00:00:00,070 --> 00:00:14,310  
[Music]

2  
00:00:19,029 --> 00:00:16,390  
it was basically a cube with inside of

3  
00:00:22,840 --> 00:00:19,039  
sphere where the points of the cube

4  
00:00:33,040 --> 00:00:22,850  
were touching outside of sphere

5  
00:00:37,190 --> 00:00:34,590  
[Music]

6  
00:00:38,790 --> 00:00:37,200  
[Applause]

7  
00:00:41,030 --> 00:00:38,800  
so this isn't anything that just is

8  
00:00:49,430 --> 00:00:41,040  
limited to the united states it's a

9  
00:00:54,790 --> 00:00:51,270  
first up on the listener calling for

10  
00:00:56,150 --> 00:00:54,800  
january 2022 we've got joe in london joe

11  
00:00:58,310 --> 00:00:56,160  
how are we

12  
00:00:59,750 --> 00:00:58,320  
i'm very good thank you how are you i am

13  
00:01:01,670 --> 00:00:59,760

very well thanks for being the first

14

00:01:05,030 --> 00:01:01,680

caller on the the first listener colin

15

00:01:06,870 --> 00:01:05,040

show of the year um i got your email and

16

00:01:08,550 --> 00:01:06,880

you'd put down a few things you wanted

17

00:01:10,950 --> 00:01:08,560

to talk about um which was really

18

00:01:13,670 --> 00:01:10,960

interesting uh you mentioned uh i had

19

00:01:15,670 --> 00:01:13,680

seen grant cameron posting about some

20

00:01:17,510 --> 00:01:15,680

some recent signals being transmitted

21

00:01:18,710 --> 00:01:17,520

and things like that so it was a

22

00:01:20,149 --> 00:01:18,720

fascinating

23

00:01:22,070 --> 00:01:20,159

way to kick off the show i thought so

24

00:01:23,190 --> 00:01:22,080

i'm glad you're on first uh so the floor

25

00:01:24,710 --> 00:01:23,200

is yours joe what do you want to talk

26

00:01:27,510 --> 00:01:24,720

about

27

00:01:29,190 --> 00:01:27,520

yeah um so i think to to whine back a

28

00:01:31,830 --> 00:01:29,200

little bit yeah grant carman did post

29

00:01:34,710 --> 00:01:31,840

recently about uh a podcast he had done

30

00:01:36,149 --> 00:01:34,720

with uh jimmy blanchette and marcel

31

00:01:38,710 --> 00:01:36,159

vidovich on

32

00:01:41,270 --> 00:01:38,720

some recent results with the um various

33

00:01:44,069 --> 00:01:41,280

attempts to to gain contact through the

34

00:01:46,550 --> 00:01:44,079

radio modality i think he coined it c6

35

00:01:48,389 --> 00:01:46,560

um but essentially he was um getting a

36

00:01:51,270 --> 00:01:48,399

lot of success with that

37

00:01:52,230 --> 00:01:51,280

um but to to go back a step i actually

38

00:01:54,789 --> 00:01:52,240

um

39

00:01:56,950 --> 00:01:54,799

got a sort of advanced notice of of what

40

00:02:00,149 --> 00:01:56,960

of this work that was going on early on

41

00:02:01,590 --> 00:02:00,159

in the year um i i know someone who's

42

00:02:03,270 --> 00:02:01,600

been in touch with mark sims and

43

00:02:04,550 --> 00:02:03,280

maxine's just been in touch with jamie

44

00:02:07,030 --> 00:02:04,560

blanchett so

45

00:02:09,990 --> 00:02:07,040

i i actually got um

46

00:02:11,029 --> 00:02:10,000

the there's a pdf document um on how to

47

00:02:13,270 --> 00:02:11,039

set up

48

00:02:16,470 --> 00:02:13,280

um basically have a

49

00:02:18,309 --> 00:02:16,480

sorry a simple handheld radio um doesn't

50

00:02:19,670 --> 00:02:18,319

have to be too powerful um i've got a

51  
00:02:22,630 --> 00:02:19,680  
five watt one

52  
00:02:25,030 --> 00:02:22,640  
and it tells you how to take a message

53  
00:02:27,830 --> 00:02:25,040  
and then just to decode it um so i

54  
00:02:30,390 --> 00:02:27,840  
encode it into a particular

55  
00:02:33,910 --> 00:02:30,400  
format and then you kind of see you uh

56  
00:02:35,190 --> 00:02:33,920  
you send that over the radio signal and

57  
00:02:37,910 --> 00:02:35,200  
the idea is that you can actually

58  
00:02:39,589 --> 00:02:37,920  
broadcast a message and it gets encoded

59  
00:02:42,150 --> 00:02:39,599  
um at the other end so

60  
00:02:43,830 --> 00:02:42,160  
um sorry occurred at the end

61  
00:02:47,030 --> 00:02:43,840  
oh yeah it's basically

62  
00:02:48,949 --> 00:02:47,040  
and so um basically i i gave this a go

63  
00:02:50,630 --> 00:02:48,959

last year i think i mentioned i was on

64

00:02:53,830 --> 00:02:50,640

another call and i mentioned i do a bit

65

00:02:55,430 --> 00:02:53,840

of c5 um and during those events i'll

66

00:02:57,589 --> 00:02:55,440

send out a message of you know the

67

00:02:59,509 --> 00:02:57,599

location i was at um the people in the

68

00:03:01,350 --> 00:02:59,519

team and various things

69

00:03:02,949 --> 00:03:01,360

and um

70

00:03:05,670 --> 00:03:02,959

i was sending that out and as much it

71

00:03:07,430 --> 00:03:05,680

wasn't the focus of the c5 event it was

72

00:03:10,390 --> 00:03:07,440

interesting that my radio was going off

73

00:03:13,750 --> 00:03:10,400

intermittently now i wasn't

74

00:03:15,430 --> 00:03:13,760

sort of focusing on what's what that um

75

00:03:16,229 --> 00:03:15,440

what that what the radio was doing too

76

00:03:18,630 --> 00:03:16,239

much

77

00:03:20,149 --> 00:03:18,640

but it was was kind of odd but it wasn't

78

00:03:21,589 --> 00:03:20,159

until i heard this podcast that i

79

00:03:22,470 --> 00:03:21,599

actually looked back

80

00:03:27,910 --> 00:03:22,480

um

81

00:03:29,670 --> 00:03:27,920

of the times and actually came it

82

00:03:31,270 --> 00:03:29,680

became that um

83

00:03:33,190 --> 00:03:31,280

it seemed that actually i was actually

84

00:03:34,949 --> 00:03:33,200

getting a response it wasn't just random

85

00:03:37,430 --> 00:03:34,959

interference and noise

86

00:03:39,990 --> 00:03:37,440

um so yeah i'm really quite fascinated

87

00:03:41,750 --> 00:03:40,000

um to see you know where this goes i'm

88

00:03:43,830 --> 00:03:41,760

waiting to see i think grant cameron is

89

00:03:45,190 --> 00:03:43,840

going to put on a video soon on his

90

00:03:46,710 --> 00:03:45,200

channel

91

00:03:48,149 --> 00:03:46,720

because i've only heard the audio so

92

00:03:50,869 --> 00:03:48,159

fast and hope you see the videos as well

93

00:03:53,350 --> 00:03:50,879

there's a load of really cool slides but

94

00:03:56,309 --> 00:03:53,360

essentially i think um what jimmy

95

00:03:57,589 --> 00:03:56,319

blanchett is up to it does seem to be

96

00:04:00,070 --> 00:03:57,599

what could be

97

00:04:01,030 --> 00:04:00,080

our first real contact if it goes down

98

00:04:02,149 --> 00:04:01,040

that road

99

00:04:04,309 --> 00:04:02,159

um

100

00:04:06,630 --> 00:04:04,319

you know let's let me ask joe let me ask

101  
00:04:09,270 --> 00:04:06,640  
because that's interesting that the idea

102  
00:04:12,550 --> 00:04:09,280  
and as you spoke about last time you you

103  
00:04:14,390 --> 00:04:12,560  
practiced ce5 so with ce5 you generally

104  
00:04:15,670 --> 00:04:14,400  
don't have to have any sort of physical

105  
00:04:17,909 --> 00:04:15,680  
object to

106  
00:04:19,990 --> 00:04:17,919  
potentially summon other craft or orbs

107  
00:04:22,230 --> 00:04:20,000  
or or light beings whatever they might

108  
00:04:24,310 --> 00:04:22,240  
be that people say they see

109  
00:04:25,990 --> 00:04:24,320  
what's the purpose of of the radio

110  
00:04:28,550 --> 00:04:26,000  
itself is that

111  
00:04:31,270 --> 00:04:28,560  
as an addition as you see grant cameron

112  
00:04:33,189 --> 00:04:31,280  
calling it ce6 and coining that

113  
00:04:36,629 --> 00:04:33,199

what's the purpose of the radio and what

114

00:04:39,350 --> 00:04:36,639

sort of messages do you get on that end

115

00:04:41,350 --> 00:04:39,360

it's interesting because um a lot of uh

116

00:04:43,830 --> 00:04:41,360

what i've heard from c5 is that they are

117

00:04:46,469 --> 00:04:43,840

trying to almost put technology away and

118

00:04:48,150 --> 00:04:46,479

try and just focus on meditation and and

119

00:04:51,110 --> 00:04:48,160

contact through

120

00:04:53,110 --> 00:04:51,120

through that um but i i am a kind of a

121

00:04:54,390 --> 00:04:53,120

bit of a nuts and bolts person i'm quite

122

00:04:56,790 --> 00:04:54,400

interested in

123

00:05:00,150 --> 00:04:56,800

trying to get video evidence trying to

124

00:05:02,550 --> 00:05:00,160

get any form of response on the radio so

125

00:05:04,469 --> 00:05:02,560

i think i've i've taken on a bit more of

126

00:05:05,909 --> 00:05:04,479

a technical aspect of it but i

127

00:05:07,270 --> 00:05:05,919

appreciate that other people in the

128

00:05:08,870 --> 00:05:07,280

group may be more interested in the in

129

00:05:10,629 --> 00:05:08,880

the i mean i am interested in the

130

00:05:12,070 --> 00:05:10,639

meditation side and gaining contact with

131

00:05:15,590 --> 00:05:12,080

that just you know i've kind of tried

132

00:05:17,029 --> 00:05:15,600

broadening across different areas um

133

00:05:18,469 --> 00:05:17,039

so i'm just i'm just fascinated with the

134

00:05:20,230 --> 00:05:18,479

whole thing and interested to see you

135

00:05:22,629 --> 00:05:20,240

know where this is going and what do

136

00:05:24,790 --> 00:05:22,639

those responses come through like you

137

00:05:27,189 --> 00:05:24,800

say you're sending a message out is it a

138

00:05:29,909 --> 00:05:27,199

voice is it is it morse code is it just

139

00:05:32,469 --> 00:05:29,919

like as a frequency change so this is

140

00:05:33,909 --> 00:05:32,479

the interesting thing um oh maybe

141

00:05:36,390 --> 00:05:33,919

i'll tell you a bit about what jimmy's

142

00:05:38,310 --> 00:05:36,400

found is that um he's got two radios

143

00:05:39,510 --> 00:05:38,320

side by side on the fest on the same

144

00:05:41,510 --> 00:05:39,520

frequency

145

00:05:43,830 --> 00:05:41,520

he then sends out this message out on

146

00:05:45,670 --> 00:05:43,840

one radio and he only gets the response

147

00:05:46,950 --> 00:05:45,680

back on one of the radios even though

148

00:05:48,310 --> 00:05:46,960

they're both same frequency so

149

00:05:50,550 --> 00:05:48,320

whatever's happening seems to be

150

00:05:54,469 --> 00:05:50,560

breaking the laws of physics so to speak

151

00:05:56,070 --> 00:05:54,479

because um it's it's uh if it was just

152

00:05:57,990 --> 00:05:56,080

interference or something a message

153

00:05:59,670 --> 00:05:58,000

coming from somewhere else that's using

154

00:06:01,270 --> 00:05:59,680

another radio on the same frequency then

155

00:06:03,029 --> 00:06:01,280

you'd expect the response to happen on

156

00:06:03,830 --> 00:06:03,039

both radios

157

00:06:05,590 --> 00:06:03,840

um

158

00:06:06,790 --> 00:06:05,600

for me i get the same sponsor i haven't

159

00:06:08,469 --> 00:06:06,800

got two radios at the moment so i

160

00:06:11,270 --> 00:06:08,479

haven't been able to test this the same

161

00:06:12,550 --> 00:06:11,280

thing but what i get is um

162

00:06:14,550 --> 00:06:12,560

almost like

163

00:06:15,909 --> 00:06:14,560

bursts of um what seems to be

164

00:06:17,990 --> 00:06:15,919

interference

165

00:06:19,029 --> 00:06:18,000

but there's all bursts in such a way

166

00:06:24,150 --> 00:06:19,039

that

167

00:06:25,110 --> 00:06:24,160

but when you kind of looked at it there

168

00:06:26,950 --> 00:06:25,120

is

169

00:06:29,110 --> 00:06:26,960

an element of what could be intelligence

170

00:06:30,309 --> 00:06:29,120

about it in terms of how the bursts are

171

00:06:32,550 --> 00:06:30,319

the period

172

00:06:34,469 --> 00:06:32,560

um the distance between the bursts so

173

00:06:36,390 --> 00:06:34,479

i'm trying to sort of uh analyze it

174

00:06:39,510 --> 00:06:36,400

myself so i haven't got anything

175

00:06:41,350 --> 00:06:39,520

specific but um there does something be

176

00:06:43,430 --> 00:06:41,360

something to it uh and the thing is when

177

00:06:45,909 --> 00:06:43,440

the when those bursts end the radio

178

00:06:48,230 --> 00:06:45,919

enters silent for ages so i don't know

179

00:06:50,150 --> 00:06:48,240

if that means anything but it's

180

00:06:51,749 --> 00:06:50,160

it doesn't seem completely random

181

00:06:53,430 --> 00:06:51,759

if that makes sense

182

00:06:55,510 --> 00:06:53,440

yeah sure like i say i've not listened

183

00:06:57,670 --> 00:06:55,520

to that particular show from grant yet

184

00:06:59,909 --> 00:06:57,680

i've seen it posted on on facebook and

185

00:07:02,150 --> 00:06:59,919

it's one i will be catching up on myself

186

00:07:03,670 --> 00:07:02,160

um you had mentioned in your email

187

00:07:05,430 --> 00:07:03,680

you've actually started your own podcast

188

00:07:07,510 --> 00:07:05,440

now as well

189

00:07:09,189 --> 00:07:07,520

yeah i'm diving into that i'm just

190

00:07:11,029 --> 00:07:09,199

fascinated by the subject and wanting to

191

00:07:13,270 --> 00:07:11,039

add to the uh

192

00:07:16,309 --> 00:07:13,280

to the list of options that people have

193

00:07:19,270 --> 00:07:16,319

to to get more information um it's

194

00:07:21,909 --> 00:07:19,280

called up the vibe uh it's on it's on

195

00:07:24,469 --> 00:07:21,919

apple podcasts and um spotify at the

196

00:07:26,790 --> 00:07:24,479

moment um it's early days but uh yeah

197

00:07:29,270 --> 00:07:26,800

it's i've actually managed to

198

00:07:31,029 --> 00:07:29,280

potentially get jimmy blanchett it has

199

00:07:33,270 --> 00:07:31,039

agreed potentially to be on the podcast

200

00:07:35,270 --> 00:07:33,280

in in the next couple of months so

201

00:07:37,110 --> 00:07:35,280

um so i'll let you know if if i do

202

00:07:39,029 --> 00:07:37,120

manage to get him on and um and

203

00:07:40,230 --> 00:07:39,039

obviously if you can get it on on your

204

00:07:42,390 --> 00:07:40,240

show it'd be it would be amazing

205

00:07:44,629 --> 00:07:42,400

including grant cameron and on the likes

206

00:07:46,710 --> 00:07:44,639

of the others that have been involved

207

00:07:48,790 --> 00:07:46,720

yeah i had grant on the middle of last

208

00:07:51,510 --> 00:07:48,800

year i think it was so maybe someone to

209

00:07:53,189 --> 00:07:51,520

reach out to again especially with the

210

00:07:55,270 --> 00:07:53,199

happenings of the last few months and

211

00:07:57,589 --> 00:07:55,280

the the amendments going through as part

212

00:08:00,629 --> 00:07:57,599

of the ndaa and get grants thoughts on

213

00:08:02,070 --> 00:08:00,639

those so grant's an intense guy when he

214

00:08:04,390 --> 00:08:02,080

talks so it's one you have to be

215

00:08:06,629 --> 00:08:04,400

prepared for before you speak to him i

216

00:08:07,990 --> 00:08:06,639

don't know he's great but he's his focus

217

00:08:11,270 --> 00:08:08,000

is definitely going down the more the

218

00:08:13,670 --> 00:08:11,280

more consciousness side of things and um

219

00:08:15,350 --> 00:08:13,680

sort of going beyond uh the kind of you

220

00:08:16,869 --> 00:08:15,360

know lights in the sky and just and

221

00:08:18,070 --> 00:08:16,879

thinking about it in in terms of you

222

00:08:21,670 --> 00:08:18,080

know how to

223

00:08:23,430 --> 00:08:21,680

um at like ce5 um sort of uh go beyond

224

00:08:25,589 --> 00:08:23,440

um our own

225

00:08:27,990 --> 00:08:25,599

uh current state of consciousness and

226

00:08:29,430 --> 00:08:28,000

and elevate that to a point where we can

227

00:08:31,270 --> 00:08:29,440

then communicate with them because i

228

00:08:33,269 --> 00:08:31,280

think there is a there are levels of

229

00:08:36,070 --> 00:08:33,279

consciousness uh that's

230

00:08:37,909 --> 00:08:36,080

um is is part of the equation and

231

00:08:39,509 --> 00:08:37,919

it's it does seem that we need to raise

232

00:08:41,909 --> 00:08:39,519

our consciousness and they maybe bring

233

00:08:43,430 --> 00:08:41,919

theirs down for us to be able to

234

00:08:44,310 --> 00:08:43,440

to communicate with them i think there

235

00:08:46,470 --> 00:08:44,320

is a

236

00:08:47,430 --> 00:08:46,480

something to to be said for that that

237

00:08:49,190 --> 00:08:47,440

theory

238

00:08:52,389 --> 00:08:49,200

i want to ask everyone joe on the call

239

00:08:55,030 --> 00:08:52,399

and this week uh what are your hopes for

240

00:08:57,509 --> 00:08:55,040

the gear ahead in 2022 what are you

241

00:08:59,750 --> 00:08:57,519

hoping we achieve as a community or what

242

00:09:01,910 --> 00:08:59,760

do you hope to see as an individual

243

00:09:03,509 --> 00:09:01,920

and from from the ufo community and ufo

244

00:09:04,550 --> 00:09:03,519

world

245

00:09:06,470 --> 00:09:04,560

um

246

00:09:08,310 --> 00:09:06,480

for me it's it's going to be an amazing

247

00:09:11,190 --> 00:09:08,320

year i really feel it um it's already

248

00:09:12,150 --> 00:09:11,200

started um in a huge way with lots lots

249

00:09:13,750 --> 00:09:12,160

going on

250

00:09:15,190 --> 00:09:13,760

and it's it's just going to get bigger

251  
00:09:16,070 --> 00:09:15,200  
and bigger i think

252  
00:09:18,470 --> 00:09:16,080  
um

253  
00:09:21,590 --> 00:09:18,480  
there's just multi multiple strands of

254  
00:09:23,190 --> 00:09:21,600  
um of change and it's not just the uh

255  
00:09:25,750 --> 00:09:23,200  
the ndaa the gilly brand amendment

256  
00:09:27,430 --> 00:09:25,760  
that's going on and how people in in

257  
00:09:30,150 --> 00:09:27,440  
congress are now starting to discuss the

258  
00:09:32,389 --> 00:09:30,160  
subject and that the ending of of the

259  
00:09:35,190 --> 00:09:32,399  
stigma around being able to discuss the

260  
00:09:37,190 --> 00:09:35,200  
topic um it's also all the research

261  
00:09:40,230 --> 00:09:37,200  
that's going on with avila webb and the

262  
00:09:42,949 --> 00:09:40,240  
galileo project and uapx and that's

263  
00:09:46,070 --> 00:09:42,959

that's amazing um but there's also just

264

00:09:48,230 --> 00:09:46,080

um the c5 and and that group just

265

00:09:49,350 --> 00:09:48,240

expanding as well so there's almost

266

00:09:50,550 --> 00:09:49,360

various

267

00:09:52,870 --> 00:09:50,560

um

268

00:09:54,630 --> 00:09:52,880

ways that this the phenomenon is is

269

00:09:56,870 --> 00:09:54,640

growing in terms of just people talking

270

00:09:58,870 --> 00:09:56,880

about it and getting engaged with it and

271

00:10:00,550 --> 00:09:58,880

it's it's just going to go

272

00:10:02,870 --> 00:10:00,560

just get bigger and bigger and i i

273

00:10:05,350 --> 00:10:02,880

really do see

274

00:10:07,910 --> 00:10:05,360

the next next few years being key but i

275

00:10:10,069 --> 00:10:07,920

really see a bright future really

276

00:10:11,269 --> 00:10:10,079

awesome joe that's enough time for uh

277

00:10:13,030 --> 00:10:11,279

that's all the time we've got for this

278

00:10:14,790 --> 00:10:13,040

first call but good way to kick off the

279

00:10:16,230 --> 00:10:14,800

show good way to kick off the new year

280

00:10:17,670 --> 00:10:16,240

and i look forward to hearing a bit more

281

00:10:18,710 --> 00:10:17,680

from you in the future especially when

282

00:10:20,389 --> 00:10:18,720

you've got some

283

00:10:22,470 --> 00:10:20,399

some more to report from your from your

284

00:10:25,670 --> 00:10:22,480

radio experiments as well

285

00:10:28,069 --> 00:10:25,680

oh thank you very much andy

286

00:10:30,630 --> 00:10:28,079

next up we go from london to chicago

287

00:10:33,350 --> 00:10:30,640

illinois and we have matt on the pod mat

288

00:10:35,269 --> 00:10:33,360

welcome to the podcast hello what's up

289

00:10:37,750 --> 00:10:35,279

it's good to be here it's good to have

290

00:10:39,590 --> 00:10:37,760

you on uh matt the the floor is yours

291

00:10:42,870 --> 00:10:39,600

what'd you want to talk about

292

00:10:45,269 --> 00:10:42,880

okay um well i'm uh

293

00:10:48,069 --> 00:10:45,279

an independent researcher for um

294

00:10:50,230 --> 00:10:48,079

basically pyramids in ancient cultures

295

00:10:51,509 --> 00:10:50,240

and all that stuff was just completely

296

00:10:53,509 --> 00:10:51,519

obsessed and

297

00:10:55,269 --> 00:10:53,519

i hope it's okay to kind of like build

298

00:10:56,870 --> 00:10:55,279

up to my question

299

00:10:59,110 --> 00:10:56,880

um because

300

00:11:00,949 --> 00:10:59,120

um obviously

301  
00:11:02,949 --> 00:11:00,959  
something's going on like when we get

302  
00:11:04,710 --> 00:11:02,959  
cut the crap something is going on with

303  
00:11:07,750 --> 00:11:04,720  
with our reality that

304  
00:11:09,829 --> 00:11:07,760  
with the ufo stuff and with i know with

305  
00:11:10,949 --> 00:11:09,839  
what the ancient egyptians supposedly

306  
00:11:13,110 --> 00:11:10,959  
had built

307  
00:11:14,790 --> 00:11:13,120  
like something isn't really quite adding

308  
00:11:17,030 --> 00:11:14,800  
up because

309  
00:11:18,630 --> 00:11:17,040  
you know you have these gigantic large

310  
00:11:19,750 --> 00:11:18,640  
megalithic architectures that are all

311  
00:11:21,430 --> 00:11:19,760  
around the world like why are there

312  
00:11:24,069 --> 00:11:21,440  
pyramids all around the world

313  
00:11:25,670 --> 00:11:24,079

there's a reason for it and i just

314

00:11:28,470 --> 00:11:25,680

wanted to try to tie

315

00:11:31,190 --> 00:11:28,480

some of these ideas together and kind of

316

00:11:32,710 --> 00:11:31,200

just see what you think

317

00:11:35,910 --> 00:11:32,720

we got the uh

318

00:11:37,590 --> 00:11:35,920

obvious multiple human species we are

319

00:11:40,150 --> 00:11:37,600

a hybrid species right we know that

320

00:11:41,269 --> 00:11:40,160

there are neanderthals and denisovans

321

00:11:43,750 --> 00:11:41,279

so

322

00:11:46,550 --> 00:11:43,760

bottom line is we are a hybrid species

323

00:11:47,829 --> 00:11:46,560

um and you know you kind of would start

324

00:11:49,430 --> 00:11:47,839

to ask like where does that even come

325

00:11:50,389 --> 00:11:49,440

from where do we come from where to

326

00:11:52,550 --> 00:11:50,399

start

327

00:11:54,230 --> 00:11:52,560

um and then you can just fast forward

328

00:11:57,269 --> 00:11:54,240

time hundreds of thousands of years like

329

00:11:59,030 --> 00:11:57,279

the birth of religion the birth of

330

00:12:00,949 --> 00:11:59,040

you know the religious experience and

331

00:12:03,750 --> 00:12:00,959

psychedelics and what all that like

332

00:12:05,990 --> 00:12:03,760

anybody can trip on psychedelics and

333

00:12:08,310 --> 00:12:06,000

it's just i'm having a hard time

334

00:12:10,870 --> 00:12:08,320

like what is going on because the people

335

00:12:12,389 --> 00:12:10,880

who are running the show are children

336

00:12:15,430 --> 00:12:12,399

they don't know what they're doing and

337

00:12:18,870 --> 00:12:15,440

and it's like we're at this point where

338

00:12:20,629 --> 00:12:18,880

obviously the globe is is coming to a a

339

00:12:22,470 --> 00:12:20,639

higher self-awareness and it seems like

340

00:12:24,389 --> 00:12:22,480

there's something trying to stop us

341

00:12:27,670 --> 00:12:24,399

you know um i i really feel like we're

342

00:12:29,350 --> 00:12:27,680

on the cusp of uh evolving and i just

343

00:12:31,430 --> 00:12:29,360

kind of wanted to see what you what your

344

00:12:32,790 --> 00:12:31,440

thoughts were uh so yeah

345

00:12:35,030 --> 00:12:32,800

you mentioned that it's funny i was

346

00:12:36,550 --> 00:12:35,040

watching an old tom delonge interview

347

00:12:39,269 --> 00:12:36,560

today for for something i'm going to be

348

00:12:42,230 --> 00:12:39,279

bringing out soon and um it was from

349

00:12:44,230 --> 00:12:42,240

2016 at one of his first big interviews

350

00:12:45,509 --> 00:12:44,240

on jimmy church fade to black

351

00:12:47,670 --> 00:12:45,519

and

352

00:12:49,670 --> 00:12:47,680

it was i'm trying to listen to what tom

353

00:12:51,829 --> 00:12:49,680

was saying five and a half six years ago

354

00:12:53,750 --> 00:12:51,839

as to to what happened and where his

355

00:12:54,790 --> 00:12:53,760

journey went before tsa and all that

356

00:12:56,389 --> 00:12:54,800

kind of stuff

357

00:12:57,990 --> 00:12:56,399

and again it was a lot of the same

358

00:13:00,310 --> 00:12:58,000

things that we have

359

00:13:03,430 --> 00:13:00,320

these entities our forces our beings

360

00:13:05,269 --> 00:13:03,440

that aren't there for our own good that

361

00:13:07,430 --> 00:13:05,279

it was quite a negative message you know

362

00:13:09,990 --> 00:13:07,440

that there's there's beings feeding off

363

00:13:11,910 --> 00:13:10,000

of negativity and and we heard a lot of

364

00:13:13,110 --> 00:13:11,920

that as well from other people before

365

00:13:14,470 --> 00:13:13,120

tom but

366

00:13:16,949 --> 00:13:14,480

tom's obviously came out a bit more

367

00:13:18,389 --> 00:13:16,959

recently than a lot of those folks

368

00:13:20,150 --> 00:13:18,399

and

369

00:13:21,829 --> 00:13:20,160

it goes back to again these statements

370

00:13:22,870 --> 00:13:21,839

that our history is not what we've been

371

00:13:24,470 --> 00:13:22,880

told

372

00:13:25,990 --> 00:13:24,480

obviously when you talk about egypt and

373

00:13:27,509 --> 00:13:26,000

the pyramids

374

00:13:29,750 --> 00:13:27,519

it doesn't necessarily go back as far as

375

00:13:31,829 --> 00:13:29,760

like fifteen seventy thousand years but

376

00:13:33,750 --> 00:13:31,839

louis elizondo on the cut giant mungo

377

00:13:36,389 --> 00:13:33,760

theories of everything mentioned that at

378

00:13:38,790 --> 00:13:36,399

some point around 70 000 years ago

379

00:13:40,310 --> 00:13:38,800

our our dna got like a help along the

380

00:13:41,910 --> 00:13:40,320

way a little bit of a boost and all of a

381

00:13:44,389 --> 00:13:41,920

sudden we became the kind of apex

382

00:13:46,310 --> 00:13:44,399

predators the top species on the planet

383

00:13:48,389 --> 00:13:46,320

and and you're right and when you fast

384

00:13:50,550 --> 00:13:48,399

forward to times like you know we all

385

00:13:53,110 --> 00:13:50,560

know egyptians built the pyramids

386

00:13:55,030 --> 00:13:53,120

apparently um how they built them is

387

00:13:56,550 --> 00:13:55,040

obviously still way up for debate these

388

00:13:58,150 --> 00:13:56,560

days i know you see these videos don't

389

00:13:59,590 --> 00:13:58,160

you where well they could have just done

390

00:14:01,269 --> 00:13:59,600

this and they could have just done this

391

00:14:05,030 --> 00:14:01,279

but then you find out that the blocks

392

00:14:06,870 --> 00:14:05,040

used were brought from so far away

393

00:14:08,949 --> 00:14:06,880

and it's just like surely and with the

394

00:14:12,069 --> 00:14:08,959

complex nature of how they were built

395

00:14:13,750 --> 00:14:12,079

the mathematics and the the geology to

396

00:14:14,870 --> 00:14:13,760

line them up where they did with the

397

00:14:16,710 --> 00:14:14,880

stars

398

00:14:18,470 --> 00:14:16,720

is incredible and would be so hard for

399

00:14:20,790 --> 00:14:18,480

us to do with our own technology and how

400

00:14:22,550 --> 00:14:20,800

they built them inside and

401  
00:14:24,629 --> 00:14:22,560  
and then like you say for similar

402  
00:14:26,629 --> 00:14:24,639  
structures almost identical to be found

403  
00:14:28,790 --> 00:14:26,639  
around the world as well

404  
00:14:30,710 --> 00:14:28,800  
it's not like language developing

405  
00:14:32,710 --> 00:14:30,720  
where different dialects and tones

406  
00:14:34,710 --> 00:14:32,720  
develop but you're a similar species

407  
00:14:36,629 --> 00:14:34,720  
they've built the exact same buildings

408  
00:14:38,389 --> 00:14:36,639  
and like you see as it doesn't go as far

409  
00:14:40,470 --> 00:14:38,399  
as indiana jones where it's just

410  
00:14:43,189 --> 00:14:40,480  
pyramids are spaceships and

411  
00:14:45,430 --> 00:14:43,199  
maybe not but as it there to channel

412  
00:14:46,470 --> 00:14:45,440  
some sort of frequency or for contact

413  
00:14:48,949 --> 00:14:46,480

and

414

00:14:50,470 --> 00:14:48,959

yeah it's i absolutely am all for if

415

00:14:52,069 --> 00:14:50,480

people listen to the podcast regular

416

00:14:53,030 --> 00:14:52,079

like i've mentioned a couple of times

417

00:14:55,189 --> 00:14:53,040

that

418

00:14:56,870 --> 00:14:55,199

egyptians got help building the pyramids

419

00:14:59,509 --> 00:14:56,880

and i imagine these things are dotted

420

00:15:02,230 --> 00:14:59,519

around the planet for a reason what that

421

00:15:04,230 --> 00:15:02,240

reason is i'm not entirely sure why

422

00:15:05,990 --> 00:15:04,240

would you go through the effort because

423

00:15:08,389 --> 00:15:06,000

it's not the most

424

00:15:10,790 --> 00:15:08,399

it's it's they're doing it as

425

00:15:13,509 --> 00:15:10,800

as difficult as possible you mentioned

426

00:15:14,949 --> 00:15:13,519

that they're going 500 miles away to get

427

00:15:16,870 --> 00:15:14,959

granite so that means they're going

428

00:15:19,670 --> 00:15:16,880

around looking for a specific type of

429

00:15:21,189 --> 00:15:19,680

stone it pyramids are weird man and i do

430

00:15:23,670 --> 00:15:21,199

believe that not all of it is good

431

00:15:26,230 --> 00:15:23,680

because sometimes i do get kind of a

432

00:15:27,590 --> 00:15:26,240

a weird not good feeling and if i can

433

00:15:30,230 --> 00:15:27,600

drop a little bit of information i just

434

00:15:31,829 --> 00:15:30,240

figured out yesterday if you pull up the

435

00:15:34,710 --> 00:15:31,839

google map

436

00:15:37,910 --> 00:15:34,720

because i'm sure you've seen um a lot of

437

00:15:40,310 --> 00:15:37,920

the masonic um imagery where you get

438

00:15:42,710 --> 00:15:40,320

like a trunk inverted triangle yeah so

439

00:15:44,470 --> 00:15:42,720

i'm looking at egypt

440

00:15:45,910 --> 00:15:44,480

where the pyramids the great pyramids in

441

00:15:47,910 --> 00:15:45,920

giza in

442

00:15:49,829 --> 00:15:47,920

funny enough the opposite end of the

443

00:15:53,509 --> 00:15:49,839

planet almost exactly is where the

444

00:15:56,389 --> 00:15:53,519

pyramids of uh tio tabron in uh mexico

445

00:15:57,990 --> 00:15:56,399

it's and and we know that like 80 000

446

00:16:00,230 --> 00:15:58,000

people were murdered

447

00:16:03,110 --> 00:16:00,240

in that sort of place and it's like it

448

00:16:04,790 --> 00:16:03,120

almost completes this picture for me

449

00:16:06,870 --> 00:16:04,800

whatever the pyramid and inverted

450

00:16:08,949 --> 00:16:06,880

pyramid means it's it's like on this

451  
00:16:10,470 --> 00:16:08,959  
planet and it's just like what's going

452  
00:16:12,550 --> 00:16:10,480  
on now

453  
00:16:13,829 --> 00:16:12,560  
again does the idea is it like like a

454  
00:16:15,350 --> 00:16:13,839  
pole where you've got a north and a

455  
00:16:16,710 --> 00:16:15,360  
south pole but you've got a pyramid at

456  
00:16:18,710 --> 00:16:16,720  
one end a pyramid at the other and

457  
00:16:20,230 --> 00:16:18,720  
they're drawing in some sort of energy

458  
00:16:22,389 --> 00:16:20,240  
are they sending out messages are they

459  
00:16:24,230 --> 00:16:22,399  
there for receiving messages

460  
00:16:25,829 --> 00:16:24,240  
is it something that's lying dormant is

461  
00:16:28,470 --> 00:16:25,839  
it something that's now totally defunct

462  
00:16:31,030 --> 00:16:28,480  
is just is it just a relic that that was

463  
00:16:33,829 --> 00:16:31,040

used thousands of years ago but at this

464

00:16:36,870 --> 00:16:33,839

point it is just that and it's not

465

00:16:40,069 --> 00:16:36,880

really there to be awoken anymore but i

466

00:16:42,790 --> 00:16:40,079

i can tell you a story i i worked with a

467

00:16:44,550 --> 00:16:42,800

guy who was a radio dj um around various

468

00:16:46,310 --> 00:16:44,560

different places in the middle east and

469

00:16:48,389 --> 00:16:46,320

and stuff like that not like a celebrity

470

00:16:50,550 --> 00:16:48,399

or anything like but he was a he was

471

00:16:52,710 --> 00:16:50,560

doing some work with eyework

472

00:16:54,550 --> 00:16:52,720

and he told me him and his wife where

473

00:16:56,949 --> 00:16:54,560

when they were based in egypt there was

474

00:16:58,790 --> 00:16:56,959

a huge blackout one night and all these

475

00:17:00,230 --> 00:16:58,800

lights started dancing around the top of

476

00:17:01,509 --> 00:17:00,240

the pyramids

477

00:17:02,870 --> 00:17:01,519

they said literally the lights were out

478

00:17:04,470 --> 00:17:02,880

for a few minutes and everyone was

479

00:17:07,029 --> 00:17:04,480

standing watching these things

480

00:17:09,029 --> 00:17:07,039

uh no reporting of on the news no talk

481

00:17:11,350 --> 00:17:09,039

about it it was very much everyone saw

482

00:17:13,110 --> 00:17:11,360

these things you know because i think

483

00:17:15,029 --> 00:17:13,120

the view of the pyramids you tend to see

484

00:17:16,710 --> 00:17:15,039

and i was quite old when i realized this

485

00:17:17,990 --> 00:17:16,720

but you think they're out in the middle

486

00:17:19,350 --> 00:17:18,000

of the desert but they're not if you

487

00:17:21,270 --> 00:17:19,360

look at the other view if you look like

488

00:17:22,949 --> 00:17:21,280

a google map they're right next to the

489

00:17:25,429 --> 00:17:22,959

cities that i mean there's literally a

490

00:17:27,669 --> 00:17:25,439

motorway not too far from the from the

491

00:17:29,029 --> 00:17:27,679

pyramids and he said there was thousands

492

00:17:30,710 --> 00:17:29,039

and thousands of people who saw these

493

00:17:32,789 --> 00:17:30,720

lights flying about the pyramids and

494

00:17:35,430 --> 00:17:32,799

then lights came back on and they went

495

00:17:37,750 --> 00:17:35,440

um so again stuff like that to me is is

496

00:17:39,190 --> 00:17:37,760

fascinating but i'll need to get someone

497

00:17:41,830 --> 00:17:39,200

on i think in the future who's a bit of

498

00:17:43,110 --> 00:17:41,840

a a specialist in the subject but

499

00:17:45,190 --> 00:17:43,120

well i think you just need to ask the

500

00:17:47,510 --> 00:17:45,200

right questions i mean it's it's

501  
00:17:49,350 --> 00:17:47,520  
man it just begs the question like

502  
00:17:52,310 --> 00:17:49,360  
there's stuff here right

503  
00:17:53,669 --> 00:17:52,320  
like isn't it more likely that there is

504  
00:17:55,590 --> 00:17:53,679  
something here that we don't understand

505  
00:17:57,750 --> 00:17:55,600  
that's watching us then which is

506  
00:17:59,510 --> 00:17:57,760  
possible too but then traveling hundreds

507  
00:18:00,390 --> 00:17:59,520  
of light years away to come here from

508  
00:18:03,029 --> 00:18:00,400  
outside

509  
00:18:05,110 --> 00:18:03,039  
like just likely is it more likely and

510  
00:18:07,110 --> 00:18:05,120  
when i see the tic tac or try to imagine

511  
00:18:09,029 --> 00:18:07,120  
it zipping around and interacting with

512  
00:18:11,990 --> 00:18:09,039  
something in the ocean like

513  
00:18:14,630 --> 00:18:12,000

dude what's going on what is happening

514

00:18:17,750 --> 00:18:14,640

this is it makes life more exciting to

515

00:18:19,909 --> 00:18:17,760

be honest and kind of scary i i was on

516

00:18:21,270 --> 00:18:19,919

there sean rash witness citizen last

517

00:18:22,630 --> 00:18:21,280

night and sean had asked me what i

518

00:18:24,549 --> 00:18:22,640

thought about you know phenomenon and

519

00:18:26,630 --> 00:18:24,559

what had changed in my opinion over the

520

00:18:29,190 --> 00:18:26,640

course of doing the podcast and i said

521

00:18:31,110 --> 00:18:29,200

just that that you come into the subject

522

00:18:32,710 --> 00:18:31,120

with an interest normally and it's

523

00:18:34,710 --> 00:18:32,720

aliens coming from other planets and

524

00:18:37,510 --> 00:18:34,720

what's going on and then as you go along

525

00:18:39,270 --> 00:18:37,520

you evolve and you yourself and you you

526

00:18:40,789 --> 00:18:39,280

you come up with different theories

527

00:18:42,310 --> 00:18:40,799

based on what other people have said and

528

00:18:43,750 --> 00:18:42,320

you take bits and pieces of other

529

00:18:45,029 --> 00:18:43,760

people's opinion and you kind of form

530

00:18:46,549 --> 00:18:45,039

your own

531

00:18:47,830 --> 00:18:46,559

and i really do think and like i told

532

00:18:49,669 --> 00:18:47,840

sean that

533

00:18:51,270 --> 00:18:49,679

you've got to a point where there is

534

00:18:52,950 --> 00:18:51,280

stuff coming from other planets but

535

00:18:54,710 --> 00:18:52,960

maybe they're drones

536

00:18:56,630 --> 00:18:54,720

more than likely are they manned are

537

00:18:59,190 --> 00:18:56,640

they not potentially does it happen as

538

00:19:00,950 --> 00:18:59,200

often as we think who knows but i do

539

00:19:02,870 --> 00:19:00,960

think there's something else here

540

00:19:04,950 --> 00:19:02,880

it's probably been here for for a long

541

00:19:06,710 --> 00:19:04,960

time i think even some of the movies i

542

00:19:08,789 --> 00:19:06,720

saw the last can of 10 15 years like the

543

00:19:10,390 --> 00:19:08,799

war of the worlds movies they show you

544

00:19:12,549 --> 00:19:10,400

that uh these things are already here

545

00:19:14,230 --> 00:19:12,559

they were in the ground and

546

00:19:16,789 --> 00:19:14,240

what's lying about this planet under the

547

00:19:17,990 --> 00:19:16,799

water under the ice of antarctica you

548

00:19:20,549 --> 00:19:18,000

know that's what i've always said i want

549

00:19:21,750 --> 00:19:20,559

to do a show on the podcast but it's

550

00:19:24,470 --> 00:19:21,760

it's an awkward one because there's a

551  
00:19:27,350 --> 00:19:24,480  
lot of woo in in speculation when you go

552  
00:19:29,430 --> 00:19:27,360  
into that that conversation but

553  
00:19:32,230 --> 00:19:29,440  
for me i think there's a lot that points

554  
00:19:34,230 --> 00:19:32,240  
to whether it's religious imagery uh

555  
00:19:36,070 --> 00:19:34,240  
hieroglyphics in the pyramids cave

556  
00:19:37,750 --> 00:19:36,080  
paintings there's been stuff flying

557  
00:19:39,750 --> 00:19:37,760  
about in the skies for for thousands of

558  
00:19:41,029 --> 00:19:39,760  
years before anyone could say yeah it's

559  
00:19:43,110 --> 00:19:41,039  
just a drone

560  
00:19:44,549 --> 00:19:43,120  
which is the frustrating argument these

561  
00:19:48,070 --> 00:19:44,559  
days i think

562  
00:19:49,909 --> 00:19:48,080  
well even if it is it's like why

563  
00:19:51,270 --> 00:19:49,919

why the secrecy if there is something

564

00:19:53,270 --> 00:19:51,280

here why

565

00:19:54,789 --> 00:19:53,280

is there no communication between two or

566

00:19:56,230 --> 00:19:54,799

maybe maybe it is really

567

00:19:58,390 --> 00:19:56,240

inter-dimensional

568

00:19:59,430 --> 00:19:58,400

and there's like an earth to and for

569

00:20:01,590 --> 00:19:59,440

whatever reason there's these weird

570

00:20:02,549 --> 00:20:01,600

portholes where they can sort of i don't

571

00:20:05,510 --> 00:20:02,559

know dude

572

00:20:07,590 --> 00:20:05,520

the reality is bird because three

573

00:20:10,070 --> 00:20:07,600

uh dimensions is

574

00:20:11,350 --> 00:20:10,080

almost impossible to honestly comprehend

575

00:20:13,750 --> 00:20:11,360

um and and

576

00:20:15,110 --> 00:20:13,760

i supposedly there's up to nine so i

577

00:20:17,190 --> 00:20:15,120

mean that means there could be creatures

578

00:20:18,390 --> 00:20:17,200

from each dimension

579

00:20:19,669 --> 00:20:18,400

like

580

00:20:20,710 --> 00:20:19,679

you know and they're just saying what's

581

00:20:23,350 --> 00:20:20,720

up

582

00:20:24,870 --> 00:20:23,360

we're running out of time do you want to

583

00:20:26,710 --> 00:20:24,880

mention your own youtube channel because

584

00:20:29,750 --> 00:20:26,720

i know i've been on that myself

585

00:20:31,350 --> 00:20:29,760

i would like to do that if anyone has uh

586

00:20:32,870 --> 00:20:31,360

found anything that i that i said

587

00:20:36,310 --> 00:20:32,880

interesting i do have a youtube channel

588

00:20:37,990 --> 00:20:36,320

trying to grow it's called 777 creations

589

00:20:39,669 --> 00:20:38,000

it's the channel name and uh my name is

590

00:20:42,070 --> 00:20:39,679

matt and um

591

00:20:43,830 --> 00:20:42,080

yeah i appreciate you uh giving me an

592

00:20:45,110 --> 00:20:43,840

opportunity to do this that's all right

593

00:20:46,630 --> 00:20:45,120

it's been good talking and we'll

594

00:20:48,390 --> 00:20:46,640

definitely call in on the next one and

595

00:20:50,230 --> 00:20:48,400

we can expand in the conversation but

596

00:20:52,789 --> 00:20:50,240

the link for that channel will be in the

597

00:20:54,070 --> 00:20:52,799

description for the podcast as well

598

00:20:55,990 --> 00:20:54,080

couple of calls dan welcome to the

632

00:22:17,350 --> 00:22:15,440

podcast finally

633

00:22:19,510 --> 00:22:17,360

it's uh it's good to jump in halfway

634

00:22:20,950 --> 00:22:19,520

halfway through roughly it's halfway

635

00:22:22,310 --> 00:22:20,960

through yeah through the magic of

636

00:22:23,830 --> 00:22:22,320

editing it makes it sound like you've

637

00:22:26,230 --> 00:22:23,840

just jumped on halfway through a couple

638

00:22:29,350 --> 00:22:26,240

hours of recording um so next up we've

639

00:22:31,510 --> 00:22:29,360

got sloan out in idaho sloan how are we

640

00:22:33,270 --> 00:22:31,520

i'm doing fantastic how about yourself

641

00:22:35,909 --> 00:22:33,280

yeah awesome really good to speak to you

642

00:22:37,669 --> 00:22:35,919

second time on the podcast as well

643

00:22:39,029 --> 00:22:37,679

sloan at the floor is yours what do i

644

00:22:40,549 --> 00:22:39,039

talk about

645

00:22:42,789 --> 00:22:40,559

uh so i've been listening to a lot of

646

00:22:45,029 --> 00:22:42,799

jiron ramirez and his interviews he's

647

00:22:47,669 --> 00:22:45,039

been doing recently and uh

648

00:22:50,390 --> 00:22:47,679

you know he talked that he went to a

649

00:22:52,149 --> 00:22:50,400

conference that didn't appear to be like

650

00:22:53,669 --> 00:22:52,159

uh top secret or anything because it was

651  
00:22:54,390 --> 00:22:53,679  
just held at like a hotel conference

652  
00:22:56,070 --> 00:22:54,400  
room

653  
00:22:57,830 --> 00:22:56,080  
and that he was given this information

654  
00:22:59,190 --> 00:22:57,840  
had to cell phone on him and he

655  
00:23:01,990 --> 00:22:59,200  
specifically talked about how he was

656  
00:23:03,909 --> 00:23:02,000  
told that humans are are hybrids between

657  
00:23:05,750 --> 00:23:03,919  
aliens and it happened like something 70

658  
00:23:07,830 --> 00:23:05,760  
000 years ago i just want to hear your

659  
00:23:08,789 --> 00:23:07,840  
guys's thoughts on that if you had heard

660  
00:23:10,230 --> 00:23:08,799  
that i mean

661  
00:23:12,630 --> 00:23:10,240  
what are your thoughts

662  
00:23:15,190 --> 00:23:12,640  
so this is a timely conversation because

663  
00:23:17,830 --> 00:23:15,200

i've i've had this chat uh publicly on

664

00:23:19,510 --> 00:23:17,840

twitter just on and on discord and

665

00:23:21,830 --> 00:23:19,520

privately it's came up in the the group

666

00:23:23,590 --> 00:23:21,840

chat with dan and some of us from uap

667

00:23:24,950 --> 00:23:23,600

media just on john ramirez because he's

668

00:23:27,110 --> 00:23:24,960

still out there and still doing

669

00:23:28,149 --> 00:23:27,120

interviews and still still talking which

670

00:23:29,029 --> 00:23:28,159

is great

671

00:23:31,029 --> 00:23:29,039

and

672

00:23:32,310 --> 00:23:31,039

i can't claim to have heard every one of

673

00:23:34,470 --> 00:23:32,320

his interviews because he's been really

674

00:23:36,630 --> 00:23:34,480

generous to put himself out there so

675

00:23:38,230 --> 00:23:36,640

short of a couple he's done as well as

676  
00:23:40,630 --> 00:23:38,240  
my own

677  
00:23:42,230 --> 00:23:40,640  
it's an interesting one because he has

678  
00:23:45,190 --> 00:23:42,240  
come on the scene

679  
00:23:47,430 --> 00:23:45,200  
and very quickly said a lot

680  
00:23:48,950 --> 00:23:47,440  
i think instantly people compare him to

681  
00:23:50,950 --> 00:23:48,960  
loyola zondo

682  
00:23:52,549 --> 00:23:50,960  
um take a shot if you have we're playing

683  
00:23:54,470 --> 00:23:52,559  
the loyola zondo game how many times i

684  
00:23:56,470 --> 00:23:54,480  
mention his name but you have to compare

685  
00:23:59,909 --> 00:23:56,480  
him to lou and

686  
00:24:01,029 --> 00:23:59,919  
lou built up what he said over a period

687  
00:24:03,990 --> 00:24:01,039  
of time

688  
00:24:05,990 --> 00:24:04,000

and it was very reserved at first and i

689

00:24:08,230 --> 00:24:06,000

think as time has gone on he said a lot

690

00:24:10,310 --> 00:24:08,240

more and been a lot more open

691

00:24:11,350 --> 00:24:10,320

john kind of came straight out the back

692

00:24:14,070 --> 00:24:11,360

talking

693

00:24:15,350 --> 00:24:14,080

hybrids potential cataclysms time travel

694

00:24:16,870 --> 00:24:15,360

all the stuff that we've been hearing

695

00:24:22,149 --> 00:24:16,880

and

696

00:24:24,070 --> 00:24:22,159

john's a lovely guy i

697

00:24:26,630 --> 00:24:24,080

personally i'll be really honest and see

698

00:24:28,870 --> 00:24:26,640

i get a little confused sometimes

699

00:24:29,990 --> 00:24:28,880

where the line blurs between john's

700

00:24:31,350 --> 00:24:30,000

opinion

701  
00:24:33,830 --> 00:24:31,360  
and has

702  
00:24:36,149 --> 00:24:33,840  
assumed knowledge but then also has his

703  
00:24:38,149 --> 00:24:36,159  
actual knowledge from his position

704  
00:24:40,470 --> 00:24:38,159  
and that that for me can be quite

705  
00:24:42,710 --> 00:24:40,480  
confusing because with some people i can

706  
00:24:44,950 --> 00:24:42,720  
tell this is what they think this is

707  
00:24:47,590 --> 00:24:44,960  
their opinion and then this is what they

708  
00:24:50,230 --> 00:24:47,600  
know and they call the line whereas john

709  
00:24:53,350 --> 00:24:50,240  
just seems to just seems to go in terms

710  
00:24:54,950 --> 00:24:53,360  
of conversation um dan

711  
00:24:56,789 --> 00:24:54,960  
i mean what what are your thoughts with

712  
00:25:00,710 --> 00:24:56,799  
mr ramirez

713  
00:25:02,230 --> 00:25:00,720

not not too different to be honest i i i

714

00:25:03,909 --> 00:25:02,240

have listened to all of his interviews

715

00:25:04,789 --> 00:25:03,919

literally every single one

716

00:25:06,149 --> 00:25:04,799

um

717

00:25:08,390 --> 00:25:06,159

and

718

00:25:10,149 --> 00:25:08,400

he's over the course of

719

00:25:12,310 --> 00:25:10,159

all of those interviews he's gone from

720

00:25:15,510 --> 00:25:12,320

labeling his speculation fully and

721

00:25:17,190 --> 00:25:15,520

properly to incorporate in it within the

722

00:25:19,750 --> 00:25:17,200

sections where he's talking about things

723

00:25:21,350 --> 00:25:19,760

that affect so whereas the beginning he

724

00:25:23,029 --> 00:25:21,360

he had

725

00:25:24,630 --> 00:25:23,039

there was this whole presentation where

726

00:25:26,789 --> 00:25:24,640

he was talking about which agencies

727

00:25:29,029 --> 00:25:26,799

handled what type of data how you would

728

00:25:31,110 --> 00:25:29,039

fire them why you would foyer them um

729

00:25:33,510 --> 00:25:31,120

and that stuff was all really useful and

730

00:25:34,950 --> 00:25:33,520

then it went into the speculation about

731

00:25:36,070 --> 00:25:34,960

the badges and what the mission badges

732

00:25:37,750 --> 00:25:36,080

could mean and then talking about

733

00:25:40,070 --> 00:25:37,760

reptilians and then a couple of

734

00:25:41,590 --> 00:25:40,080

interviews later he was an experimenter

735

00:25:43,590 --> 00:25:41,600

and this story started kind of pouring

736

00:25:45,510 --> 00:25:43,600

out and i'm not

737

00:25:47,510 --> 00:25:45,520

in the position to say whether this is

738

00:25:49,590 --> 00:25:47,520

all true or not um

739

00:25:52,230 --> 00:25:49,600

it's just that i i agree i think he

740

00:25:54,830 --> 00:25:52,240

mixes his speculation in with the facts

741

00:25:57,510 --> 00:25:54,840

and it ends up confusing people

742

00:26:00,470 --> 00:25:57,520

um there was an element of me that

743

00:26:02,630 --> 00:26:00,480

thought he explained a bit that the cia

744

00:26:05,830 --> 00:26:02,640

kind of stirs the pot

745

00:26:07,590 --> 00:26:05,840

and then he began to stir the pot and i

746

00:26:09,029 --> 00:26:07,600

just literally just explained this is

747

00:26:10,390 --> 00:26:09,039

what you do and now you're doing it to

748

00:26:12,870 --> 00:26:10,400

us um

749

00:26:14,950 --> 00:26:12,880

but again i don't know for sure um it's

750

00:26:16,070 --> 00:26:14,960

just one of those plates the unknown

751

00:26:18,870 --> 00:26:16,080

plates that we're gonna have to keep

752

00:26:20,710 --> 00:26:18,880

spinning but for me he's

753

00:26:23,190 --> 00:26:20,720

some people may see him as on par with

754

00:26:26,310 --> 00:26:23,200

lou but i i would disagree

755

00:26:27,430 --> 00:26:26,320

just because of how how aware of the

756

00:26:29,190 --> 00:26:27,440

audience

757

00:26:30,549 --> 00:26:29,200

lou and chris mellon and people like

758

00:26:32,310 --> 00:26:30,559

that are you know when they set out in

759

00:26:34,789 --> 00:26:32,320

five pillars kind of plan

760

00:26:37,350 --> 00:26:34,799

there was an obvious kind of

761

00:26:40,230 --> 00:26:37,360

idea to drop breadcrumbs and slowly you

762

00:26:42,549 --> 00:26:40,240

know lead lead the horse to water um but

763

00:26:44,549 --> 00:26:42,559

as lou like to say you know if you

764

00:26:45,350 --> 00:26:44,559

make i think this was slow

765

00:26:46,630 --> 00:26:45,360

uh

766

00:26:47,669 --> 00:26:46,640

you you can

767

00:26:49,590 --> 00:26:47,679

you know

768

00:26:51,750 --> 00:26:49,600

drown a horse if you give it too much

769

00:26:54,950 --> 00:26:51,760

water so to speak um and i think that's

770

00:26:57,029 --> 00:26:54,960

what john does to a certain extent

771

00:26:58,390 --> 00:26:57,039

yeah i would say i want to ask you

772

00:26:59,669 --> 00:26:58,400

sloane because

773

00:27:02,390 --> 00:26:59,679

something that kind of comes up in the

774

00:27:04,549 --> 00:27:02,400

conversation is like disinformation and

775

00:27:06,149 --> 00:27:04,559

do you think john ramirez is someone who

776

00:27:07,909 --> 00:27:06,159

is trying to get involved in the

777

00:27:10,070 --> 00:27:07,919

conversation and just having a good time

778

00:27:11,190 --> 00:27:10,080

doing that sharing his opinion and and

779

00:27:14,149 --> 00:27:11,200

being

780

00:27:16,310 --> 00:27:14,159

quite a big name very quickly if you

781

00:27:17,590 --> 00:27:16,320

look at any of his interviews if you

782

00:27:19,029 --> 00:27:17,600

look at the main channels that have

783

00:27:20,230 --> 00:27:19,039

talked to him

784

00:27:23,510 --> 00:27:20,240

some of their bigger interviews and

785

00:27:26,549 --> 00:27:23,520

bigger numbers are off of john ramirez

786

00:27:27,990 --> 00:27:26,559

and is it just a case of he is enjoying

787

00:27:29,750 --> 00:27:28,000

his discussions his time in the

788

00:27:32,230 --> 00:27:29,760

community what he's seeing

789

00:27:33,750 --> 00:27:32,240

do you think he's potentially

790

00:27:35,350 --> 00:27:33,760

deliberately putting himself out there

791

00:27:37,590 --> 00:27:35,360

as a bit of misinformation

792

00:27:39,510 --> 00:27:37,600

disinformation or

793

00:27:43,269 --> 00:27:39,520

is it something in between

794

00:27:44,789 --> 00:27:43,279

i i think honestly i'm maybe i'm a

795

00:27:46,470 --> 00:27:44,799

middle-of-the-road person but i think it

796

00:27:49,350 --> 00:27:46,480

might be something in between uh the

797

00:27:51,269 --> 00:27:49,360

reason being is because like he said cia

798

00:27:53,430 --> 00:27:51,279

does do disinformation like they put

799

00:27:54,950 --> 00:27:53,440

stuff out there or they what do you say

800

00:27:57,269 --> 00:27:54,960

controlled disclosure something like

801  
00:27:59,990 --> 00:27:57,279  
that where they'll have a certain time

802  
00:28:02,789 --> 00:28:00,000  
line that they want things to like leak

803  
00:28:05,669 --> 00:28:02,799  
out and the fact that where he got

804  
00:28:07,669 --> 00:28:05,679  
the whole humans as hybrids was uh

805  
00:28:09,190 --> 00:28:07,679  
kind of a not really public forum but it

806  
00:28:11,269 --> 00:28:09,200  
wasn't like top secret right it wasn't

807  
00:28:12,950 --> 00:28:11,279  
in like one of those things where you

808  
00:28:14,310 --> 00:28:12,960  
can't get any signals in or out that

809  
00:28:16,310 --> 00:28:14,320  
sort of thing it was at a hotel

810  
00:28:18,070 --> 00:28:16,320  
conference room he had a cell phone on

811  
00:28:20,149 --> 00:28:18,080  
him he saw the people that were there

812  
00:28:22,310 --> 00:28:20,159  
and he even said it was like i'm not

813  
00:28:24,149 --> 00:28:22,320

sure why they had this and it wasn't

814

00:28:25,510 --> 00:28:24,159

like top secret right there was

815

00:28:27,029 --> 00:28:25,520

university professors so maybe this was

816

00:28:28,310 --> 00:28:27,039

something they wanted to leak right

817

00:28:29,590 --> 00:28:28,320

maybe this is something that they wanted

818

00:28:31,350 --> 00:28:29,600

to put out there

819

00:28:33,430 --> 00:28:31,360

uh reason for it did it follow the

820

00:28:36,149 --> 00:28:33,440

timetable was it something that it's

821

00:28:39,190 --> 00:28:36,159

disinformation i i wouldn't be able to

822

00:28:40,070 --> 00:28:39,200

say i do think it's interesting like

823

00:28:42,149 --> 00:28:40,080

uh

824

00:28:44,710 --> 00:28:42,159

you know lou did say something about our

825

00:28:46,630 --> 00:28:44,720

history you know humans changed 70 000

826  
00:28:48,230 --> 00:28:46,640  
years ago and john even referred back to

827  
00:28:50,389 --> 00:28:48,240  
that um

828  
00:28:51,190 --> 00:28:50,399  
and i was actually in college i read a

829  
00:28:52,470 --> 00:28:51,200  
few

830  
00:28:55,029 --> 00:28:52,480  
studies

831  
00:28:57,430 --> 00:28:55,039  
one was about uh the russian silvertale

832  
00:28:59,269 --> 00:28:57,440  
foxes and how in 20 generations they

833  
00:29:01,990 --> 00:28:59,279  
were able to domesticate them

834  
00:29:03,510 --> 00:29:02,000  
and how uh they became kind of like dogs

835  
00:29:05,750 --> 00:29:03,520  
right they had floppier ears not as

836  
00:29:08,310 --> 00:29:05,760  
pointy as snouts they weren't didn't

837  
00:29:09,990 --> 00:29:08,320  
even have silver tails anymore um all

838  
00:29:12,630 --> 00:29:10,000

that stuff and it's like we did that

839

00:29:15,590 --> 00:29:12,640

with with wolves right that's our modern

840

00:29:17,590 --> 00:29:15,600

dog our best friends and so i don't even

841

00:29:20,549 --> 00:29:17,600

think you have to get as technical like

842

00:29:22,710 --> 00:29:20,559

as aliens intervening and uh you know

843

00:29:23,510 --> 00:29:22,720

genetically putting their dna into us

844

00:29:25,750 --> 00:29:23,520

like

845

00:29:27,269 --> 00:29:25,760

uh looking at humans we kind of share

846

00:29:29,430 --> 00:29:27,279

some of those telltale signs of

847

00:29:31,510 --> 00:29:29,440

domestication right we have bigger eyes

848

00:29:33,110 --> 00:29:31,520

bigger brain capacities less musculature

849

00:29:35,110 --> 00:29:33,120

less hair

850

00:29:36,950 --> 00:29:35,120

all that stuff that kind of went along

851  
00:29:39,510 --> 00:29:36,960  
with that there was a follow-up study to

852  
00:29:41,269 --> 00:29:39,520  
the russian silvertale fox

853  
00:29:43,590 --> 00:29:41,279  
study where they were checking

854  
00:29:44,950 --> 00:29:43,600  
non-verbal communication and they wanted

855  
00:29:46,789 --> 00:29:44,960  
to know if that was a carryover from

856  
00:29:49,190 --> 00:29:46,799  
wolves or if that was something that was

857  
00:29:50,789 --> 00:29:49,200  
specific to domestication and so they

858  
00:29:52,070 --> 00:29:50,799  
tested the domesticated russian silver

859  
00:29:55,430 --> 00:29:52,080  
tail foxes

860  
00:29:57,350 --> 00:29:55,440  
dogs wolves chimpanzees wild as well as

861  
00:29:59,669 --> 00:29:57,360  
uh raised by humans

862  
00:30:01,510 --> 00:29:59,679  
and the three that actually had the best

863  
00:30:03,669 --> 00:30:01,520

nonverbal communication were dogs

864

00:30:05,190 --> 00:30:03,679

domesticated russian silver tail foxes

865

00:30:06,230 --> 00:30:05,200

and chimpanzees that were raised by

866

00:30:07,669 --> 00:30:06,240

humans

867

00:30:09,669 --> 00:30:07,679

wolves didn't have happen at all so it

868

00:30:10,950 --> 00:30:09,679

wasn't something that carried on and so

869

00:30:12,549 --> 00:30:10,960

um

870

00:30:14,149 --> 00:30:12,559

you know if i was like elon musk and i

871

00:30:17,549 --> 00:30:14,159

had billions of dollars that i could

872

00:30:19,190 --> 00:30:17,559

blow i think i would i would invest in a

873

00:30:21,110 --> 00:30:19,200

multi-generational study of

874

00:30:22,549 --> 00:30:21,120

domesticating chimpanzees or some other

875

00:30:23,909 --> 00:30:22,559

great ape and seeing if they end up

876

00:30:25,110 --> 00:30:23,919

becoming more like human because i don't

877

00:30:26,389 --> 00:30:25,120

think

878

00:30:28,230 --> 00:30:26,399

this is just my personal belief i don't

879

00:30:30,789 --> 00:30:28,240

think you have to go as crazy as oh we

880

00:30:31,909 --> 00:30:30,799

have alien dna to get the same results

881

00:30:34,230 --> 00:30:31,919

as uh

882

00:30:37,190 --> 00:30:34,240

of what humans are what separates us

883

00:30:39,350 --> 00:30:37,200

from uh from other animals

884

00:30:42,310 --> 00:30:39,360

it's just domestication we're just like

885

00:30:43,750 --> 00:30:42,320

very domesticated primates is my thought

886

00:30:46,070 --> 00:30:43,760

and that's that's what i got reading

887

00:30:47,430 --> 00:30:46,080

those studies in college

888

00:30:49,350 --> 00:30:47,440

maybe we're already at the end of

889

00:30:51,190 --> 00:30:49,360

someone's study and uh yeah this is the

890

00:30:52,870 --> 00:30:51,200

kind of final chapter let's just say

891

00:30:54,710 --> 00:30:52,880

yeah this is where that's letting it run

892

00:30:56,950 --> 00:30:54,720

wild right yeah just see what happens

893

00:30:58,789 --> 00:30:56,960

yeah daniel you went on that raise a uh

894

00:31:00,310 --> 00:30:58,799

an interesting point though like

895

00:31:01,909 --> 00:31:00,320

the hybrids is another one of these

896

00:31:04,070 --> 00:31:01,919

terms that we all use

897

00:31:05,990 --> 00:31:04,080

but we all probably mean very different

898

00:31:07,590 --> 00:31:06,000

things by it you know some people think

899

00:31:09,509 --> 00:31:07,600

when we say hybrids they think of you

900

00:31:11,669 --> 00:31:09,519

know aliens in lab splicing jeans and

901  
00:31:13,669 --> 00:31:11,679  
then creating clones and

902  
00:31:16,710 --> 00:31:13,679  
you know armies to dig for gold so the

903  
00:31:18,870 --> 00:31:16,720  
story goes um whereas it could be as

904  
00:31:20,630 --> 00:31:18,880  
subtle as panspermia and certain

905  
00:31:23,110 --> 00:31:20,640  
molecules coming into our environment

906  
00:31:26,310 --> 00:31:23,120  
and becoming part of the ecosystems that

907  
00:31:28,230 --> 00:31:26,320  
are our our bodies um and just changing

908  
00:31:30,549 --> 00:31:28,240  
it that way and

909  
00:31:33,269 --> 00:31:30,559  
when when lou talks about that kind of

910  
00:31:35,990 --> 00:31:33,279  
explosive growth 70k years ago

911  
00:31:38,070 --> 00:31:36,000  
and the issue of cataclysms keeps coming

912  
00:31:39,830 --> 00:31:38,080  
up um i know a lot of ancient

913  
00:31:41,669 --> 00:31:39,840

civilization studies

914

00:31:43,669 --> 00:31:41,679

or research kind of goes down the rabbit

915

00:31:44,830 --> 00:31:43,679

hole of maybe there was a cataclysm

916

00:31:48,230 --> 00:31:44,840

before

917

00:31:50,310 --> 00:31:48,240

and people from a smaller but civilized

918

00:31:52,389 --> 00:31:50,320

society kind of spread out on the earth

919

00:31:53,669 --> 00:31:52,399

to domesticate the rest of us so it's

920

00:31:55,110 --> 00:31:53,679

interesting that you're kind of thinking

921

00:31:55,909 --> 00:31:55,120

that way but from a different angle as

922

00:31:58,310 --> 00:31:55,919

well

923

00:32:00,549 --> 00:31:58,320

yeah like i said or maybe you know where

924

00:32:01,750 --> 00:32:00,559

some aliens uh elon musk that had

925

00:32:03,110 --> 00:32:01,760

billions dollars wanted to see what

926

00:32:04,470 --> 00:32:03,120

would happen if they domesticated

927

00:32:06,470 --> 00:32:04,480

primates and see

928

00:32:08,710 --> 00:32:06,480

what they turned into right

929

00:32:11,350 --> 00:32:08,720

yeah absolutely and it makes you wonder

930

00:32:13,430 --> 00:32:11,360

as well you know in in the other kind of

931

00:32:15,590 --> 00:32:13,440

eons of the earth's history

932

00:32:17,990 --> 00:32:15,600

is is this just hour ago is this the

933

00:32:19,990 --> 00:32:18,000

apes go you know before you know when we

934

00:32:21,990 --> 00:32:20,000

talk about things that are as crazy as

935

00:32:24,310 --> 00:32:22,000

for example reptilians

936

00:32:26,230 --> 00:32:24,320

maybe you know in the billions of years

937

00:32:29,190 --> 00:32:26,240

this planet has been around maybe there

938

00:32:31,669 --> 00:32:29,200

were some extra smart bipedal reptilians

939

00:32:33,269 --> 00:32:31,679

walking around um it gets pretty crazy

940

00:32:34,630 --> 00:32:33,279

pretty quickly but this is why i think

941

00:32:36,950 --> 00:32:34,640

it's important to kind of label the

942

00:32:39,029 --> 00:32:36,960

speculation and label the fact you know

943

00:32:40,789 --> 00:32:39,039

yeah this is totally our speculation

944

00:32:42,789 --> 00:32:40,799

right like i think it's interesting

945

00:32:45,029 --> 00:32:42,799

along those same lines like uh graham

946

00:32:47,269 --> 00:32:45,039

hancock usually says uh

947

00:32:48,470 --> 00:32:47,279

humans are a species with amnesia right

948

00:32:50,070 --> 00:32:48,480

because we only think really in our

949

00:32:52,789 --> 00:32:50,080

terms of our lifetime which let's say

950

00:32:53,909 --> 00:32:52,799

best estimate 70 to 80 years right

951  
00:32:56,549 --> 00:32:53,919  
whereas

952  
00:32:59,830 --> 00:32:56,559  
and we have history back what 5000 bc

953  
00:33:02,710 --> 00:32:59,840  
something like that uh whereas humans as

954  
00:33:04,230 --> 00:33:02,720  
as homo sapien have been around what 200

955  
00:33:07,750 --> 00:33:04,240  
i think i just read something today

956  
00:33:11,029 --> 00:33:07,760  
where it was like 230 000 years as homo

957  
00:33:12,070 --> 00:33:11,039  
sapiens they just pushed it back uh so

958  
00:33:14,070 --> 00:33:12,080  
how many

959  
00:33:15,590 --> 00:33:14,080  
like histories of our known history that

960  
00:33:18,310 --> 00:33:15,600  
we know of now

961  
00:33:21,110 --> 00:33:18,320  
have have come and gone in that you know

962  
00:33:24,549 --> 00:33:21,120  
230 000 years when we really

963  
00:33:26,789 --> 00:33:24,559

only have archaeology back five years so

964

00:33:27,750 --> 00:33:26,799

yeah yeah absolutely there was a study i

965

00:33:29,830 --> 00:33:27,760

can't remember

966

00:33:31,669 --> 00:33:29,840

the year before it was a

967

00:33:34,630 --> 00:33:31,679

uh old settlement i think was just

968

00:33:35,669 --> 00:33:34,640

outside israel and it got hit by a

969

00:33:37,909 --> 00:33:35,679

meteor

970

00:33:40,549 --> 00:33:37,919

and the study basically found that it

971

00:33:42,389 --> 00:33:40,559

was so hot that if a modern-day car had

972

00:33:43,430 --> 00:33:42,399

been there it would have melted to

973

00:33:46,630 --> 00:33:43,440

liquid

974

00:33:48,310 --> 00:33:46,640

within like 0.1 of a second and people

975

00:33:50,149 --> 00:33:48,320

always say well where is the technology

976

00:33:51,830 --> 00:33:50,159

it's like well i mean if something like

977

00:33:53,430 --> 00:33:51,840

that happened there's simply not going

978

00:33:54,310 --> 00:33:53,440

to be anything there

979

00:33:56,070 --> 00:33:54,320

right

980

00:33:57,509 --> 00:33:56,080

yeah i agree

981

00:33:59,029 --> 00:33:57,519

just as we run out of time slow and i

982

00:34:00,870 --> 00:33:59,039

want to ask everyone on this call and

983

00:34:03,029 --> 00:34:00,880

it's the the new year new month and all

984

00:34:05,350 --> 00:34:03,039

that first of 2022

985

00:34:09,750 --> 00:34:05,360

what are your realistic expectations and

986

00:34:12,790 --> 00:34:09,760

hopes when it comes to ufos in 2022

987

00:34:14,950 --> 00:34:12,800

uh i'm really hoping the galileo project

988

00:34:17,190 --> 00:34:14,960

uh like actually gives us some good

989

00:34:19,909 --> 00:34:17,200

information as well as the new uh

990

00:34:22,310 --> 00:34:19,919

telescope what is it the

991

00:34:25,109 --> 00:34:22,320

james webb telescope gives us some some

992

00:34:26,869 --> 00:34:25,119

good data um and maybe this is the whole

993

00:34:27,990 --> 00:34:26,879

point of why this is all happening now

994

00:34:29,829 --> 00:34:28,000

is because we have things like the

995

00:34:31,909 --> 00:34:29,839

galileo project things like the james

996

00:34:34,230 --> 00:34:31,919

webb telescope

997

00:34:35,909 --> 00:34:34,240

so my realistic expectations is we'll

998

00:34:37,990 --> 00:34:35,919

probably get i mean we've been kind of

999

00:34:41,030 --> 00:34:38,000

spoiled since 2017 let's be completely

1000

00:34:42,869 --> 00:34:41,040

honest so uh i would say maybe just more

1001  
00:34:45,190 --> 00:34:42,879  
of the same maybe not at an accelerated

1002  
00:34:46,829 --> 00:34:45,200  
rate but just more info more data

1003  
00:34:49,750 --> 00:34:46,839  
they're like oh we found a planet that

1004  
00:34:52,069 --> 00:34:49,760  
has uh life that we can see through the

1005  
00:34:53,990 --> 00:34:52,079  
james wood scope there's there's certain

1006  
00:34:55,669 --> 00:34:54,000  
molecules that only life can create like

1007  
00:34:59,030 --> 00:34:55,679  
methane or whatever

1008  
00:35:00,710 --> 00:34:59,040  
that's that's my expectation uh

1009  
00:35:03,109 --> 00:35:00,720  
you know my my

1010  
00:35:05,750 --> 00:35:03,119  
wildest if i had my wish that we would

1011  
00:35:07,430 --> 00:35:05,760  
just be like yeah ufos have been around

1012  
00:35:10,390 --> 00:35:07,440  
we'll get actual that

1013  
00:35:11,510 --> 00:35:10,400

disclosure with a capital d

1014

00:35:12,870 --> 00:35:11,520

awesome

1015

00:35:14,230 --> 00:35:12,880

really good to talk to you again and

1016

00:35:16,950 --> 00:35:14,240

hopefully hear from you next time okay

1017

00:35:19,109 --> 00:35:16,960

man yes sir and always a pleasure

1018

00:35:21,349 --> 00:35:19,119

and finally we go from idaho to

1019

00:35:23,510 --> 00:35:21,359

washington and we have dahlia joining us

1020

00:35:26,630 --> 00:35:23,520

dahlia welcome to the podcast

1021

00:35:29,109 --> 00:35:26,640

hi i'm so happy to be here today very

1022

00:35:30,550 --> 00:35:29,119

exciting for me it's exciting for us to

1023

00:35:32,069 --> 00:35:30,560

finally speak to you because we've spoke

1024

00:35:34,310 --> 00:35:32,079

online a few times back and forward

1025

00:35:35,910 --> 00:35:34,320

haven't we so it's uh it's nice to put a

1026  
00:35:36,870 --> 00:35:35,920  
face to the name as well which is always

1027  
00:35:38,630 --> 00:35:36,880  
good

1028  
00:35:40,230 --> 00:35:38,640  
yes absolutely

1029  
00:35:41,829 --> 00:35:40,240  
dahlia the floor is yours what do you

1030  
00:35:42,710 --> 00:35:41,839  
want to talk about

1031  
00:35:45,670 --> 00:35:42,720  
huh

1032  
00:35:47,430 --> 00:35:45,680  
okay well um

1033  
00:35:51,030 --> 00:35:47,440  
i've been thinking especially over the

1034  
00:35:53,190 --> 00:35:51,040  
last two years about the way that humans

1035  
00:35:55,270 --> 00:35:53,200  
behave and the things that we do to each

1036  
00:35:57,109 --> 00:35:55,280  
other and

1037  
00:35:58,950 --> 00:35:57,119  
obviously we have a lot of behaviors

1038  
00:36:01,910 --> 00:35:58,960

that are not

1039

00:36:04,550 --> 00:36:01,920

uh beneficial for our survival

1040

00:36:06,230 --> 00:36:04,560

and i got to thinking like you know why

1041

00:36:08,630 --> 00:36:06,240

a lot of this doesn't make sense i mean

1042

00:36:09,589 --> 00:36:08,640

even if you just think about like

1043

00:36:10,790 --> 00:36:09,599

war

1044

00:36:13,349 --> 00:36:10,800

and

1045

00:36:17,349 --> 00:36:13,359

racism or sexism or

1046

00:36:19,190 --> 00:36:17,359

um you know being super territorial just

1047

00:36:22,230 --> 00:36:19,200

in general

1048

00:36:24,230 --> 00:36:22,240

by the violent behavior that humans

1049

00:36:26,710 --> 00:36:24,240

display towards each other like why do

1050

00:36:29,670 --> 00:36:26,720

we do that because obviously that's not

1051

00:36:31,829 --> 00:36:29,680

we're not doing ourselves any favors

1052

00:36:34,069 --> 00:36:31,839

with this behavior and it doesn't make

1053

00:36:36,310 --> 00:36:34,079

any logical sense and we are logical

1054

00:36:38,790 --> 00:36:36,320

beings

1055

00:36:41,430 --> 00:36:38,800

and it's almost like

1056

00:36:45,109 --> 00:36:41,440

there could possibly be

1057

00:36:47,190 --> 00:36:45,119

a force coming or a forces coming from

1058

00:36:47,990 --> 00:36:47,200

somewhere else

1059

00:36:49,109 --> 00:36:48,000

that

1060

00:36:52,069 --> 00:36:49,119

is

1061

00:36:54,230 --> 00:36:52,079

making us judge ourselves

1062

00:36:57,510 --> 00:36:54,240

and then i read the three body problem

1063

00:36:58,710 --> 00:36:57,520

and my brain exploded because i thought

1064

00:37:00,069 --> 00:36:58,720

and i don't know if you guys have read

1065

00:37:01,270 --> 00:37:00,079

it yet i've been bugging you guys to

1066

00:37:03,750 --> 00:37:01,280

read it

1067

00:37:05,349 --> 00:37:03,760

i i am half i am halfway through i can

1068

00:37:07,910 --> 00:37:05,359

confirm right now halfway through the

1069

00:37:10,310 --> 00:37:07,920

month i i need to catch up a little bit

1070

00:37:12,069 --> 00:37:10,320

to get ahead so i can record the show

1071

00:37:13,990 --> 00:37:12,079

talking about it by the end of the month

1072

00:37:15,910 --> 00:37:14,000

but i will have done that i i will have

1073

00:37:16,870 --> 00:37:15,920

done that so yeah i'm halfway through

1074

00:37:19,030 --> 00:37:16,880

right now

1075

00:37:20,710 --> 00:37:19,040

it's fascinating and i you know i try to

1076

00:37:22,710 --> 00:37:20,720

talk to people in my life about it and

1077

00:37:24,470 --> 00:37:22,720

they're like what are you what like what

1078

00:37:25,589 --> 00:37:24,480

are you talking about

1079

00:37:27,829 --> 00:37:25,599

but

1080

00:37:30,390 --> 00:37:27,839

i just i've wondered if there's

1081

00:37:32,069 --> 00:37:30,400

something occurring on a level that we

1082

00:37:34,230 --> 00:37:32,079

can't recognize

1083

00:37:36,069 --> 00:37:34,240

and in the three-body problem it's like

1084

00:37:37,430 --> 00:37:36,079

a sub-atomic

1085

00:37:39,829 --> 00:37:37,440

level

1086

00:37:42,230 --> 00:37:39,839

but that is

1087

00:37:43,589 --> 00:37:42,240

you know making us do things like almost

1088

00:37:45,430 --> 00:37:43,599

like you know we're kind of like

1089

00:37:46,550 --> 00:37:45,440

puppetry

1090

00:37:48,710 --> 00:37:46,560

um

1091

00:37:51,109 --> 00:37:48,720

and i normally i was saying this in a

1092

00:37:53,430 --> 00:37:51,119

message to you um

1093

00:37:58,950 --> 00:37:53,440

i normally am kind of a loving light

1094

00:38:02,230 --> 00:38:01,030

and that's just like my own experience

1095

00:38:06,470 --> 00:38:02,240

but

1096

00:38:08,870 --> 00:38:06,480

and and to me it could be it could be

1097

00:38:11,109 --> 00:38:08,880

many things like there can be

1098

00:38:12,790 --> 00:38:11,119

you know what we would perceive to be

1099

00:38:14,550 --> 00:38:12,800

good aliens and what we would perceive

1100

00:38:17,270 --> 00:38:14,560

from our human

1101  
00:38:18,870 --> 00:38:17,280  
uh through our human lens to be bad

1102  
00:38:21,109 --> 00:38:18,880  
aliens

1103  
00:38:22,150 --> 00:38:21,119  
um

1104  
00:38:25,430 --> 00:38:22,160  
but

1105  
00:38:27,829 --> 00:38:25,440  
yeah well like why are we doing this

1106  
00:38:29,589 --> 00:38:27,839  
why why are we killing each other that

1107  
00:38:31,589 --> 00:38:29,599  
doesn't make any sense if you really

1108  
00:38:32,630 --> 00:38:31,599  
think about it it's like why like what

1109  
00:38:35,190 --> 00:38:32,640  
like

1110  
00:38:37,109 --> 00:38:35,200  
where are these ideas coming from

1111  
00:38:39,589 --> 00:38:37,119  
so timing wise it's relatively good

1112  
00:38:40,950 --> 00:38:39,599  
dahlia because uh i can say this now

1113  
00:38:42,470 --> 00:38:40,960

this is going this show is going to go

1114

00:38:44,230 --> 00:38:42,480

out and

1115

00:38:46,710 --> 00:38:44,240

a day basically it might go out tonight

1116

00:38:48,790 --> 00:38:46,720

on premium for patreon and apple premium

1117

00:38:50,630 --> 00:38:48,800

and spotify premium people but um in the

1118

00:38:52,470 --> 00:38:50,640

next day or so but

1119

00:38:55,109 --> 00:38:52,480

dan and i were working on a show just

1120

00:38:57,270 --> 00:38:55,119

now where we're going to be profiling uh

1121

00:38:59,589 --> 00:38:57,280

tom de long and it's going to be part

1122

00:39:01,670 --> 00:38:59,599

one part two maybe a part three with

1123

00:39:04,069 --> 00:39:01,680

part one being a lot of tom delong's

1124

00:39:06,550 --> 00:39:04,079

experiences and claims before to the

1125

00:39:07,349 --> 00:39:06,560

stars academy came around uh

1126

00:39:09,589 --> 00:39:07,359

and

1127

00:39:10,950 --> 00:39:09,599

before we knew who luella's on the was

1128

00:39:13,270 --> 00:39:10,960

and that chris miller was involved as

1129

00:39:15,349 --> 00:39:13,280

heavily with ufos and all of that and

1130

00:39:17,510 --> 00:39:15,359

listening back in the research part of

1131

00:39:19,349 --> 00:39:17,520

it to some of the old interviews on on

1132

00:39:21,829 --> 00:39:19,359

jimmy church or various television

1133

00:39:23,270 --> 00:39:21,839

interviews or snippets that dan sent me

1134

00:39:25,910 --> 00:39:23,280

over that he stored in a wonderful

1135

00:39:27,589 --> 00:39:25,920

folder that he's got um

1136

00:39:30,310 --> 00:39:27,599

tom talks about that quite a lot i mean

1137

00:39:31,910 --> 00:39:30,320

this is back in 2016. doesn't it done

1138

00:39:34,069 --> 00:39:31,920

with

1139

00:39:36,390 --> 00:39:34,079

outside forces who

1140

00:39:39,190 --> 00:39:36,400

want to see the human race you know do

1141

00:39:40,950 --> 00:39:39,200

harm that they feed off of negativity

1142

00:39:42,790 --> 00:39:40,960

and war

1143

00:39:44,310 --> 00:39:42,800

and you know and fear-mongering and all

1144

00:39:46,150 --> 00:39:44,320

that kind of stuff so

1145

00:39:48,069 --> 00:39:46,160

it's interesting that that tom brought

1146

00:39:49,990 --> 00:39:48,079

that up and

1147

00:39:51,589 --> 00:39:50,000

it's never really gone much further from

1148

00:39:52,630 --> 00:39:51,599

those conversations that he had back

1149

00:39:54,870 --> 00:39:52,640

then even though he still kind of

1150

00:39:57,270 --> 00:39:54,880

mentions it now as as to what may or may

1151

00:39:59,109 --> 00:39:57,280

not be influencing that anymore but

1152

00:40:00,950 --> 00:39:59,119

it seems to be that there are people

1153

00:40:03,910 --> 00:40:00,960

quite high up that have hinted at this

1154

00:40:07,349 --> 00:40:03,920

to tom and other people as well

1155

00:40:09,109 --> 00:40:07,359

then uh what are your thoughts on that

1156

00:40:11,109 --> 00:40:09,119

well it reminded me of tom as well but

1157

00:40:13,030 --> 00:40:11,119

in another way we spoke the other day

1158

00:40:15,270 --> 00:40:13,040

about um

1159

00:40:17,109 --> 00:40:15,280

tom said that he didn't sleep for a few

1160

00:40:19,910 --> 00:40:17,119

nights and was made uneasy and we were

1161

00:40:21,349 --> 00:40:19,920

talking about what we thought caused

1162

00:40:23,670 --> 00:40:21,359

that

1163

00:40:26,630 --> 00:40:23,680

and we the the conversation

1164

00:40:29,109 --> 00:40:26,640

went down the road of

1165

00:40:31,910 --> 00:40:29,119

knowing for certain that you don't know

1166

00:40:33,910 --> 00:40:31,920

what reality truly is and not being

1167

00:40:35,990 --> 00:40:33,920

certain of even just the room that

1168

00:40:38,550 --> 00:40:36,000

you're in let alone the space and the

1169

00:40:41,349 --> 00:40:38,560

people outside of that and and then tom

1170

00:40:42,710 --> 00:40:41,359

went off and spoke about um how his

1171

00:40:44,870 --> 00:40:42,720

mother sees the world through a really

1172

00:40:47,910 --> 00:40:44,880

religious lands and she would see these

1173

00:40:48,950 --> 00:40:47,920

forces as angels or demons and talk

1174

00:40:50,950 --> 00:40:48,960

about him in that way and we know

1175

00:40:52,390 --> 00:40:50,960

there's kind of supposedly religious sex

1176

00:40:55,750 --> 00:40:52,400

inside the pentagon

1177

00:40:58,870 --> 00:40:55,760

who think of it in this way as well um

1178

00:41:00,790 --> 00:40:58,880

finding finding that common language for

1179

00:41:02,309 --> 00:41:00,800

these kind of invisible things whether

1180

00:41:03,829 --> 00:41:02,319

we're going to call them you know gin

1181

00:41:05,829 --> 00:41:03,839

angels demons

1182

00:41:08,150 --> 00:41:05,839

you know the lady of fatima

1183

00:41:10,069 --> 00:41:08,160

all these kind of different names um

1184

00:41:12,390 --> 00:41:10,079

it's going to be really important for

1185

00:41:15,349 --> 00:41:12,400

for humanity to address this

1186

00:41:18,550 --> 00:41:17,349

if the phenomena is

1187

00:41:22,950 --> 00:41:18,560

one thing

1188

00:41:25,829 --> 00:41:22,960

appearing as another thing and can

1189

00:41:28,309 --> 00:41:25,839

manipulate our consciousness then

1190

00:41:30,470 --> 00:41:28,319

all bets are kind of off the table

1191

00:41:32,390 --> 00:41:30,480

quite frankly um

1192

00:41:34,550 --> 00:41:32,400

you know it

1193

00:41:36,230 --> 00:41:34,560

it reminds me of the the bees that can

1194

00:41:38,150 --> 00:41:36,240

kind of change the the frequency of

1195

00:41:40,950 --> 00:41:38,160

their wings to make another

1196

00:41:42,710 --> 00:41:40,960

uh bee that isn't a predator to to their

1197

00:41:44,230 --> 00:41:42,720

prey so they can kind of go into their

1198

00:41:47,349 --> 00:41:44,240

hive and just kind of

1199

00:41:49,349 --> 00:41:47,359

have their fail um and

1200

00:41:51,589 --> 00:41:49,359

it worries me in some ways i'm i'm a

1201  
00:41:54,309 --> 00:41:51,599  
little like you uh dolly a little love

1202  
00:41:57,270 --> 00:41:54,319  
and light except during um

1203  
00:41:58,790 --> 00:41:57,280  
doing what people call ce5 once i i just

1204  
00:42:01,510 --> 00:41:58,800  
got a sense that i was looking at the

1205  
00:42:03,750 --> 00:42:01,520  
kind of the light in front of the the

1206  
00:42:05,829 --> 00:42:03,760  
lanternfish you know and and i just

1207  
00:42:08,150 --> 00:42:05,839  
thought oh you know maybe they're not

1208  
00:42:10,150 --> 00:42:08,160  
all 11 like maybe to just say oh the

1209  
00:42:11,510 --> 00:42:10,160  
benevolent is is actually quite naive on

1210  
00:42:13,190 --> 00:42:11,520  
my part and there's going to be a much

1211  
00:42:15,750 --> 00:42:13,200  
larger scope and a weirder thing to get

1212  
00:42:18,309 --> 00:42:15,760  
our heads around

1213  
00:42:19,670 --> 00:42:18,319

yeah i i wonder

1214

00:42:21,829 --> 00:42:19,680

if

1215

00:42:23,910 --> 00:42:21,839

it's some kind of like an evolutionary

1216

00:42:25,109 --> 00:42:23,920

game like we have to

1217

00:42:29,589 --> 00:42:25,119

these

1218

00:42:31,109 --> 00:42:29,599

as kind of like this cosmic obstacle

1219

00:42:35,349 --> 00:42:31,119

course

1220

00:42:38,710 --> 00:42:35,359

and we have to evolve to see beyond it

1221

00:42:41,589 --> 00:42:38,720

in order to kind of move to that next

1222

00:42:43,670 --> 00:42:41,599

place where we're able to move beyond

1223

00:42:45,270 --> 00:42:43,680

our own species

1224

00:42:46,630 --> 00:42:45,280

but they're kind of just like waiting

1225

00:42:49,109 --> 00:42:46,640

for us

1226

00:42:50,950 --> 00:42:49,119

to get to that place because obviously

1227

00:42:51,750 --> 00:42:50,960

if we're fighting each other if we if

1228

00:42:53,349 --> 00:42:51,760

we're

1229

00:42:54,710 --> 00:42:53,359

killing each other

1230

00:42:57,190 --> 00:42:54,720

and doing things that are totally

1231

00:42:58,870 --> 00:42:57,200

irrational and not able to kind of see

1232

00:43:00,630 --> 00:42:58,880

past that

1233

00:43:02,230 --> 00:43:00,640

then we're not ready to

1234

00:43:04,069 --> 00:43:02,240

meet

1235

00:43:05,430 --> 00:43:04,079

aliens like

1236

00:43:07,270 --> 00:43:05,440

because what are we going to do what's

1237

00:43:08,790 --> 00:43:07,280

our reaction going to be if we can't get

1238

00:43:10,550 --> 00:43:08,800

along with each other

1239

00:43:12,870 --> 00:43:10,560

how are we going to get along

1240

00:43:14,950 --> 00:43:12,880

with other species that are like very

1241

00:43:17,270 --> 00:43:14,960

different from us

1242

00:43:19,109 --> 00:43:17,280

yeah so there's that too that i think

1243

00:43:20,950 --> 00:43:19,119

about

1244

00:43:22,630 --> 00:43:20,960

dan let me let me know before i forget

1245

00:43:23,910 --> 00:43:22,640

that it's like

1246

00:43:25,430 --> 00:43:23,920

it's interesting that you say it and

1247

00:43:26,950 --> 00:43:25,440

it's nice that you say like you're kind

1248

00:43:28,870 --> 00:43:26,960

of on the loving light side of things

1249

00:43:30,069 --> 00:43:28,880

like like dan can be as well

1250

00:43:32,630 --> 00:43:30,079

and

1251

00:43:34,950 --> 00:43:32,640

if it's a little bit like a safari where

1252

00:43:36,630 --> 00:43:34,960

you've got a beautiful reserve ton of

1253

00:43:37,990 --> 00:43:36,640

land and

1254

00:43:39,670 --> 00:43:38,000

some people like to just go through and

1255

00:43:42,150 --> 00:43:39,680

look at the animals

1256

00:43:44,230 --> 00:43:42,160

on that safari you've got rangers who

1257

00:43:46,150 --> 00:43:44,240

look after the animals you know and make

1258

00:43:47,510 --> 00:43:46,160

sure that they're they're kept safe

1259

00:43:49,990 --> 00:43:47,520

they've got food that you know their

1260

00:43:51,990 --> 00:43:50,000

surroundings are are well kept but then

1261

00:43:54,790 --> 00:43:52,000

you've got poachers who who come onto

1262

00:43:57,030 --> 00:43:54,800

that land to to use the animals for

1263

00:43:58,710 --> 00:43:57,040

other resources and you know for really

1264

00:44:00,710 --> 00:43:58,720

horrible means you know look at the way

1265

00:44:02,550 --> 00:44:00,720

rhinos are hunted for their for their

1266

00:44:04,069 --> 00:44:02,560

ivory and things like that

1267

00:44:05,750 --> 00:44:04,079

and if we're just the same way you've

1268

00:44:08,069 --> 00:44:05,760

got people kind of looking out for us

1269

00:44:11,910 --> 00:44:08,079

but then you've got these others who are

1270

00:44:15,990 --> 00:44:13,910

the way i see humanity at the moment

1271

00:44:18,390 --> 00:44:16,000

it's too far gone that tomorrow we find

1272

00:44:20,309 --> 00:44:18,400

out we've got these these alien beings

1273

00:44:21,829 --> 00:44:20,319

other entities whatever it might be the

1274

00:44:23,349 --> 00:44:21,839

world overnight doesn't change that

1275

00:44:24,950 --> 00:44:23,359

everyone's really happy all of a sudden

1276  
00:44:26,390 --> 00:44:24,960  
and do you know what that says we're

1277  
00:44:28,230 --> 00:44:26,400  
ready to ascend to a new level of

1278  
00:44:29,750 --> 00:44:28,240  
consciousness that's just

1279  
00:44:31,990 --> 00:44:29,760  
i just can't see how that's possible

1280  
00:44:33,589 --> 00:44:32,000  
with the way humanity is i think that if

1281  
00:44:36,309 --> 00:44:33,599  
you came out and told

1282  
00:44:38,470 --> 00:44:36,319  
our species as it is now with social

1283  
00:44:40,790 --> 00:44:38,480  
media and people's psyches the way they

1284  
00:44:42,390 --> 00:44:40,800  
are that you've got a species who are

1285  
00:44:44,550 --> 00:44:42,400  
entities looking out for us who want us

1286  
00:44:46,470 --> 00:44:44,560  
to do well and evolve and love each

1287  
00:44:48,069 --> 00:44:46,480  
other i think you would have as many

1288  
00:44:49,510 --> 00:44:48,079

people

1289

00:44:51,270 --> 00:44:49,520

maybe not as many but there'll be a lot

1290

00:44:53,829 --> 00:44:51,280

of people who'll be quite happy to hear

1291

00:44:56,550 --> 00:44:53,839

there's other forces who want us to

1292

00:44:58,630 --> 00:44:56,560

fight and do bad things and and not

1293

00:45:00,710 --> 00:44:58,640

evolve and you know

1294

00:45:02,790 --> 00:45:00,720

it's a little bit i was i saw at the end

1295

00:45:04,550 --> 00:45:02,800

of the film that it is at the end is not

1296

00:45:05,910 --> 00:45:04,560

the end of the world or the end is nigh

1297

00:45:08,390 --> 00:45:05,920

that had um

1298

00:45:10,309 --> 00:45:08,400

seth rogen and all those guys in it

1299

00:45:11,430 --> 00:45:10,319

that oh yeah someone told me not to

1300

00:45:13,430 --> 00:45:11,440

watch that because they said it was too

1301

00:45:14,870 --> 00:45:13,440

depressing

1302

00:45:17,510 --> 00:45:14,880

but you know what it's funny though

1303

00:45:19,510 --> 00:45:17,520

there's a part of the film where they

1304

00:45:21,109 --> 00:45:19,520

it turns out as that apocalypse type

1305

00:45:23,190 --> 00:45:21,119

scenario but people who have been really

1306

00:45:24,230 --> 00:45:23,200

good are being taken off taken off the

1307

00:45:25,829 --> 00:45:24,240

planet

1308

00:45:27,109 --> 00:45:25,839

and they're evolving to you know they're

1309

00:45:28,870 --> 00:45:27,119

going to heaven because the world's

1310

00:45:30,790 --> 00:45:28,880

ending there's demons and everything

1311

00:45:34,150 --> 00:45:30,800

kicking about and you know

1312

00:45:36,870 --> 00:45:34,160

hell on earth is happening and during it

1313

00:45:38,790 --> 00:45:36,880

like if they if they commit a good deed

1314

00:45:40,309 --> 00:45:38,800

they can go to heaven but where there

1315

00:45:42,390 --> 00:45:40,319

are groups that are quite happy further

1316

00:45:44,150 --> 00:45:42,400

to be hell on earth and while i'm using

1317

00:45:45,829 --> 00:45:44,160

a hollywood movie that i can accommodate

1318

00:45:48,710 --> 00:45:45,839

talk about that i think that would

1319

00:45:50,870 --> 00:45:48,720

probably be about right now as well so

1320

00:45:52,790 --> 00:45:50,880

it's a very difficult situation i think

1321

00:45:53,910 --> 00:45:52,800

that you potentially are stuck in the

1322

00:45:55,109 --> 00:45:53,920

middle of

1323

00:45:57,349 --> 00:45:55,119

you we're saying too it could be

1324

00:45:59,030 --> 00:45:57,359

multiple factions it could be

1325

00:46:02,390 --> 00:45:59,040

beings overseeing those entities and

1326  
00:46:04,470 --> 00:46:02,400  
beings if that's how indeed it works and

1327  
00:46:06,470 --> 00:46:04,480  
what do you see the root for our species

1328  
00:46:08,630 --> 00:46:06,480  
dahlia you know

1329  
00:46:10,550 --> 00:46:08,640  
do you think it's a case of if we do get

1330  
00:46:12,710 --> 00:46:10,560  
to interact or find out we get that

1331  
00:46:15,589 --> 00:46:12,720  
disclosure we find out there are other

1332  
00:46:18,230 --> 00:46:15,599  
beings how do things change from there

1333  
00:46:21,349 --> 00:46:18,240  
that we can evolve in the right way

1334  
00:46:24,470 --> 00:46:23,349  
i i think that it's already happening i

1335  
00:46:25,750 --> 00:46:24,480  
think that we're

1336  
00:46:27,510 --> 00:46:25,760  
already

1337  
00:46:29,990 --> 00:46:27,520  
evolving

1338  
00:46:33,510 --> 00:46:30,000

um i mean and even if you just look at

1339

00:46:35,750 --> 00:46:33,520

like technologically wise

1340

00:46:37,750 --> 00:46:35,760

how much we've changed and it's kind of

1341

00:46:39,829 --> 00:46:37,760

like we don't even notice the change

1342

00:46:41,430 --> 00:46:39,839

when it's happening but we're it's just

1343

00:46:44,069 --> 00:46:41,440

it's just happening

1344

00:46:45,829 --> 00:46:44,079

and i think it's interesting um

1345

00:46:47,510 --> 00:46:45,839

you know when you think about religion

1346

00:46:50,870 --> 00:46:47,520

and that you know some people would see

1347

00:46:54,150 --> 00:46:50,880

this as like angels or god or whatever

1348

00:46:56,470 --> 00:46:54,160

but that's another thing that

1349

00:46:59,349 --> 00:46:56,480

gets me thinking deeply because we're

1350

00:47:01,990 --> 00:46:59,359

all kind of also programmed to look

1351  
00:47:02,790 --> 00:47:02,000  
beyond ourselves to like like be looking

1352  
00:47:05,349 --> 00:47:02,800  
for

1353  
00:47:07,750 --> 00:47:05,359  
this answer in the skies

1354  
00:47:09,750 --> 00:47:07,760  
and where did that come from

1355  
00:47:13,349 --> 00:47:09,760  
so i think with all of these things in

1356  
00:47:14,790 --> 00:47:13,359  
place that just i i think

1357  
00:47:18,230 --> 00:47:14,800  
i think one day we're just going to wake

1358  
00:47:21,430 --> 00:47:18,240  
up and realize that it has happened

1359  
00:47:23,510 --> 00:47:21,440  
that we just we have this knowingness

1360  
00:47:25,430 --> 00:47:23,520  
and this is where we are i don't think

1361  
00:47:27,670 --> 00:47:25,440  
it's going to be like overnight and this

1362  
00:47:28,630 --> 00:47:27,680  
is just me

1363  
00:47:30,710 --> 00:47:28,640

you know

1364

00:47:33,109 --> 00:47:30,720

with my predictions

1365

00:47:34,230 --> 00:47:33,119

it's as good as anyone's yeah

1366

00:47:35,910 --> 00:47:34,240

yes

1367

00:47:37,910 --> 00:47:35,920

but i don't think it's going to be this

1368

00:47:39,670 --> 00:47:37,920

thing where overnight we find out that

1369

00:47:41,750 --> 00:47:39,680

there's aliens and we're running in the

1370

00:47:43,910 --> 00:47:41,760

street and we don't know what's up or

1371

00:47:44,870 --> 00:47:43,920

down and we're confused and all that i

1372

00:47:48,470 --> 00:47:44,880

just

1373

00:47:51,750 --> 00:47:48,480

that knowingness

1374

00:47:54,150 --> 00:47:51,760

and it'll be like waking up from a dream

1375

00:47:55,589 --> 00:47:54,160

just before oh yeah okay

1376

00:47:57,270 --> 00:47:55,599

that's it

1377

00:47:59,109 --> 00:47:57,280

just before we run out of time dalia i

1378

00:48:01,750 --> 00:47:59,119

want to ask everyone and you're the

1379

00:48:04,549 --> 00:48:01,760

final call as well what are your hopes

1380

00:48:06,790 --> 00:48:04,559

realistically for for 2022 when it comes

1381

00:48:09,430 --> 00:48:06,800

to ufos what do you expect or hope to

1382

00:48:14,950 --> 00:48:11,829

oh gosh

1383

00:48:16,950 --> 00:48:14,960

i'm not like i'm not really versed in

1384

00:48:21,270 --> 00:48:16,960

all the stuff you guys are reversed in i

1385

00:48:24,950 --> 00:48:23,030

i'm just kind of looking

1386

00:48:26,870 --> 00:48:24,960

towards the skies and hoping that we get

1387

00:48:31,030 --> 00:48:26,880

some answers i think we're really in

1388

00:48:36,549 --> 00:48:33,910

we could potentially really grow from

1389

00:48:39,750 --> 00:48:36,559

what we've experienced

1390

00:48:41,750 --> 00:48:39,760

and that that is my hope that we just

1391

00:48:45,030 --> 00:48:41,760

see more of the truth

1392

00:48:48,150 --> 00:48:45,040

and with that we become better as people

1393

00:48:49,829 --> 00:48:48,160

like that's

1394

00:48:51,829 --> 00:48:49,839

that's my hope and i you know i'm kind

1395

00:48:54,309 --> 00:48:51,839

of one of these people where it's like

1396

00:48:56,549 --> 00:48:54,319

i think part of the reason why

1397

00:48:59,270 --> 00:48:56,559

i want you know i've just always been

1398

00:49:01,109 --> 00:48:59,280

looking for aliens and ufos and all that

1399

00:49:03,750 --> 00:49:01,119

is because i really need there to be

1400

00:49:06,150 --> 00:49:03,760

something beyond what we are

1401

00:49:07,589 --> 00:49:06,160

like i've got i've got to believe that i

1402

00:49:09,430 --> 00:49:07,599

don't think there's a better way to end

1403

00:49:10,790 --> 00:49:09,440

the show this week than that dahlia so

1404

00:49:12,790 --> 00:49:10,800

it's a very positive message and

1405

00:49:14,549 --> 00:49:12,800

positive outlook as well

1406

00:49:17,589 --> 00:49:14,559

drop the mic dahlia that was that was

1407

00:49:19,750 --> 00:49:17,599

nice a nice compassionate note to end on

1408

00:49:21,750 --> 00:49:19,760

awesome well dalia lovely speaking with

1409

00:49:23,430 --> 00:49:21,760

[Music]

1430  
00:51:01,920 --> 00:51:07,190  
they thought it was a

1431  
00:51:07,200 --> 00:51:10,660  
because it doesn't dream scare me

1432  
00:51:18,710 --> 00:51:17,109  
[Music]

1433  
00:51:30,170 --> 00:51:18,720  
if you really want to know who i think

1434  
00:51:58,950 --> 00:51:34,790  
[Music]

1435  
00:51:58,960 --> 00:52:05,109  
is

1436  
00:52:13,840 --> 00:52:07,030  
it wasn't a tic tac and not quite a

1437  
00:52:29,640 --> 00:52:27,670  
[Music]

1438  
00:52:36,950 --> 00:52:29,650

it's very different
