

THE **OTHER** SHOW

3RD DECEMBER 2021

ANDY MCGRILLEN & DAN ZETTERSTROM

1
00:00:01,790 --> 00:00:07,269
[Music]

2
00:00:12,070 --> 00:00:09,509
it was basically a cube with inside of

3
00:00:16,990 --> 00:00:12,080
sphere where the points of the cube

4
00:00:17,000 --> 00:00:22,470
[Music]

5
00:00:22,480 --> 00:00:26,250
uh

6
00:00:30,150 --> 00:00:27,580
[Music]

7
00:00:31,750 --> 00:00:30,160
[Applause]

8
00:00:33,990 --> 00:00:31,760
so this isn't anything that just is

9
00:00:44,069 --> 00:00:34,000
limited to the united states it's a

10
00:00:48,310 --> 00:00:45,910
welcome welcome welcome to the other

11
00:00:50,790 --> 00:00:48,320
show on kgra with uh andy mcguire and

12
00:00:53,910 --> 00:00:50,800
dan zetastrom obviously you can see that

13
00:00:55,350 --> 00:00:53,920

andy is not here um he is unfortunately

14

00:00:56,869 --> 00:00:55,360

a little under the weather this week so

15

00:00:59,349 --> 00:00:56,879

i'm taking the reins to speak to our

16

00:01:01,270 --> 00:00:59,359

guests um he's on the mend he'll be back

17

00:01:03,750 --> 00:01:01,280

with us this week and uh from from all

18

00:01:04,630 --> 00:01:03,760

of us here andy uh we miss you get well

19

00:01:07,030 --> 00:01:04,640

soon

20

00:01:09,109 --> 00:01:07,040

um hearty hello as well to the fine folk

21

00:01:11,030 --> 00:01:09,119

over uh an identified celebrity review

22

00:01:12,469 --> 00:01:11,040

they just interviewed john ramirez a

23

00:01:14,149 --> 00:01:12,479

fantastic interview andy and i

24

00:01:15,830 --> 00:01:14,159

interviewed him a few weeks back so be

25

00:01:17,830 --> 00:01:15,840

sure to check that out if you are you

26
00:01:19,590 --> 00:01:17,840
haven't watched it uh they picked up on

27
00:01:20,870 --> 00:01:19,600
a lot of things that andy and john

28
00:01:22,870 --> 00:01:20,880
discussed

29
00:01:24,630 --> 00:01:22,880
quick recap of the week before i

30
00:01:27,749 --> 00:01:24,640
introduce our two wonderful guests you

31
00:01:29,910 --> 00:01:27,759
can see here um we had representative

32
00:01:31,190 --> 00:01:29,920
tim burscher made us history by speaking

33
00:01:33,030 --> 00:01:31,200
about uap at the house of

34
00:01:35,749 --> 00:01:33,040
representatives which is congress just

35
00:01:37,670 --> 00:01:35,759
in case you don't know by that name uh

36
00:01:39,910 --> 00:01:37,680
there's clear hunger for this issue to

37
00:01:42,069 --> 00:01:39,920
be addressed we we had a comment from

38
00:01:44,950 --> 00:01:42,079

the press secretary uh for jill brand

39

00:01:47,350 --> 00:01:44,960

yesterday senator gillibrand uh and the

40

00:01:48,310 --> 00:01:47,360

the most important bit i think of that

41

00:01:50,230 --> 00:01:48,320

was

42

00:01:53,030 --> 00:01:50,240

they said while we appreciate the dod's

43

00:01:55,270 --> 00:01:53,040

attention to the issue the aoi msg

44

00:01:56,789 --> 00:01:55,280

doesn't go nearly far enough so if

45

00:01:58,230 --> 00:01:56,799

you're panicking that this amendment

46

00:02:00,389 --> 00:01:58,240

isn't going to pass or the politicians

47

00:02:02,469 --> 00:02:00,399

are going to lose appetite for it don't

48

00:02:04,630 --> 00:02:02,479

we're fine just get in touch with your

49

00:02:06,830 --> 00:02:04,640

representatives specify that you want

50

00:02:09,190 --> 00:02:06,840

them to support amendment

51
00:02:10,869 --> 00:02:09,200
sa4810 uh so they know which one because

52
00:02:13,830 --> 00:02:10,879
there's about 500 different amendments

53
00:02:16,790 --> 00:02:13,840
in there um and yeah that hopefully

54
00:02:18,470 --> 00:02:16,800
we'll we'll get that supported

55
00:02:20,830 --> 00:02:18,480
you can support the podcast i've got a

56
00:02:24,309 --> 00:02:20,840
bunch of admins do here guys for for the

57
00:02:25,910 --> 00:02:24,319
uh that andy usually does um killing it

58
00:02:26,869 --> 00:02:25,920
right now you're doing a great job thank

59
00:02:30,229 --> 00:02:26,879
you man

60
00:02:33,670 --> 00:02:30,239
um so you can get 20 off manscaped with

61
00:02:35,190 --> 00:02:33,680
the code andy ufo uh you can support us

62
00:02:36,949 --> 00:02:35,200
your sponsors you can get gifts for your

63
00:02:38,710 --> 00:02:36,959

family friends kill your enemies with

64

00:02:41,509 --> 00:02:38,720

kindness and make sure the tic tacs are

65

00:02:43,589 --> 00:02:41,519

smooth to support the show in other ways

66

00:02:45,670 --> 00:02:43,599

you can sign up on patreon.com forward

67

00:02:47,750 --> 00:02:45,680

slash that ufo podcast you can also find

68

00:02:49,670 --> 00:02:47,760

us on spotify premium apple podcast with

69

00:02:51,350 --> 00:02:49,680

a two-week free trial as well as sign up

70

00:02:53,190 --> 00:02:51,360

via youtube you get some cool things

71

00:02:55,589 --> 00:02:53,200

like early access to interviews and

72

00:02:56,470 --> 00:02:55,599

members only ask me anything shows

73

00:02:57,830 --> 00:02:56,480

so

74

00:02:59,750 --> 00:02:57,840

with all that out of the way let me

75

00:03:02,309 --> 00:02:59,760

introduce our first guest a fellow

76
00:03:03,990 --> 00:03:02,319
member of uap media and creator designer

77
00:03:05,830 --> 00:03:04,000
writer producer i think the only thing

78
00:03:07,750 --> 00:03:05,840
he doesn't do is make the paper of

79
00:03:09,589 --> 00:03:07,760
shadows of your mind magazine this

80
00:03:11,830 --> 00:03:09,599
gentleman's knowledge knows no bounds

81
00:03:13,670 --> 00:03:11,840
ladies and gentlemen dave partridge

82
00:03:16,070 --> 00:03:13,680
thanks for joining me dave how are you

83
00:03:19,430 --> 00:03:16,080
no problem dan yeah it's um nice to be

84
00:03:20,790 --> 00:03:19,440
invited shay mandy is near but you know

85
00:03:22,630 --> 00:03:20,800
you you stuck with me instead

86
00:03:26,630 --> 00:03:22,640
unfortunately i i hope you're aware of

87
00:03:30,550 --> 00:03:28,309
so then i'm gonna just go ahead and

88
00:03:31,589 --> 00:03:30,560

introduce our main guest um i've been

89

00:03:33,990 --> 00:03:31,599

watching

90

00:03:35,670 --> 00:03:34,000

red uh red panda koala i'll say just

91

00:03:36,630 --> 00:03:35,680

this once it'll be red from now on

92

00:03:38,789 --> 00:03:36,640

because that's a little bit of a

93

00:03:40,149 --> 00:03:38,799

mouthful um

94

00:03:42,149 --> 00:03:40,159

uh but yeah i've been watching red's

95

00:03:44,070 --> 00:03:42,159

channel for for years and i think he

96

00:03:45,509 --> 00:03:44,080

really concisely conveys information in

97

00:03:47,509 --> 00:03:45,519

a really glossy and well-produced

98

00:03:49,190 --> 00:03:47,519

package he covers a whole load of

99

00:03:51,910 --> 00:03:49,200

different areas including tom delong

100

00:03:54,470 --> 00:03:51,920

uaps and nukes soviet ufos cattle

101
00:03:56,550 --> 00:03:54,480
mutilations the kolaris event and many

102
00:03:58,390 --> 00:03:56,560
many more along with channels like it's

103
00:04:00,070 --> 00:03:58,400
redacted this is one of the channels

104
00:04:02,550 --> 00:04:00,080
that i keep going back to time and time

105
00:04:04,789 --> 00:04:02,560
again so without further ado red panda

106
00:04:06,390 --> 00:04:04,799
koala how are you my friend whoo i'm

107
00:04:08,630 --> 00:04:06,400
doing great thanks for having me guys

108
00:04:10,470 --> 00:04:08,640
how are you both doing

109
00:04:11,429 --> 00:04:10,480
i'm great thank you thank you nice to

110
00:04:14,630 --> 00:04:11,439
meet you

111
00:04:17,990 --> 00:04:14,640
so without further ado we'll just dive

112
00:04:19,030 --> 00:04:18,000
in because these always go by in a flash

113
00:04:20,550 --> 00:04:19,040

um

114

00:04:22,390 --> 00:04:20,560

so

115

00:04:23,909 --> 00:04:22,400

clearly you're a very talented

116

00:04:25,749 --> 00:04:23,919

documentary filmmaker have you always

117

00:04:27,590 --> 00:04:25,759

been into documentary filmmaking did you

118

00:04:29,030 --> 00:04:27,600

study it can you tell us a little bit

119

00:04:31,430 --> 00:04:29,040

about your background

120

00:04:33,189 --> 00:04:31,440

no i didn't really study it ever i took

121

00:04:34,710 --> 00:04:33,199

one video class in college and i just

122

00:04:37,270 --> 00:04:34,720

made like a skate video with some

123

00:04:38,469 --> 00:04:37,280

friends uh not like a documentary type

124

00:04:39,909 --> 00:04:38,479

or anything

125

00:04:43,430 --> 00:04:39,919

um

126
00:04:45,030 --> 00:04:43,440
and then i i graduated college in 2016

127
00:04:46,710 --> 00:04:45,040
and then i moved to la and then i do

128
00:04:48,950 --> 00:04:46,720
like documentaries like i love watching

129
00:04:50,469 --> 00:04:48,960
them but i just like never studied it uh

130
00:04:52,310 --> 00:04:50,479
traditionally like history documentaries

131
00:04:53,430 --> 00:04:52,320
like if i'm working or like gaming or

132
00:04:55,990 --> 00:04:53,440
something i'll just have some random

133
00:04:58,550 --> 00:04:56,000
history documentary on in the background

134
00:05:00,230 --> 00:04:58,560
so uh initially i was just kind of like

135
00:05:02,310 --> 00:05:00,240
thinking of things to do

136
00:05:03,909 --> 00:05:02,320
and i wanted to do like a cold war

137
00:05:05,430 --> 00:05:03,919
history channel

138
00:05:07,029 --> 00:05:05,440

um so i was kind of like i bought a

139

00:05:09,350 --> 00:05:07,039

computer and like the plan was just like

140

00:05:10,310 --> 00:05:09,360

teach myself everything uh just using

141

00:05:11,590 --> 00:05:10,320

the internet you know you could learn a

142

00:05:13,990 --> 00:05:11,600

lot of stuff online

143

00:05:16,469 --> 00:05:14,000

um was it was that did you go on youtube

144

00:05:18,950 --> 00:05:16,479

could be the tutorials yeah youtube

145

00:05:20,310 --> 00:05:18,960

tutorials it's funny a lot there's like

146

00:05:21,350 --> 00:05:20,320

some of them it's like there's some

147

00:05:22,390 --> 00:05:21,360

videos that i come back to all the time

148

00:05:24,070 --> 00:05:22,400

because i'll just forget like one little

149

00:05:25,510 --> 00:05:24,080

thing and it's this like 11 year old kid

150

00:05:28,469 --> 00:05:25,520

like

151
00:05:29,270 --> 00:05:28,479
little thing

152
00:05:30,710 --> 00:05:29,280
uh

153
00:05:32,070 --> 00:05:30,720
and then yes i was

154
00:05:33,670 --> 00:05:32,080
this is like

155
00:05:35,670 --> 00:05:33,680
i was saving up money

156
00:05:37,189 --> 00:05:35,680
and then

157
00:05:39,749 --> 00:05:37,199
i got into like a car accident i was

158
00:05:42,710 --> 00:05:39,759
totally safe it wasn't my fault um that

159
00:05:43,909 --> 00:05:42,720
happened in november of 2017

160
00:05:45,270 --> 00:05:43,919
so then i was like oh sweet i'm gonna

161
00:05:47,990 --> 00:05:45,280
get a bunch of money to be able to start

162
00:05:49,670 --> 00:05:48,000
my cold war channel with this uh

163
00:05:51,430 --> 00:05:49,680

computer that i'm gonna buy and then

164

00:05:53,350 --> 00:05:51,440

like in between the time i had my car

165

00:05:55,990 --> 00:05:53,360

accident and the sick the settlement or

166

00:05:57,749 --> 00:05:56,000

whatever uh disbursed is when the ufo

167

00:05:59,909 --> 00:05:57,759

stuff happened and then i was like oh

168

00:06:01,990 --> 00:05:59,919

whoa this is uh pretty intense i never

169

00:06:03,189 --> 00:06:02,000

really thought it like i never deep dove

170

00:06:03,990 --> 00:06:03,199

into it before

171

00:06:05,270 --> 00:06:04,000

so

172

00:06:07,110 --> 00:06:05,280

i kind of had like

173

00:06:08,390 --> 00:06:07,120

an opinion of like oh just the classic

174

00:06:09,510 --> 00:06:08,400

like oh i think they could be there but

175

00:06:11,350 --> 00:06:09,520

i don't know if they're here you know

176

00:06:13,670 --> 00:06:11,360

like the never really thought about it

177

00:06:15,270 --> 00:06:13,680

opinion um

178

00:06:16,870 --> 00:06:15,280

and then yeah that's when the new york

179

00:06:19,029 --> 00:06:16,880

times article broke

180

00:06:21,189 --> 00:06:19,039

and i just did i started my deep dive

181

00:06:23,430 --> 00:06:21,199

then and then when i was doing my deep

182

00:06:25,510 --> 00:06:23,440

dab i was like oh there's really like a

183

00:06:27,909 --> 00:06:25,520

a space that i could just probably just

184

00:06:29,590 --> 00:06:27,919

do a ufo channel instead because there's

185

00:06:31,510 --> 00:06:29,600

i was like trying to find videos of

186

00:06:34,150 --> 00:06:31,520

basically like what i what i make now

187

00:06:35,990 --> 00:06:34,160

like kind of like that kind of style and

188

00:06:38,469 --> 00:06:36,000

a lot of times it's like powerpoint

189

00:06:40,150 --> 00:06:38,479

presentation type or just kind of like

190

00:06:42,950 --> 00:06:40,160

lectures or long form interviews which

191

00:06:44,309 --> 00:06:42,960

are all great but uh like

192

00:06:45,990 --> 00:06:44,319

not everyone has like a lot of time for

193

00:06:47,430 --> 00:06:46,000

that kind of stuff so

194

00:06:49,270 --> 00:06:47,440

that's kind of like where the idea for

195

00:06:50,230 --> 00:06:49,280

my whole channel came was just

196

00:06:51,909 --> 00:06:50,240

like

197

00:06:53,110 --> 00:06:51,919

the the ufo information that i found

198

00:06:54,710 --> 00:06:53,120

that i found interesting that i wish

199

00:06:57,430 --> 00:06:54,720

would have already been a video when i

200

00:06:58,950 --> 00:06:57,440

just got into this

201
00:07:00,469 --> 00:06:58,960
that's really cool you kind of covered

202
00:07:03,110 --> 00:07:00,479
my next question in that so i'm just

203
00:07:05,270 --> 00:07:03,120
gonna go one

204
00:07:07,909 --> 00:07:05,280
um but i'm wondering how how did you

205
00:07:10,230 --> 00:07:07,919
find your way to to the ufo subject or

206
00:07:12,629 --> 00:07:10,240
did it do you feel it kind of found you

207
00:07:14,469 --> 00:07:12,639
was it december 2017 definitely or was

208
00:07:16,629 --> 00:07:14,479
there anything before

209
00:07:18,950 --> 00:07:16,639
no that's that was really it i had like

210
00:07:20,950 --> 00:07:18,960
a family friend who growing up was in

211
00:07:22,230 --> 00:07:20,960
ufos and we would talk about it like but

212
00:07:23,510 --> 00:07:22,240
i never did a deep dope and i was like

213
00:07:25,909 --> 00:07:23,520

eight when that was when those

214

00:07:27,270 --> 00:07:25,919

conversations were happening and then uh

215

00:07:28,950 --> 00:07:27,280

when i was growing up my family and i

216

00:07:30,710 --> 00:07:28,960

would we would drive and listen to coast

217

00:07:31,909 --> 00:07:30,720

to coast but that was just kind of like

218

00:07:33,510 --> 00:07:31,919

for fun

219

00:07:35,830 --> 00:07:33,520

i never really deep dove it until the

220

00:07:38,070 --> 00:07:35,840

2017 uh

221

00:07:39,990 --> 00:07:38,080

article dropped to my own

222

00:07:41,270 --> 00:07:40,000

disappointment and shame i feel like i

223

00:07:43,749 --> 00:07:41,280

feel like people who are into it before

224

00:07:45,670 --> 00:07:43,759

2017 have like a little bit of a flex

225

00:07:48,070 --> 00:07:45,680

that they'll always have

226

00:07:53,430 --> 00:07:48,080

yeah are we like the hipsters of the ufo

227

00:07:56,869 --> 00:07:54,309

so

228

00:07:58,230 --> 00:07:56,879

just jumping right into your videos one

229

00:08:00,629 --> 00:07:58,240

of the ones i keep going back to were

230

00:08:02,390 --> 00:08:00,639

the the tom delong timeline videos

231

00:08:04,469 --> 00:08:02,400

because there you know just so much

232

00:08:06,230 --> 00:08:04,479

happened across so many years and if you

233

00:08:08,469 --> 00:08:06,240

were unless you were paying attention

234

00:08:10,869 --> 00:08:08,479

you know as a fan of tom or as a fan of

235

00:08:13,110 --> 00:08:10,879

ufos and that subject uh you just would

236

00:08:14,070 --> 00:08:13,120

have missed a lot um and they they

237

00:08:16,390 --> 00:08:14,080

really

238

00:08:18,230 --> 00:08:16,400

chart the story from tom

239

00:08:22,390 --> 00:08:18,240

tom's outlandish claims to him being

240

00:08:24,790 --> 00:08:22,400

proven to be honest and correct um

241

00:08:27,029 --> 00:08:24,800

can can you just i don't know how much

242

00:08:28,710 --> 00:08:27,039

you remember of it but i was wondering

243

00:08:30,869 --> 00:08:28,720

if you could just hit the main beats

244

00:08:32,310 --> 00:08:30,879

just just to say kind of what stood out

245

00:08:34,070 --> 00:08:32,320

to you there

246

00:08:36,389 --> 00:08:34,080

sure yeah so

247

00:08:37,750 --> 00:08:36,399

and this is kind of like uh goes back

248

00:08:39,350 --> 00:08:37,760

into like the whole why make the channel

249

00:08:41,750 --> 00:08:39,360

thing and another reason or two is like

250

00:08:42,790 --> 00:08:41,760

uh when i saw the 2017 stuff i was super

251
00:08:43,990 --> 00:08:42,800
excited and like looking for something

252
00:08:45,190 --> 00:08:44,000
that talked about it and like no one was

253
00:08:46,790 --> 00:08:45,200
interested in it

254
00:08:48,230 --> 00:08:46,800
and then so if you try to explain to

255
00:08:49,829 --> 00:08:48,240
someone like why you should care about

256
00:08:51,190 --> 00:08:49,839
what tom delonge says

257
00:08:53,030 --> 00:08:51,200
you know what i mean you're going to be

258
00:08:54,949 --> 00:08:53,040
talking to them like my videos i think

259
00:08:56,389 --> 00:08:54,959
are like 50 minutes for the two parts

260
00:08:58,870 --> 00:08:56,399
and that those are like concise concise

261
00:09:00,790 --> 00:08:58,880
concise so uh

262
00:09:02,389 --> 00:09:00,800
yeah basically that was like uh and i'd

263
00:09:03,350 --> 00:09:02,399

seen that that was like a very important

264

00:09:06,150 --> 00:09:03,360

subject

265

00:09:08,070 --> 00:09:06,160

to ufology that hadn't really been um

266

00:09:09,990 --> 00:09:08,080

kind of all pieced together like that

267

00:09:12,070 --> 00:09:10,000

like ross cool tart did a good job

268

00:09:13,990 --> 00:09:12,080

piecing that timeline together too

269

00:09:15,430 --> 00:09:14,000

um

270

00:09:17,750 --> 00:09:15,440

that came out i think a few years after

271

00:09:19,990 --> 00:09:17,760

though uh so yeah i was like this is

272

00:09:21,910 --> 00:09:20,000

like an important um

273

00:09:23,269 --> 00:09:21,920

aspect of modern ufology and there's all

274

00:09:25,030 --> 00:09:23,279

these like every day there's any reddit

275

00:09:26,389 --> 00:09:25,040

post about it and people are like trying

276

00:09:28,230 --> 00:09:26,399

to figure out and like post his

277

00:09:29,750 --> 00:09:28,240

interview and stuff so so yeah i was

278

00:09:31,750 --> 00:09:29,760

like okay i'm just gonna make the the

279

00:09:33,670 --> 00:09:31,760

timeline of everything he said

280

00:09:35,110 --> 00:09:33,680

uh regarding this subject and um for

281

00:09:37,509 --> 00:09:35,120

people who don't know i broke it up into

282

00:09:38,389 --> 00:09:37,519

two parts the first part is about how

283

00:09:41,110 --> 00:09:38,399

he

284

00:09:43,190 --> 00:09:41,120

gotten his information which we could go

285

00:09:45,190 --> 00:09:43,200

into more detail right after i break

286

00:09:46,870 --> 00:09:45,200

this down and then the second part is i

287

00:09:49,110 --> 00:09:46,880

basically take all the little bits of

288

00:09:51,509 --> 00:09:49,120

information that he said about ufos

289

00:09:54,389 --> 00:09:51,519

and put that into a timeline

290

00:09:56,230 --> 00:09:54,399

um and just disclaimer i'm not ending my

291

00:09:58,870 --> 00:09:56,240

videos too i say like i'm not saying to

292

00:10:00,550 --> 00:09:58,880

believe tom delonge 100 by any means but

293

00:10:01,509 --> 00:10:00,560

this is an important

294

00:10:03,030 --> 00:10:01,519

like he's

295

00:10:04,069 --> 00:10:03,040

integral to where we are right now and

296

00:10:06,069 --> 00:10:04,079

it's important that people are at least

297

00:10:07,910 --> 00:10:06,079

aware of like what he's saying and what

298

00:10:09,110 --> 00:10:07,920

he thinks these things are

299

00:10:10,790 --> 00:10:09,120

for everyone to make their own decisions

300

00:10:13,990 --> 00:10:10,800

on what these things are i guess

301
00:10:15,269 --> 00:10:14,000
and so yeah doing that deep dive i

302
00:10:17,190 --> 00:10:15,279
basically just like listened to a bunch

303
00:10:18,470 --> 00:10:17,200
of his interviews from the time period

304
00:10:20,150 --> 00:10:18,480
when he was um

305
00:10:22,150 --> 00:10:20,160
speaking for people who don't know

306
00:10:23,990 --> 00:10:22,160
there's like a there's a sweet spot

307
00:10:25,670 --> 00:10:24,000
where he claims to have had his advisors

308
00:10:27,509 --> 00:10:25,680
and he was just going on like

309
00:10:29,190 --> 00:10:27,519
jimmy church and linda molten howe and

310
00:10:30,550 --> 00:10:29,200
joe rogan and just kind of like talking

311
00:10:32,389 --> 00:10:30,560
his mouth off

312
00:10:33,829 --> 00:10:32,399
um maybe to like his own what detriment

313
00:10:35,269 --> 00:10:33,839

or something but

314

00:10:36,470 --> 00:10:35,279

um

315

00:10:38,310 --> 00:10:36,480

yeah so i listened to those and put

316

00:10:40,310 --> 00:10:38,320

those all in order and

317

00:10:42,790 --> 00:10:40,320

just basically yeah the story of how tom

318

00:10:44,630 --> 00:10:42,800

delong this rock star from lincoln 82 oh

319

00:10:45,350 --> 00:10:44,640

no he's like a rock star but just his

320

00:10:49,990 --> 00:10:45,360

like

321

00:10:51,670 --> 00:10:50,000

disclosure how he was involved and

322

00:10:53,190 --> 00:10:51,680

basically he

323

00:10:56,069 --> 00:10:53,200

uh and i'm actually curious to get your

324

00:10:57,990 --> 00:10:56,079

you guys opinions on this but he like uh

325

00:10:59,110 --> 00:10:58,000

he says like he went to lockheed martin

326

00:11:00,550 --> 00:10:59,120

and basically like because of a

327

00:11:01,990 --> 00:11:00,560

celebrity and

328

00:11:03,110 --> 00:11:02,000

these companies do this often like

329

00:11:04,150 --> 00:11:03,120

you'll see like

330

00:11:05,750 --> 00:11:04,160

companies will just bring random

331

00:11:07,190 --> 00:11:05,760

celebrities to speak to their employees

332

00:11:09,350 --> 00:11:07,200

or like to their family nights so that

333

00:11:11,509 --> 00:11:09,360

part isn't really too crazy to me

334

00:11:13,269 --> 00:11:11,519

um but he was basically able to like

335

00:11:15,350 --> 00:11:13,279

network and mingle with

336

00:11:17,269 --> 00:11:15,360

ufo people to like start this whole

337

00:11:19,910 --> 00:11:17,279

disclosure initiative and that's where

338

00:11:22,550 --> 00:11:19,920

you met like steve justice and then

339

00:11:24,470 --> 00:11:22,560

through justice met other people and uh

340

00:11:26,310 --> 00:11:24,480

who neil mccaslin general namely castlen

341

00:11:27,350 --> 00:11:26,320

and all that stuff so

342

00:11:28,550 --> 00:11:27,360

um

343

00:11:30,630 --> 00:11:28,560

just trying to like set the foundation

344

00:11:32,230 --> 00:11:30,640

of like these are like pretty high

345

00:11:33,829 --> 00:11:32,240

credentialed people who he's for sure we

346

00:11:35,190 --> 00:11:33,839

know in contact with and who he's

347

00:11:37,110 --> 00:11:35,200

claiming he's getting his information

348

00:11:39,030 --> 00:11:37,120

from so that way when we go over the

349

00:11:40,550 --> 00:11:39,040

information like makes sense

350

00:11:42,710 --> 00:11:40,560

um but what i was gonna say to you guys

351

00:11:44,310 --> 00:11:42,720

is uh do you guys think that

352

00:11:45,350 --> 00:11:44,320

his whole like went to lockheed martin

353

00:11:46,790 --> 00:11:45,360

episode

354

00:11:47,910 --> 00:11:46,800

like how much of it do you think was him

355

00:11:49,269 --> 00:11:47,920

and how much of it do you think was like

356

00:11:51,110 --> 00:11:49,279

they totally knew what he was gonna do

357

00:11:53,030 --> 00:11:51,120

like before he even got there you know

358

00:11:53,829 --> 00:11:53,040

what i mean

359

00:11:55,750 --> 00:11:53,839

what do you guys what are you guys

360

00:11:57,750 --> 00:11:55,760

thoughts curious dave we haven't heard

361

00:11:59,509 --> 00:11:57,760

from you yet so please go ahead

362

00:12:01,910 --> 00:11:59,519

yeah no i think um

363

00:12:03,829 --> 00:12:01,920

i mean like you like red said you know

364

00:12:05,910 --> 00:12:03,839

these big companies will gain

365

00:12:07,910 --> 00:12:05,920

celebrities whether you know like

366

00:12:10,470 --> 00:12:07,920

christmas parties or anniversary that

367

00:12:11,910 --> 00:12:10,480

kind of thing they'll hire the band or

368

00:12:13,430 --> 00:12:11,920

you know these people just to put on a

369

00:12:14,710 --> 00:12:13,440

show for their employees as a gesture of

370

00:12:16,389 --> 00:12:14,720

goodwill

371

00:12:18,550 --> 00:12:16,399

um things like that i know that the

372

00:12:19,990 --> 00:12:18,560

motorsport formula one teams do it quite

373

00:12:21,750 --> 00:12:20,000

often in their christmas parties they'll

374

00:12:23,269 --> 00:12:21,760

get in like these big stars just to put

375

00:12:24,790 --> 00:12:23,279

on a show and then they'll mingle with

376

00:12:27,910 --> 00:12:24,800

the rest of the crowd

377

00:12:29,190 --> 00:12:27,920

um but yeah i mean if tom delonge

378

00:12:30,710 --> 00:12:29,200

you know if he was meeting with d

379

00:12:32,310 --> 00:12:30,720

justice and some of the other people at

380

00:12:34,710 --> 00:12:32,320

skunk works and being shown around the

381

00:12:38,389 --> 00:12:34,720

facilities and you know been shown

382

00:12:40,230 --> 00:12:38,399

perhaps uh blueprints or plans for

383

00:12:41,670 --> 00:12:40,240

stuff that they're working on then that

384

00:12:44,150 --> 00:12:41,680

makes sense that he's going to go and

385

00:12:46,389 --> 00:12:44,160

take that and give it to

386

00:12:47,990 --> 00:12:46,399

you know probably hint towards that with

387

00:12:50,629 --> 00:12:48,000

other people that he meets later on down

388

00:12:53,750 --> 00:12:52,310

yeah that's interesting so it's so kind

389

00:12:55,030 --> 00:12:53,760

of like um

390

00:12:57,269 --> 00:12:55,040

you know we always talk about the

391

00:12:58,870 --> 00:12:57,279

information being in stove pipes so in

392

00:13:00,710 --> 00:12:58,880

effect tom connected a few of the

393

00:13:02,150 --> 00:13:00,720

stovepipes and they may have gotten a

394

00:13:04,389 --> 00:13:02,160

few people talking that that weren't

395

00:13:05,590 --> 00:13:04,399

before i guess um or made them aware of

396

00:13:07,829 --> 00:13:05,600

certain things they weren't aware of

397

00:13:09,829 --> 00:13:07,839

before that's interesting yeah so it's

398

00:13:12,069 --> 00:13:09,839

like what degree of it is like tom is

399

00:13:13,990 --> 00:13:12,079

loki this brilliant machiavellian

400

00:13:15,590 --> 00:13:14,000

schemer who's just playing off

401
00:13:17,269 --> 00:13:15,600
everyone's like what they know and don't

402
00:13:18,870 --> 00:13:17,279
know and what degree of it is like

403
00:13:20,949 --> 00:13:18,880
somebody above tom that we don't even

404
00:13:22,870 --> 00:13:20,959
know about thought that this might be a

405
00:13:24,470 --> 00:13:22,880
good person to like

406
00:13:26,389 --> 00:13:24,480
ease it because one of the theories i

407
00:13:28,310 --> 00:13:26,399
have of why like he's even involved is

408
00:13:29,990 --> 00:13:28,320
because it kind of gives them like an

409
00:13:31,269 --> 00:13:30,000
out for a bit you know what i mean

410
00:13:32,790 --> 00:13:31,279
because he's kind of so out there and

411
00:13:33,590 --> 00:13:32,800
he's so

412
00:13:34,949 --> 00:13:33,600
uh

413
00:13:37,190 --> 00:13:34,959

you know what i mean it's not it's not

414

00:13:38,949 --> 00:13:37,200

like the president or something

415

00:13:41,110 --> 00:13:38,959

he's crazy he has all these naked pics

416

00:13:42,790 --> 00:13:41,120

from the 90s and stuff like that so if

417

00:13:44,710 --> 00:13:42,800

they wanted to pull back they could have

418

00:13:46,470 --> 00:13:44,720

easily done that maybe for that first

419

00:13:48,470 --> 00:13:46,480

little window but i don't know it's all

420

00:13:49,750 --> 00:13:48,480

speculation still we'll probably all die

421

00:13:51,910 --> 00:13:49,760

not knowing

422

00:13:52,790 --> 00:13:51,920

that we'll face it

423

00:13:54,629 --> 00:13:52,800

i mean

424

00:13:56,310 --> 00:13:54,639

it almost got totally derailed by the

425

00:13:57,509 --> 00:13:56,320

wikileaks um

426

00:13:59,670 --> 00:13:57,519

thing as well

427

00:14:02,389 --> 00:13:59,680

when yeah i think greg cameron says that

428

00:14:04,790 --> 00:14:02,399

too and yeah

429

00:14:06,470 --> 00:14:04,800

yeah uh tom tom described it as the the

430

00:14:09,910 --> 00:14:06,480

information being shut off from a castle

431

00:14:12,710 --> 00:14:09,920

and as a faucet being turned off um

432

00:14:13,750 --> 00:14:12,720

so it blows my mind to think that the

433

00:14:16,949 --> 00:14:13,760

you know the

434

00:14:18,870 --> 00:14:16,959

stacked uh lineup of tsa was actually

435

00:14:21,189 --> 00:14:18,880

plan b in effect

436

00:14:23,350 --> 00:14:21,199

uh they've done a really really good job

437

00:14:25,110 --> 00:14:23,360

uh all things considered but i'd love to

438

00:14:26,550 --> 00:14:25,120

to hear from neilman castle and i'm sure

439

00:14:27,750 --> 00:14:26,560

we all wouldn't yeah he's one of the

440

00:14:29,509 --> 00:14:27,760

ones i think

441

00:14:30,470 --> 00:14:29,519

yeah sorry

442

00:14:33,030 --> 00:14:30,480

um

443

00:14:35,590 --> 00:14:33,040

so part two of those videos

444

00:14:37,590 --> 00:14:35,600

um includes a kind of overarching theory

445

00:14:39,910 --> 00:14:37,600

of uap not necessarily your overarching

446

00:14:41,430 --> 00:14:39,920

theory but the one tom presented uh it

447

00:14:43,670 --> 00:14:41,440

involves consciousness being influenced

448

00:14:45,110 --> 00:14:43,680

by beings that used to be referred to as

449

00:14:47,430 --> 00:14:45,120

the greek gods and and many other

450

00:14:48,870 --> 00:14:47,440

phobias worshipped throughout history um

451
00:14:51,189 --> 00:14:48,880
and this no doubt links into why the

452
00:14:52,710 --> 00:14:51,199
phenomenon is considered demonic by some

453
00:14:53,990 --> 00:14:52,720
as they see the world through a kind of

454
00:14:56,550 --> 00:14:54,000
religious lens

455
00:14:58,389 --> 00:14:56,560
so i wanted to know what your

456
00:14:59,829 --> 00:14:58,399
thoughts on that aspect of the story

457
00:15:02,069 --> 00:14:59,839
because for some people it kind of gets

458
00:15:03,350 --> 00:15:02,079
quite scary at this point um is it too

459
00:15:04,790 --> 00:15:03,360
much for you or do you find it

460
00:15:06,069 --> 00:15:04,800
intriguing

461
00:15:08,629 --> 00:15:06,079
uh

462
00:15:10,389 --> 00:15:08,639
i i would say like when it comes to the

463
00:15:12,150 --> 00:15:10,399

whole overarching ufo subject i'm kind

464

00:15:13,750 --> 00:15:12,160

of a doomer compared to some of the

465

00:15:15,110 --> 00:15:13,760

other people just because like and we'll

466

00:15:17,269 --> 00:15:15,120

probably talk about this to my collars

467

00:15:18,069 --> 00:15:17,279

video and stuff there's evidence of like

468

00:15:19,269 --> 00:15:18,079

uh

469

00:15:23,509 --> 00:15:19,279

not

470

00:15:25,110 --> 00:15:23,519

experiences and information downloads of

471

00:15:28,550 --> 00:15:25,120

love or something

472

00:15:30,470 --> 00:15:28,560

so in terms of that like i do agree

473

00:15:31,990 --> 00:15:30,480

with tom that

474

00:15:33,670 --> 00:15:32,000

and like the whole trickster element and

475

00:15:36,150 --> 00:15:33,680

like that jack filet said that these

476
00:15:38,829 --> 00:15:36,160
things impersonate each other or they

477
00:15:41,990 --> 00:15:38,839
can manipulate our emotions

478
00:15:44,310 --> 00:15:42,000
um yeah i just think that they're just

479
00:15:45,990 --> 00:15:44,320
all of their operations come from like a

480
00:15:47,749 --> 00:15:46,000
base level of deceit

481
00:15:49,829 --> 00:15:47,759
towards our species so it's like you

482
00:15:51,749 --> 00:15:49,839
can't even trust the good the bad it's

483
00:15:54,069 --> 00:15:51,759
all just like

484
00:15:55,829 --> 00:15:54,079
uh not good in my opinion well no not

485
00:15:57,110 --> 00:15:55,839
all not good but you just can't trust it

486
00:15:58,150 --> 00:15:57,120
because people have been told a bunch of

487
00:16:00,150 --> 00:15:58,160
stuff if

488
00:16:01,670 --> 00:16:00,160

like some of the abduction stuff which

489

00:16:03,430 --> 00:16:01,680

you know it's people are iffy if you're

490

00:16:04,790 --> 00:16:03,440

nuts and bolts but there's like some

491

00:16:06,710 --> 00:16:04,800

interesting abduction stuff where it's

492

00:16:09,030 --> 00:16:06,720

like people get told like things and

493

00:16:11,350 --> 00:16:09,040

they're lied to basically and

494

00:16:13,350 --> 00:16:11,360

it's taken advantage of in like very

495

00:16:14,629 --> 00:16:13,360

inappropriate ways

496

00:16:16,949 --> 00:16:14,639

so

497

00:16:19,030 --> 00:16:16,959

yeah i don't know i i think tom gets a

498

00:16:20,230 --> 00:16:19,040

lot of flak and pete and lou

499

00:16:22,710 --> 00:16:20,240

and lou doesn't even really say the

500

00:16:24,550 --> 00:16:22,720

threat like as much as he could in my

501
00:16:26,470 --> 00:16:24,560
opinion he just says like they could hit

502
00:16:29,590 --> 00:16:26,480
our planes but i think it's a lot like

503
00:16:33,350 --> 00:16:30,870
yeah for sure

504
00:16:35,030 --> 00:16:33,360
do you think humanity at large would be

505
00:16:38,310 --> 00:16:35,040
ready for that conversation yet or do

506
00:16:40,629 --> 00:16:38,320
you think we have a ways to go

507
00:16:42,470 --> 00:16:40,639
i'm gonna be honest i don't really know

508
00:16:43,749 --> 00:16:42,480
and i gleaned towards no

509
00:16:45,749 --> 00:16:43,759
and i just feel like from the the

510
00:16:47,910 --> 00:16:45,759
picture that i'm kind of

511
00:16:49,350 --> 00:16:47,920
painting for myself of like what might

512
00:16:51,350 --> 00:16:49,360
be behind this phenomena like what

513
00:16:52,629 --> 00:16:51,360

actions this phenomena takes

514

00:16:54,470 --> 00:16:52,639

uh

515

00:16:55,829 --> 00:16:54,480

like it seems kind of like not all good

516

00:16:57,030 --> 00:16:55,839

and i just and i know i don't even have

517

00:16:59,110 --> 00:16:57,040

the full picture so i can only imagine

518

00:17:02,069 --> 00:16:59,120

what the full picture is like some of

519

00:17:04,150 --> 00:17:02,079

the intelligence community and stuff

520

00:17:05,510 --> 00:17:04,160

uh luis simenes had a good point when i

521

00:17:07,270 --> 00:17:05,520

went on his show

522

00:17:09,270 --> 00:17:07,280

and he was saying

523

00:17:11,110 --> 00:17:09,280

because uh i always think like if a

524

00:17:12,630 --> 00:17:11,120

modern day collars happened which maybe

525

00:17:15,270 --> 00:17:12,640

we should for the listeners just do a

526

00:17:17,189 --> 00:17:15,280

quick little just two minute show yeah

527

00:17:18,710 --> 00:17:17,199

absolutely you know i have a question

528

00:17:19,829 --> 00:17:18,720

down the road on clarisse where i was

529

00:17:21,189 --> 00:17:19,839

going to ask you to just hit on it

530

00:17:23,189 --> 00:17:21,199

because i don't think many people really

531

00:17:25,110 --> 00:17:23,199

know and you did quite an extensive

532

00:17:27,510 --> 00:17:25,120

series on it so yeah please take the

533

00:17:29,510 --> 00:17:27,520

time yeah so call for the listeners

534

00:17:33,350 --> 00:17:29,520

colarus was this uh ufo flap that

535

00:17:34,630 --> 00:17:33,360

happened in 1977 to 78 in brazil and i

536

00:17:35,590 --> 00:17:34,640

found it really important to cover this

537

00:17:37,669 --> 00:17:35,600

because

538

00:17:39,190 --> 00:17:37,679

there's a few reasons so one it has a

539

00:17:40,549 --> 00:17:39,200

bunch of witnesses

540

00:17:43,110 --> 00:17:40,559

and

541

00:17:44,710 --> 00:17:43,120

like over hundreds like over 100 for

542

00:17:46,230 --> 00:17:44,720

sure probably

543

00:17:48,630 --> 00:17:46,240

and these range from farmers to

544

00:17:49,990 --> 00:17:48,640

fishermen to police officers to police

545

00:17:52,470 --> 00:17:50,000

chiefs to

546

00:17:54,470 --> 00:17:52,480

city councillors and to mayors so like

547

00:17:56,710 --> 00:17:54,480

all across the spectrum

548

00:17:59,430 --> 00:17:56,720

and this town started uh having all

549

00:18:01,510 --> 00:17:59,440

these ufo sightings but was really

550

00:18:02,789 --> 00:18:01,520

uh tragic about it is that these ufos

551
00:18:05,190 --> 00:18:02,799
weren't just like being seen they were

552
00:18:06,710 --> 00:18:05,200
actively like attacking people and

553
00:18:09,029 --> 00:18:06,720
um people were getting like radiation

554
00:18:11,590 --> 00:18:09,039
burns they were called chupachupa which

555
00:18:12,710 --> 00:18:11,600
means suck suck in portuguese because

556
00:18:14,470 --> 00:18:12,720
people felt like they were sucking their

557
00:18:15,909 --> 00:18:14,480
blood but typical stuff like people

558
00:18:17,830 --> 00:18:15,919
would say oh i was paralyzed and the

559
00:18:19,750 --> 00:18:17,840
thing this glowing orb was moving around

560
00:18:21,590 --> 00:18:19,760
my room and like hovering over like me

561
00:18:23,750 --> 00:18:21,600
and my family and then i just left and

562
00:18:25,430 --> 00:18:23,760
then we all felt like horrible for a few

563
00:18:27,270 --> 00:18:25,440

days

564

00:18:29,029 --> 00:18:27,280

so that's one one aspect of it is that

565

00:18:31,029 --> 00:18:29,039

there's so many people there's so many

566

00:18:33,590 --> 00:18:31,039

uh the dog there's only like one doctor

567

00:18:35,270 --> 00:18:33,600

in the town but she she's on the record

568

00:18:36,549 --> 00:18:35,280

since like at first i didn't believe it

569

00:18:38,070 --> 00:18:36,559

either but all these people started

570

00:18:40,830 --> 00:18:38,080

coming in with like radiation burns and

571

00:18:44,070 --> 00:18:40,840

like unable to move and stuff like that

572

00:18:45,430 --> 00:18:44,080

um and then another interesting aspect

573

00:18:46,630 --> 00:18:45,440

of it is because it was such a high

574

00:18:50,230 --> 00:18:46,640

profile

575

00:18:52,710 --> 00:18:50,240

uh kind of flap and by by a few months

576

00:18:55,270 --> 00:18:52,720

in mayors were contacting like uh

577

00:18:56,950 --> 00:18:55,280

governors and um the military and stuff

578

00:18:58,230 --> 00:18:56,960

to intervene the military eventually

579

00:18:59,669 --> 00:18:58,240

does intervene

580

00:19:01,830 --> 00:18:59,679

and

581

00:19:03,590 --> 00:19:01,840

uh there they sent a small team you know

582

00:19:05,750 --> 00:19:03,600

not like some huge crazy team i think it

583

00:19:07,110 --> 00:19:05,760

was like 10 people or so but eventually

584

00:19:08,549 --> 00:19:07,120

these 10 people started having like

585

00:19:09,990 --> 00:19:08,559

experiences too

586

00:19:11,350 --> 00:19:10,000

and they had originally went there to go

587

00:19:13,830 --> 00:19:11,360

dispel

588

00:19:15,669 --> 00:19:13,840

to like calm the area but they they

589

00:19:18,150 --> 00:19:15,679

ended up having their own like orb

590

00:19:20,549 --> 00:19:18,160

sightings and one of them even had a

591

00:19:22,549 --> 00:19:20,559

humanoid encounter with like a gray

592

00:19:25,990 --> 00:19:22,559

being and then

593

00:19:27,430 --> 00:19:26,000

uh it's the the brazilian government did

594

00:19:28,870 --> 00:19:27,440

cover it up quote unquote they said that

595

00:19:30,789 --> 00:19:28,880

it was all because of like lighthouses

596

00:19:32,470 --> 00:19:30,799

offshore so there's there's that angle

597

00:19:33,909 --> 00:19:32,480

of like cover-up

598

00:19:34,950 --> 00:19:33,919

there's the also the angle of like this

599

00:19:36,710 --> 00:19:34,960

is a foreign country because people are

600

00:19:38,150 --> 00:19:36,720

always like why is it always america and

601
00:19:40,870 --> 00:19:38,160
then another important thing is that in

602
00:19:42,230 --> 00:19:40,880
2004 aj gibrad who's like a really

603
00:19:45,830 --> 00:19:42,240
prominent i'd say the most prominent

604
00:19:48,150 --> 00:19:45,840
brazilian ufo researcher he led this uh

605
00:19:50,070 --> 00:19:48,160
i don't know political action i don't

606
00:19:51,430 --> 00:19:50,080
know uh political action group or

607
00:19:52,710 --> 00:19:51,440
something and tried to declassify some

608
00:19:54,870 --> 00:19:52,720
of these files and the brazilian

609
00:19:56,789 --> 00:19:54,880
government and air force actually did

610
00:19:58,310 --> 00:19:56,799
so for a while some of these files were

611
00:19:59,669 --> 00:19:58,320
out there like i think in the 90s and

612
00:20:01,750 --> 00:19:59,679
late 80s they were out there but they

613
00:20:03,750 --> 00:20:01,760

had never been really been confirmed but

614

00:20:07,270 --> 00:20:03,760

then the brazilian government confirmed

615

00:20:08,630 --> 00:20:07,280

uh released some of these files in 2004

616

00:20:09,830 --> 00:20:08,640

and so yeah those are like the main

617

00:20:11,909 --> 00:20:09,840

reasons why i really wanted to tell the

618

00:20:12,630 --> 00:20:11,919

story it was one all these witnesses

619

00:20:14,710 --> 00:20:12,640

two

620

00:20:16,230 --> 00:20:14,720

it's not all pretty and it's fairly well

621

00:20:17,190 --> 00:20:16,240

documented as far as the ufo case is

622

00:20:19,270 --> 00:20:17,200

going to go

623

00:20:20,950 --> 00:20:19,280

uh three it's in a foreign country

624

00:20:23,430 --> 00:20:20,960

for the government officially

625

00:20:24,710 --> 00:20:23,440

declassified stuff after covering it up

626

00:20:26,470 --> 00:20:24,720

after saying it was a lighthouse you

627

00:20:28,630 --> 00:20:26,480

know what i mean so

628

00:20:30,710 --> 00:20:28,640

all those all those beats i think make

629

00:20:32,149 --> 00:20:30,720

for a really compelling case

630

00:20:33,669 --> 00:20:32,159

and yeah it's not really one that's

631

00:20:34,870 --> 00:20:33,679

talked about too much

632

00:20:36,710 --> 00:20:34,880

and you definitely don't hear people who

633

00:20:39,029 --> 00:20:36,720

are like love and light only ever

634

00:20:41,990 --> 00:20:39,039

reference it

635

00:20:46,870 --> 00:20:44,390

am i correct in thinking that um robert

636

00:20:51,669 --> 00:20:46,880

bigelow owns all the clarisse files now

637

00:20:55,510 --> 00:20:52,549

yeah

638

00:20:57,029 --> 00:20:55,520

of course it ties in bigelow at the end

639

00:20:58,710 --> 00:20:57,039

of it right at the very end i think like

640

00:21:00,230 --> 00:20:58,720

2000

641

00:21:03,669 --> 00:21:00,240

some yeah somewhere around 2002 to

642

00:21:05,830 --> 00:21:03,679

2008-ish i believe kevin knew who was

643

00:21:07,669 --> 00:21:05,840

the marine aviator who was originally

644

00:21:09,270 --> 00:21:07,679

like going to see the

645

00:21:11,510 --> 00:21:09,280

or not kevin knew i'm forgetting his

646

00:21:13,029 --> 00:21:11,520

name but there was a marine aviator

647

00:21:13,909 --> 00:21:13,039

who's supposed to see the 2004 tic tac

648

00:21:18,390 --> 00:21:13,919

who

649

00:21:19,270 --> 00:21:18,400

he went to brazil before that trip i

650

00:21:20,390 --> 00:21:19,280

mean

651
00:21:22,630 --> 00:21:20,400
was it

652
00:21:23,590 --> 00:21:22,640
kurth maybe yeah something like that

653
00:21:26,630 --> 00:21:23,600
yeah

654
00:21:27,909 --> 00:21:26,640
got

655
00:21:29,430 --> 00:21:27,919
a lot of the files and maybe even some

656
00:21:31,590 --> 00:21:29,440
of the files that weren't declassified

657
00:21:33,909 --> 00:21:31,600
because they declassified photos and

658
00:21:35,750 --> 00:21:33,919
like reports written by the

659
00:21:37,750 --> 00:21:35,760
uh military personnel

660
00:21:39,669 --> 00:21:37,760
and but they didn't i don't think to my

661
00:21:41,350 --> 00:21:39,679
knowledge have declassified film role

662
00:21:42,470 --> 00:21:41,360
like a super 8 film role they had

663
00:21:44,390 --> 00:21:42,480

allegedly

664

00:21:45,669 --> 00:21:44,400

has been claimed by uh multiple people

665

00:21:47,750 --> 00:21:45,679

and i don't think that's been classified

666

00:21:49,909 --> 00:21:47,760

and i think bigelow might be uh sitting

667

00:21:51,830 --> 00:21:49,919

on that so

668

00:21:54,390 --> 00:21:51,840

interesting i guess that would be in the

669

00:21:57,830 --> 00:21:54,400

the data warehouse that column

670

00:21:59,750 --> 00:21:57,840

uh refers to in in their interviews um

671

00:22:02,149 --> 00:21:59,760

and maybe even the the

672

00:22:03,909 --> 00:22:02,159

yearly reports um i know tim mcmillan

673

00:22:06,070 --> 00:22:03,919

has seen one of those he got to have a

674

00:22:07,830 --> 00:22:06,080

gander through uh but not share it with

675

00:22:10,470 --> 00:22:07,840

us so so i wonder if we could ask him

676
00:22:12,470 --> 00:22:10,480
specifically if he saw any clara's stuff

677
00:22:14,950 --> 00:22:12,480
yeah and hal put off mentioned it

678
00:22:17,110 --> 00:22:14,960
recently and people mention it like

679
00:22:19,350 --> 00:22:17,120
uh yeah hal put off mention it so it's

680
00:22:20,950 --> 00:22:19,360
in their zeitgeist they know about it

681
00:22:21,830 --> 00:22:20,960
yeah 100

682
00:22:23,909 --> 00:22:21,840
um

683
00:22:26,549 --> 00:22:23,919
so you said december 2017 was kind of

684
00:22:27,800 --> 00:22:26,559
your genesis point or your origin story

685
00:22:29,029 --> 00:22:27,810
we'll say um

686
00:22:31,190 --> 00:22:29,039
[Music]

687
00:22:32,230 --> 00:22:31,200
since then what would you say has kind

688
00:22:36,070 --> 00:22:32,240

of been

689

00:22:37,990 --> 00:22:36,080

uh let's say pick three of your your

690

00:22:40,470 --> 00:22:38,000

the most important developments for you

691

00:22:42,789 --> 00:22:40,480

in this conversation since then like

692

00:22:45,510 --> 00:22:42,799

that have happened since then like yeah

693

00:22:46,950 --> 00:22:45,520

okay um

694

00:22:49,190 --> 00:22:46,960

well like well we talked about earlier

695

00:22:51,029 --> 00:22:49,200

that timber chat on the floor of this

696

00:22:52,710 --> 00:22:51,039

the house like yesterday or whenever

697

00:22:54,710 --> 00:22:52,720

that was saying like the american people

698

00:22:57,830 --> 00:22:54,720

can handle the truth was pretty dramatic

699

00:22:59,110 --> 00:22:57,840

but uh let's see what is um

700

00:23:00,870 --> 00:22:59,120

i guess just learning the details of the

701
00:23:02,950 --> 00:23:00,880
nimitz case because that one is really

702
00:23:04,070 --> 00:23:02,960
like i think a really solid go-to for a

703
00:23:05,510 --> 00:23:04,080
lot of people

704
00:23:07,430 --> 00:23:05,520
and just all the like flight

705
00:23:08,549 --> 00:23:07,440
characteristics of the tic tac

706
00:23:11,350 --> 00:23:08,559
and

707
00:23:14,470 --> 00:23:11,360
all that jazz

708
00:23:15,830 --> 00:23:14,480
um another big important things uh i

709
00:23:17,909 --> 00:23:15,840
guess and this kind of goes into another

710
00:23:19,909 --> 00:23:17,919
one of my videos uh when i learned about

711
00:23:21,510 --> 00:23:19,919
the chinese initiative although i think

712
00:23:23,830 --> 00:23:21,520
it's kind of stalled but there's like a

713
00:23:25,750 --> 00:23:23,840

chinese initiative to basically what

714

00:23:27,270 --> 00:23:25,760

isir is doing the

715

00:23:29,430 --> 00:23:27,280

the inner

716

00:23:31,029 --> 00:23:29,440

national coalition of extraterrestrial

717

00:23:32,470 --> 00:23:31,039

research or whatever

718

00:23:34,390 --> 00:23:32,480

they were they basically got all these

719

00:23:37,029 --> 00:23:34,400

ufo researchers to

720

00:23:39,270 --> 00:23:37,039

come to china are to come to russia

721

00:23:40,390 --> 00:23:39,280

china and then russia but basically

722

00:23:41,430 --> 00:23:40,400

they're propping up this whole thing

723

00:23:42,789 --> 00:23:41,440

like they were going to create their own

724

00:23:43,909 --> 00:23:42,799

u.n initiative

725

00:23:45,350 --> 00:23:43,919

um

726

00:23:46,710 --> 00:23:45,360

although that kind of panned out after

727

00:23:48,630 --> 00:23:46,720

the pandemic and it looks like a lot of

728

00:23:50,310 --> 00:23:48,640

those people moved to icer and are kind

729

00:23:51,590 --> 00:23:50,320

of just trying to do it outside of the

730

00:23:52,549 --> 00:23:51,600

chinese

731

00:23:53,990 --> 00:23:52,559

i don't know

732

00:23:55,669 --> 00:23:54,000

guys or whatever

733

00:23:56,950 --> 00:23:55,679

uh but that learning about that was

734

00:23:58,630 --> 00:23:56,960

pretty interesting because i was like

735

00:24:00,310 --> 00:23:58,640

okay this is another

736

00:24:01,669 --> 00:24:00,320

country that's for better or worse

737

00:24:03,430 --> 00:24:01,679

taking this seriously and then when

738

00:24:04,470 --> 00:24:03,440

they've released that they also have

739

00:24:07,029 --> 00:24:04,480

their own

740

00:24:08,789 --> 00:24:07,039

uapf basically uh that was a pretty big

741

00:24:10,070 --> 00:24:08,799

moment because yeah you a lot of

742

00:24:11,750 --> 00:24:10,080

criticism here is just like why is it

743

00:24:13,190 --> 00:24:11,760

only america why is it only this or that

744

00:24:14,789 --> 00:24:13,200

and then so learning about like other

745

00:24:16,390 --> 00:24:14,799

countries uh

746

00:24:17,750 --> 00:24:16,400

doing it is pretty interesting and then

747

00:24:22,149 --> 00:24:17,760

let's see what's the third really

748

00:24:25,750 --> 00:24:23,590

i i might be pointing you on the spot

749

00:24:28,390 --> 00:24:25,760

with that that number i picked out

750

00:24:30,149 --> 00:24:28,400

basically i think that's fine

751

00:24:31,990 --> 00:24:30,159

i guess no just like the general just

752

00:24:33,510 --> 00:24:32,000

the general progression of everything

753

00:24:35,430 --> 00:24:33,520

it's and

754

00:24:36,470 --> 00:24:35,440

what i try and what am i trying to do

755

00:24:38,310 --> 00:24:36,480

with my channel is i try and keep the

756

00:24:40,149 --> 00:24:38,320

history alive because i feel like

757

00:24:41,669 --> 00:24:40,159

it's the government is actively trying

758

00:24:43,430 --> 00:24:41,679

to like not keep the history alive with

759

00:24:44,950 --> 00:24:43,440

only going back to 2004 and even in the

760

00:24:47,990 --> 00:24:44,960

ufo community i feel like sometimes we

761

00:24:49,909 --> 00:24:48,000

forget um so just seeing the the

762

00:24:52,149 --> 00:24:49,919

constant stream of just like congress

763

00:24:55,029 --> 00:24:52,159

people talking about it or

764

00:24:56,470 --> 00:24:55,039

like talking crap about a msg or

765

00:24:57,669 --> 00:24:56,480

whatever and

766

00:24:59,669 --> 00:24:57,679

seeing that they got briefed and they're

767

00:25:02,149 --> 00:24:59,679

talking about it like that's all

768

00:25:03,669 --> 00:25:02,159

fairly novel stuff and like yes sure

769

00:25:05,029 --> 00:25:03,679

some similar things happened in the past

770

00:25:07,430 --> 00:25:05,039

but i don't think it's ever been like

771

00:25:08,870 --> 00:25:07,440

this level of just

772

00:25:12,070 --> 00:25:08,880

new week new person talking about it

773

00:25:14,950 --> 00:25:12,080

who's respected in society

774

00:25:17,350 --> 00:25:14,960

so those three things cool

775

00:25:18,870 --> 00:25:17,360

um you you kind of touched it on on it a

776

00:25:21,590 --> 00:25:18,880

little bit there but i was going to ask

777

00:25:23,190 --> 00:25:21,600

you about the the united nations and and

778

00:25:25,669 --> 00:25:23,200

you know what happened in san marino

779

00:25:28,549 --> 00:25:25,679

recently um you know they're supposedly

780

00:25:31,110 --> 00:25:28,559

being asked to take it forward to the un

781

00:25:33,269 --> 00:25:31,120

um and i wanted to ask if that was to

782

00:25:35,510 --> 00:25:33,279

happen what would you like to see come

783

00:25:37,510 --> 00:25:35,520

out of it

784

00:25:41,029 --> 00:25:37,520

if that was to happen

785

00:25:42,630 --> 00:25:41,039

maybe just like an international uaptf

786

00:25:44,710 --> 00:25:42,640

and maybe some kind of international

787

00:25:47,269 --> 00:25:44,720

amnesty thing i know that's kind of a

788

00:25:49,110 --> 00:25:47,279

controversial thing but uh

789

00:25:51,510 --> 00:25:49,120

i think and we're kind of seeing this on

790

00:25:53,350 --> 00:25:51,520

ufo twitter and stuff too i think like

791

00:25:56,310 --> 00:25:53,360

the the just getting everything out

792

00:25:59,430 --> 00:25:56,320

there is more important than like

793

00:26:01,269 --> 00:25:59,440

by uh covering up for some crimes or

794

00:26:02,950 --> 00:26:01,279

the political opinions of whoever's

795

00:26:04,310 --> 00:26:02,960

trying to get the information out as

796

00:26:05,990 --> 00:26:04,320

much as it might suck and which you

797

00:26:07,510 --> 00:26:06,000

might not agree with at all i think it's

798

00:26:08,390 --> 00:26:07,520

more important to get that out so i do

799

00:26:10,070 --> 00:26:08,400

think

800

00:26:11,990 --> 00:26:10,080

an important aspect of all this is the

801
00:26:14,149 --> 00:26:12,000
amnesty thing and the reason i say that

802
00:26:16,070 --> 00:26:14,159
is because uh

803
00:26:18,070 --> 00:26:16,080
uh like this act this was actively

804
00:26:19,750 --> 00:26:18,080
covered up for decades across multiple

805
00:26:21,669 --> 00:26:19,760
countries and you don't get to do that

806
00:26:23,750 --> 00:26:21,679
by just like being pretty about it and

807
00:26:25,350 --> 00:26:23,760
smiling like i do personally believe

808
00:26:27,510 --> 00:26:25,360
horrible stuff has been happening or has

809
00:26:29,190 --> 00:26:27,520
happened to keep this secret

810
00:26:30,950 --> 00:26:29,200
and

811
00:26:33,269 --> 00:26:30,960
stuff that i think we'd all be horrified

812
00:26:35,750 --> 00:26:33,279
by so i don't i think if there's not

813
00:26:38,549 --> 00:26:35,760

some kind of like amnesty on the table

814

00:26:40,710 --> 00:26:38,559

we won't get what we want

815

00:26:41,830 --> 00:26:40,720

and as much as i don't like the cover-up

816

00:26:43,909 --> 00:26:41,840

although i kind of go back and forth on

817

00:26:46,149 --> 00:26:43,919

that but uh as much as i like you know

818

00:26:47,430 --> 00:26:46,159

wish it was all out there

819

00:26:48,950 --> 00:26:47,440

and i don't like what some of the

820

00:26:50,470 --> 00:26:48,960

actions they did definitely don't like

821

00:26:52,549 --> 00:26:50,480

the murdering people over and stuff like

822

00:26:53,669 --> 00:26:52,559

that to be clear um i think it's more

823

00:26:55,430 --> 00:26:53,679

important to just get the information

824

00:26:56,549 --> 00:26:55,440

out

825

00:26:59,430 --> 00:26:56,559

yeah

826

00:27:01,830 --> 00:26:59,440

that's gone something that's unspoken um

827

00:27:04,470 --> 00:27:01,840

when people talk about disclosure is the

828

00:27:05,909 --> 00:27:04,480

potentiality of lawsuits coming in

829

00:27:08,710 --> 00:27:05,919

against governments and against the

830

00:27:10,470 --> 00:27:08,720

military from you know people who

831

00:27:12,230 --> 00:27:10,480

have been affected by this physically

832

00:27:13,669 --> 00:27:12,240

mentally and

833

00:27:15,669 --> 00:27:13,679

you know

834

00:27:17,510 --> 00:27:15,679

that is

835

00:27:20,149 --> 00:27:17,520

i think that's possibly one thing that's

836

00:27:21,269 --> 00:27:20,159

holding it back at the moment as well

837

00:27:22,549 --> 00:27:21,279

because once

838

00:27:23,909 --> 00:27:22,559

someone gets

839

00:27:25,909 --> 00:27:23,919

you know takes the government to court

840

00:27:27,430 --> 00:27:25,919

or the military to court

841

00:27:30,310 --> 00:27:27,440

and actually gets a payout you know

842

00:27:31,430 --> 00:27:30,320

similar to john burroughs did after um

843

00:27:32,630 --> 00:27:31,440

randall

844

00:27:34,950 --> 00:27:32,640

100

845

00:27:36,230 --> 00:27:34,960

once once you open those floodgates you

846

00:27:38,389 --> 00:27:36,240

know who knows where that's going to

847

00:27:40,310 --> 00:27:38,399

start

848

00:27:41,750 --> 00:27:40,320

and lose even said uh like uh if

849

00:27:43,909 --> 00:27:41,760

aerospace companies got access to

850

00:27:45,990 --> 00:27:43,919

certain tech and others didn't you know

851
00:27:47,430 --> 00:27:46,000
and that gave them a huge

852
00:27:49,190 --> 00:27:47,440
leap where

853
00:27:51,029 --> 00:27:49,200
there's a lot of like yeah money and

854
00:27:52,630 --> 00:27:51,039
pain involved with like uncovering this

855
00:27:54,310 --> 00:27:52,640
all up and and that's another thing that

856
00:27:55,590 --> 00:27:54,320
i think people don't really

857
00:27:57,269 --> 00:27:55,600
talk about when we're talking about the

858
00:27:59,029 --> 00:27:57,279
subject or in mainstream media it's like

859
00:28:00,230 --> 00:27:59,039
okay yes we're talking about ufos now

860
00:28:01,990 --> 00:28:00,240
but there's a reason we're only talking

861
00:28:03,269 --> 00:28:02,000
about it now and like tic tac was even

862
00:28:03,990 --> 00:28:03,279
2004

863
00:28:05,590 --> 00:28:04,000

like

864

00:28:06,870 --> 00:28:05,600

there's a history of covering this up

865

00:28:08,710 --> 00:28:06,880

that i think

866

00:28:10,470 --> 00:28:08,720

the yeah the media isn't really touching

867

00:28:11,990 --> 00:28:10,480

yet and i think when they do

868

00:28:14,310 --> 00:28:12,000

people be like oh

869

00:28:15,990 --> 00:28:14,320

it's not not good stuff because people

870

00:28:17,830 --> 00:28:16,000

get like you know what i mean there's

871

00:28:19,830 --> 00:28:17,840

like in the in the 70s when the cia was

872

00:28:22,549 --> 00:28:19,840

all exposed and stuff it caused quite a

873

00:28:23,909 --> 00:28:22,559

stir and stuff so i imagine probably

874

00:28:25,909 --> 00:28:23,919

like a similar thing to like what

875

00:28:28,230 --> 00:28:25,919

happened with that whole thing

876

00:28:33,590 --> 00:28:31,269

so some of your videos are on soviet uap

877

00:28:36,230 --> 00:28:33,600

encounters um and and their studies

878

00:28:38,310 --> 00:28:36,240

really go well beyond just seeing you

879

00:28:40,389 --> 00:28:38,320

know lights in the sky

880

00:28:42,950 --> 00:28:40,399

um they were as curious about this stuff

881

00:28:44,789 --> 00:28:42,960

as the usa and the rest of us i think um

882

00:28:46,470 --> 00:28:44,799

including the the kind of the psychic

883

00:28:48,149 --> 00:28:46,480

spy studies i'll do that in air quotes

884

00:28:49,909 --> 00:28:48,159

because it's not you know it's a broad

885

00:28:52,070 --> 00:28:49,919

stroke uh

886

00:28:53,510 --> 00:28:52,080

so you you obviously poured like you

887

00:28:56,230 --> 00:28:53,520

said you do deep dive so you kind of

888

00:28:59,110 --> 00:28:56,240

really poured over the the ussr russia

889

00:29:01,269 --> 00:28:59,120

uh stuff and it's debated in the

890

00:29:02,870 --> 00:29:01,279

community because we we haven't seen a

891

00:29:04,070 --> 00:29:02,880

lot of the paperwork and and we don't

892

00:29:07,350 --> 00:29:04,080

know the

893

00:29:09,269 --> 00:29:07,360

custody of a lot of it and we wonder if

894

00:29:12,950 --> 00:29:09,279

it's disinformation or anything like

895

00:29:14,230 --> 00:29:12,960

that um so i wanted to to ask what your

896

00:29:17,110 --> 00:29:14,240

kind of

897

00:29:18,789 --> 00:29:17,120

main takeaway and impression was from

898

00:29:20,389 --> 00:29:18,799

from doing the deep dive on the on the

899

00:29:21,590 --> 00:29:20,399

russia documents

900

00:29:22,950 --> 00:29:21,600

yeah um

901
00:29:24,630 --> 00:29:22,960
and i'll just purpose i probably have to

902
00:29:27,269 --> 00:29:24,640
do an even deeper dive on just like an

903
00:29:29,510 --> 00:29:27,279
overall russia one because the soviet

904
00:29:32,230 --> 00:29:29,520
videos i've covered uh for the audience

905
00:29:33,269 --> 00:29:32,240
one i did was on marina popovich who was

906
00:29:34,710 --> 00:29:33,279
this uh

907
00:29:35,909 --> 00:29:34,720
well i say she's a cosmonaut some people

908
00:29:37,430 --> 00:29:35,919
say she's not a cosmonaut because she

909
00:29:39,190 --> 00:29:37,440
never technically went to space but she

910
00:29:40,710 --> 00:29:39,200
like trained she got accepted into the

911
00:29:43,510 --> 00:29:40,720
cosmonaut program in my opinion that

912
00:29:45,990 --> 00:29:43,520
cons that still counts um and she had

913
00:29:47,510 --> 00:29:46,000

her own ufo experiences

914

00:29:49,669 --> 00:29:47,520

um

915

00:29:51,669 --> 00:29:49,679

and so from what and my other video was

916

00:29:53,750 --> 00:29:51,679

on this girl named nina kulagana who was

917

00:29:56,470 --> 00:29:53,760

studied by the soviets who allegedly to

918

00:29:58,310 --> 00:29:56,480

follow you dan uh had uh

919

00:30:00,230 --> 00:29:58,320

telekin kinetic powers and i know it

920

00:30:01,750 --> 00:30:00,240

sounds so crazy and uh even i and i'm

921

00:30:03,029 --> 00:30:01,760

not saying to believe it by any means

922

00:30:05,269 --> 00:30:03,039

but what's interesting about it is like

923

00:30:07,510 --> 00:30:05,279

there's a lot of people who corroborate

924

00:30:09,990 --> 00:30:07,520

her claims who are very uh

925

00:30:12,070 --> 00:30:10,000

esteemed and established within like

926

00:30:13,990 --> 00:30:12,080

science and stuff like that

927

00:30:15,029 --> 00:30:14,000

so my understanding of

928

00:30:16,470 --> 00:30:15,039

and i've obviously done more reading

929

00:30:18,310 --> 00:30:16,480

since then but as far as my video goes

930

00:30:19,510 --> 00:30:18,320

my understanding from um

931

00:30:22,710 --> 00:30:19,520

the soviet union was kind of through

932

00:30:24,230 --> 00:30:22,720

their their two lenses and so for marina

933

00:30:26,470 --> 00:30:24,240

popovich she would say that like yeah

934

00:30:28,630 --> 00:30:26,480

they had the same kind of stigma

935

00:30:30,950 --> 00:30:28,640

to where people wouldn't report things

936

00:30:32,870 --> 00:30:30,960

and like if you reported things uh

937

00:30:34,789 --> 00:30:32,880

you basically like get sent to a loony

938

00:30:37,830 --> 00:30:34,799

bin i think is what she said

939

00:30:39,029 --> 00:30:37,840

um so there's that and then

940

00:30:40,789 --> 00:30:39,039

through her life too we also learned

941

00:30:42,149 --> 00:30:40,799

that like after the fall of the soviet

942

00:30:43,990 --> 00:30:42,159

union is when this stuff was kind of

943

00:30:45,110 --> 00:30:44,000

allowed to be talked about more

944

00:30:46,710 --> 00:30:45,120

um

945

00:30:48,630 --> 00:30:46,720

and she and some others and even her

946

00:30:50,710 --> 00:30:48,640

ex-husband pavel pogbovich had his own

947

00:30:52,789 --> 00:30:50,720

ufo sighting and he was outspoken about

948

00:30:55,269 --> 00:30:52,799

it so after the fall of the soviet union

949

00:30:56,789 --> 00:30:55,279

more uh more people were talking

950

00:30:58,230 --> 00:30:56,799

but yeah like you said i would like to

951
00:30:59,509 --> 00:30:58,240
see those documents and i feel didn't

952
00:31:01,350 --> 00:30:59,519
george knapp or someone say he's seen

953
00:31:03,509 --> 00:31:01,360
them or something like that i thought

954
00:31:06,789 --> 00:31:03,519
yeah he brought some back and presented

955
00:31:07,909 --> 00:31:06,799
them to um what's happening bass

956
00:31:09,909 --> 00:31:07,919
yeah

957
00:31:11,430 --> 00:31:09,919
and it was like they managed to do like

958
00:31:14,310 --> 00:31:11,440
a family tree

959
00:31:16,230 --> 00:31:14,320
of the organizations within the russian

960
00:31:17,190 --> 00:31:16,240
government within the russian military

961
00:31:19,350 --> 00:31:17,200
and

962
00:31:21,110 --> 00:31:19,360
actually found that there was one unit

963
00:31:23,750 --> 00:31:21,120

which was

964

00:31:25,509 --> 00:31:23,760

kind of running it all um but i never

965

00:31:28,230 --> 00:31:25,519

quite found out

966

00:31:29,750 --> 00:31:28,240

how how far that was involved yeah

967

00:31:31,509 --> 00:31:29,760

sounds like a future video for me for

968

00:31:32,710 --> 00:31:31,519

sure because like like i was saying from

969

00:31:34,389 --> 00:31:32,720

the soviet videos i have covered it's

970

00:31:35,750 --> 00:31:34,399

kind of just from their perspective at

971

00:31:37,350 --> 00:31:35,760

all so like one

972

00:31:41,590 --> 00:31:37,360

like that would be

973

00:31:42,950 --> 00:31:41,600

really cool i have to dm you and nap and

974

00:31:44,149 --> 00:31:42,960

pluto

975

00:31:46,389 --> 00:31:44,159

mentions it in

976

00:31:48,470 --> 00:31:46,399

skinwalkers of the pentagon book oh

977

00:31:51,350 --> 00:31:48,480

really nice yeah

978

00:31:52,470 --> 00:31:51,360

nice nice very cool so yeah and so back

979

00:31:53,909 --> 00:31:52,480

to the general i think they were

980

00:31:55,350 --> 00:31:53,919

definitely studying it

981

00:31:57,669 --> 00:31:55,360

um

982

00:31:59,750 --> 00:31:57,679

i just don't think you can and then oh

983

00:32:01,509 --> 00:31:59,760

what are some things she had friends in

984

00:32:03,029 --> 00:32:01,519

intelligence so there's a little like

985

00:32:04,470 --> 00:32:03,039

peek and she said her friends and

986

00:32:06,310 --> 00:32:04,480

intelligence were under the impression

987

00:32:08,149 --> 00:32:06,320

that roswell was a legitimate crash like

988

00:32:09,669 --> 00:32:08,159

from the soviet perspective so i mean

989

00:32:11,509 --> 00:32:09,679

take that however you want she could

990

00:32:13,190 --> 00:32:11,519

have been lied to by someone she could

991

00:32:15,269 --> 00:32:13,200

have whatever but as far as she was

992

00:32:16,149 --> 00:32:15,279

understood it that's what she understood

993

00:32:18,470 --> 00:32:16,159

so

994

00:32:19,190 --> 00:32:18,480

that was another interesting tidbit

995

00:32:20,310 --> 00:32:19,200

and

996

00:32:22,070 --> 00:32:20,320

yeah

997

00:32:23,750 --> 00:32:22,080

kind of like uh makes me think of the

998

00:32:25,509 --> 00:32:23,760

the foo fighters have both sides were

999

00:32:27,350 --> 00:32:25,519

blaming each other but

1000

00:32:28,470 --> 00:32:27,360

both kind of thinking it was the yeah

1001
00:32:30,470 --> 00:32:28,480
the other side

1002
00:32:32,389 --> 00:32:30,480
yeah

1003
00:32:35,110 --> 00:32:32,399
so we'll just move on to simone

1004
00:32:37,669 --> 00:32:35,120
sorry audience questions um we have a

1005
00:32:39,509 --> 00:32:37,679
question from murph uh he says red panda

1006
00:32:41,509 --> 00:32:39,519
koalas we do some great videos so thank

1007
00:32:42,870 --> 00:32:41,519
you very much uh if you had to pick

1008
00:32:44,950 --> 00:32:42,880
between extraterrestrial

1009
00:32:47,029 --> 00:32:44,960
inter-dimensional crypto-terrestrial or

1010
00:32:49,269 --> 00:32:47,039
a combination which would you go for and

1011
00:32:51,430 --> 00:32:49,279
why i think kind of your your

1012
00:32:52,230 --> 00:32:51,440
favorite theory i think

1013
00:32:53,909 --> 00:32:52,240

yes

1014

00:32:55,509 --> 00:32:53,919

uh are you saying

1015

00:32:57,590 --> 00:32:55,519

you think you know what mine is

1016

00:32:59,269 --> 00:32:57,600

oh no uh oh no sorry okay i would like

1017

00:33:03,269 --> 00:32:59,279

to know what your favorite uh your pet

1018

00:33:06,630 --> 00:33:04,870

like whatever it is is 50

1019

00:33:09,110 --> 00:33:06,640

interdimensional a quarter crypto a

1020

00:33:11,190 --> 00:33:09,120

quarter extraterrestrial i don't you

1021

00:33:12,389 --> 00:33:11,200

know but i feel like uh we all probably

1022

00:33:13,990 --> 00:33:12,399

do this too right we're always bouncing

1023

00:33:15,990 --> 00:33:14,000

around like what we think it might be or

1024

00:33:17,430 --> 00:33:16,000

what if it's all bs like

1025

00:33:19,830 --> 00:33:17,440

yeah yeah

1026

00:33:21,269 --> 00:33:19,840

just laying up at night looking up uh

1027

00:33:22,470 --> 00:33:21,279

but um

1028

00:33:23,669 --> 00:33:22,480

yeah i'd probably go towards like

1029

00:33:24,870 --> 00:33:23,679

interdimensional i definitely don't i

1030

00:33:27,029 --> 00:33:24,880

think the

1031

00:33:28,630 --> 00:33:27,039

the strict biological like et from

1032

00:33:30,389 --> 00:33:28,640

another planet

1033

00:33:31,909 --> 00:33:30,399

star wars type situation i think that's

1034

00:33:33,509 --> 00:33:31,919

a little less likely from what i've seen

1035

00:33:34,789 --> 00:33:33,519

although it does probably exist but as

1036

00:33:35,830 --> 00:33:34,799

far as like what's been interacting with

1037

00:33:37,430 --> 00:33:35,840

us and

1038

00:33:39,269 --> 00:33:37,440

at least the like stuff you hear from

1039

00:33:39,990 --> 00:33:39,279

like lou

1040

00:33:45,830 --> 00:33:40,000

and

1041

00:33:47,590 --> 00:33:45,840

who are like don't obviously believe 100

1042

00:33:49,909 --> 00:33:47,600

whatever they say but they kind of know

1043

00:33:51,990 --> 00:33:49,919

more than probably a lot of us do that

1044

00:33:53,110 --> 00:33:52,000

kind of leans towards that way so yeah

1045

00:33:55,909 --> 00:33:53,120

it's a

1046

00:33:57,990 --> 00:33:55,919

little little interdimensional a little

1047

00:34:00,070 --> 00:33:58,000

a lot of trickster like

1048

00:34:01,909 --> 00:34:00,080

yeah i'm not as opposed to dyno beaver

1049

00:34:05,029 --> 00:34:01,919

as some people are

1050

00:34:09,030 --> 00:34:07,430

so michaela would like to know uh she

1051
00:34:10,869 --> 00:34:09,040
says there are many different books and

1052
00:34:12,950 --> 00:34:10,879
she doesn't really know where to start

1053
00:34:14,710 --> 00:34:12,960
uh what would be the main reads that

1054
00:34:16,389 --> 00:34:14,720
you'd suggest and why i know you have a

1055
00:34:18,790 --> 00:34:16,399
video that's kind of like a top ten so

1056
00:34:20,389 --> 00:34:18,800
yeah go for it great question so yeah i

1057
00:34:22,230 --> 00:34:20,399
do have a video that's a top ten and the

1058
00:34:24,950 --> 00:34:22,240
video i um it's like the first in a

1059
00:34:27,589 --> 00:34:24,960
series so this one was top 10 nuts and

1060
00:34:28,790 --> 00:34:27,599
bolts ufo books to come out since 2000

1061
00:34:30,230 --> 00:34:28,800
which i feel like is a good place to

1062
00:34:32,470 --> 00:34:30,240
start and then i'll eventually do like

1063
00:34:35,510 --> 00:34:32,480

top 10 nuts and bolts pre 2 000

1064

00:34:40,710 --> 00:34:35,520

woo post 2000 fiction books

1065

00:34:44,149 --> 00:34:41,909

i think like some of the best ones are

1066

00:34:46,230 --> 00:34:44,159

richard dolan's um

1067

00:34:50,230 --> 00:34:46,240

what is it ufos in the national security

1068

00:34:51,109 --> 00:34:50,240

state and then the the robert powell

1069

00:34:53,430 --> 00:34:51,119

and

1070

00:34:54,310 --> 00:34:53,440

uh ufo book which one is that two darn

1071

00:34:55,909 --> 00:34:54,320

it

1072

00:34:57,349 --> 00:34:55,919

let me see

1073

00:34:58,790 --> 00:34:57,359

i guess i should look it up

1074

00:34:59,670 --> 00:34:58,800

um well

1075

00:35:01,109 --> 00:34:59,680

do you guys know what i'm talking about

1076

00:35:03,670 --> 00:35:01,119

it's like the red and white one it's

1077

00:35:05,829 --> 00:35:03,680

like uh

1078

00:35:07,670 --> 00:35:05,839

yeah right yeah

1079

00:35:08,790 --> 00:35:07,680

so for sure it'll be in the show notes

1080

00:35:10,630 --> 00:35:08,800

uh the robert powell book and the

1081

00:35:12,230 --> 00:35:10,640

richard dolan ones those ones are really

1082

00:35:14,470 --> 00:35:12,240

good of just like

1083

00:35:15,990 --> 00:35:14,480

the entire story more or less and i

1084

00:35:17,829 --> 00:35:16,000

typically find whenever i'm researching

1085

00:35:19,829 --> 00:35:17,839

a book or something i'll definitely like

1086

00:35:22,470 --> 00:35:19,839

i have those books in e-copy so like

1087

00:35:23,670 --> 00:35:22,480

control-f like any particular terms that

1088

00:35:24,950 --> 00:35:23,680

i'm coming across in research just to

1089

00:35:26,710 --> 00:35:24,960

like cross-check against those see if

1090

00:35:28,150 --> 00:35:26,720

there's maybe something i missed but

1091

00:35:30,230 --> 00:35:28,160

those ones could are also kind of like

1092

00:35:32,230 --> 00:35:30,240

very intense like history kind of books

1093

00:35:33,430 --> 00:35:32,240

which i personally love but some people

1094

00:35:34,710 --> 00:35:33,440

maybe if you're looking for more of a

1095

00:35:36,310 --> 00:35:34,720

narrative

1096

00:35:38,150 --> 00:35:36,320

uh ross cult arts book is pretty good

1097

00:35:40,150 --> 00:35:38,160

and like

1098

00:35:41,990 --> 00:35:40,160

kind of i feel like

1099

00:35:43,430 --> 00:35:42,000

reads more like a

1100

00:35:44,630 --> 00:35:43,440

like like a typical read that you would

1101

00:35:46,790 --> 00:35:44,640

have as opposed to like history book

1102

00:35:48,790 --> 00:35:46,800

although all three of those are are good

1103

00:35:50,390 --> 00:35:48,800

that's what i would recommend but yeah

1104

00:35:51,910 --> 00:35:50,400

that's what i recommend

1105

00:35:53,510 --> 00:35:51,920

nice i'm going to throw that one to you

1106

00:35:55,030 --> 00:35:53,520

as well dave because i i know you have a

1107

00:35:56,710 --> 00:35:55,040

few favorites yes and i'll find the

1108

00:35:59,990 --> 00:35:56,720

cover i'll find that book while he's in

1109

00:36:01,430 --> 00:36:00,000

oh nice thank you um

1110

00:36:03,190 --> 00:36:01,440

i mean i agree

1111

00:36:05,190 --> 00:36:03,200

in part with red that you know richard

1112

00:36:07,510 --> 00:36:05,200

dolan's books the um

1113

00:36:10,790 --> 00:36:07,520

european national security state yes

1114

00:36:13,589 --> 00:36:10,800

they are in debt but you know dolan is

1115

00:36:15,670 --> 00:36:13,599

um a historian at heart anyway he

1116

00:36:18,069 --> 00:36:15,680

started off looking at the cold war and

1117

00:36:19,670 --> 00:36:18,079

then eventually stumbled into ufos and

1118

00:36:21,589 --> 00:36:19,680

took it from there

1119

00:36:23,589 --> 00:36:21,599

but my

1120

00:36:27,030 --> 00:36:23,599

personal favorites i prefer the older

1121

00:36:27,990 --> 00:36:27,040

books so like from the 50s 60s and 70s

1122

00:36:29,670 --> 00:36:28,000

um

1123

00:36:31,750 --> 00:36:29,680

you know if you want to start right at

1124

00:36:33,270 --> 00:36:31,760

the beginning then go for major donald

1125

00:36:35,430 --> 00:36:33,280

kehoe's books

1126
00:36:37,750 --> 00:36:35,440
you know especially his very early ones

1127
00:36:40,550 --> 00:36:37,760
where he had access to

1128
00:36:42,390 --> 00:36:40,560
um american air force pilots who could

1129
00:36:46,230 --> 00:36:42,400
talk freely about what they've seen up

1130
00:36:48,069 --> 00:36:46,240
to up to like 1952 or 53

1131
00:36:49,430 --> 00:36:48,079
when they got the whole thing just got

1132
00:36:51,030 --> 00:36:49,440
shut down

1133
00:36:53,670 --> 00:36:51,040
um

1134
00:36:54,710 --> 00:36:53,680
i think edward rupelt's book as well i

1135
00:36:56,790 --> 00:36:54,720
can't remember what it's called off the

1136
00:36:58,710 --> 00:36:56,800
top of my head but yeah that's that's a

1137
00:37:00,069 --> 00:36:58,720
great great place to start and then you

1138
00:37:01,670 --> 00:37:00,079

start

1139

00:37:03,030 --> 00:37:01,680

you know getting into the whole blue

1140

00:37:05,829 --> 00:37:03,040

book thing

1141

00:37:07,990 --> 00:37:05,839

um i'd say jack valley as well

1142

00:37:10,550 --> 00:37:08,000

i know these you put the forbidden

1143

00:37:11,510 --> 00:37:10,560

science books in your uh top ten list as

1144

00:37:13,510 --> 00:37:11,520

well red

1145

00:37:15,349 --> 00:37:13,520

yeah i did yeah those are great uh those

1146

00:37:17,030 --> 00:37:15,359

are his note like he just was taking

1147

00:37:17,910 --> 00:37:17,040

notes i guess every decade he was around

1148

00:37:19,510 --> 00:37:17,920

which is

1149

00:37:21,589 --> 00:37:19,520

a great little historical nugget of just

1150

00:37:24,390 --> 00:37:21,599

like the world of ufology in the time of

1151
00:37:25,829 --> 00:37:24,400
that like it was uh not allowed and yeah

1152
00:37:26,950 --> 00:37:25,839
i totally agree i think the repel book

1153
00:37:30,150 --> 00:37:26,960
for sure is probably gonna be like the

1154
00:37:31,670 --> 00:37:30,160
number one in my pre-2000 that that

1155
00:37:35,510 --> 00:37:31,680
guy's i think probably one of the most

1156
00:37:43,190 --> 00:37:38,550
sean would like to know do you think the

1157
00:37:47,270 --> 00:37:45,510
um

1158
00:37:48,870 --> 00:37:47,280
i would say

1159
00:37:50,390 --> 00:37:48,880
i don't know for sure obviously but i

1160
00:37:51,750 --> 00:37:50,400
would say i wouldn't be surprised if

1161
00:37:52,550 --> 00:37:51,760
they are

1162
00:37:53,670 --> 00:37:52,560
and

1163
00:37:55,829 --> 00:37:53,680

i wouldn't be surprised if they have a

1164

00:37:58,790 --> 00:37:55,839

lot of influence on like our world that

1165

00:38:01,270 --> 00:37:58,800

we just don't really realize

1166

00:38:03,030 --> 00:38:01,280

so i guess just nice and short wouldn't

1167

00:38:04,950 --> 00:38:03,040

be surprised

1168

00:38:06,870 --> 00:38:04,960

nice so uh that's appropriate because

1169

00:38:09,750 --> 00:38:06,880

we're going to jump into a kind of mini

1170

00:38:11,430 --> 00:38:09,760

quick fire now this this is both of you

1171

00:38:12,710 --> 00:38:11,440

so i'm just going to run through them

1172

00:38:15,910 --> 00:38:12,720

just tell me your thoughts quickly on

1173

00:38:18,870 --> 00:38:15,920

the subjects and uh yeah uh so thoughts

1174

00:38:21,910 --> 00:38:18,880

on ball lightning are right you go first

1175

00:38:24,069 --> 00:38:21,920

uh pretty interesting i honestly need to

1176

00:38:25,349 --> 00:38:24,079

probably do a bigger deep dive

1177

00:38:27,829 --> 00:38:25,359

i think that one video that everyone

1178

00:38:29,670 --> 00:38:27,839

post is fake right with the railroad and

1179

00:38:32,790 --> 00:38:29,680

it's like russian yeah yeah that's right

1180

00:38:34,150 --> 00:38:32,800

it was a cg project for some kid and he

1181

00:38:35,510 --> 00:38:34,160

came out and admitted it but it still

1182

00:38:37,030 --> 00:38:35,520

gets passed around as the genuine

1183

00:38:38,069 --> 00:38:37,040

article yeah

1184

00:38:40,150 --> 00:38:38,079

so

1185

00:38:41,349 --> 00:38:40,160

i definitely think i don't think like a

1186

00:38:43,990 --> 00:38:41,359

lot of the orbs and stuff i don't think

1187

00:38:45,510 --> 00:38:44,000

are that or it's a convenient uh cover i

1188

00:38:47,670 --> 00:38:45,520

guess is what i would say for a lot of

1189

00:38:50,630 --> 00:38:47,680

things but interesting still

1190

00:38:52,950 --> 00:38:50,640

cool dave yeah i mean it's a phenomena

1191

00:38:54,950 --> 00:38:52,960

which isn't seen that often and when it

1192

00:38:57,510 --> 00:38:54,960

does it can freak people out which is

1193

00:38:59,349 --> 00:38:57,520

you know it's no surprise why

1194

00:39:00,630 --> 00:38:59,359

you know someone will think that

1195

00:39:02,630 --> 00:39:00,640

holy

1196

00:39:04,710 --> 00:39:02,640

moly let's say uh

1197

00:39:06,950 --> 00:39:04,720

that's an orb or a ufa it's easily

1198

00:39:08,390 --> 00:39:06,960

mistakeable

1199

00:39:09,510 --> 00:39:08,400

yeah for sure

1200

00:39:11,430 --> 00:39:09,520

um

1201

00:39:13,349 --> 00:39:11,440

so your thoughts on the and you

1202

00:39:16,230 --> 00:39:13,359

mentioned ross coulthard so you probably

1203

00:39:18,630 --> 00:39:16,240

aware of it um the the kind of competing

1204

00:39:20,870 --> 00:39:18,640

timelines and time travel hypothesis of

1205

00:39:23,109 --> 00:39:20,880

the the visitors uh i wanted to ask you

1206

00:39:24,069 --> 00:39:23,119

both what you thought of that

1207

00:39:26,390 --> 00:39:24,079

um

1208

00:39:28,870 --> 00:39:26,400

i've been seeing the timeline stuff pop

1209

00:39:29,670 --> 00:39:28,880

up on ufo twitter a lot uh i don't know

1210

00:39:31,349 --> 00:39:29,680

if i

1211

00:39:32,630 --> 00:39:31,359

personally think that or like the future

1212

00:39:34,550 --> 00:39:32,640

human theory

1213

00:39:37,349 --> 00:39:34,560

and all that kind of stuff uh i don't

1214

00:39:39,910 --> 00:39:37,359

know if i i haven't seen enough to like

1215

00:39:40,950 --> 00:39:39,920

make me think that's 100 the case

1216

00:39:42,550 --> 00:39:40,960

um

1217

00:39:44,150 --> 00:39:42,560

maybe i think these things like

1218

00:39:45,510 --> 00:39:44,160

manipulate time in a sense of like the

1219

00:39:47,910 --> 00:39:45,520

way they move probably from the inside

1220

00:39:49,910 --> 00:39:47,920

the tic tac like is manipulated time

1221

00:39:51,750 --> 00:39:49,920

compared to outside but as far as like

1222

00:39:53,990 --> 00:39:51,760

back to the future style we're gonna

1223

00:39:55,349 --> 00:39:54,000

punch in this date go here and bounce

1224

00:39:58,550 --> 00:39:55,359

out i don't know if i

1225

00:40:01,030 --> 00:39:58,560

if i've agreed up with that

1226

00:40:04,470 --> 00:40:03,030

it's difficult because you know the way

1227

00:40:07,670 --> 00:40:04,480

pop culture is at the moment we've got

1228

00:40:09,190 --> 00:40:07,680

loki you know the whole marvel cinematic

1229

00:40:11,190 --> 00:40:09,200

universe dealing with timelines at the

1230

00:40:13,349 --> 00:40:11,200

moment you know is that bringing that

1231

00:40:14,550 --> 00:40:13,359

conversation into ufology and are people

1232

00:40:16,630 --> 00:40:14,560

using that

1233

00:40:17,750 --> 00:40:16,640

to try and explain something which you

1234

00:40:18,950 --> 00:40:17,760

know they probably haven't thought of

1235

00:40:21,670 --> 00:40:18,960

before

1236

00:40:24,150 --> 00:40:21,680

um you know future progeny as well you

1237

00:40:25,430 --> 00:40:24,160

know is it future us coming back to warn

1238

00:40:27,510 --> 00:40:25,440

us that we're about to destroy the

1239

00:40:28,790 --> 00:40:27,520

planet and if we don't back up our ideas

1240

00:40:30,630 --> 00:40:28,800

then

1241

00:40:31,430 --> 00:40:30,640

you know they won't survive kind of

1242

00:40:33,990 --> 00:40:31,440

thing

1243

00:40:36,470 --> 00:40:34,000

i think that was explored um

1244

00:40:38,790 --> 00:40:36,480

in the recent canal plus war the world

1245

00:40:40,630 --> 00:40:38,800

series

1246

00:40:44,710 --> 00:40:40,640

for people who have seen that for people

1247

00:40:48,309 --> 00:40:46,390

i felt like that one uh it started

1248

00:40:50,630 --> 00:40:48,319

pretty well the first episode kind of

1249

00:40:52,470 --> 00:40:50,640

kept the anxiety and panic of what that

1250

00:40:55,910 --> 00:40:52,480

moment would look like on the ground

1251
00:40:58,069 --> 00:40:55,920
level uh but yeah don't don't watch the

1252
00:40:59,589 --> 00:40:58,079
two seasons i would say

1253
00:41:01,670 --> 00:40:59,599
um

1254
00:41:03,910 --> 00:41:01,680
aside from kolaris what would be your

1255
00:41:06,150 --> 00:41:03,920
favorite ufo case red

1256
00:41:07,510 --> 00:41:06,160
okay aside from coloris and then we'll

1257
00:41:09,750 --> 00:41:07,520
also stay aside from

1258
00:41:13,430 --> 00:41:09,760
nimitz because that's like basic too

1259
00:41:15,510 --> 00:41:13,440
good thanks in that loophole for me um

1260
00:41:16,630 --> 00:41:15,520
we'll say

1261
00:41:23,430 --> 00:41:16,640
is

1262
00:41:24,950 --> 00:41:23,440
one and i don't know if you guys saw my

1263
00:41:26,790 --> 00:41:24,960

most of you supposed to one which covers

1264

00:41:28,309 --> 00:41:26,800

like al chop and like all that stuff so

1265

00:41:29,910 --> 00:41:28,319

that's kind of fresh in my mind to a

1266

00:41:31,190 --> 00:41:29,920

degree i'm right now i'm in the trenches

1267

00:41:33,349 --> 00:41:31,200

for edgar mitchell so like my mind is

1268

00:41:35,750 --> 00:41:33,359

all edgar mitchell but um

1269

00:41:38,150 --> 00:41:35,760

that one is really interesting because

1270

00:41:39,349 --> 00:41:38,160

lots of witnesses lots of credible

1271

00:41:42,150 --> 00:41:39,359

witnesses you know what i mean like al

1272

00:41:44,470 --> 00:41:42,160

chop was a great guy uh multiple airline

1273

00:41:45,510 --> 00:41:44,480

pilots see these things over dc

1274

00:41:47,510 --> 00:41:45,520

and then also what's really interesting

1275

00:41:50,550 --> 00:41:47,520

about that is you could really see like

1276

00:41:52,950 --> 00:41:50,560

like an immediate like uh

1277

00:41:54,309 --> 00:41:52,960

what is it like call to action on parts

1278

00:41:55,589 --> 00:41:54,319

of the government and stuff directly

1279

00:41:58,230 --> 00:41:55,599

after that which i think adds more

1280

00:42:00,069 --> 00:41:58,240

credit credence to the sighting like the

1281

00:42:00,950 --> 00:42:00,079

robertson panel was like directly after

1282

00:42:03,510 --> 00:42:00,960

that

1283

00:42:05,750 --> 00:42:03,520

uh grudge was reformed to blue book

1284

00:42:08,470 --> 00:42:05,760

directly after that and

1285

00:42:09,829 --> 00:42:08,480

and like um was basically like confirmed

1286

00:42:11,589 --> 00:42:09,839

to be like a debunking thing by that

1287

00:42:14,390 --> 00:42:11,599

point so basically just the government's

1288

00:42:15,510 --> 00:42:14,400

reaction in the wake of that event

1289

00:42:16,710 --> 00:42:15,520

kind of similar to roswell where you

1290

00:42:18,069 --> 00:42:16,720

just see all these like this event

1291

00:42:20,150 --> 00:42:18,079

happens and like now everything's kind

1292

00:42:21,990 --> 00:42:20,160

of changing and shuffling around and so

1293

00:42:25,109 --> 00:42:22,000

i think that's uh probably

1294

00:42:25,910 --> 00:42:25,119

one of my favorite ones in 1952 over dc

1295

00:42:28,230 --> 00:42:25,920

cool

1296

00:42:30,710 --> 00:42:28,240

and for you dave yeah i think i'm gonna

1297

00:42:32,710 --> 00:42:30,720

i mean i've spoken about it many times

1298

00:42:36,150 --> 00:42:32,720

on various different podcasts and that's

1299

00:42:38,470 --> 00:42:36,160

not here not tonight

1300

00:42:39,829 --> 00:42:38,480

it's the um it's the welsh site in the

1301

00:42:44,069 --> 00:42:39,839

welsh triangle

1302

00:42:46,150 --> 00:42:44,079

basically 1977 78 sightings um around

1303

00:42:47,030 --> 00:42:46,160

broadhaven milfordhaven

1304

00:42:49,190 --> 00:42:47,040

uh

1305

00:42:52,150 --> 00:42:49,200

it's called the duffhead enigma

1306

00:42:53,670 --> 00:42:52,160

um so there's a few few books from 1978

1307

00:42:56,790 --> 00:42:53,680

which explore

1308

00:42:58,069 --> 00:42:56,800

um the phenomena in detail with

1309

00:43:00,069 --> 00:42:58,079

interviews with some of the main

1310

00:43:02,390 --> 00:43:00,079

witnesses and just to get the feeling of

1311

00:43:04,870 --> 00:43:02,400

this small corner of wales which is

1312

00:43:07,589 --> 00:43:04,880

populated by um you know farmers and

1313

00:43:10,069 --> 00:43:07,599

mining communities

1314

00:43:12,390 --> 00:43:10,079

to be describing what they're describing

1315

00:43:13,670 --> 00:43:12,400

without having the influence of science

1316

00:43:16,230 --> 00:43:13,680

fiction

1317

00:43:19,270 --> 00:43:16,240

you know being prominent in their lives

1318

00:43:20,870 --> 00:43:19,280

you know it's quite a good um study and

1319

00:43:22,150 --> 00:43:20,880

what was going on at the time

1320

00:43:23,109 --> 00:43:22,160

oh well i'm gonna have to look into that

1321

00:43:24,550 --> 00:43:23,119

case because i don't even know anything

1322

00:43:26,870 --> 00:43:24,560

about it if it's one of your favorites

1323

00:43:29,910 --> 00:43:26,880

that's like like

1324

00:43:31,190 --> 00:43:29,920

it went on for a good 18 months i think

1325

00:43:32,390 --> 00:43:31,200

oh yeah definitely that's the thing

1326
00:43:33,750 --> 00:43:32,400
about

1327
00:43:36,309 --> 00:43:33,760
crafts and everything

1328
00:43:38,470 --> 00:43:36,319
you know suited figures um

1329
00:43:40,470 --> 00:43:38,480
lights in the sky

1330
00:43:41,270 --> 00:43:40,480
yeah dude like men and black type people

1331
00:43:42,309 --> 00:43:41,280
like

1332
00:43:44,230 --> 00:43:42,319
suited

1333
00:43:46,470 --> 00:43:44,240
no more like um

1334
00:43:49,270 --> 00:43:46,480
well there was two instances of men in

1335
00:43:50,309 --> 00:43:49,280
black yeah driving a um a silver rolls

1336
00:43:51,430 --> 00:43:50,319
royce

1337
00:43:53,030 --> 00:43:51,440
and um

1338
00:43:55,270 --> 00:43:53,040

yeah interrogating

1339

00:43:56,870 --> 00:43:55,280

a couple of families um there was a

1340

00:43:59,270 --> 00:43:56,880

trans-medium

1341

00:44:01,270 --> 00:43:59,280

incident well more than one

1342

00:44:02,230 --> 00:44:01,280

where the owner of a local hotel saw a

1343

00:44:03,190 --> 00:44:02,240

craft

1344

00:44:04,790 --> 00:44:03,200

um

1345

00:44:05,829 --> 00:44:04,800

heading for these rocks just off the

1346

00:44:07,990 --> 00:44:05,839

shore

1347

00:44:09,670 --> 00:44:08,000

and just saw the craft disappear and she

1348

00:44:11,030 --> 00:44:09,680

was waiting for the massive explosion

1349

00:44:14,309 --> 00:44:11,040

and

1350

00:44:15,750 --> 00:44:14,319

these two figures

1351
00:44:17,750 --> 00:44:15,760
appearing on these rocks as if they're

1352
00:44:20,069 --> 00:44:17,760
walking downstairs

1353
00:44:21,990 --> 00:44:20,079
and then going you know underneath

1354
00:44:23,990 --> 00:44:22,000
and apparently some diver went down

1355
00:44:26,470 --> 00:44:24,000
there and discovered a steel door in the

1356
00:44:28,550 --> 00:44:26,480
rocks but whether that's

1357
00:44:30,550 --> 00:44:28,560
you know whether that's um

1358
00:44:31,990 --> 00:44:30,560
genuine or not still

1359
00:44:33,750 --> 00:44:32,000
still up for debate

1360
00:44:35,270 --> 00:44:33,760
i mean if we can fund a training course

1361
00:44:37,270 --> 00:44:35,280
and get a diving suit i don't live too

1362
00:44:38,630 --> 00:44:37,280
far from there i'll go look yeah

1363
00:44:39,829 --> 00:44:38,640

oh yeah you guys are close we're just

1364

00:44:42,390 --> 00:44:39,839

diving

1365

00:44:44,150 --> 00:44:42,400

yeah i'm not so patreon

1366

00:44:45,990 --> 00:44:44,160

i live on the on the southern tip of

1367

00:44:48,790 --> 00:44:46,000

wales and and we actually kind of get a

1368

00:44:50,069 --> 00:44:48,800

lot of activity and and my mom seen a

1369

00:44:51,270 --> 00:44:50,079

few things there there was something

1370

00:44:53,589 --> 00:44:51,280

around cardiff airport when i was

1371

00:44:56,309 --> 00:44:53,599

growing up i vaguely remember but she

1372

00:44:58,550 --> 00:44:56,319

called the the airport to ask about it

1373

00:45:00,950 --> 00:44:58,560

um and apparently wasn't the only one um

1374

00:45:03,670 --> 00:45:00,960

but we we live in this big kind of

1375

00:45:05,349 --> 00:45:03,680

it's a magnetic anomaly and and if that

1376
00:45:08,069 --> 00:45:05,359
has anything to do with the phenomena

1377
00:45:11,030 --> 00:45:08,079
then yeah we we live in kind of this big

1378
00:45:13,990 --> 00:45:11,040
swath of of pink on the anomaly maps

1379
00:45:15,910 --> 00:45:14,000
um so yeah interesting like skin walker

1380
00:45:17,670 --> 00:45:15,920
grinding around

1381
00:45:20,069 --> 00:45:17,680
well like you went to basin level of

1382
00:45:23,510 --> 00:45:20,079
like low-key of activity in that area

1383
00:45:27,589 --> 00:45:24,630
i mean there was

1384
00:45:28,550 --> 00:45:27,599
by location of cattle at one point

1385
00:45:30,230 --> 00:45:28,560
um

1386
00:45:31,829 --> 00:45:30,240
cattle mutilations all sorts of things

1387
00:45:33,750 --> 00:45:31,839
going on

1388
00:45:35,510 --> 00:45:33,760

quite an incredible time

1389

00:45:37,430 --> 00:45:35,520

sounds like a future video for sure i'll

1390

00:45:39,430 --> 00:45:37,440

uh dm you get some more information

1391

00:45:40,390 --> 00:45:39,440

about those books and stuff it's crazy i

1392

00:45:56,150 --> 00:45:40,400

i

1393

00:45:58,150 --> 00:45:56,160

much that people have to

1394

00:46:00,630 --> 00:45:58,160

like ten years probably like before i

1395

00:46:02,390 --> 00:46:00,640

feel like uh i kind of have a fairly

1396

00:46:07,349 --> 00:46:02,400

good understanding oh yeah you can spend

1397

00:46:10,550 --> 00:46:08,950

so sorry i was just looking someone

1398

00:46:12,950 --> 00:46:10,560

asked if i could fit some questions in

1399

00:46:15,270 --> 00:46:12,960

and i cannot find them

1400

00:46:18,309 --> 00:46:15,280

um if you could post them again uh the

1401
00:46:25,270 --> 00:46:20,390
um yeah if you could if you could post

1402
00:46:28,069 --> 00:46:25,280
them again um i will ask them gladly

1403
00:46:29,510 --> 00:46:28,079
um so just before those come up um

1404
00:46:31,030 --> 00:46:29,520
that's actually really strange the next

1405
00:46:33,910 --> 00:46:31,040
one is cattle mutilation someone just

1406
00:46:36,230 --> 00:46:33,920
posted about cattle mutilations um so i

1407
00:46:38,630 --> 00:46:36,240
kind of wanted your your

1408
00:46:41,109 --> 00:46:38,640
kind of theory on why it may

1409
00:46:42,550 --> 00:46:41,119
be happening because it's a little it's

1410
00:46:44,309 --> 00:46:42,560
a little disturbing and part of me

1411
00:46:46,230 --> 00:46:44,319
wonders like could it have happened to

1412
00:46:49,349 --> 00:46:46,240
people around you know kolaris was

1413
00:46:51,430 --> 00:46:49,359

almost you know

1414

00:46:53,510 --> 00:46:51,440

some per okay so to answer those

1415

00:46:54,630 --> 00:46:53,520

questions i definitely don't know why it

1416

00:46:55,990 --> 00:46:54,640

happens

1417

00:46:58,069 --> 00:46:56,000

and i don't even really like have an

1418

00:47:00,309 --> 00:46:58,079

idea of like why it might happen but to

1419

00:47:01,589 --> 00:47:00,319

the other part i would obviously say i

1420

00:47:03,910 --> 00:47:01,599

wouldn't be surprised if it happens to

1421

00:47:05,750 --> 00:47:03,920

humans and there's some fairly

1422

00:47:07,589 --> 00:47:05,760

like it's all we're on the ufo stuff

1423

00:47:09,270 --> 00:47:07,599

right so it's like it's not like 100 but

1424

00:47:10,470 --> 00:47:09,280

there's fairly compelling

1425

00:47:13,030 --> 00:47:10,480

uh

1426
00:47:15,750 --> 00:47:13,040
cases and pictures and images and a lot

1427
00:47:17,670 --> 00:47:15,760
of them from brazil even um that make me

1428
00:47:19,910 --> 00:47:17,680
think that yeah it's probably happening

1429
00:47:21,750 --> 00:47:19,920
to humans too and if you look at like

1430
00:47:24,230 --> 00:47:21,760
missing 401 type stuff i feel like

1431
00:47:27,030 --> 00:47:24,240
that's kind of just like similar

1432
00:47:28,549 --> 00:47:27,040
situation of just

1433
00:47:30,710 --> 00:47:28,559
yeah i think what they do to cows they

1434
00:47:32,950 --> 00:47:30,720
probably do to humans too it's basically

1435
00:47:34,309 --> 00:47:32,960
just the easy way of saying it and then

1436
00:47:35,589 --> 00:47:34,319
there's some um

1437
00:47:37,430 --> 00:47:35,599
what bigelow's study i think said that

1438
00:47:39,510 --> 00:47:37,440

they might have been studying prions or

1439

00:47:40,630 --> 00:47:39,520

something like that in the meat and

1440

00:47:42,950 --> 00:47:40,640

there's some people who said i think

1441

00:47:44,710 --> 00:47:42,960

alien scientist says that it's

1442

00:47:45,670 --> 00:47:44,720

governments trying to test because

1443

00:47:46,790 --> 00:47:45,680

they're doing all these underground

1444

00:47:48,710 --> 00:47:46,800

nuclear

1445

00:47:50,150 --> 00:47:48,720

atomic tests and they're just trying to

1446

00:47:51,670 --> 00:47:50,160

test the meat to make sure

1447

00:47:53,670 --> 00:47:51,680

that it's not messing up like our

1448

00:47:55,349 --> 00:47:53,680

ecosystem as americans

1449

00:47:56,950 --> 00:47:55,359

but um as far as like why they do it i

1450

00:47:58,710 --> 00:47:56,960

really don't know and yeah to the to the

1451
00:47:59,670 --> 00:47:58,720
human thing i would not be surprised

1452
00:48:00,870 --> 00:47:59,680
what about you guys what do you guys

1453
00:48:04,950 --> 00:48:00,880
think

1454
00:48:07,190 --> 00:48:04,960
seeing whether the all these nuclear

1455
00:48:08,309 --> 00:48:07,200
tests are affecting the food chain i

1456
00:48:10,069 --> 00:48:08,319
think that's

1457
00:48:10,950 --> 00:48:10,079
that's one plausible explanation for

1458
00:48:14,150 --> 00:48:10,960
sure

1459
00:48:15,670 --> 00:48:14,160
um but of course the um

1460
00:48:17,430 --> 00:48:15,680
you know the linda molten howe

1461
00:48:20,230 --> 00:48:17,440
documentary strange harvest kind of

1462
00:48:22,630 --> 00:48:20,240
kicked it all off back in the late 70s

1463
00:48:24,230 --> 00:48:22,640

um and you know got people's awareness

1464

00:48:25,510 --> 00:48:24,240

into the subject again

1465

00:48:26,870 --> 00:48:25,520

so i think people should check that out

1466

00:48:28,870 --> 00:48:26,880

for sure

1467

00:48:31,109 --> 00:48:28,880

yeah and i referenced that in my cattle

1468

00:48:32,829 --> 00:48:31,119

mutilation video like

1469

00:48:35,670 --> 00:48:32,839

how much of a pioneer she was with that

1470

00:48:37,910 --> 00:48:35,680

documentary yeah

1471

00:48:39,829 --> 00:48:37,920

the the the prions thing is interesting

1472

00:48:42,069 --> 00:48:39,839

to me but

1473

00:48:43,750 --> 00:48:42,079

there are so many events where

1474

00:48:46,390 --> 00:48:43,760

you know the cows are instantly in the

1475

00:48:47,750 --> 00:48:46,400

trailer and i'm like okay you know sure

1476

00:48:49,990 --> 00:48:47,760

the government it makes sense for them

1477

00:48:51,670 --> 00:48:50,000

to track that and so on so forth but

1478

00:48:53,349 --> 00:48:51,680

there seems to be happenings that are

1479

00:48:54,710 --> 00:48:53,359

way outside of our abilities when it

1480

00:48:56,470 --> 00:48:54,720

comes to some of these catholic

1481

00:48:58,470 --> 00:48:56,480

mutilations but

1482

00:48:59,990 --> 00:48:58,480

again it could still be

1483

00:49:02,470 --> 00:49:00,000

you know if we went to a planet we would

1484

00:49:04,549 --> 00:49:02,480

try and catalog these things so

1485

00:49:06,390 --> 00:49:04,559

you know it could be a similar

1486

00:49:09,270 --> 00:49:06,400

reason but just just the wrong people

1487

00:49:11,670 --> 00:49:09,280

blaming i i guess um so for the last

1488

00:49:14,549 --> 00:49:11,680

part of the show i was going to go into

1489

00:49:16,150 --> 00:49:14,559

uh hollywood and ufos but we're kind of

1490

00:49:18,710 --> 00:49:16,160

we have four minutes left so we kind of

1491

00:49:21,109 --> 00:49:18,720

have to wrap up so we're just gonna i

1492

00:49:22,390 --> 00:49:21,119

know right so um i'll tease it for next

1493

00:49:25,030 --> 00:49:22,400

time because andy and i will we'll know

1494

00:49:27,750 --> 00:49:25,040

that you use hollywood and ufos uh for

1495

00:49:28,549 --> 00:49:27,760

our next show but just close out can i

1496

00:49:33,589 --> 00:49:28,559

get

1497

00:49:37,589 --> 00:49:35,270

you want to go first dave

1498

00:49:40,150 --> 00:49:37,599

yes

1499

00:49:40,950 --> 00:49:40,160

thank you question right now okay

1500

00:49:43,109 --> 00:49:40,960

um

1501

00:49:46,150 --> 00:49:43,119

i'm ready then all right yeah you go and

1502

00:49:47,910 --> 00:49:46,160

i'll give it a thought okay um

1503

00:49:49,670 --> 00:49:47,920

so this is kind of also kind of like a

1504

00:49:52,230 --> 00:49:49,680

shilling my channel moment but i think

1505

00:49:53,829 --> 00:49:52,240

that the ufo movie that came out in 1956

1506

00:49:55,990 --> 00:49:53,839

is pretty much

1507

00:49:57,510 --> 00:49:56,000

like one of the best uh

1508

00:49:58,950 --> 00:49:57,520

ufo films ever made and for people who

1509

00:49:59,829 --> 00:49:58,960

don't know this was like my most recent

1510

00:50:02,150 --> 00:49:59,839

video

1511

00:50:03,829 --> 00:50:02,160

this movie came out in 1956 and it was

1512

00:50:05,109 --> 00:50:03,839

really significant because it had three

1513

00:50:07,829 --> 00:50:05,119

whistleblower members of project blue

1514

00:50:09,990 --> 00:50:07,839

book it had edward repel it had al chop

1515

00:50:11,750 --> 00:50:10,000

and had dewey fournette as technical

1516

00:50:14,069 --> 00:50:11,760

advisors to this film and they had all

1517

00:50:16,150 --> 00:50:14,079

been like disaffected or dis uh really

1518

00:50:18,230 --> 00:50:16,160

turned off by what had happened

1519

00:50:19,430 --> 00:50:18,240

following the 1952 wave over dc which

1520

00:50:21,190 --> 00:50:19,440

was basically like

1521

00:50:23,190 --> 00:50:21,200

the cl more or less the closing down in

1522

00:50:25,030 --> 00:50:23,200

blue book just repainting like a name on

1523

00:50:26,470 --> 00:50:25,040

it or whatever and what's what i didn't

1524

00:50:28,790 --> 00:50:26,480

even know about that is that that movie

1525

00:50:30,230 --> 00:50:28,800

came out before uh edward rupelt's book

1526

00:50:32,309 --> 00:50:30,240

so technically i think it's like one of

1527

00:50:34,790 --> 00:50:32,319

the first records of

1528

00:50:36,870 --> 00:50:34,800

any kind of whistleblower for ufos and i

1529

00:50:38,230 --> 00:50:36,880

think it like would have inspired repel

1530

00:50:40,309 --> 00:50:38,240

like to write his book you know what i

1531

00:50:41,829 --> 00:50:40,319

mean so and i never really made that

1532

00:50:43,589 --> 00:50:41,839

timeline connection i always thought

1533

00:50:45,430 --> 00:50:43,599

book was like the first starting point

1534

00:50:46,630 --> 00:50:45,440

technically this film came out before so

1535

00:50:49,030 --> 00:50:46,640

i think that's really significant and

1536

00:50:50,150 --> 00:50:49,040

they like it's actually pretty uh it's

1537

00:50:51,910 --> 00:50:50,160

charming you know what i mean like it's

1538

00:50:53,750 --> 00:50:51,920

from the 50s so it's like very different

1539

00:50:56,069 --> 00:50:53,760

pace and kind of than what we would make

1540

00:50:57,510 --> 00:50:56,079

today but it's charming and you could

1541

00:50:59,750 --> 00:50:57,520

tell like the people involved like

1542

00:51:01,109 --> 00:50:59,760

really were trying to start something

1543

00:51:02,390 --> 00:51:01,119

they were really trying to be like proto

1544

00:51:04,390 --> 00:51:02,400

ttsa

1545

00:51:05,670 --> 00:51:04,400

proto lou alzonzo and you know what i

1546

00:51:08,390 --> 00:51:05,680

mean and

1547

00:51:09,270 --> 00:51:08,400

just the the where we've come since then

1548

00:51:10,549 --> 00:51:09,280

and

1549

00:51:12,309 --> 00:51:10,559

just knowing that they did they tried it

1550

00:51:13,670 --> 00:51:12,319

so early just i just have like so much

1551
00:51:15,430 --> 00:51:13,680
respect like i was like i was telling

1552
00:51:17,589 --> 00:51:15,440
you guys like people pre 2017 it's like

1553
00:51:20,230 --> 00:51:17,599
wow you guys have clout but like they're

1554
00:51:21,430 --> 00:51:20,240
like pre uh rupell's book you know what

1555
00:51:22,630 --> 00:51:21,440
i mean like

1556
00:51:25,109 --> 00:51:22,640
so

1557
00:51:26,309 --> 00:51:25,119
that's mine yeah nice i mean i'd say i'd

1558
00:51:27,750 --> 00:51:26,319
have to probably

1559
00:51:29,270 --> 00:51:27,760
you know one that i've

1560
00:51:33,030 --> 00:51:29,280
really resonated with me in the last 12

1561
00:51:37,829 --> 00:51:34,549
basically because it starts off with a

1562
00:51:39,829 --> 00:51:37,839
uso encounter that damages an american

1563
00:51:41,670 --> 00:51:39,839

nuclear submarine and then that sets up

1564

00:51:42,790 --> 00:51:41,680

the rest of the story when you're

1565

00:51:44,069 --> 00:51:42,800

dealing there with the crypto

1566

00:51:46,950 --> 00:51:44,079

terrestrial

1567

00:51:49,910 --> 00:51:46,960

theory as well um and the fact that this

1568

00:51:51,750 --> 00:51:49,920

species that has lived at the bottom of

1569

00:51:54,710 --> 00:51:51,760

this trench in the ocean

1570

00:51:57,190 --> 00:51:54,720

because it's kind of like um akin to

1571

00:51:58,390 --> 00:51:57,200

conditions on their own planet

1572

00:51:59,430 --> 00:51:58,400

their home planet or wherever they're

1573

00:52:02,069 --> 00:51:59,440

from

1574

00:52:05,349 --> 00:52:02,079

um but the other one i possibly suggest

1575

00:52:07,430 --> 00:52:05,359

is the first x-files movie um mainly

1576

00:52:09,190 --> 00:52:07,440

because i was

1577

00:52:11,430 --> 00:52:09,200

off an age where

1578

00:52:12,549 --> 00:52:11,440

it made a great impression on me at the

1579

00:52:14,390 --> 00:52:12,559

time

1580

00:52:18,549 --> 00:52:14,400

and really got me studying into this

1581

00:52:18,559 --> 00:52:21,470

i don't know i want to say

1582

00:52:27,430 --> 00:52:23,750

98.99 maybe oh i'll have to check out

1583

00:52:31,670 --> 00:52:29,670

yeah that feels about right um i'm i'm

1584

00:52:34,069 --> 00:52:31,680

going to choose a lesser known one

1585

00:52:35,349 --> 00:52:34,079

called phoenix forgotten uh not many

1586

00:52:37,349 --> 00:52:35,359

people have seen this one never gets

1587

00:52:40,549 --> 00:52:37,359

spoken about but it's a found footage

1588

00:52:42,549 --> 00:52:40,559

movie based around the phoenix lights

1589

00:52:44,710 --> 00:52:42,559

and it's really well put together and it

1590

00:52:46,870 --> 00:52:44,720

was produced by jerry bruckheimer's

1591

00:52:48,150 --> 00:52:46,880

production company and it blows my mind

1592

00:52:49,990 --> 00:52:48,160

every time i watch it and i'm just like

1593

00:52:52,630 --> 00:52:50,000

damn this is really good the the whole

1594

00:52:54,390 --> 00:52:52,640

framing of the the found footage it

1595

00:52:56,630 --> 00:52:54,400

actually justifies why you're watching

1596

00:52:59,109 --> 00:52:56,640

and found footage for the whole film um

1597

00:53:00,790 --> 00:52:59,119

so you know i'm so down and i liked it

1598

00:53:02,390 --> 00:53:00,800

but yeah you should watch it it's fairly

1599

00:53:04,150 --> 00:53:02,400

short about 90 minutes i think so it

1600

00:53:06,710 --> 00:53:04,160

gets in gets out and and it's a pretty

1601
00:53:08,150 --> 00:53:06,720
good experience

1602
00:53:09,670 --> 00:53:08,160
very cool

1603
00:53:12,230 --> 00:53:09,680
cool so

1604
00:53:15,190 --> 00:53:12,240
uh red tell people where they can find

1605
00:53:17,430 --> 00:53:15,200
your work yeah so it's red panda koala

1606
00:53:18,710 --> 00:53:17,440
on youtube and um that name just comes

1607
00:53:19,990 --> 00:53:18,720
from i just like both of those animals

1608
00:53:21,349 --> 00:53:20,000
and at first i wanted to put something

1609
00:53:23,430 --> 00:53:21,359
ufo my name but then i was like there's

1610
00:53:25,030 --> 00:53:23,440
a lot of ufo names out there sorry like

1611
00:53:26,069 --> 00:53:25,040
not in a bad way but it's just like i

1612
00:53:28,470 --> 00:53:26,079
might as well just do something a little

1613
00:53:31,270 --> 00:53:28,480

different uh and yeah red panda cola on

1614

00:53:33,270 --> 00:53:31,280

youtube red panda koala on twitter and

1615

00:53:34,470 --> 00:53:33,280

uh all my documentaries are free on

1616

00:53:35,670 --> 00:53:34,480

youtube

1617

00:53:37,349 --> 00:53:35,680

uh

1618

00:53:40,150 --> 00:53:37,359

yeah i hope you guys check them out that

1619

00:53:42,069 --> 00:53:40,160

ufo podcast family check it out

1620

00:53:43,750 --> 00:53:42,079

cool definitely like i say i've followed

1621

00:53:45,589 --> 00:53:43,760

your channel for years so it's uh oh

1622

00:53:47,030 --> 00:53:45,599

wait yeah real quick i had a question i

1623

00:53:48,630 --> 00:53:47,040

was curious how did you come across my

1624

00:53:50,470 --> 00:53:48,640

channel first and dave i don't know if

1625

00:53:52,790 --> 00:53:50,480

you came across before today but

1626
00:53:55,349 --> 00:53:52,800
so i i just consume anything and

1627
00:53:57,349 --> 00:53:55,359
everything ufo that i possibly can um

1628
00:53:59,109 --> 00:53:57,359
and one of your videos popped up i think

1629
00:54:00,630 --> 00:53:59,119
it was on reddit and

1630
00:54:02,950 --> 00:54:00,640
then i just kind of followed from there

1631
00:54:06,710 --> 00:54:05,030
yeah i think i saw someone was

1632
00:54:08,309 --> 00:54:06,720
recommending it on twitter about 18

1633
00:54:09,190 --> 00:54:08,319
months ago and i just

1634
00:54:12,150 --> 00:54:09,200
you know

1635
00:54:14,950 --> 00:54:12,160
then cool very cool

1636
00:54:16,790 --> 00:54:14,960
nice uh so just to close out i'll remind

1637
00:54:19,109 --> 00:54:16,800
people we're running a raffle to raise

1638
00:54:22,230 --> 00:54:19,119

some money for uh the st jude's

1639

00:54:25,270 --> 00:54:22,240

children's research hospital um and the

1640

00:54:27,990 --> 00:54:25,280

humane society international

1641

00:54:35,400 --> 00:54:28,000

we are raffling off i can just chuck it

1642

00:54:39,750 --> 00:54:36,829

[Music]

1643

00:54:41,349 --> 00:54:39,760

here here we go you guys can see that so

1644

00:54:43,030 --> 00:54:41,359

we are raffling off this poster here

1645

00:54:45,670 --> 00:54:43,040

signed by lou uh when we met him in

1646

00:54:47,270 --> 00:54:45,680

london uh we've raised over 2 000 pounds

1647

00:54:49,829 --> 00:54:47,280

at the moment which is absolutely insane

1648

00:54:51,430 --> 00:54:49,839

it'll be closing out on christmas eve um

1649

00:54:53,430 --> 00:54:51,440

you can buy 10 entries for 10 pounds the

1650

00:54:56,069 --> 00:54:53,440

more you buy the the cheaper the entries

1651
00:54:57,750 --> 00:54:56,079
get and the person who donates the

1652
00:54:59,030 --> 00:54:57,760
highest amount during the run will

1653
00:55:01,109 --> 00:54:59,040
actually get a personal thank you call

1654
00:55:03,270 --> 00:55:01,119
from louis lozando himself

1655
00:55:04,549 --> 00:55:03,280
uh which is crazy thank you sulu for

1656
00:55:05,430 --> 00:55:04,559
donating that

1657
00:55:11,510 --> 00:55:05,440
um

1658
00:55:15,670 --> 00:55:13,430
there he goes

1659
00:55:17,670 --> 00:55:15,680
well gentlemen we're gonna wrap the show

1660
00:55:19,109 --> 00:55:17,680
because it's that time so i think dan is

1661
00:55:22,870 --> 00:55:19,119
trying to come back i think he's coming

1662
00:55:25,270 --> 00:55:22,880
back now i'm back i i did so well i

1663
00:55:26,950 --> 00:55:25,280

don't button up until i hit that leave

1664

00:55:29,349 --> 00:55:26,960

uh studio thing i was just trying to

1665

00:55:30,630 --> 00:55:29,359

uncheck my screen but yeah brilliant

1666

00:55:32,069 --> 00:55:30,640

all right

1667

00:55:33,750 --> 00:55:32,079

take us out

1668

00:55:35,190 --> 00:55:33,760

all right thank you everyone thank you

1669

00:55:36,630 --> 00:55:35,200

very much everyone with that we're all

1670

00:55:38,150 --> 00:55:36,640

out of time this week thank you today

1671

00:55:40,069 --> 00:55:38,160

from red panda koala for joining the

1672

00:55:41,589 --> 00:55:40,079

show um and for all their amazing work

1673

00:55:43,430 --> 00:55:41,599

helping to streamline this subject for

1674

00:55:45,270 --> 00:55:43,440

those coming in uh andy should be back

1675

00:55:47,109 --> 00:55:45,280

with us this week and let's all send in

1676

00:55:49,030 --> 00:55:47,119

healing thoughts keep looking up you

1677

00:55:51,190 --> 00:55:49,040

never know what you might see

1678

00:55:53,109 --> 00:55:51,200

that is all for this week's show thank

1679

00:55:55,190 --> 00:55:53,119

you very much for listening please

1680

00:55:57,829 --> 00:55:55,200

remember to leave the podcaster review

1681

00:56:00,069 --> 00:55:57,839

on your chosen platform you can like

1682

00:56:02,069 --> 00:56:00,079

retweet and subscribe that would all be

1683

00:56:04,230 --> 00:56:02,079

very much appreciated the shows are

1684

00:56:05,750 --> 00:56:04,240

being uploaded onto youtube as we speak

1685

00:56:08,230 --> 00:56:05,760

more and more you can sign up at

1686

00:56:10,950 --> 00:56:08,240

patreon.com forward slash that ufo

1687

00:56:13,190 --> 00:56:10,960

podcast to access shows ad free as well

1688

00:56:15,990 --> 00:56:13,200

please get in touch on twitter facebook

1689

00:56:20,230 --> 00:56:16,000

instagram that ufo podcast of course on

1690

00:56:21,990 --> 00:56:20,240

twitter at ufo uap am and again folks as

1691

00:56:24,380 --> 00:56:22,000

always keep looking up you never know

1692

00:56:42,950 --> 00:56:24,390

what you might see
