00:00:00,000 --> 00:00:05,510

[Music]

2
00:00:08,710 --> 00:00:06,869

there's a whole fleet of them look on

3
00:00:10,950 --> 00:00:08,720

the assay

4
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

5
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

6
00:00:22,820 --> 00:00:18,960

sphere where the points of the cube

7
00:00:33,110 --> 00:00:22,830

were touching outside of sphere

8
00:00:38,709 --> 00:00:37,190

[Music]

9
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

10
00:00:49,670 --> 00:00:40,960

limited to the united states it's a

11
00:00:53,350 --> 00:00:51,670

folks coming back from that message for

12
00:00:54,869 --> 00:00:53,360

the awesome shadows of your mind

13
00:00:56,869 --> 00:00:54,879

magazine i have a guest who will

14

00:00:59,029 --> 00:00:56,879

actually be appearing in shadows of your

15

00:01:01,349 --> 00:00:59,039

mind magazine next week in an interview

16

00:01:02,630 --> 00:01:01,359

that'll no doubt be in the next issue

17

00:01:05,030 --> 00:01:02,640

released probably around the end of

18

00:01:06,950 --> 00:01:05,040

october no pressure dave on the magazine

19

00:01:09,270 --> 00:01:06,960

for that one um but when i announced

20

00:01:11,109 --> 00:01:09,280

this guest on twitter i got a deluge of

21

00:01:13,510 --> 00:01:11,119

questions on a variety of different

22

00:01:15,670 --> 00:01:13,520

subjects a few people actually asked if

23

00:01:16,950 --> 00:01:15,680

it was going to be an ama that's an ask

24

00:01:19,190 --> 00:01:16,960

me anything if you're not one of the

25

00:01:21,670 --> 00:01:19,200

cool kids out there they're very popular

26
00:01:23,350 --> 00:01:21,680
on reddit these days and that allowed me

27
00:01:25,830 --> 00:01:23,360
to really shape the show so a lot of

28
00:01:27,749 --> 00:01:25,840
this show um at the behest of the guest

29
00:01:29,030 --> 00:01:27,759
as well is going to be based on your

30
00:01:30,950 --> 00:01:29,040
questions after a little bit of

31
00:01:33,749 --> 00:01:30,960
background um so i'd like to welcome

32
00:01:37,109 --> 00:01:33,759
researcher author forensic investigator

33
00:01:39,510 --> 00:01:37,119
former dod employee lobbyist among many

34
00:01:40,789 --> 00:01:39,520
many things i've got chase kloetzke on

35
00:01:41,990 --> 00:01:40,799
the show chase how are you doing this

36
00:01:43,910 --> 00:01:42,000
evening

37
00:01:45,270 --> 00:01:43,920
i am doing great and thank you so much

38
00:01:46,950 --> 00:01:45,280

for having me on i've been looking

39

00:01:48,230 --> 00:01:46,960

forward to this you know i love the

40

00:01:50,389 --> 00:01:48,240

young guns

41

00:01:52,789 --> 00:01:50,399

as you were just saying yeah um i mean

42

00:01:54,149 --> 00:01:52,799

34 it's like god it's rare i get

43

00:01:55,830 --> 00:01:54,159

referred to as young these days but

44

00:01:57,990 --> 00:01:55,840

though i'll i'll totally take that and

45

00:01:59,749 --> 00:01:58,000

um again people like yourself have been

46

00:02:01,350 --> 00:01:59,759

involved in this field now for you know

47

00:02:03,670 --> 00:02:01,360

i don't like to put an age on it but for

48

00:02:05,350 --> 00:02:03,680

so long and done a lot of amazing work

49

00:02:07,030 --> 00:02:05,360

um it's great for me to get to speak to

50

00:02:08,790 --> 00:02:07,040

people yourself so i really appreciate

51
00:02:11,430 --> 00:02:08,800
it um

52
00:02:13,030 --> 00:02:11,440
like i said chase this is the most

53
00:02:14,790 --> 00:02:13,040
number of questions i've ever had for a

54
00:02:16,790 --> 00:02:14,800
guest so far on the podcast and i've had

55
00:02:18,390 --> 00:02:16,800
some great names and some great people

56
00:02:20,150 --> 00:02:18,400
and i didn't give people a whole lot of

57
00:02:21,990 --> 00:02:20,160
notice for you coming on either so to

58
00:02:23,910 --> 00:02:22,000
get the volume of questions i got i was

59
00:02:26,470 --> 00:02:23,920
i was very excited and normally i would

60
00:02:28,949 --> 00:02:26,480
run through and do my own i would never

61
00:02:30,710 --> 00:02:28,959
label myself as a researcher i am not a

62
00:02:33,350 --> 00:02:30,720
researcher okay i'm too lazy to be a

63
00:02:34,790 --> 00:02:33,360

researcher ask anyone who knows me um

64

00:02:37,190 --> 00:02:34,800

but what i will do is ask a lot of

65

00:02:39,830 --> 00:02:37,200

questions but my listeners done it for

66

00:02:42,869 --> 00:02:39,840

me on this one and the questions were

67

00:02:45,910 --> 00:02:42,879

amazing so really it's almost more of a

68

00:02:47,430 --> 00:02:45,920

chase ama uh which i'm really excited to

69

00:02:48,830 --> 00:02:47,440

hear a lot of your answers to and we'll

70

00:02:52,070 --> 00:02:48,840

obviously follow up

71

00:02:54,550 --> 00:02:52,080

on i love it i really love it um you

72

00:02:56,309 --> 00:02:54,560

know especially the the questions and

73

00:02:57,990 --> 00:02:56,319

when we do the ama

74

00:03:00,070 --> 00:02:58,000

it you get the smartest questions

75

00:03:03,110 --> 00:03:00,080

sometimes from the group i love anyway

76
00:03:04,550 --> 00:03:03,120
so let's go yeah the questions were good

77
00:03:06,070 --> 00:03:04,560
there was nothing that i felt i had to

78
00:03:08,790 --> 00:03:06,080
take out that i was like no i can't ask

79
00:03:10,869 --> 00:03:08,800
her that um but listen uh before that

80
00:03:13,830 --> 00:03:10,879
i've got to discuss your your background

81
00:03:16,070 --> 00:03:13,840
as extensive in the field of ufology so

82
00:03:18,550 --> 00:03:16,080
what was your first involvement with ufo

83
00:03:20,949 --> 00:03:18,560
or uaps growing up

84
00:03:24,070 --> 00:03:20,959
yeah i think what sparked the interest

85
00:03:25,910 --> 00:03:24,080
in ufos was a book by eric fondanigan

86
00:03:29,430 --> 00:03:25,920
chariots of the god and yes i'm old and

87
00:03:31,430 --> 00:03:29,440
grumpy and like it was way back and i

88
00:03:33,030 --> 00:03:31,440

was home sick so you know my stepmother

89

00:03:35,270 --> 00:03:33,040

handed me this book and i'm like yeah

90

00:03:37,190 --> 00:03:35,280

religious you talk about god then after

91

00:03:39,350 --> 00:03:37,200

you know peyton or how many times can

92

00:03:42,149 --> 00:03:39,360

you count the ceiling tiles that i just

93

00:03:44,070 --> 00:03:42,159

decided to pick it up and i was stuck

94

00:03:46,789 --> 00:03:44,080

first i didn't know you could question

95

00:03:48,229 --> 00:03:46,799

things like biblical context or

96

00:03:50,789 --> 00:03:48,239

interpretation

97

00:03:53,190 --> 00:03:50,799

i kind of i was blown away by it

98

00:03:55,350 --> 00:03:53,200

completely at that moment was hooked

99

00:03:58,630 --> 00:03:55,360

into trying to find the answers or

100

00:04:00,149 --> 00:03:58,640

helping the people with experiences

101

00:04:02,070 --> 00:04:00,159

i mean that's that's a pretty famous

102

00:04:03,830 --> 00:04:02,080

book to quote and anyone who knows

103

00:04:05,910 --> 00:04:03,840

ancient aliens a show you've appeared on

104

00:04:08,630 --> 00:04:05,920

before is chariots of the gods is

105

00:04:10,309 --> 00:04:08,640

referred to constantly and it's a book

106

00:04:12,550 --> 00:04:10,319

that spawned a lot of other books and

107

00:04:13,910 --> 00:04:12,560

spin-offs and debates and like you say

108

00:04:15,429 --> 00:04:13,920

something i'm not religious in the

109

00:04:17,030 --> 00:04:15,439

slightest i know a lot of the listeners

110

00:04:18,870 --> 00:04:17,040

are and that's again up to to people to

111

00:04:21,349 --> 00:04:18,880

have their own views but like it was one

112

00:04:23,510 --> 00:04:21,359

of the first texts like you say that

113

00:04:25,510 --> 00:04:23,520

really allowed you to question so here's

114

00:04:27,590 --> 00:04:25,520

the bible and let's just say this is

115

00:04:29,830 --> 00:04:27,600

true what about this interpretation of

116

00:04:31,350 --> 00:04:29,840

it and that's a really fascinating thing

117

00:04:32,790 --> 00:04:31,360

to think about especially at a young age

118

00:04:33,830 --> 00:04:32,800

and that's that's what got you into it

119

00:04:38,550 --> 00:04:33,840

yeah

120

00:04:41,430 --> 00:04:38,560

was a big deal for me i i think the

121

00:04:43,749 --> 00:04:41,440

thing that shocked me the most was

122

00:04:45,670 --> 00:04:43,759

they were not only smart questions

123

00:04:47,510 --> 00:04:45,680

but they were questions i may have asked

124

00:04:49,749 --> 00:04:47,520

you know it's kind of like you know you

125

00:04:51,350 --> 00:04:49,759

hear about mooses 40 years in the desert

126
00:04:53,430 --> 00:04:51,360
i kind of think sometimes there's always

127
00:04:55,430 --> 00:04:53,440
a chase in the group that after about

128
00:04:58,790 --> 00:04:55,440
three years i would have said hey mom

129
00:05:00,710 --> 00:04:58,800
can i see that bat for a minute right

130
00:05:02,310 --> 00:05:00,720
so i loved it when i saw that i thought

131
00:05:04,950 --> 00:05:02,320
it was great it was a great book and

132
00:05:06,710 --> 00:05:04,960
that started everything about my passion

133
00:05:07,990 --> 00:05:06,720
yeah i love context and knowing a bit

134
00:05:09,670 --> 00:05:08,000
more and you know you've always got to

135
00:05:11,350 --> 00:05:09,680
ask that extra question and find out you

136
00:05:12,629 --> 00:05:11,360
know where are we going and that's a

137
00:05:13,990 --> 00:05:12,639
great thing about that book that got a

138
00:05:15,749 --> 00:05:14,000

lot of people into the subject

139

00:05:17,350 --> 00:05:15,759

especially you know when it was written

140

00:05:18,629 --> 00:05:17,360

and it's something that stands up even

141

00:05:20,629 --> 00:05:18,639

now and that's why it's constantly

142

00:05:21,590 --> 00:05:20,639

reprinted republished and updated as

143

00:05:24,150 --> 00:05:21,600

well

144

00:05:25,830 --> 00:05:24,160

did you have any early experiences of

145

00:05:27,830 --> 00:05:25,840

sightings so you're saying you were 16

146

00:05:29,670 --> 00:05:27,840

when you got into this book but take me

147

00:05:32,950 --> 00:05:29,680

back to then

148

00:05:35,830 --> 00:05:32,960

yeah it wasn't until you know i really

149

00:05:37,830 --> 00:05:35,840

put full time into ufology and in ufo

150

00:05:38,629 --> 00:05:37,840

investigations and truthfully

151
00:05:40,070 --> 00:05:38,639
they

152
00:05:41,270 --> 00:05:40,080
are

153
00:05:43,670 --> 00:05:41,280
you have to get in the field you have to

154
00:05:45,990 --> 00:05:43,680
put boots around sciences and the more

155
00:05:47,909 --> 00:05:46,000
you do it the better your chances are of

156
00:05:50,390 --> 00:05:47,919
running into something i've had a few of

157
00:05:52,629 --> 00:05:50,400
them actually um i had one that

158
00:05:55,110 --> 00:05:52,639
absolutely changed my life and it was

159
00:05:56,870 --> 00:05:55,120
really one second that did it as crazy

160
00:05:58,469 --> 00:05:56,880
as that sounds let me go

161
00:06:00,870 --> 00:05:58,479
so

162
00:06:04,230 --> 00:06:00,880
we were i got this call from a witness

163
00:06:05,830 --> 00:06:04,240

or assignment for mufon at the time and

164

00:06:08,790 --> 00:06:05,840

he lived in tennessee like way in the

165

00:06:11,590 --> 00:06:08,800

woods in tennessee and he

166

00:06:14,710 --> 00:06:11,600

was reporting like these orbs and these

167

00:06:16,710 --> 00:06:14,720

orange orbs and certain things and so i

168

00:06:18,710 --> 00:06:16,720

started talking to him and investigating

169

00:06:20,870 --> 00:06:18,720

and doing our you know questions get a

170

00:06:22,070 --> 00:06:20,880

statement you know challenge questions

171

00:06:23,830 --> 00:06:22,080

all of this

172

00:06:26,390 --> 00:06:23,840

and then i i was supposed to go out

173

00:06:28,469 --> 00:06:26,400

there so he he said it happens all the

174

00:06:30,309 --> 00:06:28,479

time so when you hear that it's like

175

00:06:31,990 --> 00:06:30,319

okay all the time so let me come out and

176
00:06:34,710 --> 00:06:32,000
check out all the time

177
00:06:37,430 --> 00:06:34,720
and we had a time set but that we had

178
00:06:38,230 --> 00:06:37,440
this huge flood between memphis

179
00:06:42,469 --> 00:06:38,240
and

180
00:06:44,150 --> 00:06:42,479
flood it was epic it was huge so that

181
00:06:46,790 --> 00:06:44,160
kind of delayed things for a while but i

182
00:06:48,230 --> 00:06:46,800
eventually got out there with an and i'm

183
00:06:49,909 --> 00:06:48,240
kind of skipping through this quickly

184
00:06:51,430 --> 00:06:49,919
because it's a long story obviously it

185
00:06:52,629 --> 00:06:51,440
was a whole night but i'll hit the

186
00:06:55,749 --> 00:06:52,639
details

187
00:06:57,510 --> 00:06:55,759
so i i ended up going out there

188
00:06:59,830 --> 00:06:57,520

when things started clearing up a little

189

00:07:02,550 --> 00:06:59,840

with another investigator a mufon

190

00:07:04,950 --> 00:07:02,560

investigator and we pulled up in his

191

00:07:06,950 --> 00:07:04,960

driveway and he was just

192

00:07:08,870 --> 00:07:06,960

animated like oh my gosh it's already

193

00:07:11,510 --> 00:07:08,880

starting come here let let me show you

194

00:07:13,430 --> 00:07:11,520

so we walked from his driveway to kind

195

00:07:15,670 --> 00:07:13,440

of like the edge of the driveway where

196

00:07:17,270 --> 00:07:15,680

you could see like the rest of his yard

197

00:07:18,150 --> 00:07:17,280

and he pointed up and he's like look at

198

00:07:20,550 --> 00:07:18,160

this

199

00:07:23,189 --> 00:07:20,560

and i said sure enough his freaking

200

00:07:25,189 --> 00:07:23,199

little like dots in the sky they're kind

201
00:07:27,110 --> 00:07:25,199
of rotating together and then they all

202
00:07:29,270 --> 00:07:27,120
split up and then they come back but if

203
00:07:30,870 --> 00:07:29,280
you got sick of watching one of those

204
00:07:31,990 --> 00:07:30,880
you turn to your right there's another

205
00:07:34,230 --> 00:07:32,000
group

206
00:07:36,390 --> 00:07:34,240
i was already freaking out like that's

207
00:07:38,790 --> 00:07:36,400
already more than i've ever seen before

208
00:07:40,550 --> 00:07:38,800
and witnessed myself so i'm loving it

209
00:07:43,430 --> 00:07:40,560
but of course i'm already on the usual

210
00:07:44,869 --> 00:07:43,440
suspects satellites you know aircraft

211
00:07:46,710 --> 00:07:44,879
you know all these kind of things that i

212
00:07:47,909 --> 00:07:46,720
had already on my ipad right so i'm just

213
00:07:48,869 --> 00:07:47,919

like

214

00:07:50,550 --> 00:07:48,879

trying to

215

00:07:53,110 --> 00:07:50,560

go through them

216

00:07:55,110 --> 00:07:53,120

then he said i have this huge cornfield

217

00:07:57,110 --> 00:07:55,120

it will give us a panoramic view and

218

00:07:59,749 --> 00:07:57,120

that's probably the best spot to see

219

00:08:02,070 --> 00:07:59,759

things i'm like let's go so we jumped in

220

00:08:03,990 --> 00:08:02,080

as he had this big old truck yeah

221

00:08:04,869 --> 00:08:04,000

talking big old truck

222

00:08:12,790 --> 00:08:04,879

and

223

00:08:14,710 --> 00:08:12,800

in the middle

224

00:08:16,230 --> 00:08:14,720

it would i've never seen corn i didn't

225

00:08:18,629 --> 00:08:16,240

know corn fields were that big i was

226

00:08:20,150 --> 00:08:18,639

just like you this is all your corn like

227

00:08:23,029 --> 00:08:20,160

it was huge

228

00:08:24,150 --> 00:08:23,039

and it was surrounded by trees

229

00:08:26,629 --> 00:08:24,160

so

230

00:08:28,710 --> 00:08:26,639

i'm setting up my equipment and you know

231

00:08:30,390 --> 00:08:28,720

all of a sudden the witness is freaking

232

00:08:32,389 --> 00:08:30,400

out oh my god here it comes here comes

233

00:08:34,389 --> 00:08:32,399

chase this is what i want you to see

234

00:08:37,430 --> 00:08:34,399

and i look up and i see a white light

235

00:08:39,589 --> 00:08:37,440

coming and it's actually moving

236

00:08:41,670 --> 00:08:39,599

i don't see any aviation lights or you

237

00:08:43,990 --> 00:08:41,680

know the signatures on you know certain

238

00:08:45,190 --> 00:08:44,000

things we see i'm looking for satellite

239

00:08:46,870 --> 00:08:45,200

kind of

240

00:08:49,190 --> 00:08:46,880

identification

241

00:08:52,150 --> 00:08:49,200

but then two more pop in and i'm like

242

00:08:53,110 --> 00:08:52,160

holy crap there's three of these right

243

00:08:54,790 --> 00:08:53,120

and

244

00:08:56,550 --> 00:08:54,800

then as it got closer

245

00:08:59,350 --> 00:08:56,560

i can tell it's starting to block out

246

00:09:00,150 --> 00:08:59,360

stars i'm like it's a triangle this is

247

00:09:02,470 --> 00:09:00,160

not

248

00:09:03,750 --> 00:09:02,480

three separate it's one object with

249

00:09:04,550 --> 00:09:03,760

three lights

250

00:09:06,710 --> 00:09:04,560

so

251
00:09:08,310 --> 00:09:06,720
i'm trying to pick up my camera um like

252
00:09:10,230 --> 00:09:08,320
an investigator i'm like it's right

253
00:09:13,110 --> 00:09:10,240
there this is the gold this is the

254
00:09:16,550 --> 00:09:13,120
golden brain this is everything i need

255
00:09:19,030 --> 00:09:16,560
nothing's working oh my gosh right

256
00:09:21,269 --> 00:09:19,040
my tri-film meter my cameras i had four

257
00:09:23,269 --> 00:09:21,279
cameras different makes and models and

258
00:09:26,630 --> 00:09:23,279
none of them was working i'm so

259
00:09:28,550 --> 00:09:26,640
frustrated i probably dropped the f-bomb

260
00:09:30,070 --> 00:09:28,560
i'm going to say probably

261
00:09:31,430 --> 00:09:30,080
but yeah i'm pretty sure i dropped the

262
00:09:33,350 --> 00:09:31,440
fbi

263
00:09:35,269 --> 00:09:33,360

like nothing's ever working you know i

264

00:09:37,350 --> 00:09:35,279

was just so frustrated because it's

265

00:09:38,949 --> 00:09:37,360

right there and

266

00:09:39,670 --> 00:09:38,959

that's that's what i need that's what i

267

00:09:42,070 --> 00:09:39,680

need

268

00:09:44,470 --> 00:09:42,080

anyway everything went offline nothing

269

00:09:45,750 --> 00:09:44,480

was working try feel meter like

270

00:09:48,710 --> 00:09:45,760

nothing

271

00:09:50,949 --> 00:09:48,720

so we continue to watch this triangle go

272

00:09:52,630 --> 00:09:50,959

completely over our heads and go off

273

00:09:55,110 --> 00:09:52,640

into the distance

274

00:09:57,190 --> 00:09:55,120

i did happen to catch a couple

275

00:09:59,190 --> 00:09:57,200

decent pictures of it way off but it's

276

00:10:01,350 --> 00:09:59,200

still light in the sky it wasn't a light

277

00:10:03,350 --> 00:10:01,360

in the sky when we saw it

278

00:10:05,670 --> 00:10:03,360

so anyway i'm freaking out i'm like so

279

00:10:07,750 --> 00:10:05,680

happy already i'm just like like this is

280

00:10:09,910 --> 00:10:07,760

so cool and

281

00:10:13,190 --> 00:10:09,920

we were just joyous actually the witness

282

00:10:16,630 --> 00:10:13,200

was very happy because he isn't crazy

283

00:10:17,350 --> 00:10:16,640

we saw the same thing he did so um but

284

00:10:19,910 --> 00:10:17,360

i'm

285

00:10:22,150 --> 00:10:19,920

worried because my equipment failed so i

286

00:10:23,590 --> 00:10:22,160

looked down everything's back online

287

00:10:26,230 --> 00:10:23,600

i really thought it was going to be a

288

00:10:28,949 --> 00:10:26,240

battery drain which we hear a lot of

289

00:10:31,829 --> 00:10:28,959

with close encounters or craft or even

290

00:10:35,110 --> 00:10:31,839

paranormal experiences bigfoot reports

291

00:10:35,910 --> 00:10:35,120

have even shown this or a latch this

292

00:10:39,750 --> 00:10:35,920

so

293

00:10:41,110 --> 00:10:39,760

it's not battery drain i don't care i'm

294

00:10:43,430 --> 00:10:41,120

going to change the batteries anyway so

295

00:10:46,230 --> 00:10:43,440

i'm like the my tri-film meter has

296

00:10:48,230 --> 00:10:46,240

little screws on the battery compartment

297

00:10:50,870 --> 00:10:48,240

and i was unscrewing that and all of a

298

00:10:53,350 --> 00:10:50,880

sudden i felt this

299

00:10:54,389 --> 00:10:53,360

this feeling and i said to the people in

300

00:10:56,069 --> 00:10:54,399

the field

301
00:10:58,150 --> 00:10:56,079
does anyone else feel like you're being

302
00:10:59,350 --> 00:10:58,160
watched and i said and i don't mean from

303
00:11:01,269 --> 00:10:59,360
up here

304
00:11:02,710 --> 00:11:01,279
and it was at that moment

305
00:11:05,910 --> 00:11:02,720
that this

306
00:11:06,949 --> 00:11:05,920
panic fear fight or flight times a

307
00:11:10,630 --> 00:11:06,959
thousand

308
00:11:13,350 --> 00:11:10,640
physically punched me in my body

309
00:11:15,829 --> 00:11:13,360
and every cell i had

310
00:11:17,829 --> 00:11:15,839
was completely in terror

311
00:11:20,230 --> 00:11:17,839
completely in terror

312
00:11:22,230 --> 00:11:20,240
so i start i turn around as and i'm

313
00:11:24,230 --> 00:11:22,240

turning and i notice the witness does

314

00:11:26,230 --> 00:11:24,240

the same thing and we just start running

315

00:11:26,870 --> 00:11:26,240

the other investigator was way ahead of

316

00:11:29,670 --> 00:11:26,880

us

317

00:11:32,550 --> 00:11:29,680

and she's running too nobody said what's

318

00:11:35,030 --> 00:11:32,560

that nobody said anything about being

319

00:11:36,949 --> 00:11:35,040

scary i just said being watched

320

00:11:39,590 --> 00:11:36,959

and all of a sudden we're running no one

321

00:11:41,750 --> 00:11:39,600

knows i was just like what

322

00:11:43,509 --> 00:11:41,760

as i'm running all i see is this light

323

00:11:45,269 --> 00:11:43,519

that's going left to right left to right

324

00:11:46,790 --> 00:11:45,279

left right and i couldn't take my eyes

325

00:11:49,350 --> 00:11:46,800

off that light

326

00:11:52,470 --> 00:11:49,360

turns out the witness had like one of

327

00:11:54,710 --> 00:11:52,480

those big halogen flashlights and it was

328

00:11:56,389 --> 00:11:54,720

as he's running it was it was his

329

00:11:58,310 --> 00:11:56,399

movement as he's running

330

00:12:00,870 --> 00:11:58,320

and then all of a sudden i just remember

331

00:12:01,829 --> 00:12:00,880

hitting something like i just ran into a

332

00:12:03,670 --> 00:12:01,839

wall

333

00:12:06,389 --> 00:12:03,680

and it was the witness

334

00:12:08,150 --> 00:12:06,399

and i heard him say what the f is that

335

00:12:10,790 --> 00:12:08,160

and in his left arm he had the

336

00:12:11,910 --> 00:12:10,800

flashlight and he completely just moved

337

00:12:15,110 --> 00:12:11,920

it over

338

00:12:16,870 --> 00:12:15,120

and it landed completely on this gray

339

00:12:17,910 --> 00:12:16,880

this little being

340

00:12:20,550 --> 00:12:17,920

and

341

00:12:22,389 --> 00:12:20,560

i was shocked i i was so shocked that

342

00:12:25,190 --> 00:12:22,399

there was anything there

343

00:12:26,949 --> 00:12:25,200

next thing i know we're running again

344

00:12:28,629 --> 00:12:26,959

and we're running into

345

00:12:29,509 --> 00:12:28,639

we get into his truck

346

00:12:32,389 --> 00:12:29,519

um

347

00:12:34,389 --> 00:12:32,399

we pull out so fast so fast we caught a

348

00:12:36,710 --> 00:12:34,399

little air coming out of the cornfield

349

00:12:39,910 --> 00:12:36,720

we get this driveway we all kind of

350

00:12:41,509 --> 00:12:39,920

tumble out nobody's saying anything and

351

00:12:43,990 --> 00:12:41,519

i i think i was the one that broke the

352

00:12:45,509 --> 00:12:44,000

ice i'm just like what what just

353

00:12:49,269 --> 00:12:45,519

happened like

354

00:12:50,230 --> 00:12:49,279

why did we like well stop like everybody

355

00:12:52,310 --> 00:12:50,240

stop

356

00:12:53,910 --> 00:12:52,320

so i don't know when the fear left but i

357

00:12:55,110 --> 00:12:53,920

know by the time we got to the driveway

358

00:12:55,990 --> 00:12:55,120

it was gone

359

00:12:58,230 --> 00:12:56,000

um

360

00:12:59,590 --> 00:12:58,240

and truthfully

361

00:13:01,910 --> 00:12:59,600

there were things that we found out

362

00:13:03,509 --> 00:13:01,920

later so as we investigate further

363

00:13:05,430 --> 00:13:03,519

because we didn't discuss anything

364

00:13:06,949 --> 00:13:05,440

amongst ourselves i knew we needed the

365

00:13:08,550 --> 00:13:06,959

other investigator was walking down the

366

00:13:11,509 --> 00:13:08,560

driveway she was calling the state

367

00:13:13,110 --> 00:13:11,519

director like we now become witnesses we

368

00:13:14,389 --> 00:13:13,120

can't talk so

369

00:13:16,949 --> 00:13:14,399

but um

370

00:13:20,310 --> 00:13:16,959

in 30 minutes we're back in the corn

371

00:13:22,470 --> 00:13:20,320

field because i was freaking out i saw

372

00:13:24,710 --> 00:13:22,480

it being there's footprints maybe tries

373

00:13:26,870 --> 00:13:24,720

to evidence you know that's what i do

374

00:13:29,430 --> 00:13:26,880

that's my forte that's what i'm really

375

00:13:31,110 --> 00:13:29,440

really good at forensics let's grab some

376

00:13:33,509 --> 00:13:31,120

evidence physical evidence trace

377

00:13:34,629 --> 00:13:33,519

evidence doesn't matter direct indirect

378

00:13:35,990 --> 00:13:34,639

let's go

379

00:13:39,030 --> 00:13:36,000

and

380

00:13:40,949 --> 00:13:39,040

it worked that night

381

00:13:43,829 --> 00:13:40,959

as i'm going home

382

00:13:44,790 --> 00:13:43,839

i remember the feeling as i'm driving

383

00:13:46,310 --> 00:13:44,800

was

384

00:13:48,790 --> 00:13:46,320

bs

385

00:13:51,030 --> 00:13:48,800

nobody gets everything in one night what

386

00:13:52,230 --> 00:13:51,040

was going on in that cornfield

387

00:13:54,629 --> 00:13:52,240

and

388

00:13:56,150 --> 00:13:54,639

i didn't doubt what i saw i didn't doubt

389

00:13:57,990 --> 00:13:56,160

what i had been through

390

00:14:00,069 --> 00:13:58,000

what i did doubt was

391

00:14:02,710 --> 00:14:00,079

why everything like i i just it was it

392

00:14:04,870 --> 00:14:02,720

was really a contrast and really a

393

00:14:06,069 --> 00:14:04,880

struggle and but the one thing i can

394

00:14:07,829 --> 00:14:06,079

tell you is

395

00:14:10,310 --> 00:14:07,839

it happened so

396

00:14:11,509 --> 00:14:10,320

no matter what my mind was trying to

397

00:14:13,590 --> 00:14:11,519

make of it

398

00:14:14,629 --> 00:14:13,600

couldn't get past that's exactly what

399

00:14:16,710 --> 00:14:14,639

happened

400

00:14:18,629 --> 00:14:16,720

so um

401
00:14:20,629 --> 00:14:18,639
that's kind of where it is i call it one

402
00:14:21,590 --> 00:14:20,639
second because when that light hit that

403
00:14:23,750 --> 00:14:21,600
beam

404
00:14:25,829 --> 00:14:23,760
that being never flinched how do you go

405
00:14:27,670 --> 00:14:25,839
from pitch dark this is a really dark

406
00:14:29,350 --> 00:14:27,680
cornfield he's out in the boonies

407
00:14:30,710 --> 00:14:29,360
there's no white pollute or light

408
00:14:34,389 --> 00:14:30,720
pollution at all

409
00:14:37,910 --> 00:14:34,399
so i i just for me it was like

410
00:14:39,110 --> 00:14:37,920
what why like what was going on and so

411
00:14:41,030 --> 00:14:39,120
over the years

412
00:14:43,110 --> 00:14:41,040
i've come up with two theories one we

413
00:14:46,470 --> 00:14:43,120

were not supposed to be there whatever

414

00:14:48,470 --> 00:14:46,480

that triangle maybe what the being maybe

415

00:14:49,269 --> 00:14:48,480

had to do out there

416

00:14:50,710 --> 00:14:49,279

um

417

00:14:52,310 --> 00:14:50,720

we weren't supposed to be there and we

418

00:14:53,350 --> 00:14:52,320

needed to leave so they could do their

419

00:14:56,069 --> 00:14:53,360

job

420

00:14:58,870 --> 00:14:56,079

the second theory was which

421

00:15:01,910 --> 00:14:58,880

breaks my heart and kills me is that you

422

00:15:03,110 --> 00:15:01,920

hear from abductees that

423

00:15:06,790 --> 00:15:03,120

they

424

00:15:08,629 --> 00:15:06,800

like the feelings between them and you

425

00:15:10,550 --> 00:15:08,639

can be transferred

426

00:15:12,310 --> 00:15:10,560

and all of a sudden it hit me that

427

00:15:14,230 --> 00:15:12,320

terror was nothing like i've ever felt

428

00:15:14,949 --> 00:15:14,240

before i wouldn't wish it on anybody it

429

00:15:16,790 --> 00:15:14,959

is

430

00:15:19,189 --> 00:15:16,800

it's fight or flight times a thousand

431

00:15:21,430 --> 00:15:19,199

when i say every single cell in my body

432

00:15:23,509 --> 00:15:21,440

was in terror that's exactly what it

433

00:15:24,230 --> 00:15:23,519

felt like it was physical

434

00:15:27,110 --> 00:15:24,240

so

435

00:15:30,150 --> 00:15:27,120

i kind of wonder what if that was the

436

00:15:32,150 --> 00:15:30,160

fear that little being felt seeing us in

437

00:15:34,470 --> 00:15:32,160

the field

438

00:15:37,110 --> 00:15:34,480

and we just kind of left left him or we

439

00:15:38,949 --> 00:15:37,120

left him alone um so

440

00:15:40,790 --> 00:15:38,959

there there's a lot i have more

441

00:15:42,949 --> 00:15:40,800

questions than answers even though i

442

00:15:44,150 --> 00:15:42,959

pretty much seen it all now right

443

00:15:46,389 --> 00:15:44,160

so to speak

444

00:15:49,350 --> 00:15:46,399

but um it you know it's just it was just

445

00:15:52,389 --> 00:15:49,360

a crazy night it was a crazy night and

446

00:15:54,550 --> 00:15:52,399

um there's still part of me that says uh

447

00:15:56,710 --> 00:15:54,560

what really happened out there like i

448

00:15:58,069 --> 00:15:56,720

know what happened but why

449

00:16:00,310 --> 00:15:58,079

we were not supposed to be there we

450

00:16:02,470 --> 00:16:00,320

didn't run away from a being

451
00:16:04,150 --> 00:16:02,480
and i really need to make that clear no

452
00:16:05,509 --> 00:16:04,160
one knew what was out there

453
00:16:07,990 --> 00:16:05,519
none of us did

454
00:16:10,710 --> 00:16:08,000
we ran straight to it actually that's

455
00:16:13,590 --> 00:16:10,720
how we were six feet from it

456
00:16:15,269 --> 00:16:13,600
that being was not more than six feet

457
00:16:18,470 --> 00:16:15,279
from when we stopped

458
00:16:20,150 --> 00:16:18,480
so there was no like i'm afraid alien so

459
00:16:23,430 --> 00:16:20,160
i'm running there was none of that at

460
00:16:25,350 --> 00:16:23,440
all and this witness is a man's man let

461
00:16:27,269 --> 00:16:25,360
me tell you he's a farmer he's actually

462
00:16:29,990 --> 00:16:27,279
the reason he's never come out is he's a

463
00:16:31,430 --> 00:16:30,000

national sports person everyone would

464

00:16:32,550 --> 00:16:31,440

know him right away he didn't want to be

465

00:16:35,509 --> 00:16:32,560

the crazy

466

00:16:37,990 --> 00:16:35,519

you know guy with the ufo thing going on

467

00:16:39,110 --> 00:16:38,000

but um i didn't know who he was when i

468

00:16:41,030 --> 00:16:39,120

first pulled up because i don't follow

469

00:16:42,949 --> 00:16:41,040

that sport but the other

470

00:16:44,150 --> 00:16:42,959

investigator i had was freaking out like

471

00:16:45,910 --> 00:16:44,160

oh my god do you know what this is i'm

472

00:16:47,749 --> 00:16:45,920

like no not really so what i've been

473

00:16:48,829 --> 00:16:47,759

talking to him for a couple weeks

474

00:16:52,310 --> 00:16:48,839

anyway

475

00:16:54,389 --> 00:16:52,320

um he's when we first got into the truck

476

00:16:56,150 --> 00:16:54,399

and we first got into the corn field and

477

00:16:58,389 --> 00:16:56,160

this is kind of important

478

00:16:59,749 --> 00:16:58,399

he pulled out this big old shotgun and

479

00:17:01,910 --> 00:16:59,759

put it in the back and of course i'm

480

00:17:03,990 --> 00:17:01,920

standing there almost done with the look

481

00:17:06,309 --> 00:17:04,000

on my face like what are you doing with

482

00:17:08,069 --> 00:17:06,319

that gun oh you got two girls out here

483

00:17:10,150 --> 00:17:08,079

in the cornfield no one knows who we are

484

00:17:12,150 --> 00:17:10,160

uh oh what did i just do

485

00:17:13,909 --> 00:17:12,160

and he's like chase don't worry he says

486

00:17:16,069 --> 00:17:13,919

we have some problem with some coyotes

487

00:17:17,750 --> 00:17:16,079

here and the gun is in case you know

488

00:17:19,270 --> 00:17:17,760

they show up and we we need to take care

489

00:17:21,429 --> 00:17:19,280

of ourselves

490

00:17:23,909 --> 00:17:21,439

that's a big statement because what that

491

00:17:27,669 --> 00:17:23,919

tells you these guys that far out in the

492

00:17:29,350 --> 00:17:27,679

woods you don't call 9-1-1

493

00:17:31,029 --> 00:17:29,360

you call the sheriff when it's all done

494

00:17:33,270 --> 00:17:31,039

you take care of what's going on this

495

00:17:35,590 --> 00:17:33,280

was not a man afraid to be out there in

496

00:17:37,830 --> 00:17:35,600

the dark so him running

497

00:17:39,830 --> 00:17:37,840

me running and the other investigator it

498

00:17:42,950 --> 00:17:39,840

was high-minded

499

00:17:44,390 --> 00:17:42,960

and we weren't supposed to be there

500

00:17:46,950 --> 00:17:44,400

well that's all we've got time for this

501
00:17:48,789 --> 00:17:46,960
week on the podcast so if i was leaving

502
00:17:49,990 --> 00:17:48,799
it there i think people would be excited

503
00:17:52,150 --> 00:17:50,000
enough that would that would be a great

504
00:17:54,390 --> 00:17:52,160
cliffhanger i mean

505
00:17:57,110 --> 00:17:54,400
like you say that's what you would

506
00:17:58,470 --> 00:17:57,120
expect to potentially get over a career

507
00:17:59,830 --> 00:17:58,480
you know and obviously you did spend a

508
00:18:02,310 --> 00:17:59,840
lot of time in before and you held

509
00:18:04,789 --> 00:18:02,320
several prominent positions within mufon

510
00:18:06,230 --> 00:18:04,799
as well um

511
00:18:07,669 --> 00:18:06,240
obviously the the main thing i think

512
00:18:09,350 --> 00:18:07,679
anyone takes away from that as you

513
00:18:11,190 --> 00:18:09,360

you've encountered a being and i found

514

00:18:13,510 --> 00:18:11,200

it really interesting you said that one

515

00:18:17,350 --> 00:18:13,520

of your theories is actually the the

516

00:18:18,789 --> 00:18:17,360

fear was from the being and not from you

517

00:18:21,029 --> 00:18:18,799

so often

518

00:18:23,830 --> 00:18:21,039

oh my gosh if that being was feeling

519

00:18:24,630 --> 00:18:23,840

that i i have to tell you that fear is

520

00:18:26,630 --> 00:18:24,640

just

521

00:18:28,390 --> 00:18:26,640

it wasn't even human almost i've never

522

00:18:30,630 --> 00:18:28,400

said that before i just don't know how

523

00:18:32,470 --> 00:18:30,640

to describe how severe

524

00:18:34,549 --> 00:18:32,480

that terror was

525

00:18:36,390 --> 00:18:34,559

and to know if that little being was

526

00:18:37,990 --> 00:18:36,400

feeling like that because we were there

527

00:18:40,310 --> 00:18:38,000

breaks my heart

528

00:18:42,630 --> 00:18:40,320

it's interesting because so many people

529

00:18:44,470 --> 00:18:42,640

discuss and talk about the greys as

530

00:18:45,590 --> 00:18:44,480

being a species that are potentially

531

00:18:48,470 --> 00:18:45,600

soulless

532

00:18:50,549 --> 00:18:48,480

and have no conscious of their own

533

00:18:52,390 --> 00:18:50,559

they're hive minded they're just there

534

00:18:53,430 --> 00:18:52,400

to do experiments they're potentially

535

00:18:54,549 --> 00:18:53,440

clones

536

00:18:57,029 --> 00:18:54,559

so you wouldn't think they would

537

00:18:58,470 --> 00:18:57,039

necessarily have that sort of feeling or

538

00:19:00,310 --> 00:18:58,480

you know in anything sort of they are

539

00:19:02,390 --> 00:19:00,320

they're just they're just empty

540

00:19:05,350 --> 00:19:02,400

biological entities but

541

00:19:07,270 --> 00:19:05,360

you're potentially think differently

542

00:19:09,909 --> 00:19:07,280

yeah that's a very smart observation

543

00:19:12,230 --> 00:19:09,919

because when i described what happened

544

00:19:14,710 --> 00:19:12,240

you go from pitch dark to this halogen

545

00:19:16,070 --> 00:19:14,720

flashlight straight in his face i say he

546

00:19:18,390 --> 00:19:16,080

because you know my mother boys and

547

00:19:20,070 --> 00:19:18,400

grandmother mostly boys and it's just he

548

00:19:22,390 --> 00:19:20,080

is everything but you know this whole

549

00:19:24,710 --> 00:19:22,400

being he never flinched he didn't do

550

00:19:26,950 --> 00:19:24,720

this i mean you know he didn't like back

551

00:19:29,590 --> 00:19:26,960

up and call it squint his eyes or you

552

00:19:31,029 --> 00:19:29,600

know he was completely stoic

553

00:19:33,270 --> 00:19:31,039

almost machine

554

00:19:34,870 --> 00:19:33,280

and i would say it was machine in its

555

00:19:36,950 --> 00:19:34,880

behavior

556

00:19:39,350 --> 00:19:36,960

but if you can see his eyes

557

00:19:41,990 --> 00:19:39,360

there's nothing nothing mechanical that

558

00:19:44,870 --> 00:19:42,000

that was a biological being whether it

559

00:19:47,510 --> 00:19:44,880

was you know um a hybrid or you know

560

00:19:49,350 --> 00:19:47,520

whatever they are if they're the size of

561

00:19:51,350 --> 00:19:49,360

cylons you know

562

00:19:54,390 --> 00:19:51,360

uh whatever it is like they're man-made

563

00:19:56,150 --> 00:19:54,400

or whatever but um i was shocked shocked

564

00:19:58,549 --> 00:19:56,160

and this was stuff that came out after

565

00:20:01,110 --> 00:19:58,559

it's like and i also remember his legs

566

00:20:04,230 --> 00:20:01,120

being so freaking tiny i remember that

567

00:20:06,710 --> 00:20:04,240

being a big thing that set with me

568

00:20:09,190 --> 00:20:06,720

for a couple weeks they were so thin it

569

00:20:10,710 --> 00:20:09,200

was like a twig trying to hold up a log

570

00:20:12,230 --> 00:20:10,720

and of course then i realized later it

571

00:20:15,510 --> 00:20:12,240

was the flashlight and the way it hit

572

00:20:18,710 --> 00:20:15,520

that being that it was shadowed so

573

00:20:21,029 --> 00:20:18,720

it was a crazy night

574

00:20:23,029 --> 00:20:21,039

was there any fallout from that so like

575

00:20:24,870 --> 00:20:23,039

you say you become a witness your your

576

00:20:27,909 --> 00:20:24,880

fellow investigator becomes a witness

577

00:20:29,909 --> 00:20:27,919

the witness is now a witness to more

578

00:20:31,669 --> 00:20:29,919

activity that's going on what what was

579

00:20:34,310 --> 00:20:31,679

the kind of general fallout from that

580

00:20:36,149 --> 00:20:34,320

incident

581

00:20:38,390 --> 00:20:36,159

we were all interviewed by you know

582

00:20:41,110 --> 00:20:38,400

state directors at this point you had

583

00:20:43,110 --> 00:20:41,120

you know mufon higher-ups all like all

584

00:20:45,990 --> 00:20:43,120

taking our statements um they even asked

585

00:20:48,630 --> 00:20:46,000

me to speak to calm helmer which i did

586

00:20:50,950 --> 00:20:48,640

was was bigelow's right hand at the time

587

00:20:53,110 --> 00:20:50,960

you know and i you know i just just told

588

00:20:54,870 --> 00:20:53,120

what happened but i could tell you that

589

00:20:57,990 --> 00:20:54,880

the other witness

590

00:21:00,950 --> 00:20:58,000

i don't know if it was this incident or

591

00:21:02,710 --> 00:21:00,960

something else but what i do know is all

592

00:21:04,950 --> 00:21:02,720

of a sudden she just left her house one

593

00:21:06,950 --> 00:21:04,960

day like within a few weeks of this

594

00:21:08,950 --> 00:21:06,960

happening left her husband left her

595

00:21:10,310 --> 00:21:08,960

house left all possessions left

596

00:21:12,149 --> 00:21:10,320

everything jumped in her car and just

597

00:21:13,990 --> 00:21:12,159

drove away she was missing for a few

598

00:21:17,830 --> 00:21:14,000

weeks and then her family found her

599

00:21:20,789 --> 00:21:17,840

living in a van with some band guy you

600

00:21:22,310 --> 00:21:20,799

know smoking weed all day so i you know

601
00:21:26,950 --> 00:21:22,320

i just

602
00:21:28,470 --> 00:21:26,960

mention her name either it's kind of um

603
00:21:29,990 --> 00:21:28,480

i feel bad for

604
00:21:31,909 --> 00:21:30,000

it's a pretty life-altering and

605
00:21:33,590 --> 00:21:31,919

life-changing experience for anyone to

606
00:21:35,029 --> 00:21:33,600

go through so that's that's amazing but

607
00:21:36,470 --> 00:21:35,039

thanks for sharing that

608
00:21:37,909 --> 00:21:36,480

that i suppose that takes money to a

609
00:21:39,270 --> 00:21:37,919

question that i would normally get to

610
00:21:41,590 --> 00:21:39,280

later but given what we're going to

611
00:21:43,270 --> 00:21:41,600

discuss throughout this alaska now so

612
00:21:45,990 --> 00:21:43,280

you've got there what you think is the

613
00:21:48,149 --> 00:21:46,000

the classic triangular craft you've got

614

00:21:49,510 --> 00:21:48,159

orbs flying about potentially if we're

615

00:21:51,190 --> 00:21:49,520

going to call them orbs you've got other

616

00:21:52,789 --> 00:21:51,200

lights in the sky that may or may not be

617

00:21:54,789 --> 00:21:52,799

satellites but probably aren't from what

618

00:21:57,669 --> 00:21:54,799

you're saying and then you've got a

619

00:21:58,789 --> 00:21:57,679

being you've seen as well

620

00:22:05,909 --> 00:21:58,799

has

621

00:22:07,750 --> 00:22:05,919

for example like i growing up especially

622

00:22:09,350 --> 00:22:07,760

when i was younger you've got aliens

623

00:22:12,149 --> 00:22:09,360

coming from another planet and a flying

624

00:22:13,990 --> 00:22:12,159

saucer and that would be really cool and

625

00:22:17,190 --> 00:22:14,000

that's what's happening to just in the

626
00:22:19,990 --> 00:22:17,200
last couple of years with like tdsa and

627
00:22:22,070 --> 00:22:20,000
other documentaries and just doing this

628
00:22:24,310 --> 00:22:22,080
podcast my opinions changed a lot in

629
00:22:26,549 --> 00:22:24,320
five months let alone you know 15 20

630
00:22:28,710 --> 00:22:26,559
years to you've got inter-dimensional

631
00:22:31,350 --> 00:22:28,720
multi-dimensional it's a mix of

632
00:22:33,750 --> 00:22:31,360
different things some of it's our tech

633
00:22:36,310 --> 00:22:33,760
some of it's something else's tech and

634
00:22:37,830 --> 00:22:36,320
there's a whole mix and melting pot of

635
00:22:39,990 --> 00:22:37,840
things going on

636
00:22:41,990 --> 00:22:40,000
so first question has your opinion

637
00:22:44,230 --> 00:22:42,000
changed of what's going on and what do

638
00:22:46,390 --> 00:22:44,240

you think is going on now

639

00:22:48,070 --> 00:22:46,400

i honestly believe that you know from

640

00:22:49,750 --> 00:22:48,080

everywhere i've been from that

641

00:22:51,510 --> 00:22:49,760

experience forward

642

00:22:53,669 --> 00:22:51,520

like how did it get there we didn't see

643

00:22:56,549 --> 00:22:53,679

it like there was no big you know

644

00:22:58,149 --> 00:22:56,559

landing or whatever and i've often said

645

00:23:00,789 --> 00:22:58,159

i'm on the record i say this almost

646

00:23:02,390 --> 00:23:00,799

every show because it's so important

647

00:23:04,789 --> 00:23:02,400

i don't believe through the evidence

648

00:23:06,390 --> 00:23:04,799

that we have so far that these crafts

649

00:23:09,029 --> 00:23:06,400

are coming here on a red bull and a full

650

00:23:11,110 --> 00:23:09,039

tank of gas this is an inter-dimensional

651
00:23:12,710 --> 00:23:11,120
they're using science we haven't you

652
00:23:15,750 --> 00:23:12,720
know even

653
00:23:19,350 --> 00:23:15,760
mastered yet let alone barely understand

654
00:23:21,350 --> 00:23:19,360
they're you know using uh time and space

655
00:23:23,830 --> 00:23:21,360
they're folding it you know their

656
00:23:26,070 --> 00:23:23,840
maneuvering through this now i do

657
00:23:28,149 --> 00:23:26,080
believe it's science-based we just

658
00:23:31,270 --> 00:23:28,159
haven't discovered how to do this yet

659
00:23:33,990 --> 00:23:31,280
whether it's wormholes or time travel or

660
00:23:36,390 --> 00:23:34,000
you know even enough like time and space

661
00:23:37,750 --> 00:23:36,400
it's um but they're getting here in a

662
00:23:40,630 --> 00:23:37,760
different way

663
00:23:43,269 --> 00:23:40,640

which is why a lot of the um scientists

664

00:23:45,750 --> 00:23:43,279

or astrologers really debunk the whole

665

00:23:47,190 --> 00:23:45,760

alien you know even coming here anyway

666

00:23:49,269 --> 00:23:47,200

because how many stars they have to

667

00:23:51,990 --> 00:23:49,279

transfer but they ignore the other

668

00:23:53,750 --> 00:23:52,000

things we know are going on we know

669

00:23:55,029 --> 00:23:53,760

these are real they've been proven this

670

00:23:56,710 --> 00:23:55,039

is done

671

00:23:58,470 --> 00:23:56,720

we just don't know how to

672

00:24:00,789 --> 00:23:58,480

harness that and use it to our benefit

673

00:24:02,710 --> 00:24:00,799

yet but we will

674

00:24:04,950 --> 00:24:02,720

and i think it's just if you can

675

00:24:06,950 --> 00:24:04,960

comprehend and even think locally that

676

00:24:08,789 --> 00:24:06,960

there was a point on the earth where

677

00:24:11,350 --> 00:24:08,799

someone stood on a shore and looked

678

00:24:12,950 --> 00:24:11,360

across and saw another shore and thought

679

00:24:14,470 --> 00:24:12,960

uh we can never get across there you

680

00:24:16,630 --> 00:24:14,480

know we can't do that and they know

681

00:24:18,230 --> 00:24:16,640

someone makes a boat and tries it and

682

00:24:20,230 --> 00:24:18,240

probably died the first couple of times

683

00:24:21,750 --> 00:24:20,240

people tried it and then it's like oh we

684

00:24:23,669 --> 00:24:21,760

can't get even that much further and

685

00:24:25,029 --> 00:24:23,679

then i wonder if there's anything on on

686

00:24:27,430 --> 00:24:25,039

the other side of this and then people

687

00:24:29,669 --> 00:24:27,440

cross the oceans and and now we can fly

688

00:24:31,269 --> 00:24:29,679

about and if if you have to sit on a

689

00:24:32,870 --> 00:24:31,279

flight for five or six hours to get

690

00:24:34,870 --> 00:24:32,880

somewhere it's too long

691

00:24:36,870 --> 00:24:34,880

so like it's just it's just natural

692

00:24:38,950 --> 00:24:36,880

progression and things evolve and change

693

00:24:41,269 --> 00:24:38,960

and know that we'll get there eventually

694

00:24:42,789 --> 00:24:41,279

but how quickly we get there some people

695

00:24:44,950 --> 00:24:42,799

think we've already got that technology

696

00:24:46,630 --> 00:24:44,960

some people think it's it's disgusting

697

00:24:49,350 --> 00:24:46,640

some of the questions i've got are are

698

00:24:50,310 --> 00:24:49,360

based on that as well um

699

00:24:52,950 --> 00:24:50,320

so

700

00:24:55,029 --> 00:24:52,960

that was one of your first experiences

701
00:24:56,310 --> 00:24:55,039
fast forwarding

702
00:24:58,950 --> 00:24:56,320
is that right that that was one of your

703
00:25:04,470 --> 00:25:02,230
yeah and you know truthfully i

704
00:25:05,510 --> 00:25:04,480
i'm like into ufos that's really my

705
00:25:06,230 --> 00:25:05,520
forte

706
00:25:08,310 --> 00:25:06,240
but

707
00:25:10,310 --> 00:25:08,320
i've been out bigfoot hunting i've been

708
00:25:12,070 --> 00:25:10,320
out you know looking for

709
00:25:14,310 --> 00:25:12,080
you know ghosts i've been on plenty of

710
00:25:16,870 --> 00:25:14,320
ghost hunts and it's i just love the

711
00:25:18,710 --> 00:25:16,880
mystery honestly and you know there's a

712
00:25:20,230 --> 00:25:18,720
camaraderie you can build with a small

713
00:25:21,750 --> 00:25:20,240

group of people when you investigate

714

00:25:23,990 --> 00:25:21,760

together and that's really my favorite

715

00:25:25,750 --> 00:25:24,000

part i think more and more the the whole

716

00:25:27,750 --> 00:25:25,760

phenomenon as people describe it now is

717

00:25:28,870 --> 00:25:27,760

linked wasn't it and i keep saying the

718

00:25:31,110 --> 00:25:28,880

phenomenon you know we've got our

719

00:25:33,510 --> 00:25:31,120

documentary out in two days time uh from

720

00:25:35,510 --> 00:25:33,520

james fox uh which i've i've actually

721

00:25:37,110 --> 00:25:35,520

been sent a link to watch an early

722

00:25:39,269 --> 00:25:37,120

screeener for and i've still not had the

723

00:25:41,669 --> 00:25:39,279

chance to do it yet because of the kids

724

00:25:43,029 --> 00:25:41,679

um i i've already ordered it anyway and

725

00:25:44,470 --> 00:25:43,039

i would encourage anyone else but

726

00:25:45,830 --> 00:25:44,480

actually when this releases it's going

727

00:25:47,830 --> 00:25:45,840

to have been out a few days so there

728

00:25:49,909 --> 00:25:47,840

won't be any spoilers anyway um but the

729

00:25:51,190 --> 00:25:49,919

phenomenon is linked that when you talk

730

00:25:53,909 --> 00:25:51,200

about ghosts

731

00:25:57,430 --> 00:25:53,919

and demons and angels and like you say

732

00:25:58,950 --> 00:25:57,440

religions ufos bigfoot people just seem

733

00:26:01,190 --> 00:25:58,960

to think more and more that these things

734

00:26:02,870 --> 00:26:01,200

are all connected and they're almost one

735

00:26:04,710 --> 00:26:02,880

in the same thing

736

00:26:06,789 --> 00:26:04,720

someone you know louis elizondo has

737

00:26:07,669 --> 00:26:06,799

talked about you know look at the data

738

00:26:09,750 --> 00:26:07,679

and

739

00:26:11,669 --> 00:26:09,760

tommed along all these different people

740

00:26:13,190 --> 00:26:11,679

have said that reality in the world and

741

00:26:14,710 --> 00:26:13,200

the universe is a much stranger and

742

00:26:15,750 --> 00:26:14,720

crazier place than we could possibly

743

00:26:18,230 --> 00:26:15,760

imagine

744

00:26:20,149 --> 00:26:18,240

and i suppose that would make sense

745

00:26:22,070 --> 00:26:20,159

yeah we learned that from bigelow too

746

00:26:24,310 --> 00:26:22,080

you know if we're just focused on flesh

747

00:26:25,669 --> 00:26:24,320

and blood aliens or you know beings

748

00:26:27,669 --> 00:26:25,679

coming here

749

00:26:30,310 --> 00:26:27,679

it's way bigger than that and you know

750

00:26:32,070 --> 00:26:30,320

this is not only dimensional it's you

751
00:26:33,990 --> 00:26:32,080
know there's so many great things out in

752
00:26:36,549 --> 00:26:34,000
the universe that we can discover i'm

753
00:26:38,950 --> 00:26:36,559
not so sure the star trek was completely

754
00:26:41,430 --> 00:26:38,960
wrong different beings some good some

755
00:26:43,590 --> 00:26:41,440
bad you know all of this coming together

756
00:26:46,710 --> 00:26:43,600
you know you have bigfoot because it

757
00:26:47,669 --> 00:26:46,720
looks like something we consider

758
00:26:49,350 --> 00:26:47,679
we're

759
00:26:51,590 --> 00:26:49,360
more intelligent than

760
00:26:55,190 --> 00:26:51,600
you know like a monkey or something you

761
00:26:57,110 --> 00:26:55,200
know we completely take down um any kind

762
00:26:59,830 --> 00:26:57,120
of

763
00:27:03,190 --> 00:26:59,840

i don't know like you know bias like we

764

00:27:05,190 --> 00:27:03,200

have to go in without that bias of you

765

00:27:07,190 --> 00:27:05,200

know they're just animals or whatever

766

00:27:08,870 --> 00:27:07,200

how do we know

767

00:27:11,830 --> 00:27:08,880

we're not catching them maybe they're a

768

00:27:13,830 --> 00:27:11,840

little smarter than us if they exist

769

00:27:16,950 --> 00:27:13,840

and and people have certainly seen

770

00:27:18,549 --> 00:27:16,960

something if if not seven eight nine

771

00:27:20,389 --> 00:27:18,559

foot eight walking about a woods you

772

00:27:22,870 --> 00:27:20,399

know there's something to it and i'm

773

00:27:24,389 --> 00:27:22,880

taking out the the costumes and the

774

00:27:26,950 --> 00:27:24,399

really blurry photos that don't really

775

00:27:29,430 --> 00:27:26,960

show anything right and that's it and it

776

00:27:30,950 --> 00:27:29,440

only takes one to show something real

777

00:27:33,350 --> 00:27:30,960

for it to be real it doesn't matter

778

00:27:36,149 --> 00:27:33,360

about all the fakes and the hawks's

779

00:27:38,549 --> 00:27:36,159

i think it's nick pope who always says

780

00:27:40,710 --> 00:27:38,559

the critics have to be right every time

781

00:27:42,149 --> 00:27:40,720

we just have to be right once yeah and

782

00:27:43,590 --> 00:27:42,159

he's absolutely and that's what we're

783

00:27:46,149 --> 00:27:43,600

all looking for

784

00:27:47,830 --> 00:27:46,159

is that physical evidence and that's

785

00:27:50,389 --> 00:27:47,840

really why i focused and even went and

786

00:27:52,230 --> 00:27:50,399

got my certification in forensic science

787

00:27:53,669 --> 00:27:52,240

and forensic collection

788

00:27:55,909 --> 00:27:53,679

is because

789

00:27:58,149 --> 00:27:55,919

that's where it's going we have

790

00:28:00,070 --> 00:27:58,159

tens of thousands of lights in the sky

791

00:28:02,549 --> 00:28:00,080

and they're important they really are

792

00:28:04,789 --> 00:28:02,559

for data we have lots of people talking

793

00:28:07,190 --> 00:28:04,799

about their experiences seeing things

794

00:28:08,549 --> 00:28:07,200

it's very important for our data

795

00:28:10,710 --> 00:28:08,559

but we have

796

00:28:12,950 --> 00:28:10,720

we have to go after the evidence now and

797

00:28:15,269 --> 00:28:12,960

that's why i love to the stars academy

798

00:28:17,430 --> 00:28:15,279

these guys aren't playing like if and

799

00:28:19,669 --> 00:28:17,440

now i'm the same way if if there's no

800

00:28:21,830 --> 00:28:19,679

physical or trace evidence i will help

801

00:28:23,909 --> 00:28:21,840

them find another investigator

802

00:28:26,630 --> 00:28:23,919

but that's not my thing my thing is you

803

00:28:28,470 --> 00:28:26,640

know going after the big stuff now it's

804

00:28:30,070 --> 00:28:28,480

it's just how it is and that's what i

805

00:28:31,669 --> 00:28:30,080

was going to get on to next before we

806

00:28:34,310 --> 00:28:31,679

even move on a listener questions as

807

00:28:36,310 --> 00:28:34,320

your background in forensics now um one

808

00:28:38,870 --> 00:28:36,320

of your more famous pieces of work was

809

00:28:40,870 --> 00:28:38,880

on the you know the star child skull

810

00:28:43,110 --> 00:28:40,880

and ultimately you know spoiler alert

811

00:28:44,789 --> 00:28:43,120

but the conclusions were that this was

812

00:28:47,830 --> 00:28:44,799

more than likely about a five-year-old

813

00:28:50,310 --> 00:28:47,840

human child with with major deformities

814

00:28:52,789 --> 00:28:50,320

but again especially in 2020 people

815

00:28:54,630 --> 00:28:52,799

don't want to hear that because

816

00:28:57,269 --> 00:28:54,640

and i didn't want to hear that i wanted

817

00:28:59,669 --> 00:28:57,279

an alien yeah like i'm looking for a

818

00:29:01,190 --> 00:28:59,679

saucer and an alien like i really wanted

819

00:29:02,070 --> 00:29:01,200

this to be an alien but i'm not going to

820

00:29:04,789 --> 00:29:02,080

lie

821

00:29:07,110 --> 00:29:04,799

and fudge the science behind it you know

822

00:29:08,870 --> 00:29:07,120

they i could answer everything from the

823

00:29:11,350 --> 00:29:08,880

rebarb and the skull to why the skull

824

00:29:14,710 --> 00:29:11,360

looked thicker and it all came down to

825

00:29:15,909 --> 00:29:14,720

the age of the being and that was proven

826
00:29:17,669 --> 00:29:15,919
and

827
00:29:19,029 --> 00:29:17,679
do um

828
00:29:21,269 --> 00:29:19,039
nolan

829
00:29:23,110 --> 00:29:21,279
you know the uh scientists i'm

830
00:29:25,190 --> 00:29:23,120
like gary nolan

831
00:29:27,190 --> 00:29:25,200
he came up with the same i didn't even

832
00:29:29,669 --> 00:29:27,200
look at his report until i independently

833
00:29:30,870 --> 00:29:29,679
had done everything myself through a

834
00:29:34,950 --> 00:29:30,880
professional

835
00:29:37,430 --> 00:29:34,960
um dna lab that specialized in ancient

836
00:29:39,190 --> 00:29:37,440
remains and when we were getting the

837
00:29:41,350 --> 00:29:39,200
same data

838
00:29:42,789 --> 00:29:41,360

at the end it's a done deal guys you

839

00:29:44,149 --> 00:29:42,799

know science doesn't care what we

840

00:29:45,750 --> 00:29:44,159

believe

841

00:29:46,950 --> 00:29:45,760

they're going to put out what it is

842

00:29:48,789 --> 00:29:46,960

they're going to put out results and

843

00:29:50,630 --> 00:29:48,799

we've been taking when we don't but a

844

00:29:52,950 --> 00:29:50,640

lot of people are very disappointed that

845

00:29:54,389 --> 00:29:52,960

that wasn't an alien prob me probably

846

00:29:55,990 --> 00:29:54,399

most of all

847

00:29:57,350 --> 00:29:56,000

and people probably forget that even

848

00:29:59,029 --> 00:29:57,360

though you're interested in the subject

849

00:30:01,350 --> 00:29:59,039

you're not going to lie about it and and

850

00:30:02,549 --> 00:30:01,360

this is where we've got this real mix at

851
00:30:03,830 --> 00:30:02,559
the minute of

852
00:30:05,750 --> 00:30:03,840
shows so you look at something like

853
00:30:07,909 --> 00:30:05,760
ancient aliens incredibly popular

854
00:30:11,350 --> 00:30:07,919
however the idea behind ancient aliens

855
00:30:13,990 --> 00:30:11,360
is everything was aliens as

856
00:30:16,789 --> 00:30:14,000
george cicales is famous for now it was

857
00:30:19,269 --> 00:30:16,799
aliens the meme which he loves as well

858
00:30:21,830 --> 00:30:19,279
but everything wasn't aliens

859
00:30:24,070 --> 00:30:21,840
and and you've got to be able to say

860
00:30:26,549 --> 00:30:24,080
look some things are human some things

861
00:30:28,310 --> 00:30:26,559
are explainable probably most things are

862
00:30:30,149 --> 00:30:28,320
explainable but we're just looking for

863
00:30:32,149 --> 00:30:30,159

like we said those couple of things that

864

00:30:33,430 --> 00:30:32,159

are aren't as explainable that are more

865

00:30:36,070 --> 00:30:33,440

mysterious

866

00:30:37,990 --> 00:30:36,080

are unidentified you know just to drop

867

00:30:39,990 --> 00:30:38,000

the name for another show and it's just

868

00:30:42,310 --> 00:30:40,000

trying to find that happy medium isn't

869

00:30:43,990 --> 00:30:42,320

it that you know what is actually worth

870

00:30:46,870 --> 00:30:44,000

discussing and talking about if

871

00:30:48,389 --> 00:30:46,880

something's proven to be it's just it's

872

00:30:50,710 --> 00:30:48,399

too good to be true and we've got those

873

00:30:52,149 --> 00:30:50,720

ufo videos and whatnot that just it

874

00:30:53,909 --> 00:30:52,159

might be real it might be fake we don't

875

00:30:55,430 --> 00:30:53,919

know but we can't discuss it anymore

876

00:30:57,190 --> 00:30:55,440

because we can't go any further but then

877

00:30:59,350 --> 00:30:57,200

we've got the stuff like the star child

878

00:31:01,669 --> 00:30:59,360

you know skull okay we can put that to

879

00:31:03,669 --> 00:31:01,679

bed it's not it's not alien it's human

880

00:31:05,110 --> 00:31:03,679

let's move on let's concentrate on other

881

00:31:06,149 --> 00:31:05,120

stuff and that's what that's what you've

882

00:31:08,549 --> 00:31:06,159

done

883

00:31:10,789 --> 00:31:08,559

absolutely and the owner who is um

884

00:31:14,710 --> 00:31:10,799

really part of the investigation along

885

00:31:18,549 --> 00:31:14,720

with uh kerry um which is a partner that

886

00:31:21,990 --> 00:31:18,559

i have in the field reports um

887

00:31:25,029 --> 00:31:22,000

we repatriated those remains back to

888

00:31:26,950 --> 00:31:25,039

where his haplogroup is so we actually

889

00:31:28,950 --> 00:31:26,960

found the haplogroup

890

00:31:31,190 --> 00:31:28,960

and repatriated his remains back to

891

00:31:34,789 --> 00:31:31,200

mexico that little kid has been through

892

00:31:37,990 --> 00:31:34,799

so much so much drama he's been mounted

893

00:31:40,070 --> 00:31:38,000

he's been on display he's been you know

894

00:31:42,310 --> 00:31:40,080

caught up in pieces i mean it's just

895

00:31:43,990 --> 00:31:42,320

he's been put on the internet with a

896

00:31:46,789 --> 00:31:44,000

bald cap and a cigarette out of his it's

897

00:31:48,149 --> 00:31:46,799

just disgusting and these were

898

00:31:50,950 --> 00:31:48,159

even if it was

899

00:31:53,909 --> 00:31:50,960

a being or an alien it deserved more

900

00:31:56,149 --> 00:31:53,919

respect than what it got honestly and

901
00:31:59,509 --> 00:31:56,159
you know that's what we always try to do

902
00:32:02,710 --> 00:31:59,519
is completely be above aboveboard and

903
00:32:04,870 --> 00:32:02,720
when we found out his capital group was

904
00:32:06,870 --> 00:32:04,880
that's it there's that's it it's the

905
00:32:09,029 --> 00:32:06,880
same dna we're working off of like you

906
00:32:11,190 --> 00:32:09,039
know where we come from and

907
00:32:13,669 --> 00:32:11,200
repatriated his remains and i give the

908
00:32:16,470 --> 00:32:13,679
owner of that a lot of credit because

909
00:32:17,909 --> 00:32:16,480
when she first asked me to help her find

910
00:32:19,269 --> 00:32:17,919
the truth about this

911
00:32:21,590 --> 00:32:19,279
there was a whole

912
00:32:23,110 --> 00:32:21,600
group about the star child committee

913
00:32:24,549 --> 00:32:23,120

bringing in tens of thousand dollars a

914

00:32:26,710 --> 00:32:24,559

year

915

00:32:28,230 --> 00:32:26,720

there you go right yes

916

00:32:31,190 --> 00:32:28,240

and that's something we've discussed on

917

00:32:32,710 --> 00:32:31,200

the show before is the very very very

918

00:32:34,230 --> 00:32:32,720

very small amount of people who make a

919

00:32:36,389 --> 00:32:34,240

lot of money off of this tend to have

920

00:32:38,950 --> 00:32:36,399

the most extraordinary claims

921

00:32:41,430 --> 00:32:38,960

that you just can't prove and it's it's

922

00:32:42,950 --> 00:32:41,440

almost religion and church-esque that

923

00:32:45,269 --> 00:32:42,960

you just have to put the faith in it

924

00:32:47,830 --> 00:32:45,279

that no no you know this this being has

925

00:32:50,230 --> 00:32:47,840

spoken to me in my dreams and from this

926
00:32:52,310 --> 00:32:50,240
star system and i've got and it's just

927
00:32:53,990 --> 00:32:52,320
yeah yeah you know what they might be

928
00:32:55,509 --> 00:32:54,000
true and maybe one day that little being

929
00:32:58,149 --> 00:32:55,519
in that field that you saw will come out

930
00:33:01,029 --> 00:32:58,159
and tell us that you know what mr x out

931
00:33:02,950 --> 00:33:01,039
there or you know doctor g let's just

932
00:33:05,190 --> 00:33:02,960
say is right but

933
00:33:07,269 --> 00:33:05,200
we're not there yet but listen so you've

934
00:33:08,630 --> 00:33:07,279
talked about forensics what are some of

935
00:33:10,310 --> 00:33:08,640
the more interesting things that you

936
00:33:11,990 --> 00:33:10,320
have looked at from a forensics point of

937
00:33:13,830 --> 00:33:12,000
view anything potentially left

938
00:33:16,310 --> 00:33:13,840

unexplained or

939

00:33:19,750 --> 00:33:16,320

yeah i i have a couple medals that i had

940

00:33:22,310 --> 00:33:19,760

done um bob white a very famous metal

941

00:33:24,549 --> 00:33:22,320

case or a physical evidence uh this is a

942

00:33:26,950 --> 00:33:24,559

guy kind of driving through the desert

943

00:33:29,830 --> 00:33:26,960

you know in the uh vegas that whole kind

944

00:33:32,389 --> 00:33:29,840

of area and he sees this object and it's

945

00:33:34,070 --> 00:33:32,399

dropping what looks like molten metal so

946

00:33:37,669 --> 00:33:34,080

he stops the car and he goes to look for

947

00:33:39,350 --> 00:33:37,679

it and um i helped test that piece of

948

00:33:41,669 --> 00:33:39,360

metal

949

00:33:43,750 --> 00:33:41,679

um which still is undescrivable like

950

00:33:47,269 --> 00:33:43,760

they still can't figure out it isn't so

951
00:33:48,549 --> 00:33:47,279
much the um the alloys it's how it was

952
00:33:50,310 --> 00:33:48,559
processed

953
00:33:52,230 --> 00:33:50,320
and that's what we're finding with the

954
00:33:54,310 --> 00:33:52,240
bismarck or the you know the one to the

955
00:33:56,310 --> 00:33:54,320
starting academy yeah formerly it won't

956
00:33:57,750 --> 00:33:56,320
help it's like we're not finding all

957
00:33:58,630 --> 00:33:57,760
these exotic

958
00:34:00,789 --> 00:33:58,640
um

959
00:34:02,710 --> 00:34:00,799
minerals or or all these

960
00:34:04,149 --> 00:34:02,720
components the universe is pretty much

961
00:34:06,470 --> 00:34:04,159
made of the same stuff that's what we're

962
00:34:08,389 --> 00:34:06,480
learning so you know even though the

963
00:34:11,030 --> 00:34:08,399

moon has more helium than the earth the

964

00:34:12,550 --> 00:34:11,040

earth still has some helium so

965

00:34:14,629 --> 00:34:12,560

all these components what we're looking

966

00:34:17,030 --> 00:34:14,639

at right now is a process

967

00:34:19,190 --> 00:34:17,040

um i've also had a little over 300

968

00:34:20,389 --> 00:34:19,200

forensic samples of the elongated skulls

969

00:34:21,589 --> 00:34:20,399

in peru

970

00:34:22,790 --> 00:34:21,599

and

971

00:34:25,750 --> 00:34:22,800

you know just

972

00:34:27,990 --> 00:34:25,760

i have soil samples i have water samples

973

00:34:30,230 --> 00:34:28,000

just like all over the place samples

974

00:34:32,389 --> 00:34:30,240

what i also do though is i take a little

975

00:34:34,790 --> 00:34:32,399

extra than i need

976

00:34:37,109 --> 00:34:34,800

for analysis because what i do is you

977

00:34:40,069 --> 00:34:37,119

really learn from what happened with the

978

00:34:42,149 --> 00:34:40,079

police departments when you know dna was

979

00:34:45,030 --> 00:34:42,159

really on the cusp they really thought

980

00:34:45,909 --> 00:34:45,040

they had it so they started saving rape

981

00:34:47,829 --> 00:34:45,919

kits

982

00:34:50,310 --> 00:34:47,839

and forensics of murders and things like

983

00:34:51,750 --> 00:34:50,320

this in hopes that in five ten years

984

00:34:53,909 --> 00:34:51,760

they could solve them and that's exactly

985

00:34:55,990 --> 00:34:53,919

what happened so even though i'm getting

986

00:34:57,990 --> 00:34:56,000

you know answers or

987

00:34:59,750 --> 00:34:58,000

i'm still keeping some samples back

988

00:35:03,670 --> 00:34:59,760

because what if

989

00:35:05,349 --> 00:35:03,680

our technology or our analytics are

990

00:35:08,230 --> 00:35:05,359

10 times more

991

00:35:09,910 --> 00:35:08,240

important or powerful and we get a

992

00:35:11,510 --> 00:35:09,920

different result so

993

00:35:14,630 --> 00:35:11,520

you know that's something i've learned

994

00:35:17,349 --> 00:35:14,640

to do as well i've got a lot of samples

995

00:35:19,589 --> 00:35:17,359

if you were given an unlimited budget

996

00:35:22,069 --> 00:35:19,599

laboratory funding whatever you wanted

997

00:35:24,310 --> 00:35:22,079

to call it and time is there any one

998

00:35:28,390 --> 00:35:24,320

piece that you would go to and you would

999

00:35:33,030 --> 00:35:30,870

yeah i honestly i would i would capture

1000

00:35:34,790 --> 00:35:33,040

the same team i'm working with now um

1001

00:35:38,790 --> 00:35:34,800

they're brilliant um i'm the only

1002

00:35:43,030 --> 00:35:41,030

you know i say retired commander you

1003

00:35:45,990 --> 00:35:43,040

know all these other people one's a

1004

00:35:47,829 --> 00:35:46,000

lawyer for the united nations and you

1005

00:35:50,470 --> 00:35:47,839

know to have that kind of

1006

00:35:52,310 --> 00:35:50,480

mindset looking into this from not my

1007

00:35:53,349 --> 00:35:52,320

point of view but their point of view

1008

00:35:56,230 --> 00:35:53,359

coming in

1009

00:35:58,310 --> 00:35:56,240

and to really start getting this and

1010

00:36:00,470 --> 00:35:58,320

what i really need is a plane i have all

1011

00:36:01,750 --> 00:36:00,480

the equipment i have all the forensics i

1012

00:36:04,150 --> 00:36:01,760

have a forensic kit that would make the

1013

00:36:05,270 --> 00:36:04,160

sheriff's department jealous

1014

00:36:07,910 --> 00:36:05,280

and

1015

00:36:11,349 --> 00:36:07,920

that funding comes from my very very

1016

00:36:12,550 --> 00:36:11,359

generous husband who supports my passion

1017

00:36:14,950 --> 00:36:12,560

and uh

1018

00:36:16,230 --> 00:36:14,960

but at the same time if i had unlimited

1019

00:36:18,230 --> 00:36:16,240

funds that's what i would do i would

1020

00:36:20,230 --> 00:36:18,240

take that team i'm working with i would

1021

00:36:22,150 --> 00:36:20,240

partner with to the stars academy

1022

00:36:24,710 --> 00:36:22,160

they're on it these are the same people

1023

00:36:27,349 --> 00:36:24,720

i'm working with my beltway group is the

1024

00:36:29,190 --> 00:36:27,359

same type of people that to the stars

1025

00:36:30,470 --> 00:36:29,200

academy has it's why i have so much

1026

00:36:32,950 --> 00:36:30,480

respect for them

1027

00:36:35,349 --> 00:36:32,960

you have government insiders and a

1028

00:36:38,150 --> 00:36:35,359

dreamer and the dreamer is tom delong

1029

00:36:40,550 --> 00:36:38,160

everyone else is a government person

1030

00:36:42,790 --> 00:36:40,560

they don't work in our world trust me my

1031

00:36:45,109 --> 00:36:42,800

husband's a retired you know commander

1032

00:36:47,109 --> 00:36:45,119

from the united states navy they don't

1033

00:36:49,030 --> 00:36:47,119

they don't think like us they're they're

1034

00:36:51,510 --> 00:36:49,040

not in our world they're in a different

1035

00:36:54,630 --> 00:36:51,520

one which is very valuable at this point

1036

00:36:57,510 --> 00:36:54,640

because we need that type of aptitude

1037

00:36:59,829 --> 00:36:57,520

and diligence

1038

00:37:02,230 --> 00:36:59,839

and tom delong gets a lot of heat from a

1039

00:37:03,910 --> 00:37:02,240

lot of people he's very polarizing and

1040

00:37:06,470 --> 00:37:03,920

like i've said to a few different people

1041

00:37:07,190 --> 00:37:06,480

and and people that are also close with

1042

00:37:09,109 --> 00:37:07,200

lou

1043

00:37:11,030 --> 00:37:09,119

i imagine tom delong is the type of

1044

00:37:13,190 --> 00:37:11,040

person that regularly gets messages or

1045

00:37:16,230 --> 00:37:13,200

phone calls from chris mellon luella's

1046

00:37:18,630 --> 00:37:16,240

ondol with a tom delete that tweet tom

1047

00:37:20,870 --> 00:37:18,640

take that instagram post down tom you

1048

00:37:23,030 --> 00:37:20,880

are right

1049

00:37:24,870 --> 00:37:23,040

you are absolutely right and i have to

1050

00:37:27,589 --> 00:37:24,880

tell you that you know people forget

1051
00:37:29,750 --> 00:37:27,599
he's a dreamer he's a rock star this guy

1052
00:37:31,270 --> 00:37:29,760
is you know he thinks

1053
00:37:33,190 --> 00:37:31,280
artistically

1054
00:37:35,349 --> 00:37:33,200
and so when he put some of this stuff

1055
00:37:37,910 --> 00:37:35,359
out he takes all this heat like he's an

1056
00:37:39,589 --> 00:37:37,920
expert on aliens it's not

1057
00:37:41,589 --> 00:37:39,599
we have to give him

1058
00:37:44,310 --> 00:37:41,599
kind of a little break because he's a

1059
00:37:47,109 --> 00:37:44,320
dreamer he he's an artist you know he's

1060
00:37:49,109 --> 00:37:47,119
huge and his heart is so big i have to

1061
00:37:52,630 --> 00:37:49,119
tell you that you know my grandson just

1062
00:37:54,870 --> 00:37:52,640
turned 18 for his 18th birthday you know

1063
00:37:58,310 --> 00:37:54,880

you know i just i called in a favor

1064

00:38:00,310 --> 00:37:58,320

and my grandson is getting swag signed

1065

00:38:02,790 --> 00:38:00,320

from tom delong this guy takes time out

1066

00:38:05,190 --> 00:38:02,800

of his day to actually and a poster from

1067

00:38:07,910 --> 00:38:05,200

you know aliens i'm sorry uh angels in

1068

00:38:08,870 --> 00:38:07,920

here waves yeah yeah and you know to

1069

00:38:10,950 --> 00:38:08,880

ryan

1070

00:38:12,630 --> 00:38:10,960

you know thanks for blah blah blah you

1071

00:38:15,030 --> 00:38:12,640

know blah blah blah you know tom delong

1072

00:38:16,710 --> 00:38:15,040

this guy treated my grandson we just

1073

00:38:18,550 --> 00:38:16,720

wanted like thought it'd be great to

1074

00:38:20,470 --> 00:38:18,560

give him an autograph you know something

1075

00:38:23,109 --> 00:38:20,480

from tom because he's so huge my

1076

00:38:25,670 --> 00:38:23,119

grandson's a huge fan of him

1077

00:38:27,430 --> 00:38:25,680

and he got so much more there's so much

1078

00:38:28,630 --> 00:38:27,440

more like i can't even tell you how

1079

00:38:30,950 --> 00:38:28,640

generous

1080

00:38:33,430 --> 00:38:30,960

and how blown away i am but that's all

1081

00:38:36,710 --> 00:38:33,440

these guys up there luella zondo is one

1082

00:38:37,829 --> 00:38:36,720

of the kindest most honorable

1083

00:38:39,270 --> 00:38:37,839

um

1084

00:38:40,790 --> 00:38:39,280

generous

1085

00:38:42,950 --> 00:38:40,800

men i know

1086

00:38:44,790 --> 00:38:42,960

you know he he comes from the same arena

1087

00:38:47,190 --> 00:38:44,800

that pete and i worked in for over 30

1088

00:38:49,190 --> 00:38:47,200

years and i don't think i would do

1089

00:38:50,150 --> 00:38:49,200

anything different to tom de long if you

1090

00:38:53,430 --> 00:38:50,160

put

1091

00:38:55,190 --> 00:38:53,440

myself in that arena with those type of

1092

00:38:57,430 --> 00:38:55,200

people and

1093

00:38:59,750 --> 00:38:57,440

let's be clear tom's probably tom knows

1094

00:39:01,829 --> 00:38:59,760

more than i do about the subject from

1095

00:39:03,190 --> 00:39:01,839

the people he hangs about with i don't

1096

00:39:05,270 --> 00:39:03,200

doubt though that he's

1097

00:39:07,109 --> 00:39:05,280

totally clued into what lou knows chris

1098

00:39:08,950 --> 00:39:07,119

mellon knows how put off knows and he

1099

00:39:10,710 --> 00:39:08,960

probably knows bets and that's when he

1100

00:39:12,310 --> 00:39:10,720

puts out these tweets and

1101

00:39:14,390 --> 00:39:12,320

i would probably be doing the same that

1102

00:39:16,150 --> 00:39:14,400

what if what if there was this and

1103

00:39:17,510 --> 00:39:16,160

there's probably bet sale that are are

1104

00:39:19,109 --> 00:39:17,520

right and along a right track and

1105

00:39:21,190 --> 00:39:19,119

there's maybe bets that are his opinion

1106

00:39:23,030 --> 00:39:21,200

and they get melded together which and

1107

00:39:25,430 --> 00:39:23,040

there's nothing wrong with that

1108

00:39:28,310 --> 00:39:25,440

no and when you think of uh like jacques

1109

00:39:30,550 --> 00:39:28,320

lay and even robert bigelow they're like

1110

00:39:32,310 --> 00:39:30,560

wait a minute guys this is weirder than

1111

00:39:33,829 --> 00:39:32,320

you think it is

1112

00:39:35,829 --> 00:39:33,839

and then tom dalon comes out with

1113

00:39:37,510 --> 00:39:35,839

something you might look at that like it

1114

00:39:39,910 --> 00:39:37,520

might be a little easter egg and why

1115

00:39:41,750 --> 00:39:39,920

would you do that and that is because

1116

00:39:43,430 --> 00:39:41,760

he's talked to people we'll never get a

1117

00:39:45,750 --> 00:39:43,440

chance to i'll never have a chance to

1118

00:39:49,109 --> 00:39:45,760

talk to some of these people this this

1119

00:39:51,349 --> 00:39:49,119

rock star literally for whatever reason

1120

00:39:53,829 --> 00:39:51,359

i believe it was this soft disclosure

1121

00:39:56,230 --> 00:39:53,839

but this rock star was brought in to

1122

00:39:58,550 --> 00:39:56,240

some of the places we've been i would

1123

00:40:00,870 --> 00:39:58,560

have killed to be in that room

1124

00:40:03,349 --> 00:40:00,880

and you know it was him and i'm just

1125

00:40:05,109 --> 00:40:03,359

happy i'm happy it's coming out it

1126

00:40:07,270 --> 00:40:05,119

doesn't have to be me it doesn't have to

1127

00:40:09,109 --> 00:40:07,280

be richard dolan or linda mont-howell or

1128

00:40:11,349 --> 00:40:09,119

you know my other friends like out there

1129

00:40:13,030 --> 00:40:11,359

nick and you know some of the guys

1130

00:40:17,910 --> 00:40:13,040

it needed to be

1131

00:40:20,950 --> 00:40:17,920

to be believed nobody's really listening

1132

00:40:22,150 --> 00:40:20,960

to us but us does that make sense yeah

1133

00:40:23,829 --> 00:40:22,160

and that was always good that was always

1134

00:40:25,349 --> 00:40:23,839

going to be divisive no matter who done

1135

00:40:27,270 --> 00:40:25,359

it i don't think there's any way this

1136

00:40:30,470 --> 00:40:27,280

could this could now come out the way we

1137

00:40:32,630 --> 00:40:30,480

are in 2020 with the world going to [h__\h]

1138

00:40:34,790 --> 00:40:32,640

let's just put it that way and so many

1139

00:40:37,109 --> 00:40:34,800

different ways that

1140

00:40:38,550 --> 00:40:37,119

if the the classic ufo landed in the

1141

00:40:39,430 --> 00:40:38,560

white house lawn

1142

00:40:44,710 --> 00:40:39,440

it's

1143

00:40:45,990 --> 00:40:44,720

us

1144

00:40:48,309 --> 00:40:46,000

those are the four

1145

00:40:51,030 --> 00:40:48,319

it wouldn't matter if aliens came out

1146

00:40:52,150 --> 00:40:51,040

this is us it's i mean even the classic

1147

00:40:53,750 --> 00:40:52,160

again i'm not religious i'll use

1148

00:40:56,790 --> 00:40:53,760

something that's not even in my field of

1149

00:40:58,950 --> 00:40:56,800

expertise but if jesus came back

1150

00:41:01,190 --> 00:40:58,960

i could only imagine the crap he would

1151
00:41:03,510 --> 00:41:01,200
get now and he would be like oh my god

1152
00:41:04,550 --> 00:41:03,520
this is this is what's happened in 2000

1153
00:41:05,910 --> 00:41:04,560
years and

1154
00:41:07,109 --> 00:41:05,920
that that's what we've kind of turned

1155
00:41:09,349 --> 00:41:07,119
into so

1156
00:41:11,750 --> 00:41:09,359
why not turned along and why not aliens

1157
00:41:13,829 --> 00:41:11,760
but listen um i've got some questions on

1158
00:41:15,829 --> 00:41:13,839
that anyway

1159
00:41:17,750 --> 00:41:15,839
getting into

1160
00:41:19,349 --> 00:41:17,760
listener questions now the first one i

1161
00:41:21,030 --> 00:41:19,359
won't name the listener who got in touch

1162
00:41:22,390 --> 00:41:21,040
they did have a back and forward with

1163
00:41:23,910 --> 00:41:22,400

you on twitter saying they'd sent me

1164

00:41:25,430 --> 00:41:23,920

some questions if they want to say it

1165

00:41:26,950 --> 00:41:25,440

was them that's fine

1166

00:41:28,710 --> 00:41:26,960

it was a really interesting when they

1167

00:41:30,150 --> 00:41:28,720

got in touch with me as well via the dms

1168

00:41:32,230 --> 00:41:30,160

to say like i would like you to speak to

1169

00:41:33,990 --> 00:41:32,240

chase about this so

1170

00:41:35,510 --> 00:41:34,000

one of the listeners got in touch and

1171

00:41:38,550 --> 00:41:35,520

you've you've famously worked with the

1172

00:41:40,069 --> 00:41:38,560

bledsoes so chris bledsoe who has had

1173

00:41:42,790 --> 00:41:40,079

one of

1174

00:41:45,349 --> 00:41:42,800

the most well-known experiences probably

1175

00:41:46,630 --> 00:41:45,359

on the planet because it seems he and

1176

00:41:47,990 --> 00:41:46,640

his family

1177

00:41:49,750 --> 00:41:48,000

if you're listening to this podcast you

1178

00:41:52,309 --> 00:41:49,760

probably know about chris bledsoe and

1179

00:41:54,630 --> 00:41:52,319

his son ryan and they've experienced

1180

00:41:56,550 --> 00:41:54,640

orbs and beings and entities and it just

1181

00:41:59,030 --> 00:41:56,560

seems to happen on a regular basis the

1182

00:42:01,510 --> 00:41:59,040

whole house and family have something to

1183

00:42:02,950 --> 00:42:01,520

them what sort of work before i ask the

1184

00:42:06,230 --> 00:42:02,960

questions have you done with the

1185

00:42:08,150 --> 00:42:06,240

bledsoes and what's your experience been

1186

00:42:09,990 --> 00:42:08,160

well i've actually spent time with them

1187

00:42:12,230 --> 00:42:10,000

and that's when you know some of their

1188

00:42:15,109 --> 00:42:12,240

critics it's like have you even spoken

1189

00:42:17,670 --> 00:42:15,119

to him have you been to that place have

1190

00:42:19,990 --> 00:42:17,680

you know have you investigated

1191

00:42:21,109 --> 00:42:20,000

you know and and the other thing is you

1192

00:42:24,069 --> 00:42:21,119

know this man has been through

1193

00:42:27,430 --> 00:42:24,079

everything like he was humiliated mufon

1194

00:42:28,950 --> 00:42:27,440

ruined his life literally sent him into

1195

00:42:31,430 --> 00:42:28,960

almost bankruptcy

1196

00:42:34,390 --> 00:42:31,440

you know i mean mufon absolutely

1197

00:42:36,309 --> 00:42:34,400

devastated him and this is the guy that

1198

00:42:38,069 --> 00:42:36,319

comes through so

1199

00:42:40,309 --> 00:42:38,079

what i do know is that through my

1200

00:42:44,150 --> 00:42:40,319

investment like spending time with them

1201

00:42:47,430 --> 00:42:44,160

ryan is amazing this is a good kid his

1202

00:42:50,550 --> 00:42:47,440

kids all of them are like amazing in

1203

00:42:52,550 --> 00:42:50,560

something so like his daughter

1204

00:42:54,069 --> 00:42:52,560

well she was you know homecoming queen

1205

00:42:55,349 --> 00:42:54,079

and i was there to watch her get crowned

1206

00:42:57,589 --> 00:42:55,359

which is a big deal because i was

1207

00:42:59,510 --> 00:42:57,599

homecoming queen so it was a big deal

1208

00:43:02,630 --> 00:42:59,520

but she you should hear her play piano

1209

00:43:05,270 --> 00:43:02,640

she's a savant it's it's crazy and you

1210

00:43:07,750 --> 00:43:05,280

know the whole family is extraordinary

1211

00:43:10,950 --> 00:43:07,760

and i have been there and has personally

1212

00:43:11,750 --> 00:43:10,960

seen and actually taken samples of crazy

1213

00:43:13,829 --> 00:43:11,760

crap

1214

00:43:14,870 --> 00:43:13,839

period

1215

00:43:16,870 --> 00:43:14,880

so

1216

00:43:18,950 --> 00:43:16,880

on that then the listener who got in

1217

00:43:20,950 --> 00:43:18,960

touch and wanted me to ask about a

1218

00:43:23,750 --> 00:43:20,960

potential abduction experience you had

1219

00:43:26,069 --> 00:43:23,760

had with chris chris bledsoe and your

1220

00:43:27,589 --> 00:43:26,079

husband i believe

1221

00:43:29,589 --> 00:43:27,599

um i

1222

00:43:31,270 --> 00:43:29,599

i don't confirm or deny my husband was

1223

00:43:33,750 --> 00:43:31,280

in there and i'll tell you why because

1224

00:43:36,630 --> 00:43:33,760

he still um has a security clearance

1225

00:43:38,150 --> 00:43:36,640

working for you know um

1226

00:43:40,230 --> 00:43:38,160

people so

1227

00:43:42,870 --> 00:43:40,240

i'm not gonna confirm or deny he was on

1228

00:43:45,670 --> 00:43:42,880

that team but um yes uh there was

1229

00:43:47,349 --> 00:43:45,680

something so weird because we get this

1230

00:43:49,670 --> 00:43:47,359

call and

1231

00:43:51,510 --> 00:43:49,680

you know this woman's freaking out she's

1232

00:43:53,190 --> 00:43:51,520

a registered nurse

1233

00:43:55,030 --> 00:43:53,200

because her husband's the police officer

1234

00:43:57,109 --> 00:43:55,040

and there were two police officers that

1235

00:43:58,630 --> 00:43:57,119

called to this area and it's in this

1236

00:43:59,910 --> 00:43:58,640

little batch of woods i don't know if

1237

00:44:02,069 --> 00:43:59,920

they have this in the uk but in the

1238

00:44:04,710 --> 00:44:02,079

united states when you have big power

1239

00:44:06,309 --> 00:44:04,720

lines you know like those big um

1240

00:44:08,710 --> 00:44:06,319

they're the

1241

00:44:10,230 --> 00:44:08,720

i don't know what

1242

00:44:12,870 --> 00:44:10,240

in the uk

1243

00:44:14,710 --> 00:44:12,880

yeah exactly and you know but they

1244

00:44:16,150 --> 00:44:14,720

always have this little batch of woods

1245

00:44:18,630 --> 00:44:16,160

that kind of helps to eat up some of the

1246

00:44:20,630 --> 00:44:18,640

emf before it reaches the neighborhoods

1247

00:44:21,589 --> 00:44:20,640

and they're little they're not big

1248

00:44:23,910 --> 00:44:21,599

and

1249

00:44:25,990 --> 00:44:23,920

anyway the these police officers called

1250

00:44:27,030 --> 00:44:26,000

out to this property because people

1251
00:44:29,030 --> 00:44:27,040
called in

1252
00:44:30,710 --> 00:44:29,040
and they thought that there were kids

1253
00:44:33,430 --> 00:44:30,720
playing in there's an old slave's

1254
00:44:35,430 --> 00:44:33,440
quarters so this is a very historic site

1255
00:44:38,150 --> 00:44:35,440
kids like to go and party and go in and

1256
00:44:39,829 --> 00:44:38,160
you know so the cops go out there

1257
00:44:43,430 --> 00:44:39,839
and they're walking out and they see

1258
00:44:45,829 --> 00:44:43,440
this being what they reported to me

1259
00:44:48,230 --> 00:44:45,839
and it was like seven foot tall maybe

1260
00:44:50,390 --> 00:44:48,240
eight but more like seven and it was

1261
00:44:52,069 --> 00:44:50,400
really really thin and they described it

1262
00:44:53,670 --> 00:44:52,079
where their head was like a balloon

1263
00:44:55,670 --> 00:44:53,680

where it's really kind of tiny at the

1264

00:44:57,589 --> 00:44:55,680

bottom but real big at top

1265

00:44:59,750 --> 00:44:57,599

and it was white

1266

00:45:02,069 --> 00:44:59,760

and it looked at them and it kind of

1267

00:45:04,150 --> 00:45:02,079

ducked behind a tree for a moment

1268

00:45:05,589 --> 00:45:04,160

but then it came back out they're police

1269

00:45:06,870 --> 00:45:05,599

officers what do they do they do what

1270

00:45:09,109 --> 00:45:06,880

they're trained to do they pull out

1271

00:45:11,589 --> 00:45:09,119

their weapons and they told it to freeze

1272

00:45:13,190 --> 00:45:11,599

which seems silly now but in the moment

1273

00:45:14,630 --> 00:45:13,200

they don't know what that is and they're

1274

00:45:17,030 --> 00:45:14,640

not thinking alien or ghosts they're

1275

00:45:19,109 --> 00:45:17,040

thinking kids playing pranks

1276

00:45:20,630 --> 00:45:19,119

so they say freeze

1277

00:45:22,790 --> 00:45:20,640

all of a sudden that being kind of

1278

00:45:24,950 --> 00:45:22,800

crouches just a little and looks like

1279

00:45:26,309 --> 00:45:24,960

it's going to lunge them and they fired

1280

00:45:29,030 --> 00:45:26,319

their weapons

1281

00:45:30,950 --> 00:45:29,040

well being on duty and the minute they

1282

00:45:33,190 --> 00:45:30,960

did the being was gone

1283

00:45:34,710 --> 00:45:33,200

just gone well the minute they fired

1284

00:45:36,870 --> 00:45:34,720

their weapons they're on duty so they

1285

00:45:39,109 --> 00:45:36,880

have to report it and when they told

1286

00:45:41,750 --> 00:45:39,119

their stories of course they

1287

00:45:43,670 --> 00:45:41,760

they were just the butt of every single

1288

00:45:45,750 --> 00:45:43,680

joke for the next couple of weeks

1289

00:45:47,190 --> 00:45:45,760

and and the lady called me because she

1290

00:45:48,950 --> 00:45:47,200

was worried because she believed her

1291

00:45:50,390 --> 00:45:48,960

husband and he was really having a hard

1292

00:45:52,309 --> 00:45:50,400

time with it he couldn't he couldn't

1293

00:45:53,670 --> 00:45:52,319

sleep you know there was you know just

1294

00:45:55,430 --> 00:45:53,680

things and he wasn't he didn't care

1295

00:45:56,309 --> 00:45:55,440

about the teasing

1296

00:45:57,990 --> 00:45:56,319

he just

1297

00:46:00,309 --> 00:45:58,000

like there was just something going on

1298

00:46:01,829 --> 00:46:00,319

there and it just really shook him up so

1299

00:46:03,030 --> 00:46:01,839

i agreed to go out there and i pulled a

1300

00:46:04,309 --> 00:46:03,040

team together

1301
00:46:06,309 --> 00:46:04,319
so because

1302
00:46:07,750 --> 00:46:06,319
these police officers were being

1303
00:46:09,670 --> 00:46:07,760
ridiculed

1304
00:46:11,190 --> 00:46:09,680
chris bledsoe just lives right in the

1305
00:46:13,589 --> 00:46:11,200
next town over

1306
00:46:15,349 --> 00:46:13,599
and knowing what he's been through i

1307
00:46:18,710 --> 00:46:15,359
thought would be the perfect

1308
00:46:20,790 --> 00:46:18,720
liaison or kind of contact when i left

1309
00:46:22,710 --> 00:46:20,800
you know i'm very scientific i don't do

1310
00:46:25,670 --> 00:46:22,720
a lot of the you know

1311
00:46:28,630 --> 00:46:25,680
um but chris would be the perfect

1312
00:46:29,670 --> 00:46:28,640
person to look to continue to help them

1313
00:46:34,950 --> 00:46:29,680

and

1314

00:46:37,750 --> 00:46:34,960

team of us

1315

00:46:40,230 --> 00:46:37,760

i wanted to go out because of the um

1316

00:46:42,470 --> 00:46:40,240

the power lines send off a lot of emf

1317

00:46:44,390 --> 00:46:42,480

well ems dangerous um it can cause

1318

00:46:46,790 --> 00:46:44,400

hallucinations make you feel like you're

1319

00:46:48,150 --> 00:46:46,800

being followed you know it it causes a

1320

00:46:49,910 --> 00:46:48,160

lot of

1321

00:46:51,030 --> 00:46:49,920

paranormal type

1322

00:46:52,390 --> 00:46:51,040

symptoms

1323

00:46:54,390 --> 00:46:52,400

so i wanted to go out and measure how

1324

00:46:57,190 --> 00:46:54,400

much of that was coming off the power

1325

00:46:58,870 --> 00:46:57,200

lines but also how when did it end like

1326
00:47:00,069 --> 00:46:58,880
when did it dissipate through these

1327
00:47:02,069 --> 00:47:00,079
woods

1328
00:47:03,750 --> 00:47:02,079
so i'm starting to go out and get you

1329
00:47:06,069 --> 00:47:03,760
know some of my

1330
00:47:07,990 --> 00:47:06,079
my readings or whatever but we enter the

1331
00:47:10,230 --> 00:47:08,000
woods at that night we've already been

1332
00:47:12,309 --> 00:47:10,240
there in the you know slaves quarters

1333
00:47:14,309 --> 00:47:12,319
looking at the area they saw the being

1334
00:47:16,470 --> 00:47:14,319
like this is a tiny patch of wood so you

1335
00:47:19,430 --> 00:47:16,480
can almost almost

1336
00:47:21,670 --> 00:47:19,440
from one end across and see the opening

1337
00:47:23,750 --> 00:47:21,680
to the big field and the power lines

1338
00:47:25,750 --> 00:47:23,760

so we get in there at its like time and

1339

00:47:27,670 --> 00:47:25,760

we're walking and walking and i'm

1340

00:47:29,670 --> 00:47:27,680

starting to get a little like like wait

1341

00:47:30,870 --> 00:47:29,680

a minute guys like it's not that big

1342

00:47:32,549 --> 00:47:30,880

what's going on

1343

00:47:34,230 --> 00:47:32,559

and we

1344

00:47:37,349 --> 00:47:34,240

came down this little ditch it was like

1345

00:47:39,589 --> 00:47:37,359

a little ditch and there was

1346

00:47:41,990 --> 00:47:39,599

we came out of it and at that point i

1347

00:47:44,230 --> 00:47:42,000

knew from previously being there we

1348

00:47:46,309 --> 00:47:44,240

should have seen the field and the power

1349

00:47:48,630 --> 00:47:46,319

lines and the opening at least

1350

00:47:50,630 --> 00:47:48,640

and it wasn't there we walk around for a

1351

00:47:52,950 --> 00:47:50,640

little bit i mean you know i can't

1352

00:47:55,190 --> 00:47:52,960

really i don't really

1353

00:47:57,270 --> 00:47:55,200

guess at how much time we did i can tell

1354

00:47:59,670 --> 00:47:57,280

you it was enough that i was really

1355

00:48:01,829 --> 00:47:59,680

getting a little peed you know i get

1356

00:48:03,430 --> 00:48:01,839

little peeved because

1357

00:48:05,430 --> 00:48:03,440

this is ridiculous it's absolutely

1358

00:48:07,030 --> 00:48:05,440

ridiculous i'm leaving a team and i

1359

00:48:08,950 --> 00:48:07,040

can't get us to the other side of this

1360

00:48:10,230 --> 00:48:08,960

freaking little what maybe one acre

1361

00:48:13,270 --> 00:48:10,240

maybe three

1362

00:48:15,190 --> 00:48:13,280

one to three acres like come on

1363

00:48:16,549 --> 00:48:15,200

all of a sudden we come back up to this

1364

00:48:19,190 --> 00:48:16,559

this ditch

1365

00:48:22,230 --> 00:48:19,200

and we go down it and we come up

1366

00:48:23,990 --> 00:48:22,240

and we and sure enough there it is the

1367

00:48:26,150 --> 00:48:24,000

there is the opening like it should have

1368

00:48:28,390 --> 00:48:26,160

been the first time well at this point

1369

00:48:30,950 --> 00:48:28,400

it was a little bit before this

1370

00:48:33,190 --> 00:48:30,960

several people on on the team were not

1371

00:48:35,430 --> 00:48:33,200

feeling good feeling nauseous feeling a

1372

00:48:37,109 --> 00:48:35,440

little dizzy we had to stop for about

1373

00:48:38,710 --> 00:48:37,119

five minutes for everybody to kind of

1374

00:48:41,270 --> 00:48:38,720

settle down

1375

00:48:43,430 --> 00:48:41,280

but uh it was a couple weeks later where

1376

00:48:45,109 --> 00:48:43,440

one of the people that i i trust that

1377

00:48:46,150 --> 00:48:45,119

helps me with

1378

00:48:47,430 --> 00:48:46,160

evidence

1379

00:48:49,670 --> 00:48:47,440

actually called and said chase you're

1380

00:48:51,670 --> 00:48:49,680

not gonna like this sit down i'm like oh

1381

00:48:53,750 --> 00:48:51,680

god i hate it when they say that

1382

00:48:55,910 --> 00:48:53,760

and he said all three helmet cams are

1383

00:48:57,990 --> 00:48:55,920

missing eight minutes

1384

00:48:59,270 --> 00:48:58,000

so i called chris bledsoe and i'm like

1385

00:49:02,069 --> 00:48:59,280

chris

1386

00:49:03,349 --> 00:49:02,079

i just heard from so and so the evidence

1387

00:49:05,109 --> 00:49:03,359

guy

1388

00:49:06,790 --> 00:49:05,119

i i can't believe what he told me he

1389

00:49:08,309 --> 00:49:06,800

says yeah we're missing about 10 minutes

1390

00:49:11,030 --> 00:49:08,319

right

1391

00:49:11,829 --> 00:49:11,040

blown away true story sure i was just

1392

00:49:15,510 --> 00:49:11,839

like

1393

00:49:18,549 --> 00:49:15,520

something before

1394

00:49:20,150 --> 00:49:18,559

and they all know i would have liked it

1395

00:49:21,829 --> 00:49:20,160

i needed evidence

1396

00:49:23,750 --> 00:49:21,839

you know i didn't believe that there

1397

00:49:25,109 --> 00:49:23,760

were they missed a time you i would have

1398

00:49:27,190 --> 00:49:25,119

never said that i would have said

1399

00:49:28,710 --> 00:49:27,200

absolutely not we were in that woods we

1400

00:49:29,589 --> 00:49:28,720

just couldn't get out

1401

00:49:31,270 --> 00:49:29,599

so

1402

00:49:34,630 --> 00:49:31,280

you know that i think believe that's

1403

00:49:37,910 --> 00:49:34,640

what the person was um referring to

1404

00:49:40,069 --> 00:49:37,920

yes during that time also we did see

1405

00:49:42,069 --> 00:49:40,079

chris pointed out at one point

1406

00:49:44,630 --> 00:49:42,079

he

1407

00:49:46,710 --> 00:49:44,640

see that

1408

00:49:49,190 --> 00:49:46,720

and i did see like these two eyes

1409

00:49:49,910 --> 00:49:49,200

watching us and they were pretty high up

1410

00:49:51,990 --> 00:49:49,920

so

1411

00:49:53,190 --> 00:49:52,000

you know it was kind of that

1412

00:49:55,190 --> 00:49:53,200

eye shine

1413

00:49:57,990 --> 00:49:55,200

that makes sense yeah and

1414

00:50:00,309 --> 00:49:58,000

chris saw it two other people saw it i

1415

00:50:02,390 --> 00:50:00,319

saw it and

1416

00:50:03,990 --> 00:50:02,400

it was odd because you see something

1417

00:50:05,910 --> 00:50:04,000

like that and we're just like okay we're

1418

00:50:08,710 --> 00:50:05,920

just walking along like

1419

00:50:10,309 --> 00:50:08,720

you know but yeah that was that night

1420

00:50:12,470 --> 00:50:10,319

and it's it's got the hallmarks of a

1421

00:50:14,470 --> 00:50:12,480

classic potential abduction experience

1422

00:50:16,390 --> 00:50:14,480

or missing time or something's happened

1423

00:50:18,230 --> 00:50:16,400

with you know going round and round and

1424

00:50:20,470 --> 00:50:18,240

you think i know you get the feel for a

1425

00:50:22,790 --> 00:50:20,480

distance and this isn't quite right so

1426

00:50:24,710 --> 00:50:22,800

the person did elaborate and he believes

1427

00:50:27,030 --> 00:50:24,720

that speaking with the bledsoe was that

1428

00:50:28,390 --> 00:50:27,040

there was potential that it was filmed

1429

00:50:31,589 --> 00:50:28,400

with sound

1430

00:50:33,430 --> 00:50:31,599

that the video was seen and you that

1431

00:50:36,230 --> 00:50:33,440

potentially chris believes you were

1432

00:50:39,270 --> 00:50:36,240

taken to a moon base

1433

00:50:40,870 --> 00:50:39,280

um i haven't it's it's

1434

00:50:43,030 --> 00:50:40,880

funny because i haven't had time to

1435

00:50:46,710 --> 00:50:43,040

really back up like chris learns more

1436

00:50:48,950 --> 00:50:46,720

and more with his experiences um

1437

00:50:50,470 --> 00:50:48,960

i don't remember any of it honestly if i

1438

00:50:53,030 --> 00:50:50,480

was taken to a moon base that would be

1439

00:50:55,190 --> 00:50:53,040

cool as crap and i wish i remembered it

1440

00:50:58,950 --> 00:50:55,200

but right now i can tell you i i

1441

00:51:01,510 --> 00:50:58,960

honestly i have no idea and what chris

1442

00:51:03,030 --> 00:51:01,520

you know comes up with is really

1443

00:51:04,870 --> 00:51:03,040

something that

1444

00:51:07,670 --> 00:51:04,880

i would give it i would give it a lot of

1445

00:51:10,150 --> 00:51:07,680

credibility i'm not so sure i believe it

1446

00:51:11,670 --> 00:51:10,160

all but it's not that he's a liar or

1447

00:51:13,030 --> 00:51:11,680

it's not that he exaggerates it's

1448

00:51:15,270 --> 00:51:13,040

because

1449

00:51:16,549 --> 00:51:15,280

maybe i'm not there yet i i don't know

1450

00:51:19,510 --> 00:51:16,559

but um

1451

00:51:20,309 --> 00:51:19,520

i do know that chris and his son ryan

1452

00:51:23,270 --> 00:51:20,319

is

1453

00:51:26,230 --> 00:51:23,280

ryan impressed me totally in fact i was

1454

00:51:28,870 --> 00:51:26,240

the first and only person to hear what

1455

00:51:30,950 --> 00:51:28,880

he went through personally since he so

1456

00:51:32,870 --> 00:51:30,960

told that story one time to move on and

1457

00:51:35,430 --> 00:51:32,880

he hasn't spoken to anyone since i'm the

1458

00:51:37,829 --> 00:51:35,440

only person he talked to about that and

1459

00:51:39,750 --> 00:51:37,839

that was the kind of trust we had and

1460

00:51:42,870 --> 00:51:39,760

you know i just

1461

00:51:44,710 --> 00:51:42,880

you know chris's chris is a legit

1462

00:51:47,190 --> 00:51:44,720

phenomenon

1463

00:51:48,950 --> 00:51:47,200

i am i spoke to ryan on the very first

1464

00:51:50,950 --> 00:51:48,960

weeks of starting this podcast on

1465

00:51:53,030 --> 00:51:50,960

twitter and i was reaching maybe a

1466

00:51:55,030 --> 00:51:53,040

little bit high for for really early on

1467

00:51:56,710 --> 00:51:55,040

even though like gary sean the people i

1468

00:51:58,470 --> 00:51:56,720

spoke to in the early episodes were

1469

00:52:01,670 --> 00:51:58,480

amazing to come on for an absolute

1470

00:52:03,270 --> 00:52:01,680

nobody uh to speak to me maybe now with

1471

00:52:05,990 --> 00:52:03,280

a little bit more steam behind us i'll

1472

00:52:08,470 --> 00:52:06,000

get back in touch with ryan again but so

1473

00:52:09,270 --> 00:52:08,480

yeah yeah because he's he's a great kid

1474

00:52:14,150 --> 00:52:09,280

he

1475

00:52:15,910 --> 00:52:14,160

like it just didn't hurt chris

1476

00:52:19,430 --> 00:52:15,920

this kid was in high school and they

1477

00:52:22,309 --> 00:52:19,440

called him a liar on tv which proven to

1478

00:52:24,630 --> 00:52:22,319

be absolutely wrong you know mufon's

1479

00:52:27,829 --> 00:52:24,640

you know lie detector test was bogus it

1480

00:52:29,670 --> 00:52:27,839

was completely done in a wrong way um

1481

00:52:31,750 --> 00:52:29,680

everything they did was wrong honestly

1482

00:52:33,990 --> 00:52:31,760

i'm here to tell you and and many other

1483

00:52:36,790 --> 00:52:34,000

experts will tell you that as well um

1484

00:52:38,069 --> 00:52:36,800

completely blew it and they kind of set

1485

00:52:40,870 --> 00:52:38,079

them up

1486

00:52:43,510 --> 00:52:40,880

it was horrible but this kid that's you

1487

00:52:45,990 --> 00:52:43,520

know in high school at that young

1488

00:52:48,790 --> 00:52:46,000

he's a he's a young male you know really

1489

00:52:50,790 --> 00:52:48,800

kind of coming up it devastated them do

1490

00:52:52,870 --> 00:52:50,800

you know that because of what bouffant

1491

00:52:55,270 --> 00:52:52,880

and that tv show said

1492

00:52:57,270 --> 00:52:55,280

that his children were actually pulled

1493

00:52:58,069 --> 00:52:57,280

from school several times a year and

1494

00:53:00,470 --> 00:52:58,079

asked

1495

00:53:02,790 --> 00:53:00,480

how are things at home

1496

00:53:03,510 --> 00:53:02,800

is your dad still talking about alien

1497

00:53:05,589 --> 00:53:03,520

like

1498

00:53:08,390 --> 00:53:05,599

you can't even imagine the devastation

1499

00:53:10,710 --> 00:53:08,400

and this family even even almost broke

1500

00:53:12,950 --> 00:53:10,720

apart they were this close like hanging

1501

00:53:16,309 --> 00:53:12,960

on the thread and they've managed to

1502

00:53:19,109 --> 00:53:16,319

become back and back strong and that's

1503

00:53:21,270 --> 00:53:19,119

just uh the will of you know it's it's a

1504

00:53:23,030 --> 00:53:21,280

good example for other people who may be

1505

00:53:25,750 --> 00:53:23,040

having a hard time with some things is

1506

00:53:28,150 --> 00:53:25,760

that you know with the right structure

1507

00:53:29,829 --> 00:53:28,160

or the right kind of nudge you're going

1508

00:53:31,750 --> 00:53:29,839

to make it you're going to be okay

1509

00:53:34,390 --> 00:53:31,760

you're not going to be the same but you

1510

00:53:35,990 --> 00:53:34,400

but you can you can make things better

1511

00:53:38,069 --> 00:53:36,000

and that's that's well known if you're

1512

00:53:40,470 --> 00:53:38,079

in this subject or in this topic i think

1513

00:53:42,549 --> 00:53:40,480

we've all experienced to some degree

1514

00:53:43,990 --> 00:53:42,559

you and then like like almost more

1515

00:53:45,510 --> 00:53:44,000

celebrity you've had and you've appeared

1516

00:53:48,230 --> 00:53:45,520

on tv shows and everything so we can say

1517

00:53:50,230 --> 00:53:48,240

that too that you get a lot of flack

1518

00:53:51,990 --> 00:53:50,240

whether it's from family from friends

1519

00:53:53,750 --> 00:53:52,000

from colleagues the subject still has

1520

00:53:55,910 --> 00:53:53,760

that stigma and there are questions

1521

00:53:57,349 --> 00:53:55,920

based on that as well but you've said

1522

00:53:58,470 --> 00:53:57,359

that i was really interested in the way

1523

00:54:00,549 --> 00:53:58,480

you answered part of one of the

1524

00:54:02,230 --> 00:54:00,559

questions and i appreciate it's

1525

00:54:03,990 --> 00:54:02,240

for all i like to talk about the subject

1526

00:54:05,510 --> 00:54:04,000

seriously and objectively

1527

00:54:07,829 --> 00:54:05,520

no matter who you speak to when you

1528

00:54:09,829 --> 00:54:07,839

start asking about moon bases

1529

00:54:12,549 --> 00:54:09,839

that is a more out there aspect to the

1530

00:54:15,270 --> 00:54:12,559

subject but still you said that maybe

1531

00:54:17,349 --> 00:54:15,280

potentially you're just not there yet to

1532

00:54:19,270 --> 00:54:17,359

discuss or think or really be able to

1533

00:54:21,190 --> 00:54:19,280

open up that that may have happened or

1534

00:54:25,349 --> 00:54:21,200

may not have have you ever thought about

1535

00:54:26,710 --> 00:54:25,359

or tried hypnotic regression for that um

1536

00:54:29,190 --> 00:54:26,720

i i have

1537

00:54:31,030 --> 00:54:29,200

and i've actually been offered by some

1538

00:54:33,030 --> 00:54:31,040

of the best out here and

1539

00:54:34,630 --> 00:54:33,040

the reason i don't is i kind of feel

1540

00:54:36,870 --> 00:54:34,640

like if i if i'm not remembering

1541

00:54:39,990 --> 00:54:36,880

something maybe i'm not supposed to

1542

00:54:41,750 --> 00:54:40,000

and i'm okay but i'm stable right now

1543

00:54:43,510 --> 00:54:41,760

it's like you know things are going

1544

00:54:46,150 --> 00:54:43,520

really well do i really want to like

1545

00:54:48,309 --> 00:54:46,160

flip my life upside down and it and it

1546

00:54:50,230 --> 00:54:48,319

to me it's like if it happened that's

1547

00:54:51,990 --> 00:54:50,240

great um and how am i gonna prove it

1548

00:54:52,710 --> 00:54:52,000

anyway i mean what good is that going to

1549

00:54:54,789 --> 00:54:52,720

do

1550

00:54:57,190 --> 00:54:54,799

in the long run you look at people like

1551

00:55:00,230 --> 00:54:57,200

travis walton who has one of like or

1552

00:55:03,030 --> 00:55:00,240

chris bledsoe the most amazing credible

1553

00:55:04,630 --> 00:55:03,040

stories ever my favorite part of travis

1554

00:55:06,470 --> 00:55:04,640

walton is he never said he was an

1555

00:55:07,829 --> 00:55:06,480

abductee that was all done for him

1556

00:55:10,150 --> 00:55:07,839

before he got back

1557

00:55:12,710 --> 00:55:10,160

so you know these guys have been

1558

00:55:14,630 --> 00:55:12,720

they've been shredded and shredded and

1559

00:55:16,069 --> 00:55:14,640

shredded and

1560

00:55:19,190 --> 00:55:16,079

why i

1561

00:55:21,030 --> 00:55:19,200

i just i tell my i tell my witnesses you

1562

00:55:24,230 --> 00:55:21,040

want to come out

1563

00:55:26,309 --> 00:55:24,240

potentially this this could happen

1564

00:55:27,910 --> 00:55:26,319

potentially you get invited to a couple

1565

00:55:29,829 --> 00:55:27,920

conferences and then people kind of

1566

00:55:33,510 --> 00:55:29,839

forget you after a while

1567

00:55:35,030 --> 00:55:33,520

um you know so i'm very very blunt

1568

00:55:37,589 --> 00:55:35,040

and i just gave him the whole picture

1569

00:55:39,270 --> 00:55:37,599

some come out some don't

1570

00:55:41,190 --> 00:55:39,280

did you speak to luella's owned about

1571

00:55:41,990 --> 00:55:41,200

the experience

1572

00:55:43,990 --> 00:55:42,000

um

1573

00:55:46,390 --> 00:55:44,000

you know i don't think i have and it's

1574

00:55:48,230 --> 00:55:46,400

mostly because when we're together like

1575

00:55:50,789 --> 00:55:48,240

the last time i saw him he was here they

1576

00:55:53,270 --> 00:55:50,799

were filming in dc my husband and i met

1577

00:55:53,990 --> 00:55:53,280

him and um anthony

1578

00:55:58,950 --> 00:55:54,000

the

1579

00:56:02,230 --> 00:55:58,960

met for dinner and just had a really

1580

00:56:04,470 --> 00:56:02,240

great time um i've been to uh the to the

1581

00:56:05,750 --> 00:56:04,480

stars academy headquarters

1582

00:56:08,870 --> 00:56:05,760

three times

1583

00:56:11,430 --> 00:56:08,880

um one was a with a meeting um the other

1584

00:56:13,510 --> 00:56:11,440

two were just kind of hey we're you know

1585

00:56:15,109 --> 00:56:13,520

down in 29 palms visiting my son what

1586

00:56:17,270 --> 00:56:15,119

are you doing he's like come on up i

1587

00:56:19,589 --> 00:56:17,280

can't stand it so you know we'll go up

1588

00:56:20,549 --> 00:56:19,599

there and again extremely generous

1589

00:56:21,910 --> 00:56:20,559

because

1590

00:56:24,710 --> 00:56:21,920

and i'm just gonna

1591

00:56:27,109 --> 00:56:24,720

be honest we go out to the store and i'm

1592

00:56:29,109 --> 00:56:27,119

like oh i need some swag he's like pick

1593

00:56:31,270 --> 00:56:29,119

out anything you want it's on me so i

1594

00:56:32,710 --> 00:56:31,280

mean you know and my husband was with us

1595

00:56:36,549 --> 00:56:32,720

because honestly

1596

00:56:39,430 --> 00:56:36,559

lou is my husband texts him as much as i

1597

00:56:40,630 --> 00:56:39,440

do so to speak and um they're veterans

1598

00:56:42,549 --> 00:56:40,640

they're

1599

00:56:44,789 --> 00:56:42,559

military veterans together they come

1600

00:56:47,030 --> 00:56:44,799

from the same cloth and they knew each

1601
00:56:49,349 --> 00:56:47,040
other their brothers and so there's

1602
00:56:50,390 --> 00:56:49,359
there was an immediate bond between all

1603
00:56:51,190 --> 00:56:50,400
of us

1604
00:56:53,190 --> 00:56:51,200
and

1605
00:56:54,630 --> 00:56:53,200
to this day he treats me kind of like a

1606
00:56:56,630 --> 00:56:54,640
little sister

1607
00:56:58,470 --> 00:56:56,640
well um if you ever know next time you

1608
00:57:00,230 --> 00:56:58,480
speak to lou i i just spent like a

1609
00:57:01,910 --> 00:57:00,240
hundred dollars on t-shirts and hoodies

1610
00:57:04,549 --> 00:57:01,920
so yeah you can tell me through an

1611
00:57:06,870 --> 00:57:04,559
autograph next time if this spots the

1612
00:57:08,150 --> 00:57:06,880
what's the name um but yeah i had to

1613
00:57:09,829 --> 00:57:08,160

give in as well because i've wanted to

1614

00:57:12,069 --> 00:57:09,839

buy some stuff from the store and listen

1615

00:57:13,190 --> 00:57:12,079

i've always said it's not a secret and

1616

00:57:15,349 --> 00:57:13,200

i'm sure those people listen to this

1617

00:57:17,349 --> 00:57:15,359

that hate to the stars and i bang on

1618

00:57:20,549 --> 00:57:17,359

about it i'm an absolute fanboy for this

1619

00:57:21,670 --> 00:57:20,559

unidentified for lou tom the whole crew

1620

00:57:23,510 --> 00:57:21,680

what they do

1621

00:57:26,230 --> 00:57:23,520

yes they've made mistakes no they're not

1622

00:57:27,589 --> 00:57:26,240

perfect and i i don't think people have

1623

00:57:29,109 --> 00:57:27,599

to believe in them but whether you

1624

00:57:31,030 --> 00:57:29,119

believe their whole story whatever

1625

00:57:32,870 --> 00:57:31,040

they're doing they have opened up this

1626
00:57:33,990 --> 00:57:32,880
conversation in a way that no one else

1627
00:57:35,910 --> 00:57:34,000
ever has

1628
00:57:38,870 --> 00:57:35,920
and i feel there's a whole part of

1629
00:57:41,510 --> 00:57:38,880
ufology in the history of it that is not

1630
00:57:44,230 --> 00:57:41,520
irrelevant now but it's time that that's

1631
00:57:46,390 --> 00:57:44,240
locked up and moved on from

1632
00:57:49,030 --> 00:57:46,400
because

1633
00:57:51,589 --> 00:57:49,040
academy has outgrown

1634
00:57:52,630 --> 00:57:51,599
the status quo they have raised that bar

1635
00:57:54,549 --> 00:57:52,640
so high

1636
00:57:56,789 --> 00:57:54,559
that if you're not having you know

1637
00:58:00,230 --> 00:57:56,799
people with almost security clearances

1638
00:58:02,470 --> 00:58:00,240

and evidence and videos from our best

1639

00:58:03,910 --> 00:58:02,480

tech out there you know our

1640

00:58:07,510 --> 00:58:03,920

fighter jets

1641

00:58:09,430 --> 00:58:07,520

gathering information and so um yeah and

1642

00:58:10,630 --> 00:58:09,440

they've raised the bar and i it needed

1643

00:58:13,030 --> 00:58:10,640

to be done

1644

00:58:16,230 --> 00:58:13,040

um we've been redundant spinning wheels

1645

00:58:18,309 --> 00:58:16,240

i mean you know mufon has a decent role

1646

00:58:19,990 --> 00:58:18,319

as collecting reports

1647

00:58:21,430 --> 00:58:20,000

what have they what have they put out in

1648

00:58:24,710 --> 00:58:21,440

50 years

1649

00:58:27,829 --> 00:58:24,720

zitch zilch nothing and that really has

1650

00:58:30,230 --> 00:58:27,839

affected the field of ufology or

1651

00:58:32,630 --> 00:58:30,240

science behind it or anything so

1652

00:58:34,150 --> 00:58:32,640

you know i think these groups and you

1653

00:58:35,430 --> 00:58:34,160

know even some of the investigators like

1654

00:58:38,150 --> 00:58:35,440

myself if you're not going to up the

1655

00:58:41,109 --> 00:58:38,160

game if you're not going to

1656

00:58:43,270 --> 00:58:41,119

somehow work on security clearances you

1657

00:58:45,829 --> 00:58:43,280

won't be part of the discussion in the

1658

00:58:48,230 --> 00:58:45,839

future of where this is going unless

1659

00:58:50,470 --> 00:58:48,240

you're a young gun these young guys

1660

00:58:53,109 --> 00:58:50,480

i'm not even joking like you're you're

1661

00:58:55,510 --> 00:58:53,119

one of the you know front guys as one of

1662

00:58:57,510 --> 00:58:55,520

the young guns see danny silva there's

1663

00:59:01,030 --> 00:58:57,520

there's a few others and they're rocking

1664

00:59:02,950 --> 00:59:01,040

it and people like me and george knapp

1665

00:59:05,510 --> 00:59:02,960

and a lot of other people are looking at

1666

00:59:08,390 --> 00:59:05,520

them richard dolan and we're looking at

1667

00:59:10,069 --> 00:59:08,400

you guys like thank frigging goodness

1668

00:59:12,549 --> 00:59:10,079

because you're coming at this in the way

1669

00:59:14,549 --> 00:59:12,559

it should be you're not stumbling around

1670

00:59:16,630 --> 00:59:14,559

in a field you know with a little you

1671

00:59:19,829 --> 00:59:16,640

know pencil and pen

1672

00:59:22,230 --> 00:59:19,839

which or paper which you know okay so

1673

00:59:24,069 --> 00:59:22,240

you say this where's the evidence so you

1674

00:59:26,390 --> 00:59:24,079

guys are really pushing this even

1675

00:59:27,589 --> 00:59:26,400

further up and a lot of people can't

1676
00:59:29,750 --> 00:59:27,599
keep up with you and i think that's

1677
00:59:31,670 --> 00:59:29,760
where some of the resentment may be but

1678
00:59:34,390 --> 00:59:31,680
suck it up people because

1679
00:59:37,910 --> 00:59:34,400
we're all about this this movement going

1680
00:59:40,470 --> 00:59:37,920
forward and we needed the young guns we

1681
00:59:43,109 --> 00:59:40,480
needed the younger guys to come take

1682
00:59:44,789 --> 00:59:43,119
over like i'm old linda molten howl like

1683
00:59:45,910 --> 00:59:44,799
we're we're getting up there to where

1684
00:59:48,390 --> 00:59:45,920
we're almo

1685
00:59:49,910 --> 00:59:48,400
am i going to retire no i don't think so

1686
00:59:52,390 --> 00:59:49,920
but

1687
00:59:56,069 --> 00:59:52,400
you know i think there's things that we

1688
00:59:59,510 --> 00:59:56,079

have to i love um i've asked deep

1689

01:00:03,430 --> 00:59:59,520

uh deep friezad on ufo twitter he's

1690

01:00:06,069 --> 01:00:03,440

helped in a very very um important case

1691

01:00:07,670 --> 01:00:06,079

that's actually um

1692

01:00:09,190 --> 01:00:07,680

tremendously

1693

01:00:11,109 --> 01:00:09,200

it's like one of the best cases i've

1694

01:00:13,430 --> 01:00:11,119

ever had and

1695

01:00:16,069 --> 01:00:13,440

i reached out to him because of what his

1696

01:00:18,789 --> 01:00:16,079

science has done his science backing up

1697

01:00:21,589 --> 01:00:18,799

and he worked with my witnesses like

1698

01:00:23,910 --> 01:00:21,599

they were amazing and so you know i need

1699

01:00:25,910 --> 01:00:23,920

we we need to start bringing in you know

1700

01:00:27,910 --> 01:00:25,920

the younger groups everyone knows i love

1701

01:00:30,630 --> 01:00:27,920

danny silva call me a fangirl i don't

1702

01:00:32,789 --> 01:00:30,640

care i love the guy and you know it's

1703

01:00:35,109 --> 01:00:32,799

just that's that's how all this goes but

1704

01:00:37,109 --> 01:00:35,119

ufo twitter is kind of my favorite go-to

1705

01:00:38,549 --> 01:00:37,119

right now because the

1706

01:00:39,910 --> 01:00:38,559

people that are following that are

1707

01:00:41,750 --> 01:00:39,920

involved

1708

01:00:43,750 --> 01:00:41,760

does it get a little dicey sometimes

1709

01:00:45,750 --> 01:00:43,760

yeah and that's okay

1710

01:00:48,470 --> 01:00:45,760

does it get a little heated and debate

1711

01:00:51,030 --> 01:00:48,480

it does that's okay

1712

01:00:52,230 --> 01:00:51,040

what it is is this this core group of

1713

01:00:54,789 --> 01:00:52,240

people

1714

01:00:56,549 --> 01:00:54,799

that you know there's paul and stephen

1715

01:00:58,870 --> 01:00:56,559

and you you know you know them all like

1716

01:00:59,990 --> 01:00:58,880

we're all like there's a core and we're

1717

01:01:01,990 --> 01:01:00,000

going to work together and we're going

1718

01:01:03,430 --> 01:01:02,000

to keep pushing this forward

1719

01:01:04,789 --> 01:01:03,440

and and that's that and what excites me

1720

01:01:07,030 --> 01:01:04,799

just before i move on is i'm going to

1721

01:01:09,510 --> 01:01:07,040

talk about roswell the phoenix lights

1722

01:01:12,069 --> 01:01:09,520

betty and barney hill travis walton

1723

01:01:14,150 --> 01:01:12,079

all these cases have their place

1724

01:01:16,789 --> 01:01:14,160

and yeah have yet to be properly

1725

01:01:18,150 --> 01:01:16,799

explained and i do mean like as in 100

1726

01:01:20,230 --> 01:01:18,160

this is what happened

1727

01:01:22,710 --> 01:01:20,240

and what i'd rather as the next time we

1728

01:01:24,950 --> 01:01:22,720

really discuss those in great detail is

1729

01:01:26,309 --> 01:01:24,960

because of what potentially tsa or

1730

01:01:28,390 --> 01:01:26,319

another group that might come along who

1731

01:01:30,309 --> 01:01:28,400

knows what they find out and what comes

1732

01:01:32,069 --> 01:01:30,319

to fruition those are then being

1733

01:01:34,470 --> 01:01:32,079

explained as to here's what actually

1734

01:01:36,630 --> 01:01:34,480

happened because we've got incidents

1735

01:01:38,630 --> 01:01:36,640

we're finding out happening last week

1736

01:01:40,470 --> 01:01:38,640

today maybe right now there's a nuclear

1737

01:01:43,270 --> 01:01:40,480

carrier group out somewhere in an ocean

1738

01:01:45,190 --> 01:01:43,280

being buzzed by tic tacs and if it's us

1739

01:01:46,789 --> 01:01:45,200

technology wow

1740

01:01:48,630 --> 01:01:46,799

how did they break the laws of physics

1741

01:01:50,390 --> 01:01:48,640

and when did they get this and how did

1742

01:01:51,430 --> 01:01:50,400

they discover it is it back engineered

1743

01:01:53,270 --> 01:01:51,440

does it

1744

01:01:55,029 --> 01:01:53,280

what happened that that's fine but if

1745

01:01:56,950 --> 01:01:55,039

it's something else then great but this

1746

01:01:59,190 --> 01:01:56,960

stuff's happening now this is the stuff

1747

01:02:01,190 --> 01:01:59,200

i want to see and hear about and see the

1748

01:02:03,190 --> 01:02:01,200

cool videos of because everyone from

1749

01:02:05,430 --> 01:02:03,200

roswell's dying are dead which is which

1750

01:02:07,829 --> 01:02:05,440

is awful but it's because it's been so

1751

01:02:10,549 --> 01:02:07,839

long whereas i feel it's it's incredible

1752

01:02:12,789 --> 01:02:10,559

how quickly people want to move on past

1753

01:02:15,190 --> 01:02:12,799

the nimitz princeton incident for me for

1754

01:02:17,750 --> 01:02:15,200

me that's the new roswell as we stand

1755

01:02:19,829 --> 01:02:17,760

but people are sick of it already

1756

01:02:22,390 --> 01:02:19,839

yes absolutely and you're correct and

1757

01:02:24,309 --> 01:02:22,400

that's you know in rental shop you know

1758

01:02:27,349 --> 01:02:24,319

one of the best documents my favorite

1759

01:02:29,910 --> 01:02:27,359

case actually and you know but

1760

01:02:31,750 --> 01:02:29,920

we've heard him for the last 40 years

1761

01:02:33,589 --> 01:02:31,760

come on guys like we have to have

1762

01:02:36,789 --> 01:02:33,599

something different which was what was

1763

01:02:39,109 --> 01:02:36,799

so refreshing when you know um when lou

1764

01:02:40,710 --> 01:02:39,119

put the stealth out here and you know

1765

01:02:43,270 --> 01:02:40,720

this is a guy of

1766

01:02:45,829 --> 01:02:43,280

tremendous honor and character so you

1767

01:02:49,349 --> 01:02:45,839

know when you look back on his career

1768

01:02:51,589 --> 01:02:49,359

and vetted a dd214 the guy's not lying

1769

01:02:53,990 --> 01:02:51,599

about any of it um

1770

01:02:57,430 --> 01:02:54,000

you know we needed that we needed that

1771

01:02:59,349 --> 01:02:57,440

new boost of a little adrenaline to get

1772

01:03:01,510 --> 01:02:59,359

guys like you

1773

01:03:03,589 --> 01:03:01,520

in the game full-time

1774

01:03:05,430 --> 01:03:03,599

helping us run those balls down in fact

1775

01:03:08,630 --> 01:03:05,440

um i would say that a lot of you guys

1776

01:03:10,710 --> 01:03:08,640

are you know uh quarterbacking now

1777

01:03:13,510 --> 01:03:10,720

so shauna who is one of the patreons as

1778

01:03:15,510 --> 01:03:13,520

well she's got a couple of questions um

1779

01:03:17,910 --> 01:03:15,520

have you got any advice on how to change

1780

01:03:20,309 --> 01:03:17,920

someone's beliefs when it comes to ufo

1781

01:03:22,950 --> 01:03:20,319

or paranormal events when the evidence

1782

01:03:24,950 --> 01:03:22,960

just isn't enough for them

1783

01:03:27,270 --> 01:03:24,960

yeah a lot of times you're not going to

1784

01:03:29,910 --> 01:03:27,280

change their mind what you can do is

1785

01:03:32,150 --> 01:03:29,920

just maybe challenge them with some of

1786

01:03:33,990 --> 01:03:32,160

the latest evidence which is

1787

01:03:36,230 --> 01:03:34,000

you know a lot of people will kind of i

1788

01:03:37,910 --> 01:03:36,240

love ancient aliens obviously

1789

01:03:40,150 --> 01:03:37,920

i believe some of it some of it it's a

1790

01:03:41,829 --> 01:03:40,160

little stretched farfetch'd for me but

1791

01:03:43,990 --> 01:03:41,839

um

1792

01:03:46,789 --> 01:03:44,000

you look unidentified and the people

1793

01:03:48,789 --> 01:03:46,799

behind the new york times article and

1794

01:03:51,510 --> 01:03:48,799

just the credentials and

1795

01:03:52,309 --> 01:03:51,520

to remind them of the tech these this is

1796

01:03:55,430 --> 01:03:52,319

our

1797

01:03:58,150 --> 01:03:55,440

millions of dollars spent on a camera

1798

01:04:00,309 --> 01:03:58,160

in a freaking flyer or a jet right a

1799

01:04:01,750 --> 01:04:00,319

fighter jet and you know it comes up

1800

01:04:04,549 --> 01:04:01,760

with this kind of evidence and then you

1801
01:04:05,750 --> 01:04:04,559
have witnesses of some of our the most

1802
01:04:09,430 --> 01:04:05,760
trained

1803
01:04:10,789 --> 01:04:09,440
and dedicated smartest people to fly

1804
01:04:12,309 --> 01:04:10,799
these jets

1805
01:04:13,829 --> 01:04:12,319
and and they're trained observers

1806
01:04:15,190 --> 01:04:13,839
obviously they know what's up there and

1807
01:04:17,589 --> 01:04:15,200
they're telling you we didn't know what

1808
01:04:18,549 --> 01:04:17,599
it was and here's the proof and we sent

1809
01:04:21,109 --> 01:04:18,559
it to

1810
01:04:23,109 --> 01:04:21,119
how many labs you know labs that we

1811
01:04:25,589 --> 01:04:23,119
could never eat we don't even know about

1812
01:04:27,029 --> 01:04:25,599
right like you know what every

1813
01:04:28,309 --> 01:04:27,039

and and they're coming out and then

1814

01:04:29,510 --> 01:04:28,319

you've got some guys saying it's a

1815

01:04:31,109 --> 01:04:29,520

seagull so

1816

01:04:34,870 --> 01:04:31,119

it's just

1817

01:04:36,710 --> 01:04:34,880

that's our world yeah and i mean

1818

01:04:39,270 --> 01:04:36,720

i would i would go with the best

1819

01:04:41,029 --> 01:04:39,280

evidence and modern evidence

1820

01:04:43,670 --> 01:04:41,039

because that's what's playing right now

1821

01:04:46,150 --> 01:04:43,680

like even on tucker so you know now that

1822

01:04:47,670 --> 01:04:46,160

is being given some respect in the

1823

01:04:49,589 --> 01:04:47,680

mainstream media

1824

01:04:51,349 --> 01:04:49,599

um but that that's what i would suggest

1825

01:04:53,349 --> 01:04:51,359

and if they don't come forward or they

1826

01:04:56,150 --> 01:04:53,359

don't drop they kind of probably don't

1827

01:04:58,470 --> 01:04:56,160

want to for whatever reason

1828

01:04:59,990 --> 01:04:58,480

and um you mentioned earlier on anthony

1829

01:05:02,230 --> 01:05:00,000

which was anthony lippe who's the

1830

01:05:05,029 --> 01:05:02,240

showrunner for unidentified and i spoke

1831

01:05:07,349 --> 01:05:05,039

with him for a preview of season two and

1832

01:05:08,950 --> 01:05:07,359

he mentioned that and all that testimony

1833

01:05:11,109 --> 01:05:08,960

that they had sent and

1834

01:05:12,950 --> 01:05:11,119

uh they actually had people from nasa

1835

01:05:15,190 --> 01:05:12,960

get in touch who just went ready to go

1836

01:05:17,029 --> 01:05:15,200

on camera with some of the things they

1837

01:05:19,029 --> 01:05:17,039

were talking about and i thought that

1838

01:05:20,630 --> 01:05:19,039

was incredible and you know if we get a

1839

01:05:22,630 --> 01:05:20,640

season three that would be great to hear

1840

01:05:24,710 --> 01:05:22,640

but like you say there's there's a lot

1841

01:05:26,470 --> 01:05:24,720

of really credible evidence coming out

1842

01:05:28,549 --> 01:05:26,480

there and as crazy as some of it might

1843

01:05:29,910 --> 01:05:28,559

sound these are from the people that

1844

01:05:31,510 --> 01:05:29,920

these are the ones you have to listen to

1845

01:05:33,190 --> 01:05:31,520

and have to believe

1846

01:05:34,390 --> 01:05:33,200

yeah because they have the security

1847

01:05:36,390 --> 01:05:34,400

clearances and are part of the

1848

01:05:38,470 --> 01:05:36,400

discussion that none of us are

1849

01:05:40,549 --> 01:05:38,480

and honestly

1850

01:05:42,789 --> 01:05:40,559

when he when anthony can say that

1851
01:05:44,549 --> 01:05:42,799
anthony's completely right and they're

1852
01:05:45,910 --> 01:05:44,559
even getting things

1853
01:05:48,390 --> 01:05:45,920
brought in

1854
01:05:50,870 --> 01:05:48,400
where i would imagine let me let me put

1855
01:05:54,069 --> 01:05:50,880
it this way i would imagine that lou

1856
01:05:56,470 --> 01:05:54,079
elizondo stephen justice and chris

1857
01:05:57,910 --> 01:05:56,480
mellon would be read into certain

1858
01:06:00,549 --> 01:05:57,920
aspects

1859
01:06:03,349 --> 01:06:00,559
of the phenomena even if it comes from

1860
01:06:05,910 --> 01:06:03,359
outside sources like nasa or you know

1861
01:06:06,789 --> 01:06:05,920
the army or even nsa

1862
01:06:08,789 --> 01:06:06,799
um

1863
01:06:10,789 --> 01:06:08,799

you know i've often said you know

1864

01:06:13,829 --> 01:06:10,799

ufology has always had this kind of

1865

01:06:16,230 --> 01:06:13,839

disdain for government people like a cia

1866

01:06:17,109 --> 01:06:16,240

guy can't see it have a sighting

1867

01:06:19,109 --> 01:06:17,119

like

1868

01:06:20,630 --> 01:06:19,119

we we've

1869

01:06:22,390 --> 01:06:20,640

kind of cut our nose off despite our

1870

01:06:24,309 --> 01:06:22,400

face for 50 years with a lot of the

1871

01:06:26,470 --> 01:06:24,319

thinking and mindset in this and you

1872

01:06:28,069 --> 01:06:26,480

know the pushback um even with

1873

01:06:29,349 --> 01:06:28,079

government you know when you when you're

1874

01:06:30,710 --> 01:06:29,359

trying to lobby or get someone's

1875

01:06:32,950 --> 01:06:30,720

attention you don't stand out there

1876

01:06:34,470 --> 01:06:32,960

screaming you're a liar you're hiding

1877

01:06:35,670 --> 01:06:34,480

everything and we want to know the truth

1878

01:06:41,109 --> 01:06:35,680

now

1879

01:06:44,549 --> 01:06:41,119

have had two full citizens hearings on

1880

01:06:46,390 --> 01:06:44,559

disclosure we have petitioned

1881

01:06:48,230 --> 01:06:46,400

they don't want us they

1882

01:06:49,910 --> 01:06:48,240

you know their mindset who are you gonna

1883

01:06:53,109 --> 01:06:49,920

call you gonna call a chase clitzy or

1884

01:06:54,870 --> 01:06:53,119

you can call steve justice

1885

01:06:56,309 --> 01:06:54,880

and listen as at this really good point

1886

01:06:58,789 --> 01:06:56,319

because i think sometimes you can just

1887

01:07:00,710 --> 01:06:58,799

get so lost in what we're used to like

1888

01:07:02,069 --> 01:07:00,720

this is the mindset this is what the

1889

01:07:03,990 --> 01:07:02,079

process we follow with these things

1890

01:07:06,630 --> 01:07:04,000

these are the questions that we always

1891

01:07:08,630 --> 01:07:06,640

ask i spoke to gary vertice pj hughes

1892

01:07:10,950 --> 01:07:08,640

and kevin day on a round table for the

1893

01:07:12,950 --> 01:07:10,960

incident or the nimitz princeton and and

1894

01:07:14,470 --> 01:07:12,960

they mentioned they were talking about

1895

01:07:16,150 --> 01:07:14,480

one of the things that people very

1896

01:07:19,029 --> 01:07:16,160

quickly will debunk the whole incident

1897

01:07:21,109 --> 01:07:19,039

of being u.s tech or a military trial or

1898

01:07:22,309 --> 01:07:21,119

test on its own people which let's be

1899

01:07:23,990 --> 01:07:22,319

honest i wouldn't put it past any

1900

01:07:24,710 --> 01:07:24,000

government to do that as bad as it may

1901

01:07:27,589 --> 01:07:24,720

be

1902

01:07:30,390 --> 01:07:27,599

um was how quickly people appeared on

1903

01:07:32,549 --> 01:07:30,400

the carrier after fravor commander favor

1904

01:07:34,390 --> 01:07:32,559

had he's like you know he's contact if

1905

01:07:36,069 --> 01:07:34,400

you want to call it that but they they

1906

01:07:38,230 --> 01:07:36,079

may they mentioned that remember this

1907

01:07:40,549 --> 01:07:38,240

wasn't an incident that happened in in

1908

01:07:43,270 --> 01:07:40,559

30 minutes in one day these things were

1909

01:07:44,470 --> 01:07:43,280

tracked by various organizations you

1910

01:07:47,510 --> 01:07:44,480

don't know who was looking at these

1911

01:07:48,870 --> 01:07:47,520

things for two weeks yep and

1912

01:07:51,270 --> 01:07:48,880

i think they actually mentioned that

1913

01:07:53,620 --> 01:07:51,280

there are organizat i suggested

1914

01:07:54,870 --> 01:07:53,630

something like you know a missile um

1915

01:07:56,630 --> 01:07:54,880

[Music]

1916

01:07:58,150 --> 01:07:56,640

what would you call a missile tracking

1917

01:08:00,230 --> 01:07:58,160

station that would look for

1918

01:08:01,750 --> 01:08:00,240

intercontinental ballistic missiles

1919

01:08:03,829 --> 01:08:01,760

potentially because they wouldn't name

1920

01:08:05,829 --> 01:08:03,839

it but they said there are stations on

1921

01:08:07,430 --> 01:08:05,839

the coast that may have been watching

1922

01:08:09,190 --> 01:08:07,440

these things coming from wherever they

1923

01:08:11,430 --> 01:08:09,200

were coming from and that's why they

1924

01:08:13,670 --> 01:08:11,440

were so quick to when there was any kind

1925

01:08:15,430 --> 01:08:13,680

of engagement appear on that carrier and

1926

01:08:18,149 --> 01:08:15,440

be like no we'll take that we'll take

1927

01:08:19,749 --> 01:08:18,159

this here's and so you can totally get

1928

01:08:21,590 --> 01:08:19,759

that and sometimes it's just that what

1929

01:08:23,430 --> 01:08:21,600

if that isn't out there yet and i think

1930

01:08:25,430 --> 01:08:23,440

people like luella's own though whether

1931

01:08:27,269 --> 01:08:25,440

you're a fan of his or not he's very

1932

01:08:29,030 --> 01:08:27,279

good at what he does and he's he's he

1933

01:08:30,630 --> 01:08:29,040

drops in like you say at least their

1934

01:08:33,110 --> 01:08:30,640

eggs and hints but sometimes not so

1935

01:08:34,950 --> 01:08:33,120

subtle when he'll say

1936

01:08:36,950 --> 01:08:34,960

what if this and he does that look that

1937

01:08:38,709 --> 01:08:36,960

you've probably seen in person but i've

1938

01:08:40,630 --> 01:08:38,719

watched on numerous youtube clips and

1939

01:08:43,110 --> 01:08:40,640

interviews where he looks up and away as

1940

01:08:44,550 --> 01:08:43,120

if how do i say this in a way that i'm

1941

01:08:47,030 --> 01:08:44,560

allowed to say

1942

01:08:49,430 --> 01:08:47,040

um yeah it just drops

1943

01:08:51,590 --> 01:08:49,440

which are which i always love um

1944

01:08:54,149 --> 01:08:51,600

but yeah um and you mentioned lobbying

1945

01:08:56,149 --> 01:08:54,159

in dc seana also wanted to ask how much

1946

01:08:58,070 --> 01:08:56,159

of your time do you still devote to

1947

01:08:59,910 --> 01:08:58,080

lobbying i know you're not registered

1948

01:09:01,910 --> 01:08:59,920

anymore for that and i'm not totally

1949

01:09:03,510 --> 01:09:01,920

clued up on lobbying but

1950

01:09:05,349 --> 01:09:03,520

yeah and i didn't register because i

1951

01:09:06,470 --> 01:09:05,359

never needed it it's it's it's a

1952

01:09:08,789 --> 01:09:06,480

registration

1953

01:09:11,189 --> 01:09:08,799

that's kind of like a look at me look at

1954

01:09:13,030 --> 01:09:11,199

me or you know i i don't know you know

1955

01:09:14,789 --> 01:09:13,040

how to describe it i just didn't need it

1956

01:09:16,709 --> 01:09:14,799

um if you have if you're the right

1957

01:09:17,590 --> 01:09:16,719

person with information that they want

1958

01:09:19,030 --> 01:09:17,600

to know

1959

01:09:21,110 --> 01:09:19,040

they're going to let you in and that's

1960

01:09:23,430 --> 01:09:21,120

exactly what happened i talked to junior

1961

01:09:26,550 --> 01:09:23,440

staffers i have talked to one senator

1962

01:09:28,470 --> 01:09:26,560

and some of the information was really

1963

01:09:30,950 --> 01:09:28,480

just backing up

1964

01:09:33,749 --> 01:09:30,960

some of the cases i knew about of

1965

01:09:35,669 --> 01:09:33,759

what to the stars is putting out but

1966

01:09:38,229 --> 01:09:35,679

you know um

1967

01:09:40,709 --> 01:09:38,239

lobbying right now um is almost

1968

01:09:41,910 --> 01:09:40,719

impossible because of kovid and you know

1969

01:09:43,829 --> 01:09:41,920

they're just not letting people if

1970

01:09:44,950 --> 01:09:43,839

you're not an essential you're not going

1971

01:09:47,269 --> 01:09:44,960

to get in

1972

01:09:50,229 --> 01:09:47,279

and but you can still make phone calls

1973

01:09:52,309 --> 01:09:50,239

and there are ufo twitter oh my gosh

1974

01:09:53,669 --> 01:09:52,319

like how active are we

1975

01:09:55,350 --> 01:09:53,679

as a group

1976

01:09:57,030 --> 01:09:55,360

calling emailing like we're always

1977

01:09:59,189 --> 01:09:57,040

putting that stuff on i put the i put

1978

01:10:00,950 --> 01:09:59,199

the number out for you know the senator

1979

01:10:03,510 --> 01:10:00,960

it's like here's their phone number guys

1980

01:10:05,350 --> 01:10:03,520

like call them and uh

1981

01:10:06,550 --> 01:10:05,360

but we have to be smart about it we

1982

01:10:08,229 --> 01:10:06,560

don't want to call and say you know we

1983

01:10:09,750 --> 01:10:08,239

know you're keeping secrets and we want

1984

01:10:10,709 --> 01:10:09,760

disclosure now

1985

01:10:14,149 --> 01:10:10,719

um

1986

01:10:18,229 --> 01:10:14,159

i would do it smart okay so so when i'm

1987

01:10:21,590 --> 01:10:18,239

talking to like senator um from kentucky

1988

01:10:23,189 --> 01:10:21,600

um oh i just lost his name

1989

01:10:25,270 --> 01:10:23,199

it'll come to me a minute anyway i'm

1990

01:10:27,510 --> 01:10:25,280

talking to him he's all about the money

1991

01:10:30,550 --> 01:10:27,520

so you know this is a libertarian this

1992

01:10:32,470 --> 01:10:30,560

is a tea party guy and so on you know i

1993

01:10:34,470 --> 01:10:32,480

call and i said you're really interested

1994

01:10:38,229 --> 01:10:34,480

i saw this thing on tucker tucker

1995

01:10:40,790 --> 01:10:38,239

carlson about these videos like

1996

01:10:43,110 --> 01:10:40,800

where's that money coming from like this

1997

01:10:45,510 --> 01:10:43,120

whole like eight tip like where did they

1998

01:10:47,270 --> 01:10:45,520

get that kind of money and you know if

1999

01:10:49,270 --> 01:10:47,280

it's a riled up it's like oh yeah i want

2000

01:10:51,270 --> 01:10:49,280

to know too and i and are they still

2001

01:10:53,189 --> 01:10:51,280

investing in this so these are the

2002

01:10:54,790 --> 01:10:53,199

questions that i ask when i'm there i'm

2003

01:10:55,910 --> 01:10:54,800

not gonna i'm not gonna sit there and

2004

01:10:57,669 --> 01:10:55,920

petition

2005

01:10:59,270 --> 01:10:57,679

and you know point fingers that the

2006

01:11:01,110 --> 01:10:59,280

government's keeping secrets of course

2007

01:11:02,709 --> 01:11:01,120

they're keeping secrets we have enemies

2008

01:11:04,950 --> 01:11:02,719

and even our friends spy on us how do

2009

01:11:06,950 --> 01:11:04,960

you think you know friggin israel got

2010

01:11:08,390 --> 01:11:06,960

you know their latest helicopter you

2011

01:11:10,310 --> 01:11:08,400

know so it's

2012

01:11:12,390 --> 01:11:10,320

there are realities paired that the

2013

01:11:14,470 --> 01:11:12,400

average person like myself

2014

01:11:15,910 --> 01:11:14,480

really doesn't realize until you get in

2015

01:11:18,709 --> 01:11:15,920

the game and the only way you're going

2016

01:11:20,310 --> 01:11:18,719

to get in that game is realize where

2017

01:11:22,630 --> 01:11:20,320

they're where the influence is coming

2018

01:11:25,270 --> 01:11:22,640

from and in dc

2019

01:11:26,709 --> 01:11:25,280

if you're an insider

2020

01:11:29,270 --> 01:11:26,719

and i'm telling you you can go and

2021

01:11:32,149 --> 01:11:29,280

you'll see steve bannon you'll see rahim

2022

01:11:34,390 --> 01:11:32,159

kasam you'll see jack maxey you go to

2023

01:11:36,149 --> 01:11:34,400

morton's steakhouse and you start a

2024

01:11:37,830 --> 01:11:36,159

discussion around the bar

2025

01:11:39,910 --> 01:11:37,840

the other place that's very very

2026

01:11:41,990 --> 01:11:39,920

effective where you're finding the right

2027

01:11:45,430 --> 01:11:42,000

people with the right connections is the

2028

01:11:46,709 --> 01:11:45,440

army navy club that's a club of former

2029

01:11:50,310 --> 01:11:46,719

officers

2030

01:11:52,870 --> 01:11:50,320

yeah

2031

01:11:54,550 --> 01:11:52,880

and you mingle and you share things and

2032

01:11:56,550 --> 01:11:54,560

you know they hook each other up and

2033

01:11:58,149 --> 01:11:56,560

they're you know giving giving you job

2034

01:11:59,270 --> 01:11:58,159

opportunities or whatever but there's

2035

01:12:01,189 --> 01:11:59,280

also

2036

01:12:02,310 --> 01:12:01,199

an avenue where you're learning

2037

01:12:04,310 --> 01:12:02,320

information

2038

01:12:06,870 --> 01:12:04,320

you're a trusted part if you're one of

2039

01:12:09,270 --> 01:12:06,880

them and that my husband is so

2040

01:12:10,149 --> 01:12:09,280

you know i think it's not so much you

2041

01:12:11,910 --> 01:12:10,159

know just

2042

01:12:13,910 --> 01:12:11,920

going up and you know walking the halls

2043

01:12:16,229 --> 01:12:13,920

anymore especially with coven they're

2044

01:12:18,390 --> 01:12:16,239

not it's not going to happen you have to

2045

01:12:21,110 --> 01:12:18,400

have the inside connections and know

2046

01:12:22,630 --> 01:12:21,120

where the discussion will be listened to

2047

01:12:24,149 --> 01:12:22,640

and move forward

2048

01:12:26,470 --> 01:12:24,159

and it's really interesting how you talk

2049

01:12:28,229 --> 01:12:26,480

about a senator and how if they've got a

2050

01:12:30,390 --> 01:12:28,239

particular interest in money you talk

2051

01:12:32,630 --> 01:12:30,400

about money that's very similar i'm

2052

01:12:34,149 --> 01:12:32,640

guessing to if you wanted to approach

2053

01:12:36,070 --> 01:12:34,159

the military you would use a threat

2054

01:12:38,149 --> 01:12:36,080

narrative because you would want to

2055

01:12:39,990 --> 01:12:38,159

discuss so and that's what i think

2056

01:12:41,990 --> 01:12:40,000

people get too hung up on

2057

01:12:43,510 --> 01:12:42,000

or talking about threat and these things

2058

01:12:45,830 --> 01:12:43,520

want to attack and how do we shoot them

2059

01:12:48,149 --> 01:12:45,840

down but no when you're talking military

2060

01:12:50,550 --> 01:12:48,159

you're you're talking defense and the

2061

01:12:52,229 --> 01:12:50,560

opposite of defense attack so that's how

2062

01:12:54,149 --> 01:12:52,239

you engage these people and how you get

2063

01:12:56,790 --> 01:12:54,159

into that conversation

2064

01:13:00,149 --> 01:12:56,800

and the guy i talked to was rand paul so

2065

01:13:01,830 --> 01:13:00,159

when you you contact him and right he

2066

01:13:04,390 --> 01:13:01,840

doesn't want to hear anything about ufos

2067

01:13:05,910 --> 01:13:04,400

he could care less or it's like well is

2068

01:13:09,350 --> 01:13:05,920

there something going on now i need to

2069

01:13:11,189 --> 01:13:09,360

know well yeah where's the money going

2070

01:13:13,430 --> 01:13:11,199

so you know you have to be you have to

2071

01:13:16,870 --> 01:13:13,440

play this and in dc it is a game i hate

2072

01:13:18,470 --> 01:13:16,880

to say it is horrible and it's brutal um

2073

01:13:19,350 --> 01:13:18,480

dc is tough

2074

01:13:20,709 --> 01:13:19,360

and

2075

01:13:23,430 --> 01:13:20,719

you've gotta

2076

01:13:26,229 --> 01:13:23,440

honestly be you need to fit in with the

2077

01:13:28,790 --> 01:13:26,239

the insiders if any information is going

2078

01:13:31,669 --> 01:13:28,800

anywhere and that's why lou and the guys

2079

01:13:34,229 --> 01:13:31,679

are at 150 percent

2080

01:13:35,669 --> 01:13:34,239

um the guys on the inside of all of this

2081

01:13:37,669 --> 01:13:35,679

right now

2082

01:13:39,270 --> 01:13:37,679

um that was shauna so carl had a

2083

01:13:41,750 --> 01:13:39,280

question which keeps us on the same

2084

01:13:43,990 --> 01:13:41,760

theme hi chase do you see the trend

2085

01:13:46,630 --> 01:13:44,000

continuing with more senators ignoring

2086

01:13:51,110 --> 01:13:46,640

the stigma on the subject and tackling

2087

01:13:56,390 --> 01:13:53,590

i think it's definitely in more the in

2088

01:13:59,430 --> 01:13:56,400

um the intelligence side of the house

2089

01:14:01,189 --> 01:13:59,440

and you know that kind of committee

2090

01:14:02,630 --> 01:14:01,199

the justice department's not going to be

2091

01:14:04,790 --> 01:14:02,640

involved in that or anything at this

2092

01:14:06,950 --> 01:14:04,800

time but intelligence committee has all

2093

01:14:08,950 --> 01:14:06,960

these subcommittees and once you start

2094

01:14:10,310 --> 01:14:08,960

getting working through that um i do

2095

01:14:12,390 --> 01:14:10,320

believe it's moving forward it's going

2096

01:14:15,189 --> 01:14:12,400

to be slow these guys can't even go to

2097

01:14:16,790 --> 01:14:15,199

work half the time it's annoying um they

2098

01:14:17,830 --> 01:14:16,800

don't even show up

2099

01:14:19,750 --> 01:14:17,840

so

2100

01:14:22,070 --> 01:14:19,760

right now i think you know kovitz kind

2101
01:14:24,790 --> 01:14:22,080
of flipped everything but make no bones

2102
01:14:27,189 --> 01:14:24,800
about this is still being taken

2103
01:14:28,630 --> 01:14:27,199
seriously and being moved not only

2104
01:14:30,550 --> 01:14:28,640
through the pentagon

2105
01:14:32,149 --> 01:14:30,560
but you know through the intelligence of

2106
01:14:32,950 --> 01:14:32,159
the people that should know

2107
01:14:35,030 --> 01:14:32,960
um

2108
01:14:38,070 --> 01:14:35,040
the the military hasn't stopped working

2109
01:14:40,630 --> 01:14:38,080
because of covet and neither have like

2110
01:14:42,709 --> 01:14:40,640
some of these you know the cia the fbi

2111
01:14:44,550 --> 01:14:42,719
whoever is involved in that um you know

2112
01:14:47,430 --> 01:14:44,560
they're not on break either

2113
01:14:50,470 --> 01:14:47,440

i'd like to follow up on that one with

2114

01:14:52,709 --> 01:14:50,480

has or is the us election

2115

01:14:54,390 --> 01:14:52,719

that's coming up affecting the progress

2116

01:14:56,310 --> 01:14:54,400

on this and is it going to make a

2117

01:14:58,790 --> 01:14:56,320

difference as to who gets into

2118

01:15:00,950 --> 01:14:58,800

government next as to how this

2119

01:15:03,910 --> 01:15:00,960

progresses or is there something that

2120

01:15:06,070 --> 01:15:03,920

is is apart from that

2121

01:15:07,830 --> 01:15:06,080

yeah and it doesn't matter like who

2122

01:15:09,669 --> 01:15:07,840

you're voting for or who you're rooting

2123

01:15:12,550 --> 01:15:09,679

for

2124

01:15:15,510 --> 01:15:12,560

i've always seen trump as a disrupter

2125

01:15:17,110 --> 01:15:15,520

this guy is not a career politician so

2126

01:15:19,350 --> 01:15:17,120

what do you do when

2127

01:15:22,149 --> 01:15:19,360

you know somebody comes in who is who

2128

01:15:23,669 --> 01:15:22,159

knows how dc works is don't run don't

2129

01:15:26,470 --> 01:15:23,679

ruffle this one

2130

01:15:29,030 --> 01:15:26,480

don't go after nancy pelosi you know let

2131

01:15:30,229 --> 01:15:29,040

her think she's a neck or whatever you

2132

01:15:31,910 --> 01:15:30,239

know it's

2133

01:15:34,790 --> 01:15:31,920

i think we need a disrupter i think we

2134

01:15:37,270 --> 01:15:34,800

need someone who doesn't give a crap

2135

01:15:40,070 --> 01:15:37,280

who it pisses off if there's secret

2136

01:15:42,870 --> 01:15:40,080

keepers over here i don't think he cares

2137

01:15:45,270 --> 01:15:42,880

um he's talked about it a little bit um

2138

01:15:47,910 --> 01:15:45,280

i haven't heard biden say anything so

2139

01:15:49,990 --> 01:15:47,920

you know we'll we'll see what happens um

2140

01:15:52,470 --> 01:15:50,000

but i don't think it's necessarily about

2141

01:15:54,229 --> 01:15:52,480

the president anymore they're temporary

2142

01:15:56,229 --> 01:15:54,239

employees they're not going to get

2143

01:15:57,669 --> 01:15:56,239

everything everybody knows and they

2144

01:16:01,910 --> 01:15:57,679

don't want anything they just get the

2145

01:16:03,830 --> 01:16:01,920

most important but they're temporary so

2146

01:16:05,189 --> 01:16:03,840

you know they may not get everything if

2147

01:16:08,310 --> 01:16:05,199

that makes sense

2148

01:16:10,310 --> 01:16:08,320

absolutely acom on twitter was asking

2149

01:16:12,149 --> 01:16:10,320

what do you think the next steps are for

2150

01:16:14,470 --> 01:16:12,159

congress

2151
01:16:16,390 --> 01:16:14,480
i think they need to push through um

2152
01:16:18,709 --> 01:16:16,400
which i think that people think it's

2153
01:16:20,470 --> 01:16:18,719
already passed and it hasn't

2154
01:16:22,790 --> 01:16:20,480
this spill is still sitting

2155
01:16:23,510 --> 01:16:22,800
um it's through everything it needs to

2156
01:16:29,590 --> 01:16:23,520
be

2157
01:16:33,189 --> 01:16:29,600
once that goes forward

2158
01:16:35,669 --> 01:16:33,199
then we start asking about these

2159
01:16:37,910 --> 01:16:35,679
mysterious objects and and things like

2160
01:16:39,430 --> 01:16:37,920
this as we go forward

2161
01:16:41,510 --> 01:16:39,440
again it's how you

2162
01:16:42,870 --> 01:16:41,520
message this if you're going to get a

2163
01:16:44,709 --> 01:16:42,880

response

2164

01:16:46,149 --> 01:16:44,719

but it's the people that need to keep

2165

01:16:48,070 --> 01:16:46,159

this going

2166

01:16:50,550 --> 01:16:48,080

because if they're not interested it's

2167

01:16:53,669 --> 01:16:50,560

going to go right back where it usually

2168

01:16:56,229 --> 01:16:53,679

is that's the military complex

2169

01:16:58,870 --> 01:16:56,239

are you hopeful um that

2170

01:17:01,990 --> 01:16:58,880

if and when this uap task force comes to

2171

01:17:04,870 --> 01:17:02,000

fruition and pub sort of report that

2172

01:17:07,189 --> 01:17:04,880

it's it's worthwhile

2173

01:17:08,950 --> 01:17:07,199

yes but we won't see it

2174

01:17:11,590 --> 01:17:08,960

we may get some of it

2175

01:17:12,950 --> 01:17:11,600

but we're not going to see that report

2176
01:17:14,630 --> 01:17:12,960
and you mean we're not going to see the

2177
01:17:16,390 --> 01:17:14,640
good stuff that we want to actually see

2178
01:17:17,750 --> 01:17:16,400
that's that's the issue

2179
01:17:20,229 --> 01:17:17,760
but we're not going to get to see the

2180
01:17:22,229 --> 01:17:20,239
good stuff that we would want to see

2181
01:17:23,750 --> 01:17:22,239
no because if we really do have it in

2182
01:17:25,590 --> 01:17:23,760
our possession

2183
01:17:28,149 --> 01:17:25,600
and i believe we do

2184
01:17:31,030 --> 01:17:28,159
um we don't want russia and china to

2185
01:17:32,709 --> 01:17:31,040
know and even take this even further

2186
01:17:34,310 --> 01:17:32,719
does that make sense like we don't want

2187
01:17:37,510 --> 01:17:34,320
them to know because now it's a new

2188
01:17:39,030 --> 01:17:37,520

target of espionage

2189

01:17:42,390 --> 01:17:39,040

it's very technical when you start

2190

01:17:43,430 --> 01:17:42,400

thinking of national security

2191

01:17:44,790 --> 01:17:43,440

that's a good point because that's

2192

01:17:46,470 --> 01:17:44,800

something like obviously you

2193

01:17:49,189 --> 01:17:46,480

straightaway go to the superpowers

2194

01:17:51,189 --> 01:17:49,199

russia china us and if one of them's got

2195

01:17:53,030 --> 01:17:51,199

it then it's a new technology but then i

2196

01:17:54,630 --> 01:17:53,040

never thought about espionage before and

2197

01:17:56,149 --> 01:17:54,640

then you start to get about james bond

2198

01:17:58,070 --> 01:17:56,159

with it don't you that you then have

2199

01:17:59,750 --> 01:17:58,080

people infiltrating and spies within

2200

01:18:01,990 --> 01:17:59,760

governments and passing things back and

2201

01:18:03,830 --> 01:18:02,000

forward so yeah it just opens up

2202

01:18:05,669 --> 01:18:03,840

arguments that you see the common people

2203

01:18:08,070 --> 01:18:05,679

we just don't think about and it goes

2204

01:18:10,229 --> 01:18:08,080

into like heavy conspiracy territory but

2205

01:18:12,390 --> 01:18:10,239

it's just also fact that there's a lot

2206

01:18:14,709 --> 01:18:12,400

of money and power at stake and it goes

2207

01:18:16,149 --> 01:18:14,719

beyond you know are our aliens real yes

2208

01:18:19,350 --> 01:18:16,159

or no

2209

01:18:21,110 --> 01:18:19,360

yeah and just having that exotic tech

2210

01:18:22,950 --> 01:18:21,120

it'd be the new cold war i mean you

2211

01:18:25,590 --> 01:18:22,960

think of the cold war it's all about you

2212

01:18:27,830 --> 01:18:25,600

know obtaining uranium and nukes and you

2213

01:18:30,470 --> 01:18:27,840

know the fastest plane and you know it

2214

01:18:32,070 --> 01:18:30,480

was just his big arms

2215

01:18:34,630 --> 01:18:32,080

and it very well could turn into that

2216

01:18:36,950 --> 01:18:34,640

again if there's you know confirmation

2217

01:18:38,390 --> 01:18:36,960

on certain things and i just don't i

2218

01:18:39,830 --> 01:18:38,400

just don't think our

2219

01:18:41,910 --> 01:18:39,840

protectors or the people that are in

2220

01:18:43,510 --> 01:18:41,920

charge of our safety are going to put

2221

01:18:45,510 --> 01:18:43,520

that out there

2222

01:18:47,990 --> 01:18:45,520

and that leads us on to a similar

2223

01:18:51,189 --> 01:18:48,000

question from breakwater do you believe

2224

01:18:53,430 --> 01:18:51,199

we have crashed materials from ufos to

2225

01:18:55,430 --> 01:18:53,440

the stars academy have said we do but

2226

01:18:59,030 --> 01:18:55,440

where would these materials be or is it

2227

01:19:04,950 --> 01:19:01,669

no they're not lying they absolutely um

2228

01:19:06,709 --> 01:19:04,960

know of crashed material and there are

2229

01:19:09,510 --> 01:19:06,719

several ways now i don't know where they

2230

01:19:10,950 --> 01:19:09,520

store it but and i've never been told

2231

01:19:13,590 --> 01:19:10,960

that's a good question i should ask that

2232

01:19:15,270 --> 01:19:13,600

next time but truthful right

2233

01:19:17,990 --> 01:19:15,280

truthfully um

2234

01:19:19,910 --> 01:19:18,000

didn't robert babylo like he's been like

2235

01:19:23,030 --> 01:19:19,920

a center trusted

2236

01:19:25,750 --> 01:19:23,040

contractor in this whole thing forever

2237

01:19:28,950 --> 01:19:25,760

then he admitted building a larger

2238

01:19:31,910 --> 01:19:28,960

warehouse to store some of these objects

2239

01:19:34,310 --> 01:19:31,920

um i would i would

2240

01:19:35,430 --> 01:19:34,320

if it was me i would guess that he had

2241

01:19:37,510 --> 01:19:35,440

most of it

2242

01:19:40,550 --> 01:19:37,520

and the reason being being private

2243

01:19:42,310 --> 01:19:40,560

industry he's not required for you so

2244

01:19:44,310 --> 01:19:42,320

that he doesn't have to tell anybody

2245

01:19:46,229 --> 01:19:44,320

anything including the government so

2246

01:19:47,990 --> 01:19:46,239

it's probably the safest place to keep

2247

01:19:50,149 --> 01:19:48,000

it he had the security he had the right

2248

01:19:52,790 --> 01:19:50,159

bit you know he had everything he needed

2249

01:19:54,870 --> 01:19:52,800

to put it there that's my personal guess

2250

01:19:57,990 --> 01:19:54,880

i don't think area 51 and all that i

2251

01:19:59,350 --> 01:19:58,000

think it's in private industry

2252

01:20:01,030 --> 01:19:59,360

and that was something that follows up

2253

01:20:04,870 --> 01:20:01,040

on the there was a lot of focus on the

2254

01:20:07,189 --> 01:20:04,880

22 million dollar budget that atep or

2255

01:20:08,629 --> 01:20:07,199

sap had when a lot of people made the

2256

01:20:10,709 --> 01:20:08,639

point of that

2257

01:20:12,550 --> 01:20:10,719

they they were just one sharing

2258

01:20:14,870 --> 01:20:12,560

resources the government already had so

2259

01:20:17,270 --> 01:20:14,880

they didn't need all this fancy tech and

2260

01:20:18,870 --> 01:20:17,280

secret offices and i imagine a lot of it

2261

01:20:20,550 --> 01:20:18,880

was more administrative than people

2262

01:20:22,790 --> 01:20:20,560

probably realized like someone like lou

2263

01:20:24,629 --> 01:20:22,800

had to work in but then what in the

2264

01:20:26,149 --> 01:20:24,639

private sector

2265

01:20:28,229 --> 01:20:26,159

what was their involvement and what of

2266

01:20:29,669 --> 01:20:28,239

that money went to them or obviously

2267

01:20:31,750 --> 01:20:29,679

there was probably money that we didn't

2268

01:20:33,510 --> 01:20:31,760

see on reports that went to these people

2269

01:20:34,950 --> 01:20:33,520

and like you say it just makes it a lot

2270

01:20:37,270 --> 01:20:34,960

easier to keep things out of for your

2271

01:20:38,950 --> 01:20:37,280

requests and they can do things that the

2272

01:20:41,990 --> 01:20:38,960

government don't have to know about or

2273

01:20:44,070 --> 01:20:42,000

if it's plausible deniability isn't it

2274

01:20:46,550 --> 01:20:44,080

yeah and you know there's a there's a

2275

01:20:50,390 --> 01:20:46,560

few insiders and one of the

2276

01:20:52,470 --> 01:20:50,400

people out there that is probably

2277

01:20:53,910 --> 01:20:52,480

he's a legit journalist first of all but

2278

01:20:55,590 --> 01:20:53,920

george knapp

2279

01:20:57,430 --> 01:20:55,600

he's in the center of all of this and

2280

01:20:58,470 --> 01:20:57,440

they trust him because

2281

01:21:00,790 --> 01:20:58,480

he

2282

01:21:02,709 --> 01:21:00,800

knows

2283

01:21:05,189 --> 01:21:02,719

when things need to be put out or

2284

01:21:07,830 --> 01:21:05,199

whatever but probably one of the

2285

01:21:10,149 --> 01:21:07,840

most trusted journalists in all of this

2286

01:21:13,590 --> 01:21:10,159

is george knapp um and he's part of what

2287

01:21:16,070 --> 01:21:13,600

we call the vegas pack and that is

2288

01:21:19,030 --> 01:21:16,080

um you know bigelow and and the guy who

2289

01:21:21,990 --> 01:21:19,040

owns a bump top secret i forgot on mark

2290

01:21:23,430 --> 01:21:22,000

allen um you know george nav you know

2291

01:21:25,830 --> 01:21:23,440

there's there's this whole little group

2292

01:21:27,350 --> 01:21:25,840

of guys out there that you know they

2293

01:21:29,189 --> 01:21:27,360

they stick together and then they're

2294

01:21:32,870 --> 01:21:29,199

working some things george jeff is very

2295

01:21:34,550 --> 01:21:32,880

much a part of um this this phenomenon

2296

01:21:36,310 --> 01:21:34,560

i'm obviously a big fan of george knapp

2297

01:21:37,590 --> 01:21:36,320

and and coast to coast and all these

2298

01:21:41,350 --> 01:21:37,600

kind of work he's done over the years as

2299

01:21:43,189 --> 01:21:41,360

well so um another question

2300

01:21:44,229 --> 01:21:43,199

i was so fortunate i got to speak with

2301

01:21:46,709 --> 01:21:44,239

him

2302

01:21:49,990 --> 01:21:46,719

in uh branson missouri

2303

01:21:53,030 --> 01:21:50,000

there's 3 000 people in the audience and

2304

01:21:55,110 --> 01:21:53,040

um i'm yeah i'm a total fan girl with

2305

01:21:57,750 --> 01:21:55,120

george knapp he's amazing and he's so

2306

01:22:00,149 --> 01:21:57,760

nice he's such a nice guy

2307

01:22:02,390 --> 01:22:00,159

i love david interview um i think it was

2308

01:22:04,790 --> 01:22:02,400

with jeremy corbell on coast to coast a

2309

01:22:06,550 --> 01:22:04,800

few months ago and it he talked about

2310

01:22:08,149 --> 01:22:06,560

how he could have broken the story

2311

01:22:10,709 --> 01:22:08,159

before the new york times that leslie

2312

01:22:12,709 --> 01:22:10,719

keane and ralph blumenthal did but he

2313

01:22:14,070 --> 01:22:12,719

realized like a lot of people would have

2314

01:22:16,229 --> 01:22:14,080

but still have done it anyway he

2315

01:22:18,629 --> 01:22:16,239

realized the greater good here as they

2316

01:22:20,070 --> 01:22:18,639

break the story it's more legitimate

2317

01:22:21,990 --> 01:22:20,080

a lot of people don't know who george

2318

01:22:24,070 --> 01:22:22,000

knapp is in the mainstream media

2319

01:22:26,709 --> 01:22:24,080

worldwide but people know the new york

2320

01:22:28,390 --> 01:22:26,719

times so it was the right thing to do

2321

01:22:30,149 --> 01:22:28,400

and i think that probably gets him a lot

2322

01:22:32,629 --> 01:22:30,159

of respect in the background

2323

01:22:35,189 --> 01:22:32,639

more so than what he already had

2324

01:22:36,310 --> 01:22:35,199

and that's where exactly and that's why

2325

01:22:38,390 --> 01:22:36,320

a lot of

2326

01:22:39,430 --> 01:22:38,400

the groups are getting smaller out here

2327

01:22:41,510 --> 01:22:39,440

and

2328

01:22:44,629 --> 01:22:41,520

to have somebody with the kind of class

2329

01:22:45,830 --> 01:22:44,639

and understanding and the

2330

01:22:48,229 --> 01:22:45,840

um

2331

01:22:50,950 --> 01:22:48,239

just being so modest that i don't need

2332

01:22:53,590 --> 01:22:50,960

that i don't need to be the guy like you

2333

01:22:55,669 --> 01:22:53,600

know be a team player and really do the

2334

01:22:57,430 --> 01:22:55,679

right thing for the phenomena that's who

2335

01:22:59,270 --> 01:22:57,440

i want to work with that's who i want to

2336

01:23:00,790 --> 01:22:59,280

talk to i want to talk about some of

2337

01:23:02,709 --> 01:23:00,800

these other bozos that they're all about

2338

01:23:04,629 --> 01:23:02,719

like shock jock ufology and putting

2339

01:23:06,870 --> 01:23:04,639

people down and you know

2340

01:23:08,950 --> 01:23:06,880

making things up and doing full radio

2341

01:23:11,030 --> 01:23:08,960

shows tearing down character

2342

01:23:13,510 --> 01:23:11,040

who wants to work with them when you can

2343

01:23:16,870 --> 01:23:13,520

when you can engage guys like george

2344

01:23:18,390 --> 01:23:16,880

knapp and lou and steve justice think of

2345

01:23:21,189 --> 01:23:18,400

chris mellon

2346

01:23:23,669 --> 01:23:21,199

oh my gosh read his resume

2347

01:23:25,750 --> 01:23:23,679

and realize that every single thing on

2348

01:23:29,270 --> 01:23:25,760

every word on that page has a hundred

2349

01:23:30,629 --> 01:23:29,280

people that respect him and trust him

2350

01:23:32,390 --> 01:23:30,639

completely

2351
01:23:34,709 --> 01:23:32,400
so you know i think that's what people

2352
01:23:37,350 --> 01:23:34,719
forget too is that you know there's

2353
01:23:39,430 --> 01:23:37,360
there's things still going on out here

2354
01:23:41,189 --> 01:23:39,440
and the person that

2355
01:23:42,790 --> 01:23:41,199
has that information

2356
01:23:45,270 --> 01:23:42,800
may not need the credit and there's a

2357
01:23:48,390 --> 01:23:45,280
few of us that that do that and george

2358
01:23:49,990 --> 01:23:48,400
is the example of class and grace i've

2359
01:23:52,149 --> 01:23:50,000
mentioned this before but one of one of

2360
01:23:54,950 --> 01:23:52,159
my favorite parts of unidentified season

2361
01:23:56,470 --> 01:23:54,960
two and i feel it's absolutely missed

2362
01:23:57,350 --> 01:23:56,480
out and you talk about easter eggs with

2363
01:24:00,310 --> 01:23:57,360

people

2364

01:24:02,390 --> 01:24:00,320

when the black triangle episodes um with

2365

01:24:03,830 --> 01:24:02,400

david marlar who is a bit large part of

2366

01:24:05,830 --> 01:24:03,840

it and chris mellon

2367

01:24:07,669 --> 01:24:05,840

and chris melons got that look on his

2368

01:24:09,910 --> 01:24:07,679

face of i wish i could just tell you

2369

01:24:12,149 --> 01:24:09,920

well you know what but it does a very

2370

01:24:13,590 --> 01:24:12,159

rare thing and chris mellon goes

2371

01:24:15,350 --> 01:24:13,600

do you know what i think the black

2372

01:24:17,669 --> 01:24:15,360

triangles are doing and he basically

2373

01:24:18,870 --> 01:24:17,679

says he thinks they're mapping the earth

2374

01:24:21,910 --> 01:24:18,880

and i was like

2375

01:24:24,310 --> 01:24:21,920

he he he knows

2376

01:24:25,910 --> 01:24:24,320

more than most what's going on and he's

2377

01:24:28,310 --> 01:24:25,920

telling you they are what is more than

2378

01:24:30,950 --> 01:24:28,320

likely happening so when he says these

2379

01:24:32,709 --> 01:24:30,960

are mapping the earth i just it's never

2380

01:24:34,870 --> 01:24:32,719

really been picked up on and people have

2381

01:24:37,030 --> 01:24:34,880

not heard a lot of follow up on that and

2382

01:24:40,070 --> 01:24:37,040

he said that on camera

2383

01:24:42,310 --> 01:24:40,080

yeah and dave muller is probably one of

2384

01:24:44,390 --> 01:24:42,320

our best researchers he has the biggest

2385

01:24:45,750 --> 01:24:44,400

library out of anybody

2386

01:24:46,950 --> 01:24:45,760

it took a

2387

01:24:49,110 --> 01:24:46,960

one guy

2388

01:24:51,830 --> 01:24:49,120

with the

2389

01:24:54,550 --> 01:24:51,840

fortitude and the foresight to start

2390

01:24:57,189 --> 01:24:54,560

gathering real real information and not

2391

01:24:58,709 --> 01:24:57,199

just everybody's job it's it's just it's

2392

01:25:01,830 --> 01:24:58,719

so impressive what he's done he's the

2393

01:25:05,669 --> 01:25:01,840

only one for me he's he's out done mufon

2394

01:25:07,510 --> 01:25:05,679

he's outdone any other group out here um

2395

01:25:09,910 --> 01:25:07,520

museums all of it

2396

01:25:13,030 --> 01:25:09,920

his collection is

2397

01:25:15,189 --> 01:25:13,040

shocking that's incredible yeah but when

2398

01:25:16,950 --> 01:25:15,199

i saw that that was like a like i'm

2399

01:25:19,510 --> 01:25:16,960

going to use the phaser wet dream um

2400

01:25:21,510 --> 01:25:19,520

when like if you're in the uf and you're

2401

01:25:23,030 --> 01:25:21,520

a guy in your 30s and you see that you

2402

01:25:25,110 --> 01:25:23,040

think oh my god i wish my wife would let

2403

01:25:26,709 --> 01:25:25,120

me do that um but yeah i'm actually

2404

01:25:28,229 --> 01:25:26,719

talking to david marlar have been for a

2405

01:25:30,709 --> 01:25:28,239

little while so i'm hoping to get him on

2406

01:25:33,110 --> 01:25:30,719

the show eventually as well um

2407

01:25:34,629 --> 01:25:33,120

moving on to a question from mike chase

2408

01:25:36,550 --> 01:25:34,639

what for you is the most compelling

2409

01:25:40,310 --> 01:25:36,560

piece of evidence or footage out there

2410

01:25:43,910 --> 01:25:40,320

for ufos aliens uap

2411

01:25:46,950 --> 01:25:43,920

for me it used to be the um metal like

2412

01:25:50,070 --> 01:25:46,960

uh bob white metal um or just the rental

2413

01:25:52,950 --> 01:25:50,080

ship like you know when he was talking

2414

01:25:55,030 --> 01:25:52,960
into the tape recorder in real time

2415

01:25:56,470 --> 01:25:55,040
they find you know um

2416

01:25:59,510 --> 01:25:56,480
elevated

2417

01:26:01,910 --> 01:25:59,520
nuclear readings and or radiation

2418

01:26:03,669 --> 01:26:01,920
readings and you know document these

2419

01:26:06,550 --> 01:26:03,679
holes in the ground or what could be

2420

01:26:11,350 --> 01:26:06,560
considered landing gear um those to me

2421

01:26:14,070 --> 01:26:11,360
are the most compelling um also

2422

01:26:15,430 --> 01:26:14,080
the witnesses like travis and chris

2423

01:26:18,790 --> 01:26:15,440
that

2424

01:26:21,270 --> 01:26:18,800
you know how easy for one of these guys

2425

01:26:23,030 --> 01:26:21,280
in that whole travis walton incident

2426
01:26:25,350 --> 01:26:23,040
could have just said you know what guys

2427
01:26:27,110 --> 01:26:25,360
all right you got us you know we're

2428
01:26:30,390 --> 01:26:27,120
lying what

2429
01:26:31,189 --> 01:26:30,400
they were even offered money and as

2430
01:26:34,550 --> 01:26:31,199
as

2431
01:26:36,149 --> 01:26:34,560
deal

2432
01:26:38,629 --> 01:26:36,159
they didn't and they don't always get

2433
01:26:41,030 --> 01:26:38,639
along so it would be easy to just screw

2434
01:26:42,790 --> 01:26:41,040
one of them right and just say

2435
01:26:45,990 --> 01:26:42,800
and it has never happened so to me the

2436
01:26:47,430 --> 01:26:46,000
travis walton chris bledsoe um

2437
01:26:49,510 --> 01:26:47,440
in the physical evidence some of the

2438
01:26:51,270 --> 01:26:49,520

things we see the implants

2439

01:26:52,550 --> 01:26:51,280

um you know most of them are junk

2440

01:26:54,870 --> 01:26:52,560

they're bbs

2441

01:26:57,669 --> 01:26:54,880

or whatever um but there are some

2442

01:26:58,629 --> 01:26:57,679

there's some really compelling

2443

01:27:00,390 --> 01:26:58,639

um

2444

01:27:02,229 --> 01:27:00,400

objects that have come out of some

2445

01:27:04,870 --> 01:27:02,239

people that really we need to pay

2446

01:27:07,270 --> 01:27:04,880

attention to have you ever got to

2447

01:27:09,830 --> 01:27:07,280

examine any of those ones

2448

01:27:11,110 --> 01:27:09,840

yes um in fact

2449

01:27:13,189 --> 01:27:11,120

um right now

2450

01:27:15,270 --> 01:27:13,199

um moving forward one and this is a

2451

01:27:17,350 --> 01:27:15,280

really great one guys because

2452

01:27:19,590 --> 01:27:17,360

it didn't come from ufo people you see

2453

01:27:21,590 --> 01:27:19,600

because you know even when i'm having my

2454

01:27:23,750 --> 01:27:21,600

analysis done i never use ufo people

2455

01:27:25,750 --> 01:27:23,760

it's like the prosecution use it only

2456

01:27:28,709 --> 01:27:25,760

they're witnesses to make a case you'll

2457

01:27:30,629 --> 01:27:28,719

make it you know it's just i don't do it

2458

01:27:33,350 --> 01:27:30,639

so i love this case because this is the

2459

01:27:36,070 --> 01:27:33,360

guy who's a veteran and he's at the va

2460

01:27:37,430 --> 01:27:36,080

he's getting his checkup done and last

2461

01:27:39,030 --> 01:27:37,440

minute he kind of said hey doc you know

2462

01:27:41,110 --> 01:27:39,040

i got this thing in my hand it's been

2463

01:27:43,270 --> 01:27:41,120

there you know since i was active duty

2464

01:27:45,270 --> 01:27:43,280

is there any way we can get it taken out

2465

01:27:47,030 --> 01:27:45,280

he gets an x-ray guy goes yeah that's

2466

01:27:48,950 --> 01:27:47,040

pretty it's almost on the surface i can

2467

01:27:49,830 --> 01:27:48,960

take that out numbs the guy's hand takes

2468

01:27:51,430 --> 01:27:49,840

it out

2469

01:27:54,070 --> 01:27:51,440

and the witness says

2470

01:27:55,910 --> 01:27:54,080

do you mind if i keep that

2471

01:27:58,470 --> 01:27:55,920

and he admits he doesn't know why he

2472

01:27:59,830 --> 01:27:58,480

said that and doctor's like okay so he

2473

01:28:01,590 --> 01:27:59,840

puts it in like a little prescription

2474

01:28:04,229 --> 01:28:01,600

bottle and he actually dates it and puts

2475

01:28:05,990 --> 01:28:04,239

a time stamp on it and the guy goes and

2476

01:28:07,990 --> 01:28:06,000

he starts feeling like

2477

01:28:09,350 --> 01:28:08,000

like he's just had experiences that he's

2478

01:28:10,070 --> 01:28:09,360

not remembering

2479

01:28:13,270 --> 01:28:10,080

so

2480

01:28:16,229 --> 01:28:13,280

he brought it to oklahoma ufo group but

2481

01:28:17,669 --> 01:28:16,239

they were kind of retiring a bit so they

2482

01:28:19,910 --> 01:28:17,679

i got called in

2483

01:28:22,310 --> 01:28:19,920

let's do this so let me direct it to

2484

01:28:25,590 --> 01:28:22,320

some of them so it went to the lab i

2485

01:28:27,350 --> 01:28:25,600

used that's really for initial analysis

2486

01:28:29,830 --> 01:28:27,360

like is this something before i have to

2487

01:28:31,830 --> 01:28:29,840

put like like thousands of dollars you

2488

01:28:34,229 --> 01:28:31,840

know like we do with the dna

2489

01:28:38,229 --> 01:28:34,239

let's have something there first and

2490

01:28:40,709 --> 01:28:38,239

the lab tech um

2491

01:28:43,669 --> 01:28:40,719

it's it's magnetic so you could clearly

2492

01:28:44,870 --> 01:28:43,679

see on a video that it's jumping to that

2493

01:28:47,510 --> 01:28:44,880

magnet

2494

01:28:49,350 --> 01:28:47,520

the other thing was on the other side of

2495

01:28:51,590 --> 01:28:49,360

it when you put the magnet out there's

2496

01:28:53,750 --> 01:28:51,600

kind of like these hair fibers that were

2497

01:28:55,990 --> 01:28:53,760

kind of reaching out for it

2498

01:28:57,750 --> 01:28:56,000

creeped her out so bad she's like take

2499

01:28:59,990 --> 01:28:57,760

it so

2500

01:29:01,910 --> 01:29:00,000

i actually said it um to somewhere else

2501

01:29:03,750 --> 01:29:01,920

i can't disclose that right now um i

2502

01:29:06,790 --> 01:29:03,760

will because i don't keep secrets um you

2503

01:29:07,510 --> 01:29:06,800

know on my website or even

2504

01:29:20,310 --> 01:29:07,520

i

2505

01:29:22,390 --> 01:29:20,320

vet

2506

01:29:23,669 --> 01:29:22,400

your experts as well

2507

01:29:24,870 --> 01:29:23,679

so

2508

01:29:26,310 --> 01:29:24,880

anyway

2509

01:29:28,950 --> 01:29:26,320

that's um that's where we're going with

2510

01:29:30,709 --> 01:29:28,960

that i i really have further stuff to do

2511

01:29:32,870 --> 01:29:30,719

with that um

2512

01:29:35,110 --> 01:29:32,880

and honestly i'm i'm

2513

01:29:37,430 --> 01:29:35,120

really wanting to the stars to jump on

2514

01:29:39,030 --> 01:29:37,440

with me and help me with this one

2515

01:29:41,030 --> 01:29:39,040

i'll look forward to keeping up to date

2516

01:29:42,390 --> 01:29:41,040

with that one as well um i'm going to be

2517

01:29:44,310 --> 01:29:42,400

really cheeky there are still some more

2518

01:29:45,189 --> 01:29:44,320

listener questions but i've got one from

2519

01:29:47,590 --> 01:29:45,199

me

2520

01:29:49,990 --> 01:29:47,600

so uh from a fan's point of view

2521

01:29:51,189 --> 01:29:50,000

you wrote a children's book are aliens

2522

01:29:53,910 --> 01:29:51,199

really real

2523

01:29:56,310 --> 01:29:53,920

and how important is it to engage our

2524

01:29:57,990 --> 01:29:56,320

children early in this conversation and

2525

01:30:00,629 --> 01:29:58,000

do you have any advice for a parent who

2526

01:30:03,669 --> 01:30:00,639

would want to do that

2527

01:30:05,350 --> 01:30:03,679

i you know that it's so funny because my

2528

01:30:07,110 --> 01:30:05,360

though every question really came from

2529

01:30:09,990 --> 01:30:07,120

my grandson when he was like five years

2530

01:30:11,590 --> 01:30:10,000

old and i just kind of wrote him down i

2531

01:30:13,270 --> 01:30:11,600

didn't realize it was going to turn into

2532

01:30:16,390 --> 01:30:13,280

a book but then it did and i thought it

2533

01:30:19,990 --> 01:30:16,400

was really a great idea but i think

2534

01:30:22,229 --> 01:30:20,000

to really discuss mysteries and and just

2535

01:30:24,070 --> 01:30:22,239

really encourage them being curious and

2536

01:30:26,709 --> 01:30:24,080

to do their own research and to make up

2537

01:30:27,910 --> 01:30:26,719

their own mind because when

2538

01:30:29,750 --> 01:30:27,920

at the end

2539

01:30:31,669 --> 01:30:29,760

the grandmother in the book with their

2540

01:30:33,669 --> 01:30:31,679

grandson going through this little park

2541

01:30:36,149 --> 01:30:33,679

with aliens and little aliens in the

2542

01:30:38,470 --> 01:30:36,159

background somewhere which is kind of an

2543

01:30:40,790 --> 01:30:38,480

innuendo of just because you didn't see

2544

01:30:41,669 --> 01:30:40,800

him doesn't mean he's not real or he's

2545

01:30:43,830 --> 01:30:41,679

there

2546

01:30:45,910 --> 01:30:43,840

and you know but um

2547

01:30:47,270 --> 01:30:45,920

you know the grandmother never says yes

2548

01:30:49,350 --> 01:30:47,280

aliens are real

2549

01:30:51,590 --> 01:30:49,360

she encourages him to say well you know

2550

01:30:52,950 --> 01:30:51,600

some people some researchers really

2551
01:30:54,950 --> 01:30:52,960
believe this and you know they might

2552
01:30:56,870 --> 01:30:54,960
have a little to that

2553
01:30:58,790 --> 01:30:56,880
um but she really encourages them to

2554
01:30:59,830 --> 01:30:58,800
make up their own mind so that's i would

2555
01:31:02,310 --> 01:30:59,840
give them

2556
01:31:03,830 --> 01:31:02,320
as as much as they want to know about it

2557
01:31:05,350 --> 01:31:03,840
and

2558
01:31:07,510 --> 01:31:05,360
you know but encourage them to be

2559
01:31:09,110 --> 01:31:07,520
curious and

2560
01:31:10,790 --> 01:31:09,120
not to be afraid to put boots on the

2561
01:31:12,550 --> 01:31:10,800
ground and ask those questions like

2562
01:31:14,950 --> 01:31:12,560
these are these kids you know i'm a

2563
01:31:17,430 --> 01:31:14,960

grandmother my oldest is 18 my youngest

2564

01:31:18,870 --> 01:31:17,440

is four and you know i just i look at

2565

01:31:20,629 --> 01:31:18,880

their little faces

2566

01:31:22,629 --> 01:31:20,639

this is our future you know just like

2567

01:31:24,149 --> 01:31:22,639

the young guns these are the guys coming

2568

01:31:26,390 --> 01:31:24,159

up after you guys

2569

01:31:27,990 --> 01:31:26,400

you're gonna be arts one day old and

2570

01:31:33,189 --> 01:31:28,000

grumpy

2571

01:31:35,189 --> 01:31:33,199

um but my little boy like you say your

2572

01:31:37,350 --> 01:31:35,199

youngest grandchild is for my little

2573

01:31:39,990 --> 01:31:37,360

boy's for and one of his favorite things

2574

01:31:41,830 --> 01:31:40,000

to do is lay out on the trampoline in

2575

01:31:44,149 --> 01:31:41,840

the back garden and use my binoculars to

2576

01:31:46,229 --> 01:31:44,159

look for aliens that he says um so

2577

01:31:47,750 --> 01:31:46,239

you'll try and look at them

2578

01:31:49,510 --> 01:31:47,760

which is great and they'll say oh i

2579

01:31:50,950 --> 01:31:49,520

think i saw a spaceship and i saw this

2580

01:31:52,790 --> 01:31:50,960

and i just i just love them getting

2581

01:31:55,110 --> 01:31:52,800

thinking like that early so that's

2582

01:31:56,709 --> 01:31:55,120

pretty cool um the book is available on

2583

01:31:58,390 --> 01:31:56,719

amazon and i'll be picking up a copy as

2584

01:32:01,990 --> 01:31:58,400

well for for my little boy

2585

01:32:04,070 --> 01:32:02,000

um next quest next question from paul is

2586

01:32:06,310 --> 01:32:04,080

there anything luella zondo told you

2587

01:32:08,310 --> 01:32:06,320

previously that had little relevance at

2588

01:32:10,310 --> 01:32:08,320

the time but later turned out to be an

2589

01:32:12,950 --> 01:32:10,320

easter egg um paul did ask this on

2590

01:32:15,189 --> 01:32:12,960

twitter and you said yes a few times so

2591

01:32:18,229 --> 01:32:15,199

i'd like you to elaborate on that

2592

01:32:20,070 --> 01:32:18,239

yeah absolutely and you know it it comes

2593

01:32:21,750 --> 01:32:20,080

from a friendship so yeah we're sitting

2594

01:32:24,229 --> 01:32:21,760

at a table we're sharing food we're

2595

01:32:25,910 --> 01:32:24,239

having a you know a couple cocktails and

2596

01:32:28,149 --> 01:32:25,920

you know there's just little things and

2597

01:32:30,550 --> 01:32:28,159

lou trusts

2598

01:32:32,070 --> 01:32:30,560

us to keep our mouth shut because we

2599

01:32:34,310 --> 01:32:32,080

come from the same

2600

01:32:36,070 --> 01:32:34,320

you know arena he does

2601
01:32:37,510 --> 01:32:36,080
you know especially with my husband he

2602
01:32:38,950 --> 01:32:37,520
probably has told my husband more than

2603
01:32:40,870 --> 01:32:38,960
me because my husband's security

2604
01:32:43,110 --> 01:32:40,880
clearance but you know and my husband

2605
01:32:45,510 --> 01:32:43,120
doesn't tell me crap either by the way

2606
01:32:47,510 --> 01:32:45,520
and it's it's just yeah definitely

2607
01:32:49,110 --> 01:32:47,520
easter eggs but mostly it's been and he

2608
01:32:50,550 --> 01:32:49,120
does the same thing with danny silva

2609
01:32:51,350 --> 01:32:50,560
it's like we'll get a text message it

2610
01:32:53,430 --> 01:32:51,360
says

2611
01:32:55,110 --> 01:32:53,440
hey this just launched

2612
01:32:57,189 --> 01:32:55,120
and he gives us a like a link or

2613
01:32:59,030 --> 01:32:57,199

something and you know we can put it out

2614

01:33:01,030 --> 01:32:59,040

there first type of thing or just or we

2615

01:33:02,070 --> 01:33:01,040

can see it first it really isn't about

2616

01:33:03,590 --> 01:33:02,080

popular

2617

01:33:06,550 --> 01:33:03,600

it's not this this is getting ready to

2618

01:33:09,590 --> 01:33:06,560

come out and he does the same with danny

2619

01:33:11,750 --> 01:33:09,600

that's really cool when you have those

2620

01:33:13,110 --> 01:33:11,760

well obviously the twitter picture of

2621

01:33:14,470 --> 01:33:13,120

you and louis sitting at the table is

2622

01:33:16,390 --> 01:33:14,480

the one everyone always likes and

2623

01:33:18,870 --> 01:33:16,400

retweets and whatnot

2624

01:33:21,030 --> 01:33:18,880

is there anything like you you ask him

2625

01:33:22,550 --> 01:33:21,040

or you want to know that he just doesn't

2626

01:33:23,990 --> 01:33:22,560

discuss is there anything you would love

2627

01:33:25,750 --> 01:33:24,000

him to give you the answer to but you

2628

01:33:27,669 --> 01:33:25,760

just won't

2629

01:33:29,830 --> 01:33:27,679

oh heck yeah like

2630

01:33:32,870 --> 01:33:29,840

i asked him like i also have like that

2631

01:33:33,830 --> 01:33:32,880

military background bearing you know and

2632

01:33:36,070 --> 01:33:33,840

uh

2633

01:33:37,750 --> 01:33:36,080

and even my my boys are military you

2634

01:33:39,990 --> 01:33:37,760

know so it's kind of like only one thing

2635

01:33:41,750 --> 01:33:40,000

meaner than a marine and that's his mama

2636

01:33:43,830 --> 01:33:41,760

so there's times when i'm looking at lou

2637

01:33:45,590 --> 01:33:43,840

and i'm just like i know the language in

2638

01:33:48,070 --> 01:33:45,600

you know and he's just like can't go

2639

01:33:50,950 --> 01:33:48,080

there can't go there and you know this

2640

01:33:52,390 --> 01:33:50,960

man would never even even

2641

01:33:55,270 --> 01:33:52,400

to like my husband

2642

01:33:57,750 --> 01:33:55,280

you know who was obviously honorable but

2643

01:33:58,870 --> 01:33:57,760

um he would never disclose something

2644

01:34:01,750 --> 01:33:58,880

that

2645

01:34:03,430 --> 01:34:01,760

would would be inappropriate never my

2646

01:34:05,590 --> 01:34:03,440

husband wouldn't lou wouldn't you know

2647

01:34:07,510 --> 01:34:05,600

what these these are the guys that you

2648

01:34:09,830 --> 01:34:07,520

know we grew up with so to speak you

2649

01:34:12,229 --> 01:34:09,840

know been married to pete for over 30 33

2650

01:34:14,709 --> 01:34:12,239

years 30 something but his career was

2651
01:34:16,629 --> 01:34:14,719
over 30 years so you know

2652
01:34:19,510 --> 01:34:16,639
you know we know these guys

2653
01:34:22,950 --> 01:34:19,520
i know steve justice i know lou elizondo

2654
01:34:25,270 --> 01:34:22,960
um you know uh i know chris mellon

2655
01:34:28,629 --> 01:34:25,280
so to speak the these are weird same

2656
01:34:30,709 --> 01:34:28,639
people we are so it really caused a lot

2657
01:34:32,470 --> 01:34:30,719
but that photo of of the two of us was

2658
01:34:35,510 --> 01:34:32,480
actually the first time i ever met him

2659
01:34:37,830 --> 01:34:35,520
and that was in a mufon interview

2660
01:34:39,830 --> 01:34:37,840
and since then you know we stay in touch

2661
01:34:41,430 --> 01:34:39,840
and you know we're friends

2662
01:34:43,830 --> 01:34:41,440
i'll ask a question that will hopefully

2663
01:34:46,629 --> 01:34:43,840

balance out a little bit of my tt

2664

01:34:48,709 --> 01:34:46,639

ttsa fanboy status right

2665

01:34:50,149 --> 01:34:48,719

um kevin i've just admitted to buying

2666

01:34:52,709 --> 01:34:50,159

all the merchandise on their website

2667

01:34:54,870 --> 01:34:52,719

recently as well um

2668

01:34:56,550 --> 01:34:54,880

do you think lou

2669

01:34:58,229 --> 01:34:56,560

and the rest of the crew because there's

2670

01:35:00,550 --> 01:34:58,239

more than just loyalizondo in that group

2671

01:35:02,070 --> 01:35:00,560

but he's he's the front man for it even

2672

01:35:03,189 --> 01:35:02,080

more so i think than tommy's the face

2673

01:35:05,350 --> 01:35:03,199

now

2674

01:35:07,430 --> 01:35:05,360

do you think he is happy where they are

2675

01:35:09,430 --> 01:35:07,440

at right now obviously they say that

2676

01:35:11,830 --> 01:35:09,440

officially online do you think they are

2677

01:35:14,870 --> 01:35:11,840

making the progress that he hoped

2678

01:35:17,109 --> 01:35:14,880

to be making at this point i do because

2679

01:35:19,830 --> 01:35:17,119

i know that they have put this this fall

2680

01:35:22,470 --> 01:35:19,840

in so much further than most of us are

2681

01:35:24,629 --> 01:35:22,480

going to realize right now and

2682

01:35:28,070 --> 01:35:24,639

these are the guys to do it um i i think

2683

01:35:30,149 --> 01:35:28,080

he's very happy with the progress i

2684

01:35:32,390 --> 01:35:30,159

don't think he expected the backlash

2685

01:35:35,669 --> 01:35:32,400

from the ufo community you know i i

2686

01:35:37,830 --> 01:35:35,679

think he expected when this state came

2687

01:35:39,590 --> 01:35:37,840

out that we would all like rally around

2688

01:35:41,109 --> 01:35:39,600

to try to help and like we've been

2689

01:35:43,109 --> 01:35:41,119

waiting for this here's some great

2690

01:35:45,189 --> 01:35:43,119

evidence you know but

2691

01:35:46,790 --> 01:35:45,199

you know the egos and the egos and trust

2692

01:35:48,870 --> 01:35:46,800

me i know about the freaking egos i

2693

01:35:50,950 --> 01:35:48,880

can't deal with them you know most of

2694

01:35:54,229 --> 01:35:50,960

them are cowards you know running behind

2695

01:35:56,390 --> 01:35:54,239

a big mouth honestly and uh

2696

01:35:57,910 --> 01:35:56,400

but lou i do believe he's he's happy

2697

01:35:59,350 --> 01:35:57,920

where things are

2698

01:36:01,189 --> 01:35:59,360

work wise

2699

01:36:02,790 --> 01:36:01,199

i i think there's a mix it with the

2700

01:36:05,830 --> 01:36:02,800

backlash which some of it i do

2701
01:36:07,109 --> 01:36:05,840
understand okay i i understand people or

2702
01:36:09,270 --> 01:36:07,119
don't understand and that's why i don't

2703
01:36:11,430 --> 01:36:09,280
have time for a lot of them but i think

2704
01:36:13,430 --> 01:36:11,440
there's a mix of people are scared to

2705
01:36:15,750 --> 01:36:13,440
get their fingers burned and

2706
01:36:17,750 --> 01:36:15,760
i put my faith in tsa that they're

2707
01:36:19,350 --> 01:36:17,760
going to kind of run with this okay if i

2708
01:36:21,189 --> 01:36:19,360
had a religion right now it would be to

2709
01:36:23,189 --> 01:36:21,199
the stars academy and what they're

2710
01:36:25,109 --> 01:36:23,199
looking to do and i'm happy with that

2711
01:36:26,790 --> 01:36:25,119
and taking their lead but then i think

2712
01:36:27,990 --> 01:36:26,800
there's a group that people talk about

2713
01:36:30,070 --> 01:36:28,000

narratives

2714

01:36:31,590 --> 01:36:30,080

ptsa and what they want to do it doesn't

2715

01:36:33,590 --> 01:36:31,600

fit their narrative

2716

01:36:35,430 --> 01:36:33,600

because and again i always throw out the

2717

01:36:37,510 --> 01:36:35,440

same genetic examples so apologies if

2718

01:36:39,830 --> 01:36:37,520

this turns out to be true but you know

2719

01:36:41,109 --> 01:36:39,840

if we find that people that throw their

2720

01:36:43,830 --> 01:36:41,119

eggs in the basket off there's this

2721

01:36:45,430 --> 01:36:43,840

alien race from a particular star system

2722

01:36:47,350 --> 01:36:45,440

and they come here and they bring us

2723

01:36:49,030 --> 01:36:47,360

love and light and blah blah

2724

01:36:50,390 --> 01:36:49,040

and if that turns out not to be true

2725

01:36:51,910 --> 01:36:50,400

then that's going to be you know kind of

2726

01:36:53,830 --> 01:36:51,920

detrimental so they don't want that to

2727

01:36:56,070 --> 01:36:53,840

be true you've then got like we talked

2728

01:36:58,709 --> 01:36:56,080

about those maybe ufo celebrities that

2729

01:37:02,310 --> 01:36:58,719

make a lot of money um from various you

2730

01:37:04,790 --> 01:37:02,320

know books and agendas and you know

2731

01:37:06,390 --> 01:37:04,800

masterizations of the truth that maybe

2732

01:37:08,550 --> 01:37:06,400

at one point they'd have a bit of a

2733

01:37:10,149 --> 01:37:08,560

knowledge of what was going on but they

2734

01:37:12,149 --> 01:37:10,159

have now chosen to make a couple of

2735

01:37:13,910 --> 01:37:12,159

hundred thousand dollars off it

2736

01:37:15,030 --> 01:37:13,920

and they don't want the truth to come

2737

01:37:16,550 --> 01:37:15,040

out so i think there's a lot of that

2738

01:37:17,990 --> 01:37:16,560

goes on within the community and i can

2739

01:37:20,709 --> 01:37:18,000

see where a lot of the backlash comes

2740

01:37:21,510 --> 01:37:20,719

from right or wrong

2741

01:37:26,470 --> 01:37:21,520

yeah

2742

01:37:29,830 --> 01:37:26,480

you know to the stars it even surprised

2743

01:37:31,590 --> 01:37:29,840

me i you know they uh even i i wasn't a

2744

01:37:33,270 --> 01:37:31,600

fan of to the stars at first i have to

2745

01:37:36,149 --> 01:37:33,280

be honest when they had that whole thing

2746

01:37:38,470 --> 01:37:36,159

i'm like yeah rockstar is into you know

2747

01:37:40,390 --> 01:37:38,480

secret intelligence meetings

2748

01:37:42,390 --> 01:37:40,400

a guy that just had an interest so he's

2749

01:37:44,470 --> 01:37:42,400

not the guy that actually had stuff

2750

01:37:48,790 --> 01:37:44,480

coming in his hands and i'm thinking

2751

01:37:51,350 --> 01:37:48,800

bull crap then wikileaks friggin drops

2752

01:37:52,709 --> 01:37:51,360

the podesta emails and there's tom

2753

01:37:55,109 --> 01:37:52,719

delong and they're talking about these

2754

01:37:57,189 --> 01:37:55,119

meetings i'm like holy crap

2755

01:37:59,590 --> 01:37:57,199

and you know so i just gave him a chance

2756

01:38:02,629 --> 01:37:59,600

and i just really looked into them and

2757

01:38:05,189 --> 01:38:02,639

and i did the one thing that anybody

2758

01:38:06,950 --> 01:38:05,199

should do is you know call them

2759

01:38:08,229 --> 01:38:06,960

call to the stars call the building you

2760

01:38:10,470 --> 01:38:08,239

know ask them if there's anybody

2761

01:38:11,990 --> 01:38:10,480

available to answer a question um you

2762

01:38:14,229 --> 01:38:12,000

know knock on the door they have a whole

2763

01:38:15,990 --> 01:38:14,239

storefront it's amazing um there's a

2764

01:38:18,310 --> 01:38:16,000

security guard out there because you

2765

01:38:20,149 --> 01:38:18,320

know tom is a big star

2766

01:38:21,350 --> 01:38:20,159

and uh

2767

01:38:22,629 --> 01:38:21,360

you know but

2768

01:38:24,950 --> 01:38:22,639

it's they're just

2769

01:38:26,629 --> 01:38:24,960

yeah they're just awesome you know and i

2770

01:38:28,070 --> 01:38:26,639

i do believe that

2771

01:38:29,350 --> 01:38:28,080

um

2772

01:38:33,510 --> 01:38:29,360

their hearts in the right place and

2773

01:38:34,950 --> 01:38:33,520

they've really done their due diligence

2774

01:38:37,030 --> 01:38:34,960

to

2775

01:38:38,229 --> 01:38:37,040

push everything exactly where it should

2776

01:38:39,910 --> 01:38:38,239

be right now

2777

01:38:41,510 --> 01:38:39,920

absolutely i had a little bit of a

2778

01:38:42,550 --> 01:38:41,520

twitter argument with someone recently

2779

01:38:43,910 --> 01:38:42,560

who was

2780

01:38:45,910 --> 01:38:43,920

claiming that they were in it for the

2781

01:38:47,990 --> 01:38:45,920

money now i don't know what lou and

2782

01:38:49,590 --> 01:38:48,000

chris melon and those types bank

2783

01:38:51,590 --> 01:38:49,600

balances are like i imagine far

2784

01:38:52,790 --> 01:38:51,600

healthier than mine given what they used

2785

01:38:55,109 --> 01:38:52,800

to do

2786

01:38:55,990 --> 01:38:55,119

tom delong is a very rich man

2787

01:38:58,629 --> 01:38:56,000

he

2788

01:39:01,189 --> 01:38:58,639

has made a lot of money from you know

2789

01:39:03,669 --> 01:39:01,199

you know anything about the melons

2790

01:39:06,310 --> 01:39:03,679

yeah the the family

2791

01:39:07,109 --> 01:39:06,320

either and you know so it's like come on

2792

01:39:08,709 --> 01:39:07,119

guys

2793

01:39:10,550 --> 01:39:08,719

you know we do have the charlatans that

2794

01:39:13,109 --> 01:39:10,560

are in it for the money in the ufo

2795

01:39:14,470 --> 01:39:13,119

community and you either love them or

2796

01:39:16,149 --> 01:39:14,480

you don't so

2797

01:39:18,390 --> 01:39:16,159

you know we have to remember that these

2798

01:39:20,470 --> 01:39:18,400

guys aren't ufo they're not ufologists

2799

01:39:22,709 --> 01:39:20,480

they're not ufo investigators they're

2800

01:39:24,149 --> 01:39:22,719

government insiders and everything about

2801
01:39:26,709 --> 01:39:24,159
them is going to be about national

2802
01:39:29,030 --> 01:39:26,719
security that's what they know that's

2803
01:39:31,750 --> 01:39:29,040
what they know best they're not going to

2804
01:39:33,590 --> 01:39:31,760
be you know all about love and light

2805
01:39:35,430 --> 01:39:33,600
until somebody proves to them there's

2806
01:39:36,709 --> 01:39:35,440
love and light what they're seeing right

2807
01:39:38,870 --> 01:39:36,719
now is

2808
01:39:42,229 --> 01:39:38,880
things in our airspace that we don't

2809
01:39:43,590 --> 01:39:42,239
know what it is and that's a threat

2810
01:39:45,270 --> 01:39:43,600
they're not saying aliens are going to

2811
01:39:48,070 --> 01:39:45,280
kill us all they're just saying those

2812
01:39:50,709 --> 01:39:48,080
unknown objects in our space

2813
01:39:52,470 --> 01:39:50,719

is a threat to national security and

2814

01:39:56,550 --> 01:39:52,480

people freak out over that and it's just

2815

01:39:58,629 --> 01:39:56,560

like guys they're not ufo people they're

2816

01:40:01,109 --> 01:39:58,639

government insiders

2817

01:40:03,510 --> 01:40:01,119

national security that's all they think

2818

01:40:05,669 --> 01:40:03,520

they know nothing else it's crazy but

2819

01:40:07,750 --> 01:40:05,679

anyway

2820

01:40:10,470 --> 01:40:07,760

on that topic of you know what we're

2821

01:40:12,470 --> 01:40:10,480

seeing in our oh and

2822

01:40:15,590 --> 01:40:12,480

on that topic of what we are seeing in

2823

01:40:17,669 --> 01:40:15,600

our airspace uh leif had a question what

2824

01:40:19,750 --> 01:40:17,679

is the probability senators have seen

2825

01:40:21,990 --> 01:40:19,760

longer versions of the gimbal and go

2826
01:40:24,870 --> 01:40:22,000
fast videos

2827
01:40:27,189 --> 01:40:24,880
there are longer versions

2828
01:40:28,870 --> 01:40:27,199
have you seen them

2829
01:40:31,750 --> 01:40:28,880
i can't confirm or deny i've seen

2830
01:40:33,910 --> 01:40:31,760
anything like that but there are longer

2831
01:40:35,669 --> 01:40:33,920
versions absolutely do you think

2832
01:40:38,229 --> 01:40:35,679
senators have seen them and the people

2833
01:40:40,149 --> 01:40:38,239
on on the hill and congress

2834
01:40:42,310 --> 01:40:40,159
absolutely they have absolutely they

2835
01:40:44,149 --> 01:40:42,320
have they have the need to know they

2836
01:40:45,430 --> 01:40:44,159
also have the clearance to see this kind

2837
01:40:46,950 --> 01:40:45,440
of stuff so

2838
01:40:48,790 --> 01:40:46,960

you know when

2839

01:40:50,950 --> 01:40:48,800

they're presenting their cases there

2840

01:40:53,189 --> 01:40:50,960

what we're getting in the public is as

2841

01:40:55,270 --> 01:40:53,199

much as they possibly can give us and

2842

01:40:56,310 --> 01:40:55,280

they really are giving us as much as

2843

01:40:58,629 --> 01:40:56,320

they can

2844

01:41:00,709 --> 01:40:58,639

promise i promise

2845

01:41:02,830 --> 01:41:00,719

you get into an intelligence committee

2846

01:41:04,709 --> 01:41:02,840

and the need to know in the security

2847

01:41:05,910 --> 01:41:04,719

clearances um

2848

01:41:07,990 --> 01:41:05,920

that's when they're part of the

2849

01:41:10,149 --> 01:41:08,000

discussion and honestly

2850

01:41:13,030 --> 01:41:10,159

where things are right now with that

2851
01:41:13,910 --> 01:41:13,040
with our government is we need to push

2852
01:41:15,430 --> 01:41:13,920
for

2853
01:41:17,430 --> 01:41:15,440
what's going on

2854
01:41:19,350 --> 01:41:17,440
what is going on with this whole topic

2855
01:41:21,669 --> 01:41:19,360
you know can you look into it for me as

2856
01:41:22,790 --> 01:41:21,679
you know the guy i elected in my state

2857
01:41:23,910 --> 01:41:22,800
and

2858
01:41:25,590 --> 01:41:23,920
you know

2859
01:41:28,149 --> 01:41:25,600
that's where we go but these guys

2860
01:41:29,830 --> 01:41:28,159
they're on it from the inside and of

2861
01:41:31,990 --> 01:41:29,840
course they worked at the pentagon what

2862
01:41:34,470 --> 01:41:32,000
is the pentagon responsible for the

2863
01:41:36,790 --> 01:41:34,480

security of every single citizen in this

2864

01:41:38,550 --> 01:41:36,800

country or anybody in this country

2865

01:41:41,189 --> 01:41:38,560

tourists illegal aliens it doesn't

2866

01:41:42,229 --> 01:41:41,199

matter that's their job that's all they

2867

01:41:44,550 --> 01:41:42,239

think about

2868

01:41:46,390 --> 01:41:44,560

so you know the love and light and you

2869

01:41:47,910 --> 01:41:46,400

know all that they want i'm not even

2870

01:41:50,149 --> 01:41:47,920

sure they even understand all that

2871

01:41:52,229 --> 01:41:50,159

because they're not ufo people

2872

01:41:53,910 --> 01:41:52,239

if that makes sense they're not studying

2873

01:41:55,669 --> 01:41:53,920

all that they're not reading everybody's

2874

01:41:58,629 --> 01:41:55,679

books they're not all into this they're

2875

01:42:01,510 --> 01:41:58,639

looking at national security not ufos

2876

01:42:03,750 --> 01:42:01,520

so from forgetting or remembering i'm

2877

01:42:06,229 --> 01:42:03,760

not from the us okay i don't have an

2878

01:42:08,310 --> 01:42:06,239

interest in us national security outside

2879

01:42:09,669 --> 01:42:08,320

of everyone just being safe and happy in

2880

01:42:12,149 --> 01:42:09,679

general okay

2881

01:42:13,189 --> 01:42:12,159

however i would be really disappointed

2882

01:42:15,270 --> 01:42:13,199

if

2883

01:42:17,270 --> 01:42:15,280

i would imagine these longer videos do

2884

01:42:18,950 --> 01:42:17,280

exist like you say i would be really

2885

01:42:21,910 --> 01:42:18,960

disappointed if the only reason we are

2886

01:42:24,550 --> 01:42:21,920

not seeing longer videos is because the

2887

01:42:25,990 --> 01:42:24,560

videos would show recording and military

2888

01:42:28,629 --> 01:42:26,000

capabilities

2889

01:42:31,990 --> 01:42:28,639

that they wouldn't want an adversaries

2890

01:42:33,669 --> 01:42:32,000

to see because i don't care what the us

2891

01:42:34,950 --> 01:42:33,679

or russia or china are trying to hide

2892

01:42:35,910 --> 01:42:34,960

from each other

2893

01:42:40,229 --> 01:42:35,920

they do

2894

01:42:42,870 --> 01:42:40,239

and there's ways and feeds and that's

2895

01:42:45,350 --> 01:42:42,880

that the ways and means of even how we

2896

01:42:47,669 --> 01:42:45,360

get it or how good is our camera like

2897

01:42:49,350 --> 01:42:47,679

how far is it catching things this is

2898

01:42:51,270 --> 01:42:49,360

all stuff the enemy would love to know

2899

01:42:53,510 --> 01:42:51,280

um you know the ways and means is very

2900

01:42:55,109 --> 01:42:53,520

important and of course they're not

2901

01:42:57,350 --> 01:42:55,119

doing this as

2902

01:42:59,430 --> 01:42:57,360

so when they're not thinking like let's

2903

01:43:01,510 --> 01:42:59,440

keep this secret the public doesn't need

2904

01:43:03,669 --> 01:43:01,520

to know they can't handle it they're

2905

01:43:05,830 --> 01:43:03,679

keeping it secret because they don't

2906

01:43:09,030 --> 01:43:05,840

want to know they don't want russia or

2907

01:43:11,189 --> 01:43:09,040

china or other um adversaries and

2908

01:43:13,109 --> 01:43:11,199

enemies to know

2909

01:43:15,189 --> 01:43:13,119

how good our tech can be

2910

01:43:17,590 --> 01:43:15,199

because we're still using it so

2911

01:43:19,990 --> 01:43:17,600

yeah the other thing that people are

2912

01:43:22,229 --> 01:43:20,000

they have to remember these guys don't

2913

01:43:24,470 --> 01:43:22,239

think like ufo people they're thinking

2914

01:43:26,629 --> 01:43:24,480

national security so when they can only

2915

01:43:29,030 --> 01:43:26,639

put part of a video out they're giving

2916

01:43:31,510 --> 01:43:29,040

us i promise every single little nugget

2917

01:43:32,950 --> 01:43:31,520

they can everything they can some things

2918

01:43:34,550 --> 01:43:32,960

we're never gonna see

2919

01:43:36,310 --> 01:43:34,560

do you know where i'm coming from though

2920

01:43:38,709 --> 01:43:36,320

that what what i would want to see is

2921

01:43:42,470 --> 01:43:38,719

for example on the the

2922

01:43:44,310 --> 01:43:42,480

the gimbal video where it rotates

2923

01:43:48,149 --> 01:43:44,320

i'm hoping it doesn't cut off at that

2924

01:43:51,350 --> 01:43:48,159

point because it goes into hd mode or 4k

2925

01:43:53,910 --> 01:43:51,360

mode or ultra zoom okay well i'm hoping

2926

01:43:55,030 --> 01:43:53,920

it cuts off for is because this thing

2927

01:43:57,270 --> 01:43:55,040

rotates

2928

01:43:59,830 --> 01:43:57,280

shoots off or more of them come into

2929

01:44:01,350 --> 01:43:59,840

view and i we then see something a

2930

01:44:03,109 --> 01:44:01,360

little bit more

2931

01:44:04,950 --> 01:44:03,119

not that this thing flying along at the

2932

01:44:07,030 --> 01:44:04,960

speed it is and you know there's more of

2933

01:44:09,350 --> 01:44:07,040

them on the asa and all that as we know

2934

01:44:10,950 --> 01:44:09,360

now has been done to death but i would

2935

01:44:12,709 --> 01:44:10,960

like to think there's more to it that i

2936

01:44:15,109 --> 01:44:12,719

would be interested in seeing

2937

01:44:17,590 --> 01:44:15,119

not that oh my god look how clear that

2938

01:44:20,070 --> 01:44:17,600

video was of that object in the distance

2939

01:44:22,310 --> 01:44:20,080

and imagine that was photographing or

2940

01:44:23,910 --> 01:44:22,320

videoing some chinese fighter jet

2941

01:44:25,990 --> 01:44:23,920

because that's not my interest my

2942

01:44:27,990 --> 01:44:26,000

interest is this is capturing

2943

01:44:30,149 --> 01:44:28,000

potential spacecraft and that that would

2944

01:44:32,390 --> 01:44:30,159

be my disappointment in it but i totally

2945

01:44:34,149 --> 01:44:32,400

understand the military perspective of

2946

01:44:35,590 --> 01:44:34,159

we don't want you to know and again i

2947

01:44:37,590 --> 01:44:35,600

suppose it's one for the debunkers and

2948

01:44:38,550 --> 01:44:37,600

conspiracy theorists you know when you

2949

01:44:40,790 --> 01:44:38,560

see the

2950

01:44:42,149 --> 01:44:40,800

the the gimbal the go fast and then

2951

01:44:43,830 --> 01:44:42,159

there's the

2952

01:44:45,590 --> 01:44:43,840

the one where it just goes out a shot

2953

01:44:48,310 --> 01:44:45,600

and people have argued whether it's just

2954

01:44:49,510 --> 01:44:48,320

losing focus or whether it's but people

2955

01:44:51,350 --> 01:44:49,520

are saying no it's shooting off at

2956

01:44:53,830 --> 01:44:51,360

incredible speed

2957

01:44:55,750 --> 01:44:53,840

and it's still just a blur on the screen

2958

01:44:58,070 --> 01:44:55,760

but then i suppose the more you add into

2959

01:45:00,070 --> 01:44:58,080

that it adds more to

2960

01:45:02,550 --> 01:45:00,080

to the us capabilities and what they

2961

01:45:04,790 --> 01:45:02,560

could potentially film so i get that but

2962

01:45:05,910 --> 01:45:04,800

again i wouldn't care about that i would

2963

01:45:08,310 --> 01:45:05,920

want to

2964

01:45:11,030 --> 01:45:08,320

i i think a longer video would just have

2965

01:45:12,790 --> 01:45:11,040

a lot more cool stuff in it

2966

01:45:16,550 --> 01:45:12,800

i think all of us would feel the exact

2967

01:45:19,830 --> 01:45:16,560

same way and you know um yeah the fact

2968

01:45:22,709 --> 01:45:19,840

that this is military video um it's it's

2969

01:45:24,390 --> 01:45:22,719

they're only gonna give us what they can

2970

01:45:27,189 --> 01:45:24,400

lou you know

2971

01:45:29,109 --> 01:45:27,199

knew exactly what he was doing and he

2972

01:45:32,390 --> 01:45:29,119

put out exactly

2973

01:45:33,990 --> 01:45:32,400

what was permissible to do

2974

01:45:36,149 --> 01:45:34,000

and

2975

01:45:37,750 --> 01:45:36,159

but you know this guy knows so much more

2976

01:45:39,430 --> 01:45:37,760

so much more

2977

01:45:41,270 --> 01:45:39,440

yeah and i think just at the end of

2978

01:45:43,830 --> 01:45:41,280

unidentified season two when he stands

2979

01:45:45,510 --> 01:45:43,840

up and gets a little emotional uh which

2980

01:45:46,550 --> 01:45:45,520

he doesn't tend to do

2981

01:45:49,109 --> 01:45:46,560

um

2982

01:45:50,470 --> 01:45:49,119

can i told you that anyway so

2983

01:45:52,229 --> 01:45:50,480

yeah i totally get that and he's a

2984

01:45:54,149 --> 01:45:52,239

patriot and he's you know he's very

2985

01:45:55,830 --> 01:45:54,159

proud of what he's done and he's clear

2986

01:45:57,750 --> 01:45:55,840

in season he sticks to that as much as

2987

01:45:59,750 --> 01:45:57,760

it comes across it may frustrate him at

2988

01:46:02,629 --> 01:45:59,760

times what he would love to tell that

2989

01:46:04,070 --> 01:46:02,639

the american public and he's as i hear

2990

01:46:06,550 --> 01:46:04,080

from people who know him as well that i

2991

01:46:08,310 --> 01:46:06,560

speak to that he's a really humble guy

2992

01:46:20,149 --> 01:46:08,320

and he's not one for the fame and

2993

01:46:26,790 --> 01:46:23,270

that was that was awesome but he's he's

2994

01:46:29,270 --> 01:46:26,800

also a dad and he's a husband and he has

2995

01:46:31,109 --> 01:46:29,280

a family you know so

2996

01:46:33,350 --> 01:46:31,119

people want to put lou or any of the

2997

01:46:34,790 --> 01:46:33,360

guys into the stars you know these are

2998

01:46:37,350 --> 01:46:34,800

these are

2999

01:46:39,350 --> 01:46:37,360

our fellow americans that you know

3000

01:46:40,629 --> 01:46:39,360

really are doing the right thing and

3001

01:46:43,990 --> 01:46:40,639

trying to do

3002

01:46:45,910 --> 01:46:44,000

what they need to do and um

3003

01:46:47,270 --> 01:46:45,920

i'll tell you anything they can put out

3004

01:46:48,550 --> 01:46:47,280

they're going to

3005

01:46:49,750 --> 01:46:48,560

yeah

3006

01:46:51,750 --> 01:46:49,760

and i think that's one of those things

3007

01:46:54,470 --> 01:46:51,760

once they're on tv and they're a talking

3008

01:46:55,750 --> 01:46:54,480

head that their life to

3009

01:46:57,830 --> 01:46:55,760

the people with an interest in that

3010

01:46:59,830 --> 01:46:57,840

subject as well just talk about ufos and

3011

01:47:01,669 --> 01:46:59,840

talk about aliens they don't realize

3012

01:47:04,070 --> 01:47:01,679

that

3013

01:47:06,950 --> 01:47:04,080

zondo or tom delong or a chris melon

3014

01:47:08,470 --> 01:47:06,960

finishes that show and drives home and

3015

01:47:10,470 --> 01:47:08,480

cooks her kid's dinner

3016

01:47:13,510 --> 01:47:10,480

and then has to deal with you know a

3017

01:47:15,750 --> 01:47:13,520

stomach upset or the dog has pissed all

3018

01:47:17,910 --> 01:47:15,760

over the couch or that still happens to

3019

01:47:20,950 --> 01:47:17,920

these people and their lives

3020

01:47:21,830 --> 01:47:20,960

absolutely absolutely yeah you know what

3021

01:47:26,310 --> 01:47:21,840

yeah

3022

01:47:28,790 --> 01:47:26,320

people that have you know done something

3023

01:47:30,870 --> 01:47:28,800

really good and got on there you know

3024

01:47:32,390 --> 01:47:30,880

they're on tv that's a big deal to some

3025

01:47:33,910 --> 01:47:32,400

people um

3026

01:47:36,070 --> 01:47:33,920

you know to me it's just

3027

01:47:37,750 --> 01:47:36,080

it's an avenue to get information out i

3028

01:47:39,669 --> 01:47:37,760

just finished um

3029

01:47:41,669 --> 01:47:39,679

uh filming a series that will be on the

3030

01:47:42,870 --> 01:47:41,679

history channel very shortly

3031

01:47:44,629 --> 01:47:42,880

and

3032

01:47:47,109 --> 01:47:44,639

you know it's about all of it it's about

3033

01:47:48,550 --> 01:47:47,119

all of it but it's this show is not for

3034

01:47:50,310 --> 01:47:48,560

ufo people

3035

01:47:52,310 --> 01:47:50,320

this show is for people that know

3036

01:47:53,270 --> 01:47:52,320

nothing about us or nothing about the

3037

01:47:53,990 --> 01:47:53,280

topic

3038

01:47:57,669 --> 01:47:54,000

so

3039

01:47:58,709 --> 01:47:57,679

starting at a very basic elementary

3040

01:48:00,870 --> 01:47:58,719

level

3041

01:48:03,270 --> 01:48:00,880

and hopefully each season just gets you

3042

01:48:04,870 --> 01:48:03,280

know just a little more complicated but

3043

01:48:07,510 --> 01:48:04,880

we can't just throw

3044

01:48:09,350 --> 01:48:07,520

the biggest out there and expect the

3045

01:48:10,070 --> 01:48:09,360

public and i think that's where a lot of

3046

01:48:12,709 --> 01:48:10,080

the

3047

01:48:15,350 --> 01:48:12,719

interest or dis interest is

3048

01:48:17,430 --> 01:48:15,360

you had an explosive story not only in

3049

01:48:19,669 --> 01:48:17,440

the new york times but on mainstream

3050

01:48:22,229 --> 01:48:19,679

media that they're actually saying if

3051

01:48:25,109 --> 01:48:22,239

this is true it's the largest

3052

01:48:27,030 --> 01:48:25,119

story in humanity and he's absolutely

3053

01:48:28,550 --> 01:48:27,040

right that was tucker carlson he's

3054

01:48:30,790 --> 01:48:28,560

absolutely right

3055

01:48:32,390 --> 01:48:30,800

where was the aftermath of people

3056

01:48:34,149 --> 01:48:32,400

freaking out and you know just even

3057

01:48:35,109 --> 01:48:34,159

wanting information it just didn't

3058

01:48:37,510 --> 01:48:35,119

happen

3059

01:48:39,350 --> 01:48:37,520

and i think it's because they get a big

3060

01:48:42,310 --> 01:48:39,360

big chunk like that they don't know how

3061

01:48:44,149 --> 01:48:42,320

to process so part of this show is

3062

01:48:45,990 --> 01:48:44,159

really basic

3063

01:48:48,470 --> 01:48:46,000

there's one part where you know somebody

3064

01:48:51,109 --> 01:48:48,480

filmed something i'm like i understand

3065

01:48:53,510 --> 01:48:51,119

why they think this is a ufo but it's

3066

01:48:54,950 --> 01:48:53,520

really this um but i understand that

3067

01:48:56,470 --> 01:48:54,960

because i you know you don't want to put

3068

01:48:58,830 --> 01:48:56,480

people down because you know they get

3069

01:49:01,350 --> 01:48:58,840

excited because they see something weird

3070

01:49:03,350 --> 01:49:01,360

but i think that's where we are at this

3071

01:49:06,149 --> 01:49:03,360

point if we could do anything even like

3072

01:49:08,070 --> 01:49:06,159

on ufo twitter is to also remember that

3073

01:49:09,830 --> 01:49:08,080

we have new people or our people that

3074

01:49:11,830 --> 01:49:09,840

don't even really let us know they're

3075

01:49:12,709 --> 01:49:11,840

watching

3076

01:49:15,990 --> 01:49:12,719

you know

3077

01:49:18,950 --> 01:49:16,000

we have to remember that we could be the

3078

01:49:20,390 --> 01:49:18,960

teachers or we can be the um

3079

01:49:22,550 --> 01:49:20,400

leaders

3080

01:49:23,990 --> 01:49:22,560

or the most sincere you know the people

3081

01:49:25,589 --> 01:49:24,000

that you're going to believe

3082

01:49:30,390 --> 01:49:25,599

um

3083

01:49:32,470 --> 01:49:30,400

twitter i believe i don't i don't have

3084

01:49:33,990 --> 01:49:32,480

to check their stories because they've

3085

01:49:35,350 --> 01:49:34,000

already had that reputation they've

3086

01:49:37,430 --> 01:49:35,360

already been vetted i've already checked

3087

01:49:39,350 --> 01:49:37,440

them 20 times you know now they've

3088

01:49:42,629 --> 01:49:39,360

earned that already so

3089

01:49:43,990 --> 01:49:42,639

um but even like carl and you know akum

3090

01:49:46,790 --> 01:49:44,000

and you know some of the people out

3091

01:49:48,709 --> 01:49:46,800

there joyce and you know foyer boy and

3092

01:49:51,830 --> 01:49:48,719

you know some of these people out there

3093

01:49:53,830 --> 01:49:51,840

you know there's also friendships and

3094

01:49:56,070 --> 01:49:53,840

people are starting to come together and

3095

01:49:58,310 --> 01:49:56,080

like i said earlier you know deep you

3096

01:50:00,390 --> 01:49:58,320

know i i know he does something

3097

01:50:02,790 --> 01:50:00,400

um that i really really needed in an

3098

01:50:05,189 --> 01:50:02,800

investigation and he stood right up he

3099

01:50:07,109 --> 01:50:05,199

was amazing so you know

3100

01:50:09,510 --> 01:50:07,119

but we also have to remember we have to

3101

01:50:11,510 --> 01:50:09,520

be the teachers

3102

01:50:13,589 --> 01:50:11,520

not everybody knows what we do not

3103

01:50:15,669 --> 01:50:13,599

everybody's at the level we are on

3104

01:50:17,990 --> 01:50:15,679

information and some people don't want

3105

01:50:20,229 --> 01:50:18,000

to be either as you kind of find out as

3106

01:50:21,910 --> 01:50:20,239

you go along and have those discussions

3107

01:50:23,910 --> 01:50:21,920

oh my god

3108

01:50:25,350 --> 01:50:23,920

yeah i don't know what and the last

3109

01:50:27,669 --> 01:50:25,360

question before i move on to the quick

3110

01:50:29,669 --> 01:50:27,679

fire round and finish off um from darn

3111

01:50:31,669 --> 01:50:29,679

stadium and i think i'm going to tweak

3112

01:50:33,669 --> 01:50:31,679

this one slightly because in the context

3113

01:50:36,149 --> 01:50:33,679

of the questions probably about opening

3114

01:50:38,390 --> 01:50:36,159

out there but given the first experience

3115

01:50:40,149 --> 01:50:38,400

you talked about i'll get there so he

3116

01:50:41,990 --> 01:50:40,159

had asked or they had asked what would

3117

01:50:44,229 --> 01:50:42,000

you say to an alien being during a

3118

01:50:46,070 --> 01:50:44,239

contact experience but i would love to

3119

01:50:47,990 --> 01:50:46,080

frame that and take you back to that

3120

01:50:51,189 --> 01:50:48,000

night in the field when you came into

3121

01:50:52,709 --> 01:50:51,199

contact with this little grey being if

3122

01:50:55,109 --> 01:50:52,719

you could go back to that sort of

3123

01:50:56,709 --> 01:50:55,119

incident or have you know

3124

01:50:59,270 --> 01:50:56,719

i hope it doesn't happen unless you want

3125

01:51:01,109 --> 01:50:59,280

it to an abduction experience

3126
01:51:03,109 --> 01:51:01,119
again maybe

3127
01:51:04,550 --> 01:51:03,119
so you don't yeah so that's not

3128
01:51:05,830 --> 01:51:04,560
something most people want to happen

3129
01:51:06,629 --> 01:51:05,840
even the ones that say they would like

3130
01:51:08,470 --> 01:51:06,639
it

3131
01:51:10,149 --> 01:51:08,480
what would you say to a being if you

3132
01:51:12,070 --> 01:51:10,159
came into contact with them again or

3133
01:51:14,310 --> 01:51:12,080
what would you want to

3134
01:51:16,390 --> 01:51:14,320
yeah the first thing i'd ask them is you

3135
01:51:18,709 --> 01:51:16,400
know why are you here

3136
01:51:21,430 --> 01:51:18,719
what is it about you know earth or

3137
01:51:23,270 --> 01:51:21,440
humans you know that you're most

3138
01:51:25,030 --> 01:51:23,280

interested in you know maybe we can help

3139

01:51:26,870 --> 01:51:25,040

you or you know answer some questions

3140

01:51:28,709 --> 01:51:26,880

for you or something and probably

3141

01:51:30,870 --> 01:51:28,719

another question would be like do you

3142

01:51:33,750 --> 01:51:30,880

guys know who shot kennedy

3143

01:51:38,390 --> 01:51:35,510

i like it i like it right under there

3144

01:51:40,229 --> 01:51:38,400

there's a geist of culture um listen

3145

01:51:41,750 --> 01:51:40,239

there were so many topics and thank you

3146

01:51:43,430 --> 01:51:41,760

to everyone first off who sent in

3147

01:51:45,669 --> 01:51:43,440

questions there was even more than that

3148

01:51:47,270 --> 01:51:45,679

but i'll hopefully save that for a next

3149

01:51:49,189 --> 01:51:47,280

time with with chase because it's been

3150

01:51:50,790 --> 01:51:49,199

great talking to her um some of the

3151

01:51:53,270 --> 01:51:50,800

things we didn't get to discuss i've put

3152

01:51:55,430 --> 01:51:53,280

into the quickfire round so you can say

3153

01:51:58,149 --> 01:51:55,440

as little or as much about each topic as

3154

01:52:00,310 --> 01:51:58,159

you want to um it can be one word or you

3155

01:52:01,669 --> 01:52:00,320

know paragraph sentences tell us a story

3156

01:52:02,629 --> 01:52:01,679

if you have to is that okay with your

3157

01:52:05,430 --> 01:52:02,639

chase

3158

01:52:07,750 --> 01:52:05,440

it is fire away awesome so the first one

3159

01:52:11,189 --> 01:52:07,760

would be what do you think is happening

3160

01:52:13,510 --> 01:52:11,199

with the whole abduction phenomenon

3161

01:52:16,310 --> 01:52:13,520

i believe that some people that report

3162

01:52:18,629 --> 01:52:16,320

that their abductees are not and i do

3163

01:52:20,390 --> 01:52:18,639

believe there is a whole bunch of people

3164

01:52:22,790 --> 01:52:20,400

who are

3165

01:52:25,270 --> 01:52:22,800

okay i'd like to follow that up do you

3166

01:52:27,350 --> 01:52:25,280

think that some of those genuine

3167

01:52:30,310 --> 01:52:27,360

abductions are

3168

01:52:31,990 --> 01:52:30,320

earthly origin as in potentially own

3169

01:52:33,510 --> 01:52:32,000

governments doing the abductions or do

3170

01:52:35,350 --> 01:52:33,520

you think that would be too

3171

01:52:37,750 --> 01:52:35,360

too much of our strength

3172

01:52:39,189 --> 01:52:37,760

you know i i didn't always and there was

3173

01:52:40,709 --> 01:52:39,199

a big part of me that just didn't want

3174

01:52:42,229 --> 01:52:40,719

to like deal with it and then you learn

3175

01:52:44,390 --> 01:52:42,239

about some of the things our government

3176
01:52:46,790 --> 01:52:44,400
has actually done and then you listen to

3177
01:52:48,950 --> 01:52:46,800
people and who are these witnesses when

3178
01:52:51,270 --> 01:52:48,960
you start vetting these witnesses they

3179
01:52:52,870 --> 01:52:51,280
have no reason to lie there they have no

3180
01:52:55,589 --> 01:52:52,880
reason to come out and do this and their

3181
01:52:57,189 --> 01:52:55,599
character is solid so yes i do believe

3182
01:52:59,189 --> 01:52:57,199
it

3183
01:53:01,750 --> 01:52:59,199
the next one would be your overall

3184
01:53:05,750 --> 01:53:01,760
thoughts on the famous 2004 nimitz

3185
01:53:07,830 --> 01:53:05,760
princeton incident what actually went on

3186
01:53:10,310 --> 01:53:07,840
exactly what they say you know you look

3187
01:53:12,470 --> 01:53:10,320
at like kevin day and and fraver and

3188
01:53:14,950 --> 01:53:12,480

these guys um they come from the same

3189

01:53:17,189 --> 01:53:14,960

arena i do they have no reason to lie

3190

01:53:21,030 --> 01:53:17,199

and fabricate it's not part of what they

3191

01:53:23,189 --> 01:53:21,040

are or or their world it's just not and

3192

01:53:25,910 --> 01:53:23,199

to come out public like that

3193

01:53:28,709 --> 01:53:25,920

you know when you have all these other

3194

01:53:30,790 --> 01:53:28,719

um fighter pilots it's like i know what

3195

01:53:33,589 --> 01:53:30,800

that takes my husband knows what that

3196

01:53:34,870 --> 01:53:33,599

takes and i absolutely believe

3197

01:53:36,629 --> 01:53:34,880

everything they're saying or they

3198

01:53:39,990 --> 01:53:36,639

wouldn't have come out

3199

01:53:41,750 --> 01:53:40,000

is that us tech or something else

3200

01:53:42,950 --> 01:53:41,760

um i believe it's something else

3201

01:53:43,990 --> 01:53:42,960

absolutely

3202

01:53:46,070 --> 01:53:44,000

okay

3203

01:53:48,470 --> 01:53:46,080

next one would be the wilson davis

3204

01:53:51,270 --> 01:53:48,480

documents or memos

3205

01:53:52,870 --> 01:53:51,280

your thoughts absolutely true

3206

01:53:56,390 --> 01:53:52,880

100

3207

01:53:58,870 --> 01:53:56,400

yep awesome i i would i would agree with

3208

01:54:01,350 --> 01:53:58,880

that and i think there's probably more

3209

01:54:02,550 --> 01:54:01,360

to come from those uh in the future

3210

01:54:06,070 --> 01:54:02,560

hopefully

3211

01:54:07,030 --> 01:54:06,080

uh your thoughts on the bob lazar story

3212

01:54:08,870 --> 01:54:07,040

the what

3213

01:54:13,350 --> 01:54:08,880

bob lazar

3214

01:54:14,870 --> 01:54:13,360

he's so controversial um

3215

01:54:18,149 --> 01:54:14,880

i think he got caught between a rock and

3216

01:54:19,589 --> 01:54:18,159

a hard place and but the fact that you

3217

01:54:23,589 --> 01:54:19,599

have

3218

01:54:25,750 --> 01:54:23,599

george knapp involved or even jeremy um

3219

01:54:28,149 --> 01:54:25,760

george knapp from the beginning

3220

01:54:29,910 --> 01:54:28,159

i'm willing to give this guy

3221

01:54:31,990 --> 01:54:29,920

the um

3222

01:54:34,470 --> 01:54:32,000

you know i'm willing to give him

3223

01:54:36,470 --> 01:54:34,480

the benefit of the doubt

3224

01:54:38,310 --> 01:54:36,480

absolutely because when george knapp

3225

01:54:39,830 --> 01:54:38,320

says he sees what

3226

01:54:40,709 --> 01:54:39,840

he's claiming

3227

01:54:42,550 --> 01:54:40,719

done

3228

01:54:44,149 --> 01:54:42,560

so yeah i'm going to believe him i guess

3229

01:54:45,990 --> 01:54:44,159

not on everything

3230

01:54:47,270 --> 01:54:46,000

but on the initial stuff

3231

01:54:49,270 --> 01:54:47,280

okay

3232

01:54:51,189 --> 01:54:49,280

and like we said even if

3233

01:54:53,910 --> 01:54:51,199

ten percent of what bubbles are talked

3234

01:54:56,390 --> 01:54:53,920

about is true then that's pretty

3235

01:54:57,350 --> 01:54:56,400

incredible in itself so i i would take

3236

01:55:00,790 --> 01:54:57,360

that

3237

01:55:02,709 --> 01:55:00,800

for you as the the right term to use ufo

3238

01:55:05,830 --> 01:55:02,719

or uap

3239

01:55:07,830 --> 01:55:05,840

uap actually brings it into a level that

3240

01:55:11,270 --> 01:55:07,840

we can discuss with professional people

3241

01:55:12,310 --> 01:55:11,280

like you know dc and whatever

3242

01:55:14,950 --> 01:55:12,320

but

3243

01:55:16,870 --> 01:55:14,960

i listen to a radio show from richard

3244

01:55:19,830 --> 01:55:16,880

dolan who says

3245

01:55:21,510 --> 01:55:19,840

we have to keep ufos because that also

3246

01:55:24,149 --> 01:55:21,520

reminds us of everything that happened

3247

01:55:25,030 --> 01:55:24,159

before the nimitz and all of that so for

3248

01:55:27,109 --> 01:55:25,040

me

3249

01:55:29,109 --> 01:55:27,119

um

3250

01:55:32,149 --> 01:55:29,119

i'm going uap

3251

01:55:35,910 --> 01:55:32,159

with a very fondness of let's not forget

3252

01:55:38,310 --> 01:55:35,920

that these ufos have been here before

3253

01:55:40,470 --> 01:55:38,320

uh i like that and ultimately i called

3254

01:55:43,350 --> 01:55:40,480

my podcast that ufo podcast and i'd

3255

01:55:46,149 --> 01:55:43,360

deliberate the the uap part but i agree

3256

01:55:48,709 --> 01:55:46,159

with your sentiments two more um your

3257

01:55:51,109 --> 01:55:48,719

thoughts on skinwalker ranch

3258

01:55:52,310 --> 01:55:51,119

skinwalker ranch um there's actually

3259

01:55:55,189 --> 01:55:52,320

another place

3260

01:55:57,750 --> 01:55:55,199

you know it's not as unique or

3261

01:55:59,589 --> 01:55:57,760

alone as possible i do believe a lot of

3262

01:56:01,430 --> 01:55:59,599

stuff's going on there because you look

3263

01:56:03,589 --> 01:56:01,440

at the caliber of people that were

3264

01:56:06,470 --> 01:56:03,599

investigating again these weren't you

3265

01:56:09,109 --> 01:56:06,480

know boots on the ground um civilian

3266

01:56:10,950 --> 01:56:09,119

grassroots people these were scientists

3267

01:56:11,830 --> 01:56:10,960

military personnel

3268

01:56:15,109 --> 01:56:11,840

and

3269

01:56:17,350 --> 01:56:15,119

about it way back then

3270

01:56:18,790 --> 01:56:17,360

right now it it's because they can say a

3271

01:56:21,430 --> 01:56:18,800

little more they can put a little more

3272

01:56:22,229 --> 01:56:21,440

out there but you have like red gate up

3273

01:56:25,030 --> 01:56:22,239

in

3274

01:56:26,870 --> 01:56:25,040

montana and if you just look up some of

3275

01:56:29,910 --> 01:56:26,880

the stuff of that area

3276

01:56:31,750 --> 01:56:29,920

it will blow your mind

3277

01:56:34,149 --> 01:56:31,760

skin walker on steroids and there's

3278

01:56:36,070 --> 01:56:34,159

several other places too um

3279

01:56:38,310 --> 01:56:36,080

you know about you know that have that

3280

01:56:41,510 --> 01:56:38,320

same phenomena so what that does is

3281

01:56:42,470 --> 01:56:41,520

actually tells us that skinwalker may

3282

01:56:43,430 --> 01:56:42,480

not be

3283

01:56:45,189 --> 01:56:43,440

fake

3284

01:56:47,030 --> 01:56:45,199

because the same stuff's going on here

3285

01:56:49,750 --> 01:56:47,040

been reported for decades it's going on

3286

01:56:51,109 --> 01:56:49,760

here and there so yeah that's my take on

3287

01:56:52,629 --> 01:56:51,119

that

3288

01:56:54,470 --> 01:56:52,639

since you've brought them up a few times

3289

01:56:56,149 --> 01:56:54,480

i'd like to follow that up very slightly

3290

01:56:58,310 --> 01:56:56,159

so you've mentioned bob bigelow bob

3291

01:57:00,470 --> 01:56:58,320

bigelow famously owned skinwalker ranch

3292

01:57:02,790 --> 01:57:00,480

before brandon fugo

3293

01:57:05,109 --> 01:57:02,800

if you're bob bigelow and you have the

3294

01:57:06,550 --> 01:57:05,119

interest in the subject that you do and

3295

01:57:09,430 --> 01:57:06,560

the knowledge that you do and this is

3296

01:57:12,070 --> 01:57:09,440

someone who sat on was it 60 minutes and

3297

01:57:13,830 --> 01:57:12,080

declared that alien beings are already

3298

01:57:15,189 --> 01:57:13,840

on the planet and walk amongst us and

3299

01:57:17,189 --> 01:57:15,199

it's quite a big thing for someone like

3300

01:57:18,550 --> 01:57:17,199

that to say you know and as i said he

3301

01:57:20,709 --> 01:57:18,560

doesn't give a damn

3302

01:57:22,830 --> 01:57:20,719

why do you sell a property like

3303

01:57:25,910 --> 01:57:22,840

skinwalker ranch if it's so

3304

01:57:27,350 --> 01:57:25,920

unique i think because he had all the

3305

01:57:28,470 --> 01:57:27,360

investment

3306

01:57:30,390 --> 01:57:28,480

or all the

3307

01:57:32,870 --> 01:57:30,400

his his answers were quite or his

3308

01:57:35,109 --> 01:57:32,880

questions were answered and

3309

01:57:37,350 --> 01:57:35,119

there's a lot of things that i believe

3310

01:57:40,390 --> 01:57:37,360

he could also come out with

3311

01:57:41,350 --> 01:57:40,400

um unfortunately in the meantime

3312

01:57:43,750 --> 01:57:41,360

um

3313

01:57:45,830 --> 01:57:43,760

his his business has suffered

3314

01:57:48,310 --> 01:57:45,840

a catastrophic you know laying off all

3315

01:57:50,070 --> 01:57:48,320

these employees and he lost his wife

3316

01:57:52,070 --> 01:57:50,080

and so right now he's probably not

3317

01:57:54,070 --> 01:57:52,080

thinking of ufos and i i got that

3318

01:57:56,229 --> 01:57:54,080

actually because i contacted george

3319

01:57:58,709 --> 01:57:56,239

knapp by email and i'm like hey any

3320

01:58:00,629 --> 01:57:58,719

chance bigelow's just gonna say you know

3321

01:58:03,109 --> 01:58:00,639

all this is coming out this is what i

3322

01:58:05,750 --> 01:58:03,119

have and that's what george reminded me

3323

01:58:08,629 --> 01:58:05,760

of is is again like not everybody is

3324

01:58:11,189 --> 01:58:08,639

like me that thinks ufos 24 7. that this

3325

01:58:12,149 --> 01:58:11,199

guy's running you know billion dollar

3326

01:58:14,950 --> 01:58:12,159

you know

3327

01:58:17,109 --> 01:58:14,960

businesses and he just lost his wife so

3328

01:58:19,589 --> 01:58:17,119

um

3329

01:58:20,629 --> 01:58:19,599

yeah i think i think bigelow's selling

3330

01:58:21,990 --> 01:58:20,639

it was

3331

01:58:24,070 --> 01:58:22,000

his

3332

01:58:25,910 --> 01:58:24,080

questions were answered

3333

01:58:27,910 --> 01:58:25,920

okay time for someone else to ask some

3334

01:58:30,310 --> 01:58:27,920

different questions maybe

3335

01:58:32,550 --> 01:58:30,320

yeah i've even done that investigations

3336

01:58:35,350 --> 01:58:32,560

like i go and i'll do one and then i'll

3337

01:58:38,070 --> 01:58:35,360

call another team and i usually use used

3338

01:58:39,990 --> 01:58:38,080

to use like oklahoma ufo group and you

3339

01:58:43,109 --> 01:58:40,000

call them in because you want them to

3340

01:58:45,669 --> 01:58:43,119

see what they can get because

3341

01:58:46,950 --> 01:58:45,679

you know it could either help your case

3342

01:58:47,750 --> 01:58:46,960

in strength

3343

01:58:51,189 --> 01:58:47,760

or

3344

01:58:53,189 --> 01:58:51,199

to answer so

3345

01:58:54,950 --> 01:58:53,199

so i love that he he did right by that

3346

01:58:56,550 --> 01:58:54,960

it's the right thing to do

3347

01:58:58,629 --> 01:58:56,560

and i suppose it's like any guest i

3348

01:58:59,990 --> 01:58:58,639

speak to on the podcast it's never been

3349

01:59:02,390 --> 01:59:00,000

their first interview and it won't be

3350

01:59:03,830 --> 01:59:02,400

the last either i would hope and it's

3351

01:59:05,430 --> 01:59:03,840

maybe i'm just going to ask a different

3352

01:59:07,510 --> 01:59:05,440

question to someone else and maybe they

3353

01:59:09,030 --> 01:59:07,520

get a little bit different context or

3354

01:59:10,470 --> 01:59:09,040

maybe the questions are just relevant to

3355

01:59:11,830 --> 01:59:10,480

be asked again and have the answers

3356

01:59:13,830 --> 01:59:11,840

heard so

3357

01:59:16,550 --> 01:59:13,840

you know which makes you a good

3358

01:59:19,189 --> 01:59:16,560

host

3359

01:59:21,750 --> 01:59:19,199

thank you and on that the last one is

3360

01:59:23,910 --> 01:59:21,760

looking for your opinion on disclosure

3361

01:59:25,669 --> 01:59:23,920

are we seeing it what is it what's

3362

01:59:28,709 --> 01:59:25,679

happening

3363

01:59:30,390 --> 01:59:28,719

yeah i i honestly think um we have it i

3364

01:59:32,149 --> 01:59:30,400

mean when you have the government openly

3365

01:59:34,390 --> 01:59:32,159

talking about it the president's like

3366

01:59:36,790 --> 01:59:34,400

well you know i don't believe much of it

3367

01:59:38,629 --> 01:59:36,800

but you know my pilots

3368

01:59:39,910 --> 01:59:38,639

you know so there's a consideration he

3369

01:59:42,830 --> 01:59:39,920

has that you know we have to remember

3370

01:59:45,750 --> 01:59:42,840

this guy gets bombarded with everything

3371

01:59:46,950 --> 01:59:45,760

obama bush all of them did and then you

3372

01:59:48,950 --> 01:59:46,960

bring something to a table can you

3373

01:59:51,589 --> 01:59:48,960

imagine being the guy that has to say

3374

01:59:53,990 --> 01:59:51,599

so mr president

3375

01:59:56,310 --> 01:59:54,000

we have these objects we don't know

3376

01:59:59,750 --> 01:59:56,320

what they are in our skies so they're

3377

02:00:02,229 --> 01:59:59,760

kind of ufo i would hate to be that guy

3378

02:00:03,510 --> 02:00:02,239

like he'd be like what like all the crap

3379

02:00:06,550 --> 02:00:03,520

on my desk right now and you're telling

3380

02:00:09,270 --> 02:00:06,560

me about a ufo so um i do think it's

3381

02:00:12,390 --> 02:00:09,280

come out um the new york times the fact

3382

02:00:14,310 --> 02:00:12,400

that the mainstream media but also

3383

02:00:16,390 --> 02:00:14,320

the people there's a lot of other people

3384

02:00:18,390 --> 02:00:16,400

we have scientists and people that are

3385

02:00:21,350 --> 02:00:18,400

we're not even talking about that are

3386

02:00:23,669 --> 02:00:21,360

completely investigating all of this now

3387

02:00:24,870 --> 02:00:23,679

what about naval observatory right there

3388

02:00:26,550 --> 02:00:24,880

in dc

3389

02:00:29,109 --> 02:00:26,560

you know i want to find out what they're

3390

02:00:31,910 --> 02:00:29,119

doing you know there there's

3391

02:00:34,550 --> 02:00:31,920

many places we can go and look

3392

02:00:36,070 --> 02:00:34,560

awesome thank you chase uh chase just

3393

02:00:37,669 --> 02:00:36,080

before we wrap up do you want to let the

3394

02:00:40,149 --> 02:00:37,679

listeners know how they can get in touch

3395

02:00:41,910 --> 02:00:40,159

with you discuss your website or any of

3396

02:00:43,350 --> 02:00:41,920

your work

3397

02:00:45,350 --> 02:00:43,360

yeah um

3398

02:00:47,350 --> 02:00:45,360

chasekletsy.com

3399

02:00:50,229 --> 02:00:47,360

and i also have the field reports within

3400

02:00:52,629 --> 02:00:50,239

s dot com where i have like some of my

3401

02:00:54,950 --> 02:00:52,639

favorite cases up it's not all of them

3402

02:00:57,830 --> 02:00:54,960

um but just my favorites

3403

02:00:59,990 --> 02:00:57,840

and i don't do a lot of facebook lately

3404

02:01:02,229 --> 02:01:00,000

because i'm all about ufo twitter i

3405

02:01:03,430 --> 02:01:02,239

and um if they're not talking about it

3408

02:01:09,669 --> 02:01:07,920

an issue i don't think he expected me to

3441

02:02:46,790 --> 02:02:44,870

[Music]

3442

02:02:48,310 --> 02:02:46,800

meditative

3443

02:02:49,910 --> 02:02:48,320

i can't imagine how it could have been

3444

02:03:00,520 --> 02:02:49,920

any better

3445

02:03:00,530 --> 02:03:07,589

[Music]

3446

02:03:13,189 --> 02:03:08,870

there was something on my head and

3447

02:03:21,460 --> 02:03:14,390

they thought it was a everything they

3448

02:03:21,470 --> 02:03:36,070

[Music]

3449

02:03:36,080 --> 02:03:41,430

and what's that

3450

02:04:08,390 --> 02:03:45,990

[Music]

3451

02:04:08,400 --> 02:04:13,030

what's that

3452

02:04:29,350 --> 02:04:15,920

foreign

3453

02:05:07,350 --> 02:04:49,980

[Music]
