15,840

foundations i believe that was one

883

00:31:19,110 --> 00:31:17,360

element of the story and yet the

884

00:31:21,350 --> 00:31:19,120

hospital made you know they have have

885

00:31:22,950 --> 00:31:21,360

been questioned and there's no such

886

00:31:25,430 --> 00:31:22,960

record of you know anything like that

887

00:31:27,350 --> 00:31:25,440

actually happening so there's a few

888

00:31:29,269 --> 00:31:27,360

elements that including also the

889

00:31:31,029 --> 00:31:29,279

motorway being shut the m4 motorway

890

00:31:33,669 --> 00:31:31,039

apparently being shut because of the

891

00:31:35,669 --> 00:31:33,679

incident uh and yet there's again

892

00:31:37,750 --> 00:31:35,679

there's no you know uh sort of uh

893

00:31:39,110 --> 00:31:37,760

corroboration on that score either so

894

00:31:42,070 --> 00:31:39,120

there's elements of the story which have

895

00:31:45,590 --> 00:31:42,080

been suggested which don't add up either

896

00:31:47,750 --> 00:31:45,600

so i'm afraid looking as a whole

897

00:31:49,590 --> 00:31:47,760

it none of it actually makes any sense

898

00:31:51,430 --> 00:31:49,600

at all to me anyway and that's just a

899

00:31:53,669 --> 00:31:51,440

personal observation i've got nothing

900

00:31:56,630 --> 00:31:53,679

against the person concerned i have no

901  
00:31:59,509 --> 00:31:56,640  
wish to try and knock something down but

902  
00:32:01,990 --> 00:31:59,519  
i'm not i'm not gonna like stand by and

903  
00:32:04,149 --> 00:32:02,000  
and let things just you know sort of be

904  
00:32:06,070 --> 00:32:04,159  
played out when this seems to be a

905  
00:32:08,230 --> 00:32:06,080  
completely rational explanation for it i

906  
00:32:09,750 --> 00:32:08,240  
don't like myths getting propagated

907  
00:32:11,669 --> 00:32:09,760  
and dave what about yourself anything

908  
00:32:14,870 --> 00:32:11,679  
for you that stands out as still being

909  
00:32:16,710 --> 00:32:14,880  
unusual or unexplainable

910  
00:32:19,669 --> 00:32:16,720  
the only thing that i

911  
00:32:21,830 --> 00:32:19,679  
need to investigate a bit more is the

912  
00:32:23,430 --> 00:32:21,840  
radiation and the emf readings that were

913  
00:32:26,070 --> 00:32:23,440

taken

914

00:32:28,070 --> 00:32:26,080

because there's some slight discrepancy

915

00:32:29,269 --> 00:32:28,080

but you know some people have suggested

916

00:32:31,590 --> 00:32:29,279

that

917

00:32:33,269 --> 00:32:31,600

chasm whoever it was who was doing it

918

00:32:34,710 --> 00:32:33,279

were reading the instruments wrong they

919

00:32:36,149 --> 00:32:34,720

had basic level

920

00:32:38,389 --> 00:32:36,159

well entry-level

921

00:32:40,870 --> 00:32:38,399

diver counters and emf readers and they

922

00:32:42,230 --> 00:32:40,880

were just unfamiliar with

923

00:32:43,909 --> 00:32:42,240

the um

924

00:32:45,590 --> 00:32:43,919

the items they were using they did

925

00:32:46,470 --> 00:32:45,600

weren't sure how to use them so they

926

00:32:48,070 --> 00:32:46,480

just

927

00:32:49,990 --> 00:32:48,080

put out a load of data and hope that

928

00:32:52,630 --> 00:32:50,000

somebody would take a look at it and

929

00:32:55,190 --> 00:32:52,640

confirm what their story was

930

00:32:57,669 --> 00:32:55,200

i mean what we do need to say is

931

00:32:58,789 --> 00:32:57,679

um this pyramid that she claimed to have

932

00:33:00,710 --> 00:32:58,799

seen

933

00:33:02,630 --> 00:33:00,720

um

934

00:33:04,950 --> 00:33:02,640

you know kind of made the same sort of

935

00:33:08,310 --> 00:33:04,960

shape as you would expect with parachute

936

00:33:10,710 --> 00:33:08,320

jumpers igniting flares and then

937

00:33:11,750 --> 00:33:10,720

falling in a leaf-like motion

938

00:33:13,830 --> 00:33:11,760

and then

939

00:33:15,750 --> 00:33:13,840

the kind of shape that they make as they

940

00:33:17,509 --> 00:33:15,760

come down lower to the ground it does

941

00:33:20,310 --> 00:33:17,519

look like a pyramid

942

00:33:22,230 --> 00:33:20,320

and her original sketches do show

943

00:33:23,669 --> 00:33:22,240

you know that kind of formation although

944

00:33:25,669 --> 00:33:23,679

later on

945

00:33:27,190 --> 00:33:25,679

that's changed to an inverted pyramid

946

00:33:28,950 --> 00:33:27,200

once people started making the

947

00:33:30,710 --> 00:33:28,960

connection between pyramid you know

948

00:33:33,909 --> 00:33:30,720

parachute flares

949

00:33:35,669 --> 00:33:33,919

um another thing that she claims is that

950

00:33:37,909 --> 00:33:35,679

one of the crowd

951  
00:33:41,190 --> 00:33:37,919  
she claims many craft a few other craft

952  
00:33:43,029 --> 00:33:41,200  
as well and one was damaged and flew

953  
00:33:45,430 --> 00:33:43,039  
into the local

954  
00:33:47,990 --> 00:33:45,440  
um well clantrisson forest also known

955  
00:33:51,669 --> 00:33:48,000  
locally as smiling woods apparently this

956  
00:33:53,590 --> 00:33:51,679  
ufo came down and hit some of the trees

957  
00:33:55,669 --> 00:33:53,600  
and damage some of them and cause the

958  
00:33:58,389 --> 00:33:55,679  
burn marks on the trunks

959  
00:34:00,789 --> 00:33:58,399  
now the problem i have with that is

960  
00:34:03,190 --> 00:34:00,799  
that there was an outbreak

961  
00:34:04,710 --> 00:34:03,200  
of a certain

962  
00:34:06,789 --> 00:34:04,720  
disease called

963  
00:34:08,470 --> 00:34:06,799

large tree disease

964

00:34:12,710 --> 00:34:08,480

if you want the

965

00:34:15,270 --> 00:34:12,720

the latin name it's phytophthora remorum

966

00:34:16,389 --> 00:34:15,280

for those uh

967

00:34:17,990 --> 00:34:16,399

it sounds

968

00:34:21,270 --> 00:34:18,000

very hardy

969

00:34:24,389 --> 00:34:21,280

yeah exactly and it's easy for me to say

970

00:34:26,550 --> 00:34:24,399

um but this they discovered an outbreak

971

00:34:29,909 --> 00:34:26,560

in uh clantus and forest and smiled

972

00:34:32,869 --> 00:34:29,919

woods in 2015 of this disease and this

973

00:34:34,869 --> 00:34:32,879

will affect the coloration of the bark

974

00:34:36,149 --> 00:34:34,879

of the trees due to resin

975

00:34:38,710 --> 00:34:36,159

um

976

00:34:40,310 --> 00:34:38,720

being bled out of the bark

977

00:34:42,710 --> 00:34:40,320

and she claims that there were white

978

00:34:43,750 --> 00:34:42,720

burn marks on these trees now i don't

979

00:34:47,349 --> 00:34:43,760

know

980

00:34:49,430 --> 00:34:47,359

wood

981

00:34:52,230 --> 00:34:49,440

what color do you get at the end of it

982

00:34:53,829 --> 00:34:52,240

you know it's not white is it it's black

983

00:34:56,069 --> 00:34:53,839

because it's carbon based and it you

984

00:34:59,190 --> 00:34:56,079

know you'll get black burn marks not

985

00:35:01,349 --> 00:34:59,200

white so the white is obviously or could

986

00:35:02,790 --> 00:35:01,359

be not obviously sorry

987

00:35:04,230 --> 00:35:02,800

it could be

988

00:35:06,390 --> 00:35:04,240

this resin

989

00:35:08,150 --> 00:35:06,400

which is affecting the trees i mean she

990

00:35:09,750 --> 00:35:08,160

claims that

991

00:35:12,630 --> 00:35:09,760

the trees were snapped in half by this

992

00:35:15,430 --> 00:35:12,640

craft although the canopy

993

00:35:17,109 --> 00:35:15,440

in the surrounding area is pristine

994

00:35:19,829 --> 00:35:17,119

um

995

00:35:24,550 --> 00:35:19,839

and these trees were actually felled and

996

00:35:29,030 --> 00:35:26,390

but she seems to think that there's some

997

00:35:30,550 --> 00:35:29,040

whole conspiracy by the national

998

00:35:32,390 --> 00:35:30,560

forestry

999

00:35:34,630 --> 00:35:32,400

group that you know they just remove

1000

00:35:38,069 --> 00:35:34,640

these trees to fight to cover up any

1001

00:35:39,430 --> 00:35:38,079

details of an alleged crash

1002

00:35:41,990 --> 00:35:39,440

and i think when it comes to this just

1003

00:35:43,990 --> 00:35:42,000

to re-emphasize that

1004

00:35:45,990 --> 00:35:44,000

it's you're not but none of us are

1005

00:35:49,109 --> 00:35:46,000

outright calling someone a liar but with

1006

00:35:51,190 --> 00:35:49,119

any ufo case there are sometimes people

1007

00:35:53,670 --> 00:35:51,200

who embellish their stories they

1008

00:35:55,750 --> 00:35:53,680

misidentify they misremember

1009

00:35:57,829 --> 00:35:55,760

but some people sometimes do have very

1010

00:36:00,150 --> 00:35:57,839

vivid imaginations and i can't help

1011

00:36:01,670 --> 00:36:00,160

personally think on this occasion that

1012

00:36:04,470 --> 00:36:01,680

this is what's happened that someone has

1013

00:36:06,790 --> 00:36:04,480

taken parts of a story and ran with it

1014

00:36:08,870 --> 00:36:06,800

and then embellished on top of that

1015

00:36:11,190 --> 00:36:08,880

again that's just my opinion i i would

1016

00:36:12,950 --> 00:36:11,200

ask people that they like graham and

1017

00:36:15,750 --> 00:36:12,960

like dave have go and do some of the

1018

00:36:17,670 --> 00:36:15,760

research and go and look at some of the

1019

00:36:19,430 --> 00:36:17,680

interviews kaz and others have maybe

1020

00:36:21,030 --> 00:36:19,440

done on the subject listen to some of

1021

00:36:23,589 --> 00:36:21,040

the read some of the articles there's

1022

00:36:25,030 --> 00:36:23,599

plenty of them if you set search pentak

1023

00:36:27,190 --> 00:36:25,040

at ufo

1024

00:36:29,030 --> 00:36:27,200

but then listening to this listen to

1025

00:36:30,470 --> 00:36:29,040

what graham and dave have said

1026  
00:36:32,069 --> 00:36:30,480  
themselves what they've found out what

1027  
00:36:33,589 --> 00:36:32,079  
they've researched they've done some

1028  
00:36:35,430 --> 00:36:33,599  
great work on it if you've got questions

1029  
00:36:36,950 --> 00:36:35,440  
get in touch with them especially on

1030  
00:36:38,470 --> 00:36:36,960  
twitter where they spend a lot of their

1031  
00:36:40,230 --> 00:36:38,480  
their spare time

1032  
00:36:42,470 --> 00:36:40,240  
and ask them to you know to converse

1033  
00:36:44,150 --> 00:36:42,480  
because they'll happily do that um and

1034  
00:36:45,670 --> 00:36:44,160  
the reason they've joined me on this is

1035  
00:36:48,470 --> 00:36:45,680  
because we still have people getting in

1036  
00:36:50,630 --> 00:36:48,480  
touch asking about this case and i i

1037  
00:36:52,710 --> 00:36:50,640  
think just in this short podcast that

1038  
00:36:54,790 --> 00:36:52,720

you two gents have put forward a very

1039

00:36:56,390 --> 00:36:54,800

reasonable argument as to why this

1040

00:36:58,950 --> 00:36:56,400

wasn't something

1041

00:37:01,670 --> 00:36:58,960

et or ut or whatever it may have been it

1042

00:37:03,510 --> 00:37:01,680

was very much a human explanation i'll

1043

00:37:05,829 --> 00:37:03,520

just ask you both to kind of wrap up for

1044

00:37:08,630 --> 00:37:05,839

this one uh dave if you want to add

1045

00:37:11,430 --> 00:37:08,640

anything before we head off yeah it was

1046

00:37:13,349 --> 00:37:11,440

just uh regarding the military

1047

00:37:15,829 --> 00:37:13,359

uh people that they encountered the

1048

00:37:17,430 --> 00:37:15,839

following day um the next days and they

1049

00:37:19,910 --> 00:37:17,440

said oh they're in hazmat suits and they

1050

00:37:23,430 --> 00:37:19,920

were combing the ground and they had a

1051  
00:37:26,630 --> 00:37:23,440  
laptop in a huge heavy duty case

1052  
00:37:28,550 --> 00:37:26,640  
well the laptop case is typical of those

1053  
00:37:29,990 --> 00:37:28,560  
used

1054  
00:37:33,750 --> 00:37:30,000  
when you're trying to protect sensitive

1055  
00:37:35,510 --> 00:37:33,760  
electronics from emp devices so it

1056  
00:37:36,150 --> 00:37:35,520  
stands to reason why

1057  
00:37:37,589 --> 00:37:36,160  
you know if they're on a

1058  
00:37:40,550 --> 00:37:37,599  
counter-terrorism exercise and there's a

1059  
00:37:42,630 --> 00:37:40,560  
possibility of you know emp

1060  
00:37:44,230 --> 00:37:42,640  
you know low-level

1061  
00:37:46,470 --> 00:37:44,240  
charges or whatever like that it stands

1062  
00:37:48,470 --> 00:37:46,480  
to reason that you would protect any

1063  
00:37:50,069 --> 00:37:48,480

equipment that you're using

1064

00:37:53,030 --> 00:37:50,079

and with regards to the people in the

1065

00:37:56,230 --> 00:37:53,040

hazmat and the supposed uh clean up

1066

00:37:57,349 --> 00:37:56,240

operation or debris removal as is

1067

00:37:59,270 --> 00:37:57,359

claimed

1068

00:38:02,790 --> 00:37:59,280

that is standard

1069

00:38:05,270 --> 00:38:02,800

operation for any military training um

1070

00:38:08,150 --> 00:38:05,280

which is carried out you know on private

1071

00:38:09,589 --> 00:38:08,160

land or you know national trust land or

1072

00:38:11,829 --> 00:38:09,599

anything like that

1073

00:38:15,030 --> 00:38:11,839

it's so that they can

1074

00:38:16,790 --> 00:38:15,040

you know clear up any male shards or

1075

00:38:18,870 --> 00:38:16,800

any

1076

00:38:21,190 --> 00:38:18,880

kind of equipment shell cases or

1077

00:38:23,030 --> 00:38:21,200

anything like that which could damage

1078

00:38:25,349 --> 00:38:23,040

livestock or

1079

00:38:28,150 --> 00:38:25,359

you know cause serious injury to or

1080

00:38:29,990 --> 00:38:28,160

damage to farm machinery or

1081

00:38:33,349 --> 00:38:30,000

private machinery or anything like that

1082

00:38:35,430 --> 00:38:33,359

so that what she encountered is actually

1083

00:38:36,470 --> 00:38:35,440

official protocol after a training event

1084

00:38:38,550 --> 00:38:36,480

anyway

1085

00:38:39,910 --> 00:38:38,560

perfectly fair and graham what about

1086

00:38:42,230 --> 00:38:39,920

yourself anything you want to add before

1087

00:38:44,390 --> 00:38:42,240

we finish up yeah just just the various

1088

00:38:46,069 --> 00:38:44,400

elements of the story would and if the

1089

00:38:48,230 --> 00:38:46,079

if they were to be true then it would

1090

00:38:50,230 --> 00:38:48,240

mean that the cover-up would have to be

1091

00:38:52,870 --> 00:38:50,240

in the hands of not just the military

1092

00:38:55,270 --> 00:38:52,880

but also south wales police uh the local

1093

00:38:57,750 --> 00:38:55,280

forestry commission possibly the council

1094

00:38:59,670 --> 00:38:57,760

possibly the hospital authorities

1095

00:39:01,589 --> 00:38:59,680

so i think we're looking at too much

1096

00:39:02,470 --> 00:39:01,599

here i think we're looking at a story

1097

00:39:03,990 --> 00:39:02,480

which

1098

00:39:05,829 --> 00:39:04,000

yeah it seems as you said before may

1099

00:39:06,710 --> 00:39:05,839

have just been blown out of proportion

1100

00:39:08,630 --> 00:39:06,720

um

1101  
00:39:10,069 --> 00:39:08,640  
again i'm not wanting to you know so do

1102  
00:39:12,150 --> 00:39:10,079  
any kind of hatchet job on the people

1103  
00:39:13,430 --> 00:39:12,160  
concerned i don't know them personally

1104  
00:39:16,310 --> 00:39:13,440  
but it just seems to me that this

1105  
00:39:18,950 --> 00:39:16,320  
story's been um embellished you know way

1106  
00:39:21,430 --> 00:39:18,960  
beyond um anything that you know it

1107  
00:39:23,109 --> 00:39:21,440  
might have once resembled graham what

1108  
00:39:24,630 --> 00:39:23,119  
are you working on at the moment any

1109  
00:39:26,470 --> 00:39:24,640  
more books in the pipeline you seem to

1110  
00:39:27,829 --> 00:39:26,480  
be churning them out at the moment yeah

1111  
00:39:29,190 --> 00:39:27,839  
the books tend to be on aviation

1112  
00:39:31,349 --> 00:39:29,200  
subjects though at the moment i'm not

1113  
00:39:32,950 --> 00:39:31,359

actually do i wasn't writing a ufo one

1114

00:39:34,470 --> 00:39:32,960

um last month

1115

00:39:36,390 --> 00:39:34,480

i am actually working on the initial

1116

00:39:38,710 --> 00:39:36,400

stages of the next foo fighter book

1117

00:39:40,550 --> 00:39:38,720

which covers the pacific but i'm also

1118

00:39:42,710 --> 00:39:40,560

sort of toying with the idea of doing a

1119

00:39:44,710 --> 00:39:42,720

um a kind of general book about ufo

1120

00:39:47,030 --> 00:39:44,720

cover-ups uh in terms of you know

1121

00:39:49,670 --> 00:39:47,040

investigations so i'm looking at what i

1122

00:39:52,069 --> 00:39:49,680

can maybe put out in terms of a book

1123

00:39:54,069 --> 00:39:52,079

that's more aimed at people outside ufo

1124

00:39:55,589 --> 00:39:54,079

twitter so the general public to get

1125

00:39:57,829 --> 00:39:55,599

them in board in terms of you know the

1126

00:39:59,109 --> 00:39:57,839

history of of investigations and how

1127

00:40:00,950 --> 00:39:59,119

they were twisted to try and say look

1128

00:40:02,790 --> 00:40:00,960

there's nothing here to see um a bit

1129

00:40:05,510 --> 00:40:02,800

like ross coulthard's book but just

1130

00:40:06,950 --> 00:40:05,520

concentrating on that issue so um i'll

1131

00:40:08,870 --> 00:40:06,960

have a think about that between here now

1132

00:40:11,829 --> 00:40:08,880

and christmas and then see what i come

1133

00:40:13,750 --> 00:40:11,839

up with excellent sounds good and dave

1134

00:40:15,510 --> 00:40:13,760

of course we've got the the next issue

1135

00:40:17,349 --> 00:40:15,520

of the magazine due out soon you were

1136

00:40:18,630 --> 00:40:17,359

teasing earlier on online do you want to

1137

00:40:20,230 --> 00:40:18,640

tell us a little bit about that and what

1138

00:40:22,150 --> 00:40:20,240

we can expect

1139

00:40:24,470 --> 00:40:22,160

yeah well if people

1140

00:40:26,950 --> 00:40:24,480

weren't aware i've had some uh private

1141

00:40:29,829 --> 00:40:26,960

family health matters over the past few

1142

00:40:31,349 --> 00:40:29,839

months which has delayed um

1143

00:40:33,910 --> 00:40:31,359

the issue that was supposed to be out

1144

00:40:36,710 --> 00:40:33,920

back in august or the start of september

1145

00:40:38,630 --> 00:40:36,720

so three months later than planned um

1146

00:40:39,990 --> 00:40:38,640

that will be out hopefully within the

1147

00:40:41,510 --> 00:40:40,000

end of the week we can talk about that

1148

00:40:43,270 --> 00:40:41,520

another time

1149

00:40:45,270 --> 00:40:43,280

yeah we will we'll do a short preview

1150

00:40:46,950 --> 00:40:45,280

pod on the magazine like we're done for

1151
