oh my gosh they're all going against the

4
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

5
00:00:23,960 --> 00:00:18,960

sphere where the points of the cube

6
00:00:37,190 --> 00:00:33,220

project unity danny silva and andreas

21

00:01:23,109 --> 00:01:20,560

freeman style and a huge feature all on

22

00:01:25,109 --> 00:01:23,119

remote viewing as well and speaking of

23

00:01:27,270 --> 00:01:25,119

remote viewing or resonance viewing as

24

00:01:30,630 --> 00:01:27,280

we'll be discussing my guest

25

00:01:33,190 --> 00:01:30,640

as a phd in sociology an author musician

26

00:01:35,429 --> 00:01:33,200

resonance viewer and a director among

27

00:01:38,469 --> 00:01:35,439

many many other things i have dr simeon

28

00:01:39,990 --> 00:01:38,479

hein on the show sim how are we today

29

00:01:42,389 --> 00:01:40,000

hey andy thanks for having me here today

30

00:01:44,069 --> 00:01:42,399

how are you i am awesome uh thank you

31

00:01:46,389 --> 00:01:44,079

very much obviously we had to reschedule

32

00:01:47,830 --> 00:01:46,399

this but i've had a ton of people

33

00:01:49,990 --> 00:01:47,840

getting in touch when i said i was going

34

00:01:51,590 --> 00:01:50,000

to be speaking to you on the show so a

35

00:01:53,590 --> 00:01:51,600

lot of people really excited for this

36

00:01:55,030 --> 00:01:53,600

one and even knowing you and listening

37

00:01:56,870 --> 00:01:55,040

to many of your interviews or watching

38

00:01:58,950 --> 00:01:56,880

your youtube channel before it was

39

00:02:01,270 --> 00:01:58,960

really hard for me to kind of pick some

40

00:02:03,590 --> 00:02:01,280

subjects to discuss and what exactly to

41

00:02:05,910 --> 00:02:03,600

discuss and found myself almost spoiled

42

00:02:08,150 --> 00:02:05,920

for choice so there's a lot to get to

43

00:02:10,309 --> 00:02:08,160

some and i want to start learning a

44

00:02:12,229 --> 00:02:10,319

little bit about you as well um there's

45

00:02:13,750 --> 00:02:12,239

so many topics like i said to discuss to

46

00:02:16,790 --> 00:02:13,760

get right into it you started your

47

00:02:19,110 --> 00:02:16,800

training and resonance viewing um at the

48

00:02:20,229 --> 00:02:19,120

farsight institute in 1996 is that

49

00:02:21,990 --> 00:02:20,239

correct

50

00:02:23,990 --> 00:02:22,000

right right right that's how i got

51

00:02:25,430 --> 00:02:24,000

started in it just after i finished

52

00:02:28,150 --> 00:02:25,440

graduate school

53

00:02:30,550 --> 00:02:28,160

what's your story that led you to ending

54

00:02:32,869 --> 00:02:30,560

up at the farsight institute to study

55

00:02:34,949 --> 00:02:32,879

resonance viewing

56

00:02:38,150 --> 00:02:34,959

well i um

57

00:02:40,949 --> 00:02:38,160

i had been in

58

00:02:42,869 --> 00:02:40,959

university teaching statistics as an

59

00:02:45,670 --> 00:02:42,879

assistant professor i decided to take a

60

00:02:48,790 --> 00:02:45,680

break from that and uh i was in boulder

61

00:02:52,949 --> 00:02:48,800

colorado and i heard a

62

00:02:55,830 --> 00:02:52,959

someone named courtney brown on my local

63

00:02:58,470 --> 00:02:55,840

community radio station kgnu

64

00:03:00,949 --> 00:02:58,480

and uh he was talking about what he

65

00:03:03,750 --> 00:03:00,959

called remote viewing and he had written

66

00:03:06,470 --> 00:03:03,760

this book called cosmic voyage and

67

00:03:09,509 --> 00:03:06,480

the things he said seemed so outlandish

68

00:03:11,990 --> 00:03:09,519

and so far-fetched you know based on my

69

00:03:14,470 --> 00:03:12,000

academic training of what i thought

70

00:03:16,149 --> 00:03:14,480

could be real or not real you know

71

00:03:18,229 --> 00:03:16,159

and um

72

00:03:20,390 --> 00:03:18,239

he talked about it you know the military

73

00:03:21,910 --> 00:03:20,400

having used it and that anybody could

74

00:03:24,470 --> 00:03:21,920

really do it and that he was teaching

75

00:03:27,110 --> 00:03:24,480

classes in it and i really thought

76

00:03:29,910 --> 00:03:27,120

either this has to be the biggest hoax

77

00:03:31,270 --> 00:03:29,920

or if it actually is real

78

00:03:33,030 --> 00:03:31,280

it would be a big scientific

79

00:03:35,190 --> 00:03:33,040

breakthrough so

80

00:03:37,190 --> 00:03:35,200

some part of me felt really curious and

81

00:03:38,949 --> 00:03:37,200

i went out and got the book in my local

82

00:03:40,550 --> 00:03:38,959

bookstore i almost put the book back on

83

00:03:42,070 --> 00:03:40,560

the shelf and walked out and just as i

84

00:03:43,670 --> 00:03:42,080

was walking out i thought you know you

85

00:03:46,630 --> 00:03:43,680

really should just check the book out so

86

00:03:47,910 --> 00:03:46,640

i went back got the book and you know

87

00:03:49,190 --> 00:03:47,920

read it and there was a number at the

88

00:03:50,630 --> 00:03:49,200

back of the book and he described you

89

00:03:52,789 --> 00:03:50,640

could come take his courses i called

90

00:03:55,110 --> 00:03:52,799

this 800 number and he called back a few

91

00:03:56,710 --> 00:03:55,120

hours later and said we have one space

92

00:03:58,309 --> 00:03:56,720

left in our class coming up this is

93

00:04:01,509 --> 00:03:58,319

1996.

94

00:04:03,190 --> 00:04:01,519

and i went and took the class uh

95

00:04:05,110 --> 00:04:03,200

and you know i was kind of like an

96

00:04:07,750 --> 00:04:05,120

open-minded skeptic i mean i was open to

97

00:04:10,149 --> 00:04:07,760

the idea that maybe people had abilities

98

00:04:11,509 --> 00:04:10,159

that i had never been told about

99

00:04:13,110 --> 00:04:11,519

that most of us hadn't been told about

100

00:04:14,470 --> 00:04:13,120

or uh

101
00:04:16,710 --> 00:04:14,480
there was something was going to be

102
00:04:18,789 --> 00:04:16,720
discovered here i was just really

103
00:04:21,349 --> 00:04:18,799
curious and i was open

104
00:04:22,950 --> 00:04:21,359
to it being real or not real but i did

105
00:04:25,350 --> 00:04:22,960
find within a couple days it was a

106
00:04:27,030 --> 00:04:25,360
week-long class using these protocols

107
00:04:28,790 --> 00:04:27,040
which had been developed by remote

108
00:04:29,670 --> 00:04:28,800
viewer ingoswan

109
00:04:33,030 --> 00:04:29,680
for

110
00:04:34,870 --> 00:04:33,040
institute

111
00:04:37,189 --> 00:04:34,880
as it was called at the time you know

112
00:04:39,749 --> 00:04:37,199
they had a contract with the american

113
00:04:42,390 --> 00:04:39,759

intelligence agencies to develop

114

00:04:44,790 --> 00:04:42,400

kind of a tool for psychic espionage

115

00:04:47,110 --> 00:04:44,800

and they ingo developed some of these

116

00:04:49,670 --> 00:04:47,120

protocols for them and he called it

117

00:04:51,270 --> 00:04:49,680

crv coordinate remote viewing

118

00:04:56,629 --> 00:04:51,280

and

119

00:04:58,870 --> 00:04:56,639

within a couple days it really i was

120

00:05:00,710 --> 00:04:58,880

getting contact with these target

121

00:05:03,029 --> 00:05:00,720

pictures that you could not see ahead of

122

00:05:04,870 --> 00:05:03,039

time the room was set up exactly the way

123

00:05:07,749 --> 00:05:04,880

ingo had wanted them to be set up it was

124

00:05:10,629 --> 00:05:07,759

a gray room with no windows

125

00:05:13,510 --> 00:05:10,639

uh cubicles facing the walls and and

126

00:05:15,189 --> 00:05:13,520

there was a monitor and a target and i

127

00:05:17,189 --> 00:05:15,199

was really surprised after a couple days

128

00:05:19,270 --> 00:05:17,199

to find that i was really describing

129

00:05:20,950 --> 00:05:19,280

some of these pictures very accurately

130

00:05:22,790 --> 00:05:20,960

and so were the other people in the

131

00:05:24,629 --> 00:05:22,800

class

132

00:05:26,070 --> 00:05:24,639

so that that's a pretty cool thing to be

133

00:05:27,670 --> 00:05:26,080

studying because in my head i start to

134

00:05:30,310 --> 00:05:27,680

think of you know like the x-men school

135

00:05:31,830 --> 00:05:30,320

and walking in and um you describe these

136

00:05:33,510 --> 00:05:31,840

non-descript rooms and i'm guessing

137

00:05:36,150 --> 00:05:33,520

that's to stop any sort of outside

138

00:05:39,189 --> 00:05:36,160

interferences grey walls cubicles is

139

00:05:41,029 --> 00:05:39,199

that right yeah right the the the main

140

00:05:42,710 --> 00:05:41,039

issue that comes up when people do

141

00:05:45,350 --> 00:05:42,720

remote viewing you know what i like to

142

00:05:47,110 --> 00:05:45,360

call resonant viewing it's it's more the

143

00:05:49,590 --> 00:05:47,120

kind of scientific model i think might

144

00:05:51,510 --> 00:05:49,600

be behind it but the idea is that to

145

00:05:54,150 --> 00:05:51,520

lower the amount of

146

00:05:55,590 --> 00:05:54,160

advice we all have this sort of subtle

147

00:05:57,590 --> 00:05:55,600

signal there

148

00:06:00,710 --> 00:05:57,600

for non-local perception most of the

149

00:06:02,629 --> 00:06:00,720

time it's in the far background because

150

00:06:04,230 --> 00:06:02,639

we're all very busy people and for the

151
00:06:06,150 --> 00:06:04,240
most part we're pretty much concerned

152
00:06:08,390 --> 00:06:06,160
with what's in front of us we need to be

153
00:06:10,230 --> 00:06:08,400
for survival reasons but those non-local

154
00:06:12,230 --> 00:06:10,240
signals are there

155
00:06:14,309 --> 00:06:12,240
i'm sure many listeners

156
00:06:16,710 --> 00:06:14,319
have had the experience of just getting

157
00:06:17,830 --> 00:06:16,720
a thought or a feeling out of nowhere

158
00:06:19,590 --> 00:06:17,840
sometime

159
00:06:21,830 --> 00:06:19,600
in your life that turned out to be very

160
00:06:23,590 --> 00:06:21,840
accurate about a family member or a

161
00:06:25,189 --> 00:06:23,600
situation something that you couldn't

162
00:06:26,870 --> 00:06:25,199
get physical information about but you

163
00:06:29,110 --> 00:06:26,880

just had a gut feeling

164

00:06:30,550 --> 00:06:29,120

and it kind of broke through into your

165

00:06:32,230 --> 00:06:30,560

everyday ordinary routine and you paid

166

00:06:33,670 --> 00:06:32,240

attention you made a phone call or

167

00:06:35,430 --> 00:06:33,680

something or took action and it turned

168

00:06:37,990 --> 00:06:35,440

out to be correct that's sort of what

169

00:06:39,350 --> 00:06:38,000

it's like and what can distract us from

170

00:06:40,870 --> 00:06:39,360

paying attention to those signals when

171

00:06:43,510 --> 00:06:40,880

we want to is that we have a lot of

172

00:06:47,350 --> 00:06:43,520

mental noise so ingo

173

00:06:51,110 --> 00:06:49,270

recognize what some of that mental noise

174

00:06:53,749 --> 00:06:51,120

is and reduce some of the distraction in

175

00:06:56,950 --> 00:06:53,759

your environment so that you didn't have

176

00:06:58,469 --> 00:06:56,960

anything in the local vicinity you know

177

00:07:00,230 --> 00:06:58,479

influencing you while you were doing a

178

00:07:03,350 --> 00:07:00,240

session so he kind of created this

179

00:07:05,029 --> 00:07:03,360

protocol that included gray

180

00:07:07,749 --> 00:07:05,039

you know walled rooms

181

00:07:09,270 --> 00:07:07,759

and that's how it was set up and i i it

182

00:07:12,070 --> 00:07:09,280

really uh

183

00:07:15,029 --> 00:07:12,080

i just could not see any reason why this

184

00:07:16,790 --> 00:07:15,039

would work but somehow after about date

185

00:07:19,110 --> 00:07:16,800

two or three

186

00:07:21,270 --> 00:07:19,120

uh i noticed i was really getting some

187

00:07:23,830 --> 00:07:21,280

accuracy there with just ordinary we're

188

00:07:25,270 --> 00:07:23,840

talking and the ordinary sort of target

189

00:07:28,710 --> 00:07:25,280

at the beginning at least you know

190

00:07:30,469 --> 00:07:28,720

eiffel tower mount kilimanjaro

191

00:07:33,350 --> 00:07:30,479

different scenes around the world of

192

00:07:35,510 --> 00:07:33,360

famous places and situations and things

193

00:07:36,950 --> 00:07:35,520

like that uh landmarks and and you'd

194

00:07:38,230 --> 00:07:36,960

really be surprised that it could the

195

00:07:39,670 --> 00:07:38,240

target could have been anything and

196

00:07:42,230 --> 00:07:39,680

there you were

197

00:07:44,629 --> 00:07:42,240

uh describing something like the eiffel

198

00:07:47,029 --> 00:07:44,639

tower or

199

00:07:49,589 --> 00:07:47,039

cancun mexico the resort area things

200

00:07:50,550 --> 00:07:49,599

like that and it's really quite a shock

201
00:07:51,990 --> 00:07:50,560
to

202
00:07:53,510 --> 00:07:52,000
get that type of contact because you

203
00:07:56,230 --> 00:07:53,520
don't know how you did

204
00:07:58,469 --> 00:07:56,240
it there's no rational explanation at

205
00:08:00,230 --> 00:07:58,479
least that we have right now

206
00:08:01,670 --> 00:08:00,240
uh at the time your mind can't

207
00:08:02,950 --> 00:08:01,680
understand how you did it but there you

208
00:08:03,990 --> 00:08:02,960
you can see on the paper that you did

209
00:08:05,430 --> 00:08:04,000
and that's what's really very

210
00:08:06,230 --> 00:08:05,440
interesting and kind of shocking about

211
00:08:07,909 --> 00:08:06,240
it

212
00:08:11,029 --> 00:08:07,919
yeah that's really cool like did you

213
00:08:13,670 --> 00:08:11,039

have any sort of experiences beforehand

214

00:08:15,670 --> 00:08:13,680

that that led you to to having that

215

00:08:17,270 --> 00:08:15,680

interest and you know resonance viewing

216

00:08:19,749 --> 00:08:17,280

or was it just something that kind of

217

00:08:22,469 --> 00:08:19,759

came about at the time

218

00:08:26,309 --> 00:08:22,479

well that's a really good question um

219

00:08:27,430 --> 00:08:26,319

i had been in graduate school for seven

220

00:08:31,189 --> 00:08:27,440

years

221

00:08:32,389 --> 00:08:31,199

and i went to school continuously

222

00:08:34,790 --> 00:08:32,399

before

223

00:08:37,269 --> 00:08:34,800

graduate school

224

00:08:39,029 --> 00:08:37,279

for a total of 27 years of school from

225

00:08:40,870 --> 00:08:39,039

kindergarten a phd

226

00:08:43,509 --> 00:08:40,880

which is a long time

227

00:08:45,190 --> 00:08:43,519

and as everyone's familiar with our

228

00:08:49,030 --> 00:08:45,200

educational system doesn't really

229

00:08:50,070 --> 00:08:49,040

emphasize these sorts of uh phenomena

230

00:08:51,670 --> 00:08:50,080

right

231

00:08:54,550 --> 00:08:51,680

so you don't really know how to make

232

00:08:56,630 --> 00:08:54,560

sense of it when it happens to you

233

00:08:59,430 --> 00:08:56,640

and i would have to say

234

00:09:01,670 --> 00:08:59,440

the only experience i had

235

00:09:04,070 --> 00:09:01,680

that did open me up

236

00:09:06,310 --> 00:09:04,080

to something being

237

00:09:08,230 --> 00:09:06,320

really different from our consensus

238

00:09:09,829 --> 00:09:08,240

reality there are probably a couple

239

00:09:12,710 --> 00:09:09,839

things along the way but the first one

240

00:09:15,110 --> 00:09:12,720

really was a ufo sighting with my mom in

241

00:09:17,350 --> 00:09:15,120

the everglades in the 1970s she was a

242

00:09:18,870 --> 00:09:17,360

bird watcher and she

243

00:09:20,389 --> 00:09:18,880

you know i had a brother too but she

244

00:09:22,790 --> 00:09:20,399

decided she was going to take me down to

245

00:09:24,470 --> 00:09:22,800

the everglades when i was like 10 or 11

246

00:09:27,110 --> 00:09:24,480

or something like this

247

00:09:29,990 --> 00:09:27,120

to go see birds and we had our

248

00:09:32,070 --> 00:09:30,000

binoculars and i made a youtube video

249

00:09:33,829 --> 00:09:32,080

about what happened

250

00:09:36,230 --> 00:09:33,839

a couple months ago but

251
00:09:38,550 --> 00:09:36,240
something came over and i thought it was

252
00:09:39,590 --> 00:09:38,560
the moon it was so big and so bright i

253
00:09:41,590 --> 00:09:39,600
thought

254
00:09:43,670 --> 00:09:41,600
this is the moon but why is it look so

255
00:09:45,829 --> 00:09:43,680
weird it was a kind of a strange

256
00:09:49,030 --> 00:09:45,839
greenish color

257
00:09:51,350 --> 00:09:49,040
and it looked sort of ominous and

258
00:09:53,350 --> 00:09:51,360
i said mom look at the moon and and she

259
00:09:54,550 --> 00:09:53,360
said sure you know the moon the moon was

260
00:09:55,590 --> 00:09:54,560
over there on the horizon it wasn't

261
00:09:57,509 --> 00:09:55,600
above us

262
00:09:59,590 --> 00:09:57,519
the moon was out too but it wasn't this

263
00:10:02,470 --> 00:09:59,600

thing this thing was different

264

00:10:04,389 --> 00:10:02,480

and uh it had these structures on it

265

00:10:06,310 --> 00:10:04,399

which we could see with our binoculars

266

00:10:08,230 --> 00:10:06,320

on the bottom but it was also kind of

267

00:10:11,030 --> 00:10:08,240

gaseous looking and

268

00:10:12,710 --> 00:10:11,040

ambiguous and it was also formed very

269

00:10:14,230 --> 00:10:12,720

strange and hard to make sense of what

270

00:10:16,230 --> 00:10:14,240

you were looking at

271

00:10:18,630 --> 00:10:16,240

anyway we went to a ranger talk a couple

272

00:10:20,790 --> 00:10:18,640

hours later all the lights went out

273

00:10:22,790 --> 00:10:20,800

and when the ranger convened you know in

274

00:10:24,710 --> 00:10:22,800

the national park system here they have

275

00:10:27,350 --> 00:10:24,720

these ranger talks anyone who's been to

276

00:10:28,710 --> 00:10:27,360

a national park you know as a kid or

277

00:10:30,150 --> 00:10:28,720

recently i'm sure they still do them

278

00:10:31,910 --> 00:10:30,160

they have these ranger talks you know

279

00:10:33,350 --> 00:10:31,920

they have these themes andy and they

280

00:10:34,790 --> 00:10:33,360

they can you get together at this

281

00:10:36,389 --> 00:10:34,800

pavilion and

282

00:10:37,670 --> 00:10:36,399

they talk about you know in the

283

00:10:40,550 --> 00:10:37,680

everglades they would have talked about

284

00:10:41,590 --> 00:10:40,560

the ecosystems there and then the swamps

285

00:10:43,269 --> 00:10:41,600

and all this

286

00:10:45,110 --> 00:10:43,279

and the first thing the ranger said she

287

00:10:47,990 --> 00:10:45,120

said did anyone see anything interesting

288

00:10:50,389 --> 00:10:48,000

today you know

289

00:10:52,310 --> 00:10:50,399

like you know alligators or birds and we

290

00:10:55,030 --> 00:10:52,320

said we all my mom and i we both are

291

00:10:56,150 --> 00:10:55,040

interested yeah we just saw ufo

292

00:10:58,630 --> 00:10:56,160

and she said

293

00:11:00,470 --> 00:10:58,640

oh that's interesting did anyone else

294

00:11:02,069 --> 00:11:00,480

see anything interesting

295

00:11:04,389 --> 00:11:02,079

right yep

296

00:11:05,829 --> 00:11:04,399

and anyway

297

00:11:07,829 --> 00:11:05,839

we actually sat next to people who had

298

00:11:09,509 --> 00:11:07,839

also seen it so we knew we weren't the

299

00:11:11,110 --> 00:11:09,519

only ones right

300

00:11:13,590 --> 00:11:11,120

but she didn't want to talk about it we

301
00:11:16,069 --> 00:11:13,600
even went up afterwards any case

302
00:11:18,949 --> 00:11:16,079
that happened to me really early on and

303
00:11:20,470 --> 00:11:18,959
as a result of that ufo sighting i

304
00:11:22,310 --> 00:11:20,480
realized there must be something else

305
00:11:24,470 --> 00:11:22,320
more going on than anyone was talking

306
00:11:26,470 --> 00:11:24,480
about and i read books by john keel the

307
00:11:28,870 --> 00:11:26,480
mothman prophecies

308
00:11:30,230 --> 00:11:28,880
and i eventually ended up with timothy

309
00:11:31,990 --> 00:11:30,240
goode's book

310
00:11:34,230 --> 00:11:32,000
above top secret somewhere along the

311
00:11:35,110 --> 00:11:34,240
line in college

312
00:11:37,590 --> 00:11:35,120
so

313
00:11:39,910 --> 00:11:37,600

that sighting probably opened me up to

314

00:11:42,870 --> 00:11:39,920

the idea that there were things that

315

00:11:45,430 --> 00:11:42,880

existed you know that you just didn't uh

316

00:11:47,670 --> 00:11:45,440

you hadn't been told about formally in

317

00:11:49,750 --> 00:11:47,680

your educational experience

318

00:11:52,310 --> 00:11:49,760

so anyway the remote viewing for me came

319

00:11:53,829 --> 00:11:52,320

at the tail end after graduate school

320

00:11:54,949 --> 00:11:53,839

after being an assistant professor and

321

00:11:57,670 --> 00:11:54,959

everything

322

00:12:00,790 --> 00:11:57,680

and it was a big shock to see something

323

00:12:03,670 --> 00:12:00,800

that my rational mind probably said at

324

00:12:05,269 --> 00:12:03,680

the time it did it said this there's no

325

00:12:07,110 --> 00:12:05,279

way this could work you there's no way

326

00:12:08,550 --> 00:12:07,120

you could know about something you can't

327

00:12:12,389 --> 00:12:08,560

sense physically

328

00:12:15,110 --> 00:12:12,399

but it worked and that really opened it

329

00:12:17,990 --> 00:12:15,120

opened me up to a lot of other topics

330

00:12:19,190 --> 00:12:18,000

over subsequent years and decades

331

00:12:21,430 --> 00:12:19,200

because

332

00:12:23,829 --> 00:12:21,440

you know once one of those bricks starts

333

00:12:25,509 --> 00:12:23,839

falling out of the wall of consensus

334

00:12:27,110 --> 00:12:25,519

reality you know one of those bricks

335

00:12:29,990 --> 00:12:27,120

comes out that

336

00:12:31,829 --> 00:12:30,000

you know esp i imagine andy and i'm sure

337

00:12:32,790 --> 00:12:31,839

some of the listeners here would have

338

00:12:34,710 --> 00:12:32,800

thought

339

00:12:36,949 --> 00:12:34,720

in the past perhaps that

340

00:12:38,790 --> 00:12:36,959

esp was something that was real but was

341

00:12:40,389 --> 00:12:38,800

only for special people that was my

342

00:12:43,190 --> 00:12:40,399

belief at the time when i took the class

343

00:12:45,190 --> 00:12:43,200

in 1996 that you had to be special and

344

00:12:48,790 --> 00:12:45,200

when ingo swann developed this system

345

00:12:50,550 --> 00:12:48,800

and with russell targe and he'll put off

346

00:12:52,870 --> 00:12:50,560

uh you know hal and engel worked really

347

00:12:55,750 --> 00:12:52,880

hard to develop it and it was based on

348

00:12:58,069 --> 00:12:55,760

the idea that this isn't a special

349

00:12:59,590 --> 00:12:58,079

sort of ability that everybody has it to

350

00:13:02,870 --> 00:12:59,600

some degree they just don't know they

351

00:13:04,790 --> 00:13:02,880

have it and with training you can

352

00:13:06,949 --> 00:13:04,800

you can get better at it you can learn

353

00:13:09,190 --> 00:13:06,959

more so it's not something that's you

354

00:13:12,629 --> 00:13:09,200

know psychic or special

355

00:13:15,269 --> 00:13:12,639

or extra or para something you know

356

00:13:16,870 --> 00:13:15,279

paranormal it's normal it's just that

357

00:13:18,710 --> 00:13:16,880

you haven't been trained to pay

358

00:13:21,190 --> 00:13:18,720

attention to those signals probably for

359

00:13:23,670 --> 00:13:21,200

the most part unless you've had a lot of

360

00:13:24,870 --> 00:13:23,680

other types of training so uh

361

00:13:26,550 --> 00:13:24,880

to anyone who's been part of our

362

00:13:28,870 --> 00:13:26,560

educational system it'd be quite a shock

363

00:13:30,790 --> 00:13:28,880

the first time you see yourself get good

364

00:13:32,550 --> 00:13:30,800

target contact like that

365

00:13:34,389 --> 00:13:32,560

no and that's a really good shout

366

00:13:36,069 --> 00:13:34,399

because one of your videos i watched

367

00:13:38,150 --> 00:13:36,079

recently you made a really

368

00:13:40,230 --> 00:13:38,160

a good point i thought on it that

369

00:13:42,949 --> 00:13:40,240

especially with your background and

370

00:13:45,350 --> 00:13:42,959

in numbers and that's what you studied

371

00:13:47,509 --> 00:13:45,360

you would look at data and i'm probably

372

00:13:49,350 --> 00:13:47,519

going to get this horribly wrong but the

373

00:13:51,269 --> 00:13:49,360

idea being that when you study something

374

00:13:52,949 --> 00:13:51,279

you look at a sample of data and you

375

00:13:55,430 --> 00:13:52,959

tend to look at all the data that group

376

00:13:58,310 --> 00:13:55,440

says that the mean average that this

377

00:14:00,470 --> 00:13:58,320

this is what's most likely but every now

378

00:14:02,310 --> 00:14:00,480

and again there's outliers and there may

379

00:14:04,870 --> 00:14:02,320

be just a number here that doesn't quite

380

00:14:06,710 --> 00:14:04,880

fit or or a subject here that just gets

381

00:14:08,949 --> 00:14:06,720

ignored and cast away because it doesn't

382

00:14:10,150 --> 00:14:08,959

fit with the what you're looking for

383

00:14:12,470 --> 00:14:10,160

as a result

384

00:14:14,230 --> 00:14:12,480

but what you said was that actually

385

00:14:15,750 --> 00:14:14,240

maybe these outliers are the things we

386

00:14:16,949 --> 00:14:15,760

should be studying and we should be

387

00:14:20,389 --> 00:14:16,959

looking at

388

00:14:23,590 --> 00:14:20,399

and that's that's your you know your esp

389

00:14:24,949 --> 00:14:23,600

your rv your uaps and that was a really

390

00:14:26,629 --> 00:14:24,959

interesting point because like you say

391

00:14:28,069 --> 00:14:26,639

just because it's not part of the the

392

00:14:29,910 --> 00:14:28,079

consensus

393

00:14:31,829 --> 00:14:29,920

and everyone knows and what we go with

394

00:14:33,430 --> 00:14:31,839

as part of our society and culture

395

00:14:35,430 --> 00:14:33,440

doesn't mean it's not worthy of further

396

00:14:37,030 --> 00:14:35,440

study or looking at

397

00:14:38,870 --> 00:14:37,040

yeah i think that's a very good way to

398

00:14:42,069 --> 00:14:38,880

summarize what we just said and that's

399

00:14:44,949 --> 00:14:42,079

exactly right uh we've all been part of

400

00:14:47,509 --> 00:14:44,959

this system that has been focused on

401
00:14:48,470 --> 00:14:47,519
what we believe to be the mean average

402
00:14:50,470 --> 00:14:48,480
you know

403
00:14:53,350 --> 00:14:50,480
the group being the normal kind of

404
00:14:55,269 --> 00:14:53,360
groupings in the center from a bell

405
00:14:57,670 --> 00:14:55,279
curve distribution right

406
00:14:59,910 --> 00:14:57,680
it's just how our science has developed

407
00:15:01,829 --> 00:14:59,920
over a couple hundred years

408
00:15:03,509 --> 00:15:01,839
and there are things that have

409
00:15:06,470 --> 00:15:03,519
knocked it out of place here and there

410
00:15:07,269 --> 00:15:06,480
but in terms of ordinary reality let me

411
00:15:09,829 --> 00:15:07,279
say

412
00:15:13,350 --> 00:15:09,839
macroscopic reality let's just we're not

413
00:15:16,310 --> 00:15:13,360

talking quantum microscopic phenomena

414

00:15:18,389 --> 00:15:16,320

science has said that that quantum

415

00:15:20,710 --> 00:15:18,399

sort of phenomena doesn't apply to the

416

00:15:22,069 --> 00:15:20,720

macro scale so we're going to just use

417

00:15:24,949 --> 00:15:22,079

classical

418

00:15:28,629 --> 00:15:24,959

you know ordinary statistics and that

419

00:15:30,470 --> 00:15:28,639

leads us to throw out using kind of our

420

00:15:33,670 --> 00:15:30,480

own prejudices

421

00:15:35,829 --> 00:15:33,680

and judgments to subjectively throw out

422

00:15:37,749 --> 00:15:35,839

data i remember being told this in

423

00:15:39,030 --> 00:15:37,759

graduate school you take the outliers

424

00:15:41,590 --> 00:15:39,040

and you know you can throw a few out

425

00:15:43,110 --> 00:15:41,600

it's okay everybody does it but let's

426
00:15:44,870 --> 00:15:43,120
say you're throwing out the stuff that

427
00:15:47,670 --> 00:15:44,880
really matters

428
00:15:50,069 --> 00:15:47,680
and uh that's serious because that means

429
00:15:54,470 --> 00:15:50,079
our entire world view could have been

430
00:15:56,550 --> 00:15:54,480
skewed for the past 100 200 years in a

431
00:15:57,590 --> 00:15:56,560
direction

432
00:16:06,710 --> 00:15:57,600
of

433
00:16:09,509 --> 00:16:06,720
would mean that our world view right now

434
00:16:12,710 --> 00:16:09,519
is out of touch with reality from

435
00:16:15,269 --> 00:16:12,720
centuries of this sort of bureaucratic

436
00:16:19,110 --> 00:16:15,279
conditioning to look

437
00:16:21,110 --> 00:16:19,120
at just ordinary statistics typical

438
00:16:22,790 --> 00:16:21,120

statistics where you're using means and

439

00:16:25,910 --> 00:16:22,800

variances but let's say there are no

440

00:16:27,829 --> 00:16:25,920

means or variances over the long run

441

00:16:30,069 --> 00:16:27,839

then what we're doing is literally

442

00:16:31,350 --> 00:16:30,079

pushing away a large chunk of reality i

443

00:16:32,710 --> 00:16:31,360

think that's what happened i think

444

00:16:34,389 --> 00:16:32,720

that's what happened over the past

445

00:16:37,509 --> 00:16:34,399

decades and

446

00:16:39,910 --> 00:16:37,519

longer and this is why our

447

00:16:41,509 --> 00:16:39,920

sense of reality is you know just to

448

00:16:43,509 --> 00:16:41,519

talk about this in a big sense just for

449

00:16:45,269 --> 00:16:43,519

a second it's it's so

450

00:16:46,230 --> 00:16:45,279

it's so distorted from what reality

451
00:16:48,230 --> 00:16:46,240
really is

452
00:16:50,389 --> 00:16:48,240
and this is where all these phenomena

453
00:16:52,949 --> 00:16:50,399
why we are having such a challenge to

454
00:16:55,189 --> 00:16:52,959
fit them into our world view because

455
00:16:57,430 --> 00:16:55,199
conventional science has been very happy

456
00:16:58,710 --> 00:16:57,440
to say that they're outliers

457
00:17:01,350 --> 00:16:58,720
yeah but i'd like to point out that

458
00:17:03,269 --> 00:17:01,360
covid was an outlier too

459
00:17:05,829 --> 00:17:03,279
there was a time in this country in the

460
00:17:06,949 --> 00:17:05,839
u.s i still remember president trump

461
00:17:11,590 --> 00:17:06,959
saying it

462
00:17:11,600 --> 00:17:15,510
this was only a half what when was this

463
00:17:20,069 --> 00:17:17,909

february yeah february that was yeah and

464

00:17:23,110 --> 00:17:20,079

this is not that long ago like half a

465

00:17:25,189 --> 00:17:23,120

year ago there were six deaths and 22

466

00:17:26,150 --> 00:17:25,199

cases and he said

467

00:17:27,750 --> 00:17:26,160

listen

468

00:17:29,510 --> 00:17:27,760

folks you don't have to worry about it

469

00:17:32,230 --> 00:17:29,520

it's just uh

470

00:17:35,029 --> 00:17:32,240

it's just so unlikely you're going to

471

00:17:36,950 --> 00:17:35,039

get it i watched this on the tv it's so

472

00:17:38,789 --> 00:17:36,960

unlikely you're going to get it because

473

00:17:40,470 --> 00:17:38,799

sophie that's an outlier you're saying

474

00:17:42,470 --> 00:17:40,480

just a couple people got it you know and

475

00:17:44,150 --> 00:17:42,480

it came and we have this under control

476
00:17:46,470 --> 00:17:44,160
we're confident we have this underground

477
00:17:48,549 --> 00:17:46,480
look what happened six months later

478
00:17:51,270 --> 00:17:48,559
that's what happens when you use those

479
00:17:53,270 --> 00:17:51,280
ordinary statistics is you can't see

480
00:17:56,070 --> 00:17:53,280
the black swan events you can't see

481
00:17:58,070 --> 00:17:56,080
things that can change rapidly and if

482
00:17:59,510 --> 00:17:58,080
that's true that would mean that a lot

483
00:18:01,350 --> 00:17:59,520
of these other phenomena have been

484
00:18:03,270 --> 00:18:01,360
called paranormal aren't really

485
00:18:04,789 --> 00:18:03,280
paranormal it's just we've kind of

486
00:18:06,549 --> 00:18:04,799
labeled them that way because they just

487
00:18:08,950 --> 00:18:06,559
don't fit within

488
00:18:10,390 --> 00:18:08,960

the world view that we're comfortable

489

00:18:12,230 --> 00:18:10,400

with but

490

00:18:14,070 --> 00:18:12,240

you know andy and as everyone you you

491

00:18:16,870 --> 00:18:14,080

know and everyone who's listening knows

492

00:18:18,630 --> 00:18:16,880

the world world views change

493

00:18:20,310 --> 00:18:18,640

world views do change and they change

494

00:18:22,950 --> 00:18:20,320

because there's data and there's

495

00:18:25,430 --> 00:18:22,960

information and events

496

00:18:27,190 --> 00:18:25,440

and subjects that won't go away

497

00:18:28,630 --> 00:18:27,200

because they're really there

498

00:18:29,990 --> 00:18:28,640

and eventually the worldview has to

499

00:18:31,830 --> 00:18:30,000

catch up and i think that's what we're

500

00:18:34,230 --> 00:18:31,840

seeing right now and that's why i've got

501
00:18:37,029 --> 00:18:34,240
this podcast and speaking to people like

502
00:18:38,470 --> 00:18:37,039
yourself um so going back to some of

503
00:18:40,310 --> 00:18:38,480
your first

504
00:18:42,549 --> 00:18:40,320
remote viewing or resonance viewing

505
00:18:44,310 --> 00:18:42,559
experiences actually before i even get

506
00:18:45,510 --> 00:18:44,320
to that sim let's clear this up because

507
00:18:47,190 --> 00:18:45,520
a lot of people are going to be here as

508
00:18:49,029 --> 00:18:47,200
discussing remote viewing and residence

509
00:18:51,350 --> 00:18:49,039
viewing now this is something i know

510
00:18:53,029 --> 00:18:51,360
you've said on your website in your blog

511
00:18:55,510 --> 00:18:53,039
there's not necessarily a difference you

512
00:18:57,029 --> 00:18:55,520
just prefer the term residence viewing

513
00:18:59,669 --> 00:18:57,039

do you just want to talk on that quickly

514

00:19:03,270 --> 00:18:59,679

as to why why you think the terms are

515

00:19:05,350 --> 00:19:03,280

yeah i mean the term remote viewing was

516

00:19:07,830 --> 00:19:05,360

created according to my understanding by

517

00:19:09,430 --> 00:19:07,840

ingoswan for

518

00:19:11,669 --> 00:19:09,440

you know it was created for a government

519

00:19:14,390 --> 00:19:11,679

contract for intelligence agencies it

520

00:19:16,390 --> 00:19:14,400

was created for the dia and the cia

521

00:19:18,230 --> 00:19:16,400

and when you're in the grant business

522

00:19:21,110 --> 00:19:18,240

you got to make what you're doing sound

523

00:19:21,990 --> 00:19:21,120

sexy so that the funders want to pay you

524

00:19:23,590 --> 00:19:22,000

right

525

00:19:25,430 --> 00:19:23,600

i mean they're not going to fund

526

00:19:27,270 --> 00:19:25,440

something that sounds really boring so

527

00:19:29,510 --> 00:19:27,280

you put x's in there and you know you

528

00:19:31,669 --> 00:19:29,520

make it really cool i mean this is what

529

00:19:33,909 --> 00:19:31,679

companies do you know when they want to

530

00:19:35,110 --> 00:19:33,919

get listed to be a company in the stock

531

00:19:35,990 --> 00:19:35,120

market or something they put an x in

532

00:19:37,830 --> 00:19:36,000

there

533

00:19:39,909 --> 00:19:37,840

and the way they did it with this is

534

00:19:42,230 --> 00:19:39,919

they called it remote viewing so it

535

00:19:44,150 --> 00:19:42,240

sounded kind of ordinary enough

536

00:19:45,590 --> 00:19:44,160

and also kind of different at the same

537

00:19:47,510 --> 00:19:45,600

time i mean you could have thought it

538

00:19:49,029 --> 00:19:47,520

was almost like a saddle a satellite

539

00:19:49,830 --> 00:19:49,039

reconnaissance technique or something

540

00:19:51,909 --> 00:19:49,840

right

541

00:19:54,230 --> 00:19:51,919

i remember some guy in my office in

542

00:19:56,070 --> 00:19:54,240

boulder when i first set up my remote

543

00:19:58,710 --> 00:19:56,080

viewing institute there the mount baldy

544

00:20:00,150 --> 00:19:58,720

institute in 1977 he said hey

545

00:20:02,070 --> 00:20:00,160

you're into remote viewing let's have

546

00:20:03,350 --> 00:20:02,080

lunch and so i'm going out to lunch and

547

00:20:06,149 --> 00:20:03,360

he thought i was into satellite

548

00:20:07,830 --> 00:20:06,159

reconnaissance

549

00:20:09,909 --> 00:20:07,840

yeah so

550

00:20:11,669 --> 00:20:09,919

they called it that because you know you

551
00:20:13,430 --> 00:20:11,679
want to get the funding you want the

552
00:20:15,270 --> 00:20:13,440
project to you know

553
00:20:16,789 --> 00:20:15,280
get off the ground so you're not going

554
00:20:18,950 --> 00:20:16,799
to make it sound too strange you're not

555
00:20:20,230 --> 00:20:18,960
going to call it psychic you know

556
00:20:22,230 --> 00:20:20,240
perception you're going to call it

557
00:20:23,750 --> 00:20:22,240
something that sort of fits in the kind

558
00:20:25,430 --> 00:20:23,760
of bureaucratic

559
00:20:27,909 --> 00:20:25,440
parlance of the time and they called it

560
00:20:30,230 --> 00:20:27,919
remote viewing but the question is

561
00:20:32,310 --> 00:20:30,240
uh is it really remote if it really

562
00:20:33,990 --> 00:20:32,320
works the way it seems to work that

563
00:20:36,310 --> 00:20:34,000

you're here and you're getting

564

00:20:38,630 --> 00:20:36,320

information from what some appears to be

565

00:20:40,789 --> 00:20:38,640

over there a non-local target as we say

566

00:20:42,630 --> 00:20:40,799

or it could be even in the future

567

00:20:44,549 --> 00:20:42,640

past you know

568

00:20:45,510 --> 00:20:44,559

well then it can't be remote

569

00:20:46,470 --> 00:20:45,520

so

570

00:20:48,230 --> 00:20:46,480

that's

571

00:20:49,669 --> 00:20:48,240

and the reason is andy was when people

572

00:20:51,270 --> 00:20:49,679

think about remote viewing then they

573

00:20:52,710 --> 00:20:51,280

think that they're actually going

574

00:20:55,190 --> 00:20:52,720

somewhere they're projecting their

575

00:20:57,190 --> 00:20:55,200

astral body to the location and dropping

576

00:20:58,630 --> 00:20:57,200

in and some of the early military

577

00:21:00,070 --> 00:20:58,640

viewers actually thought that's what

578

00:21:01,190 --> 00:21:00,080

they were doing they're kind of dropping

579

00:21:02,549 --> 00:21:01,200

into the target site you know like

580

00:21:04,470 --> 00:21:02,559

parachuting in

581

00:21:07,510 --> 00:21:04,480

all this well look whatever works for

582

00:21:09,990 --> 00:21:07,520

you works i'm not saying that's a bad

583

00:21:11,990 --> 00:21:10,000

uh you know sort of analogy

584

00:21:14,149 --> 00:21:12,000

uh it's not a bad description but is

585

00:21:17,029 --> 00:21:14,159

that in terms of physics is that really

586

00:21:18,789 --> 00:21:17,039

what's going on i don't think so i think

587

00:21:21,590 --> 00:21:18,799

you're getting the information here

588

00:21:24,149 --> 00:21:21,600

which would make the analogy more

589

00:21:25,750 --> 00:21:24,159

like a type of mental radio

590

00:21:27,510 --> 00:21:25,760

not saying it's an electromagnetic

591

00:21:30,470 --> 00:21:27,520

signal i'm saying it's a little more

592

00:21:32,310 --> 00:21:30,480

like resonance quantum resonance uh the

593

00:21:34,870 --> 00:21:32,320

type of thing that edgar mitchell you

594

00:21:37,830 --> 00:21:34,880

know six man to walk on the moon

595

00:21:39,590 --> 00:21:37,840

you know ufo disclosure pioneer

596

00:21:41,350 --> 00:21:39,600

uh all around very fascinating

597

00:21:42,630 --> 00:21:41,360

interesting important person in our

598

00:21:44,470 --> 00:21:42,640

history

599

00:21:46,549 --> 00:21:44,480

edgar mitchell talked about quantum

600

00:21:48,630 --> 00:21:46,559

resonance and quantum holography i think

601
00:21:50,789 --> 00:21:48,640
it's something more like that and that's

602
00:21:52,230 --> 00:21:50,799
why i prefer to call it resonant viewing

603
00:21:53,830 --> 00:21:52,240
and rather than remote because when you

604
00:21:56,549 --> 00:21:53,840
call it remote it kind of sets up a

605
00:21:59,110 --> 00:21:56,559
certain kind of way of looking at it

606
00:22:01,590 --> 00:21:59,120
and i just we just remembered that that

607
00:22:04,149 --> 00:22:01,600
name was given to it in kind of a

608
00:22:05,669 --> 00:22:04,159
bureaucratic setting a funding setting

609
00:22:08,310 --> 00:22:05,679
and so forth

610
00:22:10,149 --> 00:22:08,320
at sri but i think in reality it's not

611
00:22:12,630 --> 00:22:10,159
really remote or you wouldn't be getting

612
00:22:14,789 --> 00:22:12,640
information that information is

613
00:22:17,350 --> 00:22:14,799

there and you're receiving it so it's

614

00:22:19,350 --> 00:22:17,360

more like more like a radio

615

00:22:20,710 --> 00:22:19,360

analogy which should mean kind of like

616

00:22:22,549 --> 00:22:20,720

tuning and frequency and resonance

617

00:22:23,750 --> 00:22:22,559

that's that's how i look at it

618

00:22:25,510 --> 00:22:23,760

hopefully that clears that up for the

619

00:22:26,390 --> 00:22:25,520

listeners as we go through the rest of

620

00:22:28,549 --> 00:22:26,400

the show

621

00:22:30,549 --> 00:22:28,559

um so you talked about and you touched

622

00:22:32,230 --> 00:22:30,559

on some of your first experiences when

623

00:22:34,549 --> 00:22:32,240

you were at the farsight institute where

624

00:22:36,950 --> 00:22:34,559

you would hit targets like eiffel tower

625

00:22:39,669 --> 00:22:36,960

cancun mexico do you remember any

626
00:22:41,590 --> 00:22:39,679
particular early profound experience

627
00:22:44,710 --> 00:22:41,600
with resonance viewing what was your

628
00:22:46,149 --> 00:22:44,720
first kind of wow moment

629
00:22:48,230 --> 00:22:46,159
yeah there were a couple that's a good

630
00:22:50,149 --> 00:22:48,240
question because uh i think the first

631
00:22:52,630 --> 00:22:50,159
one that really you know really shocked

632
00:22:53,990 --> 00:22:52,640
me was the target of cancun mexico it

633
00:22:55,909 --> 00:22:54,000
was a picture of the hotels and the

634
00:22:57,350 --> 00:22:55,919
beach and everything there in cancun i'd

635
00:22:59,350 --> 00:22:57,360
never been there seen pictures of it

636
00:23:01,750 --> 00:22:59,360
before but uh

637
00:23:03,990 --> 00:23:01,760
i was getting you know the water and the

638
00:23:06,549 --> 00:23:04,000

beaches and then i got these hotels and

639

00:23:08,470 --> 00:23:06,559

then my mind i'm kind of walking around

640

00:23:10,630 --> 00:23:08,480

in the building because you can give

641

00:23:13,590 --> 00:23:10,640

viewers movement exercises to have them

642

00:23:15,270 --> 00:23:13,600

move into structures and walk around and

643

00:23:16,710 --> 00:23:15,280

see you know see what they see

644

00:23:19,350 --> 00:23:16,720

i mean why not

645

00:23:22,630 --> 00:23:20,789

i remember hearing people speaking

646

00:23:24,230 --> 00:23:22,640

spanish and waiters and all this and i

647

00:23:25,830 --> 00:23:24,240

drew this picture and it was this bay

648

00:23:27,750 --> 00:23:25,840

and these boats and i thought i'm making

649

00:23:29,029 --> 00:23:27,760

this all up that's what you think when

650

00:23:30,470 --> 00:23:29,039

you're on target

651
00:23:32,630 --> 00:23:30,480
your conscious mind thinks you're making

652
00:23:34,070 --> 00:23:32,640
it all up because it didn't create the

653
00:23:35,270 --> 00:23:34,080
data so

654
00:23:36,950 --> 00:23:35,280
it says

655
00:23:39,590 --> 00:23:36,960
this can't be right but

656
00:23:41,430 --> 00:23:39,600
part of the training is to objectify

657
00:23:43,029 --> 00:23:41,440
whatever those thoughts are the only

658
00:23:44,630 --> 00:23:43,039
rule is you got to write everything down

659
00:23:46,390 --> 00:23:44,640
during a session every thought that you

660
00:23:47,909 --> 00:23:46,400
have and it's got to go somewhere not

661
00:23:49,269 --> 00:23:47,919
saying you know you know it's not all

662
00:23:50,710 --> 00:23:49,279
accurate you got to write it down so you

663
00:23:52,070 --> 00:23:50,720

know those doubts are going to come into

664

00:23:53,909 --> 00:23:52,080

your mind and you just write them down

665

00:23:56,070 --> 00:23:53,919

on the side you know kind of don't

666

00:23:57,990 --> 00:23:56,080

believe this or think of making this up

667

00:24:00,230 --> 00:23:58,000

if you get those thoughts well it turned

668

00:24:01,350 --> 00:24:00,240

out to be a very accurate drawing of the

669

00:24:03,190 --> 00:24:01,360

setting

670

00:24:05,029 --> 00:24:03,200

even the boats and the where the

671

00:24:06,470 --> 00:24:05,039

buildings were and that was really i

672

00:24:09,350 --> 00:24:06,480

mean

673

00:24:11,029 --> 00:24:09,360

you just think how did i do that because

674

00:24:13,909 --> 00:24:11,039

you don't know how you did it it comes

675

00:24:16,070 --> 00:24:13,919

from your subconscious mind your

676
00:24:17,510 --> 00:24:16,080
subconscious or your unconscious mind

677
00:24:19,029 --> 00:24:17,520
it's a different place than the

678
00:24:21,430 --> 00:24:19,039
conscious mind let's just put it that

679
00:24:23,430 --> 00:24:21,440
way and you're not really aware of how

680
00:24:24,950 --> 00:24:23,440
you got the information but it does work

681
00:24:26,310 --> 00:24:24,960
so that was one of them that cancel

682
00:24:28,549 --> 00:24:26,320
targeted and then there was another

683
00:24:31,029 --> 00:24:28,559
target that courtney gave us

684
00:24:32,390 --> 00:24:31,039
it was the destruction of the dinosaurs

685
00:24:35,430 --> 00:24:32,400
event you know

686
00:24:37,669 --> 00:24:35,440
65 million years ago now again you got

687
00:24:39,830 --> 00:24:37,679
to keep in mind these are not double

688
00:24:41,110 --> 00:24:39,840

blind targets which would be the most

689

00:24:42,470 --> 00:24:41,120

scientific way to do it they're blind

690

00:24:44,149 --> 00:24:42,480

targets the monitor knows what the

691

00:24:45,750 --> 00:24:44,159

target is but you don't

692

00:24:48,310 --> 00:24:45,760

no one's told you ahead of time what the

693

00:24:50,789 --> 00:24:48,320

q is so on this destruction of the dark

694

00:24:53,029 --> 00:24:50,799

uh dinosaur target remember you know

695

00:24:55,269 --> 00:24:53,039

first i'm seeing all these dinosaurs

696

00:24:57,669 --> 00:24:55,279

there's creatures in a swamp i didn't

697

00:24:59,510 --> 00:24:57,679

know if they were dinosaurs but they

698

00:25:01,430 --> 00:24:59,520

creatures in a swamp

699

00:25:03,269 --> 00:25:01,440

sort of not like ordinary creatures like

700

00:25:05,590 --> 00:25:03,279

we used to know and then

701
00:25:08,230 --> 00:25:05,600
the thing i noticed was the smell the

702
00:25:11,029 --> 00:25:08,240
air was so clean

703
00:25:12,230 --> 00:25:11,039
it was like not air that you would smell

704
00:25:13,830 --> 00:25:12,240
nowadays

705
00:25:16,549 --> 00:25:13,840
it was just extraordinary clean so i'm

706
00:25:18,630 --> 00:25:16,559
in my mind of wondering where am i

707
00:25:21,669 --> 00:25:18,640
and then uh we were given a movement

708
00:25:23,510 --> 00:25:21,679
exercise to move past whatever the main

709
00:25:24,870 --> 00:25:23,520
event was that was the focus of the

710
00:25:27,669 --> 00:25:24,880
session and all of a sudden i just saw

711
00:25:29,430 --> 00:25:27,679
it turn into dust you know and gray the

712
00:25:30,789 --> 00:25:29,440
dark and everything

713
00:25:32,230 --> 00:25:30,799

and i again i didn't know how to make

714

00:25:34,070 --> 00:25:32,240

sense of that you just

715

00:25:36,789 --> 00:25:34,080

you're trained in viewing to write

716

00:25:38,470 --> 00:25:36,799

everything down describe don't name

717

00:25:39,830 --> 00:25:38,480

you're not trying to figure out what

718

00:25:41,350 --> 00:25:39,840

you're viewing this is what people need

719

00:25:42,950 --> 00:25:41,360

to understand you're not

720

00:25:44,070 --> 00:25:42,960

actively sitting there trying to figure

721

00:25:45,669 --> 00:25:44,080

out what your

722

00:25:47,350 --> 00:25:45,679

viewing target is

723

00:25:49,269 --> 00:25:47,360

your job is just to describe whatever

724

00:25:52,390 --> 00:25:49,279

information comes across

725

00:25:54,630 --> 00:25:52,400

the lattice there and uh

726

00:25:56,310 --> 00:25:54,640

you're supposed to just write it down

727

00:25:57,590 --> 00:25:56,320

and you make sense of it later and then

728

00:25:58,549 --> 00:25:57,600

you get the feedback you do a little

729

00:25:59,909 --> 00:25:58,559

post session somewhere you get the

730

00:26:00,950 --> 00:25:59,919

feedback so it was pretty shocking to

731

00:26:03,029 --> 00:26:00,960

find out

732

00:26:03,909 --> 00:26:03,039

uh that it actually was the destruction

733

00:26:06,070 --> 00:26:03,919

of the

734

00:26:09,430 --> 00:26:06,080

dinosaurs you know that i had been

735

00:26:11,909 --> 00:26:09,440

viewing something 65 million years ago

736

00:26:16,390 --> 00:26:14,149

there's also one more target it was a

737

00:26:17,830 --> 00:26:16,400

japanese attack on pearl harbor i just

738

00:26:20,870 --> 00:26:17,840

remember seeing these things that i

739

00:26:21,990 --> 00:26:20,880

thought were bees at the horizon coming

740

00:26:24,549 --> 00:26:22,000

towards me

741

00:26:25,990 --> 00:26:24,559

and they made this very loud sound which

742

00:26:28,310 --> 00:26:26,000

i thought was kind of loud for insects

743

00:26:30,149 --> 00:26:28,320

and then they turned into planes

744

00:26:31,590 --> 00:26:30,159

now i didn't get the rest of the

745

00:26:32,870 --> 00:26:31,600

destruction and everything but it was

746

00:26:34,390 --> 00:26:32,880

just interesting that that's what the

747

00:26:35,990 --> 00:26:34,400

target was and you see these things

748

00:26:38,950 --> 00:26:36,000

coming in you know in your mind's eye

749

00:26:39,990 --> 00:26:38,960

and it becomes planes and uh you know

750

00:26:42,950 --> 00:26:40,000

and

751
00:26:44,870 --> 00:26:42,960
three sort of targets that were pretty

752
00:26:46,310 --> 00:26:44,880
surprising from the beginning so that

753
00:26:48,230 --> 00:26:46,320
that third one could have asked the

754
00:26:51,029 --> 00:26:48,240
question i was going to ask anyway

755
00:26:53,590 --> 00:26:51,039
is it a scary experience whether it's

756
00:26:54,870 --> 00:26:53,600
something you do now with with can a few

757
00:26:57,029 --> 00:26:54,880
decades of

758
00:26:58,710 --> 00:26:57,039
of this behind you or even the first

759
00:27:01,990 --> 00:26:58,720
time is there a fear there at all when

760
00:27:06,070 --> 00:27:02,000
you're you're viewing these experiences

761
00:27:09,190 --> 00:27:06,080
the the it's a good question and

762
00:27:10,789 --> 00:27:09,200
it's more like seeing a movie

763
00:27:12,310 --> 00:27:10,799

um

764

00:27:14,470 --> 00:27:12,320

you can always walk out of the booby

765

00:27:16,950 --> 00:27:14,480

theater if it gets to be too much

766

00:27:18,950 --> 00:27:16,960

right you can end the session i mean

767

00:27:21,830 --> 00:27:18,960

the structure here the protocol is that

768

00:27:24,230 --> 00:27:21,840

the viewer is in charge of the session

769

00:27:26,710 --> 00:27:24,240

not the monitor so nobody's making you

770

00:27:28,710 --> 00:27:26,720

do anything you don't want to do

771

00:27:30,549 --> 00:27:28,720

you are being given a blind target you

772

00:27:33,029 --> 00:27:30,559

have to trust your

773

00:27:34,950 --> 00:27:33,039

monitor and the people setting up the

774

00:27:36,310 --> 00:27:34,960

viewing session it's trust is really

775

00:27:38,470 --> 00:27:36,320

important in viewing because you're

776

00:27:41,190 --> 00:27:38,480

really going in there literally blind

777

00:27:43,669 --> 00:27:41,200

with no knowledge of the target

778

00:27:45,190 --> 00:27:43,679

and uh in you know in terms of your

779

00:27:46,870 --> 00:27:45,200

knowledge ahead of time and you have to

780

00:27:48,470 --> 00:27:46,880

trust that the people are going to be

781

00:27:49,669 --> 00:27:48,480

you know giving you something worthwhile

782

00:27:50,630 --> 00:27:49,679

to look at

783

00:27:53,110 --> 00:27:50,640

and

784

00:27:54,310 --> 00:27:53,120

if you do encounter something that feels

785

00:27:57,269 --> 00:27:54,320

kind of

786

00:27:58,870 --> 00:27:57,279

scary as you put it you can

787

00:28:01,590 --> 00:27:58,880

end the session but you don't have to

788

00:28:03,430 --> 00:28:01,600

because andy you're not really there

789

00:28:05,029 --> 00:28:03,440

this is uh

790

00:28:07,110 --> 00:28:05,039

the term for

791

00:28:09,190 --> 00:28:07,120

viewing when you feel that type of

792

00:28:11,110 --> 00:28:09,200

contact that feels very real is called

793

00:28:12,870 --> 00:28:11,120

bilocation

794

00:28:14,870 --> 00:28:12,880

so

795

00:28:16,630 --> 00:28:14,880

you know just like you have a bicameral

796

00:28:19,190 --> 00:28:16,640

brain you know like a left and a right

797

00:28:20,870 --> 00:28:19,200

hemisphere

798

00:28:23,350 --> 00:28:20,880

part of you is aware that you're sitting

799

00:28:24,950 --> 00:28:23,360

there in the ch you know in your chair

800

00:28:26,310 --> 00:28:24,960

if that's how you're doing it crv is a

801
00:28:28,310 --> 00:28:26,320
written technique it's not something

802
00:28:31,430 --> 00:28:28,320
you're doing lying down as other

803
00:28:33,990 --> 00:28:31,440
techniques do you're uh

804
00:28:35,669 --> 00:28:34,000
writing and your eyes are open so you're

805
00:28:36,710 --> 00:28:35,679
aware that you're sitting there writing

806
00:28:38,470 --> 00:28:36,720
but

807
00:28:41,510 --> 00:28:38,480
uh

808
00:28:42,310 --> 00:28:41,520
you're also perceiving something else

809
00:28:43,750 --> 00:28:42,320
and

810
00:28:45,750 --> 00:28:43,760
uh

811
00:28:48,389 --> 00:28:45,760
you know for the most part

812
00:28:49,590 --> 00:28:48,399
it's i would say it isn't a scary

813
00:28:53,190 --> 00:28:49,600

experience

814

00:28:55,430 --> 00:28:53,200

the only time it becomes like that

815

00:28:57,830 --> 00:28:55,440

it seems is if you have a very

816

00:28:59,909 --> 00:28:57,840

non-ordinary experience during the

817

00:29:03,110 --> 00:28:59,919

viewing

818

00:29:08,389 --> 00:29:06,389

a guy i remember in opening my mind i

819

00:29:10,870 --> 00:29:08,399

referred to him as bob

820

00:29:12,870 --> 00:29:10,880

who felt like a ball of light came into

821

00:29:13,669 --> 00:29:12,880

the room when he was doing a session

822

00:29:16,950 --> 00:29:13,679

once

823

00:29:19,269 --> 00:29:16,960

it was an et type session as we

824

00:29:21,350 --> 00:29:19,279

did a little later on in the training

825

00:29:22,710 --> 00:29:21,360

and he was really alarmed by that he

826

00:29:26,710 --> 00:29:22,720

actually

827

00:29:28,389 --> 00:29:26,720

to describe it because you're told

828

00:29:30,630 --> 00:29:28,399

during the session describe whatever you

829

00:29:32,870 --> 00:29:30,640

perceived during the session so this he

830

00:29:34,789 --> 00:29:32,880

felt in the hotel we were in in atlanta

831

00:29:36,389 --> 00:29:34,799

that a ball of light kind of drifted

832

00:29:38,950 --> 00:29:36,399

over the desk and when he touched it he

833

00:29:41,430 --> 00:29:38,960

felt like a electrical burning sensation

834

00:29:42,310 --> 00:29:41,440

now that's pretty uh rare

835

00:29:45,029 --> 00:29:42,320

um

836

00:29:47,029 --> 00:29:45,039

but that's what he felt he experienced

837

00:29:49,590 --> 00:29:47,039

and he was really shocked and disturbed

838

00:29:51,110 --> 00:29:49,600

by it he i remember he was visibly upset

839

00:29:52,310 --> 00:29:51,120
after the session now that hasn't

840

00:29:53,669 --> 00:29:52,320
happened to me i haven't experienced

841

00:29:55,430 --> 00:29:53,679
balls of light during the session but

842

00:29:56,549 --> 00:29:55,440
there's really no guarantees once you

843

00:29:58,549 --> 00:29:56,559
start

844

00:30:00,710 --> 00:29:58,559
opening up the aperture

845

00:30:01,909 --> 00:30:00,720
i mean more things can come through than

846

00:30:05,110 --> 00:30:01,919
you're used to

847

00:30:07,590 --> 00:30:05,120
but at the end of the day it's a session

848

00:30:10,149 --> 00:30:07,600
right it's a viewing session it's not an

849

00:30:12,149 --> 00:30:10,159
out of body experience at least not crv

850

00:30:13,430 --> 00:30:12,159
i mean this isn't the monroe institute

851

00:30:15,430 --> 00:30:13,440

or anything like that

852

00:30:17,430 --> 00:30:15,440

which has its own protocols which i know

853

00:30:19,750 --> 00:30:17,440

people have gone to and really enjoyed

854

00:30:23,990 --> 00:30:19,760

but this is more a different sort of

855

00:30:27,430 --> 00:30:25,430

and you're supposed to be present enough

856

00:30:29,510 --> 00:30:27,440

so you can write everything down

857

00:30:31,750 --> 00:30:29,520

right because if if you're too far out

858

00:30:33,430 --> 00:30:31,760

into the experience you'll stop writing

859

00:30:35,110 --> 00:30:33,440

uh it's not a technique where you have a

860

00:30:36,470 --> 00:30:35,120

tape recorder there and you're talking

861

00:30:37,350 --> 00:30:36,480

you're writing so

862

00:30:39,750 --> 00:30:37,360

uh

863

00:30:42,149 --> 00:30:39,760

it's called coordinate removing some

864

00:30:43,990 --> 00:30:42,159

people call it controlled remote viewing

865

00:30:46,549 --> 00:30:44,000

if that gives you any sort of hint about

866

00:30:48,470 --> 00:30:46,559

you're supposed to have a degree of

867

00:30:50,710 --> 00:30:48,480

discipline over what's going on during

868

00:30:53,990 --> 00:30:50,720

the session so that

869

00:30:56,070 --> 00:30:54,000

you're still in control and the viewer

870

00:30:57,590 --> 00:30:56,080

you do encounter sessions as a monitor

871

00:31:00,230 --> 00:30:57,600

where the viewer says i don't want to

872

00:31:01,669 --> 00:31:00,240

view this anymore i want to stop it's

873

00:31:03,269 --> 00:31:01,679

brought up memories for them or

874

00:31:06,549 --> 00:31:03,279

something

875

00:31:08,710 --> 00:31:06,559

this can happen with ufo et type targets

876

00:31:11,110 --> 00:31:08,720

i've seen it happen on several occasions

877

00:31:14,149 --> 00:31:11,120

where it brought up repressed memories

878

00:31:16,630 --> 00:31:14,159

of ufo or et context or something like

879

00:31:18,389 --> 00:31:16,640

that that the person had not processed

880

00:31:19,669 --> 00:31:18,399

before and it all came flooding back

881

00:31:20,870 --> 00:31:19,679

during the session and they felt like

882

00:31:22,230 --> 00:31:20,880

they had to end it and we can all

883

00:31:23,509 --> 00:31:22,240

understand that right

884

00:31:24,870 --> 00:31:23,519

absolutely

885

00:31:26,630 --> 00:31:24,880

you end it when you want to end it and

886

00:31:28,630 --> 00:31:26,640

that's how it works yeah i was going to

887

00:31:30,950 --> 00:31:28,640

ask on that have you ever seen anything

888

00:31:33,190 --> 00:31:30,960

yourself that afterwards you thought i

889

00:31:36,789 --> 00:31:33,200

wish i hadn't or i didn't want to see

890

00:31:41,029 --> 00:31:38,389

uh yes

891

00:31:43,830 --> 00:31:41,039

honestly uh

892

00:31:47,350 --> 00:31:43,840

there in boulder at the time in the late

893

00:31:48,310 --> 00:31:47,360

90s there was a a homicide near my

894

00:31:51,669 --> 00:31:48,320

building

895

00:31:53,909 --> 00:31:51,679

and it was in the part of

896

00:31:56,310 --> 00:31:53,919

town where i felt like it was you know

897

00:31:57,990 --> 00:31:56,320

like this is my territory i guess we all

898

00:31:59,909 --> 00:31:58,000

feel that way about our where we live

899

00:32:01,190 --> 00:31:59,919

right like it's your street or something

900

00:32:03,830 --> 00:32:01,200

if something happens like that you're

901
00:32:08,149 --> 00:32:03,840
gonna feel like hey i want to find out

902
00:32:08,950 --> 00:32:08,159
who did that so i chose to view

903
00:32:09,750 --> 00:32:08,960
the

904
00:32:12,870 --> 00:32:09,760
uh

905
00:32:15,509 --> 00:32:12,880
the actual murder remotely

906
00:32:17,509 --> 00:32:15,519
some people do this to work with police

907
00:32:19,590 --> 00:32:17,519
they call it a signed

908
00:32:22,870 --> 00:32:19,600
signed witness

909
00:32:25,590 --> 00:32:22,880
sort of protocol

910
00:32:27,110 --> 00:32:25,600
where you will go back later to look at

911
00:32:29,430 --> 00:32:27,120
the crime scene

912
00:32:33,110 --> 00:32:29,440
and move around in time to get

913
00:32:35,750 --> 00:32:33,120

information about what happened right

914

00:32:41,909 --> 00:32:39,110

it was a particularly sort of violent

915

00:32:43,110 --> 00:32:41,919

crime and if you're not quite prepared

916

00:32:44,710 --> 00:32:43,120

for it

917

00:32:47,029 --> 00:32:44,720

you're going to get a lot of information

918

00:32:48,549 --> 00:32:47,039

from the event

919

00:32:50,630 --> 00:32:48,559

there's going to be a lot of violence

920

00:32:52,950 --> 00:32:50,640

and it's may not be something that

921

00:32:54,950 --> 00:32:52,960

you've encountered before and that was

922

00:32:56,470 --> 00:32:54,960

something that i felt

923

00:32:58,870 --> 00:32:56,480

later i probably wouldn't want to do

924

00:33:00,789 --> 00:32:58,880

again i i did actually call the police

925

00:33:02,149 --> 00:33:00,799

with the information and some of the

926

00:33:04,230 --> 00:33:02,159

attorneys in the building told me i

927

00:33:06,470 --> 00:33:04,240

shouldn't because they said you know oh

928

00:33:08,070 --> 00:33:06,480

you could if you're too accurate that

929

00:33:10,389 --> 00:33:08,080

you could be a suspect right think about

930

00:33:12,070 --> 00:33:10,399

it if you identify

931

00:33:13,990 --> 00:33:12,080

the suspect even

932

00:33:15,909 --> 00:33:14,000

um they're going to want to know how you

933

00:33:17,350 --> 00:33:15,919

got that information and they don't know

934

00:33:18,789 --> 00:33:17,360

what remote viewing is because you

935

00:33:20,230 --> 00:33:18,799

called them right they didn't call you

936

00:33:22,549 --> 00:33:20,240

so i learned from that experience first

937

00:33:24,070 --> 00:33:22,559

of all don't just volunteer information

938

00:33:25,350 --> 00:33:24,080

over the police like that they need to

939

00:33:25,990 --> 00:33:25,360

want to have you involved otherwise

940

00:33:27,590 --> 00:33:26,000

they're going to think it's a little

941

00:33:29,269 --> 00:33:27,600

weird if you just call them up

942

00:33:30,630 --> 00:33:29,279

yeah i did call them up with the

943

00:33:34,070 --> 00:33:30,640

description

944

00:33:34,870 --> 00:33:34,080

ten years later they did catch the guy

945

00:33:38,310 --> 00:33:34,880

who

946

00:33:41,110 --> 00:33:38,320

committed this murder

947

00:33:43,830 --> 00:33:41,120

um and assault and uh

948

00:33:46,149 --> 00:33:43,840

they had dna evidence they didn't have

949

00:33:47,750 --> 00:33:46,159

the dna techniques at the time to get

950

00:33:49,110 --> 00:33:47,760

information from the objects that were

951
00:33:50,710 --> 00:33:49,120
there and uh

952
00:33:52,549 --> 00:33:50,720
it turned out to be very accurate to

953
00:33:54,549 --> 00:33:52,559
session in terms of where he lived and

954
00:33:56,630 --> 00:33:54,559
everything as i sort of traced it you

955
00:33:57,830 --> 00:33:56,640
know where he went and where did he live

956
00:33:59,509 --> 00:33:57,840
all these things

957
00:34:00,710 --> 00:33:59,519
uh i don't know if that's something i'd

958
00:34:02,710 --> 00:34:00,720
want to do again but there are people

959
00:34:04,789 --> 00:34:02,720
that specialize in working with police

960
00:34:06,470 --> 00:34:04,799
solving crimes things like that uh bevvv

961
00:34:08,550 --> 00:34:06,480
yeagers was a very well-known psychic

962
00:34:11,990 --> 00:34:08,560
who passed away a number of years ago

963
00:34:14,629 --> 00:34:12,000

she had the u.s sci squad in st louis

964

00:34:17,589 --> 00:34:14,639

and i remember taking a couple

965

00:34:19,430 --> 00:34:17,599

seminars with her after the irva

966

00:34:21,589 --> 00:34:19,440

international remote viewing association

967

00:34:23,589 --> 00:34:21,599

meetings in the vegas area

968

00:34:24,950 --> 00:34:23,599

i think it took two of her you know

969

00:34:26,790 --> 00:34:24,960

seminars

970

00:34:29,510 --> 00:34:26,800

and she would tell us that that her

971

00:34:32,069 --> 00:34:29,520

group was about 80 successful in solving

972

00:34:34,550 --> 00:34:32,079

crimes but she also said it's very

973

00:34:36,149 --> 00:34:34,560

difficult emotionally and so forth uh

974

00:34:37,669 --> 00:34:36,159

because of what you're you know involved

975

00:34:39,909 --> 00:34:37,679

with i i guess you know you can

976

00:34:41,909 --> 00:34:39,919

understand that um so that's the sort of

977

00:34:43,270 --> 00:34:41,919

thing where you might think you know did

978

00:34:44,710 --> 00:34:43,280

i really want to do this but of course

979

00:34:46,470 --> 00:34:44,720

you're doing it for the better good you

980

00:34:47,990 --> 00:34:46,480

want to prevent it from happening again

981

00:34:48,869 --> 00:34:48,000

you want to catch the person who did it

982

00:34:50,310 --> 00:34:48,879

so

983

00:34:51,669 --> 00:34:50,320

you know there's just a trade off there

984

00:34:52,950 --> 00:34:51,679

and and one more thing andy i should

985

00:34:55,109 --> 00:34:52,960

mention there are techniques for

986

00:34:57,829 --> 00:34:55,119

detoxing yourself after a viewing

987

00:35:02,230 --> 00:34:57,839

session pretty important thing to do

988

00:35:05,430 --> 00:35:02,240

to separate out the uh the vibes from

989

00:35:07,190 --> 00:35:05,440

the target scene an event from yourself

990

00:35:08,630 --> 00:35:07,200

so that you know you kind of let it go

991

00:35:09,829 --> 00:35:08,640

again

992

00:35:11,190 --> 00:35:09,839

don't carry it

993

00:35:12,630 --> 00:35:11,200

yeah yeah sure that that must be

994

00:35:14,150 --> 00:35:12,640

important and thank you for sharing that

995

00:35:15,430 --> 00:35:14,160

as well because that's a pretty profound

996

00:35:18,069 --> 00:35:15,440

experience

997

00:35:20,390 --> 00:35:18,079

has your perception of resonance viewing

998

00:35:24,310 --> 00:35:20,400

changed since your first experiences

999

00:35:27,430 --> 00:35:26,390

um

1000

00:35:29,430 --> 00:35:27,440

yeah

1001

00:35:31,589 --> 00:35:29,440

and i'll tell you why

1002

00:35:35,109 --> 00:35:31,599

once you go down this

1003

00:35:37,030 --> 00:35:35,119

path of learning rv it opens doors to

1004

00:35:39,750 --> 00:35:37,040

many new topics

1005

00:35:42,550 --> 00:35:39,760

that you might not have expected you you

1006

00:35:43,670 --> 00:35:42,560

know yourself to get involved with

1007

00:35:45,430 --> 00:35:43,680

because

1008

00:35:47,270 --> 00:35:45,440

you're viewing different sorts of

1009

00:35:48,069 --> 00:35:47,280

phenomena and different sorts of things

1010

00:35:49,670 --> 00:35:48,079

and

1011

00:35:52,150 --> 00:35:49,680

for a lot of people

1012

00:35:54,470 --> 00:35:52,160

remote viewing resonant viewing is kind

1013

00:35:56,230 --> 00:35:54,480

of like a gateway drug

1014

00:35:57,589 --> 00:35:56,240

it's the first thing that you try i'm

1015

00:35:59,750 --> 00:35:57,599

just saying that in a kind of a

1016

00:36:01,510 --> 00:35:59,760

facetious way yeah

1017

00:36:04,390 --> 00:36:01,520

it opens you up to something and you're

1018

00:36:06,790 --> 00:36:04,400

saying well what else might be true that

1019

00:36:08,230 --> 00:36:06,800

i wasn't told about in school or as a

1020

00:36:11,589 --> 00:36:08,240

kid that's what it did for me

1021

00:36:13,349 --> 00:36:11,599

what other phenomena might be out there

1022

00:36:15,910 --> 00:36:13,359

that are actually

1023

00:36:18,069 --> 00:36:15,920

uh real that the public doesn't really

1024

00:36:21,829 --> 00:36:18,079

know about right

1025

00:36:23,750 --> 00:36:21,839

and it's also because it's sort rv

1026

00:36:26,069 --> 00:36:23,760

attracts people

1027

00:36:28,069 --> 00:36:26,079

that have worked in these areas but

1028

00:36:29,910 --> 00:36:28,079

might have had security clearances and

1029

00:36:31,910 --> 00:36:29,920

they're not talking about it to the

1030

00:36:33,030 --> 00:36:31,920

public but when they come to the rv

1031

00:36:35,270 --> 00:36:33,040

class

1032

00:36:37,030 --> 00:36:35,280

they feel like they're in amelia where

1033

00:36:38,950 --> 00:36:37,040

they feel comfortable telling their

1034

00:36:41,190 --> 00:36:38,960

stories to the other people who are

1035

00:36:44,150 --> 00:36:41,200

there because perhaps the other people

1036

00:36:45,349 --> 00:36:44,160

who've come to the rv class are as crazy

1037

00:36:47,349 --> 00:36:45,359

as they are

1038

00:36:50,150 --> 00:36:47,359

to be open to these topics i'm saying

1039

00:36:51,910 --> 00:36:50,160

that in a kind of a fun way right so you

1040

00:36:55,349 --> 00:36:51,920

encounter people that have a lot of

1041

00:36:57,349 --> 00:36:55,359

credibility who've worked in different

1042

00:36:59,430 --> 00:36:57,359

jobs perhaps for the government or in

1043

00:37:01,750 --> 00:36:59,440

private industry where they've seen

1044

00:37:03,990 --> 00:37:01,760

things and they know a lot

1045

00:37:05,589 --> 00:37:04,000

behind the scenes about what's going on

1046

00:37:07,349 --> 00:37:05,599

with these phenomena but they've never

1047

00:37:08,870 --> 00:37:07,359

really shared it with anyone else so

1048

00:37:11,030 --> 00:37:08,880

they begin to share with you and other

1049

00:37:12,630 --> 00:37:11,040

people in the class and so you begin to

1050

00:37:14,150 --> 00:37:12,640

be exposed to these other topics and

1051

00:37:15,030 --> 00:37:14,160

that's how it happened to me

1052

00:37:18,950 --> 00:37:15,040

uh

1053

00:37:21,670 --> 00:37:18,960

with topics like ufos and you know other

1054

00:37:23,589 --> 00:37:21,680

phenomena you know ghosts and bigfoot

1055

00:37:25,510 --> 00:37:23,599

and things like this

1056

00:37:26,870 --> 00:37:25,520

that you hear very credible stories from

1057

00:37:28,470 --> 00:37:26,880

these people and they say you know i've

1058

00:37:30,310 --> 00:37:28,480

never really told this to anyone before

1059

00:37:31,670 --> 00:37:30,320

but here we are at lunch during the rv

1060

00:37:33,750 --> 00:37:31,680

class and they share a story in here

1061

00:37:35,030 --> 00:37:33,760

goes wow you know that's really

1062

00:37:36,470 --> 00:37:35,040

something and they have to be someone

1063

00:37:38,630 --> 00:37:36,480

who had a security clearance or

1064

00:37:40,550 --> 00:37:38,640

something they have credibility right

1065

00:37:42,790 --> 00:37:40,560

and then you realize there are a lot of

1066

00:37:44,550 --> 00:37:42,800

these people out there there's a lot of

1067

00:37:47,030 --> 00:37:44,560

witnesses out there who've never come

1068

00:37:49,349 --> 00:37:47,040

forward because they're afraid for some

1069

00:37:52,310 --> 00:37:49,359

reason to share their story but around

1070

00:37:54,870 --> 00:37:52,320

you and the rv group they're not so so

1071

00:37:57,510 --> 00:37:54,880

to answer your question it just changes

1072

00:37:59,990 --> 00:37:57,520

in the sense that

1073

00:38:02,230 --> 00:38:00,000

one you begin to be exposed to a lot of

1074

00:38:04,069 --> 00:38:02,240

other phenomena from credible witnesses

1075

00:38:05,670 --> 00:38:04,079

and two you begin to wonder andy

1076

00:38:07,510 --> 00:38:05,680

honestly what in the world is the

1077

00:38:09,030 --> 00:38:07,520

science behind how this works how does

1078

00:38:11,589 --> 00:38:09,040

information flow

1079

00:38:13,109 --> 00:38:11,599

from somewhere over there to you without

1080

00:38:14,470 --> 00:38:13,119

seeming to go through the intervening

1081

00:38:17,190 --> 00:38:14,480

space

1082

00:38:18,790 --> 00:38:17,200

so you begin to question the larger

1083

00:38:21,270 --> 00:38:18,800

sense of reality that we have you know

1084

00:38:23,670 --> 00:38:21,280

scientifically uh what what sort of

1085

00:38:25,430 --> 00:38:23,680

science would you need to explain how

1086

00:38:26,710 --> 00:38:25,440

this works so i think that's those are

1087

00:38:28,630 --> 00:38:26,720

two ways that

1088

00:38:30,630 --> 00:38:28,640

it never really stops basically once you

1089

00:38:32,470 --> 00:38:30,640

start going down this path and you see

1090

00:38:34,710 --> 00:38:32,480

that you can do this

1091

00:38:38,630 --> 00:38:34,720

and uh it's a sort of a normal thing to

1092

00:38:40,710 --> 00:38:38,640

be able to view and get these sort of uh

1093

00:38:43,030 --> 00:38:40,720

non-local perceptions and describe them

1094

00:38:45,109 --> 00:38:43,040

accurately you begin to

1095

00:38:47,190 --> 00:38:45,119

be open to other topics too

1096

00:38:48,550 --> 00:38:47,200

sure and other and begin to question

1097

00:38:51,430 --> 00:38:48,560

science just like a lot of people are

1098

00:38:53,430 --> 00:38:51,440

questioning quantum mechanics right now

1099

00:38:55,829 --> 00:38:53,440

you can see it every day

1100

00:38:57,349 --> 00:38:55,839

online someone with a lot of experience

1101

00:38:59,589 --> 00:38:57,359

saying well how does it really work

1102

00:39:01,109 --> 00:38:59,599

what's the theory behind it so

1103

00:39:03,430 --> 00:39:01,119

and that's all it takes and you

1104

00:39:05,910 --> 00:39:03,440

mentioned you know it's strange to think

1105

00:39:08,230 --> 00:39:05,920

how can information get from that place

1106

00:39:10,390 --> 00:39:08,240

over there to me with with nothing in

1107

00:39:12,710 --> 00:39:10,400

between physical you know interacting to

1108

00:39:15,349 --> 00:39:12,720

give me that information but you think

1109

00:39:17,349 --> 00:39:15,359

of like my phone and my internet hub or

1110

00:39:18,870 --> 00:39:17,359

you know the wi-fi connection my house

1111

00:39:20,790 --> 00:39:18,880

there's nothing between them sending the

1112

00:39:22,710 --> 00:39:20,800

information yet here it is on my phone

1113

00:39:24,230 --> 00:39:22,720

and there's data going back and forward

1114

00:39:25,750 --> 00:39:24,240

and there's packet loss and data

1115

00:39:27,910 --> 00:39:25,760

dropping out and

1116

00:39:29,670 --> 00:39:27,920

you know that that's just another way it

1117

00:39:31,510 --> 00:39:29,680

happens you know it's frequencies and so

1118

00:39:33,670 --> 00:39:31,520

why couldn't it happen from you know

1119

00:39:35,190 --> 00:39:33,680

from a brain to to another point or

1120

00:39:36,310 --> 00:39:35,200

whatever if it's all bouncing about in

1121

00:39:38,069 --> 00:39:36,320

the air then

1122

00:39:40,710 --> 00:39:38,079

it's just just another way of getting

1123

00:39:42,470 --> 00:39:40,720

getting information across

1124

00:39:44,150 --> 00:39:42,480

no that's a really good point i mean we

1125

00:39:45,750 --> 00:39:44,160

already accept this

1126

00:39:47,990 --> 00:39:45,760

in our technology right we're having a

1127

00:39:49,510 --> 00:39:48,000

conversation right now across a large

1128

00:39:51,270 --> 00:39:49,520

distance

1129

00:39:53,990 --> 00:39:51,280

and it's almost like you're in the room

1130

00:39:55,190 --> 00:39:54,000

with me it's that clear right yeah and a

1131

00:39:57,750 --> 00:39:55,200

hundred years ago no one would have

1132

00:39:59,030 --> 00:39:57,760

believed that in a few hundred years

1133

00:40:01,349 --> 00:39:59,040

before that they would have thought you

1134

00:40:02,069 --> 00:40:01,359

were practicing witchcraft

1135

00:40:03,990 --> 00:40:02,079

so

1136

00:40:06,870 --> 00:40:04,000

it's it's this very valid point is we

1137

00:40:09,510 --> 00:40:06,880

that that sort of quantum reality the

1138

00:40:12,150 --> 00:40:09,520

way information moves you know at the

1139

00:40:13,750 --> 00:40:12,160

speed of light across large distances

1140

00:40:16,309 --> 00:40:13,760

already exists

1141

00:40:18,309 --> 00:40:16,319

but for some reason we feel that we need

1142

00:40:20,309 --> 00:40:18,319

machines to do that right

1143

00:40:22,390 --> 00:40:20,319

we need some

1144

00:40:24,550 --> 00:40:22,400

physical machine to create that

1145

00:40:25,750 --> 00:40:24,560

communication to

1146

00:40:28,230 --> 00:40:25,760

connect

1147

00:40:29,589 --> 00:40:28,240

to those quantum properties

1148

00:40:33,069 --> 00:40:29,599

that allow

1149

00:40:35,750 --> 00:40:33,079

for particles to share information

1150

00:40:37,190 --> 00:40:35,760

instantaneously at a distance and all of

1151

00:40:38,950 --> 00:40:37,200

the other sort of weird quantum

1152

00:40:41,349 --> 00:40:38,960

properties quantum tunneling things like

1153

00:40:43,430 --> 00:40:41,359

this that allow our electronics to work

1154

00:40:45,750 --> 00:40:43,440

that explain how they work

1155

00:40:47,910 --> 00:40:45,760

but for some reason when it comes to us

1156

00:40:49,589 --> 00:40:47,920

we have a very limited idea of our

1157

00:40:50,630 --> 00:40:49,599

abilities and capabilities i mean don't

1158

00:40:52,710 --> 00:40:50,640

you think

1159

00:40:54,710 --> 00:40:52,720

yeah and i love a marvel analogy and

1160

00:40:56,390 --> 00:40:54,720

it's like when you watch thor and

1161

00:40:58,150 --> 00:40:56,400

there's one at one of the movies where

1162

00:40:59,990 --> 00:40:58,160

thor loses his hammer and he tells his

1163

00:41:01,750 --> 00:41:00,000

dad well i don't have my power anymore

1164

00:41:03,190 --> 00:41:01,760

and his dad tells him well the hammer

1165

00:41:04,950 --> 00:41:03,200

was not for the power you're the source

1166

00:41:06,950 --> 00:41:04,960

of the power the hammer was just a way

1167

00:41:09,030 --> 00:41:06,960

to harness it you've got the power on

1168

00:41:10,950 --> 00:41:09,040

you and thor realizes that wait a minute

1169

00:41:12,630 --> 00:41:10,960

i've had me all along and that that's

1170

00:41:14,630 --> 00:41:12,640

all it is it's just a way to channel it

1171

00:41:18,069 --> 00:41:14,640

so so yeah i can i can totally

1172

00:41:21,670 --> 00:41:19,109

it's a good

1173

00:41:24,150 --> 00:41:21,680

it's good analogy marvel explains

1174

00:41:26,069 --> 00:41:24,160

a range of things for me so

1175

00:41:28,390 --> 00:41:26,079

no it does because we can accept things

1176

00:41:29,990 --> 00:41:28,400

in comic books right yeah and we can

1177

00:41:31,589 --> 00:41:30,000

accept we can accept things when we

1178

00:41:35,109 --> 00:41:31,599

believe it's fiction

1179

00:41:37,270 --> 00:41:35,119

but we've all had this conditioning from

1180

00:41:38,630 --> 00:41:37,280

the time we're very young i mean it

1181

00:41:39,910 --> 00:41:38,640

really starts at a very young age

1182

00:41:43,190 --> 00:41:39,920

doesn't it

1183

00:41:44,470 --> 00:41:43,200

uh to be told that what is real and what

1184

00:41:46,309 --> 00:41:44,480

isn't real i mean a lot of young

1185

00:41:47,750 --> 00:41:46,319

children have like imaginary friends and

1186

00:41:50,230 --> 00:41:47,760

things like this

1187

00:41:51,910 --> 00:41:50,240

and experiences and then they're told

1188

00:41:53,750 --> 00:41:51,920

that that's just you know that was just

1189

00:41:55,270 --> 00:41:53,760

your imagination johnny that wasn't you

1190

00:41:56,710 --> 00:41:55,280

know it wasn't real and we hear this

1191

00:41:58,230 --> 00:41:56,720

over and over again and eventually by

1192

00:42:00,230 --> 00:41:58,240

the time we're adults we

1193

00:42:02,790 --> 00:42:00,240

we're like really dulled down aren't we

1194

00:42:05,430 --> 00:42:02,800

to not look at these things anymore

1195

00:42:08,309 --> 00:42:05,440

uh and so it's kind of it's a cultural

1196

00:42:11,030 --> 00:42:08,319

conditioning process that

1197

00:42:14,309 --> 00:42:11,040

teaches us that those things are real in

1198

00:42:17,430 --> 00:42:14,319

fiction but it's not true in reality but

1199

00:42:19,990 --> 00:42:17,440

then science comes along and technology

1200

00:42:21,750 --> 00:42:20,000

and events things that seem would have

1201
00:42:23,430 --> 00:42:21,760
seemed to people in the past like magic

1202
00:42:25,030 --> 00:42:23,440
like this would have seemed like some

1203
00:42:26,630 --> 00:42:25,040
sort of sorcery right we could we could

1204
00:42:28,230 --> 00:42:26,640
have been burned at the stake andy for

1205
00:42:31,349 --> 00:42:28,240
doing what we're doing right now

1206
00:42:33,510 --> 00:42:31,359
in the past so think so things change

1207
00:42:34,950 --> 00:42:33,520
and eventually we begin to accept that

1208
00:42:36,470 --> 00:42:34,960
magic is real

1209
00:42:37,750 --> 00:42:36,480
and they're still cultural

1210
00:42:39,109 --> 00:42:37,760
yeah there's still cultures on the

1211
00:42:41,030 --> 00:42:39,119
planet that would burn you at the stake

1212
00:42:42,710 --> 00:42:41,040
or you know at least execute you for for

1213
00:42:43,750 --> 00:42:42,720

doing what we are doing now as well so

1214

00:42:47,030 --> 00:42:43,760

you know

1215

00:42:49,270 --> 00:42:47,040

right now in 2020 as we understand it

1216

00:42:51,270 --> 00:42:49,280

something you've touched on is you know

1217

00:42:53,190 --> 00:42:51,280

this whole idea of resonance viewing and

1218

00:42:55,589 --> 00:42:53,200

all these different phenomenas

1219

00:42:57,190 --> 00:42:55,599

more and more it seems to get tied into

1220

00:42:59,270 --> 00:42:57,200

consciousness

1221

00:43:03,910 --> 00:42:59,280

what's your perception or how would you

1222

00:43:08,230 --> 00:43:05,589

yes no consciousness is like the big

1223

00:43:10,390 --> 00:43:08,240

question isn't it and uh

1224

00:43:13,430 --> 00:43:10,400

there's a i think a

1225

00:43:14,870 --> 00:43:13,440

bias here to believe that consciousness

1226
00:43:16,950 --> 00:43:14,880
is

1227
00:43:18,309 --> 00:43:16,960
sort of

1228
00:43:20,069 --> 00:43:18,319
well there's a couple aspects to it but

1229
00:43:22,870 --> 00:43:20,079
the consciousness is

1230
00:43:26,470 --> 00:43:22,880
sort of a human thing mainly

1231
00:43:28,150 --> 00:43:26,480
and i think what rv shows you is that

1232
00:43:30,230 --> 00:43:28,160
everything is conscious that

1233
00:43:32,150 --> 00:43:30,240
consciousness is more like a field that

1234
00:43:34,309 --> 00:43:32,160
pervades

1235
00:43:35,829 --> 00:43:34,319
space and time rather than being

1236
00:43:38,150 --> 00:43:35,839
confined to your brain

1237
00:43:40,069 --> 00:43:38,160
and you know we hear a lot about

1238
00:43:42,230 --> 00:43:40,079

neuroscience these days and if you read

1239

00:43:44,309 --> 00:43:42,240

any science magazines so there's oh so

1240

00:43:46,309 --> 00:43:44,319

much going on in neuroscience about

1241

00:43:47,349 --> 00:43:46,319

identifying parts of the brain what they

1242

00:43:49,750 --> 00:43:47,359

do

1243

00:43:50,790 --> 00:43:49,760

and there's almost this belief that

1244

00:43:54,390 --> 00:43:50,800

if we

1245

00:43:56,550 --> 00:43:54,400

you know drill down you know in a sense

1246

00:43:57,670 --> 00:43:56,560

to the smallest level we'll find out

1247

00:43:59,510 --> 00:43:57,680

what consciousness is like it's

1248

00:44:02,470 --> 00:43:59,520

somewhere in you

1249

00:44:04,630 --> 00:44:02,480

and we'll find it in the brain somewhere

1250

00:44:06,950 --> 00:44:04,640

and to this so far no one's found it in

1251
00:44:09,270 --> 00:44:06,960
the brain

1252
00:44:11,270 --> 00:44:09,280
it doesn't seem to you know

1253
00:44:13,109 --> 00:44:11,280
you you you're aware of this because

1254
00:44:15,030 --> 00:44:13,119
when you have feelings and thoughts and

1255
00:44:16,470 --> 00:44:15,040
things you're aware that you're having

1256
00:44:18,470 --> 00:44:16,480
those feelings and thoughts that's

1257
00:44:20,470 --> 00:44:18,480
really sort of what separates you from a

1258
00:44:22,550 --> 00:44:20,480
lot of other living things on the planet

1259
00:44:24,390 --> 00:44:22,560
is this sort of awareness that you're

1260
00:44:26,390 --> 00:44:24,400
feeling one way or another you can kind

1261
00:44:28,390 --> 00:44:26,400
of take a step back from it so the

1262
00:44:30,630 --> 00:44:28,400
question is who's doing that who's

1263
00:44:32,150 --> 00:44:30,640

taking the step back from your brain

1264

00:44:33,829 --> 00:44:32,160

so you have to be more than your brain

1265

00:44:36,069 --> 00:44:33,839

right

1266

00:44:37,829 --> 00:44:36,079

it's sort of uh you know headlights

1267

00:44:39,270 --> 00:44:37,839

don't illuminate themselves they

1268

00:44:40,870 --> 00:44:39,280

illuminate something that's in front of

1269

00:44:41,750 --> 00:44:40,880

the car they really can't see how they

1270

00:44:43,589 --> 00:44:41,760

work

1271

00:44:46,230 --> 00:44:43,599

so there's always some aspect of it

1272

00:44:47,750 --> 00:44:46,240

that's beyond the mechanistic model so

1273

00:44:50,150 --> 00:44:47,760

that's really what it suggests to us is

1274

00:44:51,030 --> 00:44:50,160

that consciousness is non-local whatever

1275

00:44:52,710 --> 00:44:51,040

it is

1276

00:44:54,150 --> 00:44:52,720

and it may be so fundamental that it's

1277

00:44:55,589 --> 00:44:54,160

almost hard to talk about because

1278

00:44:56,790 --> 00:44:55,599

there's nowhere that it isn't and if

1279

00:44:57,990 --> 00:44:56,800

there's nowhere that it isn't it's

1280

00:44:58,950 --> 00:44:58,000

really hard to

1281

00:45:01,030 --> 00:44:58,960

kind of

1282

00:45:03,030 --> 00:45:01,040

pick it out from everything else

1283

00:45:05,750 --> 00:45:03,040

but it certainly raises questions

1284

00:45:07,829 --> 00:45:05,760

whether it's not as local as it looks

1285

00:45:11,910 --> 00:45:07,839

and and you know science really is

1286

00:45:14,309 --> 00:45:11,920

attached to this idea of locality and uh

1287

00:45:16,230 --> 00:45:14,319

this shows us that there's a non-local

1288

00:45:17,910 --> 00:45:16,240

component just like quantum mechanics

1289

00:45:18,950 --> 00:45:17,920

tells us actually it's not surprising is

1290

00:45:20,230 --> 00:45:18,960

it

1291

00:45:21,750 --> 00:45:20,240

no

1292

00:45:24,309 --> 00:45:21,760

i saw someone suggest on twitter

1293

00:45:25,589 --> 00:45:24,319

recently and it was i i don't think it

1294

00:45:26,950 --> 00:45:25,599

was original and it may be something

1295

00:45:28,950 --> 00:45:26,960

you've heard before but it was the first

1296

00:45:30,550 --> 00:45:28,960

time i'd heard it that the brain

1297

00:45:32,309 --> 00:45:30,560

potentially is a receiver of

1298

00:45:34,470 --> 00:45:32,319

consciousness and it's not where it's

1299

00:45:36,150 --> 00:45:34,480

generated or when it's kept but it's

1300

00:45:38,550 --> 00:45:36,160

almost like you know if you want to

1301
00:45:40,230 --> 00:45:38,560
think of avatar where something's been

1302
00:45:41,829 --> 00:45:40,240
beamed into another mechanism like a

1303
00:45:44,069 --> 00:45:41,839
biological well you know we're just

1304
00:45:45,750 --> 00:45:44,079
radios receiving a signal from elsewhere

1305
00:45:48,069 --> 00:45:45,760
and you experience consciousness and

1306
00:45:49,589 --> 00:45:48,079
whatever we perceive as reality through

1307
00:45:53,270 --> 00:45:49,599
through the signal and i just thought

1308
00:45:57,670 --> 00:45:56,630
yeah it's something more like that um

1309
00:45:59,750 --> 00:45:57,680
is

1310
00:46:01,670 --> 00:45:59,760
when i was a kid really young kid i used

1311
00:46:02,950 --> 00:46:01,680
to build crystal radios

1312
00:46:05,349 --> 00:46:02,960
there's a store here in the states

1313
00:46:07,109 --> 00:46:05,359

called radio shack there was

1314

00:46:08,710 --> 00:46:07,119

it's no longer around physically as a

1315

00:46:09,910 --> 00:46:08,720

store i think they still have a website

1316

00:46:11,510 --> 00:46:09,920

but i was really interested in

1317

00:46:13,670 --> 00:46:11,520

electronics as a kid

1318

00:46:14,470 --> 00:46:13,680

and i would build these kits you know

1319

00:46:20,870 --> 00:46:14,480

and

1320

00:46:22,390 --> 00:46:20,880

this kit allowed you to build a crystal

1321

00:46:24,950 --> 00:46:22,400

radio which

1322

00:46:26,950 --> 00:46:24,960

used a crystal to receive am radio

1323

00:46:29,670 --> 00:46:26,960

signals with no battery and i was

1324

00:46:31,190 --> 00:46:29,680

astounded about you put the earpiece in

1325

00:46:33,030 --> 00:46:31,200

you'd hear the radio station only the

1326

00:46:34,550 --> 00:46:33,040

strongest in your area

1327

00:46:35,829 --> 00:46:34,560

and there it was with no battery it was

1328

00:46:38,550 --> 00:46:35,839

incredible

1329

00:46:40,550 --> 00:46:38,560

and so it kind of shows us that there's

1330

00:46:41,589 --> 00:46:40,560

this kind of non-local component to

1331

00:46:42,710 --> 00:46:41,599

things

1332

00:46:44,390 --> 00:46:42,720

um

1333

00:46:45,910 --> 00:46:44,400

and yeah i mean in terms of

1334

00:46:48,230 --> 00:46:45,920

consciousness it's

1335

00:46:50,390 --> 00:46:48,240

more like we're receiving a signal

1336

00:46:51,589 --> 00:46:50,400

around like a certain frequency and when

1337

00:46:52,950 --> 00:46:51,599

you're on the same you know kind of what

1338

00:46:55,030 --> 00:46:52,960

we're talking about before resonance

1339

00:46:56,710 --> 00:46:55,040

when you're on the same frequency as

1340

00:46:58,790 --> 00:46:56,720

other things

1341

00:47:00,630 --> 00:46:58,800

the information spontaneously flows just

1342

00:47:02,550 --> 00:47:00,640

like it would in a crystal radio i mean

1343

00:47:05,030 --> 00:47:02,560

that's the analogy i've always used to

1344

00:47:06,710 --> 00:47:05,040

explain rv just like a crystal radio it

1345

00:47:09,750 --> 00:47:06,720

didn't need a battery

1346

00:47:11,829 --> 00:47:09,760

the signal itself had enough energy to

1347

00:47:13,349 --> 00:47:11,839

transmit and move around

1348

00:47:15,109 --> 00:47:13,359

now again we're not talking about

1349

00:47:17,430 --> 00:47:15,119

electromagnetic signals kind of like

1350

00:47:19,510 --> 00:47:17,440

radio but i think the analogy really

1351
00:47:21,349 --> 00:47:19,520
holds and quantum mechanics tells us

1352
00:47:23,270 --> 00:47:21,359
that everything has a natural resonance

1353
00:47:25,510 --> 00:47:23,280
to it that everything has frequency

1354
00:47:27,990 --> 00:47:25,520
that's the basis of quantum mechanics

1355
00:47:29,670 --> 00:47:28,000
going all the way back to the black body

1356
00:47:30,870 --> 00:47:29,680
radiation experiments of plank and

1357
00:47:32,790 --> 00:47:30,880
einstein

1358
00:47:35,109 --> 00:47:32,800
uh you know over 100 years ago that led

1359
00:47:36,870 --> 00:47:35,119
to the creation of quantum mechanics is

1360
00:47:38,549 --> 00:47:36,880
that there's certain frequencies but

1361
00:47:40,309 --> 00:47:38,559
it's not continuous it comes in these

1362
00:47:41,750 --> 00:47:40,319
quantum packets

1363
00:47:44,150 --> 00:47:41,760

i mean that's what created quantum

1364

00:47:45,829 --> 00:47:44,160

mechanics is the notion of resonance to

1365

00:47:47,670 --> 00:47:45,839

begin with so

1366

00:47:50,549 --> 00:47:47,680

um

1367

00:47:51,750 --> 00:47:50,559

so yeah it consciousness is a really

1368

00:47:53,829 --> 00:47:51,760

important part of it but let me flip it

1369

00:47:55,430 --> 00:47:53,839

around for a second too andy on the

1370

00:47:57,270 --> 00:47:55,440

other way look at it

1371

00:48:00,390 --> 00:47:57,280

rv also suggests that we're not as

1372

00:48:02,710 --> 00:48:00,400

conscious as we think we are

1373

00:48:04,790 --> 00:48:02,720

and that's the really astounding part

1374

00:48:07,030 --> 00:48:04,800

about it too

1375

00:48:08,710 --> 00:48:07,040

is that

1376

00:48:11,270 --> 00:48:08,720

we're brought up to think that we're

1377

00:48:13,349 --> 00:48:11,280

conscious and aware of what's going on

1378

00:48:15,030 --> 00:48:13,359

and guess what rv

1379

00:48:16,710 --> 00:48:15,040

talks about and this is really

1380

00:48:18,870 --> 00:48:16,720

illustrated well in this book called the

1381

00:48:24,630 --> 00:48:18,880

user illusion

1382

00:48:27,990 --> 00:48:24,640

it's a book i found in in the 90s a long

1383

00:48:29,510 --> 00:48:28,000

time ago i think it was before rv

1384

00:48:31,109 --> 00:48:29,520

uh and

1385

00:48:33,430 --> 00:48:31,119

it was about how we're not really as

1386

00:48:35,190 --> 00:48:33,440

conscious as we think in fact

1387

00:48:37,430 --> 00:48:35,200

what we consider to be

1388

00:48:39,190 --> 00:48:37,440

conscious information you know

1389

00:48:42,069 --> 00:48:39,200

our awareness right now the room around

1390

00:48:44,390 --> 00:48:42,079

us and things in our vicinity

1391

00:48:46,710 --> 00:48:44,400

is a tiny fraction of a percent of all

1392

00:48:48,790 --> 00:48:46,720

the information that's aware that we're

1393

00:48:50,390 --> 00:48:48,800

actually aware of and ingo swan was

1394

00:48:51,990 --> 00:48:50,400

actually a big fan of this book too as

1395

00:48:54,630 --> 00:48:52,000

we found out later when he gave us a

1396

00:48:55,910 --> 00:48:54,640

presentation in 2002 in austin texas at

1397

00:48:58,309 --> 00:48:55,920

the irv i mean he brought up this book

1398

00:48:59,109 --> 00:48:58,319

the user illusion i said hey i know that

1399

00:49:01,829 --> 00:48:59,119

book

1400

00:49:03,910 --> 00:49:01,839

i guess it's not coincidence is it uh

1401

00:49:06,549 --> 00:49:03,920

that book said that

1402

00:49:10,870 --> 00:49:06,559

what we consider to be consciousness

1403

00:49:14,069 --> 00:49:10,880

is about i think on the order of 16 bits

1404

00:49:16,470 --> 00:49:14,079

out of 40 million every second something

1405

00:49:18,069 --> 00:49:16,480

like that a tiny fraction of a percent a

1406

00:49:20,710 --> 00:49:18,079

few thousandths of a percent of all

1407

00:49:22,390 --> 00:49:20,720

information that's why rv really works

1408

00:49:25,109 --> 00:49:22,400

is you're actually

1409

00:49:26,950 --> 00:49:25,119

aware of a lot more than in your

1410

00:49:28,790 --> 00:49:26,960

consciousness

1411

00:49:32,150 --> 00:49:28,800

it's because of the idea of the lemon

1412

00:49:33,349 --> 00:49:32,160

subliminal you know this idea that

1413

00:49:35,430 --> 00:49:33,359

uh

1414

00:49:38,630 --> 00:49:35,440

what we consider to be our conscious

1415

00:49:40,950 --> 00:49:38,640

awareness is a tiny fraction of reality

1416

00:49:42,950 --> 00:49:40,960

and that in itself is a really profound

1417

00:49:44,870 --> 00:49:42,960

idea right is that what we consider to

1418

00:49:46,470 --> 00:49:44,880

be reality is just a tiny fraction of

1419

00:49:49,670 --> 00:49:46,480

everything that's out there and that's

1420

00:49:51,510 --> 00:49:49,680

another big takeaway from rv is that

1421

00:49:54,069 --> 00:49:51,520

we're not as conscious as we think we

1422

00:49:55,430 --> 00:49:54,079

are because most of it's in another part

1423

00:49:57,510 --> 00:49:55,440

of our awareness that some people call

1424

00:49:58,790 --> 00:49:57,520

the subconscious or you could call the

1425

00:50:00,470 --> 00:49:58,800

unconscious i mean there's different

1426

00:50:02,230 --> 00:50:00,480

ways of looking at it but the

1427

00:50:03,670 --> 00:50:02,240

information is there

1428

00:50:05,990 --> 00:50:03,680

but you're not

1429

00:50:08,150 --> 00:50:06,000

you're not aware that you have it and

1430

00:50:09,510 --> 00:50:08,160

that's what rv sort of does is it allows

1431

00:50:10,790 --> 00:50:09,520

you to become a little more sensitive

1432

00:50:12,470 --> 00:50:10,800

and look in different places in your

1433

00:50:14,150 --> 00:50:12,480

awareness so

1434

00:50:15,990 --> 00:50:14,160

on one hand yeah

1435

00:50:18,230 --> 00:50:16,000

consciousness is this non-local thing

1436

00:50:19,589 --> 00:50:18,240

that pervades space time on another

1437

00:50:21,349 --> 00:50:19,599

level

1438

00:50:22,790 --> 00:50:21,359

talking about our own personal

1439

00:50:24,630 --> 00:50:22,800

consciousness we're not as conscious as

1440

00:50:27,910 --> 00:50:24,640

we think we are

1441

00:50:32,470 --> 00:50:30,390

a mind-blowing subject that

1442

00:50:34,230 --> 00:50:32,480

you you take it in isolation it's a

1443

00:50:36,069 --> 00:50:34,240

really simple thing to talk about and it

1444

00:50:37,750 --> 00:50:36,079

just gets bigger and bigger and bigger

1445

00:50:39,430 --> 00:50:37,760

to bring it crashing back down to

1446

00:50:42,150 --> 00:50:39,440

reality something you touched on a

1447

00:50:44,549 --> 00:50:42,160

little while ago some was um the

1448

00:50:47,109 --> 00:50:44,559

governments and you talked about that do

1449

00:50:48,630 --> 00:50:47,119

you think the us or other governments do

1450

00:50:51,270 --> 00:50:48,640

still use

1451
00:50:54,069 --> 00:50:51,280
resonance viewing uh for any particular

1452
00:50:56,390 --> 00:50:54,079
reasons

1453
00:50:58,150 --> 00:50:56,400
i would be surprised if they didn't and

1454
00:50:59,910 --> 00:50:58,160
and the reason is let's just go back

1455
00:51:02,790 --> 00:50:59,920
historically

1456
00:51:04,390 --> 00:51:02,800
before the us was doing it the

1457
00:51:06,150 --> 00:51:04,400
soviet union had

1458
00:51:07,670 --> 00:51:06,160
very extensive programs in psychic

1459
00:51:09,030 --> 00:51:07,680
research

1460
00:51:10,710 --> 00:51:09,040
there's a great book about it called

1461
00:51:11,829 --> 00:51:10,720
psychic discoveries behind the iron

1462
00:51:14,069 --> 00:51:11,839
curtain

1463
00:51:16,069 --> 00:51:14,079

uh from you know a couple

1464

00:51:18,230 --> 00:51:16,079

20 years ago or so and

1465

00:51:19,910 --> 00:51:18,240

we know that's how the us sort of found

1466

00:51:20,710 --> 00:51:19,920

out about it is the soviets were doing

1467

00:51:22,549 --> 00:51:20,720

it

1468

00:51:23,910 --> 00:51:22,559

first and they were concerned that they

1469

00:51:26,150 --> 00:51:23,920

would have you know there's going to be

1470

00:51:28,470 --> 00:51:26,160

this sputnik moment where they developed

1471

00:51:30,390 --> 00:51:28,480

this psychic espionage warfare you know

1472

00:51:32,790 --> 00:51:30,400

the communist party the soviet union was

1473

00:51:35,430 --> 00:51:32,800

going to get us with their psychics

1474

00:51:38,309 --> 00:51:35,440

and they had extensive

1475

00:51:41,670 --> 00:51:38,319

programs going which led the us to do it

1476

00:51:44,390 --> 00:51:41,680

too but not only soviet union but china

1477

00:51:47,510 --> 00:51:44,400

had extensive psychic

1478

00:51:51,990 --> 00:51:49,670

sort of programs to

1479

00:51:54,069 --> 00:51:52,000

find the natural psychics in their

1480

00:51:56,069 --> 00:51:54,079

population of a billion people at the

1481

00:51:58,549 --> 00:51:56,079

time they they would scour the

1482

00:52:00,790 --> 00:51:58,559

countryside first natural psychics kids

1483

00:52:03,589 --> 00:52:00,800

that had natural psychic ability

1484

00:52:06,150 --> 00:52:03,599

so it really was uh

1485

00:52:08,790 --> 00:52:06,160

you know countries that the us

1486

00:52:10,549 --> 00:52:08,800

at the time considered adversaries that

1487

00:52:12,470 --> 00:52:10,559

they had this thing that they could

1488

00:52:13,349 --> 00:52:12,480

weaponize that

1489

00:52:14,710 --> 00:52:13,359

we

1490

00:52:16,710 --> 00:52:14,720

had to have it too

1491

00:52:18,710 --> 00:52:16,720

so in that context i would be surprised

1492

00:52:21,750 --> 00:52:18,720

since it really does work if somebody

1493

00:52:23,589 --> 00:52:21,760

isn't using it in some way

1494

00:52:25,589 --> 00:52:23,599

it could have been outsourced now

1495

00:52:27,270 --> 00:52:25,599

privatized i don't have any direct

1496

00:52:28,069 --> 00:52:27,280

information that the us government is

1497

00:52:30,150 --> 00:52:28,079

still

1498

00:52:31,349 --> 00:52:30,160

has an active program i mean i don't

1499

00:52:33,510 --> 00:52:31,359

know about that everyone i've asked

1500

00:52:35,589 --> 00:52:33,520

about it this comes up a lot at the rv

1501
00:52:37,430 --> 00:52:35,599
meetings and so forth and the consensus

1502
00:52:39,030 --> 00:52:37,440
seems to be they probably still do have

1503
00:52:41,589 --> 00:52:39,040
it but it's under a different name now

1504
00:52:43,190 --> 00:52:41,599
and it could have been privatized in

1505
00:52:44,630 --> 00:52:43,200
some way so that they're not doing it

1506
00:52:46,870 --> 00:52:44,640
directly they can say we don't do it

1507
00:52:48,630 --> 00:52:46,880
anymore and you know some company does

1508
00:52:50,710 --> 00:52:48,640
it for them

1509
00:52:53,109 --> 00:52:50,720
as with a lot of things in this topic

1510
00:52:54,470 --> 00:52:53,119
and i suppose that takes us on nicely to

1511
00:52:57,990 --> 00:52:54,480
there's more and more of a connection

1512
00:53:00,549 --> 00:52:58,000
now between consciousness and ufos the

1513
00:53:03,750 --> 00:53:00,559

uap phenomenon um

1514

00:53:05,510 --> 00:53:03,760

what's your take on ats

1515

00:53:07,589 --> 00:53:05,520

do you think multi-dimensional

1516

00:53:11,109 --> 00:53:07,599

interdimensional a mix of we've got

1517

00:53:13,990 --> 00:53:11,119

beings going from planet to planet

1518

00:53:15,270 --> 00:53:14,000

yeah that's the big question isn't it

1519

00:53:17,510 --> 00:53:15,280

it's something

1520

00:53:19,990 --> 00:53:17,520

andy it's definitely something

1521

00:53:21,430 --> 00:53:20,000

and it's been around for a while

1522

00:53:23,270 --> 00:53:21,440

what this is

1523

00:53:25,510 --> 00:53:23,280

i don't think anyone

1524

00:53:28,390 --> 00:53:25,520

totally unknowns or understands yet but

1525

00:53:30,790 --> 00:53:28,400

it's bigger than we can understand and

1526

00:53:34,309 --> 00:53:30,800

it's there and it shows up

1527

00:53:35,349 --> 00:53:34,319

and is it you know a range of phenomena

1528

00:53:36,950 --> 00:53:35,359

like

1529

00:53:39,670 --> 00:53:36,960

you've just described

1530

00:53:42,230 --> 00:53:39,680

all you know answer e all of the above

1531

00:53:43,910 --> 00:53:42,240

yeah probably something like that and i

1532

00:53:46,309 --> 00:53:43,920

don't think that's a cop-out it's just

1533

00:53:48,309 --> 00:53:46,319

that these objects and the experiences

1534

00:53:49,510 --> 00:53:48,319

that people have around them

1535

00:53:52,069 --> 00:53:49,520

there's such

1536

00:53:54,150 --> 00:53:52,079

an amount of variation

1537

00:53:56,549 --> 00:53:54,160

and diversity in

1538

00:53:57,510 --> 00:53:56,559

ufo et contact experiences that people

1539

00:53:59,589 --> 00:53:57,520

have

1540

00:54:01,190 --> 00:53:59,599

not all the time sometimes these crafts

1541

00:54:02,790 --> 00:54:01,200

seem to show up a couple of years later

1542

00:54:03,750 --> 00:54:02,800

the exact same craft in another part of

1543

00:54:05,670 --> 00:54:03,760

the world

1544

00:54:07,589 --> 00:54:05,680

which you know makes you wonder what

1545

00:54:09,270 --> 00:54:07,599

what is going on there over two

1546

00:54:11,750 --> 00:54:09,280

different rural areas on the opposite

1547

00:54:13,829 --> 00:54:11,760

side of the globe

1548

00:54:15,510 --> 00:54:13,839

but going back to our discussion you

1549

00:54:17,829 --> 00:54:15,520

know at the beginning about means and

1550

00:54:19,430 --> 00:54:17,839

variances it doesn't have a mean and it

1551

00:54:21,589 --> 00:54:19,440

doesn't have variances

1552

00:54:24,150 --> 00:54:21,599

it's really challenging to study some of

1553

00:54:26,470 --> 00:54:24,160

these craft might have characteristics

1554

00:54:28,710 --> 00:54:26,480

that have an envelope you know you could

1555

00:54:31,030 --> 00:54:28,720

describe their flight characteristics

1556

00:54:33,510 --> 00:54:31,040

but i mean just think about the range of

1557

00:54:35,990 --> 00:54:33,520

experiences people have had ever since

1558

00:54:39,030 --> 00:54:36,000

the 1890s at least in this country we

1559

00:54:40,630 --> 00:54:39,040

had the airships you know

1560

00:54:42,710 --> 00:54:40,640

and i visited some of these sites where

1561

00:54:45,829 --> 00:54:42,720

the airships uh

1562

00:54:48,549 --> 00:54:45,839

showed up uh there there were some in an

1563

00:54:50,630 --> 00:54:48,559

area where i was out in dublin texas i

1564

00:54:52,150 --> 00:54:50,640

was filming with the history channel

1565

00:54:52,950 --> 00:54:52,160

for that uh

1566

00:54:54,230 --> 00:54:52,960

for

1567

00:55:00,789 --> 00:54:54,240

the

1568

00:55:03,109 --> 00:55:00,799

at you know stevensville texas ufo

1569

00:55:05,270 --> 00:55:03,119

incident yeah and uh well i got to talk

1570

00:55:07,430 --> 00:55:05,280

to people in dublin texas and there

1571

00:55:10,069 --> 00:55:07,440

there had been airships seen there there

1572

00:55:11,510 --> 00:55:10,079

had been some that came very low they

1573

00:55:13,109 --> 00:55:11,520

even got the newspaper articles for me

1574

00:55:15,349 --> 00:55:13,119

from the 1890s

1575

00:55:17,190 --> 00:55:15,359

you know before aurora it was before the

1576
00:55:19,910 --> 00:55:17,200
aurora texas incident so it goes all the

1577
00:55:21,589 --> 00:55:19,920
way back to that to the present and

1578
00:55:23,349 --> 00:55:21,599
everything in between you know there's

1579
00:55:25,430 --> 00:55:23,359
so much history that you know you cover

1580
00:55:28,150 --> 00:55:25,440
on this podcast and some of your guests

1581
00:55:30,630 --> 00:55:28,160
have talked about such a huge topic

1582
00:55:32,710 --> 00:55:30,640
that it just suggests to me that what

1583
00:55:35,109 --> 00:55:32,720
you know this reality that we think

1584
00:55:38,630 --> 00:55:35,119
we're in this mainstream reality

1585
00:55:41,190 --> 00:55:38,640
is a little bubble in this huge

1586
00:55:43,910 --> 00:55:41,200
you know pond of reality

1587
00:55:46,230 --> 00:55:43,920
and it's almost so vast that it's you

1588
00:55:48,549 --> 00:55:46,240

can't quite wrap your mind around it in

1589

00:55:51,270 --> 00:55:48,559

fact that's an understatement

1590

00:55:54,789 --> 00:55:51,280

yes a lot of different subjects and they

1591

00:55:57,510 --> 00:55:54,799

seem to blend together sometimes

1592

00:55:59,349 --> 00:55:57,520

sometimes they're nuts and bolts craft

1593

00:56:01,990 --> 00:55:59,359

uh some of the witnesses i've talked to

1594

00:56:04,390 --> 00:56:02,000

you know it's been nuts and bolts stuff

1595

00:56:05,750 --> 00:56:04,400

and yet other times it seems more

1596

00:56:07,430 --> 00:56:05,760

amorphous

1597

00:56:08,870 --> 00:56:07,440

it seems to show up and then just

1598

00:56:10,230 --> 00:56:08,880

disappear

1599

00:56:11,589 --> 00:56:10,240

and then as some of your other guests

1600

00:56:13,510 --> 00:56:11,599

have talked about in the show and some

1601
00:56:15,270 --> 00:56:13,520
of the things you know i've studied many

1602
00:56:17,109 --> 00:56:15,280
people who look at these topics know

1603
00:56:18,870 --> 00:56:17,119
about it sort of brings along with it

1604
00:56:21,270 --> 00:56:18,880
other phenomena

1605
00:56:23,430 --> 00:56:21,280
and they're kind of grouped together so

1606
00:56:25,589 --> 00:56:23,440
to answer your question is it you know

1607
00:56:28,069 --> 00:56:25,599
e.t or multi-dimensional

1608
00:56:28,950 --> 00:56:28,079
i mean it's probably all of that but

1609
00:56:31,910 --> 00:56:28,960
more

1610
00:56:34,789 --> 00:56:31,920
it's it's probably a bigger reality that

1611
00:56:37,109 --> 00:56:34,799
we're just sort of

1612
00:56:38,630 --> 00:56:37,119
we don't really have the ability to

1613
00:56:40,549 --> 00:56:38,640

perceive it directly

1614

00:56:41,670 --> 00:56:40,559

we just have these incidents that pop

1615

00:56:43,589 --> 00:56:41,680

through our reality kind of like

1616

00:56:46,549 --> 00:56:43,599

flatland you know edwin abbott that book

1617

00:56:48,390 --> 00:56:46,559

from the 1870s flatland where you know

1618

00:56:49,990 --> 00:56:48,400

people live on a table top surface and

1619

00:56:53,030 --> 00:56:50,000

they're two-dimensional and occasionally

1620

00:56:55,510 --> 00:56:53,040

these three-dimensional objects come in

1621

00:56:56,630 --> 00:56:55,520

it's a question really for physics

1622

00:56:58,630 --> 00:56:56,640

and

1623

00:57:00,789 --> 00:56:58,640

we haven't done a good job addressing it

1624

00:57:03,990 --> 00:57:00,799

because physics has been stuck you know

1625

00:57:05,510 --> 00:57:04,000

ever since the 1940s or 50s in a certain

1626
00:57:07,349 --> 00:57:05,520
kind of interpretation of quantum

1627
00:57:08,390 --> 00:57:07,359
mechanics and it's been very challenging

1628
00:57:09,990 --> 00:57:08,400
to

1629
00:57:12,069 --> 00:57:10,000
really

1630
00:57:14,309 --> 00:57:12,079
look at other interpretations of quantum

1631
00:57:16,390 --> 00:57:14,319
mechanics that would allow for these

1632
00:57:19,190 --> 00:57:16,400
phenomena to exist right

1633
00:57:21,270 --> 00:57:19,200
absolutely i mean if i was ever going to

1634
00:57:22,789 --> 00:57:21,280
and i'd like to think one one day i will

1635
00:57:24,470 --> 00:57:22,799
it's one of those things that you put

1636
00:57:27,510 --> 00:57:24,480
off and put off because life gets in the

1637
00:57:29,750 --> 00:57:27,520
way uh if i ever wanted to practice

1638
00:57:31,270 --> 00:57:29,760

resonance viewing and you know have

1639

00:57:32,710 --> 00:57:31,280

targets and whatnot and you've heard

1640

00:57:34,870 --> 00:57:32,720

other people on different shows and

1641

00:57:37,910 --> 00:57:34,880

interviews discussed that they've remote

1642

00:57:41,190 --> 00:57:37,920

viewed targets on mars or the remote

1643

00:57:43,670 --> 00:57:41,200

view targets on the moon or you know et

1644

00:57:45,510 --> 00:57:43,680

craft is that something you've got much

1645

00:57:47,910 --> 00:57:45,520

experience with or how much stock would

1646

00:57:50,069 --> 00:57:47,920

you put into that element of remote

1647

00:57:51,270 --> 00:57:50,079

viewing or resonance viewing yeah no

1648

00:57:52,789 --> 00:57:51,280

that's a really good question because

1649

00:57:54,950 --> 00:57:52,799

it's certainly something that i've done

1650

00:57:57,270 --> 00:57:54,960

a lot with my people that i've trained

1651
00:57:58,870 --> 00:57:57,280
and the groups i've worked with

1652
00:58:00,230 --> 00:57:58,880
and

1653
00:58:01,510 --> 00:58:00,240
those sorts of targets are very

1654
00:58:03,030 --> 00:58:01,520
interesting i mean that's what got me

1655
00:58:05,109 --> 00:58:03,040
interested in crop circles just so we

1656
00:58:06,870 --> 00:58:05,119
can mention that for a second it was one

1657
00:58:09,910 --> 00:58:06,880
of the targets that

1658
00:58:12,390 --> 00:58:09,920
courtney brown gave to our class back in

1659
00:58:13,829 --> 00:58:12,400
1996.

1660
00:58:16,390 --> 00:58:13,839
i didn't even know what a crop circle

1661
00:58:18,470 --> 00:58:16,400
was in 1996. when i got the target

1662
00:58:20,549 --> 00:58:18,480
feedback on that picture

1663
00:58:22,950 --> 00:58:20,559

uh i thought what

1664

00:58:24,950 --> 00:58:22,960

what is this i'd never seen a picture of

1665

00:58:27,430 --> 00:58:24,960

a crop circle in 1996 that's how far

1666

00:58:28,630 --> 00:58:27,440

away i was from these topics andy i just

1667

00:58:30,390 --> 00:58:28,640

came out of graduate school and no one

1668

00:58:32,470 --> 00:58:30,400

ever talked about crop circles

1669

00:58:34,390 --> 00:58:32,480

in graduate school and here was this i

1670

00:58:36,470 --> 00:58:34,400

felt compelled to go over to the uk to

1671

00:58:37,990 --> 00:58:36,480

get my target feedback because in the

1672

00:58:39,349 --> 00:58:38,000

session i had gotten a lot of really

1673

00:58:41,430 --> 00:58:39,359

weird things that i couldn't really

1674

00:58:43,030 --> 00:58:41,440

match up

1675

00:58:44,549 --> 00:58:43,040

you know to anything i understood so i

1676
00:58:46,390 --> 00:58:44,559
went with a guy named ron russell who i

1677
00:58:48,230 --> 00:58:46,400
met at the ufo conference in denver in

1678
00:58:50,390 --> 00:58:48,240
1997. he said hey i'm giving crop circle

1679
00:58:51,750 --> 00:58:50,400
tours he gave us a presentation some of

1680
00:58:52,870 --> 00:58:51,760
the weird things that happened around

1681
00:58:54,470 --> 00:58:52,880
them i said wow this is sort of

1682
00:58:56,150 --> 00:58:54,480
interesting maybe it's kind of like rv

1683
00:58:58,390 --> 00:58:56,160
there's something going on that i wasn't

1684
00:59:00,549 --> 00:58:58,400
told about in graduate school so i went

1685
00:59:02,789 --> 00:59:00,559
over that's how it started going over to

1686
00:59:04,470 --> 00:59:02,799
the crop circles so the main thing about

1687
00:59:05,990 --> 00:59:04,480
viewing these types of targets is it's

1688
00:59:08,230 --> 00:59:06,000

important to get feedback

1689

00:59:09,750 --> 00:59:08,240

you can't always get feedback on a ufo

1690

00:59:11,349 --> 00:59:09,760

type target

1691

00:59:14,230 --> 00:59:11,359

and this is why i would encourage

1692

00:59:16,150 --> 00:59:14,240

everyone to take any rv work with ufos

1693

00:59:17,829 --> 00:59:16,160

just with a grain of salt i'm not saying

1694

00:59:19,670 --> 00:59:17,839

they're not accurate you just don't know

1695

00:59:21,990 --> 00:59:19,680

until you've got feedback

1696

00:59:23,349 --> 00:59:22,000

we've done a whole variety of ufo

1697

00:59:25,270 --> 00:59:23,359

targets over the years you know some of

1698

00:59:27,109 --> 00:59:25,280

the famous targets phoenix lights and

1699

00:59:29,349 --> 00:59:27,119

things like that and sometimes when

1700

00:59:32,069 --> 00:59:29,359

they're very good pictures and videos

1701
00:59:33,990 --> 00:59:32,079
you can view the objects and even put

1702
00:59:35,109 --> 00:59:34,000
people inside the craft have them walk

1703
00:59:36,870 --> 00:59:35,119
around

1704
00:59:38,069 --> 00:59:36,880
and that's been kind of astounding too

1705
00:59:40,870 --> 00:59:38,079
because

1706
00:59:43,190 --> 00:59:40,880
i've had viewers during the session say

1707
00:59:44,710 --> 00:59:43,200
something is looking back at me what do

1708
00:59:49,030 --> 00:59:44,720
i do

1709
00:59:50,549 --> 00:59:49,040
it down

1710
00:59:52,309 --> 00:59:50,559
you know so people have felt that

1711
00:59:53,670 --> 00:59:52,319
they've encountered these beings on the

1712
00:59:55,030 --> 00:59:53,680
craft when they're

1713
00:59:56,549 --> 00:59:55,040

you know they've been instructed to go

1714

00:59:58,390 --> 00:59:56,559

inside the object and describe it's

1715

00:59:59,670 --> 00:59:58,400

given a kind of standard rv movement

1716

01:00:00,630 --> 00:59:59,680

exercise

1717

01:00:01,670 --> 01:00:00,640

and

1718

01:00:03,270 --> 01:00:01,680

so that's really interesting we can't

1719

01:00:05,030 --> 01:00:03,280

really verify it at the end of the day

1720

01:00:07,190 --> 01:00:05,040

but that doesn't mean it's not correct

1721

01:00:09,270 --> 01:00:07,200

it just means it's unverifiable right

1722

01:00:11,349 --> 01:00:09,280

can't confirm it's like what ingo would

1723

01:00:14,549 --> 01:00:11,359

say can't confirm you don't know

1724

01:00:16,309 --> 01:00:14,559

so it's good to do regular sort of i'm

1725

01:00:18,069 --> 01:00:16,319

saying regular verifiable targets

1726

01:00:20,150 --> 01:00:18,079

ordinary targets just so at the end you

1727

01:00:22,630 --> 01:00:20,160

get your feedback on

1728

01:00:25,109 --> 01:00:22,640

came out kilimanjaro eiffel tower

1729

01:00:27,750 --> 01:00:25,119

famous celebrity event

1730

01:00:28,870 --> 01:00:27,760

battle whatever you were reviewing yeah

1731

01:00:31,670 --> 01:00:28,880

that way

1732

01:00:34,069 --> 01:00:31,680

you can calibrate your viewing abilities

1733

01:00:34,870 --> 01:00:34,079

with the target itself but it's also fun

1734

01:00:36,150 --> 01:00:34,880

just

1735

01:00:38,309 --> 01:00:36,160

and kind of

1736

01:00:40,470 --> 01:00:38,319

a stretch of the imagination to view

1737

01:00:42,870 --> 01:00:40,480

these more esoteric targets at least

1738

01:00:43,829 --> 01:00:42,880

that's how we call them uh

1739

01:00:45,270 --> 01:00:43,839

because at the end of the day we can't

1740

01:00:47,750 --> 01:00:45,280

confirm it either way i've done those

1741

01:00:50,549 --> 01:00:47,760

targets too you know targets on mars and

1742

01:00:52,309 --> 01:00:50,559

the moon and sometimes you see very

1743

01:00:53,990 --> 01:00:52,319

interesting stuff

1744

01:00:56,230 --> 01:00:54,000

and we're gonna just have to put that as

1745

01:00:58,390 --> 01:00:56,240

stan friedman would say in our gray

1746

01:01:00,470 --> 01:00:58,400

basket that's what stanton would say

1747

01:01:01,829 --> 01:01:00,480

when you brought up a topic during the

1748

01:01:03,670 --> 01:01:01,839

question and answer session from his

1749

01:01:04,870 --> 01:01:03,680

lectures and he would say what about

1750

01:01:06,870 --> 01:01:04,880

this then he would say you know that's

1751

01:01:09,109 --> 01:01:06,880

in my gray basket i'm not sure

1752

01:01:10,950 --> 01:01:09,119

it could be real but we can't confirm it

1753

01:01:13,190 --> 01:01:10,960

and that's how you are with these ufo

1754

01:01:14,309 --> 01:01:13,200

targets with rv sessions

1755

01:01:16,309 --> 01:01:14,319

uh

1756

01:01:18,470 --> 01:01:16,319

we know from the early days that ingo

1757

01:01:20,470 --> 01:01:18,480

did she was involved in viewing sessions

1758

01:01:21,990 --> 01:01:20,480

to demonstrate this for the brass at the

1759

01:01:24,069 --> 01:01:22,000

pentagon i think there was one famous

1760

01:01:26,069 --> 01:01:24,079

session where they had him viewing a

1761

01:01:27,910 --> 01:01:26,079

soviet submarine and he said you know

1762

01:01:30,549 --> 01:01:27,920

this disc just became

1763

01:01:33,270 --> 01:01:30,559

came between me and the submarine

1764

01:01:34,549 --> 01:01:33,280

uh very accurate viewers can view these

1765

01:01:37,270 --> 01:01:34,559

things too and say that's what they're

1766

01:01:39,510 --> 01:01:37,280

experiencing um so it's something that's

1767

01:01:41,030 --> 01:01:39,520

really fun to do with rv and you just

1768

01:01:42,390 --> 01:01:41,040

have to do it knowing that you won't get

1769

01:01:44,069 --> 01:01:42,400

feedback at the end of the session the

1770

01:01:44,950 --> 01:01:44,079

way you would with a kind of a standard

1771

01:01:46,710 --> 01:01:44,960

target

1772

01:01:48,870 --> 01:01:46,720

so if you don't mind

1773

01:01:50,549 --> 01:01:48,880

uh humoring me for a moment the reason i

1774

01:01:52,630 --> 01:01:50,559

started this podcast is i would listen

1775

01:01:54,150 --> 01:01:52,640

to interviews like this and the horse

1776

01:01:55,829 --> 01:01:54,160

would be good or bad and they would ask

1777

01:01:58,230 --> 01:01:55,839

a lot of you know genetic questions and

1778

01:01:59,510 --> 01:01:58,240

stuff and it was always me thinking i

1779

01:02:00,870 --> 01:01:59,520

would have asked this or i would have

1780

01:02:03,109 --> 01:02:00,880

asked that so now i've got my own

1781

01:02:04,630 --> 01:02:03,119

podcast i get to ask the questions

1782

01:02:07,270 --> 01:02:04,640

what i would have been shouting at the

1783

01:02:08,870 --> 01:02:07,280

podcast when you were talking there was

1784

01:02:11,510 --> 01:02:08,880

ask sim

1785

01:02:13,910 --> 01:02:11,520

what he saw on mars so

1786

01:02:15,589 --> 01:02:13,920

in whatever form of detail would you

1787

01:02:18,069 --> 01:02:15,599

divulge you know if you're if you have

1788

01:02:21,589 --> 01:02:18,079

used resonance viewing to look at mars

1789

01:02:23,270 --> 01:02:21,599

as a target what sort of stuff came up

1790

01:02:26,069 --> 01:02:23,280

yeah so there were a whole bunch of

1791

01:02:28,950 --> 01:02:26,079

different targets uh that

1792

01:02:31,829 --> 01:02:28,960

we were given at the farsight institute

1793

01:02:33,190 --> 01:02:31,839

way back in the 90s there they were

1794

01:02:37,190 --> 01:02:33,200

different

1795

01:02:39,750 --> 01:02:37,200

aspects of martian civilization

1796

01:02:42,309 --> 01:02:39,760

and the face on mars and

1797

01:02:44,069 --> 01:02:42,319

you go under the face on mars and do you

1798

01:02:45,670 --> 01:02:44,079

see anything there are pyramids on mars

1799

01:02:46,789 --> 01:02:45,680

things like that

1800

01:02:48,950 --> 01:02:46,799

and

1801

01:02:51,270 --> 01:02:48,960

i can just remember from my own sessions

1802

01:02:54,470 --> 01:02:51,280

they weren't anything

1803

01:02:56,390 --> 01:02:54,480

uh you know super technological

1804

01:02:57,829 --> 01:02:56,400

at least going from my memory of it at

1805

01:03:01,109 --> 01:02:57,839

the moment

1806

01:03:03,910 --> 01:03:01,119

they were just this is my impression of

1807

01:03:06,870 --> 01:03:03,920

martian civilization and mars in the

1808

01:03:09,109 --> 01:03:06,880

past it was something related to earth

1809

01:03:11,910 --> 01:03:09,119

it was a different type of human

1810

01:03:13,430 --> 01:03:11,920

uh a different frequency

1811

01:03:15,190 --> 01:03:13,440

not extraterrestrial in the sense of

1812

01:03:18,069 --> 01:03:15,200

something being really different

1813

01:03:19,990 --> 01:03:18,079

but something related to us but not for

1814

01:03:22,069 --> 01:03:20,000

you know not from earth if you know what

1815

01:03:24,789 --> 01:03:22,079

i mean related to us in some way but not

1816

01:03:27,109 --> 01:03:24,799

earthly a different sort of homo

1817

01:03:28,789 --> 01:03:27,119

hominoid hominid excuse me

1818

01:03:31,270 --> 01:03:28,799

a different sort of quadruped like a

1819

01:03:34,710 --> 01:03:31,280

human but different with different uh

1820

01:03:37,510 --> 01:03:34,720

values and different you know ideas

1821

01:03:40,069 --> 01:03:37,520

so that's the feeling i got from those

1822

01:03:42,150 --> 01:03:40,079

martian targets it wasn't oh wow it's

1823

01:03:44,789 --> 01:03:42,160

this you know with their spacecraft and

1824

01:03:47,589 --> 01:03:44,799

this magic technology it was more

1825

01:03:49,430 --> 01:03:47,599

the feeling of exploring a civilization

1826

01:03:51,510 --> 01:03:49,440

in the past

1827

01:03:53,270 --> 01:03:51,520

that might have been technologically

1828

01:03:54,309 --> 01:03:53,280

advanced compared to where we were in

1829

01:03:56,710 --> 01:03:54,319

the past

1830

01:03:59,430 --> 01:03:56,720

but somehow related to us in some way

1831

01:04:01,430 --> 01:03:59,440

kind of like another uh member of the

1832

01:04:03,349 --> 01:04:01,440

human family that was my feeling from

1833

01:04:05,109 --> 01:04:03,359

viewing the martian targets now again i

1834

01:04:07,029 --> 01:04:05,119

can't verify that one way or another

1835

01:04:09,029 --> 01:04:07,039

that's just the vibe that comes from

1836

01:04:11,670 --> 01:04:09,039

those targets that i remember doing

1837

01:04:13,990 --> 01:04:11,680

maybe about six or seven of them six or

1838

01:04:14,950 --> 01:04:14,000

seven targets like that no thanks and

1839

01:04:18,150 --> 01:04:14,960

you know what

1840

01:04:19,990 --> 01:04:18,160

like you say the the view on et and what

1841

01:04:21,670 --> 01:04:20,000

the phenomena might be has changed so

1842

01:04:24,230 --> 01:04:21,680

much over the last couple of years let

1843

01:04:25,910 --> 01:04:24,240

alone since the 90s and you touched on

1844

01:04:28,549 --> 01:04:25,920

it before my next question was going to

1845

01:04:30,069 --> 01:04:28,559

be on crop circles and that that

1846

01:04:31,829 --> 01:04:30,079

standard you know

1847

01:04:34,630 --> 01:04:31,839

aliens jumping in a flying saucer from

1848

01:04:37,510 --> 01:04:34,640

mars coming to earth and creating a crop

1849

01:04:39,990 --> 01:04:37,520

circle was a very 90s and 80s notion now

1850

01:04:41,349 --> 01:04:40,000

i think um we had the whole x-files wave

1851

01:04:44,069 --> 01:04:41,359

and all that kind of stuff has come and

1852

01:04:45,990 --> 01:04:44,079

gone crop circles is often still seen as

1853

01:04:48,150 --> 01:04:46,000

an older part of ufology but it still

1854

01:04:49,990 --> 01:04:48,160

very much happens and there's a lot of

1855

01:04:51,430 --> 01:04:50,000

pretty incredible videos i think just a

1856

01:04:54,789 --> 01:04:51,440

couple of months ago there was one out

1857

01:04:56,390 --> 01:04:54,799

in germany uh not too far from where um

1858

01:04:58,710 --> 01:04:56,400

lieutenant tim mcmillan who i've had on

1859

01:05:00,150 --> 01:04:58,720

the podcast and not not far from where

1860

01:05:02,069 --> 01:05:00,160

he stays but far enough that he couldn't

1861

01:05:04,309 --> 01:05:02,079

get to it easily and that was pretty

1862

01:05:05,910 --> 01:05:04,319

incredible as well

1863

01:05:08,470 --> 01:05:05,920

what for you is happening when it comes

1864

01:05:11,829 --> 01:05:08,480

to the crop circle phenomenon as a mix

1865

01:05:15,750 --> 01:05:11,839

of what it would seem to me of human and

1866

01:05:19,029 --> 01:05:15,760

something else that's causing these

1867

01:05:21,190 --> 01:05:19,039

yeah no great question great topic

1868

01:05:23,430 --> 01:05:21,200

first i would just say to everyone

1869

01:05:24,309 --> 01:05:23,440

you have to keep in mind in these topics

1870

01:05:27,190 --> 01:05:24,319

that

1871

01:05:28,870 --> 01:05:27,200

rather than jumping to an explanation

1872

01:05:31,029 --> 01:05:28,880

feeling confident you know what's going

1873

01:05:33,029 --> 01:05:31,039

on i find it healthier with all these

1874

01:05:34,870 --> 01:05:33,039

topics to insist that i don't know

1875

01:05:37,349 --> 01:05:34,880

what's going on and to go out and get

1876

01:05:39,589 --> 01:05:37,359

the data and to research them with an

1877

01:05:41,029 --> 01:05:39,599

open mind because you're guaranteed to

1878

01:05:42,870 --> 01:05:41,039

find that it's something different than

1879

01:05:44,230 --> 01:05:42,880

you thought it was and that's always a

1880

01:05:46,230 --> 01:05:44,240

good thing because that's progress right

1881

01:05:47,990 --> 01:05:46,240

your mind has expanded it's going beyond

1882

01:05:49,510 --> 01:05:48,000

what you thought it was and it's true of

1883

01:05:52,150 --> 01:05:49,520

crop circles too

1884

01:05:56,069 --> 01:05:52,160

these phenomena are beyond any one

1885

01:05:57,829 --> 01:05:56,079

explanation any one category people on

1886

01:06:00,150 --> 01:05:57,839

all sides of the aisles want it to be

1887

01:06:02,150 --> 01:06:00,160

this they want it to be that and as

1888

01:06:03,750 --> 01:06:02,160

you're saying andy it's a blend

1889

01:06:05,750 --> 01:06:03,760

it's a blend like anything else in

1890

01:06:07,349 --> 01:06:05,760

reality has different facets to it in

1891

01:06:09,910 --> 01:06:07,359

different aspects

1892

01:06:12,390 --> 01:06:09,920

when we go back in history not going

1893

01:06:13,430 --> 01:06:12,400

back 100 years even though they existed

1894

01:06:15,510 --> 01:06:13,440

back then

1895

01:06:18,150 --> 01:06:15,520

remember there was that book by i think

1896

01:06:20,230 --> 01:06:18,160

it was it was it terry andrews the

1897

01:06:22,309 --> 01:06:20,240

secret history of crop circles

1898

01:06:24,150 --> 01:06:22,319

a really great book uh it's not in print

1899

01:06:26,230 --> 01:06:24,160

anywhere where he went back you know way

1900

01:06:28,549 --> 01:06:26,240

back to look at the history of these

1901

01:06:30,470 --> 01:06:28,559

patterns in grain crops

1902

01:06:32,390 --> 01:06:30,480

and they were there we're going a long

1903

01:06:35,510 --> 01:06:32,400

ways back but even if we go back to the

1904

01:06:37,670 --> 01:06:35,520

70s and 80s they are correlated with ufo

1905

01:06:39,910 --> 01:06:37,680

landing sites there's no doubt about it

1906

01:06:43,109 --> 01:06:39,920

i have spoken to witnesses

1907

01:06:46,309 --> 01:06:43,119

and there's great cases i just uh there

1908

01:06:48,230 --> 01:06:46,319

was one from one of rich hoffman's uh

1909

01:06:50,470 --> 01:06:48,240

lectures for scu you know that group in

1910

01:06:51,750 --> 01:06:50,480

the u.s the scientific coalition for the

1911

01:06:53,589 --> 01:06:51,760

study of

1912

01:06:55,589 --> 01:06:53,599

ufos i think that's what it is

1913

01:06:57,510 --> 01:06:55,599

and he brought up the carrollton ohio

1914

01:07:00,230 --> 01:06:57,520

case that he studied

1915

01:07:02,230 --> 01:07:00,240

as a younger person in 1973 where

1916

01:07:04,230 --> 01:07:02,240

something had landed and he went out to

1917

01:07:06,150 --> 01:07:04,240

the farmer had took him out there and it

1918

01:07:08,470 --> 01:07:06,160

literally had created a crop circle i

1919

01:07:11,190 --> 01:07:08,480

mean a circle literal circle right

1920

01:07:13,430 --> 01:07:11,200

the center was burned and farther out

1921

01:07:16,069 --> 01:07:13,440

than we had is according to what he said

1922

01:07:17,910 --> 01:07:16,079

and by the way this uh this lecture i

1923

01:07:20,309 --> 01:07:17,920

put it up on my blog new crystal mine

1924

01:07:22,710 --> 01:07:20,319

because i thought it was such a good

1925

01:07:24,549 --> 01:07:22,720

lecture about ufos from a year ago in

1926
01:07:26,950 --> 01:07:24,559
huntsville alabama he described going

1927
01:07:29,190 --> 01:07:26,960
out to this carrollton site and the week

1928
01:07:32,549 --> 01:07:29,200
being flattened and he said at the very

1929
01:07:34,390 --> 01:07:32,559
farthest level it was puffed wheat

1930
01:07:35,510 --> 01:07:34,400
the heat of the object had puffed the

1931
01:07:37,750 --> 01:07:35,520
wheat

1932
01:07:40,309 --> 01:07:37,760
and so there isn't any doubt that their

1933
01:07:43,430 --> 01:07:40,319
case is like that there are many trace

1934
01:07:45,829 --> 01:07:43,440
cases landing cases where the craft

1935
01:07:47,510 --> 01:07:45,839
leave patterns in wheat now i spoke to

1936
01:07:49,270 --> 01:07:47,520
one witness here

1937
01:07:50,309 --> 01:07:49,280
luis vovez

1938
01:07:51,270 --> 01:07:50,319

uh

1939

01:07:54,069 --> 01:07:51,280

she

1940

01:07:55,109 --> 01:07:54,079

saw this in the 1970s

1941

01:08:01,510 --> 01:07:55,119

in

1942

01:08:04,470 --> 01:08:01,520

with her brother and she said this

1943

01:08:06,630 --> 01:08:04,480

object that just kind of like that

1944

01:08:09,029 --> 01:08:06,640

you know fluttering leaf pattern is kind

1945

01:08:11,029 --> 01:08:09,039

of wobbling it came low over the meadow

1946

01:08:13,589 --> 01:08:11,039

and flattened the meadow in a straight

1947

01:08:16,070 --> 01:08:13,599

line for about 20 feet straight as it

1948

01:08:18,709 --> 01:08:16,080

moved across the meadow i said did it

1949

01:08:21,269 --> 01:08:18,719

bend the plants louise and by the way

1950

01:08:23,749 --> 01:08:21,279

you can see this interview on on my site

1951

01:08:25,349 --> 01:08:23,759

black swan ghosts dot com where she's in

1952

01:08:27,030 --> 01:08:25,359

the book and i put up the video you

1953

01:08:28,470 --> 01:08:27,040

could anyone can watch it

1954

01:08:30,789 --> 01:08:28,480

i said louise did they bend the witch

1955

01:08:32,789 --> 01:08:30,799

she goes no flat is a pancake now what

1956

01:08:34,630 --> 01:08:32,799

does that sound like andy that's like

1957

01:08:35,430 --> 01:08:34,640

crop circles like flattened

1958

01:08:37,189 --> 01:08:35,440

so

1959

01:08:39,910 --> 01:08:37,199

it just wasn't a crop circle but it was

1960

01:08:42,149 --> 01:08:39,920

evidence of a craft an anomalous vehicle

1961

01:08:44,149 --> 01:08:42,159

a uap as we call them now

1962

01:08:45,990 --> 01:08:44,159

flattening plants

1963

01:08:47,590 --> 01:08:46,000

and so there's many cases of that in the

1964

01:08:50,630 --> 01:08:47,600

70s now

1965

01:08:53,189 --> 01:08:50,640

70s 80s but as we move towards the more

1966

01:08:55,349 --> 01:08:53,199

recent era people got involved as i

1967

01:08:57,430 --> 01:08:55,359

learned having gone over to the uk since

1968

01:08:59,349 --> 01:08:57,440

1997 there were people that got involved

1969

01:09:00,229 --> 01:08:59,359

in making these and they really started

1970

01:09:03,749 --> 01:09:00,239

out

1971

01:09:05,110 --> 01:09:03,759

could make them and when they did they

1972

01:09:06,470 --> 01:09:05,120

found that they were better than they

1973

01:09:08,390 --> 01:09:06,480

thought they were going to be and they

1974

01:09:11,669 --> 01:09:08,400

just started making bigger ones and a

1975

01:09:13,829 --> 01:09:11,679

lot of them were real sincere you know

1976

01:09:15,110 --> 01:09:13,839

researchers initially or people that

1977

01:09:17,030 --> 01:09:15,120

were just really curious they weren't

1978

01:09:20,630 --> 01:09:17,040

hoaxers so

1979

01:09:22,390 --> 01:09:20,640

uh they made more of them and then we

1980

01:09:24,470 --> 01:09:22,400

ended up in a situation where and now

1981

01:09:26,470 --> 01:09:24,480

where a lot of them are man-made

1982

01:09:27,749 --> 01:09:26,480

but a big take-home point and if you've

1983

01:09:29,430 --> 01:09:27,759

watched my videos andy i guess you

1984

01:09:31,430 --> 01:09:29,440

already know this but

1985

01:09:33,669 --> 01:09:31,440

to those listening the man-made ones

1986

01:09:37,269 --> 01:09:33,679

have real active effects that are very

1987

01:09:40,789 --> 01:09:37,279

hard to explain uh very strange effects

1988

01:09:42,789 --> 01:09:40,799

on cameras batteries electromagnetic

1989

01:09:44,630 --> 01:09:42,799

effects on our equipment

1990

01:09:46,309 --> 01:09:44,640

that are very hard to explain i've heard

1991

01:09:48,390 --> 01:09:46,319

this from camera crews with their

1992

01:09:50,789 --> 01:09:48,400

professional cameras i've seen it myself

1993

01:09:52,550 --> 01:09:50,799

with groups i've taken out there

1994

01:09:54,870 --> 01:09:52,560

and um

1995

01:09:56,550 --> 01:09:54,880

it's just extremely strange it has to do

1996

01:09:59,510 --> 01:09:56,560

with balls of light

1997

01:10:02,310 --> 01:09:59,520

and uh these sort of so-called exotic

1998

01:10:03,830 --> 01:10:02,320

vacuum objects there's a great a youtube

1999

01:10:05,669 --> 01:10:03,840

channel that people should check out if

2000

01:10:07,510 --> 01:10:05,679

they want to learn more about this line

2001
01:10:09,430 --> 01:10:07,520
of research into balls of light and so

2002
01:10:11,430 --> 01:10:09,440
forth it's bob greenier's

2003
01:10:14,229 --> 01:10:11,440
uh martin fleischmann memorial project

2004
01:10:17,110 --> 01:10:14,239
named after martin fleischmann of cold

2005
01:10:19,189 --> 01:10:17,120
fusion fame right or infamy as we should

2006
01:10:20,870 --> 01:10:19,199
say right but there's a lot of

2007
01:10:22,310 --> 01:10:20,880
interesting phenomena around all crop

2008
01:10:23,750 --> 01:10:22,320
circles which

2009
01:10:25,750 --> 01:10:23,760
going back to what i said a few minutes

2010
01:10:27,030 --> 01:10:25,760
ago would lead you to conclude that

2011
01:10:29,110 --> 01:10:27,040
there's something about the shape and

2012
01:10:31,350 --> 01:10:29,120
the frequency of crop circles that

2013
01:10:33,430 --> 01:10:31,360

creates these effects independent of

2014

01:10:35,110 --> 01:10:33,440

whether they're made from a craft which

2015

01:10:37,189 --> 01:10:35,120

again really do exist and really do

2016

01:10:40,630 --> 01:10:37,199

leave some of these behind or it's made

2017

01:10:43,270 --> 01:10:40,640

by a team of circle makers you know

2018

01:10:44,470 --> 01:10:43,280

uh who existed i've talked to these

2019

01:10:45,990 --> 01:10:44,480

fellows they're you know they're mostly

2020

01:10:47,270 --> 01:10:46,000

guys i've talked with them i've hung out

2021

01:10:48,390 --> 01:10:47,280

with them i've made some circles with

2022

01:10:50,310 --> 01:10:48,400

them

2023

01:10:51,910 --> 01:10:50,320

and uh we've made a whole bunch of our

2024

01:10:53,350 --> 01:10:51,920

own circles we've paid the farmer and

2025

01:10:54,870 --> 01:10:53,360

we've gone out and made some and we've

2026

01:10:56,870 --> 01:10:54,880

seen a lot of these strange effects too

2027

01:10:58,149 --> 01:10:56,880

so it's a much more complex topic than

2028

01:10:59,510 --> 01:10:58,159

people thought that that's how i'd

2029

01:11:01,590 --> 01:10:59,520

answer the question

2030

01:11:03,590 --> 01:11:01,600

no something i was interested in

2031

01:11:06,630 --> 01:11:03,600

especially as a child like i was born in

2032

01:11:08,709 --> 01:11:06,640

1986 so as i got into the 90s and

2033

01:11:11,590 --> 01:11:08,719

started getting interested in ufos and

2034

01:11:13,990 --> 01:11:11,600

aliens and ancient egypt and all loch

2035

01:11:16,310 --> 01:11:14,000

ness monster all that kind of stuff

2036

01:11:18,470 --> 01:11:16,320

crop circles i remember seeing really

2037

01:11:21,510 --> 01:11:18,480

early on that there was a particular

2038

01:11:23,750 --> 01:11:21,520

crop circle that had been created but

2039

01:11:26,550 --> 01:11:23,760

even with the bending of the wheat and

2040

01:11:29,430 --> 01:11:26,560

you know surgical precision all the the

2041

01:11:31,110 --> 01:11:29,440

stalks of the wheat the joint has like a

2042

01:11:33,590 --> 01:11:31,120

little ball within it of a seed they're

2043

01:11:35,350 --> 01:11:33,600

a kernel and every single one of them

2044

01:11:38,229 --> 01:11:35,360

had been lit popped out

2045

01:11:40,149 --> 01:11:38,239

which just couldn't be done by human

2046

01:11:42,870 --> 01:11:40,159

hands the way it had been done in this

2047

01:11:45,350 --> 01:11:42,880

and even for me the the very very very

2048

01:11:46,550 --> 01:11:45,360

good human-made ones now you know what's

2049

01:11:49,189 --> 01:11:46,560

interesting here about the effects that

2050

01:11:52,149 --> 01:11:49,199

they still have but you can you still

2051

01:11:55,030 --> 01:11:52,159

see the imperfections as to what some of

2052

01:11:56,870 --> 01:11:55,040

the really really complex ones

2053

01:11:59,270 --> 01:11:56,880

seem you know they just seem to appear

2054

01:12:00,790 --> 01:11:59,280

out of nowhere you can still for me tell

2055

01:12:02,870 --> 01:12:00,800

that difference no matter how good the

2056

01:12:04,550 --> 01:12:02,880

human ones get that there's still that

2057

01:12:06,470 --> 01:12:04,560

real mystery in order but like you see

2058

01:12:08,470 --> 01:12:06,480

on your channel it's fascinating to see

2059

01:12:10,470 --> 01:12:08,480

that our effects still from

2060

01:12:12,149 --> 01:12:10,480

humans creating these to see that you're

2061

01:12:13,990 --> 01:12:12,159

you're maybe starting to play or dabble

2062

01:12:17,830 --> 01:12:14,000

with something that does have a

2063

01:12:22,790 --> 01:12:19,110

yeah it definitely has a connection to

2064

01:12:25,750 --> 01:12:22,800

something else and uh it's it's a great

2065

01:12:27,110 --> 01:12:25,760

question of what that is uh because my

2066

01:12:28,790 --> 01:12:27,120

belief is

2067

01:12:30,470 --> 01:12:28,800

you're tapping into some sort of natural

2068

01:12:32,950 --> 01:12:30,480

super conductivity

2069

01:12:34,870 --> 01:12:32,960

from plants it's something that people

2070

01:12:36,870 --> 01:12:34,880

haven't really looked at very much at

2071

01:12:38,470 --> 01:12:36,880

all if at all

2072

01:12:40,470 --> 01:12:38,480

any

2073

01:12:42,790 --> 01:12:40,480

where because

2074

01:12:45,990 --> 01:12:42,800

you're getting this just rapid

2075

01:12:48,390 --> 01:12:46,000

acceleration and generation of magnetism

2076

01:12:50,390 --> 01:12:48,400

and electrical flow very briefly

2077

01:12:51,669 --> 01:12:50,400

sometimes but it's enough to knock out

2078

01:12:52,790 --> 01:12:51,679

your camera

2079

01:12:57,910 --> 01:12:52,800

or

2080

01:12:59,110 --> 01:12:57,920

electronics to melt electronics

2081

01:13:00,630 --> 01:12:59,120

which is something you don't see

2082

01:13:01,910 --> 01:13:00,640

anywhere else

2083

01:13:04,470 --> 01:13:01,920

i mean

2084

01:13:06,229 --> 01:13:04,480

i've talked to many farmers and uh

2085

01:13:07,750 --> 01:13:06,239

anyone who has will know that they don't

2086

01:13:10,870 --> 01:13:07,760

find their tractors melting down very

2087

01:13:13,270 --> 01:13:10,880

often in those crop circles but uh

2088

01:13:15,270 --> 01:13:13,280

i mean in fields but in the crop circles

2089

01:13:17,350 --> 01:13:15,280

you you can experience some pretty

2090

01:13:19,189 --> 01:13:17,360

strange things that don't happen when

2091

01:13:20,950 --> 01:13:19,199

you're on the beach or on vacation in

2092

01:13:23,510 --> 01:13:20,960

the mountains normally

2093

01:13:26,950 --> 01:13:23,520

and so it shows us that it's connecting

2094

01:13:29,430 --> 01:13:26,960

to another type of energy field

2095

01:13:30,470 --> 01:13:29,440

and another set of scientific principles

2096

01:13:32,390 --> 01:13:30,480

that

2097

01:13:35,189 --> 01:13:32,400

seems to

2098

01:13:38,870 --> 01:13:35,199

create a juncture between quantum

2099

01:13:40,550 --> 01:13:38,880

phenomena and our kind of macroscopic

2100

01:13:41,590 --> 01:13:40,560

classical reality there's a juncture

2101
01:13:43,270 --> 01:13:41,600
going on because you're getting a lot

2102
01:13:44,870 --> 01:13:43,280
more energy than you should from wheat

2103
01:13:46,630 --> 01:13:44,880
which is you know as colin andrews is

2104
01:13:48,470 --> 01:13:46,640
pointed out many times is typically

2105
01:13:51,110 --> 01:13:48,480
usually an insulator

2106
01:13:51,910 --> 01:13:51,120
and here it's acting like a conductor

2107
01:13:52,790 --> 01:13:51,920
so

2108
01:13:54,390 --> 01:13:52,800
uh

2109
01:13:56,790 --> 01:13:54,400
the

2110
01:13:59,750 --> 01:13:56,800
connections between that and you know

2111
01:14:02,550 --> 01:13:59,760
shapes and geometry and mathematics and

2112
01:14:04,229 --> 01:14:02,560
frequency all those good things really

2113
01:14:06,550 --> 01:14:04,239

come up pop up

2114

01:14:07,990 --> 01:14:06,560

in a sense in crop circles and that's

2115

01:14:09,910 --> 01:14:08,000

what really makes them

2116

01:14:12,070 --> 01:14:09,920

really interesting i mean it sort of

2117

01:14:13,510 --> 01:14:12,080

suggests that if you get a precise

2118

01:14:16,630 --> 01:14:13,520

enough shape

2119

01:14:19,430 --> 01:14:16,640

in a large enough area in a thing like a

2120

01:14:21,430 --> 01:14:19,440

grain crop a kind of a template

2121

01:14:22,709 --> 01:14:21,440

that it creates

2122

01:14:25,590 --> 01:14:22,719

a

2123

01:14:27,510 --> 01:14:25,600

junction point to some other type of

2124

01:14:30,149 --> 01:14:27,520

energy system

2125

01:14:31,030 --> 01:14:30,159

or reality almost like a portal in a

2126

01:14:32,790 --> 01:14:31,040

sense

2127

01:14:34,149 --> 01:14:32,800

just kind of using that as a kind of an

2128

01:14:36,390 --> 01:14:34,159

image

2129

01:14:37,990 --> 01:14:36,400

i i'm not sure if it's literally like a

2130

01:14:39,750 --> 01:14:38,000

portal things are kind of popping in and

2131

01:14:42,229 --> 01:14:39,760

out like you'd see on you know a

2132

01:14:44,070 --> 01:14:42,239

wormhole on star trek but it feels like

2133

01:14:46,630 --> 01:14:44,080

that a little bit because the phenomena

2134

01:14:48,470 --> 01:14:46,640

around it are just not typical

2135

01:14:49,830 --> 01:14:48,480

and again this is something i wouldn't

2136

01:14:51,990 --> 01:14:49,840

have believed if i hadn't seen it for

2137

01:14:53,750 --> 01:14:52,000

myself over many years

2138

01:14:55,430 --> 01:14:53,760

when i got there in 97 i was just

2139

01:14:57,189 --> 01:14:55,440

listening to other people's stories but

2140

01:14:58,870 --> 01:14:57,199

then i began to see it on my own cameras

2141

01:15:02,310 --> 01:14:58,880

other people's cameras

2142

01:15:04,070 --> 01:15:02,320

and year after year and

2143

01:15:05,910 --> 01:15:04,080

it just shows to you that something is

2144

01:15:08,149 --> 01:15:05,920

going on and again

2145

01:15:09,510 --> 01:15:08,159

what this leads us it's the same thing

2146

01:15:11,830 --> 01:15:09,520

as these other topics we've been talking

2147

01:15:13,590 --> 01:15:11,840

about there's something going on but

2148

01:15:15,470 --> 01:15:13,600

we're not looking at reality we're

2149

01:15:17,669 --> 01:15:15,480

looking at a kind of a

2150

01:15:19,510 --> 01:15:17,679

smallified version that we've been

2151
01:15:21,830 --> 01:15:19,520
taught to believe is true because if

2152
01:15:25,430 --> 01:15:21,840
you're in a crop circle

2153
01:15:27,350 --> 01:15:25,440
and your camera goes bad it goes out and

2154
01:15:29,830 --> 01:15:27,360
it doesn't work for a couple days and

2155
01:15:31,110 --> 01:15:29,840
you put it in the in your drawer and a

2156
01:15:32,390 --> 01:15:31,120
couple months later you take it out

2157
01:15:33,350 --> 01:15:32,400
again it's working you're just gonna

2158
01:15:34,550 --> 01:15:33,360
think

2159
01:15:36,950 --> 01:15:34,560
well i don't know what that was it was

2160
01:15:38,709 --> 01:15:36,960
just something but that's the outlier

2161
01:15:40,550 --> 01:15:38,719
that we need to be looking at when it

2162
01:15:43,189 --> 01:15:40,560
happens to hundreds of people that's the

2163
01:15:45,189 --> 01:15:43,199

outlier it's no longer an outlier

2164

01:15:46,550 --> 01:15:45,199

that's what we need to be looking at to

2165

01:15:48,310 --> 01:15:46,560

try to make sense of what's going on but

2166

01:15:50,950 --> 01:15:48,320

it's easy for people individually to

2167

01:15:52,390 --> 01:15:50,960

push things away that is not easily

2168

01:15:54,070 --> 01:15:52,400

explainable

2169

01:15:55,830 --> 01:15:54,080

that's what we all do

2170

01:15:57,189 --> 01:15:55,840

but if we all joined our knowledge

2171

01:15:59,030 --> 01:15:57,199

together of all the different types of

2172

01:16:00,790 --> 01:15:59,040

experiences we have

2173

01:16:02,790 --> 01:16:00,800

as some people have proposed recently

2174

01:16:04,950 --> 01:16:02,800

with different sensor systems like for

2175

01:16:06,390 --> 01:16:04,960

uaps for example we might see a very

2176

01:16:07,350 --> 01:16:06,400

different picture of reality and that's

2177

01:16:08,550 --> 01:16:07,360

what i think has been going on with the

2178

01:16:09,750 --> 01:16:08,560

crop circles a lot of people have

2179

01:16:11,430 --> 01:16:09,760

experienced this but you know they're

2180

01:16:13,270 --> 01:16:11,440

just on their own they go over to see it

2181

01:16:15,030 --> 01:16:13,280

they you know they push it aside i've

2182

01:16:16,310 --> 01:16:15,040

seen many people push it aside until i

2183

01:16:17,430 --> 01:16:16,320

tell them you know a lot of people have

2184

01:16:19,430 --> 01:16:17,440

experienced that before and then they

2185

01:16:20,390 --> 01:16:19,440

think really you know maybe it wasn't

2186

01:16:22,070 --> 01:16:20,400

just

2187

01:16:24,229 --> 01:16:22,080

this or that it really there was some

2188

01:16:26,470 --> 01:16:24,239

common explanation to why everyone's

2189

01:16:27,830 --> 01:16:26,480

watches and cameras were affected in a

2190

01:16:29,270 --> 01:16:27,840

particular crop circle i mean it's

2191

01:16:30,630 --> 01:16:29,280

something that happens over a period of

2192

01:16:32,470 --> 01:16:30,640

like a day or two in a crop circle and

2193

01:16:33,590 --> 01:16:32,480

it can stop so

2194

01:16:34,790 --> 01:16:33,600

if you put it all together it's quite

2195

01:16:36,470 --> 01:16:34,800

interesting

2196

01:16:38,390 --> 01:16:36,480

a couple of the listeners some over at

2197

01:16:40,630 --> 01:16:38,400

patreon um shauna who's listened to the

2198

01:16:43,910 --> 01:16:40,640

podcast almost from day one had asked

2199

01:16:47,590 --> 01:16:43,920

have you ever seen or rved a crop circle

2200

01:16:51,510 --> 01:16:49,350

um

2201

01:16:53,830 --> 01:16:51,520

that was the first one i did in 97 at

2202

01:16:55,270 --> 01:16:53,840

the far side institute that's really it

2203

01:16:57,990 --> 01:16:55,280

was the uh

2204

01:16:59,910 --> 01:16:58,000

windmill triple julia set

2205

01:17:00,830 --> 01:16:59,920

from 1996 if anyone remembers that

2206

01:17:03,270 --> 01:17:00,840

particular

2207

01:17:05,189 --> 01:17:03,280

formation and that was the viewing

2208

01:17:07,430 --> 01:17:05,199

target and that was the one where i just

2209

01:17:09,830 --> 01:17:07,440

got a lot of weird energy going on a lot

2210

01:17:11,990 --> 01:17:09,840

of strange activity just stuff that

2211

01:17:13,270 --> 01:17:12,000

didn't fit in the ordinary boxes in your

2212

01:17:14,709 --> 01:17:13,280

mind

2213

01:17:17,350 --> 01:17:14,719

um

2214

01:17:19,110 --> 01:17:17,360

so that really would be the closest

2215

01:17:21,830 --> 01:17:19,120

uh that i

2216

01:17:23,189 --> 01:17:21,840

had to viewing something you know

2217

01:17:24,950 --> 01:17:23,199

i can't say it was necessarily from the

2218

01:17:27,350 --> 01:17:24,960

beginning to the end but

2219

01:17:29,750 --> 01:17:27,360

during a good rv session your monitor

2220

01:17:33,590 --> 01:17:29,760

will move you around in time

2221

01:17:35,350 --> 01:17:33,600

around the events and around the site

2222

01:17:37,350 --> 01:17:35,360

so i did look at that from a couple

2223

01:17:38,870 --> 01:17:37,360

different time periods

2224

01:17:40,229 --> 01:17:38,880

um

2225

01:17:42,550 --> 01:17:40,239

but that would be the closest i would

2226

01:17:44,709 --> 01:17:42,560

say to have viewing one from

2227

01:17:46,310 --> 01:17:44,719

you know beginning to end

2228

01:17:48,229 --> 01:17:46,320

uh once i started going over there i

2229

01:17:49,270 --> 01:17:48,239

wasn't viewing them as much

2230

01:17:50,790 --> 01:17:49,280

um

2231

01:17:52,630 --> 01:17:50,800

because more i was like walking around

2232

01:17:54,709 --> 01:17:52,640

and exploring them and then of course

2233

01:17:56,470 --> 01:17:54,719

around 2000 we met some of the circle

2234

01:17:58,310 --> 01:17:56,480

makers who kind of gave us a dare they

2235

01:18:00,470 --> 01:17:58,320

said hey you know you want to see us

2236

01:18:02,630 --> 01:18:00,480

first it was in the daytime

2237

01:18:04,550 --> 01:18:02,640

uh that was the one i talked about with

2238

01:18:06,149 --> 01:18:04,560

matt williamson's group for it was for

2239

01:18:07,510 --> 01:18:06,159

an advertisement they we didn't even

2240

01:18:08,470 --> 01:18:07,520

think they could do that but they were

2241

01:18:10,390 --> 01:18:08,480

you know they were pretty good at that

2242

01:18:11,350 --> 01:18:10,400

it was obviously in the daytime with a

2243

01:18:12,950 --> 01:18:11,360

lot of

2244

01:18:15,430 --> 01:18:12,960

light but

2245

01:18:17,669 --> 01:18:15,440

then seeing some of them done at night

2246

01:18:19,510 --> 01:18:17,679

that was interesting because

2247

01:18:22,790 --> 01:18:19,520

there were experiences that the circle

2248

01:18:24,630 --> 01:18:22,800

makers had that really start becoming

2249

01:18:26,950 --> 01:18:24,640

quote-unquote paranormal i mean seeing

2250

01:18:29,270 --> 01:18:26,960

things that you wouldn't normally see

2251
01:18:30,870 --> 01:18:29,280
there even some of the circle makers

2252
01:18:33,510 --> 01:18:30,880
reporting

2253
01:18:35,350 --> 01:18:33,520
craft coming over the circles while

2254
01:18:37,510 --> 01:18:35,360
they're making them not huge ones small

2255
01:18:38,390 --> 01:18:37,520
ones uh this isn't before drones and

2256
01:18:41,830 --> 01:18:38,400
things

2257
01:18:43,590 --> 01:18:41,840
doing surveillance it's interesting it

2258
01:18:44,550 --> 01:18:43,600
just becomes rather complex and you

2259
01:18:46,310 --> 01:18:44,560
again

2260
01:18:48,870 --> 01:18:46,320
just like all these topics

2261
01:18:50,229 --> 01:18:48,880
it just they're paradigm busters and at

2262
01:18:51,830 --> 01:18:50,239
the end of the day andy i think we

2263
01:18:53,750 --> 01:18:51,840

should all be happy that things busted

2264

01:18:55,669 --> 01:18:53,760

our own paradigms even ours those of us

2265

01:18:57,270 --> 01:18:55,679

who consider ourselves researchers

2266

01:18:59,350 --> 01:18:57,280

and think that we have

2267

01:19:02,310 --> 01:18:59,360

a more informed view than the rest of

2268

01:19:04,870 --> 01:19:02,320

society we need our own paradigms busted

2269

01:19:07,910 --> 01:19:04,880

too just because we need to grow we

2270

01:19:09,430 --> 01:19:07,920

can't stay stuck in a rut and we can get

2271

01:19:10,630 --> 01:19:09,440

stuck in a rut there are a lot of people

2272

01:19:12,390 --> 01:19:10,640

that i've found over the years that are

2273

01:19:14,790 --> 01:19:12,400

very rigid about their ideas about crop

2274

01:19:16,709 --> 01:19:14,800

circles i was one of them but i was one

2275

01:19:18,070 --> 01:19:16,719

of them at the beginning that said no

2276

01:19:19,750 --> 01:19:18,080

human could do this and i had all the

2277

01:19:20,709 --> 01:19:19,760

arguments why humans couldn't do this

2278

01:19:23,110 --> 01:19:20,719

but

2279

01:19:25,189 --> 01:19:23,120

they could do at least some of them so

2280

01:19:27,430 --> 01:19:25,199

yeah totally and life would be a very

2281

01:19:29,110 --> 01:19:27,440

boring you know life if if that's what

2282

01:19:31,030 --> 01:19:29,120

it was we got all our questions answered

2283

01:19:33,110 --> 01:19:31,040

and we moved on because even people have

2284

01:19:34,790 --> 01:19:33,120

asked me on this podcast that that

2285

01:19:37,270 --> 01:19:34,800

aren't necessarily fans that are

2286

01:19:39,590 --> 01:19:37,280

believers in the subject or topic that

2287

01:19:41,189 --> 01:19:39,600

well if if we find out that aliens exist

2288

01:19:42,709 --> 01:19:41,199

next week then that's your podcast

2289

01:19:44,790 --> 01:19:42,719

finished and i'm like well no for me

2290

01:19:46,149 --> 01:19:44,800

that's when the questions start because

2291

01:19:47,350 --> 01:19:46,159

there's just so much more that you'd

2292

01:19:49,350 --> 01:19:47,360

want to know and i think people are

2293

01:19:51,430 --> 01:19:49,360

surprised at that because it's not just

2294

01:19:53,990 --> 01:19:51,440

a case of are there aliens yes or no are

2295

01:19:55,990 --> 01:19:54,000

there ufos yes or no it's there's a

2296

01:19:57,110 --> 01:19:56,000

whole plethora of other questions that

2297

01:19:58,790 --> 01:19:57,120

come out when

2298

01:20:00,950 --> 01:19:58,800

remote viewing crops are closed how do

2299

01:20:03,030 --> 01:20:00,960

they all intertwine and their link other

2300

01:20:04,790 --> 01:20:03,040

connections and that that's always

2301

01:20:06,390 --> 01:20:04,800

amazed me um i want to ask another

2302

01:20:08,709 --> 01:20:06,400

question some on on the crop circles

2303

01:20:10,550 --> 01:20:08,719

from one of the patrons dustin he asked

2304

01:20:12,790 --> 01:20:10,560

a really interesting one are there

2305

01:20:14,870 --> 01:20:12,800

sounds emitted from crop circles after

2306

01:20:17,030 --> 01:20:14,880

they are created and can these be

2307

01:20:19,830 --> 01:20:17,040

recorded and used during residence

2308

01:20:21,750 --> 01:20:19,840

viewing to see uaps

2309

01:20:23,830 --> 01:20:21,760

that's interesting uh there was that

2310

01:20:25,510 --> 01:20:23,840

trailing sound that people heard over

2311

01:20:28,470 --> 01:20:25,520

the years remember

2312

01:20:30,790 --> 01:20:28,480

uh it was a very high frequency

2313

01:20:34,550 --> 01:20:30,800

that people recorded i remember hearing

2314

01:20:36,070 --> 01:20:34,560

this uh i never heard it myself

2315

01:20:38,790 --> 01:20:36,080

directly

2316

01:20:41,030 --> 01:20:38,800

i just heard recordings of it uh david

2317

01:20:42,629 --> 01:20:41,040

kingston there the researcher a very

2318

01:20:44,790 --> 01:20:42,639

interesting fellow who used to be at the

2319

01:20:46,790 --> 01:20:44,800

crop circle meetings he passed away a

2320

01:20:48,950 --> 01:20:46,800

number of years ago too

2321

01:20:51,110 --> 01:20:48,960

uh he had actually worked you know this

2322

01:20:53,669 --> 01:20:51,120

is so fascinating andy

2323

01:20:55,430 --> 01:20:53,679

he had worked was it at christmas island

2324

01:20:56,629 --> 01:20:55,440

or some british territory in the south

2325

01:20:58,550 --> 01:20:56,639

pacific

2326

01:21:00,629 --> 01:20:58,560

monitoring ufos he told us you know

2327

01:21:02,950 --> 01:21:00,639

before nick pope there were other people

2328

01:21:04,790 --> 01:21:02,960

doing this and david kingston was one of

2329

01:21:06,470 --> 01:21:04,800

them officially worked for the military

2330

01:21:08,709 --> 01:21:06,480

monitoring ufo sightings around the

2331

01:21:10,709 --> 01:21:08,719

missile installations out there

2332

01:21:13,910 --> 01:21:10,719

hello

2333

01:21:16,149 --> 01:21:13,920

uh so he he became interested in crop

2334

01:21:17,750 --> 01:21:16,159

circles the ufo connection and uh he

2335

01:21:18,870 --> 01:21:17,760

would play that trillion sound for us i

2336

01:21:19,990 --> 01:21:18,880

think i still have a copy of it

2337

01:21:21,590 --> 01:21:20,000

somewhere

2338

01:21:22,709 --> 01:21:21,600

um

2339

01:21:24,790 --> 01:21:22,719

i haven't heard it myself but that's a

2340

01:21:26,149 --> 01:21:24,800

good idea you could play it during an rv

2341

01:21:27,590 --> 01:21:26,159

session i mean

2342

01:21:29,189 --> 01:21:27,600

this is the thing we need to be

2343

01:21:31,430 --> 01:21:29,199

experimenting with all these techniques

2344

01:21:33,510 --> 01:21:31,440

don't let anyone else tell you

2345

01:21:35,030 --> 01:21:33,520

what is going on here you have to try

2346

01:21:36,950 --> 01:21:35,040

your own experiments

2347

01:21:38,790 --> 01:21:36,960

i'm totally serious about this

2348

01:21:40,470 --> 01:21:38,800

none of us have a clue of what's really

2349

01:21:41,590 --> 01:21:40,480

going on here and because we won't look

2350

01:21:43,750 --> 01:21:41,600

at the data

2351
01:21:45,189 --> 01:21:43,760
and the data has been withheld from us

2352
01:21:47,270 --> 01:21:45,199
sure it's true

2353
01:21:49,430 --> 01:21:47,280
but even when we have the data sometimes

2354
01:21:51,110 --> 01:21:49,440
we're blinded by our own belief systems

2355
01:21:53,910 --> 01:21:51,120
we won't have an open mind

2356
01:21:56,229 --> 01:21:53,920
so the thing is folks is when you

2357
01:21:58,310 --> 01:21:56,239
encounter these anomalies don't just

2358
01:21:59,350 --> 01:21:58,320
push it away don't file it away in the

2359
01:22:01,350 --> 01:21:59,360
drawer

2360
01:22:03,270 --> 01:22:01,360
and just say oh someone else someone

2361
01:22:05,350 --> 01:22:03,280
else will explain it someday you need to

2362
01:22:07,350 --> 01:22:05,360
pursue it because it's reality giving

2363
01:22:08,709 --> 01:22:07,360

you a little clue that it isn't the way

2364

01:22:10,149 --> 01:22:08,719

you were taught it was

2365

01:22:11,990 --> 01:22:10,159

and this is the way it is with the

2366

01:22:14,070 --> 01:22:12,000

drilling sound

2367

01:22:16,790 --> 01:22:14,080

and with all these other phenomena if

2368

01:22:18,470 --> 01:22:16,800

you put all these clues together you'll

2369

01:22:20,070 --> 01:22:18,480

end up with a different picture of

2370

01:22:22,149 --> 01:22:20,080

reality

2371

01:22:24,870 --> 01:22:22,159

and i'd like to believe that that's what

2372

01:22:26,870 --> 01:22:24,880

i do every day this is what

2373

01:22:28,310 --> 01:22:26,880

my training led me to to believe and i

2374

01:22:30,470 --> 01:22:28,320

think it's a good thing from academics

2375

01:22:32,310 --> 01:22:30,480

is you don't ignore things that are not

2376

01:22:34,070 --> 01:22:32,320

consistent with your belief system you

2377

01:22:36,149 --> 01:22:34,080

have it all out on the table and you

2378

01:22:37,110 --> 01:22:36,159

spend your time looking at the whole

2379

01:22:39,110 --> 01:22:37,120

thing

2380

01:22:40,870 --> 01:22:39,120

whatever your specialty is or whatever

2381

01:22:42,390 --> 01:22:40,880

topics you want to look at

2382

01:22:45,110 --> 01:22:42,400

you don't throw out the data that

2383

01:22:47,030 --> 01:22:45,120

doesn't fit your viewpoint you gather it

2384

01:22:48,790 --> 01:22:47,040

up it could take years

2385

01:22:51,030 --> 01:22:48,800

it could take decades it's taking

2386

01:22:53,750 --> 01:22:51,040

decades to figure out this ufo situation

2387

01:22:55,189 --> 01:22:53,760

isn't it decades

2388

01:22:57,750 --> 01:22:55,199

but we'll figure it out that's what

2389

01:22:59,030 --> 01:22:57,760

makes it fun is every day could be the

2390

01:23:01,590 --> 01:22:59,040

day that you get a new piece of

2391

01:23:03,350 --> 01:23:01,600

information that makes the whole thing

2392

01:23:04,550 --> 01:23:03,360

make sense you don't know what that day

2393

01:23:06,149 --> 01:23:04,560

is going to be it could be any day

2394

01:23:08,310 --> 01:23:06,159

coming up now you're going to see

2395

01:23:10,229 --> 01:23:08,320

something personally you're going to

2396

01:23:12,629 --> 01:23:10,239

witness something

2397

01:23:13,750 --> 01:23:12,639

reality is showing something to all of

2398

01:23:15,830 --> 01:23:13,760

us

2399

01:23:17,910 --> 01:23:15,840

we're the ones that are not looking at

2400

01:23:19,990 --> 01:23:17,920

it because we're content with the

2401

01:23:22,229 --> 01:23:20,000

ordinary picture of reality society has

2402

01:23:24,149 --> 01:23:22,239

taught us but as we've seen there's a

2403

01:23:25,910 --> 01:23:24,159

lot more going on

2404

01:23:27,350 --> 01:23:25,920

and perhaps the government didn't want

2405

01:23:29,590 --> 01:23:27,360

us to look at this they thought there

2406

01:23:31,990 --> 01:23:29,600

was going to be panic okay maybe there

2407

01:23:34,229 --> 01:23:32,000

was in the 1950s or 60s i don't know i

2408

01:23:35,910 --> 01:23:34,239

was just a kid in the 60s i don't know

2409

01:23:37,430 --> 01:23:35,920

if we'd have war of the worlds but

2410

01:23:38,790 --> 01:23:37,440

obviously someone's been collecting all

2411

01:23:40,310 --> 01:23:38,800

this data and they have been sharing it

2412

01:23:42,229 --> 01:23:40,320

with us have they

2413

01:23:44,310 --> 01:23:42,239

and we have the internet now we can all

2414

01:23:45,510 --> 01:23:44,320

share we can listen to your podcast here

2415

01:23:48,709 --> 01:23:45,520

other podcasts we can put it all

2416

01:23:50,390 --> 01:23:48,719

together i think it's very exciting

2417

01:23:52,149 --> 01:23:50,400

you've set up the segway to my last

2418

01:23:53,990 --> 01:23:52,159

question before we get into the listener

2419

01:23:56,790 --> 01:23:54,000

questions and quickfire round to finish

2420

01:23:59,189 --> 01:23:56,800

off really really nicely um yeah so one

2421

01:24:00,870 --> 01:23:59,199

of your recent tweets i was going to ask

2422

01:24:02,629 --> 01:24:00,880

you how you see the next few years

2423

01:24:03,910 --> 01:24:02,639

playing out and you set up in a tweet

2424

01:24:07,030 --> 01:24:03,920

where you said

2425

01:24:09,350 --> 01:24:07,040

fossilized life on a meteor uh life on

2426

01:24:10,310 --> 01:24:09,360

venus et's are here they are your

2427

01:24:11,910 --> 01:24:10,320

neighbor

2428

01:24:14,830 --> 01:24:11,920

is that the way you really can see

2429

01:24:19,430 --> 01:24:17,270

yes i was having a little bit of fun

2430

01:24:22,189 --> 01:24:19,440

with that tweet but you know yeah that

2431

01:24:24,629 --> 01:24:22,199

came out of this you know the the

2432

01:24:27,030 --> 01:24:24,639

exobiology remember the meteorites and

2433

01:24:28,950 --> 01:24:27,040

this announcement from russia

2434

01:24:31,590 --> 01:24:28,960

russian scientists on september 15th

2435

01:24:32,629 --> 01:24:31,600

that they had been studying for 20 years

2436

01:24:34,070 --> 01:24:32,639

this is what i'm talking about the data

2437

01:24:35,830 --> 01:24:34,080

has already been out there

2438

01:24:38,870 --> 01:24:35,840

for 20 years they've been looking at

2439

01:24:40,790 --> 01:24:38,880

these biological fossils on meteorites

2440

01:24:43,030 --> 01:24:40,800

just like richard hoover did who i've

2441

01:24:44,950 --> 01:24:43,040

interviewed and i you know i had a video

2442

01:24:46,709 --> 01:24:44,960

about him i talked about him

2443

01:24:48,870 --> 01:24:46,719

the nasa scientists that quit because

2444

01:24:50,950 --> 01:24:48,880

they didn't want him to talk about it

2445

01:24:53,030 --> 01:24:50,960

uh life on me fossilized life on

2446

01:24:54,390 --> 01:24:53,040

meteorites that's how it starts it has

2447

01:24:55,750 --> 01:24:54,400

to do with

2448

01:24:57,830 --> 01:24:55,760

our own

2449

01:25:00,310 --> 01:24:57,840

comfort levels of absorbing new

2450

01:25:01,590 --> 01:25:00,320

information without flipping out i mean

2451
01:25:03,189 --> 01:25:01,600
and that's what your conscious mind is

2452
01:25:06,550 --> 01:25:03,199
there to do at the end of the day anyway

2453
01:25:07,430 --> 01:25:06,560
isn't it is to try to kind of

2454
01:25:09,669 --> 01:25:07,440
fit

2455
01:25:10,629 --> 01:25:09,679
what you see into what you believe to be

2456
01:25:12,470 --> 01:25:10,639
true

2457
01:25:14,550 --> 01:25:12,480
and it does this and you push things

2458
01:25:16,550 --> 01:25:14,560
away you push away data you push away

2459
01:25:19,189 --> 01:25:16,560
events you push away situations that

2460
01:25:21,189 --> 01:25:19,199
don't fit that but eventually societies

2461
01:25:24,709 --> 01:25:21,199
can't do that anymore so there's going

2462
01:25:26,550 --> 01:25:24,719
to be a gradual initially a gradual wave

2463
01:25:27,910 --> 01:25:26,560

of new data and new information that

2464

01:25:29,910 --> 01:25:27,920

comes forward

2465

01:25:33,510 --> 01:25:29,920

that's just going to seem like it's on

2466

01:25:36,550 --> 01:25:33,520

the periphery i would imagine meteorites

2467

01:25:38,790 --> 01:25:36,560

you know phosphine gases in venus's

2468

01:25:40,470 --> 01:25:38,800

atmosphere things like that that suggest

2469

01:25:42,470 --> 01:25:40,480

that life exists

2470

01:25:44,470 --> 01:25:42,480

out there and gradually

2471

01:25:46,470 --> 01:25:44,480

the news cycles will pick up on this and

2472

01:25:48,950 --> 01:25:46,480

they'll it'll get closer and closer and

2473

01:25:50,229 --> 01:25:48,960

eventually it'll say hey maybe some of

2474

01:25:51,669 --> 01:25:50,239

that life's connected to what we're

2475

01:25:53,030 --> 01:25:51,679

seeing here in the atmosphere something

2476
01:25:55,510 --> 01:25:53,040
that no

2477
01:25:56,390 --> 01:25:55,520
you know astronomers willing to admit

2478
01:25:58,629 --> 01:25:56,400
yet

2479
01:26:00,390 --> 01:25:58,639
it's got or any people the study project

2480
01:26:02,629 --> 01:26:00,400
it's out there somewhere right not here

2481
01:26:04,149 --> 01:26:02,639
but maybe it's here that's it has to

2482
01:26:05,990 --> 01:26:04,159
happen that way andy because that's the

2483
01:26:07,910 --> 01:26:06,000
way our own fear levels work our own

2484
01:26:10,310 --> 01:26:07,920
consciousness you talked about and seen

2485
01:26:12,870 --> 01:26:10,320
anything scary during an rv session

2486
01:26:15,350 --> 01:26:12,880
but what we're about to encounter could

2487
01:26:17,350 --> 01:26:15,360
be scary for some people if they haven't

2488
01:26:18,950 --> 01:26:17,360

listened to your podcast for example or

2489

01:26:20,950 --> 01:26:18,960

watch my youtube videos or other

2490

01:26:22,950 --> 01:26:20,960

people's youtube channels people are

2491

01:26:24,629 --> 01:26:22,960

talking about this uh people from the

2492

01:26:25,910 --> 01:26:24,639

government are coming forward to us

2493

01:26:27,910 --> 01:26:25,920

right now who've worked for the

2494

01:26:29,350 --> 01:26:27,920

government very recently and said this

2495

01:26:30,390 --> 01:26:29,360

is a real topic your government's

2496

01:26:32,149 --> 01:26:30,400

concerned about this but they're not

2497

01:26:33,669 --> 01:26:32,159

telling you

2498

01:26:35,510 --> 01:26:33,679

what that suggests to me is that they're

2499

01:26:36,470 --> 01:26:35,520

going to be these

2500

01:26:37,830 --> 01:26:36,480

uh

2501
01:26:41,189 --> 01:26:37,840
moments of

2502
01:26:42,550 --> 01:26:41,199
real uh breakthroughs of information

2503
01:26:43,830 --> 01:26:42,560
some people might not see it as a

2504
01:26:45,830 --> 01:26:43,840
breakthrough some people might see it as

2505
01:26:48,629 --> 01:26:45,840
chaos but people who've listened to this

2506
01:26:49,990 --> 01:26:48,639
podcast and other similar podcasts and

2507
01:26:51,990 --> 01:26:50,000
who've been researching the subject

2508
01:26:54,310 --> 01:26:52,000
won't be surprised when these things are

2509
01:26:56,390 --> 01:26:54,320
deemed to be true i was told that nasa

2510
01:26:57,990 --> 01:26:56,400
has a timetable for releasing this

2511
01:26:59,750 --> 01:26:58,000
information that's what they told

2512
01:27:01,510 --> 01:26:59,760
richard hoover

2513
01:27:03,110 --> 01:27:01,520

according to what he told me is that

2514

01:27:04,390 --> 01:27:03,120

they had their own timetable and he was

2515

01:27:06,550 --> 01:27:04,400

getting ahead of it

2516

01:27:08,709 --> 01:27:06,560

they have a

2517

01:27:10,390 --> 01:27:08,719

chronology of releasing information this

2518

01:27:12,470 --> 01:27:10,400

information i imagine they think they're

2519

01:27:14,070 --> 01:27:12,480

doing it for our own benefit

2520

01:27:15,910 --> 01:27:14,080

i don't know what their motivations are

2521

01:27:17,830 --> 01:27:15,920

exactly but they seem to be a little

2522

01:27:19,830 --> 01:27:17,840

behind the curve but yeah i think that's

2523

01:27:20,950 --> 01:27:19,840

how it's going to happen and eventually

2524

01:27:22,390 --> 01:27:20,960

someone will

2525

01:27:24,310 --> 01:27:22,400

come forward with information that

2526

01:27:25,669 --> 01:27:24,320

they're actually

2527

01:27:27,510 --> 01:27:25,679

your neighbor or you're here they're

2528

01:27:29,030 --> 01:27:27,520

here they're around you and you just

2529

01:27:30,550 --> 01:27:29,040

haven't seen them the whole time

2530

01:27:32,149 --> 01:27:30,560

something like that

2531

01:27:33,750 --> 01:27:32,159

i i can't see it working out any other

2532

01:27:36,790 --> 01:27:33,760

way because

2533

01:27:39,030 --> 01:27:36,800

if this is what reality is

2534

01:27:40,070 --> 01:27:39,040

well let me preface that by saying in

2535

01:27:41,430 --> 01:27:40,080

science

2536

01:27:43,590 --> 01:27:41,440

there's this idea which i think is

2537

01:27:45,110 --> 01:27:43,600

largely true that no one ever discovers

2538

01:27:47,510 --> 01:27:45,120

anything in technology that nature

2539

01:27:49,590 --> 01:27:47,520

hadn't already invented somewhere

2540

01:27:51,430 --> 01:27:49,600

right if you look somewhere nature was

2541

01:27:53,990 --> 01:27:51,440

already doing it and we created it

2542

01:27:55,350 --> 01:27:54,000

technologically i mean even plants have

2543

01:27:57,510 --> 01:27:55,360

a way of

2544

01:28:00,390 --> 01:27:57,520

uh keeping

2545

01:28:01,910 --> 01:28:00,400

photons in a macroscopic state

2546

01:28:04,629 --> 01:28:01,920

to get the right frequency they want a

2547

01:28:06,070 --> 01:28:04,639

superposition right kind of a mini world

2548

01:28:07,189 --> 01:28:06,080

kind of way of looking at the way plants

2549

01:28:08,870 --> 01:28:07,199

deal with reality and then kind of

2550

01:28:10,790 --> 01:28:08,880

getting the frequency they want so the

2551
01:28:12,149 --> 01:28:10,800
plants are using quantum mechanics to

2552
01:28:12,870 --> 01:28:12,159
generate energy

2553
01:28:14,550 --> 01:28:12,880
so

2554
01:28:17,350 --> 01:28:14,560
if that's true that nature was already

2555
01:28:18,470 --> 01:28:17,360
doing it then with this whole et

2556
01:28:19,750 --> 01:28:18,480
question

2557
01:28:22,629 --> 01:28:19,760
they would already have to be here right

2558
01:28:24,629 --> 01:28:22,639
now i'm talking literally right now in

2559
01:28:26,149 --> 01:28:24,639
your vicinity you don't see them yet

2560
01:28:29,270 --> 01:28:26,159
either because your conscious mind is

2561
01:28:30,950 --> 01:28:29,280
not comfortable with it or for a number

2562
01:28:34,470 --> 01:28:30,960
of reasons it's got to be there right

2563
01:28:36,709 --> 01:28:34,480

now and the change will be in us

2564

01:28:39,350 --> 01:28:36,719

i'm serious the change will be our

2565

01:28:41,030 --> 01:28:39,360

ability as a society to collectively

2566

01:28:42,709 --> 01:28:41,040

assimilate this information without

2567

01:28:44,390 --> 01:28:42,719

everyone flipping out

2568

01:28:45,350 --> 01:28:44,400

that's how it's going to come down in my

2569

01:28:47,110 --> 01:28:45,360

view

2570

01:28:48,470 --> 01:28:47,120

i love that answer we've got a lot of

2571

01:28:49,830 --> 01:28:48,480

listener questions so let's get into

2572

01:28:52,310 --> 01:28:49,840

those some before we move on to the

2573

01:28:54,470 --> 01:28:52,320

quick fire round to finish off um my

2574

01:28:56,310 --> 01:28:54,480

regular co-host dan on many of the

2575

01:28:57,830 --> 01:28:56,320

spin-off shows that i do and you've

2576

01:29:00,229 --> 01:28:57,840

already answered one of his questions

2577

01:29:02,310 --> 01:29:00,239

around uh anomalous readings from

2578

01:29:04,550 --> 01:29:02,320

human-made and man-made crop circles so

2579

01:29:06,470 --> 01:29:04,560

that's great he also wanted to know do

2580

01:29:08,950 --> 01:29:06,480

you think there are any connections

2581

01:29:12,149 --> 01:29:08,960

between the phenomenon and creativity

2582

01:29:14,070 --> 01:29:12,159

and they put ie where ideas come from

2583

01:29:15,990 --> 01:29:14,080

yeah that's a no that's a great question

2584

01:29:18,629 --> 01:29:16,000

and that's a big question

2585

01:29:21,189 --> 01:29:18,639

and this is something that uh i work on

2586

01:29:23,590 --> 01:29:21,199

every day because i actually

2587

01:29:25,990 --> 01:29:23,600

uh i teach classes in this how to how

2588

01:29:27,669 --> 01:29:26,000

people can tap into their own

2589

01:29:29,510 --> 01:29:27,679

creativity using some of these

2590

01:29:30,950 --> 01:29:29,520

principles i mean i call it human fusion

2591

01:29:33,750 --> 01:29:30,960

but i'm not trying to promote that i'm

2592

01:29:36,870 --> 01:29:33,760

just saying that is where this all leads

2593

01:29:39,910 --> 01:29:36,880

it's not just in paranormal phenomena as

2594

01:29:42,790 --> 01:29:39,920

we call it anomalous phenomena uaps

2595

01:29:44,870 --> 01:29:42,800

things that we consider to be different

2596

01:29:46,390 --> 01:29:44,880

what aspects of ourselves have we

2597

01:29:48,550 --> 01:29:46,400

consider to be so different that we're

2598

01:29:49,590 --> 01:29:48,560

not using our full potential as humans i

2599

01:29:50,870 --> 01:29:49,600

mean don't you think that's where this

2600

01:29:52,390 --> 01:29:50,880

all comes down to

2601
01:29:54,550 --> 01:29:52,400
and this is why

2602
01:29:56,390 --> 01:29:54,560
we're kind of in a delay mode with

2603
01:29:58,390 --> 01:29:56,400
recognizing these phenomena

2604
01:30:00,149 --> 01:29:58,400
is we can't recognize stuff that's out

2605
01:30:02,390 --> 01:30:00,159
there until we recognize it in ourselves

2606
01:30:04,229 --> 01:30:02,400
first you got to have the equipment

2607
01:30:05,430 --> 01:30:04,239
before you can perceive the frequencies

2608
01:30:06,390 --> 01:30:05,440
right

2609
01:30:09,270 --> 01:30:06,400
and

2610
01:30:12,390 --> 01:30:09,280
getting involved in this these phenomena

2611
01:30:14,870 --> 01:30:12,400
is intrinsically related to creativity

2612
01:30:16,229 --> 01:30:14,880
this is what ingo swann said a long time

2613
01:30:17,990 --> 01:30:16,239

ago at one of the conferences when i

2614

01:30:19,270 --> 01:30:18,000

asked him ingo you know at the end of

2615

01:30:21,910 --> 01:30:19,280

his lectures

2616

01:30:24,149 --> 01:30:21,920

it was in uh north vegas

2617

01:30:26,070 --> 01:30:24,159

and he said uh

2618

01:30:27,830 --> 01:30:26,080

who i said who's a good viewer and he

2619

01:30:28,870 --> 01:30:27,840

said artists and musicians because

2620

01:30:31,270 --> 01:30:28,880

they're already open to their own

2621

01:30:33,590 --> 01:30:31,280

creativity so

2622

01:30:35,669 --> 01:30:33,600

i'm really glad that the listener asked

2623

01:30:37,990 --> 01:30:35,679

this question because there is no way we

2624

01:30:40,070 --> 01:30:38,000

can engage these phenomena unless we

2625

01:30:41,990 --> 01:30:40,080

develop ourselves too to get up to that

2626

01:30:43,669 --> 01:30:42,000

frequency right we have to be at the

2627

01:30:45,750 --> 01:30:43,679

frequency those phenomena the reason we

2628

01:30:47,830 --> 01:30:45,760

don't perceive them on a more frequent

2629

01:30:50,149 --> 01:30:47,840

basis is the frequency is probably a lot

2630

01:30:51,669 --> 01:30:50,159

higher than ours you know

2631

01:30:53,510 --> 01:30:51,679

technically higher

2632

01:30:56,310 --> 01:30:53,520

and so we probably can't perceive it

2633

01:30:57,910 --> 01:30:56,320

until we kind of get our frequency a

2634

01:30:59,590 --> 01:30:57,920

little higher and by that i mean you

2635

01:31:01,910 --> 01:30:59,600

know the things that you believe your

2636

01:31:03,510 --> 01:31:01,920

ideas all of that kind of creates a

2637

01:31:05,430 --> 01:31:03,520

frequency you could probably measure it

2638

01:31:06,870 --> 01:31:05,440

if you had a tricorder from star trek

2639

01:31:08,629 --> 01:31:06,880

i'm not talking metaphysically here i'm

2640

01:31:10,149 --> 01:31:08,639

telling you we have a frequency

2641

01:31:12,149 --> 01:31:10,159

i mean literally

2642

01:31:14,229 --> 01:31:12,159

and if the frequency of those things is

2643

01:31:15,910 --> 01:31:14,239

too different from our frequency we're

2644

01:31:17,350 --> 01:31:15,920

not going to match up right now you and

2645

01:31:19,030 --> 01:31:17,360

i are able to have a conversation

2646

01:31:20,790 --> 01:31:19,040

because we are on the same frequency

2647

01:31:22,709 --> 01:31:20,800

doesn't matter whether it's a radio or

2648

01:31:24,870 --> 01:31:22,719

whether it's going through the internet

2649

01:31:27,430 --> 01:31:24,880

we're on the same frequencies to be able

2650

01:31:28,470 --> 01:31:27,440

to communicate wi-fi and all that

2651

01:31:30,149 --> 01:31:28,480

so

2652

01:31:31,430 --> 01:31:30,159

it does have to do with our creativity

2653

01:31:32,629 --> 01:31:31,440

and when you get involved in these

2654

01:31:34,709 --> 01:31:32,639

subjects let me just say one more thing

2655

01:31:36,950 --> 01:31:34,719

really interesting interesting to answer

2656

01:31:38,870 --> 01:31:36,960

that question there are many people i've

2657

01:31:40,629 --> 01:31:38,880

been around who've taken my classes or

2658

01:31:43,669 --> 01:31:40,639

have just been around them

2659

01:31:47,270 --> 01:31:43,679

during their training who spontaneously

2660

01:31:49,430 --> 01:31:47,280

started to become artists

2661

01:31:52,790 --> 01:31:49,440

after learning resonant viewing

2662

01:31:53,830 --> 01:31:52,800

they just started drawing one day or one

2663

01:31:55,669 --> 01:31:53,840

evening

2664

01:31:57,189 --> 01:31:55,679

it just kind of came from nowhere also

2665

01:31:59,189 --> 01:31:57,199

they found that they were artists and

2666

01:32:00,550 --> 01:31:59,199

they'd never known it you sort of see

2667

01:32:02,550 --> 01:32:00,560

what i'm talking about

2668

01:32:04,790 --> 01:32:02,560

they hadn't been using their full

2669

01:32:06,629 --> 01:32:04,800

uh brain power or their full awareness

2670

01:32:08,950 --> 01:32:06,639

their full consciousness perhaps

2671

01:32:10,709 --> 01:32:08,960

and somehow it opened the door and they

2672

01:32:12,709 --> 01:32:10,719

discovered their own abilities that they

2673

01:32:13,990 --> 01:32:12,719

didn't have and i've seen this many many

2674

01:32:15,750 --> 01:32:14,000

times now i know people that have

2675

01:32:17,750 --> 01:32:15,760

developed spontaneous artistic ability

2676

01:32:19,910 --> 01:32:17,760

from learning rv yeah

2677

01:32:21,669 --> 01:32:19,920

to go to the question of creativity

2678

01:32:24,070 --> 01:32:21,679

that's the most important thing here

2679

01:32:25,750 --> 01:32:24,080

it's not just developing a technology

2680

01:32:27,669 --> 01:32:25,760

that's more sensitive that it can detect

2681

01:32:28,870 --> 01:32:27,679

these frequencies and see these objects

2682

01:32:30,070 --> 01:32:28,880

up there in our atmosphere and our

2683

01:32:31,990 --> 01:32:30,080

oceans

2684

01:32:34,390 --> 01:32:32,000

that's important too

2685

01:32:36,470 --> 01:32:34,400

but we have to upgrade our own

2686

01:32:37,990 --> 01:32:36,480

frequencies our own

2687

01:32:39,990 --> 01:32:38,000

abilities our own

2688

01:32:40,709 --> 01:32:40,000

software that makes us work as humans

2689

01:32:41,830 --> 01:32:40,719

right

2690

01:32:45,030 --> 01:32:41,840

absolutely

2691

01:32:46,550 --> 01:32:45,040

the bigger sense of reality because

2692

01:32:48,229 --> 01:32:46,560

as we're saying a few minutes ago it's

2693

01:32:50,550 --> 01:32:48,239

all out there already we're the ones

2694

01:32:51,270 --> 01:32:50,560

that have the limitations to perceiving

2695

01:32:53,669 --> 01:32:51,280

it

2696

01:32:54,950 --> 01:32:53,679

for whatever reason uh may not be

2697

01:32:56,310 --> 01:32:54,960

something you want to perceive which is

2698

01:32:58,550 --> 01:32:56,320

fine but for those of us that are

2699

01:33:00,470 --> 01:32:58,560

interested to look at these phenomena

2700

01:33:04,070 --> 01:33:00,480

without being ridiculed and attacked and

2701

01:33:06,149 --> 01:33:04,080

castigated by the rest of society

2702

01:33:08,550 --> 01:33:06,159

we need to become more sensitive in a

2703

01:33:10,870 --> 01:33:08,560

lot of ways and we need to become more

2704

01:33:12,470 --> 01:33:10,880

of who we are to see more of what's out

2705

01:33:14,550 --> 01:33:12,480

there that's really what i ultimately

2706

01:33:17,510 --> 01:33:14,560

believe unless we're

2707

01:33:19,990 --> 01:33:17,520

fully present and

2708

01:33:21,189 --> 01:33:20,000

doing what we do each of us in our own

2709

01:33:22,870 --> 01:33:21,199

each of us has different abilities and

2710

01:33:24,470 --> 01:33:22,880

skills and and

2711

01:33:26,629 --> 01:33:24,480

things that we're interested in unless

2712

01:33:28,550 --> 01:33:26,639

we're doing that 100

2713

01:33:30,790 --> 01:33:28,560

we're not going to be there for those

2714

01:33:33,030 --> 01:33:30,800

phenomena because they're you know

2715

01:33:36,229 --> 01:33:33,040

they're out there but they're at kind of

2716

01:33:38,550 --> 01:33:36,239

a different level different frequency if

2717

01:33:40,629 --> 01:33:38,560

we're not here completely we won't

2718

01:33:41,990 --> 01:33:40,639

perceive him so that's a really great

2719

01:33:43,510 --> 01:33:42,000

question and i think it has a lot to do

2720

01:33:45,350 --> 01:33:43,520

with creativity

2721

01:33:47,270 --> 01:33:45,360

dan's next question is when he likes to

2722

01:33:49,590 --> 01:33:47,280

ask all the guests um and it's far

2723

01:33:54,149 --> 01:33:49,600

simpler for you to answer it's are you a

2724

01:34:07,830 --> 01:33:55,430

i

2725

01:34:10,149 --> 01:34:07,840

world

2726

01:34:11,990 --> 01:34:10,159

dogs are no you gotta love dogs dogs are

2727

01:34:13,830 --> 01:34:12,000

great too i mean they're just wonderful

2728

01:34:16,550 --> 01:34:13,840

companions they're both great so i've

2729

01:34:17,350 --> 01:34:16,560

had both dogs i've had both cats and i

2730

01:34:20,149 --> 01:34:17,360

say

2731

01:34:21,750 --> 01:34:20,159

i i all of the animal uh all of the

2732

01:34:23,350 --> 01:34:21,760

animal species are fantastic they each

2733

01:34:25,510 --> 01:34:23,360

have their own way of you know showing

2734

01:34:27,030 --> 01:34:25,520

you something so i thought by going

2735

01:34:29,270 --> 01:34:27,040

whale you were going with the outlier

2736

01:34:31,430 --> 01:34:29,280

rather than the mean uh data that cats

2737

01:34:33,030 --> 01:34:31,440

or dogs would usually be so

2738

01:34:36,310 --> 01:34:33,040

well andy some people do think that

2739

01:34:37,510 --> 01:34:36,320

whales are actually extraterrestrials

2740

01:34:39,830 --> 01:34:37,520

do you know what yeah i've had a

2741

01:34:41,910 --> 01:34:39,840

conversation off here similar to that

2742

01:34:43,189 --> 01:34:41,920

recently so yeah i'll say no more at the

2743

01:34:44,950 --> 01:34:43,199

minute but yeah

2744

01:34:47,189 --> 01:34:44,960

i've had my conversation you have a good

2745

01:34:49,270 --> 01:34:47,199

spin on it too it's also the outlier so

2746

01:34:50,470 --> 01:34:49,280

yeah yeah uh-huh yeah there's there's

2747

01:34:52,790 --> 01:34:50,480

something there that i'll talk about

2748

01:34:55,109 --> 01:34:52,800

down the line i'm sure um

2749

01:34:56,950 --> 01:34:55,119

the next question so we had stephen he

2750

01:34:58,950 --> 01:34:56,960

asked have you ever tried to use

2751
01:35:00,950 --> 01:34:58,960
resonance viewing to check for life on

2752
01:35:02,709 --> 01:35:00,960
exoplanets

2753
01:35:04,790 --> 01:35:02,719
yeah now we've done this occasionally

2754
01:35:06,790 --> 01:35:04,800
and uh i haven't done it just like

2755
01:35:08,709 --> 01:35:06,800
looking for bacteria or something and

2756
01:35:10,870 --> 01:35:08,719
again it goes back to the question i

2757
01:35:12,629 --> 01:35:10,880
think it was steve right

2758
01:35:15,669 --> 01:35:12,639
you know without feedback you don't

2759
01:35:17,510 --> 01:35:15,679
really know an rv takes a lot of energy

2760
01:35:18,790 --> 01:35:17,520
i mean to sit down and do a session for

2761
01:35:20,390 --> 01:35:18,800
an hour

2762
01:35:22,629 --> 01:35:20,400
it's going to take something out of you

2763
01:35:25,350 --> 01:35:22,639

it's a lot of uh it's not focused it's

2764

01:35:27,030 --> 01:35:25,360

learning to uh stop your conscious mind

2765

01:35:29,669 --> 01:35:27,040

from interfering with your flow of

2766

01:35:31,430 --> 01:35:29,679

perception for hour two hours whatever

2767

01:35:33,590 --> 01:35:31,440

how long you do the session even 15

2768

01:35:34,390 --> 01:35:33,600

minutes it takes some real energy

2769

01:35:36,229 --> 01:35:34,400

so

2770

01:35:38,149 --> 01:35:36,239

um

2771

01:35:39,669 --> 01:35:38,159

the reason you just don't go about

2772

01:35:40,790 --> 01:35:39,679

viewing everything is at the end of the

2773

01:35:42,950 --> 01:35:40,800

day

2774

01:35:44,550 --> 01:35:42,960

handy and steve if you can't get

2775

01:35:46,310 --> 01:35:44,560

feedback

2776

01:35:47,910 --> 01:35:46,320

you don't really know what you did now

2777

01:35:50,310 --> 01:35:47,920

it doesn't mean it's wrong it's just

2778

01:35:51,910 --> 01:35:50,320

again it's an anglo can't confirm

2779

01:35:55,350 --> 01:35:51,920

and there's only so many of those can't

2780

01:35:57,990 --> 01:35:55,360

confirm targets you can do before

2781

01:36:00,950 --> 01:35:58,000

you feel like um if you don't really

2782

01:36:03,590 --> 01:36:00,960

know then there's no resolution

2783

01:36:05,350 --> 01:36:03,600

and it doesn't quite satisfy now when

2784

01:36:07,270 --> 01:36:05,360

you're looking for treasure and things

2785

01:36:08,709 --> 01:36:07,280

like this buried treasure i mean there

2786

01:36:11,189 --> 01:36:08,719

are people that do this and are

2787

01:36:13,910 --> 01:36:11,199

successful at it and that's feedback you

2788

01:36:15,590 --> 01:36:13,920

found what you were looking for

2789

01:36:16,870 --> 01:36:15,600

and that's fantastic but with these

2790

01:36:19,669 --> 01:36:16,880

other ones

2791

01:36:22,390 --> 01:36:19,679

i prefer to research those targets by

2792

01:36:23,669 --> 01:36:22,400

just reading a lot of science magazines

2793

01:36:24,470 --> 01:36:23,679

every day

2794

01:36:26,310 --> 01:36:24,480

just

2795

01:36:27,510 --> 01:36:26,320

to gather as much information again i'm

2796

01:36:29,590 --> 01:36:27,520

just going to say i think a lot of the

2797

01:36:31,189 --> 01:36:29,600

information is already out there it's

2798

01:36:32,709 --> 01:36:31,199

incumbent upon

2799

01:36:34,070 --> 01:36:32,719

those of us who research these topics

2800

01:36:36,470 --> 01:36:34,080

don't quit but you know it's like

2801

01:36:38,470 --> 01:36:36,480

einstein said be stubborn

2802

01:36:41,350 --> 01:36:38,480

really seriously folks be stubborn

2803

01:36:43,830 --> 01:36:41,360

you've got the data we've got the data

2804

01:36:45,109 --> 01:36:43,840

stick with it and don't give any ground

2805

01:36:47,350 --> 01:36:45,119

here it's the only way we're going to

2806

01:36:48,629 --> 01:36:47,360

make progress that's what einstein told

2807

01:36:51,350 --> 01:36:48,639

us to do we're going to

2808

01:36:53,430 --> 01:36:51,360

stick with it because no listen nobody

2809

01:36:55,350 --> 01:36:53,440

believes new things throughout the

2810

01:36:57,430 --> 01:36:55,360

history of science or history of society

2811

01:36:58,950 --> 01:36:57,440

nobody ever believes anything new we're

2812

01:37:00,229 --> 01:36:58,960

like a hundred years we don't wanna wait

2813

01:37:02,470 --> 01:37:00,239

that long

2814

01:37:04,149 --> 01:37:02,480

you gotta you gotta really stick to it

2815

01:37:07,189 --> 01:37:04,159

and so that's where you put your energy

2816

01:37:09,030 --> 01:37:07,199

more into than under viral targets

2817

01:37:11,430 --> 01:37:09,040

you mentioned they are being stubborn

2818

01:37:13,750 --> 01:37:11,440

the next question from craig is have you

2819

01:37:17,350 --> 01:37:13,760

ever used residence viewing to look

2820

01:37:19,750 --> 01:37:17,360

forward to the us election results

2821

01:37:23,430 --> 01:37:19,760

we have done that sometimes uh in the

2822

01:37:25,030 --> 01:37:23,440

past we've used it with sports games

2823

01:37:26,790 --> 01:37:25,040

let's be honest there's a technique that

2824

01:37:29,189 --> 01:37:26,800

does it week by week

2825

01:37:31,109 --> 01:37:29,199

uh with it's called arv i'll be it's

2826

01:37:32,870 --> 01:37:31,119

called associative rv

2827

01:37:34,149 --> 01:37:32,880

and you just take two targets and you

2828

01:37:35,910 --> 01:37:34,159

just view which one you're going to be

2829

01:37:37,189 --> 01:37:35,920

shown at a later date and you assign

2830

01:37:38,550 --> 01:37:37,199

them to the targets ahead of time you

2831

01:37:39,750 --> 01:37:38,560

have someone else help you or you can do

2832

01:37:42,550 --> 01:37:39,760

it by yourself

2833

01:37:44,470 --> 01:37:42,560

greg kolodzik i think his name is

2834

01:37:45,910 --> 01:37:44,480

uh did this by himself and

2835

01:37:49,030 --> 01:37:45,920

was very successful just using it with

2836

01:37:50,550 --> 01:37:49,040

the futures market uh with uh stock

2837

01:37:52,470 --> 01:37:50,560

options and things like this

2838

01:37:53,830 --> 01:37:52,480

um

2839

01:37:55,590 --> 01:37:53,840

he made quite a bit of money but he said

2840

01:37:57,510 --> 01:37:55,600

it wasn't enough to make it worth the

2841

01:38:00,149 --> 01:37:57,520

13-year project but it showed that rv

2842

01:38:01,910 --> 01:38:00,159

really worked he got like 67 hit rate

2843

01:38:03,750 --> 01:38:01,920

so you can use it for these binary

2844

01:38:05,669 --> 01:38:03,760

events and you know we have done it in

2845

01:38:08,470 --> 01:38:05,679

the past i can't remember

2846

01:38:10,709 --> 01:38:08,480

sometimes it's you know way far out so i

2847

01:38:12,709 --> 01:38:10,719

guess that would i guess your question

2848

01:38:15,910 --> 01:38:12,719

the question would be who's going to win

2849

01:38:17,669 --> 01:38:15,920

right the u.s election yeah yeah and

2850

01:38:19,669 --> 01:38:17,679

then we'd get feedback it's not that far

2851
01:38:22,070 --> 01:38:19,679
away it's about two months away right

2852
01:38:24,550 --> 01:38:22,080
yep i mean as we recalled this

2853
01:38:25,590 --> 01:38:24,560
the debate was just last night um so

2854
01:38:29,350 --> 01:38:25,600
yeah

2855
01:38:31,990 --> 01:38:29,360
listening yes no i didn't watch i

2856
01:38:34,870 --> 01:38:32,000
watched that andy and you know that just

2857
01:38:36,629 --> 01:38:34,880
reminded me so much of these topics

2858
01:38:38,629 --> 01:38:36,639
because how many times have we had good

2859
01:38:40,390 --> 01:38:38,639
data and you got someone who's loud and

2860
01:38:42,470 --> 01:38:40,400
obnoxious about it and does these

2861
01:38:45,109 --> 01:38:42,480
personal attacks ad hominem attacks you

2862
01:38:46,470 --> 01:38:45,119
know the techniques that trump used

2863
01:38:48,550 --> 01:38:46,480

last night

2864

01:38:50,870 --> 01:38:48,560

he did it a lot more than biden it was

2865

01:38:53,189 --> 01:38:50,880

ad hominem attacks right

2866

01:38:54,550 --> 01:38:53,199

and isn't this the technique that the

2867

01:38:57,350 --> 01:38:54,560

government has used against ufo

2868

01:38:58,629 --> 01:38:57,360

witnesses for so long is you don't talk

2869

01:38:59,910 --> 01:38:58,639

about the data you just attack the

2870

01:39:01,590 --> 01:38:59,920

person and you find something in their

2871

01:39:03,430 --> 01:39:01,600

history or something right

2872

01:39:04,950 --> 01:39:03,440

that's what all i'm saying is about the

2873

01:39:08,070 --> 01:39:04,960

debates that's what it reminded me of

2874

01:39:09,510 --> 01:39:08,080

don't talk about the facts just attack

2875

01:39:13,510 --> 01:39:09,520

something personal

2876

01:39:15,750 --> 01:39:13,520

and avoid dealing with the issues

2877

01:39:16,390 --> 01:39:15,760

yeah it's also like the whole thing you

2878

01:39:18,070 --> 01:39:16,400

know

2879

01:39:21,430 --> 01:39:18,080

i hate the term fake news right because

2880

01:39:23,510 --> 01:39:21,440

it's it's nonsense um but the idea that

2881

01:39:25,109 --> 01:39:23,520

you've got all these ufo videos online

2882

01:39:26,390 --> 01:39:25,119

of which most of them are clearly

2883

01:39:29,109 --> 01:39:26,400

nonsense however

2884

01:39:31,510 --> 01:39:29,119

of all the ones that have been debunked

2885

01:39:33,830 --> 01:39:31,520

or people largely believe aren't real

2886

01:39:35,510 --> 01:39:33,840

there's a good chance there's maybe one

2887

01:39:37,910 --> 01:39:35,520

out there or two that are actually

2888

01:39:39,189 --> 01:39:37,920

genuine but and amongst all the nonsense

2889

01:39:41,030 --> 01:39:39,199

just get lost

2890

01:39:42,470 --> 01:39:41,040

um and it was someone was asking me this

2891

01:39:43,830 --> 01:39:42,480

on twitter just the other day and i was

2892

01:39:45,030 --> 01:39:43,840

like yeah there's probably a couple out

2893

01:39:46,950 --> 01:39:45,040

there that

2894

01:39:50,390 --> 01:39:46,960

whether you know the famous skinny bob

2895

01:39:52,629 --> 01:39:50,400

footage or there's the the viral um

2896

01:39:54,550 --> 01:39:52,639

alien that's talking about it's it's us

2897

01:39:56,229 --> 01:39:54,560

from the future and has came back and

2898

01:39:57,109 --> 01:39:56,239

it's subtitled and quite professionally

2899

01:39:59,590 --> 01:39:57,119

done

2900

01:40:00,709 --> 01:39:59,600

again i would it's clearly it's clearly

2901

01:40:02,629 --> 01:40:00,719

been made

2902

01:40:03,750 --> 01:40:02,639

but it looks really professional and

2903

01:40:05,590 --> 01:40:03,760

there's no doubt there's something

2904

01:40:07,830 --> 01:40:05,600

potentially out there that's real or

2905

01:40:09,270 --> 01:40:07,840

genuine footage in a picture but all you

2906

01:40:11,270 --> 01:40:09,280

have to do if you're a government is

2907

01:40:13,270 --> 01:40:11,280

throw a lot of rubbish out there amongst

2908

01:40:16,070 --> 01:40:13,280

it and it just gets lost in the ether

2909

01:40:17,189 --> 01:40:16,080

because it just all becomes nonsense

2910

01:40:19,030 --> 01:40:17,199

and right

2911

01:40:20,629 --> 01:40:19,040

that's true that is definitely true

2912

01:40:22,709 --> 01:40:20,639

we've had a lot of that but keep in mind

2913

01:40:24,470 --> 01:40:22,719

the other way of looking at it is that

2914

01:40:27,030 --> 01:40:24,480

that

2915

01:40:29,750 --> 01:40:27,040

the disinformation eventually conditions

2916

01:40:31,750 --> 01:40:29,760

people to be open to the truth

2917

01:40:35,270 --> 01:40:31,760

it can work that way too

2918

01:40:37,430 --> 01:40:35,280

in other words if you keep putting

2919

01:40:39,590 --> 01:40:37,440

aliens holding hands with president

2920

01:40:43,510 --> 01:40:39,600

clinton on the cover of the national

2921

01:40:45,510 --> 01:40:43,520

enquirer one of our tabloids here yeah

2922

01:40:47,030 --> 01:40:45,520

eventually it doesn't seem as strange

2923

01:40:49,109 --> 01:40:47,040

when you really find out that something

2924

01:40:52,070 --> 01:40:49,119

like that happened

2925

01:40:54,149 --> 01:40:52,080

so it actually can go both ways it can

2926

01:40:57,350 --> 01:40:54,159

confuse what the truth is but it can

2927

01:40:59,350 --> 01:40:57,360

also make people less afraid of it just

2928

01:41:00,709 --> 01:40:59,360

because they can laugh at it for a while

2929

01:41:03,189 --> 01:41:00,719

i mean

2930

01:41:04,390 --> 01:41:03,199

there's there's multiple ways to see it

2931

01:41:06,790 --> 01:41:04,400

it's not necessarily

2932

01:41:08,229 --> 01:41:06,800

bad thing just because it's a

2933

01:41:09,590 --> 01:41:08,239

representation

2934

01:41:11,189 --> 01:41:09,600

right sure

2935

01:41:12,310 --> 01:41:11,199

it could get people open to the real

2936

01:41:14,390 --> 01:41:12,320

thing

2937

01:41:16,470 --> 01:41:14,400

breakwater on twitter you answered the

2938

01:41:17,990 --> 01:41:16,480

question already around crop circles and

2939

01:41:20,229 --> 01:41:18,000

investigations of some of the best ones

2940

01:41:22,470 --> 01:41:20,239

so thank you for that question um

2941

01:41:24,470 --> 01:41:22,480

concept on twitter was asking do you

2942

01:41:27,910 --> 01:41:24,480

think there is any link between neural

2943

01:41:29,750 --> 01:41:27,920

plasticity and resonance viewing

2944

01:41:32,149 --> 01:41:29,760

yeah definitely uh neurosp

2945

01:41:33,590 --> 01:41:32,159

neuroplasticity is very a very important

2946

01:41:36,070 --> 01:41:33,600

topic because

2947

01:41:38,550 --> 01:41:36,080

our brains literally change

2948

01:41:43,350 --> 01:41:41,030

the things that we're exposed to over

2949

01:41:44,629 --> 01:41:43,360

time and the way we interpret

2950

01:41:46,709 --> 01:41:44,639

what they are

2951
01:41:49,430 --> 01:41:46,719
and uh

2952
01:41:50,950 --> 01:41:49,440
part of resonant viewing is getting the

2953
01:41:53,109 --> 01:41:50,960
left and the right hemispheres of our

2954
01:41:55,990 --> 01:41:53,119
brain communicating a little bit through

2955
01:41:58,629 --> 01:41:56,000
the corpus callosum right this bridge

2956
01:42:02,149 --> 01:41:58,639
between the two hemispheres of the brain

2957
01:42:03,430 --> 01:42:02,159
and uh they always don't always do a

2958
01:42:05,910 --> 01:42:03,440
good job of that

2959
01:42:07,590 --> 01:42:05,920
so there is this sort of

2960
01:42:09,270 --> 01:42:07,600
we hear a lot about this

2961
01:42:11,990 --> 01:42:09,280
from neuroscience these days but it

2962
01:42:15,669 --> 01:42:12,000
really is true there's this topic called

2963
01:42:16,790 --> 01:42:15,679

long-term potentiation of your neurons

2964

01:42:20,629 --> 01:42:16,800

and it's

2965

01:42:23,590 --> 01:42:20,639

things that get repeated and you know

2966

01:42:24,470 --> 01:42:23,600

the same neurons that fire together wire

2967

01:42:25,750 --> 01:42:24,480

together

2968

01:42:27,430 --> 01:42:25,760

heard that one

2969

01:42:31,830 --> 01:42:27,440

it's the idea that

2970

01:42:34,950 --> 01:42:31,840

that our brain literally changes to

2971

01:42:36,550 --> 01:42:34,960

be able to process these phenomena more

2972

01:42:38,950 --> 01:42:36,560

the more we're exposed to them and the

2973

01:42:43,510 --> 01:42:38,960

more we engage them in a

2974

01:42:47,189 --> 01:42:43,520

uh you know in is just a sincere way

2975

01:42:49,189 --> 01:42:47,199

so yeah neuro over time your brain does

2976

01:42:49,990 --> 01:42:49,199

change with rv

2977

01:42:51,669 --> 01:42:50,000

to

2978

01:42:54,709 --> 01:42:51,679

i would say even become

2979

01:42:56,950 --> 01:42:54,719

a little more sensitive to subtle things

2980

01:42:58,470 --> 01:42:56,960

that you perceive that maybe in the past

2981

01:42:59,590 --> 01:42:58,480

you would have just pushed away and

2982

01:43:01,510 --> 01:42:59,600

brushed aside

2983

01:43:03,350 --> 01:43:01,520

now you're willing to stop

2984

01:43:05,750 --> 01:43:03,360

and look at it a little more when you

2985

01:43:08,229 --> 01:43:05,760

start stopping and looking at those gut

2986

01:43:10,070 --> 01:43:08,239

feelings a little more you start doing

2987

01:43:12,310 --> 01:43:10,080

that with a lot of other things and

2988

01:43:13,430 --> 01:43:12,320

that's that is literally reflected in

2989

01:43:14,950 --> 01:43:13,440

the change in how the brain works

2990

01:43:17,830 --> 01:43:14,960

definitely

2991

01:43:20,709 --> 01:43:17,840

great question good answer um two more

2992

01:43:23,350 --> 01:43:20,719

uh shauna has asked does dr hain feel

2993

01:43:26,870 --> 01:43:23,360

he's ever interacted with et's on earth

2994

01:43:29,590 --> 01:43:27,830

you know

2995

01:43:32,310 --> 01:43:29,600

early on

2996

01:43:34,870 --> 01:43:32,320

uh before i started teaching rv i

2997

01:43:36,950 --> 01:43:34,880

actually you know once i had done the rv

2998

01:43:38,709 --> 01:43:36,960

training farsight i was thinking i was

2999

01:43:39,669 --> 01:43:38,719

just gonna go back to doing ordinary

3000

01:43:42,149 --> 01:43:39,679

things

3001

01:43:43,350 --> 01:43:42,159

i actually hadn't planned to continue

3002

01:43:44,709 --> 01:43:43,360

with it formally i mean it was

3003

01:43:48,310 --> 01:43:44,719

interesting and i would maybe have some

3004

01:43:50,950 --> 01:43:48,320

fun with it i did have this

3005

01:43:52,550 --> 01:43:50,960

you know experience this encounter

3006

01:43:55,990 --> 01:43:52,560

maybe it was a dream

3007

01:44:00,070 --> 01:43:56,000

maybe it wasn't but all i know was

3008

01:44:01,590 --> 01:44:00,080

i had a conversation in a waking state

3009

01:44:02,950 --> 01:44:01,600

i didn't feel like i was totally asleep

3010

01:44:05,270 --> 01:44:02,960

but i didn't feel like it was totally

3011

01:44:06,870 --> 01:44:05,280

awake either kind of in between like you

3012

01:44:09,750 --> 01:44:06,880

might feel like four or five a.m in the

3013

01:44:12,390 --> 01:44:09,760

morning and start to wake up

3014

01:44:14,629 --> 01:44:12,400

where i had this long conversation with

3015

01:44:17,270 --> 01:44:14,639

some entity that presented themselves as

3016

01:44:20,709 --> 01:44:17,280

an e.t that gave me instructions about

3017

01:44:22,950 --> 01:44:20,719

how to set up a an rv business i mean

3018

01:44:24,870 --> 01:44:22,960

they showed me maps

3019

01:44:27,430 --> 01:44:24,880

all sorts of ideas

3020

01:44:28,629 --> 01:44:27,440

it was a very uh direct conversation

3021

01:44:30,870 --> 01:44:28,639

about

3022

01:44:32,629 --> 01:44:30,880

the benefits of teaching

3023

01:44:35,270 --> 01:44:32,639

this to people

3024

01:44:37,669 --> 01:44:35,280

and i actually did it it was such a

3025

01:44:40,790 --> 01:44:37,679

strong you know quote-unquote dream it

3026

01:44:42,550 --> 01:44:40,800

actually led me to create the

3027

01:44:45,189 --> 01:44:42,560

you know mount baldy institute which has

3028

01:44:47,109 --> 01:44:45,199

been around now for

3029

01:44:51,750 --> 01:44:47,119

these 23 years

3030

01:44:53,750 --> 01:44:51,760

so that was an encounter perhaps with

3031

01:44:55,590 --> 01:44:53,760

some other sorts some other types of

3032

01:44:57,109 --> 01:44:55,600

beans you know in a dream type state of

3033

01:44:59,830 --> 01:44:57,119

course that's when it would sort of

3034

01:45:01,430 --> 01:44:59,840

happen when we're awake again our

3035

01:45:03,669 --> 01:45:01,440

conscious mind pushes things away that

3036

01:45:05,830 --> 01:45:03,679

don't fit our ordinary sense even people

3037

01:45:07,830 --> 01:45:05,840

like us who research these things it's

3038

01:45:09,830 --> 01:45:07,840

just too out of the ordinary

3039

01:45:11,189 --> 01:45:09,840

and perhaps that was some sort of real

3040

01:45:12,629 --> 01:45:11,199

communication

3041

01:45:14,790 --> 01:45:12,639

with the

3042

01:45:16,550 --> 01:45:14,800

beings of that type to

3043

01:45:17,910 --> 01:45:16,560

you know exchange some information but

3044

01:45:19,590 --> 01:45:17,920

that's what it felt like and that's all

3045

01:45:22,870 --> 01:45:19,600

i can say about it

3046

01:45:24,470 --> 01:45:22,880

and last question from andrew uh and i

3047

01:45:26,550 --> 01:45:24,480

can't my name's andrew and i can't even

3048

01:45:28,790 --> 01:45:26,560

say it with scottish accent so last

3049

01:45:31,030 --> 01:45:28,800

question from andy um have you ever been

3050

01:45:34,709 --> 01:45:31,040

tasked with through resonance viewing or

3051

01:45:36,709 --> 01:45:35,360

um

3052

01:45:39,189 --> 01:45:36,719

[Music]

3053

01:45:41,750 --> 01:45:39,199

other dimensions yeah there were well

3054

01:45:43,030 --> 01:45:41,760

there were other types of targets over

3055

01:45:45,590 --> 01:45:43,040

the years

3056

01:45:47,990 --> 01:45:45,600

that uh

3057

01:45:50,070 --> 01:45:48,000

would move in that direction

3058

01:45:52,149 --> 01:45:50,080

um

3059

01:45:55,109 --> 01:45:52,159

various types of extraterrestrial

3060

01:45:56,830 --> 01:45:55,119

targets could feel like that

3061

01:45:59,030 --> 01:45:56,840

you know there's this idea

3062

01:46:00,149 --> 01:45:59,040

that there are other

3063

01:46:02,310 --> 01:46:00,159

you know

3064

01:46:03,750 --> 01:46:02,320

other parallel realities to ours we

3065

01:46:05,510 --> 01:46:03,760

didn't even really get into that today

3066

01:46:07,030 --> 01:46:05,520

but that's a whole nother topic because

3067

01:46:09,030 --> 01:46:07,040

it's something that

3068

01:46:11,350 --> 01:46:09,040

i spent time on every day looking at but

3069

01:46:13,830 --> 01:46:11,360

yeah many theories many interacting

3070

01:46:16,709 --> 01:46:13,840

worlds all of that

3071

01:46:19,590 --> 01:46:16,719

and sometimes you do view targets that

3072

01:46:21,669 --> 01:46:19,600

feel like it's different and all you can

3073

01:46:23,030 --> 01:46:21,679

go go by is the feeling is very

3074

01:46:26,629 --> 01:46:23,040

different again at the end of the day

3075

01:46:28,470 --> 01:46:26,639

you don't have any feedback to really

3076

01:46:30,229 --> 01:46:28,480

know what you were getting but the

3077

01:46:32,310 --> 01:46:30,239

feeling was

3078

01:46:33,750 --> 01:46:32,320

uh just for example let's say you're

3079

01:46:37,750 --> 01:46:33,760

viewing

3080

01:46:41,750 --> 01:46:37,760

a individual that is now deceased

3081

01:46:43,830 --> 01:46:41,760

and you move forward into the timeline

3082

01:46:46,310 --> 01:46:43,840

past the time when they're alive to keep

3083

01:46:49,109 --> 01:46:46,320

communicating with them at a future time

3084

01:46:50,149 --> 01:46:49,119

and the communication continues

3085

01:46:52,870 --> 01:46:50,159

uh

3086

01:46:55,350 --> 01:46:52,880

that would sort of be another dimension

3087

01:46:56,629 --> 01:46:55,360

yeah uh in fact if you're viewing people

3088

01:46:58,709 --> 01:46:56,639

that are already deceased and you feel

3089

01:47:00,629 --> 01:46:58,719

like some sort of communication happens

3090

01:47:02,229 --> 01:47:00,639

there are techniques that you can do in

3091

01:47:05,030 --> 01:47:02,239

some of the phases to

3092

01:47:06,709 --> 01:47:05,040

kind of create communications to some

3093

01:47:08,550 --> 01:47:06,719

degree it's not a channeling technique

3094

01:47:10,229 --> 01:47:08,560

by any means but sometimes that

3095

01:47:11,270 --> 01:47:10,239

information does come through

3096

01:47:13,430 --> 01:47:11,280

and

3097

01:47:15,510 --> 01:47:13,440

to extend you're dealing with people

3098

01:47:17,270 --> 01:47:15,520

that are not physically here anymore but

3099

01:47:18,550 --> 01:47:17,280

you feel like you're communicating with

3100

01:47:20,070 --> 01:47:18,560

them would be

3101

01:47:21,590 --> 01:47:20,080

i would say that'd be my definition of

3102

01:47:23,109 --> 01:47:21,600

communicating with another dimension

3103

01:47:24,229 --> 01:47:23,119

experiencing one or interacting with

3104

01:47:25,750 --> 01:47:24,239

them

3105

01:47:27,750 --> 01:47:25,760

that's great and thank you everyone who

3106

01:47:29,430 --> 01:47:27,760

sent in questions there was more sent in

3107

01:47:31,350 --> 01:47:29,440

which were either similar to what i've

3108

01:47:33,109 --> 01:47:31,360

asked on the show or it's been answered

3109

01:47:35,750 --> 01:47:33,119

within the body of the interview as well

3110

01:47:38,149 --> 01:47:35,760

and like simeon has said there is a lot

3111

01:47:40,550 --> 01:47:38,159

of topics i wanted to cover that i've

3112

01:47:42,149 --> 01:47:40,560

either touched on skipped over or just

3113

01:47:44,229 --> 01:47:42,159

left off for this because i would love

3114

01:47:46,149 --> 01:47:44,239

to speak to some again another time

3115

01:47:48,550 --> 01:47:46,159

where we can go another couple of hours

3116

01:47:50,310 --> 01:47:48,560

in the future um i've got the quickfire

3117

01:47:51,750 --> 01:47:50,320

round just to go over with you sim and

3118

01:47:53,990 --> 01:47:51,760

then we can kind of wrap up the the

3119

01:47:56,070 --> 01:47:54,000

podcast if you're good with that

3120

01:47:57,990 --> 01:47:56,080

sure so

3121

01:47:59,669 --> 01:47:58,000

awesome quickfire you can see as little

3122

01:48:00,870 --> 01:47:59,679

or as much as you like on each each one

3123

01:48:02,870 --> 01:48:00,880

but it's just some of the topics that

3124

01:48:04,390 --> 01:48:02,880

we've not necessarily managed to get to

3125

01:48:06,149 --> 01:48:04,400

within the body of the interview so the

3126

01:48:09,189 --> 01:48:06,159

first one would be your thoughts on to

3127

01:48:14,229 --> 01:48:11,910

yeah well they certainly uh done a lot

3128

01:48:16,790 --> 01:48:14,239

to get our interest in the topic going

3129

01:48:18,870 --> 01:48:16,800

without them we wouldn't have

3130

01:48:20,950 --> 01:48:18,880

congress taking it seriously right now

3131

01:48:23,430 --> 01:48:20,960

they brought it to the news

3132

01:48:25,590 --> 01:48:23,440

i certainly don't agree of looking at

3133

01:48:28,229 --> 01:48:25,600

things in terms of a threat they

3134

01:48:29,910 --> 01:48:28,239

necessarily don't understand but

3135

01:48:31,590 --> 01:48:29,920

maybe that's not the way they really see

3136

01:48:33,830 --> 01:48:31,600

it maybe it's just to you know get

3137

01:48:35,189 --> 01:48:33,840

interest from the government to take

3138

01:48:36,550 --> 01:48:35,199

this issue seriously so they're

3139

01:48:38,709 --> 01:48:36,560

certainly an important player on the

3140

01:48:40,310 --> 01:48:38,719

stage and they've done a lot to move the

3141

01:48:42,390 --> 01:48:40,320

field forward

3142

01:48:44,870 --> 01:48:42,400

no that's great uh angos one would be

3143

01:48:46,950 --> 01:48:44,880

the next one

3144

01:48:49,750 --> 01:48:46,960

well i was lucky enough to meet ingo at

3145

01:48:53,109 --> 01:48:49,760

conferences and even to visit him

3146

01:48:54,149 --> 01:48:53,119

about a week before he passed on uh

3147

01:48:56,310 --> 01:48:54,159

certainly

3148

01:48:58,310 --> 01:48:56,320

you know a really amazing

3149

01:49:00,470 --> 01:48:58,320

person that opened our eyes to these

3150

01:49:01,990 --> 01:49:00,480

topics he was the ultimate stubborn

3151
01:49:04,070 --> 01:49:02,000
person

3152
01:49:05,910 --> 01:49:04,080
going back to that einstein quote

3153
01:49:09,350 --> 01:49:05,920
he would not give in

3154
01:49:12,470 --> 01:49:09,360
and he would not quit until russell

3155
01:49:14,470 --> 01:49:12,480
targe and alberto let him try out his

3156
01:49:16,790 --> 01:49:14,480
coordinate system and his other ways of

3157
01:49:19,350 --> 01:49:16,800
doing viewing so without ingo

3158
01:49:22,629 --> 01:49:19,360
uh we wouldn't have beef as far along as

3159
01:49:24,470 --> 01:49:22,639
we are now with a lot of uh rv and some

3160
01:49:25,750 --> 01:49:24,480
of these other topics yeah it was

3161
01:49:27,910 --> 01:49:25,760
certainly someone who when you think

3162
01:49:29,589 --> 01:49:27,920
about thinking outside the box he was

3163
01:49:32,149 --> 01:49:29,599

outside the box and thinking outside of

3164

01:49:33,830 --> 01:49:32,159

that box as well so uh definitely

3165

01:49:36,070 --> 01:49:33,840

someone who it was a huge part of that

3166

01:49:40,790 --> 01:49:36,080

this whole subject um

3167

01:49:42,470 --> 01:49:40,800

for you would you go with ufo or uap

3168

01:49:44,550 --> 01:49:42,480

you know

3169

01:49:47,350 --> 01:49:44,560

it's fine to change the names of things

3170

01:49:50,470 --> 01:49:47,360

because if you call it uap it doesn't

3171

01:49:52,709 --> 01:49:50,480

have the baggage maybe that ufos do but

3172

01:49:54,629 --> 01:49:52,719

we don't want to leave ufos behind

3173

01:49:57,910 --> 01:49:54,639

either i mean

3174

01:49:58,709 --> 01:49:57,920

we've had a hundred years of this weird

3175

01:50:00,229 --> 01:49:58,719

and

3176

01:50:01,750 --> 01:50:00,239

freaky phenomena

3177

01:50:03,830 --> 01:50:01,760

we called ufos

3178

01:50:05,270 --> 01:50:03,840

so if you want to call them uaps because

3179

01:50:07,669 --> 01:50:05,280

that's again calling it like remote

3180

01:50:10,310 --> 01:50:07,679

viewing if it's more acceptable

3181

01:50:12,470 --> 01:50:10,320

to the mainstream media and the

3182

01:50:15,109 --> 01:50:12,480

government to refer to it that way then

3183

01:50:17,030 --> 01:50:15,119

that's obviously okay because they feel

3184

01:50:18,950 --> 01:50:17,040

like oh it's you know politically

3185

01:50:21,109 --> 01:50:18,960

correct to talk about this topic now so

3186

01:50:24,149 --> 01:50:21,119

maybe that's what we need to

3187

01:50:26,149 --> 01:50:24,159

bring it more into the mainstream

3188

01:50:27,430 --> 01:50:26,159

the next one is someone who has a a

3189

01:50:29,910 --> 01:50:27,440

massive

3190

01:50:32,070 --> 01:50:29,920

say in both to the sarcasm to the stars

3191

01:50:34,790 --> 01:50:32,080

academy and residence viewing it would

3192

01:50:36,550 --> 01:50:34,800

be hal pitov

3193

01:50:38,709 --> 01:50:36,560

yeah i mean how

3194

01:50:41,109 --> 01:50:38,719

the fascinating thing about how

3195

01:50:43,589 --> 01:50:41,119

we knew him as someone involved in

3196

01:50:46,629 --> 01:50:43,599

remote viewing research he was a laser

3197

01:50:49,430 --> 01:50:46,639

physicist like russell targ he got

3198

01:50:52,550 --> 01:50:49,440

interested in the subject he got ingo to

3199

01:50:56,070 --> 01:50:52,560

come out to california

3200

01:50:57,830 --> 01:50:56,080

and we all knew him as this person who

3201

01:51:00,709 --> 01:50:57,840

you know apart from studying other

3202

01:51:02,390 --> 01:51:00,719

topics in physics uh kind of like exotic

3203

01:51:03,750 --> 01:51:02,400

vacuum objects and ball lightning

3204

01:51:04,790 --> 01:51:03,760

casimir effect these other interesting

3205

01:51:07,270 --> 01:51:04,800

quantum

3206

01:51:10,070 --> 01:51:07,280

phenomena we knew him in an rv but it

3207

01:51:13,109 --> 01:51:10,080

was quite a shock when he told us

3208

01:51:14,870 --> 01:51:13,119

in 2018 at the irv ssc conference that

3209

01:51:16,229 --> 01:51:14,880

he had also been studying ufos this

3210

01:51:18,390 --> 01:51:16,239

whole time

3211

01:51:20,550 --> 01:51:18,400

too for the government

3212

01:51:22,870 --> 01:51:20,560

so there's still probably a lot about

3213

01:51:24,790 --> 01:51:22,880

how that we don't know but he's

3214

01:51:27,350 --> 01:51:24,800

certainly been a very important player

3215

01:51:29,030 --> 01:51:27,360

to bring this out to the public and to

3216

01:51:30,470 --> 01:51:29,040

kind of be this go-between i guess

3217

01:51:31,910 --> 01:51:30,480

between the government and the rest of

3218

01:51:32,830 --> 01:51:31,920

us to tell us what they've really been

3219

01:51:36,149 --> 01:51:32,840

looking

3220

01:51:39,430 --> 01:51:36,159

at the next one would be antarctica as a

3221

01:51:43,430 --> 01:51:40,950

yeah it's not something that i really

3222

01:51:44,790 --> 01:51:43,440

know a huge amount about

3223

01:51:47,030 --> 01:51:44,800

um

3224

01:51:49,109 --> 01:51:47,040

perhaps we'll uncover what's ever going

3225

01:51:50,950 --> 01:51:49,119

on there i just hear the same thing that

3226

01:51:52,950 --> 01:51:50,960

the rest of you here so i don't really

3227

01:51:54,790 --> 01:51:52,960

have any special information about

3228

01:51:57,350 --> 01:51:54,800

antarctica

3229

01:51:59,030 --> 01:51:57,360

apart from these ideas that you know

3230

01:52:00,709 --> 01:51:59,040

we've been exposed to that perhaps

3231

01:52:02,470 --> 01:52:00,719

there's more going on there than we know

3232

01:52:03,990 --> 01:52:02,480

about

3233

01:52:05,750 --> 01:52:04,000

certainly and the last one like to

3234

01:52:07,589 --> 01:52:05,760

finish off with all my guests is

3235

01:52:09,669 --> 01:52:07,599

disclosure what are your thoughts what

3236

01:52:11,910 --> 01:52:09,679

is disclosure

3237

01:52:12,950 --> 01:52:11,920

well it's obviously it's this topic of

3238

01:52:16,709 --> 01:52:12,960

the day

3239

01:52:19,270 --> 01:52:16,719

and uh it's coming at us but again

3240

01:52:20,550 --> 01:52:19,280

the main thing i would

3241

01:52:21,910 --> 01:52:20,560

reinforce

3242

01:52:24,390 --> 01:52:21,920

is that

3243

01:52:27,109 --> 01:52:24,400

it's our own inner disclosure that has

3244

01:52:29,430 --> 01:52:27,119

to accompany the outer disclosure that's

3245

01:52:31,430 --> 01:52:29,440

my personal bent on all this

3246

01:52:33,589 --> 01:52:31,440

you can only go so far on the outside as

3247

01:52:36,950 --> 01:52:33,599

you're willing to go on the inside

3248

01:52:39,910 --> 01:52:36,960

because any new information paradigm

3249

01:52:41,830 --> 01:52:39,920

change demands things of you too right

3250

01:52:45,589 --> 01:52:41,840

it's not a free ride

3251
01:52:49,030 --> 01:52:45,599
it demands that you change and you

3252
01:52:50,629 --> 01:52:49,040
step up to play a bigger role so

3253
01:52:53,189 --> 01:52:50,639
you need to think about in terms of your

3254
01:52:54,550 --> 01:52:53,199
own development to match the disclosure

3255
01:52:56,310 --> 01:52:54,560
on the outside i think the pace of

3256
01:52:59,350 --> 01:52:56,320
disclosure

3257
01:53:00,790 --> 01:52:59,360
will go as fast as we're comfortable

3258
01:53:02,870 --> 01:53:00,800
with it and those of us that are

3259
01:53:06,229 --> 01:53:02,880
involved in this research

3260
01:53:08,709 --> 01:53:06,239
uh need to be constantly you know

3261
01:53:10,470 --> 01:53:08,719
stepping up our game

3262
01:53:12,550 --> 01:53:10,480
and personally on a creative level like

3263
01:53:14,390 --> 01:53:12,560

your listener asked before

3264

01:53:16,870 --> 01:53:14,400

to be fully there to be fully present

3265

01:53:19,270 --> 01:53:16,880

and to withhold judgment but to be

3266

01:53:20,629 --> 01:53:19,280

looking at new information

3267

01:53:22,390 --> 01:53:20,639

to

3268

01:53:24,390 --> 01:53:22,400

see this in the biggest possible way

3269

01:53:26,390 --> 01:53:24,400

rather than fitting it in to a

3270

01:53:27,669 --> 01:53:26,400

pre-existing box

3271

01:53:30,629 --> 01:53:27,679

so

3272

01:53:32,709 --> 01:53:30,639

great answer as well um listen sim thank

3273

01:53:34,229 --> 01:53:32,719

you very much for your time can you just

3274

01:53:35,910 --> 01:53:34,239

let the listeners know how they can get

3275

01:53:37,350 --> 01:53:35,920

in touch with you and of course

3276

01:53:39,189 --> 01:53:37,360

something i've not spoke about as much

3277

01:53:41,350 --> 01:53:39,199

as i would have liked on this show is

3278

01:53:43,270 --> 01:53:41,360

also how they can look at resonance

3279

01:53:45,350 --> 01:53:43,280

viewing themselves if they want to get

3280

01:53:46,790 --> 01:53:45,360

involved in the mount baldy institute

3281

01:53:48,229 --> 01:53:46,800

you can give them some details on that

3282

01:53:50,550 --> 01:53:48,239

too

3283

01:53:52,950 --> 01:53:50,560

oh yeah i have a uh

3284

01:53:54,790 --> 01:53:52,960

you know like a free mini seven part

3285

01:53:56,470 --> 01:53:54,800

virtual viewing class i just call it

3286

01:53:58,709 --> 01:53:56,480

virtual viewing it's online it's

3287

01:54:00,709 --> 01:53:58,719

resonant viewing training you can do
