# UFO

P O D C A S T

DR. DIANA WALSH PASULKA

1  
00:00:00,040 --> 00:00:05,510

[Music]

2  
00:00:10,950 --> 00:00:08,710

there's a whole fleet of look on the sa

3  
00:00:14,310 --> 00:00:10,960

oh my gosh they're all going against the

4  
00:00:18,950 --> 00:00:16,390

it was basically a cube with inside of

5  
00:00:23,960 --> 00:00:18,960

sphere where the points of the cube

6  
00:00:37,190 --> 00:00:33,220

[Music]

7  
00:00:38,709 --> 00:00:37,200

[Applause]

8  
00:00:40,950 --> 00:00:38,719

so this isn't anything that just is

9  
00:00:48,470 --> 00:00:40,960

limited to the united states it's a

10  
00:00:52,950 --> 00:00:51,029

hi everyone and welcome back to that ufo

11  
00:00:54,549 --> 00:00:52,960

podcast my name is andy and i'm

12  
00:00:57,189 --> 00:00:54,559

delighted to finally welcome to the

13  
00:00:59,590 --> 00:00:57,199

podcast a professor of religious studies

14

00:01:01,430 --> 00:00:59,600

at the university of north carolina

15

00:01:03,830 --> 00:01:01,440

author of several books including the

16

00:01:05,590 --> 00:01:03,840

ever popular american cosmic and soon to

17

00:01:07,670 --> 00:01:05,600

be follow-up well i was going to say

18

00:01:09,910 --> 00:01:07,680

contact 21 but that might not be the

19

00:01:11,750 --> 00:01:09,920

case anymore but we'll get to that and i

20

00:01:13,990 --> 00:01:11,760

always like to mention when i know uh

21

00:01:15,990 --> 00:01:14,000

also a mother and parent so i appreciate

22

00:01:18,070 --> 00:01:16,000

that coming from that background myself

23

00:01:20,149 --> 00:01:18,080

at diana walsh priscilla diana welcome

24

00:01:21,350 --> 00:01:20,159

to the podcast thanks so much i'm happy

25

00:01:23,109 --> 00:01:21,360

to be here

26

00:01:24,390 --> 00:01:23,119

yeah listen when i finally managed to

27

00:01:27,030 --> 00:01:24,400

get hold of you and you were going to do

28

00:01:28,870 --> 00:01:27,040

some interviews um the gods just were

29

00:01:30,870 --> 00:01:28,880

against us for for a couple of weeks

30

00:01:32,630 --> 00:01:30,880

because of it and and all kinds of

31

00:01:35,030 --> 00:01:32,640

things and this was one that people kept

32

00:01:36,950 --> 00:01:35,040

asking me in the dms or an email or or

33

00:01:39,109 --> 00:01:36,960

on the discord server so when's diana

34

00:01:40,710 --> 00:01:39,119

coming on when's diana coming on and

35

00:01:41,830 --> 00:01:40,720

we're finally here so when you're

36

00:01:44,310 --> 00:01:41,840

listening to this it's going to be

37

00:01:46,149 --> 00:01:44,320

pretty much be early march so finally

38

00:01:47,590 --> 00:01:46,159

diana got you on the podcast we've got a

39

00:01:50,069 --> 00:01:47,600

lot to get through

40

00:01:52,230 --> 00:01:50,079

and i'm excited to do so now first off

41

00:01:55,510 --> 00:01:52,240

diana i know you're interested in ufos

42

00:01:57,350 --> 00:01:55,520

it really began in 2012 round about then

43

00:01:59,429 --> 00:01:57,360

before that growing up what was your

44

00:02:01,670 --> 00:01:59,439

exposure to the subject of ufos

45

00:02:04,069 --> 00:02:01,680

particularly as someone with quite a

46

00:02:06,630 --> 00:02:04,079

religious background and upbringing

47

00:02:08,550 --> 00:02:06,640

yeah well okay um i grew up in

48

00:02:10,630 --> 00:02:08,560

california so when you say religious

49

00:02:12,390 --> 00:02:10,640

it's true my mother's jewish and my

50

00:02:14,390 --> 00:02:12,400

father is catholic

51  
00:02:15,910 --> 00:02:14,400  
and i grew up in an extended kind of

52  
00:02:17,030 --> 00:02:15,920  
like i would call it like an irish

53  
00:02:27,110 --> 00:02:17,040  
catholic

54  
00:02:29,350 --> 00:02:27,120  
and so but california is an eclectic

55  
00:02:30,630 --> 00:02:29,360  
place and there's a lot of if so where i

56  
00:02:32,550 --> 00:02:30,640  
grew up there was it's in northern

57  
00:02:34,949 --> 00:02:32,560  
california there was a lot of new ageism

58  
00:02:37,750 --> 00:02:34,959  
around so a lot of catholics and jewish

59  
00:02:40,710 --> 00:02:37,760  
people actually with with their religion

60  
00:02:43,110 --> 00:02:40,720  
was informed by new age beliefs and

61  
00:02:45,190 --> 00:02:43,120  
things like that and as a kid i actually

62  
00:02:47,350 --> 00:02:45,200  
rebelled against that i didn't i wasn't

63  
00:02:49,509 --> 00:02:47,360

really you know i saw the new age belief

64

00:02:52,070 --> 00:02:49,519

systems as being kind of capitalistic

65

00:02:53,190 --> 00:02:52,080

frankly and um and i was going to a

66

00:02:55,750 --> 00:02:53,200

school where

67

00:02:57,670 --> 00:02:55,760

sisters and nuns were going to central

68

00:02:59,750 --> 00:02:57,680

america to actually help people and

69

00:03:02,070 --> 00:02:59,760

dying in the process too so you know i

70

00:03:03,670 --> 00:03:02,080

had this kind of view into different

71

00:03:05,509 --> 00:03:03,680

sorts of religions new religious

72

00:03:08,390 --> 00:03:05,519

movements as well as traditional

73

00:03:10,710 --> 00:03:08,400

religion um catholicism especially with

74

00:03:12,710 --> 00:03:10,720

respect to the people on the ground you

75

00:03:14,470 --> 00:03:12,720

know not the hierarchy of the church but

76  
00:03:17,910 --> 00:03:14,480  
the actual people on the ground helping

77  
00:03:20,470 --> 00:03:17,920  
people and that that made a huge impact

78  
00:03:22,309 --> 00:03:20,480  
on me and my belief structure um in

79  
00:03:24,229 --> 00:03:22,319  
terms of ufos

80  
00:03:26,149 --> 00:03:24,239  
i never thought of ufos actually but

81  
00:03:29,190 --> 00:03:26,159  
it's kind of strange because in my

82  
00:03:32,390 --> 00:03:29,200  
family there was a ufo sighting my

83  
00:03:35,110 --> 00:03:32,400  
brother had a sighting of a ufo and it's

84  
00:03:37,750 --> 00:03:35,120  
uh it was it made the news and things

85  
00:03:39,509 --> 00:03:37,760  
like that and my parents saw it too but

86  
00:03:41,750 --> 00:03:39,519  
i never thought about it i never you

87  
00:03:45,509 --> 00:03:41,760  
know i never thought about it until i

88  
00:03:47,430 --> 00:03:45,519

started this um research in 2020 you

89

00:03:50,789 --> 00:03:47,440

know in 2012 basically

90

00:03:52,789 --> 00:03:50,799

and so but what i was interested in was

91

00:03:55,030 --> 00:03:52,799

i was interested in

92

00:03:57,830 --> 00:03:55,040

the very mystical

93

00:03:59,750 --> 00:03:57,840

aspects of my religion and different

94

00:04:01,350 --> 00:03:59,760

religions and that and i started that

95

00:04:05,589 --> 00:04:01,360

really young so i started that around

96

00:04:08,869 --> 00:04:05,599

11. and um i would say that when i hit

97

00:04:11,110 --> 00:04:08,879

the study of ufos in 2012

98

00:04:12,949 --> 00:04:11,120

i recognized that everything that i had

99

00:04:15,830 --> 00:04:12,959

been doing my whole life was back

100

00:04:17,590 --> 00:04:15,840

basically studying contact events

101  
00:04:19,590 --> 00:04:17,600  
so i was studying them historically but

102  
00:04:23,189 --> 00:04:19,600  
i didn't have the framework for

103  
00:04:24,230 --> 00:04:23,199  
calling them ufos until 20 2012. call me

104  
00:04:26,230 --> 00:04:24,240  
late

105  
00:04:28,550 --> 00:04:26,240  
in the game you know kind of an idiot

106  
00:04:30,790 --> 00:04:28,560  
you know as a kid um but that's that's

107  
00:04:32,310 --> 00:04:30,800  
how it happened i got the tools of you

108  
00:04:33,990 --> 00:04:32,320  
know i kind of went through the tools of

109  
00:04:36,390 --> 00:04:34,000  
learning you know the

110  
00:04:39,270 --> 00:04:36,400  
uh graduate methods and stuff like that

111  
00:04:41,189 --> 00:04:39,280  
for studying religious studies and

112  
00:04:43,110 --> 00:04:41,199  
by the time i studied ufos i was

113  
00:04:46,310 --> 00:04:43,120

equipped to go back historically and

114

00:04:47,990 --> 00:04:46,320

look at some what i call contact events

115

00:04:49,590 --> 00:04:48,000

you say late to the game but i think

116

00:04:51,030 --> 00:04:49,600

fresh perspective might be a good way to

117

00:04:53,430 --> 00:04:51,040

put it because like you say it gave you

118

00:04:55,670 --> 00:04:53,440

the tools and you didn't have that bias

119

00:04:57,670 --> 00:04:55,680

of i've got an interest in ufos i've

120

00:04:59,670 --> 00:04:57,680

grown up on sci-fi films i've read all

121

00:05:01,510 --> 00:04:59,680

these books so you came into it with a

122

00:05:03,590 --> 00:05:01,520

unique skill set which has obviously

123

00:05:05,909 --> 00:05:03,600

helped you in what you've done i have to

124

00:05:07,270 --> 00:05:05,919

just go back a second diana because you

125

00:05:08,870 --> 00:05:07,280

mentioned your your brother had a

126  
00:05:11,270 --> 00:05:08,880  
sighting and people will be kicking me

127  
00:05:13,350 --> 00:05:11,280  
if i don't ask you what was it you saw

128  
00:05:16,070 --> 00:05:13,360  
and where was it that happened

129  
00:05:19,189 --> 00:05:16,080  
sure so we grew up in a place called

130  
00:05:20,710 --> 00:05:19,199  
granite bay in northern california and

131  
00:05:22,310 --> 00:05:20,720  
it's a really beautiful place right at

132  
00:05:25,110 --> 00:05:22,320  
the base of the foothills up to the

133  
00:05:26,790 --> 00:05:25,120  
sierras and so it's somewhat hilly okay

134  
00:05:29,029 --> 00:05:26,800  
so my brother was

135  
00:05:32,390 --> 00:05:29,039  
maybe 11 or so and i was a little bit

136  
00:05:35,110 --> 00:05:32,400  
older and i remember that he

137  
00:05:37,270 --> 00:05:35,120  
s he he this is how he described it so

138  
00:05:39,909 --> 00:05:37,280

he was up he was riding his bike you

139

00:05:42,870 --> 00:05:39,919

know and he was up on a hill and he saw

140

00:05:46,710 --> 00:05:45,110

orb in the sky and he didn't know what

141

00:05:48,469 --> 00:05:46,720

it was so he looked at it and he said as

142

00:05:50,390 --> 00:05:48,479

soon as he recognized that it was

143

00:05:53,029 --> 00:05:50,400

something that wasn't an airplane he

144

00:05:55,110 --> 00:05:53,039

said it turned around and looked at him

145

00:05:58,230 --> 00:05:55,120

and then he got afraid he was afraid and

146

00:05:59,510 --> 00:05:58,240

so he sped down the hill on his bicycle

147

00:06:01,749 --> 00:05:59,520

to come home

148

00:06:04,390 --> 00:06:01,759

and it followed him so it followed him

149

00:06:06,950 --> 00:06:04,400

down the road and it followed him to the

150

00:06:09,270 --> 00:06:06,960

driveway of my house and he threw down

151  
00:06:11,670 --> 00:06:09,280  
his bike and he ran inside and he yelled

152  
00:06:14,070 --> 00:06:11,680  
and screamed for my parents well my

153  
00:06:16,230 --> 00:06:14,080  
father was an attorney um he was a

154  
00:06:18,790 --> 00:06:16,240  
somewhat well-known attorney in in that

155  
00:06:21,510 --> 00:06:18,800  
area and he came out with my mother and

156  
00:06:24,629 --> 00:06:21,520  
they both saw it my mother's a nurse and

157  
00:06:26,710 --> 00:06:24,639  
she's very rational and they saw this

158  
00:06:28,950 --> 00:06:26,720  
thing right out there and then it just

159  
00:06:30,469 --> 00:06:28,960  
boom disappeared well my father went

160  
00:06:31,830 --> 00:06:30,479  
inside and he called the police because

161  
00:06:34,710 --> 00:06:31,840  
he thought that they would listen to him

162  
00:06:36,629 --> 00:06:34,720  
but they didn't you know but um so this

163  
00:06:38,309 --> 00:06:36,639

was kind of like what happened and it

164

00:06:39,590 --> 00:06:38,319

was you know talked about for maybe a

165

00:06:42,230 --> 00:06:39,600

week in the family and then everybody

166

00:06:46,150 --> 00:06:42,240

just forgot about it and it wasn't until

167

00:06:47,029 --> 00:06:46,160

around 20 2012 2013 when i when i

168

00:06:49,909 --> 00:06:47,039

thought

169

00:06:51,670 --> 00:06:49,919

wow you know i got i have if this was

170

00:06:54,309 --> 00:06:51,680

because you know my brother

171

00:06:56,070 --> 00:06:54,319

hence became a police officer and a

172

00:06:58,230 --> 00:06:56,080

sergeant and you know that kind of thing

173

00:07:01,110 --> 00:06:58,240

so he's not a person

174

00:07:03,510 --> 00:07:01,120

who would make this up and

175

00:07:05,189 --> 00:07:03,520

later he's he would talk about it and he

176  
00:07:06,870 --> 00:07:05,199  
said this absolutely happened my mother

177  
00:07:08,629 --> 00:07:06,880  
said it absolutely happened my dad's

178  
00:07:11,350 --> 00:07:08,639  
passed away so i couldn't ask him about

179  
00:07:13,430 --> 00:07:11,360  
it um but what i did was i tried to find

180  
00:07:14,950 --> 00:07:13,440  
evidence of it on record because i have

181  
00:07:18,230 --> 00:07:14,960  
the you know

182  
00:07:20,230 --> 00:07:18,240  
the approximate date it happened i knew

183  
00:07:22,390 --> 00:07:20,240  
that if they saw it other people saw it

184  
00:07:25,189 --> 00:07:22,400  
too well i could i looked for it i

185  
00:07:26,870 --> 00:07:25,199  
couldn't find it until just recently and

186  
00:07:29,749 --> 00:07:26,880  
i didn't find it it was actually on

187  
00:07:31,189 --> 00:07:29,759  
halloween and my brother found it in a

188  
00:07:34,150 --> 00:07:31,199

mountain journal

189

00:07:35,589 --> 00:07:34,160

um newspaper and he sent me the article

190

00:07:37,029 --> 00:07:35,599

and they said oh you know we're doing a

191

00:07:39,350 --> 00:07:37,039

throwback to

192

00:07:40,629 --> 00:07:39,360

back in the day you know the spooky

193

00:07:43,029 --> 00:07:40,639

stories back in the day and they

194

00:07:45,670 --> 00:07:43,039

published that and i i got it i found it

195

00:07:47,430 --> 00:07:45,680

in my inbox from my brother on halloween

196

00:07:49,029 --> 00:07:47,440

um just recently

197

00:07:50,710 --> 00:07:49,039

that's awesome and i like the fact that

198

00:07:53,189 --> 00:07:50,720

there's a police officer out there in in

199

00:07:55,029 --> 00:07:53,199

california i'm guessing he's best yeah

200

00:07:56,390 --> 00:07:55,039

if anyone does have a ufo sighting and

201  
00:07:57,830 --> 00:07:56,400  
they speak to him that he's not going to

202  
00:07:59,589 --> 00:07:57,840  
just totally throw it out the window and

203  
00:08:02,469 --> 00:07:59,599  
he can he can talk to them about it so

204  
00:08:04,309 --> 00:08:02,479  
that's pretty cool yeah yes

205  
00:08:05,589 --> 00:08:04,319  
diana so listen we've got a lot to get

206  
00:08:06,950 --> 00:08:05,599  
through and i'm going to get to the book

207  
00:08:08,790 --> 00:08:06,960  
and i'm going to jump all over a little

208  
00:08:09,909 --> 00:08:08,800  
bit because there's so much that i want

209  
00:08:11,430 --> 00:08:09,919  
to ask you

210  
00:08:13,189 --> 00:08:11,440  
with your background and religious

211  
00:08:15,909 --> 00:08:13,199  
studies particularly

212  
00:08:18,469 --> 00:08:15,919  
what parallels do you see and those who

213  
00:08:20,550 --> 00:08:18,479

follow religions really closely to those

214

00:08:22,550 --> 00:08:20,560

who follow the ufo subject with the same

215

00:08:24,230 --> 00:08:22,560

sort of passion and faith

216

00:08:25,909 --> 00:08:24,240

so many have different interpretations

217

00:08:27,830 --> 00:08:25,919

of various religious texts or you know

218

00:08:29,670 --> 00:08:27,840

how they follow certain books

219

00:08:33,829 --> 00:08:29,680

and i see the same with people who talk

220

00:08:36,709 --> 00:08:33,839

about ufos and non-human intelligences

221

00:08:39,909 --> 00:08:36,719

okay good question so the parallels are

222

00:08:41,509 --> 00:08:39,919

striking and in my field um the study of

223

00:08:43,670 --> 00:08:41,519

ufos

224

00:08:45,670 --> 00:08:43,680

is something that's done so i'm not the

225

00:08:47,269 --> 00:08:45,680

only person who's done this i think i

226

00:08:49,509 --> 00:08:47,279

might be the only person who found out

227

00:08:51,670 --> 00:08:49,519

about the fight club college and you

228

00:08:53,590 --> 00:08:51,680

know that kind of thing and and you know

229

00:08:55,990 --> 00:08:53,600

published it at the time when it was

230

00:08:57,750 --> 00:08:56,000

just about to be disclosed so and i

231

00:08:59,110 --> 00:08:57,760

didn't that wasn't coordinated that was

232

00:09:00,230 --> 00:08:59,120

fully rogue

233

00:09:02,550 --> 00:09:00,240

um

234

00:09:05,269 --> 00:09:02,560

i was working completely on my own

235

00:09:07,670 --> 00:09:05,279

so what what you know similarities and

236

00:09:10,550 --> 00:09:07,680

patterns do i see well what happened was

237

00:09:12,230 --> 00:09:10,560

that i recognized that

238

00:09:15,509 --> 00:09:12,240

first when you you know there isn't a

239

00:09:19,030 --> 00:09:15,519

lot of evidence that we have for ufos we

240

00:09:20,630 --> 00:09:19,040

have testimonial evidence people who are

241

00:09:23,750 --> 00:09:20,640

like my brother who are credible

242

00:09:25,509 --> 00:09:23,760

witnesses or people who are not credible

243

00:09:27,829 --> 00:09:25,519

witnesses you have a lot of testimony

244

00:09:30,310 --> 00:09:27,839

the same thing with religion so within

245

00:09:33,269 --> 00:09:30,320

various traditions of religion a lot of

246

00:09:36,710 --> 00:09:33,279

what counts as you know

247

00:09:39,269 --> 00:09:36,720

um something that is true the evidence

248

00:09:41,190 --> 00:09:39,279

for it is usually just testimonial so

249

00:09:43,750 --> 00:09:41,200

you have testimonial evidence

250

00:09:45,430 --> 00:09:43,760

this doesn't fly in science you know

251

00:09:46,790 --> 00:09:45,440

scientists are looking for different

252

00:09:49,509 --> 00:09:46,800

types of evidence they're not looking

253

00:09:53,190 --> 00:09:49,519

for testimonial evidence so already you

254

00:09:54,470 --> 00:09:53,200

have correlations between belief in ufo

255

00:09:56,150 --> 00:09:54,480

which doesn't have a lot of evidence

256

00:09:58,710 --> 00:09:56,160

that so you have to have a lot of faith

257

00:10:00,310 --> 00:09:58,720

right in order to believe okay so now

258

00:10:02,550 --> 00:10:00,320

nowadays we have a lot more

259

00:10:04,150 --> 00:10:02,560

evidence of ufos we have them caught on

260

00:10:06,389 --> 00:10:04,160

radar and that kind of thing so we do

261

00:10:07,269 --> 00:10:06,399

have this and that's by the way

262

00:10:11,190 --> 00:10:07,279

very

263

00:10:13,750 --> 00:10:11,200

also for

264

00:10:15,829 --> 00:10:13,760

the belief structure around ufos so

265

00:10:17,750 --> 00:10:15,839

before i got caught up in the kinds of

266

00:10:19,190 --> 00:10:17,760

things that i got caught up in after

267

00:10:21,750 --> 00:10:19,200

2012

268

00:10:22,630 --> 00:10:21,760

i approached the topic like i would any

269

00:10:23,750 --> 00:10:22,640

other

270

00:10:25,190 --> 00:10:23,760

um

271

00:10:28,230 --> 00:10:25,200

religious

272

00:10:30,870 --> 00:10:28,240

event basically i approached it as this

273

00:10:33,030 --> 00:10:30,880

is a faith community i'm going to i'm

274

00:10:34,630 --> 00:10:33,040

not a believer i'm going into this

275

00:10:36,630 --> 00:10:34,640

community and i'm going to do field

276

00:10:39,030 --> 00:10:36,640

research among people who believe in

277

00:10:41,030 --> 00:10:39,040

ufos i don't have to believe in them to

278

00:10:43,030 --> 00:10:41,040

to study what the effects are and what

279

00:10:45,750 --> 00:10:43,040

the social effects are so that's the

280

00:10:49,110 --> 00:10:45,760

methodology i use going into them um

281

00:10:50,710 --> 00:10:49,120

almost immediately i found that a lot of

282

00:10:53,750 --> 00:10:50,720

the people who were

283

00:10:55,269 --> 00:10:53,760

these believers were also scientists and

284

00:10:56,710 --> 00:10:55,279

so i called these and a lot of them had

285

00:10:58,870 --> 00:10:56,720

their own experiences so i called these

286

00:11:01,670 --> 00:10:58,880

people the meta experiencers because

287

00:11:03,750 --> 00:11:01,680

they were actually studying people who

288

00:11:07,030 --> 00:11:03,760

are not scientists who are having ufo

289

00:11:08,550 --> 00:11:07,040

experiences to get data from them and so

290

00:11:10,310 --> 00:11:08,560

i thought this is so strange i'm just

291

00:11:12,949 --> 00:11:10,320

gonna this is a com you know i didn't

292

00:11:14,389 --> 00:11:12,959

expect this at all so that's so

293

00:11:16,550 --> 00:11:14,399

immediately the

294

00:11:18,790 --> 00:11:16,560

the story got weird you know the the

295

00:11:19,990 --> 00:11:18,800

research got really strange and that's

296

00:11:22,870 --> 00:11:20,000

when i

297

00:11:25,269 --> 00:11:22,880

realized that i was in a territory that

298

00:11:27,590 --> 00:11:25,279

i hadn't been in nor had a lot of my

299

00:11:29,590 --> 00:11:27,600

colleagues in religious studies i was in

300

00:11:32,230 --> 00:11:29,600

a different territory

301  
00:11:33,350 --> 00:11:32,240  
arthur c clarke said and i'll quote and

302  
00:11:34,790 --> 00:11:33,360  
i'm going to read this even though it's

303  
00:11:37,110 --> 00:11:34,800  
short to get it right because i'll get

304  
00:11:39,590 --> 00:11:37,120  
slaughtered if i don't any sufficiently

305  
00:11:40,790 --> 00:11:39,600  
advanced technology is indistinguishable

306  
00:11:42,949 --> 00:11:40,800  
from magic

307  
00:11:44,790 --> 00:11:42,959  
would it be fair to say that many of the

308  
00:11:46,550 --> 00:11:44,800  
incredible events or miracles we've

309  
00:11:49,110 --> 00:11:46,560  
heard about for over the centuries of

310  
00:11:51,509 --> 00:11:49,120  
millennia could be explained potentially

311  
00:11:53,590 --> 00:11:51,519  
by advanced civilizations or non-human

312  
00:11:55,670 --> 00:11:53,600  
intelligences getting involved with

313  
00:11:57,670 --> 00:11:55,680

other species throughout time obviously

314

00:12:00,069 --> 00:11:57,680

in the bible we've got stories of people

315

00:12:02,550 --> 00:12:00,079

following moving stars in the sky the

316

00:12:04,710 --> 00:12:02,560

romans talked about burning shields in

317

00:12:06,550 --> 00:12:04,720

the sky and we've got ancient structures

318

00:12:08,389 --> 00:12:06,560

that were built with incredible

319

00:12:10,790 --> 00:12:08,399

alignment to constellations in the sky

320

00:12:13,190 --> 00:12:10,800

that would still be difficult to do now

321

00:12:15,269 --> 00:12:13,200

with our advanced technology

322

00:12:18,629 --> 00:12:15,279

do you think that's a good explanation

323

00:12:19,990 --> 00:12:18,639

for for what we read in religious texts

324

00:12:22,310 --> 00:12:20,000

okay so

325

00:12:24,629 --> 00:12:22,320

i would say that you have to be careful

326

00:12:26,790 --> 00:12:24,639

with generalizations because when you

327

00:12:29,030 --> 00:12:26,800

take the history of religions you can't

328

00:12:32,790 --> 00:12:29,040

even generalize from tradition to

329

00:12:35,590 --> 00:12:32,800

tradition okay so i would take case by

330

00:12:38,949 --> 00:12:35,600

case i would if i were to you know have

331

00:12:40,790 --> 00:12:38,959

a huge group of people who are people

332

00:12:43,269 --> 00:12:40,800

who study different religious traditions

333

00:12:45,590 --> 00:12:43,279

including you at the ufo tradition i

334

00:12:47,430 --> 00:12:45,600

would say what we need to do is we need

335

00:12:50,550 --> 00:12:47,440

to parse out these

336

00:12:53,030 --> 00:12:50,560

events that appear to be anomalous

337

00:12:55,350 --> 00:12:53,040

and we need to take them case by case

338

00:12:58,230 --> 00:12:55,360

and so with respect to some of the cases

339

00:13:00,710 --> 00:12:58,240

absolutely i think that's true so

340

00:13:03,110 --> 00:13:00,720

yeah that's one theory to it's like an

341

00:13:05,110 --> 00:13:03,120

explanatory framework for trying to

342

00:13:08,389 --> 00:13:05,120

understand something that we just don't

343

00:13:09,350 --> 00:13:08,399

at this point understand so that's one

344

00:13:11,910 --> 00:13:09,360

theory

345

00:13:13,750 --> 00:13:11,920

among many

346

00:13:15,509 --> 00:13:13,760

how plausible do you think it is because

347

00:13:17,509 --> 00:13:15,519

when when i say that even when i wrote

348

00:13:19,670 --> 00:13:17,519

that question earlier straight away in

349

00:13:21,590 --> 00:13:19,680

my head i started thinking this just

350

00:13:23,670 --> 00:13:21,600

sounds like an episode of ancient aliens

351

00:13:25,350 --> 00:13:23,680

this question because that's what you

352

00:13:27,750 --> 00:13:25,360

start to get to but i think a lot of

353

00:13:30,069 --> 00:13:27,760

what programs like ancient aliens or

354

00:13:33,509 --> 00:13:30,079

chariots of the gods by eric von daniken

355

00:13:34,870 --> 00:13:33,519

talked about had a reason and logic to

356

00:13:36,949 --> 00:13:34,880

its foundation not to say it's

357

00:13:39,670 --> 00:13:36,959

definitely true but i could see the

358

00:13:41,590 --> 00:13:39,680

sense and obviously 15 or 20 series into

359

00:13:43,430 --> 00:13:41,600

ancient aliens things have gone a little

360

00:13:46,069 --> 00:13:43,440

bit off the rails and now it's every

361

00:13:49,509 --> 00:13:46,079

single thing has got it goes back to

362

00:13:51,750 --> 00:13:49,519

ancient atlantis or something else but

363

00:13:53,829 --> 00:13:51,760

do you think we can actually study that

364

00:13:55,509 --> 00:13:53,839

now in 2022

365

00:13:57,350 --> 00:13:55,519

and go back and look at these texts

366

00:13:59,509 --> 00:13:57,360

there's talk of using artificial

367

00:14:01,509 --> 00:13:59,519

intelligence to to scan religious texts

368

00:14:03,670 --> 00:14:01,519

i think tom de long talked about this on

369

00:14:05,030 --> 00:14:03,680

several interviews as well or do you

370

00:14:07,110 --> 00:14:05,040

think it's something that just because

371

00:14:10,949 --> 00:14:07,120

of the amount of time that's passed we

372

00:14:13,829 --> 00:14:10,959

have to leave and put to bed and move on

373

00:14:17,110 --> 00:14:13,839

no i think that um and this is why we

374

00:14:19,670 --> 00:14:17,120

have archives that you know they contain

375

00:14:21,750 --> 00:14:19,680

this historical knowledge

376

00:14:24,310 --> 00:14:21,760

and all we need are people who have the

377

00:14:26,230 --> 00:14:24,320

proper languages to go back and look and

378

00:14:28,230 --> 00:14:26,240

read them and i think that artificial

379

00:14:29,030 --> 00:14:28,240

intelligence reading these texts that i

380

00:14:31,030 --> 00:14:29,040

mean

381

00:14:33,110 --> 00:14:31,040

if you do google searches you're already

382

00:14:35,910 --> 00:14:33,120

constrained by the algorithms of the

383

00:14:37,750 --> 00:14:35,920

search themselves right so i don't think

384

00:14:39,670 --> 00:14:37,760

artificial intelligence is the answer i

385

00:14:41,509 --> 00:14:39,680

think that human eyes have to go back

386

00:14:43,670 --> 00:14:41,519

and look at these texts because a lot of

387

00:14:46,310 --> 00:14:43,680

things will be missed by artificial

388

00:14:48,470 --> 00:14:46,320

intelligence and there will be biases as

389

00:14:50,790 --> 00:14:48,480

well so you have to have multiple people

390

00:14:54,389 --> 00:14:50,800

looking at these texts so um i was in

391

00:14:56,629 --> 00:14:54,399

the vatican archive and i checked out a

392

00:14:58,470 --> 00:14:56,639

lot of what i consider to be contact

393

00:15:01,030 --> 00:14:58,480

events um

394

00:15:03,990 --> 00:15:01,040

from you know the actual manuscripts and

395

00:15:06,150 --> 00:15:04,000

the kinds of information that i got

396

00:15:07,829 --> 00:15:06,160

couldn't be had

397

00:15:09,590 --> 00:15:07,839

just through

398

00:15:11,350 --> 00:15:09,600

looking at something that you know

399

00:15:13,509 --> 00:15:11,360

you're well you're using

400

00:15:14,949 --> 00:15:13,519

a program for reading i don't think we

401  
00:15:17,990 --> 00:15:14,959  
have artificial intelligence at the

402  
00:15:19,269 --> 00:15:18,000  
moment that is up to this task i think

403  
00:15:21,910 --> 00:15:19,279  
at this point you know the vatican

404  
00:15:23,110 --> 00:15:21,920  
archive it has so much that's not yet

405  
00:15:25,110 --> 00:15:23,120  
translated

406  
00:15:27,110 --> 00:15:25,120  
into different languages into even

407  
00:15:30,069 --> 00:15:27,120  
modern languages and there's so much

408  
00:15:32,870 --> 00:15:30,079  
there that can tell us about what we're

409  
00:15:34,949 --> 00:15:32,880  
experiencing now that i think it's very

410  
00:15:36,790 --> 00:15:34,959  
important to continue with these kinds

411  
00:15:39,110 --> 00:15:36,800  
of

412  
00:15:40,629 --> 00:15:39,120  
research programs basically

413  
00:15:41,990 --> 00:15:40,639

i'm going to come back to the vatican

414

00:15:43,749 --> 00:15:42,000

stuff because one of the listener

415

00:15:46,629 --> 00:15:43,759

questions is based on that so i'll give

416

00:15:48,150 --> 00:15:46,639

them credit when we get to it now diana

417

00:15:50,150 --> 00:15:48,160

american cosmic obviously a lot of

418

00:15:53,509 --> 00:15:50,160

people got in touch about the book um

419

00:15:55,430 --> 00:15:53,519

it's become famous worldwide its reviews

420

00:15:57,670 --> 00:15:55,440

are fantastic if you through on amazon

421

00:15:59,670 --> 00:15:57,680

even the people who are slightly

422

00:16:01,030 --> 00:15:59,680

skeptical about it give it glowing

423

00:16:03,509 --> 00:16:01,040

reviews in the way you've approached it

424

00:16:05,430 --> 00:16:03,519

which is i think says a lot what was it

425

00:16:06,870 --> 00:16:05,440

that led you to the idea for american

426

00:16:08,870 --> 00:16:06,880

cosmic

427

00:16:10,629 --> 00:16:08,880

right so what happened was that i had

428

00:16:14,230 --> 00:16:10,639

just finished a book about the catholic

429

00:16:16,470 --> 00:16:14,240

doctrine of purgatory and purgatory is a

430

00:16:17,910 --> 00:16:16,480

for for those who don't know it's a

431

00:16:20,069 --> 00:16:17,920

catholic doctrine it used to be a

432

00:16:21,430 --> 00:16:20,079

christian doctrine i mean catholic is

433

00:16:24,150 --> 00:16:21,440

christian but a lot of people don't know

434

00:16:26,870 --> 00:16:24,160

that so that you know so basically it's

435

00:16:29,829 --> 00:16:26,880

a doctrine of the christian church that

436

00:16:31,749 --> 00:16:29,839

that catholics still uh hold to and this

437

00:16:35,030 --> 00:16:31,759

is this idea that there's a place

438

00:16:36,310 --> 00:16:35,040

between heaven and hell where souls go

439

00:16:39,590 --> 00:16:36,320

if they're not good enough to get into

440

00:16:42,629 --> 00:16:39,600

heaven and so they go there and um

441

00:16:44,870 --> 00:16:42,639

what i found is that for you know 1500

442

00:16:45,910 --> 00:16:44,880

years people practice this dogma and

443

00:16:46,870 --> 00:16:45,920

they they

444

00:16:49,030 --> 00:16:46,880

prayed

445

00:16:50,310 --> 00:16:49,040

for souls in purgatory that they don't

446

00:16:52,389 --> 00:16:50,320

suffer too much and things like that and

447

00:16:54,150 --> 00:16:52,399

then it just disappeared so my question

448

00:16:56,870 --> 00:16:54,160

going into that was

449

00:16:58,310 --> 00:16:56,880

what happened to this dogma you know

450

00:17:01,030 --> 00:16:58,320

and what i did a lot of archival

451  
00:17:02,949 --> 00:17:01,040  
research and i started in about 100 and

452  
00:17:05,029 --> 00:17:02,959  
moved up to about 1800

453  
00:17:07,270 --> 00:17:05,039  
and through my historical research in

454  
00:17:10,069 --> 00:17:07,280  
these archives they came a lot i came

455  
00:17:11,189 --> 00:17:10,079  
upon a lot of records and anecdotes

456  
00:17:12,549 --> 00:17:11,199  
about

457  
00:17:14,230 --> 00:17:12,559  
um basically

458  
00:17:19,669 --> 00:17:14,240  
aerial phenomena

459  
00:17:22,710 --> 00:17:19,679  
been interpreted to be either souls from

460  
00:17:24,630 --> 00:17:22,720  
purgatory coming to speak to people

461  
00:17:26,789 --> 00:17:24,640  
or angels

462  
00:17:28,950 --> 00:17:26,799  
or demons right so there were always

463  
00:17:31,029 --> 00:17:28,960

these supernatural explanations for

464

00:17:32,390 --> 00:17:31,039

these aerial phenomena and i kept a

465

00:17:34,789 --> 00:17:32,400

record of it

466

00:17:37,110 --> 00:17:34,799

um and my record grew and grew and grew

467

00:17:39,190 --> 00:17:37,120

at the end of that i had this record and

468

00:17:41,590 --> 00:17:39,200

i published the book for on purgatory

469

00:17:43,750 --> 00:17:41,600

and i i might have one or two of these

470

00:17:45,909 --> 00:17:43,760

anecdotes in there right

471

00:17:47,909 --> 00:17:45,919

and so i showed a friend of mine and i

472

00:17:50,150 --> 00:17:47,919

said what do you think of this i hadn't

473

00:17:50,950 --> 00:17:50,160

thought of ufos at all actually not one

474

00:17:52,710 --> 00:17:50,960

bit

475

00:17:54,390 --> 00:17:52,720

and he looked it over and he read it and

476

00:17:56,470 --> 00:17:54,400

he said you know i think that this looks

477

00:17:57,990 --> 00:17:56,480

like steven spielberg's stuff like it

478

00:18:00,710 --> 00:17:58,000

looks like you know

479

00:18:02,870 --> 00:18:00,720

close encounters ufos and i honestly at

480

00:18:04,870 --> 00:18:02,880

the at that point it was a shock to my

481

00:18:06,070 --> 00:18:04,880

system and i said yeah whatever you're

482

00:18:08,549 --> 00:18:06,080

crazy right

483

00:18:10,630 --> 00:18:08,559

but of course this is how this this uh

484

00:18:13,110 --> 00:18:10,640

research works there's usually some

485

00:18:15,510 --> 00:18:13,120

strange coincidence that happens and

486

00:18:19,029 --> 00:18:15,520

this is what happened there was a ufo

487

00:18:21,430 --> 00:18:19,039

conference in my town and i attended it

488

00:18:23,750 --> 00:18:21,440

and i listened to people who had these

489

00:18:26,630 --> 00:18:23,760

experiences and i recognized that there

490

00:18:29,510 --> 00:18:26,640

was a historical continuity between what

491

00:18:31,669 --> 00:18:29,520

i had studied to today

492

00:18:33,430 --> 00:18:31,679

and so that's how i got into studying

493

00:18:35,750 --> 00:18:33,440

ufos i was like maybe he's right you

494

00:18:39,190 --> 00:18:35,760

know maybe i need to look at these as

495

00:18:41,430 --> 00:18:39,200

modern reports of what we had going on

496

00:18:44,710 --> 00:18:41,440

back in the day and so that's the that's

497

00:18:47,029 --> 00:18:44,720

how i segwayed into studying ufos um i

498

00:18:48,789 --> 00:18:47,039

didn't expect at all what happened i

499

00:18:51,510 --> 00:18:48,799

honestly didn't i didn't expect to meet

500

00:18:53,590 --> 00:18:51,520

people like now gary nolan he's come out

501  
00:18:55,510 --> 00:18:53,600  
as james in my book thankfully now i can

502  
00:18:57,430 --> 00:18:55,520  
talk about it um

503  
00:18:59,029 --> 00:18:57,440  
so i didn't expect to meet people like

504  
00:19:01,909 --> 00:18:59,039  
that who were at the very top of their

505  
00:19:05,990 --> 00:19:01,919  
field doing research into

506  
00:19:08,950 --> 00:19:06,000  
basically ufos now renamed uaps

507  
00:19:10,870 --> 00:19:08,960  
and your research was there one opinion

508  
00:19:13,190 --> 00:19:10,880  
that you held at the start

509  
00:19:15,669 --> 00:19:13,200  
that as you went on changed most

510  
00:19:17,669 --> 00:19:15,679  
drastically by the end yes

511  
00:19:19,830 --> 00:19:17,679  
yeah i was completely an atheist a

512  
00:19:22,070 --> 00:19:19,840  
non-believer when i went in

513  
00:19:24,950 --> 00:19:22,080

um in the first two chapters of my book

514

00:19:27,190 --> 00:19:24,960

i talked about how it's unbelievable

515

00:19:29,909 --> 00:19:27,200

that these amazingly intelligent people

516

00:19:31,190 --> 00:19:29,919

i'm with believe in ufos how can that

517

00:19:33,270 --> 00:19:31,200

possibly be

518

00:19:35,909 --> 00:19:33,280

and so we went to new mexico

519

00:19:36,789 --> 00:19:35,919

we uh you know we found these debris

520

00:19:38,470 --> 00:19:36,799

right

521

00:19:40,630 --> 00:19:38,480

and um

522

00:19:42,630 --> 00:19:40,640

you know a lot of weird people showed up

523

00:19:45,430 --> 00:19:42,640

in terms of like you know

524

00:19:47,350 --> 00:19:45,440

alphabet agencies right and things like

525

00:19:49,029 --> 00:19:47,360

that and it was really off-putting

526

00:19:50,789 --> 00:19:49,039

frankly i was like i don't want to deal

527

00:19:53,510 --> 00:19:50,799

with this at all and there were many

528

00:19:55,029 --> 00:19:53,520

times when i decided to not continue on

529

00:19:56,390 --> 00:19:55,039

with my research but somehow i got

530

00:19:57,909 --> 00:19:56,400

pulled back in

531

00:19:59,430 --> 00:19:57,919

and so

532

00:20:01,590 --> 00:19:59,440

how did i change

533

00:20:03,830 --> 00:20:01,600

um by the end of the book i became

534

00:20:05,430 --> 00:20:03,840

agnostic which means that

535

00:20:07,510 --> 00:20:05,440

i'm entertaining the possibility that

536

00:20:08,390 --> 00:20:07,520

this stuff is real right

537

00:20:13,430 --> 00:20:08,400

and

538

00:20:15,110 --> 00:20:13,440

what it is though i'm not going to say

539

00:20:17,750 --> 00:20:15,120

you know because there's two there's

540

00:20:18,950 --> 00:20:17,760

still too much obfuscation there's still

541

00:20:22,149 --> 00:20:18,960

too much

542

00:20:25,029 --> 00:20:22,159

government perception management um and

543

00:20:26,630 --> 00:20:25,039

i'm suspicious of that and i think that

544

00:20:28,310 --> 00:20:26,640

if somebody comes out and says yes we

545

00:20:30,070 --> 00:20:28,320

have an answer i'm not going to believe

546

00:20:32,310 --> 00:20:30,080

it right away

547

00:20:33,110 --> 00:20:32,320

how did your converse yeah no no of

548

00:20:35,029 --> 00:20:33,120

course

549

00:20:36,630 --> 00:20:35,039

how did your conversation change then in

550

00:20:38,710 --> 00:20:36,640

terms of like academia and your

551  
00:20:40,710 --> 00:20:38,720  
colleagues when you first must have

552  
00:20:42,710 --> 00:20:40,720  
talked about ufos and maybe what you

553  
00:20:45,110 --> 00:20:42,720  
were doing with the book and then as

554  
00:20:46,470 --> 00:20:45,120  
time goes on and you've got this let's

555  
00:20:48,390 --> 00:20:46,480  
call it it's a hit that was a smash it

556  
00:20:50,390 --> 00:20:48,400  
was so popular and still is

557  
00:20:51,909 --> 00:20:50,400  
to to those conversations you have with

558  
00:20:53,669 --> 00:20:51,919  
them now

559  
00:20:55,590 --> 00:20:53,679  
has your side of that conversation

560  
00:20:57,270 --> 00:20:55,600  
changed that much

561  
00:21:00,070 --> 00:20:57,280  
or do you feel they're different towards

562  
00:21:01,350 --> 00:21:00,080  
you just with the passage of time

563  
00:21:03,430 --> 00:21:01,360

okay

564

00:21:04,870 --> 00:21:03,440

my conversation hasn't changed except

565

00:21:06,470 --> 00:21:04,880

for the fact that when i published the

566

00:21:07,830 --> 00:21:06,480

book i was like oh no there's something

567

00:21:08,789 --> 00:21:07,840

here right

568

00:21:11,190 --> 00:21:08,799

okay

569

00:21:13,590 --> 00:21:11,200

at the time i did this research i was

570

00:21:15,029 --> 00:21:13,600

already a full professor

571

00:21:16,310 --> 00:21:15,039

so you can't you know you're you're

572

00:21:18,310 --> 00:21:16,320

already you're not going to get fired

573

00:21:19,510 --> 00:21:18,320

for doing anything weird right even if

574

00:21:20,390 --> 00:21:19,520

you do something weird you won't get

575

00:21:22,310 --> 00:21:20,400

fired

576

00:21:23,350 --> 00:21:22,320

um i was you know i was the chair of my

577

00:21:24,149 --> 00:21:23,360

department

578

00:21:26,230 --> 00:21:24,159

okay

579

00:21:28,549 --> 00:21:26,240

so i and i was also well known in my

580

00:21:31,830 --> 00:21:28,559

field so i had published enough i'd won

581

00:21:33,430 --> 00:21:31,840

enough grant money to be solid and

582

00:21:35,350 --> 00:21:33,440

although no one's solid like you know

583

00:21:37,590 --> 00:21:35,360

look at the researcher harvard

584

00:21:40,630 --> 00:21:37,600

researcher john mack you know he was a

585

00:21:42,549 --> 00:21:40,640

he was investigated by harvard so

586

00:21:44,630 --> 00:21:42,559

i didn't tell a lot of people what i was

587

00:21:46,390 --> 00:21:44,640

doing i just was doing it i had some

588

00:21:47,830 --> 00:21:46,400

colleagues that i told who by the way

589

00:21:50,710 --> 00:21:47,840

should be doing this too because they

590

00:21:53,909 --> 00:21:50,720

have you know one's uh um an orthodox

591

00:21:56,950 --> 00:21:53,919

priest who knows greek and reads the

592

00:21:59,270 --> 00:21:56,960

texts in greek you know in the original

593

00:22:01,350 --> 00:21:59,280

languages another is a scholar of the

594

00:22:02,789 --> 00:22:01,360

hebrew bible who does the same i mean

595

00:22:04,950 --> 00:22:02,799

these people

596

00:22:06,789 --> 00:22:04,960

have the same idea that i do so i shared

597

00:22:09,029 --> 00:22:06,799

what i was doing with them

598

00:22:12,149 --> 00:22:09,039

but not to my colleagues in general

599

00:22:14,149 --> 00:22:12,159

um they found out of course

600

00:22:15,990 --> 00:22:14,159

so but this is what's happened in terms

601  
00:22:19,430 --> 00:22:16,000  
of academic scholarship

602  
00:22:21,830 --> 00:22:19,440  
so in the beginning i think that

603  
00:22:23,990 --> 00:22:21,840  
people were were okay with it what they

604  
00:22:26,549 --> 00:22:24,000  
were a little concerned about was that i

605  
00:22:28,390 --> 00:22:26,559  
was basically making stronger claims

606  
00:22:29,270 --> 00:22:28,400  
than anybody had before i was basically

607  
00:22:31,270 --> 00:22:29,280  
saying

608  
00:22:34,470 --> 00:22:31,280  
i think we need to look at this because

609  
00:22:36,310 --> 00:22:34,480  
our colleagues in science are basically

610  
00:22:39,430 --> 00:22:36,320  
saying this is real and they have

611  
00:22:41,430 --> 00:22:39,440  
anomalous data right and i think that's

612  
00:22:44,710 --> 00:22:41,440  
pretty weird and we shouldn't just write

613  
00:22:46,230 --> 00:22:44,720

it off as a cold war phenomena

614

00:22:47,830 --> 00:22:46,240

and i think that made a lot of my

615

00:22:50,310 --> 00:22:47,840

colleagues pretty uncomfortable now

616

00:22:51,270 --> 00:22:50,320

what's you know what's ironic here is

617

00:22:53,430 --> 00:22:51,280

that

618

00:22:54,789 --> 00:22:53,440

my stuff is peer reviewed and i publish

619

00:22:56,710 --> 00:22:54,799

with oxford

620

00:22:58,789 --> 00:22:56,720

yet it took

621

00:23:00,710 --> 00:22:58,799

coming out in the new york times of all

622

00:23:02,950 --> 00:23:00,720

things for my colleagues to actually get

623

00:23:04,870 --> 00:23:02,960

on board which i think is not

624

00:23:06,390 --> 00:23:04,880

i don't think that's cool

625

00:23:07,669 --> 00:23:06,400

right because you know it should be the

626  
00:23:09,430 --> 00:23:07,679  
other way around it should be that the

627  
00:23:10,710 --> 00:23:09,440  
scholars are saying hey yeah we have

628  
00:23:12,149 --> 00:23:10,720  
some really interesting data here we

629  
00:23:14,870 --> 00:23:12,159  
need to take a look at it it shouldn't

630  
00:23:16,789 --> 00:23:14,880  
be media that comes out and says wow

631  
00:23:19,110 --> 00:23:16,799  
look you know we have this and then the

632  
00:23:20,950 --> 00:23:19,120  
scholars you know look at it that's just

633  
00:23:23,510 --> 00:23:20,960  
you know that's just a commentary on

634  
00:23:25,990 --> 00:23:23,520  
academia today but when that when the

635  
00:23:27,750 --> 00:23:26,000  
new york times articles hit

636  
00:23:30,070 --> 00:23:27,760  
and my book was in press it hadn't yet

637  
00:23:32,149 --> 00:23:30,080  
been published all of a sudden

638  
00:23:34,070 --> 00:23:32,159

colleagues from all the universities

639

00:23:37,830 --> 00:23:34,080

called me and said how can we get on

640

00:23:38,710 --> 00:23:37,840

board how can we do this and um now

641

00:23:40,549 --> 00:23:38,720

i'm

642

00:23:42,630 --> 00:23:40,559

part of my job is to review this

643

00:23:45,190 --> 00:23:42,640

scholarship that's coming out

644

00:23:47,269 --> 00:23:45,200

and i spend a lot of my time looking at

645

00:23:50,230 --> 00:23:47,279

new scholarship i mean there is a tidal

646

00:23:53,029 --> 00:23:50,240

wave of this stuff coming in now from

647

00:23:55,430 --> 00:23:53,039

scholars from three four years ago who

648

00:23:58,630 --> 00:23:55,440

felt now it's okay to do this so the

649

00:24:00,230 --> 00:23:58,640

tide has completely changed in academia

650

00:24:02,950 --> 00:24:00,240

and um

651  
00:24:05,669 --> 00:24:02,960  
you know a lot of it i i give commentary

652  
00:24:07,269 --> 00:24:05,679  
on and i you know i suggest to presses

653  
00:24:09,269 --> 00:24:07,279  
i'm the go-to person now for a lot of

654  
00:24:11,750 --> 00:24:09,279  
the presses you say should we publish

655  
00:24:13,990 --> 00:24:11,760  
this or should we not publish this and

656  
00:24:16,390 --> 00:24:14,000  
so if you know if these people are still

657  
00:24:17,830 --> 00:24:16,400  
looking at documents from

658  
00:24:20,230 --> 00:24:17,840  
you know you have to understand the

659  
00:24:22,070 --> 00:24:20,240  
government perception management

660  
00:24:23,510 --> 00:24:22,080  
produced a lot of documents and if those

661  
00:24:26,470 --> 00:24:23,520  
people are taking that to be the

662  
00:24:28,470 --> 00:24:26,480  
scholarship i'll say no don't publish it

663  
00:24:31,590 --> 00:24:28,480

because they can't even make the

664

00:24:33,590 --> 00:24:31,600

distinction between what's spin

665

00:24:35,350 --> 00:24:33,600

and then what's actually field research

666

00:24:37,269 --> 00:24:35,360

that's vetted

667

00:24:39,350 --> 00:24:37,279

people like yourself and avi loeb at

668

00:24:41,430 --> 00:24:39,360

harvard now astrophysicists are making

669

00:24:42,950 --> 00:24:41,440

huge headway in that and i think people

670

00:24:45,510 --> 00:24:42,960

have got to thank you for that that

671

00:24:47,510 --> 00:24:45,520

others are coming into now and asking

672

00:24:49,269 --> 00:24:47,520

questions and starting to look and say

673

00:24:51,510 --> 00:24:49,279

is there something to this have we been

674

00:24:53,350 --> 00:24:51,520

missing something and as i'm no

675

00:24:54,870 --> 00:24:53,360

scientist or you know intellectual or

676  
00:24:56,470 --> 00:24:54,880  
anything like that you know you've been

677  
00:24:57,750 --> 00:24:56,480  
on like lex friedman's podcast the

678  
00:24:59,990 --> 00:24:57,760  
really intelligent gentleman that can

679  
00:25:01,430 --> 00:25:00,000  
have a wonderful conversation with you

680  
00:25:03,350 --> 00:25:01,440  
and you've got people like this now

681  
00:25:05,029 --> 00:25:03,360  
entertaining the notion of maybe there's

682  
00:25:07,190 --> 00:25:05,039  
something out there maybe and they're

683  
00:25:08,870 --> 00:25:07,200  
using language like non-human alien

684  
00:25:11,190 --> 00:25:08,880  
extraterrestrial and they're not

685  
00:25:13,830 --> 00:25:11,200  
laughing you know there's no scoffing

686  
00:25:15,990 --> 00:25:13,840  
behind it there's almost

687  
00:25:17,590 --> 00:25:16,000  
it's they almost find it amazing that

688  
00:25:19,029 --> 00:25:17,600

they're using this language so freely

689

00:25:21,669 --> 00:25:19,039

but when you see christopher mellon

690

00:25:23,590 --> 00:25:21,679

saying this or the dni avril haynes

691

00:25:25,669 --> 00:25:23,600

talking you know openly in front of

692

00:25:27,750 --> 00:25:25,679

congress and senator gillibrand and

693

00:25:28,789 --> 00:25:27,760

others it's it's a huge tidal wave like

694

00:25:30,710 --> 00:25:28,799

you're saying hopefully that that

695

00:25:31,830 --> 00:25:30,720

carries on forward

696

00:25:34,789 --> 00:25:31,840

what i'd like to know was there

697

00:25:36,950 --> 00:25:34,799

something in your research for for uh

698

00:25:38,230 --> 00:25:36,960

american cosmic that really surprised

699

00:25:39,590 --> 00:25:38,240

you that you weren't expecting to come

700

00:25:40,470 --> 00:25:39,600

across

701  
00:25:43,110 --> 00:25:40,480  
yes

702  
00:25:46,310 --> 00:25:43,120  
um the first thing that surprised me

703  
00:25:48,470 --> 00:25:46,320  
was the amount of government involvement

704  
00:25:51,269 --> 00:25:48,480  
um and that was disconcerting to me

705  
00:25:53,190 --> 00:25:51,279  
because it was basically non-open

706  
00:25:55,269 --> 00:25:53,200  
government involvement at least when i

707  
00:25:57,190 --> 00:25:55,279  
was doing my research remember i was

708  
00:26:01,350 --> 00:25:57,200  
doing my research prior to this

709  
00:26:04,950 --> 00:26:01,360  
disclosure of 2021 by the government and

710  
00:26:07,990 --> 00:26:04,960  
in 2017 by the new york times so i was

711  
00:26:10,710 --> 00:26:08,000  
still on the end of if you do this

712  
00:26:13,029 --> 00:26:10,720  
it's there's something suspect about

713  
00:26:14,789 --> 00:26:13,039

doing it because well what happened was

714

00:26:16,470 --> 00:26:14,799

that i did this and i found that there

715

00:26:18,630 --> 00:26:16,480

were these government programs that were

716

00:26:21,430 --> 00:26:18,640

in place and people were a part of them

717

00:26:23,350 --> 00:26:21,440

and doing this and i would go to

718

00:26:25,430 --> 00:26:23,360

conferences of colleagues of mine

719

00:26:27,750 --> 00:26:25,440

academic conferences and i would share

720

00:26:28,950 --> 00:26:27,760

my research and they would say stuff

721

00:26:33,110 --> 00:26:28,960

like

722

00:26:36,149 --> 00:26:33,120

people are fooling you

723

00:26:38,870 --> 00:26:36,159

and no that's not true they weren't were

724

00:26:40,549 --> 00:26:38,880

they so now i can say well no they

725

00:26:42,710 --> 00:26:40,559

weren't but i mean i i knew it at the

726

00:26:44,630 --> 00:26:42,720

time i knew i was right but it's really

727

00:26:46,549 --> 00:26:44,640

hard to be in that position

728

00:26:48,549 --> 00:26:46,559

so um

729

00:26:52,390 --> 00:26:48,559

so the question is then

730

00:26:53,750 --> 00:26:52,400

you know when we continue on here um

731

00:26:57,110 --> 00:26:53,760

you know we have to understand that the

732

00:27:00,149 --> 00:26:57,120

last four years has been has created

733

00:27:01,510 --> 00:27:00,159

this absolute 180 degree

734

00:27:02,549 --> 00:27:01,520

turn

735

00:27:04,390 --> 00:27:02,559

and

736

00:27:06,789 --> 00:27:04,400

that's pretty amazing i didn't plan on

737

00:27:09,110 --> 00:27:06,799

that at all so what surprised me the

738

00:27:11,350 --> 00:27:09,120

government involvement the fact that

739

00:27:13,430 --> 00:27:11,360

people associated with the alphabet

740

00:27:14,310 --> 00:27:13,440

agencies were interested in what i was

741

00:27:16,470 --> 00:27:14,320

doing

742

00:27:18,830 --> 00:27:16,480

um that surprised me that never happened

743

00:27:22,230 --> 00:27:18,840

with my straight up kind of catholic

744

00:27:25,029 --> 00:27:22,240

scholarship um what else surprised me

745

00:27:27,029 --> 00:27:25,039

finding debris and having it

746

00:27:28,789 --> 00:27:27,039

you know analyzed by people with the

747

00:27:31,190 --> 00:27:28,799

equipment and the knowledge to

748

00:27:32,830 --> 00:27:31,200

understand that it's anomalous right

749

00:27:35,909 --> 00:27:32,840

that surprised me

750

00:27:37,990 --> 00:27:35,919

um yeah that was those were two very

751

00:27:40,549 --> 00:27:38,000

shocking kinds of things

752

00:27:42,710 --> 00:27:40,559

did any of that ever carry over to your

753

00:27:44,230 --> 00:27:42,720

your private life and your home life and

754

00:27:45,990 --> 00:27:44,240

you mentioned that there were times you

755

00:27:47,909 --> 00:27:46,000

felt i don't want to keep doing this

756

00:27:49,909 --> 00:27:47,919

anymore was that something that impacted

757

00:27:51,590 --> 00:27:49,919

you or was it just the pressure or

758

00:27:53,909 --> 00:27:51,600

intensity of having

759

00:27:55,269 --> 00:27:53,919

alphabet agencies as we know the ones

760

00:27:58,710 --> 00:27:55,279

you're talking about

761

00:28:02,870 --> 00:27:58,720

being so intrusive and invasive

762

00:28:05,190 --> 00:28:02,880

oh yeah okay so um

763

00:28:07,510 --> 00:28:05,200

yeah so this is a great question it

764

00:28:10,950 --> 00:28:07,520

absolutely changed my life entirely

765

00:28:13,269 --> 00:28:10,960

private public everything um

766

00:28:17,029 --> 00:28:13,279

so so much so that i think of my life in

767

00:28:19,669 --> 00:28:17,039

two you know think of it pre 2012 and

768

00:28:20,950 --> 00:28:19,679

post 2012 right

769

00:28:25,430 --> 00:28:20,960

and

770

00:28:27,430 --> 00:28:25,440

i think it opened opened up my eyes to

771

00:28:29,430 --> 00:28:27,440

um

772

00:28:31,750 --> 00:28:29,440

well there's a lot i felt a lot more

773

00:28:33,110 --> 00:28:31,760

danger frankly when i was when the

774

00:28:35,830 --> 00:28:33,120

government hadn't

775

00:28:37,110 --> 00:28:35,840

admitted that this was happening okay

776

00:28:39,269 --> 00:28:37,120

because

777

00:28:42,070 --> 00:28:39,279

it was i think it there was there was

778

00:28:43,750 --> 00:28:42,080

danger you know there was danger um

779

00:28:45,830 --> 00:28:43,760

and

780

00:28:47,590 --> 00:28:45,840

what if i uncovered something that

781

00:28:49,190 --> 00:28:47,600

people didn't want uncovered which

782

00:28:50,470 --> 00:28:49,200

apparently i think i did

783

00:28:53,110 --> 00:28:50,480

um

784

00:28:55,510 --> 00:28:53,120

and what were the what were going to be

785

00:28:56,389 --> 00:28:55,520

the repercussions for that right

786

00:28:58,710 --> 00:28:56,399

um

787

00:29:01,430 --> 00:28:58,720

there was one point when

788

00:29:04,870 --> 00:29:01,440

my you know my university email account

789

00:29:06,950 --> 00:29:04,880

was doxxed right by specific people and

790

00:29:08,630 --> 00:29:06,960

so was gary nolan's at the time we both

791

00:29:10,230 --> 00:29:08,640

had it happen at the same time and

792

00:29:12,070 --> 00:29:10,240

that's disconcerting

793

00:29:15,029 --> 00:29:12,080

and there were like veiled threats and

794

00:29:15,909 --> 00:29:15,039

things like that disconcerting not cool

795

00:29:17,669 --> 00:29:15,919

right

796

00:29:19,190 --> 00:29:17,679

um a lot of the people that i

797

00:29:21,510 --> 00:29:19,200

interviewed for my book they would have

798

00:29:22,789 --> 00:29:21,520

the same things happen allison cruz

799

00:29:23,830 --> 00:29:22,799

completely

800

00:29:25,029 --> 00:29:23,840

um

801  
00:29:28,310 --> 00:29:25,039  
harassed

802  
00:29:29,669 --> 00:29:28,320  
um

803  
00:29:32,789 --> 00:29:29,679  
scott brown

804  
00:29:34,789 --> 00:29:32,799  
right all these people so you know that

805  
00:29:36,230 --> 00:29:34,799  
that's not right but those things

806  
00:29:38,389 --> 00:29:36,240  
happened

807  
00:29:39,269 --> 00:29:38,399  
and obviously you mentioned gary nolan

808  
00:29:41,190 --> 00:29:39,279  
who

809  
00:29:43,350 --> 00:29:41,200  
was in the phenomenon with jack valet

810  
00:29:45,190 --> 00:29:43,360  
he's he's been a little bit more media

811  
00:29:46,389 --> 00:29:45,200  
friendly recently doing some podcasts

812  
00:29:47,990 --> 00:29:46,399  
and hopefully he's going to be coming on

813  
00:29:50,149 --> 00:29:48,000

this podcast in the coming weeks which

814

00:29:51,669 --> 00:29:50,159

would be great great yeah i'm very much

815

00:29:53,430 --> 00:29:51,679

looking forward to speaking to gary what

816

00:29:55,590 --> 00:29:53,440

if and when that does happen

817

00:29:57,029 --> 00:29:55,600

do people like that give you the advice

818

00:29:58,389 --> 00:29:57,039

because i'm guessing this is something

819

00:29:59,669 --> 00:29:58,399

that they themselves like you see have

820

00:30:01,830 --> 00:29:59,679

gone through for a certain amount of

821

00:30:05,110 --> 00:30:01,840

time and if you're involved in handling

822

00:30:06,470 --> 00:30:05,120

potential meta materials or crash debris

823

00:30:08,389 --> 00:30:06,480

whatever it may be

824

00:30:10,070 --> 00:30:08,399

then again these people are they people

825

00:30:11,669 --> 00:30:10,080

you can go to and ask you know what do i

826

00:30:12,710 --> 00:30:11,679

do about this and what sort of advice

827

00:30:17,190 --> 00:30:12,720

did they give

828

00:30:19,350 --> 00:30:17,200

yeah yeah we were buddies so yes um gary

829

00:30:20,870 --> 00:30:19,360

gary and i got just started doing this

830

00:30:26,470 --> 00:30:20,880

at the same time

831

00:30:30,630 --> 00:30:26,480

were both already academics that

832

00:30:33,190 --> 00:30:30,640

were full professors you know um and

833

00:30:35,350 --> 00:30:33,200

so i felt i could trust gary frankly

834

00:30:37,990 --> 00:30:35,360

because he wasn't a ufologist i mean not

835

00:30:39,750 --> 00:30:38,000

that i don't trust ufologists

836

00:30:42,310 --> 00:30:39,760

but you know he was part he was somebody

837

00:30:45,029 --> 00:30:42,320

who who was like me he started his his

838

00:30:47,110 --> 00:30:45,039

uh interest in what he did early on and

839

00:30:49,510 --> 00:30:47,120

got his phd and has done that his whole

840

00:30:52,149 --> 00:30:49,520

life and so um

841

00:30:54,310 --> 00:30:52,159

he and i went through this together um

842

00:30:55,510 --> 00:30:54,320

jacques was the person who helped us in

843

00:30:57,509 --> 00:30:55,520

a sense

844

00:30:59,029 --> 00:30:57,519

in many ways

845

00:31:01,269 --> 00:30:59,039

talked about

846

00:31:05,110 --> 00:31:01,279

well he kind of scared me a lot in the

847

00:31:07,029 --> 00:31:05,120

early times like in 2012 and 2013

848

00:31:09,750 --> 00:31:07,039

he was very honest he said there are

849

00:31:12,149 --> 00:31:09,760

some very nasty people in this field you

850

00:31:15,269 --> 00:31:12,159

know and you have to be very careful

851

00:31:16,389 --> 00:31:15,279

don't trust anybody you know and so when

852

00:31:19,750 --> 00:31:16,399

um

853

00:31:21,590 --> 00:31:19,760

so yeah so so he kind of provided some

854

00:31:24,070 --> 00:31:21,600

background he also talked about the

855

00:31:26,149 --> 00:31:24,080

alphabet agencies and how they work and

856

00:31:28,149 --> 00:31:26,159

i got to see that up close you know and

857

00:31:30,470 --> 00:31:28,159

i got to see exactly the strategies that

858

00:31:33,350 --> 00:31:30,480

they use um

859

00:31:35,430 --> 00:31:33,360

so yes so we did have people that were

860

00:31:38,310 --> 00:31:35,440

helping us out yeah but gary i feel like

861

00:31:40,470 --> 00:31:38,320

gary and i we did this at the same time

862

00:31:42,710 --> 00:31:40,480

um i i'm the one who invited him to the

863

00:31:44,230 --> 00:31:42,720

desert when tyler just didn't you know

864

00:31:47,190 --> 00:31:44,240

he didn't want anybody to go but i knew

865

00:31:47,990 --> 00:31:47,200

he'd like he'd like it if gary went so

866

00:31:50,470 --> 00:31:48,000

um

867

00:31:51,830 --> 00:31:50,480

so we went out to the desert together he

868

00:31:54,070 --> 00:31:51,840

got some of the most interesting

869

00:31:56,149 --> 00:31:54,080

materials there

870

00:31:57,509 --> 00:31:56,159

you talked about euphoria just a good

871

00:31:59,430 --> 00:31:57,519

time to bring up this question then

872

00:32:01,029 --> 00:31:59,440

because it was my next one

873

00:32:02,950 --> 00:32:01,039

i've seen you mention in an interview

874

00:32:04,950 --> 00:32:02,960

that you feel there's three types of

875

00:32:07,190 --> 00:32:04,960

ufologists those interested from a young

876

00:32:09,990 --> 00:32:07,200

age through experiences or media

877

00:32:12,789 --> 00:32:10,000

exposure believing in the et hypothesis

878

00:32:14,230 --> 00:32:12,799

or ath or you've got those who believe

879

00:32:16,630 --> 00:32:14,240

in the more consciousness-based

880

00:32:18,149 --> 00:32:16,640

spiritual side of the phenomenon some

881

00:32:19,909 --> 00:32:18,159

would call it the woo i know that's

882

00:32:21,750 --> 00:32:19,919

almost offensive now to some depending

883

00:32:24,230 --> 00:32:21,760

on what they believe in and there's a

884

00:32:25,669 --> 00:32:24,240

third type which are the invisibles and

885

00:32:28,870 --> 00:32:25,679

this would be the group i'm guessing

886

00:32:31,190 --> 00:32:28,880

like you're you're jacks and your your

887

00:32:33,669 --> 00:32:31,200

gary nolan's who do the work quietly in

888

00:32:35,830 --> 00:32:33,679

the background with almost little to no

889

00:32:37,909 --> 00:32:35,840

social presence or you know clamber for

890

00:32:40,230 --> 00:32:37,919

media attention

891

00:32:42,710 --> 00:32:40,240

and that group uh one of those would be

892

00:32:44,710 --> 00:32:42,720

tyler d in your book uh i wish you named

893

00:32:46,870 --> 00:32:44,720

after tyler durden from fight club can

894

00:32:48,950 --> 00:32:46,880

you talk a little bit about tyler and

895

00:32:51,190 --> 00:32:48,960

obviously in the last what six months to

896

00:32:53,110 --> 00:32:51,200

a year what were found out online

897

00:32:56,789 --> 00:32:53,120

through the bledsoe is ryan bledsoe

898

00:32:58,470 --> 00:32:56,799

tyler's real identity as well

899

00:33:00,389 --> 00:32:58,480

yeah so um

900

00:33:02,630 --> 00:33:00,399

i let if tyler wants to reveal his

901  
00:33:04,710 --> 00:33:02,640  
identity i let him do it just like if

902  
00:33:06,070 --> 00:33:04,720  
james wanted to he did

903  
00:33:08,830 --> 00:33:06,080  
um

904  
00:33:11,110 --> 00:33:08,840  
but so tyler's part of a group

905  
00:33:14,389 --> 00:33:11,120  
who is

906  
00:33:16,149 --> 00:33:14,399  
who i found to be working on this

907  
00:33:19,750 --> 00:33:16,159  
topic

908  
00:33:22,310 --> 00:33:19,760  
in a in a completely con constrained way

909  
00:33:25,350 --> 00:33:22,320  
when i say constrained their lives are

910  
00:33:28,070 --> 00:33:25,360  
not like my life or no a normal person's

911  
00:33:30,470 --> 00:33:28,080  
life it they are not like gary nolan

912  
00:33:32,630 --> 00:33:30,480  
okay so you know gary does his research

913  
00:33:34,630 --> 00:33:32,640

and he is what i'm going to be calling

914

00:33:36,149 --> 00:33:34,640

this at the conference that's coming up

915

00:33:37,990 --> 00:33:36,159

i'm going to be calling it the visible

916

00:33:40,549 --> 00:33:38,000

college not the invisible college the

917

00:33:42,310 --> 00:33:40,559

there is a visible college and so gary

918

00:33:43,990 --> 00:33:42,320

would be one a member of that but he's

919

00:33:45,750 --> 00:33:44,000

not a member of fight club because

920

00:33:46,630 --> 00:33:45,760

within fight club if you remember that

921

00:33:48,950 --> 00:33:46,640

movie

922

00:33:50,789 --> 00:33:48,960

you know you don't talk about it so what

923

00:33:53,269 --> 00:33:50,799

i found was that a lot of the people who

924

00:33:55,350 --> 00:33:53,279

would be like let's put it this way

925

00:33:58,230 --> 00:33:55,360

in the space program itself if you talk

926  
00:34:00,630 --> 00:33:58,240  
to people who say work at nasa or work

927  
00:34:03,269 --> 00:34:00,640  
at the various other space agencies

928  
00:34:04,149 --> 00:34:03,279  
they're not going to actually know

929  
00:34:08,550 --> 00:34:04,159  
the

930  
00:34:10,470 --> 00:34:08,560  
is pretty weird right so you have jack

931  
00:34:13,589 --> 00:34:10,480  
parsons and people like that they won't

932  
00:34:15,669 --> 00:34:13,599  
know who that is even though he you know

933  
00:34:16,950 --> 00:34:15,679  
jet propulsion laboratory came out of

934  
00:34:17,829 --> 00:34:16,960  
his work

935  
00:34:19,430 --> 00:34:17,839  
right

936  
00:34:24,869 --> 00:34:19,440  
so

937  
00:34:27,510 --> 00:34:24,879  
know about it but they're still doing

938  
00:34:28,869 --> 00:34:27,520

this it's so compartmentalized that

939

00:34:31,109 --> 00:34:28,879

they'll do this

940

00:34:34,470 --> 00:34:31,119

this portion of the work but they their

941

00:34:35,589 --> 00:34:34,480

boss doesn't even know what they do

942

00:34:46,629 --> 00:34:35,599

so

943

00:34:49,030 --> 00:34:46,639

secrecy and in a day and age where you

944

00:34:50,310 --> 00:34:49,040

can find almost everyone and everything

945

00:34:51,510 --> 00:34:50,320

online

946

00:34:54,310 --> 00:34:51,520

what's the the

947

00:34:56,069 --> 00:34:54,320

the benefits to keeping work like that

948

00:34:58,390 --> 00:34:56,079

kept so secretive

949

00:35:00,150 --> 00:34:58,400

yeah so that's one thing that surprised

950

00:35:02,150 --> 00:35:00,160

me i'm glad you brought that up

951  
00:35:03,589 --> 00:35:02,160  
apparently you can't find everything and

952  
00:35:05,750 --> 00:35:03,599  
everyone online

953  
00:35:07,349 --> 00:35:05,760  
so there are you know we tend to think

954  
00:35:09,030 --> 00:35:07,359  
that you know if somebody's not doesn't

955  
00:35:10,310 --> 00:35:09,040  
have a google presence or a digital

956  
00:35:12,390 --> 00:35:10,320  
presence that they're you know they're

957  
00:35:14,710 --> 00:35:12,400  
not really doing work that's out there

958  
00:35:16,630 --> 00:35:14,720  
that's absolutely not the case so i

959  
00:35:18,790 --> 00:35:16,640  
found that a lot of information and a

960  
00:35:20,470 --> 00:35:18,800  
lot of work that's being done is

961  
00:35:22,390 --> 00:35:20,480  
completely being done and it's probably

962  
00:35:24,310 --> 00:35:22,400  
the most innovative that's being done

963  
00:35:25,349 --> 00:35:24,320

but it won't be on

964

00:35:28,230 --> 00:35:25,359

um

965

00:35:30,470 --> 00:35:28,240

it won't be on twitter it won't be on

966

00:35:31,670 --> 00:35:30,480

google you know you're not gonna find it

967

00:35:34,630 --> 00:35:31,680

um why

968

00:35:35,589 --> 00:35:34,640

there are people that do control what we

969

00:35:37,990 --> 00:35:35,599

see

970

00:35:41,510 --> 00:35:38,000

on these platforms

971

00:35:43,030 --> 00:35:41,520

it's just a fact so tyler so uh here's

972

00:35:45,910 --> 00:35:43,040

an example

973

00:35:47,589 --> 00:35:45,920

um i've been i've had

974

00:35:50,069 --> 00:35:47,599

things happen to my social media

975

00:35:52,870 --> 00:35:50,079

accounts but also my university account

976  
00:35:55,750 --> 00:35:52,880  
a few times and on one of these times

977  
00:35:58,630 --> 00:35:55,760  
some people had like leaked out some

978  
00:36:01,030 --> 00:35:58,640  
pictures of tyler and immediately i saw

979  
00:36:02,710 --> 00:36:01,040  
some of those pictures get taken off i

980  
00:36:04,470 --> 00:36:02,720  
don't know who was taking them off but i

981  
00:36:06,950 --> 00:36:04,480  
do know that sometimes

982  
00:36:08,630 --> 00:36:06,960  
information with respect to tyler would

983  
00:36:10,790 --> 00:36:08,640  
be taken off the internet and it would

984  
00:36:14,390 --> 00:36:10,800  
be through his work

985  
00:36:18,470 --> 00:36:16,870  
and again do you feel people like like

986  
00:36:19,990 --> 00:36:18,480  
tyler again i won't say the name because

987  
00:36:22,550 --> 00:36:20,000  
it was out there ryan blades i'll put it

988  
00:36:24,390 --> 00:36:22,560

online and if that's a discussion that

989

00:36:25,670 --> 00:36:24,400

tyler wants to come out and have then

990

00:36:27,430 --> 00:36:25,680

they can certainly do that will give

991

00:36:29,349 --> 00:36:27,440

them that respect

992

00:36:32,390 --> 00:36:29,359

do these people feel that

993

00:36:34,950 --> 00:36:32,400

by doing this work in a much more

994

00:36:37,270 --> 00:36:34,960

quiet and you know solitary way they

995

00:36:38,950 --> 00:36:37,280

stay away from those alphabet agencies

996

00:36:41,030 --> 00:36:38,960

or are they still getting that same

997

00:36:43,589 --> 00:36:41,040

pressure and surveillance almost from

998

00:36:48,550 --> 00:36:45,270

i would say that they're affiliated with

999

00:36:52,150 --> 00:36:50,390

and that would be why again they're

1000

00:36:53,589 --> 00:36:52,160

lacking in that social presence or

1001  
00:36:55,349 --> 00:36:53,599  
coming out and talking about that sort

1002  
00:36:57,430 --> 00:36:55,359  
of work yeah

1003  
00:36:58,630 --> 00:36:57,440  
yeah i mean we're you know we're just

1004  
00:37:00,230 --> 00:36:58,640  
about to see

1005  
00:37:03,109 --> 00:37:00,240  
you know we're seeing a lot of things

1006  
00:37:03,990 --> 00:37:03,119  
that look like a war but not traditional

1007  
00:37:07,349 --> 00:37:04,000  
war

1008  
00:37:09,990 --> 00:37:07,359  
and in this kind of environment

1009  
00:37:11,270 --> 00:37:10,000  
platforms are very very important in

1010  
00:37:13,270 --> 00:37:11,280  
terms of

1011  
00:37:15,829 --> 00:37:13,280  
you know strategic

1012  
00:37:18,630 --> 00:37:15,839  
maneuvers right and so i think that it's

1013  
00:37:21,270 --> 00:37:18,640

it makes perfect sense that if you have

1014

00:37:24,150 --> 00:37:21,280

something as

1015

00:37:26,550 --> 00:37:24,160

potentially if it's true and it is

1016

00:37:28,150 --> 00:37:26,560

that tyler was able to

1017

00:37:30,790 --> 00:37:28,160

use these

1018

00:37:33,190 --> 00:37:30,800

things that he found and these things

1019

00:37:35,510 --> 00:37:33,200

that he thought he found okay even if he

1020

00:37:38,390 --> 00:37:35,520

if he didn't really he's using this to

1021

00:37:40,870 --> 00:37:38,400

create actual biotechnologies that work

1022

00:37:43,670 --> 00:37:40,880

in our efficacious if that's the case

1023

00:37:46,390 --> 00:37:43,680

what could be done in other sectors so

1024

00:37:47,270 --> 00:37:46,400

you know let's not be naive

1025

00:37:48,870 --> 00:37:47,280

sure

1026

00:37:52,069 --> 00:37:48,880

i want to ask you you've mentioned the

1027

00:37:54,950 --> 00:37:52,079

word ufology a few times and to many in

1028

00:37:56,310 --> 00:37:54,960

2022 ufology is almost a bad word or a

1029

00:37:58,230 --> 00:37:56,320

dirty word

1030

00:38:01,829 --> 00:37:58,240

and it tends to now get linked with

1031

00:38:04,150 --> 00:38:01,839

people from the the 70s 80s 90s you know

1032

00:38:05,670 --> 00:38:04,160

the the conference circuit the same

1033

00:38:07,750 --> 00:38:05,680

names people who maybe make quite a lot

1034

00:38:10,390 --> 00:38:07,760

of money from the subject that it's

1035

00:38:12,630 --> 00:38:10,400

almost a virus doing harm to the genuine

1036

00:38:14,390 --> 00:38:12,640

efforts of some form of disclosure

1037

00:38:16,870 --> 00:38:14,400

do you agree with that did you see a

1038

00:38:18,470 --> 00:38:16,880

stigma to that word ufology

1039

00:38:20,790 --> 00:38:18,480

and some of the names who were attached

1040

00:38:22,710 --> 00:38:20,800

to it

1041

00:38:25,109 --> 00:38:22,720

okay so i think that

1042

00:38:27,270 --> 00:38:25,119

remember we have project blue book which

1043

00:38:30,470 --> 00:38:27,280

you know part of that project was to

1044

00:38:32,310 --> 00:38:30,480

debunk and also discredit people who had

1045

00:38:34,630 --> 00:38:32,320

genuine experiences and who wanted to

1046

00:38:37,829 --> 00:38:34,640

study those so i think that we're seeing

1047

00:38:40,870 --> 00:38:37,839

a lot of fallout from that and so when

1048

00:38:43,349 --> 00:38:40,880

um ufology gets stigmatized of course

1049

00:38:45,910 --> 00:38:43,359

it's going to be stigmatized there was a

1050

00:38:47,990 --> 00:38:45,920

you know government effort to do so uh

1051  
00:38:50,069 --> 00:38:48,000  
so you do see that but then you also

1052  
00:38:52,230 --> 00:38:50,079  
have people that study the topic but

1053  
00:38:54,630 --> 00:38:52,240  
they're not ufologists so take me i'm

1054  
00:38:56,870 --> 00:38:54,640  
not a ufologist i come from it from an

1055  
00:38:59,430 --> 00:38:56,880  
academic perspective gary nolan he's not

1056  
00:39:03,030 --> 00:38:59,440  
a ufologist he's a scientist studying it

1057  
00:39:04,069 --> 00:39:03,040  
from his scientific framework um so

1058  
00:39:05,750 --> 00:39:04,079  
you know

1059  
00:39:07,990 --> 00:39:05,760  
i think that you follow just start off

1060  
00:39:10,069 --> 00:39:08,000  
that way right they start off as people

1061  
00:39:11,990 --> 00:39:10,079  
who just have a framework for studying

1062  
00:39:13,430 --> 00:39:12,000  
this and then um

1063  
00:39:17,270 --> 00:39:13,440

then if they do it for a long time they

1064

00:39:18,470 --> 00:39:17,280

get associated with the ufology um

1065

00:39:20,550 --> 00:39:18,480

you know there's

1066

00:39:23,109 --> 00:39:20,560

there are groups right there are groups

1067

00:39:25,030 --> 00:39:23,119

that there are also remember in my book

1068

00:39:27,270 --> 00:39:25,040

i also go through a lot of the hoaxes i

1069

00:39:29,829 --> 00:39:27,280

go through a lot of people who hoax ufo

1070

00:39:31,190 --> 00:39:29,839

pictures those tend to get a lot more

1071

00:39:33,990 --> 00:39:31,200

hits than

1072

00:39:36,630 --> 00:39:34,000

anomalous ones right and so you know we

1073

00:39:38,710 --> 00:39:36,640

tend to have an idea of what a ufo might

1074

00:39:40,550 --> 00:39:38,720

look like and if we see something that

1075

00:39:42,870 --> 00:39:40,560

doesn't look like that perhaps it's

1076  
00:39:45,190 --> 00:39:42,880  
actually anomalous people aren't going

1077  
00:39:47,270 --> 00:39:45,200  
to identify it as that they're they're

1078  
00:39:50,069 --> 00:39:47,280  
going to ignore it so it's generally the

1079  
00:39:52,790 --> 00:39:50,079  
hoaxes that get a lot more

1080  
00:39:54,829 --> 00:39:52,800  
they get a lot more traction in social

1081  
00:39:57,589 --> 00:39:54,839  
media than things that are actually

1082  
00:39:59,349 --> 00:39:57,599  
anomalous and you mentioned those those

1083  
00:40:01,030 --> 00:39:59,359  
agencies and the pressure that you felt

1084  
00:40:03,030 --> 00:40:01,040  
at times during the research for the

1085  
00:40:04,710 --> 00:40:03,040  
book and you felt like walking away was

1086  
00:40:07,510 --> 00:40:04,720  
there other times where people from

1087  
00:40:09,750 --> 00:40:07,520  
within ufology or the world of ufos like

1088  
00:40:11,510 --> 00:40:09,760

jack said you can't trust anyone that

1089

00:40:13,510 --> 00:40:11,520

you felt similar that there was a

1090

00:40:15,589 --> 00:40:13,520

pressure or you were being pushed

1091

00:40:17,510 --> 00:40:15,599

deliberately in the wrong direction from

1092

00:40:19,990 --> 00:40:17,520

them

1093

00:40:20,870 --> 00:40:20,000

you mean with misinformation potentially

1094

00:40:25,109 --> 00:40:20,880

yeah

1095

00:40:27,270 --> 00:40:25,119

time almost every day

1096

00:40:29,190 --> 00:40:27,280

i get if i get stuff every day that

1097

00:40:31,430 --> 00:40:29,200

looks like misinformation

1098

00:40:34,230 --> 00:40:31,440

um so in so this is something that

1099

00:40:35,190 --> 00:40:34,240

jacques said to me as well and also gary

1100

00:40:37,109 --> 00:40:35,200

um

1101

00:40:38,710 --> 00:40:37,119

that there's an idea it's called

1102

00:40:40,710 --> 00:40:38,720

discernment and it comes from the

1103

00:40:42,950 --> 00:40:40,720

catholic tradition but basically it's

1104

00:40:45,750 --> 00:40:42,960

being able to read really well not

1105

00:40:48,950 --> 00:40:45,760

physically read but read people and just

1106

00:40:51,750 --> 00:40:48,960

read situations and events and you have

1107

00:40:54,309 --> 00:40:51,760

to hone that in this in this research

1108

00:40:56,550 --> 00:40:54,319

and if you don't have a good ability to

1109

00:40:58,390 --> 00:40:56,560

figure that out this this is good this

1110

00:41:00,990 --> 00:40:58,400

is going to be hard research to do

1111

00:41:04,230 --> 00:41:01,000

because there's so much

1112

00:41:06,309 --> 00:41:04,240

agenda-driven narrative that gets placed

1113

00:41:08,230 --> 00:41:06,319

in front of you i mean i had to think

1114

00:41:09,670 --> 00:41:08,240

that way when i was at in the first

1115

00:41:12,150 --> 00:41:09,680

chapter of the book with gary you know

1116

00:41:14,470 --> 00:41:12,160

we were with tyler in the desert and we

1117

00:41:16,230 --> 00:41:14,480

we constantly kind of had a little you

1118

00:41:18,470 --> 00:41:16,240

know talks among ourselves you know when

1119

00:41:19,910 --> 00:41:18,480

tyler was kind of far away we'd say

1120

00:41:22,390 --> 00:41:19,920

what you know are we being fed this

1121

00:41:24,630 --> 00:41:22,400

misinformation and eventually he said

1122

00:41:26,390 --> 00:41:24,640

we'll know when i analyze it we'll know

1123

00:41:28,390 --> 00:41:26,400

then and i said okay

1124

00:41:30,309 --> 00:41:28,400

so yeah

1125

00:41:31,990 --> 00:41:30,319

i used to believe that if the world was

1126

00:41:34,950 --> 00:41:32,000

exposed to and i think this is quite a

1127

00:41:36,630 --> 00:41:34,960

common belief among people that

1128

00:41:38,230 --> 00:41:36,640

as soon as we find out we're not alone

1129

00:41:40,309 --> 00:41:38,240

or you know the old aliens on the white

1130

00:41:41,910 --> 00:41:40,319

house lawn scenario religions would

1131

00:41:43,430 --> 00:41:41,920

collapse which is always the common

1132

00:41:44,470 --> 00:41:43,440

phrase i think people tend to use

1133

00:41:46,230 --> 00:41:44,480

however

1134

00:41:48,630 --> 00:41:46,240

especially during this podcast the last

1135

00:41:49,349 --> 00:41:48,640

18 months i find that many of the people

1136

00:41:51,990 --> 00:41:49,359

who

1137

00:41:54,390 --> 00:41:52,000

are the most open-minded to the idea of

1138

00:41:56,230 --> 00:41:54,400

aliens or non-human intelligences are

1139

00:41:57,510 --> 00:41:56,240

actually those who are quite religious

1140

00:41:59,910 --> 00:41:57,520

themselves

1141

00:42:01,750 --> 00:41:59,920

why do you think that is the case

1142

00:42:04,790 --> 00:42:01,760

yes this is a great question i get asked

1143

00:42:07,510 --> 00:42:04,800

this all the time so basically if

1144

00:42:09,670 --> 00:42:07,520

if we were to have you know absolute

1145

00:42:11,589 --> 00:42:09,680

evidence and and a lot of people would

1146

00:42:12,950 --> 00:42:11,599

say well the religions would just

1147

00:42:16,069 --> 00:42:12,960

disintegrate

1148

00:42:18,550 --> 00:42:16,079

i i completely disagree with that and

1149

00:42:20,790 --> 00:42:18,560

the reason is is because i think that

1150

00:42:23,190 --> 00:42:20,800

people who are like humanist atheists

1151  
00:42:25,190 --> 00:42:23,200  
would probably have the hardest time

1152  
00:42:27,589 --> 00:42:25,200  
and this is the reason because within

1153  
00:42:30,309 --> 00:42:27,599  
the space of most religious traditions

1154  
00:42:33,670 --> 00:42:30,319  
there already exists categories of

1155  
00:42:37,430 --> 00:42:33,680  
non-human intelligences be those

1156  
00:42:39,829 --> 00:42:37,440  
demons you know um bodhisattvas

1157  
00:42:41,750 --> 00:42:39,839  
angels things like that they already

1158  
00:42:44,150 --> 00:42:41,760  
exist within their framework they

1159  
00:42:45,910 --> 00:42:44,160  
already believe that a lot of people who

1160  
00:42:47,750 --> 00:42:45,920  
are religious

1161  
00:42:49,510 --> 00:42:47,760  
would not be surprised i think that they

1162  
00:42:51,109 --> 00:42:49,520  
would frame it within their own

1163  
00:42:53,829 --> 00:42:51,119

religious world view you know their

1164

00:42:55,670 --> 00:42:53,839

religions already have spaces for

1165

00:42:57,190 --> 00:42:55,680

thinking about these kinds of things

1166

00:42:59,589 --> 00:42:57,200

another thing that people don't realize

1167

00:43:02,230 --> 00:42:59,599

is that we're not you know we're we're

1168

00:43:04,069 --> 00:43:02,240

in the 20th to 21st century but we're

1169

00:43:05,670 --> 00:43:04,079

not the first people to be talking about

1170

00:43:07,430 --> 00:43:05,680

extraterrestrial life and i'm not

1171

00:43:09,670 --> 00:43:07,440

talking about like non-human

1172

00:43:10,470 --> 00:43:09,680

intelligence i'm talking about actual

1173

00:43:12,390 --> 00:43:10,480

you know

1174

00:43:14,790 --> 00:43:12,400

beings on other planets i mean people

1175

00:43:17,030 --> 00:43:14,800

were talking about this way back in the

1176

00:43:19,349 --> 00:43:17,040

day in various different religious

1177

00:43:21,510 --> 00:43:19,359

traditions

1178

00:43:23,589 --> 00:43:21,520

now i really enjoyed your appearance on

1179

00:43:24,550 --> 00:43:23,599

lex friedman and again i watched that

1180

00:43:27,190 --> 00:43:24,560

recently

1181

00:43:28,630 --> 00:43:27,200

and researching this and at one point

1182

00:43:30,069 --> 00:43:28,640

you were talking about the monoliths

1183

00:43:32,230 --> 00:43:30,079

that had appeared in the desert and that

1184

00:43:34,309 --> 00:43:32,240

was over a year ago now and in various

1185

00:43:36,790 --> 00:43:34,319

different places and was it art or was

1186

00:43:38,309 --> 00:43:36,800

it something else and i liked the he

1187

00:43:39,510 --> 00:43:38,319

held up his phone and it was like it

1188

00:43:40,870 --> 00:43:39,520

looks like a screen and that's the way

1189

00:43:42,950 --> 00:43:40,880

the monoliths looked

1190

00:43:45,589 --> 00:43:42,960

and you started a conversation that got

1191

00:43:47,829 --> 00:43:45,599

me thinking i'm reading the three body

1192

00:43:50,150 --> 00:43:47,839

problem just now and doing my best to

1193

00:43:51,910 --> 00:43:50,160

work my way through that with

1194

00:43:53,270 --> 00:43:51,920

it's hard enough to read with the ideas

1195

00:43:54,710 --> 00:43:53,280

that are in it but also the the

1196

00:43:56,150 --> 00:43:54,720

translation and everything but it's

1197

00:43:58,309 --> 00:43:56,160

fascinating

1198

00:43:59,510 --> 00:43:58,319

would disclosure be as likely to happen

1199

00:44:01,589 --> 00:43:59,520

now on

1200

00:44:02,630 --> 00:44:01,599

the internet rather than a physical

1201  
00:44:05,109 --> 00:44:02,640  
space

1202  
00:44:07,030 --> 00:44:05,119  
given how much time we spend online

1203  
00:44:08,950 --> 00:44:07,040  
would that you know a non-human

1204  
00:44:11,109 --> 00:44:08,960  
intelligence or a race of alien beings

1205  
00:44:13,349 --> 00:44:11,119  
view our internet as a viable way to

1206  
00:44:15,270 --> 00:44:13,359  
communicate and thinking we're already

1207  
00:44:17,910 --> 00:44:15,280  
moving away from physical material

1208  
00:44:20,870 --> 00:44:17,920  
things having less and less value with

1209  
00:44:21,750 --> 00:44:20,880  
nfts and cryptocurrency now becoming the

1210  
00:44:22,390 --> 00:44:21,760  
norm

1211  
00:44:24,950 --> 00:44:22,400  
yeah

1212  
00:44:27,270 --> 00:44:24,960  
so this is good this is a great

1213  
00:44:29,750 --> 00:44:27,280

um direction okay so

1214

00:44:31,990 --> 00:44:29,760

um the book that i'm working on now um

1215

00:44:34,309 --> 00:44:32,000

the name of it is uh i've changed the

1216

00:44:36,710 --> 00:44:34,319

name so the the the publisher will

1217

00:44:39,030 --> 00:44:36,720

change the name i promise that but

1218

00:44:41,990 --> 00:44:39,040

as i continue on it changes and now i'm

1219

00:44:44,069 --> 00:44:42,000

calling it tethering into contact and so

1220

00:44:47,589 --> 00:44:44,079

this idea that

1221

00:44:49,589 --> 00:44:47,599

technology is a space so basically this

1222

00:44:51,430 --> 00:44:49,599

idea and you know i tried to get there

1223

00:44:53,430 --> 00:44:51,440

in american cosmic too this idea of

1224

00:44:55,270 --> 00:44:53,440

technology is not a tool that we use

1225

00:44:56,790 --> 00:44:55,280

that's apart from ourselves but kind of

1226

00:45:00,069 --> 00:44:56,800

a necessary

1227

00:45:02,150 --> 00:45:00,079

part of our evolution right and um

1228

00:45:04,390 --> 00:45:02,160

i so some of the people i feature in

1229

00:45:07,430 --> 00:45:04,400

this new book are people who use

1230

00:45:09,990 --> 00:45:07,440

technology to tether into contact and

1231

00:45:12,870 --> 00:45:10,000

the way if we wanted to have a visual of

1232

00:45:16,069 --> 00:45:12,880

that in many ways it seems like that

1233

00:45:18,150 --> 00:45:16,079

movie avatar by james cameron remember

1234

00:45:21,030 --> 00:45:18,160

it was that movie really the most

1235

00:45:23,750 --> 00:45:21,040

important takeaway in my opinion is that

1236

00:45:25,990 --> 00:45:23,760

you can't enter these alien worlds

1237

00:45:29,510 --> 00:45:26,000

except through technology and that's how

1238

00:45:32,069 --> 00:45:29,520

that that hero of that story enters into

1239

00:45:35,030 --> 00:45:32,079

this new world which is this non-human

1240

00:45:37,030 --> 00:45:35,040

world right and so you know there are

1241

00:45:38,630 --> 00:45:37,040

other dimensions time is

1242

00:45:41,990 --> 00:45:38,640

a space time it's another dimension

1243

00:45:43,190 --> 00:45:42,000

right so i'm so the people that are i'm

1244

00:45:45,750 --> 00:45:43,200

working with them now they're

1245

00:45:48,390 --> 00:45:45,760

technologists and scientists um they're

1246

00:45:49,910 --> 00:45:48,400

doing it they believe they're in contact

1247

00:45:51,829 --> 00:45:49,920

and they're doing this through

1248

00:45:54,069 --> 00:45:51,839

technologies that they've created in

1249

00:45:56,309 --> 00:45:54,079

order to tether into these other worlds

1250

00:45:58,790 --> 00:45:56,319

so if we do have some kind of

1251  
00:46:00,630 --> 00:45:58,800  
communication i believe absolutely it's

1252  
00:46:02,470 --> 00:46:00,640  
going to be through

1253  
00:46:05,589 --> 00:46:02,480  
technology

1254  
00:46:07,750 --> 00:46:05,599  
would we instantly be able to recognize

1255  
00:46:09,829 --> 00:46:07,760  
something like that and i don't want to

1256  
00:46:10,950 --> 00:46:09,839  
spoil the three body problems i know

1257  
00:46:13,109 --> 00:46:10,960  
there's listeners going through it just

1258  
00:46:16,710 --> 00:46:13,119  
now but there's the idea that there's a

1259  
00:46:18,470 --> 00:46:16,720  
video game used and scientists find that

1260  
00:46:19,589 --> 00:46:18,480  
we're almost in some sort of contact

1261  
00:46:21,829 --> 00:46:19,599  
with another

1262  
00:46:24,150 --> 00:46:21,839  
alien race which is on its way here

1263  
00:46:27,109 --> 00:46:24,160

through this strange video game and it

1264

00:46:28,710 --> 00:46:27,119

shows the passage of time and it yeah it

1265

00:46:30,710 --> 00:46:28,720

goes a bit crazy but you have to really

1266

00:46:31,990 --> 00:46:30,720

read it i can't do it just explaining it

1267

00:46:34,309 --> 00:46:32,000

do you think there's a chance that we

1268

00:46:36,150 --> 00:46:34,319

wouldn't know if we were directly being

1269

00:46:37,430 --> 00:46:36,160

influenced by something else from from

1270

00:46:39,829 --> 00:46:37,440

elsewhere

1271

00:46:41,349 --> 00:46:39,839

yes absolutely i think it's um

1272

00:46:43,589 --> 00:46:41,359

yes so if i were to take off my

1273

00:46:45,910 --> 00:46:43,599

professor hat and basically say

1274

00:46:47,990 --> 00:46:45,920

yeah i i'm on board with that i think

1275

00:46:50,230 --> 00:46:48,000

that video games are way more

1276

00:46:52,309 --> 00:46:50,240

interesting than

1277

00:46:54,550 --> 00:46:52,319

scholars and scientists give them credit

1278

00:46:57,270 --> 00:46:54,560

for i mean they're massively changing

1279

00:46:59,030 --> 00:46:57,280

the way in which people live

1280

00:47:01,670 --> 00:46:59,040

and believe because a lot of the

1281

00:47:03,750 --> 00:47:01,680

mythologies that are i see it with my

1282

00:47:06,950 --> 00:47:03,760

own kids like the mythologies that guide

1283

00:47:09,510 --> 00:47:06,960

them are coming from their video games

1284

00:47:12,309 --> 00:47:09,520

and then um you know i have students too

1285

00:47:14,390 --> 00:47:12,319

who i'm in constant conversation with

1286

00:47:16,550 --> 00:47:14,400

about like the new forms of life

1287

00:47:19,030 --> 00:47:16,560

non-human life in video games and things

1288

00:47:20,549 --> 00:47:19,040

like that so yeah i think that's

1289

00:47:22,069 --> 00:47:20,559

that's

1290

00:47:24,870 --> 00:47:22,079

and if we no i don't think we're going

1291

00:47:26,390 --> 00:47:24,880

to be conscious of being controlled by

1292

00:47:28,150 --> 00:47:26,400

or influenced

1293

00:47:30,069 --> 00:47:28,160

i don't think so

1294

00:47:32,309 --> 00:47:30,079

with technology like elon musk's

1295

00:47:34,549 --> 00:47:32,319

controversial neuralink on the horizon

1296

00:47:36,630 --> 00:47:34,559

and plant medicines and their effect on

1297

00:47:38,230 --> 00:47:36,640

consciousness being studied it seems

1298

00:47:39,589 --> 00:47:38,240

that we're maybe not far away from

1299

00:47:41,990 --> 00:47:39,599

understanding the nature of

1300

00:47:44,309 --> 00:47:42,000

consciousness and what it actually is

1301

00:47:46,710 --> 00:47:44,319

there's a lot of links also between ufos

1302

00:47:48,549 --> 00:47:46,720

and consciousness such as others with a

1303

00:47:50,630 --> 00:47:48,559

capital o communicating through

1304

00:47:52,470 --> 00:47:50,640

telepathy or having consciousness power

1305

00:47:54,630 --> 00:47:52,480

technology do you think that

1306

00:47:56,870 --> 00:47:54,640

understanding consciousness is key to

1307

00:47:59,750 --> 00:47:56,880

understanding this phenomenon

1308

00:48:01,670 --> 00:47:59,760

yep okay so that's a great question um

1309

00:48:03,990 --> 00:48:01,680

i'm in the process of hammering out my

1310

00:48:07,589 --> 00:48:04,000

talk that i'll be giving soon and part

1311

00:48:09,430 --> 00:48:07,599

of it is that i'm identifying the idea

1312

00:48:11,589 --> 00:48:09,440

of consciousness and consciousness is

1313

00:48:12,790 --> 00:48:11,599

giant right so you know it's a huge

1314

00:48:15,510 --> 00:48:12,800

category

1315

00:48:17,589 --> 00:48:15,520

philosophers talk about it in very

1316

00:48:19,030 --> 00:48:17,599

specific ways that the general

1317

00:48:20,390 --> 00:48:19,040

population

1318

00:48:23,990 --> 00:48:20,400

i mean they don't need to know all that

1319

00:48:26,150 --> 00:48:24,000

because it's like it's so technical but

1320

00:48:28,230 --> 00:48:26,160

when i think about people like let's

1321

00:48:30,950 --> 00:48:28,240

take a couple of examples like edgar

1322

00:48:32,549 --> 00:48:30,960

mittell the uh former well he's

1323

00:48:35,430 --> 00:48:32,559

deceased now but you know the astronaut

1324

00:48:37,750 --> 00:48:35,440

edgar mittell um he had experience in

1325

00:48:39,670 --> 00:48:37,760

space he was doing research into remote

1326

00:48:42,150 --> 00:48:39,680

viewing by the way on his in his space

1327

00:48:43,910 --> 00:48:42,160

capsule and telepathy he had this

1328

00:48:45,030 --> 00:48:43,920

experience and he came back and he

1329

00:48:48,069 --> 00:48:45,040

founded

1330

00:48:50,390 --> 00:48:48,079

uh ions which is a space where he's

1331

00:48:52,069 --> 00:48:50,400

trying to understand consciousness okay

1332

00:48:54,150 --> 00:48:52,079

if you go to tyler d in my book the

1333

00:48:56,230 --> 00:48:54,160

reason why he came to me i didn't go to

1334

00:48:58,390 --> 00:48:56,240

him by the way he sought me out and he

1335

00:49:00,230 --> 00:48:58,400

said that a mentor of his in the space

1336

00:49:03,510 --> 00:49:00,240

program said that the next frontier of

1337

00:49:05,270 --> 00:49:03,520

understanding ufos was consciousness

1338

00:49:06,950 --> 00:49:05,280

okay all right then you have someone

1339

00:49:08,470 --> 00:49:06,960

like robert bigelow who's been doing

1340

00:49:10,630 --> 00:49:08,480

this for a long time in fact we should

1341

00:49:12,150 --> 00:49:10,640

just call him a ufologist right so he

1342

00:49:14,630 --> 00:49:12,160

might be the the one billionaire

1343

00:49:17,430 --> 00:49:14,640

ufologist yeah although i know there's

1344

00:49:20,230 --> 00:49:17,440

there are others okay so um

1345

00:49:21,990 --> 00:49:20,240

so he now has uh he started a group or

1346

00:49:24,150 --> 00:49:22,000

he's starting a group like i don't know

1347

00:49:25,750 --> 00:49:24,160

if he has started it yet and the focus

1348

00:49:27,910 --> 00:49:25,760

of that is going to be consciousness

1349

00:49:30,309 --> 00:49:27,920

okay so what's up with consciousness

1350

00:49:32,150 --> 00:49:30,319

um i don't i you know i hate to say it

1351

00:49:34,710 --> 00:49:32,160

but i'm not convinced that we're on the

1352

00:49:37,270 --> 00:49:34,720

brink of understanding consciousness um

1353

00:49:39,190 --> 00:49:37,280

i think it's it's way too weird to

1354

00:49:41,430 --> 00:49:39,200

figure out but do i think that this is

1355

00:49:43,750 --> 00:49:41,440

the frontier for understanding uaps and

1356

00:49:45,670 --> 00:49:43,760

ufos absolutely and the reason i think

1357

00:49:47,910 --> 00:49:45,680

that is because i think

1358

00:49:50,790 --> 00:49:47,920

so if you go back in time and you go to

1359

00:49:52,710 --> 00:49:50,800

people like you know for western society

1360

00:49:55,270 --> 00:49:52,720

at least western tradition you have the

1361

00:49:57,510 --> 00:49:55,280

the greek um socratics right you have

1362

00:49:59,670 --> 00:49:57,520

socrates and plato well these people

1363

00:50:01,990 --> 00:49:59,680

were basically saying that

1364

00:50:04,790 --> 00:50:02,000

reality something that's that's actually

1365

00:50:06,549 --> 00:50:04,800

more real than this physical 3d reality

1366

00:50:08,790 --> 00:50:06,559

we live in is something that you can

1367

00:50:11,349 --> 00:50:08,800

only abstract it's only through your

1368

00:50:12,950 --> 00:50:11,359

mind it's abstract thinking right and so

1369

00:50:14,470 --> 00:50:12,960

they they developed these well they

1370

00:50:16,870 --> 00:50:14,480

didn't develop they discovered these

1371

00:50:19,109 --> 00:50:16,880

things called the platonic forms these

1372

00:50:20,870 --> 00:50:19,119

were actually objects that weren't in

1373

00:50:23,430 --> 00:50:20,880

our reality they weren't in our 3d

1374

00:50:26,630 --> 00:50:23,440

reality and people are mathematicians

1375

00:50:28,230 --> 00:50:26,640

are still figuring that out today so my

1376

00:50:30,309 --> 00:50:28,240

idea is that

1377

00:50:31,990 --> 00:50:30,319

we are going to have a bridge to lead us

1378

00:50:35,030 --> 00:50:32,000

to understand these and that bridge will

1379

00:50:37,910 --> 00:50:35,040

be tech right maybe it will be neurolink

1380

00:50:39,430 --> 00:50:37,920

maybe not so that's that's what i'm

1381

00:50:41,109 --> 00:50:39,440

that's why i think consciousness is what

1382

00:50:42,630 --> 00:50:41,119

these people are talking about but i

1383

00:50:44,390 --> 00:50:42,640

don't think they understand that right

1384

00:50:47,670 --> 00:50:44,400

now i think that they don't get that

1385

00:50:49,750 --> 00:50:47,680

technology is inextricable from what we

1386

00:50:52,790 --> 00:50:49,760

are going to understand consciousness to

1387

00:50:54,790 --> 00:50:52,800

be if we do ever understand it at all

1388

00:50:56,230 --> 00:50:54,800

interesting have a couple more questions

1389

00:50:58,309 --> 00:50:56,240

before we get to the the listener

1390

00:50:59,910 --> 00:50:58,319

questions that we've got um so i'll try

1391

00:51:02,069 --> 00:50:59,920

and get through these now we are hearing

1392

00:51:03,910 --> 00:51:02,079

from people like louisa lozondo that

1393

00:51:05,510 --> 00:51:03,920

there are indeed those inside the us

1394

00:51:07,510 --> 00:51:05,520

government that because of their own

1395

00:51:10,150 --> 00:51:07,520

beliefs they do not want to discuss the

1396

00:51:13,109 --> 00:51:10,160

topic of ufos especially out in public

1397

00:51:14,630 --> 00:51:13,119

as they feed it demonic in nature

1398

00:51:15,990 --> 00:51:14,640

have you heard much about that and is

1399

00:51:18,549 --> 00:51:16,000

that something you came across again

1400

00:51:21,270 --> 00:51:18,559

within your own research

1401

00:51:23,750 --> 00:51:21,280

i have come across that um i would have

1402

00:51:26,230 --> 00:51:23,760

um there were people that i know

1403

00:51:28,309 --> 00:51:26,240

and that you know and the listeners know

1404

00:51:30,790 --> 00:51:28,319

who believe that um but they don't

1405

00:51:33,750 --> 00:51:30,800

believe that it doesn't stop them from

1406

00:51:36,549 --> 00:51:33,760

talking about it but they're you know

1407

00:51:37,750 --> 00:51:36,559

they they do they're

1408

00:51:38,870 --> 00:51:37,760

for whatever better word they're

1409

00:51:41,829 --> 00:51:38,880

religious

1410

00:51:43,990 --> 00:51:41,839

and they they conceive of this as

1411

00:51:47,109 --> 00:51:44,000

um kind of like within the framework of

1412

00:51:49,349 --> 00:51:47,119

religion and not extraterrestrial

1413

00:51:52,069 --> 00:51:49,359

so yes i came across that

1414

00:51:53,910 --> 00:51:52,079

do you think these labels of

1415

00:51:57,109 --> 00:51:53,920

angels and demons

1416

00:51:58,630 --> 00:51:57,119

are just the way people understood

1417

00:52:00,230 --> 00:51:58,640

millennia ago when they wrote these

1418

00:52:02,470 --> 00:52:00,240

religious texts

1419

00:52:05,190 --> 00:52:02,480

something that is actually probably

1420

00:52:07,349 --> 00:52:05,200

alien or from another place

1421

00:52:10,470 --> 00:52:07,359

okay so this is a great question okay

1422

00:52:11,990 --> 00:52:10,480

and this gets to my case-by-case basis

1423

00:52:14,150 --> 00:52:12,000

so if we look at

1424

00:52:17,270 --> 00:52:14,160

so um i was asked this

1425

00:52:18,870 --> 00:52:17,280

just recently on camera and so they were

1426  
00:52:20,790 --> 00:52:18,880  
trying to get me to say yes you know

1427  
00:52:22,309 --> 00:52:20,800  
kind of like an a scholarly ancient

1428  
00:52:25,589 --> 00:52:22,319  
aliens

1429  
00:52:28,549 --> 00:52:25,599  
thing sure but that's not how i see it i

1430  
00:52:30,870 --> 00:52:28,559  
see it case by case so if you take the

1431  
00:52:33,750 --> 00:52:30,880  
scriptural passage that says jesus is

1432  
00:52:35,430 --> 00:52:33,760  
coming on the clouds okay um

1433  
00:52:36,470 --> 00:52:35,440  
that's actually just based off of

1434  
00:52:39,750 --> 00:52:36,480  
something

1435  
00:52:41,510 --> 00:52:39,760  
in the bible okay um

1436  
00:52:43,430 --> 00:52:41,520  
we there's no

1437  
00:52:45,270 --> 00:52:43,440  
you know there's no kind of um idea

1438  
00:52:47,510 --> 00:52:45,280

there that we can say well that's ufos

1439

00:52:49,910 --> 00:52:47,520

or something like that but if you go to

1440

00:52:53,030 --> 00:52:49,920

like teresa of avila who had an

1441

00:52:55,750 --> 00:52:53,040

experience of something that was short

1442

00:52:57,990 --> 00:52:55,760

like a being that was short and like all

1443

00:53:01,750 --> 00:52:58,000

on fire and that held a dart-like

1444

00:53:03,589 --> 00:53:01,760

instrument and used it on her um

1445

00:53:05,589 --> 00:53:03,599

she couldn't decide what kind of angel

1446

00:53:07,750 --> 00:53:05,599

that was she couldn't even categorize it

1447

00:53:09,990 --> 00:53:07,760

and she finally said it must be a cherub

1448

00:53:11,829 --> 00:53:10,000

right but she didn't know so if you look

1449

00:53:13,670 --> 00:53:11,839

at the original sources for that they're

1450

00:53:14,870 --> 00:53:13,680

weird and i would say that case

1451  
00:53:17,030 --> 00:53:14,880  
definitely

1452  
00:53:19,750 --> 00:53:17,040  
correlates to it could be in john mack's

1453  
00:53:22,470 --> 00:53:19,760  
book called abduction i mean that's how

1454  
00:53:24,549 --> 00:53:22,480  
that's how much the patterns correspond

1455  
00:53:26,150 --> 00:53:24,559  
so yes so do you see what i'm saying so

1456  
00:53:29,109 --> 00:53:26,160  
it's complicated it's more complicated

1457  
00:53:31,349 --> 00:53:29,119  
than just making this generalized idea

1458  
00:53:32,710 --> 00:53:31,359  
but i do believe it in certain cases

1459  
00:53:34,230 --> 00:53:32,720  
absolutely

1460  
00:53:35,990 --> 00:53:34,240  
yeah someone like myself who's got a

1461  
00:53:38,470 --> 00:53:36,000  
very high level understanding and

1462  
00:53:40,470 --> 00:53:38,480  
knowledge of for example the bible

1463  
00:53:42,470 --> 00:53:40,480

i'm not well versed in it like someone

1464

00:53:43,829 --> 00:53:42,480

like yourself obviously so for me i

1465

00:53:46,150 --> 00:53:43,839

still don't look at the bible and go

1466

00:53:47,829 --> 00:53:46,160

aliens aliens aliens aliens right

1467

00:53:50,309 --> 00:53:47,839

magical man from the sky magical man

1468

00:53:51,910 --> 00:53:50,319

from the sky it's right it's obviously

1469

00:53:53,430 --> 00:53:51,920

those parables and stories and i know

1470

00:53:54,870 --> 00:53:53,440

it's changed over the years as well

1471

00:53:56,870 --> 00:53:54,880

which hopefully don't correct me on that

1472

00:53:59,109 --> 00:53:56,880

it has changed over time as well the the

1473

00:54:01,349 --> 00:53:59,119

bible and interpretations and and

1474

00:54:03,510 --> 00:54:01,359

whatnot but there are aspects of it like

1475

00:54:04,630 --> 00:54:03,520

you say that potentially

1476

00:54:06,390 --> 00:54:04,640

it could be

1477

00:54:08,470 --> 00:54:06,400

it was it was an alien being an alien

1478

00:54:10,790 --> 00:54:08,480

ray sailing entity or

1479

00:54:13,190 --> 00:54:10,800

something that was categorized in

1480

00:54:15,270 --> 00:54:13,200

as an angel or a demon and what we're

1481

00:54:16,870 --> 00:54:15,280

seeing still is the effect of that from

1482

00:54:18,309 --> 00:54:16,880

from people in high ranking government

1483

00:54:20,470 --> 00:54:18,319

positions that

1484

00:54:22,150 --> 00:54:20,480

it's holding back their own

1485

00:54:23,430 --> 00:54:22,160

their own potential progress within the

1486

00:54:25,030 --> 00:54:23,440

subject

1487

00:54:26,390 --> 00:54:25,040

why do you think though

1488

00:54:28,470 --> 00:54:26,400

this is all happening now you've

1489

00:54:31,270 --> 00:54:28,480

mentioned the last four years you had

1490

00:54:32,710 --> 00:54:31,280

started your research before 2017 when

1491

00:54:33,510 --> 00:54:32,720

the new york times article came out

1492

00:54:35,030 --> 00:54:33,520

which

1493

00:54:36,789 --> 00:54:35,040

must have been incredible for you to be

1494

00:54:38,470 --> 00:54:36,799

in the middle of what you were doing or

1495

00:54:40,390 --> 00:54:38,480

towards the end of it

1496

00:54:42,390 --> 00:54:40,400

do you think the phenomenon itself could

1497

00:54:43,190 --> 00:54:42,400

be influencing disclosure as some may

1498

00:54:48,150 --> 00:54:43,200

think

1499

00:54:50,150 --> 00:54:48,160

in its base that it started with louis

1500

00:54:52,789 --> 00:54:50,160

elizondo resigning and and people kind

1501

00:54:54,789 --> 00:54:52,799

of pushing forward like yourself

1502

00:54:57,430 --> 00:54:54,799

yeah so this is a great question again

1503

00:54:59,990 --> 00:54:57,440

i'll be trying to tackle this one in the

1504

00:55:02,630 --> 00:55:00,000

talk um i hope i can do it justice this

1505

00:55:04,829 --> 00:55:02,640

is the idea though is that there are i

1506

00:55:06,870 --> 00:55:04,839

think there is a parallel

1507

00:55:09,430 --> 00:55:06,880

development um

1508

00:55:11,910 --> 00:55:09,440

from my perspective i can see it and

1509

00:55:14,390 --> 00:55:11,920

this is what it looks like it looks like

1510

00:55:17,349 --> 00:55:14,400

um one that

1511

00:55:19,030 --> 00:55:17,359

goes along with media because you know

1512

00:55:22,309 --> 00:55:19,040

um

1513

00:55:24,309 --> 00:55:22,319

after when the government disclosure you

1514

00:55:26,230 --> 00:55:24,319

know the report the pentagon report was

1515

00:55:28,150 --> 00:55:26,240

coming out about a year a year and a

1516

00:55:29,990 --> 00:55:28,160

half before that i started to get

1517

00:55:32,789 --> 00:55:30,000

inundated with

1518

00:55:35,349 --> 00:55:32,799

reporters calling me from major media

1519

00:55:37,670 --> 00:55:35,359

sources like the new yorker the atlantic

1520

00:55:39,910 --> 00:55:37,680

and things like that and they all said

1521

00:55:41,670 --> 00:55:39,920

that they had a mandate to talk about

1522

00:55:43,349 --> 00:55:41,680

this topic and to write about it and i

1523

00:55:45,190 --> 00:55:43,359

thought that was weird i was like wow

1524

00:55:46,870 --> 00:55:45,200

you know who's telling them to do this

1525

00:55:48,630 --> 00:55:46,880

so i asked them i see you know a couple

1526

00:55:50,789 --> 00:55:48,640

of them after i figured it out i said

1527

00:55:52,069 --> 00:55:50,799

why is this happening and they said we

1528

00:55:53,349 --> 00:55:52,079

don't know you know there's something

1529

00:55:55,349 --> 00:55:53,359

that's going to happen

1530

00:55:58,150 --> 00:55:55,359

and i don't that one of them told me i

1531

00:55:59,990 --> 00:55:58,160

don't really want to talk about ufos but

1532

00:56:02,549 --> 00:56:00,000

i'm going to because this is my job

1533

00:56:04,470 --> 00:56:02,559

basically so i so there's that track it

1534

00:56:07,349 --> 00:56:04,480

looks coordinated

1535

00:56:09,349 --> 00:56:07,359

okay and then there's the random stuff

1536

00:56:11,510 --> 00:56:09,359

like with me and my book and things like

1537

00:56:13,349 --> 00:56:11,520

that you know gary nolan even okay so

1538

00:56:15,670 --> 00:56:13,359

that stuff is

1539

00:56:18,390 --> 00:56:15,680

seems to have a life of its own but

1540

00:56:20,950 --> 00:56:18,400

seems to be parallel to this other one

1541

00:56:23,430 --> 00:56:20,960

that's coordinated um i haven't figured

1542

00:56:25,589 --> 00:56:23,440

out the ins and outs of that i'm

1543

00:56:28,230 --> 00:56:25,599

actually going back doing research right

1544

00:56:31,670 --> 00:56:28,240

now in jacques vale's

1545

00:56:33,750 --> 00:56:31,680

i some of his ideas uh in the invisible

1546

00:56:36,630 --> 00:56:33,760

college because what he's doing is he's

1547

00:56:39,270 --> 00:56:36,640

harking back to a tradition that's an

1548

00:56:41,430 --> 00:56:39,280

esoteric tradition of events so you

1549

00:56:43,670 --> 00:56:41,440

don't look at things as

1550

00:56:46,309 --> 00:56:43,680

you know as moments in time but you look

1551  
00:56:49,829 --> 00:56:46,319  
at these events happening that seem to

1552  
00:56:52,870 --> 00:56:49,839  
have some type of coherency and that's

1553  
00:56:54,630 --> 00:56:52,880  
what i see going on and so you know he

1554  
00:56:57,190 --> 00:56:54,640  
talked about this and he talked about it

1555  
00:56:59,430 --> 00:56:57,200  
with reference to like synchronicity

1556  
00:57:00,710 --> 00:56:59,440  
um and i think something like that might

1557  
00:57:03,030 --> 00:57:00,720  
be happening and i think that the

1558  
00:57:04,950 --> 00:57:03,040  
coordinated effort i honestly don't know

1559  
00:57:06,069 --> 00:57:04,960  
why that's happening at this moment in

1560  
00:57:10,069 --> 00:57:06,079  
time

1561  
00:57:12,150 --> 00:57:10,079  
as you know our thing

1562  
00:57:13,910 --> 00:57:12,160  
sure you know i've got one more question

1563  
00:57:15,750 --> 00:57:13,920

before listener questions and the first

1564

00:57:17,589 --> 00:57:15,760

listener question starts off with the

1565

00:57:18,950 --> 00:57:17,599

term synchronicity is often used so

1566

00:57:20,309 --> 00:57:18,960

we'll get to that in just a second as

1567

00:57:23,270 --> 00:57:20,319

you mentioned a nice little

1568

00:57:25,670 --> 00:57:23,280

synchronicity in it in itself um so last

1569

00:57:27,910 --> 00:57:25,680

one for myself though uh diana do you

1570

00:57:30,549 --> 00:57:27,920

think the new uap office can solve the

1571

00:57:32,470 --> 00:57:30,559

puzzle or does this need a wider remit

1572

00:57:34,870 --> 00:57:32,480

to include the high strangeness aspects

1573

00:57:38,069 --> 00:57:34,880

of the phenomenon

1574

00:57:41,510 --> 00:57:38,079

okay so i think that i think that

1575

00:57:44,309 --> 00:57:41,520

this puzzle is going to be solved

1576  
00:57:50,870 --> 00:57:47,829  
in its own time and in its own way okay

1577  
00:57:52,549 --> 00:57:50,880  
so what that means is that like i was

1578  
00:57:54,630 --> 00:57:52,559  
i was talking about valet's

1579  
00:57:55,829 --> 00:57:54,640  
understanding of the way that things

1580  
00:57:59,349 --> 00:57:55,839  
happen

1581  
00:58:02,950 --> 00:57:59,359  
i just i just can't see that we can

1582  
00:58:05,510 --> 00:58:02,960  
force this to happen i think that

1583  
00:58:06,950 --> 00:58:05,520  
i think that there will be

1584  
00:58:08,950 --> 00:58:06,960  
um

1585  
00:58:11,190 --> 00:58:08,960  
i think it's going to be a process uh

1586  
00:58:12,710 --> 00:58:11,200  
stephen dick is a the nasa historian

1587  
00:58:16,309 --> 00:58:12,720  
he's been a nasa historian for a long

1588  
00:58:17,750 --> 00:58:16,319

time um he's part of uh astrobiology um

1589

00:58:19,829 --> 00:58:17,760

he's been doing work like this for a

1590

00:58:21,589 --> 00:58:19,839

long time totally quietly like he

1591

00:58:23,030 --> 00:58:21,599

doesn't really have any press releases

1592

00:58:24,789 --> 00:58:23,040

or anything like that but he's one of

1593

00:58:27,030 --> 00:58:24,799

the most interesting people

1594

00:58:28,789 --> 00:58:27,040

um if you read his work

1595

00:58:30,710 --> 00:58:28,799

he's one of the ones that influenced

1596

00:58:33,030 --> 00:58:30,720

people from a long time ago to think

1597

00:58:34,870 --> 00:58:33,040

about this not not necessarily jacques

1598

00:58:36,870 --> 00:58:34,880

valet but to think about this in terms

1599

00:58:39,589 --> 00:58:36,880

of technology because he said

1600

00:58:40,950 --> 00:58:39,599

you know when you know think about it

1601  
00:58:42,230 --> 00:58:40,960  
when it happens

1602  
00:58:44,630 --> 00:58:42,240  
we're going to be meeting their

1603  
00:58:46,549 --> 00:58:44,640  
technology just as you know just as we

1604  
00:58:47,349 --> 00:58:46,559  
send our technology out

1605  
00:58:49,430 --> 00:58:47,359  
and

1606  
00:58:51,589 --> 00:58:49,440  
so you know he's kind of innovative in

1607  
00:58:53,910 --> 00:58:51,599  
that way

1608  
00:58:56,630 --> 00:58:53,920  
but he basically said this he said that

1609  
00:58:58,549 --> 00:58:56,640  
the process of disclosure is a year's

1610  
00:59:00,150 --> 00:58:58,559  
long process it just doesn't happen

1611  
00:59:01,670 --> 00:59:00,160  
overnight

1612  
00:59:03,270 --> 00:59:01,680  
it certainly doesn't now let's get to

1613  
00:59:05,030 --> 00:59:03,280

some of those listener questions there

1614

00:59:06,950 --> 00:59:05,040

was a lot of them sent in so hopefully

1615

00:59:08,230 --> 00:59:06,960

i've picked uh some of some really great

1616

00:59:09,910 --> 00:59:08,240

ones and i had to leave out some really

1617

00:59:11,750 --> 00:59:09,920

good ones too so apologies if yours

1618

00:59:13,430 --> 00:59:11,760

isn't in here this time but i'm sure

1619

00:59:15,430 --> 00:59:13,440

diana will come back on in the future

1620

00:59:17,030 --> 00:59:15,440

especially when that new book so

1621

00:59:18,789 --> 00:59:17,040

tim staley he says the term

1622

00:59:21,430 --> 00:59:18,799

synchronicity is often used by

1623

00:59:23,910 --> 00:59:21,440

individuals within the ufo community to

1624

00:59:25,589 --> 00:59:23,920

describe recognizable patterns of

1625

00:59:27,109 --> 00:59:25,599

intuition that connect events and

1626

00:59:29,670 --> 00:59:27,119

knowledge relating to their

1627

00:59:31,670 --> 00:59:29,680

understanding of the phenomenon how has

1628

00:59:34,069 --> 00:59:31,680

your definition or interpretation of

1629

00:59:36,069 --> 00:59:34,079

synchronicities changed since immersing

1630

00:59:38,309 --> 00:59:36,079

yourself in ufo culture and publishing

1631

00:59:40,470 --> 00:59:38,319

american cosmic

1632

00:59:42,390 --> 00:59:40,480

yeah this is such a great question

1633

00:59:44,230 --> 00:59:42,400

so

1634

00:59:45,990 --> 00:59:44,240

i mean

1635

00:59:47,990 --> 00:59:46,000

i wrote about synchronicity american

1636

00:59:49,510 --> 00:59:48,000

cosmic um i've talked about some of the

1637

00:59:52,390 --> 00:59:49,520

things that happened to me with respect

1638

00:59:54,630 --> 00:59:52,400

to synchronicity and i have to say that

1639

00:59:57,670 --> 00:59:54,640

it's much much more interesting to me

1640

00:59:59,829 --> 00:59:57,680

than it ever was ever in my life because

1641

01:00:02,390 --> 00:59:59,839

i'm beginning to understand it as almost

1642

01:00:04,470 --> 01:00:02,400

like a force of its own

1643

01:00:05,910 --> 01:00:04,480

and like i said in the previous answer

1644

01:00:07,589 --> 01:00:05,920

to your question

1645

01:00:09,750 --> 01:00:07,599

um is that

1646

01:00:12,390 --> 01:00:09,760

you know jacques back in the day and

1647

01:00:14,710 --> 01:00:12,400

even today you know still grapples with

1648

01:00:17,109 --> 01:00:14,720

with this idea of synchronicity and ties

1649

01:00:18,549 --> 01:00:17,119

it into this invisible college which is

1650

01:00:22,309 --> 01:00:18,559

an early modern

1651  
01:00:24,470 --> 01:00:22,319  
um idea of raw secretionism actually

1652  
01:00:27,510 --> 01:00:24,480  
um so it's an esoteric

1653  
01:00:29,030 --> 01:00:27,520  
understanding of

1654  
01:00:35,270 --> 01:00:29,040  
space time

1655  
01:00:37,270 --> 01:00:35,280  
experience

1656  
01:00:38,789 --> 01:00:37,280  
so i'm going to talk about dimensions so

1657  
01:00:41,750 --> 01:00:38,799  
we experience

1658  
01:00:42,789 --> 01:00:41,760  
time in a linear fashion it looks to us

1659  
01:00:48,789 --> 01:00:42,799  
linear

1660  
01:00:51,589 --> 01:00:48,799  
physicists tell us that it's not okay so

1661  
01:00:53,109 --> 01:00:51,599  
it is something that is be so we only

1662  
01:00:55,910 --> 01:00:53,119  
see a portion of it

1663  
01:00:57,750 --> 01:00:55,920

um we only see what we can see of it so

1664

01:01:00,069 --> 01:00:57,760

i think that synchronicity is something

1665

01:01:03,109 --> 01:01:00,079

very similar to this and that those

1666

01:01:06,390 --> 01:01:03,119

people who experience it they're they're

1667

01:01:08,470 --> 01:01:06,400

experiencing things that are not in

1668

01:01:10,390 --> 01:01:08,480

within this dimension that's what now am

1669

01:01:12,710 --> 01:01:10,400

i going to do a peer-reviewed

1670

01:01:14,230 --> 01:01:12,720

you know uh no i'm not going to because

1671

01:01:16,309 --> 01:01:14,240

like you know people will say this

1672

01:01:18,789 --> 01:01:16,319

sounds pretty crazy but can i speculate

1673

01:01:20,309 --> 01:01:18,799

about it absolutely

1674

01:01:22,390 --> 01:01:20,319

a good answer yeah

1675

01:01:23,829 --> 01:01:22,400

tim from washington another tim said

1676

01:01:26,870 --> 01:01:23,839

what are your thoughts about chris

1677

01:01:30,549 --> 01:01:26,880

bledsoe's experiences and who do who and

1678

01:01:34,630 --> 01:01:33,190

i okay so um with chris blitz who

1679

01:01:36,470 --> 01:01:34,640

actually

1680

01:01:39,190 --> 01:01:36,480

i don't publicly talk about those

1681

01:01:40,950 --> 01:01:39,200

experiences

1682

01:01:41,910 --> 01:01:40,960

we can just leave that one there then

1683

01:01:43,670 --> 01:01:41,920

sorry

1684

01:01:47,109 --> 01:01:43,680

no that's okay

1685

01:01:48,950 --> 01:01:47,119

is it something though i i've spoken to

1686

01:01:50,390 --> 01:01:48,960

chase klitsky who's spent a lot of time

1687

01:01:51,829 --> 01:01:50,400

in the bledsoes as well and there's some

1688

01:01:53,750 --> 01:01:51,839

things chase will talk about and others

1689

01:01:58,390 --> 01:01:53,760

she won't is it something you can never

1690

01:02:03,670 --> 01:02:00,630

yes i mean i think that the blood i

1691

01:02:07,109 --> 01:02:03,680

think that his case is something that is

1692

01:02:09,589 --> 01:02:07,119

um paradigmatic in terms of what happens

1693

01:02:11,670 --> 01:02:09,599

to people who have these experiences and

1694

01:02:12,789 --> 01:02:11,680

then how they get

1695

01:02:14,549 --> 01:02:12,799

um

1696

01:02:17,029 --> 01:02:14,559

what would you call it

1697

01:02:19,750 --> 01:02:17,039

those alphabet agencies just descend and

1698

01:02:21,029 --> 01:02:19,760

then mess everything up and it's kind of

1699

01:02:22,789 --> 01:02:21,039

tragic

1700

01:02:24,710 --> 01:02:22,799

well that is actually almost word for

1701

01:02:26,549 --> 01:02:24,720

word the next question to touch on from

1702

01:02:28,549 --> 01:02:26,559

dave why do you think so many

1703

01:02:30,950 --> 01:02:28,559

intelligence people or intelligence

1704

01:02:32,630 --> 01:02:30,960

agencies are attracted to the bledsoes

1705

01:02:35,589 --> 01:02:32,640

and the potential phenomenon going on

1706

01:02:41,589 --> 01:02:35,599

there

1707

01:02:44,710 --> 01:02:43,270

for the same reason that they were

1708

01:02:46,069 --> 01:02:44,720

attracted to

1709

01:02:48,549 --> 01:02:46,079

benefits

1710

01:02:50,150 --> 01:02:48,559

remember that case the mirage men case

1711

01:02:52,470 --> 01:02:50,160

yeah um

1712

01:02:53,829 --> 01:02:52,480

because they're able to

1713

01:02:55,430 --> 01:02:53,839

use that

1714

01:02:58,069 --> 01:02:55,440

and um

1715

01:03:01,029 --> 01:02:58,079

they you know that

1716

01:03:02,630 --> 01:03:01,039

you know what happened was that a lot of

1717

01:03:05,510 --> 01:03:02,640

um like

1718

01:03:06,870 --> 01:03:05,520

alan hinek you know uh and a couple of

1719

01:03:09,109 --> 01:03:06,880

other people put

1720

01:03:10,789 --> 01:03:09,119

misinformation on his computer that kind

1721

01:03:14,150 --> 01:03:10,799

of sent he was already in a fragile

1722

01:03:15,589 --> 01:03:14,160

state of mind and sent him over the edge

1723

01:03:17,510 --> 01:03:15,599

doing that

1724

01:03:18,390 --> 01:03:17,520

sends a message

1725

01:03:19,910 --> 01:03:18,400

that

1726

01:03:23,270 --> 01:03:19,920

you know you asked about the stigma of

1727

01:03:25,589 --> 01:03:23,280

ufology it basically turns anyone off to

1728

01:03:29,190 --> 01:03:25,599

studying ufos because they're like oh

1729

01:03:31,349 --> 01:03:29,200

these people are legitimately crazy um

1730

01:03:34,069 --> 01:03:31,359

and they you know they were helped into

1731

01:03:35,190 --> 01:03:34,079

their craziness through the efforts of

1732

01:03:38,630 --> 01:03:35,200

these people

1733

01:03:40,069 --> 01:03:38,640

whose ethics i question basically um

1734

01:03:41,990 --> 01:03:40,079

this isn't something i would do to

1735

01:03:44,710 --> 01:03:42,000

somebody

1736

01:03:46,870 --> 01:03:44,720

so that's why i think that yeah i don't

1737

01:03:49,510 --> 01:03:46,880

think it you know go ahead i'm sorry no

1738

01:03:51,829 --> 01:03:49,520

no please sorry to interrupt to go on

1739

01:03:54,150 --> 01:03:51,839

yeah so i mean that's why i mean we have

1740

01:03:57,990 --> 01:03:54,160

to you know there are nefarious

1741

01:04:00,309 --> 01:03:58,000

bad actors in this field and i think

1742

01:04:02,630 --> 01:04:00,319

that that's something that's true and

1743

01:04:04,230 --> 01:04:02,640

has to be acknowledged

1744

01:04:05,829 --> 01:04:04,240

and and you've obviously had your own

1745

01:04:07,270 --> 01:04:05,839

experiences with the bledsoes like you

1746

01:04:10,309 --> 01:04:07,280

say in respect you don't want to talk

1747

01:04:12,069 --> 01:04:10,319

about those chris bledsoe and his family

1748

01:04:14,309 --> 01:04:12,079

ryan's obviously got his own podcast now

1749

01:04:15,910 --> 01:04:14,319

bledsoe said so i've interviewed ryan

1750

01:04:19,190 --> 01:04:15,920

and been in touch with them it's a great

1751

01:04:21,109 --> 01:04:19,200

name isn't it yeah it is chris isn't shy

1752

01:04:22,789 --> 01:04:21,119

in sharing a lot of what goes on in the

1753

01:04:25,510 --> 01:04:22,799

property

1754

01:04:26,470 --> 01:04:25,520

why do you think someone like chris

1755

01:04:28,710 --> 01:04:26,480

who

1756

01:04:30,950 --> 01:04:28,720

has all these incredible experiences and

1757

01:04:32,230 --> 01:04:30,960

i talked about ryan as well and and ryan

1758

01:04:33,829 --> 01:04:32,240

shared quite a lot of those on his own

1759

01:04:36,150 --> 01:04:33,839

show and on others

1760

01:04:38,069 --> 01:04:36,160

he puts all these videos on facebook

1761

01:04:39,990 --> 01:04:38,079

and is it because they're still quite

1762

01:04:41,750 --> 01:04:40,000

vague and generic in nature that he is

1763

01:04:44,549 --> 01:04:41,760

allowed to do this

1764

01:04:46,390 --> 01:04:44,559

when he's clearly had so much contact

1765

01:04:48,309 --> 01:04:46,400

throughout his life with these with

1766

01:04:51,670 --> 01:04:48,319

these agencies why don't they just stop

1767

01:04:55,829 --> 01:04:53,349

um

1768

01:04:57,670 --> 01:04:55,839

i think that they're okay with with it i

1769

01:05:01,029 --> 01:04:57,680

think that if they wanted to stop it

1770

01:05:04,789 --> 01:05:02,870

and again would you put that down to the

1771

01:05:06,630 --> 01:05:04,799

the vagueness of the videos because he i

1772

01:05:09,270 --> 01:05:06,640

i asked ryan let you know chris bledsoe

1773

01:05:11,190 --> 01:05:09,280

posts a lot of um orb videos and i've

1774

01:05:12,390 --> 01:05:11,200

said before on the podcast i i don't

1775

01:05:14,309 --> 01:05:12,400

discount the

1776

01:05:15,990 --> 01:05:14,319

the the idea that orbs are out there in

1777

01:05:17,750 --> 01:05:16,000

various shapes and forms it's a

1778

01:05:19,430 --> 01:05:17,760

fascinating subject but

1779

01:05:21,430 --> 01:05:19,440

so much of the

1780

01:05:23,670 --> 01:05:21,440

the video quality not just from the

1781

01:05:25,750 --> 01:05:23,680

bledsoes but from from anywhere

1782

01:05:27,829 --> 01:05:25,760

it could just be dust it looks like a

1783

01:05:29,430 --> 01:05:27,839

light and it's very hard to distinguish

1784

01:05:31,829 --> 01:05:29,440

you know and i want everything to be a

1785

01:05:34,230 --> 01:05:31,839

ufo or an alien spaceship or a being or

1786

01:05:36,390 --> 01:05:34,240

something but the fact is most of them

1787

01:05:37,829 --> 01:05:36,400

aren't and again is it that vagueness

1788

01:05:40,069 --> 01:05:37,839

that they allow those sorts of things to

1789

01:05:41,910 --> 01:05:40,079

be posted and i would imagine there

1790

01:05:43,750 --> 01:05:41,920

there would be much better quality

1791

01:05:46,309 --> 01:05:43,760

footage available from the blood so that

1792

01:05:47,589 --> 01:05:46,319

they don't let out

1793

01:05:52,069 --> 01:05:47,599

um

1794

01:05:54,069 --> 01:05:52,079

i don't know

1795

01:05:57,430 --> 01:05:54,079

i'm just gonna say that i don't talk

1796

01:05:58,950 --> 01:05:57,440

about that that case

1797

01:06:00,950 --> 01:05:58,960

sure well hopefully something we get to

1798

01:06:02,789 --> 01:06:00,960

hear a bit more from in future dave had

1799

01:06:04,950 --> 01:06:02,799

a follow-up though from the bledsoes he

1800

01:06:07,270 --> 01:06:04,960

asks what is the vatican's view of the

1801  
01:06:09,029 --> 01:06:07,280  
phenomenon and does diana think that

1802  
01:06:11,109 --> 01:06:09,039  
what they think uh

1803  
01:06:13,510 --> 01:06:11,119  
sorry and does diana think what they

1804  
01:06:15,349 --> 01:06:13,520  
have is a good understanding of the

1805  
01:06:17,109 --> 01:06:15,359  
phenomenon based on their records and

1806  
01:06:19,349 --> 01:06:17,119  
faith

1807  
01:06:21,750 --> 01:06:19,359  
okay so talking about what the vatican

1808  
01:06:23,750 --> 01:06:21,760  
thinks about it is like talking about

1809  
01:06:25,829 --> 01:06:23,760  
what does the us government think about

1810  
01:06:28,230 --> 01:06:25,839  
ufos so there are a lot of different

1811  
01:06:30,950 --> 01:06:28,240  
opinions okay a lot of people in the

1812  
01:06:33,109 --> 01:06:30,960  
vatican don't want they don't care

1813  
01:06:35,430 --> 01:06:33,119

right in the hierarchy

1814

01:06:37,510 --> 01:06:35,440

some people don't want to talk about it

1815

01:06:38,950 --> 01:06:37,520

at all some people talk about it and say

1816

01:06:40,390 --> 01:06:38,960

you know um

1817

01:06:42,470 --> 01:06:40,400

that

1818

01:06:45,190 --> 01:06:42,480

it exists but we don't really know about

1819

01:06:46,470 --> 01:06:45,200

it some would look back on their records

1820

01:06:49,109 --> 01:06:46,480

and say

1821

01:06:51,109 --> 01:06:49,119

um yeah this looks like something that's

1822

01:06:52,789 --> 01:06:51,119

anomalous and some

1823

01:06:53,589 --> 01:06:52,799

totally discounted

1824

01:06:55,990 --> 01:06:53,599

so

1825

01:06:59,430 --> 01:06:56,000

there is no set

1826

01:07:01,910 --> 01:06:59,440

a dogma or statement with respect to

1827

01:07:02,950 --> 01:07:01,920

what the vatican thinks about it um

1828

01:07:04,870 --> 01:07:02,960

however

1829

01:07:07,270 --> 01:07:04,880

the vatican has

1830

01:07:08,870 --> 01:07:07,280

an association of catholic scientists

1831

01:07:11,270 --> 01:07:08,880

and every once in a while i think like

1832

01:07:13,910 --> 01:07:11,280

once a year they are they host a

1833

01:07:15,589 --> 01:07:13,920

conference on extraterrestrial uh you

1834

01:07:17,190 --> 01:07:15,599

know looking for extraterrestrial

1835

01:07:19,589 --> 01:07:17,200

civilizations and things like that they

1836

01:07:21,910 --> 01:07:19,599

have people from harvard and mit there

1837

01:07:23,829 --> 01:07:21,920

i've been invited there um

1838

01:07:26,870 --> 01:07:23,839

and so yeah they're completely open to

1839

01:07:28,870 --> 01:07:26,880

it um but is this like intelligent

1840

01:07:30,630 --> 01:07:28,880

extraterrestrial kind of like reptilians

1841

01:07:32,950 --> 01:07:30,640

that they're talking about no this would

1842

01:07:35,829 --> 01:07:32,960

be more like you know are there microbes

1843

01:07:37,990 --> 01:07:35,839

on this exoplanet uh sure yeah that you

1844

01:07:40,230 --> 01:07:38,000

know we could possibly you know utilize

1845

01:07:42,069 --> 01:07:40,240

this to when we ruin our own planet

1846

01:07:44,309 --> 01:07:42,079

something like that uh they work with

1847

01:07:46,789 --> 01:07:44,319

nasa you know and things like that so

1848

01:07:48,870 --> 01:07:46,799

they're definitely open to it um

1849

01:07:50,230 --> 01:07:48,880

and they're up on the research right so

1850

01:07:52,309 --> 01:07:50,240

a lot of people have been doing this

1851  
01:07:54,309 --> 01:07:52,319  
research for a very long time um but

1852  
01:07:57,029 --> 01:07:54,319  
they're not out they're not not the ones

1853  
01:07:58,549 --> 01:07:57,039  
that are out there making extreme claims

1854  
01:08:00,470 --> 01:07:58,559  
or

1855  
01:08:01,510 --> 01:08:00,480  
you know they're not like they're not

1856  
01:08:03,349 --> 01:08:01,520  
doing

1857  
01:08:05,029 --> 01:08:03,359  
um

1858  
01:08:07,190 --> 01:08:05,039  
they're just not

1859  
01:08:09,109 --> 01:08:07,200  
doing press releases every day or even

1860  
01:08:12,230 --> 01:08:09,119  
every week or ever

1861  
01:08:14,470 --> 01:08:12,240  
yeah sure um sebastian wants to know he

1862  
01:08:16,309 --> 01:08:14,480  
would be interested to know if you have

1863  
01:08:19,749 --> 01:08:16,319

any other examples of saints and

1864

01:08:21,749 --> 01:08:19,759

christianity beside santa teresa de avia

1865

01:08:23,269 --> 01:08:21,759

which she mentions in her book that have

1866

01:08:24,390 --> 01:08:23,279

been rumored to be connected to the

1867

01:08:27,430 --> 01:08:24,400

phenomenon

1868

01:08:30,309 --> 01:08:27,440

and maybe more recent ones as well

1869

01:08:33,349 --> 01:08:30,319

yes it looks like a lot of them have so

1870

01:08:34,950 --> 01:08:33,359

um i have uh the trial records of joseph

1871

01:08:37,749 --> 01:08:34,960

of copertino

1872

01:08:41,110 --> 01:08:37,759

so he's an italian saint who has

1873

01:08:42,149 --> 01:08:41,120

levitated and has said to have levitated

1874

01:08:44,470 --> 01:08:42,159

um

1875

01:08:46,630 --> 01:08:44,480

so he's really interesting so sebastian

1876

01:08:49,829 --> 01:08:46,640

can look at into him

1877

01:08:52,309 --> 01:08:49,839

um you also have sister maria of agrada

1878

01:08:54,229 --> 01:08:52,319

she's spanish she's a contemporary of

1879

01:08:57,030 --> 01:08:54,239

joseph of cupertino i actually mentioned

1880

01:09:00,070 --> 01:08:57,040

her in my book american cosmic and she

1881

01:09:02,149 --> 01:09:00,080

wrote a call she lived in the 1600s and

1882

01:09:03,510 --> 01:09:02,159

she wrote a cosmology

1883

01:09:05,669 --> 01:09:03,520

um

1884

01:09:07,269 --> 01:09:05,679

of the world in the earth

1885

01:09:08,870 --> 01:09:07,279

that i mean she wrote this a long time

1886

01:09:10,390 --> 01:09:08,880

ago and she was basically talking about

1887

01:09:12,309 --> 01:09:10,400

the spinning earth so she could see it

1888

01:09:14,950 --> 01:09:12,319

from space because she believed that she

1889

01:09:17,269 --> 01:09:14,960

was elevated off earth

1890

01:09:19,910 --> 01:09:17,279

by on the wings of angels

1891

01:09:21,669 --> 01:09:19,920

and she also came to the united states

1892

01:09:24,470 --> 01:09:21,679

and was able to land in the united

1893

01:09:26,950 --> 01:09:24,480

states and talk about what she saw there

1894

01:09:29,910 --> 01:09:26,960

which looked pretty accurate um

1895

01:09:32,309 --> 01:09:29,920

and she's even known in new mexico and

1896

01:09:35,269 --> 01:09:32,319

arizona as the lady in blue

1897

01:09:37,110 --> 01:09:35,279

so there are a lot oh um and also uh

1898

01:09:40,229 --> 01:09:37,120

francis um

1899

01:09:42,709 --> 01:09:40,239

saint francis of assisi um he had a what

1900

01:09:46,390 --> 01:09:42,719

looks like a pretty intense aerial

1901

01:09:49,590 --> 01:09:46,400

phenomena experience that radiated him

1902

01:09:51,030 --> 01:09:49,600

and and gave him the stigmata what now

1903

01:09:52,550 --> 01:09:51,040

is called the stigmata that was the

1904

01:09:55,030 --> 01:09:52,560

first instance of it

1905

01:09:57,030 --> 01:09:55,040

um so yeah so there are a lot of uh

1906

01:09:58,229 --> 01:09:57,040

occurrences and not just the saints that

1907

01:10:00,550 --> 01:09:58,239

we know

1908

01:10:02,870 --> 01:10:00,560

there are you know literally

1909

01:10:04,070 --> 01:10:02,880

hundreds of thousands of records

1910

01:10:06,550 --> 01:10:04,080

if not more

1911

01:10:08,950 --> 01:10:06,560

that talk about aerial phenomena i mean

1912

01:10:09,910 --> 01:10:08,960

i just found some you know in randomly

1913

01:10:11,590 --> 01:10:09,920

in my

1914

01:10:14,070 --> 01:10:11,600

searches in purgatory before i ever

1915

01:10:15,669 --> 01:10:14,080

started this research so there are there

1916

01:10:17,830 --> 01:10:15,679

there you know the histories of

1917

01:10:20,470 --> 01:10:17,840

religions they're that's a rich

1918

01:10:22,149 --> 01:10:20,480

tradition for this information

1919

01:10:23,830 --> 01:10:22,159

now if anyone's listening thinking i

1920

01:10:26,070 --> 01:10:23,840

sent these questions over in advance to

1921

01:10:29,110 --> 01:10:26,080

diana i didn't um just given that the

1922

01:10:31,270 --> 01:10:29,120

next question is from jean francois uh

1923

01:10:33,590 --> 01:10:31,280

he says chris bledsoe said he received a

1924

01:10:35,750 --> 01:10:33,600

warning from the pope through diana can

1925

01:10:37,669 --> 01:10:35,760

you clarify and for context chris

1926

01:10:40,310 --> 01:10:37,679

bledsoe said the warning was about risks

1927

01:10:42,229 --> 01:10:40,320

associated with physical proximity to

1928

01:10:47,030 --> 01:10:42,239

the phenomenon he observed making a

1929

01:10:51,590 --> 01:10:48,630

yeah no that

1930

01:10:52,630 --> 01:10:51,600

okay no that did not happen um

1931

01:10:55,430 --> 01:10:52,640

however

1932

01:10:57,669 --> 01:10:55,440

through my research i definitely told

1933

01:11:00,709 --> 01:10:57,679

him that there are risks associated with

1934

01:11:01,750 --> 01:11:00,719

that and explained that from the

1935

01:11:03,590 --> 01:11:01,760

research

1936

01:11:06,470 --> 01:11:03,600

through people in the fight club that i

1937

01:11:08,470 --> 01:11:06,480

was doing um that research basically

1938

01:11:10,390 --> 01:11:08,480

showed that there were there's harm that

1939

01:11:12,870 --> 01:11:10,400

could be done and it could be burns from

1940

01:11:15,830 --> 01:11:12,880

radiation and so i was trying to tell

1941

01:11:17,990 --> 01:11:15,840

him be careful basically so it's from me

1942

01:11:20,070 --> 01:11:18,000

not the pope sure that's that's probably

1943

01:11:21,350 --> 01:11:20,080

quite a good thing to clear up um yeah

1944

01:11:22,470 --> 01:11:21,360

it's probably it's amazing how these

1945

01:11:23,910 --> 01:11:22,480

things can get down the kind of

1946

01:11:26,310 --> 01:11:23,920

grapevine but that's something we've

1947

01:11:28,310 --> 01:11:26,320

heard a lot about from dr colm kelleher

1948

01:11:30,149 --> 01:11:28,320

and george knapp james latatsky and

1949

01:11:32,390 --> 01:11:30,159

their book secrets to the skinwalker

1950

01:11:35,350 --> 01:11:32,400

hearing about you know 25 of patients

1951

01:11:38,070 --> 01:11:35,360

involved in one case study had died from

1952

01:11:39,830 --> 01:11:38,080

from um you know whatever they picked up

1953

01:11:41,430 --> 01:11:39,840

from a close contact with the phenomenon

1954

01:11:43,270 --> 01:11:41,440

potentially so yeah we're hearing more

1955

01:11:44,870 --> 01:11:43,280

about that now as well and

1956

01:11:46,550 --> 01:11:44,880

may or may not be directly linked but

1957

01:11:47,830 --> 01:11:46,560

havana syndrome is something that's been

1958

01:11:49,669 --> 01:11:47,840

in the news and there's just been a big

1959

01:11:51,189 --> 01:11:49,679

piece on 60 minutes about that as well

1960

01:11:52,790 --> 01:11:51,199

which i've i've not managed to catch

1961

01:11:55,350 --> 01:11:52,800

myself actually yet

1962

01:11:56,950 --> 01:11:55,360

um leonard wants to know do you know

1963

01:11:58,870 --> 01:11:56,960

anything more about the special room

1964

01:12:01,430 --> 01:11:58,880

which tyler spoke of where people felt a

1965

01:12:03,990 --> 01:12:01,440

kind of heightened creativity and came

1966

01:12:06,709 --> 01:12:04,000

closer to big ideas what was so special

1967

01:12:09,510 --> 01:12:06,719

with this room and how it's used

1968

01:12:11,990 --> 01:12:09,520

okay this is a cool room so this room

1969

01:12:14,310 --> 01:12:12,000

was set up with every kind of you know

1970

01:12:17,669 --> 01:12:14,320

technological toy that a person could

1971

01:12:19,830 --> 01:12:17,679

ever want to use to to create stuff

1972

01:12:21,590 --> 01:12:19,840

right and so the people that would be

1973

01:12:22,390 --> 01:12:21,600

put in the room would be people like

1974

01:12:24,950 --> 01:12:22,400

tyler

1975

01:12:26,870 --> 01:12:24,960

and they were told that they could

1976

01:12:28,950 --> 01:12:26,880

basically you know

1977

01:12:31,270 --> 01:12:28,960

we're so constrained by ourselves you

1978

01:12:32,790 --> 01:12:31,280

know in terms of what we can think

1979

01:12:35,270 --> 01:12:32,800

don't think that that's probably not

1980

01:12:37,189 --> 01:12:35,280

true that's crazy people often preface

1981

01:12:39,830 --> 01:12:37,199

what they say with oh i'd want to tell

1982

01:12:42,709 --> 01:12:39,840

you this but it sounds crazy okay

1983

01:12:45,270 --> 01:12:42,719

that word was not allowed in that room

1984

01:12:47,990 --> 01:12:45,280

all possibilities were considered in

1985

01:12:51,270 --> 01:12:48,000

that room so it was a room where people

1986

01:12:54,310 --> 01:12:51,280

were given license to be as crazy and

1987

01:12:55,750 --> 01:12:54,320

speculative as they could be and they

1988

01:12:57,830 --> 01:12:55,760

were and that's where amazing

1989

01:12:59,510 --> 01:12:57,840

technologies they came out of that room

1990

01:13:00,870 --> 01:12:59,520

because of those conversations that

1991

01:13:02,870 --> 01:13:00,880

happened there

1992

01:13:04,470 --> 01:13:02,880

awesome i've got three more listener

1993

01:13:05,590 --> 01:13:04,480

questions and then we can let diana get

1994

01:13:07,750 --> 01:13:05,600

on with the rest of our day you've been

1995

01:13:10,149 --> 01:13:07,760

amazing with your time and the first one

1996

01:13:12,470 --> 01:13:10,159

is from walker he asks an american

1997

01:13:14,149 --> 01:13:12,480

cosmic diana mentions john mack's term

1998

01:13:16,149 --> 01:13:14,159

ontological shock

1999

01:13:18,310 --> 01:13:16,159

did she experience any of that during

2000

01:13:20,709 --> 01:13:18,320

the investigation of the phenomenon for

2001

01:13:23,189 --> 01:13:20,719

the book or since and how did that

2002

01:13:25,750 --> 01:13:23,199

change you also has the phenomenon taken

2003

01:13:29,189 --> 01:13:25,760

an interest in and diana herself since

2004

01:13:33,910 --> 01:13:31,590

that's okay um

2005

01:13:36,790 --> 01:13:33,920

yeah i absolutely felt the ontological

2006

01:13:39,590 --> 01:13:36,800

shock i feel like it lasted a year

2007

01:13:42,630 --> 01:13:39,600

okay it was a very

2008

01:13:44,630 --> 01:13:42,640

very uncomfortable uncanny time

2009

01:13:46,709 --> 01:13:44,640

um in 2012

2010

01:13:48,790 --> 01:13:46,719

where i literally i was actually working

2011

01:13:49,590 --> 01:13:48,800

on the conjuring as a consultant at that

2012

01:13:52,390 --> 01:13:49,600

time

2013

01:13:53,590 --> 01:13:52,400

and i was um i was hanging out i guess

2014

01:13:55,910 --> 01:13:53,600

you could say with

2015

01:13:57,830 --> 01:13:55,920

the screenwriters chad hayes and carrie

2016

01:13:59,910 --> 01:13:57,840

hayes who knew

2017

01:14:01,350 --> 01:13:59,920

they could just tell that something was

2018

01:14:03,510 --> 01:14:01,360

really going on and so they really

2019

01:14:05,110 --> 01:14:03,520

wanted to know what's going on and so

2020

01:14:07,030 --> 01:14:05,120

at that time i introduced them to my

2021

01:14:09,430 --> 01:14:07,040

research and they they were also blown

2022

01:14:11,350 --> 01:14:09,440

away so i mean i think what happened at

2023

01:14:14,630 --> 01:14:11,360

the time was remember i hadn't

2024

01:14:15,430 --> 01:14:14,640

entertained the reality of ufos at all

2025

01:14:17,750 --> 01:14:15,440

and

2026

01:14:20,790 --> 01:14:17,760

when i considered what happened was this

2027

01:14:23,990 --> 01:14:20,800

was that i connected almost in an

2028

01:14:26,830 --> 01:14:24,000

instant i connected during that ufo

2029

01:14:29,750 --> 01:14:26,840

conference what these people had

2030

01:14:32,229 --> 01:14:29,760

experienced and what i had studied my

2031

01:14:33,990 --> 01:14:32,239

whole life so it was almost as if i

2032

01:14:35,590 --> 01:14:34,000

studied this my whole life and all of a

2033

01:14:37,110 --> 01:14:35,600

sudden somebody hit me in the head and

2034

01:14:39,510 --> 01:14:37,120

said this is it

2035

01:14:41,510 --> 01:14:39,520

and that was disconcerting and so yeah

2036

01:14:43,510 --> 01:14:41,520

that was my ontological shock and then

2037

01:14:45,590 --> 01:14:43,520

it just got bigger and bigger and bigger

2038

01:14:49,110 --> 01:14:45,600

because of the people that i met

2039

01:14:51,510 --> 01:14:49,120

um like tyler and james um

2040

01:14:55,350 --> 01:14:51,520

now known as gary

2041

01:14:57,270 --> 01:14:55,360

so yeah so does the phenomena take um

2042

01:15:00,470 --> 01:14:57,280

i think probably the phenomena if there

2043

01:15:02,149 --> 01:15:00,480

is a phenomena it absolutely has been

2044

01:15:04,709 --> 01:15:02,159

around people that have been thinking

2045

01:15:06,630 --> 01:15:04,719

about it their whole lives that's how i

2046

01:15:08,790 --> 01:15:06,640

view it i think so and that's not a

2047

01:15:10,870 --> 01:15:08,800

professor answer that's me that's an

2048

01:15:12,790 --> 01:15:10,880

answer that i'm giving that there the

2049

01:15:14,630 --> 01:15:12,800

synchronicity of it

2050

01:15:17,470 --> 01:15:14,640

and the things that happen

2051

01:15:23,270 --> 01:15:21,030

unimaginable and improbable that

2052

01:15:25,189 --> 01:15:23,280

i believe yeah

2053

01:15:26,950 --> 01:15:25,199

and we've heard the term and i've spoken

2054

01:15:29,669 --> 01:15:26,960

to luella's owned about it a few times

2055

01:15:31,270 --> 01:15:29,679

it's sticky portfolio and the hitchhiker

2056

01:15:33,430 --> 01:15:31,280

effect and people at george knapp have

2057

01:15:35,669 --> 01:15:33,440

talked about how his own wife

2058

01:15:37,430 --> 01:15:35,679

experienced things you know when he came

2059

01:15:39,669 --> 01:15:37,440

away from skinwalker ranch is that ever

2060

01:15:41,430 --> 01:15:39,679

something you've had any experience of

2061

01:15:42,630 --> 01:15:41,440

yourself

2062

01:15:44,390 --> 01:15:42,640

okay so

2063

01:15:47,030 --> 01:15:44,400

yes so i talked to gary about this as

2064

01:15:49,910 --> 01:15:47,040

well so he he's the first one who told

2065

01:15:51,590 --> 01:15:49,920

me about this um years ago and he said

2066

01:15:54,390 --> 01:15:51,600

you want to be careful about going to

2067

01:15:56,070 --> 01:15:54,400

the places where there is hot activity

2068

01:15:57,750 --> 01:15:56,080

because they're you know they'll come

2069

01:15:59,110 --> 01:15:57,760

they'll follow you home

2070

01:16:03,669 --> 01:15:59,120

um

2071

01:16:06,149 --> 01:16:03,679

so

2072

01:16:08,229 --> 01:16:06,159

i'm careful let's put it that way yes

2073

01:16:10,070 --> 01:16:08,239

very careful if somebody's trying to say

2074

01:16:13,270 --> 01:16:10,080

to me come out here you'll definitely

2075

01:16:15,430 --> 01:16:13,280

see this or that i won't go

2076

01:16:16,149 --> 01:16:15,440

i'd say why do you think i want to see

2077

01:16:23,910 --> 01:16:16,159

that

2078

01:16:25,350 --> 01:16:23,920

at things like exorcisms

2079

01:16:27,110 --> 01:16:25,360

and you wonder you know getting rid of

2080

01:16:28,470 --> 01:16:27,120

some entity that you don't want to be

2081

01:16:30,790 --> 01:16:28,480

there is that something you think would

2082

01:16:31,669 --> 01:16:30,800

ever play into or you would recommend to

2083

01:16:33,590 --> 01:16:31,679

people

2084

01:16:35,270 --> 01:16:33,600

and those types of situations that you

2085

01:16:37,669 --> 01:16:35,280

know have some sort of like religious

2086

01:16:39,750 --> 01:16:37,679

ceremony to get rid of any entities that

2087

01:16:42,229 --> 01:16:39,760

may be hanging around

2088

01:16:44,390 --> 01:16:42,239

okay so yeah i think that um i i

2089

01:16:47,110 --> 01:16:44,400

actually am practicing religious person

2090

01:16:49,750 --> 01:16:47,120

okay so i believe in i mean this is not

2091

01:16:51,430 --> 01:16:49,760

me as a professor talking but i am a you

2092

01:16:52,470 --> 01:16:51,440

know i am a practicing

2093

01:16:55,030 --> 01:16:52,480

catholic

2094

01:16:57,430 --> 01:16:55,040

and um

2095

01:16:59,030 --> 01:16:57,440

i think that that helps me here

2096

01:17:01,990 --> 01:16:59,040

um i think that

2097

01:17:04,470 --> 01:17:02,000

and i'm not being exclusive so i have a

2098

01:17:07,910 --> 01:17:04,480

friend who's a practicing

2099

01:17:10,550 --> 01:17:07,920

muslim and he also does this research

2100

01:17:13,430 --> 01:17:10,560

he's you know he believes in god and he

2101

01:17:16,390 --> 01:17:13,440

he feels the same way that i do so

2102

01:17:18,630 --> 01:17:16,400

i think that this is something that

2103

01:17:20,149 --> 01:17:18,640

people in the you know the kinds of

2104

01:17:22,229 --> 01:17:20,159

projects that are going now like in

2105

01:17:23,910 --> 01:17:22,239

avilob's project the galileo project and

2106

01:17:26,390 --> 01:17:23,920

things like that this is stuff they'll

2107

01:17:28,950 --> 01:17:26,400

never talk about because it's not

2108

01:17:31,030 --> 01:17:28,960

something that they would believe in but

2109

01:17:32,630 --> 01:17:31,040

if you do look at the experiences that

2110

01:17:36,310 --> 01:17:32,640

people have some are

2111

01:17:37,590 --> 01:17:36,320

frightening right and do you think that

2112

01:17:39,030 --> 01:17:37,600

do you think that an eight how do you

2113

01:17:40,550 --> 01:17:39,040

think an atheist is gonna feel about

2114

01:17:44,310 --> 01:17:40,560

these kinds of things you know they're

2115

01:17:47,030 --> 01:17:44,320

gonna they're not gonna like it so um

2116

01:17:49,110 --> 01:17:47,040

yeah i think that i think that this

2117

01:17:51,189 --> 01:17:49,120

this is part of the consciousness part

2118

01:17:53,430 --> 01:17:51,199

of it that i think people are you know

2119

01:17:56,229 --> 01:17:53,440

they could they come from a materialist

2120

01:17:57,669 --> 01:17:56,239

point they study it like let's take

2121

01:17:59,910 --> 01:17:57,679

bigelow and then all of a sudden they

2122

01:18:02,149 --> 01:17:59,920

get to consciousness well that's a

2123

01:18:03,990 --> 01:18:02,159

trajectory that's like you know that's

2124

01:18:06,870 --> 01:18:04,000

not a coincidence that's something that

2125

01:18:08,709 --> 01:18:06,880

i think is part of the whole question of

2126

01:18:10,310 --> 01:18:08,719

these things definitely

2127

01:18:11,590 --> 01:18:10,320

it certainly seems like a stop along the

2128

01:18:14,070 --> 01:18:11,600

way on the journey doesn't it that you

2129

01:18:16,550 --> 01:18:14,080

you advance to that next question and

2130

01:18:18,630 --> 01:18:16,560

final question from brendan has diana

2131

01:18:20,630 --> 01:18:18,640

any opinion on the current time travel

2132

01:18:22,709 --> 01:18:20,640

narrative that's being pushed seemingly

2133

01:18:24,070 --> 01:18:22,719

everywhere something that especially in

2134

01:18:25,750 --> 01:18:24,080

some interviews i've done with ross

2135

01:18:27,669 --> 01:18:25,760

coulthart frank melbourne and michael

2136

01:18:30,870 --> 01:18:27,679

masters people have talked about you

2137

01:18:32,229 --> 01:18:30,880

know potential future as future humans

2138

01:18:34,229 --> 01:18:32,239

and things like that have you got any

2139

01:18:36,470 --> 01:18:34,239

opinion on that diana

2140

01:18:38,709 --> 01:18:36,480

right yeah so um i've been hearing about

2141

01:18:41,350 --> 01:18:38,719

this for a long time and

2142

01:18:43,990 --> 01:18:41,360

now it's something that's out there um i

2143

01:18:46,149 --> 01:18:44,000

think this about it i think that that a

2144

01:18:48,550 --> 01:18:46,159

lot of work has been done especially by

2145

01:18:50,390 --> 01:18:48,560

people like eric largo

2146

01:18:53,270 --> 01:18:50,400

whose work is really interesting where

2147

01:18:56,709 --> 01:18:53,280

he basically says that we have some

2148

01:18:59,350 --> 01:18:56,719

inkling of the future and how do we get

2149

01:19:01,590 --> 01:18:59,360

that information um so he's you know a

2150

01:19:03,590 --> 01:19:01,600

lot of people use the framework of we

2151  
01:19:05,590 --> 01:19:03,600  
time travel this information you know we

2152  
01:19:06,630 --> 01:19:05,600  
get this information from the future

2153  
01:19:08,310 --> 01:19:06,640  
a lot of people that believe they

2154  
01:19:10,070 --> 01:19:08,320  
manifest stuff so there are people

2155  
01:19:12,709 --> 01:19:10,080  
who've had these experiences this would

2156  
01:19:15,510 --> 01:19:12,719  
be under the rubric of post contact

2157  
01:19:17,189 --> 01:19:15,520  
effects where they have a contact and

2158  
01:19:19,030 --> 01:19:17,199  
also they feel like they can manifest

2159  
01:19:20,470 --> 01:19:19,040  
stuff like they'll think blueberries and

2160  
01:19:21,990 --> 01:19:20,480  
also blueberries you know will show up

2161  
01:19:24,310 --> 01:19:22,000  
at their door people hey i got these

2162  
01:19:26,149 --> 01:19:24,320  
blueberries for you well what's really

2163  
01:19:30,709 --> 01:19:26,159

according to like someone like eric

2164

01:19:32,950 --> 01:19:30,719

vargo's um framework would be that

2165

01:19:35,910 --> 01:19:32,960

and this actually is is portrayed well

2166

01:19:38,149 --> 01:19:35,920

in a rival the movie arrival where the

2167

01:19:40,470 --> 01:19:38,159

this woman who's a professor of you know

2168

01:19:42,390 --> 01:19:40,480

she's a linguist she has contact with

2169

01:19:43,750 --> 01:19:42,400

these beings these extraterrestrial

2170

01:19:45,669 --> 01:19:43,760

beings and then all of a sudden her

2171

01:19:47,669 --> 01:19:45,679

whole sense of time shifts and she's

2172

01:19:49,110 --> 01:19:47,679

able to tell the future in the past you

2173

01:19:50,470 --> 01:19:49,120

know time becomes something completely

2174

01:19:52,470 --> 01:19:50,480

different for her well this is a

2175

01:19:54,310 --> 01:19:52,480

post-contact effect a lot of people have

2176

01:19:56,149 --> 01:19:54,320

this when they have contact and they

2177

01:19:58,950 --> 01:19:56,159

feel like they're manifesting somebody

2178

01:19:59,750 --> 01:19:58,960

something but eric wago would basically

2179

01:20:02,550 --> 01:19:59,760

say

2180

01:20:04,149 --> 01:20:02,560

no they just know on some level that

2181

01:20:05,669 --> 01:20:04,159

that you know in their future they're

2182

01:20:07,830 --> 01:20:05,679

going to experience that they think

2183

01:20:09,830 --> 01:20:07,840

they're manifesting it but it really is

2184

01:20:11,189 --> 01:20:09,840

just they've gone through time and all

2185

01:20:13,830 --> 01:20:11,199

of a sudden there it there it is and

2186

01:20:16,709 --> 01:20:13,840

they somehow saw it beforehand so that's

2187

01:20:18,709 --> 01:20:16,719

going into the future taking information

2188

01:20:21,910 --> 01:20:18,719

from the future and informing the

2189

01:20:24,390 --> 01:20:21,920

present so that is a lot is that part of

2190

01:20:26,229 --> 01:20:24,400

the phenomena um that seems to be a

2191

01:20:28,790 --> 01:20:26,239

post-contact effect what do i think

2192

01:20:30,629 --> 01:20:28,800

about it um

2193

01:20:32,790 --> 01:20:30,639

it's fascinating i don't know what to

2194

01:20:35,030 --> 01:20:32,800

think about it and it lends a bit of

2195

01:20:36,870 --> 01:20:35,040

credence doesn't it to the idea that if

2196

01:20:39,430 --> 01:20:36,880

we experience time in the linear fashion

2197

01:20:41,669 --> 01:20:39,440

but time isn't linear and there are you

2198

01:20:43,990 --> 01:20:41,679

know hypothesis and theories that maybe

2199

01:20:46,470 --> 01:20:44,000

some of these objects or beings don't

2200

01:20:47,830 --> 01:20:46,480

experience timing the same way we do

2201

01:20:49,750 --> 01:20:47,840

and when louis elizondo was on the

2202

01:20:51,830 --> 01:20:49,760

podcast now it seems like a lifetime ago

2203

01:20:53,990 --> 01:20:51,840

he talked about a cigarette or a cigar

2204

01:20:56,470 --> 01:20:54,000

burning and that you know the the part

2205

01:20:58,229 --> 01:20:56,480

that's burned the ash that's the past

2206

01:21:00,310 --> 01:20:58,239

the the the part that's still to burn is

2207

01:21:01,830 --> 01:21:00,320

the future and he says we live in that

2208

01:21:04,310 --> 01:21:01,840

cherry that's burning at the moment but

2209

01:21:05,990 --> 01:21:04,320

if you zoom in on it that that cherry

2210

01:21:07,510 --> 01:21:06,000

isn't symmetrical all the way around

2211

01:21:09,189 --> 01:21:07,520

there's you know those overlaps and

2212

01:21:11,510 --> 01:21:09,199

burning and if something could

2213

01:21:13,510 --> 01:21:11,520

experience that whole portion of the

2214

01:21:14,870 --> 01:21:13,520

cherry at the same time then it could

2215

01:21:16,790 --> 01:21:14,880

potentially look like it was from the

2216

01:21:18,229 --> 01:21:16,800

future from the past and be existing in

2217

01:21:19,990 --> 01:21:18,239

different points all at once that we

2218

01:21:21,270 --> 01:21:20,000

just can't do so i've always thought

2219

01:21:24,149 --> 01:21:21,280

that was a pretty interesting way to

2220

01:21:25,430 --> 01:21:24,159

look at the future human hypothesis

2221

01:21:27,030 --> 01:21:25,440

fascinating

2222

01:21:28,709 --> 01:21:27,040

but listen diana you've been amazing

2223

01:21:30,390 --> 01:21:28,719

with your time and i'm just going to ask

2224

01:21:32,070 --> 01:21:30,400

you to hang on just for one moment when

2225

01:21:34,390 --> 01:21:32,080

i say goodbye to you just to say thanks

2226

01:21:36,070 --> 01:21:34,400

personally off air as well you mentioned

2227

01:21:37,990 --> 01:21:36,080

you mentioned the new book when can

2228

01:21:39,750 --> 01:21:38,000

people expect that from you no pressure

2229

01:21:43,750 --> 01:21:39,760

of course

2230

01:21:44,790 --> 01:21:43,760

yes so that should be out in late 2022

2231

01:21:48,310 --> 01:21:44,800

um

2232

01:21:49,750 --> 01:21:48,320

2022 or early 2023

2233

01:21:52,310 --> 01:21:49,760

excellent i look forward to that and how

2234

01:21:54,709 --> 01:21:52,320

can people follow you on the socials

2235

01:21:56,149 --> 01:21:54,719

i'm on twitter at this moment

2236

01:21:59,750 --> 01:21:56,159

and i'll put the links for the

2237

01:22:01,270 --> 01:21:59,760

description it's dw posilka i believe

2238

01:22:02,790 --> 01:22:01,280

the twitter handle i'll pop that in

2239

01:22:04,709 --> 01:22:02,800

there of course the links to american

2240

01:22:06,070 --> 01:22:04,719

cosmic if you haven't read it go out and

2241

01:22:07,750 --> 01:22:06,080

read it i'll put the links to buy it in

2242

01:22:09,590 --> 01:22:07,760

there as well if you have read it go and

2243

01:22:11,350 --> 01:22:09,600

read it again it's a fascinating read

2244

01:22:13,189 --> 01:22:11,360

especially in preparation for that new

2245

01:22:14,629 --> 01:22:13,199

book coming as well diana it's been

2246

01:22:16,550 --> 01:22:14,639

great talking to you and i look forward

2247

01:22:18,790 --> 01:22:16,560

to having you back on again in future

2248

01:22:20,870 --> 01:22:18,800

thanks so much it was really fun

2249

01:22:22,870 --> 01:22:20,880

that is all for this week's show thank

2250

01:22:24,870 --> 01:22:22,880

you very much for listening please

2251

01:22:27,590 --> 01:22:24,880

remember to leave the podcaster review

2252

01:22:29,830 --> 01:22:27,600

on your chosen platform you can like

2253

01:22:31,750 --> 01:22:29,840

retweet and subscribe that would all be

2254

01:22:33,910 --> 01:22:31,760

very much appreciated the shows are

2255

01:22:35,430 --> 01:22:33,920

being uploaded onto youtube as we speak

2256

01:22:37,990 --> 01:22:35,440

more and more you can sign up at

2257

01:22:40,709 --> 01:22:38,000

patreon.com forward slash that ufo

2258

01:22:42,870 --> 01:22:40,719

podcast access shows ad free as well

2259

01:22:45,750 --> 01:22:42,880

please get in touch on twitter facebook

2260

01:22:49,430 --> 01:22:45,760

instagram that ufo podcast of course on

2261

01:22:51,350 --> 01:22:49,440

twitter it's at ufo uap am and again

2262

01:22:54,130 --> 01:22:51,360

folks as always keep looking up you

2263

01:23:14,470 --> 01:22:54,140

never know what you might see

2264

01:23:14,480 --> 01:23:21,190

is

2265

01:23:21,200 --> 01:23:45,430

[Music]

2266

01:23:45,440 --> 01:23:55,430

i jump back nearly kiss

2267

01:23:58,229 --> 01:23:56,790

they thought this was noise they thought

2268

01:24:00,240 --> 01:23:58,239

it was a dream they thought it was my

2269

01:24:09,490 --> 01:24:00,250

toys

2270

01:24:09,500 --> 01:24:15,590

[Music]

2271

01:24:15,600 --> 01:24:20,730

and

2272

01:24:53,390 --> 01:24:29,350

[Music]

2273

01:24:53,400 --> 01:24:59,669

saucer food

2274

01:25:08,400 --> 01:25:01,590

it wasn't a tic tac and not quite a

2275

01:25:08,410 --> 01:25:22,229

[Music]

2276

01:25:31,510 --> 01:25:24,210

thanks

2277

01:25:33,800 --> 01:25:31,520

[Music]

2278

01:25:48,310 --> 01:25:33,810

so
