UFO

P O D C A S T

ASHLEY COWIE

P T. 1

1
00:00:10,150 --> 00:00:07,909
there's a whole fleet of look on the sa

2
00:00:13,509 --> 00:00:10,160
oh my gosh they're all going against the

3
00:00:18,230 --> 00:00:15,669
it was basically a cube with inside of

4
00:00:23,340 --> 00:00:18,240
sphere where the points of the cube

5
00:00:37,990 --> 00:00:32,249
[Music]

6
00:00:40,229 --> 00:00:38,000
so this isn't anything that just is

7
00:00:49,110 --> 00:00:40,239
limited to the united states it's a

8
00:00:53,670 --> 00:00:51,510
hi everyone and welcome back to that ufo

9
00:00:56,630 --> 00:00:53,680
podcast my name is andy and i'm joined

10
00:00:58,389 --> 00:00:56,640
with me for a special show by dan dan

11
00:00:59,990 --> 00:00:58,399
rounding off the gear or starting the

12
00:01:02,150 --> 00:01:00,000
year off for the podcast depending on

13
00:01:03,349 --> 00:01:02,160

where this was released how are we i'm

14

00:01:05,350 --> 00:01:03,359

great thank you very much i'm really

15

00:01:07,109 --> 00:01:05,360

excited to speak to our guest today

16

00:01:09,750 --> 00:01:07,119

for several reasons of which we'll get

17

00:01:11,590 --> 00:01:09,760

into many of those as we go on

18

00:01:13,750 --> 00:01:11,600

listen if you're listening on any of the

19

00:01:16,230 --> 00:01:13,760

premium subscription services patreon

20

00:01:17,749 --> 00:01:16,240

apple spotify etc then thank you of

21

00:01:20,630 --> 00:01:17,759

course but you'll be listening to this

22

00:01:21,990 --> 00:01:20,640

early and ad free so it's probably not

23

00:01:24,550 --> 00:01:22,000

new year yet if you've got it in the

24

00:01:26,630 --> 00:01:24,560

first few days um but otherwise on the

25

00:01:28,789 --> 00:01:26,640

free feeds happy new year it's 3rd of

26

00:01:30,950 --> 00:01:28,799

january or onwards i hope it's been a

27

00:01:32,870 --> 00:01:30,960

good one for you as well

28

00:01:34,550 --> 00:01:32,880

joining us on the podcast today very

29

00:01:36,230 --> 00:01:34,560

excited to finally speak to someone i've

30

00:01:38,950 --> 00:01:36,240

been messaging for quite a while back

31

00:01:41,350 --> 00:01:38,960

and forwards we have a fellow scotsman

32

00:01:44,149 --> 00:01:41,360

scottish explorer filmmaker television

33

00:01:46,149 --> 00:01:44,159

presenter and author ashley kerry ash

34

00:01:49,910 --> 00:01:46,159

welcome to the podcast thanks for having

35

00:01:54,310 --> 00:01:51,510

i was on mute i'll give you that one

36

00:01:57,670 --> 00:01:54,320

that's my first video

37

00:01:59,190 --> 00:01:57,680

he's done it already already

38

00:02:01,030 --> 00:01:59,200

yeah it's it's always nice to have dan

39

00:02:02,789 --> 00:02:01,040

on for the interviews as well and we'll

40

00:02:05,109 --> 00:02:02,799

get to later on one of the reasons why

41

00:02:07,030 --> 00:02:05,119

dan is on this one but as much as he

42

00:02:08,150 --> 00:02:07,040

wanted to speak to ash as well um but

43

00:02:10,630 --> 00:02:08,160

there's a reason for it for the

44

00:02:12,949 --> 00:02:10,640

listeners too that we'll get into listen

45

00:02:14,949 --> 00:02:12,959

ash like i say been talking to you for a

46

00:02:17,350 --> 00:02:14,959

while you have not done too many of

47

00:02:19,350 --> 00:02:17,360

these interviews yet either i think this

48

00:02:20,869 --> 00:02:19,360

is maybe your second or third i know you

49

00:02:24,229 --> 00:02:20,879

were on with vinnie from disclosure team

50

00:02:26,710 --> 00:02:24,239

last week indeed veneer was my first one

51
00:02:29,830 --> 00:02:26,720
and you represent my last one as far as

52
00:02:31,350 --> 00:02:29,840
i'm concerned so i should say um

53
00:02:32,949 --> 00:02:31,360
most of the people that you interview

54
00:02:35,030 --> 00:02:32,959
are what you would call thorough

55
00:02:36,949 --> 00:02:35,040
lifelong members of the ufo community

56
00:02:39,350 --> 00:02:36,959
well this is all quite new to me however

57
00:02:41,509 --> 00:02:39,360
i should be honest with you i i was on

58
00:02:43,509 --> 00:02:41,519
ancient aliens four years ago in a sort

59
00:02:45,030 --> 00:02:43,519
of historical role you know i did an

60
00:02:47,030 --> 00:02:45,040
episode there so

61
00:02:48,550 --> 00:02:47,040
i am familiar with the whole thing

62
00:02:51,910 --> 00:02:48,560
however um

63
00:02:53,670 --> 00:02:51,920

yeah this is my first and or my second

64

00:02:54,869 --> 00:02:53,680

interview we're going to cover as you

65

00:02:56,949 --> 00:02:54,879

say a few things and we're going to end

66

00:02:58,790 --> 00:02:56,959

up talking more about why dan might be

67

00:03:01,030 --> 00:02:58,800

interested in speaking to me but what

68

00:03:04,470 --> 00:03:01,040

i'm not doing is selling a book i'm not

69

00:03:07,270 --> 00:03:04,480

doing this i'm selling a new ufo havana

70

00:03:09,270 --> 00:03:07,280

theory i'm here to answer some questions

71

00:03:11,670 --> 00:03:09,280

absolutely and you're very uniquely

72

00:03:13,270 --> 00:03:11,680

positioned to do that because as much as

73

00:03:15,030 --> 00:03:13,280

you've got that lovely scottish accent

74

00:03:16,309 --> 00:03:15,040

that people can understand no doubt far

75

00:03:19,110 --> 00:03:16,319

better than my own and it's going to

76
00:03:21,110 --> 00:03:19,120
keep mine in check for this episode um

77
00:03:23,830 --> 00:03:21,120
you're based out in colombia in south

78
00:03:25,830 --> 00:03:23,840
america so let me ask first off ash how

79
00:03:26,869 --> 00:03:25,840
did you a scotsman end up out in

80
00:03:28,710 --> 00:03:26,879
colombia

81
00:03:33,910 --> 00:03:28,720
yeah this was pretty obvious isn't it it

82
00:03:38,470 --> 00:03:35,830
for many of us yeah when we moved

83
00:03:39,910 --> 00:03:38,480
indeed i met i was living in london andy

84
00:03:41,750 --> 00:03:39,920
about

85
00:03:43,589 --> 00:03:41,760
six years ago i'd just been for five

86
00:03:45,589 --> 00:03:43,599
years in london i met a colombian girl

87
00:03:47,190 --> 00:03:45,599
when i was in barcelona

88
00:03:48,390 --> 00:03:47,200

i moved out of london moved over to

89

00:03:50,710 --> 00:03:48,400

colombia and

90

00:03:52,789 --> 00:03:50,720

turned my life upside down in the worst

91

00:03:53,830 --> 00:03:52,799

end of 40. and it you know i'll be

92

00:03:55,429 --> 00:03:53,840

really honest with you i'm still

93

00:03:58,710 --> 00:03:55,439

suffering what you call a cultural

94

00:04:00,949 --> 00:03:58,720

trauma it is a completely different

95

00:04:02,789 --> 00:04:00,959

world not just the language not the

96

00:04:04,470 --> 00:04:02,799

clothes not the food not the smell but

97

00:04:06,630 --> 00:04:04,480

the entire way of thinking the way of

98

00:04:08,470 --> 00:04:06,640

addressing things and the way of living

99

00:04:10,949 --> 00:04:08,480

so yeah but i love it i must say i

100

00:04:12,789 --> 00:04:10,959

absolutely love it but it's a long way

101
00:04:14,789 --> 00:04:12,799
from wick

102
00:04:16,469 --> 00:04:14,799
it's a very long way it's a it's a

103
00:04:18,069 --> 00:04:16,479
reasonable flight price as well to go

104
00:04:19,749 --> 00:04:18,079
back and forward as well but listen like

105
00:04:21,030 --> 00:04:19,759
you say it's a beautiful scenery if

106
00:04:23,189 --> 00:04:21,040
you're watching it on youtube you can

107
00:04:24,310 --> 00:04:23,199
see a stunning backdrop as well on there

108
00:04:25,990 --> 00:04:24,320
and

109
00:04:28,150 --> 00:04:26,000
you've mentioned that you've done these

110
00:04:30,230 --> 00:04:28,160
two interviews now and also an

111
00:04:31,909 --> 00:04:30,240
appearance on ancient aliens which is a

112
00:04:34,070 --> 00:04:31,919
a hell of a way to get into talking

113
00:04:35,830 --> 00:04:34,080

about ufos for your your first kind of

114

00:04:37,909 --> 00:04:35,840

big appearance as well can i just jump

115

00:04:39,189 --> 00:04:37,919

in and ask uh well do you remember the

116

00:04:41,110 --> 00:04:39,199

episode in the season because i'd love

117

00:04:42,629 --> 00:04:41,120

to go watch that of course let me tell

118

00:04:43,670 --> 00:04:42,639

you what happened to you guys

119

00:04:46,230 --> 00:04:43,680

so

120

00:04:48,550 --> 00:04:46,240

like everybody 15 years ago in this

121

00:04:51,990 --> 00:04:48,560

phenomenon ancient aliens appeared i was

122

00:04:53,749 --> 00:04:52,000

riveted i didn't buy it but i just love

123

00:04:56,310 --> 00:04:53,759

story okay so

124

00:04:58,710 --> 00:04:56,320

all my life i knew if i go and appear in

125

00:05:01,189 --> 00:04:58,720

ancient aliens i'll never work in a

126
00:05:03,510 --> 00:05:01,199
history show again and that's the truth

127
00:05:05,749 --> 00:05:03,520
do you know when i do a contract to

128
00:05:07,909 --> 00:05:05,759
present a history series

129
00:05:10,390 --> 00:05:07,919
i'm sometimes asked if i've ever

130
00:05:12,950 --> 00:05:10,400
appeared in a paranormal or a ufo based

131
00:05:15,430 --> 00:05:12,960
show because it's a danger sign for lots

132
00:05:16,950 --> 00:05:15,440
of networks so but listen to this

133
00:05:19,830 --> 00:05:16,960
i got to about

134
00:05:21,590 --> 00:05:19,840
42 years old and i got you know when you

135
00:05:23,189 --> 00:05:21,600
well you might not know yet guys but

136
00:05:24,390 --> 00:05:23,199
when you get there you get an awful lot

137
00:05:29,110 --> 00:05:24,400
of

138
00:05:31,270 --> 00:05:29,120

right and i got this call one christmas

139

00:05:32,629 --> 00:05:31,280

from a guy called kevin burns the ep the

140

00:05:34,790 --> 00:05:32,639

guy who designed

141

00:05:36,070 --> 00:05:34,800

ancient aliens he calls my agent and

142

00:05:39,189 --> 00:05:36,080

said look

143

00:05:42,469 --> 00:05:39,199

season 13 i think it was season 13 we're

144

00:05:44,550 --> 00:05:42,479

doing an episode called alien discs

145

00:05:46,790 --> 00:05:44,560

so 10 years prior to that i had filmed

146

00:05:49,909 --> 00:05:46,800

an exploration looking for what's known

147

00:05:52,390 --> 00:05:49,919

as the incas golden sandisk an enormous

148

00:05:55,029 --> 00:05:52,400

lost disk of gold that was lost in the

149

00:05:57,350 --> 00:05:55,039

mountains of peru so they associated me

150

00:05:59,670 --> 00:05:57,360

with the golden sun disk and they phoned

151
00:06:02,390 --> 00:05:59,680
in the agent and said right make ashen

152
00:06:04,150 --> 00:06:02,400
offer what we want to do flying tele

153
00:06:06,390 --> 00:06:04,160
film for three days we'll put him up

154
00:06:08,150 --> 00:06:06,400
cover his course we'll put him home and

155
00:06:11,590 --> 00:06:08,160
he'll be back in columbia by the end of

156
00:06:13,990 --> 00:06:11,600
the week and they offered me a fee

157
00:06:17,029 --> 00:06:14,000
and i said to my agent i said there's

158
00:06:19,670 --> 00:06:17,039
absolutely no way that we're gonna do

159
00:06:20,790 --> 00:06:19,680
this stuff it i am not gonna

160
00:06:22,629 --> 00:06:20,800
so then

161
00:06:24,469 --> 00:06:22,639
they came back about 50 minutes later

162
00:06:26,469 --> 00:06:24,479
says ash that's the day rate and you're

163
00:06:28,309 --> 00:06:26,479

there for three days and i said

164

00:06:29,749 --> 00:06:28,319

get me into the beverly hilton tomorrow

165

00:06:33,430 --> 00:06:29,759

i'll be there

166

00:06:37,189 --> 00:06:35,189

and they did i had the best experience

167

00:06:39,749 --> 00:06:37,199

of my life often went to lake knocked

168

00:06:41,670 --> 00:06:39,759

into hotel picked up in the big car and

169

00:06:43,909 --> 00:06:41,680

i was driven the next day to a studio

170

00:06:46,150 --> 00:06:43,919

set in the hollywood hills and it was

171

00:06:48,710 --> 00:06:46,160

this big old house that was all rigged

172

00:06:51,430 --> 00:06:48,720

up and the set was there i'll be honest

173

00:06:55,189 --> 00:06:51,440

the guys in that production team

174

00:06:57,749 --> 00:06:55,199

at no one moment in that day six hours

175

00:06:59,830 --> 00:06:57,759

of down the barrel interviewing never

176

00:07:01,749 --> 00:06:59,840

was i made to say anything

177

00:07:04,070 --> 00:07:01,759

never was i asked about an

178

00:07:05,110 --> 00:07:04,080

anything ridiculous they really did say

179

00:07:07,430 --> 00:07:05,120

we want to speak to you about

180

00:07:10,230 --> 00:07:07,440

archaeology so of course i go and do

181

00:07:12,950 --> 00:07:10,240

that i just loved the day it was such a

182

00:07:14,870 --> 00:07:12,960

mannerly team super wonderful

183

00:07:17,510 --> 00:07:14,880

environment to work in hearing all these

184

00:07:18,710 --> 00:07:17,520

guys who filmed with so many people in

185

00:07:20,309 --> 00:07:18,720

this world

186

00:07:22,309 --> 00:07:20,319

and i got delivered back to the airport

187

00:07:23,510 --> 00:07:22,319

i came home and we had a great christmas

188

00:07:25,670 --> 00:07:23,520

and i thought

189

00:07:28,070 --> 00:07:25,680

if somebody judges me for having gone

190

00:07:30,150 --> 00:07:28,080

and done that then let them do it i'll

191

00:07:33,270 --> 00:07:30,160

be fine and i had a great time and i'm

192

00:07:35,270 --> 00:07:33,280

on season 13 i think called alien discs

193

00:07:36,950 --> 00:07:35,280

can i just ask how did it come across in

194

00:07:39,110 --> 00:07:36,960

the editing process now you're there for

195

00:07:41,270 --> 00:07:39,120

three days i'm guessing you recorded for

196

00:07:43,029 --> 00:07:41,280

quite some time but in what a 45-minute

197

00:07:45,670 --> 00:07:43,039

episode you must have appeared for a

198

00:07:47,110 --> 00:07:45,680

couple of minutes it's a great

199

00:07:48,629 --> 00:07:47,120

thing now here's what happens is i was

200

00:07:50,230 --> 00:07:48,639

there for three days so what i do is you

201
00:07:51,510 --> 00:07:50,240
fly from columbia and you arrive on your

202
00:07:53,189 --> 00:07:51,520
day and you can give you a whole day in

203
00:07:54,469 --> 00:07:53,199
l.a yourself you're right you've got

204
00:07:56,869 --> 00:07:54,479
your hotel room they need you to be

205
00:07:59,350 --> 00:07:56,879
relaxed from tv so they pay you a day

206
00:08:00,950 --> 00:07:59,360
early you get there you go and do your

207
00:08:02,469 --> 00:08:00,960
thing you go to bed and the car picks

208
00:08:04,869 --> 00:08:02,479
you up early the next day now you're

209
00:08:06,469 --> 00:08:04,879
filming i filmed for six hours three

210
00:08:07,990 --> 00:08:06,479
hours in the morning three hours after

211
00:08:09,029 --> 00:08:08,000
lunch

212
00:08:11,589 --> 00:08:09,039
that

213
00:08:14,150 --> 00:08:11,599

came down to two and a half minutes i

214

00:08:16,230 --> 00:08:14,160

was on the episode six hours down the

215

00:08:18,629 --> 00:08:16,240

lens talking about

216

00:08:21,589 --> 00:08:18,639

the history of peru

217

00:08:23,990 --> 00:08:21,599

from 4000 bc from when they first made

218

00:08:25,990 --> 00:08:24,000

gold to the entire

219

00:08:27,909 --> 00:08:26,000

arrival up to the arrival of the spanish

220

00:08:30,469 --> 00:08:27,919

in the 16th century and the loss of the

221

00:08:32,149 --> 00:08:30,479

desk i was in you know something they

222

00:08:34,149 --> 00:08:32,159

could have made an entire archaeology

223

00:08:36,949 --> 00:08:34,159

show from the interview but what they

224

00:08:38,709 --> 00:08:36,959

did of course to tell their story was

225

00:08:40,630 --> 00:08:38,719

they used all the bits

226

00:08:42,389 --> 00:08:40,640

with me maybe saying something that was

227

00:08:43,750 --> 00:08:42,399

generic that could but you know what was

228

00:08:45,430 --> 00:08:43,760

really good was and this was in my

229

00:08:47,750 --> 00:08:45,440

contract i don't know i'm allowed to say

230

00:08:50,070 --> 00:08:47,760

this don't care is this

231

00:08:53,110 --> 00:08:50,080

my agent carrie ruddle shout outs to

232

00:08:55,190 --> 00:08:53,120

carrie did this where in the interview

233

00:08:57,350 --> 00:08:55,200

they weren't allowed to ask me anything

234

00:08:59,750 --> 00:08:57,360

about aliens i wasn't to be asked about

235

00:09:01,269 --> 00:08:59,760

aliens because the danger is this not

236

00:09:03,430 --> 00:09:01,279

that they did it they wouldn't do it but

237

00:09:05,350 --> 00:09:03,440

this is what you can do

238

00:09:07,030 --> 00:09:05,360

so if i was interviewing myself no let

239

00:09:08,710 --> 00:09:07,040

me interview andy so i'm interviewing

240

00:09:10,230 --> 00:09:08,720

andy and i go so

241

00:09:11,910 --> 00:09:10,240

um

242

00:09:14,630 --> 00:09:11,920

do you like ice cream

243

00:09:16,949 --> 00:09:14,640

and your answer is yes okay five minutes

244

00:09:19,269 --> 00:09:16,959

later ask you the question

245

00:09:21,030 --> 00:09:19,279

do you believe in pleiadian cultures

246

00:09:22,150 --> 00:09:21,040

visiting planet earth maybe crashed to

247

00:09:24,150 --> 00:09:22,160

roswell and you're going to go

248

00:09:25,990 --> 00:09:24,160

absolutely not crazy

249

00:09:28,310 --> 00:09:26,000

you franken bite in the yes from the

250

00:09:30,150 --> 00:09:28,320

start before you know it you're speaking

251
00:09:33,110 --> 00:09:30,160
and answering to things they didn't do

252
00:09:34,630 --> 00:09:33,120
it not a piece nothing

253
00:09:37,269 --> 00:09:34,640
you know what they did do which is a bit

254
00:09:39,590 --> 00:09:37,279
of a letdown as this was out of the six

255
00:09:41,590 --> 00:09:39,600
hours i made what is arguably maybe a

256
00:09:43,910 --> 00:09:41,600
mistake i said something

257
00:09:46,070 --> 00:09:43,920
that if i had if i got a chance to say

258
00:09:47,910 --> 00:09:46,080
it again another way i would have they

259
00:09:49,509 --> 00:09:47,920
used that piece that's one of the two

260
00:09:50,310 --> 00:09:49,519
and a half minutes we used right so of

261
00:09:53,590 --> 00:09:50,320
course

262
00:09:56,230 --> 00:09:53,600
that the tossers who are out there

263
00:09:57,990 --> 00:09:56,240

reviewing you pick up on right

264

00:09:59,190 --> 00:09:58,000

so listen that's pretty good here and

265

00:10:00,870 --> 00:09:59,200

it's good to know that it's a

266

00:10:02,470 --> 00:10:00,880

professional organization the way it's

267

00:10:04,790 --> 00:10:02,480

run and you would expect that it's a big

268

00:10:07,030 --> 00:10:04,800

production and as much as it's maybe

269

00:10:09,430 --> 00:10:07,040

become a parody of itself over the years

270

00:10:11,430 --> 00:10:09,440

yeah i'm hoping um this new series

271

00:10:13,190 --> 00:10:11,440

starts on the 7th of january and ryan

272

00:10:15,030 --> 00:10:13,200

sprague has just announced that he's

273

00:10:17,030 --> 00:10:15,040

going to be in it which is nice to hear

274

00:10:18,630 --> 00:10:17,040

a fresh voice and a fresh face and

275

00:10:21,509 --> 00:10:18,640

amongst a lot of what tends to be the

276

00:10:23,269 --> 00:10:21,519

same people peddling the same books for

277

00:10:25,030 --> 00:10:23,279

for many years like you mentioned before

278

00:10:27,910 --> 00:10:25,040

with uh selling books and things like

279

00:10:31,030 --> 00:10:30,150

sorry please anyone no no go on please

280

00:10:32,790 --> 00:10:31,040

go on

281

00:10:34,150 --> 00:10:32,800

now you just make me think there i can't

282

00:10:36,150 --> 00:10:34,160

so here's the thing when we talked

283

00:10:37,910 --> 00:10:36,160

before the show about sustainability

284

00:10:38,790 --> 00:10:37,920

right and podcasting

285

00:10:42,150 --> 00:10:38,800

but

286

00:10:45,509 --> 00:10:42,160

in the world of tv especially in america

287

00:10:46,949 --> 00:10:45,519

to have i've had three one episode first

288

00:10:48,790 --> 00:10:46,959

seasons right

289

00:10:50,949 --> 00:10:48,800

to get a second season

290

00:10:52,389 --> 00:10:50,959

or a third season is

291

00:10:55,590 --> 00:10:52,399

unheard of

292

00:10:57,269 --> 00:10:55,600

to be up at 13 and season 14

293

00:10:58,949 --> 00:10:57,279

it's you know here's the thing that you

294

00:11:00,550 --> 00:10:58,959

don't get when you're getting reviews in

295

00:11:03,030 --> 00:11:00,560

ancient aliens is

296

00:11:04,470 --> 00:11:03,040

there's probably a team of 40 to 60

297

00:11:05,829 --> 00:11:04,480

people who have now

298

00:11:07,110 --> 00:11:05,839

had a life

299

00:11:08,870 --> 00:11:07,120

a career

300

00:11:10,550 --> 00:11:08,880

savings for the future

301
00:11:12,230 --> 00:11:10,560
family networks they've done their only

302
00:11:14,230 --> 00:11:12,240
businesses they're bridgette and it's

303
00:11:15,990 --> 00:11:14,240
all come out of that guy kevin burns

304
00:11:17,670 --> 00:11:16,000
concept which was

305
00:11:19,110 --> 00:11:17,680
it doesn't matter what you think of it

306
00:11:21,750 --> 00:11:19,120
is tv

307
00:11:23,829 --> 00:11:21,760
if you're wanting hardcore physics and

308
00:11:25,910 --> 00:11:23,839
science go listen to degrasse tyson or

309
00:11:27,990 --> 00:11:25,920
read a book don't watch ancient aliens

310
00:11:29,910 --> 00:11:28,000
and complain

311
00:11:32,310 --> 00:11:29,920
and i just think that them

312
00:11:34,310 --> 00:11:32,320
for it to survive 13 seasons and now

313
00:11:36,470 --> 00:11:34,320

moving into whatever it is it's really

314

00:11:39,069 --> 00:11:36,480

really something and what it does is it

315

00:11:42,389 --> 00:11:39,079

just shows that there is an

316

00:11:44,389 --> 00:11:42,399

enormous thirst for this subject beyond

317

00:11:46,150 --> 00:11:44,399

what we think that's a really

318

00:11:48,310 --> 00:11:46,160

good sort of piece of proof for it's

319

00:11:49,910 --> 00:11:48,320

unheard of unheard of a credit to

320

00:11:52,710 --> 00:11:49,920

giorgio as well i don't know if you saw

321

00:11:54,310 --> 00:11:52,720

resident alien last year um that was an

322

00:11:57,269 --> 00:11:54,320

excellent show and they folded in the

323

00:11:59,430 --> 00:11:57,279

the uh tic tac footage um as the first

324

00:12:00,870 --> 00:11:59,440

sighting of the ufo the crashes and then

325

00:12:03,509 --> 00:12:00,880

the show is just about an alien trying

326

00:12:05,350 --> 00:12:03,519

to live as a human and kind of hide um

327

00:12:07,110 --> 00:12:05,360

and giorgio

328

00:12:09,269 --> 00:12:07,120

informed a lot of the research for that

329

00:12:10,949 --> 00:12:09,279

show and he kind of had a little fun

330

00:12:13,190 --> 00:12:10,959

with it and made a bit of a parody of

331

00:12:15,030 --> 00:12:13,200

himself and you know good sport i i saw

332

00:12:16,870 --> 00:12:15,040

that and just thought yeah genuine guy

333

00:12:18,710 --> 00:12:16,880

fair enough yeah it's funny it's not

334

00:12:20,310 --> 00:12:18,720

like georgie to make a parody of himself

335

00:12:21,430 --> 00:12:20,320

is it

336

00:12:22,710 --> 00:12:21,440

do you know what

337

00:12:24,389 --> 00:12:22,720

i think what you've talked about there

338

00:12:26,949 --> 00:12:24,399

though with ancient aliens being on one

339

00:12:28,870 --> 00:12:26,959

end of the spectrum and on the other

340

00:12:30,470 --> 00:12:28,880

your your neil degrasse tysons brian

341

00:12:31,829 --> 00:12:30,480

cox's and you're very hardcore

342

00:12:34,629 --> 00:12:31,839

scientists what we're kind of looking

343

00:12:36,790 --> 00:12:34,639

for to come out of where we're at now is

344

00:12:39,110 --> 00:12:36,800

maybe a documentary that sits slap bang

345

00:12:41,590 --> 00:12:39,120

in the middle of that um that could go

346

00:12:43,110 --> 00:12:41,600

to the mainstream and be big and not be

347

00:12:45,110 --> 00:12:43,120

something people watch for about a fun

348

00:12:46,790 --> 00:12:45,120

or tongue-in-cheek but they really watch

349

00:12:48,949 --> 00:12:46,800

to to catch themselves up on an

350

00:12:50,790 --> 00:12:48,959

incredible subject off the back of that

351

00:12:53,190 --> 00:12:50,800

the wash i want to know we started

352

00:12:56,069 --> 00:12:53,200

talking on instagram under your uap

353

00:12:58,629 --> 00:12:56,079

columbia username and there's an aspect

354

00:13:00,790 --> 00:12:58,639

of anonymity there now given you've said

355

00:13:02,870 --> 00:13:00,800

what four years ago now you were on

356

00:13:05,110 --> 00:13:02,880

ancient aliens you have not chosen to

357

00:13:07,030 --> 00:13:05,120

capitalize on that in any way and not

358

00:13:09,269 --> 00:13:07,040

necessarily to make money but just have

359

00:13:11,190 --> 00:13:09,279

a platform and have your name you chose

360

00:13:13,750 --> 00:13:11,200

to do that and then stay online with an

361

00:13:15,990 --> 00:13:13,760

interest in the subject but without your

362

00:13:17,509 --> 00:13:16,000

real name is that because of the still

363

00:13:20,949 --> 00:13:17,519

attached stigma that you talked about

364

00:13:22,710 --> 00:13:20,959

and being attached to the ufo subject

365

00:13:24,310 --> 00:13:22,720

i'm going to give you an answer here

366

00:13:25,190 --> 00:13:24,320

without blinking so you know it's the

367

00:13:27,030 --> 00:13:25,200

truth

368

00:13:28,710 --> 00:13:27,040

and the reason i did nothing after

369

00:13:30,949 --> 00:13:28,720

ancient aliens and

370

00:13:32,829 --> 00:13:30,959

only started doing stuff in the last six

371

00:13:37,509 --> 00:13:32,839

weeks is this

372

00:13:41,030 --> 00:13:37,519

on the year before coronavirus so

373

00:13:44,710 --> 00:13:41,040

bleeding into the middle of 219

374

00:13:46,710 --> 00:13:44,720

i got diagnosed with a really bizarre

375

00:13:48,790 --> 00:13:46,720

facial condition all right

376

00:13:50,790 --> 00:13:48,800

my only tool is my mouth

377

00:13:52,310 --> 00:13:50,800

and then on the month that coronavirus

378

00:13:55,269 --> 00:13:52,320

happened when all the hospitals got

379

00:13:57,509 --> 00:13:55,279

closed down i got told this two years

380

00:13:59,829 --> 00:13:57,519

ago you need an operation now

381

00:14:02,629 --> 00:13:59,839

but there's no hospitals open so

382

00:14:04,150 --> 00:14:02,639

through coronavirus this condition i had

383

00:14:05,590 --> 00:14:04,160

spread

384

00:14:08,230 --> 00:14:05,600

and

385

00:14:11,189 --> 00:14:08,240

it's weird as bizarre as this sounds to

386

00:14:13,509 --> 00:14:11,199

go off the subject i got an operation 16

387

00:14:16,870 --> 00:14:13,519

months ago and i couldn't physically

388

00:14:18,310 --> 00:14:16,880

388 speak for nine months and two weeks

389

00:14:20,389 --> 00:14:18,320

couldn't talk

390

00:14:21,590 --> 00:14:20,399

i had to relearn how to talk after the

391

00:14:24,389 --> 00:14:21,600

operation

392

00:14:25,269 --> 00:14:24,399

and six weeks ago after two and a half

393

00:14:27,829 --> 00:14:25,279

years

394

00:14:29,269 --> 00:14:27,839

i phoned vinnie and said we're good to

395

00:14:31,030 --> 00:14:29,279

go my boy

396

00:14:33,350 --> 00:14:31,040

that's why i did nothing i had a

397

00:14:35,350 --> 00:14:33,360

complete upside down diabetic

398

00:14:36,550 --> 00:14:35,360

complication that took three years away

399

00:14:38,150 --> 00:14:36,560

from my life

400

00:14:39,430 --> 00:14:38,160

and i didn't want to see anybody i

401
00:14:40,949 --> 00:14:39,440
didn't want to put myself in front of a

402
00:14:43,350 --> 00:14:40,959
camera i didn't want to be filmed i

403
00:14:46,310 --> 00:14:43,360
didn't want to be the center of any form

404
00:14:47,750 --> 00:14:46,320
of attention when i was unable to speak

405
00:14:49,269 --> 00:14:47,760
now here's the trouble with something

406
00:14:51,110 --> 00:14:49,279
like this

407
00:14:53,829 --> 00:14:51,120
everybody goes through medical things

408
00:14:55,910 --> 00:14:53,839
from time to time in their life

409
00:14:59,110 --> 00:14:55,920
but i had only just started to learn

410
00:15:01,670 --> 00:14:59,120
spanish so i'm in a country where i was

411
00:15:03,110 --> 00:15:01,680
struggling to communicate anyway and

412
00:15:05,110 --> 00:15:03,120
then someone goes

413
00:15:07,030 --> 00:15:05,120

now this is getting taken with me so

414

00:15:08,069 --> 00:15:07,040

that is time for me to shut up that's

415

00:15:10,150 --> 00:15:08,079

the truth

416

00:15:11,910 --> 00:15:10,160

my life went on hold it's not that i

417

00:15:14,150 --> 00:15:11,920

didn't want to capitalize on ancient

418

00:15:15,910 --> 00:15:14,160

aliens i wouldn't have capitalized on an

419

00:15:18,550 --> 00:15:15,920

alien platform anyway because i'm so

420

00:15:19,670 --> 00:15:18,560

ingrained in archaeology and adventure

421

00:15:23,189 --> 00:15:19,680

and all these things but that's the

422

00:15:25,030 --> 00:15:23,199

truth andy hi there complete um flip

423

00:15:26,389 --> 00:15:25,040

upside down and i'm only six weeks

424

00:15:28,470 --> 00:15:26,399

you'll even hear now

425

00:15:30,150 --> 00:15:28,480

i still have a kindness

426

00:15:31,509 --> 00:15:30,160

it's like i've had four or five still as

427

00:15:33,910 --> 00:15:31,519

you know

428

00:15:35,430 --> 00:15:33,920

well congratulations yeah thank you and

429

00:15:37,189 --> 00:15:35,440

uh i'll make sure you get to do plenty

430

00:15:38,790 --> 00:15:37,199

of talking on this anyways this is

431

00:15:41,670 --> 00:15:38,800

usually my style but i think you've got

432

00:15:43,269 --> 00:15:41,680

that time to catch up on

433

00:15:45,030 --> 00:15:43,279

you've got a it's one of those really

434

00:15:46,949 --> 00:15:45,040

unfortunate things that you've had

435

00:15:49,749 --> 00:15:46,959

something that's taken away from from

436

00:15:51,350 --> 00:15:49,759

what you do as a career as well and have

437

00:15:52,870 --> 00:15:51,360

prohibited that

438

00:15:54,389 --> 00:15:52,880

and stopped it for a while and obviously

439

00:15:56,949 --> 00:15:54,399

that's kicking back off

440

00:16:00,870 --> 00:15:56,959

what initially drew you to a career as a

441

00:16:02,790 --> 00:16:00,880

documentary filmmaker and tv presenter

442

00:16:05,269 --> 00:16:02,800

this i was from wick in the northeast

443

00:16:07,509 --> 00:16:05,279

coast to scotland right so i'm

444

00:16:09,990 --> 00:16:07,519

we were 120 miles from the closest

445

00:16:11,749 --> 00:16:10,000

cinema been brought up so you have two

446

00:16:13,269 --> 00:16:11,759

up there you have three options you've

447

00:16:17,749 --> 00:16:13,279

got

448

00:16:21,829 --> 00:16:19,990

so i did all three and i came out the

449

00:16:24,389 --> 00:16:21,839

other side and come out this side is a

450

00:16:26,629 --> 00:16:24,399

fisherman right so i spent a lot of my

451
00:16:29,350 --> 00:16:26,639
twenties in the hills in caitanya

452
00:16:30,870 --> 00:16:29,360
surrounded by castles brocks cairns

453
00:16:32,550 --> 00:16:30,880
burial chambers

454
00:16:34,790 --> 00:16:32,560
and we were always exploring around

455
00:16:36,470 --> 00:16:34,800
these things but um i went off to

456
00:16:38,870 --> 00:16:36,480
glasgow and studied filmmaking and

457
00:16:40,389 --> 00:16:38,880
photography in my sort of mid-twenties

458
00:16:43,910 --> 00:16:40,399
and i

459
00:16:45,829 --> 00:16:43,920
back north traveled all around scotland

460
00:16:48,150 --> 00:16:45,839
doing various kind of jobs to survive

461
00:16:50,629 --> 00:16:48,160
but in my mid thirties all kind of

462
00:16:52,710 --> 00:16:50,639
landed i started them

463
00:16:54,790 --> 00:16:52,720

i started appearing as a resident

464

00:16:56,790 --> 00:16:54,800

historian i'd spent 10 15 years

465

00:16:59,110 --> 00:16:56,800

researching history finding things

466

00:17:00,870 --> 00:16:59,120

working with universities

467

00:17:02,629 --> 00:17:00,880

field walking in caithness and getting

468

00:17:05,029 --> 00:17:02,639

some real hands-on experience with the

469

00:17:07,189 --> 00:17:05,039

way scottish history worked and lo and

470

00:17:10,470 --> 00:17:07,199

behold i became the resident historian

471

00:17:12,549 --> 00:17:10,480

with you know michelle mcmanus

472

00:17:14,710 --> 00:17:12,559

michelle mcmanus used to host the hour

473

00:17:15,909 --> 00:17:14,720

show on stv so i was the resident of the

474

00:17:18,470 --> 00:17:15,919

story in there

475

00:17:19,909 --> 00:17:18,480

i met her in the i met her in them this

476

00:17:22,069 --> 00:17:19,919

is how i got that job

477

00:17:24,470 --> 00:17:22,079

i'd for 10 years been trying to get

478

00:17:27,909 --> 00:17:24,480

myself into tv with no way of breaking

479

00:17:31,190 --> 00:17:27,919

the door through i mean really difficult

480

00:17:33,190 --> 00:17:31,200

and i was in carter's a pub in shawlands

481

00:17:35,510 --> 00:17:33,200

in glasgow one night in my thirties and

482

00:17:38,150 --> 00:17:35,520

met michelle mcmanus and we got trash

483

00:17:39,270 --> 00:17:38,160

together and i was on tv the next monday

484

00:17:40,870 --> 00:17:39,280

and of course

485

00:17:43,029 --> 00:17:40,880

and now i'll be straight up she's got a

486

00:17:45,029 --> 00:17:43,039

shout out to michelle i just did her

487

00:17:47,510 --> 00:17:45,039

podcast there a couple of years ago and

488

00:17:49,669 --> 00:17:47,520

we we so anyway here we are and i'm on

489

00:17:51,830 --> 00:17:49,679

live tv and i did it for 10 weeks in a

490

00:17:52,630 --> 00:17:51,840

row present in the history of festivals

491

00:17:59,750 --> 00:17:52,640

and

492

00:18:01,270 --> 00:17:59,760

the sort of rituals associated with

493

00:18:03,029 --> 00:18:01,280

holidays

494

00:18:05,270 --> 00:18:03,039

and then from there it just seemed to go

495

00:18:07,590 --> 00:18:05,280

slow i i then from there went on to the

496

00:18:09,909 --> 00:18:07,600

show about rosalind chapel i wrote a

497

00:18:12,230 --> 00:18:09,919

book about rosalind chapel and ended up

498

00:18:13,669 --> 00:18:12,240

doing a pbs documentary right this is

499

00:18:15,150 --> 00:18:13,679

terrible

500

00:18:17,669 --> 00:18:15,160

and i got paid

501
00:18:20,470 --> 00:18:17,679
275 quid for that interview and it was

502
00:18:22,710 --> 00:18:20,480
the 16th most downloaded documentary in

503
00:18:25,430 --> 00:18:22,720
amazon on 216

504
00:18:27,669 --> 00:18:25,440
200 quid after tax that is worthy of

505
00:18:28,710 --> 00:18:27,679
being on a plaque i think yeah i know

506
00:18:30,710 --> 00:18:28,720
totally but i'll tell you the great

507
00:18:31,830 --> 00:18:30,720
thing is i'm now after this is really

508
00:18:33,430 --> 00:18:31,840
funny

509
00:18:37,270 --> 00:18:33,440
now after

510
00:18:39,669 --> 00:18:37,280
9 12 years i'm making a film with that

511
00:18:41,190 --> 00:18:39,679
same guy who gave me 200 quid how good

512
00:18:43,750 --> 00:18:41,200
is that we've come right back around

513
00:18:45,270 --> 00:18:43,760

full circle nice so look so i started

514

00:18:46,870 --> 00:18:45,280

getting into filming then and then i

515

00:18:48,630 --> 00:18:46,880

started to do my own facebook and

516

00:18:52,150 --> 00:18:48,640

youtube things and all these things but

517

00:18:57,510 --> 00:18:55,190

i was in glasgow miserable doing a job i

518

00:18:59,190 --> 00:18:57,520

hated in a relationship that made me

519

00:19:01,830 --> 00:18:59,200

just do her

520

00:19:04,310 --> 00:19:01,840

and i got a phone call from this random

521

00:19:06,150 --> 00:19:04,320

number in los angeles from this

522

00:19:08,549 --> 00:19:06,160

really really camp guy

523

00:19:10,950 --> 00:19:08,559

and he's like hey my name's tony

524

00:19:12,950 --> 00:19:10,960

shout out to tony miros this agent in

525

00:19:14,630 --> 00:19:12,960

l.a had been approached by a producer

526

00:19:16,630 --> 00:19:14,640

saying we're looking for an

527

00:19:19,430 --> 00:19:16,640

archaeologist come symbologist it was

528

00:19:21,190 --> 00:19:19,440

just after the da vinci code wave

529

00:19:22,470 --> 00:19:21,200

so i got the call and said we're looking

530

00:19:24,470 --> 00:19:22,480

they're looking for an archaeologist

531

00:19:26,230 --> 00:19:24,480

symbologist and i'm like that's really

532

00:19:29,190 --> 00:19:26,240

funny that's what i'm an archaeologist

533

00:19:30,710 --> 00:19:29,200

archaeologist symbolic is funnily enough

534

00:19:32,710 --> 00:19:30,720

and i was working at this job in our

535

00:19:34,630 --> 00:19:32,720

growth based in glasgow working in our

536

00:19:36,390 --> 00:19:34,640

growth and they said so we need you to

537

00:19:38,789 --> 00:19:36,400

come out and cast for this show and this

538

00:19:41,110 --> 00:19:38,799

is the most bizarre thing this is the

539

00:19:43,270 --> 00:19:41,120

full-on la guy looking to talking about

540

00:19:46,470 --> 00:19:43,280

all the show stuff no longer was it

541

00:19:49,270 --> 00:19:46,480

television or the tele it was shows

542

00:19:52,470 --> 00:19:49,280

so often so he goes right the thing is

543

00:19:54,950 --> 00:19:52,480

this we need to film you in costa rica

544

00:19:56,470 --> 00:19:54,960

and do a taster reel to show the network

545

00:19:59,110 --> 00:19:56,480

we've got six other people that they're

546

00:20:00,870 --> 00:19:59,120

thinking about now this is fine

547

00:20:02,230 --> 00:20:00,880

send me some dates and he went right

548

00:20:05,430 --> 00:20:02,240

this is on the wednesday night he said

549

00:20:07,350 --> 00:20:05,440

we need you in costa rica friday

550

00:20:09,350 --> 00:20:07,360

and i was thinking to myself look this

551
00:20:11,430 --> 00:20:09,360
is like oh my goodness so anyway i told

552
00:20:13,669 --> 00:20:11,440
the boss in our roof

553
00:20:15,590 --> 00:20:13,679
i was ill and i got a plane in glasgow

554
00:20:17,350 --> 00:20:15,600
and i was in costa rica on the sunday

555
00:20:18,470 --> 00:20:17,360
morning and a film for the whole day

556
00:20:21,909 --> 00:20:18,480
sunday

557
00:20:23,669 --> 00:20:21,919
for this show called legend quest

558
00:20:25,350 --> 00:20:23,679
and everybody flew out on the monday and

559
00:20:26,549 --> 00:20:25,360
i was to be back at work that next

560
00:20:28,149 --> 00:20:26,559
wednesday and

561
00:20:29,190 --> 00:20:28,159
we were digging about in this cave for

562
00:20:31,750 --> 00:20:29,200
this shoot

563
00:20:33,830 --> 00:20:31,760

and i had almost had a ragnay

564

00:20:36,070 --> 00:20:33,840

and that night i came down was set to

565

00:20:38,470 --> 00:20:36,080

see me a blood poisoning in this hotel

566

00:20:40,390 --> 00:20:38,480

in a jungle in costa rica and i was

567

00:20:42,149 --> 00:20:40,400

thinking i'm gonna i did i'm meant to be

568

00:20:45,190 --> 00:20:42,159

at home and i'm meant to be ill in a

569

00:20:47,110 --> 00:20:45,200

flat in glasgow just now and

570

00:20:48,789 --> 00:20:47,120

so anyway here i was in costa rica and i

571

00:20:51,669 --> 00:20:48,799

flew back home i got home the next week

572

00:20:53,990 --> 00:20:51,679

with this i'd lost about four stone i

573

00:20:56,470 --> 00:20:54,000

was in just in this terrible way

574

00:20:58,310 --> 00:20:56,480

and i got a call two weeks later

575

00:21:01,029 --> 00:20:58,320

bluffton at work from the producer and

576

00:21:03,669 --> 00:21:01,039

went nah this other guy has got it this

577

00:21:05,430 --> 00:21:03,679

ex stand up comedian guy i was

578

00:21:06,630 --> 00:21:05,440

absolutely

579

00:21:08,470 --> 00:21:06,640

heartbroken

580

00:21:10,149 --> 00:21:08,480

and it was gone it was going to make me

581

00:21:11,350 --> 00:21:10,159

wretch it was going to make me famous

582

00:21:13,750 --> 00:21:11,360

all the things that are important in

583

00:21:16,710 --> 00:21:13,760

your early 30s right

584

00:21:18,310 --> 00:21:16,720

and then 10 days passed we got a call

585

00:21:22,549 --> 00:21:18,320

the guy got married his wife wouldn't

586

00:21:28,870 --> 00:21:25,029

and um off i went i went right you know

587

00:21:31,510 --> 00:21:28,880

six weeks later from working in glasgow

588

00:21:32,549 --> 00:21:31,520

i went to 24 countries

589

00:21:35,270 --> 00:21:32,559

over

590

00:21:36,870 --> 00:21:35,280

four months and filmed in

591

00:21:39,029 --> 00:21:36,880

over 80

592

00:21:40,710 --> 00:21:39,039

sacred sites archaeological sites all

593

00:21:43,190 --> 00:21:40,720

the famous places around the world

594

00:21:45,350 --> 00:21:43,200

search of ranger artifacts following

595

00:21:47,110 --> 00:21:45,360

legends looking for everything from the

596

00:21:49,110 --> 00:21:47,120

holy grail to the ark of the covenant

597

00:21:50,950 --> 00:21:49,120

which makes me draw breath now it was

598

00:21:52,950 --> 00:21:50,960

actually i was actually safer in ancient

599

00:21:55,750 --> 00:21:52,960

aliens than i was looking back thinking

600

00:21:57,830 --> 00:21:55,760

i was looking for the holy grail right

601
00:21:59,669 --> 00:21:57,840
but i think so i got into it there with

602
00:22:01,590 --> 00:21:59,679
legend quest but here we go i remember

603
00:22:03,909 --> 00:22:01,600
kanga phillips my co-host sitting to me

604
00:22:06,070 --> 00:22:03,919
and it haunts me to the day she goes ash

605
00:22:07,669 --> 00:22:06,080
there's nowhere to go i mean what do you

606
00:22:10,230 --> 00:22:07,679
mean she goes people work in this

607
00:22:11,190 --> 00:22:10,240
industry their whole career to get their

608
00:22:13,270 --> 00:22:11,200
show

609
00:22:15,190 --> 00:22:13,280
and here i was at 32 just having had a

610
00:22:16,950 --> 00:22:15,200
major one in sci-fi and then around the

611
00:22:20,070 --> 00:22:16,960
world on universal

612
00:22:21,830 --> 00:22:20,080
networks it went to 140 countries it was

613
00:22:23,270 --> 00:22:21,840

in different languages this crazy show

614

00:22:25,430 --> 00:22:23,280

legend quest

615

00:22:27,270 --> 00:22:25,440

and from there i just started doing lots

616

00:22:29,909 --> 00:22:27,280

and lots different films and making my

617

00:22:31,669 --> 00:22:29,919

own films and selling them and doing

618

00:22:33,350 --> 00:22:31,679

independent films and

619

00:22:35,430 --> 00:22:33,360

literally in the last

620

00:22:36,630 --> 00:22:35,440

four years josh gates from expedition

621

00:22:38,470 --> 00:22:36,640

unknown

622

00:22:40,149 --> 00:22:38,480

has kind of had me do a few episodes a

623

00:22:41,830 --> 00:22:40,159

couple of episodes with him you know we

624

00:22:43,270 --> 00:22:41,840

were treasure hunting in scotland four

625

00:22:45,510 --> 00:22:43,280

years ago and that was one of the best

626

00:22:46,549 --> 00:22:45,520

rated shows he had and there lo and

627

00:22:48,630 --> 00:22:46,559

behold

628

00:22:50,950 --> 00:22:48,640

three weeks ago we just aired season

629

00:22:53,029 --> 00:22:50,960

nine of expedition unknown and discovery

630

00:22:54,710 --> 00:22:53,039

i had josh and his team in elder

631

00:22:56,230 --> 00:22:54,720

colombia

632

00:22:58,230 --> 00:22:56,240

so in the summer they come down here

633

00:23:01,029 --> 00:22:58,240

looking for the mythical city of gold el

634

00:23:03,669 --> 00:23:01,039

dorado josh and a crew of forty

635

00:23:05,990 --> 00:23:03,679

and i was fortunate enough to have some

636

00:23:07,669 --> 00:23:06,000

as part of the narrative that story and

637

00:23:09,270 --> 00:23:07,679

what i was able to do was get josh to

638

00:23:11,110 --> 00:23:09,280

come along and meet my friends in this

639

00:23:13,750 --> 00:23:11,120

indigenous community

640

00:23:16,470 --> 00:23:13,760

in cesky lay who are the guardians of

641

00:23:19,750 --> 00:23:16,480

guatevita the keepers of the secrets of

642

00:23:22,070 --> 00:23:19,760

el dorado and rather than having josh

643

00:23:24,789 --> 00:23:22,080

myself hiking near the machetes and all

644

00:23:27,590 --> 00:23:24,799

the dramatic stuff looking for gold

645

00:23:30,549 --> 00:23:27,600

it was explained to him the eldorado was

646

00:23:33,190 --> 00:23:30,559

the ombre el dorado the golden man and

647

00:23:34,710 --> 00:23:33,200

it related to coronation ceremony

648

00:23:36,950 --> 00:23:34,720

and it was just kind of a game of

649

00:23:38,870 --> 00:23:36,960

telephone to the telephone game where

650

00:23:41,669 --> 00:23:38,880

what started as the golden man who was a

651
00:23:43,990 --> 00:23:41,679
king with gold dust who jumped into

652
00:23:47,029 --> 00:23:44,000
lagoon and expanded them to

653
00:23:49,669 --> 00:23:47,039
you know a city a lost city of gold so

654
00:23:51,669 --> 00:23:49,679
that was great we were able to get right

655
00:23:53,269 --> 00:23:51,679
to the core of the elder adult myth with

656
00:23:55,909 --> 00:23:53,279
josh in that episode that were now in

657
00:23:58,230 --> 00:23:55,919
mainstream discovery so

658
00:24:00,870 --> 00:23:58,240
it paid a wage it paid the bill for a

659
00:24:03,029 --> 00:24:00,880
few months and it had

660
00:24:05,350 --> 00:24:03,039
a kind of whole different perspective on

661
00:24:07,430 --> 00:24:05,360
this idea that there's gold lost in the

662
00:24:09,430 --> 00:24:07,440
forest here well there is el dorado

663
00:24:12,070 --> 00:24:09,440

something completely different so there

664

00:24:15,110 --> 00:24:12,080

you go that's a kind of overview

665

00:24:17,430 --> 00:24:15,120

of documentaries and stuff yeah

666

00:24:19,909 --> 00:24:17,440

i'm gonna say that i would put money on

667

00:24:21,430 --> 00:24:19,919

dan being extremely jealous right now of

668

00:24:23,590 --> 00:24:21,440

of some of those expeditions you've

669

00:24:25,430 --> 00:24:23,600

managed to be on it sounds like the life

670

00:24:26,870 --> 00:24:25,440

of uh indiana jones in the modern day

671

00:24:28,230 --> 00:24:26,880

you know

672

00:24:30,230 --> 00:24:28,240

i'm going to tell you something to put a

673

00:24:32,390 --> 00:24:30,240

wee blood i'm going to blunt the the

674

00:24:34,470 --> 00:24:32,400

diamond here i just said it to someone

675

00:24:36,070 --> 00:24:34,480

last week i got a shadow recently and

676
00:24:37,990 --> 00:24:36,080
it's because this

677
00:24:39,590 --> 00:24:38,000
you if like where were we let me give

678
00:24:42,070 --> 00:24:39,600
you an example

679
00:24:43,149 --> 00:24:42,080
we're in shark cathedral in france

680
00:24:45,430 --> 00:24:43,159
one of the most

681
00:24:47,909 --> 00:24:45,440
incredible i know i could name somewhere

682
00:24:49,510 --> 00:24:47,919
more tropical but just here we go i

683
00:24:52,630 --> 00:24:49,520
meant this most

684
00:24:54,789 --> 00:24:52,640
blindingly awesome awesome cathedral

685
00:24:56,470 --> 00:24:54,799
right so where i walk into the cathedral

686
00:24:58,070 --> 00:24:56,480
it's the arrival shot

687
00:25:00,549 --> 00:24:58,080
go remember this is sci-fi this is a

688
00:25:02,230 --> 00:25:00,559

holy american crew so this is what

689

00:25:04,310 --> 00:25:02,240

happened i went around the world all

690

00:25:06,630 --> 00:25:04,320

these amazing places but i walked into

691

00:25:08,789 --> 00:25:06,640

chardonnay remember seeing

692

00:25:11,190 --> 00:25:08,799

this building's 800 years old of

693

00:25:12,950 --> 00:25:11,200

heritage and history must look beyond

694

00:25:15,190 --> 00:25:12,960

the myths and beyond the religion that

695

00:25:17,350 --> 00:25:15,200

overwhelms it today we must look for the

696

00:25:21,750 --> 00:25:17,360

fingerprints of the masons who carved

697

00:25:23,350 --> 00:25:21,760

this most exemplary structure of masonry

698

00:25:25,590 --> 00:25:23,360

cut

699

00:25:27,590 --> 00:25:25,600

back to one gonna walk in and just go

700

00:25:29,669 --> 00:25:27,600

kanga this is awesome

701
00:25:31,909 --> 00:25:29,679
[Laughter]

702
00:25:34,310 --> 00:25:31,919
that happened a lot

703
00:25:36,630 --> 00:25:34,320
nice and i realized that i did this

704
00:25:39,269 --> 00:25:36,640
cultural tour of some of the most

705
00:25:40,870 --> 00:25:39,279
awesome sites in the world but hey they

706
00:25:43,510 --> 00:25:40,880
were behind me and i was looking down a

707
00:25:44,549 --> 00:25:43,520
camera and then out next

708
00:25:48,310 --> 00:25:44,559
and b

709
00:25:50,470 --> 00:25:48,320
i had to present an exceptionally

710
00:25:53,190 --> 00:25:50,480
look what we call it

711
00:25:54,950 --> 00:25:53,200
an exceptionally dramatic interpretation

712
00:25:56,630 --> 00:25:54,960
of places that

713
00:25:58,710 --> 00:25:56,640

needed something different so i was

714

00:26:01,029 --> 00:25:58,720

quite a conflicts with that show so but

715

00:26:03,590 --> 00:26:01,039

guess what then you'd rather have done

716

00:26:06,070 --> 00:26:03,600

it than not as a fact yeah absolutely

717

00:26:07,669 --> 00:26:06,080

you know someone's gonna do it and

718

00:26:09,190 --> 00:26:07,679

you know you can influence it yourself

719

00:26:10,950 --> 00:26:09,200

and make it better than it would have

720

00:26:12,950 --> 00:26:10,960

been you know so i'll tell you where

721

00:26:14,789 --> 00:26:12,960

these things help where traveling helps

722

00:26:15,590 --> 00:26:14,799

is this and it's amazing is the corona

723

00:26:17,909 --> 00:26:15,600

thing

724

00:26:20,870 --> 00:26:17,919

it's been said if you've been to over 10

725

00:26:22,789 --> 00:26:20,880

12 international airports in your life

726

00:26:24,310 --> 00:26:22,799

your immune system has been exposed to

727

00:26:27,029 --> 00:26:24,320

pretty much everything that's going to

728

00:26:28,870 --> 00:26:27,039

get you and i'll tell you now um my

729

00:26:31,110 --> 00:26:28,880

partner had corona

730

00:26:33,029 --> 00:26:31,120

my parents-in-law had corona

731

00:26:35,029 --> 00:26:33,039

i've not had as much as a sniffly nose

732

00:26:36,549 --> 00:26:35,039

of one i've been and i've been exposed

733

00:26:37,830 --> 00:26:36,559

to so i do believe there's something to

734

00:26:39,830 --> 00:26:37,840

be said from being in different

735

00:26:41,590 --> 00:26:39,840

countries and i think that sees a lot

736

00:26:45,269 --> 00:26:41,600

for how dangerous a lockdown is where

737

00:26:50,149 --> 00:26:47,990

fair enough and listen um i'm going to

738

00:26:51,590 --> 00:26:50,159

give you the option here ash we have two

739

00:26:52,950 --> 00:26:51,600

ways to go now and we're going to cover

740

00:26:55,350 --> 00:26:52,960

both anyway

741

00:26:58,390 --> 00:26:55,360

would you as a guest like to cover the

742

00:27:01,590 --> 00:26:58,400

historical cases first in colombia or do

743

00:27:03,590 --> 00:27:01,600

you want to discuss phenomenology

744

00:27:06,070 --> 00:27:03,600

as a star i would like to i think

745

00:27:07,830 --> 00:27:06,080

because it's it's like i'm already

746

00:27:10,950 --> 00:27:07,840

really conscious i hate this is that

747

00:27:13,830 --> 00:27:10,960

it's a that ufo podcast and all we've

748

00:27:15,510 --> 00:27:13,840

heard is me drone on about me there's

749

00:27:17,750 --> 00:27:15,520

seven and a half billion other people

750

00:27:21,029 --> 00:27:17,760

like me so i would far rather get a

751
00:27:22,870 --> 00:27:21,039
break from me talk about classic ufo

752
00:27:25,269 --> 00:27:22,880
cases you know there's things i think

753
00:27:27,510 --> 00:27:25,279
because the last line on your intro

754
00:27:29,990 --> 00:27:27,520
there before you start speaking is

755
00:27:31,269 --> 00:27:30,000
this isn't an american phenomenon it's

756
00:27:32,470 --> 00:27:31,279
worldwide

757
00:27:34,950 --> 00:27:32,480
i think it's a great chance for me to

758
00:27:36,710 --> 00:27:34,960
share maybe two or three really famous

759
00:27:38,149 --> 00:27:36,720
cases in colombia in south america that

760
00:27:39,510 --> 00:27:38,159
no one's gonna have heard before that

761
00:27:41,750 --> 00:27:39,520
have

762
00:27:43,909 --> 00:27:41,760
tie-ins and correlations with famous

763
00:27:46,149 --> 00:27:43,919

people names and things in north america

764

00:27:47,830 --> 00:27:46,159

that's gonna maybe juice up some of your

765

00:27:49,110 --> 00:27:47,840

your listeners to go and research some

766

00:27:50,549 --> 00:27:49,120

new stories

767

00:27:53,669 --> 00:27:50,559

it's that's fine it's something i've

768

00:27:55,269 --> 00:27:53,679

been guilty of is focusing on a lot of

769

00:27:57,110 --> 00:27:55,279

the hearing knows i mean that's a big

770

00:28:00,149 --> 00:27:57,120

part of the podcast but i've really

771

00:28:01,750 --> 00:28:00,159

meant to and in 2022 we will be going

772

00:28:03,350 --> 00:28:01,760

back and looking at other cases

773

00:28:06,389 --> 00:28:03,360

especially from other parts of the world

774

00:28:09,110 --> 00:28:06,399

as well now south america itself as a

775

00:28:11,269 --> 00:28:09,120

continent is a hotbed for ufo activity

776

00:28:14,070 --> 00:28:11,279

and there's a lot of lore over the years

777

00:28:16,230 --> 00:28:14,080

we spoke to undead gaucho on his channel

778

00:28:19,990 --> 00:28:16,240

from his channel last year over about

779

00:28:22,470 --> 00:28:20,000

sightings in argentina um ufos or ovni

780

00:28:24,389 --> 00:28:22,480

is a pronunciation and in south america

781

00:28:27,510 --> 00:28:24,399

and the languages is that right

782

00:28:29,909 --> 00:28:27,520

it's objecto volodor no identificado

783

00:28:32,230 --> 00:28:29,919

which is just object flying not

784

00:28:34,710 --> 00:28:32,240

identified ovany see

785

00:28:36,310 --> 00:28:34,720

awesome i like that um

786

00:28:39,510 --> 00:28:36,320

why do you think

787

00:28:42,630 --> 00:28:39,520

of me ufos seem to be more culturally

788

00:28:44,789 --> 00:28:42,640

accepted in south america than they are

789

00:28:47,110 --> 00:28:44,799

in north america or other parts of the

790

00:28:49,350 --> 00:28:47,120

world

791

00:28:52,710 --> 00:28:49,360

okay

792

00:28:55,190 --> 00:28:52,720

there was a paper written by two

793

00:28:58,070 --> 00:28:55,200

two colombian

794

00:28:59,669 --> 00:28:58,080

scientists based in bristol university

795

00:29:01,110 --> 00:28:59,679

we can maybe google this and get link

796

00:29:03,190 --> 00:29:01,120

for the show notes

797

00:29:04,789 --> 00:29:03,200

recently published called

798

00:29:07,269 --> 00:29:04,799

the chilean

799

00:29:08,470 --> 00:29:07,279

ufo

800

00:29:10,310 --> 00:29:08,480

machine

801
00:29:11,669 --> 00:29:10,320
i believe is the title i'll send it to

802
00:29:13,669 --> 00:29:11,679
you

803
00:29:15,269 --> 00:29:13,679
these two girls looked or the two

804
00:29:17,110 --> 00:29:15,279
scientists looked at

805
00:29:19,990 --> 00:29:17,120
what just this why is there a

806
00:29:21,990 --> 00:29:20,000
susceptibility in chile more so than

807
00:29:24,789 --> 00:29:22,000
even in south america

808
00:29:27,190 --> 00:29:24,799
and one of the the

809
00:29:29,590 --> 00:29:27,200
interesting observations that rose from

810
00:29:32,230 --> 00:29:29,600
their paper was that

811
00:29:33,990 --> 00:29:32,240
you have a nation that's over 90 percent

812
00:29:36,950 --> 00:29:34,000
catholic

813
00:29:40,630 --> 00:29:36,960

so 90 of the people here

814

00:29:41,909 --> 00:29:40,640

believe in spiritual entities

815

00:29:44,389 --> 00:29:41,919

gods

816

00:29:46,389 --> 00:29:44,399

greater beings than themselves there's a

817

00:29:52,950 --> 00:29:46,399

predisposition to

818

00:29:58,389 --> 00:29:56,310

there's a huge jam and a mashup between

819

00:30:00,470 --> 00:29:58,399

ufology and religion

820

00:30:03,669 --> 00:30:00,480

in colombia just now we have religious

821

00:30:07,029 --> 00:30:04,870

not only

822

00:30:08,789 --> 00:30:07,039

are people liable to believe in ufos but

823

00:30:12,230 --> 00:30:08,799

they're liable to believe in other

824

00:30:13,990 --> 00:30:12,240

people that believe in ufos 1982 100

825

00:30:16,549 --> 00:30:14,000

people went vanished

826

00:30:18,070 --> 00:30:16,559

up in our sierra nevada following a ufo

827

00:30:20,149 --> 00:30:18,080

cult leader who told them the mother

828

00:30:22,470 --> 00:30:20,159

ship was coming back for them

829

00:30:24,149 --> 00:30:22,480

you can google this this is famous so

830

00:30:26,070 --> 00:30:24,159

these hundred people vanished in the

831

00:30:28,230 --> 00:30:26,080

mountains perished

832

00:30:30,789 --> 00:30:28,240

and it turns out that the ufo the

833

00:30:33,110 --> 00:30:30,799

ufologist the cult leader had taken all

834

00:30:34,830 --> 00:30:33,120

of their homes their

835

00:30:38,230 --> 00:30:34,840

savings their

836

00:30:41,029 --> 00:30:38,240

insurance portfolio is the law

837

00:30:43,269 --> 00:30:41,039

so there's a real susceptibility to for

838

00:30:46,149 --> 00:30:43,279

people to believe in

839

00:30:48,630 --> 00:30:46,159

this supernatural here and i think it is

840

00:30:49,430 --> 00:30:48,640

because of that religious doctination

841

00:30:51,350 --> 00:30:49,440

that

842

00:30:53,029 --> 00:30:51,360

anything is possible you know to believe

843

00:30:54,630 --> 00:30:53,039

in that god or to believe in anything

844

00:30:56,870 --> 00:30:54,640

else there's no

845

00:30:58,470 --> 00:30:56,880

sort of empiric empirical evidence for

846

00:31:00,870 --> 00:30:58,480

you've got to be open for a leap of

847

00:31:03,110 --> 00:31:00,880

faith and i think it's that people here

848

00:31:05,269 --> 00:31:03,120

have got this absolute

849

00:31:07,750 --> 00:31:05,279

willingness to take that leap of faith

850

00:31:10,789 --> 00:31:07,760

where people from our culture are much

851
00:31:13,750 --> 00:31:10,799
more terrified to do to do that

852
00:31:15,830 --> 00:31:13,760
and does that translate to the the media

853
00:31:18,310 --> 00:31:15,840
as well in south america and colombia

854
00:31:19,830 --> 00:31:18,320
yeah there's a real interesting thing

855
00:31:21,990 --> 00:31:19,840
here where

856
00:31:25,350 --> 00:31:22,000
at the moment i you know one of our

857
00:31:27,669 --> 00:31:25,360
platinum platform is uap colombia nobody

858
00:31:29,909 --> 00:31:27,679
has a clue what this uep is there isn't

859
00:31:32,630 --> 00:31:29,919
a uep here it's still the ovni and only

860
00:31:33,750 --> 00:31:32,640
the offnay they have lost phenomenas

861
00:31:35,509 --> 00:31:33,760
which are

862
00:31:37,669 --> 00:31:35,519
the phenomenon so

863
00:31:40,149 --> 00:31:37,679

everything that's unexplainable they put

864

00:31:41,190 --> 00:31:40,159

into the phenomenon bracket but

865

00:31:44,549 --> 00:31:41,200

it's

866

00:31:46,630 --> 00:31:44,559

either ufo or not ufo there is and they

867

00:31:49,830 --> 00:31:46,640

are always alien it's never

868

00:31:52,470 --> 00:31:49,840

it's always and here you go el tiempo lp

869

00:31:55,990 --> 00:31:52,480

price all of the headlines

870

00:31:59,029 --> 00:31:56,000

it's all of me and it's it's never

871

00:32:00,870 --> 00:31:59,039

do they exist as this evidence is this

872

00:32:03,590 --> 00:32:00,880

proof it's always

873

00:32:05,669 --> 00:32:03,600

more evidence another layer

874

00:32:07,750 --> 00:32:05,679

here's another thing

875

00:32:09,830 --> 00:32:07,760

with the countries in

876

00:32:12,149 --> 00:32:09,840

real need of a solid what you call a

877

00:32:13,509 --> 00:32:12,159

public facing skeptic i think because

878

00:32:16,470 --> 00:32:13,519

there's this

879

00:32:18,389 --> 00:32:16,480

wholesome belief in ufos being from

880

00:32:20,230 --> 00:32:18,399

other planets and i

881

00:32:22,789 --> 00:32:20,240

personally think that maybe

882

00:32:25,830 --> 00:32:22,799

to be so conclusive is keep closing

883

00:32:26,630 --> 00:32:25,840

doors and other possibilities

884

00:32:29,269 --> 00:32:26,640

and

885

00:32:30,950 --> 00:32:29,279

do the people are they happy with where

886

00:32:33,430 --> 00:32:30,960

they're at with their understanding of

887

00:32:36,070 --> 00:32:33,440

the phenomenon and that they think it's

888

00:32:36,950 --> 00:32:36,080

always more evidence or is there a push

889

00:32:39,830 --> 00:32:36,960

for

890

00:32:42,230 --> 00:32:39,840

believe

891

00:32:43,909 --> 00:32:42,240

yeah there's this drive just now here

892

00:32:45,269 --> 00:32:43,919

like there is all over the world for

893

00:32:47,269 --> 00:32:45,279

governments to start releasing

894

00:32:48,950 --> 00:32:47,279

documentation to start releasing

895

00:32:50,549 --> 00:32:48,960

findings but you know we can cover a

896

00:32:52,470 --> 00:32:50,559

couple of cases here but what's really

897

00:32:54,549 --> 00:32:52,480

interesting in colombia is

898

00:32:58,070 --> 00:32:54,559

colombia represents north america's

899

00:33:00,310 --> 00:32:58,080

strongest military ally in south america

900

00:33:03,509 --> 00:33:00,320

so the american navy and the colombian

901
00:33:07,909 --> 00:33:03,519
navy do joint exercises along there in

902
00:33:09,430 --> 00:33:07,919
the caribbean and the pacific coasts now

903
00:33:10,789 --> 00:33:09,440
i'm going to show you some examples of

904
00:33:12,149 --> 00:33:10,799
this but

905
00:33:14,149 --> 00:33:12,159
advanced

906
00:33:16,389 --> 00:33:14,159
drone technology

907
00:33:18,549 --> 00:33:16,399
from north american navy has been tested

908
00:33:20,789 --> 00:33:18,559
here for at least 20 years

909
00:33:23,990 --> 00:33:20,799
in it's called plan columbia back in

910
00:33:25,830 --> 00:33:24,000
2000 president bill clinton signed off

911
00:33:28,230 --> 00:33:25,840
plan colombia and this was an effort to

912
00:33:31,509 --> 00:33:28,240
fund colombia to train the military and

913
00:33:33,590 --> 00:33:31,519

the paramilitaries to try and cease

914

00:33:35,350 --> 00:33:33,600

cocaine growth not so much production

915

00:33:36,230 --> 00:33:35,360

would just actually stop the plant

916

00:33:39,590 --> 00:33:36,240

growth

917

00:33:42,310 --> 00:33:39,600

so at that time northrop grumman all the

918

00:33:44,870 --> 00:33:42,320

big u.s military producers were flying

919

00:33:47,190 --> 00:33:44,880

through some seriously advanced drones

920

00:33:48,870 --> 00:33:47,200

across colombian airspace because

921

00:33:50,470 --> 00:33:48,880

it's easier to fly a drone across a

922

00:33:53,750 --> 00:33:50,480

jungle in colombia than it is to fly

923

00:33:56,070 --> 00:33:53,760

over a block of houses or indeed of an

924

00:33:58,389 --> 00:33:56,080

army training ground of california they

925

00:34:01,350 --> 00:33:58,399

get spotted too often

926
00:34:04,070 --> 00:34:01,360
however colombia is ingrained with this

927
00:34:06,470 --> 00:34:04,080
whole sort of drive for

928
00:34:09,270 --> 00:34:06,480
you know disclosure they call it so here

929
00:34:11,430 --> 00:34:09,280
last week a famous actor um no two weeks

930
00:34:14,790 --> 00:34:11,440
ago it was his name was

931
00:34:16,629 --> 00:34:14,800
escolar his surname leaves me

932
00:34:19,430 --> 00:34:16,639
he's like um

933
00:34:21,669 --> 00:34:19,440
a bernie winters of colombian comedy

934
00:34:23,349 --> 00:34:21,679
here right this sort of class guy so i

935
00:34:26,230 --> 00:34:23,359
don't know if you saw it on the internet

936
00:34:29,270 --> 00:34:26,240
it went viral on ufo twitter he posted a

937
00:34:31,909 --> 00:34:29,280
picture of a ufo at bogota airport

938
00:34:33,510 --> 00:34:31,919

so i sent that to mick weston he had had

939

00:34:35,430 --> 00:34:33,520

it from about 100 different people

940

00:34:37,669 --> 00:34:35,440

before i sent it to him

941

00:34:39,829 --> 00:34:37,679

and within hours he had a video there

942

00:34:41,909 --> 00:34:39,839

explaining showing that eight frames in

943

00:34:44,470 --> 00:34:41,919

this was quite clearly

944

00:34:46,470 --> 00:34:44,480

called moscow here a fly and you know it

945

00:34:49,909 --> 00:34:46,480

didn't take a rocket scientist to work

946

00:34:51,829 --> 00:34:49,919

out that it was a flag in this case

947

00:34:53,349 --> 00:34:51,839

so i sent this to the actor in colombia

948

00:34:56,069 --> 00:34:53,359

he wasn't too impressed with this all

949

00:34:57,990 --> 00:34:56,079

right through uap colombia and

950

00:34:58,870 --> 00:34:58,000

then a week later just there a few days

951
00:35:01,270 --> 00:34:58,880
ago

952
00:35:02,470 --> 00:35:01,280
he goes and publishes the same video

953
00:35:04,950 --> 00:35:02,480
again

954
00:35:06,710 --> 00:35:04,960
mr west you missed something lo and

955
00:35:08,870 --> 00:35:06,720
behold there's another

956
00:35:12,150 --> 00:35:08,880
flying object at the top of that very

957
00:35:14,150 --> 00:35:12,160
film which is quite clearly another fly

958
00:35:16,150 --> 00:35:14,160
but to him it's like you know the

959
00:35:17,829 --> 00:35:16,160
skeptics missed this they're so stupid

960
00:35:20,150 --> 00:35:17,839
they couldn't even see this damn two

961
00:35:22,069 --> 00:35:20,160
ufos everyone here is on the streets

962
00:35:25,190 --> 00:35:22,079
with flags because it's

963
00:35:27,349 --> 00:35:25,200

more ufos they don't see flies here

964

00:35:29,750 --> 00:35:27,359

i'm going to tell you i keep i just get

965

00:35:31,430 --> 00:35:29,760

shocked like uap colombia

966

00:35:32,950 --> 00:35:31,440

seven thousand followers i think on the

967

00:35:35,349 --> 00:35:32,960

instagram channel

968

00:35:37,349 --> 00:35:35,359

if i post a picture for if somebody said

969

00:35:39,190 --> 00:35:37,359

we get lots and lots of sighting centers

970

00:35:40,470 --> 00:35:39,200

so do a quick video analysis you do a

971

00:35:42,550 --> 00:35:40,480

breakdown

972

00:35:45,510 --> 00:35:42,560

and post what it is

973

00:35:49,829 --> 00:35:45,520

if i frame the suggestion the video the

974

00:35:52,390 --> 00:35:49,839

film that responds to this video as

975

00:35:54,310 --> 00:35:52,400

what do you think this is i'm gonna get

976

00:35:56,630 --> 00:35:54,320

a ton of people delighted all

977

00:35:59,430 --> 00:35:56,640

interacting telling me this is the nazi

978

00:36:04,150 --> 00:35:59,440

bell quite clearly interdimensional

979

00:36:06,230 --> 00:36:04,160

ladies right yeah if i say

980

00:36:07,829 --> 00:36:06,240

this is quite clearly a large marketing

981

00:36:10,470 --> 00:36:07,839

balloon that got released for medicine

982

00:36:12,630 --> 00:36:10,480

football stadium i lose 75 followers

983

00:36:14,550 --> 00:36:12,640

that day

984

00:36:16,710 --> 00:36:14,560

so it's really it's a real juxtaposition

985

00:36:18,069 --> 00:36:16,720

it's like what you're trying to do with

986

00:36:19,990 --> 00:36:18,079

uap

987

00:36:21,910 --> 00:36:20,000

is what you said there is this middle

988

00:36:23,510 --> 00:36:21,920

place now is where

989

00:36:25,670 --> 00:36:23,520

there's two factions right this is

990

00:36:27,270 --> 00:36:25,680

almost like american politics where

991

00:36:29,589 --> 00:36:27,280

you've got your believers and your

992

00:36:31,270 --> 00:36:29,599

non-believers and arguably just now the

993

00:36:33,990 --> 00:36:31,280

non-believers and the skeptics are

994

00:36:35,589 --> 00:36:34,000

angrier and more vicious than any of the

995

00:36:36,870 --> 00:36:35,599

believers in the ufo community if you

996

00:36:38,470 --> 00:36:36,880

notice that

997

00:36:40,069 --> 00:36:38,480

but there's also something hilarious

998

00:36:41,670 --> 00:36:40,079

that's going on that maybe you haven't

999

00:36:42,710 --> 00:36:41,680

seen this from the inside but it's clear

1000

00:36:45,829 --> 00:36:42,720

to me

1001

00:36:49,190 --> 00:36:45,839

what's developed in the online ufo

1002

00:36:51,670 --> 00:36:49,200

community is that you are you represent

1003

00:36:52,950 --> 00:36:51,680

the hardest core group of ufo skeptics

1004

00:36:55,750 --> 00:36:52,960

on the planet

1005

00:36:58,230 --> 00:36:55,760

there's no bigger a skeptic nowadays in

1006

00:37:00,550 --> 00:36:58,240

the ufo phenomenon all you got to do is

1007

00:37:02,870 --> 00:37:00,560

put a photograph or a video of what you

1008

00:37:04,710 --> 00:37:02,880

say as a ufo and ufo twitter you're

1009

00:37:07,030 --> 00:37:04,720

going to get yourself toward a new

1010

00:37:09,670 --> 00:37:07,040

backside tomorrow right no one's having

1011

00:37:11,829 --> 00:37:09,680

it yeah no one's having a tic tac so

1012

00:37:13,589 --> 00:37:11,839

it's it's there's this really really

1013

00:37:16,710 --> 00:37:13,599

interesting group of folk

1014

00:37:19,829 --> 00:37:16,720

that are all demanding more than even

1015

00:37:22,390 --> 00:37:19,839

ufos from within ufology

1016

00:37:24,150 --> 00:37:22,400

the assumption is that there aren't ufos

1017

00:37:26,150 --> 00:37:24,160

anymore there's almost a call out for

1018

00:37:27,190 --> 00:37:26,160

something much much greater than that as

1019

00:37:36,310 --> 00:37:27,200

in

1020

00:37:39,349 --> 00:37:36,320

world first then

1021

00:37:41,589 --> 00:37:39,359

you know joe biden signed off this new

1022

00:37:43,829 --> 00:37:41,599

this new sort of historical document

1023

00:37:45,990 --> 00:37:43,839

that

1024

00:37:48,710 --> 00:37:46,000

you're just out on an island if you dare

1025

00:37:51,510 --> 00:37:48,720

say that there's that nothing exists if

1026
00:37:53,670 --> 00:37:51,520
you dare say this is all

1027
00:37:56,069 --> 00:37:53,680
bags balloons

1028
00:37:58,630 --> 00:37:56,079
glare

1029
00:38:00,069 --> 00:37:58,640
phosphine clouds inside your brain from

1030
00:38:01,030 --> 00:38:00,079
light that didn't actually come through

1031
00:38:02,790 --> 00:38:01,040
your eye

1032
00:38:04,069 --> 00:38:02,800
these are all really problematic now

1033
00:38:06,710 --> 00:38:04,079
because you've got the biggest most

1034
00:38:09,990 --> 00:38:06,720
powerful people in the world all seen

1035
00:38:11,670 --> 00:38:10,000
there is a thing there's a thing

1036
00:38:13,829 --> 00:38:11,680
because it's

1037
00:38:15,109 --> 00:38:13,839
they think it's a thing right

1038
00:38:16,710 --> 00:38:15,119

it's things that people are talking

1039

00:38:18,710 --> 00:38:16,720

about and that's what people see here is

1040

00:38:21,829 --> 00:38:18,720

things they don't see just lights here

1041

00:38:24,069 --> 00:38:21,839

they see desks and they describe

1042

00:38:25,430 --> 00:38:24,079

all sorts of things so colombia is going

1043

00:38:27,829 --> 00:38:25,440

through this sort of

1044

00:38:29,430 --> 00:38:27,839

incredible place just now where it's

1045

00:38:31,430 --> 00:38:29,440

getting nothing from the government

1046

00:38:32,950 --> 00:38:31,440

because it's all american

1047

00:38:35,670 --> 00:38:32,960

secrets you know doesn't the government

1048

00:38:36,950 --> 00:38:35,680

here don't even have a system for pilots

1049

00:38:39,109 --> 00:38:36,960

reporting

1050

00:38:40,710 --> 00:38:39,119

ufo phenomenon that's actually would be

1051
00:38:44,230 --> 00:38:40,720
an amazing place for me to tell you the

1052
00:38:45,829 --> 00:38:44,240
first story about the last piles

1053
00:38:48,150 --> 00:38:45,839
let me tell you i'm gonna back i was

1054
00:38:49,270 --> 00:38:48,160
gonna go back to the 60s to begin this

1055
00:38:51,190 --> 00:38:49,280
and

1056
00:38:52,630 --> 00:38:51,200
so you know

1057
00:38:55,109 --> 00:38:52,640
what you're not going to see in any of

1058
00:38:57,349 --> 00:38:55,119
these stories you can ask me anytime you

1059
00:38:58,630 --> 00:38:57,359
want my own personal opinion

1060
00:39:00,230 --> 00:38:58,640
that's not going to come into i'm going

1061
00:39:01,750 --> 00:39:00,240
to give you the facts what happened

1062
00:39:02,630 --> 00:39:01,760
what's been reported and where you can

1063
00:39:05,990 --> 00:39:02,640

go

1064

00:39:08,950 --> 00:39:06,950

in

1065

00:39:10,710 --> 00:39:08,960

february 2020

1066

00:39:11,990 --> 00:39:10,720

okay so we're only talking less than two

1067

00:39:15,430 --> 00:39:12,000

years ago

1068

00:39:20,069 --> 00:39:15,440

maria alvarez is a 64 year old retired

1069

00:39:22,069 --> 00:39:20,079

captain from the colombian air force

1070

00:39:24,390 --> 00:39:22,079

she picks up the phone

1071

00:39:27,030 --> 00:39:24,400

after serving 30 years an extended

1072

00:39:29,829 --> 00:39:27,040

service in audiophonics in the in the

1073

00:39:30,870 --> 00:39:29,839

air force she phones ltempo's newspaper

1074

00:39:32,950 --> 00:39:30,880

and said

1075

00:39:35,109 --> 00:39:32,960

i need to report something bizarre that

1076

00:39:38,470 --> 00:39:35,119

happened to me last night

1077

00:39:41,349 --> 00:39:38,480

uh columbian filmmaker roberto gavin

1078

00:39:43,990 --> 00:39:41,359

drove to her house in ten ho which is

1079

00:39:45,510 --> 00:39:44,000

five miles that way down we'll go back

1080

00:39:48,310 --> 00:39:45,520

to that five miles from where i'm

1081

00:39:50,150 --> 00:39:48,320

sitting just now this occurred

1082

00:39:52,470 --> 00:39:50,160

the filmmaker turned up for the tv

1083

00:39:54,550 --> 00:39:52,480

channel switched his

1084

00:39:56,950 --> 00:39:54,560

recorder on and she was standing in her

1085

00:39:58,150 --> 00:39:56,960

field outside her farmhouse just down

1086

00:40:02,390 --> 00:39:58,160

the valley

1087

00:40:07,750 --> 00:40:04,950

she said i was sleeping last night i go

1088

00:40:10,710 --> 00:40:07,760

to i put my pajamas on at 9 30 i go to

1089

00:40:13,270 --> 00:40:10,720

bed at 10 i was sleeping my door got

1090

00:40:16,710 --> 00:40:13,280

knocked at 10 45

1091

00:40:18,870 --> 00:40:16,720

my f chief farmer said senora senora

1092

00:40:21,270 --> 00:40:18,880

there's a light in the garden

1093

00:40:23,510 --> 00:40:21,280

and she said she put on her night robe

1094

00:40:25,430 --> 00:40:23,520

ran out into the garden it's just

1095

00:40:28,950 --> 00:40:25,440

recently

1096

00:40:31,510 --> 00:40:28,960

she said she looked up and saw nothing

1097

00:40:33,190 --> 00:40:31,520

but by that time 13

1098

00:40:34,790 --> 00:40:33,200

of the farmers and their family had

1099

00:40:37,349 --> 00:40:34,800

gathered in her garden and they were

1100

00:40:39,829 --> 00:40:37,359

pointing at this mountain la pena de

1101

00:40:42,309 --> 00:40:39,839

weica behind me

1102

00:40:45,750 --> 00:40:42,319

and she said on camera

1103

00:40:48,150 --> 00:40:45,760

i watched a tic tac oval shaped ufo

1104

00:40:50,470 --> 00:40:48,160

circling la pena de weica

1105

00:40:51,670 --> 00:40:50,480

for 21

1106

00:40:53,430 --> 00:40:51,680

minutes

1107

00:40:55,190 --> 00:40:53,440

with 13 people

1108

00:40:56,630 --> 00:40:55,200

they were all interviewed

1109

00:40:59,670 --> 00:40:56,640

they all told

1110

00:41:03,109 --> 00:40:59,680

of the tic tac shaped ufo circling la

1111

00:41:04,829 --> 00:41:03,119

pena de waca for 21

1112

00:41:07,990 --> 00:41:04,839

minutes

1113

00:41:10,230 --> 00:41:08,000

then she said they were lying down

1114

00:41:12,150 --> 00:41:10,240

watch because when it passed overhead

1115

00:41:13,270 --> 00:41:12,160

she said it gave off an effervescent

1116

00:41:15,109 --> 00:41:13,280

light

1117

00:41:17,750 --> 00:41:15,119

not like as if it was emitted from a

1118

00:41:19,430 --> 00:41:17,760

street light but rather as if it was

1119

00:41:22,230 --> 00:41:19,440

trying to come out and going back in she

1120

00:41:23,190 --> 00:41:22,240

said it was a light within itself didn't

1121

00:41:24,550 --> 00:41:23,200

throw

1122

00:41:25,750 --> 00:41:24,560

and

1123

00:41:28,069 --> 00:41:25,760

she said

1124

00:41:30,630 --> 00:41:28,079

that they all lay down and when they

1125

00:41:33,030 --> 00:41:30,640

went to stand up it stopped about a

1126
00:41:34,630 --> 00:41:33,040
hundred meters above their house

1127
00:41:36,150 --> 00:41:34,640
it dulled

1128
00:41:40,150 --> 00:41:36,160
and they said it

1129
00:41:43,430 --> 00:41:40,160
vanished into the air straight vertical

1130
00:41:46,390 --> 00:41:43,440
13 people plus her was the last time a

1131
00:41:49,030 --> 00:41:46,400
colombian air force captain came forward

1132
00:41:51,670 --> 00:41:49,040
and did something like this but this is

1133
00:41:54,870 --> 00:41:51,680
a remarkable it's not a

1134
00:41:57,510 --> 00:41:54,880
five-second flash in the dark

1135
00:41:59,430 --> 00:41:57,520
she only did the one interview

1136
00:42:01,670 --> 00:41:59,440
she won't even reply to me when i asked

1137
00:42:02,950 --> 00:42:01,680
her for an interview for uap columbia

1138
00:42:04,470 --> 00:42:02,960

she did it

1139

00:42:06,630 --> 00:42:04,480

got it out of the way

1140

00:42:09,430 --> 00:42:06,640

and that's it but it's isn't that just

1141

00:42:11,349 --> 00:42:09,440

quite something that we would have this

1142

00:42:12,470 --> 00:42:11,359

same visual

1143

00:42:14,829 --> 00:42:12,480

report

1144

00:42:17,030 --> 00:42:14,839

from a pilot of a this

1145

00:42:18,710 --> 00:42:17,040

tic-tac-oval-shaped ufo that seems to be

1146

00:42:20,870 --> 00:42:18,720

so now here you go

1147

00:42:22,309 --> 00:42:20,880

i'm a filmmaker photographer and i'm

1148

00:42:23,430 --> 00:42:22,319

gonna i know a lot of your people are

1149

00:42:24,710 --> 00:42:23,440

gonna pull their hair out when i say

1150

00:42:27,030 --> 00:42:24,720

this and they're not gonna like me and

1151

00:42:29,510 --> 00:42:27,040

they might even switch off

1152

00:42:32,710 --> 00:42:29,520

and for fun show people here how to make

1153

00:42:35,670 --> 00:42:32,720

tic tac ufos with camera focus

1154

00:42:37,829 --> 00:42:35,680

a photograph la pena de waca in focus

1155

00:42:39,270 --> 00:42:37,839

when we see a helicopter going over it

1156

00:42:42,550 --> 00:42:39,280

and what i do i'll show nadi this

1157

00:42:44,550 --> 00:42:42,560

morning is focus on la pena de waca

1158

00:42:46,870 --> 00:42:44,560

take the to focus on the helicopter take

1159

00:42:49,030 --> 00:42:46,880

the shot the mountain's out of focus

1160

00:42:51,030 --> 00:42:49,040

focus on the mountain the helicopter

1161

00:42:52,710 --> 00:42:51,040

turns into a tic tac it's incredible

1162

00:42:53,430 --> 00:42:52,720

it's not as good as you do with a plane

1163

00:42:56,069 --> 00:42:53,440

so

1164

00:42:59,109 --> 00:42:56,079

i know how

1165

00:43:03,030 --> 00:42:59,119

be

1166

00:43:04,630 --> 00:43:03,040

misinterpreted if the vocal range is

1167

00:43:06,150 --> 00:43:04,640

wrong and whatnot

1168

00:43:08,230 --> 00:43:06,160

but this isn't to do with the camera

1169

00:43:10,230 --> 00:43:08,240

this is they saw something in the sky

1170

00:43:13,270 --> 00:43:10,240

surrounding this mountain that's here

1171

00:43:15,190 --> 00:43:13,280

which isn't unusual it's the center of

1172

00:43:17,750 --> 00:43:15,200

lots and lots of phenomenas we'll come

1173

00:43:20,390 --> 00:43:17,760

back to however that's a really recent

1174

00:43:22,470 --> 00:43:20,400

ufo report from colombia from what you

1175

00:43:23,670 --> 00:43:22,480

would call a i don't know if you know we

1176

00:43:26,870 --> 00:43:23,680

should say

1177

00:43:28,390 --> 00:43:26,880

military eyewitnesses are better than

1178

00:43:29,589 --> 00:43:28,400

public eyewitnesses and i don't know if

1179

00:43:31,670 --> 00:43:29,599

i go with that because we all have the

1180

00:43:34,390 --> 00:43:31,680

same eyes and you know david fravor has

1181

00:43:35,510 --> 00:43:34,400

never been taught how to identify a ufo

1182

00:43:36,870 --> 00:43:35,520

neither has

1183

00:43:38,230 --> 00:43:36,880

my next door neighbor you know so i

1184

00:43:39,430 --> 00:43:38,240

don't know if they're better but what

1185

00:43:41,270 --> 00:43:39,440

they are is

1186

00:43:43,510 --> 00:43:41,280

they're probably more considered because

1187

00:43:45,510 --> 00:43:43,520

they've spent a career

1188

00:43:47,589 --> 00:43:45,520

where their what they see is quite

1189

00:43:49,829 --> 00:43:47,599

critical to other people's lives you

1190

00:43:53,430 --> 00:43:49,839

know did i see that or didn't i

1191

00:43:55,750 --> 00:43:53,440

was that a tanker wasn't a tank it's so

1192

00:43:57,670 --> 00:43:55,760

when i heard her when you see her

1193

00:44:00,470 --> 00:43:57,680

she's great and she just comes across

1194

00:44:02,230 --> 00:44:00,480

this really flirty thing and all of her

1195

00:44:03,750 --> 00:44:02,240

farmers they all tell people around town

1196

00:44:05,829 --> 00:44:03,760

about the light they all call it the

1197

00:44:08,470 --> 00:44:05,839

light which she claims it was the solid

1198

00:44:10,390 --> 00:44:08,480

object that was giving off a light so

1199

00:44:11,270 --> 00:44:10,400

yeah there you go

1200

00:44:12,950 --> 00:44:11,280

now

1201

00:44:15,030 --> 00:44:12,960

fascinating case and i love i love

1202

00:44:17,190 --> 00:44:15,040

hearing any sort of eyewitness testimony

1203

00:44:21,030 --> 00:44:17,200

especially when you have what a total of

1204

00:44:26,069 --> 00:44:21,040

14 people 13 plus the captain herself

1205

00:44:27,750 --> 00:44:26,079

21 minute long incident in in 2019 2020

1206

00:44:29,109 --> 00:44:27,760

did none of them have a camera phone

1207

00:44:31,190 --> 00:44:29,119

which i know will be the first thing

1208

00:44:33,430 --> 00:44:31,200

people are thinking themselves did no

1209

00:44:34,950 --> 00:44:33,440

one film it or take a picture of the

1210

00:44:37,270 --> 00:44:34,960

incident but is that not something they

1211

00:44:38,790 --> 00:44:37,280

have no

1212

00:44:40,790 --> 00:44:38,800

um so

1213

00:44:42,390 --> 00:44:40,800

my wife thinks that this is reason that

1214

00:44:43,910 --> 00:44:42,400

she's not replied to me because i just

1215

00:44:46,069 --> 00:44:43,920

said i said could you send me some

1216

00:44:48,309 --> 00:44:46,079

footage surely

1217

00:44:50,550 --> 00:44:48,319

one of you had to to get the camera out

1218

00:44:52,390 --> 00:44:50,560

i said i'd love to see it and review it

1219

00:44:54,150 --> 00:44:52,400

and i pushed and basic i said things

1220

00:44:55,589 --> 00:44:54,160

like while it's bound to be dark and

1221

00:44:58,150 --> 00:44:55,599

maybe a bit out of focus we could really

1222

00:45:00,309 --> 00:44:58,160

do wonders with that and she just didn't

1223

00:45:02,309 --> 00:45:00,319

i needed i thought to myself this is the

1224

00:45:04,870 --> 00:45:02,319

one weakness in the whole thing

1225

00:45:07,030 --> 00:45:04,880

however

1226
00:45:09,270 --> 00:45:07,040
here's my suspicions all right not that

1227
00:45:12,150 --> 00:45:09,280
i know but

1228
00:45:14,630 --> 00:45:12,160
we do know that

1229
00:45:16,150 --> 00:45:14,640
three weeks ago the colombian military

1230
00:45:18,470 --> 00:45:16,160
and the american navy that was the

1231
00:45:20,630 --> 00:45:18,480
colombian movie and american navy farc

1232
00:45:23,190 --> 00:45:20,640
they announced this

1233
00:45:24,870 --> 00:45:23,200
really really state-of-the-art drone

1234
00:45:27,589 --> 00:45:24,880
that's been getting tested here for two

1235
00:45:30,309 --> 00:45:27,599
years and it's called art kim badger

1236
00:45:32,230 --> 00:45:30,319
it's a five meter drone

1237
00:45:35,109 --> 00:45:32,240
and the thing has some kind of paint on

1238
00:45:37,270 --> 00:45:35,119

it and some kind of effervescent waves

1239

00:45:39,750 --> 00:45:37,280

so when it's filmed

1240

00:45:40,950 --> 00:45:39,760

it can distort its shape like the blue

1241

00:45:42,550 --> 00:45:40,960

birds

1242

00:45:44,069 --> 00:45:42,560

these um

1243

00:45:46,390 --> 00:45:44,079

stealth bombers

1244

00:45:47,510 --> 00:45:46,400

so i wonder

1245

00:45:50,309 --> 00:45:47,520

if

1246

00:45:52,230 --> 00:45:50,319

they saw some kind this drone possibly

1247

00:45:53,430 --> 00:45:52,240

been being tested

1248

00:45:54,710 --> 00:45:53,440

but then

1249

00:45:56,390 --> 00:45:54,720

you know

1250

00:45:57,510 --> 00:45:56,400

here's the thing and we're going to

1251

00:45:59,510 --> 00:45:57,520

start talking about the coming

1252

00:46:01,109 --> 00:45:59,520

documentary but gotta note this down

1253

00:46:03,349 --> 00:46:01,119

we'll come back to this is

1254

00:46:05,430 --> 00:46:03,359

the what we need to do with this is

1255

00:46:07,589 --> 00:46:05,440

we know where she said it circled round

1256

00:46:09,589 --> 00:46:07,599

the mountain okay we know exactly where

1257

00:46:11,589 --> 00:46:09,599

she said the extent was actually she

1258

00:46:14,470 --> 00:46:11,599

clean over the top of her house right

1259

00:46:16,790 --> 00:46:14,480

here as it's doing its rotundo

1260

00:46:18,150 --> 00:46:16,800

i reckon if she said they saw it for 21

1261

00:46:21,030 --> 00:46:18,160

minutes and they claimed it passed

1262

00:46:23,750 --> 00:46:21,040

between 16 and 20 times we could do we

1263

00:46:26,470 --> 00:46:23,760

could calculate how fast it was going

1264

00:46:28,550 --> 00:46:26,480

with how many times it was seen on this

1265

00:46:30,630 --> 00:46:28,560

route over 21 minutes

1266

00:46:32,950 --> 00:46:30,640

but we're going to do that together then

1267

00:46:34,230 --> 00:46:32,960

as we'll discuss in a little while

1268

00:46:36,230 --> 00:46:34,240

yeah you're right you could there's

1269

00:46:38,630 --> 00:46:36,240

enough information there that you could

1270

00:46:40,550 --> 00:46:38,640

ease that out of it and then and you

1271

00:46:43,109 --> 00:46:40,560

know at least be able to

1272

00:46:45,589 --> 00:46:43,119

label it as oh this is one of the

1273

00:46:47,430 --> 00:46:45,599

observables or uh on the balance of

1274

00:46:48,790 --> 00:46:47,440

probability this might be a bit prosaic

1275

00:46:50,950 --> 00:46:48,800

you know

1276

00:46:52,630 --> 00:46:50,960

exactly what we know the uf the air

1277

00:46:54,069 --> 00:46:52,640

force announced the arcane badge you can

1278

00:46:56,470 --> 00:46:54,079

go up i think it's 200 kilometers an

1279

00:46:58,230 --> 00:46:56,480

hour 165 is this

1280

00:46:59,430 --> 00:46:58,240

whatever cruising altitude but can go to

1281

00:47:01,510 --> 00:46:59,440

200 so

1282

00:47:04,150 --> 00:47:01,520

we would know a bandwidth to compare and

1283

00:47:06,630 --> 00:47:04,160

if that maybe fell in there however what

1284

00:47:08,390 --> 00:47:06,640

you've got to though is

1285

00:47:11,750 --> 00:47:08,400

um

1286

00:47:14,230 --> 00:47:11,760

it's sustained and here's the thing

1287

00:47:16,550 --> 00:47:14,240

this location is three miles from el

1288

00:47:17,750 --> 00:47:16,560

dorado airport

1289

00:47:19,589 --> 00:47:17,760

you know

1290

00:47:21,829 --> 00:47:19,599

so why would you really have military

1291

00:47:23,349 --> 00:47:21,839

drones flying testing

1292

00:47:25,030 --> 00:47:23,359

you know drones being tested of a habit

1293

00:47:26,390 --> 00:47:25,040

of falling out of the sky would you

1294

00:47:28,150 --> 00:47:26,400

really be doing all that beside the

1295

00:47:30,630 --> 00:47:28,160

airport that was one of the things that

1296

00:47:33,349 --> 00:47:30,640

they were the guys said was it it was on

1297

00:47:35,349 --> 00:47:33,359

massive jam massage this big mainstream

1298

00:47:37,349 --> 00:47:35,359

network ufo channel out here it's on

1299

00:47:38,950 --> 00:47:37,359

every week you guys have got stupid

1300

00:47:41,750 --> 00:47:38,960

baking and dancing programs we've got

1301

00:47:44,870 --> 00:47:41,760

proper hardcore ufo shoes yeah

1302

00:47:46,950 --> 00:47:44,880

so this one massaja um talks about this

1303

00:47:49,030 --> 00:47:46,960

site and they have the farmers and then

1304

00:47:50,829 --> 00:47:49,040

they interview them i'm but you know

1305

00:47:53,990 --> 00:47:50,839

what what

1306

00:47:56,069 --> 00:47:54,000

what's really quite crazy events they're

1307

00:47:58,230 --> 00:47:56,079

all really really insistent that it

1308

00:48:00,150 --> 00:47:58,240

stopped above them

1309

00:48:02,549 --> 00:48:00,160

before it vanished you know and i think

1310

00:48:03,910 --> 00:48:02,559

that's quite spooky because

1311

00:48:05,829 --> 00:48:03,920

even if it's let's just say it's a

1312

00:48:07,430 --> 00:48:05,839

military drone they thought that we live

1313

00:48:10,069 --> 00:48:07,440

in a world where there's

1314

00:48:11,589 --> 00:48:10,079

some geek in some tunnel a kilometer per

1315

00:48:13,510 --> 00:48:11,599

gallon ground

1316

00:48:15,270 --> 00:48:13,520

flying something above folk and having a

1317

00:48:16,710 --> 00:48:15,280

look and stopping and going away i think

1318

00:48:18,390 --> 00:48:16,720

i'd rather they were from physics and

1319

00:48:20,390 --> 00:48:18,400

cheery

1320

00:48:22,470 --> 00:48:20,400

do you know what and we kind of touched

1321

00:48:24,950 --> 00:48:22,480

on it just before ash that

1322

00:48:27,109 --> 00:48:24,960

whether the footage was really dark a

1323

00:48:29,510 --> 00:48:27,119

little pinpoint in the sky in which case

1324

00:48:31,750 --> 00:48:29,520

everyone just dismisses it as you can't

1325

00:48:33,990 --> 00:48:31,760

see anything same i've talked about the

1326

00:48:36,630 --> 00:48:34,000

black triangle i saw back in december

1327

00:48:38,390 --> 00:48:36,640

2019 even if i did take my phone out

1328

00:48:40,710 --> 00:48:38,400

while driving at 70 miles an hour on a

1329

00:48:42,230 --> 00:48:40,720

very narrow road and film it you

1330

00:48:44,230 --> 00:48:42,240

wouldn't have seen what i could see with

1331

00:48:46,069 --> 00:48:44,240

my eyes you would have saw two tiny

1332

00:48:48,390 --> 00:48:46,079

little points of light no triangle and

1333

00:48:50,309 --> 00:48:48,400

just maybe some stars in the background

1334

00:48:52,470 --> 00:48:50,319

maybe through a car windscreen so it

1335

00:48:54,950 --> 00:48:52,480

would have been pointless footage anyway

1336

00:48:56,150 --> 00:48:54,960

but even on the other end of that scale

1337

00:48:57,270 --> 00:48:56,160

if it was

1338

00:49:00,549 --> 00:48:57,280

stunning

1339

00:49:02,710 --> 00:49:00,559

4k 8k footage of what looks to be a tic

1340

00:49:04,790 --> 00:49:02,720

tac flying around there people would

1341

00:49:06,309 --> 00:49:04,800

claim it's too good to be true so i

1342

00:49:08,630 --> 00:49:06,319

don't think any

1343

00:49:11,270 --> 00:49:08,640

members of the public sending in ufo

1344

00:49:13,109 --> 00:49:11,280

footage to anywhere would be trapped

1345

00:49:14,230 --> 00:49:13,119

with the seriousness it would probably

1346

00:49:15,750 --> 00:49:14,240

deserve

1347

00:49:18,069 --> 00:49:15,760

because you're going to get either side

1348

00:49:20,230 --> 00:49:18,079

of the scale of it's not good enough or

1349

00:49:22,309 --> 00:49:20,240

it's too good so it must have been faked

1350

00:49:24,710 --> 00:49:22,319

so it's almost better to have something

1351
00:49:26,309 --> 00:49:24,720
that leaves you with that that vagueness

1352
00:49:29,430 --> 00:49:26,319
and i think that's probably part of the

1353
00:49:31,750 --> 00:49:29,440
reason those you know videos in 2017

1354
00:49:33,990 --> 00:49:31,760
were selected because they're boring

1355
00:49:35,430 --> 00:49:34,000
enough from a military point of view to

1356
00:49:37,589 --> 00:49:35,440
not break any confident

1357
00:49:39,190 --> 00:49:37,599
confidentialities any ndas or anything

1358
00:49:40,790 --> 00:49:39,200
top secret yeah

1359
00:49:42,309 --> 00:49:40,800
but they leave you with a lot of

1360
00:49:44,549 --> 00:49:42,319
questions and i think that's what a lot

1361
00:49:46,710 --> 00:49:44,559
of people love about this subject and

1362
00:49:48,230 --> 00:49:46,720
yeah it's unfortunately there's no other

1363
00:49:49,589 --> 00:49:48,240

evidence but you like to say there's a

1364

00:49:52,230 --> 00:49:49,599

few things you've mentioned there that

1365

00:49:54,390 --> 00:49:52,240

are quite interesting aspects of

1366

00:49:56,710 --> 00:49:54,400

the whole this story is this this is all

1367

00:49:58,950 --> 00:49:56,720

about story i'm a storyteller filmmaker

1368

00:50:00,549 --> 00:49:58,960

author it's story and

1369

00:50:01,430 --> 00:50:00,559

like i'm

1370

00:50:03,510 --> 00:50:01,440

i don't

1371

00:50:05,589 --> 00:50:03,520

sometimes want to see the photos that

1372

00:50:08,069 --> 00:50:05,599

make me then go well no that's obviously

1373

00:50:09,270 --> 00:50:08,079

a drone love i'd rather this story with

1374

00:50:10,790 --> 00:50:09,280

mystery here's the thing we were

1375

00:50:13,829 --> 00:50:10,800

scottish

1376

00:50:16,470 --> 00:50:13,839

the day that our scientist proves nasty

1377

00:50:19,030 --> 00:50:16,480

doesn't or hasn't or couldn't exist

1378

00:50:21,670 --> 00:50:19,040

our nation's tourist industry collapses

1379

00:50:24,630 --> 00:50:21,680

the next day right yeah the it's the

1380

00:50:26,069 --> 00:50:24,640

mystery that keeps the imagination and

1381

00:50:28,549 --> 00:50:26,079

the traditions and the heritage of

1382

00:50:30,150 --> 00:50:28,559

people and nations alive and it's not

1383

00:50:33,030 --> 00:50:30,160

conclusions i'm looking for in any of

1384

00:50:34,790 --> 00:50:33,040

this i'm sharing some great stories from

1385

00:50:36,150 --> 00:50:34,800

fascinating people too it's not the

1386

00:50:37,510 --> 00:50:36,160

fellow down the boozier these are

1387

00:50:39,510 --> 00:50:37,520

captains

1388

00:50:42,230 --> 00:50:39,520

the world seems to love the captain or

1389

00:50:44,710 --> 00:50:42,240

the uf or the naval ufo report right

1390

00:50:47,109 --> 00:50:44,720

this is when i i wrote an article in uep

1391

00:50:50,309 --> 00:50:47,119

columbia about this and i called it hey

1392

00:50:52,390 --> 00:50:50,319

dice drake here's your colombian sister

1393

00:50:53,990 --> 00:50:52,400

because she's a female from the army who

1394

00:50:55,030 --> 00:50:54,000

stepped forward which has with it the

1395

00:50:57,190 --> 00:50:55,040

same

1396

00:50:59,349 --> 00:50:57,200

i'll tell you now not that i know much

1397

00:51:02,549 --> 00:50:59,359

about her personally but when when alex

1398

00:51:05,030 --> 00:51:02,559

died right dietrich came out last year

1399

00:51:06,230 --> 00:51:05,040

publicized what a brave brave thing to

1400

00:51:10,150 --> 00:51:06,240

do

1401

00:51:11,829 --> 00:51:10,160

in such a sometimes acidic

1402

00:51:13,190 --> 00:51:11,839

sort of environment i thought that was

1403

00:51:15,109 --> 00:51:13,200

really good this is what this lady did

1404

00:51:16,630 --> 00:51:15,119

here too she can put her

1405

00:51:17,990 --> 00:51:16,640

she could put her balls in line didn't

1406

00:51:20,150 --> 00:51:18,000

she

1407

00:51:21,510 --> 00:51:20,160

yeah i think alex publicised enough some

1408

00:51:23,589 --> 00:51:21,520

of the

1409

00:51:25,910 --> 00:51:23,599

the abuse or the the annoyance she got

1410

00:51:27,349 --> 00:51:25,920

people getting our phone numbers and

1411

00:51:29,270 --> 00:51:27,359

just what comes along with that and it's

1412

00:51:30,950 --> 00:51:29,280

an incredibly difficult thing to do

1413

00:51:32,630 --> 00:51:30,960

active or you know just leaving the

1414

00:51:35,270 --> 00:51:32,640

military or whatever so it's always

1415

00:51:36,630 --> 00:51:35,280

appreciated and especially um and the

1416

00:51:37,990 --> 00:51:36,640

kind of atmospheres that we have now

1417

00:51:39,990 --> 00:51:38,000

online

1418

00:51:41,990 --> 00:51:40,000

i think what's really important

1419

00:51:43,829 --> 00:51:42,000

for everybody to see with the whole alex

1420

00:51:45,589 --> 00:51:43,839

thing is we don't need to be worshipping

1421

00:51:47,430 --> 00:51:45,599

anyone people lots of people have seen

1422

00:51:48,870 --> 00:51:47,440

things but here's the thing

1423

00:51:52,069 --> 00:51:48,880

lots of people like

1424

00:51:54,069 --> 00:51:52,079

um forever commander david fravor has

1425

00:51:55,750 --> 00:51:54,079

now gone public and he's

1426

00:51:59,670 --> 00:51:55,760

pretty much said

1427

00:52:02,470 --> 00:51:59,680

they tic tacs 2004 incident limits

1428

00:52:05,109 --> 00:52:02,480

are not of this planet he said that

1429

00:52:07,510 --> 00:52:05,119

that's easier to say and to fly your

1430

00:52:10,710 --> 00:52:07,520

flag than it is for what alex dietrich

1431

00:52:12,390 --> 00:52:10,720

did to say i don't know what i saw

1432

00:52:14,150 --> 00:52:12,400

there's not a politician in the world is

1433

00:52:16,390 --> 00:52:14,160

brave enough to say i don't know

1434

00:52:18,470 --> 00:52:16,400

everyone's too quick to feel they should

1435

00:52:19,190 --> 00:52:18,480

have an answer she's put herself out

1436

00:52:20,870 --> 00:52:19,200

there

1437

00:52:23,190 --> 00:52:20,880

and saying she doesn't know what she saw

1438

00:52:25,349 --> 00:52:23,200

which can leave her open to be branded

1439

00:52:26,870 --> 00:52:25,359

cookie cookie whatever you know i think

1440

00:52:29,270 --> 00:52:26,880

that's the brave with it is she was able

1441

00:52:32,069 --> 00:52:29,280

to say experience something without

1442

00:52:33,910 --> 00:52:32,079

feeling the need to try and label it

1443

00:52:35,670 --> 00:52:33,920

absolutely it's a really good point

1444

00:52:38,230 --> 00:52:35,680

that's that's a current incident that's

1445

00:52:40,309 --> 00:52:38,240

been there from the last couple of years

1446

00:52:42,549 --> 00:52:40,319

let's go back to one of those incidents

1447

00:52:44,309 --> 00:52:42,559

from the 60s um again you're choosing

1448

00:52:45,670 --> 00:52:44,319

what you want to go into

1449

00:52:47,190 --> 00:52:45,680

i've got my notes in front of me here

1450

00:52:48,630 --> 00:52:47,200

and the reason i'm gonna and the re i'm

1451
00:52:49,990 --> 00:52:48,640
never gonna i'm gonna tell you stories

1452
00:52:52,549 --> 00:52:50,000
but i think what's important at the

1453
00:52:54,390 --> 00:52:52,559
beginning is that i get the date the

1454
00:52:56,150 --> 00:52:54,400
time and the name of the people write so

1455
00:52:58,150 --> 00:52:56,160
people can play your viewers can go and

1456
00:53:00,470 --> 00:52:58,160
google it then to see because this is an

1457
00:53:01,750 --> 00:53:00,480
hour mainstream thing oh and all of this

1458
00:53:03,430 --> 00:53:01,760
is great because you can google any of

1459
00:53:05,430 --> 00:53:03,440
these names and just tap google

1460
00:53:08,630 --> 00:53:05,440
translate and you have the spanish

1461
00:53:11,910 --> 00:53:08,640
reports so what i think i should do is

1462
00:53:13,990 --> 00:53:11,920
i'm going to go back to um

1463
00:53:15,829 --> 00:53:14,000

so this is great this is what i wanted

1464

00:53:18,790 --> 00:53:15,839

to talk to you about

1465

00:53:21,190 --> 00:53:18,800

project blue book allen g hynix project

1466

00:53:22,710 --> 00:53:21,200

blue book which you're all aware of

1467

00:53:25,430 --> 00:53:22,720

two cases

1468

00:53:27,430 --> 00:53:25,440

in the thousand two hundred so

1469

00:53:29,430 --> 00:53:27,440

1247

1470

00:53:30,710 --> 00:53:29,440

cases two we're in columbia would you

1471

00:53:31,589 --> 00:53:30,720

believe it the appearing project blue

1472

00:53:32,790 --> 00:53:31,599

book

1473

00:53:34,390 --> 00:53:32,800

i think i'm going to talk to you about

1474

00:53:39,109 --> 00:53:34,400

those two cases because they're

1475

00:53:42,549 --> 00:53:40,630

yeah i like that i'll leave that one and

1476

00:53:44,630 --> 00:53:42,559

i like that

1477

00:53:45,670 --> 00:53:44,640

yeah people get attention these days so

1478

00:53:48,150 --> 00:53:45,680

look i'm going to talk to you about

1479

00:53:49,430 --> 00:53:48,160

what's known out here is that ano lima

1480

00:53:54,950 --> 00:53:49,440

incident

1481

00:53:56,790 --> 00:53:54,960

of

1482

00:54:00,549 --> 00:53:56,800

a cercio

1483

00:54:02,710 --> 00:54:00,559

bermudez a cersei bermudez is the victim

1484

00:54:06,790 --> 00:54:02,720

the analyma incident is the name of the

1485

00:54:09,030 --> 00:54:06,800

case so fourth of july 1964

1486

00:54:12,950 --> 00:54:09,040

about 300 miles south of here in a much

1487

00:54:16,950 --> 00:54:15,430

there's a lot of thinkers farm houses

1488

00:54:20,470 --> 00:54:16,960

so a family

1489

00:54:24,630 --> 00:54:20,480

of nine people left bogota one friday

1490

00:54:28,390 --> 00:54:24,640

led by mauricio neko mauricio neko

1491

00:54:34,150 --> 00:54:28,400

appeared in el tiempo in may 219 telling

1492

00:54:39,270 --> 00:54:36,150

this is the first of the project blue

1493

00:54:41,829 --> 00:54:39,280

boot cases

1494

00:54:44,630 --> 00:54:41,839

they were in the farmhouse at 6 15 that

1495

00:54:46,950 --> 00:54:44,640

night on the 4th of july

1496

00:54:48,950 --> 00:54:46,960

and one of the children ran in

1497

00:54:53,589 --> 00:54:48,960

and said there's a light there's a light

1498

00:55:00,549 --> 00:54:57,270

a cersei bermudez and his two nephews

1499

00:55:03,430 --> 00:55:00,559

went into the garden and saw the light

1500

00:55:05,430 --> 00:55:03,440

out comes their cecio's wife the torch

1501
00:55:07,750 --> 00:55:05,440
and he grabbed it and they flashed it up

1502
00:55:11,589 --> 00:55:07,760
the valley at the light

1503
00:55:16,870 --> 00:55:13,109
two hours later

1504
00:55:18,230 --> 00:55:16,880
they went back out to check and see if

1505
00:55:19,589 --> 00:55:18,240
there's light that appeared to be coming

1506
00:55:21,030 --> 00:55:19,599
towards them was anywhere to be seen and

1507
00:55:21,990 --> 00:55:21,040
they couldn't see this anywhere in the

1508
00:55:25,510 --> 00:55:22,000
garden

1509
00:55:27,349 --> 00:55:25,520
so mauricio neko's story has remained

1510
00:55:30,710 --> 00:55:27,359
stable for 50 years and it goes like

1511
00:55:35,510 --> 00:55:33,030
myself and essercio

1512
00:55:39,910 --> 00:55:35,520
my cousin were in the garden

1513
00:55:41,430 --> 00:55:39,920

and the large orange disc descended

1514

00:55:45,829 --> 00:55:41,440

two meters wide

1515

00:55:50,069 --> 00:55:48,069

the girl started screaming and ran out

1516

00:55:52,630 --> 00:55:50,079

from the house and all witnesses stood

1517

00:55:55,270 --> 00:55:52,640

there and watched this white

1518

00:55:57,190 --> 00:55:55,280

they watched it rise and float over and

1519

00:55:59,190 --> 00:55:57,200

orchard

1520

00:56:01,670 --> 00:55:59,200

cercio

1521

00:56:04,870 --> 00:56:01,680

ran through the orchard

1522

00:56:09,430 --> 00:56:04,880

as his brother his cousin mauricio told

1523

00:56:15,109 --> 00:56:12,390

mauricio necco said he watched

1524

00:56:17,270 --> 00:56:15,119

a cerceo for four minutes

1525

00:56:18,309 --> 00:56:17,280

standing underneath this object in the

1526

00:56:20,390 --> 00:56:18,319

sky

1527

00:56:22,710 --> 00:56:20,400

and he was standing with his hands

1528

00:56:24,710 --> 00:56:22,720

open beside him open

1529

00:56:25,430 --> 00:56:24,720

looking at this light and while there

1530

00:56:28,470 --> 00:56:25,440

was

1531

00:56:33,750 --> 00:56:28,480

an orange glow on the desk his brother

1532

00:56:37,349 --> 00:56:35,670

it lasted for four minutes

1533

00:56:39,750 --> 00:56:37,359

and the light vanished

1534

00:56:41,990 --> 00:56:39,760

they didn't see it again

1535

00:56:44,470 --> 00:56:42,000

mauricio in his all of his statements

1536

00:56:46,549 --> 00:56:44,480

said the speed at which it vanished

1537

00:56:48,390 --> 00:56:46,559

he said i am not saying earlier and i'm

1538

00:56:50,950 --> 00:56:48,400

not seeing alien he never has he said it

1539

00:56:52,630 --> 00:56:50,960

was science fiction

1540

00:56:54,470 --> 00:56:52,640

what the way do i vanish for science

1541

00:56:56,230 --> 00:56:54,480

fiction so this is what happens and this

1542

00:56:58,390 --> 00:56:56,240

is why it became a project blue boot

1543

00:57:00,150 --> 00:56:58,400

case

1544

00:57:02,789 --> 00:57:00,160

that night the family went into the

1545

00:57:04,150 --> 00:57:02,799

house they went crazy they boarded up

1546

00:57:06,630 --> 00:57:04,160

the house they boarded up all the

1547

00:57:10,470 --> 00:57:06,640

windows this light terrified them they

1548

00:57:14,390 --> 00:57:12,230

the next morning all the kids get out of

1549

00:57:15,829 --> 00:57:14,400

bed but assertio didn't the cersei was

1550

00:57:17,510 --> 00:57:15,839

on this sofa

1551

00:57:19,750 --> 00:57:17,520

and he wasn't very well

1552

00:57:21,910 --> 00:57:19,760

he was shivering

1553

00:57:24,230 --> 00:57:21,920

and then the next morning a cersei was

1554

00:57:26,470 --> 00:57:24,240

quite definitely ill

1555

00:57:28,069 --> 00:57:26,480

on the third morning of cersei

1556

00:57:30,230 --> 00:57:28,079

bermudez died

1557

00:57:32,150 --> 00:57:30,240

that is all for this week's show thank

1558

00:57:34,230 --> 00:57:32,160

you very much for listening please

1559

00:57:36,870 --> 00:57:34,240

remember to leave the podcaster review

1560

00:57:39,109 --> 00:57:36,880

on your chosen platform you can like

1561

00:57:41,109 --> 00:57:39,119

retweet and subscribe that would all be

1562

00:57:43,270 --> 00:57:41,119

very much appreciated the shows are

1563

00:57:44,789 --> 00:57:43,280

being uploaded onto youtube as we speak

1564

00:57:47,270 --> 00:57:44,799

more and more you can sign up at

1565

00:57:49,990 --> 00:57:47,280

patreon.com forward slash that ufo

1566

00:57:52,230 --> 00:57:50,000

podcast to access shows ad free as well

1567

00:57:54,390 --> 00:57:52,240

please get in touch on twitter facebook

1568

00:57:58,230 --> 00:57:54,400

instagram that ufo podcast

1569

00:58:00,309 --> 00:57:58,240

of course on twitter it's at ufouapam

1570

00:58:03,430 --> 00:58:00,319

and again folks as always keep looking

1571

00:58:24,390 --> 00:58:03,440

up you never know what you might see

1572

00:58:24,400 --> 00:58:30,490

i don't think he expected me

1573

00:58:30,500 --> 00:58:39,510

[Music]

1574

00:59:02,950 --> 00:58:40,950

i can't imagine how it could have been

1575

00:59:06,390 --> 00:59:05,030

was red i helped my boys they thought

1576

00:59:09,550 --> 00:59:06,400

this was noise they thought it was a

1577

00:59:28,630 --> 00:59:18,770

[Music]

1578

00:59:28,640 --> 00:59:33,270

and what's that

1579

01:00:57,750 --> 00:59:38,630

[Music]

1580

01:01:02,220 --> 01:00:57,760

me
