JOHN RAMIREZ  
LISTENER QUESTIONS - PART 1

1  
00:00:00,100 --> 00:00:03,429  
[Music]

2  
00:00:06,630 --> 00:00:04,950  
there's a whole fleet of look on the

3  
00:00:08,870 --> 00:00:06,640  
assay

4  
00:00:12,230 --> 00:00:08,880  
oh my gosh they're all going against the

5  
00:00:16,950 --> 00:00:14,390  
it was basically a cube with inside of

6  
00:00:21,910 --> 00:00:16,960  
sphere where the points of the cube

7  
00:00:35,110 --> 00:00:31,170  
[Music]

8  
00:00:36,630 --> 00:00:35,120  
[Applause]

9  
00:00:38,950 --> 00:00:36,640  
so this isn't anything that just is

10  
00:00:46,549 --> 00:00:38,960  
limited to the united states it's a

11  
00:00:51,910 --> 00:00:48,950  
hi everyone and welcome back to that ufo

12  
00:00:53,830 --> 00:00:51,920  
podcast my name is andy and last year we

13  
00:00:57,590 --> 00:00:53,840

finished off with a huge interview with

14

00:00:59,750 --> 00:00:57,600

xcia john ramirez john has done many

15

00:01:02,470 --> 00:00:59,760

many interviews now over the last few

16

00:01:04,710 --> 00:01:02,480

months and his his story is fantastic

17

00:01:07,270 --> 00:01:04,720

has his manner the way he speaks what he

18

00:01:09,030 --> 00:01:07,280

speaks about is incredible and we didn't

19

00:01:10,870 --> 00:01:09,040

get all the time we wanted in the last

20

00:01:12,789 --> 00:01:10,880

interview to really get through as many

21

00:01:15,270 --> 00:01:12,799

of your listener questions as we could

22

00:01:17,109 --> 00:01:15,280

so john has kindly come back on in this

23

00:01:18,950 --> 00:01:17,119

new year to get through some of those

24

00:01:20,469 --> 00:01:18,960

listener questions and the time that

25

00:01:21,830 --> 00:01:20,479

we've got so john welcome back to the

26

00:01:24,870 --> 00:01:21,840

podcast

27

00:01:26,630 --> 00:01:24,880

uh andy thanks for having me back

28

00:01:27,990 --> 00:01:26,640

it's a pleasure and i know many many

29

00:01:30,469 --> 00:01:28,000

people are looking forward to hearing

30

00:01:32,149 --> 00:01:30,479

from you again uh i'm going to be really

31

00:01:34,390 --> 00:01:32,159

selfish and kick off with one of my own

32

00:01:36,230 --> 00:01:34,400

questions though john because just a few

33

00:01:38,950 --> 00:01:36,240

hours ago i was i was scrolling through

34

00:01:41,109 --> 00:01:38,960

my twitter feed and i noticed you had

35

00:01:43,350 --> 00:01:41,119

replied to jay christopher king of the

36

00:01:45,510 --> 00:01:43,360

experiencer group who was interviewing

37

00:01:47,429 --> 00:01:45,520

leslie kane yes and if you don't mind

38

00:01:49,830 --> 00:01:47,439

i'll read your question your question to

39

00:01:51,190 --> 00:01:49,840

jay was hi jay my question is

40

00:01:53,749 --> 00:01:51,200

are you aware of the government's

41

00:01:55,429 --> 00:01:53,759

interests and experiences as sources of

42

00:01:58,069 --> 00:01:55,439

information and understanding the

43

00:02:00,550 --> 00:01:58,079

complexity of the phenomenon in other

44

00:02:01,910 --> 00:02:00,560

words did the uap task force interview

45

00:02:03,910 --> 00:02:01,920

experiencers

46

00:02:06,069 --> 00:02:03,920

now my question to you john off the back

47

00:02:08,790 --> 00:02:06,079

of that is that just a curiosity of

48

00:02:10,550 --> 00:02:08,800

yours or does that question come from a

49

00:02:12,229 --> 00:02:10,560

place of knowledge

50

00:02:13,750 --> 00:02:12,239

it really doesn't come from a place of

51  
00:02:16,070 --> 00:02:13,760  
knowledge it's something that i'm very

52  
00:02:19,510 --> 00:02:16,080  
curious about because i believe that

53  
00:02:23,270 --> 00:02:19,520  
unless we have the experiercer

54  
00:02:25,270 --> 00:02:23,280  
contributing to the dialogue that we're

55  
00:02:27,589 --> 00:02:25,280  
already getting part of the story

56  
00:02:29,350 --> 00:02:27,599  
and it's hard to deny that people have

57  
00:02:31,589 --> 00:02:29,360  
experiences with the phenomenon there

58  
00:02:34,229 --> 00:02:31,599  
are so many witnesses to this

59  
00:02:36,550 --> 00:02:34,239  
in fact the fact that uh

60  
00:02:39,430 --> 00:02:36,560  
for example uh

61  
00:02:41,350 --> 00:02:39,440  
dr lakatsky in his uh skinwalkers of the

62  
00:02:43,910 --> 00:02:41,360  
pentagon book talked about these

63  
00:02:45,830 --> 00:02:43,920

experiences that are hard to explain

64

00:02:47,350 --> 00:02:45,840

the hitchhiker effect and so forth i

65

00:02:49,910 --> 00:02:47,360

mean obviously

66

00:02:51,030 --> 00:02:49,920

if it's in the book that the dia has

67

00:02:53,589 --> 00:02:51,040

sanctioned

68

00:02:55,110 --> 00:02:53,599

as being unclassified and

69

00:02:56,630 --> 00:02:55,120

able to publish

70

00:02:58,869 --> 00:02:56,640

you would think that the government has

71

00:03:01,270 --> 00:02:58,879

some knowledge of it and i'm curious

72

00:03:03,990 --> 00:03:01,280

because leslie king has so

73

00:03:05,270 --> 00:03:04,000

many deep contacts within the government

74

00:03:07,190 --> 00:03:05,280

if she could

75

00:03:08,790 --> 00:03:07,200

perhaps enlighten us as to whether or

76

00:03:11,030 --> 00:03:08,800

not experiencers

77

00:03:13,509 --> 00:03:11,040

have any contribution to make or have

78

00:03:15,270 --> 00:03:13,519

already made contributions uh in the

79

00:03:17,750 --> 00:03:15,280

dialogue

80

00:03:20,149 --> 00:03:17,760

talking about the phenomena

81

00:03:22,630 --> 00:03:20,159

back in october or november now last

82

00:03:24,789 --> 00:03:22,640

year seems a long time away i i done a

83

00:03:26,309 --> 00:03:24,799

series of interviews with experiencers

84

00:03:28,710 --> 00:03:26,319

allowing them the chance to share their

85

00:03:30,470 --> 00:03:28,720

story it wasn't digging in and picking

86

00:03:32,390 --> 00:03:30,480

apart the story it was just tell your

87

00:03:33,830 --> 00:03:32,400

story put it out there to the world and

88

00:03:35,750 --> 00:03:33,840

let people decide

89

00:03:37,830 --> 00:03:35,760

uh and one of the experiencers we were

90

00:03:40,550 --> 00:03:37,840

having a conversation back and forward

91

00:03:42,949 --> 00:03:40,560

john and he was really frustrated at the

92

00:03:45,030 --> 00:03:42,959

lack of representation uh at the

93

00:03:46,390 --> 00:03:45,040

governmental level or just at the table

94

00:03:49,830 --> 00:03:46,400

of conversation

95

00:03:52,149 --> 00:03:49,840

and i i put to him that i strongly feel

96

00:03:53,910 --> 00:03:52,159

that it's very likely that some of these

97

00:03:56,309 --> 00:03:53,920

people in positions of power or

98

00:03:57,429 --> 00:03:56,319

influence are potentially experiencers

99

00:03:59,190 --> 00:03:57,439

themselves

100

00:04:01,509 --> 00:03:59,200

we just don't know that so they're

101  
00:04:03,910 --> 00:04:01,519  
probably is a high likelihood

102  
00:04:05,509 --> 00:04:03,920  
that experiencers do have a seat at the

103  
00:04:07,750 --> 00:04:05,519  
table as such what do you think the

104  
00:04:10,070 --> 00:04:07,760  
possibility of that is

105  
00:04:11,910 --> 00:04:10,080  
well i'm thinking that

106  
00:04:13,830 --> 00:04:11,920  
it's a high possibility

107  
00:04:15,670 --> 00:04:13,840  
obviously i was former government and

108  
00:04:18,469 --> 00:04:15,680  
i've had experiences

109  
00:04:21,030 --> 00:04:18,479  
i've already related that when i was at

110  
00:04:23,030 --> 00:04:21,040  
cia i've talked to other cia officers

111  
00:04:24,950 --> 00:04:23,040  
and other ic officers who've had

112  
00:04:26,550 --> 00:04:24,960  
experiences

113  
00:04:28,710 --> 00:04:26,560

one of the questions if i was

114

00:04:31,189 --> 00:04:28,720

interviewing lou elizondo i would ask

115

00:04:33,189 --> 00:04:31,199

him lou have you had experiences

116

00:04:35,830 --> 00:04:33,199

and i don't think any interviewers has

117

00:04:39,670 --> 00:04:35,840

ever asked that or if they have he

118

00:04:43,110 --> 00:04:39,680

probably did not answer it um but

119

00:04:45,590 --> 00:04:43,120

it's coming from a place of like

120

00:04:47,430 --> 00:04:45,600

curiosity but also

121

00:04:49,990 --> 00:04:47,440

the fact that so many of us in

122

00:04:52,950 --> 00:04:50,000

government have had experiences

123

00:04:56,629 --> 00:04:52,960

and maybe some of the naval aviators who

124

00:04:58,550 --> 00:04:56,639

flew the fa-18s have had experiences

125

00:05:01,110 --> 00:04:58,560

um i know that

126

00:05:03,189 --> 00:05:01,120

there's an author matthew roberts

127

00:05:04,790 --> 00:05:03,199

who wrote a book called initiate it and

128

00:05:07,270 --> 00:05:04,800

he was on an aircraft carrier not the

129

00:05:09,189 --> 00:05:07,280

nimitz uh aircraft carrier uh but i

130

00:05:10,870 --> 00:05:09,199

think it was the theodore roosevelt if

131

00:05:13,110 --> 00:05:10,880

i'm not mistaken

132

00:05:16,310 --> 00:05:13,120

he has had experiences when the teddy

133

00:05:17,909 --> 00:05:16,320

roosevelt encountered a uap

134

00:05:20,070 --> 00:05:17,919

so

135

00:05:22,950 --> 00:05:20,080

i'm just asking her

136

00:05:24,950 --> 00:05:22,960

if she could like enlighten us if she

137

00:05:27,510 --> 00:05:24,960

has inside information

138

00:05:29,590 --> 00:05:27,520

um not revealing any names or anything

139

00:05:31,110 --> 00:05:29,600

like that yes or no

140

00:05:32,629 --> 00:05:31,120

that would to me is would be very

141

00:05:34,390 --> 00:05:32,639

enlightening

142

00:05:36,310 --> 00:05:34,400

i think the issue with with people like

143

00:05:38,790 --> 00:05:36,320

lou coming out and saying they've had an

144

00:05:40,550 --> 00:05:38,800

experience if they had i believe

145

00:05:42,870 --> 00:05:40,560

i'm pretty sure i'm right on this at the

146

00:05:43,670 --> 00:05:42,880

end of unidentified series one or series

147

00:05:45,749 --> 00:05:43,680

two

148

00:05:47,350 --> 00:05:45,759

he has asked about his own potential

149

00:05:48,870 --> 00:05:47,360

experiences and it's one of those

150

00:05:50,469 --> 00:05:48,880

moments where he says

151  
00:05:52,550 --> 00:05:50,479  
he's not going to talk about that at the

152  
00:05:54,310 --> 00:05:52,560  
moment he takes the mic off and stands

153  
00:05:56,710 --> 00:05:54,320  
up and for the camera it's like a

154  
00:05:58,309 --> 00:05:56,720  
powerful moment i imagine though if if

155  
00:06:00,309 --> 00:05:58,319  
someone like lou comes out or

156  
00:06:01,990 --> 00:06:00,319  
christopher mellon you know jim semivan

157  
00:06:03,749 --> 00:06:02,000  
help it off and says

158  
00:06:06,469 --> 00:06:03,759  
yep i've had experiences i'm an

159  
00:06:08,150 --> 00:06:06,479  
experiencer i've had x y or z happen to

160  
00:06:09,990 --> 00:06:08,160  
me over my life

161  
00:06:12,150 --> 00:06:10,000  
i think going forward every interview

162  
00:06:14,309 --> 00:06:12,160  
they do in the mainstream especially for

163  
00:06:16,629 --> 00:06:14,319

someone like lou and fox news or cnn or

164

00:06:19,029 --> 00:06:16,639

good morning america that's the focus of

165

00:06:21,189 --> 00:06:19,039

the interview not the political progress

166

00:06:23,350 --> 00:06:21,199

and i can see why they maybe don't have

167

00:06:25,189 --> 00:06:23,360

those conversations because it takes

168

00:06:27,110 --> 00:06:25,199

away from a mainstream not people like

169

00:06:27,990 --> 00:06:27,120

us who want to have those conversations

170

00:06:29,510 --> 00:06:28,000

but

171

00:06:31,510 --> 00:06:29,520

maybe for the sake of progress it's

172

00:06:33,270 --> 00:06:31,520

something that it's a frustration people

173

00:06:34,469 --> 00:06:33,280

have to deal with but i can i can

174

00:06:36,390 --> 00:06:34,479

totally appreciate

175

00:06:37,990 --> 00:06:36,400

from an experiencer's point of view not

176  
00:06:39,670 --> 00:06:38,000  
that i am one but other people who i've

177  
00:06:41,590 --> 00:06:39,680  
been and i've spoken to

178  
00:06:43,029 --> 00:06:41,600  
where they want that conversation to be

179  
00:06:44,550 --> 00:06:43,039  
had and heard

180  
00:06:46,469 --> 00:06:44,560  
i just see it as being a few years down

181  
00:06:48,070 --> 00:06:46,479  
the line still before the mainstream can

182  
00:06:49,110 --> 00:06:48,080  
can swallow that pill do you think

183  
00:06:51,110 --> 00:06:49,120  
that's fair

184  
00:06:55,670 --> 00:06:51,120  
i despair and so

185  
00:06:57,430 --> 00:06:55,680  
um in the ndaa um there is a uh a

186  
00:06:58,469 --> 00:06:57,440  
provision in it

187  
00:07:00,830 --> 00:06:58,479  
for

188  
00:07:04,110 --> 00:07:00,840

the department of defense

189

00:07:06,710 --> 00:07:04,120

to inform congress of the

190

00:07:08,710 --> 00:07:06,720

physiological and psychological effects

191

00:07:12,150 --> 00:07:08,720

of encountering the phenomenon

192

00:07:15,990 --> 00:07:12,160

so that might be a segue into

193

00:07:17,749 --> 00:07:16,000

a honest discussion about experiences

194

00:07:19,270 --> 00:07:17,759

it's the baby steps isn't it where

195

00:07:21,909 --> 00:07:19,280

you're you're starting to talk about as

196

00:07:23,270 --> 00:07:21,919

you see an effect because even it sounds

197

00:07:24,790 --> 00:07:23,280

like a boring thing talking about

198

00:07:26,309 --> 00:07:24,800

insurance but

199

00:07:27,749 --> 00:07:26,319

that that could be something that's huge

200

00:07:29,830 --> 00:07:27,759

in the future insurance payouts for

201  
00:07:31,350 --> 00:07:29,840  
people who have had experiences and if

202  
00:07:33,430 --> 00:07:31,360  
you've been in the military and and

203  
00:07:34,870 --> 00:07:33,440  
you're your craft your aircraft is next

204  
00:07:35,670 --> 00:07:34,880  
to one of these things

205  
00:07:37,350 --> 00:07:35,680  
and

206  
00:07:38,790 --> 00:07:37,360  
you you have those effects coming off

207  
00:07:39,990 --> 00:07:38,800  
what we hear about rendelsham you know

208  
00:07:40,790 --> 00:07:40,000  
and what may or may not have happened

209  
00:07:44,629 --> 00:07:40,800  
there

210  
00:07:46,550 --> 00:07:44,639  
dollars of payouts

211  
00:07:49,110 --> 00:07:46,560  
down the line in the future and

212  
00:07:51,189 --> 00:07:49,120  
it really opens up a bit of a pandora's

213  
00:07:53,110 --> 00:07:51,199

box of where the conversations could

214

00:07:55,670 --> 00:07:53,120

potentially go

215

00:07:58,469 --> 00:07:55,680

yeah i think the liabilities might be of

216

00:07:59,909 --> 00:07:58,479

concern to the government

217

00:08:02,469 --> 00:07:59,919

but still

218

00:08:05,270 --> 00:08:02,479

from experiencers viewpoint

219

00:08:06,469 --> 00:08:05,280

uh i have not experienced like mantis

220

00:08:07,270 --> 00:08:06,479

beings

221

00:08:11,670 --> 00:08:07,280

or

222

00:08:13,990 --> 00:08:11,680

if i have i don't remember them

223

00:08:15,909 --> 00:08:14,000

i've always said that the beings i have

224

00:08:18,790 --> 00:08:15,919

experienced tend to be

225

00:08:20,469 --> 00:08:18,800

more of the highly evolved but reptilian

226

00:08:22,950 --> 00:08:20,479

type of being

227

00:08:25,589 --> 00:08:22,960

so i'm curious to know

228

00:08:27,909 --> 00:08:25,599

like are these all manifestations of one

229

00:08:30,230 --> 00:08:27,919

entity

230

00:08:33,269 --> 00:08:30,240

presenting itself to us or

231

00:08:35,990 --> 00:08:33,279

are there separate entities representing

232

00:08:38,550 --> 00:08:36,000

separate beings or separate

233

00:08:42,230 --> 00:08:38,560

species of beings if you will

234

00:08:44,470 --> 00:08:42,240

so i i think talking about experiences

235

00:08:46,070 --> 00:08:44,480

will open up the dialogue as to the real

236

00:08:46,870 --> 00:08:46,080

question as to

237

00:08:48,070 --> 00:08:46,880

not

238

00:08:51,910 --> 00:08:48,080

that

239

00:08:54,070 --> 00:08:51,920

real

240

00:08:55,990 --> 00:08:54,080

we have video of them we have

241

00:08:57,590 --> 00:08:56,000

eyewitnesses of them

242

00:08:59,590 --> 00:08:57,600

but the beings then open up the

243

00:09:02,230 --> 00:08:59,600

conversation about

244

00:09:04,790 --> 00:09:02,240

why are they here why are they

245

00:09:05,990 --> 00:09:04,800

presenting themselves to experiencers

246

00:09:08,470 --> 00:09:06,000

what is the message that they're

247

00:09:10,310 --> 00:09:08,480

conveying to us i think that's as

248

00:09:12,389 --> 00:09:10,320

important if not more important than you

249

00:09:14,070 --> 00:09:12,399

know just seeing a craft

250

00:09:15,829 --> 00:09:14,080

if that conversation were to happen

251  
00:09:18,230 --> 00:09:15,839  
tomorrow let's just say there's a huge

252  
00:09:20,230 --> 00:09:18,240  
huge movement forward and

253  
00:09:22,710 --> 00:09:20,240  
in congress on live television we're

254  
00:09:24,550 --> 00:09:22,720  
hearing experiences

255  
00:09:25,750 --> 00:09:24,560  
coming out and having those discussions

256  
00:09:27,350 --> 00:09:25,760  
even potentially high-ranking

257  
00:09:30,710 --> 00:09:27,360  
politicians talking about their

258  
00:09:32,389 --> 00:09:30,720  
experiences people like yourself

259  
00:09:34,389 --> 00:09:32,399  
how do you think the public would react

260  
00:09:36,310 --> 00:09:34,399  
to that hearing that conversation which

261  
00:09:38,710 --> 00:09:36,320  
is one of the more woo and stigmatized

262  
00:09:40,949 --> 00:09:38,720  
aspects of this whole discussion

263  
00:09:42,630 --> 00:09:40,959

happening in a serious way

264

00:09:44,949 --> 00:09:42,640

do you not feel there would be a fear

265

00:09:46,230 --> 00:09:44,959

factor then from the public because

266

00:09:48,710 --> 00:09:46,240

how can you

267

00:09:50,070 --> 00:09:48,720

as a government protect the public from

268

00:09:51,829 --> 00:09:50,080

something they have no control over

269

00:09:53,350 --> 00:09:51,839

potentially and is that maybe why we

270

00:09:55,269 --> 00:09:53,360

don't have that conversation at this

271

00:09:57,030 --> 00:09:55,279

point well i definitely don't think

272

00:09:58,949 --> 00:09:57,040

that's going to be the first thing

273

00:10:00,150 --> 00:09:58,959

that's going to be talked about

274

00:10:02,030 --> 00:10:00,160

i don't think that's going to be the

275

00:10:05,110 --> 00:10:02,040

first thing that the

276

00:10:06,550 --> 00:10:05,120

180-day report yeah

277

00:10:09,269 --> 00:10:06,560

will feature

278

00:10:11,509 --> 00:10:09,279

and by the way that 180-day report

279

00:10:14,470 --> 00:10:11,519

coincides with when

280

00:10:16,949 --> 00:10:14,480

the james webb space telescope

281

00:10:19,030 --> 00:10:16,959

takes what nasa terms first light that

282

00:10:22,870 --> 00:10:19,040

is they are actually going to do the

283

00:10:25,590 --> 00:10:22,880

science mission of it in june of 2022.

284

00:10:27,829 --> 00:10:25,600

um so definitely

285

00:10:31,110 --> 00:10:27,839

the government hasn't really explained

286

00:10:33,190 --> 00:10:31,120

the uap presence yet

287

00:10:34,230 --> 00:10:33,200

other than okay there's videos we have

288

00:10:36,550 --> 00:10:34,240

three of them

289

00:10:40,069 --> 00:10:36,560

but they've not really acknowledged

290

00:10:42,069 --> 00:10:40,079

or given us any more detail of the other

291

00:10:43,269 --> 00:10:42,079

craft that was part of the uap task

292

00:10:45,030 --> 00:10:43,279

force

293

00:10:48,470 --> 00:10:45,040

so i think we need to talk about the

294

00:10:50,389 --> 00:10:48,480

other craft there are 140 other than the

295

00:10:52,870 --> 00:10:50,399

three that we know about and plus one

296

00:10:54,230 --> 00:10:52,880

balloon there are 140 craft

297

00:10:56,630 --> 00:10:54,240

that the government really hasn't

298

00:10:58,389 --> 00:10:56,640

explained as to what they are

299

00:10:59,509 --> 00:10:58,399

now one of them they obviously said was

300

00:11:02,310 --> 00:10:59,519

a balloon

301  
00:11:04,790 --> 00:11:02,320  
so it leads me to believe that 140 that

302  
00:11:06,310 --> 00:11:04,800  
the government has data about

303  
00:11:08,870 --> 00:11:06,320  
are not balloons

304  
00:11:10,550 --> 00:11:08,880  
there's things that they can't explain

305  
00:11:12,550 --> 00:11:10,560  
um and i wish they would explain that so

306  
00:11:14,710 --> 00:11:12,560  
i think they need to come out with a

307  
00:11:15,990 --> 00:11:14,720  
more thorough

308  
00:11:19,030 --> 00:11:16,000  
disclosure

309  
00:11:20,069 --> 00:11:19,040  
or dissemination of what this 140 craft

310  
00:11:23,750 --> 00:11:20,079  
were

311  
00:11:24,710 --> 00:11:23,760  
and to the point that what i wanted was

312  
00:11:27,190 --> 00:11:24,720  
dates

313  
00:11:28,790 --> 00:11:27,200

times and locations

314

00:11:30,630 --> 00:11:28,800

and going back to your experience of

315

00:11:34,150 --> 00:11:30,640

question then

316

00:11:35,590 --> 00:11:34,160

um let's say i've experienced um

317

00:11:37,990 --> 00:11:35,600

something on a certain date and a

318

00:11:40,230 --> 00:11:38,000

certain time associated with a certain

319

00:11:41,509 --> 00:11:40,240

thing i saw in the sky an orb

320

00:11:43,750 --> 00:11:41,519

let's say

321

00:11:46,310 --> 00:11:43,760

and if the government has data on that

322

00:11:48,550 --> 00:11:46,320

orb at that location on that date and

323

00:11:50,710 --> 00:11:48,560

time that gives me some validation that

324

00:11:52,470 --> 00:11:50,720

what i saw was real

325

00:11:54,389 --> 00:11:52,480

uh so i think they need to talk about

326

00:11:56,870 --> 00:11:54,399

that first they probably just do the

327

00:11:57,590 --> 00:11:56,880

nuts and bolts material science part of

328

00:11:59,670 --> 00:11:57,600

it

329

00:12:01,269 --> 00:11:59,680

before they even address the experience

330

00:12:04,550 --> 00:12:01,279

part of it but you made a great point

331

00:12:07,269 --> 00:12:04,560

and there's probably liabilities

332

00:12:09,509 --> 00:12:07,279

about any kind of harm that that

333

00:12:11,190 --> 00:12:09,519

experience may might have caused

334

00:12:14,389 --> 00:12:11,200

i have not had

335

00:12:16,150 --> 00:12:14,399

anything debilitating happen to me

336

00:12:18,069 --> 00:12:16,160

unlike those who've experienced the

337

00:12:20,230 --> 00:12:18,079

hitchhiker effect

338

00:12:23,269 --> 00:12:20,240

and whether that's just skin walker or

339

00:12:25,190 --> 00:12:23,279

that's actually part of a larger uap

340

00:12:26,790 --> 00:12:25,200

experience i don't know i don't think

341

00:12:29,350 --> 00:12:26,800

the book went into

342

00:12:31,829 --> 00:12:29,360

a lot of detail on the experienter side

343

00:12:33,750 --> 00:12:31,839

they basically talked about skin walker

344

00:12:35,030 --> 00:12:33,760

and the phenomenon there

345

00:12:37,509 --> 00:12:35,040

so

346

00:12:39,509 --> 00:12:37,519

yeah i think

347

00:12:41,990 --> 00:12:39,519

baby steps as you say

348

00:12:44,230 --> 00:12:42,000

and then maybe along the line uh we'll

349

00:12:47,190 --> 00:12:44,240

get an honest discussion

350

00:12:49,350 --> 00:12:47,200

the last report is due

351  
00:12:51,829 --> 00:12:49,360  
30 september

352  
00:12:54,710 --> 00:12:51,839  
2026.

353  
00:12:57,110 --> 00:12:54,720  
that's when the legislation

354  
00:12:58,949 --> 00:12:57,120  
has provisions for reports from the

355  
00:13:00,949 --> 00:12:58,959  
department of defense what happens after

356  
00:13:02,069 --> 00:13:00,959  
that i don't know

357  
00:13:04,790 --> 00:13:02,079  
um but

358  
00:13:06,389 --> 00:13:04,800  
you know i was listening to lou on coast

359  
00:13:08,150 --> 00:13:06,399  
coast am

360  
00:13:10,150 --> 00:13:08,160  
and he keeps saying

361  
00:13:12,470 --> 00:13:10,160  
well i can't explain now and i'm

362  
00:13:13,590 --> 00:13:12,480  
paraphrasing so forgive me lou if i got

363  
00:13:17,350 --> 00:13:13,600

it wrong

364

00:13:18,870 --> 00:13:17,360

but he keeps saying um well you know why

365

00:13:21,990 --> 00:13:18,880

don't you just have a hobby for the next

366

00:13:24,230 --> 00:13:22,000

five years pick up like something pick

367

00:13:25,829 --> 00:13:24,240

up a hobby go fishing whatever

368

00:13:28,870 --> 00:13:25,839

and

369

00:13:33,670 --> 00:13:28,880

the answer will come in five years

370

00:13:36,069 --> 00:13:33,680

and so that's like 2026 2027 thereabouts

371

00:13:37,190 --> 00:13:36,079

so maybe that's when we get the full

372

00:13:39,910 --> 00:13:37,200

depth

373

00:13:42,949 --> 00:13:39,920

and scope and the full breadth

374

00:13:44,470 --> 00:13:42,959

of what's really going on

375

00:13:46,069 --> 00:13:44,480

one more thing i want to touch on john

376

00:13:47,590 --> 00:13:46,079

that you mentioned before i get to the

377

00:13:49,430 --> 00:13:47,600

listeners questions

378

00:13:51,990 --> 00:13:49,440

you mentioned about as an experimenter

379

00:13:52,870 --> 00:13:52,000

you really want to know are these

380

00:13:54,790 --> 00:13:52,880

one

381

00:13:56,949 --> 00:13:54,800

set of beings that are manifesting

382

00:13:59,350 --> 00:13:56,959

themselves in different ways or are we

383

00:14:01,509 --> 00:13:59,360

dealing with multiple different races

384

00:14:03,269 --> 00:14:01,519

entities beings you know

385

00:14:05,990 --> 00:14:03,279

in in your own mind is there a

386

00:14:07,750 --> 00:14:06,000

difference between if it was either or

387

00:14:09,829 --> 00:14:07,760

do you have a preference or what do you

388

00:14:11,990 --> 00:14:09,839

think the the connotations are of it

389

00:14:13,189 --> 00:14:12,000

being a race of beings manifesting in

390

00:14:15,509 --> 00:14:13,199

different ways

391

00:14:16,949 --> 00:14:15,519

or that we have various different races

392

00:14:19,189 --> 00:14:16,959

of beings

393

00:14:20,710 --> 00:14:19,199

i don't have a preference i think

394

00:14:22,550 --> 00:14:20,720

them

395

00:14:25,269 --> 00:14:22,560

they being beings of non-human

396

00:14:27,110 --> 00:14:25,279

intelligence is enough for me

397

00:14:28,790 --> 00:14:27,120

uh and then i'll be curious to know

398

00:14:30,550 --> 00:14:28,800

where did you come from how long have

399

00:14:32,470 --> 00:14:30,560

you been here

400

00:14:34,949 --> 00:14:32,480

that would be my second question after

401  
00:14:38,629 --> 00:14:34,959  
identifying who they are

402  
00:14:40,230 --> 00:14:38,639  
but i don't have any preference myself

403  
00:14:42,150 --> 00:14:40,240  
having said that

404  
00:14:44,389 --> 00:14:42,160  
i acknowledge that not not all

405  
00:14:45,990 --> 00:14:44,399  
experiences have been pleasant for the

406  
00:14:47,509 --> 00:14:46,000  
experiencers

407  
00:14:49,189 --> 00:14:47,519  
some have had

408  
00:14:52,949 --> 00:14:49,199  
harmful effects

409  
00:14:55,670 --> 00:14:52,959  
both physically and psychologically

410  
00:14:57,350 --> 00:14:55,680  
so i have not had that type of

411  
00:15:00,069 --> 00:14:57,360  
experience

412  
00:15:01,350 --> 00:15:00,079  
but since i've had more i would say

413  
00:15:04,150 --> 00:15:01,360

benevolent

414

00:15:06,389 --> 00:15:04,160  
or let's say not malevolent

415

00:15:09,670 --> 00:15:06,399  
experiences and other people

416

00:15:11,829 --> 00:15:09,680  
have had more malevolent experiences

417

00:15:13,430 --> 00:15:11,839  
it would lead me to believe that

418

00:15:15,670 --> 00:15:13,440  
they're different and they have

419

00:15:19,030 --> 00:15:15,680  
different agendas and what

420

00:15:21,269 --> 00:15:19,040  
are the agendas and how does that

421

00:15:24,069 --> 00:15:21,279  
matrix back to who they are and where

422

00:15:25,350 --> 00:15:24,079  
they came from and why are they here

423

00:15:26,949 --> 00:15:25,360  
no certainly let's get into these

424

00:15:27,910 --> 00:15:26,959  
listener questions john thanks for those

425

00:15:30,550 --> 00:15:27,920  
answers

426

00:15:32,710 --> 00:15:30,560

the first one is from look up lulu um

427

00:15:35,269 --> 00:15:32,720

what do your old colleagues think of

428

00:15:37,350 --> 00:15:35,279

your recent decision to come out

429

00:15:39,590 --> 00:15:37,360

uh they're highly supportive

430

00:15:42,550 --> 00:15:39,600

um so when you say old colleagues i'm

431

00:15:44,230 --> 00:15:42,560

not meeting the entire cia

432

00:15:46,310 --> 00:15:44,240

but the people i've known that i've

433

00:15:48,629 --> 00:15:46,320

still have contact with

434

00:15:50,629 --> 00:15:48,639

and to be honest it's not like dozens

435

00:15:51,590 --> 00:15:50,639

it's basically like a half a dozen

436

00:15:53,670 --> 00:15:51,600

people

437

00:15:56,629 --> 00:15:53,680

that have maintained a personal contact

438

00:15:59,749 --> 00:15:56,639

with since 2009 when i retired

439

00:16:02,150 --> 00:15:59,759

they're highly supportive

440

00:16:03,990 --> 00:16:02,160

have you had any colleagues that you

441

00:16:06,310 --> 00:16:04,000

either were friendly with in the past

442

00:16:07,910 --> 00:16:06,320

but had lost contact or people that you

443

00:16:09,829 --> 00:16:07,920

worked with that you weren't necessarily

444

00:16:12,069 --> 00:16:09,839

friendly with get in touch with you

445

00:16:13,990 --> 00:16:12,079

since to to voice their opinion on what

446

00:16:15,829 --> 00:16:14,000

you're seeing what you're doing and

447

00:16:17,509 --> 00:16:15,839

any behaviors

448

00:16:20,389 --> 00:16:17,519

no but if they're out there listening to

449

00:16:22,150 --> 00:16:20,399

this i wish they would contact me

450

00:16:23,670 --> 00:16:22,160

that would be excellent i would love to

451

00:16:26,069 --> 00:16:23,680

talk to them

452

00:16:28,150 --> 00:16:26,079

and encourage them if they're retired

453

00:16:29,189 --> 00:16:28,160

to encourage them to come out with what

454

00:16:31,110 --> 00:16:29,199

they know

455

00:16:32,710 --> 00:16:31,120

in the proper way like i did i went

456

00:16:35,110 --> 00:16:32,720

through the front door i am not a

457

00:16:37,670 --> 00:16:35,120

whistleblower everything i say

458

00:16:39,590 --> 00:16:37,680

uh needs to be unclassified cia says you

459

00:16:41,030 --> 00:16:39,600

can talk as long as it's unclassified

460

00:16:43,670 --> 00:16:41,040

which is why

461

00:16:46,710 --> 00:16:43,680

i presented the 74 slides with

462

00:16:48,949 --> 00:16:46,720

everything i could think of that that

463

00:16:51,110 --> 00:16:48,959

made sense to me the way i connected the

464

00:16:52,550 --> 00:16:51,120

dots i put in things that i don't

465

00:16:53,910 --> 00:16:52,560

necessarily hold

466

00:16:56,470 --> 00:16:53,920

tightly at all

467

00:16:58,550 --> 00:16:56,480

a lot of it i hold very loosely but in

468

00:17:01,030 --> 00:16:58,560

order to talk about it officially i need

469

00:17:02,470 --> 00:17:01,040

to put it in there for cia review

470

00:17:04,230 --> 00:17:02,480

so when they see the slides they think

471

00:17:05,029 --> 00:17:04,240

oh john believes this and john believes

472

00:17:07,990 --> 00:17:05,039

that

473

00:17:09,350 --> 00:17:08,000

not necessarily but i've heard this from

474

00:17:12,150 --> 00:17:09,360

others

475

00:17:14,470 --> 00:17:12,160

and i've experienced some of it myself

476

00:17:16,789 --> 00:17:14,480

so it's it was worthy of me to put it in

477

00:17:19,270 --> 00:17:16,799

the slides so that cia can say no you

478

00:17:22,069 --> 00:17:19,280

can't talk about this or yes you can

479

00:17:24,630 --> 00:17:22,079

so yes i can talk about everything i say

480

00:17:26,549 --> 00:17:24,640

and so with those guidelines in place i

481

00:17:27,590 --> 00:17:26,559

hope to encourage others

482

00:17:28,950 --> 00:17:27,600

who have

483

00:17:33,430 --> 00:17:28,960

information

484

00:17:35,110 --> 00:17:33,440

way i did unclassified

485

00:17:36,789 --> 00:17:35,120

uh so that they can share their

486

00:17:39,669 --> 00:17:36,799

information with all of us and maybe

487

00:17:41,510 --> 00:17:39,679

someday you can interview them

488

00:17:43,350 --> 00:17:41,520

yep if they're there get in touch i know

489

00:17:45,990 --> 00:17:43,360

on rhine sprague somewhere in the skies

490

00:17:47,830 --> 00:17:46,000

he he spoke to um adrian and his son

491

00:17:49,590 --> 00:17:47,840

name escapes me who apparently listening

492

00:17:52,230 --> 00:17:49,600

to this podcast decided to come out and

493

00:17:55,110 --> 00:17:52,240

share his story about events at the uap

494

00:17:56,710 --> 00:17:55,120

um with uap at nuclear facility so again

495

00:17:58,710 --> 00:17:56,720

if that if that is the case then

496

00:18:00,470 --> 00:17:58,720

fantastic reach out to myself or reach

497

00:18:01,909 --> 00:18:00,480

out to any of the other podcast sources

498

00:18:04,150 --> 00:18:01,919

and get in touch but yeah my pleasure to

499

00:18:06,230 --> 00:18:04,160

speak to you um a follow-up question

500

00:18:07,990 --> 00:18:06,240

though john from look up lulu was with

501  
00:18:09,909 --> 00:18:08,000  
your technical background

502  
00:18:13,590 --> 00:18:09,919  
is there an affordable and accessible

503  
00:18:14,870 --> 00:18:13,600  
way the general public can detect uap

504  
00:18:17,029 --> 00:18:14,880  
well um

505  
00:18:19,110 --> 00:18:17,039  
i've had an interesting experience this

506  
00:18:21,270 --> 00:18:19,120  
past weekend my wife and i went up to

507  
00:18:23,990 --> 00:18:21,280  
sedona arizona

508  
00:18:26,950 --> 00:18:24,000  
and we went on the ufo tour

509  
00:18:28,710 --> 00:18:26,960  
hosted by melinda leslie

510  
00:18:31,750 --> 00:18:28,720  
and it was a group of us i think seven

511  
00:18:33,750 --> 00:18:31,760  
people plus linda melinda

512  
00:18:34,950 --> 00:18:33,760  
and we went to a location that was open

513  
00:18:36,630 --> 00:18:34,960

skies

514

00:18:39,669 --> 00:18:36,640

and she handed out

515

00:18:42,390 --> 00:18:39,679

laser pointers and these military grade

516

00:18:43,750 --> 00:18:42,400

goggles and told us about some of the

517

00:18:45,830 --> 00:18:43,760

past

518

00:18:47,909 --> 00:18:45,840

encounters they've had with things

519

00:18:49,909 --> 00:18:47,919

flying up in the sky

520

00:18:50,950 --> 00:18:49,919

now having worked in the intelligence

521

00:18:53,510 --> 00:18:50,960

community

522

00:18:55,029 --> 00:18:53,520

and having used data from these

523

00:18:57,430 --> 00:18:55,039

satellites

524

00:18:59,750 --> 00:18:57,440

i kind of know what to look for in a

525

00:19:01,590 --> 00:18:59,760

satellite and i kind of know what the

526

00:19:02,870 --> 00:19:01,600

performance of a satellite is when it's

527

00:19:04,950 --> 00:19:02,880

in orbit

528

00:19:06,310 --> 00:19:04,960

and one thing the satellites don't do is

529

00:19:10,070 --> 00:19:06,320

maneuver

530

00:19:12,710 --> 00:19:10,080

and i also know that if it's an aircraft

531

00:19:13,669 --> 00:19:12,720

helicopter jet military jet commercial

532

00:19:16,070 --> 00:19:13,679

flight

533

00:19:17,190 --> 00:19:16,080

that they do have navigation lights

534

00:19:19,669 --> 00:19:17,200

flashing

535

00:19:22,950 --> 00:19:19,679

for example a military craft will flash

536

00:19:24,390 --> 00:19:22,960

three lights in rapid succession

537

00:19:25,669 --> 00:19:24,400

so that you know that's a military

538

00:19:28,789 --> 00:19:25,679

airplane

539

00:19:29,990 --> 00:19:28,799

um but what i saw

540

00:19:32,390 --> 00:19:30,000

were

541

00:19:35,590 --> 00:19:32,400

objects in the sky

542

00:19:39,190 --> 00:19:35,600

that had a steady trajectory and most

543

00:19:41,750 --> 00:19:39,200

satellites go from west to east

544

00:19:44,230 --> 00:19:41,760

or from the

545

00:19:46,230 --> 00:19:44,240

southwest to the northeast

546

00:19:48,230 --> 00:19:46,240

or from the northwest

547

00:19:51,110 --> 00:19:48,240

to the southeast

548

00:19:52,950 --> 00:19:51,120

they're basically going from one's left

549

00:19:56,150 --> 00:19:52,960

to one's right

550

00:19:57,669 --> 00:19:56,160

but there were those i saw that did not

551  
00:19:59,669 --> 00:19:57,679  
do that

552  
00:20:00,630 --> 00:19:59,679  
they were actually

553  
00:20:02,230 --> 00:20:00,640  
flying

554  
00:20:04,830 --> 00:20:02,240  
to the point where

555  
00:20:08,390 --> 00:20:04,840  
i saw one through those goggles it was

556  
00:20:10,070 --> 00:20:08,400  
orange with the unaided eye

557  
00:20:12,549 --> 00:20:10,080  
looking at it through the goggles of

558  
00:20:14,870 --> 00:20:12,559  
course everything turns green

559  
00:20:16,310 --> 00:20:14,880  
and i looked at it and we all saw this

560  
00:20:17,990 --> 00:20:16,320  
orange orb

561  
00:20:19,750 --> 00:20:18,000  
and it was hopping and skipping it

562  
00:20:22,310 --> 00:20:19,760  
around left and right a little bit to

563  
00:20:24,870 --> 00:20:22,320

and fro looked at it through the goggles

564

00:20:27,750 --> 00:20:24,880

and it was a bright object doing that

565

00:20:29,909 --> 00:20:27,760

and i said that's not satellite

566

00:20:31,350 --> 00:20:29,919

that is not a satellite and with some

567

00:20:33,510 --> 00:20:31,360

laser pointers

568

00:20:37,430 --> 00:20:33,520

you can point lasers in the arizona

569

00:20:39,190 --> 00:20:37,440

skies if you do not laze an aircraft

570

00:20:40,870 --> 00:20:39,200

so you make sure it's not an aircraft

571

00:20:43,590 --> 00:20:40,880

and it's something high in the sky that

572

00:20:45,510 --> 00:20:43,600

we see with the military-grade goggles

573

00:20:48,149 --> 00:20:45,520

and we did three flashes quick in

574

00:20:50,230 --> 00:20:48,159

succession and watched the object

575

00:20:51,430 --> 00:20:50,240

through our goggles all seven of us plus

576

00:20:55,190 --> 00:20:51,440

melinda

577

00:20:58,310 --> 00:20:56,710

did anyone film or was there any

578

00:20:59,590 --> 00:20:58,320

pictures taken or again was it just

579

00:21:02,789 --> 00:20:59,600

through the goggles

580

00:21:05,750 --> 00:21:02,799

fortunately

581

00:21:08,630 --> 00:21:05,760

happened to be a film crew there doing a

582

00:21:10,950 --> 00:21:08,640

documentary about melinda leslie

583

00:21:13,029 --> 00:21:10,960

and i don't know what they got but

584

00:21:15,510 --> 00:21:13,039

apparently i heard that they did get

585

00:21:17,590 --> 00:21:15,520

some video of what we saw

586

00:21:19,830 --> 00:21:17,600

so that's all i can disclose because i

587

00:21:21,990 --> 00:21:19,840

think it's in pre-production

588

00:21:22,870 --> 00:21:22,000

um and so i'll wait for melinda to

589

00:21:24,870 --> 00:21:22,880

either

590

00:21:26,950 --> 00:21:24,880

talk about it or the production company

591

00:21:28,230 --> 00:21:26,960

to talk more about the release of their

592

00:21:29,510 --> 00:21:28,240

documentary

593

00:21:32,149 --> 00:21:29,520

that's good to hear that something is

594

00:21:33,510 --> 00:21:32,159

captured on on camera and um that will

595

00:21:35,990 --> 00:21:33,520

look forward to that potentially coming

596

00:21:38,549 --> 00:21:36,000

out through melinda as well uh next up

597

00:21:40,630 --> 00:21:38,559

jay zeb asks john in your opinion what

598

00:21:42,149 --> 00:21:40,640

would full disclosure look like from the

599

00:21:46,070 --> 00:21:42,159

government

600

00:21:48,789 --> 00:21:46,080

i have no idea i i know one thing that i

601  
00:21:51,029 --> 00:21:48,799  
don't think it's going to be

602  
00:21:52,710 --> 00:21:51,039  
that a president of the united states

603  
00:21:55,590 --> 00:21:52,720  
standing

604  
00:21:57,909 --> 00:21:55,600  
at the podium or in the oval office

605  
00:21:59,750 --> 00:21:57,919  
having a talk with the american people i

606  
00:22:02,230 --> 00:21:59,760  
i don't see that happening

607  
00:22:04,870 --> 00:22:02,240  
i think it will be through the

608  
00:22:07,510 --> 00:22:04,880  
legislative process of having

609  
00:22:09,909 --> 00:22:07,520  
witnesses appear before congress from

610  
00:22:13,510 --> 00:22:09,919  
the government giving public

611  
00:22:15,029 --> 00:22:13,520  
unclassified testimony and if there are

612  
00:22:17,350 --> 00:22:15,039  
classified things they need to talk

613  
00:22:19,750 --> 00:22:17,360

about because i would imagine

614

00:22:22,310 --> 00:22:19,760

if the data came from a classified

615

00:22:24,710 --> 00:22:22,320

source such as a satellite that they do

616

00:22:26,710 --> 00:22:24,720

not want to acknowledge the existence of

617

00:22:28,470 --> 00:22:26,720

that it will go behind closed doors a

618

00:22:30,549 --> 00:22:28,480

closed door session but i think it's

619

00:22:31,510 --> 00:22:30,559

going to be something like that

620

00:22:32,789 --> 00:22:31,520

where

621

00:22:35,590 --> 00:22:32,799

witnesses

622

00:22:37,590 --> 00:22:35,600

every 180 days or within the 108 day

623

00:22:38,870 --> 00:22:37,600

report or whenever congress wants them

624

00:22:41,110 --> 00:22:38,880

to appear

625

00:22:41,909 --> 00:22:41,120

that they will talk about

626  
00:22:45,110 --> 00:22:41,919  
what

627  
00:22:47,430 --> 00:22:45,120  
data they have collected

628  
00:22:49,110 --> 00:22:47,440  
that went into that report so it's going

629  
00:22:50,789 --> 00:22:49,120  
to be more like what we're experiencing

630  
00:22:53,510 --> 00:22:50,799  
now

631  
00:22:55,590 --> 00:22:53,520  
there will be like maybe videos shown

632  
00:22:58,789 --> 00:22:55,600  
they might be more eye witness

633  
00:23:00,870 --> 00:22:58,799  
testimonies of military personnel

634  
00:23:03,110 --> 00:23:00,880  
um government officials

635  
00:23:05,270 --> 00:23:03,120  
whoever's dni

636  
00:23:06,630 --> 00:23:05,280  
uh after avril haynes or maybe april

637  
00:23:09,510 --> 00:23:06,640  
haynes herself

638  
00:23:11,909 --> 00:23:09,520

would eventually talk about this

639

00:23:14,470 --> 00:23:11,919

in a more what i call a control

640

00:23:16,230 --> 00:23:14,480

dissemination way

641

00:23:17,029 --> 00:23:16,240

and to a point where

642

00:23:18,710 --> 00:23:17,039

then

643

00:23:20,789 --> 00:23:18,720

maybe a president

644

00:23:22,950 --> 00:23:20,799

or i'm hoping that this will happen in

645

00:23:25,430 --> 00:23:22,960

other countries as well and maybe prime

646

00:23:28,149 --> 00:23:25,440

ministers and presidents to me that is

647

00:23:30,789 --> 00:23:28,159

the stronger case appear at a u.n

648

00:23:31,669 --> 00:23:30,799

general assembly meeting and talk about

649

00:23:32,950 --> 00:23:31,679

this

650

00:23:35,510 --> 00:23:32,960

honestly

651  
00:23:37,669 --> 00:23:35,520  
that's what i see as happening but not

652  
00:23:39,909 --> 00:23:37,679  
like

653  
00:23:40,950 --> 00:23:39,919  
out of the blue here's the president

654  
00:23:42,630 --> 00:23:40,960  
saying

655  
00:23:45,269 --> 00:23:42,640  
oh by the way

656  
00:23:47,669 --> 00:23:45,279  
these craft are real and we have e.t

657  
00:23:49,430 --> 00:23:47,679  
non-human intelligence beings on the

658  
00:23:51,190 --> 00:23:49,440  
planet that's not going to happen i

659  
00:23:52,230 --> 00:23:51,200  
don't think that will cause a panic or

660  
00:23:53,750 --> 00:23:52,240  
cause

661  
00:23:55,430 --> 00:23:53,760  
uh some effects that are will be

662  
00:23:57,669 --> 00:23:55,440  
unintended

663  
00:23:59,350 --> 00:23:57,679

the the un being the platform for that

664

00:24:01,909 --> 00:23:59,360

potentially would be interesting and we

665

00:24:03,750 --> 00:24:01,919

know through san marino that there's the

666

00:24:06,549 --> 00:24:03,760

potential for project titan are

667

00:24:10,230 --> 00:24:06,559

submitting a case to to have a small

668

00:24:11,669 --> 00:24:10,240

very small uap office um paul gazady was

669

00:24:14,070 --> 00:24:11,679

on the podcast last year he's the

670

00:24:16,390 --> 00:24:14,080

italian representative of icer and part

671

00:24:17,990 --> 00:24:16,400

of project titan and he mentioned that

672

00:24:21,029 --> 00:24:18,000

they would look to have maybe a one or

673

00:24:23,029 --> 00:24:21,039

two two-person body within the u.n to

674

00:24:24,710 --> 00:24:23,039

again investigate and study ufos which

675

00:24:26,710 --> 00:24:24,720

would be amazing

676  
00:24:29,510 --> 00:24:26,720  
but what do you think the chances are

677  
00:24:31,830 --> 00:24:29,520  
that we get some form of disclosure or

678  
00:24:34,310 --> 00:24:31,840  
even high quality evidence from

679  
00:24:37,750 --> 00:24:34,320  
something like the galileo project or

680  
00:24:39,990 --> 00:24:37,760  
our uapx which are private organizations

681  
00:24:42,710 --> 00:24:40,000  
looking to carry out this sort of work

682  
00:24:44,950 --> 00:24:42,720  
i think the chances of that happening

683  
00:24:47,029 --> 00:24:44,960  
will be much greater than coming from

684  
00:24:48,870 --> 00:24:47,039  
government because this is citizen

685  
00:24:50,789 --> 00:24:48,880  
science

686  
00:24:53,110 --> 00:24:50,799  
and in both organizations

687  
00:24:55,830 --> 00:24:53,120  
you have the participation of those who

688  
00:24:58,149 --> 00:24:55,840

were associated with the government

689

00:25:00,789 --> 00:24:58,159

uh for example i believe that hal put

690

00:25:02,870 --> 00:25:00,799

off has joined

691

00:25:04,789 --> 00:25:02,880

project galileo if i'm not mistaken i

692

00:25:06,950 --> 00:25:04,799

think i read that recently

693

00:25:09,669 --> 00:25:06,960

so somebody of that caliber joining a

694

00:25:11,990 --> 00:25:09,679

citizen science organization like that

695

00:25:14,390 --> 00:25:12,000

speaks volumes as to

696

00:25:16,950 --> 00:25:14,400

first the seriousness of these civilian

697

00:25:18,789 --> 00:25:16,960

organizations and you know just because

698

00:25:19,750 --> 00:25:18,799

it's civilian science

699

00:25:22,950 --> 00:25:19,760

i don't

700

00:25:25,110 --> 00:25:22,960

believe that they will not have

701  
00:25:27,990 --> 00:25:25,120  
impressive capabilities

702  
00:25:31,029 --> 00:25:28,000  
what you can buy in commercial space now

703  
00:25:32,950 --> 00:25:31,039  
in terms of like infrared devices

704  
00:25:35,510 --> 00:25:32,960  
uh is phenomenal

705  
00:25:37,990 --> 00:25:35,520  
phenomenal really great advances in the

706  
00:25:41,430 --> 00:25:38,000  
devices that can capture data

707  
00:25:43,350 --> 00:25:41,440  
so i think it will happen that way first

708  
00:25:45,990 --> 00:25:43,360  
and of course um

709  
00:25:48,710 --> 00:25:46,000  
from the government science perspective

710  
00:25:50,230 --> 00:25:48,720  
um i have high hopes for the james webb

711  
00:25:52,789 --> 00:25:50,240  
space telescope

712  
00:25:54,470 --> 00:25:52,799  
finding something

713  
00:25:57,029 --> 00:25:54,480

what what do you think the james webb is

714

00:25:58,630 --> 00:25:57,039

likely to find because i think

715

00:26:01,190 --> 00:25:58,640

we're still a long ways off having

716

00:26:03,190 --> 00:26:01,200

cameras that pick up 8k images of of

717

00:26:05,269 --> 00:26:03,200

galaxies far away and very it's still

718

00:26:07,830 --> 00:26:05,279

very scientific because what we've been

719

00:26:09,269 --> 00:26:07,840

used to hearing is that they they still

720

00:26:11,190 --> 00:26:09,279

measure that there's a planet in front

721

00:26:12,789 --> 00:26:11,200

of a star because they see a spot of

722

00:26:15,269 --> 00:26:12,799

light it dims and they can measure it

723

00:26:17,750 --> 00:26:15,279

which is incredible to think of but

724

00:26:19,269 --> 00:26:17,760

what's the james webb likelihood what's

725

00:26:21,430 --> 00:26:19,279

the likelihood of it capturing something

726

00:26:25,830 --> 00:26:21,440

and what would that something be

727

00:26:27,990 --> 00:26:25,840

spectrographic data across many bands

728

00:26:29,269 --> 00:26:28,000

of infrared

729

00:26:32,230 --> 00:26:29,279

and there

730

00:26:33,830 --> 00:26:32,240

if you know something about

731

00:26:36,310 --> 00:26:33,840

spectrographic

732

00:26:38,549 --> 00:26:36,320

analysis

733

00:26:40,390 --> 00:26:38,559

chemists and other scientists can tell

734

00:26:43,190 --> 00:26:40,400

the composition of something

735

00:26:45,350 --> 00:26:43,200

by looking for peaks

736

00:26:48,149 --> 00:26:45,360

in the ir wavelength

737

00:26:51,190 --> 00:26:48,159

so we have data databases

738

00:26:53,590 --> 00:26:51,200

that will show us if you have

739

00:26:55,590 --> 00:26:53,600

a line of a certain element what what

740

00:26:57,590 --> 00:26:55,600

that would look like

741

00:26:59,909 --> 00:26:57,600

across the ir spectrum there will be a

742

00:27:02,149 --> 00:26:59,919

peak there or peaks representing a

743

00:27:03,110 --> 00:27:02,159

certain type of element so when you look

744

00:27:04,789 --> 00:27:03,120

at

745

00:27:06,950 --> 00:27:04,799

an exoplanet

746

00:27:08,950 --> 00:27:06,960

instead of just looking for dimming of

747

00:27:10,950 --> 00:27:08,960

light from a star

748

00:27:13,430 --> 00:27:10,960

there's a strong possibility that they

749

00:27:16,470 --> 00:27:13,440

can actually see the composition

750

00:27:17,909 --> 00:27:16,480

and the atmosphere of that planet so

751

00:27:20,230 --> 00:27:17,919

what would you look for

752

00:27:22,070 --> 00:27:20,240

water vapor has been mentioned by nasa

753

00:27:23,350 --> 00:27:22,080

as one thing the james webb telescope

754

00:27:25,430 --> 00:27:23,360

can detect

755

00:27:28,310 --> 00:27:25,440

the other is methane

756

00:27:30,789 --> 00:27:28,320

methane is organic if you find methane

757

00:27:32,870 --> 00:27:30,799

and water the chances of that planet

758

00:27:36,230 --> 00:27:32,880

being able to host life or the

759

00:27:37,350 --> 00:27:36,240

beginnings of life is very very high and

760

00:27:39,909 --> 00:27:37,360

there are other

761

00:27:40,789 --> 00:27:39,919

elements that can be detected

762

00:27:43,110 --> 00:27:40,799

that

763

00:27:47,269 --> 00:27:43,120

can be correlated to

764

00:27:49,269 --> 00:27:47,279

a planet habitable for life

765

00:27:51,590 --> 00:27:49,279

i'm certainly excited to see what james

766

00:27:53,110 --> 00:27:51,600

webb throws up and and the potential

767

00:27:55,029 --> 00:27:53,120

that we get within it as well not just

768

00:27:56,789 --> 00:27:55,039

from from a uap point of view just from

769

00:27:58,230 --> 00:27:56,799

a science point of view and and

770

00:28:00,710 --> 00:27:58,240

searching through the universe i think

771

00:28:02,710 --> 00:28:00,720

it's going to be pretty exciting um next

772

00:28:04,789 --> 00:28:02,720

question though john from gareth do you

773

00:28:06,789 --> 00:28:04,799

get frustrated by people who doubt your

774

00:28:08,630 --> 00:28:06,799

um who have doubts about you despite

775

00:28:11,750 --> 00:28:08,640

your qualifications

776

00:28:12,549 --> 00:28:11,760

not really um and i i would say this

777

00:28:14,389 --> 00:28:12,559

um

778

00:28:17,269 --> 00:28:14,399

i want them to have doubts about me

779

00:28:19,190 --> 00:28:17,279

because that shows me that you're you

780

00:28:22,230 --> 00:28:19,200

care enough

781

00:28:24,789 --> 00:28:22,240

to investigate things for yourself

782

00:28:26,630 --> 00:28:24,799

and for me that is the hallmark of a

783

00:28:28,230 --> 00:28:26,640

good analyst

784

00:28:29,430 --> 00:28:28,240

that you just don't take things at face

785

00:28:31,510 --> 00:28:29,440

value

786

00:28:33,750 --> 00:28:31,520

you actually dig deep

787

00:28:36,630 --> 00:28:33,760

dig deep into sources

788

00:28:38,950 --> 00:28:36,640

sourcing is very important

789

00:28:41,269 --> 00:28:38,960

if they don't believe what i say that's

790

00:28:42,389 --> 00:28:41,279

fine by me because i know what i

791

00:28:44,389 --> 00:28:42,399

experienced

792

00:28:45,750 --> 00:28:44,399

and i'm not here to convince anyone of

793

00:28:48,710 --> 00:28:45,760

my beliefs

794

00:28:51,029 --> 00:28:48,720

share

795

00:28:52,710 --> 00:28:51,039

my beliefs or had

796

00:28:54,710 --> 00:28:52,720

similar beliefs then we can have a

797

00:28:57,350 --> 00:28:54,720

conversation that'll be interesting not

798

00:29:00,070 --> 00:28:57,360

to say that your belief or my belief

799

00:29:03,269 --> 00:29:00,080

is in any way more valid than the other

800

00:29:06,070 --> 00:29:03,279

but i encourage people to when people

801  
00:29:08,230 --> 00:29:06,080  
say i worked for cia i work for nsa i

802  
00:29:09,990 --> 00:29:08,240  
work for the government and i know this

803  
00:29:12,310 --> 00:29:10,000  
about uaps

804  
00:29:15,990 --> 00:29:12,320  
the first thing you should do is try to

805  
00:29:18,149 --> 00:29:16,000  
get some background on them

806  
00:29:19,750 --> 00:29:18,159  
and i have released

807  
00:29:21,590 --> 00:29:19,760  
my

808  
00:29:24,149 --> 00:29:21,600  
resume

809  
00:29:26,950 --> 00:29:24,159  
to certain investigators

810  
00:29:28,950 --> 00:29:26,960  
like for example whitley strieber has my

811  
00:29:31,990 --> 00:29:28,960  
entire resume

812  
00:29:33,909 --> 00:29:32,000  
um i will be interviewed this sunday by

813  
00:29:36,149 --> 00:29:33,919

george knapp

814

00:29:38,870 --> 00:29:36,159

he has my resume

815

00:29:41,430 --> 00:29:38,880

and in my resume i have my full name

816

00:29:43,430 --> 00:29:41,440

my full residential address from where

817

00:29:46,310 --> 00:29:43,440

i'm speaking to you now

818

00:29:48,789 --> 00:29:46,320

and my personal cell phone number that's

819

00:29:53,269 --> 00:29:48,799

all included plus everything i did in

820

00:29:55,669 --> 00:29:53,279

two pages for the cia and for the odni

821

00:29:57,990 --> 00:29:55,679

so the first thing i would tell people

822

00:30:01,909 --> 00:29:58,000

is that if someone says i work for the

823

00:30:03,590 --> 00:30:01,919

cia and it's so secret i can't tell you

824

00:30:07,110 --> 00:30:03,600

i would doubt that person

825

00:30:09,350 --> 00:30:07,120

the reason why is because when i retired

826

00:30:11,909 --> 00:30:09,360

i had to write my resume

827

00:30:14,070 --> 00:30:11,919

as an assignment in my retirement class

828

00:30:15,909 --> 00:30:14,080

for the office of security

829

00:30:18,470 --> 00:30:15,919

because the office of security

830

00:30:20,389 --> 00:30:18,480

would like to know

831

00:30:22,389 --> 00:30:20,399

what you might say

832

00:30:24,230 --> 00:30:22,399

in terms of getting a job outside of

833

00:30:26,149 --> 00:30:24,240

government or even with a defense

834

00:30:29,029 --> 00:30:26,159

contractor

835

00:30:30,710 --> 00:30:29,039

you'll have to produce some resume and

836

00:30:32,789 --> 00:30:30,720

they want to review

837

00:30:34,310 --> 00:30:32,799

what you say in the resume

838

00:30:36,710 --> 00:30:34,320

so make sure it's not

839

00:30:39,029 --> 00:30:36,720

revealing anything classified so if you

840

00:30:42,630 --> 00:30:39,039

saw my resume you'd be highly impressed

841

00:30:44,789 --> 00:30:42,640

with how much detail i put in it

842

00:30:46,870 --> 00:30:44,799

with a timeline with the most

843

00:30:49,110 --> 00:30:46,880

recent with the odni national

844

00:30:51,350 --> 00:30:49,120

counterpart proliferation center and

845

00:30:53,269 --> 00:30:51,360

everything i did for the od and i

846

00:30:55,590 --> 00:30:53,279

back to the various directorates in the

847

00:30:57,830 --> 00:30:55,600

cia i work for i went into great detail

848

00:31:01,430 --> 00:30:57,840

of what i did

849

00:31:04,950 --> 00:31:01,440

and they should produce that resume

850

00:31:06,470 --> 00:31:04,960

in order to validate themselves and then

851  
00:31:08,789 --> 00:31:06,480  
with these

852  
00:31:10,230 --> 00:31:08,799  
resumes in hand you can go back and

853  
00:31:13,029 --> 00:31:10,240  
start

854  
00:31:15,190 --> 00:31:13,039  
wikipedia as a great friend go to see if

855  
00:31:18,149 --> 00:31:15,200  
these organizations actually actually

856  
00:31:19,750 --> 00:31:18,159  
existed and what context do were they

857  
00:31:22,230 --> 00:31:19,760  
created within

858  
00:31:23,269 --> 00:31:22,240  
the usic

859  
00:31:25,350 --> 00:31:23,279  
so

860  
00:31:27,990 --> 00:31:25,360  
i encourage that it doesn't bother me at

861  
00:31:31,110 --> 00:31:28,000  
all at all what bothers me is that

862  
00:31:34,310 --> 00:31:31,120  
having spent 25 years

863  
00:31:36,230 --> 00:31:34,320

in ballistic missile analysis ballistic

864

00:31:38,870 --> 00:31:36,240

missile defense

865

00:31:41,990 --> 00:31:38,880

anti-ballistic missile analysis when

866

00:31:45,029 --> 00:31:42,000

someone tells me oh you know i looked up

867

00:31:48,310 --> 00:31:45,039

on google or whatever source about

868

00:31:50,710 --> 00:31:48,320

um hyper glide vehicles

869

00:31:54,310 --> 00:31:50,720

and i know about hyper glide vehicles i

870

00:31:59,029 --> 00:31:56,149

you're not qualified to talk to me about

871

00:32:00,710 --> 00:31:59,039

hyper glide vehicles someone who spent

872

00:32:02,549 --> 00:32:00,720

an entire career

873

00:32:04,470 --> 00:32:02,559

looking at ballistic missiles and their

874

00:32:06,389 --> 00:32:04,480

reentry vehicle systems associated with

875

00:32:09,029 --> 00:32:06,399

those ballistic missiles

876

00:32:11,029 --> 00:32:09,039

and so that's when i say stop

877

00:32:12,830 --> 00:32:11,039

you're not qualified

878

00:32:16,310 --> 00:32:12,840

at all

879

00:32:18,470 --> 00:32:16,320

but if they're using that as uh some way

880

00:32:21,909 --> 00:32:18,480

to say that i'm not qualified to say

881

00:32:24,710 --> 00:32:21,919

what i say or what i really like is that

882

00:32:26,310 --> 00:32:24,720

uh john didn't have the clearances to

883

00:32:28,710 --> 00:32:26,320

know what he knows

884

00:32:29,990 --> 00:32:28,720

that is ridiculous because it's a person

885

00:32:32,710 --> 00:32:30,000

who doesn't know how the clearance

886

00:32:34,389 --> 00:32:32,720

system works who doesn't know how you

887

00:32:36,549 --> 00:32:34,399

get right into these programs and how

888

00:32:38,870 --> 00:32:36,559

you get read out of programs and the

889

00:32:40,470 --> 00:32:38,880

interlocking relationship between

890

00:32:42,950 --> 00:32:40,480

programs

891

00:32:44,950 --> 00:32:42,960

um so

892

00:32:46,950 --> 00:32:44,960

i would say you know look at the

893

00:32:49,190 --> 00:32:46,960

person's resume

894

00:32:51,509 --> 00:32:49,200

there's no such thing as i can't talk

895

00:32:53,190 --> 00:32:51,519

about it

896

00:32:55,509 --> 00:32:53,200

i think in the subjecting in

897

00:32:57,990 --> 00:32:55,519

conversation john as well there there's

898

00:32:59,830 --> 00:32:58,000

a fine line between opinion and belief

899

00:33:02,389 --> 00:32:59,840

and i think on many of your interviews

900

00:33:04,630 --> 00:33:02,399

i've heard you you tend to

901  
00:33:07,269 --> 00:33:04,640  
to put the fence up between this is what

902  
00:33:09,110 --> 00:33:07,279  
i think

903  
00:33:11,909 --> 00:33:09,120  
through either it's because of a

904  
00:33:13,430 --> 00:33:11,919  
position or a learned knowledge or or

905  
00:33:15,909 --> 00:33:13,440  
something you maybe can or can't touch

906  
00:33:18,630 --> 00:33:15,919  
on but then there's also i have a belief

907  
00:33:20,230 --> 00:33:18,640  
through experiences i can't prove it or

908  
00:33:22,630 --> 00:33:20,240  
i've heard someone saying i think in

909  
00:33:24,870 --> 00:33:22,640  
this subject is very very important what

910  
00:33:27,190 --> 00:33:24,880  
one of my my turn-offs is always when

911  
00:33:29,590 --> 00:33:27,200  
people mention you know tr3b

912  
00:33:31,029 --> 00:33:29,600  
as yep that's that's this and it's so

913  
00:33:31,909 --> 00:33:31,039

definite or i've mentioned before you

914

00:33:36,070 --> 00:33:31,919

know

915

00:33:37,669 --> 00:33:36,080

and it's until you can provide that

916

00:33:39,509 --> 00:33:37,679

proof and hard evidence it's fine to

917

00:33:41,269 --> 00:33:39,519

have that opinion and like me there'll

918

00:33:43,110 --> 00:33:41,279

be things that you say that i think that

919

00:33:44,789 --> 00:33:43,120

sounds really really on the money that

920

00:33:46,070 --> 00:33:44,799

sounds credible and other things i'll

921

00:33:47,509 --> 00:33:46,080

think to myself

922

00:33:48,630 --> 00:33:47,519

just because of my opinion on the

923

00:33:50,549 --> 00:33:48,640

subject

924

00:33:51,750 --> 00:33:50,559

i don't know but that's that's fine for

925

00:33:53,990 --> 00:33:51,760

me to have that and you've got to have

926  
00:33:55,430 --> 00:33:54,000  
that healthy conversation but it's when

927  
00:33:58,070 --> 00:33:55,440  
people start to turn

928  
00:33:59,669 --> 00:33:58,080  
opinions and beliefs into hard facts

929  
00:34:01,590 --> 00:33:59,679  
that's where the conversations can kind

930  
00:34:03,909 --> 00:34:01,600  
of stop and barriers can be put up so i

931  
00:34:06,070 --> 00:34:03,919  
appreciate that

932  
00:34:08,310 --> 00:34:06,080  
um Gareth had a follow-on for you though

933  
00:34:10,790 --> 00:34:08,320  
John and he wanted to know have you ever

934  
00:34:13,510 --> 00:34:10,800  
undergone hypnosis to understand your

935  
00:34:16,069 --> 00:34:13,520  
experiences yes uh Gareth thank you for

936  
00:34:17,349 --> 00:34:16,079  
that question uh this is very important

937  
00:34:19,589 --> 00:34:17,359  
um

938  
00:34:21,909 --> 00:34:19,599

there is a protocol

939

00:34:24,869 --> 00:34:21,919

by dolores cannon

940

00:34:26,790 --> 00:34:24,879

called qhht

941

00:34:29,430 --> 00:34:26,800

uh it stands for

942

00:34:30,629 --> 00:34:29,440

quantum i get the h is mixed up so let

943

00:34:33,109 --> 00:34:30,639

me just say

944

00:34:34,869 --> 00:34:33,119

what qhht might stand for and the hs

945

00:34:36,310 --> 00:34:34,879

might go

946

00:34:39,349 --> 00:34:36,320

sure either way

947

00:34:41,589 --> 00:34:39,359

quantum healing hypnosis technique i

948

00:34:43,510 --> 00:34:41,599

think i got that right quantum healing

949

00:34:45,829 --> 00:34:43,520

hypnosis technique uh there are

950

00:34:47,589 --> 00:34:45,839

practitioners

951  
00:34:49,109 --> 00:34:47,599  
uh just about every country because

952  
00:34:50,790 --> 00:34:49,119  
dolores cannon

953  
00:34:54,149 --> 00:34:50,800  
uh internationally

954  
00:34:56,710 --> 00:34:54,159  
um had seminars to train

955  
00:34:59,510 --> 00:34:56,720  
already professional

956  
00:35:02,230 --> 00:34:59,520  
therapists into this modality so these

957  
00:35:06,150 --> 00:35:02,240  
aren't like people off the street doing

958  
00:35:08,069 --> 00:35:06,160  
this these are people who've already had

959  
00:35:10,069 --> 00:35:08,079  
some

960  
00:35:11,750 --> 00:35:10,079  
therapy certification

961  
00:35:14,150 --> 00:35:11,760  
they're licensed to practice what they

962  
00:35:19,349 --> 00:35:14,160  
practice and this is just another tool

963  
00:35:23,109 --> 00:35:19,359

for them to use and so i've had qhht

964

00:35:25,109 --> 00:35:23,119

hypnosis regression past life regression

965

00:35:27,190 --> 00:35:25,119

and it's been very effective to help me

966

00:35:29,190 --> 00:35:27,200

understand

967

00:35:31,030 --> 00:35:29,200

the reasons why i might be experiencing

968

00:35:32,710 --> 00:35:31,040

what i'm experiencing

969

00:35:34,310 --> 00:35:32,720

can you tell the audience anything from

970

00:35:36,390 --> 00:35:34,320

that that kind of came up that maybe

971

00:35:40,550 --> 00:35:36,400

it's not too personal to you

972

00:35:43,190 --> 00:35:40,560

well uh i've already stated that

973

00:35:47,190 --> 00:35:43,200

i remember some things from just

974

00:35:50,550 --> 00:35:47,200

my dreams or my visions or whatever

975

00:35:52,390 --> 00:35:50,560

but the other things that um came up

976  
00:35:55,589 --> 00:35:52,400  
after the fact

977  
00:35:56,630 --> 00:35:55,599  
was what i described uh in a earlier

978  
00:35:59,109 --> 00:35:56,640  
interview

979  
00:36:01,670 --> 00:35:59,119  
with exo metaverse

980  
00:36:02,550 --> 00:36:01,680  
this is back before anyone knew me um it

981  
00:36:04,950 --> 00:36:02,560  
was

982  
00:36:06,710 --> 00:36:04,960  
over the spring of last year

983  
00:36:07,589 --> 00:36:06,720  
where i described

984  
00:36:09,829 --> 00:36:07,599  
uh

985  
00:36:13,030 --> 00:36:09,839  
the experience of being born

986  
00:36:16,390 --> 00:36:13,040  
that was not something that i recalled

987  
00:36:17,910 --> 00:36:16,400  
readily i recalled it in the context

988  
00:36:20,230 --> 00:36:17,920

of

989

00:36:22,550 --> 00:36:20,240

having this qhht

990

00:36:27,670 --> 00:36:22,560

hypnosis session

991

00:36:29,510 --> 00:36:28,550

and

992

00:36:31,829 --> 00:36:29,520

then

993

00:36:33,990 --> 00:36:31,839

looking back at my body

994

00:36:35,750 --> 00:36:34,000

and seeing the circumstance

995

00:36:38,790 --> 00:36:35,760

of where i was at

996

00:36:41,190 --> 00:36:38,800

turning back around and by the way the

997

00:36:44,230 --> 00:36:41,200

tunnel isn't like completely black for

998

00:36:46,630 --> 00:36:44,240

me it was like a real dark gray that got

999

00:36:49,670 --> 00:36:46,640

progressively lighter

1000

00:36:51,750 --> 00:36:49,680

and as i felt this motion

1001

00:36:52,550 --> 00:36:51,760

of this tunnel

1002

00:36:54,630 --> 00:36:52,560

uh

1003

00:36:56,069 --> 00:36:54,640

up ahead of the distance i saw two

1004

00:36:59,030 --> 00:36:56,079

beings of light

1005

00:37:01,030 --> 00:36:59,040

light beings come toward me

1006

00:37:02,710 --> 00:37:01,040

and one went to one side of me and the

1007

00:37:05,270 --> 00:37:02,720

other went to the other side of me and

1008

00:37:07,589 --> 00:37:05,280

they were there to escort me home

1009

00:37:09,670 --> 00:37:07,599

and i remember being escorted all the

1010

00:37:12,710 --> 00:37:09,680

way home where

1011

00:37:15,030 --> 00:37:12,720

this place was more lighter

1012

00:37:16,870 --> 00:37:15,040

and seeing other beings like me like

1013

00:37:19,670 --> 00:37:16,880

beings

1014

00:37:22,310 --> 00:37:19,680

and having found that i finally reached

1015

00:37:23,750 --> 00:37:22,320

home this is where i came from these are

1016

00:37:27,190 --> 00:37:23,760

my people

1017

00:37:29,990 --> 00:37:27,200

so to speak i'm home but then

1018

00:37:32,710 --> 00:37:30,000

later having to come back to earth

1019

00:37:35,349 --> 00:37:32,720

and not wanting to come back

1020

00:37:39,109 --> 00:37:35,359

i resisted coming back but

1021

00:37:42,710 --> 00:37:39,119

um a voice on one side said you have to

1022

00:37:47,030 --> 00:37:44,790

and so i was led to see

1023

00:37:48,150 --> 00:37:47,040

a vast

1024

00:37:49,349 --> 00:37:48,160

plane

1025

00:37:50,470 --> 00:37:49,359

of

1026

00:37:52,310 --> 00:37:50,480

little

1027

00:37:55,109 --> 00:37:52,320

spheres of light

1028

00:37:58,710 --> 00:37:55,119

and one of them was

1029

00:38:01,510 --> 00:37:58,720

where i picked i want to be

1030

00:38:04,470 --> 00:38:01,520

this person and looking into that sphere

1031

00:38:07,190 --> 00:38:04,480

of light i saw this person's

1032

00:38:09,510 --> 00:38:07,200

entire life from birth to death

1033

00:38:13,270 --> 00:38:09,520

and said this this is the person i need

1034

00:38:16,150 --> 00:38:13,280

to be to do my work to do my mission

1035

00:38:17,589 --> 00:38:16,160

and remembering being born at that point

1036

00:38:18,630 --> 00:38:17,599

so that was an experience highly

1037

00:38:21,750 --> 00:38:18,640

personal

1038

00:38:23,589 --> 00:38:21,760

that i've had under qhht

1039

00:38:25,030 --> 00:38:23,599

and so what does that work what is that

1040

00:38:27,109 --> 00:38:25,040

mission

1041

00:38:29,349 --> 00:38:27,119

it's exactly what i'm doing right now

1042

00:38:31,510 --> 00:38:29,359

speaking with you andy and sharing my

1043

00:38:33,990 --> 00:38:31,520

experiences with others

1044

00:38:35,510 --> 00:38:34,000

so for me it's not about talking about

1045

00:38:37,430 --> 00:38:35,520

uaps

1046

00:38:38,950 --> 00:38:37,440

that interests me for me it's talking

1047

00:38:39,910 --> 00:38:38,960

about the experiences and why you're

1048

00:38:42,230 --> 00:38:39,920

here

1049

00:38:46,069 --> 00:38:42,240

and what the mission

1050

00:38:47,030 --> 00:38:46,079

we have here might be

1051

00:38:47,829 --> 00:38:47,040

so

1052

00:38:51,349 --> 00:38:47,839

that's

1053

00:38:54,390 --> 00:38:51,359

incident where and it goes into much

1054

00:38:56,710 --> 00:38:54,400

greater detail but the interest of time

1055

00:38:57,910 --> 00:38:56,720

i no no that's not right enough yeah no

1056

00:38:59,430 --> 00:38:57,920

i appreciate that and i would encourage

1057

00:39:01,510 --> 00:38:59,440

people to go and listen to that original

1058

00:39:03,109 --> 00:39:01,520

interview as well if it's if it's back

1059

00:39:05,670 --> 00:39:03,119

from when you weren't known and it's a

1060

00:39:06,950 --> 00:39:05,680

podcast i've not heard of myself i'll go

1061

00:39:09,030 --> 00:39:06,960

and check that out and encourage people

1062

00:39:10,470 --> 00:39:09,040

to do that too i'll try to find the link

1063

00:39:11,270 --> 00:39:10,480

for it actually after this interview

1064

00:39:12,870 --> 00:39:11,280

john

1065

00:39:14,390 --> 00:39:12,880

i just want to ask one thing because

1066

00:39:16,550 --> 00:39:14,400

that that's a pretty incredible

1067

00:39:18,390 --> 00:39:16,560

experience to talk about and share and i

1068

00:39:20,630 --> 00:39:18,400

appreciate that

1069

00:39:23,349 --> 00:39:20,640

something that some people in this

1070

00:39:25,829 --> 00:39:23,359

subject struggle with as when things

1071

00:39:27,349 --> 00:39:25,839

start to go a little more out there yeah

1072

00:39:29,430 --> 00:39:27,359

especially when you hear talk about past

1073

00:39:31,430 --> 00:39:29,440

lives regressions

1074

00:39:34,310 --> 00:39:31,440

how do you differentiate between

1075

00:39:36,069 --> 00:39:34,320

extremely vivid dreams especially in

1076

00:39:37,670 --> 00:39:36,079

like a regression state

1077

00:39:39,750 --> 00:39:37,680

as opposed to events that are actually

1078

00:39:41,430 --> 00:39:39,760

happening i'll just give a quick example

1079

00:39:43,670 --> 00:39:41,440

like i i've always had kind of lucid

1080

00:39:46,790 --> 00:39:43,680

dreams most of my life i can have still

1081

00:39:48,390 --> 00:39:46,800

very intense dreams where i can

1082

00:39:50,310 --> 00:39:48,400

feel the ground under my feet i'll touch

1083

00:39:52,069 --> 00:39:50,320

a wall i know i'm dreaming you know i

1084

00:39:53,670 --> 00:39:52,079

can stand in water you feel the water

1085

00:39:55,990 --> 00:39:53,680

and i'll have conversations with people

1086

00:39:57,349 --> 00:39:56,000

in my dreams fully aware i'm dreaming

1087

00:39:59,910 --> 00:39:57,359

that's that's always happened since i

1088

00:40:02,069 --> 00:39:59,920

was a child at what point can you

1089

00:40:05,270 --> 00:40:02,079

comfortably differentiate that i'm

1090

00:40:08,790 --> 00:40:05,280

having a genuine experience experience

1091

00:40:08,800 --> 00:40:13,030

for me it's

1092

00:40:15,670 --> 00:40:14,069

more

1093

00:40:18,790 --> 00:40:15,680

of when

1094

00:40:21,349 --> 00:40:18,800

i've had that experience

1095

00:40:23,109 --> 00:40:21,359

and so if i'm in bed

1096

00:40:26,069 --> 00:40:23,119

for example

1097

00:40:28,150 --> 00:40:26,079

and it's night and i go to sleep

1098

00:40:32,550 --> 00:40:28,160

and between the time

1099

00:40:34,870 --> 00:40:32,560

woke up

1100

00:40:37,750 --> 00:40:34,880

let's say i remember something of an

1101  
00:40:39,589 --> 00:40:37,760  
extraordinary high strangeness

1102  
00:40:41,030 --> 00:40:39,599  
well then i can say well that was a

1103  
00:40:47,910 --> 00:40:41,040  
dream

1104  
00:40:50,710 --> 00:40:47,920  
because it seems that the experiences

1105  
00:40:53,270 --> 00:40:50,720  
tend to happen at night in bedrooms

1106  
00:40:55,430 --> 00:40:53,280  
you've probably seen many eyewitness

1107  
00:40:57,430 --> 00:40:55,440  
accounts i was in bed

1108  
00:40:59,030 --> 00:40:57,440  
and a certain time of during the night i

1109  
00:41:00,870 --> 00:40:59,040  
had this experience

1110  
00:41:03,190 --> 00:41:00,880  
and i woke up with this experience for

1111  
00:41:04,550 --> 00:41:03,200  
some reason they like bedrooms

1112  
00:41:06,630 --> 00:41:04,560  
and when they see

1113  
00:41:09,510 --> 00:41:06,640

other beings they're in bed and they

1114

00:41:11,349 --> 00:41:09,520

have what we call sleep paralysis

1115

00:41:13,589 --> 00:41:11,359

so that tells you right there that they

1116

00:41:15,190 --> 00:41:13,599

were asleep at one time and now they

1117

00:41:17,829 --> 00:41:15,200

have some conscious

1118

00:41:22,069 --> 00:41:17,839

awareness of something going on around

1119

00:41:25,109 --> 00:41:22,079

them with some other being or entity

1120

00:41:28,230 --> 00:41:25,119

at other times when i'm in meditation

1121

00:41:31,829 --> 00:41:28,240

that is unconsciously awake but i place

1122

00:41:33,270 --> 00:41:31,839

myself into a deep meditation

1123

00:41:36,230 --> 00:41:33,280

and then

1124

00:41:37,829 --> 00:41:36,240

i don't like the word download

1125

00:41:39,829 --> 00:41:37,839

because it sounds like i'm a computer

1126  
00:41:41,589 --> 00:41:39,839  
and somebody's programming me it's not

1127  
00:41:43,750 --> 00:41:41,599  
like that but you get a strong

1128  
00:41:45,349 --> 00:41:43,760  
conviction let's say a really strong

1129  
00:41:47,349 --> 00:41:45,359  
conviction

1130  
00:41:49,190 --> 00:41:47,359  
you get these

1131  
00:41:50,470 --> 00:41:49,200  
images

1132  
00:41:54,630 --> 00:41:50,480  
in

1133  
00:41:56,470 --> 00:41:54,640  
the third eye let's say

1134  
00:41:58,870 --> 00:41:56,480  
then i know i'm conscious so that's how

1135  
00:42:01,270 --> 00:41:58,880  
i differentiate it's mostly like where

1136  
00:42:02,870 --> 00:42:01,280  
were you when this happened

1137  
00:42:03,829 --> 00:42:02,880  
and that's the easiest way i can explain

1138  
00:42:05,589 --> 00:42:03,839

it

1139

00:42:07,109 --> 00:42:05,599

no i appreciate that

1140

00:42:09,349 --> 00:42:07,119

it's hard when you've not had those

1141

00:42:11,510 --> 00:42:09,359

experiences yourself to

1142

00:42:12,870 --> 00:42:11,520

to think what those would be like um so

1143

00:42:15,030 --> 00:42:12,880

i appreciate the explanation that'll

1144

00:42:16,950 --> 00:42:15,040

help some people and myself

1145

00:42:19,190 --> 00:42:16,960

next question is from joe who's a member

1146

00:42:21,030 --> 00:42:19,200

of our discord channel and he wants to

1147

00:42:23,430 --> 00:42:21,040

know that in a recent interview on

1148

00:42:25,510 --> 00:42:23,440

unidentified celebrity review hi to lu

1149

00:42:27,670 --> 00:42:25,520

in the gang you talked quite openly

1150

00:42:29,670 --> 00:42:27,680

about sarrians and their reptilian

1151

00:42:31,829 --> 00:42:29,680

bloodline is this something you can

1152

00:42:33,990 --> 00:42:31,839

elaborate on are you asserting that

1153

00:42:36,550 --> 00:42:34,000

there are beings from a table reptilian

1154

00:42:38,390 --> 00:42:36,560

bloodline already here on earth well i'm

1155

00:42:41,430 --> 00:42:38,400

glad you mentioned that because

1156

00:42:43,829 --> 00:42:41,440

previously uh andy you talked about

1157

00:42:46,390 --> 00:42:43,839

things that you're informed of and

1158

00:42:48,470 --> 00:42:46,400

things that are beliefs

1159

00:42:50,630 --> 00:42:48,480

based on experience

1160

00:42:52,950 --> 00:42:50,640

so what i was informed of

1161

00:42:54,630 --> 00:42:52,960

without evidence by the way i wasn't

1162

00:42:56,069 --> 00:42:54,640

shown the evidence so i can't give you

1163

00:43:01,349 --> 00:42:56,079

the evidence

1164

00:43:04,470 --> 00:43:01,359

i have no evidence but i was informed by

1165

00:43:06,630 --> 00:43:04,480

a high official ncia

1166

00:43:08,550 --> 00:43:06,640

in a meeting sponsored by another high

1167

00:43:11,030 --> 00:43:08,560

official ncia

1168

00:43:13,510 --> 00:43:11,040

with two senior officers and myself

1169

00:43:15,030 --> 00:43:13,520

attending that i recognize personally

1170

00:43:16,230 --> 00:43:15,040

there could be other cia there that i

1171

00:43:18,710 --> 00:43:16,240

didn't know

1172

00:43:22,950 --> 00:43:18,720

and definitely a lot of dot edu

1173

00:43:28,470 --> 00:43:24,390

about

1174

00:43:31,430 --> 00:43:28,480

cia's interest in alien dna

1175

00:43:33,349 --> 00:43:31,440

now people have said well

1176

00:43:36,470 --> 00:43:33,359

since world war ii we didn't sequence

1177

00:43:37,990 --> 00:43:36,480

the entire human genome until 1990s i

1178

00:43:40,390 --> 00:43:38,000

agree

1179

00:43:43,270 --> 00:43:40,400

but what's to say that

1180

00:43:45,750 --> 00:43:43,280

that discovery was made because

1181

00:43:47,829 --> 00:43:45,760

if you believe in the roswell story if

1182

00:43:48,870 --> 00:43:47,839

you're a believer in roswell that a

1183

00:43:51,670 --> 00:43:48,880

crash

1184

00:43:54,230 --> 00:43:51,680

happened and that bodies were recovered

1185

00:43:56,790 --> 00:43:54,240

it makes sense to me that those bodies

1186

00:43:59,589 --> 00:43:56,800

may have been stored somewhere

1187

00:44:01,750 --> 00:43:59,599

or if not the body's tissue samples

1188

00:44:04,309 --> 00:44:01,760

stored somewhere

1189

00:44:05,589 --> 00:44:04,319

and that when the technology advanced

1190

00:44:06,950 --> 00:44:05,599

enough

1191

00:44:08,710 --> 00:44:06,960

for this

1192

00:44:10,790 --> 00:44:08,720

sequencing of

1193

00:44:13,109 --> 00:44:10,800

the alien dna to occur

1194

00:44:14,710 --> 00:44:13,119

that's when they discovered hey

1195

00:44:16,710 --> 00:44:14,720

there are sequences

1196

00:44:18,550 --> 00:44:16,720

that are similar

1197

00:44:20,790 --> 00:44:18,560

if not exact

1198

00:44:23,270 --> 00:44:20,800

to human dna

1199

00:44:25,030 --> 00:44:23,280

i think that is what cia discovered to

1200

00:44:27,030 --> 00:44:25,040

the point that then

1201

00:44:29,190 --> 00:44:27,040

uh what i was told again with no

1202

00:44:31,270 --> 00:44:29,200

evidence this is what i was told

1203

00:44:34,950 --> 00:44:31,280

we had an interest

1204

00:44:38,150 --> 00:44:34,960

in certain familial lines

1205

00:44:40,309 --> 00:44:38,160

that had this enhanced alien dna

1206

00:44:43,990 --> 00:44:40,319

and that all of us have the

1207

00:44:47,829 --> 00:44:44,000

alien dna but certain familial lines had

1208

00:44:49,589 --> 00:44:47,839

a more enhanced version of this dna

1209

00:44:50,870 --> 00:44:49,599

how do i prove that

1210

00:44:51,990 --> 00:44:50,880

they didn't present me with any

1211

00:44:54,550 --> 00:44:52,000

documents

1212

00:44:56,230 --> 00:44:54,560

i took it on the word of a very senior

1213

00:44:58,150 --> 00:44:56,240

cia officer

1214

00:45:01,030 --> 00:44:58,160

who would have access to that kind of

1215

00:45:04,390 --> 00:45:02,069

and so

1216

00:45:07,349 --> 00:45:04,400

that's that part of the story

1217

00:45:08,309 --> 00:45:07,359

the reptilian sorry in part is again

1218

00:45:10,710 --> 00:45:08,319

uh

1219

00:45:12,630 --> 00:45:10,720

i said that when i experience

1220

00:45:14,790 --> 00:45:12,640

other entities the entities that i

1221

00:45:18,069 --> 00:45:14,800

experience tend to be of the reptilian

1222

00:45:21,510 --> 00:45:18,079

highly evolved reptilian saurian type so

1223

00:45:24,390 --> 00:45:21,520

i associate aliens with sarians

1224

00:45:26,710 --> 00:45:24,400

now other people who never seen asari in

1225

00:45:28,950 --> 00:45:26,720

their experience but may have seen greys

1226  
00:45:30,790 --> 00:45:28,960  
may not associate it with sarians and

1227  
00:45:33,349 --> 00:45:30,800  
may say graves

1228  
00:45:34,309 --> 00:45:33,359  
or may say mantis beings but i've never

1229  
00:45:35,829 --> 00:45:34,319  
had

1230  
00:45:38,470 --> 00:45:35,839  
extensive experience with those other

1231  
00:45:39,910 --> 00:45:38,480  
entities mine were sarian reptilians

1232  
00:45:41,990 --> 00:45:39,920  
highly evolved

1233  
00:45:43,670 --> 00:45:42,000  
so in the slide

1234  
00:45:45,109 --> 00:45:43,680  
how do i present this

1235  
00:45:48,630 --> 00:45:45,119  
all together

1236  
00:45:50,710 --> 00:45:48,640  
and so i equated it to sarians

1237  
00:45:53,670 --> 00:45:50,720  
with

1238  
00:45:55,750 --> 00:45:53,680

dna that may be in us

1239

00:45:57,990 --> 00:45:55,760

so that was that slide and if you

1240

00:46:00,069 --> 00:45:58,000

remember i put a lot of question marks

1241

00:46:01,990 --> 00:46:00,079

in that slide

1242

00:46:03,190 --> 00:46:02,000

i put in like

1243

00:46:05,270 --> 00:46:03,200

that

1244

00:46:07,829 --> 00:46:05,280

it's speculation

1245

00:46:10,069 --> 00:46:07,839

but informed in the sense that

1246

00:46:12,390 --> 00:46:10,079

i was informed about alien dna

1247

00:46:13,910 --> 00:46:12,400

speculation that it was sorry

1248

00:46:15,670 --> 00:46:13,920

now people come back to me saying you

1249

00:46:18,390 --> 00:46:15,680

can't prove it and i agree with them i

1250

00:46:20,870 --> 00:46:18,400

can't prove it if you choose to disable

1251  
00:46:22,470 --> 00:46:20,880  
disbelieve everything i welcome you to

1252  
00:46:24,230 --> 00:46:22,480  
do so

1253  
00:46:28,550 --> 00:46:24,240  
um and because i'm not here to

1254  
00:46:31,030 --> 00:46:28,560  
proselytize or to convey certain beliefs

1255  
00:46:32,870 --> 00:46:31,040  
this isn't a religion you don't have to

1256  
00:46:34,870 --> 00:46:32,880  
believe it

1257  
00:46:39,030 --> 00:46:34,880  
you can appreciate the full scope of

1258  
00:46:41,670 --> 00:46:39,040  
ufology without actually believing in it

1259  
00:46:45,190 --> 00:46:41,680  
but when people experience things um it

1260  
00:46:47,430 --> 00:46:45,200  
does bother me that people attack

1261  
00:46:49,270 --> 00:46:47,440  
the other people who are experiencers

1262  
00:46:51,030 --> 00:46:49,280  
it's their experience and i honor their

1263  
00:46:52,069 --> 00:46:51,040

experience even though it might not be

1264

00:46:53,589 --> 00:46:52,079

mine

1265

00:46:54,950 --> 00:46:53,599

it certainly does feel like a religion

1266

00:46:57,030 --> 00:46:54,960

though at times john i'm not going to

1267

00:46:58,790 --> 00:46:57,040

lie especially in my my short time doing

1268

00:47:00,069 --> 00:46:58,800

this it's people are very passionate

1269

00:47:02,069 --> 00:47:00,079

about it and there are a range of

1270

00:47:03,670 --> 00:47:02,079

beliefs and i think that's how religion

1271

00:47:05,030 --> 00:47:03,680

itself works anyway isn't it that you

1272

00:47:07,190 --> 00:47:05,040

can interpret

1273

00:47:09,670 --> 00:47:07,200

one passage of a book in many different

1274

00:47:11,589 --> 00:47:09,680

ways and live your life accordingly and

1275

00:47:14,230 --> 00:47:11,599

your opinions and beliefs are shaped by

1276

00:47:15,589 --> 00:47:14,240

those so yeah it's it's a very interest

1277

00:47:17,589 --> 00:47:15,599

it's an incredible subject and that's

1278

00:47:19,430 --> 00:47:17,599

why i like talking about a breadth

1279

00:47:21,030 --> 00:47:19,440

across it you've answered a few

1280

00:47:23,829 --> 00:47:21,040

questions or touched on a few at least

1281

00:47:25,589 --> 00:47:23,839

within your response there so thanks to

1282

00:47:29,030 --> 00:47:25,599

tommy um your question was kind of

1283

00:47:30,950 --> 00:47:29,040

touched on um dave had a question on

1284

00:47:33,750 --> 00:47:30,960

what you were talking about around the

1285

00:47:36,150 --> 00:47:33,760

roswell dna and his question was can you

1286

00:47:38,549 --> 00:47:36,160

speak about the implications with regard

1287

00:47:41,030 --> 00:47:38,559

to hybrid dna especially concerning any

1288

00:47:43,190 --> 00:47:41,040

similarities between human dna and the

1289

00:47:44,790 --> 00:47:43,200

dna of the roswell craft occupants which

1290

00:47:47,430 --> 00:47:44,800

you've touched on what are those

1291

00:47:49,270 --> 00:47:47,440

implications that we have a similar dna

1292

00:47:51,910 --> 00:47:49,280

to species that are potentially

1293

00:47:54,069 --> 00:47:51,920

non-human that is all for this week's
