

THAT  
**UFO**  
PODCAST

**LIVE - RAFFLE RESULTS!**

St. Jude Children's  
Research Hospital

HUMANE SOCIETY  
INTERNATIONAL

1  
00:00:06,630 --> 00:00:05,510  
okay it looks like we are live on the

2  
00:00:09,830 --> 00:00:06,640  
youtube

3  
00:00:11,270 --> 00:00:09,840  
you've either heard that twice or you're

4  
00:00:13,430 --> 00:00:11,280  
hearing it for the first time if i

5  
00:00:15,990 --> 00:00:13,440  
haven't messed up hi everyone and

6  
00:00:17,830 --> 00:00:16,000  
welcome back to that ufo podcast it

7  
00:00:22,070 --> 00:00:17,840  
feels like it's been a lifetime since i

8  
00:00:25,029 --> 00:00:22,080  
recorded or done anything uh done i just

9  
00:00:27,029 --> 00:00:25,039  
about remembered your name who are we

10  
00:00:29,349 --> 00:00:27,039  
merry christmas to you too

11  
00:00:30,870 --> 00:00:29,359  
yes um it was a good one you remember my

12  
00:00:32,630 --> 00:00:30,880  
name at least you didn't call me just

13  
00:00:33,670 --> 00:00:32,640

something completely different that was

14

00:00:38,310 --> 00:00:33,680

good

15

00:00:40,790 --> 00:00:38,320

yeah it was busy it was hectic um the

16

00:00:42,790 --> 00:00:40,800

the kids were up early but i had a late

17

00:00:44,229 --> 00:00:42,800

one going to bed building bikes that i

18

00:00:47,350 --> 00:00:44,239

won't get into no one wants to hear

19

00:00:49,670 --> 00:00:47,360

about that um but yeah it was um

20

00:00:51,270 --> 00:00:49,680

it was pretty mental what about yourself

21

00:00:52,790 --> 00:00:51,280

i had a great one i spent the evening

22

00:00:55,189 --> 00:00:52,800

with friends i'm very

23

00:00:57,990 --> 00:00:55,199

a little bit hungover but it was a

24

00:01:00,310 --> 00:00:58,000

wonderful time so yeah nice well without

25

00:01:02,950 --> 00:01:00,320

further ado dan we did mention a special

26

00:01:05,189 --> 00:01:02,960

guest i'd like to bring in vinnie from

27

00:01:06,550 --> 00:01:05,199

disclosure team vinnie how are we i'm

28

00:01:07,990 --> 00:01:06,560

good thank you good to see you guys

29

00:01:10,469 --> 00:01:08,000

thanks for having me

30

00:01:12,469 --> 00:01:10,479

vinnie isn't the special guest folks um

31

00:01:14,149 --> 00:01:12,479

yeah don't worry about that god knows

32

00:01:15,990 --> 00:01:14,159

this show has grown far beyond vinnie

33

00:01:18,630 --> 00:01:16,000

being a special guest um but he is

34

00:01:21,270 --> 00:01:18,640

special to us yeah

35

00:01:23,910 --> 00:01:21,280

oh i missed you guys

36

00:01:26,390 --> 00:01:23,920

no listen uh straight off the bat we do

37

00:01:28,630 --> 00:01:26,400

hopefully have our our special guest

38

00:01:31,590 --> 00:01:28,640

um joining us in a little while we don't

39

00:01:33,270 --> 00:01:31,600

want to see her as in case they end up

40

00:01:35,590 --> 00:01:33,280

not being available but we've been

41

00:01:37,830 --> 00:01:35,600

assured that they're coming on probably

42

00:01:38,950 --> 00:01:37,840

in about 28 minutes or so and maybe a

43

00:01:40,789 --> 00:01:38,960

little bit more i should have just said

44

00:01:46,550 --> 00:01:40,799

half an hour shouldn't i there was no

45

00:01:50,069 --> 00:01:48,230

you could just say the seconds i'm i'm

46

00:01:52,069 --> 00:01:50,079

far too tired to figure that out in a

47

00:01:53,670 --> 00:01:52,079

quick amount of time that was like one

48

00:01:56,630 --> 00:01:53,680

of my favorite behind the scenes moment

49

00:01:58,950 --> 00:01:56,640

so of 2021 dan as you'll remember was

50

00:02:00,630 --> 00:01:58,960

emailing kurt drymungo from theories of

51  
00:02:02,069 --> 00:02:00,640  
everything the wonderful

52  
00:02:04,550 --> 00:02:02,079  
very successful

53  
00:02:06,469 --> 00:02:04,560  
each by each month youtube channel and

54  
00:02:09,109 --> 00:02:06,479  
he told us he was running late and he

55  
00:02:11,589 --> 00:02:09,119  
would be was it was it four minutes

56  
00:02:13,510 --> 00:02:11,599  
it was very precise wasn't it yeah

57  
00:02:15,110 --> 00:02:13,520  
and it was like it was like 15 minutes

58  
00:02:16,869 --> 00:02:15,120  
before the interview it told us it was

59  
00:02:19,190 --> 00:02:16,879  
going to be like four minutes late and i

60  
00:02:22,710 --> 00:02:19,200  
was like wow that is

61  
00:02:24,869 --> 00:02:22,720  
that is impressive like that's like

62  
00:02:26,630 --> 00:02:24,879  
you speak to him or you watch his stuff

63  
00:02:28,550 --> 00:02:26,640

he he was four minutes late like

64

00:02:30,869 --> 00:02:28,560

probably three um and gave himself a

65

00:02:33,110 --> 00:02:30,879

minute yeah but that was pretty cool

66

00:02:34,390 --> 00:02:33,120

um so yeah um we're going to kick off

67

00:02:36,070 --> 00:02:34,400

with a little bit of a chat i just want

68

00:02:38,869 --> 00:02:36,080

to say hello the gents and hello to

69

00:02:43,270 --> 00:02:38,879

everyone in in the chat room as well um

70

00:02:45,030 --> 00:02:43,280

i'm seeing obi karen dave brian um

71

00:02:48,470 --> 00:02:45,040

paranormal podcast how are you doing

72

00:02:50,390 --> 00:02:48,480

chick landia uh laura laura is the same

73

00:02:52,150 --> 00:02:50,400

person adam how we're doing and anyone

74

00:02:54,070 --> 00:02:52,160

else i've not managed to say their names

75

00:02:57,350 --> 00:02:54,080

i could be here a while if i did that so

76

00:02:59,750 --> 00:02:57,360

hi to everyone um for joining us listen

77

00:03:01,750 --> 00:02:59,760

there was a very successful um event

78

00:03:03,990 --> 00:03:01,760

happened over the last couple of weeks

79

00:03:06,149 --> 00:03:04,000

um and i think it took us all by

80

00:03:07,589 --> 00:03:06,159

surprise it blew everyone away i don't

81

00:03:09,910 --> 00:03:07,599

know why it's totally surprised by

82

00:03:10,869 --> 00:03:09,920

christmas it happens every single year

83

00:03:12,149 --> 00:03:10,879

yeah

84

00:03:13,830 --> 00:03:12,159

you kind of ruined my joke i was going

85

00:03:15,910 --> 00:03:13,840

to say it was just my household went off

86

00:03:17,750 --> 00:03:15,920

yeah

87

00:03:20,949 --> 00:03:17,760

hung over dan is no fun as he has

88

00:03:21,670 --> 00:03:20,959

totally killed the buzz um but no listen

89

00:03:23,509 --> 00:03:21,680

uh

90

00:03:25,350 --> 00:03:23,519

when we were lucky to meet lou and i

91

00:03:26,550 --> 00:03:25,360

think after 2021 we're not allowed to

92

00:03:28,149 --> 00:03:26,560

mention that ever again guys because

93

00:03:29,750 --> 00:03:28,159

people will be going oh okay again you

94

00:03:32,630 --> 00:03:29,760

met luke um

95

00:03:33,910 --> 00:03:32,640

when we met lou uh last month in london

96

00:03:35,110 --> 00:03:33,920

uh dan

97

00:03:37,190 --> 00:03:35,120

brought along a load of his truth

98

00:03:39,430 --> 00:03:37,200

posters for his of which you can see big

99

00:03:42,710 --> 00:03:39,440

one of them back there um

100

00:03:44,949 --> 00:03:42,720

and lou signed them all for us as well

101  
00:03:46,630 --> 00:03:44,959  
and he brought an extra one um and

102  
00:03:50,149 --> 00:03:46,640  
initially he was going to sell it on

103  
00:03:53,110 --> 00:03:50,159  
ebay and we convinced him not to and why

104  
00:03:55,429 --> 00:03:53,120  
what he done um sign it capital e big b

105  
00:03:57,270 --> 00:03:55,439  
um what he done was ask lu to sign it to

106  
00:03:59,110 --> 00:03:57,280  
raffle off for charity and that was off

107  
00:04:01,110 --> 00:03:59,120  
dan's own back that wasn't anything that

108  
00:04:03,990 --> 00:04:01,120  
the rest of us came up with for him

109  
00:04:07,030 --> 00:04:04,000  
there is the poster itself signed by

110  
00:04:09,110 --> 00:04:07,040  
luis elizondo um and over over the

111  
00:04:10,949 --> 00:04:09,120  
couple of weeks after that dan kind of

112  
00:04:13,030 --> 00:04:10,959  
decided to do do a bit of a raffle don't

113  
00:04:15,429 --> 00:04:13,040

you danger can i i've maybe told most of

114

00:04:16,710 --> 00:04:15,439

the story but feel free to yeah that's

115

00:04:18,550 --> 00:04:16,720

the whole thing

116

00:04:21,349 --> 00:04:18,560

that was pretty much it that was a

117

00:04:22,950 --> 00:04:21,359

really long endpoint

118

00:04:24,550 --> 00:04:22,960

no that i mean

119

00:04:26,469 --> 00:04:24,560

you know it's a concise talent of the

120

00:04:29,830 --> 00:04:26,479

story we meant to meet lou he was

121

00:04:31,909 --> 00:04:29,840

gracious enough to sign the poster um

122

00:04:34,390 --> 00:04:31,919

and then a bit later on he chose a

123

00:04:36,469 --> 00:04:34,400

couple of charities for us to fundraise

124

00:04:38,950 --> 00:04:36,479

for and he chose saint jude's children's

125

00:04:41,030 --> 00:04:38,960

research hospital and humane society

126

00:04:42,710 --> 00:04:41,040

international both amazing charities

127

00:04:44,310 --> 00:04:42,720

basically children and animals you know

128

00:04:46,310 --> 00:04:44,320

we've got to look after the planet and

129

00:04:48,310 --> 00:04:46,320

the future generations i thought it was

130

00:04:50,469 --> 00:04:48,320

a really nice gesture of him to do that

131

00:04:54,150 --> 00:04:50,479

so we decided we would split the

132

00:04:57,030 --> 00:04:54,160

proceeds 50 50 between the two charities

133

00:04:58,629 --> 00:04:57,040

um am i okay to cheer screen

134

00:05:00,629 --> 00:04:58,639

i think i think i might be able to do

135

00:05:01,990 --> 00:05:00,639

this now without uh without just leaving

136

00:05:03,830 --> 00:05:02,000

the studio

137

00:05:06,150 --> 00:05:03,840

don't dan make sure you've only got one

138

00:05:08,950 --> 00:05:06,160

window open up vinnie's on the vino

139

00:05:10,230 --> 00:05:08,960

there we go it's boxing day

140

00:05:11,830 --> 00:05:10,240

it's always evening somewhere in the

141

00:05:13,990 --> 00:05:11,840

world for honey that's that's the way he

142

00:05:15,189 --> 00:05:14,000

works it it's yeah true and who am i

143

00:05:17,350 --> 00:05:15,199

kidding

144

00:05:21,270 --> 00:05:17,360

okay i think you can bring in that yeah

145

00:05:23,189 --> 00:05:21,280

i have to bring it in no problem

146

00:05:24,390 --> 00:05:23,199

excellent so

147

00:05:25,909 --> 00:05:24,400

something very cool that lou did

148

00:05:27,510 --> 00:05:25,919

straight off the bat was he said that

149

00:05:29,670 --> 00:05:27,520

the person that donates the highest

150

00:05:32,390 --> 00:05:29,680

amount will receive a personal thank you

151

00:05:35,110 --> 00:05:32,400

call he later up that to a call via zoom

152

00:05:36,950 --> 00:05:35,120

uh if the person preferred um so that

153

00:05:39,270 --> 00:05:36,960

was a an amazing carrot kind of make

154

00:05:40,710 --> 00:05:39,280

this a success

155

00:05:43,909 --> 00:05:40,720

i can't remember when i started it but

156

00:05:45,350 --> 00:05:43,919

it was a month or so i think and over

157

00:05:48,950 --> 00:05:45,360

the month we

158

00:05:50,629 --> 00:05:48,960

just added prizes from the community um

159

00:05:52,150 --> 00:05:50,639

that's the truth posted there that andy

160

00:05:54,710 --> 00:05:52,160

has already kind of said and i showed

161

00:05:56,790 --> 00:05:54,720

you then we have

162

00:05:58,390 --> 00:05:56,800

uh flying sources from outer space

163

00:05:59,909 --> 00:05:58,400

that's a first edition that was donated

164

00:06:01,590 --> 00:05:59,919

by dave partridge of shadows of your

165

00:06:03,990 --> 00:06:01,600

mind magazine

166

00:06:06,469 --> 00:06:04,000

then this guy is

167

00:06:08,950 --> 00:06:06,479

such a unique piece uh it's a knitted

168

00:06:11,350 --> 00:06:08,960

alien autopsy uh

169

00:06:14,230 --> 00:06:11,360

knitted by uh gkw of new york and that

170

00:06:16,950 --> 00:06:14,240

was donated by jazz shaw um

171

00:06:18,950 --> 00:06:16,960

only one of two in existence surely one

172

00:06:20,870 --> 00:06:18,960

of the most coolest homemade things ever

173

00:06:22,550 --> 00:06:20,880

i'm sure if they haven't wanted to make

174

00:06:23,990 --> 00:06:22,560

those they sell by the bucket load so

175

00:06:25,830 --> 00:06:24,000

yeah very special

176

00:06:28,550 --> 00:06:25,840

then uh vinnie

177

00:06:31,510 --> 00:06:28,560

uh got this second edition signed by

178

00:06:33,510 --> 00:06:31,520

david clarke of his book which is very

179

00:06:35,909 --> 00:06:33,520

very cool

180

00:06:37,909 --> 00:06:35,919

we also had graeme randall donated a

181

00:06:40,070 --> 00:06:37,919

signed copy of his new book ufos before

182

00:06:43,189 --> 00:06:40,080

roswell the cover's pretty cool there i

183

00:06:46,070 --> 00:06:43,199

don't know who did that um

184

00:06:49,510 --> 00:06:46,080

olaf olaf rock not done yeah just

185

00:06:52,790 --> 00:06:49,520

completely on his own 95 percent

186

00:06:55,029 --> 00:06:52,800

um then warren uh aegis andy correct me

187

00:06:56,550 --> 00:06:55,039

am i saying that right

188

00:06:59,350 --> 00:06:56,560

you are not

189

00:07:02,070 --> 00:06:59,360

i'm not aegis oh you just said correct

190

00:07:05,749 --> 00:07:02,080

um i think i would say azus but i don't

191

00:07:08,070 --> 00:07:05,759

know if i'm a gs is just um warren can

192

00:07:09,270 --> 00:07:08,080

correct us on that but um warren i

193

00:07:10,390 --> 00:07:09,280

interviewed a couple of weeks ago a

194

00:07:12,309 --> 00:07:10,400

couple of months ago even though and

195

00:07:14,629 --> 00:07:12,319

he's a really cool guy to talk to he is

196

00:07:16,309 --> 00:07:14,639

very much like us he's just a fan of the

197

00:07:18,550 --> 00:07:16,319

subject and and wrote a really

198

00:07:20,390 --> 00:07:18,560

interesting book of a lot of cases that

199

00:07:22,150 --> 00:07:20,400

we know about and a lot of cases that we

200

00:07:23,990 --> 00:07:22,160

don't know about or can i have been a

201  
00:07:25,430 --> 00:07:24,000  
bit forgotten so that that is a cool

202  
00:07:27,990 --> 00:07:25,440  
prize trust me if you haven't read that

203  
00:07:31,909 --> 00:07:28,000  
it's worth picking up

204  
00:07:34,390 --> 00:07:31,919  
then we have a oolof rochner original

205  
00:07:37,029 --> 00:07:34,400  
this is on canvas acrylic on canvas uh

206  
00:07:39,909 --> 00:07:37,039  
so he'll ship that out to you that's a

207  
00:07:41,189 --> 00:07:39,919  
very very special cool piece uh then i

208  
00:07:42,309 --> 00:07:41,199  
put together a collection of the

209  
00:07:44,070 --> 00:07:42,319  
holographic stickers that you're

210  
00:07:46,230 --> 00:07:44,080  
probably sick of seeing everywhere and

211  
00:07:47,670 --> 00:07:46,240  
again everywhere around the world um i

212  
00:07:49,430 --> 00:07:47,680  
don't know what to say people like them

213  
00:07:50,790 --> 00:07:49,440

uh but uh yeah you know i'll put

214

00:07:52,469 --> 00:07:50,800

together a complete set there are a few

215

00:07:54,790 --> 00:07:52,479

that aren't pictured there but i'll send

216

00:07:57,510 --> 00:07:54,800

you them all and then we have this board

217

00:07:59,830 --> 00:07:57,520

game the nimitz encounters uh by rusty

218

00:08:01,830 --> 00:07:59,840

dragon games over on etsy and you can

219

00:08:03,909 --> 00:08:01,840

see there it's kind of uh it's based on

220

00:08:06,869 --> 00:08:03,919

a game i've never played this uh called

221

00:08:08,629 --> 00:08:06,879

lambs and tigers um but

222

00:08:10,150 --> 00:08:08,639

it looks fun and an international game

223

00:08:11,670 --> 00:08:10,160

so you know it must have it must have

224

00:08:12,710 --> 00:08:11,680

been entertaining to stick around for

225

00:08:15,909 --> 00:08:12,720

that long

226

00:08:18,629 --> 00:08:15,919

um but what has happened so last night i

227

00:08:20,790 --> 00:08:18,639

was i was at this christmas party and

228

00:08:22,869 --> 00:08:20,800

i i decided to check on the raffle to

229

00:08:24,830 --> 00:08:22,879

see how it was doing or about i want to

230

00:08:27,990 --> 00:08:24,840

say about 11. um

231

00:08:29,110 --> 00:08:28,000

and it was crazily

232

00:08:30,790 --> 00:08:29,120

i remember talking to andy at the

233

00:08:32,389 --> 00:08:30,800

beginning of this and saying you know if

234

00:08:34,630 --> 00:08:32,399

we made a hundred pounds for charity i

235

00:08:38,230 --> 00:08:34,640

would be over the moon um

236

00:08:39,350 --> 00:08:38,240

and we actually ended up selling 29 825

237

00:08:42,709 --> 00:08:39,360

entries

238

00:08:45,269 --> 00:08:42,719

um inside the last like i want to say 10

239

00:08:50,389 --> 00:08:45,279

minutes maybe half hour it went from 7

240

00:08:53,190 --> 00:08:50,399

000 up to 17 000 pounds which is insane

241

00:08:54,790 --> 00:08:53,200

i'm so proud of everybody um so it

242

00:08:57,430 --> 00:08:54,800

finished on seventeen thousand nine

243

00:08:59,269 --> 00:08:57,440

hundred and seven pounds uh that's

244

00:09:01,269 --> 00:08:59,279

twenty four thousand dollars for anyone

245

00:09:02,870 --> 00:09:01,279

over in the u.s so we're gonna get to

246

00:09:04,790 --> 00:09:02,880

give these charities twelve thousand

247

00:09:07,829 --> 00:09:04,800

dollars each which is it's just

248

00:09:09,670 --> 00:09:07,839

incredible there's no words for it um

249

00:09:11,670 --> 00:09:09,680

just a quick one dan yeah we've not

250

00:09:14,550 --> 00:09:11,680

discussed this but bb thanks for the

251  
00:09:16,870 --> 00:09:14,560  
five pounds any any super chat stuff

252  
00:09:19,269 --> 00:09:16,880  
that goes in or stickers or whatever

253  
00:09:21,190 --> 00:09:19,279  
will put into the the raffle as well um

254  
00:09:22,470 --> 00:09:21,200  
not raffle but just the donations so

255  
00:09:24,470 --> 00:09:22,480  
anything that comes up we'll just take a

256  
00:09:26,710 --> 00:09:24,480  
note of it and put it in as well so that

257  
00:09:28,949 --> 00:09:26,720  
won't go to dan or myself or or anyone

258  
00:09:30,790 --> 00:09:28,959  
or bunny's wine collection so um thanks

259  
00:09:33,350 --> 00:09:30,800  
for the five pounds that's that's five

260  
00:09:36,710 --> 00:09:33,360  
pounds in there as well so thanks baby

261  
00:09:38,870 --> 00:09:36,720  
yeah nice that's cool thanks baby um so

262  
00:09:40,949 --> 00:09:38,880  
yeah the the top donor would like to

263  
00:09:42,550 --> 00:09:40,959

remain anonymous but they did something

264

00:09:43,990 --> 00:09:42,560

very kind they actually because they had

265

00:09:45,590 --> 00:09:44,000

so many entries because they donated

266

00:09:49,350 --> 00:09:45,600

such a large amount to get the call with

267

00:09:52,550 --> 00:09:49,360

lou um they want a whole bunch of stuff

268

00:09:56,230 --> 00:09:52,560

but they gave me permission to redraw on

269

00:09:58,150 --> 00:09:56,240

a whole bunch of these uh prizes so

270

00:10:00,710 --> 00:09:58,160

that enough yeah

271

00:10:01,829 --> 00:10:00,720

before they did they did have like i

272

00:10:03,110 --> 00:10:01,839

would like to see how many tickets they

273

00:10:05,990 --> 00:10:03,120

had because they won a lot of stuff

274

00:10:07,670 --> 00:10:06,000

because they have i mean

275

00:10:10,790 --> 00:10:07,680

exactly that's the way to think of it

276  
00:10:12,790 --> 00:10:10,800  
you know everyone the nice thing about

277  
00:10:13,670 --> 00:10:12,800  
it was the fact that people that entered

278  
00:10:15,350 --> 00:10:13,680  
early

279  
00:10:16,710 --> 00:10:15,360  
could still qualify for the prizes i

280  
00:10:18,150 --> 00:10:16,720  
added later

281  
00:10:19,670 --> 00:10:18,160  
and because of that it means that

282  
00:10:21,590 --> 00:10:19,680  
everyone's entering into every drawer so

283  
00:10:23,350 --> 00:10:21,600  
people with a lot more tickets can can

284  
00:10:25,190 --> 00:10:23,360  
obviously get a better chance of winning

285  
00:10:28,630 --> 00:10:25,200  
um you know that's a raffle's work i

286  
00:10:31,110 --> 00:10:28,640  
guess but um yeah so we had a lot of

287  
00:10:32,870 --> 00:10:31,120  
tickets they they won a whole bunch so

288  
00:10:35,509 --> 00:10:32,880

we're just gonna do some

289

00:10:36,710 --> 00:10:35,519

live prize draws on here

290

00:10:39,829 --> 00:10:36,720

so

291

00:10:41,430 --> 00:10:39,839

let's start with

292

00:10:43,269 --> 00:10:41,440

i'll do let's go for the board game

293

00:10:45,030 --> 00:10:43,279

first

294

00:10:56,389 --> 00:10:45,040

so i'm just gonna

295

00:10:59,269 --> 00:10:57,590

you should mention how you're actually

296

00:11:02,389 --> 00:10:59,279

doing the draw

297

00:11:03,829 --> 00:11:02,399

oh yeah so basically the website um will

298

00:11:04,870 --> 00:11:03,839

automate from the people who bought

299

00:11:06,949 --> 00:11:04,880

tickets

300

00:11:08,389 --> 00:11:06,959

um and what

301  
00:11:09,829 --> 00:11:08,399  
i've done is basically just press the

302  
00:11:11,269 --> 00:11:09,839  
redraw button

303  
00:11:14,230 --> 00:11:11,279  
um

304  
00:11:16,470 --> 00:11:14,240  
it will spit out a random entrant to me

305  
00:11:18,790 --> 00:11:16,480  
i can't put it up on the screen because

306  
00:11:21,110 --> 00:11:18,800  
of i'll kind of do this you can you can

307  
00:11:22,870 --> 00:11:21,120  
see that i'm doing it on my ipad um for

308  
00:11:25,030 --> 00:11:22,880  
those listening back to the audio this

309  
00:11:26,710 --> 00:11:25,040  
is a wonderful i know uh

310  
00:11:28,150 --> 00:11:26,720  
wonderful content for you so we'll try

311  
00:11:29,750 --> 00:11:28,160  
and keep talking that was my bad i

312  
00:11:31,990 --> 00:11:29,760  
thought before i i should have kept

313  
00:11:34,150 --> 00:11:32,000

going uh christian thank you for that

314

00:11:35,829 --> 00:11:34,160

donation uh i have no idea of the

315

00:11:38,470 --> 00:11:35,839

conversion in my head but whatever it is

316

00:11:41,550 --> 00:11:38,480

thank you very much thank you christian

317

00:11:44,310 --> 00:11:41,560

from great work there yeah ua

318

00:11:45,910 --> 00:11:44,320

uapdb.com uap database so make sure you

319

00:11:46,870 --> 00:11:45,920

check that one out

320

00:11:49,350 --> 00:11:46,880

you've just paid for some free

321

00:11:51,430 --> 00:11:49,360

advertising there oh yeah well done

322

00:11:53,030 --> 00:11:51,440

so this prize is going to be going all

323

00:11:55,350 --> 00:11:53,040

the way to malaysia

324

00:11:58,470 --> 00:11:55,360

uh again anonymous person i think i'm

325

00:11:59,590 --> 00:11:58,480

gonna defer on on you know on an m t

326

00:12:02,470 --> 00:11:59,600

because i don't get to ask all these

327

00:12:03,829 --> 00:12:02,480

people individually but uh yeah if i

328

00:12:05,670 --> 00:12:03,839

kind of i'll give you some details where

329

00:12:07,670 --> 00:12:05,680

it's going that's yeah he's going out to

330

00:12:09,590 --> 00:12:07,680

malaysia so this is officially you know

331

00:12:12,389 --> 00:12:09,600

a full-on world why raffle not just us

332

00:12:13,670 --> 00:12:12,399

uk europe it's it's on the other side

333

00:12:15,670 --> 00:12:13,680

too

334

00:12:19,990 --> 00:12:15,680

uh i'll stand about 300 pounds on

335

00:12:23,590 --> 00:12:21,509

um

336

00:12:25,990 --> 00:12:23,600

which one should i draw next guys

337

00:12:27,509 --> 00:12:26,000

um what else was still available what

338

00:12:34,790 --> 00:12:27,519

about this the hollow stickers for the

339

00:12:38,150 --> 00:12:36,470

and we'll just say thanks to bb for

340

00:12:39,990 --> 00:12:38,160

another five pounds so that's ten pounds

341

00:12:45,030 --> 00:12:40,000

from bb from the for the charities as

342

00:12:48,629 --> 00:12:47,030

and olaf rockner uh

343

00:12:51,030 --> 00:12:48,639

fantastically talented artist is in the

344

00:12:52,870 --> 00:12:51,040

chat as well hi olaf

345

00:12:54,150 --> 00:12:52,880

hello olaf happy good

346

00:12:55,750 --> 00:12:54,160

cheers

347

00:12:57,750 --> 00:12:55,760

oh you know what

348

00:12:59,750 --> 00:12:57,760

we we have a winner that i'm sure he

349

00:13:02,870 --> 00:12:59,760

won't mind me saying because he's quite

350

00:13:06,310 --> 00:13:02,880

a public face over on ucr but uh aaron

351  
00:13:08,790 --> 00:13:06,320  
disario just wanted

352  
00:13:10,230 --> 00:13:08,800  
congratulations aaron

353  
00:13:11,910 --> 00:13:10,240  
i like that because adam's a listener a

354  
00:13:14,230 --> 00:13:11,920  
long time last night the podcast as well

355  
00:13:19,990 --> 00:13:14,240  
so and yeah he's one of the ucr guys too

356  
00:13:24,150 --> 00:13:22,790  
and adam's in the chat as well so

357  
00:13:28,069 --> 00:13:24,160  
congratulations

358  
00:13:34,069 --> 00:13:29,509  
hey

359  
00:13:34,079 --> 00:13:38,710  
hi robert

360  
00:13:43,660 --> 00:13:41,189  
uh i like that comment uh dan sarkopola

361  
00:13:45,910 --> 00:13:43,670  
first raffle to comply with gdpr

362  
00:13:47,430 --> 00:13:45,920  
[Laughter]

363  
00:13:49,590 --> 00:13:47,440

that said general data protection

364

00:13:51,750 --> 00:13:49,600

regulations for all of you this is top

365

00:13:53,350 --> 00:13:51,760

class entertainment for uh for what's

366

00:13:55,829 --> 00:13:53,360

being recorded in a boxing day or

367

00:13:58,230 --> 00:13:55,839

listened back retro retro right like

368

00:14:00,550 --> 00:13:58,240

talking about gdpr let's let's get into

369

00:14:02,069 --> 00:14:00,560

that screen let's um let's just put the

370

00:14:03,590 --> 00:14:02,079

raffle away for half an hour and talk

371

00:14:07,269 --> 00:14:03,600

about gdpr

372

00:14:10,550 --> 00:14:09,189

thank you mr badger another fighter for

373

00:14:13,189 --> 00:14:10,560

the charity

374

00:14:14,790 --> 00:14:13,199

the first edition of flying sources from

375

00:14:18,550 --> 00:14:14,800

outer space

376

00:14:20,470 --> 00:14:18,560

uh by major donald kehoe from 1953.

377

00:14:22,870 --> 00:14:20,480

um that

378

00:14:25,189 --> 00:14:22,880

is going to someone who i know is in the

379

00:14:29,030 --> 00:14:25,199

chat uh i'll just say phil he'll know

380

00:14:31,430 --> 00:14:29,040

who he is um congratulations phil

381

00:14:33,110 --> 00:14:31,440

uh you you won that one uh i know phil

382

00:14:35,829 --> 00:14:33,120

is another long-time listener of the

383

00:14:38,710 --> 00:14:35,839

podcast as well so thank you so so much

384

00:14:40,710 --> 00:14:38,720

phil was very close to winning the call

385

00:14:42,710 --> 00:14:40,720

as well um super supported from the

386

00:14:44,629 --> 00:14:42,720

get-go of this so thank you phil really

387

00:14:46,790 --> 00:14:44,639

appreciate it i will i will make sure

388

00:14:49,509 --> 00:14:46,800

you get some stickers as well

389

00:14:52,470 --> 00:14:49,519

nice and i thank you to average man dxb

390

00:14:54,389 --> 00:14:52,480

for 44.99 um for me that is the cost of

391

00:14:55,990 --> 00:14:54,399

a video game i don't know if it still is

392

00:14:58,389 --> 00:14:56,000

uh but yeah that's a very generous

393

00:15:00,069 --> 00:14:58,399

donation to both charities as well so

394

00:15:02,870 --> 00:15:00,079

thank you very much that's not average

395

00:15:05,430 --> 00:15:02,880

at all average man you were stella

396

00:15:07,829 --> 00:15:05,440

that yeah you're right that's uh that's

397

00:15:09,829 --> 00:15:07,839

slightly above average so well done yeah

398

00:15:10,710 --> 00:15:09,839

thank you very much again like i said

399

00:15:12,949 --> 00:15:10,720

we'll make sure these get to the at

400

00:15:15,509 --> 00:15:12,959

charities as well

401  
00:15:16,870 --> 00:15:15,519

okay so

402  
00:15:20,389 --> 00:15:16,880

last draw

403  
00:15:22,389 --> 00:15:20,399

this is for um ooloff rockner's painting

404  
00:15:26,389 --> 00:15:22,399

can you bring it up on the screen yeah

405  
00:15:29,430 --> 00:15:27,990

olaf's paintings are really cool i like

406  
00:15:31,269 --> 00:15:29,440

that

407  
00:15:32,629 --> 00:15:31,279

dan describe describe the scene to us

408  
00:15:35,189 --> 00:15:32,639

here let's paint a picture for those

409  
00:15:36,310 --> 00:15:35,199

listening and not watching along um in

410  
00:15:39,990 --> 00:15:36,320

future

411  
00:15:42,150 --> 00:15:40,000

so it is a metallic mercury kind of

412  
00:15:44,550 --> 00:15:42,160

covered shifting craft

413  
00:15:47,269 --> 00:15:44,560

against a sunset background that reaches

414

00:15:48,949 --> 00:15:47,279

into a purple cosmos uh kind of i

415

00:15:52,870 --> 00:15:48,959

imagine that it's in no way it kind of

416

00:15:57,670 --> 00:15:52,880

looks gives a noise feel um

417

00:16:05,350 --> 00:16:03,430

[Laughter]

418

00:16:07,350 --> 00:16:05,360

oh someone's saying donate to block

419

00:16:08,870 --> 00:16:07,360

vinnie's face i saw that yeah please do

420

00:16:11,030 --> 00:16:08,880

please do then i can

421

00:16:12,550 --> 00:16:11,040

keep drinking 1000 pounds to charity and

422

00:16:13,910 --> 00:16:12,560

i'll block them

423

00:16:15,430 --> 00:16:13,920

a thousand pounds i'll kick them off the

424

00:16:17,509 --> 00:16:15,440

chat all together like i'll remove them

425

00:16:20,069 --> 00:16:17,519

from this guys do it

426

00:16:21,430 --> 00:16:20,079

please so uh has written just a little

427

00:16:24,069 --> 00:16:21,440

description here that i'm going to read

428

00:16:26,470 --> 00:16:24,079

out um you know he puts a lot of himself

429

00:16:28,310 --> 00:16:26,480

into his work um so so this was a little

430

00:16:29,749 --> 00:16:28,320

bit of description he wrote uh let the

431

00:16:31,189 --> 00:16:29,759

people of earth share the sunset and

432

00:16:33,110 --> 00:16:31,199

colors of our world with all who are

433

00:16:34,550 --> 00:16:33,120

able to appreciate its beauty to dwell

434

00:16:36,389 --> 00:16:34,560

in this scenery is to drink from our

435

00:16:39,269 --> 00:16:36,399

mother's infinite fountain of love and

436

00:16:41,030 --> 00:16:39,279

compassion i i feel like that

437

00:16:43,910 --> 00:16:41,040

kind of sums ooloff up you know if

438

00:16:45,670 --> 00:16:43,920

you've met him just super positive dude

439

00:16:47,590 --> 00:16:45,680

you know when when i hear the term 11

440

00:16:50,949 --> 00:16:47,600

like that's who i think of you know not

441

00:16:52,310 --> 00:16:50,959

all these other and i'm going to ask you

442

00:16:53,590 --> 00:16:52,320

this but even though we're lost in the

443

00:16:56,790 --> 00:16:53,600

chat

444

00:16:58,710 --> 00:16:56,800

just to type where the scene what where

445

00:16:59,430 --> 00:16:58,720

it was from or what the inspiration was

446

00:17:01,670 --> 00:16:59,440

like

447

00:17:02,949 --> 00:17:01,680

um obviously i'm going nebraska dan's

448

00:17:04,870 --> 00:17:02,959

going norway

449

00:17:06,870 --> 00:17:04,880

vinnie any thoughts just probably like

450

00:17:08,949 --> 00:17:06,880

it will off take something and yeah i

451  
00:17:10,949 --> 00:17:08,959  
guess i'll i'll just go scandinavia

452  
00:17:11,829 --> 00:17:10,959  
vague

453  
00:17:13,669 --> 00:17:11,839  
okay

454  
00:17:15,110 --> 00:17:13,679  
feel the pressure off a chance to type

455  
00:17:16,549 --> 00:17:15,120  
in the chat have you done the draw yet

456  
00:17:18,710 --> 00:17:16,559  
anyway

457  
00:17:20,470 --> 00:17:18,720  
no you you uh i'm gonna press the button

458  
00:17:21,750 --> 00:17:20,480  
now you're hoping it's somewhere um in

459  
00:17:25,510 --> 00:17:21,760  
the uk aren't you

460  
00:17:29,430 --> 00:17:26,549  
could be

461  
00:17:32,950 --> 00:17:31,110  
oh

462  
00:17:34,710 --> 00:17:32,960  
this is a nice one another long time

463  
00:17:38,070 --> 00:17:34,720

listener of the podcast and i know he

464

00:17:38,870 --> 00:17:38,080

won't mind um a wafe soul

465

00:17:40,270 --> 00:17:38,880

oh

466

00:17:44,950 --> 00:17:40,280

nathan

467

00:17:47,430 --> 00:17:44,960

uh you you will be receiving the

468

00:17:49,270 --> 00:17:47,440

olaf rocna original hold on to it man

469

00:17:53,510 --> 00:17:49,280

like in 50 years this is going to be a

470

00:17:55,430 --> 00:17:53,520

piece of uh uap history 100

471

00:17:57,270 --> 00:17:55,440

yeah that's that's a lovely piece so and

472

00:17:59,669 --> 00:17:57,280

again i would um i would be checking out

473

00:18:01,029 --> 00:17:59,679

olafssa who loves working and social

474

00:18:02,549 --> 00:18:01,039

media stuff because he posts a lot of

475

00:18:04,789 --> 00:18:02,559

really nice stuff up there as well i

476

00:18:07,510 --> 00:18:04,799

think that's one thing i am not artistic

477

00:18:09,990 --> 00:18:07,520

in the slightest um and there's a lot of

478

00:18:12,470 --> 00:18:10,000

very talented people on the on social

479

00:18:14,390 --> 00:18:12,480

media who have a lot of really cool

480

00:18:16,390 --> 00:18:14,400

interpretations of what they think about

481

00:18:17,990 --> 00:18:16,400

the subject and you know i think

482

00:18:20,549 --> 00:18:18,000

especially with a subject like this not

483

00:18:22,310 --> 00:18:20,559

to get to you know deep or whoa

484

00:18:23,990 --> 00:18:22,320

um

485

00:18:25,830 --> 00:18:24,000

it's my stoner impression isn't it dan

486

00:18:26,630 --> 00:18:25,840

you've heard that many times

487

00:18:29,190 --> 00:18:26,640

yeah

488

00:18:30,710 --> 00:18:29,200

apparently it's not very accurate um

489

00:18:32,870 --> 00:18:30,720

it's pretty cool to see how different

490

00:18:35,029 --> 00:18:32,880

people view the subject like what they

491

00:18:37,270 --> 00:18:35,039

think an event or an experience could

492

00:18:38,390 --> 00:18:37,280

look like or how they draw their own so

493

00:18:41,029 --> 00:18:38,400

um

494

00:18:42,310 --> 00:18:41,039

like dan captured like what i saw in the

495

00:18:45,029 --> 00:18:42,320

kind of mid 90s really well in the

496

00:18:47,830 --> 00:18:45,039

podcast logo which is

497

00:18:49,350 --> 00:18:47,840

which is the awesome little you know

498

00:18:50,470 --> 00:18:49,360

i love that because it's just it kind of

499

00:18:52,710 --> 00:18:50,480

brings me back a little bit to what i

500

00:18:53,909 --> 00:18:52,720

kind of saw um but yeah there's a lot of

501  
00:18:56,710 --> 00:18:53,919  
really talented artists out there as

502  
00:18:59,750 --> 00:18:56,720  
well so examine justin he's great yeah

503  
00:19:01,110 --> 00:18:59,760  
unreal any any number of other people so

504  
00:19:03,430 --> 00:19:01,120  
um

505  
00:19:04,390 --> 00:19:03,440  
andrew as well from down swansea

506  
00:19:06,950 --> 00:19:04,400  
um

507  
00:19:09,430 --> 00:19:06,960  
when we met luo i i met andrew and he he

508  
00:19:11,750 --> 00:19:09,440  
gave me a a picture that he he drew of

509  
00:19:13,590 --> 00:19:11,760  
loot to take up um and that was that was

510  
00:19:15,350 --> 00:19:13,600  
awesome to give over to lou um because

511  
00:19:16,390 --> 00:19:15,360  
it's just it's nice to pay it forward

512  
00:19:19,830 --> 00:19:16,400  
you know

513  
00:19:21,590 --> 00:19:19,840

absolutely thank you olaf

514

00:19:24,950 --> 00:19:21,600

and just a little shout out to jaz shaw

515

00:19:26,950 --> 00:19:24,960

who's in the chat uh jazz that obviously

516

00:19:29,029 --> 00:19:26,960

good news with you you recently opposed

517

00:19:31,510 --> 00:19:29,039

your your wife had some issues medically

518

00:19:33,110 --> 00:19:31,520

in social media and you had some kind of

519

00:19:34,870 --> 00:19:33,120

rough moments over the kind of holiday

520

00:19:36,789 --> 00:19:34,880

period so good to see everyone's doing

521

00:19:38,630 --> 00:19:36,799

well in home and you've kind of had a

522

00:19:39,990 --> 00:19:38,640

nice holidays nice christmas so uh

523

00:19:42,150 --> 00:19:40,000

thanks for joining us in the chat as

524

00:19:44,230 --> 00:19:42,160

well that was uh that was really really

525

00:19:46,230 --> 00:19:44,240

good to see in here um

526

00:19:47,750 --> 00:19:46,240

dan if you had any updates from our

527

00:19:50,470 --> 00:19:47,760

guest that was still it was still

528

00:19:53,750 --> 00:19:50,480

looking good or is will i give a clue is

529

00:19:57,750 --> 00:19:53,760

he totally ignoring you

530

00:20:01,110 --> 00:19:59,110

no uh

531

00:20:03,190 --> 00:20:01,120

not yet but just you know we scheduled

532

00:20:04,549 --> 00:20:03,200

it earlier okay cool yeah i know that's

533

00:20:08,870 --> 00:20:04,559

that's fine

534

00:20:13,510 --> 00:20:11,350

just before we go on is that i will be

535

00:20:15,110 --> 00:20:13,520

posting screenshots of the donations to

536

00:20:16,470 --> 00:20:15,120

the charity so you guys can see that i

537

00:20:17,990 --> 00:20:16,480

am just taking the money and i'm living

538

00:20:20,470 --> 00:20:18,000

the high life

539

00:20:23,510 --> 00:20:20,480

yes um dan is going to be recording the

540

00:20:26,630 --> 00:20:23,520

next show from hawaii um

541

00:20:29,350 --> 00:20:26,640

coincidental uh as i have no heating in

542

00:20:31,029 --> 00:20:29,360

the shed that i record from so yeah um

543

00:20:32,710 --> 00:20:31,039

but yeah no listen it was a huge amount

544

00:20:33,430 --> 00:20:32,720

of money and dan is spot on when he says

545

00:20:34,789 --> 00:20:33,440

that

546

00:20:36,470 --> 00:20:34,799

he initially said you know amazing we

547

00:20:37,990 --> 00:20:36,480

could get like a hundred pounds and i

548

00:20:38,950 --> 00:20:38,000

think i was a little bump a little bit

549

00:20:40,710 --> 00:20:38,960

more

550

00:20:42,070 --> 00:20:40,720

no come on like i mean with the

551  
00:20:43,909 --> 00:20:42,080  
community and the number of people who

552  
00:20:45,830 --> 00:20:43,919  
listen or watch or just follow on social

553  
00:20:48,310 --> 00:20:45,840  
media and just not even the people who

554  
00:20:49,830 --> 00:20:48,320  
like us but people who hate us and still

555  
00:20:52,070 --> 00:20:49,840  
follow along or get involved in those

556  
00:20:53,990 --> 00:20:52,080  
conversations they'll still get involved

557  
00:20:55,590 --> 00:20:54,000  
for charity and at this time of year

558  
00:20:57,750 --> 00:20:55,600  
like i i thought a thousand or two

559  
00:21:00,710 --> 00:20:57,760  
thousand would have been realistic too

560  
00:21:02,630 --> 00:21:00,720  
but for it to go to what it went to

561  
00:21:04,070 --> 00:21:02,640  
and listen whether you bought one ticket

562  
00:21:05,430 --> 00:21:04,080  
or you don't have the money at this time

563  
00:21:07,270 --> 00:21:05,440

of year either that that's totally

564

00:21:09,350 --> 00:21:07,280

understandable but

565

00:21:10,789 --> 00:21:09,360

it's incredible for for so many people

566

00:21:13,029 --> 00:21:10,799

to get involved and

567

00:21:14,630 --> 00:21:13,039

like yeah that i know dan has has been

568

00:21:16,470 --> 00:21:14,640

especially in the chats that we have

569

00:21:19,110 --> 00:21:16,480

totally blown away with with the

570

00:21:21,510 --> 00:21:19,120

donations and everything else so it's uh

571

00:21:23,590 --> 00:21:21,520

it's been really really cool um and up

572

00:21:25,430 --> 00:21:23,600

there's brian just put another 4.99 in

573

00:21:27,830 --> 00:21:25,440

thank you thank you brian i'll put it on

574

00:21:29,510 --> 00:21:27,840

the screen for people um but yeah for

575

00:21:30,950 --> 00:21:29,520

those listening along again i appreciate

576

00:21:32,230 --> 00:21:30,960

you listening to a different kind of

577

00:21:34,149 --> 00:21:32,240

podcast than what we normally do

578

00:21:35,590 --> 00:21:34,159

especially with it being a live raffle

579

00:21:37,669 --> 00:21:35,600

draw with a guest coming up soon no

580

00:21:40,310 --> 00:21:37,679

remember uh thank you andy dan and

581

00:21:42,549 --> 00:21:40,320

vinnie 2022 is shaping up to be amazing

582

00:21:45,029 --> 00:21:42,559

for the topic brian mass ufo on twitter

583

00:21:47,110 --> 00:21:45,039

so yeah it certainly is brian and i

584

00:21:48,390 --> 00:21:47,120

suppose um

585

00:21:49,510 --> 00:21:48,400

let me ask you a little bit more on that

586

00:21:50,630 --> 00:21:49,520

just before because we'll talk a bit

587

00:21:52,310 --> 00:21:50,640

more about the raffle when that the

588

00:21:54,870 --> 00:21:52,320

guest comes on as well but

589

00:21:56,710 --> 00:21:54,880

uh i got a thumbs up on the guest by the

590

00:21:58,230 --> 00:21:56,720

way oh nice okay

591

00:22:00,630 --> 00:21:58,240

the guest has the link anyway so the

592

00:22:02,310 --> 00:22:00,640

guest will pop pop in when it's ready

593

00:22:06,789 --> 00:22:02,320

and we'll make him wait but vinnie i'll

594

00:22:08,310 --> 00:22:06,799

go to the guest our guest first 2022 um

595

00:22:11,510 --> 00:22:08,320

we've got a lot to be excited about

596

00:22:13,510 --> 00:22:11,520

because of what's happened in 2021 um as

597

00:22:15,190 --> 00:22:13,520

dan has kept us up to date with uh

598

00:22:17,270 --> 00:22:15,200

president biden

599

00:22:19,350 --> 00:22:17,280

should have a piece of paper winging its

600

00:22:21,350 --> 00:22:19,360

way to his desk i doubt it's actually on

601  
00:22:23,110 --> 00:22:21,360  
his desk but figuratively it's on his

602  
00:22:25,430 --> 00:22:23,120  
desk i like to think that it's in the

603  
00:22:27,590 --> 00:22:25,440  
inbox in the tray you know yeah it's

604  
00:22:29,669 --> 00:22:27,600  
just overflowing but r1 is just glowing

605  
00:22:31,350 --> 00:22:29,679  
in the middle of the pile you know yeah

606  
00:22:33,350 --> 00:22:31,360  
and like we've said before not to burst

607  
00:22:36,310 --> 00:22:33,360  
people's bubble but he's not signing a

608  
00:22:39,110 --> 00:22:36,320  
ufo act he's signing a national defense

609  
00:22:40,710 --> 00:22:39,120  
act bill that as a tiny tiny tiny little

610  
00:22:42,630 --> 00:22:40,720  
part of it there was something that

611  
00:22:44,789 --> 00:22:42,640  
meant a lot to all of us which was

612  
00:22:46,070 --> 00:22:44,799  
obviously about the the uap office

613  
00:22:48,630 --> 00:22:46,080

coming into effect and there's going to

614

00:22:49,430 --> 00:22:48,640

be funding and levels of transparency we

615

00:22:51,990 --> 00:22:49,440

hope

616

00:22:54,070 --> 00:22:52,000

um and and just to kind of further kick

617

00:22:55,750 --> 00:22:54,080

on for the topic and subject in a really

618

00:22:58,070 --> 00:22:55,760

you know positive way

619

00:23:00,950 --> 00:22:58,080

vinnie what are you realistically hoping

620

00:23:02,549 --> 00:23:00,960

we could get from the the upcoming year

621

00:23:05,270 --> 00:23:02,559

wow there's so many things the one thing

622

00:23:06,870 --> 00:23:05,280

i will say about the ndaa passing both

623

00:23:08,789 --> 00:23:06,880

the house and the senate

624

00:23:11,909 --> 00:23:08,799

is that i was kind of worried for a

625

00:23:13,990 --> 00:23:11,919

while that we'd be stuck with aoi msg

626  
00:23:15,669 --> 00:23:14,000  
and that would have been awful as far as

627  
00:23:16,870 --> 00:23:15,679  
from the government side of things so

628  
00:23:19,350 --> 00:23:16,880  
the fact that we're going to have this

629  
00:23:20,470 --> 00:23:19,360  
other office is is great but then

630  
00:23:22,710 --> 00:23:20,480  
obviously we've got so many other things

631  
00:23:25,510 --> 00:23:22,720  
we've got the galileo project uapx are

632  
00:23:27,110 --> 00:23:25,520  
releasing some data in april um many

633  
00:23:28,470 --> 00:23:27,120  
sort of things like that

634  
00:23:30,549 --> 00:23:28,480  
but then you know a big thing that

635  
00:23:33,510 --> 00:23:30,559  
really struck me today was over here in

636  
00:23:36,470 --> 00:23:33,520  
the uk some of the let's say better

637  
00:23:38,310 --> 00:23:36,480  
media outlets put out some ufo uh

638  
00:23:40,230 --> 00:23:38,320

stories and articles so the guardian put

639

00:23:41,590 --> 00:23:40,240

something out quickly followed by the

640

00:23:42,950 --> 00:23:41,600

independent

641

00:23:46,070 --> 00:23:42,960

now that's what something i'm really

642

00:23:47,750 --> 00:23:46,080

looking forward to in 2022 is the media

643

00:23:49,590 --> 00:23:47,760

you know not just you know the us with

644

00:23:51,110 --> 00:23:49,600

fox and the usual suspects that we see

645

00:23:52,870 --> 00:23:51,120

which is great don't get me wrong i'm

646

00:23:53,990 --> 00:23:52,880

all for that but

647

00:23:56,470 --> 00:23:54,000

over here

648

00:23:58,470 --> 00:23:56,480

to see those sort of names the

649

00:24:00,470 --> 00:23:58,480

you know not the the tabloids which

650

00:24:02,789 --> 00:24:00,480

again is not a problem but we've had the

651

00:24:06,230 --> 00:24:02,799

star the sun and all that reporting for

652

00:24:07,909 --> 00:24:06,240

quite some time but it's these more um

653

00:24:09,350 --> 00:24:07,919

i don't know what the word is

654

00:24:11,990 --> 00:24:09,360

just more respectful i suppose

655

00:24:13,430 --> 00:24:12,000

respectable media outlets you know so

656

00:24:15,830 --> 00:24:13,440

that was a nice little thing i saw today

657

00:24:18,870 --> 00:24:15,840

and i hope that that continues

658

00:24:20,310 --> 00:24:18,880

into 2022 so yeah so many angles so many

659

00:24:21,350 --> 00:24:20,320

things to look forward to so we're going

660

00:24:22,549 --> 00:24:21,360

in there with

661

00:24:24,310 --> 00:24:22,559

a positive outlook and some

662

00:24:25,830 --> 00:24:24,320

opportunities to get some information

663

00:24:27,669 --> 00:24:25,840

hopefully

664

00:24:30,470 --> 00:24:27,679

dan what about yourself

665

00:24:32,070 --> 00:24:30,480

i'm i'm super excited about it as as far

666

00:24:33,909 --> 00:24:32,080

as i'm concerned the second and i've

667

00:24:37,190 --> 00:24:33,919

said this to you guys in in private chat

668

00:24:39,830 --> 00:24:37,200

the second the biden signs this bill

669

00:24:41,029 --> 00:24:39,840

we have four year open season on the

670

00:24:43,190 --> 00:24:41,039

phenomena

671

00:24:44,830 --> 00:24:43,200

in studying it or on the study in the

672

00:24:47,750 --> 00:24:44,840

phenomenology i should

673

00:24:48,789 --> 00:24:47,760

say um

674

00:24:51,110 --> 00:24:48,799

so

675

00:24:52,950 --> 00:24:51,120

all these mysteries out there that we've

676

00:24:55,430 --> 00:24:52,960

been wanting to go and get our teeth

677

00:24:57,510 --> 00:24:55,440

into and try and figure out

678

00:25:00,070 --> 00:24:57,520

now is the time we're about to be given

679

00:25:02,470 --> 00:25:00,080

permission and legitimize to do this you

680

00:25:04,870 --> 00:25:02,480

can walk into universities and spew data

681

00:25:06,950 --> 00:25:04,880

at them and show them this bill and if

682

00:25:09,510 --> 00:25:06,960

they laugh you out the building you can

683

00:25:11,510 --> 00:25:09,520

prove they're the crazy ones now

684

00:25:13,029 --> 00:25:11,520

it's a paradigm shift and it's been

685

00:25:14,230 --> 00:25:13,039

coming a long time and i know it's been

686

00:25:16,549 --> 00:25:14,240

drip feeds and i know it's been

687

00:25:18,870 --> 00:25:16,559

frustrating to people but

688

00:25:20,470 --> 00:25:18,880

seriously get your hunting boots on get

689

00:25:23,190 --> 00:25:20,480

get your guns out don't really shoot

690

00:25:24,470 --> 00:25:23,200

with the uap it's figurative but you

691

00:25:26,470 --> 00:25:24,480

know

692

00:25:27,830 --> 00:25:26,480

there's this real kind of

693

00:25:30,710 --> 00:25:27,840

magic out there in the world let's go

694

00:25:33,990 --> 00:25:30,720

figure out guys

695

00:25:35,350 --> 00:25:34,000

question from paranormal blip podcast um

696

00:25:37,830 --> 00:25:35,360

did you see the report in today's

697

00:25:39,990 --> 00:25:37,840

guardian about reported uap sightings in

698

00:25:42,070 --> 00:25:40,000

northern ireland how can us in the uk

699

00:25:44,549 --> 00:25:42,080

help get this into the media good to see

700

00:25:46,549 --> 00:25:44,559

the mainstream media reporting it that's

701  
00:25:48,390 --> 00:25:46,559  
exactly what i was saying that's what

702  
00:25:49,909 --> 00:25:48,400  
we saw we spoke about it in the chat in

703  
00:25:50,710 --> 00:25:49,919  
our private chat today the guardian and

704  
00:25:52,789 --> 00:25:50,720  
then

705  
00:25:54,950 --> 00:25:52,799  
this evening i think the independent

706  
00:25:57,430 --> 00:25:54,960  
jumped on the same story about ireland

707  
00:25:59,190 --> 00:25:57,440  
so like i said that was great you know

708  
00:26:01,350 --> 00:25:59,200  
to see them talking about the subject

709  
00:26:03,029 --> 00:26:01,360  
whether it's to do with anything

710  
00:26:05,909 --> 00:26:03,039  
regarding the subject you know not just

711  
00:26:08,070 --> 00:26:05,919  
the ndaa or the the the pentagon or the

712  
00:26:10,390 --> 00:26:08,080  
us aspect it was something over this

713  
00:26:13,029 --> 00:26:10,400

side of the pond which was great so i

714

00:26:14,390 --> 00:26:13,039

hope it continues i really do

715

00:26:16,870 --> 00:26:14,400

dan you saw it as well don't you have

716

00:26:17,590 --> 00:26:16,880

you read the article yet yeah yeah um

717

00:26:20,470 --> 00:26:17,600

the

718

00:26:23,269 --> 00:26:21,909

i can't remember what podcast was it

719

00:26:25,190 --> 00:26:23,279

might be in ucr where they were talking

720

00:26:26,549 --> 00:26:25,200

about whether abductions have kind of

721

00:26:28,149 --> 00:26:26,559

gone away because people don't really

722

00:26:30,310 --> 00:26:28,159

talk about them anymore and of course

723

00:26:33,750 --> 00:26:30,320

there are documentaries they do seem to

724

00:26:36,070 --> 00:26:33,760

be these things going on but this story

725

00:26:38,470 --> 00:26:36,080

was because we haven't really seen much

726

00:26:40,310 --> 00:26:38,480

from the the guardian this story for me

727

00:26:42,149 --> 00:26:40,320

was a bit like whoa they've kind of

728

00:26:44,390 --> 00:26:42,159

really kind of jumped with two feet over

729

00:26:46,230 --> 00:26:44,400

there and then at the end of the article

730

00:26:48,149 --> 00:26:46,240

you know it didn't end with a snicker or

731

00:26:50,549 --> 00:26:48,159

a joke or you know anything like that it

732

00:26:51,549 --> 00:26:50,559

ended with an informative few paragraphs

733

00:26:55,990 --> 00:26:51,559

about

734

00:26:57,350 --> 00:26:56,000

s1605 um and what that's gonna bring so

735

00:26:59,269 --> 00:26:57,360

you know the very least we know they're

736

00:27:00,710 --> 00:26:59,279

paying attention yeah i would say to

737

00:27:02,870 --> 00:27:00,720

people if you want to get more

738

00:27:04,789 --> 00:27:02,880

journalists on this email them

739

00:27:07,590 --> 00:27:04,799

just look them up if you have a favorite

740

00:27:09,830 --> 00:27:07,600

journalist do a radio call-in if they do

741

00:27:11,669 --> 00:27:09,840

go on the radio but just make sure that

742

00:27:14,470 --> 00:27:11,679

you're getting your points concise and

743

00:27:15,669 --> 00:27:14,480

hitting those data points and not kind

744

00:27:18,230 --> 00:27:15,679

of

745

00:27:20,710 --> 00:27:18,240

you know we all have our stories but we

746

00:27:22,389 --> 00:27:20,720

can look a little bit you know crazy

747

00:27:24,070 --> 00:27:22,399

when we go full tilt

748

00:27:26,470 --> 00:27:24,080

everything at once this is a learning

749

00:27:27,430 --> 00:27:26,480

process i like to think of it like you

750

00:27:28,789 --> 00:27:27,440

know if you

751

00:27:31,590 --> 00:27:28,799

kind of

752

00:27:34,470 --> 00:27:31,600

spoke in a phd you know english

753

00:27:36,710 --> 00:27:34,480

literature way to a child in nursery

754

00:27:38,950 --> 00:27:36,720

they would not understand you it's the

755

00:27:40,710 --> 00:27:38,960

same thing here it's not wrong or right

756

00:27:43,269 --> 00:27:40,720

it's just you're on different levels so

757

00:27:45,430 --> 00:27:43,279

remember that remember your audience

758

00:27:46,710 --> 00:27:45,440

go and talk to as many people as you can

759

00:27:49,190 --> 00:27:46,720

seriously

760

00:27:51,430 --> 00:27:49,200

even just doing this raffle my all my

761

00:27:52,870 --> 00:27:51,440

friends and mary are now aware of this

762

00:27:55,269 --> 00:27:52,880

issue and they they're kind of sending

763

00:27:57,430 --> 00:27:55,279

me stuff on the regular about it

764

00:27:59,269 --> 00:27:57,440

and speaking of knowing my audience i've

765

00:28:00,070 --> 00:27:59,279

got someone they might want to hear from

766

00:28:02,470 --> 00:28:00,080

uh

767

00:28:04,310 --> 00:28:02,480

already and the chat so without further

768

00:28:06,870 --> 00:28:04,320

ado i'm going to bring in our our other

769

00:28:08,870 --> 00:28:06,880

special guest we we had announced um

770

00:28:11,909 --> 00:28:08,880

all the way from the usa himself a very

771

00:28:13,669 --> 00:28:11,919

happy holidays uh to mr luis elizondo

772

00:28:16,310 --> 00:28:13,679

lou thank you for joining us at very

773

00:28:18,389 --> 00:28:16,320

very late notice hey folks how you doing

774

00:28:20,070 --> 00:28:18,399

and uh thank you sincerely for having me

775

00:28:20,789 --> 00:28:20,080

hopefully you can hear me okay i've got

776

00:28:40,230 --> 00:28:20,799

a

777

00:28:42,950 --> 00:28:40,240

oldest will be here next week

778

00:28:45,590 --> 00:28:42,960

um any chance to to get with a family is

779

00:28:47,909 --> 00:28:45,600

always uh it is always a blessing you

780

00:28:50,230 --> 00:28:47,919

know um i'll i'll share something with

781

00:28:52,549 --> 00:28:50,240

you that i've i've i don't really i've

782

00:28:55,669 --> 00:28:52,559

never shared with anybody publicly

783

00:28:58,149 --> 00:28:55,679

but my my uh my youngest daughter um

784

00:29:00,149 --> 00:28:58,159

almost i almost lost my wife and my my

785

00:29:02,950 --> 00:29:00,159

youngest daughter on the operating table

786

00:29:05,510 --> 00:29:02,960

many many years ago my wife had a lot of

787

00:29:07,590 --> 00:29:05,520

complications during childbirth

788

00:29:09,269 --> 00:29:07,600

for for my second one this is right

789

00:29:10,630 --> 00:29:09,279

before i went on a deployment to

790

00:29:12,470 --> 00:29:10,640

afghanistan

791

00:29:14,549 --> 00:29:12,480

my wife had something called help

792

00:29:16,070 --> 00:29:14,559

syndrome and also pre-clamsy and a bunch

793

00:29:17,510 --> 00:29:16,080

of other stuff and

794

00:29:19,830 --> 00:29:17,520

it wasn't wasn't looking too good for

795

00:29:21,750 --> 00:29:19,840

either one of them and um

796

00:29:24,389 --> 00:29:21,760

i remember uh

797

00:29:27,029 --> 00:29:24,399

very much that evening um getting down

798

00:29:28,470 --> 00:29:27,039

on one knee and and and looking at my

799

00:29:29,909 --> 00:29:28,480

older daughter who at the time was for

800

00:29:32,950 --> 00:29:29,919

and praying

801  
00:29:35,430 --> 00:29:32,960  
that i just just wanted uh her to make

802  
00:29:38,070 --> 00:29:35,440  
it through to see her first christmas

803  
00:29:39,669 --> 00:29:38,080  
and long story short now it's been more

804  
00:29:41,750 --> 00:29:39,679  
than 20 years and we've had many

805  
00:29:43,830 --> 00:29:41,760  
christmases together uh when i'm you

806  
00:29:46,310 --> 00:29:43,840  
know when i wasn't deployed and so it's

807  
00:29:48,070 --> 00:29:46,320  
been a blessing and so having having the

808  
00:29:51,029 --> 00:29:48,080  
having the family together

809  
00:29:52,789 --> 00:29:51,039  
for me is is something super special and

810  
00:29:54,470 --> 00:29:52,799  
uh and also

811  
00:29:56,630 --> 00:29:54,480  
one of the reasons why i wanted to thank

812  
00:29:58,630 --> 00:29:56,640  
you guys and your incredible audience

813  
00:30:00,710 --> 00:29:58,640

and and those who who've donated money

814

00:30:02,310 --> 00:30:00,720

for for these incredible causes right

815

00:30:04,710 --> 00:30:02,320

children and animals

816

00:30:06,549 --> 00:30:04,720

um ultimately at the end of the day you

817

00:30:08,710 --> 00:30:06,559

know i i think

818

00:30:09,830 --> 00:30:08,720

i think it's innate in most of us to

819

00:30:12,070 --> 00:30:09,840

want to

820

00:30:14,950 --> 00:30:12,080

to protect innocence

821

00:30:16,950 --> 00:30:14,960

and uh at the time my my daughter was

822

00:30:19,269 --> 00:30:16,960

the the smallest

823

00:30:21,430 --> 00:30:19,279

uh child ever released from a hospital

824

00:30:24,070 --> 00:30:21,440

after several months in the nic unit she

825

00:30:26,470 --> 00:30:24,080

came home at three pounds and

826

00:30:28,789 --> 00:30:26,480

again i just all i wanted her to do was

827

00:30:31,190 --> 00:30:28,799

survive for her first christmas and long

828

00:30:34,149 --> 00:30:31,200

story short she's she's fit as a fiddle

829

00:30:35,269 --> 00:30:34,159

um super athletic and much much smarter

830

00:30:37,510 --> 00:30:35,279

than i am

831

00:30:40,870 --> 00:30:37,520

which doesn't say very much i guess but

832

00:30:43,909 --> 00:30:40,880

uh you know um it's uh i know what it's

833

00:30:45,510 --> 00:30:43,919

like to to to almost lose someone or

834

00:30:48,789 --> 00:30:45,520

something you love

835

00:30:51,510 --> 00:30:48,799

and i can't think of a better cause

836

00:30:53,110 --> 00:30:51,520

than than than what we're doing you know

837

00:31:10,789 --> 00:30:53,120

i

838

00:31:11,990 --> 00:31:10,799

want to help everyone and

839

00:31:13,990 --> 00:31:12,000

um

840

00:31:15,750 --> 00:31:14,000

you know it really is it's really

841

00:31:17,269 --> 00:31:15,760

something else and if i can ask you dan

842

00:31:18,710 --> 00:31:17,279

look you're really

843

00:31:21,590 --> 00:31:18,720

let's be honest you you guys were the

844

00:31:23,350 --> 00:31:21,600

mastermind behind this this whole thing

845

00:31:25,430 --> 00:31:23,360

and when you came to me and said hey

846

00:31:26,149 --> 00:31:25,440

look you know i we'd like you to support

847

00:31:29,029 --> 00:31:26,159

this

848

00:31:31,110 --> 00:31:29,039

um you know i i jumped in with both feet

849

00:31:32,789 --> 00:31:31,120

it was a definitive hell yeah

850

00:31:35,269 --> 00:31:32,799

the only condition was that we gave all

851  
00:31:39,029 --> 00:31:35,279  
the proceeds to the charity not a single

852  
00:31:41,029 --> 00:31:39,039  
penny goes to any of us yeah and um

853  
00:31:42,710 --> 00:31:41,039  
you know that's i think that that that

854  
00:31:45,029 --> 00:31:42,720  
says a lot because when you look at some

855  
00:31:46,789 --> 00:31:45,039  
charities and some very good charities

856  
00:31:48,470 --> 00:31:46,799  
you know they always take a little bit

857  
00:31:50,870 --> 00:31:48,480  
off the top for either some sort of

858  
00:31:53,669 --> 00:31:50,880  
overhead or whatever but that's not the

859  
00:31:56,470 --> 00:31:53,679  
case here this was completely voluntary

860  
00:31:57,430 --> 00:31:56,480  
and so whoever provided those those

861  
00:31:59,190 --> 00:31:57,440  
monies

862  
00:32:01,990 --> 00:31:59,200  
for this wonderful cause in this

863  
00:32:03,029 --> 00:32:02,000

particular case jude's hospital for for

864

00:32:06,230 --> 00:32:03,039

children

865

00:32:08,710 --> 00:32:06,240

and uh and the humane society right um

866

00:32:10,630 --> 00:32:08,720

again animals and kids not a penny went

867

00:32:12,470 --> 00:32:10,640

to anything other than that and we all

868

00:32:13,350 --> 00:32:12,480

dedicated our time to to make this

869

00:32:15,190 --> 00:32:13,360

happen

870

00:32:17,750 --> 00:32:15,200

and at some point i would love an

871

00:32:20,310 --> 00:32:17,760

opportunity um i i said yesterday or the

872

00:32:23,269 --> 00:32:20,320

day before maybe on social media that my

873

00:32:26,310 --> 00:32:23,279

intent is to do a zoom uh with with

874

00:32:27,750 --> 00:32:26,320

whoever is the the lucky winner and uh

875

00:32:29,190 --> 00:32:27,760

you know i say lucky winner probably

876

00:32:31,350 --> 00:32:29,200

unlucky if they have the time they want

877

00:32:33,830 --> 00:32:31,360

to talk to me right

878

00:32:35,509 --> 00:32:33,840

but um either way at this point i'm i'm

879

00:32:36,330 --> 00:32:35,519

getting prepared to you know wash their

880

00:32:38,630 --> 00:32:36,340

car and uh

881

00:32:40,950 --> 00:32:38,640

[Laughter]

882

00:32:43,350 --> 00:32:40,960

it's it's just incredible to to to see

883

00:32:45,509 --> 00:32:43,360

this incredible outpouring of generosity

884

00:32:47,269 --> 00:32:45,519

that's that's really what what makes the

885

00:32:48,710 --> 00:32:47,279

species so wonderful you know it gives

886

00:32:50,789 --> 00:32:48,720

restores faith

887

00:32:53,509 --> 00:32:50,799

uh and it's christmas right what what a

888

00:32:56,070 --> 00:32:53,519

better time than to than now to to to

889

00:32:59,590 --> 00:32:56,080

give to this this this amazing these two

890

00:33:04,070 --> 00:33:01,669

dan i was going to let you k uh just say

891

00:33:06,310 --> 00:33:04,080

that again to lou you know about the

892

00:33:09,269 --> 00:33:06,320

the generous like donations but they

893

00:33:11,350 --> 00:33:09,279

bought tickets but um yeah amazing

894

00:33:13,590 --> 00:33:11,360

amounts of money went into this and as

895

00:33:14,950 --> 00:33:13,600

much as it was lou

896

00:33:17,029 --> 00:33:14,960

being a part of it i think has made a

897

00:33:18,710 --> 00:33:17,039

huge difference to what we got in people

898

00:33:21,750 --> 00:33:18,720

have been very generous

899

00:33:23,669 --> 00:33:21,760

yeah yeah and and adding kind of prizes

900

00:33:25,990 --> 00:33:23,679

and you know you upping what you were

901  
00:33:28,230 --> 00:33:26,000  
offering part way through it really

902  
00:33:30,310 --> 00:33:28,240  
propelled it and i was saying earlier

903  
00:33:32,470 --> 00:33:30,320  
last night i i was just at a party with

904  
00:33:33,990 --> 00:33:32,480  
friends and every now and then they were

905  
00:33:35,509 --> 00:33:34,000  
like check it down check it see what

906  
00:33:37,029 --> 00:33:35,519  
it's like and it went from just kind of

907  
00:33:38,950 --> 00:33:37,039  
a few thousand which blew my mind

908  
00:33:41,669 --> 00:33:38,960  
already to five

909  
00:33:43,590 --> 00:33:41,679  
you know five digits and yeah just crazy

910  
00:33:45,029 --> 00:33:43,600  
we really made my day like you say

911  
00:33:46,950 --> 00:33:45,039  
you know dan let me ask you something

912  
00:33:49,590 --> 00:33:46,960  
and this is for you guys maybe what we

913  
00:33:51,029 --> 00:33:49,600

want to do is maybe once a year

914

00:33:52,230 --> 00:33:51,039

and i'm just thinking out loud please

915

00:33:53,830 --> 00:33:52,240

you know if there's any lawyers out

916

00:33:55,029 --> 00:33:53,840

there don't don't get mad at me and

917

00:33:57,190 --> 00:33:55,039

they're saying something i should but

918

00:34:00,149 --> 00:33:57,200

but maybe we could do some sort of

919

00:34:02,630 --> 00:34:00,159

annual event charity event where

920

00:34:05,110 --> 00:34:02,640

we donate our time right uh we do it

921

00:34:07,990 --> 00:34:05,120

completely for free and uh and maybe we

922

00:34:10,069 --> 00:34:08,000

do like uh a uh

923

00:34:11,589 --> 00:34:10,079

just a a one-day get-together where

924

00:34:14,149 --> 00:34:11,599

everybody can come in and we can you

925

00:34:16,470 --> 00:34:14,159

know people can see see us live perhaps

926  
00:34:18,869 --> 00:34:16,480  
and ask questions and we can interact

927  
00:34:21,270 --> 00:34:18,879  
and all the proceeds go to

928  
00:34:23,510 --> 00:34:21,280  
to a charity um you know i had a chance

929  
00:34:25,270 --> 00:34:23,520  
to meet you guys in person and and

930  
00:34:26,950 --> 00:34:25,280  
vinnie you know you are

931  
00:34:28,710 --> 00:34:26,960  
a lot of people may not know this i

932  
00:34:31,349 --> 00:34:28,720  
didn't know it but now you can see with

933  
00:34:33,030 --> 00:34:31,359  
with this awesome skateboard uh

934  
00:34:35,109 --> 00:34:33,040  
you know you you're you're kind of

935  
00:34:36,310 --> 00:34:35,119  
famous yourself and

936  
00:34:38,310 --> 00:34:36,320  
sure

937  
00:34:40,310 --> 00:34:38,320  
you are in fact all of you guys are with

938  
00:34:42,389 --> 00:34:40,320

your podcasting and whatnot so

939

00:34:44,310 --> 00:34:42,399

you know i i would love nothing better

940

00:34:47,109 --> 00:34:44,320

than to turn some of that

941

00:34:49,190 --> 00:34:47,119

um and and have a chance to to really

942

00:34:51,510 --> 00:34:49,200

use it for something good and give back

943

00:34:54,069 --> 00:34:51,520

to society so i just throw that out

944

00:34:56,550 --> 00:34:54,079

there to you guys uh to consider

945

00:34:58,550 --> 00:34:56,560

um you know maybe we can get some other

946

00:35:00,310 --> 00:34:58,560

folks uh willing to give some of their

947

00:35:02,310 --> 00:35:00,320

time as well to to

948

00:35:04,390 --> 00:35:02,320

to charity and and to help kids and

949

00:35:05,190 --> 00:35:04,400

animals and other causes

950

00:35:07,030 --> 00:35:05,200

um

951  
00:35:09,510 --> 00:35:07,040  
you know it doesn't have to necessarily

952  
00:35:10,790 --> 00:35:09,520  
be those charities every time

953  
00:35:12,470 --> 00:35:10,800  
um

954  
00:35:14,550 --> 00:35:12,480  
but you know i i throw that over the

955  
00:35:16,630 --> 00:35:14,560  
transom for you guys to consider and and

956  
00:35:17,349 --> 00:35:16,640  
tell me your tell me your thoughts

957  
00:35:19,109 --> 00:35:17,359  
uh

958  
00:35:20,790 --> 00:35:19,119  
i'll quote myself from earlier today

959  
00:35:24,950 --> 00:35:20,800  
this has been very successful we should

960  
00:35:28,790 --> 00:35:26,950  
i think we should do exactly that you

961  
00:35:30,950 --> 00:35:28,800  
know it blew my mind that

962  
00:35:33,270 --> 00:35:30,960  
we got 24 000

963  
00:35:34,950 --> 00:35:33,280

and i think we can do even better next

964

00:35:37,109 --> 00:35:34,960

year you know the subject is growing the

965

00:35:39,750 --> 00:35:37,119

awareness is growing and we can pour it

966

00:35:41,109 --> 00:35:39,760

into this really positive thing and you

967

00:35:43,270 --> 00:35:41,119

know this this is how you change the

968

00:35:44,310 --> 00:35:43,280

world just little by little just doing

969

00:35:46,390 --> 00:35:44,320

these little things then you're

970

00:35:48,790 --> 00:35:46,400

absolutely right you're absolutely right

971

00:35:50,790 --> 00:35:48,800

you know you know every every every

972

00:35:53,829 --> 00:35:50,800

great ocean starts off as a as a

973

00:35:56,069 --> 00:35:53,839

raindrop somewhere right or or as a drop

974

00:35:58,230 --> 00:35:56,079

of water you know up some some

975

00:36:01,349 --> 00:35:58,240

obscure you know little creek that flows

976

00:36:04,150 --> 00:36:01,359

into a a river that flows into uh you

977

00:36:06,630 --> 00:36:04,160

know a sea which flows into an ocean so

978

00:36:08,550 --> 00:36:06,640

i think you're absolutely right um and i

979

00:36:10,630 --> 00:36:08,560

am so humbled that

980

00:36:12,710 --> 00:36:10,640

that a you guys would consider me to be

981

00:36:15,109 --> 00:36:12,720

part of this and then also for all the

982

00:36:17,750 --> 00:36:15,119

incredible people who donated out there

983

00:36:19,030 --> 00:36:17,760

you know um i i would love to get a

984

00:36:20,390 --> 00:36:19,040

chance to

985

00:36:22,710 --> 00:36:20,400

i know some people probably don't want

986

00:36:25,030 --> 00:36:22,720

credit for it but if there was a way we

987

00:36:27,430 --> 00:36:25,040

could just you know whoever wanted to be

988

00:36:29,190 --> 00:36:27,440

mentioned uh who you know were

989

00:36:30,630 --> 00:36:29,200

significant donors i'd love to get a

990

00:36:32,790 --> 00:36:30,640

chance to thank each and every one of

991

00:36:33,990 --> 00:36:32,800

them sometime maybe on air with you guys

992

00:36:35,829 --> 00:36:34,000

and say hey look you know having the

993

00:36:37,670 --> 00:36:35,839

list and say let me give you just two

994

00:36:39,990 --> 00:36:37,680

minutes to read out the specific names

995

00:36:41,750 --> 00:36:40,000

of individuals who who decided to get

996

00:36:44,310 --> 00:36:41,760

look it's this is tough man we we're in

997

00:36:46,550 --> 00:36:44,320

the middle of a another covent pandemic

998

00:36:49,670 --> 00:36:46,560

um you know the the global economy

999

00:36:51,510 --> 00:36:49,680

hasn't been great um and yet people

1000

00:36:52,470 --> 00:36:51,520

still found it in their hearts to to

1001

00:36:54,470 --> 00:36:52,480

give

1002

00:36:56,870 --> 00:36:54,480

yeah that's that's huge that's huge you

1003

00:36:58,710 --> 00:36:56,880

know i i don't see anybody else in in

1004

00:37:00,310 --> 00:36:58,720

the uap community

1005

00:37:01,829 --> 00:37:00,320

doing that i see a lot of people

1006

00:37:03,829 --> 00:37:01,839

charging for their time and taking the

1007

00:37:05,589 --> 00:37:03,839

money for themselves but i don't see

1008

00:37:08,790 --> 00:37:05,599

anybody right now

1009

00:37:10,310 --> 00:37:08,800

you know than a small group of rag tag

1010

00:37:11,750 --> 00:37:10,320

mavericks like us

1011

00:37:13,430 --> 00:37:11,760

uh you know

1012

00:37:15,349 --> 00:37:13,440

saying hey why not let's do it let's

1013

00:37:17,589 --> 00:37:15,359

just go ahead and give all the proceeds

1014

00:37:19,670 --> 00:37:17,599

to to a good cause and and you know

1015

00:37:22,310 --> 00:37:19,680

thank everybody individually for for

1016

00:37:23,589 --> 00:37:22,320

being so generous um you know christmas

1017

00:37:25,430 --> 00:37:23,599

can be hard for some people not

1018

00:37:27,910 --> 00:37:25,440

everybody has a family and and i

1019

00:37:29,430 --> 00:37:27,920

recognize that not everybody has a job

1020

00:37:31,030 --> 00:37:29,440

not everybody has the ability and the

1021

00:37:34,069 --> 00:37:31,040

resources to

1022

00:37:36,470 --> 00:37:34,079

to give um you know there was a time

1023

00:37:38,150 --> 00:37:36,480

back when i was a young soldier you know

1024

00:37:39,910 --> 00:37:38,160

i think everybody knows i had kind of an

1025

00:37:40,630 --> 00:37:39,920

interesting kind of a tough childhood

1026

00:37:45,270 --> 00:37:40,640

but

1027

00:37:46,790 --> 00:37:45,280

that's a fact we were on food stamps um

1028

00:37:49,750 --> 00:37:46,800

and if it wasn't for the kindness and

1029

00:37:51,190 --> 00:37:49,760

generosity of others um you know i

1030

00:37:53,670 --> 00:37:51,200

probably wouldn't be here today having

1031

00:37:57,190 --> 00:37:53,680

this conversation with you so

1032

00:37:59,750 --> 00:37:57,200

so giving and is is is is important it's

1033

00:38:01,430 --> 00:37:59,760

critical you know it keeps us

1034

00:38:05,270 --> 00:38:01,440

keeps us grounded

1035

00:38:06,550 --> 00:38:05,280

uh as as as individuals and as a species

1036

00:38:08,470 --> 00:38:06,560

ultimately

1037

00:38:09,910 --> 00:38:08,480

you know if we can leave this place a

1038

00:38:11,750 --> 00:38:09,920

little bit better than we found it and

1039

00:38:14,150 --> 00:38:11,760

we all take that

1040

00:38:15,190 --> 00:38:14,160

you know if you will that uh

1041

00:38:16,790 --> 00:38:15,200

um

1042

00:38:19,990 --> 00:38:16,800

that way of thinking

1043

00:38:21,750 --> 00:38:20,000

maybe we can make a huge difference on

1044

00:38:23,109 --> 00:38:21,760

this planet you know

1045

00:38:24,550 --> 00:38:23,119

so even

1046

00:38:26,470 --> 00:38:24,560

even the day after christmas like we're

1047

00:38:28,630 --> 00:38:26,480

doing today lou like a few people have

1048

00:38:30,069 --> 00:38:28,640

donated again in any cash from the super

1049

00:38:31,750 --> 00:38:30,079

chat and super sticker stuff from

1050

00:38:33,109 --> 00:38:31,760

youtube and it's about another 100

1051

00:38:35,270 --> 00:38:33,119

pounds we're going to put that on top

1052

00:38:36,870 --> 00:38:35,280

with the charity donations as well so

1053

00:38:38,390 --> 00:38:36,880

people are still coming in and donating

1054

00:38:41,030 --> 00:38:38,400

money which is amazing like it's a tough

1055

00:38:42,230 --> 00:38:41,040

time of year and whether it's

1056

00:38:43,670 --> 00:38:42,240

it's amazing what people have got

1057

00:38:45,589 --> 00:38:43,680

involved

1058

00:38:47,109 --> 00:38:45,599

if i may you guys have in the uk you

1059

00:38:48,470 --> 00:38:47,119

guys have a tradition that i'm not sure

1060

00:38:51,829 --> 00:38:48,480

a lot of americans are really aware of

1061

00:38:52,710 --> 00:38:51,839

but but uh that's uh that's boxing day

1062

00:38:55,030 --> 00:38:52,720

right

1063

00:38:57,910 --> 00:38:55,040

yeah yeah can you can you explain to me

1064

00:38:59,750 --> 00:38:57,920

a little bit uh about the the the

1065

00:39:02,230 --> 00:38:59,760

tradition of because it's really started

1066

00:39:03,670 --> 00:39:02,240

with you guys over across the pond can

1067

00:39:05,510 --> 00:39:03,680

you give our audience just a little bit

1068

00:39:08,390 --> 00:39:05,520

of uh understanding for those who are

1069

00:39:09,990 --> 00:39:08,400

are um you know not lucky enough to to

1070

00:39:12,069 --> 00:39:10,000

be uk

1071

00:39:13,190 --> 00:39:12,079

citizens or have that history can you

1072

00:39:15,589 --> 00:39:13,200

can you give us a little history of what

1073

00:39:17,750 --> 00:39:15,599

what the meaning of boxing day is

1074

00:39:19,349 --> 00:39:17,760

so let me embarrass myself i think and i

1075

00:39:21,430 --> 00:39:19,359

might be corrected here it was just the

1076

00:39:23,030 --> 00:39:21,440

idea that it was a day after gifts were

1077

00:39:25,270 --> 00:39:23,040

given and the day all the boxes were

1078

00:39:26,870 --> 00:39:25,280

getting rid of essentially but it sort

1079

00:39:29,190 --> 00:39:26,880

of now turned into a bit of a christmas

1080

00:39:31,349 --> 00:39:29,200

day part two and i think yeah for a lot

1081

00:39:33,109 --> 00:39:31,359

of people including parents like myself

1082

00:39:34,790 --> 00:39:33,119

where you don't have the hectic

1083

00:39:37,349 --> 00:39:34,800

christmas day anymore the presents being

1084

00:39:39,270 --> 00:39:37,359

unwrapped and the kids going wild it's a

1085

00:39:41,030 --> 00:39:39,280

bit more of a relaxed day

1086

00:39:43,030 --> 00:39:41,040

a lot of drinking's done vinnie has his

1087

00:39:43,990 --> 00:39:43,040

glass of wine there to demonstrate that

1088

00:39:46,390 --> 00:39:44,000

um

1089

00:39:48,470 --> 00:39:46,400

he's finished that already and no no no

1090

00:39:50,470 --> 00:39:48,480

no no it's oh no it's always there we go

1091

00:39:53,030 --> 00:39:50,480

there we go um it's a bit more of a

1092

00:39:54,950 --> 00:39:53,040

relaxed christmas day and people tend to

1093

00:39:56,950 --> 00:39:54,960

probably travel a bit more for it and

1094

00:39:57,990 --> 00:39:56,960

meet up with family and friends

1095

00:39:59,510 --> 00:39:58,000

and

1096

00:40:02,950 --> 00:39:59,520

for me there's always lots of football

1097

00:40:04,470 --> 00:40:02,960

slash soccer on the tv um so yeah

1098

00:40:06,390 --> 00:40:04,480

this is funny because earlier on on

1099

00:40:09,670 --> 00:40:06,400

twitter someone mentioned it was a ufo

1100

00:40:11,990 --> 00:40:09,680

chronicles podcast that do the us have

1101

00:40:13,910 --> 00:40:12,000

boxing day or since steven's day i

1102

00:40:16,309 --> 00:40:13,920

believe it's it's known as in an island

1103

00:40:18,870 --> 00:40:16,319

potentially is that right or wrong um

1104

00:40:20,710 --> 00:40:18,880

well yeah yeah for us boxing days you

1105

00:40:22,230 --> 00:40:20,720

know a chance to to give

1106

00:40:25,670 --> 00:40:22,240

some some presents

1107

00:40:27,589 --> 00:40:25,680

uh in in boxes to the poor um to to less

1108

00:40:29,910 --> 00:40:27,599

fortunate people right so traditionally

1109

00:40:31,750 --> 00:40:29,920

you have a bunch of gifts for christmas

1110

00:40:33,190 --> 00:40:31,760

and then the very next day you take a

1111

00:40:35,270 --> 00:40:33,200

portion of those gifts and you give them

1112

00:40:37,430 --> 00:40:35,280

to people who don't have anything

1113

00:40:40,390 --> 00:40:37,440

uh and um

1114

00:40:41,990 --> 00:40:40,400

you know for me that that is um

1115

00:40:45,349 --> 00:40:42,000

you know that's incredible that's that's

1116

00:40:47,190 --> 00:40:45,359

that's one hell of a uh holiday to to

1117

00:40:48,790 --> 00:40:47,200

celebrate you know on

1118

00:40:50,230 --> 00:40:48,800

one moment we're celebrating christmas

1119

00:40:52,230 --> 00:40:50,240

and we're all enjoying our time together

1120

00:40:55,109 --> 00:40:52,240

and then the very next day we're also

1121

00:40:56,470 --> 00:40:55,119

giving to those less fortunate um and i

1122

00:40:58,390 --> 00:40:56,480

think

1123

00:41:00,069 --> 00:40:58,400

again you know there's

1124

00:41:02,390 --> 00:41:00,079

one of the most precious things we can

1125

00:41:04,230 --> 00:41:02,400

give somebody is a gift of life

1126  
00:41:06,470 --> 00:41:04,240  
and so when you're donating to a cause

1127  
00:41:07,349 --> 00:41:06,480  
like saint jude which is poor children

1128  
00:41:11,829 --> 00:41:07,359  
and

1129  
00:41:13,829 --> 00:41:11,839  
society where you're dealing with with

1130  
00:41:15,910 --> 00:41:13,839  
animals who've been been

1131  
00:41:19,030 --> 00:41:15,920  
not only neglected but in some cases

1132  
00:41:21,670 --> 00:41:19,040  
forgotten right uh and and no longer

1133  
00:41:23,589 --> 00:41:21,680  
have that that that dignity of life

1134  
00:41:25,270 --> 00:41:23,599  
and and being able to give a second

1135  
00:41:27,030 --> 00:41:25,280  
chance or a third chance or fourth

1136  
00:41:29,430 --> 00:41:27,040  
chance you know how many of us have had

1137  
00:41:31,750 --> 00:41:29,440  
a a second or a third chance at you know

1138  
00:41:32,790 --> 00:41:31,760

at something or a fourth chance uh and

1139

00:41:34,950 --> 00:41:32,800

most of the time you probably don't

1140

00:41:36,790 --> 00:41:34,960

deserve it but but we're given those

1141

00:41:38,630 --> 00:41:36,800

opportunities anyways

1142

00:41:39,990 --> 00:41:38,640

so let's let's see if we can you know

1143

00:41:43,030 --> 00:41:40,000

pay that forward

1144

00:41:45,190 --> 00:41:43,040

i know i've got a big debt to pay

1145

00:41:47,349 --> 00:41:45,200

you know looking at my life in my career

1146

00:41:49,190 --> 00:41:47,359

um you know i i'm going to spend i'm

1147

00:41:51,910 --> 00:41:49,200

gonna have to spend a lot of time

1148

00:41:53,750 --> 00:41:51,920

um you know giving back and and that's

1149

00:41:55,430 --> 00:41:53,760

really what i think this this holiday

1150

00:41:57,510 --> 00:41:55,440

season is about you guys look you guys

1151  
00:41:59,270 --> 00:41:57,520  
made it happen this has been for me one

1152  
00:42:01,510 --> 00:41:59,280  
of the greatest christmas gifts i could

1153  
00:42:03,190 --> 00:42:01,520  
i could have asked for which is people

1154  
00:42:06,230 --> 00:42:03,200  
being generous and giving giving their

1155  
00:42:07,990 --> 00:42:06,240  
heartfelt money uh to to to incredible

1156  
00:42:10,309 --> 00:42:08,000  
causes um

1157  
00:42:13,030 --> 00:42:10,319  
and you know i would never want somebody

1158  
00:42:15,109 --> 00:42:13,040  
to give money that they don't have um

1159  
00:42:17,589 --> 00:42:15,119  
but there is there is a biblical verse

1160  
00:42:21,109 --> 00:42:17,599  
isn't there that talks about

1161  
00:42:22,950 --> 00:42:21,119  
the value of of of of

1162  
00:42:25,910 --> 00:42:22,960  
charity right and the value of giving

1163  
00:42:28,309 --> 00:42:25,920

money and the value of you know to to a

1164

00:42:31,430 --> 00:42:28,319

multi-millionaire a ten thousand dollar

1165

00:42:33,990 --> 00:42:31,440

check doesn't mean as much to to the old

1166

00:42:35,589 --> 00:42:34,000

woman who who only has a penny and she

1167

00:42:36,550 --> 00:42:35,599

gives her last penny

1168

00:42:38,150 --> 00:42:36,560

um

1169

00:42:39,829 --> 00:42:38,160

you know by the way i'm not asking

1170

00:42:41,510 --> 00:42:39,839

anybody to get your last penny please

1171

00:42:43,990 --> 00:42:41,520

don't do that um

1172

00:42:46,790 --> 00:42:44,000

but my point being is that you know

1173

00:42:49,670 --> 00:42:46,800

everybody you know giving just just a

1174

00:42:51,750 --> 00:42:49,680

little really makes a big difference um

1175

00:42:53,270 --> 00:42:51,760

i know it did to me when i was when i

1176  
00:42:54,710 --> 00:42:53,280  
was younger you know and i've tried to

1177  
00:42:56,309 --> 00:42:54,720  
spend a good portion of my life not

1178  
00:42:58,470 --> 00:42:56,319  
trying to give back and

1179  
00:43:00,069 --> 00:42:58,480  
uh because i know there were a lot of

1180  
00:43:02,950 --> 00:43:00,079  
people who gave me second chances and

1181  
00:43:04,550 --> 00:43:02,960  
third chances and fourth chances

1182  
00:43:06,630 --> 00:43:04,560  
i i think that's important to remember

1183  
00:43:08,710 --> 00:43:06,640  
isn't it like where we're all kind of

1184  
00:43:10,950 --> 00:43:08,720  
works in progress and like puzzle pieces

1185  
00:43:13,349 --> 00:43:10,960  
built over the courses of our lives and

1186  
00:43:16,069 --> 00:43:13,359  
all too often we forget that

1187  
00:43:18,230 --> 00:43:16,079  
we we judge ourselves by our intentions

1188  
00:43:20,470 --> 00:43:18,240

and others by their actions and and i

1189

00:43:21,670 --> 00:43:20,480

think it's important to to

1190

00:43:23,510 --> 00:43:21,680

appreciate that other people have

1191

00:43:25,589 --> 00:43:23,520

intentions and lives and families and

1192

00:43:27,349 --> 00:43:25,599

daughters and sons and all of those

1193

00:43:29,109 --> 00:43:27,359

things too because it helps us

1194

00:43:30,950 --> 00:43:29,119

appreciate how interconnected the world

1195

00:43:32,790 --> 00:43:30,960

is and the people that build us up and

1196

00:43:34,230 --> 00:43:32,800

supports us you know did we just get

1197

00:43:37,030 --> 00:43:34,240

someone else i think they look like carl

1198

00:43:39,589 --> 00:43:37,040

mann that just gave 20 20 pounds

1199

00:43:41,510 --> 00:43:39,599

yeah that was carlia hey thanks carl

1200

00:43:42,390 --> 00:43:41,520

appreciate it very much thank you so

1201

00:43:43,910 --> 00:43:42,400

much

1202

00:43:46,309 --> 00:43:43,920

can everyone if i just jump in and ask

1203

00:43:48,230 --> 00:43:46,319

is it too late to add an extra prize i

1204

00:43:49,990 --> 00:43:48,240

just saw that i can't give it out via

1205

00:43:51,750 --> 00:43:50,000

the raffle but if you would like to give

1206

00:43:53,430 --> 00:43:51,760

a prize out to someone in the chat feel

1207

00:43:55,270 --> 00:43:53,440

free but yeah i mean you look behind

1208

00:43:57,270 --> 00:43:55,280

louie's got a skate deck so i'm gonna

1209

00:43:59,030 --> 00:43:57,280

give right here i'm gonna give another

1210

00:44:00,790 --> 00:43:59,040

skate deck out for i don't know how we

1211

00:44:01,750 --> 00:44:00,800

can do it but

1212

00:44:03,910 --> 00:44:01,760

you know

1213

00:44:05,430 --> 00:44:03,920

okay by the way for those who don't know

1214

00:44:07,109 --> 00:44:05,440

vinnie you know this

1215

00:44:09,349 --> 00:44:07,119

as a kid i used to skate i wasn't very

1216

00:44:10,710 --> 00:44:09,359

good but but i love skateboarding and i

1217

00:44:12,069 --> 00:44:10,720

still will sometimes

1218

00:44:13,109 --> 00:44:12,079

jump on a board when i know nobody's

1219

00:44:16,069 --> 00:44:13,119

watching

1220

00:44:18,309 --> 00:44:16,079

this is one hell of an awesome board if

1221

00:44:19,670 --> 00:44:18,319

anybody ever gets a chance

1222

00:44:20,870 --> 00:44:19,680

i'm gonna pull this off the wall just so

1223

00:44:22,630 --> 00:44:20,880

people can see it

1224

00:44:25,030 --> 00:44:22,640

this is really

1225

00:44:27,670 --> 00:44:25,040

this is a kick-ass board man i mean this

1226

00:44:31,109 --> 00:44:27,680

is awesome i love this thing i have this

1227

00:44:33,589 --> 00:44:31,119

right here in my office um so you know

1228

00:44:35,430 --> 00:44:33,599

thanks vinnie and whoever hey whoever

1229

00:44:37,510 --> 00:44:35,440

gets this they're gonna get one hell of

1230

00:44:38,950 --> 00:44:37,520

a cool board

1231

00:44:40,710 --> 00:44:38,960

so yeah i don't know how you guys want

1232

00:44:42,790 --> 00:44:40,720

to do it

1233

00:44:44,630 --> 00:44:42,800

should we do the same thing and because

1234

00:44:46,790 --> 00:44:44,640

lou's there is signed by all of us from

1235

00:44:48,790 --> 00:44:46,800

uap media and we could because we're all

1236

00:44:50,470 --> 00:44:48,800

in the uk we could we could end it

1237

00:44:51,990 --> 00:44:50,480

around in the post and we'll sign it and

1238

00:44:53,750 --> 00:44:52,000

then send it out right

1239

00:44:56,230 --> 00:44:53,760

yeah oh my god that'd be so cool guys

1240

00:44:58,069 --> 00:44:56,240

you know what hell can i if i i mean i

1241

00:45:00,150 --> 00:44:58,079

don't think about my signature but

1242

00:45:01,270 --> 00:45:00,160

if there's a way i could get it to

1243

00:45:06,309 --> 00:45:01,280

you guys

1244

00:45:08,470 --> 00:45:06,319

that board i'm wondering um

1245

00:45:09,910 --> 00:45:08,480

i've got to be over there i think in

1246

00:45:10,710 --> 00:45:09,920

february

1247

00:45:13,190 --> 00:45:10,720

okay

1248

00:45:14,710 --> 00:45:13,200

so or even maybe late january so maybe

1249

00:45:16,390 --> 00:45:14,720

we can meet up and get a chance to sign

1250

00:45:17,990 --> 00:45:16,400

it too and yeah yeah let's do it you

1251

00:45:19,750 --> 00:45:18,000

know that's really nice of you vinnie

1252

00:45:22,309 --> 00:45:19,760

thank you so much thank you my pleasure

1253

00:45:24,309 --> 00:45:22,319

it's my pleasure so yeah there we go

1254

00:45:26,069 --> 00:45:24,319

still adding prizes after the raffle is

1255

00:45:28,069 --> 00:45:26,079

over but we've got to figure out a way

1256

00:45:29,750 --> 00:45:28,079

to give it away though i've got some

1257

00:45:31,589 --> 00:45:29,760

other stuff you guys have

1258

00:45:33,190 --> 00:45:31,599

sent me in the past around my office at

1259

00:45:36,230 --> 00:45:33,200

some point um

1260

00:45:37,750 --> 00:45:36,240

that really cool triangle and uh and and

1261

00:45:39,349 --> 00:45:37,760

cloud things so that would be also

1262

00:45:40,950 --> 00:45:39,359

something really neat

1263

00:45:42,230 --> 00:45:40,960

uh as well it's be i've been actually

1264

00:45:44,230 --> 00:45:42,240

hanging over my window right now i'm

1265

00:45:46,710 --> 00:45:44,240

look you can't see it here but i can

1266

00:45:49,910 --> 00:45:46,720

um i've got i've got that hanging up as

1267

00:45:51,589 --> 00:45:49,920

well it's the i i have one can i reach

1268

00:45:52,870 --> 00:45:51,599

it

1269

00:45:54,950 --> 00:45:52,880

what we'll do is we'll make sure at the

1270

00:45:58,790 --> 00:45:54,960

end of the

1271

00:46:00,470 --> 00:45:58,800

pick someone and get it sent out i've

1272

00:46:02,230 --> 00:46:00,480

not

1273

00:46:03,910 --> 00:46:02,240

donated any prizes but i'll cover the

1274

00:46:06,069 --> 00:46:03,920

postage for everything dan has to send

1275

00:46:07,589 --> 00:46:06,079

out um so we'll we'll make sure that

1276

00:46:09,349 --> 00:46:07,599

gets done as well so it's not costing

1277

00:46:11,990 --> 00:46:09,359

down any cash that can be imagination

1278

00:46:15,470 --> 00:46:13,510

i mean yes

1279

00:46:18,470 --> 00:46:15,480

yeah we're we're shipping the canvas man

1280

00:46:20,870 --> 00:46:18,480

[Laughter]

1281

00:46:21,990 --> 00:46:20,880

uh listen lou um it's getting late and

1282

00:46:23,270 --> 00:46:22,000

you've been really generous with your

1283

00:46:24,470 --> 00:46:23,280

time it's not late for you it's early

1284

00:46:27,430 --> 00:46:24,480

but we want to get you back to your

1285

00:46:29,030 --> 00:46:27,440

family people will hate me um if i don't

1286

00:46:32,069 --> 00:46:29,040

ask you know we know there's a few

1287

00:46:33,829 --> 00:46:32,079

things coming in 2022 for luella's ondo

1288

00:46:36,710 --> 00:46:33,839

we know there is a book coming out that

1289

00:46:38,470 --> 00:46:36,720

people are very excited about um we know

1290

00:46:39,990 --> 00:46:38,480

that president biden has an important

1291

00:46:41,990 --> 00:46:40,000

piece of paper

1292

00:46:44,710 --> 00:46:42,000

on the way to his desk what do you

1293

00:46:47,030 --> 00:46:44,720

foresee uh happening for us in big in

1294

00:46:49,190 --> 00:46:47,040

2022

1295

00:46:50,630 --> 00:46:49,200

wow uh

1296

00:46:52,630 --> 00:46:50,640

a lot

1297

00:46:53,510 --> 00:46:52,640

this is just the beginning

1298

00:46:55,910 --> 00:46:53,520

um

1299

00:46:58,309 --> 00:46:55,920

you know fortunately the the legislators

1300

00:46:59,750 --> 00:46:58,319

in my country got together and um and

1301  
00:47:01,349 --> 00:46:59,760  
received the briefings that they needed

1302  
00:47:04,390 --> 00:47:01,359  
to get from some of my colleagues back

1303  
00:47:09,349 --> 00:47:04,400  
in in government and uh it's it's made a

1304  
00:47:10,710 --> 00:47:09,359  
hell of a difference um now you know i

1305  
00:47:12,150 --> 00:47:10,720  
don't take this wrong way don't be

1306  
00:47:14,630 --> 00:47:12,160  
discouraged but now the real hard part

1307  
00:47:16,069 --> 00:47:14,640  
begins right because now that we've got

1308  
00:47:17,589 --> 00:47:16,079  
the legislation in place we actually

1309  
00:47:19,990 --> 00:47:17,599  
have to do something we can't just sit

1310  
00:47:20,950 --> 00:47:20,000  
back and say ah you know we won no

1311  
00:47:22,069 --> 00:47:20,960  
actually

1312  
00:47:25,109 --> 00:47:22,079  
um

1313  
00:47:27,109 --> 00:47:25,119

round one uh of of the boxing match has

1314

00:47:29,109 --> 00:47:27,119

has been won we still have 11 more

1315

00:47:30,870 --> 00:47:29,119

rounds to go and i said this in the

1316

00:47:33,030 --> 00:47:30,880

beginning to everybody look this is you

1317

00:47:34,630 --> 00:47:33,040

know disclosure isn't uh is an event

1318

00:47:36,390 --> 00:47:34,640

it's process and you're seeing that

1319

00:47:37,829 --> 00:47:36,400

process and by the way the good news

1320

00:47:38,710 --> 00:47:37,839

it's actually unfolding very very

1321

00:47:40,549 --> 00:47:38,720

quickly

1322

00:47:42,309 --> 00:47:40,559

we're getting a lot of momentum here and

1323

00:47:43,750 --> 00:47:42,319

i'll tell you too from the uk side i

1324

00:47:45,670 --> 00:47:43,760

know a lot of times

1325

00:47:48,790 --> 00:47:45,680

um some folks tend to be a little bit

1326

00:47:51,990 --> 00:47:48,800

hard on the uk side but you know don't

1327

00:47:56,230 --> 00:47:52,000

don't be too surprised if if you know

1328

00:47:58,870 --> 00:47:56,240

maybe the uk is a little bit more um

1329

00:48:01,270 --> 00:47:58,880

how shall we say uh receptive to this

1330

00:48:02,790 --> 00:48:01,280

idea um you know i'm certainly not going

1331

00:48:04,309 --> 00:48:02,800

to speak for the uk government or

1332

00:48:05,109 --> 00:48:04,319

anybody in the uk

1333

00:48:07,670 --> 00:48:05,119

but

1334

00:48:10,230 --> 00:48:07,680

the uk has always been a long-standing

1335

00:48:11,109 --> 00:48:10,240

very very the closest ally to the united

1336

00:48:13,510 --> 00:48:11,119

states

1337

00:48:14,710 --> 00:48:13,520

uk and canada really in australia

1338

00:48:15,670 --> 00:48:14,720

um

1339

00:48:17,670 --> 00:48:15,680

probably because we have so much in

1340

00:48:19,750 --> 00:48:17,680

common frankly i mean really if you look

1341

00:48:22,150 --> 00:48:19,760

at it a lot of america really you know

1342

00:48:24,710 --> 00:48:22,160

came came from from from the uk at one

1343

00:48:27,510 --> 00:48:24,720

point in the past uh but there's other

1344

00:48:29,589 --> 00:48:27,520

commonalities there we were both

1345

00:48:32,710 --> 00:48:29,599

staunchly supportive of democracies and

1346

00:48:35,030 --> 00:48:32,720

we we both have we have a lot of common

1347

00:48:36,950 --> 00:48:35,040

and um

1348

00:48:38,710 --> 00:48:36,960

you know it's been my observation that

1349

00:48:41,349 --> 00:48:38,720

there's there's there's some some

1350

00:48:42,710 --> 00:48:41,359

momentum in the uk um on this topic and

1351

00:48:44,790 --> 00:48:42,720

some of that's because of what you guys

1352

00:48:46,470 --> 00:48:44,800

are doing it's becoming more acceptable

1353

00:48:48,309 --> 00:48:46,480

to have this conversation

1354

00:48:49,670 --> 00:48:48,319

um so i think what you're going to see

1355

00:48:50,950 --> 00:48:49,680

is is

1356

00:48:52,549 --> 00:48:50,960

increased acceptance by the

1357

00:48:54,150 --> 00:48:52,559

international community increase

1358

00:48:55,589 --> 00:48:54,160

involvement by the international

1359

00:48:58,710 --> 00:48:55,599

community

1360

00:49:00,309 --> 00:48:58,720

you're going to see a much more robust

1361

00:49:01,589 --> 00:49:00,319

and transparent effort here in the

1362

00:49:04,790 --> 00:49:01,599

united states

1363

00:49:06,470 --> 00:49:04,800

regarding this topic um you know

1364

00:49:08,630 --> 00:49:06,480

we're just we're just beginning man and

1365

00:49:10,470 --> 00:49:08,640

we've we've got the the academic

1366

00:49:12,150 --> 00:49:10,480

community the scientific communities we

1367

00:49:14,150 --> 00:49:12,160

have the technology communities all now

1368

00:49:16,309 --> 00:49:14,160

stepping up and saying hey you know what

1369

00:49:17,750 --> 00:49:16,319

this is important we we want to be part

1370

00:49:19,829 --> 00:49:17,760

of this

1371

00:49:20,630 --> 00:49:19,839

that's amazing that's amazing and and of

1372

00:49:21,910 --> 00:49:20,640

course

1373

00:49:23,829 --> 00:49:21,920

ultimately

1374

00:49:26,549 --> 00:49:23,839

private citizens right at the end of the

1375

00:49:28,309 --> 00:49:26,559

day this is really about about us and

1376

00:49:29,750 --> 00:49:28,319

and this is this is a

1377

00:49:31,430 --> 00:49:29,760

this is a journey we're all taking

1378

00:49:32,150 --> 00:49:31,440

together and so i think you're going to

1379

00:49:33,910 --> 00:49:32,160

see

1380

00:49:37,270 --> 00:49:33,920

opportunities for the general public to

1381

00:49:38,309 --> 00:49:37,280

participate in this uh much more as well

1382

00:49:44,150 --> 00:49:38,319

um

1383

00:49:45,990 --> 00:49:44,160

i first started uh i i said i'm

1384

00:49:47,109 --> 00:49:46,000

cautiously optimistic

1385

00:49:49,109 --> 00:49:47,119

um

1386

00:49:51,349 --> 00:49:49,119

i'm more optimistic now than i am

1387

00:49:53,349 --> 00:49:51,359

probably cautiously optimistic there's

1388

00:49:55,349 --> 00:49:53,359

still some hurdles for sure and some big

1389

00:49:56,870 --> 00:49:55,359

challenges we're gonna have to navigate

1390

00:49:58,470 --> 00:49:56,880

and try to figure out

1391

00:50:01,109 --> 00:49:58,480

um

1392

00:50:02,549 --> 00:50:01,119

you know it's uh it's amazing that

1393

00:50:04,470 --> 00:50:02,559

um

1394

00:50:06,950 --> 00:50:04,480

that we've come this far and when i say

1395

00:50:08,790 --> 00:50:06,960

we i mean we i don't mean me or i or

1396

00:50:09,670 --> 00:50:08,800

just chris mellon and myself or a few

1397

00:50:12,069 --> 00:50:09,680

others

1398

00:50:13,990 --> 00:50:12,079

i mean all of us we you you out there

1399

00:50:16,230 --> 00:50:14,000

right now that's watching this podcast

1400

00:50:17,589 --> 00:50:16,240

and watching this conversation you are

1401  
00:50:19,190 --> 00:50:17,599  
part of the conversation whether you

1402  
00:50:20,150 --> 00:50:19,200  
realize it or not you are making a

1403  
00:50:21,589 --> 00:50:20,160  
difference

1404  
00:50:22,630 --> 00:50:21,599  
you're having the conversation around

1405  
00:50:24,790 --> 00:50:22,640  
the water cooler you're having the

1406  
00:50:27,750 --> 00:50:24,800  
conversation around the dinner table and

1407  
00:50:30,309 --> 00:50:27,760  
people are listening so so

1408  
00:50:31,990 --> 00:50:30,319  
thank you thank you very much and and i

1409  
00:50:34,470 --> 00:50:32,000  
think we're going to see more of this as

1410  
00:50:36,309 --> 00:50:34,480  
as time continues um

1411  
00:50:39,030 --> 00:50:36,319  
my hope is that we'll be so successful

1412  
00:50:40,549 --> 00:50:39,040  
that you won't need me anymore um

1413  
00:50:42,069 --> 00:50:40,559

you know i can just kind of fade off

1414

00:50:43,829 --> 00:50:42,079

into the sunset and nobody will know who

1415

00:50:46,390 --> 00:50:43,839

the hell who elizondo was

1416

00:50:48,150 --> 00:50:46,400

and and that'd be fine by me um

1417

00:50:51,030 --> 00:50:48,160

you know i i don't know when that time's

1418

00:50:54,150 --> 00:50:51,040

gonna come but but my hope is that it

1419

00:50:55,750 --> 00:50:54,160

will come and and i think it will um i

1420

00:50:57,030 --> 00:50:55,760

mean look just just look at this

1421

00:50:58,710 --> 00:50:57,040

incredible group that we have together

1422

00:51:00,150 --> 00:50:58,720

look people are donating money for a

1423

00:51:01,990 --> 00:51:00,160

cause

1424

00:51:04,069 --> 00:51:02,000

who probably three years ago never

1425

00:51:06,230 --> 00:51:04,079

really considered even ufos as a serious

1426  
00:51:08,390 --> 00:51:06,240  
topic and now they're they're listening

1427  
00:51:11,109 --> 00:51:08,400  
to you and you you have managed

1428  
00:51:13,190 --> 00:51:11,119  
to to get people together and have a

1429  
00:51:14,069 --> 00:51:13,200  
conversation about ufos well at the same

1430  
00:51:16,069 --> 00:51:14,079  
time

1431  
00:51:17,349 --> 00:51:16,079  
donating to some incredible causes i

1432  
00:51:20,069 --> 00:51:17,359  
mean guys that's

1433  
00:51:21,670 --> 00:51:20,079  
that's magic man that's incredible and

1434  
00:51:24,710 --> 00:51:21,680  
i'm so humbled

1435  
00:51:26,630 --> 00:51:24,720  
to to to be part of that and if there's

1436  
00:51:27,510 --> 00:51:26,640  
anything i can do

1437  
00:51:29,430 --> 00:51:27,520  
ever

1438  
00:51:32,309 --> 00:51:29,440

to you know for for all the generosity

1439

00:51:33,349 --> 00:51:32,319

and outpouring of people you know to to

1440

00:51:35,750 --> 00:51:33,359

somehow

1441

00:51:38,150 --> 00:51:35,760

show them my appreciation and repay them

1442

00:51:39,829 --> 00:51:38,160

i'm happy to do it i wouldn't know where

1443

00:51:41,829 --> 00:51:39,839

to start but you know if you have any

1444

00:51:43,030 --> 00:51:41,839

ideas let me know um

1445

00:51:44,630 --> 00:51:43,040

this has been

1446

00:51:46,870 --> 00:51:44,640

been really a

1447

00:51:48,870 --> 00:51:46,880

humbling uh humbling moment for me and a

1448

00:51:51,270 --> 00:51:48,880

very happy moment

1449

00:51:52,870 --> 00:51:51,280

lou this uh podcast is mainly about the

1450

00:51:55,190 --> 00:51:52,880

charity of the raffle and it's not me to

1451  
00:51:56,309 --> 00:51:55,200  
ambush you about ufo questions but if

1452  
00:51:58,309 --> 00:51:56,319  
you don't mind me just asking do you

1453  
00:52:01,109 --> 00:51:58,319  
have a personal highlight from this year

1454  
00:52:04,470 --> 00:52:01,119  
on the uap front

1455  
00:52:06,390 --> 00:52:04,480  
uh i do um i'll have to probably wait

1456  
00:52:08,950 --> 00:52:06,400  
because i need the permission of some

1457  
00:52:10,950 --> 00:52:08,960  
other folks to talk about it we've had

1458  
00:52:13,030 --> 00:52:10,960  
some really big wins

1459  
00:52:14,150 --> 00:52:13,040  
um but

1460  
00:52:34,870 --> 00:52:14,160  
i

1461  
00:52:36,150 --> 00:52:34,880  
for me um the

1462  
00:52:38,790 --> 00:52:36,160  
the dni

1463  
00:52:40,870 --> 00:52:38,800

uh report was a highlight people kind of

1464

00:52:42,390 --> 00:52:40,880

say oh it's anticlimactic and whatnot

1465

00:52:44,150 --> 00:52:42,400

well no actually it served a great

1466

00:52:46,230 --> 00:52:44,160

purpose it wet the appetite it did

1467

00:52:48,870 --> 00:52:46,240

exactly what we we needed it to do it

1468

00:52:50,870 --> 00:52:48,880

got people talking it got congress

1469

00:52:51,750 --> 00:52:50,880

involved and engaged in realizing that

1470

00:52:57,270 --> 00:52:51,760

because

1471

00:52:59,750 --> 00:52:57,280

underwhelming it then led to what you

1472

00:53:01,670 --> 00:52:59,760

see now in legislation you know i know

1473

00:53:03,910 --> 00:53:01,680

people probably at the time looked at it

1474

00:53:05,430 --> 00:53:03,920

and a little bit disappointed but

1475

00:53:08,150 --> 00:53:05,440

but uh

1476  
00:53:10,230 --> 00:53:08,160  
you know it served the purpose precisely

1477  
00:53:11,750 --> 00:53:10,240  
the way it needed to uh at the time you

1478  
00:53:12,630 --> 00:53:11,760  
couldn't really have that conversation

1479  
00:53:15,270 --> 00:53:12,640  
because

1480  
00:53:16,470 --> 00:53:15,280  
um you know you don't you don't want to

1481  
00:53:18,230 --> 00:53:16,480  
you don't want to let those that are

1482  
00:53:21,750 --> 00:53:18,240  
working against you know your strategy

1483  
00:53:23,270 --> 00:53:21,760  
but but it was very successful

1484  
00:53:24,630 --> 00:53:23,280  
dan vinnie either of you want to say

1485  
00:53:26,230 --> 00:53:24,640  
anything to lou before we let him have

1486  
00:53:27,589 --> 00:53:26,240  
the rest of his day back

1487  
00:53:29,910 --> 00:53:27,599  
just thank you lou for everything as

1488  
00:53:31,910 --> 00:53:29,920

always it's been a fantastic year

1489

00:53:33,910 --> 00:53:31,920

thank you personally for me for coming

1490

00:53:35,829 --> 00:53:33,920

on my channel for meeting in

1491

00:53:38,069 --> 00:53:35,839

in london when we did and i look forward

1492

00:53:40,230 --> 00:53:38,079

to seeing you again in 2022. so yeah

1493

00:53:41,910 --> 00:53:40,240

thank you very much

1494

00:53:44,710 --> 00:53:41,920

and i got a question for you guys when

1495

00:53:46,630 --> 00:53:44,720

we're done i got just one question

1496

00:53:49,270 --> 00:53:46,640

dan go ahead

1497

00:53:50,630 --> 00:53:49,280

i'm i'm i'm echoing the the sentiments

1498

00:53:53,030 --> 00:53:50,640

really just thank you thank you thank

1499

00:53:54,950 --> 00:53:53,040

you thank you for this opportunity to

1500

00:53:57,030 --> 00:53:54,960

make such a difference in the world you

1501  
00:53:59,030 --> 00:53:57,040  
know a bunch of people pile their time

1502  
00:54:00,630 --> 00:53:59,040  
and effort into it and it's just it's

1503  
00:54:02,069 --> 00:54:00,640  
gorgeous you know

1504  
00:54:03,670 --> 00:54:02,079  
it really does and i want to thank

1505  
00:54:05,510 --> 00:54:03,680  
eventually i can't wait to personally

1506  
00:54:06,950 --> 00:54:05,520  
thank the the the

1507  
00:54:08,870 --> 00:54:06,960  
the highest bidder i cannot wait to have

1508  
00:54:10,950 --> 00:54:08,880  
that conversation um

1509  
00:54:13,349 --> 00:54:10,960  
question for you gents um and maybe

1510  
00:54:15,270 --> 00:54:13,359  
maybe for you out in the audience um as

1511  
00:54:17,990 --> 00:54:15,280  
some of you have noticed i um have

1512  
00:54:20,150 --> 00:54:18,000  
allowed my my facial hair to grow now a

1513  
00:54:23,109 --> 00:54:20,160

little bit and um you know the

1514

00:54:25,670 --> 00:54:23,119

quote-unquote blue manchu is is no more

1515

00:54:27,510 --> 00:54:25,680

um i need your personal opinion because

1516

00:54:28,790 --> 00:54:27,520

the reason why i did this i know there's

1517

00:54:30,790 --> 00:54:28,800

speculation out there let me just tell

1518

00:54:32,069 --> 00:54:30,800

you the real reason when i was many

1519

00:54:33,510 --> 00:54:32,079

years ago when i was working for the

1520

00:54:35,270 --> 00:54:33,520

government you go overseas you grow

1521

00:54:38,069 --> 00:54:35,280

these big beards out

1522

00:54:40,309 --> 00:54:38,079

for for operational security reasons and

1523

00:54:42,230 --> 00:54:40,319

i had this big lush beautiful beard that

1524

00:54:43,910 --> 00:54:42,240

was the same color for my hair and i

1525

00:54:46,150 --> 00:54:43,920

remember probably after fourth or fifth

1526

00:54:47,589 --> 00:54:46,160

you know uh garden tour over there i

1527

00:54:50,150 --> 00:54:47,599

came home and my daughter started

1528

00:54:53,030 --> 00:54:50,160

noticing said dad you know you're

1529

00:54:54,549 --> 00:54:53,040

you're turning turning gray i said

1530

00:54:55,829 --> 00:54:54,559

nonsense i'm not turning green of course

1531

00:54:58,230 --> 00:54:55,839

my wife said yeah actually you're

1532

00:54:59,670 --> 00:54:58,240

turning gray so i don't know so i wound

1533

00:55:00,789 --> 00:54:59,680

up shaving my beard and leaving just a

1534

00:55:02,710 --> 00:55:00,799

goatee

1535

00:55:04,710 --> 00:55:02,720

and a couple years later uh my

1536

00:55:06,630 --> 00:55:04,720

daughter's sitting at the dinner table

1537

00:55:08,470 --> 00:55:06,640

dad

1538

00:55:10,150 --> 00:55:08,480

you're turning gray up here

1539

00:55:11,670 --> 00:55:10,160

what come on it's not

1540

00:55:13,670 --> 00:55:11,680

i'm not turning gray

1541

00:55:16,549 --> 00:55:13,680

look in the mirror and you know it ain't

1542

00:55:18,069 --> 00:55:16,559

blonde that's for sure so that's great

1543

00:55:19,990 --> 00:55:18,079

so i wound up shaving that all i had

1544

00:55:22,549 --> 00:55:20,000

left was just you know the lumian shoe

1545

00:55:25,349 --> 00:55:22,559

and of course over several years that

1546

00:55:26,950 --> 00:55:25,359

started to um

1547

00:55:27,829 --> 00:55:26,960

turn

1548

00:55:29,829 --> 00:55:27,839

uh

1549

00:55:31,349 --> 00:55:29,839

colors as well colors that i wasn't very

1550

00:55:35,670 --> 00:55:31,359

familiar with other than you know what

1551

00:55:37,510 --> 00:55:35,680

was on my brew before and so um

1552

00:55:40,230 --> 00:55:37,520

i had someone suggest to me hey you know

1553

00:55:43,030 --> 00:55:40,240

maybe the time has come lou to to just

1554

00:55:43,910 --> 00:55:43,040

you know own it right just grow it and

1555

00:55:45,349 --> 00:55:43,920

uh

1556

00:55:47,190 --> 00:55:45,359

you know i'm not necessarily talking to

1557

00:55:48,789 --> 00:55:47,200

santa claus beard but you know something

1558

00:55:50,710 --> 00:55:48,799

that i'm i'm more familiar with more

1559

00:55:52,230 --> 00:55:50,720

comfortable with um what do you guys

1560

00:55:53,910 --> 00:55:52,240

think what what what do you what is your

1561

00:55:55,510 --> 00:55:53,920

what is your what does your audience

1562

00:55:57,270 --> 00:55:55,520

think should i should i keep it should i

1563

00:55:58,390 --> 00:55:57,280

go back to the little manchu the problem

1564

00:56:00,950 --> 00:55:58,400

is if i shave the whole thing i look

1565

00:56:03,270 --> 00:56:00,960

like i'm 12. and

1566

00:56:04,870 --> 00:56:03,280

mrs elizondo is not going to be happy

1567

00:56:06,950 --> 00:56:04,880

about that so what do you what do you

1568

00:56:09,270 --> 00:56:06,960

guys think well someone in the chat

1569

00:56:11,109 --> 00:56:09,280

don't don't lie gotta get me straight up

1570

00:56:12,950 --> 00:56:11,119

someone in the chat just said that your

1571

00:56:14,870 --> 00:56:12,960

current look has kind of shaved a bunch

1572

00:56:16,630 --> 00:56:14,880

of years off you so you look younger

1573

00:56:19,030 --> 00:56:16,640

growing the beard too so it doesn't

1574

00:56:21,510 --> 00:56:19,040

matter you just look young lou

1575

00:56:25,030 --> 00:56:21,520

kim thank you awesome i know the goatee

1576

00:56:26,470 --> 00:56:25,040

was like iconic andreas i know i know

1577

00:56:28,789 --> 00:56:26,480

so that's why i'm like you know i'm kind

1578

00:56:30,470 --> 00:56:28,799

of torn i mean i kind of in one case

1579

00:56:31,990 --> 00:56:30,480

it's kind of the classic colonel sanders

1580

00:56:33,910 --> 00:56:32,000

look right kentucky fried chicken and

1581

00:56:35,750 --> 00:56:33,920

then on the other hand though you know

1582

00:56:37,750 --> 00:56:35,760

people mistaken me as some sort of biker

1583

00:56:39,829 --> 00:56:37,760

gang guy a lot of times

1584

00:56:41,750 --> 00:56:39,839

i make babies cry or something like that

1585

00:56:48,950 --> 00:56:41,760

so i don't know i'm trying out grave

1586

00:56:52,470 --> 00:56:50,549

have you been showing together you know

1587

00:56:54,069 --> 00:56:52,480

let the jackets back-to-back big beards

1588

00:56:55,750 --> 00:56:54,079

i think that would make it great well

1589

00:56:57,190 --> 00:56:55,760

sean you he's got he's got that

1590

00:56:59,030 --> 00:56:57,200

incredible beard that i'll never be able

1591

00:57:00,710 --> 00:56:59,040

to compete with i mean it's just a big

1592

00:57:03,190 --> 00:57:00,720

rich lush that's what we call a mystic

1593

00:57:05,510 --> 00:57:03,200

line it looks like a mane right this big

1594

00:57:07,349 --> 00:57:05,520

gorgeous mane uh by the way next time

1595

00:57:09,270 --> 00:57:07,359

you talk to sean you have to tell him

1596

00:57:11,030 --> 00:57:09,280

ask him what i got him for christmas i'm

1597

00:57:13,589 --> 00:57:11,040

not going to tell him

1598

00:57:15,349 --> 00:57:13,599

you gotta ask him say hey sean who told

1599

00:57:17,750 --> 00:57:15,359

us to ask you what

1600

00:57:21,270 --> 00:57:19,349

you you know i think you you said

1601  
00:57:23,910 --> 00:57:21,280  
yourself i'm not being rude but you've

1602  
00:57:25,430 --> 00:57:23,920  
dropped like 30 pounds um and you're

1603  
00:57:27,109 --> 00:57:25,440  
looking well for it and you've got that

1604  
00:57:28,549 --> 00:57:27,119  
you've got you know the hair and

1605  
00:57:31,190 --> 00:57:28,559  
you did have a bit of a doppelganger it

1606  
00:57:36,309 --> 00:57:33,510  
it's not coloring it have you seen

1607  
00:57:38,630 --> 00:57:36,319  
diners drive-ins and dives

1608  
00:57:41,910 --> 00:57:38,640  
i'm sorry have i seen one it's a program

1609  
00:57:44,710 --> 00:57:41,920  
called diners drive-ins and dives

1610  
00:57:46,710 --> 00:57:44,720  
i think there was a show here that was a

1611  
00:57:49,270 --> 00:57:46,720  
food show that yeah where they would go

1612  
00:57:51,270 --> 00:57:49,280  
and they would check yeah

1613  
00:57:53,109 --> 00:57:51,280

the guy the guy who hosted that could

1614

00:57:55,910 --> 00:57:53,119

have been your brother i know a few

1615

00:57:57,270 --> 00:57:55,920

people mentioned that to me guy fairy i

1616

00:57:59,589 --> 00:57:57,280

guess yes

1617

00:58:01,270 --> 00:57:59,599

yeah yeah quite a few people mention it

1618

00:58:02,950 --> 00:58:01,280

but you now look like his much younger

1619

00:58:04,150 --> 00:58:02,960

brother much more successful younger

1620

00:58:06,870 --> 00:58:04,160

brother so

1621

00:58:08,390 --> 00:58:06,880

far more attractive

1622

00:58:11,109 --> 00:58:08,400

guy fieri's out there sorry i'm just

1623

00:58:14,630 --> 00:58:13,190

trying to keep up with you guys so

1624

00:58:16,870 --> 00:58:14,640

well guys

1625

00:58:18,870 --> 00:58:16,880

i really appreciate this and i really

1626  
00:58:21,510 --> 00:58:18,880  
appreciate you guys doing this and again

1627  
00:58:24,069 --> 00:58:21,520  
your entire audience for for having this

1628  
00:58:26,789 --> 00:58:24,079  
um thank you thank you thank you thank

1629  
00:58:28,470 --> 00:58:26,799  
you a thousand times

1630  
00:58:30,549 --> 00:58:28,480  
i'll let dan get in touch with you with

1631  
00:58:32,789 --> 00:58:30,559  
the the winners information and details

1632  
00:58:35,030 --> 00:58:32,799  
and i know you said yourself

1633  
00:58:37,109 --> 00:58:35,040  
there was a couple of people um i think

1634  
00:58:39,510 --> 00:58:37,119  
it was maybe two or three who put in

1635  
00:58:41,030 --> 00:58:39,520  
really substantial amounts of money so i

1636  
00:58:42,710 --> 00:58:41,040  
want to take care of them i want to some

1637  
00:58:44,549 --> 00:58:42,720  
now they may not be comfortable being

1638  
00:58:46,309 --> 00:58:44,559

recognized publicly and if that's the

1639

00:58:47,589 --> 00:58:46,319

case that's fine i can figure something

1640

00:58:49,750 --> 00:58:47,599

else out what i'd like to do is make

1641

00:58:52,470 --> 00:58:49,760

sure at least just send them a personal

1642

00:58:53,589 --> 00:58:52,480

card from me you know saying thank you

1643

00:58:55,349 --> 00:58:53,599

i'm gonna need your help with that

1644

00:58:57,510 --> 00:58:55,359

because i don't have all the data

1645

00:58:59,109 --> 00:58:57,520

but i would like an opportunity to thank

1646

00:59:00,710 --> 00:58:59,119

each and every one of them uh even if

1647

00:59:03,109 --> 00:59:00,720

it's just a quick phone call and then

1648

00:59:05,430 --> 00:59:03,119

you know the winner i'll do a we'll do a

1649

00:59:07,750 --> 00:59:05,440

face-to-face zoom and um

1650

00:59:09,589 --> 00:59:07,760

you know but i i think it's important

1651

00:59:11,109 --> 00:59:09,599

uh people people need to know it's

1652

00:59:11,910 --> 00:59:11,119

they're appreciated people need to know

1653

00:59:15,190 --> 00:59:11,920

that

1654

00:59:18,230 --> 00:59:15,200

you know their generosity means a lot

1655

00:59:19,750 --> 00:59:18,240

and and at least i can do is is say

1656

00:59:21,829 --> 00:59:19,760

thank you for those who aren't in a

1657

00:59:24,069 --> 00:59:21,839

position to say thank you right

1658

00:59:25,750 --> 00:59:24,079

yeah absolutely this will be one of the

1659

00:59:27,430 --> 00:59:25,760

rare occasions in your life flow where

1660

00:59:29,190 --> 00:59:27,440

someone else has more data than you do

1661

00:59:30,630 --> 00:59:29,200

so i'll let dan

1662

00:59:32,390 --> 00:59:30,640

with you

1663

00:59:34,630 --> 00:59:32,400

going forward but look wait wait wait

1664

00:59:36,000 --> 00:59:34,640

wait wait wait we trade ndas on the data

1665

00:59:38,549 --> 00:59:36,010

if i give up the gdpr

1666

00:59:39,990 --> 00:59:38,559

[Laughter]

1667

00:59:44,069 --> 00:59:40,000

um

1668

00:59:44,079 --> 00:59:46,870

yeah

1669

00:59:50,309 --> 00:59:48,710

we will we will no doubt speak to you in

1670

00:59:52,069 --> 00:59:50,319

the new year you're always welcome back

1671

00:59:54,069 --> 00:59:52,079

on the podcast we know how busy you are

1672

00:59:56,150 --> 00:59:54,079

and we pester you for interviews and

1673

00:59:58,630 --> 00:59:56,160

time and stuff so and we'll get to talk

1674

01:00:00,470 --> 00:59:58,640

ufos more in the new year i'm sure but

1675

01:00:01,990 --> 01:00:00,480

in the meantime enjoy your new year

1676

01:00:02,789 --> 01:00:02,000

thanks to the family for giving you up

1677

01:00:04,470 --> 01:00:02,799

as well

1678

01:00:06,069 --> 01:00:04,480

and thanks for your time and andy dan

1679

01:00:07,910 --> 01:00:06,079

and vinnie thank you and if there's

1680

01:00:09,670 --> 01:00:07,920

anybody behind your screens there that

1681

01:00:12,710 --> 01:00:09,680

are helping you produce this stuff that

1682

01:00:14,470 --> 01:00:12,720

uh art on camera you know just us thanks

1683

01:00:16,549 --> 01:00:14,480

to them just us yeah

1684

01:00:18,150 --> 01:00:16,559

you guys look so professional

1685

01:00:20,309 --> 01:00:18,160

then i look at myself in the lower

1686

01:00:22,950 --> 01:00:20,319

left-hand quadrant i'm like

1687

01:00:24,630 --> 01:00:22,960

god man that's this is the no man people

1688

01:00:26,710 --> 01:00:24,640

say i have a i have a face for radio

1689

01:00:27,990 --> 01:00:26,720

right because i'm not i'm not young and

1690

01:00:30,230 --> 01:00:28,000

dashing like you guys are you guys

1691

01:00:31,910 --> 01:00:30,240

looking at the professional studios and

1692

01:00:33,910 --> 01:00:31,920

you know no

1693

01:00:36,150 --> 01:00:33,920

like i'm in my you know broom closet

1694

01:00:37,670 --> 01:00:36,160

somewhere somewhere

1695

01:00:39,349 --> 01:00:37,680

can always be worse

1696

01:00:41,430 --> 01:00:39,359

it's all good you go in for like the the

1697

01:00:44,230 --> 01:00:41,440

hugh laurie you know salt and pepper

1698

01:00:45,190 --> 01:00:44,240

kind of feel

1699

01:00:47,190 --> 01:00:45,200

great

1700

01:00:48,549 --> 01:00:47,200

well guys thanks this has been real fun

1701

01:00:50,230 --> 01:00:48,559

and again to your audience out there

1702

01:00:53,670 --> 01:00:50,240

thank you for having me

1703

01:00:55,430 --> 01:00:53,680

um really look forward to to thanking uh

1704

01:00:56,870 --> 01:00:55,440

each and every one of you uh at some

1705

01:01:00,069 --> 01:00:56,880

point here somehow we'll figure it out

1706

01:01:02,230 --> 01:01:00,079

but i would like to do that and um you

1707

01:01:03,589 --> 01:01:02,240

know we could do maybe we just do a

1708

01:01:05,190 --> 01:01:03,599

here's an idea and then i'm going to

1709

01:01:06,390 --> 01:01:05,200

shut up because you know i'm probably

1710

01:01:09,430 --> 01:01:06,400

going to make your lives difficult by

1711

01:01:12,230 --> 01:01:09,440

doing this maybe we could do like a

1712

01:01:14,390 --> 01:01:12,240

one day get everybody who donated even

1713

01:01:17,430 --> 01:01:14,400

up to like 10 bucks or 10 pounds or

1714

01:01:19,990 --> 01:01:17,440

whatever uh we bring them allow them to

1715

01:01:21,910 --> 01:01:20,000

dial into your show kind of and and we

1716

01:01:23,510 --> 01:01:21,920

just you know have a big big call and

1717

01:01:24,950 --> 01:01:23,520

say thank you to everybody maybe spend a

1718

01:01:27,030 --> 01:01:24,960

couple

1719

01:01:28,870 --> 01:01:27,040

seconds or minutes with each person and

1720

01:01:30,950 --> 01:01:28,880

you know say hey you know why did you

1721

01:01:33,430 --> 01:01:30,960

decide to do this and thank you so much

1722

01:01:35,270 --> 01:01:33,440

i don't know just just an idea yeah

1723

01:01:37,829 --> 01:01:35,280

absolutely

1724

01:01:39,430 --> 01:01:37,839

so kind of like a little closed and and

1725

01:01:40,710 --> 01:01:39,440

they get the chance to

1726

01:01:42,069 --> 01:01:40,720

you know if they're comfortable doing

1727

01:01:46,870 --> 01:01:42,079

that

1728

01:01:48,870 --> 01:01:46,880

year

1729

01:01:50,630 --> 01:01:48,880

well again thanks again gents appreciate

1730

01:01:52,470 --> 01:01:50,640

all you that you do and to your audience

1731

01:01:55,829 --> 01:01:52,480

out there who who do even more thank you

1732

01:01:58,870 --> 01:01:55,839

so much um it's uh it's truly truly

1733

01:02:00,390 --> 01:01:58,880

amazing very humbling and i i hope to to

1734

01:02:02,710 --> 01:02:00,400

shake each and every one of your hands

1735

01:02:04,470 --> 01:02:02,720

at some point here so

1736

01:02:06,710 --> 01:02:04,480

thank you very much and and merry

1737

01:02:08,470 --> 01:02:06,720

christmas and and happy holidays and god

1738

01:02:09,990 --> 01:02:08,480

bless every one of you

1739

01:02:11,029 --> 01:02:10,000

yeah you're too low happy new year when

1740

01:02:12,789 --> 01:02:11,039

it comes to it

1741

01:02:14,309 --> 01:02:12,799

take care early okay guys thanks thank

1742

01:02:16,950 --> 01:02:14,319

you

1743

01:02:19,190 --> 01:02:16,960

take care bye

1744

01:02:21,430 --> 01:02:19,200

and there he goes and should we do a

1745

01:02:23,589 --> 01:02:21,440

countdown now of all the the watchers of

1746

01:02:25,670 --> 01:02:23,599

the show as they drop off because lou's

1747

01:02:27,990 --> 01:02:25,680

gone

1748

01:02:30,549 --> 01:02:28,000

well should i shall i do the

1749

01:02:32,069 --> 01:02:30,559

i noticed uh or a point today we we had

1750

01:02:33,270 --> 01:02:32,079

jazz asking if i could do a round-up of

1751

01:02:35,349 --> 01:02:33,280

the prizes

1752

01:02:36,870 --> 01:02:35,359

i've made a note to say dan could you

1753

01:02:38,390 --> 01:02:36,880

just quickly go over the people that you

1754

01:02:40,630 --> 01:02:38,400

did initially i was going to say we

1755

01:02:42,710 --> 01:02:40,640

weren't reading names but um dan fixed

1756

01:02:44,069 --> 01:02:42,720

it that so many regular listeners won uh

1757

01:02:46,470 --> 01:02:44,079

that he was quite comfortable in reading

1758

01:02:50,470 --> 01:02:46,480

the names so anyway i mean give us dave

1759

01:02:53,670 --> 01:02:52,549

on the thing so but no yeah that was

1760

01:02:55,670 --> 01:02:53,680

that was really good to learn to give us

1761

01:02:57,910 --> 01:02:55,680

so much time so um hope listen can i

1762

01:03:00,549 --> 01:02:57,920

just say first i hope people appreciate

1763

01:03:02,789 --> 01:03:00,559

we didn't sit and bombard lou with ufo

1764

01:03:04,789 --> 01:03:02,799

questions this wasn't a ufo interview

1765

01:03:06,870 --> 01:03:04,799

this is about the charity the raffle but

1766

01:03:08,390 --> 01:03:06,880

we i got a couple of things and that he

1767

01:03:10,789 --> 01:03:08,400

was comfortable with but it's not our

1768

01:03:12,230 --> 01:03:10,799

style to to jump on lou and start asking

1769

01:03:13,910 --> 01:03:12,240

them all sorts of stuff so that the time

1770

01:03:15,349 --> 01:03:13,920

will come for that in the new year and

1771

01:03:17,190 --> 01:03:15,359

it's good to have someone like blue on

1772

01:03:19,430 --> 01:03:17,200

side for for that kind of stuff and the

1773

01:03:21,430 --> 01:03:19,440

ufo stuff as well so uh thanks to anyone

1774

01:03:22,789 --> 01:03:21,440

who put questions in the chat we'll

1775

01:03:24,870 --> 01:03:22,799

we'll keep those for when we speak to

1776

01:03:26,950 --> 01:03:24,880

lou or on new aps but he gave us some

1777

01:03:28,829 --> 01:03:26,960

good stuff um i was pleasantly surprised

1778

01:03:31,270 --> 01:03:28,839

with what he kind of talked about anyway

1779

01:03:32,789 --> 01:03:31,280

so he is lost the goods you'll always

1780

01:03:34,230 --> 01:03:32,799

get like a breadcrumb or something you

1781

01:03:37,270 --> 01:03:34,240

know i saw people in the chat kind of

1782

01:03:38,789 --> 01:03:37,280

going what is there stuff going on other

1783

01:03:41,029 --> 01:03:38,799

than what we're kind of seeing publicly

1784

01:03:43,270 --> 01:03:41,039

go through the the senate and you know

1785

01:03:44,630 --> 01:03:43,280

what like yeah i mean you know

1786

01:03:46,390 --> 01:03:44,640

for those things to happen there have to

1787

01:03:47,510 --> 01:03:46,400

be conversations going on behind those

1788

01:03:49,109 --> 01:03:47,520

doors right

1789

01:03:50,950 --> 01:03:49,119

i know for a fact there's going to be

1790

01:03:53,270 --> 01:03:50,960

people online now on reddit or social

1791

01:03:54,710 --> 01:03:53,280

media going lou gave an analogy about

1792

01:03:57,029 --> 01:03:54,720

shaving his beard off but what do you

1793

01:03:58,069 --> 01:03:57,039

think you really meant

1794

01:04:00,309 --> 01:03:58,079

do you think he was talking about

1795

01:04:01,910 --> 01:04:00,319

roswell like you know because now the

1796

01:04:03,589 --> 01:04:01,920

beard's off does that mean the doors are

1797

01:04:05,270 --> 01:04:03,599

open and they're going to show us the

1798

01:04:07,510 --> 01:04:05,280

bodies is that what he meant and it's

1799

01:04:09,109 --> 01:04:07,520

like no he was just talking about his

1800

01:04:11,029 --> 01:04:09,119

he's dying the beard and

1801

01:04:12,950 --> 01:04:11,039

throwing a beard out but no the soul

1802

01:04:14,390 --> 01:04:12,960

patch is where lou kept his soul and

1803

01:04:16,549 --> 01:04:14,400

he's spreading it

1804

01:04:18,470 --> 01:04:16,559

in a big area so it's not so easy to get

1805

01:04:20,309 --> 01:04:18,480

to that that's that's it

1806

01:04:21,589 --> 01:04:20,319

absolutely um but yeah dan do you want

1807

01:04:23,750 --> 01:04:21,599

to do a round up have you got that to

1808

01:04:25,589 --> 01:04:23,760

hand yeah absolutely so i'll name the

1809

01:04:28,069 --> 01:04:25,599

people i named already everyone else

1810

01:04:31,270 --> 01:04:28,079

again i'll keep anonymous um but aaron

1811

01:04:32,390 --> 01:04:31,280

desario uh gets the holographic sticker

1812

01:04:33,589 --> 01:04:32,400

collection

1813

01:04:36,390 --> 01:04:33,599

um

1814

01:04:37,270 --> 01:04:36,400

the knitted alien autopsy

1815

01:04:38,549 --> 01:04:37,280

um

1816

01:04:40,230 --> 01:04:38,559

i don't think i read that one out so i'm

1817

01:04:42,630 --> 01:04:40,240

gonna leave that anonymous yeah thank

1818

01:04:45,109 --> 01:04:42,640

you dad yeah um then the truth poster

1819

01:04:47,109 --> 01:04:45,119

and the nft and that will be the zoom

1820

01:04:48,549 --> 01:04:47,119

call as well that's for the highest

1821

01:04:50,870 --> 01:04:48,559

donor i'm kind of

1822

01:04:53,910 --> 01:04:50,880

they it fits to me that all of those

1823

01:04:55,589 --> 01:04:53,920

kind of went together um even by chance

1824

01:04:58,309 --> 01:04:55,599

uh so yeah they they'll go to that

1825

01:04:59,349 --> 01:04:58,319

anonymous donor which is incredible um

1826

01:05:01,270 --> 01:04:59,359

and and they'll have a really

1827

01:05:02,230 --> 01:05:01,280

interesting conversation i think

1828

01:05:04,150 --> 01:05:02,240

then

1829

01:05:05,750 --> 01:05:04,160

the nimitz encounter board game that's

1830

01:05:07,910 --> 01:05:05,760

going to be going out to somebody out in

1831

01:05:09,430 --> 01:05:07,920

malaysia which is pretty cool to think

1832

01:05:12,069 --> 01:05:09,440

that they're going to be playing a uap

1833

01:05:14,309 --> 01:05:12,079

game about an american uap well an

1834

01:05:15,589 --> 01:05:14,319

american uap encounter

1835

01:05:17,589 --> 01:05:15,599

all the way out there

1836

01:05:20,710 --> 01:05:17,599

then we had reflections of the phenomena

1837

01:05:23,190 --> 01:05:20,720

the acrylic on canvas by olaf rochner

1838

01:05:25,829 --> 01:05:23,200

that's going to nathan a waif soul on

1839

01:05:27,670 --> 01:05:25,839

twitter which is awesome

1840

01:05:29,510 --> 01:05:27,680

then we have

1841

01:05:30,470 --> 01:05:29,520

uh

1842

01:05:32,069 --> 01:05:30,480

phil

1843

01:05:33,510 --> 01:05:32,079

i i'll leave the surname off just

1844

01:05:35,510 --> 01:05:33,520

because i'm not sure if he wants to

1845

01:05:36,950 --> 01:05:35,520

surname said but phil also a long-time

1846

01:05:39,109 --> 01:05:36,960

listener of the podcast i know he was

1847

01:05:41,270 --> 01:05:39,119

one of the guys in the running for

1848

01:05:43,430 --> 01:05:41,280

getting the call he he'll be over the

1849

01:05:45,109 --> 01:05:43,440

moon i know to to hear the loud just

1850

01:05:46,950 --> 01:05:45,119

said that he'll give him a call to say

1851

01:05:48,549 --> 01:05:46,960

thank you regardless and then you know

1852

01:05:50,710 --> 01:05:48,559

the main guy gets a zoom

1853

01:05:53,190 --> 01:05:50,720

um hey there's nathan yeah nathan you're

1854

01:05:55,910 --> 01:05:53,200

gonna get an amazing canvas

1855

01:05:57,589 --> 01:05:55,920

i'm so jealous i'm so jealous

1856

01:05:59,750 --> 01:05:57,599

and then honey if you're really jealous

1857

01:06:00,789 --> 01:05:59,760

you can always buy them on olaf store

1858

01:06:02,950 --> 01:06:00,799

and the details will be in the

1859

01:06:04,950 --> 01:06:02,960

description to this podcast

1860

01:06:07,029 --> 01:06:04,960

there you go

1861

01:06:08,789 --> 01:06:07,039

no i'm not a painted canvas though this

1862

01:06:10,069 --> 01:06:08,799

is a full-on original

1863

01:06:13,750 --> 01:06:10,079

yeah

1864

01:06:16,230 --> 01:06:13,760

this is a special one and then um tj uh

1865

01:06:20,309 --> 01:06:16,240

gets the signed graham randall book of

1866

01:06:23,109 --> 01:06:20,319

ufos before roswell so they are all of

1867

01:06:25,990 --> 01:06:23,119

the prizes but obviously now we have uh

1868

01:06:28,630 --> 01:06:26,000

a couple more prizes it seems um so

1869

01:06:30,390 --> 01:06:28,640

we'll figure out how to do those um and

1870

01:06:33,430 --> 01:06:30,400

get those up in the next few days or

1871

01:06:34,789 --> 01:06:33,440

something um i'm sure we can yeah we'll

1872

01:06:37,029 --> 01:06:34,799

get that signed by lou and that'll just

1873

01:06:38,549 --> 01:06:37,039

be an amazing auction piece has appeared

1874

01:06:38,840 --> 01:06:38,559

on fox news

1875

01:06:40,549 --> 01:06:38,850

yeah

1876

01:06:41,990 --> 01:06:40,559

[Laughter]

1877

01:06:44,069 --> 01:06:42,000

it just fell over to my other extra

1878

01:06:45,510 --> 01:06:44,079

dents in it

1879

01:06:46,950 --> 01:06:45,520

but listen i think we're going to kind

1880

01:06:48,789 --> 01:06:46,960

of start rounding up because we've been

1881

01:06:50,069 --> 01:06:48,799

on over an hour and uh people will be

1882

01:06:51,670 --> 01:06:50,079

getting tired and want to kick on with

1883

01:06:53,349 --> 01:06:51,680

their days and thanks to everyone who

1884

01:06:55,190 --> 01:06:53,359

who joined us live it's it's not just a

1885

01:06:57,589 --> 01:06:55,200

normal day of the week and we didn't

1886

01:06:59,910 --> 01:06:57,599

give too much notice for this either so

1887

01:07:01,270 --> 01:06:59,920

really appreciate it yeah um i'm just

1888

01:07:02,710 --> 01:07:01,280

going to ask vinnie and dan what's kind

1889

01:07:04,789 --> 01:07:02,720

of coming up for them over the next week

1890

01:07:06,950 --> 01:07:04,799

or so and then i'll round off with

1891

01:07:09,349 --> 01:07:06,960

what's coming up on the podcast and then

1892

01:07:11,510 --> 01:07:09,359

uh but then we'll kick off so vinnie

1893

01:07:12,630 --> 01:07:11,520

guests first as always you know i guess

1894

01:07:14,390 --> 01:07:12,640

you're a friend you're on you're on

1895

01:07:16,789 --> 01:07:14,400

regular now so you know

1896

01:07:19,029 --> 01:07:16,799

um i've actually got nothing coming up i

1897

01:07:20,870 --> 01:07:19,039

am taking a break till early january of

1898

01:07:22,230 --> 01:07:20,880

i'm obviously bringing the podcast and

1899

01:07:23,829 --> 01:07:22,240

the youtube channel back into full

1900

01:07:25,670 --> 01:07:23,839

effect as always but i'm having a few

1901

01:07:26,870 --> 01:07:25,680

weeks off um

1902

01:07:29,589 --> 01:07:26,880

i'm actually

1903

01:07:31,270 --> 01:07:29,599

going away early february on a

1904

01:07:33,349 --> 01:07:31,280

trip to colombia

1905

01:07:35,190 --> 01:07:33,359

to film a documentary series and do some

1906

01:07:36,309 --> 01:07:35,200

investigations and stuff so i'm kind of

1907

01:07:37,990 --> 01:07:36,319

going to

1908

01:07:39,270 --> 01:07:38,000

focus quite a bit on that in the in the

1909

01:07:41,270 --> 01:07:39,280

next few weeks because i think we're

1910

01:07:43,430 --> 01:07:41,280

only six weeks away so it's going to be

1911

01:07:45,270 --> 01:07:43,440

an interesting start to 2022 for me so

1912

01:07:47,430 --> 01:07:45,280

yeah but everything i'll put out across

1913

01:07:50,069 --> 01:07:47,440

my social medias if people

1914

01:07:53,750 --> 01:07:51,670

yeah cool

1915

01:07:55,750 --> 01:07:53,760

dan what about yourself

1916

01:07:56,710 --> 01:07:55,760

i'm um i almost have myself a mute then

1917

01:07:59,029 --> 01:07:56,720

almost

1918

01:08:01,029 --> 01:07:59,039

um

1919

01:08:02,309 --> 01:08:01,039

i'm going to be focusing on on learning

1920

01:08:06,230 --> 01:08:02,319

where the mute button is and not doing

1921

01:08:07,349 --> 01:08:06,240

that that's my resolution for 2022. um

1922

01:08:09,349 --> 01:08:07,359

i don't want to see too much because i

1923

01:08:10,950 --> 01:08:09,359

don't want to jinx it but there's maybe

1924

01:08:12,950 --> 01:08:10,960

incredible opportunity in front of me

1925

01:08:15,029 --> 01:08:12,960

and things crossed it'll happen i can

1926

01:08:17,030 --> 01:08:15,039

kind of do something amazing for the

1927

01:08:18,229 --> 01:08:17,040

people to watch the channel and listen

1928

01:08:20,070 --> 01:08:18,239

um

1929

01:08:21,749 --> 01:08:20,080

and it'll pay dividends down the road so

1930

01:08:23,269 --> 01:08:21,759

fingers crossed that works out apart

1931

01:08:25,590 --> 01:08:23,279

from that there are some other exciting

1932

01:08:26,789 --> 01:08:25,600

plans with ooloff brewing so so keep an

1933

01:08:27,829 --> 01:08:26,799

eye out for that

1934

01:08:29,349 --> 01:08:27,839

um

1935

01:08:31,510 --> 01:08:29,359

and yeah i'm just trying to pick my

1936

01:08:32,950 --> 01:08:31,520

brain up off the floor because i

1937

01:08:38,630 --> 01:08:32,960

just

1938

01:08:40,390 --> 01:08:38,640

i'd hug you all if i could

1939

01:08:42,070 --> 01:08:40,400

yeah i'll start by saying thank you to

1940

01:08:44,229 --> 01:08:42,080

everyone who donated to the raffle dan

1941

01:08:46,070 --> 01:08:44,239

organized this and it was his idea and

1942

01:08:47,990 --> 01:08:46,080

the rest of us just retweet it and liked

1943

01:08:49,590 --> 01:08:48,000

it but for anyone even if you didn't

1944

01:08:51,189 --> 01:08:49,600

manage to get involved financially if

1945

01:08:53,910 --> 01:08:51,199

you did manage to like it retweet it

1946

01:08:56,550 --> 01:08:53,920

share it all made a difference um

1947

01:08:59,189 --> 01:08:56,560

for for me in the podcast well tomorrow

1948

01:09:01,430 --> 01:08:59,199

as i record this on the 27th i am

1949

01:09:03,189 --> 01:09:01,440

speaking to the wonderful ashley kibby

1950

01:09:05,110 --> 01:09:03,199

and that links in with what vinnie said

1951

01:09:07,910 --> 01:09:05,120

about his documentary is going out to

1952

01:09:09,349 --> 01:09:07,920

help make a phenomenology that's a hard

1953

01:09:12,229 --> 01:09:09,359

one for me to say and i've done it twice

1954

01:09:13,829 --> 01:09:12,239

now which is going three times in a row

1955

01:09:16,309 --> 01:09:13,839

phenomenology phenomenology

1956

01:09:20,390 --> 01:09:16,319

phenomenon

1957

01:09:21,749 --> 01:09:20,400

oh it's so impressive now we can rap um

1958

01:09:24,709 --> 01:09:21,759

i know i know there's a listener who

1959

01:09:26,149 --> 01:09:24,719

really loves when i say bud on bird

1960

01:09:27,829 --> 01:09:26,159

b-i-r-d

1961

01:09:29,349 --> 01:09:27,839

on the show so that's for them our

1962

01:09:31,910 --> 01:09:29,359

purple burglar alarm is always a good

1963

01:09:35,269 --> 01:09:31,920

one but yeah ashley is a fellow scott

1964

01:09:37,749 --> 01:09:35,279

and uh filmmaker uh film tv presenter

1965

01:09:39,349 --> 01:09:37,759

and ufo researcher among other things

1966

01:09:41,349 --> 01:09:39,359

he'll be joining me tomorrow so two

1967

01:09:43,110 --> 01:09:41,359

scottish accents vinnie interviewed and

1968

01:09:44,630 --> 01:09:43,120

spoke with him last week make sure you

1969

01:09:47,349 --> 01:09:44,640

check that one out and we'll be

1970

01:09:49,590 --> 01:09:47,359

following that up tomorrow um and yeah

1971

01:09:51,590 --> 01:09:49,600

that he is uh the head of the the whole

1972

01:09:52,870 --> 01:09:51,600

event that vinnie's going out is that i

1973

01:09:55,189 --> 01:09:52,880

say he's the head of it yeah the can i

1974

01:09:56,950 --> 01:09:55,199

spearhead funny yeah absolutely he put

1975

01:09:59,350 --> 01:09:56,960

it all together he's put the crew

1976

01:10:01,270 --> 01:09:59,360

together we've got a full crew there you

1977

01:10:03,590 --> 01:10:01,280

know there is a website you know what

1978

01:10:06,870 --> 01:10:03,600

people out there in the public can get

1979

01:10:08,470 --> 01:10:06,880

involved there are places for people to

1980

01:10:09,750 --> 01:10:08,480

to come along but

1981

01:10:12,229 --> 01:10:09,760

there are costs involved but if

1982

01:10:14,550 --> 01:10:12,239

anybody's interested there is a website

1983

01:10:15,510 --> 01:10:14,560

um which i can pass to andy you can put

1984

01:10:16,950 --> 01:10:15,520

maybe

1985

01:10:18,550 --> 01:10:16,960

in the absolutely

1986

01:10:20,630 --> 01:10:18,560

you can go onto my socials and check it

1987

01:10:22,870 --> 01:10:20,640

out there's lots of information but

1988

01:10:24,550 --> 01:10:22,880

yeah historyfuzz.com forward slash

1989

01:10:26,229 --> 01:10:24,560

phenomenology

1990

01:10:28,790 --> 01:10:26,239

yeah we'll get in the description there

1991

01:10:30,070 --> 01:10:28,800

you go dan's on ball um so yeah we'll be

1992

01:10:32,709 --> 01:10:30,080

talking about that a bit more tomorrow

1993

01:10:36,070 --> 01:10:32,719

and also some present and past historic

1994

01:10:37,910 --> 01:10:36,080

cases uh and and colombian ufology uh

1995

01:10:39,910 --> 01:10:37,920

this week also as people know just to

1996

01:10:42,470 --> 01:10:39,920

get this in there again um there's been

1997

01:10:43,510 --> 01:10:42,480

some new voices on the podcast feed and

1998

01:10:45,590 --> 01:10:43,520

it's turning into a little bit of a

1999

01:10:47,750 --> 01:10:45,600

network as you know priscilla quantum

2000

01:10:50,070 --> 01:10:47,760

which cafe her shows are now going out

2001

01:10:52,149 --> 01:10:50,080

on a wednesday on the that ufo podcast

2002

01:10:53,830 --> 01:10:52,159

feed and she is speaking to christina

2003

01:10:55,910 --> 01:10:53,840

gomez and that interview will be

2004

01:10:58,790 --> 01:10:55,920

dropping on the audio feeds on wednesday

2005

01:11:00,390 --> 01:10:58,800

the 29th i think it is

2006

01:11:02,149 --> 01:11:00,400

so yeah that'll be a really good chat

2007

01:11:05,270 --> 01:11:02,159

between pristilla and christina

2008

01:11:06,390 --> 01:11:05,280

pristilla priscilla and christina on her

2009

01:11:08,950 --> 01:11:06,400

channel make sure you're checking her

2010

01:11:10,870 --> 01:11:08,960

out quantum witch cafe that'll be out

2011

01:11:12,630 --> 01:11:10,880

and of course dave partridge and graham

2012

01:11:14,149 --> 01:11:12,640

rendell have a new podcast starting

2013

01:11:15,910 --> 01:11:14,159

again it'll be out through that ufo

2014

01:11:17,189 --> 01:11:15,920

podcast um

2015

01:11:19,350 --> 01:11:17,199

think of it as a bit of a network i

2016

01:11:21,590 --> 01:11:19,360

suppose getting and that'll be diving

2017

01:11:23,430 --> 01:11:21,600

into the history of ufos ufology through

2018

01:11:25,830 --> 01:11:23,440

the years and decades and a lot of

2019

01:11:27,430 --> 01:11:25,840

forgotten cases and so much of it as

2020

01:11:29,750 --> 01:11:27,440

i've seen the guys researching it and

2021

01:11:31,510 --> 01:11:29,760

the the chat we have links into what we

2022

01:11:32,790 --> 01:11:31,520

see today and you don't even realize it

2023

01:11:35,270 --> 01:11:32,800

so that is going to be absolutely

2024

01:11:37,189 --> 01:11:35,280

fascinating i promise people will enjoy

2025

01:11:38,870 --> 01:11:37,199

that and on top of that you've still got

2026

01:11:41,030 --> 01:11:38,880

the interviewers i'll be putting out

2027

01:11:42,870 --> 01:11:41,040

along with dan the the breakdowns that

2028

01:11:45,510 --> 01:11:42,880

we do and the listener collins will be

2029

01:11:47,669 --> 01:11:45,520

back in january as well next week as

2030

01:11:49,750 --> 01:11:47,679

well as ashley cowy's interview dropping

2031

01:11:51,189 --> 01:11:49,760

me and dan will be recording or myself

2032

01:11:52,310 --> 01:11:51,199

and dan for those who speak proper

2033

01:11:54,630 --> 01:11:52,320

england

2034

01:11:56,149 --> 01:11:54,640

will be recording an end-of-year review

2035

01:11:58,070 --> 01:11:56,159

just with uh a lot of listeners have

2036

01:12:00,229 --> 01:11:58,080

sent in what has been their favorite

2037

01:12:01,590 --> 01:12:00,239

part of the year in terms of ufos and

2038

01:12:04,310 --> 01:12:01,600

their highlights their personal

2039

01:12:08,390 --> 01:12:04,320

highlights and so you can email email me

2040

01:12:10,390 --> 01:12:08,400

those over to ufo uap am gmail.com or

2041

01:12:11,990 --> 01:12:10,400

there's a public post on the patreon

2042

01:12:14,950 --> 01:12:12,000

that you can add to as well that will be

2043

01:12:17,590 --> 01:12:14,960

going through as part of that but uh i i

2044

01:12:19,590 --> 01:12:17,600

digress we only lost 60 or 70 people

2045

01:12:22,149 --> 01:12:19,600

when lou dropped off so i think that's a

2046

01:12:25,910 --> 01:12:22,159

win how many people are with us i don't

2047

01:12:28,229 --> 01:12:25,920

have a 148 still apparently so

2048

01:12:29,830 --> 01:12:28,239

pretty amazing um and gd said merry

2049

01:12:32,470 --> 01:12:29,840

christmas everyone with uh i think

2050

01:12:34,709 --> 01:12:32,480

that's 10 australian dollars so good day

2051  
01:12:36,950 --> 01:12:34,719  
um my family's out there that's morning

2052  
01:12:38,550 --> 01:12:36,960  
time there just now so yeah all that

2053  
01:12:39,990 --> 01:12:38,560  
money that was donated in the chat

2054  
01:12:41,750 --> 01:12:40,000  
through super chat super stickers

2055  
01:12:43,830 --> 01:12:41,760  
whatever you want to call it on youtube

2056  
01:12:45,830 --> 01:12:43,840  
um will be going to those charities as

2057  
01:12:48,950 --> 01:12:45,840  
part of the raffle donations as well so

2058  
01:12:52,070 --> 01:12:48,960  
thank you very much um gents been a

2059  
01:12:53,830 --> 01:12:52,080  
pleasure as always and uh yeah thanks to

2060  
01:12:55,669 --> 01:12:53,840  
everyone for joining us i'm going to end

2061  
01:12:58,149 --> 01:12:55,679  
broadcast and try and look professional

2062  
01:12:59,750 --> 01:12:58,159  
um dan anything you want to add

2063  
01:13:01,430 --> 01:12:59,760

just thank you thank you to you guys for

2064

01:13:02,709 --> 01:13:01,440

your support um both of you have

2065

01:13:04,229 --> 01:13:02,719

retweeted and liked it i know you're

2066

01:13:06,790 --> 01:13:04,239

like oh it doesn't really do much but it

2067

01:13:08,630 --> 01:13:06,800

does you heard lou say it it's

2068

01:13:10,390 --> 01:13:08,640

you know we're all connected we all help

2069

01:13:13,830 --> 01:13:10,400

push this we all make these small things

2070

01:13:15,990 --> 01:13:13,840

bigger so thank you to you guys too

2071

01:13:17,350 --> 01:13:16,000

cheers benny always a pleasure

2072

01:13:19,990 --> 01:13:17,360

thank you so much for letting me be a

2073

01:13:22,229 --> 01:13:20,000

part of it dan yeah more than happy to

2074

01:13:23,189 --> 01:13:22,239

assist in any small way that i can to

2075

01:13:25,350 --> 01:13:23,199

promote

2076

01:13:27,350 --> 01:13:25,360

and share this you know fantastic kind

2077

01:13:29,189 --> 01:13:27,360

of stuff and i know there have been

2078

01:13:30,950 --> 01:13:29,199

conversations already about

2079

01:13:33,750 --> 01:13:30,960

like lou said making it a regular thing

2080

01:13:36,390 --> 01:13:33,760

or an annual thing so i would love to be

2081

01:13:38,149 --> 01:13:36,400

even more of a part of it and as far as

2082

01:13:40,070 --> 01:13:38,159

getting this skateboard deck out there

2083

01:13:40,950 --> 01:13:40,080

to someone we'll get it signed by lou

2084

01:13:43,030 --> 01:13:40,960

and we'll

2085

01:13:46,709 --> 01:13:43,040

put out the information so follow

2086

01:13:50,070 --> 01:13:48,149

it might take us a few weeks to get it

2087

01:13:51,990 --> 01:13:50,080

signed like you know four to six to

2088

01:13:53,830 --> 01:13:52,000

eight maybe but we'll we'll get it done

2089

01:13:55,510 --> 01:13:53,840

and you'll have the only other one

2090

01:13:57,510 --> 01:13:55,520

that's not on lou's wall

2091

01:13:58,950 --> 01:13:57,520

there you go and i only have one more

2092

01:14:00,390 --> 01:13:58,960

question it's been really fun talking to

2093

01:14:02,790 --> 01:14:00,400

both of you in this kind of more casual

2094

01:14:04,870 --> 01:14:02,800

way not totally ufos which is great and

2095

01:14:07,750 --> 01:14:04,880

thanks to everyone joining us dan vinnie

2096

01:14:10,950 --> 01:14:07,760

a riddle for you to end the show
