# UFO

P O D C A S T

FROM THE ARCHIVES:

BUDDY (@ALIENPROTOCOLS)

1  
00:00:00,000 --> 00:00:14,230

[Music]

2  
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

3  
00:00:22,780 --> 00:00:18,960

sphere where the points of the cube

4  
00:00:32,980 --> 00:00:22,790

were touching outside the sphere

5  
00:00:37,110 --> 00:00:34,530

[Music]

6  
00:00:38,709 --> 00:00:37,120

[Applause]

7  
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

8  
00:00:45,670 --> 00:00:40,960

limited to the united states it's a

9  
00:00:55,910 --> 00:00:47,990

this is michael mazzola and you are

10  
00:01:01,189 --> 00:00:58,709

hi everyone and welcome back to that ufo

11  
00:01:04,630 --> 00:01:01,199

podcast my name is andy and this is

12  
00:01:07,030 --> 00:01:04,640

episode 11 my interview with buddy from

13  
00:01:09,429 --> 00:01:07,040

alien protocols really really

14

00:01:11,910 --> 00:01:09,439

interesting chat with buddy we go over

15

00:01:14,710 --> 00:01:11,920

an hour discussing remote viewing

16

00:01:17,510 --> 00:01:14,720

growing up with psy gifts pre-cognitive

17

00:01:18,870 --> 00:01:17,520

dreams an update on the magi ufo he

18

00:01:21,109 --> 00:01:18,880

remote viewed there's some really

19

00:01:23,190 --> 00:01:21,119

interesting comments about what went on

20

00:01:24,789 --> 00:01:23,200

um some skin walker ranch involvement

21

00:01:27,830 --> 00:01:24,799

and then some listener questions that

22

00:01:29,749 --> 00:01:27,840

you must stick around for so folks just

23

00:01:31,830 --> 00:01:29,759

a little summary before we get into the

24

00:01:34,149 --> 00:01:31,840

interview of this week my next two

25

00:01:36,550 --> 00:01:34,159

guests coming up will be calvin parker

26

00:01:39,670 --> 00:01:36,560

that was pushed back very slightly and

27

00:01:42,389 --> 00:01:39,680

calvin is one of the most famous ufo

28

00:01:45,190 --> 00:01:42,399

abductees on the planet he has a really

29

00:01:47,030 --> 00:01:45,200

fascinating story that is just always

30

00:01:49,270 --> 00:01:47,040

incredible every time you hear it so

31

00:01:51,830 --> 00:01:49,280

we'll be speaking to calvin and also

32

00:01:54,710 --> 00:01:51,840

bryant arnold you may know him better as

33

00:01:56,550 --> 00:01:54,720

dragon from the curse or secret of

34

00:01:58,550 --> 00:01:56,560

skinwalker ranch depending on where you

35

00:02:00,069 --> 00:01:58,560

watch it so dragon is going to be on the

36

00:02:02,069 --> 00:02:00,079

show i'll be speaking to him sunday

37

00:02:04,389 --> 00:02:02,079

night that will be released within the

38

00:02:06,389 --> 00:02:04,399

next two weeks as well

39

00:02:09,190 --> 00:02:06,399

so a quick thank you to all the patrons

40

00:02:11,510 --> 00:02:09,200

we've got doug jennifer and cameron all

41

00:02:13,990 --> 00:02:11,520

signing up over at patreon.com forward

42

00:02:15,589 --> 00:02:14,000

slash that ufo podcast thank you very

43

00:02:17,750 --> 00:02:15,599

much to anyone who does pledge to

44

00:02:20,869 --> 00:02:17,760

support the show you of course get cue

45

00:02:23,589 --> 00:02:20,879

jumps additional bonus content and early

46

00:02:25,670 --> 00:02:23,599

access exclusives over there as well and

47

00:02:28,150 --> 00:02:25,680

you can pick if you sign up on the ten

48

00:02:30,550 --> 00:02:28,160

dollar tier your own show to be reviewed

49

00:02:32,790 --> 00:02:30,560

and you can come on as well but folks as

50

00:02:34,869 --> 00:02:32,800

always thank you everyone for listening

51  
00:02:37,509 --> 00:02:34,879  
to the shows and keep sending over your

52  
00:02:39,830 --> 00:02:37,519  
questions skinwalker watch along episode

53  
00:02:41,990 --> 00:02:39,840  
six is available as an early access

54  
00:02:43,910 --> 00:02:42,000  
exclusive right now over in patreon

55  
00:02:46,790 --> 00:02:43,920  
that'll be dropping into the main feeds

56  
00:02:48,869 --> 00:02:46,800  
on friday the 17th of july of course two

57  
00:02:50,470 --> 00:02:48,879  
shows left on that one with myself and

58  
00:02:51,990 --> 00:02:50,480  
dan and we've got another couple of

59  
00:02:54,550 --> 00:02:52,000  
skinwalker

60  
00:02:56,070 --> 00:02:54,560  
type shows planned to follow up after

61  
00:02:58,390 --> 00:02:56,080  
episode eight

62  
00:03:01,350 --> 00:02:58,400  
a new show starting later on this week

63  
00:03:04,070 --> 00:03:01,360

will be hashtag tup talks totally

64

00:03:05,589 --> 00:03:04,080

ripping off the tsa talks but we are

65

00:03:07,270 --> 00:03:05,599

going to be coming back to discuss

66

00:03:09,670 --> 00:03:07,280

that's myself and dan

67

00:03:12,390 --> 00:03:09,680

our thoughts and opinions on episode one

68

00:03:13,750 --> 00:03:12,400

of season two of the unidentified and

69

00:03:15,190 --> 00:03:13,760

it's not a watch long this time we're

70

00:03:17,910 --> 00:03:15,200

just going to quickly share our thoughts

71

00:03:19,270 --> 00:03:17,920

on the show what happened what we think

72

00:03:21,110 --> 00:03:19,280

and then we're going to be discussing

73

00:03:23,110 --> 00:03:21,120

your thoughts your opinions from twitter

74

00:03:24,630 --> 00:03:23,120

from facebook i've had a lot of dms

75

00:03:26,229 --> 00:03:24,640

about the show people want me to bring

76

00:03:28,229 --> 00:03:26,239

up different points that they have

77

00:03:29,910 --> 00:03:28,239

different opinions so that'll be really

78

00:03:32,229 --> 00:03:29,920

interesting as well so look out for that

79

00:03:34,309 --> 00:03:32,239

later on this week folks again that'll

80

00:03:35,990 --> 00:03:34,319

be on early access on patreon and of

81

00:03:38,470 --> 00:03:36,000

course you'll get preferential

82

00:03:40,309 --> 00:03:38,480

questioning on patreon as well as a

83

00:03:41,830 --> 00:03:40,319

little thank you for supporting the show

84

00:03:43,990 --> 00:03:41,840

but no doubt i'll manage to squeeze

85

00:03:46,149 --> 00:03:44,000

everyone's questions and and opinions

86

00:03:48,070 --> 00:03:46,159

anyway so again that's all coming up in

87

00:03:49,670 --> 00:03:48,080

the next week or so folks just before we

88

00:03:51,670 --> 00:03:49,680

get into our interview with buddy from

89

00:03:53,429 --> 00:03:51,680

alien protocols i'd just like you to

90

00:03:55,990 --> 00:03:53,439

listen to a quick message from another

91

00:03:58,070 --> 00:03:56,000

friend of the show

92

00:04:00,789 --> 00:03:58,080

have you ever looked up to the skies and

93

00:04:02,789 --> 00:04:00,799

seen something you can't explain or walk

94

00:04:03,990 --> 00:04:02,799

deep in the forest and sense something

95

00:04:06,309 --> 00:04:04,000

watching you

96

00:04:08,149 --> 00:04:06,319

do you believe in an afterlife or a

97

00:04:09,509 --> 00:04:08,159

hidden veil that can communicate with

98

00:04:11,670 --> 00:04:09,519

the living

99

00:04:12,949 --> 00:04:11,680

then you need shadows of your mind

100

00:04:15,270 --> 00:04:12,959

magazine

101

00:04:18,629 --> 00:04:15,280

download all issues completely free at

102

00:04:21,110 --> 00:04:18,639

shadows magazine dot co dot uk

103

00:04:31,830 --> 00:04:21,120

shadows of your mind where your search

104

00:04:35,990 --> 00:04:33,830

okay folks coming back from that message

105

00:04:39,189 --> 00:04:36,000

we have our guest on this week's show he

106

00:04:40,710 --> 00:04:39,199

is an experiencer consciousness not

107

00:04:43,110 --> 00:04:40,720

that's a hard thing to say in a scottish

108

00:04:45,909 --> 00:04:43,120

accent again um

109

00:04:47,350 --> 00:04:45,919

psi practitioner is it psy or psi

110

00:04:49,270 --> 00:04:47,360

practitioner

111

00:04:50,550 --> 00:04:49,280

psy i thought so i just wanted to make

112

00:04:53,430 --> 00:04:50,560

sure i got that right so psy

113

00:04:55,270 --> 00:04:53,440

practitioner ufologist remote viewer

114

00:04:57,350 --> 00:04:55,280

among many other things we've got buddy

115

00:04:59,270 --> 00:04:57,360

the host of alien protocols on youtube

116

00:05:01,350 --> 00:04:59,280

buddy how are you this evening

117

00:05:03,430 --> 00:05:01,360

good thanks for having me i appreciate

118

00:05:06,310 --> 00:05:03,440

your time it's an absolute pleasure this

119

00:05:07,990 --> 00:05:06,320

is a a slight sidetrack from from recent

120

00:05:10,310 --> 00:05:08,000

guests i've had a lot of chat around the

121

00:05:11,430 --> 00:05:10,320

ufo subject and topic and that's

122

00:05:12,710 --> 00:05:11,440

something we're definitely going to

123

00:05:14,790 --> 00:05:12,720

speak on but i've said from the

124

00:05:16,629 --> 00:05:14,800

beginning remote viewing was something i

125

00:05:18,550 --> 00:05:16,639

was really interested in and it's been

126

00:05:20,469 --> 00:05:18,560

great to get in touch with yourself and

127

00:05:23,110 --> 00:05:20,479

jenna on twitter was the person who kind

128

00:05:24,469 --> 00:05:23,120

of sent me in your direction so again

129

00:05:26,469 --> 00:05:24,479

that's um it's really good to kind of

130

00:05:27,430 --> 00:05:26,479

get in touch with you so

131

00:05:29,270 --> 00:05:27,440

um

132

00:05:31,029 --> 00:05:29,280

well they aren't connected even ufos

133

00:05:33,350 --> 00:05:31,039

non-remote viewing have a very intimate

134

00:05:35,670 --> 00:05:33,360

connection we'll get into that more uh

135

00:05:37,749 --> 00:05:35,680

in you know as we discuss oh absolutely

136

00:05:39,110 --> 00:05:37,759

yeah they do a very strong connection so

137

00:05:40,629 --> 00:05:39,120

i want to start off buddy just by

138

00:05:42,790 --> 00:05:40,639

discussing a little bit about your

139

00:05:45,270 --> 00:05:42,800

background um when you first got an

140

00:05:48,550 --> 00:05:45,280

inkling you had any particular gifts and

141

00:05:51,909 --> 00:05:48,560

what kind of legitimate at this point

142

00:05:52,950 --> 00:05:51,919

um well when i was a kid i knew i had

143

00:05:53,909 --> 00:05:52,960

you know

144

00:05:56,070 --> 00:05:53,919

uh

145

00:05:56,950 --> 00:05:56,080

precognizant dreams

146

00:05:58,870 --> 00:05:56,960

and

147

00:06:01,990 --> 00:05:58,880

i had the ability to see things in the

148

00:06:05,350 --> 00:06:02,000

future and influence things around me

149

00:06:08,150 --> 00:06:05,360

and my mother was very very intuitive

150

00:06:10,230 --> 00:06:08,160

and uh she encouraged my intuition and

151  
00:06:13,110 --> 00:06:10,240  
you know told me always to believe in my

152  
00:06:15,909 --> 00:06:13,120  
first gut instinct my first intuition

153  
00:06:18,150 --> 00:06:15,919  
which remote viewers called a gestalt

154  
00:06:19,670 --> 00:06:18,160  
and uh that's the most accurate

155  
00:06:20,870 --> 00:06:19,680  
information you get is usually your

156  
00:06:23,110 --> 00:06:20,880  
gestalt

157  
00:06:25,270 --> 00:06:23,120  
the very first thing that comes to you

158  
00:06:27,749 --> 00:06:25,280  
from a point of stillness

159  
00:06:30,950 --> 00:06:27,759  
and um it's just stunningly accurate

160  
00:06:32,550 --> 00:06:30,960  
stuff so i've started you know basically

161  
00:06:35,510 --> 00:06:32,560  
as a child and

162  
00:06:39,990 --> 00:06:35,520  
i've always played with it and explored

163  
00:06:42,150 --> 00:06:40,000

and um for me it was more i was doing

164

00:06:43,350 --> 00:06:42,160

what's considered now to be astral

165

00:06:45,430 --> 00:06:43,360

projection

166

00:06:47,749 --> 00:06:45,440

which is you know in my mind flying to

167

00:06:49,430 --> 00:06:47,759

locations and seeing them and hovering

168

00:06:52,070 --> 00:06:49,440

above them or hovering over someone's

169

00:06:53,510 --> 00:06:52,080

shoulder and um

170

00:06:55,589 --> 00:06:53,520

so it's

171

00:06:57,270 --> 00:06:55,599

it's always kind of been there and then

172

00:06:59,670 --> 00:06:57,280

i've trained myself in other abilities

173

00:07:01,029 --> 00:06:59,680

over time because i think these all

174

00:07:02,550 --> 00:07:01,039

these abilities are really kind of

175

00:07:05,350 --> 00:07:02,560

connected

176

00:07:07,909 --> 00:07:05,360

and this is science this isn't

177

00:07:12,469 --> 00:07:07,919

this isn't you know imaginary this isn't

178

00:07:14,950 --> 00:07:12,479

you know fanciful spiritual you know

179

00:07:17,350 --> 00:07:14,960

something that's not tangible i believe

180

00:07:19,670 --> 00:07:17,360

all this stuff and so do the researchers

181

00:07:22,070 --> 00:07:19,680

that this is this phenomena is

182

00:07:24,870 --> 00:07:22,080

reflective of a deeper science that we

183

00:07:27,510 --> 00:07:24,880

just don't know the science to yet

184

00:07:28,710 --> 00:07:27,520

oftentimes a new science will present

185

00:07:32,070 --> 00:07:28,720

itself

186

00:07:35,029 --> 00:07:32,080

the very first time as a phenomenon

187

00:07:37,990 --> 00:07:35,039

and then as the phenomena is demystified

188

00:07:39,830 --> 00:07:38,000

it becomes science uh 200 years ago a

189

00:07:41,830 --> 00:07:39,840

scientist named volta

190

00:07:43,990 --> 00:07:41,840

took a whole bunch of paranormal and

191

00:07:46,309 --> 00:07:44,000

strange phenomena that was happening at

192

00:07:48,790 --> 00:07:46,319

the time and united them into the

193

00:07:52,309 --> 00:07:48,800

electromagnetic field

194

00:07:54,869 --> 00:07:52,319

and brought a sense of reality and logic

195

00:07:57,189 --> 00:07:54,879

and physics to these strange you know

196

00:07:59,990 --> 00:07:57,199

occurrences that were happening and i

197

00:08:01,830 --> 00:08:00,000

believe and so do many others that

198

00:08:03,909 --> 00:08:01,840

this ability and the associated

199

00:08:05,670 --> 00:08:03,919

abilities around it from the power of

200

00:08:07,350 --> 00:08:05,680

prayer to

201  
00:08:10,629 --> 00:08:07,360  
healings to

202  
00:08:12,869 --> 00:08:10,639  
psychokinesis they all are reflective of

203  
00:08:14,230 --> 00:08:12,879  
enough some type of fields

204  
00:08:16,070 --> 00:08:14,240  
it's a field that has a tremendous

205  
00:08:17,589 --> 00:08:16,080  
amount of information and connects all

206  
00:08:19,670 --> 00:08:17,599  
space and time

207  
00:08:21,430 --> 00:08:19,680  
so um

208  
00:08:24,390 --> 00:08:21,440  
you know i taught myself to different

209  
00:08:26,550 --> 00:08:24,400  
abilities over time and found myself uh

210  
00:08:29,270 --> 00:08:26,560  
just drawn into situations and working

211  
00:08:30,150 --> 00:08:29,280  
for a wide variety of really interesting

212  
00:08:32,630 --> 00:08:30,160  
uh

213  
00:08:34,630 --> 00:08:32,640

companies organizations governmental

214

00:08:36,310 --> 00:08:34,640

stuff and uh

215

00:08:38,550 --> 00:08:36,320

and much more

216

00:08:40,469 --> 00:08:38,560

that's amazing so you mentioned early on

217

00:08:42,070 --> 00:08:40,479

pre-cognitive dreams

218

00:08:44,230 --> 00:08:42,080

can you tell us a little bit more what

219

00:08:46,389 --> 00:08:44,240

exactly you mean by that and

220

00:08:47,990 --> 00:08:46,399

my interpretation is that you're

221

00:08:49,590 --> 00:08:48,000

you're dreaming things that then come to

222

00:08:51,670 --> 00:08:49,600

fruition

223

00:08:53,829 --> 00:08:51,680

correct correct i one of the earliest

224

00:08:55,110 --> 00:08:53,839

ones i remember is we had a swinging

225

00:08:58,949 --> 00:08:55,120

bench

226

00:09:01,030 --> 00:08:58,959

and i had a precognition of my mother

227

00:09:03,430 --> 00:09:01,040

and my brother on the bench and the

228

00:09:05,670 --> 00:09:03,440

chain breaking and it falling

229

00:09:06,790 --> 00:09:05,680

and um i had told my mother about that

230

00:09:08,710 --> 00:09:06,800

and she thought that was very

231

00:09:10,870 --> 00:09:08,720

interesting and then within a day or two

232

00:09:12,470 --> 00:09:10,880

that's exactly what happened

233

00:09:16,070 --> 00:09:12,480

so

234

00:09:17,509 --> 00:09:16,080

you mentioned along with that was astral

235

00:09:18,470 --> 00:09:17,519

projection

236

00:09:22,710 --> 00:09:18,480

would you

237

00:09:23,910 --> 00:09:22,720

within like a dream state or is that

238

00:09:26,310 --> 00:09:23,920

something you practice through

239

00:09:28,710 --> 00:09:26,320

meditation and leave the body

240

00:09:31,269 --> 00:09:28,720

it's meditation through and leave the

241

00:09:33,269 --> 00:09:31,279

body and it's nothing associated with

242

00:09:34,949 --> 00:09:33,279

sleep um it's during you know the

243

00:09:37,670 --> 00:09:34,959

daytime you're completely cognizant of

244

00:09:39,910 --> 00:09:37,680

what's going on and um

245

00:09:42,310 --> 00:09:39,920

there's different types sometimes the

246

00:09:44,550 --> 00:09:42,320

quote-unquote signal is very strong and

247

00:09:47,350 --> 00:09:44,560

it's very vivid and the experience is

248

00:09:50,230 --> 00:09:47,360

filled with synesthesia and smells and

249

00:09:51,269 --> 00:09:50,240

sounds and you see images that flash in

250

00:09:52,870 --> 00:09:51,279

front of your eyes you're almost

251  
00:09:55,030 --> 00:09:52,880  
compelled to close your eyes so you can

252  
00:09:57,590 --> 00:09:55,040  
see these images better and other times

253  
00:09:58,389 --> 00:09:57,600  
it comes very sublime

254  
00:10:00,310 --> 00:09:58,399  
as

255  
00:10:02,790 --> 00:10:00,320  
information from nothingness once you

256  
00:10:05,110 --> 00:10:02,800  
clear your mind and still your mind

257  
00:10:07,670 --> 00:10:05,120  
um and find this point of complete

258  
00:10:09,990 --> 00:10:07,680  
blankness complete nothingness the first

259  
00:10:12,150 --> 00:10:10,000  
things that come to your mind are you

260  
00:10:14,790 --> 00:10:12,160  
know a gestalt and you write these down

261  
00:10:17,030 --> 00:10:14,800  
and those are the psychic impressions

262  
00:10:18,470 --> 00:10:17,040  
great what age would you say really

263  
00:10:19,990 --> 00:10:18,480

started ramping up for you if you're

264

00:10:20,949 --> 00:10:20,000

seeing this happen from being a young

265

00:10:22,870 --> 00:10:20,959

child

266

00:10:24,550 --> 00:10:22,880

was it your teenage years and people

267

00:10:26,230 --> 00:10:24,560

talk about puberty and all those kind of

268

00:10:27,990 --> 00:10:26,240

hormones kicking about in your body is

269

00:10:29,509 --> 00:10:28,000

when these things can really come to

270

00:10:31,590 --> 00:10:29,519

come to the forefront is that when it

271

00:10:34,949 --> 00:10:31,600

happened for you what sort of age

272

00:10:37,269 --> 00:10:34,959

i think a few different times i think

273

00:10:39,590 --> 00:10:37,279

right around puberty around that age

274

00:10:42,470 --> 00:10:39,600

it started happening and then it

275

00:10:44,949 --> 00:10:42,480

happened more in my late teens and then

276

00:10:48,230 --> 00:10:44,959

after my mother's passing i got

277

00:10:51,190 --> 00:10:48,240

tremendous amount more than as well

278

00:10:53,910 --> 00:10:51,200

okay now that's any incidents growing up

279

00:10:55,190 --> 00:10:53,920

that you recall back to and i'm i'm not

280

00:10:56,710 --> 00:10:55,200

talking about you know what we might see

281

00:10:58,949 --> 00:10:56,720

in some kind of superhero movie or

282

00:11:01,190 --> 00:10:58,959

horror film where you're in some uh

283

00:11:02,710 --> 00:11:01,200

canteen and you make everything fly off

284

00:11:04,630 --> 00:11:02,720

the benches but was there anything you

285

00:11:06,150 --> 00:11:04,640

remember that maybe happened that was

286

00:11:07,990 --> 00:11:06,160

particularly traumatizing or it was

287

00:11:08,870 --> 00:11:08,000

maybe a more positive experience growing

288

00:11:10,230 --> 00:11:08,880

up

289

00:11:11,990 --> 00:11:10,240

um i don't remember anything

290

00:11:14,069 --> 00:11:12,000

traumatizing i've always had positive

291

00:11:16,870 --> 00:11:14,079

experiences around all of this stuff i

292

00:11:19,509 --> 00:11:16,880

prefer not to let any negativity into my

293

00:11:21,829 --> 00:11:19,519

mind at all in any way so i've never had

294

00:11:24,310 --> 00:11:21,839

any negative experiences in any of the

295

00:11:27,590 --> 00:11:24,320

esoteric stuff or you know the ufology

296

00:11:29,990 --> 00:11:27,600

type stuff but i remember

297

00:11:32,230 --> 00:11:30,000

trying to move a painting

298

00:11:33,590 --> 00:11:32,240

in my room in my bedroom as a kid and

299

00:11:35,750 --> 00:11:33,600

trying to move it with my mind and

300

00:11:37,350 --> 00:11:35,760

trying to move it and

301  
00:11:38,949 --> 00:11:37,360  
then i fell asleep

302  
00:11:40,870 --> 00:11:38,959  
and when i woke up in the morning it was

303  
00:11:42,790 --> 00:11:40,880  
tilted and turned

304  
00:11:45,269 --> 00:11:42,800  
and i was like that's really unusual did

305  
00:11:47,590 --> 00:11:45,279  
i sleepwalk or something or or how did

306  
00:11:49,190 --> 00:11:47,600  
that happen and then over time i found

307  
00:11:50,629 --> 00:11:49,200  
that i had the ability to influence

308  
00:11:53,350 --> 00:11:50,639  
things a little bit there were times

309  
00:11:55,430 --> 00:11:53,360  
where i was able to push a marble

310  
00:11:56,550 --> 00:11:55,440  
and i didn't i

311  
00:11:57,990 --> 00:11:56,560  
it was

312  
00:11:59,910 --> 00:11:58,000  
not consistent

313  
00:12:02,150 --> 00:11:59,920

but when it happened it was just like

314

00:12:04,710 --> 00:12:02,160

electric you know um

315

00:12:06,069 --> 00:12:04,720

so it's never you know these abilities

316

00:12:07,910 --> 00:12:06,079

are like any of your other senses

317

00:12:10,150 --> 00:12:07,920

they're not perfect they're not flawless

318

00:12:12,230 --> 00:12:10,160

you know it's not like a superhero but

319

00:12:14,230 --> 00:12:12,240

um the more you work on them the more

320

00:12:15,910 --> 00:12:14,240

consistent they become

321

00:12:17,350 --> 00:12:15,920

yeah i think some of the phrasing you've

322

00:12:19,350 --> 00:12:17,360

used and later on we've got one of my

323

00:12:21,110 --> 00:12:19,360

listener questions is latent abilities

324

00:12:21,990 --> 00:12:21,120

so this is something you very much

325

00:12:24,790 --> 00:12:22,000

believe

326

00:12:26,470 --> 00:12:24,800

we've all got inside of us already and

327

00:12:28,629 --> 00:12:26,480

it's just bringing it out and how you

328

00:12:31,110 --> 00:12:28,639

come about doing that yeah

329

00:12:32,949 --> 00:12:31,120

exactly exactly was there anyone you

330

00:12:35,030 --> 00:12:32,959

look to growing up because again this is

331

00:12:36,629 --> 00:12:35,040

something that is is quite different

332

00:12:38,629 --> 00:12:36,639

from most people's childhoods that they

333

00:12:40,069 --> 00:12:38,639

realize have got these gifts i mean i

334

00:12:41,670 --> 00:12:40,079

walked along the street and pretended i

335

00:12:43,509 --> 00:12:41,680

could move a crisp packet that was only

336

00:12:46,150 --> 00:12:43,519

blowing in the wind and we've all could

337

00:12:47,670 --> 00:12:46,160

have done those things as a kid and

338

00:12:48,870 --> 00:12:47,680

try to make a light turn off and that

339

00:12:50,790 --> 00:12:48,880

was one of your youtube videos i saw

340

00:12:52,150 --> 00:12:50,800

recently we've all tried it but for for

341

00:12:55,269 --> 00:12:52,160

the 99

342

00:12:57,670 --> 00:12:55,279

99.9 even it never works but for you

343

00:12:59,750 --> 00:12:57,680

this is something that you honed so was

344

00:13:01,670 --> 00:12:59,760

there anyone you looked to growing up

345

00:13:04,310 --> 00:13:01,680

and those fields are in those areas i'm

346

00:13:05,990 --> 00:13:04,320

i'm thinking names like ingo swann

347

00:13:08,150 --> 00:13:06,000

exactly you nailed it you're psychic

348

00:13:09,990 --> 00:13:08,160

yourself that's ingo swan is the top of

349

00:13:11,990 --> 00:13:10,000

my list um

350

00:13:13,750 --> 00:13:12,000

but uh there's a lot of people that go

351  
00:13:16,870 --> 00:13:13,760  
all the way back to the yoga sutras you

352  
00:13:20,230 --> 00:13:16,880  
know 2000 years ago like narghajuna

353  
00:13:22,790 --> 00:13:20,240  
who said if you still your mind like the

354  
00:13:24,310 --> 00:13:22,800  
surface of a lake you can reflect the

355  
00:13:26,629 --> 00:13:24,320  
universe

356  
00:13:28,949 --> 00:13:26,639  
and in the yoga sutras they spoke a lot

357  
00:13:30,389 --> 00:13:28,959  
about these abilities that on the path

358  
00:13:32,230 --> 00:13:30,399  
of virtue

359  
00:13:35,190 --> 00:13:32,240  
these abilities

360  
00:13:36,470 --> 00:13:35,200  
present themselves and these

361  
00:13:41,189 --> 00:13:36,480  
uh

362  
00:13:43,110 --> 00:13:41,199  
monks would be able to communicate with

363  
00:13:44,870 --> 00:13:43,120

another monk who's you know

364

00:13:48,710 --> 00:13:44,880

thousands of miles away

365

00:13:49,750 --> 00:13:48,720

or uh you know heal an injured child

366

00:13:52,230 --> 00:13:49,760

so

367

00:13:54,230 --> 00:13:52,240

you know in terms of influences there's

368

00:13:55,990 --> 00:13:54,240

never been a lot and there's also you

369

00:13:59,269 --> 00:13:56,000

know there's a great impediment to

370

00:14:01,750 --> 00:13:59,279

exploring this topic there's a lot of

371

00:14:03,430 --> 00:14:01,760

you know bs with this topic

372

00:14:05,670 --> 00:14:03,440

i've never wanted to be

373

00:14:07,590 --> 00:14:05,680

you know famous i don't want to be on tv

374

00:14:09,750 --> 00:14:07,600

i don't want to do tv shows or movies

375

00:14:11,670 --> 00:14:09,760

based on this stuff i'd rather be like

376

00:14:14,069 --> 00:14:11,680

an ingo swan someone who

377

00:14:16,949 --> 00:14:14,079

searched out researchers to try and get

378

00:14:18,550 --> 00:14:16,959

to the heart of what's going on here

379

00:14:21,110 --> 00:14:18,560

and to try and

380

00:14:24,870 --> 00:14:23,189

leave information behind that others

381

00:14:26,550 --> 00:14:24,880

would find useful

382

00:14:28,470 --> 00:14:26,560

and to help with the research to nail

383

00:14:30,389 --> 00:14:28,480

down this field or whatever the exact

384

00:14:32,389 --> 00:14:30,399

physics is so i've really tried

385

00:14:35,750 --> 00:14:32,399

especially in the past you know years to

386

00:14:36,870 --> 00:14:35,760

make my abilities uh strong enough so

387

00:14:39,670 --> 00:14:36,880

that

388

00:14:40,949 --> 00:14:39,680

they're dependable when uh confronted

389

00:14:44,870 --> 00:14:40,959

with a challenge in front of a

390

00:14:46,790 --> 00:14:44,880

researcher or while under pressure so um

391

00:14:47,910 --> 00:14:46,800

that's always been a real important

392

00:14:49,509 --> 00:14:47,920

thing to me

393

00:14:52,230 --> 00:14:49,519

and is that something you found that you

394

00:14:53,670 --> 00:14:52,240

you can at will rise to the occasion

395

00:14:55,670 --> 00:14:53,680

when you have to when you're when you're

396

00:14:57,430 --> 00:14:55,680

faced with a researcher or i was going

397

00:14:59,430 --> 00:14:57,440

to see a skeptic but i suppose you have

398

00:15:00,949 --> 00:14:59,440

nothing to prove to a skeptic but

399

00:15:03,590 --> 00:15:00,959

someone like a researcher who wants to

400

00:15:05,670 --> 00:15:03,600

look at the data the science really see

401  
00:15:07,509 --> 00:15:05,680  
what this is and you know what's what's

402  
00:15:09,509 --> 00:15:07,519  
the practicalities of this this kind of

403  
00:15:11,269 --> 00:15:09,519  
ability and how can we how can we make

404  
00:15:13,350 --> 00:15:11,279  
this more how can we bring it to more

405  
00:15:14,710 --> 00:15:13,360  
people what sort of occasions have you

406  
00:15:17,189 --> 00:15:14,720  
had today have you got any you would

407  
00:15:19,269 --> 00:15:17,199  
discuss tons of them tons of them um

408  
00:15:21,269 --> 00:15:19,279  
i've worked with scientists that were

409  
00:15:23,189 --> 00:15:21,279  
skeptical or some that partially

410  
00:15:24,949 --> 00:15:23,199  
believed and then when you see it

411  
00:15:26,949 --> 00:15:24,959  
yourself you know you can watch a

412  
00:15:29,030 --> 00:15:26,959  
thousand videos and you could you can

413  
00:15:31,670 --> 00:15:29,040

always assume some sort of kind of

414

00:15:32,550 --> 00:15:31,680

trickery or you know video

415

00:15:35,110 --> 00:15:32,560

you know

416

00:15:36,710 --> 00:15:35,120

effects of some kind but in person when

417

00:15:39,990 --> 00:15:36,720

you see something over and over again

418

00:15:42,550 --> 00:15:40,000

it's hard to dispute um recently i was

419

00:15:45,749 --> 00:15:42,560

at a lab in uh

420

00:15:46,870 --> 00:15:45,759

huntsville alabama which is the rocketry

421

00:15:49,350 --> 00:15:46,880

and

422

00:15:52,389 --> 00:15:49,360

capital of the united states basically

423

00:15:54,550 --> 00:15:52,399

and with a very big uh governmental

424

00:15:57,350 --> 00:15:54,560

organization behind it

425

00:16:00,310 --> 00:15:57,360

and others were there and

426  
00:16:03,590 --> 00:16:02,069  
they asked me to go through several

427  
00:16:05,829 --> 00:16:03,600  
different machines to see if i could

428  
00:16:07,590 --> 00:16:05,839  
affect different machines and one of the

429  
00:16:09,509 --> 00:16:07,600  
videos is on

430  
00:16:11,189 --> 00:16:09,519  
my youtube channel where i affect a

431  
00:16:12,210 --> 00:16:11,199  
shielded compass

432  
00:16:13,430 --> 00:16:12,220  
and um

433  
00:16:15,030 --> 00:16:13,440  
[Music]

434  
00:16:16,870 --> 00:16:15,040  
the first machine i was working on but

435  
00:16:18,790 --> 00:16:16,880  
we didn't get a video of this one

436  
00:16:21,189 --> 00:16:18,800  
was a

437  
00:16:22,790 --> 00:16:21,199  
an electrostatic detector

438  
00:16:24,310 --> 00:16:22,800

and for the first like 10 minutes i

439

00:16:26,629 --> 00:16:24,320

couldn't get you know it sometimes it

440

00:16:28,790 --> 00:16:26,639

takes time and you have to have patience

441

00:16:30,230 --> 00:16:28,800

and i couldn't get it to go

442

00:16:32,870 --> 00:16:30,240

and um

443

00:16:34,389 --> 00:16:32,880

someone said something to me uh like one

444

00:16:35,430 --> 00:16:34,399

of the scientists was like taunting me

445

00:16:36,949 --> 00:16:35,440

you know like you want to give up yet

446

00:16:39,269 --> 00:16:36,959

and i was like no way i'm just starting

447

00:16:40,629 --> 00:16:39,279

to get the feel of the character of this

448

00:16:42,629 --> 00:16:40,639

funny machine

449

00:16:44,470 --> 00:16:42,639

and within a couple of minutes the it

450

00:16:46,550 --> 00:16:44,480

started moving and kept moving and kept

451  
00:16:47,430 --> 00:16:46,560  
moving and kept moving beyond the point

452  
00:16:49,110 --> 00:16:47,440  
of

453  
00:16:53,350 --> 00:16:49,120  
you know any

454  
00:16:54,550 --> 00:16:53,360  
interference

455  
00:16:55,990 --> 00:16:54,560  
um

456  
00:16:57,430 --> 00:16:56,000  
so uh

457  
00:16:59,430 --> 00:16:57,440  
you know i've been challenged a lot and

458  
00:17:01,350 --> 00:16:59,440  
tested a lot from bending metal

459  
00:17:03,990 --> 00:17:01,360  
screwdrivers in front of people and

460  
00:17:05,429 --> 00:17:04,000  
scientists and reporters and stuff

461  
00:17:07,429 --> 00:17:05,439  
without touching them

462  
00:17:09,750 --> 00:17:07,439  
you can hold the handle but wave your

463  
00:17:11,990 --> 00:17:09,760

hand over the part that you want in the

464

00:17:13,350 --> 00:17:12,000

way you want it to bend and

465

00:17:14,710 --> 00:17:13,360

it would bend

466

00:17:16,710 --> 00:17:14,720

and uh

467

00:17:19,750 --> 00:17:16,720

you know this stuff is so extraordinary

468

00:17:22,470 --> 00:17:19,760

it's so outside of most people's daily

469

00:17:24,870 --> 00:17:22,480

experiences that it's really logical and

470

00:17:27,270 --> 00:17:24,880

easy to negate its possibility

471

00:17:29,909 --> 00:17:27,280

but uh the shocking

472

00:17:33,029 --> 00:17:29,919

and astonishing truth is that this stuff

473

00:17:35,190 --> 00:17:33,039

is real

474

00:17:36,870 --> 00:17:35,200

you me you mentioned growing up so i

475

00:17:38,549 --> 00:17:36,880

nailed and go swan

476

00:17:41,029 --> 00:17:38,559

from your point of view i also mentioned

477

00:17:42,789 --> 00:17:41,039

uraguella now ango swan you mentioned

478

00:17:44,630 --> 00:17:42,799

was someone who sought out the

479

00:17:46,470 --> 00:17:44,640

researchers and really wanted to look at

480

00:17:47,590 --> 00:17:46,480

the scientific side of this

481

00:17:49,830 --> 00:17:47,600

would you

482

00:17:52,630 --> 00:17:49,840

say that an uraguella who's maybe more

483

00:17:54,230 --> 00:17:52,640

famous here in the uk um for being a bit

484

00:17:55,909 --> 00:17:54,240

of a celebrity he's done a lot of tv

485

00:17:58,070 --> 00:17:55,919

shows over the years do you have

486

00:18:01,830 --> 00:17:58,080

anything against someone like that who i

487

00:18:04,630 --> 00:18:01,840

kind of do yeah i i kind of do um and

488

00:18:07,430 --> 00:18:04,640

recently he said he was going to uh

489

00:18:09,990 --> 00:18:07,440

remote influence theresa may

490

00:18:12,390 --> 00:18:10,000

um about uh brexit

491

00:18:13,830 --> 00:18:12,400

and um you know i wrote him and said you

492

00:18:15,669 --> 00:18:13,840

know it's not going to happen it's not

493

00:18:17,510 --> 00:18:15,679

going to work you know you can't do it

494

00:18:19,990 --> 00:18:17,520

it won't work you know and if anything

495

00:18:22,310 --> 00:18:20,000

i'll try and stop you you know and

496

00:18:24,070 --> 00:18:22,320

she ended up voting for it like five

497

00:18:25,990 --> 00:18:24,080

times or something so he had failed

498

00:18:27,590 --> 00:18:26,000

consistently in that one but he's always

499

00:18:31,190 --> 00:18:27,600

been a performer

500

00:18:34,310 --> 00:18:31,200

and i believe he's been mixing

501

00:18:37,110 --> 00:18:34,320

magic tricks with this stuff

502

00:18:39,990 --> 00:18:37,120

and um you don't need to mix the magic

503

00:18:41,270 --> 00:18:40,000

tricks you know you have to be willing

504

00:18:43,350 --> 00:18:41,280

to fail

505

00:18:46,310 --> 00:18:43,360

because sometimes you will fail

506

00:18:48,150 --> 00:18:46,320

but if you watch enough you will see

507

00:18:50,310 --> 00:18:48,160

things that are so miraculous so

508

00:18:53,590 --> 00:18:50,320

statistically beyond the realm of

509

00:18:55,669 --> 00:18:53,600

probability that you are left kind of

510

00:18:57,669 --> 00:18:55,679

gobsmacked

511

00:19:00,310 --> 00:18:57,679

yeah there's another incident famously a

512

00:19:03,029 --> 00:19:00,320

couple of years ago where uri geller uh

513

00:19:05,110 --> 00:19:03,039

claimed to have moved uh football from a

514

00:19:07,110 --> 00:19:05,120

penalty spot or a soccer game for those

515

00:19:09,350 --> 00:19:07,120

listening in the us with it with his

516

00:19:11,830 --> 00:19:09,360

mind um to help the english national

517

00:19:13,590 --> 00:19:11,840

football team out so yeah i definitely

518

00:19:15,909 --> 00:19:13,600

think there's an element of showmanship

519

00:19:17,830 --> 00:19:15,919

and character there that's maybe more

520

00:19:20,310 --> 00:19:17,840

fitting of an ancient aliens than than

521

00:19:21,830 --> 00:19:20,320

any other type of show but yeah no so if

522

00:19:23,669 --> 00:19:21,840

you've got those two different paths and

523

00:19:25,270 --> 00:19:23,679

then go swan and i know together kind of

524

00:19:27,029 --> 00:19:25,280

obviously wait and there's and there's

525

00:19:29,590 --> 00:19:27,039

real straight ups they're straight up

526

00:19:31,830 --> 00:19:29,600

scam artists too you know the neon light

527

00:19:33,909 --> 00:19:31,840

psychics um even though they may have

528

00:19:36,150 --> 00:19:33,919

real insights and they may have their

529

00:19:38,549 --> 00:19:36,160

natural ability like everyone have and

530

00:19:40,549 --> 00:19:38,559

produce real information oftentimes

531

00:19:43,029 --> 00:19:40,559

they're associated with scams and money

532

00:19:44,789 --> 00:19:43,039

scams and all that so i make a big

533

00:19:46,549 --> 00:19:44,799

effort not to charge for any of the

534

00:19:47,990 --> 00:19:46,559

stuff that i do people are welcome to

535

00:19:51,110 --> 00:19:48,000

give donations

536

00:19:52,630 --> 00:19:51,120

if they find our work helpful but um

537

00:19:55,190 --> 00:19:52,640

you know we don't charge and i don't

538

00:19:56,870 --> 00:19:55,200

charge and i teach for free and um

539

00:19:58,950 --> 00:19:56,880

unless it's like a private class or

540

00:20:00,630 --> 00:19:58,960

something so um

541

00:20:03,270 --> 00:20:00,640

you know it's really important to me to

542

00:20:06,470 --> 00:20:03,280

try to maintain as much integrity in

543

00:20:07,750 --> 00:20:06,480

this mysterious field as possible

544

00:20:09,430 --> 00:20:07,760

yeah and i think the integrity

545

00:20:11,190 --> 00:20:09,440

definitely helps the credibility side of

546

00:20:13,350 --> 00:20:11,200

things like like you say

547

00:20:14,950 --> 00:20:13,360

so again what sort of practice and

548

00:20:17,029 --> 00:20:14,960

training goes into nourishing those

549

00:20:18,710 --> 00:20:17,039

abilities so we know you've had puberty

550

00:20:20,310 --> 00:20:18,720

in late teens and

551

00:20:22,070 --> 00:20:20,320

you're starting to do more and more

552

00:20:23,909 --> 00:20:22,080

looking things like static pushing a

553

00:20:26,310 --> 00:20:23,919

marble those sorts of things

554

00:20:28,230 --> 00:20:26,320

how do they harness how do you harness

555

00:20:29,510 --> 00:20:28,240

those and get the most out of those

556

00:20:31,510 --> 00:20:29,520

abilities

557

00:20:33,590 --> 00:20:31,520

well some you just have to try for the

558

00:20:35,669 --> 00:20:33,600

first time you just have to push it like

559

00:20:39,190 --> 00:20:35,679

the first time i tried to do a healing

560

00:20:41,669 --> 00:20:39,200

um it was a sick dog that we had and

561

00:20:43,669 --> 00:20:41,679

um i just tried and prayed and you know

562

00:20:44,710 --> 00:20:43,679

those and i'm i consider myself a

563

00:20:46,630 --> 00:20:44,720

christian

564

00:20:48,390 --> 00:20:46,640

and so i pray and i consider all these

565

00:20:50,870 --> 00:20:48,400

gifts from god i don't you know there's

566

00:20:53,029 --> 00:20:50,880

a lot of uh evangelicals who find this

567

00:20:55,029 --> 00:20:53,039

sort of thing evil or demonic or

568

00:20:56,789 --> 00:20:55,039

whatever but i find that really ironic

569

00:20:58,710 --> 00:20:56,799

as someone who believes all of these are

570

00:21:00,950 --> 00:20:58,720

just you know the gifts that god has

571

00:21:03,430 --> 00:21:00,960

given us so um

572

00:21:05,430 --> 00:21:03,440

you know you try something and then you

573

00:21:08,070 --> 00:21:05,440

keep trying it and you try to hone it

574

00:21:10,630 --> 00:21:08,080

and improve it and over time if you're

575

00:21:12,870 --> 00:21:10,640

tenacious enough you'll see the results

576

00:21:14,710 --> 00:21:12,880

and sometimes it's a lot faster than you

577

00:21:17,510 --> 00:21:14,720

think you know the first time i tried to

578

00:21:19,510 --> 00:21:17,520

bend metal um i was almost like giggling

579

00:21:21,110 --> 00:21:19,520

at myself like how silly is this you

580

00:21:24,070 --> 00:21:21,120

know what am i trying to do

581

00:21:25,990 --> 00:21:24,080

and um

582

00:21:27,909 --> 00:21:26,000

when it started to move and then you get

583

00:21:30,390 --> 00:21:27,919

this whole sensation over your body it's

584

00:21:32,549 --> 00:21:30,400

almost like goofs bumps and you you get

585

00:21:34,230 --> 00:21:32,559

warm and it's almost because you know

586

00:21:37,990 --> 00:21:34,240

it's just so exciting and thrilling and

587

00:21:39,830 --> 00:21:38,000

unbelievable and amazing and um

588

00:21:41,190 --> 00:21:39,840

it just

589

00:21:43,830 --> 00:21:41,200

you know

590

00:21:45,669 --> 00:21:43,840

it's self-rewarding patience and

591

00:21:47,510 --> 00:21:45,679

tenacity are self-rewarding with the

592

00:21:48,390 --> 00:21:47,520

results that come from it

593

00:21:49,990 --> 00:21:48,400

um

594

00:21:52,390 --> 00:21:50,000

i've worked with a couple of big

595

00:21:54,789 --> 00:21:52,400

companies and big groups and well-known

596

00:21:57,270 --> 00:21:54,799

um associations and

597

00:21:59,029 --> 00:21:57,280

sometimes at the beginning typically at

598

00:22:02,149 --> 00:21:59,039

the beginning

599

00:22:04,070 --> 00:22:02,159

it's a feeling out process so it's not

600

00:22:05,350 --> 00:22:04,080

like boom out of the gates i'm you know

601  
00:22:06,549 --> 00:22:05,360  
kicking butt

602  
00:22:08,549 --> 00:22:06,559  
um

603  
00:22:09,909 --> 00:22:08,559  
sometimes it is but most of the time

604  
00:22:12,470 --> 00:22:09,919  
it's more sensitive trying to get a

605  
00:22:14,470 --> 00:22:12,480  
sense of the signal the location like a

606  
00:22:16,390 --> 00:22:14,480  
tuning fork trying to find the frequency

607  
00:22:17,350 --> 00:22:16,400  
of another tuning fork

608  
00:22:18,549 --> 00:22:17,360  
um

609  
00:22:20,390 --> 00:22:18,559  
where if you don't have the right note

610  
00:22:22,710 --> 00:22:20,400  
it's not gonna quite sink but the second

611  
00:22:24,630 --> 00:22:22,720  
you get the right frequency they're both

612  
00:22:26,230 --> 00:22:24,640  
humming and vibrating you know across a

613  
00:22:27,990 --> 00:22:26,240

distance

614

00:22:29,510 --> 00:22:28,000

okay so there's a lot there and

615

00:22:30,789 --> 00:22:29,520

everything being connected and i know

616

00:22:32,630 --> 00:22:30,799

that's something that you've you've

617

00:22:34,789 --> 00:22:32,640

talked about a lot and a lot of other

618

00:22:36,549 --> 00:22:34,799

people have and i think particularly the

619

00:22:38,149 --> 00:22:36,559

last couple of years i've seen if we

620

00:22:40,390 --> 00:22:38,159

want to talk a little bit about the ufo

621

00:22:42,149 --> 00:22:40,400

subject more and more this idea that

622

00:22:44,310 --> 00:22:42,159

everything's connected we're not looking

623

00:22:46,630 --> 00:22:44,320

at aliens from another planet hopping in

624

00:22:48,710 --> 00:22:46,640

a flying saucer and coming to say hello

625

00:22:50,390 --> 00:22:48,720

there's more to it with us phenomena

626  
00:22:52,549 --> 00:22:50,400  
rather than just extraterrestrials

627  
00:22:54,070 --> 00:22:52,559  
necessarily as well which for me is

628  
00:22:56,390 --> 00:22:54,080  
becoming more and more more and more of

629  
00:22:58,230 --> 00:22:56,400  
the way i'm thinking about it so

630  
00:23:00,789 --> 00:22:58,240  
i wanted to and that's really the truth

631  
00:23:02,470 --> 00:23:00,799  
yeah yeah and

632  
00:23:04,230 --> 00:23:02,480  
i'm going to get to some of that as well

633  
00:23:06,710 --> 00:23:04,240  
there's some of this that for me it

634  
00:23:08,630 --> 00:23:06,720  
makes a lot more sense than we've got

635  
00:23:10,070 --> 00:23:08,640  
one group of aliens coming to visitors

636  
00:23:11,830 --> 00:23:10,080  
who are technologically advanced and

637  
00:23:12,870 --> 00:23:11,840  
that's as you start to see

638  
00:23:15,110 --> 00:23:12,880

some of the

639

00:23:16,390 --> 00:23:15,120

the testimony from pilots what they're

640

00:23:18,549 --> 00:23:16,400

seeing some of the videos that are

641

00:23:20,710 --> 00:23:18,559

online are as camera phones get better

642

00:23:23,110 --> 00:23:20,720

and you're getting 4k and 8k videos of

643

00:23:24,549 --> 00:23:23,120

some of these shape-shifting entities in

644

00:23:26,710 --> 00:23:24,559

the sky it's clear that that's not a

645

00:23:28,390 --> 00:23:26,720

physical saucer or that's not a ship but

646

00:23:29,830 --> 00:23:28,400

then some of these things are so it's

647

00:23:31,350 --> 00:23:29,840

definitely evolving the way i'm thinking

648

00:23:33,590 --> 00:23:31,360

about it as well

649

00:23:36,070 --> 00:23:33,600

you know the obvious connection between

650

00:23:37,990 --> 00:23:36,080

the ufos and this these abilities and

651  
00:23:39,990 --> 00:23:38,000  
phenomena like the skinwalker ranch and

652  
00:23:41,430 --> 00:23:40,000  
haunted houses and things like that is

653  
00:23:43,430 --> 00:23:41,440  
consciousness

654  
00:23:45,669 --> 00:23:43,440  
and like i was saying before about there

655  
00:23:47,750 --> 00:23:45,679  
being some sort of a field if there is a

656  
00:23:49,430 --> 00:23:47,760  
field some sort of substructure

657  
00:23:52,230 --> 00:23:49,440  
underneath this reality kind of like the

658  
00:23:53,430 --> 00:23:52,240  
electromagnetic field was

659  
00:23:54,470 --> 00:23:53,440  
that

660  
00:23:57,669 --> 00:23:54,480  
has

661  
00:23:59,510 --> 00:23:57,679  
a connection to every place every time

662  
00:24:02,789 --> 00:23:59,520  
then you would think an advanced

663  
00:24:04,390 --> 00:24:02,799

civilization would understand that field

664

00:24:05,669 --> 00:24:04,400

and that technology

665

00:24:07,430 --> 00:24:05,679

very well

666

00:24:09,510 --> 00:24:07,440

and um

667

00:24:11,909 --> 00:24:09,520

utilize it as well you would it would

668

00:24:14,310 --> 00:24:11,919

almost mandate that advanced technology

669

00:24:16,470 --> 00:24:14,320

would i'm going to give a really a crass

670

00:24:17,909 --> 00:24:16,480

example here so forgive me but do you

671

00:24:19,110 --> 00:24:17,919

mean when you talk about a field

672

00:24:21,110 --> 00:24:19,120

something like

673

00:24:22,470 --> 00:24:21,120

star wars where you've got the force do

674

00:24:23,909 --> 00:24:22,480

you mean something like that that's

675

00:24:24,789 --> 00:24:23,919

behind everything or is it something

676

00:24:25,909 --> 00:24:24,799

else

677

00:24:28,230 --> 00:24:25,919

it's like an electric the

678

00:24:29,830 --> 00:24:28,240

electromagnetic field um is something

679

00:24:30,789 --> 00:24:29,840

that's invisible humans have lived

680

00:24:32,950 --> 00:24:30,799

around it

681

00:24:34,870 --> 00:24:32,960

you know our entire existence but we

682

00:24:37,269 --> 00:24:34,880

couldn't define it we couldn't

683

00:24:39,350 --> 00:24:37,279

see it unless rare circumstances like

684

00:24:41,190 --> 00:24:39,360

lightning bolts or static electricity

685

00:24:43,110 --> 00:24:41,200

when you walk across a carpet or rub two

686

00:24:45,669 --> 00:24:43,120

fabrics together

687

00:24:47,830 --> 00:24:45,679

it's a law and a structure that makes up

688

00:24:49,590 --> 00:24:47,840

our reality that's not

689

00:24:50,950 --> 00:24:49,600

visually tangible

690

00:24:52,070 --> 00:24:50,960

but is

691

00:24:54,310 --> 00:24:52,080

uh

692

00:24:57,110 --> 00:24:54,320

observable or

693

00:24:58,390 --> 00:24:57,120

is it presents itself

694

00:25:00,630 --> 00:24:58,400

under certain

695

00:25:02,789 --> 00:25:00,640

very specific conditions

696

00:25:05,350 --> 00:25:02,799

so um

697

00:25:07,990 --> 00:25:05,360

there's a belief in physics

698

00:25:11,590 --> 00:25:08,000

a big debate about uh the role that

699

00:25:13,350 --> 00:25:11,600

consciousness plays in reality

700

00:25:15,350 --> 00:25:13,360

the famous two-slit

701  
00:25:17,590 --> 00:25:15,360  
and and many others

702  
00:25:18,710 --> 00:25:17,600  
where physicists are not

703  
00:25:20,390 --> 00:25:18,720  
sure

704  
00:25:22,070 --> 00:25:20,400  
why

705  
00:25:24,789 --> 00:25:22,080  
observation

706  
00:25:25,990 --> 00:25:24,799  
seems to literally affect space-time and

707  
00:25:28,789 --> 00:25:26,000  
matter

708  
00:25:31,269 --> 00:25:28,799  
but it's definitively scientifically

709  
00:25:32,390 --> 00:25:31,279  
true that the observation of subatomic

710  
00:25:34,070 --> 00:25:32,400  
particles

711  
00:25:35,510 --> 00:25:34,080  
effects

712  
00:25:37,430 --> 00:25:35,520  
their reality

713  
00:25:39,430 --> 00:25:37,440

and not just that you're seeing them or

714

00:25:40,789 --> 00:25:39,440

that if you're using you know lights to

715

00:25:43,510 --> 00:25:40,799

bounce off of them to identify their

716

00:25:46,310 --> 00:25:43,520

location it's much deeper than that

717

00:25:49,590 --> 00:25:46,320

they've done all sorts of experiments

718

00:25:53,029 --> 00:25:49,600

and it it's proven that consciousness

719

00:25:54,630 --> 00:25:53,039

and reality are essentially interwoven

720

00:25:56,789 --> 00:25:54,640

like a tapestry

721

00:25:57,830 --> 00:25:56,799

so it's not space-time matter and energy

722

00:26:02,710 --> 00:25:57,840

first

723

00:26:05,190 --> 00:26:02,720

people in this field um

724

00:26:08,390 --> 00:26:05,200

hypothesize i believe it's a tapestry

725

00:26:11,269 --> 00:26:08,400

that they're both interwoven very deeply

726

00:26:13,669 --> 00:26:11,279

um you can't have uh a consciousness

727

00:26:15,269 --> 00:26:13,679

without energy space time and matter and

728

00:26:17,029 --> 00:26:15,279

energy space-time and matter are

729

00:26:19,190 --> 00:26:17,039

completely meaningless if there's no

730

00:26:20,470 --> 00:26:19,200

consciousness to observe it

731

00:26:22,470 --> 00:26:20,480

um

732

00:26:25,110 --> 00:26:22,480

so it's like the classic you know if a

733

00:26:27,430 --> 00:26:25,120

bear poops in the woods um

734

00:26:28,470 --> 00:26:27,440

you know or a tree falls in the woods

735

00:26:30,390 --> 00:26:28,480

yeah

736

00:26:34,390 --> 00:26:30,400

and no one's watching or no one sees the

737

00:26:36,549 --> 00:26:34,400

poop um did it happen and uh physics has

738

00:26:38,549 --> 00:26:36,559

told us that

739

00:26:40,710 --> 00:26:38,559

something called a superposition which

740

00:26:43,190 --> 00:26:40,720

is kind of unusual and superposition

741

00:26:44,710 --> 00:26:43,200

means it did happen and it didn't happen

742

00:26:46,470 --> 00:26:44,720

simultaneously

743

00:26:47,990 --> 00:26:46,480

and it's not determined until it's

744

00:26:49,830 --> 00:26:48,000

observed

745

00:26:55,750 --> 00:26:49,840

so it's a bit of a schrodinger's cat

746

00:26:58,870 --> 00:26:57,350

we don't know it might have but we can't

747

00:26:59,990 --> 00:26:58,880

see it so

748

00:27:00,789 --> 00:27:00,000

yes

749

00:27:04,149 --> 00:27:00,799

both

750

00:27:07,190 --> 00:27:04,159

this super position

751  
00:27:09,029 --> 00:27:07,200  
until an observation causes reality to

752  
00:27:12,310 --> 00:27:09,039  
make a decision

753  
00:27:14,149 --> 00:27:12,320  
so um we're just beginning to understand

754  
00:27:15,990 --> 00:27:14,159  
consciousness and its role in the

755  
00:27:20,950 --> 00:27:16,000  
physical world

756  
00:27:27,750 --> 00:27:23,590  
in the most basic definition it's an

757  
00:27:30,310 --> 00:27:27,760  
awareness of your surroundings

758  
00:27:32,230 --> 00:27:30,320  
and different creatures have different

759  
00:27:35,110 --> 00:27:32,240  
levels of consciousness

760  
00:27:37,430 --> 00:27:35,120  
um some might say because an amoeba can

761  
00:27:39,830 --> 00:27:37,440  
react to its environment

762  
00:27:42,310 --> 00:27:39,840  
um that maybe it has consciousness yeah

763  
00:27:44,310 --> 00:27:42,320

i don't know about that but obviously

764

00:27:47,029 --> 00:27:44,320

animals have consciousness down to the

765

00:27:49,269 --> 00:27:47,039

smallest sizes um

766

00:27:51,190 --> 00:27:49,279

so um

767

00:27:52,870 --> 00:27:51,200

it's something that i don't completely

768

00:27:54,070 --> 00:27:52,880

understand myself

769

00:27:56,950 --> 00:27:54,080

i don't understand the complete

770

00:27:57,590 --> 00:27:56,960

parameters of it but i'm an explorer of

771

00:27:59,669 --> 00:27:57,600

it

772

00:28:01,350 --> 00:27:59,679

that's for certain

773

00:28:03,110 --> 00:28:01,360

i think what's for certain as well as

774

00:28:04,630 --> 00:28:03,120

we're all exploring it we might not be

775

00:28:07,350 --> 00:28:04,640

aware we're exploring it but we're all

776

00:28:09,190 --> 00:28:07,360

here so for some reason whether we chose

777

00:28:10,789 --> 00:28:09,200

it and we don't know it or not that

778

00:28:12,230 --> 00:28:10,799

we're experiencing the same thing

779

00:28:15,990 --> 00:28:12,240

potentially so

780

00:28:18,230 --> 00:28:16,000

um i want to touch on remote viewing so

781

00:28:20,149 --> 00:28:18,240

what would you say if someone asked you

782

00:28:23,190 --> 00:28:20,159

you know point blank what exactly is

783

00:28:25,990 --> 00:28:23,200

remote viewing how would you explain it

784

00:28:28,389 --> 00:28:26,000

i would explain it simply as it is a

785

00:28:30,710 --> 00:28:28,399

seven page process

786

00:28:31,669 --> 00:28:30,720

that's very deliberative

787

00:28:32,630 --> 00:28:31,679

and

788

00:28:34,149 --> 00:28:32,640

very

789

00:28:36,470 --> 00:28:34,159

um

790

00:28:38,950 --> 00:28:36,480

it has very specific instructions for

791

00:28:40,789 --> 00:28:38,960

every point throughout the process

792

00:28:44,549 --> 00:28:40,799

and it is a

793

00:28:45,590 --> 00:28:44,559

way to see distant places and things and

794

00:28:47,269 --> 00:28:45,600

times

795

00:28:49,990 --> 00:28:47,279

without being there

796

00:28:53,269 --> 00:28:50,000

and it was basically invented in its

797

00:28:55,909 --> 00:28:53,279

modern form by ingo swan

798

00:28:58,870 --> 00:28:55,919

working with sri stanford research

799

00:29:01,430 --> 00:28:58,880

institute and the cia

800

00:29:04,950 --> 00:29:01,440

and there was a very active program for

801  
00:29:08,230 --> 00:29:04,960  
20 years with the cia and remote viewers

802  
00:29:11,110 --> 00:29:08,240  
doing amazing staggering feats

803  
00:29:13,350 --> 00:29:11,120  
and ingo was one of the best of all of

804  
00:29:17,110 --> 00:29:13,360  
them there's a great documentary out now

805  
00:29:19,190 --> 00:29:17,120  
called third eye spies directed by lance

806  
00:29:20,630 --> 00:29:19,200  
maguire and it really takes you through

807  
00:29:22,149 --> 00:29:20,640  
the facts and the evidence and the

808  
00:29:24,389 --> 00:29:22,159  
amazing stories

809  
00:29:26,950 --> 00:29:24,399  
and in fact i've been speaking with um

810  
00:29:29,430 --> 00:29:26,960  
lance for a while and him and this head

811  
00:29:31,750 --> 00:29:29,440  
scientist from an organization had been

812  
00:29:33,669 --> 00:29:31,760  
testing me and they tested me three

813  
00:29:34,950 --> 00:29:33,679

times surprised me out of nowhere and

814

00:29:37,350 --> 00:29:34,960

you know i

815

00:29:39,269 --> 00:29:37,360

i got a home run on all three of them

816

00:29:40,950 --> 00:29:39,279

really staggering results

817

00:29:42,870 --> 00:29:40,960

i mean if i was going to throw it out

818

00:29:44,950 --> 00:29:42,880

there with the scientists behind put off

819

00:29:47,029 --> 00:29:44,960

and would the organization be tsa or

820

00:29:49,990 --> 00:29:47,039

would you not be able to say that

821

00:29:51,430 --> 00:29:50,000

um i'll say no to that but the scientist

822

00:29:53,830 --> 00:29:51,440

it's come out the information has come

823

00:29:55,350 --> 00:29:53,840

out and a skinwalker ranch i've worked

824

00:29:57,909 --> 00:29:55,360

with them for two years now the head

825

00:29:59,350 --> 00:29:57,919

scientist eric bard there i will hold

826

00:30:02,710 --> 00:29:59,360

off on that because i have a whole

827

00:30:04,870 --> 00:30:02,720

section on that for you so yeah uh great

828

00:30:06,389 --> 00:30:04,880

that's that's good to know though um so

829

00:30:08,070 --> 00:30:06,399

when you talked about the the project

830

00:30:09,669 --> 00:30:08,080

that had gone on with the cia and third

831

00:30:10,950 --> 00:30:09,679

eye spies just for those who haven't

832

00:30:13,269 --> 00:30:10,960

seen it like you say is a great

833

00:30:16,149 --> 00:30:13,279

documentary great piece of filmmaking

834

00:30:17,909 --> 00:30:16,159

and it's now available on amazon prime

835

00:30:19,430 --> 00:30:17,919

included with a prime subscription or

836

00:30:21,269 --> 00:30:19,440

you can rent it i rented it when it

837

00:30:24,149 --> 00:30:21,279

first came out and so it's well worth

838

00:30:26,070 --> 00:30:24,159

the two two pounds 49 or four dollars

839

00:30:28,149 --> 00:30:26,080

whatever that might be over in the us so

840

00:30:29,909 --> 00:30:28,159

definitely recommend watching that but

841

00:30:31,909 --> 00:30:29,919

the that would be project stargate and

842

00:30:34,710 --> 00:30:31,919

you're looking at russell targ and hal

843

00:30:36,789 --> 00:30:34,720

pitov who has now obviously with ttsa as

844

00:30:39,029 --> 00:30:36,799

well and they've done some incredible

845

00:30:41,029 --> 00:30:39,039

work with the likes of anglo-swan and

846

00:30:42,710 --> 00:30:41,039

others like you say who maybe aren't as

847

00:30:44,149 --> 00:30:42,720

famous um

848

00:30:47,269 --> 00:30:44,159

so and they trained people out of

849

00:30:50,310 --> 00:30:47,279

nowhere soldiers they took a soldier um

850

00:30:52,070 --> 00:30:50,320

named joe mcmonagle and trained him in

851  
00:30:54,470 --> 00:30:52,080  
it and he became one of the very best he

852  
00:30:57,350 --> 00:30:54,480  
was also a great graphic artist so he

853  
00:31:00,470 --> 00:30:57,360  
was able to render beautiful very

854  
00:31:01,750 --> 00:31:00,480  
specific drawings of stuff that's just

855  
00:31:03,110 --> 00:31:01,760  
staggering

856  
00:31:04,630 --> 00:31:03,120  
some of the information when you see the

857  
00:31:06,630 --> 00:31:04,640  
movie you're like

858  
00:31:08,950 --> 00:31:06,640  
it's it's you know every time it happens

859  
00:31:11,269 --> 00:31:08,960  
with me i'm staggered by it it's it's

860  
00:31:12,549 --> 00:31:11,279  
wondrous it's it's really really

861  
00:31:14,149 --> 00:31:12,559  
incredible

862  
00:31:15,509 --> 00:31:14,159  
and would you say remote viewing because

863  
00:31:17,269 --> 00:31:15,519

this is something i've just seen more

864

00:31:19,269 --> 00:31:17,279

recently as well that it's not

865

00:31:21,110 --> 00:31:19,279

necessarily always seeing an exact

866

00:31:23,110 --> 00:31:21,120

picture in your head that if you're

867

00:31:25,110 --> 00:31:23,120

given a target and the target's going to

868

00:31:27,350 --> 00:31:25,120

be the eiffel tower you don't always

869

00:31:28,789 --> 00:31:27,360

necessarily see the eiffel tower and you

870

00:31:30,630 --> 00:31:28,799

can point that out but you would

871

00:31:33,029 --> 00:31:30,640

describe it and it'd be a feeling and

872

00:31:35,029 --> 00:31:33,039

it'd be descriptions and what's round

873

00:31:37,509 --> 00:31:35,039

about it and you would see a rather than

874

00:31:40,789 --> 00:31:37,519

you know it's a tower it's a point and

875

00:31:44,070 --> 00:31:40,799

it's got legs and is that how it works

876

00:31:45,990 --> 00:31:44,080

yes you know in fact for some reason

877

00:31:47,830 --> 00:31:46,000

and they say you're not supposed to try

878

00:31:49,509 --> 00:31:47,840

to name the target

879

00:31:51,990 --> 00:31:49,519

you're supposed to try and give all the

880

00:31:54,630 --> 00:31:52,000

feelings around it what it's composed of

881

00:31:56,230 --> 00:31:54,640

and the environment and and as you go

882

00:31:58,230 --> 00:31:56,240

through the process more and more these

883

00:32:01,029 --> 00:31:58,240

details come out and

884

00:32:02,870 --> 00:32:01,039

with the full crv controlled remote

885

00:32:05,430 --> 00:32:02,880

viewing method

886

00:32:07,750 --> 00:32:05,440

you can even use clay

887

00:32:09,110 --> 00:32:07,760

um and stuff as one of the very advanced

888

00:32:11,750 --> 00:32:09,120

techniques

889

00:32:13,909 --> 00:32:11,760

and when you're done the images you

890

00:32:15,750 --> 00:32:13,919

don't try and say what it is you draw it

891

00:32:17,750 --> 00:32:15,760

and sometimes it'll be apparent oh

892

00:32:21,029 --> 00:32:17,760

that's a volcano or oh that's the eiffel

893

00:32:23,750 --> 00:32:21,039

tower or you know that's uh

894

00:32:26,710 --> 00:32:23,760

you know notre dame or you know

895

00:32:28,710 --> 00:32:26,720

the colosseum and um you know

896

00:32:31,190 --> 00:32:28,720

technically you're not supposed to name

897

00:32:33,029 --> 00:32:31,200

them but as you get more advanced that

898

00:32:35,830 --> 00:32:33,039

ability does present itself where you

899

00:32:37,830 --> 00:32:35,840

can name targets and really nail targets

900

00:32:39,190 --> 00:32:37,840

um on my youtube channel you can see a

901  
00:32:40,950 --> 00:32:39,200  
bunch of different

902  
00:32:43,750 --> 00:32:40,960  
you know experiences that have happened

903  
00:32:45,590 --> 00:32:43,760  
recently where you know i i specifically

904  
00:32:47,509 --> 00:32:45,600  
nailed the target and it's it's always

905  
00:32:48,549 --> 00:32:47,519  
baffling and exciting and thrilling and

906  
00:32:50,470 --> 00:32:48,559  
wondrous

907  
00:32:52,230 --> 00:32:50,480  
yeah i watched some of yours and also

908  
00:32:55,350 --> 00:32:52,240  
someone who i think you're working with

909  
00:32:57,269 --> 00:32:55,360  
just now is omar um yes omar he's great

910  
00:32:59,110 --> 00:32:57,279  
i love the text messages and i think

911  
00:33:01,350 --> 00:32:59,120  
it's up on your twitter feed as well at

912  
00:33:03,430 --> 00:33:01,360  
alien protocols for people to see but

913  
00:33:05,830 --> 00:33:03,440

it's the description sounds really

914

00:33:08,630 --> 00:33:05,840

confusing at first but then when you see

915

00:33:11,350 --> 00:33:08,640

the actual picture that he manages to

916

00:33:12,950 --> 00:33:11,360

describe it's perfect the whole concept

917

00:33:15,590 --> 00:33:12,960

of feeling like there's kneeling

918

00:33:17,350 --> 00:33:15,600

involved and yes it's one of the

919

00:33:20,070 --> 00:33:17,360

egyptian goddess

920

00:33:22,230 --> 00:33:20,080

yes it was hathor and in fact the text

921

00:33:24,710 --> 00:33:22,240

of course was a lot longer and he was

922

00:33:26,950 --> 00:33:24,720

i'd never met omar before i just you

923

00:33:28,950 --> 00:33:26,960

know through online and stuff like that

924

00:33:30,710 --> 00:33:28,960

and he was just trying to challenge me

925

00:33:33,269 --> 00:33:30,720

and test if i was the real deal or not

926  
00:33:36,630 --> 00:33:33,279  
so he only gave me a target number the

927  
00:33:38,470 --> 00:33:36,640  
only information i had was eight digits

928  
00:33:39,350 --> 00:33:38,480  
eight numbers

929  
00:33:42,310 --> 00:33:39,360  
and

930  
00:33:44,549 --> 00:33:42,320  
those represent the target

931  
00:33:45,990 --> 00:33:44,559  
they used to use longitude and latitude

932  
00:33:48,070 --> 00:33:46,000  
and things like that but then people

933  
00:33:50,149 --> 00:33:48,080  
could memorize longitude and latitude

934  
00:33:52,310 --> 00:33:50,159  
and get a sense of where things were so

935  
00:33:54,389 --> 00:33:52,320  
they advanced it to just strictly what's

936  
00:33:56,950 --> 00:33:54,399  
called a target number and so with

937  
00:33:58,389 --> 00:33:56,960  
controlled remote viewing you get just a

938  
00:34:00,789 --> 00:33:58,399

target number

939

00:34:03,669 --> 00:34:00,799

and uh the information just flows and

940

00:34:05,909 --> 00:34:03,679

that one just it just flowed it was

941

00:34:08,869 --> 00:34:05,919

strange details like it's an ancient

942

00:34:11,990 --> 00:34:08,879

depiction of something older

943

00:34:13,510 --> 00:34:12,000

and there was a white cow in it and

944

00:34:14,310 --> 00:34:13,520

there was kneeling

945

00:34:16,310 --> 00:34:14,320

and

946

00:34:18,950 --> 00:34:16,320

vines the i'm feeling like a little thin

947

00:34:20,470 --> 00:34:18,960

vines of ivy and all those things were

948

00:34:22,470 --> 00:34:20,480

present in and you know you can watch

949

00:34:23,430 --> 00:34:22,480

the video and see and it was a dead

950

00:34:24,790 --> 00:34:23,440

ringer

951  
00:34:26,790 --> 00:34:24,800  
um

952  
00:34:28,869 --> 00:34:26,800  
and a few weeks before that the

953  
00:34:31,270 --> 00:34:28,879  
scientists from that uh location

954  
00:34:33,829 --> 00:34:31,280  
and lance munguia had called me out of

955  
00:34:35,669 --> 00:34:33,839  
nowhere with another target and i had

956  
00:34:38,389 --> 00:34:35,679  
nailed that one too it was electrical

957  
00:34:39,909 --> 00:34:38,399  
wiring and in my drawings the wirings

958  
00:34:42,790 --> 00:34:39,919  
were coming out of a

959  
00:34:44,950 --> 00:34:42,800  
like a roof uh like a lighting fixture

960  
00:34:48,470 --> 00:34:44,960  
so it was just a hole and the wirings

961  
00:34:50,710 --> 00:34:48,480  
come out and bent at a 45 degree angle

962  
00:34:53,030 --> 00:34:50,720  
and i had drawn them doing just that

963  
00:34:55,510 --> 00:34:53,040

bending at the 45 degree angle and and

964

00:34:57,910 --> 00:34:55,520

said that it was electrical wires

965

00:35:00,390 --> 00:34:57,920

yeah i always find that fascinating and

966

00:35:01,990 --> 00:35:00,400

as was an angle swan and if i'm wrong

967

00:35:04,310 --> 00:35:02,000

i'll edit this out to make myself look

968

00:35:06,069 --> 00:35:04,320

better but was an english one that was

969

00:35:07,670 --> 00:35:06,079

famously asked to

970

00:35:09,510 --> 00:35:07,680

it was it was i'm sure it was a us

971

00:35:11,510 --> 00:35:09,520

military something like that and to

972

00:35:12,950 --> 00:35:11,520

pinpoint a target and they thought he'd

973

00:35:15,190 --> 00:35:12,960

gotten the target wrong but what they'd

974

00:35:18,630 --> 00:35:15,200

actually pinpointed was u.s nuclear

975

00:35:20,390 --> 00:35:18,640

submarine positions out in the sea

976  
00:35:21,910 --> 00:35:20,400  
yeah am i getting that right

977  
00:35:23,910 --> 00:35:21,920  
yeah you're right

978  
00:35:25,750 --> 00:35:23,920  
they've also done

979  
00:35:26,550 --> 00:35:25,760  
had targets and

980  
00:35:28,710 --> 00:35:26,560  
they

981  
00:35:30,630 --> 00:35:28,720  
this is a famous story about pat price

982  
00:35:33,030 --> 00:35:30,640  
who is one of the famous ones he was a

983  
00:35:36,069 --> 00:35:33,040  
police detective who utilized his

984  
00:35:38,310 --> 00:35:36,079  
abilities to bust criminals

985  
00:35:41,270 --> 00:35:38,320  
and he was one of the very few who could

986  
00:35:43,589 --> 00:35:41,280  
do level seven phase seven targets and

987  
00:35:47,510 --> 00:35:43,599  
those are the most difficult like

988  
00:35:48,950 --> 00:35:47,520

a sentence or words um very highly

989

00:35:51,109 --> 00:35:48,960

detailed in

990

00:35:53,510 --> 00:35:51,119

information and so they had a target on

991

00:35:55,510 --> 00:35:53,520

a hill for them and he said wait there's

992

00:35:57,910 --> 00:35:55,520

something else more interesting just a

993

00:35:59,750 --> 00:35:57,920

couple miles a mile and a half away up

994

00:36:02,550 --> 00:35:59,760

the hill here and it ended up being a

995

00:36:04,870 --> 00:36:02,560

secret cia listening post he not only

996

00:36:07,109 --> 00:36:04,880

described the area but he went inside

997

00:36:11,030 --> 00:36:07,119

one of the offices opened up one of the

998

00:36:12,630 --> 00:36:11,040

files and named different file programs

999

00:36:14,790 --> 00:36:12,640

folders of them and they were all i

1000

00:36:18,150 --> 00:36:14,800

think related to billiards

1001

00:36:20,069 --> 00:36:18,160

and it was a they nailed it and it was

1002

00:36:22,069 --> 00:36:20,079

so frightful that the cia had to

1003

00:36:23,670 --> 00:36:22,079

reassess the entire program to see what

1004

00:36:26,710 --> 00:36:23,680

they were doing if you know something

1005

00:36:30,150 --> 00:36:26,720

fishy was going on if it was you know

1006

00:36:32,790 --> 00:36:30,160

some spy network or something um

1007

00:36:34,790 --> 00:36:32,800

so that the cia even had you know uh

1008

00:36:36,710 --> 00:36:34,800

controllers and assessors come in every

1009

00:36:39,430 --> 00:36:36,720

year and try and

1010

00:36:41,910 --> 00:36:39,440

you know see the value of this program

1011

00:36:46,069 --> 00:36:41,920

and what they learned to do what russell

1012

00:36:48,310 --> 00:36:46,079

learns to do was to teach the assessor

1013

00:36:51,190 --> 00:36:48,320

how to do basic remote viewing

1014

00:36:53,510 --> 00:36:51,200

and they would do a target

1015

00:36:55,270 --> 00:36:53,520

and they did incredibly well you know

1016

00:36:57,510 --> 00:36:55,280

for their very first time and so that

1017

00:36:58,950 --> 00:36:57,520

helped them continue the program for 20

1018

00:37:00,310 --> 00:36:58,960

years

1019

00:37:03,109 --> 00:37:00,320

it's the sort of thing that would be

1020

00:37:05,030 --> 00:37:03,119

rubbished in documentation and

1021

00:37:07,270 --> 00:37:05,040

and it's can i play down do you think

1022

00:37:08,630 --> 00:37:07,280

it's still something that's widely used

1023

00:37:10,310 --> 00:37:08,640

in the background in these sorts of

1024

00:37:12,790 --> 00:37:10,320

organizations and still something they

1025

00:37:14,710 --> 00:37:12,800

pursue

1026  
00:37:15,670 --> 00:37:14,720  
not widely used but it is definitely

1027  
00:37:16,630 --> 00:37:15,680  
used

1028  
00:37:18,390 --> 00:37:16,640  
okay

1029  
00:37:20,310 --> 00:37:18,400  
um what are some of the things that

1030  
00:37:21,510 --> 00:37:20,320  
you've remote viewed that you could talk

1031  
00:37:22,950 --> 00:37:21,520  
about that

1032  
00:37:23,990 --> 00:37:22,960  
i don't want to use the word interesting

1033  
00:37:27,349 --> 00:37:24,000  
because it's all particularly

1034  
00:37:28,630 --> 00:37:27,359  
interesting but from from a ufo or alien

1035  
00:37:31,190 --> 00:37:28,640  
point of view have you ever tried to

1036  
00:37:32,950 --> 00:37:31,200  
remote view something off earth

1037  
00:37:34,950 --> 00:37:32,960  
on a different you know

1038  
00:37:36,950 --> 00:37:34,960

the first thing and i always this was

1039

00:37:40,150 --> 00:37:36,960

very important for me is to increase my

1040

00:37:41,829 --> 00:37:40,160

accuracy on verifiable targets first so

1041

00:37:43,670 --> 00:37:41,839

if you know your accuracy on a

1042

00:37:45,670 --> 00:37:43,680

verifiable target when you have a

1043

00:37:49,270 --> 00:37:45,680

unverifiable target at least you'll have

1044

00:37:51,030 --> 00:37:49,280

a general idea how accurate you are so

1045

00:37:53,910 --> 00:37:51,040

after i'd really established that for

1046

00:37:56,230 --> 00:37:53,920

myself um then i started venturing into

1047

00:37:58,950 --> 00:37:56,240

more and more of the ufo stuff but some

1048

00:38:01,430 --> 00:37:58,960

of those just came up with targets um

1049

00:38:06,069 --> 00:38:01,440

grant cameron's assistant had a target

1050

00:38:06,870 --> 00:38:06,079

for me and was testing me and um

1051

00:38:09,270 --> 00:38:06,880

uh

1052

00:38:11,910 --> 00:38:09,280

i drew the drawing in my gestalt was a

1053

00:38:14,390 --> 00:38:11,920

spaceship in space with a big planet

1054

00:38:17,030 --> 00:38:14,400

right next to it another yellow a yellow

1055

00:38:19,270 --> 00:38:17,040

sun and a blue kind of sun

1056

00:38:22,069 --> 00:38:19,280

and the craft kind of going across it

1057

00:38:23,829 --> 00:38:22,079

like this and i kept saying oh this is

1058

00:38:25,109 --> 00:38:23,839

so stupid i'm gonna be you know she's

1059

00:38:28,790 --> 00:38:25,119

gonna i'm gonna fail she's gonna think

1060

00:38:30,950 --> 00:38:28,800

i'm an idiot and it was an exact

1061

00:38:33,109 --> 00:38:30,960

replica of the picture

1062

00:38:34,710 --> 00:38:33,119

um that she had so

1063

00:38:38,069 --> 00:38:34,720

um that was a really neat one i've done

1064

00:38:41,430 --> 00:38:38,079

a bunch of stuff in that area from ufo

1065

00:38:44,950 --> 00:38:41,440

bases to the nimitz incident

1066

00:38:46,420 --> 00:38:44,960

to underwater stuff to stuff on other

1067

00:38:48,150 --> 00:38:46,430

planets um

1068

00:38:50,470 --> 00:38:48,160

[Music]

1069

00:38:52,470 --> 00:38:50,480

to moons of jupiter

1070

00:38:55,109 --> 00:38:52,480

i've done a lot of stuff in fact i was

1071

00:38:56,950 --> 00:38:55,119

just um on the phone with linda moulton

1072

00:38:59,510 --> 00:38:56,960

howe and i had done a series of remote

1073

00:39:02,550 --> 00:38:59,520

viewings about um

1074

00:39:05,030 --> 00:39:02,560

a craft that had crashed in brazil

1075

00:39:06,870 --> 00:39:05,040

and um a u.s program there so i was able

1076  
00:39:08,310 --> 00:39:06,880  
to describe the craft and the occupants

1077  
00:39:10,790 --> 00:39:08,320  
and

1078  
00:39:12,950 --> 00:39:10,800  
was that the recent crash in june the

1079  
00:39:15,670 --> 00:39:12,960  
magi ufo

1080  
00:39:18,470 --> 00:39:15,680  
yes yep yep i've done a bit of a bonus

1081  
00:39:19,349 --> 00:39:18,480  
episode on on the the night after it

1082  
00:39:22,550 --> 00:39:19,359  
broke

1083  
00:39:24,390 --> 00:39:22,560  
because twitter was lighting up around

1084  
00:39:26,069 --> 00:39:24,400  
a whole lot of nothing potentially but

1085  
00:39:28,950 --> 00:39:26,079  
then it was just more and more clips

1086  
00:39:31,030 --> 00:39:28,960  
coming out and um arthur iglesias who is

1087  
00:39:33,510 --> 00:39:31,040  
uh lives in the uk but a brazilian

1088  
00:39:35,990 --> 00:39:33,520

native was translating the portuguese i

1089

00:39:37,190 --> 00:39:36,000

believe it was and letting us know this

1090

00:39:38,950 --> 00:39:37,200

is what they're saying and these people

1091

00:39:42,310 --> 00:39:38,960

are really panicked and something has

1092

00:39:44,230 --> 00:39:42,320

happened and i've done somebody i hadn't

1093

00:39:46,390 --> 00:39:44,240

heard about it you know you know pardon

1094

00:39:48,710 --> 00:39:46,400

my ignorance until she told me about it

1095

00:39:51,430 --> 00:39:48,720

you know today basically and all i got

1096

00:39:52,310 --> 00:39:51,440

was a longitude in latitude and you know

1097

00:39:54,310 --> 00:39:52,320

i just

1098

00:39:55,430 --> 00:39:54,320

just you know did a very long viewing

1099

00:39:57,109 --> 00:39:55,440

and i think that's going to air on her

1100

00:39:58,470 --> 00:39:57,119

channel tomorrow night

1101

00:40:00,150 --> 00:39:58,480

okay

1102

00:40:02,069 --> 00:40:00,160

so from from what i had looked at

1103

00:40:05,030 --> 00:40:02,079

initially then um

1104

00:40:08,230 --> 00:40:05,040

something potentially crashed near a

1105

00:40:10,550 --> 00:40:08,240

munitions base where they basically

1106

00:40:12,390 --> 00:40:10,560

make ammunition however there wasn't

1107

00:40:14,390 --> 00:40:12,400

meant to be any activity really at the

1108

00:40:17,109 --> 00:40:14,400

time near the base nothing outside the

1109

00:40:18,470 --> 00:40:17,119

normal and after this and there would

1110

00:40:20,470 --> 00:40:18,480

have been lights in the sky for a few

1111

00:40:21,990 --> 00:40:20,480

nights apparently there and there's a

1112

00:40:22,829 --> 00:40:22,000

few different videos on there some of

1113

00:40:25,589 --> 00:40:22,839

them are

1114

00:40:27,910 --> 00:40:25,599

unfortunately fakes from previous events

1115

00:40:29,829 --> 00:40:27,920

or carnivals or drone shows but they

1116

00:40:31,910 --> 00:40:29,839

were inter-spliced with some of the

1117

00:40:35,109 --> 00:40:31,920

actual footage that people had taken

1118

00:40:37,510 --> 00:40:35,119

so this object had crashed and it looks

1119

00:40:38,470 --> 00:40:37,520

quite um forest the area like quite

1120

00:40:40,069 --> 00:40:38,480

forestry

1121

00:40:42,950 --> 00:40:40,079

and then you can see the smoke coming

1122

00:40:44,630 --> 00:40:42,960

from the hills after that it went kind

1123

00:40:46,550 --> 00:40:44,640

of quiet and then there was rumors that

1124

00:40:48,309 --> 00:40:46,560

there was a lot of u.s presence there

1125

00:40:49,750 --> 00:40:48,319

that the u.s military had gone and

1126

00:40:51,589 --> 00:40:49,760

cleaned things up

1127

00:40:53,270 --> 00:40:51,599

and it was very much

1128

00:40:54,950 --> 00:40:53,280

it disappeared

1129

00:40:57,030 --> 00:40:54,960

read it shut it down and it was removed

1130

00:40:59,109 --> 00:40:57,040

off of reddit there was a lot of admins

1131

00:41:00,470 --> 00:40:59,119

and blocking and i'm not a big reddit

1132

00:41:01,750 --> 00:41:00,480

user some people might be surprised to

1133

00:41:03,270 --> 00:41:01,760

know that but it's something i've just

1134

00:41:05,990 --> 00:41:03,280

never really got around to to getting

1135

00:41:09,109 --> 00:41:06,000

into but reddit started banning a lot of

1136

00:41:10,870 --> 00:41:09,119

the phrases like maggie ufo of nemaji

1137

00:41:14,309 --> 00:41:10,880

which is obviously the portuguese for

1138

00:41:15,910 --> 00:41:14,319

ufo um so yeah that became a bit of a

1139

00:41:17,750 --> 00:41:15,920

overnight sensation and then really

1140

00:41:19,270 --> 00:41:17,760

quickly disappeared but that's

1141

00:41:21,109 --> 00:41:19,280

interesting that um that there's been

1142

00:41:22,470 --> 00:41:21,119

more can i came over and is there

1143

00:41:24,790 --> 00:41:22,480

anything you would say that you could

1144

00:41:26,550 --> 00:41:24,800

say more on it that you did see

1145

00:41:28,710 --> 00:41:26,560

absolutely there is a crash there are

1146

00:41:31,349 --> 00:41:28,720

occupants um

1147

00:41:33,670 --> 00:41:31,359

uh there is a u.s program that used to

1148

00:41:35,589 --> 00:41:33,680

be more international now it's more just

1149

00:41:37,829 --> 00:41:35,599

the united states

1150

00:41:39,750 --> 00:41:37,839

in south america

1151

00:41:42,150 --> 00:41:39,760

because there's a long history of

1152

00:41:44,069 --> 00:41:42,160

essentially like an e.t highway that

1153

00:41:46,710 --> 00:41:44,079

flies over peru

1154

00:41:49,270 --> 00:41:46,720

and into the rainforest of brazil

1155

00:41:50,950 --> 00:41:49,280

and um it's been going on for a long

1156

00:41:52,390 --> 00:41:50,960

time it may even be the cause of the

1157

00:41:55,190 --> 00:41:52,400

giant animal

1158

00:41:56,790 --> 00:41:55,200

glyphs on in nascar

1159

00:41:58,470 --> 00:41:56,800

but this has been going on for a long

1160

00:42:00,069 --> 00:41:58,480

time and there's other you know

1161

00:42:02,710 --> 00:42:00,079

whistleblowers in the military who've

1162

00:42:04,470 --> 00:42:02,720

spoken about this project and program

1163

00:42:06,390 --> 00:42:04,480

so it was a little bit about the project

1164

00:42:08,470 --> 00:42:06,400

and the program and the crash and the

1165

00:42:11,670 --> 00:42:08,480

crash retrieval and where they took the

1166

00:42:13,510 --> 00:42:11,680

crash afterwards they took it to a

1167

00:42:16,390 --> 00:42:13,520

way station base in peru and then from

1168

00:42:19,270 --> 00:42:16,400

there they took the biological

1169

00:42:21,750 --> 00:42:19,280

the samples let's say

1170

00:42:25,510 --> 00:42:21,760

beings and the craft they flew it in one

1171

00:42:27,430 --> 00:42:25,520

of those giant sea whatever's hercules

1172

00:42:29,670 --> 00:42:27,440

it was refueled in the air and they flew

1173

00:42:32,309 --> 00:42:29,680

it straight to wright-patterson air base

1174

00:42:34,630 --> 00:42:32,319

and um right pat

1175

00:42:36,230 --> 00:42:34,640

there were some leaked documents in

1176

00:42:38,150 --> 00:42:36,240

budgetary stuff that

1177

00:42:41,750 --> 00:42:38,160

was very strong

1178

00:42:44,550 --> 00:42:41,760

evidence that there is a space

1179

00:42:47,430 --> 00:42:44,560

base essentially a space command under

1180

00:42:49,990 --> 00:42:47,440

right pat and they had several levels of

1181

00:42:52,390 --> 00:42:50,000

biological containment and the u.s had

1182

00:42:54,950 --> 00:42:52,400

just put i think you know like 500

1183

00:42:56,550 --> 00:42:54,960

million dollars into the improvement of

1184

00:42:58,870 --> 00:42:56,560

the um

1185

00:43:01,109 --> 00:42:58,880

containment of the labs in there or

1186

00:43:02,870 --> 00:43:01,119

something so uh

1187

00:43:04,790 --> 00:43:02,880

you know that's basically what happened

1188

00:43:06,230 --> 00:43:04,800

with that and that the biological stuff

1189

00:43:08,710 --> 00:43:06,240

stayed there

1190

00:43:12,150 --> 00:43:08,720

and that the craft was then after a

1191

00:43:14,150 --> 00:43:12,160

couple days transported to tonopah

1192

00:43:16,230 --> 00:43:14,160

which is another base

1193

00:43:18,230 --> 00:43:16,240

did you see anything to do with one of

1194

00:43:19,750 --> 00:43:18,240

these occupants being shot because that

1195

00:43:21,589 --> 00:43:19,760

was one of the rumors of the time there

1196

00:43:24,630 --> 00:43:21,599

was a guy they were all shot ultimately

1197

00:43:26,150 --> 00:43:24,640

right yeah there was gunshots

1198

00:43:28,069 --> 00:43:26,160

yeah that was one thing that came out

1199

00:43:30,550 --> 00:43:28,079

from the locals that they had a round of

1200

00:43:32,630 --> 00:43:30,560

gunshots after the military had

1201

00:43:34,309 --> 00:43:32,640

apparently gone to the area and they

1202

00:43:36,150 --> 00:43:34,319

were certain that these things had been

1203

00:43:38,470 --> 00:43:36,160

had been shot so that's that's

1204

00:43:40,630 --> 00:43:38,480

particularly interesting as well yeah

1205

00:43:43,430 --> 00:43:40,640

and one of the uh beings apparently

1206

00:43:47,910 --> 00:43:43,440

survived for a few hours after being

1207

00:43:50,630 --> 00:43:47,920

shot and was speaking in portuguese

1208

00:43:52,550 --> 00:43:50,640

right so um very human isn't it uh you

1209

00:43:55,349 --> 00:43:52,560

know well welcome to earth and will

1210

00:43:57,670 --> 00:43:55,359

smith punches you in the face or right

1211

00:43:59,349 --> 00:43:57,680

the us military come up and shoot you

1212

00:44:00,309 --> 00:43:59,359

what i've said so many times is like you

1213

00:44:02,630 --> 00:44:00,319

know

1214

00:44:04,470 --> 00:44:02,640

militaries want to and men especially we

1215

00:44:07,270 --> 00:44:04,480

want to take something and smash it and

1216

00:44:09,349 --> 00:44:07,280

see how it's made you know but will we

1217

00:44:11,589 --> 00:44:09,359

learn more from a broken watch

1218

00:44:13,670 --> 00:44:11,599

will we learn more from an entire

1219

00:44:16,550 --> 00:44:13,680

perfect watch or would we learn more

1220

00:44:17,910 --> 00:44:16,560

from talking to the watchmakers

1221

00:44:21,430 --> 00:44:17,920

you know i think we've made the very

1222

00:44:22,950 --> 00:44:21,440

poor decision of trying to just smash

1223

00:44:25,430 --> 00:44:22,960

the watches

1224

00:44:27,829 --> 00:44:25,440

and not be smart enough to make the

1225

00:44:30,150 --> 00:44:27,839

communications with these advanced

1226

00:44:32,790 --> 00:44:30,160

craft that they've been reaching out to

1227

00:44:36,710 --> 00:44:32,800

us there's many many incidents in ufo

1228

00:44:37,670 --> 00:44:36,720

history of craft mimicking

1229

00:44:39,190 --> 00:44:37,680

people

1230

00:44:42,069 --> 00:44:39,200

either with you know someone will flash

1231

00:44:43,829 --> 00:44:42,079

a flashlight twice like allagash and

1232

00:44:45,030 --> 00:44:43,839

it'll flash twice and then they'll wait

1233

00:44:46,950 --> 00:44:45,040

for the next advancement of

1234

00:44:49,030 --> 00:44:46,960

communication and we don't know what to

1235

00:44:50,309 --> 00:44:49,040

do and they're on a mission until they

1236

00:44:51,430 --> 00:44:50,319

get bored they're like oh this will take

1237

00:44:53,109 --> 00:44:51,440

too long

1238

00:44:56,710 --> 00:44:53,119

and go off to their mission even the

1239

00:44:59,910 --> 00:44:56,720

nimitz incidents the famous one of late

1240

00:45:01,030 --> 00:44:59,920

the craft was physically

1241

00:45:02,550 --> 00:45:01,040

mimicking

1242

00:45:05,109 --> 00:45:02,560

the jet fighter

1243

00:45:06,550 --> 00:45:05,119

counter rotating yeah and

1244

00:45:07,670 --> 00:45:06,560

you know there's

1245

00:45:09,829 --> 00:45:07,680

uh

1246

00:45:13,190 --> 00:45:09,839

it just takes a little bit more patience

1247

00:45:14,870 --> 00:45:13,200

i think and tenacity and brain power to

1248

00:45:15,670 --> 00:45:14,880

make that communication happen but i

1249

00:45:17,030 --> 00:45:15,680

think

1250

00:45:18,710 --> 00:45:17,040

you know we're so desperate for this

1251  
00:45:19,910 --> 00:45:18,720  
advanced technology that we're willing

1252  
00:45:21,750 --> 00:45:19,920  
to do anything

1253  
00:45:24,790 --> 00:45:21,760  
and even luis elizondo said you know

1254  
00:45:27,190 --> 00:45:24,800  
south america is very hot right now

1255  
00:45:30,950 --> 00:45:27,200  
and luis elizondo who's you know the the

1256  
00:45:33,270 --> 00:45:30,960  
ex-government guy who's now at ttsa um

1257  
00:45:35,349 --> 00:45:33,280  
has a very a speech i think it was in

1258  
00:45:36,950 --> 00:45:35,359  
spain where he said you know the most

1259  
00:45:38,309 --> 00:45:36,960  
important work right now is going on in

1260  
00:45:39,349 --> 00:45:38,319  
south america and i really can't say

1261  
00:45:40,309 --> 00:45:39,359  
anymore

1262  
00:45:44,630 --> 00:45:40,319  
so

1263  
00:45:46,950 --> 00:45:44,640

anthony lippe who is the executive

1264

00:45:47,990 --> 00:45:46,960

producer of the unidentified documentary

1265

00:45:49,990 --> 00:45:48,000

series

1266

00:45:52,550 --> 00:45:50,000

now oh interesting this interview with

1267

00:45:54,870 --> 00:45:52,560

you won't go out for another week or two

1268

00:45:56,790 --> 00:45:54,880

my interview with anthony is allowed to

1269

00:45:58,630 --> 00:45:56,800

go out uh i've got permission from the

1270

00:46:02,150 --> 00:45:58,640

network tomorrow which would be the 8th

1271

00:46:05,589 --> 00:46:02,160

of july so um in preparation for the new

1272

00:46:06,870 --> 00:46:05,599

series and anthony as people will hear

1273

00:46:09,589 --> 00:46:06,880

given this interview is going to be out

1274

00:46:11,270 --> 00:46:09,599

after the the series starts was very

1275

00:46:13,910 --> 00:46:11,280

very good in what he talked about to do

1276

00:46:16,230 --> 00:46:13,920

the new series and he talked at length

1277

00:46:18,230 --> 00:46:16,240

about luis elizondo traveling to south

1278

00:46:20,630 --> 00:46:18,240

america and he would not name the

1279

00:46:23,270 --> 00:46:20,640

countries what he did say

1280

00:46:25,990 --> 00:46:23,280

is a huge part of the series and he goes

1281

00:46:28,390 --> 00:46:26,000

there for very very important talks with

1282

00:46:30,950 --> 00:46:28,400

some national leaders and there's a

1283

00:46:32,150 --> 00:46:30,960

whole area of the the show based there

1284

00:46:34,230 --> 00:46:32,160

so that's interesting you say that about

1285

00:46:36,230 --> 00:46:34,240

south america and i know that's a strong

1286

00:46:38,790 --> 00:46:36,240

part of the series coming up

1287

00:46:40,470 --> 00:46:38,800

and there is what was a secret program

1288

00:46:42,550 --> 00:46:40,480

like i was saying before that's taking

1289

00:46:45,990 --> 00:46:42,560

place in south america with basically

1290

00:46:47,829 --> 00:46:46,000

these teams that's a special unit

1291

00:46:49,589 --> 00:46:47,839

and there's other locations for them

1292

00:46:50,630 --> 00:46:49,599

across the world

1293

00:46:51,910 --> 00:46:50,640

um

1294

00:46:54,710 --> 00:46:51,920

and uh

1295

00:46:56,870 --> 00:46:54,720

this is their job to get

1296

00:46:58,150 --> 00:46:56,880

these materials first

1297

00:47:00,470 --> 00:46:58,160

and uh

1298

00:47:02,790 --> 00:47:00,480

it's very this is a very

1299

00:47:05,109 --> 00:47:02,800

complex tapestry

1300

00:47:06,950 --> 00:47:05,119

a lot of interweaving agencies groups

1301

00:47:08,390 --> 00:47:06,960

organizations and

1302

00:47:09,670 --> 00:47:08,400

you know information

1303

00:47:12,230 --> 00:47:09,680

so this is the question that i'll have

1304

00:47:13,750 --> 00:47:12,240

to ask you then given your ability to

1305

00:47:17,670 --> 00:47:13,760

see these things

1306

00:47:19,270 --> 00:47:17,680

why do these objects crash

1307

00:47:21,349 --> 00:47:19,280

well

1308

00:47:23,109 --> 00:47:21,359

it seems like

1309

00:47:26,069 --> 00:47:23,119

many of the crashes have been

1310

00:47:29,510 --> 00:47:26,079

essentially gifts

1311

00:47:30,950 --> 00:47:29,520

and if you look at how many have crashed

1312

00:47:33,190 --> 00:47:30,960

around the world

1313

00:47:36,390 --> 00:47:33,200

they seem to be gifts

1314

00:47:38,630 --> 00:47:36,400

without a way of scaring us too much

1315

00:47:40,230 --> 00:47:38,640

these crashed objects would be there and

1316

00:47:41,190 --> 00:47:40,240

you wonder what is the purpose of the

1317

00:47:44,069 --> 00:47:41,200

gift

1318

00:47:45,750 --> 00:47:44,079

the planet

1319

00:47:47,910 --> 00:47:45,760

is the gift the technology that's on

1320

00:47:49,829 --> 00:47:47,920

these craft that could help

1321

00:47:51,670 --> 00:47:49,839

you know our our environment and our

1322

00:47:53,430 --> 00:47:51,680

planet and our species

1323

00:47:56,549 --> 00:47:53,440

or is it

1324

00:47:59,589 --> 00:47:56,559

undeniable physical proof

1325

00:48:02,630 --> 00:47:59,599

that advanced civilizations exist

1326  
00:48:04,069 --> 00:48:02,640  
which is a very very powerful piece of

1327  
00:48:05,109 --> 00:48:04,079  
evidence

1328  
00:48:06,790 --> 00:48:05,119  
so

1329  
00:48:08,150 --> 00:48:06,800  
for me i think

1330  
00:48:10,069 --> 00:48:08,160  
you know the most

1331  
00:48:11,349 --> 00:48:10,079  
well go ahead please no i i just want to

1332  
00:48:14,069 --> 00:48:11,359  
follow up that

1333  
00:48:16,790 --> 00:48:14,079  
i i'm all for these things potentially

1334  
00:48:18,630 --> 00:48:16,800  
being gifts or you know like it's like

1335  
00:48:20,069 --> 00:48:18,640  
loot drops if you're if you're a gamer

1336  
00:48:21,829 --> 00:48:20,079  
you know that you're getting this gift

1337  
00:48:24,390 --> 00:48:21,839  
dropped in here here's how choose how

1338  
00:48:26,549 --> 00:48:24,400

you use it wisely but if these things

1339

00:48:28,390 --> 00:48:26,559

have biological entities on board are we

1340

00:48:30,150 --> 00:48:28,400

saying that these things

1341

00:48:31,510 --> 00:48:30,160

that the

1342

00:48:33,109 --> 00:48:31,520

they are

1343

00:48:35,190 --> 00:48:33,119

they're dispensable

1344

00:48:36,390 --> 00:48:35,200

that there are potentially clones and

1345

00:48:38,950 --> 00:48:36,400

that you know if you're going to crash

1346

00:48:40,470 --> 00:48:38,960

something you can't continue

1347

00:48:42,230 --> 00:48:40,480

yes they're second generation beings

1348

00:48:45,670 --> 00:48:42,240

that were created for space flight and

1349

00:48:48,069 --> 00:48:45,680

stuff but not all of the craft are gifts

1350

00:48:50,069 --> 00:48:48,079

they come here to this planet because

1351

00:48:52,470 --> 00:48:50,079

you would imagine

1352

00:48:54,390 --> 00:48:52,480

being a really advanced race the most

1353

00:48:57,109 --> 00:48:54,400

valuable thing in the universe is not

1354

00:48:58,710 --> 00:48:57,119

monatomic gold or any element that they

1355

00:49:01,190 --> 00:48:58,720

could find in greater amounts other

1356

00:49:04,390 --> 00:49:01,200

places in the universe the most valuable

1357

00:49:07,829 --> 00:49:04,400

thing is data information

1358

00:49:09,829 --> 00:49:07,839

knowledge is power information is power

1359

00:49:13,430 --> 00:49:09,839

and life forms

1360

00:49:14,549 --> 00:49:13,440

are one of the densest forms of data

1361

00:49:16,630 --> 00:49:14,559

there is

1362

00:49:18,790 --> 00:49:16,640

it's not just the life form it's uh

1363

00:49:20,549 --> 00:49:18,800

their environment their interaction with

1364

00:49:22,390 --> 00:49:20,559

their habitat their

1365

00:49:24,150 --> 00:49:22,400

their consciousness their interactions

1366

00:49:26,390 --> 00:49:24,160

with others of their species and on and

1367

00:49:28,150 --> 00:49:26,400

on and on and on and to me it's a

1368

00:49:31,190 --> 00:49:28,160

testament to

1369

00:49:34,150 --> 00:49:31,200

god's amazing

1370

00:49:36,790 --> 00:49:34,160

universal biology that advanced

1371

00:49:39,589 --> 00:49:36,800

civilizations would even need to look at

1372

00:49:41,109 --> 00:49:39,599

our plant life they couldn't foresee it

1373

00:49:43,430 --> 00:49:41,119

they couldn't foresee this chance and

1374

00:49:46,150 --> 00:49:43,440

that chance no there's so many complex

1375

00:49:48,150 --> 00:49:46,160

things that have created the unique

1376

00:49:49,589 --> 00:49:48,160

species that are on this planet that are

1377

00:49:51,750 --> 00:49:49,599

similar to many others around the

1378

00:49:54,790 --> 00:49:51,760

universe but

1379

00:49:55,910 --> 00:49:54,800

are uniquely precious to earth

1380

00:49:58,710 --> 00:49:55,920

so

1381

00:50:01,510 --> 00:49:58,720

there's been a very long history of ufos

1382

00:50:03,589 --> 00:50:01,520

scanning forests scanning woods and

1383

00:50:04,630 --> 00:50:03,599

going to the rain forest which is the

1384

00:50:07,190 --> 00:50:04,640

densest

1385

00:50:09,109 --> 00:50:07,200

area for life on the diverse life on the

1386

00:50:11,510 --> 00:50:09,119

planet

1387

00:50:13,030 --> 00:50:11,520

awesome now that's good that's slightly

1388

00:50:14,150 --> 00:50:13,040

off the track i was going to go down but

1389

00:50:15,670 --> 00:50:14,160

that was really interesting you brought

1390

00:50:18,470 --> 00:50:15,680

up there brazil so some really good

1391

00:50:20,309 --> 00:50:18,480

conversation there thank you um so just

1392

00:50:21,589 --> 00:50:20,319

sticking out round off the because i'm

1393

00:50:24,470 --> 00:50:21,599

going to touch back on some of this

1394

00:50:28,230 --> 00:50:24,480

stuff um if someone wanted to explore

1395

00:50:29,750 --> 00:50:28,240

remote viewing or um psi abilities what

1396

00:50:31,910 --> 00:50:29,760

would you recommend how do they start

1397

00:50:33,670 --> 00:50:31,920

how do they get into it

1398

00:50:36,549 --> 00:50:33,680

um it's easy there's certain videos

1399

00:50:39,430 --> 00:50:36,559

there's a great video um from prudence

1400

00:50:41,190 --> 00:50:39,440

calabrese it's she has like five videos

1401  
00:50:42,870 --> 00:50:41,200  
you just watch the first one with a pen

1402  
00:50:45,270 --> 00:50:42,880  
and a pad and she'll walk you through

1403  
00:50:47,510 --> 00:50:45,280  
the process and during that

1404  
00:50:49,349 --> 00:50:47,520  
um

1405  
00:50:50,870 --> 00:50:49,359  
episode you get to do your very first

1406  
00:50:52,630 --> 00:50:50,880  
remote viewing

1407  
00:50:56,390 --> 00:50:52,640  
and then there's the best teacher i

1408  
00:51:00,230 --> 00:50:56,400  
think now is dr simeon heim who um

1409  
00:51:02,549 --> 00:51:00,240  
has his website is [newcrystal minds.com](http://newcrystal minds.com)

1410  
00:51:05,270 --> 00:51:02,559  
and i've taken several of his classes

1411  
00:51:07,270 --> 00:51:05,280  
and um he's just a great great teacher

1412  
00:51:09,670 --> 00:51:07,280  
you can go to that new [crystalmine.com](http://crystalmine.com)

1413  
00:51:11,670 --> 00:51:09,680

site and get a bunch of free information

1414

00:51:13,990 --> 00:51:11,680

and of course you can take classes but

1415

00:51:17,510 --> 00:51:14,000

i'd be very careful about you know what

1416

00:51:20,230 --> 00:51:17,520

classes you take when where etc

1417

00:51:22,470 --> 00:51:20,240

how would you like to see remote viewing

1418

00:51:26,630 --> 00:51:22,480

or these abilities integrated in a

1419

00:51:28,470 --> 00:51:26,640

society as it stands in 2020

1420

00:51:30,710 --> 00:51:28,480

well i think you know we teach our kids

1421

00:51:32,309 --> 00:51:30,720

and our kids have physical education

1422

00:51:34,790 --> 00:51:32,319

growing up i think they should have

1423

00:51:35,670 --> 00:51:34,800

consciousness education

1424

00:51:38,470 --> 00:51:35,680

and

1425

00:51:40,150 --> 00:51:38,480

there's a lot of benefits to it

1426  
00:51:43,109 --> 00:51:40,160  
so much of this ability all of these

1427  
00:51:45,030 --> 00:51:43,119  
abilities kind of boiled down to

1428  
00:51:47,030 --> 00:51:45,040  
empathy

1429  
00:51:48,549 --> 00:51:47,040  
and like i was saying with the tuning

1430  
00:51:50,870 --> 00:51:48,559  
forks if you

1431  
00:51:52,790 --> 00:51:50,880  
if you empathize with something if you

1432  
00:51:54,549 --> 00:51:52,800  
connect with it if you try and resonate

1433  
00:51:56,790 --> 00:51:54,559  
with it

1434  
00:51:58,230 --> 00:51:56,800  
information and data starts flowing once

1435  
00:51:59,589 --> 00:51:58,240  
you make that connection like the two

1436  
00:52:01,030 --> 00:51:59,599  
tuning forks are reaching the right

1437  
00:52:03,430 --> 00:52:01,040  
frequency

1438  
00:52:06,150 --> 00:52:03,440

so if we taught kids empathy and that

1439

00:52:08,390 --> 00:52:06,160

they could learn super powers

1440

00:52:11,109 --> 00:52:08,400

essentially i think there'd be a lot

1441

00:52:13,030 --> 00:52:11,119

less school shootings and we would know

1442

00:52:15,750 --> 00:52:13,040

how each other feel we would care how

1443

00:52:18,150 --> 00:52:15,760

each other feel i think human potential

1444

00:52:19,430 --> 00:52:18,160

is so much more than we have allowed

1445

00:52:21,349 --> 00:52:19,440

ourselves

1446

00:52:23,750 --> 00:52:21,359

so i would love to see us

1447

00:52:25,109 --> 00:52:23,760

explore human potential

1448

00:52:27,190 --> 00:52:25,119

unbridled

1449

00:52:29,990 --> 00:52:27,200

free unchained without any sense of

1450

00:52:32,630 --> 00:52:30,000

shame without any judgment um you know

1451  
00:52:34,950 --> 00:52:32,640  
or mockery so people would have the

1452  
00:52:36,790 --> 00:52:34,960  
right to or kids would have the right to

1453  
00:52:38,870 --> 00:52:36,800  
fail big

1454  
00:52:40,950 --> 00:52:38,880  
and it helps not just with this stuff

1455  
00:52:42,950 --> 00:52:40,960  
with psychic stuff if you give them a

1456  
00:52:45,109 --> 00:52:42,960  
space to learn

1457  
00:52:46,950 --> 00:52:45,119  
and they can fail really big you may get

1458  
00:52:50,870 --> 00:52:46,960  
the best dance ever or the best

1459  
00:52:51,990 --> 00:52:50,880  
architecture ever or the best music ever

1460  
00:52:56,470 --> 00:52:52,000  
so

1461  
00:52:59,109 --> 00:52:56,480  
to human potential

1462  
00:53:01,990 --> 00:52:59,119  
and i think those abilities should be

1463  
00:53:03,270 --> 00:53:02,000

very calmly and without woo

1464

00:53:04,710 --> 00:53:03,280

and you know

1465

00:53:07,750 --> 00:53:04,720

over-the-top

1466

00:53:09,750 --> 00:53:07,760

spiritualism they should be encouraged

1467

00:53:12,150 --> 00:53:09,760

because it's one of our senses you know

1468

00:53:14,309 --> 00:53:12,160

grandma everyone's grandma has the sense

1469

00:53:15,750 --> 00:53:14,319

of intuition you know would say don't do

1470

00:53:17,430 --> 00:53:15,760

this or this will happen and you'll be

1471

00:53:18,630 --> 00:53:17,440

like oh right grandma then it happens

1472

00:53:20,950 --> 00:53:18,640

the next day and you're like how did

1473

00:53:21,829 --> 00:53:20,960

grandma know you know

1474

00:53:24,710 --> 00:53:21,839

and

1475

00:53:26,870 --> 00:53:24,720

um we know through many years of you

1476  
00:53:29,430 --> 00:53:26,880  
know studies that the power of prayer

1477  
00:53:31,349 --> 00:53:29,440  
works over distances we know a lot of

1478  
00:53:33,990 --> 00:53:31,359  
these little pieces we just haven't put

1479  
00:53:35,750 --> 00:53:34,000  
it all together yet but we're close and

1480  
00:53:37,990 --> 00:53:35,760  
we're i think there's a little bit less

1481  
00:53:41,190 --> 00:53:38,000  
shame nowadays to explore this as there

1482  
00:53:43,349 --> 00:53:41,200  
was maybe 10 20 years ago

1483  
00:53:45,190 --> 00:53:43,359  
absolutely so one of your own

1484  
00:53:47,270 --> 00:53:45,200  
philosophies and i take this from your

1485  
00:53:48,630 --> 00:53:47,280  
bio and from your videos and you know

1486  
00:53:49,910 --> 00:53:48,640  
just get in the last couple of weeks a

1487  
00:53:51,910 --> 00:53:49,920  
sense of kind of what you do and what

1488  
00:53:53,670 --> 00:53:51,920

you stand for there's a lot of talk of

1489

00:53:56,870 --> 00:53:53,680

you know everything's connected a lot of

1490

00:53:59,109 --> 00:53:56,880

on love um a lot of oneness and a lot of

1491

00:54:01,510 --> 00:53:59,119

consciousness do you think humanity

1492

00:54:05,190 --> 00:54:01,520

where we stand as a species is anywhere

1493

00:54:07,030 --> 00:54:05,200

near ready for that next step to to have

1494

00:54:09,589 --> 00:54:07,040

that in its thinking

1495

00:54:12,710 --> 00:54:11,430

as technology grows it gets more and

1496

00:54:14,150 --> 00:54:12,720

more dangerous and more and more

1497

00:54:16,630 --> 00:54:14,160

powerful

1498

00:54:17,670 --> 00:54:16,640

and spiritually we haven't grown that

1499

00:54:19,430 --> 00:54:17,680

much

1500

00:54:21,589 --> 00:54:19,440

as our technology is growing and our

1501  
00:54:23,109 --> 00:54:21,599  
technology is growing faster and faster

1502  
00:54:26,309 --> 00:54:23,119  
and in fact becomes more and more

1503  
00:54:30,710 --> 00:54:28,870  
you know to us to our race

1504  
00:54:33,109 --> 00:54:30,720  
you know as obviously demonstrated by

1505  
00:54:34,470 --> 00:54:33,119  
nuclear weapons and stuff

1506  
00:54:36,309 --> 00:54:34,480  
and it just

1507  
00:54:38,870 --> 00:54:36,319  
it's essential that we explore this

1508  
00:54:41,510 --> 00:54:38,880  
stuff you know it's

1509  
00:54:42,789 --> 00:54:41,520  
crucial to our future i believe

1510  
00:54:45,430 --> 00:54:42,799  
and

1511  
00:54:47,990 --> 00:54:45,440  
when these advanced races visited visit

1512  
00:54:50,950 --> 00:54:48,000  
us there's so many

1513  
00:54:52,470 --> 00:54:50,960

stories of them using these abilities

1514

00:54:54,309 --> 00:54:52,480

communicating

1515

00:54:56,069 --> 00:54:54,319

you know telepathically

1516

00:54:56,950 --> 00:54:56,079

moving objects

1517

00:54:58,710 --> 00:54:56,960

knowing

1518

00:55:00,549 --> 00:54:58,720

having precognition of what people are

1519

00:55:02,549 --> 00:55:00,559

going to be doing reading their minds

1520

00:55:03,990 --> 00:55:02,559

all sorts of things like that so i think

1521

00:55:05,589 --> 00:55:04,000

you know it's

1522

00:55:07,270 --> 00:55:05,599

once we're able to nail it down as

1523

00:55:09,270 --> 00:55:07,280

physics

1524

00:55:12,549 --> 00:55:09,280

and take away the mystery and the

1525

00:55:14,390 --> 00:55:12,559

spiritual fear and the phenomena aspect

1526

00:55:16,230 --> 00:55:14,400

of it it will be

1527

00:55:18,870 --> 00:55:16,240

so much more useful than the

1528

00:55:21,430 --> 00:55:18,880

electromagnetic field was

1529

00:55:23,990 --> 00:55:21,440

and is for us 200 years after it was

1530

00:55:26,069 --> 00:55:24,000

discovered after this guy squashed all

1531

00:55:27,990 --> 00:55:26,079

the phenomena and unified it into

1532

00:55:30,789 --> 00:55:28,000

science it's you know we couldn't live

1533

00:55:33,030 --> 00:55:30,799

without the electromagnetic field now

1534

00:55:35,829 --> 00:55:33,040

and i have a feeling that you know if we

1535

00:55:38,870 --> 00:55:35,839

make it 200 years in the future uh it

1536

00:55:40,549 --> 00:55:38,880

will be one of our most used uh aspects

1537

00:55:41,990 --> 00:55:40,559

of reality

1538

00:55:43,670 --> 00:55:42,000

i think the way things are going in a

1539

00:55:44,710 --> 00:55:43,680

minute if we make it um another year

1540

00:55:46,309 --> 00:55:44,720

into the future it would be an

1541

00:55:49,030 --> 00:55:46,319

achievement so

1542

00:55:50,789 --> 00:55:49,040

2020 has thrown a lot at it so far

1543

00:55:53,190 --> 00:55:50,799

yeah who knows how long it will survive

1544

00:55:55,430 --> 00:55:53,200

but it's not looking good so just to

1545

00:55:57,589 --> 00:55:55,440

start wrapping up then um i want to talk

1546

00:55:59,190 --> 00:55:57,599

about your i've got the word work down

1547

00:56:01,190 --> 00:55:59,200

here but i noticed you actually changed

1548

00:56:03,109 --> 00:56:01,200

it yourself to play that you weren't

1549

00:56:05,750 --> 00:56:03,119

working on skinwalker ranch it was more

1550

00:56:07,430 --> 00:56:05,760

play so your play on skinwalker ranch

1551  
00:56:11,030 --> 00:56:07,440  
recently was acknowledged by brandon

1552  
00:56:11,910 --> 00:56:11,040  
fugle what was that experience like

1553  
00:56:13,589 --> 00:56:11,920  
oh

1554  
00:56:16,390 --> 00:56:13,599  
just

1555  
00:56:17,349 --> 00:56:16,400  
i'm still interacting with them and

1556  
00:56:19,510 --> 00:56:17,359  
playing

1557  
00:56:21,510 --> 00:56:19,520  
with the head scientists and

1558  
00:56:23,030 --> 00:56:21,520  
it's been

1559  
00:56:25,109 --> 00:56:23,040  
the most amazing

1560  
00:56:27,750 --> 00:56:25,119  
experiences of my entire life

1561  
00:56:30,230 --> 00:56:27,760  
and the most broadening of my horizons

1562  
00:56:32,549 --> 00:56:30,240  
and increase of my abilities and

1563  
00:56:34,150 --> 00:56:32,559

exploration of these abilities

1564

00:56:35,750 --> 00:56:34,160

and it's been for two years you know it

1565

00:56:37,910 --> 00:56:35,760

was a real big secret for a long time

1566

00:56:39,589 --> 00:56:37,920

and i couldn't talk about you know

1567

00:56:42,309 --> 00:56:39,599

working

1568

00:56:43,670 --> 00:56:42,319

with the head scientists there and

1569

00:56:46,470 --> 00:56:43,680

um

1570

00:56:47,270 --> 00:56:46,480

it has just been a wonderful experience

1571

00:56:48,630 --> 00:56:47,280

um

1572

00:56:50,710 --> 00:56:48,640

how did it come about you getting

1573

00:56:52,630 --> 00:56:50,720

involved with skinwalker ranch

1574

00:56:54,470 --> 00:56:52,640

it's a long convoluted story but i've

1575

00:56:57,430 --> 00:56:54,480

always had a tendency to try and help

1576  
00:56:59,910 --> 00:56:57,440  
people and help groups and you know i

1577  
00:57:01,510 --> 00:56:59,920  
have every day i go for a patrol i call

1578  
00:57:02,870 --> 00:57:01,520  
it and i try and find a homeless person

1579  
00:57:04,230 --> 00:57:02,880  
and help them or someone in need and

1580  
00:57:07,430 --> 00:57:04,240  
help them

1581  
00:57:09,430 --> 00:57:07,440  
and there was a a scam

1582  
00:57:12,710 --> 00:57:09,440  
uh that was going on

1583  
00:57:13,990 --> 00:57:12,720  
and i had helped a group of people and

1584  
00:57:15,910 --> 00:57:14,000  
one of the people just happened to be

1585  
00:57:17,750 --> 00:57:15,920  
the owner of skinwalker ranch

1586  
00:57:19,750 --> 00:57:17,760  
and that

1587  
00:57:20,870 --> 00:57:19,760  
friendship grew

1588  
00:57:22,789 --> 00:57:20,880

uh

1589

00:57:24,630 --> 00:57:22,799

and grew and it was just based on

1590

00:57:26,470 --> 00:57:24,640

friendship and honor and decency and

1591

00:57:29,349 --> 00:57:26,480

doing the right thing and i found the

1592

00:57:30,390 --> 00:57:29,359

integrity of brandon to be absolutely

1593

00:57:32,710 --> 00:57:30,400

you know

1594

00:57:34,549 --> 00:57:32,720

incredible and for such a wealthy

1595

00:57:38,309 --> 00:57:34,559

influential gentleman to take the time

1596

00:57:40,870 --> 00:57:38,319

to you know be patient with uh me and to

1597

00:57:42,630 --> 00:57:40,880

introduce me to his head scientist and

1598

00:57:44,309 --> 00:57:42,640

allow me to play

1599

00:57:46,230 --> 00:57:44,319

and explore

1600

00:57:47,990 --> 00:57:46,240

um

1601  
00:57:49,750 --> 00:57:48,000  
has been absolutely incredible and some

1602  
00:57:51,190 --> 00:57:49,760  
of the most amazing things i've ever

1603  
00:57:54,470 --> 00:57:51,200  
experienced in my entire life have been

1604  
00:57:57,109 --> 00:57:54,480  
associated with uh that work anything

1605  
00:57:57,990 --> 00:57:57,119  
you can talk about

1606  
00:58:00,549 --> 00:57:58,000  
sure

1607  
00:58:03,030 --> 00:58:00,559  
everything from

1608  
00:58:04,150 --> 00:58:03,040  
incredibly

1609  
00:58:06,069 --> 00:58:04,160  
strong

1610  
00:58:07,030 --> 00:58:06,079  
psychokinetic events

1611  
00:58:10,470 --> 00:58:07,040  
to

1612  
00:58:13,430 --> 00:58:10,480  
um a two-hour remote viewing

1613  
00:58:16,069 --> 00:58:13,440

with over 20 targets and they were all

1614

00:58:17,349 --> 00:58:16,079

stunningly like unusually stunningly

1615

00:58:18,789 --> 00:58:17,359

creepily

1616

00:58:21,670 --> 00:58:18,799

accurate

1617

00:58:23,190 --> 00:58:21,680

to working with specialty machines built

1618

00:58:24,710 --> 00:58:23,200

just for

1619

00:58:26,150 --> 00:58:24,720

the exploration of

1620

00:58:27,510 --> 00:58:26,160

these abilities

1621

00:58:28,230 --> 00:58:27,520

um

1622

00:58:29,829 --> 00:58:28,240

and

1623

00:58:31,829 --> 00:58:29,839

much more

1624

00:58:34,150 --> 00:58:31,839

had you ever remote viewed the ranch

1625

00:58:35,190 --> 00:58:34,160

previously before you got involved

1626  
00:58:39,349 --> 00:58:35,200  
no

1627  
00:58:40,710 --> 00:58:39,359  
is it because it had never been

1628  
00:58:43,349 --> 00:58:40,720  
approached

1629  
00:58:44,230 --> 00:58:43,359  
um i just i was doing other things and

1630  
00:58:47,030 --> 00:58:44,240  
you know

1631  
00:58:48,630 --> 00:58:47,040  
it really hadn't uh come up

1632  
00:58:50,230 --> 00:58:48,640  
you know for me

1633  
00:58:52,069 --> 00:58:50,240  
for you now that you've been there and

1634  
00:58:53,829 --> 00:58:52,079  
had those experiences and what is the

1635  
00:58:56,549 --> 00:58:53,839  
importance of skin walker runs you talk

1636  
00:58:58,789 --> 00:58:56,559  
about in south america having uh an et

1637  
00:59:00,230 --> 00:58:58,799  
super highway going across

1638  
00:59:01,430 --> 00:59:00,240

what's the importance of skinwalker

1639

00:59:03,430 --> 00:59:01,440

ranch

1640

00:59:05,750 --> 00:59:03,440

ultimately i think it's consciousness

1641

00:59:07,750 --> 00:59:05,760

and the power of consciousness and that

1642

00:59:10,390 --> 00:59:07,760

there is a real there's a real physics

1643

00:59:11,910 --> 00:59:10,400

going on here there's a real field

1644

00:59:12,870 --> 00:59:11,920

going on here

1645

00:59:13,210 --> 00:59:12,880

and

1646

00:59:15,030 --> 00:59:13,220

um

1647

00:59:18,630 --> 00:59:15,040

[Music]

1648

00:59:21,270 --> 00:59:18,640

there is a classic mystery that ufos

1649

00:59:23,190 --> 00:59:21,280

demonstrate and also phenomena like

1650

00:59:24,470 --> 00:59:23,200

skinwalker demonstrate i'll just mention

1651  
00:59:26,390 --> 00:59:24,480  
three of them

1652  
00:59:28,470 --> 00:59:26,400  
one is that they're precognizant both

1653  
00:59:30,470 --> 00:59:28,480  
ufos seem to know where the jet pilot is

1654  
00:59:34,309 --> 00:59:30,480  
going to go with the nimitz he knew the

1655  
00:59:36,150 --> 00:59:34,319  
next waypoint a skinwalker they know the

1656  
00:59:38,230 --> 00:59:36,160  
phenomenon knows what you're going to do

1657  
00:59:40,789 --> 00:59:38,240  
next and is able to defeat it and was

1658  
00:59:43,030 --> 00:59:40,799  
able to defeat you know 20 years worth

1659  
00:59:45,030 --> 00:59:43,040  
of the best scientists

1660  
00:59:47,270 --> 00:59:45,040  
also it has a tendency both ufos and the

1661  
00:59:48,789 --> 00:59:47,280  
phenomena of mimicking

1662  
00:59:51,349 --> 00:59:48,799  
mimicking you

1663  
00:59:54,150 --> 00:59:51,359

ufos will mimic you mimic your movements

1664

00:59:56,150 --> 00:59:54,160

and things like that at skinwalker um

1665

00:59:58,150 --> 00:59:56,160

the phenomena will oftentimes present

1666

01:00:00,870 --> 00:59:58,160

itself as a reflection of your

1667

01:00:02,870 --> 01:00:00,880

inter-psyche your psychology if you're

1668

01:00:04,230 --> 01:00:02,880

militarized you will have a militarized

1669

01:00:06,630 --> 01:00:04,240

reaction

1670

01:00:09,589 --> 01:00:06,640

there's also the phenomena of if you see

1671

01:00:11,670 --> 01:00:09,599

a ufo oftentimes people talk about it

1672

01:00:13,990 --> 01:00:11,680

following them home meaning strange

1673

01:00:16,390 --> 01:00:14,000

phenomena will follow them home the same

1674

01:00:18,470 --> 01:00:16,400

thing with skinwalker many scientists

1675

01:00:20,390 --> 01:00:18,480

and others have gone there and then they

1676

01:00:21,589 --> 01:00:20,400

have strange phenomena happening them at

1677

01:00:23,510 --> 01:00:21,599

home

1678

01:00:25,430 --> 01:00:23,520

and there's one thing that can explain

1679

01:00:27,589 --> 01:00:25,440

that

1680

01:00:29,750 --> 01:00:27,599

it can follow you home

1681

01:00:32,950 --> 01:00:29,760

if it's you

1682

01:00:35,750 --> 01:00:32,960

you know your future

1683

01:00:38,069 --> 01:00:35,760

you are pre-cognizant of yourself

1684

01:00:39,109 --> 01:00:38,079

and the role of consciousness and this

1685

01:00:40,069 --> 01:00:39,119

field

1686

01:00:41,270 --> 01:00:40,079

and

1687

01:00:42,470 --> 01:00:41,280

the

1688

01:00:47,030 --> 01:00:42,480

presence of

1689

01:00:48,390 --> 01:00:47,040

advanced civilizations all interweave

1690

01:00:50,390 --> 01:00:48,400

so um

1691

01:00:52,150 --> 01:00:50,400

you know for me this is all this is

1692

01:00:54,309 --> 01:00:52,160

science this isn't woo

1693

01:00:56,630 --> 01:00:54,319

and skinwalker really taught me that we

1694

01:00:59,349 --> 01:00:56,640

know so little about our consciousness

1695

01:01:01,829 --> 01:00:59,359

but it certainly is interwoven with

1696

01:01:02,789 --> 01:01:01,839

space-time matter and energy

1697

01:01:04,150 --> 01:01:02,799

awesome

1698

01:01:06,789 --> 01:01:04,160

we'll go we'll move on to listen our

1699

01:01:08,390 --> 01:01:06,799

questions just before we finish off and

1700

01:01:09,829 --> 01:01:08,400

i'd just like to say thank you to mark

1701

01:01:11,510 --> 01:01:09,839

one of the listeners because he was

1702

01:01:12,950 --> 01:01:11,520

really interested in some of the stuff

1703

01:01:14,390 --> 01:01:12,960

around skin walker ranch but that was

1704

01:01:15,510 --> 01:01:14,400

going to be coming off anyway so thank

1705

01:01:21,109 --> 01:01:15,520

you mark

1706

01:01:22,870 --> 01:01:21,119

um first up is jenna and jenna i'd like

1707

01:01:24,630 --> 01:01:22,880

to say thank you on the podcast because

1708

01:01:26,950 --> 01:01:24,640

she was the one who put me in touch with

1709

01:01:28,309 --> 01:01:26,960

yourself and gave me a heads up as to

1710

01:01:31,910 --> 01:01:28,319

you're someone who i should be speaking

1711

01:01:33,589 --> 01:01:31,920

to um so jenna yeah jenna's awesome um

1712

01:01:35,349 --> 01:01:33,599

she does great readings as well on

1713

01:01:36,829 --> 01:01:35,359

twitter for people free of charge so get

1714

01:01:38,789 --> 01:01:36,839

in touch with jenna

1715

01:01:39,670 --> 01:01:38,799

um had a really good question

1716

01:01:41,030 --> 01:01:39,680

so

1717

01:01:42,630 --> 01:01:41,040

jenna said hearing that you've been

1718

01:01:44,710 --> 01:01:42,640

working with some interesting group

1719

01:01:49,349 --> 01:01:44,720

recently is there anything about the psy

1720

01:01:53,510 --> 01:01:51,430

that i don't know

1721

01:01:56,150 --> 01:01:53,520

the envelope

1722

01:01:59,829 --> 01:01:56,160

i don't know the ends of it

1723

01:02:02,549 --> 01:01:59,839

hutchinson could transmute metals

1724

01:02:03,510 --> 01:02:02,559

ted owens could cast or call lightning

1725

01:02:06,470 --> 01:02:03,520

bolts

1726

01:02:08,230 --> 01:02:06,480  
definitively change the weather

1727

01:02:09,750 --> 01:02:08,240  
different psychics have

1728

01:02:10,950 --> 01:02:09,760  
demonstrated

1729

01:02:13,029 --> 01:02:10,960  
and i don't even like to call them

1730

01:02:15,029 --> 01:02:13,039  
psychics even

1731

01:02:17,430 --> 01:02:15,039  
psy practitioners have demonstrated

1732

01:02:20,950 --> 01:02:17,440  
incredibly powerful things amazingly

1733

01:02:22,950 --> 01:02:20,960  
accurate things i don't know the limit

1734

01:02:25,510 --> 01:02:22,960  
and i've seen some

1735

01:02:27,910 --> 01:02:25,520  
incredible mind-boggling

1736

01:02:29,510 --> 01:02:27,920  
stuff

1737

01:02:32,390 --> 01:02:29,520  
great question great answer thank you

1738

01:02:34,309 --> 01:02:32,400

jenna um dan has two questions one is

1739

01:02:40,470 --> 01:02:34,319

very quick but the first one would be

1740

01:02:46,950 --> 01:02:44,549

i think it might be a transcendence test

1741

01:02:49,589 --> 01:02:46,960

that our species

1742

01:02:52,069 --> 01:02:49,599

and life forms are given life

1743

01:02:53,990 --> 01:02:52,079

you know this universe is suspiciously

1744

01:02:55,670 --> 01:02:54,000

constructed for life

1745

01:02:57,910 --> 01:02:55,680

if you look at a chicken farm you know

1746

01:03:00,230 --> 01:02:57,920

you have to have the heat lamp and an

1747

01:03:02,470 --> 01:03:00,240

area and the chickens can live and if

1748

01:03:04,390 --> 01:03:02,480

you look at our universe the suns are

1749

01:03:06,150 --> 01:03:04,400

these power plants energy sources

1750

01:03:08,069 --> 01:03:06,160

wonderfully placed

1751

01:03:10,549 --> 01:03:08,079

separated from each other by great

1752

01:03:11,349 --> 01:03:10,559

distances with habitat planets around

1753

01:03:13,670 --> 01:03:11,359

them

1754

01:03:15,750 --> 01:03:13,680

and it just seems for so many different

1755

01:03:17,029 --> 01:03:15,760

reasons suspiciously constructed for

1756

01:03:20,230 --> 01:03:17,039

life

1757

01:03:21,750 --> 01:03:20,240

so i think our universe was constructed

1758

01:03:22,789 --> 01:03:21,760

for life

1759

01:03:23,990 --> 01:03:22,799

and

1760

01:03:24,950 --> 01:03:24,000

maybe

1761

01:03:26,630 --> 01:03:24,960

uh

1762

01:03:29,349 --> 01:03:26,640

there's some sort of transcendence

1763

01:03:30,950 --> 01:03:29,359

possible if we are a good species

1764

01:03:33,029 --> 01:03:30,960

you can look at the fermi paradox and

1765

01:03:34,870 --> 01:03:33,039

the fermi wall and our inability to

1766

01:03:37,990 --> 01:03:34,880

communicate with other civilizations

1767

01:03:40,230 --> 01:03:38,000

right now as a hint that not many people

1768

01:03:42,829 --> 01:03:40,240

make that transcendence not many species

1769

01:03:45,990 --> 01:03:42,839

make that transcendence so i hope we

1770

01:03:47,910 --> 01:03:46,000

do thank you dan and dan second question

1771

01:03:49,750 --> 01:03:47,920

dan's about my dog lover he is asking

1772

01:03:50,870 --> 01:03:49,760

how is miss sausages

1773

01:03:52,789 --> 01:03:50,880

oh

1774

01:03:55,349 --> 01:03:52,799

miss sausages i could put the camera on

1775

01:03:58,390 --> 01:03:55,359

her right now but that she's 17 years

1776

01:04:00,150 --> 01:03:58,400

old and she just sees my soul and she's

1777

01:04:02,150 --> 01:04:00,160

just the most wondrous

1778

01:04:03,829 --> 01:04:02,160

wondrous creature she's really fragile

1779

01:04:04,710 --> 01:04:03,839

now too so

1780

01:04:06,789 --> 01:04:04,720

uh

1781

01:04:09,910 --> 01:04:06,799

you know her love and affection really

1782

01:04:12,549 --> 01:04:09,920

keeps me going and she has been just

1783

01:04:14,789 --> 01:04:12,559

the most important thing to me i'm a dog

1784

01:04:18,230 --> 01:04:14,799

person too so i i can i can relate to

1785

01:04:20,309 --> 01:04:18,240

that um so we had grace asked a question

1786

01:04:22,069 --> 01:04:20,319

um so many journalists and people in

1787

01:04:24,069 --> 01:04:22,079

general have been arguing on twitter

1788

01:04:26,710 --> 01:04:24,079

particularly the last few days about the

1789

01:04:28,230 --> 01:04:26,720

ufo and uap subject

1790

01:04:31,670 --> 01:04:28,240

what would you say to them about their

1791

01:04:34,230 --> 01:04:31,680

approach currently and the negativity

1792

01:04:36,549 --> 01:04:34,240

um that they are not doing quality

1793

01:04:39,270 --> 01:04:36,559

research if you deny the existence of

1794

01:04:41,910 --> 01:04:39,280

ufos and uaps you have just not done the

1795

01:04:43,990 --> 01:04:41,920

basic research you're making more

1796

01:04:46,309 --> 01:04:44,000

conjectures than you've done the actual

1797

01:04:49,029 --> 01:04:46,319

research there's research like victor

1798

01:04:52,069 --> 01:04:49,039

vigiani got these documents uh

1799

01:04:55,829 --> 01:04:52,079

indisputable documents from norad

1800

01:04:58,630 --> 01:04:55,839

that talk about uh intercepted tracks

1801  
01:05:01,109 --> 01:04:58,640  
unidentified tracks tracks of interest

1802  
01:05:03,430 --> 01:05:01,119  
and uh you know the nimitz incident the

1803  
01:05:04,789 --> 01:05:03,440  
government just released three videos of

1804  
01:05:07,190 --> 01:05:04,799  
these craft

1805  
01:05:10,309 --> 01:05:09,190  
and it's easy to look at them as a

1806  
01:05:12,710 --> 01:05:10,319  
threat

1807  
01:05:15,510 --> 01:05:12,720  
but they haven't used this amazing

1808  
01:05:17,750 --> 01:05:15,520  
technology to destroy us or do anything

1809  
01:05:19,349 --> 01:05:17,760  
very negative as far as i can determine

1810  
01:05:20,870 --> 01:05:19,359  
awesome i've got one more question i'm

1811  
01:05:21,589 --> 01:05:20,880  
not too sure of the background on this

1812  
01:05:23,589 --> 01:05:21,599  
one

1813  
01:05:25,510 --> 01:05:23,599

mike asked

1814

01:05:27,190 --> 01:05:25,520

is there any more information on the

1815

01:05:29,510 --> 01:05:27,200

classified documents that were left in

1816

01:05:31,270 --> 01:05:29,520

your car

1817

01:05:32,710 --> 01:05:31,280

wow well it's strange that you bring

1818

01:05:34,829 --> 01:05:32,720

that up mike because something else has

1819

01:05:37,589 --> 01:05:34,839

come up recently about that and

1820

01:05:40,069 --> 01:05:37,599

um they've been verified by one of

1821

01:05:41,750 --> 01:05:40,079

grant's uh document guys and they've

1822

01:05:44,710 --> 01:05:41,760

been verified by others and i've gotten

1823

01:05:48,309 --> 01:05:44,720

into a little trouble over those

1824

01:05:50,390 --> 01:05:48,319

things and um about six months ago

1825

01:05:52,150 --> 01:05:50,400

someone tried to slash i still have a

1826

01:05:54,470 --> 01:05:52,160

star here you can see someone's tried to

1827

01:05:57,029 --> 01:05:54,480

slash my throat from behind

1828

01:05:58,789 --> 01:05:57,039

never met them before so the russian guy

1829

01:06:00,150 --> 01:05:58,799

was a funny accent

1830

01:06:02,950 --> 01:06:00,160

and i kind of wondered if there was a

1831

01:06:05,670 --> 01:06:02,960

connection between that or what um but

1832

01:06:08,150 --> 01:06:05,680

the documents still exist and they're

1833

01:06:09,670 --> 01:06:08,160

being preserved and some of them are are

1834

01:06:10,630 --> 01:06:09,680

out some of them have sneaked out

1835

01:06:11,750 --> 01:06:10,640

already

1836

01:06:15,109 --> 01:06:11,760

um

1837

01:06:18,150 --> 01:06:15,119

to

1838

01:06:20,230 --> 01:06:18,160

people as a like a dead man's trigger

1839

01:06:21,349 --> 01:06:20,240

and uh so they're still they're there

1840

01:06:23,109 --> 01:06:21,359

some of the information's already come

1841

01:06:25,750 --> 01:06:23,119

out from those documents i just haven't

1842

01:06:27,430 --> 01:06:25,760

been identified as the source

1843

01:06:29,430 --> 01:06:27,440

awesome thank you mike

1844

01:06:31,829 --> 01:06:29,440

one more question buddy before the

1845

01:06:35,029 --> 01:06:31,839

quickfire round if you don't mind ufo

1846

01:06:36,309 --> 01:06:35,039

joe on twitter asked and let me read you

1847

01:06:38,950 --> 01:06:36,319

the question

1848

01:06:41,430 --> 01:06:38,960

oh this is ufo this guy doesn't like me

1849

01:06:44,230 --> 01:06:41,440

no i know him because

1850

01:06:46,549 --> 01:06:44,240

i had identified a witness from the

1851  
01:06:48,710 --> 01:06:46,559  
nimitz incident and he felt i shouldn't

1852  
01:06:50,309 --> 01:06:48,720  
have identified that person

1853  
01:06:51,349 --> 01:06:50,319  
so that's the question are you happy

1854  
01:06:52,870 --> 01:06:51,359  
answering

1855  
01:06:54,470 --> 01:06:52,880  
he blocked me no you can keep this all

1856  
01:06:56,150 --> 01:06:54,480  
and i think you know transparency is

1857  
01:06:58,710 --> 01:06:56,160  
really important and i'd like to speak

1858  
01:07:00,470 --> 01:06:58,720  
to ufo joe he's blocked me and doesn't

1859  
01:07:02,150 --> 01:07:00,480  
like me and talks bad about me or

1860  
01:07:03,510 --> 01:07:02,160  
whatever and you know he's welcome to

1861  
01:07:05,829 --> 01:07:03,520  
have his opinion he comes from a

1862  
01:07:09,190 --> 01:07:05,839  
different perspective and you know

1863  
01:07:11,029 --> 01:07:09,200

whether i made a mistake in revealing um

1864

01:07:12,150 --> 01:07:11,039

i won't say the name now but i have in

1865

01:07:14,150 --> 01:07:12,160

the past

1866

01:07:15,990 --> 01:07:14,160

who the real special witness is from the

1867

01:07:17,670 --> 01:07:16,000

nimitz incident that we don't know the

1868

01:07:19,829 --> 01:07:17,680

person hasn't come out has been

1869

01:07:22,470 --> 01:07:19,839

identified but people have outed other

1870

01:07:25,109 --> 01:07:22,480

males that were involved in it but this

1871

01:07:26,069 --> 01:07:25,119

person is not male just to say

1872

01:07:29,029 --> 01:07:26,079

yeah and

1873

01:07:30,150 --> 01:07:29,039

i feel like even if what i did was a

1874

01:07:32,549 --> 01:07:30,160

mistake

1875

01:07:35,029 --> 01:07:32,559

he should grant me my human frailty and

1876

01:07:37,589 --> 01:07:35,039

say well maybe if he you know he made a

1877

01:07:39,190 --> 01:07:37,599

mistake i can i can forgive him you know

1878

01:07:40,789 --> 01:07:39,200

and you know he hasn't even done that i

1879

01:07:42,710 --> 01:07:40,799

think he's been very

1880

01:07:44,390 --> 01:07:42,720

rude by not

1881

01:07:45,349 --> 01:07:44,400

communicating with me

1882

01:07:47,109 --> 01:07:45,359

and

1883

01:07:49,990 --> 01:07:47,119

solving whatever you know animosity that

1884

01:07:51,190 --> 01:07:50,000

he has over that towards me so let me

1885

01:07:53,670 --> 01:07:51,200

ask you the question directly because

1886

01:07:55,750 --> 01:07:53,680

you've basically answered it but um do

1887

01:07:57,510 --> 01:07:55,760

you regret being unethical by outing the

1888

01:08:00,309 --> 01:07:57,520

female wingmen pilot who wanted to

1889

01:08:01,349 --> 01:08:00,319

remain anonymous and still does

1890

01:08:02,870 --> 01:08:01,359

um

1891

01:08:05,829 --> 01:08:02,880

well whether she wanted to remain

1892

01:08:06,549 --> 01:08:05,839

anonymous is still kind of whatever i i

1893

01:08:08,870 --> 01:08:06,559

think

1894

01:08:11,829 --> 01:08:08,880

that the ethicalness of it

1895

01:08:14,150 --> 01:08:11,839

is a very subjective thing and i really

1896

01:08:16,550 --> 01:08:14,160

honestly haven't made my final mind up

1897

01:08:18,630 --> 01:08:16,560

whether i did the right thing or not

1898

01:08:21,110 --> 01:08:18,640

and i really debated about this in my

1899

01:08:22,630 --> 01:08:21,120

own mind for a long time but we often

1900

01:08:24,709 --> 01:08:22,640

talk about people suppressing

1901

01:08:27,510 --> 01:08:24,719

information and suppressing data and

1902

01:08:29,990 --> 01:08:27,520

this is the single most important ufo

1903

01:08:32,229 --> 01:08:30,000

case in history it has the most evidence

1904

01:08:35,749 --> 01:08:32,239

the most sensory evidence the most video

1905

01:08:38,470 --> 01:08:35,759

evidence the most everything

1906

01:08:39,749 --> 01:08:38,480

it's a crucial crucial case

1907

01:08:42,070 --> 01:08:39,759

and i think

1908

01:08:43,910 --> 01:08:42,080

there it almost seems a little sexist to

1909

01:08:45,510 --> 01:08:43,920

me that he would feel like he has to

1910

01:08:47,430 --> 01:08:45,520

defend her

1911

01:08:49,430 --> 01:08:47,440

you know more than communicate with me

1912

01:08:52,149 --> 01:08:49,440

and to you know allow me if it was a

1913

01:08:53,910 --> 01:08:52,159

mistake if i did do the wrong thing uh

1914

01:08:57,189 --> 01:08:53,920

allow me that human frailty to make a

1915

01:09:00,550 --> 01:08:57,199

mistake because i'm not perfect i do

1916

01:09:03,829 --> 01:09:00,560

you know part of my abilities is to um

1917

01:09:05,269 --> 01:09:03,839

find things that are obscured and reveal

1918

01:09:06,390 --> 01:09:05,279

information and i'm not going to be

1919

01:09:09,030 --> 01:09:06,400

another person

1920

01:09:10,390 --> 01:09:09,040

suppressing information from the public

1921

01:09:12,709 --> 01:09:10,400

i just don't think that's right and

1922

01:09:15,430 --> 01:09:12,719

that's fair and i also think

1923

01:09:18,149 --> 01:09:15,440

that this person

1924

01:09:21,349 --> 01:09:18,159

is part of a incredibly important

1925

01:09:24,229 --> 01:09:21,359

historic event and she

1926

01:09:26,149 --> 01:09:24,239

this person should come forward

1927

01:09:28,870 --> 01:09:26,159

for the benefit of all of us

1928

01:09:31,669 --> 01:09:28,880

um and this will not hurt her this

1929

01:09:33,590 --> 01:09:31,679

person or their career this person is a

1930

01:09:35,510 --> 01:09:33,600

badass

1931

01:09:38,950 --> 01:09:35,520

this person is absolutely amazing has

1932

01:09:41,189 --> 01:09:38,960

made like over 300 wartime

1933

01:09:44,470 --> 01:09:41,199

day and night landings on aircraft

1934

01:09:45,269 --> 01:09:44,480

carriers this person is a badass and

1935

01:09:46,630 --> 01:09:45,279

she's

1936

01:09:47,430 --> 01:09:46,640

you know just i won't reveal the name

1937

01:09:49,430 --> 01:09:47,440

but

1938

01:09:52,149 --> 01:09:49,440

she's beautiful she's incredibly

1939

01:09:53,269 --> 01:09:52,159

intelligent and um

1940

01:09:55,350 --> 01:09:53,279

this

1941

01:09:56,550 --> 01:09:55,360

coming out would not hurt

1942

01:09:59,030 --> 01:09:56,560

um

1943

01:10:00,470 --> 01:09:59,040

i don't think it would hurt her career

1944

01:10:03,510 --> 01:10:00,480

um

1945

01:10:04,709 --> 01:10:03,520

many pilots and have come out and spoken

1946

01:10:06,070 --> 01:10:04,719

about these different issues and

1947

01:10:07,990 --> 01:10:06,080

everyone else associated with it has

1948

01:10:11,270 --> 01:10:08,000

come out and there's been a lot of lies

1949

01:10:12,630 --> 01:10:11,280

as if um fravor was

1950

01:10:14,470 --> 01:10:12,640

her

1951

01:10:16,790 --> 01:10:14,480

when she's a very important witness and

1952

01:10:19,110 --> 01:10:16,800

has very important things to say

1953

01:10:21,189 --> 01:10:19,120

and was the crucial witness

1954

01:10:23,590 --> 01:10:21,199

so you know what i would say to joe and

1955

01:10:25,910 --> 01:10:23,600

to anyone who feels animosity towards me

1956

01:10:28,149 --> 01:10:25,920

for revealing that information

1957

01:10:29,990 --> 01:10:28,159

they may think it's unethical i'm not

1958

01:10:31,189 --> 01:10:30,000

even certain myself if i did the right

1959

01:10:32,390 --> 01:10:31,199

thing or not

1960

01:10:35,110 --> 01:10:32,400

and

1961

01:10:37,270 --> 01:10:35,120

you know i can't take back what i did

1962

01:10:39,030 --> 01:10:37,280

and i would just ask people like joe to

1963

01:10:40,550 --> 01:10:39,040

always communicate with the people they

1964

01:10:42,390 --> 01:10:40,560

have a problem with especially within

1965

01:10:44,310 --> 01:10:42,400

our community we shouldn't divide

1966

01:10:46,229 --> 01:10:44,320

ourselves in the ufo research community

1967

01:10:47,990 --> 01:10:46,239

joe's a very serious guy about this

1968

01:10:50,470 --> 01:10:48,000

research and so am i

1969

01:10:52,149 --> 01:10:50,480

and we care about this topic very much

1970

01:10:53,990 --> 01:10:52,159

so we shouldn't divide each other we

1971

01:10:57,590 --> 01:10:54,000

should try to find bridges and learning

1972

01:10:58,470 --> 01:10:57,600

and understanding you know if i am wrong

1973

01:11:27,669 --> 01:10:58,480

a

1974

01:11:29,350 --> 01:11:27,679

viewership you know so it's not like i

1975

01:11:31,270 --> 01:11:29,360

revealed it to the world

1976

01:11:32,950 --> 01:11:31,280

and you know uh you know i ask his

1977

01:11:35,590 --> 01:11:32,960

forgiveness

1978

01:11:37,510 --> 01:11:35,600

and uh i i still think it's history and

1979

01:11:39,030 --> 01:11:37,520

and very important stuff

1980

01:11:40,709 --> 01:11:39,040

that's a very honest answer and i

1981

01:11:42,149 --> 01:11:40,719

appreciate that and joe again thank you

1982

01:11:43,910 --> 01:11:42,159

for the question as well that that would

1983

01:11:45,510 --> 01:11:43,920

be good if you could get in touch uh

1984

01:11:46,709 --> 01:11:45,520

there's been a lot of animosity on

1985

01:11:48,229 --> 01:11:46,719

twitter in the last couple of days

1986

01:11:49,750 --> 01:11:48,239

particular

1987

01:11:51,750 --> 01:11:49,760

yeah he's you know he's just blocked me

1988

01:11:54,149 --> 01:11:51,760

and not communicated and i think within

1989

01:11:56,950 --> 01:11:54,159

our community we should we don't have to

1990

01:11:59,430 --> 01:11:56,960

worry about disinformation cia

1991

01:12:01,510 --> 01:11:59,440

operatives making us look foolish or

1992

01:12:03,669 --> 01:12:01,520

like in fighters we do it pretty good

1993

01:12:05,189 --> 01:12:03,679

ourselves and uh

1994

01:12:07,510 --> 01:12:05,199

i think we should always strive for the

1995

01:12:09,830 --> 01:12:07,520

highest ideals and

1996

01:12:12,709 --> 01:12:09,840

you know pragmatism and logic

1997

01:12:14,310 --> 01:12:12,719

and also a little bit of compassion too

1998

01:12:16,149 --> 01:12:14,320

no one's perfect

1999

01:12:17,590 --> 01:12:16,159

absolutely not you're right thank you

2000

01:12:19,189 --> 01:12:17,600

for the questions folks there was a few

2001

01:12:21,270 --> 01:12:19,199

other ones sent in but just due to time

2002

01:12:22,550 --> 01:12:21,280

constraints and also the the body of the

2003

01:12:24,550 --> 01:12:22,560

interview we've answered quite a lot of

2004

01:12:27,030 --> 01:12:24,560

those as well just to finish off on the

2005

01:12:30,149 --> 01:12:27,040

quick fire round it's a few words or

2006

01:12:32,550 --> 01:12:30,159

sentences on various projects and topics

2007

01:12:34,830 --> 01:12:32,560

uh and then we'll kind of finish off so

2008

01:12:36,470 --> 01:12:34,840

the first one would be the montauk

2009

01:12:39,590 --> 01:12:36,480

project

2010

01:12:41,830 --> 01:12:39,600

uh bs

2011

01:12:44,070 --> 01:12:41,840

i thought you might say that the next

2012

01:12:46,630 --> 01:12:44,080

one would be and this one's kind of for

2013

01:12:48,390 --> 01:12:46,640

me the men who stare at goats the movie

2014

01:12:51,510 --> 01:12:48,400

have you seen it

2015

01:12:52,709 --> 01:12:51,520

no i haven't have you read the book

2016

01:12:54,310 --> 01:12:52,719

no i haven't

2017

01:12:56,550 --> 01:12:54,320

do you know what it's about

2018

01:12:58,390 --> 01:12:56,560

yes yeah okay is it something you're

2019

01:12:59,189 --> 01:12:58,400

going to see or do you just choose not

2020

01:13:04,630 --> 01:12:59,199

to

2021

01:13:06,070 --> 01:13:04,640

the abilities i i know they exist

2022

01:13:07,510 --> 01:13:06,080

i just wondered given the tone of the

2023

01:13:09,430 --> 01:13:07,520

film if you would if you would avoid it

2024

01:13:11,430 --> 01:13:09,440

given it as more comical and obviously

2025

01:13:12,550 --> 01:13:11,440

kind of fanta fantasized given the

2026

01:13:13,830 --> 01:13:12,560

nature of the thing it doesn't have to

2027

01:13:15,750 --> 01:13:13,840

be does it

2028

01:13:19,110 --> 01:13:15,760

so the next one would be the friendly

2029

01:13:21,030 --> 01:13:19,120

and hostile et narrative

2030

01:13:23,750 --> 01:13:21,040

i only believe in the friendly e.t

2031

01:13:26,149 --> 01:13:23,760

narrative i'm not a subscriber to

2032

01:13:27,910 --> 01:13:26,159

the hostile eg narrative and i've never

2033

01:13:30,070 --> 01:13:27,920

seen any convincing evidence there's

2034

01:13:32,310 --> 01:13:30,080

plenty of stories about hostile negative

2035

01:13:35,830 --> 01:13:32,320

experiences negative abductions but i'm

2036

01:13:39,830 --> 01:13:35,840

highly suspect of those

2037

01:13:46,470 --> 01:13:43,350

that's a very complex

2038

01:13:48,470 --> 01:13:46,480

um subject he is someone that the ufo

2039

01:13:50,870 --> 01:13:48,480

community should always be incredibly

2040

01:13:52,630 --> 01:13:50,880

grateful for for

2041

01:13:54,229 --> 01:13:52,640

so many different things the press club

2042

01:13:56,390 --> 01:13:54,239

event where he brought out all these

2043

01:13:58,390 --> 01:13:56,400

people for all of his interviews but

2044

01:14:01,750 --> 01:13:58,400

there's also a lot of fear-mongering

2045

01:14:03,189 --> 01:14:01,760

with you know a giant fake ufo event and

2046

01:14:04,390 --> 01:14:03,199

the government's going to be doing this

2047

01:14:05,669 --> 01:14:04,400

and that

2048

01:14:07,270 --> 01:14:05,679

cool um

2049

01:14:10,149 --> 01:14:07,280

ce5

2050

01:14:13,189 --> 01:14:10,159

um very real very important

2051

01:14:16,630 --> 01:14:13,199

the technique is everything

2052

01:14:21,350 --> 01:14:19,830

uh fear monger

2053

01:14:23,510 --> 01:14:21,360

and the last one i'd like to finish off

2054

01:14:25,750 --> 01:14:23,520

with all the guests what does disclosure

2055

01:14:27,669 --> 01:14:25,760

mean to you

2056

01:14:29,110 --> 01:14:27,679

uh revealing the reality that advanced

2057

01:14:31,750 --> 01:14:29,120

civilizations have been visiting our

2058

01:14:35,750 --> 01:14:34,149

excellent that's great uh listen buddy

2059

01:14:37,189 --> 01:14:35,760

it's been amazing talking with you if

2060

01:14:38,630 --> 01:14:37,199

you want to just let the listeners know

2061

01:14:39,910 --> 01:14:38,640

how they can get in touch with you how

2062

01:14:41,030 --> 01:14:39,920

they can subscribe to your youtube

2063

01:14:43,110 --> 01:14:41,040

channel

2064

01:14:46,149 --> 01:14:43,120

they could just go to alien protocols on

2065

01:14:47,990 --> 01:14:46,159

youtube or to email me if anyone wants

2066

01:14:49,910 --> 01:14:48,000

healing we never charge for any of this

2067

01:14:51,750 --> 01:14:49,920

stuff if there's someone sick who needs

2068

01:14:54,149 --> 01:14:51,760

healing if you need a remote viewing if

2069

01:14:55,990 --> 01:14:54,159

you want tips on psy

2070

01:14:58,270 --> 01:14:56,000

abilities it would be a pleasure to help

2071

01:15:01,430 --> 01:14:58,280

in any way we can you can just email at

2072

01:15:02,790 --> 01:15:01,440

alienprotocols gmail.com

2073

01:15:04,149 --> 01:15:02,800

that's great buddy it's been absolute

2074

01:15:05,510 --> 01:15:04,159

pleasure speaking with you thank you

2075

01:15:06,790 --> 01:15:05,520

very much

2076

01:15:08,630 --> 01:15:06,800

my pleasure god bless you and the

2077

01:15:10,709 --> 01:15:08,640

listeners thanks everyone

2078

01:15:12,709 --> 01:15:10,719

that is all for this week's show thank

2079

01:15:14,709 --> 01:15:12,719

you very much for listening please

2080

01:15:17,350 --> 01:15:14,719

remember to leave the podcast to review

2081

01:15:19,669 --> 01:15:17,360

on your chosen platform you can like

2082

01:15:21,590 --> 01:15:19,679

retweet and subscribe that would all be

2083

01:15:23,750 --> 01:15:21,600

very much appreciated the shows are

2084

01:15:25,270 --> 01:15:23,760

being uploaded on youtube as we speak

2085

01:15:27,750 --> 01:15:25,280

more and more you can sign up at

2086

01:15:30,470 --> 01:15:27,760

patreon.com forward slash that ufo

2087

01:15:32,709 --> 01:15:30,480

podcast to access shows ad free as well

2088

01:15:35,510 --> 01:15:32,719

please get in touch on twitter facebook

2089

01:15:39,189 --> 01:15:35,520

instagram that ufo podcast of course on

2090

01:15:41,189 --> 01:15:39,199

twitter it's at ufo uap am and again

2091

01:15:43,880 --> 01:15:41,199

folks as always keep looking up you

2092

01:16:04,310 --> 01:15:43,890

never know what you might see

2093

01:16:04,320 --> 01:16:11,000

is

2094

01:16:11,010 --> 01:16:19,990

[Music]

2095

01:16:23,110 --> 01:16:21,430

i can't imagine how it could have been

2096

01:16:33,550 --> 01:16:23,120

any better i got to the top of the

2097

01:16:33,560 --> 01:16:40,709

[Music]

2098

01:16:47,350 --> 01:16:41,990

there was something on my head and

2099

01:17:09,350 --> 01:16:50,150

they thought it was everything toys

2100

01:17:09,360 --> 01:17:14,550

what's that

2101

01:17:14,560 --> 01:17:19,110

[Music]

2102

01:17:19,120 --> 01:17:28,460

for being serious

2103

01:17:28,470 --> 01:17:42,149

[Music]

2104

01:17:49,510 --> 01:17:43,580

is

2105

01:17:51,350 --> 01:17:49,520

[Music]

2106

01:18:02,470 --> 01:17:51,360

it wasn't a tic tac and not quite a
